The temperatures weren't the only thing hot at the School District's Special School Board Business Meeting on Monday night. The board met with the leadership team and residents to discuss the proposed 2002-2003 Working Budget.

Students and parents from Farmington Elementary School were standing outside the high school greeting the attending community members with signs and a letter. Parents who wrote the letter highlighted some of what they thought were the more serious issues the board proposed cutting. They highlighted the importance of reading specialists, the curriculum director, the Gifted and Talented program, and not replacing retired teachers or teachers that have resigned.

Parents, staff and other community members were much more pleased with the budget proposed this time around. Items added back to the budget included: .5 time Reading Specialist, Athletic Coordinator/Directors/Secretary, .5 KHS Art Teacher, Field Trips, Clerical Overtime, 1.0 KMS German teacher, 1.0 KHS German

teacher, employee travel, .5 KHS Music teacher, extended contract for Agriculture teacher, athletics/activities at all three levels and the Curriculum Director.

Athletics and activities that were added back to the budget included:

HIGH SCHOOL - JV sports, NHS, newspaper, Forensics, FACE, FFA, senior and junior class advisors, Key club, PEERS, FBLA, yearbook, student government, Pep band, Art club, Swing choir, cheerleading, and the musicals.

MIDDLE SCHOOL - one team per grade per sport, Forensics, musicals, outdoor camp coordinator, yearbook, newspaper, student government and Destination Imagination.

E L E M E N T A R Y
SHCOOLS - All intramurals and Destination Imagination.

Cuts to the high school included freshman teams, the varsity assistant coach, math club, chess club, weight room advisor, sophomore and freshman class advisors, FLAGS, Lit club, POPS, Jazz band. Middle school cuts include two teams per grade per sport, cheerleading and all intramurals. Nothing was cut from the elementary schools.

Other items eliminated or reduced included: two Title I Instructional Aides, 10% across the board expenditure reduction, Gifted/Talented coordinator position, 5% reduction in Instructional Aides, one sixth grade teaching position, distance education and an additional 2% expenditure reduction.

With \$55,533 in revenue adjustments, this balances

VB Says No to Smoking Ban in Restaurants

By Andrew R. Kuehl
Staff Writer/Photographer

The Kewaskum Village Board met Monday evening and discussed a petition brought to them by a group of citizens asking the board to enact an ordinance prohibiting smoking in indoor restaurants. Village administrator Dan Schmidt drew up an ordinance for the board members to review.

No one that initiated the petition was in the audience.

Owner of The Rustic Inn William McDonald was present and stated his business would suffer, "if people don't want to eat where there is smoking then don't come," said McDonald.

Todd "Woody" Kleinhans owner of Woody's Steakhouse stated he saw how awful things are in Fond du Lac since they enacted their ordinance. "I think you need to find out how this affected Fond du Lac".

The petition asked the board to "pass a ruling to the effect that there would be no smoking in public buildings, including restaurants, supper clubs and coffee shops in Kewaskum."

There were 125 people that signed the petition but only 43 were residents of the village.

Trustee Kevin Scheunemann stated he would never in a million years vote in favor of an ordinance like this. He further stated that if any ordinance like this ever passed he would fight it's constitutionality.

Trustee Larry Ammel stated he was a former smoker himself and would never ask a restaurant to do this.

Trustee Mathew Heiser was absent. Trustee's Bob Stoltzmann, Andy Pesch and Tom Piwoni said nothing.

Village President John Kenworthy made the initial motion to turn down the ordinance, and Scheunemann seconded. It was voted unanimously not to enact the ordinance.

Shortly after the vote Kenworthy thanked the restaurant owners for coming to the meeting and stat-

ed, "I would hate for folks to think that the Village condones smoking, because we certainly don't, but freedom of choice is the great arbiter in matters such as this. We don't need an ordinance to dictate common sense. If smoking bothers people, they don't have to go to those restaurants that allow smoking. As far as I know there is no inalienable right to have smoke-free dining."

Later in the meeting the board made the authorization to purchase new accounting software to update software from 1989 that is now obsolete because support for the software is no longer available. The cost of this project will cost taxpayers \$45,000. This price tag includes all hardware upgrades, training and the software itself.

The software should save taxpayers money in the long run once fully operational. The firm producing and selling the software is affiliated with the accounting firm that audits the village annually and comes highly recommended by them.

The software will be responsible for doing all the village's accounts payable, cash receipting, general ledger, payroll and utility billing.

Gillies updated the board on a department of public works water utility test done annually by the DNR. He stated everything went fine but reported that because of population growth they will now have to submit four BACT water samples to the state instead of three. Gillies indicated that so far this year none of the samples have come back with a problem. Hydrant maintenance and valves also passed.

"This is one of the best inspections we've had per the DNR," Gilies said. He also stated the DNR commended the crew on their inspection.

Also in his report he concluded the village spring clean-up went well, and six 20 yard dumpsters were filled. This cost taxpayers \$2,072.46

Schmidt also reminded the board that Board of Review will be held from 1 to 3 p.m. on Monday, May 13 in the council room.

Budget

Continued from page 1

the budget at \$0.

The followin is an excerpt from the letter that the parents handed out as people entered the high school. "We believe the Kewaskum School District, including its Budget Manager, School Superintendent, various Directors of Education, and the full School Board, have forgotten that WE the parents and voters, define what is 'acceptable' regarding out children's education and they are in place to meet these standards. If they are not up to the challenge, they need to step aside, or risk being replaced. What happened recently in Milwaukee Country Government certainly shows what a 'grass root' effort of concerned citizens/parents can accomplish in a very short time frame! You have underestimated our concerns and determination to ensure our children receive the very BEST education in the Kewaskum School District."

All the board members and leadership committee members agreed that they did not want to see anything cut. But the fact of the matter was with the QEO limits on revenue raises, and with the revenue cap they have very limited options.

Board member Lisa Maul pointed out that "80% of the budget goes to salary and benefits; insurance rates went up 37% alone." She further noted that the board would like to shop around for lower rates but cannot due so due to the fact that this insurer is the one stated in their contracts. "You are paying for a Cadillac plan," she finished. "Teachers pay 5% out of pocket. This is a big chunk of change we have to come up with." She urged parents to talk to teachers about this part of their contracts.

Business manager Paul Reichert also didn't see this budget as ideal. He made as many cuts in the maintenance category as he could. He brought up the fact that there is a part of the high school roof that should have been fixed last year and it will have to be put off again next year because there just

isn't enough money to have it done.

Also pointed out by board member Mark Steinhardt was the fact that the mill rate for district taxpayers keeps dropping. During the 1996-1997 school year, the rate was \$10.56, where is stayed for the 97-98, 98-99 and 99-00 school years. In 2000, it dropped to \$9.83 and went down again for the 2001-2002 school year. "This is part of the reason we're in this position," he pointed out.

Board member Gordie Dickmann stated, "It's not a one year problem, it's a continual problem."

Football coach, business teacher and district parent Tim Rohlinger presented the board with a question, "How much do we stand to lose due to open enrollment?" He was answered with \$5,175 per student. He then continued, "We stand to lose approximately \$5,100 per student. It takes approximately three kids to move out of the district to equal the cost of keeping freshmen football." Other community members pointed this out wondering how the board could rationalize losing these students to other districts in order to "save money."

The issue of saving sports came up numerous times by various audience members. Denise Spaeth asked about fundraisers to make up some of the costs. Another idea offered numerous times was the raising of athletic fees. Board member Mary Meisser asked for a show of hands from the audience as to who agreed with raising the rates. She reminded them that the rates had just increased. Almost all the hands in the room went up. Donna Gajewski from the Booster club pointed out that if the Booster club had the help, they could raise the money needed to fund the sports with minimal or no help from the district.

Lynn Molenda rounded up the comments with a simple "I just ask you to remember where our priorities are."

John Schulte ended the meeting with two motions. One to raise athletic fees to a rate recommended by the leadership committee; and

two, to present a recommendation for a possible referendum including the amount they would recommend and what kind of referendum they would like, either recurring or just for one year.

The budget will come before the board again before being tentatively approved.

Four Ways We Can Help

We provide non-invasive, completely painless screenings for vascular disease using the most advanced Doppler ultrasound technology. The screenings will quickly detect arterial abnormalities which can cause irregular blood flow.

Life Line Screening is dedicated to providing the highest quality imaging technology at an affordable rate. Our goal is to make people aware of an undetected health problem and encourage the to seek follow-up care with their physician. You will receive your results in 12 to 15 business days.

