Firemen-Legion Parade, Picnic Here This Weekend

The Annual Kewaskum Firemen-Legion picnic will be held in the community this weekend, Saturday, July 11 and Sunday, July 12, in River Hill Park.

As usual the weekend will be filled with beautiful, warm weather, the smell of good food and concessions,

cold refreshments, the sensations of carnival rides and games, and the rocking sounds of live music and entertainment almost continuously throughout the weekend.

On Sunday, the traditional parade along Fond du Lac Avenue and Main

Street will kickoff the day's festivities at 12 noon sharp, with numerous marching bands, floats, traveling units, and childrens entries delighting the crowds of local people and tourists who flock to Kewaskum for this enjoyable, annual event.

No additional information was provided at this writing, but if you have questions on the parade or picnic, you may contact any fireman or legion member.

Work to Begin on CTH 'H'

County Trunk Highway "H" will be closed to through traffic from US 41 to CTH "W" in Wayne beginning the week of July 15, 1998.

CTH "H" will also be resurfaced from Wayne to the west edge of Kewaskum and be repaved in the Village of Kewaskum from the Village limits to US 45. The entire project will take about two weeks if weather conditions are favorable.

No through traffic will be allowed on CTH "H" west of Wayne or in Kewaskum while work is in progress. However, access to homes, farms and businesses will be maintained. Motorists are asked to use extra care when driving in the con-

struction area and obey all flagmen and construction signs.

The work west of Wayne and in the Village of Kewaskum will be done by Payne & Dolan. Scott Construction will do the resurfacing east of Wayne.

The project is being financed by the Washington County Highway Commission using general transportation aids and Local Road Improvement Program funds from the Wisconsin Department of Transportation. The section in the Village of Kewaskum is a joint effort between Washington County, the Village of Kewaskum, and the developer of an abutting subdivision.

Swim Lessons 'Session B' Registration This Weekend

No money collected from swim pass registration will be refunded for any reason.

Holy Trinity School Participates in McDonald's Books for Kids Drive

McDonald's Restaurants of Southeastern Wisconsin partnered with 36 elementary schools to collect more than 28,000 new and gently used books for children in need.

Holy Trinity School in Kewaskum participated in the book drive locally.

The books are now being sorted by volunteers at the Next Door Foundation, which redistributes children's books to youth who might not otherwise enjoy the benefits of book ownership.

"This is the first year that McDonald's has sponsored the program, and we are amazed at the response," said Bob Melberth, regional manager for McDonald's. "We are greatly pleased with the generosity of all those who donated books for children in need. Their donations will have a significant impact on the lives of the children who can now proudly read a book of their own."

To reward the schools for their efforts, McDonald's provided them with cake and orange drink in an effort to congratulate the students who participated in the book collections.

In addition to sponsoring the book drives in schools and restaurants, McDonald's is partnering with the Metropolitan

Parade Volunteers Needed for Red Cross

The Red Cross van will be in the Firemen/Legion Parade on July 12. Anyone interested in marching with the van should meet in the high school parking lot at 11 a.m.

Parade &
Picnic This
Weekend**

School Registration on July 30 and August 3

Registration for the 1998-99 school year will take place in all Kewaskum School District schools on Thursday, July 30th, 10:00 a.m. to 3:00 p.m. and on Monday, August 3, from 1:00 p.m. to 6:00 p.m.

Please register your child at the school they will be attending. The elementary schools will be set up in the gym area.

High School registration will be held in the high school commons area, and middle school registration will be held in Rose Hall at the high school.

Athletic Code meetings will be held the same days at 11:00 and 2:00 on July 30th, and 2:30 and 5:30 on August 3rd.

These meetings will be held in the high school field house. All students participating in any sport must attend one of these meetings along with a parent or guardian.

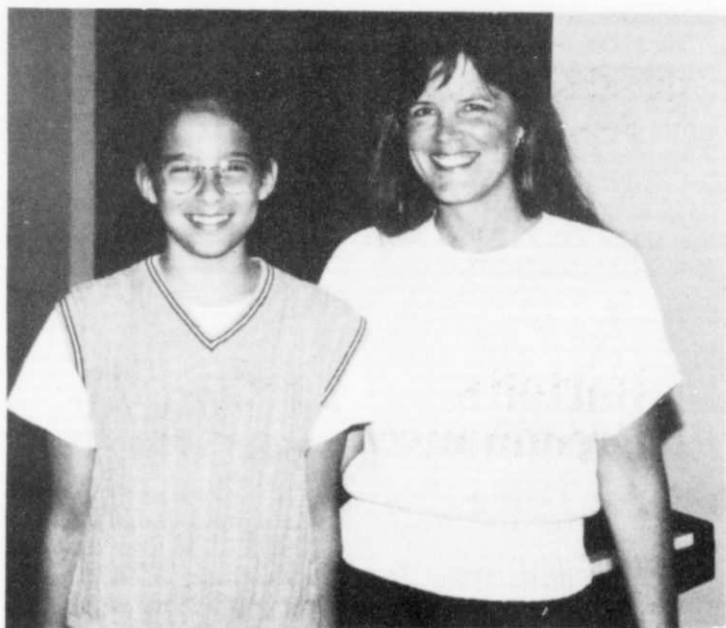

High school student's information should be arriving in the mail soon. If you haven't received your information by July 10th, please call the high school at 626-8427, ext. 4125. Middle school student's information will be arriving by mid July.

If you are new to the district and will have students attending our schools, please call the district office at 626-8427, ext. 8001 for more information.

Spring Piano Recital Held

Front row: Lora Christie. Row two, left to right: Adam Survis, Katie Survis, Katie Staehler, Lanaya Martin, Jenny Koth, Jacqueline Chambers, Valerie Rieden, Elizabeth Boettcher. Row three: Instructor Terry Christie, Erica Christie, Lisa Schickert, Aggie Friedel, Amy Fehlhaber, Emily Boettcher, Matthew Schroeder, Josh Stangl. Missing from photo: Aileen Chambers.

Outstanding Student of the Year Katie Staehler

Students of Terry Christie, Kewaskum, performed in a Spring Piano Recital on June 1, in the front parlor of the Miller Funeral Home.

Show tunes, jazz, classical, and popular tunes provided entertainment for the audience. Following the recital, students were recognized for achievements during the school year.

Twelve students performed in the Moraine Musicians Festival and five students in the Solo and Ensemble Festival this past spring. Twelve of these students received "Superior" or first ratings for their perfor-

mances in these festivals.

Outstanding student of the year was Katie Staehler. Katie demonstrated an excellent attitude as well as significant progress in her piano studies over the past year. Kudos to all of the students for another excellent job.

Farmer's Market in West Bend Saturday

The West Bend Downtown Marketplace Farmers' Market will run every Saturday through October 31. The market opens at 7:30 a.m. and closes at 11 a.m.

Held in historic downtown West Bend, the market hosts over 50 vendors offering a variety of home-grown produce, plants, flowers, honey, vinegars, wool, baked goods, and other homemade specialties.

The Downtown Marketplace is proud to be working with local 4-H Clubs again this year, who will host the

market each Saturday.

Come down, take an early morning stroll and enjoy weekly entertainment at the Farmers' Market. Discover what nature's market is all about.

For more information or questions, please contact the Downtown West Bend Association at 414-338-3909.

Funding Request to Benefit Ice Age National Scenic Trail

MILWAUKEE -- The Ice Age Park and Trail Foundation has requested a Stewardship Program grant to acquire 6.2 acres of land in Washington County. If approved, grant funds would be awarded from the state's Stewardship-Ice Age Trail program.

The property is located in the Town of Barton in Washington County and is owned by Roger and Barbara Landvatter. The acquisition of this parcel will enable the foundation to provide the only off-road connection available to link the Kewaskum segment with the West Bend segment of the Ice Age National Scenic Trail.

This type of project typically does not have the potential to cause significant adverse environmental impacts; therefore, the

Department has made a preliminary determination that an environmental analysis will not be required for this project.

Information regarding the Department's grant determination can be reviewed at the DNR Southeast Regional Headquarters. Contact Tom Blotz at (414) 263-8610, Dan Kaemerer at (414) 263-8704 or Gene Park at (414) 263-8676. Comments on the proposed project are welcome and should be received by Mr. Blotz no later than 4:30 p.m. on July 14.

The Threshold, Inc. Earns Highest CARF Accreditation

The Threshold, Inc., West Bend, proudly announces a Three-Year Accreditation award by CARF -- The Rehabilitation Accreditation Commission.

This represents the highest level of accreditation achievable. The Threshold, Inc. was recognized for accreditation in Employment Services, Evaluation

Services, Vocational Services, and Personal and Community Support Services programs.

This accreditation marks the sixth consecutive Three-Year Accreditation awarded to The Threshold, Inc. by CARF, the nation's accreditation authority in the fields of medical rehabilitation, behavioral health, and employment and community support services. The accreditation results from findings during CARF's recent on-site survey.

"The Threshold, Inc. demonstrates quality rehabilitation programs, measured by rigorous standards," said Donald E. Galvin, Ph.D., President and CEO of CARF. "This Three-Year Accreditation is a credit to the high-caliber operations of The Threshold, Inc., and its commitment to continuous quality improvement."

For additional information about The Threshold, Inc., call 338-1188.

Memories

A Stroll Down Fond du Lac Avenue

Continuing on our "Stroll Down Fond du Lac Avenue" on the west side of the street, heading south, we come to the L. Rosenheimer Department Store building, a prominent feature of the Kewaskum community for many, many years.

According to Kewaskum Then and Now, the L. Rosenheimer Department and Feed Mill was started by Moritz Rosenheimer on October 21, 1874. He was joined by his younger brother Adolph in 1876 at the age of only 14 or 15. At that time, the enterprise consisted of a store, implement dealership, banking business and a grain elevator.

