Board Discusses Developers Agreement For 94-Lot Old Glory Heights Subdivision

By Lana Harbeck Kuehl

Village President Robert Wagner opened last Monday evening's board meeting by welcoming newly-elected trustee Andrew Kuehl to the board.

Mike Kimble, representing the Village of Kewaskum Economic Development Advisory Committee was present to address the board and answer any questions regarding the EDAC's First Annual Progress Report made by committee members.

Kimble stated, "I think this has been a very worthwhile effort by the Village. The survey came in and actually spoke quite highly of the village and the quality of life here. It also came up with what I personally felt were a lot of good recommendations. And we've already started the process."

Village Administrator Dan Schmidt added when the committee was formed a little over a year ago, they thought they would be meeting quarterly and to date they have already met 20 times, on the average, once a month.

Discussion was held on the possible expansion of yard waste hours at the village garage for April, May and September/October or some sort of limited curbside service pickup during that same time frame. It was mentioned that expansion of the hours would mean it would cost the village additional monies for wages, etc. It was also added that this

time frame would not coincide with the duties of the part-time summer employees would be working.

Director of Public Works Jerry Gilles favored extending the hours on a Saturday or an evening, stating he felt it would be a viable idea that could work out fairly well and it would help a lot of people. The issue will be revisited at a later date.

Under Reports of Department Heads, Fire Chief Mark Groeschel discussed the status of the new pumper as studied by the committee and added the new ambulance would be arriving at the end of the month.

Police Chief Richard Knoebel reported one crossing guard would be retiring and he would be seeking a replacement.

During his statements, Director of Public Works Jerry Gilles gave a report on the village-wide Spring Cleanup held on Saturday, April 24. Gilles stated three bins were completely filled.

Gilles added 300 trees were sold during the village tree sale held Saturday, May 1. There were also 40 old street signs sold the same day. These signs were recently replaced by the village and were available for community residents to purchase for \$4.00 each.

Under New Business, review and discussion of the Developer's Agreement was held for the proposed 94-lot Old Glory Heights subdivision on the southwest corner of the village. The subdivision is

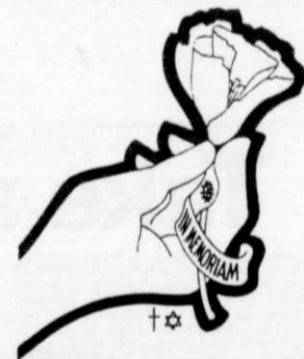

being developed by LB Entrepreneurs, L.L.C., owned by Joel Fehlhaber and Gary Gavin.

Village Attorney Gerald Kiefer opened the discussion by explaining the changes made to the Developer's Agreement. The changes primarily involved the phasing to be done and asphaltting.

Kiefer stated one of the requirements of the agreement would be the sub-divider "has to obtain permits from the county to allow access for Edgewood Road onto County Highway H as a requirement for the issuance of any building permit. That's a requirement that the county has."

Kiefer also explained the changes in the occupancy permits.

Following the lengthy discussion, President Wagner concluded the meeting by announcing the new committee, board and commission appointments.

Wear a Poppy for a Veteran

Poppies to Be Distributed

American Legion and American Legion Auxiliary volunteers will distribute the familiar red, handcrafted Poppies honoring America's war dead on May 21, throughout the village of Kewaskum.

Planned to coincide with the Memorial Day holiday, the annual event pays tribute to those veterans who have died in the last 75 years. It also honors the millions of Americans who have willingly served their country.

The poppies are made by veterans in Auxiliary sponsored Poppy Shops. The Auxiliary provides the materials and volunteers. The veterans make the poppies and are paid a small amount for each flower. The memorial poppy is never sold, but given in exchange for a contribution.

Won't you proudly wear a poppy this year?

Lynn Ranked #1 in Nation

By Jerry Gosa

Marni Lynn, sophomore ace distance runner for Carroll College in Waukesha and former Kewaskum High School standout, is listed with the fastest time in two events in the nation for Women's Division III Track and Field.

Lynn's time of four minutes, 32.16 seconds (4:32.16) is almost two seconds ahead of the second fastest qualifier for the NCAA Division III Outdoor Track and Field

Championships.

Lynn's time of nine minutes, 49.18 seconds (9:49.18) for the 3,000m race is almost five seconds ahead of the second fastest time on the NCAA Division III Women's Outdoor Performance List as of May 11, 1999.

The NCAA Championships will be held May 20-22 at Baldwin-Wallace College in Berea, Ohio. Lynn is planning on competing in both the 1500m and 3000m events at Nationals.

Kiwanis Sponsoring Lunch With Pastors

The Kiwanis Club of Kewaskum will be holding their annual "Lunch With The Pastors" at noon on Saturday, May 15, at the Salt H₂O Cafe, Kewaskum, formerly Gateway Supper Club.

The event will feature a guest speaker and musician,

Leo.

Tickets for the event are \$9.00 each and can be purchased at Video Post, Sentry Foods, West Bend Savings Bank, St. Francis Bank and The Salt H₂O Cafe.

They will be serving Stuffed Pork Loin w/applesauce or Chicken Piccata.

KHS Concert in the Park Set for May 19

The Kewaskum High School musicians will soon be playing and singing in the park. That's right, the yearly outdoor concert is just about here. All that is needed is a little more practice and some cooperation with the weather man.

On Wednesday, May 19, the bands and choirs of KHS will be set up in the large shelter area at River Hill Park. These groups will

be presenting an evening of fun music beginning at 6 p.m. They will also be serving brats, hamburgers, soda, coffee and more beginning at 5 p.m.

Set aside the date for the music students at KHS. Bring your family and friends (and some money for the food) and come and enjoy a beautiful spring evening in the park.

Two KHS Favorites Retiring

Kewaskum High School band teacher, Larry Ammel, and English teacher, Judith Jacak, will be retiring this year.

A party for both teachers will be held at the Amerahn in Kewaskum on Tuesday, June 1, from 3 to 6 p.m.

Those wishing to make reservations to attend and/or to donate toward a gift, should call either Dave Bertelsen or Beth Biskobing at the high school at 626-8427, by no later than Thursday, May 20.

5-13-2t

County Dairy Banquet Here

The Washington County June Dairy Banquet will be held on Thursday, June 3, at 7:30 p.m. The event will be held at the Amerahn, located just north of Kewaskum on Highway 45. This is the 40th year this event has been held in Washington County.

The banquet provides a kickoff for the dairy activities that are planned for the month of June and the rest of the summer. It also recognizes the dairy producers and the dairy industry in the area. It provides an opportunity for farm and non-farm individuals to get together and learn more about each other.

The evening will include a buffet dinner followed by a short program. The pro-

gram for the evening will be a presentation from Sandy Lang, Washington County Fair Manager, on the new Washington County Fairgrounds. After the banquet and program have been completed, the Bill Thull Band will provide music and dancing. The band for this event is being sponsored by Farmers Inc., Allenton.

Tickets for the event are \$8 and must be purchased in advance by May 25th. For further information or ticket availability contact the Washington County UW-Extension Office at 414-335-4477 or 414-342-2929 (Germantown and Milwaukee area).

The Washington County June Dairy Month Committee is sponsoring the event.

KHS Students Attend State Solo-Ensemble

On Saturday, April 24, eight Kewaskum High School students traveled to Oshkosh to perform in the State Solo-Ensemble contest. Congratulations to the following students: Jinna Bertelsen, Angie Ritger and Josh Seymour, first rating in vocal solo; Jinna Bertelsen and Amanda Klemme, first rating - vocal duet; Tina Olewinski and Matt Schroeder, second rating - vocal duet; Jenny Van de Boom, second rating - piano solo; Jessica Parrent, third rating - vocal solo. Brenda Van de Mark had also qualified for state, but was unable to compete in a piano solo. Pictured above, first row, left to right: Tina Olewinski, Jinna Bertelsen, Jessica Parrent and Jenny Van de Boom. Back row: Josh Seymour, Angie Ritger, Brenda Van de Mark and Matt Schroeder.

Youth-On-Youth Violence to Be Addressed During Teleconference

Local citizens will have an opportunity to meet with top experts and other concerned citizens across the United States when Moraine Park Technical College's Fond du Lac campus serves as a host site for "Kids, Guns, Violence: How to Make a Difference," on Tuesday, May 18, from 7 to 8:30 p.m. in Rooms 0-103/104.

"Kids, Guns, Violence: How to Make a Difference," is a live interactive discussion via satellite regarding youth-against-youth violence. This satellite teleconference, a production of United Methodist Teleconference Connection (UMTC), along with other cooperating organizations, will engage communities at downlink sites across the United States. An expert panel of researchers, academics and educators will guide the discussion in both prepared comments and spontaneous dialogue with

callers.

Topics will include:

- * Ways to identify problem kids and the typical danger signs that sometimes lead to violence.

- * Our culture of guns and how children absorb the values of violence.

- * The practice of conflict resolution: simple techniques that can diffuse confrontation.

- * How to access community resource and outreach centers.

Moraine Park, a fully equipped downlink site, encourages the community, and school groups in particular, to attend this teleconference. Admission is free and available on a first-come basis.

For more information regarding this teleconference contact Ann Torgersen at (920) 924-3125 or at atorgersen@moraine.tec.wi.us.

Cordell Kern Retires After 43 Year Career as Waitress in Community

Former employer Ruth Campbell reminisces with her former employee and friend Cordell Kern.

With a tear in her eye Cordell accepts a plant from Holy Trinity Pastor, Mark Jones.

Statesman Photos: Andrew Kuehl

By Andrew R. Kuehl
Staff Writer/Photographer

A handwritten note welcomed customers to The Kewaskum Kafe the morning of April 30. A note of thanks from a woman who has remained a fixture at 1526 Fond du Lac Avenue.

After 43 1/2 years as a waitress, Cordell Kern decided it was time to end an era.

The note read "Thank you to all the wonderful customers,

especially the early morning crowd for the wonderful years of serving you. The kidding, joking... it made the day. I'm sure I'll miss that. Thank you to my co-workers Ruth, Carrie and Marilyn. God Bless you all. Keep smiling, that's it. Love you all.... Cordell."

Kern started waitressing in 1955 for Gertrude Schultz who owned Schultz's Village Inn. The building in which she started her career has seen

many changes inside and out and has been through four owners.

Bud and Ruth Campbell purchased the business from Schultz. Ruth still helps out at the restaurant on a daily basis.

After Bud passed away, Ruth sold the business to Gladys Seefeldt, and it became Buffy's Village Inn.

In October of 1996 the restaurant became Begu's

Family Restaurant under the management of Zaim Selimoski. It is now managed by Baskim Isnailoski and named Kewaskum Kafe.

In speaking with Kern, she stated she just returned from a small vacation visiting her son, Robert and his wife and four grandchildren in Michigan, and retired life was going well.

She stated she would be utilizing much of her freetime caring for her roses and spending time outdoors doing yard work.

One thing is certain though, Cordell is definitely enjoying retirement. She will though miss everyone, especially her early morning crowd and hearing the latest village gossip. She said she has enjoyed the past 43 1/2 years working with her co-workers, and the restaurant's patrons.

Woman's Club To Hold Wrap Up Meeting May 20

The GFWC-WFVC Kewaskum Woman's Club will have a wrap up meeting on Thursday, May 20, at 7 p.m. in the Kewaskum Community Room.

A presentation of Child Abuse and Neglect with Prevention and Strengthening for Families in Washington County will be made by Joy Breese of the Youth and Family Project of the county.

A snack will be served by hostesses Charleen Barutha and Kathie Ramthun.

The "wrap up" meeting commences with the dispensing of funds raised by volunteer services for community benefits. The Spring Luncheon was a great success for the Kewaskum Public Library and the National GFWC program called Libraries 2000 Goal.

Club members will again be helping with the Kewaskum Area Chamber of Commerce Golf Outing on Saturday, July 31, with donations. The club also works with the Village of Kewaskum on the Beautification Awards in early August.

Anyone interested in community involvement is encouraged to consider joining the Kewaskum Woman's Club.

County Farm Bureau Awards Agri-Science for Teachers

The Washington County Farm Bureau has awarded three \$500 Agri-Science for Teachers course. The teachers who were honored are Pauline Ruka from MacArthur Elementary, Germantown; Bonnie Schulz from Kewaskum Elementary, and Lora Schreiber of Farmington Elementary School.

The Agri-Science for Teachers is a three-credit graduate course for K-8 teachers. Classes are offered in Sun Prairie,

Stevens Point, Milwaukee and River Falls. The course will provide agri-science learning activities useful for topics in science, math, language, art, social studies and careers.

