Board Approves Land Division of Antique Mall Property

By Andrew R. Kuehl
Staff Writer/Photographer

The Village of Kewaskum Board met Monday, to discuss and review a request by David Gruber, part-owner of Wiseguys Tavern, and Robert Beisbier, owner of Kewaskum Frozen Foods, to divide the property known as the General Store Antique Mall to make a larger parking lot for both of their businesses.

Beisbier explained to the

board that he and Gruber planned to purchase and raze the large red building behind the General Store Antique Mall and open it up for more parking.

After the building is razed the two would share the parking lot and it would be divided into two separate parcels.

Gruber would maintain control over the front portion of the Antique Mall.

The Village Board voted unanimously to accept the land

division.

Village Administrator Dan Schmidt said that there was no historical value of the building since it was not registered with any state or national registry.

At an earlier Plan Commission meeting held Wednesday, April 26, Rick Kania of SERWPC informed the commission that part of the property was proposed to be residential according to the adopted land use plan.

At that meeting the Plan

Commission gave the project a favorable recommendation.

The board also reviewed a request from Maria and Dan McDaniel of West Bend who asked for allowance of an outdoor storage of retail landscaping materials at their proposed landscape/garden center to be erected between the Silver Platter Restaurant and Dairy Queen.

McDaniel also asked for the board to approve the placement of a temporary office trailer

until the permanent structure was finished.

Both requests were approved by the board.

At the earlier Plan Commission meeting discussion also took place regarding the driveway access. Direct access is not allowed from US Highway 45.

The property is owned by Jerry Mehring who previously owned Dairy Queen.

'Lost in a Dream,' This Year's Theme at KHS Junior Prom

Evening Buffet, Style Show Set For May 10

Area women and men are again cordially invited to attend the 10th Annual Kewaskum Area Chamber of Commerce Appreciation Buffet and Style Show on Wednesday, May 10, at Amerahn Ballroom located on Highway 45, just north of Kewaskum.

"Flattering Fashions" will be presented by Sears and Brauns of Fond du Lac, Prima Bridal of West Bend, Hon-E-Kor Country Club of Kewaskum and Sagers of West Bend. The spring fashions, male and female, for all sizes and ages will be featured.

Some of the models you won't want to miss for this year are: Patty Hintz representing the National Exchange Bank of Campbellport; Terri Timblin of Trev Timblin Trucking; Andrew Kuehl of the Kewaskum Statesman; Nicole Rawley from Video Post; Kay Bandle representing the dental hygienists of this area; Becky Heisdorf of St. Francis Bank, Heidi Schacht, a student at Moraine Park Technical College of Fond du Lac, and Janet Stange, representing the mothers of the area.

"Fitting Remarks" will again be given by Coordinator Wendi Dreher. She always adds that "flair" with her original comments. The cost for the evening buffet and style show is \$14.50 per person.

This year, the Chamber of Commerce is adding something new. They will have area businesses display their latest items on the market in booths surrounding the hall area. The cost for businesses to set up a booth is only \$15 for the

Members of Kewaskum High School's Junior Prom Court, front row with escorts behind them, left to right: Becky McDonald, Emily Rinzel, Krystal Reindl, Stefanie Brettingen and Jacki Broecker. Second row, Joshua Jungwirth, Billy Koch, Scott Sarauer, Matthew Schroeder and Charlie Sparks. Third row: Brianna Obright, Beth Degner, Kristin Schiller, Lynn Weisner and Kathryn Schneider. Back row: Jacob Stoffel, Tim Branta, Paul Becht, Kevin Miller and Bob Ogi. The prom will be held in Rose Hall at the high school Saturday from 8-11:30 p.m. The community is invited to view the grand march at 9:15 p.m.. This year's theme is *Lost in a Dream*.

WBKV/WBWI's Williams, Bonenfant Win Awards

Bliss Communications, parent company of AM 1470 and Pure Country 92.5 FM WBWI Radio, West Bend, recently honored two employees for their outstanding contributions in 1999.

Elaine Williams, WBKV/WBWI Secretary, won the Associates Award, while Bob Bonenfant, WBKV Program Director and Account Executive, won for his sales performance.

Skip Bliss, company president, inducted Williams and Bonenfant and 12 others into the 1999 Presidents Club during a banquet ceremony at the Hospitality Inn in Milwaukee on Saturday, April 15.

The President's Club is an annual award for one associate and select salespeople from each radio market in the Bliss Communications Radio Broadcast Division.

Associates are nominated by co-workers for performing exceptional service, and then selected among finalists by Skip Bliss. Sales-

people earn entry by exceeding their annual sales goal by more than 5%. Inductees receive a three day weekend getaway, dinner with Skip Bliss, an engraved pen, engraved plaque and \$200 cash.

The weekend getaway included attendance at a Milwaukee Bucks game where they suffered a narrow defeat to Charlotte; plus two Milwaukee Brewer games in the frigid "lake effect" air.

Skip Bliss saluted the family members in attendance at the dinner who are primary supporters of the great efforts performed by the President's Club members.

"There are numerous examples of exceptional service from several associates happening every day in each of our markets. Let's catch people doing something right and nominate them for the 2000 President's Club," noted Mike O'Brien, Vice President of Sales.

Style Show Set

(Continued from Page 1)

entire evening. It is hoped as many Kewaskum area businesses as possible will be set up to introduce themselves to potential area shoppers. This is the perfect opportunity for members and non-members alike to show their support for Chamber activities. Please call Wendi at 626-2428 if you are interested in setting up a booth.

Raffle ticket sales, awarding of door prizes, and touring the booths will begin at 5:30 p.m. with the buffet starting at 6 p.m. at which time the style show will commence as soon as patrons are seated.

Did you forget to thank your "right arm" properly on Secretary's Day? Make it up to her (or him) by arranging tickets to the style show. Are you at a loss on what to surprise mom with on her special day coming up? The perfect gift would be to share an evening, just the two of you, at the buffet/style show. This would be a gift she will remember for many years to come.

Just need a night out away from never-ending housework and demanding children? Come by yourself and enjoy an evening of "Fashions with a Flair" and a delicious meal actually cooked by someone other than yourself! Better yet, bring along a few of your friends. They are undoubtedly suffering from the same stress you are this time of year.

All will enjoy the meal which will include tender-

loin tips over spaetzle, chicken cordon bleu over rice pilaf and many additional extras. Just the fact that you don't have to cook is worth the price of admission alone. Not to even mention a well-deserved night out with your friends!

Wednesday, May 10 is a lot closer than you imagine. It's less than a week away. You can no longer think to yourself, I'll call Wendi for tickets tomorrow... you need to call now for reservations, before there is no more time or space left for you and your friends. Give Wendi a call... quick... right now... at 626-2428.

KHS Honors Ceremony May 10

On Wednesday, May 10, at 7 p.m. Kewaskum High School will be recognizing the accomplishments of many of the students.

Students will be awarded scholarships, be recognized for academic achievements, Badger Boys and Girls will be announced, along with many other presentations.

The public is invited to this opportunity to acknowledge the many accomplishments of our students. Refreshments will be served.

KHS Principal Ganka Undergoes Bypass Surgery

Robert Ganka, High School Principal for the School District of Kewaskum, underwent a routine stress test on Thursday, April 27.

Instead of returning home, the doctors determined that Bob be admitted to St. Luke's Hospital in Milwaukee. After a series of tests on Friday, Ganka had quadruple by-pass surgery on Saturday. He will be in the hospital until Thursday or Friday of this week and will then be released to his home for recuperation.

On Sunday, he was taken out of intensive care and was on his feet as is the usual procedure for heart surgery.

Bob should be able to return to his duties as principal on a part-time basis in about a month. He is still weak, but is also extremely thankful that this was caught before he had experienced a heart attack, and is planning on attending his first Senior Class graduation on June 2.

Poppy Day Coming

The American Legion Auxiliary Unit 384 of Kewaskum will be sponsoring their volunteer distribution of veteran-made, hand crafted memorial poppies on

Invitation to Young Adults

The video, "Sex Has a Pricetag," gives a compelling look at sex in the new millennium. Clinical Psychologist Pam Stencil tackles, in a captivating and inspiring talk, the tough issues of sex teenagers face with candor, insight and a challenge for young people to get the "Abstinence Advantage."

The video will be shown at Salem United Church of Christ in Wayne on Sunday, May 21, at 5 p.m. followed by a simple lunch. Afterwards, weather permitting, softball or soccer will be played. If you have any equipment please bring it along.

People today are faced with a raging plague of sex related problems. Pregnancy, sexually transmitted disease including HIV and rape statistics are at an all time high and climbing.

Pam's experience comes from doing extensive pregnancy counseling and being the former director of Alpha Womens' Center.

Before young people will buy into abstinence, they must hear a convincing message. In the video, Ms. Stencil addresses a large teen audience with a most captivating presentation.

Salem UCC will be inviting all young adults from the area to participate in this gathering. Without question, every young adult attending will be dramatically affected to do serious thinking about his/her thoughts and attitudes held and decisions made about sex.

If possible, please let the people at Salem Church know how many teens from your church consider coming. However, do assure them that last minute decisions to attend are very much welcome. The church phone number is 262-626-4000.

Friday, May 19 on the sidewalks and shopping areas of Kewaskum.

The poppies are given in exchange for a free-will contribution to remind America-at Peace of the price of war and the sacrifice of millions of lives. At the same time, the Poppy Day distribution honors all of America's veterans.

Campus Notes

Rachel Ann Nysse, a junior at Lakeland College, Sheboygan, has been awarded the Outstanding Student Award for Upperclassmen in Business Administration as well as in Economics for the 1999-2000 school year.

She was given these awards at Lakeland's Honor Banquet on April 14, 2000. Rachel maintains a 4.0 GPA and is pursuing a triple major in Business Administration, Economics and Marketing.

She is the daughter of Daniel and Patricia Nysse of the Town of Farmington.

Schoofs Art Exhibit at Meadow Creek Apartments

Kewaskum artist Christopher Schoofs will be hosting an open house for the purpose of sharing his art creations with the local public at large.

The event is to be held on Sunday, May 7th, from 1 to 5 p.m. in the central lobby of the Meadow Creek Apartment complex located at 1119 Roseland Drive in Kewaskum.

The artist will have several paintings on display and will be doing portrait demonstrations and will answer questions visitors might have about his artwork.

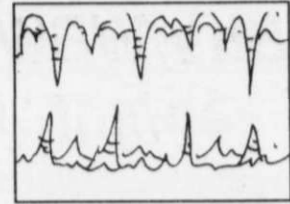

Refreshments and snacks will also be available. Chris works full time as an artist at his studio on the Schoofs farmstead in rural Kewaskum. He is currently showing his oil paintings in several galleries in Wisconsin, Minnesota and California. He is planning to travel west this summer to expand his representation in Arizona and elsewhere.

Although he has been legally

A white spot on a cat's chest is called a locket.

blind since birth, it has had no negligible effect on his artwork. In fact his disability, he feels, has enabled him to be more focused as an artist and appreciate things he may have not noticed if he were fully sighted.

Remember, stalactites hang down from the roof of a cave and stalagmites rise up from the floor of a cave.

Harlow to Appear in Show Boat

Kewaskum native Chad Harlow will appear in the cast of the award-winning Broadway classic, *Show Boat*, at the Madison Civic Center on Wednesday, May 17, at 7:30 p.m. as part of the musical's national tour.

A graduate of Kewaskum High School, Chad is the son of Joe and Judy Harlow of Kewaskum.

Jerome Kern and Oscar Hammerstein II's sumptuous, romantic musical epic, *Show Boat*, is hailed as "a jewel of American theater" and boasts a treasure trove of classic Broadway songs including, "Ol' Man River," "Can't Help Lovin' Dat Man," and "Only Make Believe."

Set on the Mississippi River in the late 1800's, the crew of the Cotton Blossom invites you to sail away to a bygone day. From the post-reconstruction Deep South to the Roaring Twenties, *Show Boat's* story spans four decades to recount the journey of Cap'n. Andy Hawkens, his wife Parthy, his beautiful daughter Magnolia, their show boat troupe of actors, and the Cotton Blossom floating theater.

Show Boat broke ground in 1927 as the first musical to combine a serious theme with a rich score and lavish presentation, earning numerous accolades including five Tony Awards and five New York Drama Desk Awards. With five Broadway productions, four London productions and three major films, few shows, if any, have seen as many incarnations and have reached so many thrilled viewers.

