By Andrew R. Kuehl  
 Staff Writer/Photographer

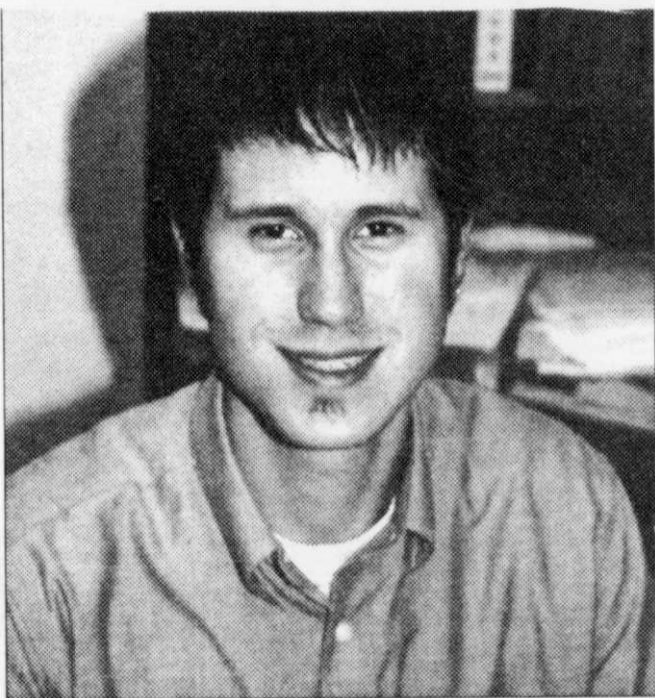

Steven Baker, 24 has been chosen to replace former library director Shelley Anderson who left Kewaskum after accepting a position at the Wauwatosa Public Library.

Anderson came to Kewaskum in April of 1997.

Baker is a UW-Oshkosh graduate who resides with his wife Jessica in Fond du Lac. In a letter to Village Administrator Daniel Schmidt, he stated, "I grew up in a Library."

*"The reason we are excited about Steve is he brings a lot of energy to the position. He has a lot of interest and talent we hope he shares with the community"*

John Kenworthy,  
 Kewaskum Village President

 Kewaskum Library Director

He further stated that in his small rural town of 2000, the public library was his second home where he spent long summer days keeping cool in stacks of books.

Baker credits himself as being technologically proficient and computer literate. He graduated with a Bachelor of Science in English. His degree had emphasis on American literature.

Updates to current comput-

ers, increasing circulation, providing internet access to library patrons, arranging speakers, artists and poets are just a few of Baker's plans for Kewaskum. For right now though he says he will work on settling into his office, meeting people and getting a backlog of books checked into the library's computer system.

"The reason we are excited about Steve is he brings a lot

of energy to the position. He has a lot of interest and talent we hope he can share with the community," said Village President John Kenworthy who is also the board representative to the Library Board

Baker also said he will have a weekly column in the *Statesman* to give people an idea of what's going on in the library.

The actual donation of a pint of blood takes approximately seven minutes. Plan 20 minutes prior to the donation to give medical history and to have your temperature taken and 10 to 15 minutes after the donation for some refreshments. The whole process takes about one hour.

You will feel special for having done something so important. You may help a total stranger or someone in your own community.

## Kettle Kountry Kolors to Feature Something For Everyone

The Kewaskum Area Chamber of Commerce is again sponsoring it's 11th annual Kettle Kountry Kolors on Saturday and Sunday, October 7 and 8, in River Hill Park, along the banks of the serene Milwaukee River in Kewaskum.

This year's committee members have spent many hours of planning in preparation of the annual fall festival.

"I think this year's festival has something for everyone" said festival chairperson Andrew Kuehl.

Kuehl further added that the main attraction to this year's festival will feature a hypnotist show on both days.

Many people have enjoyed Kewaskum Kettle Kountry Kolors over the years with an estimated attendance of over 20,000 for both days in 1999. This year's festival has many popular returning attractions, plus a host of new activities, again, at little or no charge!

Making a return along the banks of the lazy Milwaukee River, amid the rich hues of autumn, will be the camps and lodges occupied by the ever-popular Buckskinners. At this teaching encampment, members will gladly explain to you the "tricks of the trade" during the Buckskinners era. Watch a black-

smith create a masterpiece, cheer at the "hawk" (tomahawk) throwing contest, marvel at the expert whip demonstration, and enjoy the sights and sounds of a time that seems forgotten. A new attraction to the Buckskinners camp will be a tent revival featuring speakers of the great awakening dressed in authentic costumes from Living Waters Community Church in Kewaskum.