The Washington County Farm Bureau is the sponsor of the Ag in the Classroom program and has donated agriculture books for the library, resource material and the video, "Discover Wisconsin Agriculture" to all elementary schools in Washington County schools.

Party for County High School Students

Attention all Washington County High School students: Do you like to party? The AODA Council is planning a party for Washington County High School students.

Do you like food, prizes, magic, comedy, music, sports? If you answered yes to any of these questions you should attend the Washington County High School Safe Night at the YMCA in West Bend. The party is planned for Friday, May 28th, from 7 to 11 p.m. Tickets can be purchased for \$2.00 during your lunch hours starting the week of May 24th or \$3.00 at the YMCA door.

Don't miss the opportunity to meet other high school students from Washington County. Many local businesses have donated items for prizes and food. Entertainment will include a DJ and a Magician/Comedian. Students will be free to use the YMCA facilities during the party.

The High School Washington County Safe Night is a violence free, conflict free, and alcohol/drug free event. Please contact the Council with any questions at 335-6897.

In 1997, the number 42 was officially retired by all major league baseball teams in honor of the 50th anniversary of Jackie Robinson's breakthrough with the Brooklyn Dodgers.

Thull Donates Hamburger to Food Pantry

WEST BEND - Across Wisconsin this past spring, concerned farmers donated the hamburger from one milk cow to a food pantry in their area.

The donation symbolizes the need for farmers to take more responsibility and a more active role in milk marketing and also symbolizes the increasing role individuals and communities need to fill in making sure the hungry in their area continue to receive the food they need.

In Washington County, Kevin Thull, an organic farmer from Kewaskum, has donated the hamburger from one cow to the Full Shelf Food Pantry in West Bend.

The increased need for food donations in pantries and the need for dairy producers to become responsible for the supply of milk in the market are both being met by the donation of meat from one milk cow. These cows that were donated to feed the hungry will not by itself curb the reported overproduction that is causing a steep drop in farmer's milk prices. But farmers like Thull are hoping it draws attention to the need for farmers to consider how their production directly impacts their income.

Without the government stabilizing programs, prices for these ag products have begun to fluctuate dramatically. A 1% increase in milk production can cause an 18% drop in prices farmers receive. These fluctuations affect the farmers' abilities to cash flow their businesses, make long and short term improvements and reinvestments and support their families and their communities.

While the donation from one cow equals about 400 pounds of hamburger and is a major donation for Kevin Thull and his family, the hamburger will barely last two weeks in the pantry and may feed less than 100 families. Each individual in a household is eligible for one pound of meat each

month from the pantry.

The average family using the Full Shelf pantry has about three members with family sizes ranging from a single member to nine members per household in 1998. There was a dramatic increase in the percentage of food distributed in late 1998 over 1997. In the winter of 1998 food distributed jumped 20 to 30 percent over last year and food pantry manager, Joe Schmidt, sees that trend continuing in 1999.

Schmidt says that the pantry serves over 300 families each month and that number is growing. The pantry serves all of Washington County and is an independent pantry relying on money from United Way, individual and corporate donations to operate.

Almost 150 volunteers provide the labor necessary to sort donations, stock shelves and manage the pantry. Food donations come in routinely from food manufacturing giants such as General Mills and from local grocers, distributors and individuals.

The pantry uses funds to purchase 22 essential items that they always have on hand and the other items offered change depending on donations. Beef is a rare item to find in the freezer because it is seldom donated.

Less and less of the food available for distribution comes from government commodity purchases as the government phases out of agriculture support programs. As the number of families relying on public and private food pantries grows and the government commodity food supply lessens, food pantries rely on businesses and individuals to fill their shelves.

Finding these donations in communities dependent on ag income could be difficult. Thull has been looking at the increase in the nation's milk supply and knows it means one of the steepest price drops in his-

tory.

"We will lose our price about the time we're looking at field work and that couldn't be worse timing. Much of my income is reinvested in my operation through the inputs I buy. When cash flow is tight it affects my suppliers too.

"So I'm doing some things to protect my income. I work too hard to accept low prices and know enough about this milk market to know I can't just keep producing milk and hope someone will pay me enough for it."

Village Board Meeting Monday

Public notice is hereby given that the next meeting of the Village of Kewaskum, Wisconsin Village Board is scheduled for Monday, May 17, 1999, at 8:00 p.m. in the Municipal Building, 204 First Street.

The agendas for the meeting are prepared as of Wednesday noon preceding the meeting and are available at the office of the clerk at the Municipal Building on Thursday preceding the meeting.

Copies of the agenda are also posted in the lobby of the Kewaskum Post Office and lobby of St. Francis Bank.

Though only about 10 inches high, the Lhasa apso was sometimes used as a watchdog!

Teachers Needed

To respond to an overwhelming demand from parents and teachers for specialized services, Wisconsin Dyslexia Institute seeks instructors. To provide the needed services, the Institute needs individuals who want to help make a difference in the lives of dyslexic youth and adults.

The Institute will provide a comprehensive two week seminar from July 12-23 in the West Bend area to train qualified individuals who wish to teach. Potential instructors for the Institute are required to hold a completed Bachelor's Degree or RN degree. Individuals with prior Orton-Gillingham training and certification who are interested in teaching are also encouraged to contact the Institute.

The curriculum is based on a flexible adaptation of the internationally known Orton-Gillingham Approach designed expressly for use with specific reading, spelling or writing difficulties characteristic of dyslexia.

The Institute's teaching approach incorporates vali-

dated principles with current theory, research, clinical and teaching experience. The content of the seminars reflects the curriculum criteria established by the Academy of Orton-Gillingham Practitioners and Educators, a national certification and accreditation body incorporated under New York State Education Law.

WDI was established as a nonprofit educational corporation in 1989. WDI has accumulated a great deal of valuable knowledge and unique skills in dealing with the wide ranging issues which revolve around dyslexia. In addition to teacher training programs, WDI also provides testing, tutorial services, in-service programs, a resource library, conferences, and a summer camp for youth. WDI has developed into a unique community resource and links public and private sectors concerned about educating all of our children.

An estimated 10 million children, or approximately one child in five, are affected by reading disabilities. Undiagnosed and untreated dyslexia profoundly impacts individuals and their families, our communities and our nation.

Three Law Firms to Receive Portion of Tobacco Settlement

By Rep. Glenn Grothman

Arguably, the most disconcerting transaction in my five years as a state legislator, will take place in the near future as three law firms receive money from the \$4.2 billion tobacco settlement to be received by the State of Wisconsin over the next 25 years. Last year, the State of Wisconsin sued tobacco manufacturers for the reimbursement of money spent paying for medical claims for tobacco related illnesses.

Under normal circumstances, the State of Wisconsin uses its own attorney in the Attorney General's office, when it files a lawsuit. The Attorney General has 540 employees. Here, a similar lawsuit had already been filed by the State of Minnesota -- meaning relatively little new research was required by the State of Wisconsin. Never the less, Attorney General James Doyle felt outside attorneys would better be used and, eventually, Governor Tommy Thompson conceded to his demands. As the result, three law firms; Habush, Habush, Davis & Rottier of Milwaukee; Brennan, Steil, Basting & MacDougall of Janesville; and Whyte Herschboeck Dudek of Milwaukee -- are now asking for \$847.5 million (20% of the \$4.23 billion the state would receive).

Incredibly, they are asking for \$357 million more than Minnesota law firms received (a total of 8% of the settlement in Minnesota) whom did the original work and had to prepare for a trial. The amount received by the Minnesota law firms was considered scandalous there. As the result of the settlement, the cost of a pack of cigarettes went up about \$.45 cents. This is the equivalent of a \$.45 cent per-pack tax increase. Therefore, if the State of Wisconsin would have just raised the tax instead of filing a lawsuit, the state would have got all this money instead of giving a large share to already

wealthy trial attorneys.

This arrangement will further distort Wisconsin's political landscape in that if even a fraction of these fees is turned into campaign contributions, it will have a powerful affect on Wisconsin politics. Voters and the press should be alert as to any campaign contributions coming from the three above law firms and make sure the political careers of candidates supported by them come to a swift end.

Now that certain politicians are trying to blame gun manufacturers, the specter of another lawsuit to benefit well connected trial attorneys, may be present. I, therefore, am introducing legislation requiring that any future contact with private attorneys on a contingency fee basis, be approved by the legislature. It is my personal opinion that the individual attorney general or governor may take the political chance to provide a windfall to a Habush, Habush, David and Rottier, or a Whyte Herschboeck; but you could never get half of the legislature to do so.

Hopefully, this will put an end to government lawsuits pushed by big spending politicians to expand already bloated bureaucracies.

Please call me in West Bend at 338-8061 or toll-free in Madison at 888-534-0059 to suggest new legislation.

Announce Additions To Medical Staff At St. Josephs

St. Joseph's Community Hospital of West Bend has made the following appointments to its medical staff:

Gary Gerschke, M.D., was appointed to the consulting staff with privileges in emergency medicine.

Hugh Smith, M.D., was appointed to the courtesy staff with privileges in psychiatry.

Eric Stover, D.O., was appointed to the associate staff with privileges in radiology.

Mark Staskiewicz, M.D. was appointed to the associate staff with privileges in pediatrics.

Two Scholarships Awarded at UW Madison

The ninth and tenth scholarships in memory of Mary R. Ciha were awarded recently during the Polygon Engineering Council banquet at the conclusion of the 1999 College of Engineering EXPO, UW Madison.

Recipients were Mary Maedke of Eden and Jessica Rannow, Colby, Wisconsin Senior Industrial Engineering students. The \$1,700 awards were presented by Phillip Ciha, Mary's brother, who has a master's degree in civil environmental engineering, Madison.

Mary, the youngest daughter of Al and Claire Ciha, Kewaskum, was the EXPO Industrial Exhibits chairperson when she was killed in August, 1982, in a highway accident, just one year before she would have received her bachelor of science degree in Industrial Engineering. Her professors described her as a "bright and motivated individual whose personal warmth and enthusiasm overflowed to many persons."

Classmates said she "had an inspiring personality, a great sense of humor, lots of social grace and admirable integrity."

Scholarships are offered to UW junior and senior women on a biennial basis, and are continually funded by family, classmates, and friends through the UW Foundation, 702 Langdon St., Madison, WI 53706.

Social Group for Single Adults

A social group, called Sociable Singles, has been organized. It is for single, widowed or divorced men and women in Washington, Ozaukee and surrounding counties. It provides opportunities to share activities and make new friends.

A newsletter with a calendar of events is sent to members every month. To get information or a complimentary copy of the newsletter, call Bob at 334-5490, Don at 644-9049 or Gloria at 377-1659.

Scheid - Liepert

Gloria Scheid of West Bend and Elton "Bud" Liepert of Kewaskum exchanged wedding vows at Peace United Church of Christ in Kewaskum on Sunday, April 25, during a 3 p.m. ceremony. Pastor Eric Kirkegaard officiated. The organist was Sherry McElhatton.

The bride chose Bonnie Liepert, Adell, daughter of the groom, as her matron of

honor. The best man was Ron Scheid, Lomira, son of the bride.

Ushering duties were shared by Lloyd Liepert, West Bend, brother of the groom, and Gary Scheid, Kewaskum, son of the bride.

Following the ceremony a reception was held at the KC Hall in West Bend.

The newlyweds are making their home in Kewaskum.

Seeking Washington County 'Fairest of the Fair' Candidates

WEST BEND -- Applications are being accepted through June 1, for the Washington County Fair's "Fairest of the Fair" contest.

Any Washington County resident who is at least 18 years of age by January 1, 2000, is invited to apply. Application forms are available at the Washington County Fair Park Office, 333 E. Washington Street, Annex II, West Bend, or call (414) 335-4485.

Semi-finals will be held Wednesday, July 21, at the New Washington County Fairgrounds located at Highway 45 and Pleasant Valley Road in the Town of Jackson. This program will feature individual/group interviews and a dinner. Finals will be held in the evening of the opening day of the Fair, Wednesday, July 21, on the Main Stage. Business attire is recommended for both events.

The Fairest of the Fair is selected on the basis of personality, communication skills, poise, school and community activities, and knowledge of Washington County's rural heritage. The individual chosen will serve as the official host and spokesperson for the County Fair July 21-25.

Responsibilities include welcoming the public, interviews with the media, announcing special events and awarding ribbons. Throughout the year, the Fairest of the Fair will participate in parades, attend county functions, and speak at community engagements, schools and clubs. In addition, the Fairest will represent the County at the State

Fairest of the Fair competition in January.

The Fairest of the Fair and first runner-up will receive continuing education scholarships, savings bonds and monetary prizes. There is also a monetary prize for the contestant chosen to receive the Congeniality Award.