Tickets, \$37 and \$29 are available at the Civic Center Ticket Office, 211 State Street, Madison 53703, or by calling 608-266-9055, 267-2674 TTY.

Tickets Available For Breakfast On the Farm

The Washington County Dairy Promotion Committee has announced this year's annual Breakfast on the Farm will be held on Saturday, June 10, from 6:30 to 11:30 a.m. at the Cedar Lawn Farm owned and operated by the George, Kathy, Peter, Kevin and Jenni Muth family at 890 Highway A, West Bend.

The rain-or-shine breakfast will include all-you-can-eat pancakes, butter and syrup, eggs, sausage, milk, applesauce, and ice cream sundaes.

Also featured will be a

farm animal zoo, broadcasts by WTKM - Hartford and WBKV - West Bend, antique tractors on display, barn tours, a hayride to the farm, live music and a display by the Richfield Historical Society.

Advance tickets can be purchased for \$5 each at Kewaskum Frozen Foods or St. Francis Bank in Kewaskum; Hubies Hardware or M & I Bank in Allenton; the Extension Office, Farm Bureau Office, M & I Banks, Sausage Plus, or West Bend Elevator in West Bend, other businesses throughout the county or by sending a self-addressed, stamped envelope (with price of tickets) to Mike Strupp, 3126 Powder Hill Road, Slinger, WI 53086.

Rep. Grothman Presents Checks to St. Lucas, Holy Trinity Schools

Shown above, 59th Assembly District State Representative Glenn Grothman, center, presents a check to St. Lucas School principal, Mark Kahrs, left, and to June Gauvin, principal of Holy Trinity School. Grothman was awarded the two checks for winning the Legislative Charity Golf Challenge in Madison. Each legislator defines one or more charities he/she is playing for prior to the start of the tournament. Democrat and Republican legislators then square off with each other to play for the pot of money. This year the Republicans were victorious. Grothman stated, "I had decided to play for St. Lucas and Holy Trinity Schools in Kewaskum in appreciation for all that they give to our community. I thought the checks would be a good opportunity to show my gratitude for the support they give to strong family centered values in the Village of Kewaskum."

Little Folks School House Addresses Summer Care for School Age Children

The staff at the Little Folks School House firmly believes that children have rights, one of which is the right to feel safe and secure.

They don't feel that any child, no matter how mature or responsible, should be left, "home alone." There are a number of potential occurrences which could jeopardize the child's safety and well being. Children deserve attention, guidance and understanding.

The Little Folks School House has operated a before and after school program at Wayne Elementary School during the past school year. Because of remodeling that will be taking place at the school over the summer, the program will not be housed in the school.

The site for the summer care program will be at the Salem United Church of Christ. The program will run from June through

August with a certified teacher.

Activities will include arts and crafts, science experiments, reading, games, outdoor play, weekly bowling trips to King Pin Lanes, weekly computer classes offered by Kids On Line, and a monthly field trip.

Anyone interested in

signing up for the program is urged to do so quickly for space is limited. For more information, contact Dodie Sargent at The Little Folks School House, 626-4023.

With the school year coming to an end, parents are urged to make safe summer arrangements for their children. Please, if not with us, do it with someone.

County Historical Society Cookout Set for May 11

The Washington County Historical Society will kick-off its Millennium Endowment Fund Drive with a public "cookout" in the parking lot of the Old Courthouse Museum on Thursday, May 11. The event will start at 4 p.m. and will end approximately at 7:30 p.m. or when the food runs out!

The Historical Society is conducting this drive to establish an endowment that will secure the financial future of the Society in years to come. Currently the Society has to search for operating revenues every year to fund its daily operations and programs.

The goal is a \$2 million dollar endowment to provide enough interest on a yearly basis to run the daily operations of the Society.

This is the opportunity for every citizen of Washington County, and friend of history to help preserve the history of Washington County for the future. Whatever the size of the contribution, every contribution to the Millennium Endowment Fund is important.

These donations will help secure its future by providing funds for the operations of the Society, and preservation of its artifacts and facilities. The wonderful Old Courthouse, Jail/Residence and St. Agnes Convent have just gone into their third century, and a new Millennium! You can be part of this legacy for the future by contributing to this endowment fund.

As we look towards this new century, you can become a part of history by helping the Historical

Society move into a new era of financial security.

Please join the Society on May 11 to have some food, tour the Museums, and hear more about making a gift that will "Secure the Past with a Gift for the Future."

For more information contact the Historical Society at 262-335-4678.

This function is sponsored by Pick and Save of West Bend.

Area Chamber of Commerce Offers Welcome Bags

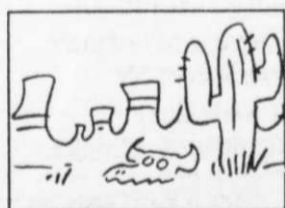

The Kewaskum Area Chamber of Commerce has prepared Welcome Bags for residents who are new or who have recently moved into the area.

The Welcome Bags will be available after April 1, 2000, and will contain pertinent information, pens, key holders, coupons from area businesses and service organizations.

Welcome Bags can be obtained at the following area business sites: Kewaskum Village Hall, St. Francis Bank and West Bend Savings Bank. The Chamber asks that you request only one bag per new household. A follow-up call will be planned after distribution.

If you know of some new area residents, please pass this information on to them so they may receive a newly-organized "Welcome" to our community.

All even-numbered highways in the U.S. move east and west, while odd numbered ones travel north and south.

The lowest point in the Western Hemisphere—282 feet below sea level—is Death Valley, California.

Christopher J. Geszvain, town of Cedarburg, and Shelly A. Farchione, town of Farmington. Wedding May 6.

If you have never mastered the art of separating egg whites, use a funnel. If you break an egg over a funnel, the yolk will stay in the funnel and the white will pass into the glass.

Village of Kewaskum NEWS NOTES

RECYCLING TIPS

NEWSPRINT AND MAGAZINES

5 of 7

TYPE OF NEWSPRINT AND MAGAZINES: Basically all types of newsprint and magazines can be recycled. Waxed paper and other waxy paper goods are not accepted. Office paper and computer paper may also be recycled.

PREPARATION: Tie in bundles with twine or strong string. Bundles should be limited to 8" in height. Office and computer paper may be bundled or shredded and stored in plastic see through bags. Place bundles at the curb next to the dark green recycling bin or blue recycling bag on the same day that your solid waste is to be collected. Pick up will be Wednesdays for both solid waste and recyclables. Multi-family dwellings of six or more, remember, your recycling pick up will be the 1st and 3rd Wednesdays of each month.

NOTE: If raining on collection day, please hold papers until the following week.

NEXT WEEK: Corrugated Cardboard

Celeried Chicken Breasts with Mustard and Dill

Celery adds a crunchy counterpoint to this 'creamy' dish

- 1 can (13 3/4 ounces) ready-to-serve chicken broth, divided
- 1 1/2 tablespoons cornstarch
- 2 teaspoons dill weed, crushed
- 2 teaspoons Dijon style prepared mustard
- 1/8 teaspoon ground black pepper
- 1 pound boned and skinned chicken breasts (cutlets)
- 3 cups celery cut in 1/2-inch slices
- 1 cup sliced onion

Measure 1/4 cup chicken broth; set aside. In a small bowl place remaining chicken broth along with cornstarch, dill, mustard and black pepper; set aside. Heat a large non-stick skillet until hot. Add chicken breasts; brown on both sides, 2 to 3 minutes per side. Reduce heat; add 1/4 cup reserved chicken broth; cover and simmer, turning occasionally, until just cooked through, about 8 minutes. Remove to a serving platter; cover with foil to keep warm. To skillet add celery and onion; cook and stir until crisp-tender, about 6 minutes. Stir and add reserved cornstarch mixture; cook and stir until mixture comes to a boil and thickens; cook and stir 1 minute longer. Spoon over chicken breasts; serve immediately. Yield 4 portions.

Firststar Donates \$500 to Moraine Park Foundation

The Moraine Park Technical College Foundation recently received a \$500 donation from Firststar Bank - Fond du Lac. Richard Hofer, Firststar's vice president - business banking division, presented Moraine Park President Dr. Jack Shanahan with the check.

"The Moraine Park Foundation is so important to helping provide our students with access to educational opportunities and that's why it is critical to receive these types of donations," said Shanahan, noting that more than half of Moraine Park's potential students say money is their biggest impediment to attending college.

Hofer says Firststar prides itself on being good, corporate citizens and they realize the importance of contributing monies to educational institutions such as Moraine Park. "We know that donating this money to

the Moraine Park Foundation will help provide increased educational opportunities, which in turn helps develop leaders for tomorrow and a continued supply of skilled workers for our community's workforce."

During the 1999-2000 school year, the Moraine Park Foundation disbursed approximately \$65,000 in scholarship dollars to nearly 100 students. These scholarships ranged from \$250-\$1,500.

Persons interested in applying for Foundation Scholarships for the 2000-01 school year need to have their applications in by June 26, 2000.

The Moraine Park Foundation, Inc., is a tax exempt, nonprofit corporation. Its purpose is to solicit, receive and administer gifts, bequests and property for the development, promotion and benefit of Moraine Park. For more information about the Foundation, contact Val Krueger at (920)929-2127 or vkrueger@moraine.tec.wi.us.

Speed Jump Rope Contest Held

Contestants in the finals of the division one (grades kindergarten and one) Kewaskum School District Speed Jump Rope Contest were, from left, Emily Maki (KES), Rachel Ogi (WES), and Michael Schladweiler (FES).

Division Two finals participants were Anna Butler (KES), Megan Nickel (WES), and Emily Kruschke (FES).

KES students Ben Butler, Lindsay Foley, and Jamie Wiedmeyer were the finalists in division three of the Speed Jump Rope Contest.

District jump ropes got quite a workout as students from Wayne, Kewaskum and Farmington Elementary Schools participated in the finals of the district's 18th Annual Speed Jump Rope contest.

Jumpers squeezed in as many jumps as possible in three pairs of ten second trials, with the highest number in each pair counting

towards their final scores.

KES fourth grader Ben Butler was crowned the overall district champion by amassing 156 jumps in his three trials.

Also competing with Ben Butler in division three (grades four and five), were Lindsay Foley (FES) and Jamie Wiedmeyer (WES).

Capturing the division

two (grades two and three) title was Farmington's Emily Kruschke, who edged out Wayne's Megan Nickel and KES second grader Anna Butler.

The division one (K-one) title went to Wayne's Rachel Ogi over Farmington's Michael Schladweiler and Kewaskum Elementary's Emily Maki.

Uhlman Attends National Mathematics Conference

CHICAGO, IL, April 2000 - Ery Uhlman of Kewaskum Middle School, Kewaskum, Wisconsin, joined more than 18,000 mathematics educators from around the country for the 78th Annual Meeting of the National Council of Teachers of Mathematics (NCTM) taking place April 12-15.

Leading this year's meeting agenda was the official release of "Principles and Standards for School Mathematics," NCTM's updated standards. "Principles and Standards" presents a timely, updated vision of school mathematics, describing a future where all students have access to high-quality, engaging mathematics instruction. It updates NCTM's original "Standards" documents for school mathematics, the first of which was released in 1989.

NCTM President Glenda Lappan kicked off the four-day meeting with her opening session, "Higher Standards for Our Students, Higher Standards for

Ourselves: Principles and Standards for School Mathematics." The session highlighted the main messages of "Principles and Standards," demonstrated how the updated document builds on the success of the Council's original three "Standards" documents, and showcased the power of the electronic edition -- a new addition to NCTM's standards efforts.

NCTM's Annual Meeting is the largest gathering of mathematics educators in the world. More than 1,300 workshops, sessions and panel discussions -- led by nationally renowned education experts -- took place, with the focus on helping teachers strengthen skills and teaching methods for the 21st century mathematics classroom.

In addition, more than 260 businesses were on-hand to demonstrate the latest in curriculum and testing materials, student-centered manipulatives, and state-of-the-art technological advances that teachers and students can use to enhance learning.

Modern Woodmen Of America Camp 2233

Hearts Sheepshead: Bernice Scott and Dorothy Weinert

Kiwanis Awards Education Scholarship For Outstanding Community Service

On April 24, 2000 the Kiwanis Club of Kewaskum Club selected Kristina "Tina" Olewinski as their recipient for the Kewaskum High School Key Club Scholarship.

This scholarship is presented to a deserving Kewaskum High School student who is active in Key Club, an extracurricular organization for KHS students that are dedicated to community service. Key Club conducts a wide variety of community service projects each year and holds an annual banquet that is free to all senior citizens that attend.

