## School Board and Administration Disagree on Computer Purchase

By Sharon Callaway Roznik

The approval of the purchase of a laptop computer for use in the Kewaskum School District was the cause for debate between the school board and the new superintendent, Dr. Charles Johnson, at this month's school board meeting.

The need for the computer was made apparent at their June meeting, by a request from the Finance, Transportation, Building and Grounds Committee, for its use by the Director of Elementary Education, Kieth Kriewaldt. His new position requires frequent traveling between three schools, Farmington, Wayne and Kewaskum Elementary, and the laptop would greatly enhance Kriewaldt's capacity to serve the district.

At that time, however, the purchase of the proposed AST Ascentia P Series personal notebook was put on hold, as the board felt the total package price of \$4,629 was over and above the cost of comparable models, and they wanted to obtain more information before a final decision was made.

When the same computer was again offered for the board's O.K. through Dr. Johnson's recommendation, a difference of opinion prompted debate over the question, "who's in charge here," and the old matter of

trust confronted school board members once more.

"I don't think there's any disagreement on the need," Johnson pointed out, "but there is disagreement on how to meet that need." He told the board that his research of six different models still brought him back to his original recommendation, as the one best suited to meet the future needs of the district.

Johnson went on to explain that the board's questioning of a recommendation he made in good faith, in his opinion, reflected a lack of trust and confidence in him, as superintendent. "It does tend to question who's in charge here," he told the board, and asked them to make a yes or no decision before school was in session.

School board member Neal Weare backed Johnson, as well as the original request from the Finance, Transportation, Building & Grounds committee, commenting that either this board is going to listen to the recommendations from administration and the various committees, otherwise the committees should be disbanded.

The one board member with the most access to information on computers, Mary Andera, has spent a great deal of time talking with computer consultants, and offered a lower priced IBM 100-

megahertz model as an alternative solution, which would save the district about \$1,000. "I guess I'm the one that started this whole thing," she related. "I'm very interested in having the Director of Elementary Education have a computer by the time school starts. I'm not trying to undermine anybody. I don't know much about anything, but this is an area I happen to know something about. I'm tired of people complaining without offering solutions or alternatives to the problem, so rather than just complain, I came up with an alternative."

She went on to explain that the difference between the two computers was like comparing "apples to apples." "The one that I have here is even a larger hard drive. It gives our district more of what we need, less of what we don't need, and it's cheaper, by \$1,200."

Board member Tom Timblin stated that this entire issue had become bigger than it needed to be, telling Dr. Johnson, "you seem to be offended," by the board's differing opinion. "If we disagree with something, that's what we're here for, there should be no offense taken from it. This whole issue has become very personal, and that's too bad. Every vote will not be 7-0," he

## School Board Discusses Cabling, Phone Plans

By Sharon Callaway Roznik

Curriculum Resource Specialist and Business Manager George Allmann discussed future cabling and phone plans for Kewaskum Middle School and Kewaskum High School with school board members at this month's regular meeting, and the possible use of state funding to achieve the district's technology goals.

Ten companies recently toured the buildings to put in bids for recabling the schools, and their quotes were due in this past Monday. The Finance Transportation Buildings and Grounds Committee will be reviewing the bids, and will make their recommendation at the September board meeting.

Work will begin sometime this fall, with an installation time of one week for KMS, and three weeks at KHS. Bids for phone line service will go out in September, with work estimated to begin sometime in November or December. Both plans are expected to be completed by the first of next year.

The board is also looking into leasing programs, with an option to buy in three to five years.

Allmann said there was a possibility to get in on a state funded opportunity to cable both Farmington and Wayne Elementary Schools, and in November and April, two days will be set aside

in Wisconsin to cable five classrooms to a school, with labor and services done on a volunteer basis. The cabling will be designed so it can be added to, if remodeling of these two schools takes place any time in the future.

Another board approval by recommendation from the Finance Transportation Building and Grounds Committee included painting the KHS gym, Rose Hall. The work will be done by H.C.R. Painting of Fredona, at a cost of \$3,800. The board also authorized a permanent substitute plan for the upcoming school year, increasing the amount of substitutes from two to three.

The First Steps program was expanded for this year, after a June screening found 30 students eligible for the program. The program is for children who are four years old and will be entering kindergarten next fall. Allmann told the board, "If you catch them early, they have a chance to succeed in kindergarten."

The voluntary screening assesses children in the areas of speech, language, vocabulary, and readiness skills, and evaluates special needs. The program helps ready students to start kindergarten with the age appropriate skills. Funding for the program

# Computer School Board

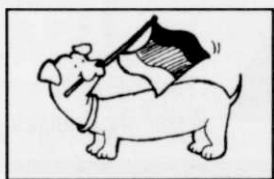

(Continued from Page 1)

told the superintendent. Johnson remained adamant with his decision, and made sure the board was aware any other options were not recommended by administration. "It isn't personal, but it's the only time I've seen we haven't operated in good faith," he expressed. "Leave the future to me, and I'll be accountable for it," Johnson stated at one point in the meeting, and told the board he would authorize taking the difference out of his pay, and again emphasized the importance of trusting each other (the board and administration).

Jon Downs was another board member that supported the purchase of the lower priced model, and felt that although this big of a debate over the purchase of a small item was perhaps not necessary, the process was important, and reflected fiscal prudence. "We can change our minds. If we've got a couple of computers, and both can do the same thing... why not?" he maintained.

Board member Larry Fechter agreed, adding, "occasionally the board is correct and right in some things, in disagreement with administration."

The motion to approve the original computer recommendation failed 6-1, with Weare voting yes, and a new motion to purchase a complete PC not to exceed \$3,600 passed, 6-1, with Weare voting no.

The dachshund is the national dog of Germany.

including materials, transportation, and staff salary would be through Title I or the Federal Entitlement Program.

The Extended Day Kindergarten program provides additional help to kindergarten students who are not realizing their full academic potential. Students are selected by their teacher based on needs and age, and attend two extra half day sessions. Allmann stated that in years to come, they will be doing an analysis on starting a four-year-old kindergarten program.

Board member John Schulte asked the school board to look into implementing STEP (Seniors Tax Exchange Program) within the Kewaskum School District. The program offers senior citizens an exchange in tax dollars (credit) for services rendered working in the district.

The opportunity could be offered to any district home owner, 62 or older, that receives Social Security. Schulte said that the Kaukauna schools already have this program in force, and he hoped it was something the board would consider for the future.

An all staff in-service breakfast will be held on Thursday, August 22, at 7 a.m. Dr. Johnson invited the board to attend, and guest speaker Dr. Mitchell, will be holding a seminar following the breakfast.

Board member Jon Downs announced a five mile KEYS run/walk will take place on Saturday, October 12, the same weekend as Kettle Country Kolors. This event is a great fund raising tool, where pledges are obtained to help fund the

KEYS scholarship account. He related that last year's event brought in a fantastic amount of pledges, and suggested that classrooms could compete for the greatest amount of pledges brought in.

Other approvals under new business included the 1996-97 DPI Food Service Contract, with the prices remaining the same as last year, the payroll and A/P in the amount of \$920,156.48, and the IASA Grant application.

