Candidates in the 59th district assembly race were required to file statements of campaign contributions and those statements have been disclosed for all candidates in the fall election on the state election board's website.

Sheboygan's Anthony Bonnett was at the top of that list. As of the filing he reported he received \$19,122.87 from campaign contributions. He has spent \$17,767.87.

Oostburg candidate Daniel LeMahieu was second on the list. As of the filing he reported he received \$3,405 from campaign contributions. He has spent \$1,934.88.

Alan Bosman, Sheboygan Falls reported he received \$2,000 from campaign contributions. He has spent \$1,543.26

Richard Karshna, Belgium reported he received \$1,825 from campaign contributions. He has

spent \$441.78

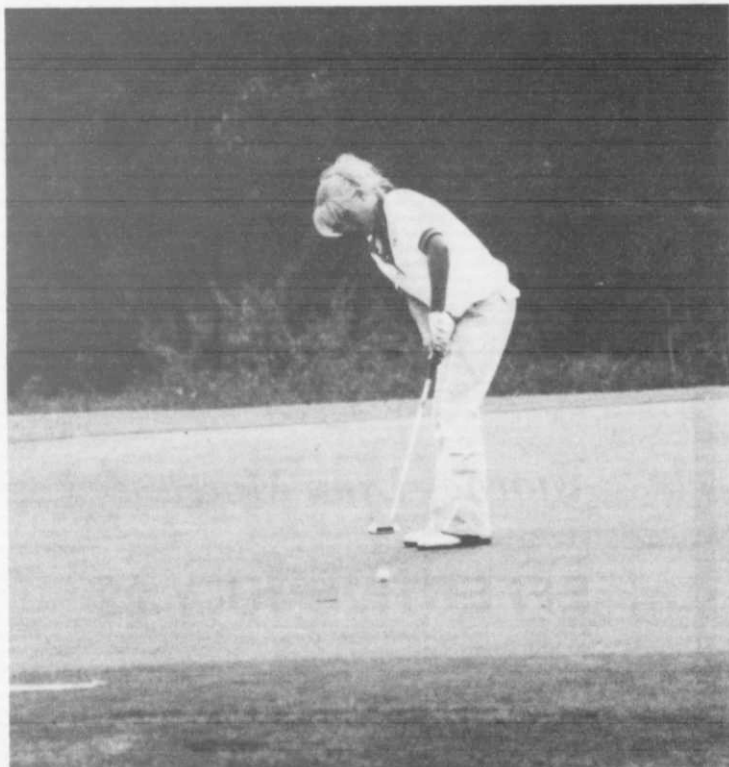

Fredonia candidate, Donald Dohrwardt reported he received \$500 from campaign contributions. He has spent \$277.74

Thomas Thompson, Campbellsport and Mark Brunner, Kewaskum had no expenses to report at the time of the filing.

Please continue to watch this newspaper for continuing coverage of this contested race.

Timblin, First in Division of Journal Sentinel Junior Golf Tournament

Courtney Timblin

Kewaskum High School graduate Courtney Timblin was the winner of the Milwaukee Journal Sentinel's junior golf tournament held at Currie Park in Wauwatosa last Wednesday. Timblin is no stranger to

successful team the past season.

Timblin will begin her first semester at UW-Stevens Point, where she will play on the golf team.

Bicycle Licenses Required in Village

All bicycles driven in the Village of Kewaskum are required to be licensed according to Chief Knoebel of the Kewaskum Police Department.

Knoebel went on to say "Bike licenses are not only a way for the Village to take in revenue. They are used to identify bikes that are stolen and then recovered and also for identifying bikes that are found lying around the Village.

We have over 12 bikes in our garage at this time and we have no idea who owns them. Some of these bikes are worth over \$200.00 and no one comes to claim them."

Bike licenses can be pur-

chased at the Kewaskum Police Department between 8:00 a.m. and 3:00 p.m. Monday through Friday. The licenses are \$5.00 and are good for the life of the bicycle.

UWWC to Present 'The Musical Comedy Murders of 1940'

West Bend - The Summer Production, "The Musical Comedy Murders of 1940," is coming to UWWC Aug. 2, 3, 9, 10 at 7:30 p.m. and Aug. 4, 11 at 2:00 p.m.

The creative team responsible for a recent Broadway flop (in which three chorus girls were murdered by the mysterious "Stage Door Slasher") assemble at a Westchester estate, complete with sliding panels, secret passageways and swiveling bookcases. As a blizzard confines the characters, bodies start to drop in plain sight, and knives

spring out of nowhere as accusing fingers point in all directions.

The cast of characters providing this marvelous mayhem includes Sara Butz of West Bend, who will play Helsa Wenzel, Donna Gawel-Miller of Kewaskum who will play Elsa Von Grossenknueten, and William Rusher of Jackson who will play Michael Kelly. Patrick O'Reilly will be played by Christopher Hofland of Cedarburg. Joe Hersh of West Bend will play Ken De La Maize. Tara Ketterer of Mayville will

play Nikki Crandall. Adam McAleavey of Rubicon will play Eddie Mc Cuen. Darlene Scott of Slinger will play Marjorie Baverstock. Mike Kreuser of West Bend will play Roger Hopewell and Pamela Theisen of West Bend will play Bernice Roth.

"The Musical Comedy Murders of 1940," is written by John Bishop and will be directed by Jade Scott. Jade is an alumni of UWWC and a recent theatre graduate of UW Stevens Point. Tickets are \$10 for general admission and \$8 for senior citizens and students. For information about the show, or to reserve tickets, please contact the box office at 262-335-5208.

WCCE Provides Transportation To State Fair

The Washington County Commuter Express (WCCE) will provide public transportation to the Wisconsin State Fair. Residents of Washington County and surrounding communities will be able to attend the Wisconsin State Fair without the worry or hassle of driving and finding a place to park.

Linda Olson, Transportation Coordinator for Washington County, stated many requests have been made to provide public transit to State Fair, so plans were included in the 2002 program to provide this service to Washington County residents without adding additional vehicles.

Riders will board the WCCE State Fair routes at three locations, including Field's Furniture location at Hwy. 33 and Veterans Avenue in West Bend, Washington County Fair Park and the Lannon Road

Park and Ride in Germantown.

The routes will run Monday through Friday from the beginning of the State Fair on August 1 through August 9. The WCCE will take riders right to the North Millennium Entrance at the Grand Entryway of State Fair Park. Riders will board the WCCE back to the North Gate to return to Washington County.

The WCCE State Fair route fare is \$5.00 round-trip for ages 12 - 59, \$2.50 round-trip for ages 60+ and ages 6-11, with children ages up to five years old FREE. "We are pleased to offer this service to our communities," Linda Olson commented. "To accommodate riders' schedules, we have six routes going to the State Fair and seven routes returning residents to Washington County."

Schedules are available at local businesses or public buildings. Contact the WCCE at 1-888-675-WCCE (9223) to find the closest location to you.

Red Cross Offers Introduction to Disaster Class

The West Bend Red Cross Chapter is offering an Introduction to Disaster Class on Thursday, August 1 at 6:00 p.m.

This class provides basic information about disaster situations and their effects; outlines the role of agencies in disaster relief and introduces participants to American Red Cross Disaster Services.

Red Cross disaster classes are offered at no cost. Please call the office at 334-5687 to register for this class.

'Guilt Trip' Takes First At FDL County Fair

Kewaskum's very own Guilt Trip gave an absolutely stunning performance for an enthusiastic crowd at the seventh annual Fond du Lac Fair Battle of the Bands on Tuesday evening.

Their stunning rock act brought a first place victory all the way from the Fond du Lac County Fair grounds home to Kewaskum.

The band had some stiff competition, however. Fond du Lac county's own rockin' "Reveal" proved to be a worthy competitor, coming in second by only four points on a scale of four-hundred. This was the closest decision in the fair history.

Judges said that Guilt Trip won with their absolutely inspired performances of Aerosmith's "Sweet Emotion" and Lynyrd

Skynyrd's "Free Bird."