On May 15 at 6 p.m., Tina will be presented the \$1000 scholarship at the weekly meeting of Kiwanis held at the American Legion Post in Kewaskum. Presenting the check will be the Kiwanis advisor to the Key Club, Jim Reuther.

"This is the first time Kiwanis has had an oppor-

tunity to present this scholarship, and Tina is an outstanding choice," said Reuther. Tina served as Key Club President last year and serves as an officer this year. Aside from being an outstanding student, she has been active in recruiting and inspiring new Key Club members and critical in organizing community service projects and helping with Kiwanis fundraisers.

\$500 will be contributed by the local Kewaskum Kiwanis Club and the Wisconsin-Upper Michigan Kiwanis District Foundation will provide \$500 in matching funds. "Kiwanis has been working on this scholarship for over a year," added Reuther. Kiwanis district matching fund approval, which doubled the award, arrived on April 22.

Kewaskum Kiwanis provides five other academic scholarships totaling over \$6000 each year for students of the Kewaskum

School District. Kewaskum Kiwanis President Kevin Scheunemann, will preside over the meeting where the Key Club scholarship will be presented. "This is a great achievement for Kiwanis and the community of Kewaskum," says Scheunemann. "We want to inspire all students to do great things, and reward those students who serve the community above and beyond our expectations," added Scheunemann. "Tina is that person for 2000."

Students interested in being a member of Key Club (making the student eligible for this award in the future) are encouraged to contact Deb Ison at Kewaskum High School or visit Kevin Scheunemann at Dairy Queen (626-4774).

If you wish to attend the meeting on May 15, please contact Kevin Scheunemann at Dairy Queen before May 12. The cost is \$9.

National Teacher Appreciation Week

By John T. Benson

Most of us remember a Mrs. Amberg.

She was the teacher for most of my graded-school years at Suldal School in rural Mauston. For her students, she was, as author Mark Van Doren said of teaching, engaged "in the art of assisting discovery."

She was able to teach a wide variety of subjects to children spanning first through eighth grade. She taught us to read, write, add and subtract. She taught older students how to teach younger students.

Our parents' expectations of us were reinforced by Mrs. Amberg, and vice versa. She and her farmer husband shared the values of the community affectionately called Norwegian Gap.

- * Hard work.
- * Honesty.
- * Caring for those less fortunate.

Most of us remember a Mrs. Amberg.

Few of us have taken the opportunity to thank the Mrs. Ambergs in our lives.

During National Teacher Appreciation Week, May 7-13, communities focus their attention on these public servants who have dedicated their lives to our children and their future.

What a great opportunity to thank that teacher who taught us to read or who steered us toward the career we chose and the success we enjoy today.

I urge each person in Wisconsin to pick up the telephone, call that special teacher who crosses your mind every once in awhile, and say, "I just wanted to

let you know how much you meant to me. Thanks."

And to all the Mrs. Ambergs in classrooms all across this state, I just

wanted to let you know how much you mean to Wisconsin's children and young adults.

Thanks.

Earn College Credits This Summer Through Courses on the Web

Staying at home this summer? Or going on a family vacation? No matter how you're spending your summer, there's a convenient and flexible way to also start or continue a college education.

With the University of Wisconsin Colleges' online courses delivered totally over the Internet, classwork can be completed at the time of day that coincides with a busy summer schedule. So it's possible to work toward a UW degree anytime, anywhere.

The summer session 2000 online courses available at www.uwcolleges.com include: Geography 120 - Survey of Physical Geography; History 127 - The World in the 20th Century; Mathematics 110 - College Algebra; Meteorology 100 - Introduction to Meteorology.

The cost is \$130.00 per credit plus a \$50 non-refundable course registration fee. Classes begin June 12, and the deadline for online registration is June 2.

UW Colleges online courses never meet at a particular time or place although they are structured within the summer semester time frame. Students and faculty interact with each other as mem-

bers of a class, over the Internet using web pages, discussion groups and email. Courses are taught by professors from UW Colleges, the freshman-sophomore institution of the UW System.

To get a better idea of how online classes work, try some of the sample online classes at www.uwcolleges.com

Who benefits from online courses? Although anyone can take a UW Colleges Online course, including college students who want to supplement their course load and high school students who want to get a jump on college credits, the focus is on working adults. With a personal computer and the Internet, a student can earn credits toward a UW degree on a lunch hour, after work or even on a business trip or vacation.

All online courses, which can lead to an associate's or bachelor's degree, are backed by the high standards and reputation of the University of Wisconsin. Students can take all

required freshman/sophomore courses online or take some online courses to complement credits that will be or have been earned elsewhere. The credits earned through online courses transfer just like those earned in a traditional classroom setting.

Once students complete the general education requirements for an associate's degree, they can continue their education online by enrolling in UW-Platteville's Online Business Degree program (BBA). UW-Whitewater also offers a Master's degree in business (MBA) online.

To register for a class or more information about UW Colleges Online, visit www.uwcolleges.com or call 1-888-INFO-UWC.

Roehl Transport Offers In-Cab E-mail Service

Roehl Transport, a national trucking company that employs dozens of Wisconsin and Upper Peninsula drivers, is making it easier for those drivers to stay in touch with their families and friends.

Utilizing the Roehl on-board satellite system, drivers can opt to use CabCard, the first personal communications system designed specifically for the transportation industry. The innovative wireless system is a perfect complement to Roehl's superior home time policy, providing convenient and affordable personal communications through E-mail and P/E-mail, an enhanced satellite paging service.

* In-Cab E-Mail -- allows drivers to send and receive e-mail messages in the truck cab from anywhere in the world. It's less expensive than long distance and cell phones.

* P/E Mail -- allows family members to send a variety of pre-programmed messages directly to the cab from any touch-tone phone. It's less expensive than

paggers.

CabCARD also provides toll-free access to a personal driver voice mailbox and discounted long distance. The E-mail and P/E-mail services carry no monthly fees or contracts and have no federal excise tax or pay-phone usage charges.

CabCARD communications system is the easiest, least expensive way for drivers to stay in close contact with their loved ones. It's another example of Roehl's commitment to keeping drivers closer to home.

Roehl is one of the 100 largest truckload carriers in the United States. The company is ranked among the top 10 paying carriers and top 10 best managed carriers in the nation. Headquartered in Marshfield, WI, Roehl has terminals, drop yards and dispatch locations in California, Georgia, Indiana, Minnesota, Missouri, Ohio and Wisconsin.

WASHINGTON COUNTY NUTRITION PROGRAM

For the Elderly Menu Meadowcreek Complex

Monday, May 8 -- Meatloaf w/creole sauce, parsleyed potatoes, green beans, 7 grain bread, butterscotch pudding.

Tuesday, May 9 -- Chilled pineapple juice, sweet sour pork w/veggies, steamed rice, Chinese veggie blend, whole wheat bread, sugar cookie.

Thursday, May 11 -- BBQ chicken, oven brown potatoes, creamy cole. slaw, dinner roll, brownie.

Friday, May 12 -- Tenderloin tips w/mushroom gravy, egg noodles, harvard beets, tossed veggie salad w/ranch dressing, egg bread, banana cream pie.

American Airlines saved \$40,000 in 1987 by eliminating one olive from each salad served in first-class.

TOWN OF WAYNE LIQUOR LICENSE APPLICATION

TO WHOM IT MAY CONCERN:

The following persons have made applications for a Class "B" Combination Beer and Liquor license for the period of July 1, 2000 to June 30, 2001:

Nancy Ann Dankemeyer, Wacky Shack, 7710 Hwy W, West Bend, WI 53090, Village of Kohlsville,

Renee Wegner, Wegner's Downtown Tap, 8892 Hwy. W, Allenton, WI, 53002, Village of Wayne.

Kathryn & Nick Vogt, Hitching Post, Kohlsville, 5781 Main St., Kohlsville, West Bend, WI 53090, Village of Kohlsville.

The above applications will be heard and considered at a Town Board Meeting, at 7:30 P.M. Wednesday, May 17, 2000, at the Town Hall 6030 Hwy. H.

Orville Kern, Clerk

County Fair Books Available

The 1999-2000 Washington County Fair Book is now available for distribution.

If you ever considered entering the competition at the County Fair, now is the time to pick up a book and fill out an entry form. Books are available by calling the Fair Office at 644-5060 or stopping in at the Fair Office, located at the Fair Park, 3000 Hwy. PV in West Bend. Office hours are Monday through Friday, 8 a.m. to 4:30 p.m.

The Washington County Fair has two main divisions: Open Class and Junior Class.

The Open Class Division is open to any resident of Washington County and features a special Senior Citizen Division. Some of the categories available include crafts, horticulture, woodwork, foods, clothing, home furnishings, livestock, knitting and crocheting.

The Junior Class Division is open to youth who are members of an organized group such as 4-H, FFA, FHA, Scouts or Pioneers.

In order to compete in the 2000 Washington County Fair, all entry forms must be returned by June 30. The dates of this year's fair are July 26-30 at the new Washington County Fair Park.

Images from the Wayne Circus

Was it a real circus or was it Mrs. Stradtman's kindergarten class getting ready for their Spring Concert? With students dressed as everything from elephants to clowns to zebras, it was sure hard to tell!

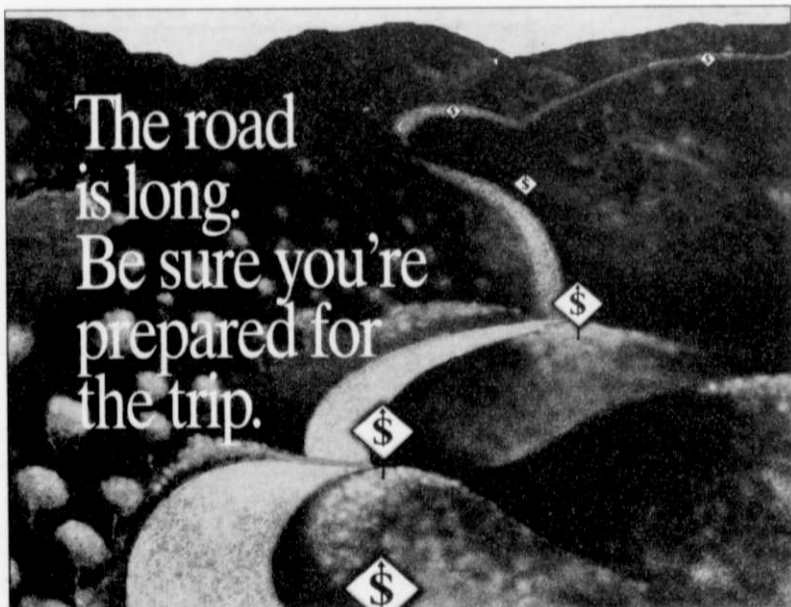

Wayne second grader Megan Nickel gets a last bit of face paint from parent volunteer Mrs. Heberer before participating in the Wayne Spring Concert, titled, "The Wayne Circus," which featured songs and costumes highlighting animals and the circus life.

Wayne Ringmaster Jill Schmitt and her clown assistant Andy McDonald, pause before the beginning of the Wayne Circus, undoubtedly, "The Greatest Show on Earth!"

At the WES Spring Concert, Lontamer Ricky Giese gets lion Zach Rate to sit up.

The road is long. Be sure you're prepared for the trip.

"He followed me home, Mom. Will you accept him as a Mother's Day present?"

Obituaries

LESTER J. HEINECKE

Lester J. Heinecke of West Bend died on Thursday, April 27, 2000 at his residence at the age of 80 years. He was born on October 24, 1919 in Theresa to the late Emil and Elsie (nee Zimmel) Heinecke.

After his marriage to Nelda R. Koller on September 20, 1944, they settled on a farm in Kohlsville, where he and his wife farmed until the 1970s.

Then for a number of years, he was employed in maintenance at The West Bend Co. until his retirement in 1981.

His favorite pastime was working in his gardens. Lester will be remembered for the abundance of fresh-picked vegetables and the gorgeous flowers he grew every year.

Survivors include Nelda, his wife of 55 years; seven children, Dianne (Tom) Hetland of Rhinelander, Ken of West Bend, Elaine (Tim) Bong of Campbellsport, Merlin (Laurie) of Iron Ridge, Allen (Jayne) of Allenton, John of West Bend, and Jeannine (Marty) Mittelstadt of Campbellsport; 16 grandchildren, two great-grandchildren; six sisters, Helen Rate of Oklahoma, Adeline Kempken of Oconomowoc, Lucille (Ray) Roecker of Fond du Lac, Bernice (Donald) Schmidt of Richfield, Mary Ann (Frank) Ewert of Neosho and Arlene (Walter) Kohler of West Bend; three sisters-in-law, Marcella Heinecke of Oconomowoc, Florence Heinecke of Kewaskum and Dorothy Heinecke of St. Anthony; other relatives and friends.