We offer three separate screenings:

1 Carotid Artery/Stroke Screening \$45

This scans the carotid arteries in the neck for plaque buildup which leads to stroke - one of the most preventable of all life-threatening health problems*

2 Abdominal Aortic Aneurysm (AAA) Screening \$45

This screens for the existence of an aneurysm in the abdominal aorta. The vast majority of people who have an aneurysm have no symptoms.

3 Peripheral Arterial Disease Screening \$45

This screens for peripheral arterial disease (plaque buildup) in the lower extremities which is linked to coronary artery disease.

New Ministry Begins In Kewaskum

Connie and Richard Marks

A new ministry has begun in Kewaskum on Sunday evenings at 6:30. Generations Christian Fellowship now offers a light-hearted atmosphere open to everyone.

The ministry began with a vision to reach people with the message of hope. We all know life is never perfect but we have the ability to change and the ministry wants to help and guide people through the changes.

Their purpose and intentions are to meet individuals and bring them hope and fellowship wherever they are in life, through vibrant music, messages that inspire you for today and friendship that brings the heart of God into your life.

Generations Christian Fellowship began over six years ago in West Bend. Since then it has opened up and spread out. It is a growing church and their vision is to see many other locations open up to spread out the good news of hope to a nation going through many changes. It is one church in many locations, a place of restoration, power and praise!

The Senior Pastor, Rev. Leo Bailey, is the founder and visionary of Generations Christian Fellowship. He is originally from Hawaii and began his work in the ministry over 20 years ago with teens and young adults.

He is married and has two children. God has gifted him the area of music, with the ability to sing, write songs, and play many instruments. Be sure to stop by and listen whenever you see them playing in downtown West Bend throughout the summer.

The ministry in Kewaskum is directed by Richard and Connie (Bath) Marks, who are also residents of Kewaskum. Rich plays the drums and Connie is a cancer survivor and a wonderful cook.

Together they have five children. Rich has three sons, Joshua, Joel and Caleb. Joshua is in the Navy and is stationed in the

Persian Gulf. Joel is signed up for the Navy and is waiting to finalize some paper work before starting his basic training, and Caleb is a fifth grader at Kewaskum Elementary School.

Connie has a daughter, Stephanie Walters, and a son, Jonathan Walters. Stephanie is a freshman at Kewaskum High school and Jonathan is a seventh grader at Kewaskum Middle School.

The lives and struggles of

this couple are enough to inspire you to go forward in your own life. The music is contemporary, the messages are warm and easy to understand and YOU are welcome to join in on Sunday evenings at 6:30 p.m.

Childrens' ministry is available and there is fellowship time after the service with refreshments. They meet at Meadow Creek Apartments, managed by Marie Cochran. The address is 1119 Roseland Drive in Kewaskum. The meetings are held in the dining room of the main building.

For more information call 262-626-8411 or 306-0144, or check out their website at www.generationswb.org. They are anxiously waiting to meet you!

St. Lucas Church to Hold 125th Anniversary Service

On Saturday, May 18, at 7 p.m. and Sunday, May 19, at 8 and 10:30 a.m. St. Lucas Evangelical Lutheran Church, 1417 Parkview Drive, Kewaskum, will hold another of its special 125th Anniversary Services. Organist Charles Bonow will present his festival worship service concert, "Here We Stand."

Charles Bonow, a former pastor of the Wisconsin Ev. Lutheran Synod, travels extensively presenting his

service concerts in the churches of the WELS throughout the country.

The service concert will consist of a spoken message entwined with organ solos and congregational singing of well-loved hymns of faith.

Everyone is most cordially invited to attend. A free-will offering for the support of the ministry of Charles Bonow and his family will be received following the service concert.

The name of the prophet Malachi comes from the Hebrew words for my messenger.

recently sold their New Fane home after having lived there for 55 years and are presently residing and enjoying their condo in West Bend.

Mom continues to crochet - the love of her life, do all her own housework, visit her granddaughter in Las Vegas once or twice a year and take care of dad. He will be 96 in August. he does remarkably well, enjoys his sheepshead, rummy, solitare and as always, a good joke.

They have two grandchildren, Peggy Ann of Las Vegas and Todd (Kathy) of Whitefish Bay.

Wow! What a rare occasion for any family to be able to celebrate this special day!

Mom tells me May 10, 1932 was a beautiful, warm, sunny day in Eau Galle where she and dad were married. They lived with Mom's parents for four years in rural Theresa where Joyce and Ann were born.

In 1936 they moved to Kewaskum above Honeck's garage where dad was employed by Killy Honeck, Sr., as an "all-around handyman" doing farm labor, truck driving and mechanical work in Killy's garage.

I remember mom taking in laundry, doing cleaning for local residents...she has often reminded us - for 10¢ an hour.

In April of 1946 we moved to New Fane where they purchased and dad operated the New Fane garage. Frank Jr. was born in July of that year. In

February of 1971, in what they say was probably the coldest day of the year, the garage was destroyed by fire.

For the next 19 years, six months of the year they lived in their summer home near Land-O-Lakes. They

As I See It

By Rochelle Pennington

To Shop, or Not to Shop, for Mother's Day

Is there any Mother's Day gift that can compare to the little clay pot your 10-year-old makes in art class? Or the handprint your preschooler brings home with his name scribbled next to it?

Mothers have a way of treasuring simple, homemade gifts and construction paper cards, smeared with dried paste.

Can a dozen roses delivered by a flower shop be compared to the dandelion bouquet delivered in a toddler's chubby fist? Or a crystal vase be compared to the sparkly rock your child surprises you with because "it's so pretty"?

No other success in life - not being President, or being wealthy, or going to college, or writing a book, or anything else - comes up to the success of the man or woman who can feel that they have done their duty and that their children and grandchildren rise up and call them blessed.

-Theodore Roosevelt

Presents that come from the heart. Children are naturals at giving them. Then

those children grow up and start bringing perfume and nightgowns and gift certificates and stuff like that. These are fine gifts, but maybe, just once, or once in a while, we might consider resurrecting some of those personal, homemade, heart-given gifts.

Mother's Day is Sunday. Here's my attempt, a letter:

Dear Mom,
My gift to you this Mother's Day is a handful of memories.

I remember our tiny backyard and the enormous oak tree that grew smack dab in the middle and whose expansive shade kept any grass from growing beneath. Any. Given our lawnlessness, swimming pools, sprinklers and plastic water slides (mud slides) were a lot of work and a lot of mess. They went up anyway.

I remember never missing a baseball game, school concert or piano recital. Nether did you.

I remember the 1974 4-H county fair and the red pant suit I entered in the sewing category. It won a blue ribbon and \$30 cash prize. Instead of working on my project during the weeks

before the fair, I stuffed it under my bed.

A mother is a person who, seeing there are only four pieces of pie for five people, promptly announces she never really did care for pie.

-Tenneva Jordan

A few nights before judging day - a very few - I pulled it out. Heading for the sewing machine, I changed course and ended up in your arms instead. You were there to help me finish (and start) my project.

The day of the fair, we were both up early to bake brownies for my cooking entry, too. They also received a blue ribbon and cash prize. I also recall, vividly, the yellow potholder I entered that same year which placed last. (You didn't know how to knit.)

I remember your patience with our low-quality tents (club-houses) which were erected all summer long. The problem was that every time it rained, they collapsed and fell apart. Completely (and usually with us kids sleeping inside.)

We were heartbroken...until the man at the appliance store down the street called to tell us he had sold another refrigerator and we could come haul the next box home.

I remember how you taught me to treat all people with respect and dignity, and how you promised in doing so, I would find "diamonds in the rough." You were right.

I also remember how you taught me to put my smile on first in the morning because "everything else is secondary."

You believed there was nothing a person could not do or could not be, and I grew up believing you.

At one point in particular during my adult life, you taught me the definition of wealth. You and Dad were over for supper when I learned a friend of mine had just won \$25,000. As an exhausted, full-time mother of small children, I listened to the new silently and felt poor, because I was.

Reading my body language, you proceeded to get up from the table to stand

behind my husband, still seated. Placing your hands on his shoulders, you looked at me, and in a tone one would use to deliver the absolute fact of a bank statement, said, "THIS is one million dollars."

Then you continued repeating the gesture and repeating the words as you circled the table, touching each of my children, as well. Then you sat down to continue eating your porkroast and I felt rich. Because I was.

These are some of the things I remember, Mom.

My heart is full of memories. It's also full of gratitude.

Love, Rochelle

Flamingoes are not naturally pink. They get their color from their food—blue-green algae that turn pink in digestion.

Ebert-Peters

The marriage vows of Jennifer Ebert and Christopher Peters were blessed during a ceremony on September 15, 2001 at St. Lucas Lutheran Church, Kewaskum. Rev. Edwin Fredrich officiated.

