Village Board Annexes Spoerl Land; Business Development Proposed

By Lana Harbeck Kuehl

The Kewaskum Village Board Monday evening voted 5-1-1 in favor of annexing the 37 acre parcel of land owned by Steven and Susan Spoerl. The land is located in the Town of Kewaskum, just across the southwest corner of the village limits, adjacent to Kewaskum Kiwanis Community Park.

Along with the petition for annexation, it was requested the land in question be given a B-2 General Retail and Service District zoning classification.

Trustee John Kenworthy voted no and Trustee Gary Gavin abstained from voting.

Joel Fehlhaber of West Bend, (formerly of Kewaskum) one of the developers from LB Entrepreneurs LLC, gave a brief description on how it is hoped this parcel of land will be utilized in the future. The development, of course, was contingent with the approval of annexation and rezoning.

The plan for the development includes three phases. The proposed first phase will start out on the southwest corner of the property with a banquet facility for weddings, etc. The 2-1/2 story building will include retail shops, craft shops or possibly an antique mall on the first lower level floor.

The second level will house the banquet facility which will be able to accommodate one large wedding with seating up to 1,000 or two weddings or parties, seating 500 each.

The third level will feature a restaurant. The location offers a very panoramic view and will give patrons an extremely scenic lookout for those who come to dine.

According to Fehlhaber, if all goes well with the first phase, stage two will include a hotel/motel with spacious family suites that will feature kitchenettes, where you can bring the entire family and enjoy the many recreational sports offered by the Kettle Moraine. It is also planned to collaborate the motel with the banquet facility so out-of-town guests will be accommodated.

Phase three might feature a miniature golf

course, driving range, or something along those lines, but it really is too early to make a commitment on phase three.

Following a brief report by Plan Commission Representative Warren Dums, President Robert Wagner asked if a Public Hearing was necessary. Village Administrator Dan Schmidt explained the process stating, first the petition (for annexation) is filed; it goes to the Village Board, who acts on the resolution to accept that decision for annexation. It then gets sent to the Plan Commission for review and a recommendation, which was done in the aforementioned. Following that it comes back to the Village Board for action. Schmidt added the same process is used for all annexations.

The lone dissention from the audience came from former board member David Goeden, who stated he had a problem with the fact a public hearing was not needed for any annexation. He further reiterated, "there's a public hearing on all rezonings within the village, but there's no public hearing on any annexations into the village, even though it's being rezoned. So the question I have is that fact that Kewaskum is at its limit right now as far as building. The only way they can do it is to expand and annex. So you're going to have a lot of annexations into the village in the next five or ten years. So now you'll have a lot of adjacent property owners affected by it."

He felt property owners surrounding future developments would be unaware of the situation, and if a public hearing was not possible as a legality, it would be prudent, as a courtesy, to notify any adjacent property owners of any annexation coming into the village.

Trustee Kenworthy pointed out that actually the property in question was not being rezoned because it was never zoned by the Village.

Goeden debated the issue, stating, "it was zoned in the Town of Kewaskum as Agricultural and now that it is coming into the village it's getting zoned differently so yes, it is getting rezoned."

Kenworthy interjected, "but not by this body which has the vote on it."

Goeden also stated he was surprised the Plan Commission had given a favorable recommendation because in the Land Use

Plan the parcel of land in question was proposed to be a school or single family housing with the land being located in such close proximity to the park.

Goeden stated, "The problem I have is the fact

that it's going to be retail and service area, being right by the park. Also the traffic..."

He added, "If you now turn something in the Land Use Plan from proposed sin-

Chamber of Commerce Presents Village with \$1,000 Check

Gwen Dreher, left, a representative of the Kewaskum Area Chamber of Commerce Board of Directors, presented Village President Robert Wagner with a check for \$1,000 at Monday evening's meeting. The money was donated to the Village to help offset the cost of a spray water fountain which will be installed in the pool area of Kiwanis Park in spring. The gift was made with proceeds from last year's Kettle Country Colors festival. Members of the Chamber of Commerce are planning to sponsor future fundraisers and donate the proceeds to the village towards the purchase of a water slide and other pool equipment in Kiwanis Park.

Police Intern, Village Survey Discussed at Board Meeting

Police Chief Knoebel Congratulated on 25th Anniversary

by Lana Harbeck Kuehl

Village President Robert Wagner congratulated Police Chief Richard Knoebel on the February 1 observance of his 25th Anniversary serving the Village of Kewaskum to open Monday evening's board meeting.

Chief Knoebel gratefully acknowledged the salutation and quickly got down to the business at hand, stating the new squad car should be arriving within a week to ten days.

Knoebel also announced he had been contacted by Milwaukee Area Technical College in reference to their law enforcement program. They (MATC) have a person ready to graduate from the program and they were inquiring if the Kewaskum Police Department would be interested in starting up an intern program.

Knoebel explained the intern program would not cost the village anything. The intern has to work a minimum of six to ten hours

per week for the 12 week spring semester. Duties would include assisting with office paperwork, helping with the D.A.R.E. program and occasionally riding along in the squad car. "It's mainly to give them experience," said Knoebel.

He added all insurance would be provided by the MATC intern program and Kewaskum would have no liability whatsoever, stating, "It's an opportunity to give somebody a chance to

(Continued on Page 3)

Business Development

(Continued from Page 1)

gle family housing to business, you are now affecting each area around that property in the Land Use Plan. I have no problem with welcoming retail into town, but if we're going to start veering off of this (the Land Use Plan) what good did we do with it?"

Kenworthy countered with the fact that even though the land had been earmarked for a school, the people voted they didn't want to do that.

The Administrator explained, "it was opted not to proceed with the school there by the school board, the village had nothing to do with that."

Kenworthy continued, "that part for me is a non-issue. The part I'm a little concerned about is the top part that at one time was planned to be part of the park land. We were offered that property, am I correct?"

Administrator Schmidt answered affirmatively.

Kenworthy added that at that time the asking price was too high, but the thought was it would be looked at down the line. He reiterated he would still like to see that top strip retained as park land. Therefore, he was having a problem with the entire parcel being zoned B-2.

Trustee Gavin, one of the developers, asked to address a few of the issues brought up, stating, the area in question, "was the only place business is going to have to expand. Either there or on Highway 45."

Gavin also addressed the issue of notification. He said, "public notice is put in the paper under property being annexed to the village."

He added in regards to the traffic flow, "I guess it wouldn't make too much difference as far as traffic flow, being a school or if it be-

came commercial. I don't think the traffic is going to be that much different. And the street (Hwy. H) is an arterial street so the traffic will handle the flow there."

President Wagner asked what the rules were pertaining to notification about annexation.

Administrator Schmidt stated, "It's covered by state statutes. We've done everything that the state requires. I specifically asked in reference to holding a public hearing and legal counsel advises against it because then you are not treating everyone fairly. They recommend that you follow the state law."

Trustee Kenworthy interjected he felt they were drifting away from the issue. "The idea is do we want to annex this or not?"

He argued his point, saying he drives to Milwaukee everyday and sees small parcels of agricultural land being taken away. He said, "I look at the sign of Kewaskum that says, 'hunting, fishing, swimming and hiking' and it feels like we're getting away from the basics of who we are. If somebody is going to develop the land, I would just as soon Gary do it, because I know you're going to do a great job. I know you're going to add quality and value to our town, but at this point, I don't feel a bit comfortable with this. My greatest fear is that someday the only vestige of our Wisconsin natural heritage is going to be the names of our subdivisions, and that's bothering me."

Fehlhaber countered with, the community professes to be recreational and he stated, "that isn't going to be taken away. You have the state forest all over and that obviously can never be touched. But you can't really put your head in the sand and think things aren't going to expand in Kewas-

kum."

Trustee Kenworthy again reiterated, "I have no doubt that you will have a nice facility and I think it will be successful. What you're talking about is a nice thing. I guess just for me I can't support this in the location that it's at."

Trustee Andy Pesch supported the proposed building stating he felt it would be a huge boost for the business community.

Following the meeting, co-developer Gary Gavin elaborated a little more about the proposed facility. He stated the banquet area would also be able to feature live music, concerts and entertainment with a seating capacity in that scenario of nearly 3,000. The proposed motel will feature a rustic theme, synonymous with the beauty of the Kettle Moraine, and will cater to families who enjoy taking advantage of weekend getaways in Wisconsin.

Some historians trace the custom of sending verses on Valentine's Day to a Frenchman named Charles, Duke of Orleans who was captured by the English during the Battle of Agincourt in 1415 and taken to the Tower of London from where he sent his wife rhymed love letters.

Students Voice Takes Her Abroad

Megan Ramthun

When you see the great big smile on Megan Ramthun's face as she performs in the Kewaskum high school swing choir, you can see just how much she loves singing!

Megan, the daughter of Harvey and Kathie Ramthun, Kewaskum, has been selected to represent Wisconsin as a Musical Goodwill Ambassador. She will be joining 96 chorus and 121 instrumental performers from Wisconsin on a seven country tour to Europe. They will be doing concerts in England, France, Switzerland, Liechtenstein, Austria, Italy and Germany.

