School Board Handles September Agenda

By Andrew R. Kuehl
Staff Writer/Photographer

The Kewaskum Board of Education met last Monday evening in the Library of the Kewaskum High School.

Superintendent, Wayne Graczyk introduced the new staff members in the district.

KHS senior, Brendan Weinhold informed the board of a problem he is seeing at the high school with the apparel students are wearing. The district holds a policy that prohibits any type of dress that would be offensive or cause a disruption. Currently if a student is found to be wearing such apparel he/she is sent to the school office and must remain there until a parent brings attire that coincides with the policy set by the board. If that is not done the student is pulled from his or her classes for the entire day.

KHS student ambassador, senior, Jeff Taylor, announced activities happening at the high school.

He stated that a new program to increase student and school activities was introduced. The program gives one student, who has been randomly selected from students who receive commendations from their teachers VIP, parking in the visitor's parking for an entire week.

Student council held a lun-

cheon for the staff so the council to acquaint themselves with new and existing staff members.

The homecoming game will be played with Manitowoc Roncalli on Oct. 8. The dance will be Oct. 9 in Rose Hall at the high school.

This year's musical will be Oklahoma and is currently underway.

FES principal, Jim Botting announced that Farmington was suffering from "growing pains" due to unexpected high enrollment. New playground equipment has been installed by the PTO and is being enjoyed by the students there.

WES principal, Kieth Kriewaldt indicated that the additions were completed at Wayne.

KMS principal, Ken Sorens stated the year has started off great, and the computer lab has been finished. A magazine sale has started to raise funds.

KHS principal, Bob Gangka announced that the students are busy. He also reported the floor and bleachers in the field house will be completed by the end of the week. He concluded by saying the Student Council looked very promising.

New district business manager, Paul J. Reichert went over a cash flow analysis for the 1999-2000 fiscal year. He stated "the district will again need to borrow funds for oper-

Wisconsin's New 262 Area Code Effective Here September 25

Starting September 25, callers to southeastern Wisconsin can begin using the new 262 area code. Until March 3, 2000, calls can be completed with either 262 or 414. On and after March 4, 2000, the new 262 area code will be required.

GTE customers in Allenton, Belgium, Bristol, Darien, Kewaskum, Salem, Silver Lake, Slinger, Trevor, Twin Lakes, Wallworth

and Waubesa will be served by the new 262 area code.

Explosive demand for communications services has rapidly depleted available phone numbers across the country. Adding the 262 area code gives GTE and other telephone service providers more number combinations to meet current demands and lets consumers take advantage of increasing communications

offerings.

September 25 through March 4, 2000, the permissive dialing period when either code may be used, is designed to help smooth the transition. It allows time to reprogram business phone systems, pagers, cellular phones, automatic dialers, alarms and other equipment. It also gives time to notify friends, relatives, business associates, suppliers, employers or employees, etc.

Checks, stationery, business cards, brochures, and signs are other changes that might be needed. On and after March 4, 2000, the new 262 area code will be required.

The new area code will not change rates, local calling areas or seven-digit phone numbers.

To make a local call, customers should dial the seven-digit telephone number. To place an Extended Community Calling (ECC) call, customers will need to dial "1 + the area code + seven digits" when the area code is different from their own. Customers will continue to dial the area code on all long distance calls.

A description of local, ECC, and long distance calling areas is included in all GTE telephone directories.

With 1998 revenues of more than \$25 billion, GTE is a leading telecommunications provider with one of the industry's broadest arrays of products and services. In the United States, GTE provides local service in 28 states and wireless service in 17 states, as well as nationwide long-distance, directory and inter-networking services ranging from dial-up Internet access for residential and small-business consumers to Web-based applications for Fortune 500 companies. Outside the United States, the company serves customers on five continents.

DNR to Hold Meetings On Proposed West Bend to Eden Trail

GREEN BAY -- The Department of Natural Resources has scheduled public open house meetings in West Bend, September 29 and in Eden on September 30 to discuss and gather public opinion on a proposed 24-mile state recreational trail that would be

developed on a railroad grade between West Bend and Eden.

The meetings will be held on Wednesday, September 29, from 6 to 8 p.m. in Room L159 of the Moraine Park Technical College, 2151 N. Main Street, West Bend. and on Thursday, September 30, from 4 to 8 p.m. in the Eden Community Center, 104 Pine Street, Eden.

The railroad grade is owned by the Wisconsin Central, LTD, Railroad, otherwise known as the Fox Valley and Western, LTD. The Department of Natural Resources would purchase the grade if the federal Surface Transportation Board approves it for abandonment. Then, Fond du Lac and Washington Counties would plan, develop and maintain the grade as a multi-use state recreational trail.

ations." He recommended that the District borrow \$2,075,000 so that there would be adequate funds for operations during 1999-2000.

Jon Downs made a motion to approve accounts payable/payroll expenditures in the amount of \$996,549.20.

The following instructional appointments were made: Candy Block, Deaf Interpreter; Tammy Klug, Special Education; and Susan Schjoth, Deaf Interpreter.

The board approved resignation requests from Robin Dorst as seventh grade girls basketball coach at KMS.

The following extracurricular appointment was made: Dan Ross, Yearbook Advisor.

REGISTER NOW FOR ANNUAL KEYS RUN/WALK

Piggy Stuck in Kissing Doldrums

I've been in secret negotiations with our friend, Mr. Piggy, and he was pretty close-mouthed, which should give some indication that he has not been practicing his puckering.

It wasn't easy but I did manage to get him to tell me he has had an extremely hard week (no rain, and all, and then a full moon coming besides!). Getting any information out of him was like pulling a pigskin for those of you who are into that sort of thing.

Piggy seemed very depressed and wasn't up to cracking his usual chicken jokes. He may be a little paranoid, but he seems to think that someone is stalking him. I know none of our candidates for sure wouldn't be "chasin' the bacon." So who could it be? Probably just a sexy little guernsey from down the road, but it really has him upset.

I seriously considered reporting the whole incident to the police, but somehow I get the feeling they would not be sympathetic and

really don't care about our pig's general welfare.

I have tried everything to help cheer piggy up but all to no avail. Maybe you voters could give me a hand here, and vote hard and heavy in the coming week. I think that might cheer up our friend, when he sees just how many pals he has in this community (and of course the WBKV-WBWI fans in the area). There's nothing better to feed a pig's ego than money! (Pigs must be alot like humans!)

So please voters, help me cheer up our friend the kissing pig. Vote for your favorite (or unfavorite, whichever the case may be) candidates. We need to pull piggy out of these doldrums before the next phase of the contest ends on September 30. Frankly, I think Piggy might be depressed because he's afraid his favorites will be eliminated. Unfortunately he just won't tell me who his favorites are. He's afraid that might jinx them. He said he might talk when we're down to the

final five finalists. But by that time, some of our favorites might be gone. Can you live with the idea that the one person you really, really wanted to see kiss the pig lost out by only six votes. It's just too crushing to imagine.

Keep a stiff upper lip (but make sure it stays soft and supple for kissing) little piggy. I know the good people of Kewaskum will send in their dimes and dollars to pull you out of the depths of depression. They think the world of you and won't let you down!

THE TOP TEN SEMI-FINALISTS (Alphabetical Order)

JEANNE AMERLING
PAUL BECHT
BOB BONENFANT
JIM EISCH
ROY GARBISCH
CANDI HEBERER
DICK KNOEBEL

(Continued on Page 3)

Towell Named Director of Environmental Services

Bruce Towell has been appointed Director of Environmental Services at Milwaukee Catholic Home, an eastside continuing care retirement community.

Towell will oversee all aspects of housekeeping and laundry and linen operations. A Kewaskum resident, Towell has over 22 years of environmental services experience, most recently as the Environmental Services Supervisor at Samaritan Health Center in Washington County.

He is the Past President and a current board member of the Wisconsin Institutional Linen Managers Association.

Milwaukee Catholic Home is a continuing care retirement community for

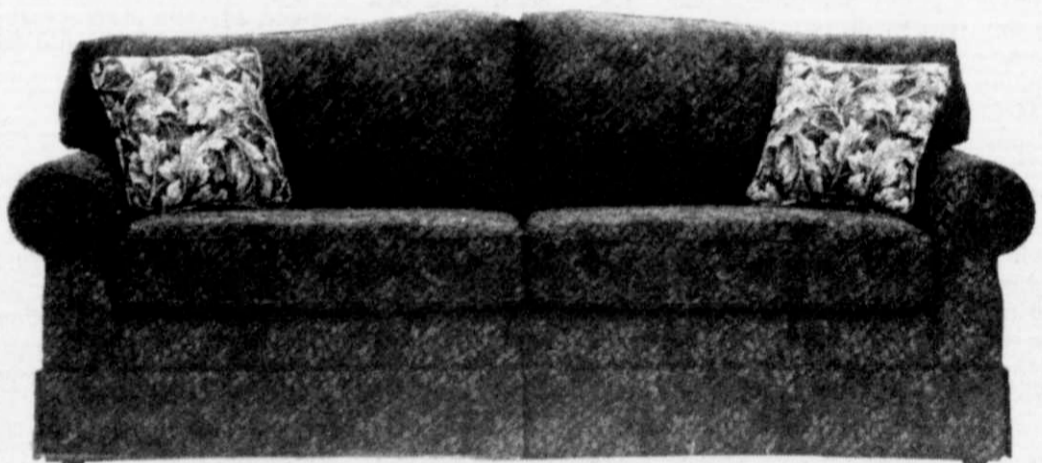

older adults. The Residence, 2462 N. Prospect Avenue, is a 145 unit apartment complex for active older adults.

