## Monday Meetings Temporarily Moved to Tuesdays

### School Board Approves Administrative Salaries

By Sharon Callaway Roznik

The Kewaskum School Board voted 6-1 to move their regular monthly board meetings to Tuesday evenings at 6 p.m., beginning in October, and running through January, 1998.

Board member Mary Andera requested the change, stating there were town and other local organization's meetings on the same evening, and this would give board members a chance to attend.

Board President Jean Goeden was against the proposal, and told board members this was a policy change, which required recommendation from a separate committee. Board member Tom Timblin, who also serves as varsity high school basketball coach, said the schedule change would conflict with his coaching responsibilities, and he would be unable to attend some of the board meetings if the switch was made.

Larry Fechter backed the change, claiming he had other obligations to fulfill on Monday evenings for his employment, and this would

free him up to attend those meetings. Andera added that this had been done last year without any policy revision.

Goeden was the lone voter against the proposal.

Administrative salaries for the 1997-98 school year were approved by the Kewaskum School Board at Monday night's meeting.

The Superintendent's position, left vacant by the sudden resignation of Dr. Charles Johnson, has been increased by \$3,116 to \$85,116, reflecting a solid 3.8% increase. Temporarily filling the position is Interim Superintendent Clark Pearson, who left his role as Kewaskum Middle School Principal to serve as district Superintendent until a suitable replacement can be found. Pearson is being paid \$300 per day for the 97-98 school year.

The district business manager/curriculum coordinator George Allmann has been increased \$2,394 or 3.8%, for a total salary of \$65,394. High school principal Larry Wilson - \$65,405, up \$1,905 or 3%; Assistant high school principal John Wolfenberg - \$54,590, up

\$1,590 or 3%; Interim middle school principal Ken Soerens will receive \$57,000 for the 1997-98 school year.

The vacant position of permanent middle school principal went up 4% or \$2,460 to \$63,960. Other administrative compensation for this year includes Director of Elementary Education, Kieth Kriewaldt, increased to \$63,586, up \$2,386 or 3.9%.

Per a request from Heidi Olsson, Director of Pupil Services, the contract has been reduced by 40% to a 60% position, for a salary reduction of \$24,400. The adjusted wage is \$32,600.

The above figures reflect a salary decrease under last year of 2.4%.

Buildings and Grounds Superintendent Chad Kyle - \$47,600, up \$1,610 or 3.5%; Food Service Supervisor Kathy Robinson - \$24,200, up \$961 or 4.1%; administrative bookkeeper Deb Schubert - \$35,500, up \$1,392 or 4% and Administrative assistant Jeanne Jacak - \$35,500. The salary increases on these four positions reflect an increase over last year of 4.16%.

## Turkey Shoot Sunday

The Kiwanis Club of Kewaskum has announced its Turkey Shoot will be held on September 14. It will be at the New Fane Sportsman's Club grounds, four miles north of Kewaskum on County Trunk G, in the beautiful Kettle Moraine.

This year's event will feature a firing line, trout pond, golf/drive and putt, trap shooting, archery, compound bow shoot, football kick, basketball shoot, dart shoot and children's games. Hot and cold beverages and food will be available. Cook-

ware closeouts will also be on sale. Raffles will be held throughout the day for turkeys and sausage.

In addition to advance sales tickets being accepted at all events, cash prizes will be awarded at a drawing to be held September 22. Ticket holders will not have to be present to win.

Advance sale tickets will cost \$4.00 for four shots and may be purchased at a variety of business places throughout the area.

Proceeds will benefit area youth activities.

## Village Issues Addressed by Board

By Lana Harbeck Kuehl

Members of the Kewaskum Village Board handled assorted agenda items at their Monday, August 18th meeting.

Under reports by Department Heads, Director of Public Works Jerry Gilles stated he had been in contact with Wisconsin Electric concerning the contract for them taking over the wiring of the Main Street-Fond du Lac Avenue street lights project. Gilles reported the work was scheduled to begin in late August (which it did), providing contacts had been made with a few property owners.