The Washington County Fair runs Wednesday, July 21, through Sunday, July 25 at the Washington County Fairgrounds, Highway 45 and Pleasant Valley Road.

Bird Walks at Lac Lawrann

A Saturday Bird Walk will be held at Lac Lawrann Conservancy, 300 Schmidt Rd., West Bend, on May 15, at 7 a.m. Spring is happening in Wisconsin and what better time or place to watch it unfold than at Lac Lawrann?

Birds migrate from their winter retreats in the south to nesting areas in North America as soon as food is available to them. April and May are peak migration months in Wisconsin. Enjoy the thrill of seeing and hearing the calls of birds not normally found in Washington County.

The official state sport of Alaska is dog sled racing.

April Kiwanis Students of the Month

April Kiwanis students of the month left to right, Nicki Schinker and Krissy Krell

Kewaskum High School seniors Nicki Schinker and Krissy Krell were recently honored as Kewaskum Kiwanis Students of the month for April.

Nicki is very involved at KHS, her activities include: National Honor Society, cross country and track.

She has lettered in both cross country and track.

In the classes she has taken this year at KHS she has enjoyed human anatomy and current topics in Biology.

Nicki plans to attend UW-Milwaukee next year for a degree in Occupational or Physical Therapy.

While outside the walls of KHS Nicki enjoys helping younger students at KES as a tutor. She also enjoys reading and shopping.

She is employed at George Webb Restaurant in West Bend.

Krissy is also a very involved student at KHS. Her extra curricular activities include: Student Council (secretary), Forensics, F.F.A., F.B.L.A. (treasurer), Art Club (Secretary/Treasurer), National Honor Society, Musical productions, Swing Choir and Student Roundtable.

Krissy was a participant at the state solo ensemble competition and earned herself one bronze and two gold medals at the state forensics meet.

Her favorite classes this year

are art and leadership seminar.

Krissy will be attending UWWC next fall to earn her associates degree in education, and will finish at a four-year university with a master's degree in Art Education.

Krissy is also a volunteer at her church and enjoys music and art.

She is employed as a cashier at Pick N Save and a model.

Parkinson Support Group to Meet

The next Parkinson Support Group meeting for Washington and Ozaukee County community members will be held on Monday, May 17. The meeting will be from 1 to 3 p.m. in the assembly room at the Cedar Ridge Retirement Campus. Cedar Ridge is located at 113 Cedar Ridge Drive, just off of Scenic Drive in West Bend.

A video, "Spirituality and Aging" will be viewed. (The video is from the 1999 Kenton Kilmer Parkinson's Conference Symposium).

The Parkinson Support Group meets the third Monday of each month. All those affected by Parkinson's Disease, their family, friends and caregivers are welcome to attend. For more information call Cedar Campuses at (414) 334-9487 or (Milw.) 276-4370 or the Wisconsin Parkinson's Association at 1-800-972-5455.

Somebody once said that in order to live off a garden, you practically have to live in it.

Police Chief Knoebel Attends Training Seminar

Chief Richard L. Knoebel of the Kewaskum Police Department, attended a two-day training seminar on Missing and Exploited Children at the National Center for Missing and Exploited Children in Alexandria, Virginia, on April 11 and 12.

The two-day seminar was an overview of the growing problem of missing and exploited children in the United States. It is reported that close to a million juveniles are reported missing in the United States every year.

The group also heard a very moving presentation from Patricia Wetterling, whose son, Jacob Wetterling, was abducted ten years ago from St. Joseph, Minnesota. Jacob has not been found. The training was held at the Jimmy Ryce Law Enforcement Training Center and was totally funded by the Center for Missing and Exploited Children.

The National Center for

Missing and Exploited Children is a private, non-profit organization mandated by Congress and works in partnership with the Department of Justice to bring missing children home and to protect every child from victimization. Barely a decade ago the recovery rate for missing children was 60%, but today, through the use of technology, the Center is returning 90% of missing children to their families.

The National Center for Missing and Exploited Children also runs a 24-hour missing children hotline that receives 700 to 800 calls per day. The number for the hotline is 1-800-THE-LOST (1-800-843-5678).

The Kewaskum Police Department has added a link to the Center web page to make contact easy for those wishing to check on missing children or to inquire about materials that are available. The link can be found at: <http://www.nconnect.net/~kpd>.

Area High Schools Win Business Honors

OSHKOSH -- Teams from Manitowoc Lutheran and Waunakee high schools won top honors in the annual business simulation competition at the University of Wisconsin-Oshkosh recently. The students act as heads of corporations and make decisions affecting all aspects of their businesses.

Other competing high schools were Amherst, Clintonville, Kewaskum, Manitowoc Lincoln, Lodi, Medford, Montello, Palmyra-Eagle, Eau Claire-Regis, Sheboygan South, Neenah-St. Mary Central, Stockbridge, Wilmot, Milwaukee-Wisconsin Lutheran and Milwaukee Messmer.

Manitowoc Lutheran placed first in the finals. Two teams from Waunakee placed second and third.

Simply Magnificent!

Kewaskum Elementary School fifth grader Adam Gundrum donned face paint to play the title role in the KES Spring Concert's "Melvin the Magnificent," a musical story about a clown.

The KES kindergarteners take their places beneath the head of a gigantic blue circus elephant during their performance in the KES Spring Concert.

WB Savings Bank Elects Schumacher to Board

Richard A. Larson, Chairman of West Bend Savings Bank, has announced at the bank's Annual Meeting that James R. Schumacher was elected to the board of directors filling the vacancy of retiring director Lawrence W. Hillman.

Schumacher, a resident of West Bend for over 28 years, is the owner of Ajusta Manufacturing. Ajusta Manufacturing is a CNC machining center based in West Bend with annual sales of \$2,000,000.

Upon appointment of Schumacher, Larson commented, "As West Bend Savings Bank continues to expand the commercial banking business, we felt it important to gain the insight of a local business owner's view and expectation of the financial services industry. Jim will bring that viewpoint to our bank."

West Bend Savings Bank is a state chartered

mutual savings bank with assets of \$216,000,000 and ten offices located in Washington and Ozaukee Counties. The bank also holds ownership interests in local companies representing insurance, investments, mortgage and real estate brokerage services, real estate appraisals and home building.

Opera Comes to Farmington Elementary

Students helped in the recent "Opera for the Young" presentation of "The Barber of Seville" at Farmington Elementary School. The updated version included student songs, as well as letter jackets and a motorcycle for the main character, Figaro. Sitting, from left, are Lindsay Foley, Travis Bryant, Kevin Jacobi, Ruth Koch, Cole

Deavers and Emily Sedgwick. Kneeling: Jacob Turowski, Bobby Gibson, James Brigowatz, Bobby Weber, and Ryan Uttech. Standing, with members of the Opera troupe are: Katie Smith, Renee Keeley, April Benz, Jessica Alexander and Danielle Yanke.

"... I'm so grateful for the kind and loving concern shown by everyone... How nice to receive a follow up call... St. Joseph's and all its staff are to be commended."

A Wise choice.

Outpatient SURGERY

When you choose St. Joseph's Community Hospital for your same-day surgical procedure, you've made a wise choice. You can be sure of high-quality care delivered conveniently by your trusted neighborhood hospital.

New technology and medications allow many patients to safely go home the day of surgery. Our registered nurses help you feel comfortable and confident about going home. Their individualized care includes telephoning each patient before and after surgery, teaching patients about pain control and instructing patients on how to care for themselves at home.

In the comprehensive setting of a 24-hour hospital, St. Joseph's same-day surgery unit

meets exacting standards for high quality surgery by the Joint Commission on Accreditation of Healthcare Organizations.

When comparing costs, think of St. Joseph's. Because of contracts with employers and other providers, out-of-pocket costs are typically lower than those at other facilities. According to Wisconsin's Office of Health Care Information, St. Joseph's has consistently been a leader in controlling health care costs in southeastern Wisconsin* a patient benefit in addition to quality care, comfort and convenience.

Ambulatory surgery at St. Joseph's Community Hospital - truly a wise choice.

For more information about same-day surgery at St. Joseph's, please call 334-8479.

Obituaries

MARIE M. MARX

Marie M. Marx, of West Bend, formerly of Milwaukee, died Wednesday, April 28, 1999, at the Cedar Lake Health Care Center, at the age of 95.

She was born Jan. 22, 1904, in the town of Wayne, to the late Joseph and Alvina (nee Weber) Marx.

In 1921 she started working in the radiology department at St. Mary's Hospital, Milwaukee, where she was employed for over 40 years. Following retirement she was the volunteer director at St. Mary's until 1972.

Marie has been a resident at Cedar Lake Health Care Center of three years.

Survivors include two nieces, Rose (George) Brugger of West Bend and Suzanne (Jim) Patterson of Michigan; a nephew, Jon Schlichting of Milwaukee; and other relatives and friends.

Preceding her in death were seven brothers and sisters.

Marie was a member of St. Peter's Catholic Church, Slinger, and Affiliate of Daughter of Charities since 1983.

A Memorial Mass was held Saturday, May 8, at 2 p.m., at St. Peter's Catholic Church, Slinger. Father Robert J. Bales officiated and inurement was in Washington County Memorial Park, West Bend.

No visitation was held. Memorials to the charity of the donor's choice are appreciated.

The Phillip Funeral Home, West Bend, assisted the family.

KENNETH H. KEDINGER

Kenneth H. Kedinger, 67, of Mayville, passed away suddenly while doing maintenance work at Minnesota Junction.

He was born Jan. 21, 1932, in the town of Wayne, Washington County, to the late George and Rose (nee Martin) Kedinger, and married Bernice Beistle on Aug. 3, 1957, in St. Lawrence.

He retired from Michels Pipe Line, Brownsville, after 31 years as shop foreman.

Ken was a veteran of the U.S. Army, serving from 1955-'57 in Germany, and was a member of St. Mary's Catholic Church, Mayville.

Survivors include his wife; two children, Daniel (Lisa) of West Bend and Jacqueline (Chris) Bachhuber of Lomira; two step-grandchildren, Adam and Heidi Verbanac; nieces; nephews; other relatives and friends.

A Mass of Christian Burial was held Saturday, May 8, at 1:30 p.m. at St. Mary's Catholic Church, Mayville. Fr. Charles Wester officiated, and burial was in St. Mary's Cemetery, Mayville.

Visitation at the Koepsell Funeral Home, Mayville, was on Saturday from 10:30 a.m. until 1 p.m.

A dorgi is a doggy—more specifically, a cross between a dachshund and a corgi.

Confirmands Announced in Area Churches

St. Martin's UCC in Fillmore has announced a revised worship service time of 8:30 a.m. for Sunday, May 16th, only. After that the schedule will revert back to the regular 10 a.m. worship.

On Sunday, May 16th, the Highway H cleanup will be held immediately after the worship service. Dress casually as the members take care of their part of the world in the cleanup.

On Sunday, May 2, the congregation received into full membership of St. Martin's United Church of Christ through the rite of Confirmation Dustin Steffen of Fillmore.

St. Paul's Community UCC in Waubeka will have a revised worship service time at 10 a.m. for Sunday, May 16th only and then revert back to the regular 8:30 a.m. worship.

On Sunday, May 16, a special service of Communion and Confirmation in which the congregation will receive Dan Kreif and Brandon Pokey into full membership of St. Paul's Community through the rite of Confirmation.

IN MEMORY

In loving memory of LESTER EHNERT who passed away two years ago; May 14, 1997:

Though his smile is gone for ever
And his hand we can not touch
We have so many memories
Of the one we loved so much.
His memory is our keepsake
With which we never part.
God has him in his keeping
We have him in our hearts.

Sadly missed by his wife and family.

IN MEMORY

In loving memory of **BILL BRAUN**, who passed away five years ago, May 5, 1994:

Days of sadness still come o'er us.
Tears in silence often flow.
For memory keeps you ever near us,
Though you died five years ago.
Death can never take away,
And time cannot erase,
The memory of a loving heart,
A dear familiar face.
And there is comfort in the thought,
That as the years go by,
Our memories grow dearer still,
For love can never die.

Sadly missed by wife and family.

Senior Citizen ID Cards Being Issued

Are you 60 years old or older and a resident of Washington County? Senior Citizen Identification Cards will be issued on Thursday, May 27, 1999, from 2:30 to 4 p.m. at the Washington County Senior Center, 401 E. Washington Street, West Bend.

Information needed includes your Social Security number, person to contact in case of an emergency and their phone number and your doctor's name and phone number. Your picture will be taken. The cost of each card has increased to \$2.00, including tax, effective as of January 1, 1999.

Offering Adult Health Screening

The Washington County Health Department will offer, to residents over the age of 18, an Adult Health Screening every month in the Public Agency Center, Room 1145, 333 East Washington St., West Bend.

