## Community Invited to Fire Engine 'Wet Down'

## School Board Veteran Jean Goeden Honored

By Louise Martin

Area residents are invited to witness the "wet down" of the newest Kewaskum Fire Department fire engines on Thursday, April 27, 2000, at 7 p.m. at the Kiwanis Park parking lot.

A fire engine "wet down" is a tradition that has been carried out for many years on the east and west coasts. It is a procedure only done on pumper trunks.

As an official installation of a fire engine to the fleet, firefighters from other departments are invited to bring a fire engine and participate by spraying water in the air over the truck. The department fire chief and equipment committee

members stand next to the truck in their fire gear as the spraying water showers down.

The Kewaskum department is initiating the recently purchased pumper 1862 and the refurbished engine 1864. Kewaskum firefighters participated in a fire engine "wet down" in May 1999 at the invitation of the Slinger and Jackson fire departments.

Invitations have been extended to 27 departments with Boltonville Volunteer Fire Department acting as the host department. Boltonville Fire Chief Joe Enright will be the Master of Ceremonies, Pastor Edwin Fredrich of St. Lucas Lutheran Church, Kewaskum, will offer the blessing, Village of Kewaskum President Robert Wagner will speak as well as Kewaskum Fire Chief Mark Groeschel.

Following the "wet down" everyone is invited to a reception at the Kewaskum Fire Station where the

engines will be on display for inspection. You are invited to witness the cutting of the ceremonial cake with a fire truck ax and the passing of the traveling trophy plaque.

Join the members of the Kewaskum Fire Department as they officially place these vehicles into many years of service by attending the historic "wet down" on April 27.

Tears and smiles could be found on the faces of everyone who attended a retirement party for Jean Goeden who, after 19 years of dutiful service to the Kewaskum School District, retired Monday evening. (More photos on page 3)

Goeden became involved in the district when she took an active role in the Farmington PTO. She recalls friends Vanda Pohling, Ann Mc Chain, Betsy Strigenz and Mary Lou Mc Kee who helped her through her "early" years on the board.

"These women have been my rock... my strength," said (Continued on Page 2)

## Easter Egg Hunt Saturday, April 22

The Kewaskum American Legion, Robert G. Romaine Post 3844, and the Women's Auxiliary will hold its annual Easter Egg Hunt for Children in River Hill Park at 1:00 p.m. on Saturday, April 22.

All area children are invited to participate in this annual scramble for colored eggs. This year as in the past, Mr. and Mrs. Easter Bunny will stop by to visit with the kiddies, courtesy of the Kewaskum Junior Women's Club.

Children age five and under will "hunt" eggs on the west side of the river and those ages six through ten will do their hunting on the east side of the river. The limit is six eggs per basket.

In case of inclement weather, Legion members will hand out eggs at Legion Hall, 1538 Fond du Lac Ave., in the village. 4-13-20

## Concert in The Park May 23

The Kewaskum High School Music Department would like to announce that its annual "Concert in the Park" will be held on Tuesday, May 23, at 6 p.m. at River Hill Park in Kewaskum.

This date is a change from previously published dates, so please mark May 23 on your calendars.

## Ground Broken for FES Addition

Crews have begun breaking ground and working on the addition to the Farmington Elementary School. Work will continue throughout the summer and classroom additions should be completed by the beginning of the next school year. The gym is scheduled to be finished by mid October.

## Appreciation Luncheon Changed to Dinner Buffet

Due to the late Easter holiday this year and to spice things up a bit, the Kewaskum Area Chamber of Commerce has announced the Annual Secretary's Day Appreciation Luncheon has been changed this year to an evening buffet on Wednesday, May 10.

To celebrate this, the 10th year of the event, the organizers have left no stone unturned to make you and your special guests feel welcome, pampered and happy you attended. Along with the annual style show, a full course buffet-style dinner will be served. There will also be a collection of corporate and independent businesses on hand to promote their products and interests.

This year the event will be held from 5:30 to 9:30 p.m. at the Amerahn Hall on Highway 45, just north of Kewaskum. Tickets will remain at the same price of \$14.50 each.

If you are interested in the promotional aspect of the event, or care to make your reservations early for the Appreciation Buffet, please call Chairperson

Wendi Dreher at 262-626-2428. The business booths will be \$15 each.

There are already many exciting fashions lined up to show off the latest in spring styles. One way to promote your business would be to become a model yourself or have one of your employees do the same. It's a great way to have your company represented and it is always an enjoyable experience to get involved in this community event.

Make your reservations now to join the fun at the 10th Annual Chamber of Commerce Appreciation Evening Buffet on May 10 at 5:30 at the Amerahn.

that they had won...by a big margin well, Jerry and Diane Buchel and Dr. and Mrs. Connor, we all went out to celebrate."

Goeden also enjoyed being active in the Booster Club, serving as president. She remembers working many mornings at 5 am for the wrestlers to weigh in and then "let's eat."

In 1987 Goeden lost the election "I believe it was because of the closing of the Beechwood school. I didn't like to do it either but, bussing children around to keep the school open was not a good family situation. It was the low point in my school board career," she stated.

Goeden continued, "Little did I know, God had other plans for me, my husband, Willie had a critical stock car accident that year. My family and business had to come first. Thanks to my husband's courage and strength he has

worked hard and come a long way."

A few years later she became involved again helping Janet Wolfenberg win on the school board as a write-in.

In 1991 Jeanne decided she would try to regain a seat on the board.

"I ran as a write-in in less than two weeks before the election and won by seven votes!" says Jeanne

"We now have a low student count in the classrooms. It is something the board has tried to maintain even before the state demanded it!" she said.

During the next few years Jeanne states the school board went through a power struggle that "plagued" the board. "Changes in administrators and changes in philosophy caused problems."

"I always enjoyed visiting the schools and working with the teachers when they wanted to show me a new program they had just started. That will

be one of the things I will miss," Jeanne said.

At the reception, school board president Larry Fechter asked that Jeanne preside over her last meeting which followed her reception.

Many people spoke at the reception on behalf of Jeanne, thanking her and praising her for her 19 years of dedicated service.

Wendi Dreher, Jeanne's daughter was one of those people, "Our hats are off to you, For the many of you that have ever been in a public office or volunteered for a club. We all know none of these jobs are high paid. For over 19 years of service to your school District and Community, that is the paycheck of the heart!" said Wendi.

All were proud to honor a woman who gave her all to make our school district a better place.

