Family Dollar to Open Store Here

By Andrew R. Kuehl
 Staff Writer/Photographer

Details of the opening of a Family Dollar thrift store are sketchy right now but the North Carolina based company says they plan on the store opening early in 2001.

"We hope to have the store opening in February but that we don't know for sure," said Cindy Green, a company spokesperson.

The store is planned to open in the Kewaskum Mall, which is owned locally.

Construction to remodel the store is underway now.

Family Dollar's neighbor, Video Plus moved into the Kewaskum Mall in November. The mall also houses offices for Kettle Moraine Agency and Aurora Pharmacy.

The south end of mall became somewhat vacant after the construction of Geidel's Piggly Wiggly.

Family Dollar Stores Inc. operates a chain of self-service retail discount stores.

As of November 1, 1999, there were 3,371 stores in 39 states and the District of Columbia. The stores offer a variety of merchandise including men's, women's, boys', girls' and infants' clothing, shoes, domestics, household products, health and beauty aids, toys, school supplies, candy, snack and

other food items, electronics, housewares, giftware, paint, automotive supplies and seasonal goods.

In November the company's headquarters reported opening 47 new stores during the four-week period which ended November 25, 2000.

The Company has announced plans to open approximately 400 to 425 stores and close approximately 50 stores during the upcoming year.

The typical store has approximately 6,000 to 8,000 square feet of retail area.

As of November 1, 1999, there were approximately 1,700 stores located in communities with populations of less than 15,000, approximately 680 stores in communities with populations of 15,000 to 50,000, and approximately 991 stores in communities with populations of over 50,000. All stores are similar in appearance and display highly visible red and white "Family Dollar Stores" or "Family Dollar" signs.

The company's stores are operated on a self-service, cash-and-carry basis, and low overhead permits the sale of merchandise at a relatively moderate markup.

Most of the stores are open six evenings a week,

and many are open on Sunday afternoons.

Family Dollar does not accept credit cards or extend credit.

The Company purchases its merchandise from approximately 1, 825 suppli-

ers and generally has not experienced difficulty in obtaining adequate quantities of merchandise.

Approximately 55% of the merchandise is manufactured in the United States, and substantially all

such merchandise is purchased directly from the manufacturer. Purchases of imported merchandise are made directly from the manufacturer or from importers.

Most merchandise is priced under \$10.00.

Family Dollar is headquartered in Matthews, North Carolina, just outside of Charlotte, and operates automated full-service distribution centers in Matthews, West Memphis, Arkansas; Warren County, Virginia; and Duncan, Oklahoma.

The Company has been a publicly held corporation since 1970.

Family Dollar, Inc. owns nine stores in the Milwaukee area and one in Oshkosh and Waupun.

Town of Kewaskum Postpones Land Annexation

By Andrew R. Kuehl
 Staff Writer/Photographer

The Town of Kewaskum Plan commission and town board met Monday to discuss the annexation to the village of Kewaskum property owned by Dr. Charles Ogi and James Reigle in section nine and 16 of the town.

West Bend attorney William Hickman was present to represent property owners around the property who oppose the annexation.

Hickman stated that property owners were misled in signing a petition for annexation and he asked the plan commission not to give the plan a favorable recommendation.

Chairman Scott Sager stated he thought it was best if the commission postponed any action pending further discussion.

In other business, Dan Trog of Coldwell Banker Realty, West Bend presented a concept plan for a 60 acre parcel on East Moraine Drive in

section three of the town.

The plan called for a cul-de-sac to come off of East Moraine for the 11 proposed lots.

Trog was told that the plan was somewhat vague and that they needed soil borings before they could give approval on any such project.

"As a realtor, I see a need for this in the community," said Trog.

Plan commission member Glenn Hartmann thought they needed to see if the road would be able to handle an additional 25-30 cars from the potential 11 lots.

Trog asked to be heard again at the January meeting.

The town board approved the raising of building permit fees for the first time in 15 years. Inspection fees were \$15 and after Monday's meeting they were raised to \$50.

The date for the town caucus was set for Wednesday evening, January 17 at 7 p.m. at the town hall.

Full-Time Inter-District Open Enrollment Applications Are Available

Wisconsin residents in grades kindergarten to 12 may apply to participate in open enrollment. Students in pre-kindergarten may participate in limited circumstances; parents should call their resident school district administrator for details.

Open Enrollment applications may be obtained from your district. Parents wishing to participate in the program must submit an open enrollment application

form to the non-resident school district during the period of February 5 to February 23, 2001 for the 2001/2002 school year.

Late applications will not be accepted. A Wisconsin Department of Public Instruction brochure describing the program is available from the district. Please call 262-626-8427, ext. 8001, to request a copy of the brochure and/or application.

EARLY DEADLINE

Due to the Christmas and New Year Holidays, the deadline for news and advertising copy will be noon on Friday prior to week of publication.

Thank you so much for your cooperation.

LIBRARY LEDGER

By Steev Baker
Kewaskum Library Director

Growing up, my family always presaged the unwrapping of presents with a telling of the story of the first Christmas. We would all gather around my mom as she read from a picture book the story of Mary and Joseph, their journey to Bethlehem, the birth of Jesus, and the subsequent visits by shepherds, magi, and the rest. Of course, my siblings and I would already have our presents stacked up in neat, brightly-colored piles. We hovered over the packages like guardian angels until the last sentence of the familiar story when we would make our noisy descents, tearing paper into confetti and revealing what Santa Claus had left for us that year.