Preceding him in death was one son, Gerald in 1993, five brothers, Edwin, Erwin, Harry, Merlin, Robert and one sister-in-law, Agnes Heinecke.

Funeral services were held on Monday, May 1, 2000 at 10:30 a.m. at Zion Ev. Lutheran Church, Kohlsville, with Rev. Steven Bode officiating. Burial followed at Holy Angels Cemetery, West Bend. Visitation was at the Schmidt Funeral Home, West Bend, on Sunday from 4 p.m. until 8 p.m., and at the church on Monday from 9:30 a.m. until the time of services.

GERTRUDE E. MANN

Gertrude E. Mann, 79, formerly of Campbellsport, died Sunday, April 30, 2000, at the Samaritan Home, West Bend.

She was born in Germany to the late Max and Anna (Hohmann) Krautz, and married Harry Mann on Nov. 14, 1942, in Holton, Maine.

She worked at Gilbert Shoe Factory in Campbellsport and then at

Mallard Coach in West Bend until retiring.

Later she, along with her son and daughter-in-law, operated Mann Floral in Campbellsport for a number of years.

She was a former member of Immanuel Lutheran Church, Campbellsport.

Survivors include two sons, Gerald (Sarah) of West Bend and Michael (JoAnne) of Iowa City, Iowa; three grandchildren, Mark of Campbellsport, Edward of West Bend and Ginger (Hagen) Kirk of Iowa City, Iowa; a grandson-in-law, Michael LaDuke of West Bend; two great-granddaughters, Sarah and Amelia; other relatives and friends.

Preceding her in death was her husband in 1960; a granddaughter, Susan LaDuke, and a brother, Gerhard.

Family services were held on Wednesday, May 3 at 4 p.m. at the Twohig Funeral Home, Campbellsport. Rev. Daniel Kelm officiated and burial followed in Union Cemetery, Campbellsport.

Visitation at the funeral home was on Wednesday from noon until the time of services.

Memorials may be directed to St. John's Lutheran Church, West Bend.

ALAN J. "AL" WENINGER

Alan J. "Al" Weninger of Three Lakes and formerly of West Bend died on Thursday, April 27, 2000 at his residence at the age of 49 years. He was born to Joseph (Ethel Spaeth) Weninger on August 2, 1950 in Hartford.

He was raised in Jackson and attended St. Frances Cabrini Grade School and was a graduate of Slinger High School's class of 1968. He served with the US Navy during the Vietnam Era and

then later attended the University of Wisconsin Washington County.

He moved to Three Lakes in 1979 and was employed as a carpenter with various contractors and recently with Gary Schultz construction for over 20 years.

He was an avid fisherman and loved playing horseshoes with the local horseshoe league.

Survivors include his parents; five brothers, Jerome (Betty) of St. Croix, VI, Bruce (Carolyn) of Kewaskum, Ronald of Slinger, Thomas (Yvonne) of Jackson, and Brian of West Bend; six sisters, Joanne (Mike) Schmitz of Rolla, MO, Donna (Mike) Patik of DeForest, Nancy (Tom) O'Neal of LaCrosse, Karen (Dan) Vogt of Hartford, Lois Weninger of Slinger, and Elizabeth (John) Maczuzak of Sheboygan; 11 nieces, 13 nephews; two great-nieces; other relatives and friends.

He was preceded in death by his grandparents.

A Mass of Christian burial was held on Monday, May 1, 2000 at 10 a.m. at St. Peter's Catholic Church of Slinger with closing of the casket prayers at 9:15 a.m. at the funeral home. Father Robert J. Bales officiated.

MARJORIE C. KRCIL

Marjorie C. Krcil, nee Meyer, of West Bend, died Tuesday, April 25, 2000, at her residence, at the age of 46.

She was born March 13, 1953, in West Bend, to Fred and Florence (nee Juech) Meyer, and at an early age her family moved to Racine where she grew up.

In 1970 she returned to West Bend.

Marjorie received an associate degree from Moraine Park Technical College in West Bend, served as the house manager for Kettle House at Kettle Moraine Treatment Center and was also a teacher's aide at Badger Middle School.

On Aug. 11, 1989, she

married Gerald T. Krcil in West Bend. He passed away Sept. 4, 1999.

Survivors include five children, Nicole (fiance John Quillan) Meyer of Chandler, Ariz., Shawn (fiancee Jane Marti) Hansen of Onalaska, Troy (special friend April Zeiske) Hansen of Kewaskum, Rebecca Meyer of Tucson, Ariz. and Kevin Haendel of West Bend; her mother, Florence Meyer of Hatley; her maternal grandmother, Lucy Keller of West Bend; a sister, Joyce (Dennis) Held of Hatley; three brothers, Jack (Lisa) of Florida, Corky (Sue) of Kewaskum and Fred Jr. (Tracy) of West Bend; her mother-in-law, Luella Krcil of West Bend; her pet dog, "Cinder," many special loving nieces and nephews, and many very special friends.

Preceding her in death was her father.

Funeral services were held Friday, April 28, at 7 p.m. at the Schmidt Funeral Home, West Bend, with Father Gerald Brittain officiating.

Visitation was on Friday from 4 to 6:45 p.m.

The family has asked that memorials be given to a charity to be determined at a later date.

IN MEMORY

In memory of **LAWRENCE THEUSCH**, who passed away May 6, 1980.

We are happy for the time we had

We know you are safely home and your work on earth is done.

Our love for you will remain strong but we miss your advice and decisions which were seldom wrong.

Our holiday's and special times are not the same. But we will do our best to carry on your good name.

Sadly missed by the Bonnie Theusch family

Kewaskum Fire and Rescue Squad Calls

Wednesday, April 26 - The Kewaskum Rescue Squad personnel was summoned at 2:48 p.m. in the Village of Kewaskum to assist and transport a male patient to St. Joseph's Community Hospital, West Bend, for difficulty breathing.

Thursday, April 27 - The Kewaskum Rescue Squad was dispatched at 10:41 a.m. to a Village of Kewaskum residence for a male patient who was ill. The patient was transported to St. Joseph's Community Hospital, West Bend.

Saturday, April 29 - The Kewaskum Rescue Squad responded to a call at 4:25 p.m. for a male patient who was injured when thrown from a horse. The patient was transported to St. Joseph's Community Hospital, West Bend.

SEEDS FROM THE SOWER®

Michael A. Guido Metter, Georgia

Last week my mother-in-law offered a visitor a cutting from her African violet plant. "But won't your plant wear out and die?" asked the friend.

"No," she answered. "The more I take from the plant, the more it grows."

Life's like that. Those who give of their talents, time and treasures to God and man don't wear out and die. They bloom more abundantly and more beautifully.

Give the best you have, and the best will come back to you. The Bible says, "It is possible to give away and become richer! It is also possible to hold on too tightly and lose everything. Yes, the liberal man shall be rich!"

4-H State Leaders Conference Held

Front row, left to right: Kirstin Krudwig, Bridgette Flasch, Cassie Rimmel. Middle row: Ruth Flasch, Marge Slaughter, Agnes Wagner, Gladys Ramel, Beth Rimmel. Back row: Norb Yogerst, Pam Kescenovitz, Jan and Ray Heidtke, Barb Yogerst and Scott Rimmel.

The 2000 4-H State Leaders Conference was held March 17-19 in Oshkosh. More than 175 youth and adult volunteers from the state of Wisconsin attended educational workshops, listened to speakers and participated in many activities.

The theme for the conference was "Magic of 4-H" which planted new ideas, fun and friendship. Delegates attended sessions relating to photography, new projects material, club activities, self esteem, laughter, what's new in foods, 4-H money -- handle it with care, and many more.

Volunteer delegates also had the opportunity to exchange ideas and share knowledge with others. Adult and youth leaders will have the opportunity to apply the new ideas in their own club, county and community programs in Washington County.

Washington County 4-H program had three youth and 11 adult volunteer delegates attend this year's conference in Oshkosh. The delegates were Jan (State 4-H Leaders Council Treasurer) and Ray Heidtke, Norb and Barb Yogerst from the Kirchhayn Trotters 4-H Club, Gladys Ramel from the Kewaskum 4-Hers, Marjorie Slaughter and Pam Kescenovitz from

the Hi-Lite Happy Workers 4-H Club, Bridgette, Ruth and Agnes Wagner (State Volunteer Steering Committee) from the St. Lawrence Eager Beavers 4-H Club, Scott, Cassie and Beth Rimmel, from the Myra-

neers 4-H Club, and Kirstin Krudwig from the Wayne Crusaders 4-H Club.

Scholarships by the Washington County 4-H Leaders Association helped support the volunteers for the conference.

Presentation on Wildflowers of Wisconsin May 11

You are invited to a presentation, "Wildflowers of Wisconsin" to be given at St. Joseph Convent, 526 Mill Street, in Campbellsport. The presentation will be given by Tim Stoffel and will feature over 400 species of wildflowers.

Tim will show slides and give information about the names, medicinal purposes and other facts about the flowers. This informational and colorful session will inform, delight and inspire you.

The presentation is offered through the Lifelong Learning Program and will take place on Thursday, May 11 at 6:30 p.m. in Clara Center. The "Wildflowers of Wisconsin" presentation is free and all are invited to attend.

For further information you may call the Continuing Education and Events office at 533-8351, extension 130.

Commercial Space Available For 2000 Fair

The Washington County Fair, scheduled for July 26-30 at the new Washington County Fair Park, is now accepting applications for commercial space from the businesses in Washington County and the surrounding areas. Historically, this is one of America's traditional ways for a business to show their wares.

Businesses can rent space in either a commercial tent or outside space.

For more information, contact Sandy Lang at the Washington County Fair Office at 644-5060 or stop at the Fair Office located at the Fair Park, 3000 Hwy. PV in West Bend.

Kewaskum 4-H'ers Enjoy Hands-On Experience

Bob Weindorf let Kewaskum 4-H members have a hands-on experience on the different ways of communicating through computers and phones. His presentation went with the country-wide "Communication" theme of the year for 4-H.

The April meeting of the Kewaskum 4-H'ers was led by Treasurer Stephanie Briggs. After the pledges and roll call, our new secretary Sarah Kissinger read the minutes from the last meeting. Stephanie Briggs gave the treasurer's report.

Jesse Backhaus gave an activity report in the Communications and Art Festival that he attended and Justin Weindorf shared with the club what he did at his last Drawing and Painting meeting.

Moving into Old Business, preparations were made for the April 22 Brat Fry at Sentry in Kewaskum. A tour of the Kewaskum Post Office was planned for April 29th.

For New Business, Brooke Zanow volunteered to organize a Milwaukee Mustangs night on May 12. Mrs. Kissinger also volunteered to get information about the club going to Noah's Ark in mid-summer.

Happy Birthday this month to Brooke Zanow and Candace Kuphal. Demonstrations were given by Alyssa Jung on the book she made, Angel Olson on her vintage suitcase, and Justin

Weindorf on his pogo stick. The guest speaker was Bob Weindorf of Lucent Technology. Mr. Weindorf set up his computer and phones to show members the advancements in communication through improving technology.

Brooke Zanow, Reporter

Successful 4-H Program Award Presented

Front row, left to right: Maggie Kiselicka, Becky Lawton, Joe Ahlers. Back row: Kandi O'Neil, Norb Yogerst, Cindy Gundrum, Agnes Wagner. Not pictured: Bridgette Flasch and Scott Yogerst.

The Wisconsin Association of Extension 4-H Youth Development Professionals (WAE4-HYDP) presented Kandi O'Neil, Washington County 4-H Youth Development Educator, Agnes Wagner, Staff Assistant, and Washington County 4-H Promotion Committee, the Successful Program Award in the area of Program Development by a team at the WAE4-HYDP Annual Banquet held April 12, at the Chula Vista Conference Center in Wisconsin Dells.

The team of Kandi O'Neil, Agnes Wagner and

the Promotion Committee were recognized for their educational effort and accomplishments in the promotion and expansion of the Washington County 4-H Youth Development Program.

The program involved training teams of youth and adults from local 4-H clubs who wanted to be involved in promoting 4-H at the club/community level and

supporting new families in 4-H. These Ambassadors educated the public about 4-H opportunities in Washington County for youth who live in the city and country in grades K-13.