## Jean Goeden

(Continued from Page 1)

Goeden Tuesday in an interview while she was watching her grandson Logan.

Mc Chain who traveled back to Kewaskum from Texas for Monday's social was one of the many who came to congratulate and wish Jeanne best of luck in the future.

In 1978 Jean got the idea to run for school board, because she stated "at that time the curriculum was a mess. Kewaskum and Wayne schools would get the new textbooks and Farmington and Beechwood would get the olds ones. When I had children in the middle school it took about four weeks to make sure all of the seventh graders were on the same page."

Jeanne finished in the top six and went on to take over a one year term vacated by the death of Allen Tessar.

After a year on the board Jean found out that she enjoyed serving the people and trying to make the district a better place for the students.

One problem she faced was a bussing issue. She had five children in the district schools but they were mostly split up because they were "on the line between Kewaskum and Farmington." "The late Richard Zarling who was principal of KES was also the bussing coordinator. He and I met quite often on that bussing issue."

The most exciting time Jean remembers is when Neal Weare and Lynn Dieringer ran as write-in candidates against two incumbents.

Jean recalls, "We found out

### Greetings from The Health Pharm,

Dear Neighbor,

I'm Bob Leinss, registered pharmacist and owner of The Health Pharm. My interest in natural health and wellness spans my entire 22-year career as a pharmacist. My formal education taught me the value of good nutrition and the use of natural medicines for many of today's common ailments. In fact, some of today's commonly used prescription medications such as thyroid hormone and digoxin still come from natural sources.

The Health Pharm offers a unique mix of products and services designed to help people develop and maintain a healthy body, mind and spirit. We recommend the use of a natural health product where appropriate and provide current information on possible drug interactions with any medications you may be taking. With all the confusion out there today about the latest natural remedies, The Health Pharm provides you with information

you can trust.

Although we are a licensed pharmacy, we do not dispense any prescription medications. Our focus is on providing our clients with quality information about the availability of natural alternatives to over-the-counter (OTC) and prescription medicines for the treatment of specific health conditions.

We recognize the importance of treating the whole individual and not focusing on just one area that needs 'fixing.' This is done through a holistic approach to health that recognizes the body's natural ability to heal itself.

Stop in and see our wide selection of health & wellness products.

Til next time,

## Letter to The Editor

Dear Editor,

Kudos to all the children attending St. Lucas Lutheran School, those in its nursery school and all who were any way involved with the program Amerikids presented last Friday night at Kewaskum High School.

What a fine way to display pride and patriotism in our country, and at the same time enkindle the spirit America was created on.

The enthusiasm displayed by all the young people was a joy to see. Perhaps they gave us all a little lesson on how important a right it is to select candidates for high offices.

It was also very fitting that the veterans in the audience were honored. Hearing the theme songs of the four branches of service and applauding those who served in each of them was certainly inspiring.

Congratulations students and teachers for a job well done. Thank you for an enjoyable family evening.

## Area Chamber of Commerce Offers Welcome Bags

The Kewaskum Area Chamber of Commerce has prepared Welcome Bags for residents who are new or who have recently moved into the area.

The Welcome Bags will be available after April 1, 2000, and will contain pertinent information, pens, key holders, coupons from area businesses and service organizations.

Welcome Bags can be obtained at the following area business sites: Kewaskum Village Hall, St. Francis Bank and West Bend Savings Bank. The Chamber asks that you request only one bag per new household. A follow-up call will be planned after distribution.

If you know of some new area residents, please pass this information on to them so they may receive a newly-organized "Welcome" to our community.

Mary Stutzmann, Evie Jansen and Ethyl Ohmann look over the raffle prizes, hoping to win!

About 100 women from West Bend to Campbellport and points in-between, came to taste the different and delectable salads made by the members of the Kewaskum Woman's Club.

This luncheon, which was held on Saturday, March 18, at the Peace Church in Kewaskum, has turned out to be a great fund-raiser for the club's commitments to the scholarship and other community programs.

After the luncheon, door

prizes and raffles were awarded, and guests were treated to the lively music of a women's barbershop group called the Sound Celebration. With a few comic "notes" and musical notes, these women were a hit for the entertainment.

A great time was enjoyed by all who attended and plans are already in progress for next year's Kewaskum Woman's Club Luncheon.

## Earth Day/Centennial Tree Planting April 22

The year 2000 is a very special year indeed. It marks the 30th anniversary of Earth Day which was established by Former Wisconsin Senator Gaylor Nelson as a way to honor and help our planet. 2000 also marks the 100th birthday of the State Park System! Join us on Earth Day, Saturday, April 22, to help plant a Centennial Grove of 1,000 trees near the Greenbush Kettle in the Northern Kettle Moraine State Forest. The Greenbush Kettle is located off of Kettle Moraine Drive north of Hwy. 67 and just south of the village of Greenbush.

Individuals and groups may choose to plant trees during one of three time slots: 9:00-10:00 a.m., 10:00-11:00 a.m. or 11:00 a.m. - 12:00 noon. To register for a time slot, folks need to call the Ice Age Visitor Center at (920) 533-8322 by April 19. Each time slot is limited to 100 people, so register early. Planting tools and instructions will be provided by the forest staff.

For further information, contact Jackie S. Scharfenberg, Forest Naturalist. She may be reached at the Ice Age Visitor Center, (920) 533-8322.

### Pre-School Sign-Up at High School

The Child Development classes of Kewaskum High School will be conducting their second semester preschool starting in May.

The preschool will meet Tuesday through Friday, May 9 to 12, May 16 to 19, and May 23 to 26. All classes will be from 10:10 to 11:40 in the morning.

The preschool is in its 23rd year of operation and is under the direction of Mrs. Carol Martin and the juniors and seniors in the Child Development classes.

The children will have the opportunity to participate in storytime, music, art and other creative activities during the 12 day session.

Parents with children ages four or five should call the high school office at 626-2166 for information on how to register their child. Enrollment will be limited on a first call basis.

## A Celebration for Aging In Washington County

WEST BEND - On Thursday, May 11, 2000, 7:30 a.m. - 4 p.m., seniors are invited to attend Senior Conference 2000 at the Washington County Fair Park Pavilion. This is an opportunity for seniors to attend a variety of educational sessions to learn about crafts, sports, health, technology, hobbies and the resources available to them for developing those interests.

