KHS Prom This Weekend

The Kewaskum High School will be holding their junior prom this Saturday evening in Rose Hall at the high school. This year's court is pictured above, left to right with their escorts behind them. First row: Courtney Timblin, Maggie Herriges, Maria Cannestra, Andrea Wolf and Megan Petermann. Second row: Andy Bauer, Kevin Schneider, Alex Charland (missing), Steve Herriges and Chris Canter. Third row:

Megan Desmarais, Virginia Feind, Elizabeth Rammer, Melissa Lark and Dani Naas. Fourth row: Josh Harris, Tom Ogi, Troy Martin, Bryan Kraft and Tony Fitts. The theme of the dance is "When You Say Nothing At All." The court has chosen white and purple as their colors. The community is invited to attend the grand march at 9 p.m.

Two Injured in Single Car Crash

By Andrew R. Kuehl
 Staff Writer/Photographer

TOWN OF KEWASKUM-Two local teens were injured Friday evening as a result of one car roll accident.

The accident occurred on Prospect Drive, south of the Badger Road intersection, just south of the village.

Authorities say John

Hafemann, 19, of Kewaskum was proceeding south on Prospect Drive, when according to a Washington County Sheriff's department report, Hafemann stated he swerved to avoid a deer. In the process he went into a skid towards the east ditchline. As he entered the ditchline his vehicle went sideways and flipped once, passing through a

small grove of trees coming to rest on it's roof.

Hafemann's vehicle was occupied by three other passengers, one of which was partially ejected. Hafemann and another passenger required medical transport to St. Joseph's Community Hospital in West Bend. The two were treated and released.

District Art Exhibit May 3

Everyone is invited to attend the annual Kewaskum K-8 school wide art exhibit. The best artwork of approximately 1000 elementary and middle school students will be on display at the Middle School from April 23 through May 4. The public is encouraged to view the work at any time during school hours.

An opening celebration

will be held on Thursday, May 3 in the Middle School gym. Viewing will begin at 6 p.m.

Superintendent Graczyk will begin the award ceremony at 7 p.m. Refreshments will be served and families are invited to join their children in creating a "Fantasy In Clay." Please join in to celebrate the district's students creative accomplishments.

YMCA Tot Time Visits Kewaskum Fire Station

The Tot Time preschool of the Kettle Moraine YMCA visited the fire station and had a great time. The tour started with a movie about the ABC's of fire safety. After viewing, the class practiced stop-drop-and-roll and crawling under pretend smoke. From there they squirted a hose to put out milk jug fires. That was great! Next they took a tour of the ambulance, climbed on a fire truck and saw the thermal imaging camera. How did they get there and back? Riding on a fire truck of course! Hats off to JR Ramthun, Mike Schickert and Pete Dickman, the tour guides. Pictured above is the Monday - Wednesday class.

IN MEMORY

In loving memory of AL BEISBIER, who passed away two years ago, May 3, 1999:

God looked around His garden
And found an empty place.
He then looked down upon the earth,
And saw your tired face.
He put His arms around you
And lifted you to rest.
God's garden must be beautiful,
He always takes the best.

He knew that you were suffering
He knew you were in pain.
He knew that you would never get well on Earth again.
He saw the road was getting rough
And hills were hard to climb,
So He closed your weary eyelids
And whispered, Peace Be Thine.

It broke our hearts to lose you,
But you didn't go alone,
For part of us went with you,
The day God called you home.

Sadly missed by his family.

ABC SKAT RESULTS

The winner at skat played at the Town of Scott Hall on Tuesday, April 23rd was: Harold Eggert, 13-1-12 net.

IN MEMORY

In memory of EDWIN BACKUS, who died May 8, 1971, and VINELDA BACKUS, who died May 8, 1991:

The world may change from year to year,
And friends from day to day,
But never will the ones we loved,
From memory pass away.

Fondly missed by Ralph & Eileen (Backus) Hein Steve Heisler, Stan Heisler and family

Village Board Meeting Monday

Public notice is hereby given that the next meeting of the Village of Kewaskum, Wisconsin Village Board is scheduled for Monday, May 7, 2001, at 8:00 p.m. in the Municipal Building, 204 First Street.

The agendas for the meeting are prepared as of Wednesday noon preceding the meeting and are available at the office of the clerk at the Municipal Building on Thursday preceding the meeting.

Copies of the agenda are also posted in the lobby of the Kewaskum Post Office and lobby of St. Francis Bank.

Spring Time is Bike Time

The Kewaskum Police Department would like to take this time to remind everyone about bicycle safety and laws pertaining to them.

Wis. State Statute 346.03(9), Rules of the Road, states: "Subject to the special provisions applicable to bicycles, every person riding a bicycle upon a roadway is granted all the rights and is subject to all the duties which this chapter grants or applies to the operator of a vehicle..." In short, this means that all laws pertaining to motor vehicles apply to bicycles, including, but not limited to: Riding on the right side of the road, abiding by all traffic signs and signals, riding single file, etc. NOTE: In the event a child needs to ride on the sidewalk due to safety reasons, they should be aware that pedestrians have the right of way and ride only in single file.

Also, Village of Kewaskum ordinances require that all bicycles operated on the streets of Kewaskum to have a current license affixed to them. The cost of these licenses, which are non-expiring, is \$5.00. They can be obtained at the Municipal Building between the hours of 8 a.m. and 4 p.m.

A few safety tips to everyone operating a bicycle are: Keep your bike in good working order, wear bright colored clothing to make it easier for motorists to spot you, put a safety flag on your bike, ride single file, be aware of the area you are riding in and be ready to take evasive action if an obstacle appears and make sure the bike is the right size for the person riding it.

If we all follow these rules and safety tips we should have a safe bicycle season.

Richard L. Knoebel, Chief
Kewaskum Police Department

Ceramics at 9:30 a.m. every 1st and 3rd Monday of the month.

The wood stork, also known as the wood ibis, is the only true stork native to the United States.

County Historical Society Meeting Set for May 15

The Washington County Historical Society is inviting its members and friends to learn about "Recent Happenings in the Research Center" at the May meeting of the Society on Tuesday, May 15.

The Museum Research Center houses and preserves many historical county records. Some of the improvements in recent years involves the use of new technology in the Center. This new technology enhances the Center's accessibility and on-site fieldwork.

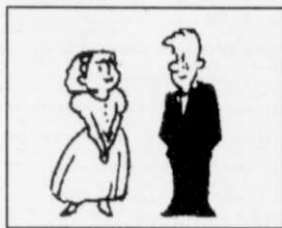

To learn more about the Research Center, you are invited to attend the meeting on May 15 at 7 p.m. at the Museum's Old Circuit Courtroom at 320 S. Fifth Avenue in West Bend. Refreshments will be served. For more information please call 262-335-4678.

KHS Talent Show May 11

So you think you have talent??? Prove it!!! Enter the Kewaskum High School Talent Show on May 11 to get the respect and recognition that you deserve.

Or, if you're too shy to perform, just come and watch in Rose Hall on May 11 to cheer for Kewaskum's extensive talent. Tickets are \$2 for adults and \$1 for children.

To secure your place in the spotlight, call David Bertelsen at 262-626-2166, extension 4571. Remember this is a family event, so please keep all songs, skits, jokes, etc. tasteful.

Junior ushers and junior bridesmaids are usually eight to fourteen years old.

Kewaskum Legion Auxiliary President Evelyn Thiemer, right, recently donated a check to Kewaskum School Superintendent Wayne Graczyk towards a defibrillator for the high school.

Fellenz - Jones

The wedding vows of Carrie Ann Fellenz and Scott Lee Jones took place October 14, 2000 at Holy Trinity Catholic Church, Kewaskum, with Father Mark Jones officiating.

Parents of the couple are Frank and Cheryl Fellenz of Campbellsport and Steve and Laura Jones of Marysville, Ohio.

Heidi Krueger, Greenfield, friend of the bride was the matron of honor. Angie Lawton, West Bend, friend of the bride, was the bridesmaid and Crystal Wolf, West Bend, godchild of the bride, served as the flower girl.

Jeremy Nietz, St. Paul, Minnesota, friend of the groom was the best man. Bruce Fellenz, Campbellsport, brother of the bride,

was the groomsman.

Ushers for the ceremony were Matt Gartman, of Newburg and Jeb Jungwirth of Kewaskum.

Personal attendant was Heather Koch of Kewaskum, friend of the bride.

A reception, dinner and dance was held at Hon-E-Kor in Kewaskum following the ceremony.

The bride is a certified Physician Assistant in Primary Care, working at Val Verde Regional Medical Clinic in Del Rio, Texas. The groom is currently an instructor pilot of T-37's in the Air Force at Laughlin Air Force Base. The couple reside in Laughlin Air Force Base, Texas.

THANK YOU

Thanks so much to Randy Zielieke and the Campbellsport Fire Dept., Randy Karoses, Sisters and Staff of St. Joseph's Convent, Gehl Company of West Bend, Giddings and Lewis Controls of Fond du Lac, Hospice Hope, National Exchange Bank, the Knights of Columbus, St. Matthew's Parish, Christian Women of St. Matthew's, Mission Sewing of St. Martin's, St. Matthew's Grade School, our agent, John Brandl, Diane King representing Wisconsin American Insurance Company, Twohigs, Harold and Millie Doss, Bill Grede, Jim Uelman, Lindsley Construction, Danny Serwe and crew, Schmidt Plumbing, Ruby Heating, employees of Johnson School Bus, neighbors, friends, family, others - including the anonymous, and all who responded with prayers, gifts of money, clothes, food, and shelter particularly Bob and Nancy Campagna, and Brian and Joan West.

The loss of our home was very sad yet the response of sincere concern helps to overcome our misfortune.