The board accepted district employee resignations from high school ED instructor Mrs. Heather and seventh grade teacher Susan Wagner. New appointments were as follows: David Kraft as KHS assistant girls' basketball coach, Mary Koch as KHS FACE instructor, Terry Christie as part-time music instructor, Marirose Lucey as K-12 reading teacher, Erv Uhlman as KMS teacher-in-charge, Steve Ruppinger as KMS wrestling coach, Robin Dorst as KMS FACE instructor, Lynn Molenda as KMS art instructor, Kathleen Kowalczyk as part time elementary/ high school art teacher, and three assistant KHS football coaches -- Chris Harlow, John Swanson and Rick Schlehlein.

# Kewaskum Juniors to Sponsor Bike-A-Thon

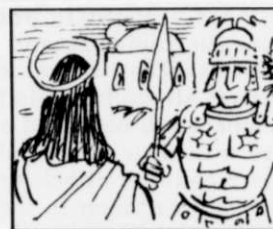

Members of the Kewaskum Junior Woman's Club invite children, students and adults to participate in a fund-raising bike-a-thon for St. Jude Children's Research Hospital on Saturday, September 14, from 9 a.m. to noon at the Kewaskum High School track for younger participants.

A road course is being developed for older participants. In case of rain, the event will be held Saturday, September 21.

St. Jude Hospital is the largest childhood cancer research center in the world. The hospital is open to children meeting medical requirements without regard to race, religion or financial status. It is a haven of healing for stricken children, a source of hope for despairing parents and a bright beacon of light shining on the darkest of medical mysteries -- illnesses that kill or cripple helpless children. It is

supported primarily by fund-raising efforts, grants, insurance and investments.

Watch your Kewaskum Statesman for further details or contact Carol Sabel at 626-4659. Sponsor sheets are available from Carol. More information will also be sent home through school.

Christians in many European countries call Easter Pascha. This word comes from the Hebrew word Pesah, which means Passover. Jesus was celebrating Passover shortly before he was arrested and crucified.

### Computerized Lunch Program at KMS

Starting on the first day of classes, Monday, August 26, the Kewaskum Middle School, Food Service Department, will be piloting a computerized lunch accounting system for the hot lunch program.

This system will be set up using individual accounts. It is a pre-paid system with a variety of payment methods (weekly, monthly, semester). If you have more than one child in the middle school you only need to make one deposit. However, tell us what amount to put into each child's account.

The system works as follows: All students/staff members will be issued a card with their name and a bar code. A check or cash is sent/taken to the middle school on a weekly, monthly, semester basis. (Please write your child's name and "LUNCH" in the memo area). The deposit is entered into the computer. When going through the line, the I.D. Card is scanned and the amount of purchase is subtracted from the appropriate account balance. If your account balance falls below a determined amount, your child will be told.

Lunch prices are the same as last year: Monthly - \$25.00, Weekly, \$6.25, and Daily - \$1.40.

Since the weekly lunch charge is \$6.25, it is suggested that a minimum of \$12.50 per child be deposited. Families receiving reduced priced

meals (\$0.40 per day), should deposit a minimum of \$4.00 per child. Students who have been approved for free lunches will also use their I.D. Card. The cards are all the same, thus eliminating any discriminatory practices. Any remaining funds in your account at the end of the school will be returned, at your written request, or carried over in your account to the next school year.

The advantage to this program is a more efficient system for you and the district - no lost tickets, no student forgetting their daily lunch money, no calculating how much money to send with each child, more accurate accounting and improved accountability.

We are very excited about this new program. Computerized lunch programs in Ozaukee, Ripon and Fond du Lac have been operating for several years. Most of these parents feel that it is a much easier, more efficient way of handling lunch money for their children.

Account payment may be: Sent with your child to the middle school, or mailed to Kewaskum Middle School, P.O. Box 432, Kewaskum, WI 53040. Payments may be mailed anytime after August 15th. If you are paying by check, please write "LUNCH," and

your child's name in the memo area. If possible, put enough in your account to avoid running low.

Please call if you have any questions: Kathy Robinson, Food Service Supervisor, 626-2166, Lorey Weston, KMS Secretary/Aide (after August 22), 626-2178.

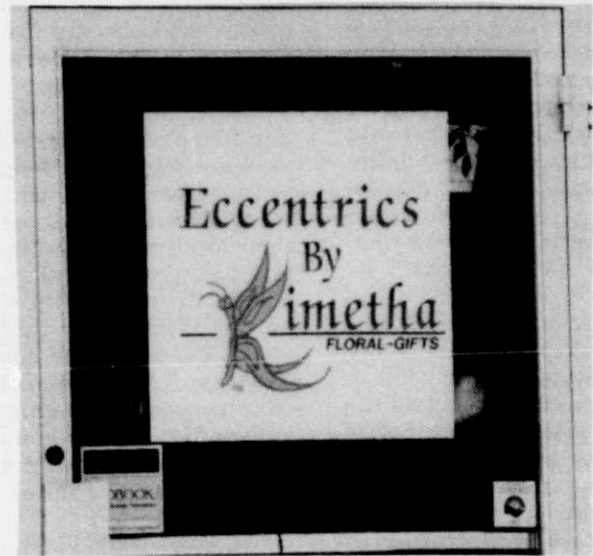

### D.A.R.E. Donation

The Richfield Lioness Club donated \$350 to the Washington County Sheriff's Department D.A.R.E. program. This donation will be used to help offset the cost of materials used in the presentation of the D.A.R.E. Program. The check was presented by Jean C. Wiedoff, Treasurer, for the Richfield Lioness Club.

Washington County is very fortunate having D.A.R.E. taught in all the public school districts in Washington County, as well as most of the private schools. Sheriff Robert H. Schulteis would like to thank the Richfield Lioness Club for their continued support.

For the past year, the Kewaskum Pride Twirling Show Team has been training in preparation to compete for their first time at the Wisconsin State Baton Twirling Championships and at A.Y.O.P. -- America's Youth on Parade National and World Championships.

On July 14, the Kewaskum Pride Show Team competed in two categories at the Wisconsin State Competition in Pewaukee, at the Waukesha County Technical College. The twirlers earned two first place awards for their efforts in performing Twirl-Team and Dance-Team routines.

On July 23-26, the twirlers traveled to South Bend, Indiana to compete at the National and World Championships at the University of Notre Dame. The twirlers performed in two categories and brought home a 9th place trophy for their efforts in performing a Dance-Twirl routine.

The twirlers wish to express heart-felt gratitude for all of the following local businesses for their sponsorship, support and generous donations to make these competitive experiences possible:

Geib Enterprise, Ltd., Quad Tool and Design, Degnitz Bus Service, Bank Wisconsin - Kewaskum, Kewaskum Family Chiropractor, Joys of Grooming, Hollywood Portrait Studio, Kewaskum Floral, Hilltop

## YMCA Tot Time Openings Available

Openings are still available in the Kewaskum YMCA Tot Time classes for the 1996-97 school year.

The four-five year old class will meet from 9:30 to 11:30 a.m. on Mondays and Wednesdays; the three-year-old class will meet from 9:30 to 11:30 a.m. on Tuesdays and Thursdays. Classes are taught at Peace United Church of Christ by Vicki Fenrick, teacher; and Lori Schoofs, teacher aide.

