## Paul Becht Puckers for Pig

Paul Becht of Kewaskum, was tne tucky winner of the Kiss the Pig contest at the finals held at Kettle Kountry Kolors last Sunday. Our friend "Piggy" must have been pretty nervous (not to mention, just a little smelly) as he tried to escape the longing lips of Paul. (See additional pictures on Page 5). After finally cornering our little runaway friend (the pig, not Paul) and many trials and tribulations, Paul eventually got to plant a sloppy, wet kiss on Piggy (or was that vice-versa?) He (Paul, not Piggy) was such a good sport, he even volunteered to kiss the pig a second time so his wife and the Statesman reporter could get a good shot of the "Kiss That Went Down in Infamy." I don't know, but it seems to me, Paul just enjoyed this way too much! But we surprised Paul by informing him that he got to keep the pig! Paul's daughter was thrilled and she has already named Piggy "Babe" and told this reporter that she fully intended to give "Babe" a good home and make sure he was always happy. Out of the mouths of "babes!" And rest assured, Kewaskum, our new friend Piggy seems to be real happy and well adjusted in his new home. Our thanks to Paul and his family for being such good sports and for all the money they raised for Kettle Kountry Kolors!

Leeann Becht Photo

## **KHS Homecoming** King and Queen

Scott Willkomm and Laura Schwinn were chosen to reign as King and Queen of the 1999 Homecoming (More photos on Page 7)

## Yogerst to Display Artistic Talents

This Sunday, October 17, from 9:15 to 10:15 a.m., Becky Yogerst, 22, a graduate of Kewaskum High School, will be displaying some of her sculptures, photographs, paintings and drawings in the St. Lucas School gym.

Becky is the winner of the Ann Hardy and Fritz Gerlach Scholarship awards, as well as the recipient of Best of Show for two

years at Carroll College.

Becky was also named as one of the top artists at Carroll College. You may remember the article that the Kewaskum Statesman wrote on this talented young woman last May.

She is currently teaching art education at Brown Deer High School. The general public is invited to view her work. There is no cover charge.

## School Board Hears Landscaping **Plan From KMS Students**

By Andrew R. Kuehl Staff Writer/Photographer

The Kewaskum Board of Education met Monday evening with their new agenda format.

Jon Downs made a motion to approve accounts payable payroll expenditures in the amount of \$1,151,089.30.

KMS instructors, Lynn Molenda and JoAnne Curry introduced to the board a landscaping project known as "Cultivating the Future."

The purpose of this project is to develop a natural setting in front of Kewaskum Middle School, using native grasses and plantings. The project will involve school personnel, students, and community mem-

The early stages of this project involves people from the community working together with the students preparing the setting and obtaining the plants for planting. After the initial layout and planting is completed, there will be yearly maintenance, such as early spring plantings and late fall preparations for the dormant season. Between these times there will be the needed upkeep of weeding, watering, and general care.

Long term plans are for expanding the natural setting to the back of the school along the Milwaukee River. These plans will include nature trails for hiking interspersed with signs identifying trees and shrubs.

Cross curriculum involvement will include a number of areas such as: Mathematics for planning and layout; art for designing the layout; English for journal writing, record keeping, publicity and fundraising; Science for studying animal habitat and technology education for building and maintaining benches and bird houses. The two were accompanied by KMS students, Levi Spaeth, Michelle Wenninger and Amanda Breit.

"I think it's an excellent idea" stated Board President Larry Fechter. Board member Andy Degnitz also showed much interest saying, "I'm impressed, I never would have thought up anything like this when I was their age." More information will be reported on this project in future editions of The Statesman.

KHS senior, Jeff Taylor gave the board updates in the high school which included homecoming and the blood drive held at the high school.

The referendum information committee spoke and was very positive on the outcome of the referendum

The Principals gave their reports.

KES and WES principal, Keith Kriewaldt announced that the field trip to the

Buckskinner Camp at Kettle Kountry Kolors went very well and was very informative.

KHS principal, Bob Ganka reported that the KEYS walk/run went very well with 1013 runners. He also gave his version of the homecoming report given earlier where he expressed his extreme displeasure in the toilet papering at the school that has been a tradition for many years. Vice President Jean Goeden stated she saw no problem with it and that it was something that has been a tradition. "I would rather see this then destruction of school property." said Goeden. Ganka reiterated "Then they can come to your house Jean Goeden."

FES principal Jim Botting

gave his report also.

The following extra curricular appointments were made: Rick Robinson, Asst. track coach; Jason Pittmann, Asst. basketball coach; Mike N Asst soccer coach; Debra Ison, Key Club Advisor and Mary Forstner, Asst. musical director/choreographer.

One instructional position was approved for Tom Haebig who will replace Deb Hubbard. She taught grades three through eight the past 22 years. Haebig will be a limited term

# Challenge Met as New Defibrillators Arrive for Ambulances

The New Fane Sportsman Club was a major contributor towards the purchase of the new defibrillators shown here with Steve Volm, center, representative of the New Fane Sportsman Club, Kewaskum Fire Department Chief Mark Groeschel, left; Kewaskum Fire Department Rescue Lieutenant Sandy Hahn; Kewaskum Fire Department Rescue Captain Donna Zimmel and Kewaskum Fire Department Assistant Chief Mark Herriges.

Kewaskum Fire Department officers and defibrillator contributors recently met to view the new units. From left, KFD Rescue Lieutenant Sandy Hahn; Pat Schmitt representing the Roger Schmitt family; KFD Rescue Captain Donna Zimmel; Quin Mueller, representing the New Fane Kettle Riders Snowmobile Club; Mike Petri and son, representing Kettle Moraine Sport Riders; Elmer and Betty Hallen, in front, for their individual donation and Betty was also representing the American Legion Auxiliary; Barney Prost, center, representing the Modern Woodmen Insurance; Steve Volm, representing the New Fane Sportsman Club; Wendy Dorn, Janet Koch and Melissa Sandvig family members of the late Harry Koch; Tim Miller representing West Bend Savings Bank; KFD Assistant Fire Chief Mark Herriges and KFD Chief Mark Groeschel. Missing from the photo are representatives from St. Francis Bank amd Kewaskum Kitchette Homemakers.

Donna Zimmel, KFD Rescue Captain, explains how the defibrillators work with the assistance of Jesse Korth.

By Louise Martin

Thanks to the monetary generosity of several organizations and individuals, the Kewaskum Fire Department has purchased two Physio Control Life Pack 12 defibrillators for use in their two ambulances.

The New Fane Sportsman Club was the driving force behind these life-saving purchases. In May, the club notified Kewaskum Fire Department officers of their intent to purchase one defibrillator. The club then proposed a challenge to other organizations and/or individuals to provide funds to purchase an additional unit for the second ambulance.

In addition to the Sportsman's Club, funds were donated by Modern Woodmen Insurance, Elmer and Betty Hallen, American Legion Auxiliary, memorial funds from the family and friends of Harry Koch, Roger and Kathy Schmitt in memory of John Schmitt,

New Fane Kettle Riders Snowmobile Club, Kewaskum Kitchenette Homemakers, St. Francis Bank, Kettle Moraine Sport Riders, West Bend Savings Bank and a generous anonymous donation.

During the recent Fire Prevention Week, the donors and the public were invited to an open house where the new defibrillator units were on display. A demonstration and an explanation of their use was given. Department members certified for defibrillation operation will soon be trained on the new unit and the units will then be placed in operation.

The Kewaskum Fire Department sincerely thanks all the organizations and individuals who contributed towards the purchase of these vital machines. If even just one patient survives a cardiac arrest because of defibrillation, the units will be well worth the money and effort invested.

## County Experiencing Low Blood Collections

Milwaukee, WI (Special)
-- The Blood Center is currently experiencing low post-holiday blood collections in Washington County and urges area residents to donate blood at The Blood Centers West Bend donor facility, 130 Valley Ave. The facilities hours are: Monday - Wednesday: 11:30 a.m. - 7:00 p.m.; Thursday: 10:00 a.m. - 5:30 p.m.; Friday: 8:30 a.m. - 4:00 p.m.; Alternate Saturdays: 7 a.m. - 11 p.m.

"Although we do not regard this as an emergency situation, but we are being cautious because our collection totals in Washington County are not where we would like them to be at the

moment," said Blood Center Donor Recruiting Manager Lisa Entrikin. "Washington County residents have consistently been very good donors so we consider this low total very unusual for the area. However, we prefer to be proactive in these situations rather than wait until we have an emergency situation."

To donate blood you must be at least 17 years of age, weigh at least 110 pounds, be free of major cold, flu or allergy symptoms, not have had hepatitis and have not had any risk factors or risk behaviors associated with AIDS. To schedule an appointment call 1-877-BE A HERO.

