Board Handles Routine Agenda

By Lana Harbeck Kuehl

The request from Richard and Faith Mauk for rezoning of the property at 402 Main Street, Kewaskum, was approved by members of the Plan Commission during a meeting held at 7 p.m. Monday, June 23, prior to the rescheduled Village Board meeting.

The rezoning approved by members of the Plan Commission was from R-2 Single Family Residence District to B-3 Central Retail Business and Service District. The Mauks are hoping to open an antique store at that location in the future.

Village President Robert Wagner opened regular Village Board proceedings by reading a Proclamation of Appreciation to retiring Zoning Administrator Richard Zarlring in honor of his "many years of faithful, efficient and dedicated public service" to the Village as well as the Kewaskum School District.

Trustee Gary Gavin added to the accolades, stating Zarlring was always fair and showed no favoritism. Gavin reiterated, no matter who you were or what you did, Richard Zarlring always "went by the book."

Bids for the sale of the 1995 used squad car were presented with Police Chief Richard Knoebel recommending the bid of \$6,138 from Winners Motors of Long Island, New York, which the board approved.

Assistant Fire Chief Mark Herriges gave his monthly report, followed by an update on the setup of the July 3rd fireworks display.

Village Administrator Dan Schmidt stated, "This is by far, the largest fireworks display we've ever had." President Wagner added he felt, "We are having the best fireworks in Washington County."

Following his monthly report, Police Chief Richard Knoebel asked permission to advertise for a crossing guard due to the resignation of an existing guard.

Knoebel also added there would be no Brewer cards handed out by police officers this year, however, Packer cards will become available to be passed out in August.

Trustee Robert Stoltzmann asked Chief Knoebel if the coupons were being issued to children on bikes who were wearing safety helmets. Knoebel stated the

program was going very well, with over 100 coupons for a free ice cream cone being awarded to local children who were wearing their helmets.

Director of Public Works Jerry Gilles announced Sprint would be exercising their lease option on the No. one water tower and would be affixing their antenna after the tower has been painted.

Gilles also added there were a few problems during the recent heavy rainfall, and some auxiliary pumping had to be done on the sewer lines, with the only actual problem occurring in the Roseland Drive area.

Under Committee Reports, Trustee John Kenworthy, Chairman of Parks and Recreation, stated it was decided to complete the project of a pathway between Knights and Braatz, "to shorten the radius." Kenworthy added, "The total cost would be around \$5,200 and would involve a low wall on the west side and a walkway on the east side."

Kenworthy felt, "it would be a nice thing to do to finish up the project." The board agreed, voting unanimously in favor of completion.

The second item discussed by Kenworthy's committee was the review of the plans for the construction of

a storage shed/warming ice skating facility at Kiwanis Park.

He reported it was felt perhaps an urgent need for the warming building was not warranted at this time, and the possibility of utilizing an existing building would be looked into.

Under Capital Improvements, Village Administrator Dan Schmidt stated he has been working with the railroad on the relief project adding, "We're working on it, but it's a slow process."

New business brought up included the adoption of the Resolution of the Kewaskum Land Use and Street System Plan as recommended by the Plan Commission at an earlier Public Hearing.

Discussion was held on the village's options for the replacement of retiring Zoning Administrator Richard Zarlring. Village Administrator Dan Schmidt suggested for a smooth transition that Building Inspector Gordon Hoffman be utilized as interim Zoning Administrator until the new zoning ordinance becomes operational.

The board also recommended the board also recommend the issuance of a Proclamation to the Kewaskum Kiwanis in recognition of their 50 years of service to the community.

PARADE THEME

The theme for the upcoming Kewaskum Firemen-Legion parade held in conjunction with their annual picnic next weekend is "The Pack is Back."

The theme, universal throughout the state of Wisconsin, should be easy to build a float around, considering the enthusiasm for the Packers and the availability of Packer memorabilia.

The firemen and legion invite everyone to become involved in participating in

this year's parade scheduled for 12 noon on Sunday, July 13.

River Hill Park will be the center of activity next weekend when the picnic opens at 10 a.m. and the camaraderie continues into Sunday with friends and neighbors attending to enjoy the excitement and entertainment.

Plan on attending and check next week's paper for a complete writeup listing all the picnic activities lined up for this year.

Fireworks July 3

Although Kewaskum is still being known as a small town, we're gaining a big reputation as hosts of one of the county's most spectacular fireworks displays, always held in honor of our country's celebrated day of independence.

This year, the village plans on holding that tradition and spectators are once again invited to gather at River Hill Park on Thursday, July 3, for an evening of good family fun, great food, and an after-dark "sky-extravaganza" that promises thrills and chills of thundering light and sound.

The Kewaskum Fire Department will be setting off the fireworks displays at the usual place along the shore of the west bank of the Milwaukee River, with the crowd traditionally claiming their favorite spots up on the grassy hill east of the river.

The Department plans to start firing some aerial salutes before dusk to remind everyone to get to the park early enough to enjoy a bite to eat, chat with friends, and have a "cold one" before the festivities begin. The firemen will be serving their delicious brats, burgers and fries with both refreshment stands opening on the grounds at 5 p.m.

This year, the evening will be highlighted with the music of "Illusion," playing from 8:30 p.m. to 12:30 a.m. There is no cover charge.

Due to the generous contributions from area residents, this year's illuminating show will be nearly double the size, as the donated monies almost equaled the normal budgeted amount set aside for the fireworks. A list of those who contributed to making this year's dazzling extravaganza better than ever can be found in this week's paper.

The fire departments asks that you please refrain from bringing carry-ins to the park the evening of the fireworks, and support Kewaskum's Volunteer Fire Department. Beverages will be available on site, with \$1 cans of Miller products.

There's room for everyone at River Hill Park, so bring your family and friends and start the holiday off with a bang...first a burger or two, and then settle into your favorite spot on "fireworks hill" and wait 'til the fun begins after dark.

A rain date has been scheduled for Friday evening, July 4.

Museum's Upcoming Exhibit Will Tell History of County

With two successful exhibits already under their "historic belt," the ambitious group at the Washington County Historical Society is planning to open yet a third exhibit this year on July 15.

Director David Tanner states, "This is a monumental effort and an ambitious schedule for a small group like ours because all of the fund-raising, research, design and installation of these exhibits is being done by our small corps of staff and volunteers, and this next exhibit is the most important one because, through it, we will be telling the history of our county. That's what people have been waiting five years to see."

Tanner is referring to the renovation of the Old Washington County Courthouse into the new museum, a project which began back in 1992 and was completed last year.

Tanner says, "Although planning for this exhibit began more than two years ago, most of the actual work only began a few short

months ago because, prior to that point, the emphasis had been on getting the renovation completed."

The exhibit actually opens in two stages with the first part opening on Tuesday, July 15, from 5 to 7 p.m. at the Old Courthouse Square Museum, 320 S. Fifth Avenue, West Bend.

The second part will open on Saturday, August 30, from 10 a.m. to 4 p.m. The exhibit itself is entitled, Agriculture, Business and Industry: Centuries of Building Opportunities in Washington County. Part I takes the visitor back all the way to the pre-history of Washington to explore how the glaciers shaped the land.

Early settlement by the "Yankees," Germans and other ethnic groups, and their interaction with the Native Americans will also be portrayed through text, artifacts, photographs and illustrations.

Part II will focus on the industrial age and the founding of some of the

Kewaskum Kiwanis Celebrating 50 Years of Community Service

Fifty years ago this summer the Kiwanis Club of Kewaskum held its first meeting. The first President of the new club, L.N. Peterson is still an active member as is another charter member, Ray Schaefer.

Since that meeting the club has been active in the community following its motto "WE BUILD." Support of the local youth activities has included; Boy Scout, Badger Boys & Girls State, Annual Scholarships, Softball, Baseball & Football Sponsors, Purchase of Library Books, Recognition of Students of the Month.

Building the Community by contributing or supporting; Kiwanis Park, High School Tennis Courts, Emergency equipment for the Fire Department and Rescue Squad. Historical Museum, and Village Beautification. Support of Schools, Hospitals, recognition of Conservationists and Farmers, Helping the Needy, Disaster Victims and Accident Victims.

Fund Raisers to support it's activities include the famous Turkey Shoot, the Annual

Pow-Wow (Golf Outing) and Food Stands at Kountry Kolors.

To celebrate it's 50 Anniversary, the Kewaskum Club is sponsoring the "Great Walenda Circus" to be held at River Hill Park in Kewaskum on Saturday, July 12th. There will be two performances - 10:30 a.m. and 1:00 p.m. Admission is FREE, however, the Club encourages donations of Canned Goods as an admission fee. Although not required, any and all food collected will then be distributed locally to Needy Families through "Food For Families."

A "Wall of Fame" will be on display at the Park listing the many activities and achievements of the Club as well as listing all of the past Presidents and Charter Members.

Since this is also the weekend of the Firemen's/Legion Picnic, there will be an abundance of activities and food available for every age and interest.

The Kewaskum Club com-

posed of 40 members, represents all areas of community life. Any resident interested in joining the club or learning more about it's activities is encouraged to contact Bob Zarlring, 626-4970 or the current President of the Club, Connie Strand, 334-0564.

Birth

BACKHAUS -- A son, Garrett Dennis, was born Saturday, June 28, to Dennis and Debra Backhaus, Kewaskum. Grandparents are Eugene and Marilyn Backhaus of Kewaskum and Ralph and Shirley Kurth of Kewaskum. Garrett has a brother, Jesse, age 7, and a sister, Abrielle, age 3, at home.

Kewaskum Man Injured in Town of Auburn Accident

By Andrew R. Kuehl

KEWASKUM- A motor vehicle accident occurred in the town of Auburn on US 45 two and a half miles from Sandy Rd. This past weekend at around 1:30 A.M. Fond du Lac County Sheriffs Dept. along with the Kewaskum Rescue Squad and the Jaws of Life were dispatched to the scene of the accident.