Village Administrator Daniel Schmidt reviewed the building permits for the month of July, stating nine single family residence permits and two duplex permits had been issued.

Committee reports were given with Trustee Warren Dums updating board mem-

bers on the park and recreation meeting held prior to the regular Village Board meeting.

Dums reviewed the plans for construction of a storage shed facility at Kiwanis Park. He stated the horse-shoe league committee had been contacted and they agreed, to do repairs on the existing facility instead, and would look into the issue of a new building again a few years down the road.

Trustee Dums added discussion was held for budget purposes on the baseball diamonds in Kiwanis Park, including a fence on the west (right field) side and taller permanent bleachers. Work by the league on the concession stand was also discussed. It was decided to get clarification in writing from the baseball league regarding what exactly they were proposing to do.

Discussion was held on the T-ball and softball games overlapping whereby

softball teams were knocking balls on the T-ball playing area. Trustee Gary Gavin specified, "It's set up that T-ball is supposed to be done before the softball starts with a 15 minute window in there. We made that clear when we told them (softball) they could use it."

Assistant Fire Chief Mark Herriges, who has children playing in T-ball, was asked the times T-ball games are scheduled. Herriges stated, "T-ball plays at 6 and 7 p.m." Gavin added the schedules were supposed to be altered to 5:30 and 6:30 p.m. with softball games scheduled to begin at 7:30 p.m.

The problem therein occurred when neither leagues adjusted their schedules. Due to the conclusion of the seasons, it was decided to address the issue and resolve it for next year.

## Kewaskum Frozen Foods Sausage Raises \$900 Governor Auctions Winning Meat Products for 4-H Benefit

Bob Beisbier of Kewaskum Frozen Foods, displays a 25 pound summer sausage in the shape of Wisconsin. The item was purchased by Hartmann Sand and Gravel Company, Fredonia, for \$900 at the 1997 Governor's Sweepstakes Meat Products Auction at the Wisconsin State Fair. Proceeds from the auction benefited the Wisconsin 4-H Foundation. Pictured with Beisbier and Governor Tommy Thompson, who served as guest auctioneer, are Alice in Dairyland Courtney Ott and representatives of the Hartmann Sand and Gravel Company.

Guest auctioneer Governor Tommy G. Thompson worked the crowd of bidders at the 1997 Governor's Sweepstakes Meat Products Auction, an annual benefit for the Wisconsin 4-H Foundation. The Governor brought in a winning bid of \$5,200 for the Grand Champion Ham, bought by Harold Bitney, owner of Mini Pick, Milwaukee, and processed by Bloomington Custom Processing, Bloomington. Proceeds from the auction totaled over \$28,650, benefiting statewide 4-H programs and over 150,000 4-H youth.

The auction featured the winning entries from the 1997 Wisconsin State Fair Meat Products Show, including ham, bacon, summer sausage, cured and smoked beef, and meat snack sticks.

In addition, meat processors donated specialty items, such as a 25 pound summer sausage in the shape of Wisconsin, a five

foot summer sausage, and a specialty meat package. Also auctioned off were two domestic coach tickets courtesy of United Airlines and four Wisconsin Badger football tickets courtesy of the Wisconsin Agricultural and Life Sciences Alumni Association.

The evening's highest total bids belonged to Sentry Super Saver, Waukesha, who bought three items for a total of \$5,900 including the Grand Champion Bacon (Haen Meat Packing, Kaukauna), the Grand Champion Summer Sausage (Bloomington Custom Processing, Bloomington), and the Grand Champion Snack Sticks (Lake Geneva Country Meats, Lake Geneva).