Guilt Trip's members consist of Clayton Klein, Jeremy Zima, Eric Braun, Doug Ramthun, and Brian Boehlen. Their victory won them three-hundred and fifty dollars and an opportunity to headline the sound stage on Sunday, July 21st from 7 - 10 p.m. at Fond du Lac County Fair.

The remaining bands were "Tuesdays Waiting," "Pull Factor," "Watch Tower," and "Loud," placing third through sixth, respectively.

Guilt Trip will be performing at the Washington County Battle of The Bands on Thursday, July 25th, at the Washington County Fair, and hope for the same results.

LETTERS TO THE EDITOR

Dear Editor

As Americans we take great pride in a rich heritage that has manifested itself in great courage and bravery in times of war and peace. Our *National Anthem* ends with the stirring words, "...and the land of the Free, and the home of the Brave!" I remember as a child singing that anthem and putting special emphasis on the "the Brave!" In my childish mind I envisioned a vast army of the bravest soldiers in the world, standing ready to protect my beloved country against all forms of evil and despotism. America ... the home of the brave!

Well, times have changed a bit since the days of nuclear proliferation, cold war, civil defense shelters and suspicious sputniks spying in space. What engendered a spirit of bravery and courage in the mind of a ten year old forty years ago, may not necessarily be the catalyst for these same character traits today. We no longer fear the same things we did when I was a boy. Perhaps we no longer have the same security needs today that caused me to cling to the notion of a brave army of warriors ready to defend to the death anyone threatening the peace and security of my Native Land. Perhaps, because times have changed so, we no longer need to be as brave as Americans needed to be in 1962 when world war seemed so imminent and the security of our nation so fragile. Perhaps

Is America no longer threatened? Are we no longer in need of shelter from tyranny, from injustice, or from personal, physical threat? If you are of a mind to answer "yes," then I envy your confidence and pity your blindness. No. The threats that face us as a people today are in no way any less threatening than nuclear bombs. And, in many ways, the threats are far more insidious; able to creep up upon us in the dark without forewarning from a civil defense siren. Worse yet, in many ways, we are not prepared to take shelter from these present threats. No. We are still greatly

threatened and if we do not heed these threats, we may end up in as great a peril as many of us perceived was inevitable in those peril filled days back in 1962.

What is it that so threatens us today? We are threatened physically by the spectre of a judicial system that countenances abortion, infanticide, and physician assisted suicide; by an out-of-whack sense of ethics that places environmental concerns above the needs of progressive men and women; by a legal system out-of-control in a sue-happy society. We are threatened physically by the misplaced belief that we can somehow remove all mention of God and His will for us from our code of law and government; a codification that began with Christian faith and evolved into the great documents of freedom that we hold as testimony to democracy and freedom today. We are certainly threatened physically by a sense of moral relativism that says there are no absolutes and that as long as people are treated "fairly" and "equally" there is no need to worry about ethics or morality.

Physically? Yes, these attitudes and beliefs, held by government and society alike, are threatening the very existence of the social framework that has taken centuries to build. If we as a people succumb to this pale and seductive thinking, there will be, perhaps, no need for brave men and women in our society any more.

Frankly, we are probably most threatened by ourselves. As a people so many of us have accepted that notion that it is OK to take the middle road, the safe road, the non-contraversial road, the road of neutrality. That way, we don't need to get involved in these messy issues.

I was recently confronted with this attitude while campaigning in Kewaskum for the 59th District Assembly seat. I walked into a local business and asked to put a placard in their window announcing my candidacy. I was met with the statement that "We don't do that because we have a policy not to get involved. We are neutral." Neutral? Since when does living in this great state and this great

nation give any of us the right to be neutral? Kewaskumites, Wisconsinites, Americans are NOT neutral. We are either for something or against it, but we are not neutral. This is not the nature of an American. And, this may be exactly what is wrong with many an American attitude today. We have convinced ourselves that there is no threat. Therefore, why put the effort forth to be brave and take a stand?

Sorry! There are a whole spate of issues that should and will be addressed in this election. Not the least of which I have illustrated above. There is no room for neutrality when it comes to the security of and promotion of the people of Kewaskum. As Americans, each of us needs to take a stand one way or the other. That's the way the system was designed and that is the only way it works. As a businessman or a citizen you can't be afraid to offend or contradict someone else's stance on an issue. That would be putting your needs before those of the town, state and the nation. That is not democracy.

As the candidate from Kewaskum, I challenge the businesses and citizens of Kewaskum to discover the issues, find out how the candidates stand and then make their choice. I challenge you to vote for that choice on September 10th. I pray it will be me.

Whatever your choice, remember this, this nation was built on the courage of those who were always able to choose between freedom and tyranny. May it never be said that this is "the land of the free and the home of the neutral!"

Mark C. Brunner

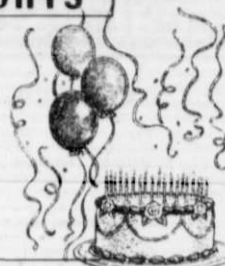

Dear Editor

I'm writing in regards to a letter that I read last week about Mr. Anthony Bonnett. I met Mr. Bonnett at a car show about a month ago. He was introducing himself to those in several groups of people who were gathered around our classic cars. I found him to be polite and earnest, however he avoided my question regarding the salary of an assembly person. I suppose, giving him

Mexican Potato Burrito

Prep Time: 20 minutes

2 cups water
 3 tablespoons margarine or butter
 ¼ cup milk
 2 cups Hungry Jack® Mashed Potato Flakes
 2 teaspoons margarine or butter
 ½ cup chopped onion
 2 cups cubed cooked chicken, turkey or beef
 1 (1.25-oz.) pkg. taco seasoning mix
 ½ cup chunky-style salsa
 2 oz. (½ cup) shredded Cheddar cheese
 8 (8-inch) flour tortillas, heated
 Shredded lettuce, if desired
 Chunky-style salsa, if desired

1. In medium saucepan, bring water and 3 tablespoons margarine to a rolling boil. Remove from heat. Stir in milk and potato flakes with fork until well blended. Set aside.

2. Melt 2 teaspoons margarine in medium skillet over medium heat. Add onion; cook and stir until tender. Stir in chicken, taco seasoning mix and ½ cup salsa. Bring to a boil. Cook 2 minutes, stirring occasionally. Stir in cheese and potatoes.

3. Spoon about ½ cup potato mixture down center of each warm tortilla; roll up. Top with lettuce and additional salsa.

Servings: 8 burritos

Garbisch Tag Team To Kiss the Pig???

IT COULD HAPPEN!!

I truly believe only in Kewaskum could this have happened! The voters have spoken with their nominations and an amazing thing has happened. I am quite sure this is a milestone in the history of pig-kissing. I cannot recall this occurring in any other contests that required puckering. A husband and wife tag team has been nominated to kiss our little pink buddy.

And you guessed it folks, it is none other than Silver Platter owners, Tammy and Roy Garbisch! Last week, I gently suggested that perhaps Tammy would feel very honored if we all nominated her to commemorate her birthday. But, never in my wildest dreams did I think someone would get the absolute brilliant idea to nominate Tammy's husband Roy to go along with the package. That was sheer genius! Not even I could have thought of that!

Not to mention, this gives me a another whole angle to play! Certainly the voters cannot imagine, having just one pig-kissing tag team? Just think of the possibilities! No one needs any suggestions from me. So instead of spending just one dollar, you spend two. One for the husband and another for the little woman.

Don't worry, the economy will recover. And maybe, you may even help it in the long run.

Then of course, there is another angle to consider. Roy and Tammy own the Silver Platter Family Restaurant. You would think that other restaurant and tavern owners would love to join in on all the notoriety! Never mind that after the last pig-kissing melee, Roy couldn't let Tammy put pork on the menu for weeks. It was that close!

Actually, there have been a few other restaurant owners nominated. But don't you think we should cover all the bases, Kewaskum?