Parents of the couple are Eugene and Betty Ebert, Kewaskum and Ralph and Liz Peters, West Bend.

Holli Broecker served as the maid of honor. Bridesmaids included Backy Hennig, Erin Garvey, Katie Peters, Kristine Haferman and Carrie Gehl.

The best man was Ben Schmoltd. Groomsmen included Scott Ebert, Tony Schmoltd, Brian Rose, Jason Broecker and Brian Kleinke.

Samantha Olson served

as the junior bridesmaid, Nick Ebert was the junior groomsman, Kaitlin Amerling served as the flower girl and Joseph Ebert was the ring bearer.

Guests were seated by Jake Ebert and Mike Amerling.

A reception was held at the Amerahn Ballroom.

Jennifer is a 1996 graduate of Kewaskum High School and a 2000 graduate of Concordia University. She is employed by LEESON Electirc in Grafton.

Christopher is a 1996 graduate of West Bend High School. He is employed by Dairyland Seed in Kewaskum.

The couple honeymooned in Jamaica. They now reside in Kewaskum.

Westerman-Malnory

Lisa M. Westerman and Matthew T. Malnory exchanged wedding vows on March 22, 2002 at Sandals in Montego Bay, Jamaica. Father Bracket presided.

Parents of the couple are Harold and Lilly Westerman of Kewaskum and Tom and Judy Malnory of West Bend.

A reception and wedding dance will be held at the KC Hall in West Bend.

The bride graduated from Kewaskum High

School and Lakeland College with a Bachelors degree in Accounting. Lisa is employed by TMP Worldwide, Monster.com in Milwaukee as an accountant.

The groom graduated from West Bend East High School and is employed by B.C. Ziegler in West Bend as a computer technician.

The couple honeymooned in Jamaica. They are currently residing in Plymouth.

KEWASKUM SCHOOL NEWS

Recently students at Kewaskum Elementary held a dance in the new school gym. When the students did their fund raising for the KES, they chose to forego little prizes and have a dance instead. It was held at the end of the schoolday on February 15. The children had all the pizza and drink they wanted. Students in grade four had their own pizza party at J.O.'s in Kewaskum. They walked to J.O.'s and made their own pizzas and ate it at the restaurant.

KMS Jazz Band.

Jill Schmitt, left and Anna Rick, right.

Left to right, Justis Clayton, Luke Steel and Jeff Paulus.

On Wednesday, April 17, the Kewaskum Middle School held its long delayed Solo Ensemble Festival, which had been scheduled for March 2, but was cancelled due to the weather. Because of the difficulty in rescheduling such a large event, each school planned its own mini-fest.

Only Kewaskum and Holy Angels of West Bend participated in this local make-up event. The event was held after school at the High School and turned out to be very successful.

Here is a list of the participants and the results:

In class B receiving a first rating were: Marcus Belger - trumpet solo, Nicole Braun - flute solo, Nicole Stern - flute solo, Jacob Turowski - saxophone solo, Marcus Belger - piano solo, Frank Cole - vocal solo, and Robbi Bode and Frank Cole - vocal duet.

In class B receiving a second rating were:

Garett Donath - saxophone solo and Stacey

Petermann - flute solo.

In class C receiving a first rating were:

Stephen Kattar - saxophone solo, Kevin Jacobi - trombone solo, Kacie Darmody, Caitlin McDonald, Katie Schroeder, and Melissa Braun - vocal quartet, Robbi Bode and Danielle Yanke - vocal duet, Jackie McKee, Jamie Vogt, Danielle Dreher, Claire Michalic - vocal quartet, Rick Giese - drum set solo, Jacob Turowski and Stephen Kattar - saxophone duet, Jillian Schmitt and Anna Rick - saxophone and bass clarinet duet, Dawn Miller and Stacey Petermann - flute duet, Samantha Czerwinski and Nicole Stern - flute duet, Savannah Zettler and Nicole Braun - flute duet, Andrea Landry and Krystal Rieder - flute duet, Caitlin McDonald - vocal solo, Katie Schroeder - vocal solo, Katrina Tarr - vocal solo, Nicole Braun, Nicole Stern, and Savannah Zettler, flute trio, and Alex Waranius and

Marcus Belger - trumpet duet.

Marcus Belger and Samantha Czerwinski - trumpet and flute duet, Luke Steel, Justis Clayton and Jeff Paulus - tuba, tenor saxophone and baritone saxophone trio, and Nicole Braun, Nicole Stern, Lindsey Lewandowski and Savannah Zettler - flute and clarinet quartet.

WBKV 'Teacher Appreciation' Contest Deadline May 17

The annual WBKV "Teacher Appreciation" contest is here! This is a feel-good community event in which kids from area schools nominate a current or past teacher that they feel deserves recognition.

Even high school and college students and an occasional parent send in a nomination. Many of the letters are read over the air during Bob Bonenfant's Morning Show on AM 1470 Classic Country, WBKV.

Bob started the contest about a decade ago and is amazed at some of the responses -- prompting every emotion from tears to laughs.

It's a difficult task to narrow it down but a total of 13 teachers receive awards. the "Top Teacher" gets a certificate of recognition, a get-away at an area hotel, flowers, and a dining certificate. The other 12 receive recog-

nition certificates, flowers and a dining certificate.

Entries can be dropped off at the WBKV studios during business hours or sent to "WBKV Teacher Appreciation Contest," 2410 South Main Street, West Bend, WI 53095. The deadline is 5 p.m. Friday, May 17. They should include the teacher's name, school, grade(s) taught, why they're so special, along with the person nominating the teacher, their school and grade and address and phone number.

The person nominating the "Top Teacher" also receives a prize package.

"These teachers deserve all the recognition they can get. They deal with kids, parents, administrators, social workers, you name it. We're glad we can shed some positive light on a tough job," Bonenfant said.

Moms in Motion Exercise Class

"Moms in Motion," an ongoing prenatal exercise class sponsored by St. Joseph's Community Hospital of West Bend is being held Mondays and Thursdays from 5:30 to 6:30 p.m. in the four-east conference room at the hospital.

New participants are welcome to join at anytime. The cost is \$5 per class or \$60 for an entire six-week session. To register or for more information, please call St. Joseph's Community Hospital's Class Connection Line at 262-306-7888 or call the rehabilitation services department at 262-334-8237.

Moms in Motion is designed for pregnant and postpartum women who want to use low impact aerobics and toning exercises to help keep their body fit. Some aspects of the class include safety during exercise, cardiovascular fitness, appropriate calisthenics and stretching, appropriate body mechanics during pregnancy, and physiological changes during pregnancy.

Occasional inservices on pregnancy issues will be presented. Educational materials are included. Instructors include Sheri Hall, P.T., O.T.; Sue Knuth, P.T. and Tiffany Larson, O.T., from the hospital's rehabilitation services department. They are certified through the Moms in Motion Association.

Participants will be asked to schedule a 10-15 minute appointment with their doctor prior to the class to verify that they have discussed prenatal exercise.

NATURE'S SYMPHONY

by Ami

Winter has come and just seems to not "let go!" One would think that the March 20 SPRING ARRIVAL just never came to fruition this year. When one has been favored by steamy hot days and nites providing God's nature to fairly burst out its leaves and grasses and bright spring flowers...one wonders about what is to come next? Or rather, what hasn't come next?

Even as a child I found a real musical - nature given thru the sweetness of the bird's songs...The beetles and the bees... and who ever denounced the fantastic all night symphonies of the lowly frogs inhabiting the kettle ponds? With their brothers and sister tree frogs joining right in?

The glorious blossoms right where you'd least expect them to appear and the warmth of sighting four legged animals frolicking with their newly born little ones? Surely invigorating and a great feast for ones soul!

The joy of discovering a fragile Lady Slipper; an unusual saxifrage; a hillside boldly dotted with bright-eyed daisies. Now who among us can forgo a walk in the woods on those very special hot, summer like spring days? Take a friend and enjoy the blessings of the hills and dales of Washington County.

MEDITERRANEAN SALSA

- 2 cups diced (1/4 inch) peeled eggplant
- 1 cup diced (1/4 inch) zucchini (about 1 med.)
- 1 cup diced (1/4 inch) green bell pepper
- 1 cup diced (1/4 inch) red bell pepper
- 3 large cloves garlic, minced
- 2 Tbl. olive oil
- 1 large tomato, diced into 1/2 inch pieces
- 2 Tbl. apple cider vinegar
- 1 Tbl. dried basil leaves
- 1 tsp. dried thyme leaves
- 1 tsp. salt
- 1/2 tsp. coarsely ground black pepper
- 1/2 tsp. sugar

Saute eggplant, zucchini, bell peppers and garlic in olive oil for 8 minutes. Add tomato and remaining ingredients. Cook 4 to 5 minutes until vegetables are tender crisp. Cool and serve. Store in glass or plastic container and refrigerate, covered, up to 7 days. Serve as an accompaniment with chicken, pork, beef, lamb or fish, or as an appetizer with pita chips or toasted bread rounds. Makes about three cups.

