Primary Election Tuesday

by Sharon Callaway Roznik

When area voters go to the polls on Tuesday, their ballots will decide which candidates' names will appear at the polls for the Spring Election on March 19.

With more candidates than positions in the Kewaskum Board of Education race, electors' interest should be peaked enough to draw a substantial voter turnout February 6 for the Primary Election.

A large setting eight candidates are vying for the three terms of school board seats expiring on the district's board. Two of the candidates are incumbents Ruth Schmitt and Karen Sparks, who are being challenged by Donald Nowak, Lisa A. Maul, Richard J. Welch, Larry Fechter, Jon A. Downs, and Thomas H. Timblin. The third board member whose seat expires, Ron Beimborn, decided not to seek re-election.

Schmitt will be seeking her fourth term on the school board, and Sparks her second term, having been appointed in 1994 to replace Janet Wolfenberg.

The Primary will eliminate two candidates, and the six with the most votes will win the chance

to be contenders in the spring race. Voters should cast their ballots for not more than three candidates for school board.

The School District of Kewaskum includes the towns of Barton, Farmington, Kewaskum, Wayne and the Village of Kewaskum. (See page eight of this issue for notices of election, hours, and places to vote for each township).

On the state level, electors will be narrowing down the selection of a Justice of the Supreme Court, from a group of seven candidates. The seat on the Supreme Court will be filled to replace a retiring justice.

Candidates, as they appear on the ballot, include Charles B. Schudson, Ralph Adam Fine, Lawrence J. Bugge, Stanley A. Miller, Harold V. Froehlich, Ted E. Wedemeyer Jr., and Patrick Crooks. Electors should vote for only one judicial candidate.

People wishing to vote for any write-in candidates must remember they have to write in the individual's name on the ballot, as well as mark or punch their vote on the ballot. Failure to do both steps will void a write-in vote.

West Bend Mutual Presents Welding Jackets to KHS

Linda Enright (holding jacket, left) and Mitchell Ogi (second from left) present one of 20 leather welding jackets purchased by West Bend Mutual Insurance Co. to Kewaskum High School officials and school board members. They are (from left) Charles Heidner, Dave Rizzardi, Dave Stradtman, Jeanne Goeden, Neal Weare, and Dr. Charles Johnson.

West Bend Mutual Insurance Company and Kettle Moraine Agency, Inc. recently presented 20 leather welding jackets to the Kewaskum High School. West Bend Mutual purchased the jackets after a KHS student was burned during a welding class in December.

"Providing the school with the jackets gave us the opportunity to help school officials further their safety efforts," said John Bykowski, WBM's senior vice president-marketing. "Whether it's in the school, the workplace, or the home, safety is always an important issue to us as an insur-

ance provider."

"West Bend Mutual's prompt response to the injury of one of our students during a welding class is greatly appreciated," said Charles Heidner, KHS principal. "In a time of increased needs accompanied by declining resources, it is comforting to see area companies demonstrate good corporate citizenship."

Mitchell Ogi, president of Kettle Moraine Agency, Inc. and the Kewaskum School District's insurance agent, coordinated the presentation of the jackets. "Safety in the school is a high priority so we are very happy to present these jackets to the school."

Accepting the jackets from Linda Enright, West Bend Mutual senior regional sales manager, and Mitchell Ogi were Dave Rizzardi, KHS welding instructor; Dave Stradtman, tech ed department chairman; Chuck Heidner, principal; Jeanne Goeden, school board member; Neal Weare, school board president, and Dr. Charles Johnson, district administrator.

Forum Held for School Board Candidates

By Lana Harbeck Kuehl

A large, attentive crowd was present in the Kewaskum High School cafeteria on Wednesday evening, January 24, for the Kewaskum Junior Women's Club's school board candidates' forum.

The rules of the forum were quite simple and explained to the candidates and members of the audience. Questions by Junior Women's Club members and also questions submitted anonymously by members of the audience were placed in a basket and drawn randomly one at a time after the previous question had been answered by all candidates.

The names of the candidates were also placed in a

basket and one was drawn with each question which decided which candidate would answer first. The person seated to that person's left would answer the question next and so on down the line.

Mediator Meri Lou Chambers opened the proceedings by introducing candidates Karen Sparks, Jon Downs, Lisa Maul, Larry Fechter, Rick Welch, Ruth Schmitt and Tom Timblin, who gave brief, introductory remarks about themselves and the reasons they decided to run for school board.

Don Nowak, also a school board candidate and first person on the primary ballot, was not present at the forum.

Following the opening statements, 11 questions were

addressed by each one of the candidates. Some questions were pertinent to someone vying for a seat on the board, some were not relevant, and some were quite similar in nature.

The first question asked was in reference to grade-point averages in regards to participating in sports and Tom Timblin was the first candidate chosen to respond. He felt, "The grade point average should be higher than 1.5 for athletics." He also felt all those participating in sports should be on the honor roll, for these are the role models in the school.

Jon Downs stated, "there may be some children out there that are doing their very best and it's kind of tough to say that wasn't good enough."

Downs added though that it was his gut feeling that it should at least be a C average.

Lisa Maul tended to agree but added, "I think a lot of the parents out there set their own standards for their children."

Larry Fechter added, "I agree that the grade average has to be increased to be a participant. But I also must state that we have to give our children a good reason to participate in a sports program. Personally I don't like to see us lower the standards so we get more kids, I'd like to see us increase the performance of our athletic department and programs that our kids want to become involved and will work to

Forum

(Continued from Page 1)

achieve a C average."

Question number two asked about year round school and question three was in reference to the candidate's opinions of limiting the number of terms a board member may serve. The decisions on both of these questions, however, are not in the hands of school board members.

Question number four asked the candidates, "How would you view your role as an individual board member and as a member of this team?"

The name drawn to answer this question first was Ruth Schmitt, who stated, "As an individual board member the most important thing that I do is to do my homework. I study the issue, I take advantage of any opportunity to learn about the subject. I then come and hopefully share my ideas and come to listen to other ideas and eventually reach a compromise which will benefit the students above all and put aside any personal interest."

Tom Timblin added his viewpoint, stating, "I have a real problem with the name calling. I'm going to be independent and make the decisions what's best for the Kewaskum kids, the taxpayers, and the parents. I think that's what we need is more togetherness on the board to get us out of the newspapers."

Jon Downs said, "You have to access the information on every issue that comes up. Once that information is received, then the discussion starts. That discussion is based on communication. It's not always what is said, but how it is said. It's not going to be a case where everyone is always going to agree. Sometimes it's a matter of how you disagree."

Larry Fechter added, "the minority must respect the majority's right to make the decision, based on the major-

Lisa A. Maul

ity."