By 1903 the business had grown so much that it became necessary to erect the present store and the village had become a well known market center, with many area farmers exchanging their produce and livestock for dry goods and groceries.

Following the dissolution of the partnership in 1911, Moritz Rosenheimer received control of the store and soon afterwards he turned it over to his children: Mrs. Clara Elmergreen and Mrs. Emma Lambeck, who were silent partners; Lehman Rosenheimer and Lena Rosenheimer, whose husband, David, would run the store with Lehman. The feed mill was built under their ownership. In 1929 David's son Henry took over his father's interest in the

store and was joined by Lehman Rosenheimer's son Lehman in 1935. In 1952 they bought out the two silent partners and conducted the business themselves.

From 1874 an implement dealership was conducted in connection with the store, which was then discontinued in 1962. At various times three different brands were sold: IHC, Sampson and John Deere. A general modernization of the store building took place in 1968, and in 1970 the store and feed mill were incorporated as L. Rosenheimer, Inc.

The business was eventually sold to store manager Rich Bechler. After several years, the building was scheduled to be razed when the present occupants, Tom and Jeannie Griep, spared it from the wrecking ball and opened the successful General Store Antique

Become a Volunteer Teacher/ Naturalist at Riveredge

NEWBURG -- Becoming a volunteer Teacher/ Naturalist (TN) at Riveredge Nature Center is an exciting opportunity to teach school-age children about their environment.

Using hands-on discovery, TNs develop within students an understanding of their relationships and responsibilities to the earth and its plant and animal life. Call Riveredge at 414-375-2715 (metro) or 414-674-6888 (local) for more information or for a New Volunteer TN Application if you are interested in making a difference. The first training day is August 26.

Qualifications for becoming a TN include completion of one year of apprenticeship training at Riveredge, an interest in communicating with children from grades K-8, an ability to

teach outdoors in a variety of seasons and weather conditions, and the readiness to make a professional, weekly time commitment during the school year.

The rewards of volunteering in the TN capacity

are exhilarating. TNs learn as they teach, utilizing the many resources available at Riveredge -- staff, equipment, library, training program, and sanctuary, which is comprised of 350 acres with 10 miles of trails. The excitement of helping young people discover new things about themselves and their environment gives Teacher/ Naturalists a psychological and physical breather from everyday life.

Chamber of Commerce Welcomes Smith Insurance Agency

Kewaskum Area Chamber of Commerce ambassadors extended a warm welcome recently and presented a plant to one of Kewaskum's new businesses, Smith Insurance Agency, 127 Main Street. Shown in the above photo, left to right: Chamber Ambassadors Sharron Miller (Miller's Furniture), Andrew Kuehl (Kewaskum Statesman), Chamber of Commerce President Lana Kuehl (Kewaskum Statesman), Dennis Butz of Smith Insurance Agency, Chamber Treasurer Lisa Stockhausen (Mapledale Manor) and Chamber Ambassador Gwen Dreher (Doctors Inn Bed and Breakfast).

Ludwigs Observe 50th Anniversary

Mr. and Mrs. Elton Ludwig, 1208 Riverview Drive, Kewaskum, observed the 50th anniversary of their wedding.

Elton and the former Stella Lichtensteiger were married on July 10, 1948.

The couple has four children: Karen (David) Schaub, Bill (Vickie) Ludwig and Connie (Frank) Gasner, all of Kewaskum, and Vernon (Pam) Ludwig of Campbellsport; six grandchildren: Tracy (Brian

Pulver, Jody Ludwig, Denise Ludwig, Michelle Schaub, Kelli Gasner and Ashley Gasner, and three great-grandchildren: Michael Ludwig, Zachary Schipley and Carolanne Bishop.

Elton and Stella are both retired employees of Regal Ware, Inc., Kewaskum. They began work on the same day together and they both retired from Regal Ware, also on the same day.

Chamber to Feature Tom Larson in "Beat the Pro" at Golf Outing

The Kewaskum Area Chamber of Commerce will be sponsoring their sixth annual 18-hole golf tournament on Saturday, July 18, at Hon-E-Kor Country Club in Kewaskum. Tee times will begin at 9:30 am.

The committee has decided on changing the format from four-person best ball to a scramble.

This year as one of the many hole event the Chamber will feature "Beat the Pro" golfers will place a bet to see if they can beat the pro on a par three hole. Since Tiger, Jack and Arnold were all busy, Tom Larson graciously volunteered for the job.

Chairing this year's event are Vern Jung and Rosie

Ritger of Quad Tool and Design, Audrey Krueger of Aurora Pharmacy Kewaskum, Andrew Kuehl of The Kewaskum Statesman, Aaron Laatsch of Geidel's Sentry and Eric Kral.

All proceeds from the tournament will be used to fund the Chamber's annual Kettle Kountry Kolors Family Fun Festival which is being held on Saturday and Sunday, October 10 and 11 at River Hill Park in the village.

Last year's outing was a huge success and a lot of fun for all who attended.

The cost for the event is \$50 per person and includes 18 holes of golf at Hon-E-Kor, continental breakfast, lunch, a steak fry dinner,

live music and tons of prizes. Hon-E-Kor members need only pay \$30. (Carts will be available for an additional \$22). However, if golf is not your game, join in the fun anyway and join us for a scrumptious steak fry dinner, live music, raffles and camaraderie for only \$15 per person.

The committee is seeking any interested foursomes, twosomes and individual golfers. An entry form can be found at the bottom of this article or you can call 626-2158.

Your participation is always appreciated. If you would like to donate a door prize or help on the day of the event please call Rosie at 626-2158

Gonring-Buechel

Kathryn Lynn Gonring and Douglas James Buechel exchanged vows of holy matrimony on Saturday, June 6, 1998, during a noon ceremony at Holy Angels Church in West Bend. Father Jerry Repenshek was the celebrant.

Parents of the couple are David and Joyce Gonring and James and Susan Buechel, both of Kewaskum.

The bride chose her sister, Mary Jo Otten, as her matron of honor. Bridesmaids included Karen J. Gonring of Campbellsport and Karen L. Gonring of Kewaskum, both sisters-in-law of the bride; and friends of the couple Kathryn Jahnke, Sarah Stern, and Catherine Beerends - all of West Bend.

Randal White of Kewaskum, uncle of the groom, served as best man. Groomsmen were Michael Otten of Kewaskum, brother-in-law of the bride; Robert and Douglas Gonring of Kewaskum the bride's brothers; the groom's brother, Jeffrey Buechel of Kewaskum; and friend Jason Steier of Kewaskum.

Also in the wedding party were junior brides Jordon Gonring and Lauren Gonring, nieces of the bride; ring guardians Timothy Otten and Anthony Gonring, nephews of the groom; and junior groomsmen William Otten and Steven Gonring, nephews of the bride. The personal attendant was friend Jill Warnke.

Music was provided by vocalist/keyboards Jerry Becker and Greg Becker.

A reception, dinner and dance was held at the Quilted Bear.

The bride is a 1996 graduate of West Bend East High School, and is currently pursuing a nursing degree. She is employed as a nurse at the General Clinic in West Bend.

The groom is a 1993 graduate of Kewaskum High School, and is employed with West Bend Elevator as a driver.

The couple enjoyed a honeymoon trip to Sandals Ochos Rios in Jamaica. They now reside in Kewaskum.

Book Review Group Picks Selections

The Kewaskum Book Review group has selected the books that will be discussed during the 1998-99 year.

The book titles and authors are as follows: A Lesson Before Dying by Ernest Gaines, David Brinkley - A Memoir, Brave New World by Aldous Huxley, From Sea to Shining Sea by James Thom, Stones from the River by Ursula Hegi, Angela's Ashes by Frank McCourt, Peachtree Road by Anne Rivers Siddons, and Tuesdays with Morrie by Mitch Albom.

The discussion group meets at the Kewaskum Library at 9:30 a.m. on the fourth Tuesday from September through May (with the exception of December). Everyone with an interest in reading is welcome to attend.

Questions may be directed to Phyllis Bade (626-2637) or Darlene Tessar (626-2393).

Cook - Schmidt

It's a Boy!

A son, Alexander Jared to Karolyn and Bradley Schmidt of West Bend on Thursday, June 25. Maternal grandparents are Frank and Paula Kutz and maternal great-grandmother Lorena Ramel live in Kewaskum. Paternal grandparents are Bob and Rita Schmidt and paternal great-grandmother Elinor Albrecht live in West Bend.

Dean and Coyla Cook-Scheel and Dan and Phyllis Schmidt, all of Kewaskum, are pleased to announce the engagement of their children, Leslie Cook and Christopher Schmidt.

Leslie graduated from Kewaskum High School in 1994. She is presently studying Occupational Therapy at the University of Wisconsin-Milwaukee and will graduate in May of 1999.

Chris graduated from Kewaskum High School in 1993 and received his Bachelor degree in Architecture from the University of Wisconsin-Milwaukee in 1997. He is presently developing an area business known as Woodscapes, Inc., a design and construction company.

A July 10, 1999 wedding is being planned by the couple.

Kewaskum Fire and Rescue Squad Calls

Friday, July 3 - The Kewaskum Rescue Squad responded to a call in the Village of Kewaskum at 9:02 p.m. for a female patient who was unresponsive. The patient was transported to St. Joseph's Community Hospital, West Bend.

Saturday, July 4 - The Kewaskum Fire Department was summoned at 3:51 p.m. for a grass fire in the Town of Kewaskum. Firefighters were at the scene for approximately 15 minutes.

Sunday, July 5 - The Kewaskum Rescue Squad was dispatched at 5:34 a.m. to the Town of Kewaskum for a female patient who was ill. The patient was transported to St. Joseph's Community Hospital, West Bend.