Scott F. Goebel of Kewaskum, driving a 1992 Chevrolet pickup truck, was southbound when he allegedly failed to negotiate a curve. The vehicle left the roadway, striking a culvert and a utility pole.

Kewaskum Rescue transported the victim to St. Joseph's Hospital in West Bend for treatment of his injuries. The Jaws was not utilized

Selections Picked For Book Review

The Kewaskum Book Review group has selected the books that will be discussed during the 1997-98 year.

The book titles and authors are as follows: *A Man Called Peter* by Catherine Marshall; *Crossing to Safety* by Wallace Stegner; *Deep End of the Ocean* by Jacqueline Michard; *Snow Falling on the Cedars* by David Guterson; *The Land Remembers* by Ben Logan; *A Thousand Acres* by Jane Smiley; *In the Beauty of the Lilies* by John Updike; *Store Diaries* by Carol Shields.

The discussion group meets at the Kewaskum Library at 9:30 a.m. on the fourth Tuesday from September through May (with the exception of December). Everyone with an interest in reading is welcome to attend.

Questions may be directed to Phyllis Bade (626-2637) or Darlene Tessar (626-2393).

Day Care Center Opening in Wayne

Bright colors and many activities await children at Little Folks School House Learning Center in Wayne.

By Louise Martin

Little Folks School House Early Learning Center in the town of Wayne will open for business on July 7, 1997. After months of renovations and preparations, town of Wayne resident, Dodie Sargent is eagerly waiting to welcome little folks to her learning center. Dodie has provided child care for 13 years, the past six in the town of Wayne from her home.

Recognizing the need for more space and realizing the additional need for child care from her waiting list, Dodie and her husband, Wayne began discussing a possible center. One day as they were driving past the building located on the corner of Highways H & W in Wayne, they realized the possible potential the building had and a pipe dream was created.

The center will provide a nurturing, stimulating and safe environment for children. The

staff is dedicated to encouraging each child's intellectual, physical, social and emotional development. Open from 6:00 a.m. to 6:00 p.m., Monday through Friday, the learning center is located at 5713 Highway H. The center is licensed to accept 31 children ranging in age from six weeks to 12 years. Assisting Dodie will be teachers, Patsy Panzer, Marilyn Brath, Gretchen Gauger and several assistants including Bonnie Schlice. The center will also offer before and after school care with different activities planned for the school-age child.

A unique feature of the center will be a drop off service at the door. A staff member will be available outside to assist children from the car into the center thus it will not be necessary for the parent to leave their car. Hugs and kisses can be given prior to leaving home with a warm good-bye offered at the center. It is hoped this service will be convenient for

the parents and their children.

The building had been used for storage for a number of years but now sports a bright, cheerful interior. A large, fenced-in playground area is located in the back of the center in which the children can safely enjoy the outdoors.

Visits to the center are welcomed. You may call the center at 626-4023 or Dodie at 629-5782.

THANK YOU

I would like to take the opportunity to thank all my Regal Ware co-workers, friends, and relatives who held a candy bar fundraiser and collected \$800 for my heart transplant. Thanks also to those who remembered me with cards, phone calls, visits and prayers. God Bless you all!

Library Automation Project is Complete

The Kewaskum Public Library is now automated!

After years of hard work they are finally computerized. Join the celebration on Monday, July 7 for an Open House from 4:30 to 6:30 p.m. There will be a demonstration on how the computer catalog works and people can sign up for their new cards. Village President Robert Wagner will be on hand at 6:30 p.m. to use his new library card.

Also on July 7th, McDonald's is presenting its "Magnificent Myths and

Storytelling Show" at 10 a.m. A Greek storyteller will engage children on a journey to mythological worlds. Please call or come in and sign up ahead of time.

It's also not too late to sign up for the "Zap Into the Past" summer reading program. Both programs are geared toward preschool to sixth grade. The library phone number is 626-4312. Their hours are Monday and Wednesday from 8 a.m. to 8 p.m. and Fridays from 8 a.m. to 6 p.m.

Memories

A Stroll Down Main Street...

Continuing on our "Stroll Down Main Street" (traveling on the south side of the street, nearly 50 years ago,) we have progressed eastward to the Endlich Jewelry Store. The store was owned by Kate Endlich and run by her son, Bill, and daughter, Kate. In 1956, the Endlich was sold to Koehn and Koehn Jewelry of West Bend and run by Jack Koehn. In 1959 Leroy and Donna Bier purchased the business from Koehn and Koehn and opened Bier's Jewelry Store where it still remains in the same location. ADDENDUM: According to Evie Krueger, the Reinders Funeral Home in last week's "Stroll" was indeed also the Techtman Funeral Home for approximately six to seven years. It was thereafter occupied by Atty. K. William Haebig.

Graduates of St. Norbert College

DE PERE -- Two Kewaskum area students were among the 477 candidates participating in the spring commencement ceremonies at St. Norbert College in De Pere.

Karyn B. Dossinger, daughter of Mr. and Mrs. Robert Dossinger, 3936 Hi Mount Road, Kewaskum, received a BA degree and graduated Cum Laude.

Jenefer J. Van Assche, daughter of Ms. Patricia Van Assche, 5624 Sunset Drive, Kewaskum, received a BBA degree.

Robert H. Atwell, president emeritus of the American Council on Education, delivered the commencement address. He was presented with an honorary doctor of laws degree in recognition of his dedication to the cause of higher education.

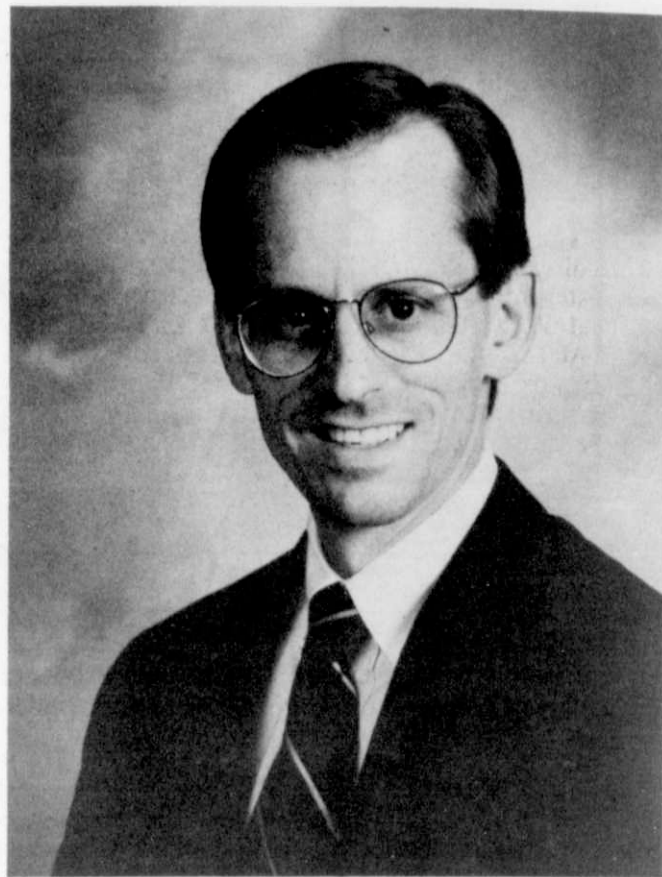

The College awarded the 1997 President's Medals to James Kress and to the Green Bay Packers Organization. James Kress was recognized for his professional, personal and public life which has contributed so much to the environmental and economic well-being of the community and College. The Green Bay Packers Organization was recognized for their service to the College, to the community and to the nation.

This July Fourth, Celebrate Safely: Fireworks Cause 2,000 Eye Injuries Each Year

(DM)—Fireworks are an important part of our Independence Day celebrations. But these displays also result in numerous injuries to participants and bystanders alike. In the United States, fireworks cause approximately 2,000 eye injuries each year. About one-third of these results in permanent eye damage and one-fourth in permanent vision loss or blindness. The American Academy of Ophthalmology encourages you to view public fireworks displays rather than putting on your own show. If you do use fireworks, however, the Academy recommends the following guidelines:

- Use only legal devices. Legal fireworks are printed with the manufacturer's name, address, and a cautionary label.
- Never allow children to handle explosive fireworks. The average age of injured persons is 13 years.
- Always wear glasses or safety goggles when lighting fireworks. Even spectators should consider wearing protective gear; about one-fourth of those injured each year are bystanders.
- Never put firecrackers in tin cans, clay pots, or bottles that can shatter under impact and scatter fragments

Courtesy of the American Academy of Ophthalmology and the US Eye Injury Registry

- like shrapnel.
 - Ignite fireworks one at a time; never ignite fireworks indoors.
 - Place a bucket of water nearby to put out fires or douse fireworks that don't work.
 - In the case of an eye injury, do not touch the eye. Immediately seek emergency medical attention.
- Visit the Academy's website at www.eyenet.org.

Fund Distribution Process Underway

Imagine spending hundreds of thousands of dollars in just 90 days. Sound easy? And, imagine that those funds are not yours, but have been entrusted to you by thousands of people in Washington County.

No, it's not a raffle or lottery winning, but the annual Fund Distribution process of the United Way of Washington County. And for the next few weeks, approximately 40 volunteers are involved in reviewing 1998 funding requests from 25 different human service nonprofit agencies serving county residents.

An important and often overlooked function of United Way is the distribution and monitoring of funds to local agencies.

The recommendations of the volunteers will lead to final funding approval of 25 agencies when the campaign goal for Washington County is set by the United Way Board of Directors in late July.

"Right now, our community volunteers are hard at work reviewing agency programs and funding requests, and asking questions on effectiveness," said Janice Limperis, United Way Board Vice President and Chairperson of the 1997 fund distribution process. "Ultimately, funds that are needed for our member agencies, combined with United Way's operating budget, help us determine our campaign goal for the 1997 Campaign."

