## Four Injured in Hwy. 45 Crash

(Statesman photo: Andrew R. Kuehl)

Four people were injured in a two-car head-on collision around 1:30 p.m. Saturday afternoon on Highway 45, just south of County Trunk H East.

Michael Gragg, 35, and his passenger, Karen Follansbee-Gragg, 34, both of Mukwonago, were traveling northbound on Highway 45, when a southbound car driven by

John Wright, 21, of Milwaukee, for some unknown reason, crossed the centerline.

Gragg swerved to avoid hitting the oncoming vehicle, however, the two cars collided headon.

Two Kewaskum Rescue Units and their Jaws of Life responded to the accident, and were assisted by a third ambulance from the city of West

Bend.

Wright, and the passenger in his car, Lamont Wallace, 34, also of Milwaukee, were treated and released from St. Joseph's Hospital in West Bend.

Michael Gragg was listed in serious condition at St. Joseph's on Monday, while Karen Follansbee-Gragg was in stable condition.

## Nighttime Trick or Treat is Back! New Hours Will Accommodate Both Preferences

By Lana Harbeck Kuehl

Packer fans in attendance at Monday evening's Village Board meeting addressed issues and answered questions as briefly and quickly as possible. The pace slowed considerably though, as discussion on changing the annual Trick or Treat hours back to evenings was introduced.

Police Chief Richard Knoebel opened the discussion on the issue by asking the Board what hours they wanted to set aside as Trick or Treat time in the Village.

President Robert Wagner stated he was one of the proponents of moving Trick or Treat back to the old tradition of nighttime

hours.

Knoebel stated Jackson was the only area community who still held nighttime Trick or Treat, adding his major concern was all the additional traffic there was now moving throughout the community. He stated, "When you talk about going back to tradition, well actually, most of these kids now, their tradition is having Trick or Treat during the daytime."

Knoebel added, "In my opinion, the safest time is Sunday afternoon."

President Wagner reiterated his position, remarking he has had many phone calls from adults who were "whole-

heartedly in favor of it (nighttime hours)." Wagner added, even though he was also concerned about the safety factor, he didn't feel the traffic was a problem, especially with the obvious presence of auxiliary police on duty.

Wagner stated, "I would like a little bit of nostalgia to bring some fun back into Trick or Treating for the kids as well as the adults. I know a lot of adults who like to have fun with it."

Wagner also stated he was aware most parents still chaperone their children's Trick or Treating time and hoped the nighttime hours could be

(Continued on Page 2)

## Theusch Defeats Grover In County Sheriff Race

In a tight race for Washington County Sheriff, Capt. Jack Theusch of the Town of Farmington, defeated Sgt. James Grover of the Town of Addison by 660 votes during the Fall Partisan Primary Election on Tuesday.

Both candidates were running on the Republican ballot, which means Theusch will be the sole candidate listed on the ballot in November.

In the Village, where 591 votes were cast, Theusch, a native of the area, garnered a large majority of the votes,

receiving 403 to Grover's 154.

The only other contest for a county office was that for Clerk of Circuit Courts where county winner Kristine Deiss received 299 votes in the village as opposed to 83 cast for Bonnie Schmidt and 93 cast for Mary Schuette.

In the District 20 State Senate contest, Mary E. Panzer handily defeated challenger Paul W. Klahn. In the village of Kewaskum, Panzer received 347 votes with Klahn garnering 155.

## Kettle Kountry Kolors Returns October 12, 13

By Louise Martin

The rich hues of autumn, reflecting on the lazy Milwaukee River, is the setting for the fall family fun festival, Kewaskum's Kettle Kountry Kolors, making it's seventh annual appearance on Saturday and Sunday, October 12 and 13 at River Hill Park in Kewaskum.

This fall event is made possible by Kewaskum Area Chamber of Commerce members who have been diligently working to provide another outstanding weekend here in the Kettle Moraine. This year's festival has many popular returning attractions plus a host of new activities all offered at no charge... a gift to the Kewaskum community from the local Chamber of Commerce.

Making a return along the banks of the Milwaukee River will be the camps and lodges occupied by the ever popular Buckskinners. At this teaching encampment, members will will-

ingly explain to you the "tricks of the trade," during "Bucksinner times." Cheer at the "hawk throwing contest," marvel at the expert whip demonstration, enjoy the sights and sounds of the era a long time ago.

Children will find lots of fun things to see and do. A children's activity tent will feature Scott Sled kite making, K'Nex for Kids, ethnic workshops and fun with flowers.

Dazzling magic and professional ventriloquism by Bruce Dicker will fascinate many with shows scheduled at 1:15 p.m. both days. Clowns, roving mimes and balloons will mingle among the sights on the festival grounds.

Ethnic dance troupes, hay rides, pony carriage

(Continued on Page 10)

### WEEKS WIT

A bore is a fellow who opens his mouth and puts his fetes in it.

## Dr. Brown Joins Family Practitioners at Clinic

Dr. David Brown

KEWASKUM - To keep pace with Kewaskum's growing health care needs, the West Bend Clinic - Kewaskum announced the addition of Family Practitioner Dr. David F. Brown to its staff in July.

"In addition to his strength as a Family Practitioner, Dr. Brown's special interests in sports medicine and emergency medicine make him quite an asset for Kewaskum," explained Bruce Steinhardt, West Bend Clinic Administrator. "Not many communities of this size have access to the specialized care Dr. Brown is trained for and

able to provide."

Dr. Brown, who earned his undergraduate degree at UW-Madison, completed his medical education at the Medical College of Wisconsin, Milwaukee. His family practice residency was in Galveston, Texas.

Now a resident of Washington County, Dr. Brown grew up in Wauwatosa. He is fluent in Spanish and enjoys bicycling, running, hunting and fishing.

For more information on Dr. Brown, or the West Bend Clinic and how they are growing to meet the needs of Kewaskum and the Washington County, please call Bruce Steinhardt at 334-3451.

## Trick or Treat

(Continued from Page 1)

tried for one year and "see how it goes." He mentioned someone had suggested starting the hours at dusk.

Knoebel stressed his opinion, stating another issue he felt was a problem was that during daylight hours the kids could

more easily remember and identify where they received certain treats in the event of any candy tampering. He said, "At nighttime, it's hard for them to remember where they were or what they got."

President Wagner asked Village Administrator Dan Schmidt if he was aware of any incident, at any time, years ago, where there were problems at night regarding traffic and/or tampering. Both Schmidt and the Police Chief could not recall anything specifically, saying it had been such a long time ago, that it was difficult to remember if there had been incidents.

Trustee David Goeden added, "As a parent, I would personally take my young child out door-to-door, but there's too many eight to fourteen-year-olds out running around on roller blades, going as fast as they can from house to house, and those are the ones I would be worried about, unchaperoned. The kids that will be chaperoned, they're going to be safe, no matter what time."

Goeden added, "For my personal opinion, I would like to see it nights for my family, also," but he stated, for kids in general, chaperoned or

unchaperoned, for every age, in other aspects he was concerned.

Wagner asked Goeden if he would have a problem with trying it out for one year on an experimental basis, to which Goeden added, "and hope nothing happens?"

Wagner remarked he really didn't feel anything would happen. When another trustee asked what the reason was for wanting the change, he added it was for nostalgia and bringing the fun back into the Halloween holiday which includes the darkness lit up by jack 'o lanterns in windows, the spookiness of the dark, ghosts, goblins and everything that went along with it.

Following further discussion, Trustee Gary Gavin asked what the previous hours had been to which Chief Knoebel stated, 2 to 4 p.m. Trustee Gavin suggested somewhat of a compromise, stating he favored changing it, but rather than having it all at night, starting it at 4 p.m. where it is still somewhat light for the younger kids, but yet extending the hours to 6 p.m. when it would be relatively dark for the older kids to experience. Gavin then made a motion to that effect,

clearly stating, it would be on a one year experimental basis only.

Knoebel then added another reason for Trick or Treating during daytime was due to the fact that is when most other communities offered it, so that all areas would have it at the same time, discouraging driving between communities. He said, "This could bring in extra kids in town also. Everybody else will be done at 4 p.m."

