New Ambulance in Service

By Louise Martin

Members of the Kewaskum Fire Department are proud to announce and provide Kewaskum and surrounding area with a 1999 Ford chasis diesel-powered Foster Med Tech ambulance.

The newest addition was purchased by the department from funds raised through ambulance runs and the annual Third of July fireworks show. No taxpayer dollars were used in this recent acquisition. The new vehicle replaces the 1979 Chevrolet ambulance that served the department well for many years.

The department is equipped with two ambulances. The new vehicle has many of the same features found on the ambulance purchased in 1993 including up-to-date communication capabilities, enclosed storage compartments, biohazard waste disposal area, is

climate controlled and brightly lit with fluorescent lights.

The new rig is slightly higher which allows caring for patients easier for the technicians and the paint color is red and white. When the ambulance is enroute to a scene, the most notable difference is probably the Southern SA-441 magnum siren.

The ambulance is staffed 24 hours a day by 37 dedicated volunteers whose only motivation is to help someone in need.

To qualify as an emergency medical technician (EMT) one must complete a 33-week EMT Basic Course and successfully pass a practical and written national registry exam. To retain their license, the EMT attends a ten week refresher course every two years. In addition, the EMT recertifies in CPR every year.

The ambulance is equipped with a defibrillator for

use in cardiac arrest patients. The department is looking to replace their current units. The Kewaskum Rescue Squad includes 22 members who are certified defibrillators through St. Joseph's Community Hospital, West Bend.

To participate in the defibrillator program, Kewaskum has a certified defib technician on call at all times. Additionally, these members are certified for the placing of an advanced airway to assist a patient with breathing and to administer epinephrine, a hormone to treat allergic reactions.

The department wishes to recognize and commend the New Fane Sportsman's Club for their generous offer to purchase a defibrillator unit for the ambulance and encourages any other organizations or individuals to meet their challenge of providing funds for a second defibrillator unit.

Skeletal Remains Found in Long Lake

The Fond du Lac County Sheriff's Department is investigating an incident where a skull and a lower jaw bone were found in Long Lake on July 8.

The discovery was sent to Dr. Leslie Eisenberg, an archaeologist and forensic anthropologist State Historical Society in Madison.

Eisenberg did a preliminary review and indicated that the skull displayed masculine characteristics, however she asked that the rest of the remains be submitted to her as soon as they were recovered.

The following day Fond du

Lac County Sheriff's Department divers recovered between 75 and 80% of the skeletal remains.

The examination revealed that the remains were anywhere from five to 100 or more years old, and that of a Native American female, 50 years or older. At one point the subject's left wrist had been broken and healed some time prior to death. The subject suffered from arthritis, collapse of the spine and osteoporosis. Many of her teeth were missing from the lower jaw that was recovered. It appears that they were missing prior to her death.

Meyer Found Competent to Stand Trial

By Andrew R. Kuehl
Staff Writer/Photographer

Six members of Jeffrey Meyer's family were present as he made his second appearance in Washington County Circuit Court last Wednesday morning. Meyer was found competent to stand trial on four counts of attempted homicide after an evaluation by a Winnebago Mental Health facility psychologist.

On May 19 Meyer was the key player during a 13 hour stand-off with officers of the Washington County Sheriff's Department and SWAT team, and West Bend and Germantown SWAT teams.

By the end of the turmoil, two officers had been struck by from gunfire of Meyer and two others were fired upon. In excess of 40 rounds of teargas was released into Meyer's home.

Meyer's attorney, Alex Flynn made a request to have the court appoint another psy-

chologist re-examine him. The request was granted and Reserve Judge Harold Eberhardt appointed Dr. George Palermo to do the re-examination on Meyer.

Flynn stated he had already gotten a psychologist to do the re-examination.

The prosecuting attorney had no objections and agreed to appointing Palermo.

Flynn had made another motion to drop Meyer's bail to \$5,000 from the \$250,000 that is now set. It was his intent that Meyer would be released into the custody of his mother after the bail was paid.

The prosecuting attorney said he would reject any modification to the bail, and that Meyer would be an extreme risk to the community. The plea was denied.

Meyer remains in the Washington County Jail. His next court appearance is August 9 at 8:30 am when the results of the re-examination will be revealed.

New Fane Sportsman's Club to Purchase Ambulance Defibrillator

By Louise Martin

Members of the New Fane Sportsman's Club have made a generous offer to help people in an emergency situation.

The New Fane Sportsman's Club is donating funds to the Kewaskum Fire Department to purchase a new Physio Control Life Pack 12 Defibrillator for use in the ambulance. The proceeds have been raised from the club's popular annual wild game feed and their 26 gun raffle.

The New Fane Sportsman's Club members are issuing a challenge to other

organizations and individuals. Please donate funds to the Kewaskum Fire Department to help purchase a second defibrillator unit to be used in the second ambulance.

A defibrillator is a portable battery-powered device that is used to record cardiac rhythm and to generate and deliver an electrical charge to patients with ventricular fibrillation.

The leading cause of death in this country is heart-related disease. More than 350,000 people die suddenly of cardiac arrest each year. More than three-quarters of them die outside

of the hospital. Many die unexpectedly in their homes.

Research in pre-hospital treatment of sudden death had identified several factors commonly associated with successful resuscitation and subsequent survival. Equipping the EMT with a defibrillator for early defibrillation is one of those factors that improves the chances that a patient will survive a cardiac arrest.

The current difibrillators in the Kewaskum Fire Department ambulances are in need of being replaced because the electronic parts are no longer

manufactured. Area hospitals are not able to efficiently download the computer chip information from the current unit because of updated hospital systems.

Defibrillation is a special skill level over and above the basic EMT training. Its legal requirements are very state specific. A continuing education program that includes regular overview of theory and practical defibrillation skills is required. As with any health care equipment, the unit is costly. The cost of each defibrillator is approximately \$9,000. But who can place a price on a patient who has

survived a cardiac arrest because of defibrillation?

If any organization, group of organizations, individuals or group of individuals are interested in meeting the challenge presented by the New Fane Sportsman's Club, please contact Donna Zimmer, Kewaskum Fire Department Rescue Captain at 626-2809 or Larry at 626-4291.

Results of the Kettle
20 race will be
published next week.
We apologize for any
inconvenience

Pig Kissing Nominations Mired in Mud; Are We All Too Old to Have Fun With This? There Must Be Someone You Need to Nominate!

All rightee now, people. I realize we're all getting older and moving a tad bit slower, and surely I realize we are trying to act calmly and then build to a crescendo on this contest, but this is getting a little ridiculous! I haven't received a nomination in over a week. We only have 15 days left to select the 30 semi-semi-semi-semi-finalists. You're scaring me. I promised everyone this would be alot of fun and everyone seems to be dragging their feet.

Perhaps many of our readers do not remember Kewaskum's last "Kiss the Pig" contest eight years ago... or maybe you were just too young to vote. But now is the time to stand up and have your vote count! I know there are many area residents who would just love to be the center of attention as they lay their lips on that pink piggy for a big, sloppy, wet kiss! Everyone in a tri-county area must know at least one person to nominate! I can think of at least 200!

Nominations for the first cutoff are only open until July 31, and that really isn't that far away. Let's at least make this interesting and get some competition on the

boards! Where's your sense of spirit?

All nominations only cost \$1.00 for this phase of the contest, (however, you may send in more than one nomination per person) with all proceeds going to benefit the Kewaskum Kettle Kountry Kolors Festival in October. And the winner who receives the most votes will eventually get to kiss the pig at Kettle Kountry Kolors. I mean... what could be more fun!

Let's get a little rivalry going here... friend vs. friend; neighbor vs. neighbor; co-worker vs. co-worker. You are all probably hanging back with your votes, thinking someone else has already nominated your favorite, so we have decided to list the candidates up to this point. Some have one point.... some have alot more. The list includes:

- ROY GARBISCH
- TROY ELLIS
- SCOTT TIMM
- JOYCE KRAL
- TODD TIMBLIN
- ANDREW KUEHL
- GARY GAVIN
- CLARK PEARSON
- RICHARD KNOEBEL
- JIM EISCH
- DENNIS AUPPERLE

BOB WAGNER
LARRY MARTIN

That's only 13 nominations! We need to eliminate down to 30 on August 1. But first we have to have 30 nominations. Help me out here people... please??? And you people listed above... it's time you try to figure out just who nominated you! Don't forget that little ditty about paybacks.

Campus Notes

EAU CLAIRE -- The University of Wisconsin-Eau Claire Gold Caps Chapter of Mortar Board initiated 40 new members for 1999-2000 during the university's annual scholastic Honors Week in April.

Mortar Board is an honor society committed to advancing service, scholarship and leadership. It is open to seniors in the top 35% of their class.

A Mortar Board initiate from this area is Christine Lynn Schmidt, Kewaskum, a senior majoring in Special Education.

Campus Notes

PLATTEVILLE -- A local resident was recently inducted into UW-Platteville's two freshman honor societies, Phi Eta Sigma and Alpha Lambda Delta. Both are national honor societies that recognize academic excellence in the freshman year.

Matthew R. Muench of Kewaskum, son of LeRoy and Hollis Muench, was inducted into the two honor societies. Muench graduated from Kewaskum High School in 1998 and is currently a freshman majoring in mechanical engineering. Muench works as a manager at the Rendezvous, a UW-Platteville restaurant. He hopes to eventually work in machine design.

Phi Eta Sigma was established in 1923 and Alpha Lambda Delta in 1924 at the University of Illinois for male and female freshmen students, respectively. Both honor societies went coed in 1975. Currently Phi Eta Sigma has more than 260 chapters and 485,000 members, and Alpha Lambda Delta has 217 chapters and over 500,000 members.

WAUKESHA -- Jessica Schulist, an art major from Kewaskum, has been named to the dean's list at Carroll College for earning a 3.5 grade point average or better on a 4.0 scale during the second semester of the 1998-1999 academic year.

Carroll College, a four-year liberal arts institution, is Wisconsin's first college, chartered in 1846.

EAU CLAIRE - The University of Wisconsin-Eau Claire has named 2,453 undergraduate students to its Academic Distinction List for the 1998-99 spring semester, according to Dr. Ronald Satz, provost and vice chancellor.

To be eligible for Academic Distinction, a student must be in good standing and have both semester and cumulative grade point averages of at least 3.2 (where 4.0 equals A). In addition, the student must have completed at least 12 credits during the semester with no repeated courses or incompletes.

There were 530 freshmen, 515 sophomores, 528 juniors and 880 seniors who qualified for the honor.

Students from this area who earned Academic Distinction during the 1998-99 spring semester at UW-Eau Claire include:

KEWASKUM - Sarah Leigh Bonlender, a junior majoring in elementary education, and Christine Lynn Schmidt, a senior majoring in special education.

Woodworker Uses Talents

Lon Loebel of Cedar Ridge Retirement Campus recently completed a collapsible display booth for Habitat for Humanity of West Bend.

The display house measures 8' x 4' x 14' and is so compact that when it is unhooked and folded up, it can fit in the back of a van. Loebel worked on the project at the Cedar Ridge Woodshop, finishing up just in time for Habitat's groundbreaking ceremony on July 25.

