Taxpayers' Input Encouraged School Board Members Comment On Future Facilities/Overcrowding Issues

As a means of continuing to improve lines of communication between the Kewaskum School District and the residents and taxpayers of the district, we asked school board members to address the issue of future facility planning for the district on a more personal level, using the Statesman as a voice through which board members can informally discuss these pressing topics, where no one was faced with an audience.

The board members each put in a considerable amount of time, careful thought and deliberation into their opinions and solutions.

For the benefit of parents and all the people of the Kewaskum School District who cannot attend school board meetings, board work sessions or committee meetings, and for those who are afraid to voice their opinions in public with their name attached, issues such as reopening Beechwood School, the referendum outcome, the direction of future building plans, district models, and various thoughts on alternative solutions, are addressed in the following commentaries by school board members Jean Goe-den, Neal Weare, Tom Timblin and Mary Andera.

Space permitting, comments from remaining school board members Jon Downs, Larry Fechter, John Schulte and Lisa Maul will be published in next week's issue.

All these committed individuals graciously agreed to discuss their thoughts and ideas through the press, and although some may agree or disagree on various proposals, the bottom line is the future of our children and in the end, honest, open communication will only serve to strengthen any decision, because it was made with the knowledge and support of the community.

Following the publication of the comments of the board members, any School District residents and/or our readers with constructive opinions or innovative ideas of their own on how to accommodate the overcrowding issue in our district are encouraged to submit the same.

Taxpayers are invited to "Speak Out" on what they feel are the pros and cons of the ideas presented by school board members. To open the lines of communication, PLEASE ask the board members the questions no one seems to ask at meetings, but yet discusses freely with their relatives, neighbors and friends.

How can we ask these board members to solve the issues unless we tell them WHY the last referendum was defeated? Every voter owes them at least that much consideration!

In spite of the fact it is against the policy of this newspaper to publish anonymous "letters" and comments, for these school issues alone, for the next few weeks only, we have agreed voters can comment anonymously. However, we do ask that when you submit your comments, suggestions, opinions and ideas, you include your name and phone number (for verification purposes only). If you DO NOT want your name printed, just write WITH-HOLD NAME at the bottom of your comments, and your comments WILL remain anonymous.

We also ask that you keep your comments as brief as possible, and address the issues at hand without any name-calling or back-stabbing. Comments that contain any statements deemed libelous will not be printed.

As we have stated previously, it is our sincere hope that through this effort we can open the lines of communication between voters and the board of education and together resolve

the overcrowding issues and problems our school district faces now and in the very near future.

And please remember, unless YOU are willing to take the time to send in your comments and questions, this effort will have been futile and the board will just have to guess what we want them to do. Address your comments to:

Kindergarten Screening

The Kewaskum School District will conduct a screening of children who will enter kindergarten in September, 1998. This screening provides the staff with valuable information in the area of speech, language, vocabulary, vision, hearing, and readiness skills.

While the screening is voluntary, parents are urged to have their children participate. This year the screening will be held June 12, 13 and 14th at Kewaskum Elementary School. If your child is four years old, on or before September 1, 1997, please call the administrative office at 626-8427 between 6:30 a.m. and 2:30 p.m., extension 8001, to schedule an appointment.

This is the only screening administered by the District for students prior to entering kindergarten. Based on the screening results, some students may qualify for the First Steps program for four year olds.

Once the screening is completed, results will be mailed to parents and they may contact the District office with any questions on the results.

School Board Approves Variety of Staff Positions

By Sharon Callaway Roznik

The hiring of new employees took up a big chunk of this month's school board meeting, as school board members approved a variety of positions which included staff, support staff, and administrators.

Three new athletic coordinator positions have been authorized to work at the high school, middle school and grade school level. A .5 elementary principal position has been developed to serve Farmington School, and coordinate the district's summer school program.

Kewaskum Elementary School will see the addition of two teaching positions, at the second grade and fifth grade level, and Kewaskum High School has received approval to add a Social Studies teacher, .5 Tech Ed teaching position, and a .5 Business or Phy Ed teacher. An intern position at KMS will also be filled for the 1997-98 school year.

As this year progressed, it was also apparent there was a need for a Technology Coordinator for management of the district's technology. This position will require hands on knowledge of all specialized equipment,

as well as computer capabilities.

Two secretarial positions, one at KHS, developed to help coordinate athletics and maintenance, and the other at KES to aid in scheduling substitute teachers, were sent back to the Finance-Transportation-Buildings and Grounds committee for further discussion, at Larry Fechter's request. The positions will be discussed next month, after the committee has been given time to evaluate the needs of the different departments.

Beginning next school year, student fees will be raised \$2.00 to cover the cost of workbooks, after it was approved by a 6-1 vote, with board member Neal Weare voting no. The fee hike caused debate over whether parents should have to shoulder the burden of increased fees versus taking a lump sum of the contingency fund to cover the cost of the workbooks. "We have a contingency fund of approximately \$150,000," Weare told his fellow board members. "This is money that has been saved through various avenues. I think it would be prudent to

(Continued on Page 4)

Spring Clean Up Day In Village on April 26

The Village of Kewaskum will be conducting a SPRING CLEANUP on Saturday, April 26, 1997 from 8:00 a.m. to 2:00 p.m.

Residents are encouraged to clean up trash and debris left around the Village and your home by "Old Man Winter."

During this time, VIL-LAGE RESIDENTS ONLY will be able to bring various items to the Village garage which are not normally picked up by the garbage or recycling trucks. The Village garage is located at

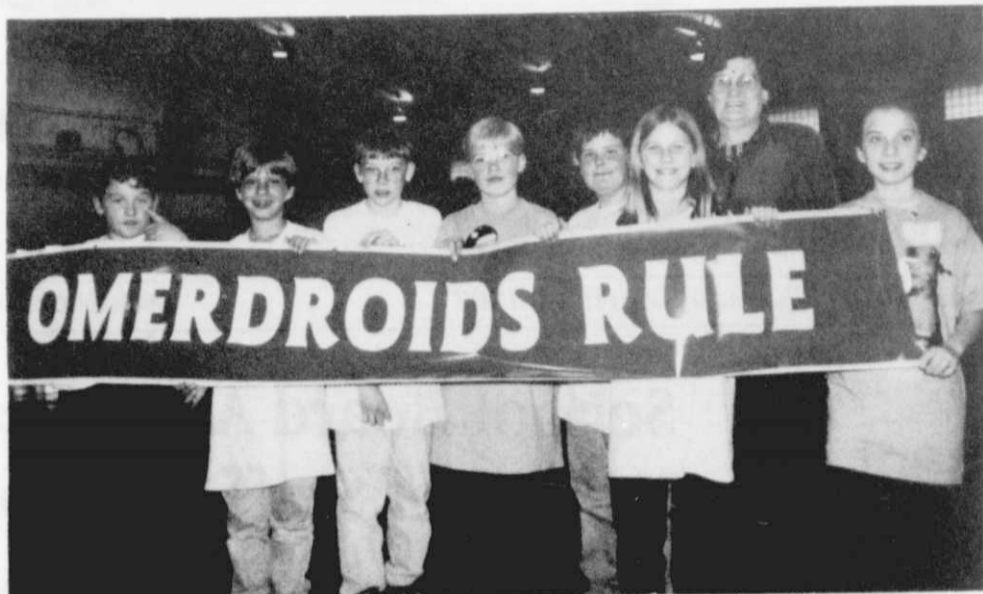

1002 Fond du Lac Avenue. Proof of residency may be required.

Appliances, hazardous materials or debris from contractors ARE NOT allowed! There will be a Village employee available for any questions or assistance that day. If you have any questions prior to that date, please call the Municipal Building at 626-8484 between the hours of 7:30 a.m. and 4:30 p.m. Monday through Friday.

Thank you for your cooperation.

GOOD LUCK AT STATE!
KHS SOLO-ENSEMBLE PARTICIPANTS
Saturday, April 26

Omers Finish With a Bang

The Farmington OM Team, coached by Mrs. Domasky, took fifth place at the state competition with their Omerdroid "Gramma Boltz."

The KHS OM Team proudly display their second place trophy earned at the state level, with their Omerdroid "Staccato." They also won the "Ranatra Fusca Award," at regional competitor.