Gavin added, "I guess we'll never know unless we try."

President Wagner stated, "Having extra kids coming to town isn't necessarily bad. We don't discourage people from coming into town for our fireworks and our other doings."

Trustee Gavin's motion to change the Trick or Treat hours to 4 to 6 p.m. on a one year trial basis, passed with one trustee voting no.

Kewaskum has taken a step towards innovation, offering Halloween Trick or Treating on Sunday, October 27 from 4 to 6 p.m.

# KEYS Scholarship Run/Walk

AND THEY'RE OFF! Runners jockey for position at the start of last year's KEYS Scholarship 5K Run/Walk. The annual Kewaskum event drew over 350 runners and walkers in 1995. This year's race will be Saturday, October 12, at 9:30 a.m. at Kewaskum's Kettle Kountry Kolors Festival in River Hill Park.

Prizes, t-shirts, and raising money for area scholarships are just a walk/run in the park -- and then throughout the streets of Kewaskum!

The third annual KEYS (Kewaskum Youth Scholarships) 5K Run/Walk is slated for Saturday, October 12 -- during Kewaskum's Kettle Kountry Kolors Family Fun Festival, at 9:30 a.m. Pre-registration materials are being accepted, now through September 20.

As in previous years, each participant will receive a unique event t-shirt, designed by Kewaskum High School art students. Medals will also be awarded to the top three male and female finishers in each age group. As an additional incentive, Ray's Shoes will provide a \$75

gift certificate to the top overall male and female finishers.

Those entrants, age 17 and under, in addition to the t-shirt, will receive coupons/certificates from Video Post (one free video rental), Video Square (one free movie/game rental), and Dairy Queen (one free Dilly Bar).

Advance registration is \$12 per person (\$36 for a family of four), and is required to ensure the availability of proper t-shirt sizes. Participants, however, can even register on race day for \$15 per person. All funds raised will go to help provide scholarship money for Kewaskum High School graduates.

Prizes will also be awarded to entrants finding sponsors for their participation. Pedal Moraine of West Bend is providing a choice of a

Dyno VFR or TREK 800 Sport Mountain Bike (retail value: \$230) to the two top dollar amounts brought in by those, age 18 or younger.

Any entrant with \$100 or more in donations will earn a Kewaskum sweatshirt, while \$50 or more will bring a gift certificate from Kewaskum Subway or Dairy Queen.

For more information on participating in the KEYS Scholarship 5K Run/Walk, contact Jerry Gosa at 626-2166 (days) or 626-8246 (evenings).

# Chamber of Commerce Holds Monthly Meeting

The regular monthly meeting of the Kewaskum Area Chamber of Commerce was held Wednesday, August 21, in the Municipal Building.

Fifteen of the current 80 members who attended included Mike and Judy Berger of Main Street Crafts; Dan Nauman of Big Horn Forge; Gwen Dreher of Doctors Inn Bed and Breakfast; Charleen Barutha of West Bend Savings Bank; Kimetha Sparks of Eccentrics by Kimetha; Bill Geidel of Sentry Foods; Lana Kuehl of the Kewaskum Statesman; Sharron Miller of Miller's Furniture; Jane Korth of Hon-E-Kor Country Club; Mike Desterhoft of Parkview General Store; John Meisser of Secretarial Office Service; Lee Kempf of LK Heating; Lisa Stockhausen of Mapledale Manor and Dan Schroeder of Video Square.

Co-Chairman of the Tourism Committee Dan Nauman reported on upcoming theme and hospitality sub-committee meetings. Dan also reminded regular committee members of the meet-

ing scheduled for September 12 at the New Fane Sportsman's Club at 7 p.m. and announced there will be another public tourism meeting which will be held at the Town of Kewaskum hall on Nov. 7.

ALL businesses and interested individuals, whether Chamber members or not, are strongly encouraged to attend this public meeting. Please mark the date on your calendar. The tourism industry brings millions of dollars into our tri-county area. If we intend to capitalize on these dollars, it is our responsibility to decide on how we must develop and nurture this fast-growing industry in the very tourist-lucrative Kettle Moraine.

Throughout the State of Wisconsin, tourist attractive areas are realizing the importance these tourist dollars have on their economy. These areas have already developed the ways and means to attract tourist dollars.

This industry is still in its infancy in this area. Yet, all area businesses are becoming more

## Chamber

(Continued from Page 3)

increasingly conscious of the tourist, their impact on our businesses and their newly-found love of the Kettle Moraine.

Please don't forget to mark November 7 on your calendar so that you can join in on the ground floor of building and developing a plan of action. We can control the growth and development of this industry according to our own specifications, but not if we choose not to become involved.

The upcoming Kettle Kountry Kolers festival was discussed and a report was given on the annual golf tournament fund raiser. A financial report will be available at the next meeting. Cash raffle tickets (which benefit Kettle Kountry Kolers) are available at most businesses throughout Kewaskum.

Two additional raffles for beautiful cocktail rings will also benefit Kettle Kountry Kolers. Show your support by purchasing a few raffle tickets for any of the raffles being offered. All the entertainment you enjoy at Kettle Kountry Kolers is funded by these raffles.

Discussion was also held on the possibility of having T-shirts printed and selling them at Kettle Kountry. If you are interested in having your business listed on these T-shirts, please contact Kimetha Sparks at Eccentrics by Kimetha.

The brochure racks were again touched on briefly and it was decided

to have a sample made to be put on display at Kettle Kountry Kolers. Each business can then sign-up to purchase one of the racks.

The New Business Welcome Committee visited B & B Promotions, Custom Woods, Auto Body Dynamics, and Balloons by Brenda. It was decided to place a welcome ad in the paper when a business joins the Chamber.

Under new business, discussion centered on the development of a Chamber mailing list by having visitors sign up at Kettle Kountry, and the cost of purchasing a calendar of events sign was additionally brought up. Prices will be looked into on a permanent sign and a moveable, changeable sign.

Members in attendance also decided to hold the Annual Kewaskum Christmas Parade on Sunday, December 8.

The possibility of selling Entertainment Books was tabled until the September 18th meeting. The idea of developing our own "Entertainment Coupon Books" featuring businesses in this area is also an option we might look into. Printing our own would enable to feature our own Chamber/

area businesses and garner a larger share of the profits.

Certification of the Chamber was brought up, along with the possibility of hiring a part-time person to handle Chamber business. Many members in attendance agreed the growing mountain of paperwork is just too much to ask a volunteer to handle.

There are also daily phone messages to return and numerous requests for information of all kinds. Tourist packets are also frequently sent out.

If you have any ideas and opinions on any of the above mentioned issues, please attend the next meeting Wednesday, Sept. 18, at 7 p.m. in the Community Room of the Municipal Building. Important decisions regarding YOUR business should be made by a MAJORITY of Chamber members, not just a handful. If you are interested in joining the Chamber, stop in and get a taste of all the exciting new things we are becoming involved in.

It's YOUR business... YOUR community... shouldn't YOU find out what's being done to promote it?

## Students Planning Trip To Washington D.C.

The school year has just begun but some Kewaskum students are already planning for summer vacation, 1997. Not merely thinking about it, but literally planning for it.

Those students are part of a tour group of sixth, seventh and eighth graders that will be beginning their '97 summer vacation with a trip to Washington D.C. The trip is an opportunity for any student in the Kewaskum area to travel to, and learn about, our nation's capital.

This trip, with its focus for middle level students, is intended to promote patriotism, instill a sense of ancestral pride, increase awareness of the responsibilities and duties of American citizens, and do all that in an enjoyable way.

The itinerary will include a tour of Mount Vernon; Old Town Alexandria; the White House; Capitol Hill; the Jefferson, Lincoln, Iwo Jima and Vietnam Veterans Memorials; Arlington National Cemetery; and

the Smithsonian Museums Complex.

The trip is being planned for June 13 through June 15, 1997 (three days and two nights). The cost of the trip, based on four persons per room, includes round-trip air fare, ALL meals, quality lodging, evening activities, nighttime security, ALL admission fees, sightseeing with professional guides and comprehensive insurance. Adult supervision will be provided at a ratio of 1:15.