The day starts with an opening ceremony and keynote speaker, Reverend Martin Ruge. His speech, "Thanks, I'd Rather Zip My Own Zipper," will emphasize how to set boundaries for maintaining independence. From there, participants can attend educational breakout sessions on a variety of topics or they can shop around for products and services that are on display in the exhibitor area. Lunch is included and a break for lunch will be provided. The

registration fee is \$10, which includes a full day of educational sessions, speaker fees, materials and lunch. It's a great way to celebrate aging and meet other seniors.

Registration materials have already been mailed to last year's attendees and to businesses that might be interested in being an exhibitor, sponsor or underwriter. If you did not receive these materials in the mail and are interested in attending or participating, please stop by the Washington County Office on Aging and Senior Center or any of the following planning organizations: Advanced Health Care - West Bend Clinic, Aurora-55 Plus Program and Hartford Memorial Hospital, Cedar Campuses, St. Joseph's Community Hospital, Lone Oak Health Center or Menomonee Falls Health Care Center to pick up registration materials.

## Lac Lawrann Conservancy Programs for April, 2000

April marks the start of special programs at Lac Lawrann Conservancy. On Saturday, April 15, old-timers and new-comers alike can help get the Conservancy spruced up for Spring. A variety of projects will be scheduled. This is a good way to learn about the conservancy first hand and work with a great group of volunteers. The clean-up will be held from 9 a.m. to 2 p.m. Come for part or all of the day; bring a lunch. Advance registration is requested; please call West Bend Parks, Recreation and Forestry at 335-5080.

Search for returning migrants and hardy winter residents on April 22 at the first of two Spring Migration Bird Walks. This Early Bird hike will begin at 7:30 a.m. at the conservancy and will be guided by experienced birders. Bring binoculars and the Conservancy will supply the birds. Advanced registration is requested, please call West Bend Parks, Recreation and Forestry, 335-5080.

Family oriented Earth Day hikes and activities are scheduled for April 22 from 1 p.m. to 3 p.m. Come and celebrate the amazing diversity that exists in our world. Explore Lac Lawrann's trails as Spring moves into high gear. Children must be accompanied by an adult. Advance registration is required; please call West Bend Parks, Recreation and Forestry at 335-5080.

Hiking trails at Lac Lawrann Conservancy are open to the public on weekends between the hours of 9 am to 4 p.m. Please, no pets,

horses, or bikes on the trails.

**WANTED:** The Conservancy is in need of some special people who would like to teach children about nature. Teacher Naturalist Trainees are taught about the plants, animals, ponds and geology of the area and about Lac Lawrann's programs, and they will be working with a great group of volunteers. For more information, call Kate at Lac Lawrann conservancy, 335-5085.

## Holy Trinity Students Attend MathCounts

Recently four students from Holy Trinity School in Kewaskum attended the regional MathCounts competition held at the University of Wisconsin-Waukesha. They were Kevin Schickert, Erica Christie and Josh Uelmen from grade eight, and Noah Schoofs from grade seven. To accomplish this, they first took a test at their school and were the top four scorers out of the entire seventh and eighth grades. At MathCounts, they competed against the top four scorers from 15 other schools in the Southeast Wisconsin area. There were four rounds in the competition. In the sprint round, they had 40 minutes to answer 30 questions. In the target round, they got two problems at a time and six minutes for each set of problems for a total of eight problems. In the third round each school team worked on four of ten problems. The final round was the countdown round in which the top 10 scorers at the competition faced off. While none of the students from Holy Trinity advanced to the countdown, they all did very well and enjoyed the experience. Shown above, left to right, are Erica Christie, Noah Schoofs, Kevin Schickert and Josh Uelmen.

## Moraine Chorus To Host Free Spring Concert

WEST BEND -- On Sunday, May 7, at 2 p.m. in the UWWC Theatre, the Moraine Chorus will perform its spring concert.

The music includes choruses from Brahms' German Requiem, accompanied by Pat Hauser and Judy Mitchell. Also on the program is a Biblical Scene by Heinrich Schutz; three humorous prayers from the Ark by Ivor Davies, which includes the prayers of the Cat, the Mouse, and the Raven; and two spirituals.

Peter Gibeau directs the chorus and the concert is free and open to the public.

For more information on the concert, please contact Peter Gibeau (262) 335-5216 or William Breyfogle, UWWC Director of University Relations at (262) 335-5233.

### BIG LEAGUE SNACK ATTACK

With peanuts as baseballs and pretzels as bats, this snack mix can score big!

1/2 cup butter  
1 teaspoon Worcestershire sauce  
1/4 teaspoon garlic salt  
1/4 teaspoon onion salt  
6 cups unsalted popped popcorn\*  
1 cup thin pretzel sticks  
1/2 cup salted, roasted peanuts

\*1 ounce of unpopped popcorn kernels (2 tablespoons household measure) makes approximately 4 cups of popped popcorn.

Toss together the popcorn, pretzel sticks and peanuts in a large bowl. Melt the butter and stir in the seasonings. Drizzle butter/seasoning mixture over popcorn mixture, stirring to coat well. Spread the mixture in a large, shallow baking pan and put it in a preheated 250-degree oven to bake for 45 minutes. Stir with a wooden spoon every 10 minutes while its baking. Makes 8 cups.

## Letter to The Editor

Dear Editor,

I would like to thank community members for their continued support of the American Cancer Society's Daffodil Days. Daffodils are the first flower of spring - and with spring comes the hope of a world free of cancer.

Many of you ordered daffodils from the American Cancer Society, bringing a touch of spring into the lives of those you care about. Local businesses also ordered daffodils to say thank you to important clients and staff members. I want to thank all of you for doing your part to support cancer research, programs for cancer patients and their families, education, early detection and advocacy efforts here in Wisconsin.

With the success of this year's Daffodil Days, we definitely are a step closer in our battle against cancer. In Washington County we raised over \$3,500 for cancer research, education, advocacy and patient services!

I am proud to be a part of this community, where together, we are making a difference in the fight against cancer.

Sincerely,

Joan Weiss

# Choosing a College: Making The Most of the Weekend Visit

by  
Kenneth Zahorski, Ph.D.,  
Professor of English  
St. Norbert College

You can't tell a book by its cover, or a college or university by its catalog alone. So, if you're trying to make a decision about a particular institution, you'll want to visit the campus to see what it's really like.

Starting in September, many colleges invite high school students to spend a few days on campus. It's one of the best ways to get the inside scoop on a school.