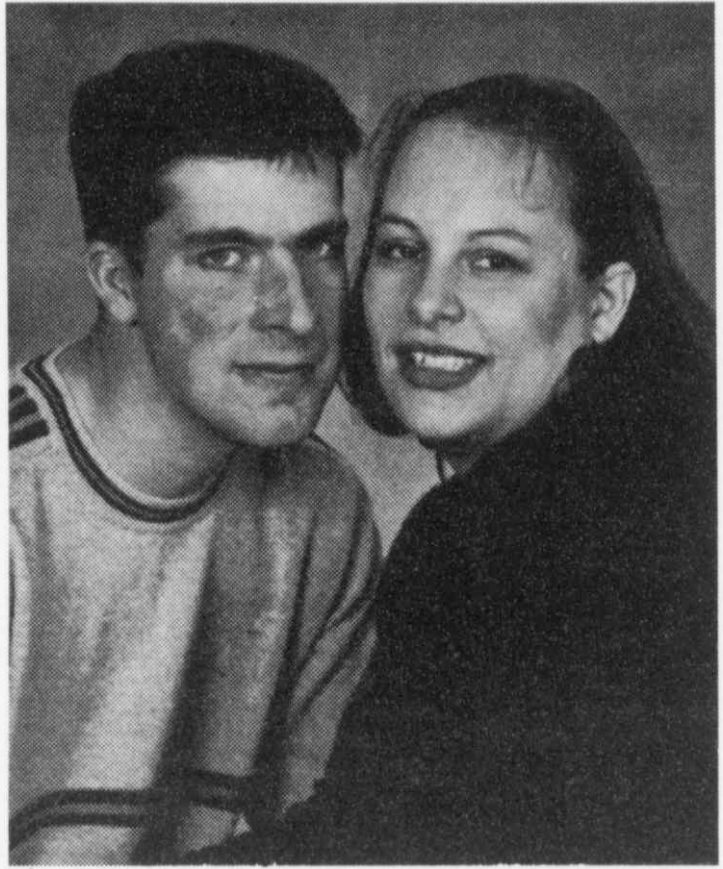

Thanks be to God!

The Don Huberty Family

FDIC INSURED

Friends Helping Friends

Left to right: Rachel Gauvin, Jean Briggs, Mitchell Weindorf and Justin Weindorf.

A friend is a person who is there when you need them, and someone you can talk to and trust.

Twenty-four youth and adults from Ozaukee and Washington County recently completed a "Friends Helping Friends" training held at the Washington County Fair Park. The workshop focused on the importance of self-esteem, communication, cooperation, and the role of being a friend. The workshop was taught by Sally Schoenike, Dodge County 4-H Youth Development Educator, and Kandi O'Neil, Washington County 4-H Youth Development Educator.

Washington County 4-H youth and adults attending were: Nick Benzing, Lauren Beine, Camille Connelly, Justin Vredeveld, and Pam Benzing from the Badger Boosters 4-H Club; Connor Killian, Makenzie Ronk, Melissa Schaefer, Dominic Wollner, Brittany Falk, and Jane Falk from Myraners 4-H Club; Sara Guenther, Stephanie Lyman, Megan Perry, and Diane Guenther

from the St. Lawrence Eager Beavers 4-H Club; Rachel Gavin, Justin Weindorf, Mitchell Weindorf, and Jean Briggs from the Kewaskum 4-Hers 4-H club.

Ozaukee County 4-H youth and adults attending were: Maranda Cardarelle,

Ashley Schroedel, Stephen O'Neil, and Donna Cardarelle from the Lakeview 4-H club.

"Friends Helping Friends" is an educational program sponsored by the University of Wisconsin Extension, 4-H and Youth

Development. The program has been designed to be presented by young people who are concerned about problems youth must face in their communities. It is based on the theory that

youth are powerful teachers and role models for one another. The club teams will be teaching educational activities in their local 4-H club and other groups for the next six months.

Letters to the Editor

Letter to the Editor:

When I learned that my daughter was deaf, I knew that raising her was going to be a challenge. What I didn't know was that trying to get her educated in the Kewaskum School District was going to be one of my biggest challenges.

The District wants to bus my four-year-old to Hustisford (50 minute trip one-way) to an all day deaf education program when all I'm asking is for my daughter to be included in the four-year-old kindergarten program here in Kewaskum. I wonder how much it costs the taxpayers of this District to bus that far away when we have a perfectly fine program here in Kewaskum?

Last year, we went through three IEP (Individual Education Plan) meetings with the District and the final meeting had attorneys present just so I could get speech therapy for my daughter in the home because the District refused to educate her in the Early Childhood program. Your tax dollars paid for an attorney at probably \$200+ an hour just so I could get speech therapy when any other hearing child in the district automatically gets that if they have any delay. Your tax dollars also paid for a meeting with the Superintendent so I could explain to him why my husband and I would not send a three-year-old on a 50 minute bus ride.

And now this year our family is going through the same fight. The District again is insisting that Hustisford is a reasonable travel distance for a four-year-old. I was also told that kids all over the District are on a bus for 50 minutes. I'm wondering, are those kids four years old?

This year, my family's first IEP meeting for my daughter lasted three plus hours and included attorneys because the District is again refusing to educate my daughter here in Kewaskum. The law "requires that school districts ensure students with disabilities be educated with their regular education peers to the maximum extent appropriate" 34 CFR

300.550(b)(1). AND "as close, as possible to the child's home" 34 CFR 300.552. Since we live 3 miles from the school, I believe that Kewaskum fits that definition. But the District thinks that they are above the law I guess. So unfortunately your tax dollars are now going to pay for a Due Process hearing because I'm tired of the District ignoring my rights to have my daughter educated in her home district.

We have been consulting with the Department of Public Instruction and have consulted with a few different attorneys in the Milwaukee area on this matter. All of these professionals have informed us that we have a STRONG case and would win in due process. I guess the District has money to waste and wants to fight this battle. The District already spent probably at least \$1,000.00 to have their attorney at our IEP meeting which could have possibly paid for 66 hours of interpreting or five months of the school year for my daughter in the four-year-old kindergarten at Kewaskum.

I urge you to contact the Superintendent or any of the school board members if you are outraged by this because now your tax dollars are going to pay for a due process hearing that may cost this district anywhere from \$8,000.00 to \$20,000.00. Do you want your tax dollars paying for that when the law states

that my daughter can and should be educated here? Again, I beg you to contact the District if you find this outrageous cause I do.

Lori & Don Menzel

To Whom It Concerns:

The destruction of a five-acre lake does not benefit the public. Due to neglect the New Fane millpond is in sad shape.

To those who don't know, the pond is part of the Milwaukee River Watershed and is controlled by the D.N.R. The dam is wearing away, silt is building up, and the embankment (berms) are deteriorating.

The only two solutions presented cost \$50,000 and \$250,000 respectively.

The first proposal is extensively detailed in a D.N.R. statement and is essentially a rubble-lined ditch replacing the millpond and dam.

The \$250,000 proposal is "dam repair" without much further explanation.

The "ditch" idea will release tons of sediment downriver, eliminate a wild life and waterbird habitat, and change the aquatic beauty of the area.

On the plus side, canoeists can make a high-water voyage from Mauthe Lake to north of West Bend unobstructed. Fish have the same advantage.

I am sure alternative solutions have also been

considered. Something like dredging the pond and depositing the silt against the backside of the embankment to reinforce them might work. Make a spillway of broken stone behind the dam to reinforce it? Construct walkways and piers for kids' fishing areas and a portage walk over the dam abutment for canoeists' use?

Perhaps these compromises would serve the public better than a "ditch" and uphold the general idea of a State Park.

Other ideas?

Sincerely,

Mr. J.E. Lewco

To the Editor:

It is Thursday, April 26, and I have just sat down to read the Kewaskum Statesman. I read your "apology" to the family of the boy pictured in last week's Statesman concerning the bomb threat at the high school.

You should have quit after the fourth paragraph. But NO you had to continue with your editorial comments, making it a very insincere apology.

How many of us go to work every day and do not receive a thank you for doing our job. It could be your attitude that continually puts you between a rock and a hard place.

Maybe the Kuehl family should rethink their career choice!!

Receive Degrees

OSHKOSH - Nearly 650 students received their bachelor's degrees from the University of Wisconsin Oshkosh in January.

Area students receiving degrees are as follows:

KEWASKUM - Fay Melissa Olla, AB.A Letters and Science, English; Tony Joseph Olla, CB.A Letters and Science, Spanish; Randy James Reysen, B.S. Education, Social Science (6-12).

CAMPBELLSPORT - Mandy Marie Strobel, B.S. Letters and Science, Criminal Justice.

WEST BEND - Tracey Ann Dricken, CB.S. Education, CD (PK-9); Sallyanne Rita Fechter, B.S.N. Nursing; M. Douglas Hammack, BB.A. Letters and Science; Journalism; Emily Ann Klein, B.S. Letters and Science, Communicative Disorders; Marie Jeanette Martin, BB.A. Letters and Science, English; Dawn M. Mills, B.S.N. Nursing; Jody Lynn Weiland, BB.S. Education, CD (PK-9); Melissa Katherine Wilke, B.S. Education, Spanish (PK-12).

XYZ CARD RESULTS

The winners at cards played at the Municipal Building on Wednesday, April 24th were: SKAT: Ken Kaschner, 21-1--20 net; Francis Gilboy, 18-0--18 net; Allen Reindl, Diamond turn vs 5.

SHEEPSHEAD: Ruth Campbell, Elmer Graff, Sally Reindl, Laura Hammes, Betty Jacak, Minerva Martin and Gertie Kaschner. 500: Irene Kohl and Fred Mielke.

DNR Outdoor Report

April 24, 2001

Portions of western Wisconsin continued to deal with flood conditions this past week. From three to as much as six inches of rain was reported from Sunday to Monday in northwestern Wisconsin, with Douglas, Bayfield, Ashland, Burnett, Washburn and Polk counties hardest hit.

Some roads were closed and power outages were reported. DNR staff were monitoring the conditions of several dams in those counties. Amnicon Fall State Park was closed due to high water. The Bois Brule River was very high with some canoe landings underwater.

The St. Croix River and Mississippi River also continue to be above flood stage, though they were starting to recede. The U.S. Coast Guard has closed the St. Croix and Mississippi rivers to all boat traffic north of Genoa because of the high water.

A flood warning remained in effect for the Mississippi River downstream to Guttenberg, Iowa. At noon Monday, the Mississippi was at 15.4 feet at La Crosse where flood stage is 12 feet and at 22.8 feet at Prairie Du Chien where flood stage is 16 feet. The Mississippi River is forecast to slowly fall for the next several days, but it is possible that the rivers may still be closed to boat traffic for the week.

Other river systems in Wisconsin also remain high, but they have been going down. The Flambeau River was at normal high spring levels this week and white-water canoeing and kayaking conditions were reported as excellent. Outstanding walleye fishing was reported on the lower Menominee River in Marinette. The Wisconsin River has begun to recede in central Wisconsin and fishing was picking up with good walleye action reported from below the DuBay dam to below Nekoosa.