This is not a school sponsored trip and therefore is open to students attending Kewaskum Middle School, St. Lucas, Holy Trinity and any area school. The deadline for registration is September 26, 1996. A registration fee of \$150 is also due at that time with the final payment for the trip not due until about April 13, 1997.

To ask questions or to obtain an information packet with the registration form, please call Erv Uhlman, trip organizer and head chaperone at 626-4497.

## Martins Celebrate Golden Anniversary

Bill and Dorothy Martin

Bill and Dorothy Martin of Kewaskum celebrated their 50th wedding anniversary on Labor Day, September 2, with a family dinner and dance at the Knights of Columbus Hall, West Bend. A private Mass on the original day of their wedding, September 3,

### Thank You

We would like to express our sincere thanks and appreciation to relatives, friends and neighbors for your prayers, memorials, flowers, food, cards and many acts of kindness during the recent death of my husband, our father, son and brother, WILLIAM PROST.

Special thanks to Kettle Moraine Oncology, St. Joseph's Hospital, Miller Funeral Home, Kewaskum American Legion, the organist, pallbearers, the ladies of Immanuel Lutheran Church who served food, and our employers for their understanding of time missed. Deepest appreciation to Pastor Robinson for his comforting visits and sermon.

We will always remember the thoughtfulness shown by everyone at this time and throughout Bill's eight month cancer battle.

### ABC SKAT RESULTS

The winner at skat played by the ABC Senior Citizens at Beechwood Hall on Tuesday, Sept. 3rd were: Francis Gilboy, 18-1--17 net; Ralph Laux, 16-3--13 net; Elroy Egerer, Club solo vs 4.

was also observed.

Bill and the former Dorothy Thom were married at St. Mary's Catholic Church, Tomah, on September 3, 1946, by the late Rev. John Brudermann.

Bill was clerk-treasurer for the Village of Kewaskum for 33 years, retiring in 1983. Dorothy was an accountant for Lay Lumber Company, R. Charles Weier, Conley Business Service, Badger Packaging Corp. and her own sewing business.

## Graduates of Moraine Park

The following students recently graduated from Moraine Park Technical College: Administrative Assistant - Secretarial program, West Bend campus -- Shannon K. Gurrath, W822 Birchwood Lane, Campbellsport, received an associate degree with honors.

Child Care Associate program, Fond du Lac Campus -- Terry Lynn Roe, 4660 Hwy. 28 West, Kewaskum, received an associate degree.

Child Care Services program, Fond du Lac

campus -- Heather Ann Koch, 1338 Midland Avenue, P.O. Box 571, Kewaskum, received a diploma.

Electrical Power Distribution program, West Bend campus -- David James Rahlf, 1829 Valley Vista Trail, Kewaskum, received a diploma.

Emergency Medical Technician - Basic program, West Bend campus -- Franklin Joseph Simonson, 246 Braatz Drive, Kewaskum, received a diploma, and Peter Edward Dickmann, 1233 Roseland Drive, Kewaskum, received a diploma with high honors.

## Booster Club To Welcome New Members

The Kewaskum Booster Club would like to invite any interested parent to attend the New Member Social on Monday, Sept. 16 at 6:30 p.m. in the KHS cafeteria.

Come find out what this great organization is all about! Refreshments will be served. The regular monthly meeting of the Booster Club will immediately follow the social. Hope to see you there.

## Downpour on Sunday Produces Flash Flooding

Over two inches of rain that seemed to come down in sheets brought minor flash flooding to some of the village's trouble spots and brought the festivities at the annual Turkey Shoot and Early Farm Days to an abrupt halt at mid-afternoon on Sunday. Above traffic moved slowly on the north side of Main Street across from Rookies and the Grand Larsony, where the small car pictured on the left had the water climb almost as high as the bumper. Below, neighborhood youth and their dog go for a quick dip in the streets in front of the James Backhaus residence on the corner of Third Street and Bilgo Lane.

## Break in School's Main Sewer Line Results in Lift Station Shut Down

by Sharon Callaway Roznik

The first weeks of the new school year ran smoothly for Kewaskum's school district, despite a temporary set back this past Monday involving the sewage system.

According to business manager George Allmann, a main sewer line between the high school and the middle school broke, resulting in the shut down of a lift station. Both pumps apparently burnt out after gravel entered the system, and Superintendent Dr. Charles Johnson told school board members at Monday night's meeting, that the seriousness of the situation

could have warranted closing school if repairs could not take place quickly enough.

Thanks to the work of administration and maintenance crews, a temporary sewage/septic tank was brought in and set up, while the failed pumps were removed from underground. Two new lift stations arrived from Chicago on Tuesday.

The district reports that the situation will be temporarily repaired by Friday, and the ongoing work will not affect the students or the school week. The cause of the problem has not yet been identified.

# Women's Club Elects Officers Legion Honors 50-Year Members

(Statesman photo: Andrew R. Kuehl)

The GFWC Kewaskum Women's Club held their fall luncheon tea on Thursday, September 5, at The Doctors Inn Bed and Breakfast in Kewaskum.

The new officers shown, above, left to right include: President Gwendolyn Dreher; Sec-

ond Vice President Rita Etta; First Vice President Jeanne Moe; Treasurer Cheryl Ammel, and Secretary Martha Stoffel (seated). Missing from the photo was Member-at-Large Jeanne Goeden.

After a lovely afternoon patio meeting was held, a delicious luncheon

was served by the officers.

Committees will begin another year of volunteer programs for the community. If you missed this opportunity, the next meeting will be held on Thursday, October 24 at 7 p.m. in the Community Room.

The Robert G. Romaine American Legion Post #384 recently held their annual dinner at Hon-E-Kor Country Club, Kewaskum, to honor their new fifty-year club members. Left to right are Past Post Commander Tom Tessar and fifty-year club members Darwin "Darky" Bruessel, Clayton Stautz, Donald Koerble, Homer Schaub, Wilber Steinbeck and Elmer Hallen.

# Faith Haven Sculpture Garden Offers Drive-Thru Viewing

By Sharon Callaway Roznik

Drivers out for a leisurely Sunday cruise are in for a surprise if they happen to pass Faith Haven's new drive thru Sculpture Garden, located on Hwy. WW, outside of Kohlsville. Some say it may be the very first of its kind in the world.

The fabricated display of spiritual symbols combines traditional thought with colorful pop

art, inspiring viewers to arrive at their own conclusions. The works are designed by Faith Haven's caretaker, with the iron work creatively formed by Feltie Herschberg of Portage, an Amish sculptor.

Futuristic in appearance, oftentimes "out of this world," these works of art redefine Christian thought with stark forms pronounced against a backdrop of ever changing Kettle Moraine land-

scape. Visitors are welcome to park their cars and walk through the garden, or hike the adjacent trails through Faith Haven's three hundred acre sanctuary that preserves the natural beauty of the surrounding area.

One of the first sculptures that meets the eye is a latticed evergreen, surrounded by plantings of wild ivy, a symbol of eternal life. Nearby, an angel welcomes visitors to the sculpture garden, beckoning the eye to Jacob's ladder, set upon a hill reserved for works attributed to memorials. There you will find young weeping mulberry and weeping willow surrounding the rise, and the ladder, designed to match the color of oak leaves that cling to the branches all winter.

A butterfly, just out of its cocoon, represents eternal joy and freedom from ensnaring sin - through death and the loss of our own earthly cocoon. Other spiritual sculptures include the bleeding tree, with chains for branches, the Jesus/Peter cross, signifying the crucifixion of Peter upside down, the double cross of Christ and the repentant sinner, and "Drink of My Cup."

In ironic contrast to classical thought, "Wind Dancer," stands out as a red, white and blue rendition of a tongue and cheek play on politicians. Perhaps most outlandish is the pop art "trash" sculpture, entitled, "Blossoms of the World." Neon colors reflect plastic flowers and ladybugs that swirl in the wind, connected with waste baskets and towering sewer pipes, it humorously portrays the artificiality of human nature.

Young, native plants and trees, including the Wisconsin cactus, have been carefully selected to thrive amidst the man made iron works, linking man and his spiritual quest to the abundant fruits of nature.