Classroom visits can tell a lot about teaching and the learning process. Choose courses dealing with the subject you like. Look at classes you might have to take as a freshman, as well as more advanced offerings.

Don't be afraid to ask questions. Who are some of the most admired professors on campus and why? Ask students if they get help from professors when they need it, and if tutoring is available.

See if the classes are small enough to regularly permit student participation. Are class discussions relaxed and lively? Do students seem comfortable expressing their views, or do they seem to be saying what

the professor wants to hear? Does the instructor challenge students with problem solving skills and critical thinking exercises? Is teamwork stressed?

Does the professor seem to know the students on an individual basis? Does he or she take a genuine interest in what students have to say? You should get the feeling that students, their work, and their ideas, count!

If you visit a large lecture class, watch the students around you. They should be listening intently and taking notes. Do students look bored? If so, they probably are. Professors who are truly excited about what they're teaching are lively and animated, even passionate.

See if students approach the professor after class. That's a sign that students are interested in what they're learning -- and that professors are involved with their classes. Professors should also be accessible through generous office hours.

How closely do students and professors work together? At some colleges, students and faculty collaborate on research, curricular, and artistic projects. Look for schools that encourage and nurture faculty-student

learning partnerships.

Students, too, should work together. They may work on group projects, study together for exams, or help one another after class.

Learning should also extend outside the classroom. Students who are really engaged in learning will talk about classes in the cafeteria and the residence halls.

While you're on campus, pick up as many school publications as you can. The student newspaper and student-produced magazines give a good sense of who the students are and what's important to them.

If you ask enough questions, it won't be hard to discover how students really feel about their school. You're exactly where they were a year or two ago, and they'll want to help.

## Culver's Drawing Contest at Kewaskum Public Library

The Kewaskum Public Library is participating in a "Grow With Your Library" kid's coloring contest during the month of April for children 12 years old and under. The contest is sponsored by the Mid-Wisconsin Library System and Culver's Frozen Custard Restaurants. Entry Forms are available at the front desk until April 30th.

In the contest, children will draw something about books or the library. They will each receive a coupon for a free frozen custard waffle cone at their local Culver's, a flower seed packet and gardening theme bookmarks and will be eligible to win a Culver's backpack or lunch pack in a random drawing to be held at the library. Their drawings will be displayed at the local Culver's in West Bend during the month of April.

Sarah Schmitt, from the Town of Wayne, was chosen from last year's participants to be in an exhibit in Madison. These drawing will be displayed at the State Capitol, 1st floor rotunda, until April 22nd. For more information, call the library at 626-4312.

## Bring Them Back Governor

By Rep. Glenn Grothman

While the legislative session did not end last week, the only bills the Legislature can take up on its own are bills, which passed both houses. Legislation to be dealt with in May includes the Packer bill, major legislation involving banks and credit unions, election law reform, and bills regarding the future costs of crime.

Unfortunately, the most important fiscal issue was not dealt with -- bringing back the property-rent credit, which used to give Wisconsin families a \$200 to \$350 subtraction from their income tax bill for property taxes they just paid. The only way this issue will now be dealt with is if Governor Thompson calls the Legislature back in Special Session.

It is important to review what is at stake here. In the past 11 years, the combined property, income and sales taxes in the state of Wisconsin have gone up 39% after adjusting for inflation. If one had told someone that we had to expand government by 40% in 1988, one wouldn't have believed that it would have been possible.

In this two-year budget as it now stands, the expected tax increase in real terms will go up another 5%. The only reason it is not higher is the state is collecting an additional \$130 million a year from the tobacco settlement or the increase would be almost 6%.

This at a time when due to the expanding economy, people should need less help from the government than ever before. At current estimates the state will have a \$380 million surplus on June 30, 2001, unless something is done. Normally, these estimates are conservative and if prior estimates are any indication, we may wind up with closer to a 6% increase.

Some people will argue that we should save this money for a rainy day, but having been in Madison for five years, I can safely predict that if we have this money available in the next budget, it will be quickly spent. We have an ill-conceived BadgerCare program

that is replacing private sector insurance and must be changed; we have made commitments to raise teachers' salaries in the next biennium greater than in the past; it is not yet clear how much the corrections budget will increase because of Truth-In-Sentencing; and we have a Governor who apparently believes in more government preschool. State agencies will all ask for their increases as usual it is apparent if money is available, it will be spent.

Governor Thompson came out in favor of reinstating the property-rent credit in January after he had vetoed it in November. It appeared clear that if the Senate did not pass a Packer bill the Governor would have called the Legislature back for that.

The property-rent credit is more important than the Packer bill. Please Governor Thompson, to prevent a year 2001 spending spree, call us back now. Please let me know that you think on this issue. Contact me here in Madison -- please call 1-888-534-0059.

## Moraine Park is Official MOUS Testing Site

If you consider yourself "proficient" or even an "expert" when it comes to using Microsoft software, you now have an opportunity to certify that knowledge through Moraine Park Technical College.

Moraine Park, with campuses in Beaver Dam, Fond du lac and West Bend, has announced that as of Feb. 1, 2000, it is a licensed Microsoft Office User Specialist (MOUS) Testing Site. This designation, granted by Microsoft Corporation, allows the College to offer MOUS testing for Microsoft Word, Excel, PowerPoint and Access. Two certifications, Proficient and Expert, are available in each of the four areas.

"Successfully completing the MOUS testing enables a person to obtain a certificate from Microsoft Corporation credentialing their skill level in the use of Microsoft Word, Access, Excel and PowerPoint," explained Jan Logan, dean of business technology at Moraine Park. "Acquiring the certification is a great way to market yourself to potential employers or even within your current work environment. It can give a person that extra edge when it comes to getting a new job or advancing in their present position."

According to Logan, students completing Microsoft courses at Moraine Park will be well prepared for the Microsoft MOUS exams. "We have been teaching Microsoft courses for years

at our campuses and the course content directly aligns with the what a person is required to know for the MOUS exams," she said.

Cost of the testing is \$40 per test. A maximum of 90 minutes is allowed per test and they are performance-based. Results are computed at the Moraine Park testing location and forwarded to Microsoft Corporation.

Students who successfully complete the exams will receive a certificate from Microsoft Corporation.

For more information or to schedule a time to take an exam, call the Moraine Park campus nearest you: Beaver Dam, (920) 887-4406; Fond du Lac, (920) 929-2470; or West Bend, (262)335-5759. Or, visit Moraine Park's website: [www.morainepark.com/academic/mous/index.html](http://www.morainepark.com/academic/mous/index.html).