A key to this successful program has been the involvement of youth and adult leaders at the county and club level and in ownership of the responsibility to promote 4-H to others.

spotlight on health

Benefits Of Aloe Vera, The Wonder Plant

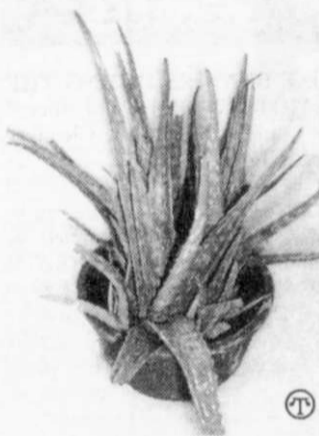

(NAPS)—One of the world's most unique plants, aloe vera has been used throughout history for its medicinal and health qualities. For thousands of years, tales of the "Wonder Plant" have appeared in written records.

The Egyptians were the first to document the many uses of aloe vera. The Greeks, Romans, Algerians, Moroccans, Tunisians and Arabians also show written evidence of having used the plant.

Central American Indians used aloe vera to heal burns, prevent blisters and regulate all types of stomach and intestinal disorders, kidney infections and gastric ulcers. Even Cleopatra touted the benefits of aloe, supposedly attributing her irresistible beauty and charm to its use as a topical gel.

Even as its popularity grew, the plant's full potential was not explored until recently, when it was incorporated into a healthful drink called Aloe Lu-Ya™. The plant's ability to soothe and heal burns and sunburns has been common knowledge for years, but its unique benefits to the skeletal, immune, circulatory and digestive systems have only recently been realized.

As an anti-inflammatory, aloe vera acts as a catalyst to reduce swelling and ease pain

Aloe, a plant known for helping heal the outsides, is now being used to benefit the insides.

in and around joints. It is also known to work on a number of bodily systems, including increasing the activity and effectiveness of the immune system and toning up the main functions of the digestive system.

Aloe Lu-Ya is available at Wal-Mart® stores nationwide. The drink couples the plant's juice with such beneficial substances as ActiVin™, ginseng, ginkgo biloba and Vitamin C. In addition, for every bottle sold, Renaissance Man, Inc. will donate three cents to the Arthritis Foundation.

To find out more about the drink, you can visit the website at www.aloehuya.com.

Game Fish Season Opens Saturday

MADISON -- The game fish season opens May 6 on Wisconsin's general inland waters, offering anglers a chance to catch many of the state's most popular game species.

Trout, salmon, northern pike, walleye and sauger are all fair game on most Wisconsin inland waters starting that day, although anglers should always check the Department of Natural Resources fishing regulations pamphlet first to learn about any special season dates for boundary waters or other waters they want to fish. Anglers can fish for panfish such as bluegill, pumpkinseed, crappie and yellow perch seasons all year.

Anglers can catch and keep largemouth and smallmouth bass in the southern zone starting May 6, and can catch and release bass in the northern zone starting on that day. But anglers cannot harvest bass in the northern zone until June 17.

The northern zone boundary has changed slightly for the season: it now includes the area north of State Highway 77 from the Minnesota border east to Hayward, the area east of State Highway 27 from Hayward to Cornell, the area north of State Highway 64 to Lake Michigan, and the area north of State Highway 64 to Lake Michigan, and the area north of Highway 29 in Brown, Kewaunee and Door counties.

The northern zone encompasses all of Door, Douglas, Bayfield, Ashland, Iron, Vilas, Forest, Florence, Oneida and Price counties and portions of Burnett, Washburn, Sawyer, Rusk, Chippewa, Taylor, Lincoln, Langlade, Marinette, Oconto, Kewaunee and Brown counties.

Musky can be harvested south of Highway 10 starting May 6, and north of Highway 10 starting May 27.

Those different opening dates are intended to protect fish during spawning seasons or other stages during their life cycle in which they are particularly vulnerable to fishing, according to Mike Staggs, who directs the DNR Bureau of Fisheries Management and Habitat Protection. Different species spawn at differ-

ent times of the year, and because water temperature and the time of year determine spawning seasons, species in northern lakes may trail their southern counterparts where the water warms up more quickly.

"We've had the opener in May for decades, with the idea that the season is closed before then to encompass the spawning season," Staggs says. "It's hard to find one date that works for all species, so we tried to come up with one opening date that protects the most fish in the widest area."

The dates listed are those for general waters, and they can be found on-line, along with fishing regulations, at: <http://www.dnr.state.wi.us/org/water/fhp/fish/keydate2.htm> Always check the fishing regulations pamphlet for special county or boundary waters regulations to determine if any special season dates exist for the particular waters you plan to fish.

Muskellunge - North of Hwy. 10 - May 27 through Nov. 30. South of Hwy. 10 - May 6 through Nov. 30.

Largemouth/Smallmouth Bass - Northern Zone - Catch and Release - May 6 through June 16. Bass Harvest - June 17, 2000 through March 1, 2001. Southern Zone - Bass Harvest - May 6, 2000 through March 1, 2001.

Northern Pike - May 6, 2000 through March 1, 2001.

Walleye and Sauger - May 6, 2000 through March 1, 2001.

Panfish - Open all year. Hook and Line Sturgeon Season - Sept. 2 through Oct. 15.

Trout and Salmon - Early Trout Season - March 1 through May 5. Regular Trout Season - May 6 through Sept. 30. Lake Trout on Lake Michigan, Green Bay and Lake Michigan Tributaries - March 1 through Oct. 31. Trout and Salmon on Lake Superior Tributaries - May 6 through Sept. 30.

Fifty percent of America's population is within a day's drive of Indianapolis, Indiana.

YMCA Proposes Camp Expansion in Northern Unit of Kettle Moraine Forest

MILWAUKEE -- The Department of Natural Resources is seeking public comment on a proposal by the YMCA of Metropolitan Milwaukee to construct four new dormitories and extend its current lease at Camp Matawa in the Northern Unit of the Kettle Moraine State Forest.

The Department of Natural Resources owns the camp facility and the land it occupies. In 1996, the Department entered into a 15-year lease with the YMCA. The YMCA wishes to extend the term of the lease to 30 years. Current law allows 30-year leases in this specific instance.

The proposal would expand the complex capacity from 120 to 224 individuals. According to officials with the YMCA, the proposed expansion would enable the existing camp facilities to be more fully utilized and should enable the YMCA to run the camp in a more cost-effective manner. Construction is proposed for this year.

The dormitories would be situated in the intensive development area of the camp. To make room for this expansion, a portion of a spruce tree plantation would be cut and sold. Existing infrastructure of roads, parking lots, water and electrical systems

would remain constant, however a new septic mound system would be required. The estimated cost to the YMCA for the proposed project is \$1.2 million.

This proposed project and lease extension do not have the potential to cause significant adverse environmental impacts; therefore, the Department has made a preliminary determination that an environmental impact statement will not be required.

Camp Matawa is open year round and use of the camp is not limited to YMCA members. The camp offers a variety of recreation opportunities to youth and adult groups, schools, churches and businesses including, but not limited to, biking, canoeing, cross-country skiing, field sports, fishing, horseback riding, an indoor climbing wall and an outdoor alpine climbing tower, nature study, snowshoeing and swimming.

In addition, the YMCA provides outdoor recreational skill training and leadership and team building exercises.

The proposed dormitory expansion and lease extension plans may be reviewed at the Forest Headquarters during normal business hours, Monday through Friday from 7:30 a.m. to

4:30 p.m. Written and oral comments on the proposal are welcome and should be received by May 13, 2000.

Telephone Forest Headquarters at 262-626-2116 or write to Kettle Moraine State Forest - Northern Unit, N1765 Co. Hwy. G, Campbellsport, WI 53010.

Alzheimer's Ass'n. Caregiver Support Group to Meet

The next Alzheimer's and Related Dementia Support Group meeting will be held on Wednesday, May 10, from 1 to 3 p.m. at Cedar Bay Residential Facility, 5555 Cedar Bay Drive, West Bend, in the Community Room just off the lobby.

There will be an open discussion.

The Alzheimer's and Related Dementia Support Group meets the second Wednesday of each month. Friends, family members and caregivers of people with Alzheimer's or related dementias are welcome to attend. This group is done in conjunction with the Alzheimer's Association of Southeastern Wisconsin. For information call 334-9487 or (Milw.) 276-4370.

Kirst Partners With High Performance Home Program

Committed to the latest construction practices for comfort, durability, safety and energy efficiency, Kirst Builders has joined the Wisconsin ENERGY STAR® Homes program. This unique program works with builders to ensure a high quality home and affordable operating costs for the homeowner.

"We wanted to offer something superior," said Robert Kirst "by partnering with Wisconsin ENERGY STAR Homes, we are able to do just that. They help us identify cost effective technical options and provide financial guidance. With their support we're building unique, energy efficient homes and saving the client money."

The first of its kind in the Midwest, Wisconsin Energy Star Homes is a voluntary program. Builders work in cooperation with certified Home Performance Raters. Homes are performance tested through multiple site visits and given an overall score. Homes rating 86 or higher (on a 100-point scale) receive the Wisconsin ENERGY STAR Homes seal of approval.

All Wisconsin ENERGY STAR homes include a system to manage moisture and indoor air quality. In addition, proven construction techniques are utilized to minimize drafts, maintain

comfort and reduce energy use. Combined with other energy-saving enhancements and equipment, a Wisconsin ENERGY STAR home can significantly reduce energy costs for the homeowner and result in higher resale value.

"More builders are participating in the Wisconsin ENERGY STAR Homes program," said Joe Nagan, Wisconsin ENERGY STAR Homes Regional Coordinator. "It enables them to offer a product that sets them apart from the competition."

Kirst Builders located in Kewaskum, has constructed quality homes for 26 years. Mr. Kirst began building energy efficient homes before 1991 -- the Wisconsin ENERGY STAR HOMES program has given him an opportunity to expand on his practice and offer new energy efficient techniques.

Wisconsin ENERGY STAR Homes is sponsored by Wisconsin Focus on Energy, a program dedicated to bringing innovative ideas in energy efficiency to Northeast Wisconsin.

For more information on Kirst Builders call Robert Kirst at (262) 626-4392.

For more information on the Wisconsin ENERGY STAR Homes program or a list of current builders, allies and mortgage partners, call (800) 677-8423.

Gosa Fourth in Discus, Herrmann Fifth In Shot Put at Crusader Invitational

Nicole "Coco" Herrmann, left, and Colleen Gosa pose with their throwing coach Dave Rizzardi after placing fifth and fourth respectively at the 30 team Sixth Annual Crusader Invitational hosted by Waukesha Catholic Memorial High School.

By Jerry Gosa

MUSKEGO -- The Kewaskum High School girls' track and field team competed against over 30 schools on Saturday, April 15, at the sixth annual Waukesha Catholic Memorial Crusader Invitational.

Host Catholic Memorial won the meet with 81 points. Defending WIAA Division I state champion D.C. Everest finished second with 65.5 points. Hartford Union High girls scored 33 points and placed seventh in the prestigious meet. Kewaskum scored nine points and ended up tied for 21st with Milwaukee Custer.

Junior Colleen Gosa had the highest finish for Kewaskum as she placed fourth in the discus with a personal best throw of 115'8". The winning throw in the discus was 143'. Gosa also ran the 1600m run in 5:59 (five minutes and 59 seconds).

Sophomore Nicole "Coco" Herrmann placed fifth in the shot put with a throw of 32'5".

The 800m relay team of Becky Herriges, Emmy Foerster, Kristin Schiller and Tina Lindgren almost placed when they finished ninth with a time of 1:59.1. Foerster did a commendable job filling in for Stacy Muckerheide, who was participating at the State Forensic Meet. Herriges also ran the 200m dash with a time of 30.3 seconds, but did not make the semifinals.

The 400m relay team of Becky Herriges, Jody Wichtoski, Kristin Schiller and Tina Lindgren ran their fastest time of the season, 56.3 seconds, but did not place. Wichtoski ran well, filling in for Muckerheide, who is a regular member of the 400m relay.

Jolene Clark cleared 4'8" in the high jump but did not place. The winning jump in the competition was 5'3".

Tina Lindgren and Becky Herriges both long jumped distances of 14'1" and 12'8" respectively. Lindgren also ran her fastest time of the season in the 100m dash with a time of 13.7 seconds, but she did not make the semifinals.