Before departing for Europe this summer, the group will gather for a four-day camp to give the performers a chance

to meet each other and to rehearse. They will prepare two programs...a sacred concert to be performed in churches and cathedrals, and a secular concert to be performed in parks and concert halls.

As one of the choir directors of the Ambassadors stated, "Music is a universal language that all people seem to understand. They may not understand the words, but they understand the feelings and the melodies."

What a wonderful way to spread peace and joy from our young people to our neighbors abroad!

Megan's love of music began in grade school at Holy Trinity, where she performed in the select choir under the direction of Terri Christie.

Now a senior at Kewaskum High School, she is currently in Concert Choir, Madrigals and Swing Choir under the direction of Dave Bertelsen. It was Mr. Bertelsen who submitted Megan's name to the Wisconsin Ambassadors of Music organization.

The entire cost of the trip must be paid by Megan and so she will be doing some fund raisers and seeking community sponsorship to assist her.

This is a once in a lifetime opportunity. It will be a learning experience, an adventure and a chance to spread goodwill to others. Megan will look forward to coming home and sharing her experience with the community.

Class of '47 Reunion

The class of '47 celebrated their 50th reunion on Sept. 6th at the Gateway. The evening was spent reminiscing about their days at KHS and getting caught up with what classmates have been doing since then. The committee for this reunion was Bunny Scannell, Augie Bilgo, Lester Schaub, Vernell Krueger and Joyce Schleif.

First Row: LaVerne (Kirchner) Laubenstein, Ellen (Kougl) Cushinery, June (Degner) Krempasky, Peggy (Wink) Stoffel, Victoria (Martin) Ruplinger.

Second Row: Vernell (Schacht) Krueger, Joyce (Bartelt) Schleif, Mercedes (Lehnerz) Hetebrueg, Althea (Vollmer) Falter, Bunny (Bunkelman) Scannell.

Third Row: Ray Keller, Augie Bilgo, Norbert Klumb.

Police Intern

get started in law enforcement."

Knoebel explained he was extremely interested in the program, saying, "Now we can really get some of the old paperwork done, and that's what they want them to do so they get used to the law enforcement setting."

He added the intern would receive a uniform without a badge, the same as his office personnel.

Knoebel had discussed the intern program with the Village Administrative Committee prior to the meeting. The board voted unanimously in favor of participation in the program.

Village Administrator Dan Schmidt announced the Village of Kewaskum Survey, prepared by the Economic Development Advisory Committee and the University of Wisconsin Washington County Extension's Dan Wilson, had been mailed on Friday. He added some had already come

back and it was hoped to receive a large response.

Trustee Gary Gavin stated he had been questioned by a resident on who would open and handle the survey results, indicating, "if it comes back to the village, will they throw out the ones that aren't good?"

Schmidt assured Gavin, "they are all stamped and they're sent directly on to UW and they'll be doing the tabulating and opening the envelopes."

Schmidt also stated the village had received notification from Superior Services, the company that handles the recycling and garbage collection, that there would be a 3-1/2% rate increase on garbage collection and a 2% increase on recycling collection. Schmidt added the increase was "within line."

In other business, Director of Public Works Jerry Gilles stated the Village had received 36 applications for the job position recently vacated by Brad Rodenkirch.

All proceeds from this raffle will be donated to Nova Services, Inc. Tickets are available until February 13 at Finishing Touches, N285 Cty. Road S, Kewaskum, and at Nova Services, Inc., 702 Elm Street, West Bend. The cost is \$1 per ticket.

The proceeds donated to Nova will be used for building improvements at Nova's Boys and Girls Homes. Nova Services, Inc. is a local non-profit organization that offers many programs to benefit the youth of Washington County. Please take this opportunity to help our youth!

malt and grain company owner), the initial workforce included 60 employees working at 22¢ per hour, manufacturing the "Kewasko" brand of Aluminum cookware.

The first operations began in a garage located on Fond du Lac Ave., until the new factory building was completed in 1920. After five profitable years of operations, a fire incurred \$75,000 worth of damage.

By 1929, the company was the eleventh largest in U.S. cookware sales, and went on to survive the depression, and World War II, when the government contracted with the company to manufacture steel cartridge cases.

After Rosenheimer's

death, his brothers sold the business to James Reigle, who changed the name to Regal Ware in 1953. Post-war business boomed as consumers purchased stainless steel cookware, and its impressive growth continued through three generations of consistent leadership, from James

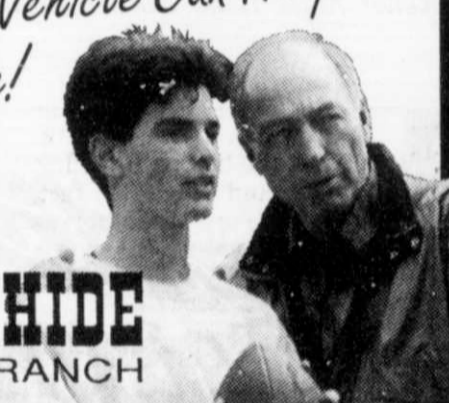

O. Reigle, to his son James D. Reigle, and presently his grandson Jeffrey Reigle.

Their line of products today extend to gourmet cookware, coffee makers, food processors, bread makers, steamers, electric kettles, and more. Today, Regal Ware Inc. employs over

1900 people in this count with manufacturing facilities in the U.S., Canada, and South America and markets products in well over 100 countries. Its operations are an integral part of the community, as it continues to be a national leader in the cookware industry.

January Kiwanis Students

Ryan Martin

Kiwanis students for the month of January are Kewaskum High School seniors Ryan Martin and Kristi Gundrum.

Active would appropriately describe Ryan's KHS participation.

Athletically, Ryan has been in football and basketball for all four years of high school. In football, Ryan played tight end as well as linebacker, and he has played center for the cagers. Ryan is also a member of the "30-Hour Club," in which students spend at least 30 additional hours of supervised physical activity during their free time at school.

Ryan is also in his second year on Student Council and has spent the last two years working with kids playing basketball in the Junior Indians.

His free time away from school is often spent working with his father in construction.

Academically, Ryan enjoys science and math classes ("Physics and Chemistry really appeal to me"), which will bode well for his future plans. Ryan plans to attend UW-Madison this fall to study either chemical or bio-medical engineering.

Kristi has also been active at KHS. Currently, she is active in the National Honor Society, Future Business Leaders of America, and FHA. She has been involved in the school musical for three years and has earned a varsity letter in her three years of fast-pitch softball. With the school's

Kristi Gundrum

German Partnership Club, Kristi even traveled to Germany her sophomore summer.

Kristi has also gained recognition for her work at KHS. Three times she has been listed in "Who's Who Among American High School Students," and, for three years, has earned a Milwaukee Brewers Student Achiever Award.

Community service projects and involvement in the Catholic Youth Ministry fills some time away from school, as does a job at Kewaskum's Video Square and a co-op job through school.

Through her co-op job at KHS, Kristi's gaining experience in the law field while employed as a legal secretary at the Barton law office of Best and Mayer. In fact, Kristi is planning to pursue a career as an attorney, attending UW-Madison in the fall.

Some people in northern Europe send Valentine's Day cards signed with dots, one for each letter of their names, and the recipient has to guess the name from the dot.

HEAVENLY TOFFEE CHIP FUDGE

Fudge

- 1/2 cup LAND O LAKES® Butter
- 1/4 cup milk
- 1 (6-ounce) package (1 cup) semi-sweet real chocolate chips
- 3 cups powdered sugar
- 1 teaspoon vanilla
- 1/2 cup toffee chips*

Topping

- 2 tablespoons toffee chips*

◆ In large microwave-safe mixer bowl combine butter, milk and chocolate chips. Microwave on HIGH for 1 1/2 to 2 minutes or until butter and chocolate chips are melted. Stir in powdered sugar and vanilla; beat at medium speed, scraping bowl often, until smooth (2 to 3 minutes).

◆ By hand, stir in 1/2 cup toffee chips. Spread in buttered 8-inch square baking pan. Sprinkle 2 tablespoons toffee chips over top; gently press into fudge.

Cover; refrigerate until firm (1 to 1 1/2 hours). Cut into squares. Store refrigerated in airtight container.

Makes 3 dozen.

*Chocolate-coated and plain toffee chips are available in the baking section.

STOVE-TOP DIRECTIONS: In 2-quart saucepan combine butter, milk and chocolate chips. Cook over low heat, stirring occasionally, until butter and chocolate chips are melted (5 to 10 minutes). Place chocolate mixture in large mixer bowl. Stir in powdered sugar and vanilla. Continue as directed above.

Tip: For easy cutting, line pan with aluminum foil, extending foil over sides of pan; butter foil. To serve, lift foil and fudge out of pan; cut into squares. Place squares in paper candy cups.

Student of the Quarter

Pictured above is Wayne Elementary School's choice for student of the quarter, 2nd grader Scrah Schmitt (center), and her parents Steven and Susan, along with WES principal Mr. Kriewaldt.