## Affordable Housing Seminar Offered

WEST BEND, Residents of West Bend and surrounding communities who are interested in purchasing a home are invited to a Home Ownership Seminar sponsored by the USDA-Rural Development and State Central Credit Union. The program is available in communities with populations of 20,000 or less and rural areas.

The seminar is scheduled for Thursday, April 20 at 7:00 P.M. at the Public Agency Center, Room 1113A/B, 333 East Washington Street in West Bend.

The Guaranteed Rural Housing Program offers home ownership with no money down to qualified applicants. Mortgage limits

are based on the families repayment ability. Moderate income guidelines apply. Good credit history and stable income are required.

Additional information beneficial to families preparing for home ownership will be presented - how much of a home you can really afford, credit and budgeting, the mortgage loan process, working with a real estate professional, and why do you need a home inspection.

Area residents interested in home ownership are encouraged to attend this seminar or contact either Michele Krause at State Central Credit Union (414-778-1000 ext. 232) or Rural Development at (262-335-6850).

## Good Shepherd Church Begins Outreach Campaign

WEST BEND, Wis. -- Good Shepherd Evangelical Lutheran church, West Bend, is beginning a local outreach effort, launched by the Wisconsin Evangelical Lutheran Synod, to increase area awareness of the WELS ministry and its mission.

The outreach campaign features two 30-second television segments, one tailored for young adult viewers and the other for adults 30 to 50. Combined, these groups represent the largest segment of unchurched people in North America today, according to the WELS. In a series of brief, swiftly moving testimonials, the two segments feature Christians of different ages and cultural backgrounds addressing concerns that they have about themselves. They conclude that even with their weaknesses, they still feel the comfort of knowing that they are saved and forgiven through Jesus Christ - a reassurance that everyone can know.

The segments will run on regional and national cable networks during the two weeks leading up to Easter.

"With the dawning of the new millennium and our synod its 150th anniversary, our church leaders decided that this was the ideal time to launch the most ambitious outreach effort in our synod's history," said Robert Hartman, WELS evangelism administrator. "We are excited that the members of Good Shepherd Church are helping us reach out to the unchurched."

For more information about Good Shepherd Church, WELS or their outreach efforts, contact Good Shepherd Lutheran Church

at (262) 334-7881.

Good Shepherd Evangelical Lutheran church is a member of the Wisconsin Evangelical Lutheran Synod. The Wisconsin Evangelical Lutheran Synod exists to make disciples throughout the world for time and for eternity, using the Gospel to win the lost for Christ and to nurture believers for lives of Christian service, all to the glory of God.

WELS, characterized as theologically conservative, is the third largest Lutheran church body in America, with 1235 congregations. WELS congregations are served by more than 1,200 pastors and support 361 Lutheran elementary schools and 21 area Lutheran high schools.

### PRAYER OF THE BLESSED VIRGIN

Prayer of the Blessed Virgin: (Never known to fail). Oh, most beautiful flower of Mt. Carmel, fruitful vine, splendor of Heaven. Blessed Mother of the Son of God. Immaculate Virgin, assist me in my necessity. Oh Star of the sea, help me and show me here You are my Mother. Oh Holy Mary, Mother of God, Queen of heaven and earth, I humbly beseech You from the bottom of my heart to succor me in my necessity (make request). There are none that can withstand Your power. Oh Mary, conceived without sin, pray for us who have recourse to thee (three times). Say this prayer for three consecutive days and then You must publish and it will be granted to you. Grateful thanks.

## KHS Offering Basketball Class

Kewaskum High School is offering a basketball skills class during the summer school program.

It is open to all current fourth, fifth, sixth, seventh and eighth graders. For the boys who started working on their fundamental basketball skills during the fall and winter months at the KYB clinics run by Coach Nordeng, this is an excellent way to continue your training.

If you are one of the kids who missed out on the Sunday night clinics, this is an excellent way to improve your ball-handling, passing, shooting, team offense, individual and team defense, and just your overall understanding of the game. Sign up now!

Coach Nordeng will be teaching the class, and it will have two sections: fourth through sixth

graders, and seventh and eighth graders. The class will meet from 8 until 9:45 or 9:50 to 11:35.

If you are interested in signing up for this class, contact Eva at Kewaskum Middle School at 626-8427, extension 2323.

Parents this is a great opportunity for your son to improve his skills and prepare for next year's (and the years after) basketball season. There is a charge of \$5 and the class is open to all!

## Juniors Gosa, Foerster Lead Indian Girls to Second at Quadrangular

Michelle Zingsheim goes up and over eight feet to win the pole vault at a quadrangular track meet at New Holstein on Thursday, April 6.

By Jerry Gosa

NEW HOLSTEIN - Reminiscent of earlier Kewaskum girls' track teams, the KHS girls track team battled Sheboygan Falls to a second place finish on Thursday, April 6, at a quadrangular meet. Sheboygan Falls won the meet with 58 points and New Holstein finished fourth with 52 points.

Kewaskum won a total of six events and placed second in six other events, while Sheboygan Falls won four events and took second in eight events.

Colleen Gosa won both her specialties, the discus with a throw of 104'2" and the 1600m run with a time of 6:17.5 on a cool and particularly windy day at the

beginning of the track meet. Gosa also placed second in the 800m run with a time of 2:43.7 and third in the shot put with a personal best of 31'3". Teammate Kelly Darmody placed third in the 800m run with a time of 2:46.3.

Emmy Foerster won the 100m high hurdles with a time of 17.3 seconds and placed second in the 300m low hurdles with a time of 52.9 seconds. Foerster also ran the anchor leg on the 4x400m relay at the end of the meet. "Her running on the relay team will only help her become a stronger and better hurdler," commented hurdle coach Ellen Kuphal.

Michelle Zingsheim won the pole vault with a jump of 8' and Nicole "Coco"

Herrmann won the shot put with a throw of 31'9-1/4".

The 400m relay team of Becky Herriges, Kristin Schiller, Stacy Muckerheide, and Tina Lindgren won with a time of 56.4 seconds, 1.3 seconds ahead of Sheboygan Falls. The same foursome placed second to Sheboygan Falls in the 800m relay with a time of 1:59.0 compared to Falls' 1:56.1.

Freshman Jessie Graham placed second in her first outing in the 400m dash with a time of 69.0 seconds. Jolene Clark tied for second in the high jump with a height of 4'10" and Heather Hackbarth also finished second in the 3200m run with a time of 14:09.