Sunday, July 5 - The Kewaskum Rescue Squad and Kohlsville First Responders answered a call at 9:08 a.m. in the Town of Wayne for a female child who was unresponsive. The patient was transported to St. Joseph's Community Hospital, West Bend.

Crohn's Disease Support Group To Meet July 16

A meeting of the Crohn's disease and ulcerative colitis education and support group sponsored by St. Joseph's Community Hospital of West Bend will be held Thursday, July 16.

at 7 p.m. in the hospital's conference room A.

There is no fee for the program, but advance registration should be made by calling the hospital's Class Connection Line at 306-7888.

Crohn's disease and ulcerative colitis are serious inflammatory diseases of the small and large intestines. Both diseases may

cause diarrhea, abdominal pain, rectal bleeding and fever. Symptoms can be mild or disabling.

The support group provides information and support to people with serious bowel disorders.

Friends and adult family members are welcome to attend.

United Way Campaign Chair And Theme Announced for 1998

Ray Lipman

Ray Lipman, President and Chief Executive Officer of West Bend Savings Bank, has been named Campaign Chair of the 1998 United Way of Washington County fund drive.

Lipman is a graduate of the University of Wisconsin - Whitewater. Following graduation, Lipman was employed with Ernst & Young in Milwaukee. A CPA, he joined West Bend Savings Bank in 1976, was named President in 1991, and CEO in 1993. He and his wife Diane have three children: Dan, Matt and Ben.

Lipman is a Rotary Paul Harris Fellow, and is currently active with the Rotary, United Way, Ozaukee/Washington County Land Trust, Wisconsin League of Financial Institutions, Washington County Future Search Committee, West Bend Economic Development Corporation, and the West Bend Greater Downtown Strategic Committee.

Being integrally involved in the Washington County community, Lipman is enthusiastic about leading this year's United Way drive. "I am very excited. . . I know it will be fun, hard work and a challenge," he said.

The 1998 campaign theme of United Way - Helping Every Day was chosen by United Way volunteers as a continuation of the 1997 campaign theme. "With last year's

success, we know we have a winner with this theme," said Lipman.

"Our history is rich with generosity, and caring is a word that describes the role of United Way -- and the positive impact contributed dollars have in the Washington County community," he commented.

Barbara Hurula, United Way's Executive Director, is pleased to have Lipman at the helm of this year's campaign. "His Bank has expanded to 9 branches throughout Washington County," she said. "The commitment to continue the United Way campaign as a county-wide effort is present -- and vital connections have been established with business leaders in those areas.

The campaign officially begins in late August, and will cover the ten communities of Hartford, Kewaskum, Jackson, Slinger, Allenton, Newburg, Hubertus, Richfield, Colgate and West Bend. The 1997 campaign surpassed its goal by raising more than \$1,032,500.

"I'd like to thank the Washington County community for their continued generosity in supporting health and human service needs. We're looking for success again in 1998. Agency needs are increasing, and our giving needs to increase as well," said Lipman.

"United Way funded programs and services reach 1 in 4 people in our County. I see the involvement of people as the key to our continued success. Right now, we're in the process of reviewing our past campaign successes, looking at agency needs for the coming year and recruiting approximately 160 volunteers who will be involved in this year's campaign," he commented.

Dan Johnson, board president of the United Way, gives Lipman high marks for his leadership, dedication, and can-do spirit. "His positive track record of community involvement speaks well of the

commitment and leadership he'll bring to the Campaign," said Johnson. "His hard work and enthusiasm are inspiring to us all!"

Recipient agencies have prepared their 1999 budgets and are currently meeting with United Way fund distribution panels, made up of volunteers from around the County. The panels will make 1999 funding recommendations to the United Way Board later this summer.

Agency needs and United Way's operating budget will be combined with the giving history of businesses and individuals to determine the 1998 Campaign Goal, to be submitted for approval to the United Way Board of Directors in late July.

Funds collected in the upcoming campaign will benefit 24 agencies throughout Washington County. These agencies are:

American Heart Association, American Red Cross - Kettle Moraine Region, American Red Cross - West Bend Chapter, Big Brothers/Big Sisters of Washington County, Bay Lakes Boy Scout Council, Catholic Social Services, Child's Place, Citizen Advocacy of Washington County, Council on Alcohol and Other Drug Abuse, Family Center of Washington County, Friends of Abused Families, Full Shelf Food Pantry, Great

Blue Heron Girl Scouts, Manitou Girl Scouts, Hartford Area Blood Donors, Kettle Moraine Support Services, Lutheran Social Services, Nova Services, Salvation

Army, Senior Citizens Activities, Senior Friends, The Threshold, Volunteer Center of Washington County, and The Youth and Family Project.

A Message from Jill Pamperin

Jill Pamperin of rural Allenton, is shown above in the uniform for the Dutch folk band she performs in. The uniform is the traditional old time "farmer" clothes.

Kewaskum Statesman:

Exchange was a blast!! For the last three weeks I have been touring Europe. I have managed to climb at least one tower, church, mountain, or national monument in everyone of the nine major cities I visited, spread out over six countries. (I have been in France, Switzerland, Italy, Austria, The Czech Republic and Germany.) Between walking around the cities, climbing stuff, not getting much sleep on the night bus rides, and partying all the other nights-- I am one tired cookie!! But it is FUN! Going on a bus tour with 52 people from 11 countries with only one thing in common -- an exchange in Holland -- is one of the nicest experiences.

Now it is over and I am still not going home (to Holland)! Now I am in Germany with the Kewaskum High School/Langenselbold High School exchange program. The other KHS students have been here for two weeks. I only get to share one week with them here. It is fun! Today we saw a castle (my fifth). Tomorrow we are going to Frankfurt. My German is awful. That comes from

learning Dutch. When you learn your second foreign language, you tend to lose the first. It is okay, though, because I try and somehow we understand each other.

At the end of the week I will go back to Holland (June 30th). I will have three days to sleep in and recuperate from my month of traveling and then my town is hosting a sailing festival. Ships from around the world come to the harbor and there are activities in the town. I have to play in an orchestra and in the folk band many times during the festival. The rest of the week I am free to participate in the festival activities. Right after that I get to come back to the United States (July 9th). I go directly to a Rotary Convention in Grand Rapids, Michigan and come home to the Kewaskum area on July 12th.

I have had a wonderful year in Holland and the last three months were especially fun! In my last host family there were two kids my age that I did a lot with. I also have a lot of good friends that I will miss when I go back. In the last year I have managed to conquer the language of the Dutch and to get a grip on most of the customs and manners in the Netherlands. With a lot of love, sweat and tears, anything can be done -- well, it wasn't that bad. It included a lot of fun. I am very glad I did this year and would highly recommend exchange to everyone.

Soon I will be back in Kewaskum and I must say I am looking forward to it. Well, I am looking forward to it 60-40. Sixty percent wants to go home to see family and friends. Forty

Cancer Support Group to Meet

The cancer support group sponsored by St. Joseph's Community Hospital of West Bend and the American Cancer Society will meet Wednesday, July 15, at 7 p.m. in the hospital's conference room A.

The free cancer support group is an opportunity for cancer patients, friends and family to share their feelings and concerns. For more information, call Carol Clingan at 335-9523 or 334-7423.

percent wants to stay with all my old friends in Holland. I have learned and changed so much here that I am a bit afraid to go back home! I am sure that everything will be alright when I get back to good old Kewaskum.

Next year, I will be a senior at KHS. I hope to see all my friends this summer when I get back. Please excuse my English the first few weeks -- my grammar has gone down the drain. You can probably already see it in my writing! Looking forward to seeing everybody!

Jill Pamperin

(Jill is the daughter of Lloyd and Amy Pamperin of rural Allenton and the granddaughter of Gerald and Marty Stoffel and Diana Pamperin. She has been in the Netherlands since July, 1997 through an exchange sponsored by the West Bend Sunrise Rotary Club).

Oelhafen Graduate Of Cardinal Stritch

MILWAUKEE -- Lori K. Oelhafen of Allenton graduated from Cardinal Stritch University with a Bachelor of Science degree in Management.

Cardinal Stritch University, 6801 North Yates Road, Milwaukee, conferred degrees to graduates at the associate, bachelor and master degree levels at Spring Commencement exercises on Sunday, May 17, 1998. The ceremony took place at the Wisconsin Center in downtown Milwaukee.

Cardinal Stritch University is a comprehensive, Franciscan, Catholic university rooted in the liberal arts, providing graduate and undergraduate education to a diverse population of men and women of all ages. This summer, the University will inaugurate its first doctoral degree, a Doctorate in Leadership for the Advancement of Learning and Service. Cardinal Stritch University is both

the largest and the only doctoral-granting Franciscan-sponsored institution of higher learning in North America.

Student Earns UWM Degree

Ruth A. Ries, 9259 Windy Acres Dr., Kewaskum, received a master's degree in criminal justice from the University of Wisconsin-Milwaukee at commencement exercises May 10 at Milwaukee's Wisconsin Center Arena.

She was among approximately 2,109 candidates awarded degrees at the ceremony. This number includes 64 doctoral degrees, 549 master's degrees, and approximately 1,496 bachelor's degrees.

UWM, with an enrollment of about 22,000 students, is the second largest university in the State of Wisconsin.

Look Out for Anacondas!

The reverse side of the entryway's waterfall reveals a jaguar resting beneath the vine-rich canopy of the rainforest at Farmington Elementary School at the end of the year. Any money collected in the display's waterfall was used to help save the rainforest.

At the end of the school year, it was hard not to walk down the hallway at Farmington Elementary School without feeling the need to look out for snakes. Or jaguars, or birds, and frogs, and monkeys.

