Highway 41 Crash Claims Seven Lives

Officials are still investigating possible causes of last Wednesday's fatal crash on Highway 41 in Washington County that claimed the lives of seven friends.

The accident made national news, when a double-bottomed semi traveling northbound on Highway 41, south of County Trunk K in the Town of Polk, went out of control on icy roads, crossed the median, striking a southbound semi.

The southbound semi crossed back into the northbound lanes, striking a passenger van, carrying nine people. A northbound straight truck then collided with the trailer of the southbound semi.

Seven of the nine van occupants were pronounced dead at the scene, and they were Jerry Zimmer, Thomas Bazinski, James Newgard and Gene Wisner, all of Waukesha, Andrew Malloy and Daniel Kuhn of Brookfield, and Thomas Inda, Menomonee Falls.

Two injured van passengers were hospitalized for treatment and they were Paul Zwirlein of Wauwatosa and Richard Bock of Pewaukee.

The driver of the northbound semi, Andre Purdy of

Milwaukee, was transported to an area hospital, as was the driver of the truck that initially struck the van, Charles Christenson of Black Creek.

The driver of the third truck, Richard Mershon, of Colgate, escaped from the accident with no injuries.

The Washington County Sheriff's Department was conducting the investigation into the accident, assisted by the Wisconsin State Patrol. Members of the National Transportation Safety Board also did an extensive investigation but will not have the results of their findings for several months.

The initial assessment indicates that slippery road conditions may have been the contributing cause of the accident.

The Washington County Sheriff's Department was assisted on the accident scene by EMS units from West Bend, Richfield, Hartford, Allenton, Burg Ambulance, and Jackson. Also assisting at the scene were Flight for Life, the Slinger police and fire departments, Department of Natural Resources and the Washington County Highway Department.

Ribbon Cutting Held for Regal Ware's Career Center

A ribbon cutting ceremony launched the opening of Regal Ware's Career Development Center last Tuesday. Cutting the ribbon, left to right, is the center's instructor Chris Neuwohner; President of Regal Ware, Inc., Jeff Reigle, and President of Local #7849 Carol Vetter. The center was developed as a resource for Regal employees who are interested in furthering their education or job skills.

Dennis Anderson Named Firefighter of the Year

1996 Firefighter of the Year, Dennis Anderson, center, with Assistant Fire Chief Mark Herriges, left, and Fire Chief Mark Groeschel, right. Story and additional photo on page four.
Louise Martin Photo

By Louise Martin

The Kewaskum Fire Department held their annual Appreciation Banquet on Saturday, February 15, at the firehouse. Keeping with the tradition, invitations were extended to current members, retired members, and their spouse or guest. Nearly 100 people attended the event.

Fire Chief Mark Groeschel welcomed everyone and briefly recapped the year with an explanation of equipment updates and purchases. Chief Groeschel announced that new fire helmets for all department members will be purchased from a substantial and generous donation received from Bill Lenz, Don Spangenberg and Fred Pieper of Shefond Oil, Inc.

The highlight of the banquet was the announcement of 14-year member Dennis Anderson being named as the 1996 Firefighter of the Year.

Assistant Fire Chief Mark Herriges shared a synopsis of Anderson's accomplishments and department contributions prior to the announcement and plaque presentation.

Since joining the department in 1982, Anderson has served on numerous committees, most recently serving on the Entertainment Committee, attended many schools, and attends meetings and training sessions regularly to improve his firefighter and Emergency

National FFA Week Feb. 15-22

Local Chapter Celebrates With Eight-Page Insert in This Issue

In honor of National FFA Week, February 15-22, the Kewaskum FFA Chapter, under the guidance of Advisor Dave Rizzard, Vo-Ag teacher and FFA President Brad Oelhafen, is sponsoring an eight-page supplement insert included with this week's issue.

The FFA officers and various other chapter representatives were instrumental in soliciting the advertising, writing captions and news, and laying out the pages of the additional eight pages. It was then brought in to the Statesman for typesetting, final page makeup and photo layout, proofing and pasteup.

This year's theme for FFA Week is "FFA... Leaders With a Vision." During FFA Week and throughout the year, our local FFA Chapter conducts activities which contributes to their school, their community and their nation. They serve in the image of past leaders whose contri-

butions made agriculture a strong and powerful segment of the national economy.

Each year FFA Week is held during the week of George Washington's birthday to recognize his leadership and commitment to American agriculture, as well as his military and patriotic contributions. The National FFA Center is located on part of Washington's Mount Vernon estate near Alexandria, Virginia.

Through their FFA experience, half a million students across the country are preparing for exciting and rewarding careers in the business, science and technology of agriculture. They are becoming the leaders and developing the vision that will guide us into the next millennium.

We join the entire community in saluting the Kewaskum FFA during this, their special week. The members of the local organization have a great deal to be proud of, as you will see as you read through their accomplishments in the insert included with this issue.

Sadie Snowball Court Announced

Left to right, seated: Queen Becca Wolf and King Glen Schnabel. First row: Bruce Gundrum, Heather Justman, Doug Fellenz, Tiffany Ramthun, Brad Oelhafen and Jamie L. Gaffke. Middle row: Joel Dzedic, Lori Berres, Kim Junk, Jeff Heller, Kathy Deshotels and Jason Barrett. Top row: Jason Bartelt, Sarah Bausch, Andrew Christophersen, Amy Barrett, Mike Bauer, Ann Bodden, Jeff Buechel and Missy Thull. The dance was held this past weekend in Rose Hall at the high school.

Campus Notes

A Kewaskum student will perform in two one-act musical comedies called, "Romance/Romance," at the University of Wisconsin-Stevens Point.

Chad Harlow, son of Joe and Judy Harlow, 1015 Hillside Drive, has the roles of Fritz and Lenny in the production.

Performances in the Fine Arts Center's Studio Theatre are at 7:30 p.m. on Thursday, Friday, and Saturday, Feb. 6, 7 and 8. Tickets are available through the Arts and Athletics Ticket Office or by calling (715) 346-4100 or 1-800-838-3378. Cost of admission is \$6 for the public and \$5 for students.

Both plays are independent of each other, yet contain complementary themes that show how people try to sustain romantic illusions by being creative with their fantasies.

The first vignette deals with the early stages of romance as two people search for true love. Set in turn-of-the-century Vienna, the play includes music and choreography modeled after compositions of the time. The second act takes place in the Hamptons, New York, in 1988. It begins as a lighthearted look at the 80's and deals with the way people strive to keep romance alive ever after an affair.

A 1993 graduate of Kewaskum High School, Harlow is a senior musical theatre major at UWSP. He has performed in several university productions, including, "City of Angels," "I Hate Hamlet," "Black Comedy," and "After Images." He has also been in productions of "Lend Me a Tenor," "The Fantasticks," and "Annie." He was nominated for the Irene Ryan Acting Scholarship for his role in "Black Comedy."

Cross and Benson Will Once Again Match Issues to Gain State Superintendent's Seat

In a repeat performance of the primary election held four years ago in 1993, voters in Tuesday's Primary Election decided to put incumbent John Benson and Hortonville English teacher Linda Cross back on the ballot to square off for the State School Superintendent's seat in April's General Election.

Benson and Cross, who finished first and second in the Primary, handily defeated the other five contenders for the seat. State Rep. Gregg Underheim (R-Oshkosh) came in third, followed by AT&T lobbyist Jim Leonhart, school administrator Tony Evers and teachers Tom Mysicka and Eugene Hem.

Undoubtedly, Cross and Benson will be "strapping on the gloves," so to speak for the rematch scheduled for April 1.

In the Village of Kewaskum, a sparse 117 voters hit the polls. Ironically, Cross and Benson wound up in a tie with each one receiving 46 votes. Third was Underheim with 11, followed by Leonhart with eight, Mysicka with three, Evers with two and Hem with just one vote.

If Kewaskum is any indication of votes to come, it looks like this will become a very close and interesting race.

Turnmeyer Awarded Ring

Scott Turnmeyer

Scott Turnmeyer of Kewaskum was awarded a President's Club Ring at the Annual Christmas Party of Kreilkamp Trucking, Inc., Allenton.

An employee is awarded a President's Club Ring after five years of service. Two diamonds are then added after each additional five years of service with the company.

West Bend Savings Bank Announces Staff Promotions

WEST BEND -- The Board of Directors for West Bend Savings Bank recently announced three staff promotions which took place during their January meeting.

Terri Bodden was named as an Assistant Secretary. Bodden currently manages the bank's supermarket branch office located in West Bend Pick 'n Save South. She joined the bank in August of 1993 when the bank launched its supermarket bank program.

Teri Otis was named Assistant Secretary. Otis currently manages the bank's supermarket branch office in Hartford Sentry Foods. She joined the bank in April of 1994 as the Assistant Manager of the West Bend W. Washington location.

Pamela Stahl was named Assistant Secretary. Stahl currently manages the bank's West Bend Downtown office. She joined the bank in June of 1992 as a mortgage processing clerk. Stahl was promoted

to branch manager of the downtown location in March of 1996.

West Bend Savings Bank is a locally owned financial institution based in West Bend with eight countywide office locations. West Bend Savings is also the only bank in Washington County with two offices that are open seven days a week.

The optimist is as often wrong as the pessimist, but he is far happier.

School Board Votes 5-2 to Approve District Boundary Change Requests

By Sharon Callaway Roznik

The approval of school district boundary changes may have set a precedence at this month's school board meeting, but after listening to parents' requests in an unusual scenario, the majority agreed it was being done for all the right reasons.

The request came from two different sets of parents that evening, one requesting their land be detached from the Kewaskum School District and attached to Random Lake's School District, and the other asking to detach from Random Lake and be included within Kewaskum's boundary limits.

Superintendent Dr. Charles Johnson told the board both parties seeking these changes must acquire approval from both the Kewaskum and Random Lake School Boards, as well as the state appeals board, who will review both petitions. "This is a difficult task for anyone to undertake," he related.

Requesting the switch to Kewaskum are Doug and Carrie Staeger, W8439 Hwy. A, Adell, located near Beechwood. The other party, wishing to connect to Random Lake, are Mark and Luan Leibham, W7093 County W, Adell, near Hwy. 28 in Batavia.

Board member Neal Weare said that no district really likes to give up any parcels of land, when you look at the dollars and cents. "My concern is that possibly a precedence could be set," he told the petitioners, opening the door for

more of these types of requests.

Johnson explained that the taxing authority is based on the number of students, which increases, in one case, when you have more students, raising the cap, but other factors do enter into it, such as losing slightly on property tax value. "The board has to consider it's affect on the taxpayers, no question about it," he stated, "but the affect on the child, good faith and the history of what the parents have brought to bare on how they have, through action, reinforced their belief in what was important in this case. These are all factors the board has to consider."

"I think this is being done for all the right reasons, and quite frankly, I'm not going to get intimidated by possibly setting a precedence," board member Larry Fechter, expressed. Fellow member John Schulte agreed, adding that the school portion of the propety tax exchange would almost be equal.

Tom Timblin examined the other side of the coin, as to where the board was going to draw the line. "What happens if we have a dozen people come next year, where do we decide yes or no?"

In both cases, the families are on the border between the Random Lake and Kewaskum school districts, with bus routes from both districts passing by their homes.

Schulte told everyone that if school choice passes within the next year, parents will be able to move

their children from one district to another, as long as there's room, and the board will not have to be concerned with setting a precedence.

The board approved granting the petition for a transfer in this stage, with a 5-2 vote, with Weare and Timblin voting no.

If you spill something in the oven while baking, sprinkle some salt over it immediately. This will make the cleaning up later much easier.

Medical Technician abilities.

