## Golden Arches to Arrive Here

By Sharon Callaway Roznik

A McDonald's Express will be arriving in the Village of Kewaskum sometime in late October, according to a Shefond spokesperson.

Steve Kilian, owner of McDonald's franchises in Jackson, Hartford, West

Bend and Mayville, will be leasing McDonalds from Shefond-Amoco.

The new restaurant will be attached to the Amoco Station/Mini Mart located on Highway 45, serving customers through a drive-up window from the north side of

the building. Inside seating will be available for up to 15 people.

Shefond-Amoco will also be increasing their parking to the north of the parking, to make room for trucks and semis now parking behind the store.

## Crock-A-Dial Inn Opens in Dundee

The Crock-A-Dial Inn, now open in Dundee, offers a full menu for lunch and dinner.

By Sharon Callaway Roznik

The Crock-A-Dial Inn Restaurant in Dundee opened its doors for business on August 4th, in the location that previously housed the Bavarian Gasthaus.

New to the restaurant profession are owners Jim

Mueller and his fiancée, Janet Burmesch, and they're enthusiastic about their new endeavor, which fulfills lifelong dreams of owning their own business. Jim is originally from Plymouth, and lived in the Parnell area, working in research and development for Johnsonville Foods. Jan's

roots originate in Port Washington, and the two of them decided to purchase the Dundee restaurant because of their attraction to the community and the building's location on a well trafficked corner.

## Kewaskum Kettle Kountry Kolers Focuses on Family Entertainment

The Kewaskum Area Chamber of Commerce will host its sixth annual Kettle Kountry Kolers festival of entertainment on Saturday and Sunday, October 7 & 8, 1995.

Soon the green leaves of summer will change to the radiant colors of fall. The cool crisp air awaits all. Plan to come and enjoy the outdoor activities, music, fun and food from 10 a.m. to 5 p.m. each day. It is the fall

event of the county!

Come early both days. There's lots to enjoy. For the children - a tent with crafts, Lego Mania, entertainment, etc. For the sportsmen - a Hole-In-One contest, a family 8, 15 or 25 mile bike ride and a 5K KEYS run/walk through the village. For everyone - a Buckskinner encampment, hot air balloon rally, craft tent, and new this year the Larson's of Ripon will be bringing their National

Champion Clydesdale Six Horse Hitch on Sunday for a hitching demonstration and a mini parade to the park.

Many more activities -- too many to list -- will interest everyone in EVERYONE. Something for EVERYONE. The price is right - FREE ADMISSION. Kewaskum will be waiting to greet all of you October 7 & 8 in River Hill Park. Mark your calendars today.

## Third Street Residents Oppose Parking Restrictions

By Lana Harbeck Kuebl

Kewaskum residents living on the northeast end of Third Street attended Monday evening's Village Board meeting to request the Board to revisit action taken on parking limitations placed on Third Street.

Resident George Eggert spoke first, asking board members exactly what the no parking restrictions meant and why there was a difference in parking restrictions on the east end and west end of Third Street.

Eggert stated, "Why is it different on the upper part of Third Street? On the north side they can park for two hours on school days. On the south side they can't park at all from 7 to 4. Now why should there be a difference from that section to our block?"

Trustee Gary Gavin said, "My question for you is exactly what is it that you want?"

Eggert reiterated, "What we want is like up on the

other part of Third Street. On the south side, no parking, and on the north side, two hour parking. That way, if we get company we can at least park two hours on our side of the street like they do on the upper part of Third Street. That's what we want, and no parking on the south side. Give the busses the freedom to go up and down in there the way they're supposed to. I don't know if you know how many cars actually go around that corner in the morning. One morning last year I counted from last year after seven until twenty minutes to eight. There was 165 cars and busses combined, going around that corner."

Trustee Gavin stated, "I was the initial one that made the motion to have no parking just on the north side and leave the south side the way it was. It was my intent, number one, we're working with the school system to try to relieve the problem of the kids parking on the street and we also had the two other

## Kewaskum/Campbellsport Tailgate Party Friday

You don't have to prepare dinner Friday night, August 25th. Just head to Campbellsport where members of the Kewaskum Fire Department are hosting a tailgate party at Campbellsport Fireman's Park from 5:00 to 7:30 p.m.

Featured foods include tempting brats, hamburgers, hot dogs, French fries and cool refreshments. The cost

is \$5 per person and \$2.50 for children under 11. Proceeds will be directed to Kewaskum Youth Scholarships, Inc. (KEYS) fund.

Following the party, plan to attend the game and cheer on your favorite team as the Kewaskum Indians and Campbellsport Cougars open their season.

## Annual Early Farm Days Sept. 10

Gas and steam engines, miniature engines, old farm equipment and antiques will be on display during the Kewaskum Historical Society's 21st Annual Early Farm Days being held this year on Sunday, Sept. 10, from 10 a.m. to 6 p.m.

The Historical Society's award-winning museum and log cabin will also be open for viewing. There will be free horse drawn rides and music will be provided by the Barbershop Quartet at 1 p.m., with the Kettle Moraine

Squares performing at 3 p.m.

Members of the Historical Society will be serving their famous Fall Harvest Stew cooked outdoors in their huge black caldron, roast beef sandwiches, hot dogs, homemade desserts and refreshments will also be available.

Admission is free. The event will be held in River Hill Park along the west side of the scenic Milwaukee River. Exhibitors are welcome.

## Miller's Furniture Donates Recliner for MDA Raffle

By Louise Martin

Miller's Furniture Store has generously donated a Lazy Boy rocker recliner as a raffle item for the Muscular Dystrophy Association fund raiser being organized by members of the American Legion and Kewaskum Fire Department.

Chances may be purchased this weekend at the MDA Volleyball Tournament at the American Legion and next week, Monday through Friday, at Bank Wisconsin in Kewaskum. The lucky winner will be drawn on Friday evening, September 1, at Bank Wisconsin.

The Zorn family would like to see monies raised for

the Muscular Dystrophy Association because of the help they have received from

MDA. In fact, Jerry is donating his 4-H Pied cockateel bird, complete with a cage to be raffled off during the weekend.

Additional raffles will be held during the volleyball tournament. To date, items have been donated by Video Post, The Toning Shop and Finishing Touches with more being received each day.

If you like good sportsmanship, watching competitive volleyball and would like to help the MDA, come to the Legion this weekend. Food and beverages will be available.

## Parking

(Continued from Page 1)

neighbors that are on the opposite side of the street and they opposed it. They wanted to have parking. So we also listened to the people on the other side of the street. Now we're listening to you."

Gavin further explained, "Let's give it a try," adding that if problems still exist six months from now, the restrictions could be changed or if everything is working fine, there would be no need to change. Gavin stated, "this was a compromise made, that we start eliminating on one side... instead of jumping in and taking it away completely from everybody."

Mrs. Eggert interjected, "Then why didn't we have all Third Street up here to discuss it? That would have been fair to all of us."

Gavin repeated that it had been his understanding that they were sent a letter regarding the parking and then asked Police Chief Richard Knoebel if all the residents had been sent a letter.

Knoebel answered, "Yes they were. I told them my recommendations would be to do it the same as it was on the rest of Third Street. Two hour parking on the north side and no parking on the

south side."