Limperis continued, "The driving force in setting the Campaign Goal each year is the needs of the agencies. After funding requests were submitted in late April, the volunteers were divided into panels. Each panel is currently reviewing four agencies over 5-week period. Budgets, programs and results for every agency are being evaluated by the community volunteers in face-to-face meetings with agency staff and their governing boards. In many cases, the review also includes a tour of the agency. The panel recommendations for funding will then be brought to the United Way Board for final approval by mid-summer."

The 25 agencies being reviewed cover 10 communities in Washington County: Hartford, Kewaskum, Slinger, Newburg, Jackson, West Bend, Allenton, Richfield, Hubertus and Colgate.

"We've seen a pattern of increasing financial requests by our agencies. Cutbacks at the federal, state, and local

levels of government have put a bigger burden on the private sector for a larger portion of the programs and services our agencies provide," said Limperis. "The challenge is to evaluate the needs and then provide the necessary dollars through the annual campaign. The job the fund distribution volunteers perform is serious and has wide-ranging impact. It is an effective way to review what the needs are, and how well United Way dollars were spent in the past year," she said.

"In addition to reviewing agency budgets, the United Way Board of Directors is committed to making sure our local United Way maximizes its operating budget through the use of volunteers and donations where possible. Our Board is proud of our low administrative costs. Keeping costs as low as possible ensures that more dollars are available for the agencies. And that's good for all of us," commented Limperis.

"We are continually reinforcing the message that United Way dollars are raised by volunteers, and that decisions on how the dollars are distributed are made by volunteers as well. Donors should be assured that we have local control over how funds are raised and divided here in Washington county. Working together, volunteers in the fund distribution and campaign process continue to demonstrate that our United Way effort reflects the quality of our community," she said.

Wayne Crusaders 4-H Club News

The meeting of the Wayne Crusaders 4-H Club was called to order at 7 p.m. The pledges were led by Megan Heppner and Marcia Thull.

We talked about helping the North Dakota flood victims. Marilyn Filber is coordinating an effort to make needed quilts. Please contact her if you can help or if you could donate needed supplies such as yarn, thread or fabrics. We are also collecting school supplies for the area. They should be brought to the August meeting.

Tricia Brath and Wendy Rahlf did a Friends Helping Friends activity called, "Miracle Drug." They did a good job.

Marilyn Filber was in the hospital for a knee surgery and would be happy if people would send cards.

Jill Janz, Sue Schmidt, and Nancy Stoffel promoted June Dairy Month by taking a calf to the Wayne School.

Mary Koch reported that the a Clothing Revue is Tuesday, July 8. Any interested members should have their entry in by June 30.

Help is needed for setup for the fair. Youth help is also needed to assist at the fair.

The meeting was adjourned and since June is Dairy Month, we had ice cream sandwiches.

PROCLAMATION

In the name of
THE PEOPLE OF THE VILLAGE OF KEWASKUM
WISCONSIN

this
PROCLAMATION OF APPRECIATION
is presented to

*** RICHARD ZARLING ***

In grateful recognition of your 25 years of faithful, efficient and dedicated public service rendered to the Village of Kewaskum, Wisconsin.

The Village of Kewaskum is proud indeed of its employees who have contributed, in no small means to the enhancement of the fair name of the Village of Kewaskum. Successive Village Boards appreciated the job you have done as Village Zoning Administrator. They also have realized the extra effort given by you to the Village for 25 years. Progress in municipal government is predicated, for the most part, upon loyalty and dedication of the civic employees and their ability to carry out faithfully, and effectively the acts of Village Government.

WE, THEREFORE, on behalf of the Village Board of the Village of Kewaskum, Wisconsin, issue this PROCLAMATION, in appreciation of your efforts as Kewaskum Zoning Administrator and honorable record of service with this Village.

By order of the Village Board of the
Village of Kewaskum, Wisconsin, this
23rd day of June, 1997.

Plastics Engineering Recognized for Supplier Excellence by Regal Ware

Regal Ware, Inc. presented Plastics Engineering Company with the Supplier Excellence Award for outstanding products and service. Pictured, back row, left to right, is Joe Swanson, vice president and general manager manufacturing in Kewaskum; Jim Burns, tool room supervisor at Plenco; Gary Swita, production supervisor, Bill Siebert, technical sales engineer and Ken Gregor, production scheduler at Plenco. Front row: Dolly Limbach, production material coordinator - electrics at Regal; Frank Brotz, executive vice president at Plenco; Bob Sparks, vice president purchasing at Regal; Mike Brotz, president at Plenco and Dolores Marian, production material coordinator - cookware at Regal.

KEWASKUM -- Regal Ware, Inc. has bestowed on Plastics Engineering Co. the Supplier Excellence Award for 1996 in the thermoset plastic components category.

Plastics Engineering received this honor for their high quality products, on-time delivery and competitive pricing. The Sheboygan, Wisconsin company has been a supplier to Regal Ware for more than 50 years. This is the fifth year that they have received the

award since Regal's inception of its recognition program in 1992.

"Plastics Engineering has provided exceptional service and has always been responsive to new requirements and changes. Competitive pricing and outstanding performance in meeting tooling requirements has cemented a long-term business relationship which began with the founding of our company," said Bob Sparks, vice president of purchasing.

Mike Brotz, president, and Frank Brotz, executive vice president, accepted the award from Sparks. Also on hand for the presentation were Jim Burns, tool room supervisor; Gary Swita, production supervisor; Bill Siebert, technical sales engineer and Ken Gregor, production scheduler.

Regal Ware, Inc. is a major manufacturer and marketer of cookware and kitchen electrics with headquarters in Kewaskum.

Remember Food Safety When Planning a Picnic

Even though picnics have a carefree air, they need to be well-organized and planned, especially when it comes to food safety. Keep these tips in mind when packing and serving, particularly if you're picnicking on a warm summer afternoon or evening.

- At home, keep everything that touches food clean -- hands, knives and other utensils, bowls and platters, countertops.

- Before packing the food, thoroughly clean coolers, thermal bottles and containers, as well as picnic baskets.

- Use inexpensive plastic-foam chests or insulated coolers for transporting perishables. The chest or cooler should contain about 25 percent ice or freeze-packs and 75 percent food. Give it a cool jump-start by pre-chilling -- fill the cooler with ice or ice water and allow to stand before packing. Drain and dry thoroughly. Also fill thermal containers for cold beverages with ice water and drain.

- Place freeze packs (or ice cubes packed in sealed plastic bags to help control water accumulation) on the bottom and along the sides of the cooler. Top with the heaviest and most perishable foods. Fill in with lighter-weight items.

- Pack food close to the time you'll be leaving, and pack perishables directly from the refrigerator. Do not put food out on the counter first, or use the cooler to chill room temperature foods, such as a freshly made salad that has not been refrigerated. A cooler is meant to keep food cool, not

chill it.

- Keep custard, milk, cream or any dessert with a cream filling chilled at all times. If they're packed in the cooler, remove them for serving, then pop them right back in. To transport milk or cream, pour into a pre-chilled thermal container.

- Many sandwiches can be assembled at home, wrapped tightly and chilled. If you think the sandwiches you plan to serve might "wilt" before they're eaten, pack the components separately and assemble on the spot. Pack any dressing or sandwich spread separately and tuck in near the freeze packs or ice.

- Place sour cream or creamy dip containers in sealable plastic bags for extra protection and pack close to the freeze packs. Make sure cheeses are tightly wrapped; double wrap more assertively flavored items, so the flavors and aromas don't mingle with other foods.

- Once at your destination, keep the picnic cooler out of direct sunlight. Keep perishable foods on ice until you're ready to serve them and don't let them sit out on the picnic table or blanket too long. Rule of thumb: do not let foods remain outside the cooler for more than one hour -- less time in the sun.

- Plan the quantity of food you take so there won't be many leftovers. If any perishable food remains, put it back in the cooler as soon as you finish eating. When you get home, remember the maxim: when in doubt, throw it out.

Larson Elected To FiServ Council

Richard A. Larson, Jr.

West Bend -- Richard A. Larson, Jr., Executive Vice President/Chief Operations Officer of West Bend Savings Bank was recently elected to serve a two year term on FiServ's Strategic Planning Council. Larson is now one of 16 elected representatives from throughout the Midwest representing the Brookfield

business unit of FiServ.

As a member of the Strategic Planning Council (SPC), Larson will provide FiServ with an industry perspective of technology opportunities and developments that impact financial institution operations and competitive effectiveness. SPC members participate in researching emerging technology opportunities in order to provide advice to FiServ regarding the business value of such technology.

FiServ is an independent provider of financial data processing systems and related information management services and products to banks, credit unions, mortgage firms and savings institutions worldwide. FiServ, a publicly held company headquartered in Milwaukee, WI, currently serves the technology needs of over 5,000 financial institutions. West Bend Savings Bank is a locally owned financial institution with eight locations throughout Washington County.

Most Admired Senior Citizen Contest at Fair

Do you have some special friend who is a senior citizen and you want to honor them in a special way, to recognize all the work or activities which they might be involved in? Plan to enter them now in the 1997 Washington County Most Admired Senior Citizen contest.

Entry deadline for the contest is July 14 (postmarked). Forms for the contest are available from the Washington county Junior Fair office located in the Public Agency Center, 333 E. Washington Street, Suite 1200, West Bend or call 335-4479 to have a form sent to you.

This event is not a popularity contest, beauty pageant or celebrity sweepstakes. It is however an opportunity for older adults to receive the recognition they deserve. Winners will be selected on the basis of current activity, rather than past accomplishments.

Persons nominated must have reached their sixty-second birthday by July 23, 1997 and they must be a resident of Washington County.

The nomination forms will be evaluated and the person who nominated the senior citizen selected to receive this year's Most Admired Senior Citizen award will be called to notify the winner. On Saturday, July 26, the awards will be given out at the Fairgrounds in Slinger.