YMCA Tot Time is designed to help preschoolers grow socially, emotionally, intellectually and physically. Activities in art, music, dramatic play, science and language, encourage skill development and social interaction.

Group activities and self-directed activities are provided each day. Numerous field trips are taken throughout the year. The four-five year class is limited to 20 children. The three-year-old program is designed to introduce children to the school setting with enrollment limited to 18 children.

Tot Time is a cooperative program encouraging parental participation in their child's preschool experience. Parents assist in the classroom several times during the school year. Families are invited to attend school programs and picnics.

Registrations for these classes are now being taken. For information contact the YMCA at 334-3405.

## Town of Scott Board Acts On Rezoning Requests

By Bernadette Mondloch

Scott Town Board members spent the majority of the August meeting reviewing planning commission recommendations for rezoning. Almost all of the requests involved small parcels of land being joined to larger parcels, either to make more room for septic systems or to define the proper zoning which would allow for building in qualified areas.

Zoning change approvals were granted to Floyd Klug which combined a 13.677 acre parcel and a 2.156 acre parcel from A-1 to A-5.

A second parcel requested by Klug, along with Glen Klug and Rogene Engleman, combined an existing 1.0 acre parcel with two acres of a 4.116 acre parcel, the result being a three acre parcel zoned from A-1 to

A-2.

Third, Donald Ruplinger had a .834 acre parcel changed from A-1 to A-6 and a .75 acre strip of land from A-2 to A-6. Both are to become one lot to allow for septic expansion.

These three changes are all located in the North East quarter of Section 32.

A fourth change went to Michael Reindl combining .636 acres which was changed from A-1 to A-6 and two acres from A-2 to A-6, to become one lot, also located in Section 32.

A request from Jon and Patty Mudlaff, which had been tabled last month, received the same treatment this month. This was done because the board was not furnished with a proper description of the property. If that information becomes available, the matter will be considered at the September meeting.

In other action, a unanimous roll call vote resulted in rescinding approval given in February, 1995 of a certified map for property belonging to F. Klug. Some of the property rezoned earlier was shown on the now invalid certified map.

After three months of discussion with no progress concerning the diversion of storm water from the Jeff Scannell property on Maple Tree Road, in the northern section of Glacial Hills subdivision, the board has finally taken a stand.

The board voted unanimously, with Chairman Benzschawel abstaining due to a conflict of interest, that the problem belongs to Scannell and the Town would be unable to assist.

A suggestion had been made last month that a ditch be established in that area. The County Highway Department looked over the situation and recommended against it. The board agreed, and so there will not be a ditch because of the lay of the land.

The buildings were built much lower than road level and heavy Spring rains and Spring thawing caused water problems for Scannell. It was the consensus of the board that this Spring's weather was out of the ordinary and under normal conditions, no water

problem exists.

A request from a contractor for refund of money paid for heating and air condition permits for a house which burned before the installation could be made, was turned down. The name of the contractor was not mentioned.

Supervisor Clarence Janz reported that all shoudering has been finished, and gravel is being applied to the street in the LaFever subdivision north of Batavia. Scott Construction will be applying "ash seal" between August 13 and 15.

County D, west of the intersection of State Highway 28/144 was closed to traffic beginning August 12, and traffic was rerouted westerly on County A, just south of Batavia. It will however, be open for local traffic. The Ramel bridge is being replaced. Closing is expected to last through September and October.

A new town truck ordered earlier this year is nearing completion and should be ready for painting within two weeks. Action was taken to apply undercoating which will cost \$250. This was not included in the original contract.

Batavia Fire Department was granted a beer license for a brat fry on August 24 and 25.

### PRAYER OF THE BLESSED VIRGIN

(Never known to fail).  
Oh, most beautiful flower of Mt. Carmel, fruitful vine, splendor of Heaven. Blessed Mother of the Son of God, Immaculate Virgin, assist me in my necessity. Oh Star of the Sea, help me and show me here you are my Mother. Oh Holy Mary, Mother of God, Queen of Heaven and Earth, I humbly beseech you from the bottom of my heart to succor me in my necessity (Make request). There are none that can withstand your power. Oh Mary, conceived without sin, pray for us who have recourse to thee (three times). Say this prayer for three consecutive days and then you must publish and it will be granted to you.

Grateful thanks!

M.B.H.

## West Bend's First Female OB/GYN Joins Clinic

Dr. Angela Breckenridge

WEST BEND -- West Bend's first female OB/GYN, Dr. Angela Breckenridge, has joined the West Bend Clinic. The appointment of Dr. Breckenridge expands the health care choices the women of Washington County.

"Having the option of being able to choose a female OB/GYN is important to women," explained Bruce Steinhardt, Chief of Administration at West Bend Clinic. "The addition of Dr. Breckenridge gives women a choice that they cannot find anywhere else in West Bend. This is one more example of what we mean when we say, 'Growing to Meet Your Needs.'"

Dr. Breckenridge, originally from California, has done most of her training in the Midwest,

completing her internship and residency at Metropolitan Hospital, a Michigan State University Hospital in Grand Rapids, Michigan.

With her husband Eric, and son Nathan, Dr. Breckenridge has recently moved to West Bend. They enjoy outdoor activities including biking, rollerblading, skiing and snowmobiling. These days, however, most of the Breckenridge's free time is spent with their new son.

For more information on Dr. Breckenridge, or the West Bend Clinic and how they are growing to meet the needs of Washington County, please call Bruce Steinhardt at 334-3451.

## 25 Years Ago

July 9, 1971

Five candidates have filed for two positions on the board of education of the Kewaskum Community Schools Joint District No. 2 at the Annual Election July 26. The five candidates whose names will appear on the ballot are: Richard Hensiak, Earl Howell, Thomas Gundrum, David Mueller and Richard L. Edwards.

James Baumhardt, son of Mr. and Mrs. Ivan Baumhardt, bassoonist in the Kewaskum High School Band, has been awarded a full tuition scholarship to the Greenwood Music Camp in Cummington, Massachusetts. Jim flew to Massachusetts on Sunday, June 27, and will return to Kewaskum in early August.

Twenty-five high school science teachers are spending six weeks this summer learning how to measure pollution of the water, soil and air. They will study and do field work June 21 to July 31 at the WSU System's Chippewa Lake Field Station in Bayfield County, the former U.S. Job Corps camp seven miles north of Clam Lake. Among the teachers selected from the 352 applicants for the program is Walter Bade, 233 Clinton St., Kewaskum High School teacher.

The Kewaskum Police Department this week was continuing the investigation of a burglary at the Kewaskum Elementary School late last week in which close to \$1,500 worth of tape recording equipment and

about \$15 in change was stolen.

Airman Wallace W. Francis Jr., son of Mr. and Mrs. Wallace W. Francis Sr. of Route 1, Hickory Lane, Kewaskum, has completed basic training at Lackland AFB, San Antonio, Texas. He has been assigned to Sheppard AFB, Texas for training in communications electronics systems.