## Eagle Scout Honor Awarded to Aaron Tobin

Sharing in the celebration of Aaron's Eagle Scout status are, left to right: John Theisen, Tom Tobin, Aaron, Jim Uelman and John Kletti

Tom, Aaron and Cindy Tobin

Aaron Tobin, son of Tom and Cindy Tobin of Kohlsville, was awarded the Boy Scouts highest honor of Eagle Scout on Sunday, September 26, 1999.

Aaron, of Kewaskum Boy Scout Troop 744 and a senior at Kewaskum High School, has been involved in scouting from an early age as a Tiger Cub and progressed through Cub Scouts and finally Boy Scouts.

He has had many wonderful experiences and has enjoyed the leadership of the parents involved in the Boy Scouting community. He has attended nearly all of the Scout outings, including two trips to the White

Otter Wilderness area in Canada. Scouting has helped to create some of Aaron's fondest memories.

Aaron's Eagle service project was the rebuilding of the footbridge over the spillway at the pond in the Kohlsville Park. A picnic table for the park was also constructed.

A special thank you to all involved in his service project, including Jakes Auto Service and Precision Saw, both of the Allenton area, and Campbellsport Building Supply, who provided various donations.

Congratulationa Aaron.

## John 'Spike' Schmitt Memorial Ride Raises \$10,000 for Wisconsin COPS

Denise Tape, President of Wisconsin COPS, second from right, receives a \$10,000 check from Mike Geldreich, one of the organizers of the John "Spike" Schmitt Memorial Ride. Also pictured are fellow organizer Tony Sabo, far left, and Schmitt's wife, Carla. The presentation took place at Bob's Harley Davidson of Fond du Lac, this year's sponsor of the ride. Missing from the photo are Bob Martin and Steve Werner, who also organized the event.

while making a routine traf-

held in his honor on September 25, with pro-

ceeds benefitting the Man-

A memorial ride was

The newly chartered Wisconsin affiliate of COPS (Concerns of Police Survivors) got a financial boost when its president, Denise Tape, was presented with a check for \$10,000, the proceeds from the John "Spike" Schmitt Memorial Ride, held on June 26.

COPS is a national nonprofit organization that provides programs and support services to families, coworkers and agencies of law enforcement officers who have died in the line of duty. It also helps law enforcement agencies prepare for the trauma of lineof-duty death.

The Wisconsin Chapter officially formed in May 1999, when it received its charter at National Police Week in Washington D.C.

The first annual ride and fest was held to remember and honor Washington County Deputy John Schmitt who died in a car accident on September 7, 1998, while responding to a call for assistance from a Kewaskum officer.

Deputy Schmitt was an eight-year veteran of the Washington County Sheriff's Department and a lifelong resident of Kewaskum. More then 800 people participated in this year's event. Next year's ride will be held on Saturday, June 17, 2000.

Wisconsin COPS also received a \$3,000 donation on behalf of Manitowoc Police Officer Dale Ten Haken. Sixteen days after Deputy Schmitt's death, on September 23, 1998, Officer TenHaken was murdered

itowoc Police Department and Wisconsin COPS.

Fortunately, Schmitt and TenHaken's deaths. Wisconsin has not lost an officer in the line of duty. However, these generous donations ensure that when the time comes, Wisconsin COPS will be there for the families, coworkers and agencies.

A special thank you to all of the participants in this year's ride and fest who made this contribution possible. We look forward to seeing you again next year!

# Kiss That Pig... That Is, If You Can Catch Him!

Shown above, all dressed up in their new Kiss the Pig T-shirts, are the five finalists who were in contention to pucker up. If you take a close look they all seem in a pretty good mood, except for Paul Becht, who seems just a tad apprehensive. Wonder why? Left to right: Candi Heberer, fourth runnerup; Roy Garbisch, second runnerup who had to change his entire menu this week and take off all the pork entrees; Kiss the Pig winner, Paul Becht; Bob Bonenfant, second runnerup who even brought along his own anti-bacterial lipstick (just in case), and Jeanne Amerling, third runnerup. And the little guy in front, (the one in the cage) is our new friend Piggy. Funny... he was the one that looked the most scared! Now that it's all over, have you figured out if we want to have some type of kissing contest again next year? Bob Bonenfant and I both agree, a Kiss the Donkey contest would be perfect... but is Kewaskum ready for that? Much gratitude goes out to the five finalists who were such good sports and so supportive of the contest and Kettle Kountry Kolors. The above five finalists alone raised \$1,369 for next year's Kettle Kountry Kolors. Thanks so much finalists and, of course, all this year's contestants!

Watch next week's issue for more Kettle Kountry photos, winners and thank yous!

## National Veterinary Technician Week

The North American Veterinary Technician Association, Inc (NAVTA), has proclaimed October 10-16, 1999, as National Veterinary Technician Week. The event is celebrated annually to recognize veterinary technicians nationwide for their contributions as members of the veterinary health care team.

National Veterinary Technician Week provides veterinary technicians the opportunity to promote their profession to the public and colleagues. This year's theme, "Veterinary Technicians-Dedicated to Quality Animal health care."

Veterinary technicians work closely with veterinarians and other members of the veterinary team, to deliver quality animal health care. Primary responsibilities in a veterinary practice involve animal nursing, administering medications, assisting in surgery, taking radiographs, inducing and

The North American monitoring of anesthesia, hospital management, and laboratory duties. Veterinary technicians are also employed in biomedical research, military, sales, industry and education.

NAVTA is a nonprofit organization that represents and promotes the profession of Veterinary Technology. NAVTA provides direction, education, support, and coordination for its members and works with other allied professional organizations devoted exclusively to developing and enhancing the profession of veterinary technology.

If you would like to learn more about NAVTA or the Veterinary Technology profession, contact: NAVTA, P.O. Box 224, Battle Ground, IN, 47920, or visit our web site at www.avma.org/navta or the Wisconsin Veterinary Technician Association contact Jenny Feider at 1323 Roseland Dr., Kewaskum WI 53040 (262) 626-8358.

#### WCRE to Hold Meeting Oct. 19

Washington County Retired Educators will meet on October 19, 1999 at 9:30 a.m. at Emmanuel Church, Fifth and Walnut, West Bend.

Senator Mary Panzer and Representatives Glenn Grothman and Michael Lehman will present an update on what is happening in Madison regarding education issues, elderly issues, and retirement issues. Friends are invited.

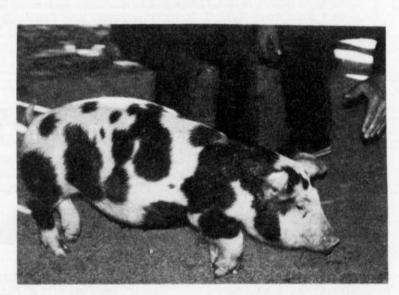

Contact Hazel O'Meara at 629-9239, for information about reservations.

The world's longest tunnel is Seikan in Japan. Completed in 1985, it spans 33.49 miles.

SO HOW ARE WE GONNA GET HIM OUT OF THERE? Kettle Kountry Kolors Co-Chairman Scott Timm, left, and Kewaskum Chamber President Kevin Stautz, both certifiable city boys, hesitate in front of the pig's cage, trying to figure out the proper procedure of how to get a large pig out of a small cage. Next time, we gotta have a game plan guys!

OK MAN... I'M OUTTA HERE... FREE AT LAST, I'M FREE AT LAST! Not too familiar with the ways of pigs, somehow our little friend piggy managed to escape from Scott and Kevin. Gotta be just a tad quicker, guys! I thought for sure the pig was gone. Just seeing Scott and Kevin chase the darn pig was worth the price of the admission alone! Talk about a Kodak moment! But thanks to an anonymous, friendly person who DID know how to handle a pig, "Babe's" freedom was short-lived! As far as Scott and Kevin ever being able to live this down... I don't think so! Much gratitude to our helpers and of course, to West Bend Elevator for donating such a free-spirited pig!

## EDUCATION... It's Everyone's Business

By Wayne P. Graczyk Kewaskum Superintendent Of Schools

Thank you for being avid readers, and interested voters! The questions keep coming to either a Referendum Information Committee member, or myself, so keep it up. I think it is wonderful that people show enough interest to ask questions... to take a stand. I do not know if I have changed anyone's opinion, but feel good that residents are at least taking the time to call, to visit, to ask questions. I have the satisfaction that they will be casting a vote based upon correct information rather than emotion, or worse yet, hearsay.

I know personally and professionally that the elementary children, the community, and the parents need this referendum to be approved. However, I am but one. The people are the only ones that can cast votes. In this article Mr. Kriewaldt will address the elementary side of the referendum and I will close briefly with some information regarding the proposed administration building.