In his duties as an EMT, Anderson is certified to operate the defibrillator, administer epinephrine, and in cases of need, insert the combitube. As a firefighter, Anderson is one of the department's primary pump operators.

According to Herriges, "Anderson has sacrificed many hours away from his family to fulfill his duties as a firefighter and EMT." Anderson accepted the plaque amid a standing ovation from fellow firefighters.

Recognition and a plaque was also given to retiring member, Andrew Pesch, for 23 years of meritorious service as an officer, EMT, and fellow firefighter.

Following the introduction of those in attendance and number of service years, the banquet adjourned to an evening of dancing and socializing.

The Kewaskum Fire Department and Rescue Squad serves the village of Kewaskum and surrounding area and is staffed by 42 volunteer men and women.

Red blood cells are heavier than white blood cells.

Blood Drive Coming Soon, Can You Help?

What good is a blood donor? A blood donor is good for people who go through windshields and red lights. For someone with cancer, hemophilia or anemia. Or hepatitis. Or ulcers. For people being operated on... for people who are almost out of life because they're almost out of blood.

For the little girl who doesn't know that leukemia has happened to her or why. For a little boy who needs something revved up that wound down... like energy. For people who have open heart surgery... for people feudin' and fightin'. For people burned pretty bad... for daredevils... tree climbers... for people in the wrong place at the wrong time. A blood donor is good for people who are in a lot worse shape than most people you know. For someone who needs a little of your blood... a lot.

On Wednesday, March 5, the Kewaskum Community Blood Drive will be held at the Kewaskum High School Choir Room from 1 to 6 p.m. This will be your opportunity to help others who might find themselves in need. More than 450 pints of blood are needed every day to meet the needs of patients in 29 southeastern Wisconsin hospitals. All

this blood must come from volunteer donors.

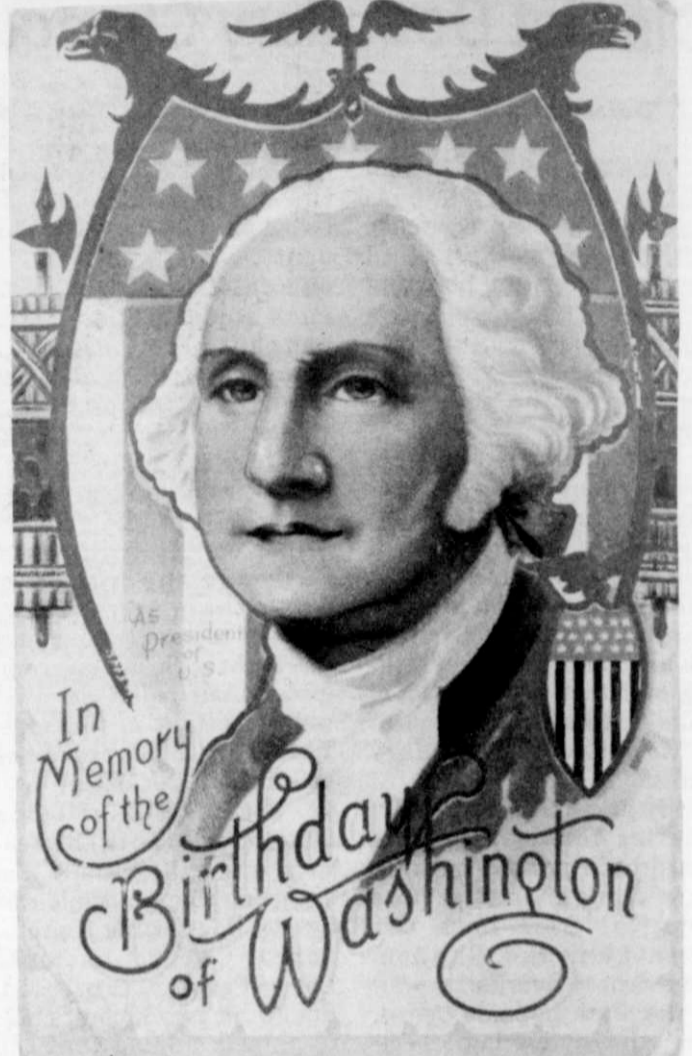

Donors must be 17 years old or older, weigh at least 110 pounds, be free of the symptoms of a cold, sore throat, flu or allergies on the day you donate and not have had hepatitis.

All donors will be asked to provide their social security number and must present some form of identification when making their blood donation. Acceptable forms of identification are a picture I.D. with a signature or blood donor I.D.

The actual donation of a pint of blood takes approximately seven minutes. Plan 20 minutes prior to the donation to give medical history and to have your temperature and blood pressure taken and 10-15 minutes after the donation for some refreshments.

Please seriously consider donating with a special appeal for first time donors. You may help as a total stranger or someone here in our community. Reserve an hour on Wednesday, March 5. Those you help will be grateful you took the time and gave such a generous gift.

Memories

In honor of the anniversary of George's birthday on Feb. 22, this antique postcard shows off a portrait of our country's first president.

Delany - Heberer

Julie Delany, daughter of Michael and Colleen Delany of Rockford, Illinois, and Bill Heberer, son of Bill and Judy Heberer of Kewaskum, announce their engagement.

Julie graduated from Boylan High School, Rockford, and the University of Wisconsin-Milwaukee. She is presently employed with Alternative

Living Services as a graphic designer.

Bill graduated from Kewaskum High School and the University of Wisconsin-Platteville. He is presently employed with Weldy/Lamont Associates as a sales manager.

An October 25th wedding will be held in Rockford.

Rider - Eisenmann

Sandy Rider and Jeff Eisenmann were united in marriage on September 1, 1996, at First United Methodist Church, Springfield, Illinois.

The soloist at the wedding was Andrew Eisenmann, cousin of the groom.

Parents of the couple are Paula and Bill Rider, of Lena, Illinois, and Rita and Ralph Eisenmann, of Kewaskum.

The bride chose her friend, Barb Notz, as her matron of honor and the bridesmaid was Jan Eisenmann, sister of the groom.

A friend of the groom, Roger Mueller, served as best man. The groomsman was Scott Rider, brother of the bride.

The flower girl was Erin Notz, a friend of the bride, and the ring bearer was Garrett Rider, a nephew of the bride.

Ushering duties were shared by Chris Henne-

mann and Dan Fleck, both friends of the couple.

The bride graduated from Mendota High School, Mendota, Illinois, in 1986. She received a masters of physical therapy degree from the University of Iowa in 1993 and is currently employed as clinical coordinator/instructor for the Physical Therapist Assistant Program at Lincoln Land Community College in Springfield.

The groom is a 1984 graduate of Kewaskum High School and received a bachelor of science degree in Electrical Engineering from the University of Wisconsin-Milwaukee in 1990. He is employed as Information Technology Coordinator at Nestle Beverage Company in Jacksonville, Illinois.

The newlyweds are residing at 3051 S. Rita Avenue, Springfield, Illinois.

Aupperle - Arendt

Patti Lynn Aupperle, Kewaskum, and Jody Christopher Arendt, Manitowoc, exchanged wedding vows during a 2 p.m. ceremony held at Sacred Heart Church on October 26, 1996. Rev. William Zimmer officiated.

The organist for the ceremony was Ann Lensmire and the soloist was Kim Hofmann.

Parents of the couple are Ronald and Darlene Aupperle, Kewaskum, and Peter and Sharon Arendt, Luxemburg.

The bride chose her sister-in-law, Jolene Aupperle, of Kewaskum, as her matron of honor. The bridesmaids were Kristen Arendt, Luxemburg, sister of the groom, Dana Dahm, Random Lake, friend of the

bride, Michelle Kinnard, Luxemburg, sister of the groom, Jen Kerley, Sturgeon Bay, and Lynn Petersen, Luxemburg, both friends of the bride.

Dan Daul, Chicago, a friend of the groom, served as best man. The groomsmen were Dennis Aupperle, Kewaskum, and Jack Aupperle, Kenosha, both brothers of the bride, Mike Kinnard, Luxemburg, brother-in-law of the groom, Tim Arendt, Columbus, Ohio, brother of the groom, and Mike Mleziva, Two Rivers, a friend of the groom.

The miniature bride was Brittany Lyn Aupperle and the miniature groom was Brandon Michael Kinnard.

Craig Nooyen, Sobieski,

Wisconsin and Todd Cheney, Luxemburg, shared ushering duties.

Following the ceremony, a reception, dinner and dance was held at the Ramada Inn in Sheboygan.

The bride is a 1991 graduate of Kewaskum High School, and a 1995 graduate of St. Norbert College. She is employed as a chemical process engineer with Ford Howard in Green Bay.

The groom graduated from Luxemburg High School in 1987, and from Marquette University in 1991. He is employed as a senior electrical engineer with Manitowoc Public Utilities.

The newlyweds spent their honeymoon in Cancun, Mexico and are now residing at 3113 Lindbergh Drive, Manitowoc.

Receive Degrees

OSHKOSH -- About 850 students received diplomas from Chancellor John E. Kerrigan at the 31st annual University of Wisconsin-Oshkosh midyear commencement held on December 14. The ceremony was held at 9:30 a.m. in the Kolf Sports Center.

Graduating students included Janel Gail Flynn, 8606 Hwy. HH, Kewaskum, who received a bachelor of science degree in Communicative Disorders; Sherry Lynn Hass, 509 Linde Lane, Kewaskum, who received a bachelor of science degree in Elementary Education; Joel Michael Fleischman, W178 Auburn Ashford Rd., Campbellsport, who received a bachelor of science degree in English; Rebecca Anne Hammes, 310 Forest St., Campbellsport, who received a bachelor of science degree in nursing; Jamie Kyle Budiac, 1355 E. Decorah Rd., West Bend, who received a bachelor of business administration degree in Marketing; Lori Lynn Dornacker, 5055 Cedarview Dr., West Bend, who received a bachelor of arts degree, cum laude, in Spanish and a bachelor of science degree, cum laude, in nursing; Tammy Jo Michaels, 7660 Trading Post Trail, West Bend, who received a bachelor of science degree in Physical Education; Jeff Sauerberg, West Bend, who received a bachelor of science degree in Education, and Stacy L. Van Eperen, 610 Wellington Dr., West Bend, who received a bachelor of science degree in Education.

residing in Mesa, AZ.

Sexton - Adamczyk

Krista Michelle Sexton and Anthony James Adamczyk were united in marriage on Saturday, December 28, 1996, at Valley Presbyterian Church in Scottsdale, AZ.

Parents of the couple are Mr. and Mrs. James Sexton and Mr. and Mrs. John Adamczyk, both of Arizona.

The couple enjoyed a honeymoon in White Plains, California. They are now

Luft - Horning

Cynthia Renee Luft and Russ Paul Horning exchanged marriage vows on Sept. 28th, 1996, at Peace United Church of Christ, Kewaskum. Rev. James Bettin was the officiant.

Parents of the couple are Janet Kirsch, Calvin and Nola Luft and Larry and the late Norma Horning.

Music was provided by Sherri McElhatton, organist-soloist and Lee Rammer, guitarist-soloist.

The bride chose Tammy Biever of Fredonia as the matron of honor. Mary Horning of Adell, Dana Dahm of Random Lake, Kim Horning of Campbellsport, Toni Weis of Kewaskum, Carol Meyer of Sheboygan Falls were bridesmaids.

The bridegroom chose James Horning of Campbellsport as his best man.

The groomsmen included

Glenn Horning of Adell, Tim Luft of Kewaskum, Mark Ringwell of Adell, Don Menzel of Kewaskum, and Kevin Meyer of Sheboygan Falls.

Shannon Meyer of Sheboygan Falls was the junior bridesmaid and Justin Luft of Campbellsport was the junior groomsman. The ring bearer was Nolan Horning of Adell.