Hartmann Sand and Gravel, Fredonia, contributed \$2,750 for the Reserve Grand Champion Bacon (The Butcher Shop, Fennimore), the Champion Cured and Smoked Beef (Pat's Country Market, Arcadia), and the 25 pound summer

sausage (Kewaskum Frozen Foods, Kewaskum).

Other high selling products included the Reserve Grand Champion Ham, bought by Grebe's Catering, West Allis, and entered by Pat's Country Market, Arcadia, and the Champion Ham bought by K-Tech, Hartland, and entered by Haen Meat Packing, Kaukauna.

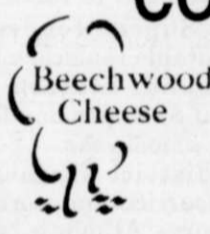

The Governor's Sweepstakes Meat Products Auction is one of the largest fund raising events of the year for the Wisconsin 4-H Foundation, providing essential funding for 4-H programs that help teach young people the skills necessary to become responsible, productive citizens.

Elsie Schloemer, a resident of Mapledale Manor in Kewaskum, celebrated her 105th birthday on Wednesday, Sept. 3rd. Joining her in celebration were friends and staff of Mapledale, along with members of her family, including her daughter Marion Schaefer of West Bend, granddaughter Barbara Kukuk, niece Norma Warnkey and a nephew and his wife, Fred and Beulah Schloemer. A huge cake was shared in honor of her special day.

## Kewaskum Student Returns To St. Lawrence Seminary

Lucas Martin

Lucas Martin, son of Larry and Louise Martin of Kewaskum, registered for his sophomore year of high school at Saint Lawrence Seminary on August 23.

The live-in high school in Mount Calvary, Wisconsin has a total enrollment of 215 students of diverse ethnic and cultural backgrounds from across the Midwest and around the world.

"Allowing Lucas to attend Saint Lawrence was not a difficult decision," his mother said. "After the weekend visit, Lucas decided Saint Lawrence was where he wanted to go to high school. We feel Saint Lawrence has provided him with a unique growth opportunity. Friends from different states, countries, cultures and backgrounds have presented an enlightening and enriching experience."

Lucas's parents are also happy about the spiritual formation their son is receiving. "At Saint Lawrence, spiritual growth is encouraged and nourished. Ministry is a part of life. The academic courses are challenging."

His parents think that Lucas' first two years at Saint Lawrence were good for him. "By living away from home, Lucas has become independent and responsible. Saint Lawrence is preparing him well for life beyond high school and for the contributions he may make to society and the Christian community in his adult life."

Owned and operated by the Capuchin Franciscan Religious Order, Saint Lawrence Seminary is a live-in high school with students of diverse ethnic and cultural backgrounds from across the Midwest and around the world.

"A student who participates in this program will develop intellectually, spiritually, emotionally and socially," said Fr. Dennis Druggan, Rector of the 137 year old educational institution. "He will succeed dur-

ing his high school years and in the rest of his life."

Besides offering a rigorous academic program, Saint Lawrence Seminary helps its students lay a foundation for a life of ministry in the Catholic Church as priests, brothers or laymen. The program teaches students to care for each other and to take care of our world. Almost all Saint Lawrence Seminary graduates go immediately on to college.

Information about the school and its program can be obtained by writing to Saint Lawrence Seminary, 301 Church Street, Mt. Calvary, WI 53057, or by calling (920) 753-3911 during business hours or by visiting Saint Lawrence Seminary's web site at <http://www.stlawrence.edu>.

## Kick-off History

Saturday, Sept. 6, will be remembered fondly by spectators and players as the Kewaskum GridIron Indians played football for the first time.

Three different Indian teams played on the high school field, each leaving with a victory.

The 8th grade "A" team played first against Fredonia. A fine offensive running game helped score three touchdowns.

The defense played just as well. They recorded two interceptions and two fumbles recovered. The last touchdown came on a punt return. The final score was: 29 to 0.

The Indians 7th grade "B" team hosted Fredonia's "B" team next. The Indian offense combined a passing and running game in their victory.