As a project to increase environmental awareness, the fourth graders, with the blessing of the staff, and the help of their teachers, created an astonishingly detailed depiction of a rain forest, complete with sturdy-trunked (and recyclable) trees that rose from the floor, disappearing into the ceiling.

Enlisting the help of art instructor Mrs. Henke (as well as that of school custodian Mr. Reif), students began putting up all sorts of vines, and leaves, and animals a person would probably run across in the rainforest.

A working stone waterfall nestled beneath an enormous tree in the school's entry, while animals appeared amidst the branches along the corridor and into the fourth grade rooms.

The creation of the rainforest was in conjunction with numerous environmental and recycling activities designed to illustrate the importance of taking care of the Earth.

Inside her classroom, fourth grader Elizabeth Harris stands among the trees and the animals of the rainforest.

McKee Selected for National Program

Richard McKee of McKee Building in Kewaskum has been accepted into Pella Corporation's nationwide Certified Pella Contractor program.

Certified Pella Contractors receive special training in the installation of Pella windows and doors. The program also provides members with ongoing local and corporate marketing support from Pella Corporation.

"We want to congratulate Richard on joining the Pella team," said Linda Luksan, Remodeling and Replacement Market Manager at Pella Corporation. "We're excited about the program's continued growth and that Richard will be a part of it."

The Certified Pella Contractor program, developed and introduced in 1990, was among the first in the window and door industry to offer extensive product training and marketing support to contractors. Today, the award-winning program has over 3,000 members nationwide.

Pella Corporation, a world leader in the manufacture of premium windows and doors, paces the window industry in technology and innovation. Pella has been awarded over 50 U.S. product and design patents -- more than any

other window manufacturer. Headquartered in Pella, Iowa, the company is represented by a national network of distributors operating Pella Window Stores and Windowscaping Centers.

County Purchases Ackerman's Grove

Washington County officials announced recently that the owners of Ackerman's Grove have accepted the county's offer to purchase their property.

The property consists of approximately 67 acres, including 1550 feet of frontage on Little Cedar Lake. Closing is expected in

late summer or early fall.

Ackerman's Grove maintains a boat launch, which will remain open for the 1998 season. All current cottage leases will be honored for the season, as well.

Present plans for the

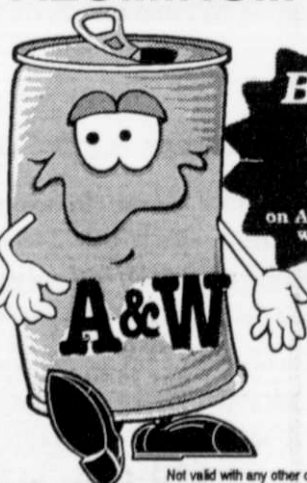

park include maintaining access to the lake with due regard for the environmental sensitivity of the area. Development plans will be considered by the Park and Planning Commission during future meetings.

Keep Children Away From Riding Mowers

The Wisconsin Department of Agriculture, Trade and Consumer Protection (DATCP) reminds parents and others who use riding lawnmowers and garden tractors to keep children away from and off the vehicles.

According to the U.S. Consumer Product Safety Commission, 25,300 people are injured and 75 killed each year in riding lawnmower, lawn tractor, and garden tractor accidents.

One out of every five deaths involves a young child. These deaths most often occur when a child falls off the mower and is run over, or when a child falls into a mower's path.

A government survey shows that about 55 percent of households with children under age 10 allow children to ride on lawn mowing equipment. DATCP advises parents to prohibit children from riding on riding mowers and garden tractors and from playing in the area where machines are being used.

"If parents and others using riding mowers and garden tractors take a few simple precautions, the number of deaths could be greatly reduced or even eliminated," says Bill Oemichen, administrator of the Division of Trade and Consumer Protection. DATCP urges riding mower and tractor users to follow these safety precautions:

* Never take a child for a ride.

* Keep children indoors and supervised at all times when any outdoor power equipment is being used. Young children move quickly and are attracted to mowers and mowing activity, especially if they have been given rides on mowers before.

* Never assume children will remain where you last saw them. Be alert and turn the mower off if children enter the mowing area. Use extra care when backing up or when approaching corners, shrubs and trees.

* Never allow a child to operate a riding mower or garden tractor, even if the child is supervised.

* Clear the mowing area of objects such as rocks, toys, wire, etc. These items

could be thrown by the blade.

To report unsafe products, call the tollfree hotline of the Wisconsin Department of Agriculture, Trade and Consumer Protection at 1-800-422-7128.

Letter to The Editor

To the Citizens of The Campbellsport School District:

We the Facilities Planning Committee wish to update the citizens of this district as to our progress. For those who are still not aware of this committee, it is a group of citizens charged by the school board with evaluating the long range building needs for the Campbellsport School District. Each board member chose three volunteers from their district to serve on this committee. We have been meeting regularly since September, 1997.

It has been a long process of information gathering and evaluating. We have collected and evaluated data regarding future growth for the area. We have evaluated oral and written presentations from the faculty, staff, administration, maintenance, school organizations and students as to the current facilities and the future needs for the various educational departments. We have toured and evaluated other comparable facilities.

The oldest part of this building dates back to 1936 and the first additions were put on in 1951 and 56. Aside of the age of this part of the building, rooms were smaller, storage limited and no one ever considered handicap accessibility. Even the additions built in the 60's were not considering the technology our students need for today's computer-oriented world. The special education classes which are required and enable many exceptional students to contribute to and participate in society were not a part of our educational system.

These have special needs and require additional space. At present, many of these are tucked in crowded places or take room needed from other regular classes. Almost all areas or departments had about the same comments: "We are doing well if only we had one more room, larger classrooms, more storage space and a better area for teachers to prepare for their classes."

We are now in the process of taking this information and formulating several recommendations to present to our school board for their consideration and action. Our long term goal is meeting the needs of our students. We invite everyone to attend our meetings. Please contact any of the committee members for the next meeting date and location. If this is not possible, please contact any committee member and share your thoughts and questions regarding the future building needs of the Campbellsport School District with them.

Sincerely,
The Facilities
Planning Committee

OBITUARIES

JOAN A. HAYES

Joan A. Hayes, nee Sopinski, of Wisconsin Rapids, formerly of Fillmore, died Saturday, July 4, 1998, at St. Joseph's Hospital, Marshfield, at the age of 62 years.

She was born on April 15, 1936, in Milwaukee to the late Frank and Hertha (nee Firch) Sopinski. She married John "Jack" Hayes on Nov. 18, 1960, in Waukegan, Ill. Her husband preceded her in death on June 25, 1992.

She is survived by four children, Scott (Kristi) Hayes of West Bend, Kelly (Brent) Carroll of Cambridge, Ill., Darrin (Suzette) Hayes of Schofield, and Lisa (Ron) Holtslander of Port Washington; a stepson Duane "Ira" Hayes; a sister Carol (Gary) Knuepple of Gillett; a special friend, Judy Gray of Wisconsin Rapids; 10 grandchildren; two step-grandchildren; and other relatives and friends.

Joan Hayes unselfishly took care of the elderly and disabled for many years in her home.

She was preceded in death by a granddaughter, Jenny Gordon.

Funeral services were held on Wednesday, July 8, at 7 p.m. at the Myrhum-Patten Funeral Home, West Bend. Rev. James Taylor of Emmaus Bible Church, West Bend, officiated and burial will be in Boltonville Union Cemetery on Thursday at 10:30 a.m.

Visitation was at the funeral home on Wednesday from 4 p.m. until the time of services.

AMBROSE N. BREMSER

Ambrose N. Bremser, 83, formerly of Random Lake, died Friday, July 3, 1998 at Hope Health and Rehab in Lomira where he had been a resident.

He was born June 9, 1915 in the town of Kewaskum to the late William and Martha Laubach Bremser.

Ambrose loved to walk and liked watching and listening to Lawrence Welk, Packer games and Brewer games.

He is survived by two sisters, Caroline (Leo) Mueller of Eagle River and Jeanette Narges of Eden; one sister-in-law, Dorothea Bremser of West Bend; numerous nieces and nephews; a dear friend, Gloria; and special friends Ron and Joan Kertscher.

A Mass of Christian burial was held on Monday, July 6, at 3:30 p.m. at Our Lady of the Lakes Parish at St. Mary's Chapel in Random Lake. The Rev. Richard J. Cerpich was the celebrant. Burial was at St. Michael's Cemetery in St. Michaels. Friends called at the church on Monday from 2 p.m. until the time of mass.

A memorial fund has been established in Mr. Bremser's name.

The Wilk Funeral Home in Random Lake served the family.

A long ago parade marches on Main Street from an era gone by. Guess the year by taking note of the car in the lower right hand corner and a building that is still quite familiar on Main Street.

New Toll Free Number for UW Washington County

The University of Wisconsin Washington County, which is still accepting applications for fall 1998 enrollment, has a new toll free number at 1-888-INFO-UWC. By phoning 1-888-INFO-UWC, callers can receive financial aid information, timetables of fall classes, registration materials and get questions answered about starting or continuing college this fall.

The University of Wisconsin Washington County is a freshman/sophomore campus of the University of Wisconsin and, whether it's been a few months or many years since a person was last in school, UW Washington County can be the best start for a college degree and a successful career because it offers:

* Small classes with an

average class size of 20.

* Personal attention from experienced faculty hired for their teaching expertise.

* The ability to participate in the Guaranteed Transfer Program, which guarantees UWC students admission into the UW four-year schools.

* An opportunity to stay in Washington County near jobs and families while sav-

ing money and paying the lowest tuition in the UW system.

After attending freshman and/or sophomore level courses, students can then transfer to a UW four-year school to finish a bachelor's degree.