Loebel says the Cedar Ridge Woodshop helps a local community group every year. He's completed cabinets for the Red Cross - West Bend Chapter and the Council on Alcohol and Drug Abuse of Washington County. Last year he made a quilt holder to display quilts made by women

helped by Friends of Abused Families.

"We feel there's a need to give back to the community. We're part of the community and I feel we should give back as well," he says.

Cedar Ridge Retirement Campus is a division of Cedar Campuses, a regional leader in rehabilitation, education, older adult living and health care.

THANK YOU!

The Village of Kewaskum and all of its residents would like to thank the area citizens listed below, who graciously contributed toward this year's fireworks held on July 3, one of the best our community has ever seen. Thank you also to all who attended and to all who volunteered to give up part of their holiday weekend to set up and set off the fantastic sky show!

Thanks to their generosity, monies budgeted by the village, and donations made in the red cannisters, the annual holiday "explosion" was once again a sight to behold. All who donated, whether it was pennies in the fireworks cannisters (still available to take donations) or hundreds of dollars, can be extremely proud of Kewaskum's "Big Boom" this year.

Kudos to Larry Seefeldt and Heather Gray for letting us share their engagement!

As witnessed by the hundreds and hundreds of visitors to our community, we have gained the reputation of having the finest fireworks in this area. All who attended were impressed with the exciting holiday show we put on. Pat yourself on the back Kewaskum... we have earned the respect of all die-hard fireworks aficionados from miles around!

And now we begin the process of collecting money for next year. Our goal for next year? More... bigger... better... brighter, if possible, let's shoot for the stars! If you enjoyed this year's show of fire and light, please be generous. Make a contribution... don't sit back and depend on someone else to do it. Those red fireworks cannisters will be around the Kewaskum area businesses all year, so if you have a few pennies, nickels, quarters or even dollars to spare, please share them and drop them into the fireworks cannisters. The child in all of us love the fireworks... If everyone gives a little... we ALL benefit alot! Many, many thanks to:

As you can see, donations dropped considerably from last year... even more reason to thank those who made the effort to contribute and to plan on making YOUR contribution now to help underwrite the cost of the YEAR 2000 fireworks extravaganza!

All donations may be dropped off at the Village Hall or the Kewaskum Statesman. If you would like to mail in a contribution, please send to FIREWORKS, P.O. Box 98, Kewaskum, WI 53040.

THANK YOU, ALL!

The Great Meteor Crater of Arizona lies between the towns of Flagstaff and Winslow. Scientists believe that a meteorite struck the earth about 50,000 years ago and dug a hole about 4,150 feet across and 570 feet deep.

Kewaskum Youth Softball

After being rained out on June 23, the sun was shining for the June 30 scheduled games and all rain games were played.

RESULTS - (Rain Date)
Cubs 15, Cardinals 3
Twins 9, Yankees 1
Tigers 15, Orioles 6

JUNE 30 GAMES
Orioles 9, Yankees 4
Twins 11, Cubs 3
Tigers 8, Cardinals 3

STANDINGS

Gust Ins. Twins	3 - 0
Vet. Clinic Cubs	2 - 1
Bartelt Ins. Tigers	2 - 1
Kohn Citgo Orioles	2 - 1
Kew. Chiro. Cardinals	0 - 3
WB Savings Yankees	0 - 3

HIGHLIGHTS

YANKEES REPORT:

Bobby Stoll lashed a hot line drive for an RBI. Shortstop Nathan Schneider, Becky Junk at first base and Amy Fehlhaber at third base all made outstanding defensive plays for the Yankees crew.

TWINS REPORT:

Brandon Dymond tripled in the first, second and fifth innings to account for five runs in the game against the Cubs. Justin Wessing finished the Cub threat in the third with a great double play.

CUBS REPORT:

The brother and sister combination of Andy and Rachel Breese both played a great game against the Twins, combining for a triple and some singles in a tough loss. In their game against the Cardinals Danielle Yanke started her first game pitching in the 15 to 3 Cub victory. Amy Capsol reached base twice and scored her first run in league play.

TIGERS REPORT:

In the win over the Cardinals, Justin Weindorf got the scoring started with a two RBI single and Rachel Dums also had a great night at the plate, going 3-3 in the lead off spot. The victory over the Orioles was led with two homeruns from both Adam Gitter and Josh Timblin and great defense from Erica Hughes and Nick Marchant.

Little League Hits .444 Average For Tourney Title

The Kewaskum Little League team took first in Beechwood, going 56 hits for 126 at-bats for an impressive .444 batting average. It was a round robin tournament with Beechwood, Cascade, Long Lake, Farmington and Kewaskum.

In the first game Saturday, the Kewaskum team went against Farmington

and went 8 for 25 for a 7-3 win. In the second game against Cascade, they went 14 for 34 and a 14-8 win.

On Sunday, against the host Beechwood team, they got off to a fast start in the first three innings by taking a 12-0 lead. They went on to an 18-3 victory in five innings.

Their final game against Long Lake they started out with six singles in the first inning to take a 6-1 advantage after one. In the second inning, they scored nine runs on five hits, two walks and an error to take a 15-1 lead. The game was called after four innings with the boys going 16 for 31 with six walks and a 23-1 victory.

This was by far their best game of the year. Long Lake is a very good baseball team, but everything went Kewaskum's way for this game.

Tournament leaders were Dustin Current, 9 for 13; Kyle Mueller, 9 for 15; Cody Repovsch, 10 for 17; Dave Wickland, 4 for 7; Tim Trott and Ryan Koepke, each going 6 for 14. The team had good pitching from Ryan Koepke, Brandon Collins, Cody Repovsch and Abe Forester.

Little League Consolation Champions

During an early June tournament held in Eden, the Kewaskum Little League team went three and one to win the Con-

solation Championship.

The team was led by Ryan Koepke and Brandon Collins as they kept the other teams at bay with sound pitching performances.

Timely homeruns were hit by Dustin Current who slammed two, and one each by Tim Trott and Ryan Koepke. Leading hitters were Scott Wilke, 5-10; Dustin Current, 3 for 7 with two home runs and a triple and Tim Trott, 5 for 9. The team is currently 3 and 0 in league play and 10 and 1 overall.

Kewaskum A's Report

On Saturday, the A's lost in the SWABA Tournament to Forest, 12-2. Ken Immel took the loss, and Steve Walta hit a solo homer. Cory Immel was 2-3 to lead all hitters.

On Sunday, the A's defeated Hartford, 25-3. Steve Walta picked up the win. Curt Schroeder, Ryan Hall and Ryan Toshner homered. Every starter had at least two hits.

On Saturday, July 17, the All-Star Game will be held at Ashippun at 2 p.m. Ken Immel, Curt Schroeder and Tim Gundrum will represent the A's.

The next game will be a double header at Rubicon with a 12 noon startup time on Saturday, July 24. On Sunday, July 25, there will be a home game against Hustisford at 1:30 p.m.

Westphal - Laatsch

Michelle M. Westphal, Allenton, and Andrew J. Laatsch, Kewaskum, exchanged wedding vows during a ceremony on April 9, 1999, in Annapolis, Maryland.

Parents of the couple are Ervin Jr. and Jennifer Westphal of Allenton, and Lloyd and Mary Laatsch of Kewaskum.

The bride chose her

friend, Amy L. Johnson of Kewaskum, as her maid of honor. Aaron J. Laatsch, Kewaskum, brother of the groom, served as best man.

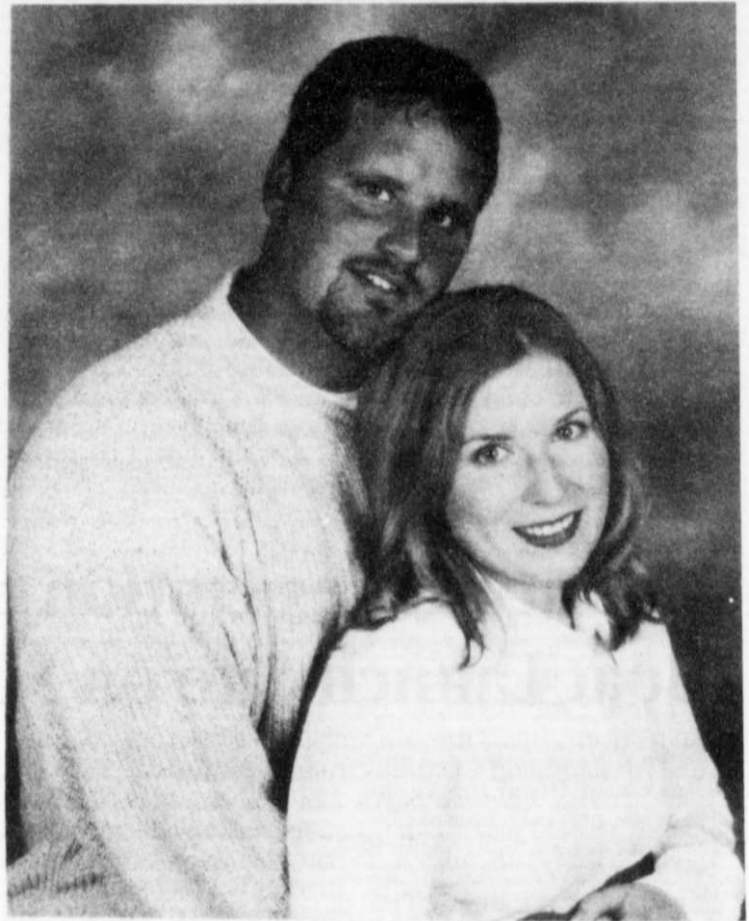

The bride is a 1998 graduate of Kewaskum High School and graduated from a Photographic and Photo Processing Maintenance, Quality Control Course in Fort Meade, Maryland in

1999. She serves as a photo processor for the United States Air Force.

The groom is a 1997 graduate of Kewaskum High School and is currently seeking employment in the marketing field.

The newlyweds are currently residing at Wright-Patterson Air Force Base in Dayton, Ohio.

Land - Pomeroy

Announcing their engagement are Barbara Land and Jesse Pomeroy.

Parents of Barbara are Paul and Emily Land of Kewaskum. Jesse's parents are Deborah Gahan and Steven Pomeroy of West Bend.

Barbara graduated from Kewaskum High School in 1994 and from the Univer-

sity of Wisconsin-Milwaukee in 1999. She is a programmer/analyst with Northwestern Mutual Life Insurance Company.

Jesse graduated from West Bend West High School in 1993 and is a mason with Graff Masonry.

The couple is planning a November 1999 wedding.

THIEMERDOME REPORT:

Hitching Post Notches Third Win; Sipper-Snippers Lose One More

The sun, stars, moon, dome lights, or whatever that was, shone brightly Wednesday evening for the Hitching Post Wannabes at the Thiemerdome.

I was not there so I am unable to say whether the dome was up or down... this play by play is coming secondhand... this might also explain why this entire report is so confusing. I won't name any names, but someone has a tendency to forget some words here and there while rambling about the intensive action.

The Post came to play, but so did Commercial Plumbing. (Bummer... that's kinda hard on the concession sales, isn't it Richard?) One Commercial player came to play ball and is surely destined to go into the Thiemerdome record books.

With a zero to zero score in the fifth inning, a "blast from the past" was heard from Curt "Pretty Boy" Schmidt, who rifled a shot over the Wannabe's right fielder's head to give the Plumbers the commanding lead.