An artist's shop is also located on the premise, featuring a collection of handcrafted work by seven local artists. Open by appointment, the collection includes original folk art birds by Robert Krug, metal wire sculptures by John Spiller, goat skin bags, afghans and crocheted work, polished wood containers, quilting, and artist's prints.

Metal horse sculptures are also available for sale, and prices are kept affordable so every-

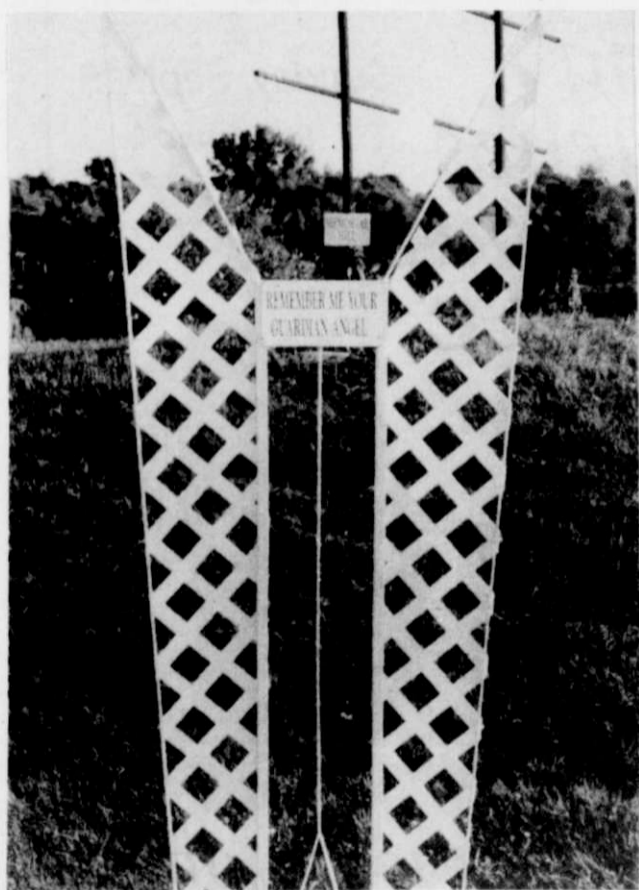

one can enjoy owning a unique work of art. To visit the shop, call 629-5435, 629-9700 or 334-2033.

Faith Haven's Sculpture Garden and Artist's

Shop is located on Hwy. WW, before Kohlsville, or right off of Hwy. 33, on the way to Allenton. Watch for drive-thru sculpture sign.

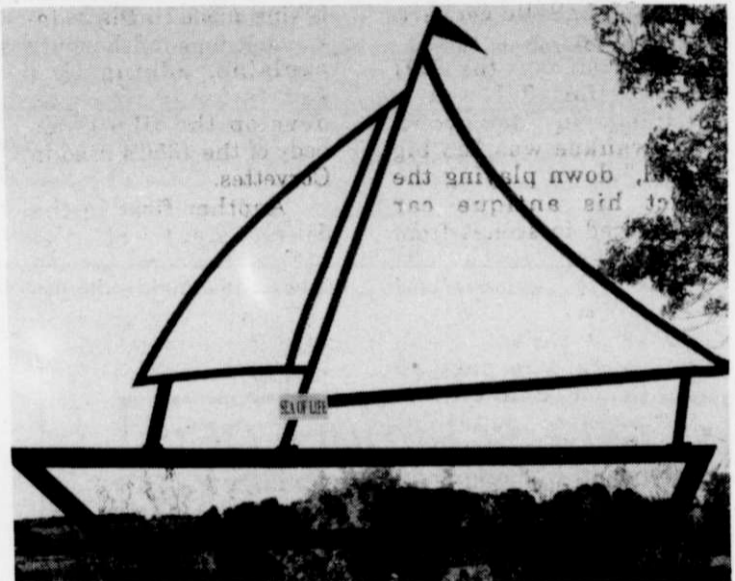

An artists' shop is open by appointment and features the work of area artists at reasonable prices.

A latticed Guardian Angel appears in the foreground, with Memorial Hill set behind; an area reserved for sculptures done in loving memory of someone special.

Faith Haven's new Drive-Thru Sculpture Garden is located on Hwy. WW, just outside of Kohlsville.

The "Sea of Life" sculpture rests atop a quiet hill surrounded by natural Wisconsin prairie.

## Antique Car Appeared in 'Dillinger'

Dennis Zefran exhibited his 1927 LaSalle Convertible Coupe at Early Farm Days this past Sunday.

By Sharon Callaway Roznik

It was Dennis Zefran's love of old cars that landed him a spot in a feature film, but not just any "old car," specifically a 1927 LaSalle convertible coupe.

Zefran says the 1991 made for TV movie filmed in downtown Milwaukee was "no big deal," down playing the fact his antique car appeared in scenes from "Dillinger," with him behind the wheel. He'd rather talk about the vehicle itself, which he's owned for the past 20 years. "I doubt that there's more than 20 in existence today," Zefran points out, who originally acquired the vehicle from the late "Friendly Bob Adams," a well known antique car dealer once located along Seven Mile Road in southern Wisconsin.

1927 marks the first year the LaSalle was made, and the first year General Motors hired a "stylist" to design a vehicle that could be priced somewhere between a Cadillac and a Buick.

Harley Earl, a Californian famed for his custom car designs, was

employed by company executive Lawrence P. Fischer (known for the Fischer car body). "He was a flamboyant young man, who wanted to see change and new ideas taking place in the automotive world," Dennis explains, adding that Earl later went on to develop the fiberglass body of the 1950's used in Corvettes.

Another first in the development of the LaSalle was the use of a new mockup technique using clay over a chicken wire frame to fashion a model of the car. Previous to this invention, mock wooden models were used, a time consuming method of making changes.

Ten thousand LaSalle's were issued the first year, and the vehicle turned out to be a popular choice, despite its high price tag. "This model, (the convertible coupe) was priced at \$2,635, and back then you could buy a brand new four door Buick for \$500, so it was five times the cost," Dennis relates.

The LaSalle continued to be produced until 1941, when Cadillac brought out the lower priced "Caddys" to replace its classic ancestor. "It really was a Cadillac, without the name, and the only time its popularity suffered was when the country hit bad times during the 30's," he remarks.

Zefran's LaSalle boasts a 303c. 1. V-8 engine, all original parts, and was completely restored when he purchased it. The only reproduction on the car is the hood, which took two years to make.

"I'd found a California company that manufactured sheet metal parts for old cars, but the company couldn't find anyone to make the die that would cut the louvers into the side of the hood," Dennis explains. A tool and die/model maker for the West Bend Company, Dennis took matters into his own hands, made the die himself, and the company completed the LaSalle's new hood.

Through records at

General Motors, Dennis found out the car left the factory July 27, 1927, destined for Milwaukee. Although he's never found out the original owner, year's later it was pulled out of storage from a Wauwatosa blacksmith shop by Wally Rank (of Rank and Sons Buick fame) and restored by Rambler dealer Jack Dietz.

Earl's original two-tone colors of dark cream and green, with the hood darker than the rest of the body, lent to the vehicle's "one of a kind" art-deco look. The windows and dash are trimmed in genuine walnut, and the interior and rumble seat are done in black leather.

Options include disc wheels, more unique to the LaSalle than the popular wire, or wooden spoke wheels of the late '20's, and the fabled LaSalle hood ornament.

"He was a French explorer who claimed the Louisiana Territory for King Louis XIV, and he was later murdered by his own men," Zefran states, relating that it follows the French theme of Cadillac, the founder of the city of Detroit.

Now back to the movie. "At the time, I was a member of the Wisconsin Regional Antique Automobile Club, and through them I found out the movie makers were looking for vintage cars dating back to the late 20's or early 30's. I sent in information about my car, and the movie was filmed down in the third ward of Milwaukee. I have a picture somewhere of Mark Harmon sitting in the

LaSalle," Zefran remarks.