I asked Mr. Kriewaldt. Director of Elementary Education for the School District of Kewaskum, to share just a little about the elementary schools. His description of life in the elementary buildings touches on some of the needs that our elementary referendum is attempting to address. Is the elementary referendum needed? Do we need a new elementary school? Do we really need to remodel and add on to the buildings in Wayne and Farmington?

Answering these questions isn't too different than asking yourself if you need a new or different car, a new washer and dryer, a new dishwasher, or a new or remodeled home. The best person to answer the question usually is the person or persons living in the

home that has the need. It also requires knowledge of the condition of the item being replaced or remodeled. Unless you spend a lot of time in the elementary schools when children are present, or have visited them at other times, it is hard to judge. I believe that Mr. Kriewaldt does a nice job of letting the reader see" the inside of the three elementary buildings in this short description. Here is what he wrote:

"It is interesting to think and reflect on all the wonderful things we have in the elementary schools. Yet sometimes they may not be the best for learning. Children being able to go to music, gym and art classes are a high point of the day for most of the students. At Farmington Elementary School (FES) the art and music room are one.

Music is taught in the morning and art in the afternoon. This creates a problem for three of the classes that must have art in their classrooms since music classes are still using the room. Also, the custodian must spend about 30 minutes every day transitioning the room from art to music. Wayne Elementary School (WES) also shares a room for art and music. It is not as much of a problem since there are only half as many students classes as FES. However, children at WES must go outside to get to their classes, regardless if it's raining, sunny, snowing, 70 degrees, or -5 degrees. Our children must go outside to attend art class or music class six times a

Of course, some forget to use the restroom and must make additional trips. At Kewaskum Elementary School (KES) all the children climb three stories to attend art and music. One year we needed to hold art and music in the cafeteria because we could not get a child's wheelchair up the stairs. Also there are no bathrooms on the third

floor

The books in the elementary libraries have been growing through PTO donations and book fairs. Yet at each school over the last three years, the library space has shrunk. This year for example, WES lost 1/3 of its library space to a special education classroom. FES had to move its library to a hallway to make room for an additional classroom.

Every year, each elementary school puts on a wonderful Christmas and spring music program. Grandparents, parents, aunts and uncles turn out by the hundreds to see their child perform. In some cases, people do not stay for the performance because there isn't enough seating or parking at the schools. The current gym space does not address our needs to hold large meetings or performances. Local community groups have used our facilities and express concern about the size. We have had to deny use by some groups because the space could not handle the size of the group.

A good number of community residents and parents are very enthusiastic to become involved in our elementary schools. However, limited parking at all of the schools has restricted some volunteer involvement. This lack of parking has been a real headache for the parents and students at KES in particular.

The congestion at the end of the day is an accident waiting to happen. This congestion hopefully will be almost entirely eliminated with the proposed new KES

elementary building with a substantial increase in parking and a much safer traffic flow for parents dropping off and picking up their children.

Yes, the elementary schools have so many positive things going for them, but so many obstacles to overcome in their current

My thanks to Mr. Kriewaldt for sharing this with us. I would like to encourage school district residents to look for and read the informational flyers that are located in various stores and businesses around the district. If the display box is empty, please call the district office at 626-8427 and a copy will be mailed to you.

The building of a new administration building is the topic of this week's informational flyer. However, I would like to address one point that is being questioned. Do we need such a large building? Actually about 1500 square feet of the proposed administration building will be a district meeting room.

This meeting room would handle such functions as school board meetings, administrative and board committee meetings, teacher training, staff development programs and community group activities. The remaining 2500 square feet would be office space for six staff members, a work space plus storage for all district records, etc.

It also would house the offices of the Superintendent, Business Manager (Paul Reichert), Administrative Assistant (Jeanne Jacak), District Bookkeeper (Deb Schubert), Payroll Secretary (Karen Staehler), and District Receptionist

(Debbie Goodsell). A district with almost 2000 students with about 400 staff housed in five separate buildings requires adequate administrative and workspace to meet the needs of the district.

The current facility on School Street is actually two modular buildings joined together, originally installed as a "temporary' kindergarten building back in 1969. As I have travelled to the various Town Halls, Fire Stations, Village Hall, etc., to make presentations, my dream is that the school district might someday have an administration facility and meeting room that we can be proud of, as proud as the communities are of

If you belong to a local club or organization, make it a point to attend your October meeting since the Referendum Information Committee is trying to get on every agenda to present information every voter needs to have to cast an informed vote. I hope you will stop in at the schools and the administration building to see the referendum posters the new elementary school and remodeling at both Wayne and Farmington. There will be a sketch of the proposed administration building as well. Ask for a guided tour.

I ask everyone to look for the information flyer boxes. There are 12 locations in the district. Read and be an informed voter. Future flyers and articles such as this one will address topics like the new administration building and the mandate given to the school board in the April 6 advisory referendum. Watch for them!

## Area Food Banks to Benefit from Boy Scouts' Annual October Appeal

October... more than 12,000 youth will mobilize for two weekends in October to help feed the hungry in the northeastern Wisconsin area.

Organized by the Bay-Lakes Council, Boy Scouts of America, the 1999 "Scouting for Food Good Turn," will involve Cub Scouts, Boy Scouts, Venturers, and their leaders from a 22 county area in an enormous effort to collect 1,000,000 cans of food. The local appeal is part of a national "Good Turn" being conducted by the Boy Scouts of America, which will seek to ease the food problem for the more than 20 million Americans who go hungry at some time each month.

The Bay Lakes Council effort, now in its 11th year, has netted 8.7 million cans of food which have been distributed locally through food banks in each community. The local "Good Turn" has been extremely successful, the root causes of hunger have not gone away, nor has the food pantry's need been fully met, so the Scouts will undertake their 10th Scouting for Food this October.

The Scout's "Good Turn" is directed locally by Ralph Stayers, Chief Executive Officer of Johnsonville Foods, Kohler. Scouts will

distribute bags to individual homes in neighborhoods throughout 280 communities, on Saturday, October 16th. The following Saturday, October 23, they will return to pick up bags filled with food between the hours of 8 and 11 a.m. They will then gather and box the food at selected areas where it will be transported to the local food banks. Individuals not receiving food bags may pick them up at their local Scout Service Center. If your bag is not picked up on the 23rd, contact your local food pantry, Salvation Army or Red Cross to drop Honorary Chairman, Chuck Ramsay, Co-Anchor of WBAY TV News, calls it, one of the most remarkable statements of Scouting spirit we can make, and one of the most worthwhile efforts we can offer our community. Hunger is a problem we can address, and our neighbors facing the pain of hunger are people we can help directly.

What you don't know doesn't hurt you; it's what you suspect that causes all the trouble.

## THINK OF US AS PERSONAL TRAINERS (FOR YOUR HOUSE)

Before spending the time and money on your next home improvement project, make sure your house spends some time with a personal fitness trainer a HouseWorks™ contractor. By using the simple, low-cost HouseWorks inspection, your house can be more comfortable, more energy efficient, and safer.

A HouseWorks contractor has been trained to treat your house as a whole system. They know how air flow downstairs affects comfort upstairs, how heating and cooling systems affect drafts, and where drafts are best stopped.

A thorough home inspection conducted your house in these four main home improvement areas:

- heating & cooling projects
- remodeling: additions, renovations, general projects, and installing or adding insulation
- a general home efficiency check-up
- problems that are symptoms of poor air flow: high energy bills, drafts, hot and/or cold rooms, hard-to-heat areas, exterior ice build-up, fog or condensation on windows

The basic HouseWorks inspection by a HouseWorks contractor will benefit includes: a blower door test to measure the amount and location of air leaking into or out of your home; an insulation test; a carbon monoxide test; a gas-fired equipment test; and a chimney draft test. Other energy-saving services are also available.

Ready to get fit? Call a HouseWorks contractor listed below. For more information call Wisconsin Energy Conservation Corporation at 888-543-8155.

## **Obituaries**

#### LESTER O. SONNENBERG

Lester O. Sonnenberg of Kewaskum, died Thursday, October 7, 1999 at his residence at the age of 93.

He was born December 9, 1905 in Athens, to the late August and Frieda (nee Beyer) Sonnenberg, and at an early age, the family moved to West Bend where Les was employed as a mason until retiring in 1978

On December 9, 1978, he married Virginia (nee Serwe) Roehrdanz in Kewaskum.

Les was an avid fastpitch softball pitcher for many years, a lover of the outdoors doing much fishing and hunting and not missing a deer hunting season since he was 13 years old.

He was also an accomplished horseshoe player and pool player, winning many trophies and awards.