Eggert said they would go along with what Chief Knoebel had originally proposed, but as far as no parking on the north side, it didn't make sense.

Mrs. Eggert stressed, "The people on the north side only have that frontage. The people on the south side have a frontage to Bilgo Lane and Hansons have a frontage to their house on Parkview Drive. Third Street has only frontage on Third Street."

Trustee William Kulas suggested parking restrictions for two hour intervals during peak traffic times in the morning and in the afternoon, which also seemed to be acceptable.

Following further discussion it was decided in order to prevent flip-flopping on the issue, all residents should be mailed a list of options and a notice the decision would be up for discussion at the next village board meeting on Wednesday, September 6. (The meeting will be held on Wednesday due to the Labor Day holiday).

Until the September 6 meeting, the parking restrictions decided on at the previous meeting (no parking on the north side) will remain in effect due to the fact school will already be in session.

Other matters brought up before the board will appear in next week's issue.

## Crock-A-Dial

and grandfather ran a bakery in Plymouth from 1887 to 1967," Jim relates, "and I've always been interested in the food industry." They hired Issac Solberg as their cook, who's had over seven years experience creating great dishes to please the palate. "I love to cook and make things," Jim explains, "but I can't keep up the pace yet, and consider myself in training to Isaac, so he can get a break in the future."

So far, the community has given them a lot of support, with the snowmobile and Lions clubs booking the restaurant for their upcoming meetings, and Jim and Jan are making it a point to become involved in community projects, recently participating in Dundee's Mill Park Day.

The menu is simple and uncluttered, catering to the locals as well as the tourists who flock through the town on their way to the lakes and nearby campgrounds. Steaks, chicken, pork chops, four seafood plates offered daily, as well as traditional sandwiches, hot or cold, salads, soups and a variety of appetizers, appease appetites of any age. Prime rib is the featured attraction on Saturday nights, and if customers are any indication of the chef's

success, the restaurant has already received some great reviews by word of mouth and repeat patrons.

They uphold to the team philosophy at Crock-A-Dial Inn, as far as their employees are concerned. "They're not my employees," Jim emphasizes. "We work together to serve the customers as best we can. I learned that at Johnsonville. Jan and I have both worked at factories and know how it is when you're just a number." The couple employ six part-time people and add, "we're the two full-time employees."

Taking up where the old owners left off, they've done a bit of remodeling, painting and adding a new tile floor, and making their living quarters upstairs into a place they can call home.

Service is what's really important, a good portion of food for a good price," Mueller maintains. "All our employees really strive to please the customers, and it's so important nowadays. My pet peeve is when you go in some place and they act like they're doing you a favor."

The Crock-A-Dial Inn is open Tuesday through Sunday, from 11 a.m. to 11 p.m., offering a lunch menu from 11 to 4 and a dinner menu from 4 to 9. Carryouts and a full bar service are available. The restaurant is closed on Mondays. Gift cer-

tificates for those special occasions can also be purchased.

Plans for the future include starting up some horseshoe leagues in spring, sponsoring some softball leagues, and in general, getting involved with the public. "We're open for suggestions with ways on how we can improve and what the community would like to see," Jim adds.

## Regal Ware Marks 50th Anniversary With Commemorative Employee Cookbook

Regal Ware, Inc., Kewaskum, celebrated fifty years of producing cookware with production of a 500-recipe employee cookbook. The cookbook, a gift to all employees and retirees, is also available to the public at Regal Outlet Store.

Regal Ware, Inc., a global housewares producer with headquarters in Kewaskum, Wis., has just released a commemorative cookbook.

The newly published 164-page cookbook, entitled "50 Years of Regal Recipes," is a celebration of home cookery commemorating the company's fiftieth anniversary.

The book contains over five hundred favorite recipes from Regal Ware employees and retirees scattered across the United States and Canada. A chapter of "Old Favorites" features recipes handed down through generations, including several that have been in families for one hundred years.

Remaining chapters in the cookbook are titled "Salads," "Vegetables and Side Dishes," "Meats and Main Dishes," and "Desserts."

"50 Years of Regal Recipes" reflects the diverse backgrounds and personalities of the company's work force. The cookbook includes home-tested recipes to please every palate.

Salads include a generous selection of green, fruit, marinated, molded and pasta recipes. The chapter of meats and main dishes includes everything from Dad's Special Casserole to Seafood Stuffed Eggplant and Chicken Normandy. Duffy's Black-eyed Pea Casserole and an old German favorite simply called Sweet and Sour Beans, Popped Asparagus, and Zucchini Fritters are included in the vegetables and sidedishes chapter. A wide and varied assortment of dessert recipes is highlighted by such specialties as New Orleans-style Bread Pudding, Scandinavian

Kringler, and Chocolate-Walnut-Pear Cheesecake from California.

Regal Ware, Inc. was founded on August 6, 1945 by the late J. O. Reigle and his associates L. N. Peterson, currently Founder Chairman of the Board, Kewaskum; Edna Oster who is retired and living in Clearwater, Florida; and the late Albert A. Hron, Sr. of Kewaskum. Today the company is managed by the second and third generation Reigles: James D. Reigle is Chairman of the Board and Jeffrey A. Reigle is President and Chief Executive.

A historical overview of Regal Ware and its employees, with photographs documenting advancements and company growth, round out the custom cookbook and make it of special interest to collectors.

The cookbook's editor is Adeline Halfmann, the company's former Manager of Marketing Communications, and "Ask Addie" food columnist for The Reporter, Fond du Lac, Wis. and The Lakeland Times, Minocqua, Wis.

Every Regal Ware employee and retiree received a copy of "50 Years of Regal Recipes" and it is available at the Regal Outlet Store.

Here is a recipe from "50 Years of Regal Recipes" submitted by Jill Brennan, an employee at Kewaskum.

## Additional Days of School This Year For KHS Seniors

By Sharon Callaway Roznik

Kewaskum High School seniors can look forward to a few more days of school than they're used to, but it's for their own good, school board members decided at last week's monthly meeting.

The Class of '96 graduation date will change from its traditional Friday before Memorial Day (May 31st), to Thursday, June 6, 1996, which is also the last scheduled day of school.

District Administrator David Heather asked the board to consider the change for two reasons. First, the seniors would lose several days of instruction with an early graduation date compounded by the fact they get out a couple of days ahead of that. Secondly, the state track meet falls on Memorial Day weekend next year, as it has in previous years, and seeing many of the senior boys and girls participate in the meet, many are faced with the decision to skip one or the other.

Students should not have to face making a choice between two once in a lifetime experiences, high school principal Charles Heidner pointed out.

"When we have graduation the Friday before Memorial Day weekend, it becomes very disruptive to the rest of the educational process," Heidner told the board, and said he had discussed this with Larry Ammel, high school band instructor, and other teachers, and they agreed that a change would be beneficial. The last day of school was preferred over other dates since students and faculty would be available to participate in graduation ceremonies, in vocal, instrumental, and supervisory capacities.

Board member Mary Andera asked how early graduation came about, with seniors traditionally getting out a week ahead of the rest of the high school, and audience member Larry Ammel explained, "one of the reasons was because we experienced many skip days." Dr. Heather said that the seniors would still be getting out a couple of days before the 6th.