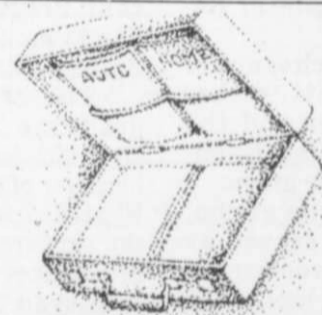

Ushering duties were shared by Wayne Luft of Fredonia and Willie Morton of Plymouth.

A dinner and dance were held at the Amerahn, Kewaskum.

Cindy is employed at Serigraph in West Bend and Russ is employed at Thomas Industries, Sheboygan.

Following a honeymoon trip to Door County the couple now resides in Campbellsport.

The first crossword puzzle was compiled by Liverpool-born Arthur Wynne and published in the weekend supplement of the New York World on Dec. 21, 1913.

Offering Adult Health Screening

The Washington County Community Health Nursing Service will offer, to residents over the age of 18, an Adult Health Screening every month in the Public Agency Center, Room 1145, 333 East Washington Street, West Bend.

The next screening scheduled is on February 27, beginning at 9 a.m. in Room 1145, first floor of the Public Agency Center.

Tests offered include cholesterol - fee \$8, blood sugar - fee \$3; hemoglobin - fee \$2, and blood pressure - no charge. Note: there is one hour fasting required for blood sugar test.

To make an appointment, call 335-4462, 644-5204, or metro 342-2929.

Young beavers are called kits or pups.

Haegler Attends Space Academy

Over the Christmas holidays, Sara Haegler, daughter of Debra Haegler of rural Campbellsport, attended Space Academy I at the U.S. Space and Rocket Center in Huntsville, Alabama.

This was a six-day intensive aerospace hands-on program that tested and enhanced science and math skills and encourage grades 6-8 to enter the science and engineering fields. Three hundred students were enrolled in the program for the week from all over the country as well as Australia, Korea and Portugal.

Sara's team received a special award for flying the best two simulated shuttle

missions and winning "Space Bowl," a Jeopardy-like game that tested their knowledge of the space program and the principles of flight and aerodynamics.

Sara plans to attend Advanced Space Academy next year, an eight-day program for grades 9-12, and to continue her studies in aerospace engineering. Sara is an eighth grade student at Waucousta Lutheran Grade School.

If anyone would like information on Space Camp, Space Academy, or Aviation Challenge, they can call 1-800-63-SPACE. Programs are available for those age seven through adult.

Strigenz Named Outstanding By National Honor Program

Michael Anthony Strigenz, MD, of Fond du Lac has been selected for inclusion in the 1996 edition of Outstanding Young Men of America (OYMA).

The OYMA program has since 1966 honored men and women between the ages of 21 and 40 who have distinguished themselves in service to their communities, professional leadership, academic achievement, business advancement, cultural accomplishments, and civic and politi-

cal participation. Nominations are received from political leaders, college and university officials, clergymen, business leaders, and civic groups and organizations.

For more information about Outstanding Young Men of America and Outstanding Young Women of America programs, phone Jim Lueck at (703) 749-0010.

He is the son of Dr. and Mrs. Anthony Strigenz of Kewaskum.

Exchange Student Jim Stern Shares News from Poland

Jim Stern

It's been quite cold in Poland this year. One of Jim's Christmas gifts from his host family was a pair of slippers as he had brought none along. No one wears shoes inside the house there. Jim assumes one of the reasons for this practice is because the ground outdoors is covered with a layer of coal ash.

Coal, which is mined in the province of Bydgoszcz, is the major heat source. However, the urban buildings are mainly heated by a central municipal hot water source, which, according to Jim, is not very efficient. I think that means he's cold! He's used to wood heat at home.

On Christmas, Jim accompanied his host father and brother to a number of churches in the city to view their manger scenes. The special Christmas meal with his host family, who manages a four star hotel and restaurant, featured carp in aspic. That isn't quite what he's used to for Christmas dinner, but he's supposed to be getting exposed to a wide variety of cultural differences.

For WBKV fans: In November when Jim returned home for his grandfather's funeral, he went to the radio station and bought a "Turdu Point Buck" tape to take along back to Poland. His English teacher asked him to write down the words to one of the songs on the tape. He left a few blanks which the class had to fill in when they listened to the tape. Jim also had to give his classmates a vocabulary list defining words like ten gauge, buck fever and Powerball.

In December, Jim relates, many of his classmates attended a presentation by the British Ambassador to Poland. The Ambassador shared that the Brits speak English; Americans speak something very similar to English! It is very true that, though we speak the same language, our terminology and degree of preciseness are frequently very dissimilar. For example, the British call a truck, a lorry; the trunk of a car, a boot; we go to the hospital, they

go to hospital.

On December 27, Jim moved to a new host family in the suburbs. This family is composed of father, who owns a bakery in Bydgoszcz, mother, a sixteen-year-old son, and a four-year-old son. Even though his family lives in the suburbs, there are still eight busses per day to the city. Bus transportation is readily available and very inexpensive in the area.

Jim likes football. One of the things he took back to Poland in November was a football as he couldn't find any in Poland. He has located a Polish student who was a Rotary ambassador to Texas last year to punt, pass and kick with.

Jim's one insistent request was that we videotape the playoff and Superbowl games for him. He directed the playoffs be taped without commercials and the Superbowl with commercials. He said he would wait until he returns home to watch the tapes. I assume he knew the Packers would be involved in all three games! Since his host family has satellite TV, he probably saw clips of at least the Super Bowl the day it was played to satisfy his curiosity about who won.

Anyone wishing more information about the Rotary Foreign Exchange Program, or who would like to write to Jim, please feel free to give me a call at 692-2586.

Darlene Stern

Pro Arte String Quartet To Perform at UW-MC

The University of Wisconsin Washington County will be hosting the Pro Arte String Quartet on Saturday, Feb. 22, at 7:30 p.m. in the University Theatre.

The Pro Arte Quartet continues to maintain an almost 85-year tradition of dedication to classical and contemporary string chamber music and incorporates the artistic skills of David Perry, violin; Suzanne Beia, violin; Sally Chisholm, viola, and Parry Karp, cello.

In addition to their residency at the University of Wisconsin-Madison where duties range from formal concerts and radio broadcasts to a variety of educational activities, the quartet tours nationally and internationally, often presenting premieres of new works,

many of which are written for the ensemble.

Founded in 1912 by violinist Alphonse Onnou, the Pro Arte Quartet became the Court Quartet to Queen Elizabeth of Belgium. Its world reputation blossomed in 1919 when the Quartet began the first of many tours and earned such acclaim that composers, notably Milhaud, Honegger and Bartok, gave the ensemble new works to introduce.

By 1926, the Quartet made its debut in New York and toured American cities. They returned for 30 tours to the United States, often under the auspices of Mrs. Elizabeth Sprague Coolidge, noted patron of chamber music.

Their first visit to

Madison was in 1938. Two years later, the musicians were stranded in the United States by the outbreak of World War II and accepted a residency at the UW-Madison, the first such residency in a major American university. Today, the Pro Arte functions as a resource for the university and the state.

Tickets for the Pro Arte String Quartet are \$6 for adults, \$4 for seniors and those under 18. Call 335-5208 for reservations.

Musicians Invited

The River City Irregulars Community Band encourages anyone who enjoys playing a musical instrument to join them as they begin rehearsals for the upcoming season. The band always welcomes new players and all instruments are needed.

Emphasizing the joy and fellowship of playing, the band marches for the Memorial Day and July Fourth parades in West Bend and participates in the Port Washington Fish Day and Sheboygan Brat Day parades.

Several outdoor concerts are also presented during the summer. Interested persons should not hesitate coming even if they haven't played in awhile.

Rehearsals are held on Thursday nights (not weekly) at Badger Middle School, 710 S. Main, at 7 p.m. The first rehearsal for the new season is on February 20, with additional rehearsals scheduled for March 13 and 27. Anyone desiring more information should call 338-8458.

Town of Farmington Begins Sesquicentennial Celebration

Letter to the Editor

To The Editor:

Left to right: Rita Eisenmann, Lisa Lickel and Ralph Eisenmann display the birthday cakes served in honor of the Town of Farmington's Sesquicentennial.

Students gather around patiently waiting for a piece of birthday cake served by Rita and Ralph Eisenmann.

By Louise Martin

Students and staff members of Farmington Elementary School celebrated a very important milestone on Tuesday, Feb. 11, 1997 -- the Town of Farmington's 150th birthday. Approximately 300 students and staff members enjoyed decorated birthday cakes and received commemorative birthday cards complete with a brief and interesting history of the township.

Three cakes decorated with symbols representative of the township were provided by the Sesquicentennial Committee.

One cake depicted raised Indian mounds at Lizard Mound County Park surrounded by corn stalks, a tribute to the Native American residents, the second portrayed a one-room schoolhouse and a red tractor representing the farming aspect of the township and the third was decorated in festive red and white

with bits of red curling ribbon circling the edges.

Town residents Ralph and Rita Eisenmann, were invited guests who served the cake.

Mr. Eisenmann's great-great-grandfather contracted 40 acres of land in the township in 1849. His great-grandfather was an apprentice blacksmith from Germany who worked for a time in Milwaukee, headed west to hunt for gold but returned to the Town of Farmington in the 1850's where he purchased land

with the intent to grow grapes. He began farming and never did raise grapes. The homestead remains in the family with the Eisenmanns residing nearby.

By an Act of the Legislature on February 11, 1947, the township was formed under the name "Clarence" which was named in honor of the son of Jonathan Danforth, the first postmaster in the township. One year later the name was changed to Farmington.

The birthday celebration

was an expansion on a historical slide presentation and talks presented in November to the students by Mrs. Hazel O'Meara, Ms. Shirley Birkholz, Mrs. Bernice Hron, Diana Susen and Lisa Lickel which introduced them to the history of the town.

Additionally, the celebration exposes the young people to the rich heritage found in the township and the preserved history natives and immigrants have left behind.

A few charming fieldstone farmhouses and barns are still standing today, some in use and others reminders of the past as well as a number of log houses scattered throughout the town.

Additional events being planned for student participation at Farmington Elementary School include a poster contest, quilt-making in art class and story-writing by third through fifth grade describing what they think it would have been like attending school 150 years ago.

A gathering open to the public is also planned on Memorial Day, May 26th, at Fillmore Turner Hall with a family picnic, softball games, stories, music, a walking parade and a cemetery program honoring the town's war dead. Bus tours of historical locations in the town is being planned for later fall.

The book, "A Walk Down Memory Lane," is a warm, delightful look at the township's rich heritage as told in interviews to Kewaskum High School Honor English students by Town of Farmington residents.

The book is available at Main Street Crafts in Kewaskum, the Kewaskum Veterinary Clinic and Marshall's Country Corner in Boltonville. All proceeds help fund the Sesquicentennial Celebration.

The next Sesquicentennial Committee meeting is scheduled for Monday, February 24, at 7 p.m. at the Farmington Elementary School. All interested people are invited to attend.

For more information or to become involved with any of the activities, please call Lisa Lickel at 692-2135.

As a parent, one of the most important things you can do for your children is help them explore future career options, especially when they are teens.

You can help your children start the process of career exploration by encouraging them first to ask themselves what activities or topics interest them the most. Examining their current interest can provide important direction to a teen's future career education choices.

Second, you can remind your teens that their schools offer several opportunities to investigate career paths and future occupations. The Washington County School-To-Work Partnership assists each of the county's five public school districts in offering career-oriented educational opportunities such as job shadowing, career mentoring, tech prep classes, work-based learning co-ops and Youth Apprenticeship programs.