The Stingy Indian defense never allowed Fredonia in the end-zone. The result was a 20-0 win.

Finally, the 6th grade "C" team got their chance on the field. The Indians scored four offensive touch-downs.

The defense did it's part by intercepting Fredonia once. They also managed two fumble recoveries. This resulted in a 32-0 win.

All "A" games begin at 9:00 a.m. on Saturday mornings. "B" games follow the conclusion of the first game. "C" games follow the "B" games respectively.

Here is the remaining schedule:

Sept. 13 - Kewaskum at Random Lake  
Sept. 20 - Kewaskum at Grafton  
Sept. 27 - Saukville at Kewaskum  
Oct. 4 - Kewaskum at Cedar Grove - Belgium  
Oct. 11 - Kewaskum at Cedarburg  
Oct. 18 - Menomonee Falls at Kewaskum

## Yeska Family Reunion Held

by Isabelle (Yeska) Muckerheide

On Labor Day weekend, the descendants of Anton and Stella (Paluka) Yeska gathered at the Homestead in Neshkoro.

Regardless of the rain on Saturday, our spirits were not dampened. A sumptuous meal was enjoyed, and later a collection of slides was shown, featuring many family events through the years.

The joy of our being together was somewhat dimmed by the tragic news of Princess Diana's death. We watched T.V. until the wee hours, getting all the details.

The festivities began with singing a song to the tune of "I've been working on the R.R."

We're all members of one family

We are proud to say  
Yeska is the name we're  
known by

That's Y-E-S-K-A  
When we gather all together  
Strange as it may be.

We depend on one another  
'Cause we're family.

Sunday morning Fr. Joe Schlaefel had a Mass for us at 11:00 a.m. with at least 60 people in attendance. The service was under the direction of Kathy Luty accompanied by guitars and a banjo. Later some attended a dinner at Silvercryst, Wautoma.

Sunday evening we played Bingo with cash prizes. I, of course; didn't win. Instead of camping out, I stayed with my sister, Helen. At 85 she is the perfect hostess with coffee, sweet rolls, bacon and eggs for breakfast. A sign in the corner says: "My kitchen and me welcome thee." I like another one that says: If this Grandma is sitting at a spinning wheel, she's probably at a Casino someplace.

Out of state guests came from Florida, Massachusetts, and Illinois.

The Kerkin family arranged the program this year; so that was the subject of my poem:

Another year has rolled around  
Since we have met last year,  
So here's my humble offering  
To try to spread some cheer.

The Kerkin's are in charge  
this year.

I know it will be a blast  
For when it comes to entertaining  
They're the perfect ones to  
ask.

Now Jim is the musician,  
And John the bowling star  
Kathy is the organist,  
The nurse is Patty Bahr.

Our West Point graduate is  
Tony, Jr.

Who's living far away  
But none the less is in our  
midst,

He calls most every day.  
Beloved Chris has left our  
group

Who made their family whole  
He's gone to make a place for  
us

May God preserve his soul.  
Last but not least is Jeannie  
Whose single days are few.  
When Steve will march her  
down the aisle, and life  
begins anew.

We celebrated the 50th  
Of Dorothy and Tony, their  
folks;

It was a wonderful gathering

Food, music, and Polish jokes.

We lost a dear one, Bobby  
Good

Our Helen's oldest son,  
But family rallied once again,  
And grief was overcome.

Ninety-eight is looking great-  
If the good Lord gives me  
eighty,

There'll be a celebration  
The plans at now are weighty.

Next years plans are shaping  
up

Regardless of the weather,  
When Hank and Lucy pledged  
their love.

Of fifty years together.

Let's fill these days with  
happy times,

And spread a lot of cheer,  
So when the week is over,  
Fond memories last through-  
out the year!