Children will find lots of fun things to see and do. A special children's activity tent will feature clowns, marionettes, a magician, music and lots of special events geared to entertain children as well as the whole family. A pumpkin carving contest, moonwalk, basketball shootout, make-it-and-take-it crafts, horse drawn hay rides, BB gun shoot and a hole-in-one golf contest are activities sure to delight young and old alike.

Be sure to check out the Wisconsin State Patrol safety equipment display and you won't want to miss the Reserve National Guard helicopter landing and exhibit on Saturday.

For your listening pleasure, enjoy the assorted sounds of the live entertainment scheduled throughout the park all weekend. In the Sno-Chief's beergarden on Saturday the band Revival

## Community Blood Drive Planned...Can You Help?

On Wednesday, October 4th the Kewaskum Community Blood Drive will be held at the Kewaskum High School in the choir room from 1 - 6 p.m. Parking will be available in the front and back of the school.

More than 600 units of blood are needed each day to meet the needs of patients in 34 hospital sites in ten counties. All this blood must come from volunteer donors. There is no substitute for blood.

When you donate blood, you give a second chance at life to all kinds of people,

young and old - a chance to recover and a chance to live. This is your opportunity to help others who might find themselves in need. In recent years, the record number of volunteer donors for the Community Blood Drive is 76. Organizers are hoping to do as well on October 4th.

Donors must be 17 years old or older, weigh at least 110 pounds, be free of symptoms of a cold, sore throat, flu or allergies on the day you donate and not have had hepatitis.

# Quadruple Fatality in Crash on Highway 41

By Andrew R. Kuehl  
Staff Writer/Photographer

**TOWN OF ADDISON-** A tragic mid-evening crash killed four people Sunday night. Two of the four men were Appleton natives, the other two from West Allis.

According to reports from the Washington County Sheriff's Department the crash occurred around 7:78 p.m. when they were notified of a three car accident in the southbound lanes of USH 41 south of STH 33.

Trao Lor, 20, from Appleton was driving an Accura northbound accompanied by Xiong Pha, 21, also of Appleton,

when his vehicle swerved off the road-way fish-tailing into the median. He continued into the southbound lane of traffic striking a Lexus driven by Reinhold L. Schrafstetter, 45, of West Allis almost head-on. His father, Reinhold S. Schrafstetter, 77 also of West Allis was a passenger. All four are now dead.

Another vehicle, a Ford Expedition driven by Robert E. Cleveland, 40 was also involved after being unable to avoid the crash. Cleveland was accompanied by his wife, Susan, 40 and their two children William, 13 and Jonathan, 9. The family is from Colgate. All four were treated and

released from area hospitals. The seriousness of the crash caused officials to close down a portion of USH 41 between STH 33 and CTH K for several hours. One northbound lane was also closed.

Allenton Fire and Rescue responded to the scene. They were later assisted by West Bend Rescue, West Bend Intercept, St. Lawrence First Responders, Burg Ambulance and Flight for Life. The Wisconsin State Patrol and Slinger Police Department assisted the Washington County Sheriff's Department.

# Piggly Wiggly Awards Kewaskum Resident a Chrysler Town & Country LXi

SHEBOYGAN, (Sept. 14, 2000) - Diane Fieweger of Kewaskum, is the grand-prize winner of the Piggly Wiggly "Cruisin' With the Pig" Sweepstakes. She was presented with a 2000 Chrysler Town & Country LXi vehicle at the new Piggly Wiggly Supermarket in Kewaskum on Friday, September 15, at 5 p.m.

Fieweger's name was selected in a random drawing on August 25. She was selected from the thousands of people who entered the Piggly Wiggly "Cruisin' With the Pig" Sweepstakes between June 26 and August 10, 2000. Her name was entered at the new Schultz Sav-O/Piggly Wiggly Supermarket in Kewaskum located on Fond du Lac Avenue at its grand opening on June 22.

"We had a great response to both the grand opening and the 'Cruisin' With the Pig' Sweepstakes," said Mike Geidel, owner of the Piggly Wiggly Supermarket in Kewaskum. "In fact, there were so many entry forms in the sweepstakes box we had to empty it a number of times to make room for more people to register."

There were two ways to

register for the sweepstakes, either by filling out an entry form at a Schultz Sav-O/Piggly Wiggly supermarket or by simply using the piggly Wiggly Preferred Card at the time of check-out.

