## Charges Filed Against Former Middle School Teacher, Principal

By Sharon Callaway Roznik

A former Kewaskum teacher appeared before Circuit Judge Lawrence Waddick in Washington County Court last Thursday under felony charges alleging that while exercising temporary control of a child, the teacher caused mental harm to that child by conduct which disregarded the substantial disreput of the mental well being of the child.

The teacher, George Allmann, 49, of rural Kewaskum, has been working in the Kewaskum school system for the past 25 years, with the alleged incidents occurring in his classes between 1992 and 1994, according to an eight page criminal complaint.

Also present in court was David Jones, 68, of Arkansas, former Kewaskum Middle School principal, charged with being a person responsible for a child's welfare and while having knowledge that another person has caused mental harm to a child, failed to take action,

and the failure to act facilitates the mental harm to the child.

The mental harm offense carries a maximum fine of \$10,000, or imprisonment, not to exceed ten years, or both. Jones and Allmann were also charged with being employed as a public employee and doing acts which they knew were forbidden by law to do in their official capacity. This offense carries a maximum penalty of \$10,000, or imprisonment not to exceed two years, or both.

According to the amended criminal complaint, Allmann, acting in the capacity of a Kewaskum Middle School teacher, had students look up the meaning of words in the dictionary and read them out loud that had a clearly sexual meaning, and that some female students received numerous handwritten notes, usually of a personal nature, often embarrassing.

Other incidents reported include the acting out of a game of charades that took place in his classroom, in

which a student was instructed to act like a "tramp," and hike up her shorts, after which the students in the class laughed, whistled, and made other comments that caused the student extreme embarrassment.

Further statements allege that within the mentioned school year, Allmann regularly relayed jokes with clear sexual connotations to the seventh and eighth grade students, spoke of his sex life with his wife, and used derogatory statements about students in his class on vocabulary tests.

After speaking with her parents, one of the students, who was feeling extremely depressed, contacted Principal David Jones, along with her parents, not once, but on two or three occasions, and reportedly, nothing was done.

Further on in the complaint, it states that another student reported Allmann's activities to a female teacher, who in turn reported it to

## Hair and Things Opens Here

Pictured left to right, owner of Hair and Things, Lori Schneider and her nail specialist, Susan Nielsen.

By Sharon Callaway Roznik

Hair and Things by Lori Schneider opened business last Tuesday, at 1057 Fond du Lac Avenue in Kewaskum.

Owner Lori Schneider of the Town of Farmington has been a hairdresser for sixteen years, and a salon owner for the past four and a half years in West Bend. "The shop I had there was smaller, a one, maybe two salon, she explains about the move. "Then we added a nail specialist, Susan Nielsen, and there was no longer any space to work in."

Schneider received her training from Moraine Park Technical College in Fond du Lac, and is a licensed Cosmetology instructor for the State of Wisconsin, as well as Chief Examiner, an appointed position she has maintained for the past five years. "It entails the coordinating of all state cosmetology exams."

The new salon is spacious and airy, decorated with crafts, wooden park benches, and large, freestanding oval

mirrors. Big front windows let in lots of light, and there's plenty of space between the three work stations. Another hairdresser, Carolyn Turner works part-time, and Lori's looking for another to fill the third position. "We were so busy in West Bend, but there just wasn't the room to hire someone else."

"We do everything here, we're a very family oriented salon," she explains, "specializing in perms, cuts, hair coloring, nails, tanning, make-up and skin care." They offer a full line of Matrix products, and also provide individual makeup consultation and instruction.

Right now, the business has one new tanning booth for their customers, but plan on adding another in the near future. Throughout January, sessions will be priced at \$2.

Nails are Susan Nielsen's specialty, working with acrylics, fiberglass, silk, overlays, top application, as well as manicures. She's offering a special for the

## Trustee Ballot Positions Drawn Board Holds First Meeting of 1995

By Lana Harbeck Kuehl

The Kewaskum Village Board opened business for the New Year at Monday evening's meeting, taking up where the old year left off.

Departmental reports began with Director of Public Works Jerry Gilles, who stated he had planned on announcing there had not as yet been any water main breaks for the season, but that bubble had been burst that morning at 4:20 a.m. when they received their first call of the winter to the top of the hill at Highways 45 and H. Luckily, the only customer that was affected was the village itself and the problem was handled immediately.

Gilles also made mention he was pleased that this year none of the village employees had to be called out over the holidays.

He reported the demolition of the house on the village's property adjacent to the fire station went real well.

The basement was filled with sand and the property will have black dirt laid down this Spring.

Gilles stated he received a low bid of \$17,141 from Ewald Chevrolet. Delivery on the replacement pickup truck, that was budgeted for \$18,000, however, would not be realized until at least Spring.

Trustee Bob Stoltzmann asked Gilles if he had checked the area dealers locally if they could place a competitive bid. Gilles replied he had checked all options and even though the pickup will be purchased at Ewald Chevrolet, most service work would probably be done locally.

The Board authorized the Director to go ahead with the paper work on the purchase order for the replacement pickup.

Village Administrator Dan Schmidt reviewed the budget control sheet and the recy-

cling changes that would affect village residents due to the new statewide mandatory recycling laws (see accompanying article in this issue).