## Village Issues

(Continued from Page 1)

The next issue brought up by the Park and Rec committee was on the use and transportation of the village picnic tables. A request to have 25 picnic tables moved to the fire station by the Department of Public Works crew was made by members of the department involved with the KEYS benefit tailgate party.

Director of Public Works Jerry Gilles brought up the issue looking for some type of direction and policy from the board regarding the use of the tables and the transportation of the same by village workers.

Lengthy discussion followed with Trustee Stoltzmann stating he felt the request was "a little ridiculous," with assistant fire chief Mark Herriges agreeing with him.

Trustee Gavin stated, "I don't think that's the question. It's the question is the village going to take the responsibility of moving picnic tables. It's not a question of allowing organizations to USE the picnic tables, it's who's going to transport them from the park wherever the activity might be, and back to the park. It's not just taking the picnic tables there, it's bringing them back also."

Gavin added, "My personal opinion is if the village lets people use them, it should be their (the user) responsibility to transport them back and forth, other than the firemen's picnic and the fireworks and stuff like that."

Assistant Fire Chief Mark Herriges reiterated, he felt the request for 25 tables to be transported was "a little overkill." It was thought that 7 to 10 tables were moved last year.

Gavin then made a motion which stated, "the village allows non-profit organizations to use the picnic tables as long as they transport them to and from their project," which was seconded.

Further discussion ensued with Trustee Pesch stating he would like to add to the motion that "they (the picnic tables) do not get used anywhere out of town."

It was explained there was already a policy to that effect on the books, and thus the board then voted unanimously in favor of Gavin's original motion.

Turkey hunters set another harvest record during the spring hunting season in Wisconsin this year, reflecting the continued growth of the state's wild turkey population and increasing popularity of turkey hunting. Hunters registered over 20,800 turkeys this past spring compared to 18,000 in 1996. More than 100,000 hunters applied for the 92,340 permits.

With a good turkey pop-

ulation base and projected average reproduction this year, fall hunters should also find many turkeys to pursue. The fall turkey permit application deadline was August 10. A total of 32,200 permits are available. Last year, 57,000 hunters applied for fall permits.

Considering that the number of applicants will probably increase this year, many hunters can expect to be unsuccessful in the drawing, but will have preference for the 1998 fall turkey hunt. Hunters may want to obtain a hunting

permit leaflet that shows the zones that are open and the number of permits in each before applying. Not all spring zones are open in the fall.

Past experience has shown that the month-long fall hunt has not significantly changed either hunter success rates or interference rates among hunters. The change from three one-week hunting periods has allowed for similar numbers of permits and more flexibility for hunters.

Hunters are reminded that the spring turkey application deadline is December 10. For the first time, over 100,000 permits will be available next spring.

# Kewaskum Pride Twirling Team Brings Home Trophies

The Kewaskum Pride Show Team finished their season with a sense of pride as they brought home a first place trophy from the Wisconsin State Competition and a tenth place trophy from the National Twirling Competition at Notre Dame.

Pictured above, bottom row, left to right, are Heidi Bertram and Megan Morell and top row, Jessica Parent and Eileen Kohlwey. These four twirlers worked long hours preparing for these competitions under the coaching support of Julie Wenzlaff and the twirling/choreography instruction from Julie's Touch of Silver Twirling Studio of Oshkosh.

These girls prepared a dance-twirl routine to perform at both state and national competitions. The state competition was held on Sunday, July 13, at the Hales Corners High School. The national twirling competition, AYOP (America's Youth On Parade) was held July 23-26 at the University of Notre Dame in South Bend, Indiana, where twirlers from all around the United States and Europe gathered to be among the best of the best!

The Kewaskum Pride Twirling Team would like to extend a heartfelt thank you to all the area businesses who so generously donated the cash needed for the team to enter the 1997 competitions.

Konnichiwa! (Hello!) Watashi no name wa Heather Hackbarth desu. (My name is Heather Hackbarth). I am 14 years old and in the ninth grade at Kewaskum High School.