"I knew about the sweepstakes, and was entered automatically by my preferred card, but never thought I'd win," said Fieweger.

"When I called Diane to congratulate her as a winner of the 'Cruisin' with the Pig' Sweepstakes, she thought I was joking," said Geidel. "It took her a whole day to realize I wasn't kidding and that she really did win."

Initially, Fieweger won a Jeep Wrangler, which she and her husband decided would not be practical for their young family. Together, Fieweger, Piggly Wiggly and Sheboygan Chrysler Plymouth Dodge Jeep Center worked on finding a car that would meet the family's needs. "The people at Sheboygan Chrysler were wonderful in helping our family choose a different vehicle," said Fieweger, an employee of a West Bend Clinic and a mother of two.

Wiggly Supermarkets, I would like to congratulate Diane on winning the sweepstakes," said Michael Houser, executive vice president/chief marketing officer, Schultz Sav-O/Piggly Wiggly Supermarkets. "The Piggly Wiggly 'Cruisin' With the Pig' Sweepstakes was created as a way to thank Piggly Wiggly customers for shopping the Pig and supporting their local community."

Fieweger's new golden-white-pearl-tricoat 2000 Town & Country LXi is a sleek and efficient minivan that is equipped with eight-way power driver and front passenger seats, sunscreen solar-control glass, power mirrors and windows, multiple storage bins including seatback mounted grocery bag/utility hooks to keep groceries secure and 14 beverage holders which makes this vehicle perfect for the Fieweger family.

"Each time a Piggly Wiggly customer uses their Preferred Club Card during checkout they are automatically entered for any promotions that Piggly Wiggly stores are offering," said Houser. "It certainly paid off for Diane. I encourage all of our shoppers to use their piggly Wiggly Preferred Card when they 'shop the Pig' because you never know who the next winner may be."

Piggly Wiggly Super-

markets are supplied or operated by Schultz Sav-O Stores, Inc. The company is headquartered in Sheboygan, where it operates its grocery, dairy, produce, and frozen food distribution center. There are over 90 Piggly Wiggly stores across Wisconsin including six in Sheboygan County.

## 40th Anniversary

Norbert and Lou Dettmann celebrated their 40th wedding anniversary on August 5, 2000. Friends and family from nine states, Canada and England were represented.

The event was a two-day affair starting with a dinner at the Linden Inn, Big Cedar Lake. A program followed with invited guests telling their memories of the honored guests.

A 20-minute video of the lives of Norbie and Lou, as prepared by their children, Julie Wenzlaff and John Dettmann was shown. Dancing followed with music by the Rob Breuer Trio of which the Dettmann's son-in-law is a member.

The following morning began with a breakfast at St. John's UCC in Boltonville. This was followed by a program presented by the Edgardo Carranza family of Duluth, Minnesota.

Edgardo was a foreign exchange student from El Salvador who lived with the Dettmanns in 1978-79. He told how he was blessed by this experience especially when he fled his native country to become a permanent part of the family in 1980.

Louella Brott and Norbert Dettmann were married on September 24th, 1969 at Grace United Church of Christ in Kohler. Their children are John Dettmann of Davenport, Florida, Julie (Mark) Wenzlaff of West Bend, and their AFS son, Edgardo (Amy) Carranza of Duluth, Minnesota. Seven grandchildren complete their family.

They both have been

active in their church and the Farmington community. Lou was the general leader of the Happy-Go-Lucky 4-H club for 15 years. Norbert had been town chairman for 10 years and a member of the Washington County board for 23 years.

They continue to operate an insurance agency in Boltonville.

## United Way Update

The United Way campaign continues to build momentum in the early stages of the fund drive. As announced at the first Campaign Report meeting on September 15, the campaign is near the 13 percent mark, with \$140,130 in gifts and pledges received toward the county-wide goal of \$1,100,000.

"We're pleased to report that a number of our divisions are doing well," said campaign co-chair Gaytha Hillman. "We'll continue with our regular Report Meeting to build on our success, and inspire each other as we move forward," she said.

"One key to our success is dividing the goal into manageable divisions - 26 for this year. We'd like to compliment one group of volunteers who are vital to our success in the next few months: the Division Leaders. These men and women have been hard at work for United Way since late Spring and have recruited other volunteers to help area businesses in their divisions," said Hillman. "Some are first-time United Way volunteers, and others are seasoned veterans. The mix works very well for our fundraising approach," she stated.