Plan to enter your special friend or relative in the 1997 Most Admired Senior Citizens Contest!

To err is human; to blame it on someone else is even more human.

Schmidts Will Appear in Milwaukee Circus Parade

A Kewaskum contingent will take part in one of the country's top entertainment spectacles this summer: The Great Circus Parade in Milwaukee on July 13.

A team of six Belgian horses driven by Dean and Bud Schmidt of W117 Hwy. DD, Kewaskum, will appear in the two-hour pageant out of circus history. The annual parade ranks as a premier equine exhibition, featuring more than 700 draft and riding horses of various breeds pulling antique circus wagons or carrying parade participants.

Several hundred thousand spectators line a three-mile route in downtown Milwaukee each July to witness the authentic re-creation of the traditional

street procession of animals, bands and performers with which circuses of days gone by ballyhooed their arrival in town. Millions more see the parade later via taped telecasts on a nationwide PBS network.

The Great Circus Parade centers around some 70 resplendently restored old circus wagons from the unsurpassed collection housed at the Circus World Museum, Baraboo, a state-owned facility.

The horse-drawn wagons, some more than a century old, are grandly escorted by a horde of elephants and other exotic animals; a bevy of clowns, and more than

2,000 circus "performers," many in elaborate costumes. The colorful cavalcade marches to the stirring tempo of brassy wagon-top bands, snappy school marching ensembles and crack military musical units.

Returns from England

Korey Theusch, son of Terry and Mary Anne Theusch of Allenton, recently returned from England while taking part in Western Economics in Transition in a European Perspective with Professor Klein, a Pennsylvania State University economics professor, and 12 other students from the east coast.

Students were hosted to a civic reception by the mayor of the English Rivera and a private tour of the Torre Abbey Mansion House, originally founded as an abbey in 1196. Korey is shown above with Major John Davis and his wife, Mayoress Vivienne Davis.

Comparing industrialized economics that are shifting from a manufacturing to a service emphasis was the focus of the economics program offered in Torquay and Oxford, England. Combining class work and numerous site visits, students discovered how theory is translated into action in the workplace and explored possible solutions to common problems. Site visits were selected from schools, hospitals and factories both in Torbay and the industrial heartland of England. Guest lecturers, as well as company executives, and managers, social workers, labor leaders and others provided diverse perspectives on the British economy.

Korey will return to the University of Wisconsin-Madison to begin his second year of academics in September.

Town of Scott Board Update

By Bernadette Mondloch

APRIL

Cable may be coming to the Town of Scott. A representative of Warner Cable presented a map to Scott officials indicating plans for the installation of cable in portions of the Town if they agree and enter into a contract with Warner.

Although the cable line is not planned to run past the town hall, Warner would be able to make arrangements for a free hookup in the Town Hall, if the board so desires.

Other details of the proposed plan is to supply cable to at least 17 sections of the Town in areas where there are 20 homes per mile. This would involve 365 Town of Scott homes. As the district grows, the contract would allow for extra coverage.

In exchange for signing the contract, a franchise fee would be paid to be determined by the amount of people who subscribe to the cable services. A decision on accepting or rejecting the contract was to be decided at the May meeting.

A meeting was scheduled to be held on May 6 to complete work on a handbook for highway department employees. A new employee is to be hired sometime this summer. Twenty-three applications have been received.

Residents will need to contact Clerk Colleen Narbatovics at 626-4230 to reserve use of the Town Hall. She can also provide you with a list of guidelines which have been recently developed for use of the facility.

Fireman Sylvester Krahn reported that the Beechwood Fire Department has decided to give the Beechwood ball diamond to the Diamond Club. The legal work is currently being drawn up.

Newly elected Larry Martin announced that Gregg Melius has accepted the Town Constable position. He was the incumbent, but chose not to seek the position in 1997. A number of electors did not agree and he received the most write-in votes.

A conditional use permit was approved for Norbert Schiek Jr., allowing him to build a primary residence on 35.96 acres in Section 12.

Diamond F was awarded 14 Sludge Spreading permits allowing for the sludge disposal on 14 sites within the town. Cost of the permits is \$75 each. A beer license was approved for the Beechwood Fire Department for the June 7th and 8th picnic.

MAY

Town of Scott highway employee LeRoy Gnacinski will be retiring and the Town has been advertising

for a replacement. Twenty-four applications have been received and the board is in the process of narrowing the candidates for the job down to three. Once that process is completed and applicants have completed a road equipment operation test, the personnel committee will be making its choice.

Along with the handbook project, the board is putting together a highway employee handbook and compensation package for highway employees. Attempting to simplify committee makeup, Chairman Larry Martin has combined several committees and established some new ones.

Ira Weber, Dale Burke and Richard Bemis will make up the new Ordinance Enforcement Committee, and Clarence Janz, Richard Bemis, and Larry Martin are on Streets, Buildings and Grounds. Ira Weber has been appointed to the position of Fire Commissioner, and Burke, Bemis and Martin are in charge of Waste and Recycling. Clarence Janz will be attending all planning commission meetings and serves as Road Commissioner.

An audit will be done by Burke, Janz and Weber.

Splitting off of 15 acres of an already non-conforming A-1 parcel owned by Larry Laux was discussed. Years ago, prior to rezoning, the house and small acreage was split from the original 40 acre parcel along with another small acreage leaving the 34.23 acres on which stands a barn and shed.

The 15 acre split would include those two buildings. The buyer would like to build a house away from the road. Discussion centered around establishing another long driveway and the possibility of building right in the middle of the property.

Board members agreed that a conditional use permit would be needed to build the house on the A-1 parcel. Many felt that people should use "common sense" in the placement of a house. Supervisor Richard Bemis said, "If a person owns the land, he should be able to build where he wishes." Laux was referred to the planning commission.

Several Certified Survey maps were approved: Section 4 - five acres owned by Ray Gerlach; Section 13 - Mark LaFever - three lots on Hillside Drive and Section 22 - David Kurth - Lot 2 on Boltonville Road.

The road department has completed crackfilling and is in the process of sign replacement where needed.

Building Inspector Frank Mayer reported \$477,765 worth of building permits were issued. Among these were three homes with a possibility of four more. He also noted that a permit is needed if changing a heating system from one

fuel to another.

Permits issued included: Allen Ramel - roof and siding, \$7,000; Mike Miracola - garage, \$6,583; David Kaat - bathroom, no value; Gil DeLaurier - house, \$165,000; James Otten - house, \$110,000; Gerald Staeger - roof and siding; Ray Gerlach - plumbing permit; Ray Wolf - garage and siding, \$3,000; James Wolfenberg - remodeling; Larry Fechter - remodeling, \$19,000; Jean Steurwald - roof, \$4,400.

JUNE

Membership of the Batavia and Beechwood Fire Departments have taken steps to work together as to what has been termed as the Town of Scott Fire Protection Service.

The first step in creation of this service was undertaken with the hiring of Brian Mayer, formerly affiliated with the West Bend City Fire Department. A commission was formed, composed of officers from each of the two departments and Town Board Supervisor Ira Weber.

Recognizing a need for only one department to serve the town, the plan is being put in action. Fire Commissioner Mayer said that formation of the commission has developed a closer relationship between themselves and the town board. He added, "The amount of runs experienced each year do not justify the duplication of equipment between the two departments."

The commission's goal is to have the Town Board and the two departments work together and to reduce insurance costs in the town by achieving an ISO fire rating of seven. Currently the town's fire rating is at nine. Ability to lower the rating would result in lower insurance premiums charged to Scott residents. The two departments have put together an operating budget which has been presented to the Town Board for 1998.

Mayer explained that the budget contains "no social funds." He added, "Taxpayers do not pay for beer or lunch and social events." Details of the plan were given to the Town Board, and indicated that under the new arrangement, one truck could be eliminated, and there would be no duplication of equipment.

Along with the annual budget, a ten year capital budget has been compiled which will indicate future costs before they are needed. Trucks will be depreciated annually with the depreciation amount being part of the budget for replacement. If all goes well, once a truck is depreciated, there should be sufficient money available to fund a replacement.

Another detail of the plan is to have the Town

maintain the title and license to the equipment. As Mayer put it, "One Fire Protection Service provided by two departments." The plan is already working: when a fire call is sounded, both departments are dispatched, instead of waiting for a call for mutual aid.

Several zoning changes were acted upon. Thomas and Corrine Benson had requested that a .57 acre A-2 parcel located in Section 16 be changed to A-6 and Ronald Hintz requested that a 2.95 acre of A-1 be changed so it can be added to the Benson property. A variance is needed to permit the lot line to be established 89 feet from a barn existing on the property. Action was that a variance must be approved within the next 60 days in order to be granted the zoning change as requested.

Jeffrey and Susan Rentmeester requested a conditional use permit which would allow them to build a residence on A-1 land in Section 15. They are purchasing 15.55 acres from a 50.56 parcel owned by Larry Laux. A barn already exists on this property, and the couple has plans for raising beef cattle in it.

There was some concern shown during the public hearing which preceded the regular meeting. The concern centered around the plans for placement of the residence, far from the road. Laux defended the couple by saying, "What we need to do is to preserve the family farm instead of only considering the farm land."

He reasoned that he no longer uses the barn for his farming operation and this would put the property back into farming. The conditional use permit was granted.

After a bit of discussion and clarification of the rules on subdivisions and certified surveys, a building permit was approved for Ron Knoeck, Section 16, providing that he gets a proper perk test, rezoning and certified map before the July meeting.

On a roll call vote,

Supervisor Richard Bemis voted "no" adding that there were too many loose ends in the matter.

Complaints were heard about shooting which is being done from 7 a.m. each weekend. Neighbors indicated that it appears that the disturbance is taking place south of Highway W near the Kaufert property on Highway 28. No action could be taken, however the constable will be notified to place the matter under investigation.