However, to quote someone famous, "it ain't over, till it's over!" Fred "Handle" Bandle, who had two double plays in the game handed out another in the sixth to stop Commercial from adding to the score. Then in the seventh, when the Plumbers thought they had it stopped up, and win the

game with two outs under their belt, the Wannabe's Fred Bandle hit a homer to tie the game, eventually putting up extra innings on the scoreboard. (What scoreboard? Did Mary buy you a new blackboard?)

Both teams played good defense (that means no one dropped a ball) in the eighth, ninth and tenth, and again like a replay, Fred hit a home run to inch out the win for the Post, 2-1, notching the third win for the Hitching Post. They smell victory and are going for the whole nine yards. (oops... wrong game).

It looked as if the gods were also finally smiling on Thiemer's Sippy Snippers as they scored two runs in

the first inning on hits from Rick "Insurance" Jaeger, Mark "Doodles" Strobel, Bob "Butz" Buddenhagen and, naturally, slammin' hammerin' Larry Martin.

It was a new record and joyous elation for the Sippers... it was the first time this year they scored! (Oh boy... could I ever have fun with this one! No... I'll be kind... after all these guys are pretty old and Be Kind to Senior Citizens Week is coming up soon!)

Imagine the pandemonium that broke loose and the thrill the Sippers felt to think they were actually leading Amerahn. Oh well, who was it that said something about "fame fleeting?" Before the Sippers realized

they were ahead, Amerahn decided they were not about to roll over and have their success nipped by the root.

Amerahn came back with hits from Larry "The Mouse" Sabish, Ray "Hunting" Maurer and Dave "Smudley" Schmidt to tie up the game.

The Amerahners held the Sipper-Snippers through the game with the help of two double plays and slow running from... oh well, we won't say who... after all, it IS supposed to be a team effort. (Does that mean that the whole team runs slow? They do... I've seen them. They make the tortoise look faster than a speeding bullet!)

Amerahn finally put an

end to the misery and squelched the hopes of the Sipper-Snippers with a 6-0 win on some nice line shots (aren't those supposed to be caught, guys?)

The Sipper-Snippers have been on an intense recruiting trip the past week and even made a special trip down to their farm club to see if they could ~~scrape up~~... er, I mean recruit some players. Desperation is setting in. The manager says he thinks if he could only put another four or five players on the field to fill up the holes, they would have a chance (in your wildest dreams, Richard!). Yeah, and if the bear didn't stop to, oh never mind!

Vanden Heuvel & Dineen, S.C. Attys. to Sponsor Child Photo ID at County Fair

Vanden Heuvel & Dineen, S.C., attorneys with offices in Slinger and Germantown, is hosting its third annual Safechild Photo ID event for children during the Washington County Fair at the Fair's new location, Hwy. 45 and PV (Pleasant Valley Road), from July 21 to 25, 1999.

When a child is lost, a photograph is key to a swift recovery. The Safechild Photo ID is a driver's

license-sized laminated card that contains a physical description of the child including a full-color photo and fingerprint.

Having the card with you at all times allows you to immediately provide law enforcement with accurate information regarding a missing child.

"We are happy to have the opportunity to provide Safechild Photo ID cards to parents," says Attorney

Linda Vanden Heuvel of Vanden Heuvel & Dineen, S.C. "It's often hard to think clearly during an emergency situation and the Safechild Photo ID gives you necessary information at your fingertips."

According to a report of the U.S. Department of Justice, 1.8 million children are missing annually. Some estimates suggest that a child is discovered missing in America every 40 sec-

onds. Too many of them are never found. Angry non-custodial parents, family friends, or even worse, strangers, are taking innocent children from their playgrounds, schools and homes. No parents should have to worry about his/her child being abducted. No child should have to worry about being abducted. But in the society we live in, it

has become a too frequent occurrence.

"Vanden Heuvel & Dineen, S.C., is concerned with your child's safety," says Attorney Linda Vanden Heuvel. "Keeping kids safe is something we take very seriously."

For more information on the Safechild Photo ID event, contact Vanden Heuvel & Dineen, S.C., at its Germantown office 414-250-1976 or Slinger office 414-644-7808.

County Takes Option to Purchase Boat Launch Site on Silver Lake

The Washington County Park and Planning Commission has taken an option to purchase a boat launch site on Silver Lake in the Town of West Bend. The option would allow the county the right to purchase the property at a price which has yet to be finalized. County Board approval is required prior to actual purchase.

The property consists of a lake lot and several acres across the road from the lake lot. Current state rules permit up to eight car/trailer parking spaces to support a boat launch.

The Option authorizes county officials to perform a title search, environmental review and to begin the initial planning for the site. DNR officials have informed the Park and Planning Commission that up to 75% of the purchase price and 100% of development costs are eligible for grant funding.

Since Silver Lake currently has no public access, providing an access is a very high priority, both for the State of Wisconsin and the Park and Planning Commission as confirmed in the commission's most recent Park and Open Space Plan. This plan was adopted by the County Board after a series of public hearings during which lake access was a recurring request.

There has been speculation in the community that the county would operate a park in conjunction with a Silver Lake boat launch. There are no such plans, nor would the site accommodate a park.

This boat launch is in the same general location as a prior access which was recently closed. Public access will make the lake eligible for state funds to assist in maintaining the quality of the lake.

Roland Henschke is the owner of the property. He has consented to the release of his name in order to allow his neighbors and other lake residents to be fully advised as plans are developed.

With regard to the price

of the acquisition, state regulations do not permit price negotiation prior to DNR certification of the appraisals. It is expected, however, that the cost will be reasonable. Henschke has proposed to donate the actual boat launch parcel. The price for the parking area and development will be further reduced by possible DNR grants. The value of the property donated by

Henschke may be used as the county's share of the cost of the acquisition.

As plans develop for the site, the project will be reviewed by the Park and Planning Commission and the various County Board Committees prior to a final decision on the acquisition being made. This matter is expected to come to the County Board for action on August 10, 1999.

Summer Tea, Auction July 21

The Summer Tea/Auction will be held Wednesday, July 21, 1999 at St. John United Church of Christ, N104 W14181 Donges Bay Road, Germantown.

A bag lunch will start at 12 p.m. with beverages and dessert served by the host church. Items that sell well are bakery, produce, jellies, jams, jewelry, craft items, linens, doilies, collectible glassware, vases, books and other usable items. No clothes.

All women of Washington County and any denomination are invited to attend these Church Women United events. Bring a friend or neighbor.

If there are any questions, please call Mary Ann Toth at 251-0365.

Confirmation Held

Confirmation was held at St. John's United Church of Christ, Beechwood, during a 10:30 a.m. service on May 16. Confirmands and their Pastor are, left to right: Keith James Gerlach, son of Chris and Linda Gerlach; Rev. William Wiederanders; Melissa Marie Gerlach, daughter of Ken and Sandy Gerlach, and Lisa Jean Gessner, daughter of Larry and Rose Gessner.

Letters to The Editor

Dear Editor:

I would like to publicly commend Pastor Fredrich for the wonderful worship service on Sunday, Independence Day.

What a beautiful way to celebrate our allegiance to the Savior's Cross and the allegiance to our country, the United States of America. Let Freedom Ring!

A gracious Gift of God and a tremendous opportunity to show our gratitude to God for sending us his Son and to the men who served our country.

The hymns were so appropriate: God of Our Fathers; America, the Beautiful and God Bless America. What a refreshing idea to sing The National Anthem and to say the Pledge of Allegiance. We need to be reminded just how important these words are. I had tears in my eyes, a lump in my throat and "goose bumps" while singing these beautiful songs and hymns. I wonder if other members of St. Lucas who attended the 4th of July church service did too.

"I pledge allegiance to the cross of Jesus Christ, and to the faith for which it stands: Our Savior, eternal, with grace and mercy for all." Beautiful words.

Congratulations Pastor Fredrich on your 25th Anniversary of serving the Lord. Continued God's Blessings to you and thank you for a beautiful "Let Freedom Ring" Independence Day service.

Sincerely,
Jeanne Goeden

'Come to the Fair' Program at Historical Society Meeting July 20

The public is invited to learn what's in store at the new Washington County Fair Park, now nearing completion in the Town of Polk.

The "Come to the Fair" program will be held in conjunction with the July 20 bimonthly meeting of the Washington County Historical Society. The July meeting will include the society's annual potluck supper.

Joyce Albrecht, former UW-Extension home economist for Washington County, will present a history of the Washington County Fair. Nancy Herro, of the fair's office, will give a brief overview of the future plans for the fair, which opens July 21 at noon. The 7 p.m. historical society program will follow the 6 p.m. supper.

FDL Symphonic Band's Festival Ensemble To Perform at Dundee Mill Park Sunday

The Festival Ensemble, a smaller wind ensemble from the Fond du Lac Symphonic Band, will perform on Sunday, July 18, 1999 in the Village of Dundee in southeastern Fond du Lac County. The concert is slated for 1:30 to 4:00 p.m. at Dundee Mill Park, and is sponsored by the Partners of the Dundee Mill Park, Fond du Lac County, and the Wisconsin Arts Board.

Under the baton of Music Director Raymond C. Wifler, the program will feature selections with special appeal to families, including music from The Wizard of Oz and the Disney movie Aladdin. Other pops-style selections will include light classics, popular music of many eras, novelties, and marches.

The Fond du Lac Symphonic Band celebrated its Centennial in 1998, having been originally organized as the Fond du Lac Military Band in 1898. It was reorganized under the directorship of Wifler in 1974, and since that time has continued a long-standing tradition of outdoor summer concerts in Fond du Lac and the area.

Under Wifler's guidance, the Band's activities have been expanded to include a school-year program open to all interested post-high

school musicians, including college students who may play in the band for credit. Concerts by the larger winter band are given in November and April. While a majority of the Band's members live in the Fond du Lac area, some 30 to 40% of its musicians are drawn from communities in a 40-mile radius including Appleton, Oshkosh, Ripon, Waupun, Campbellsport, and Mayville.

The Band has earned a state-wide and national reputation for musical excellence through appearances at Wisconsin Bandmasters Conventions, Wisconsin State Fair, Association of Concert Bands National Convention, and a variety of music educators' state and national conventions. In 1985 the Band was selected unanimously by three nationally-recognized judges to perform as the "Adult Band of the Year" at a national adult band conference at Northwestern University.

Out-of-state tours have taken the Band to the American Legion Convention in Boston in 1980, to Worlds Fairs in Knoxville (1982) and New Orleans (1984), and to the Canadian National Exposition in Toronto in 1989. The Band has also

toured extensively in Wisconsin and neighboring states, having given performances over the years at Mackinac Island MI, Winona MN, Eau Claire, Marshfield, Ashland, Tomahawk, Antigo, King, Solon Springs, Tomah and other Wisconsin communities.

Music Director Day Wifler received his B.S. in Music Education at the University of Wisconsin-Oshkosh, and his Masters and Ph.D. in Music Education at Michigan State University. He has been Music Department Chair at Marian College of Fond du Lac since 1984, and previously served in a similar capacity at the UW Center-Fond du Lac. Earlier in his career, he was the high school band director at Lomira and then at Juneau. Active throughout his career as a performer on clarinet, saxophone and trumpet, he was formerly the adult choir director at St. Patrick's Church in Fond du Lac, and recently completed his term as the founding president of the Fond du Lac Arts Council.