The old LaSalle remains stored in a heated garage, taken out on only special occasions, like last Sunday's Early Farm Days in Kewaskum. There visitors stopped to admire the shiny machine from yesteryear, peering into the rumble seat and checking the mileage -- 32,622 original miles. "It's rather hard to drive, until you get used to it," Zefran points out to visitors. "It has a non-synchronized transmission, called a crash box transmission, and you have to time the shifting just right. Synchronized gears came in around 1929." With two spares in the back, it's ideal for a Sunday summer drive.

A member of the Cadillac and LaSalle club since 1968, he still tinkers with his car, making sure it's kept in top running condition, but he feels it's time to move on to new frontiers. "I like historical vehicles, and now I'm really interested in getting an old John Deere tractor," he declares. "I just like the way they sound."

### SHEEPSHEAD WINNERS

5 handed winners on Wednesday, Sept. 4th were: Marion Darmody, 71-9--62, 24-4--20; Delores Mielke, 62-10--52, 21-7--14; John Steger, 62-15--47, 15-8--7; Vivian Bartelt, 49-7--42, 19-4--15.

The next 5 handed will be Thursday, Sept. 12th and Wednesday, Sept. 18th at 8:00 p.m. sharp. Lunch, cash prizes. Schmitt's Never Inn.

## Kettle Kountry Kolors

(Continued from Page 1)

rides, a video game contest, and volleyball tournament are some of the activities sure to delight many. Add to those a remote control airplane demonstration, a basketball shoot out, make-it and take-it crafts, a BB gun shoot, water balloon sling shoot, and a hole-in-one golf contest.

Also scheduled are the Alaskan Malamute Club dog carts, an aerobic bi-plane demonstration and sky divers who can land on a dime.

Two popular favorites, The Wisconsin State Patrol safety equipment "buckle up" demonstration and the U.S. Reserve National Guard helicopter landing exhibit are scheduled to make another appearance at this year's Kettle Kountry Kolors.

For your listening enjoyment, the sounds of the Kewaskum High School Jazz Band, the ever popular "Avengers" band and the Mayville Steel Drum Band will be on hand.

Saturday will feature

the annual 5K Kewaskum Youth Scholarship Inc. (KEYS) walk/run beginning at 9:30 a.m. The event is open to everyone. The course winds through the Village of Kewaskum and can be completed as quickly or leisurely as one would like. It would take the average person approximately one hour to walk the course.

Sunday's festivities begin with a tasty pancake breakfast served from 8 to 11 a.m. and a church service is scheduled for 9 a.m.

Each year the ever-popular craft tent expands allowing new vendors and your familiar favorites to display their wares. This year, again the craft tent has outgrown itself and has been expanded to include two tents, one on the north end of the park and one on the south. Don't forget to visit both, as each one will contain unique crafters, some never seen in this area before. There will also be numerous vendors locat-

ed in their own setups throughout the park.

You must bring your appetite to Kettle Kountry Kolors. A large variety of new foods will be offered, along with all your traditional favorites. To even think about dieting at this point is futile, especially when you see all the fresh, homemade desserts that are being sold by the Kewaskum Women's Club.

The Kewaskum Area Chamber of Commerce, with alot of help from their friends, cordially invite you and your friends and family to come and enjoy this year's Kewaskum Kettle Kountry Kolors on Saturday and Sunday, October 12 and 13. Shuttle buses will be available and make the rounds at all parking areas, so you need not even take the car out of the garage.

Come on up to River Hill Park... we'll be waiting to see you and make sure you have a memorable time.

*The original "Pledge of Allegiance" was published in the September 8, 1892 issue of The Youth's Companion in Boston.*

## Henry Timblin Trucking, Wayne PTO Sponsoring First Graders

Henry Timblin Trucking has volunteered to sponsor the first grade class from Holy Trinity in the third annual KEYS 5K Run/Walk on Saturday, October 12, 1996. In addition, the Wayne Parent Teacher Organization has offered to sponsor the first twenty students who return their registration forms to the Wayne Elementary School office. "We greatly appreciate the support of Henry Timblin Trucking and the Wayne PTO," exclaimed Jerry Gosa, KEYS president. "It will be great to get more students involved in helping to raise money for scholarships."

Kewaskum Youth Scholarships is still in need of other local businesses, civic organizations, parent teacher organizations, etc. to volunteer to sponsor a class or classes from Kewaskum, Wayne, Farmington, Holy Trinity, or St. Lucas elementary schools. Each student would receive a KEYS 5K Run/Walk t-shirt with

their sponsors name on the sleeve of the t-shirt. The cost to each sponsor depending on the class size would range from \$125-150. If interested please contact Jerry Gosa at Kewaskum High School at 626-2166 or at 626-8246 as soon as possible. Last spring KEYS awarded eleven scholarships totaling \$30,500.

## Marriage Licenses

John T. Kallmyer, town of Kewaskum and Diane F. Zimmerman, town of Kewaskum. Wedding Aug. 31.

Joay P. Behnke, town of Forest and Thelma L. Fuentes, Kewaskum. Wedding Aug. 31.

*More than three-fourths (78 percent) of shoppers surveyed said they would be buying at least some groceries because of ads in the newspaper.*

# Obituaries

## INFANT CARLOS KRUEGER

Carlos A. Krueger, infant son of Gregg and Hilda (nee Saavedra) Krueger of Kewaskum, died Monday, September 2, 1996, at Hartford Memorial Hospital.

He was born July 8, 1996, in West Bend.

Survivors include his parents, Gregg and Hilda; maternal grandparents, Luis and Ana Saavedra of La Paz, Columbia, South America; paternal grandparents, Frank and Mary Krueger of Kewaskum; aunts; an uncle and many other relatives and friends.

He was a member of Holy Trinity Catholic Church of Kewaskum.

Funeral services were held Friday, September 6, at 10:30 a.m. at the Phillip Funeral Home, West Bend, with a Mass of the Angels at 11 a.m. at Holy Trinity Catholic Church, Kewaskum. Father John L. Brophy officiated and interment followed in the parish cemetery.

Visitation at the funeral home was Friday from 9 to 10:30 a.m.

Memorials are appreciated.

## LUDMILLA STRUEBING

Ludmilla J. Struebing, nee Mathieu of Campbellsport, died Sunday, September 8, 1996 at St. Agnes Hospital, Fond du Lac, at the age of 83.

She was born in the Town of Ashford on June 14, 1913, to the late Christ and Zita (nee Strobel) Mathieu and married Elmer Struebing on June 25, 1935, at St. Kilian Catholic Church, St. Kilian. He passed away February 25, 1985.

Together they farmed in the Town of Ashford and then in the Town of Wayne before retiring in 1977.

She was a member of St. Matthew's Catholic Church, Campbellsport, and its Christian Mothers Society, and was a volunteer in the CCD program, for the blood bank and the Loaves and Fishes program.

Survivors include a son, Maurice (Audrey) of Kewaskum; a daughter, Genevieve (Jake) Fell of West Bend; four grandchildren, Mark, Russell, Julie and Scott; a sister-in-law, Loretta Mathieu of Menomonee Falls; nieces, nephews, other relatives and friends.

Preceding her in death

were a grandson, a brother and a sister.

A Mass of Christian Burial was held Tuesday, September 10, at 8 p.m. at St. Matthew's Catholic Church in Campbellsport. Rev. Edwin Kornath officiated and entombment was Wednesday in Ledgeview Memorial Park, Fond du Lac.

Visitation was Tuesday from 4 to 7:30 p.m. at the Twohig Funeral Home, Campbellsport.

Memorials to the American Cancer Society are appreciated.

## CECIL E. SCHNEIDER

Cecil E. Schneider of the Town of Farmington, died Monday, September 2, 1996, at his residence at the age of 73.

He was born July 13, 1923, in the Town of Farmington to the late Benjamin and Cora (nee Duenkel) Schneider and married Helen Marquardt on May 10, 1952, at St. Michael's Catholic Church.

He was an avid hunter and fisherman and was employed as a tool and die maker at The West Bend Company for 32 years.

Survivors include his wife; a daughter, Linda Espitia of West Bend; three grandchildren, Chearie (William) Riebe of West Bend, Dustin (fiancee Danielle) Hahn of North Carolina and Steven Espitia of West Bend; a great-granddaughter, Jessica Riebe of West Bend; a sister, Shirley Stoffel of West Bend; a brother, Albert of King; nieces; nephews, other relatives and friends.

