## Board Approves Request for Construction of New Office Building

Left to right, newly elected Village President Robert Wagner, (incumbent), political newcomer Andrew Kuehl, and incumbents Harry Roecker and Andrew Pesch, are shown at Monday evening's Village Board meeting, after signing their oaths of office. The new trustees will begin their official duties at the next village board meeting on May 3. Kuehl, 19, is the youngest trustee elected in the Village's history.

By Andrew R. Kuehl  
Staff Writer/Photographer

The Kewaskum Village Board met Monday evening and handled a lengthy agenda. Trustees Gary Gavin and Warren Dums were absent.

Newly elected Board President Robert Wagner (inc.), and Trustees Andrew Pesch (inc.), Harry Roecker (inc.) and Andrew Kuehl signed their oaths of office and will assume their official duties at the next meeting on May 3.

John Knapple of the accounting firm of Virchow, Krause and Company, LLP answered questions and summarized the latest audit prepared for the Village. The board unanimously approved to accept the audit as it was brought before the board.

One of the two public hearings scheduled was a request from Randy Gust for the rezoning of 1224 Fond du Lac Ave. from B-2 General Retail and Service district to B-3 Central Community Retail and Service District. The property is located at the northeast corner of Prospect Street and Fond du Lac Avenue.

Administrator Daniel Schmidt explained to the board that the plan commission gave a favorable recommendation to the change.

Gust was present to answer questions the board had for him. He stated that the proposed building was going to run north to south. He projects the building's size will be 26' X 32' with room for 10-12 park-

ing stalls to the rear of the building. He further stated that his clients will enter and exit off of Prospect Street.

Another public hearing was to be held that evening but was cancelled due to the request being withdrawn.

The second hearing was on an application for a Class B fermented beverage license for the Kewaskum Athletic Association Inc.

Fire Chief Mark Groeschel was absent.

Police Chief Richard Knoebel gave the board his March report.

He noted that he had just returned from a seminar in Washington D.C. at the National Center for Missing and Exploited Children. The seminar took place last Sunday and Monday. The seminar covered many topics such as the policies to follow when a child becomes lost or is missing. Knoebel stated it was very informative and he will be putting many of those policies to use in his department. The police department's web page will include a direct link to the web site for the National Center on Missing and Exploited Children by the end of the week. The Police departments web page is located at [www.nconnect.net/~kpd](http://www.nconnect.net/~kpd)

The 1997 Ford Crown Victoria was sold for \$8,600 and the pick-up that was acquired in an OWI case for \$950.

Director of Public Works, Jerry Gilles gave his bi-monthly report. He told the board

that work is progressing on the new water apparatus.

The board unanimously approved hiring Brian Prost and Dustin Kuehl for the summer for the Department of Public Works. They are still in need of someone to fill a summer vacancy position in the Water Department.

Under unfinished business, Administrator Schmidt told the board that he received the DOT Highway Permit for the new village parking lot located in the downtown area. A meeting with the surrounding property owners is scheduled for Thursday.

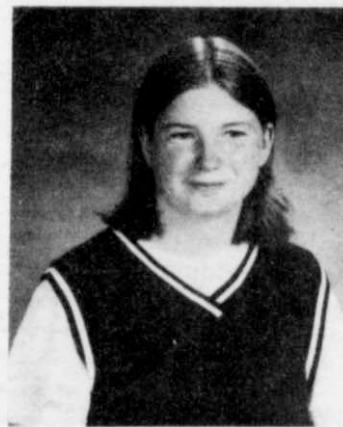

Under new business the board unanimously approved an ordinance to amend the zoning at 1224 Fond du Lac Avenue which was heard at the public hearing.

The board also approved the Class "B" Fermented Malt Beverage License for the Kewaskum Athletic Association Inc.

The bid for the Primary Clarifier for the Department of Public Works was awarded to J.F. Ahern of Fond du Lac. The bid given was \$33,496 compared to one from Midwest from Montford, WI for \$36,861.

The purchase of the Skidsteer loader was awarded to Farmer's Inc. of Allenton. The total cost for the Gehl 4835 SXT was \$17,538.66

## T. Barton Accident Kills One, Injures Two KHS Students

Julie A. Knoeck

By Andrew R. Kuehl  
Staff Writer/Photographer

**TOWN OF BARTON-** The life of a 16 year old Kewaskum High School student was stolen Monday afternoon by a tragic automobile accident. The driver of the vehicle and another passenger were also injured.

The single-vehicle accident occurred on Salisbury Road, south of Sportsman Lane at approximately 3:06 pm.

According to a report issued by the Washington County Sheriff's Department, the mishap occurred when the driver, Crystal G. Ehr, 16, was traveling southbound on Salisbury. The terrain of the road is very curvy and narrow with deep ditches and very few guard-rails. Ehr lost control of her vehicle. She veered off the roadway to the left entering the east side ditch striking many small trees. The vehicle then became airborne hitting another larger tree. At that point the vehicle's engine compartment caught fire and the fire spread throughout the vehicle.

Ehr is listed in fair condition Wednesday morning at St. Joseph's Community Hospital in West Bend.

Traveling with her was Julie A. Knoeck, 16, who suffered fatal injuries and died at St. Joseph's Community Hospital in West Bend.

Also a passenger in the vehicle was Heather A. Hafemann, 16, who was also transported from the scene to St. Joseph's Community Hospital in West Bend, where she is in good condition.

The sophomore girls were friends at Kewaskum High School.

All the individuals required medical transport and were transported by West Bend Rescue and Life Star Ambulance.

Several counselors from the Kewaskum School District were on hand at the high

school all day on Tuesday to help those cope with the grief caused by the devastating tragedy. They will be available throughout the week if they are needed said George Allmann, Business Manager for the school district.

Allmann further stated, "This is a family tragedy and we will do everything we can to help the students and faculty cope with their grief."

It was especially hard for the faculty at the high school as many of them worked with Julie's grandmother, Ethel Knoeck, who is assistant librarian at the high school.

A debriefing session was held at the end of the day on Monday to answer any questions from the faculty.

"We're saddened by this tragic event, it affects everyone here, we're trying to keep things as normal as possible but the fact still remains that Julie is not with us." said Larry Wilson.

Wilson further stated that a letter has been sent home with parents to explain what has happened and things to watch for in their children. Notes have also been given to the students regarding the time of the visitation and funeral for Julie Knoeck.

A memorial fund has been established by the school for Julie's family and donations will be accepted until Monday. Call the school at 626-2166 for more information on making donations.

## KHS Swing Choir Talent Show Set

The Kewaskum High School Swing Choir is sponsoring their annual talent show on Saturday, May 8, at 7 p.m. in Rose Hall.

Tickets may be purchased at the door. Adult tickets will cost \$2.00 and senior citizens and students are \$1.00.

Any community members who would like to be part of the talent show should contact Dave Bertelsen at the high school at 626-2166, extension 4571, by April 30.

## Kewaskum Frozen Foods Wins Awards at Convention

The quality of meat products produced by Kewaskum Frozen Foods of Kewaskum was recognized at the 60th Annual Convention of the Wisconsin Association of Meat Processors, held in Madison on April 16 and 17.

At the huge meat product show held in conjunction with that meeting, Kewaskum Frozen Foods received the following product awards: ring bologna, Grand Champion in the Ring Bologna class; skinless wieners, Grand Champion in the wiener class, and the "new" cheesewurst won Champion in the small diameter sausage class.

The Wisconsin Meat Product Competition is the largest of its kind in the United States. Meat processing plants and meat markets from throughout the state this year entered 893 individual products into 33 product categories, including summer sausage,

bratwurst, ham, bacon, smoked poultry, and many other types of meat products.

Over 30 judges including food scientists, out-of-state meat processors, and other food-industry professionals were required to effectively evaluate the many products during a marathon session on Saturday, April 17. Each product is scored for external appearance and eye-appeal, internal appearance (if relevant), and aroma and taste, using a scale of 1,000 points.

The size of this product show and the quality of its entries demonstrates the important role that sausage and processed meats play in Wisconsin's meat industry and among state consumers. The state ranks third in the nation in total sausage production and is well known around the United States for the quality of its meat products.

## Drug-Resistant Bugs Are Fighting Back! Treatments That Once Killed Bacterial Germs Work Less Often

(NAPS)—Each year, over 100 million antibiotics are prescribed in the United States, and experts estimate that 20 to 50 percent are unnecessary. Antibiotics kill bacteria, but never kill viruses. Taking an antibiotic for infections caused by a virus, such as cold, cough, or flu, does nothing to help you feel better. In fact, it can cause you to be at risk for an "antibiotic-resistant infection" with germs that may be hard or impossible to kill.

Julien Chang was a healthy six-month-old child when he started attending a Georgia day care center. On his fourth day, he developed a bacterial ear infection. "The ear infections were non-stop for six months despite treatment with a number of antibiotics," said Julien's mother, Tammy. After about 25 doctor's office visits and hundreds of dollars in prescriptions, she finally had to resort to surgery to place tubes in her son's ears. According to Dr. Mitchell Cohen of the Centers for Disease Control and Prevention, "Julien's is a common story—recurring infections leading to more and costlier antibiotics. The more we use antibiotics, the more we are seeing resistance. Unnecessary antibiotic use is only making the problem worse faster. Once bacteria become resistant to antibiotics

they can spread to others." In some parts of the U.S. twenty-five percent of *Streptococcus pneumoniae*, the bacteria that cause almost half of ear infections in the United States, are resistant to penicillin.

"We are concerned that more and more people will have resistant infections as these organisms continue to spread," said Dr. Scott Dowell, chair of CDC's Drug-Resistant *Streptococcus pneumoniae* Therapeutic Working Group. "What is clear is that children and adults who are repeatedly exposed to antibiotics are at highest risk."

You can protect yourself from antibiotic-resistant infection by taking antibiotics only when they are truly needed. To learn more about antibiotic resistance, visit the Centers for Disease Control and Prevention web site at: [www.cdc.gov/ncidod/dbmd/antibiotic%20resistance/default.htm](http://www.cdc.gov/ncidod/dbmd/antibiotic%20resistance/default.htm).

## Summer School Busing and Registration

Registrations for the Kewaskum School District 1999 Summer School Programs are due by Friday, April 30.

A wide variety of courses ranging from beginning guitar to advanced rocketry are available mornings from June 7 to July 2, as are sports specials and courses designed to improve basic skills. Classes will be held at either the high school or the middle school. Course fees for most classes are \$5.

This year, bus service is also provided before and after the morning sessions. Tuttle Creek Learning Center is also providing "Club Cool," a before and after school care venture (contact Audra or Shelly at Tuttle Creek Learning Center for costs and more information).

For more information about summer school courses and bus schedules, stop in at one of the district schools for a summer school bulletin, or call Ms. Eve Anthes at 626-2178 or Jim Botting at 692-9032.

**SEEDS FROM THE SOWER**

Michael A. Guido  
Metter, Georgia

A moralist was lecturing a group of girls. "Remember," he thundered, "resist temptation when it comes."

"I'd like to," sighed a girl, "but I'm always afraid it won't come again."

Oh, temptation will come again and again. It promises life's fair bloom, but it gives the bitter ashes of the tomb.

In its deadly deception, it doesn't appear as a locust but as a butterfly; not as a hornet but as a hummingbird; not as a buzzard but as a peacock.

By yielding you may lose in a moment what it took you a lifetime to gain. So submit yourself to God. "Resist the devil, and he'll flee from you."

## VILLAGE OF KEWASKUM TREE PLANTING PROGRAM PLANT TREES TODAY TO ENHANCE TOMORROW

The Village of Kewaskum will be selling small starter trees to Village of Kewaskum residents on Friday, April 30th from 2:00 p.m. to 5:00 p.m. and Saturday May 1st from 9:00 a.m. to 11:30 a.m. Trees 24" in length will be sold in the Municipal Building entry for \$1.00 each. Species available are on a first come, first serve basis. Species are: American Plum, Black Cherry, Black Walnut, Paper Birch, Red Oak, Sugar Maple, and White Oak.

In the event the weather conditions do not cooperate and the suppliers are unable to deliver trees on time these dates may be subject to change. In the event of a delay a sign will be posted on the Municipal Building entry, and a recorded message will be left on the answering machines at the Municipal Building and the Department of Public Works. 626-4310.

NOTE: **Street Signs:** The Village of Kewaskum is completing a street sign replacement program. The old black on white street signs will be sold at the same time as the tree sale. Cost is \$4.00 per street sign.

4-22-21

## Village of Kewaskum NEWS NOTES

### SPRING CLEAN UP Saturday, April 24, 1999 9 am - 2 pm

The Village of Kewaskum will be conducting a SPRING CLEAN UP on Saturday, April 24, 1999 from 9:00 AM to 2:00 PM. Village Residents are encouraged to clean up trash and debris left around the Village and your home. During this time **Village Residents Only** will be able to bring various items to the Village garage which are not normally picked up by the garbage or recycling trucks. A scrap metal bin will be available for the recycling of metals (all wood, plastic, glass etc. must be removed from the metal). The compost recycling bin will be available for leaves, lawn, and garden plant materials. The Village garage is located at 1002 Fond du Lac Ave. Proof of residency may be required. Appliances, (absolutely no TV, radio, refrigeration or other appliances) hazardous materials or debris from contractors ARE NOT allowed! Note, the procedure for paint containers is to air dry all paint materials and place them and dried paint in the normal garbage pick up. (For informational brochure contact the municipal building.) There will be a Village employee available for any questions or assistance that day. If you have any questions prior to that date, please call the Municipal Building at 626-8484 between the hours of 7:30 AM and 4:30 PM, M-F or the Department of Public works at 626-4310.

