## School Board Wades Through Heavy Agenda

By Andrew R. Kuehl  
Staff Writer/Photographer

The Kewaskum Board of Education met Monday night in the library of the high school and President Jean Goeden opened the meeting by asking for a moment of silence in memory of former district employee, Grant Huebner who passed away over the weekend. Huebner was employed for the district for 18 years as a janitor.

The board started off the meeting by acknowledging the district's Students of the Quarter. Amy Guttmann, KMS; Danielle Dreher, KES; Luke Artymiuk, WES and Ashley Turner, FES.

Coral Choinski, KHS student ambassador gave a report on happenings at KHS. In her presentation to the board she indicated that the students are having the annual Sadie Snowball dance this Saturday evening.

Choinski went on to say that the FHA is having their annual Flower Sale, where students can buy flowers for their friends or sweethearts and have them delivered to his or her class during the school day.

She finished her presentation by telling the board the annual Senior Bingo Day will be held in March.

The school principals gave their reports. KES principal, Kieth Kriewaldt told the board the students are preparing for an upcoming field trip to the circus. He also invited the board to visit WES and introduce themselves to Lee Loomans, the new secretary.

FES principal, Jim Botting, told the board that attendance is very good considering the time of year. He went on to say D.A.R.E. graduation just took place. He concluded that Alex Waranius, had just taken first place in the fifth grade class in a writing contest sponsored by Delta Kappa Gamma Sorority. The contest was held nationwide.

KMS principal, Ken Soerens told the board that KMS has been a busy place the past month. This week is Carnival Week. The week will conclude with a hamburger fry for the students cooked by Soerens and other faculty members. The Regional Spelling Bee will be held at KMS at 1:30 on Tuesday. The public is invited to attend. Parent-Teacher conferences will be on Feb. 18 from 4:30-8 pm for grades six through eight.

KHS principal, Larry Wilson informed the board of four art students who won awards. He also indicated that testing will be taking place very soon. All students will be

involved with the exception of the seniors.

Building and Grounds supervisor, Dale Wedde gave an update as to what his department has been up to. He indicated that they are getting bids for the roof project at KHS and KMS. He is also working with a company to develop landscaping ideas for all the district schools. He concluded that he received 58 applications for the second shift janitor position.

Board members who attended the WASB convention gave their opinions and shared ideas they learned.

Building and Grounds chair, Tom Timblin introduced a number of items his committee reviewed at their last meeting. Among those discussed were, the purchase of a new oven in the kitchen of WES. The current unit is over 35 five years old and to repair it would by far outweigh the value of it. Kathy Robinson, Food Service Director brought two bids before the committee and they chose the low-bid from Reinhart which came in at \$7,972.00.

Discussion took place on the posting of the business manager/curriculum coordinator position. Superintendent Clark Pearson stated he did not think the budget would absorb the cost of hiring of two full-time positions. He suggested hiring a full-time business manager and a part-time curriculum coordinator. More discussion will follow.

The board also discussed in great detail the possibility of adding foreign language to the elementary schools. This too will be further looked into and brought back before the board.

The full-day kindergarten, which was a pilot program for 98-99 was approved as a now permanent program. Kriewaldt indicated that the program is going extremely well without many complaints.

Another pilot program was discussed. The HOPE school is an alternative school for students who do not adapt to a normal high school setting. The program will cost the district about \$75,000 per year mostly due to bussing expenditures. Ten students attend the HOPE school currently. It was approved for the '99-'00 school year with board member John Schulte voting no. This item will be revisited again next year. The STAR program was also approved for KMS the program has seemed to be very successful according to principal Soerens.

A permanent substitute janitor will be hired and paid a rate of \$9.00 per hour. The board was currently paying \$6.50 per

hour, but found it extremely hard to find any qualified applicants.

The board also approved the phy-ed intern at KMS.

Timblin concluded his presentation by explaining major projects and expenditures. The projects, district wide would not exceed \$900,000. With the bulk of the monies being spent at the high school. Clerk Mary Andera asked Timblin of all of the improvements were really necessary. Timblin stated that 95% of them needed to be looked into.

Treasurer John Downs presented a revised policy regarding student attendance administration procedures.

The board again revisited the idea of having a religious history course as an elective. Vice President Timblin stated "If this can help reverse the slippery slope in today's moral decline, it would be worth it." This idea will be further pursued by the board. Former KHS student, Joshua Dieringer made an appeal to the board last spring to offer the elective course.

Timblin concluded by saying "I think this would be the most significant accomplishment I could make during my tenure on the Kewaskum School Board."

The process in which the district will find a new superintendent was discussed. It was decided to hire Pam Rewey of the WASB. She will be posting the vacancy nationwide via the internet. The application deadline is March 5, 1999.

A fact sheet on the upcoming advisory referendum was discussed and approved with some corrections.

The district will be conducting a district wide census. This was introduced to the board by member Schulte. He stated he wanted to do a census on the students who would benefit from the re-opening of BES. With the costs being minimal the board decided to go ahead and make the census district wide.

The concept of issuing tickets for graduation ceremonies was brought before the board. KHS principal Wilson said he thought this way you could have a sit down ceremony and it would look more professional and eliminate over crowding. This will be reviewed and possibly tested at the 1999 graduation ceremonies.

The board approved a request from Chris Beerands, KES instructor to take a leave of absence.

With much regret the board approved a retirement request from KHS English instructor,

Judy Jacak.

The board then adjourned into closed session to discuss

negotiable issues regarding filling the superintendent's position.

## Kindergarten Registration

This year's annual "round-up" for the parents/guardians of all prospective kindergarten pupils in the Kewaskum School District will be held on Thursday, February 18, from 8:00 a.m. to 4:00 p.m. and 4:30 p.m. to 7:30 p.m. Registration will again be held on Friday, February 19, from 9:30 a.m. to 3:00 p.m.

Registration will take place in the Farmington, Kewaskum, and Wayne school offices. Please register your child at the school in your area on one of the above days. Children need not attend while being registered.

To be eligible for enrollment in kindergarten, children must have attained their fifth birthday on or before September 1, 1999. Evidence of date of birth, either a birth certificate or a baptismal certificate, must be brought to the office at the time of enrolling. Social security numbers are also requested.

Parents will register their children for next year's term and be given the necessary

health forms. Please speak with your health care provider to make sure your child has received all of their required immunizations. If you know of any new families in the district, please pass this information on to them.

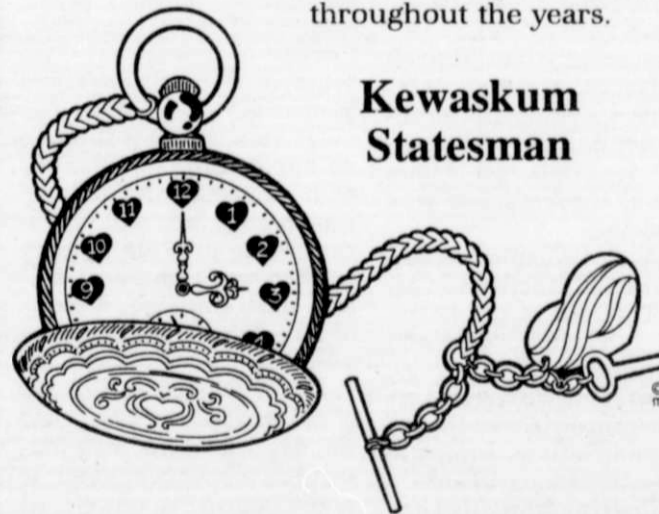

I would like to impress upon you the importance of registering your child on either of these two days so that we are able to plan accordingly for next year.

The district will also be screening children who are 4 years old on or before September 1, 1999. This pre-kindergarten screening will help to identify students who might benefit from the First Steps program or Early Childhood classes. This screening will take place on June 3rd and 4th from 8 a.m. to 3 p.m. and on June 5th from 8 a.m. to 11 a.m. Parents/guardians may call the District Office, (414) 626-8427 ext. 8001 after May 1st to set up an appointment with Ms. Debbie Goodsell.

*Happy Valentine's Day*

We'd like to wind up this occasion by taking time out to express our appreciation to the many good friends, old and new, who we've had the privilege to serve throughout the years.

Statesman**

# Questions, Complaints Expressed At Town of Scott Meeting

by Bernadette Mondloch

SCOTT -- The town of Scott is one of the local towns which have a "public input" as a regular portion of its meeting.

This is designed to hear comments from citizens on any subject which that person may see fit to be brought to the attention of board members. Monday's public input had a domino effect, as one topic lead to another and took nearly a half hour. Usually, this part of the agenda is limited to fifteen minutes.

The discussion began with Orville Milaeger, who voiced his objection to the wages and hiring of a new employee which would eventually be replacing the part-time workers at the recycling center. He questioned the board's plan to hire a second highway employee. He questioned how costs could be kept down if the board hires at \$14 per hour to do jobs being done now (at recycling) for \$7 per hour.

Chairman Larry Martin replied that it is poor policy to have only one man on duty, operating highway equipment, especially in the possibility of a breakdown, leaving a lone employee miles from the town garage with no way to get assistance. Martin also explained that the town has work for a second employee and does not need to go out and find work.

Additional heat came from Town Supervisor candidate Ira Weber, who continues to question figures quoted by the board regarding the 1997 and 1998 tax rates. After much discussion, it was determined that at a budget meeting held in December, literature was distributed which contained incorrect figures. Weber was published in several local

newspapers.

Clerk Colleen Narbatovics reminded him that at the meeting which produced those figures, a second paper with correct figures was distributed to all those in attendance, "Weber included" and are the figures being used by the board members in defending their actions. While Weber appeared to back off a bit, he did say his next letter to the editor is already being written.

Mrs. Douglas Strack questioned how building permits and zoning changes are approved and expressed her interest in how the planning commission works.