By Sally Cochran

The University of Wisconsin-Stevens Point hosted the 15th Annual Odyssey of the Mind competition this past Saturday, April 19. Kewaskum had two teams participating in the event. The high school OM team and the Farmington elementary school OM team both competed in the Omerdroid problem, Division III and Division I, respectively.

The KHS team proudly brought home a second place trophy after a superb performance. They were only three points behind the first place team from Green Lake Public Schools who will be traveling to Maryland for OM World Finals.

The team consists of five seniors, Heather Maas, Dan Zuehlke, Jessica Schulist, Henrik Lorenz (exchange student from Germany) and Brad Oelhafen, and sophomore David Kletti. They are coached by Connie Schulist.

The KHS team won the honored "Ranatra Fusca Award" at the regional competition for their superior creativity. Their Omerdroid's name was Staccato and she was a very talented android.

The team "taught" her how to move her lips and her eyebrows up and down, turn her head and body, raise her arm and bend her elbow. Staccato even ap-

peared to be walking. The group did a wonderful job and put a lot of work in for many months. Second place at the state level is a mighty fine accomplishment.

Coached by Mrs. Domasky, the FES OM team members are Adam Ziebell, Dave Keeley, Juliet Tofte, Krystal Cochran, Melissa McKee, Lee Schmidt and Justin Foley. Their Omerdroid, Gramma Boltz, made use of magnets to pick things up. She also could clap her hands, raise her arm, put her hand over her ear and bow. The team ended up in fifth place, only four points away from fourth. They have worked very hard and making it all the way to state competition is quite an honor.

Congratulations to both OM teams for a fine showing at state and the commitment it takes to be a part of Odyssey of the Mind.

Birth

Granddaughter to Karen and Ronald Ellefson of Kewaskum born on March 31, 1997. Megan Rachel will reside with her three year old sister, Mariah Rene' and their parents at 20215 W. Lawnsdale Dr., New Berlin.

Village of Kewaskum NEWS NOTES

RECYCLING TIPS

ALUMINUM BEVERAGE CONTAINERS AND TIN AND STEEL CANS

Type of Aluminum: Aluminum cans generally used in the beverage industry.

Type of Tin/Steel: Tin and steel cans generally used in the food industry.

Preparation: Simply empty, rinse and remove any labels. This is the most important aspect of a successful recycling program. Aluminum, steel and tin containers that are contaminated with residue cannot be recycled.

Place aluminum, tin or steel containers in your dark green recycling bin or blue recycling bag. Flattening containers, although not necessary, will save space in your recycling bin or bag. Place the bin or bag at the curb on the same day that your solid waste is to be collected. Pick up will be Wednesdays for both solid waste and recyclables. Multi-family dwellings of six or more, remember, your recycling pick up will be the first and third Wednesday of each month.

The basic structure of the modern symphony orchestra dates from the court of Duke Karl Theodor at Mannheim, Germany in 1743.

Football Registration for Kewaskum Area Youth

All Kewaskum School District families that have children going into sixth, seventh or eighth grade that are interested in joining football will want to attend this meeting.

It will be held on Saturday, May 10, from 1 to 4 p.m. at the American Legion Hall, 1538 Fond du Lac Avenue in Kewaskum.

There will be an orientation with registration to follow throughout the afternoon. First orientation to begin at 1 p.m.

If you are unable to attend this meeting please contact one of the following members as soon as possible: Dave Donath at 626-4342 or 626-2916 or Becky Holub at 692-6004.

Or if you choose, you may attend the monthly meeting on May 7 at the American Legion Hall beginning at 7 p.m.

Thanks to Marshall's

Store, R.H. Improvement, Pharmaceutical Services and Time Saver Services for their generous donations.

Campus Notes

RIPON -- William B. Rochon, son of Mr. and Mrs. William Rochon of West Bend, was one of 19 students nominated for the 1997 Ripon College Alumni Association Senior Award.

Rochon is a biology major at Ripon College.

"Our alumni share a special relationship with the college," said David Minor, director of alumni and parent relations at Ripon College. "The Alumni Association Senior Award Program seeks to affirm that relationship and to celebrate the extraordinary achievements and contributions of our graduating seniors, like William, who

are soon to be alumni."

Rochon, former president and vice president of the Student Senate Judiciary Board, participated in a number of campus activities and intramural sports and is pledge coordinator of the Phi Kappa Pi fraternity.

He is also a volunteer tutor for the Ripon Middle School and mentor for the gifted and talented program in public schools.

Founded in 1851, Ripon College is a nationally-recognized liberal arts institution emphasizing teaching excellence. Located in Ripon, the College's math and science programs were named among the top 200 in the country last year by Peterson's Guides "Top Colleges for Science -- Leading Programs in the Biological, Chemical, Geological, Mathematical and Physical Sciences."

Reasoning with a child is fine if you can reach the child's reason without destroying your own.

School Board

(Continued from Page 1)

use the money without putting an additional burden on the parent." Total money generated by the student fee increase would be approximately \$3,800.

"If it hasn't increased (the fees) in five years, then we have been using money we already have," Larry Fechter related. "The attitude of the money's there, lets spend it, I think, all government agencies need to ease away from that mind set," agreed Board Member Mary Andera. "I see this as a user fee, as opposed to taking it out of another budget."

Other business involving the FTB & G committee included authorizing a new oven for KES, at a cost of \$7,940, and the 1996-97 contingency purchases, not to exceed \$96,155. The board reviewed the itemized list that included items needed for each school, food service, and special maintenance projects. The contingency breakdown list is available at the district office.

Board member Tom Timblin asked for some dialogue and opinions on the idea of forming a district athletic committee, of which he would serve as chairman. He stated the committee could be comprised of the athletic director, athletic coordinator, one or two board members, and a few community members inter-

ested in the betterment of the district's athletic programs, with an open forum for input from the community.

Neal Weare said his farewells to the board and the community, after serving the school district as board member and past president for many dedicated years. "This last year of working with every one of you has been a privilege and an honor," he expressed. "I think Kewaskum has an opportunity to be an outstanding school district in the state, and a role model for other districts." He said his last words of advice would be to always keep in mind what is best for all students of the district, before making a final decision. Board member John Schulte remarked that they were losing their most valuable player.

Congratulations were given to the school district's Odyssey of the Mind teams for their work and participation at the state level, and to the Booster club for their recent 3 on 3 basketball tournament.

Under new business, KHS seniors will be participating in graduation ceremonies on Thursday, June 5, with Tom Timblin and Jon Downs handing out diplomas.

Other approvals for the evening included a leave of absence for Deb Hubbard, a 1998 KHS Spanish trip requested by Barb Olsen, and the acceptance of resignations from KMS OM

coach Laura Schultz and KMS cheerleader Julie Passer. New appointments were as follows: Joe Harlow as girls golf coach; Joe Kinney as head girls track coach; Ellen Kuphal as girls track assistant; Jaime Gastrab as boys tennis coach; Lisa Perkins - KMS assistant volleyball coach, and Jeff Uelman as a long term substitute teacher.

Payroll and accounts payable were authorized in the amount of \$1,066,398.83.

April Kiwanis Students of the Month

Jessica Schulist

Kewaskum High School seniors Jessica Schulist and Nicole Reindl have been named April's "Kiwanis Students of the Month."

Jessica Schulist has been involved in a variety of activities at KHS. She currently serves in her second year as President of F.L.A.G.S., and has been involved in FFA (one year, in addition to judging floriculture), National Honors Society (two years), and Peers 4 Peers for three years.

Jessica has also been involved in Odyssey of the Mind for six years, her KHS team recently returned from competing at the State competition.

Art has also been a major focus for Jessica while at KHS. Some of her paintings have appeared in the District's calendar, as well as in the Milwaukee Journal Sentinel Art Calendar, her work winning a bronze there. At KHS, Jessica is the first student to participate in the Art Seminar, in which she is the assistant to the art teacher at KMS.

Away from school, Jessica enjoys Jazzercise, drawing, painting and reading and works at Cousins in West Bend. She also enjoys traveling, including summertime camping with her family and a school trip to Spain last summer.