I know this is all just too exciting for most of the residents of our town, but there is one little problem. I'm not sure if anyone besides me has noticed this or not, but there definitely seems to be a shortage of female candi-

dates. Don't get your little tails all in a curl about it, but at this counting, there are exactly 14 male nominees and 7 female nominees. What's wrong with this picture?

I hate to break this to piggy, but if things don't improve this week, I'll have to be the one to tell him that the girls just aren't interested in him. I'm not sure how his ego will handle this news. He is a male piggy and we all know how fragile a male ego can be! So please help me out here so I don't have to share this news with piggy or he will be absolutely crushed. Let's get some female nominees sent in for goodness sake, or at least for piggy's sake!

And if I must say so myself, I really did come up with a pretty good idea last week. When people don't show up for regular weekly meetings, make sure they get nominated. Shirley lucked out... twice! But Aggie, oh Aggie, it looks like

you just got yourself another vote! Don't be absent for meetings... it could cost you alot in chapstick in the long run!

You probably would like me to babble on endlessly, but it is a long contest and playing on words can be very taxing on the unused portion of my brain. Don't even go there! However, PICTURE this... I don't like to threaten anymore people but this is the last week for nominating those you love. Nominations will close Wednesday, July 31.

We need 15 male candidates AND 15 female candidates for the semi-semifinals that will begin August 1. If my math serves me correctly, that means we need at least one more male and eight more females. And remember there is only one tag team that has been nominated.

And lastly, as snorty as this whole idea seems, it is for a good cause. All proceeds from the Kiss the Pig Contest will help fund the Kettle Kountry Kolors festival, and hopefully, we can bring back the lumberjack show soon.

The nominees received this past week include:

- Robert Buddenhagen
- Jim Eisch
- Aggie Fleischman
- Roy Garbisch
- Tammy Garbisch
- Linda Gavin
- Donnie Goeden
- Mitch Maersch
- Jeanne Marchant
- Ron John (from Woodys)
- John (Squeak) Strobel
- Robert Wagner
- Ken Weddig
- Ron Will

As you can see there is some great potential here for some good old fashioned pig-kissing rivalry, but, of course, we will need some more nominations before July 31. We have some potential for another one or two tag teams, but we sure could use a few more candidates from the other restaurant/ tavern businesses. My guess is that Kissy, Wise-guys and K-Town Saloon are starting to fee! pretty left out. Let's try and help them out this week!

Remember... **NOMINATIONS CLOSE WEDNESDAY, JULY 31.** The form can be found at the bottom of this page or picked up at the Kewaskum Statesman or St. Francis Bank.

Kids on Stage At UWWC

West Bend -- Fast-paced theater games, hysterical improvisations and stage movement are designed to inflame the imagination of the young actors at the On Stage class sponsored by the Continuing Education Department at the University of Wisconsin Washington County.

Students will improve stage presence and confidence, learn and practice stage techniques through character interaction; they'll build agility and economy of movement and experiment with ad libbed dialogue, story building, character development, timing and visual composition.

A showcase of presentations for family and friends on August 16 at 11:00 a.m. concludes the week's activities.

This On Stage class for 1st through 10th graders will be held from 9:00 a.m. - noon, August 12-16. The fee is \$150.

Moraine Park Students Have Strong Showing in Culinary Competition

Eight students in the Culinary Arts program at Moraine Park Technical College received medals at the 2002 Wisconsin Restaurant Association's (WRA) Student Hot Plate Competition.

Moraine Park was the only college at the competition that had all of their student competitors receive medals. Students earning gold medals were Melissa Weber of Princeton, Gregory Voight of Ripon, Cynthia Ernest-Kirika of Brownsville and Dean Molloy of Fond du Lac. Silver medal winners were Katie Jastrab of Slinger, Sandi Vrana of West Bend, Brett Muellenbach of Sheboygan and Josh Gellings of Campbellsport.

Molloy also tied for second place in the competition

of the 105 entries rating in the final judging. His piece was awarded a perfect score by at least one judge.

Using veal as their entree, competitors presented beautifully plated meals that were judged by experienced chefs from around Wisconsin. Judges used a 100-point scale to evaluate each plate and awarded gold, silver and bronze medals to the top ranking entries. Pieces are awarded points based on difficulty of work, composition, quality of aspic and overall presentation.

"I could not be more impressed with this group of students," said James Simmers, Moraine Park culinary arts instructor and team coach. "These awards did not come easily. Many of them worked 12 hours or

more preparing their plates, not to mention the hours of planning. They worked very, very hard and have truly earned this recognition."

Over 100 student competitors from eight Wisconsin technical colleges entered the competition, which was held in April at the WRA annual convention in Milwaukee. This event is part of Host MidwestExpo, which is the largest food service industry trade show in Wisconsin.

Our country is a spiritual thought that is in our minds. It is the flag and what it stands for, it is its glorious history, it is the fireside and the home.

Washington County Fair Receives Security Training

The Washington County Fair, July 24-28, has tightened the focus on security this year, in light of universal concerns for public safety. One aspect of security planning involved sending Sandy Lang to the International Association of Fairs and Expositions Annual Convention in December 2001 and the Zone 4th annual meeting.

Lang attended a presentation by William Rathburn, whose detailed presentation on "Security Considerations," outlined preparation, planning and prevention steps to help make this fair a safe event. He discussed how the world has changed since Sept. 11, as well as that day's effect on security. Rathburn talked about dealing with specific security issues, including bomb threats, suspicious items, the threat of weapons of mass destruction, vehicle concerns, air space vulnerability, mail and other deliveries, evacuations and weather emergencies. When sealing with security, Rathburn stressed the need to get as much assistance as possible, test security plans with exercises, and remember that security is like a chain - only as good as its weakest link.

While at the convention, Lang also had the opportunity to lean from James DeLoretto, president and CEO of Starplex Corporation and its subsidiary Management Services. In his discussion on security, DeLoretto discussed issuing security credentials to service vehicles and coordinating security activities with local law enforcement. He also talked about physical characteristics of individual fairgrounds that have to be considered in the efforts to make the premises secure.

Lang also attended the IAFE Zone 4 meeting in Minneapolis, MN in April where workshops were presented on establishing a documented emergency management plan and enhancing security. Lang learned the different categories of emergencies and how to handle each one. Also discussed was the purpose of

developing an emergency management plan, as well as who should be involved in the development and other pre-planning steps.

It is our goal at the Washington County Fair to deliver the most enjoyable experience possible, and we know that this can only be achieved by keeping safety, as well as entertainment, foremost in our plans.

We want our guests to enjoy themselves at our fair, knowing that, should the unthinkable happen, we'll be prepared.

KEWASKUM SCHOOL NEWS

Third Grade Reading Scores Strong on Statewide Test

MADISON - State Superintendent Elizabeth Burmaster announced that 74.1% of third-grade students scored in the two highest proficiency categories on the 2002 Wisconsin Reading Comprehension Test. "Reading comprehension is a fundamental skill for further academic achievement and the vast majority of our students did quite well on this year's test," she said.

73.4% of third graders in the Kewaskum School District scored proficient or advanced. This number is based on 106 students.

At Farmington, where 24 students were tested, no students received minimal scores, 3.8% received basic scores, 76.9% were proficient and 11.5% were advanced.

At Kewaskum Elementary, 62 students were tested and 7.7% received minimal scores, 21.5% received basic scores, 60.0% were proficient and 6.2% were advanced.

At Wayne Elementary, 17 students were tested. No students received minimal scores, 16.7% were basic, 44.4% were proficient and 33.3% were advanced.

While 2002 scores represent a very slight decline from the previous year, Burmaster stressed that the five-year trend shows good performance and steady improvement toward the state's reading goals. "Our goal is for all third-graders

to have the reading skills to score in the proficient or advanced levels," Burmaster said. "Scores on the Wisconsin Reading Comprehension Test move up or down slightly from year to year, but the gains we see over time tell a story that supports our emphasis on reading in the early grades."