On question number five, regarding computers in the classroom, Rick Welch, was the first to answer. "I think it all depends on the class, the subject and the way the teacher wants to teach the class."

Ruth Schmitt added, "I believe it would release the teacher for more time to give individual attention to students."

Tom Timblin stated, "I think the more we expand the computers in the schools I think it's nothing but positive for the future of our kids."

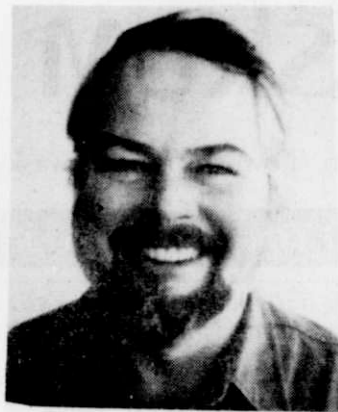

Most of the candidates agreed on this issue, including Karen Sparks who added, "the computer is a daily tool and if we don't give our students the maximum exposure in the right ways to the right kinds of technology... our kids need more than they are getting."

Larry Fechter also stated that "there has to be a fiscal end to computer acquisitions."

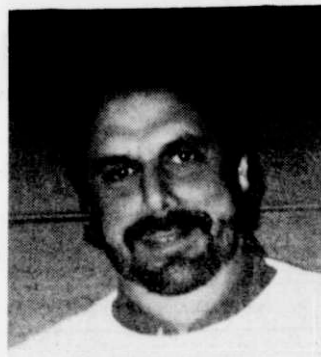

Lisa Maul also strongly felt the computer should play a big role in the children's education.

Regarding the discipline process in the high school, question number seven was addressed by Rick Welch who thought the "chain of command" you would be able to accomplish any problems that needed taking care of and it would be up to the board to back that chain of command.

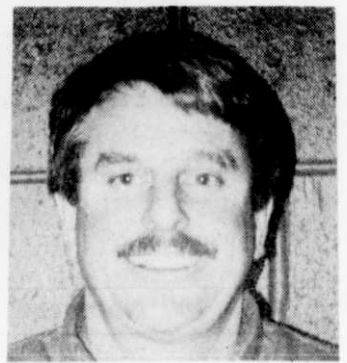

The subject of curriculum

Richard J. Welch

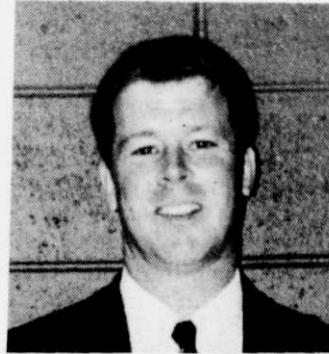

Larry Fechter

Jon A. Downs

Karen K. Sparks

Thomas H. Timblin

Ruth A. Schmitt

was question number ten and Karen Sparks stated, "curriculum is the single most important area the board addresses." She added there was an "ongoing process of curriculum development in the district."

All the candidates gave

very astute, carefully considered answers, however, time and space constraints, prevent us from reporting all the questions in detail and all the answers given. It is this reporter's sincere wish that all voters could have attended this forum.

Now the decision on which candidates will survive the Primary Election on Tuesday is in the hands of the voter. No matter how you feel on the issues, whether you agree or disagree, it is up to you to exercise your right to vote.

New Life Centers Tours Planned

The New Life Center at St. Joseph's Community Hospital of West Bend is offering tours during Celebrate Families Week, and will have a special display at the Celebrate Families Opening Celebration Sunday, February 4 at Paradise Mall.

To celebrate its fifth anniversary, the New Life Center is hosting tours Tuesday, February 6, from 10 a.m. to noon; Wednesday, February 7, from 6 to 8 p.m.; Thursday, February 8, from 1 to 3 p.m.; and Saturday, February 10, from noon to 2 p.m. Reservations are not needed. Participants may use the visitors' entrance to the hospital at 551 S. Silverbrook Drive and should check in at the desk in the New Life Center.

The tour will include a

visit to the special labor, delivery, recovery and postpartum (LDRP) rooms and the nursery, and description of the services offered.

A display at the mall February 4 will also illustrate New Life Center services. There will be drawings for free prenatal classes, a manual breast pump, electric

beast pump rental, car seat rental, diaper bag, Mom's Motel (an extra day's stay) and a baby quilt made by the New Life Center staff. Pregnant women who plan to deliver at St. Joseph's are eligible to enter the drawings for Mom's Motel and the quilt.

Donna Rose, nurse

manager of the New Life Center, said that when the New Life Center first opened in December, 1990, the staff made a quilt for a drawing that included the names of all those who delivered in the first month of the

New Life Center's operation. This year, the staff again made a quilt of cross-stitched squares with a Precious Moments theme.

Dear Customer:

Your dreams for the future are important to us at West Bend Savings Bank. As we have served the communities of Washington County for over 70 years, we have come to understand that our success and the accomplishment of your dreams are closely related. Our goal for the future is to assist all area families in accomplishing their most basic of financial goals: a home for their family, a sound financial savings plan, availability of money for family borrowing or perhaps for a growing business, and assistance for securing a safe and prosperous retirement. We believe that as a Washington County based financial institution, we are uniquely qualified to assist you with these goals.

We are proud to offer our customers competitive prices on the services we offer. We feel that the real value of West Bend Savings Bank is the very roots we have established in the communities we serve. We believe it is our hometown advantage. Our bank's corporate office is located in Washington County and has been since we first opened for business in 1926. While many banks today look towards Green Bay, Madison, Milwaukee or cities out of state for decisions: our directors, officers, and employees assisting you with your decisions are your friends and neighbors. We believe that this is the true meaning of community banking. So while some continue to change their names, their ownership, or their missions; our goal remains the same as we look to assist the communities we call home.

Thank you for making West Bend Savings Bank your community bank. We are proud of our history in the Washington County area and we look forward to the contributions that we will all make toward its future.

Sincerely,

Raymond F. Lipman
President/CEO

Fund Raiser for Kelly Wagner

by Sharon Callaway Roznik

A "fun"-d raiser has been scheduled for Saturday, March 30th, to benefit Kelly Wagner, the nine year old Farmington student who still remains at Children's Hospital after she was hit by a car on Oct. 26th.

An auction, raffle, and dance will be held at Fillmore Turner Hall, and the fun filled evening promises a huge selection of raffle and auction items, donated by generous businesses and individuals throughout the community.

Grand prizes include a trip to Door County, two \$100 and four \$50 cash awards, and conversion van rental, to name just a few. Prizes will be drawn the day after the event, and raffle tickets will be available through teachers, parents, and area merchants this week. Be sure and get your tickets early, before they're all sold out. The community has taken Kelly under it's wing, so these raffle tickets are sure to be a hot commodity around these parts!