A road must carry traffic of at least four hundred cars per day for a reflective centerline to be a cost-effective improvement.

TELL US ABOUT IT!

As our small community continues to grow, so do the stories of people who have interesting tales to tell. Perhaps it's an unusual occupation or hobby, a new business starting up, an adventure unlike any other, or someone whose service to others too often goes unnoticed.

If you fit into any of the above categories, or know someone who does, the Kewaskum Statesman would like to hear about it. Our feature stories function as a means to get to know each other better, and sharing our lives is an enjoyable way of expanding the world around us.

To be considered for a future story in our newspaper, please call 626-2626.

Di-Man Dairy Software Plans To Expand to Provide Local Internet Service to Area

Di-Man Dairy Software Developments of Campbellsport is in the process of expanding its business to provide local internet service to the area by becoming an access provider, if enough interest is received in the form of commitments from businesses and individuals located in the area.

Owner Bud Discher intends to bring high speed internet service to the Campbellsport and surrounding area, with connection speeds up to 33.6K. Local users will be able to logon at higher rates of speed, mainly because the distance between them and the internet service provider (ISP) is dramatically reduced.

Running Windows NT server 4.0 and Back Office 2.5 with 1S11 businesses will be offered full functionality of the sewer extensions related to the promotion of their business. "We will be offering internet access to the Campbellsport School District, which will increase their access time by as much as 30 times, while maintaining their same level of expense," Discher relates. "If we are going to achieve this we do need your support and participation."

Several different plans are in the making to allow for meeting a variety of different needs. Di-Man Dairy's intent is affordable rates for internet users:

PLAN A - Website, domain name, FTP (File Transfer Protocol), use of all web related server extensions, 10 megabyte sewer disc space, 150 hours on-line time. Cost - \$50 per month. (\$75 with 25 megabytes space).

Personal access rates for

home computers and households with students include 150 hours online time per month, FTP, and 5 megabytes disk space for \$26 per month (\$66 quarterly). All access accounts include E-Mail, and are available on a monthly, quarterly or annual basis.

Additional costs are required for creating websites (up to three pages), which is a \$500 one time fee; and maintenance of websites (\$100 per month) allowing one change per week.

Discher plans to promote the Kettle Moraine area, its tourism, and recreational facilities as a business theme solely for the purpose of internet access. "If you do not have a computer at this time and want to get your business involved, we will at NO charge give you access to our computers here at our place of business, so you may administer your site. Training is included with this offer and may not be repeated in the future. Simply put, if you help us get this off the

ground we will definitely help you to the best of our ability. When it comes to your site, if you decide to build your own, we can help with answering questions relating to the resources you may need to get the job done quickly and efficiently."

For more information contact Bud Discher today at Di-Man Dairy Software Developments, W2123 Auburn-Ashford Drive, Campbellsport, WI 53010. Phone/Fax (920) 533-5156.

These are just a few good reasons showing what Internet access could do for us all locally. If we let our imagination go, the World has no limits.

Defective hearing is the most common physical disability in the United States.

Capturing the red of a rose and the smile on your loved one's face is easier than ever. The Kodak Advantix 3700ix camera, designed for the Advanced Photo System, lets you capture all the romance of this special day with a choice of three print formats from the same roll of film (classic, group and panoramic) and an easy drop-in film cassette. With this new photo system, consumers will see consistently better pictures.

Be Prepared

If you're planning a romantic getaway, Kodak one-time-use cameras keep you prepared for all the special moments. The Kodak Fun Saver pocket one-time-use camera is lightweight, easy to use and its EZ flash remains charged for 15 minutes, allowing you to get that special shot without recharging the flash.

"Magnificent Memories" Magnets

Have fun decorating your home or office with handmade photo-magnets. Glue photos to cardboard and cut into fun shapes. Purchase a small magnet at any craft or hardware store, paste it to the back and voila—a photo memory that will stick around for a long time!

Frame Your Sweetheart

A stylish frame makes a won-

derful gift that personalizes any photo. Kodak picture frames feature non-glare glass and UV protection to protect and preserve prints. Or try another great gift—a photo album that shows all the special moments of your relationship from the first date to the wedding. Kodak photo albums feature easy to use gold and black metallic magnetic pages to prevent photos from fading or yellowing over time.

Get Personal-ized

A creative way to say "I love you" is by personalizing your photos. Special gifts are easy to create with Kodak Image Magic systems, consumer friendly kiosks that allow you to make on-the-spot creations from existing prints. Three systems, available at photofinishers nationwide, let you personalize your photos by enlarging and adding text, graphics, borders and more.

Get Kids Involved

Help your child create a special Valentine's Day photo-craft for Mom, Dad, Grandma or Grandpa. A "String Family Along" picture string is easy to make, and something that everyone would love to receive! Add cut-out photos, bows and other decorations to Valentine-themed ribbon and the picture string is ready to hang from a wall, ceiling or window.

For more information, or additional tips on how to best capture Valentine's Day memories, call the Kodak Information Center at 1-800-242-2424. The latest Kodak information is also available on the Internet at <http://www.kodak.com>.

Middle School Students to Tour New York City in June

New York, New York!! So nice, so nice, they named it twice.

The summer trip to New York City is a definite "go". This trip, being led by Kewaskum Middle School 6th grade teacher Erv Uhlman, is similar to the trip last summer to Washington, D.C. American Student Travels is the tour company for this trip as it was for the very successful trip last summer.

Right now there are 21 people signed up for the trip and there is room for about another 20. The trip is designed for 6th, 7th, and 8th graders but parents are also welcome. This is not a school sponsored trip and therefore parochial students in Kewaskum, students from the West Bend schools, and students from any nearby school are encouraged to register.

This trip is an opportunity for students to travel to, and learn about, what is perhaps the most interesting city in the United States. Some of the educational goals will be: to promote an understanding of immigration into the United States and to instill a sense of ancestral pride by touring Ellis Island and the Statue of Liberty, to increase the awareness of the diversities of our culture by exposing students to various sections of the city such as Chinatown and Little Italy, and to introduce students to world class theatre.

This educational and fun

experience will be for three days and two nights, June 10-12, 1998. The cost of the trip, based on 4 students per room, includes round-trip airfare, ALL meals, quality lodging, ALL admissions, evening activities which includes a Broadway show, sightseeing with a professional guide, comprehensive insurance, and night-time security all night at the hotel. Adult supervision will be provided at a rate of 1:15.

The deadline for this final registration period is February 19, 1998. On or before that date, a registration form will need to be mailed in to the tour company. The deposit of \$150.00 is also due at that time. The entire cost of the trip is \$805.00 for students and \$865.00 for parents. Partial payments may be made up to the final deadline of April 15, 1998.

To ask questions or to obtain an information packet with the registration form, please call Erv Uhlman, head chaperone and trip organizer, at 626-4497, after 4:00 p.m.

Recipe of the Month

This recipe, along with many others can be found in the new Kewaskum Junior Woman's Club red cookbook. You can find them for sale at Kewaskum Pharmacy, Kewaskum Frozen Foods, or by calling Karen Kletti at 334-0227.

BAKED CHICKEN REUBEN (Serves 4)

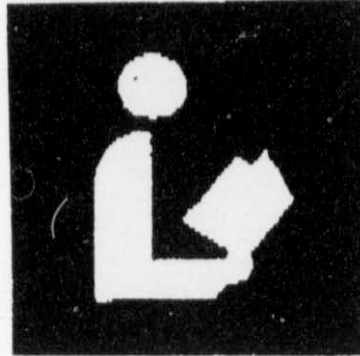

Two grams fat/serving. Prep time: 10 minutes. Cook time: 1 hour.

- 4 boneless, skinless chicken breast halves
- 1/4 tsp. salt
- 1/8 tsp. pepper
- 2 c. sauerkraut, drained
- 1 1/4 c. low calorie Russian salad dressing
- 4 slices fat-free Swiss cheese
- 1 Tbsp. chopped parsley
- chopped chives.

Preheat oven to 325 degrees. Coat a small glass or ceramic baking dish with vegetable oil cooking spray. Arrange the chicken pieces in the dish and sprinkle with salt and pepper. Cover the chicken with sauerkraut. Pour the dressing evenly over all and top with the cheese and parsley. Cover with foil and bake 1 hour, or until fork-tender. Sprinkle with chopped chives to serve.

Carole Keller

Magazine Sale/Wisconsin Authors Book Discussion

Our annual magazine sale starts Friday, Feb. 6th.

We are selling our 1996 periodicals for \$1 for monthlies and \$4 for weeklies. A few of our titles include: Bop, Entertainment Weekly, Ladies Home Journal, Money, Motor Trend, PC Novice, Popular Science and Sesame Street. Come early for the best selection!