Wisdom doesn't necessarily come with age. Sometimes age just shows up all by itself.

Kewaskum Fire and Rescue Squad Calls

Monday, July 5 - The Kewaskum Rescue Squad was dispatched at 8:01 a.m. to the Town of Kewaskum to assist a male patient who was injured in a bicycle accident. The patient was transported to St. Joseph's Community Hospital, West Bend.

Monday, July 5 - The Kewaskum Rescue Squad and the Jaws of Life were summoned at 4:45 p.m. to the Town of Kewaskum for a motor vehicle accident. A male patient was transported to St. Joseph's Community Hospital, West Bend, for treatment of injuries he received. The Jaws was not needed.

Monday, July 5 - The Kewaskum Fire Department responded to a tree fire caused by downed power lines in the Town of Auburn at 11:48 p.m. Firefighters were at the scene for approximately 1-1/2 hours.

Tuesday, July 6 - The Kewaskum Rescue Squad and the Jaws of Life were dispatched for a motor vehicle accident in the Town of Kewaskum at 3:48 p.m. A female patient was transported to St. Joseph's Community Hospital, West Bend, for treatment of injuries she suffered. The Jaws was not utilized.

Wednesday, July 7 - The Kewaskum Rescue Squad was summoned to a Village of Kewaskum business at 2:17 p.m. for a female

patient who was experiencing chest pain and discomfort. The patient was transported to St. Joseph's Community Hospital, West Bend.

Thursday, July 8 - The Kewaskum Rescue Squad responded to a Village of Kewaskum residence at 12:12 a.m. for a male patient whose medical condition required transport to St. Joseph's Community Hospital, West Bend.

Thursday, July 8 - The Kewaskum Rescue Squad, Kohlsville First Responders and the Jaws of Life were dispatched at 4 p.m. to the Town of Wayne to assist two people who were involved in a motor vehicle accident. A female patient was transported to St. Joseph's Community Hospital, West Bend, for treatment of injuries she received. The second patient requested no transport. The Jaws was not used.

Sunday, July 11 - The Kewaskum Rescue Squad was summoned in the Village of Kewaskum at 9:29 a.m. for a female patient who suffered possible heat exhaustion. The patient was transported to St. Joseph's Community Hospital, West Bend.

Sunday, July 11 - The Kewaskum Rescue Squad and Kohlsville First Responders responded to a call in the Town of Wayne at 7:08 p.m. for a female patient experiencing difficulty breathing. The patient was transported to St. Joseph's Community Hospital, West Bend.

THANK YOU...

On behalf of everyone who was involved in making the First Annual John M. Schmitt Memorial Ride, on Saturday, June 26, 1999, a success, we would like to acknowledge and thank all of the sponsors and contributors. Additionally, we would like to thank all of those people who participated in the ride. We ask that you show your appreciation by patronizing the businesses listed below. We regret if there is anyone we may have missed. Without the support of these sponsors, this worthwhile event would not have been possible.

Be Careful When Making Family Loans

It's common for parents or grandparents to lend money to adult children. It's also common for such family loans to make everyone unhappy -- the lender, the borrower, other family members... even the IRS.

The first clue as to whether a family loan could be trouble is the nature of the loan. A loan for the down payment on a first home or seed money for a promising business startup might be one thing. Bailing out a child or friend who's perpetually in debt is another. Choose your loans carefully.

One way to look at a family loan is to figure it'll never be repaid and simply chalk it off as a gift. You might even consider it an advance against the child's inheritance. However, other family members may resent that you're not loaning them money, too, or they may expect the family member to pay back the estate when you die.

It might be a good idea to discuss any sizable loan with the other heirs to make clear why you're lending money and whether you intend to have it paid back or whether it is an advance against their inheritance. Lending a family member or friend money you don't realistically expect to be paid back also can create serious tax consequences, which will be discussed shortly.

Most Certified Financial Planner practitioners recommended that if you're going to loan money to a family member or friend that you put the loan in writing. Be clear about the amount you're lending, what interest you're charging, payments, due dates, and even late fees. This benefits you and the borrower, and can help if there is any dispute with the Internal Revenue Service about the loan.

As long as the total loan is for less than \$10,000, the IRS is probably not going to care about the loan. That's because you can gift up to \$10,000 a year free of gift tax (or \$20,000 if it's a loan from a married couple). The exception to this rule is if the borrower uses the money to buy income-producing assets. Above \$10,000, loans get a bit more complicated.

As you might expect, you can't just hand a child or friend tens of thousands of dollars, call it a loan, and then simply forgive it. Otherwise, people would use "loans" to shift assets to heirs free of gift or estate tax. Consequently, any time you loan more than \$10,000, you must charge an interest rate that is at least as much as a minimum IRS rate -- known as the applicable federal rate. In April 1999,

that rate ranged from around five percent on short-term loans (less than two years) to about 5.7 percent on long-term loans (over seven years). If you make an interest-free loan or charge less than the applicable federal rate (below market rates) you may have to pay income tax on the imputed interest you should have received.

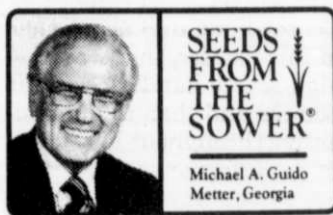

For loans up to \$100,000 that are not invested by the borrower, you won't pay any tax on imputed interest as long as the borrower doesn't earn other net investment income over \$1,000. If investment income exceeds \$1,000, you pay income tax only on imputed income that equals the borrower's net investment income. For loans over \$100,000, you'll pay income taxes on the phantom interest regardless of how the money is used.

What happens if your child or friend fails to pay back the loan? First, you can always forgive up to \$10,000 of the loan each year (\$20,000 for married couples). Second, the IRS may try to recharacterize the loan as a gift. This is where good loan documentation can be invaluable. It also helps if there is at least some history of repayment, and if you can show efforts at trying to collect, including selling loan collateral or, heaven forbid, suing.

Clearly, loaning to family or friends should not be

done casually. It can damage not only personal relationships, but cause income tax and estate planning problems. Work with your Certified Financial Planner professional and attorney to be sure everything is in order.

This column is produced by the Institute of Certified Financial Planners, a national association representing the top financial planners in the country, and is provided by Donna M. Vogt, Campbellsport, a local member in good standing of the Institute. Securities offered through Raymond James Financial Services, Inc., member NASD/SIPC.

A housewife said to a salesman, "I don't need a dictionary. I have one. It's on my coffee table."

"Ma'am," he replied, "that's a Bible. I can tell by the dust on it."

There never has been and there never will be another book like the Bible. It has God's answer to the cry of your heart. His solution to every world problem. His remedy for every undesirable condition. His provision for every individual need. His love letter to you.

Whatever it says, believe; whatever it condemns, renounce; whatever it commands, obey; wherever it leads, go.

Sin will keep you from the Bible, or the Bible will keep you from sin.

Soybean Field Day Scheduled Here July 19

The Washington County Land Conservation Department and Nutrient Pest Management Program will be hosting a hands on field day on Monday, July 19, from 1 to 3:30 p.m. The event will be held at the Dorn Brothers Farm in the Town of Kewaskum.

Discussion will focus on the four following topics:

1) Weed Management - Ten weed management options will be demonstrated. Discussion of timing and risks will take place during this session. Roundup Ready technology will be included.

2) Soybean Disease Management -- Soybean Cyst Nematode and White Mold will be the focus of this session. Training will make use of samples and handouts that present the key causal factors and management options for each disease. Brown Stem Rot and Sudden Death Syndrome will also be mentioned.

3) Soybean Growth and Development -- This session will present information on the following four topics:

a) basic fertilizer recommendations

b) staging soybean development

c) discussion of plant populations

d) soybean recovery from hail damage

4) Troubleshooting Crop Problems -- This session

will give you an opportunity to test your troubleshooting skills. Come and see if you can figure out what the simulated problems are.

The field day will have presenters from the UW-Madison and the Nutrient and Pest Management Program. Reservations are required. Please call Scott at the Washington County Land Conservation office at 335-4800 to register.

Fittipaldi Takes Checkered Flag at Road America

Cars jockey for position at the start of the Texaco-Havoline 200 race Sunday at Road America in Elkhart Lake.

The Newman-Haas team owners, Paul Newman, left, and Carl Haas, were pleased with the first and second place wins their cars achieved at Road America.

By Laurie Ottery
Staff Writer/Photographer

The Newman-Haas team raced to the first and second victories at the Texaco/Havoline 200, at Road America, on July 11. Christian Fittipaldi took first place by a mere 1.060 seconds over teammate Michael Andretti. Patrick Racing driver Adrian Fernandez won third place.

Fittipaldi, 28, became the seventh different winner in 10 races on the CART circuit this season. It is the first 1-2 finish for the Swift-Fords of Newman-Haas since the road race in Detroit in 1995, when Andretti defeated Fittipaldi. His uncle, Emerson Fittipaldi won 22 career races on the CART series, including this race three times.

The race was extended to 55 laps making it officially a 220-mile race. Everyone knows the race as the Texaco/Havoline 200 and it is unclear whether the name will change.

"Our goal at Road America has always been to give our fans the best racing possible," said Jim Haynes, President of Road America. "In recent years, with speeds of the cars going up, actual racing time naturally has decreased somewhat. What we're trying to do,

by this move, is to give our fans more exciting CART racing for the price of their ticket."

Increasing the race length changes the complexion of Road America's CART race dramatically. It requires all teams to make three pit stops to go the distance, thus making fuel economy much less a factor than it had been in the past.

"Too many times, the outcome here was decided primarily by which team got the best fuel mileage," Haynes explained. "By lengthening the race slightly, we have made this a three-pit-stop race for everyone, which allows more teams to be racing full bore at the finish. That means more exciting racing."

CART's official lap distance at Road America is 4.048 miles, which means the 55-lap event will actually run 222.64 miles. Team allotment would be 124.8 US gallons to go a calculated 230.736 miles, which includes one parade lap and one pace lap based on CART's 1.85 miles per gallon rule.

CART veteran driver Michael Andretti won the pole for the lead position for the 26 cars entered in the race. He was last year's pole-sitter and 1996 winner at Road America. Andretti improved his qualify-

ing speed by nearly two-miles per hour to 145.428 and captured his 32nd career pole. Andretti is one of only three drivers who has won this race three times. His father Mario and Brazil's Emerson Fittipaldi are the others. He has also captured his CART-leading 38th career victory in May at Gateway Speedway in Illinois and is now second in the PPG Cup standings.

Fittipaldi's victory was his first since joining the CART circuit in 1995. Road America has a history for firsts. Last year it was the first win for KOOL driver Dario Franchitti on the 14-turn road course. Back in 1982, in the very first CART race at this track, it was Hector Rebaque who won his only victory when several drivers ran out of fuel late in the race. Jacques Villeneuve won at Road America in 1986 and his namesake nephew took his first victory there in 1994.

"I have been waiting for this day for quite some time," said an overjoyed Fittipaldi. "To be honest, it's really a strange feeling. I mean, after not winning for so long, you have kind of a mental block. You know you're always trying your best out there and it's not good enough."