For some reason unknown to me even today, there was an unspoken yet magical belief that Santa had indeed come sometime during the night. This belief was certainly not endorsed or encouraged by my parents who never tried to convince us that Santa was anything other than a fun story. Even so, I can remember my Dad decked in an old red and white coat, a cottony beard, and stuffed with pillows to hand out presents on Christmas Eve gatherings with my relatives. And it was always a curious ritual to perch on Santas knee, nod our heads hesitantly when asked if wed been good, and tell him what we wanted to see under the tree on Christmas morning. It was as though we knew that Santa could not or should

not exist, but the temptation was to believe was too strong to withstand, it pulled at your brain like spiced cider steaming on the stove.

Film and theater critics often call this feeling the willing suspension of disbelief. Its the idea that you know what youre experiencing is not real, but you make the choice to believe in it for a little while. This same process happens in reading a novel, short story, or other piece of fiction. Every time we sit down to read the new Grisham, King, or Rowling, we very deliberately set aside our notion of reality and get emotionally involved with the characters and the plot. Thats what fiction is all about, it helps us to escape and entertains us just enough to keep us sane. I recently reread the editorial that insists famously Yes, Virginia, there is a Santa Claus and was taken aback by the seriousness of the writers tone. He rambles on at length about the spirit of giving and of the lack of faith in the modern world. Santa Claus is an American myth that continues to survive while folk heroes like John Henry, Paul Bunyan, and Pecos Bill are relegated to the history books. In this sense, he is very much alive and real but not in a flesh-and-blood way. Santas power fades shortly after the last candle is doused on Christmas night and is gone by the time the tree comes down. In mid-July, Santa Claus is as forgotten as the

ice that precedes him. Even so, something thrilling happens when the snow starts to fall again and Santa is reborn. Its the same thrilling something that happens when we read a good book and discover the frost-bitten crispness of believing the unbelievable.

PUFF PASTRY CHRISTMAS TREES
Thaw: 30 min. Prep: 30 min. Bake: 10 min.

- 1 pkg. Pepperidge Farm® Frozen Puff Pastry Sheets (2 sheets)
- ½ cup prepared vanilla pudding or lemon curd
- ½ cup honey, warmed
- Green decorating sugar
- 8 raspberries or maraschino cherry halves

THAW pastry sheets at room temperature 30 min. Preheat oven to 400°F.

UNFOLD 1 pastry sheet on a lightly floured surface. Using 3 star cookie cutters in graduated sizes,* cut 4 stars of each size. Repeat with remaining pastry sheet. Place stars on ungreased baking sheets.

BAKE 10 min. or until puffed and golden. Remove and cool on a wire rack.

TO ASSEMBLE TREES: Top large star with about 1 tsp. pudding. Top with medium star, turning star so points do not line up. Top with 1 tsp. pudding and place small star on top, turning so points do not line up. Repeat with remaining stars. Drizzle "trees" with honey. Sprinkle with green sugar and top each with a raspberry or cherry half. Makes 8 "trees."

* A set of star-shaped cookie cutters can be ordered from Cooking.com, or cut 3 star templates (2", 2½" and 3") from cardboard. Place on the dough and cut with a knife.

Eleven New Homes Built In Town of Scott in 2000

By Bernadette Mondloch

Town of Scott Building Inspector Frank Mayer reported 11 new homes were built during the year 2000, with a value of \$2,024,449, with three of these being built during November.

A permit issued to Glen Karas nearly two years ago, is about to expire. He has requested an extension on the permit. Ms. Karas explained that the builder is not responding and she realizes that it is taking too long and that the home should have been on the foundation during the summer of 1999.

The Karas house was moved to the town in the fall of 1998. A permit was obtained in December, 1998, part of the foundation wall was begun, and then no further progress was made. Karas has been confronted by Mayer, but nothing has been accomplished.

To add to the problem, Karas has allowed friends

to drop off used cars and other objectionable materials. The board all agreed that unless some activity takes place prior to December 26, the permit will not be extended and in the mean time, Mayer will contact the builder for knowledge of his plans for the Karas project.

A zoning change from P-2 to B-1 was requested for an .85 acre parcel owned by Daniel Wiebelhaus located in Section 16 in Beechwood. This is the site of the former Beechwood Fire Hall. The zoning change will allow Wiebelhaus to operate a retail mail order business for sporting goods.

Wiebelhaus was also granted a conditional use permit for his business. Conditions include that parking is not to obstruct area traffic, there will be no walk-in sales for the public, and all material must be stored inside.

Agreements were made to provide services to the town for the coming year

with the Beechwood Fire Department, Batavia Fire Department and Batavia First Responders.

Poll workers for 2001-2002 will be Alice Harter, Reuben Harter, Russell Melius, Ms. Melius, Adeline Held, Janet Kumrow, Lynes Fellenz and Marion Fellenz.

Residents who take advantage of the recycling center are reminded that it is essential that they sign their names in a book provided by the attendant. These signatures are needed to keep the town eligible for recycling grant monies.

Tax collection dates for Scott property owners will be the last Friday and Saturday in December, 2000, and the last Saturday and January 31 in 2001.

'It's Beginning to Look A Lot Like Christmas'

This is not only a well known Christmas carol, but with the weather over the past week, the feeling of the holidays has come to life.

"One of the interesting trends we've noticed over the past several years is people getting into the spirit of Christmas when the snow and frigid temperatures arrive," says Ken Tregellas of The Salvation Army. With that being the case, it couldn't have come at a better time, as the Red Kettle Campaign continues to run over 12% behind last year. "We continue to feed families, provide gifts for Christmas and help families with emergency situations, not only during Christmas, but throughout the year. We hope the look and feel of the season coming to life will spur on the donations of those who have supported us in the past. We also invite those who aren't regular donors to consider helping

us help others."