Complaints about the current building inspector concluded the public input with Martin explaining that Building Inspector Frank Mayer will be at the next meeting and will be given a chance to explain his actions with the residents voicing the complaints.

Paul Michael, a resident from St. Bales Lane, complimented the Highway Department on its good job of handling the road work this winter season.

A wage increase from \$6 to \$7 dollars an hour was approved for the recycling/solid waste attendant retroactive to Jan. 1.

A job description for the new appointed clerk/treasurer position was reviewed with a few changes and then adopted.

Laura Wagner, W8511 Glen Road, Glenbeulah was hired for the clerk/treasurer position at a salary of \$18,000 per year. The job will begin in the second week of April and will be reviewed after one year. Wagner is currently the clerk/treasurer in the town of Greenbush. An earlier ad produced four applications, of which two were from town

residents. After review of the applications the board determined that only three were qualified.

Consideration is being given to repairing or replacing the furnace at the Hilltop. A recent malfunction of the furnace has caused the entire building to be covered with soot. The damage should be covered by insurance. A decision or replacement of the current furnaces will be made at the Feb. 15 meeting.

## Kewaskum Fire and Rescue Squad Calls

Sunday, January 31 - The Kewaskum Rescue Squad responded to a call at 4:31 p.m. in the Town of Auburn. A male patient was transported to St. Joseph's Community Hospital, West Bend, for injuries he received when he fell.

Tuesday, February 2 - The Kewaskum Rescue Squad was summoned at 6:36 a.m. in the Town of Kewaskum for a male patient experiencing shortness of breath. No transport was made.

Tuesday, February 2 - The Kewaskum Fire Department was dispatched to

a Village of Kewaskum business at 2:22 p.m. for an electrical fire. Firefighters were at the scene for approximately 30 minutes.

Thursday, February 4 - The Kewaskum Rescue Squad responded to a call in the Village of Kewaskum at 4:28 a.m. for a female patient who had fallen. No transport was made.

Friday, February 5 - The Kewaskum Rescue Squad personnel was summoned to the Kewaskum Middle School at 9:27 p.m. A male patient was transported to St. Joseph's Community Hospital, West Bend, for treatment of a possible broken arm.

Saturday, February 6 - The Kewaskum Rescue Squad was dispatched in the Village of Kewaskum at 12:01 p.m. A female patient

was transported to St. Joseph's Community Hospital, West Bend, for treatment of abdominal pain.

Sunday, February 7 - The Kewaskum Rescue Squad and Kohlsville First Responders answered a call at 7:54 p.m. in the Town of Wayne. A male patient was transported to St. Joseph's Community Hospital, West Bend, for treatment of chest pain and difficulty breathing.

Monday, February 8 - The Kewaskum Rescue Squad was summoned at 6:42 a.m. in the Town of Farmington for a male patient experiencing abdominal problems. The patient was transported to St. Joseph's Community Hospital, West Bend, for treatment.

## St. Joe's Hosts Area Hospitals on Y2K Topic

Area hospitals shared their plans and progress on the Y2K computer issue at the first Southeast WI Y2K Healthcare User Group Meeting hosted by St. Joseph's Community Hospital of West Bend on Thursday, January 28.

Representatives shared progress on avoiding date-sensitive equipment problems connected with January 1, 2000. In focus groups, information was shared on:

\* Vendor compliance/documentation, facilitated by Erik Thiersen of the hospital's physical therapy department.

\* Information systems issues/concerns, facilitated by Dana Seflow, information systems department.

\* Testing/contingency planning, facilitated by Bob Evans, St. Joseph's clinical

equipment technician.

Nineteen representatives attended from six area hospital groups: St. Joseph's Community Hospital of West Bend; Beaver Dam Hospital; Columbia/St. Mary's, Community Memorial in Menomonee Falls, Covenant Healthcare Systems, Inc., and Hartford Memorial.

"It was exciting to have an opportunity to network with our peers and collaborate in our plans and preparations to provide quality care to our communities," said Barb Knutzen, director of professional and support services.

Daryl Duenkel, director of information services, said the day was a hit with participants, who agreed to meet again in April at another session hosted by St. Joseph's.

## Kewaskum Frozen Foods Honors Jon Ziegert

Kewaskum Frozen Foods owner Bob Beisbier, left, is shown above, with employee Jon Ziegert, who was honored at their annual Christmas party on January 30. Jon was honored for 30 years of dedicated service. He had worked for Frank's Market in Barton until 1968 when Jon joined the Kewaskum Frozen Foods team, where he is still employed.

## Campus Notes

MADISON -- Three area students are among those named by Dean John G. Bollinger of the University of Wisconsin-Madison College of Engineering to the Dean's honor list of top scholars for the past semester.

The honor goes to full-time students who earn at least a 3.25 grade point average on a 4.0 scale. Approximately 3,400 undergraduate students are enrolled in the ten fields of engineering studies offered

by the college.

The students are Ryan Lee Martin, Kewaskum, Chemical Engineering; Mark John Stephani, Kewaskum, Geological Engineering, and Christopher James Wessing, Kewaskum, Electrical Engineering.

The average flea is only 1/8 inch long but can jump up to 13 inches.

MADISON -- An area student is among College of Agricultural and Life Sciences students recognized for outstanding scholastic performance during the past semester at the University of Wisconsin-Madison.

Only full-time students with at least a 3.25 grade point average on a 4.00 scale are eligible to make the dean's list.

Dean Elton D. Aberle says the college's new curriculum attracts approximately some 2,200 undergraduates who major in basic sciences, environmental sciences, food science, and agricultural sciences.

The student is Rebecca Lynn Braun, Kewaskum, who is majoring in Landscape Architecture.

\*\*\*\*\*

PLATTEVILLE -- A local resident was recently elected to an office in the Alpha Pi Mu Fraternity on the University of Wisconsin-Platteville campus.

Dane Dorn, a junior majoring in industrial engineering from Kewaskum, was elected treasurer.

Alpha Pi Mu is an industrial engineering fraternity.

\*\*\*\*\*

The first lamps were fat lamps, which prehistoric people made from sea shells or hollowed out stones. Pieces of grasslike plants called rushes were used as wicks.

## St. Joseph's Takes Additional Steps to Combat Latex Sensitivity

St. Joseph's Community Hospital of West Bend is expanding its efforts to prevent health problems associated with natural rubber latex allergies.

The hospital will no longer allow latex rubber balloons to be brought into the hospital as gifts for patients. And it has initiated a hospital-wide latex allergy education plan in conjunction with hospital policy for safely caring for latex-sensitive patients. The plan and training for all employees will help create a latex-safe environment and protect staff from latex sensitization.

St. Joseph's has had latex precautions in place for some time. It substituted vinyl gloves instead of latex for general patient care. The gift shop sells only mylar balloons, not latex. The new efforts reflect a more formal commitment to prevention of latex sensitivity for both patients and staff. Latex allergy poses a serious problem for health care workers compared with the rest of the population, since they have increased contact with latex products.

Symptoms of rubber latex allergy or sensitivity are itchy, watery or red eyes, nasal or sinus irritation, contact dermatitis of the hands, hives, shortness of breath and other symptoms.

"Those who are at highest risk for latex allergy are people who have had more contact with latex such as

healthcare workers and people who have had numerous surgeries or procedures and have a history of allergies. They become sensitized to the latex from repeated contact," said Pat Pearson, St. Joseph's infection control coordinator.

One of the reasons for the recent epidemic of allergic reactions to latex, experts say, is an increase in health care workers' exposure to latex -- used in protective gloves for example -- since universal precautions against bloodborne pathogens were mandated in 1987.

Natural rubber latex can be found in numerous household and medical products including balloons, condoms, envelope glue, television remote controls, some carpet backing, bandages, stethoscope tubing,

catheters, injection ports and gloves. Latex proteins can enter the body through the skin, mucous membrane or via inhalation.

## Roell - Gnacinski

Pamela Roell and Todd Gnacinski exchanged wedding vows during a 1:30 p.m. ceremony on October 17, 1998, at St. Mary's Immaculate Conception Church in West Bend. Rev. Patrick Wendt officiated.

Parents of the couple are Mr. and Mrs. Bruce Roell of West Bend and Mr. and Mrs. Leroy Gnacinski of Beechwood.

The bride chose Ann Anderson as her matron of honor. The bridesmaids were Jenny Roell, sister of the bride, and Beth Landgraf and Jessica Fane, both friends of the bride.

Rick Kreif served as best man. The groomsmen were Brian Gnacinski, brother of the groom, and Roger Streff and Cole Ziegelbauer, both friends of the groom.

Kristen Belger, godchild of the bride, was the flower girl and Jacob Davis, nephew of the groom, was the ring bearer.

Ushering duties were shared by Ryan Roell, brother of the bride, and Jarod Schmidt, nephew of the groom.

Following the ceremony, a reception, dinner and

dance was held at the Amerahn, Kewaskum.

The bride is a 1989 graduate of West Bend East and is employed at Decision One in Menomonee Falls.

The groom is a 1991 graduate of Kewaskum High School and is employed by Jim Karrels Trucking of Port Washington.

## Fairest of the Fair Planning Begun

The planning for this 1999 Washington County Fairest of the Fair has begun.

The event, to be held Wednesday, July 21 at the new county fairgrounds, will offer an opportunity for a local business to co-sponsor this year's contest.

A co-sponsor will receive pre-contest publicity in press releases, signage on all posters, special mention in the program, a recognition plaque, a fair park brick with their company name on it, four admission tickets and the right to present this year's winter with the prize of their choice.

The \$500 sponsorship fee will also help defray the cost the winner incurs competing for the state title.

For information, call Sandy Lang at 335-4485.

## Be My Valentine

by Ami

Just reading the above title takes me back to those good ole "school days!" As kids, did you experience the competition between classmates in regard to WHO got the most valentines? Also, who got the most "mushy" one? And, who, the funniest?