Thank you for your cooperation!

## Customer Appreciation Day at Campbellsport Building Supply

Campbellsport Building Supply announces Thursday, April 29, as their Customer Appreciation Day. In appreciation for the Kettle Moraine area's support, and in association with Arbor Day, Campbellsport Building Supply will be giving away free trees from 6 a.m. to 5 p.m. to all past and future customers.

Along with everyone receiving free trees, there are many activities being scheduled. In attendance will be local legend Bob Bonenfant, from 1470 WBKV, who will be doing a satellite broadcast from the store. You will also be able to sign up for door prizes.

New products, like Certain-teed Evernew vinyl fence and railing will be on display.

Further, brats and soda will be sold from 10 a.m. to 2 p.m., at their location on 227 West Main Street in Campbellsport. "The local community, especially the area farmers, really support us. This is just our way of saying thanks," explains Paul Seymour, pole building division manager for Campbellsport Building Supply. "All profits from the sale of the brat fry will go to the Campbellsport Agriculture Scholarship Fund." Seymour expects the brat fry to

be a great success.

Located at 227 West Main Street in Campbellsport, Campbellsport Building Supply serves homeowners, builders and remodelers in Campbellsport and the surrounding communities. Designing and furnishing materials for dream homes since 1985, the firm has focused its skills on supplying the Kettle Moraine area with quality building materials.

For more information contact Campbellsport Building Supply at 920-533-4412 or e-mail them at [cbslumber@netwurx.net](mailto:cbslumber@netwurx.net).

## PEERS, Stretch Your Limits!

Ten PEERS will be selected from Washington County to attend Wisconsin Regional Teen Institute at UW-Richland Campus, June 22-25, 1999.

The goal of the program is to promote the development of a healthy, safe and drug-free lifestyle by impacting the alcohol, tobacco and other drug and violence attitudes and behaviors of youth. The team will develop an action plan to implement projects and prevention programs through PEERS 4 PEERS in their schools and communities.

Individuals chosen for the Institute training should possess certain leadership qualities, which will allow them to follow through with their action plans devised at WRTI. As stated in their "NO USE" contract for participation in the PEERS 4 PEERS program, chosen youth must not currently use alcohol, tobacco or other drugs.

They must be willing to serve as a resource to their fellow PEERS (especially during P4P Summer Training July 26-29, 1999), have

the time and energy for further involvement (team meetings between WRTI and P4P Summer Training), to carry out their action plan and have parental/guardian consent to attend.

WRTI ensures a wide diversity of experiences and opportunities for learning. Various formats of training include general sessions, small group discussions, and social events. WRTI also provides recreation time, good food and night chaperones to maintain quiet time.

Call the County PEERS 4 PEERS advisor, Rachel Rosenthal Garza, at 335-6888 for information on how you or your teen can become involved in the PEERS 4 PEERS program. An application for both programs is due Monday, April 26, 1999.

The ant lion, an insect that preys on ants and other small insects, can only walk backward.

## FRIENDS of Abused Families Training Session

On Monday, May 3, and Tuesday, May 4, FRIENDS of Abused Families, Inc. will be holding an overview training session for people interested in volunteering for their agency.

The overview training will give extensive information about domestic abuse, sexual assault and the services that FRIENDS provides. The training will be held at UW Washington County (400 University Drive - West Bend) in conference room 259 from 6 p.m. to 8:30 p.m.

FRIENDS is currently in need of volunteers for the following positions: Shelter Advocate, Legal, Sexual Assault Program Assistant, Data Entry and Computer Specialist, Basic Office, Child Care, Transitional Living Program Assistant and Fundraising Committee Members.

FRIENDS could not continue without the generosity of volunteers. For more information or to register for training, please contact Kelly McAndrews at 334-5598.

Performing Beethoven's piano solo, "For Elise," eighth grader Jenny Koth was one of 21 acts in the Kewaskum Middle School Spring Talent Show. The KMS student council sponsored the show which featured a variety of acts, including student-choreographed dance routines, forensic pieces, ventriloquism, trumpet, singing and even lip sync performances. KMS students Kurtis Cochran and Jenny Harter were the show's emcees.

## Ramthun - Burmeister

Kathie and Harvey Ramthun, 9175 Mill Road, Kewaskum, are happy to announce the engagement of their daughter, Megan, to Eric Burmeister, 1059 E. Bradley Avenue, El Cajon, California.

Eric is the son of Donna Strehmel, 131A Main Street, Kewaskum, and John Burmeister, 532 Pleasant Avenue, Hartford.

Megan is a 1998 graduate of Kewaskum High School and is employed as a receptionist at Shooting Star Travels.

Eric is a 1994 graduate of Slinger High School and is a member of the United States Marine Corp.

The couple is planning their wedding for May 13, 2000.

## UWWC Welcomes Nefertari Dancers

WEST BEND - The Fine Arts Committee at the University of Wisconsin Washington County welcomes the Nefertari dancers at 7:30 p.m. on Saturday, May 1, in the UWWC theatre.

The Nefertari Dance Company was founded as a performing group in 1968. It would provide for young people of African descent, an avenue of expression and pride in the culture of their ancestors. From the beginning the group has received acclaim for their vivacious dexterity in presenting the various forms of African dance.

The group is comprised of female students and alumni of North Division High School in Milwaukee. They are accompanied by male musicians who are masters of the intricate drum rhythms of West Africa.

The Nefertari Dance Company is affiliated with the International Institute of Wisconsin, Inc., and was founded by Sarah Lee Grant. Ms. Marilyn Douglas, who danced with Nefertari while a student at North Division, is now the Director.

The dancers have performed throughout the state of Wisconsin and most states in the American Midwest. School and church tours have taken the company across the United States to Chicago, Gary, Philadelphia, Memphis, Nashville, St. Louis, Indianapolis, Atlanta and Los Angeles.

The Nefertari Dance Company will be performing at the UWWC theatre in West Bend at 7:30 p.m. on Saturday, May 1. Tickets are \$7 for adults, \$5 for seniors and under 18. Reservations can be made by calling (414) 335-5208.

## Transition Fair Tonight

West Bend High Schools will host the Washington County Transition Fair on Thursday, April 22, from 6 to 8 p.m. for students with disabilities, their families, teachers and support individuals.

Area agency representatives will be on hand to discuss information and resources necessary for the transition to become successful adults.

### TORNADO FACTS

An average of 21 tornadoes occur in Wisconsin each year, but some counties can have many tornado-free years in a row. An average of one person dies each year in Wisconsin from tornado-related injuries. Tornadoes have a circulation (rotating column of air) touching the ground. However, funnel clouds are defined as not touching the ground.

## Knorr - Buechler

Tom and Barbara Knorr of Kewaskum are pleased to announce the engagement of their daughter, Laura, to Ron Buechler, son of Ron and Pat Buechler of West Bend.

Laura is employed as an

assistant manager at Kay's Hallmark in Hartford.

Ron is employed at Midwest in West Bend.

An April 29, 2000 wedding is being planned by the couple.

## Wolf - Barrett

Bonita and Roger Wolf, N1060 Youth Camp Road, Campbellsport, are pleased to announce the engagement of their daughter, Rebecca Ann, to Jason Ryan Barrett, son of Mary Jo and

Kevin Barrett, 1880 E. Newark Drive, West Bend.

The future bride and groom are 1997 graduates of Kewaskum High School. They are planning an August 21, 1999 wedding.

TV puppet Howdy Doody had a sister. Her name was Heidi Doody.

## Kewaskum High School Post-Prom Party

Saturday, May 1, 12 midnight to 4 a.m. Sunday, May 2, 1999

The event is co-sponsored by the Booster Club, The Council on Alcohol and Other Drug Abuse of Washington County and United Way of Washington County.

The Student Council is looking for help in the following areas for their annual Post-Prom Party:

- ✓ Chaperones (many have already signed up)
- ✓ Prizes (we try to have a prize for everyone)
- ✓ Food & Soda (the students get awfully hungry and thirsty)
- ✓ Money (needed to purchase extra prizes, extra food, extra soda, game and other activities)

If interested in helping out in any way, please call Larry Ammel, Kewaskum High School, 626-8427 ext. 4570.

## WB Art Museum to Present Evening with the Ayers

Peter and Carol Ayer

The West Bend Art Museum, 300 South Sixth Avenue, West Bend, is pleased to present "An Evening with Peter and Carol Ayer" on Friday, May 7, at 7 p.m. Peter and Carol served the Washington County community for many years as professors of music at the University of Wisconsin-Washington County Campus. The program will take attendees on an interesting musical journey that begins with the complexity of the Baroque period and concludes with the present. Of special interest will be story telling folk songs from Southern Appalachia. The program is open to the public and there will be no admission fee, however, seating is limited.

## Habitat for Humanity to Sponsor Spaghetti Dinner

Habitat for Humanity Washington County is sponsoring a spaghetti dinner fundraiser on May 6th at St. Frances Cabrini Church, 1025 S. 7th Ave., West Bend. Continuous serving will be offered from 4:30 to 7:30 PM. The event will include the "Global Artisans" Craft Sale, featuring fairly-traded, hand-made items from around the world, as well as information about Habitat.

Tickets are \$6 for adults, \$4 for children ages 4-12, with children three and under eating free. Tickets can be purchased at the door, or in advance at these locations: Bank One, M & I Bank branches, and Pedal

Moraine Bike Shop, in West Bend; Associated Bank in Jackson; St. Francis Bank in Kewaskum; and Hartford Savings Bank in Hartford.

Habitat for Humanity Washington County was awarded their "official" affiliate status in December, and continues to raise money to begin construction of their first house this summer. Call the Habitat office, 334-1801, or visit their web site, [www.hnet.net/good/charity/h4hwc/](http://www.hnet.net/good/charity/h4hwc/) for more information.

### TORNADO FACTS

The "inflow" updraft region of a thunderstorm cell is usually rain-free or nearly rain-free because the updraft is pushing air upwards into bellowing cloud towers, rather than downwards. Sometimes, you will be able to spot a distinct wall cloud. Wall clouds that are persistent, and show signs of rotation, should be closely monitored for possible tornadic development.

## 1999 KEWASKUM CALENDAR OF EVENTS

(Most Events Held On Annual Basis)

Gateway to the Beautiful Kettle Moraine State Forest

**WEDNESDAY, MAY 19, 1999**

## Be Safe, Be Smart

Washington County Sheriff's Deputy Woerner speaks to third graders at Wayne Elementary School with tips on staying safe. Deputy Woerner is also the D.A.R.E. officer working with the Wayne fifth graders this semester.

## Free Poetry Reading at UWWC

West Bend -- Modern poets admit that their unrhymed, "free verse" poetry may scare some readers away. But event those raised on the simply rhymes of Dr. Seuss can get a lot out of modern poetry, say Professors Peggy Rozga, of the University of Wisconsin-Waukesha and J.D. Whitney of the University of Wisconsin-Marathon County.

"Just because a poem doesn't have that internal rhyme and form doesn't mean it isn't structured and very accessible," Whitney said.

Rozga and Whitney will give a free lecture and poetry reading, titled, "Poetry from Wisconsin," at 7:30 p.m. on April 29, at the University of Wisconsin-Washington County. The lecture and poetry reading is free and open to the public. The University is located at 400 University Drive, West Bend.

Poetry, according to Whitney, can be a comfortable trip through some very enjoyable reading, much like reading a novel or short story, he said... only more condensed. "It's just that, with a poem, you're trying to pack as much cargo as you can into a small container," he said.

Rozga says that a good poem can be as accessible as a "snapshot" freezing a moment and making it timeless.

One of her recent works, "In August," describes a road trip between Marinette and Green Bay, when she chanced to see a black bear amble out of the thick

woods. The rare sight of the bear, she explained, stuck with her through the rest of the trip and awoke her to the possibilities of encountering unexpected beauty.

"I pray I may call it out of the woods

Into my field of vision each time

I'm tempted to treat myself like

An old draft horse submitting

To blinders again."

Whitney explained that much of Midwestern poetry features scenes from nature. He recently authored an entire series of poems, titled, "What Grandmother Says," which are told in the manner of Native American legends, about an all-knowing, all-powerful deity referred to as "Grandmother," whose wry wit and humor often is aimed at humans.

Animals chosen as pets differ around the world. Japanese children tame mice and teach them to dance to music, while in Australia children sometimes make pets of kangaroos.

"Grandmother waits until children are sleeping and people make love, Then she makes THUNDER! Wakes up the kids. Why there has to be thunder at night. Grandmother knows. So There won't be Too many People."

For more information about Professors Rozga or Whitney or about the free poetry reading, please contact William Breyfogle, UWWC Director of University Relations at (414) 335-5233.

## Have Fun With Kids In The Kitchen

(DM)—Kids and their folks can cook up delectable dishes in the kitchen — and have fun doing it. All it takes is a little imagination, plus some kid-friendly food and recipes, says Chef Jeffrey Waite, spokesperson for The HoneyBaked Ham Company.

"Spending time with your kids in the kitchen can be fun and gratifying — for both the kids and their parents," says Waite. "They key is to make cooking enjoyable with easy-to-prepare dishes that don't require a lot of parental supervision. That way, children gain cooking know-how and a sense of accomplishment."