The Health and Rehabilitation Center, located next door at 2330 N. Prospect, has 122 private skilled nursing rooms, 29 assisted living apartments, intergenerational adult day programming, specialized Alzheimer's and dementia care and rehabilitation services.

The two buildings are connected via an underground walkway, which is also connected to St. Mary's Hospital. Milwaukee Catholic Home has an affirmative advertising and marketing program without barriers to housing because of race, color, religion, sex, handicap or national origin.

Letters to The Editor

Dear Readers:

Yes, there is still time to sign up! Plan on registering for the sixth annual KEYS 5K (3.1 mile) Run/Walk scheduled on Sunday, October 10, at 11 a.m. The walk starts at the River Hill Park in Kewaskum and the course winds itself through the village.

Organize your family and friends to register and then walk in support for the youth of our community and our local scholarship organization. All registration money and pledge money stays here in Kewaskum and helps provide scholarships to the graduates of Kewaskum High School.

Last year KEYS provided 13 scholarships totaling \$36,200. This is our main fund raiser for the year. Registration forms are available at all Kewaskum Schools, Miller's Furniture, Ray's Shoes, West Bend Savings and the Kewaskum Statesman, or call 626-8427, extension 4125 to request a registration form.

Please register and join with the community in supporting this worthwhile cause. You can register, receive a t-shirt and opt not to walk, etc. Last year 870 people registered! This year our goal is to break 1,000! We need your support. Help support your local scholarship organization and get yourself registered!

Thank you,
KEYS Board
Of Directors
P.O. Box 124
Kewaskum, WI

Dear Editor:

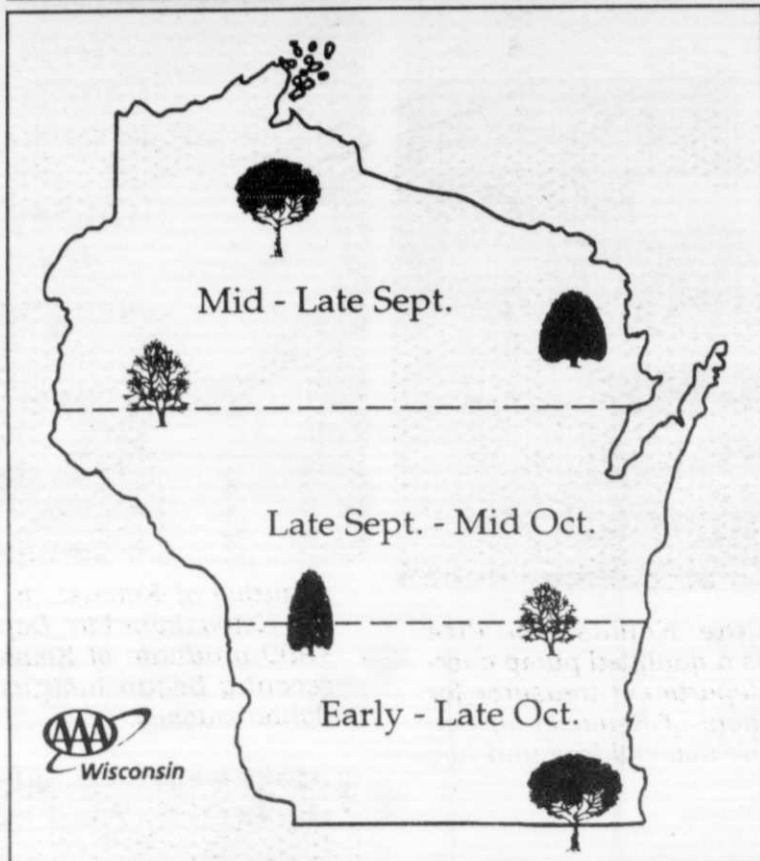

If the Statesman publishes my letters, I intend to write at least four times to this column in the final six weeks before the school referendum on November 2 concerning school construction, the importance of voting and the need for these schools.

I'm sure that everyone in the district has something on their wish list other than what the referendum will provide but voters should try to understand that all the wishes that each individual has cannot be provided in this one project. It has been determined by the school board, and rightly so, that the package most likely to succeed is being put forth as indicated in the advisory referendum.

I would like to suggest that all other disappointments and exclusions be forgotten before the election and that the true need for these schools and the children attending them be the only consideration. I again implore you to vote November 2nd and to vote yes.

Thank you,
Lloyd A. Koch

Fire Department Recognizes Members

The Kewaskum Fire Department is comprised of 51 dedicated members who attend many hours of training and education to serve the Kewaskum area as professional firefighters, rescue squad drivers and Emergency Medical Technicians.

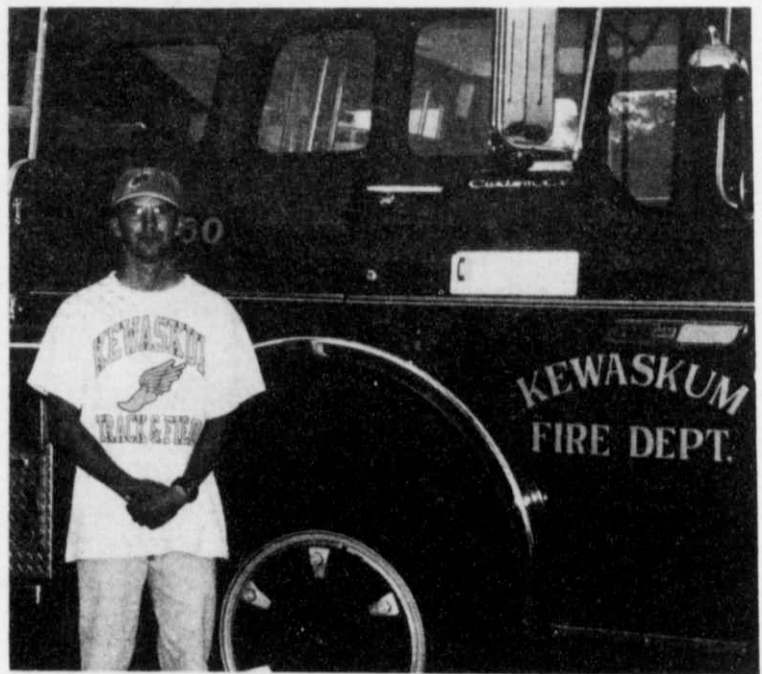

Each department member is required to attend Firefighter Classes I and II, where they are taught firefighting techniques. Additionally, operating instructions of the Jaws of Life apparatus are provided within the department assisted by Five-Alarm Company of Watertown. Star Auto, Inc. of Kewaskum provides automobiles for the hands-on practices.

If interested and possible, members are encouraged to attend EMT training classes to assist with emergency situations and rescue squad transports. The Kewaskum Fire Department rescue squad responds to approximately 250 calls per year. Members are also encouraged to accept leadership positions as officers of the department.

Current terms of membership on the department extend from 27 years to two months. Members bring many different levels of expertise and capabilities. Featured here are four of the department's current members.

Ron Amerling joined the Kewaskum Fire Department in 1972. He is a qualified pump operator and served as the department treasurer for 15 years. A life-long resident of Kewaskum, Ron and his wife, Joanne, have two children and two grandchildren.

A native of Kewaskum, Chris Wenninger joined the Kewaskum Fire Department in May, 1999. A 1999 graduate of Kewaskum High School, Chris recently began instruction in the required firefighter classes.

An eleven-year Kewaskum Fire Department member, J.R. Ramthun is a driver for the rescue squad and is a qualified pump operator. J.R. stated he and other department members are looking forward to the delivery of the new fire truck pumper in 2000. J.R. and his wife, Julie, have two sons, Taylor and Tanner.

Joining the Kewaskum Fire Department in June, 1999, William Petersen "always wanted to be on the department." In the future, William would like to be a driver for the rescue squad and attend EMT classes. William has also began instruction in the firefighter classes.

Senior Citizen ID Cards to Be Issued

Are you 60 years old or older and a resident of Washington County? Senior Citizen Identification Cards will be issued on Thursday, September 23, from 2:30 to 4 p.m. at the Washington County Senior Center, 401 E. Washington Street, West Bend.

Information needed includes Social Security number, person to contact in case of an emergency and their phone number and your doctor's name and phone number. Your picture will be taken. The cost of each card has increased to \$2.00 (including tax) which became effective January 1, 1999.

Though there is no known cure for lupus, there is effective treatment. See your doctor.

Trapp - Gremminger

Ralph and Donita Trapp of Adell are pleased to announce the engagement of their daughter, Jolene, of Randall S. Gremminger, son of Raymond and Henrietta Gremminger of Kewaskum.

Jolene is a graduate of Kewaskum High School and Moraine Park Technical

College. She is employed by Silbernagel and Jasen Financial Services.

Randall is also a graduate of Kewaskum High School and is employed by Trend Setters.

The couple is planning a September 16, 2000 wedding.