High School is the perfect time to start making career plans. Sophomores should contact their school counselors or district School-To-Work coordinator for information if they are thinking about applying for a two-year Youth Apprenticeship program. Juniors should talk to instructors or their district's School-To-Work coordinator if they are interested in any of the various work-based learning co-ops offered in Washington County. Sign up for these co-ops will be held this spring at each public high school.

You can play a significant role for your children by offering positive support as they begin to think about what role they can fill in our increasingly technology-oriented work force and society.

Menominee Tribal School Culture Class Performs at KHS

Menominee Tribal School Principal Alan Caldwell has been an active dancer for twelve years.

Dressed in the regalia of a "Fancy" dancer, including pink and blue-tipped "bustle" feathers, is Menominee Tribal School seventh grader Warren Grignon, who has been dancing about two years.

Fringe on the attire of a student "Traditional" dancer twirls during the grand entry of a performance for the District's fourth and fifth graders.

"It was cool," said Kewaskum High School freshman, Tina Heider. "I never saw anything like it."

Most Kewaskum students hadn't. But thanks to a visit to KHS from students attending the Menominee Tribal School (MTS) in Neopit, Wisconsin, many district students got the chance to witness some of the history, the tradition and the culture of the Menominee tribe, through dance, music and traditional regalia.

About two dozen, mostly middle-school-aged students from the MTS Menominee Language and Culture course (an elective at the school) participated in performances for KHS students as well as for fourth and fifth graders from throughout the district.

Some MTS students sang traditional Native American songs to the driving beat of the drum, while others shared traditional dance, inviting audience members to join in during the social dances.

The MTS students have

travelled throughout the Great Lakes region, but this performance was the result of an arrangement between friends: Alan Caldwell, Principal of the Menominee Tribal School and Kewaskum District Administrator Dr. Charles Johnson. Tentative plans, according to Principal Caldwell, include a later visit to MTS by KHS band members.

Kewaskum students were treated to dancers in colorful regalia (clothing), ranging from "Traditional" dancer regalia detailed in beads, fringe, and applique, to "Jingle" dancers adorned in rows of jingling metal cones, to the elaborate feather bustles of the "Fancy" dancers.

Principal Caldwell participated as a dancer in traditional regalia and explained to the audience some of the background of the music and dance. He explained the purpose of a dance, for example, whether it was used to honor someone, or to tell a story or used as a social dance. He pointed out that dancers, at

all times, keep at least one foot on the ground so they are "always connected with Mother Earth."

Around a drum at least 24 inches across, sat the drummers, keeping the beat for the singers and dancers. According to Harold Katchenago, MTS instructor of the Menominee Language and Culture Course, the drum is a cultural icon, revered and believed to have the spirit of ancestors within.

Behind the drummers, stood the "Little Bear Singers," singing Menominee language songs and those borrowed from other Native American peoples.

The performances were met with loud applause from appreciative audiences. The performers enjoyed themselves, too.

"It's fun," shared one of the singers. "It's fun to share our culture, and it's fun to meet new people."

Judging from the enthusiastic response of Kewaskum students and staff, the feeling is mutual.

Village of Kewaskum NEWS NOTES DISPOSING OF LATEX AND OIL-BASED PAINT

GENERAL INFORMATION

Paint stays in good condition for a long time; oil-based paint for up to 15 years and latex paint for 10 years. As a general rule, paint that mixes smoothly when stirred can still be used. If latex paint has been frozen, brush it on a newspaper. If there are no lumps, it hasn't been damaged and can be used.

Disposal of leftover paint through a household hazardous waste program is expensive.

The best thing to do with usable paint is to use it up! If you can't use your leftover paint, give it to someone who can. Give your paint to:

- * friends and neighbors
- * recreation departments
- * park departments
- * theater groups
- * housing assistance organizations

Latex Paint and Mercury

Some latex paint contains mercury, a toxic metal. New federal regulations prohibit the use of mercury in interior latex paint manufactured after August 20, 1990. Be sure to use proper ventilation when applying paint indoors. Use outdoor paints for outdoor use only!

Disposal: When you can't use it up

Proper disposal depends on whether the paint is latex or oil-based. Oil-based paint contains solvents, container labels state "combustible," and the instructions on the can recommend cleanup with mineral spirits or other solvents. Latex paint contains water and the instructions recommend cleanup with water.

Disposal: Oil-Based Paint

The fumes from oil-based paint are a health and fire hazard. Large amounts of oil-based paint should not be disposed of at home.

Disposal: Latex and Small Amounts of Oil-Based Paint

Dry out latex paint and small quantities of oil-based paint according to the following directions:

Step One: Find an outside work area away from children, pets and rain. Locked screen porches and storage sheds work well. Because oil-based paint contains solvents and some latex paint contains mercury, it's important to dry out paint outdoors in a safe place.

Step Two: Dry it out! Choose one of the drying methods described later on in this notice. Paint will take between several days and several months to dry - it depends on the type and quantity of paint that you have.

Step Three: Throw the dried paint, cans and other materials in the trash. Leave the lids off the paint cans so trash collectors will see the paint is dry and accept them.

PAINT DRYING TECHNIQUES

For small amounts (Oil-based and Latex):

Remove the lid and let the paint dry in the can. Stir the paint occasionally to speed drying. Or, brush paint in layers on newspaper or cardboard.

For larger amounts of latex:

Pour one-inch layers of paint into a cardboard box lined with plastic. Allow paint to dry one layer at a time-time layers will speed up the drying process. Or, mix paint with cat litter, sawdust or sand in a cardboard box lined with plastic and let it dry.

For latex paint that has separated:

Pour the clear liquid on top into a cardboard box lined with plastic. Mix the liquid with an equal amount of cat litter or other absorbent material and let it dry. Let the leftover paint in the bottom of the can dry out, using one of the above techniques.

Kewaskum FFA Holds Meeting

The Kewaskum FFA held its monthly meeting on Wednesday, January 29.

The meeting was called to order at 8:05 p.m. The secretary's report was given by Ben Propson. Next, the treasurer's report was given by Jed Steier. For old business, we discussed: State Alumni Raffle, Toy Show, Deer Contest Winners, Homeroom Giveaway and other old business.

The State Alumni Raffle needs the FFA members who took more tickets than could be sold to return them.

The next item of business was the Toy/Craft Show, which was held Sunday, Feb. 16. We discussed whether or not all the preparatory work was being finished by the chairman of the show, Ben Propson, and co-chairman of the show, Charlie Berres. Interested sellers were to contact Dave Rizzardi at the high school or Ben Propson at 692-9857.

The winner of the Buck Contest was Adam Hellsell with an eight point having a 18 inch spread. The winner of the doe contest was Bruce Gundrum with two does.

The next item of old business was the Homeroom Giveaway in which we gave a five pound ham to each of the homeroom families at Christmas.

There was no other old business discussed at the meeting.

After the old business was finished, we went through new business concerning: First Aid Kits, Spring Fruit Sale, Proficiency Award, FFA Week Supplement, FFA Week Feb. 15 to 22, and other new business.

We addressed the idea

that instead of smoke alarms we could issue First Aid kits to a few select rooms throughout the Kewaskum High School. If you have any thoughts or suggestions, please contact the Kewaskum FFA at the high school at 626-2166.

The next item was to discuss having a Spring Fruit sale where we would sell most of the same fruit and a few extra items. The research on this project will be headed by co-chair's Heather Maas and Adam Beck.

The Proficiency Awards were discussed to inform the FFA members who did not know when or if the Proficiency Award applications were available.

FFA Supplement -- this is a several page ad that Kewaskum FFA members have done over the past year. We decided that the officers who were collecting ads for the supplement had to have their ads in by Friday, Jan. 31. FFA Week is a national event in which FFA organizations across the United States publicize their achievements and events throughout the year. For FFA Week this year, Feb. 15-22, the FFA will host a kiss a live pig event during the pep assembly Friday, Feb. 14. The students will vote for a teacher who they would like to see kiss a pig. The chairmen of the event chosen were Dan Zuehlke and Jed Steier. To help support FFA Week, we will be having other miscellaneous events throughout the week.

There was no other new business stated at the meeting. The meeting was adjourned at about 9:15 p.m. with pizza and soda for refreshments.

Kewaskum 4-H Express

The meeting of the Kewaskum 4-H'ers was called to order by President Jennifer Rogowski on Thursday, Feb. 6, at 7 p.m. at the Kewaskum Municipal Building.

Heather Hackbarth and Jason Jahnke led the Pledge of Allegiance and the 4-H Pledge.

Roll call was taken with members saying a type of disability. The secretary's report was given by Josh Nahmens and the treasurer's report was given by Jessica Lendved.

Amanda Jeshowshek and Brooke Zanow reported on the Inter Club Exchange Program and their visit to the Wayne Crusaders club meeting.

Brooke Zanow reported on the Tri-County Youth Conference and the Celebrate Families opening activities.

Final plans were made for our Admirals game outing on Saturday, Feb. 22. Members riding the bus are to meet in the Sentry parking lot by 5:15 p.m.

Mrs. Bonnie Zanow handed out and discussed proposed changes to our Club Constitution. We will vote on these changes at our next meeting.

The County Speaking and Poster Contest was discussed. Members are to participate by making a poster or preparing a speech relating to the 4-H and My World theme for the year. Posters will be judged at our March club meeting and speeches will be given at our April club meeting.

Brooke Zanow will look

into arrangements for a club trip to the West Bend Art Museum in March and Mrs. Shawn Jahnke will look into a trip to the Milwaukee County Museum in April.

Members were encouraged to participate in the Washington County 4-H Bowl-A-Thon on March 16 and pledge sheets were handed out.

Heather Hackbarth is participating in the 4-H/Labo program and will be traveling to Japan this summer and is selling Eaton's pizza certificates as a fundraiser towards her trip. Club families were asked to show their support by purchasing pizza certificates.

A happy birthday was wished to club members Jamie Imler, Stacey Imler, and Mitchell Weindorf who celebrate their birthdays in February.

A presentation on dyslexia was given by Ms. Jill Slesar. Ms. Slesar is an instructor at the Wisconsin Dyslexia Institute in West Bend and a student at Cardinal Stritch College in Milwaukee where she is studying to be a Reading Specialist.

A Recordbook Explanation Presentation was given by Brooke Zanow and Heather Hackbarth and a demonstration on making candy bacon and eggs was given by Amanda Jesowshhek.

The meeting was adjourned and refreshments were served by the Jesowshhek and Zanow families.

The next club meeting will be held on March 6, at 7 p.m. at the Kewaskum Municipal Building.

Graeme Zanow, Reporter

Campus Notes

DE PERE - Jenefer Van Assche, daughter of Patricia Van Assche, 5624 Sunset Drive, Kewaskum, is among the 13 St. Norbert students who volunteered to stay at the Community for Creative Non-Violence (CCNV), the nation's largest homeless shelter, in Washington D.C. January 11 to 18, during semester break.

Van Assche is a senior majoring in business administration at St. Norbert College.

Van Assche helped cook meals, cleaned and did whatever else needs to be done at CCNV including assisting in the hypothermia ward, explained student Christine Daniels, an intern in the Outreach Volunteer Center at St. Norbert.

They also participated with the residents in CCNV's planned activities. Students helped at nearby homeless shelters providing child care and serving meals.

Journal writing and follow-up discussions helped St. Norbert College students understand their CCNV experiences.

The outreach trip to the CCNV in Washington, D.C. was sponsored by the St. Norbert College Outreach Volunteer Center.

Homing pigeons have been known to fly more than a thousand miles in two days.

Letter to the Editor

The introduction of the TV Parental Guidelines is good news for families in our community and parents with young children across the country.