Of the 57,259 public school third-graders who took the 2002 Wisconsin Reading Comprehension Test 74.1% scored proficient or advanced compared with 76.5% who scored in the top two proficiency levels last year. Another 13.9% of students scored in the basic proficiency level, 5.5% scored at the minimal level and 6.5% of all students enrolled were not tested. Five years ago, 9.3% of all third-graders did not take the test and 64.8% scored in the top two proficiency levels.

Burmaster noted that a preliminary analysis of reading test scores for the 30 schools that have been a part of the Student Achievement Guarantee in Education program since its inception shows steady gains on averages between 1998 and 2002. "We know that SAGE makes a difference in the academic achievement of students in those schools," she said.

"Early learning opportunities that include smaller class sizes in elementary

grades, a focus on rigorous reading instruction, and devotion to quality teaching throughout a student's academic life are major parts of the formula to raise academic achievement for all students," Burmaster said.

Wisconsin Reading Comprehension Test results show that there has been a general upward trend in the percentages of students in the combined proficient and advanced categories for all ethnic groups. The percentage of Asian students scoring in the top two proficiency levels jumped 21% over five years, followed by American Indian students, up 17%. African American and Hispanic students posted gains of 3% and 4% respectively. The percentage of white students in the top two proficiency levels increased 10% over five years.

In 2002, 57% of students from low-income families scored proficient or advanced compared to 82% for students who do not come from economically disadvantaged families. Over five years, the achievement gap between low income and wealthier students held steady despite a 2.6% increase in the percentage of needy third-graders enrolled in Wisconsin public schools. School districts with the highest concentrations of students in poverty (50% or more) have 26% fewer students scoring profi-

cient or advanced than districts that have less than 5% of their students coming from needy families.

"Our New Wisconsin Promise seeks to close the gap in achievement between children of color and their peers, between students from low-income families and those whose families face fewer economic challenges," Burmaster said. "With more needy children entering our schools, it is vitally important that we invest in the early learning opportunities that will help all of our students achieve to high academic standards. It is unacceptable for economic or racial/ethnic status to be barriers when it comes to learning and achieving in school."

Wisconsin's long-standing effort to include more students in statewide testing is showing results. Over the past five years, the percentage of students who take the Wisconsin Reading Comprehension Test increased for the total population as well as for students who are limited-English proficient, have disabilities, or are economically disadvantaged. Also, more students across all racial and ethnic groups, with the exception of Hispanic children, are taking the test.

"There are one and one-half times as many students whose native language is not English in our schools today than there were five years ago," Burmaster noted. "We are seeing positive trends in more students taking statewide tests and scores moving toward our reading goals. We must ensure that every student has access to high-quality reading instruction delivered by a caring, committed teacher."

The statewide reading test was administered to public school third-graders in March. Results reflect

responses to 62 multiple-choice and two short-answer questions based on three reading passages. Under state law, the 3,368 students who scored in the minimal proficiency level on the Wisconsin Reading Comprehension Test must be evaluated to determine if they need remedial reading or other services.

On the 2002 test, 351 schools had no students scoring in the minimal proficiency level, and 562 of those schools had all of their third-graders scoring in the proficient and advanced levels. Of all test-takers, 1,626 students (2.8%) earned all 67 reading comprehension test points. The statewide average score was 54.6 points out of a possible 67 points on the reading comprehension questions.

Burmaster cautioned against judging a school or an entire school district based on the results of one test given to third-graders. "The vast majority of our third-graders demonstrate very good reading achievement. These test scores give us valuable information about how our students are doing and where we should focus our efforts to improve academic achievement. Our investments in early learning, including SAGE, and our support for strong reading instruction will help close the achievement gap and ensure that all children gain the academic foundation and skills they need for a successful future."

The Sad Statistics of Starvation

Swiss Air Flight 111 crashed off the coast of Nova Scotia on September 2, 1998 leaving no survivors. News of the tragic loss of life rippled worldwide and was followed by an immediate outpouring of compassion for both the victims and their loved ones left behind. Hearts were deeply moved.

America is an enormous frosted cupcake in the middle of millions of starving people.

-Gloria Steinem

Just prior to this, the latest starvation statistics were ready to be released in the "Seventh Annual Report on the State of World Hunger." The editors decided to translate their figures into airline disaster criteria in an attempt to get people's attention as to the reality of this ongoing tragedy called hunger. Well, they got mine.

Here are the facts: 34,000 children under the age of five die every day from hunger. That equates to more than three 747 airliners, each holding 430 children, crashing every single hour of every single day year-round...and leaving no survivors.

Am I my brother's keeper? Absolutely!

-James McNeil, Age 17

Those statistics, recorded in the "Annual Report on the State of World Hunger," reached me at the same time news of the Swiss Air Flight tragedy did, and my heart was among the countless deeply moved. For everyone.

Local Girl Scouts Keep Busy

Courtney Krueger and Jennifer Beiswenger, front, left to right and Samantha Rick, back, search for animal habitats at Camp Manitou, Shoto this past spring. The girls were there to earn the Eco Explorer Brownie Girl Scout Try-It. At this workshop the girls studied how plants and animals live together in the environment. Girls also received a birdhouse kit and built a wren house to take home.

The sixteen Girl Scouts in troop 119 Kewaskum decided to use a portion of their troop cookie sale proceeds to purchase food from the local Piggly Wiggly to donate to the local food pantry.

Dieringer Family Reunion Aug. 4

There will be a hot time in the old town hall on Sunday, August 4, for the Dieringer families.

All relatives of the Sigmond Dieringer family, including Henry and Andrew branches, along with the Straub, Kahut, Monday, Haug, Suchy, Ruhnke and Puhls, etc., are invited to this reunion.

Pictures, antiques and other memorabilia will be shared, as well as stories of the past. Loraine Seibel will have updates for the reunion books and Jim Wittman has a new computer version that you can order.

All attending will wish the long lost kin a hearty greeting at the potluck dinner at the air-conditioned Auburn Town Hall located three miles north of Kewaskum on Highway 45 on August 4 at noon.

Families are asked to spread the news to their offspring and locate and notify relatives so they can join in the reunion. Please bring a dish to pass, your own table setting and beverages. Donations for the use of the hall will be accepted.

My Views and Goals

My Views

I have farm land and rental properties an known first hand about unnecessary government regulations, and being suffocated by paper.

My Goals

- > Reduce the amount of government in your family farm and small business.
- > Reduce property taxes so that residents can continue to reside in Wisconsin after they retire
- > Promote truthfulness and personal accountability for all elected officials
- > Affordable health care and prescription drugs and medications
- > Merit pay for teachers, reward our good teachers and provide a quality education for our children.
- > Death penalty for those caught in the act and premeditated murders, instead of sitting out their sentence with the best food and medical care money can buy compliments of us taxpayers
- > Non-violent correctional facility inmates who voluntarily and successfully participate in Job Skills and Career Training should have reduced sentence incentives to reduce overcrowding and taxes
- > Voter identification - either drivers license or a State I.D. card required.
- > I support the right to keep and bear arms, which also includes a concealed carry permit, (*state training required*) that has proven to greatly reduce crime in the 31 other states where it has been implemented.

I could say I will cut taxes and spending but I can't do it alone, this is a team effort and requires the cooperation of all.

If you think as I do, your vote for me on September 10th in the primary is extremely important, as again on November 5th in the General Election.

Village Board Meeting Minutes

Mid Monthly Meeting
June 17, 2002
8:00 p.m.

The Village Board of the Village of Kewaskum, Washington County, Wisconsin, met in Regular Session in the Council room of the Municipal Building, 204 First Street.

President John D. Kenworthy presided. All Trustee Members were present. A quorum was present.

The meeting was opened with a Moment of Silence and the Pledge of Allegiance.

On a motion by Trustee Kevin Scheunemann, seconded by Trustee Larry Ammel and unanimously carried by voice vote, the minutes of the June 3, 2002 meeting were approved as printed.