You can assist by making donations at area merchants where you see the Red Kettles. Where the largest downfall is being experienced at this time is through mail donations. The Salvation Army relies heavily on mail appeal donations and has throughout history. This form of fund raising remains the most cost effective way of keeping the public aware of the assistance being provided while offering an avenue of giving.

"We ask if you've received an appeal to consider sending a gift. With 86% of your donation going directly to assistance in your local area, you can feel confident about making a difference," says Tregellas. Remember, whether you've received an appeal or not, monetary donations are always accepted and can be sent to The Salvation Army, 4757 N. 76th Street, Milwaukee, WI 53218.

The tradition of New Years resolutions dates as far back as ancient Babylon.

Steve and Sandy Zehren and Ray and Anne Wolf would like to announce the engagement of their children, Stacy Zehren and Ed Wolf.

Stacy is a 1999 Kewaskum High School graduate and is employed at Romie's Amoco and Grand Central Station. She is also attending school to be an EMT.

Ed is a 1996 Slinger High

School graduate and attended UW-Madison Short Course, graduating in 1997. He is employed on Sunset Farms Inc. as a Calf Manager.

Both Stacy and Ed are active members of the Allenton Volunteer Fire Department.

The couple is planning an October 13, 2001 wedding.

Police Reports

On November 30, Kewaskum police were dispatched to a Timblin Dr. residence in reference to a theft from an automobile.

The complainant stated that as she was looking through her car, she noticed that someone had entered her vehicle. They had taken a CD player and some other miscellaneous items.

The individuals have not yet been found. If anyone has information contact the Kewaskum Police Department at 626-2323 or the Washington County Chief's Tip Line at 1-800-232-0594. All calls are confidential.

On December 13, Kewaskum police were dispatched to a Braatz Drive residence in reference to two acts of vandalism.

The complainant advised that someone had smashed the windshield on his father's truck. While talking with the victim, the officer noticed another car with the same type of damage. Both victims were given a Crime Restitution form and a Victim Information sheet.

The individuals have not yet been found. If anyone has information contact the Kewaskum Police Department at 626-2323 or the Washington County Chief's Tip Line at 1-800-232-0594. All calls are confidential.

Police reports are compiled weekly by Statesman staff member Nicole Rawley with the help of the Kewaskum Police Department.

FFA Fruit Sale Held

FFA members Josh Krueger, left and Peter Marx sort through boxes of fruit. FFA members and parents sold over 600 cases of fruit, 700 kringles, 350 pounds of cheese, and 250 pounds of sausage.

The annual FFA fruit, cheese, sausage, and kringle sale came to a conclusion recently.

The trucks delivering fruit from California came to Kewaskum Wednesday, December 6, 2000. Because of the generous help from all of the students in agriculture classes, the product was quickly unloaded and sorted through.

By the end of the day Wednesday, most of the fruit was sorted through and ready to be picked up. FFA members helped with orders every day after school. This involved members loading vehicles and delivering personal orders to members of the community.

The Kewaskum FFA members would once again like to thank community members for their continued support of the sale. This fundraiser supplies the FFA with a major part of its budget for the year.

25 Years Ago

December 19, 1975

Marvin A. Martin, local insurance agent, has recently entered into an agreement to sell his agency to Gene Bohn, Kettle Moraine Agency, effective January 1, 1976. Martin has operated his agency for the past 38 years in Kewaskum, serving the property and liability insurance needs of people in this area. His successor, Gene Bohn, has 21 years of experience as State Agent for West Bend Mutual Insurance Company in Wisconsin. In this capacity he was in charge of premium production for West Bend Mutual for the entire Wisconsin territory. Bohn recently moved his agency, the Kettle Moraine Agency, into the new O & R Office Building, located at 1051 Fond du Lac Avenue, next to the A & W Restaurant.

On the south end of the village the Chamber of Commerce erected a Tourist Information Booth. The small building will hopefully be manned during the summer by Boy Scouts, Girls Scouts or 4-H Club members. They will be on hand to give out information and area maps to interested tourists. The bulletin board will be used to post coming events. Members of the Chamber who helped on the project include Ken Weddig of Minz Supply, Don Mlodzik of Hilltop Laundry and Dick Gust of American Family Insur-

ance. The Chamber of Commerce has recently erected a sign on the north end of the village. The sign which states, "Kewaskum Welcomes You" will be used to put all of the signs of the various local service organizations on. This will eliminate the many small signs that are scattered about now. Those who erected the sign were Ken Weddig, Don Mlodzik, Bob Schultz and Bob Danielsen, all Chamber of Commerce members.

The marriage vows of Mary Jane Roeder of Kewaskum and Robert A. Buddenhagen of Kewaskum were blessed during a 7 p.m. ceremony November 21 at Immanuel Church, West Bend.

Pvt. Kelvin K. Kreif, son of Mr. and Mrs. Jerome Kreif of Kewaskum has completed a Wheeled Vehicle Mechanics Course at Fort Leonard Wood, Missouri. He is now stationed at Fort Hood, Texas.