Preceding him in death were a brother-in-law, Ray Stoffel, and a nephew, Paul Stoffel.

Funeral services were held Friday, September 6, at 1 p.m. at the Myrhum Funeral Home, West Bend. Rev. James Strupp officiated and burial followed in Washington County Memorial Park, West Bend.

Visitation at the funeral home was on Friday from 11 a.m. until the time of services.

## MARVIN J. LEIDER

Marvin J. Leider, 65, of Campbellsport, died Wednesday, Sept. 4, 1996, at St. Agnes Hospital, Fond du Lac.

He was born in Saukville on Jan. 27, 1931, to the late George and Ida (nee Roskoph) Leider, and married

Audrey Stageman on Oct. 18, 1952, in Saukville.

They lived in Saukville for five years, and he worked at Doerr Electric in Grafton. They moved to Cameron where they operated Crossroads Truck Stop for five years and then moved to Oshkosh and operated a Mobil Station for three years. He later worked for Tecumseh Products in New Holstein for 22 years.

The couple moved to the Campbellsport area in 1966 and operated the Long Lake Drive-In and Bait Shop for a number of years. He also worked with his son in Rich's Lawn Care Services for four years.

Marvin and Audrey spent the winters in Clermont, Fla. for the last 10 years.

Marvin was a member of the Eastern Wisconsin Stock Car Association, and enjoyed boating, stock car racing at Oshkosh, Plymouth and Chilton, fishing, golfing, camping and spending time with his grandchildren. He also served in the National Guard.

Marvin will be missed by his wife; two sons, Richard (Dorothy) and Larry (Kelly), both of Campbellsport; two daughters, Susan (Terry) Leininger and Lynette (Jeff) Benike, both of Campbellsport; five grandchildren, Lisa Leider, Michael and Richard Benike, Anthony Leininger and Luke Leider; a brother, Ray of Slinger; a sister, Lenore Hoepfner of Port Washington; a sister-in-law, Edna Leider of West Bend; three brothers-in-law, Louis Lauters of Adell, Robert (Joanne) Stageman of Campbellsport and Calvin (Joan) Stageman of Minocqua, and other relatives and friends.

Preceding him in death were a grandson, Brian; a brother, Bill Sr.; and a sister, Marge.

Funeral services were held Saturday, Sept. 7 at 3 p.m. at the Twohig Funeral Home, Campbellsport. Burial was in Union Cemetery, Waubeka.

Visitation at the funeral home was Saturday from 11 a.m. until the time of services.

Memorials to Camp Hope, 301 Florence Drive, Stevens Point, Wis. 54481, are appreciated.

## MARK SOMMERFELD

Mark W. Sommerfeld, West Bend, died Saturday, Sept. 7, 1996, at St. Joseph's Community Hospital, at the age of 53.

He was born Jan. 5,

1943, in Hustisford, to Kurt and Fanny (nee Saarloos) Sommerfeld, and graduated from West Bend High School in 1960.

On Oct. 19, 1963, he married June I. Weber at Immanuel United Church of Christ, West Bend. He began working at Harley Davidson in 1965, and at the time of his death was a tool and cutter grinder. Since 1984 he had owned and operated Sommerfeld's Trains and Hobbies Inc. of Butler.

Survivors include his wife; three children, Jill (friend Jeff Ryan) Sommerfeld, Jack (Tracy) and Lee Sommerfeld, all of West Bend; a step-granddaughter, Kayla Jo Ruppert; his mother, Fanny Sommerfeld of West Bend; a sister, Donna (Tom) Weidman of

Kewaskum; three brothers, Max of West Bend, Sam (Amy) of Waldo and Mike (Michelle) of Elkhorn; nieces; nephews; and other relatives and friends.

Preceding him in death was his father, Kurt in 1986.

He was a member of Immanuel UCC, West Bend.

Funeral services were held Tuesday, Sept. 10, at 8 p.m. at the Phillip Funeral Home, West Bend. Rev. James D. Eckblad officiated, and interment was at 10 a.m. Wednesday in Washington County Memorial Park, West Bend.

Visitation at the funeral home was on Tuesday from 3 p.m. until the time of services.

Memorials are appreciated.

# Farmington Elementary Celebrates 30th Birthday

Six hundred balloons poured onto the eager crowd at the end of Farmington Elementary's 30th birthday celebration.

Balloons dropped! Balloons popped! And Farmington Elementary School turned 30 years old!

In a school-wide "Birthday Bash," students, parents, faculty, and friends celebrated with cake, speeches and --thanks to "Brenda's Balloons" of Kewaskum-- an electrifying drop of 600 brightly-colored balloons from the gymnasium ceiling. The occasion marked the beginning of the thirty-first year of Farmington's community school, which opened in 1966.

District Administrator Dr. Charles Johnson and current Principal Kieth Kriewaldt shared the podium with former Farmington Principal Tom Larsen, as they spoke of the school's his-

tory, and its vision for the future.

Special guest Dan Rodenkirch, a member of the 1966 School Board (and now a Supervisor on the Washington County Board) briefly reminisced about the years prior to the school's construction. At that time, schools in Orchard Grove, Boltonville, and Fillmore each served only a few grades--students moved from school to school as they got older. The initial referendum to build the new, unified school was defeated, but the second try was successful.

"And now, here we've got this wonderful school," marvelled Mr. Rodenkirch, glancing around. "It really looks nice."

Former Principal Larsen also introduced

Fourth Grader Jon Laurenz grabs two of the 600 balloons dropped from the Farmington Elementary gymnasium ceiling during the school-wide Farmington "Birthday Bash."

some teachers from the school's first year. Present were Jean Berth (Grade 1), Beulah Leissring (Kindergarten), and Margaret O'Reilly (Grade 2). Other staff members from throughout the school's history were on hand, as well.

The day also featured the thoughts of current Farmington teacher Shary Witte, who in 1966 was a Farmington sixth grade student herself.

As her final comment, Mrs. Witte said to the students, "I hope that someday twenty years from now, it will be you standing up here--as a teacher, a principal, a cook--talking about the wonderful memories being here at Farmington Elementary School."

### XYZ CARD RESULTS

The winners at cards played by the XYZ Senior Citizens at the Municipal Building on Wednesday, Sept. 4th were: SKAT: Harold Eggert, 22-0--22 net; Ruth Egerer, 22-1--21 net; Wally Peterson, 17-6--11 net; Syl Schmidt 10-1--9 net; Frank Sell, Club solo vs 4; Melvin Moths Grand Schneider with 3.

SHEEPSHEAD: Ione Schmidt, Frances Rohlinger, Fuzzy Lehnerz and Eileen Petri.

## Bike-A-Thon Reminder

Members of the Kewaskum Junior Woman's Club invite children, students and adults to participate in a fund-raising bike-a-thon for St. Jude Children's Research Hospital on Saturday, September 14, from 9 a.m. to noon at the Kewaskum High School track for younger participants.

A road course is being developed for older participants. In case of rain, the event will be held Saturday, September 21.

St. Jude Hospital is the largest childhood cancer research center in the world. The hospital is open to children meeting medical requirements without regard to race, religion or financial status. It is a haven of healing for stricken children, a source of hope for despairing parents and a bright beacon of light shining on the darkest of medical mysteries -- illnesses that kill or cripple helpless children. It is supported primarily by fund-raising efforts, grants, insurance and investments.

Watch your Kewaskum Statesman for further details or contact Carol Sabel at 626-4659. Sponsor sheets are available from Carol. More information will also be sent home through school.

## Goeden Wins First Career Sprint Feature

(Reprinted Courtesy of Checkered Flag Racing News)

HARTFORD - Second year sprint pilot Donny Goeden won his first career sprint feature by capturing the 20-lap IRA/J & L Oil spring series headliner at Hartford Speedway.

Goeden spent the majority of the contest chasing then leader Brett Mann, however, as the duo approached the white flag, a yellow appeared as Jim Walkanoff Jr.'s

early red; amber banners flew for Darrell Dodd, Larry Hillerud and Terry Chesak; for Greg Wheeler, Tom Jewell and Scotty Neitzel, and the final for Jim Walkanoff Jr.