Schmidt did mention a few of the changes, stating due to equipment replacement, the recycling pickup contractor was requesting all corrugated cardboard be bundled in 24" by 24" by 9" piles. It was also noted that glossy paper (advertising flyers) need not be separated from the rest of the newspaper any longer, but magazines and catalogs should be bundled separately. All types of envelopes may also be bundled with office papers and/or junk mail.

The aerial light that was requested by the Kewaskum Sno Chiefs behind the Holy Trinity School on their grassy playground area had been ordered and will be installed. The Sno Chiefs will be pay-

## PERSPECTIVES

Bill Lenz  
Shefond, Oil, Inc. 533-4322

Since the beginning of December, we have had a lot of comments regarding the price of gasoline in our markets. Specifically, why a 7c price difference between Kewaskum and Campbellsport? Point blank...Reformulated Gasoline (RFG)

KEWASKUM, located in Washington County is a non-attainment area for air quality. CAMPBELLSPORT, located in Fond du Lac County is in an attainment area. As of today, Washington County gasoline (RFG) costs us 7 1/2c more per gallon than FDL County gasoline (conventional). That is almost exactly the difference in posted prices.

If you have any questions, please don't hesitate to call our office. We have a brochure we would be happy to mail you that is quite lengthy, but informative.

Thank you for your business.

## Freshmen Parents' Night

On Jan. 19th at 7:00 in the high school cafeteria, Freshmen Parents' Night will be held. This informational meeting is held for all 8th grade students and their parents/guardians.

Making a smooth, positive and successful transition to Kewaskum High School is the purpose of Freshmen Parents' Night.

We will discuss scheduling of classes, graduation requirements, college and technical school requirements, extra curricular offerings at KHS and more. All parents of eighth grade students who will be attending KHS next year are encouraged to attend.

## John Jalas Receives Presidential Scholarship

John Jalas of Kewaskum has been awarded the Patriot Endowed Presidential Scholarship for the 1994-95 academic year at the University of Texas at Tyler.

Jalas is majoring in biology, and he plans to earn a Ph.D. and enter the field of academic medicine.

Before attending UT Tyler, Jalas was a member of the Phi Theta Kappa honor fraternity at Tyler Junior College.

A component of the renowned University of Texas System, UT Tyler offers junior, senior and graduate courses leading to 69 bachelor's and master's degrees.

In the 14th century, until 1752, the people of England considered March 25th New Year's Day.

## Charges Filed

(Continued from page 1)

Jones. Jones allegedly approached the girl, and accused her, as well as other students of lying, and collaborating in their reports on Allmann's activities.

There were four female students named in the complaint, one of which has been hospitalized twice, caused by physical illnesses due to stress, as well as substantial weight loss. It was in July of 1994, when her parents approached by law enforcement officials regarding the defendant Allmann's alleged behavior.

Allmann was suspended from his teaching position on December 13, 1993, and his contract was not renewed. In turn, he challenged the Kewaskum School Board with violations of the state's Open Meeting Law, but the charges were dismissed, by Judge James Schwalbach just last week.

Attorney for the defendant, Robert Friebert, called the charges in court Thurs-

day, exotic, and did not know of any other case in the state based on these charges. He asked that the matter be adjourned until motions could be heard and decided.

He further stated that the court doesn't have to find probable cause since the charges do not name a victim. Jones attorney also stated that it wasn't necessary to find probable cause at this time, since they aren't in custody.

The judge left the courtroom to review Friebert's twelve motions, and the request that the charges be dropped, but the judge took no action on the motions.

Both men were released on \$5,000 personal recognizance bonds, and a January 20th hearing was set for 3 p.m. to hear further motions, documents, or arguments. Booking will be required for both defendants.

## New Mandatory Recycling Laws Affect Village Residents

By Sharon Callaway Roznik

Questions have been raised regarding the new mandatory recycling laws that have taken affect throughout the state since January 1st. Procedures for preparing the recycling for

pickup differ from community to community, and as a result, everyone must be made aware of their local requirements.

In the Village of Kewaskum, glass, plastics, newspapers, office papers, metal, magazines, and corrugated cardboard must be recycled and placed at the curb by 7 a.m. on Wednesdays.

**GLASS** - Remove lids, rings and rinse clean. Bottles and jars that are clear or colored will be accepted, not acceptable are windows, ceramics, mirrors, light bulbs and tubes, Pyrex dishes, drinking glasses, chemical bottles, laboratory glass and medical containers. Attempt to remove all labels and place in green recycling bin.

**PLASTIC** - The village accepts milk, soda, and detergent bottles, as well as other

bottles marked with #1 or #2 on the bottom of the container. These must also be rinsed. Remove and discard lids, labels and any metal handles and crush the bottles flat. Not to be included are plastic oil bottles, styrofoam and plastic cups, film, hard plastic (toys, pails, etc.), medicine bottles or syringes. Place recyclable plastic in green recycling bin. Effective January 1, 1996, containers labeled #3, #4, #5, #6 and #8 and foam polystyrene packaging will be collected.