Auction items, almost too numerous to mention, offer an outstanding array of choice articles, including a stay at the Paper Valley Hotel in Appleton, ten admiral

tickets, autographed Brewer and Packer sports collectibles, beer steins, prints, bread makers, coffee makers, dinners at area restaurants, and Harley T-shirts. The auction will take place from 6 to 7:30 p.m. that evening.

Children will enjoy the special downstairs play area set up just for them. While parents are upstairs bidding wildly for that special something they just have to have, the kids will be downstairs, being treated to clowns, balloons,

prizes, coupons for Burger King Whoppers, free video rentals and much more! Free babysitting will be included, so come and make this a family event.

Bob Bonenfant from WBKV radio will be on hand to provide continuous music throughout the evening, for your dancing pleasure, and the ever popular live band, **Revival**, will have you crooning to your favorite tunes from 8 to midnight.

Kelly would thank you, if she could. She's still busy recovering from her accident, and is learning how to walk all over again. She is experiencing some temporary blindness right now, caused by injuries to her brain, and is still being

fed through a tube in her stomach. She is alert, and can answer questions, but her emotions haven't come back yet. Still, she is getting better, and stronger, every day.

Mark your calendars for Saturday, March 30th, and bring family and friends to the Benefit

for Kelly Wagner. You'll have lots of fun, and aid in a good cause at the same time.

There are about 4,000 kinds of mammals.

Dorn - Goebel

Edward W. Dorn and Wendy H. Dorn of Kewaskum, announce the engagement of their daughter, Patricia, to Scott Goebel, son of Fritz and Pat Goebel of Eden.

Tricia is a graduate of Kettle Moraine Lutheran High School and the University of Wisconsin, Washington County, and is employed at Craft-Cast Company, Inc. in Jackson.

Scott graduated from Campbellsport High School and the University of Wisconsin, Fond du Lac, and is employed at Premium Beer Distributors, North Fond du

Lac. A March 23, 1996 wedding is being planned by the couple.

Offering Program On Foot Problems

Two common foot problems are the focus of "Oh, My Aching Feet," a free program about bunions and hammertoes sponsored by St. Joseph's Community Hospital of West Bend on Monday, February 12, from 7 to 8 p.m. in the hospital's fourth floor east conference room.

Dr. Marc Lewis, podiatrist from the Foot Clinic of West Bend, will discuss the development, diagnosis and treatment of bunions and hammertoes.

A bunion is a swelling of the joint at the base of the big toe. The big toe may bend toward and overlap the other toes. A hammertoe is a toe that bends up permanently at the middle joint. The conditions may run in families, and are usually irritated by wearing shoes that are too short or too narrow.

Registration is requested by February 5. Call the hospital's Health Promotion Services Department at 334-8268.

Niedfeldt - Heller

Connie and Jerry Niedfeldt of Bangor, are pleased to announce the engagement of their daughter, Jacey, to Ric Heller. He is the son of Carol and Bob Heller of Kewaskum.

The bride to be is a '94 graduate of UW-Madison, earning a Bachelor of Science degree in Mechanical Engineering. She is employed as a

mechanical engineer for G.E. Medical Systems.

The future groom graduate from UW-Madison in '92, with a Master of Science in Electrical and Computer Engineering. He is the senior electronics buyer for Rockwell Automation.

A May 4, 1996 wedding is being planned by the couple.

Kewaskum Odyssey of the Mind Teams Preparing for Regional Competition

Odyssey of the Mind is a creative problem solving competition that fosters cooperative learning and team work and combines the excitement of an athletic competition with fun-filled mental gymnastics.

"OM" provides students in grades 3-12 with the opportunity to be creative and innovative. Students learn to think quickly and to solve challenging, mind-boggling problems. Teams are busy preparing and practicing in all the Kewaskum Schools.

Farmington Elementary team, coached by Mrs. Marlene Domasky, has chosen the problem "The Tall Tales of John Jivery." In this category, teams create and present a humorous performance about an original tall tale. Team members are: Michael McKee, Laurie Bausch, Jessie Krahn, Scott Sajdowitz, Dave Keeley, Melissa McKee, and Juliet Toft.

Wayne Elementary has chosen "Amusin Crusin'" as their problem. This problem requires teams to build, design and drive a vehicle on two journeys that will take the driver to see attractions that are part

of a team-created theme. Mrs. Judy McCabe-Krudwig is the coach and her team members are: Alison Yanke, Julie Shileny, Tricia Brath, Brian Mertz, Michael Schilter, Jeri Dehling and Kristin Krudwig.

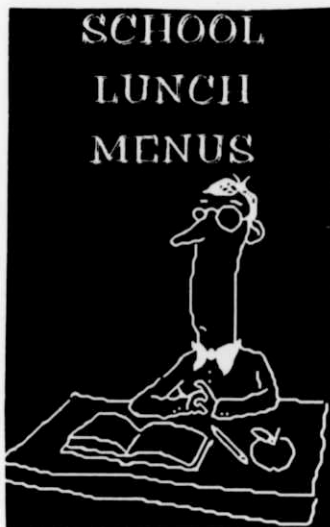

Kewaskum Middle School is doing "Amusin' Cruisin'." They are busy designing and building a vehicle that is required to perform tasks in an eight minute time period. Matt Schroeder, Breanna Obright, Alex Charland, Darrin Schulist, Jolene Clark and Jeanna Hoepfner are coached by Ms. Leslie Bruss, 6th grade teacher and Mrs. Connie Schulist.

Kewaskum High School has two teams. Veteran coach, Mrs. Suzanne Wagner, is coaching Brad Oelhafen, Heather Maas, Lisa Opperman, Jamie Gaffke, Jenny Weston, Dan Zuehlke, and Jessica Schmidt. Their problem is "Amusin' Cruisin'" and they too are building and designing a creative vehicle.

The other high school team of Amanda Schulist, David Kletti, Matt Fehlhaber, Marnie Winninghoff and Ted Kuehn is doing "Great Impressions." For this problem, the team will select a drawing or painting by a French Impressionist artist and write a poem relating to it. The team will also select a poem by a famous author, create an original drawing or painting that relates to the poem and present the poem and work or art. Time limit is eight minutes.

All teams will compete at regional competition in New Holstein on Saturday, March 9. Regional winners will go on to state competition at UW - Stevens Point on April 20. Judges are always needed at the

state competition. If you are interested, please call Carol Zoerb, OM Coordinator, at Kewaskum High School, 626-2166 and register for a fun-filled day of creative problem solving with the states most creative kids.