The next screening is scheduled on May 27, 1999, beginning at 4 p.m. in Room 1145, first floor of the Public Agency Center.

Tests offered include Total Cholesterol HDL and Glucose Panel - \$15; Blood Sugar - \$3; Hemoglobin - \$2, and Blood Pressure - no charge. Note: One hour fasting is recommended.

For an appointment, call 335-4462, or 342-2929, ext. 4462.

Lead Screening Test Available

Lead screening tests for children up to age six, will be held at the Washington County Health Department in the Public Agency Center, 333 East Washington Street, First Floor/Room 1145, (enter parking lot off of Indiana Avenue) on May 27, 1999 starting at 4 p.m., by appointment.

For an appointment call: 335-4462, or 342-2929; ask for extension 4462. A parent must bring the child to the clinic.

Grandparents Go to School

Grandparents and other interested senior citizens were invited to the Kewaskum district schools to see what goes on in the daily lives of the district's students. Here, KES second graders Jeremy Neuenfeld, left, and Matthew Butzke assemble an animal cut out of toothpicks and marshmallows, while Matthew's grandmother observes.

The grandparents of Farmington's Ashley Turner came all the way from Iowa to visit on Grandparents' Day.

Many grandparents stayed to eat lunch with their grandkids. Wayne first grader Lindsey Weiss and her grandparents enjoy their meals.

4-H Music And Drama Festival Held

The Washington County 4-H Music and Drama Festival was held recently at the Cedar Lake Campus Theater in West Bend.

The clubs that participated in the festival were the Bender Badgers, Good Luck, Hi-Lite Happy Workers, Kirchhayn Trotters, St. Lawrence Eager Beavers, Thompson Irish Settlers, and the Wayne Crusaders.

The program included original skits, singing, music and plays, all put together by the youth and adult volunteers from the clubs.

Top Drama performances were the Hi-Lite Happy Workers, Wayne Crusaders, St. Lawrence Eager Beavers and the Thompson Irish Settlers. Top Musical performances were by the Bender Badgers, Wayne Crusaders and St. Lawrence Eager Beavers.

The groups will be given the opportunity to perform at the 1999 Washington County Fair on the main stage area and be nominated for the 1999 State Fair Music Program.

It was a great opportunity for youth to use their talents in the music and drama area. Over 125 youth increased their communication skills, leadership skills and developed their self-esteem through their participation in the music and drama program.

Clara Barton was not just the nurse who founded the American Red Cross. She was also the first woman clerk in the U.S. Patent Office.

Girls Track Team Nipped By Two Rivers, Plymouth

By Jerry Gosa

The Kewaskum High School track and field team finished a close third at a triangular track meet at Plymouth on Tuesday, May 4.

Final scores were Two Rivers 61, Plymouth 53, and Kewaskum 50. Competition at the Tuesday meet was fairly on the relaxed side as Kewaskum and Plymouth were looking forward to the Vanderpan Track and Field Invitational on Friday at Sheboygan Falls.

Two Rivers and Plymouth each won six events, while Kewaskum won four events -- two relays and two individual events.

Winning events for Kewaskum were the 4x800m relay team of Carol Neumann, Elizabeth Rammer, Kelly Darmody, and Lauren Steinhardt with a time of 11:16.9 and the 4x100m relay team of Jody Wichtoski, Jenny Fettig, Kristin

Schiller and Heather Rieder with a time of 57.6 seconds.

Jackie Michaels won the 300m low hurdles in a time of 51.2 seconds and placed third in the 300m low hurdles. (Time not listed on the results). Michaels also placed third in the long jump with a distance of 14'5".

Colleen Gosa won the discus with a throw of 100'6" and also placed fourth in the 800m run with a time of 2:46.9. Nicole "Coco" Herrmann placed third in the shot put with a throw of 29'11-1/2".

Carol Neumann finished second in the 1600m run with a time of 6:23 and Jodi Wichtoski also took second in the high jump with a height of 4'8" and a fourth in the triple jump with a jump of 29'10". Freshman Jolene Clark placed third with a jump of 4'4".

Tina Lindgren placed second in the 200m dash with a time of 29.6 seconds

and Lynn Wiesner placed fourth with a time of 30.9 seconds.

The 4x400m relay team of Emmy Foerster, Lauren Schultz, Brooke Zanow and Carol Neumann placed second with a time of 4:49.7. Two Rivers won the event with a time of 4:36.1.

Stacy Muckerheide placed fourth in the 100m dash in 14.4 seconds and Amber Averill also placed fourth in the 400m dash with a time of 1:11.13.

The face is the mirror of the mind, and eyes without speaking confess the secrets of the heart.

Congratulations to the recipients of the 1999 Herb Kohl Foundation Scholarships and Fellowships

The Herb Kohl Scholarship and Award Programs were established nine years ago by Herb Kohl in cooperation with the Wisconsin Newspaper Association as a way to honor teachers and students who demonstrate excellence in the academic arena. The Kohl Foundation provides grants annually of \$1,000 to 200 high school seniors, 100 teachers and 100 schools throughout Wisconsin. Students selected demonstrate academic potential, outstanding leadership, citizenship, community service, integrity and other special talents. Teachers selected reflect a superior ability to inspire a love of learning in their students and ability to motivate others, and for their leadership and service within and outside of the classroom.

WISCONSIN NEWSPAPER ASSOCIATION

The Wisconsin Newspaper Association is the world's oldest newspaper association, established in 1853. As the trade association for the daily and weekly newspapers of Wisconsin, WNA represents the interests of the newspaper industry with a special emphasis on preserving access to public records and open meetings. WNA makes it possible for advertisers to place ads in every newspaper in the state with one call to the WNA. WNA is the clipping service for Wisconsin newspapers. WNA is located at P.O. Box 5500, 3822 Mineral Point Road, Madison, Wisconsin 53705. Phone 608-238-7171 or 800-261-4242 (Wisconsin).

What You Should Know About Cash Balance Retirement Plans

You may never have heard of a "cash balance" pension plan. Or you've heard of it but don't know much about it.

Retirement experts suggest that you better learn fast, particularly if you work for a large employer with a traditional defined benefit pension plan. Experts expect cash balance plans to replace the majority of these plans within the next decade or two.

Experts also say that the change may be good for young, mobile workers -- but not so good for older workers caught in the transition or people who plan to work for the same company for 30 years.

A cash balance plan is a defined-benefit pension plan with features similar to defined contribution plans like a 401(K). Like a traditional pension plan, the company funds the pension, controls the investments, bears the risks and guarantees a benefit payout at retirement.

However, like a defined contribution plan, the employer contributes based on a percentage of salary, and the plan sets up a hypothetical "account" for each worker that shows how much has accumulated in the worker's pension account at any given time.

Employees like this arrangement, say companies, because workers complain that they never know how much they have under traditional pension plans. But the differences between a cash balance pension plan and a traditional pension plan is more than just a matter of being able to look through a window at an account. There are important differences in how cash balance plans calculate their benefits.

In a traditional pension plan, a typical formula multiplies the years of service times a percentage of pay earned in the last few years of work. This formula favors employees who stick with a company for a long time, when pay is much higher in their latter years, versus employees who don't stay as

long.

Under a cash balance plan, the company annually credits to your pension account a set percentage of your pay, say five percent. Some plans may pay a flat dollar amount, but that's less common. In addition, the account is guaranteed to earn a specified minimum interest rate.

The rate might be a set rate or one tied to an index such as the Consumer Price Index or the going rate for three-month U.S. Treasury bills (recently around 4.5 percent). The interest credit typically will vary from year to year.

Obviously the amount the company contributes will increase as your pay increases over the years, but unlike a traditional pension plan, there's no heavy backloading, where you might earn half your pension in the last few years. At retirement, you receive either a lump sum or a guaranteed annuitized payout.

Vested employees leaving the company typically are more able to roll their credited amount in a cash balance plan into an IRA. This portability and the relatively even-handed contribution and crediting by the employer, makes cash balance plans appealing to workers who change jobs several times in a lifetime.

The Employee Benefit Research Institute estimates that the plan favors workers who stay less than 15 years. Workers who stay at least 25 years would fare better under a traditional plan.

Long-term employees caught in the middle of a conversion from a traditional pension plan to a cash balance plan, which many large employers are doing today, may be worse off than before, according to experts. For example, let's say the present value of your current pension plan is \$50,000 but the company has decided to convert to a cash balance plan.

If you leave, you can take \$50,000 with you as a lump sum payout. However, if

you stay, your new cash balance account might be credited with only \$35,000 or \$40,000, and it could be several years under the new plan before you catch up to the level of your old one.

Not all conversions work this way. Some grandfather older employees under the outgoing traditional plan, or credit older workers with a higher percentage of their pay than younger workers. The important point is, if you are joining a company with a cash balance plan, or your current employer plans to switch to one, determine how you'll fare by talking to your benefits specialist and your Certified Financial Planner practitioner.

April 1999 -- This column is produced by the Institute of Certified Financial Planners, a national association representing the top financial planners in the country, and is provided by Donna M. Vogt, Certified Financial Planner, a local member in good standing of the Institute, Raymond James Financial, Member NASD/SIPC, N2147 Double D, Campbellsport, WI 53010, (800) 513-5055 or (920) 533-5055.

WASHINGTON COUNTY NUTRITION PROGRAM

For the Elderly Menu Meadowcreek Complex

Monday, May 17 -- Cube steak w/onions & lite gravy, mashed potatoes, diced beets, rye bread, chilled peach slices.

Tuesday, May 18 -- FRENCH-AMERICAN DAY Beef burgundy, parslid potatoes, baby peas, 7 grain bread, chocolate pudding.

Thursday, May 20 -- ALL AMERICAN DAY Boneless Iowa roast, pork loin w/gravy, Idaho baked potato, California veggie mix, North Dakota bran muffin, Wisconsin strawberry rhubarb pie.

Ceramics at 10:00 a.m. every 1st and 3rd Tuesday of the month.

Tea did not arrive in Japan until the ninth century and did not become popular until the twelfth century.

Talkin' About Weather

Our New Heil® Air Conditioner Sure Takes The Droop Out Of Summer.

Depend On Heil.

Summer heat really makes me droop. I used to get sent outside when I accidentally didn't notice I was chewing a shoe. Now that we have our new Heil Air Conditioner, I'd rather chill out than chew. With

Heil's hundred-year heritage of dependability, my family can count on quiet, efficient cooling year after year.

Thanks to our Heil Air Conditioner, I feel so good I could even frolic with the family. Well, that might be overdoing it.

Village Board Meeting Minutes

Village of Kewaskum
Regular Meeting
April 19, 1999
8:00 p.m.

The Village Board of Kewaskum, Washington County, Wisconsin, met in Regular Session in the Council Room of the Municipal Building, 204 First Street.

President Robert Wagner presided. Trustee Gary Gavin and Trustee Warren Dums asked to be excused and were absent. Trustee Andy Pesch arrived at 8:03 p.m., all other Trustee Members were present. A quorum was present.

The meeting was opened with a Moment of Silence and Pledge of Allegiance.

On a motion by Trustee Robert Stoltzmann, seconded by Trustee Harry Roecker and unanimously carried by voice vote, the minutes of the April 5, 1999 meeting were approved as printed.

Mr. John Knepel of the accounting firm of Virchow, Krause & Company, LLP, was present to review and answer questions on the latest audit prepared for the Village of Kewaskum for the year ending December 31, 1998. Mr. Knepel explained the entire audit process and financial statements regarding the General and Utility Funds portion of the audit and associated financial statements. The audit revealed the Village to be in a healthy position.

It was further noted the General Fund ended with a positive balance. The Water Utility reflected a balanced rate of return; this rate of return being .79%. It was noted that the PSC has authorized the Village Water Utility to have a rate of return of 8.25%.

The Auditors suggested possibly looking into the short form PSC rate adjustment process to account for inflation, that being the routine 3.0% type increase. The Sewer Utility also ended the year with a positive balance. It was noted that a rate increase was implemented following 1996 to help cover the cost as well as the relief sewer projects of 1998. The sewer utility rate of return is at 3.93% and it was recommended to follow that closely with the possibility of a rate increase in the near future. The Village's overall debt is at an estimated 21.6% of what the law provides, a very good position to be in.

A variety of questions was asked of Mr. Knepel which he answered. Mr. Knepel thanked the staff for their assistance and good records. He further indicated the Administrator and Deputy Clerk do an excellent job on maintaining good records and control over spending, etc.

President Robert Wagner also thanked the staff for a job well done and also thanked the auditors.