Emmy Foerster and Jenna Roecker ran the 300m low hurdles in 53.0 seconds and 55.5 seconds respectively, but neither placed in the tough field. Roecker also ran the 100m high hurdles in 18.7 seconds, but did not advance.

Colleen Gosa and Kelly Darmody ran the 800m run with a time of 2:45 and 2:54 respectively, but neither placed in the top eight. Heather Hackbarth ran the 3200m run in 14:01 but also did not place and the 1600m relay of Lauren Schultz, Michelle Zingsheim, Becky Herriges and Emmy Foerster finished with a time of 4:51.2 but also did not place.

Graham Wins 400m Dash At Mayville Invitational

By Jerry Gosa

MAYVILLE -- The host Mayville girls team dominated the competition by totaling 187 points to win the annual Frosh/Soph Track and Field Invitational on Monday, April 24.

Horicon finished second with 125 points, Waupun finished third with 109 points and Random Lake finished fourth with 93 points. Kewaskum scored 89 points, Randolph scored 83 points for sixth, Central Wisconsin Christian scored 39 points for seventh.

Highlights for the Kewaskum girls include the following places, times, distances or heights:

Freshman Jessi Graham won the 400m dash with a personal best time of 1:06.7 (one minute and 6.7 seconds). Graham also anchored the 400m relay team of Betsy Marx, Breyan Donath, and Kayla Brock to a third place finish with a time of 1:00.7. Donath, running the 400m dash for the first time in a meet, finished fourth with a time of 1:10.5.

Another freshman, Jenna Roecker, finished second in the 100m high hurdles with a time of 18.4 seconds. Roecker fell in the 300m low hurdles, but still finished sixth. The winning time in the 100m high hurdles was 17.9 seconds.

Betsy Marx finished second in the pole vault with a personal best of 6'6" and fellow sophomore Jolene Clark placed second in the high jump with a season best height of 5'0". The winning

heights in the pole vault and high jump were 6'6" and 5'1".

The 800m relay team of Betsy Marx, Breyan Donath, Jenna Roecker and Stacy Muckerheide finished second with a time of 2:03.2. Mayville won the 800m relay with a time of 1:59.2. Muckerheide also finished fourth in the 100m dash with a season best time of 13.7 seconds and Marx finished seventh with a time of 14.1 seconds.

Donath also finished sixth in the 200m dash with a season best time of 30.2 seconds. The winning times in the 100m dash and 200m dash were 13.1 seconds and 28.1 seconds respectively.

Sophomore Nicole "Coco" Herrmann finished second in the shot put with a throw of 32'2" and third in the discus with a toss of 79'10". The winning distances in the shot put and discus were 32'10" and 94'5" respectively.

Mandi Will finished third in the 1600m run with a time of 6:55.

"This meet will give our athletes a chance to compete and to compare themselves against just other freshmen and sophomores. A lot of time when they are competing in meets against conference schools they don't necessarily know the grade of their competition. We saw some good efforts and we were very happy with Graham's effort and win in the 400m dash, along with Clark's five foot effort in the high jump for second place," concluded Coach Gosa.

Hunting for Spring Wildflowers

This season's Evening with Nature Series at the Northern Kettle Moraine State Forest concludes with "Hunting for Spring Wildflowers." The program will be held Thursday, May 11, from 7:00 p.m. to 8:30 p.m. at the Henry S. Reuss Ice Age Visitor Center. The Ice Age Visitor Center is located off of Hwy 67, 1/2 mile west of Dundee. The program is free, but donations are always gratefully accepted.

With the melting snows, lengthening days, and warming temperatures, spring wildflowers begin their annual show. The earliest flowers such as skunk cabbage, pasque flower and hepatica, may be blooming in very early March when there is still snow on the ground. During April a few more flowers begin to bloom, but the peak of the spring wildflower blooming show is

definitely May. May is the time when the forests and wetlands are filled with beautiful blossoms of all shapes and colors. There is a lot of truth to the old saying, "April showers bring May flowers."

Join Jackie S. Scharfenberg, forest naturalist, as she shares some of the secrets of hunting spring wildflowers. She will cover

where and when Wisconsin flowers bloom and some their fascinating folklore.

For further information or directions to the Ice Age Visitor Center, please contact Forest Staff. They may be reached at (920) 533-8322, Monday through Friday, 8:30 a.m. to 4:00 p.m. and Saturday and Sunday, 9:30 a.m. to 5:00 p.m.

JOANNE ONESKA,
Town Clerk

Canter Wins Long Jump, Sparks Wins Discus at County Outdoor

By Jerry Gosa

GERMANTOWN - Host Germantown won 11 out of the 17 events and totaled an amazing 192 points to win the Washington County Boys Outdoor Championship title on Wednesday, April 26.

West Bend East was a distant second with 94 points. Slinger finished third with 81 points and West Bend West finished fourth with 60.5 points. Kewaskum finished fifth with 55.5 points, Hartford was sixth with 43 points and Kettle Moraine Lutheran finished with 0 points.

Germantown was led by sophomore Dan Goesch, who won three individual events for the Germantown Warhawks. Goesch won the following events: the 400m dash with an impressive time of 50.2 seconds, and both the 100m dash and 200m dash with times of 11.2 and 23.0 seconds respectively.

Kewaskum's sophomore, Chris Canter, also had a great night for the Indians. Canter started the afternoon by winning the long jump with a career best leap of 20'5" on his fourth and final jump. It was more than a little tense in the long jump area when Canter scratched his first three jumps of the competition.

"Chris had been struggling in the long jump and hadn't jumped better than 19'4" before tonight. He wasn't happy with his lack of progress," commented Coach Jerry Gosa, "but he sure was happy after his jump held up for the win in the long jump."

Canter ran his best 400m race of the season. His previous best time had been a 54.5 second split for 400 meters in a relay at the Slinger Relays on April 18. Canter had a great race as he battled to a third place finish with a career best time of 52.3 seconds.

"Great desire and effort by Chris. He came out of the last turn heading into the home stretch in fifth place and passed two runners to finish third. We were very happy for him and proud of him," reported Coach Gosa.

Canter also ran on the 4x100m relay with teammates Tony Fitts, Jason Strobel, and Charlie Sparks that finished second only to Germantown. Strobel filled in for Jim Thelen who missed the meet due to a spring break family vacation.

Junior Charlie Sparks provided the other first place for Kewaskum. Sparks won his specialty, the discus, with a throw of 145'11", just eight inches ahead of Mueller of Slinger. Sparks, who has already

thrown 155'1" and 155'10" in previous meets this season, was disappointed that he hadn't thrown better, but was still happy to win the competition.

Sparks, running in the open 200m dash for the first time this season, finished fourth with a time of 23.8 seconds. He also placed fourth in the shot put with a season best throw of 44'11".

"Charlie ran well in the 200m dash and also did a great job anchoring the 4x100m relay to a second place finish," praised Coach Gosa. "Definitely a busy and hectic night for Sparks as he competed in and placed in four events."

Junior Josh Parrent placed third in the pole vault competition with a jump of 12'. Coach Robinson stated, "Parrent has already cleared 13' this season and will be looking to improve his performance in his next meet." Teammate Brian Wall finished in a three way tie for sixth place with a height of 11'6".

Senior Jesse Boegel faced tremendous competition in the 800m run as Tarcin of Germantown won the 800m run with a time of 2:01.2, just 0.7 seconds ahead of Kempf of West Bend East. Boegel ran well and finished fourth with a season best time of 2:05.1.

It was basically a three man race as the leaders broke away from the main group of runners and put themselves 15-20 meters ahead of Boegel and even further ahead of the main group of runners. Boegel closed the distance on the leaders and finished over six seconds ahead of fifth place.

Sophomore Tony Fitts finished fifth in the long jump with a season best jump of 19'1" and sixth in the 100m dash with a time of 12.0 seconds. Fitts, who just started long jumping this season, has impressed his coaches with his athletic ability in the long jump and in the sprints.

Kewaskum had two other athletes make the finals in both the 100m dash (Fitts and Strobel) and the 200m dash (Sparks and Strobel). Kewaskum previously hasn't put two sprinters of the finals of the 100m dash and 200m dash for over eight years.

The Kewaskum 4x400m relay team of Darrell Woebeking, Paul Mertz, Luke Kehres, and Jesse Boegel finished fifth with a season best time of 3:49.8.

The following Kewaskum athletes competed, but did not place, but still had personal best times or distances: Luke Kehres, 440m dash, 56.8 seconds; Justin Weninger, triple jump, 35'6"; Mike McKee, 110m high hurdles, 19.8 seconds,

and Chris Baker, 800m run, 2:16.3.

At the coaches meeting it was decided to score the meet to eight places. When the results were photocopied and distributed after the meet, only six places were scored per event. "It would have been nice if they had scored the meet to eight places. Some more of our kids would have placed and that would have been recognition they deserved," concluded Coach Gosa.

Letters To The Editor

Dear Editor,

April 27, 2000

On behalf of the Muscular Dystrophy Association and the individuals we serve, I'd like to express MDA's appreciation to the residents of West Bend and surrounding communities for their support in making the West Bend Lock-Up a great success. With their help, nearly \$20,000 was raised to help in the fight against neuromuscular disease.

We gratefully acknowledge the top bail raisers: Randy Weber, Daco Precision, \$1,655; Martin Gallun, Metal Craft of Mayville, Inc., \$1,580; Deborah Lewis, Sunseed Natural Foods, \$1,013.05; Dale Halliburton, Dale Halliburton Plumbing, \$971.51; and Dale Fechter, A Stitch in Time, Inc., \$945.

In addition, a special thanks goes to the Washington County Historical Society for their support and hospitality. With their assistance and the dedication of the 41 'jailbirds' we had in attendance, MDA will be able to provide help for today and hope for tomorrow to many families in southeastern Wisconsin who are living with neuromuscular disease.

MDA is striving to find a treatment and cure for 40 neuromuscular diseases while working to improve the quality of life for those served by the Association. Through worldwide research, comprehensive, free medical services and far-reaching professional education, MDA has made the difference. With the gracious help of everyone involved with the West Bend lock-Up, MDA is able to continually provide these services to our clients.

Sincerely,
Linda Garcia
Program Coordinator

SCHOOL DISTRICT OF KEWASKUM REGULAR SCHOOL BOARD BUSINESS MEETING

There will be a **Regular Business Meeting** of the Kewaskum School District Board on **Monday, May 8, 2000**. Said meeting will commence at **7:00 p.m.** and will be held in the library at Kewaskum High School, 1510 Bilgo Lane.

AGENDA

1. Call meeting to order
2. Roll Call of members
3. Reorganization of School Board
 - *Election of Board President
 - *Election of Board Clerk
 - *Election of Treasurer
 - *Election of Board Vice President
4. Moment of Silence
5. Pledge of Allegiance
6. Verification of public notice pursuant to s. 19.84(1)(2)(3)(4)
7. Approval of Minutes
 - a. Regular Board Meeting - April 10, 2000
8. Financial Report
 - a. Approve payroll and accounts payable
9. Agenda
 - a. Corrections and/or additions
 - b. Approval
10. Visitors Comments/Concerns
This is the time visitors and guests may address the board. However, it is the advise of the Attorney General that a board should refrain from engaging in any information gathering or discussion or taking action that would deprive the public of information about the conduct of board business.
11. Correspondence/Communications
12. Reports
 - a. Negotiations Committee
 - b. Policy Committee
 - c. Finance Committee
 - d. Building Design Committee
 - e. Student Representative
 - f. Principal Reports
13. Old Business (*All items under Old Business are subject to discussion and/or action*)
 - a. Building Design Update
 - b. Second Reading of Policies:
 - *Delete Policy 254-Sick Leave Remuneration
 - *Revised Policy 331-Curriculum Adoption
 - *Revised Policy 251-Organizational Chart
 - *New Policy 440-Student Rights & Responsibilities
 - *New Policy 811.2-Use of Volunteers in Schools
14. New Business (*All items under new Business are subject to discussion and/or action*)
 - a. First reading of the following policies:
 - *Policy 334 - School Improvement Planning Committee
 - *Revised Policy 185.1 - Standing Committees
 - *Revised Policy 185.4 - Other District Committees
 - *Policy 333 - Parent Rights and the Curriculum
 - *Policy 811.1-Parental Involvement
 - b. Instructional Staff Leave of Absence Request
 - c. Committee Appointments
 - d. 2000-01 Preliminary Budget/Staffing
 - e. Day Care Program Contracts
 - f. Extra Curricular Resignation - JV Girls Tennis Coach
 - g. Baseball Team Trip to Metrodome (Minneapolis)
 - h. Request for Authorization to Approve Change Orders
 - i. Youth Option Applications
 - j. Limited Term Teacher - Resignation
 - k. Construction Update
15. The Board will convene to closed session pursuant to s. 19.85(1)(c) for the purpose of considering compensation/performance evaluation data for administrators and s.19.85(1)(e) to deliberate the possible purchase of public properties. The board will then reconvene into open session to take action, if appropriate, then adjourn.
16. Adjourn

Scheduled Meetings

F.T.B.G. Committee Meeting - May 15, 2000 - 6:00 p.m. - District Office
K.A.P. Negotiations Meeting - May 18, 2000 - 5:30 p.m. - High School Library
K.A.P. Negotiations Meeting - May 31, 2000 - 5:30 p.m. - High School Library
KHS Graduation Ceremony - June 2, 2000 - 8:00 p.m. - High School Gym
Policy Committee Meeting (tentative) - June 5, 2000 - 6:00 p.m. - District Office
Regular School Board Meeting - June 12, 2000 - 7:00 p.m. - High School Library, 1510 Bilgo Lane

Gosa Wins Discus At County Outdoor

By Jerry Gosa

GERMANTOWN -- The Kewaskum girls' track and field team found all kinds of competition Wednesday, April 26, at the Washington County Outdoor Championships.