Love has a way of entering our lives sometimes in the craziest ways. It seems that Cupid with his heart throbbing darts is not always the best shot. In fact, sometimes it seems that he does not even give a hoot as to the selection of ones love or lover. Looking back on my childhood, I can recall how off-beat being loved can be at times.

Like the day I went to an auction with my father and a little puppy picked me out to be his best friend. I knew my folks did not want to have a dog join our family. But that puppy apparently didn't know the meaning of the word, NO! A neighbor noted the puppy's

unexplainable attachment to me and without a word, bid on and bought that dog and presented him to me with the words:

"Here is a friend for you to enjoy the rest of his life; tell your folks that I was so taken with this puppy's crush on you that I out bid the whole lot of folks so he could be yours for now and for all the days of his life."

That memory reminded me of the baby chipmunk orphaned when his mother was run over with our tractor. I will never forget his sadness when he wouldn't leave her maimed side as she lay dead on the cow path. And his brave fight to live when I picked him up and took him home and bottled him. For that whole summer that little Chipper and I were bosom buddies.

Indeed, love takes many a twist and turn. But when truly appreciated and shared, there is nothing like it. And never forget, there is always plenty of it to go around. Happy Valentine's Day!

The legendary football coach Paul "Bear" Bryant got his nickname for wrestling a bear for \$1 a minute as a youth.

## 25 Years Ago

February 1, 1974

St. Lucas Lutheran Congregation of Kewaskum will rededicate its church on Sunday, February 3 after an extensive remodeling program. The date of the rededication is also the 60th anniversary of the dedication of the church. The remodeling program was undertaken last September at a cost of about \$40,000. Included in the project was redecoration of the church interior, new lighting, a new chancel arrangement, new carpeting and a new ventilating system. St. Lucas Congregation was organized on August 29, 1877 and has been served by seven pastors: F. Hilpert, F. Opitz, F. Greve, H. Heidel, Gerhard Kaniess, Donald Bitter and Paul Hoenecke. Present membership in the congregation is 802 communicant members and 1,084 baptized members. Howard Laubenstein was chairman of the congregation during the remodeling program. August Bilgo, Jr. was elected as chairman at the annual meeting in December and is now serving in that capacity. Committee members who planned the rededication events were Gerald Buchel, Chairman; Gerald Zimmer; Edgar Jones; Mrs. Hilda Becker; Mrs. Harold Krueger and the pastor.

There will be a four-way race for three seats on the village board at the April 2 Spring election. At the 5 p.m. Tuesday deadline, nomination papers had been filed by incumbents Raynor Herriges, Gregor Nigh, and Elmer Yoost and by challenger Richard E. Zarling.

Members of the village board agreed Monday night to recognize the Kewaskum Police Association as such and to enter into an agreement for 1974 as had been proposed by the three-man force, last October, the first of its kind. At the time of signing, the police force was made up of Gary Woolman, Richard L. Knoebel and Thomas A. Bauer. However, Woolman has resigned effective January 31 and is being replaced by Michael Johnson of Hartford. Police Chief Don Hlavaty is not covered by the contract.

Basic structural plans and floor plans were approved for Farmington Elementary School at the board meeting Monday evening. The addition will house the equivalent of six classrooms in an open area. The addition at Farmington will allow the elimination of the shuttles between Beechwood and Farmington. Presently all students in grades one, two and three attend school at Beechwood, while kindergarten and grades four, five and six attend Farmington.

With six candidates for two school board positions open this year, there will be a primary election on March 5, the first Tuesday in

March. Tom Gundrum and Dick Edwards are the incumbents. They will be running for reelection. Also filing for the two positions were Paul Berg, Richard Theusch, Mrs. Clara Trapp, and David Wenzel.

Debbie Strigenz and Allen Schmidt have been selected as the Kiwanis Students for January.

A daughter was born to Robert and Sandra Skrentny, West Bend, on January 24. Paternal grandparentst are Mr. and Mrs. Ray Skrentny of Kewaskum. A daughter was born to Daniel and Elizabeth Reindl, West Bend, on January 28. Paternal grandparents are Mr. and Mrs. Allen Reindl of Kewaskum. A daughter was also born to Joseph and Beth Stoffel, Campbellsport, on January 29.

A son was born to Dennis and Cynthia Backhaus, West Bend, on January 24. Paternal grandparents are Earl and Bonnie Kluever of Shawano, formerly of Kewaskum. A son was also born to Allen and Georgianna Holtz, Kewaskum, on January 29.

Mr. and Mrs. John Niemeier, Malone, announce the adoption of their first child, a son, John Anthony. Mrs. Niemeier is the former Adeline Herriges of Kewaskum.

### Praise, Thanksgiving Prayer Service Feb. 14

The Lutheran Women's Missionary League of Zone 10 will hold a Praise and Thanksgiving Pray Service on Sunday, February 14, at 1:30 p.m. at St. John's Lutheran Church, N665 Hwy. S in New Fane.

A light lunch will follow the service.

## AODA Council Recruiting Girl Power Mentors

Big Brothers Big Sisters and the Council on Alcohol and other Drug Abuse of Washington County seek women mentors for Girl Power.

Girl Power is a mentoring program that focuses on matching girls, ages 6-15, with a positive role model. The role model may be a woman or family who has the interest and ability to work with young women, the ability to have fun, the desire to help with young women, and the willingness to make a one year commitment.

The mentor spends a few hours every other week with an eligible girl. The individual attention that the girl receives from a mentor may reduce the risks of becoming involved in risky behavior. More importantly, the mentor becomes a special, stable person in the young woman's life.

Participation in Girl Power is voluntary and her parent(s) must be supportive. In addition, the mentor has to go through a screening process developed by Big Brothers Big Sisters and the Council on AODA of Washington County to assure a proper match.

Make a difference in the life of a young woman. Volunteer your time to be a mentor. Give the young girls of our community a chance to get a good start on life. For more information call Big Brothers Big Sisters at 334-7896 or the Council on Alcohol and Other Drug Abuse at 335-6894.

## Valentine's Day Facts: Love Lasts

(NAPS)—Romance is not just for the young. Senior citizens are surprisingly eloquent on the subject of hearts and flowers.

That's what a survey on the lifestyles of senior citizens found.

The Senior Lifestyles Survey, conducted by Yankelevich Partners for Secure Horizons, the nation's largest Medicare-contracting health plan, asked seniors about romance and relationships.

Fifty-six percent of those surveyed felt that relationships and communication between men and women were better now than ever before. Most believed that tolerance for interracial relationships and people living together was much higher.

Are seniors still in the mood for romance? Certainly and the most popular idea of a romantic evening (35 percent) included dinner and dancing. A candlelight dinner at home was the closest runner up at 20 percent.

Seventy percent of all married women surveyed and 73 percent of all married men named their spouse as their best friend.

When asked which famous person they would like to spend time with, 21 percent of all men chose Sophia Loren. That was followed by Hillary Clinton and Angela Lansbury, both at 13 percent. Mother Theresa was last on the list at 11 percent.

For women, on the other hand, Billy Graham ranked highest. Twenty-three percent chose Graham, fol-

When seniors are in the mood for romance, it's dinner and dancing, found a recent survey. The closest runner-up was a candlelight dinner at home.

lowed by Paul Newman at 16 percent and Charles Kuralt at 12 percent.

At least 36 percent of the seniors interviewed described themselves as "in love" and 17 percent thought themselves "sexy."

One in four of those surveyed had been married for over 50 years.

If given the chance to do it all over again, nearly 94 percent of the married seniors would re-marry their current spouse.

Sponsored by Secure Horizons, the Senior Lifestyles Survey is an annual tracking study to monitor the attitudes of the senior population and dispel many of society's stereotypes about this age group.

One popular stereotype the survey dispelled was the notion that seniors were unhappy.

Ninety-four percent of those responding to the survey considered themselves to be very happy or somewhat happy. Romance can make life sweeter at any age.

## Moraine Park Will Celebrate Vocational Education Week

"Connecting Education and Careers" is the theme of Moraine Park Technical College's 1999 Vocational Education Week celebration, February 14-20.

This year's Vocational Education Week is emphasizing the role of vocational education and its business and industry partners play in helping youth and adults enter and progress in the workforce throughout their lives.

"In working with people from the business community, we're preparing young people to be productive workers and community leaders in the next century," said Moraine Park President Dr. John Shanahan. "Our College works hard to maintain the relationships we have with business and industry and is always looking for opportunities to develop new partnerships. In fact, we recently held a Futures Conference with 110 participants, including several business and industry groups from throughout the district."

To celebrate Vocational

Education Week the Moraine Park Vocational Association (MPVA) has planned a variety of festivities including an awards reception, a staff appreciation day, wellness-related classes and a Scottish Doubles bowling tournament. On Friday, February 19, via the College's ITV network, Moraine Park will host a legislative seminar at each of its three campuses. The seminar will include area legislators from the Moraine Park District, Wisconsin Technical College System (WTCS) Assistant State Director Dan Clancey, WTCS District Boards Association Executive Director Paul Gabriel and Dr. Rodney Pasch, Wisconsin TEACH Initiative representative.

According to the Association for Career and Technical Education (formerly the American Vocational Association), research shows that 18 of the country's 20 fastest-growing occupations require the technology and skills taught in vocational educa-

tion programs. Research also shows that among high school graduates entering the workforce, those with a vocational education background earn 21% more than those without this advantage.

MPVA is made up of members interested in the promotion of vocational education. Its mission is to provide leadership for the promotion and enhancement of high quality vocational and technical education, at all levels, in a diverse and changing economic, social and technical environment. For more information on Vocational Education Week or MPVA, contact Linda Wilke at (920) 924-3278.

## Lead Screening Test Available

Lead screening tests for children up to age six, will be held at the Washington County Community Health Nursing Service in the Public Agency Center, 333 East Washington Street, First Floor/Room 1145, (enter parking lot off of Indiana Avenue) on February 25, 1999 starting at 9 a.m., by appointment.