Survivors include his wife; two children, Nancy (Duane) Simon of West Bend and Barbara (Allen) Peters of Reedsville; four stepchildren, Cheryl (Carl) Klemme of Kewaskum, Janet Riedel of Fond du Lac, Deb (Syl) Schoofs of Green Bay and Lee Roehrdanz of Portland, Oregon; a son-in-law, Gerald Haessley of Spooner; 15 grandchildren; 10 step-grandchildren; 23 great-grandchildren; two step-great-grandchildren; three great-greatgrandchildren; a sister, Audrey Krueger of Milwaukee; a sister-in-law, Violet Sonnenberg of Tomahawk; other relatives and friends.

Preceding him in death were a daughter, Janice Haessley on March 27, 1995, and nine brothers and

sisters.

Private family graveside services were held Tuesday, October 12, at Washington County Memorial Park, West Bend.

The Schmidt Funeral Home, West Bend, served the family.

#### WILLIAM "WALLY" SENDREWICZ

William "Wally" Sendrewicz, age 83, of the Town of Wayne, passed away on Sunday, October 10, 1999 at Hope Health and Rehabilitation Center in Lomira.

He was born on December 19, 1915, in Kenosha, the son of the late Joseph and Josa (Selecka) Sendrewicz.

Mr. Sendrewicz was a member of Holy Trinity Catholic Church in Kewaskum. He loved polka music and is survived by special friends, Harold and Lilly Westerman of the Town of Wayne and other true friends, Jerry Boden and Annie Feucht, both of Lomira.

A brother, John, preceded him in death.

A Mass of Christian

Burial was held at 5 p.m. on Wednesday, October 13, 1999, at St. Bridget Catholic Church in the Town of Wayne. Father Mark Jones officiated and burial followed in the church ceme-

Friends called from 4 p.m. until the time of services at the church only on Wednesday.

The Miller Funeral Home in Kewaskum assisted with services.

#### HULDA M. MARQUARDT

Mrs. Hulda M. Marquardt, age 90, formerly of rural Campbellsport, passed away on Wednesday, September 29, 1999 at Rolling Meadows Nursing Home in Fond du Lac.

She was born on July 6, 1909 in the Town of Auburn, the daughter of the late August and Johana (Ebert) Stern and on June 17, 1926, she was united in marriage to Fred Marquardt. Her husband preceded her in death on December 29, 1988.

Mrs. Marquardt was a member of Trinity Lutheran Church in Dundee.

Survivors include a son, Marvin (Lucille) Marquardt of Kewaskum; four grandchildren, Dale (Beth), Paul (Karen), Randy (Deanne) Marquardt, all of West Bend, and Susan (Rev. Ben) Golisch of Martinez, Georgia; 13 great-grandchildren, other relatives and friends.

She was preceded in death by five brothers and three sisters.

Funeral services were held at 1 p.m. on Saturday, October 2, 1999, at Trinity Lutheran Church in Dundee. Rev. Richard Schliewe officiated and burial followed in the church cemetery.

Friends called from 11 a.m. until the time of services at the church only on Saturday

The Miller Funeral Home in Kewaskum served the family.

#### COLE MICHAEL TIMBLIN CELTON JAMES TIMBLIN

Cole Michael and Celton James Timblin, infant twin sons of Amy and Michael Timblin of Eden, have taken their place in Heaven as God's special angels.

They were born and passed away on September 28, 1999 at St. Joseph's Hospital, Milwaukee.

They are survived by their parents, their maternal grandparents, Dolores and William Borth of Fond du Lac, and James and Ann Hammes of Campbellsport; their paternal grandparents, William and Marianne Timblin of Eden; their maternal great-grandmother, Laura Hammes, of Kewaskum; aunts, uncles, cousins and friends of the family.

Private services and burial were held at St. Mary's Cemetery, Eden, with Rev. Kevin Wester officiating.

Twohig Funeral Home, Campbellsport, served the family.

How very softly,
You tiptoed into our
world.
Almost silently...
only a moment you
stayed.
But what an imprint
your footprints have left
upon our hearts.
Our precious children,
never forgotten,
Living in parents' love.

#### GILBERT J. "GIL" FOEGE JR.

Gilbert J. "Gil" Foege Jr., of West Bend, died Wednesday, October 6, 1999, at Froedtert Memorial Lutheran Hospital, Wauwatosa, at the age of 44.

He was born April 6, 1955, in Milwaukee to Gilbert J. and Violet (nee Ash) Foege.

In 1982 he moved to Newburg and then to Allenton, and since 1992 has lived in West Bend.

Gil was employed at Bob Fish Pontiac-Buick-GMC for many years, and at the time of his death, was the manager of the body shop.

Gil loved the outdoors and was an avid camper. Survivors include his fiancee, Colleen Prasad of West Bend; his mother, Violet Foege of Jackson; three sisters, Carol (Dan) Satonica of Germantown, Diane (Jim) Strege of Watertown and Susan (Richard) Fedorski of Slinger; two daughters, Angela and Michelle Foege, both of Kewaskum; a stepdaughter, Teri Mullikin of Madison; nieces; nephews; other relatives and friends.

Preceding him in death was his father on February 2, 1999.

Funeral services were held Saturday, October 9, at noon at the Schmidt Funeral Home, Main Street (Highway 60) in Jackson. Rev. William Gruenstern officated and burial followed in Christ Lutheran Cemetery, Jackson.

Visitation at the funeral home was on Saturday from 10 to 11:45 a.m.

#### JEROME J. GOEDEN

Jerome J. Goeden of West Bend, died Saturday, October 9, 1999, at St. Joseph's Community Hospital, West Bend, at the age of 74.

He was born March 15, 1925, in the Town of Trenton, to the late Leo and Josephine (nee Klinka) Goeden.

After his marriage to Joyce Krueger on May 5, 1948, in New Fane, the couple settled in West Bend.

Jerry was employed at the former West Bend Concrete Products Company for about 10 years after which he farmed for a short time. He then was a route salesman for the former Schaetzel Oil Company, now Jacobus Quickflash, from 1955 until retiring in 1990.

Survivors include his wife; three children, Jerome of Madison, John (Deborah) and James, both of West Bend; three grandchildren, Laura, Chelsea and Adam; two sisters, Hyacinth (Gilbert) Beine of West Bend and Charlotte (Lyle) Hader of Newburg; a brother, Willard "Willie" (Jeanne)

of St. Michaels; two sistersin-law, Dolores Koenig and Audrey (Robert) Fellenz, both of West Bend; a brother-in-law, Robert (Ruth) Krueger of Kewaskum; other relatives and friends.

Preceding him in death was a brother, Vernon.

A Mass of Christian Burial will be held at 10:30 a.m. on Thursday, October 14, at St. Frances Cabrini Church, West Bend. Father Jeffrey Haines will be the presider and burial will follow in Holy Angels Cemetery.

Visitation at the Schmidt Funeral Home, West Bend, was on Wednesday, from 4 until the 8 p.m. prayer vigil and also at the church on Thursday from 9:30 to 10:15 a.m.

Those who wish may give memorials to St. Frances Cabrini Education Fund.

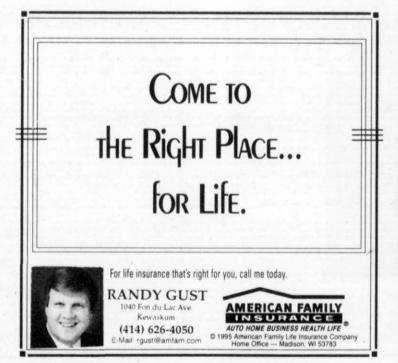

Jerry was a loving husband, father and grandfather, and will be deeply missed by his family and friends.

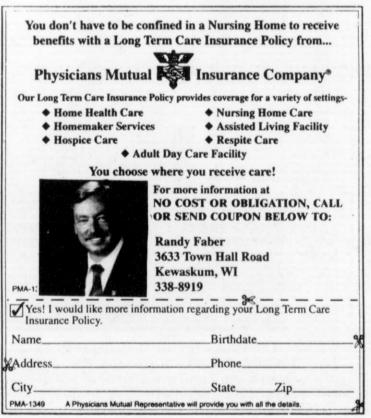

#### A BIRTHDAY MEMORIAL TO ROBERT FELTEN October 14

What would I give to clasp his hand and say Happy Birthday on this special day. To see his happy face, to hear his voice and see his smile. That meant more to me then he will ever know. Those we love are never more than a thought apart. Memories are a gift from God to those left behind. Memories bring comfort, joy, laughter, and and enable us to live forever in the hearts of those we love.

Sadly missed and always remembered, Happy Birthday Anonymous

# Buckskinners at Kettle Kountry

Members of the Buckskinner encampment, Bill Wilkelmme left and his wife Betty, right look over their dinner at Kettle Kountry Kolors which was held this past weekend in Riverhill Park. Kewaskum Chamber member, Mary Meisser, along with Bill and Betty coordinate the encampment.