Letters to the Editor

Dear Editor:

Members of the Kewaskum Junior Woman's Club would like to take this opportunity to thank the following for making the "Meet Your Candidates" forum a success:

The Kewaskum School District for allowing the use of the school cafeteria, the Kewaskum High School janitorial staff for setting up for the forum, the school board candidates for participating, and the public for attending and all who submitted questions for the candidates.

It is our hope that the forum provided you with insight to the candidates and their views. Vote for the candidates of your choice during the Primary Election on February 6.

Kewaskum Juniors

Dear Editor:

YOUR SCHOOL BOARD?

It's high time to apply common sense to our School Board and stop all the petty bickering and sarcasm and get down to do what School Boards are supposed to do, run our schools. All the personality clashes and uncalled for remarks have no place in any of our meetings.

Dr. Johnson came into a mess and is working hard to get us out of it, but is fought at every turn by the school staff and some of the board members. I feel the staff is confused by what has been done in the past and what is the correct way of doing things. As you can see by your tax bill, many dollars have been mis-spent, either knowingly or unknowingly and this must stop.

We now have many fine candidates seeking a board seat but we also have two superior candidates in Mr. Larry Fechter and Mr. Jon Downs.

Don't let these two fine men fall by the wayside, as I'm sure they will bring the much needed positive input into our school board. You and only you can make the difference. VOTE. VOTE. VOTE.

Elmer Hallen,
A Very Concerned
Citizen

Dear Editor:

Hat's Off to the Kewaskum Junior Women's Club for a well managed open forum for the candidates for the Kewaskum School Board. Many thanks to all those candidates who attended and gave their thoughtful responses to many school board issues at hand. It was great to see a large number of district residents in attendance. Just a reminder, this is an important election which

can affect the future of our schools. Be sure to vote February 6th.

Well done!
Laura Waehler

Voters of the Kewaskum
School District:

My name is Lisa Maul and I am a candidate for the Kewaskum School Board.

I have been a resident of the Town of Wayne for the past 26 years. I have been married to Rolly for 20 years and have three children, Sabrina, a 1995 Kewaskum graduate and presently a freshman at UW-Whitewater; Stephanie is in fifth grade and Jonathan, fourth grade at Wayne Elementary.

Presently, I am employed full time as an assistant manager in retail sales. Over the past several years, I have been involved with the Wayne P.T.O., currently serving as President, I also am an active member of the Kewaskum Booster Club.

If elected to the school board, my goals are as follows:

1) Provide the best education for district students, yet keeping in mind how the cost of this education affects district taxpayers.

2) Maintenance of the district's facilities. Now that we have spent a great deal of time, effort and expense in adding to and remodeling of school facilities, it would be unthinkable to allow them to fall into disrepair.

3) Work with other board members, administration, faculty and parents in tackling the complex issues facing our growing district (student and population), not only for today, but also in the future.

In closing, the election process begins with the February 6th Primary. Your support would be greatly appreciated and I am looking forward to working with members of the Kewaskum School District to make this a school district we can all be proud

of.

Sincerely,
Lisa Maul

Dear Editor:

HOW MUCH WILL IT COST THE KEWASKUM SCHOOL DISTRICT?

What will be the final cost to the Kewaskum School District's taxpayers, stemming from school board member Ruth Schmitt's attempt to get her pound of flesh.

Schmitt's frivolous complaint to the District Attorney about an alleged violation of the open meetings law by Board President Neal Weare may cost taxpayers thousands of dollars in legal fees for something that will prove nothing.

It looks like no more than "sour grapes" after her removal from the position of Board President, after the much needed change when Mary Andera joined the

board after last year's election.

The two items added to the published agenda, which are in question, were requested by State Superintendent of Schools, John Benson, and legally posted in all the required places.

So what's the problem?

Is it a last resort attempt to look righteous "now," and get some free campaign publicity at taxpayer's expense before this year's election?

I don't think "that" righteous of a person would have fought as fiercely as Schmitt did when at a policy meeting she opposed the daily recitation of the Pledge of Allegiance by the students, because, she stated that 15 seconds would cut deeply into the school day, and some students might refuse and cause a disruption in class.

Or does she feel Mr. Weare is a threat to her
(Continued on Page 12)

Kewaskum School District VOTERS

Are you satisfied with the constant divisiveness and seemingly endless string of controversies being provided to us by our two incumbents, Karen Sparks and Ruth Schmitt, who are seeking reelection?

Are you tired of the self-serving lawsuits and in-fighting that have crippled any chance for this board to work together for the common good?

How many of your hard-earned taxpayer dollars will be needlessly spent on legal fees to defend this latest lawsuit?

Do you question whether Karen Sparks and Ruth Schmitt, being employed in the teaching profession, have a conflict of interest when dealing with their fellow teaching professionals?

Are you tired of reading all of the negative media coverage that has painted our schools and community in an embarrassing light?

If you are weary of the "school board wars," send the incumbents a message. This message is that regardless of all the political rhetoric, you will be judged on what you do, not on what you say!

There are six new candidates to fill three school board seats. Any combination of the three newcomers in my opinion, will do a fine job. Make a statement, one vote in a local election does make a difference.

Gerald Engeleiter, son of Mr. and Mrs. Herman Engeleiter of Route 3, West Bend, a 1969 graduate of Kewaskum High School, is one of three Wisconsin students who will participate in the United Nations Study Program for the spring semester. Gerry is presently a sophomore at Carroll College in Waukesha.

There will be only one contest in the Village of Kewaskum in the April 6th Spring Election. The deadline for filing papers was 5 p.m. Tuesday, with four candidates filing for the three positions as village trustees. Cyril N. Wietor, village president, will be unopposed as the only candidate to file nomination papers to seek election for the president's office. Wietor was appointed village president shortly after the beginning of the current term of office almost two years ago when the elected official, Carl Freehauf, was forced to resign due to ill health. He will be seeking his first full two year term of office. All incumbent trustees who are up for election have filed papers to retain their positions. They are Alfred G. Kral, Charles Miller and Orval E. Behnke. A fourth candidate for the village board is Alvin H. Wiesner, an employee of Fairmont Foods, Inc.

Dan Krueger, a six-foot junior guard at Stevens Point High School was named Associated Press Wisconsin High School Player of the Week by the state's sportswriters and broadcasters this week. Others nominated for the prep players honor included Kewaskum's senior star, Clark Eichstedt, who rated fifth in the selections. Eichstedt, second high scorer in the Scenic Moraine Conference, had his usual fine performances in two games over the weekend. He led the Indians to two big victories, scoring 24 points and snaring 12 rebounds against Hartland Friday, and repeating his feat by also scoring 24 points against Slinger Saturday and hauling in a remarkable 18 rebounds.