The race started out with a bang when six cars were

Race winner Christian Fittipaldi smiles as he answers questions from reporters during the press conference following the Texaco/Havoline 200 at Road America Sunday.

involved in two separate incidents, which brought out the red flag. For the first time since the U.S. 500 in 1996, drivers that were involved in the accidents were allowed to switch to backup cars and the race was completely restarted after a delay of approximately 1/2-hour. One of the drivers involved in the accident was Italian driver Max Papis, whose car was literally run over by Gidleys. They ended in fifth place.

"I felt like I had a good start, but I got hit from behind and I got a big hit to my head," said Papis. "I saw a car fly over my car and actually hit my hands. I pulled my hands back and the steering wheel got bent pretty badly. It was lucky; I kind of laughed at first. Then, I was disappointed when I saw the red flag and I ran back to the pits."

The Miller Lite Team Rahal managed to get the backup car out of the trailer and in ten minutes it was on the track. The incident at Turn 1 started when Helio Castro-Neves was unable to negotiate the turn and drove off the track and skidded sideways, sliding back onto the track and hitting the rear of Memo Gidley, who in turn hit Papis, all of them traveling more than 200 miles per hour. Scott Pruett made it a foursome as he spun off the track trying to avoid the cars. A second or two ahead Cristiano da Matta ran off course into the gravel trap and Mauricio Gugelmin followed him in trying to avoid him.

Once underway at the restart the race ran caution free. In Lap 22 Adrian Fernandez bumped into the rear of Michael Andretti on Turn 5. Fernandez spun off course but

managed to regain control losing his third place position to Christian Fittipaldi. Both drivers showed the talent of their driving in maintaining control of their cars.

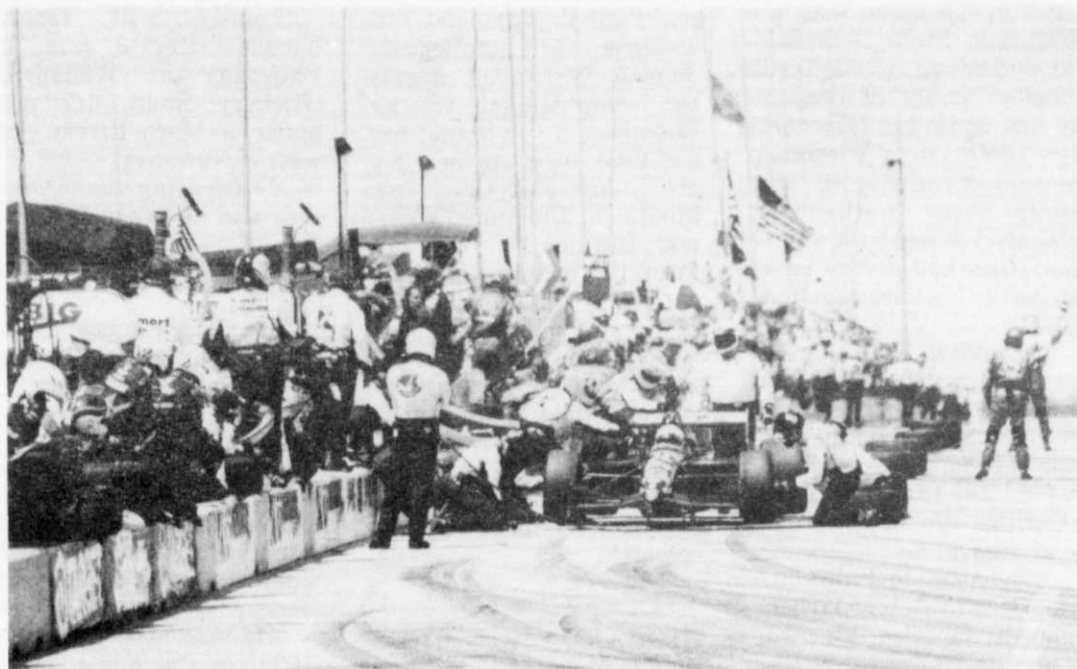

The race lasted 1 hour, 37 minutes, 0.799 seconds. The winner's average speed was 137.697 miles per hour. Lap leaders included Rookie Juan Montoya, 1-31; Greg Moore, 32-33; Montoya 34-48; and Christian Fittipaldi, 49-55.

Montoya got the jump on Andretti and powered for the lead. The Colombian led all but two of the first 48 laps and held a lengthy 11-second edge over his closest pursuer at one point before developing the gear box problem on his Reynard-Honda.

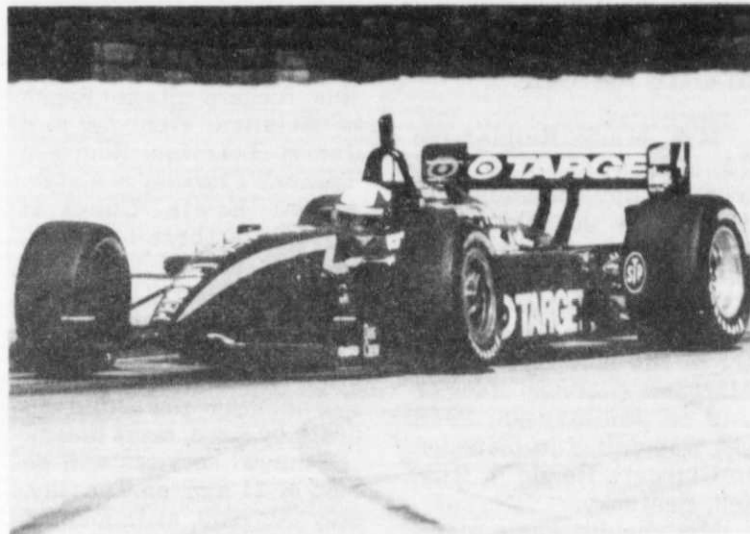

The problem forced Montoya to shift on the turn rather than coming into it. On Turn 5 of the 25th lap, he spun the car, losing almost five seconds of his lead over Andretti. He said his gearshift jumped from fifth to first. From then on the problems continued to get worse until the gearbox gave up all together.

Montoya, 23, got one point for leading the most laps. The Rookie already has four wins and four poles and had led a circuit-high 564 laps coming into this race. He still is point's leader, with 113 points with Andretti following with 95.

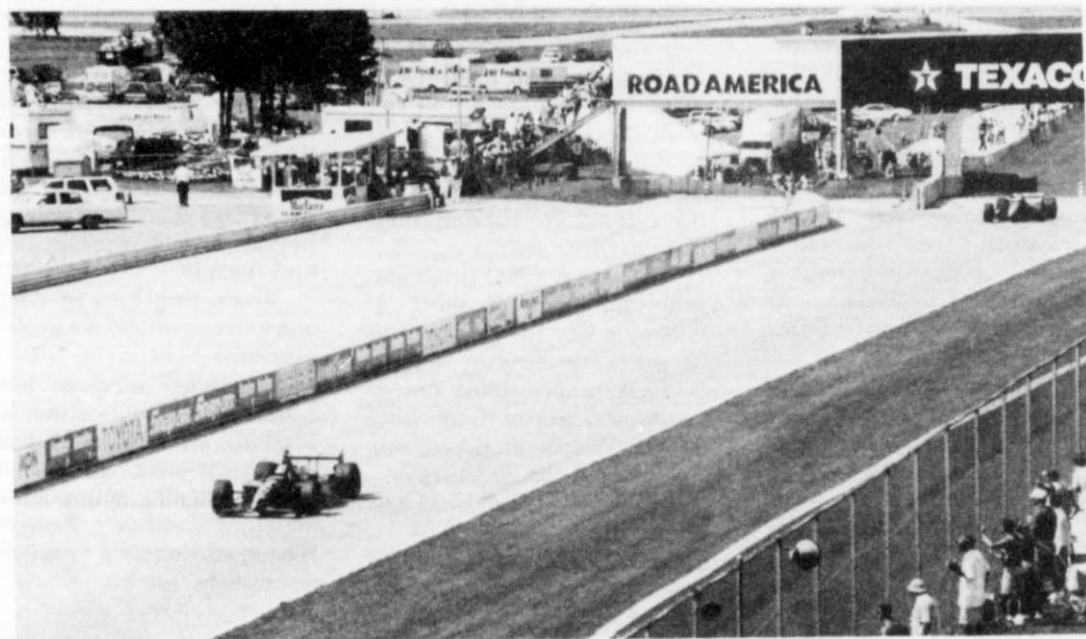

When the dust all settled and the victory flag was raised Fittipaldi was among the twelve cars, out of 26 to finish the race. All of the leaders had to make three pit stops and there was little strategy or fuel conservation needed on the fastest road course in the series. Fans were entertained by true hard racing.

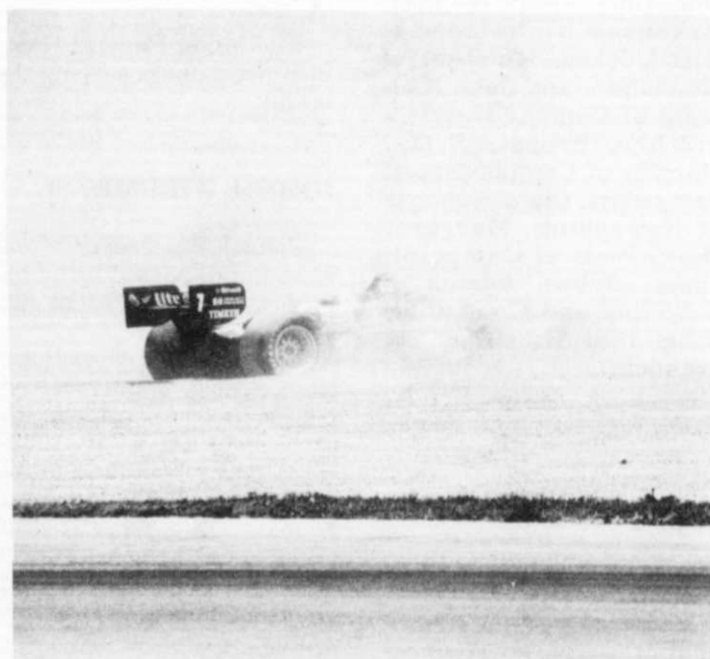

Christian Fittipaldi rolls into the pits during Sunday's CART race at Road America.

Rookie Juan Montoya, driving for Target/Chip Ganassi Racing, led all but two of the first 48 laps until he developed gearbox problems with his Reynard-Honda. Montoya is still point leader with 113 points followed by Andretti with 95.

Preparing to cross the finish line at the end of the race, cars driven by Christian Fittipaldi and Michael Andretti, both members of the Newman-Haas team, show their one-two punch.

When the dust settled, the car driven by Max Papis, found itself inside the track on turn one after being literally run over by another car piloted by M. Gidley at 200 mph.

The top three winners at the Texaco/Havoline 200 race at Road America Sunday, were, left to right: pole-sitter Michael Andretti, second; Christian Fittipaldi, first, and Adrian Fernandez, third.

Obituaries

MARIE REIGLE

Mrs. Marie Reigle, age 75, of Kewaskum, passed away on Saturday, July 10, 1999 at St. Joseph's Community Hospital in West Bend.

She was born on July 10, 1924 in Dundee, the daughter of the late Ernest and Margaret (Kellner) Haegler and on January 28, 1948 she was united in marriage to Clarence Reigle in Russell, Kentucky.