One of the littlest Buckskinners was 13-month-old Sydney Plachetka, daughter of Jeff and Tina Plachetka of Wausau.

Waxie cooks up his delicious "Kettle Korn" at Kettle Kountry Kolors. "Kettle Korn" is just one of the many treats you will find at the 2000 Kettle Kountry Kolors Oct. 7th and 8th next year.

"Paddleman" (camp name) Steve Blattner of Waukesha makes a canoe paddle at his camp at Kettle Kountry Kolors last weekend.

One of the matriarchs of the rendezvous is Lorraine Getz of Hartford. She's shown making rag dolls during this her seventh year enjoying encampments.

Statesman Photos: Laurie Ottery

# Wrestling Matches at Kettle Kountry

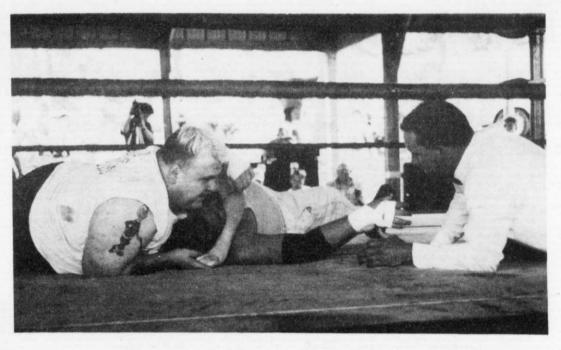

The Skull Crusher traps his opponent in the ropes during the first segment of the wrestling matches held at Kettle Kountry Kolors on Saturday.

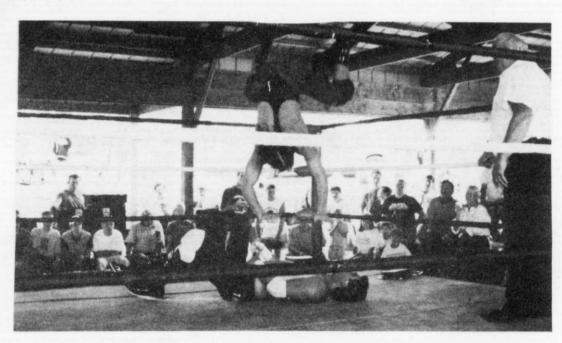

Kewaskum's Scott Timm, emcee, was hauled into the ring and brutally beaten. You should be in show business Scott!

Ian (the Terrible?) puts his opponent to the floor. Ian was a real treat for the kids, as he taunted them to heckle him.

A mid-air somersault had these wrestlers incapacitated temporarily.

Statesman Photos: Laurie Ottery

#### Village Board Meeting Minutes

Village of Kewaskum Regular Meeting September 20, 1999 8:00 p.m.

The Village Board of Kewaskum, Washington County, Wisconsin, met in Regular Session in the Council Room of the Municipal Building, 204 First Street.

President Robert Wagner presided. All other Trustee Members were present. A quorum was present.

The meeting was opened with a Moment of Silence and Pledge of Allegiance.

On a motion by Trustee Andrew Kuehl, seconded by Trustee Robert Stoltzmann and unanimously carried by voice vote, the minutes of the August 16, 1999 meeting were approved as printed.

Fire Chief Mark Groeschel presented the August 1999 report:

Fire calls 4; Year to date 26, Jaws calls 0; Year to date 15, Rescue calls 20 Miles 446

Fire Chief Mark Groeschel informed the Board that the new defibrillator are in and will be placed into service in a few weeks. It was further noted that they were purchased by donations equaling \$16,300.00 of which half was received from the New Fane Sportsmans Club.

Fire Chief Mark Groeschel announced that on October 7, 1999 the Fire Department would be holding an Open House for Fire Prevention Week from 7:00 p.m. to 10:00 p.m. and invited the Village Board. It was also announced that the Department would be holding the Annual Tail Gate party prior to the Kewaskum/Campbellsport Football Game on October 2, 1999 from 4:00 to 7:00 p.m.

It is hopeful the rehabilitation work on the 1982 Ford Pumper will be completed prior to the end of the year.

Chief of Police Richard L. Knoebel reported the speed board is currently being placed throughout the community and the information gathered is quite interesting. The Packer Cards are in and being handed out.

Chief of Police Richard Knoebel presented the August 1999 report:

Criminal arrests 69, Criminal investigations 79, Traffic warnings 114, Traffic citations 41, Adult arrests 35, Juvenile arrests 10, Property stolen \$451, Property recovered -0-, Parking warnings 26,

Parking tags 46.
Director of Public Works, Jerry
Gilles reviewed the following:

 Informed the Board that railings adjacent to the creek on Wildlife Drive have been installed.

The sod has been placed on the NE diamond at KKCP and hopefully that will improve the drainage problems.

3) The PSC Y2K Continency Plan has been prepared and will be submitted this week.

4) The downtown parking lot is complete with the exception of the security lights being energized which should be done in a day or two. The comments have been very favorable. President Wagner complimented the

Department of Public Works and the Administrator for a job well done. The Administrator reviewed the cost to date regarding the parking lot project and it was noted the costs were under the anticipated projections.

Administrator Daniel S. Schmidt reviewed the following with the Board.

1) The need to confirm his appointment as the Villages representative on the County Jurisdictional Highway Committee. On a motion by trustee Andrew Kuehl and unanimously carried by voice vote, the Board confirmed the appointment of Administrator Daniel Schmidt as the Village Boards representative to the County Jurisdictional Highway Committee.

Review of League and Taxpayer bulletins.

3) Review of building permit report for the period ending August, 1999

 Review of the budget control sheet for period ending August 31, 1999.

5) Review of correspondence.

A) Reported that an informational meeting has been scheduled for September 29, 1999 at 6:00 p.m. at MPTC on the railroad abandonment

and the Rails to Trails program.

On a motion by Trustee Harry Roecker, seconded by Trustee Andrew Kuehl and unanimously carried by voice vote, the Board approved the payment of bills as recommended by the Administrative Committee. The total of all claims as recommended are as follows:

General 406,060.91 Sewer 14,862.94 A/P Ck. #16013 - #16205 Payroll 73,983.04 Library 5,968.14 P/R Ck. #9205 - #9360 Water Fund 5,874.30 TOTAL \$506,749.33

Chairman of the Administrative Committee, Trustee Robert Stoltzmann announced the time change of the next committee meeting to 6:45 p.m. because of another committee meeting beginning at 7:15 p.m.

Administrator Daniel Schmidt reviewed the Debt Service proposed budget for 2000. It was noted that with the new Fire Department debt and the retirement of some Fire Department debt, the budget is up by \$18,732.00 or 18.2%.

Chairman of the Protection & Public Safety Committee, Trustee Harry Roecker, announced a scheduled committee meeting for October 4, 1999 at 7:15 p.m. to review preliminary budget figures for 2000.

The Village Board reviewed a

request from the Kewaskum School District regarding the intersection of Reigle Drive and Second Street and the possible placement of temporary stop signs. Mr. Keith Krewald from the Elementary School was present for the discussion. By consensus it was determined to route the children to the south side of Second Street using the controlled intersection of Railroad Street and Second Street and then to have the crosswalk utilized on the south side of Second Street at Fond du lac Avenue.

Chairman of the Public Services Committee, Trustee Andrew Kuehl reported on the committee meeting of earlier this same evening indicating the committee reviewed the proposed related budgets for 2000 and that they recommended bringing them to the Board with a favorable recommendation on the budget, grant application for recycling as well as Resolution No.99-32.

On a motion by Trustee John Kenworthy, seconded by Trustee Warren Dums and unanimously carried by voice vote the Board authorized the submission of the Recycling Grant application and the signing of same.

Chairman of the Park & Recreation Committee, Trustee John Kenworthy reported as follows:

1) A Committee Meeting is being scheduled for September 28, 1999 at 7:00 p.m. The meeting is being facilitated by the Park & Recreation Committee and is for discussion of an in-line skating facility and it was noted all local organizations have been invited to attend.

Informed the Board of the 1999 Summer Swim Statistics.

1998

Opening Date: May 31 June totals: 3,463 / 111.7 per day July totals: 4,618 / 148.9 per day August totals: 1,346 / 43.5 per day

1999

Opening Date: June 9
June totals: 2,880 / 137.1 per day
July totals: 5,086 / 169.3 per day
August totals: 1,172 / 78.8 per day

A total of 9,138 persons or 121.8

average per day.

The beach was closed at 8:00 p.m.

or later 26 days.

Swim lesson enrollment was 197.

