Kettle Kountry Kolers In Riverhill Park Oct. 12 & 13

Shown above is a print that is being raffled off at Kettle Kountry Kolers. The print was donated by ArtCentral owned by Dan and Phyllis Schmidt. The print is by Don Kloetzke and is entitled "The Diehards". Two similar prints are available at the ArtCentral Art Studio in downtown Kewaskum.

The Kewaskum Area Chamber of Commerce is again sponsoring its 13th annual Kettle Kountry Kolers family fun festival on Saturday and Sunday, October 12 and 13, in River Hill Park, along the banks of the serene Milwaukee River in Kewaskum.

This year's committee members have spent many hours of planning in preparation of the annual fall festival.

This year's festival has many popular returning attractions, plus a host of new activities, again, at little or no charge!

Making a return along the banks of the lazy Milwaukee River, amid the rich hues of autumn, will be the camps and lodges occupied by the ever-popular Buckskinners. At this teaching encampment, members will gladly explain to you the "tricks of the trade" during the Buck-skinner era. Enjoy browsing through period shops offering clothing, kettle korn, lotions and soaps. Enjoy the sights and sounds of a time that seems forgotten. Both days the Twin Hill String-Band will be again performing along the river at the bottom of the hill.

Children will find lots of fun things to see and do at "The Pig Zone" (special children's activity tent) sponsored by Geidel's Piggly Wiggly. Featured there will be six different children's games, cookie decorating and clowns.

A pumpkin carving contest will also be offered to young and old in the main

craft tent sponsored by Kewaskum 4-H Club and make-it-and-take-it crafts will be offered in the south pavilion both for a small fee. For those that are sports savvy a basketball shootout, quarterback contest, soccer kick-off, paint-ball games and BB gun shoot are activities sure to delight young and old alike.

With its huge response from last year the talent show/lip sync contest will be performed on stage in the south pavilion on Saturday at 2 p.m.. There is a \$5 entry fee and cash prizes will be awarded that day. For more information contact Wendi at 262-626-2428. Also re-appearing is the dunk tank. with proceeds to fund Kewaskum's Christmas Parade.

For your listening pleasure, enjoy the assorted sounds of the live entertainment scheduled throughout the park all weekend.

Sunday begins with a tasty pancake breakfast, sponsored by the Kewaskum Sno-Chief's, served from 8 to 11 a.m., in the south pavilion.

Peace United Church of Christ will sponsor an ecumenical church service at 9:30 a.m. at the gazebo. Bound for Heaven Gospel Quartet will also be playing during their service. Everyone is welcome, regardless of your faith so bring a lawn chair.

Whatever you are in search of, there's a good chance you'll find that special gift item (and one for yourself!)

Bowmar Appraisals To Do Property Revaluation

A property revaluation program, aimed at equalizing real estate and personal property valuation throughout the Village of Kewaskum for tax purposes, will get under way this month. The purpose is to update addendum records to be in compliance with State of Wisconsin full value law.

The Village Board has retained Bowmar Appraisal, Inc. of Appleton to conduct the revaluation. A representative of the Bowmar firm will be interviewing property owners regarding the home interior, construction and will be measuring for exterior dimensions.

Village officials urge local residents to cooperate with the representatives of the Bowmar firm, to insure the accuracy of all appraisals. The Appraisers will carry a

letter of identification authorized by the Village which they will present when they call at the door.

The information collected by the field staff is needed to establish new accurate property records, which when completed each home owner will be notified of their new assessments.

Precautionary Measures Being Taken For Deer Processing at K.F.F.

This news release is to inform customers of precautionary measures being taken at Kewaskum Frozen Foods for this year's deer processing.

Things will be different this year because of the Chronic Wasting Disease scare. Deposits will be required and are payable when dropping off your whole deer or boneless trimmings.

If you process your own deer precautions must be taken. If you want Kewaskum Frozen Foods to process your whole deer or take in your boneless trimmings. **Precautions that will be taken by Kewaskum Frozen Foods will be as follows:**

- All deer will be

processed separately as we have in the past. Sausage **will not** be kept separate.

- We will only accept whole deer with skin on

- We will not accept skinned, quartered, or parts of deer or elk.

- All tested deer will be processed completely separate and unground trimmings will be sent home with cuts. Trimmings can be processed here at a later date.

- Rounds for dried venison or venison ham must be boneless.

- We will cut horns off heads...a bag will be put over the head and securely tightened to avoid contact with any exposed area.

- We will not accept any deer from the Mount Horeb

eradication zone.

- All whole deer and boneless meat **must be accompanied with registration tag or DNR customer number. NO EXCEPTIONS.**

- All cuts will be boneless as in the past. Deer will be boned whole without splitting or cutting any bones.

- All glands will be removed from shoulders, rounds, and neck.

- All tables, knives, etc. are sanitized with a solution of 50% bleach and 50% water. These precautions should also be followed by anyone processing their own deer. Please remember to wear rubber or latex gloves.

The DNR will be testing deer at Kewaskum Frozen Foods the first 2-3 days of the gun season. If the hunter qualifies, there will be no charge for testing.

Registration Set for Youth Basketball Program

The Kewaskum Youth Basketball Program (KYB) is entering its fifth year. KYB is presently established for fifth and sixth grade boys and girls, separate teams for each grade and gender.

KYB plays in a league with communities to the north, such as, Campbellsport, Oakfield, Lomira, and N. Fond du Lac. League play generally begins around late November or early December on Saturdays only. Practices will be scheduled by the coaches of each team.

KYB needs to know how many teams it will be entering in the league this year. In order to establish its numbers, KYB will be holding its annual sign-up and board meeting on Thursday, Sept. 19, in the Kewaskum High School Cafeteria beginning promptly at 7 p.m.

On the agenda is sign-up and information on KYB. Also, there will be an Election of Officers for vacated seats. A parent or guardian must attend!

The cost for first year players will be \$55.00 (\$35 includes jersey + \$20 additional fee). The cost for the students, who participated last year have a jersey will be \$35.00 (\$15 general fee + \$20 additional fee). The new jerseys will have his/her name and number. The additional fee (\$20) will be refunded at the end of the season to the parents or guardians, who volunteer a minimum of four hours at their choice of concessions, scoreboard, or set-up and clean-up.

A final note, Gery Schweder will be finishing his term as KYB President very soon and he will not be returning! He will work with the new president and board members with any transition necessary.

If the board and presi-

dent positions are not filled KYB will not continue! The time commitment is not that much if parents/guardians continue to work as a team. Gery wishes to remind us that its for our kids!

On behalf of all KYB parents/guardians, students and myself, KYB Treasurer, Lisa Stoffel, wish to thank Gery and his wife, Jane for his leadership and commitment to the success of the program and to the kids! Thank you Gery!

Governor Encourages Heightened Alert

MADISON - Gov. Scott McCallum is encouraging Wisconsin residents to continue with their work, school, 9-11 ceremonies and other activities in the next few days but be aware and cautious of their surroundings and report any suspicious activities to local law enforcement.