To celebrate Wisconsin's sesquicentennial this year, we are participating in a Wisconsin author book discussion, along with the other four

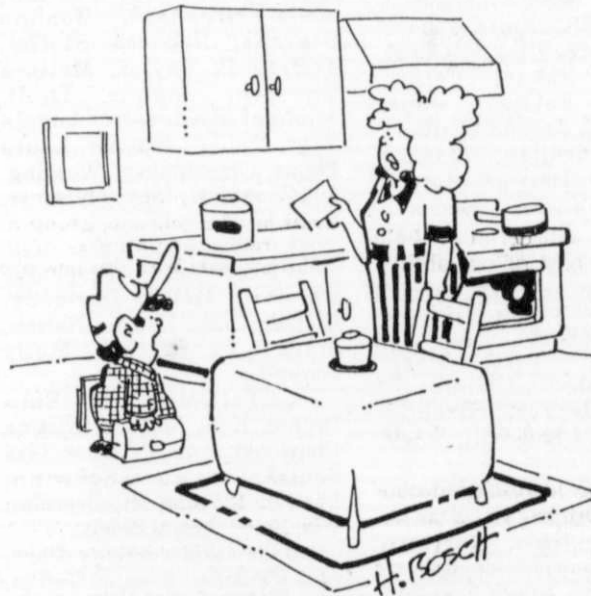

public libraries in the county. The first author we will read is Kewaskum's own Glenway Wescott. His book, The Grandmothers, will be presented on March 4th at 6:30 p.m. in the Community Room.

This informal discussion will be led by LaVerne Hron and West Bend librarian Ann Hokanson. We will have books available at the library for the public to check out. Come to the library and read a local author to celebrate our 150th year anniversary!

Our new 1998 hours are: Mon., Tues., Wed. - 10 a.m. to 8 p.m.; Friday - 10 a.m. to 5 p.m.; Saturday - 9 a.m. to 12 p.m.

Storytimes through March 31st: 3-year-old - Mondays 10 a.m.; 4 and up - Mondays 1 p.m.

We are now computerized! If you still have your old, paper library card, please come in and get your new, blue plastic card.

"It's a note from the teacher. She wants dad to stop helping with my homework."

XYZ CARD RESULTS

The winners at cards played at the Municipal Building on Wednesday, Jan. 28th were: SKAT: Frank Sell, 17-3--14 net; Teresa Peterson, 19-5--14 net; Harold Eggert, Diamond solo vs 5 Heart solo vs 4.

SHEEPSHEAD: Ione Schmidt, Dorothy Etta, Elsie Bruessel, Gertie Kaschner, Elda Kuehl, Anne Reindl, Elton Liepert, Meta Heimermann, Norbert Brocker, Bruce Petri and Martha Kudek.

ABC SKAT RESULTS

The winner at skat played at Ralph Laux's in Batavia on Tuesday, Jan. 27th was: Francis Gilboy, 20-3--17 net.

Is It 100 Days Already?

Lauren Hahn, left, and Tyler Wuest, first graders at Wayne Elementary School, stop in front of the hallway display celebrating the 100th day of the school year, which held 100's of everything from Legos to football cards to Tootsie Rolls. Activities are used during the day to help with counting, and, more importantly, to emphasize the concept of 100, a large number for younger students to really grasp.

St. Paul's, St. Martin's Churches To Host Special Joint Service

On Sunday, February 8, at 8:30 a.m., St. Paul's Community United Church of Christ will host a special joint service of worship with its sister congregation, St. Martin's of Fillmore.

The guest speaker will present information about the churches partnership and mission with churches in Haiti. The guest speaker is Shirley Birkholz who last year visited and preached in Haitian churches as part of the Southeast Association of the Wisconsin Conference of the United Church of Christ's partnership with Haitian churches.

After the 8:30 a.m. service of worship, there will be further discussion over refreshments in the fellowship hall with Shirley. For those interested, a video on the partnership mission will be shown. The public is invited.

While this partnership was affirmed and officially formed in the past several years, there have been ties with Haiti in the immediate area for many years. Initially contact was made and a medical mission was developed through the efforts of Heidi Thomas of Immanuel United Church of Christ in West Bend.

Through Shirley, it is hoped we can all learn ways to become involved in and support this partnership as

local congregations.

Shirley Birkholz is a member of the St. John's United Church of Christ in Boltonville. Moreover, she is currently the moderator of the Southeast Association of the Wisconsin Conference of the United Church of Christ.

THURSDAY NIGHT MIXED LEAGUE LIGHTHOUSE LANES JAN. 29, 1998

Thursday, Feb. 12 -- Meatball/meatloaf, whipped potatoes/gravy, green beans, pears, dinner roll, milk.

Friday, Feb. 13 -- Pancakes, scrambled eggs, orange wedges, applesauce, blueberry coffeecake, milk.

From East to West, the Pack is Best! JUST WAIT 'TIL NEXT YEAR!

At Kewaskum Elementary School, the kindergartners got in the Packer spirit before they paraded throughout the school. KES also had a tailgate party with special food such as "Dorsey dogs" (grilled by Principal Kieth Kriewaldt), "Favre fries" and "Reggie's Veggies."

Doing the "Packerena" at the Farmington Elementary School pep rally are second graders Andrew Richter and Brianna Rahoy.

Letter to The Editor

DEAR EDITOR:

Mary Panzer and Lehman are now appearing at different cities in their districts supposedly trying to create some input from their constituents on the best way to return the tax surplus equally to state taxpayers. I would like to suggest that they pay off the debt they incurred by forcing the five Southeastern counties to pay for the corporate welfare of building the Brewer stadium. Then they could reduce the state sales tax by several cents so they wouldn't have this surplus to worry about every fiscal year.

Now our so called county representatives have increased their \$12,000,000.00 cap on the county fair grounds by several million dollars and the projected cost has risen to over \$19,000,000.00. Before this project is over it will have a price tag of well over \$20,000,000.00, not including the interest we will pay for the loans. From the beginning this was a poorly planned and overly extravagant endeavor.

I only hope the people who will end up paying for this will remember who is responsible for these increased taxes during the coming election. These politicians, who run under the fraudulent guise of being conservative, are only conservative when it doesn't benefit themselves or big business. This includes Panzer, Lehman, many of our county supervisors and yes, even our own "stick it to e'm Tommy."

Thank you,

Lloyd A. Koch

Some of the best arguments are spoiled by people who know what they are talking about.

Farmington third grade teacher, Mrs. Marschner, leads a student in the "Packer Polka" during the school's pre-Super Bowl pep rally.

The office of a certain KES employee (can you guess who?) -- as well as her fingernails, clothes and shoes -- were decked out in green and gold before the big game. No word yet on if this extraordinary Packer fan has recovered from the Super Bowl disappointment.

MADISON UPDATE: State Government's New Programs Discourage Marriage

by Representative Glenn Grothman

Governor Thompson's speech last week contained both pleasant surprises and disappointments, as any speech of this length would be expected to. One of my greatest concerns is with the growing tendency of our state government to penalize married couples through social welfare programs.

The Governor's proposal provides for a \$1,000 per child credit for non-tuition education expenses including tutoring, transportation, computers and books. It also includes summer camps, which I think is strange. This is not a tax deduction, it is a credit. A "credit" means that the taxpayer gets a full dollar back on his or her taxes for each dollar he or she spends. An unmarried parent with one child would get the credit with up to \$25,000 in annual income. A married couple loses the credit when they make over \$30,000 in income.

This means that a single woman making \$18,000 can get \$1,000 back from the government for money she spends on tutoring and summer camp. If she marries the father of her child, and he makes another \$18,000 per year, their combined income is \$36,000 and they are too wealthy to get the credit.

This is not unique. Under the W-2 child care plan, the same woman

would be eligible for child care credits if she made up to \$23,000. Once again, if she were married to the father of her child, the credit disappears if they have a combined income of roughly \$29,000. Finally, the Governor has also introduced a "Badger Care" proposal providing free or highly-subsidized health insurance. Here, the single woman is eligible for assistance if she makes up to \$21,000 per year. But again, if she marries the father of her child and, together they earn more than \$26,000 per year, they lose their health insurance.

This means that, if a single woman earning \$18,000 per year marries the father of her child making \$18,000, she can lose a \$1,000 education credit, the cost of almost all of her day care, and her virtually-free health insurance. It could cost her over \$5,000 a year to get married. This is far worse than any marriage penalty that we are trying to eliminate in the income tax.

I voted for the Governor's W-2 proposal. I voted for it not because I wanted to see mothers work, but because the old system discouraged two-parent families. Common sense (as well as statistics) shows that two-parent families raise children with fewer emotional problems, who do bet-

ter in school, commit less crime, and are more likely to form two-parent families themselves. Unfortunately, our government seems determined to discourage marriage by the single working mom the same way they used to discourage marriage by the single unemployed mom. I will not vote for Governor Thompson's new proposal unless this is rectified.

I want to hear your views on these and other issues. Please feel free to call me at home, 338-8061. You can also reach me in Madison at the following locations:

* P.O. Box 8952, Madison, WI 53708
* Phone: 608-264-8486

Hunters Urged to Sign Up for Hunter Education Courses

Increase in Turkey Hunting Accidents Reported in 1997

MADISON -- A dramatic increase in turkey hunting accidents in 1997 is spurring safety experts to encourage people to take a hunter education course as well as a turkey hunting course before turkey hunting season opens this spring.