Start with kid-friendly foods, including pre-sliced, fully-cooked meats like HoneyBaked Ham.

Here's some simple recipes from The HoneyBaked Ham Company to involve kids in springtime meal preparation.

### EASY HONEYBAKED HAM AND EGGS

- 1 Tbl. butter
- 3 eggs
- 1/4 tsp. salt
- 1/4 tsp. paprika
- 1/4 cup The Authentic HoneyBaked Ham, cut in strips

Melt butter in skillet over low heat or in microwave for 45 seconds. Beat together eggs and spices, and add to butter. Immediately add HoneyBaked Ham. Microwave egg mixture on medium high for 1 minute. Stir and revolve dish. Microwave another 2 minutes. Stir. Return to microwave for a few seconds if eggs aren't firm. If using skillet, stir when eggs begin to

Children can prepare luscious meals in the kitchen — and have fun doing it. All it takes is a little imagination, plus some kid-friendly recipes and foods, like ready-to-serve meats from The HoneyBaked Ham Company.

thicken. Serve eggs over toast.

### FRUITY KABOB SALAD

- 1 cup mayonnaise
- 1/2 cup orange juice
- 1 small can pineapple chunks
- 1 tangerine, peeled and separated into segments
- 1 handful of grapes
- A few strawberries
- A few melon chunks

Open can of pineapple chunks. Drain and reserve juice. Mix pineapple juice with orange juice and mayonnaise. Place in small bowl in middle of a plate. Spear fruit with toothpicks to make kabobs. Place on plate around bowl of dip.

### CHEESY HAM BISCUITS

- 1 tube ready-to-bake biscuit dough
- 4 slices of The Authentic HoneyBaked Ham or Turkey, cut in half
- 4 slices of Monterey Jack or other cheese, cut in pieces
- 8 tsp. HoneyBaked brand Honey Mustard

Divide each biscuit in half. Place small slice of ham and small slice of cheese on one biscuit half. Spread 1 tsp. mustard on another half. Pinch two together. Repeat until you have used all biscuit halves. Bake according to package directions. Serve hot.

Subway is a Smarter Choice!

Regular 6" Subway Club (5g of fat), Roasted Chicken Breast (6g), Ham (5g), Roast Beef (5g), Veggie Delite (3g), Turkey Breast & Ham (5g), and Turkey Breast (4g) prepared according to standard recipes with Italian or wheat bread, meat, onions, lettuce, tomatoes, pickles, green peppers, and olives, and without cheese or condiments (e.g. mayonnaise). # Arbor Day Celebration April 30

By Kirsten Held  
DNR Forestry Public  
Awareness Specialist

MADISON -- Friday, April 30, marks the 116th celebration of Arbor Day in Wisconsin. Arbor Day is a nationally celebrated observance that encourages tree planting and tree care.

In his proclamation declaring April 30, 1999 as Arbor Day and April 25-May 1, 1999 as Forest Appreciation Week in Wisconsin, Governor Tommy G. Thompson stated that "trees are among Wisconsin's most beautiful natural resources and bestow fine opportunities for aesthetic appreciation and recreation as well as improvements for our homes and communities, and are indispensable to our ecology as providers of wildlife habitat, erosion control, air filters and noise inhibitors."

Thompson further noted that "the demands on our environment -- and on our environmental resources -- necessitate an increased awareness of ecological values, as well as individual commitment to the study and appreciation of trees and their maintenance."

The Department of Natural Resources' forestry program annually distributes approximately 75,000 free tree seedlings to fourth grade students in Wisconsin to help them celebrate Arbor Day.

The first Arbor Day was celebrated in the state of Nebraska in 1872, in response to a state proclamation urging settlers and homesteaders in that prairie state to plant trees that would provide shade, shelter, fruit, fuel, and beauty for residents of the largely treeless plains. On that first Arbor Day, more than one million trees were planted in Nebraska's communities and on its farms. The Arbor Day idea was promoted by J. Sterling Morton, editor of the Nebraska City News, who later helped the idea spread

to neighboring states and eventually to all of the United States and many other nations.

Wisconsin's forests touch our lives daily through the products they produce and the many ways they improve our quality of life. The forest products industry is number one employer in 28 Wisconsin counties, second in nine counties and third in five counties.

The forest resource is also a key component of the tourism and recreation economies, with visitors and residents enjoying camping, fishing, hunting, fall foliage, snowmobiling and many other recreational activities in and around the forests of Wisconsin.

The 16 million acres of forests in Wisconsin also play a critical role in providing habitat for a wide variety of species (including some that are rare or endangered), conserving the state's rich biological diversity, and protecting the high quality of Wisconsin lakes and streams.

More than 200,000 individuals own 57% of the forests in Wisconsin. These private landowners have a direct impact on the stewardship of Wisconsin's forest resource. Additionally, every Wisconsin resident determines the future of the forest through their daily choices as consumers and decision makers. Three upcoming celebrations, Earth Day (April 22), Arbor Day (April 30) and Forest Appreciation Week (April 25-May 1), prompt each of

us to reflect on the value and importance of Wisconsin's forests to the quality of life in our state and to our individual lives.

*"A people without children would face a hopeless future; a country without trees is almost as hopeless; forests which are so used that they can not renew themselves will soon vanish, and with them all their benefits. When you help to preserve our forests or to plant new ones you are acting the part of good citizens. The value of forestry deserves, therefore, to be taught in the schools, which aim to make good citizens of you. If your Arbor Day exercises help you to realize what benefits each one of you receives from the forests, and how by your assistance these benefits may continue, they will serve a good end."*

- Theodore Roosevelt, 1907

## Friends of Lakeview Library to Meet

The Friends of the Lakeview Community Library will meet on Monday, April 26, at 7:30 p.m. at the library at 112 Butler Street in Random Lake. The public is invited to attend.

Yak milk is pink.

# Tornado, Severe Weather Awareness Week April 19-23

Governor Tommy Thompson has proclaimed April 19-23, 1999, Tornado and Severe Weather Awareness Week in the State of Wisconsin.

This campaign is sponsored by Wisconsin Emergency Management and the National Weather Service. The goals are to increase public awareness of the dangers associated with tornadoes and severe weather and to encourage the public to take personal protective measures.

A statewide mock tornado drill will be conducted in the afternoon of Thursday, April 22. Washington Coun-

ty will again participate in a Statewide Tornado Safety Exercise in cooperation with the National Weather Service and Wisconsin Division of Emergency Management on Thursday, April 22, beginning at about 1:15 p.m. and ending about 2 p.m.

In 1998 the National Weather Service reported that 24 tornadoes were spotted in Wisconsin. In addition, the state was hit with several severe thunderstorms that caused widespread power outages, damage to homes and even deaths.

The first woman in space was Valentina Vladimirovna Tereshkova of the Soviet Union in 1963.

- No Admission Fee to This Special Event
- All Items Subject to Prior Sale

Sale Held at: Midwest Warehouse 5001 County Rd. G West Bend, Wisconsin (Call: (414) 335-1980 for more directions)

## TORNADO FACTS

Words of caution... not all rotating wall clouds produce a tornado. While a tornado "can drop" from the rain-free base of a thunderstorm that doesn't have a wall cloud, it is also possible to have a tornado spin up at ground level and develop upward to the thunderstorm base and/or wall cloud. Consequently, it is important for a severe weather spotter to monitor what is happening at ground level as well as at cloud base. In just about every thunderstorm over Wisconsin, one can usually find some cloud feature (scud clouds) that briefly resemble a tornado or funnel cloud. If the cloud feature you are watching isn't persistent, or rotating upon a vertical axis, it is probably not a funnel cloud or tornado.

## Musicians Visit FES

Kewaskum Middle School band members, from left, Kaitlyn Ogi, Justin Mueller, Abe Foerster, Ellen Borchardt and Jackie Vandrell, rehearse in the hall of Farmington Elementary School recently on their visit to recruit fifth graders for next year's KMS band.

### Campus Notes

More than 100 students at the University of Wisconsin-Stevens Point are spending the spring semester of the 1998-99 school year in Spain, Great Britain, France and the South Pacific, sponsored by UWSP's Office of International Programs.

Spring semester abroad students include Tacee M. Blair, W8776 Valley View Dr., Kewaskum.

Led by Jesse Barker, associate lecturer of Spanish, the 26 students traveling to Spain arrived in Madrid, where they spent a few days before moving on to study at the University of Valladolid in northwestern Spain. The students had a break from March 27 to April 11, during which they were able to pursue travel within Spain or beyond.

A group of 36 students have started their academic pursuits in Great Britain, under the leadership of Guillermo Penafiel, associate professor of art. They will be studying in London for the majority of their trip, with outings to Bath and Stratford and visits to several other countries including Switzerland, France, Italy, Austria, the Czech Republic and Germany. Day trips will include excursions to Milano and Bolzano, Italy, as well as a visit to Dachau Concentration Camp in Germany.

The 19 students studying abroad in France spent the first leg of their trip in Paris before moving on to the University of Caen in northwestern France. During their spring break, tentatively scheduled for April 10-25, they also had the opportunity to do some continental travel. Marcia Parker, associate professor of foreign languages, is leading the group.

A trip to the Outback is on the itinerary for the 35 students spending the spring semester abroad in the South Pacific. Led by Dennis Yockers, associate professor of environmental education and resource

management, the group will spend time in Fiji and New Zealand before heading to North Ryde, Australia, where they will live at Dunmore Lang College. Later this spring, they will attend lectures at the University of Canterbury in Christchurch, New Zealand, and tour the South Island.

\*\*\*\*\*

### Campus Notes

OSHKOSH -- University of Wisconsin Oshkosh officials announced the names of students who qualified for the University Dean's List and Honor Roll for the fall 1998-99 semester.

To qualify for the Honor Roll, a student must take at least 12 credits and earn a grade point average (GPA) of at least 3.3 (out of a possible 4.0, or "Straight A").

Those with a GPA of 3.75 or higher qualify for the Dean's List.

Area students who were included on the University of Wisconsin Oshkosh Dean's List and Honor Roll are:

KEWASKUM - Sean L. Cotter, honor roll; Stacy R. Heckel, straight 'A'; Tamara J. Kamrath, honor roll; Kristin M. Miscikowski, honor roll; Daniel M. Survis, honor roll; Julia J. Vandrell, straight 'A'.

ADELL - Carol J. Gray,

dean's list.

ALLENTON - Thomas J. Klas, honor roll; Sarah J. Peterson, honor roll; Rebecca E. Ritger, honor roll.

CAMPBELLSPORT - Jill M. Jaeger, honor roll; Melissa J. Konitzer, honor roll; Max J. Sasing, honor roll.

WEST BEND - Carrie A. Ackerman, dean's list; Brenna K. Biron, dean's list; Lisa A. Donley, honor roll; Tracey A. Dricken, honor roll; Jaime L. Ehrlich, honor roll; Doug Hammack, dean's list; Paul J. Hammen, honor roll; Fay M. Hetebrueg, dean's list; Jennifer L. O'Neill, honor roll; Jennifer A. Pierringer, dean's list; Roberto Rivera, dean's list; Joan M. Stoffel, honor roll; Jennifer K. Troutt, honor roll; Nicole M. Weinand, honor roll; Crystal L. Wiedmeyer, dean's list; Jill M. Wiedmeyer, honor roll.

\*\*\*\*\*

### TORNADO FACTS

Peak tornado season is May through August, but tornadoes have occurred in every month but February. Most tornadoes occur between noon and 9 p.m. with 5 p.m. a favored time. Most tornadoes travel southwest to northeast or west to east at speeds of 20 to 40 mph and persist for less than 10 minutes with a path length of less than five miles.

# Athletes Show Basketball Skills

## Letter to The Editor

At the awards ceremony, Kewaskum athlete Justin Petermann celebrates his first place finish in regional action of the Special Olympics Regional Basketball Skills Competition. Petermann and teammate Brian Hanrahan both qualified for the State Meet.

Brian Hanrahan, left, and Justin Petermann proudly wear the ribbons they earned for fourth place finishes at the Special Olympics State Basketball Skills Competition held at UW-Oshkosh.

Dear Editor:

April 18-24, 1999 is known as Sexual Assault Awareness Week in Wisconsin. This is a week established to raise the awareness level of individuals in our communities about sexual violence. The theme of this week is *Creating a Healing Path*, and we are focusing on the journey of healing for survivors of sexual assault and honoring the survivors in our own community.

FRIENDS has promoted awareness throughout the community in an effort to "break the silence" that allows sexual abuse/assault to continue. FRIENDS has organized a purple ribbon campaign in order to gain recognition of the issue, as a show of support to survivors and to make the community aware of the services available to survivors (a lot of people still don't know about us). We also initiated a "Hands for Peace" project in which the Day Care Association of Washington County is participating. Many churches have included inserts in their bulletins regarding Sexual Assault Awareness Week. Some area libraries are participating by setting up book and educational displays.

Additionally, FRIENDS has made promotional flower seed packets (of purple zinnias) available to local beauty salons and other businesses, as a possible way to bring up the topic of Sexual Assault Awareness Week and sexual assault in general. We realize that although sexual assault is an uncomfortable issue to discuss, discussion and education are the key to early intervention and prevention. Presentations regarding various sexual assault issues were also made available to the community and we have been pleased with the results.

Kelly McAndrews,  
Public Relations  
Coordinator

\*\*\*\*\*

The world is not growing worse and is not growing better --- it is just turning around as usual.