Jessica plans to pursue her interests in art and foreign language next year as an art education major with a Spanish minor at Carroll College in Waukesha.

Nicole Reindl has also been active at KHS. In addition to four years of KHS basketball, Nicole has been involved four years in FHA and F.L.A.G.S., in which she currently holds the office of secretary. She has also been a member of the National Honor Society for two years.

One of Nicole's favorite classes this year at KHS is Spanish 4. In previous years, Nicole was able to visit Spain and Mexico with the school as well.

When not in school, Nicole works at the Kewaskum Dairy Queen, and is active in the Youth Group at Holy Trinity. She also spends time with her family, her dog, Reggie, and her

Nicole Reindl

hobbies of jet-skiing, roller-blading, and camping.

Next year, Nicole will be attending UW-Madison to pursue a career in finance investments.

Junior Women to Observe Clean Up Kewaskum Day

The GFWC Kewaskum Junior Woman's Club members will participate in the tenth annual Clean Up Kewaskum Day on Saturday, April 26.

The group will focus on local roadway from 9 a.m. until noon, picking up litter, recycling as much as possible.

Area residents are encouraged to pitch in and clean up an area near you. If anyone is interested in joining the Kewaskum Juniors in the clean-up effort, you may call Karen at 334-0227 or Louise at 626-4291.

A small copy of the Statue of Liberty stands on a small island on the Seine River in Paris, France.

Adults, Senior Citizens Invited to 'Senior Prom'

The Student Council of Kewaskum High School cordially invites all area senior citizens to their annual Senior Prom. An added feature to this annual event will be the inclusion of all area adults.

This dance will be held on Sunday, May 4, from 1 to

4 p.m. with the Grand March at 3 p.m. The cost is \$2.00 per person and the music will be provided by the Julida Boys.

If you have students in high school, or just live in the Kewaskum School District, you are invited to attend the Senior Prom.

EVER WISHED TO KNOW MORE ABOUT OTHER COUNTRIES? HERE IS YOUR CHANCE WHILE STAYING HOME! Klaus 16 from Germany, has own spending money and insurance. You provide room, board and supervision. August arrival. Over 30 countries to choose from. Call Today! 1-800-SIBLING Visit our web site at <http://www.sibling.org>.

KEWASKUM INDIAN BOOSTER CLUB

Ellefsons Tour Branson

Karen and Ronald Ellefson of Kewaskum recently traveled on a six-day bus tour with St. Mary's Mens Group of Port Washington to Branson, Missouri. While there they attended several shows including Bobby Vinton, Lawrence Welk, The Presley Boys, Andy Williams, Anita Bryant and more. Pictured above, with Karen and Ron, is Anita Bryant and her husband (to Ron's right). The celebrities were very friendly and visited the tourists on the buses. The bus, "Have Group, Will Travel," was out of Appleton. It was a fun group and everyone had a great time.

FFA to Hold Annual Banquet

All interested community members are invited to attend the Kewaskum FFA Chapter's annual banquet on Thursday, May 1, 1997 in the Kewaskum High School Cafeteria. The banquet will begin with the meal at 7 p.m. and the program immediately after.

The cost is \$4.00 per ticket and tickets may be purchased by contacting Dave Rizzardi at KHS, phone 626-2166, extension 4816, by Monday, April 28.

Please join the Kewaskum FFA Chapter in saluting those who have helped throughout the year, and awarding honors to some very deserving individuals. Hope to see you there!

A group of kangaroos is called a "mob".

KHS Student Council to Sponsor Post-Prom Party

The Kewaskum High School Student Council, along with The Council on Alcohol and Other Drug Abuse of Washington County, United Way of Washington County and the Kewaskum Indian Booster Club is planning a Post-Prom Party for the students of KHS.

Students going to the Y.M.C.A. in West Bend will either board school buses at 11:30 p.m., on May 3, right after the dance, or drive themselves on this short trip to the "Y." The party will run from 12 midnight until 4 a.m., May 4, at which time the students who rode the buses will load up and return to Kewaskum High School by 4:15 a.m. Students who drove to the "Y" will also be able to leave

at 4 a.m.

Activities for the evening include swimming, racquetball, basketball, volleyball, table tennis, movies, Karaoke, Bunge Run, as well as lots of food and soda for the students. Help is still needed in the form of cash donations, prizes for the students, baked goods and volunteers to help chaperone the many areas and events that are being planned.

If you can help in any way, please contact Larry Ammel, Student Council Advisor at 626-2166, ext. 4570, school, or 626-4731, home, by Thursday, May 1, 1997.

The Student Council members wish to thank you for your interest and help in the Post-Prom Party.

Athletics Win Exhibition Game

The Kewaskum Athletics got the 1997 baseball season off to a successful start as they defeated Mt. Calvary in an exhibition game by a 6-2 score. The A's combined strong pitching with good defense uncommon for the first outing of the year.

Doug Gonring drove in the first run of the year on a line drive to center which scored Kevin Klahn from second base. Klahn had a big day, collecting a couple of hits, a walk and scoring a couple of runs. He had the key hit in a three run rally in the seventh inning that sealed the victory. He also provided strong defense in centerfield.

The A's open the home portion of their schedule this weekend with a pair of exhibition games at Kewaskum Kiwanis Park. Saturday they host Forest and on Sunday they entertain Plymouth. Both games begin at 1:30 p.m. League play begins the following weekend in both the Tri-County Nite League and the Rock River League. The Athletics will once again be led by manager Dave Donath.

When you're wrong admit it: when you're right, shut-up.

Gulig - Yahr

Gail Anne Gulig and Michael James Yahr exchanged wedding vows during a 1 p.m. ceremony on Saturday, August 10, 1996, at St. John the Baptist Church in Johnsbury. Rev. Donald Musinski officiated.

The organist for the ceremony was Marilyn Lisowe and the soloist was Stacie Lehr.

Parents of the couple are Mary and Andrew Gulig, Sr., N110126 Hwy. 151, Malone, and Linda and Richard Yahr, 1165 Hillside Drive, Kewaskum.

The bride chose a friend, Kari Schwenck of Elroy, as her maid of honor. The bridesmaids were Mary Yahr and Julie Yahr, both sisters of the groom from Kewaskum, Ronda Drinkwine, Mayville, a friend of the bride, and Jenny Heberer, Campbellsport, a friend of the couple.

Doug Geidel, Kewaskum, a friend of the groom, served as best man. The groomsmen were Joe Gulig, Malone, a brother of the bride, Joe Gatzke, Campbellsport, a friend of the couple, Mike Johann, Cary, North Carolina, a friend of the couple and Mark Gulig, Malone, brother of the bride.

Ushering duties were shared by Joel Roecker, a cousin of the groom, and Andy Gulig, brother of the bride.

The bride is a 1990 graduate of New Holstein High School and a 1992 graduate of the UW-Madison Farm Short Course. She is employed as an assistant service manager of Holiday Automotive.

The groom is a 1989 graduate of Kewaskum High School and a 1991 graduate of the UW-Madison Farm Short Course. He is employed as a feed consultant at West Bend Elevator.

Following a honeymoon trip to northern Wisconsin,

the newlyweds are residing at 390D Auburn Meadows Ct., Campbellsport.

Letters to the Editor

To the Editor:

Governor Tommy Thompson has declared April 20-26, 1997 as Sexual Assault Awareness Week. Sexual Assault Awareness Week was established to bring awareness to the prevalence of sexual violence and the impact of these crimes on our local communities.

Last year the American Medical Association referred to sexual assault as "the silent, violent epidemic." Silent; because we do not talk about it, violent; because of the horrible impact on its victims and our community, and an epidemic; because thousands of Wisconsin citizens are assaulted each year and hundreds more are impacted by these assaults.

Sexual violence is a widely pervasive problem in our society; one that is rooted in behavior and attitudes, supported by a lack of awareness and education, and evidenced by statistical data. In 1995, over 6,000 sexual assaults were reported to law enforcement agencies in Wisconsin. With sexual assault remaining the most under reported of all violent crimes, this number suggests that more than 60,000 Wisconsin residents became victims of sexual violence during 1995. The impact of the assaults on victim's families, partners, friends, employers, and communities, easily places the number of individuals affected by sexual violence well in the hundreds of thousands.