Citing new threats overseas and the anniversary of the attacks on the Pentagon and World Trade Center, the U.S. Department of Justice today raised the nation's terror assessment level from "yellow," indicating an elevated threat of a terrorist attack, to "orange," or high risk.

"As we approach the first anniversary of September 11, we must remain vigilant of any suspicious behavior, as we have throughout the

last year," Gov. McCallum said. "However, we must go on with our daily activities. September 11 may have changed our nation forever, but to honor those who lost their lives, we must go forward with our own."

Gov. McCallum said the new heightened alert means people should be more aware of their surroundings and report anything that looks out of the ordinary to law enforcement. He said schools, businesses and government will be open. In addition, he encourages local 9-11 commemorations to continue.

Gov. McCallum said the state ceremony, "Moving Forward in Remembrance," will go on as planned at noon, Sept. 11, on the State Street steps of the Capitol in Madison.

Heavy Voter Turnout Is Pleasing the Pig

Rumors have been reaching my ears that this friendly little contest has turned into a revenge-seeking, vindictive adventure. My sources have told me during a friendly altercation at Woody's Steakhouse late Saturday night, a drink was "accidentally" spilled on the owner. And the owner then "accidentally" placed a massive amount of votes in the barrel for the restaurant's favorite son candidate, Ron Jon.

Now this is starting to look like it was all a very good idea. Revenge has come into play and there is nothing finer in a pig-kissing competition of this magnitude. Keep it up Mr. Kleinhans... we'll get Ron Jon into the finals one way or the other!

To give our readers a little biographical information on the infamous Ron Jon, he has worked and studied tediously to become a nurse. He succeeded with flying colors and works for an area hospital, but still moonlights at Woody's. I guess he just can't tear himself away from the "warm and fuzzy" feeling of the Woody's Steakhouse "family" that Ron has adopted, or vice versa.

Now, I'm not talking about Woody's blood family but the restaurant family. You know... Woody, Aggie, Shirley, Dawn, Craig, Kathy, Scott, Toni, Stacey, etc., etc. (don't quite know them ALL by name... yet!)

The question going through everyone's mind, however, is how are we going to make sure Ron Jon will be able to be up at the park preparing to pucker on October 13? That is the question for all the contestants, I guess. If you are in the finals, you have to be willing to make the commitment to be at the park. If piggy finds out some of the

contestants have backed out on him, he will be crushed. As a matter of fact, I have heard if the contestants don't show up, piggy will unite all his buddies throughout the nation to boycott humans. Can you actually live with having beef with your eggs instead of bacon? That's too big a pill for me to swallow, so if you are a finalist, you better plan to BE THERE!

I had a nice conversation with another finalist this morning at the post office. Dave Donath seems to be extremely excited about the contest. Of course, that is not in a positive way. He definitely seems to be getting nervous. Just another good reason to get out and vote for your fellow contestants, Dave. If you would have been paying attention, some of your "friends" would still be in the semi-finals, and YOU wouldn't be out there in pig-kissing land all by yourself!

If push comes to shove, David, I heard another rumor that your newest employee would love to stand in for you... for the right price!

Voting was intense this week and as the semi-finals draw to a close and we get down to eliminating five more gals and five more guys on September 30, I expect all those who are really disturbed by the idea of kissing a pig, really better start getting serious

about voting for their fellow contestants!

Voting barrels are all over the place so that you may cast your vote almost anywhere you go in Kewaskum. Please vote generously because Gwen gets real cranky if she has to pick up an empty canister on Tuesday. Fill 'em up and let's keep a smile on Gwen's face!

And for those of you who still wish to vote completely anonymous, you may clip the coupon below and mail it with your vote to Kiss-the-Pig Headquarters. % P.O. Box 98, Kewaskum, WI 53040. I have been tortured and blackmailed and I still have not told Dave Donath who nominated him, but he is starting to wear me down. Of course, for the right price, my lips are sealed. (I can talk smart, my lips are not in the semi-finals!)

One word of warning for all area firemen... unless some votes are cast for members of your departments soon, your fire-fighting contestants will only be a beautiful memory. Vote now to be sure your fire-fighter stays in the finals!

Votes were received this week for male semi-finalists Ron Jon from Woody's, Kissy at Grand Larsony, Ray Garbisch at Silver Platter, Ron Will from Culligan, Bob Buddenhagen of Kewaskum's finest and Chief Joe Enright of the Boltonville Fire Department.

Gals who received votes this week were Aggie Fleischman representing Woody's, Fin-n-Feather and her real job, Jeanne Amerling representing the good old days when 18-year-olds could drink legally, Jeanne Marchant who functions at the DOT, Tammy Garbisch of Silver Platter fame, Jill Yancy of B & B Productions (free Mohawks for anyone who still continues to vote for Jill), and Donna Zimmel, who is a member of the Kewaskum Fire Department.

Free Booster Seat Distribution Sept. 25

The Washington County Injury Prevention Coalition will be distributing booster seats on Wednesday, September 25 from 4:30 to 7 p.m. at the Washington County Health Department, 333 East Washington Street in the Lower Parking lot. The entrance is on Indiana Avenue. No appointments are necessary.

Booster seats are donated by Ford Boost America Program. An unlimited number of low back seats are available and a limited number of high back seats are available. Screening will be done on site.

If your child is between 40 and 80 pounds, and is using a lap and shoulder

belt only while riding in your car, he or she is at risk.

Current recommendations are that children under 4'9" tall and weighing between 40 and 80 pounds should be riding in a booster seat. They are too small to safely ride without one.

To qualify for a free booster seat you must:

Have a child that weighs between 40 and 80 pounds and is no taller than 4'9".

Have a vehicle with lap and shoulder belts in the back seat.

Bring the child with you.

For more information call the Washington County Health Department at 262-335-4462.

United Way: '13' on the 13th

The United Way campaign continues to build momentum in the early stages of the fund drive. As announced at the first Campaign Report meeting on September 13, the campaign is at the 13% mark, with \$146,759 in gifts and pledges received toward the county-wide goal of \$1,155,000. The goal represents 2.6% increase over last year's campaign finish.

Kewaskum's Division Leader is Carole Connor. Campaign volunteer Jerry Gosa is leading the Kewaskum School District Pacesetter campaign. Other Kewaskum volunteers are Mugs McFadden and Clark Pearson.

"We're pleased to report that a number of our divisions are off to a good start," said Washington County campaign co-chair Tom Yahr. "We'll continue with our regular Report Meetings to build on our success, and inspire each other as we move forward," he said.

"One key to our success is dividing the goal into manageable divisions - 26 for this year. We'd like to compliment one group of volunteers who are vital to our success in the next few months: the Division Leaders. These women and men have been hard at work for many months since the spring," said Yahr.

Campaign co-chair Lori Yahr commented, "Some are first-time United Way volunteers, and others are seasoned veterans. The mix works very well for our fund-raising approach," she said.