While several cars added fuel on the early red, Mann and a few others chose not to. As a result, that choice hurt as with the numerous yellows, those cars ran short at the end.

## Athletics Win!

The Kewaskum Athletics made their way into the Rock River Championships by defeating Hustisford on Sunday by a score of 13-10 at Hustisford.

The Athletics will now play Watertown, there, on Sunday at 1:30 p.m. A win at Watertown will bring the Athletics home to play a second game on September 22.

Fans are invited to join the fun on the bus to Watertown sponsored by Rookies Sports Bar and Grill. Call 626-3377 for more information on the bus.

mount stalled in turn one.

Unbelievably, Mann ran out of fuel during this caution period with Goeden inheriting the lead. Mann added fuel and restarted on the tail of the lead lap.

For the green/white/checkered finale, Goeden held off Al Schmidt and Kim Mock for the win. Paul Andersen and Mike Frost completed the top five.

Several incidents slowed the event. Mark Stemen and Paul Ptasinski brought out an

## Runnin' the High Groove

By Paul Kuyawa

(Reprinted Courtesy of Checkered Flag Racing News)

When a driver wins his first career sprint car A-main there are always people wondering if the driver will be able to back up that feature win with another victory. For one young racer from Kewaskum, the answer is a resounding yes! Second year sprint car pilot Donny Goeden bagged his first ever A-main in a sprint car August 30, at the Hartford, Michigan Speedway. How did Goeden back up his Hartford performance? How about a picture-perfect evening, that's right, a clean sweep!

Goeden, aboard his J & J/Gaerte, was on a mission all night. After clicking off quick time, Goeden stomped the competition in his heat race, setting the stage for an evening that most dream about, yet few accomplish.

The Mountain Dew Nationals, held at Beaver Dam Raceway, is a very big race. With the USAC midgets also racing on this evening, the crowds as well as the payday increase significantly. Goeden gave them a performance that the huge crowd will not soon forget.

Goeden made shambles of the A-main as he was out front by lap five. Donny beat the best the IRA had to offer; he had to pass all the heavy hitters. Once out front, Goeden left the other 23 cars to fight it out for second place cash. Donny took the checkers by a quarter of a lap, but he was not done entertaining us yet.

Goeden, who wears a Mighty Mouse patch on his firesuit in memory of Alan Kulwicki, did the 'Polish Victory Lap' made famous by the late Winston Cup champion. With Kulwicki being one of my heroes, to see Goeden do this tribute to Kulwicki brought a tear to my eye as well as a very big ovation from the Wisconsin crowd.

Still not done, it was a Jeff Swindell style 'wing dance' that was next for the celebrating leadfoot. He should be getting quite good at wing dancing, as he has had two straight nights to perfect his form.

Fans and competitors, if you did not have a chance to cut your way through the crowd at Goeden's trailer to congratulate him, please do so the next time you see him race. A clean sweep is an awful difficult fete to accomplish. Goeden and his entire team deserve all the praise that will be heaped upon them.

To Donny, and your entire race team, let me offer my personal congratulations to you. Your efforts on August 31, 1996, will not soon be forgotten. Great job!!

## FFA Chapter Replaces Sign

Pictured, left to right: Dan Zuehlke and Brad Oelhafen, planting flowers at the Johnson Bus garage recently.

On August 22, members of the Kewaskum FFA Chapter planted flowers and replaced the sign on the brick monument located in front of the Johnson School Bus station alongside Highway 28 east of the village.

The monument housed the outdated FFA emblem, and was replaced with the new emblem which displays the changes the FFA has undergone over the past few years.

FFA does not stand for Future Farmers of America anymore, but FFA now signifies a leadership program which encourages growing participation in areas dealing with agriculture and the environment.

Any student enrolled in agriculture/envirom-

mental courses is encouraged to join the FFA. The first meeting will be held on September 26, with open gym at 7:30 p.m. with the meeting following at 8 p.m. in the Ag room.

# Principal Shares Letter

September 3, 1996

Dear KES Parents,

This year is off to a great start. It was nice to meet a great number of you the first week of school. If we have not had a chance to meet yet, please stop in and introduce yourself. The current starting and ending time of school is working very nicely. We had to fine tune some of the procedures.

\* If you drop your children off before 8:50 a.m., please drop them off at the playground in the rear of the school. There is an adult on duty starting at 8:30 a.m. No children before this time. If you drop your children off after 8:50 a.m., you can let them off in front of the school. They can then go straight to their classroom.

\* Please watch the signs and yellow lines on the curbs. The busses need room to make the turns.

\* Some parents are asking or signaling their children to cross Reigle Drive to be picked up on the other side of the road. This is very dangerous for the children. Please pick them up on the school side only.

\* Remember to park on the north side of Third Street if you come into the building. The front of the school is for dropping off or picking up only.

The children will be having an all school assembly this week. We will talk about the rules on busses, playground and in school. We will also talk about walking home and strangers. Your children's teachers have already talked about these in their classrooms. The staff and myself would appreciate if you would talk with your children about these topics and reinforce how to handle the different situations. The safety of all the children in our school is a high priority.

I am glad that I have been given the opportunity to work with your school, your children and the KES staff. If there is anything I can do, please get in contact with me.

Sincerely,  
Kieth A. Kriewaldt  
Principal

## IN MEMORY

In loving memory of my husband our father, grandfather and great grandfather HERMAN EICHSTEADT, who passed away 10 years ago Sept 14, 1986:

We walked beside you many times in memories of the happy days we shared. We laugh aloud remembering things you said. We're touched, when we recall how much you cared. Sometimes we hear your laughter in our thoughts, and see that smile that brightened many a day.

We miss you and love you till end of time.

Wife and family

The bamboo plant can take over 10 years to flower and produce seeds naturally.

## What's New at the Public Library?

New story time groups are now forming. There will be a toddler story time on Monday mornings at 10:00 a.m., starting September 16, for children ages two and older, accompanied by an adult. We will meet weekly (in the Community Room) to share stories, finger rhymes, songs and more, for approximately 30 minutes. Come early (or stay afterwards) to visit the library and check out books. This will be a "drop-in" story time - no need to register. Just come when you can and have some fun! A sched-

ule for the rest of 1996 is available at the library. What a great introduction to the library for small children!

Preschool story time for children ages four and older will be held on Wednesdays at 1:00 p.m. in the library, starting September 11 and running until the end of the year. We will share stories, songs, rhymes, filmstrips, and even some crafts for approximately 45 minutes. Children **MUST REGISTER** for this group. A complete schedule is available in the library. Sign up today!

## Error in Bonus Permits Sent

There has been another error made in the mailing out of some of the bonus permits. Persons who purchased two permits are receiving one permit in their name and another permit in another person's name. At the present time it is not known how many have been mailed out this way, but it looks like it could be a good number of them.

We would ask that if you received someone else's permit, to please send it to the person. If you don't want to, please drop it off at a DNR office and they will mail it out. Then wait a week to ten days to see if you get yours mailed to you. If not, you will be able to get a duplicate free of charge at a Bonus Sales location.

In this area, it would be the Horicon, Plymouth or Pike Lake DNR offices. Duplicates will also be issued out of Madison by calling 608-266-8173.

Hopefully, this will be the last of the errors in an already confusing deer season. If you have any questions on this topic or any other, feel free to contact me.

## JV Football Team Beats Horicon

The Kewaskum JV football team beat Horicon last Thursday by a score of 14-12.

The Indians scored first on a six-yard touchdown run by Josh Rieder. Kewaskum's offense then stalled for the next two quarters while Horicon scored two touchdowns to take a 12-6 lead in the fourth quarter.

The Indians started their game winning drive with approximately four minutes left in the game. The game-tying touchdown came on a fourth and one play on Horicon's one yard line with one minute left in the game. Shaun Timblin had the tying touchdown. The Indians scored the winning two point conversion on a pass from Josh Gaffke to John Immel.

The win evens the J.V.'s record at 1-1 on the season. The entire defense played an excellent game and the offense moved the ball when they had to.

The next game for the J.V. team will be at Sheboygan Falls on Thursday.