We know that the residents of Kewaskum are committed to making this community a safe and healthy place to live. We want our children to be safe and our elderly to live without fear. Sexual violence is not someone else's problem. It is our problem. It is happening here, in our community.

This year the theme of Sexual Assault Awareness Week is *End Sexual Violence: Community Commitment, Individual Involvement*. We recognize that only a combined, cooperative effort can eradicate these crimes. During the week of April 20th to the

26th, we invite you to learn more about this crime and what you can do to bring it to an end.

Call Friends of Abused Families at 334-7298 to do your part, and to learn how you can continue your education and efforts, beyond this critical awareness week. Together we can end this crime.

Sincerely,
Nancy I. Robertson

To the Kewaskum Area Voters,

I would like to thank each and everyone of you, who voted for me on April 1, 1997, for a seat on the school board. Your vote of confidence in me is very much appreciated, and I will try my hardest to live up to your expectations.

I will work to keep district buildings in good repair, make sure taxpayers money is used wisely and our children are getting a quality education.

Please feel free to call me about any concern you may have. I'm always willing to listen. My phone number is 488-4183 and I do have an answering machine.

I look forward to this exciting time, serving on the Kewaskum School

Board.
Again, thank you very much.

Lisa A. Maul

KES Class Looks for Bones

Bridgette McDonald, left, and Erin Rammer, fifth graders at Kewaskum Elementary School, pull apart an "owl pellet" looking for rodent bones during a recent session of a G/T class. Owls cannot digest the fur and bones of the prey they eat, so they "cough" them up in the form of pellets. (These had been sterilized for classroom use). Students found, cleaned, identified and compared the assorted bones and skulls they discovered.

School Board Members Comment On Future Facilities/Overcrowding Issues

(Continued from Page 1)

The following are the commentaries of school board members:

NEAL WEARE:

Before one can answer what are the most important issues facing the Kewaskum School District, there are two other questions that need to be asked first.

1. What does the community want in its school district?

2. Second, and I feel the most important is, "What is in the best interest of ALL the students educationally, now, and in the future?"

If we choose not to answer these questions, the problems will continue to escalate into the 21st century and will probably be addressed with a "Bandaid" approach.

The vast majority of people I've talked with favor community schools and don't want a centralized school system. They are also concerned about large class sizes.

The most pressing issue is the Kewaskum Elementary School. Space is our biggest enemy. It is almost non-existing. A portion of the library has been converted into three, maybe four, classrooms. There is also talk that the present district offices will have to be moved to make room for two more classrooms. As tight as it will be, I think we can make it thru the 1997-98 school year.

What we do beyond that is anyone's guess. Although it looks bleak, we can do something about it. We have to look long term, ten to twenty years out, and start to address the issue now.

We have looked at three basic models. It should be noted that all three models include the re-opening of Beechwood Elementary. All three also include remodeling of the three outlying neighborhood schools.

1. The K-4 model would require a new high school to be built.

2. The K-5 model would require a new middle school to be built.

3. The K-6 model would require a new Kewaskum Elementary School to be built.

Of the three models I have seen, I prefer the K-6 model for the following reasons:

1. It is a 15 year plan that could go to 25 years.

2. It supports the neighborhood (community) school philosophy.

3. It will optimize use of existing facilities.

4. It will reduce class size and addresses the crowding at KES and potential future crowding at FES.

5. It will take care of long term traffic concerns

and improve the safety of the students.

6. It is the lowest total cost and most cost effective of all the models.

Someone asked me if Beechwood was reopened, would that solve our problem. My answer is yes, but only short term. We have to look at the total picture and long term.

That's why I favor the K-6 model. If one looks at the K-6 Student Projections, the picture becomes much clearer. In 1996-97 (current school year) we have about 810 students. By the year 2006-07, the projections are for 1403 students at K-6.

As for any alternatives the only thing I can think of is the Bandaid approach. If any one of you have some suggestions, I'd be happy to hear them.

JEAN GOEDEN:

The Statesman has asked us, the Kewaskum School Board members, to write a few paragraphs on what direction this district should take regarding the capital improvements/land purchase/facilities, etc.

First of all, our duty is to abide by the Federal and State laws on providing the best education possible for the students and being fiscally responsible to the taxpayers of our district. (We have nothing to do with the housing ordinances, rezoning of land for development or the limit of the student/area population. (If you have concerns about those issues, you must attend the townships/village meetings to voice your opinions.)

It is our job as school board members to have an environment where the students want to learn, teachers want to teach and the parents want to get involved. **THIS IS OUR OBLIGATION.**

The board looked at three models and many other ideas to accommodate all the students of our district. Over time, and after long discussions, we knew we couldn't agree on everything. We started looking at the capital plan, step by step, and we all agreed we must buy land for the future so we could save the tax dollars on any long-term debt. I was very disappointed when the land referendum failed. The board and administration spent many extra hours looking into different fiscal possibilities. I felt we did an excellent job in trying to save the taxpayer's money for today and in the years to come.

The board is forming a community committee and on April 23, we will be discussing the criteria we would like reviewed by this group of district residents.

The majority of the board is open to parts of the concepts available. Making

the monies comparisons to build, add on or renovate will be one of the many tasks asked for by this committee.

I believe I am open to the majority of the options. My only concern with any of the models is the 7th and 8th concept in the middle school. I attended a Wisconsin School Board Presidents Conference last fall and many of the school districts are going to a three grade middle school (6th thru 8th) or a junior high 7th thru 9th.)

All my children attended the middle school 7th and 8th. It was not an easy adjustment for the children of that time and age. As the kids would say: "We're too old to be with the little ones and too young to be with adults. Where do we fit?"

This is a very impressive age and in today's world these young students need a hug, support, guidance and discipline. I don't like the fact that the 7th & 8th grades would be "isolated" from the other grades. A student coming from an outlying school into the middle school could have a big effect on a child. I would like to see the concept stay as is... K-5, 6-8, and 9-12.

One task I would like to have the board look at, is to have the K-8 on the same starting time. Our 7th and 8th graders could become role models for the elementary grades instead of followers of the students on a high school level.

There are alot of different ideas and concepts to take into consideration. The committee has a big job ahead of them. Remember, this is only an advisory committee and may bring a few options when they report to the board.

TOM TIMBLIN:

As a board member, I have been asked to give my personal synopsis of the district's future. It is clear that the vast majority of voters were not pleased with the land purchase choice of the recently defeated referendum. Unfortunately, it has left more questions than answers.

We are faced with many tough decisions to be made in the next 12 months. The first will be K-4, K-5 or K-6. The board is divided on this issue now, but it must be resolved first because it will determine and help shape our future needs. All three choices have advantages and disadvantages. I will support whichever model the majority of the board decides on. The administration prefers K-6.

My original thought process before the referendum was to support K-4. My reasoning was that K-4 would reduce the bulging numbers in our three elementary schools. Close the

outdated Kewaskum Elementary school, tear it down or remodel a small part of it for the administration office, and move the Kewaskum Elementary kids to the current Kewaskum Middle School.

That would solve the majority of our traffic problems that now exist. Then move the district's 5th-8th grades to the existing high school. There is ample room there for years to come, thanks to the recent improvements of our successful referendum.

We would have then built a new high school on the land we were trying to buy. When you factor in additions at Farmington and Wayne schools, my feelings were that our district would have been set for years to come with our physical plant.

This scenario isn't going to happen now, and even if the land purchase had passed, this plan was one of several being proposed. The electorate has spoken and told us to go back to the drawing board.

A discussion isn't complete unless we deal with Beechwood school. My fellow board members and I are trying to do the right thing for the long term, not a bandaid approach. It's still on the fence. Although the Beechwood area is growing, the future growth trends would seem to indicate that the Farmington, Fillmore, Wayne and Kewaskum areas are growing at a faster pace.

The Town of Scott board is struggling with a plan to increase buildable parcel sizes. This might slow down growth, but it would preserve Beechwood's very important rural heritage. This is an emotional tug of war that all of the area townships are dealing with.

My fear is that if we open Beechwood school now, will we have to bus kids from the New Fane and Kewaskum area to Beechwood in the future to maintain the numbers. One thing everybody agrees on is that it is a nice facility that should be utilized one way or another. It should not be allowed to deteriorate any further. If we decide ultimately to open it, fine, but if we decide not to, then my opinion is that we should sell it cheaply or even give it back to the community to enjoy however they wish.