For an appointment call: 335-4462, 644-5204 or 342-2929; ask for extension 4462. A parent must bring the child to the clinic.

## It's Valentine's Day: Think Chocolate

MADISON -- Americans have a love affair with chocolate -- on average, we eat 11.7 pounds per person every year of the sweet, creamy, melt-in-your-mouth confection.

Valentine's Day ranks fourth in total sales of the succulent sweets, behind Halloween, Easter and Christmas. We Midwesterners join our Northeastern cousins in eating more of the luscious stuff than residents of any other region.

Although chocolate is not usually associated with foodborne illness, the white, chalky coating found on some candies can cause consumers to worry needlessly. "Because chocolate contains both cocoa butter and sugar, heat and humidity may cause it to develop a harmless 'bloom,'" says Mike Barnett, food scientist at the Wisconsin Department of Agriculture, Trade and Consumer Protection. "Although it may look strange, the chocolate is safe to eat."

Barnett says there are real concerns about food safety when chocolate is used in dishes that contain cream and eggs, such as truffles, cheesecakes and pies. He says you must cook these foods to at least 160 degrees F to kill harmful bacteria. Check temperatures with a food thermometer to be sure. Barnett also recommends you observe the following food safety tips:

- \* Do not eat foods that contain raw eggs.
- \* Wash hands frequent-

ly during food preparation, especially after handling raw eggs.

\* Refrigerate foods promptly -- within two hours -- of cooking or serving.

"Handle your holiday foods as carefully as you would any other food," Barnett says. "And above all, enjoy!"

For more information about chocolate and food safety, contact the following:

Aerobics...STEP Aerobics... BODY PUMP  
BODY PUMP is the original barbell class. Developed in New Zealand seven years ago, BODY PUMP is now the biggest class in thousands of clubs all over the world. And now thanks to The STEP Company and Les Mills International, it's available at THE HEALTH HUT.  
BODY PUMP has two major benefits. Real results - Real fun.  
BODY PUMP is designed to work your whole body using barbells and weights to highly motivating music.  
Beginning with a general warm-up, participants are led through a series of weight bearing exercises including squats, presses, lifts and curls. The focus is on correct lifting technique using light to moderate weights and high repetitions. Starting with just a 3 lb. bar, people of all ages and fitness levels can benefit from BODY PUMP. As you progress, simply add weights.  
BODY PUMP will improve your fat burning ability and lift your overall self-confidence as well as your general well-being. But be warned... It will change the shape of your body.

## Citizen Advocacy To Hold Casino Night Friday

Citizen Advocacy of Washington County Inc. will hold their Third Annual Casino Night at the VFW, located at 915 Indiana Avenue in West Bend, on Friday, February 12, from 6:30 to 10 p.m.

Professionals dealers will be on hand to deal at the tables where \$15 will buy the participant \$500 worth of "funny money." Raffle tickets will be available to win the top prize of a three day/two night stay at the Imperial Hotel in Las Vegas. Included are two tickets to Legends in Concert.

Supporters of Citizen Advocacy throughout the area such as West Bend Savings Bank, BJ & Co., Old Courthouse Inn, Husars, Waldens, Schulz's White Tail Inn, A&W, Country Cabinetry, Dairy Queen, Ray's Shoes, Sunseed Natural Foods, Shopko, The Pet Shop, Weiland's Bowling, Uni-globe Travel, BC Ziebler & Co., and others have donated many more valuable prizes which will be raffled off during the event.

Please join your friends and neighbors in the support of this important annual event.

This event is only one of the fund-raisers which helps Citizen Advocacy support its mission, which is to provide opportunities for supportive relationships between community members and citizens with disabilities.

For more information please contact Carole Klotz at 335-2900, or Jan Downs at the Citizen Advocacy office at 414-334-3384.

## UWSP Winter Graduates Listed

The University of Wisconsin-Stevens Point conferred more than 550 bachelor's and master's degrees during the school's winter commencement ceremony held in the Quandt Fieldhouse.

Graduates, their guests and faculty were addressed by Dale R. Schuh, chief executive officer with Sentry Insurance.

Members of the class included:

Ricky R. Bartelt, Kewaskum, bachelor of science degree in communication with a minor in psychology.

Zachary W. Steuerwald, Adell, bachelor of science degree in soil and waste management.

Sarah J. Joacoby, Fredonia, with a bachelor of science degree in early childhood education with a minor in English, second language.

Bryan M. Ellefson, West Bend, with a bachelor of science degree in soil and waste resources.

Karrie Perez of West Bend with a bachelor of science degree in communication with a minor in Spanish.

## The Last Minute Cook

### Valentine's Day menu

For those with a lot of love but not a lot of time

You've remembered to send the flowers and chill the champagne. You even had time to stop by the candy store to pick up the chocolates. But what would make this Valentine's Day memorable for your sweetheart? Instead of making reservations and waiting in line at your favorite restaurant, turn off the telephone, light the candles and treat your Valentine to a relaxing and romantic evening at home with a quick and easy meal for the two of you.

Because Valentine's Day falls during the week this year, Cupid suggests a tenderloin dinner menu that takes only minutes to prepare in your own kitchen. George Bay, a Cordon Bleu chef and Last Minute Cook himself, says, "You don't have to go out to a restaurant to enjoy the elegance of a gourmet dinner." Instead, he recommends complementing delicately seasoned beef tenderloin with a rich sauce Choron made from fresh or sun-dried tomatoes combined with prepared Béarnaise sauce. This simple entree is accented with grilled zucchini, red peppers and yellow squash purchased at the deli. Chocolate truffles and fresh strawberries create a sweet ending to a romantic evening, one your sweetheart is not soon to forget.

#### Tenderloin for two

Makes 2 servings

1/3 cup prepared Béarnaise sauce

- 2 tablespoons sun-dried (or fresh) tomatoes, finely chopped
- 2 Bays English Muffins, lightly toasted
- 1 clove garlic, peeled
- 2 8-ounce beef tenderloins
- Salt and pepper, to taste
- 1/2 teaspoon savory leaves, crushed

#### Sauce:

Mix Béarnaise sauce with tomatoes; set aside. Rub toasted muffin halves with garlic clove; set aside.

#### Tenderloins:

Slice tenderloin steaks into two slices each. Season to taste. Sauté in butter for three minutes per side for rare and four minutes per side for medium. Place two steak slices on each muffin half. Top with sauce.

# Letters to the Editor

To the Editor:

The recent study of School to Work programs in Wisconsin missed the mark, namely that the positives far out-weigh the negatives. We feel they are only looking at a portion of School to Work, and not the whole picture. School to Work is composed of Youth Apprenticeships, Cooperative Education (Co-ops), Internists (unpaid job experience), Job Shadowing for students and Externships for Teachers.

The report did a good job of reporting both negative and positive aspects of the program, but they did however, forget to include the success stories. Parents and students were not interviewed. They are the ones who see the benefits of the School to Work program(s) first-hand. These programs allow students to define what career they're interested in and prepare for the future while still in school. Parents feel the program has benefited their son/daughter as a person, as well as prepared them for their future in the "world of work." Brothers and sisters are in the program. We have graduates from the Youth Apprenticeship, Co-op, and Internships who have gone on to College, and Technical Schools. Work experience is something that is taken with you no matter where you go. Leadership, responsibility, teamwork, good work ethics, time-management skills are learned through the program, and are adaptable to any field of work.

Business finds the program as a cost-effective way to hire entry level employees. Students come full of energy, with a desire to learn. Training expense is invested in the employee, as with any new hire. Students often are offered full time jobs at graduation by the companies that trained them. These employees continue to learn and be promoted within the company.

"One size does not fit all," and that is why each district and consortium, spend their School to Work dollars differently. Some districts are further ahead than others, because of their planning process or ways they have distributed their funds. In Washington County, we have used some of our funds to develop new programs. Once these programs are in place, they become a part of the curriculum, and therefore, are a part of the operation budget for that school district. I agree, School to Work is hard to track in dollars for its value, because it was not meant to be a separate program, it is tied into many parts of our curriculum and activities. In that part, it is already a success. The five-year grant was meant to be a start up grant, "seed money" to get the program started. After the five years,

we were all to find our own funding to support the program. School to Work has a strong start, but it needs to be nourished and further developed. School to Work involves kindergarten through grade 12. In the fall of each year, we hold our countywide "Focus on Careers Fair" co-sponsored by Washington County School to Work Partnership Inc. and Wisconsin Economic Development. Field trips to local businesses, films, career day at school, these are only a few of the many things happening. Schools have started businesses to help the students learn. Hartford has "Vision House" to build a new home each year. Slinger has a store in their elementary school. West Bend has a lunch area operated by students. We are constantly adding new programs and fine-tuning the existing ones.

Our consortium has the Finance, Printing, Manufacturing/Machining, Manufacturing/Production, and the Auto Technology Youth Apprenticeship programs. Youth Apprenticeship students in Finance also take classes through the American Institute of Banking out of Mequon paid for by the school district. Our Co-op and Intern programs include the agriculture, accounting, administrative support, agriculture, auto-body, automotive, banking/finance, child care, computer aided design, construction, cosmetology, graphic arts, health, peer tutors, personal services, protective agencies/governmental agencies, food service, diversified technical/industrial, physical therapy, veterinary science, landscaping, animal science, computer technology, mechanics, environmental science, traditional marketing, business, metals, culinary arts, elementary and secondary teaching, and TV production. Certified co-ops are in Business and Marketing. Students explore careers through unpaid volunteer activities.