On a motion by Trustee Robert Stoltzmann, seconded by Trustee Andy Pesch and carried by the majority roll call vote, the Board suspended the rules to take action on IX. New Business point A. relating to the acceptance of the audit report. Roll call vote was 5 "Aye" 0 "Nay" 2 "Absent".

On a motion by trustee Andy Pesch, seconded by Trustee Robert Stoltzmann and unanimously carried by voice vote, the Board accepted the audit report as prepared and presented for the year ending December 31, 1998.

A public hearing was held on the request of Mr. Randy Gust for the rezoning of 1224 Fond du lac Avenue from B-2 General Retail & Service District to B-3 Central Community Retail and Service District. It was noted the Plan Commission reviewed the request and sent it to the Board for public hearing with a favorable recommendation. A couple of the area residents were present indicating the Board should address parking restrictions or the need to provide for a minimum of spaces in conjunc-

tion with the rezoning. Mr. Gust explained what his intentions were for the lot. On a motion by Trustee John Kenworthy, seconded by Trustee Robert Stoltzmann and carried by the majority roll call vote the Board closed the public hearing. Roll call vote was 5 "Aye" 0 "Nay" 2 "Absent".

It was noted the request for a conditional use permit for 1031 Fond du Lac Avenue has been withdrawn 4/14/99. No public hearing or action will be taken.

A public hearing was held on the application of the Kewaskum Athletic Association, Inc., Kiwanis Park, Kewaskum, WI for a Class "B" Fermented Malt Beverage License for a period commencing April 20, 1999 and ending October 20, 1999. On a motion by Trustee Robert Stoltzmann, seconded by Trustee Harry Roecker and carried by the majority roll call vote, the Board closed the public hearing. Roll call vote was 5 "Aye" 0 "Nay" 2 "Absent".

Two bids were received as follows for the Primary Clarifier work were announced:

- 1) Midwest, Montford, WI. \$36,861.00
- 2) J.F. Ahern, Fond du Lac, WI. \$33,496.00

Chief of Police Richard L. Knoebel informed the Board that the 1997 squad car and the 1984 Ranger were auctioned off on April 10, 1999. The squad car brought the department a little more money than last year (\$8,600.00) and the Ranger at \$950.00.

Chief of Police Richard L. Knoebel presented the March 1999 report:

Criminal arrests 16, Criminal investigations 33, Traffic warnings 90, Traffic citations 12, Adult arrests 7, Juvenile arrests 7, Property stolen= \$16,082, Property recovered= \$15,000 Parking warnings 2 and Parking tags 59.

Director of Public Works, Jerry Gilles informed the Board of the following:

- 1) The installation of the KKCP water apparatus is progressing and should be completed in a couple of weeks.
- 2) Reported that spring clean - up is scheduled for April 24, 1999 from 9:00 a.m. to 2:00 p.m.
- 3) Reported that the tree sale is scheduled for April 30, and May 1, 1999.
- 4) The list of summer part-time employees was reviewed. On a motion by Trustee Andy Pesch, seconded by Trustee Harry Roecker and unanimously carried by voice vote the Board approved hiring those individuals as listed for the summer season of 1999.

Administrator Daniel S. Schmidt reviewed the following with the Board:

- 1) Review of Mid-Moraine, League and Taxpayer bulletins.
- 2) Reported that the EDAC survey was reviewed by the Committee and that another meeting was scheduled for April 26, 1999 at 4:00 p.m.
- 3) The date for the Assessor Open Book is scheduled for April 21, 1999 from 1:30 p.m. to 6:30 p.m. at the Municipal Building. Also the date for the Board of Review is scheduled for May 10, 1999 from 12:30 p.m. to 4:30 p.m.
- 4) Reviewed the building permit report for the month of March 1999. Trustee John Kenworthy, Chairman of the Park & Recreation Committee reported a quorum was not present for the committee meeting earlier but general discussion took place on the ball diamond scheduling.

On a motion by Trustee Robert Stoltzmann, seconded by Trustee Harry Roecker and unanimously carried by voice vote the Board approved the hiring of those summer part-time employees for the swim program as listed but left it open to add needed additional help.

On a motion by Trustee Harry Roecker, seconded by Trustee Robert Stoltzmann and unanimously carried by voice vote the Board agreed to accept responsibility for the electric bill for the lights on the new Jr. Women's Club sign on the

north end of the Village.

The Library Board Representative Trustee John Kenworthy reported that the Library Board did meet on April 14, 1999. It was reported that circulation is ahead of last year at this time.

Trustee Robert Stoltzmann, the Board's Mid Moraine Municipal Associations Legislative committee representative, reported that a meeting was held on April 14, 1999 at 7:00 p.m. in the West Bend City Hall.

Administrator Daniel S. Schmidt informed the Board that the DOT permit has been received for the downtown parking lot driveways; also that a meeting of those property owners within the block is scheduled for Thursday morning at 10:30 a.m.

On a motion by Trustee Harry Roecker, seconded by Trustee Andy Pesch and unanimously carried by voice vote, the Board authorized the bidding of certain aspects of the downtown parking lot when and if required.

It was noted that when the Public Works Committee reviews storm water areas of concern they should add the Prospect Street area to that list even though it was looked at in 1998.

Action was taken on Ordinance No. 99-4 to Amend the Zoning as heard at public hearing on the Request of Mr. Randy Gust for the property located at 1224 Fond du lac Avenue. Also known by tax key no. V4-0241 as attached hereto:

On a motion by Trustee Robert Stoltzmann, seconded by Trustee Harry Roecker and unanimously carried by voice vote, the Board placed a need for 8 parking stalls to be placed on said lot in conjunction with the rezoning request of Mr. Gust.

On a motion by Trustee Robert Stoltzmann, seconded by Trustee Andy Pesch and carried by majority roll call vote, the Board approved the application of the Kewaskum Athletic Association, Inc., for a Class "B" Fermented Malt Beverage License for the period commencing April 20, 1999 and ending October 20, 1999, upon payment of fees. The Police Department had no objections to the application. Roll call vote was 5 "Aye" 0 "Nay" 2 "Absent".

On a motion by Trustee Robert Stoltzmann, seconded by Trustee Harry Roecker and unanimously carried by voice vote, Dennis Butz was appointed as the agent for the aforementioned.

On a motion by Trustee Andy Pesch, seconded by Trustee Robert Stoltzmann and unanimously carried by voice vote, the Board authorized the acceptance of the low bid of \$33,496.00 from J.F. Ahern, Fond du Lac, WI for the work to be completed on the Primary Clarifier at the WPC Plant.

President Robert acknowledged a Proclamation in recognition of Professional Secretaries Week as attached hereto:

Action was taken on Resolution No. 99-14 A Resolution Regarding Overdrafts on Accounts Year Ending December 31, 1998 as attached hereto:

Action was taken on Resolution No. 99-15 A Resolution Regarding Surplus on Outlay Accounts Year Ending December 31, 1998 as attached hereto:

Discussion regarding the Auditor's concerns regarding the rate of return earned by the Water Utility and the need for additional funds within the Department. On a motion by Trustee Andy Pesch, seconded by Trustee John Kenworthy and unanimously carried by voice vote, the Board authorized the submission to the Public Service Commission the request for a 3% rate increase to the Water Utility as recommended by the Auditors. It was noted this would only generate an estimated \$9,900.00.

On a motion by Trustee Harry Roecker, seconded by Trustee Robert Stoltzmann and unanimously carried, the Board authorized the signing of the Effective Recycling Program Application/audit for

1998. Administrator Daniel Schmidt gave a recycling report on the year 1998.

On a motion by Trustee Harry Roecker, seconded by Trustee Robert Stoltzmann and unanimously carried by voice vote, the Board approved the purchase of a skid steer as bid from Farmers Equipment the low bidder of the Gehl 4835SX at a cost of \$17,538.66. It was noted that one other unit was \$660 less, but was less horsepower, less weight, plus had a few other minor less desirable points.

Action was taken on Resolution No. 99-16 A Resolution in Support of the Amendment to the Wisconsin Act 300 as attached hereto:

Action was taken on Resolution No. 99-17 A Resolution Regarding Transportation Equity Act for 21st Century (TEA 21) as attached hereto:

Action was taken on Resolution No. 99-18 A Resolution Regarding Double Taxation for certain local services as attached hereto:

Action was taken on Resolution No. 99-19 A Resolution Regarding Unfunded Mandates as attached hereto:

Action was taken on Resolution No. 99-20 A Resolution Regarding Special Elections as attached hereto:

Action was taken on Resolution No. 99-21 A Resolution Opposing the Takings Legislation as attached hereto:

Action was taken on Resolution No. 99-22 A Resolution On-Premise Intoxicating Liquor Licenses as attached hereto:

On a motion by Trustee Robert Stoltzmann seconded by Trustee Andy Pesch and carried by the majority roll call vote, to adjourn. Roll call vote was 5 "Aye" 0 "Nay" 2 "Absent".

Village Board Meeting Minutes

Village of Kewaskum
Plan Commission
March 23, 1999
7:00 p.m.

The Plan Commission of the Village of Kewaskum, Washington County, Wisconsin met in the Council Room of the Municipal Building, 204 First Street.

President Robert H. Wagner called the meeting to order. Members present were Richard Schmidt, Theodore Meilahn, Frank Beesten, Warren Dums, Michael Kimble and Administrator Daniel Schmidt. A quorum was present. Leeann Butchlick asked to be excused and was absent.

Trustee Robert Stoltzmann and Trustee Gary Gavin were also present for the discussion. Mr. Thomas Kudek and Mr. Randy Gust were present to join in on the discussion regarding their requests.

The meeting was opened with a Moment of Silence and the Pledge of Allegiance.

On a motion by Michael Kimble seconded by Theodore Meilahn and unanimously carried by voice vote, the Commission approved the minutes as printed, for February 23, 1999.

On a motion by Richard Schmidt, seconded by Frank Beesten and carried by the majority roll call vote, the Plan Commission suspended the rules to take up discussion on item B. vs. A. because Zoning Administrator Gordon Hoffmann was not present yet. Roll call vote was 6 "Aye" 0 "Nay" 1 "Absent".

Discussion was held on the request to rezone the lot located at 1224 Fond du lac Avenue (known by tax key no. V4-0241) from B-2 General Retail & Service District to B-3 Central Community Retail & Service District. Mr. Randy Gust explained his request because of the

side yard issue. It was noted that within the Land Use Plan the area along Fond du lac Avenue going south to the Creek is proposed to be changed to B-3. It was further noted that this lot is the only B-2 lot within the block and the other businesses are all zoned B-3. Zoning Administrator Gordon Hoffmann saw no objection to the change. On a motion by Richard Schmidt, seconded by Theodore Meilahn and unanimously carried by the voice vote the Commission sent the matter to the Village Board with a favorable

recommendation for the rezoning and public hearing. The public hearing will be scheduled for April 19, 1999 at 8:00 p.m.

Discussion was held on the request of Thomas Kudek (Auto Body Dynamics) for a conditional use permit to allow for an Automobile Repair/Body Shop on the lot located at 1031 Fond du Lac Avenue (known by tax key no. V4-0191-00D-002). The property is zoned B-2 General Retail & Service District and would allow for the above under 5.7 using a conditional use permit of the Zoning Ordinance. Zoning Administrator Gordon Hoffmann told the Commission that the use could be allowed, but they should consider the harshness of such a use next door to two restaurants. Mr. Thomas Kudek explained his intentions and shared drawings and pictures of what the building may look like. Suggestions as to what type of conditions may be placed on the permit were discussed by all. Those suggestions are as follows:

- 1) Not allowing any outside storage of supplies.
- 2) Not allowing vehicles to be worked on or be stored outside, but to provide a fenced/secure area.
- 3) To provide proper landscaping to blend with the neighboring properties.
- 4) To provide for the Plan Commission to review and approve the building design, site plan, screening, etc. prior to issuance of building permit and occupancy.
- 5) To encourage the prior ingress and egress to be from Fond du Lac Avenue.
- 6) To make the Conditional Use Permit exclusive for this business and not transferable.

On a motion by Michael Kimble, seconded by Frank Beesten and unanimously carried by voice vote, the Commission sent the request to the Village Board for public hearing with a list of suggested conditions and the request to have them send information on the public hearing results back to them for review at their meeting of April 27, 1999 to discuss the Conditional Use Permit. It was noted that if the Board is to act on a CUP it would not take place until May 3, 1999.

Mr. Rick Kania was not present from SEWRPC. The distribution of binders for the Zoning Ordinance information as well as the distribution of a sketch of the proposed downtown parking was taken care of.

On a motion by Frank Beesten, seconded by Warren Dums and carried by the majority roll call vote, the Commission adjourned the meeting. Roll call vote was 6 "Aye" 0 "Nay" 1 "Absent".