Although Dr. Heather was asking for a permanent policy change, board president Neal Weare indicated they'd consider the change for this school year only, then bring it back next year to give the

community a chance to respond to the decision if they so choose. The board unanimously approved the change for the '95-'96 school year.

After lengthy discussion, the board voted down Ron Beimborn's request to close the west side service road at the high school. Beimborn had asked for the closure to create better parking areas and a smoother traffic flow. He stated that the road was put in with taxpayers money, but he understood that only the busses were allowed to use it, and that was contradictory to its purpose. A sign is posted at the beginning of the road that reads, "student traffic prohibited." Dr. Heather indicated that parents could use the road but risked getting mixed up with the busses in that vicinity.

It was agreed that keeping the road open allows for separation of bus traffic from the rest of the traffic flowing onto the school grounds. The board did suggest it would be beneficial to watch the traffic situation once school starts to study the problem further.

Other items approved that evening included the removal of asbestos from the KHS cafeteria by Environet, at a cost of \$11,035.00 and the construction of a solid wall with double doors for the cafeteria, for \$5,443.00. The committee also approved the purchase of four secretarial work stations, totaling \$11,094, and music and art department equipment in the amount of \$17,876.00.

To save the district some money, it was agreed that a block wall without windows would be built in the high school Tech. Ed. department to replace an existing garage door that is sealed shut. The cost is estimated to be around \$1,200 to \$1,500.

The inclusion of a sidewalk along the east side of Reigle Drive was made part of the district's 96-97 budget, at an estimated cost of approximately \$7,000.

A bid for snow removal from Fischer Truck Service of Kewaskum was also approved by the board, with John Schulte voting no.

Under new business, the

board approved the resignations of KMS LD teacher Kris Wetherall, 5th grade KES teacher Fran Lider, and elementary principal Kevin Steinhilber. Ms. Tracy Schomberg was hired as the new KMS LD teacher.

## Disaster Meeting Set for Wayne

A disaster information meeting for town of Wayne residents is scheduled for Tuesday, Aug. 29, at 7:30 p.m. The West Bend Chapter of the American Red Cross has as part of its emergency procedure plan area committees. They respond quickly to open a shelter when disaster strikes destroying homes.

The extreme heat and violent storms this summer have promoted queries of emergency action. The established plan will be explained and questions answered as part of disaster awareness and preparedness.

This meeting will be held at the Wayne Town Hall on Hwy. H, west of the elementary school. All Wayne residents are welcome.

## Auditions for 'Hello Dolly'

Auditions for the Kewaskum High School's production of "Hello Dolly!" will be held in the choir room of Kewaskum High School on Monday, August 28, and Tuesday, August 29, beginning at 6 p.m.

Any student of Kewaskum High School is encouraged to try out. Rehearsals will begin on Tuesday, September 5. The show's final performances will be on November 3 and 4 beginning at 7:30 in the evening.

### WHAT ARE YOU?

I am the winds,  
 Soaring high above the clouds.  
 What are you?  
 I'd like to find out.  
 I am the fires,  
 Burning deep in the earth.  
 What are you?

Please, help me find out.  
 I am the waters,

## Donations to MDA Can Help Create a Memory

Jerry Zorn, son of Gene and Sandy Zorn of Kewaskum, and his camp counselor, Missy, from the Muscular Dystrophy Association (MDA) create precious memories as they sing on the kareoke machine at Camp Wonderland located in Kenosha County. If you can't participate in or attend the Legion-Firemen volleyball tournament this weekend at the Legion Hall, seek out one of the "Fill The Boot" campaigns that will be located in various shops throughout Kewaskum. You'll get a special feeling knowing you helped MD afflicted children create as many memories as possible.

By Louise Martin

Saturday and Sunday, August 26 and 27, members of the American Legion Post 384 and the Kewaskum Fire Department are joining forces to host a double elimination co-ed volleyball tournament at the American Legion Hall in Kewaskum.

Play will begin at 11 a.m. both days. Food and refreshments will be available. Proceeds raised from the event will be presented to the Muscular Dystrophy Association on Labor Day weekend.

Support and assistance from the MDA are truly a godsend to people and families affected by this disease. Unfortunately, the Zorn family knows full well how essential the organization is. Jerry was diagnosed with muscular dystrophy just over one year ago. Since that time, Sandy, and two other children, Brittany and Matthew, have also been confirmed with muscular dystrophy. Imagine receiving such a diagnosis and knowing your family's future is so uncertain as the progression of the disease varies from person to person.

Donations to MDA help make possible camp programs, counseling, therapy,

support groups for families, as well as continuing research and educating the public about the disease.

Gene has been a dedicated volunteer on the Kewaskum Fire Department serving the Kewaskum area as a firefighter and emergency medical technician since joining the department in 1988.

Wanting to help a fellow firefighter, department members conducted a "Fill the Boot" campaign in 1994. Reviewing the overwhelming response from the people in the area, boots will again be available at various businesses in Kewaskum to accept donations and at the volleyball tournament.

Your participation in the fund raising efforts of the American Legion and Kewaskum Fire Department members is truly appreciated by the Zorn family and all who are helped by the MDA.

## FIRE SAFETY

### Surviving A Fire In Your Home

(NAPS)—Knowing what to do before a fire occurs can save your life. Develop an escape plan for your family today. The entire family should develop a HOME FIRE ESCAPE PLAN, which according to the experts at Shriners Burns Institutes, should include the following:

1. Draw a floor plan and find two exits from each room. Windows can frequently serve as emergency exits.
2. Designate a meeting place at a safe distance outside the home.
3. Practice getting out of the house through the various exits.
4. Install smoke detectors wherever needed.

## Gray Named to Who's Who Among High School Students

Heather Gray

Heather Gray, daughter of Carol and Bruce Gray, Adell, has been named to the 29th Annual Edition of Who's Who Among American High School Students. This is an honor reserved for only 5% of the nation's high school students each year.

Heather received this recognition as a sophomore at Kewaskum High School for the 1994-95 academic year. Besides her studies, Heather is very active in band, where she is a member of the Symphonic Band, Jazz

Band, Pep Band and the Marching Band.

In spring, you will find her outdoors participating in her favorite sport of fast-pitch. She earned her letter from the varsity team this past season. Heather is also employed part time in the mailroom at the West Bend Daily News.

After graduation from high school, Heather is contemplating pursuing the environmental science field.

"Maybe this empowerment thing is getting out of hand."

## Wisconsin Restaurant Association Education Foundation Awards Scholarships

Amy Yogerst

Twenty students pursuing careers in the foodservice industry were honored at the first annual Wisconsin Restaurant Association Education Foundation (WRAEF) Scholarship Banquet Sunday evening, August 6. The banquet was held at The Nakoma Golf Club in Madison.