Division leaders for 2000 are: County-Wide Division: Rick Dietzler, accountants and business services; Maureen Meyer, attorneys; Rev. Terry Berg, clergy; West Bend Builders Association, contractors; George Hartl, DDS, dentist; Tim Purman, financial; Steve Jaberg, nonprofits and health care; Dr. Mike Mosley, physicians; Barbara Eckblad, real estate; Connie Stieber, professional specialties; Kim Wick, Washington county employees.

Communities Division: Tom Hopp, Allenton; Tim Algiers, Hartford; John Gonring and Lisa Gillitzer, Jackson; Bill and Margie Bailey, Kewaskum; Sister Mildred Reiber, Newburg; Alison Pieters, Richfield; Hubertus and Colgate; Tim Wiedmeyer, Slinger.

West Bend Division: Michael Tyree, City of West Bend employees; Mark

Maley, commercial; Mike Murphy, education; Jim Schumacher, industrial and manufacturing; Ralph Prescott, retail; Vic Albiero and Larry Hillman, special gifts; Dottie Feest, transportation and Charlie and Gaytha Hillman, key firms.

Mo Josten, the 1999 Campaign Chairperson, is heading the Leadership Giving portion of the campaign this year, which focuses on individuals donating \$600 or more.

"Undoubtedly, outstanding leadership and service from our volunteers reflect favorably on our ability to raise needed dollars each year," said United Way Executive Director Barbara Hurula. "We have a great team of dedicated Division Leaders who are committed to seeing this campaign through to a successful conclusion," she said.

Funds raised will support 25 member agencies in the coming year. More than 270 volunteers are involved in United Way of Washington County's year-

round effort.

## LIBRARY LEDGER

By Steev Baker  
Kewaskum Library Director

As I was burrowing through my office last week, trying to make myself comfortable amidst the massive amount of files that have accumulated here over the years, I came upon a stained and yellowed ledger book. On page thirty-five, in the kind of rolling cursive that isn't seen much today, the word "Minutes" is scrawled. Beneath that, in the same hand is written "Dec. 13-1915.--". I sat and stared at the ledger for a moment, pondering its travels, its movement through time, its strange, forward motion beyond two World Wars, a walk on the moon, disco, the Beatles, the wall in Berlin, the internet, to sit quietly on a metal filing cabinet in my office. I'm not usually very sentimental, but in that moment, the ledger became a mystical object to me. It was like a mantle handed down from those librarians of the past, connecting me not only to the former librarians in Kewaskum, or even Wisconsin, but also to those ancient collectors in London, Athens, and Alexandria. The electric chirp of the phone interrupted my thoughts and suddenly pulled me back to the present. I looked around me, trying to connect what I was doing with the accomplishments of those early librarians. What were the motivations of those pioneers? Were they historians? Educators? Collectors? I realized sitting there in my office that, while they may have been any one of those things, their main purpose was to be what that ledger was to me: a connection to something outside myself. The community library is not just a collection of knowledge, it is a connection to other worlds, other times, other people. We may be here, balancing on the county-line in the middle of Wisconsin, surrounded by farm fields and forests, but in the library, we can reach out through the stories lived by others and find something larger--the whole of human experience. And if

we take the time to sit and think about the connections we make, we can find where our own stories fit into the intricately plotted novel that is humanity.

## Pro Arte To Perform At UWVC

WEST BEND - Upholding a nearly 90-year tradition as one of the world's distinguished string quartets, the Pro Arte Quartet maintains a three-fold commitment to the performance of chamber music. It promotes an exciting balance of the old and new repertoire, seeking opportunities to commission and premiere works of living composers in a variety of contemporary styles.

Pro Arte will perform at the University of Wisconsin Washington County on Friday, September 29, at 7:30 p.m. in the University Theatre.

Founded in 1912, the Pro Arte Quartet's early history included status as the Court Quartet to Queen Elizabeth of Belgium, a debut tour of New York and other American cities in 1926, and 30 more tours to the U.S., often under the patronage of Mrs. Elizabeth Sprague Coolidge, renowned for her support of chamber music. Stranded in the United States by the outbreak of World War II in 1940, the ensemble accepted a residency at the University of Wisconsin - Madison.

The quartet's dedication to the music of its own time has led to commissions and other close collaborations with notable composers such as Bela Bartok, Darius Milhaud, Arthur Honegger, Gunther Schuller, Fred Lerdahl, and Samuel Adler.

The Pro Arte Quartet is comprised of violinists David Perty and Suzanne Bela, violist Sally Chisholm, and cellist Perry Karp.

Tickets for this performance are \$8 for adults and \$6 for seniors and under 18. Reservations can be made by calling (262) 335-5208.