For more information about attending UW Washington County, call the new toll free number 1-888-INFO-UWC or 1-414-335-5201.

Stroke Club Meetings To Resume in Sept.

The Stroke Club for Washington County community members will not meet during July and August. The group usually meets the second Thursday of each month at 1:30 p.m. in the Assembly Room at the Cedar Ridge Retirement Campus. The meetings will resume in September. Cedar Ridge is located at 113 Cedar Ridge Drive, just off of Scenic Drive in West Bend.

The Stroke Club is for people who have had a stroke, their families or for those who provide care to stroke patients. The Washington County Stroke Club is presented by the Cedar Haven Rehabilitation Agency and the American Heart Association of Wisconsin.

For more information, call Donna Kehle, outpatient social worker for Cedar Haven Rehabilitation Agency, at 334-1486. Those needing assistance in arranging transportation to the Stroke Club can call the Washington County Office on Aging at 335-4497.

Ostomy Support Group to Meet

St. Joseph's Community Hospital of West Bend is sponsoring a support group for people affected by an ostomy, a surgically-created opening that aides bodily function. The support group is meeting Thursday, July 23, at 7 p.m. in the hospital's conference room A.

The group meets on the fourth Thursday of each month and provides support and information. Topics vary and occasionally guest speakers are invited. There is no charge.

For more information, please contact Donna Heisdorf at 334-7079 or Mary Theisen-Faber, education manager at St. Joseph's, at 334-8267.

Tuttle Creek Learning Center Father's Day Picnic Held

The First Annual Tuttle Creek Learning Center Father's Day Picnic was held on Saturday, June 20, from 11 a.m. to 2 p.m. All children attending Tuttle Creek Learning Center were invited with their dads for a special Father's Day celebration.

They started the day out with some hot corn straight off Michael Beyer's grill. In between enjoying hot, buttery corn, dads and children were encouraged to create sand art in a bottle. Then they added some brats, salads, and desserts to their lunch that moms and dads helped provide.

After satisfying hungry appetites the children and their dads decided to compete against one another in a water competition. Then they played a friendly game of catch using water balloons.

After a little cleanup and a lot of laughs, the children sat down in the shade of a tree and sang songs and practiced their sing language in a special performance for their dads.

Tuttle Creek would like to say thank you to all the fathers for helping to make it such a memorable day, and a special thank you to Michael Beyer and Michael Marx for all their help and patience throughout the day.

WASHINGTON COUNTY NUTRITION PROGRAM For the Elderly Menu Meadowcreek Complex

Monday, July 13 -- Chilled tomato juice, glazed ham slice, macaroni & cheese casserole, green beans, rye bread, sugar cookie.

Ceramics at 10:00 a.m. every 1st and 3rd Tuesday of the month.

Drivers Needed for ACS Road to Recovery Program

The American Cancer Society wants you to gas up and get into gear by participating in the Society's Road to Recovery program.

Road to Recovery is a volunteer driver program developed by the American Cancer Society to provide transportation for cancer patients who need help getting to and from their treatment centers.

Kay Brenholt, Road to Recovery Coordinator for Washington County, feels that the program is a vital part of the cancer patient's recovery process. "If cancer patients are unable to make it to their treatment centers, they will not be able to receive the care and med-

ication they need to stay alive," Brenholt said.

Becoming a volunteer driver for the American Cancer Society's Road to Recovery program is very easy. All you need to do is give up a couple of hours a week to take cancer patients to and from their treatment centers. Not only will you help cancer patients receive treatment and medication, you will also be giving them comfort and friendship.

For more information about how to become a volunteer driver, contact Kay Brenholt at 414-338-3256 or the American Cancer Society at 1-800-ACS-2345.

Grothman Bill Signed By Governor Thompson

A new law authored by State Representative Glenn Grothman (R-West Bend), signed in June by Governor Tommy Thompson will yield direct benefits for local non-profit organizations such as the West Bend Art Museum, the Washington County Historical Society, and others.

Grothman, working with area State Senator Mary Panzer (R-West Bend), drafted the measure after he was told that the successful "Wine and Cheese" fund-raisers held by local charitable groups were threatened by exorbitant state fees for liquor licenses. The new law creates a Temporary Class A liquor license, which certain non-profit groups can purchase, allowing them to serve wine at their events.

"When the state increased liquor license fees from \$500 to \$10,000, it

SHARE Offers Summer Specials

The SHARE program, a private organization that promotes volunteer service and helps people save money on groceries, can help Washington County residents with filling plates this summer.

For \$14, plus a transportation fee, anyone who volunteers for two hours in their community may purchase a food package worth about \$25. The package has a variety of fresh fruits and vegetables, frozen meats and grocery items. In addition, SHARE has special offers.

The special for July is "Lunch & Munch." The package contains easy to fix snack and lunch items, like chicken nuggets, cheese spread, lunch meat, raisins, canned peaches, pudding cups, juice and peanut butter and jelly.

The August special is the "Steak Pack," six juicy steaks conveniently packaged at one low price. This assortment of two 10-ounce Porterhouse and four 10-ounce T-Bones comes out just in time for our Labor Day weekend celebration. SHARE specialty packages cost \$14, plus transportation, and must be ordered in advance.

SHARE, is a private not-for-profit organization that promotes volunteer service and helps people save money on groceries. The program is open to everyone, regardless of income. There are no limits or restrictions for participation. SHARE is available in communities throughout Wisconsin. For a SHARE site near you call toll free, 1-800-548-2124, or call one of the following area sites: Belgium/Cedar Grove, 528-7268; Barton, 677-1679; Fredonia, 692-2140; Grafton, 377-4678; Port Washington, 284-2591; Hartford, 629-5376; Jackson, 677-2139; Kewaskum, 626-2804; Newburg, 675-6874; West Bend, 334-2059.

became apparent that groups like the West Bend Art Museum wouldn't be able to afford the licenses necessary to hold their wine-and-cheese events," Grothman explained. "Those gatherings generate the funds which allow these groups to provide their services to our area throughout the year. Something had to be done to inject some reason into this process."

The Grothman bill, which passed the Legislature earlier this year as Assembly Bill 470, creates a new liquor license which non-profit groups can buy for \$10. A group can buy up to two of the special licenses each year, and will be permitted to serve wine. "Some folks were concerned about organizations using these licenses to serve harder liquor, so we restricted the special event license just to wine," Grothman commented. The special-event beer licenses currently available to certain non-profit groups will continue to be available and are unaffected by the change in the law.

"The Art Museum, Historical Society and other groups contribute a lot to our area, and help to make it a great place to live," Grothman stated. "We should certainly make sure that their ability to raise money is not inhibited by a law which does not take them into account."

Excerpts from Menagerie

The following poem was written by a KHS student, and published in the May 1998 edition of Menagerie. Menagerie is an All Conference Writers Magazine representing the writing of high school students in the Eastern Wisconsin Conference. Participants include Chilton, Kewaskum, Kiel, Manitowoc, Roncalli, New Holstein, Plymouth, Sheboygan Falls and Two Rivers. Plymouth High School was in charge of this year's edition.

My Music in the Dark

The road ahead looks dark,
hazy and damp-overgrown
with vines and moss.
Somewhere you can hear a
trickle of water to remind
you that time continues on.
An agonizing feverish feeling
of anxiety comes over me
as I wonder what lies ahead
on the rugged rock-strewn
path.
Is it the sweet yet sorrowful
song of defeat, or is it the
boisterous melody of triumph
that awaits me?
I am held back for the sight is
treacherous, but something
within me urges me on.
Something from my heart
propels me to take on the dark-
ness, the unknown, the
feared.

What it is, I can't be sure, but
perhaps it's the music I hear
within my soul, the music
you play for me, my music
in the dark.

Antlerless Deer Hunting Permit Deadline July 20

MADISON -- The deadline for hunters to apply for Hunter's Choice and bonus antlerless deer permits for the 1998 deer hunting seasons is July 20.

Hunter's choice permits allow hunters to shoot either antlered or antlerless deer, and bonus permits allow hunters to shoot an additional antlerless deer; all permits must be used in the unit for which they are issued. Hunters may use the permits in the archery, gun and muzzleloader deer hunting seasons. There is a \$3 application fee for a hunter's choice permit and a \$12 fee for each bonus antlerless permit.

Application information for hunter's choice and bonus antlerless deer permits can be found in the "1998 Wisconsin Antlerless Deer Permit Information" packet available at license outlets. It contains information about permit availability and deer management unit boundaries.

"There are some changes in this year's deer hunting season that hunters should take note of," said Buchholz. "The requirements landowners must meet to qualify for preference for a hunter's choice permit have changed. Resident landowners no longer need to live in or adjacent to the county in which they own property to receive preference."

Qualifying hunters who already applied for a hunter's choice permit prior to this regulation change can have their preference status changed. They can do this by picking up or requesting a form to change their landowner status at any DNR Service Center, County Clerk's office, the DNR Information Center (608) 266-2621, or on the World Wide Web at <http://www.state.wi.us/org/land/wildlife/HUNT/deer/landowner>. The deadline for changing landowner preference status is July 31, 1998.

"There will be a special early antlerless hunt in unit 67A from Oct. 29 through Nov. 1. Hunters should not apply for hunters choice or bonus permits for this unit. Free 'special' antlerless permits will be available over the counter in mid-August. Hunters will be issued up to three free permits for each gun-deer license and another three for each archery-deer license for a maximum of six antlerless permits. A regular gun deer license back tag can be used on a buck or antlerless deer in this unit.

The special hunt was created to assist farmers in unit 67A in controlling the amount of crop damage caused by deer. Public lands in 67A do not have the same high populations found on private property and hunters from outside the unit will likely find it difficult to gain access to the

private properties with the highest populations."