Seven of the 48 hunting accidents in 1997 involved shooters who were hunting turkeys, says Tim Lawhern, Department of Natural Resources hunter education administrator. That number is well above the typical total of one. It also contrasts with 1997 overall, when hunters recorded the safest deer season ever -- 10 accidents including one fatality -- and experienced a safer-than-average year in terms of firearm accidents across all hunting seasons.

"In reviewing the trends, it appears fairly clear that turkey hunting accidents for 1997 were on the increase," Lawhern said. "There were more hunters and the hunters had more opportunities because there was a spring season in all 40 turkey zones. But their accident rate was far worse than for any other hunting season last year."

There were about 124,450 turkey permits issued for the spring and fall seasons for an accident rate of one per 18,000 hunters, or 5.5 per 100,000 hunters. That compares to an accident rate of one per 70,000 hunters in the deer seasons, when there were nearly 700,000 hunters.

Lawhern said the high accident rate pointed to the need for people to get signed up for a hunter education class before the spring season opens April 15. "The one common thread in nearly all of the turkey hunting

accidents was a statement by the shooter, 'I thought I was shooting at a turkey,'" he said. "It needs to be stressed that unless you know what you're shooting at, it's a 'Don't shoot!' situation."

DNR hunter education courses, including demonstrating and having the students practice safe methods of loading, carrying, firing and cleaning their firearms.

In addition, turkey hunters may also sign up for one of about 40 turkey hunting education courses that are offered around the state in February, March and April. Every hunter who is successful in receiving a spring turkey hunting permit will receive a list of the courses with their permit.

The turkey hunting education course does not replace a hunter education course for those hunters who are required by law to take a hunter education course in order to purchase a hunting license.

The turkey hunting courses, which are co-sponsored by the DNR and the Wisconsin Chapter of National Wild Turkey Federation, cover turkey biology, history and management, hunting safety, rules and regulations, and hunting techniques and tactics. The courses are free and are taught by volunteer DNR wildlife and law enforcement staff and wild turkey federation members.

Shooters' failure to know their targets led to most of the accidents across all hunting seasons. There were three people killed in hunting accidents, and 44 injured in 1997. That's more than in 1996, when there

were 38 hunting accidents including two fatalities, but remains well below the 10-year average of 66.5 accidents and four fatalities.

Lawhern says that the increase in 1997 turkey hunting accidents also points to the need for hunters to wear an article of blaze orange clothing.

"We promote wearing blaze orange, especially while you are moving a field," Lawhern says, adding that hunters could remove the blaze orange once they get to their hunting spot. "If we could get hunters to do this, we'd reduce turkey hunting accidents by 50%," he said. "And doing so in no way decreases your success in hunting."

Hunters are not required by state law to wear blaze orange as they must do for deer hunting, so many hunters wear camouflage because it doesn't draw a turkey's attention as bright orange would.

Lawhern said turkey hunters could also better protect themselves by not using the hunting method of "driving." Drives occur when members of a hunting group spread out and walk through an area, hoping to push the escaping animal toward other hunters who are lying in wait.

"Real turkey hunters don't hunt turkeys the same way as they hunt deer," Lawhern says. "Driving turkeys is even more unsafe than driving deer because everybody's wearing camo."

Hunter education course listing are available on the World Wide Web at this address: <<http://www.dnr.state.wi.us/org/es/enforcement/safety/huntclas.htm>>. The list of turkey hunting courses mailed with turkey permits includes contacts and phone numbers for more information.

Safe Homes Needed for Area Teens

- Are you some who...
- * Has room in your heart and home for a teen?
 - * Is committed to making a difference in our society?
 - * Has a good sense of humor?
 - * Can accept a challenge?
 - * Can work with a team member?

If so, maybe you can think about making your home a safe home and call 338-1661.

The Youth and Family Project needs individuals or families to provide temporary short-term safe homes for its Crossroads Runaway Program in Ozaukee and Washington Counties.

Placement is temporary and would not exceed 14 days. Interested individuals need to be over 21, single or

married, parents or individuals with no kids at all. These individuals should enjoy the challenge of caring for teens 13-18 who have been separated from their families and be committed to making a difference in a young person's life.

Safe Home parents are people like you.

OBITUARIES

MARY ANN GRUBER

Mary Ann Gruber, age 94, of Kewaskum passed away on Tuesday, Feb. 3, 1998 at the Samaritan Health Center in West Bend. Funeral services are pending at the Miller Funeral Home in Kewaskum. Please call 626-2185 for service information. A complete obituary will appear in next week's paper.

SHAUN M. KUNDE

Shaun M. Kunde, 28, of West Bend, died Saturday, Jan. 31, 1998, at St. Joseph's Community Hospital.

He was born in Milwaukee to Dewey Kunde and Darlene Swamer, and worked as a painter in the West Bend area.

Survivors include his mother and stepfather, Darlene and Thomas VanPietersom of Campbellsport; his son, Brian and his ex-wife, Diana, both of Arizona; a brother, Matthew VanPietersom of Campbellsport; his maternal grandmother, Amelia Hinkle and her husband, Chet of Milwaukee; and other relatives and friends.

Preceding him in death were his maternal grandfather and his step-grandparents.

A memorial service will be held Wednesday, Feb. 4 at 7 p.m. at the Twohig funeral Home, Campbellsport.

Visitation at the funeral home will be Wednesday from 6 p.m. until the time of services.

KIMBERLY A. 'KIM' LINDOERFER

Kimberly A. "Kim" Lindoerfer, nee Boyce, of West Bend, died Friday, Jan. 30, 1998, at St. Joseph's Community Hospital of west Bend, at the age of 22.

She was born Jan. 6, 1976, in Milwaukee, to Steven and Claudia (nee Gasiorowski) Boyce.

Born in Milwaukee and raised in Jackson and later in West Bend, she graduated from West Bend with the class of 1994. She was an avid artist in writing and drawing.

She married Scott D. Lindoerfer on March 21, 1997 in the Washington County Courthouse.

Survivors include her husband Scott of West Bend; a daughter, Grace, of West Bend; her parents, Claudia and Steve Boyce of West Bend; maternal grandparents, Elmer and Valija Gasiorowski of Brown Deer; paternal grandparents, Roger and Nancy Boyce of California; parents-in-law, Thomas and Lisa Knoeck of Campbellsport, Daniel Lindoerfer of West Bend; sister, Teri Boyce of West Bend; and brother, Joe Boyce of West Bend. She is further survived by aunts, uncles, cousins, other relatives and friends.

Funeral services were held Monday, Feb. 2, at 3:30 p.m. at the Phillip Funeral Home of West Bend. Pastor James L. Taylor presided. Burial was in Cedar Creek Cemetery in the town of Polk following the service.

Visitation at the funeral home was from 1 p.m. Monday, Feb. 2, until time of

service.

Memorials are appreciated. The Phillip Funeral Home of West Bend assisted the family.

STANLEY S. NEAHOUS

Stanley S. Neahous, 40 of West Bend, died Tuesday, Jan. 27, 1998, at his residence.

He was born Jan. 21, 1958, in Kenosha, to Charles Neahous and Nancy Ciriacks.

Stanley was a 15-year employee of Regal Ware, Kewaskum, working most recently in the salvage department.

Survivors include his mother, Nancy (Robert) Ciriacks of Saukville; his father, Charles (Diane) Neahous of Gurnee Ill.; a brother, John (Norma) Neahous of Port Washington; four sisters, Connie (the late James) Wach of Fredonia, Marion (John) Hardenburg of Clayton, N.Y., Betsy Ciriacks of Cedarburg and Ronnie Ciriacks of Saukville; nieces and nephews, Ashley Rabuck, Andrew and Cory Hardenburg and Andria and Amanda Neahous; and other relatives and friends.

Funeral services were held Friday, Jan. 30, at 7 p.m. at the Eernisse Funeral Home, Port Washington. Rev. George Jorenby, Pastor of St. Peter's UCC, Saukville, officiated and burial was in St. Finbar's cemetery, town of Saukville.

Visitation at the funeral home was on Friday from 4 p.m. until the time of services.

FREDRICK WILLIAM TETZLAFF IV

Fredrick William Tetzlaff IV, infant son of Fredrick W. and Nadine (Melzer) Tetzlaff III of Onalaska, died Thursday Jan. 22, 1998 at the Franciscan Skemp Health Care Center.

He is survived by his parents, paternal grandfather, Fredrick and (Mary) Tetzlaff, Jr., of Onalaska; paternal grandmother Jean (Terry) Polyak of Hartford; maternal grandparents, Joseph and Theresa Melzer of Allenton; two aunts, Barbara Krome of La Crosse and Brenda Fox of Mindoro; and one uncle Jason Melzer of Allenton.

Private family funeral services were held Tuesday at 11 a.m. at the Nelson Woodruff-Blaschke Funeral Home. The Rev. Ted DeWald of Trinity Lutheran Church officiated and burial was in Baby Land at the Oak Grove Cemetery, LaCrosse.