Correspondence was received from Tom Hickenbotham, Cherry Hill Drive, requesting that a 35 mile per hour speed limit be placed on Cherry Hill from Cedar Road, east to Highway 28.

His concern was about the number of driveways along that stretch of road, his letter stating that they are not in full view from a distance. Placement of speed limits and things such as stop signs are usually determined by the number of arrests or accidents in a given area.

Thinking along those lines, board members did not feel a change was necessary, but agreed to consult with the county highway officials. There have been no record of accidents caused by speeding in that area.

Three home owners located at the north end of Boltonville Road will be sent a certified letter informing them that they have no fire protection due to the fact that they are reluctant to enter into holding harmless agreements with the local fire protection service. The driveways to these properties are laden with trees and low hanging branches making it unable for fire equipment to utilize the driveway.

A request to trim the trees to solve the situation has been ignored.

Road bids and proposals were reviewed. Sheboygan County Highway Department will be resurfacing

1997 NORTHERN KETTLE MORAINES STATE FOREST and ICE AGE RESERVE NATURALIST PROGRAM

This area is internationally known for its famous glacial features and interesting array of plants and animals. You are invited to learn more about this important part of our heritage by visiting the Henry S. Reuss Ice Age Visitor Center and participating in the Naturalist Program.

In summer, the program offers nature walks, talks, auto tours, evening programs, guest presentations, etc., but in reduced numbers. Events offered at the Ice Age Center, Mauthe and Long Lake Recreational Areas, are easy and enjoyable ways to learn more about the area. During other seasons, group interpretive programs are available upon request.

The Ice Age Center is one mile south of the Village of Dundee on State Highway 67 in the Northern Kettle Moraine State Forest.

EVENING PROGRAMS

Evening programs are held at the Ice Age Center on Saturdays, beginning at 7:30 p.m. Most programs require 30 minutes to an hour or more.

SATURDAY, JULY 5 -- "12,000 Years of Native American History in Southeast Wisconsin" -- Geologist and prehistorian Herman Bender will be presenting a very fascinating program that explores geological/historical evidence which traces the activities of the American Indian in this area. Herman has sparked national interest with some of his findings.

SPECIAL EVENTS

SATURDAY, JULY 5 "PREHISTORIC CAMPSITES"

Join geologist and prehistorian, Herman Bender at the Ice Age Center at 1 p.m. for a tour of sites where artifacts some 10,000 years old have been found. Travel paved roads that are segments of prehistoric Indian trails and observe other ancient remains in the area of the Northern Kettle Moraine State Forest. At 7:30 p.m. that evening, join Herman Bender at the Ice Age Center for a program which will explore 12,000 years of Native American History in Southeastern Wisconsin.

ACTIVITY SCHEDULE

Nature walks range from 1/2 to 1 mile length and require 3/4 to one hour.

Thursdays, July 10, 17, 24 & 31, and Aug. 21

8 a.m.

"BIRDS BY SIGHT AND SOUND" -- Participate in a short walk which originates at the Mauthe Lake Beach. Although mainly for beginners, this short walk has produced Yellow Warblers, Black and White Warblers, Yellowthroats and Redstarts. Rose-breasted Grosbeaks, Woodcock and Red-breasted Nuthatches may also be observed. Binoculars and field guides are helpful.

1 p.m.

"ORIENTEERING" -- Meet at the Ice Age Center for a program for the adventuresome which will demonstrate how to use a compass. Compasses will be provided.

Fridays -- July 11, 18 & 25, Aug. 1 & 22

9:30 a.m.

"INCREDIBLE EDIBLES" -- Edible, wild plants are a source of a wide range of "vittles and spirits." This short walk which originates at the Butler Lake Trail introduces just a few of the "delicacies" found in this area.

1 p.m.

"TREES OF THE KETTLE MORAINES" -- Did you know that recently the U.S. Forest Service compiled a list of over 4,300 uses of trees? Learn to identify and appreciate these valuable resources while participating in a short hike led by Forest Naturalist Roger Reif, which originates at the Ice Age Center.

Saturdays -- July 12 & 26, Aug. 2, 23 & 30

9:30 a.m.

"SPRUCE LAKE BOG" -- Meet at the Ice Age Center for a short drive to the bog and explore the fascinating world of this unique ecosystem.

Saturdays, July 26, Aug. 2 & 30

1 p.m.

"KAMES, KETTLES AND ESKERS" -- Meet at the Ice Age Center and take advantage of an opportunity to see first hand and learn more about the glaciation of the Northern Kettle Moraine State Forest Area. This geological auto tour is about 25 miles in length and requires about 1 1/2 hours to 2 hours.

The earthworm is often known by several other names, including fishworm, angleworm or night crawler.

Class B - Beer and Liquor were awarded to: Schultz's Place, Tillie Schultz; Grandma's and Grandpa's, Adrian Krahn; Kelley's Beach Bar, Kelley Ebert; Four Seasons, Jim and Sue Verhaalen and Pat Gianni. Horn's Valley Inn, Molly Huettl was denied for lack of a seller's permit.

Class B - Beer was awarded to Beechwood Diamond Club, Russ Miller, and Beechwood Sportsmen's Club, James Vetter.

Operators' Licenses were granted to Oliver Stuart, Michael Sodemann, Lynn Liermann, Kari Peters, Francis Michaels, Denise Reilly, Shana Pickarski, Chad Krahn, Carrie Michaels, Dale Burke, Matthew Henke, Terry Krahn, Michael Schlieff, Marvin Panko, Robert Ruemelin, Mary Vetter, Eugene Guenther, Rita Pavlik, Robert Gluck and LuAnn Potter.

June 30, 1972

The Board of Education voted unanimously Monday night to proceed with holding a bond referendum that would authorize borrowing funds to construct a four room addition to the Wayne Elementary School. It also approved a budget of \$2,176,794 for presentation at the annual meeting on July 24.

Another spectacular Fourth of July holiday fireworks display, sponsored annually by the Village of Kewaskum, under the supervision of the fire department, will be held in the Village Park on Monday night, July 3. The fireworks will be set off right after dusk. Additional fireworks, including some new displays, have been purchased this year, amounting to several hundred dollars worth, which are sure to make the display bigger and better than ever.

Kewaskum's new AFS student for the 1972-73 school term will be Maria del Carmen Gamarra Moscoso from Cosco, Peru. The new student will be living with the Donald Koerble family at 1458 Parkview Drive in Kewaskum. The Koerbles have six children: Mrs. Donald (Mary) Berres, Mrs. Michael (Susan) Marx, both of West Bend, Sgt. Thomas Koerble, in service in Korea, Jean, a 1972 graduate of Kewaskum High School, Ann, a junior in high school, and John, in third grade.

A new automatic pay station was installed at the Republican Hotel by the Theresa Union Telephone Company. This is the first of its kind to be installed in this village and ought to prove very satisfactory, especially in a hotel.

The Kewaskum Fire Department met in the village hall and elected the following officers: Chief, Charles Groeschel; Assistant Chief, Clem Reinders; Foreman, Jacob Schlosser; Assistant Foreman, Anthony Schaeffer; Secretary, John Martin; Treasurer, Val Peters.

H. L. Barth, pastor of Evangelical Peace Church, is at liberty to assume his duties again, after being quarantined two weeks.

Do you know that if you drive a horse or mule on any of the streets or roads in Wisconsin after dark without a head and tail light on the wagon or buggy and you get bumped into by an auto, you are responsible for all damages done to your self or others? See that you have proper lights on your rig as well as your auto.

Community 'Rummaged' by Bargain Shoppers

Shoppers hunt for bargains last Saturday during Kewaskum's community-wide rummage sale. Hundreds of "rummagers" flocked throughout the village for most of the day. Shown above shoppers browse through the items put on sale by Gwen and Jules Dreher at the Doctors Inn Bed and Breakfast on Fond du Lac Avenue.

Owner/Chef Bob Beisbier of Kewaskum Frozen Foods prepares burgers for the grill during Saturday's community-wide rummage sale. The brats and burgers grilled in front of the store offered a brief respite for hungry shoppers, with the aroma tempting them away (temporarily) from the bargains. Some needs (a growling tummy) are definitely greater than others.

area's most important businesses and the influential families behind them.

"This is just one way of looking at local history," says Tanner. "Agriculture was and is very important to the community and that importance led to many successful industries in our small communities. It's a story certainly worthy of telling, but it isn't the only one. In the future, we hope to keep re-telling the story by using different themes. Maybe next time we will examine social history, or the family, or leisure." However you examine it, local history is something that is highly interesting to many, and the new exhibit is sure to garner a big crowd at the opening.

Almost twenty local businesses and companies contributed financial support to the project with lead gifts coming from Serigraph, Inc., Regal Ware, Inc. and B.C. Ziegler Co. Many others also donated historic items or company histories to the project.

The Society also received a grand award of over \$5,000 from the Wisconsin Humanities Council, which was the first time the museum has received major funding for its projects from the state affiliate of the National Endowment for the Humanities.

Refreshment and hors d'oeuvres will be served at the July 15 opening. At 7 p.m., the Society's regular bi-monthly meeting will follow with guest speaker Jeanette Kapus, a Women Airforce Service Pilot (WASP) from Menominee Falls, who served with distinction in World War II and who later became the women's loop-the-loop champion. The lecture and meeting is free and the pub-

lic is invited to attend both events.

Obituary

WILLARD F. DEGNITZ

Willard F. Degnitz, of West Bend, died Wednesday, June 25, 1997, at his residence, at the age of 77.

He was born April 3, 1920, in Waubeka, to the late Robert and Edna (nee Geidel) Degnitz.

He served in the U.S. Army Signal Corp in the European Theater during World War II from 1942-'45.

After returning to the Waubeka area he married Florence Jung on July 20, 1946, at St. Martin's UCC, Fillmore. Together they resided in Boltonville until moving to West Bend in 1990.