A public hearing took place on the request of RAMKO LLC for the rezoning of 1557 Stark Street or 529 Wil-A-Be Lane, Lot 18 of proposed preliminary Plat of Homestead Hollow of the Village of Kewaskum, Wisconsin as noticed. Village Attorney Gerald Kiefer was present as was Brian Kober, spokesperson for the developers. Fourteen (14) property owners from the village were present. The area immediately around the proposed development has in excess of forty eight (48) properties. Mr. Brian Kober explained to the Village Board and those in attendance, what they were trying to achieve by requesting the rezoning of the one lot from R-1 to R-2. It was noted the area adjacent to the lot is currently zoned R-2 and that the major difference between R-1 and R-2 Single Family residence District is the lot size requirement being 10,000 sq. ft. versus 7,200 sq. ft. The set back requirement is 5 feet more in the R-1 zoning (30 feet versus 25 feet) and the minimum for a home in the R-1 zoning is 1,200 sq. ft. versus 1,000 sq. ft. in the R-2 zoning. The side yard and rear yard requirements are identical.

Mr. Kober prepared some examples of what would be able to be built on the lot if rezoned. The examples reviewed concurring with the recommendation that the driveway be located on Stark Street and that the front of the home be located on Wil-A-Be Lane reflect an identical setback as those homes currently adjacent to this lot and reflect a rear back yard from 25 feet to in excess of 35 feet. The side yard was noted to be at least 7 feet which is identical to all new construction be it R-2 or R-1 zoning. The home examples as reviewed have a square footage from 1,200 to 1,400 plus square feet, well over the 1,000 square foot minimum required under the R-2 zoning. A letter from the Village engineer was also reviewed which recommends the proposed change. Four (4) of the area property owners spoke against the zoning for a variety of reasons; the main reason being wanting more green space. After a considerable amount of discussion on a motion by Trustee Kevin Scheunemann, seconded by Trustee Larry Ammel and carried by the majority roll call vote to close the public hearing. Roll call was 7 "Aye" 0 "Nay" 0 "Absent".

On a motion by Trustee Larry Ammel, seconded by Trustee Kevin Scheunemann and carried by the majority roll call vote, the Board suspended the rules to take action on IX New Business items. A. Discussion and action on Ordinance No. 2002-08 and D. Review of the subdivision/developer's agreement for Homestead Hollow as well as review of the final plat. Roll call vote was 7 "Aye" 0 "Nay" 0 "Absent".

Discussion was held on the possible rezoning of Lot 18 of the preliminary plat or Lot 17 from the final plat. The Village Board asked several additional questions. It was noted the Village Engineer stated the driveway access for the lot should be off of Stark Street. It was noted that paragraph two of the Ordinance reflected a noted recommendation from the Plan Commission that was incorrect. Also that the Ordinance should reflect lot 17 versus Lot 18. On a motion by Trustee Andy Pesch, seconded by Trustee Kevin Scheunemann and carried by the majority roll call vote, the Board approved Ordinance No. 2002-08, An Ordinance to Amend the Zoning of the Village of Kewaskum as attached with the earlier noted changes. Roll call vote was 7 "Aye" 0 "Nay" 0 "Absent".

Discussion was held on the changes made to the subdivision/developer's agreement and the letter received by the Village Engineer indicating the Board should wait to approve the final plat and agreement until the easements and other points are resolved and noted on the final plat. (No action was taken)

Fire Chief Mark Groeschel was absent and did not have anything for the Board.

Police Chief Richard Knoebel presented the May 2002 report:

Criminal Arrests	28
Criminal Investigations	37
Traffic warnings	98
Traffic citations	38
Adult arrest	41
Juvenile arrests	19
Property stolen	\$2,048
Property recovered	\$90
Parking warnings	12
Parking tags	39

Director of public Works Jerry Gilles reviewed the following:

- The board was informed that three quotes for the exterior coating of the clarifier covers were received as follows:
 - Crane Engineering Sales, Inc. Kimberly, WI \$7,200
 - Fiberglass Laminators Company, St. Paul, MN \$8,000
 - TMI Coating, Inc. St. Paul, MN \$18,575

On a motion by Trustee Kevin Scheunemann, seconded by Trustee Larry Ammel and unanimously carried by voice vote, the Board authorized said work to the low quote of Crane Engineering Sales, Inc. Kimberly WI at a cost of \$7,200.

2. The "Water Quality Report of 2001" (CCR) was reviewed. The report indicates the Water Utility was well maintained and ran in compliance to better than DNR standards.

3. The Board was informed work has begun on the open-air shelter at the KKCP northeast diamond.

On a motion by Trustee Kevin Scheunemann, seconded by Trustee Mathew Heiser and carried by the majority voice vote, the Board approved the issuance of Operator's Licenses for 2002/2003 upon proper payment of fees and documentation for the following people listed: (Trustee Thomas Piwoni abstained on the vote.)

Administrator Daniel S. Schmidt reviewed the following with the Board:

1) Review League and Taxpayer bulletins.

2) Reported on a request of the Campbellsport VFW to allow the sale of poppies at the July 3rd Fireworks celebration. On a motion by Trustee Andy Pesch, seconded by Trustee Robert Stoltzmann and unanimously carried by voice vote the Board declined to grant approval for the sale of poppies by the Campbellsport VFW.

3) Review of correspondence.

Trustee Mathew Heiser, Chairman of the Park & Recreation Committee report on the request of waiving the ball diamond reservation fee for the Sabish Memorial Ball Tournament for July 19-21, 2002. On a motion by Trustee Robert Stoltzmann, seconded by Trustee Thomas Piwoni and unanimously carried by voice vote, the Board waived the fee on the fact the tournament generates funds being donated to park improvements in excess of the cost of the fees waived.

Board representative for the Plan Commission, Trustee Andy Pesch announced a scheduled meeting for Tuesday, June 25, 2002 at 7:00 p.m.

Board Representative of the Library Board, Trustee Mathew Heiser reported on the following:

- The Library Board is anticipating a \$700 grant to help weed through the books in the collection for disposal.
- The Board was told that in excess of 100 children have signed up for the Summer Program. This helped to increase the number of new cards issued by 30.
- The Library Director will be holding 3 additional computer classes shortly because of the good response in spring.

On a motion by Trustee Kevin Scheunemann, seconded by Trustee Thomas Piwoni, carried by the majority roll call vote, the Board approved the Special Picnic/Gathering License and Temporary Special Class "B" Retailer's License for the July 3rd 2002, for the 4th of July Celebration and the Kewaskum Fire Department. Roll call vote was 7 "Aye" 0 "Nay" 0 "Absent".

On a motion by Trustee Kevin Scheunemann, seconded by Trustee Thomas Piwoni and unanimously carried by voice vote the Board approved Patrick Schmitt as the agent for the aforementioned.

On a motion by Trustee Andy Pesch, seconded by Trustee Robert Stoltzmann, carried by the majority roll call vote, the Board approved the Special Picnic/Gathering License and Temporary Special Class "B" Retailer's License for the August 24, 2002, at River Hill Park for Holy Trinity Social Fest. Roll call vote was 7 "Aye" 0 "Nay" 0 "Absent".

On a motion by Trustee Kevin Scheunemann, seconded by Trustee Larry Ammel and unanimously carried by voice vote the Board approved Mark Herriges as the agent for the aforementioned.

Mr. Anthony Bonnett a candidate for the 59th State Assembly District was present to introduce himself to the Board.

Motion by Trustee Larry Ammel, seconded by Trustee Thomas Piwoni and carried by the majority roll call vote, to adjourn. Roll call vote was 7 "Aye" 0 "Nay" 0 "Absent".

What may be a record crowd for Kewaskum attended the annual picnic and parade sponsored by the fire department and American Legion Post Saturday night and Sunday. The streets were jammed all along the line of march for the parade Sunday noon, which was one of the best held here in a long time. The surprisingly large crowd on Saturday night kept the various amusement and concession stands operating until almost 1 a.m. Prize winners in the parade were as follows: Children's bike and trike - 1. Tommy Bartelt; 2. Jimmy Marx; 3. Donna Ewert. Children's floats - 1. Marvin Schaefer children; 2. Kay Dorn; 3. Nancy and Colleen Held. Commercial floats - 1. Miller's Furniture; 2. "Jimmy" Miller's Tavern; 3. L. Rosenheimer.