THEODORE 'TED' W. JANSEN

Theodore "Ted" W. Jansen, of Kewaskum, formerly of West Bend, died Wednesday, January 28, 1998 at Froedtert Memorial Lutheran Hospital in Milwaukee at the age of 82.

He was born on December

24, 1915 in Theresa to the late John and Alma (nee Zindahl) Jansen. He attended Theresa grade school and graduated from Mayville High School Class of '34. On August 30, 1941, he was married to Florence Kurtz at the home of her parents in West Bend.

Ted farmed in the Town of Scott for several years until moving to Saukville. He was then employed at Kiechaefer Corp. in Cedarburg, which became Mercury Marine in Fond du Lac, until his retirement in 1978. In 1956 they moved to the former village of Barton and resided in West Bend until moving to Kewaskum in 1997.

He was a member of Trinity Lutheran Church in West Bend where he also served as an usher and Sunday school teacher. He was also a member of the former Barton Fire Dept. and Rescue Squad.

He is survived by his wife Florence; three children, Jayne Gengler of Plymouth, Ellen (William Jr.) Macmillan of West Bend, and Joan (Norman) Zettler of Campbellsport; six grandchildren and two great-grandchildren; one brother Robert Jansen of Port St Joe, FL., a dear friend Mark Dauer of West Bend, and other relatives and friends. He was preceded in death by two infant sons, Mark and Kurt.

Memorial services were held on Saturday, Jan. 31, at 1:30 p.m. at Trinity Lutheran Church. Rev. Terry Berg officiated and a reception followed. Memorials to Meadow View Manor Activity Dept. in Sheboygan or the American Heart Assoc. appreciated by the family.

The Myrhum-Patten Funeral Home of West Bend served the family.

IN MEMORY

In loving memory of HAROLD SCHLOSSER, who passed away ten years ago, Feb. 4, 1988:

God saw that he was getting tired,
And a cure was not to be;
So he put His arms around him,
And whispered "come with me."
With tearful eyes we watched him suffer, and saw him fade away;
Although we loved him dearly; We could not make him stay.
A golden heart stopped beating.
Hard working hands at rest; Though we still miss him deeply,
God broke our heart to lose him;
But only God knows best.
Loved and miss by his children.

Keep true, never be ashamed of doing right; decide on what you think is right, and stick to it.

IN MEMORY

In loving memory of SYLVESTER FELLEZ, who passed away 24 years ago, Feb. 6, 1974:

I watched through all your suffering,
And often had to cry, for I know that very soon,
I'd have to say goodbye.
When days are sad and lonely,
And everything goes wrong,
I seem to hear your whisper,
Cheer up and carry one.
Every time I see your picture,
You seem to smile and say
Don't cry, I'm in God's keeping,
We'll all meet again someday.

Deeply missed by wife Gertrude Fellenz

IN MEMORY

In loving memory of HAROLD SCHLOSSER, who passed away ten years ago, Feb. 4, 1988:

Grandpa you never got to know us, but we know when we get older our Mom and Dad will share their memories of you with us.

Loved from your grandchildren, Amy, Kimberly and Krystal.

IN MEMORY

In loving memory of HILBERT A. YOGERST

Five years have passed, Feb. 6, but you will always be in our hearts, hands and memories. Thank you dad for your loving and understanding ways. We miss you!

Jerry, Carol and family.

The first male United States citizen to be recognized as a saint by the Roman Catholic church was 19th century bishop John Nepomucine Neumann, canonized in 1977.

Art, Music Come Together On Fifth Grade Field Trip

The stark exterior of the War Memorial Center/Milwaukee Art Museum on a cold January day didn't accurately show the excitement and warm colors district fifth graders found inside on their art tour.

Fifth graders from all three elementary schools in the Kewaskum School District traveled to Milwaukee recently, to experience "Harmony in the Arts," an enrichment field trip to the symphony and art museum.

At the Marcus Center (formerly the PAC), students heard the symphony play pieces by composers such as Haydn, Copland,

Tchaikovsky and Bach. The pieces emphasized sound waves and several keyboards, in the form of piano, harpsicord or organ.

Tour guides at the Milwaukee Art Museum, showed groups of students a number of fascinating exhibits, including the featured exhibit of uniquely colored works by impres-

sionist painter Gabrielle Munter.

Tour guides gushed afterward about how attentive, interested, and well-behaved the kids were.

Thanks go to all the teachers and parent volunteers, and Johnson Bus Company, who all helped make the day a tremendous success.

School District of Kewaskum CALENDAR OF EVENTS

DOUBLE FROSTED BROWNIES

Prep time: 34 min Bake time: 35 min

- 2 cups granulated sugar
- 1 cup Bisquick Original baking mix
- 1/4 cup margarine, butter or spread,* softened
- 2 teaspoons vanilla
- 4 squares (1 ounce each) unsweetened chocolate, melted and cooled slightly
- 4 eggs
- 4 cups powdered sugar
- 1/2 cup margarine, butter or spread,* softened
- 2 tablespoons milk
- 2 teaspoons vanilla
- 3 squares (1 ounce each) unsweetened chocolate

Heat oven to 350°. Grease and flour rectangular pan, 13x9x2 inches. Stir together granulated sugar, baking mix, 1/4 cup margarine, 2 teaspoons vanilla, 4 squares melted chocolate and the eggs in medium bowl until moistened. Spread in pan. Bake 30 to 35 minutes or until edges begin to pull away from sides of pan; cool.

Stir together powdered sugar, 1/2 cup margarine, the milk and 2 teaspoons vanilla in medium bowl until smooth. Spread over brownies; refrigerate until firm. Heat 3 squares chocolate over low heat until melted; cool slightly. Spread evenly over frosted brownies. Refrigerate until set. Cut into about 1 1/2x1-inch brownies. Refrigerate any remaining brownies. 72 brownies.

*If using spread, use only stick that has more than 65 percent vegetable oil.

High Altitude (over 3500 ft): Not recommended.

*Reg. T.M. of General Mills, Inc.

Rock River League Umpires Meeting

The Rock River Baseball League will hold a meeting of umpires wishing to work this summer on Saturday, February 7, at 1 p.m. at the Gasthaus in Watertown.

If you are interested in working this summer on a full-time or a part-time basis, and are unable to attend this meeting, please call Commissioner Gregg Kuehl at 920-3349-3512.

KEWASKUM TOWN BOARD MEETING

The Kewaskum Town Board will meet February 9, 1998, 10 a.m., at the Town Hall, 9019 Kettle Moraine Dr., Kewaskum. The 1997 financial records of the Clerk and Treasurer will be audited.

Barbara L. Wenzlaff
Clerk

We find a great deal of the knowledge we acquire by looking something up and finding something else along the way.

Mark Matenaer from Mid-Cities Motorsports congratulates Jeff Heberer, winner of the 1998 Polaris Indy Trail that was raffled off by the Kewaskum Sno-Chiefs. The Sno-Chiefs would like to thank Mid-Cities Motorsports from where the sled was purchased, as well as Kewaskum Mobil, who displayed the snowmobile and sold tickets. Also thank you to those who purchased tickets. Proceeds go towards trail maintenance.

NOTICE

NOTICE is hereby given that applications for the position of CORRECTIONS OFFICER for the Washington County Sheriff's Department will be accepted by the Washington County Civil Service Commission.

SPECIAL NOTE: MINORITIES ARE ENCOURAGED TO APPLY.

Application blanks shall be obtained from the Washington County Personnel Department at 432 E. Washington Street, West Bend, WI 53095.

The position of Corrections Officer has a minimum base pay of \$2,163.20/mo.

A written test will be given by the State of Wisconsin on March 14, 1998 9:00 a.m., at UW-Washington County Campus, 400 University Drive, West Bend, WI, Room 201 - Lecture Hall.

COMPLETED PRELIMINARY APPLICATION MUST BE TIME-STAMPED IN THE WASHINGTON COUNTY PERSONNEL DEPARTMENT BY 4:00 p.m. Feb. 20, 1998. SOCIAL SECURITY CARD REQUIRED AT THE TIME OF APPLICATION.

Must possess the following qualifications for the position of Corrections Officer by the deadline date for filing applications:

- 1) All applicants shall be citizens of the United States;
- 2) All applicants shall not be less than 21 years of age;
- 3) All applicants shall have a high school diploma or the equivalent thereof;
- 4) All applicants **preferably** will have three years of post high school work experience in a civil or military law enforcement unit or detention facility. Post high school training can be substituted on a year-for-year basis to fulfill the work experience requirement.
- 5) Applicants shall not have been convicted of a criminal offense equivalent to a felony under Wisconsin Law;
- 6) Applicants shall be in good physical condition with weight proportioned to height;
- 7) Applicants must have the ability to distinguish colors;
- 8) Applicants must possess a valid Wisconsin driver's license;

Residency within Washington County must be established within six months of the date of appointment to the department;

All applicants for the position of Corrections Officer who successfully complete the written examination shall be graded on the basis of thirty percent of their total score applied to the written examination and seventy percent of the total score applied to the oral examination. Successful applicants will be required to pass a physical examination, with a weight lifting minimum requirement of 75 lbs., and drug screening prior to appointment. A psychological examination, including a polygraph, may be required.