One new idea that I am warming up to is the possibility of tearing down the Kewaskum Elementary School and building a new one on the old football and baseball fields. We could then reroute school traffic to the other side of the block, thus eliminating the majority of our traffic problems. If we then stagger school closings by a few minutes, school traffic and Regal Ware traffic would not bottleneck.

I also believe we still need to buy land for the future that is close. Washington County is the fastest growing county in Wisconsin. When all the

suitable land is gone, it's gone forever. Then we will all wring our hands and wonder why we didn't plan for the future better. The land we buy today will seem like a great bargain in ten years from now.

The Campbellsport School District had the wisdom to purchase land for a future school site. They will now sit on it for a few years until a decision is made.

I know the current price of land is ridiculous. Do you think it's ever going to go down? Like it or not, these are today's prices. A little known fact is that Mr. Reigle and Mr. Ogi agreed to sell the school district their land for over \$250,000 LESS than the appraised fair market value. We are lucky to have such a community oriented businessmen. Their price was 30% per acre less than the asking price of a small parcel across the street. Although a small portion of this land is unbuildable, the entire parcel could have been utilized as a sports field, parking lots and nature trails. Regardless of all the crazy rumors that were circulating, I still believe this parcel of land makes sense.

One thing is clear in this maze of choices, we the board and the administration, will continue to work to bring the voters a balanced package they can support. Please let us know your desires... we work for you!

MARY ANDERA:

I wanted to know what the voters thought about the future needs of our district. I felt that if the referendum failed, that would be an indication to me that the voters don't see space needs and future planning as being a top priority at this time. If the referendum passed, it would indicate that voters felt the time was right to start planning ahead. However, I would have liked more time before the vote took place to give the people a chance to think about our district and have discussions with their neighbors, friends, board members and administrators.

We need direct community involvement in the selection of any plan for future expansion for the district. As a taxpayer and not a board member, I'd like to have an opportunity to provide my ideas regarding the different models instead of just being asked to approve or reject one proposal. I think it is important to give folks that opportunity.

I have always favored academic excellence and high standards as first and foremost of any school district. Toward that end, I think we need to address the situation at the elementary level. A strong case can be made for the academic advantage of smaller class sizes in grades K-3 or K-4. A solid academic basis with attention being paid to instilling self-discipline will give our children a great start on their journey in

(Continued on Page 11)

(Continued from Page 10)

education.

I, personally, am a big fan of K-8 for many reasons. Though I've been told that K-8 is the most costly plan, I have not seen the numbers on it because it was not included as one of our choices for models. Before all of this is over, I would like to see exactly how K-8 shakes out in our district. I would like to explore its viability. Regarding the models that have been presented to us, I will say that I see positives and negatives about each model. I need more time to listen and to ask questions.

If a future referendum does not pass, I have confidence in our administrative team. I believe that they will put together some type of solution. However, any "solution" will just be temporary -- a bandaid, so to speak.

This is not an easy process. I've always said that a person would have to be crazy to vote to have his already extravagant taxes raised. That's why I believe we have to take our time with this future planning. We have to do this slowly and with careful thought to our entire district, not just

the people with children. I don't believe this can be strictly an educational decision. It has to be fiscally sound. We need to look at how we are currently spending the money that is already being given to us. Are we managing it prudently? These issues must be considered in addition to the space needs issues.

I don't like referendums. They are used to ask the voters to allow us to spend above our revenue caps. I like revenue caps. They were put in place to keep district spending from going through the roof. However, I also realize that major expenditures such as a new school, renovations, or land purchase just cannot be figured into a budget a little at a time. At some point, after careful analysis, we will have to expand our facilities due to the rapid growth. The school district is not responsible for all the growth in the townships and village. But we must be able to accommodate the increase in students. Our job is to provide educational opportunities to the children of our district in a fiscally prudent manner.

A Chinese artist of the 1920's, Huang Erhnan, painted designs on silk cloth using his tongue as a brush.

K-6 Model w/New KES
(25 YEAR CONCEPT)

SUMMARY:

1. District transitions to K-6 elementary in 1997-98 with reopening Beechwood and then remodels at FES, BES, and WES sufficient to 2010.
2. Construct a new KES on a new site.
3. Upgrade KHS/KMS gym/auditorium/IMC, redesign Rose Hall, 700 area, plus other upgrades.
4. Land purchases sufficient to meet new MS needs in 2010.

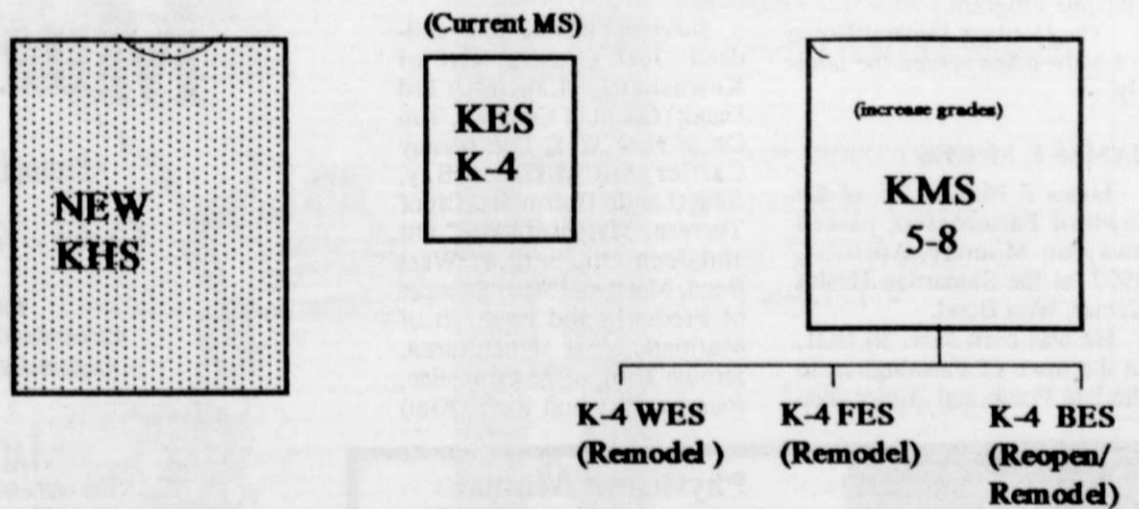

K-5 Model w/New MS

SUMMARY:

1. Construct new middle school on new site.
2. Construct new KES on new site.
3. Add additions to outlying schools to meet student projections to 2010.
4. Have KHS absorb current KMS.

K-4 Model w/New HS

SUMMARY:

1. Construct new high school on new site.
2. Move grade 5 to middle school (5-8) and move middle school to high school site.
3. Move KES to present middle school.
4. Add additions to outlying schools to meet K-4 projections to 2010.

Obituaries

SHELLY MARIE KUHNKE

Shelly Marie Kuhnke, age 21, of Campbellsport, passed away on Sunday, April 20, 1997, at the home of friends.

All her life, Shelly fought the affects of Cerebral Palsy, until the night of April 19, when the Lord Jesus decided He needed a "Little Angel."

She was born August 30, 1975, the daughter of Tom and Joy (nee Konwent) Kuhnke.

She is survived by her parents; a younger sister Becky K; grandparents Edward and Peggy Konwent of Sussex, and Gertrude Kuhnke of Cedar Lake Home; three uncles, Ted Konwent of Sussex, Gerald (Jean) Kuhnke of Stevens Point and Eric Konwent of Milwaukee; two aunts, Sue (Gary) Herremann of Hartford, and Julie Konwent of Arizona; along with great aunts and uncles, cousins, other relatives and many friends, including Jeff and Bonnie Sabel of Shelly's AFL Home.

Preceding her in death were her grandparents, Elmer Kuhnke and Elaine Konwent.

Services were held Tuesday, April 22, at 3 p.m. at Wisconsin Memorial Park's Chapel of Chimes. Interment followed at Wisconsin Memorial Park.

Friends called from 1 p.m. until the time of services.