Division leaders for 2002 are: County-Wide Division: Rick Dietzler, Accountants and Professional Specialties; Karen Christianson and Jennifer Olk, Attorneys; Arv Arveson, Clergy; Jim

Becker, Contractors; George Hartl, DDS, Dentists; Tom Hopp and Michael Vogel, Financial; Evie Fritche, Non-profits; Dr. Bill Listwan and Dr. Mark O'Meara, Physicians and Health Care; Bink Steinbach, Real Estate; Professional Specialties; Kelly Kraemer, Washington County Employees.

Communities Division: Jeanne and John Kreilkamp, Allenton; Jean Kontny and Colleen Baus, Hartford; Jill Clark, Jackson; Carole Connor, Kewaskum; Doug Hein, Newburg; Greer Bloedorn, Richfied, Hubertus and Colgate; Mary Jo Brugger and Tim Purman, Slinger.

West Bend Division: Whitey Uelmen, City of West Bend Employees; James Hodges, Commercial; Gary Britton, Education; Randy Weber and Gunter Woog, Industrial and Manufacturing; Ralph Prescott and Teri Otis, Retail; Tom Kieckhafer, Special Gifts, Tom Krause, Transportation and Tom and Lori Yahr, Key Firms.

Tim Purman, who successfully led the 2001 Campaign as Chairman, is heading the Leadership Circle portion of the campaign this year, which focuses on individuals donating \$650 or more.

"Undoubtedly, outstanding leadership and service from our volunteers reflect

favorable on our ability to raise needed dollars each year," commented United Way Executive Director Barbara Hurula. "We have a great team of dedicated Division Leaders who are committed to seeing this campaign through to a successful conclusion," she said.

The 2002 Campaign Theme is "Giving People Hope." Funds raised will support clients served in 50 programs among 24 non-profit agencies in the coming year. These programs target four key areas for our local United Way: Meeting Basic Needs, Supporting and Strengthening Families, Building Strong and Healthy Communities and Serving Children and Youth.

More than 275 volunteers are involved in United Way of Washington County's year-round effort. Wayne Graczyk and Doug Reigle represent the Kewaskum community on the United Way Board of Directors.

Modern Woodmen Boosts Students' Interest in Writing

As the new school year gets into full swing, three words rise to the top of teachers' minds nationwide. The same three words haunt the minds of many students, reading, writing and arithmetic. Modern Woodmen of America, a fraternal life insurance society with offices in Kewaskum, offers an easy, free way to create excitement about that second "r" in the minds of students.

Modern Woodmen's Creative Writing Essay Contest is available free-of-charge to public, private and parochial schools and home-school associations nationwide. In addition to improving writing skills, the contest helps boost students' creativity, organization skills and self esteem.

The Creative Writing Essay Contest topic for the 2002-2003 school year is "If I Were a Superhero." Each student is asked to write an essay explaining what it would be like to be an all-new comic book superhero. Local leaders and educators judge the essays based on creativity, material organization and overall effective-

ness.

The free program is available for fifth through twelfth grades, but is especially geared to students in grades five through eight. The contest can be held anytime September through June, on a date chosen by the participating school. Modern Woodmen provides all materials needed to run the contest, including instructions, judging criteria, participation ribbons, winners' trophies and more.

Started in 1986, the Creative Writing Essay Contest is one of six free Youth Educational Programs offered by Modern Woodmen. According to local Modern Woodmen representative, Jeff Jaeger, Modern Woodmen offers the programs as part of its commitment to members and their communities.

"The Creative Writing Essay Contest and Modern Woodmen's five other Youth Educational Programs are wonderful, comprehensive programs that teach kids skills they can use throughout life," says Jaeger. "And they are great for schools. Teachers are very busy and

don't always have the time or budget to develop new programs and contests. The Creative Writing Essay Contest is fun for the kids, easy to implement and completely free."

Teachers and/or principals can contact Jeff Jaeger at 262-626-4139 or log on to www.modern-woodmen.org for more information or to order the program for their school.

Modern Woodmen of America is a fraternal life insurance society based in Rock Island, Ill. The organization serves more than 750,000 members nationwide, offering life insurance and annuities for family financial security and member benefits for families and their communities.

Grant Request For West Bend Park Expansion

MILWAUKEE - The City of West Bend has requested matching grant assistance from the state Stewardship Program administered by the Department on Natural Resources. If awarded, the city will receive a cost-sharing grant of \$42,800 for costs incurred in the acquisition of 4.7 acres of land to expand Regner Park.

The city acquired the property in August 2001 from the estate of Henry F. Renard and Linda Renard Kellow. The property is located on Silverbrook Drive, adjacent to the 88-acre Regner Park. The city will provide additional hiking trails for the park on the property and will provide further protection of Silver Creek, a tributary of the Milwaukee River.

This type of project typically does not have the potential to cause significant adverse environmental impacts; therefore, the Department has made a preliminary determination that an environmental analysis will not be required for this project.

Information regarding the Department's grant determination can be reviewed at the DNR Southeast Region Headquarters. Contact Tom Blotz at (414) 263-8610, Dan Kaemmerer at (414) 263-8704 or Gene Park at (414) 263-8676. Comments on the proposed project are welcome and should be received by Mr. Blotz no later than 4:30 p.m. on September 13, 2002.

The "Nasty Boys" of Pure Country 92.5 FM clean up their act at Badger Wash on West Washington Street, West Bend, Saturday, September 14. Mike "in the morning" Elliot and Fuzz Martin went through Badger Wash riding in the back of the 92.5 F150 pickup. Thanks to A-1 Pools for the swim face-masks and snorkels, they really came in handy!

FdL Humane Society Announces Second Annual Pet Walk

FOND DU LAC - On September 21st the Fond du Lac Humane Society is hosting its second annual pet walk to benefit the Shelter. "Take a Hike 2002" will be held at the Fond du Lac County Fairgrounds Cow Palace and opens for registration at 8:00 a.m.

The pre-registration fee is \$20.00 before September 10th. Walkers should call Kathy at (920) 921-6382 to confirm pre-registration. Registration day of the event is \$25.00. Walkers are encouraged to ask family, friends, neighbors, and co-workers to sponsor the two or five-mile walk. Pets are not required for participation.

A special commemorative ribbon will be given to Shelter Alumni in the walk. Prizes for the three top pledge-raisers will be awarded. All registered walkers will receive a commemorative t-shirt and a pet goody bag.

They invite the community to join in recognizing local firefighters and police at Take a Hike 2002. Come walk with the special hosts - your "local heroes."

The day will also include pet contests (best owner and pet dress-alike, best pet trick, best pet vocals among many others), a silent auction, and a raffle. Raffle tickets are available prior to the event and can be purchased from Shelter members, at the Shelter and The Renaissance.

Other attractions that day are a brat fry, bake sale,

pet photography, and a pet fair featuring area pet-related businesses and groups.

"This year's event promises to be even bigger and better - not only have we expanded the walk as requested, the raffle is a great addition - with many prizes for both him and her.