The new television guidelines, which are categorized by age but defined by the content of the programming, will allow us to communicate clear and consistent information about the vast amount of television programming available in America's homes.

We believe parents will find the new television guidelines easy to understand and simple to use, and therefore helpful to parents, because they are similar to the movie ratings that parents have known and come to trust for the past 28 years. The television industry modified these ratings to make special note of the need expressed by children's experts and advocates -- for categories regarding children's programming. For the first time ever, parents will be able to have advance cautionary information that helps them make better informed decisions about the television programs their children watch.

In addition to applying TV Parental Guidelines, some cable networks like

HBO and Showtime will offer additional information about their programming to further assist parents in their television decision-making process.

TV Parental Guidelines are just the latest contribution the cable industry has made for America's children and families. Cable's commitment manifests itself in a number of ways, including:

* More than 75 cable networks will be participating in *Tune In to Kids and Family Week*, a seven day festival of prime-time programming dedicated to family viewing, to be held April 7-13, 1997.

* Since 1989, over 8,400 cable operators and 35 cable programmers have invested over \$420 million in *Cable in the Classroom*, the industry's educational centerpiece, providing cable connections and commercial-free educational programming to more than 75,000 schools and 38 million students nationwide -- all at no cost to schools or students. Cable programmers provide schools 540 hours each month of this quality, commercial-free programming.

* In October 1994, the cable industry and the National PTA formed an educational partnership,

The Family and Community Critical Viewing Project, which empowers families nationwide with the information and tools to become better and wiser television viewers. To date, more than 1,500 cable leaders and PTA members have been trained and are presenting critical viewing workshops around the country.

* In July 1996, the cable industry publicly committed to provide America's elementary and secondary schools with high-speed access to the Internet using cable's advanced technology and new high-speed cable modems -- again, at no cost to schools.

No ratings system can be perfect or win universal support, but at a time when so many parents are being squeezed between the time demands of work and family, we are confident the new guidelines will be a helpful tool that will give parents an opportunity to make better informed decisions about their children's television viewing. We think that's a step in the right direction.

Sincerely,
Lisa Washa
District Manager
Marcus Cable

Obituary

EDWARD G. SCHACHT

Edward G. Schacht of West Bend died Thursday, Feb. 13, 1997 at his residence at the age of 86 years.

He was born Sept. 7, 1910 in the town of Trenton to the late Adolph and Elizabeth (nee Beck) Schacht. After his marriage to Vera Averill on Feb. 10, 1934 at Holy Angels Church in West Bend, they settled in West Bend where he was employed as a tool and die maker at the West Bend Co. for more than 43 years, retiring in 1976. He was an avid card player and gardener. He was a member of Fr. Casper Rehr Council #1964 Knights of Columbus, West Bend Lodge #1398 Loyal Order of Moose, 25 Year Club at West Bend Co. and the Young at Heart Club.

Survivors include: his wife; five children, Carol (Lowell) Fischer of Papillion, Neb., Betty (Jim) Nixdorf of Germantown, Judy (Al) Braun, Dennis (JoAnne) both of West Bend, Barbara (friend Lillian Wiegel) Schacht of Greenfield, loving grandfather of 13 grandchildren, and great grandpa of four great-grandchildren. Further survived by a sister-in-law Alice Schacht of West Bend, a brother-in-law Vincent Averill of Kewaskum; other relatives and friends.

Preceding him in death were two brothers, Paul and Lester.

Funeral services were held on Monday, Feb. 17, at 6:30 p.m. at the Schmidt Funeral Home, West Bend with a Mass of Christian Burial at 7 p.m. at Holy Angels Church, West Bend. Father Jerry Repenshek was the presider, and burial was at 10 a.m. Tuesday in Holy Angels Cemetery.

Visitation at the funeral home was on Monday from 4:30 p.m. until the time of the services.

Memorials may be given to Holy Angels School Trust Fund or to the American Cancer Society for cancer research.

Ed's family would like to thank Dr. M. Vukelich and her staff, Kettle Moraine Support Services, and the VNA Hospice for their special care and support during his illness.

New Mass Schedule At St. Mathias Church

St. Matthias Catholic Church, N1044 Cty.Rd. S, Kewaskum, has announced a new mass schedule.

Mass will be held at 9:30 a.m. on the first, second and fourth Sundays of the month. Mass will be offered at 6 p.m. on the third Saturday of the month, but then there will be no Sunday Mass.

There are NO Holy Day Masses held during the week. For more information please call 626-2008.

IN MEMORY

In loving memory of MARIE GLOEDE, who passed away February 22, 1988:

Nine Years have slowly passed
Although it seems like yesterday
Your loving memories will forever last
Because in our hearts you will always stay.

We miss your laugh and smiling eyes
Your loving care that was always there
We know you hear our mournful cries
And always guide us with tender care

And in the dark and lonely nights
As our weary eyes we rest
You renew our love by mornings light
And give us courage to be our best.

Some day soon we will all be together
In that pain-free place that's now your home
We know that then all will be better
Because once again we all will be home.

*Sadly missed by:
Her husband, daughter and grandchildren.*

IN MEMORY

In loving memory of our son, and brother Ruben Oppermann, who passed away one year ago, Feb. 25th 1996:

We hold in our tears when we speak your name.
But the ache in our hearts remains the same.
No one knows the sorrow that we share.
When our families and friends meet and you're not there.
Nothing will ever be more beautiful than the memories that are of you.
To all of us you were someone very special
God must have thought so too.

Sadly missed by his mom and sister.

One of the wonders of life is just that --- the wonder of life.

Kewaskum Fire and Rescue Squad Calls

Sunday, Feb. 3 - The Kewaskum Fire Department responded to a reported car fire in the Town of Kewaskum at 8:11 p.m. Firefighters were at the scene for approximately 30 minutes.

Tuesday, Feb. 4 - The Kewaskum Rescue Squad was summoned in the Village of Kewaskum at 3:39 p.m. for a female patient who received an injury to her eyes. The patient was transported to St. Joseph's Community Hospital, West Bend.

Wednesday, Feb. 5 - The Kewaskum Rescue Squad was dispatched in the Village of Kewaskum at 3:40 a.m. for a male patient experiencing chest pain. The patient was transported to St. Joseph's Community Hospital, West Bend.

Wednesday, Feb. 5 - The Kewaskum Rescue Squad responded to a call at 4:35 p.m. in the Town of Farmington for a female patient experiencing back pain. The patient was transported to St. Joseph's Community Hospital, West Bend.

Thursday, Feb. 6 - The Kewaskum Rescue Squad was dispatched at 7:41 a.m. to a Village of Kewaskum business for a female patient experiencing abdominal pain. The patient was transported to St. Joseph's Community Hospital, West Bend.

Thursday, Feb. 6 - The Kewaskum Rescue Squad was summoned at 8:18 p.m. to the Kewaskum Middle School for a male patient who had suffered an eye injury. The patient was transported to St. Joseph's Community Hospital, West Bend.

Thursday, Feb. 6 - The Kewaskum Rescue Squad and Kohlsville First Responders answered a call at 10:02 p.m. for a female patient who was injured in a fall. The patient was transported to St. Joseph's Community Hospital, West Bend.

Friday, Feb. 7 - The Kewaskum Fire Department was summoned at 3:59 a.m. to provide mutual aid to the Campbellsport Fire Department to fight a structure fire. Firefighters were at the scene for

approximately five hours.

Monday, Feb. 10 - The Kewaskum Rescue Squad responded to a call at 2:08 p.m. in the Town of Farmington for a female patient who was unresponsive. The patient was transported to St. Joseph's Community Hospital, West Bend.

Monday, Feb. 10 - The Kewaskum Rescue Squad was dispatched at 3:08 p.m. in the Town of Kewaskum for a male patient who was experiencing shortness of breath. The patient was transported to St. Joseph's Community Hospital, West Bend.

Thursday, Feb. 13 - The Kewaskum Rescue Squad was summoned at 4:03 a.m. in the Village of Kewaskum for a female patient who was ill. The patient was transported to St. Joseph's Community Hospital, West Bend.

Visually Impaired Support Group to Meet Feb. 26

The next Visually Impaired Support Group meeting will be held on Wednesday, February 26. The group will meet at 1:30 p.m. in the Second Floor conference room at the Cedar Ridge Retirement Campus, 113 Cedar Ridge Drive, West Bend. The visually impaired and interested people in the community are welcome to attend.

"Dealing with Stress," will be presented by Mary Liebetrau, Director of Human Resources Cedar Lake Health Care Center.

The support group meets the fourth Wednesday of each month at the Cedar Ridge Retirement

Campus. Cedar Ridge is located at 113 Cedar Ridge Drive in the city of West Bend. Turn south off Highway 33, west onto Scenic Drive at Royal Ford.

For more information, call Jean Meyer at the Cedar Haven Rehabilitation Agency, 334-1486.

Lenten Services At Salem Church

Salem United Church of Christ cordially invite their neighbors in the Kewaskum, Kohlsville, Campbellsport and surrounding area of Wayne to join them in their Lenten Services on Wednesday evenings at 7:30 p.m.

As they take the spiritual pilgrimage from Ash Wednesday to Easter, each service will focus on a specific symbol reflecting the experiences of Jesus during His major Passion.

Because you will be spiritually enriched, church members invite you to join them. During Holy Week the Monday Thursday Communion Service will be held at 7:30 p.m. and the Good Friday Service will be held at 1 p.m.

Salem Church is located at the intersection of Highways W and H. Remember, you are always welcome at Salem Church in Wayne!

KES Spelling Bee Winners

In the Kewaskum Elementary School Second Grade Spelling Bee were, Breann DeLaurier, left, who captured third place; Melissa Hammen, right, who finished second, and Jack Breese, center, who took first place.

Top finishers in the Kewaskum Elementary School First Grade Spelling Bee were, from left, Kimberly Peterman, third place; Danny Dymond (first place), and Jodi Kerlin (second place). Danny will compete with the top first grade finishers from Wayne and Farmington in the District-Wide Elementary Spelling Bee on March 3.

Coldwell Banker Spectrum Welcomes New Associate

Coldwell Banker Spectrum Real Estate in West Bend is pleased to welcome Laura Reitz as its newest full-time sales associate.

"Laura is new to the industry, but she's not shy about asking questions," said Broker/Owner Sandy Evans. "She's quickly learning the ropes from our other, highly experienced sales professionals, and we believe she's going to do very well in this business."

Reitz completed the respected Coldwell Banker Fast Start Program in January. She describes herself as energetic and motivated, and is ready and eager to help you with your real estate needs.

Gymnasts Host Good Show for Parents' Night

By Sally Cochran

The Kewaskum High School girls gymnasts battled against Hartland Arrowhead last Thursday, coming out behind Hartland by just ten points. The final score was 107 to 117.

Hartland, with a larger, Division One team, might have squeaked out the win, but the Indians achieved many personal bests during the evening. The Parents' Night crowd enjoyed cheering for the team, including seniors, in their last home meet of the season.

Nadalie Reindl was the top point getter for the meet. Nadalie accumulated three first places -- the balance beam, scoring 8.7, the floor exercise with an 8.8 and in the all around competition where Nadalie scored an 8.1. Also Nadalie had a 7.65 on the uneven bars which placed her in second and on the vault, she placed third with a 7.7. It definitely was a very rewarding night for Nadalie!

Also placing for the Kewaskum team was Becca Wolf, who placed fourth on the bars with 6.9. There were two girls who placed fifth, Joanne Thull on the vault with 7.45, and also on the beam with 6.25, and Eileen Kohlwey with a 7.25 on the floor.

Not placing, but coming through with some decent scores were Steffanie Carlson who received a 6.25 on the floor and a 6.0 on the vault and Jessica Parrent, who scored a 5.7 on the vault. Jessica Hawkinson received a 5.25 on her floor routine.