Total passes sold for 1999 were 527, with 7 rescues being logged and 11 first aid treatments.

It was noted that 1988 was the best year ever with 1989 2nd and 1999 coming in 5th.

Trustee Andy Pesch, the Plan Commission Representative, reported that a meeting was held on August 24, 1999 and a review of two more

sections of the Zoning Ordinance were gone through. It was further noted that a September meeting may not be held.

Trustee John Kenworthy, the Library Board Representative, reported the circulation was down for the month of August but up for the entire year.

Action was taken on Resolution No. 99-32 a Resolution Requesting Financial Assistance for the operation of a Recycling Program and naming the Authorized Official as attached hereto:

On a motion by Trustee Andrew Kuehl, seconded by Trustee John Kenworthy and unanimously carried by voice vote, the Board established the public hearing date of November 15, 1999 at 7:00 p.m. for the proposed 2000 budget.

A general review of revenue items and expenditures for 2000 took place with noted cost projection as to what percentages may be used in the proposed budget.

On a motion by Trustee Harry Roecker, seconded by Trustee Andy Pesch and carried by the majority roll call vote the Board approved the applications for Temporary Class "B" Retailers Licenses for October 9 & 10, 1999 within RHP for Kettle Kountry Kolors for the following:

Kewaskum Lions Club
 Kewaskum Sno-Chiefs

Roll call Vote was 7 "Aye" 0 "Nay" 0 "Absent".

On a motion by Trustee Andy Pesch, seconded by Trustee Warren Dums and unanimously carried by voice vote, the Board approved Donald Stern and Beverly Rohlinger as the agents for the aforementioned, respectively.

On a motion by Trustee Andy Pesch, seconded by Trustee Andrew Kuehl and unanimously carried by voice vote the Board approved October 31, 1999 from 5:00 p.m to 7:00 p.m. as the Village of Kewaskums official Trick or Treat Hours.

Action was taken on Resolution No. 99-30 a Resolution borrowing funds from the West Bend Savings Bank in the amount of \$367,000.00

for the purchase of a new Fire Department Truck Pumper and to rehabilitate the 1982 Fire Department Pumper as attached

hereto:

Action was taken on Resolution No. 99-31 a Resolution to Amend the 1999 Village of Kewaskum General Fund Adopted Budget to accommodate the action taken with resolution No. 99-30 as attached hereto:

Discussion regarding the General Property & Liability Coverage for 2000 was held. The Villages current carrier and agent provided a proposal for 2000 and it was noted that all portions of said insurance would remain the same with only the Workers Compensation coverage being increased to accommodate the adjusted modifier as established by the State. A couple of options were looked at regarding the Workers Comp coverage and it was determined that the Administration would consult with the Village Auditors and come back to the Board with a recommendation prior to the end of the year. On a motion by Trustee Robert Stoltzmann, seconded by Trustee Andy Pesch and unanimously carried by voice vote the Board directed that the Insurance program remain with Kettle Moraine Agency and that the Workers Comp issue be determined at a later date.

Mrs. Lana Kuehl ask if the Board would be supportive of the Chamber of Commerce establishing a Chamber Subcommittee to work on the topic of fund raising for community enhancements. The consensus of the Board was favorable.

On a motion by Trustee Robert Stoltzmann seconded by Trustee Andy Pesch and carried by the majority roll call vote, to adjourn. Roll call vote was 7 "Aye" 0 "Nay" 0 "Absent."

Daniel S. Schmidt Administrator Approved 10-04-99 Pub. (K.S.) 10-14-99

Town of Scott Chairman Clarence Janz N1566 Trout Spring Road Adell, WI 53001

#### Letters to The Editor

Dear Editor:

The time is now to improve the conditions in the Kewaskum School District's elementary schools. The November 2nd referendum provides an opportunity for all members of the community to support the elementary school program. By now, everyone is aware of the numerous problems including overcrowding and poor building conditions in the district. We will eventually have no choice in correcting these problems and will actually save money by doing so now. Building costs are only increasing.

Passing the referendum will benefit the entire community. Money spent on education is never wasted. If we want the community's children to become productive members as adults, we all have a responsibility to ensure that they receive the best education possible. These children will impact all of our lives in the future. By passing the referendum we have the opportunity to direct their growth in a positive direction. We are all contributing to build a jail for the community's criminals. What are we doing for the community's children?

We encourage everyone to vote yes on November 2.

> Cindy Michalek Ruth Ries

\* \* \* \* \* \*

Letter to the Editor:

#### WE'RE ALL IN THIS TOGETHER

In every community there are progressive people who want the best schools that our resources can provide. These people are concerned about their children, their grandchildren, their neighbors and know that good schools benefit all of a community. These people will support the referendum that is before us on November 2, which upgrades our elementary schools throughout the district.

Every community also has its share of "nay sayers" who will look at an issue such as our Kewaskum school referendum and try to pick at it for its flaws.

It's time that this school district looks at itself as a WHOLE and for all parts of our community to work together for the good of ALL our children. The referendum before us in November is the one that the community voted last spring to support.

Make yourself one of the progressives and vote YES on November 2 for Kewaskum DISTRICT elementary children. Remember, as residents of the Kewaskum School District,

we're all in this together.

\*\*\*\*\*\*

Howard Zemlicka

To the Editor:

On November 2, 1999, the Campbellsport School District will be voting on a referendum to improve and expand their existing facilities. If you are like me your first thoughts might be can we afford this? Or you may think we don't need anything new because it was fine when we were in school (in my case, 30 years ago!). And besides things are always taken care of, right?

Well after taking a closer look, which took about a year as I was a member of the facilities committee, I found out how wrong I was! Our facilities are crowded and need to be updated.

True, we have been doing a good job with what we have, but it's time to do some fixups with more than just band-aids. Also, right now the state is willing to chip in with 50% of the cost. This is OUR tax money and we should be putting it to use for OUR community and OUR kids.

Like most people I like to get the best deal for the best price. I think if you look closely, you will find

that this is an excellent deal! The plan is a good one--- well thought out and cost efficient. If you need more information, please contact a member of the school board or the facilities committee and they will be glad to help you get the information you need. Please give this referendum thoughtful consideration with an open mind and make your vote count on November 2.

Mary Bowe

Dear Editor,

I'm sure the residents of the Kewaskum School District are aware of the 1/2% sales tax for the county which was recently implemented. One of the prime reasons for the need of this tax, according to our county supervisors, is the addition of a larger jail and house of correction.

\*\*\*\*\*\*

I would now like to ask the voters of this district whether it would be preferable to pay taxes for larger jails or better facilities to educate the children of this area in a safe, comfortable and healthy atmosphere? I have no doubt what the answer would be.

Now is the time that these projects can be com-

pleted without any increase in the mil rate on our property taxes. The interest is now reasonably low and is bound to increase eventually and construction costs will increase annually. This is also the last time a referendum can be initiated for a year and overall costs will certainly increase. Every vote is important so all residents should feel their vote is needed, especially those couples with school children, preschool children or who expect to have children in the future.

There will always be people who say there are easier and cheaper ways to accomplish these projects but most of these are just efforts to delay a much needed facility, so again, please vote on November 2nd, and vote "YES."

Thank you,

THE KEWASKUM STATESMAN

Lloyd A. Koch

## **Dundee Mill Park Picnic a Success**

"Fortune Teller" Patty Edwards Darin, a former Kewaskum resident, predicts the future at Dundee Mill Park Days held September 12.

The Packer game against the Oakland Raiders did not keep visitors away from the Dundee Mill Park picnic on Sunday, September 12. A TV provided a means for Packer fans to watch the game and enjoy the picnic, too. However, the crowd did noticeably increase after the game was over.

Everyone enjoyed getting a little "Civil War" experience, seeing how people of that era cooked, lived and coped with the war and occasionally hearing the blast of the muskets.

Inside the mill, grain was ground, tours were given and a slide show on wild-flowers was presented. Visitors strolled the trails through the woods and along the ponds. The trails and accompanying signage were part of an Eagle project by Boy Scouts Ryan Scannel and Tom Greicar. Both were presented framed prints of the Dundee Mill by Andy Stoffel.

Also featured at the picnic, in addition to the great food and beverages, were horse-drawn rides, petting zoo, kids games, face painting and a fortune teller.

Raffles were again popular with the picnic goers. Winners were: Mill Park painting, Ken Koepke; Christmas sled, Jolyn Keskinen; 1/2 hog, Jim and Sharon Portfilio; 1/2 hog, Lee Sawyers; carved wood bowl, Karen Wilke; power paint roller; Bob Stageman; bark carving, Sue Wuensch; complete makeover, Judy Rybold. The Lake of the Torches raffles were won by Darren Buslaff and Marvin Glasser.