Special Olympians from Kewaskum competed recently in basketball skills competition with other athletes from around the state. The competition highlights shooting, rebounding, and dribbling the basketball.

In regional competition at Brookfield East High School, Sara Stockinger and Joshua Dreher each captured fifth place in their divisions, while Justin Petermann and Brian

Hanrahan qualified for the State Meet with first and second place finishes, respectively.

At the State Meet at UW-Oshkosh, Petermann and Hanrahan each grabbed fourth place in their divisions.

### Weekly Meeting of Separated, Divorced

The Washington County separated, divorced and widowed men and women support group meets weekly every Friday from 7:30 to 9:30 p.m. at the Holy Angels Church basement in West Bend.

Their purpose is to provide a means to share ideas, concerns, support, fellowship and love from a Christian perspective. There are guest speakers, panel discussions, small group sharing and other activities.

The group is open to singles, widows and widowers. Many of the topics pertain to single parents and other individuals rebuilding their lives and relationships.

On April 23, the topic will be "Should I Stay or Go?" with Family Therapist and Author, Lee Raffel. Lee will be available before and after the meeting to sign books.

"Faith" with Pastor Ron Shinglton of the Church of God will be presented at the April 30th meeting.

Taking a break during the Special Olympics Regional Basketball Skills Competition are Kewaskum athletes Sara Stockinger and Joshua Dreher.

### Bird Walks at Lac Lawrann

A Saturday Bird Walk will be held at Lac Lawrann Conservancy, 300 Schmidt Rd., West Bend, on April 24, at 7 a.m. The three habitats of the Conservancy attract birds of the wetlands, prairie, and forest.

Birds migrate from their winter retreats in the south to nesting areas in North America as soon as food is available to them. April and May are peak migration months in Wisconsin. Enjoy the thrill of seeing and hearing the calls of birds not normally found in Washington County.

## JULIE A. KNOECK

Julie A. Knoeck, age 16, of the Town of Farmington, passed away on Monday, April 19, 1999, at St. Joseph's Community Hospital in West Bend from injuries received in a motor vehicle accident.

She was born on December 4, 1982, in West Bend, the daughter of Douglas and Mary (Klein) Knoeck.

Julie was a sophomore at Kewaskum High School and a member of Immanuel Lutheran Church in the Town of Scott.

Survivors include her parents, Douglas and Mary Knoeck of the Town of Farmington; three sisters, Jennifer, Jeanette and Jessica Knoeck, all at home; her paternal grandparents, Oscar, Sr. and Ethel Knoeck of the Town of Farmington; two aunts, Kathleen Lawrenz of Mesa, Arizona and Jeanne Knoeck of West Bend; four uncles, Oscar Jr. (Janna) Knoeck of Cedarburg, Charles (Leanne) Knoeck of Neenah, Alex Klein of Griffith, Indiana, and John (Kathy) Klein of Random Lake, other relatives and many friends.

She was preceded in death by her maternal grandparents, Alex and Esther Klein.

Funeral services will be held at 11 a.m. on Friday, April 23, at Immanuel Lutheran Church in the Town of Scott with Rev. William Robinson officiating. Burial will follow in the church cemetery.

Friends may call from 4 to 8 p.m. on Thursday, April 22, at the Miller Funeral Home, Kewaskum, and from 10 a.m. until the time of services on Friday.

## JAMES E. MILLER

James E. Miller, age 53, of Kewaskum, passed away unexpectedly on Tuesday, April 13, 1999, at St. Joseph's Community Hospital, West Bend.

He was born on September 15, 1945 in Milwaukee, the son of Palmer and Elsie (Wickware) Miller and on July 31, 1966 he was united in marriage to Noi Siroonbueng in Thailand.

Mr. Miller served his country in the U.S. Army during the Vietnam Conflict. He was a member of St. Lucas Evangelical Lutheran Church in Kewaskum and at the time of his death was employed by Maysteel Corporation in Allenton. Jim was an avid Green Bay Packer fan and enjoyed gardening and tending his rose bushes.

Survivors include his wife, Noi, of Kewaskum; two sons, Ricky (Shirley) Miller of Kewaskum and Jeffrey Miller and his fiancée, Terri Thull of West Bend; a daughter, Marie (Robert) Kuhn of Hartford; his mother, Elsie Flynn of Townsend, Wisconsin; a brother, Larry Miller of Watertown; three sisters, Judy (Clifford) Gruenwald

of Sullivan, Wisconsin, Diane (John) Eckstein of Palmyra, Wisconsin, and Debra (Ron) Gensler of Three Lakes, Wisconsin; two grandchildren, Tia Marie and Ian Robert Kuhn, other relatives and many friends.

He was preceded in death by his father.

Funeral services were held at 10 a.m. on Saturday, April 17, 1999 at the Miller Funeral Home in Kewaskum, with Rev. Edwin Fredrich officiating. Burial with military graveside rites followed at Lutheran Memorial Park in Kewaskum.

Friends called from 4 to 8 p.m. on Friday at the funeral home and from 9 a.m. until the time of services on Saturday.

## JOSEPH M. MILLER

Joseph M. Miller, age 82, of Kewaskum, passed away on Friday, April 16, 1999 at Four Winds Manor in Verona.

He was born on August 6, 1916 in Kewaskum, the son of the late Edward F. and Margaret (Mueller) Miller and on October 26, 1938 he was united in marriage to Laura Hirsig at Holy Trinity Catholic Church in Kewaskum.

Mr. Miller served area families for many years with Miller's Funeral Home and Furniture Store until his retirement in 1981. He was a licensed funeral director for 50 years and a member of the Wisconsin Funeral Directors Association. He served his country in the U.S. Army during World War II and was a member for over 52 years of the Robert G. Romaine American Legion Post #384 in Kewaskum.

He was a retired member of the Kewaskum Fire Department after over 35 years of service and a lifelong member of Holy Trinity Catholic Church in Kewaskum, where he served as an usher and on church committees. He was

a member of Knights of Columbus Father Caspar Rehr Council #1964 West Bend.

Survivors include his loving wife of 60 years, Laura; a daughter, Jolene (Ken) Kenyon of Verona; a brother, Frederick (Pearl) Miller of Calimesa, California; two grandchildren, Jeff (Debbie) Kenyon of Lake Mills and Jill (Scott) Stamm of Waukesha; five great-grandchildren, Jennifer and Michael Kenyon, Nicole, Jessica and Megan Stamm, many nieces, nephews, other relatives and many friends.

He was preceded in death by a son, Ronald Allen; a brother, Edward "Pat" Miller; two sisters, Sr. Mary Aquin O.S.F. and Margaret Mehring.

A Mass of Christian Burial was held at 7 p.m. on Tuesday, April 20, at Holy Trinity Catholic Church in Kewaskum with Father Mark Jones officiating.

Burial, with military graveside rites, was at 10 a.m. on Wednesday in Holy Trinity parish cemetery.

Friends called from 4 p.m. until the time of services at the church only on Tuesday.

The Miller Funeral Home in Kewaskum is serving the family.

## JUDITH LYNN KRAUSE

Judith Lynn Krause, 54, of Arpin, died on Saturday, April 17, 1999, at Bethel Center where she had been a resident for the last six months.

She was born March 1, 1945, in West Bend, to Harold and Elaine (nee Moudry) Krause, received her elementary education in Kohlsville, and graduated from Kewaskum High School.

She married Roger Gutjahr in West Bend, from whom she was later divorced. She had an ongoing relationship with her stepdaughter, Tracy.

Judy loved country western music, embroidery work and word search. She enjoyed being with people and will be greatly missed.

Survivors include her parents, Harold W. and

Elaine Krause of Arpin; a stepdaughter, Tracy Ellington of Milwaukee; two brothers, James (Kathy) of Owen, and David (Kris) of Catawba; a sister, Lori (Kevin) Fredrick of Marshfield; other relatives and friends.

Preceding her in death were a brother, Denis, in 1975, and her paternal and maternal grandparents.

Funeral services were held Tuesday, April 20, at 2 p.m. at Hansen Funeral Chapel, Marshfield. Rev. Mark Krueger of Christ Lutheran Church, Marshfield, officiated and burial was in Washington County Memorial Park, West Bend.

Visitation at the funeral home was on Tuesday, from 10 a.m. until the time of services.

Memorials may be designated to the family in her name for a memorial to be established at a later date.

## JENNIFER J. JAEGER

Jennifer L. Lambie Jaeger, of Fond du Lac, died Easter Sunday, April 4, 1999, as the result of an automobile accident.

She was born May 21, 1975, in Appleton, the daughter of Dale and Jackie Jansen Lambie.

Jenny was junior varsity coach for basketball at Laconia High School. She was active in sports all her years at Fox Valley Lutheran.

Jenny and her husband Brad Jaeger, formerly of Campbellsport, were married on December 31st, 1998.

Jenny was a beautiful person on the outside, but she was even more beautiful on the inside. She was always ready to help anyone and cared deeply about people. She will be sadly missed by everyone whose life she touched.

She was a wonderful big sister to Joe and Jolene, and to her sisters-in-law, but mostly a wonderful wife to Brad and

daughter to Jackie and Dale.

Survivors include her husband, Brad of Fond du Lac; her parents, Dale and Jackie of Kaukauna; one sister, Jolene (fiance Andy Boucher) of Kaukauna; one brother, Joseph Lambie of Kaukauna, her maternal grandmother, Gladys Jansen of Kaukauna; her godparents, Daniel Jansen of Kaukauna, Janice Rutton of Freedom, and Ruth Liptow of Ripon; and numerous aunts, uncles and cousins.

She is further survived by her husband's family: his parents, Richard "Rick" Jaeger of Campbellsport, and Diane M. Weiland of Mount Calvary, his sisters, Jennifer L. Jaeger of Fond du Lac, Jaclyn (Todd) Luedtke of Campbellsport, and Jill M. Jaeger of Mount Calvary; and his grandparents, Leander and Elizabeth Thelen Weiland of Campbellsport.

She was preceded in death by her maternal grandfather, Curtis Jansen; her paternal grandparents, Neil and Celesta Lambie; her paternal great-grandparents, Thurston "Bud" and Florence Lambie; and an uncle, Donald Linskins.

Funeral services were held at 6 p.m. Wednesday, April 7th at Trinity Evangelical Lutheran Church in Kaukauna. The Rev. Ronald Raddatz officiated.

Visitation was held from 4 to 8 p.m. at Boettcher Family Funeral Home, 2401 Fieldcrest Dr., Kaukauna and after 4:30 p.m. Wednesday at the church.

A memorial fund has been established for the Trinity Activity Center.

## IN MEMORY

In memory and honor of ALICE STROBEL, who was called home by God 25 years ago, April 25, 1974:

The light of her love, the tenderness of her caring. The warmth of her presence brightened the lives of those who called her mother.

*Sadly missed by her family.*

## LEONA L. KUEHL

Leona L. Kuehl, nee Boldt, of West Bend, died Thursday, April 15, 1999, at the Samaritan Health Center, at the age of 91.

She was born in West Bend on February 10, 1908, to the late Charles and Emily (nee Behling) Boldt, and married Helery "Larry" Kuehl on July 15, 1933, in West Bend.

She was employed at the former Mehring's Fish Market, and for 20 years at the Amity Leather Company, retiring in 1972.

Leona was a member of St. John's Ev. Lutheran Church, West Bend, and St. John's Ladies Aid. She was also a member of various homemaker groups in Washington County and the former Mor-Ed Association.

Survivors include her husband; a daughter, Janis (Herman) Berndt of West Bend; three grandchildren, Joan (Zachary) Stoffel of Kewaskum, Diane (James) Meach of New Berlin and David (Kelly) Berndt of West Bend; four great-grandchildren, Rebecca Stoffel, Jacob Stoffel, Owen Stoffel and Taylor Leann Berndt; a sister-in-law, Mabel Boldt of West Bend; two nieces, June Pajari of West Bend and Barbara (Louis) Luscher of Rice Lake; a nephew, Herman (Lucille) Schultz of Green Lake; other relatives and friends.

Preceding her in death were four sisters and two brothers, Linda Cler, Annetta Boden, Hilda Marquardt, Ida Schultz, Carl Boldt and Franklin Boldt.

Funeral services were held Sunday, April 18, at 6:30 p.m., at the Myrhum-Patten Funeral Home, West Bend. Rev. George Mumm officiated and burial was on Monday at 9 a.m. in Washington County Memorial Park, West Bend.

Visitation at the funeral home was on Sunday from 4 p.m. until the time of services.

Memorials to St. John's Ev. Lutheran Church or the Samaritan Health Center are appreciated by the family.

## MICHAEL R. HARRINGTON

Michael R. Harrington of West Bend died Friday, April 16, 1999, at St. Joseph's Community Hospital, West Bend, at the age of 84.

He was born Jan. 26, 1915, in the town of Saukville to the late Michael E. and Helen (nee Elhardt) Harrington and married Dorothy VandeBoom on June 12, 1940, at Immaculate Conception Church, Saukville.

Michael farmed in Saukville until they moved to West Bend in 1951. He owned and operated Harrington Oil Co. in West Bend until his retirement.

Survivors include his wife; Dorothy; four children, Michael (Dorothy) of Port Washington, Tom of Pollock

Pines, Calif., Mariann (Les) Gundrum of West Bend and Colleen (Robert) Ruhnke of Kewaskum; nine grandchildren; four great-grandchildren; a sister, Lucille Karius of West Bend; other relatives and friends.