High schools budget their Tech Prep and Carl Perkins funds according to their own individual district's need. Germantown gets these funds passed down through their technical college district MATC-Milwaukee (MATC the goals and where the dollars will be spent. Germantown does not have a say in how the dollars will be spent). Hartford and West Bend receive their funds directly from their technical college district-MPTC. The Moraine Park Tech Prep/Carl Perkins through CESA 6. CESA 6 controls and administers the funds for their school districts. CESA 6 allows the districts to help set up the goals for their consortium. (ie: If a district would like to purchase computer equipment with their funds, they would submit

the request to CESA 6. They would check to see if it was within their goals, order the equipment, and pay the bill.) Each individual school knows what it has available to them for their budget. Washington County does not have a significant population that qualifies for JTPA funding for minorities.

At Risk and Title I funds are utilized for the special populations. School to work coordinators and guidance counselors work with special needs and disabilities in career exploration tailored to the individual's needs and capabilities.

February 4, 1999

To Town of Scott Residents,

I would like to comment on the board meeting of February 1, 1999. I had an additional complaint with Mr. Martin of which not one line was printed in the Statesman.

Next Mr. Milaeger objected on the Recycling Center. The only answer I heard was that he was told he should have been at the budget meeting. This was the end of the discussion. Is this a way to answer a taxpayer?

Now here are some figures as I see them. I will refer to solid waste and recycling as Recycling Center. The budget figure for labor for Recycling Center comes to \$4,716 for

1998. Now use the figures of the highest paid part time worker as if he worked all the hours. At \$7 per hour without fringe benefits into \$4,716 will equal 673 hours of paid labor plus the work of the volunteer worker.

Now take a full time employee at \$16 per hour including fringe benefits and you have a cost of labor at \$10,768. This is an increase of \$5,913. Now add up the labor that was put in the budget for 1999 and you come up with only \$4,855. You are short by \$5,913. If you don't agree with the way I figure this out just take a copy of the 1999 budget and work it out. It appears to me that the board didn't even bother to do some simple math.

These figures are from the 1999 budget that we must stand by that I received on February 1, 1999. Is this the way to keep our town expenses down?

Town of Scott  
Taxpayer,  
Ira Weber

## Volunteers Needed for Music Festival

Saturday, March 20, marks a big day in the music schedule of Kewaskum High School.

On that day, our school will host the Eastern Wisconsin Conference Solo and Ensemble Festival. Band and choir members from Chilton, Kiel, New Holstein, Plymouth, Sheboygan Falls, and Two Rivers High

Schools will be here to compete in this festival.

In order to make this event a successful and memorable experience for our students, we will need many volunteer helpers to act as room chairpersons, office workers, and adult supervisors for contest rooms.

We are looking for people who can help for the day or half day, but even those parents who can spare a couple of hours will be greatly appreciated.

Please call Mr. Ammel (ext. 4570) or Mr. Bertelsen (ext. 4571) at the high school at 626-2166.

## Historical Society NEWS NOTES

The Kewaskum Historical Society Inc. held their Annual Meeting on January 19, 1999, to elect officers, layout the years calendar of events, prepare for the February 21, 1999 - Old Settler's Dinner and go forward with plans for their 25th Anniversary of "Early Farm Days," scheduled for September 12, 1999 on the west side of River Hill Park from 10:00 a.m. to 4:00 p.m.

Elected Officers are President - Daniel S. Schmidt, Vice President - Jacob Schmidt, Secretary - Isabelle Muckerheide, Treasurer - Sylvester Schmidt, Board of Director - Ronald Markus, Sunshine Lady - Gerry Schmidt and Museum Curator - Lee Carstens.

The Historical Society meets the third Tuesday of each month, generally at the Municipal Building Community Room at 7:00 p.m. and the public is always welcome.

## OBITUARIES

### GRANT L. HUEBNER

Grant L. Huebner, of West Bend, died Sunday, February 7, 1999 at his residence at the age of 40.

He was born March 26, 1958 in Waukesha, to Merlin and Patricia (Sauer) Heubner. He lived in West Bend and Kewaskum. He was married to Patricia Fetting.

Grant was a custodian at Kewaskum High School for over 19 years.

He is survived by one daughter, Stephanie Huebner of West Bend; two brothers, Jeffrey Huebner of Whitewater, and Dale (Karen) Huebner of Waukesha; three sisters, Della Huebner of Waukesha, Judy Huebner of Waukesha and Alice Huebner of Florida, nieces, nephews, other relatives, friends, and Bill W., a friend for the past 19 years.

He was preceded in death by his parents and a daughter, Heidi Huebner.

Funeral services will be held Thursday, February 11, at 7:30 p.m. at the Phillip Funeral Home, West Bend, with Father R. Michael Darrow officiating.

Burial will be on Friday, February 12, at 10 a.m. at Washington County Memorial Park, West Bend.

Visitation will be held on Thursday from 4 to 7:30 p.m.

Memorials are appreciated.

### JAMES E. ROSENHEIMER

James E. Rosenheimer, 64, of Milwaukee, formerly of Big Cedar Lake, died Saturday, February 6, 1999, at his residence.

He was born November 8, 1934, in West Bend, to the late Elmo L. and Isabelle G. (nee Farley) Rosenheimer, and at an early age moved with his family to Big Cedar Lake.

He graduated from West Bend High School and received a degree in business administration from the University of Notre Dame.

On December 28, 1955, he married Mary Carol O'Meara at Holy Angels Church.

He was employed at the Bank of Jackson and later at the Bank of Fredonia where he was the president. He was also an insurance agent for Northwestern Mutual Life Insurance Company.

He was an avid sportsman, with a special interest in skiing and sailing, being a champion sailor for many years.

James was a member of the Cedar Lake Yacht Club where he was a past commodore, the Inland Lake Yachting Association and the Milwaukee-Fox Hills Ski Club.

Survivors include three children, Fay Louise Rosenheimer-Fitts of Kewaskum, Bruce Elmo (Kathy) of

Okauchee Lake and Penelope Susan (Jeff) Sornsin of Durango, Colorado; six grandchildren, Antonio Christopher Fitts, Chelsea, William, Maisie and Piper Rosenheimer and Erin Carol Sornsin; a sister, Jane Mae (Frederick) Kasten of Big Cedar Lake; other relatives and friends.

Preceding him in death was a granddaughter, Emma Rosenheimer.

Funeral services were held Wednesday, February 10, at 11 a.m. at the Schmidt Funeral Home, West Bend, with Father Jeffery Haines and Rev. Robert Holly co-officiating. Burial followed in the Rosenheimer family cemetery in Slinger.

Visitation at the funeral home was on Wednesday from 10 a.m. until the time of services.

Memorials to the American Heart Association, the American Diabetes Association or to the charity of the donor's choice are appreciated.

### GERTRUDE "TRUDIE" DUEHNING

Gertrude C. "Trudie" Duehning, nee Nowicki of Slinger, died Sunday, February 7, 1999 at Columbia Hospital, Milwaukee, at the age of 79.

She was born October 30, 1919, in Milwaukee, to the late Ladyslaus and Hedwig (nee Maciejewski) Nowicki, graduated from Riverside High School in 1938 and attended Spencerian Business College for two years.

After her marriage to William B. "Bill" Duehning on December 19, 1945, in Milwaukee, the couple lived in Slinger.

Trudie was employed at Steffke Freight of Slinger, Chrysler Corp. of Hartford and later Carbon Engineering of Slinger while assisting her husband with Duehning Construction.

Survivors include her husband; a daughter, Marion "Misty" Oelhafen of Allenton; five granddaughters, Lisa (Craig) Freiberg of Van Dyne, Lynn Wagner of Allenton, Tracy (Tim) Oestreich of West Bend, Kelli Duehning of Richfield, Minnesota, and Lori Oelhafen (Doug Cox) of Allenton; six great-grandchildren, Kyle Wagner, Kodi, Ryan and Meg Freiberg and Tyler and Taylor Oestreich; a sister, Martha Paczesny of Milwaukee; two sisters-in-law, Ruth Nowicki of Slinger and Bernice Nowicki of Eagle; and on Bill's side: seven sisters-in-law, Dolores (Sig) Rudorf of West Bend, Marcie McCardle of Milwaukee, Elsie Marcy (Clarence Schemenauer) of St. Lawrence, Annie (Whitney) Mergenthaler of Slinger, Carol (Norm) Saegert of Slinger, Doris Duehning of Hurst, Texas and Sue Duehning of Flint, Michigan; four brothers-in-law, Art (Issy) Duehning of

Slinger, John Duehning of King, Leo Duehning of Slinger, Pat Horsch of Milwaukee; nieces, nephews, other relatives and friends.

Preceding her in death were a son, Dennis; three brothers, Phil, Leo and Richard Nowicki; and two sisters, Rose Miller and Christine Nowicki.

She was a member of St. Peter's Catholic Church, Slinger, St. Peter's Christian Women's Society and an avid bingo player.

Funeral services were held Thursday, February 11, at 10 a.m. at the Phillip Funeral Home, Slinger, with a Mass of Christian Burial at 10:30 a.m. at St. Peter's Catholic Church, Slinger. Father Robert J. Bales officiated and burial followed in old St. Peter's Catholic Cemetery, Slinger.

Visitation at the Phillip Funeral Home, Slinger, was on Wednesday from 4 to 8 p.m. with a rosary at 8 p.m.

### MARVIN O. BARNES

Marvin O. Barnes, 95, of Campbellsport, died Tuesday, Feb. 2, 1999, in St. Louis, Mo.

He was born Oct. 30, 1903, in New Prospect to the late James and Amanda (nee Muench) Barnes.

With his mother he was instrumental in starting the church which became Immanuel Lutheran Church.

As a young man he was employed by the First State Bank of Campbellsport and the Bank of West Bend.

He was married to Clara Oehler Barnes for 54 years, and together they ran Barnes Grocery and Appliance Stores. She passed away in 1985.

Marvin was a member of the Masonic Lodge, the Tripoli Shrine and the Campbellsport United Christian Church. He served on the church consistory, the Campbellsport Village Board and was treasurer of the Campbellsport Volunteer Fire Department when Firemen's Park was purchased and developed.