Sprinter Tina Lindgren finished third in the 100m

dash with a time of 13.7 seconds and fourth in the 200m dash with a time of 29.2 seconds. Teammate Stacy Muckerheide finished fourth in the 100m dash with a time of 14.3 seconds and freshman Becky Herriges finished fifth in the 200m dash with a time of 29.8 seconds.

The Kewaskum 4x400m relay team of Lauren Schultz, Michelle Zingsheim, Amber Averill and Emmy Foerster ran better and finished third in 4:45.6 on the heels of Sheboygan Falls. The 4x800m relay team of Kelly Darmody, Heather Hackbarth, Mandi Will and Jessie Graham finished third with a time of 12:08.7.

The girls were disappointed that they didn't win the meet. This is obviously a good sign. Last year the girls' team struggled a bit and this year they have come out and worked hard and expect to do better. One of the juniors commented that they can't even remember winning a meet against other conference schools.

### ABC SKAT RESULTS

The winner at skat played at Ralph Laux's in Random Lake at "Gables by the Pond" on Tuesday, April 4th was: Ralph Laux, 21-2-19 net.

## Resolution No. 00-09

A RESOLUTION OPPOSING ASSEMBLY BILL 739

WHEREAS, Assembly Bill 739 requires that notices of public hearings for zoning changes include maps showing locations of properties affected or explanations of where maps can be obtained; and

WHEREAS, the bill requires all zoning agencies to maintain a list of persons who have requested notice of proposed zoning changes; and

WHEREAS, the bill requires all zoning agencies to send notices to each person on the list, and allows agencies to charge each person a fee to recover the costs of providing the notice; and

WHEREAS, under current law, municipalities are required to publish this information as legal notices in the newspaper; and

WHEREAS, property owners and other interested parties have access to the information in the newspaper, mailing individual notices is redundant and forces municipalities to reallocate staff resources;

NOW THEREFORE, BE IT RESOLVED, that the Village of Kewaskum opposes Assembly Bill 739 because the potential cost in staff resources outweighs the benefit to a few individuals.

# KHS Juniors Sparks and Parrent Shine as Boys Place Third at Quadrangular

By Jerry Gosa

**NEW HOLSTEIN --** Two great individual efforts coupled with great efforts from all the members of the Kewaskum High School boys track teams provided the coaches and the athletes some long awaited satisfaction.

Even though the boys officially finished third out of four Eastern Wisconsin Conference schools, a couple of scoring errors and some great results from the varsity and JV athletes left little doubt that all the hard work the team has been doing in practice is starting

to pay off with better performances.

Charlie Sparks broke the school record in the discus with a throw of 155'1" and Josh Parrent cleared a personal best of 13' in the pole vault in Kewaskum's first outdoor meet of the season. Host New Holstein dominated the competition by winning eight first places and six second places as they totaled 96 points. Sheboygan Falls finished second with 76 points, followed by Kewaskum's 70.5 points and Manitowoc Roncalli finished with 33.5 points.

Sparks' throw of 155'1"

broke the record of 153'4" set by Brian Liegl in 1997. "Charlie has started the season very focused. He has picked up right where he left off last season as a sectional qualifier. I would not be surprised to see Charlie raise the school record even further this season," commented throwing coach Dave Rizzardi. Sparks also anchored both the 400m relay and the 800m relay teams to victory and placed fourth in the shot put with a throw of 41'7-3/4".

The wins in both relays were specially satisfying for Jim Thelen, Chris Canter, Tony Fitts, and Sparks

because both Sheboygan Falls and New Holstein "kicked our butts at Oshkosh," according to one of the Kewaskum relay team members. Both wins were close. Kewaskum was timed at 1:38.4 to New Holstein's 1:38.8 in the 800m relay and in the 400m relay Kewaskum posted a time of 47.4 seconds to Roncalli time of 47.6 seconds.

Josh Parrent picked up where he left off at the Oshkosh Invitational by clearing 12'6" and then cleared a career best of 13 feet on his first attempt. When Parrent cleared 13' a

loud cheer went out by all the Kewaskum coaches, athletes and fans.

Teammate and fellow junior Brian Wall also had a good night as he cleared a season best of 12' in the pole vault. Wall's height of 12' would have placed him second overall in the competition, because Wall was competing on the junior varsity. Senior Joel Hermann, competing in the other varsity spot, had an off night and only cleared 10'6" for third place. His previous best had been 12' earlier this season.

"Josh Parrent did a great job. Clearing 13' so early in the season is quite an

# Pole Vaulters Lead the Way As Girls Place 19th at Oshkosh Invite

By Jerry Gosa

**OSHKOSH --** The Kewaskum High School girls' track team finished 19th out of over 30 schools at the Oshkosh Girls Division II Track Invitational on Tuesday, April 4.

The Kewaskum girls were led by the third place finish of Michelle Zingsheim in the pole vault. Zingsheim equaled her career best by clearing eight feet in the competition. Teammate Jacki Krueger cleared 6'6" in the pole vault to finish seventh which gave Kewaskum an additional two team points.

Zingsheim's six team points, plus Krueger's two team points gave Kewaskum eight team points. Jolene Clark tied for eighth place in the high jump with a jump of 4'10" and gave her team an additional half of a point. Kewaskum thus finished with 8.5 points in the prestigious meet.

DePere High School, behind three first place finishes by Katie Pierce, won the 25th Annual Oshkosh Invitational with 66 points. Pierce won the pole vault with a height of 9', the long jump with a distance of 16'4", and the triple jump with a leap of 34'1". Pierce

also finished second in the 55m hurdles with a time of 8.92 seconds.

Eastern Wisconsin Conference schools Two Rivers finished fourth with 37 points, New Holstein took 14th with 17.5 points and Sheboygan Falls finished 23rd with five points.

Highlights for the Kewaskum girls included the ninth place finish of Emmy Foerster in the 55m hurdles with a time of 9.91 seconds. Foerster just missed the finals as the top eight individual times advanced to the finals. Foerster ran well and should provide help in the hurdles for the Indians.

Colleen Gosa finished 11th out of 44 runners in the 1600m run when she won her heat by knocking almost 23 seconds off her time from the Washington County Indoor. Gosa's official time was 5:59.56 (five minutes and 59.56 seconds). Gosa followed the lead runner for the first seven plus laps, then passed her on the last turn and held off the competitor in a sprint to the finish.