OBITUARY

JOHN J. THULL

John J. Thull, age 83, of Kewaskum, passed away on Thursday, May 2, 2002 at his home.

He was born on March 18, 1919 in the town of Farmington, the son of the late John M. and Wilhelmina (Muckerheide) Thull.

John was a World War II veteran who served his country in the U. S. Air Force, where he earned the ranking of Master Sergeant, retiring after 24 years of service. He was employed as a customer service associate by Honeck Chevrolet in Kewaskum for many years and as a University maintenance liaison. He was a member of Holy Trinity Catholic Church in Kewaskum where he served as an usher and also a member of Knights of Columbus Father Casper Rehrl Council 1964 West Bend, Our Lady of Holy Hill Assembly 1677 and the Moose Lodge West Bend 1398.

Survivors include two sons, Paul Thull of West Bend and David Thull of Mayville; a brother, Leo (Ann) Thull of Kewaskum; a brother-in-law, Garfield Durocher of Kirkland, Washington; four grandchildren, Matthew (Karen) Thull, Timothy Thull, Jay (Evelyn) Thull and Nicole Thull (fiancé, Andrew Smith); three great-grandchildren, nieces, nephews, other relatives and friends.

He was preceded in death by four sisters, Agnes Wollner, Cecilia Thull, Rose Thull and Marie Durocher.

John will be most remembered for his quick wit, ready humor and joking personality. May he now rest comfortably and enjoy intriguing conversation with our Lord God, Jesus Christ.

A Mass of Christian Burial was held at 5:00 p.m. on Wednesday, May 8, 2002 at Holy Trinity Catholic Church in Kewaskum. Father Mark Jones officiated and burial with military graveside rites took place at 10:00 a.m. on Thursday in the parish cemetery.

Friends called on Wednesday at the church from 2:00 p.m. until the time of services.

Memorials to Holy Trinity Catholic Church are appreciated.

The Miller Funeral Home in Kewaskum is serving the family.

Louisa Adams, wife of John Quincy Adams, was the first—and only—first lady not born in America.

Ten Minutes Could Save Your Life

On Thursday, May 30th, the Village of Kewaskum Municipal Building Annex will host a health event that will offer area residents the opportunity to spend a few minutes doing something that could save their lives.

Life Line Screening will offer health screenings to assess the risk of stroke and vascular disease. These screenings will include a Carotid Artery screening, Abdominal Aortic Aneurysm screening and an Ankle Brachial Index (ABI). Also offered will be a Bone Density screening to assess their risk for osteoporosis.

These fast, painless and low cost tests use ultrasound technology and are conducted by registered or registry eligible Ultrasound Technologists. A board certified physician reviews the results of each test to ensure the accuracy of the results before they are mailed to the individual. An individual whose screening suggests further evaluation is encouraged to seek appropriate follow-up care with his/her own physician.

If you are interested in registering for any of these screenings, please call 800-407-4557 to schedule an appointment. Each screening requires 10 minutes or less to complete and costs \$45. A package of all three vascular screenings is \$109, a savings of \$26. Ask your Life Line Screening representative for details when registering.

Life Line Screening is the nation's leading provider of health screenings. By offering these non-invasive, painless ultrasound screenings, Life Line Screening helps people identify their risk for stroke and the presence of vascular disease or osteoporosis early enough for their physician to begin preventative procedures.

The Village of Kewaskum Municipal Building Annex is located at 1308 Fond du Lac Avenue in Kewaskum.

Also available at the screening will be free information on the identification and control of risk factors for stroke, vascular disease, abdominal aortic aneurysms, and osteoporosis. For additional information on

Life Line Screening or one of their vascular and osteoporosis screenings, please contact them at 800-407-4557.

25 Years Ago

April 22, 1977

Gay Olson has been selected the DAR Good Citizen at Kewaskum High School. She is the daughter of Mr. and Mrs. Immanuel Olson of Kewaskum.

Mr. and Mrs. Lee Kempf of Kewaskum are happy to announce the engagement of their daughter, Lynn, to James Gaffke, son of Mrs. Shirlee Gaffke of Route 1, Fredonia, and Ray Gaffke of Milwaukee.

The Indian track teams won both ends of a co-ed dual meet with Campbellsport last Wednesday with the boys winning 70-56, and the girls won by a big margin, 76-27. Because of a meet the next day and to give her younger performers a chance, Coach Connie Kreuser held out her ace sprinter, Carrie Kempf. Soph Pam Kempf scored the most points with a first in the 220 and two seconds. Freshman Laurie Wilson won the 440 and 50 yard dash. Doreen Hammes took first with a 15'10" long jump. She also had a second in the 50 and helped to win the eight lap relay. In the boys end of the meet, the Indians won both relays and eight of the 13 individual events. Double winners were Kewaskum's Frank Lohrer, 220 and eight lap relay; Paul Brenholt, 880 and relay; Doug Reigle, 440 and relay; Chuck Dreher, low hurdles and relay; Bruce Steinhardt, pole vault and relay; Roger Rezel, high jump and high hurdles.

Calvin Tackes, son of Mr. and Mrs. Marvin Tackes, Route 2, Kewaskum, captured fourth place for the University of Wisconsin - Stevens Point wrestling team in the recent State University conference meet. Cal, a senior, had a 26-8-1 record in his 134 pound weight class. that finishes up Cal's fine wrestling career at Stevens Point.

A daughter, Rebecca Lynn, was born to Dan and Wendy Coulter, Route 3, Campbellsport, on April 13. A daughter was also born to Larry and Kristine Morenzen of Kewaskum on April 14.

Memorial Tribute to Pete Ayer Will Be Held

A celebration of Pete Ayer's life will be held on Sunday, May 19, at the KC Hall, 3245 Lighthouse Lane, West Bend.

Fellowship and time to share memories will be held from 1 to 4 p.m. with a short program scheduled for 1:30 p.m.

Pete Ayer was a music instructor for the Kewaskum School District during the early 1950's. Later, he was a music professor at the

University of Wisconsin-Washington county campus.

Mr. Ayer died in a private plane accident in August, 2001.

Memorials are appreciated to the Peter F. Ayer Memorial Scholarship, Washington County Campus Foundation, 400 University Drive, West Bend, WI 53095. Please make checks payable to WCCF-Peter Ayer.

IN MEMORY

In memory of LESTER EHNERT, who passed away five years ago May 14, 1997:

A beautiful memory of him so dear,
We cherish still with love sincere,
He left us with a memory
We are proud to own.
So treasure him Lord in your garden of rest,
For when on earth, he was the best.

Missed and loved by his wife, Esther and family.

Herb Kohl Foundation Honors AES and SHS Teachers

MILWAUKEE - A luncheon to honor the achievements of northeastern Wisconsin students and teachers was held Saturday, March 23, at North High School in Appleton. It was there that Allenton Elementary School's Jean Albrecht and Slinger High School's Patricia Sankey were honored for their outstanding efforts.

In February the Wisconsin Newspaper Association and the Herb Kohl Educational Foundation announced the recipients of the \$1,000 Initiative Scholarships, Excellence Scholarships and Fellowships. The March 23 luncheon recognized the accomplishments of the area's outstanding students and educators. Thirty three teacher Fellowship recipients, 27 Excellence Scholarship recipients, and 23 Initiative Scholarship recipients were honored. Kim Marggraf, spokesperson for the Herb Kohl Foundation, said that U.S. Senator Herb Kohl, representatives of co-sponsoring organizations (Wisconsin Department of Public Instruction, Wisconsin Council of Religious and Independent Schools, Wisconsin Cooperative Educational Service Agencies, and Wisconsin Newspaper Association), and the families and friends of northeastern Wisconsin

Jean Albrecht

Patricia Sankey

award recipients were part of this program. "The Herb Kohl Educational Foundation believes that it is important to publicly acknowledge and applaud the efforts of Wisconsin's leading teachers.

The Herb Kohl Foundation Fellowship rewards teachers who have demonstrated superior ability to inspire love of learning in their students, have motivated others, and have provided meritorious service both inside and outside the classroom.