"The girls finally had a chance to practice more and prepare for this meet," mentioned Coach Wendy Fidler. "They've tried a few fun things too."

The team has ample time to prepare for their next meet, which is an important one. On March 6th, the team will be traveling to Valders for their sectional meet.

KMS Students Do Well in German-Speaking Contest

Jenna Gehl captured first place in the Middle School Division of the AATG German-speaking contest for schools in Southeast Wisconsin.

The group of seventh graders participating in the AATG German-speaking contest included, back row, from left: Kelli Jo Will, Jenna Gehl, Marcia Thull, Elisabeth Werdemann, and, front: Jesse Williams and Mike Landry. Not pictured is Joe Cordes.

Students from Kewaskum Middle School German classes performed wonderfully recently in a German-speaking contest open to all Southeast Wisconsin middle and high schools.

KMS seventh grader Jenna Gehl even captured first place among all middle school participants.

Seven seventh grade KMS students travelled to Rufus King High School in Milwaukee with KMS German teacher Karen Diemer to participate in the event,

which judged students in areas of fluency, interpretation, pronunciation and comprehension.

Each student recited a poem before a judge as well as conversed for a full minute using information they had brought on a note card. The contest, sponsored by the American Association of Teachers of German (AATG), is an annual event.

It was the first visit, however, for this group of KMS students, which included Kelli Jo Will,

Jenna Gehl, Marcia Thull, Elisabeth Werdemann, Jesse Williams, Mike Landry and Joe Cordes.

Each participant will receive a certificate and a pin. As winner of the entire Middle School Division, Jenna Gehl will receive an award from the German Consulate.

Jenna, a second year German student, attributes much of her success in the contest to her teacher, "Frau" Diemer and her "awesome teaching."

"(The contest) was exciting, but it was also nerve-racking waiting for my turn," Jenna stated, "But, I'm definitely doing it next year!"

And if next year's anything like this year's competition, it promises to be a whole lot of fun.

Get Budget Back on Track With SHARE

It's the part of the season most people would rather avoid -- and we're not talking about Aunt Joan's fruit cake. If you opened your Visa statement and discovered it's longer than a toy train, you're not alone.

Unfortunately, overspending during the holidays is as common as snowflakes. The good news is, this year you can get your budget back on track with SHARE, a unique program which can help stretch your food dollars.

SHARE is a private, not-for-profit organization that encourages volunteer service while providing a way for people to save money on food. In exchange for two hours of volunteer service and a cost of \$14-\$15, participants receive a monthly food package valued at about \$30. Because SHARE's self-help program does not rely on tax dollars for funding, there are no income or eligibility guidelines for participation. "If you eat, you qualify."

"The best part of SHARE is that we are available every month, not just around the holidays. Smart shoppers will make SHARE a regular part of their food buying strategy all year long. The money saved can be put toward other household expenses or even into a special account for next year's Christmas shopping," said Paulette Hardin, Executive Director of SHARE. "People can have the satisfaction of saving money on food and also know they've done something good for the communi-

ty through the two hours of volunteer service."

In January, approximately \$400,000 worth of volunteer time will be provided through SHARE. The service projects range from one-on-one help for the elderly, to collecting school supplies for local schools, to helping out with scouts or other youth activities. "The idea behind SHARE is to encourage people to find something in their own neighborhood that needs to be done to make it a better place to live," said Jean Schenck, coordinator for SHARE in Sun Prairie. "Saving money on good nutritious food is like a reward for doing something good for the community."

A typical monthly food package contains 16-18 items, including 3-4 meats, an assortment of fresh fruits and vegetables and staples like pasta or rice.

For information on how to be a part of SHARE, call 1-800-548-2124, or Kewaskum 626-2804.

Jim Borusky at KES Book Fair

It's just about time for the Book Fair at Kewaskum Elementary School.

From February 18-21, the KES library/resource center will offer the sale of special books and exciting reading-related items to help with the costs of newer bookshelves and other library materials.

Additionally, the KES Book Fair will offer a special treat for the community with an "Open House" on Thursday, February 20. The library will be open from 3:30 to 9 p.m. that day, including a special appearance from local, and published, poet Jim Borusky.

Borusky's poetry has appeared in numerous publications and, during his visit, he will be available to sign copies of his new book of family poetry, Terriers and Other Perfect Dogs.

Although now retired and living in West Bend, Mr. Borusky had been a counselor and teacher in the Kewaskum Schools for 26 years.

Senior Citizen ID Cards Being Issued

Are you 60 years old or older and a resident of Washington County? Senior Citizen Identification Cards will be issued on Thursday, February 27, 1997, from 2:30 to 4 p.m. at the Washington County Senior Center, 401 E. Washington Street, West Bend.

Information needed includes your Social Security number, person to contact in case of an emergency and their phone number and your doctor's name and phone number. Your picture will be taken. The cost of each card is \$1.00.

KHS Students Design And Build Robots

Kewaskum High School student Paul Wiedmeyer makes last-minute adjustments on his robot for "Robot Basketball."

Watching as their robot picks up the required ping-pong ball are, from left, Jeff Noren, Aitor Tomas and Becky Schellinger.

Students in Mr. Drexler's Robotics and CNC class at Kewaskum High School had the opportunity to design and construct their own robots.

The students started by studying various robotic functions and designs. They were then given the limitations that the robot had to operate within and still be able to execute the necessary operations. The theme for the project was "Robot Basketball." The robots had to pick up a ping pong ball, lift it to a height of at least three inches and place it in a container or "basket" located at either end of the playing floor. The robot movement was to be controlled through electrical or hydraulic systems.

The initial stages of the project required the students to brainstorm and make sketches of their various ideas. The students then had to go about collecting or scavenging for parts. Final assembly was a trial and error time with some ideas used and/or refined, while others were scrapped.

The most difficult problem encountered by the students was the gearing system for the electric motors in order to reduce the speed

to a usable level. Students were able to overcome this by using some manufactured gear boxes that were salvaged off of some toys while other students constructed their own pulley and belt system.

Overall, the students were not only learning the basics of robot operation but also had the opportunity to use their creativeness and ingenuity to produce a workable robot. The final testing of the robots took place within a four-foot by eight-foot playing area with a basket at either end.

Students were given a certain time period to see how many baskets their robot could make. Top scorer was the robot constructed by Matt Muench and Matt Hammen. Their particular robot design incorporated all electric motors for both propulsion and manipulator control. The end effector for picking up the ping pong ball was a simple kitchen tongs. Mothers, better check your utensil drawer!!

Other robot end effector designs used a scoop design with either electric motor control or hydraulic control. Most students found the hydraulic control easier to work with when opening

and closing the scoop.

The steering mechanism for the robots were mainly controlled by using separate motors on each of the two main wheels. Glen Schnabel's and Paul Wiedmeyer's robot was the only one that used steerable wheels which had been salvaged off an old radio controlled car, and also the only one to use radio frequency for the remote control.

All in all, the students enjoyed the challenge of the activity and were able to learn a great deal about robotics.

TOWN OF KEWASKUM PLAN COMMISSION MEETING FEBRUARY 24, 1997

The Town of Kewaskum Plan Commission will meet Monday, Feb. 24, 1997, 7 p.m., at the Kewaskum Town Hall, 9019 Kettle Moraine Drive, Kewaskum, WI. Meeting agenda follows:

School Board Meeting Minutes

School District Of Kewaskum Regular Meeting January 13, 1997 MINUTES

The meeting was called to order at 7:00 p.m. by President Goeden.

Board members present: Larry Fechter, Neal Weare, Tom Timblin, Jean Goeden, Jon Downs, Mary Andera, John Schulte.

Board members absent: none.

Following a moment of silence, Clerk Andera led the Pledge of Allegiance.

Weare/Andera motion to approve the agenda as amended. (Item 2 under New Business was moved to follow item 10.) Motion passed 7-0.

Student Representative Jamie Gaffke reported at the high school.

The following students were given the honor of Student of the Quarter: KMS - Cassie Patterson; KES - Alex Fellenz; WES - Jena Roskopf; FES - Nate Feiereisen.

Audience to Visitors: Dr. Johnson announced the names for the school board election. They are Lisa A. Maul, Jean E. Goeden and Neal D. Weare.

Mr. Downs thanked Sheford for their donation of \$5,000 to the KEYS Scholarship Fund.

Jean Goeden commended the administration for conducting an informative work session on January 9th regarding long range capital planning.

Timblin/Fechter motion to approve the December 12, 1996 Regular Meeting minutes. Motion passed 7-0.

Mr. Fechter announced that the next FTBG Committee meeting is scheduled for Tuesday, January 28, 1997 at 6 p.m. in the District Office.

Schulte/Downs motion to approve the second reading of Police 530.1 - District Job Descriptions. Motion passed 7-0.

The next Policy Committee meeting is scheduled for Tuesday, January 21, 1997 beginning at 5:30 p.m.

Downs/Andera motion to approve the payroll and accounts payable in the amount of \$908,074.68. Motion passed 7-0.

Dr. Johnson reported that drafts of the Kewaskum Academic Standards are presently being reviewed and will be ready for presentation to the board in the near future.

Downs/Weare "I make a motion that the Board adopt the following resolution: Resolved by the Board of Education, of the School District of Kewaskum, of Kewaskum, Wisconsin, that pursuant to the provisions of Chapter 40 of the Wisconsin Statutes, such District hereby determines to be included under the following group life insurance program provided by Chapter 40 of the Wisconsin Statutes for its eligible personnel - Basic Group Life Insurance. Be it further Resolved, that the proper officers are herewith authorized and directed to take all actions and make such deductions and submit such payments as are required by the State of Wisconsin to provide such group life insurance. Be it further Resolved, that the School District of Kewaskum WRS Agent submit a certified copy of this resolution to the State of Wisconsin Department of Employee Trust Funds." Motion passed 7-0.

 - g. Other Issues To Be Determined
4. Adjournment

NOTICE TO ALL VILLAGE OF KEWASKUM DOG AND CAT OWNERS

Pursuant to Section 174.052, Wisconsin Statutes, notice is hereby given to all owners of dogs in the Village of Kewaskum that rabies vaccinations and dog licenses are required. The same applies to cat owners under chapter 12.04 of the Kewaskum Municipal Code.

Vaccination by a veterinarian against rabies is required (Section 95.21 (2)) within 30 days after the dog reaches 5 months of age and re-vaccinated within one year after the initial vaccination. Older vaccinated pets must be re-vaccinated when the certificate expires or within three years of the previous vaccination. Certificates of current vaccination must be presented when obtaining licenses.

All dogs/cats, 5 months of age or older, require a license. The minimum dog license of neutered males or spayed females is \$6.00, upon presentation of evidence attesting to the same and \$11.00 for the un-neutered male or un-spayed female dog. The minimum cat license for neutered males or spayed females is \$3.00, upon presentation of evidence attesting to the same and \$5.00 for the un-neutered male or un-spayed female cat.

PENALTIES

A late fee of \$5.00 shall be assessed the owner of each dog 5 months of age or over, who fails to obtain a dog license by April 1st.

An owner who fails to have a dog vaccinated against rabies as required by statute may be required to forfeit no less than \$5.00 nor more than \$100.00.

1997 Dog and Cat Licenses can be obtained from the Village Treasurer's office at 204 First Street from 7:30 AM to 4:00 PM, Monday through Friday.