Shelly's family would like to thank the many people who shared in their daughter's life, those whose lives Shelly touched, for all the help and support through the years.

Memorials can be made to the Kuhnkes in Shelly's name, the CCSA of Washington Co., or the Eater Seal Society Respite Program.

The Heritage Funeral Home of Milwaukee served the family.

JAMES F. McKEE

James F. McKee, 75, of the town of Farmington, passed away on Monday, April 21, 1997, at the Samaritan Health Center, West Bend.

He was born Nov. 30, 1921, in the town of Farmington, to the late Frank and Agnes (nee

Murray) McKee, attended Orchard Valley Grade School and graduated in 1939 from Kewaskum High School.

On Sept. 15, 1951, he married Mary Lou Kritz at St. John of God Catholic Church, town of Farmington.

Along with his wife, Mr. McKee owned and operated a farm in the town of Farmington and was also employed by The West Bend Company, retiring in 1987 after 45 years of service.

He was a member of The West Bend Company's 25-Year Club and a member of St. John of God Catholic Church in the town of Farmington

Survivors include his wife; six daughters, Patricia (Kenneth) Hoerig and Teresa (Dennis) Nowack, both of West Bend, Beverly Schoofs of Fond du Lac, Catherine (Jack) Westerman and Mary (David) Beck, both of Kewaskum and Barbara (Paul) Gruber of Horicon; three sisters, Lucille McKee of the town of Farmington and Florence (Leroy) Simandl and Mildred McKee, both of Milwaukee; 18 grandchildren; and other relatives and friends.

Preceding him in death were a sister and brother-in-law.

A mass of Christian Burial was held at St. John of God Catholic Church at 7:30 p.m. on Wednesday, April 23. Father Nicholas Goebel officiated and burial was at 10 a.m. Thursday in the church cemetery.

Visitation at the church only was Wednesday after 4 p.m.

The Miller Funeral Home, Kewaskum, served the family.

NORMAN R. OTT

Norman R. Ott, 68, of Pound, died Sunday, April 20, 1997, at his residence.

He was born Sept. 7, 1928, in Milwaukee, to the late Frank and Pauline Ott, and owned and operated Norm's Bait Shop at his residence for 11 years.

He was in the army for four years and was a member of the American Legion.

On Feb. 20, 1996, he married Grace Laplant, and the couple enjoyed traveling together.

Norman's family will miss his love and great sense of humor.

Survivors include nine children, Jeff (Jeanie) Ott of Kewaskum, Laurie (Ted Danes) Olson of Oshkosh, Tim Ott of New York, Dan (Penny Cartier) Ott of Green Bay, John (Laurie Hoffmeier) Ott of Theresa, Margaret "Peg" Ott and Jean Ott, both of West Bend, Maureen (Stan) Stemper of Fredonia and Paul Ott of Marinette; four stepchildren, Jerome Lang of Menomonie, Joan Lemsky and Ruth (Kim)

Armbruster, both of Marinette and Glen (Mary) Hollsten of Menominee; 17 grandchildren; a sister, Audrey (Jim) Baulsir of Milwaukee; and other relatives and friends.

Funeral services were held Wednesday, April 23, at 6 p.m. at the Rhodes-Charapata Funeral Home, Coleman. Pastor Frank Hazelo officiated and interment was at 11 a.m. Thursday in Trinity Evangelical Lutheran Cemetery, Coleman.

Visitation at the funeral home was Wednesday from 4 to 8 p.m.

GERTRUDE A. MEYER

Gertrude A. Meyer, nee Opper, formerly Schultz and Landgraf, of West Bend, died Sunday, April 20, 1997, at the Cedar Lake Health Care Center, at the age of 78.

She was born July 2, 1918, in Campbellsport, to the late Herman and Helena (nee Giese) Opper, and married LeRoy Schultz in Kewaskum.

Together they operated a farm on Highway H near Kewaskum. They then opened Schultz' Village Inn in Kewaskum, operating the business for 10 years. Shortly after the death of her husband, she sold the restaurant.

She then married Frank Landgraf, and after his death married Arthur Meyer who also preceded her in death.

For the past five years she has resided at the Cedar Lake Health Care Center.

Gertrude was actively involved in many church activities, the Audubon Society and garden clubs. She also performed many volunteer hours at the Bethesda Lutheran Home, Watertown.

Survivors include seven children, Robert Schultz of Manitowoc, Donald (Vivian) Schultz of Appleton, Ruth (Norbert) Weis of Campbellsport, Kathy (Ralph) Ewert of Colgate, Eileen (Henry) Dieringer of Germantown, LeRoy (Mary) Schultz of Campbellsport and Richard Schultz of West Bend; 20 grandchildren; 15 great-grandchildren; a sister, Ethel Haferman of West Bend; a brother, Harold (Myrtle) of Wayside, Wis.; stepchildren; step-grandchildren; and other relatives and friends.

Funeral services were held Tuesday, April 22, at 7 p.m. at St. Lucas Ev. Lutheran Church, Kewaskum. Pastor Edwin Fredrich officiated and burial was in Lutheran

Memorial Park, Kewaskum.

Visitation at the church only was Tuesday from 3 to 6:45 p.m.

Those who wish may give memorials to Bethesda Lutheran Home, Watertown.

The Schmidt Funeral Home, West Bend served the family.

IN MEMORY

In loving memory of ROBERT WESENBERG, who passed away four years ago, April 22, 1994:

Four years have passed, although it was like yesterday.

Your memories will last forever because in our hearts they will always stay.

We miss your laugh and smiling eyes, your loving care was always there.

We know you hear our mournful cries and always guide us with your tender care;

and in the dark and lonely nights as our eyes we rest,

You renew our love by mornings light and give us courage to be our best.

Some day we will all be together, in that pain-free place that's now your home.

We know it will be better because once again we will all be home.

Sadly miss by his wife, children and grandchildren.

IN MEMORY

In loving memory of my dear wife, our mother, and grandmother LAURA GATZKE, when the Lord called her to his heavenly home five years ago, April 11, 1992:

Our hearts still ache with sad-

ness.

Secret tears still fall. What it meant to lose you, Only God will know.

When days and nights are lonely,

And everything goes wrong, we seem to hear you whisper

Cheer up and carry on. Each time we see your picture,

You seem to smile and say "Don't cry, I am only sleeping,

We will meet again some day."

Deeply missed by her husband Norbert, children and grandchildren.

IN MEMORY

In loving memory of our son and brother, BARRY EHNERT, who passed away 10 years ago, April 21, 1987:

Heaven's Just Wonderful

Mother & Dad don't cry that I didn't stay,

We all only visit God planned it that way.

Some stay a long while like Gramps has done,

But sometimes God calls home his favorite one.

I know that you'll be lonesome for me for awhile,

But time heals all wounds again you will smile.

So please wipe that tear away from your eyes,

I'm so happy up here, there's no need to cry.

Heaven's just wonderful you wait and see,

I have gone to prepare a place for you and me.

Sadly missed by Mom, Dad & Heide.

District Third Graders Experience the Arts

A group of Farmington third graders ate lunch on a hill beside some sculpture at the Milwaukee Art Museum. After lunch, the students headed to the symphony.

KES third grader Walter Huf eats lunch outside the Milwaukee Art Museum. A beautiful springtime day allowed the students the chance to eat overlooking the lake following their tour.

"Harmony in the Arts," was the theme of a recent district-wide field trip for third graders in the Kewaskum Schools. Students toured the Milwaukee Art Museum, then attended a Milwaukee Symphony Orchestra concert at the Marcus Center in a day that

brought students experiences many never had before.

The guided tours at the Art Museum centered on animals in art, allowing students the chance to see, and ask questions about, pieces of art from a variety of peri-

ods. At the Marcus Center, the concert highlighted drums and rhythms. Students heard traditional symphony music by Stravinsky, as well as less traditional arrangements from Duke Ellington, and were also invited to join in during performances featuring traditional African drums and percussion instruments.

The reduced-cost trip was made possible by the elementary schools and the program for students with additional gifted and talented needs (G/T). Thanks to the students, teachers and chaperones, the day was, indeed, an artistic success.

"Well, yeah, our ad DID say we are looking for someone who is loyal and obedient..."