Willard was employed at The West Bend Company as a carpenter for 32 years, retiring in 1982, after which he had an antique repair shop in his home in Boltonville.

Through the years he had been an active member of St. Martin's UCC, including the church's fellowship, choir, churchmen's council and dartball team.

Willard was a 25-year member of the Boltonville Fire Department and a member of The West Bend Company's 25-Year Club.

Survivors include his wife; four children, Nancy (James) Eberhardt of Adell, Laurel Degnitz of West Bend, Carolyn (Rev. Alan) Gumm of Yuma, Ariz. and Rev. Thomas (Lori) of Elizabethville, Pa.; 10 grandchildren, William, Paul, Daniel and Angela Eberhardt, Jeremiah, Joseph, Hannah and Jonathon Gumm and Sara and Emily Degnitz; two sons, LaVerne (Earl) Crass of West Bend and Doreen (Norman) Wolf of Fredonia; numerous brothers-in-law, sisters-in-law, nieces, nephews, and other relatives and friends.

Funeral services were held Tuesday, July 1, at 7 p.m. at St. Martin's UCC, Fillmore. Rev.

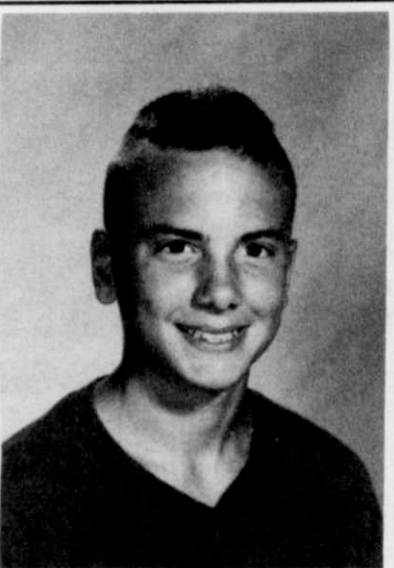

David Jerger officiated and burial followed in Fillmore Union Cemetery.

Visitation at the church only was Tuesday from 3 p.m. until the time of services.

Memorials may be given to St. Martin's UCC or the charity of the donor's choice.

The Myrhum - Patten Funeral Home, West Bend, served the family.

"God saw Willard was getting tired and a cure was not to be, so He put His arm around him, and whispered 'Come with Me.' A golden heart stopped beating, hard working hands to rest, God broke our hearts to prove to us He only takes the best."

IN MEMORY

In memory of TRACY EBERSOLD, who passed away one year ago, June 30, 1996:

It's not so long ago, the stars were shining bright,
When God called you home, that warm summer's night.

Sometimes it's so hard, the mysteries of life.

So young, so vigor, so full of life.

Your humor and laughter, your stories and smiles, how we wish you were here, just for awhile.

The time we all shared, together one last time, will always be cherished for the rest of our lives.

When we all said good-bye, how we wish we would have known,

To take one last look, a moment to behold.

It's hard to find comfort and answers to why,

What God has planned for each of our lives.

We find comfort in knowing, that all day will come.

We'll all be together with the Almighty one.

But the hardest thing, until that time comes,

Is saying good-bye, to some one you love.

We will never forget, just a short time ago, on that warm summer's evening, when God called you home.

*Written by LuAnn E. Larson
Trac, with all our love,
you're so greatly & sadly missed by all of us.*

IN MEMORIAM

In loving memory of TRACY EBERSOLD, Dec. 2, 1963 - June 30, 1996:

We do not need a special day to bring you to our mind,
The day we do not think of you is very hard to find.

They say time heals all sorrow and helps us to forget,

But then time so far has proved how much we miss you yet.

God gave us strength to bear and courage to take the blow,

But what it meant to lose you, no one will ever know.

Sadly missed by the Ebersold family.

RESOLUTION NO. 97-14

A VILLAGE BOARD RESOLUTION FOR ADOPTING THE VILLAGE OF KEWASKUM LAND USE AND STREET SYSTEM PLANS

WHEREAS, the Village of Kewaskum, pursuant to the provisions of Sections 61.35 and 62.23 of the Wisconsin Statutes, has created a Village Plan Commission; and

WHEREAS, the Village Plan Commission has prepared, with the assistance of the Southeastern Wisconsin Regional Planning Commission (SEWRPC), a plan for the physical development of the Village of Kewaskum and environs, said plan embodied in SEWRPC Community Assistance Planning Report No. 214, A Land Use and Street System Plan for the Village of Kewaskum; 2010, Washington County, Wisconsin; and

WHEREAS, the Village Plan Commission on the 23rd day of June, 1997, adopted SEWRPC Community Assistance Planning Report No. 214, and the attendant recommended land use plan and street system plan, and has submitted a certified copy of that resolution to the Board of Trustees of the Village of Kewaskum; and

WHEREAS, the board of Trustees of the Village of Kewaskum concurs with the Village Plan Commission and the objectives and policies set forth in SEWRPC Community Assistance Planning Report No. 214.

NOW, THEREFORE, BE IT RESOLVED, that the Board of Trustees of the Village of Kewaskum hereby adopts SEWRPC Community Assistance Planning Report No. 214 and the attendant recommended land use plan and street system plan as a guide for the future development of the Village of Kewaskum and surrounding environs; and

BE IT FURTHER RESOLVED, that the Village Plan Commission shall annually report to the Village Board on all amendments to the land use plan and street system plan adopted by the Plan Commission.

NOW, THEREFORE BE IT FURTHER RESOLVED, that the Village shall review the Village of Kewaskum Land Use and Street System Plans every five years or even more frequently if necessary, and shall recommend extensions, changes, or additions to the Plans which the Plan Commission considers necessary. Should the Village Plan Commission find that no changes are necessary, this shall be reported to the Village Board.

PASSED, ADOPTED AND APPROVED this 23rd day of June, 1997, by the Kewaskum Village Board.

Phil Hahn Honored by East Central/Select Sires

General Manager Al Deming, left, presents Phil Hahn with his award at the annual East Central/Select Sires awards banquet.

East Central/Select Sires recently honored Phil Hahn, Campbellsport, for surpassing the 100,000 milestone for first-service cows inseminated.

Hahn is the 164th professional Artificial Insemination technician to achieve this award. Hahn is one of only six East Central/Select Sires technicians to have achieved this honor. He accomplished this while servicing a cow on his brother's, Mark Hahn, farm.

"On November 30, 1996, I bred my 100,000 cow. I was honored to breed her at my brother Mark Hahn's farm because that was my home-stand," Hahn said.

Hahn services dairy and livestock producers in the northwestern corner of Washington and southeastern corner of Fond du Lac Counties.

"Hahn is a long term valued employee. He is a true professional that has a high degree of dedication to his members and the cooperative," said Alan Deming, General Manager.

He started on June 1, 1967, his first job was to clean out the bull pens. Then, he went to A.I. School in Woodstock, Illinois. He worked with Jack Eichols in his first area which was Beaver Dam and Waupun. In September 1967, he was given the area of Oakfield. In February 1968, he added Campbellsport to his area. In August 1968, the Allenton area down to Highway 33 was added.

Now, he serves Allenton and Campbellsport area.

"I can't begin to thank Mary and the children for their support during my employment at East Central. All the Sunday afternoons they sat and waited for me to get home, so we could do something or go someplace. I know that was difficult."

Hahn expressed his gratitude for the individuals who have helped his career in A.I. He thanked his customers that he has had over the years and his fellow employees.

Hahn concluded, "There are so many people that I would like to thank, besides my family, but I would like to give a hearty thank you to Dave Rose, who got me interested as an A.I. technician. In making it to 100,000, I look back at all the bad roads and challenges that presented themselves as just a little test."

"Phil has provided outstanding service to members over the years and assisted in helping to develop several employee policies and benefits that technicians have today," said Alan Deming, General Manager.

East Central/Select Sires is a professional, artificial breeding cooperative serving dairy and livestock producers in southern Wisconsin. As a member-owner of Select Sires located near Plain City, Ohio, East Central helps make up the largest artificial insemination cooperative in the world.

Dave Hahn Honored by East Central/Select Sires

General Manager Al Deming, left, presents Dave Hahn with his award at the annual East Central/Select Sires awards banquet.

East Central/Select Sires recently honored Dave Hahn, Campbellsport, with the prestigious Member Service Representative of the Year Award at the annual awards banquet.

He ranked first out of 36 East Central/Select Sires technicians and he has won this award six out of the past seven years. In addition, Dave also was awarded an Award of Excellence for First Service Volume, First Service Increase, Direct Herd Volume, Total Unit Income, Total Unit Increase, and Select Mating Service Volume.

A professional Artificial Insemination (A.I.) technician, Dave serves Washington and Ozaukee counties and works with over 180 dairy producers. In his 22 years of service with East Central/Select Sires, Dave has serviced over 57,474 first-service cows and expanded his customer base.

According to General Manager Al Deming, "Dave has sorted himself to the top of the A.I. technicians. He is a true professional that has a great deal of product knowledge. He has a strong dedication to provide service to his members."

To earn the Total Unit Volume Award, Dave sold more total units than in any other area. He surpassed his fellow technicians in the Select Mating Service Volume category, taking credit for the 5,568 cows that were mated using the Select Mating Service program in his area.

According to Deming, "Dave has the ability to make people feel better about themselves after they have visited with him. His dedication to hard work for his members and East Central/Select Sires have earned him these awards."

Dave would like to thank his wife Eileen for taking care of their kids, Lynn and Brian, while he spends many hours away from home. He also thanks his wife for being so understanding about the dedication and time he spends at work.

East Central/Select Sires is a professional, artificial breeding cooperative serving dairy and livestock producers in southern Wisconsin. As a member-owner of Select Sires located near Plain City, Ohio, East Central helps make up the largest Artificial Insemination (A.I.) cooperative in the world.