Village Board Meeting Minutes

Plan Commission
December, 1997
7:00 p.m.

The Plan Commission of the Village of Kewaskum, Washington County, Wisconsin, met in the Council Room of the Municipal Building, 204 First Street.

President Robert Wagner called the meeting to order. Members present were Frank Beesten, Richard Schmidt, Michael Kimble, Charles Waala, Warren Dums, Theodore Meilahn and Administrator Daniel Schmidt. A quorum was present. Zoning Administrator Gordon Hoffmann was not in attendance.

It should be noted that Trustee Robert Stoltzmann, Gary Gavin, Joel Fehlhaber, Dan Schrauth and Director of Public Works Jerry Gilles were also present.

The meeting was opened with a Moment of Silence and the Pledge of Allegiance.

On a motion by Frank Beesten, seconded by Warren Dums and unanimously carried by voice vote, the Commission approved the minutes as printed, for October 28, 1997.

Review and discussion took place on the Petition for Direct Annexation/Spoerl land adjacent to the Kewaskum Kiwanis Community Park and CTH "H" west and review of a recommended temporary or permanent class of zoning. The class of zoning requested is B-2 General Retail and Service District. Some concerns were expressed in reference to much land being developed for residential purposes. It was noted that supply and demand within the market place should take care of that. It was further noted that the land being considered for annexation was requesting B-2 zoning and that if that is the way it is zoned a new request and public hearing would be required to change it to

residential. Several other questions were asked in reference to providing utility service to the area. It was noted the developer would be required to pay for all such improvements up front and that if at a later date some other property wishes to annex and receive utility service that property owner would need to make payment to the installing developer. On a motion by Frank Beesten, seconded by Charles Waala and unanimously carried by voice vote, the Commission recommended placing a permanent zoning classification on the land versus a temporary one.

On a motion by Warren Dums, seconded by Frank Beesten and unanimously carried by voice vote, the Commission recommended the parcel for annexation and that a permanent zoning classification of B-2 General Retail and Service District be placed on said property. It was noted the public Village Board action will more than likely be scheduled in February, 1998.

Administrator Daniel S. Schmidt reviewed Section 5 of the Zoning Ordinance. Several points were brought up for discussion and some of those points need clarification from SEWRPC. It was noted at the next meeting Sections 6, etc.

will be reviewed.

Several points were noted in discussion with SEWRPC:

1) In 5.2 the definition of flood water as it pertains to 10 yrs., 50 yrs., or 100 yrs. etc.

2) Legality of the 10 day notice to the DNR in 5.4.

3) In 5.6, extra footage is required if there is an easement in side yard etc. (Note that when a municipal easement is needed the side yard or rear yard criteria is from the easement line, not lot line.)

4) In 5.8 a notation on recycling types of businesses.

5) The berm or fencing requirement if a quarry is approved.

6) In 5.9 a clarification on how to handle sureties.

7) Conditional use for a car pool lot within 5.10.

8) A comment that our pornographic type ordinances stay strong.

On a motion by Richard Schmidt, seconded by Theodore Meilahn and carried by majority roll call vote, the Commission adjourned the meeting. Roll call vote was 7 "Aye" 0 "Nay" 0 "Absent."

Daniel S. Schmidt
Administrator
Approved 01-27-97
Pub. (K.S.) 02-05-97

Ellery Queen was the pen name of two cousins, Frederic Dannay (1905-1982) and Manfred B. Lee (1905-1971) who became successful detective story writers and also the name of their chief fictional character.

Fourth Quarter Surge Propels Lady Indians

On Friday, January 30, the Kewaskum Lady Indians traveled to Chilton going for a season sweep of the Tigers. KHS rode a 24 point fourth quarter to a hard fought 46-37 win.

The players jumped out to a 9-3 lead by the end of the first quarter in a period dominated by defense. Four players had a bucket each.

The perimeter defense lapsed in the second quarter as Chilton scored on three three-pointers and went on a 17-5 run to put the Indians down by six at the half.

The half-time rest was good for the Indians as they got their legs back and went back to playing the type of defense they played in the first quarter. In holding the Tigers to five third quarter points and scoring eight of their own, they closed the gap to 25-22 by the end of the quarter.

The Lady Indians went on to a phenomenal fourth quarter as they scored more points in this period than they did in the first three quarters combined. Kewaskum's all out press was the Tigers undoing, as they looked tired and committed numerous turnovers which the opportunistic Indians took full advantage of.

Led by Jenny Kraft's 10 points in this quarter, Lauren Steinhardt's four, and Laura Schwinn's three-pointer, KHS took control in outscoring Chilton 24-12. The Indians helped themselves by going 12x19 in free throws down the stretch.

Kraft led the Lady Indians with 13 points and Laura Schwinn added nine. Leading the work under the boards were ReNae Hills and Sarah Schwinn with ten rebounds apiece, and Steinhardt with seven. KHS is now 5-4 in the Eastern Wisconsin Conference and 5-9 overall.

In JV action at Chilton the girls improved their overall record to 8-6 with a 33-22 victory. Heather Rieder led the scoring with 11 and Heather Radtke

added eight.

The freshmen saw their record drop to 4-8 as they lost by a score of 40-34. On a bright note for the freshmen, Emmy Foerster recorded a triple double with 13 points, 12 rebounds and 14 steals. Jacki Broecker added 12 points to the Indian total.

KEWASKUM 9 5 8 24 - 46
CHILTON 3 17 5 12 - 37

KEWASKUM: Kraft 13, L. Schwinn 9, Steinhardt 8, S. Schwinn 7, Hills 4, Piwoni 3, Wiesner 2. Three point goals - Kraft, L. Schwinn. FTs - 14x27, Fouls - 23. Fouled out - S. Schwinn, Hills.

CHILTON: Woelfel 10, Geiser 8, Steffen 8, Krepline 6, Me. Hintz 5. Three point goals - Geiser (2), Steffen (2). FTs - 11x25, Fouls - 23. Fouled out - Steffen.

The Lady Indians sophomore center, Lauren Steinhardt (#50) attempts to score against rival neighbor, the Campbellsport Cougars, as sophomore forward, Sarah Schwinn (#44) left, and sophomore guard, Amy Piwoni (#30) watch in anticipation.

HT Boys Roll Over Lomira

On Friday, January 30, the Holy Trinity Wildcat seventh and eighth grade boys visited conference foe Lomira and came out on top by a score of 45-29. Their record currently stands at 3-4 in the Kettle Moraine Catholic conference.

Josh Timblin and Josh Repovsch each had the hot hand early when they both connected for a three-pointer in the first quarter. Bryan Kraft had four points and three steals, and at the end of one the score stood at 12-2 in Holy Trinity's favor.

The Wildcats slowed down in the second quarter as they only had one bucket to CCLT's five. Adam Gitter was the only one who scored in that period. At half-time the stats stood at 14-12, still in the Wildcat's favor.

In the second half, Holy Trinity took control. They scored 20 points in the third quarter and 11 in the fourth. Nick Thorn combined for four points and four steals in the second half and Owen Stoffel had a great defensive effort, while pulling down three rebounds in the fourth.

The scoring was led by Repovsch with 16 points, including four three-pointers. Kraft and Thorn had six points apiece and five and four steals respectively. Joe Rinzel and Scott Herman had four points each. Adding three points was Timblin, and scoring a bucket each were Gitter, John Neumann, and Anthony Laatsch.

Next up for Holy Trinity is a rematch with St. Mary's of West Bend on Friday, February 6 at Kewaskum Middle School when the Wildcats will try and avenge an earlier overtime loss.

As the old Indian limped painfully by, one brave said to the other: "Him Winnebago?" The other replied, "No, lumbago."

Yieldmaster Contest Winner Announced

Dairyland Seed Co., Inc., West Bend, announced that Doug Brander of Spring Green, has taken first and second place in their 1997 Wisconsin Corn Yieldmaster Contest. Brander obtained his yield of 208.30 and 207.20 bushels per acre with Stealth-1412 and Stealth-1410.

According to Tom Strachota, Chief Executive Officer, "Dairyland products have been exhibiting high yields on farms due to the tremendous amount of time, effort and resources that have invested in research. We are very proud of Doug Brander's results, as it is rewarding to see farmers benefit from our research efforts. Our goal is that future research will provide farmers with even higher yields."

For more information on Dairyland Seed, write P.O. Box 958, West Bend, WI 53095 or call Customer Service at 1-800-236-0163.

In the 1700's, Englishwomen celebrated Valentine's Day by writing men's names on pieces of paper and dropping the paper into water. The first paper that rose to the surface supposedly had the name of the woman's true love.

Indians Suffer Two Tough Losses

Kewaskum High School basketball coach Tom Timblin, center discusses game strategies for their game against the Lomira Lions as assistant coach Scott Pritzel looks on. Kewaskum was defeated 57-64.