Senator Kohl made formal award presentations to

the recipients at the luncheon. Each teacher will receive a \$1,000 Fellowship and an additional \$1,000 grant will be awarded to the teacher's school for use in innovative educational projects. The Kohl Educational Foundation Scholarship and Fellowship program was established by U.S. Senator Herb Kohl in 1990. To date the foundation has provided \$4 million to Wisconsin educators, students and schools. The foundation annually awards 200 scholarships and 100 fellowships throughout the state.

Slinger High Jazz Ensembles To Perform at M.J. Stevens

The annual MJ Stevens Jazz Festival featuring the Slinger High School Jazz Ensembles will be performing on Sunday afternoon, May 19th. The annual event is co-sponsored by Gehring Meat Market of St. Lawrence and Hankerson's Bakery of West Bend.

This is a fun packed, toe-tapping, invigorating your inner appreciation of music, afternoon. The MJ Stevens' Jazz Festival is celebrating its 7th year of an annual celebration of some of the finest jazz music performances in the area.

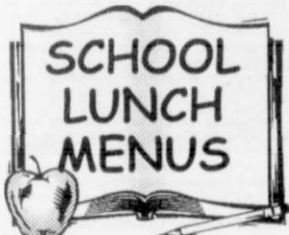

Jazz I and the Jazz Lab will be the featured bands of the day. For the seniors of the Slinger High School band program, this will be their last performance.

According to Slinger's Director of Bands, Dave Hanke, "These are some of most talented musicians to participate in our Jazz program. For those that have an appreciation of America's own music, this will be most

enjoyable day." Hanke was pleased to announce a special appearance of a high respected group of musicians-- The Jazz Combo. They will also be performing several tunes through out the afternoon.

MJ Stevens will be selling barbecued hamburger, brats and chicken. All profits from the food sales goes to provide music for the jazz program. The festival is co-sponsored by Gehring meats and Hankerson's bakery.

Village Board Meeting Minutes

Mid Monthly Meeting
April 15, 2002
8:00 p.m.

The Village Board of the Village of Kewaskum, Washington County, Wisconsin, met in Regular Session in the Council room of the Municipal Building, 204 First Street.

President John D. Kenworthy presided. Trustee Kevin Scheunemann arrived at 8:12 p.m. all other Trustee Members were present. A quorum was present.

The meeting was opened with a Moment of Silence and the Pledge of Allegiance.

On a motion by Trustee Robert Stoltzmann, seconded by Trustee Andy Pesch and unanimously carried by voice vote, the minutes of the April 1, 2002 were approved as printed.

Action was taken on Proclamations of recognition for two retiring Library Board Members as attached hereto: The presentation of the Proclamations to Cheryl Ammel and Dale Squier were made by Village President John Kenworthy.

On a motion by Trustee Kevin Scheunemann, seconded by Trustee Larry Ammel, and carried by the majority roll call vote, the Board suspended the rules to take up the public hearing for a Conditional Use Permit. Roll call vote was 7 Aye 0 Nay 0 Absent.

Public hearing was held on the request of the Kewaskum Veterinary Clinic for a conditional use permit to allow for the operation of a veterinary hospital and boarding facility (dogs and/or cats). The property for consideration is located at 1040 Fond du Lac Avenue (known by tax key no. V4-0200 and the former Sison Medical Clinic). The CUP would allow for the use of the property for a veterinary hospital, allow for a kennel license and the boarding of 30 pets (dogs and/or cats) on extended, but temporary basis, with boarding indoors only. Dr. Gregory Ogi was present to explain his request and to answer questions. Fifteen notices of said hearing were mailed out and with fourteen people present. Questions as to the specific points of the CUP. Questions were asked about points 3, 6, & 7. Answers were given and a language change on point 3 was agreed to. The Police were asked if any noise complaints have been filed against the clinic to date (since 1984). The answer was no. On a motion by Trustee Larry Ammel, seconded by Trustee Thomas Piwoni and carried by majority roll call vote, the Board closed the public hearing. Roll call vote was 7 Aye 0 Nay 0 Absent.

On a motion by Trustee Kevin Scheunemann, seconded by Trustee Robert Stoltzmann and carried by the majority roll call vote, the Board suspended the rules to take up the IX New Business (A.) CUP No. 2002-01. Roll call vote was 7 Aye 0 Nay 0 Absent.

Action was taken on CUP No. 2002-01 granting a Conditional Use Permit for 1040 Fond du Lac Avenue for a veterinary hospital, allow for a kennel license and the boarding of 30 pets (dogs and/or cats) on extended, but temporary basis, with boarding indoors only, with the inclusion of the language change to point 3 of the permit as attached hereto:

Mr. John Knepel of the accounting firm of Virchow, Krause & Company, LLP, was present to review and answer questions on the latest audit prepared for the Village of Kewaskum for the year ending December 31, 2001. Mr. Knepel explained the entire audit process and financial statements regarding the General and Utility Funds portion of the audit and associated financial statements. The audit revealed the Village to be in a healthy position.

It was further noted the General Fund ended with a positive balance however the undesignated fund bal-

Bicycles Must Be Licensed

The Kewaskum Police Department would like to take this time to remind everyone about bicycle licensing laws and bicycle safety.

Village of Kewaskum ordinances require that all bicycles operated on the streets of Kewaskum to have a current license affixed to them. The cost of these licenses, which are non-expiring, is \$5.00. They can be obtained at the Municipal Building between the hours of 8 a.m. and 4 p.m. The license not only aids us in finding violators but also is the way we identify the rightful owner if the bike is lost or stolen. Any bicycle not licensed is subject to confiscation, redeemable only by the purchase of a license. **Bike licenses will also be available at the bicycle safety clinic to be held on May 11, 2002 at 9 a.m. at the Kewaskum Middle School.**

Also, Wis. Statute 346.03(9), Rules of the Road, states: "Subject to the special provisions applicable to bicycles, every person riding a bicycle upon a roadway is granted all the rights and is subject to all the duties which this chapter grants or applies to the operator of a vehicle..." In short, this means that all laws pertaining to motor vehicles apply to bicycles, including, but not limited to: Riding on the right side of the road, abiding by all traffic signs and signals, riding single file, etc. NOTE: In the event a child needs to ride on the sidewalk due to safety reasons, they should be aware that pedestrians have the right of way and ride only in single file.

A few safety tips to everyone operating a bicycle are: Keep your bike in good working order, wear bright colored clothing to make it easier for motorists to spot you, put a safety flag on your bike, ride single file, be aware of the area you are riding in and be ready to take evasive action if an obstacle appears and make sure the bike is the right size for the person riding it.

If we all follow these rules and safety tips we should have a safe bicycle season.

LEGAL NOTICES

ance remains depleted. The Water Utility reflected a rate of return of 5.97%, under the 8.25% authorized by the PSC. The Auditors suggested that the Village of Kewaskum apply to the PSC for a rate increase prior to a change in the standards for any increases to help with the rate of return and get the utility situated for a couple of the large projects proposed for the near future. The Sewer Utility also ended the year with a positive balance and rate of return of 1.53%. It was recommended to also plan on adjusting the Sewer Utility rates to help prepare for those upcoming projects and assist with improving the rate of return. The Villages overall debt is at an estimated 16.5% of what the law provides, however after adding the new well and pump house debt, it will go to 21.7%, a very good position to be in.

A variety of questions were asked of Mr. Knepel that he answered. Mr. Knepel thanked the staff for their assistance and good records. Further shared with the Board that the Village of Kewaskum should be pleased to have the Administrator and Deputy Clerk for they do an excellent job on maintaining good records and control over spending, etc.

President John Kenworthy, and Trustee Robert Stoltzmann along with the entire Board, also thanked the staff for a job well done and thanked the auditors as well.

On a motion by Trustee Kevin Scheunemann, seconded by Trustee Larry Ammel and carried by the majority roll call vote, the Board suspended the rules to take up the IX New Business (B.) (1)(2) relating to the acceptance of the audit report. Roll call vote was 7 Aye 0 Nay 0 Absent.

On a motion by Trustee Robert Stoltzmann, seconded by Trustee Larry Ammel and unanimously carried by voice vote the Board accepted the audit report as prepared and presented for the year ending December 31, 2001.

Discussion took place regarding the Auditors concerns regarding the rate of return earned by the Water Utility and the need for additional funds within the Department. On a motion by Trustee Larry Ammel, seconded by Trustee Robert Stoltzmann and unanimously carried by voice vote, the Board authorized the submission of a rate adjustment to the Public Service Commission to take affect for the fourth quarter of 2002. It was further noted a decision would be made later if a transfer is needed for the payment of the hydrant rental from the utility.