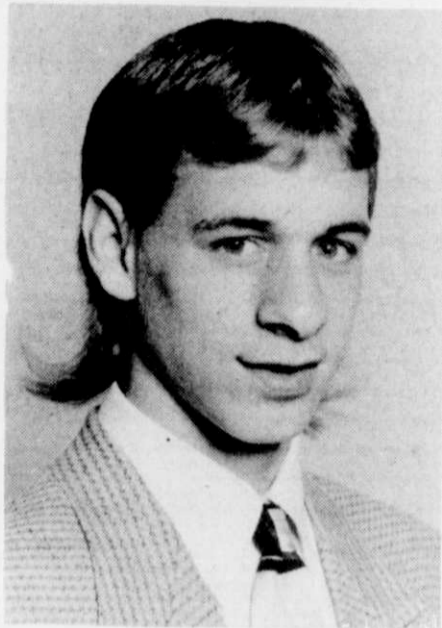

The mission of the WRAEF is to promote the education, professionalism, and advancement of the foodservice industry. Each year the WRA Education Foundation awards scholarships of \$750 to \$1500 to 20 or more students. This year 24 students were recognized, 20 of whom attended the banquet. These students are training in a variety of foodservice career paths. They may be enrolled in a one, two, or four-year program or

a food-service apprenticeship program. In order to qualify for the scholarship, the student must be employed in a Wisconsin foodservice position at the time of application.

Jason Damrow and Amy Yogerst, both from the Washington county area, are among the scholarship recipients.

Damrow, of West Bend, is currently attending Moraine Park Technical College in the Culinary Arts program. Damrow also competed in the 1995 WRA Student Culinary competition at the WRA Host Midwest Expo where he earned a silver medal. "I want a career in foodservice," Damrow said, "because I like to cook and it interests me a lot."

According to Damrow's employer, Fred Doyle of

Jason Damrow

Forest Island Restaurant in Keshena, "He is constantly striving to become more creative and expand his culinary skills. The skills and knowledge he is learning he passes on to other staff members on a constant and daily basis."

Yogerst, of Kewaskum, is also currently attending Moraine Park Technical College in the Culinary Arts program. Yogerst wants a career in foodservice because she enjoys food preparation. She received the Moraine Park Vocational Award for the Culinary Arts program, and is active in the Foodservice Executives Club.

According to her employer, David Polster of Top of the Ridge in West Bend, Yogerst strives to improve her abilities and knowledge. "She has shown since the

first day that she wants to be in foodservice," Polster said. "I personally feel that with her dedication to this field she will become a very successful restaurant operator."

## Stoffel Family Reunion Held

by Sara Konkol

Good times were had by all who attended this year's Stoffel Cousin's Party on Aug. 6th. The reunion took place at the Kewaskum Kiwanis Park. The sun and hot weather only added to the fun to get wet in the pool.

Family members traveled from all over Wisconsin and the U.S. Gary and Mary (Stellflug) Driefurst came from Calif. Ned Stoffel and his wife Carol Smith traveled from New Jersey and Tom Stoffel came from Arizona. There was a potluck lunch and games for the kids. Many enjoyed the pool, while others were catching up on the past years. Nicole's husband mark entertained the group as Professor Deutschemark, "The Mad Chemist." He demonstrated many scientific tricks that were very funny. He had audience members participate in the experiments.

The big event of this year's party was the "Egg Drop" contest. Participants were to fashion an egg in something that would withstand being dropped from the 85 foot harvester at the Stoffel Farms. Contestants brought eggs placed in a box of Jello, in an aluminum pipe filled with whipped cream, pillow

wrapped around an egg and many more. One of the more entertaining was Paul Stoffel's which was a rag doll fastened to a parasol with the egg placed in the belly of the doll. The egg survived the fall. Also Sara Konkol placed her egg in a honeydew melon. The egg certainly didn't survive, but it was fun to watch the impact. Kids in the front row were warned to watch out for flying egg parts. The winning contestant was Shelley Taylor who placed her egg in a milk jug filled with packing peanuts and wrapped the jug in paper mache' to look like Humpty Dumpty with Rambo legs. Second place went to Carol Smith who encased her egg in raspberry jello with marshmallows all placed in a box. That was a messy one but the egg survived. There were many that survived and the ingenuity of them all was great. The structures that remained intact after the fall were taken care of by Lee Stoffel and his bulldozer.

Thanks goes to Nicole, Jacky and Shelley and all who made this a very memorable family reunion.

# Crisis Management

In a crisis, you need a highly skilled medical team.

Our professional staff includes board certified emergency medicine physicians and registered nurses certified in trauma care and Advanced Cardiac Life Support. Working together, they manage emergencies from minor illnesses and injuries to life-threatening trauma.

Our commitment to the management of your emergency reaches beyond St. Joseph's Community Hospital to a network of referral facilities when necessary. Our crisis team also is actively involved in community intervention. From the direction we give for county-wide emergency preparedness to our role in providing patient and family assistance with other providers and agencies, we are the Washington County leader in emergency treatments.

Strong capabilities and personal concern for patients are the crisis management advantages at St. Joseph's Community Hospital of West Bend.

When Kewaskum High School Spanish teacher "Senora" Olsen asked her Spanish II class if anyone would be interested in painting a map mural of Spain for the class Spain unit project, Alex (Alexjandro) Weber and James (Juan) Menger eagerly accepted the opportunity. They didn't stop with the map, however. They worked painstaking hours after school adding not only the Roman aqueduct in Segovia, Spain, but also a matador executing a pass with his toro, or bull. The Spanish wall has added meaning to the boys, as they will participate in the school's "Hermanos de Espana" home-tay and touring program with Senora in June of 1996.

## West Bend Clinic to Expand

West Bend, WI - The West Bend Clinic will officially break ground for a 10,000 square foot satellite in the town of Jackson and a 32,000 square foot addition to its existing facility in West Bend.

The Jackson satellite, part of the Cedar Creek Business Park at the intersection of highways 45 & 60, will be an expandable, two-story building with a look and feel similar to the West Bend facility. Initially, it will be sized to accommodate four family physicians and related services.

Expansion of the West Bend facility will conform to the existing structure and allow future additions to staff in the areas of internal medicine, general surgery, obstetrics/gynecology, ophthalmology, and optometry as well as other medical and surgical sub-specialists on a part time basis. Additionally, the West Bend Pharmacy will be moved into a new, 11,000 square foot building adjacent to the clinic and begin offering a full line of health, beauty and convenience items.

## Start of School Year Can Add to Family Stress

By the end of August, most families eagerly anticipate the new school year. Kids look forward to seeing friends again, while parents may breathe a sigh of relief that a more structured routine replaces a chaotic summer. However, the beginning of a new school year can add to family stress. Shuffling child care, transportation, and after-school activities presents a challenge to parents. Yet, even with all the added responsibilities, it's usually easier for adults to make transitions than it is for children.

For kids, there may be apprehensions or fears about entering a new grade or moving to a new school. Younger children may be worried about leaving home and their ability to find their way in a new environment. Older children may feel pressured by academic expectations and may wonder if they will make friends easily in a new setting.

Before the school year starts, parents should sit down with their children and discuss the changes and expectations brought on by a new school year. Typically, parents talk among themselves about changes and transitions, but rarely talk to their children about the same issues. Holding a family meeting or talking informally to children about their concerns may help them voice their fears. Then, together, the family can work to come up with solutions.

These tips will help your family alleviate school-year stress and make a smooth transition.