## TOWN OF WAYNE Town Board Meeting

The monthly town meeting will be held at 8 p.m. Wednesday, September 18, at the Town Hall, 6030 Hwy. H.

A complete agenda can be obtained at the clerk's office the day of the meeting.

Orville Kern, Clerk

- A. Correspondence
- B. Information items

### VII Adjournment

Dated this 6th day of September, 1996

Barbara L. Wenzlaff,  
Town Clerk

## Beechwood Sr. Girls Softball Team Plays in World Tourney

The Beechwood Senior Girls softball team worked hard this past summer to raise funding for their trip to the World Tournament held in Lexington, South Carolina, the first week in August. The team took third place in the state qualifier held in Sheboygan the last weekend in June, enabling them to play in World.

There were 44 teams in South Carolina participating in the tournament. The Beechwood team played very well against tough competition. It was a double elimination tournament and the team held in there for seven innings each game, but did lose their first two games. As they stated in the opening ceremonies of the tournament, every team there is a winner or they wouldn't be there, and the Beechwood Senior team were winners there and the entire 1996 season.

Shown above, front row, left to right: Alison Heise, Angie Bindrich, Kelly Arndt, Becky Heisdorf and Tanya Krahn. Back row: Coach Larry Krahn, Misty Luedtke, Holly Cechvala, Nicky Vetter, Kris Haferman, Erin Theusch, Erin Krueger, Coach Nancy Krahn.

## Area Girls Win First Place

Kewaskum area girls, last year's champions of the West Bend Senior Division League, ended this year's season in first place with a record of nine and one. Team members include, front row, left to right: Ali Heise, Angie Bindrich, Holly Cechvala, Becky Heisdorf, and Kelly Arndt. Back row: Coach Harry Krueger, Tanya Krahn, Erin Krueger, Joanne Thull, Tiffany Laubach, Tricia Krebs, and Nicky Vetter. Missing from the photo are Erin Theusch, Kris Haferman, and Samantha Krueger. The team thanks Luedtke and Associates for this year's sponsorship.

Long ago, Indians of Central and South America made rubber waterproof shoes by spreading latex, the milky white juice of the rubber tree, on their feet and letting it dry.

## Beechwood Senior Girls Are Kettle Moraine League Champs

Beechwood and Long Lake had to play off for first place at Adell on August 11 and what a game it was.

Beechwood won the toss and being the home team definitely was a plus. In the first inning, Beechwood scored three runs with Erin Theusch's triple bringing in Kelly Arndt, Tanya Krahn and Holly Cechvala.

In the second inning, Long Lake came back with four runs. With Misty Luedtke's homerun, Beechwood tied it up.

In the third inning, Tanya Krahn got on base and scored on a long-hit homerun by Holly Cechvala, bring the score to 6-5, Beechwood.

In the fourth inning, Long Lake picked up two runs edging Beechwood, 7-6.

Beechwood added two more runs in the sixth inning when Alison Heise reached base and Misty Luedtke hammered another homerun putting Beechwood up by one

run, 8-7, but Long Lake came back in the seventh, adding two more runs.

Beechwood came up to bat. Tanya Krahn walked and Holly Cechvala slammed the ball rolling it to the fence for another

homerun. The game ended in Beechwood winning the championship, 10 to 9.

Both teams played well. Beechwood's offense was outstanding, as everyone was hitting the ball.

Thomas Kudek, owner

# Indians Defeat Horicon, 27-12

The first win for head football coach Perry Koth wasn't exactly the way he would have liked it, but nevertheless, he was happy with his squads' first W.

"I would be much happier if we hadn't had all those turnovers (five fumbles and one interception), but I am happy that we got our first win," said Koth after the game.

After a not so impressive opener the week before against a powerful Campbellsport team, the Indians were ready to play a team with less experience.

Horicon came into the contest with a four game winning streak against Kewaskum and one of the teams goals this year was to end that losing streak. Koth knew that Horicon would be well coached by Roger Meyer who was entering his fourth decade of coaching football for Horicon. But experienced coach or not, the Indians ran away with the game winning by a score of 27 to 12.

It was senior Eric Kopecky who helped lead the team to victory this week, playing both offense and defense throughout the game. After gaining 33 yards on 10 carries last week, Kopecky rushed for 262 yards on 30 carries including a 97 yard touchdown run in the fourth quarter to seal the victory.

"Eric had a great all-around game for both on offense and defense," said Koth about his senior leader. The run may be the longest touchdown run in Kewaskum histo-

ry, but there are no known records to verify it. Either way, it was still an exciting play to watch for everyone attending the game.

Kewaskum received the opening kickoff and after an exchange of punts the Indians ground game began to come alive only to lose the ball on downs. The defense forced Horicon to punt after three unsuccessful plays and the Indians took over at their own 31 yard line.

Thirteen running plays later junior Jim Kopecky took the ball around the left end, from the seven yard line, and scored Kewaskum's first touchdown of the year. Sean Cotter kicked the extra point and the Indians enjoyed their first lead of the season.

The defense, for the third consecutive time, stopped the Marshmen on three plays and this time, Kewaskum took over on their own 39 yard line. It took only nine plays this time to score, as the Indians used a mixture of passes and runs to move through the Horicon defense at will.

This time it was junior Ryan Rammer hauling in a perfectly thrown pass from Kevin Martin from the 14, for the score. Cotter added the extra point and the Indians looked like they were in control with a 14 to 0 lead, with only six minutes left in the second quarter.

But looks can be deceiving as the Marshmen, starting at their own 34, took only five plays to score as quarterback Kris

Cears connected with junior Nick Murphy for a 48-yard touchdown pass to make the score 14-6 (the kick for the extra point was no good.)

"There was a definite breakdown in our coverage," said Koth as there was not a Kewaskum defender within 15 yards of Murphy when he caught the ball. On the ensuing kickoff, Eric Kopecky tried a running catch on a short kick and fumbled it back to Horicon on the Kewaskum 32-yard line.

Seven plays later Murphy hauled in his second touchdown of the night from the six yard line to make it a two-point ball game (the kick failed for the extra point) with three minutes left in the quarter.

The Indians didn't fold their tents though, as they came right back with a 62-yard drive on eight plays as Eric Kopecky raced around the left side from the eight-yard-line with under a minute to go, to give the Indians a nine-point lead (Cotter kicked the extra point).

The third quarter was

an exchange of turnovers as Kewaskum lost two fumbles and threw one interception, while Horicon fumbled once and threw one interception.

Ryan Rammer came up with a big interception after Horicon stole the ball from Eric Kopecky and ran it down to the Kewaskum 23-yard-line. Two plays later, Rammer intercepted Cear at the five to stop what could have been a costly scoring drive for the Indians.

In the fourth quarter, the Indians fumbled two more times, giving Horicon great field position. The Marshmen moved the ball to the Kewaskum two-yard-line and had first and goal from there, but the Indian defense kept them out of the endzone for four plays and Kewaskum took over at the four. The big play was Jason Barrett's diving knock down of a pass in the endzone on third down.

After a short gain and a delay of game penalty put the ball at their own three-yard-line, Kopecky came up with the record setting run. Kopecky went through a nice hole on the right side and then cut back to his left, making two players miss him. He headed up the

sideline and the race was on as only one Horicon player had a chance to catch him, but Kopecky made a nice move at the Horicon 25 to make him miss and then took it the rest of the way in for the score.

Kewaskum had 300 yards rushing and 59 yards passing for 359 total yards of offense, compared to Horicon's 250 yards. Koth was very pleased with the way Jeff Heller, Jon Eckes, Bruce Gundrum, Tim Bunkelman, Mike Danielson and Ryan Martin have been blocking thus far this year. He also was pleased with Kopecky and Rammer's play in this game.

Kewaskum will host Sheboygan Falls on Friday at 7 p.m. to open their conference play. Falls is the preseason favorite, featuring running back David Wulff who rushed for over 1,700 yards last season and was offensive player of the year in the EWC. Falls has scored over 120 points in their first two games this year. It will be a tough way to start conference play, but Coach Koth believes that if his team can eliminate all the turnovers and mistakes, they can play with anybody.