Seniors included on the Kewaskum High School Honor Roll for the first quarter of the 1975-76 school year included: Wanda Akin, Sid Amadio, Annette Anders, Brenda Arndt, David Ayer, Jim Bilgo, Sue Binder, Susan Bohn, Verna Bowman, Terry Buswell, Fran Ciha, Peggy Darmody, Mike Dreher, Pat Dreher, Cheryl Dryfka, Tom Edwards, Bev Ehnert, Mark Enright, Yvonne Fellenz, Todd Garbisch, Debra Heisdorf, Gayla Herriges, Nancy Horning, Luann Kempf, Jack Kern, Mary Klein,

To my family and friends:

I see the countless Christmas Trees around the world below,
with tiny lights, like heaven's stars, reflecting on the snow.
The sight is so spectacular, please wipe away that tear,
for I am spending Christmas with Jesus Christ this year.
I hear the many Christmas songs that people hold so dear,
but the sounds of music can't compare
with the Christmas choir up here.
I have no words to tell you, the joy their voices bring,
for it is beyond description, to hear the angels sing.
I know how much you miss me,
I see the pain inside your heart,
but I am not so far away, we really aren't apart.
So be happy for me dear ones, you know I hold you dear,
and be glad I'm spending Christmas
with Jesus Christ this year.

I send you each a special gift, from my heavenly home above,
I send you each a memory of my undying love.
After all "LOVE" is the gift, more precious than pure gold,
It was always most important in the stories Jesus told.
Please love and keep each other, as my Father said to do,
for I can't count the blessing or love He has for each of you.
So have a Merry Christmas and wipe away that tear,
Remember, I'm spending Christmas, with Jesus Christ this year.

Thank You!

God must be watching over me because he sent very special angels to take care of me the day I got hit by a car.

Thank you to: Mrs. Coulter, the best crossing guard in the world; Ruthie Butler, Vicki Towell and everyone else who called 911; Mark Herriges, Steve Kieckhafer, and everyone else who helped at the scene until the ambulance arrived; Lori Patasius, who held my head still, held my hand, and talked to me, making me feel better; the Kewaskum Police Department; Larry and Jackie Rauch, for getting ahold of my mom; Donna Zimmer, Debbie Rempel, Mike Schickert and Greg Hahn of the Kewaskum Rescue Crew; the ER doctors and nurses at St. Joseph's Hospital; the Flight for Life Ground Transport Crew; the staff of Children's Hospital ER, especially nurse Brad, nursing assistant Michelle, who got to listen to me talk for hours as she held my head still, and nurse Colleen, who took me up to see the helicopter; and Rich Lewandowski for giving me and my parents a ride home.

A special thank you to all my angels who watched over me, and to everyone else who has called and stopped by to express their love and concern for me and my family. We know we are truly blessed to have you all in our lives.

Love, Andy McDonald

Operation Christmas Child Held at Holy Trinity School

Left to right, Holy Trinity Student Council officers Andrea Theisen, Amanda Herriges (back to camera) Katie Uelmen and Nicole Feucht receive the gift boxes from Lindsay Krautkramer and Allison Kowalczyk.

The Christmas gift boxes were presented in front of the Holy Trinity Church altar.

The students at Holy Trinity School participated in Operation Christmas Child.

Each family filled a shoe-box with things such as toys, toothbrushes, combs, pencils, paper and markers. Each box was wrapped in

Christmas paper and the students presented them at the altar before Thanksgiving. The boxes will be sent overseas to Africa and other Third World countries.

The Holy Student Council organized this event. Money was also col-

lected to help with the shipping costs. The students really got into the spirit of Christmas by filling their boxes for some child somewhere who has so much less than we do.

To my family and friends:

I see the countless Christmas Trees around the world below, with tiny lights, like heaven's stars, reflecting on the snow. The sight is so spectacular, please wipe away that tear, for I am spending Christmas with Jesus Christ this year. KHS All-School Reunion

Enjoy some old-fashioned Kewaskum High School nostalgia and sing *Auld Lang Syne* with former classmates at an All-School Reunion being planned for Saturday, December 30, 2000 from 2 p.m. until ??? at the Boltonville Fire House in beautiful downtown Boltonville.

There will be no charge, however, you are asked to bring a dish to pass or snacks. If you ever attended Kewaskum High School, YOU ARE INVITED, regardless of whether you graduated from there or not. Just think of it as one of those high school parties that if you heard about it... YOU'RE INVITED!

For more information, please contact Chuck Theusch by phone at 414-672-9152 or fax at 414-672-9153 or E-mail: fstheusch@milwpc.com

Thank You

The Kewaskum Gridiron Club held their December meeting to elect new officers. The outcome was as follows: President Jim Korth; Vice President Joe Backhaus; Secretary Jim Thelen, and Treasurer Dan Reider.

Also newly elected to the board was Lenus Seefeldt, Cindy Shaske, Rollie Maul and Eric Anderson.

Unfortunately, Amerahn was inadvertently omitted in the previous article on the Gridiron Club's Appreciation Night. The Gridiron Club would like to apologize for the oversight. Amerahn has been a huge supporter of the Gridiron Club and for the fourth year in a row, graciously donated the use of their hall for their Appreciation Night. Thank you to them.

My first Christmas in Heaven

I see the countless Christmas trees around the world below
With tiny lights like Heaven's stairs,

But I am not so far away.
We really aren't apart.

So be happy for me, dear ones,
You know I hold you dear.
And be glad I'm spending Christmas

Village of Kewaskum NEWS NOTES

The Village of Kewaskum's Snow Emergency Response

FACTS: The Village has four pieces of equipment used for snow removal. Three dump trucks with snow plows and the front end loader with a bucket blade. Totally the Village maintains an estimated 12 miles of streets, plus the two parking lanes on both Main Street (STH 28) and Fond du Lac Avenue (USH 45) equalling another estimated two miles of streets.