The Partners of the Mill Pond and board and citizens of the Town of Osceola thank everyone who donated, volunteered and helped make the picnic a success.

The next event at the popular Mill Park will be the lighting of the Lovelite Tree on Sunday, December 5. The day will feature a

Christmas Open House, compete with cocoa and cookies around the old potbellied stove and the aroma of the holiday. The community is asked to help light the outdoor tree to celebrate the season by sponsoring a light as either a memorial or in honor of a loved one.

Cards indicating the person honored will hang on

the indoor tree. Lights will be available for \$3.00 (individual) or \$5.00 (family) from Dundee businesses or by calling Monica Lavey, 533-4750 or Donna Lieberman at 533-8279.

Information about Mill Park events can be found on the board at the front steps of the mill.

# Kewaskum Fire and Rescue Squad Call

Thursday, October 7 - The Kewaskum Rescue Squad personnel responded to a call in the Village of Kewaskum at 4:25 p.m. for a female patient who required transport to to St. Joseph's Community Hospital, West Bend, for treatment of a possible allergic reaction.

Everyone thinks of changing the world, but no one thinks of changing himself.

## A Rainy Day At Riveredge

Holy Trinity School third graders, sporting their ponchos, spent a rainy day outside at Riveredge Nature Center recently.

By Holy Trinity School Third Graders

On Monday, September 27, we went by bus to Riveredge Nature Center on our first field trip.

Our Teacher Naturalists Nancy, Scott, and Beth gave us ponchos to wear so that we could stay dry in the field and forest communities we came to learn about. We were split up into three groups. Mrs. Baughman, our teacher Mrs. Goham, and Mr. Goham each went with a group.

In the forest we saw pretty, colorful leaves, squirrels, birds, rabbits and some even saw a raccoon. We played a blindfold game -your partner blindfolds you, leads you to a tree which you must feel and smell. You then remove the blindfold and then try to find the tree by what you learned with the blindfold on. We looked for critters like insects and spiders and looked at what each of us captured. The best part was the mud pit where we pretended to be worms.

In the field we found about eight different kinds of grasses, bugs, birds, grasshoppers, a Monarch butterfly and a deer. We learned how insects try to stay dry under a leaf, rock or blade of grass.

The Teacher Naturalists made posters with some of the leaves, grasses and soil we found so we could bring them to school to look at again. Nancy sent us a letter and a hand-drawn poster because her group spent more time outside and did not come inside to work on their poster. Time does pass quickly at Riveredge.

edge.
We learned and had a good time and we all want to go back to Riveredge. We had a great time in the rain, but maybe next time we won't get so-o-o-o soaked!

Before the continents as we know them today were formed, the earth's land mass was joined in a single "supercontinent" called Pangea.

## VILLAGE OF KEWASKUM

# GRASS PICKUP

MONDAY, OCTOBER 25 AND MONDAY, NOV. 1, 1999.

## Resolution No. 99-34

Village of Kewaskum, Washington County, Wisconsin

A RESOLUTION OF CONCERN AND OPPOSITION REGARDING ASSEMBLY BILL 450 ON ANNEXATION LIMITS

WHEREAS, on October 5, 1999 the Assembly Urban and Local Affairs Committee will hold a public hearing on Assembly Bill 450, limiting annexation authority; and

WHEREAS, this bill places unnecessary restrictions on cities and villages from annexing land and restricts the ability of municipalities from extending sewer and water services; and

WHEREAS, this bill places restrictions on private property owners within a town wishing to have necessary improvements serve their property for health and safety reasons, as well as for the development of said land; and

WHEREAS, it limits the authority of the Public Service Commission from the approval process so as to provide for the safety zens; and

WHEREAS, this Assembly Bill discourages cooperation between governmental units, it protects town territory without requiring town government to be responsible for providing services in urbanized areas.

NOW, THEREFORE BE IT RESOLVED, that the Village of Kewaskum oppose Assembly Bill 450, and urges the Assembly Urban and Local Affairs Committee to reject sending AB 450 forward.

BE IT FURTHER RESOLVED, that a copy of this resolution be sent to each member of the legislative delegation and League of Wisconsin Municipalities.

PASSED, ADOPTED AND APPROVED this 4th day of October, 1999, by the Kewaskum Village Board.

# National School Bus Safety Week October 17 - 23, 1999

#### What is a School Bus Driver?

A school bus driver is a person who smiles in the morning and smiles in the evening and eats Rolaids in between.

A school bus driver gets there when nobody else can, finds houses that don't exist and children with no names.

School bus drivers have eyes in the back of their heads and hear every word, even in sign language.

School bus drivers are immune to noise.

A school bus drivers favorite words (besides "good morning" and "good night") are "sit down."

Sometimes a school bus driver gets tired, but seldom gets angry, and always, most faithfully, gets there.

At this time we would like to thank all the employees at Johnson School Bus Service. They are dedicated in providing a safe ride for everyone of the Kewaskum School District.

Congratulations to the following drivers:

Arne Abrahamsen
Wes Block
Diane Clark
Terri Diels
Norbie Gau

## Girls Golf Ends Great Season

Representing the KHS golf team at Homecoming last weekend was Amber King and her escort Curt Koth (representing the football team). A photo of Amber was not available with the other members of the golf team previously published.

Although the team or any individual golfer did not qualify for the state golf meet held this week in Madison, the Kewaskum girls golf team can be very proud of the season they just finished.

Finishing fifth in the toughest Sectional in the state behind powerhouses such as Arrowhead (rated #1) and Homestead (rated #2) the strong competition put the girls in some pretty elite company and helped them gain valuable experience for the future.

The Lady Indians finished with a team score of 405. Leading the golfers for Kewaskum was senior Amy Piwoni with a 45-45/90 at Beaver Dam's Old Hickory Country Club. Sophomores Niki Dreher helped the cause with a 53-50/103 and Courteney Timblin had a 46-58/104. The last counting score came from junior Stephanie Brettingen with a 52-55/107. Completing the

team for the sectional competition was junior Jody Wichtoski with a 50-59/109 which was the non-counting score.

The fact that the team advanced as one of the top four from Fond du Lac Regional was a tribute to their solid play this season and ending their season with a score at the Sectional that would have qualified them for state had they been in several of the other Sectionals in the state

The team also completed conference play in the Little Ten with a second place finish with Niki Dreher being selected for the First Team All Conference and Amy Piwoni, Courtney Timblin and Stephanie Brettingen being selected for the Second Team All Conference.

Rounding out the team for the varsity was strong play from senior Amber King and junior Jody Wichtoski.

## What Causes the Fall **Colors in Wisconsin?**

MADISON -- Fall is when Mother Nature paints Wisconsin's forest a vivid autumn color of golden yellows, vibrant reds, brilliant oranges and deep purples.

"The fall color beauty of Wisconsin's forests is actually caused by the shortening daylight hours, not fall frosts," explained Trenten Marty, Forest Geneticist, Wisconsin Department of Natural Resources' Bureau of Forestry.

Certain tree and shrub species commonly are associated with different fall colors: green ash and aspen turn golden yellow; red maple a brilliant red; oak and hickory become a reddish-brown color; white ash a deep purple; and sumac a scarlet red. Even tamarack trees turn a beautiful deep golden color and looses its needles in the fall, the only conifer (evergreen) tree in Wisconsin that does.

What causes this palette of colors? There are three types of pigments that are directly involved in producing the colorful leaf display; chlorophyll, carotenoids and anthocyanins.

· Chlorophyll is present in the leaves year around and gives the leaves their green color throughout the growing season. In the process called photosynthesis, chlorophyll utilizes the sun's energy to produce simple sugars -- the tree's food -- from water and carbon dioxide.

· Carotenoids are present in the leaf chloroplasts also, but because the green coloration of the chloropylls predominate, they aren't seen through the growing season. The carotenoid pigments are responsible for the yellow colorations of fall

· Anthocyanins produce the brilliant reds and purples of the fall color season. This color pigment develops in the early autumn within the liquid of the leaf cells in response to bright light and excess sugars within the leaf cells.

How is fall color created? During the summer chlorophyll is continually produced and broken down within the leaf. Subsequently, the chlorophyll masks the yellow carotenoids within the leaf and the leaves appear green during the growing season. As fall approaches and daylight shortens, production of new chlorophyll subsides and the existing chlorophyll breaks down, revealing the carotenoids within the leaves and subsequently their yellow coloration.

At this same time, veins that transport sugars out of the leaf close and newly produced sugars are trapped within the leaf promoting production of anthocyanins. Anthocyanins cause the scarlet red and deep purple colors.