In another change, if a unit has left over permits, qualified farmers are eligible for one free bonus permit with each bonus permit purchased. Farmers should check the information packet for eligibility guidelines.

Also this year, first-time graduates of a Wisconsin Hunter Education Course will again be able to harvest an antlerless deer during the nine-day gun deer season using their regular gun deer license in most areas of the state.

DNR wildlife ecologists set antlerless permit levels for each of the state's 129 deer management units to maintain the deer population in the unit legally established goals that are based on factors such as available deer habitat, crop damage and vehicle-deer collisions on highways. Nearly 540,000 antlerless permits are available statewide.

Bonus permits remaining after mail-in applications are processed will go on sale over the counter at select DNR service centers around September 14.

ABC SKAT RESULTS

The winners at skat played at the Town of Scott Hall on Tuesday, June 30th were: Ralph Laux, 20-2--18 net; Ruth Egerer, 20-3--17 net; Ralph Laux, Diamond solo w/ 4 and Grand schneider with 3.

Your taste buds can distinguish four main types of flavor: sweet, salty, sour and bitter.

Eastern Wisconsin Stock Car Racing Ol' Timers Reunion Set

On Saturday, July 18, at the Sheboygan Fairgrounds in Plymouth, the EWSCA will again be hosting an "Ol' Timers Night."

This year the picnic lunch will be served at 4 p.m. behind the grandstand. All drivers from the 60's and 70's from all divisions are invited to attend.

The last this get-together took place, the honoree was past president and modified driver, Kermit Schultz. This year, the drivers of the 60's and 70's, six time modified champion, Ken Marwardt and three-time sportsman champion, Buck Carmen, will be the honorees.

Anyone who raced with these talented drivers are invited to attend and reminisce about the "good old days" of racing. It would also be enjoyable seeing any pictures anyone may have.

No invitations will be sent out. The only announcements of this reunion will be on "Let's Talk Eastern," with Roger Miller on the radio every Monday evening at 6 p.m., in the racing news and by "word of mouth." So if you read this article and know someone who gave us the thrills of competition on the dirt track at Plymouth or on the asphalt at Francis Creek, please tell them to join in on Saturday, July 18.

With the help and donations from Lois of the Sheboygan County Fair Board, Ken Marwardt Sales and Service and Goeden's Auto Body Inc., the evening's activities are free to the drivers and their guests. It is hoped to have a display behind the grandstand of restored modified from that era. For more information and a reservation for the meal, please call Jeanne Goeden at 414-334-9549.

Sometimes the history of the EWSCA of 38 years can be forgotten. All should remember those who started this organization, such as, Lanny Schirmer, who was the first President, or Happy Laack, who served many years as the track manager and a member of the board.

The Eastern Wisconsin Stock Car Racing Association has gone through many changes in the course of their 38 years, but their number one concern is still to entertain the fans. The membership has grown from less than 100 in 1961 to over 700 today.

It's interesting to note that in 1960, admission to the races was \$1.00 and pit passes were \$1.50. Remember champions Woody Klug - 1970; Dickie Berth - 1971-72; Billy Johnson II - 1972; Etchie Biertzer 1977-78-79-80 and others who gave the fans their dedication to the Saturday night thrills and chills.

A list of past EWSCA champions includes talented drivers such as Carl Kulow 1963; Oscar Konen 1965; Ken Steffen 1968; Ernie Rathke 1969; Ken

Painter 1971; Bobby Blank 1972; Steve Edler 1973-74 who are all invited to attend.

A few other names that come to mind are: Don Diener, Russ Waldron, Roger Olm, the Akrigh Generations, the Goetch Generations, Ron Enderle, Ron Luedtke, Tom Sippel, Ralph Stern, Ken Johnson, Chuck Bindrich, Don Schuppel, Lanny Schirmer, Scott Weiss, Marv Zahner, Otto Ramthun, Norb Herbst, Bobby Ruh and many others.

Please, if you know any of these drivers, tell them about the Old Timers Night on Saturday, July 18 at 4 p.m. behind the grandstand.

It is hoped to have an autograph session for these drivers who have contributed so much of their lives to the sport of racing for EWSCA.

25 Years Ago

June 22, 1973

Kewaskum High School graduates of 1938 held a 35-year class reunion on Saturday evening, June 16, at Hon-E-Kor Country Club. The following class members, with their husbands or wives, were in attendance: Louis Bath, Andrew Brodzeller, Floyd Hansen, Rosemary (Haug) Goelz, Pearl (Kibbel) Terlinden, Audrey (Koch) Bartelt, Harry Koch, Audrey (Koepke) Tranholm, Roland Koepke, Bernadette (Kohler) Key, Evelyn (Krautkramer) Rauch, Anita Mertz, Clara (Metz) Weiss, Margaret (Muenk) Carlson, John Petri, Francis Roden, William Roehrdanz, Ruth (Schleif) Weddig, Ione Terlinden and Lillian (Weddig) Kuester.

Patricia Roe, 9240 Werner Dr., Mary Schowalter, 1036 Hillside Dr., and Robin Bier, Route 2, Kewaskum, were among the 537 high school girls from throughout Wisconsin taking part in the 30th session of Badger Girls State June 10-16 on the University of Wisconsin campus in Madison.

The Kewaskum FFA Chapter was represented at the FFA State Convention at Green Lake by delegates Steve Ebert, Vice President Henry Haack, Secretary Anita Czerwonka and Tom Schoofs. The chapter received a plaque for the area BOAC program. The letters stand for Build Our American Communities. The chapter was cited for work in conservation and community activities. Kewaskum also received the Superior Chapter Award. Five senior members received the Wisconsin Farmer degree. This is the highest degree at the state level and is limited to the top 2% of the boys with, emphasis on leadership, project work and coop activities. Dean Schmidt and Mike Backhaus received the award in the agri-business area. Dean was the winner in section 10, placing him in the top 10 agri-business winners in the state. Harold Ramthun, Richard McKee and James Hawig received their award in production agriculture. The Kewaskum group was accompanied by their advisor, Roy Esser.

A daughter was born to Mr. and Mrs. Dennis Campbell, Kewaskum, on Friday, June 15. A son was born to Mr. and Mrs. Robert Kirst, Kewaskum, on Thursday, June 14.

June 29, 1973

Following three meetings of discussion, the Board of Education approved a budget Monday evening for presentation to the annual meeting. The budget calls for expenditures next year of approximately \$2,360,554.00. This compares with a 1972-73 budget of \$2,200,000.00. The budget includes \$47,300.00

to pay off the Beechwood note, and approximately \$139,000 on the note issue for the new buildings. Last year's budget figure included \$139,000 in expenditures for the addition at the high school building. Thus expenditures excluding buildings and debt service will be up approximately \$120,000 under the proposed budget. Included in this figure is the addition of four new staff members for next year.

The customary spectacular Fourth of July holiday fireworks display, sponsored annually by the Village of Kewaskum under the supervision of the fire department, will be held in the village park on Tuesday night, July 3. The fireworks will be set off right after dark. Additional fireworks, including some new displays, have been purchased this year, amounting to several hundred dollars worth, which are sure to make the display bigger and better than ever.

At its last Board of Directors meeting on June 20, the retail committee chairman of the Kewaskum Area Chamber of Commerce announced that Crazy Daze will be held on Tuesday, July 24, with Wednesday, the 25th, set as the rain date.

A daughter was born to Mr. and Mrs. Gerald Zimmel, Route 2, Kewaskum, on Thursday, June 21.

Make a Difference, VOLUNTEER!

Whatever your interests, hobbies or skills, the Volunteer Center of Washington County can match you to a volunteer spot that's right for you.

A sampling of possibilities includes:

- * Car wash and brat fry
- * Friendly visits with residents in a home
- * Flower bed maintenance
- * Child care
- * Go fishing or work on crafts with developmentally disabled people
- * Many, many more!

The Volunteer Center of Washington County needs your help. Please give us a call for more information on how you can make a difference at 338-8256.

Action Rocks at Thiemerdome

The paparazzi is back at the Thiemerdome and has been storing gibes over the winter for one and all. I must say, Thiemerdome management was kind enough to provide the special parking area for paparazzi again this season which, along with a quarter, will continue to make him the butt of cynicism. All in good fun, Richard!

The Thiemerdome owners also served up a special buffet for all the media last week. The popcorn was a little tough, but the beer was cold!

On with the show... The June 24th Thiemerdome games (we're a week behind, because Richard was a little late, due to the fact he had to clean the rest rooms and plan his vacation). Not to worry... the whole league has a bye this week because Richard didn't want to play with us, so we will catch up to the action eventually.

Anyway... Amerahn was handed their first loss since the league started last year when none other than Kuehl's Suds and Spirits copped a 6-2 win over the Amerahn aces and ran away with the league crown... for now. Could it have been age against youth? (Isn't that supposed to be age before beauty, Richard?? but pray tell, where do you see beauty on either one of these teams??)

Amerahn's only scores came with a right field hit from Artie "Ace" Buss in the fifth. It doesn't mean the Amerahn team wasn't hitting the tar out of the ball. (Is that what those orange marks were on everyone's shirts last week?) It just seemed Kuehl's zeroed in on the ball and with some fine defensive play from the young (you really should get your eyes checked Richard) Kuehl lads were always in the right place at the right time and did in the highly-touted Amerahn team.

Alan "Moochie" Kuehl fired some fine pitching and dazzled the audience with some fancy footwork on the mound. (Cheryl wishes you would try some of that fancy footwork on the lawn, Mooch!)

Not to mention, the winning cause was assisted by Daryl "Skinny" Holtz and Doug "Itch" Panzer, who smacked a few great hits and ran the bases like gazelles (they promised me a beer and big bucks to say that).