The normal street requires four passes to be made by the snowplow. To achieve the fastest and most effective snow removal process the Village is broken down into basically three areas. The three areas are as follows:

I. The southwestern portion of the Village and south central portion of the Village.

II. The north central portion and the eastern portion of the Village.

III. The western portion of the Village.

Each snowplow covers their designated area and on an average snow removal makes an estimated 29 miles. It should be noted that certain areas can not be cleaned with a snowplow, so the front end loader covers those situations in all areas. Some of those areas are specific intersections, cul de sacs and alleys.

The systematic routine is for the removal of snow from street, firehouse/municipal building, alleys, municipal parking lots/utilities and municipal sidewalks. This is then followed up by any snow removal and hauling, which again is handled in a systematic manner.

The Department of Public Works tries hard not to discharge anymore snow than mandated by the storm in anyone's driveway. The Department of Public Works also tries hard not to do damage to any personal property. It should be noted, however, the Department of Public Works is not responsible for the removal of snow to provide adequate access for mail delivery by shoveling or plowing out any mail box or cluster mail box.

Private contractors are requested to remove snow in a safe manner, not depositing the snow from one property onto another or on the street. No person shall cause to be deposited snow from his premises or sidewalk abutting thereon onto any street in the Village without a permit from the Superintendent of Public Works, who may require to be paid a fee sufficient to reimburse the Village for the cost of removal of such snow.

As for such ordinance of the Kewaskum Municipal Code Chapter 82-6 and all ordinances, a penalty is also provided for in Chapter 25.04 of this Municipal Code.

Babysitting Course Offered

The West Bend Chapter of the American Red Cross will be conducting a course for those who wish to become Red Cross Certified Babysitters. The course teaches youth aged 11 and older the responsibilities and qualities of being a good babysitter.

They will learn safety practices, how to select safe and appropriate games and activities for children, and how to provide basic care routines, such as feeding and diapering infants, preparing simple meals for children and dressing them. Additionally, the student will learn how to handle an emergency or illness, such as performing first aid, caring for choking, and non-breathing infants and children. They will also be certified in infant and child CPR.

The cost for this course is \$30, and the dates will be

December 27 and 28 from 9 a.m. to 1:30 p.m.

A prepayment is required for enrollment and the class will fill up quickly. To sign your child up for this class, or to inquire further, stop in their new office, 819 Schoenhaar Dr., just north of the Citgo and Mobil stations on Highway 33 East in West Bend from 9 a.m. to 4 p.m. To inquire by phone, call 262-334-5687.

In outer space, it's impossible to snore.

Village Board Meeting Minutes

Regular Meeting
November 6, 2000
8:00 p.m.

The Village Board of Kewaskum, Washington County, Wisconsin, met in Regular Session in the Council Room of the Municipal Building, 204 First Street.

President John Kenworthy presided. All other Trustee Members were present. A quorum was present.

The meeting was opened with a Moment of Silence and Pledge of Allegiance.

On a motion by Trustee Robert Stoltzmann, seconded by Trustee Larry Ammel and unanimously carried by voice vote, the minutes of the October 16, 2000 meeting were approved as printed.

Fire Chief Mark Groeschel presented the October report:

Fire calls 6 Year to date 29

Jaws calls 2 Year to date 18

Rescue calls 27 Miles 440

Chief of Police Richard L. Knoebel reported that the new Officer was on his own as of November 6, 2000.

Director of Public Works, Jerry Gilles reported as follows:

1) The PSC has notified the Water Utility that it is being moved from a Class D to a Class C Utility. This means a different type of accountability is needed and that more paper work will be mandated.

2) The wood chipping is wrapped up for this year and the leaf collection will wrap up by the week of November 13, 2000.

Administrator Daniel S. Schmidt reviewed the following with the Board:

1) Review of League and Taxpayer bulletins.

2) Reported on the latest developments regarding the Malt House clean up. It was noted the EPA is still working with the Madison Office of DNR to allow for the reasonable clean up of the site, but that the negotiations with the Milwaukee DNR Office is rejecting such actions at this point. The Madison DNR is hopeful something can be worked out. Word on this should be received within two or three weeks.

On a motion by Trustee Harry Roecker, seconded by Trustee Larry Ammel and unanimously carried by voice vote, the Board approved the payment of bills as recommended by the Administrative Committee. The total of all claims as recommended are as follows:

General 133,260.89

Sewer 55,033.26 A/P Ck. #17828 - #17949

Library Fund 2,742.86

Payroll 35,650.83 P/R Ck. #10189 - #10245

Water Fund 46,690.87

TOTAL 273,378.71

Chairman of the Protection & Public Safety Committee, Trustee Harry Roecker reported on the committee meeting held November 6, 2000 to review 2001 budget information for the Police Department. It was noted the Committee did recommend the placement of two stop signs and directional arrows and two way traffic signs on Edgewood Road in Old Glory Subdivision.

On a motion by Trustee Larry Ammel, seconded by Trustee Robert Stoltzmann and unanimously carried by voice vote the Board directed that one stop sign be installed at the intersection of Edgewood Road and Jefferson Drive. The second stop sign to be installed is at the intersection of CTH "H" and Edgewood Road. The additional two way directional and arrows are to be installed on Edgewood Road.

Chairman of the Public Works Committee, Trustee Larry Ammel reported on the committee meeting held on November 6, 2000 to review budget information for the

Department of Public Works.

Trustee Andy Pesch, the Plan Commission Representative, reported a Plan Commission meeting was held October 31, 2000 and Mr. Rick Kania was present to discuss Chapter 4 of the zoning ordinance. Mr. Robert Wagner was present to share information with the Commission regarding the storage of recreational vehicles. It was noted that topic would be a separate agenda item for the meeting of November 28, 2000.