**ALUMINUM, TIN AND STEEL CANS** - Rinse cans and remove labels. Flattening is optional. These are generally soda and food cans. No foil or bottle caps, cardboard sided juice cans, aerosol or paint cans.

Place ALL the above mentioned items (cans, plastic and glass) in the same green recycling bin. The recycled materials are taken to an MRF (materials recovery facility) where they will

be separated on conveyor belts.

**NEWSPAPERS AND MAGAZINES** - Newspapers and magazines must be secured in separate bundles, tied with twine in both directions, no higher than eight inches. There is no longer the need to separate glossy sections from the newspaper. There is no objection to securing the papers with masking tape or rubber bands as long as the stacks are very

secure.

**OFFICE PAPER** - The new law requires all office papers and junk mail be recycled. This can be done through shredding, and placing in a clear or blue transparent plastic bag and bundled, or placed in a brown grocery type bag, and secured with twine or tape. No meat wrappers, or any waxed paper (example - inside liner of cereal boxes). The paper can be an assortment of different sizes.

**CORRUGATED CARDBOARD** - Cardboard, such as boxes, should be flattened, cut into pieces no larger than 24 x 24 inches, and bundled securely. This does not include "mush" cardboard such as that used to make cereal and Kleenex boxes.

All the recycled items join a list of banned materials that now includes major appliances, used motor oil, vehicle batteries and yard waste. Local governments with effective programs are eligible for state recycling grants to help offset some recycling program costs and may dispose of garbage in Wisconsin landfills and incinerators.

## Receive Degrees

EAU CLAIRE -- Winter commencement exercises for 605 students at the University of Wisconsin-Eau Claire were held on Sunday, December 18, in Zorn Arena.

A total of 578 students received bachelor's degrees, including 285 from the School of Arts and Sciences, 148 from the School of Business, 106 from the School of Education and 39 from the School of Nursing. Master's degrees were awarded to 27 students.

## Letters to the Editor

January 6, 1995

Dear Kewaskum School District Residents,

On Monday, January 16, 1995, there will be a meeting of the school district's Policy Committee. There will be two "hot topics" on the agenda.

One "hot topic" will be extending the reciting of the

Pledge of Allegiance from grades 1-8 to include grades K-12. It has been mentioned by some that perhaps it would be too difficult to say the Pledge in the high school due to time constraints. Excellent organizational skills are crucial to both educators and administrators. It seems odd to me that people with such skills would be unable to find 15 seconds or

so to recite the Pledge. We live in the greatest country on earth. People risk their lives every day to try to come here. Certainly the 15 seconds it takes to recite the Pledge is minimal to remind our teenagers of our country's great ideals and principles.

The other "hot topic" will be the discussion of future Christmas concerts in the Kewaskum district. The discussion will include referring to the concert as the "Christmas" concert as opposed to the "holiday" concert. My feeling is that as long as the federal government refers to the seasonal holiday as the "Christmas" holiday and the White House has a "Christmas" tree, then we as a district, should not be influenced by political correctness run amuck. I understand there are cases currently in the courts that challenge

the legality of the use of the term "Christmas." As of now, there have been no rulings.

I encourage all of you interested in joining the discussion to determine policy on these two issues to attend the meeting on January 16, at 7 p.m. in the high school cafeteria.

Sincerely,  
Mary P. Andera  
Candidate for  
Kewaskum

## KHS Grads Return To Their Alma Mater

KHS grads, left to right, Kristen Ammel, Aaron Dollen, Mark Strobel, Ali Bruendl, Pat Bertram, Michele Gundrum, Joanne Lemke and Mandy Thiemer.

On Thursday, January 5, eight college freshmen, graduates of Kewaskum High School, returned to their alma mater to talk to college bound juniors and seniors about their college experiences.

The college students made up a panel that answered questions and talked about the changes in their lives since they went to college.

Panel members represented the public, private and out of state schools. The panel included Mandy Thiemer, St. Norbert College, Joanne Lemke, UW-White-water, Michele Gundrum, UW-Madison, Pat Bertram, UW-Stevens Point, Ali Bruendl, UW-Stevens Point, Mark Strobel, UW-Oshkosh, Aaron Dollen, University of Minnesota-Duluth, and Kristen Ammel, UW-Madison.

The advice given to juniors was, "take college prep lit and English. In college we write all the time and spend hours reading and working on papers. Be ready to work much harder than in high school." Michele Gundrum, a pharmacology major said, "take all the chemistry and physics you can. It will help you."

Panel members explained placement tests for classes and talked about earning college credits for work done in high school foreign language classes.

"Get involved," was a message sent by Mandy Thiemer and Ali Bruendl and

responsibility. If you don't do the work, no one cares but you pay the price."

Kristen Ammel liked the big college campus atmosphere and being in a bigger city. "There is always something to do in Madison," she said. Aaron Dollen said, Cliques that existed in high school are not important in college. Everyone is more accepted." The panel wholeheartedly agreed with her assessment.