Two new heavy-duty two and three-plow general-purpose tractors, the John Deere Models "50" and "60" are being announced Saturday, July 19, by L. Rosenheimer. At the announcement day, which includes the first public showing of the Model "60," Henry Rosenheimer and Carl Backhaus of L. Rosenheimer will announce that these new tractors replace the Models "A" and "B" in the John Deere line. Among the major advancements featured on the new tractors, L. Rosenheimer listed duplex carburetion, "live" power shaft, "live" high pressure Poyr-Trol, quick change wheel tread, effortless steering and new, more practical styling. The new Model "60" is on display at L. Rosenheimer.

In Land O' Lakes Northern Division baseball action, Kewaskum's Killy Honeck shut out Newburg here Sunday in a three-hitter while he and his mates were pounding two opposing pitchers for an 11-0 score. The victory avenged an early season 6-5 setback at Newburg which cost Kewaskum a current second place tie. The win kept the Chevrolets in third place, a game behind Grafton.

Thursday will be entry day for the 95th annual Washington County Fair to be held on the county fairgrounds at Slinger, July 24-27. It will again operate as a free fair, with no admission charge and plenty of free parking space.

A daughter was born to Mr. and Mrs. Harold Bath, Route 1, Kewaskum, on July 12. Mr. Bath is serving with the army overseas.

Twin sons were born to Mr. and Mrs. Allen Reindl, Kewaskum, on July 15. The Reindls have two other

sons.

A son was born to Mr. and Mrs. Donald Giese of Route 3, Campbellsport, on July 16.

Steven M. Fickler, a young Boltonville man, was killed late Tuesday night in a one-car accident at the "T" intersection of North Paradise Road and State Highway 28 in the Town of Farmington, east of Kewaskum.

A milk truck driver, Bradley P. Lukens, 20, of Cedar Grove, was killed in a one-vehicle accident early Saturday on State Highway 28 near St. Kilian Heights Road, west of Kewaskum in the Town of Wayne.

A train-truck accident south of Campbellsport Wednesday morning sent the driver of the truck, Duane Streaun, 24, of Campbellsport, to the emergency room at St. Agnes Hospital in Fond du Lac. Streaun was reported in serious condition according to the squad which took him to the hospital.

Three men were injured, one of them critically, in a two-car accident last Wednesday on County Trunk H near Townline Road, several miles west of Kewaskum. Richard R. Bonenfant, 43, of Campbellsport, was reported to be in critical condition Thursday morning at Milwaukee County General Hospital. The driver of the other car, Gary M. Linzo of Kewaskum, reportedly sustained head cuts and a hip injury. Douglas W. Krull, of Green Bay, a passenger in Linzo's auto was in stable condition.

The Kewaskum High School Class of 1917's 60-year reunion was attended by the three remaining members, August Bilgo of

Kewaskum, Ralph Schaefer of West Bend and Mrs. Jack (Lorinda Schaefer) Tessar of Kewaskum. Guests included Mrs. Louis (Corrine) Opgenorth, Kewaskum, whose late husband was a member of the class; Arthur Guenther, Sr. of Cedar Lake Home, formerly of Campbellsport, whose late wife Mae (Raether) was also a member of the class, and Maryann Gruber, a friend of Mr. Bilgo's. Besides the above mentioned, the Class of '17 included Harry Schaefer, Hulda Quandt Schowalter, Leo Marx, Pearson Brown (killed in World War I), Louis Opgenorth and Mae Raether.

Bonnie Schmidt, daughter of Mr. and Mrs. Marvin A. Schmidt of rural Kewaskum, and Kurt Zarling, son of Mr. and Mrs. Richard Zarling of Kewaskum, have

been chosen as Kiwanis students for the month of May.

A daughter, Andrea Leigh, was born to Kenneth and Sandy Bonlender, Kewaskum, on June 11. Paternal grandparents are Mr. and Mrs. Ervin Bonlender of Kewaskum, and maternal grandparents are Mr. and Mrs. Merlin Zimmel of Mayville.

BUSINESS NEWS

The Little Folks School House Proves to be Top Notch Daycare

Back in September 2001, Dodie Sargent, administrator of the Little Folks School House applied to and was accepted into the Quality Enhancement Grant Program in Washington County.

Washington County has 32 State Licensed Child Care facilities. Out of these 32, Little Folks, along with 20 other centers, applied. Each of these 21 centers received a \$2000.00 materials grant. The next step was to have a Harmes, Clifford and Cryer Early Childhood Environment Rating scale (ECERS) program assessment completed.

Based on this assessment, the top ten scoring centers were awarded an additional \$3000.00 grant. The Little Folks School House not only made it into the top ten, they scored the HIGHEST in Washington County.

The ECERS is an assessment tool which looks at and

evaluates seven different areas including Space & Furnishings, Personal Care routines, Language & Reasoning, Activities, Interaction, Program Structure and Parents & Staff. Within these seven sub-scales, there are 43 items which are scored.

As part of this grant program, Little Folks School House has agreed to develop a quality enhancement plan and meet Monthly with Kristen Finnel, Associate Dean, MPTC and other Directors to share quality enhancement successes.

The Little Folks School House, located on the corner of Highway W & H, opened in July 1997. They have established and maintained a safe and healthy learning environment. They have been successful in operating a purposeful, well run program responsive to participant needs.

Children served are 6 weeks through 13 years.

The infants and toddlers are separated from the preschool group. The schoolage group is offered care before and after school, as well as a full summer program.

The children currently enrolled in The Little Folks School House come from many areas. The range includes Wayne, Kewaskum, Mayville, Lomira, Campbellsport, Allenton and West Bend.

Anyone interested in enrolling their children in this top-notch day care should contact Dodie Sargent at 626-4023.

West Bend Clinic Adds Endocrinology Specialist and Physician

Diana L. Maas, M.D.

The West Bend Clinic, a member of SynergyHealth, announces the addition of endocrinology to the specialty services currently offered. Diana L. Maas, M.D. joins the West Bend Clinic staff in July.

Maas specializes in endocrinology. This specialty deals with disorders of the endocrine glands including thyroid, adrenal and pituitary glands, calcium problems, osteoporosis, certain reproductive problems,

and diabetes.

She has an extensive background in hospital, clinic, administrative and faculty appointments. She holds hospital staff privileges at Froedert Memorial Lutheran Hospital and Clement J. Zablocki Veterans Administration Medical Center, both of Milwaukee, and at St. Joseph's Community Hospital in West Bend. Since 1991 she has served as Assistant Professor in the Department of Medicine for the Medical College of Wisconsin, and was recently promoted to Associate Professor. From 1996-2000 she was appointed Clinical Champion of Clinical Informatics and Chair of the Medical Informatics Committee with the Clement J. Zablocki Veterans Administration

Unhuggables

The Friends of the Kettle Moraine Saturday Evening Events is proud to present "The Unhuggables" with David Stokes. The program will be held on Saturday, July 27, from 7:30 p.m. to 9:00 p.m. at the Henry S. Reuss Ice Age Visitor Center.

The Ice Age Visitor Center is located off of Hwy 67 1/2 mile west of Dundee. The program is free, but donations are always gratefully accepted.

What are unhuggables? They are those creatures you would rather not hug like spiders, snakes, toads and bats. The ones most people don't love.

Through David's infectious enthusiasm, you will be introduced to these extraordinary animals. He will explain their roles in nature and how they help keep the web of life strong and vital. You may even have an opportunity to meet some live unhuggables.

If you are not careful, by the end of the night you may just change your mind about some of nature's unhuggables.

David Stokes is the National Association for Interpretation's informal educator of the year for 2001. He uses songs, stories, riddles, hands-on activities, live animals, animal artifacts and humor to educate folks of all ages. His love of nature and his enthusiasm are contagious, so come for a fun-filled evening you are sure not to forget.