# Celebrate Autumn At Cedar Campuses

Celebrate autumn by attending Cedar Campuses Fall Festival on Sunday, September 24 from 11 a.m. to 4 p.m. at 5955 County Road Z in the town of West Bend. Admission and parking is free at this festival that offers many activities for every age group and taste. It is co-sponsored by M&I First National Bank of West Bend, M&I Corporation in Milwaukee and Cedar Campuses Foundation.

"We are into our 20th year of celebrating Fall Festival and it has really become a community celebration. People can't believe how much there is to do and kids just really enjoy it. My personal favorite activity is the Grand Parade. It is an amazing sight to see the close-up. To have a marching band, the American Legion, community groups, and our own residents come together for this is really a feat," says Bonnie Yogerst, Fall Festival Committee Chairperson.

Enjoy shopping or just browsing at 15 plus craft booths selling seasonal decorations, lawn ornaments, Christmas crafts, bears, wooden items, fresh produce and more. Prefer discarded treasures? Shop for rummage and silent auction items or buy lapidary jewelry created by residents of Cedar Campuses.

Activities back by popular demand are: the Grand Parade at 1:30 p.m. led by the River City Irregulars and Shriner Animals, face painting by Oopslaw the Clown, and scarecrow making. Enjoy acres of spectacular fall colors by horse or tractor drawn wagons. The children will enjoy a 4-H mini petting zoo, 4-H crafts for kids, pony rides, and games.

Other activities include an antique car and tractor display, line dancing to the tunes of the Little Cedar Band, a performance by the Hartford Energizers, and grilled food from 11 to 4 or a chili dinner from 11 to 1 p.m. Take home a portrait by having fun with caricature artist Rex.

From 2 to 4 p.m. tour the Heritage House, a restored farmhouse, and Ye Olde School, a one room schoolhouse, and get an idea of what life was like for a turn-of-the-century family. Tours are also available of the YMCA Day Care.

Wrap up your day by trying your luck on the raffle. Tickets are \$2 for one or \$5 for three. Grand prizes are four Mystery Getaways each valued at \$200 plus. Other prizes include: hand-crafted cedar chest, genuine oriental rug, hand-stitched quilt, Seiko wood mantle clock, two party baskets each valued at more than \$100, plus many more prizes.

Nominal prices are

charged for some activities and food. For more information call (262) 334-9487 in West Bend. Cedar Campuses Foundation uses proceeds from Fall Festival to support resident services, programs, and activities. Cedar Campuses is a regional leader in rehabilitation, education, older adult living and health care.

## Kettle Kountry Kolors

(Continued from Page 1)

will perform from 1-5 p.m. The gazebo will feature the Kewaskum High School Jazz Band at 10 a.m.. On Sunday the gazebo will feature Jazz music performed by Janet Macklin from 1-4 p.m. and Kewaskum's Bound for Heaven from 4-5 p.m. Both days a harpist will be performing in various areas of the park.

Sunday begins with a tasty pancake breakfast, sponsored by the Kewaskum Sno-Chief's, served from 8 to 11 a.m., in the beergarden.

Holy Trinity Catholic Church will sponsor an outdoor community church service at 9 a.m. again this year in the Children's Activity Tent. Everyone is welcome, regardless of your faith.

Sunday will also feature the annual 5K Kewaskum Youth Scholarship, Inc. (KEYS) walk/run beginning at 11 a.m. The event is open to everyone. The course winds through the village of Kewaskum and can be completed as quickly or leisurely as one would like to take it. It would take the average person approximately one hour to walk.

Whatever you are in search of, there's a good chance you'll find that special gift item (and one for yourself!) in the ever popular craft tent. Each year the tent and outdoor displays expand, allowing new vendors and familiar vendors to show and sell their crafts-

manship.

And while the ladies shop, their significant others can sneak off to the Badger/Packer food tent where a huge TV screen will be set up so no one will have to miss even a minute of the Wisconsin Badgers taking on Ohio State or the Packers defeating their foes, the Detroit Lions. There will be plenty of birdseye view seating for everyone with food & refreshments being sold and a few surprises scheduled.

You must bring a hearty appetite to Kettle Kountry Kolors. A large variety of foods will be available, including soups, hot sandwiches, salads, luscious homemade desserts, hand-dipped cheesecake slices in chocolate, French-fried treats, Dairy Queen & Schwann's ice cream, snacks and beverages to tempt your palate.