Mild Winters, Low Antlerless Deer Harvests Combine To Produce Higher Deer Hunt Quotas Statewide

MADISON -- State wildlife managers are expecting deer populations across Wisconsin to swell following a second mild winter in the northern forest combined with high numbers of antlerless deer left following the 1998 hunting season in central forest and southern farmland regions.

As a result, antlerless deer harvest quotas are up significantly in most deer management units across the state, said Bill Mytton, Department of Natural Resources deer and bear ecologist.

"This is necessary to get populations turned back toward unit goals. With higher deer populations, crop damage, ornamental plant damage and car-deer collisions are bound to increase," Mytton said.

Many of the state's 124 deer management units are predicted to be over deer population targets, some by as much as 150 to 170 percent. In response, state wildlife managers have proposed that eight management units in the farmland regions be designated for a Zone-T hunt in the fall of 1999. The Zone-T hunt is designed to lower the numbers of antlerless deer in those units. In addition, many units are on a "watch list" and could appear as Zone-T units in the year 2000.

"The watch list includes those deer management units that are significantly over population targets but where there's still hope that a large antlerless harvest will be able to get the population turned around," explained Mytton. "The rationale behind putting a unit in the Zone-T hunts is that the population has reached a point where a traditional season structure is unlikely to reduce the antlerless population enough to head it toward the unit's population goal. In other words, without a special antlerless hunt, the population will continue to grow."

Special hunts have been used in farmland regions since 1996 to control antlerless deer populations and slow down herd growth but overpopulation is a statewide problem following the last two very mild winters.

"Following back to back extremely mild winters, the growing deer herd in northwest Wisconsin is causing concern among farmers, motorists, hunters, foresters and wildlife managers alike," said Ken Jonas, DNR wildlife biologist from Spooner.

"High deer populations will lead to a large winterkill when the next bad winter occurs. DNR wildlife managers are increasing recommended antlerless harvest levels and encouraging hunters to take the number of deer that their families can utilize during the upcoming fall season. With a concentrated antler-

less harvest effort by hunters, we hope to see deer populations decrease, before Mother Nature takes care of the excess in a less desirable fashion."

"Deer populations across the mid-north are well above goals in most units," according to Frank Vanecek, DNR biologist in Ladysmith. "The extremely mild winter of '97-98 resulted in above average fawn survival and fawn production as evidenced by last year's exceptionally high harvest. This last winter was also very mild and should result in substantial population increases again. We'll need to harvest a high number of antlerless deer in most northern units this fall to move deer populations toward goal levels."

The impact of a high deer population is evident in the amount of farm crops they consume and crop damage claims received, the number of car-deer collisions, and in more urban areas, ornamental plant damages. But wildlife managers also are concerned about ecosystem effects.

"These high deer numbers have negative affects on the whole ecosystem," says wildlife manager Carl McIlquham, Antigo. "As deer eat their favorite plant foods, other plants replace them. Songbirds, insects, amphibians and even other mammals that have evolved in the past may now find their niche of habitat modified."

In the central forest region, biologist Mike Gappa is cautiously optimistic on the likelihood of getting the populations closer to unit goals.

"In our Central Forest units, we're looking at quotas that we hope will take us toward the established population goals in a year or two at the most. We shouldn't have a problem in doing this as these five deer management units (53, 54A, 55, 56, 58) have a lot of public land and receive a lot of interest and we're talking about a large increase in permit numbers. What concerns me more than anything else is our farmland units. These units are predominately private lands where we may be losing our ability to manage deer through our conventional nine-day quota season. Permit levels are reaching a point where in some units supply greatly exceeds demand and still the herd grows. In these units, where excessive permit numbers can't bring the herd back to goal, then other options are going to have to be seriously considered. This season will be looked at real carefully by biologists to see if we're headed in the right direction."

The northern forest region is one area that will receive close attention in the coming year. Natural Resources Board member, Herb Behnke, asked wildlife

managers to look into what could be done to control herd size there, given that the department currently doesn't have authority to set up special hunts in the northern forest in the same way as for farmland units.

"The strategy for this year is to have plenty of hunter's choice and bonus permits available," says David Evenson, DNR's Cumberland wildlife biologist.

"Hunters choice and bonus permits will be available throughout the north so hunters will not need to chase permits as there should be permits available where they ordinarily hunt."

"Applications for hunter's choice permits aren't available yet and the deadline for applications isn't until July 20. We hope hunters will begin planning now to hunt antlerless deer this season," said Mytton. "Damage and population numbers are one of the most often mentioned topics at the Deer 2000 meetings that were recently held across the state. These topics are obviously on people's minds and hopefully the Deer 2000 process will identify some possible solutions that meet people's needs. The white tail population isn't just a hunting issue because it affects Wisconsin's citizens in many ways and the Deer 2000 leaders are interested in hearing all viewpoints."

Weekly Meeting of Separated, Divorced

The Washington County separated, divorced and widowed men and women support group meets weekly every Friday from 7:30 to 9:30 p.m. at the Holy Angels Church basement in West Bend.

Their purpose is to provide a means to share ideas, concerns, support, fellowship and love from a Christian perspective. There are guest speakers, panel discussions, small group sharing and other activities.

The group is open to singles, widows and widowers. Many of the topics pertain to single parents and other individuals rebuilding their lives and relationships.

A pot luck dinner will be held on Friday, May 14. Bring a dish to pass.

On Saturday, May 15, a singles reunion dance will be held at Holy Angels School, 230 N. 8th Avenue, West Bend. DJ music by "Puttin' On the Hits" will be provided. This will be a special dance for all present and past members of the group as well as all singles who may be interested. Come and join the fun. All are welcome.

A Change Your Life video will be presented at the meeting on May 21, followed by discussion.

Hunter Education Class Graduates

Hunter Education graduates included, first row, left to right: Markus Belger, Nathan Steiner. Row two: Chris Spears, Travis Zehren, Ben Finco, Roxanne Larrick. Row three: Jeremiah Clark, Adam Baumhardt, Jeff Bischoff. Row four: Gary Zehren, Jamie Sabish, Dan Sabish. Row five: Michael Seefeldt, Lenus Seefeldt, John Bohlman. Not pictured: Robert Schmitt.

Sixteen hunters recently completed the Wisconsin Hunter Education course sponsored by the Kewaskum Police Department, the Kettle Moraine Sportsman Association and the Wisconsin Department of Natural Resources. The instructor was Richard Knoebel, a certified DNR Hunter Education instructor.

Students who successfully completed the basic course received a distinctive embroidered emblem attached to a blaze orange hunting hat and a lifetime Hunter Education Certificate. They are: Adam Baumhardt, Marcus Belger, Jeff Bischoff, John Bohlman, Jeremiah Clark, Ben Finco, Roxanne Larrick, Dan Sabish, Jamie Sabish, Bob Schmitt, Lenus Seefeldt, Mike Seefeldt, Chris

Spears, Nathan Steiner, Gary Zehren and Travis Zehren.

The course included lessons on hunter responsibilities, firearms safety in the home and afield, knowledge of firearms and hunting equipment, wildlife identification and management, marksmanship and other outdoor skills.

All graduates were given the opportunity to fire rifles and shotguns at the New Fane Sportsman Club Grounds. The range and facilities were donated by the New Fane Sportsman Club.

The next Hunter Education Class is scheduled to begin in August of 1999. Anyone interested in taking the class should call the Kewaskum Police Department as soon as possible as space is limited.

Boys' Track Team Stumbles

By Jerry Gosa

KEWASKUM -- The Kewaskum High School boys' track and field team again found out that it is difficult to run with the big boys of Plymouth and Two Rivers.

The Kewaskum Indians only won one running event and two field events of the 17 events. Plymouth totaled 77 points to win the triangular track meet on Tuesday, May 4. Two Rivers finished second with 60 points and the host Indians scored 42 points.

A couple of weeks ago, when we were rained out against Sheboygan Falls and Manitowoc Roncalli, I thought to myself that not only did we lose a home track meet, but we also lost the opportunity to compete against a couple of schools with athletes of similar abilities as ours.

The lone running event that Kewaskum has been able to win was the 4x100m relay of Chris Canter, Jim Thelen, Jason Strobel and Charlie Sparks. The quartet was timed in 46.6 seconds, compared to Two Rivers' time of 47.1 seconds.

Kewaskum went 1-2 in the long jump with freshman Chris Canter again

breaking the 19 foot barrier with a jump of 19'1-1/4" and senior Andy Christophersen recording an 18'6-1/2" jump. Both of these guys are a welcome addition to the track team. It has been a few years since we had a long jumper over the 19 foot mark.

Charlie Sparks won the discus with a throw of 143'8" and placed fourth in the shot put with a throw of 43'11". Charlie needs to continue being consistent in the 140's of the discus and hopefully even get into the 150's.

Kewaskum went 2-3 in the 100m dash. Jason Strobel finished second and Chris Canter finished third with time of 12.6 seconds and 12.65 seconds respectively. The strong head wind caused slower times with Pruitt of Plymouth recording a winning time of 12.2 seconds.

Strobel also finished second in the 200m dash with a time of 24.4 and Sparks finished fourth with a time of 24.6 seconds. The winning time of 23.6 seconds was also recorded by Pruitt.

Paul Mertz placed second in the high jump with a jump of 5'8", while Tom Ogi placed fourth with a height of 5'4". The winning height was 6'3" by Iseloth of Plymouth.

Kewaskum placed 2-4 in the pole vault with Chris

Koth jumping 11'6", Brian Wall clearing 11'0", and Joel Hermann making 10'6". It was a difficult night to vault, but Hofman of Two Rivers cleared 12'0" to win the event for Two Rivers. The conference meet is next week and I hope that our vaulters get everything worked out by then.

Matt Belger finished third in the 3200m run with a time of 11:38.2 and fourth in the 1600m run with a time of 5:05.5. Darrell Woebeking finished fourth in the 400m dash with a time of 59.2 seconds. Kewaskum was without the services of Luke Kehres, their best long sprinter and 400m dash specialist because of injury, but the freshman would have been hard pressed to place higher than his teammate, Darrell Woebeking.

Freshman Bryan Kraft ran the fastest 800m run for Kewaskum with a personal best time of 2:19.1, but did not place.

Kewaskum failed to score any points in the following events: 4x800m relay, 110m high hurdles, 300m intermediate hurdles, 800m run, 4x400m relay and the triple jump.

It is easy to complain about the windy conditions, but everyone had the same problem. The athletes had to work extra hard running into the wind and their slower than normal times reflected the windy conditions. The wind, however, actually provided a good workout. I also think our athletes are still tired from the prom weekend and also were probably not focused.

A loss like this can be a little discouraging, but I think we have made some

real progress with our sprinters. I was happy to see the 4x100m relay team win.

TOWN OF WAYNE TOWN BOARD MEETING

The monthly town meeting will be held at 7:30 p.m. Wednesday, May 19, at the Town Hall, 6030 Hwy. H.

A complete agenda can be obtained at the clerk's office the day of the meeting.

Orville Kern, Clerk

Barber to customer: "What would happen if I cut off your right ear?"

Customer: "I wouldn't hear so well."

Barber: "And if I cut off the other ear?"

Customer: "I wouldn't be able to see."

Barber: "What do you mean you wouldn't be able to see?"

Customer: "My hat would fall down over my eyes."

Cain Wins Plymouth Super Modified; Staehler Fast Qualifier

Kewaskum's Dan Cain was the Super Modified feature winner at Plymouth Raceway on Saturday, May 1. Shown above, Dan does some celebrating on top of his wing after his feature win.

By Verla Peichl

Opening night for Eastern Wisconsin Stock Cars had its share of glitches, but when the main event began it was electrifying, complete with fireworks. The drivers had attempted to work out the surprises and when it was over, 14 Super Winged modified cars finished out of 20.

It was early in the 30-lap A-Main Mod feature when #27 Leroy Ostrowski and #98 Tim McMullen made contact. It wasn't enough to call for a yellow flag, but enough to make the crowd gasp.

By lap number three, #7 Pete Ostrowski, former track champion, took the lead. Number 21 T.J. Luedtke stayed in stride with him and the top numbers were #24 Danny Cain, #51 Dave Enders, and #11 Tim Melis. Then in lap nine, things started to change.

T.J. Luedtke went out, and Tim Melis stalled in front of the grandstand. In lap ten, "Fast Eddie" Staehler wobbled in turn one and the yellow flag came out.