-Gradually ease into your new schedule. After the long days of summer, children may be staying up too late. Several weeks before school starts, make bedtime 15 minutes earlier. Wake the kids up 15 minutes earlier each morning. Continue moving up their bedtime every few

days. You may have to spend extra time in the evening establishing bed time rituals, such as reading or storytelling.

-Block off a few minutes each evening, perhaps at bedtime, to spend time with your children. Discuss what happened that day, tell stories, or read together. Being accessible to children will encourage them to talk to you about their concerns.

-Once a week, set aside time to do a special activity as a family. Take turns letting different family members choose the activity. Being together and anticipating an event will build closeness and can encourage open discussion.

-Set aside regular times each evening for homework. Sit down at the table with

your children and read or work on your own "homework" or project. This will show your children that you value the importance of taking time to improve yourself or learn new things.

-Get to know your children's teachers in advance and keep in contact with them throughout the school year, not just at conferences. If your kids know you are interested and knowledgeable about their school and teachers, they will be more willing to share their feelings and experiences with you. Knowing the teacher's style and philosophy may help you think of ways he or she can be most effective in working with your child.

-When new opportunities arise at school, encourage your child to participate by giving them options. Many children are reluctant to try new things because of the fear of failure. By presenting options to your child, like a choice between a sport and learning to play an instrument, you encourage participation without forcing your child to get involved.

For more information on parenting issues and communication with your children, contact Joyce Albrecht at the Washington County UW-Extension Office, 335-4479.

## 25 Years Ago

August 14, 1970

At their meeting on August 3, the Kewaskum Kiwanis Club presented Regal Ware Inc. with a plaque in honor of the firm's 25th anniversary in the cookware and small appliance manufacturing business in Kewaskum.

This summer Kewaskum High School is presenting the comedy, "Arsenic and Old Lace." It will be performed in the round on Friday and Saturday, August 21 and 22, at 8 p.m. in the high school gym. The cast includes Betty Butz, June Scannell, Les Kaschner, Doug Acker, Tom Hensiak, Dana Acker, Doreen Rumsey, Dave Benzschawel, Linda McCarty, Pete Theisen, Beth Buswell, Tom Benzschawel, Jim Baumhardt and Jack Garman. The production is under the direction of Neal Hirsig of Kewaskum, a junior at Oshkosh State University, who is majoring in theatre.

Linda Marie Nigh, daughter of Mr. and Mrs. Alban Nigh, Route 2, Campbellsport, became the bride of Richard Carl Yahr, son of Mr. and Mrs. Julius Yahr, Route 1, Kewaskum, on July 25, at Holy Trinity Church in Kewaskum.

Mr. and Mrs. Jac. Lawrenz, Kewaskum, received a copy of a citation from the 25th Infantry Division of the U.S. Army, which was awarded to their son, Pfc. Randall G. Lawrenz for meritorious achievement in Vietnam.

Randy Koth was the only Kewaskum player selected on the Scenic Moraine All-Conference baseball team dominated by champion Pewaukee and runner-up Campbellsport. Koth, a senior, had a .336 batting average and turned in some sound defensive play.

Advertisements this week included a bowling special at Lighthouse Lanes in West Bend offering three games for \$1.00. The movie playing at the West Bend Theatre was Airport starring Burt Lancaster, Dean Martin, Jacqueline Bisset, George Kennedy and Helen Hayes.

August 21, 1970

The Kewaskum Community Schools will open next week following the summer vacation. Friday, August 28 will be the first full day of school for the students. Holy Trinity Parochial School will also open the same day. The largest freshman class in history had registered at Kewaskum High School as of Monday of last week with 188 students enrolled. A total of 665 students are expected in high school, grades 9 through 12.

Only about 2 1/4 hours from returning from fires in the Kettle Moraine State Forest in the afternoon, Kewaskum firemen were called out again Sunday. The

second call came about 6:45 p.m. to the Otto Giese farm several miles west of the village and about a mile north of Highway 28, in the Town of Auburn, where a barn, pigs, chickens, hay and farm machinery were destroyed in a barn fire. The entire 40 by 68 structure was destroyed. Lost with it were a chopper, blower, seeder and other farm machinery and equipment, two brood sows and a boar, 17 small pigs, 50 chickens and approximately 10 to 15 ton of baled hay. The cause of the fire has not been determined.

Fire destroyed eight buildings, livestock and machinery on the farm of Alvin Berres located about eight miles north of Kewaskum on Highway 45. The loss was estimated between \$175,000 and \$200,000.

Kewaskum's new American Field Service student for the 1970-71 school year, Nelson Ivan Andrade Apunte of Quito, Pichincha, Ecuador, has arrived here. He is the 10th AFS student to come to Kewaskum. Ivan, as he wishes to be called, will make his home with Mr. and Mrs. Lester Benzschawel of Beechwood.

The Ridge Riders Motorcycle Club of Clark Air Force Base near Manila in the Philippines has set up a memorial for the late Sgt. Clifford Bales, son of Mr. and Mrs. Sylvester Bales of Route 1, Kewaskum, one of two American airmen who were found slain in the Philippines in April of this year. Filipino police attributed the slayings to Communist led Huk terrorists. They have made arrangements with the Kewaskum Floral Shop to place flowers on Sgt. Bales' grave at Holy Angels Cemetery in West Bend, on his birthday for the next ten years.

### Kewaskum 4-Her's

The August meeting of the Kewaskum 4-Her's was called to order by President Jennifer Johnson at 7:13 p.m. The Pledge of Allegiance was led by Heather Hackbarth and the 4-H Pledge was led by Nicole Johnson.

The secretary's report was read by Brooke Zanow and was accepted by Heather Hackbarth and seconded by Jessie Barns. The treasurer's report was read by Vice-President Amy Johnson and was accepted by Nicole Johnson and seconded by Greame Zanow.

The election of officers was held this month and the new officers for the 1995-96 year will be Amy Johnson as President, Brooke Zanow as Vice President, and Jon Lendved as Secretary. The Treasurer will be voted on at the next meeting. Amanda Jesolscheck will be the Reporter and Jessie Barns will be the Historian.

Mrs. Zanow and Mrs. Johnson reported on the

Farmer's Market. Brooke Zanow, Mrs. Erdmann, Heather Hackbarth, and Kim Erdmann reported on Farm Progress Days. Joey Barns, Greame Zanow and Jon Lendved reported on the Washington County Fair.

August birthdays are Joey Barns, Jerry Zorn, and Katie Wilson. It was decided to pass out flyers to our youth in the community through the schools inviting them and their parents to our Annual 4-H Mini Fair. They will have a chance to observe many different 4-H projects that our current members have made and entered in the County Fair.

The meeting was adjourned by Jon Lendved and seconded by Nicole Johnson. Refreshments for the September meeting will be provided by the Johnson and Jesolscheck families.

REMINDER to all members that their 4-H Record Books were to be turned in to Mrs. Zanow or Mrs. Johnson no later than August 15 and congratulations to all the members on a job well done at this year's County Fair.