Preceding him in death were a daughter-in-law, a sister-in-law and four brothers-in-law.

Funeral services were held on Monday, April 19, 1999, at 9:30 a.m. at the Schmidt Funeral Home with a Mass of Christian Burial at 10 a.m. at Holy Angels Church. Rev. Jerry Repenshek was the presider and burial followed at Immaculate Conception Cemetery, Saukville.

Visitation was from 4 p.m. until 7 p.m. Sunday and also on Monday from 9 a.m. until the time of the services.

He was everyone's favorite grandpa.

## LEONA M. SCHULTZ

Leona M. Schultz, nee Opper, of West Bend, died Tuesday, April 13, 1999, at the Samaritan Health Center, at the age of 83.

She was born Dec. 17, 1915, in the town of Auburn in Fond du Lac County, to the late Henry and Christina (nee Jacoby) Opper, and married Wallace E. Schultz on Dec. 20, 1933. He passed away on Oct. 14, 1968.

Survivors include three children, Lloyd (Joyce) of West Bend, Norm (Caroline) of Saukville and Marjorie Harper of Thornton, Colo; 13 grandchildren; 14 great-grandchildren; two sisters, Edna Brown of Kewaskum and Frieda Kuehl of West Bend; nieces; nephews; and other relatives and friends.

Preceding her in death was a daughter, Delores in infancy, a grandson, four brothers and two sisters.

Funeral services were held Friday, April 16, at 1 p.m. at Pilgrim Lutheran Church, West Bend. Rev. David Maier officiated, and burial followed in Wisconsin Memorial Park, Brookfield.

The Schmidt Funeral Home, West Bend, assisted the family.

## BETTY JANE JUNGWIRTH

Betty Jane Jungwirth, nee Klinger, 77, of Oshkosh, died Tuesday, April 13, 1999, at Mercy Medical Center, following a long and courageous battle with emphysema.

She was born Jan. 9, 1922, in Oshkosh, to the late Herman and Elsie (nee Volkman) Klinger, and on June 8, 1939, married Gordon J. Jungwirth in Oshkosh.

Betty was a member of St. Mary's Catholic Church and the Parish Council of Catholic Women (PCCW).

Survivors include her husband; two sons, David (Connie) of Minnetonka, Minn., and Reginald (Jeannie) of Kewaskum; a daughter-in-law, Donna Jungwirth of Oshkosh; two brothers, Karl and Richard (Marlene), both of

Tucson, Ariz.; six grandchildren, Wendy (Matt) Tews and Denny Jungwirth (fiancee Lori Casler) both of Alexandria, Va., Brianna Jungwirth of Minneapolis, Minn., Sara Jungwirth of Minnetonka, Minn., Jeb Jungwirth and Joshua Jungwirth, both of Kewaskum; four great-grandchildren, Kelby, Landon, MacKenzie and Miguel other relatives and friends.

Preceding her death was a son, Dennis, in 1997, and three brothers, Chester, Donald and Melvin V.

A Mass of Christian Burial was celebrated at 10 a.m. on Friday, April 16, at St. Mary's Catholic Church, 442 Monroe St. Rev. John Becker and Sr. Judy Miller officiated, and interment followed in Riverside Cemetery.

Visitation at the church only was on Friday from 9 a.m. until the time of services.

A memorial has been established for the American Lung Association, for smoking awareness.

The Fiss and Bills Funeral Home, Oshkosh, served the family.

## IN MEMORY

In loving memory of **ROBERT WESENBERG**, who passed away five years ago, April 22, 1994:

You are not forgotten,  
Or will you ever be.  
We miss you so, our hearts are sore.  
As time goes by, we miss you more.  
Your loving smile, your gentle face,  
No one will ever fill your vacant place.  
No eyes can see us weep,  
But many a tear is shed while others are asleep.

*Sadly missed by the family.*

## IN MEMORY

In loving memory of **JAMES E. GILLARD** who passed away one year ago: April 24, 1998:

Though his smile is gone forever  
And his hand we can not touch  
We have so many memories  
Of the one we loved so much.  
His memory is our keepsake  
With which we never part.  
God has him in his keeping  
We have him in our hearts.

*Sadly missed by his wife and family.*

## THANK YOU

Thank you St. Jude for favors granted.

M.

## THANK YOU

I would like to thank my family, friends and neighbors for their visits, phone calls, cards, gifts, flowers and prayers while I was at St. Joseph's and recuperating at home, trips to and from therapy.

Also special thank you to Pastor Fredrich for his visits and prayers.

Thank you to all the nurses and Doctors at the hospital and subacute who were so accommodating and thoughtful.

*Evie Thiemer*

## TORNADO FACTS

Most tornadoes are found in, or very near a rotating "wall cloud," on the south or southwest side of a thunderstorm. The wall cloud is a distinct lowering of the rain-free (or almost rain-free) base of a thunderstorm. The rain-free base is found in the updraft (inflow) portion of a thunderstorm. Tornadoic thunderstorms possess a rotating updraft. If you can locate the inflow region of a thunderstorm, you've located the potential "hot spot" should a tornado develop.

## Free Health Fair at UWWC

WEST BEND -- The Wellness Committee of the Student Government Association at the University of Wisconsin Washington County is sponsoring a free health fair from 10 a.m. to 1 p.m. on Wednesday, April 21, in the UWWC Gym.

The American Cancer Society will have an information booth set up and the Blood Center of Southeast Wisconsin will have blood pressure screening available. Demonstrations of massage therapy and occupational therapy will be available as well as chiropractic information. The City of West Bend Recycling program will also have a booth at the fair.

The UWWC Health Fair is free and open to the public. For further information contact Debbie Butschlick at (414) 335-5238.

Horses have larger eyes than any other land animal except ostriches. Their two eyes can move independently, each in a half circle.

**Our New Heil® Air Conditioner  
Sure Takes The Droop Out Of Summer.**

**Depend On Heil.** Summer heat really makes me droop. I used to get sent outside when I accidentally didn't notice I was chewing a shoe. Now that we have our new Heil Air Conditioner, I'd rather chill out than chew. With

Heil's hundred-year heritage of dependability, my family can count on quiet, efficient cooling year after year. Thanks to our Heil Air Conditioner, I feel so good I could even frolic with the family. Well, that might be overdoing it.

## Prunty Family Will Carry on Tradition at Slinger Speedway

David Prunty, who will be driving the #1 car, will be on the track this Sunday, April 25, at the Slinger Super Speedway.

The Slinger Super Speedway will celebrate its' Annual Sunday night of racing tradition this Sunday, April 25.

For over 30 years, the "Head of the Prunty Family," Douglas Prunty, Sr. has had his own tradition... taking his family to the Slinger auto races. The Prunty family will continue the tradition this year, as three of his seven children will take to the track and compete in the various divisions.

Although there are different drivers and different style cars at the Slinger Speedway, the Prunty family of Allenton, still feels a Sunday night would not be

complete if they didn't attend the races.

Thirty years ago, even when money was tight and they were trying to raise seven children, Douglas Sr. and his wife, Dorothy, felt the family interest, the stock car races, was "just the ticket" to keep the family together. And that is exactly the way it has been for all those years.

Today, it's not just on a Sunday evening that the "crew" gets together, but three nights a week to get the cars ready to race, after working a full day on their regular jobs.

Although, today, Mom and the two daughters, Debbie and Diann, don't

attend the races on a regular basis, the five boys, Daniel, Doug Jr., David, Dennis, Dale and Dad make the trip to the Slinger track every Sunday... with cars in tow!

A few years ago, the oldest son, Daniel, was the first to try his skills in an Enduro race in 1987. In 1990, the family built a Slinger Stinger car for Daniel to race and he was the Slinger Stinger Rookie of the Year. Daniel left the thrills of driving racecars for the enjoyment of married life, but he is still the "main man" or crew chief for all three brothers and he as set some high goals for the Prunty family racing teams.

David Prunty, 28, started pitting for some late model drivers at the age of 15. He wanted to become a driver and the best way to learn the racing setups and the workings of a team, is to be a part of that nucleus in the pits. In 1993, David took his savings of \$600 and invested it in a street stock.

With his limited budget, he was able to win 10 races that year and finished sec-

ond. In 1994, David traveled down south on weekends and became a member of the NASCAR Busch Grand National team with driver Bobby Labonte.

That year he learned the meaning of teamwork and gained the knowledge of the many racing theories. He enjoyed the work down south, but Wisconsin racing was in his blood and so was Kari, who became his wife that year. He also wanted to be behind the wheel of a racecar.

With the prodding of his brother, Daniel, and his father, they decided to take their skills and knowledge and move up to the Late Model Division at the Slinger Speedway. So in 1995, David and his "crew," Dad and brothers Daniel, Doug Jr., Dennis and Dale, bought a used late model chassis from a former driver, Dale Weyers, and placed 14th overall in the point standings.

That year David was in some heavy competition for the Rookie of the Year honors. Champions from other area tracks, such as Jamie Wallace, Donavon Morgan, and the late Al Schill, Jr. were among the new drivers to continue their racing careers at the Slinger Super Speedway.

Last year, with three quick times and the consistency in finishing in the top of the field in the Late Model feature events, David earned fifth place in the 1998 point standings. This year he will be behind the wheel of the beautiful teal #1.

The chassis is a left hander and it will sport a 1999 Pontiac Grand Prix sponsored by Bob Fish Goodwrench Service Plus.

The brothers bought a "jig" (frame machine) of their own. David, now from Lomira, feels with his engineering degree from Rose-Hulman Institute of Technology, Terre Haute, Indiana, and racing "know-how," the Prunty racing teams will have an edge on the competition even with the older equipment.

David works at R.E. Phelon Co., Inc., as an engineering supervisor and he wants to try his hand at

experimenting with the setups, just like the late Alan Kulwicki did when he ran Slinger Super Speedway.

With his wife, Kari supporting him from the grandstand, his dad and brothers helping him in the pits, along with Russ Davison and Derek Indermuehle, David feels he has a good chance to win top honors in the Late Model Division this year.

The 1999 Pontiac Grand Prix teal #1 is also sponsored by Marchant Schmidt Inc., Fond du Lac; Luedtke Lumber of Lomira; Uncle Sam's Fireworks of Allenton; Wiedmeyer Express and Auto Body Dynamics of Kewaskum.

This Sunday at the Slinger Super Speedway, the races will start in the afternoon with a complete racing program for all divisions. The annual special of Twin 75 lappers for the Late Model division is the special attraction for the season opener.

This is also the beginning of the annual Prunty summer Sunday get-togethers. So watch for David Prunty in the Late Model teal #1 and Dennis Prunty driving the black Modified #1. Dale Prunty, starting his rookie year in the modified division, has painted his car yellow and black with the #17 on it, just like Matt Kenst's car in the NASCAR Busch series.

Start your own family tradition and take the family to the Slinger races this Sunday. After the races, stop in the pit area and find the Prunty race cars. Get their autographs and pictures of the cars. The Pruntys always enjoy talking about the races to the interested race fans.

### TORNADO FACTS

Roughly 80% of Wisconsin's tornadoes are weak with wind speeds of 50 to 110 mph. About 19% are rated as strong with wind speeds of 110 to 205 mph. Luckily, only 1% are violent with wind speeds over 205 mph.

**Making Use of Your Yard Waste**

Landfills in Kewaskum and the surrounding communities are rapidly being filled up.

But if more people take on an active role in recycling to reduce the amount of waste entering our landfills, landfill life can be extended and long-range costs reduced.

About 50% of household waste is readily recyclable (newspaper, glass, metals and yard waste). Of these items, yard waste is one of the easiest to put to use. Brush, leaves, grass, and other plant refuse are valuable renewable resources for mulches and composting.

Taking advantage of a mulch may be the most beneficial practice that can be used around your trees or on your shrub beds, flowers, and vegetables. A mulch is a collection of fallen leaves, grasses, or other materials. Mulches are applied to reduce soil erosion, aid in controlling weeds, keep the soil moist and cool, and add essential organic matter to the soil.

There are several types of materials used as mulches. Each material

should be accessible, easily applied, and relatively free of weed seeds. Some of these suggested materials include grass clippings, compost and leaves.

Under normal mowing conditions, clippings should not be removed from the lawn. Lawns benefit by allowing the clippings to remain. Each year approximately one-half of the lawn's nutrient needs are added back to the soil when clippings are returned.

This means less fertilizer is needed to keep the lawn healthy. Contrary to popular belief, clippings do not add to a lawn's thatch layer when the grass is mowed regularly.

Only if the grass becomes too tall and matting occurs should clippings be removed. In this case, mulching with grass clippings is an excellent way to dispose of your clippings.

Leaves are one of the best mulching materials for trees and other woody plants. Leaves should be partially decomposed or finely chopped before using. If not broken down, they may pack too heavily and

may cause damage if applied over herbaceous perennials.

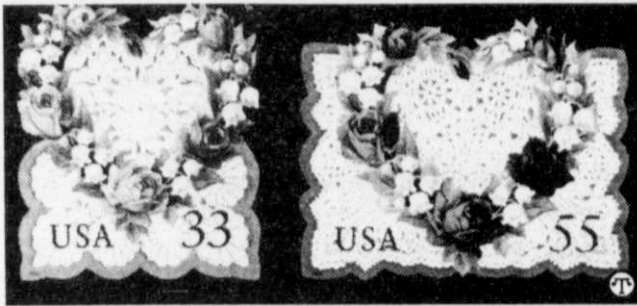

Leaves, like other organic mulches, add humus to the soil and increase the water-holding capacity of the soil. However, they decompose slowly. Leaves are low in nitrogen, so additional nitrogen may need to be added to prevent a nitrogen deficiency in your plants. Add one cup of dried blood or 10-10-10 fertilizer per bushel of chopped leaves.