The Rock and Crawfish

rivers remain high but have also started to go down. A slow-no-wake rule is in effect on portions of the Rock and Crawfish in Jefferson County and on all of the Rock in Rock County.

A few walleyes were reported from below dams on those systems, but the best action has been for white bass that were biting throughout those river systems on nightcrawlers or jigs and twister tails. Redhorse suckers are beginning to bite on rivers around the state including the Flambeau, Chippewa, Wolf and Embarrass.

Ice out is progressing rapidly on northern lakes with lakes now opening in Vilas and Oneida counties. Ice went out last week on most Hayward area lakes. Panfish action for crappies and bluegills has been good on southern waters and is just starting to pick up in the north.

Bluegills were biting on Lake Mendota and crappies and bluegills were biting on Monona. Muskies are done spawning in the Lake Wingra and walleyes are done spawning on lower Madison area lakes but are continuing to spawn on Lake Mendota.

Windy conditions made boating rough this past week on Green Bay and Lake Michigan. Although conditions were not ideal, some very nice fish were caught during the Baileys Harbor Brown Trout tournament, with a 16.58 pound fish caught out of Egg Harbor taking first place. Many boats have been out in the Sturgeon Bay area where good action was reported for northern pike, but some good night action for walleye was also reported near Sawyer Harbor.

In the southeast, fishing action was reported as slow at most harbors. High waters also slowed action on tributaries. Smelters are also continuing to report very few fish. The Root River Steelhead Facility has been shut down for the season after passing 793 steelhead upstream, 295 of which were spawned to supply hatcheries with eggs.

Does are starting to give birth to fawns, so please leave them alone and remember that does leave fawns unattended to protect them and the fawns are not abandoned. Ruffed grouse

drumming is picking up and sharp-tailed grouse are actively dancing.

Sandhill cranes have laid their eggs and have begun incubating. Robins and mourning doves are nesting. Southerly winds are bringing in a variety of migrating birds including house wrens, brown thrashers, meadow larks and warblers. A large flock of pelicans can be seen near Lock and Dam #11 at Dubuque visiting on their migration route.

Spring peepers and chorus frogs are going strong with a few wood frogs making their presence known. Turtles have been observed crossing roads.

Leeks, skunk cabbage and trout lilies are starting to pop up. Pussy willows and alder catkins are opening. And the first spring wildflowers such as spring beauties, hepatica, bloodroot and dutchman's breeches are making their debut.

Village of Kewaskum NEWS NOTES RECYCLING TIPS

** H.D.P.E. #2 PLASTIC **

TYPE: Plastic Bottles, Jugs and Wide Mouth Food Containers. This plastic is normally found in milk, water and detergent bottles & jugs. Wide mouth food containers are normally ice cream, margarine and cool-whip containers.

HINT: H.D.P.E. bottles, jugs and wide mouth food containers will carry the #2 emblem stamped or molded on the bottom. Some milk and water jugs carry no emblem but they are recyclable.

PREPARATION: Remove cps, rings and metal handles. **RINSE CLEAN.** This is the most important aspect of a successful recycling program. Bottles that contain liquid residue cannot be recycled. Place #2 plastic bottles in your dark green recycling bin or blue recycling bag along with the other recyclable items. Place bin or bag at the curb on the same day that your solid waste is to be collected. Pick up will be Wednesdays for both solid waste and recyclables. Multi-family dwellings of six or more, remember, your recycling pick up will be the 1st and 3rd Wednesday of each month.

NOTE: Do not place automotive product bottles in the recycling bin or bag.

THE KEY WORDS IN PLASTICS: 1 & 2 Bottles, jugs and food containers.

NEXT WEEK: Corrugated Cardboard

COMMUNITY CALENDAR

MAY/JUNE/JULY

Opening Day For Game Fish Season May 5

MADISON - Opening day for the 2001 general inland fishing season, May 5, is shaping up to be a day made for memories and fish stories firmly anchored in reality, according to state fisheries biologists.

"The ice should be out on Wisconsin lakes and we expect fishing statewide will be as good as it's been in past years," says Mike Staggs, Department of Natural Resources' director of fisheries management and habitat protection. "Bass, walleye and trout fishing should be particularly strong statewide because surveys show fish populations are doing well."

Fishing on some rivers may be more dicey right off the bat, given high water levels and murky conditions on some major rivers and streams, Staggs says. "If you're going to fish a river, call ahead to make sure the water conditions are good for fishing and safe for boating."

He'll be trying his luck

KHS Soccer Team Beats Sheboygan Falls

The Kewaskum girls varsity soccer team hosted the girls from Sheboygan Falls on Monday, April 30. The Sheboygan Falls girls were a good team with passing and shooting skills.

The Kewaskum girls played a good game with the defense shining, stopping all the intrusions by Sheboygan Falls. The forwards outshot the Sheboygan Falls girls two to one.

Courtney Timblin, Tanya Theisen, Bridgette McDonald, and Jenny Koth were tough on defense for Kewaskum. Alexa Nelson played one of her best games, sending many passes and crashing balls to the Sheboygan Falls goal.

Lauri Bausch, Jamie Imler, and Maria Cannestra played balls from the air with headers and body traps making the Indians transition game against the Falls work perfectly.

Michelle Backhaus was nothing but a goal machine against the Sheboygan Falls goal keeper. Michelle powdered a shot past their diving goal keeper for her second goal. This was Michelle's first start and she certainly played her starter role well.

Chris Van Beek, Lisa Boden, Melissa Lark, Katie Staehler, Jackie Chambers, Audrey Dickmann, Alison Yanke, and Kirsten Krudwig all played an important role in moving the ball during the game. Maggie Herriges played well having six saves in the game.

Coach Mathia stated, "I'm proud of our strong play by our team. We are getting better every game."

on Balsam Lake in Polk County, joining Gov. Scott McCallum, DNR Secretary Bazzell and Tourism Secretary Richard "Moose" Speros and local officials for the Governor's Fishing Opener.

The general season opener allows anglers to target game fish on inland waters, including walleye, northern pike, sauger, trout and salmon and trout and salmon on Lake Superior waters. But check the special county or boundary waters regulations in the 2001-2002 fishing pamphlet to determine if any special season dates exist for the particular waters you plan to fish.

Musky fishing south of Highway 10 opens May 5, but the season does not open north of Highway 10 until May 26. And while southern Wisconsin is open for bass fishing starting opening weekend, anglers need to remember to practice catch and release bass fishing in northern Wisconsin until June 16.

The season for trout and salmon is open all year on Lake Michigan, and the season for Lake Trout on Lake Michigan, Green Bay and Lake Michigan Tributaries has been open since March 1. Anglers can fish for panfish such as bluegill, pumpkinseed, crappie and yellow perch seasons all year.

Anglers should enjoy good fishing prospects for all of those species, fisheries biologists say. There are opportunities for walleye, particularly in the heart of

KHS Soccer Team Defeated

The Kewaskum girls varsity soccer team visited the Plymouth girls team on Thursday, April 26.

The Plymouth team proved to be outstanding with disciplined passing and perfect ball control. The game became one of defense for Kewaskum. Defenders Stephanie Broughton, Jenny Koth, Tanya Theisen; midfielders Alexa Nelson, Lauri Bausch, Jamie Imler, Maria Cannestra, and forwards Lisa Boden, Melissa Lark, Alison Yanke, Jackie Chambers, Audrey Dickmann, Kirsten Krudwig and Michelle Backhaus, all put forth a super effort.

Maggie Herriges put on a great show with many professional level saves. Maggie awed the fans and the players with her skill level in the goal. The girls had set a goal of keeping Plymouth at five or under goals in the game this year. They achieved that goal during the match.

Coach Mathia stated he was very proud of the girls' strong play for the team. They learned a good lesson in passing from a very good Plymouth team.

walleye country, northern Wisconsin, according to results from fish population and angler surveys last year.

"We monitored excellent reproduction of walleyes in 1994 and 1995 across the region, and surveys last spring showed that these 'year classes' have carried over into adulthood," says Steve AveLallemant, DNR fish expert for northern Wisconsin.

"We are confident that our naturally reproducing walleye waters will provide good fishing and quality size. Stocked waters provide lesser numbers but often quality-size fish."

Trout anglers should also enjoy good opportunities as a result of improvements in water quality and in habitat along some streams. Water quality and fish population surveys conducted during the past several years have revealed scores of streams and stream stretches across the state that support trout that previously were not known as home to trout. In other cases, the streams are now able to support self-sustaining populations.

The improvement is particularly apparent in southwestern Wisconsin, which is starting to reap the benefits of a combination of changing land use, longtime erosion controls, habitat improvement projects, and stocking efforts, says fisheries biologist Dave Vetrano.

"We have 250 miles of streams we're reclassifying this year and probably another 18 streams that will be reclassified in coming years," Vetrano says. "It's a real testament to how these waters have changed."

Fishing for trout and salmon also will be good in the Great Lakes. Lake trout populations have bounced back in Lake Superior with natural reproduction supporting much of the fishery. Coho and some chinook salmon are also being taken. On Lake Michigan, the 2000 chinook and coho salmon fishery was one of the best in recent years and fisheries biologists expect it to be good again in 2001.

Bass masters also face good prospects. In northern Wisconsin, bass numbers and average size are way up after 12 years of size limits. In Lake Winnebago, populations of smaller and medium sized largemouth are strong across the state.

For a more detailed forecast for specific lakes and rivers in your region and a list of major rules changes, visit the 2001 special fishing preview on the DNR website: <http://www.dnr.state.wi.us>, then click on "outdoor activities," then "fishing," then "special fishing preview." Copies of this preview may still remain and be available at your local DNR service center or license sales agent. For more information, contact Mike Staggs at (608) 267-0796.

Indians Split Pair, Notch First Win of the Season

The Kewaskum Indians varsity softball team showed its defensive prowess twice in the last week as the green and gold scored a total of two runs and allowed three over 14 innings of action.

Plymouth came calling on April 26 and the Indians were looking to avenge a season-opening loss to the Panthers. Through the first four innings, the Indians had the only real threat to score, leaving the bases loaded in the first frame.

In the top of the fourth, Plymouth was able to score twice, using two singles, a sacrifice and two KHS errors to plate the runners.

Kewaskum's offense struggled against the Plymouth chucker, logging only one hit, a seventh inning infield single by Cassandra Steffen. Defensively, the Indians were led by Steffen's 12 putouts.