"Colleen ran a very good race," commented distance coach Randy Backhaus. In the 800m run later in the evening, Gosa posted a time

of 2:43.6. Two Rivers sensation Brianna Dahm won the 1600m run with a time of 5:14.13.

Nicole "Coco" Herrmann threw 31'21" in the shot put and just missed moving with the top eight throwers into the finals. Steph Dura of Pestigo won with a throw of 38'10".

Jody Wichtoski jumped 13'6" in the long jump and 28'2" in the triple jump but did not make the finals in either event. Tina Lindgren and Stacy Muckerheide came close to making it into the finals of the 55m dash with times of 8.15 seconds and 8.29 seconds. The winning time was 7.56 seconds.

The 800m relay team of Becky Herriges, Stacy Muckerheide, Kristin Schiller and Tina Lindgren, finished 19th out of 34 schools with a time of 2:01.43. Two Eastern Wisconsin Conference schools, Two Rivers and Sheboygan Falls, posted times of 1:57.12 and 1:57.82.2, and placed third and fifth respectively.

Amber Averill and Lauren Schultz ran the 400m dash in 70.18 and 75.8 seconds respectively, but did

not place in the top eight. Jackie Limberg of New Holstein placed second in the 400m dash with a time of 62.30 seconds. Heather Hackbarth ran the 3200m run for the first time in her career and finished with a time of 14:23.

The 1600m relay team of Lauren Schultz, Michelle Zingsheim, Amber Averill and Emmy Foerster ran a time of 4:44 but did not place in the top eight. Foerster, the newest member of the quartet, ran a 400m split of 1:07.5 for the Kewaskum Indians. A team can almost never have enough good 400m runners. Sprinters and 400m runners are integral to the success of a track team due to all the three relays (400m, 800m and 1600m relays) and three open running events (100m, 200m and 400m dashes).

The 3200m relay team of Kelly Darmody, Mandi Will, Heather Hackbarth and Jessie Graham ran a time of 11:55.46 and also did not place.

Coach Gosa's thoughts were, "Like the boys at Oshkosh, the girl pole

vaulters led the way and picked up most of the points for the team. Michelle now has cleared 8' twice this season in competition. It was interesting watching Katie Pierce of DePere clear 8'6" and 9' in the pole vault. We hope that Michelle and Jacki Krueger both keep working hard on their pole vaulting. Emmy Foerster did a good job in the hurdles and the 1600m relay. It's nice to see that Emmy will be able to provide much needed help in the 1600m relay. Colleen Gosa also did a nice job in the 1600m run and then came back and ran well in the 800m run. I think the girls' team is starting to make progress, but they'll have to keep working hard."

The Kewaskum girls' track team will next compete on Saturday, April 15, at the Sixth Annual Crusader Invitational hosted by Waukesha Catholic Memorial High School to be held at Muskego High School. Field events start at 9:15 and preliminaries in the 100m dash start at 9:30 a.m.

## Sparks, Parrent Shine at Quadrangular

(Continued from Page 19)

accomplishment in itself. But for a pole vaulter who has only vaulted one full year this is really great. Our three top pole vaulters (Parrent, Hermann and Wall) have now all vaulted 12' or more with Brian Wall vaulting 12' on Thursday. I'm looking forward to an excellent season," commented pole vault coach Rick Robinson.

Chris Canter tied with Jason Kowalski of Roncalli for first place in the 100m dash with a time of 12.0 seconds and Jim Thelen tied with Dan Vera of New Holstein for third place with a time of 12.1 seconds. (Why all the varsity 100m dash runners didn't run in the same heat is a good question that should have been proposed.)

Canter also placed second in the long jump with a jump of 18'3-1/4". Tony Fitts placed second in the 200m dash with a time of 24.8 seconds.

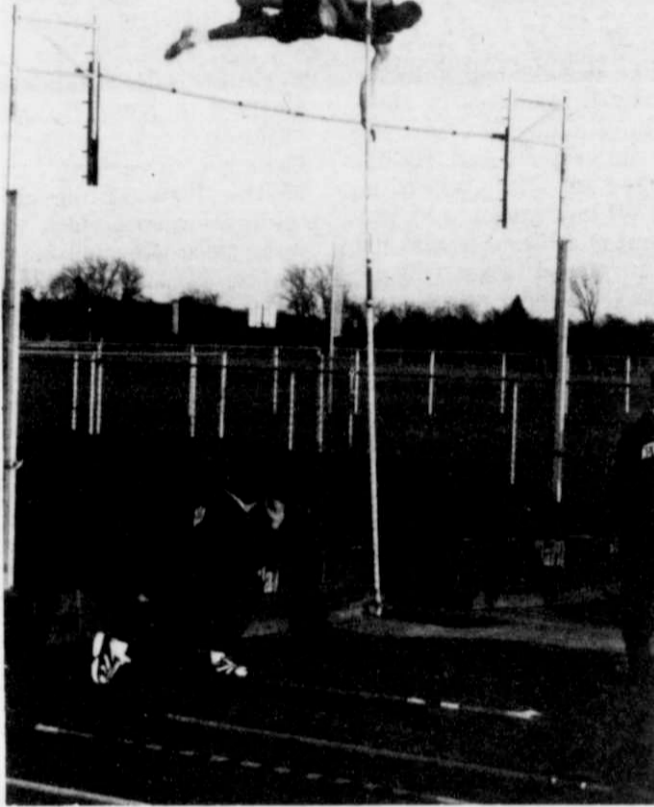

Senior Jesse Boegel continues to impress and amaze his coaches and teammates as he ran second in the 800m run with a time of 2:06.7. New Holstein's Justin Schmitz and Boegel battled to the wire with Schmitz winning with a time of 2:06.3. "Jesse ran one heck of a race," commented distance coach Randy Backhaus.

Chris Baker also ran a personal best in the 1600m run. Baker dropped over 11 seconds since he ran at the Oshkosh Invitational on March 24. "I think Jesse can get his time down under five minutes if he keeps working hard," commented Coach Backhaus.