Last Tuesday evening, the Lomira Lions of the Flyway Conference were hosted by the Kewaskum Indians boys' basketball team.

The Indians started the game out with a technical foul for dunking the ball previous to the start of the game. The Lions made both free throws and hit a three-point basket that had the home team down 5-0 before they even had the chance to touch the ball. The Lions then pounced on their opponents to take an early 13-2 lead.

The Indians trailed by six at the end of the first quarter but battled back to a 33-33 tie at halftime. David Gerhartz and Josh Gaffke paced the Indians with 13 and 8 respectively before the intermission.

Kewaskum could only muster eight points in the third quarter and trailed by nine entering the final stanza. As the Lion's Chris and Curt Christian, 6'6" sophomore twins, started to control the boards at both ends of the court, the Indians mounted a rally to tie the score at 55-55 with just under three minutes to go on a Jason Strobel three-pointer.

Both teams had their chances down the stretch to win, but the Lions outscored KHS 8-0 in free throws at the end to seal a 64-57 victory.

"This was a tough one to lose," said Coach Tom Timblin. He added, "We used all our energy to come from behind, and we just could not get a lead."

David Gerhartz led the Indians with 18, followed by John Warnecke with 14 and Josh Gaffke with 11.

Kewaskum 10 23 8 16 - 57
Lomira 16 17 17 14 - 64

KEWASKUM - Gaffke 11, Gerhartz 18, Christophersen 5, Wiedmeyer 2, Warnecke 14, Cook 2, Strobel 5, FTs 10-18.
LOMIRA - Toellner 8, Schaumburg 7, Rafluk 1, Westfall 2, Cu

Christian 14, Ch Christian 8, Wagner 24. FTs 19-30.

Thursday night, KHS welcomed Eastern Wisconsin Conference foe, Chilton. The Tigers were dead last in offense according to the conference statistics. Sometimes, stats lie," Coach Tom Timblin later stated.

The short-handed Indians only suited nine players for this outing as Doug Wenzel was ill and Shaun Timblin is still hobbled by a bad ankle.

To try and shake the Indians out of their current state of malaise, all three sophomores on the roster received their first varsity start. The youngsters played quite well early, scoring 16 points in the first quarter.

The only problem came from the Tigers who attempted eight three-point baskets in the first quarter and swished seven of them going 88% from beyond the arch was quite remarkable.

Once again, like a broken record, the Indians were fighting back from an early deficit. KHS, down by 12 points at halftime, 39-27, scored the first basket of the second half and had the ball down low, threatening to cut the lead to six, when a turnover gave the ball back to Chilton.

The Indians then went on a 1-13 shooting slump in the third quarter, ending any chances for a comeback. The game ended with the Indians being humbled 75-55 on their home court by a team they beat earlier in the season.

David Gerhartz again led KHS with 15 points, six rebounds and two steals. Billy Cook responded with 13 points in his first start, and Andy Christophersen scored 11 points with a fine 9 for 10 effort on the free throw line. Jason Strobel also had a nice floor game, adding nine points.

Kewaskum is now 2-6 in

Eastern Wisconsin action and 4-8 overall. They travel to Two Rivers on Friday.

Coach Timblin, a bit disheartened following the loss, reiterated, "Our league has so many strong, physical players. We will continue to work on rebounding and blocking out, and not getting manhandled down low with our young players. We're frustrated. We've shot under 35% for-four games in a row now. We're due to break out of it soon!"

Kewaskum 16 11 8 20 - 55
Chilton 24 15 15 21 - 75
KEWASKUM - Gerhartz 15, Christophersen 11, Warnecke 3, Seiser 2, Timblin 2, Cook 13, Strobel 9. FTs 18-23.

CHILTON - Mayers 1, Heilmann 12, Fluhr 8, Pagel 18, Voigt 8, Juckem 23, Lisowe 5. FTs 15-26.

Surrounded by Lomira Lions, Kewaskum junior, Andy Christophersen (23) leaps up to make a basket.

Indian's Billy Cook, junior (21) attempts to score against the Chilton Tigers.

Statesman Photos: Charlene Rochwite

Sno-Chiefs Issue Snowmobile Warnings

Although the weather has warmed up and some of the snow is gone, snowmobilers had three great weeks in which to enjoy the trails.

The Kewaskum Sno-Chiefs hope you have been enjoying the club trails and the state trails in our area. Now that there is a lull in the season, the Sno-Chiefs would like to remind everyone of a couple of very simple but important rules.

The first is the importance of staying on the marked trails. In the past two years there have been increasing number of landowners who have refused to continue to allow our trails to go through. This is because people are not staying on the trail.

We must all realize that when we leave a trail we could be destroying somebody's private property. Even in a field, where landowners have planted winter wheat or hay, we will be destroying their crops, thus cutting into their income.

It is no wonder that they refuse to allow us access when we cannot respect their land. Please remember to stay on the trails, or as we continue to lose landowners support, we will continue to lose trails.

The second important rule that needs to be addressed, is the need to follow posted speed limits. Many snowmobilers may have noticed a change in the Kewaskum trail that leads to the state land. The trail used to cross Hwy. H East, however, this crossing was rendered dangerous by the Washington County Highway Dept., as well as by the Sno-Chiefs.

Club members spent over a year looking for a new way to get to the state trails. Due to wetlands, private property, and the creek that runs there, the only way found was to cross Hwy. 28 East onto North Mill Road. N. Mill Road has a 10 mph speed limit posted for snowmobilers. This speed limit is for the safety of snow-

mobilers and the safety of the residents who live on this road. It has been brought to the clubs attention that this speed limit is being broken continuously and in great excess. If this continues, we will lose the trail on N. Mill Road, and thus, any access to state trails.

In order to prevent this, the Sno-Chiefs have talked with the Washington Co. Sheriff's Dept. and they will be frequently patrolling this road, and ticketing violators. Though this may seem extreme to some, it is vital that this trail stays open or Kewaskum trails will be cut off from the state land and many other club trails.

Snowmobiling is a sport that many of us enjoy. With everyone's cooperation we will continue to have many great trails to ride. Please keep these rules in mind the next time the snow falls so that we may all continue to enjoy our trails in future years.

Fisheree, Poker Run Saturday

With snow and ice, comes one of the good times of the year that all fishermen look forward to. Pay attention all you fishermen... the great proliferation of fisherees is a unique sporting event and it is being sponsored by the Dundee Sportsmen's Club.

The First Annual All Lake Fisheree and Poker Run will take place on Saturday, February 7 and will be held at the Dundee Clubhouse grounds. Food, beverages, and raffles will start at 10 a.m. with live

music by Clyde Stokes and Russ from 4 to 8 p.m.

Fishermen can fish ANY lake they want and for ANY fish they want, whether it be Northern, Crappie, Walleye, Blue Gill, Perch or Bullhead. Fishermen are asked to bring their fish to the clubhouse and register it between the hours of 10 a.m. and 4 p.m. for cash prizes and a chance at a Jiffy Ice Auger that was donated by Dins Mini Mart and Millie's Irish Pub. Fish prize drawings will be held at 4 p.m.

For all those interested in participating in the poker run, you have until 5 p.m. to stop at any of the businesses listed on the entry form. The poker run started

on the 15th, so some people will have already gotten a headstart on you. Registration slips may be purchased at Dins Mini Mart for \$5.00 which enables you to find out the names of the businesses involved.

Ninety percent of the money taken in will be paid to the top ten winning hands. All ties will be broken with a game of five card stud.

Last, but not least, you have the option to take a chance on a new John Deere lawnmower or one of 60-plus other prizes. That drawing will be held at 7 p.m. You are invited to join the fun at the clubhouse to enjoy a beverage and a sandwich, plus you can lis-

ten to some good music and keep your fingers crossed for the drawings. All this takes place at the Dundee Sportsmen Clubhouse on Saturday, February 7.

In an underdeveloped country, do not drink the water. In a developed country, do not breathe the air.

"If I'm going to teach you how to play, you have to get used to the feel of the clubs."

LOCAL BUSINESS = GOOD BUSINESS

Every day, it seems, we are hearing more from people dissatisfied with home repair or remodeling work. Whether its roofing, siding, fencing, or other home improvement projects, the problems we hear usually involve out-of-the-area companies.

It's always been risky to do business with people who are in-town for a while or "just passing through." It's even become risky to deal with big national companies with big reputations and big advertising budgets. Recently, one of America's largest retailers pleaded no contest to 21 counts of violating state hazardous waste laws . . . and another was cited for marking up prices before items go on sale.

The bigger problem is that out-of-the-area businesses have little or no sense of local responsibility. If you have a problem, you usually deal with someone who neither lives here nor has the authority to correct your problem. In your quest for satisfaction, you may have to talk to an anonymous operator at the end of a 900 number that you pay for. Is it worth the risk? We don't think so.

We are proud to be your independent, local lumber and building materials retailer. We work hard every day to supply you the best materials at the best prices. We stand behind our products and our work. Today and tomorrow, we're here when you need us.

Sincerely,

Albert Fleischman