"Weather that is most conducive to spectacular fall leaf color is bright, sunny, warm days and cool, crisp nights that remain above freezing. These weather conditions promote the production of sugars within the leaves and the sugars, in collaboration with the bright light, enhance the production of anthocyanin pigments within the leaves and gives us the orange, reds and purple we so enjoy," explained Marty.

For current information on the current best fall color viewing areas in Wisconsin contact the Department of Tourism's Fall Color Hotline at 1-800-432-TRIP.

For more information contact: Trenten Marty (608) 266-7891 or Ray Amiel (608) 275-6276.

## Simple Steps Can Help Hunters **Avoid Falls From Tree Stands**

The tree stands that hunters - bow hunters especially - use to increase their chances of bagging a buck could instead bring a trip to the emergency room if hunters are careless or the stands are improperly installed, Warren Doug Bilgo says.

surveys of National hunters indicate that one out of three hunters will fall from a tree stand sometime during his or her hunting career. The majority of those who fall from tree stands do so while they're climbing into or out of a tree stand, so it's particularly important to use caution during those

Warden Bilgo recommends that hunters always maintain three points of contact - two hands and one foot, or one hand and two feet - on the ladder when climbing into or out of the stand to give themselves greater stability and bal-

Falls also occur for a variety of other reasons, including a weakness in the stand's structure, incorrect installation of a tree stand, failure to use a safety harness, and hunters dozing off while on the stand. Tree stands also factor into other hunting accidents, such as when hunters shoot themselves with their gun while climbing into tree stands, or when bow hunters fall on their arrows.

Tree stands became popular in the late 1960s because hunters believe they help improve the visibility hunters' and decrease the chance their scent will spook their prey.

Bilgo recommends that hunters who plan on using tree stands follow these precautions to avoid accidents:

\* Check permanent tree stands every year before hunting from them, and replace any worn or weak

contact 8813 on weekends.

## **Vehicle-Deer Crashes Peak** In October, November

Motorists should stay alert for deer on Wisconsin roads during the next couple of months; October and November have the highest incidence of motor vehicle deer crashes. Five people died as a result of deer crashes last year, according Wisconsin the Department of Transportation (WisDOT), making motor vehicle - deer crashes a cause of great concern.

"The last 21 years have seen a general increase in the number of persons injured or killed in motor vehicle crashes with deer," said WisDOT Secretary Charles H. Thompson. "Deer crashes in Wisconsin greatly increased last year, making 1998 the fourth worst year in terms of injuries and deaths since tracking began. The five fatalities and 783 injuries recorded in 1998 were 46 more than the previous year."

Secretary Thompson said a recent study by WisDOT found that:

· Deer crashes peak in October and November with a secondary peak in May and June. Of the 19,595 police-reported motor vehicle - deer crashes during 1998, 41.1% occurred in October or November. Those months are the deer breeding - or rut - season, and Wisconsin's hunting season. Another 15% of all vehicle deer crashes occurred in May or June when yearlings tend to separate from the family unit and roadsides become attractive feeding areas. Most crashes occur at nightfall and in rural areas.

· Deer crashes account for a growing percentage of all reported crashes. In 1978

Scanning the sides of the road for the reflection of Specializing in deer eyes may help prevent a crash. If a motorist should DEER see such a reflection, they should slow down, blow the **COLLISIONS** horn, be ready to stop, and

#### **VOLUNTEERS NEEDED** FOR HALLOWEEN **NATURE HIKES**

The Northern Kettle Moraine State Forest is looking for teenagers and adults willing to volunteer to help with the Halloween Nature Hikes. The hikes will be held on Friday, October 22, and Saturday, October 23, from 6:30 until 9:30 p.m. at Mauthe Lake Recreation Area. This is a fun-filled non-scary, Halloween Participants will meet ten costume characters during an hour long hike. There will also be games and crafts for children and refreshments for everyone. Volunteers are needed to help supervise the games, assist with the crafts, serve refreshments, lead hikes, and be costume characters on the trail. Instructions and training will be provid-

If people are interested in lending a hand, they should contact Jackie Scharfenberg, forest naturalist, at the Henry S. Reuss Ice Age Visitor Center. The center's phone number is (920) 533-8322.

## Indians Lose Homecoming Game to Roncalli, 36-10

The schedule maker did the Kewaskum Indians no favors this year when the '99 season was put together. After playing back-to-back the second and third ranked teams in the Journal Sentinal area, the Indians were faced with the Jets from Manitowoc Roncalli for their Homecoming game last Friday night.

The Jets have won the WISSA state football championship the last two years and are ranked fourth in the state in Division 4 schools this season. The game looked like it would be a good one on paper, but the Jets came to town with all engines blasting as they soundly defeated the Indians, 36-10.

Roncalli struck first on their opening drive as running back Neal Krajnik ran through the Indian defense as if it were nonexistent. He rushed for 78 yards in the first quarter alone on his way to 193 yards rushing with two touchdowns. Meanwhile, his partner, fullback Corey Schuh, rushed for 63 yards and

JV Football Team Wins

The junior varsity football team beat Manitowoc Roncalli last Thursday by a score of 21-0. The entire defense played an excellent game in recording their second straight shutout.

The Indians first touchdown came on a five yard run by Travis Cochenet. The score was 8-0 until a third quarter touchdown on a one yard run by Justin Rhoads. The scoring was completed on a 15 yard touchdown pass from Tom Ogi to Tony Fitts.

The victory over Roncalli pushed the Indians season record to 6-0. They will try o complete their season with a perfect record with a home game on Thursday vs. Two Rivers and a game at Plymouth on Tuesday, October 19.

three touchdowns.

On the Jets first possession, they took the ball right down the field and scored, making it 8-0 early in the first quarter. Then in the second quarter, the Jets made one of several plays that they would make during this game that should not be made.

Facing a fourth and 28 yards to go from the Indian

## Freshmen Beat Roncalli, 7-0

The freshmen football team improved their record to 4-1 with a 7-0 win over the visiting Manitowoc Roncalli Jets.

The game proved to be a defensive battle as neither team got close to scoring in the first half. However, the young Indians came out fired up to start the second half. The Indians received the ball to start the second half and quickly gained a first down on two running plays.

On the third play, David (don't call me Justin) Rhoads broke through the line and scampered for a 50 yard touchdown run. Travis Kempf then kicked the extra point to make the score 7-0.

Both defenses then tightened up and shut the offenses down for the rest of the game. Troy Koeferl led the Indian defense with 11 tackles while Matt Hartmann and Travis Kempf each had an interception. David Rhoads led the offense with 78 yards on 11 carries.

In previous action, the Indians shut out a good Campbellsport team by a score of 26-0. David Rhoads scored two rushing touchdowns; Troy Koeferl scored on a 60 yard run and Garrett Mlejnek returned a fumble 35 yards for another

The freshmen finished their season with an October 14th game at Two Rivers and an October 19th game at home against Plymouth. 29 yard line, they completed a 28 yard pass to inside the one yard line for a first down. On the next play, Schuh ran it in for a 14-0 lead.

Although the Jet offense moved the ball up and down the field, almost at will, the score with two minutes left in the half was 14-0, thanks to several Jet turnovers.

The Indians mounted a drive of their own in the second quarter and after it stalled on the 21 yard line, Chris Koth kicked a 38 yard field goal with 1:37 left on the clock and the Indians were still in the game.

However, the next two series for the Jets turned out to be back breakers for the Indians. With less than one minute and a half left in the second quarter, the Jets took the ball down the field 70 yards and scored as time expired, to make the halftime score, 22-3, on Schuh's two yard run.

The Indian defense showed some life to start the second half as they forced the Jets to punt on their first possession. The punt was not a good one, as it went off the side of the punter's foot and headed for the sideline. As the ball was

The ball squirted out and a Roncalli player recovered it on the Indians 30 yard line.

Several plays later, the Jets Krajnik ran the ball in from the one yard line, making the score 29-3. The Jets would add another touchdown in the fourth quarter on a Krajnik 20 yard run.

Coach Perry Koth decided to replace senior quarter-back Chris Koth to start the fourth quarter with junior quarterback Bob Ogi. Koth had thrown two interceptions and was three for eight passing for 51 yards through three quarters.

Ogi, who has a stronger arm, found the Jets defense just as tough however, as he finished two for five passing for 14 yards, two interceptions and one touchdown.

Sophomore Chris Canter electrified the crowd in the fourth quarter with a 68 yard kickoff return to the Jet 20 yard line. The threat ended however, with an Ogi interception. The Indians did score a touchdown with less than two minutes remaining against the Jets reserves.

Ogi found Dave Lettow, who made a nice catch in the back of the endzone for a 10 yard scoring play and Koth's extra point kick made the final score 36-10.

Adam Beck hauled in a 43 yard pass from Koth in the first quarter to reach