Survivors include a daughter, Barbara Barnes Harvey, his son-in-law, Paul Harvey, and his grandson, Nicholas, all of St. Louis, a brother, James of Germantown, nieces, nephews, cousins and friends.

Funeral services were held Saturday, Feb. 6 at 1:30 p.m. at the Campbellsport United Christian Church. Rev. David Werneke officiated and private burial followed in Union Cemetery, Campbellsport.

Visitation at the Twohig Funeral Home, Campbellsport, was Friday from 3 to 8 p.m.

Memorials are appreciated to the Salvation Army or Covenant House.

### SOLENE M. BERTRAM

Solene M. Bertram, nee Thielmann, of West Bend, died Tuesday, Feb. 2, 1999, at the Hartford Care Center, Hartford, at the age of 91.

She was born Feb. 28, 1907, on a farm near Charlesburg, to the late John and Katherine (nee Molitor) Thielmann, and was a graduate of St. Charles Elementary School.

She later moved to

Milwaukee where she worked for five years.

After her marriage to John Bertram at SS Peter and Paul Church, Milwaukee, they settled on the Bertram Homestead farm in the town of Kewaskum.

In the late 1940s they helped operate the Lighthouse Bowling Alley for a few years after which they returned to farming until retiring in 1962. They then settled in West Bend where she was able to pursue her hobbies.

Her husband passed away Feb. 15, 1981.

Solene was a member of Holy Angels Church and the parish's Christian Women's Confraternity and the Young at Heart Club at St. Frances Cabrini Church.

Her positive nature will be missed by caring family, friends and neighbors.

A Mass of Christian Burial was held Saturday, Feb. 6, at 10:30 a.m. at Holy Angels Church. Father Jerry Repenshek was the presider, and burial followed in St. Mary's (old) Cemetery.

Visitation at the church only was from 9 a.m. Saturday until the time of services.

The Schmidt Funeral Home, West Bend, served the family.

### RAYMOND T. SHIRKEY

Raymond T. Shirkey, 62, was called to heaven from his retirement residence in Rockaway Beach, Mo., on Saturday, Jan. 30, 1999.

Ray was born Oct. 18, 1936, in Saginaw, Mich., and lived in West Bend until his retirement from Midas International in October, 1998.

He was a respected veteran of the U.S. Air Force, having served in Korea, and was a lifetime member of the NRA.

Ray was an avid hunter, boater and outdoorsman.

He will be forever loved and remembered by his wife, Gloria of Roackaway Beach and West Bend; greatly loved and admired by his children, Joseph (Michelle) and Julie (Michael) Wetzell, both of West Bend, Janet Shirkey of Kewaskum and James (Lisa) of Allenton; proud grandfather of Adam, Amanda, Ross, Randi Jo and Jenny; sadly missed by his stepchildren, Todd (Stacey) Lyden of West Bend, Tina (John) Marshall of Chicago and Tiffany Lyden of West Bend; grandchildren, Spencer and Colton Marshall of Chicago; his mother, Lillian Maxwell of Saginaw; a sister, Joanne Brown of Aurora, Colo.; two half-brothers, Gary (Sandy) Case of Beaverton, Mich. and Randy (Carla) Maxwell of Hope, Mich.; a half-sister, Dixie Blunt of St. Petersburg, Fla.; his parents-in-law, Peter and Elaine Rogers of Fort Myers Beach, Fla.; and brothers-in-law, David Denman of Muskego and Wayne Denman of

Franklin. He will be fondly remembered by many nieces, nephews, relatives and good friends.

Preceding him in death were his father, Jack, and a brother, Ron.

A celebration of his life was held Sunday, Feb. 7, at 4 p.m. at St. Matthias Catholic Church New Fane.

Visitation with the family began at 3 p.m., and a gathering of friends and family was held at Twin H Hall, New Fane, following the service.

At his request, in lieu of flowers, donations may be made to the family and will be forwarded to the Leukemia Society of America in his memory.

### IN MEMORY

In loving memory of **HAROLD "JENNY" SCHLOSSER**, who passed away 11 years ago, Feb. 4, 1988:

*Dear Grandpa,*

We are a part of you,  
your eyes and your smile.  
We wish everyday you could hold us,  
just for a while.

To hear your voice,  
and feel your touch;  
Our moms and dads tell us often you are watching over us.

*With love,  
Amy, Kimberly & Krystal*

### IN MEMORY

In loving memory of **SYLVESTER "RUSTY" SCHLADWEILER**, who passed away five years ago, Feb. 16, 1994:

We think of you in silence  
And often say your name  
But all that's left to answer us  
Is your picture in a frame  
We often look at your picture  
And your smile seems to say  
"Don't grieve for me, I'm only resting.  
And you'll see me some day."

*Sadly missed by the  
Schladweiler family.*

## Learn to Save A Child's Life

St. Joseph's Community Hospital of West Bend is offering an infant and child CPR class Monday, February 15, from 5:30 to 9:30 p.m. in the hospital's fourth floor classroom.

Learn what emergency steps to take if an infant or child stops breathing. CPR and obstructed airway techniques for a choking infant are addressed. Participants can earn American Heart Association recognition in pediatric BLS (basic life support).

The fee is \$23. Register by calling the hospital's Class Connection Line at 306-7888.

## St. Lucas Kindergarteners Sponsor Canned Food Drive

The kindergarten class of St. Lucas Lutheran School sponsored a canned food drive for the needy in honor of the 100th day of school. They invited the entire school to participate. Over 160 cans and non-perishable food items were collected. The kindergarten class enjoyed counting each piece, as well as many other things that day, including 100 Q-tips, 100 steps, 100 candy kisses, 100 pretzel sticks, 100 Beanie Babies and what they would do with \$100! The canned and non-perishable items will be donated to the St. Lucas Food Pantry for those in need.

## College for Kids Classes At UWWC

**WEST BEND** -- The College for Kids program offered by the Continuing Education Department at the University of Wisconsin Washington County has openings available in some of the upcoming classes.

**PAINTING WITH ACRYLICS** is a class for children in grades 3, 4 and 5. The instructor, Dale Konstanz, teaches art classes for the University of Wisconsin, Milwaukee Institute of Art and Design and for the West Bend Art Museum. The class meets from 1:30 to 3:30 p.m. on February 13 in Room 114 at UWWC. The fee is \$25. Course fee includes materials.

Rediscover the Internet with one of UWWC's Internet wizards in **SECRETS OF THE INTERNET** with Kyle Howard, open to children in grades 6-8. The class meets from 9 to 11 a.m. on February 20 in Room 277 at UWWC. The fee is \$20.

**INTRODUCTION TO JAZZ** is a class for children in grades 5-8. They will have an opportunity to join UWWC's own band director, Dan Ackley, in exploring

jazz music from its beginnings to its more contemporary forms. The class meets from 9 to 11 a.m. on March 6 in the Band Room at UWWC. The fee is \$20.

**INTRODUCTION TO AVIATION** is open to children in grades 5, 6 and 7. Students are introduced to general aviation and to the basics of flying. The instructor, Kyle Howard, has flown over 5000 hours as a crop-duster pilot, tow pilot for glider planes and as a volunteer for the Young Pilot Program through the Experimental Aircraft Association. The class meets

from 9 to 11 a.m. on April 17 in Room 259 at UWWC. The fee is \$20.

**'GROUNDSCHOOL' FOR YOUNG PILOTS** is for students who are seriously considering the pursuit of aviation as a career or hobby. Kyle Howard is the instructor. The class is open to grades 8-12 and meets from 9 to 11 a.m. on May 1 in Room 259 at UWWC. The fee is \$20.

For further information on these classes or to register contact the Continuing Education Department at 414-335-5236.

## Random Lake's John Hawley Assumes WASB Presidency

John Hawley of Random Lake assumed the presidency of the Wisconsin Association of School Board during last month's WASB-WASDA-WASBO State Education Convention in Milwaukee. A Green Bay native, Hawley has served on the Random Lake School Board for 12 years and is currently the president. He is an attorney in private practice.

In August, Hawley will also assume the presidency of the Wisconsin Intercollegiate Athletic Association and will be the first school board member to ever serve in that capacity. Hawley has represented Region

Eight on the WASB Board of Directors since 1994 and also serves as a trustee for the WASB Insurance Plan and chairman of the association's Legal Services Committee.

In accepting the gavel from outgoing President Nancy Donovan of Hudson, Hawley told an audience of school board members and administrators, "It's time for us to go to work. I look forward to working with you this year."

Other 1999 WASB officers are Dorothy Tews of Neenah, first vice president, and Roger Weber of Northland Pines, second vice president.

## SOCIAL SECURITY NEWS

### New Options for Medicare Beneficiaries

Beginning in 1998, Medicare beneficiaries were able to choose from a variety of options for receiving health care. These options will complement the Original Medicare Plan and make health care choices for Medicare beneficiaries similar to those available to individuals not in Medicare.

One of the new health plan options might be right for you, but the choice is entirely yours. If you are happy with the way you get health care now, you don't have to do anything. If you choose to do nothing, you will continue to receive your Medicare health care in the same way you always have. (Note: Only a small number of people, who will receive specific notices from their current health plan choice, will be required to make a change, and most of this group will have a similar option available.)

Beginning this year, you can choose between the Original Medicare Plan, which has not changed, the Original Medicare Plan plus a supplemental insurance policy, commonly known as "Medigap," and a number of managed care plans (such as Health Maintenance Organizations or HMOs).

In the future, depending on where you live, additional managed care plans and other options may become available such as Preferred Provider Organizations, Private Fee-for-Service Plans, Medicare Savings Accounts and Religious Fraternal Benefit Society Plans.

Managed care plans differ in cost, benefits offered, and choices of doctors, hospitals and other health care providers. However, each managed care plan provides all Medicare covered services.