Exciting raffles are being held in conjunction with Kewaskum's Kettle Kountry Kolors this year. Take a chance or several chances, on 50/50 cash raffles, a \$300 cash raffle and \$300 worth of "Chamber Bucks" that can be used at Kewaskum Area Chamber of Commerce merchants.

This invitation is extended to you and your family to come out and enjoy this year's Kewaskum Kettle Kountry Kolors Family Festival on Saturday, October 7, from 10 a.m. to 6 p.m. and Sunday, October 8, from 10 a.m. to 5 p.m. Committee members have worked non-stop to present this gift to area residents, their family and friends.

Parking will not be available in the park. Enjoy a leisurely walk to the park or please take advantage of the free shuttle service provided by Johnson Bus of Kewaskum at the Kewaskum downtown parking lot, Auto Body Dynamics parking lot and KHS/KMS parking lots. Shuttle busses will deliver you to one of two drop-offs in River Hill Park.

Take in the sights... the sounds and the rich beauty of nature in the peaking autumn colors which surround us so close to home here in the Kettle Moraine. Take in Kewaskum Kettle Kountry Kolors!

## County 4-H Members Travel To Washington, D.C.

County 4-H members who traveled to Washington, D.C. included, front row, left to right: Jenny Adkins, Michelle Klos, Maggie Kiselicka. Back row: Mike Kohler, Frank Adkins (chaperone) and Brendan Weinhold.

The youth of the 21st century have begun taking a more active role in creating their future and becoming conscious of their present.

With "The Future is Now" as this year's 4-H theme, Wisconsin members have become quite aware of their influence on personal, local and global levels. Five Washington County 4-H members: Jenny Adkins, Maggie Kiselicka, Michelle Klos, Mike Kohler, and Brendan Weinhold, traveled to Washington, D.C. this summer to share their unique points-of-view with members from across the country.

The experience included writing and arguing in favor of and against mock legislation developed in committee. For example, one bill passed was a farmland protection bill, which discouraged residential zoning and suburbanization of farmland.

One argument for the bill took note of the balance between rising world populations and decreasing availability of farmland due to catastrophic urban sprawl.

Against the bill, a few delegates pointed out that higher prices to developers

often provide immediate financial assistance to a small farmer during bad seasons. Most members, however, recognized that such action leads to a downward spiral of trouble, leaving the farmer without enough land to break even on production value versus cost.

All the Washington County delegates would like to thank the following sponsors: Jim and Carol Oelhafen, the Washington County Farm Bureau, the Stan and Barb Shaw Family, and the Washington County 4-H Leaders Association for their much appreciated financial support, without which the delegates could not have attended.

## FFA Ice Cream Booth Another Success

Kewaskum FFA members, left to right, Peter Marx, Tom Ramthun, and Erin Beck help to prepare ice cream sundaes at the State Fair. Over 40,000 sundaes were sold at this year's stand.

August 3rd to the 13th the Kewaskum FFA along with Slinger and Hartford FFA chapters went to the Wisconsin State Fair to sell ice cream sundaes. The booth is organized by the County FFA advisers but is almost completely run by the FFA members.

The chapters take turns setting up in the morning and then cleaning up at night. The mid-day is a great time for chapters to get to know one another, while they work together selling ice cream sundaes and milk. All the money raised from the booth gets divided up evenly among the three chapters. It takes a lot of work and the days get to be long, but the FFA members still always have fun while making some money for the chapters to function throughout the year.

Members that worked the booth from Kewaskum were: Jennifer Jaycox, Peter Marx, Rebecca Mahan, Tom Ramthun, Erin Beck, Lisa Beck, Eric Sabish, Andy Marx, Scott Herman, Matt Dwyer, Josh Hawig, Lee Schacht, Jon Ratzel, John Ramthun, Roland Westphal.

## Thank You, Thank You!

Last month I had a rummage sale and as a woman was paying me, she dropped a \$100 bill on the floor. I noticed it, just as she was leaving and had my granddaughter run out to her car and give it to her.

Little did I know I would be rewarded... so soon. Last week I went into the Kewaskum Pharmacy to get my prescription. When I got home, Audrey from the Pharmacy was on my answering machine... "Did I lose a bank envelope with money in it?"

Joan Dirks had picked up the envelope at the back counter. The ladies at the Pharmacy called St. Francis Bank, and through a process of elimination, they traced it to me. Wow. What great detective work.

So thank you... Joan, the ladies at the Pharmacy and the tellers at the bank. Great work and thanks to the Lord for the favor, returned.