Kewaskum also turned a spectacular double-play in the seventh inning, involving Molly Schweder, Steffen, Sarah Williams and Stephanie Janz. Schweder took the loss on the mound, allowing seven hits, while walking none and striking out one.

On Tuesday, April 30, the Indians welcomed the Sheboygan Falls Falcons to Kiwanis Park and walked off the field with their first victory of the 2001 season.

The Indian offense recorded a season-high seven hits, yet were only able to manufacture two

runs on the night. Sarah Williams crossed the plate both times for Kewaskum, scoring in the first and fifth innings.

The short game was working for KHS as Williams reached on a single in the first and was able to advance all the way to third on a sacrifice bunt by Jacki Broecker. Williams then scored on a passed ball.

In the fifth, Williams led off the inning with a walk, stole second and third bases, before scoring on a squeeze bunt by Broecker.

The Kewaskum pitching and defense turned in a great performance, allowing just one run. Molly Schweder pitched a solid game, allowing only three hits, while walking three, and recording a season-high strikeouts with five.

The defense did commit three errors, but were able to overcome their mistakes to limit the Falcons' opportunities to score. Catcher Sarah Williams threw out two of the three Sheboygan Falls base stealers on the night, and strong performances were turned in by the entire infield of Cassandra Steffen, Jacki Broecker, Jessica Janz and Stephanie Janz.

The Indians' record improved to 1-6 overall and in the EWC as they continued play with a double-header at Kiel on May 1, and a double-header at home with Two Rivers on May 3.

Shorelands - To Be Wild or Not

The Evening with Nature Series at the Northern Kettle Moraine State Forest concludes another successful year with the program, "Shorelands - To Be Wild or Not?" The program will be held on Thursday, May 10, from 7 p.m. to 8:30 p.m. at the Henry S. Reuss Ice Age Visitor Center. The Ice Age Visitor Center is located off of Hwy. 67 1/2 mile west of Dundee. The program is free, but donations are always gratefully accepted.

The lands boarding lakes, rivers and creeks are very special lands not just to wildlife, but to the people who live near these bodies of water. Many folks like a manicured lawn right down to the shoreline. But is this the best for the health of the aquatic community? There is a lot of exciting research being done on shorelands from how to best stabilize banks, to how native vegetation improves water quality and deters resident geese, and how to enhance fish spawning habitat in riparian zones. Sue Schumacher is currently the naturalist at Kohler-Andrae State Park. Before joining the staff at

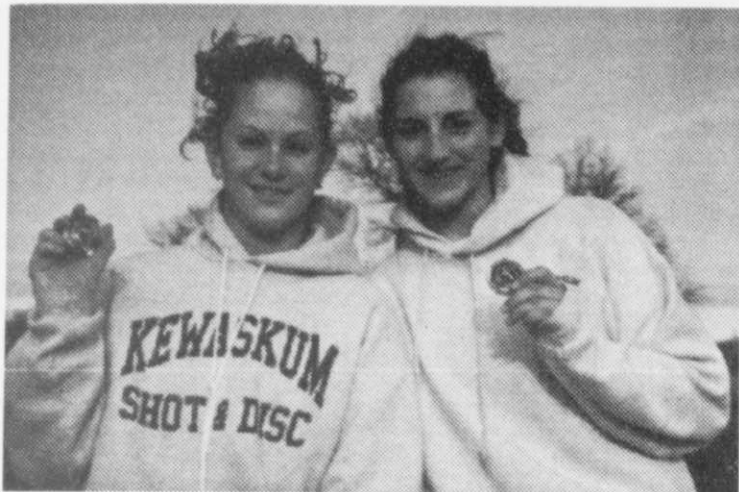

Kohler-Andrae, she was employed for several years in the field of water regulation and zoning where she worked directly with the laws governing the development of shorelands. Schumacher will share what the current research is saying about shorelands. She will also give some ideas on how to restore/maintain wild shorelands while still allowing for human activity.

For further information of directions to the Ice Age Visitor Center, please contact Jackie S. Scharfenberg, Forest Naturalist. She may be reached at (920) 533-8322, Monday through Friday, 8 a.m. to 4 p.m.

Sequoia National Park is named for the Cherokee Indian who invented a system of writing.

KHS Girls Win At Alzheimer Invite

(Left to right): Nicole "Coco" Herrmann and Colleen Gosa pose with their medals they received for their discus throws at the Alzheimer Invitational at Pewaukee on Friday, April 27th. Herrmann threw a career best of 87' 8" for 2nd place and Gosa threw 108' 6" for 1st place.

By Jerry Gosa

PEWAUKEE - The Kewaskum High School girls track and field team won the Alzheimer Invitational at Pewaukee High School on Friday night, April 27th.

Kewaskum girls won six events to hold off runner-up Cedar Grove's 137.5 points to 129 points. Wilmont was third with 98.5 points and host Pewaukee was fourth with 89 points. A total of nine teams competed in the annual invitational.

Jacki Krueger started the scoring for Kewaskum by clearing 8' to win the pole vault. Emmy Foerster tied for third place at 6' 6" and Elizabeth Werdermann placed fifth also at 6' 6".

Foerster also won the 100m high hurdles with a season best time of 16.27 seconds and teammate Jenna Roecker placed fourth after a nasty fall at 18.68 seconds. Foerster also placed fourth in the 300m low hurdles with a season best time of 51.16 seconds and Roecker finished fourth with a time of 51.28 seconds.

The 4x200m relay of Becky Herriges, Foerster, Breyan Donath and Tina Lindgren won with a time of 1:55.47, while the 400m relay team of Herriges, Kristin Schiller, Stacy Muckerheide and Lindgren placed second in 55.3 seconds. Herriges also placed fifth in the 200m dash at 29.31 and sixth in the long jump at 13' 5 1/2".

Jessi Graham won the 400m dash in 64.15 seconds and Donath placed fourth in 66.23 seconds.

Colleen Gosa and Nicole "Coco" Herrmann exerted their presence in the throwing events. Gosa won the discus for the third year in a row with a throw of 108' 2" and also placed fourth in the shot put. Herrmann won the shot put with a throw of 33' 10 3/4" and also placed second in the discus with a personal best throw of 87' 8". Gosa also placed seventh in the 1600m run and 800m

run.

The 4x100m relay team of Herriges, Schiller, Muckerheide and Lindgren finished second to Cedar Grove's time of 54.63 seconds.

Jessi Graham shows off her 1st place medal for winning the 400m dash in 64 seconds at the Alzheimer Invitational at Pewaukee on Friday, April 27.

Muckerheide also placed third in the 100m dash in 14.11 seconds and third in the long jump with a 14' 6 1/2" effort. Lindgren placed seventh in the 100m dash with a time of 14.47 seconds.

The girls 4x400m relay race provided all the spectators with all kinds of excitement. The Kewaskum relay team of Amber Averill, Donath, Roecker and Graham fell behind early and then stormed back into contention.

Jessi Graham put on a huge burst and caught and then passed the anchor runner for Cedar Grove on the

KHS Boys Win Six Events For Second Place Finish at Washington County Outdoor

By Jerry Gosa

SLINGER - The Kewaskum High School boys' track and field team, like the KHS girls' team, was also aiming to surprise the Division One high schools of Washington County. The KHS boys had finished in a tie for fourth place at the County Indoor and knew they would face tough competition.

The Indians scored a total of 109 points to finish second to West Bend East. WBE, the winner of the County Indoor, finished with an impressive 135.5 points. Slinger finished third at 100.5 points, WBW, fourth with 86.25 points, Hartford, fifth, with 85 points, Germantown, sixth, with 22 points and Kettle Moraine Lutheran, 19 points.

Chris Canter and Tony Fitts started the scoring by placing one-two in the long jump with jumps of 20' 8" and 20 1/2" respectively. The two teammates also went first and third in the 100m dash with Canter timed in 11.2 seconds and Fitts in 11.5 seconds.

The Kewaskum 4x200m relay team of Canter, Fitts, Tom Ogi and Charlie Sparks won despite having Fitts almost not complete his leg of the relay due to a pulled muscle. Kewaskum finished with a time of 1:34.4, over three seconds ahead of Hartford.

Sparks won his specialty, the discus, for the third year in a row with a throw of 154' 3". Sparks then anchored the 4x100m relay of Canter,

back stretch. Graham led until the final 20 meters of the race. It looked like Kewaskum was going to win until Graham's legs just gave out and she barely made it to the finish line without falling. Cedar Grove won with a time of 4:24.04 and Kewaskum finished second with a time of 4:25.92.

Jolene Clark finished fourth in the high jump with a jump of 4' 8". The 4x800m relay team of Kelly Darmody, Katie Schneider, Lauren Schultz and Heather Hackbarth finished sixth with a season best time of 11:28. Hackbarth also finished seventh in the 3200m run at 13:41 and Jody Wichtoski placed seventh in the high jump at 4' 6".

The Kewaskum coaches realized that the girls were going to be a little tired for Friday's meet after the tremendous physical and mental effort they made finishing runner-up at the Washington County Outdoor at Slinger on Tuesday. "We didn't give them a big pep talk before they got off the bus. Basically we just wanted them to get out there and have fun. We thought we would finish in the top three, but we weren't expecting to win the meet," concluded coach Gosa.

Ogi, and Kevin Miller in the nights most exciting race. Ogi was pressed into service due to the injury to Fitts.

Kewaskum held a slight lead going into the last leg of the relay when Sparks received the baton. Sparks and West Bend East's anchor, Preston Nobile battled it out, with Nobile diving at the finish line to give WBE the victory by the slightest of margins, with a final time of WBE 44.3 seconds and Kewaskum 44.4 seconds.

Sparks wasn't done as he and teammate Tom Ogi finished one-two in the 200m dash with times of 23.1 and 23.8 seconds. Ogi also placed fifth in the high jump with a jump of 5' 8".

Josh Parrent had to wait the longest of any KHS competitor to contest and win his specialty, the pole vault. Parrent, who previously, had cleared 13' 6" in the pole vault, broke the KHS record with a jump of 14' and then almost cleared 14' 6" on his second attempt at that height. "Parrent has shown great determination and focus this year. He is running hard in practice to get the necessary strength and endurance so that he can make those good attempts at 14' and 14' 6"," commented coach Gosa.