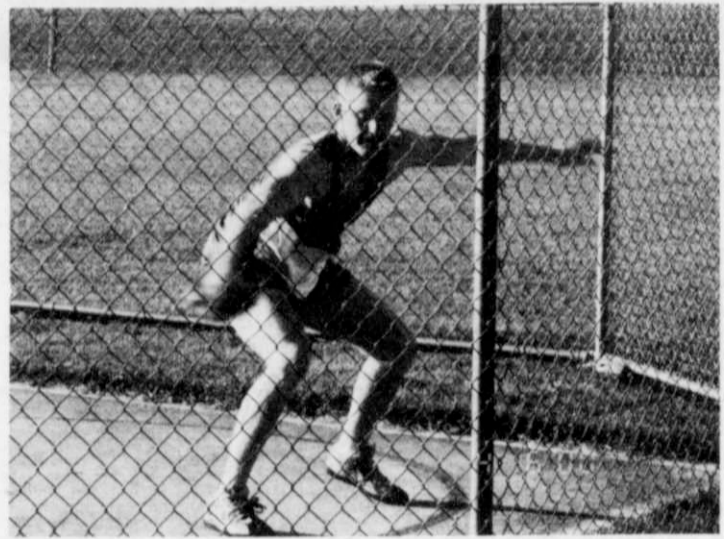

Paul Mertz placed second in the high jump and Tom Ogi fourth with heights of 5'6" and 5'4". Freshman Mike McKee placed fourth in both the 110m high hurdles and 300m intermediate hurdles. Justin Weninger placed third in the triple jump with a distance of 34'1" and fifth in the 300 hurdles.

The Kewaskum 1600m relay team of Darrell Woebeking, Mike McKee, Andy Lickel, and Jesse Boegel finished third with a time of 3:53.7. Boegel did a good job as he ran a 55.6 second split. Kewaskum is hoping that its mostly underclassmen 1600m relay will mature throughout the season and surprise the rest of the conference.

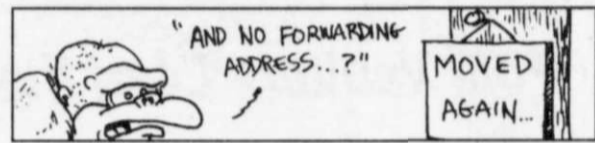

The hard work the boys team has done the last two weeks is starting to yield results and is giving the guys some confidence. The effort put forth in practice, plus the effort and desire shown in the meets are so important. We are happy and proud of those efforts, but it is important for them to remember that they must keep working hard if they are going to improve further.

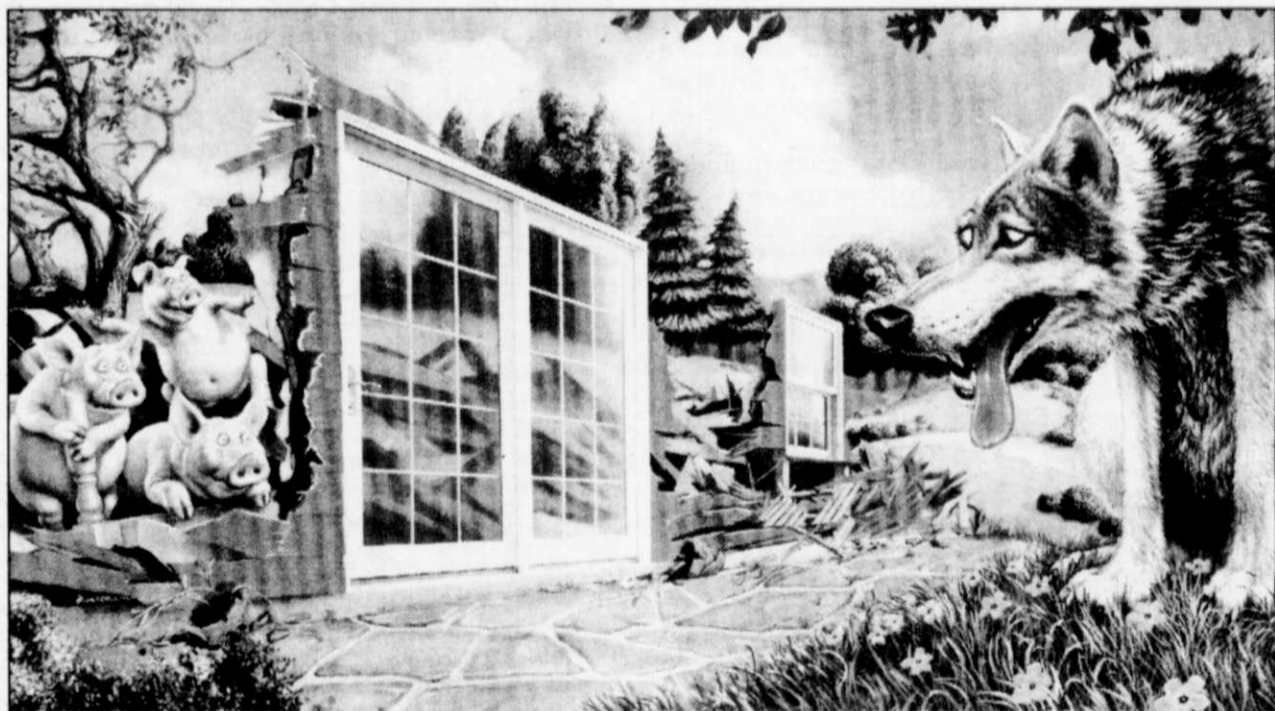

Josh Parrent clears 12' in the pole vault with all kinds of room to spare. Parrent went on to clear a personal best of 13'6" to win the pole vault at New Holstein on Thursday, April 6.

Charlie Sparks breaks the Kewaskum High School record in the discus with a throw of 155'1" in the first outdoor meet of the season at New Holstein. The old school record was 154'4" set by Brian Liegl in 1997.

Gorillas are always on the move and never spend more than one night in the same place.

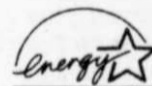

Moral of the story: Our windows and doors will survive.

The big, bad elements are in for a rude awakening when they confront an Integrity® window or door. And now, you'll find a wide range of Integrity

products from Marvin right in our showroom.

Integrity windows and doors have a virtually indestructible exterior made of a strong

material called Ultrex™. With Ultrex, Integrity products stay square, won't bend, or warp. Which means no job-site hassles. Ultrex

doesn't crack, change color or become spotty

either. And it's energy efficient enough to earn an Energy Star qualification. As for beauty, Integrity windows and

doors have wood interiors you can stain or paint. And Ultrex's finish is paintable to match exterior colors, too. So visit today. We've got

plenty of options, including the new Integrity swinging door. And our wide range of services and experienced staff will help you find

the Integrity product you and your

customer have in mind. The End.