This is the fourth year this event has been offered at KHS to juniors and seniors and is part of the gifted and talented education program in the district.

echoed by others. Fewer tests and no reminders to get assignments done was another big change for college frosh. "No one follows you around," Mark Strobel said, "You are given a syllabus for the semester and it is your

## Board of Education Student of the Month

Senior Jim Rochon, son of Bill and Mary Rochon, has been chosen as the Board of Education Student of the Month for October. His classes include Recordkeeping 1, Energy, Power, and Transportation, Introduction to Drafting, Mass Media, Money and Parenting Skills, English Communications, and Business Co-op.

In nominating him, one teacher said, "This student had been a real discipline problem last year. He was late, practically daily. His grades were poor and he was disrespectful. This year he is courteous. He follows the rules and is getting a decent grade in my class. I find him respectful, interesting, funny, co-operative. I really like this new person, and I think he likes himself."

Members of the village board Monday night gave the go ahead to plans that will expand the village sewage treatment plant at an estimated cost of \$190,000 and to building plans for a municipal garage expected to be built for about \$75,000.

A tray full of 29 wedding, engagement and other rings valued at more than \$3,200 was stolen from a show window at Bier's Jewelry Store, Kewaskum, sometime early Monday morning. Kewaskum police are continuing their investigation into the theft. The thief or thieves apparently hurled a brick through the window, reached in and took the tray of rings and fled. A showcase in the store was also broken when the brick was thrown through the window.

The board of education Monday night moved to exercise options on a total cost of \$41,974 for future expansion of the present high school site. Included in the purchase is 12.70 acres at \$2,100 per acre from August C. Bilgo for a total of \$26,670 and 189.13 acres from Howard and Jeannette

Backhaus at \$800 per acre for a total of \$15,304. Projected plans are to erect a school building to house a minimum of 300 students on the present high school site. The newly acquired area will be used for athletic fields.

A son to Mr. and Mrs. David Flynn, R.2, Kewaskum, Dec. 31.

A daughter to Mr. and Mrs. Richard Herriges, R. 2, Kewaskum, Jan. 6.

The Kewaskum Indians, undefeated leaders in the Scenic Moraine conference, won two more games the past week to extend their winning streak to eight, five in and three outside of the conference. The Indians easily rolled over Lomira 82-55, in a holiday contest, and then ran into unexpected trouble in shading winless North Fond 64-60, in Scenic action.

Recent deaths: Josephine L. Slesar, 75, West Bend; Frank E. Esser, 73, R. 3, Campbellsport, father of Roy Esser, Kewaskum; Mrs. Donald Gartzke, 33, West Allis, former Marjorie Volm of Kewaskum; Clarence D. Schrauth, 63, West Bend; Nicholas J. Schaeffer, 91, Milwaukee, former Kewaskum resident.

## Jesus Was the 'Star' of the Holy Trinity Christmas Concert

Isn't it wonderful to be able to have a school Christmas concert and not be afraid to mention the name of Jesus in it? Isn't it wonderful to be able to celebrate the birth of Christ through song and dance without fear of reprisal? Isn't it great to make Jesus the "Star" of the evening? Well, that is exactly what happened on Wednesday, December 21, in Holy Trinity Church.

The children of Holy Trinity School sang, danced

and performed dramatic readings, all in anticipation of the Christ Child. Secularism was put in the background and Christianity took the forefront.

Under the direction of Mrs. Terri Christie, Holy Trinity Church, decorated with the artistic creations of the pupils, resonated with a myriad of beautiful Christmas hymns, happy holiday songs, dramatic solemn readings, a story about the adoring Santa, as well as the liv-

ing Nativity.

Children, dressed in their Christmas finery, displayed talents which certainly surpassed their parent's expectations. With faculty support and countless hours of practice, the performance was flawless. The big smiles on the children's faces and the sparkles in their eyes was a definite indicator of the fact.

Christmas is a time of joy, a time of love, a time of sharing, and a time of giving. It began with a shepherd's

humble heart, a bright star above, a manger, a child and the world's greatest gift of love. The Holy Trinity school

children, the faculty and the audience indeed, celebrated the true meaning of Christmas.

### KHS Principal/Parent Roundtable

Charles Heidner, Principal of Kewaskum High School, invites all high school parents to join him at the quarterly roundtable on Wednesday, January 18, at 7 p.m. in the library.

Mr. Heidner would like to discuss any concerns or questions parents may have and update them on the following:

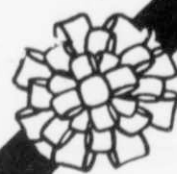

- building remodeling status
  - athletic field progress
  - holiday sharing program
  - start of second semester
  - revision in semester exam exemption policy
- An additional topic of

interest will be discussion with Officer Troy Ellis, Police Liaison Officer at the high school.

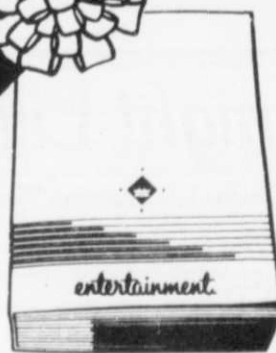

Please join us for interesting discussion and refreshments.

### Historical Society to Meet.

On Tuesday evening January 17th, members and friends of the Kewaskum Historical Society will meet at 7 pm in the community room. On the agenda is the election of officers for the 1995 season. If you would like to become a member, or have any questions, please call Jake Schmidt, at 338-1568 weekdays after 6pm.