The Hartford girls won seven events and won the team title with 140 points, 30 more points than runner-up West Bend East. Slinger finished third with 90 points, last year's winner, West Bend West, finished five back from Slinger with 85 points for fourth place. Germantown and Kettle Moraine Lutheran finished tied for fifth with 35 points and Kewaskum was four back at 31 points.

The lone first place for the Kewaskum girls was won by junior Colleen Gosa in the discus. Gosa, the defending champion in the discus, threw 105'11". Gosa was hoping to do better, but was satisfied with the win two years in a row.

Gosa also placed sixth in the 1600m run with a time of 6:06.6 and just missed placing in the 800m run when she knocked four seconds off her season best time. Gosa, like her counterpart, Charlie Sparks, on the Kewaskum boys' team, who also throws both the shot and discus, found it was a busy and hectic night going between the finals of two throwing events and two running events.

Nicole "Coco" Herrmann placed fourth in the shot put with a throw of 32'1/2". Troeller of Hartford won the competition with a throw of 34'11-1/2". Herrmann's teammate in the shot put, Colleen Gosa, placed sixth with a throw of 31'1".

Jolene Clark placed fourth in the high jump with a jump of 4'10". Clark, who has previously cleared 5' in competition this season, came very close to again clearing 5'. Klofanda of West Bend West and Duncan of Hartford, both cleared 5' to place 1-2 in the competition based on misses.

"We need Jolene to get consistent at five feet and then set her sights on 5'2" or 5'3"," commented Coach Gosa.

The Kewaskum 4x100m relay team of Stacy Muckerheide, Jody Wichtoski, Kristin Schiller and Tina Lindgren finished

fourth with a season best time of 56.2 seconds. Hartford won the 4x100m relay with a time of 53.1 seconds.

The Kewaskum 4x800m relay team of Kelly Darmody, Heather Hackbarth, Mandy Will and Heather Meyer also placed fourth with a time of 11:51.4. Meyer, who has been bothered with knee problems since early in the season, returned to action and ran the fastest 800m split of the foursome.

The Kewaskum 4x400m relay team of Michelle Zingsheim, Breyan Donath, Heather Meyer and Jessi Graham placed fifth with a season best time of 4:39.5.

The Kewaskum 4x200m relay team of Muckerheide, Donath, Schiller and Lindgren finished sixth with a time of 1:59.0.

The Kewaskum girls' team was without the services of their best hurdler, Emmy Foerster, who was volunteering for Habitat during spring break in North Carolina. Freshman Jenna Roecker made the finals in the 100m high hurdles and placed eighth, however, the final results only went down to six places. Coaches were told at the coaches meeting that the meet would be scored to eight places, but obviously that didn't happen.

Next on the schedule for the boys' and girls' track teams is the Vanderpan Invitational on Friday, May 5, at Sheboygan Falls. The field events and the 3200m relay will start at 4 p.m. Trials in the high hurdles, 100m and 200m dashes start at 4:25 p.m. Finals start at 5:30 p.m. The boys throw the shot put first and the girls will be the first in the discus. The girls vault first in the pole vault to completion and the boys are first in the high jump.

Sleeping on your back or with a pillow under your head might prevent your eyes from getting red and swollen since fluid collects around the eyes when your head is at level with or below your heart.

KEWASKUM DPW SUMMER YARD HOURS FOR GRASS/LEAF BIN

(wood chip pick up, if available)

Beginning on Saturday, May 6, 2000 the Kewaskum Department of Public Works Yard will be open from 9:00 AM to 11:00 AM for persons living in the Village of Kewaskum to deposit grass or leaves in the bin. After emptying contents, place any unwanted plastic bags in the trash container provided.

A public works employee will be on the grounds to answer any questions.

Kewaskum Department of Public Works

Fitts Wins 100m and 200m Dashes at Frosh/Soph Invite

By Jerry Gosa

MAYVILLE - The Kewaskum High School boys' freshmen and sophomores spent Monday, April 24 competing at the annual Freshman-Sophomore Invitational Track Meet. Host Mayville won the team title with 178 points.

Kewaskum finished second with 131 points. Random Lake finished third with 103 points, followed by Central Wisconsin Lutheran with 95 points. Randolph finished fifth with 69 points, Horicon sixth with 44 points and Waupun seventh with 33 points.

Highlights for the Kewaskum boys include the following places, times, distances or heights:

Tony Fitts won the 100m dash in a personal best time of 11.4 seconds and the 200m dash, also with a personal best time of 24.5 seconds. Fitts also placed second in the long jump with a jump of 18'7" and anchored the 400m relay to a third place finish with a time of 50.3 seconds.

Chris Canter won the long jump with a personal best 19'4" jump. Canter finished second in the 400m dash with a time of 56.3 seconds. Canter also ran on both the 400m relay and 800m relay teams. The 400m relay team consisted of Fitts, Mike Zingsheim, Matt Hartmann, and Canter, while the 800m relay team consisted of Canter, Hartmann, Zingsheim and Andy Lickel. They placed third with a time of 1:46.0. Mayville won both the 400m and 800m relays.

Troy Koefel placed second in the shot put with a season best throw of 36'2-1/2". Koefel also finished eighth in the discus with a throw of 85'1". The winning throw in the shot put was 36'4" and in the discus a throw of 106'5" won the

competition.

Freshmen Kurtis Cochran and Mike McKee both cleared season bests of nine feet in the pole vault and placed second and third respectively based on misses. Keith Boegel cleared seven feet and tied for sixth. The pole vault competition was won at 9'6". Cochran also placed seventh in the triple jump with a distance of 31'2".

McKee also finished third in the 110m high hurdles with a personal best time of 19.8 seconds, third in the 300m intermediate hurdles with a time of 49.5 seconds and tied for sixth in the high jump with a height of 4'10".

Sophomore Chris Baker finished third in the 1600m run with a time of 5:23.5 and fourth in the 800m run with a time of 2:22.8. Teammate Travis Tiedt finished eighth in the 800m run with a time of 2:27.7. The winning times in the 1600m run and 800m run were 5:02.7 and 2:07 respectively.

Sophomore Nate Fechter placed fourth in the shot put with a throw of 34'8" and seventh in the discus with a toss of 85'11".

Freshman Scott Joers finished fourth in the 3200m run with a time of 13:15.6.

Sophomore Luke Kehres finished fifth in the 400m dash with a time of 58.4 seconds and sixth in the 200m dash with a time of 25.7 seconds.

The next meet for the freshmen is a freshmen only meet at Manitowoc on Thursday, May 4. The Frosh/Soph Conference meet is scheduled for Monday, May 15, at Two Rivers.

Elvis had a twin brother named Aaron, who died at birth, which is why Elvis' middle name was spelled Aaron; in honor of his brother.

Need Help With Garlic Mustard Attack

Join forces with the staff of the Northern Kettle Moraine State Forest to attack an alien invader, garlic mustard. The attack will take place on Saturday, May 6.

Troops may sign up to help pull garlic mustard from 9 to 10:30 a.m. or from 10:30 a.m. to 12 noon. All you need to bring is a pair of work gloves and your willingness to uproot this woodland invader. To register, call the Ice Age Visitor Center at (920) 533-8322 by May 4. When you call to register, they will inform you of the specific location within the forest for pulling.

Garlic mustard is a non-native member of the mustard family. It has a two-year life cycle (a biennial). The first year plant is a basal rosette of leaves that remains green throughout the winter. During the second year, it blooms from May through early July. It produces an abundant amount of seeds which may remain viable for up to seven years.

This exotic species was first recorded food plant or medicinal herb.

Garlic mustard grows in upland and floodplain forests, and along roadsides. Unlike most weeds, garlic mustard readily spreads in high quality old-growth forests. It is very aggressive and can completely dominate the forest floor, threatening the survival of native wildflowers and the wildlife that depends on them. Currently, in Wisconsin garlic mustard can be found mostly in the southeastern counties.

Garlic mustard is just getting a good foothold in the Northern Kettle Moraine. A few good volunteers are needed to help control this exotic invader and in turn protect our native wildflowers. For further information contact Jackie S. Scharfenberg, Forest Naturalist. She may be reached at (920) 533-8322, Monday through Friday, from 8 a.m. to 4 p.m.

KHS Girls Track Second at Altheimer Invitational

Tina Lindgren receives the baton after the third exchange in the 4x100m relay at the Altheimer Invitational at Pewaukee on Friday, April 28. The Kewaskum 4x100m relay team of Stacy Muckerheide, Jody Wichtoski, Kristin Schiller and Lindgren placed third in the event.

By Jerry Gosa

PEWAUKEE -- The Kewaskum girls' track and field team finished second at the Altheimer Memorial Invitational at Pewaukee High School on Friday, April 28.

Cedar Grove won the team title with 120 points, while Kewaskum finished second with 84 points and Pewaukee finished just four back with 80 points. Wilmont finished fourth with 72 points, Elkhorn scored 62 points for fifth place and St. Francis finished sixth with 44 points. Thomas More finished seventh with 39 points and tied for eighth were Cedarburg and Union Grove with 13 points.

Kewaskum won three events, placed second in two events and placed third in three events. The Kewaskum 4x200m relay team of Stacy Muckerheide, Emmy Foerster, Breyan Donath, and Tina Lindgren knocked 2.6 seconds off their fastest time of the season to win with a time of 1:56.4 (one minute and 56.4 seconds).

Lindgren received the baton at the last exchange and then proceeded to sprint past the Wilmont runner on the home stretch to capture first place for the Indians. Lindgren's winning leg of the relay was even more noteworthy since she was ill moments before she raced.

"I told her that she had to run. There wasn't time for anyone else to warm up or get ready and that the other three relay members

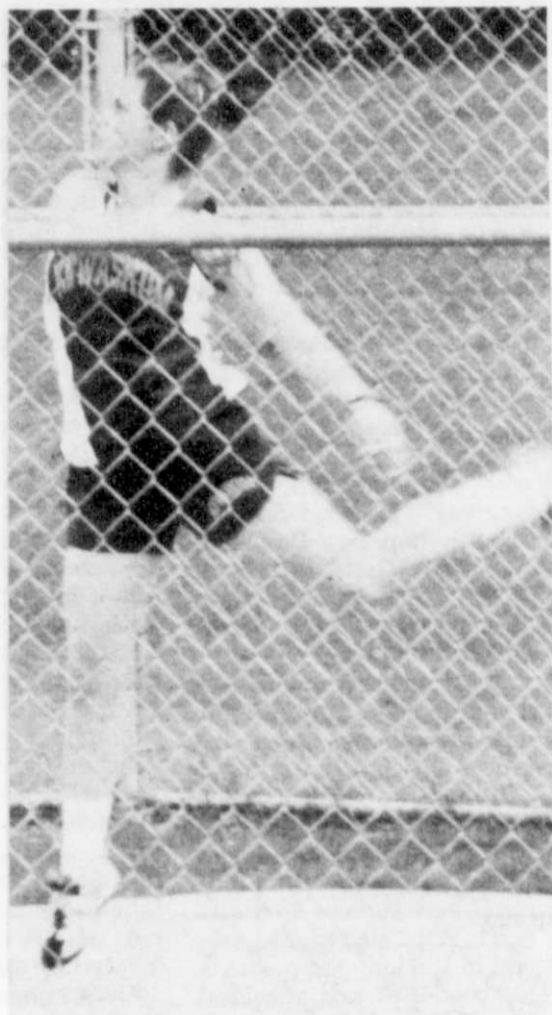

were counting on her. All the relay teams were already on the track receiving instructions about the exchange zones from the official when I first learned she was sick. She ran very well," reported Coach Gosa.