Brian Wall cleared a season best 12' in the pole vault to place fifth. The success of all the Kewaskum vaulters is due in large part because of their own effort and coaching of former pole

coach, Rick Robinson, and new coach Nate Weseman. Coach Robinson set a great foundation for the Kewaskum vaulting program and Coach Weseman is doing a real nice job with the vaulters this year.

Matt Hartmann has made tremendous progress the last couple of weeks in the 300m hurdles. Hartmann, a sophomore, ran a season best time of 43.5 seconds and placed third.

Troy Koefler placed fourth in the shot put with a throw of 44' 3" and Luke Kehres also placed fourth in the 400m dash with a season best time of 54.6 seconds.

Bryan Kraft dropped over 12 seconds off his best time and finished fifth in the 3200m run with a time of 11:10. He teamed with Troy Kedroske, Darrell Woebeking and Josh Repovsch to finish sixth in the 4x800m relay.

"The Kewaskum sprint relay teams were disappointed that Germantown didn't run their relay teams tonight. Germantown and Kewaskum were both ranked high on the state honor roll and our athletes were looking forward to running against them. I am very happy and proud of our athletes. They came ready to compete. They have been working hard and their improved results should help motivate them to continue working hard," concluded coach Gosa.

In Greek mythology the muse Polymnia presided over hymns, pantomime and religious dance. Terpsichore over choral dancing and singing.

Older Americans Month 2001: The Many Faces of Aging

May is Older Americans Month and Social Security joins the Administration on Aging and organizations around the nation in celebrating the contributions of older Americans to society.

The theme for this year is "The Many Faces of Aging." It acknowledges the promise and the challenge posed by the United States'

rapidly increasing multi-cultural aging population.

Social Security pays monthly retirement benefits to more than 31 million retired workers and their family members. More than nine in 10 Americans who are age 65 or older get Social Security benefits.

By 2030, minorities will represent 25% of the elder

population. By the middle of the twenty-first century, every third older person will be from a minority group.

Social Security contributes greatly to the financial security of minority communities as well as all older Americans.

Social Security benefits generally represent a larger share of the income of minority communities. Social Security benefits are about 33 1/3% of the income of elderly Americans in the society at large; for African

Americans, the figure is 40% and for Hispanics, 39%.

Thanks to Social Security, less than 10% of American senior citizens live in poverty; without it, nearly 50% would live in poverty. For minority communities, the figure ranges from 65% for African Americans, 59% for Hispanics and American Indians, and 34% for Asians/Pacific Islanders.

In addition to Social Security retirement benefits, Social Security admin-

isters the Supplemental Security Income (SSI) program. SSI pays monthly check to people who are 65 or older who don't own much or have a limited monthly income.

For more information, visit our website at www.ssa.gov, or call our toll-free number at 1-800-772-1213.

The Lincoln penny is the only U.S. circulating coin currently produced in which the portrait faces to the right.

Obituaries

FREDERICK J. MILLER

Frederick J. Miller, age 81, formerly of Kewaskum, died Sunday, April 29, 2001, in Calimesa, California.

He was born in Kewaskum on July 5, 1919, the son of the late Edward F. and Margaret (Mueller) Miller. He owned and operated Miller's Funeral Home in Kewaskum for many years.

Mr. Miller began his military career with the U.S. Army Infantry, serving in World War II. He retired from the Army in 1958 at the rank of Lt. Colonel, but still served as a reserve officer from 1958 to 1979.

He was a life member of the Reserve Officer's Association, a member of the Minute Man Association of the Reserve Officer's Association, a member of the Calimesa Citizen's Patrol, Veterans of Foreign Wars, Desert Edge Post #4417 of Banning, member of the Robert G. Romaine Post in Kewaskum, and a 50 year member of the Wisconsin Funeral Directors Association.

He is survived by his wife, Pearl F. (Hron) Miller of Calimesa; one son, Mark (Juli) Miller of San Diego, California; two daughters, Constance M. Miller of Antigo, Wisconsin and Candace A. Tessar of Calimesa; one grandchild; two great-grandchildren, nieces, nephews, other area relatives and many friends.

A Mass of Christian Burial was held at 11 a.m. at Precious Blood Catholic Church, Banning, California, under the direction of Weaver Mortuary, Beaumont, California.

Visitation was held from 10 to 11 a.m. at the church prior to the services. Burial was held in Riverside National Cemetery in Riverside, California.

Memorial donations may be made in his memory to Sisters of St. Frances of Assisi, 3221 S. Lake Drive, St. Frances, Wisconsin 53235.

ALPHONSE "AL" THEISEN

Alfonse "Al" Theisen, age 87, of St. Michaels and a lifetime resident of the area, passed away on Saturday, April 28, 2001, at his home with his family at his side.

He was born on September 25, 1913 in St. Michaels, the son of the late Mathias and Mary (Bingen) Theisen, and on June 5, 1948, he was united in marriage to Mildred Schlosser at St. Michael's Catholic Church in St. Michaels.

After their marriage, the couple farmed the Schlosser Homestead in New Fane. Also during this time, Al worked for Joe Jaeger Road Construction working on Kettle Moraine Drive. After the road work was com-

plete, Al was employed by C.W. Haug Roofing, retiring in 1981. He was a member of Milwaukee Roofer's Local 65.

In 1963 the couple moved and made their home in St. Michaels where he was a member of St. Michael's Catholic Church.

Survivors include his wife of 52 years, Mildred of St. Michaels; five children, Linda Theisen of St. Michaels, Mary (Kerry) Faber of Kewaskum, Julie (John) Herriges of the Town of Wayne, Jane (Don) Disler of Kewaskum, and Joe Theisen of Kewaskum; eight grandchildren, Sara and Adam Disler, Andrea, Bryan and Christa Theisen, Nicholas and Monica Faber and Courtney Herriges; two step-grandchildren, Kali and Kyle Faber; a sister, Lucille Petri of West Bend; two sisters-in-law, Mildred Theisen of Kewaskum and Clara Theisen of West Bend; a brother-in-law, George Schickert of West Bend; nieces, nephews, cousins, other relatives and friends.

He was preceded in death by four sisters, Loretta Schneider, Rose Schneider, Marie Peters and Bernice Schickert, and three brothers, Alex, Ray and Albert Theisen.

Al enjoyed his grandchildren and he loved the outdoors, gardening, walking in the woods, picking morel mushrooms, berries and hickory nuts. He will be deeply missed by his wife, family and friends.

A Mass of Christian Burial was held at 7:30 p.m. on Monday, April 30, 2001, at St. Michael's Catholic Church in St. Michaels with Father Robert Artmann officiating. Burial was at 10 a.m. on Tuesday in the parish cemetery.

Friends called on Monday from 3 p.m. until the time of services at the church.

Memorials to Holy Trinity Parish Education Fund are appreciated.

The Miller Funeral Home in Kewaskum served the family.

FLOYD W. MARTIN

Floyd W. Martin, 78, of West Bend, died Wednesday, April 25, 2001, at St. Joseph's Community Hospital.

He was born February 20, 1923, in Chicago, Ill., to the late Frank and Elsie (nee Dinse) Martin.

Floyd served in the U.S. Army Air Corps as a bombardier during World War II. After his return from the

service he attended and graduated from Northwestern University.

He married Harriett Nicol on June 14, 1947, at Watson Park Church in Chicago. They moved to Villa Park, Ill. in April of 1950 and lived in the same home for 50 1/2 years.

Floyd was employed as an accountant for Standard Oil Co. for 30 years retiring in 1980.

In September of 2000 the couple moved from Villa Park to West Bend.

He was a member of Peace United Church of Christ in Kewaskum and was previously a member of St. Peter's United Church of Christ in Elmhurst, Ill. He sang in choirs for more than 60 years.

Floyd was a master gardener and especially loved roses. He also enjoyed golfing and bowling.

Floyd was known as a friendly caring person. He will be missed by his family and friends and will be remembered by his wife, Rev. Harriett Martin; four children, Lonnie (Tim) Farr of Crystal Lake, Ill., Robert Martin of Park Ridge, Ill., Robert Martin of Park Ridge, Ill., Rev. James (Rev. Jenny Dawson) Martin of Sheboygan Falls and Les Martin of West Bend; seven grandchildren; three great-grandchildren; other relatives and friends.

A memorial service was held on Saturday, April 28 at 11:30 a.m. at Peace United Church of Christ, Kewaskum, with Rev. Eric Kirkgaard officiating.

Visitation with the family was at the church on Saturday from 10:30 a.m. until the time of services.

Memorials are appreciated to Habitat for Humanity, Elmhurst Walk-in Ministry, St. Peter's United Church of Christ in Elmhurst, or Peace United Church of Christ, Kewaskum.

The Myrhum-Patten Funeral Home, West Bend, assisted the family.

HENRY N. KRELL

Henry N. Krell, 75, of Ripon, formerly of the West Bend area, died Tuesday, April 24, 2001, at Michalene's Nursing Home, Ripon.

He was born August 9, 1925, in the town of Trenton, to the late Henry and Margaret (nee Habersetzer) Krell.

Henry was employed at the former Gilson Foundry in Port Washington. He then became acquainted with Bob and Kathleen Nehm, working for them on their farm in the town of West Bend. For the past number of years, Henry had been liv-

ing in Ripon.

Survivors include four nieces and nephews, Robert (Jean) Krell of West Bend, William (Char) Krell of Newburg, Mary (Ken) Kudek of Kewaskum and Marjie (Pat) Gadzinski of Manitowoc; dear friends, Robert and Kathleen Nehm of Ripon; other relatives and friends.

Preceding him in death were two brothers, William and Theobald.

Funeral services were held Friday, April 27, at 7 p.m. at the Schmidt Funeral Home, West Bend.

Father Gerald Brittain of Holy Angels Catholic Church, West Bend, officiated and burial was in St. Peter's Cemetery, town of Farmington.

Visitation at the funeral home was on Friday from 4 p.m. until the time of services.

JOHN F. BECKER

John F. Becker, 60, of the town of Trenton, died Monday, April 30, 2001, at his residence.

He was born June 25, 1940, in West Bend, to the late Paul J. and Marie L. (nee Thelen) Becker, and on June 24, 1961, married Barbara L. Bastain at Holy Trinity Catholic Church, Newburg.

After high school, John worked for Lawrence Stockhausen for about five years. He then became employed in the brick laying trade, retiring in June of 1998.

His hobbies include hunting, fishing and many other outdoor activities.

John was a member of the Brick Layers Local 8.