Compost is perhaps the best mulch you can use and you make it yourself from leftover plant materials from your lawn and garden. (More about composting will be coming in another article).

Once you have chosen your mulching material, it is easily applied. Simply spread a three to five inch layer on the soil around your plants. Additional mulch will be needed later over the old layers to maintain the proper thickness and receive maximum results. Garden mulches should be worked into the soil in fall to decompose by next spring.

*New Stamps Show Love In Different Forms*

(NAPS)—You may want to add a little more love into your life—or at least onto your letters.

Victorian hearts are gracing letters this year since the 16th set of stamps in the U.S. Postal Service's Love series—and the first ever U.S. stamps cut in the shape of their image—were issued in late January.

The romantic stamps are available in one- and two-ounce rates (33-cent and 55-cent). Try using the new stamps in these loving ways:

- Add a charming and warm look to wedding announcements, wedding invitations and thank-you notes with the new Victorian stamps. The 55-cent stamp can be used for oversized wedding invitations that can weigh up to two ounces.
- Celebrate such occasions as birthdays and anniversaries by using the stamps on cards for the special people in your life.

These new stamps represent the second time in the series that the word "love" was not included in the image; instead the universal symbol of love, a heart, is prominently featured in a floral arrangement.

The 33-cent First-Class stamp is vertical with a pas-

tel pink background covered with white lace that is derived from a chocolate or biscuit paper-lace box liner of American attribution, circa 1900. The floral heart on the stamp contains pink roses, white lilies-of-the-valley and green leaves.

The 55-cent two-ounce stamp is horizontal with a pastel purple background covered with white lace that is based on English valentine paper lace, circa 1885.

The new Victorian-Love stamps were dedicated at a ceremony in downtown Loveland, Colorado. The community receives hundreds of thousands of cards from around the world just to get the postmark from Loveland.

More information about the new stamps are available at any post office or on the Web at [www.stampsonline.com](http://www.stampsonline.com).

The U.S. Postal Service offers first day covers for new stamp issues and postal stationery items post-marked with the official first day of issue cancellation.

Each item has an individual catalog number and is offered in the quarterly *USA Philatelic* catalog. Customers can request a free catalog by calling 1-800-STAMP-24.

**Community Supports March of Dimes Washington County WalkAmerica**

Residents, business leaders and community members from the Washington County area have signed up to participate in this year's Washington County March of Dimes WalkAmerica. More than 150 people are expected to step out for America's mothers and babies on Sunday, April 25, rain or shine.

This year's WalkAmerica theme, "Saving Babies, Together" highlights the March of Dimes successes including the discovery of the polio vaccine, development of nationwide neonatal intensive care units, PKU tests, nitric oxide therapy, surfactant therapy and fortification of the nation's grain supply with the B vitamin folic acid to reduce the risk of birth defects of the brain and spinal cord.

The four-mile and seven-mile route begins and ends at Riverside Park, guiding walkers on a scenic tour of West Bend. Registration begins at 9 a.m., with the walk starting promptly at 10 a.m. Festivities will include a variety of food and refreshments, entertainment, warm-up exercises and more.

Area companies who have signed up to participate in WalkAmerica include West Bend Company, Johnson Bus and Serigraph.

CIGNA HealthCare, the Florida Department of

Citrus (FDOC), and Kmart Corporation are the March of Dimes 1999 national WalkAmerica sponsors. West Bend Company is this year's site sponsor of the event. Checkpoint sponsors for the Washington County WalkAmerica include West Bend Company and Shopko. Southeastern Wisconsin Walk sponsors include Associates for Health Care Inc., The Business Journal, CBS-58, Eller Media Co., Marcus Theatres Corp., MetroParent Magazine, Obie Media Co., Potawatomi Bingo Casino, The Point WPNT-FM, and V100.

Anyone interested in volunteering or participating

in the Washington County WalkAmerica should call Ann Peterson at 1-800-669-WALK or (414) 778-3500.

The March of Dimes is a national voluntary health agency whose mission is to improve the health of babies by preventing birth defects and infant mortality.

Parents are somewhat of a disappointment to their children. They don't fulfill the promise of their early years.

**TORNADO FACTS**

Thunderstorms are classified as single-cell, multi-cell, or super-cell. Each "cell" contains an "inflow" updraft region and an "outflow" downdraft region. Updraft regions consist of moist, unstable, buoyant air rising upwards at speeds of 30 to 90 mph. Downdraft regions can consist of heavy rains, hail, poor visibilities and sometimes strong, damaging downburst winds of 100 mph or more. Supercell thunderstorms, characterized with one large, long-lived, dominant updraft are the most likely of the three types to produce a tornado, but do not always produce a tornado.

### School Board Meeting Minutes

SCHOOL DISTRICT OF KEWASKUM

Regular Meeting  
March 8, 1999  
MINUTES

The meeting was called to order at 7:00 p.m. by President Goeden.

Members present: Lisa Maul, Larry Fechter, Tom Timblin, Jean Goeden, John Downs, Mary Andera, and John Schulte

Board members absent: none. Following a moment of silence, Clerk Andera led the Pledge of Allegiance.

Mrs. Goeden announced that she was resigning as Board President immediately, due to family medical commitments. Vice President, Tom Timblin officially took over as Board President.

Goeden/Andera motion to approve the agenda. Motion passed 7-0.

Audience to Visitors; receiving of delegations: Several people from the audience brought up issues including, curriculum cuts, the play policy, and facility needs.

Student representative, Choral Choinski, informed the Board of Student Council activities at the high school.

Building principals updated the Board on activities and projects completed at the schools.

Andera/Downs motion to approve the February 8, 1999 Regular Meeting minutes. Motion passed 7-0.

Goeden/Downs motion to approve the February 8, 1999 Closed Session minutes. Motion passed 7-0.

The next FTBG Committee meeting is scheduled for March 18, 1999.

The following policies were presented for a first reading: #375-Selection of Play Productions, and #151.1-Separation of Policies, Procedures.

The Board reviewed Procedure #P431-Attendance Administrative Procedure.

The next Policy Committee meeting is scheduled for March 30, 1999.

Downs/Goeden motion to approve the payroll and accounts payable in the amount of \$1,083,542.74. Motion passed 7-0.

Goeden/Maul motion to approve all open enrollment requests for those children who want to attend our schools. Motion passed 5-2 with Mary Andera and John Schulte voting no.

Fechter/Goeden motion to approve all open enrollment requests for those children who live in our district, but want to attend school elsewhere. Motion passed 7-0.

Goeden/Fechter motion to approve the posting, in April, of a business manager. Motion passed 7-0.

The board discussed the replacement of curriculum coordinator. No recommendation was made at this time.

Maul/Goeden motion to approve the referendum fact sheet as presented. Motion passed 6-1 with John Schulte voting no. Larry Fechter asked that the records show that Mr. Schulte voted no because of the dollar amount allocated for the high school.

The Board reviewed the summer school booklet. It will come before the Board for approval next month.

Goeden/Andera motion to approve the following extra-curricular assignments: Jill Wichoski and Jessica Repovsch, co-coaches for track.

Fechter/Andera motion to allow the District Office to use the present Board signature stamp until after the election when a new one will be ordered.

Andera/Downs motion to

adjourn to Closed Session, as per State Statute 19.85(1)(e) "Deliberating or negotiating the purchasing of public properties, the investing of public funds, or conducting other specified public business, whenever competitive or bargaining reasons require a Closed Session." 1. Discuss personnel situation; 2. Discuss negotiations. Motion passed 7-0.

The Regular Meeting adjourned at 8:55 p.m.

### Campus Notes

More than 1,659 undergraduate students at the University of Wisconsin-Stevens Point have been honored for attaining high grade point averages during the fall semester which ended in December.

Students who earned grade points of 3.90 to 4.0 (4.0 equals straight A) are given the summa cum laude designation. Magna cum laude citations go to those with grade point averages from 3.75 to 3.89 and cum laude recognition is accorded to those with grade point averages from 3.50 to 3.74.

Personalized certificates of scholastic achievement are being sent to those who earned summa cum laude distinction.

Twenty percent of the 8,165 undergraduate students at UWSP during the semester were recognized for their academic accomplishments.

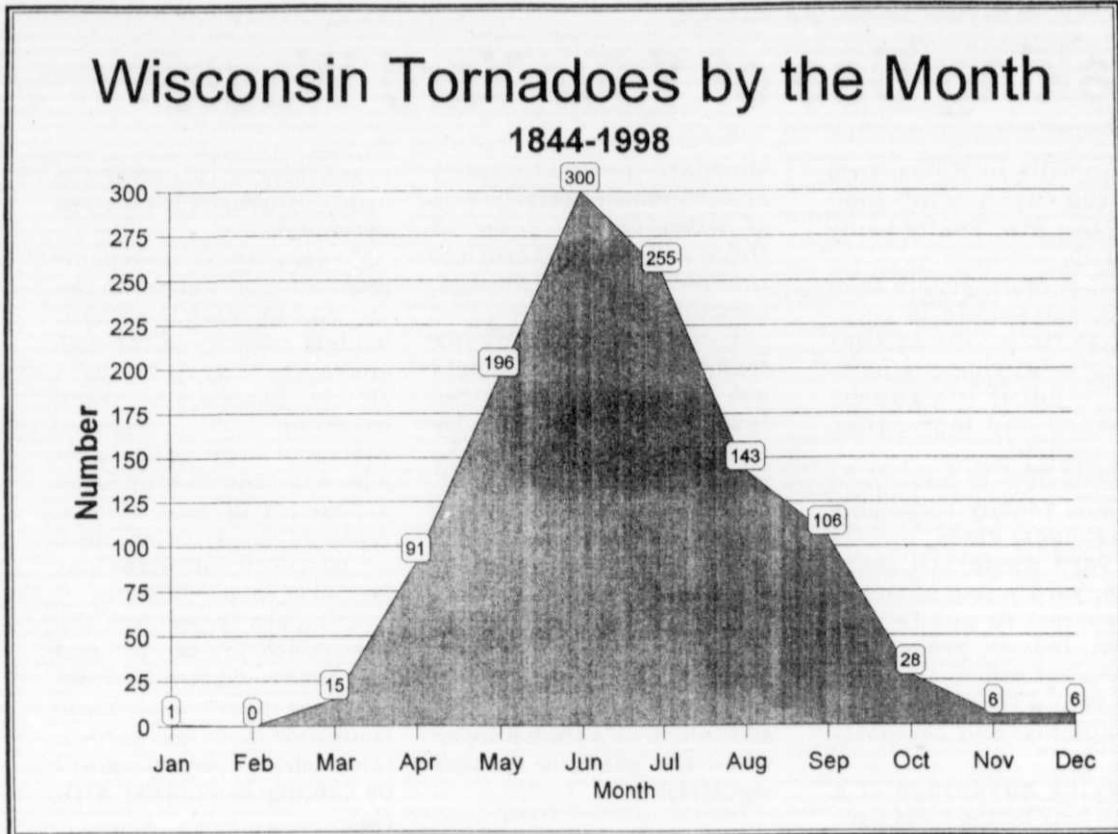

Honor students included:

KEWASKUM - Heather M. Amerling, magna cum laude; Tacey M. Blair, cum laude, and Janel L. Jones, cum laude.

ALLENTON - Katy L. Wolf, magna cum laude; Heather A. Hagner, summa cum laude, and Melissa L. VandenHeuvel, cum laude.

CAMPBELLSPORT - Amanda A. Birschbach, cum laude; Chad J. Keller, summa cum laude, and Gregg R. Serwe, magna cum laude.

FREDONIA - Beau J.

Banton, magna cum laude; Brenda S. Jacoby, cum laude, and Jennifer L. Wagner, magna cum laude.

WEST BEND - Amanda M. Vogt, cum laude; Kellie J. Boeldt, cum laude; Melissa L. Buchmeier, cum laude; Jennifer M. Fox, summa cum laude; Eric K. Zielke, cum laude; Jacqueline K. Briggs, cum laude; Aaron D. Clausen, summa cum laude; Brian M. Dean, cum laude; Katie A. Kroening, summa cum laude; Shelly Lange, magna cum laude; Michael J. Lauson, magna cum laude; Kimberly A. Mueller, cum laude; Cassie R. Strachota, cum laude; Jeffrey J. Trzebiatowski, cum laude; Scott Woyak, magna cum laude; Zachary D. Zimmermann, summa cum laude; Kimberly A. Getz, cum laude; Katrina M. Bergstresser, cum laude; Jennifer L. Seymour, summa cum laude.

Orville Kern, Clerk

### TOWN OF WAYNE NOTICE OF PUBLIC HEARING For Conditional Use Permit

NOTICE IS HEREBY GIVEN that a public hearing will be held before the Town Board at the Town Hall located at 6030 Hwy. H in the Town of Wayne at 7:30 P.M. on May 18, 1999, to consider the application of MICHAEL HUSAR for the issuance of a Conditional Use Permit under the Town Zoning Ordinance. Granting the permit will allow the applicant to construct a man made pond upon the applicant's property located at approximately 6665 Commercial Lane in the NE 1/4 of the SE 1/4 of Section 32 of the Town.