PRAYER OF THE BLESSED VIRGIN

(Never known to fail)

Oh, most beautiful flower of Mt. Carmel, fruitful vine, splendor of Heaven. Blessed Mother of the Son of God, Immaculate Virgin, assist me in my necessity. Oh Star of the Sea, help me and show me here you are my Mother. Oh Holy Mary, Mother of God, Queen of Heaven and Earth, I humbly beseech you from the bottom of my heart to succor me in my necessity (make request). There are none that can withstand your power. Oh Mary, conceived without sin, pray for us who have recourse to thee (three times). Say this prayer for three consecutive days and then you must publish and it will be granted to you. Grateful thanks.

Gross - Beaudoin

JoAnn M. Gross has announced the engagement of her mother, Chris Gross, of Kewaskum, to Bruce Beaudoin, also of Kewaskum.

Chris is the daughter of Lawrence Gross of Kewaskum and the late JoAnn Gross.

Bruce is the son of Donnette Beaudoin of

Milwaukee.

The future bride is a graduate of Kewaskum High School and is employed at the Americinn Motel of West Bend.

Bruce graduated in Milwaukee and is employed as a laborer.

The couple is planning and April, 2000 wedding.

Schools All Ready for Upcoming Year

At Farmington Elementary School, Mrs. Perkins' kindergarten meets in what used to be the library. Around the table, from left, are Jeorgiana, Jacob, Michael, Brad, Brittany (peeking in), Samantha, Natalie and Jenny.

Mrs. Wright's First Steps class gets ready for the first day of the school year at Kewaskum Elementary Schools. The school's theme this year is "Soaring Into the Future." Along with Mrs. Wright, left, and aide, Mrs. Scheel are, from left, Nathan Koller, Ariel Mayne, Jordon Russell, Jacob Schladweiler, Leah Rodenkirch, Sami Gigstead, and Jacob Reck.

Yeska Family Reunion

Isabelle (Yeska)
Muckerheide

Labor Day weekend, the descendants of Anton and Stella (Paluka) Yeska gathered at the Homestead in Neshkoro, WI for their annual family reunion. It was our 10th celebration. Neshkoro is a small community in Marquette County on the banks of the White River which empties into the Fox River north of Princeton. It was on the Fox River many years ago that Fr. Marquette traveled, one of the first missionaries in the area. A stove commemorating the fact is in the Princeton City Park.

Thanks to the good Lord, the weather was perfect. Saturday morning the men golfed at Wautoma in the afternoon there were games for the children. Tickets were given for participation in various events and prizes awarded at the closing.

At the sound of a conch shell, the feast began. The pig roast was done to perfection. Being a Hawaiian theme, there were coconuts and pineapples in evidence. Guess who brought the Kewaskum summer sausage? Many salads and delicious desserts were on the menu.

A campfire in the evening kept the mosquito away, while us older ones enjoyed a game of sheephead.

After Mass on Sunday, a game of baseball was played at Stan-O-Gene Park. Young and old participated. Sides were chosen with John Kerhin coach on one and Michael Yeska on the other. We were tied 8 to 8 and then Michael had to leave for a fire call. In the 9th, his team had three rounds and finished 8 to 11.

Sunday evening a party

of 12 dined at Silvercryst in Wautoma, celebrating Patty Celeks birthday. We hurried home for the evening's talent show. A Hawaiian sunset painted by Janet was the background for our stage. Two young men had a diabolo performance which is twirling a large spool on a tight string. My two sisters and I sang "Blue Hawaii in appropriate costume. There was a hula hoop demonstration. We had hula dancers coached by a professional also bongo drums and noisy rattles. Try to say "She sells sea shells by the sea shore" - 5 times. The finale was Janet portraying Harry Belafonte singing "Deo-Day-a-a-o. The opening number was a poem by yours truly:

Reunion 99

Another year has rolled around

The appointed time arrived
The Yeska clan is home again

That is, those who have survived

We always have a jolly time
With weddings, births, and such

Our roots go deep as you can see,

We're loving, very much.

Kempiaks have the chore
this year
Of keeping us in line
So if you'll bear with me a while

To hear these words of mine
What can I say, that hasn't been said

What joys and sorrows we've known

But through it all, we weathered the storm
And thus have better grown.
Our faith in God is strong indeed,

And being Polish is a plus
Let's celebrate this happy time

God bless, Hooray for us!

Isabelle (Yeska)
Muckerheide

The first known use of O.K. was in the New York New Era in 1840 as part of a name: The Democratic O.K. Club. O.K. was an abbreviation for Old Kinderhook, a nickname for future president Martin Van Buren. Kinderhook, New York was Van Buren's birthplace.

After years of sharing the space with the Wayne Elementary School library, fifth grade teacher Mr. Beske's room finally has four walls to call its own. The additional wall is the result of construction of a teaching room in one end of the library.

Wasn't Our Fault... But We're Still Awfully Sorry

For a change, we didn't make the mistake, but nevertheless, our faces are red and we're still awfully sorry it happened.

We caught the mistake just hours after the paper was printed, but some of our readers brought it to our attention anyway. Two of the Holy Trinity Social Fest pictures we ran last week were mixed up. We had them tagged right, and had them properly identified for the right pages, but somehow the printer inadvertently managed to put the wrong photo on the

wrong page.

The photo of Kathie Ramthun and June Gauvin was supposed to go on page 13 (bottom right) and the photo of Jane Hesprich and Brad Carter was supposed to go on page 12 (top right).

No one is perfect, and these things do happen, but it was another instance, where something was squeezed in at the last minute and invariably a mistake generally follows.

Our apologies to Kathie Ramthun, June Gauvin, Jane Hesprich and Brad Carter.

The average baby begins to roll over from a side-ways position at about nine or ten weeks of age.

FALL EXERCISE CLASSES

	Mon.	Tues.	Wed.	Thurs.	Fri.	Sat.
5:35 a.m.	A		A/S		A

Thull to Compete in Annual KEYS Run

Matt Thull

Matt Thull of Campbellsport, one of the fastest runners in the state, will defend his title in hopes of securing a third consecutive victory at the KEYS run in Kewaskum on Sunday, October 10.

This 24 year old has enjoyed a very successful running career since his graduation from UW-Oshkosh where he was an All American nine times in both track and cross country.

Matt broke his own record in last year's KEYS run, completing the five kilometer (3.1 mile) course in 14:27; which translates to a blistering 4:39 pace per mile. He says he is excited about the race and is hoping for good weather, though he admitted that "breaking the record is getting harder to do."

His racing calendar for the fall includes several prestigious races. Matt will run the Briggs and Stratton

Run for Children's Hospital (formerly Al's Run) in Milwaukee on September 25 where he has finished first and second the past two years. He will also compete in the 5K associated with the Chicago Marathon, where he placed second two years ago against a field of international athletes.

The KEYS Run/Walk, which drew 858 participants last year, will be held October 10 at 11 a.m. in Kewaskum's River Hill Park. Registration forms are available at Kewaskum area schools, West Bend Savings Bank, Ray's Shoe Stores, the Kewaskum Statesman and at various other Kewaskum business places.

Registration will be available the day of the event at River Hill Park from 9 to 10:30 a.m. The cost is \$12 per person/\$36 for a family of four. For

individuals registering after September 20, the cost is \$15. Proceeds will benefit the Kewaskum Youth Scholarship program.

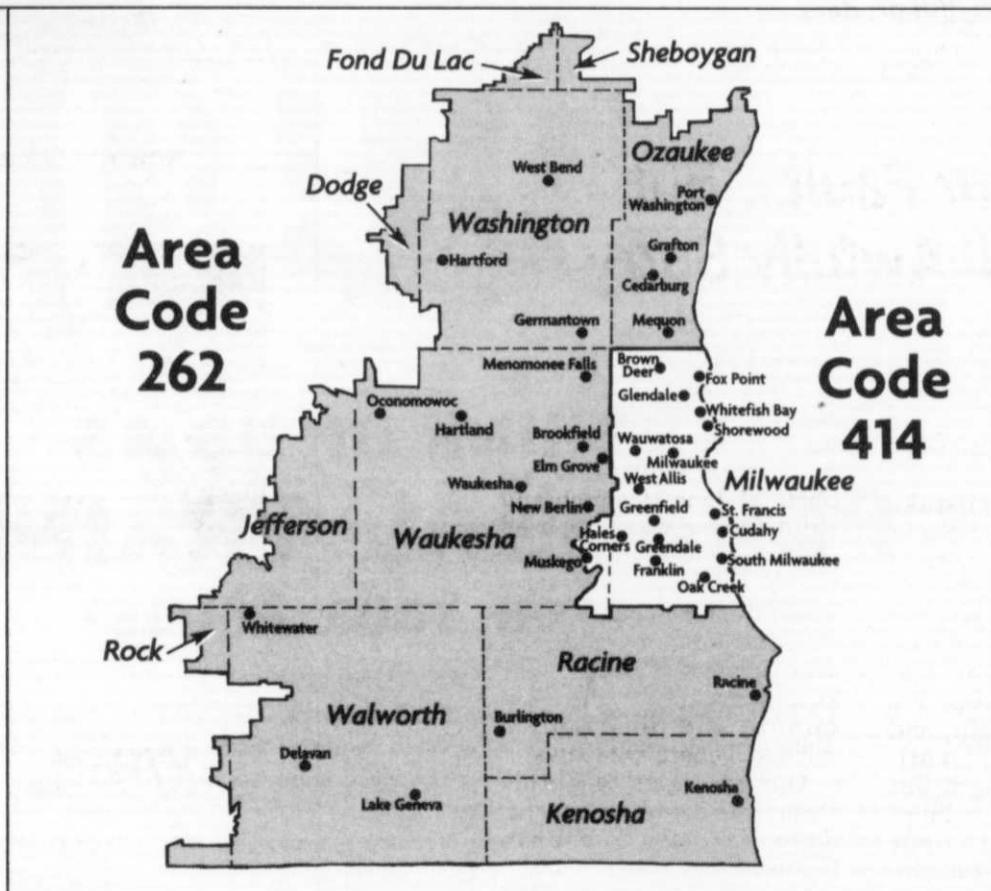

The sixth annual race, held in conjunction with the Kettle Kountry Kolors celebration, will include a competitive race walk, five new age groups for younger runners and a free children's run for participants under six years old.