Bill "Guiltman" (where do you come up with these names, Richard??) Waechten (please chide Richard with all errors in spelling of names... not my fault!) caught a fly ball in deep centerfield (which was quite a feat, considering deep centerfield is in someone's corn field) to end Kuehl's running attack (who are you trying to kid... that was running??) However, it was

too late, as Amerahn couldn't put any more runs on the board (well they could, but someone kept erasing them... you really have to score them first, boys!) and the baseball kings went down (only temporarily, I'm sure).

In the Hitching Post, Thiemer's game, it was the Post coming out with three hits in a row from Paul "Slippy" (I like, Slippery better Richard), a double from Al "Foxy" Schweitzer and Dennis "The Hitter" three-for-three Kuechler with Dave "Skippy" (just how many Skippys do you have in this league) Vogt bringing in a run before a dazed Bob Bonenfant could figure out his mound footing. Bonenfant commented he had a little trouble adjusting his rhythm, but I find that hard to believe.

Thiemer's didn't score in the first due to some great defensive play from Roger "Music" Mertz. (Sure, Richard, blame it on the defense... could it just possibly be the offense wasn't producing?? What, now Hitching Post hired Fritz Schurmer to coach during the off season?)

After only one inning the score was Hitching Post 2, Thiemer's 0. In the second, four hits slung out by the Post's Mike "Sharpie" Staral, and Joe "Squirrel" Brown, who ran out what looked like a bunt, Jeff "The Arm" Jurence (??) (spelling, Richard, spelling... you're driving me crazy!!), Paul

(Continued on Page 18)

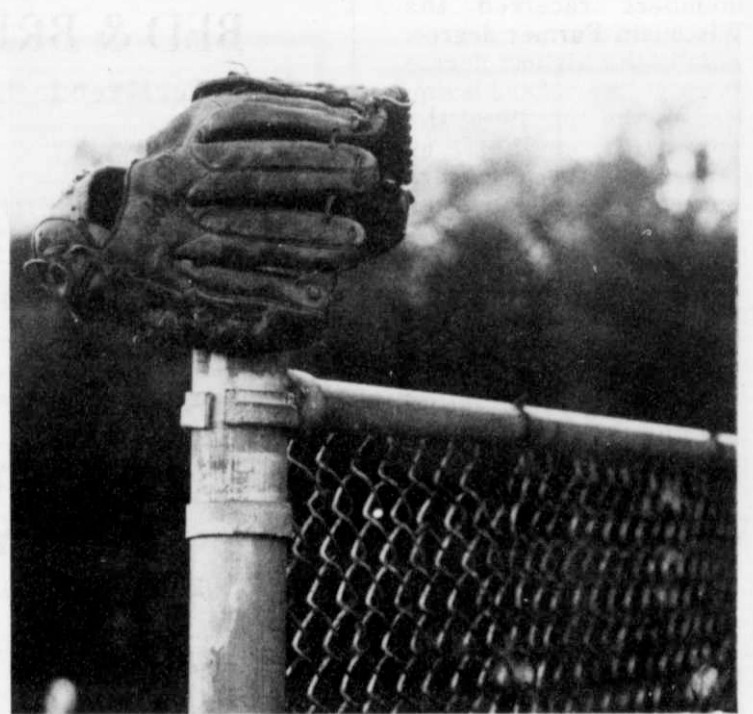

Umpire Dane Dorn of Kewaskum keeps a watchful eye on homerun sluggish... er, I mean slugger Tim Miller of St. Francis Bank fame, another one of Thiemer's late season draftees in '97. In his rookie season, Tim really impressed the coach with his aggressive play and somewhat destroyed... er, I mean, durable hamstring. Tim and his family recently moved back to the Kewaskum area, just to be near the Thiemerdome playing field. And... can you imagine hiding those knees behind a desk every day?? I vote for a new dress code at St. Francis Bank!!

Back on the mound for Thiemer's Sip-n-Snip is second year ace Bob Bonenfant, famous voice of the WBKV-WBWI air waves. Bonenfant has been moonlighting on Wednesday nights for Thiemer's aging baseball groupies.

Kewaskum School District teacher Mike Miller (no relation to Tim Miller) braces to send the poor (neon orange) ball out to the "poison ivy" portion of the Thiemerdome. (Didn't tell the outfielders about THAT, now did you Richard??) And what's with all the "Millers" on the Thiemer's team?? Who told Richard WOW Distributing would give him a discount if he fielded a team of Millers? And just where does that leave poor Bob Bonenfant??

One of the many new improvements made at the Thiemerdome stadium by the management during the off season includes the modern, state-of-the-art glove rack shown above.

IT'S EASY!

CALL US 626-2626

We will be pleased to advise you.

Thiemerdome

(Continued from Page 17)

"Slippy" Seymour (3x3) and Ron "Sore" Nuoffer (you just named practically the entire team, Richard. You mean you let them bat through the order??) and of course, before the inning was over Jerry "Crazy Legs" (don't ask me who "Crazy Legs" is, Richard forgot to write down his last name... if you ask me, they all have crazy legs!)

Anyway, one of the "Crazy Legs" pulled a muscle (don't they all, weekly?) backing up a play to end the inning for the Post, and his play for the rest of the game. Thiemers did score two runs in the fourth (but by that time, everyone was sleeping). The Post pulled "The Arm" off the mound in spite of the fact, Thiemer's promised them ten bucks and a case of Bud Light to keep him in. Ron Nuoffer came in to fire his fastball (clocked in at over two miles per hour) at the Thiemer kids, thus putting

Thiemer's ahead with walks and some hitting during a team effort. (It's about time you put some effort into it... these games aren't just about snapping a pop top, you know... hustle! You're going to lose your fans if you don't start producing, Richard!)

The Post then pulled out their big gun and put in Steve "Slip" Herrick to relieve Ron, but Thiemer's wanted to impress their fans real bad with a win and weren't to be denied this time. Even with John "Quicky" Thaxton (did I get it right, this week? It's Richard's fault... he flunked penmanship in second grade... honest!) and Bryan "Mailman" Olson pulling up lame and Mike "Sure Glove" Miller having to leave early for his son's game. Thiemer's finished up the game with only eight players (is that legal? Someone should really check the league rule-book) in the seventh and still won 13-4 for their first

win of the season.

See you next week. I put fresh batteries in the camera... missed some REALLY great gymnastics and tumbling shots last week... and the players are ready to be "caught on camera" with the thrill of victory or the agony of falling down. Someone tell the Hitching Post these games and my two cents worth are all in jest... they really glared at me last week. And I even had my bodyguard along... well, we won't get into that!

KMS Students Write Home Town Poems

To wrap up the 1997/98 school year, in their English class, eighth graders at Kewaskum Middle School studied a unit on Wisconsin writers. At the beginning of the unit, the students read a poem called "Walking Milwaukee" by Harold Witt. In response, the students worked at various times through out the unit, writing their own poems about

taking a walk in their home towns. The following are some of the poems written by the eighth graders.

"The Coolest Place On Earth"

by Jason L. Ramirez

You're about to experience my village through the eyes of its greatest fan.
I already see a simple, everyday, yet amazing sight-towering maple tree
That casts steadily swaying shadows over the young joggers
Who walk their dog, panting hard, slobbering over the sidewalk.
The same, plain sidewalk that guided my friends and me around the street
When we were too small to run across.
Apartment buildings seem to just sit, while houses Boring houses,
Seem to do nothing but exist, hold groups of people
Who live together,
Who have lived through each other's successions and confusions.
These houses hold families.
Moms and dads and brothers

and sisters.

Brothers and sisters who will someday grow up
Someday become moms and dads themselves.
The scorching sun not only tans adults and burns their children, but
Brightens
The park that I am now walking by, as its beautiful oak trees
Entertain the visitors.
The nearly empty video store cools a few people, while most are
In their noisy vehicles, cruising along the packed, honking
Streets of another city.
The bright blue sky does more than represent peace, it also Holds clouds. Many of them. Fluffy, white, optimistic clouds that believe that they can be anything they want to be.
They can be anything from dinosaurs to human faces, tear drops
Falling from a face of depression. These clouds even agree with Me, and Believe
That the one-word definition for "the coolest place on earth" is "Kewaskum."

Area Athletes Compete in Badger State Games Finals

HOT, TIRED, BUT VERY HAPPY -- Pictured above, left to right: Kewaskum's Josh Parrent, Coach Rick Robinson, and Brad Hermann at the Badger State Games Track and Field Finals at Madison. Both Parrent and Hermann placed second in their age divisions in the pole vault at the UW-Madison track. Parrent cleared 11'6" in the intermediate age group. The winning height was also 11'6". Hermann cleared 12'6" in the senior division. The winning height was also 12'6". Congratulations to the athletes and special thanks to Coach Robinson.

Brad Hermann of Kewaskum, attempting 13'0" in the pole vault competition at the Badger State Games Track and Field Finals.

Josh Parrent of Kewaskum waits for his turn in the pole vault at the Badger State Games Track and Field Finals at Madison.

Wiesner MVP

KHS Girls Track Awards

Kewaskum girls track and field coach, Mr. Joe Kinney presented varsity letters and JV awards to members of the 1998 girls track and field team. Plaques were also received by members of the team to recognize outstanding efforts put forth during the season.

Carrie Wiesner was recognized for her excellent season with the presentation of the 1998 Kewaskum High School Track and Field MVP Award. Wiesner, who battled an ankle injury the last month of the season, was unable to advance from sectionals and return to the state track meet this year. Last year Wiesner finished seventh in both the 100m high hurdles and the 300m low hurdles at the WIAA State Track Meet.