So, no matter what you decide, you are still assured all the basic Medicare benefits you now enjoy.

To be eligible for the new Medicare health plan choic-

es, you must have Medicare Part A (Hospital Insurance) and Medicare Part B (Medical Insurance), you must not have end-stage renal disease, and you must live in the geographic service area the health plan covers. All health plan choices may not be available in your area.

In November, 1998, you should have received a copy of the publication, *Medicare and You*, which explains more about your health plan options and gives the telephone number of your State Health Insurance Assistance Program. This agency can answer questions on the health plan choices available in your area and help you decide if a plan is right for you. You can also find a copy of Medicare and You and a list of the plans in your area on the Internet at the Health Care Financing Administration's beneficiary friendly WebSite, [www.Medicare.gov](http://www.Medicare.gov).

### Hospital Offers 'Caring for Baby'

St. Joseph's Community Hospital of West Bend is offering a "Caring for Baby" class Saturday, February 13, from 9 a.m. to noon in the hospital's fourth floor east conference room.

This infant care class is designed for expectant parents, siblings over the age of 12, grandparents, child-care providers and adoptive parents. Topics include: feeding, safety, crying and colic, how to take a baby's temperature and when to call the doctor. An infant bath demonstration is included.

The fee is \$10 per person or couple. To register or for more information, contact the hospital's Class Connection Line at 306-7888.

## Village Board Meeting Minutes

Mid-Monthly Meeting  
January 18, 1999  
8:00 p.m.

The Village Board of Kewaskum, Washington County, Wisconsin, met in Regular Session in the Council Room of the Municipal Building, 204 First Street.

President Robert Wagner presided. Trustee Warren Dums asked to be excused and was absent. All other Trustee members were present. A quorum was present.

The meeting was opened with a Moment of Silence and Pledge of Allegiance.

President Robert Wagner asked that a notation regarding the Fire Department snow concerns be placed in the minutes. On a motion by Trustee Robert Stoltzmann, seconded by Trustee Andy Pesch and unanimously carried by voice vote, the minutes of the January 4, 1999 were approved as corrected.

Chief of Police Richard L. Knoebel presented the December 1998 report:

Criminal investigations - 38; Criminal investigations - 39; Traffic warnings - 116; Traffic citations - 19; Adult arrests - 19; Juvenile arrests - 19; Property stolen - \$2,073; Property recovered - \$70; Parking warnings - 128; Parking tags - 88.

Police Chief Richard Knoebel reported that the new squad car has been delivered and will be in service in approximately a week.

Director of Public Works, Jerry Gilles reported as follows:

1) The department has experienced two water main breaks since the last meeting; one on Main Street and one on Fond du Lac Avenue.

2) At pump station #3 the main disconnect went out causing some electrical work to be accomplished.

3) With the snow removal, the fleet is holding up pretty good, but it was noted that one truck went down because of the hydraulic system.

4) Christmas decorations are almost all down, but some damage was experienced because of the amount of wind we had over the holidays.

5) A curb stop / valve was replaced because of leaking on Prospect Street.

Administrator Daniel S. Schmidt reviewed the following with the Board:

1) Ballot positioning for the April Election was reviewed.

2) Review of Taxpayer and League Bulletins.

3) Announcement of the Mid-Moraine Municipal Association meeting scheduled for January 27, 1999.

4) Review of the status of the tax bills for 1998.

5) Review of correspondence  
Park & Recreation Chairman Trustee John Kenworthy reported on the Committee meeting held earlier this evening as follows:

1) Details were worked out regarding the use of the ball diamonds by the Kewaskum School District and St. Lucas. It was noted the School District would handle their own preparation of the diamonds.

2) The Administrator and Director of Public Works were directed to proceed with the purchase and news information regarding the concrete street ornamentation.

3) It was noted the Urban Forestry Grant has been received and signed. The project will hopefully be completed earlier than that of last year.

4) It was again noted that the seedling program will be conducted and that 350 trees will be up for sale.

Board Representative for the Plan Commission Trustee Warren Dums announced a Plan

Commission Meeting scheduled for January 26, 1999 at 7:00 p.m.

Board Representative for the Library Board, Trustee John Kenworthy informed the Board that circulation for the library for 1998 was down by an estimated 1,000, but that towards the end of the year the trend was changing.

Board Representative for the Mid-Moraine Municipal Association - Legislative Committee reported the meeting of January 13, 1999 was canceled because of bad weather. A new meeting has not been scheduled.

On a motion by Trustee Harry Roecker, seconded by Trustee Andy Pesch, and unanimously carried by voice vote, the Board authorized the signing and sending of the letter to SEWRPC regarding USH "45" and the use of the railroad ROW. A brief discussion took place in reference to that portion of USH "45" project from CTH "H" to CTH "D" again being postponed until 2003.

Representative Glen Grothman was present and indicated his displeasure with the postponement of the USH "45" project. He informed the Board of spending trends in Madison and related tax increases. It was noted School taxes increase at a higher rate than inflation and that Municipalities are being blamed even though they aren't the direct cause. Loss of revenues was also discussed. The Board thanked Representative Grothman for sharing information with the Village regarding his committee appointments, prison building and expansion of gambling.

Action was taken on Resolution No. 99-3, a Compliance Maintenance Resolution as attached hereto: On a motion by Trustee Andy Pesch, seconded by Trustee Harry Roecker and unanimously carried by voice vote the Board approved the 98/99 snowmobile route as presented.

On a motion by Trustee Robert Stoltzmann, seconded by Trustee Harry Roecker and carried by the majority roll call vote, to adjourn. Roll call vote was 6 "Aye," 0 "Nay," 1 "Absent."

Daniel S. Schmidt  
Administrator

# Six Snowmobile Deaths Reported Over Recent Four-Day Period

MADISON -- An Oshkosh man and his six-year-old son died after the snowmobile they were riding in heavy fog last week Monday evening broke through thin ice on Lake Winnebago at the mouth of the Fox River.

A second father and his young son, who were traveling on snowmobiles with the first pair and returning home from ice fishing, also broke through the ice but were rescued. The father has been released from the hospital and the son is in good condition.

That incident, along with the deaths of four other snowmobilers in a four-day period, has recreation safety officials urging snowmobilers to take safety precautions when they plan to travel on ice, to pay attention to weather conditions, and to slow down.

"Most people don't think this kind of tragedy will happen to them," says Tom Thoresen, recreation safety chief for the Wisconsin Department of Natural Resources. "But you have to take steps to assure it won't happen to you. You have to put safety first."

Putting safety first means knowing ice conditions before you go, avoiding operating on inlets and outlets on frozen lakes, and other areas where water currents may mean the ice is thinner and weaker, Thoresen said.

Putting safety first also means changing plans to accommodate changing weather, not panicking when something goes wrong, and realizing that a snowmobile won't stop on a dime, and driving accordingly.

The pair of fathers and sons were returning home from ice fishing Monday evening when the first father and son broke through the ice on Lake Winnebago, said John La-

censki, a DNR conservation warden and safety specialist in northeast Wisconsin. The other father and his son saw the first pair go into the water, and the father was able to turn his snowmobile to avoid open water, but the machine still broke through. "The father was able to grab his seven-year-old son and get him to hang onto the edge of the ice until they could be rescued," Lacenski said.

In two of the other snowmobile deaths, snowmobilers died after they fell off their sleds and were struck by other snowmobilers in their party.

"What we're seeing time and time again is that people can't react in time to avoid a tree, a curve in the trail, or other riders on the trail," Thoresen says.

The deaths of these six people bring to 14 the number of snowmobilers killed in Wisconsin this season. In addition to the father and son who died, the DNR received these reports of snowmobile fatalities since January 29.

\* A 68-year-old man died about 1 p.m. January 29, in Iron County when he missed a curve on a town road designated as a snowmobile route, went over the plowed bank, went airborne and struck a tree. The victim, who had removed his glasses because they were fogged up, was traveling 35 to 45 miles per hour in a 25-mile per hour zone. Alcohol was not likely a factor.

\* A 33-year-old man died about 10:30 p.m. Friday in Wood County when he fell from his sled when his passenger began to fall. Both fell together, and the man was struck by another member of the same group who was traveling behind the victim's sled.

\* A 25-year-old West Allis man died about 11 p.m. Friday in Oconto County when he fell from his machine while traveling 40 to 65 miles per hour and was struck by a second

snowmobiler in the party who couldn't stop in time to avoid a collision.

\* A 43-year-old Florence man died about 9:30 p.m. Saturday when the snowmobile he was driving on a public road collided with a parked trailer.

Thoresen, noting that five of the deaths occurred at night, said that a common mistake many snowmobilers make is driving too fast and overdriving their headlights. Snowmobile headlights are lower to the ground and illuminate a shorter distance than car headlights, which can typically illuminate a contrasting object at 300 feet on high beam and 250 feet on low beam.

In addition, field tests show that a snowmobile traveling 50 miles an hour will skid 214 feet -- about the length of three-quarters of a football field -- after the driver applies the brakes before the machine comes to a stop, he said. Add in a normal driver reaction time of three seconds, and the same snowmobiler will have traveled 220 feet before he or she even starts applying the brakes, according to field tests performed by Minnesota's Department of Natural Resources and its Highway Patrol.

"That stopping distance means that snowmobilers, especially people operating at night, need to drive at speeds slow enough to allow them to react and avoid obstacles on or near the trail, Thoresen said.

"By slowing down, not overdriving headlights, knowing conditions, and saving drinking until after returning home, snowmobilers can help protect themselves and other members of their party, and make sure they all return home safely to their families," Thoresen said.

## Campus Notes

WINONA, MN -- The Dean's List for Fall Semester 1998 at Winona State University has been announced by Vice President for Academic Affairs, Kenneth Gorman. To be named to the Dean's List, a student

must be an undergraduate enrolled full-time (at least 12 credit hours for a grade) and achieve a minimum grade point average of 3.5.