Prizes will include cash

awards to the top three male and female finishers in the 5K run, medals to the top three in 11 age groups and a \$200 bonus for the runner that breaks the course record. Various incentives will be awarded to individuals who collect pledges in conjunction with this fund raising event. For more information, contact Joe Swanson at 629-9983.

Is it a plant or an animal? Euglena is a group of microscopic organisms that scientists classify as both. About 150 species live in fresh water and are common in warm seasons when they form a green scum on the surface of small ponds and drainage ditches. Euglena contain chlorophyll, get energy from sunlight, but move like animals.

AREA CODE 262
STARTS SEPTEMBER 25.

More people, more businesses and more technology are rapidly draining the pool of telephone numbers. That's why the 414 area code is being split. On September 25, the Milwaukee County area will keep the 414 area code and the remainder of southeastern Wisconsin will change to the new 262 area code. But little else is changing. A local call is still a local call. Just remember to check for the correct area code when calling. When placing an Extended Community Calling (ECC) call, dial "1 + the area code + seven digits" when the area code is different from your own. If you are located within the new area code boundaries, be sure to inform callers from other areas that your new area code is 262. While the area code split is an industry requirement, we at GTE are helping to simplify the process.

THINK OF US AS PERSONAL TRAINERS (FOR YOUR HOUSE)

Before spending the time and money on your next home improvement project, make sure your house spends some time with a personal fitness trainer — a HouseWorks™ contractor. By using the simple, low-cost HouseWorks inspection, your house can be more comfortable, more energy efficient, and safer.

A HouseWorks contractor has been trained to treat your house as a whole system. They know how air flow downstairs affects comfort upstairs, how heating and cooling systems affect drafts, and where drafts are best stopped.

A thorough home inspection conducted by a HouseWorks contractor will benefit your house in these four main home improvement areas:

- heating & cooling projects
- remodeling: additions, renovations, general projects, and installing or adding insulation
- a general home efficiency check-up
- problems that are symptoms of poor air flow: high energy bills, drafts, hot and/or cold rooms, hard-to-heat areas, exterior ice build-up, fog or condensation on windows

The basic HouseWorks inspection includes: a blower door test to measure the amount and location of air leaking into or out of your home; an insulation test; a carbon monoxide test; a gas-fired equipment test; and a chimney draft test. Other energy-saving services are also available.

Ready to get fit? Call a HouseWorks contractor listed below. For more information call Wisconsin Energy Conservation Corporation at **888-543-8155**.

Obituary

VERNICE FREITAG

Vernice Freitag, nee Enderle, 84, of Lomira, died Sunday, Sept. 19, 1999, at Hope Health and Rehabilitation Center.

She was born July 15, 1915, in Kekoskee, to the late Arnold and Ida (nee Dohrman) Enderle, and married Lorenze A. Freitag on July 24, 1937, in Horicon.

The couple farmed in the town of Williamstown, and she also was employed at the Mayville Canning Co. for many summers.

Vernice was a member of Trinity United Methodist Church, Lomira, and a former member of Emmanuel United Methodist church, Horicon.

Her husband passed away in 1994.

Survivors include a son, Carlton (Carol) of Mayville; five daughters, Shirley (LaVern) Kreuser of Dundee, Mardell (Tom) Buckingham of Allenton, Audrey Drake of Eden, Lorraine (Charles) Phelps of Watertown and Carlene (Felix) of Cardenas of Lomira; a sister, Gladys Breselow of Mayville; 16 grandchildren; 20 great-grandchildren; three great-great grandchildren; two step-grandchildren, nine step-great-grandchildren; and other relatives and friends.

Preceding her in death were a grandchild and a great-grandchild.

Funeral services will be held Thursday, Sept. 23, at 1 p.m. at Trinity United Methodist Church, Lomira. Rev. Scott McMurray and Rev. Jane Haass will officiate, and entombment will be in Shrine of Rest Mausoleum, Fond du Lac.

Visitation at the Koepsell Funeral Home, Mayville, will be Wednesday from 5 to 8 p.m., and also on Thursday at Trinity United Methodist Church, Lomira, from noon to 1 p.m.

Memorials may be directed to Trinity United Methodist Church, Lomira, or Emmanuel United Methodist Church, Horicon.

PRAYER OF THE BLESSED VIRGIN

(Never known to fail)

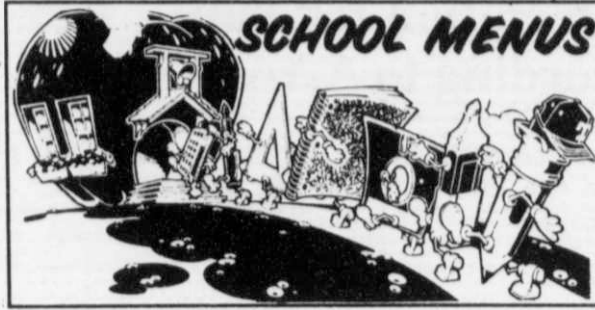

Oh, most beautiful flower of Mt. Carmel, fruitful vine, splendor of Heaven. Blessed Mother of the Son of God, Immaculate Virgin, assist me in my necessity. Oh Star of the Sea, help me and show me here you are my Mother. Oh Holy Mary, Mother of God, Queen of Heaven and Earth, I humbly beseech you from the bottom of my heart to succor me in my necessity (make request). There are none that can withstand your power. Oh Mary, conceived without sin, pray for us who have recourse to thee (three times). Say this prayer for three consecutive days and then you must publish and it will be granted to you. Grateful thanks.

M.H.S.

PRAYER OF THE BLESSED VIRGIN

(Never known to fail)

Oh, most beautiful flower of Mt. Carmel, fruitful vine, splendor of Heaven. Blessed Mother of the Son of God, Immaculate Virgin, assist me in my necessity. Oh Star of the Sea, help me and show me here you are my Mother. Oh Holy Mary, Mother of God, Queen of Heaven and Earth, I humbly beseech you from the bottom of my heart to succor me in my necessity (make request). There are none that can withstand your power. IN MEMORY

In loving memory of CARNEL KOEPKE, who passed away four years ago, September 28, 1995:

You are not forgotten, loved one,
Nor will you ever be,
As long as life and memory lasts,
We will remember thee.

We miss you now, our hearts are sore,
As time goes by, we'll miss you more.
Your loving smile, your gentle face,
No one can fill your vacant place.

Sadly missed by wife and family.

State Among Best in Nation for Fall Color Viewing, According to AAA Wisconsin

For more and more travelers, fall is the THE season to tour Wisconsin by car, according to AAA Wisconsin.

In 1998, fall travelers spent \$1.7 billion in Wisconsin, a 15 percent increase over 1997 and an 18 percent increase since 1996, according to tourism officials. AAA Wisconsin believes that off-season rates and plenty of available accommodations have helped make the season more popular than ever, but the biggest draw is provided by Mother Nature herself. Cool nights and warm days combine to turn Wisconsin's landscape into one of the nation's most colorful. More than 40 percent of Wisconsin is covered by forests, and good roads provide easy access to colorful panoramic scenes.

The color show peaks in stages, beginning at the top of the state, where cooler temperatures arrive first and subsequently move downward. Peak color is generally found in northern Wisconsin (north of Highway 29) in mid-September and early October, in the central region of Wisconsin from early to mid-October, and in the southern part of the state from mid-to late October.

Aside from your favorite local roads, AAA Wisconsin recommends several routes known for their spectacular fall scenes.

Highway 8: This route crosses the state between the Nicolet National Forest in northeast Wisconsin and Interstate State Park on the Minnesota border. Timms Hill near Ogema is the highest point in the state -- 1,942 feet above sea level. Interstate State Park offers breathtaking scenic overlooks of the St. Croix River dells.

Highway 13: The Lake Superior shoreline is the setting for this 93-mile route

running between Superior and Ashland. Big Bay State Park in Bayfield offers several vistas, forests, light-houses, and the spectacular rock formations of the Apostle Islands National Lakeshore are featured. Lake Superior cruises provide excellent viewing as well.

Highway 35: The Wisconsin section of the Great River Road, running for 250 miles along the Mississippi River from Dickeyville to Prescott, is one of our nation's great treasures. Grandad Bluff in La Crosse towers 540 feet above the river, offering commanding views of Wisconsin, Minnesota, and the mighty Mississippi. In northern Wisconsin, just south of Superior, Highway 35 leads travelers through Pattison State park, where Big Manitou Falls, the state's largest waterfall, dazzles sightseers.