Daniel S. Schmidt
Administrator

VEGETABLE SOUP

1 soup bone from beef
2 qt. cold water
1 medium onion, cut fine
1 1/2 tsp. salt
1 1/2 c. cabbage, chopped
1 c. carrots, diced
2 c. tomatoes or stewed tomatoes
2 c. green beans
1 c. celery, diced

Place soup bone in kettle and cover with cold water. Add the onions and salt. Cook slowly for 2 hours or until done. Add vegetables and cook until tender, about 1/2 hour. Serves 6 to 8 people.

Ramthun Spears Sturgeon

Pictured above is Jon Ramthun, left, and son Doug Ramthun of Campbellsport proudly displaying a sturgeon speared on opening day of the season on the east side of Lake Winnebago. The fish weighed in at 75 pounds and was 66 inches long.

Andrew Kuehl Photo

talked about what was on his belt. He had a gun with a laser sight, an army knife, handcuffs, a baton, and a transmitter (he prefers not to use most of these, and they are there only for emergencies and dangerous situations).

If you want to be a warden, BE COOL AND STAY IN SCHOOL.

HT Boys Take Two from Eden

It was a profitable weekend for Holy Trinity as they defeated St. Mary's of Eden two times in conference play. On Friday evening at Rose Hall, the Wildcats topped the Knights by a score of 62 to 40, and on Sunday afternoon at Eden, they again were victorious by winning with a score of 49 to 35.

In the first quarter of both games, the Wildcats made their statement. They took a 10 point + lead and because of league rules, had to give up their full court press. However, this did not make a huge difference as the Wildcats always had an eight point + lead at the end of the quarter.

Those scoring in the February 14th game were: Mitch Strobel with 17 points; Jacob Stoffel with 14 points; Josh Repovsch with 10 points; Luke Piwoni with eight points; Nick Thorn and Jon Boedeker each with four points; Anthony Laatsch and Ty Wietor, each with two points and Mark Schrauth with one point.

Those scoring in the February 16th game were: Mitch Strobel with 12 points; Jacob Stoffel with 11 points; Jon Boedeker with ten points; Luke Piwoni with eight points; Tim Branta with six points and John Repovsch with two points.

Holy Trinity plays its final conference game on Friday evening, February 21, against Lomira at the Kewaskum Middle School. With this win, Holy Trinity could have another perfect season.

Conservation Warden at KES

DNR Conservation Warden William Mitchell emphasizes a point about protecting natural resources in his talk to Kewaskum Elementary School fifth graders.

Department of Natural Resources Conservation Warden William Mitchell spoke recently at Kewaskum Elementary School. Fifth graders Brandon Gitter and Scott Wilke wrote this account about the visit:

On January 29, at 10:45 a.m. William Mitchell came into Mrs. Beal's fifth grade classroom to talk about natural resources. Then at 11:35 a.m. he talked to Mrs. Hubbard's class about the same thing.

He told the fifth graders what a warden does. Here are some of the things he talked about: resources should belong to everyone and wardens make special laws to protect and defend the environment from bad substances and pollution.

Then he talked about how there are many ways to use the outdoors without destroying it. Afterwards, Conservation Warden Mitchell talked about being a warden. Then he showed us a movie about safety of

natural resources. After the movie, he

Dziedzic Defeats Dexter

KHS Advances Four Wrestlers to Sectionals

By Sally Cochran

Kewaskum was the host of the Division Two Regional last Saturday. Fans saw some excellent wrestling and cheered their Indians team on to second place.

Team standings were as follows: Campbellsport 157, Kewaskum 127, Kiel 114, Sheboygan Falls 98 1/2, Random Lake 92, Chilton 88 1/2, and New Holstein 86.

Coach John Nell said, "Anyone could have run away with the win here. There were excellent wrestlers on all the teams." Nell mentioned that the tournament itself went very well. "As for our guys, they all wrestled their best. I am very pleased."

The first two wrestlers in

each weight class advance to the sectional tournament which will be held next Saturday and close so all Indian, nice and close so all Indian, nice can attend. The wrestling starts at 11 a.m. There will be 28 teams from four regionals represented at the sectionals.

Advancing from the Kewaskum squad are Joel Dziedzic, who was the tournament champ at 135, winning in overtime against Campbellsport's Dexter; John Immel (119), Erik Kopecky (152) and Glen Schnabel (160) all took second places and will also be going to the sectional meet.

Third places were nabbed by Josh Dieringer (125), Mike Farchione (171) and Bruce Gundrum (189). Adam Shileny came in

fourth place in the 130 weight class.

All in all, the number of wrestlers each team is advancing is pretty spread out. Along with Kewaskum, also advancing four wrestlers are Random Lake and New Holstein. Campbellsport has six wrestlers that will advance and Kiel is sending five. Chilton, who won the conference competition, will advance one wrestler and Sheboygan Falls will have two in the tournament.

Coach Nell is pretty confident that the wrestlers from the Kewaskum regional should dominate the sectional tournament. "I'll be surprised if that is not the case," he said. Good luck wrestlers!

KHS Varsity Basketball Team

The Kewaskum High School varsity boys basketball team for 1996-97 included, first row, left to right: Chad Butzke, David Gerhartz, Todd Wolfenberg, Jeb Jungwirth and Jason Bartelt. Middle row: Head Coach Dave Shaw, Andrew Christophersen, Dan Jeserig and Manager Tracy Broecker. Top row: Sean Cotter, Ryan Martin and Kevin Martin.

Girls BB Team Defeated by New Holstein, Beats Chilton

By Sally Cochran

Home court advantage proved to be helpful in one of the two games played by the Kewaskum High School girls basketball team last week. The girls came out ahead of Chilton on Friday, but in Tuesday's game, New Holstein was the winner.

The final score in Tuesday's game was 47-35. "We improved from the last time we played New Holstein," commented Coach Dave Rizzardi. "The difference in our scores this time was only 12 points. The last time we played them we had a twenty point spread."

New Holstein has two players that are among those who lead the conference in scoring with averages of 20 points and 12 points. The Indians held them back to just 15 and seven points. "We were playing better defense, the girls were fairly aggressive and much more enthusiastic," Rizzardi said.

Jenny Kraft led the way with ten points, followed by Jackie Hass with eight, and Carrie Wiesner, who scored seven points.

Friday was a much different story. Although the girls started out poorly, Chilton was ahead 12-4 after the first quarter, and at half-time the score was 18-15 with Kewaskum in the lead. "Their best player

sprained her ankle in the second half and the girls just took over from there," Rizzardi said.

Carrie Wiesner and Tiffany Laubach shared the spotlight with the most points, scoring eight points each, followed closely behind by Erin Krueger with six points.

"The girls were playing excellent offense and were great with rebounds," said Rizzardi. Missy Thull was really on with her defensive play. Teammate Jenny Kraft had two three-pointers in the fourth quarter which put the team ahead by seven points and only two minutes to go.

That was the largest lead the team has had this season. From there it was all KHS. Chilton only scored one field goal in the fourth quarter. The final score was 36-31.

Friday night's win has given the girls a 2-8 record in conference play. This week they have their last two regular season games. On Tuesday, they travel to Kiel and on Friday, they play in Sheboygan Falls.

Next week the girls host Slinger at 7 p.m. on Tuesday, February 25 for the first round of tournament play. Join the team in the KHS gym and help them advance on to the next round.

Lead Screening Test Available

Lead screening tests for children up to age six, will be held at the Washington County Community Health Nursing Service in the Public Agency Center, 333 East Washington Street, First Floor/Room 1145 (enter parking lot off of Indiana Avenue) on March 6, 1997 from 1 to 2 p.m. by appointment.

For more information, call 335-4462, 644-5204 or 342-2929; ask for extension 4462. A parent must bring the child to the clinic.

FFA WEEK
Proclamation

WHEREAS, the FFA and agricultural education provide a strong foundation for the youth of America and the future of agriculture; and

WHEREAS, the FFA promotes premier leadership, personal growth and career success among its members; and

WHEREAS, agricultural education and the FFA ensure a steady supply of young professionals to meet the growing demands in the science, business and technology of agriculture; and

WHEREAS, the FFA motto—"Learning to do, doing to learn, earning to live, living to serve"—gives direction of purpose to these students who strive to become leaders with a vision; and

WHEREAS, the FFA performs the valuable service of encouraging cooperation, promoting good citizenship and inspiring patriotism among its members.

THEREFORE, I do hereby designate the week of February 15 through 22, 1997, as FFA Week.

Students Become Leaders, Develop a Vision Through FFA

ALEXANDRIA, Va. -- FFA empowers students to develop and fulfill a vision for themselves, their communities and their nation. FFA works hand in hand with agricultural education, but its impact reaches far beyond preparing employees for the food, fiber and natural resource systems. Students develop the premier leadership, personal growth and career success skills they need to win in agriculture or any other industry, and in life.

"Agriculture offers tremendous opportunities for young people," said National FFA Advisor Larry D. Case, "and FFA is helping them explore and take advantage of those opportunities. Even if they decide not to pursue one of the 200 careers in the business, science and technology of agriculture, they will benefit from the public speaking skills, self-confidence and leadership talents they develop in FFA."

FFA members across the United States, Guam, Puerto Rico and the Virgin Islands will organize events and activities to foster awareness of agricultural education and support for FFA during National FFA Week, Feb. 15-22, 1997. National FFA Week is held each year during the week of George Washington's birthday to recognize his leadership and commitment to American agriculture.

This year's theme, "FFA - Leaders with a Vision," promoted through communities nationwide, emphasizes how FFA enables students to develop leadership skills, prepares them to set goals and visions, and empowers them to achieve success. They are the leaders who will carry the agricultural industry and the nation into the next millennium.

FFA is a national organization of 452,885 members preparing for leadership and careers in the science, business and technology of agriculture. The organization has 7,263 local chapters located throughout the United States, Puerto Rico, Guam and the Virgin Islands. FFA's mission is to make a positive difference in the lives of students by developing their potential for premier leadership, personal growth and career success. Local, state and national activities and award programs provide opportunities for students to apply knowledge and skills acquired through agricultural education.

Shown here is senior Heather Maas working with the most recent technological edition to the Ag. department, the DTN system. The DTN (Data Transmission Network) system works with a satellite, and provides up-to-date news, markets, weAther, and other educational programs for students and faculty to view. Community members are welcome to come in and use the system for current agricultural marketing information, as well as weather forecast information.

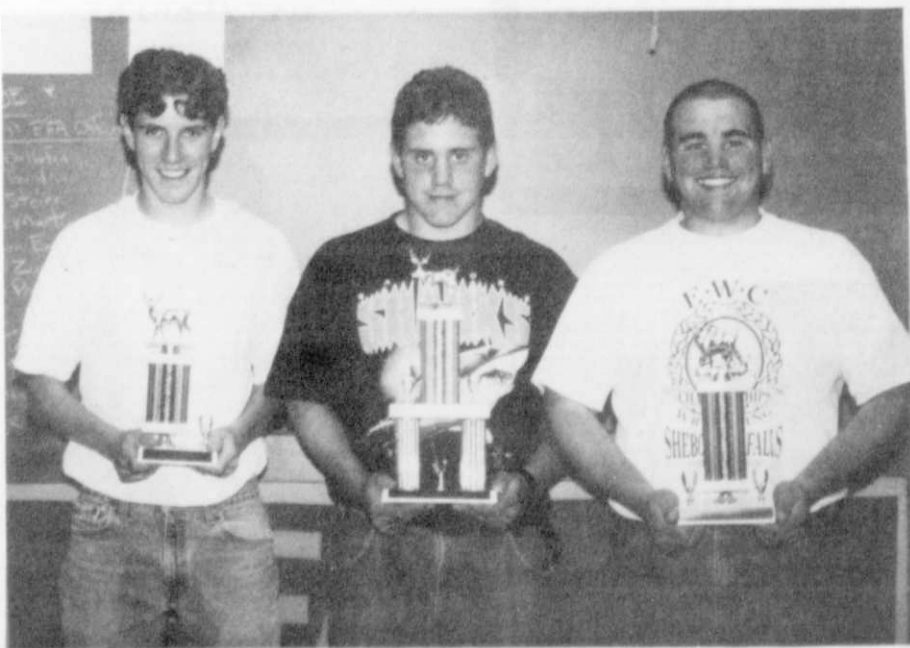

Exhibitors at our annual toy show take pride in their displays. Pictured are the Ksioszk brothers, Mike (left) and Greg (right) setting up Mike's toy farm display. Mike was responsible for getting the toy show established, and has been helping to organize it, as well as exhibiting in it over the past five years.