On a motion by Trustee Larry Ammel, seconded by Trustee Mathew Heiser and unanimously carried by voice vote the Board approved looking at a rate adjustment as recommended by the Auditors for the Sanitary Sewer utility.

It was noted by Administrator Daniel Schmidt that the routine Overdraft and Surplus Resolutions would come before the Board at a future meeting.

The Village Engineer opened bids for the Clinton Street, water main, sanitary sewer, storm sewer and street improvements on Wednesday, April 10, 2002. Four bids were received and read aloud and taken by the Engineer for review and a recommendation sent to the Board.

George Kountoupes Lincoln Park, MI \$131,700.00
United Painting Sterling Heights, MI \$137,000.00
G & M Painting, Riverview, MI \$130,000.00
Champion Coating Lakeview, MN \$156,000.00

Fire Chief Mark Groeschel presented the March 2001 report:
Fire calls- 0; Year-to-date- 4
Jaws- 1; Year-to-date- 5
Rescue calls- 11; Miles- 198

Police Chief Richard Knoebel will present the March report in May, 2002:

Director of Public Works Jerry Gilles reviewed the applicants considered for summer part-time employment. On a motion by Trustee Larry Ammel, seconded by Trustee Andy Pesch and unanimously carried by voice vote, the Board authorized the DPW and WPC summer part-time employees.

On a motion by Trustee Kevin Scheunemann, seconded by Trustee Thomas Piwoni and unanimously carried by voice vote, the Board approved the issuance of an Operators License for 2001/2002 upon proper payment of fee and documentation for the following:
Dieringer, Melissa S. Fredonia, WI

Note: The Police Department had no objection to the application.
Administrator Daniel S. Schmidt reviewed the following with the Board:

1) Review League and Taxpayer bulletins.
2) Announcement of the Open Book (April 22, 2002) and the Board of Review (May 13, 2002, from 1:00 p.m. to 3:00 p.m.)

3) Review building permit report for March 2002.
4) Review of correspondence.

Trustee Kevin Scheunemann, Chairman of the Public Services had a brief report on the recycling grant report for the year 2001.

Trustee Mathew Heiser, Chairman of the Park & Recreation Committee report on the Committee meeting held earlier this evening.

1) On a motion by Trustee Kevin Scheunemann, seconded by Trustee Thomas Piwoni and unanimously carried by voice vote, the Board authorized the Kewaskum Athletic Association to construct an open air shelter, adjacent to the concession stand by the NE diamond after bringing in a sketch of the proposed shelter. The Board also waived the building permit fee.

2) On a motion by Trustee Larry Ammel, seconded by Trustee Robert Stoltzmann and unanimously carried by voice vote, the Board authorized the YMCA to use KKCP for their fall youth flag football program.

3) The Board was informed the Kewaskum High School Environmental Club asked for permission to plant a tree within the RHP. That permission has been granted.

4) On a motion by Trustee

Andy Pesch, seconded by trustee Thomas Piwoni and unanimously carried by voice vote, the board approved the contract to bore the RHP hill and install a 4 storm sewer line to the catch basin at the large shelter building.

5) On a motion Trustee Larry Ammel, seconded by Trustee Mathew Heiser and unanimously carried by voice vote, the Board authorized the Park & Recreation summer part-time employees for the swim program.

6) The Board was informed we have received a request to clean up and mark the nature trail within KKCP as an Eagle Scout project. The consensus of the Board was to work with him.

Board representative for the Plan Commission, Trustee Andy Pesch announced a scheduled meeting for Tuesday, April 30, 2002 at 7:00 p.m.

Board Representative of the Library Board, Trustee Mathew Heiser reported on the regular Library Meeting. It was noted that circulation for March was up to 2,860. A circulation correction will result in a payment to the library of \$9,600.00. The Internet class was a big success and another will be scheduled. The reading program is on track for the summer program.

Mid Moraine Municipal Association Legislative Committee, Board Representative, Trustee Robert Stoltzmann reported that the committee met on Wednesday, April 10, 2002 at 7:00 p.m. The topic was the elimination of all personnel property tax.

A brief review of the bids for the Clinton Street Project was looked at in comparison to what was estimated. The Board reviewed the recommendations of both the Village Engineer and Village Attorney. The project would involve the street reconstruction, water main replacement, storm sewer replacement and sanitary sewer main replacement. The apparent low bid was for \$240,927.50 or 18% more than anticipated. On a motion by Trustee Kevin Scheunemann, seconded by Trustee Thomas Piwoni and unanimously carried by voice vote, the Board rejected all bids in accordance with the advertisement of bids and indicated the project would be tabled until a future date.

Bids for the painting of the sphere water tower were reviewed. The Engineer and Village did recommend authorizing the signing of a contract with the low bidder. On a

motion by Trustee Kevin Scheunemann, seconded by Trustee Larry Ammel and unanimously carried by voice vote, the Board authorized the signing of a contract with the low bidder Horizon Bros. Painting, Howell, MI at a bid price of \$93,400.00.

President John Kenworthy announced two appointments to the Library Board; the first Connie Zemlicka and the second Coarlee Henning. On a motion by Trustee Robert Stoltzmann, seconded by Trustee Mathew Heiser and unanimously carried by voice vote the two appoints were approved as proposed by President John Kenworthy.

Motion by Trustee Kevin Scheunemann, seconded by Trustee Larry Ammel and carried by the

majority roll call vote, to adjourn. Roll call vote was 7 Aye 0 Nay 0 Absent.

Outdoor Adventures with Mark Walters

Earn a Buck

Hello friends,

Three years ago, Jeff Neitzel, a buddy of mine from bomb loading days in the Air National Guard, told me he would like to put together a remote bow hunt somewhere in northern Wisconsin.

He wanted a place where we could take a boat or canoe so far from most roads that we could escape each fall for seven days, and over a period of years, put together a top notch big buck shooting hunt. I chose a remote section of Iron County on a river that feeds in the Flambeau Flowage.

Last fall, we spent the second week of November living in the bush. We saw 13 different bucks and not another person. Our goal was met. This past weekend, Jeff and I spent two days doing some big time hiking to try to learn the land and see how the local wildlife made it through the winter.

Saturday, April 20
High 48-, Low 17-

Until today, Jeff and I have always made a three-mile boat or canoe trip to the area we hunt or camp. Today, because of flooding and a desire to learn the land, we explored via a compass, map and knee boots.

To be perfectly honest, we really had no idea of what we were getting into. There were plenty of interesting observations throughout our day. After the first two hours of hiking, there were no roads. Wolf, grouse and deer are plentiful in this sec-

tion of Iron County. Had we been carrying shotguns, Jeff and I could have limited out on ruffed grouse. Providing the weather warms up and dries out, there should be an excellent hatch and a great hunt this fall.

Our entire day, during which we covered over 10 miles in eight hours, provided us with almost non-stop deer and wolf sign, especially the farther we got from civilization. Not once did we find a wolf-deer kill, which usually consists of shredded pieces of deer hide.

By the middle of the afternoon, after being temporarily misplaced several times, Jeff and I came to the river we were looking for and took a break at a campsite where we had spent seven days back in November of 2000. We were lounging in the sun on the banks of a flooded, swollen river when Jeff heard and spotted a deer directly across the river from me.

Luck was on our side as we were laying on a deer trail, and it started swimming the river with an obvious desire to get out of the water where we were lying. A strong current grabbed the large deer, which had nubs on the top of its head, and took him down stream 20 yards. He then climbed out of the water and went about his business. This fall, those nubs will be antlers.

At this point, our trip was successful. It was now time to get deep into the bush and explore the land we had wanted to see the past two falls but were afraid we'd

scare rutting bucks away.

By the end of the day, Jeff and I witnessed three inches of snow, located a total of eight seemingly good spots to ambush a buck, and became big time lost. We got lost in the last two hours of the first day and kept coming to water we couldn't cross. We were both aware we may be spending the night in the bush.

In the end, the compass brought us within 100 yards of my pickup. For the next six months, Jeff Neitzel and I will dream about that buck that swam the river. We will hope this fall he is carrying a heavy rack, comes within bow range and in the end, is hanging in a tree at our camp.

Think positive!

News From The Capitol

By Rep. Glenn Grothman

The Budget Stalemate

The legislature is currently deciding how to deal with a \$1.1 billion deficit. Negotiations are going on between the senate, which has a Democratic majority, and the assembly controlled by Republicans. Both parties have what I consider totally irresponsible plans in that both are using more than \$900 million of money which will not be available in next year's budget (actually the Democratic plan relies on \$150 million more in one time money than the Republican plan). The Democrats are spending \$125 million more of future tobacco revenues and are spending some of the state retirement fund to encourage early retirements. This will save \$60 million this year, but cost \$420 million in future years. Both plans do not reduce the 45% of the budget which deals with K-12 education and even encourage new expenditures for 4-year-old kindergarten and \$15 million more a year than current law for class sizes of 15 children. Nevertheless, the differences are instructive.