First prize is a framed/matted and signed print of the newly renovated Lambeau Field (signed by Brett Favre). Second prize is a facial and mud wrap at The Renaissance, plus many more prizes.

"I am very excited about Take a Hike 2002 because it is an opportunity to get our pets outside and walking, spend some quality time with them, meet other pet lovers in our community and raise much-needed funds for the Shelter," said Kathy Twohig, Walk Chair. "I think this is going to be a very fun day for all involved!"

Terry Davis of Sunny 97 and Classic Mix 96 (and his dog Randie!) will be the Master of Ceremonies and kick off the walk at 9:00 a.m. The walk will be held rain or shine and walkers are encouraged to have their pets vaccinations up-to-date.

Registration forms can be picked up at Sunny 97 WFDL and Classic Mix 96 WTCX, all local veterinarians, local pet shops and the Fond du Lac Humane Society at 173 West Pioneer Road. For more information please call the Shelter at (920) 922-8873 or Kathy at (920) 921-6382.

Crop Walk 2002

The 2002 Washington County CROP Walk has been scheduled for Sunday, October 6 at 1:00 p.m. in Ridge Run County Park in West Bend. This is an annual fund-raising event sponsored by Church World Service to benefit local food pantries and to fight hunger around the world.

The location for the start of the walk had to be changed this year due to construction at UWWC. Registration will begin at 12:30 p.m. at Shelter # 1 at the west entrance to the park off Scenic Drive in the Town of West Bend. The route winds through the park on trails from one to four miles long. Since the Packers are playing on Monday night that week, this is a perfect opportunity to enjoy the beautiful fall colors with family and friends.

Anyone interested in recruiting a team of walkers or pledging to walk alone should contact Wendy Coulter, Washington County CROP Walk Coordinator at her office at 334-5589 for additional information. This is your chance to identify with poor and hungry people who spend much of their life walking.

2002 Sesquicentennial Farm And Home Award Honoree

2002 Sesquicentennial Farm and Home Award Honorees Ann and Mitchell Gebheim, Kewaskum, with their granddaughter, center, Alexandra Gleason.

Ann and Mitchell Gebheim, Kewaskum, were recently honored at the 2002 Wisconsin State Fair on August 6, for their Sesquicentennial farm or home.

The Sesquicentennial Farm and Home Award Program was initiated in 1998 to honor the state's sesquicentennial celebration. The program honors families who have continu-

ous ownership of the Wisconsin farm or home for 150 years or more. Hillshire Farm and Kahn's of New London sponsored the fifth annual breakfast awards ceremony.

On Tuesday, August 6, 2002, at the Wisconsin State Fair, Hillshire Farm recognized 30 Sesquicentennial Farm and Home families. Over 325 sesquicentennial properties have been hon-

ored since the start of the program.

For more information on the Sesquicentennial Farm and Home Program call Jill Albanese at 414-777-0580.

County Historical Society Showcases Ethnic Needlework

WEST BEND -- The Washington County Historical Society (WCHS) has unveiled an intriguing exhibit showcasing "A Stitch in Time: A Brief History of Fiber Arts in Washington County." The exhibit celebrates the craft and art of needlework and weaving. A variety of styles are showcased including traditions from Germany, Holland, Italy, Denmark, Switzerland and Ireland.

This display truly emphasizes the freedom and energy of our ancestors and provides insight on how needlework became an American tradition.

Because of the recent opening of the Old Jailhouse and other intriguing exhibits, the Washington County Historical Society is looking for volunteers and tour guides. Forms and information are available by calling 262-335-4678.

The Washington County Historical Society is a not-for-profit organization which is funded largely through public support. To support the Society, and the Washington County Historical Society Foundation,

please send your check or pledge to, The Washington County Historical Society Foundation, 320 S. 5th Ave., West Bend, Wis., 53095-4612.

Financial Planning Perspectives

Businesses Receive Temporary Depreciation Bonus

Small businesses buying new property can take a generous upfront 30-percent bonus depreciation under the Job Creation and Workers Assistance Act of 2002 enacted earlier this year by Congress. But the offer is available only for a limited time, many states are not allowing the bonus, and some businesses may come out better from a tax standpoint by not taking the offer at all.

What property is covered by this bonus? Generally, property with a class life of less than 20 years, certain computer software, qualified leasehold improvement property and water utility property. The property must be new. Used property does not qualify, except for money used to recondition or rebuild property.

An example of how this deduction works appears in the August 2002 Journal of Financial Planning. Say you spend \$200,000 on seven-year-life machinery. The first-year standard depreciation by itself would be \$28,580. The 30-percent bonus depreciation would be \$60,000. Because the 30-percent bonus is calculated first, and the standard depreciation rate is calculated on the remaining 70 percent, the total first-year write-off is \$80,006.

You also can combine the 30-percent bonus depreciation with the Section 179 expense deduction, for which the maximum in 2002 is \$24,000 (\$25,000 in 2003). The \$24,000 is taken off the top first, then the 30-percent bonus is calculated on the remaining amount. The

Legion Auxiliary Collecting Can 'Pop Tabs'

The American Legion Auxiliary Post 384 of Kewaskum is again collecting just the "Pop Tabs" from canned soda or canned goods.

Each year, from April to April, the auxiliary collects bags full of the tabs which in turn are given to the Second District of the American Legion, weighed and any monies are then donated to the Ronald McDonald House affiliated with Milwaukee's Children's Hospital.

This past year the auxiliary collected 400 pounds. There are approximately 1,100 tabs in each pound!

Please help the Legion Auxiliary and snap off those tabs. Donations can be dropped off at the home of Gwendolyn Dreher at 1107 Fond du Lac Avenue in Kewaskum, or at the Kewaskum Legion building at 1538 Fond du Lac Avenue.

Thanks for your help.

standard depreciation amount is on what's left over. In this example, including the full Section 179 expense, the total first-year write-off is \$94,405—nearly half of the total cost of the equipment.

The law also throws in a special bonus depreciation for "luxury" vehicles, which is any non-electric car, light truck or minivan used for business that costs more than \$15,300. Owners could take a maximum \$3,060 deduction for these vehicles for 2001 and 2002. Under the bonus depreciation, owners can take an additional maximum of \$4,600, for a total first year deduction of \$7,660. Some large passenger vehicles (mostly SUVs) escape these "luxury" auto rules and are entitled to the 30 percent bonus depreciation.

For the 30-percent bonus and the vehicle deduction, the property must have been bought after September 10, 2001, and before September 11, 2004. It must be placed into service no later than December 31, 2004.

To make sure the alternative minimum tax (AMT) does not negate some of these benefits, Congress allows the bonus deduction for purposes of computing

AMT. On the other hand, many states either do not allow the new bonus depreciation or plan to pass legislation to not allow it.

The intent of the federal bonus is to stimulate business investment. But keep in mind that though accelerating depreciation with the bonus frees up more cash in the first year to the business owner, it does not reduce the overall amount that owners can depreciate. That total is still limited to the adjusted cost basis.