The area students were Amy Baumhardt of Campbellsport, and Lisa Brueswitz of West Bend.

# Fair Park Brick Sales Deadline

March 1 is the deadline for purchasing a brick for the opening of the new Washington County Fair Park. All bricks purchased by March 1 will be engraved and placed in a donor recognition plaza located just outside of the Fair Park Pavilion in time for the opening of the 1999 Washington County Junior Fair on July 21.

The Washington County 4-H Leaders Association brings the opportunity to citizens, organizations, clubs and businesses to personalize a contribution and show their support of the new Fair Park. This grassroots campaign was undertaken by the 4-H Leaders Association about a year and a half ago and to date over 400 bricks valued at over \$50,000 have been purchased. Four-H members and leaders throughout Washington County have been helping with this project.

Personalized bricks make great gifts for the person, who has everything, or as a memorial to someone special. Or just a way of saying, "I support the County Fair!" An investment as little as \$25 for your name on a plaque or \$50 for a 4x8 personalized brick will give you, your family or club a lifetime satisfaction, knowing you helped build the new Washington County Fair Park.

Additional levels of sponsorship in the brick project include an 8x8 brick paver with up to six lines of text with 12 characters on each line. Ideal for individuals, family, children's names, organizations and small businesses.

A 16x16 brick paver is \$500 with up to 12 lines of text with 24 characters on each line and would be ideal for organizations, businesses and large families. Camera ready artwork or logos can be added for an additional \$100.

The \$1,000 20x20 super brick paver would be perfect for an organization, busi-

ness or special message. The super paver can have up to 18 lines of text with 32 characters on each line. Camera ready artwork or logos can also be added for an additional \$100.

In addition to the bricks, other special sponsorships are available, including waste receptacles for \$600 (recycled \$500), flowering trees for \$1,000, shade trees for \$2,000, a park bench for \$2,500 (recycled \$800) and a bicycle rack for \$2,500 (recycled \$600).

The Donor Recognition Plaza and special donor gifts will serve as a permanent tribute to all those who support the Fair Park. All profits on the project will be used towards the 4-H wing, located in the Fair Park Pavilion which will be used during the fair for 4-H exhibits and year round for 4-H educational, entertainment and economic activities, which will be of benefit to Washington County residents.

Contact Sandy Lang, Fair Manager at 414-335-4485 or visit the Fair Park Office, located at the south end of the Courthouse Annex II, 515 E. Washington Street in West Bend to get a "Pave the Way to the New Fair Park" order form to purchase a donor item.

Remember to make your purchase by March 1 in order to have your brick

at the 1999 Washington County Fair. The project is an ongoing program and bricks will be added periodically in the future months and years after this year's fair.

## Successful Strategies for Weight Maintenance

A February 24 program at St. Joseph's Community Hospital, West Bend, offers help for people caught in the dieting trap, people who've discovered that it's harder to maintain weight than it is to lose it.

The special two-hour class will be held from 3 to 5 p.m. Wednesday, February 24, in the hospital's conference room A. Participants will gain insightful information on how to maintain weight without gaining, using the latest American Dietetic Association guidelines.

The fee is \$20. To register or for more information, contact the hospital's Class Connection Line at 306-7888.

**A Subscription to the Kewaskum Statesman - a gift that keeps on giving all year long!**  
Phone 414-626-2626

## Tooth Fairy Hotline

Have you ever wondered who the tooth fairy is? Throughout the month of February, in recognition of National Children's Dental Health Month, children in Wisconsin will have an opportunity to contact this childhood favorite by calling the Tooth Fairy Hotline, 414-799-3300, to hear a recorded message from the Tooth Fairy herself.

Otherwise known dental hygienist, Beth Clemence, from Hales Corners, the tooth fairy offers girls and boys who call the hotline, tips on proper dental care and tooth-friendly snack ideas. Clemence has been performing as the Tooth Fairy for approximately 15 years.

"Thousands of children call the Tooth Fairy Hotline every year," said Nanci Dabareiner, executive director of the Greater Milwaukee Dental Association (GMDA), the largest component of the Wisconsin Dental Association (WDA). "The children have a lot of fun with it, while at the same time, they get great tips on caring for their teeth."

The WDA encourages parents and children to call

the Tooth Fairy Hotline in observation of National Children's Dental Health Month. The hotline is established every year by the Alliance of the GMDA, a volunteer organization that supports the association's initiatives.

Clemence works at the offices of periodontist Craig Byers, DDS, in Milwaukee and Wauwatosa. Her husband, Dr. Keith Clemence, a Hales Corners dentist, currently serves on the WDA's Board of Trustees.

The WDA, established in 1870, is the state's largest organization representing dentistry. Headquartered in Milwaukee, the association has more than 2,800 members statewide.

# Indians Nipped by Huskies, Defeat Two Rivers

The Kewaskum boys varsity basketball team welcomed the heavily favored New Holstein Huskies with their glossy 9-2 record to town last Tuesday evening.

To stack the deck against KHS even further, their fine 6'2" senior center John Warnecke, leading scorer and rebounder, was at home nursing a 102 degree fever from a severe case of the flu.

Instead of folding their tent, the suddenly resurgent Indians battled New Holstein's giant front line of 6'9", 6'5" and 6'4" valiantly down to the last five seconds of the game, losing 73-71.

With sophomore Kevin Miller filling in for Warnecke, the scrappy Indians beat the Huskie's full court pressure consistently to pull within one point of the lead, 32-33, at halftime.

Josh Gaffke had the hot hand early as he converted four three-pointers and a basket for 14 first half points. Chris Koth picked up in the third quarter where Gaffke left off, nailing four threes to stake Kewaskum to a 54-51 advantage going into the final period.

The Indians were able to stretch the lead to six points, 67-61, with 2:28 remaining. The Huskies then muscled inside against their much smaller opponents and drew fouls on three straight possessions. To New Holstein's credit, they took advantage of their strengths and converted nine of 10 free throws in the fourth quarter and 17 of 20 for the game.

With ten seconds left, losing by only two points, KHS tried to hit Gaffke for the game-winning three-pointer, but he was covered so Koth fired a shot that bounced off the rim as the clock expired.

Head Coach Tom Timblin had nothing but praise for the super effort of the entire team. "Everyone played their heart out. I can't imagine a more exciting game. Andy Christophersen had 19 points and five assists. He did everything but sell popcorn at halftime! Josh, Chris and Andy combined for 13 three pointers." Timblin added, "We brought up freshman Tommy Ogi and sophomore Charlie Sparks for the rest of the year. They both made nice contributions in their varsity debut."

Kewaskum - Gaffke 17; Sparks 8; Cook 1; Christophersen 19; Koth 19; Timblin 2; Miller 2; Ogi 2. FTs - 8x13. Fouls - 16. Three-pointers - Gaffke 5, Koth 6, Christophersen 2.

New Holstein - Ausloos 8; Presto 3; Sippel 3; Nickel 19; Lefebber 16; Burnett 3; Engels 10; Peterson 11. FTs - 17x20. Fouls - 16. Three-pointers - Presto, Sippel, Nickel, Lefebber (2), Burnett.

On Friday night the hungry Indians were not to be denied as they hosted the Two Rivers Raiders. Although the flu bug hit KHS hard, they had most of their roster back, namely John Warnecke and Jessie Boegel. Aaron Seiser, however, is still out with torn ankle ligaments.

"John lost 11 pounds this week and Jessie's not much better," Coach Timblin reported, adding, "We're going to run alot of players in and out to keep everybody fresh."

Although Timblin was worried about a letdown following their heart-breaking loss on Tuesday, the Indians came out of the blocks hard, moving the ball well and hitting the open man, while playing stingy defense to take a 24-18 half-time advantage.

"In our zone defense, our smaller, quicker guards pinched down and double-teamed their big men well. When they put the ball on the floor, we generally got our hands on it. Our defense is much more aggressive now than earlier in the season," Timblin indicated.

KHS again handled the

opposition's full court pressure defenses well to maintain a six point lead with 3 minutes left in the contest, much like three nights earlier. The Indians learned well from their previous mistakes as Andy Christophersen again showing his senior leadership, shredded the Raider defense time and time again with drives to the basket.

Kewaskum also converted 13 fourth quarter free throws to close the door for a convincing 61-52 win.

Christophersen netted 26 points and seven rebounds. Warnecke added 14 points and nine rebounds while playing about half of the game.

"We're on a nice little run. We've won three of four games in the second half of the season with the loss by two points. We can't change our bad start, but that's water over the bridge. Our confidence and intensity is back. We want to finish strong," Coach Tom Timblin stated.

The Indians, 3-11, 3-6 (EW) will travel to Plymouth Friday night. The freshmen and JVs begin at 6 p.m. and the varsity takes the floor at 7:30 p.m.

Kewaskum - Gaffke 7; Cook 5; Christophersen 26; Koth 5; Timblin 2; Miller 2; Warnecke 14. FT's 18-27. Fouls 17. Three-pointers - Christophersen 2, Gaffke, Koth, Warnecke.

Two Rivers - Owens 10; Bre. Luebke 14; Bro. Luebke 3; Wegner 3; Dassey 11; Rohrer 2; Ely 9 FT's 9-12. Fouls 24. Three pointers - Owens, Bre. Luebke 2.

Baseball greats Hank Greenberg, Stan Musial and Robin Yount, all winners of the Most Valuable Player award, share another distinction: they're the only players to win the award at two positions. Greenbert won as a first baseman in 1935 and a left fielder in 1940; Musial as a left fielder in 1943 and a first baseman in 1948; and Yount as a short-stop in 1982 and a center fielder in 1989.

Many may be taken aback to learn the origin of the term "taken aback" is nautical. A ship is "taken aback" when the sails are suddenly carried by the wind back against the mast.