Mrs. Reigle was a member of St. Lucas Evangelical Lutheran Church in Kewaskum. She was a skilled seamstress who sewed for many businesses and individuals.

Survivors include her husband of 51 years, Clarence of Kewaskum; three sons, Gary (Verna) of Cabot, Arkansas, Dale (special friend, Jeanne Marchant) of Kewaskum and John (Colleen) of Campbellsport; a brother, Ernest (Erma) Haegler of Campbellsport; four sisters, Clara Schwartz of Kewaskum, Margaret (Ray) Weis of Campbellsport, Sylvia Adams of California, and Elvira (Carl) Schmidt of Armstrong; six grandchildren, Jacqueline (Jeff) Rose, Aaron, Randy, Ryan, Rick and Rose Reigle; a great-granddaughter, Hannah Marie Rose, other relatives and many friends.

She was preceded in death by a brother, Gary Haegler.

Funeral services were held at 1 p.m. on Wednesday, July 14, 1999 at the Miller Funeral Home in Kewaskum with Rev. Timothy Henning officiating. Burial followed at Lutheran Memorial Park in Kewaskum.

Friends called from 4 to 8 p.m. on Tuesday, July 13, at the funeral home and from noon until the time of services on Wednesday.

Memorials in her name may be given to St. Lucas Evangelical Lutheran Church.

of Charlotte, North Carolina, Richard (Stacie) Rauch of Atlanta, Georgia and James (Lorraine) Rauch of Tampa, Florida; a sister, Eileen (Erwin) Lueck of Plymouth; three brothers, William Matthies of West Bend, Richard (Christine) and Howard Matthies, both of Adell; 14 grandchildren, other relatives and friends.

She was preceded in death by a son, Scott Rauch.

Funeral services will be held at 11 a.m. on Tuesday, July 20, 1999, at Immanuel Lutheran Church in the Town of Scott with Rev. William Robinson officiating. Burial will be at 3 p.m. on Tuesday at Washington County Memorial Park in West Bend.

Friends may call from 10 a.m. until the time of services at the church only on Tuesday.

The Miller Funeral Home in Kewaskum is serving the family.

JOHN J. WIEDMEYER

John J. Wiedmeyer, 86, of West Bend, passed away on Friday, July 8, 1999, at his home.

A graduate of West Bend High School, John received a diploma from Dodge county Normal School in 1932. He taught school for a number of years at Mayfield School in Washington County as well as at the octagon school and Hamilton School in Ozaukee county.

He was also employed at Amity Leather Products in West Bend. Later he was engaged in farming, home building and land developing.

John served on the West Bend Joint School District Board and the board of the local Red Cross.

All of his immigrant ancestors, emigrants from what is now Germany, were Wisconsin pioneers who settled in Washington and

Milwaukee counties in the 1840s and 1850s. Each of his family lines has been registered in his name with the Wisconsin State Genealogical Society as a "Wisconsin Pioneer Family" (if the family had settled in Wisconsin by 1850) or "Wisconsin Century Family" (if the family had settled in Wisconsin at least 100 years ago). John had a very keen interest in his ancestral heritage.

The oldest of nine children born to the late Ambrose G. and Theresa D. (nee Wilger) Wiedmeyer, John was born in West Bend on Nov. 26, 1912, and lived his entire life in the West Bend area.

Survivors include his wife, Dorothy A. (nee Weber) whom he married June 13, 1936, in Chicago, Ill.; daughters, Janet T. (Gary) Kuhnen of Madison and Judith A. (Jack) Zallaps of Littleton, Colo.; grandchildren, Dr. Debra A. (Dr. Gary Neitzel) Wiedmeyer of Mequon, Diane M. (Gary) Fieweger of Kewaskum, Lisa A. (Todd) Tennes of West Bend, Dr. Ann E. (Bruce Press) Kuhnen of Blue Bell, Pa., Jeanne C. (Steven) Vogel of Highlands Ranch, Colo., Kristine A. (Crawford "Trey") Reeves of Union, Ky., Jeffrey J. (Shaun) Zallaps of Highlands Ranch, Colo., Gregory J. Zallaps of Littleton and Lori A. Zallaps of Alexandria, Va.; seven great-granddaughters, Allison L. and Lindsay A. Neitzel, Lauren A. and Alyssa S. Tennes, Jessica L. Fieweger and Sara K. and Laura E. Vogel; brothers, Henry P. (the late Marcella) of West Bend, Ambrose B. (Joyce) of Hartford, Joseph A. (Jeanete) of Cleveland, Wis., Edward P. (Donna) of Pima, Ariz.; sisters-in-law, Shirley C. Wiedmeyer of West Allis, Helen A. Wiedmeyer of West Bend, Barbara A. Stoffel of Kewaskum daughter-in-law, Joan T. (nee Beine) (Edward) Fehring of West Bend; many nephews and nieces, cousins and other relatives and friends.

Preceding him in death

were a son, James A. in 1980; a sister, Eleanore A. (the late Carl) Jaroch, brothers, Paul J. Raymond and Thomas G.; stepbrother, John A. Wiedmyer; stepsister, Leona (the late George) Wagner; stepmother, Caroline (nee Bayer); sisters-in-law, Marcella F. (nee Mueller), Eleanore Weber and Bernice A. (the late Franklin) Scharrer; his parents-in-law, John C. and Mildred (nee Lafin) Weber.

At John's request, a private family memorial service was held at the Phillip Funeral Home, West Bend.

Memorials are appreciated to St. Jude's Children's Hospital for cancer research.

RICHARD C. 'DICK' DYKEN

Richard C. "Dick" Dyken, 66, of Fredonia, died Friday, July 9, 1999, in a plane crash in Menomonee Falls.

He was born Nov. 20, 1932, to Charles and Gertrude (Franz) Dyken in Milwaukee, and on June 1, 1957, married Dorothy Breit of St. Michaels.

Together they lived in Saukville for 32 years and have lived in Fredonia for the past five years.

He was a CNC programmer for the Russell T. Gillman Co. in Grafton for 38 years, retiring in 1998.

Dick was a pilot for 45 years and a volunteer pilot for the Wisconsin Skydiving Association for 25 years.

He was a quiet, kind and gentle man.

Survivors include his wife; children, Julie (Bob) McGee of Saukville, Mark (Laura) and Leon, both of Angels Camp, Calif., Carl "Bear" (Harmony) and Gary (Lynda), both of San Andreas, Calif., Anne Dyken of Stevens Point and Greg (Levy Palos) and Eric (Danielle Obey), both of Fredonia; 14 grandchildren; two great-grandchildren; a brother, Kirk (Andrea) of Toulon, Ill.; other relatives and friends.

A celebration of Dick's

life will be held at 7 p.m. on Thursday, July 15, at Wellspring in Newburg.

Family will receive friends after 2 p.m. on Thursday at Wellspring (Hickory Road, 1/2 mile north of Main Street, just west of Newburg)

Please bring memories, a dish and beverage to share. Casual dress is requested.

Memorials are appreciated.

The Poole Funeral Home, Port Washington, is assisting the family.

DONALD WENDT

Donald Wendt, 76, of Campbellsport, died Friday, July 9, 1999, at his residence.

He was born March 19, 1922, in Columbus, to the late Max and Winifred (nee Feelyater) Wendt, and married Marjorie Braker on Jan. 16, 1954.

He enjoyed trap shooting and the farmers market, and was an avid baseball fan.

Survivors include his wife; a son, Donald Jr. (Diana) of Sugarland, Texas; two granddaughters, Melissa and Erin; a brother, Robert of Madison; nieces; nephews; other relatives and friends.

Preceding him in death were two sisters and a brother.

Committal services were held at 10:30 a.m. on Monday, July 12, at Hillside Cemetery, with Rev. David Steffenson officiating.

The Zeidler Funeral Home, Columbus, assisted the family.

The pop group Duran took its name from a character in the 1968 science fiction film *Barbarella*.

PHYLLIS M. BOHN

Mrs. Phyllis M. Bohn, age 59, of Las Vegas, Nevada, formerly of West Bend, passed away on Monday, July 12, 1999, at Summerlin Hospital Medical Center in Las Vegas.

She was born on July 20, 1939 in the Town of Auburn, the daughter of the late Raymond and Arlyle (Bleck) Matthies and she was united in marriage to Gary Bohn. Her husband preceded her in death in March, 1985.

She was a member of Summerlin Lutheran Church in Las Vegas and the Lutheran Women's Missionary Society.

Survivors include a daughter, Linda (Ken) Ashe of Las Vegas, Nevada; three sons, Michael (Vicki) Rauch

Legislature Goes on a Spending Spree

By Rep. Glenn Grothman

Two different versions of the massive two-year state budget have been passed in each house. The "Republican version" passed the Assembly 56-43 and the "Democratic version" passed the State Senate 17-16. Both budgets spent around 43 billion dollars.

By comparison, the two-year budget 20 years ago spent about \$12 billion. I was one of only two Republicans to vote against the assembly version. This budget had the potential for genuinely sizable tax cuts and a slowing of the rapid growth of government that we have seen in the last 10 years. As welfare reform and the strong economy cause people to fall off the welfare rolls over \$150 million dollars was freed up for other purposes.

The lawsuit involving the tobacco companies brought in \$330 million dollars. New money from the Indian casinos was available. A property/rent credit increase of \$125 million for tax year 1998 ended so that politicians could recycle it as a new tax cut.

In addition, the generally strong economy created record income and sales tax revenue as well as over a \$400 million dollar surplus going into the budget. As mentioned in prior columns, even after inflation, the combined income, sales and property tax collections in this state have been up about 32% over the past 10 years. One would think you couldn't find anything new to spend money on. Wrong.

Unfortunately, both parties decided to use their newfound wealth to go on a spending spree. At a time when inflation is under two percent a year, the overall budget is jumping by over 10% in the years between 1999 and 2001. General fund spending, primarily income and sales, is up over nine percent.

University regents are given new power to increase tuition and hire new employees and are expected to increase tuition by over eight percent in each of the next two years. The state ended its commitment to fund 2/3 of local schools and decided to let property taxes jump instead -- over three percent in this year's bills and about six percent in next years, after the election.

New bonding was authorized at a greater pace than at any time in recent memory. Finally, we go into the next budget with a projected deficit of over \$530 million. Oh well -- that's after the next election. Where does the money go?

Huge increases in school spending, a generous budget for the university, tech schools, government involvement in child care, health

care, preventing smoking and prisons. The tax cuts you hear about are less than the money from the tobacco settlement (really just a 45 cent a pack cigarette tax hike and the end of the property/rent credit hike.)

I, of course, ran on a platform of less government. I realize that in politics you must compromise and could have voted for even a small increase in spending but this was ridiculous. I voted no.

I would like to hear your comments on the above article. Please feel free to call me at 338-8061. If you have any other concerns or questions, please do not hesitate to contact me at the following:

IN MEMORY

In loving of my beloved wife, **DARLENE ROHLINGER**, who passed away one year ago, July 16, 1998:

It's hard to believe it's been a year since God has called you home, But now you're resting in His place without any more pain or suffering.

It was like yesteryear I could hear your voice, laughing and crying together, sharing your time with me.

You were always there for me when I needed you.

It's been a long year not having you around, I've learned life is too short and I had to learn it the hard way without you.

You're always on my mind and in my heart.