Women of Kewaskum and surrounding areas are kindly assisting with the sewing of 135 children's slips for war

relief in devastated countries. Slips may be called for at the home of Mrs. D. M. Rosenheimer, Red Cross sewing chairman.

One member of the Kewaskum Indians and two of the Kewaskum Papooses are represented on Land o' Lakes and Rivers leagues all-star teams, respectively, which will take part in a series of all-star basketball games. The member of the Indians team represented on the Lakes northern division, all-star quinter is Kilian Honeck, guard, current scoring leader in the league. Papooses players represented on the northern Rivers all-star squad are Byron Bunkelman, guard, and Roger Schleif, center.

In a 3 p.m. candle-

light service on Saturday, December 29, at St. Paul's Lutheran Church, Cascade, the Rev. H.L. Nauman united Miss Laura Luedtke, daughter of Mr. and Mrs. August Luedtke, Cascade, and Pfc. Orlin Reysen, of Camp Butner, N.C., son of Mr. and Mrs. Henry Reysen of Route 1, Kewaskum.

Mr. and Mrs. Roger Stahl of this village, are the parents of a son born at St. Joseph's Hospital, West Bend, on January 19.

Capt. and Mrs. Ray Perschbacher of Appleton are the parents of a daughter born January 19, at Appleton. Capt. Perschbacher, a son of Mrs. A. A. Perschbacher of this village, is stationed at Cushing Gen-

eral hospital at Framington, Mass.

A daughter was born to Mr. and Mrs. Orville Kocher of West Bend, at St. Joseph's hospital there on January 22. Mr. Kocher is a former resident of Kewaskum.

Cyril N. Wietor, S1/c, son of the Frank Wietors of Ashford, formerly of Wayne, arrived home last Wednesday after receiving his honorable discharge from the navy the same day from Great Lakes, Illinois, on points. Cyril arrived at Los Angeles, California, on December 18, from Japan and was sent to Terminal Island, California. He served in the navy 33 1/2 months. He entered service on April 22, 1943 and received his training at Great Lakes, Illinois.

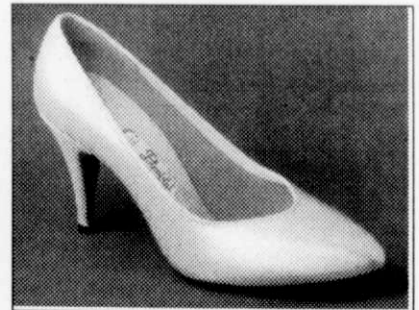

Seaman Wietor is a veteran of four trips overseas, adding up to a total of 29 months out of the states. He was a gunner on the famed USS Intrepid which took part on raids on the Marshall Islands, Truk, Palau Islands, Philippine Islands, Formosa, Okinawa, and Japan. He wears the Asiatic-Pacific ribbon with six battle stars, Philippine Liberation ribbon with two battle stars and the victory medal.

Lt. Ralph J. Marx, son of Mr. and Mrs. John Marx, arrived home last Wednesday evening to spend a 45 day leave after serving 20 months overseas in Africa, Italy, Germany and France. Lt. Marx served as platoon leader of the 101st Air-

The 82nd Division was held over in New York to take part in a big victory parade on January 12, following which Lt. Marx was sent to Camp McCoy and was given his leave. In service 40 months, Lt. Marx entered the armed forces on September 29, 1942, and served in the states with the 28th Infantry Division and 94th Infantry Division. He went overseas on April 21, 1944.

S/Sgt. Louis N. Bath, son of Louis Bath Sr., arrived home Tuesday night, after receiving his honorable discharge the same morning at Camp McCoy under the point system. Sgt. Bath arrived in the states at Seattle, Washington on January 13, from Okinawa and was sent to Camp McCoy. In service exactly 3 1/2 years on the day, he entered the armed forces at Fort Sheridan on July 22, 1942. He served in the states at Camp Roberts, California, Camp Blanding, Florida, Camp Robinson, Arkansas, Camp Van Dorn, Mississippi, Fort Ord, California, and Fort Lawton, Washington, from where he went overseas on December 27, 1944. He served overseas 12 1/2 months at Oahu, Hawaii, on Leyte in the Philippines and Okinawa. He was among the first troops to land on Okinawa, preceding the invasion of the island. Louis did clerical work with the 430th Field Artillery group. He wears the Philippine Liberation ribbon, Asiatic-Pacific theater ribbon with two battle stars, victory medal and good conduct medal.

Hospital Offers Back School

A new four-session program offered by St. Joseph's Community Hospital of West Bend aims to help people with back problems get "back in action."

The program begins February 6 and continues each month, offered on the first and second Tuesday and Thursday of the month, from 9 to 10:30 a.m., and the third and fourth Tuesday and Thursday from 4:30 to 6 p.m. A physician's prescription is required.

"Getting Your Back Back in Action," will be conducted by Pat Waters, occupational therapist, and Susan Knuth, physi-

cal therapist, with the hospital's Rehabilitation Services Department.

Participants will learn, through instruction and practice, the proper use of body mechanics, how to prevent injury and decrease the risk of injury. They will also learn about lifestyle changes following back injury, nutrition factors that affect the body and the emotional responses resulting from back discomfort. The program cost is \$55.

For more information on the program, call St. Joseph's Rehabilitation Services Department at 334-8237.

fellow union comrades with his conservative views at the bargaining table, which is a factor when neighboring districts are bargaining for wages.

This is one of the biggest reasons why Ruth Schmitt and Karen Sparks or any other teachers should not be elected to any school board to eliminate a conflict of interests.

Maybe because Weare opposes the teachers union "cherished" outcome based education form of curriculum which is proven to be a disaster wherever it's used.

Or could it be because Weare opposes implementation of the resolutions passed at a recent national teachers union (N.E.A.), conference which contain:

(1) Sexual orientation training programs for all teachers.

(2) Raising awareness of sexual stereotyping among students.

(3) Promoting acceptance of homosexuality, lesbianism and bisexuality.

(4) "Correcting" student values and beliefs against homosexuality.

(5) Proclaiming October as gay/lesbian history month.

Teachers should be concentrating on basic education, not indoctrination or trying to get on school boards and causing unnecessary friction and expense.

These are some very important things to keep in mind as you head to the voting booth on Tuesday, Feb. 6.

Tom Thompson,
Campbellsport

Dear Editor:

I would like to take this opportunity to thank the Kewaskum Junior Women's Club for sponsoring the school board candidate's forum. Also, thank you to the candidates present. It demonstrated their willingness to meet with the public and their commitment to their choice in running for school board. It also showed their strength in character, as a public forum can lend itself to difficult situations given the nature of questions and time constraints.