Highway 42 & 57: Highway 42 from Manitowoc, along Lake Michigan, is part of the Great Lakes Circle Tour. Joining Highway 57 south of Sturgeon Bay, the two roads chart courses north through Door County to Gills Rock. Door County contains more miles of shoreline, state parks, and lighthouses than any other county in the United States. Observation decks at Peninsula and Potawatomi state parks offer panoramic vistas.

Highway 51: The stretch of Highway 51 between Wausau and Hurley is one of the state's main thoroughfares into the North Woods, leading motorists through the Northern Highland/American Legion State Forest. The Penokee overlook four miles west of Mellon in the Chequamegon National Forest provides a 20-mile view of the Penokee Mountain Range.

Highway 60: An 82-mile

route makes it way along the Wisconsin River from Sauk City to Prairie du Chien. The scenery at Wyalusing State Park, located at the confluence of the Wisconsin and Mississippi rivers, is a fitting exclamation point to the journey. At the east end of the route, twelve miles north of Sauk City, is Devil's Lake State Park, its 500-foot bluffs providing willing hikers with a view of the lake and nearby Baraboo Hills.

Highway 67: This highway is the entry point to both the northern and southern units of the Kettle Moraine State Forest, although you will probably want to explore the many scenic forest roads marked by green, acorn-shaped signs. Visitor centers are located in Campbellsport and Eagle in the northern and southern units respectively. Sixty historic and geological sites can be found along 120 miles of scenic roads. In the northern unit, Parnell Tower offers a special view.

Highway 77: This 47-mile route from Hayward to Glidden runs through the Chequamegon National Forest. The National Forest System has designated 29 miles of road as a scenic byway distinguished by northwood lakes, rivers and streams.

WASHINGTON COUNTY NUTRITION PROGRAM

For the Elderly Menu
Meadowcreek Complex

Monday, Sept. 27 -- Baked ham, au gratin potatoes, peas & carrots, pumpnickel rye bread, chilled applesauce.

EDUCATION... It's Everyone's Business

By Wayne P. Graczyk
Kewaskum
Superintendent
Of Schools

I asked the Kuehl family if it were possible to contribute articles in the form of a column and they graciously agreed. I have chosen to name this column **EDUCATION... IT'S EVERYONE'S BUSINESS** because it is, "Everyone's Business," whether you have children in school, had children in school, never had children in school, or will one day have children in school.

My first couple of months in Kewaskum has offered me the opportunity to meet so many wonderful people. I found individuals and groups to be very welcoming and I look forward to getting to know more people in the months and years ahead.

I was reflecting the other day and thought that one of the saddest of all things would be to come to the end of one's life and discover one had never taken a stand on anything. I don't mean not having an opinion about something. Anyone can have an opinion, and just about everyone does. I mean not taking a stand.

Stands are different. Stands usually don't allow much wiggle room. They cost, and they usually bring a fair amount of pain somewhere along the way. They can be divisive, too, and get people hollering at each other, and slip in under your skin like a sliver that begins to fester round about everything else that needs doing.

But stands can also unite. They can galvanize around a cause or around a dream or sometimes even around a love. Stands can do good things. Opinions just itch, mostly like mosquito bites.

There is not far from where I live, a county park with a cobweb of paths and trails in among a thick scattering of thick gnarly trees. It's a favorite place for me (as it was for my family), allowing a good place for me to think, relax, and sort through the junk drawer of my life.

One day I found myself along one of the paths near the creek, one, which has some good areas of sandy soil. Along the edge of that path someone had written in the sand with a stick, "It's time to take a stand." They hadn't said a stand on what, whether one should be Democrat or Republican, whether to be for the death penalty or against it, or even whether chocolate ice cream is better than vanilla. All they had written was, "It's time to take a stand." And then they left and went their way leaving others to wonder about the issue.

When I ask people their

stand on the pending or past referendums, I feel myself getting a bit nervous, and sense this nervousness in them as well. What if someone decides to ask me where I stand? I begin to think and prepare but mostly no one asks. It is then that I come to realize that no one asks because by asking, it entertains the risk of making not only a stand, but also a stand based on knowledge and facts. So, few people ask and would rather slip out from under having to take a stand.

There is something freeing about taking a stand, however, though at first glance that may seem to be a contradiction. Because stands imply commitment, we wonder what could be so freeing? Commitment turns a splotch of mostly gray life into a slice of black-and-white life. Once you and I know where we stand, we no longer have to cover all the bases, no longer have to hedge our bets, no longer have to play the entire field. A commitment gives direc-

tion and focus and frees us from diddling with the periphery. In a kaleidoscope world where all the pieces keep tumbling, a stand declares the center and that frees us from wondering where else to stand.

So every once in awhile you and I and a lot of other people need to stand up and be counted. And once-in-awhile is maybe as often as we can do it simply because it does cost, yet we do choose to stand tall.

So, like the writing in the stand, I'm suggesting that "It's time to make a stand" here in Kewaskum. I am asking you to make two stands. On November 2, 1999, the school district has scheduled an elementary building referendum. I believe that every eligible voter in the district should make a stand by marking their calendars, in color and in bold print. Circle it if you have to, to ensure that you **WILL VOTE on November 2!** The second stand I ask you to make is to be an informed voter. Base your vote on facts and informa-

tion, not opinions or opinions of others.

I'd like to end this initial article with this, taken from the *Readers Digest*: "I always imagined when I was a kid that adults had some kind of inner toolbox full of shiny tools: the saw of discernment, the hammer of wisdom, the sandpaper of patience. But when I grew up, I found that life handed you these rusty bent old tools-- friendships, prayer, conscience, honesty-- and said, 'Do the best you can with these. They'll have to do.' Mostly, against all odds, they're enough.

I ask you to use those rusty and bent tools to arrive at your own personal decision regarding the referendum. It's time to make a stand. Make it on two issues: One, be sure you (and at least one other person) votes on November 2, and, two, become an in-

formed voter.

As I already said above, **Stands are different** and usually don't allow much wiggle room. They cost, and they usually bring a fair amount of pain somewhere along the way. **But stands can also unite.** They can galvanize around a cause or around a dream. Stands can do good things, while opinions just itch. Make a stand. Vote on November 2.

XYZ CARD RESULTS

The winners at cards played at the Municipal Building on Wednesday, Sept. 15th were: SKAT: Francis Gilboy, 18-1-17 net; Syl Schmidt, 14-0-14 net. SHEEPSHEAD: Gilbert Reindl, Laura Hammes, Ruth Campbell and Betty Jack.

Soaring Into the New School Year

To highlight this year's theme at Kewaskum Elementary School, "Soaring Into the Future," students were treated to a visit from a helicopter. West Bend pilot Joe Gertner circled the KES playground before landing.

Pilot Joe Gertner fielded questions from Mrs. Kasten's first graders about his nearly two decades of flying experience. He spoke with each of the grades of Kewaskum Elementary School throughout the day.

SWEEPSTAKES CORNER

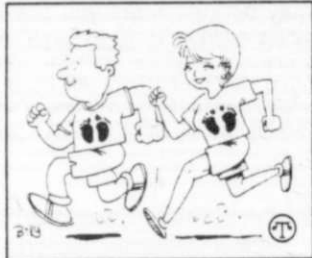

Win A Trip To The New York City Marathon

(NAPS)—Putting your best foot forward for good health may be easier with this advice: "Your feet pound the pavement 5,000 times each time you run a mile; plus, two-to-three times your body weight goes through your foot each time it strikes the ground. This, of course, makes runners particularly susceptible to foot trauma and toenail infection," said John McNerney, D.P.M., and team podiatrist for the New York Giants and New Jersey Devils. To help runners maintain good foot health, Dr. McNerney offers the following tips:

- Wear slippers in locker rooms and public showers.
- Change socks daily to prevent infection or reoccurrence.
- If diagnosed with a fungal infection, buy new gym shoes.
- Make sure shoes fit properly, giving toes room to move; buy a half-size bigger than you regularly wear.
- Apply a powder to the inside of shoes to keep them dry and sweat-free.
- Wash feet thoroughly and dry between toes with a clean towel after a shower, bath or swim.
- See your doctor if you have nail pain or nail discoloration.

Onychomycosis, a toenail infection which affects an estimated 10 million Americans, can permanently damage the nail and, if left untreated, cause pain that makes wearing shoes uncomfortable. Fortunately, toenail infections are avoidable and, if they do occur, are easily treatable.

Novartis Pharmaceuticals Corporation, makers of Lamisil® (terbinafine HCl tablets), the official antifungal treatment of the New York City Marathon® is proud to sponsor "Let Your Feet Get Naked," a sweepstakes to promote better foot health. The grand prize winner will win a trip to New York City and a New York City Marathon VIP guest package, including a pair of finish line

tickets to watch the race on Sunday, November 7, 1999. The winner of the "Let Your Feet Get Naked" sweepstakes and a guest will fly via Continental Airlines, the official airlines for the New York City Marathon, for a three-day stay in New York City, November 5-7. To find out more information on how to enter the sweepstakes and learn more about better foot health call 1-800-209-0690, or go to the Lamisil web site at <http://www.lamisilinfo.com>. There is no purchase necessary. Entries must be received by September 15th; the winner will be announced in October.