Nicole Johnson, Reporter

### Village of Kewaskum NEWS NOTES

The Village Board would like to remind the residents of the Village of two (2) topics covered in the Villages Municipal Code. The first topic is covered in Chapter 10, Public Nuisances, we shall refer to this problem as a health hazard. The Village has undertaken several steps to improve the clearwater (storm water) discharge in the entire community, but yet people are not cooperating. We find that people cut their grass and catch it just to dump it in a designated clearwater collection point to help plug up and eventually cause water to back up during certain times of the year. The Village would ask that all residents keep their grass clipping and leaves away from the catch basins in the curb area. Also to refrain from dumping their grass clippings and leaves in ditched areas.

# Town of Scott Recycling Is No Longer a 'One Man' Operation

By Bernadette Mondloch

The Town of Scott Board Recycling Center is in need of machinery operators. An individual is being sought to operate baling and shredding machines. The board will be meeting on September 23 to determine qualifications and hourly rates to be paid for the new employee. Recently the town has begun marketing the recycling items and have found that the recycling center is no longer a "one man" operation.

During the "citizen input" portion of the August meeting, comments were directed at the excessive noise coming from the A & R Pipeline operation on Tower Road. In addition to the verbal complaints, a letter was read from a town resident who lives nearly two miles from the pipeline. Town Chairman Lester Benzschawel explained that he has been in contact with the officials of the pipeline and that they are working on diminishing the amount of sound generated by the large engines being used at the plant.

A resolution was passed, applying for exemption from the county library tax for 1996. In order to qualify for the exemption, the town will expend for the local library fund an amount at least equal to the sum which it would have to pay toward the 1996 Sheboygan County Library tax levy. This year that figure is \$24,787.23, approximately \$1,200 more than in 1995.

Citizens who are planting trees along their front lot lines are reminded that trees should not be any closer than 33 feet from the center of the road. This does not mean that

the planting can be at the 33 foot mark, but allowances should be made for spreading branches.

Approval was given for a number of zoning changes. The first went to Erhard Klug for 8.99 acres zoned from A-2 to A-1 located in the Section 21. A number of years ago Klug intended to build on this property so it was zoned A-2. Plans have changed, and therefore the request was to go back to A-1.

The second approval was for a 3.21 acre parcel owned

by Larry Fechter in Section 33. The change was from A-1 to A-6. The property is located on Paradise Drive.

Two acres in Section 35, owned by Armin Arndt, was changed from A-2 to A-6, allowing for a home to be built at that location. The land is being separated from a 3.02 acre parcel on which Arndt currently lives. In addition, a conditional use permit was issued to Armin and Melissa Arndt, allowing for a beauty salon to be operated out of the home which is being built.

## Bird Show At Madison

The W.I.N.G.S. Bird Society will be hosting their first annual exotic bird show on Saturday, Sept. 23, at the Ramada Inn (formerly the Holiday Inn Southeast), located at 3521 Evan Acres Road, Madison, Wisconsin. The judging and salesroom will be open to the public from 9:30 a.m. to 4:30 p.m. W.I.N.G.S. abbreviates Wisconsin Individuals Nesting Great Shows, and was founded in 1994 with goals to educate and return parrot exhibitions to Wisconsin.

In addition to the actual judging of birds, there will also be a sales room and items being raffled. The sales room will have vendors with hand-fed babies to sell, cages, bird toys, t-shirts, artwork, and a myriad of other items for all bird loving enthusiasts.

A free wing clipping and nail trimming clinic will be

held from 1-3 p.m., sponsored by the U.W. - Veterinary Medical Teaching Hospital Exotics Program. Bring their pets in for a trim if needed during this time, and should furnish their own towels for restraint.

Admission is \$1.00. If you would like more information on the bird show, or would like to know how to go about showing your bird, please call Rita Shimniok, Show Manager, at (608) 798-4877 weekday evenings. Vendors selling birds and related supplies may reserve a table by calling (608) 246-0428 prior to September 1.

To find the Ramada Inn exit 142B from I-90, or turn at the McDonald's off of Hwy. 12 going to Cambridge.

# Village of Adell Board Continues Pursuit of Block Grant for CBRF

By Bernadette Mondloch

The Village of Adell continues to pursue the possibility of obtaining a Block Grant to assist in the construction of a Community Based Housing Development which would be located in the village.

There is also a possibility of the availability of village owned land being sold to Phil and Penny Jones and Wayne and Connie Springs, potential developers.

A CBRF is a community living facility that provides room and board, supervision and supportive services to persons who are unable to live independently in the community or who choose to live in these facilities.

If it is determined that the land east of the Municipal Garage is a suitable location for a CBRF, the village board would give the consideration to selling. A public hearing would be held prior to taking any form of action. No selling price has been established.

The block grant program is administered through the State of Wisconsin Department of Administration, Division of Housing. It makes available favoring financing to the developers, offering lower than market finance rates, low loan initiation costs, and provides that as the loan is repaid, the money is placed into a revolving loan fund for the municipality to appropriate for other projects. Facilities such as this have shown great success in Oostburg, Sheboygan Falls, Plymouth and Port Washington, most at 100% capacity.

The next step will be to contact the Department of Industry, Labor and Human Relations and to set up a meeting with the Department of Development to review the developers plans and to make sure that all requirements of the CBRF are met.

Attorney Dean Stange, who has left the Ritger Law Firm in Random Lake has been chosen to continue as the village's attorney. Stan-

ge's office is now located in Saukville.

A resolution was passed, applying for exemption from the county library tax for 1996. In order to qualify for the exemption, the village will expend for the local library fund an amount at least equal to the sum which it would have to pay toward the 1996 Sheboygan County Library tax levy. This year that figure is \$6,104, \$66 less than was due for 1995.

Relocation of a fire hydrant which was recently struck by a delivery truck at the Adell Market will be included in the 1996 budget.

Another budget item will be the maintenance and possible repair for Well #1 pump and related equipment. It has been ten years since the equipment has been inspected and reconditioned.

Matthew Oberhofer, pro-

ject environmental specialist for Fluid Management, Inc. and David Henderson, specialist for Advent Environmental met with the board to discuss rates for discharge of water from the groundwater cleanup operations currently being done at the Adell Cop and Adell Motors. A decision is being held over until next month pending investigating research on the village's costs for the additional flow through the force main to the Onion River Wastewater Treatment Plant.

The county highway department will be contacted to investigate alterations needed to adjust the storm water flow to a lot on Wisconsin Street, owned by John Pederson.

The Audit committee will meet prior to the September board meeting at 6 p.m.

## IN MEMORY

In loving memory of JENNY SCHULZ, who passed away one year ago, August 22, 1994:

Your life with us was so short, but there are so many lasting memories. We were *always* best friends. We were there for each other whenever we had problems, needed to talk, or went out and had fun. These memories are always with me.

I wish I could have told you my thoughts, and had the opportunity to say...good-bye.

I know you will always be with me, but you are in a much better place, and I miss you so much.

# Local Anachronists Preparing for Activities

The local chapter of the Society for Creative Anachronism (SCA) is preparing a number of activities, starting in September. The SCA is a non-profit educational organization that studies and recreates the Middle Ages. Many people in the area have seen SCA participants dancing or participating in other activities in costumes of the Middle Ages at Port Washington's Fish Days and West Bend's Historic Fest. The SCA also helped out at Milwaukee's German Fest this year.