I feel the public forum was helpful. At the very least it put names with faces, at most it allowed the audience to gain information. Some questions remained unanswered, as well as perhaps new ones raised. I asked the Statesman to consider space in the paper each week until the election to allow candidates the opportunity, if desired, to respond in written form to questions, or as another means to express their position for school board

or on the issues before the board. I ask the voters to consider each candidate carefully, whether incumbent or not, for the skills, knowledge, energy and vision they are offering to us.

While maintenance of building and grounds is utmost in our minds since the referendum, and fiscal responsibility is always a challenge in view of the changing state funding and current tax structure, I hope the board will work together and direct its actions to the primary goal of the **education of our children**. The board needs to be mindful of the past, but creative for the future. It needs to utilize

all the resources within the community -- from the professionals within the district that are hired and paid for their expertise to each one of us. Perhaps most importantly, it needs to listen.

Thanks to each of the candidates and board members for their willingness to serve our district. Good luck to the candidates and to the future board.

Sincerely,
Sue Yanke

To the editor:

Last evening I attended the voter's forum hosted by the Kewaskum Jr. Women's Club. While

it might not have been appropriate for the parent-teacher groups to host such an important community event, I am

thankful to the club for doing so. I must, however, express my dismay over not being allowed to

have the PTO-middle school voter's guide there. I was told outright at the meeting that the club had been "attacked" by candidates over the idea of possibly being asked questions that night from the survey. I find that quite interesting, especially since the majority of the questions asked were on the survey. These are the issues that community people would like you to address. It became painfully obvious, sometimes embarrassingly, why so many of the candidates refused to even politely respond to the survey. I am pleased that the candidates who did respond felt it important enough to take time from their busy schedules to communicate with us. One of my questions did not get asked that night, but I still want to know: how are the rest of you planning to work with perhaps your best allies in the district -- the PTO's? All of your talk about promoting good and open communication is merely rhetoric. If you won't even communicate on this simple level (even an honest "I don't know" answer is open communication versus a cold shoulder), how on earth do you expect me to believe that you will "communicate" with me after I elect you to office? As far as the questions that were asked, one should hope that they are biased toward people who are experienced in educational matters, as you profess the desire to become.

I discovered that there are candidates running who don't even find the public education of the elementary (1-5) and middle school acceptable for their own children. PUH-lease!! give me a break!! You really think that John Q. Voter wants YOU to make things better for those of us who do think that public education is best for our families? That goes beyond reason. Ever politically correct, I also must point out that publicly attacking current members of the school board does not cause me to believe that you will promote a friendly atmosphere on the board, if, indeed, you are elected.

At the very least, big words such, "curriculum," "non-academic," and "integrated" will become familiar to people who are unaware of their definitions and role in education. For those of you who are interested, the PTO voters survey is available for pick up at the public schools. Come and visit us!

Most sincerely,
Lisa Lickel

FACSIMILE BALLOT NOTICE OF SPRING PRIMARY ELECTION FEBRUARY 6, 1996

OFFICE OF THE SCHOOL DISTRICT OF KEWASKUM ACTING DEPUTY CLERK

TO THE ELECTORS OF THE SCHOOL DISTRICT OF KEWASKUM:

Notice is hereby given of a spring primary election to be held in several wards in the Counties of Washington, Fond du Lac and Sheboygan on the 6th day of February, 1996 at which the officers named below shall be nominated. The names of the candidates for each office to be voted for, whose nominations have been certified to or filed in this office, are given under the title of the office, each in its proper column, together with the questions submitted to a vote, for a referendum, if any, in the sample ballot below.

INFORMATION TO ELECTORS

Upon entering the polling place, an elector shall give his or her name and address before being permitted to vote. Where ballots are distributed to electors, the initials of two inspectors must appear on the ballot. Upon being permitted to vote, the elector shall retire alone to a voting booth or machine and cast his or her ballot except that an elector who is a parent or guardian may be accompanied by the elector's minor child or minor ward. An election official may inform the elector of the proper manner for casting a vote, but the official may not in any manner advise or indicate a particular voting choice.

At the spring primary election, where paper ballots or lever machines are used, the elector shall make a cross (X) in the square or depress the lever or button at the right of the candidate for whom he or she intends to vote. To vote for a person whose name does not appear on the ballot, the elector shall write in the name of the candidate of his or her choice in the space provided for a write-in vote. On referenda questions, the elector shall make a cross (X) in the square or depress the lever or button at the right of "yes" if in favor of the question, or the elector shall make a cross (X) in the square or depress the lever or button at the right of "no" if opposed to the question.

Where punch card voting is used, the elector shall make a punch or a hole in the space designated for the candidate's name for each office for whom he or she intends to vote. To vote for a person whose name does not appear on the ballot, the elector shall write in the name of the candidate of his or her choice in the space provided and make a mark in the box or connect the arrow on the write-in line. On referenda questions, the elector shall make a mark in the box or connect the arrow next to "yes" if in favor of the question, or the elector shall make a mark in the box or connect the arrow next to "no" if opposed to the question.

Where marksense voting is used, the elector shall make a mark in the box or connect the arrow next to the name of the candidate of his or her choice for each office for whom he or she intends to vote. To vote for a person whose name does not appear on the ballot, the elector shall write in the name of the candidate of his or her choice in the space provided and make a mark in the box or connect the arrow on the write-in line. On referenda questions, the elector shall make a mark in the box or connect the arrow next to "yes" if in favor of the question, or the elector shall make a mark in the box or connect the arrow next to "no" if opposed to the question.

The vote should not be cast in any other manner. If the elector spoils a ballot, he or she shall return it to an election official who shall issue another ballot in its place, but not more than three ballots shall be issued to any one elector. If the ballot has not been initialed by two inspectors or is defective in any other way, the elector shall return it to the election official, who shall issue a proper ballot in its place. Not more than five minutes' time shall be allowed inside a voting booth. Unofficial ballots or a memorandum to assist the elector in marking his or her ballot may be taken into the booth and copied. The sample ballot shall not be shown to anyone so as to reveal how the ballot is marked.

After an official paper ballot is marked, it shall be folded so the inside marks do not show, but so the printed endorsements and inspectors' initials on the outside do show. The elector shall leave the booth, deposit the ballot in the ballot box, or deliver the envelope to an inspector for deposit, and shall leave the polling place promptly.

After an official ballot card is punched it shall be inserted in the envelope provided so the punches do not show. After casting his or her vote, the elector shall leave the booth, deposit the envelope containing the punch card ballot in the ballot box, or deliver the envelope to an inspector for deposit, and shall leave the polling place promptly.

After an official marksense ballot card is marked, it shall be inserted in the envelope provided so the marks do not show. After casting his or her vote, the elector shall leave the booth, insert the ballot in the voting device, discard the envelope, and shall leave the polling place promptly.