Some business owners may find it more advantageous from a tax perspective to not take the bonus. This might include owners with net-operating loss carryovers about to expire or who anticipate a higher tax bracket in future years. But usually it's more advantageous to save taxes today rather than tomorrow, so you'll need to run the numbers with your financial advisor to see if it really is worth it to elect out.

You must specifically "elect out" out of the bonus depreciation if that's the strategy you choose, and if you do elect out, the election applies to all property for that year with that particular election schedule, such as all five-year property or all seven-year property.

Owners who bought qualifying property in 2001 (after September 10), but who were unable to take the deduction on their 2001 returns, may want to consider filing amended returns. The IRS recently issued guidelines on how to recoup missed bonus depreciation on 2001 returns.

As I See It

By Rochelle Pennington

Looking Through the Eyes of the Heart

A young mother who had been diagnosed with a treatable form of cancer returned home from the hospital, self-conscious about her physical appearance and loss of hair following radiation. Upon sitting down on a kitchen chair, her son appeared quietly in the doorway, studying her curiously.

The best and most beautiful things in the world cannot be seen or even touched. They must be felt with the heart.

-Helen Keller

As his mother began a rehearsed speech to help him understand what he was seeing, the boy came forward to snuggle in her lap. Intently, he laid his head to her chest and just held on as his mother said, "And sometime, hopefully

soon, I will look the way I used to, and then I'll be better."

That which is loved is always beautiful.

-Norwegian Proverb

At hearing this, the young child sat up thoughtfully and with six-year-old frankness simply responded, "Different hair, same old heart."

His mother no longer needed to wait for "sometime, hopefully soon" to be better. She was.

Ostomy Support Group to Meet

The ostomy support group sponsored by St. Joseph's Community Hospital of West Bend will meet at 6:30 p.m. Thursday, September 26, for a pot luck supper and a program featuring a representative from Convetic. The meeting will be held in conference room A.

The free support group provides information and support for people affected by an ostomy.

For more information, please contact Carrie at (920) 994-4261, or Mary Theisen-Faber, St. Joseph's director of education at 262-334-8267.

The support group meets the fourth Thursday of each month.

Boltonville Bunch - Snowmobile Club

The Boltonville Bunch have been in existence since the 70's and meet every second Sunday of the month at the Boltonville Fire Department house, at 7 p.m. They maintain and setup the trails from St. Michael's to Ozaukee County (north), which consist of the northeast section of Washington County.

The Snowmobile Club is looking for additional help to maintain these snowmobile trails. They enjoy numerous outings to various popular snowmobile areas throughout the state.

Interested individuals should contact Peter Aman at 262-692-9497 for more information.

Mary Koch Attends WFCE Conference; Elected CESA 6 Rep

Mary Koch, Family and Consumer Education teacher at Kewaskum High School, attended the Annual Conference of Wisconsin Family and Consumer Educators (WFCE) held at the Pyle Center, the University of Wisconsin Extension's Conference Center in Madison. The theme of the conference was "Building a Strong Nation...One Family at a Time."

Danny and Marie Lena, from Personal Empowerment Programs, were the Tuesday, July 23, keynote presenters. Their message of Being Better that Our Best helped the conference delegates discover new ways to "raise their own bar" to create a happier, safer, more productive world.

A variety of Tuesday breakout session presentations were offered to support the conference theme. They included Behind the AMT

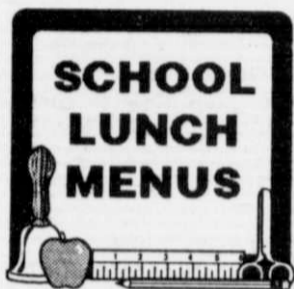

Card: Teaching Teens Effective Money Habits by Practice, Evaluation of HIV Programs, Intergenerational Programs, A New Look at Consumer Economics, A HACCP Approach to Food Safety, Standards of the Heart, Family & Community Services, DO Something (Community Service), African Women's Refugee Mission, Family Sciences in the United Arab Emirates, Mentoring with the Human Touch, Food Service Vignettes, and Financial Education in Wisconsin.

Activities That Teach Life Skills was the focus of the Wednesday keynote presentation by Tom Jackson, Director of the Active Learning Foundation, Cedar City, Utah. Delegates also had the opportunity to attend three roundtable presentations that consider to Family & Consumer Education colleagues shar-

ing teaching strategies.

Mary also presented a roundtable on National Boards for Professional Teaching Standards.

Mary was elected to the position of C.E.S.A. 6 Representative during the annual business meeting of the organization.

FFA Sundae Booth Another Success at WI State Fair

On August 1 -11 the Kewaskum FFA once again made a strong appearance at the Wisconsin State Fair while running the Ice Cream Sundae booth. As in many years past, the Kewaskum FFA worked with other members of the Slinger and Hartford FFA chapters to make and sell sundaes. Sixteen members of the FFA worked in the booth this year to help make it a huge success. Pictured above are, left to right, Lisa Beck, Shannon Dwyer, Melissa McKee and Michelle Weber taking a break from making sundaes to smile for a picture. Thanks to all members who helped out.

LETTERS TO THE EDITOR

Letter to the Editor:

Food for Thought

Billy Graham's daughter was interviewed on the Early Show and Jane Clayson asked her "How could God let something like this happen?" (regarding the attacks on September 11).

Anne Graham gave an extremely profound and insightful response. She said, "I believe God is deeply saddened by this, just as we are, but for years we've been telling God to get out of our schools, to get out of our government and to get out of our lives. And being the gentleman He is, I believe He has calmly backed out. How can we expect God to give us His blessing and His protection if we demand He leave us alone?"

In light of recent events...terrorist attacks, school shootings, etc. I think it started when Madeleine Murray O'Hare (she was murdered, her body found recently) complained she didn't want prayer in our schools, and we said OK.

Then someone said you better not read the Bible in school...the Bible says thou shalt not kill, thou shalt not steal and love your neighbor as yourself. And we said OK.

Then Dr. Benjamin Spock said we shouldn't spank our children when they misbehave because their little personalities would be warped, and we might damage their self-esteem (Dr. Spock's son committed suicide). We said an expert should know what he's talking about. And we said OK.

Then someone said teachers and principals better not discipline our children when they misbehave. The school administrators said no faculty member in this school better touch a student when they misbehave, because we don't want any bad publicity; and we surely don't want to be sued (there's a big difference between disciplining, touching, beating, smacking, humiliating, kicking, etc.). And we said OK.

Then someone said, let's let our daughters have abortions if they want, and they won't even have to tell their parents. And we said OK.

Then some wise school board members said, since boys will be boys and they're going to do it anyway, let's give our sons all the condoms they want so they can have all the fun they desire; and we won't have to tell their parents they got them at school. And we said OK.

Then some of our top elected officials said it doesn't matter what we do in private as long as we do our jobs. Agreeing with them, we said it doesn't matter to me what anyone, including the President, does in private as long as I have a good job and the economy is good.