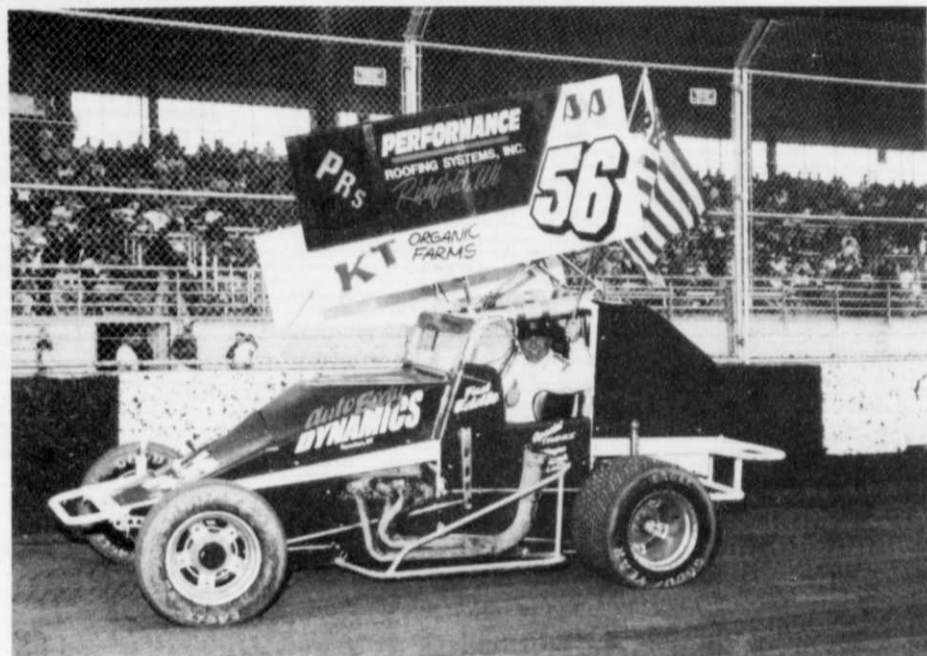

The cone restart on lap ten found #56 out for the night, and Luedtke in the

back.

With 20 laps to go the cone restart found Dave Enders and Danny Cain doing a tight squeeze around the corners. By lap 18, #7 Pete Ostrowski was back in form. Ostrowski was riding high and taking the corners smooth and fast. He was flying, until lap 24, when Ostrowski and #99 Chuck Tuschl hooked together on turn four while #3 Billy Kreutz slid into their tussle. It was a good break for Danny Cain.

The restart went back to lap 23 with leaders, Cain, Enders, LeRoy Ostrowski and #62 Gary Laack. Then on lap 25 another restart was called due to debris on the track.

It was just the break Danny Cain needed because when the checkered flag came down, the final finish was #24, Danny Cain; #51 Dave Enders, #62 Gary Laack, #98 Tim McMullen and #72 Dennis Klumb.

Fast qualifier for the night at Plymouth on May 1 was Super Winged Modified #56 "Fast Eddie" Staehler of Kewaskum with a 13.715.

WB Relay for Life Kickoff Set for May 19

The American Cancer Society's West Bend Relay for Life kickoff breakfast is planned for Wednesday, May 19, from 7 to 8 a.m. in the fourth floor east conference room at St. Joseph's Community Hospital of West Bend, 551 S. Silverbrook Drive.

Everyone is invited to attend this meeting where individuals will have the opportunity to learn more about the Relay and how businesses, churches and families can become involved in this community event to fight cancer. Team packets will be distributed at the breakfast, along with information about forming a successful team. There is no obligation for attending the kickoff and new teams are encouraged to attend.

The Relay for Life event consists of teams of up to 15 people who spend 18 hours together in an effort to raise money to fight cancer. The objective is to have at least one member of each team walking or running around

a track for the entire event. However, most of their time will be spent listening to music, camping out, participating in a variety of family activities, grilling out and enjoying the company of friends, relatives and co-workers.

The 1999 West Bend Relay for Life is scheduled

for August 6 and 7 at Badger Middle School in West Bend. The Relay is sponsored by the West Bend Company and St. Joseph's Community Hospital with media sponsorship by WBKV. For more information please call Shelly at the American Cancer Society office at 338-4060.

Canter, Sparks Excel at Vanderpan

By Jerry Gosa

SHEBOYGAN FALLS -- The Kewaskum High School track and field team was not in the hunt for the title Friday evening at the 29th annual Vanderpan Track and Field Invitational at Sheboygan Falls on May 7.

Kewaskum finished seventh with 53 points, far behind the 176 points that conference foe New Holstein earned to easily beat another conference team, Plymouth, by over 40 points. The Kewaskum Indians, however, did shine in four events and two individuals had great performances.

Freshman Chris Canter had a career best in the long jump by over nine inches with his winning jump of 19 feet, 10-3/4 inches

(19' 10-3/4"). Canter won the long jump by exactly two inches. I know they were jumping with the wind, but Chris still beat some very good jumpers, including two athletes from New Holstein. It's great to have a freshman do so well.

Sophomore Charlie Sparks, who placed second in the discus, also had a career best effort by over four feet with a mighty throw of 150'6". The discus was won by Heaver of Howards Grove with a throw of 160'5". Third and fourth places in the discus were throws of 148'11" and 145'3". Sparks was in some tough competition and did an excellent job. I know that he is thinking about the Kewaskum School record, which is 153'4". (The school

record was set by Brian Liegl in 1997). We talked about the record after we returned to school. I told him to just keep working hard and when it was time for it to happen, it would.

One event that really provided some excitement on the track for Kewaskum was the 4x100m relay. The Kewaskum quartet of Chris Canter, Jim Thelen, Jason Strobel, and Charlie Sparks placed second with their season's best time of 46.1 seconds. All four Kewaskum relay runners ran hard, but when Kewaskum's third runner, Strobel, received the baton, Kewaskum was in the thick of the pack, but was only in sixth place. Strobel ran very well around the last curve and moved his team into third

place before the handoff.

Sparks, who was running fourth for Kewaskum, however, was 10-12 feet behind New Holstein's ace sprinter, DeKleyn, when he received the exchange. (DeKleyn easily won the 100m dash earlier in the meet, with a time of 11.3 seconds). Sparks ran probably his best 100 meter split of the season, caught up to and nipped DeKleyn at the wire to snatch second place from New Holstein. Southern Door won the event with an excellent time of 45.3 seconds. Sparks determination and effort was impressive. Sparks also placed eighth in the shot put with a throw of 44'1".

The Kewaskum 4x100m relay team better be ready for the Eastern Wisconsin Conference Championships next Thursday, May 13. The meet is being hosted by New Holstein and their 4x100m relay team will be looking for revenge.

The pole vault competition was Kewaskum's best team event as Chris Koth and Brian Wall placed second and third respectively to collect 14 team points. Both Kewaskum vaulters didn't let the cold and wind interfere with their concentration as they both equaled their career bests. Junior Chris Koth's 11'6" effort tied his personal best of the season in the pole vault.

Sophomore Brian Wall continued to vault very well and cleared the 11'0" height for the second time in a week. "Our vaulters did a real nice job tonight," commented pole vault coach Rick Robinson.

Injuries and sickness caused the Kewaskum's boys team to make some quick changes that, and in some cases, left the team without any entries. Sophomore Paul Mertz, Kewaskum's best high jumper with a season best of 5'10", turned an ankle playing basketball in his afternoon gym class and was unable to compete in his specialty, the high jump; or run on the 4x400m relay team. Freshman high jumper, Tom Ogi, didn't even come to the meet because of illness, leaving Kewaskum without any participants in the high jump. Paul could have placed in the top three or four, based on his previous best and the results of the event.

Freshman Luke Kehres, the team's best 400m runner, has been slowed by a slightly pulled quad and was nowhere near his best. Not that he would have placed for sure, but he didn't even get a chance to run his best at the meet. Senior Scott Mueller, 800m runner and triple jumper, also missed the meet due to bronchitis. Obviously team depth would come in handy in these type of situations.

Senior Andy Christopher placed sixth in the long jump and picked up three points for Kewaskum with a leap of 18' 6-3/4".

The Kewaskum 4x400m relay team of Darrell Woebeking, Chad Will, Josh Rieder, and Luke

Kehres placed seventh with a time of 3:53.6. Senior Chad Will ran the fastest split of the group and sophomore Darrell Woebeking turned in a very good second 400m run of the evening. (Woebeking had run the open 400m run earlier in the meet in a personal best time of 57.4 seconds). I'm always glad to see this kind of effort being put forth by our athletes during a meet. They all need to carry this kind of determination and effort over to their workouts.

Strobel's 11.9 seconds and Canter's 12.1 seconds times in the 100m dash preliminaries did not get either Kewaskum athlete into the finals. Likewise, Sparks 24.8 seconds and Strobel 24.9 seconds times in the 200m dash, also did not get either of them into the finals.

Senior Matt Belger and freshman Bryan Kraft ran almost identical times of 5:05.8 and 5:06.0 in the 1600m run, but did not place.

Kraft ran a personal best time of 2:18 in the 800m run. Bryan's running the 800m run should help his time in the 1600m run. Speed training the next couple of weeks should help both Bryan and Matt achieve their goal of breaking five minutes in the 1600m run.

Belger also ran a personal best time of 11:16 in the 3200m run.

The next meet for Kewaskum boys' and girls' track teams will be at the Eastern Wisconsin Conference Track and Field Championships on Thursday, May 13, at New Holstein High School.

Field events (girls, then boys) start at 3:45 p.m. Trials in the 100m dash, 100m and 110 high hurdles, and the 200m dash will start immediately following the 4x800m relays. Following the completion of the boys 200m dash at the end of the trials there will be a 15 minute break. Finals will start after the break.

TUESDAY NITE MEN'S LEAGUE HON-E-KOR C.C. 5-4-99

TOP TEAMS THIS WEEK WERE: 1. Sentry Mixers - 5; 2. Regal Ware 1 - 5; Fifth Avenue - 5; Kruepke Trucking - 5; Regal Ware 2 - 5; Tom's Pudders - 5; Berndt's Inn - 5; Gruber Toolers - 3; Par Nons - 3; Timblin Prop. Mgmt. - 3; Bean Counters - 3.

LOW TEAM NET - PAR NONS - 131.

HIGHLIGHTS: Elmer Hallen and Dan Ley won the special events. Birdies: Jim Westphal (2); Jim Dean (2) and Dave Boyd (2).

Girls' Track Fourth at Vanderpan

By Jerry Gosa

SHEBOYGAN FALLS - The Kewaskum High School girls' track and field team finished a very respectful fourth place at the Vanderpan Invitational at Sheboygan Falls High School on Friday night, May 7.

Host and Eastern Wisconsin rival, Sheboygan Falls, won the team title with a total of 136 points, 34 points ahead of runner-up and another conference foe, New Holstein. Oostburg finished third with 92 points, followed by 72 points for Kewaskum, just one point ahead of Plymouth.

The Kewaskum team was led by the success of their throwers, distance runners, and hurdler Jackie Michaels; who collectively earned 59 of the 72 team points for Kewaskum.

Freshman Nicole "Coco" Herrmann, won the shot put with a throw of 32' 1-1/2" and sophomore Colleen Gosa, who won the discus at the Washington County meet, placed second in the discus with a throw of 100'2". Herrmann's throw was 5-1/2 inches ahead of second place and Gosa's throw was two feet behind Johnson of Southern Door.

Senior Jackie Michaels finished second in the 300m low hurdles with a good time of 51.0 seconds after leading over 250 meters of the race and also finished third in the 100m high hurdles with a time of 17.2 seconds. Michaels scored 14 team points with her second and third place finish.

The 4x800m relay team of Emily Rinzel, Elizabeth Rammer, Kelly Darmody, and Lauren Steinhardt finished third with a time of 11:11.6.

Senior Carol Neumann finished third in the 1600m run with a season best time of 5:49.5 and fourth in the 800m run with a time of 2:41.6. Sophomore team-

mate Colleen Gosa finished fifth in the 1600m run with a career best time of 5:54.9 and also finished fifth in the 800m run with a time of 2:42.4 after winning her heat of the 800m run. (Gosa had mistakenly placed in heat one, the slow heat, of the 800m run and had to compete in that heat instead of heat two, the fast heat). Gosa scored 16 of the team's points with her second in the discus and two fifths in the 1600m run and 800m run.

Amber Arthur of Sheboygan Falls won both the 1600m and 800m runs with times of 5:41.8 and 2:30.3 respectively, and was voted outstanding female athlete of the meet by the coaches of the eight girls teams.

Heather Rieder placed fifth in the long jump with a jump of 14'4-1/2" and also placed eighth in the 200m dash with a time of 30.3 seconds.