Survivors include his wife; a daughter, Deborah (Walter) Loeffelad of the town of Trenton; three granddaughters, Sara, Hannah and Emma; four brothers, Robert (Diane) of

West Bend, Donald (Bonnie) and Richard (Dianne), both of Newburg and Michael (Ann) of Kewaskum; his mother-in-law, Loretta Bastian of West Bend; four sisters-in-law, Carol Feypel of Georgia, Marlene (Martin) Laufer of New Berlin, Mary Ellen (Kenneth) Knoebel of Green Bay and Gale Mayer of West Bend; a brother-in-law, Jacob Bastian Jr. of Fillmore; special friend, Donny Biertzer of the town of Trenton; aunts; uncles; many nieces and nephews; other relatives and friends.

Preceding him in death was his father-in-law, Jacob Bastian.

A Mass of Christian Burial was held on Wednesday, May 2, at 7 p.m. at Holy Trinity Catholic Church, Newburg.

Father Robert Sampon was the presider and burial was Thursday in Washington County Memorial Park, West Bend.

Visitation at the church only was on Wednesday from 3:30 to 6:45 p.m.

Memorials are appreciated.

The Schmidt Funeral Home of West Bend served the family.

CARD OF THANKS

Warmest thanks to all our friends for their many kindnesses during our mother, Diane's illness.

It means so much to us to know we belong to a community of such compassion and generosity.

Village Board Meeting Minutes

Village of Kewaskum Plan Commission
March 27, 2001
7:00 p.m.

The Plan Commission of the Village of Kewaskum, Washington County, Wisconsin met in the Council Room of the Municipal Building, 204 First Street.

The meeting was opened with a Moment of Silence and pledge of Allegiance.

Chairman John Kenworthy called the meeting to order. Members present were Andy Pesch, Richard Schmidt, Andrew Kuehl, Theodore Meilahn and Frank Beesten. Leeann Butschlick asked to be excused and was absent. A quorum was present. In attendance was Robert Stoltzmann and Kevin Scheunemann.

Mr. Jim Emmer and Mr. Gary Klink were present to discuss and answer questions on their proposed condominium development between Roseland Drive and Brooklane Drive. Mr. Rick Kania from SEWRPC was in attendance to discuss the proposed Zoning Ordinance.

On a motion by Andrew Kuehl, seconded by Frank Beesten and unanimously carried by voice vote the Plan Commission approved the minutes as printed for February 27, 2001.

Chairman John Kenworthy asked Administrator Daniel Schmidt to review with the Board the status of what has occurred with the Ordinance No. 2000-03 (regarding the topic of parking and storage of recreational vehicles and equipment). It was noted that the topic will possibly go before the Village Board on April 16, 2001. It was noted a copy of the amendment was provided and that no mention of the 1 foot for AC railing or etc. was placed in the amendment because of concerns by legal council. No action was taken by the Plan Commission.

On a motion by Andy Pesch, seconded by Richard Schmidt and unanimously carried by voice vote, the Plan Commission recommended sending the amendment of the Village of Kewaskum's sanitary sewer service area to the Village Board for public hearing and approval as discussed in June of 2000. It was noted there were only two areas added as per the property owner's request and adjustment in Badger Road for the USH "45" project.

Mr. Jim Emmer and Mr. Gary Klink were present to review their proposed condominium development off of Roseland Drive with the Commission. It was noted that they were planning for only nine 4 unit buildings all to be condominiums. Sidewalk would be installed as well as curbing along Roseland Drive and then sidewalk into buildings. A site elevation plan would be required to reflect drainage and it was further noted the private drive needs to be go from Roseland to Brooklane Drive for fire protection. No action was taken by the Plan Commission.

On a motion by Andy Pesch, seconded by Andrew Kuehl and carried by the majority voice vote the Plan Commission approved the detachment of land and attachment of said land from V4-573A to V4-572A as reviewed. Theodore Meilahn abstained from voting.

Chairman John Kenworthy informed the Commission and audience that this was a working session and that it was for the Commission to derive at a consensus to bring a product back for public discussion and input as well as an eventual public hearing. Motion by Andrew Kuehl, seconded by Theodore Meilahn and unanimously carried the Commission went into the general zoning work session. Mr. Rick Kania was present from SEWRPC

to review a variety of points from previously discussed sections of the proposed Zoning Ordinance; the finishing touches in reference to adding a section on M-3 extractive section (mining) and Section 6.00 Signs. Several questions were asked by the Commission members of Mr. Kania. Mr. Kania noted that if anyone has a question they should bring it up as soon as possible.

Administrator Daniel Schmidt informed the Commission that the Town of Kewaskum sent a plat of a proposed 10 lot subdivision off of East Moraine Drive which is outside the Sewer Service Area and Land Use Area. It was noted that it is within the extra territorial boundary review area. The Commission by consensus did not have a problem with the development and extended a thank you to the Town for sharing the information.

On a motion by Richard Schmidt, seconded by Theodore Meilahn and carried by the majority roll call vote, the Commission adjourned the meeting. Roll call vote was 6 "Aye" 0 "Nay" 1 "Absent".

KHS Tennis Team Wins

The Kewaskum High School tennis team hosted Chilton on April 26. Kewaskum proudly took the win for the evening parent's night crowd, winning five of the seven matches. The weather was beautiful and unexpected as storms had been predicted.

The singles players all played excellent tennis with all of them winning. Number one Adam Disler scored 6-1 and 6-3. Number two Travis Kempf won 6-1 and 6-0. Number three Justin Wessing scored 6-2 and 6-2.

Number four Matt Schroeder played very challenging sets. He executed the plays as needed and scored 6-7, 6-0 and 6-3, in a match lasting about two hours as his parents and coaches stood by and cheered him on.

Number one doubles players Josh Lawrence and Dan Schneider were not able to win. They scored 4-6 and 1-6. Number two Jeff Wade and Scott Gillis were also beat by Chilton scoring 1-6 and 2-6.

The new doubles team of Jake Wilson and Adam Hubacek had never had formal tennis training, but played as if they had. The both had amazing shots and net work. They won their match scoring 6-2, 5-7 and 6-1. Watch for these guys as they are on the move.

KHS Linksters Compete In Camelot Invitational

Twenty-one area high school boys golf teams competed for the Division Championships at the 16th Annual Camelot (Oak/Lion) Invitational.

The team medal play tournament was held at The Golf Club at Camelot on Wednesday, April 25, with a shotgun start at 12 noon. The weather and playing conditions were conducive for some low scoring.

The warm (60's) temperatures, sunny skies with moderate winds seemingly contributed to the low scoring for the annual invite. With six individuals recording rounds of 78 or better, the playing conditions proved not to be the dominant factor in this early season tournament. The fairways, greens and bunkers were every bit as good as the weather, if not better.

Kewaskum registered four scores in the eighties but their division rivals had at least one score in the seventies. Therefore, the Indians trailed by double digits with a 345 total. The Indians demonstrated some consistency with scores ranging from 84 through 88, but no one finished within the top ten rounds. Senior Josh Stangl and junior Ty Wieter shot 84 and 85 respectively.

Overall, Kewaskum tallied the eighth best (lowest) team total but the Indians finished fourth in Division One, which was based upon school enrollments. Finishing ahead of the local linksters were Fond du Lac Springs (322), Mayville (323), and Campbellsport (327). All three are sched-

uled to play in the W.I.A.A. Sectional at Camelot in late May.

Team trophies were presented to the First Place Team in each division, whereas medals were awarded to the top individuals in division as well as members of the top two teams. Taking home trophies and medals were Fond du Lac Springs, Cambridge, Pardeeville and Elkhart Lake-Glenbeulah. Congratulations to all participants for their competitive efforts and good sportsmanship.

The Indians have competed against many of the teams assigned to their regional or sectional tournament without much success to date. Kewaskum must battle their way into contention this month.

Indian Golfers Drop Conference Opener

On Friday, April 27, the Kewaskum Indians hosted the New Holstein Huskies in their conference and home opener at Hon-E-Kor Golf and Country Club.

The boys varsity and junior varsity teams competed on the par 35 white nine on a sunny and dry day with cool winds. The course and weather conditions proved to be wonderful for an early season match.

New Holstein entered the match with an 0-1 league record, having lost earlier in the week to Two Rivers in conference play. The Huskies have an experienced team with three seniors and two juniors on their varsity roster. Yet, neither team seemingly took advantage of their experience or the playing conditions.

Senior Josh Stangl tallied a 44 with three others recording 47's for an unusually high team total of 185 for Kewaskum. The Huskies were led by senior Bill Schwantes, who registered a 39 to earn medalist honors while contributing to a winning 181 score.

New Holstein evened their league record at 1-1, while the Indians initiated their conference season at 0-1.

Likewise the visiting junior varsity golfers from New Holstein defeated the host Indian JV's by a one stroke margin, 210-211. Sophomores Brian Mertz and Josh Timblin recorded a 47 and 48 respectively, while junior Bill Mueller of the Huskies came in with a 46 to help New Holstein to their narrow margin of vic-

tory.

Needless to say, the Indians were disappointed in their overall scores but need to get ready to play two more conference foes this next week. Kewaskum traveled to Mishicot on Tuesday, May 1 to challenge the Two Rivers Raiders on the Fox Hills National Course. Then the Indians headed to Quit-Quit on Wednesday, May 2, to play the league's perennial powerhouse, the Plymouth Panthers.

With the Indians facing last season's top two teams in the EWC, Kewaskum should have a strong sense of the level of play and scoring necessary to compete in the conference this year. The local linksters will most likely need to demonstrate significant improvement otherwise the Indians could face an uphill struggle all season long.

KHS at Eagle Invite

On April 20, Kewaskum was invited by Sheboygan County Christian to the Eagle Invite at the Kohler Sports Core. There were four teams in all, Kewaskum, Kohler, Valley Christian and Sheboygan Christian.

The Kohler Sports Core is a beautiful facility. Some matches were played indoors and some outdoors. The outdoor courts had natural wind blocks and made for nice playing.

Each player played three matches. Adam Disler scored 2-6, 2-6/7-5, 4-6/6-2, 6-0. He took one win.

Travis Kempf, number two singles, scored 4-6, 3-6/6-3, 6-3/3-6, 6-3 and 6-3 and took two wins. Number three, Justin Wessing scored 6-2, 6-3/6-0, 7-6/5-7 and 0-6. He took two wins.