Dated: April 6, 1999

Orville Kern, Town Clerk

## KHS Girls Track Team Comes in Second at Quad

Powerful Chilton showed Eastern Wisconsin foes, Kewaskum and Kiel, and non-conference foe, Hilbert, that they are definitely a force to be reckoned with this season at a quadangular track and field meet at Kiel on Tuesday, April 14.

Chilton, behind 11 first place finishes, scored 103 points and dominated the meet. Kewaskum did manage to win three events and take six seconds as they accumulated 60.5 points, just ahead of Kiel's 56 points. Hilbert finished with 35.5 points.

Senior Jackie Michaels placed first in the 100m high hurdles with a time of 17.9 seconds. In the 300m low hurdles, Michaels, the defending conference champion, was edged by Megan Hintz of Chilton, 54.2 to 54.3 seconds in a very close race.

Senior distance runner Carol Neumann opted to run the 1600m and 3200m runs rather than her usual 1600m and 800m combination. Without teammate Neumann in the 800m run, sophomore Colleen Gosa made the most of the opportunity and won her first varsity race of her career.

Gosa was clocked in 2:39.9 and Themar of Kiel finished second in 2:40.1. "Without Carol in the race, Colleen knew she had her work cut out for her. I thought she ran a good race especially since she had already run the 1600m race," commented distance coach Jerry Gosa. Emily Rinzel finished in fifth place for Kewaskum with a time of 2:45.5.

Heather Rieder won the long jump with a distance of 14' 1-1/4" and teammate Jody Wichtoski placed third with a distance of 12' 8-3/4".

Both the 4x800m relay and the 4x400m relay finished fourth.

Tina Lindgren took second place in the 100m dash with a time of 13.9 seconds, just 0.1 seconds behind Salem of Chilton. Neumann took second place in the 1600m run with a time of 6:02.9 and Gosa placed third with a time of 6:12.8.

Riehm of Kiel won the 1600m run with a time of 6:00.7 seconds.

The 4x100m relay team of Jenny Fettig, Lynn Wiesner, Kristen Schiller and Tina Lindgren finished in second place with a time of 57.9 seconds. "They ran well," commented head girls' coach Joe Kinney.

Jody Wichtoski placed second in the triple jump with a distance of 28'3-1/2". Wichtoski also tied for third place in the high jump with a height of 4'6".

Placing third for Kewaskum were Kristin Schiller in the 200m dash in 31.1 and Neumann in the 3200m run in 13:24.9.

Placing fourth for Kewaskum were Nicole Hermann in the shot put with a throw of 30'8-1/4" and Melissa Lark in the

triple jump with a distance of 25'4-1/2".

When asked to comment on the meet, Coach Kinney responded, "I'm very pleased with the progress the team has made. I'm glad we were able to beat Kiel. Obviously Chilton has a good team and it will be between them and New Holstein for the conference title."

## KHS Girls Track Team Edged by New Holstein

The Kewaskum girls' track and field team traveled to New Holstein to compete in a dual meet on Thursday, April 15.

The Kewaskum girls' team had a meet the previous Tuesday, and were told by their coach, Joe Kinney, not to go all out, especially with the 36 team Waukesha Catholic Memorial Crusader Classic coming up two days later on Saturday, April 17.

Host New Holstein won ten events and won the meet with 70 points, while Kewaskum won six events and scored 58 points. The 3200m race was not contested. New Holstein won the 4x100m relay and the 4x200m relay. Thus New Holstein picked up 10 points. (In a dual meet relays are scored first place, five points and second place 0 points). Kewaskum did manage to pick up seven second placed compared to five for New Holstein.

Both Carol Neumann and Colleen Gosa were withheld from the 1600m run and both ran on the 4x800m relay team and competed in the 800m run. Emily Rinzel was switched into the 1600m run instead of the 3200m run and also ran with Neumann, Gosa and Kelly Darmody on the winning 4x800m relay team. Their winning time was 11:38. New Holstein did not enter a team.

Tina Lindgren won the 100m dash with a time of 14.5 seconds and teammate Stacy Muckerheide placed second in 15.0. In the 200m dash, Lindgren finished second with a time of 30.3 seconds and Jackie Krueger finished third in 32.6.

Amber Averill, Jackie

Krueger and Lauren Schultz made it a sweep in the 400m dash with times of 1:11.6, 1:14.3 and 1:14.8 respectively.

Jackie Michaels won her speciality, the 300m hurdles in 53.0 seconds, but had to settle for third in the 100m high hurdles with a time of 18.6 seconds. Kristel Ehrhardt won the 100m hurdles with a time of 17.3.

Sophomore Colleen Gosa won the discus with a personal best throw of 102'5-1/2" for Kewaskum and teammate Rebecca Gundrum placed third with her personal best of 77'6-1/2".

"The high point of the meet was the discus throw by Colleen Gosa. She threw around 80' on Tuesday at Kiel, then tonight at New Holstein she had a throw of 102'5-1/2". Wow! It is exceptional for an athlete to improve that much in such a short time," remarked Coach Kinney.

"I'm also happy with the progress that Rebecca Gundrum has made. She has worked very hard and it is good to see her achieve some of her goals," stated the coach.

Second place was Pethan of New Holstein with a throw of 80'11-1/2". Gosa also placed third in the shot put with a throw of 26'5-1/2".

Another sophomore, Heather Rieder, won the long jump with a jump of 13'3-1/2" and freshman Liz Rammer, long jumping in her first high school meet, placed third with a leap of 13'0".

Rinzel placed second in the 1600m run with a time of 6:32 and Heather Hackbarth placed third in 6:52.

In the 800m run, Neumann and Gosa finished second and third in 2:44 and 2:48. Birschbach of New Holstein won with a time of 2:40.8.

Freshman Jolene Clark high jumped 4'8" for second-place, just two inches behind the winner. Jody Wichtoski placed second in the triple jump with a jump of 28'8".

"I was very pleased with the enthusiasm and focus of the team. We know that New Holstein is a strong team and we wanted them to feel the same way about us. Considering the fact we had 21 places to their 19, I think we got their attention. We were a little intimidated at first, but when we saw that we were on the same level of New Holstein, we realized our potential. I hope that our confidence carries over into other meets," concluded Coach Kinney.

## Gosa Wins Discus

## KHS Girls Track Team Enters Crusader Classic

The Kewaskum high school girls' track and field team was one of 36 teams at the Fifth Annual Waukesha Catholic Memorial Crusader Classic held at Muskego on Saturday, April 17.

D.C. Everest won the team title with 79 points, while host Waukesha Catholic Memorial finished second with 69 points. Madison LaFollette finished with 64 points, Franklin 52 points, and Grafton 41 points. A total of 28 teams scored points. Kewaskum finished 19th with a total of 12 points.

"The most outstanding comment about Saturday is... COLD and WINDY! We were freezing! But we still had some outstanding performances," replied head girls coach Joe Kinney.

One outstanding performance and a big surprise for Kewaskum was sophomore Colleen Gosa's win in the discus. After the completion of the trials, Gosa went into the finals leading all the 52 throwers with her personal best throw of 108'2".

The weather was quite cold and the discus throwers had to throw into a pretty stiff wind. After each of the nine finalists received their final three throws, Gosa still had the best throw of the day.

"Without a doubt this was the best that Colleen has ever thrown. She had four or five throws over 100'. She did a great job," remarked throwing coach Dave Rizzardi. Gosa made a lot of improvement in the discus during the first three meets of the outdoor season. Gosa started the week throwing 83' 6-1/4" on Tuesday, April 13 at Kiel.

Two days later she won the discus at New Holstein with a throw of 102' 5-1/2" on Thursday, April 15, and then on Saturday, April 17, she had the winning throw of 108'2" at the Crusader Classic.

The other two points scored by Kewaskum were picked up by Jackie Michaels in the 300m hurdles. Michael placed seventh with a time of 51.3 seconds. "The other star of the meet was Jackie Michaels. She

was running very strong on Saturday. She made the semi-finals in the 100 high hurdles, but missed making it into the finals. The competition in the hurdles was incredible," exclaimed Coach Kinney.

When one of the Kewaskum coaches commented that there was a lot of tough competition, Coach Joe Kinney remarked, "that is why we come to a meet like this."

Even though only two Kewaskum girls placed in the 36 team meet, there were still some outstanding performances for Kewaskum," according to Coach Kinney. "Carol Neumann ran very well in the 1600m run," continued Coach Kinney. Neumann's time of 5:51 is her season's best.

In the triple jump, Coach Kinney stated that "Lauren Steinhardt was a nice surprise. This is the second meet that she has jumped in and she is already at 29'9". We are looking for her and teammate Jody Wichtoski to both get better. In the 200m dash, Lindgren finished second with a time of 30.3 seconds and Jackie Krueger finished third in 32.6 over the 30' soon."

Kinney continued by saying that, "the two sprint relays did well. Fettig, Wiesner, Schiller, Lindgren are becoming a nice solid 4x100m relay team. Freshman Stacy Muckerheide ran well on the 4x200m relay. She is exceptional at getting out of the blocks fast."

In conclusion, Coach Kinney stated, "All in all we did very well. I like this meet because of the level of competition. I tell the ladies that if we can compete with these teams, we can compete with any team in the state."

The next meet on Kewaskum's schedule is a home co-ed meet on Thursday, April 22, against Manitowoc Roncalli and Sheboygan Falls. The meet starts at 4 p.m. The following week, on Tuesday, April 27, Kewaskum hosts the Washington County Outdoor Track and Field Championships.

Ty Cobb had a higher lifetime batting average than any other player in the history of baseball.

## Gains Provisional Qualifying Time for Nationals in 800M Run Lynn Breaks 800M School Record

Marni Lynn, a sophomore at Carroll College in Waukesha, and former Kewaskum High School cross country and track standout, broke the Carroll College school record in the 800m run on Saturday, April 17, at the University of Wisconsin-Whitewater.

Lynn's winning time of 2:16.1 (two minutes, 16.1 seconds) also gave her a provisional qualifying time for the Division III National Track and Field Championships. A time of 2:14.13 in the 800m run is automatic qualifying for Nationals. Lynn led from start to finish, but needed to withstand a hard second place sprint from Whitewater's 800m specialist, Kara

Krumenauer. The old school record of 2:16.6 was held by Carrie Grace and was set in 1987.

In an unusual double, Lynn placed second in the 3,000m race with a time of 10:23 (10 minutes, 23 seconds). After leading the first half of the race, Lynn was passed, but held onto second place. Whitewater's Stephanie Greiber won the 3,000m race in 10:16. The provisional qualifying time for the 3,000m is 10:19.74 and the automatic qualifying time is 10:10.24.

When asked what was ahead in terms of goals for the next few weeks, Lynn responded that she, "wanted to meet the automatic qualifying standards for all three races, the 800m, 1500m and the 3000m."

Lynn has already sur-

passed the automatic qualifying time for the outdoor 1500m run when she ran a time of 4:32.16 (four minutes, 32.16 seconds) at the Florida State Relays held at Florida State University in Tallahassee, Florida on March 19, the week after she won the NCAA Division III 1500m run at the Indoor Track and Field Championships in Ada, Ohio.

Carroll College's 3,000m school record is also held by Carrie Grace. Other schools participating at the meet at Whitewater were Stevens Point, North Central, Oshkosh, University of Chicago and Beloit.

Lynn will either be competing at the Drake Relays in Drake, Iowa on April 23 or at the Private College Championships at Carthage on April 24th.

## UW-Fond du Lac to Break Ground April 25 for Campus Expansion

FOND DU LAC -- On April 25, 1999, the 30th anniversary of the original dedication of the University of Wisconsin-Fond du Lac campus, the Fond du Lac County Board and UW-Fond du Lac will break ground on a \$12.9 million campus renovation and expansion project. The groundbreaking ceremony begins at 2 p.m. and will be emceed by Chris Schwenck, county board member and UW-Fond du Lac alumnus. The public is invited.

Speakers for the event include County Executive Allen Buechel, Campus Dean Judy Goldsmith, UW-Colleges Chancellor William Messner, County Board Chair George Stanchfield, UW-Fond du Lac Student Government President Jon Fox, Former UW-Fond du Lac Campus Dean Willard Henken and County Board Member (and campus alum-

nus) Chuck Birschback.

A reception will take place in the Henken Lounge of the Student Center following the ceremony.

"April 25 will mark the beginning of a rebirth for the UW-Fond du Lac campus," said Campus Dean Judy Goldsmith. "This means so much for all of us -- the faculty and staff, students and the community who will benefit from this upgraded facility. The groundbreaking can take us into the 21st century."

For more information about the groundbreaking ceremony, contact UW-Fond du Lac's University Relations office at 929-3619.

The Great Pyramids of Egypt are the only surviving Wonder of the Ancient World.

## Sparks Double Winner Boys Track Third at Quad

The Kewaskum High School boys' track and field team traveled to Kiel on Tuesday, March 13, to compete in a quadrangular against Chilton, Hilbert and Kiel.

Chilton won the meet with 84 points. Kiel finished second with 70 points, Kewaskum finished third with 55.5 points and Hilbert, a smaller non-conference school, finished with 32.5 points.