Civic Oration Winners

Farmington fifth graders Kenny Payne, right, and Elizabeth Horner, posed with the trophies they won for speeches about important inventions in the Modern Woodmen of America's Civic Oration Contest held at Farmington Elementary School. Kenny captured first place with a speech about the value of artificial satellites for communications, navigations and exploration. Elizabeth was named runner-up for her speech on the invention of the elevator. Other students cited for their speeches, receiving "Gold Award Pins," include: Molly Glander, Kristina Allen, Jeffrey Bischoff, Peter Paulus, Holly Parsons, Melissa McKee and Erik Wagner.

KHS Track Sixth at Red Knight Invitational

Using a team scoring format (all twelve places score points for the two entries from each boys and girls team) and a combined score for the boys and girls team of each school would in itself be a lot for the Kewaskum team to overcome on Saturday, April 19th. Add to this a very long bus ride, bad directions, arriving late, and then competing without some of their seniors who were taking placement tests and without other injured athletes, the girls team hadn't expected to battle for the trophy.

Wisconsin Lutheran took the first place trophy with a total of 500 points compared to Milwaukee Lutheran's second place total of 478.5 points. Homestead took third with 475 points, followed by 407 points for Burlington and 404 points for St. Catherine's and 252.5 for Kewaskum.

Highlights for the KHS girls' team include the following:

Carrie Wiesner ran away from the competition by running a 50.6 in the 300m low hurdles. Teammate, Jackie Michaels came on strong at the end of the race to capture second in 52.3.

Marni Lynn was put back into the 1600m run for the meet and finished first with her best time of the season 5:28.6. Teammate, Carol Neumann's 5:49.1 placed fourth. Lynn and Neumann placed second and third in the 800m run with time of 2:30.3 and 2:32.2 respectively. "They have put in a long week and they need some rest," commented distance coach Jerry Gosa when adding up all the races run in the three meets over the last six days.

In the discus Katie Yogerst set a meet record with her toss of 110' 10" competing on a wet circle. Sara Dedert, substituting for Rachel Nysse, who

was testing, placed fourth with a throw of 92' 5". Yogerst added a second in the shot put with a season best put of 35' 1/4" and Dedert picked up a fifth with a throw of 30' 9 1/2".

Mackenzie Downs surprised herself and her coaches with a personal best 32' 1" in the triple jump - good for a first place medal. Jill Wichtoski finished fourth with a 28' 5 1/2" triple jump and sixth with a 13' 6 3/4" long jump. Jessie Repovsch added a fourth with her 4' 6" in the high jump.

The 800m relay of Mackenzie Downs, Jackie Michaels, Heather Downs, and Carrie Wiesner took third in 1:56.3 and scored 16 points using the special scoring system.

The 400m relay team of Mackenzie Downs, Heather Downs, Amy Barrett, and Jackie Michaels took fifth in 56.1. Both relay teams and the 100m or 200m dashes were without senior Jenny Jagielski

who also missed the meet due to placement testing.

In the 200m dash, Amy Barret finished eighth in 30.1 and Joanne Thull tenth in 30.4.

The KHS boys team completed with only 11 athletes which meant that in many events only one athlete was entered and that the team did not compete in the 400m, 1600m, and 3200m relays along with the 100m dash, 110 high hurdles and 330m intermediate hurdles, and the triple jump - a total of seven events. Again placement testing and injuries did not help, but the main reason deals with the few number of boy athletes out for the team.

Highlights for the KHS boys' team included the second by Brian Liegl in the discus with a toss of 131' 11" and a third by Matt Gundrum with his 44' 5" in the shot put. Gundrum also placed 6th in the discus with a toss of 120' 2" and Liegl placed seventh in the shot with a put of 40' 4 1/2". A strong event for the boys, the pole vault was not scheduled as an event and was not held.

Sean Cotter's 5' 8" in the high jump tied for sixth and Matt Hammen's 5' 8" ended up eight due to number of misses. Both KHS jumpers were disappointed with their results.

Troy Staehler ran his best 800m run of the season in 2:14.2 for 7th, only a couple of seconds off his personal best and Eric Schoedel placed 12th in 2:29.1. Schoedel also ran 5:33.5 in the 1600m run for eighth place. Aaron Nelson's 13:12.5 in the 3200 run also placed eighth. Brad Hermann and David Lettow placed 10th and 11th respectively with times of 26.6 and 28.2 in the 200m dash. Lettow also placed 9th in the 400m dash in 1:01.6.

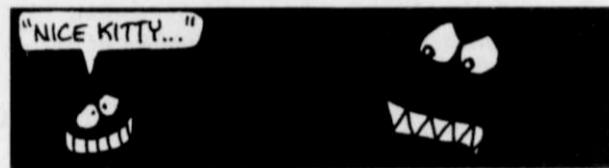

The 800m relay team of David Lettow, Chris Wenninger, Matt Hammen, and Troy Staehler finished in 1:48.7 for sixth place. Chris Wenninger jumped 14' 6 1/4" in the long jump for 10th place.

On Tuesday, April 22, the KHS girls host New Holstein and on Thursday, April 24, both the KHS girls and boys team travel to Plymouth for a coed track meet. Tuesday, April 29, Slinger hosts the Washington County Outdoor Championships.

Third Grade is A-Poppin'

Third graders cheer as popcorn explodes from the uncovered popper recently in Mrs. Nelson's room at Kewaskum Elementary School. Popcorn was used for subjects from math to science to language arts as the kids learned throughout the day (and munch-ed popcorn, too!).

Cats eyes seem to glow in the dark because of a mirror-like structure in the eye that reflects light onto the retina.

School Board Meeting Minutes

School District Of Kewaskum Regular Meeting March 10, 1997

MINUTES

The meeting was called to order at 7:00 p.m. by Vice-President Timblin.

Members present: Larry Fechter, Neal Weare, Tom Timblin, Jon Downs, Mary Andera, John Schulte.

Member absent: Jean Goeden.

Following a moment of silence, Clerk Andera led the Pledge of Allegiance.

Dr. Johnson announced that #8-Discussion and approval of 1997 summer school plan had been added since the original publication of the agenda.

Weare/Fechter motion to approve the agenda with the following deletions: delete #3 Approval of .5 Principal position at WES and delete #4 Approval of Technology Specialist position. Motion passed 6-0.

The following students were given Student of the Quarter recognition: Holley Hussmann (KHS), Dan Willkomm (KMS), Casey Scheel (KES), and Michael Gehl, (FES).

Mr. Terry Cartwright presented a large plaque listing the names of community volunteers who helped make the football field lights a reality this past year.

Student Representative, Jamie Gaffke, reported on the many student activities at the high school.

Audience to Visitors: Mary Andera read an announcement submitted by Jean Goeden recognizing Chad Harlow, a graduate of KHS, for his many accomplishments in acting and drama. Chad will be appearing at the Fireside in Fort Atkinson May 15th through August 3rd in the play Joseph and the Amazing Technicolor Dreamcoat.

Jon Downs congratulated the OM teams on their success at Regional Competition. Two teams (FES and KHS) will be going to State Competition on April 19th in Stevens Point. He also congratulated gymnast Nadalie Reindl for her first place finish in State Competition. Joel Dzedzic (2nd place) and JR Schnabel (5th place) were recognized for their efforts at the State Wrestling Tournament.

Weare/Downs motion to approve the February 8, 1997 Special Meeting minutes. Motion passed 6-0.

Andera/Downs motion to approve the February 8, 1997 Closed Session minutes. Motion passed 6-0.

Downs/Andera motion to approve the February 10, 1997 Regular Meeting minutes. Motion passed 6-0.

Schulte/Fechter motion to approve the February 25, 1997 Closed Session minutes. Motion passed 6-0.

Larry Fechter announced that the next FTGB Committee Meeting is scheduled for Tuesday, March 25, 1997 at 6 PM in the District Office.

Policy #368-Opt-In Policy was presented for the first reading.

Andera/Schulte motion to approve the formation of an HR Manual Advisory Committee to review the current draft of the manual and report to the Policy Committee in May. Motion passed 6-0.

The next Policy Committee Meeting will be held Tuesday, March 18, 1997 at 6 PM in the District Office.