Jessica Repovsch received the 1998 SCHOLAR ATHLETE AWARD. This award is given to an athlete who excels in sports and academics. Jessica ran on the 1600m relay team all four years of her high school track career, competed in the high jump, and was a member of the National Honor Society.

Emma Chambers received the 1998 MOST DEDICATED AWARD for the Girls Track team. This recognizes her dedication to the Track team and excellent effort. Emma ran the 3200m run.

The 1998 MOST IMPROVED AWARD was presented to Jill Wichtoski. Jill competed in both the triple jump and long jump.

Emily Rinzel, a freshman, received the 1998 FRESH-

MAN/SOPHOMORE AWARD. Emily ran on the 3200m relay team and also ran the 3200m run. The following athletes earned their varsity letters and received a gold bar: Sarah Bausch, Emma Chambers, Sara Dedert, MacKenzie Downs, Jennifer Fettig, Jennifer Immel, Jacki Michaels, Carol Neumann, Jessica Repovsch, Michelle Sager, Lauren Steinhart, Joanne Thull, Jill Wichtoski and Carrie Wiesner.

The following athletes earned their varsity letters and received their "K" letter: Amber Averill, Emmy Foerster, Colleen Gosa, Crystal Heberer, Kristina Lindgren, Heather Rieder, Emily Rinzel, Jody Wichtoski, Lynn Wiesner, Brooke Zanow, and Michelle Zingsheim.

Coral Choinski also received a varsity letter in recognition of her work for the Girls Track Team. Choinski helped with timing, recording, and being the Clerk of Course at the Regional Track meet held in Kewaskum.

Mandy Homuth an exchange student from Germany participated on the Kewaskum Girls Track Team. She competed in the long jump and triple jump. Mandy also earned her varsity letter.

Kelly Darmody, Lauren Nelson, and Anna Waehler were recognized for their varsity participation and received a varsity award.

The following athletes received their JV awards: Rebecca Baron, Laura Baumann, Bridget Beck,

Jamie Boettcher, Rebecca Cartwright, Aileen Chambers, Vanessa Current, Elizabeth Degner, Kim Erdmann, Janel Gliniecki, Katharine Gosa, Rebecca Gundrum, Holly Haack, Heather Hackbarth, Pam Hass, Michelle Landgraf, Brianna Obright, Cindy Reindl, Kristin Schiller, Amanda Schulist, Jennifer Susen, Joyce Wagner, Erin Weiss, Rachel Wolf, and Stacy Zehren.

Girls head coach Mr. Kinney commented on the girls hard work and determination to always do their best. The girls team effort made them strong as a whole. Things look bright for the future of the Kewaskum Girls Track team with the large number of freshmen who were out for track this season.

Village Board Meeting Monday

Public notice is hereby given that the next meeting of the Village of Kewaskum, Wisconsin Village Board is scheduled for Monday, July 13, 1998, at 8:00 p.m. in the Municipal Building, 204 First Street.

Indians Defeat Two Rivers, Lose to Campbellsport

On Tuesday, June 30th, the Kewaskum Varsity Baseball team put together an all-around solid game to defeat the Two Rivers Raiders by a score of 11-4.

On what was designated as Parents' Night, the "boys" responded by pounding out 12 hits to score 11 runs. With one out in the bottom of the second, Kewaskum's offense went to work. Rhett Engelking singled to left; Adam Donath followed with a single to right. After a fly out to left for the second out of the inning, John Immel reached on an error by the first baseman allowing Engelking to score. Billy Cook singled, scoring Donath. Jason Strobel then scored Immel as the third baseman misplayed his ground ball.

Kewaskum took the 3-0 lead into the top of the fourth, when Two Rivers scored three runs, helped by three Indian errors. In the bottom of the fourth, the Indians took the lead back by scoring two runs of their

own. Adam Donath led off with a single to left, followed by Jason Calliari who bunted for a single. John Immel walked to load the bases. Billy Cook's sac fly to center scored Donath, and Jason Strobel's sac fly, also to center, scored Calliari, giving Kewaskum a 5-3 lead.

In the bottom of the fifth inning, Kewaskum put the game away with four runs on four hits and pushed the lead to 9-3. Nathan Mueller and John Immel singled; Jason Calliari and Billy Cook doubled in the inning to lead the four-run attack.

Two Rivers managed a lone run in the sixth, but after two outs. Kewaskum added two more in the bottom of the sixth on a combination Eric Wenninger walk, and Engelking and Donath singles, to nail down a final score of 11-4.

John Immel pitched all seven innings for the Indians notching the win. Immel struck out nine and walked only two. He gave

up five hits and four runs, but all four were unearned. After working seven innings and giving up no earned runs, Immel dropped his conference ERA to a respectable 2.57.

Multiple hitters abounded for the Indians in the game. Adam Donath was 3x4 with two RBI's. John Immel was 2x3 with two RBI's, and Billy Cook was 2x2 with a double and three RBI's. Rhett Engelking was 2x4 with Jason Calliari was 2x4 with two RBIs.

LOSS TO COUGARS

After beating Two Rivers on Tuesday the Indians had won three of their last four conference games and the young team seemed to be showing signs of maturing. "But tonight the wheels fell off," commented Coach Mark Heise. "We had more errors than hits. It was just one of those games where everything went wrong. I thought we were going to give them a good game tonight after they scored

three in the top of the first and we answered with three in the bottom. But it was not to be." Campbellsport went home boasting a 10-3 victory.

In the top of the first, Campbellsport scored three when Mike McCallum reached on an error. Steve Walta reached on an error, and Nick Wietor hit a home run to deep left field.

Kewaskum responded with three in the bottom of the first, but unfortunately, that would be their last three runs of the game. John Immel led off with a walk; Billy Cook singled. Jason Strobel got hit by a pitch to load the bases. Nathan Mueller doubled to score Immel and Cook. Eric Wenninger hit a sac fly to right, scoring Strobel. End of story. After the first inning, Kewaskum added lone hits in the second and sixth, but never got anyone past second base.

In the Cougar second, a walk and three consecutive hits spelled the end of the

night for John Immel's mound appearance. John's stats for the night read seven runs on five hits, no strike outs, two walks and three earned runs. "His fast ball just didn't have any zip tonight," noted Coach Heise.

Heise replaced Immel with Bobby Ogi. Bobby pitched well in relief by throwing six innings and allowing only three runs, one of which was earned. Ogi struck out six and walked two.

Clint Beck worked five innings for the Cougars notching the victory, with relief help from Steve Walta, who pitched the sixth and seventh.

In contrast to Tuesday when the Indians had 12 hits, Friday they could only muster four. Nathan Mueller hit a double; accompanied by singles from Cook, Donath and Andy Luedtke.

Tomorrow night, July 10, the Indians play their last conference game of the year at home against Kiel, with a start time of 5:30 p.m. State tournament action begins on July 17, when the Indians will square off against West Bend East at home, beginning at 5:30 p.m.

Hunter Education Graduates to Test Skills on Computers and In the Field

MADISON -- Two dozen adult hunters in southeastern Wisconsin are completing a pioneering hunter education course that allows them to learn basic knowledge on the computer before applying those lessons in the field during a single day of instruction and skill testing.

Students who passed the tests at the Oconomowoc Sportsman's Club in Jefferson County on June 20 got certified to hunt in Wisconsin and anywhere in the world. They will also earn a place in history: Wisconsin's hunter education program is the first in the world to offer a hunter education course through a mix of computer technology and hands-on instruction, according to Tim Lawhern, administrator of Wisconsin

Hunter Education Program, and vice president of the International Hunter Education Association.

The course is being offered to adults in the southeastern part of the state through summer, and hunter education officials will evaluate the results to determine whether to expand the program to other locations.

"We're really excited about this method of delivering hunter education because we know that the demands on people's time is much more severe today than in the past," Lawhern says. "This program allows adults to do the book work on their own schedule instead of the instructor's schedule but still gives them the chance to learn and practice with a veteran

instructor."

Typically, hunter education classes meet for several nights each week for five or six weeks. In Wisconsin, all hunters born after Jan. 1, 1973, must pass a hunter education course and carry their certificate when they hunt. Other states require all hunters be certified to hunt within their borders.

A group of 22 students in southeastern Wisconsin has already received certification after completing the experimental hunter education course's field day in early May at the Oconomowoc Sportsman's Club.

Under the experimental program, adults check out a CD-ROM from a DNR service center in southeastern Wisconsin and sign up for a required 10-hour session of hands-on instruction and testing by members of the DNR's corps of 4,300 volunteer hunter instructors.

The compact disk contains interactive lessons on

all aspects of hunting, which students are to complete before the field day lessons and testing. On the field day, students take a pre-test to assess how well they learned the CD-ROM lessons, and then split into small groups to work with an instructor on topics ranging from learning about safely handling firearms to identifying species.

Students also practice trap shooting and participate in a simulated hunt before taking a written test and completing a firearm handling and field exam.

"Students who participated in the May field day session said they really liked the flexibility the CD-ROM portion offered -- several said that they never would have had the time to take a traditional hunter education course," Lawhern says. "We like the program because it means people have greater accessibility to a hunter education course, which in turn means we have a greater chance of

helping train more people so they may become safer and more responsible hunters."

Lawhern said volunteer instructors liked the experimental program because the field day gave them a concentrated amount of time to spend instructing and observing a small group of students.

Programs like this are likely the wave of the future: other states, including New York, Oregon and Michigan, have the CD and are waiting to see what happened in Wisconsin before deciding how they might use the CD-ROM in their programs, Lawhern says.

"People, our young folks especially, simply get their information in different ways than they did 20 or 30 years ago," he says. "We want to offer our messages in ways that reach a broad swath of hunters and prospective hunters, are convenient, meaningful and entertaining for them."