The local chapter is offering free dance classes on the first, third and fourth Wednesdays of each month. The dances are from England, France, Germany, and Italy and were first recorded in the 15th to 17th centuries. Dances will include formal, entrance dances, such as European Pavaues, formal court dances, such as Burgundian Basse Dances, and Italian Renaissance Court Dances. More casual country dances will include English Country Dances (including the predecessors to modern Country Line Dances and Square Dances), French Bransles (Circle Dances), German Almans (skipping and hopping dances) and Galliards (Medieval aerobics, sort of). Some of the later period dances are predecessors to the Minuet, the Waltz, and the Virginia Reel.

The second Wednesday of each month, and the fifth Wednesday, when there is one, will feature a free game

night. The Games of the Middle Ages will include some games which are still popular today, such as Chess, Backgammon, and Dominoes. There will also be more obscure games, such as Nine Man Morris and Miller in the Middle. This is a study and re-creation of what really was, in the best and most fun ways.

All of these activities, and more, will be taking place indoors at the Midwest triclone (the remote-control racecar track) in Jansen Family Park, on Schuster, just West of Hwy. B in West Bend. Activities are Wednesday nights from 7:00 p.m. until 9:30 p.m. These activities are open to the community and are free of charge.

The local chapter also has small groups who meet for other activities, recreating many other aspects of the Middle Ages. These other activities include fighting (using practice swords), archery, needlecrafts, costume making, brewing and vintning, music, storytelling, cooking, and much more. The group endeavors to study and recreate all of the best aspects of the Middle Ages. The Society for Creative Anachronism is Creative in that indoor plumbing and other modern conveniences are welcomed as the group studies and has fun with history. "Why don't you play golf with George any more?" Pete's wife asked him.

"Would you play with a fellow who puts down the wrong score and moves the ball when you aren't watching?"

"No," she replied. "Neither will George."

## Darcell Salm Wins Honor

## KMS Girls Track Starts

Girls track at Kewaskum Middle School starts August 28 at 3:00 p.m. All girls in 7th or 8th grade interested in joining the 1995 KMS Girls track team should plan on being at this initial meeting and practice.

Before a student is allowed to practice the following conditions must be met:

- 1) Each participant must have a signed WIAA Physical Examination card or a signed WIAA Alternate Year Athletic card turned into the coach or middle school office. These cards are

available in the middle school office.

2) A \$5 user fee payable once a year which covers all sports should be paid at the middle school office.

3) Each athlete and their parent should attend an athletic code meeting and sign the athletic code.

4) Academically each athlete must be passing all classes in order to participate in the meets.

Coaches Eric Christie and Jerry Gosa are looking forward to the start of the season.

James J. Corbett, heavyweight champion from 1892-1897, was credited with being the first "scientific" boxer.

**EWSCA NEWS**

(PLYMOUTH, WI) Gary Laack of Glenbeulah held off point leader K.J. Skelton of Cascade to record his first 30 lap Eastern Wisconsin Stock Car Association Modified feature victory of the season Saturday night at Sheboygan County Fair Park.

Laack, a nine-time Sportsman track champion, took command of the top spot in turn one of the opening circuit from the pole position. Plymouth driver Tim McMullen brought out the first red flag of the event on lap 2 when he stalled in the first turn.

When the race returned to green flag action, Laack gradually began to open up a solid cushion over Skelton, who started fourth. By the halfway point, the 1994 Modified Rookie-of-the-Year had built up a half-straight-away advantage over Skelton and seventh starting Randy Butler of Juneau.

The second red flag of the event appeared on lap 25 after Kiel's Kevin Schnell stopped along the frontstretch and Plymouth's Chuck Melis hit the inside guardrail in an attempt to avoid the stalled vehicle. Laack powered away from Skelton on the restart to notch his second career Modified feature triumph by a solid ten car length margin.

Skelton was second, defending track champion Pete Ostrowski of Milwaukee took third, Butler ended up fourth, and fast qualifier Greg Otte of Sheboygan Falls moved up from his sixth row starting position to finish fifth.

Steve Hoffmann of Plymouth endured six red flags en route to his second 25 lap Sportsman feature victory of the year.

Twenty-two year veteran

Jeff Gierke of Kiel jumped into the lead on the drop of the green flag from his outside front row starting perch. A red flag slowed the pace on lap 2 when Todd Gerlach of Random Lake spun out in turn two. When the race resumed, Gierke again paced the field with heavy pressure from three-time Sportsman track champion and current point leader Jim Pitzen of Plymouth and Dave Haag of Plymouth, both of whom started in the second row.

Over the next five laps, Haag and Pitzen duelled side-by-side for the runner up spot. The second red flag of the event was displayed on lap 7 for a two car incident in turn three involving Franklin's Darrell Wright and fast qualifier Ron Eiler of Oshkosh. On the restart, Gierke pulled out to a three car length lead over Pitzen and Haag. On lap 12, Pitzen spun into the infield grass in turn four while attempting to pass Gierke for the lead. Pitzen was able to continue, but debris from his car brought out the third red of the race.

Gierke led the next four green flag laps until he triggered the fourth red flag of the race when he got sideways exiting turn four and rolled to a stop along the front straightaway. Gierke's spin allowed Hoffmann, who started fifth, to inherit the lead. Following two more red flag sessions, Hoffmann went on to edge Haag by two car lengths at the finish line. Lydell Newby of North Fond du Lac was third, rookie Tim Buhler of Greenbush charged up to finish fourth after starting fourteenth, and Frank Geiger of Two Rivers completed the top five.

Rick Thompson of Campbellsport picked up his first feature win of the 1995

campaign in the 20 lap Hobby Stock main event.

Plymouth driver Paul Dirks took the lead on the first lap from the outside front row starting spot. Dirks held the point until Thompson, who started seventh, roared to the front on lap 10 exiting turn two. A red flag for a four car incident on lap 17 bunched the field and set up a three lap sprint to the finish.

Following the restart, Thompson retained the top spot despite an intense challenge from 1994 Hobby Stock Rookie-of-the-Year Barry Maas of Cascade, who had worked his way into second from the fifth row. During the final two circuits, Maas tried to overtake the leader using the high line, but Thompson prevailed to take the checkered flag by a half-car length.

Maas had to settle for second, Roger Lange of Campbellsport drove Mike Anderson's car to a third place finish after starting eighth, Jeff Leonhard of Sheboygan charged in from his thirteenth starting position to take fourth, and pole-sitter Mike Schultz of Howards Grove was fifth.

Kewaskum's Eddie Staehler won the 15 Modified B semi-feature and Butch Hafemann took the 10 lap Modified C semi-feature. Glenbeulah driver Howie Weiss was victorious in the 15 lap Sportsman semi-feature. In Hobby Stock action, John Dirks collected the win in the 15 lap semi-feature while Jim Jaklich of Kewaskum earned the victory in the 10 lap consolation race.

## Muzzleloader Season to Include Bucks!

Muzzleloaders will be happy to know that this year they will be able to take an antlered deer in the muzzleloader season. In the past, when the muzzleloader season opened on Monday, the day after the regular deer gun season closed, muzzleloaders were only allowed to shoot antlerless deer.