An elector may select an individual to assist in casting his or her vote if the elector declares to the presiding official that he or she is unable to read, has difficulty reading, writing or understanding English or that due to disability is unable to cast his or her ballot. The selected individual rendering assistance may not be the elector's employer or an agent of the employer or an officer or agent of a labor organization which represents the elector.

86,000 Apply for Spring Turkey Permits

MADISON -- More than 86,000 hunters applied for a record 75,597 turkey permits for the Spring 1996 season. The Department of Natural Resources mailed out permits to successful applicants last week, and successful applicants should have received their permits by February 2.

This was the highest number of applications

and the highest number of permits for a spring turkey season, according to Tom Howard, DNR wildlife biologist and turkey specialist. The highest number of permits were issued in turkey management zones 2, 3 and 4, with 4,500, 7,800 and 5,100 permits issued respectively.

Landowners, who are given preference over

non-landowners, received 9,703 permits, and 4,929 hunters received second permits because they applied for zones and time periods for which there were fewer applicants than permits available, Howard said.

"Applicants who are willing to accept permits in later time periods in certain zones were the most successful in receiving two permits," Howard said. The highest number of second permits were issued in zones: 3 - 718 permits; 4 - 657 permits,

and 11 - 905 permits.

"Some applicants who applied for a permit for only an earlier time period in some zones did not receive a permit because all available permits had been issued by the time their names were drawn. On the other hand, some applicants who indicated they would accept any available time period received two permits in those same zones," Howard said.

The spring turkey season is conducted in six five-day periods begin-

ning April 10. Each period runs Wednesday through Sunday. The last period ends May 19. The bag limit is one bearded or male turkey.

"Winter weather has not been severe for turkeys to this point, although there are areas of deep snow in several northern turkey zones and we are only half-way through the winter," Howard said.

Snow depths of greater than 10 inches for extended periods can limit turkey mobility, and reduce survival.

FACSIMILE BALLOT NOTICE OF SPRING PRIMARY ELECTION FEBRUARY 6, 1996

OFFICE OF THE WASHINGTON COUNTY CLERK TO THE ELECTORS OF WASHINGTON COUNTY:

Notice is hereby given of a spring primary election to be held in Washington County, on February 6, 1996, at which the officers named below shall be nominated. The names of the candidates for each office, whose nominations have been certified to or filed in this office, are given under the title of the office, each in its proper column, together with the questions submitted to a vote, for a referendum, if any, in the sample ballot below.

INFORMATION TO ELECTORS

Upon entering the polling place, an elector shall give his or her name and address before being permitted to vote. Where ballots are distributed to electors, the initials of two inspectors must appear on the ballot. Upon being permitted to vote, the elector shall retire alone to a voting booth or machine and cast his or her ballot except that an elector who is a parent or guardian may be accompanied by the elector's minor child or minor ward. An election official may inform the elector of the proper manner for casting a vote, but the official may not in any manner advise or indicate a particular voting choice.

At the spring primary election, where lever machines are used, depress the lever or button at the right of the candidate's name. To vote for a person whose name does not appear on the ballot, the elector shall write in the name of the candidate of his or her choice in the space provided for a write-in vote.

Where a marksense system is used, the elector shall fill in the oval next to the candidate's name of his or her choice for each office for whom he or she intends to vote. To vote for a person whose name does not appear on the ballot, the elector shall write in the name of the candidate of his or her choice in the space provided and fill in the oval on the write-in line.

The vote should not be cast in any other manner. If an elector spoils a ballot, he or she shall return it to an election official who shall issue another ballot in its place, but not more than three ballots shall be issued to any one elector. If the ballot has not been initialed by two inspectors or is defective in any other way, the elector shall return it to the election official who shall issue a proper ballot in its place. Not more than five minutes' time shall be allowed inside a voting booth or machine. Unofficial ballots or a memorandum to assist the elector in marking his or her ballot card may be taken into the booth and copied. The sample ballot shall not be shown to anyone so as to reveal how the ballot is marked.

After an official marksense ballot is marked, it shall be inserted in the ballot sleeve provided so the marks do not show. After casting his or her vote, the elector shall leave the voting booth, insert the ballot into the voting device, and promptly leave the polling place.

An elector may select an individual to assist in casting his or her vote if the elector declares to the presiding official that he or she is unable to read, has difficulty reading, writing, or understanding English, or that due to disability is unable to cast his or her ballot. The selected individual rendering assistance may not be the elector's employer or an agent of that employer or an officer or agent of a labor organization which represents the elector.

The following is a facsimile of the official ballot:

In addition to her husband, she was preceded in death by three brothers, Albert, Edward and Arthur; and one grandson, Jeffrey Lee Stuart.

A Mass of Christian burial was held Friday at 7 p.m. at St. Matthew's Church in Campbellsport, with the Rev. Edwin Komath officiating. Cremation followed with inurnment at St. Matthew's Cemetery.

Friends called Friday from 5 p.m. until the time of services at the church.

Twohig Funeral Home of Campbellsport served the family.

MYRON STEGER

Myron P. Steger, 83, of 505 Dayton St., Mayville, died Wednesday,

January 24, 1996, at Clearview Nursing Home in Juneau.

He was born January 25, 1912, in the Township of Theresa, a son of August and Rose Sauer Steger. On June 2, 1962, he married Elma Hartwig in Mayville.

Mr. Steger farmed in the Townships of Theresa and Williamstown. He served as the custodian at St. John's Evangelical Lutheran Church and School in Mayville for 23 years. He was also a church member.

Survivors include his wife; three sons, Donald (Elaine) of Kewaskum, Terry (Karen) of Fond du Lac, and Russell (Joyce) of Burnett; one daughter, Audrey Siers of Orlando, Florida; 15 grandchildren; 10 great-grandchildren; nieces and nephews.

Preceding him in death were his parents, one son, James, and one brother, Lee.

Funeral services were held at 1:30 p.m. on Saturday at St. John's Evangelical Lutheran Church in Mayville. The Rev. Galen Drawbaugh and the Rev. David Mumm officiated. Burial was at St. John's Cemetery.

Friends called from 11 a.m. Saturday to the hour of services at the church.

Memorials in his name may be directed to the church.

Koepsell Funeral Home in Mayville handled the arrangements.

IN MEMORY

In loving memory of
NORBERT MUELLER,
who died on Feb. 2, 1988:

Nothing could be more
beautiful
Than happy memories of
you
To us you were so special
God must have thought
so too.

If God would grant us
just one wish
This is what we would do
We'd come to visit
Heaven
And spend the day with
you.