This summer, July 13 - August 12, I went on a Japan trip through the IFYE Organization of 4-H. (International Four-H Youth Exchange).

Fourth grade teacher Mrs. Ourada greets Danny Shileny and his parents.

A remarkable turnout of nearly one hundred family members of Wayne Elementary School students filled the rooms and hallways of Wayne Elementary during last week's Open House.

It was a chance for parents to check out the classrooms, look for clean desks, sign up for October's conferences, and have a chat with the teachers.

Pizza from Mr. Z's was on hand to eat, too, as a preview of the upcoming fundraiser for playground equipment and other WES improvements. The evening was termed a "tremendous" success.

## Wisconsin Volunteer Summit Involves County Delegates

First Lady Sue Ann Thompson has announced that more than 600 citizens from across Wisconsin will converge on Madison's Monona Terrace Convention Center on October 6 for the "Wisconsin Promise Summit" on Volunteerism.

The summit will mark the formal commencement of Wisconsin's efforts to continue the work begun at the national summit. It will

bring together youth, corporations, non-profit groups, universities and colleges, local and state government, and concerned citizens.

The Summit will focus on five essential resources that youth need:

- \* Mentoring - A caring relationship with an adult.
- \* Nurturing - A healthy start.
- \* Protecting - A safe place.

\* Teaching - Marketable skills through education.

\* Serving - Opportunities to serve in their communities.

Youth are truly our most valuable resource. They are the future. A statewide satellite and county meeting on Tuesday, September 9, from 6:30 to 9 p.m. in Room 1113 A & B, Public Agency Center, West Bend, will begin the planning of Washington County's involvement in the Statewide Summit.

Washington County will have an opportunity to

nominate 10 delegates, and at least three will be youth to represent our county. All interested persons are invited to attend and nominate delegates to attend the state summit.

Please contact Kandi O'Neil, Washington County 4-H Youth Development Educator at the UW-Extension Office at 335-4478 or Patti Christensen, at the Washington County Volunteer Center, 338-8256 to pre-register for the satellite or if you want more information.

### CORRECTION

We sincerely apologize for any problems this may have caused.

KES fifth grader Paige Thelen is all concentration as she plays her recorder in music class. As part of the fifth grade music curriculum, the recorder allows students the chance to experience another way to express themselves musically.

### EWSCA NEWS

(PLYMOUTH, WI) Leroy Ostrowski of Milwaukee collected his first feature victory since the 1995 season in the annual Labor Day 30 lap Eastern Wisconsin Stock Car Winged Super Modified main event Monday afternoon at Sheboygan County Fair Park.

After an aborted start for an incident in turn two involving Eddie Staehler of Kewaskum and Grafton's Dennis Klumb, the inside front row starting Ostrowski battled side-by-side with fellow front row starter Dave Enders of Kiel during the opening two circuits of the race.

On lap 3, Ostrowski finally surged ahead of Enders to take control of the top spot. The second red flag of the event flew on lap 6 for debris in turn one. After the restart, Ostrowski began to pull out to a quarter-straightaway edge over fifth starter Danny Cain of Kewaskum by the half-way point.

The 13th year competitor continued to hold down the top spot until lap 26 when Enders spun in turn three to bring out the third and final red flag period. When the race resumed, Ostrowski successfully fended off Cain's challenges over the final four laps to capture his second career EWSC Winged Super Modified feature win by a five car length margin.

Cain was second, two-time track champion and current point leader Pete Ostrowski of Milwaukee finished third after starting fourth, Plymouth's Chuck Melis came from the 14th starting spot to place fourth and inside second row starter Tim McCullen of Plymouth took fifth.

Gary Nelson of Shawano made his first ever visit to the Plymouth track pay off in a big way as he posted his first career EWSC 25 lap Limited

Late Model feature triumph.

J.J. Walvoord of Oostburg picked up his first feature victory of the 1997 season in the 20 lap Super Stock main event.