Army Private Michael P. Wanke, 20, son of Mr. and Mrs. Ervin Wanke, Kewaskum, recently completed nine weeks of advanced individual infantry training at Fort Polk, Louisiana. During the course, he received guerrilla training and lived under simulated Vietnam conditions for five days, fighting off night attacks and conducting raids on enemy villages. He was taught methods of setting booby traps, setting ambushes, and avoiding enemy ambushes. Other specialized training included small unit tactics, map reading, land mine warfare, communications and firing the M-16 rifle, M-60 machine gun and the 3.5 inch rocket launcher.

The Kewaskum Indians split two games the past week, downing Kettle Moraine, 10-4, last Thursday, but losing to Mayville 5-2, in a battle for first place there Thursday night. The win over Kettle Moraine brought Kewaskum's record to 7-2 as Tom Theusch (who has won six of the seven games) ran his streak to six straight without a loss. Singles by Dennis Smith, Dave Schacht and Theusch, plus a passed ball, gave Kewaskum two

runs in the first inning. Clark Eichstedt tripled home two base runners with three more in the second. In the third, Bob Mertz came through with a single with two men on. By this time the score was 8-0 and victory was in the bag.

Mike Doherty, a 6-0, 175-pound quarterback from Kewaskum, has indicated he will attend Eau Claire State next fall, university football coach Link Walker has announced. Doherty was all-conference in the Scenic Moraine Conference as a junior and all-state honorable mention as a senior. He led the team in scoring with 84 points this past season. Doherty is also a three-year track letterman.

July 14, 1971

A new venture has been started by the children of Myron Belger in the Village of Kewaskum. The children have opened a store at the rear side entrance at 1245 Fond du Lac Avenue. The building also houses the new Herriges Oil Company Shell Station. The store will be known as "The Kitchen Cupboard." They will deal in dented can goods which will be sold in 1/2 case (12 cans) and whole case (24 cans) lots only. They plan to carry a complete line of canned fruits and vegetables. Later on they also plan to add a line of household

paper products.

The Board of Education voted Monday night to explore an alternate approach to solve the building needs of the district as suggested by Supt. Floyd Brenholt. The call for additions to the present high school and junior high-elementary buildings and the construction of a new 600-student capacity elementary school on the present high school site. The present 9-12 grade high school would become a senior high school for grades 10-12; the present junior high-elementary would take grades 7, 8 and 9 and the proposed elementary school would house kindergarten through grade six. Additions to the Wayne and Farmington schools would remain the same as in the original plan.

The combined efforts of six Milwaukee area builders and the Metropolitan Builders Association to show what can be done in the truly moderate priced home field was open Saturday in a new subdivision in the Village of Kewaskum. The project was opened at 1 p.m. on Saturday in Bel Ric Acres, a 67 lot subdivision just west of Highway 45 and south of CTH. H on the southern edge of Kewaskum. The models will be open through July 18.

Kewaskum High School students attending the High School Cheerleading Clinic at

Wisconsin State University-Platteville this summer were Peg Bartelt and Deb Bilgo.

Dale Probst, a sophomore at Kewaskum High School, son of Mr. and Mrs. Merlin Probst of Route 2, Kewaskum, left July 13, for Biloxi, Mississippi. He with seven young people of the Senior High Youth Fellowship and three adults of Immanuel United Church of Christ, West Bend, will tour many states, stopping off at places of interest along the way. They will stay overnight at different United Church and Methodist Churches in each state.

A daughter was born to Mr. and Mrs. Lloyd Etta, Route 1, Kewaskum on July 10, and a son was born to Mr. and Mrs. Norbert Serwe, Kewaskum, on July 11.

# A 'Racy' Weekend

Tim Allen, left, and Steve Saleen, right, of the Saleen/Allen "RRR" team, held a press conference on Friday, following a practice session. Allen entertained the media with his natural talent of finding humor in everyday life.

Thousands of fans line the track to watch the IndyCar race at Elkhart Lake on August 18.

Bobby Rahal makes a quick stop in the pits for fuel and tires at the Texaco/Havoline 200 held in Elkhart Lake this past weekend. Rahal drove a special silver and black car to commemorate Miller Brewing Company's 25 years in motorsports.

By Laurie Ottery

Every year Elkhart Lake offers a weekend of excitement and fun for everyone at the Texaco Havoline 200. This year's event was held last weekend, on August 16, 17 and 18. Over the years, the month it is held has changed, but it is being speculated to remain in mid-August.

Road America offers much more than just racing. The grounds are filled with rows of souvenir shops selling merchandise and team items not available in most stores. Artists featuring racing photos, paintings and clothing set up tents offering their goods.

Good food and refreshments can be found everywhere around the perimeter and inside the track area. At the Plymouth Rotary Round-up Cafe, they offered everything from breakfast, nachos and cheese, or burgers to a fresh Johnsonville brat on a stick.

There were places to get ice cream or an old-fashioned root beer float. The Depot offered a full menu including tacos and salads. Refreshments can be found with a variety of menus.

An advantage to watching a race at Elkhart is the many areas you can see the track from. Fans can wander the paths that lead to make-shift bleachers and stands set up with tables, all in view of the track. There are several turns on the widely paved track that also make great places to watch the race. There are even places where you walk under the track through a tunnel, to get to the inside.

Racing filled the weekend with several different types to see. Friday was the day for practice and a chance for drivers to get the feel for the track. Practice was held for all races including Barber Dodge, Trans-Am, Player's/Toyota, IndyCar, World Challenge and PPG Neon. Qualifying times were posted during runs Friday afternoon for Trans-Am and IndyCar.

Trans Am qualifying produced the Goodyear Fast Five. They included #11 Tom Kendall, driving for All Sport Body Quencher in a Ford Mustang Cobra, with a fast lap time of 2:08.096. He was followed by #14 Boris Said, Lion's Pride Mustang Cobra; #12 Dorsey

Schroeder, Raybestos Mustang Cobra; #22 Brian Simo, Valvoline Mustang Cobra; and #2 Jamie Galles, ICI/Glidden Chevrolet Camaro. Kendall won a qualifying bonus prize purse of \$2,700.

Top qualifiers for IndyCar on Friday included Bryan Herta, Jimmy Vasser, Gil DeFerran, Paul Tracy and Michael Andretti. Herta had a top lap time of 102.648 with a speed of 140.285.

Racing seems to draw celebrities to many of these events. In the World Challenge race last year, Tim Allen, from TV's "Home Improvement," made his racing debut. He finished sixth in his class and 11th overall in his first professional SCCA World Challenge race. He amazed himself that he managed to finish the race.