Trustee John Kenworthy, the Library Board Representative, informed the Board that the Library Board has reviewed and prepared a proposed Library Budget for 2001. It was reviewed indicating the tax levy for that portion needed by the Library was increased by \$8,851 or + 14.2%. In related information it was noted the budget actually was reduced by \$2,189 or - 2.0%, because of the loss of county library funds.

Administrator Daniel Schmidt reviewed the status of the USH "45" project and the timing of 2003 & 2004. The reconstruction of CTH "S" / Riverview Drive in 2004 and the resurfacing of STH "28" / Fond du Lac Avenue in 2005 were also discussed. It was also noted that the sale of the RR ROW was on hold until a passenger train study would be completed. (Estimated time frame would be two years.)

Administrator Daniel Schmidt explained what and how the budget proposal that was prepared ended up reflecting the dollars indicated. The difference between revenue and expenditures was discussed and several alternatives how to reduce the expenditure were discussed. It was agreed by consensus that dollars be moved from the open space fund in the amount of \$17,500 to cover the \$3,500 budgeted for the KKCP toilet facility seed money, \$5,000 budgeted for the KKCP water apparatus seed money and \$9,000 budgeted for the KKCP and RHP picnic table purchase. Also that a total of \$25,575 would be moved to the revenue side of the budget from the designated fund from the following accounts \$23,489 from interest earned from levy relief, \$856 from the refuse account for garbage receptacles.

Following the aforementioned, the adjustment in revenue, the difference between revenues and expenditures is \$204,937 which would equal an increase of \$1.61 or + 25.7%. Several cuts were suggested such as:

1) Splitting the Memorial Drive street project to a two year project, a savings of \$44,000.

2) Removing \$10,000 from Civil Defense leaving only \$2,575 for the purchase and installation of a new siren on the SW side of the Village. This will postpone said purchase.

3) Removal of the two, or three year purchase of a new dump truck/snow plow. A savings of \$50,000.

4) Removal and postponement of the hiring of a new 2/3 DPW employee for only 2/3 of 2001. A cost savings of \$17,395 on the general fund and a \$8,737 savings on the water utility.

5) reducing the amount of money on five outlay accounts to go towards the USH "45" project in 2003/2004. A savings of \$5,241.

The above actions lower the difference to an increase of \$78,593. Using the increase of village growth and the noted increase, the levy for the general fund would increase \$90,651 or 12.8%. This would equate out to a total tax rate of \$6.819219 or an increase of \$.61428 or +9.899%. It was so noted that looking at the overall tax rate for the village and all other entities would equal a gross rate of \$24.635493 or an increase of .112385 or 0.4583%. It was noted the tax credit information is not available to project the net tax rate.

Several other alternatives were discussed as to additional cuts. It was noted by several Board Members that the budget is very tight with no extra

funds and it was further noted that if further cuts were imposed it would compound the problem in future years as did tight budgets of the past. On a motion by Trustee Harry Roecker, seconded by Trustee Matthew Heiser and unanimously carried by voice vote the Board directed the administrator and staff to prepare the public hearing notice reflecting the above information. The Public Hearing is scheduled for November 27, 2000 at 7:00 p.m.

A review of the Debt Service Fund, Special Revenue Fund, Library Fund, Water Department and Water Pollution Control budgets took place with several adjustments. On a motion by Trustee Harry Roecker, seconded by Trustee Larry Ammel and unanimously carried by voice vote, the Board directed the information reviewed be included with the public hearing notice.

On a motion by Trustee Larry Ammel, seconded by Trustee Matthew Heiser and unanimously carried by voice vote the Board approved the Village Board meeting schedule for December 2000 and January 2001 as reviewed along with the December/January holiday schedule for the office and all employees.

A brief discussion took place regarding the park reservation fees, rules and community room rules as previously discussed and reviewed at an earlier Village Board meeting. On a motion by Trustee Larry Ammel, seconded by Trustee Robert Stoltzmann and unanimously carried by voice vote, the Board approved the new fees and rules for the parks and community room, to take effect January 1, 2001.

On a motion by Trustee Robert

Stoltzmann, seconded by Trustee Larry Ammel and unanimously carried by voice vote, the Board approved the names submitted as Election Inspectors by the Republican Party for 2001/2002.

On a motion by Trustee Andy Pesch, seconded by Trustee Robert Stoltzmann and unanimously carried by voice vote, the Board approved the names submitted as Election Inspectors by the Democratic Party for 2001/2002.

The Administrator reviewed the Board of Canvassers to assist him, they are Janet Knops and Jerry Gilles. On a motion by Trustee Robert Stoltzmann, seconded by Trustee Harry Roecker and unanimously carried by voice vote, the Board approved the appointments of the Administrator to the Board of Canvassers.

Motion by Trustee Larry Ammel and carried by the majority roll call vote, to adjourn. Roll call vote was 6 "Aye" 0 "Nay" 0 "Absent."

VILLAGE OF KEWASKUM NEWS NOTES

The residents and businesses of the Village are asked to help the garbage and recycling process by removing the snow around all mobile containers, so as to provide proper access for pickup. Those placing their garbage at the curb should place it on the street side of the sidewalk for street access.

If mobile containers and regular garbage and recycling materials are not accessible the contractor will leave the garbage remain where placed. Your cooperation is appreciated.

Thank You!

Dear Santa:

Dear Santa,

Hi Santa! How are you doing in the North Pole? My Mommy is helping me write this (I'm only 17 months old). Christmas Eve I promise to leave you cookies and milk! For Christmas I would like trucks or cars or any Teletubbies. I am pretty easy going so anything I get would be great!