Greg Otte of Sheboygan Falls won the 15 lap Winged Super Modified B semi-feature

while Tommy Johnson of Slinger was victorious in the 8 lap Winged Super Modified C semi-feature. Kiel's Jeff Gierke won the 15 lap Limited Late Model semi-feature. Kiel's Jeff Gierke won the 16 lap Limited Late Model semi-

feature. Steve Tenpas of Sheboygan Falls was the victor in the 15 lap Super Stock semi-feature and Doug

Kuchinski of Elkhart Lake took the checkered flag in the 6 lap Super Stock consolation race.

## CC Teams Better Their Times

The KMS Cross Country teams continue to improve their times.

At last Tuesday's meet against Howards Grove and Sheboygan Falls, 9 of the 13 runners ran personal bests for the year. Rebecca Ogi shaved off the most time with 1:39, Brendan Weinhold was the next best with :49.

Some of the top individual place getters for the harriers were Carol Neumann, 2nd overall, and Emma Chambers 10th place. For the boys team, Danny Wall sprinted in for a 6th place followed closely by Josh Rieder, 8th place and Brian Wall in 9th. "Even though we came out on the tail end of the meet, the point spread between the teams is closing," stated Coach Drexler.

On Thursday, the team traveled to New Holstein for a dual meet against the Huskies. Again the teams did a tremendous job with improving their times. Seven of the thirteen runners bettered their times. Foreign exchange student Daniela Corral improved the most by cutting 1:51 off her previous best, next was Chris

Weninger with 1:48.

Carol Neumann was the top girls runner overall, placing 1st in the meet, 1:13 ahead of the second place New Holstein runner. For the boys team, Danny Wall and Josh Rieder were the top runners placing 2nd and 3rd respectively. Rounding out the rest of the team for the boys were Chris Weninger, 9th, Brian Wall, 10th, Darrell Woebeking, 11th, and Brendan Weinhold, 12th.

For the girls it was Emma Chambers, 7th, Michelle Zingsheim, 8th, Nicki Schinker, 9th, Rebecca Ogi, 10th, Rebecca Barton, 13th, and Daniela Corral, 14th.

## Indians Lose Another Nonconference Game

Six fumbles, three dropped passes, and one interception are not statistics a coach would want after only two games, but when those are the stats for the first half of a game you know your team is in trouble.

That's what happened as the Indians traveled to Horicon for its last non-conference game before the season starts for real. Kewaskum was coming off a big loss to Campbellsport, while the Marshmen had defeated Ripon 45-12 last Friday night.

While the first half stats might suggest that the Indians were out of the game early, the defense came through and kept the Indians close, allowing only two first half scores.

Horicon got its first score after a Josh Gaffke interception was returned to the Indian 15-yard-line. Three plays later, Joe Thull recovered a Horicon fumble to stop the threat. After a fumbled snap which the Indians recovered, Robbie Manthei returned the ball to the Marshmen by fumbling on the 16-yard-line. Three plays later Horicon scored for a 7-0 lead which remained the score until the end of the first quarter.

Early in the second quarter the Marshmen scored their second and final touchdown of the game on a long pass that was under thrown but Kewaskum defender Ryan Rammer fell down and the play went for a 45 yard touchdown play. The kick was wide left, making the score, 13-0.

The scored remained 13-0 until the fourth quarter when Gaffke connected with Rammer for a 35-yard touchdown strike, making the score 13-6. The kick for the extra point was missed when the snap was mishandled and the ball never got

### JV Football Team Swamps Marshmen

The Kewaskum High School JV football team defeated the Horicon Marshmen, 27-6, on Tuesday, September 2.

The offensive line did an excellent job of blocking and paved the way for four rushing touchdowns. Mike Farchione had two one-yard TD runs and Dave Lettow scored on a four-yard sweep.