Number one doubles players Matt Schroeder and Josh Lawrence scored 6-1, 7-5/0-6, 1-6/4-6 and 1-6. They scored one win. Number two doubles Jeff Wade and Peter Wade scored 1-6, 0-6/2-6, 1-6/6-0 and 6-1. They also took one win.

KHS won a total of 7 of 15 games. It was great competition and all and all the team was very pleased.

TUESDAY NITE MEN'S LEAGUE HON-E-KOR C.C. 4-24-01

TOP TEAMS THIS WEEK WERE: K-Town, 5; Regal Ware 2, 5; Timblin Property Mgmt, 5; Driving Range, 5; Handicappers, 5; Kruepke Trucking, 3; Tom's Pudders, 3; A.O. Smith EPC, 3; Regal Ware 1, 3; Fifth Avenue Cobras, 3.

Police Reports

On April 23, Kewaskum police were dispatched to a Memorial Drive residence in reference to a vandalism complaint.

The complainant stated that when he was pulling out of the driveway he heard his tire pop. He then looked at the tire and noticed several nails were stuck in the tires. The officer noticed numerous packs of nails lying on the roadway.

On April 24, Kewaskum police were met by Michael Geidel at the police department.

The complainant stated that someone had stolen two bottles of Crown Royal brandy from the Piggly Wiggly.

The victim was given a Crime restitution sheet and Victim Information form.

On April 26, Officer Ellis was advised by a student at KHS that unknown actor(s) had entered his locker and removed a pair of sunglasses.

There are no suspect at this time.

If anyone has information on any of the complaints, contact the Kewaskum Police Department at 626-2323 or the Washington County Chief's Tip Line at 1-800-232-0594. All calls are confidential.

Police reports are compiled weekly by Statesman staff member Nicole Rawley with the help of the Kewaskum Police Department.

DEPUTY SHERIFF

NOTICE is hereby given that applications for the position of DEPUTY SHERIFF for the Washington County Sheriff's Department will be accepted by the Washington County Civil Service Commission.

SPECIAL NOTE: MINORITIES ARE ENCOURAGED TO APPLY.

Preliminary Applications shall be obtained from the Washington County Human Resources Department at 432 E. Washington Street, P.O. Box 1986, West Bend, WI 53095-7986 or call 262-335-4633 to obtain one.

Effective July 1, 2001: Hire: \$15.50/hr. 2nd Yr. - \$17.77/hr. 3rd Yr. - \$18.54/hr. 4th Yr. - \$19.44/hr. 5th Yr. - \$20.45/hr. 6th Yr. - \$21.28

COMPLETED PRELIMINARY APPLICATION MUST BE TIME-STAMPED IN THE WASHINGTON COUNTY HUMAN RESOURCES DEPARTMENT BY 4:00 P.M. MAY 18, 2001. SOCIAL SECURITY CARD REQUIRED AT THE TIME OF APPLICATION.

A written test will be given by the State of Wisconsin on **Saturday, June 9, 2001, 8:30 a.m. in Milwaukee or Fond du Lac.** Please specify the city you will take the test in when applying. The State will notify you of the specific location/Room number and time of test.

Must possess the following qualifications by the deadline date for filing applications.

- 1) All applicants shall be citizens of the United States;
- 2) All applicants shall not be less than 21 years of age;
- 3) Applicants shall have a high school diploma or the equivalent thereof;
- 4) Applicants shall have an Associate Degree or sixty (60) college credits from an accredited technical school, college or university;
- 5) Applicants must possess certification as a Police Officer or be eligible for certification as a Police Officer by the State of Wisconsin (having completed 400 hrs. of police recruit school requirements).
- 6) Applicants shall not have been convicted of a criminal offense equivalent to a felony or a serious misdemeanor under Wisconsin law;
- 7) Applicants shall be in good physical condition with weight proportioned to height;
- 8) Applicants must have the ability to distinguish colors;
- 9) Applicants must possess a valid Wisconsin driver's license;

Residency within Washington County must be established within ninety (90) calendar days of their original appointment date.

All applicants for the position of Deputy Sheriff who successfully complete the written examination shall be graded on the basis of thirty percent of their total score being applied to the written examination and seventy percent of the total score being applied to the oral examination. The names of all persons whose written grade is among the top ten scores will qualify for the interview process. Successful applicants will be required to pass a physical examination, with a weight lifting minimum requirement of 75 lbs., and drug screening prior to appointment. A psychological examination including a polygraph may be required.

An Equal Opportunity Employer
WASHINGTON COUNTY CIVIL SERVICE COMMISSION
James G. Poulos, Chairman

Chris Kuehn
Town Clerk
Town of Wayne

NOTICE OF THE BOARD OF REVIEW for the TOWN OF KEWASKUM

NOTICE IS HEREBY GIVEN that the Board of Review for the Town of Kewaskum of Washington County shall hold its first meeting on the 22nd day of May, 2001 from 6:30 p.m. to 8:30 p.m. at the Kewaskum Town Hall, 9019 Kettle Moraine Drive, Kewaskum.

Please be advised of the following requirements to appear before the Board of Review and procedural requirements if appearing before the Board:

No person shall be allowed to appear before the Board of Review, to testify to the Board by telephone or to contest the amount of any assessment of real or personal property if the person has refused a reasonable written request by certified mail of the Assessor to view such property.

After the first meeting of the Board of Review and before the Board's final adjournment, no person who is scheduled to appear before the Board of Review may contact, or provide information to, a member of the Board about the person's objection except at a session of the Board.

No person may appear before the Board of Review, testify to the Board by telephone or contest the amount of assessment unless, at least 48 hours before the first meeting of the Board or at least 48 hours before the objection is heard if the objection is allowed because the person has been granted a waiver of the 48-hour notice of an intent to file a written objection by appearing before the Board during the first two hours of the meeting and showing good cause for failure to meet the 48-hour notice requirement and files a written objection, that the person provides to the Clerk of the Board of Review notice as to whether the person will ask for removal of any Board members and, if so, which member will be removed and the person's reasonable estimate of the length of time that the hearing will take.

When appearing before the Board, the person shall specify, in writing, the person's estimate of the value of the land and of the improvements that are the subject of the person's objection and specify the information that the person used to arrive at the estimate.

No person may appear before the Board of Review, testify to the Board by telephone or subject or object to a valuation; if that valuation was made by the Assessor or the Objector using the income method; unless the person supplies the Assessor all of the information about income and expenses, as specified in the manual under Sec. 73.03(2a), that the Assessor requests. The Town of Kewaskum shall keep confidential all information about income and expenses provided to the Assessor under this paragraph which provides exemptions for persons using information in the discharge of duties imposed by law or of the duties of their office or by order of a court. The information that is provided under this paragraph, unless a court determined that it is inaccurate, is not subject to the right of inspection and copying under Section 19.35(1) of Wis. Statutes.

The Board shall hear upon oath, by telephone, all ill or disabled persons who present to the Board a letter from a physician, surgeon or osteopath that confirms their illness or disability. No other persons may testify by telephone.

Respectfully submitted,
Town of Kewaskum
April 30, 2001

Barbara L. Wenzlaff
Barbara L. Wenzlaff, Town Clerk

TOWN OF KEWASKUM NOTICE OF PUBLIC HEARING FOR REZONING

NOTICE IS HEREBY GIVEN that a public hearing will be held before the Town Board of the Town of Kewaskum at the Town Hall located at 9019 Kettle Moraine Drive, in the Town of Kewaskum at 7:30 p.m. on May 21, 2001, to consider the petition of Theodore M. and Joyce R. Moyer to amend the Town Zoning Map by rezoning 20 acres from R-1 Single-Family Residential District to A-1 Agricultural/Open Space and 14.8 acres from R-1 to M-1 Manufacturing District and attaching the 14.8 acres to an existing M-1 parcel. The parcel proposed to be rezoned is tax key parcel T 08 0451 00Z totaling 34.8 acres and is described as follows:

That part of the South Half of the NORTHWEST Quarter (S 1/2 NW 1/4) Of Section Twenty-two (22), Township Twelve (12) North of Range Nineteen (19) East, Town of Kewaskum, Washington County, Wisconsin, described as follows, viz:

Commencing at the northwest corner of said Section 22; thence South 00 degrees 08 minutes 30 seconds East on the west line of said quarter section, 1327.22 feet to the northwest corner of the SW 1/4 of the NW 1/4, being also the point of beginning of the tract herein described; thence North 88 degrees 46 minutes 48 seconds East on the north line of the South 1/2 of the NW 1/4 of Section 22, a distance of 1204.33 feet; thence South 12 degrees 56 minutes 30 seconds East, 321.58 feet; thence North 88 degrees 46 minutes 48 seconds East parallel with the north line of the South 1/2 of the NW 1/4, a distance of 415.02 feet to the westerly right-of-way line of U.S. Highway 45; thence South 12 degrees 56 minutes 30 seconds East along said highway right-of-way line, 1033.27 feet to the south line of the NW 1/4 of said Section 22; thence South 88 degrees 46 minutes 07 seconds West on the south line of the NW 1/4 of said Section 22, a distance of 1919.57 feet to the west 1/4 corner of said Section 22; thence North 00 degrees 08 minutes 30 seconds West on the west line of the SW 1/4 of said Section 22, a distance of 253.60 feet to the southwest corner of Certified Survey Map No. 270, as recorded in Volume 2 of "Certified Survey Maps of Washington County" at page 45, as Document No. 313851; thence North 89 degrees 51 minutes 30 seconds East on the south line of said C.S.M. No. 270, a distance of 260.00 feet to the southeast corner of Parcel 1 of said C.S.M. No. 270; thence North 00 degrees 08 minutes 30 seconds West, 200.00 feet to the northeast corner of Parcel 1 of said C.S.M. No.270; thence South 89 degrees 51 minutes 30 seconds West on the north line of said C.S.M. No. 270, a distance of 260.00 feet to the northwest corner of said C.S.M. No. 270 and being also on the west line of the NW1/4 of said Section 22, thence North 00 degrees 08 minutes 30 seconds West on the west line of the NW 1/4 of said Section 22, a distance of 873.62 feet to the point of beginning, EXCEPTING THEREFROM that portion thereof described by Certified Survey Map No. 4660, recorded in the Washington County Registry on April 9, 1996 in Volume 31 of Certified Survey Maps on pages 223-226, as Document No. 714644.