Your memories will be here with me always, and you'll never be forgotten because you were my best friend, my companion, my lover and my beloved wife.

Love you.

Sadly missed by your husband, sons, daughter-in-law and grandchildren.

IN MEMORY

In memory of Robert "GABBY" Gavin who passed away four years ago, July 20, 1995:

I am home in heaven dear ones
 Oh, so happy and so bright.
 There is perfect joy and beauty
 In this ever lasting light.

All the pain and grief is over,
 Every restless tossing passed;
 I am now at peace forever,
 Safely home in heaven at last.

In that way so hard to tread;
 And with Jesus' arm to lean on
 Could I have doubt or dread?

Then you must not grieve so sorely,
 For I love you dearly still;
 Try to look beyond earth's shadows
 Pray to trust Father's will.

There is work still waiting for you.
 So you must not idly stand;
 Do it now while life remains;
 You shall rest in Jesus land.

When that work is all completed,
 He will gently call you home;
 Oh, the rapture of that meeting,
 Oh, the joy to see you come.

Sadly missed by his wife and family.

IN MEMORY

In loving memory of **EUGENE PESCH**, who passed away three years ago, July 19, 1996:

They say memories are golden.
 Well, maybe that is true,
 But we never wanted memories
 We only wanted you.

If we had one lifetime wish
 One dream that could come true.
 We'd pray to God so hard
 For yesterday and you.

If teardrops were a stairway
 And heartaches make a lane,
 We'd walk a path to heaven
 And bring you back again.

A thousand times we needed you
 A thousand times we cried.
 If our love could have saved you,
 You never would have died.

Sadly missed by his family

WASHINGTON COUNTY NUTRITION PROGRAM For the Elderly Menu Meadowcreek Complex

Monday, July 19 -- Polish sausage, whipped potatoes, sauerkraut, rye bread, chilled pear slices.

Tuesday, July 20 -- Tuna fish salad, American potato salad, 3 bean salad, kaiser roll, orange sherbet.

Process Changes for Applying For Goose Hunting Permits

The procedures hunters need to follow to hunt Canada geese in Wisconsin in 1999 has changed from previous years, due to the Department of Natural Resources new Automated License Issuing System, also called ALIS, Warden Doug Bilgo says.

Hunters no longer need to send in an application to obtain a permit to hunt during the Early September Canada goose season. Instead, they are able to purchase and receive the permit for the Early September Canada goose season at any of the hunting license vendors. It can be obtained at any time up to the close of the season on September 15.

The 1999 Wisconsin Hunting Regulations do not reflect the change to the automated system and incorrectly state that there is an August 1 deadline to apply for permits for the early season, said Tom Schwartz, assistant migratory game bird ecologist for the Department of Natural Resources.

For the regular Canada goose season, the state is divided into three zones -- Exterior, Horicon or Collins zones. Hunters will again be restricted to hunting in only one of three Canada goose zones during the regular Canada goose season. Those individuals planning to hunt in either the Horicon or Collins zones are reminded that the deadline for their application is August 20 this year.

Beginning this year, hunters need to purchase a \$3 sticker for the Early September Season if they intend to hunt that season and a separate \$3 sticker for any of the regular season zones.

Hunters participating in the Early September Canada goose season should place the sticker on their Early September Canada goose harvest report card. The sticker attached to the harvest report card is the Early September Canada goose season permit.

Hunters selecting the Exterior Zone as the zone in which they will hunt during the regular season need to purchase the regular season sticker and attach it to the Exterior Zone harvest report card. The harvest report card with the sticker attached is the Exterior Zone permit.

Hunters who wish to select either the Horicon or Collins tag zones as the zone in which they want to hunt during the regular Canada goose season need to place their regular season Canada goose sticker on a mail-in application card, fill out the appropriate information including their zone and time period preference and mail the application with sticker attached to the address listed on the

application. The tag zone applications must be post marked by August 20 to qualify for the Horicon or Collins zone permits.

All harvest cards and applications are now available at all license vendors. Those hunters, who have already purchased one of the Canada goose application stickers but did not receive the appropriate harvest or application card, should receive them via the mail in the next two to three weeks, Schwartz said. Hunters who purchased any sticker before June 1 but do not receive the harvest or application cards in the mail can pick them up personally at any of Wisconsin's license vendors, he added.

What all migratory game bird hunters need in order to hunt in 1999:

* HIP (Harvest Information Program) certification. HIP certification can be done at the ALIS (automated license issuance system) terminal.

* Small game license (bought separately or included in patron and sports licenses). Exceptions are: First time hunter education graduates, Senior Citizens Recreation card holders and Wisconsin resident armed forces members while on leave.

* State Migratory Game

TOWN BOARD MEETING July 19, 1999

The Kewaskum Town Board will meet July 19, 1999, at the Kewaskum Town Hall, 9019 Kettle Moraine Drive, Kewaskum, WI, at 7:30 p.m. to hold a Town Board meeting, agenda following. Agenda items and bills due in Clerk's Office 10 days before the meeting.

B. Possible action to approve coin-operated licenses for John's Co2 and Mid-States Amusements

C. Financial Report, Daniel Stoffel, Treasurer; payment of bills.

V. Adjournment

Dated this 8th day of July, 1999

Barbara L. Wenzlaff,
Town Clerk

Bird Stamp privilege. This is purchased through the ALIS system. Youth hunters (15 years old or younger), Wisconsin resident armed forces members while on leave, Senior Citizen Recreation card holders and 1999 hunter safety graduates don't need state stamp validation.

* Federal Migratory Game Bird Stamp. This can be bought at selected DNR Service centers or at the Post Office.

To hunt in the Early September Canada Goose Season:

* \$3 Early September Canada Goose season sticker/permit (Blue square sticker that is printed from ALIS).

* Early September Canada Goose Harvest Report Card (free). The card with the sticker affixed to it is required to be in the hunters' possession when hunting.

To hunt the Regular Exterior Canada Goose Season:

* \$3 Regular Exterior Canada Goose season sticker/permit. (This is the blue square sticker that is printed from ALIS).

* Regular Exterior Canada Goose Harvest Report Card (free). The card with blue sticker affixed is required to be in the hunters possession when hunting.

To hunt Canada Goose in the Horicon or Collins Zones:

* \$3 Goose Application

sticker. (This is the blue square sticker that is printed from ALIS).

* 1999 Regular Season Canada goose hunting application (free).

* The application sticker is to be affixed to the application. The application, properly filled out and with the sticker affixed to it, must be mailed by August 20, 1999.

* Hunters will receive actual permit and goose harvest tags via mail after the drawing.

XYZ CARD RESULTS

The winners at cards played at the Municipal Building on Wednesday, July 7th were: SKAT: Elroy Egerer, 23-4--19 net; Ken Kaschner, 19-1--18 net; Francis Gilboy, 15-3--12 net; Francis Gilboy, Spade turn vs 5.

SHEEPSHEAD: Laura Hammes, Bruce Petri, Harold Backhaus and John Ruplinger.

Cain Winner at Plymouth

Danny Cain of Kewaskum was the A-Main feature winner of the Eastern Wisconsin Stock Car Super Winged Modified race last Saturday evening at Plymouth.

By Verla Peichl

The Eastern Wisconsin Stock Car Super Winged Modified A-Main feature winner for July 10 was Danny Cain of Kewaskum. The third row starter struggled, but kept his lead to take the checkered flag when the race was completed.

The A-Main Super Winged Modified feature started with Jon Behnke, Milwaukee, taking an early lead. On the first lap, Leroy Ostrowski, Milwaukee, went off the cushion, on the back stretch, but Behnke, Cain, Dave Enders, Kiel, and Eddie Staehler, Kewaskum, kept the momentum going. Billy Kreutz, Kiel, Pete Ostrowski, Milwaukee, and Paul Pokorski, West Bend, were coming up behind and trying to climb to the front when a yellow flag came out on lap #6. Chuck Tuschl, Whitelaw, had slid into the infield.

The cone restart saw Behnke, Cain, Enders, Staehler, Kreutz and Pete Ostrowski in the lead. When the green came out it was a rocket start. Behnke was out front and Pete Ostrowski was making all the right moves. It was Behnke, Cain, Enders, Pete Ostrowski and Kreutz, with Ostrowski pushing hard on Enders.

Enders fought hard to stay ahead, but by lap #16 he was losing ground and Pete Ostrowski passed him on lap #17. That made the lineup Behnke, Cain, Ostrowski, Kreutz and Pokorski.

Shortly after the restart Pete Ostrowski left the track and a switch had already taken place. Tim Melis, Plymouth, made a smooth pass on the back stretch and it was Cain, Behnke, Kreutz, Pokorski and Melis.

On lap 21 the yellow once again came out. Behnke and Melis had made contact on the front stretch putting Melis out of the race. The cone restart was set and the mixup made it Cain,

Behnke, Kreutz, Pokorski and Staehler.

The challenge began between Pokorski and Kreutz. Cain was out in front and Behnke was falling behind. Kreutz took second on lap #25 and the yellow came out when Pete Ostrowski had trouble on turn two.

The restart was Cain, Kreutz, Behnke, Pokorski, and Staehler, and while Behnke lost ground, Gary Laack, Glenbeulah, got a tailwind and moved ahead like a rocket. The race was rigorous and exciting. When the checkered fell it was Cain, Kreutz, Pokorski, Laack and Staehler, respectively.

The Limited Late Model feature started with Dick Hed, Sheboygan Falls, starting fast and strong. Scott Haugstad, Plymouth, Keith Borth, Sheboygan, and Henry Dickmann, Sheboygan, drew a line behind him, and Hed was out front about three car lengths when there was a yellow on lap #5. Howie Weiss, Glenbeulah, Dan Dippel, Plymouth, and Tim Carman, Sheboygan, came together between turn one and two.

The restart began with Hed, Haugstad, Broth and Dave Haag, Plymouth. Hed once again took off like a bullet. Borth, Haugstad, and Roy Dahmer, Sheboygan, followed, but there was a race going on behind with Scott Specht, Sheboygan Falls, coming up fast from the fifth row.

Lap #12 saw Specht racing to the front, challenging

Hed. The tailgating started, but Hed kept a safe distance making it impossible for Specht to pass, until lap #16. Specht went high and away from Hed and it was Specht, Hed, Borth, and Dahmer, and Randy Markwardt of Sheboygan was proving he wasn't going to be left in their dust.

Markwardt had come up from the sixth row, and by lap #22 had passed Dahmer and Borth. Specht and Hed held the top two positions but Markwardt and Dahmer were still rallying. When the checkered came down it was Specht, Hed, Markwardt, Dahmer, and Borth respectively.

The Super Stock feature was Doug Teunissen, Sheboygan Falls, all the way. The #48 car started on the pole, drove smooth, stayed out of trouble and took the checkered flag.

Teunissen led fast, but there was plenty of racing behind him. Luke Scholten, Oostburg, Kevin Zimbal, Sheboygan Falls, Nate Ruh, Elkhart Lake, and Charles Singer, Adell, fell in line with Dennis Bauer, Random Lake, making a move.

When the yellow flag came out on lap #9, Bauer had moved up and on lap #10, continued to make his way to the front. Bauer had come up strong from row five and by lap #14 was in third place. By lap #15, it was Teunissen, Scholten, Bauer, Zimbal and Nat Ruh. Bauer was flying, but on lap #17 he spun on turn four and that changed the positions.