## MYRTLE KOHN

Mrs. Myrtle Kohn, age 79, of Kewaskum passed away on Wednesday, January 11, 1995 at St. Luke's Medical Center in Milwaukee. Funeral services are pending at Miller Funeral Home, Kewaskum. 626-2185.

## LUCINDA M. FELLEZ

Lucinda M. Fellez, nee Schmidt, 89, of West Bend, died on Wednesday, Jan. 4, 1995 at the home of her niece in West Bend.

She was born on April 27, 1905 in the Town of Auburn in Fond du Lac County to the late William and Louisa (nee Lau) Schmidt. After her marriage to Gregor H. Fellez at St. Sebastian Church in Milwaukee on September 15, 1926, they lived in Milwaukee until settling in West Bend in 1941. Prior to her retirement in 1970, she was employed at Amity Leather Products Co. in West Bend for 23 years.

Her husband preceded her in death on March 5, 1973.

Survivors include: two brothers, John (Magdeline) Schmidt of Sussex and Harvey (Clara) Schmidt of Wauwatosa; two sisters-in-law, Eleanore Schmidt of Kewaskum and Maraget Fellez of Milwaukee; nieces; nephews; Schmidt of Kewaskum; nieces; nephews; other relatives and friends. Preceding her in death were ten brothers and sisters.

She was a member of Immanuel United Church of Christ in West Bend, the Ladies Aid at Immanuel U.C.C., the Washington County Senior Citizens, and the Mor-ed Club of West Bend.

Funeral services were held on Sat., Jan. 7 at 1:00 p.m. at Immanuel United Church of Christ. Reverend Sharon Stier officiated and burial followed at Holy Angels Cemetery. Visitation was at the church only on Sat., from 10:00 a.m. until the time of services.

At her request, in lieu of flowers, memorials to Immanuel U.C.C. would be appreciated. The Schmidt Funeral Home, West Bend is serving the family.

## ALBERT STRAUB

Albert J. Straub, 65, of W2135 Sunset Drive, Campbellsport, died Wednesday, Jan. 4, 1995, at St. Agnes Hospital.

He was born on Feb. 6, 1929, in Campbellsport, a son of Andrew and Elizabeth Leibel Straub. On May 21, 1952, he married Marcella

Heimerman at Charlesburg.

Mr. Straub was employed at Kohler Co. for 30 years until retiring. He was a member of St. Matthew's Catholic Church in Campbellsport, Knights of Columbus and a union member at Kohler Co.

Survivors include his wife; four children, Joseph and his wife Mary of Campbellsport, Joyce Wenninger and her husband Steven of Allenton, Gerald of Fond du Lac, and Thomas and his wife Sandra of Campbellsport; eight grandchildren; two brothers, Henry and his wife Betty, and Harold and his wife Nancy, all of Campbellsport; one sister, Katherine Krueger and her husband Allan of Campbellsport, nieces and nephews.

Preceding him in death were one daughter, Mary Jo; and one granddaughter, Crystal.

Funeral services were held at 7 p.m. Friday at Twohig Funeral Home in Campbellsport and at 7:30 p.m. at St. Matthew's Catholic Church in Campbellsport. The Rev. Michael Moran officiated. Burial was Saturday at the parish cemetery.

Visitation was at the funeral home from 3 p.m. Friday until the time of services.

## THANK YOU

We want to thank all of our family, relatives and friends for visits, cards and for the food that was brought in while Verna was at the hospital and Calvin was at home.

Special thanks to the doctors, nurses, and Rev. Bettin for his visits and prayers.

May God Bless You All  
Calvin & Verna Schaub

## What's Going On at the Kewaskum Public Library?

NEW, NEW, NEW! Family Storytime for all ages! The library will offer a NEW family-oriented activity on six Wednesday evenings, beginning on January 25.

Family Storytime will be approximately 30-40 minutes of stories, rhymes, special activities, and surprises! We guarantee lots of great stories and fun. We are hoping to interest school-age children AND their parents, who cannot participate during the daytime.

All ages are welcome. Younger children (under 5) must be accompanied by an adult. This special series of storytime will be conducted by a volunteer storyteller.

A schedule of activities will be available next week. Please sign up at the front desk (or call) if you are interested, so we have an idea of how many to expect.

Storytime for four- and five-year-olds will begin again on Friday, January 20, at 10 a.m. and continue for eight weeks. You MUST sign up at the desk. Parents do NOT need to stay for this story time.

## VOLUNTEER NEED-

## County Separated, Divorced to Meet

The Washington County Separated and Divorced Men and Women Support Group meets every Friday evening at Sacred Heart Church in Allenton, from 7:30 to 9:30 p.m.

The purpose of the meeting is to provide a group to share ideas, concerns, support, fellowship and love from a Christian perspective. There are guest speakers, panel discussions, small group sharing and activities.

This group is open to singles, widows and widowers. Many of the topics pertain to single parents and other individuals rebuilding their lives and relationships.

On January 13, the program will be "Humor for Health," with Lynne Adams of Community Memorial Hospital.