Downs/Weare motion to approve the payroll and accounts payable in the amount of \$1,037,874.77. Motion passed 6-0.

Dr. Johnson announced that a closed session will be held March 20th to discuss administrative staffing and negotiations.

Downs/ Fechter motion to approve the resignation of Kim Benson. Motion passed 6-0.

Weare/Schulte motion to approve a limited term teaching

contract for Denise Schramm. Motion passed 6-0.

Weare/Andera motion to approve the resignation of Erv Uhlman as KMS Newspaper Advisor, contingent on finding a suitable replacement. Motion passed 6-0.

Schulte/Fechter motion to approve the 1997 summer school plan as presented. Motion passed 6-0.

Fechter/Downs motion to adjourn. Motion passed 6-0. The meeting adjourned at 7:50 p.m.

SCHOOL DISTRICT OF KEWASKUM KEWASKUM, WISCONSIN

March 17, 1997

PUBLIC HEARING

MINUTES

A public hearing was held at 7:00 p.m. in the commons at Kewaskum High School for the purpose of discussing the future facility needs for the School District of Kewaskum.

Approximately 55 residents were in attendance, including all board members.

President Goeden announced that O & R Enterprise accepted the district's offer to purchase a 78 acre parcel of land. The land extends along the south side of County Highway H to Kettleview Drive, on the west side of the Town of Kewaskum. The purchase price is \$545,000.

District residents were given the opportunity to ask questions of the administration and voice various opinions for and against the land purchase as well as other facility options.

Residents wanted to know how many of the 78 acres were unusable and were told that approximately 20 acres were not suitable for building, but 5 acres were unusable. When asked about utilities, Business Manager George Allmann replied that a lift station would be required at a cost of \$30,000 based on architectural studies. Dr. Johnson informed those present that if the referendum to borrow the money to purchase the land was approved the tax impact would be zero because the district proposes to take the same dollar used last year to pay down the district's long term debt and apply it to the land purchase cost.

One resident asked why

Beechwood School is not reopened. Larry Fechter replied that Beechwood would remain a separate issue that will stand by itself. Jean Goeden stated that the Beechwood issue would be on the May Regular Meeting agenda.

The board was asked for reassurance that the present facilities would continue to be improved. Larry Fechter stated that the board will continue to prioritize and allocate funds as needed to maintain the present buildings properly.

Board members informed the public that approximately six other parcels of land had been considered.

One resident wanted to know why the purchase of land wasn't discussed before the remodeling and additions were done to the present KMS and KHS. Neal Weare replied that the board was only asked to address the overcrowding at KMS and KHS at the time and were only given statistical figures that went out to the year 2005 for WES, KES and FES.

The public hearing adjourned at 8:15 p.m.

4-H EXPRESS

The meeting of the Kewaskum 4-H'ers was called to order on Thursday, April 3, 1997 at 7:00 p.m. by President Jennifer Rogowski in the Kewaskum Municipal Building.

The Pledge of Allegiance and the 4-H Pledge were led by Casandra Kougl and Heather Hackbarth. Roll call was taken with members naming a type of food from anywhere in the world. The Secretary's report was given by Josh Nahmens and the Treasurer's report was given by Jessica Lendved.

Activity reports were given. Brooke Zanow reported on the County Exploring Day, Stacey Imler reported on the County Bowl-A-Thon, Amanda Jesowshek reported on the Club tour of the West Bend Art Museum, Adam and Alyssa Jung and Jason Jahnke reported on the foam club craft.

There will be a club outing to the Milwaukee Public Museum on Sunday, April 20. Members are to meet at Sentry

Foods in Kewaskum at 9:00 a.m. and car pool.

Plans are being made to have a brat/hamburger sale at Sentry Foods in Kewaskum on Saturday, May 24th.

The date of Saturday, April 12, was set to pick up trash for the Adopt-A-Highway project. Members are to meet at Goeden's in St. Michaels at 9:00 a.m.

Jennifer Rogowski will lead the April club craft. We'll be designing/dying t-shirts on Saturday, April 27, at 1:00 p.m. at the Zanow's house (W296 County DD).

Committees were set up to organize a June Dairy Month window display and to plan activities for the weeks we host the West Bend Farmers' Market.

Members were informed of

upcoming project meetings, summer camp dates, and the Interstate Exchange program.

A happy birthday was wished to club members Josh Nahmens and Brooke Zanow who celebrate their birthdays in April.

Henrik Lorenz, Kewaskum High School foreign exchange student from East Germany, gave an interesting presentation and showed many items from Germany. Jessica Lendved gave a demonstration showing members how to make a quick and easy snack. The meeting was adjourned and refreshments were served.

The next club meeting will be on Thursday, May 1, at 7:00 p.m. in the community room of the Kewaskum Municipal Building.

Graeme Zanow, Reporter

IN MEMORY

In loving memory of our dear mother, **MATHILDA STERN**, who passed away two years ago, April 30, 1995.

Softly the stars are shining
Upon a precious grave
Beneath lies one we dearly loved

But whom we could not save
We mourn for her in silence
No eyes can see us weep
But many, many tears are shed
While others are asleep.

Truly missed and always loved by your family.

Doctors say prolonged exposure to noise over 90 decibels can lead to hearing loss. A typical rock concert is about 100 decibels, a jet engine 800 feet away around 110.

ABC SKAT RESULTS

The winner at skat played at the Town of Scott hall on Tuesday, April 15th was: Harold Eggert, 15-0--15 net.

Farmington Sesquicentennial Tree Search Correction

The article that appeared in the April 10th edition of the Kewaskum Statesman regarding the Town of Farmington Sesquicentennial Tree Search had the incorrect telephone number of Master Gardener Barbara Schulz Kluever to whom you could report qualifying oak trees. Her correct number is 692-2716. We regret any inconveniences this caused.

St. Lucas Host Pioneer Derby Race

6th place derby winner Lee Schacht.

Pictured (L to R) 6th place derby winner Corin Groth and 1st place winner Andrea Gust.

St. Lucas Lutheran Church recently hosted the district Pinewood Derby Race.

The Girl Pioneers began racing at 9:00 a.m. It concluded with two girls from St. Lucas finishing in the top six.

Andrea Gust received 1st place and Corin Groth received 6th place qualifying them for the International Race being held in South Haven, Michigan.

The Boy Pioneers began their racing session at 11:00 a.m. with a devotion by Pastor Timothy Henning. After a full afternoon of racing and fellowship, Lee Schacht finished in sixth place qualifying him to the International Race which will be held at the Boy Pioneer Headquarters in Burlington, WI.

GROWMARK Listens to Young Farm Leaders

GROWMARK Young Farmer Communications Conference

Left to right: Glenn Webb, Andy Degnitz and Norm Jones

Andrew Degnitz of Fredonia, joined young farm leaders from Illinois, Iowa, Wisconsin, and Ontario, Canada for the GROWMARK, Inc. - Young Farmer Communications Conference March 24-25.

More than 30 Farm Bureau Young Farmer State Committee members and leaders from the Ontario Federation of Agriculture came together in Bloomington, Illinois for this two-way exchange of ideas with top GROWMARK management. According to John Croft, member relations manager, both the regional cooperative leaders and young farmers listen and learn from each other.

"The conference provides an informal forum for young farmers to ask questions about this cooperative system," Croft said. "In turn, it helps GROWMARK learn what young farm leaders want."

What Did the Young Farmers Say?

"We all need to be more aware of doing nutrient management plans and telling a positive message instead of the miss-information consumers get from other special interest groups," said Paul Hetke of Ladysmith, Wisconsin.

"We need to educate our urban neighbors and not forget to educate farmers," said Barbara Ann Glaude of Berwick, Ontario. She also coined the word, "rubanites," to describe urban people that are moving out into

the country.

"We need to remember that farmers are more often going to use the person (and company) they know and get along with," said Kevin Westergaard of Adair, Iowa.

"We need to listen to the public and educate them about agriculture. We need to understand what the consumer wants and provide

it," said Don Young Jr. of Cortland, Illinois.

The GROWMARK - Young Farmer Communications Conference is one way this regional cooperative listens to the present and future leaders of FS and grain member cooperatives in the Midwest, U.S. and Ontario.

"... Star light, star bright, first star I see tonight."