Love,
Justin Dudarenke
age 17 months

P.S. I loved seeing you and Frosty at Breakfast with Santa and the parade.

P.S. I live in St. Michaels!!

Dear Justin

Things at the North Pole are very busy, Mrs. Claus has been busy baking up cookies for all the elves while they work in our workshop, the elves are busy too! Tell your mommy that she did a fine job writing your letter! I will try very hard to bring you a teletubby and a truck. I had a good time myself at the breakfast and so did Frosty, and the parade was just fabulous. I hope your family has a very merry Christmas!

See you soon!

Love,
Santa

Dear Santa,

My name is Chelsea Herriges. I live in Wayne, Wisc. I am five years old. For Christmas I would like Hot Wheels, Dumptruck, MaxBlaster, Barbie Fashion Kit, Secret Messages Barbie, Kelly Skateboard, Cool Skating Barbie, Barbie Jeep, Barbie House, Diva Star Doll and Husl Lil' Baby.

I have a sister Hailey who is two years old. She would like Lego Tigger's Tree House, Bears' Play Doh, a Doll and anything else you can bring her. I will leave cookies and cheese for you.

Love,
Chelsea Herriges
age 5
Allenton, WI

Dear Chelsea,

Thank you for writing me a letter, I have been getting a lot of them but I read each and everyone I get.

You had a very long list, but thats ok because it gives me a lot to choose from, I

will try and bring you the things you wanted. It was very nice of you to write down a few things your sister wanted.

I am looking forward to the cookies and cheese, we don't get cheese real often in the North Pole thats why I love coming to places like Wayne because I know you have cows that can make the cheese.

Love,
Santa

Dear Santa,

I would like barbie lip gloss maker, books, and a desk for my bedroom. Is there really Rudolph? Matthew and I will have cookies and milk and oats for you.

Your friend,
Megan Ringwell
age 6
Beechwood

Dear Megan

I will try and get you the Barbie lip gloss maker and the desk for your room. Yes their really is a Rudolph, he was very happy to hear you were leaving oats for him! Remember to be a good girl and be nice to your brother Matthew.

Love,
Santa

Dear Santa,

My name is Abigail. I will be four in February.

I would like a blue doll with slippers and a hat.

I will leave popsicles and cookies for you to eat.

Love,
Abigail Leister
age 4
Kewaskum

Dear Abigail

Thank you so much for your letter on the pretty paper. I will try very hard to get you your doll, I just know the elves will have something perfect for you because you have been such a good girl. Tell your mommy and daddy that I wish them a merry Christmas too. By the way, popsicles are my

favorite treat!!!

Love,
Santa

Dear Santa,

I wold like a tie-Die snow-board. And an inflatable chair. And a pink poochy. And a skate-board. And a glass doll. And a Barbie doll. And a doll house. And a math book. And a scooter. And a minne purple T.V.. Walkman.

Alyssa Perkins

Dear Alyssa,

I will try very hard to get you all the things you wanted on your list. Make sure you keep being a good girl like you have been.

Love,
Santa

Dear Santa,

I wold like a kids snow-board. And a skate-board. And I wold like my family to be happy. I would also like ancient and foil pokemon cards please.

Cody Machalk

Dear Cody,

I will try to bring you that skate board, and I hope I can make Christmas for your whole family very happy.

Love,
Santa

Dear Santa,

My name is Sam and I am three years old. I would like red tools. And a game like my cousin has. I have been a good boy this year. I will leave you milk and cookies.

Love,
Sammy Carlson
age 3
Racine

Dear Sammy,

Thank you for the letter you wrote me, I will try and get you the red tools you want. I know you have been a good boy this year, make sure you stay good after Christmas. Make sure you pick up all your toys and help momma and grandmas. Please leave me chip-pies and soda.

Love,
Santa

Kewaskum Boys Lose to Roncalli

The Kewaskum boys' basketball team hosted Roncalli on Thursday, December 14 in their second Eastern Wisconsin Conference game. Kewaskum could not overcome Roncalli and lost, 70-65.

Kewaskum was down 53-40 and took the lead 60-59 with about two minutes remaining. Roncalli's Andy Jahnke took control and Kewaskum took two more one point leads, but Jahnke answered each time.

Varsity coach Dave Nordeng stated, "I am pleased with the composure the kids showed - and the determination to come back."

Senior Kevin Miller was the MVP of the game. "He played an all-around fundamentally sound game," stated coach Nordeng. Miller led the team in assists with eight.

Junior Tony Fitts scored 22 points, making him the high scorer for the night.

The rebound leader for the night was senior Charlie Sparks with seven.

Fitts along with fellow junior Tom Ogi led the team in steals with three each.

The team is 1-1 in the conference and 3-3 overall.

On a snowy day, give children a piece of poster board and let them cut pictures from old Christmas cards to make a Christmas poster for next year.

Girls BB Team Loses To Roncalli, 65-47

The Kewaskum girls' varsity basketball team traveled to Manitowoc on Tuesday, December 12th to take on Eastern Wisconsin foe, Manitowoc Roncalli. The Kewaskum team quickly found themselves on the wrong end of a 22-7 score at the end of the first quarter.

Heather Rieder started the night only scoring a bucket and a free throw in the first stanza, but her productivity increased especially in the second quarter when she scored seven points. Rieder led all scorers with 17 points.

The second quarter saw Kewaskum outscore Roncalli by a 15-13 margin, but Kewaskum was still down by 13 points as the first half ended, with the score Roncalli 35, and Kewaskum 22. Dani Nass, Emily Rinzel, Cassie Patterson and Bridget Polzean each scored a basket in the second quarter for Kewaskum.