"Domestic Abuse," will be presented by Ann Stoffel of the Friends of Abused Families at the January 20 meeting.

ED: The library is still looking for a dependable volunteer to conduct (or help with) the 10 a.m. storytime on Fridays. Please see Nancy if you are able to help us out.

## XYZ CLUB CARD RESULTS

The winners at cards played by the XYZ Senior Citizens at the Municipal Building on Wednesday, Jan. 4th were: SHEEPSHEAD: John Ruplinger Millie Theisen, Martha Kudek, Harold Backhaus and Francis Gilboy.

**Travelogue at  
WB Art Museum**

At the January 15th travelogue at the West Bend Art Museum, world-traveler and West Bend resident Kay Anderson, will share her slides taken on a recent trip to Greece.

Kay spent nine days at an Interhostel at the American College of Athens and four days exploring several Greek islands. This opportunity is a delightful way to learn about one of the "cradles of civilization."

Seating is limited, so come early. The West Bend Art Museum is located at 300 South 6th Avenue in downtown West Bend. Normal art museum hours are Wednesday through Saturday from 10 a.m. to 4:30 p.m. and Sunday from 1 to 4:30 p.m. For more information, call the art museum at 334-9638.

**BEFORE THE  
PUBLIC SERVICE COMMISSION OF WISCONSIN**

Application of the Village of Kewaskum, )  
Washington County, as a Water Public Utility, ) 2830-WR-103  
for Authority to Increase Water Rates )

**NOTICE OF INVESTIGATION AND HEARING  
AND ASSESSMENT OF COSTS**

On August 18, 1994, the Village of Kewaskum, Washington County, as a water public utility, filed an application with the Commission under ss. 196.03, 196.20 and 196.37, Wis. Stats., for authority to increase water rates.

Applicant has requested that the Commission approve the maximum rate of return as the Commission may find reasonable and just.

As proposed by the Commission staff, overall rates would, if approved, increase by 30 percent. An average residential customer's bill would increase 31 percent, from \$29.94 to \$39.18 quarterly.

The utility is responsible for notice to its customers of the filing of the above application with the Commission and, pursuant to s. PSC 2.73, Wis. Adm. Code, for producing proof of such notice at the hearing.

This action is classified as a Type 3 action according to PSC 2.90(3), Wis. Adm. Code. No unusual circumstances have come to the attention of the Commission that would require further environmental review. It consequently requires neither an environmental impact statement under s. 1.11, Wis. Stats., nor an environmental assessment.

NOTICE IS HEREBY GIVEN that the Commission will investigate this matter and hold a public hearing thereon at 610 N. Whitney Way, Madison, Wisconsin, on January 26, 1995, at 10:00 a.m.

NOTICE IS FURTHER GIVEN that this matter is deemed to be a Class 1 proceeding as defined in s. 227.01(3)(a), Wis. Stats.

NOTICE IS FURTHER GIVEN that the Commission deems it necessary in order to carry out its duties herein to investigate the books, accounts, practices and activities of the Village of Kewaskum, Wisconsin, as a water public utility. The expenses incurred or to be incurred by the Commission which are reasonably attributable to such investigation will be assessed against and collected from the Village of Kewaskum, Wisconsin, as a water public utility, in accordance with the provisions of s. 196.85, Wis. Stats., and Chapter PSC 5, Wis. Adm. Code.

If there are any questions regarding the hearing scheduled in this notice, please call Ann Pfeifer, Administrator, Examining Division at (608) 266-5473.

Other questions regarding this matter may be directed to Thomas J. McDonald, Division of Water, Compliance and Consumer Affairs at (608) 266-7236.

Dated at Madison, Wisconsin, December 2, 1994

For the Commission.

*Ann Pfeifer*

ing for the light. The light was requested to provide a lighted area for snowmobilers to park while visiting Kewaskum restaurants and businesses during the evening hours.

The Administrator reported on the 1994 building permits for 1994 as 16 single family homes, three duplexes, one eight-unit multi-family and one commercial (Dairy Queen), totaling 30 units.

Ballot positions were drawn for the upcoming Spring Election with candidates Gary Gavin drawing first position, Harry Roecker drawing second and David Goeden drawing third. President Robert Wagner, running unopposed, will be at the top of the ballot.

Under Committee Reports, Chairman of Parks and Recreation Trustee Charles Waala, asked Director of Public Works Jerry Gilles if the ice skating rink in River Hill Park was or would be flooded again for ice skating this year.

Gilles replied that with the unusually warm weather we have had thus far this winter, it was not feasible to use up the man hours to flood the rink anymore this year.

It was generally agreed that most ice skating is prevalent before the holidays and now with even more warm weather forecast, it was probably too late for this year. It was noted however, that the rink was available for ice skating, providing the proper cold weather comes about, and there was a light on there for evening skating.

Chairman of the Library Board Trustee Charles Waala reported that 1994 showed "this is the most the library has ever had in circulation." Waala also stated 1994 figures show the Kewaskum Library has 5% of all Washington County circulation.