Chilton won seven events, Kewaskum five, host Kiel, four and the highest place finish for Hilbert were four seconds. Kewaskum managed to win only one second place, compared to five for Chilton, seven for Kiel and four for Hilbert.

Sophomore Charlie Sparks was a double winner

for Kewaskum in the field events. Sparks had a good throw of 132'2" to win the discus and a throw of 42'0" to win the shot put. Sparks also placed third in the 100m dash with a time of 12.1 and ran the anchor leg on the 4x100m relay that finished third in 47.8, just 0.1 seconds behind Kiel. Chilton won the 4x100m relay with a time of 46.7 seconds.

Sophomore Paul Mertz won the high jump with a jump of 5'6" and freshman Tom Ogi tied for fourth with a height of 5'4".

Freshman Chris Canter won the long jump with a leap of 18' 8-1/4", just 1/4 of an inch ahead of Huber of Kiel. According to head boys' coach Jerry Gosa, "Canter's first place finish

in the long jump was a pleasant surprise. Chris really just started working on his long jumping this last week. I knew he long jumped during middle school track last year, but he had been busy working on pole vaulting early in the season and his sprinting. It has been a long time since we've had anyone go over 19 feet in the long jump and maybe Canter will be the next," remarked coach Gosa.

Jason Strobel won the 200m dash with a time of 25.3 seconds and finished fourth in the 100m dash with a time of 12.3. Newcomers Strobel and Jim Thelen have been a good addition for a track team lacking upperclassmen. These two juniors along with two underclassmen, Canter and Sparks, give Kewaskum a good 4x100m relay team.

Senior Scott Mueller placed second in the 800m

run with a time of 2:17.7. Mueller, who had been bothered with shin splints, has been working hard and is striving to get his time down to 2:10. Mueller also gave the triple jump a try for the first time and just missed placing with a jump of 34' 6-1/2".

Potentially what should be one of Kewaskum's better scoring events, the pole vault, was not held due to the fact that Kiel has not pole vaulted for many years and consequently does not even have a pole vault pit.

Senior Matt Belger finished third in the 1600m run with a time of 5:10.1, close to his personal best. Freshman Bryan Kraft finished right behind Belger for fourth with a time of 5:12.8. Belger also finished fifth in the 3200m run with a time of 11:28. "Matt and Bryan are both trying to be the first one to go under the five minutes in the 1600m run. Good, friendly competi-

tion will help both of them and the team," reported head boys' coach Gosa, who also coaches both the girls and boys distance runners.

Josh Rieder finished third in the long jump with a distance of 17' 1-3/4" and finished fifth in the triple jump with a distance of 34'10-1/2". Troy Kedroske, a sophomore, finished fifth in the 800m run with a time of 2:27.8. Freshman Luke Kehres finished in sixth place in the 400m dash with a time of 58.0 seconds and as did freshman teammate, Tom Ogi, in the 200m dash in 26.4 seconds.

"The boys team is making good progress. The freshmen and sophomores are starting to come through and score some points. It will be interesting to see how much progress we have made when we compete up at New Holstein on Friday, April 16," concluded Coach Gosa.

## Koth Wins Pole Vault

# KHS Boys Roughed Up at New Holstein Triangular

The Kewaskum boys track and field team traveled to perennial Eastern Wisconsin Conference powerhouse New Holstein on Friday, April 16. Not only did they have a chance to again witness the superiority of the team that had won the indoor Oshkosh Invitational this year, but also went up against Luxemburg-Casco, a Packerland Conference power.

New Holstein edged Luxemburg-Casco, 75-74, while Kewaskum only scored 27 points.

Luxemburg-Casco won nine events, host New Holstein seven and Kewaskum won only one event.

Kewaskum's Chris Koth won the pole vault competition by clearing 11'6" with less misses than New Holstein's Brian Burke, who earlier this season won the pole vault competition at the Oshkosh Invitational by clearing 12'9". Sophomore Josh Parrent took third place in the pole vault with a jump of 11'0", and Brian Wall took fourth with a 10' effort. Dan Wall also cleared 10'. "Our jumpers looked real good tonight. Our Kewaskum pole vaulters took first, third, fourth and fifth," commented pole vault coach Rick Robinson.

Chris Canter took one of four second places that Kewaskum tallied. Canter, only a freshman, took second place in the long jump competition with a jump of 18'8", just 1/2" ahead of newcomer Andy Christophersen. Christophersen, a senior, cleared 18'7-1/2", good for third place.

Charlie Sparks took a second in the discus with a

throw of 129'5" on a cool and windy day. Josh Engels won the discus with a throw of 149'4-1/2" and the shot put with a throw of 46'9".

Sophomore Paul Mertz took second place in the high jump with a personal best height of 5'10". "Paul has been working hard. He started running on the 4x400 relay team and maybe that is helping give him more strength in his legs. I know his goal is to get over that 6' mark," commented Coach Gosa.

The Kewaskum 4x100m relay team was looking for revenge against New Holstein. In the indoor season, New Holstein ran away from the inexperienced Kewaskum relay team when they had difficulty with their handoffs. Luxemburg-Casco won the event in 47.5 and the Kewaskum quartet of Canter, Jim Thelen, Jason Strobel, and Sparks finished second in 48.0. What might have been a race down to the wire against New Holstein ended up with New Holstein dropping the baton during the exchange between their third and fourth runners.

Charlie Sparks ran the varsity 200m dash for the first time and responded with a third place finish for Kewaskum in 24.5 seconds. (On Tuesday at Kiel, Sparks had run the JV 200m dash for the first time in high school and recorded a time of 25.1 seconds). "He told me on Tuesday that he couldn't run that far, but I insisted that he run the race on Tuesday so that we could get a time on him in a meet," reported Coach Gosa. "It went as far as him even saying that he didn't have

his uniform to wear. I actually pulled an extra uniform out of my gym bag at the start area of the 200m dash and gave it to him to compete in. I don't know if he will always run the 200m dash, but he is definitely capable of running that far," smiled Coach Gosa.

Eric Dekleyn, the speedster from New Holstein, won the 200m dash in 23.5 and the 100m dash in 11.6 seconds. Both races were run into a pretty stiff wind.

Matt Belger finished third in the 3200m run with a time of 11:33.6 and Josh Rieder placed fourth in the triple jump with a leap of 35'5".

"New Holstein and Luxemburg-Casco are very tough competition. It doesn't feel good to get beat like this, but overall, I know that we gave good efforts. I told the team that I expect that kind of effort from them every time and that they just need to keep working hard and improving. I am especially happy with the athleticism of our underclassmen. Also, the addition of some of the football players, like Strobel and Thelen, really helps the 4x100m relay team. Why we can't get more of the football players interested in track is a good question," concluded Coach Gosa.

The next meet on Kewaskum's schedule is a home co-ed meet on Thursday, April 22, against Manitowoc Roncalli and Sheboygan Falls. The meet starts at 4 p.m. The following week on Tuesday, April 27, Kewaskum hosts the Washington County Outdoor Track and Field Championships.

# 1999 KHS Boys Golf Season Preview

With approximately 50 young men competing for positions on the 1999 Kewaskum High School golf team, several experienced returning lettermen and a new varsity coach, this season should prove to be very interesting.

The boys spring golf season started in late March with 22 first-year participants and 31 returning team members willing to brave the weather in an attempt to improve their respective golf games, including eight team members who have been in one match or another, and competed at the varsity level.

Add to that a new instructor for the first time in 35 years and you have the ingredients for a very competitive, challenging and unique season of golf at Kewaskum High School.

Currently, there are four senior class team members and ten junior class linksters as well. Then add 15 sophomores to the mix of letterwinners and competitors, along with 22 freshmen hopefuls.

The most experienced of the returnees are seniors Clint Herrick, Jered Lechner, Adam Shileny and Shaun Timblin, a three year letterwinner and sectional qualifier. Among the junior linksters who have played some varsity team matches are Curt Koth, Ricky Lettow, Nick Staehler, Jeff Taylor and Todd Wright.

Several sophomores strengthening the Indians roster are Jon Boedeker, Billy Koch, Dustin Melzark, Kevin Miller, Luke Piwoni, Luke Reindl and Josh Stangl. Early season rounds have demonstrated that many of the aforementioned golfers are capable of contributing quality scoring throughout the upcoming spring season.

In fact, Jon Boedeker shot Kewaskum's lowest score at their second tournament of the year and Josh Stangl shared medalist honors in the initial junior varsity match against West Bend East and West.

Of the incoming fresh,

most need some match play experience and seasoning while a few rookies have distinguished themselves with solid scoring and hard work, such as Noah Koch, Mitch Hawkinson and Ty Wietor. With over 20 first year participants the KHS golf program has a great opportunity to maintain the successful tradition established over the past 34 seasons by Hon-E-Kor Golf Pro, Joe Harlow.

Harlow, the former math teacher, football and wrestling coach, has recently resigned his position as the head boys and girls golf coach at Kewaskum High School. He started his tenure as varsity coach in the second year of the golf program's existence. Coach Harlow's teams proved to be successful very early on and has been able to maintain a high level of achievement over those many years.

With the guidance and tutelage of Harlow, new varsity coach, Glenn Eich-

stedt, hopes to maintain the golf program's tradition of high conference finishes and advances through the tournament series.

As a graduate of Kewaskum High School who played for Joe Harlow in both varsity football and golf and current KHS social studies instructor, Eichstedt will strive to continue what has been arguably the most successful sport at KHS over the past 30 years.

Helping to sustain the Indian standard of achievement will be senior letterwinner and team scoring leader, Shaun Timblin and junior letterwinner Curt Koth. The other varsity spots will be filled by any of the eight other experienced veterans or up-and-coming competitors. Battling for those positions through their effort and enthusiasm are seniors Clint Herrick, Jered Lecher and Adam Shileny. Joining in the battle are juniors Chris Boden, Jesse Boegel, Ricky Lettow,

Nick Staehler, Jeff Taylor and Todd Wright.

Solidifying the Indian roster are sophomores Paul Becht II, Jon Boedeker, Billy Koch, Dustin Melzark, Danny Mertz, Kevin Miller, Luke Piwoni, Luke Reindl, Scott Sarauer, Mark Schrauth, Josh Stangl and Jacob Stoffel. Challenging for opportunities to represent Kewaskum in matches are freshmen Chris Baker, Brian Cotter, Drew Donath, Mitch Hawkinson, Peter Herriges, Steve Herriges, Noah Koch, Darrin Schulist, Adam Smith, Tyler Steinhart, Mike Theisen, Nick Thorn, Jason VandeBoom, Tim Voight and Ty Wietor.

Helping to improve the team's chances is newly hired junior varsity coach, Scott Rohlinger, who served as a volunteer assistant last year. Scott is one of Coach Harlow's past players and KHS alumnus who loves the game of golf. His experience and enthusiasm has had a noticeable impact upon

those hard working young golfers that currently comprise the 1999 boys golf team.

The 1999 varsity and junior varsity team schedule of conference dual matches and tournament invitations are listed below.

## TORNADO FACTS

*Stay away from windows! Go into a basement and get under a heavy desk/table, covering your head with your arms, a mattress, or heavy blanket. If there is no basement, go to the lowest level, or an interior hall or closet. A bathtub can also be used as a last resort. Get out of large auditoriums or large warehouses. If caught outdoors or in a motor vehicle, lie flat in a roadside ditch, ravine or culvert, and cover your head with your arms.*

# Boys Golf Team Opens Season With Win at Marshland Invitational

The Kewaskum High School boys varsity golf team started their 1999 spring golf season at Rock River Hills on Wednesday, April 14, in a ten team invitational, hosted by Horicon High School.

Six team members from each school played 18 holes beginning with a shotgun start at 1 p.m. Fifteen foursomes proceeded around the Marshland trac and recorded their respective scores.

Representing the Kewaskum Indians were senior Shaun Timblin, juniors Curt Koth, Ricky Lettow, Jeff Taylor, Todd Wright and sophomore Jon Boedeker. This group had earned their position through qualifying rounds on Monday and Tuesday, April 12 and 13.

Assisting in this opening match was unseasonably warm weather, sunny skies and very little wind. The course had dried out in the days prior to this tournament, therefore, the conditions were conducive to some good early season scoring.

Upon completion of their

rounds, individual and team scores were posted outside the clubhouse. Those results indicated that the local linksters had initiated their new season by capturing the team title as well as two of the top six individual scores. This tournament established a standard of play for the team to gradually improve upon throughout the spring boys golf season.

Senior Shaun Timblin led all golfers with rounds of 38 and 40, to win medalist honors with a 78, eight over par. His round included 11 pars, six bogeys and one double bogey.

Teammate Curt Koth fired very steady rounds of 42-43 to finish with the sixth best score of 85. The Indians rounded off their team totals with sophomore Jon Boedeker's 89, juniors Todd Wright's 91 and Ricky Lettow's 92. By counting five of their top six scores, the Kewaskum Indians were able to take home the team title.

The final Marshland Invitational Tournament team standings were:

Kewaskum Indians, 435; Pewaukee Pirates, 440; Waupun Warriors, 450; Beaver Dam Beavers, 461; Brown Deer Falcons, 463; Slinger Owls, 480; Horicon Marshmen, 498; Central Wisconsin Christian, 499; Columbus Cardinals, 503, and Johnson Creek, 511.

The next match was scheduled for Saturday, April 17, at Olde Highlander Golf Course in Oconomowoc for a 36 team invitational tournament.

Before you borrow money from a friend, decide which you need more.