Kewaskum's other two wins both came from throwing events. Nicole "Coco" Herrmann won the shot put with a throw of 33'3". Herrmann's throw was over one foot better than second place.

Colleen Gosa won the discus with a throw of 112'5". Gosa's throw was almost six feet better than second place. Gosa also finished third in the 1600m run with a season best time of 5:57.9 and then finished fourth in a very close finish in the 800m run with a season best time of 2:37.2+. Jamie Obbink of Cedar Grove finished third with a time of 2:37.2. Crystal Kempen of Pewaukee won the 1600m run with a time of 5:47.8 and Erin Meinen of Cedar Grove won the 800m run with a time of 2:31.3.

The Kewaskum 4x400m relay team of Amber Averill, Breyan Donath, Michelle Zingsheim, and Jessi Graham placed second with a season best time of 4:36.4; knocking off over eight seconds since the Washington County Outdoor on Wednesday.

Cedar Grove won the relay with a time of 4:26.9. Graham, a freshman, also finished fourth in the 400m dash with a season best time of 66.8 seconds. Graham has made very good progress since the

Colleen Gosa goes airborne as she completes her winning throw of 112'5" in the discus on Friday, April 28, at the Altheimer Invitational at Pewaukee High School.

beginning of the season.

Jolene Clark placed second in the high jump with a jump of 4'10" and Jody Wichtoski placed sixth with a jump of 4'3". Arcia Buretta of St. Francis won the high jump with a jump of 5'0".

Emmy Foerster, back from her week volunteering for Habitat for Humanity, was a welcome addition to the winning 4x200m relay team. Foerster also placed third in the 100m high hurdles and fourth in the 300m low hurdles with times of 17.4 seconds and 52.0 seconds respectively.

Foerster's time in the low hurdles was her fastest time of the season. Teammate Jenna Roecker, a freshman, finished sixth in the 100m high hurdles and fifth in the 300m low hurdles with season best times of 18.1 seconds and 53.3 seconds respectively.

The Kewaskum 4x100m relay team of Muckerheide, Jody Wichtoski, Kristin Schiller, and Lindgren finished third with a season best time of 54.7 seconds. Lindgren also finished fourth in the 100m dash with a time of 13.8 seconds.

The Kewaskum 4x800m relay team of Kelly Darmody, Heather Hackbarth, Mandy Will and Lauren Schultz, finished sixth with a time of 12:00.9.

Kewaskum did not score any points in the 200m dash, 3200m run, long jump or triple jump.

The Altheimer Invitational field consisted of six teams the last ten years. This year a total of nine schools including Kewas-

Success for the second place 4x400m relay team. Pictured, front row, left to right: Jessi Graham and Breyan Donath. Back row: Amber Averill and Michelle Zingsheim. The foursome ran their fastest time of the season (4:36.9) at Pewaukee on Friday, April 28.

It is a little crowded at the top of the awards stand for the winning Kewaskum 4x200m relay team. Pictured, front row: Tina Lindgren and Stacy Muckerheide. Back-row: Emmy Foerster and Breyan Donath, who won the 800m relay with a time of 1:56.4.

kum competed. Overall, the coaches were pleased with the efforts and results from the meet. It was an unusual

week, in that they had two big meets the past week while the students were on spring break.

Sparks Breaks KHS Discus Record for Third Time

Kewaskum's Charlie Sparks, right, receives congratulations from Steve Hahn of Elkhorn, who finished second in the discus with a throw of 146'0". Charlie won the discus event with a throw of 159'3" and broke the old KHS record in the process.

By Jerry Gosa

PEWAUKEE -- The Kewaskum High School boys' track and field team was looking forward to the competition at Pewaukee on Friday, April 28, after the Washington County Outdoor Championships on the previous Wednesday.

Even though the number of teams at the invite changed from six teams to nine this year, the Kewaskum boys' team had a very successful night, finishing second overall with 93 points. Kewaskum won just two events, but placed second in five events. Elkhorn easily won the team competition with 168 points. Thomas More finished third with 81 points, St. Francis finished fourth with 70 points and Pewaukee finished fifth with 65 points. Cedarburg finished sixth with 34 points, Cedar Grove finished seventh with eight points and Union Grove finished eighth with 3.5 points.

Charlie Sparks, a junior, threw the discus a record 159'3", breaking his own school record of 155'11" that he threw earlier this season. He threw his record

throw on the first of his four throws in the competition. Sparks also placed second in the shot put with a throw of 44'2", anchored the 4x100m relay team to a third place finish and placed third in the 200m dash with a time of 23.7 seconds. Matt Simes and Ryan Mosher went 1-2 in the 200m dash with times of 23.4 and 23.5 seconds respectively.

Kewaskum placed first and second in the pole vault competition. Josh Parrent won the competition and Joel Herrmann placed second with heights of 11' and 10' respectively.

Tony Fitts, Chris Canter and Jason Strobel teamed up with Sparks to run a time of 46.4 seconds -- 1.2 seconds off their best of the season. The first exchange of the baton was very good, but the other two exchanges need additional work.

Canter, a sophomore, also had a busy night. Canter finished second in the 400m dash with a time of 52.8 seconds and placed second in the long jump with a distance of 19'8-3/4". Chris had hoped to break the school record of 52.1 in the 400m dash, but cool

Chris Canter, right, of Kewaskum finishes second in the 400m dash with a time of 52.8 seconds at the Altheimer Invitational at Pewaukee High School on April 28.

temperatures and windy conditions prevented his attempt.

Jesse Boegel finished second in the 800m run with a time of 2:05.1 (two minutes and 5.1 seconds). Boegel ran the exact same time he posted on Wednesday night at the Washington County Outdoor. "Jesse ran very well. To run that fast two times in a row, in just three days, is great," praised distance coach Randy Backhaus.

Tony Fitts has emerged in the 100m dash to give Kewaskum needed points in this event. Fitts finished fourth in the 100m dash with a time of 11.7 seconds and also placed sixth in the long jump with a distance of 17'11". Fitts has only long jumped in the last three meets and needs to spend additional time working on getting his steps down.

Chris Baker, a sophomore, dropped six seconds in the 1600m and ran a personal best time of 5:06.1 and finished fourth. Third place was 5:04.8 and the winning time was 4:44.0. "Chris ran well. He ran his fastest time of the season," commented Coach Backhaus.

Mike McKee, a freshman,

continues to improve in the hurdles. McKee finished fifth in both the 110m high hurdles and the 300m intermediate hurdles with season best times of 19.3 and 47.2 seconds respectively.

The 4x800m relay team of Darrell Woebeking, Kurtis Cochran, Joe Rinzel and Tony Kedroske finished fourth with a season best time of 9:43.7, over 10 seconds better than previous.

Paul Mertz finished fifth in the high jump with a height of 5'3".

The Kewaskum 4x400m relay team was disqualified for throwing their baton after the race.

Next on the schedule for both the boys' and girls' track teams is the Vanderpan Invitational on Friday,

May 5, at Sheboygan Falls. The field events and the 3200m relay start at 4 p.m. Trials in the high hurdles, 100m and 200m dashes start at 4:25 p.m. Finals start at 5:30 p.m. The boys throw the shot put first and the girls will be first in the discus. The girls vault first in the pole vault to completion and the boys are first in the high jump.

KHS Golfers Open EWC Season with Losses

After participating in five multi-team golf tournaments, the Kewaskum High School boys varsity and junior varsity teams started their Eastern Wisconsin Conference season with matches against the Plymouth Panthers and the New Holstein Huskies this past week.

On Thursday, April 27, the Indians hosted Plymouth at Hon-E-Kor Golf and Country Club and on Friday, April 28, they traveled to Badger Creek Golf Course to challenge New Holstein on their home turf. Both teams expect to finish in the upper division of their linkster league.

The perennial power-

house Panthers of Plymouth are the defending champions as well as the preseason favorites to win the conference again. Plymouth is led by two-time conference medalist and state qualifier, junior Nate Colson and return with seven of their top ten golfers from their 1999 EWC Championship Season.

However, the Indians confidently believed that they could compete with their opening opponents since the dual meet was conducted on the White Nine at Hon-E-Kor Golf Course, a par 35 trac along the Milwaukee River.

Kewaskum knew going into their match with

Plymouth that they would likely have to put together a score in the low 160's or better to compete with the visiting varsity Panthers. Recently the Indian varsity has recorded similar scores, such as, 160, 162, 162, 163, 167 and 168 in some of their prior tournament outings. Unfortunately, the Indians have recorded scores in the 180's as well.

Plymouth and Nate Colson lived up to their advance billing as the Panther varsity put together a team score of 157 to the Indians 167. Colson's one over par 36 proved to be too much to overcome as KHS was led by junior Jon Boedeker's 39 and senior

Curt Koth's 40.

The high score for Plymouth was a 42, while Kewaskum's total included junior Bill Koch's 43 and junior Dustin Melzark's 45. Plymouth defeated the Indian JV's by a 191 to 197 final score. Juniors Luke Reindl and Kevin Miller paced the junior Indians with a 45 and 47.

Plymouth had previously defeated Kiel at Quic-Quic Golf Course therefore the Panthers are currently 2-0, whereas Kewaskum and Kiel are both 0-1 in league play. Likewise, the Indians next opponent, the New Holstein Huskies, had also lost their first conference match at Two Rivers

entering Friday's (4-28) match. The respective records made the match at Badger Creek Golf Course even more important if either team intends to contend for the conference title.

Kewaskum had only played one previous match (in 1998) at Badger Creek in its six years of existence. Since then an additional nine has been added that only two KHS team members had ever competed on. Welcome Kewaskum.

Indians Finish Second in Division at 22-Team Camelot Golf Invitational

The Kewaskum High School boys' varsity golf team competed in the 15th Annual Camelot (Oak/Lion) Invitational Tournament on Wednesday, April 26.

Lomira and Oakfield High Schools served as hosts for the 18-hole tournament conducted at the Golf Club at Camelot. The team members and their coaches enjoyed the warm (70's) sunny, clear skies with calm to light wind conditions.

Twenty-two area high school teams were divided into four divisions according to their respective enrollments. All teams were composed of five players who were dispersed throughout the par 70 course for a shot gun start at 12 noon.

The top four scores from each team were tallied to determine the winners and medalists in each of the divisions, comprised of either five or six teams.

Representing KHS in Division One were senior Curt Koth and juniors Jon

Boedeker, Bill Koch, Kevin Miller and Dustin Melzark. All KHS members were assigned to holes 15 through 18 on the back (outside) nine at the Camelot Golf Course. Play concluded around 5 p.m. with the presentation of awards after all the scores were tallied.

Recently the Indians have developed a trend of playing well on their initial nine and following that with a significantly different round. Once again, Kewaskum led the entire tournament field with a 162 team score after nine, followed closely by Mayville, Oostburg and Fond du Lac St. Mary's Springs, all at 163.

However the local linksters came back with a second round score of 186, thus dropping Kewaskum out of the race for the team title and first place trophy.

Kewaskum finished second behind the Cardinals of Mayville (325) with an overall team total of 348. Leading the Indians with

an (45-38) 83 was the team's No. 1 golfer, senior Curt Koth.

Juniors Dustin Melzark and Jon Boedeker recorded 88's, whereas junior Bill Koch contributed an (42-47) 89. Mayville had the top two scorers with Brockhaus at 74 and Breiman at 79. Each Kewaskum team member was awarded with a large medal for their runnerup team position within division one.

Nine teams involved in this years' WIAA Sectional at Hon-E-Kor hosted by KHS participated in the 2000 Camelot Invite, thereby giving the Indians a good sense of what the competition will be like on May 30.

School District Art Exhibit Scheduled

Everyone is invited to attend the annual Kewaskum School District Art Exhibit, "Creating the Future."

The best artistic efforts of over 800 elementary and middle school students will be on display in the Middle School cafeteria from Monday, May 8 through Friday, May 12.

A 30-minute award ceremony, followed by refreshments and family art making activities will be held on Thursday, May 11, at 7 p.m. in the Middle School gym. The public is invited to attend this special art opening or to view this exhibit anytime during school hours.