The Kewaskum sprint relay team of Jenny Fettig, Lynn Wiesner, Kristin Schiller and Tina Lindgren finished sixth in the 4x200m relay with a time of 2:00.9, and also finished sixth in the 4x100m relay with a time of 56.5 seconds, both against tough competition. Sheboygan Falls won the 4x200m relay with a time of 1:52.6 and Elkhart Lake won the 4x100m relay, 54.2 seconds just ahead of Sheboygan Falls' time of 54.3 seconds.

Sophomore Emmy Foerster finished seventh in the 300m low hurdles with a time of 54.9 seconds. Fellow sophomores Amber Averill finished eighth in the 400m dash with a time of 1:08.4 and Jody Wichtoski placed eighth in the triple with a distance of 28'2".

Kewaskum did not run the last event, the 4x400m relay, due to the absence of an athlete and an injury of another athlete.

Head girls' coach Joe Kinney offered these comments about the meet. "For

us the Vanderpan Invitational is one of the most important meets of the season. Last year we had some seniors miss the meet due to Confirmation, etc. This year there wasn't any conflicts with outside events, however, we had some athletes who were not 100% because of nagging injuries. Senior Jenny Fettig was ill and could not run in all the events that she usually does. Sophomore Emily Rinzel has a pretty bad case of shin splints, so we decided to scratch her from the 3200m run. Rinzel, based on her past performances, probably would have placed around third or fourth."

"Again the weights and hurdles came through for us. Herrmann and Gosa both did very well in their events. I was very pleased with both of them. They are keeping a consistent level of performance that pays off in the big meets."

"Jackie Michaels had a good time in the 300m low hurdles. She is starting to push that 50 second mark and I am hoping that this week at the conference meet she will break into the 49's."

"The distance runners also performed well. Carol Neumann hit two places, with a third in the 1600m run and a fourth in the 800m run. Right behind her in the 800 was Colleen Gosa. Colleen got seeded in the incorrect slower heat and still ran well and got fifth place."

"The 4x800m relay team really came through. They got third place with a time of 11:11.6, which is one of their fastest times of the season. All four members, Emily Rinzel, Elizabeth Rammer, Kelly Darmody, and Lauren Steinhardt ran very well and are starting to see the fruits of their labor. We are hoping that they will break the 11 minutes mark yet this season. That would be outstanding," concluded Coach Kinney.

Freshmen Shine at Manitowoc Invite

By Jerry Gosa

MANITOWOC -- The Kewaskum High School boys' and girls' track teams traveled to Manitowoc on Thursday, May 6, to compete with 16 other teams in the annual Manitowoc Freshmen Invitational.

No team scores were kept, but individual performances for places one through six were awarded medals. Many Kewaskum athletes won medals for the first time in their high school careers. The weather was a big factor as a cold rain and strong winds hindered all the athletes throughout the meet.

Kewaskum Boys' Results

Chris Canter won his specialty, the long jump, with a distance of 17'5". Canter also placed second in the 200m dash with a time of 25.2 seconds and third in the 100m dash with a time of 12.5 seconds.

Bryan Kraft placed third in both the 1600m run and the 800m run with times of 5:09.3 and 2:19.8 respectively. Teammate Josh Repovsch finished seventh in the 1600m run with a time of 5:33 and eighth in the 800m run with a time of 2:31.7. I was happy with these times especially when the conditions during the meet are taken into account.

The 4x100m relay team of Tony Fitts, Dan Poppy, Tom Ogi and Justin Rhoads finished third with a time of 50.64 seconds.

Luke Kehres finished third in the 400m dash with a time of 58.9 seconds and seventh in the 200m dash with a time of 26.0.

Tom Ogi did not get the opportunity to compete in the pole vault because the event was canceled due to the inclement weather. Ogi,

however, did place third in the high jump with a jump of 5'. The best height listed in the program for the pole vault was only 9' and Tom has gone over 10' quite a few times in practice. I know that Tom was disappointed that he couldn't pole vault, but I think they made the right decision not to hold the event.

Dan Willkomm placed sixth in the discus with a personal best throw of 81'5". Nathan Fechter finished in seventh place with a throw of 78'8". Fechter threw a personal best of 32'0" and Willkomm threw a personal best of 25'7" in the shot put, but neither placed in the top six.

Tony Fitts recorded a time of 12.9 in the 100m dash and long jumped 15'11", but did not place in either event. Tony Keely ran his fastest time of the season in the 440m dash, a time of 62 seconds, but did not place in the top six.

The 4x400m relay team of Josh Repovsch, Tony Keely, Bryan Kraft and Luke Kehres finished eighth with a time of 4:21.4.

Kewaskum Girls' Results

Nicole "Coco" Herrmann won the shot put with a throw of 31'2" and placed third in the discus with a personal best distance of 72'10".

Jolene Clark placed second in the high jump with a leap of 4'4".

Heather Garczyoski threw 53' in the discus and Erin Bandler threw 21'1" in the shot put, but neither athlete placed in the top six.

Candi Heberer placed third in the 1600m run with a time of 6:46.4. Heberer also placed ninth in the 800m run with a time of 2:57.7. Teammate Kim Survis placed 14th in the 800m run with a time of

3:10.8.

Stacy Muckerheide placed sixth in the 100m dash with a time of 14.8 seconds and Beth Hermann finished with a time of 15.7 seconds in the 100m dash. Muckerheide and Betsy Marx ran the 200m dash in 31.1 seconds and 33.6 seconds respectively.

Emily Shulka placed third in the long jump with a distance of 11'11-1/2" and teammate Melissa Lark long jumped 11'4", but did not place in the top six. Shulka also ran the 110m high hurdles in 21.4 seconds and the 300m low hurdles in a time of 61.5 seconds but did not place in the top six in either event.

The 4x200m relay team of Courtney Schultz, Lisa Flasch, Betsy Marx, and Beth Hermann finished with a time of 63.2 seconds, but also did not place in the top six teams.

Lauren Schultz and Jackie Krueger ran the 400m dash with times of 74.5 and 75.6 seconds respectively, but also did not place in the top six.

The Kewaskum girls' 4x400m relay team did not run due to injuries to a couple of the girls.

The next meet for the freshmen and sophomores is the Eastern Wisconsin Conference Frosh/Soph Championships on Monday, May 17, at Sheboygan Falls. Field events start at 4 p.m. Boys throw the shot put first and girls throw the discus first, then reverse. Girls high jump first to completion and boys follow. Finals start at 4:30 p.m. There are no trials; all running events are timed finals.

The triathlon—1.5 kilometer swim, 40 kilometer bike ride and 10 kilometer run—will become an Olympic event beginning with the 2000 games in Sydney.

Indian Golfers Continue Success in Conference

The Kewaskum High School boys golf teams traveled to Two Rivers on Tuesday, May 4, to challenge the Washington High School Raider golfers on their home course, Fox Hills, on a sunny, warm and breezy afternoon.

The Indians were able to maintain their early season winning streak on the course where the conference championships will be conducted later this month. All three (varsity, junior varsity and reserve) teams won as a result of some solid overall team scoring.

The varsity Indians posted the best team score of the season to date, a 163, which resulted from four rounds in the low forties (40, 40, 41 and 42), enabling the visitors to secure their third consecutive conference victory by ten or more strokes over their league rivals.

The young Raiders of Two Rivers recorded three 45's and a 42 for a team total of 177 and league record of 2-2. Senior Shaun Timblin and sophomore Billy Koch tied for medalist honors both finishing at five over par on the Blue Nine of the Traditional Trac at Fox Hills.

The junior varsity team proved to be just as sound with a 177 to 179 victory over the host JV Raiders. Leading the local linksters were Clint Herrick (43), Kevin Miller (44), and Todd Wright (44), whereas the hosts were led by T.J. Owens (40). The Indian JV's are currently 3-1 in league play as well.

The Indian reserves narrowly beat their Raider counterparts, 186 to 188, on the strength of all their scores in the forties, ranging from 44 through 49. Kewaskum was led by sophomore Luke Reindl's 44 and freshman Noah Koch's 46.

Likewise the home team posted scores from 44 through 50, but could not overcome the young Indians consistently solid rounds.

The reserves are undefeated in conference action, but 4 and 2 overall.

This road trip was significant in that the Indians were able to post their best team score at the future site of the league tournament and develop some overall team confidence going into the last two weeks of conference contests. Plus the Indians tallied ten scores of 45 or better on the par 36 Blue Course, including Curt Koth's 41, Jeff Taylor's 42 and Jon Boedeker's 43.

Now the Indians have to start scoring consistently in the 160's as a team or better and in the low 40's or better as a varsity team member in order to maintain a high level of performance. Otherwise Kewaskum may not be able to challenge for the conference title. The Indians are gradually improving with the weather, as the season demands.

Kewaskum will travel to Kiel on Wednesday, May 12, and host Manitowoc Roncalli and Chilton on Thursday, May 13, to round out the league schedule. Then the Indians will return to Fox Hills to compete for the Easter Wisconsin Conference Championship on Thursday, May 20.

The next two weeks will prove to be pivotal in determining the overall success of the boys golf season at Kewaskum High School. Fortunately, great competition for spots on the varsity roster should result in more consistent performances.

Home course advantage for the last two league matches should be beneficial and good preparation for the WIAA Division Two Regional Golf Tournament on Tuesday, May 25, at Hon-E-Kor Golf Course.

Lynn Wins Three Titles

By Jerry Gosa

Marni Lynn, former Kewaskum High School distance standout, and her Carroll College teammates, won the Midwest Conference Track and Field Championships on Saturday, May 8, at Monmouth College in Knox, Illinois, by outscoring Lawrence, 158 to 144 points. (The Carroll College men's team also won the conference title).

Lynn led the women Pioneers by winning three events and placing second in one other event. When contacted on Sunday, Lynn excitedly stated that the announcement at the end of the meet that Lawrence had finished second and Carroll first, was "the highlight of the whole day."

Lynn had a very good weekend and definitely helped Carroll win the meet. She was the only Carroll woman athlete to win a championship and individually earned 38 points for her team.

Carroll College's championship was a surprise due to the fact that they barely scored any points in sprinting and their pole vaulter had sprained an ankle on Tuesday and was unable to compete.

The Midwest Conference Championships was a two day meet which allowed Lynn the opportunity to compete in a total of four events in two days. On Friday, May 7, Lynn had one event to compete in, the 1500m run. She led the race from start to finish and won the race with a time of 4:39.61.

Saturday's schedule proved to be more adventuresome for Lynn. She

started the day running the 5000m race (3.1 miles) at 12:30 p.m. Lynn sat behind the leader for the first eight laps (two miles) and then with four laps to go took off and passed the leader and easily won the race in a meet record time of 18:18.9. This was Lynn's first time running the 5000m event during track season. Her previous best time at this distance was 19.03 last fall during her cross country season.

At 1:55 p.m. on Saturday, only one hour after winning the 5000m race, Lynn was back on the track to crank it up again, this time with the 800m run. Everyone in the field of runners were fresh except for Lynn.

Per Marni, "the girl from Beloit" led the beginning of the race. She said, "I passed her on the front stretch of the first lap and led the second lap, but she was able to outsprint me to the finish." Lynn finished second with a career best 800m time of 2:14.34. "The girl from Beloit" won with a time of 2:13.8. Lynn's time of two minutes, 14.49 seconds (2:14.49) broke her own Carroll College school record that she had set back on Saturday, April 17. Lynn's old record was 2:16.1.

At 2:45 p.m., also on Saturday, Lynn lined up for her third race of the day and fourth of the weekend, the 3000m run. "By that time I was getting pretty tired. I sat behind the leader for the first four laps and then took off and won the race with a meet record time of 10:27.75," reported Lynn. "I had no idea about the meet records. It was not like I was trying for any of

these records. They just happened," commented a happy Lynn.

Marni summarized the big weekend by responding that she really "had fun" and that it was great that both her Mom and Dad came to the conference meet. Carroll's head coach, Brian Bleise, stated that he was happy with everyone's performance. He also stated that he, (Bleise) was thrilled with Lynn's accomplishments.

Carroll College and Marni Lynn's next meets are tentatively Wednesday, May 12, at Carthage College and Friday, May 14, at Augustana, Illinois. Good

luck to Marni and the Carroll College Women's track and field team.

One meet that is not tentative, at least for Marni Lynn, is the NCAA Division III National Track and Field Championships that will be held on May 20-22 at Baldwin-Wallace College in Berea, Ohio.

Good luck at Nationals, Marni!

TORNADO FACTS

An average of 21 tornadoes occur in Wisconsin each year, but some counties can have many tornado-free years in a row. An average of one person dies each year in Wisconsin from tornado-related injuries. Tornadoes have a circulation (rotating column of air) touching the ground. However, funnel clouds are defined as not touching the ground.