For further information or directions to the Ice Age Visitor Center, please contact the forest staff. They may be reached at (920) 533-8322, Monday through Friday, 8:30 a.m. to 4:00 p.m., or Saturday and Sunday, 9:30 a.m. to 5:00 p.m.

2002 Kewaskum High School Athletics Golf Scramble on Friday, August 2

In an attempt to raise funds to support the sports programs at Kewaskum High School, the Third Annual Kewaskum High School Athletic Golf Scramble will be conducted at Hon-E-Kor Golf and Country Club on Friday, August 2 with tee times from 2 to 3 p.m. This annual athletics golf outing is intended as a means to provide financial support for Indian athletics as well as a friendly and enjoyable social event.

Your participation is encouraged and will benefit student/athletes of the Kewaskum School District. Currently the organizers of this year's event are recruiting (in need of) more golfers, hole sponsors and raffle prizes. Even nongolfers may get involved by purchasing tickets for the steak dinner, raffles and attending the awards/prize presentation.

Event organizers ask that golfers and hole sponsors register or submit their forms and monies by July 29th. Anyone interested may do so by contacting Dennis Butz at Smith Insurance Agency at 626-2277 or Assistant Golf Coach Scott Rohlinger at 626-2332. Forms (found within this publication) can be turned into head boys golf coach Glenn Eichstedt at the KHS office as well.

The format for the 2002 KHS Athletics Golf Outing will once again be a scramble. The scramble format has been well received by both experienced and novice linksters alike. Scrambles have traditionally improved the speed of play and added to the enjoyment of the contest overall. Each member of each foursome must contribute at least one drive, one approach shot and one putt per nine.

Tee times for this year's event conducted on the red and white nines will be from 2 to 3 p.m. After checking in at the Pro Shop, all foursomes will start with a Sportrait taken by Kevin Stautz of Hollywood Studios and conclude with a steak fry dinner catered by Woody's Steakhouse. The dinner is scheduled for 7:30 p.m. at the American Legion Hall due to Hon-E-Kor's weekly fish fry held at the Country Club.

You may enter your group or as an individual to be paired up with other supporters of KHS Athletic programs. All participants will be considered honorary alumni of KHS, unless your group has at least one Kewaskum graduate or distinct staff member involved in the scramble.

The cost for this year's outing is \$80 per person, unless you are a member of Hon-E-Kor Golf and Country Club, then it will be \$50. The entry fee includes 18 holes of golf with a power cart, hole events, blind

bogey, refreshments, catered steak dinner, raffle tickets and prizes. The lowest scoring foursome(s) will receive engraved plaques, gift certificates and honorary golf team shirts.

Besides the numerous hole events, Smith-Hatch Insurance Agent Dennis Butz has sponsored several cash prize packages up to \$5,000 for Hole-in-One contests again this year. Other individuals or area businesses can sponsor holes (\$50) or hole event (\$25) prizes too. If interested contact Scott Rohlinger (626-2332) or Glenn Eichstedt at Kewaskum High School office.

Other options may include the Alumni Challenge, Skins Game, Bag of Mulligans, Various Raffles and Athletic Memorabilia Auctions. Raffle tables will boast a variety of donated prizes, such as, a new beginners set of clubs and bag, athletic equipment and clothing. But your best bet would be to partake in the delicious steak fry catered by Woody's starting at 7:30 p.m. and attending the Awards Program that follows.

Anyone who would like to attend the steak dinner, raffle prize presentation, athletic auction and awards program may do so by purchasing tickets (\$20) at the KHS office, Smith Insurance Agency and at Woody's Steakhouse. The dinner entree includes a choice of potatoes, salads, vegetables, rolls and refreshments at the American Legion Hall.

Remember, the proceeds

from this annual golf outing and dinner will be used to provide financial support for ongoing school district athletic programs. Monies have been committed to new weight room equipment, golf team rain gear and needs of each sport respectively. All checks should be made payable to either KHS Athletics or the Kewaskum Athletic Association. Previous participants and (alumni challenge) scramble winners (classes of 1982 and 1973) look forward to seeing some new challengers and diners at this year's athletic outing.

Lets all raise a little funds in the name of our alma mater!

Mississippi River Rats

Hello friends,

A large part of my past, and I hope my future, has taken place on the Mississippi River.

Last week, my family spent six days camping on an island five miles south of Treampealeau. Just like the first time I camped on one of the big river islands 30 years ago, I was blessed with an excellent experience.

Saturday, July 6 High 92, Low 65

Six days of camping on an island with four kids, two adults and a mother-and-daughter golden retriever team is guaranteed to create an abundance of experiences. Yesterday, with all six of us in the boat, we had a heyday while fishing.

This morning, I taught my 10-year-old stepson how to fillet fish. Travis is a workhorse, I found out today, a natural with a fillet knife.

When I was a kid, my ability with a knife kept me from having to wash dishes on camping trips. It will be a relief to my workload, especially when Laurie is not along, if Travis can be the meat maker in the camp.

The view we have from the camp is to the west and of the state of Minnesota. Steep bluffs line the shore. Riverboats pushing barges north loaded with grain and coal pass by about once an hour. Until this trip, I don't think the boys were aware of what a riverboat was.

Back in 1980, at age 18, I took a job as a deck hand on The Universal Trader. The Trader pushed oil and gasoline from New Orleans to Louisville, Ky.

This week, I taught the family everything I could about the way of life on board a riverboat and remembered some fantastic memories. If you have a boy that you want to make into a man, get him a job as a deck hand on the river.

Our camp is a lazy one. We go to bed and get up when we want. On trips like

this, my 18-month-old daughter hates taking naps. Most nights, when we hit the rack and fall asleep, she looks out of the screen window of our new tent at the riverboats, moon, stars, distant fireworks and whatever else could occupy her young mind. Without a doubt, she has more hours in her candle than anyone else in camp.

Due to high water and dead falls, shoreline walks are not a part of this outing. Poison Ivy covers 100 percent of the of the island except for a 200-foot section of sand that we call home. By the fourth day of the trip, Joey, Laurie and Kevin have the dreaded itch.

Fishing was a daily part of our lives, but this week, with the high temperature averaging 92 degrees, living in the water also became a favorite pastime. Football, wading and becoming better swimmers were at least as much fun as baking in a boat while trying to catch fish.

Monday, we broke camp. Instead of making two trips five miles north to the dam, we tried to make it in one. Six humans, two dogs and as much gear as possible were loaded into the 14-foot Kingfisher.

I tied both canoes abreast each other and loaded them heavy to the rear and began our journey. The mid 1970s 25-horse Johnson labored hard, overheated once, and after a 20-minute cool off, brought the gang back to the landing.

Before we know it, each of the kids will graduate from high school and fly the coop. Whatever they do with their lives will be their choice.

The choice Laurie and I have made until that time is to share as many outdoor experiences as possible with them. I hope, like I did with my dad, we will continue these family traditions for the rest of our lives.

Stay active!

KEWASKUM INDIANS SPORTS

Indians Take Split In Double Header

By Kyle Darmody
Student Reporter

The Kewaskum boys varsity baseball team traveled to Kiel on Friday, July 5 in hopes of snapping their four game losing streak in a double header vs. Kiel.

They were unable to do so in game one as they lost to Kiel by a score of 5-2.

The Indians once again had struggles at the plate as they only collected three hits for the day while leaving nine runners stranded on base.

Adam Hubacek, Justin Rhoads, and Tony Fitts: were the three who collected hits. Hubacek also had a stolen base, and crossed the plate in the first inning for one of the Indians two runs on the night.

In game two the Indians desperately fought to try and stop Kiel from handing them their sixth straight loss. This time however the Indians were successful as they picked up the 8-5 win snapping the five game losing streak and hopefully gaining some momentum heading into the playoffs.

The Indians Tony Fitts went two for four on the day, with a two run homerun in the sixth inning.

Justin Rhoads also went hard as he had a two run homerun in the fourth inning.