Signed,  
Appreciated

## THANK YOU

Thank you to everyone who helped me celebrate my birthday with cards, gifts and your presence.

## Simple Steps Can Help Hunters Avoid Falls From Tree Stands

MADISON - The tree stands that hunters - bow hunters especially - use to increase their chances of bagging a deer could instead bring a trip to the emergency room if hunters are careless or the stands are improperly installed, Wisconsin hunter safety officials say.

"Research shows that one out of three hunters will fall from a tree stand sometime during his or her hunting career," says Tim Lawhern, hunter education administrator for the Department of Natural Resources. "Two-thirds of the hunters who fall from tree stands do so while they're climbing into or out of a tree stand, so it's particularly important to use caution during those times."

Lawhern recommends that hunters always maintain three points of contact - two hands and one foot, or one hand and two feet - on the ladder when climbing into or out of the stand. "Often people start climbing up the ladder, and at one point, they only have one hand and one foot connecting - that isn't good," Lawhern says. "Three points of contact give you greater stability and balance."

Falls also occur for a variety of other reasons, including a weakness in the stand's structure, incorrect installation of a tree stand, failure to use a safety harness, and hunters dozing off while on the stand, he says. Tree stands also factor into other hunting accidents,

such as when hunters are shot when their guns discharge while they are climbing into tree stands, or when bow hunters fall on their arrows.

Tree stands became popular in the late 1960s because hunters believe they help improve the hunters' visibility and decrease the chance their scent will spook their prey. Lawhern reminds hunters that if they are hunting on public land, they must be careful not to damage any trees. It is illegal to use screw-in stands or steps, or cut branches to make shooting lanes. In addition, you must completely remove your stand from the property at the end of each hunting day.

\* Check permanent tree stands every year before hunting from them, and replace any worn or weak lumber before it breaks.  
\* Read, understand, and follow the factory recommended practices and procedures when installing commercial stands.

## Bonus Antlerless Permits On Sale

MADISON - Remaining bonus antlerless harvest permits for the 2000 deer hunting seasons are now on sale. Hunters may purchase bonus antlerless permits at any license sales outlet, Department of Natural Resources service center, or over the telephone by dialing toll-free, 1-877-945-4236. Telephone customers may pay the permit cost plus \$3 handling fee with Mastercard or Visa.

Hunters will find ample bonus permits available for nearly every deer management unit in the state, says Bill Mytton, deer and bear ecologist for the Department of Natural Resources. Wildlife managers currently estimate Wisconsin's white-tailed deer population is at about 1.7 million animals, with deer populations above established goals in most of the state's 132 deer management units. The sale of bonus permits is part of the state's management efforts to bring deer populations closer to established goals.

Bonus permits must be used in the unit for which they are issued and may be filled during any open deer hunting season. Hunters are also receiving two free Zone T antlerless permits when they purchase their hunting licenses. The free Zone T antlerless permits may be used in any Zone T unit in any open deer hunting season. Hunters may use their permits in any order: they do not need to fill their regular back tag before using bonus or Zone T antlerless permits, or fill bonus or Zone T antlerless permits before using their regular back tag.

Hunters will be available to purchase bonus permits at a rate of two permits per day. The cost is \$12 per per-

mit for residents and \$20 for nonresidents. All funds generated through the sale of the bonus permits are allocated to the state's wildlife damage program, and are used only for wildlife damage abatement projects, paying wildlife damage claims, and paying counties for the cost of administering the program.

## Lady Golfers Take Fourth at Old Hickory

Senior Jody Wichtoski is on line to sink another putt.

The varsity girls golf meet at Old Hickory Country Club in Beaver Dam on Wednesday was one that the Lady Indians would rather forget as they fall into fourth place in the Wisconsin Little Ten Conference.

Without the help of their first and third golfers, Niki Dreher and Stefanie Brettingen, the Indians knew they would need to play well in this meet. Moving up to fill out the

roster were juniors Candi Heberer and Audrey Dickman, who did a good job of filling in for the missing starters.

The best rounds of the golfers were shot by junior Courtney Timblin and senior Jody Wichtoski who both had a 50. Filling out the scores were freshman Crystal Dreher, 51, and senior Beth Degner, 54.

The team total of 205 was good enough for fourth place in the seven team

event with first place Watertown's 192, second place Oconomowoc's 200, and third place Hartford's 202.

Rounding out the scores were 220 from West Bend East, 224 for West Bend West, and 227 for Beaver Dam. Medalist was Erin Denis of Hartford, who shot a 45.