"Running anywhere is a great way to get outdoors and get in shape. But the New York City Marathon is an experience unlike any other," said Bob Glover, renowned author of *The Runner's Handbook* and *The Competitive Runner's Handbook*, as well as a New York City Marathon coach for the New York Road

Runners Club, Inc., organizers of the New York City Marathon. "All runners—from novices to seasoned veterans—need to take steps to increase their strength, endurance and flexibility, and to protect the things that keep them moving: their feet. Keeping your feet healthy is an important part of any training regimen."

Lamisil® Tablets are marketed by Novartis Pharmaceuticals Corporation and became available in the United States for oral treatment of onychomycosis on May 10, 1996. Lamisil Tablets are the number one prescribed oral antifungal for onychomycosis in the U.S., and have been used by over 11 million patients worldwide.

The first Vice President nominated specifically for the office was George Clinton. He ran with Thomas Jefferson in 1804. He also served as Vice President under James Madison and was the first Vice President to die while in office.

Lady Indian Golfers #1

The Kewaskum Girls Golf Team took sole possession of first place in the Little Ten Conference with a score of 197 at Old Hickory Country Club in Beaver Dam last Thursday.

With a steady improvement in scores from the girls, they were able to hold off their closest competition, Oconomowoc, who shot a 204 which was good enough for a second place finish. Other scores included Beaver Dam 208, Watertown 213, Hartford 219, West Bend West 222 and West Bend East 229.

Amy Piwoni was the meet medalist with a 46 on the tough back nine. Niki Dreher was right behind, shooting a 47, and Courtney Timblin had a good round of 48. Stephanie Brettingen and Amber King turned in scores of 56 and 58 respectively.

This week the Lady Indians travel to Watertown Country Club to make up a rain date on Monday and then to Oconomowoc's home course of Lac La Belle on Tuesday with hopes of tightening their hold on the Little Ten title playing two of the final three conference matches before entering the tournament season on October 30 at Rolling Meadows in Fond du Lac.

Of all crops planted annually in the U.S., cotton has the longest growing season. Its growing season lasts from 150 to 180 days.

KHS Golfers Strong In Appleton Tourney

The Kewaskum Girls Golf Team played in the Appleton West Golf Invitational at Winagamie Golf Club on Saturday. They ended up in fifth place in the tough 24 team field with a team total of 378.

Amy Piwoni shot a 44-45 for an 89 -- good enough for a ninth place individual medal in the field of 96 golfers. The best round of the day was a 79 from Appleton North's Sami Forster. Courtney Timblin

shot a 45-46 (91) for KHS, which was good enough for 10th place individual. Niki Dreher and Stephanie Brettingen each carded a 99 in the 18 hole event.

This tournament gave the girls a look at some of the stronger teams in Wisconsin girls golf. Winning the tournament was Appleton East with a 379, Divine Savior Holy Angels shot a 370 and Appleton West had a 375 in the first to fourth place finishes.

Recipe of the Week

This recipe, along with many others can be found in the new Kewaskum Junior Woman's Club red cookbook. You can find them for sale at Kewaskum Pharmacy, Kewaskum Frozen Foods, or by calling Karen Kletti at 334-0227.

HOT VEGETABLE DISH

- 1 c. carrots
- 1 c. green beans
- 1 c. cauliflower
- 1/2 c. green onions, sliced
- 1 c. water
- 2 tsp. chicken stock
- 2 tsp. cornstarch
- 2 Tbsp. salad oil.

Cook carrots and beans in salad oil for 2 minutes. Add cauliflower and onions and cook 1 minute. Add water, cornstarch and chicken stock; cook until thick. If not quite done, simmer a little longer. *Cheri Ramthun*

Ninety Percent of Sports Related Eye Injuries are Preventable

(DM)—The American Academy of Ophthalmology has chosen Sports Eye Safety Month (April) to launch its campaign for mandatory eyewear for children participating in school-related or community-sponsored athletic events. The Academy recommends that young athletes wear shatterproof goggles, constructed of 3mm polycarbonate (20 times stronger than ordinary eyeglasses), that are fitted by an eye care professional. Sports-related eye injuries increased more than 100% in the last three years, moving from 41,000 to 100,000. Of those 100,000 injuries, 90% could have been prevented had the athlete been wearing protective eye wear.

Eye injuries are the leading cause of blindness in children, and sports are the major cause of eye injuries in school-age children, with up to 30% of the injuries occurring to children under the age of 16. Baseball claims the largest number of eye injuries (21%) for children aged 5-14, while basketball is responsible for 32% of the eye injuries in people aged 15-24. Overall, the sports most commonly associated with eye injuries and young adults are baseball, basketball, soccer, football and hockey.

Since Canada optioned the use of face masks during amateur hockey in 1976, the number of eye injuries fell from 287 to 90. Based on these numbers, Canada mandated that protective eyewear and headgear be worn in organized amateur hockey, which led to a 90% reduction in hockey-related eye injuries. Of those injured,

no one was wearing the approved protective eye wear. In 1980, U.S. baseball followed suit and mandated batters wear helmets as a means of eye protection. In 1994, Dixie baseball mandated the use of face shields for all players, and Little Leagues have since recommended the use of face masks for all their players.

Several cities across the United States, in particular Chicago and New Orleans, have begun the crusade for mandatory eye protection for their children participating in school-sponsored athletics. In light of the statistics, the American Academy of Ophthalmology strongly urges all athletes, and especially the parents of young athletes, to lobby for and support mandatory eye protection for young athletes in their towns.

The mission of the American Academy of Ophthalmology is to achieve accessible, appropriate and affordable eye care for the public by serving the educational and professional needs of the ophthalmologist.

414-626-2447

Karavan Trailers and Goeden Race to #1

Don Goeden, wife Kelly and son, Eric, pose for pictures after one of his six feature wins.

With the sponsorship of Karavan Trailers of Fox Lake and a full pit crew to work on the spring car #27g at the shop and at the track, race driver Don Goeden of Kewaskum has had his dream come true.

With only two race events to go on the International Racing Association's (IRA) schedule, Goeden has the #1 position in the point standings "sewed-up" to become the IRA Sprint Car Champion for 1999.

In January of this year, Don left Goeden's Auto Body to pursue his dream... to race spring cars as a full time "job." He wanted to travel to various tracks in different states and win the IRA championship.

Today, Karavan Motorsports, based in Slinger is on top of the sponsorship list in the IRA circuit. This division of the Karavan Trailers has been apart of the support network that keeps the IRA able to advertise events with large amounts of monies and contingencies.

On August 28th, Goeden scored his second 25 lap J&L Oil/United Expressline IRA feature win in front of a full house at the Wilmot Speedway. In the past, this third mile clay oval has been a real challenge for Don. It seemed like he couldn't even finish a race at that track.

This year, that has all changed and when the IRA Sprints came to the Kenosha County Fair Grounds, it was the Karavan Trailers #27g sprint car leading the pack and taking home the \$\$\$\$.

Goeden also chauffer's the #27g very well around the Shawano Speedway in Shawano. Earlier this year, he took a clean sweep in the IRA division, with posting quick time, winning the heat and taking the checkered flag for the main event. On Saturday, Sept. 11, Goeden put another feature win on his list of accom-

plishments.

Consistency is the key to success. Goeden continues to bring the #27g Karavan Trailers sprint car to a top five finish in qualifying and the main events. With Goeden's inherited skills behind the wheel, the knowledge of his brother and crew chief, David, on "set-ups," and the dedication of the crew, it's easy to see why Goeden is #1 for the year.

The IRA Sprint division has an itinerary with races in Michigan, Illinois and Wisconsin. The Karavan Motorsports "caravan" travels to Iowa, Indiana and Ohio. This year the plan for the Karavan Motorsports team is to continue to "go racing" after the IRA circuit has been completed on Sept. 25th at the Sheboygan County Fair Grounds in Plymouth.

The special event for that evening is the Frank Filskov Memorial main feature event which will be 27 laps and the winner will take home \$2,700 for the win. Frank Filskov died a few years ago as a result of a sprint car accident at Butler, Michigan.

Goeden said, "It would be great if we could win this one. Frank's number was 27F and I think it would look great to see the #27g in the winner's circle." Goeden won the last IRA feature at Plymouth in July of this year.

"Come and help us celebrate on Saturday, Sept. 25,

at the Sheboygan County Fair Grounds in Plymouth," said Goeden, referring to the IRA championship. "We had a fan appreciation night at the Beaver Dam Race Track last weekend. I always think of the fans and enjoy putting on a good show for them," he added.

As of this printing, Goeden holds a 200 point lead over Todd Daun. Kim Mock is third and Kurt Winker is fourth in the points. Scott Neitzel of Fox Lake is fifth in the point standings and past champion Joe Roe is currently in the ninth spot in the points.

Cross Country Team Compete At Mayville Invitational

The Kewaskum High School Cross Country team competed in the 12th Annual Mike Hurlbert Cross Country meet on Friday, September 10.

Ripon's girls team won the meet with 86 points. Pewaukee finished second with 103 points. The Kiel's boys team won with 76 points, 18 points ahead of the Ripon boys team.

The Kewaskum girls cross country team finished

Freshmen Beat Raiders, 21-6

The young Indians improved their record to 2-0 with a convincing win over visiting Kiel last Thursday.