Under Public Safety, Trustee John Borland asked Trustee Robert Beisbier if the Chamber of Commerce had planned on addressing the parking problem on Main Street. Beisbier reported the Chamber would be directing a letter to all their members asking their courtesy, consideration and common sense in regards to parking their vehicles and their employees vehicles in a congested area and to bear in mind that parking places should be reserved for the convenience of the customers of ALL businesses located in a congested area.

Under Capital Improvements, the relining of the sewer from Knights Avenue to Main Street on Fond du Lac Avenue with an alternate bid on a section of Main Street to the railroad, was discussed. Authorization was

given by the board for the engineers to proceed with this future project.

It was also noted the stop and go lights at Highway 45 and H are scheduled to go in early this spring.

Discussion was also held on updating the Municipal Codes which has not been done since 1982, and a review was given by the Village Administrator on the Public Service Commission's findings in regards to the water utility.

## Sensenbrenner to Hold Office Hours

Ninth District Congressman Jim Sensenbrenner will hold a series of open office hours in Pewaukee, Sussex, Lannon, Butler, Slinger, Jackson, Newburg and Kewaskum on Monday, January 16.

At these eight locations, Congressman Sensenbrenner will be available to meet with residents on an individual basis to discuss problems with federal agencies, to hear the views to residents on issues of concern and to receive requests for information or copies of government publications.

The schedule is as follows, listing starting times: Kewaskum Village Hall, 8:30 a.m.; Newburg Village Hall, 9:30 a.m.; Jackson Village Hall, 10:30 a.m.; Slinger Village Hall, 11:15 a.m.; Lannon Village Hall, 1 p.m.; Butler Village Hall, 1:45 p.m.; Sussex Village Hall, 2:30 p.m. and Pewaukee Village Hall, 3:15 p.m.

The public is invited and Sensenbrenner encourages area residents to attend. No appointments are necessary, and everyone will be seen on a first come, first served basis as time permits.

## Applications for Bear Hunting Due January 13

MADISON -- The deadline to apply for a permit for Wisconsin's 1995 black bear hunting season is Friday, January 13.

Last year, more than 25,000 people applied for 2,175 harvest permits. There are 2,710 harvest permits available for the 1995 season through a continuous preference system meaning each year a person applies for a permit and does not receive one, that person has a greater preference for receiving a permit for the next season.

Interest in bear hunting has grown dramatically in recent years, according to Kevin Wallenfang, Department of Natural Resources wildlife biologist. As a result, "hunters can expect to wait up to eight or more years before receiving a harvest permit," Wallenfang said.

Preliminary numbers indicate that Wisconsin hunters harvested more than 1,275 bears during the 1994 season. "Wisconsin's bear population is doing very well," says Wallenfang. "Populations in the north are stable or increasing, and we are seeing an increase in bear numbers in central Wisconsin as well."

Bears are found primarily in the northern one-third of the state, with an estimated population of about 7,200 animals. This northern bear range is broken into three bear management zones which include Subzone A1, and zones A and B. The remainder of the state is designated as Zone C.

Last year, Zone A, which lies in the northwest, was split to include new Subzone A1 for the 1994 season because bear hunting pressure in the Park Falls area was high. Hunting pres-

sure in the far northwest (Subzone A1) was low and bear in that area were causing problems with homeowners and agricultural crops.

In an effort to deal with both situations, the DNR worked with several local governments and bear hunting organizations throughout the northwest to agree on a temporary management subzone in an effort to shift hunting pressure to lightly hunted areas to help alleviate nuisance and damage complaints. Wallenfang says this zone split has worked considerably well, as the bear harvest in Subzone A1 increased by as much as 30% in some counties.

Bear hunting rules remain unchanged in 1995, so hunters who are successful in receiving a harvest permit for Subzone A1 will be required to hunt only in A1 while those who receive a permit to hunt in Zone A may hunt in both A and A1. Those who applied for a harvest permit last year were mailed a renewal application in mid-December. New applicants can receive the proper application forms at any DNR area or District office.

## Northern Pike Size, Bag Limit Changes

Beginning January 1, 1995, the minimum length limit for northern pike is now 26 inches and the daily bag limit is now two in 31 counties in southern Wisconsin.

This size and bag limit

applies to waters in Fond du Lac County, except for Lake Winnebago, where there is no size limit and the daily bag is five northern pike.

As you move around the state several other waters statewide now have new size and bag limits, so be sure to check the special regulations listed by county, for more details. The 1995 fishing regulations pamphlet is now available at DNR offices and should be available at all licensed vendors shortly.

The use of the Swedish hook for fishing is still allowed, at this time, but consider using a different hook to minimize harm to fish that will have to be released because of the new size limits.

If you have any other questions on this topic or another topic, feel free to contact me.

## Holy Trinity 'A' Team Girls Place 3rd at Springs

The Holy Trinity girls "A" basketball team finally got on the winning track at the St. Mary's Springs basketball held on January 7 and 8.

After three disappointing losses in their league to open the season, they rebounded with a 26-18 win over the FACES-Swift team from Fond du Lac. Leading the way for the Wildcats was 7th grader Amy Piwoni with 10 points. Following Amy in the scoring were Nikki Wessing, Jenny Kraft and Amber King with four points apiece. Katie Kopecky and Stacy Zehren rounded out the scoring with one basket each.