Cassie Patterson started the game instead of senior Colleen Gosa who sprained her ankle the previous Friday night in Kewaskum's loss to Two Rivers.

All hopes of a comeback were dashed when the hot shooting Jets scored 23 points in the third quarter compared to 12 points for the Indians. The third quarter ended with the score Roncalli 58 and Kewaskum 34.

The Roncalli game was the first varsity game for sophomores Katie Klug and Jenny Koth, who were moved up from the junior varsity to the varsity. The Kewaskum varsity team had started the season with only nine girls and recently dropped to eight when one girl quit the team. Klug and Koth now give the varsity a

total of nine players.

Roncalli took out their starters for the fourth quarter and Kewaskum also substituted freely.

Kewaskum Statistics: Rebound totals: Katie Klug 8, Nass, 7, Jenny Koth 7, Patterson 6, Polzean 4, Rieder 2, Maggie Herriges 1, Emily Rinzel 1.

Steals: Polzean 2, Koth 2, Rieder 1, Nass 1, Rinzel 1.

Scoring: Rieder 17, Nass 10, Polzean 4, Patterson 4, Klug 4, Koth 4, Rinzel 2, Logan 2. Total 47.

Girls Lose To Plymouth

PLYMOUTH - The Kewaskum High School girls' basketball team didn't find life any easier in the Eastern Wisconsin Conference when they traveled to Plymouth on Friday, December 15th to take on another undefeated conference opponent.

After keeping the game close and then actually outscoring the hosts 15-12 in the third quarter, Kewaskum battled back to only be down by nine points, 40-31, with a little over five minutes left in the game. Plymouth made shot after shot and scored 17 unanswered points until Kewaskum made two of three free throws with one second left on the clock.

Kewaskum knew their hands would be full with Plymouth's Tanya Guell who has reportedly already signed to play basketball at a smaller Division 1 school. Guell, was held in check the first quarter as she scored only two points and Kewaskum found themselves behind by a score of 9-6. Heather Rieder, Dani Nass and Cassie Patterson each scored a basket.

Kewaskum's problem in the second quarter was that only Rieder, Nass and

Patterson each scored only one additional basket as Plymouth erupted with 17 points to give them a half time lead of 26-12. Guell scored eight of her game high 15 points in their second quarter run.

Guell didn't score any points in the third quarter as Kewaskum's defense collapsed on Plymouth's star, which in turn opened up the outside for two three pointers by Plymouth, but not much else as Kewaskum slowly got back into the game.

Rieder scored seven points on two three point plays and a free throw. Colleen Gosa came off the bench and scored two buckets and also made two steals to help stop Plymouth's offense in the third quarter. Kewaskum continued to whittle the lead down until they were eventually only down by nine points, 40-31, when Kewaskum went stone cold and couldn't score. Plymouth ended up scoring 19 points in the quarter compared to just six by Kewaskum.

Kewaskum committed 32 turnovers for the game.

Kewaskum Statistics: Rebound totals: Nass 10, Rieder 5, Polzean 5, Gosa 4, Patterson 4, Rinzel 2, Klug 2, Koth 2.

Steals: Rieder 3, Gosa 3, Nass 2, Rinzel 1.

Scoring: Rieder 13, Nass 6, Gosa 4, Patterson 4, Rinzel 2, Polzean 2, Koth 2. Total 33.

Plymouth Scoring: Guell 15, Kleiber 10, Klemme 9, Mass 6, Kreibick 6, A. Guell 3, Krueger 2, Johnson 2, Hand 2. Total 57.

Over 16,000 Antlerless Deer Taken During Special December Hunt

MADISON - According to a preliminary survey of the state's deer registration stations, 16,614 deer were harvested in the Zone T antlerless deer hunt held December 7-10.

"We saw excellent weather for deer hunting across most of the state for the duration of this four-day hunt. There was sufficient snow cover, which aids in visibility and tracking and temperatures were cold, but not so cold that hunters should have been uncomfortable," said Bill Mytton, Department of Natural Resources deer and bear ecologist.

"We expected the total number of deer taken in this hunt to be much less than the 67,389 deer taken during the similar hunt held in October," Mytton said. "There was likely decreased hunter enthusiasm after many other deer hunting opportunities, and there was reduced deer numbers after more than 575,000 animals were taken in other seasons. However, the late season harvest of 16,614 is better than expected and will definitely help us in reaching a new record harvest in the vicinity of 600,000 deer."

Almost three-fourths of the state was included in an effort to help slow the growth of Wisconsin's rapidly expanding white-tailed deer herd, estimated at 1.7 million animals entering this fall. Wisconsin has extended gun deer hunting several times over the last decade to control high populations in farmland deer management units. This year, 86 of Wisconsin's 132 deer management units were included in the early and late antlerless gun hunts and for the first time some central and northern

forest units are included.

A deer management unit is considered for inclusion in the hunt if wildlife managers determine that the traditional nine-day November gun hunt is unlikely to bring the unit to within 20% of its legally mandated population level.

Also new for this year is a greatly expanded venison donation program. Through the program hunters can donate venison to state food pantries by simply registering a deer and dropping it off at one of over 150 participating meat processors. There is no cost to the hunter for processing the meat. As word of the expanded program spreads, more and more organizations have contacted the DNR to ask how they can get involved in the distribution of venison to food pantries. For more information on this program, please contact a local DNR service center, or visit the DNR website at www.dnr.state.wi.us. Processors will be accepting whole deer donations until the end of December.