Then someone said let's print magazines of pictures

of nude women and call it wholesome, down-to-earth appreciation for the beauty of the female body. And we said OK.

And then someone else took that appreciation a step further and published pictures of nude children and then further again by making them available on the Internet. And we said OK, they're entitled to free speech.

Then the entertainment industry said, let's make TV shows and movies that promote profanity, violence, and illicit sex. Let's record music that encourages rape, drugs, murder, suicide, and satanic themes. And we said it's just entertainment, it has no adverse effect, nobody takes it seriously anyway, so go right ahead.

Now we're asking ourselves why our children have no conscience, why they don't know right from wrong, and why it doesn't bother them to kill strangers, their classmates, themselves.

Probably, if we think about it long and hard enough, we can figure it out. I think it has a great deal to do with "We reap what we sow."

Funny how simple it is for people to trash God and then wonder why the world's going to hell. Funny how we believe what the newspapers say, but question what the Bible says.

W.H. Emanuel (Mercer)
Retired Educator

Dear Editor:

I am somewhat upset with you for running a letter to the Editor from Mrs.

Daniels the week before the primary, not giving me a chance to respond.

If I would have had the time I would have had Mrs. Daniels letter of endorsement reprinted in the Sheboygan/Ozaukee area, where I'm certain I could have won the counties also, and made a clean sweep.

For those of you who are trying to make some sense out of Mrs. Daniels letter, you may want to contact the Campbellsport News and get a copy of the 2-1-01 issue where Mrs. Daniels is bashing gun owners and a 2-15-01 issue of my response.

Thanks again to Mrs. Daniels and please cover the whole district in the future should I decide to run again for the 59th Assembly.

Yeska Family Reunion Held

Submitted by:
Isabelle (Yeska)
Muckerheide

The Lord blessed us with perfect weather for our annual Labor Day reunion. It was held at the home-stead of Anton and Stella (Paluka) Yeska in Neshkoro.

Golf was on the program Saturday morning. In the afternoon were games for the children. At 4 p.m. most went to mass Saturday evening. Since the local pastor has passed away, we didn't have a private mass for the family. The others attended Sunday morning 9:15 a.m. at St. James Place.

Saturday evening was our big feast. Since the big theme presented by the Kempiaiks was Mardi Gras, our food was typical of the same, namely roast loin of pork, turkey, shrimp creole, rice pilaf, etc. Pies were pecan, apple and key lime.

A King cake in bright colors by Wanda, had a baby Jesus hidden inside. Whoever found it got a prize which was won by grandma Kempiak, who attended in her wheelchair.

The young folk gathered around the campfire till the wee hours.

The old folks spent the evening inside playing sheephead. We went through three decks before we found the one with the most trumps. I came out alright.

Sunday, several cars left at half hour intervals on a "treasure hunt" each with a long list to find. Tickets were awarded which we later used to purchase the many door prizes. We had beads galore, masks, hats and hilarious costumes.

Sunday evening was our talent show. A brief history of the family was presented

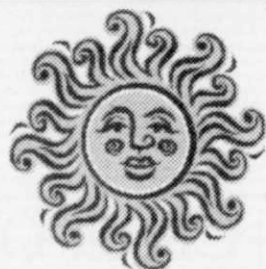

by myself. Children as well as adults took part. Between selections we were entertained by Jim Kerlin of the "Banjo Barons" on his banjo, of course.

Two old hunting partners had quite a tale to tell. Louis Armstrong (Mr. Marotta) sang "What a Wonderful World." We were touched by Janet Kempiak's rendition of "Sunny Side of the Street." Instead of those words, she inserted Sonny's Side of the Pond. Her Dad, Sonny (my brother) lived by the river. Her parents are both deceased.

My poem was as follows:

I know that you're expecting to hear a verse from me, so here's what I came up with for your expectancy.

It's been a rough year, What more need be said. With all Life's challenges, It's hard to keep your head! I wrecked my car in November, through no fault of my own. The Holidays were wonderful, didn't have to be alone. Bingo was a pastime, with friends so kind and true, some wins, some loss expected. That's what luck befalls you. Then comes Spring, hopes of Earth reborn. So I thought in my positions, until one drastic morn, Alas I fell and broke my leg and I'm immobilized! What about the plans I had? I could be traumatized! With help of friends and neighbors, and dear relations, too, I'm back on my feet again, and glad to be here with you. Enough of me, and here we are. With loving folk from near and far. God bless this our reunion. Come join in celebration! They say there's always a Poland as long as meat's in the jar. Let's show the Yeska clan is here, Tradition, that's what we are!

Peace Church Youth Habitat Trip

Front row, left to right: Malia Dickman, Samantha Schoofs, Emily Ogi, Stacey Imler, Karen Kletti, Dan Runquist, Norma Rivera, and Sheri Rehn. Row two: Ericka Christie, Jamie Imler, Katie Van Ess, Tyler Steinhardt, Amy Deshotels, Pastor Eric Kirkegaard and Clark Pearson. Row three: Mandi Will, Katie Steinhardt, Erik Rundquist, Brandon Gitter, Kevin Lemke, Kelli Jo Will, Noah Schoofs, Nichole Behring, Bree Boetcher, and Kaitlyn Ogi.

Left to right: Dan Runquist, Brandon Gitter, Stacey Imler, Emily Ogi, Jamie Imler, and Sheri Rehn in front of the house frame.

This past summer, 16 kids from Peace United Church of Christ, three kids from Holy Trinity Catholic Church and six adults went to Baldwin, Michigan to work on several Habitat for Humanity projects.

One of the projects was to make an abandoned house livable again. Karen Kletti's group of kids were washing soot off walls and ceilings, then painting them with one coat of primer and

two coats of paint. Kitchen cabinets and countertops were cleaned out and washed, the basement was swept and walls and floors were washed. The lawn was cut and weeds were pulled. This house was made to be lived in again with the help of our youth.

Another project on a different site was to get the sand leveled so that the basement floor could be poured with concrete. This

group was led by Dan Runquist and Sheri Rehn.

Pastor Eric Kirkegaard and his crew worked on rebuilding walls so that they could accommodate a handicap person. Originally the walls were made by inmates at a nearby prison, but then

the need for a house arose with wider doorways and it was quite a challenge to make everything fit. But the walls worked out great and they were put on the first floor deck that Clark Pearson and Norma Rivera's crew built.

The kids learned a lot of valuable lessons. Not only did they learn what goes into building a house, but also how Christian actions speak louder than words.

The teens from Holy Trinity were: Erica Christie, Noah Schoofs and Samantha Schoofs. From Peace United Church of Christ were: Nicole Behring, Bree Boettcher, Amy Deshotels, Malia Dickman, Brandon Gitter, Stacey Imler, Jamie Imler, Kevin Lemke, Kaitlyn Ogi, Emily Ogi, Erik Runquist, Katie Steinhardt, Tyler Steinhardt, Katie Van Ess, Mandi Will and Kelli Jo Will.