The Wildcats found the going a lot tougher in the second round against a very talented team from Eden, St. Marys. Unable to penetrate the zone defense Eden was playing they tried their luck from the outside. Unfortunately, the shots weren't falling and the Wildcats fell by a final score of 35-14.

Leading the scoring for Holy Trinity was seventh grader Jenny Kraft with five points. Also scoring for the Wildcats were Carol Neumann with four, Stacy

Zehren and Katie Kopecky with two each, and Amy Piwoni with one point.

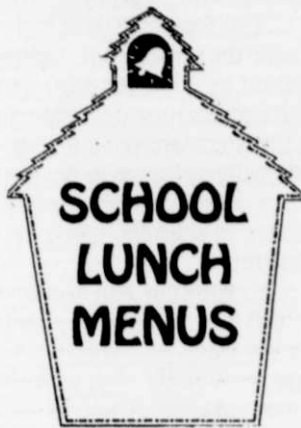

On they went to the consolation game against the FACES-Snyder team from Fond du Lac. With a renewed aggressiveness on both offense and defense, the Wildcats played tough at both ends of the floor.

Both Carol Neumann and Katie Kopecky had very good starts on the boards against a much taller team, even with the added effort they still trailed at the half by a score of 19-12. However, in the process, the Snyder team had one starter with four fouls and two other starters with three apiece.

Knowing they were vulnerable at this point, the coaching staff had the players concentrate on driving to the hoop. Point guard Amy Piwoni got the message and burned up the basket with 19 second half points, five of those coming from the free throw line.

In trying to stop her penetration, two of the Snyder players fouled out. The final score, Wildcats 39 to 35 for FACES-Snyder. Holy Trinity was led in scoring with

Piwoni's 24 points. She was followed by Carol Neumann and Jenny Kraft with five each, Katie Kopecky with four and Mary Rinzel with one. Coaches Dave Kraft and Frank King accepted the third place trophy with pride for a job well done.

## JV, Freshmen Girls Win 1st Round in Holiday Tourney

By Tom Menger

The Kewaskum JV and freshmen girls basketball teams were looking to brighten their holiday breaks with wins in the Hustisford Tournament last week and both got their wish with first round wins.

The JV team used good man to exit defense to pull out an exciting 27-26 victory over Hustisford, capped off by a Sarah Bonlender to Missy Thull pass for the go ahead score with eight seconds left. Susie Vrana led the Indians with 10 points.

The freshmen team was also involved in a close game, pulling out a 26-22 overtime win over host Hustisford. Carrie Wiesner, in her first game back from an ankle injury, scored all five of Kewaskum's points in overtime to seal the win.

The championship game, however, saw a reversal of fate for both the girls teams, as both the frosh and JV Indians lost to Mayville.

After being outscored, 33-13, in the first half, the JV team came back with a strong third quarter to pull within striking distance, but Mayville put the game away in the last quarter to upset the Lady Indians, 56-31. Jackie

Hass led the Indian effort with nine points.

While the score was a lot closer, the result was also a loss for the freshmen girls. The game proved to be a real nailbiter, with neither team being able to stretch their lead to more than four points.

Megan Ramthun led the Indians with nine points, with Erin Krueger and Carrie Wiesner chipping in with eight and seven points respectively, but it wasn't enough, as Mayville came away with a thrilling 36-35 victory.

"We played like champions," commented Coach Ken Soerens, "just one point short."

## JVs, Freshmen Lose to Kiel

By Tom Menger

After beating Chilton, 45-39, for their first win of the season, the Kewaskum boys JV basketball team was looking to make it two in a row with a victory over conference rival Kiel last Tuesday.

Things looked promising early on, as host Kewaskum jumped out to a 16-4 first

quarter lead. Kiel turned things around in the second quarter, however, outscoring the Indians, 24-13. Kewaskum wasn't able to handle Kiel's pressure defense, and turnovers proved to be the difference in the 60-51 loss. Dan Jeserig led the Indians in scoring with 20 points.

The freshmen also had a tough time with Kiel, falling behind by 11 at the half. The little Indians were able to make a comeback in the second half, and were in the lead when Kiel hit a shot at the buzzer to send the game into overtime.

Kewaskum had chances to put the game away, but they missed key freethrows and eventually dropped the game, 51-48. Paul Wiedmeyer scored 15 points, and Ryan Martin added 12 to be the high scorers for Kewaskum.

## Gosa Places Third, Sixth At Ski Championships

David Gosa placed third and sixth at the Twin Cities Cross Country Ski Championships held in Minneapolis, Minnesota at the Baker Park Reserve on the weekend of January 7th and 8th.

David finished third out of 11 OJ (Older Junior Division Skiers) in the 10K (6.2 miles) freestyle competition on Sunday. His time of 27:31.8 was only 0.3 seconds behind second place and 5.8

seconds behind first place. Skiers are started at 30 second intervals instead of a mass start. Times are adjusted after everyone completes the race.

On Saturday, David finished sixth out of 18 skiers in the 5K (3.1 miles) freestyle with a time of 13:33.1 with only 27 seconds separating the top six skiers.

These results serve as USSA Central Division Junior Olympic Team selection qualifiers.