Minutes of Village Plan Commission

Village of Kewaskum
Plan Commission
May 27, 1997
7:00 p.m.

The Plan Commission of the Village of Kewaskum, Washington County, Wisconsin met in the Council Room of the Municipal Building, 204 First Street.

President Robert H. Wagner called the meeting to order. Members present were Richard Schmidt, Charles Waala (arriving at 7:15 p.m.), Theodore Meilahn, Kenneth Bonlender, Gary Gavin and Administrator Daniel Schmidt. A quorum was present. Zoning Administrator Richard Zarling and Frank Beesten asked to be excused and were absent.

It should be noted that Trustee Robert Stoltzmann, Trustee Warren Dums and Trustee Andy Pesch were also present.

The meeting was opened with a Moment of Silence and the Pledge of Allegiance.

Chairman Robert Wagner welcomed Kenneth Bonlender and Gary Gavin as new Commissioners.

On a motion by Richard Schmidt, seconded by Theodore Meilahn and unanimously carried by voice vote, the Commission approved the minutes as printed, with a couple of minor corrections for April 29, 1997.

Mr. Rick Kania of SEWRPC was present for discussion on the Master Plan. Mr. Kania reviewed "The Land Use Plan and Street System Plan" and how some of the new flood boundary delineation affects certain areas. It was noted the new flood boundary delineation has been completed and was discussed by the Commission. The Commission was informed that the Village Board has requested alternatives to be reviewed by SEWRPC in reference to floodplain remedies. Mr. Kania discussed and reviewed all of the maps for discussion at the open house and public hearing. It was noted that Mr. Kania would give a 5 to 10 minute review of the land use plan and then answer questions.

A variety of questions were asked by the Commission and Board Members present. The topic of conservancy areas was discussed as far as C-1 and C-2. It was noted the Village does have more flexibility in reference to the C-2 areas (uplands).

Administrator Daniel Schmidt gave the group an update on both the Park & Ride Lot and the floodplain issue. It was noted the request to the Washington Highway Committee will be heard on Thursday, May 29, 1997 at 9:30 a.m.

The consensus of the group was to mail a notice of the June 3 & 10, 1997 meetings to the Town Board and the School District.

On a motion by Charles Waala, seconded by Gary Gavin and unanimously carried by voice vote, the Commission adjusted the regular June Meeting date from the 24th to the 23rd of June, 1997.

Mr. Rick Kania reviewed with the Commission the several renderings of how things would appear if certain actions would be taken in reference to plan implementation.

It was noted that an Open House on the Land Use Plan is scheduled for June 3, 1997 and the Public Hearing June 10, 1997.

On a motion by Charles Waala, seconded by Kenneth Bonlender and carried by the majority roll call vote, the Commission adjourned the meeting. Roll call vote was 6 "Aye" 0 "Nay" 1 "Absent."

Village of Kewaskum Plan Commission Village Board Joint Informational Meeting June 3, 1997 6:30 p.m.

The Plan Commission and Village Board of the Village of Kewaskum, Washington County, Wisconsin, conducted an Information Open House on the Village of Kewaskum's Proposed Land Use Plan in the Community Room of the Municipal Building, 204 First Street.

President Robert H. Wagner called the meeting to order. Members present were Gary Gavin, Richard Schmidt, Theodore Meilahn, Frank Beesten, Kenneth Bonlender, along with Village Trustees Andy Pesch, Robert Stoltzmann and Warren Dums. Administrator Daniel Schmidt was also present. Zoning Administrator Richard Zarling and Plan Commission Member Charles Waala asked to be excused and were absent. Village Trustees John Kenworthy and Harry Roecker were also absent. A quorum was present.

President Robert Wagner acknowledged the present and past Plan Commission Members that have worked on the proposed land use plan as well as those Village Trustees that have shared that interest. A special thanks went to SEWRPC and especially Mr. Rick Kania for the assistance in the preparation of the land use plan.

Four people were in attendance for the discussion. Mr. Rick Kania reviewed the process and the majority of the maps/layouts prepared. Several points were reviewed as follows:

- 1) Proposed land use plan and its purpose.
- 2) Trails for hiking and biking.
- 3) Natural areas and neighborhood designations.
- 4) Street plan and uses.
- 5) Proposed or future zoning.
- 6) Floodplain.
- 7) Central development district/plan.

It was opened up for general questions.

- 1) Some further discussion was held on the central business district and how it is defined.
- 2) The floodplain boundary situation was discussed and the process explained.
- 3) The difference between the C-1 and C-2 areas was discussed.
- 4) Traffic pattern and routes were discussed. It was noted a bridge crossing is proposed for the northern area of the Village with two connections to USH "45." The CTH proposed for the west side of the Village was also discussed in reference to a by-pass. It was noted the by-pass was removed/dropped from the jurisdictional plan in the early 70's and the Village has been told it would appear that a CTH by-pass is all that we could hope for. That CTH is noted on the County and Southeastern jurisdictional plan and has been since the 1960's, but has a low priority.
- 5) It was noted by Ken Bonlender that he feels the Village

should not have any more multi-family housing and that the ratio should be lowered. It was explained that the current ratio is at 33% and that it is proposed to be lowered to 25% Further discussion pursued.

The Informational Open House was declared closed at 8:30 p.m. and it was noted the public hearing is scheduled for June 10, 1997 at 7:00 p.m.

Village of Kewaskum Plan Commission Village Board Joint Public Hearing & Meeting June 10, 1997 7:00 p.m.

The Plan Commission and Village Board of the Village of Kewaskum, Washington County, Wisconsin conducted a Public Hearing on the Village of Kewaskum's Proposed Land Use Plan in the Community Room of the Municipal Building, 204 First Street.

President Robert H. Wagner called the meeting to order. Members present were Gary Gavin, Richard Schmidt, Theodore Meilahn, Frank Beesten, Kenneth Bonlender, Charles Waala along with Village Trustees Andy Pesch, Robert Stoltzmann, John Kenworthy and Warren Dums. Administrator Daniel Schmidt and Zoning Administrator Richard Zarling were also present. Village Trustee Harry Roecker asked to be excused and was absent. A quorum was present.

President Robert Wagner acknowledged the present and past Plan Commission Members that have worked on the proposed land use plan as well as those Village Trustees that have shared that interest. A special thanks went to SEWRPC and especially Mr. Rick Kania for the assistance in the preparation of the land use plan. He also thanked those people who attended the informational meeting on June 3, 1997.

Twenty-one people were in attendance for the public hearing and discussion. Mr. Rick Kania reviewed the process and the majority of the maps/layouts prepared. Several points were reviewed as follows:

- 1) Proposed land use plan and its purpose.
- 2) Trails for hiking and biking.
- 3) Natural areas and neighborhood designations.
- 4) Street plan and uses.
- 5) Proposed or future zoning.
- 6) Floodplain and conservancy areas.
- 7) Central development district/plan.

8) It was noted that the process took almost four years and that this plan is just that, a plan or a guide to the future.

It was opened up for general questions.

- 1) Traffic pattern and routes were discussed. It was noted a bridge crossing is proposed for the northern area of the Village with two connections to USH "45." The

CTH proposed for the west side of the Village was also discussed in reference to a by-pass. It was noted the by-pass was removed/dropped from the jurisdictional plan in the early 70's and the Village has been told it would appear that a CTH by-pass is all that we could hope for. That CTH is noted on the County and Southeastern jurisdictional plan and has been since the 1960's, but has a low priority. The majority of those present alternative traffic patterns for USH "45" should be looked at with the promotion of a by-pass.

2) Some further discussion was held on the central business district and how it is defined.

3) The floodplain boundary situation was discussed and the process explained.

4) It was noted by Ken Bonlender that he feels the Village should not have any more multi-family housing and that the current ratio is at 33% and that it is proposed to be lowered to 25%. Further discussion pursued. The majority of those in attendance felt it is important to provide starter and finisher type dwellings for the young and the elderly of the community. It was noted by the support expressed and then by applause that those in attendance liked the land use plan. Comments of support were stated and the reiteration that this was a plan and a guide to the future.

On a motion by Charles Waala, seconded by Theodore Meilahn and unanimously carried by roll call vote, the public hearing was closed.

Action was taken on Resolution 97-9, A Village Plan Commission Resolution For Adopting The Village of Kewaskum Land

Use and Street System Plan as heard at the informational meeting of June 3, 1997 and the public hearing June 10, 1997 as attached hereto:

Plan Commission Member Kenneth Bonlender announced his dissatisfaction with the support shown for the Land Use Plan etc. and resigned effective immediately leaving the meeting.

Zoning Administrator Richard Zarling announced his retirement as Zoning Administrator for 25 years. He expressed his support of the Land Use Plan and effort that the Plan Commission showed during the process. President Robert Wagner, Plan Commission, Village Board and those in attendance expressed their gratitude for Mr. Zarling's 25 years of service to the community and gave him a standing ovation.

On a motion by Gary Gavin, seconded by Theodore Meilahn and carried by the majority the meeting was adjourned. Roll call vote was 6 "Aye" 0 "Nay" 1 "Absent."

Bids will be opened and read at 8:30 p.m., Wednesday, July 16, 1997 at the town of Wayne Hall, 6030 Highway H, Campbellsport, Wisconsin.

All bids shall be addressed to Orville Kern, Clerk, Town of Wayne, Wisconsin with the name and address of the bidder marked on the outside of the envelope.

Plans and specifications are on file at the office of the Town Clerk, Town of Wayne Hall, 6030 Highway H, Campbellsport, Wisconsin. A non-refundable charge of \$5.00 will be required for each set of construction drawings. A \$3.00 shipping charge will be required for mailing of construction documents.

The Town of Wayne, Wisconsin, reserves the right to reject any or all bids, subject to the provisions of Sections 60.47, 66.29, 66.293 of the Wisconsin Statutes.