MAY I HELP YOU? Becky Guelig is waiting on a customer at the State Fair. The Kewaskum FFA teams up with the Hartford and Slinger FFA chapters to operate a booth in the agriculture products building to sell ice cream sundaes and milk. The profits from the booth fund many activities throughout the year.

IS ANYBODY HOME? Jed Steier (left) and Peter Muth examine the inside of one of the Wood Duck dwellings that were made for the riverwalk project. Members plan on putting in many hours of work on the Riverwalk this year, weather permitting. The Riverwalk is a continuing education project behind the middle school that is open to all community members to walk through and enjoy.

WILDLIFE TEAM - SECOND IN THE STATE! Left to right: Matt Lieven, Bruce Gundrum and Tim Gundrum pose with the trophies they earned last spring at the state judging competition in Madison. Wildlife judging consists of animal identification, habitat, hunting/fishing regulations and much more.

Current FFA Treasurer, Jed Steier demonstrates his expertise at milking a cow. Jed intends to enroll in Moraine Park Technical College in the fall, with plans to graduate as a tool and die apprentice. Good hands are always useful in the tool and die profession.

Conventions and Community Service

STATE CONVENTION - Pictured above, front row: Advisor Dave Rizzard. Middle row, left to right: Brad Oelhafen and Ben Propson. Back row: Peter Muth, Jed Steier and Dan Vrana. These representatives attended the 1996 State FFA Convention held in Madison last June. Over 2,000 other FFA members from around the state were in attendance.

NATIONAL CONVENTION - Left to right, Peter Muth, Bruce Gundrum, Charlie Berres, and Dan Zuehlke were delegates for the 1996 National FFA Convention held in Kansas City, Missouri. Delegates toured the John Deere tractor plant in Waterloo, Iowa on the way to Missouri. During the four day convention, members were able to enjoy many motivational speakers, attend leadership workshops, take in the local rodeo, as well as mingle with FFA'ers from all 50 states.

COMMUNITY SERVICE - FFA members helped with the original flower pots around the community during the Centennial Celebration during the summer of 1995. The project started with the flower pots being filled with gravel, then a mixture of topsoil for planting. The pots were then distributed throughout Kewaskum. This past summer the pots were again used to help beautify the corners of Kewaskum streets. Members that helped with this project, pictured left, are Jason Enright, Ben Propson and Dan Vrana. Pictured right, unloading the pick-up are Peter Muth and Brad Oelhafen.

Variety of Activities Keep FFA'ers Involved

EYES ON THE JUDGE - Joe Hawig tries to make his barrow look impressive for the judge during the hog judging competition at the Washington County Fair. Selected animals are entered in the meat animal sale and auctioned off to local business people.

Pat Herther shows off her horse, Maddie, who has been a companion for the last three years. Pat enjoys working with her horse, and is currently training her to do jumps. She plans to attend UW-Oshkosh with hopes to pursue a career as a horse riding instructor.

The Kewaskum FFA Chapter had an excellent year in the hog project at the Washington County Fair, as both the grand and reserve champion hogs were exhibited by FFA members. Sophomore agriculture student Becky Guelig exhibited the reserve champion hog, while Sean Parish, a 1996 KHS graduate, exhibited the grand champion.

Brad Oelhafen demonstrates clipping the head of his Holstein steer at his farm prior to showing. Brad has been very successful with his steers over the last eight years, exhibiting three grand champions, one reserve champion, and three rate-of-gain champions.

Fitting and grooming are all part of preparing a beef animal for the fair. Here, Nick Wagner is working at grooming his Hereford animal. Nick has been showing cattle for several years now and has a few more animals lined up for this year's fair.

Pictured here is Keith Martin with his Oliver 77 Row Crop tractor, which he restored to it's original condition as part of his FFA project. Keith has a lot of mechanical ability, and enjoys working with his hands. He already has his eye on another tractor he plans to restore.

Seminars have become more popular lately, and this aquarium was converted into a miniature wildlife refuge designed by wildlife seminar student Pat Herther. The refuge houses a few small lizards.

Brad Oelhafen is shown here working in the Ag shop on the FFA beef scale, which is used to weigh all the beef animals that are shown at the Washington County Fair. Brad plans to spend some time during his Agriculture seminar to finish repairing and repainting the scale.

Animal Activities

DONKEYBALL CHAMPS! Kewaskum FFA Alumni President Tim Herman presents the championship trophy to the Kewaskum FFA members, who defeated the Kohlsville Firemen 8-6 in overtime.

PICK A NUMBER! Pet owners line up for the annual Rabies Clinic held in the agriculture department every spring. Community members receive pet immunizations at a reduced rate, while helping to support the Ogi Scholarship Fund. This is the longest running community service project sponsored by the Kewaskum FFA and the Ogi Veterinary Clinic. Look for further details about this year's clinic in upcoming editions of the paper.

GOING FOR A RIDE! Current FFA reporter Dan Zuehlke uses his expert rodeo riding skills to run the ball down the court and score during last year's FFA Alumni sponsored Donkey Basketball game. The event raised money for the State FFA Foundation, which the Kewaskum FFA Alumni has contributed to for the past five years. Area teams were comprised of Kewaskum FFA members, high school students, Kohlsville Fire Department and Fillmore Fire Department volunteers.

Pictured above, Dr. Greg Ogi, of the Kewaskum Veterinary Clinic administers a rabies vaccine to a local pet. The Rabies Clinic is administered on an annual basis, and the proceeds go to the Ogi Scholarship Fund, which benefits one senior agriculture student each year.

Leadership Activities Help Prepare for Life

JUDGING TEAM MEMBERS - Back row L to R: Tim Gundrum, Bruce Gundrum, Ben Propson, Charlie Berres (front row) Peter Muth, D.J. Neumann, and Billy Vrana show off their certificates they earned for judging in Madison last spring. Kewaskum had entries in Wildlife, Crops, and Dairy Products.

SCHOLARSHIP WINNERS - L to R: Bob Beisbier, Kewaskum Frozen Foods, Corey Enright, Kris Hafermann, Tim Gundrum, Dr. Greg Ogi, Kewaskum Vet Clinic. Scholarships are awarded each spring to various FFA members to continue their education. In addition to the Frozen Foods and Ogi Scholarships the FFA Alumni also awards a Scholarship.

PROFICIENCY WINNERS- Left to right, Nick Wagner, Becky Guelig, Paula Petersen, Brad Oelhafen, Ben Propson, and D.J. Neumann proudly present their local proficiency plaques at last years FFA Awards banquet. Proficiency awards are based on student projects and work experience throughout the year.

HONORARY CHAPTER MEMBER - Former FFA president Dan Vrana presents science teacher Bill Lickel with the Honorary chapter Member Degree, an award presented each year to a deserving candidate who helps out the FFA in some way. Mr. Lickel received this award for all his help in initiating the Riverwalk refurbishing project. Mr. Lickel continues to be a strong supporter of FFA activities.

OUTSTANDING ACCOMPLISHMENTS - Pictured left to right Midwest Livestock representative Pat O'Brien, Outstanding Livestock Achievement winner Brad Oelhafen, Dairy Project winner Corey Enright, East Central Select Sires representative Dave Hahn. These awards are given each year to members that have shown excellence in these areas. The FFA thanks these businesses for their annual support.

The President Speaks

Brad Oelhafen

As current president of the Kewaskum FFA chapter for the 1996-97 school year, and having been an active member for the last four years, I'd like to take this opportunity to inform you about the FFA and it's activities.

The Kewaskum FFA chapter was established in 1951, and the names of the first members still hang on the wall of the Ag. room. Since then many things have changed. For instance, the acronym FFA does NOT stand for Future Farmers of America anymore, but actually symbolizes and organization of youth that promotes leadership with interest in the environment and agriculture.

Many people still think that FFA consists of cows, sows, and plows, but that is a very common misconception. With the decline of farmers over the past years, the FFA has tried to adapt to these changes and include activities that anyone can participate in.

The Kewaskum FFA Chapter is very busy with their members through the year. When school ends in June the FFA continues it's activities with the Washington County Fair. Members show many award winning entries such as dairy, beef, swine, sheep, rabbits, poultry, crops, and crafts. Members work hard all year long on their animal projects and have their work cut out for them for the four days the animals are at the fair grounds.

The FFA also teams up with the Hartford and Slinger FFA Chapters to run an ice cream booth at the Wisconsin State Fair. Members of the chapters work together to sell ice cream sundaes and milk. This is one of our major incomes for the year.

Our second major addition to

our treasury each year comes from our fruit/cheese/sausage sale. We take pride in selling good quality fruit, including pineapples, grapefruit and oranges. We also sell blocks of cheese from Schneider's Cheese in Waldo, along with sausage products from Kewaskum Frozen Foods, and for the first time sold Florida peanut butter.

During the Christmas season the FFA donates to the home-room sharing program here at the high school. For the past few years we have donated 5 lb. hams to each needy family, along with a variety of fruit.

FFA week is held about the third week in February. We kick off FFA week with our annual farm toy show, and this year we decided to add crafts to make it more enjoyable. The FFA does a variety of activities during FFA week such as a milk or ice cream giveaway, an FFA quiz, a

kiss the pig contest. Our monthly meeting and the District speaking contest.

The Kewaskum Chapter tries to be very involved with the District and state speaking contests. The speaking consists of Creed, Parliamentary Procedure, Discussion, Prepared, and Extemporaneous.

The Chapter does a lot of traveling, as there are many activities to attend around the country and state. The State convention is held in Madison each year, which consists of over 2,000 FFA members from around the state gathered together for three days to take part in leadership workshops, and present their ideas and opinions to make the FFA stronger.

The National Convention is held in Kansas City, Missouri. National Convention is basically an enlarged version of the State convention, and is an interesting experience for anyone, as you meet people from all parts of the country. There are also

various conferences and seminars during the year that some members take advantage of. All these activities try to promote leadership, fun, and success in their workshops.

The Chapter gets involved with a variety of judging contests including Dairy Cattle, Meats, Livestock, Forestry, Ag Mechanics, Nursery/Landscape, Wildlife, Floriculture, Crops, Poultry and many more. The judging teams usually consists of three or four members on a team, who must answer questions related to their category both orally and written. Judges try to gain as much knowledge as possible prior to the contest, in order to very competitive against other teams from around the state. Last year, the Kewaskum Wildlife team took a second place finish at state.

The Kewaskum FFA Chapter is always trying to help out the community, by doing such things as the annual Rabies

Clinic, helping with the village flower pots, and working on the Riverwalk project. We are always looking in the community, so if anyone has suggestions, please feel free to contact me, or one of the other officers.

In closing, I'd like to say thank you to all the local business people who sponsored this supplement, as well as all the other supporters of our FFA chapter, the Kewaskum FFA members as well as the Alumni members for their strong devotion to the chapter over the past several years. I would also like to thank the administration and faculty of Kewaskum High School, the chapter advisor, Mr. Rizzardi and at last, my parents and family for all their great support.

Thanks,
Chapter President,
Brad Oelhafen