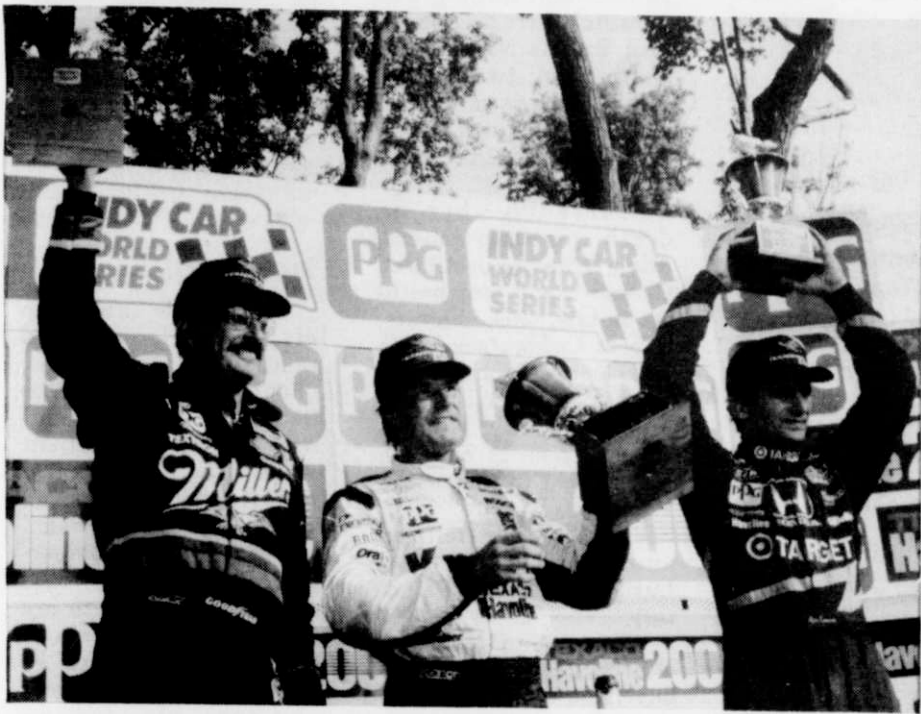

Tim Allen and Steve Saleen worked together in 1993 on building a one-of-a-kind Saleen Mustang. It was something Tim always wanted to do. Saleen, won all four major championships in the SCCA Escort Endurance Series in 1987. They included Team Driver, Manufacturer and Tire. The two shared a dream and decided to form the Saleen/Allen "RRR" Speedlab.

Dreams are something not everyone has a chance to play out in real life. "I started out putting Plymouth Roadrunners up and down Woodward Avenue in Detroit when I was a kid," said Tim. "It takes a lot of concentration, but the opportunity to race is something I always wanted to do."

The team returned this year for some more racing at Road America. During a press conference, Allen joked about how he was the only one on the Saleen/Allen team to finish the race last year. He also pointed out how glad he was to discover Wisconsin's delicacy, brats. Just like the character on the show, Tim Allen tends to go on and on and get himself in over his head before he stops. However, the talent Allen shows, in his driving skills, is far from that simple-minded character he plays on TV and is not as destructive.

On Saturday, the roar of the engines continued. Fans and media people came from all over the world to enjoy the

The winners in the Texaco/Havoline 200 proudly show off their trophies. Left to right: Bobby Rahal placed second, Michael Andretti won first and rookie Alex Zanardi was third.

Michael Andretti, left, discusses race strategy with his father, Mario, after a third place win during qualifying rounds on Saturday.

Michael Andretti heads back to the track down pit road. Andretti went on to win the Texaco/Havoline 200 at Elkhart Lake. It is the 50th IndyCar win for the Newman/Haas racing team. Andretti took to the course in a car specially-outfitted for the filming of further segments for an upcoming IMAX feature on IndyCar racing. Michael stepped in for his father, Mario Andretti, who has been driving the car throughout the season, but is currently sidelined by a back injury. The IMAX feature, which will include footage from a number of this season's IndyCar venues, is expected to be released in late fall or early spring.

racers. Many showed up early to view the sights and watch the practice and qualifying rounds that start early in the morning.

The weather was sunny with temperatures in the 80's. Everywhere you went there were people. Fans sat in the bleachers, on top of their cars or campers and walked the paths to get from one turn to another.

The pits and paddock area are lined with people trying to get a photo or autograph from one of their favorite drivers, owners or celebrities. Many had the perfect opportunity to catch a glimpse of Mario Andretti and his son, Michael, Tim Allen, Steve Saleen, Paul Newman, David Letterman and Carl Haas, just to name a few.

IndyCar held another qualifying session on Saturday with the checkered flag being waved at 2:49 p.m. The top three finishers were rookie Alex Zanardi driving the #4 Target car, Gil de Ferran in the #8 Pennzoil car and Michael Andretti in the #6 Kmart/Texaco/Havoline car.

Zanardi, a former Formula One racer, drove 141.179 mph with a lap time of 101.998 sec. That first place finish is his fourth IndyCar pole of the season. He is the first IndyCar driver of the season to win back-to-back poles. This boost him with teammate Jimmy Vassar for the most this season. The Marlboro Pole earned Zanardi \$10,000.

## MARVIN A. MARTIN

Marvin A. Martin, 89, of Kewaskum, passed away on Thursday, August 15, 1996 at the Samaritan Health Center in West Bend.

He was born on June 7, 1907 in Kewaskum to the late John and Elizabeth (Klumb) Martin and resided in Kewaskum his entire life. He attended the public schools in Kewaskum and took insurance courses at the University of Wisconsin.

On December 26, 1938 he was united in marriage to Minerva Sommerfeld at St. Peter's Lutheran Church in Fond du Lac.

Mr. Martin was a lifelong member of St. Lucas Evangelical Lutheran Church in Kewaskum, where he served on the church board for a number of years.

He was employed by Regal Ware, Inc. as a tool die maker for 42 years and helped organize the Local #849 of the AIW Union and served as its first Local President. He also owned and operated the Marvin A. Martin Insurance Agency in Kewaskum.

He was a charter member of the Kewaskum Kiwanis Club where he had 47 years of perfect attendance, and served as Club President in 1959, on various club committees and as Lieutenant Governor. He was secretary of Branch 26 of the Aid Association for Lutherans for 45 years and served as President of the South Wisconsin Federation of local branches.

He served on the Washington County Red Cross Board and held the position of Chairman. He taught First Aid for 30 years in Washington and Fond du Lac Counties through the Red Cross and the Vocational School system.

Mr. Martin was a member of the Kewaskum Fire Department for 33 years, retiring as a Lieutenant and helped organize the Kewaskum Fire Department Rescue Squad.

He served on the Village of Kewaskum Board, the school board, was the Civil Defense Director for the Village of Kewaskum and served as Secretary of the CETA program. For nine years he served on the AFS Board and hosted students from New Zealand and Columbia. His son,

George, was an AFS student in Peru.

At the time of his death, he was a member of the Regal Ware 25 Year Club, Kewaskum Historical Society, Kewaskum XYZ Senior Citizens and a member of senior groups in Beechwood and Campbellsport.

Survivors include his wife, Minerva, of Kewaskum; two sons, Dean of Brookfield and George (Frances) of Vienna, Virginia; a daughter, Dawn Martin of West Allis; seven grandchildren, Timothy, Aaron and Carrie Martin of Oviedo, Florida, and Jonathan, Nicholas, Elizabeth and Emily Martin of Vienna, Virginia; two special children, AFS student Marion Evans Lewis of New Zealand and IYE student Hector Vargas of Columbia, other relatives and many friends.

He was preceded in death by a son, Craig, and two sisters, Celesta Koerble and Elizabeth Johnson.

Funeral services were held at 2 p.m. on Sunday, August 18, at St. Lucas Evangelical Lutheran Church in Kewaskum with Rev. Edwin Fredrich officiating. Interment of the cremains will be at Lutheran Memorial Park Cemetery, Kewaskum.

Friends called after 4 p.m. on Saturday at the funeral home and from noon until the time of services at the church on Sunday.