IN MEMORY

In loving memory of JOHN R. RUPLINGER, who passed away, Sept. 29, 2001:

Life goes on and a year has gone by,
But precious memories never die,
After the end of one sad year,
Our hearts ache with sadness and God only knows -
How much we miss the one we loved so dear.
Living on, in this world of sorrow and strife.
Until we will meet again in heaven
To live "together forever" in, THAT happy life.

Sadly missed by wife Edina, Don, Barbara, Ann, Sharon, Kelly, Mary, Dennis, Mike and grandchildren.

IN MEMORY

In memory of JOANN GROSS, friend, mother, wife, grandmother, and caretaker to us all. A person with many perfect qualities not found in many people. She found us - or we found her by accident, or with the Lord's help we came to meet.

Now we parted September 18, 1997 but she will never be forgotten. For all the help and good she did and gave to all that crossed her path, Lord bless her soul.

Thank you JoAnn

Love,
Steve, Nancy, Kimberly,
Chris, Bruce & JoAnn

THANK YOU

Thank you to Dr. Livermore and all who helped with my hip surgery, nurses at Valley View Medical Center, Vicar Kurt Ziemann and all who prayed for me, sent cards and gifts.

OBITUARIES

JOYCE L. GOEDEN

Joyce L. Goeden, nee Krueger, 73, of West Bend, passed away on Tuesday, September 10, 2002 at home surrounded by her family following a courageous five-year battle with cancer.

She was born on March 31, 1929, in the town of Auburn in Fond du Lac county to the late Charles F. and Ozella M. (nee Strack) Krueger.

Joyce was raised on the family farm in the New Fane area, and graduated from Kewaskum High School.

Following her marriage to Jerome J. Goeden on May 5, 1948 in New Fane, they moved to West Bend for a short time before returning to the Krueger family farm. They later settled in West Bend.

Before she and her husband started their family, Joyce worked at Regal Ware in Kewaskum and The West Bend Co. and Enger-Kress in West Bend.

She then became a full-time wife and mother.

Jerome passed away on October 9, 1999.

Joyce was a loving wife, mother and grandmother, and will be deeply missed by her family and friends.

Survivors include three children, Jerome of Madison, John (Deborah) and James, both of West Bend; four grandchildren, Laura, Chelsea, Adam and Michael; a brother, Robert (Ruth) Krueger of Kewaskum; a sister, Audrey (Robert) Fellenz of West Bend; a brother-in-law, Willard "Willie" (Jeanne) Goeden of Kewaskum; three sisters-in-law, Hyacinth (Gilbert) Beine of West Bend, Charlotte (Lyle) Hader of Newburg and Dolores Koenig of West Bend; other relatives and friends.

Preceding her in death were two brothers, Charles and Elroy.

Funeral services were held on Saturday, September 14 at 10:30 a.m. at St. John Lutheran Church, New Fane.

Rev. Mark Eckert officiated and burial followed in Holy Angels Cemetery, West Bend.

Visitation at the Schmidt Funeral Home, West Bend, was on Friday from 4 to 8 p.m. and on Saturday at the church from 9:30 to 10:15 a.m.

Memorials are appreciated.

JANICE 'JAN' STARK

Janice "Jan" Stark, 56, of Brownsville, died Saturday, September 7, 2002, at Waupun Memorial Hospital. She was born July 18, 1946, in Medford, the daughter of Joseph and Doris Gowey Tomczyk.

On February 10, 1968, she married Jerry Start in Stetsonville.

She was a graduate of Medford High School and

attended Vocational Technical School in Fond du Lac for licensed practical nursing. Jan worked for 35 years at St. Agnes Hospital.

She enjoyed her grandchildren, taking trips, bowling and weekends in Wabeno.

Survivors include her husband, Jerry; two children, Jennifer (Tom) Borges of Campbellsport and Joseph Stark of Fond du Lac; four grandchildren, Samantha, Thomas, Savannah and Christian (Thumper); four sisters, Kathleen (Pete) Lapp of Dorchester, Darlene (David) Heier of Medford, Dorothy (Gary) Pagel of Abbotsford, and Beth (Kim) Westrich of Medford; and two brothers, Glen (Irene) Tomczyk of Wind Lake and Walter (Callie) Tomczyk of Dorchester.

She was preceded in death by her parents; two brothers, Norbert and Victor; and an infant sister, MarJean.

Funeral services were held at 6 p.m. on Tuesday, September 10, 2002, at St. Mary's Catholic Church, Lomira. The Rev. Kevin Kowalske officiated. Burial followed at St. Mary's Cemetery.

Visitation was from 2 to 6 p.m. on Tuesday at the church.

Kietzer Funeral Home, Lomira, assisted the family.

GLENN A. MARKGRAF

Glenn Arnold Markgraf, 82, of West Bend, formerly of Kendall, died on Friday, September 13, 2002, at his residence.

He was born on September 22, 1919 in Kendall to the late Arnold and Rachel (Saeger) Markgraf, and was a World War II U.S. Army veteran, having served in the Army Field Artillery as a tech ser-

geant.

On August 27, 1947, he married Verone I. Walters in Kendall.

Glenn worked for the West Bend public schools from 1952 until 1988.

He enjoyed the outdoors and spent his leisure time hunting and fishing.

Glenn was a member of St. John's Lutheran Church, West Bend, and was a devoted and loving husband, father and grandfather.

Survivors include his wife; a son, James L. (Donna) Markgraf of Campbellsport; two daughters, Nancy I. (William) Bloor of Kendall and Diane R. Scheid of West Bend; five grandchildren; five great-grandchildren; a brother, Phillip (Dorothy) of Kendall; a sister-in-law, Phyllis Markgraf of West Bend; nieces; nephews; other relatives and friends.

Preceding him in death were a granddaughter, Shelly Markgraf Schultz, and three brothers, David, Clarence and Herbert.

Graveside services were held on Monday, September 16 at 1 p.m. at the Glendal Cemetery, Kendall.

Pastor John C. Wille officiated, and burial followed with military honors by the William J. Schriver American Legion Post 309 of Kendall.

The Smith-Nelson Funeral home, Kendall, assisted the family with arrangements.

She was born on May 15, 1955 in West Bend, to the late Clarence and Gladys (Crozier) Delcore, and graduated in 1973 from West Bend West High School.

On May 6, 1989 she married Dale Adams at St. George Catholic Church in

Elkhart Lake.

Cheryl has been employed at Master Galleries, Plymouth, for approximately the past 10 years.

She enjoyed meeting new people while bartending, reading Earl Manson novels, collecting key chains from around the world and was an avid football and NASCAR fan.

Survivors include her husband; six brothers and sisters, Phyllis (Fred) Hafemann of Mayville, Wayne (Carol) Delcore of Allenton, Karen (Edward "Porcky") Bergmann of Slinger, Ronnie (Mary Ellen) Delcore of West Bend, Shirley Fischer of Newburg and Henry (Nancy) Delcore of Campbellsport; her mother-in-law, Kathleen Adams of Kiel; brothers-in-law, Pat and "Gerry" Schwarz of New Holstein, Jerry and Heidi Adams of Sheboygan, Dean and Sue Adams of Elkhart Lake; numerous nieces, nephews, great-nieces and great-nephews and many friends.