TOGETHER WITH an easement recorded in the Washington County Registry on December 3, 1996 in Volume 1653 of Records on pages 643-647, as Document No. 734447.

Dated this 30th day of April, 2001.

KHS Girls Take Second At Washington County Outdoor

By Jerry Gosa

SLINGER - The Kewaskum High School girls track and field team surprised the Division One Washington County schools as they totaled 122 points for second place at the annual Washington County Outdoor Championships on Tuesday, April 24.

West Bend East easily won the meet by scoring 148 points. Hartford, the 2001 County Indoor Champs, finished third with 117 points.

The Kewaskum lady Indians had finished fourth at the County Indoor and were looking to move up at the County Outdoor. The KHS girls only won two events, but placed second in eight and third in four events.

Colleen Gosa was the only winner in an individual event for Kewaskum. Gosa won her specialty, the discus, with a throw of 108' 2" for the third year in a row. Gosa also placed third in the 1600m run with a time of 5:59.5. The Kewaskum 4x400m relay team won the last running event by leading wire to wire.

Becky Herriges, the lead-off runner for Kewaskum on both the 800m and 400m relay teams, also led off for the 1600m relay team Tuesday night with a good opening split. Herriges filled in for Amber Averill, who was taking her college placement tests. Breyan Donath, Jenna Roecker and Jessi Graham all pushed hard and kept the lead as Kewaskum finished with their season best time of 4:23.2 to win the event.

Two Kewaskum athletes tied school records early in the meet. Jacki Krueger placed second in the pole vault when she cleared 8' 6" to tie the record set last year by Michelle Zingsheim. Jolene Clark placed second in the high jump with a jump of 5' 2" to tie the record held by Pam Osterbrink (1989) and Jill Yearling (1979).

Emmy Foerster placed second in the 100m high hurdles with a time of 16.7 seconds and Jenna Roecker placed third with a time of 17.5 seconds for a two-three Kewaskum finish and 14 points.

The Kewaskum 4x200m relay team of Herriges, Foerster, Donath and Tina Lindgren placed second with a season best time of 1:53.8. Germantown won with a time of 1:53.0. The Kewaskum 4x100m relay team of Herriges, Schiller, Muckerheide and Lindgren also placed second with a season best time of 55.0 seconds. WBE won with a time of 53.9 seconds.

Nicole "Coco" Herrmann, the defending indoor champ in the shot put, placed second with a throw of 34' 8 1/4". Konrath of Hartford won with a throw of 34' 10".

Herrmann also placed sixth in the discus with a throw of 78' 1".

Jessi Graham and Breyan Donath placed second and third in the 400m dash with a time of 63.4 and 65.5 seconds. Both Graham and Donath knocked off one second off their career best times. Graham finished fourth in a very close finish in the 200m dash with a career best time of 27.8 seconds. Third place was also timed in 27.8.

Jenna Roecker ran a career best time of 51.1 seconds and placed second in the 300m low hurdles. Foerster improved when she ran a season best time of 52.9 seconds and placed fifth in the 300m hurdles.

Heather Hackbarth continues to drop time in the 3200m run. She lowered her time by 10 seconds to 13:30

and placed third.

Stacy Muckerheide placed fourth in the long jump with a career best of 14' 8 3/4" and also placed fifth in the 100m dash with a time of 13.9 seconds.

The 4x800m relay team of Kelly Darmody, Katie Schneider, Lauren Schultz and Hackbarth placed fifth in a season best time of 11:34.3.

"The girls came into the meet ready to compete. We talked about running their best times of the season and they definitely responded. Great efforts by the Kewaskum athletes. I am very happy and proud of them for their focus and determination. They knew they were going to face tough competition and they were ready," concluded coach Gosa.

The KHS girls' track and field team celebrates after winning the Cougar Invitational on Friday, April 20. The KHS girls' and boys' team both won the Cougar Invitational this year.

Sparks Smashes KHS Discus Record At Altheimer Invite

By Jerry Gosa

PEWAUKEE - The Kewaskum High School boys track team won five events and placed two individuals in eight events to win the annual Altheimer Invitational at Pewaukee High School on Friday, April 27th.

Kewaskum edged runner-up Elkhorn by a score of 143-127 in the nine team invitational. New Berlin Eisenhower finished third with 103 points and Wilmont finished fourth with 95 points.

The KHS coaching staff was just hoping for a top three finish especially after the tremendous physical effort and mental focus their athletes made to finish second at the Washington County Outdoor on Tuesday.

"We knew that many of the athletes were tired. We didn't give them a big pep talk before they got off the bus. We just wanted them to go out there and have fun. They just went out there, competed and won the invitational. We are obviously very happy with the win and pleased with their efforts," reported coach Gosa.

The Kewaskum boys team and the KHS girls team now have won two Invitational titles and have both placed second at the Washington County Out-door. The boys and girls each won the Cougar Invitational at Campbellsport on April 20, placed second at the County Outdoor on April 24 and both won the Altheimer Invitational at Pewaukee on Friday, April 27.

Charlie Sparks won two individual events and anchored both the winning 4x100m relay and the 4x200m relay team that finished second. Sparks won the 200m dash with a time of 23.03 seconds and also won the discus competition. Sparks not only won the discus competition, but he

broke his record of 163' 5" he set last year with a great toss of 172' 8" to establish the new school record. His previous best toss this season was 159' 6".

KHS throwing coach Dave Rizzardi commented that, "The conditions were nice for Sparks. It was warmer with a slight breeze. I know that he has been frustrated that he hasn't been throwing farther, but I haven't been. I knew it was just a matter of time."

Sparks was joined on both relay teams by Chris Canter, Tom Ogi and Kevin Miller. The 400m relay team won with a time of 45.02 seconds and the 800m relay team finished second with a time of 1:34.46. A poor handoff cost the 800m relay team the chance for a victory and eliminated any hope of a school record breaking performance.

Canter also won the 100m dash in 11.23 seconds and placed second in the long jump with a jump of 19' 3 1/4". Miller finished sixth in the 100m dash with a time of 11.73 seconds. Ogi finished seventh in the 200m dash with a time of 24.39 seconds.

Josh Parrent won the pole vault competition at 12'. Brian Wall placed second at 11' 6" and Mike McKee placed fifth at 10' 6" to score 20 team points for Kewaskum.

David Cibulka, a sophomore, was a surprise second place finisher in the discus for Kewaskum. His throw of 127' was his best throw of the season. Troy Koefler also added big points for Kewaskum in the shot put when he placed second with a career best throw of 47' 10". Koefler, whose previous best throw this season was 46', also placed eighth in the discus with a throw of 106' 2".

Matt Hartmann continues to make fantastic progress in the hurdles. Hartmann finished third in

the 300m hurdles and fourth in the 110m high hurdles. Freshman Mike Wagner finished fifth in the high hurdles with a time of 18.06 seconds and seventh in the 300m high hurdles.

Paul Mertz and Tom Ogi both cleared 5' 8" in the high jump and placed third and fourth based on number of misses.

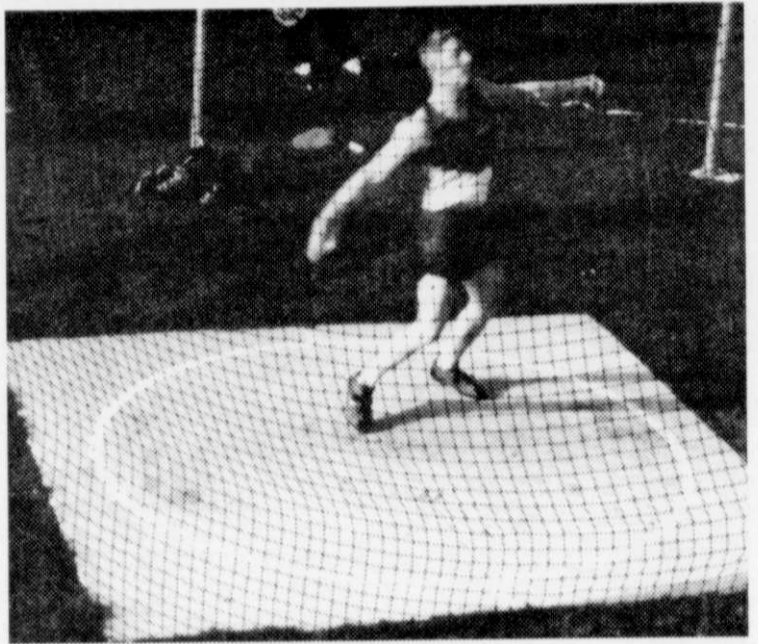

Chris Baker and Tom Ramthun finished fifth and seventh in the 1600m run with times of 5:03 and 5:09 respectively. Baker also teamed with Troy Kedroske, Bryan Kraft and Josh Repovsch to finish fifth in the 4x800m relay. Kraft also finished seventh in the 3200m run with a good time of 11:10.5 - almost the exact same time he ran Tuesday night at the Washington County Outdoor.

The Kewaskum 4x400m relay team of Paul Mertz, Troy Kedroske, Darrell Woebeking and Matt Hartmann finished fifth with a time of 3:49.1.

Mayville, WI
920-387-2068

Sale Ends May 20, 2001

It is our policy to have all items advertised in this circular in stock during the sale period. However, because this circular is printed approximately 90 days prior to the sale date, there could be an unforeseen delay, or in some cases, non-shipment of an item. We regret any inconvenience this may cause. If an advertised item is unavailable during the sale period, we will, to the best of our ability, offer a substitute item of comparable value with an equal savings over the regular price. We reserve the right to limit the quantity on some items. Special prices are in effect only during the sale period while quantities last. Hearing Tests Set For Kewaskum

Hearing tests will be given **FREE** at

West Bend Savings Bank

1052 Fond du Lac Ave.

Monday, May 7, 2001

1:00p.m. to 4:30p.m.

State Licensed Hearing Instrument Specialist

Michelle Krier

will perform the tests.

Those who HEAR but have trouble UNDERSTANDING conversations are urged to have this modern electronic test to find out if their loss is one that can be helped.

Everyone not hearing clearly should have a hearing test. Even people who wear hearing aids, or those who believe nothing can be done for them, should be tested. Today, many hearing problems can be helped. No Hearing Problem Should Ever Be Ignored.

Walk-ins are welcome. HOWEVER, TO AVOID WAITING, Please Call:

262-334-4232 or 1-800-527-4327 toll free

for an appointment

You should hear what you've been missing!