Memorials may be directed to St. Lucas Lutheran Church Debt Fund or to the donors choice.

The Miller Funeral Home in Kewaskum served the family.

## CLARENCE C. MARX

Clarence C. Marx, 91, formerly of Eden, died Saturday, August 17, 1996, at the Fond du Lac Lutheran Home.

He was born January 4, 1905, in the Town of Empire, to the late Charles and Anna (nee Habbeck) Marx, and married Gladys Ours on August 25, 1931. She passed away on June 10, 1975. He then married Lillian Hanrahan Lloyd on July 14, 1977.

Mr. Marx farmed until 1955, and then was employed by Mercury Marine until retiring in 1970.

He was a member of St. Mary's Catholic

Church in Eden.

Survivors include his wife; a son, Clarence E. (Barbara) of Eden; six daughters, Elaine (John) Krug of Campbellsport, Joan Chittum of Wausau, Charleen Phillips of North Fond du Lac, Mary (Leander) Herriges of Wayne, Geraldine (Ray) Bodden of Kewaskum and Patricia Marx of Fond du Lac; two step-daughters, Ann (Dale) Grahl of Eden and Sharon (William) Koenen of Beaver Dam; 21 grandchildren; 17 great-grandchildren; a brother, Lawrence of Fond du Lac; a half-brother, Marvin (Lucille) Marx of Fond du Lac; a sister, Alice Taasch of Fond du Lac and other relatives and friends.

Preceding him in death were a half-brother, Marvin; two sons-in-law, Loren Phillips and James Chittum; and a granddaughter.

Funeral services were held Tuesday, August 20, at 9:30 a.m. at the Twohig Funeral Home, Campbellsport, with a Mass of Christian Burial at 10 a.m. at St. Mary's Catholic Church, Eden. Rev. Robert Braun officiated and burial was in the parish cemetery.

Visitation at the funeral home was on Monday from 4 to 8 p.m., and on Tuesday from 8:30 to 9:30 a.m.

## LOUISE C. MIELKE

Louise C. Mielke, nee Luepke, 80, of West Bend died Wednesday, August 14, 1996, following a short illness.

She was born July 5, 1916, in the Town of Almon, to the late Gerhardt and Lydia (nee Bartelt) Luepke, and married Roy Mielke on Feb. 12, 1938 at her parents' home in Kohlsville.

The couple lived in Shawano until 1943 when they moved to Allenton. She owned and operated the Allenton Beauty Shop for 30 years. She and her husband also owned and operated Mielke's Tavern in Allenton for 20 years.

Her husband passed away on September 6, 1972.

Mrs. Mielke retired in 1976 and moved to West Bend at that time. She was a member of Zion Ev. Lutheran Church in the Town of Wayne.

Her grandchildren and great-grandchildren were her pride and joy, and her most precious moments were those spent with her family.

Survivors include two daughters, Rhea (Harvey) Schmidt of West Bend and Joan (Richard)

Schuppel of Kewaskum; four grandchildren, Gail (Wayne) Nikels of LeRoy and Jason Schuppel, Jennifer Schuppel and Bill Schuppel, all of Kewaskum; three great-grandchildren, Ashley and Travis Nikels and Ciera West; two sisters, Alice Walters of Kohlsville and Bernice Lisko of Slinger; and other relatives and friends.

Preceding her in death were two sisters, Adela Waas and Mildred Gebhard, and four brothers-in-law, Jack Walters, Robert Lisko, Jack Waas and George Gebhard.

Funeral services were held Saturday, August 17, at 2 p.m. at Zion Ev. Lutheran Church in the Town of Wayne. Rev. Steven Bode officiated and burial was in Zion Lutheran Church Cemetery.

Visitation at the church only was Saturday from noon until the time of services.

The Myrhum Funeral Home, West Bend, served the family.

## CARD OF THANKS

A very sincere thank you to our relatives, neighbors and many friends who shared in our loss of our dear mother, grandmother, great-grandmother and sister, AMELIA REINDL. We are grateful for the expressions of sympathy in prayers, floral tributes, cards and memorials.

A special thank you to

Father John Brophy, the organist, Holy Trinity Choir, pallbearers, traffic officer, those who prepared and the Christian Women for serving the food, Miller's and to anyone who offered support and helped us in any way. Your thoughtfulness will long be remembered.

*The Family of

## WILLIAM E. PROST

William E. Prost, 48, of Kewaskum, passed away on Wednesday, August 21, 1996 at St. Joseph's Community Hospital in West Bend.

He was born on July 13, 1948 in West Bend, the son of Ellsworth and Majorie (Koepe) Prost and on July 10, 1971, he was united in marriage to Jean Klug at Immanuel Lutheran Church in the Town of Scott.

Mr. Prost was a member of Immanuel Lutheran Church in the Town of Scott, served his country in the U.S. Army during the Vietnam War, was a past hunter safety instructor and was past director of the Campbellsport Sportsmen's Club. At the time of his death, he was employed by Carew Concrete and Supply Company, Inc. in Elmore.

Survivors include his wife, Jean of Kewaskum; two sons, Brett and Brian, at home; his mother, Marjorie Radtke of Kewaskum; a brother, Gary (Gloria) Prost of Nashville, Tennessee; a sister, Sue (Neil) Bialk of Campbellsport, other relatives and many friends.

He was preceded in death by his father.

Funeral services will be held at 1:30 p.m. on Saturday, August 24, at Immanuel Lutheran Church in the Town of Scott with Rev. William Robinson officiating. Burial with military graveside rites will follow in the church cemetery.

Friends may call after 4 p.m. on Friday at the Miller Funeral Home in Kewaskum and from noon until the time of services at the church on Saturday.

## County Nature Lovers Aiert

This may be the opportunity you have been waiting for. Lac Lawrann Conservancy, 300 Schmidt Road, West Bend, is offering a Teacher Naturalist workshop on August 27.

Those interested should meet at the conservancy from 8:30 to 3:30, with a 45 minute lunch break. Bring a bag lunch and beverages will be provided.

When you mix children and nature, exciting and wonderful things happen, especially in a conservancy. You may be just the person to start a child on a lifetime journey of growing, cherishing and learning about the

wild world around us.

Are you a person who cares about the future of our land and its wild treasures? One who cares about children and wants to make a difference in a young life? Call West Bend Park, Recreation and Forestry Department for more information about Lac Lawrann Conservancy's education programs at 335-5080.

### IN MEMORY

In memory of JENNY SCHULZ, who passed away two years ago on Aug. 22, 1994.

She left us quickly her thoughts unknown, And she left us a memory we are proud to own. Many times we've needed you, many times we've cried.

If our love could have saved you, you never would have died.

A silent wish that she was here, others are taken, yes we know,

But she was ours and we loved her so.

Her smiling way and pleasant face are a pleasure to recall,

She had a kindly word for each and died loved by all.

You wished no one a last farewell, nor even said good bye,

You were gone before we knew it.

No one can fill your vacant place.

To us who loved her, she was our world.