Knowing you are among

loved ones
Helps ease all the pain
Someday we too will be
with you
To share happy memories
again

*We love you and miss
you!*

*Your spouse, Ottilia,
and all our family.*

THANK YOU

Thanks to St. Therese
the Little Flower of
Jesus, St. Jude and St.
Anthony for help received
and favors granted.

Indians Continue to Struggle

By Perry Koth

The Kewaskum Indians continued to struggle last Tuesday night as the Random Lake Rams came to town for a non-conference basketball game.

Kewaskum, playing with only eight players, were not able to stay with the Rams during the final period and lost 56-42. The Indians had three players foul out (Kevin Dobke, Dan Jeserig, and Kevin Martin) in the final period as the Rams outscored the Indians, 22 to 15.

The first quarter ended in a draw with the score tied 10-10 and coach Dave Shaw was pleased with the defensive effort by his players. "We executed well defensively during that first quarter," said Shaw, "but we didn't have the intensity on offense that we would like to have, especially during the third quarter."

Down 24-19 at the half, the Indians were still in the game starting the third quarter. With 15 seconds to go (third quarter) and the Indians trailing 31-27, Dan Jeserig stole the ball and headed down the court with one man to beat for a basket which could have pulled the Indians within two before the end of the quarter.

As Jeserig drove the paint, he tried to pass to Dobke, but the pass was intercepted by Simon Kramer who took it back the other way and hit a three point shot as the buzzer went off to put the Indians down by seven (34-27).

"Instead of going into the fourth quarter down by two, we trailed by seven... it's those kind of mistakes that we have been making all year," said Shaw about the momentum changer. The fourth quarter saw Random Lake go up by 50-30 as the Rams ran away at the start of the fourth quarter.

The Indians lost another player who quit the team this week, which leaves the Indians with a total of eight players. One senior, two sophomores, and five juniors remain on this very young team. Concerning the loss of another player, Shaw felt that "when you don't win it becomes hard for some kids to put in time and effort that we expect from them, but I'm very happy with the kids that are still out. They work

hard!"

Shaw was also pleased with Kevin Dobke's play and felt there was a real let down when he fouled out of the game in the fourth quarter. Kewaskum was led in scoring by Jeserig with 13 points, followed by sophomore Jeb Jungwirth with 10. Random Lake was led by Simon Kramer with 29. The 1-12 Indians host Two Rivers on Friday, Feb. 2.

Kewaskum: Dobke 4,

Jungwirth 10, Friedel 2, Jeserig 13, K. Martin 8, R. Martin 5. FTs - 10x15, Three point goals - Jungwirth (2), Jeserig (2).

Random Lake: Klug 2, Kramer 29, Eippert 2, Jones 6, Lewitzke 2, Cline 1, Krier 6, Bichler 4, Eischen 4. FT's - 19x32, Three point goals - Krier (2), Kramer.

SHEEPSHEAD WINNERS

Indian Wrestlers Win Waupun Invitational

The Kewaskum wrestlers walked away with a big win at the Waupun Wrestling Invitational January 13. This was Kewaskum's third team title in the last four years.

Up until the final round, host Waupun followed closely behind Kewaskum with 180 points and Kewaskum had 193 points. Kewaskum still had eight guys wrestling in the finals while Waupun had only five.

Winning in the finals were Josh Dieringer at 119, Joel Dziedzic at 125, "JR." Schnabel at 160, Matt Heather at 171, and Tim Gundrum at 275. Other finalists included Mike Kertscher at 112, Tony Olla at 145, and Erik Kopecky at 152.

Josh Dieringer, coming into the tournament with a mark of 6-8, made quick work of all his opponents, pinning them all in the first period. Josh wrestled really well and kept the intensity up through all his matches.

Also winning in the lower weights was Joel Dziedzic. Dziedzic wrestled well, too. Dziedzic had a bye first round, then a pin and in the finals he had a technical fall over Scott Schneider of New Holstein in the second period.

"JR." Schnabel had an easy day coming into the tournament with a record of 15-3. Schnabel was the only wrestler in his weight class to have a winning record. Schnabel had a bye, pin, and in the finals a major decision over Mark Lisowe of New Holstein.

Matt Heather won the 171 weight class. Heather won his first match via pin and his semi-finals match with a major decision. In the finals Heather ran into a familiar face, Brent Day of Winneconne. Heather wrestled Day at Oshkosh on the Water Classic and pinned him with a head throw. Day, coming into the tournament with a 19-2 record, suffered an injury in the chest while the two were working upper body. Day was unable to continue the match and had to default to Heather.

In the 275 weight class, Tim Gundrum had two quick matches and a bye first round. Tim made quick work of Steve Krueger in the semi-finals and went on to win the final match of the day

with a pin in 1:10 over David Erdman. Tim is now 11-3 at 275.

Tony Olla and Erik Kopecky had tough matches in the finals. Olla, the number three seed, beat out number two seed Chad Langerfeld in the semi-finals. Then in the finals, Olla fell short of winning and lost 3-1. Kopecky, also a number three seed, beat out the number two seed, Ryan Sey, by a score of 9-6. In the finals Kopecky had a real tough match against Adam Mace of Markesan. Kopecky lost to Mace by a score of 9-0. Mace was a returning champion from last year.

The Kewaskum wrestling squad was supposed to wrestle New

Holstein Friday, January 19. Due to the overrated snowstorm the meet was canceled and rescheduled for Wednesday, February 7. This will be parents' night.

Sturgeon Season to Open February 10

The 1996 sturgeon spearing season is set to open on Saturday, Feb. 10th. Recent high harvests over the past years have the DNR along with spearsers concerned that the harvest is too high.

A number of public meetings have been held to obtain input from the fishermen and this year's season may vary from seasons in the past. A

nine day season has been approved for this year's Sturgeon Spearing Season. It will begin on Feb. 10th, on Monday, Feb. 12th, water clarity will be evaluated and if the clarity is poor the season will be extended. How long could it be extended? That will depend on the water clarity, but it could be extended through March 1st, which would be the normal season length.

The upper lakes which are also due to open for Sturgeon Spearing this year, will be open on the second weekend, Feb. 17th and 18th and then will close. The upper lakes include Lake Butte des Mort, Poyan, and Winneconne. There has been a spearing season on these lakes in the past, the last being in

1991, and it has always been a two day season.

What are the chances that the season on Lake Winnebago will be extended? That will depend on the water clarity but reports are that it is not very clear at the present time.

One final note for all you Conservation Patron License holders, your Sturgeon Spearing License and Tag will be mailed to you beginning on Feb. 1st. If you do not receive anything in the mail by the 5th, I would suggest you make a call to Madison and have one sent out.

If you have any other questions on this topic or any other feel free to contact me.