After a scoreless first quarter, the Indians got on the board with a 30 yard touchdown run by Troy Koeferl. Travis Kempf then added the extra point to make the score 7-0. The touchdown was set up by the Indian defense which blocked a Kiel punt.

The defense kept up the pressure and managed to get the offense set up at the Kiel 38 yard line with about two minutes remaining in the second quarter. Quarterback Travis Kempf then went to work as he completed two passes to Matt Hartmann to set up the team at the two yard line. With only seven seconds left in the half, Koeferl scored his second touchdown as he followed Adam Gitter's block into the endzone. Kempf kicked his second extra point to make it 14-0 at the half.

After some good defense by both teams, the freshmen put together a sixty yard drive that was capped by a Koeferl ten yard run for a touchdown. Kempf added his third extra point of the game to make the score 21-0.

The score remained that way until late in the fourth quarter as Kiel finally found the endzone with about two minutes remaining. The two point conversion was stopped by the aggressive Indian defense. The offense then proceeded to run out the clock to make the final score, 21-6.

Koeferl led the Indian offense as he rushed for 184 yards on 14 carries. Matt Hartmann led the receivers with 47 yards on three catches. Turning in good games for the defense were Tony Haack, Mike Donath, Corey Darmody, and Kyle Rabuck.

The freshmen team opened the year by defeating New Holstein, 14-0. Scoring for Kewaskum in that game was Troy Koeferl on a one yard run and Matt Hartmann on a 40 yard pass from Travis Kempf.

13th out of 19 schools with 409 points. Colleen Gosa led the Indians by finishing 12th in a field of over 200, with an improved time of 17:35. Emily Rinzel was next, finishing 55th and dropped 40 seconds off her previous time by running the course in 18:22.

Heather Hackbarth finished 107th in 19:44, shaving 13 seconds off her previous best. Kelly Darmody finished 108th in 19:44+, after falling because of a crowded course. Michelle Zingsheim dropped over a minute off her time to finish 119th in 19:52. Lauren Schultz finished 169th, running the course in 21:35. Joyce Wagner took more than two minutes off her time to finish 190th in 23:00.

The Kewaskum boys cross country team finished 17th out of 20 schools with 518 points. Bryan Kraft's 47th finish led the Indians. Kraft continued to lower his time by taking three seconds off his previous best by running the course in 19:22.

Paul Mertz was next finishing 110th in a personal best time of 21:46, dropping seven seconds off. Koh Kawaji finished 112th in 21:52. Darrel Woebeking finished 120th in 22:07, knocking off almost three minutes from his season

best.

Scott Joers ran a personal best by finishing 129th in 22:42. Don Thexton ran one second faster for a personal best time of 24:26, finishing 137th. Brendon Weinhold finished 140th in 25:06.

J.P. Repovsch led the Kewaskum JV team by running his first race in 20:34, finishing 15th. Cory Wendegatz dropped two minutes off his time to finish 39th in 22:24. John Neumann finished 72nd in 24:45. Neumann knocked off a minute from his previous best.

Adam Woebeking finished 77th in 25:31. Woebeking ran a personal best by dropping five minutes and 30 seconds off his time. Darin O'Neil finished 81st, taking more than four minutes off his previous best by running the course in 27:08.

The Kewaskum Middle School Cross Country team was led by an excellent performance by Dustin Current. Current, an eighth grader at KMS won the mile and a half race in 13:15. Craig Johann finished 18th in 14:36. Collin Clapper was next, finishing 24th in 14:51. Dan Utecht finished 60th, by running the course in 17:20. John Carpenter finished 73rd in 18:44.

Lynn 11th at Midwest Collegiate CC Meet

By Jerry Gosa

Marni Lynn, former Kewaskum High School Cross Country and track standout, finished 11th at the prestigious Midwest Collegiate Invitational at the University of Wisconsin-Parkside on Saturday, Sept. 18.

Lynn, a junior at Carroll College in Waukesha, finished with a career best time of 18:41 in her very first race at the 5K distance this season. The Midwest Collegiate Invitational saw a field of almost 500 runners.

When interviewed after the race, Lynn stated that, "The first part of the course was really hilly. I ran conservatively because of what happened last year. I actually was around 25th at the beginning and towards the end just kept passing people. I'm really happy with the time. I was shooting for a top 25 finish."

Lynn has been working hard this cross country season. On Tuesday, the week before the race, they did a hill workout and then on Wednesday did mile repeats. Lynn ran times of 6:03 (six minutes and three seconds), 5:58 and 5:56 for each mile with only one minute rest in-between.

Calvin won the meet with a score of 83 points, followed by UW-Parkside with 120 and UW-LaCrosse with 128 points. No team score was available for Carroll College at press time.

THURSDAY NIGHT MIXED LEAGUE Lighthouse Lanes Sept. 16, 1999

Inter Plan, 14-7; Ruppies Small Engine, 14-7; Bestech Tool Corp., 12-9; Schmidt Funeral Home, 12-9; Paradise Garden, 10-11; Reindl Repair, 10-11; Toms Pro Shop, 10-11; Teskers, 9-12; Lighthouse, 8-13; Mosers Dozers, 6-15.

Tony Perez, 213 (601); Barry Zimdars, 220; Don Buckman, 211; Jerry Klumb, 201.

Indians Volleyball Team Squash Cougar Rivals

The Kewaskum girls volleyball team traveled to Campbellsport last Tuesday and played an outstanding game, defeating Campbellsport, 4-0.

The Indians won all three matches, 15-1, 15-7 and 18-16.

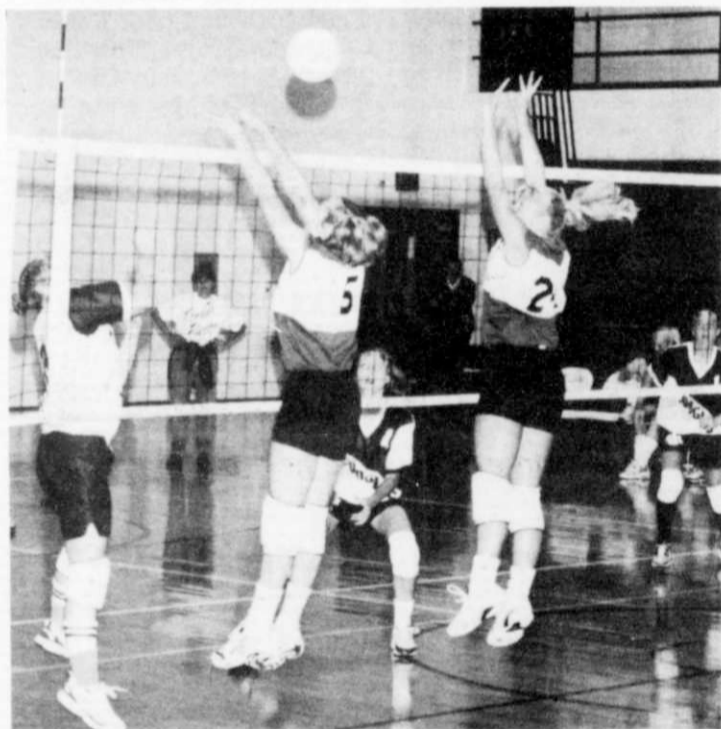

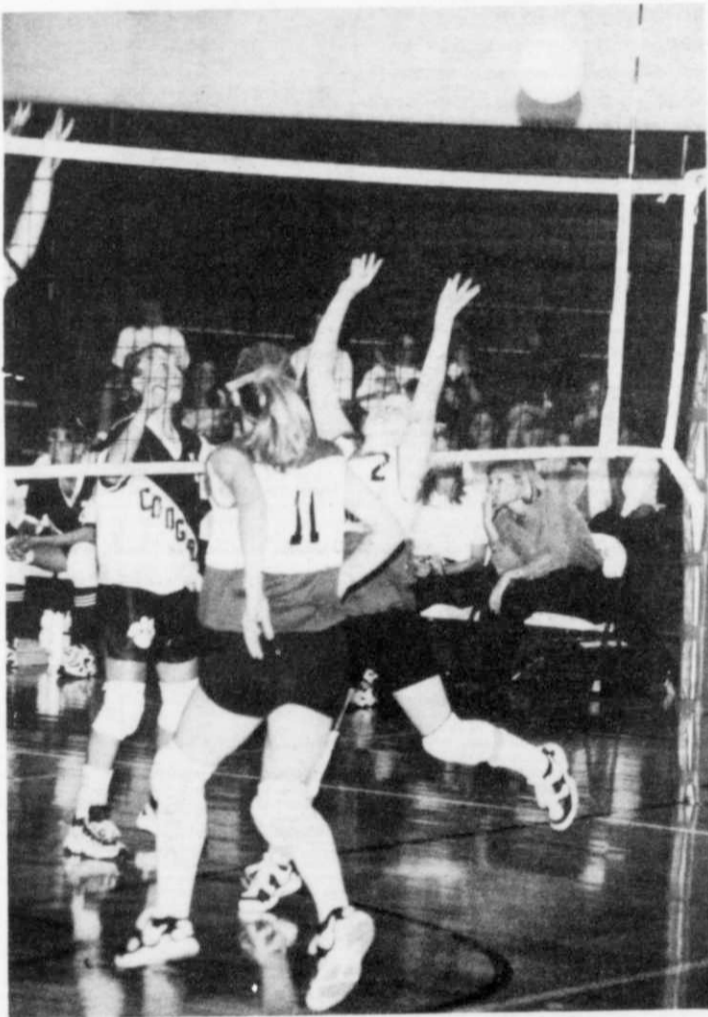

Junior, Sarah Williams, played fantastic, scoring nine points for the Indians. She also led the team in saves with three saves.