*Sadly missed by uncle Donald, aunt Mary Ellen, Mike, Julie & Dan.*

### IN MEMORY

In memory of ARNOLD SCHMIDT, who passed away two years ago, Aug. 16, 1994:

Gone is the soul that we have loved --

A father, grandfather, loved by all

Who, from his duties, did not shirk,

But on and on he forged ahead

Until his work on earth was done

And now he sits among the blest

Beside the Christ -- the Father's Son.

But you did not go alone

For part of us went with you

That day God called you home.

Only a cluster of memories

Sprayed with a million tears

Wishing God had shared you.

For many more happy years.

*Sadly missed by wife Eleanore and family.*

racing when he was only 14, competing in go-karts and road races until this season. Team sponsor Target took a chance on him by allowing team owner Chip Ganassi to hire him as a newcomer. Zanardi welcomed the chance to express his views during the press conference following qualifying.

"Last year, I was a nobody to IndyCar sitting at home watching the races on TV. I am happy to be having this kind of a season. Now I sit here the winner of another pole. Michael Andretti is a racing legend and Gil de Ferran is another tough competitor."

The World Challenge and Trans-Am races were held on Saturday to fill the day with activities. In the World Challenge race there was lots of excitement with 64 cars trying to win in 22 laps. There were a few cars bumping into each other and a couple that ended up off the track.

The Saleen/Allen "RRR" team returned this year with drivers including Steve Saleen, Tim Allen and Rob Rizzo. Saleen finished third in the Sports 2 class following first place Andy Pilgrim (Rohr Engineering) and Shane Lewis (Mosler Automotive Intruder). Team member Rob Rizzo placed eighth and Tim Allen finished in tenth.

In other World Challenge finishes, Greg Theis, driving a Eagle Talon, finished first in the Touring One Class. The Touring Two Class Championship went to Michael Galati of Olmstead Township, Ohio, driving a Honda Prelude.

The Saleen/Allen team drew attention all weekend. In the paddock area they had a tent with the cars and all of their equipment as well as another area set up with a cafe for guests.

Talking about Wisconsin, Tim says, "I like it here. People are down to earth and run around in their tennis shoes. That's my kind of people."

Tim spent much of his free-time signing autographs, getting ready for his big race and cheering on his friend Michael Andretti.

In the Trans-Am Classic race, Tom Kendall was waved by teammate Boris Said III on lap 12 of the 25 lap race. Boris stayed behind protecting Kendall from

Dorsey Schroeder.

It is the second time Said has moved aside to allow Kendall to win. In the race last week at Watkins Glen, New York, he helped out his teammate in the last lap. Said is not in the running for points, but Kendalls' win at Elkhart moved him up to 324-322 over Schroeder with only two races to go.

Kendall finished 0.538 of a second ahead of Said, while Schroeder struggled with a series of short stretches of green flag racing, finishing four seconds behind them in third.

The race contained three full-course caution periods in the 25 laps on Road America's four-mile, 11-turn circuit.

Sunday was the big day, the Texaco/Havoline 200. Traffic was backed up for miles. There were people everywhere, with cars parked all over. The weather was a little cooler and very comfortable. In the morning there was IndyCar practice. The pre-race activities included the singing of the National Anthem, a prayer and the official introduction of the drivers with Governor Tommy Thompson on hand to share in the festivities.

The official, "Start your engines," was announced and the races were off to a good start. Although they made it to the green flag bumping, the crashes started soon after.

Pole sitter Alex Zanardi bumped Gil de Ferran, sending him into the gravel. It didn't look bad, but de Ferran was finished for the day. Christian Fittipaldi tried to avoid it, swerving, and managed to keep control and take the lead. Eight laps later, Paul Tracy spun out, and he also managed to stay in the race.

Six laps after that, Greg Moore bumped Andre Ribeiro. Moore slid on two wheels, hit the wall, did a wheelie and skidded into the gravel. On the same lap, Davey Jones lost control and flipped over.

On lap 18, Ribeiro bumped Mark Blundell. Mauricio Gugelman tried to get by, but Ribeiro also tapped him. Gugelman smacked Blundell, who hit the wall, and both Pac West drivers were finished for the day.

Seventeen laps later, Christian Fittipaldi and Michael Andretti were

trying to exit the pits. Out of the corner of his eye, Andretti saw Jimmy Vassar, who clipped him, sending Andretti into a fishtail spin. Andretti used his skills as an experienced driver and managed to keep the car under control. All three drivers continued on to race.

Adrian Fernandez braked too hard, sending his car into the gravel and Robby Gordon suffered electrical problems, sending him to shower early. Tempers began to flare among drivers.

While in second place behind Al Unser Jr., Fittipaldi developed engine problems, finishing his chances of completing the race.

In the white flag lap, Parker Johnstone bumped Paul Tracy. Johnstone was sent onto the gravel where he flipped the car over twice. He was shaken, but not hurt.

Two turns from the end of the race, Little Al blew the engine, allowing Michael Andretti to take the lead to win his 34th career IndyCar victory, his fourth win of the year.

It has been a good year for Andretti, who won the race at Detroit (in sponsor Kmart's hometown), the previous race, the Milwaukee Mile on June 2 (promoted by team owner Carl Haas) and the Nazareth, Pennsylvania race on April 28 (Michael's hometown). This win had special meaning to it as well. Andretti's other sponsor is Texaco/Havoline.

This year, a new tradition has been started for the Texaco/Havoline 200. The winner was presented with a "Take It to the Star" Champion's Ring, created for the winner by Husar's House of Fine Diamonds in West Bend.

The ring is crafted in 14-carat gold, with the Texaco Star logo, surrounded by 14 ideal cut diamonds and the name of the event. On the side is the pantographed Road America logo and there is a place for the name of the event and the winner. It seemed only fitting that Michael Andretti added this special meaning win to his ever-growing list of accomplishments.

The largest planet in our solar system, Jupiter, has a mass that is 317 times that of the earth.

## EWSCA NEWS

by Jeff Pederson

(PLYMOUTH,WI) Randy Butler of Juneau passed defending track champion K.J. Skelton of Cascade four laps from the finish of the 30 lap Eastern Wisconsin Stock Car Association Modified main event en route to his first feature victory since the 1992 season Saturday night at Sheboygan County Fair Park.

Polesitter Danny Cain of Kewaskum jumped into the lead on the drop of the green flag. Cain controlled the top spot until lap 8 when Skelton rode the high groove into third place from his fourth row starting slot. The tenth year racer bolted around Cain and second row starter Ken Jay Fiedler of Sheboygan Falls to take the lead on lap 9 with a thrilling move exiting turn four.

By the mid-way point of the event, Skelton had built up a half-lap advantage over the rest of the field. When Skelton began to encounter heavy lapped traffic on lap 20, Butler moved up from the tenth starting spot to challenge for the lead.

On lap 26, Butler used the low groove to slip underneath the rim riding Skelton entering turn three. The only red flag of the race flew on lap 28 when West Bend's Jay Schneider lost a drive shaft. Following the restart, the 11th year Modified driver worked the low line over the final two circuits to record his first feature triumph of the season.

The victory also snapped a four year winless streak in EWSCA Modified competition for the former Sprint Car racer. Skelton finished second, Fiedler was third, 1994 track champion and current point leader Pete Ostrowski of Milwaukee charged up from the seventh row to take fourth and Jim DePagter of Sheboygan Falls came home fifth.