The restart saw Teunis-

sen, Scholten, Zimbal, Nate Ruh, and John Dirks, Elkhart Lake, in the lead. The restart was not good for Scholten. Sliding into the infield, and bouncing back onto the track put the lead cars to Teunissen, Dirks, Nat Ruh, Paul Dirks, Elkhart Lake, and Chris Willadsen, Waldo.

Everyone tried to hold their positions or make a pass, but when the checkered came out it was Teunissen, John Dirks, Zimbal, Willadsen and Nate Ruh, respectively.

FOOTNOTE: The Eastern Wisconsin Stock Car organization would like to

thank all those who participated, in conjunction with them, for the Plymouth Relay for Life. Those thanks go to the teams, the supporters, and all who gave donations and pledges, which took place at the racetrack and the Relay for Life, at the Plymouth High School this weekend. Through their efforts they raised over \$100,000 which will be given to the American Cancer Society. This could not have been done, however, without the fine fans of Eastern Wisconsin, who gave generously, at the races on July 10.

Dale Liepert Named Rural Insurance Health Lines Leader

Rural Insurance Companies is pleased to recognize Dale G. Liepert as its Health Lines Leader for the month of May, 1999. Dale earned this honor for his outstanding sales performances as well as for excellent service to his customers.

Dale has served Rural Insurance's customers in West Bend, Kewaskum, Allenton, Newburg, Fredonia and Campbellsport

since joining the company in 1977. He is assisted by Jean Garbisch.

Rural Insurance Companies, an affiliate of the Wisconsin Farm Bureau Federation, is a multi-line insurance company. Rural is based in Madison and is represented by agents located throughout the state.

Dale's office is located at 135 South 6th Avenue in West Bend.

It's Morgan Again at Slinger Super Speedway

By Daryl Schultz

SLINGER -- Defending late model track champion Conrad Morgan (Waukesha) continued his dominance of the Slinger Speedway as he claimed Round Two of the Mobil and Coca Cola Triple Crown Classic Sunday night, July 11.

Morgan would lead Cindy Peterson (Butler), Rich Loch (Muskego), Lowell Bennet (Neenah) and David Prunty (Lomira) to the line in the top five of the 60 lap feature. Morgan got underneath the Peterson car on lap 49 and raced side by side with Wisconsin's only female late model driver until completing the pass three laps later. He then pulled to a six car length win, his third in a row, and seventh of the season.

Peterson led 41 laps as she moved up from her fourth row starting spot to take the lead on lap 11. Peterson claimed the additional \$100 by leading lap 30, for the Mac Tool's Half-Way Challenge. Morgan's son, Donovan, would lead from the drop of the green until Peterson made her

way around him.

In the post race interview, Morgan relayed that he seems to be in a zone and everything is working so well that the car can go anywhere he aims it. Competitors and fans would have to agree that Morgan has the car to beat and is well on his way to three-peaking as track champion and earning his sixth overall late model division.

Wayne Freimund (West Allis) won his first checkered flag in the late model division during the semi feature race. Freimund worked the outside groove to pass veteran driver Al Schill (Franklin) on lap 16 of the 30 lap event.

Schill gained the lead after early race leader Mike Egan (Slinger) encountered problems and had to pull off the track on lap 13. Schill would hold onto the second position and the final of the two transfer spots into the feature event.

Following Freimund and Schill across the checkered was Dan Mills (Menomonee Falls), Danny Heying (Waukesha) and Rick Ottman (Milwaukee).

In other late model

action, Scott Appelin (Milwaukee) won the 15 lap consi race and Eric Fransen (Franklin) won the five car shootout for the Mac Tools Trophy Dash. Morgan also set fast time with a lap of 11.715 seconds on "The World's Fastest 1/4 Mile Oval."

Veteran late model and modified division driver, Al Schill (Franklin) took home the checkered in the Midwest Modified feature as he again pulled double duty for the night. Rounding out the top five were Dennis Prunty (Allenton), Florian Wisinski (Greenfield), Brian Holtz (Franklin), and Larry Reihbrandt (Wauwatosa) in the 25 lap modified main.

Schill would take the lead on lap five after starting outside the third row. Once at the point, Schill was too strong for the rest of the pack as he survived the crash-filled event. The race was slowed by three cautions, the third of which occurred with five laps remaining when the second place car of Eldon Zacek spun in turn four.

The first two cautions were also rough on the front

runners. Caution took out the second and third place runners, John Kruschel (Sussex) and Larry Epright (East Troy) on lap seven and caution two took out the second place runner, Lenny Gallenberg III (Kewaskum) when he was in the wrong place at the wrong time on lap eight.

Schill also won the eight lap Eldorado Trailer Sales Trophy Dash and Wisinski was fast qualifier with a lap of 12.451 seconds.

Mark Bitzan (Menomonee Falls) took advantage of his starting position outside the front row to win the 16 lap Slinger Stinger feature race. Bitzan was followed across the line by Roger Schmid (Stone Bank), John Henning (Cedarburg), Mike Pascavis (Sheboygan), and current points leader Peter Wiedmeyer (West Bend). The race for second, third and fourth was nose to

tail and side to side over the final four laps as the three-some came to the finish line. The victory would move Bitzan up two positions into third in the overall points race.

David Beck (Butler) won the 10 lap Slinger Stinger semi-feature, Dave Lawrence (Madison) and Dan Miller (Sussex) each won their Stinger heat races and Scott Ascher (Sussex) was fast qualifier with a lap of 13.545 seconds.

Chris Price won his second Figure 8 feature of the season as eight cars battled for ten laps during the nightcap.

Mark and Ken Fogel bested the field to win the 10 lap Team Cruiser division feature. Jim Menard won the Speedway Guest Cars and Bob Sampson (Milwaukee) won the Spec-tator Elimination races.

Kreilkamp Trucking Donates Towards Fair Park American Legion Building

WEST BEND - Kreilkamp Trucking was recognized at the Washington County Board of Supervisors meeting in May for their generous donation toward the construction of the American Legion Building at the new Washington County Fair Park.

Kreilkamp Trucking will be donating a 36'x72' building that will serve as the American Legion Food Court Building during the week of the County Fair, and will also be available for company picnics and family reunions. The building is located just north of the Fair Park Pavilion and

is the first food court structure to be donated to the site.

The Washington County Fair Park, situated on 133 acres of beautifully landscaped countryside, is centrally located within the County at the junction of Hwy. P, Hwy. PV (Pleasant Valley Road) and Hwy. 45. The mission of the Fair Park is to enhance cultural, educational, economic, and social opportunities for the people of Washington County.

When complete, the Fair Park will host a variety of events including festivals, conferences, concerts,

education programs, competitive animal shows, craft fairs, meetings, workshops, the County Fair and countless other activities.

The centerpiece of the site is the 42,000 square foot Fair Park Pavilion. Other buildings and areas that will be completed by fair time are four barns and the show arena in the Agricultural Complex, the free stage, seasonal restrooms and the Outdoor Arena and Warm-Up Ring in the Equestrian Complex. The Fair Park's official opening is scheduled for the first day of the 1999 County Fair, July 21-25, 1999.

Indians Start Hot With Win, But Then Lose Two

After a six-day, Fourth of July break, Kewaskum took on the Kiel Raiders. The rest did the Indians good as they beat the Raiders in Kiel, 7-1.

Bobby Ogi led the Indians at both ends, pitching a two-hitter and going 2x4 at the bat.

Kiel's lead-off hitter, Jeremy Schaefer, singled to right and eventually scored on an infield out. But that was it for the Raiders as Ogi allowed only one other hit in the fourth. He struck out six and walked four enroute to his fifth win of the year against two losses.

Kewaskum's offense kicked in to lead off the fifth. Ogi started the inning with a line drive single to right center. Adam Donath followed with a double to left center. Ogi scored and Donath moved to third on a wild pitch by Kiel's Joel Driscoll.

Jason Calliari singled to score Donath. "C" stole second and advanced to third on a John Immel bunt single. Immel then stole second, putting runners on second and third. Eric Wenninger put the Indians ahead to stay with a three run homerun over the left field fence.

The Indians added two insurance runs in the seventh, aided by four walks off of Kiel relief pitcher, Kraig Binversie. Jason Strobel and Billy Cook added singles to the effort. The win moved the Indian record to 10+5.

CAMPBELLSPORT SUCCESSFUL AGAIN

On Thursday, July 8th, the Indians played the rival Campbellsport Cougars for

the second time in nine days. The Indian offense was shut down by Cougar pitcher, Clint Beck, who took the 2-0 win for Campbellsport.

Beck held Kewaskum to just three hits. Eric Wenninger was 2x3 and Jason Strobel had a single, but that was it. He struck out four and walked three. Kewaskum's pitcher, John Immel, also pitched a great game for the Indians, but two Cougar hits produced the only two runs of the game.

Indian defense helped Immel as they turned two smooth double plays and catcher Andy Luedtke threw out another runner on an attempted second base steal. The loss dropped the Indians to 10+6 in conference play.

NEW HOLSTEIN NOTCHES ONE MORE

The Indians ended the week on a sour note with a loss to league-leading New Holstein, 8-3. "I have to give my kids alot of credit. After our loss to Campbellsport last night, we knew we didn't have a chance to win the conference with six losses. Besides that, New Holstein Coach Chuck Lefebur decided to pitch all-conference pitcher Geoff Lefebur against us instead of second place Chilton tomorrow. That shows the respect this team has developed over the season," remarked Indian Coach Mark Heise.

The Indians have one of the better team batting averages in the league and had lost only two games on the home field in the 1999 season. Coach Lefebur theo-

rized that "this is one of the toughest places to play in the conference, and I didn't want this one to get away." His strategy worked as son Geoff lived up to his all-conference status and held Kewaskum to three runs on three hits.

With the intensity level high, both teams attacked early. New Holstein started with two runs in the first to take the lead. Kewaskum answered with one in the bottom of the first on a single by Jason Strobel, who scored on an error by the shortstop. New Holstein scored three more in the third to take a 5-1 lead.

The turning point of the game came in the bottom of the fourth. Strobel led off

the inning with a single to left, advancing on a Billy Cook walk. After an Indian strike out, Bobby Ogi walked to load the bases. Adam Donath came to the plate and with a full count, hit the ball back to the pitcher. Lefebur tried for a double play by throwing the ball to second. The ball sailed into centerfield for a throwing error, scoring Strobel and Cook. Ogi moved to third. Another strike rang up two outs.

Then Brad Vetter hit a ground ball to second that was bobbled by the second baseman. He flipped the ball to the first baseman late, but base umpire Russ Abel was out of position and missed the play, calling Vetter out after he was a

stride beyond first. "That call took us out of the game. It's one of the worst calls I've ever seen," noted an angry Coach Heise.

The Indians never recovered as the Huskies took Ogi for a total of 12 hits and eight runs. He struck out five and walked only two, but fell to 5+3 in the conference. Kewaskum's record is now 10-7 with only one game against Chilton remaining, a rescheduled rainout on Tuesday, July 13 at 5:30 p.m.

State tournament play begins on Friday, July 16, with the Indians traveling to Ozaukee for a 5:30 p.m. contest. If successful, they travel to the winner of the Random Lake/Slinger game.