No bid shall be withdrawn for a period of forty-five (45) days after the scheduled time of opening bids.

The letting of work described herein, is subject to the provisions of Section 66.29 Wisconsin Statutes, as it applies to work done under this contract.

Proposals must be submitted by bidders on a form supplied by the Town.

No bid will be received unless accompanied by a Certified Check or a Bid Bond equal to 5% of the bid, payable to the Town of Wayne, Wisconsin, as a guarantee that, if the bid is accepted, the successful bidder will execute and file the contract and bond forming a part of the specifications within ten (10) days after the award of the contract. In case the bidder fails to file such contract and bond, the amount of check or bid bond shall be forfeited to the Town as liquidated damages (Section 62.15(3) of Wisconsin Statutes).

This project is not subject to Municipal Wage Scale Requirements per Section 66.293(5) of the Wisconsin Statutes.

Compiled and published by authority of the Town of Wayne, Wisconsin.

Dated this 30th day of June, 1997.

Orville Kern, Town Clerk

OFFICIAL NOTICE

The Kewaskum School District Board of Education will meet in Closed Session on Monday, July 7, 1997 beginning at 6:30 p.m. at the District Administration Office, 1450 School Street.

PROPOSED AGENDA

1. Call meeting to order-Board President
2. Roll call of members
3. Motion to go into Closed Session as per State Statute 19.85 (1) (c) "Considering employment, promotion, compensation or performance evaluation data of any public employe over which the governmental body has jurisdiction or exercises responsibility."
 - a. Administrative Compensation
4. Adjournment

Chamber Golf Outing Scheduled for August 2

The Kewaskum Area Chamber of Commerce, along with Michelob and Best Ford, will be sponsoring the Fifth Annual 18-Hole Golf Tournament on Saturday, August 2, at Hon-E-Kor Country Club in Kewaskum. Tee times will be starting at 9:30 a.m.

The format will be a four-person best ball.

Chairing this year's event are Vern Jung and Rosie Ritger of Quad Tool and Design, Audrey Krueger of Kewaskum Pharmacy, and Andrew Kuehl of the Kewaskum Statesman. Committee advisors are past chairpersons Debbie Timblin of Timblin Property Management and Jane Korth of Hon-E-Kor.

All proceeds from the annual Kettle Kountry Kolers Family Fun Festival which is being held this year on Saturday and Sunday, October 11 and 12, at River Hill Park.

Last year's outing proved to be a huge success and it is hoped with new volunteers and help from last year's committee, the event

will be as successful as last year.

The cost for the event is \$50 per person and includes 18 holes of golf on the picturesque Hon-E-Kor course, lunch, a steak fry dinner and lots of prizes. Hon-E-Kor members need only pay \$30. (Carts will be available for an additional \$22). However, if in golf is not your game, join in the fun anyway for the scrumptious steak fry and camaraderie for only \$15.

The committee is seeking any interested foursomes, twosomes and individual golfers. An entry form can be found at the bottom of this article or you can pick one up at the Kewaskum Statesman, Kewaskum Pharmacy, Quad Tool and Design, Kuehl's Suds and Spirits, Hon-E-Kor Country Club or by calling any committee member.

Your participation is always appreciated. If you would like to become involved or possibly donate a door prize, please contact Rosie Ritger at 626-2158 or Andrew Kuehl at 626-3312.

Village Board Meeting Monday

Public notice is hereby given that the next meeting of the Village of Kewaskum, Wisconsin Village Board is scheduled for Monday, July 7, 1997, at 8:00 p.m. in the Municipal Building, 204 First Street.

The agendas for the meeting are prepared as of Wednesday noon preceding the meeting and are available at the office of the clerk at the Municipal Building on Thursday preceding the meeting.

Copies of the agenda are also posted in the lobby of the Kewaskum Post Office and lobby of Bank Wisconsin.

An opened can of paint should be lined around the rim with a strip of aluminum foil, to keep the groove free of paint to make closing and reopening easier.

A's Drop Two

The Kewaskum Athletics suffered a pair of defeats over the weekend. Rubicon came from behind on Saturday to hand the A's a 14-11 defeat in the Tri-County Nite League play. On Sunday, the visiting Hustisford Astros pummeled the home team by a 16-5 score in Rock River League action.

Kewaskum jumped out to an 8-3 lead going into the bottom of the fifth inning. The A's were powered by Joe Rettler as he crashed a two-run homer in the third and a three-run shot in the fifth.

Walks, a couple of hits, and some crucial defensive misplays led to five runs in the fifth and six runs in the sixth inning for the Rubicon Red Sox. The A's added one pair in the ninth to make the final tally, 14-11.

Joe Rettler led the way offensively, with his two home runs, good for five RBI and two runs scored. Doug Gonring was 4 x 6 with three RBI, Curt Schroeder rapped out three base hits while Kevin Klahn, Ryan Hall and Todd Muckerheide each had two.

Dave Dorn started on the mound for the A's and took the loss. Joe Rettler and Tim Gundrum also saw action on the mound.

Hustisford came out hitting the ball hard and put the home team in a hole early on Sunday on the way to their 16-5 win. The Astros scored four times in each of the first two innings and three times in the third to build an 11-3 lead that was never seriously threatened.

Hustisford banged four home runs and four doubles among their 21 hits. Ryan Hall, Bob Bothe and Shawn Schneider shared the pitching chores for Kewaskum with Hall taking the loss.

The Donath boys provided most of the offensive punch for the A's. Scott Donath pounded out two home runs among his three hits as he drove in all five Kewaskum runs. Player/Manager Dave Donath chipped in two base hits. No other Athletic had more than one hit.

The losses dropped the Athletics' record to 4-5 in Rock River League play and 3-3 in the Tri-County Nite League. Overall, Kewaskum's record for the season is 9-9.

The Fourth of July holiday weekend has the A's playing a pair of Rock River League games. Kewaskum travels to Rubicon on Friday to take on the Red Sox in a 1:30 contest. On Sunday, Brownsville comes to town. That game also has 1:30 p.m. start.

Schmidt Completes Career At UW-Stevens Point

Christa Schmidt

STEVENS POINT, WI -- Christa Schmidt, the daughter of David and Rae Schmidt of Kewaskum, recently completed her Volleyball career at the University of Wisconsin-Stevens Point.

A transfer from Carthage College prior to the 1995 Pointer Volleyball season, Schmidt immediately became a leader of the team, especially during the past 1996 season when the majority of the squad was made up of first-year players.

In 1996, she played in all 34 matches as the Pointers went 18-16. She led the squad in games played (124), and kill percentage (.248) while being

second in kill attempts (785), kills (310), and digs (216). In her brief two-year Pointer career, she finished with 433 kills, 280 digs and 85 blocks. She served as team captain and, following the season, was named the team's Most Valuable Player.

"Christa will definitely be missed," said head coach Julie Johnson. "She was a tremendous help to this past season's team, almost like a coach on the court. She has definitely left a mark on this program. Any success this current group of players has will be partly linked to her hard work and dedication in leading them."

Umps Suspend One, Indians Give Up Two

The Brillion Lions were in Kewaskum on Tuesday, June 24, when the wind and rain blew through town. The game was suspended with Kewaskum batting in the bottom of the first inning.

Dan Jeserig pitched for Kewaskum and got the Lions out in the top of the first without scoring. Bottom half action saw Indian lead-off batter Erik Kopecky get hit by a pitch, moving him to first. While number two batter, Jason Bartelt was at bat, Kopecky stole second.

After a Bartelt strikeout, Bruce Gundrum was up to bat when the skies let loose with a powerful wind storm. Fans' hopes were diminished when clouds burst and the diamond became slick and dangerous, causing ump's to put the game into suspension.

The game has been scheduled to continue from that point on Friday, July 11, at 5:30 p.m. on the Indians home diamond.

The rest of the week was not kind to the Indians as they dropped two conference games. On Thursday, June 26, the Indians ventured to Sheboygan Falls for a rain-out make up game with the Falcons.

Sheboygan Falls used 13 hits to score eight runs as pitcher Jim Olafson and Erik Heidenreiter combined

to hold the Indians to one run on only four hits. Kewaskum pitcher Erik Kopecky could not control the Falcon hitters as they collected hits in every inning but the fifth. Each Falcon batter pounded hits except for the number nine position.

As hot as the Falcon bats were, the Indian bats were as cold. Kewaskum could only score a single run in the fifth. Catcher Bruce Gundrum collected two of Kewaskum's four hits. Troy Staehler doubled and Dan Jeserig singled for the other two Indian hits.

The Falcons remained tied with Campbellsport for first place in the Conference with a 7-2 record. The Indians fall to 5-4 in Conference play, (9-7 overall).

Hosting the Plymouth Falcons on the Friday, June 27, the Indians took the back seat with a loss of 8-3.

Plymouth pitcher, Kyle Raeder, was the story of this game. The Plymouth ace had a shakey first inning when Kewaskum unloaded for two home runs from the first three batters to come to the plate. Erik Kopecky led off with a bullet home run to left. After a strike out by the number two batter, Bruce Gundrum hit a long, four-bagger to centerfield. The homer was Gundrum's fifth in the

conference this year.

The dingers apparently jolted the pitcher to reality, because after that Raeder retired the next 14 in a row, until Ryan Rammer tripled to lead off the sixth. Ryan ended up scoring on a sac fly by Jason Bartelt. But those were the only hits the Indians could muster. Raeder struck out 14 and walked none.

Plymouth hitters got to Kewaskum pitcher Dan Jeserig for eight runs on 12 hits. Dan struck out six and walked one enroute to his third conference loss. Jeserig's Conference record is now 3-3. The Indian Conference record is now 5-5, (9-8 overall).

The Indians play three games next week: on Tuesday, July 8, at Campbellsport, Thursday, July 10 at home, against Chilton, and on Friday, July 11, against Brillion, at home. All games are scheduled to start at 5:30 p.m.