Cedar Grove's Brian Schmidt led every lap of the 25 lap Sportsman main event on the way to his first career feature victory.

Schmidt powered into the lead on the opening lap from his outside front row starting spot. The second year driver then proceeded to open up a 10 car length lead over polesitter John Scharenbroch of Sheboygan Falls.

The first red flag of the event appeared on lap 4 when Jeff Fechter of West Bend stalled his machine in turn two. Another red flag flew one lap later for a single car spin in turn three involving Mark Zimmermann of Kohler.

A four car incident on the restart forced the race to be halted for the third time. Sheboygan rookie Roy Dahmer, 1993 track champion and current co-point leader Randy Markwardt of Sheboygan, rookie Jeremy Becker of Kiel and fast qualifier Dave Jessen of Fredonia were involved in the accident. Markwardt, Becker and Jessen were

able to return to the race.

After another red flag on lap 8, Schmidt continued to hold off the heated challenges of Sheboygan's Keith Borth, Dan Dippel of Plymouth and current co-point leader Steve Hoffmann of Plymouth, who started thirteenth.

Schmidt drove the inside lane to perfection over the final laps of the event to post his initial Sportsman feature win. The victory made Schmidt the eleventh different Sportsman feature winner in eleven weeks of racing. Borth was second, Hoffmann finished third, Dippel was fourth and Scharenbroch placed fifth.

Greenleaf driver Dave Horneck captured his first victory of the season in the 20 lap Hobby Stock feature race.

Horneck started on the pole and outdueled fellow front row starter Paul Dirks of Plymouth to take the lead in turn one of the opening circuit. The lone red flag came out on lap 2 when rookie Dave Theobald of Sheboygan Falls and Campbellsport's Rick Thompson made contact in turn two.

When the race returned to green flag action, Horneck moved out to a comfortable advantage over second row starter Mark Brass of Sheboygan. Horneck fended off all challengers over the final 18 laps to become the ninth different Hobby Stock driver to win a feature race this season.

Brass wound up second, Kevin Kenealy of Hubertus placed third, Paul Dirks finished fourth and Sheboygan's Mike Anderson maneuvered up from the sixth row to take fifth.

Chuck Melis of Plymouth won the 15 lap Modified B semi-feature. George Coen of St. Francis drove Brad Swendrowski's car to victory in the 10 lap modified C semi-feature. Kiel's Billy Kreutz captured the 5 lap Modified dash. Tim Carman of Sheboygan collected the victory in the 15 lap Sportsman semi-feature. Elkhart Lake's Jerry Gilson won the 15 lap Hobby Stock semi-feature while Sheboygan's Scott Schlafke was victorious in the 10 lap Hobby Stock consolation race.

Veteran Modified driver Fred Clatt of Sheboygan Falls flipped hard during heat race action. He was not seriously injured.

## Awarded Eagle Scout

Matt Schoofs

Waupaca Boy Scout Troop 643 held a Boy Scout Court of Honor on Friday, August 16, at Hartman Creek State Park, Waupaca, to present the Eagle Scout award to Matt Schoofs, son of Jerry and Nancy Schoofs, Waupaca, and grandson of Francis and Bernice Schoofs, Kewaskum.

Matt Schoofs joined Cub Scout Pack 206, Park View, IA in 1986. As a Cub Scout, he earned the Bobcat, Wolf, and Bear ranks. As a Webelo Scout he earned the Webelo badge and the Arrow of Light, the highest award of Cub Scouting and also earned the Parvuli Dei Religious Medal.

In 1990, he joined the Iowa Council's Boy Scout Troop 203, Long Grove,

IA, where Matt earned the Eagle Scout award and Second Class. In 1992 he transferred to the Bay Lakes Council's Boy Scout Troop 643, Waupaca; earning the First Class, Star and Life ranks. Matt has earned 23 Merit Badges; Safety, Citizenship in the World, Aviation, Communi-

cations, Firemanship, Citizenship in the Community, Music, Citizenship in the Nation, First Aid, Rifle Shooting, Swimming, Canoeing, Wilderness Survival, Energy, Cooking, Environmental Science, Emergency Preparedness, Personal Management, Pioneering, Leatherworking, Camping, Family Life, and Cinematography. Service and leadership are also developed through Boy Scouting. Service hours and a leadership position are required for each rank advancement. Matt served his patrol as Patrol Leader and his Troop as Librarian, Scribe, Historian, Troop Guide, and Assistant Senior Patrol Leader.

The biggest test for an Eagle candidate, however, is the Eagle Service Project. The Scout must develop a project which will be of service to the community, a religious group, or a school. He must then provide the leadership to carry the project to completion. Matt's project, under the supervision of project leader Susan Davenport, was to help design, plan, and coordinate the landscaping around the two signs which flank the entrance to the Chain O' Lakes

Elementary School in Waupaca.

The Eagle Scout Award is the highest and most coveted rank in Boy Scouting; the last major step in the advancement program. Fewer than two percent of all Boy Scouts in the United States reach the Eagle Scout rank.

Matt is a member of the Waupaca High school class of 1997 where he is active in band, Pep Band, school plays, Spanish Club and Yearbook. He is employed by Ding's Dock of Waupaca as a launch driver. Upon graduation from high school, Matt plans on attending the Milwaukee School of Engineering, pursuing a degree in Computer Engineering.

The real name of the painting known as the Mona Lisa is really La Gioconda. It is the portrait of a middle class Florentine woman.

# Kewaskum FFA Results at County Fair

Becky Guelig of the Kewaskum FFA brought home the Reserve Champion Market Hog trophy. Becky's hog was purchased by Sprite for \$3.25 per pound. The Champion Hog was exhibited by fellow FFA member Sean Parish, which was purchased by Supersaver for \$6.75 per pound.

Tending to their beef projects are Kewaskum FFA members, Brad Oelhafen, left, and Jeremy Hawig, right. The beef exhibitors received third place for their decorations and herdsmanhip, based on keeping the animals clean and presenting a neat, attractive display.

Jason Enright washes one of his dairy steers in preparation for the steer show. Jason received the Home Bred and Raised Reserve Champion award for his dairy steer, which was purchased by West Bend Elevator for \$3.00 per pound.

Sean Parish is shown with his Champion Market Hog purchased by Supersaver for \$6.75 per pound.

Various members of the Kewaskum FFA exhibited projects at the Washington County Fair this year. The meat animal projects and results were:

### Flag Football Begins 8th Season

The Kewaskum Youth Athletic Association will be once again sponsoring for the 8th year, flag football for Kewaskum's area youth.

If you are in the 6th, 7th, or 8th grades you are eligible to play.

Sign up sheets will be available at Kewaskum Middle School, Holy Trinity and at St. Lucas on the first day of school.

Anyone interested must attend a required organizational meeting on August 29th at 6:30 behind the elementary school on the old football field. This meeting is to select teams and the coaches set practice schedules. Please attend.

A \$5 sign up fee is required and all proceeds go to supporting youth programs.

The Kewaskum Youth

Athletic Association will be looking for volunteers to work the concession stand, referee, help coach, and even run the down markers. We need these volunteers to help continue to make this program grow and to be successful.

Any questions please contact Dean Scheel at 414-626-4600.

See everyone on August 29th.