To participate in this hunt the hunter had to have an unfilled Hunters Choice Permit or a Bonus Tag, for the management unit they wanted to hunt in or hunt with someone, under the group hunting law, who had one or more of these unused tags. This law change has been passed and will go into effect this muzzleloader season.

Beginning this year, hunters who possess an unused Hunters Choice Permit will be able to fill their tag with either an antlerless deer or a buck. Bonus Tags must still be filled with an antlerless deer only, which is the same as in the regular deer gun season. This rule

change is not reflected in the 1995 hunting pamphlet or in other literature which has been distributed by the DNR. More information will be coming out as we get closer to the deer gun season.

In the muzzleloader season hunters can use only a muzzleloader with an exposed hammer and in addition no telescopic site can be used. Last year in Fond du Lac Co. only 5 deer were taken in the muzzleloader season, but this will provide more hunting opportunity for the "Smoke Pole Hunters." If

you have any other questions on this topic or any other feel free to give me a call.

# Rock River League Action

By Laurie Ottery

**KEWASKUM'S ROCK RIVER LEAGUE TEAM...** Back row, left to right: #50 Sam Blahnik, #12 Terry Koth, #13 Todd Muckerheide, #28 Cory Abel, #25 Barry Wenzlaff, #16 Dave Pauers, #44 Manager Dave Donath and #11 Doug Gonring. Front row: #37 Bob Bothe, #22 Chad Cook, #19 Matt Sternig, four-year-old Taylor Koth, #10 Mark Schlosser, #23 Greg Rinn, #7 Curt Schroeder, #17 Ryan Hall and #33 Scott Donath. Missing from photo was Brian Hill and Don Menzel.

**PAIN AT HOME PLATE...** Kewaskum's Brian Hill gets hurt as he slides into home during a game played in Horicon on August 13. Brian will be out the rest of the season with a left knee injury.

Kewaskum has a ball team, in the Rock River League, that they can be proud of. They play hard and strive to do their best.

Just recently I decided to check out this team, whom I've heard so many good things about. I traveled around watching and photographing a great ballclub. They demonstrated good sportsmanship, support for other teammates and a strong conviction for following the rules. These are the kinds of things we all want our children to witness and learn from.

Only a couple of the guys on this team have kids of their own. Sometimes it is at this point that many of us decide to start setting a good example.

Watching this team I found that they all work hard to do their best and play the game fairly. I witnessed the things I want my own children to learn, like following the rules, sportsmanship, and working together as a team.

Kewaskum has had a few interesting games in the last couple of weeks. On August 6, they played a league game in Brownsville. I personally left when it started to sprinkle. It's not that I mind a few raindrops, but my camera equipment is allergic to getting wet. In the ninth inning the game was halted because of lightning. Kewaskum was ahead, and the game will now have to be finished at a later date.

On August 11, the team was in Horicon participating in the Southern Wisconsin Amateur Baseball Association (SWABA) Tournament. It was the championship game. They struggled with some bad luck, and eventually finished in second place overall. The game started shortly after 8:15 and didn't finish until just before midnight.

Sunday, August 13, took the team back to Horicon once again. It was a league game against Horicon. Kewaskum had played many games here for the SWABA tournament. It must've felt almost like being the home team. The game was another one of those being played under very hot, muggy conditions.

I arrived at the game in the sixth inning with a score of Kewaskum 7, Horicon 0. Shortly after I started taking photos, a home run was hit by Scott Donath. As hot as it was, this team played a great ball game.

Unfortunately, like most sports, there is always that chance of injury. In the next inning, Brian Hill was hurt trying to slide into home. It was a trying moment for everyone there. He caught his knee on home plate and went

**ANOTHER VICTORY FOR KEWASKUM...** Rock River League teammates congratulate each other in yet another victory against Horicon on August 13. Kewaskum won with a final score of 8-2.

**HOME RUN!** #33 Scott Donath of Kewaskum heads for home plate after hitting a home run in the action-packed game against Horicon on August 13. Kewaskum won the game 8-2.

## Gosa Signs Cross-Country Ski Scholarship

David Gosa

David Gosa, a 1995 graduate of Kewaskum High School, recently signed a scholarship to cross-country ski for the University of Wisconsin - Green Bay. David is the son of Jerry and Mary Gosa. UW-Green Bay is a NCAA Division I - four year college. The scholarship will provide tuition on a one year renewable basis - the maximum the school can offer athletes.

While at Kewaskum High School, David lettered 4 years in track and 3 years in cross-country. He earned 2nd team All-Conference honors once and 1st team All-Conference honors twice in cross-country. David was voted as the Most Valuable Performer of his cross-country team his senior year. In track this year he received an award for "Most Dedicated" track athlete.

During the winter seasons, David skied throughout the Midwest. This last winter he qualified for the Midwest Junior Olympic team and competed at the National Junior Olympic Cross-Country Ski Meet in Fairbanks, Alaska, in March. He finished 26th in the 15K freestyle, 26th in the 10K classical race, and then teamed up with two other competitors from the mid-west district to place fourth in the 15K relay.

In February, David placed 2nd at the Wisconsin State High School Championships. David also has participated and won numerous medals cross-country skiing at the Badger State Games each winter in Wausau, Wisconsin.

For this athlete there is no off season. After competing in track last spring, David took one week off and then started his roller skiing and running. His daily workouts consist of running for two hours on the Ice Age Trail or roller skiing for 2 hours on

the highways in the New Fane area. David trains six days a week and takes one day off a week to rest and recover. He supplements these workouts with swimming 1-2 miles and bicycling 20-25 miles. The UW-Green Bay ski team starts practice when school begins in the fall.

David had the fortunate experience of being coached by Lee Borowski, the 1989 USSA Coach of the Year and coach of Luke Bodensteiner. Luke is a two time USA Olympian Cross-country skier. David had the opportunity to do some training with him when Luke was home for a couple of weeks this summer.

David would again like to thank everyone for their support and financial assistance that enabled him to ski at the Junior Olympics in Alaska. "It was really a great experience...something that I will always remember," said David.

### XYZ CARD RESULTS

right down.

I felt bad that I had captured this moment of pain and agony on film. But at the same time, it was another demonstration of this team pulling together. They were all by his side. After applying ice and isolating the knee for awhile, the decision was made to put Brian in the car and take him to West Bend for treatment at the hospital. Everyone wanted him close to home. If an ambulance would've been necessary, Brian would have been transported to Beaver Dam. He will be out the rest of the season due to the knee injury.

Shortly after that mishap, there was a little tension when Horicon put in a new player and didn't notify Kewaskum. Although the score keepers had the information, the home plate umpire didn't even know he was a new player.

Manager Dave Donath protested the incident. There was a lot of protesting going on but Kewaskum was right. A rule is a rule. I know, even with my youngest children, new players have to be reported to both opposing team and home plate umpire in addition to the official scorekeeper. I have five daughters with four of them playing on five different teams throughout the summer. Kewaskum finished the game with another victory of 8-2.

Kewaskum was successful with another win at Pardeeville on August 20 with a final of 16-14. They still have to finish the game against

Brownsville.

It has been great to witness a ballclub playing the game as a team and doing it so well. The players demonstrated all of the things, as a parent, I want my own children to do in team sports. Kewaskum can be proud of this Rock River League team.