Senior, Laura Schwinn, also had a fabulous game and held the title of assist leader with 16 assists.

Senior, Lauren Steinhardt and Junior, Lynn Wiesner were outstanding at the net, giving the Indians three blocks each for the evening.

The ladies are sitting pretty at the top of the conference with no losses for the eight games they have played so far.

The girls travel to Manitowoc to challenge Roncalli Tuesday.

Indians Defeat Kiel and Remain Undefeated

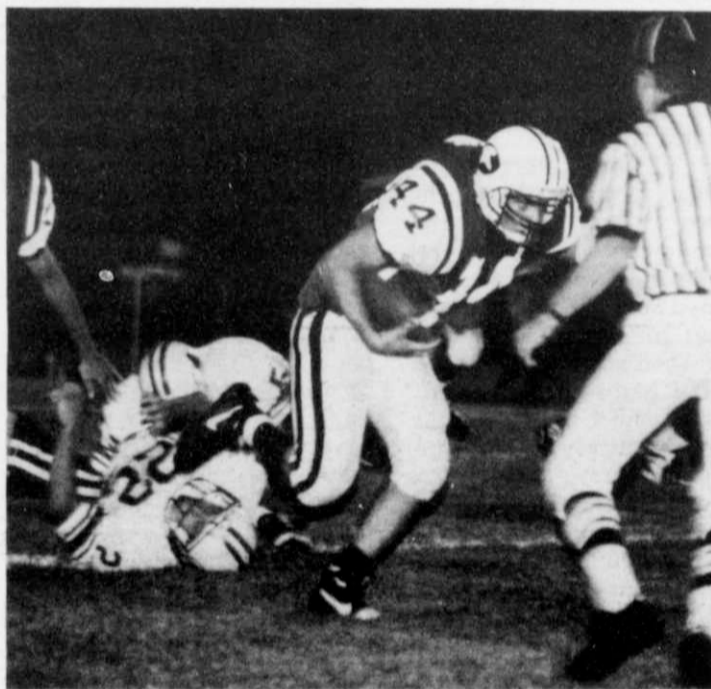

Kewaskum High School football head coach Perry Koth discusses strategy with members of his undefeated Indians. The Indians romped over conference rival, Kiel, and won by a score of 28-7.

Quarterback Chris Koth, #12, wards off Kiel defender Joe Huber, as Koth racks up yardage. Koth had a spectacular night as he threw two touchdown passes, ran in for a touchdown himself, returned and scored another TD following his interception. And, if he wasn't busy enough, kicked all four of the Indians extra points.

Assistant football coach Rick Schlehn explains the next play to team members.

Mike Farchione, #44, escapes two would-be Kiel tacklers and heads downfield. Farchione accrued 36 yards on eight carries.

The Indians Jason Strobel, #5, prepares to meet up with Kiel defender Joe Huber, #20.

The Indians Chris Canter, #20, gets snagged up on an ankle tackle from a Kiel defensive player.

Indians Remain Undefeated As They Romp Over Kiel, 28-7

The Kewaskum Indians played their first home conference game last Friday in front of a Parents Night crowd against the 1-2 Kiel Raiders, hoping to keep their perfect 3-0 season going.

The first half was not what the Indians expected, however, as both teams left the field at halftime tied at 7-7. The Indians did manage to win, 28-7, thanks to a 21 point explosion in a three minute span of the fourth quarter.

The win keeps Kewaskum perfect at 4-0 and their 2-0 record in conference keeps them in first place tied with Sheboygan Falls and Plymouth, who also won big on Friday.

The Indians offense looked like it was going to put up some big numbers again as they took the opening kickoff and moved it 55 yards in seven plays to the Raider five yard line, where Kewaskum lost the ball on downs after an option play on fourth and goal was stopped short.

Head Coach Perry Koth decided to go for the touchdown when he was informed that the ball was inside the two yard line. It turned out that the ball was closer to the five yard line than the two.

"If I had known the ball was on the five, we would have definitely kicked the three-pointer," said Koth about the decision. The goal line stand seemed to inspire the Raiders as they moved the ball out to the 40 yard line via short slant passes. Then when two Indian defenders missed Joe Huber on a quick slant pass, he was off to the races for the first score of the game which covered 60 yards.

"We had our cornerback fall off of Huber and then our free safety simply missed him... it should have been a 12 yard completion at best," commented Koth about the long TD run that put Kiel ahead by seven.

After a 19 yard kickoff return to the 30 yard line by Jason Strobel, the Kewaskum offense moved the ball down the field in five plays to the Raider 34 yard line. The drive was aided by a personal foul (roughing the passer) penalty against the Raiders.

Then on second and short

yardage, senior quarterback Chris Koth connected on a 34 yard pass play to senior tight end Adam Beck for an Indian score. Koth's kick made it 7-7 at the end of the quarter. The Indians scoring drive took less than two minutes and it looked like the offense was in high gear again for this game. The quarter ended at 7-7 but the Indian defense was shutting down the Raider running game completely so it looked good for the Indians as they started the second quarter.

In the second quarter, it looked like a different Indian offense had taken the field. While they still were able to move the ball, penalties, dropped passes and fumbles prevented Kewaskum from reaching the endzone.

"I was very disappointed in our concentration level in the second quarter. We simply stopped ourselves every time we had the football," remarked Koth about the lack of scoring by the Indians in the quarter. "That combined with terrible tackling in the first half kept Kiel in the game," added Koth.

A big play in the first half occurred in the second quarter when Kiel quarterback Tony Gries went back to pass from their own 30 yard line. With all the receivers covered, Gries started scrambling and at least five Indian defenders missed Gries along the way as he took off down the field and appeared headed for the endzone.

Jason Strobel had a different idea as he ran Gries down from behind and stripped the ball from his grasp. Junior Bob Ogi, who was trailing the play pounced on the fumble and the Indians had the ball back on the 23 yard line. The play covered 57 yards and could have put the Indians in a real tough position had Strobel not made the great effort and been heads up enough to strip the ball.

The third quarter saw the Indians regain the high level of play they have shown all year as they

scored three touchdowns in a three minute span to put the game away. After the Indian defense stuffed the Raiders on their first possession of the third quarter.

The offense took over and once again showed it could move the ball. It started with a 30 yard scoring pass from Koth to Strobel with 8:34 left in the quarter. A Koth kick made it 14-7. Then after the defense onced again stopped the Raiders, it was Koth running it in from the 15 with 5:33 left. Koth's kick made it 21-7, Indians.

On Kiel's very next play, Koth intercepted a pass at the 27 and ran it in for another Indian touchdown. His kick made it 28-7, with 5:26 left in the quarter. Koth was involved in every Indian score as he threw two touchdown passes, ran for a touchdown, returned an interception for a touchdown and kicked all four extra points.

"Chris had quite a night from a scoring standpoint," said Koth about one of his sons playing on the team this year. The rest of the game saw neither team threaten as the Indians ate up a lot of the clock with its rushing game.

The game may have been costly, however, as three year starting lineman Nick Martin hurt his knee and may not be back for Friday's game against top ranked Sheboygan Falls. Also, the explosive sophomore Chris Canter sprained an ankle and seniors Mike Farchione and Jason Gruber suffered upper torso injuries.

According to Koth, all will be questionable for the Falls game. Canter sprained his ankle on the first play of the game, Martin left the game in the third quarter, Gruber left in the fourth quarter, while Farchione's injury occurred in the second quarter, but he was able to play sparingly for the remainder of the game.

The Indian defense bent a few times but only broke once as it held the Raiders to just eight first downs and 118 yards rushing on 30 attempts. Leading the

Indians in tackles were Bob Ogi and Aaron Seiser, while Koth credited Dan Uniewski, Dave Lettow, Mike Farchione and Dave Rabuck with doing a great job of controlling the line of scrimmage.

Offensively the Indians rolled up 312 total yards of offense. Dave Lettow led the Indians with 59 yards in 12 carries, while Strobel had 56 on 11 carries, Koth 46 and Mike Farchione 36 on eight carries each. Koth completed six passes on 12 attempts for 100 yards, threw two touchdowns and had a Hail Mary pass intercepted as time ran out in the half.

The Indians have now outscored their opponents by a score of 174 to 20 this season. The entire football program at the high school is experiencing success like it hasn't seen in over two decades, as both the freshmen and JV teams are also undefeated for the season.

The Indians begin a crucial three game series against the conference favorites over the next three weeks. Starting on Friday, the Indians travel to Sheboygan Falls to take on the number two ranked team (middle sized schools) in southeastern Wisconsin.

The undefeated Falcons soundly defeated another conference favorite, Manitowoc Roncalli last week, 47-14. Then its back home, October 1, to take on fourth

ranked Campbellsport, followed by Manitowoc Roncalli October 8 for Homecoming.

"These are the three top teams in the conference. We will know a lot more about how good our team really is after this stretch," said Koth about the tough road ahead. "We would like the same type of fan support we saw last Friday for the next three games, it really does make a difference to the players," added Koth. Game time at Sheboygan Falls is 7 p.m.