Indian pitcher Adam Hubacek pitched seven solid innings for the Indians and while giving up 12 hits he was able to hold Kiel to only five runs.

The Indians then went on to Manitowoc to face Roncalli on Monday, July 8th for another double header.

Rain Causes Game To be Called After Four Innings

By Kyle Darmody
Student Reporter

The Kewaskum boys varsity baseball team traveled to Manitowoc on Monday, July 8, and after playing four innings in game one of what was supposed to be a double header, they were sent home due to rain showers.

But in the four innings of play the Indians did pick up an 11-1 win. Eight of the Indians eleven runs came in the second inning, three of the eight came from a Tony Fitts homerun.

Indian pitcher Matt Hartmann only pitched three innings but was enough to pick up the win in the shortened game.

The Indians then had to travel back to Two Rivers Tuesday night to play Roncalli for the second game of the double header they were unable to finish, and then go on to play Two Rivers afterwards.

Indians End Regular Season On Good Note

By Kyle Darmody
Student Reporter

The Kewaskum boys varsity baseball team traveled up to Two Rivers Tuesday, July 9 to play in a double header against Roncalli and Two Rivers.

In game one, against Roncalli, the Indians had no problem picking up the win as they pounded the Jets with a score of 13-2.

The Indians finally got the offense needed to dominate games by picking up 15 hits, four of which were dou-

bles and one of which was a triple.

Chris Canter had a great day at the plate as he went three for five with a triple and a double, and also picking up four RBIs.

Jake Wilson pitched a solid seven innings while only giving up two runs off of four hits while striking out five.

In game two the Indians faced Two Rivers to close out the regular season. The Indians once again had no problems picking up a win that night as the abused the Raiders and picked up the 16-3 win.

Tony Fitts went hard again for the third time in five games this time with a two run shot.

Adam Hubacek had a good day at the plate as he went three for five with a double and two RBIs.

On defense, Indian pitchers Brady Long and Lee Schacht teamed up to take the win, as the game was called after five innings due to the ten run rule.

After a five game losing streak the Indians have answered with a four game winning streak to close out the regular season and give them momentum heading in the the first round of the state playoffs Friday, July 12th.

The Indians are a four seed and they will be playing in front of a home crowd against Ozaukee at Kiwanis Park with the winner going on to face Campbellsport, a team the Indians have yet to get a win on this season!

Indians Advance to Round Two in Regionals

By Kyle Darmody
Student Reporter

On Friday, July 12th the Kewaskum boys varsity baseball team hosted Ozaukee at Kiwanis park for a first round regional matchup.

With seasons on the line and the Indians trailing 4-3 in the fifth inning, Kewaskum went on to score five runs in the sixth and slip by Ozaukee 8-5 to advance to the second round of their regional.

Chris Canter put the Indians on the board early by hitting a solo homerun in the second inning, but the Indians were still trailing 3-1 until in the fifth inning, where the Indian's Brady Long closed the gap on Ozaukee when he collected

his only hit for the day by going hard for a two run homerun.

From there the Indians took over, scoring five runs of six hits in the sixth while holding Ozaukee to just two more runs.

Matt Hartmann started at pitcher for the Indians and did a great job by going 6 1/3 innings with five strikeouts while allowing five runs.

The Indians then advanced to the second round of the regionals where they faced long time rival Campbellsport, a team who Kewaskum has lost to three times during the regular season.

Campbellsport Dominates as Indian's Season Comes to End

By Kyle Darmody
Student Reporter

The Kewaskum boys varsity baseball team traveled to Campbellsport on Tuesday, July 16th to face the Cougars in the second round of the regionals to determine who would advance and who would stay home.

Well the Indians experienced the downfall to the playoffs, as they were knocked out by losing to Campbellsport 10-1.

The Indians had lots of problems getting the offense going against Campbellsport pitcher Brad Neuy, as they only collected one hit through seven innings.

The Indians did have defense early as they did turn two double plays, how-

ever all good things have to end and the Indians defense was no exception as they gave up all ten runs in the fourth, fifth, and sixth innings.

Jake Wilson scored the only run for the Indians, off the only hit, which came off the bat of Lee Schacht in the seventh inning.

Hubacek pitched a solid three innings, but was pulled in the fifth after allowing five runs.

With the Indians season over, they lose eight seniors who contributed a lot to their success, they will be missed as the underclassmen continue on their journey for a conference gold and a trip to state in the following season.

XYZ CARD RESULTS

Emergency Care Center

*24-hour board certified emergency physicians
caring for over 16,000 patients this year*

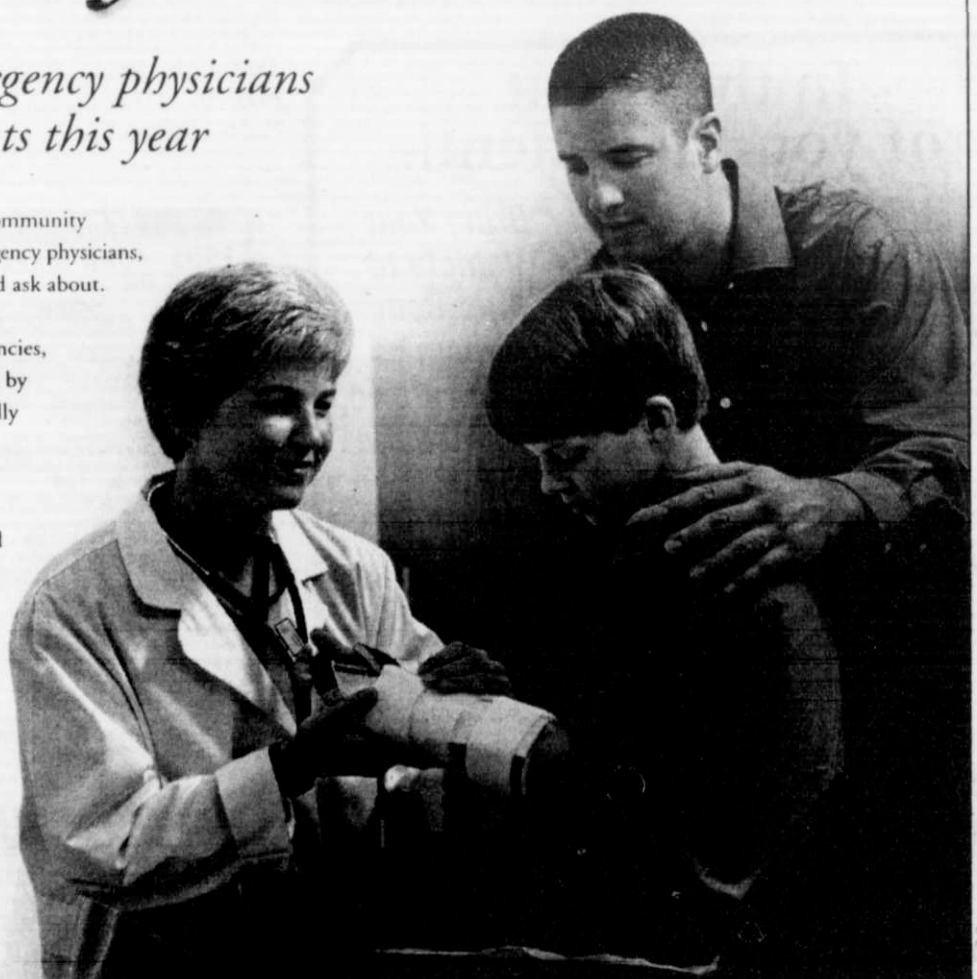

Patients coming to the emergency care center at St. Joseph's Community Hospital can depend on its 24-hour staff of board certified emergency physicians, a distinction that not all hospitals can claim and patients should ask about.

Specially trained in a wide range of adult and pediatric emergencies, the emergency physicians at St. Joseph's are also board certified by the American Board of Emergency Medicine, having successfully completed the board's comprehensive examination of their competence in emergency medicine.

When life's emergencies need expert attention, you can depend on St. Joseph's specialists to provide the care you need.