The Democrats use this opportunity to actually spend more in several areas, \$27 million more a year in special education in public schools, \$8 million more a year for Milwaukee Public Schools, \$10 million more a year for anti-smoking programs, \$6 million more for taxpayer money for political campaigns, and \$400,000 more to improve the Green Bay public TV station.

The Republicans will spend \$3.5 million to open new prisons in New Lisbon and Stanley. The state currently saves money by leaving these prisons empty and sending these prisoners to cheaper, out-of-state prisons. The Republicans increase spending for University of Wisconsin scholarships by 8% - another \$700,000, while the Democrats increase spending by 13% for \$1.3 million dollars more. Both sides are starting a new prescription

drug plan, which will cost \$75 million a year.

Both sides are making significant cuts in most state operations. The Republicans are cutting 11.5% and the Democrats are cutting 11%.

The Democrats are also cutting \$15 million a year of management positions appointed by the governor, an additional \$4 million from the prison system, \$3 million in grants for business, \$3 million in grants to start up an ethanol program, and \$1 million from the state fair.

The Republicans are freezing state wages, saving \$54 million. They reduce the University travel budget by \$8 million, the University advertising budget by \$4 million, and require state employees to pay \$10 a month for health insurance, saving \$7 million. The Democrats will require \$60 million a year for purchasing new parkland, and the Republicans will spend \$35 million a year on new parks. The Republicans will reduce grants to cities and counties by \$250 million a year, beginning 2003.

Both sides have added non-monetary policy to their proposals. The Democrats will require businesses to pay for unlimited mental health expenditures for their employees, require school districts to negotiate teacher preparation time with their teacher contracts and require state-approval for the building of new hospitals. The Republicans will require school referendums be held on the date of regular elections, and exempt non-profits billboards from new fees.

I personally submitted over 30 additional proposals to reduce spending, which were rejected by a Republican Assembly, which is increasingly afraid to question our current level of spending. Nevertheless, I feel the Republican plan is less irresponsible than the Democratic plan.

KEWASKUM INDIANS SPORTS

Male 30+ winners PW Walsh.

Indians Take C-Sport, 3-0

The Kewaskum girls varsity soccer team hosted Campbellsport on Parent's night, Monday, May 6. The Kewaskum team did an excellent job of passing throughout the game. The team's passing has matured and they are doing an exceptional job moving the ball into scoring opportunities.

The defense developed synergy as the game progressed and shut out the strong Campbellsport team in the game. The Indians are slowly developing good communications and determination.

Jenny Koth, Krystal Cochran and Maggie Herriges scored in our game winning parent's night.

Katie Klug, Katie Staehler, Christine Behm, Bridgette McDonald, and Alexa Nelson stopped the attack of the Campbellsport strikers limiting them to only five shot on the goal.

Tanya Theisen, Jenny Koth, Cochran, Maria Cannestra, Jac Chambers, Audrey Dickmann, and Chris Van Beek played a great transition game at midfield at taking the ball to the Campbellsport goal.

Strikers Alison Yanke, Lauri Bausch, Michelle Backhaus and Jamie Imler tested the Campbellsport goal keeper from about every angle possible with shots.

Congratulations for a great gift to the parents on parent's night. Herriges and Behm scored a well deserved shutout.

Two Rivers Shuts Out Indians, 5-0

The Kewaskum girls varsity soccer team hosted Two Rivers on Tuesday, April 30. Kewaskum played an aggressive game but could not find the back of the net.

Katie Klug, Christine Behm, Bridgette McDonald, Katie Staehler and Alexa

Nelson gave a team effort to stop the attacks of Two Rivers.

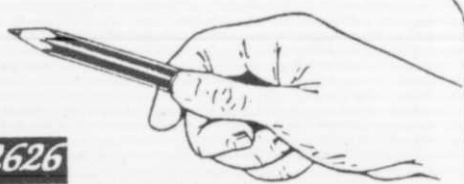

Tanya Theisen, Jenny Koth, Jac Chambers, Audrey Dickmann, Jamie Imler and Laurie Bausch played a great transition game at midfield taking the ball to the opposition for 15 shots.

Strikers Alison Yanke, Michelle Backhaus and Krystal Cochran pressured the opposition's defense. Maggie Herriges made several major league saves on quality shots.

KMS Eighth Grade Boys Take Care of Pewaukee

The eighth grade boys track and field team dismantled Pewaukee last week Thursday by a score of 93-12. Kewaskum won every event enroute to their win. The Indians continued to dominate in the field events.

Ross Stockhausen, who outscored the Pewaukee team by himself, kept his winning streak alive as he won the shot put with a career best throw of 40' 2". Teammate Bryan Daggett finished number two with a toss of 35'10". Scott Rhoads led the Indian discus throwers with a toss of 95'2".

In the long jump, Jason Jahnke jumped 16'0" to set a new season best for Kewaskum, and then later in the meet, teammate Jake Sabel shattered that by jumping 17'1". Sabel also finished first in the high jump with a winning height of 4'8". Garrett Donath also cleared 4'8", but Sabel won due to the fact that he had fewer misses.

On the track, Kewaskum and Pewaukee battled each other and Mother Nature, as high winds and scattered showers made it difficult to compete. Jason Jahnke won his third straight hurdles race, with a winning time of 16.5 seconds. Teammate Scott Rhoads finished second in 17.7.

Stockhausen, who has yet to lose a single event this year, sprinted to a first place finish in the 100 meter dash, winning with a time of 12.7 seconds. Nick Bartley, Zack Van Wormer, and Adam Wagner finished 1-2-3 in the 1600 meter run. Kewaskum's 800 meter relay team of Nate Kenworthy, Alex Waranius, Mitch Paulus, and Shane Sunday easily won with a time of 1:58.8.

Despite the lousy weather, Garrett Donath again challenged the school mark in the 400 meter dash, winning with a time of 60.2 seconds. Jake Sabel was a close second finishing in 62.0 seconds. The 400 Meter Relay team of Scott Rhoads, Jason Eggert, Mitch Paulus, and Jahnke won with a time of 55 seconds flat. Nick Bartley outpaced the rest of the crowd in the 800 meter run. He finished with a time of 2:24.1.

Shane Sunday won the 200 meter dash in 29.0, and the 1600 meter relay team of Stockhausen, Jeffrey Paulus, Waranius, and

Donath won easily in 4:34.8.

Kewaskum hosted the Conference Relays on Tuesday, May 7. They will round out the regular season at Silverbrook, and at Slinger on May 13, and May 16th. The Conference Meet is scheduled to take place at Hartford High School on May 23.

Koch, Timblin Fair Well at Lawsonia

By Kyle Darmody

The Kewaskum boys varsity golf team traveled to the golf courses at Lawsonia Links on Wednesday, to play an 18 hole, two man tournament. Princeton and Green Lake High Schools hosted the fifth annual two man tourney, where thirty schools were divided into three divisions according to enrollment, with sixty pairs competing for overall honors.

The Indian pair of senior Noah Koch who shot an 80 and junior Josh Timblin who shot a 92, recorded the sixth lowest score within their division. Collectively the twosome registered the 14th lowest total of the day.

Junior Brian Mertz and freshman Luke Koch both recorded 93s to finish out of the medals with a total of 180.

Kewaskum continues to improve, even though the golf courses have not gotten any easier.

"Noah's score certainly indicates his capability as well as his leadership," said Coach Eichstedt.

The Indian golfers went on to play in the Brown Port Invitational at Hawthorne Hills Golf Course in Saukville

Indian Linksters Finish 11th at Brown-Port Invite

The boys varsity golf team traveled to the Hawthorne Hills Golf Course in Saukville to compete in the 22nd annual Brown Port Invite.

Overall the Indians finished 11th out of a field of 20 teams. Despite the finish the Indians continue to demonstrate improvement.

Senior Andy Bauer took team honors with a solid (43-42) 85, followed by juniors, Josh Timblin with an 87 and Brian Mertz with an 88. With four individual scorers in the eighties, the Indians posted their lowest tournament score of the season to date.

The Indians now gear up for E.W.C. matches this upcoming week.

Indians Lack of Ball Contact Results in Loss

By Kyle Darmody
Student Reporter

The Kewaskum girls varsity fastpitch team traveled to Two Rivers on Monday for a double header. Due to expected severe weather the two teams had to limit themselves to one game.