Kewaskum's last touchdown was scored on a 15-yard quarterback keeper by Jason Strobel. Chris Koth kicked an extra point and also passed to Billy Cook for a two-point conversion to complete Kewaskum's scoring.

The defense did a great job of limiting Horicon to very few yards. The win moves the JV's record to 2-0 heading into their next game on Thursday, Sept. 11, at Kiel.

on the tee.

The Indians Matt Gundrum then recovered a Marshman fumble near mid-field giving the Indians renewed hope. After several pass plays, including a 25-yard completion to Jim Kopecky and a 15-yard run by Tim Vetter, the Indians found paydirt once again on a six-yard pass from Gaffke to Kopecky in the corner of the end zone. The two-point conversion pass to take the lead fell incomplete leaving the score at 13-12.

The Indian defense stopped Horicon, forcing them to punt with 1:30 remaining in the game. That's when a non-call by the officials brought the wrath of the fans and the KHS bench.

With Horicon punting, Jim Kopecky stood waiting to catch the ball at about the Indian 30-yard line. As Kopecky was about to catch the punt a Marshman tackled Kopecky with the punt hitting the tackler in the back. The officials did not rule interference with a free kick catch, but instead ruled it as a fumble and gave the ball to the Marshmen. Horicon was able to take a knee and and run the clock out for a final 13-12 Horicon win.

Head coach Perry Koth was not real happy with the poor fundamentals the offense displayed in the first half, but was pleased with other aspects of the game. "Our fundamentals were terrible the first half, but the defense played well enough to win and kept us in the game," said Koth.

He also added that he was very pleased with how the team came back and never quit. "We played much better the second half. We just need to get the offense and defense playing well in the same game."

Koth felt Matt Gundrum and Derek Dorn played very well on defense while Ryan Rammer had seven catches for 120 yards and one TD on offense.

Josh Gaffke also had a good second half throwing the ball. He ended up 11-24 passing with two TD's and two interceptions. The Indians were led in rushing by Vetter with 57 yards in 20 carries while Rammer's seven catches for 120 yards led the receivers.

This week the Indians host conference favorite, Kiel, at 7 p.m. The first two games are practice games which have no barring on the conference standings and are not used to determine playoff teams.

Total offense: K-240, H-237. **Rushing** - Vetter 20-57, Manthei 10-12, Kopecky 4-8, Rammer 4-1, and Gaffke 1 for -8. **Receiving** - Rammer 7-120, Kopecky 2-21, Warnecky 1-7, Staehler 1-3.

## KHS Cross Country Teams Off and Running

Left to right: Carol Neumann, Rebecca Ogi, Rebecca Baron, Nicki Schinker, Michelle Zingsheim, Emma Chambers, Daniela Corral.

Left to right: Darrell Woebeking, Josh Reider, Brendan Weinhold, Danny Wall, Chris Weninger, Brian Wall. (Missing, Pat Bohn).

The KHS cross country teams opened their season with a dual meet against Campbellsport last Thursday, but came out on the short end of the score.

With only two returning letter winners on each team, the young inexperienced runners showed much promise however. New comers to the teams are freshman Rebecca Baron, Darrel Woebeking, and Brian Wall, sophomore Brendan Weinhold, juniors Nicki Schinker, Rebecca Ogi, Pat Bohn and Josh Reider, and senior Daniela Corral. Josh and Brian showed much talent for their first time out by run-

ning a 21:14 and 23:03 respectively placing 5th and 11th overall.

But of course the overall strength and leadership was shown by the returning letter winners. Carol Neumann, 1st team all conference last year, pace the group with a 17:16 time, placing 2nd overall, followed by Emma Chambers, 12th and Michelle Zingsheim, 13th. Danny Wall and Chris Weninger are the returning letter winners for the boys placing 6th and 12th respectively.

Coach Drexler feels that the team's lack of depth is going to hurt the most throughout the season. "Running is a skill that has to be built upon over a

period of time," stated Coach Drexler.