*The best defense is a good offense.*

## Lady Indians Take Ninth In Terror Invitational

The Wisconsin Badgers were busy in Madison but the Lady Indian Golf Team has other things to do as they traveled to Winegamie Golf Course in Appleton for the annual Terror Invitational hosted by Appleton West.

The meet proved that the team is capable of competing at a high level as Kewaskum's Niki Dreher squared off against Racine Park's Molly Redfearn, who was a state qualifier last year as a sophomore.

The two juniors both had great rounds with Molly carding a 37-38 for a 75 which was good enough for medalist. KHS's Niki Dreher shot a 43-41 for an 84 which was good enough for a third place medal among the 94 golfers Lisamarie Hille of Bondue shot an 83.

Another highlight of the day was the eagle from KHS senior Beth Degner on the par five, fourth hole of Winegamie. Beth had a fantastic drive, put her second shot 20 yards from the green and pitched her third shot into the hole.

Beth shot a 46 on the front nine but ended with a 101 for the day. The other players battling the course and their colds were junior Courtney Timblin, 48-50

Beth Degner cards an eagle

and senior Stefanie Brettingen, 52-50.

The team finished tied for ninth place in the 24 team event with Racine Park winning. Homestead and Divine Savior shared second place honors.

# Indians Beat Kiel 24-7

The Indians defeated Kiel to move to 4-0 for the season (2-0) in Conference last Friday on the road. The game was much closer than the final score indicates as Kewaskum led only 10-7 with 4:16 to go in the third quarter.

The Indians were given an excellent opportunity to score in the first quarter when Kiel fumbled on their own 30 yard line. After an unsuccessful run and two incomplete passes, the Indians settled for a 26 yard field goal from Matt Hartmann.

In the second quarter the Indians were able to get into the end zone when Tom Ogi

kept the ball on an option and scored from 18-yards out. The extra point kick by Hartmann was good to make the halftime score 10-0.

Kiel came out in the second half and made some excellent adjustments. They rushed for a total of 87 yards in the quarter and were able to close the gap to 10-7 on a three yard run from Travis Dittmer.

Kiel had gained the momentum of the game and it looked like Kewaskum was in for a long second half until a 2nd and 20 play when Chris Canter intercepted a pass and returned it 52 yards for a touchdown.

That play switched the momentum back in favor of the Indians. The extra point by Charlie Sparks was no good making the score Kewaskum 16, Kiel 7.

After a couple more turnovers by Kiel, the Indians got into the end zone one more time in the fourth quarter when Chris Canter scored on an option from 36 yards. Tom Ogi hit Charlie Sparks on the extra point making the final score 24-7.

The Indians are now 4-0 overall (2-0 in Conference) and host the #1 ranked Division 3 Sheboygan Falls Falcons on Friday at 7:00 p.m. for Parents Night.

# KHS Soccer Team Defeats Kohler

The young Kewaskum men's varsity soccer team hosted the Kohler Men's Varsity Soccer team Monday. The Kohler team was a good passing team taking the ball to the Indians' goal at times.

Kewaskum played a superb outside game, moving the ball into crossing position many times in the game. Justin Wessing had a great game at right wing stretching the Kohler defense out of position many times. Justin also scored on a give and go from Adam Hickmann.

Justin froze the Kohler goal keeper with a clothesline shot to the lower corner. Mitch Hawkinson stirred the offense in the middle of the field sending several threatening shots to Kohler's goal.

Micah Olla played the toughest game of his career. Olla was all over the field stopping attacks on the left

or right of the field. Micah kept the Kohler goalkeeper busy fielding his bullets at their goal.

Braedy Long played one of his strongest games topping many Kohler opportunities before they could materialize. Long sent several near misses at the Kohler goal wowing the fans. Chris (Whitey) Baker played a fantastic game at left fullback. He had a game saving punch on a ball going into the corner of the net.

Kurt Cochran was again outstanding at sweeper. Kurt's counter attacks sent the Kohler defense scurrying to defend their goal.

The midfield consisting of Keith Boegel and Bryan Becht played to the limit of their endurance stopping Kohler short, Keith Boegel had the game winning goal from his midfield position, firing a high floater that got by Kohler defense.

Dave Frasher, Kevin

Lemke, Shane Harlacher, Russel Borland, and Jason Ramirez challenged the Kohler offense at midfield stopping their drives cold and counter attacking their defense. Luke Piwoni was exceptionally brilliant in goal getting his second victory in a row. Luke had some major league saves on several of Kohler's crashing shots.