In the first game they were able to get off before the bad weather struck, the Indians just could not get it done at the plate, which resulted in a 3-1 loss.

Two Rivers pitcher M. Reilly killed the Indians by striking out 13 batters and only walking two. Kewaskum's pitcher Kayla Sauer pitched another good game by only allowing three runs on three hits, but could not get the run support as the Indians only scored one run on one hit. The Indians then 6-8 would go on to host Sheboygan Falls Tuesday night.

Broecker's Late Inning Heroics Win it for Indians

By Kyle Darmody
Student Reporter

On Tuesday the Kewaskum girls varsity fastpitch team, hosted Sheboygan Falls for a E.W.C. confrence matchup. The Lady Indians pulled away from the nail biter with an 8-5 victory.

The girls started off good scoring four runs in the first two innings while getting solid defense, and pitching from Steph Herrick, who shut out the Falcons until the fourth inning. Then the Indians struggled.

The Falcons scored all five of their runs that inning, all of which were off wild pitches. After getting out of the jam Herrick was pulled and Kayla Sauer took control. Sauer was able to come in and provide three shut out innings for the Indians to close out the game defensivley.

Offensivley the Indians just started warming up. The Indians trailing 5-4 in the fourth inning, were able to tie the score with a run in the fifth. In the sixth inning the Indians struck again. With a Stephanie Janz walk, a Katie Dorn single, and an Alissa Donath walk, the Indians had the bases

loaded with two outs when Vicki Broecker stepped up to the plate. With ice running through her veins Broecker drilled a shot to left center field, just out of the reach of the left fielder.

All three base runners scored as Broecker advanced to second, and the Indians walked away with the win.

Another notable performance was Jessica Janz who was 2-3 with a key triple in the fifth. The Indians now 7-8 go on to face Elkhart Lake in a double header on friday.

KHS Girls Second at Vanderpan

By Jerry Gosa

SHEBOYGAN FALLS - The Kewaskum girls track team finished second with 123 points at the Vanderpan Invitational on Friday, May 3.

Host Sheboygan Falls girls' scored 148 points to win the team title and reclaim the traveling trophy that Kewaskum had won last year. Oostburg finished third just two points behind Kewaskum and Howards Grove finished fourth with 86 points. Elkhart Lake finished fifth with 72, New Holstein, sixth, with 62, Plymouth, seventh, and Southern door finished eighth with 15.

Kewaskum won three events, placed second in four events and third in five events. In comparison, Sheboygan Falls won seven events, placed second in three events and third in three events.

Nicole "Coco" Herrmann had the lone individual win for Kewaskum in the shot put with a throw of 34'11-1/2". Klemme of Sheboygan Falls finished second with a distance of 34'2". Herrmann also placed seventh in the discus with a distance of 86'1".

Kewaskum's other two wins came in the 4x200m relay and 4x400m relay, but Sheboygan Falls also finished second in the same two events. The Kewaskum 4x200m relay team of Jessi Graham, Breyan Donath, Amanda Donath, and Becky Herriges won with a time of 1:52.3; compared to Sheboygan Fall's second place time of 1:54.2.

The Kewaskum 4x400m relay team of Graham, Breyan Donath, Jenna Roecker and Herriges won with a time of 4:21.9, compared to Falls' second place time of 4:28.4.

Graham also placed second in the pole vaulting

after losing to Weber of Sheboygan Falls in a jump off. Both Graham and Weber set the meet record 9'0" without any misses and thus were tied for first place and both missed three times at 9'6". Each vaulter was given one additional chance at 9'6" and both missed.

Then the bar was lowered to 9'0" and Weber cleared the bar for the win and Graham missed and had to settle for second place. Both athletes were given credit for clearing and setting the new meet record at 9'0".

Freshman Kayla McCormack had a big night placing second in the high jump with a season best height of 5'0" and also finishing third in the 800m run with a season best time of 2:39.9 (two minutes and 39.9 seconds) over five seconds better than her previous best.

Freshmen Amanda Donath and Amanda Magnus ran well and finished 2-3 in the 400m dash with times of 64.7 seconds and 66.2 seconds, respectively. Amanda Donath also finished fourth in the 100m high hurdles with a time of 18.8 seconds.

Herriges also finished third in the 100m high hurdles and fourth in the 300m hurdles with times of 17.4 and 52.4 seconds.

Breyan Donath and Jessi Graham finished 4-5 in the 200m dash with times of 28.13 and 28.17 seconds respectively.

Betsy Marx had a great night in the pole vault by clearing a personal best height of 8'6". Two vaulters from Plymouth also cleared 8'6" for third and fourth place and Marx then had to settle for fifth place.

The Kewaskum 4x800m relay team of Rachel Shea, Natasha Lawrence, Jenny Bischoff, and Kate Ginochio finished sixth with a time of 12:31. The Kewaskum 4x100m relay team of Megan Butler, Katie

Patterson, Amanda Magnus and Jessie Butler finished seventh with a time of 57.6 seconds and Robin Thelen finished eighth in the 1600m run with a season

best time of 6:11 to conclude the scoring for Kewaskum.

Kewaskum hosts the Eastern Wisconsin Conference Championships this Thursday, May 9.

Boys Come in Sixth at Vanderpan

By Jerry Gosa

SHEBOYGAN FALLS - The Kewaskum boys' track and field team managed to score 82.5 points in the tightly contested 23rd annual Vanderpan Invitational on Friday night, May 3, but finished a disappointing sixth out of eight teams.

Host Sheboygan Falls narrowly defeated Howards Grove 113-110.5 to win their invitational track meet. Oostburg finished third with 107 points and New Holstein finished fourth with 100.5 points. Plymouth finished fifth with 83, Southern Door was seventh with 75 points and Elkhart Lake finished with 23.5 points.

Seven meet records were set during the meet. Host Sheboygan Falls won four events and Kewaskum won only one event.

Troy Koefler picked up the lone win for Kewaskum in the shot put with a throw of 51'6-1/2", just a couple of inches away from his personal best. Koefler also placed fourth in the discus with a personal best throw of 135'8-1/2" and his teammate David Cibulka finished fifth, just three inches back at 135'5-1/2", which was also his personal best.

Mike McKee and Kurtis Cochran placed 2-3 in the pole vault. McKee equaled his season best with a vault of 12' even and Cochran cleared a personal best of 11'6".

Chris Canter got injured on his first attempt in the long jump and had to scratch from the finals of the 100m dash, 200m preliminaries, and the 400m dash. "We are hopeful that Chris will be okay. His parents took him to the hospital to get checked out and as of late Friday night, he appears to be better. The sand in the long jump was extremely hard and when he landed, his leg just went numb and he couldn't walk," reported Coach Jerry Gosa.

Without Canter in the events, Kewaskum lost the opportunity to score much needed points.

Josh Meyer finished third in the 1600m run with a time of 4:49.6 and his teammate, senior Chris Baker finished seventh with a time of 5:01.3.

The Kewaskum 4x200m relay team continued to struggle with their handoffs and finished third with a time of 1:36.4 behind conference foes Sheboygan Falls and New Holstein. Falls won with a meet record time of 1:33.3 and New Holstein was just 0.1 seconds behind in 1:33.4. The Kewaskum 4x200m relay team includes Matt Hartmann, Tom Ogi, Josh Uelmen and Tony Fitts.

Matt Hartmann finished third in the 300m intermediate hurdles with a time of 41.4 seconds and Fitts placed third in the long

jump with a leap of 20'6-1/2". Buechel of New Holstein won the long jump with a jump of 20'8-1/4" and Swart of Oostburg finished just 1/2" ahead of Fitts.

The Kewaskum 4x100m relay team of Uelmen, Ogi, Hartmann, and Fitts finished fourth with a time of 45.61 seconds. Southern Door won with a time of 45.0 seconds, Falls finished third in 45.2 seconds and New Holstein finished third in 45.59 seconds.

Tom Ogi placed fifth in the high jump with a height of 5'8". Brandenburg and Buechel placed 1-2 for New Holstein with heights of 6'2" and 6'0".

The 4x800m relay team of Josh Meyer, Tom Ramthun, Bryan Kraft and Chris Baker gave it their all but finished sixth with a time of 8:46.7, just four seconds off their season best time. Oostburg won and set a meet record with a time of 8:28.3.

The following individuals placed seventh for Kewaskum: Tony Fitts in the 100m dash with a time of 12.3; David Wicklund in the 400m dash with a season best time of 55.1 seconds; Mike Wagner in the 300m hurdles with a season best time of 44.2 seconds, and Tom Ramthun in the 3200m run with a time of 11:41. Kewaskum hosts the Eastern Wisconsin Conference Championships this Thursday, May 9.