Preceding her in death were her maternal and paternal grandparents and her father-in-law, Sparky Adams.

A funeral Mass was held at 7 p.m. on Wednesday, September 18 at SS Peter and Paul Catholic Church, Kiel.

Father Loren Nys, S.D.S. officiated and burial was in the parish cemetery.

Friends called at the Meiselwitz-Vollstedt Funeral Home, Kiel, on Wednesday from 2 to 6:30 p.m.

In lieu of flowers, a memorial has been established in her name.

LYDIA E. PROPSON

Lydia R. Propson, nee Wendt, 83, of West Bend, died on Monday, September 16, 2002, at St. Joseph's Community Hospital.

She was born on June 12, 1919, in Split Rock to the late Erick and Martha (nee

Netzel) Wendt.

In 1941 she came to West Bend where she was employed at the Enger-Kress Co., and on October 14, 1945 she married John J. Propson at Holy Angels Church.

Survivors include her four children, John G. (Dianne) of Richland, Wash., James (Bonnie) of Kohlsville, Cindy Lou (Dave) Butzke of Campbellsport and Sandy Sue (Carl) Hartmann of Hartland; eight grandchildren; three great-grandchildren; seven sisters-in-law, Alma Wendt of Tigerton, Rosemary Karls of Chilton, Delores Sell and Alice (Tony) Sabel, both of Kiel, Dorothy (Robert) Gerner of Oshkosh, Viola Propson of Stockbridge and Eleanor Propson of Chilton; four brothers-in-law, Arthur (Doris) Propson of Chilton, Joseph (Bernice) Propson of Kiel, Andrew (Ginny) Propson and Leo Miller, both of Chilton; other relatives and friends.

Preceding her in death were a grandson, Andrew Hartmann; five brothers, William, Charlie, Walter, Harvey, and Rhinold; and two sisters, Linda Cannon and Lilly Dumke.

Funeral services will be held on Thursday, September 19, at 1 p.m. at St. John's Ev. Lutheran Church.

Rev. George Mumm will officiate, and burial will follow in Washington County Memorial Park, West Bend.

Visitation at the church only will be Thursday from 11 a.m. to 12:45 p.m.

DAYS GONE BY

25 Years Ago

August 19, 1977

St. Lucas Lutheran Church of Kewaskum will celebrate the 100th Anniversary of its organization on Saturday and Sunday, August 20 and 21. Three special services of Thanksgiving have been arranged, a German Service on August 20, and two English Services on August 21. From the original four families who organized the parish on August 20, 1877, St. Lucas has grown to over 1,200 members today.

The annual chicken barbecue sponsored by the Kewaskum Lions Club will be held in the village park on Sunday, August 21.

August 29 is the opening day for students in all schools in the Kewaskum District.

The Jaycee Little League will hold their first All-Star games on Monday, August 22, starting at 6 p.m. Both games will be played at the regular Little League diamonds behind the high school near the tennis courts. The American League team number one will consist of All Stars "Toby" Mueller, Dennis Butz, Tim Rohlinger, Paul McFadden, Stuart Stautz, Dan Gerhartz, John Swanson, Dan Dean, Tim Bingen and Ricky Miller. For his compilation of the history of the Village of Kewaskum for the 1976 Bicentennial year, Mark Smucker of Kewaskum, was the recipient of a certificate of award and a membership to the Kewaskum Historical Society.

Mr. and Mrs. Roman Barth, Fredonia, are happy to announce the engagement of their daughter,

Kathy, to N. Allen Broecker, son of Mr. and Mrs. Norbert Broecker of Kewaskum.

A daughter was born to Glen and Catherine Weinreich, West Bend, on August 18.

Sons were born to Eldred and Darlene Haeuser, Kewaskum, on August 20, and to Gerald and Susan Barth, Kewaskum, on August 21.

Work on the new concrete church steps in front of Holy Trinity parish was completed last Friday by Louis Bunkelman and Son, Kewaskum contractor, and crew. The steps replace the old concrete ones which had broken up and sagged in places. The steps extend across the full width of the church building and are durably built.

Harry H. Maaske, real estate broker, who has been in business in Kewaskum for the past six and one-half years, on Thursday of this week, moved his real estate offices to the former Herman Mattress Shop located four and one-half miles south of West Bend on Highway 55. Maaske recently sold the Maaske Building Service to Allen Kohl, who had been in the building business with him. With this transaction, Kohl leased Maaske's new building on North Fond du Lac Avenue occupied by

Lenore's Lunch, Dr. J. L. Raschbacher's offices, Kohl's building business, now known as the King Kohl Kompany and Maaske's real estate offices up to the present time. Kohl also leased Maaske's home adjoining the building and he and Mrs. Kohl will move into the house.

The entire staff of grade and high school teachers met for three days, August 27 to 29 inclusive, in a workshop session. During the session, teachers considered local policies and practices, teaching techniques at the different levels, programs, uses of audio-visual materials, curricular offerings and the co-curricular program. On Friday morning all teachers were privileged to see the inner workings of Regal Ware aluminum and casing plants, the Heineman Dairy and Rosenheimer's Malt and Grain Company. Charles (Chuck) Sparks conducted the tour through the Regal Ware plant and Tom Green through the dairy. At 12:30 on Friday all teachers reported to West Bend where they submitted to chest x-ray examinations.

The twin sons of Mr. and Mrs. Allen Reindl were baptized by a Capuchin father in Holy Trinity Church Sunday. John Reinhold and Joseph Gilbert were the names chosen.

On average, people fear spiders more than they do death.

Fall Fun Day At Riveredge

NEWBURG - Fall Fun Day blazes across the Riveredge Nature Center, Sunday, September 22, 2002, from 1 to 4 p.m. This year's family-friendly event celebrating "A Time For Change," features the sing-along music of Fox and Branch, hands-on discovery of Riveredge ponds and prairies, craft activities, seasonal snacks, and take-home treats. Attendees will also have a chance to collect prairie insects.

Speaking of prairie insects, autographed copies of *Ghost Wings* by renowned children's author Barbara Jooose will be on sale, proceeds to benefit Riveredge. *Ghost Wings* is Jooose's tale of Monarch Butterflies and their arrival in Mexico during the annual Days of the Dead celebration. *Ghost Wings* will be featured at a special Days of the Dead event at the Smithsonian November 2, 2002.

According to Mary Nolan, Development Director, "We're very pleased Barb agreed to do this on behalf of Riveredge. The timing couldn't be better and it adds another dimension to a really exciting event."

Costs? Member adults \$3. Member children \$2. Non-member adults \$4.75. Non-member children \$3. Call Riveredge Nature Center (262) 375-2715 (metro) or (262) 675-6888 for more information.

Emergency Care Center

24-hour board certified emergency physicians
caring for over 16,000 patients this year

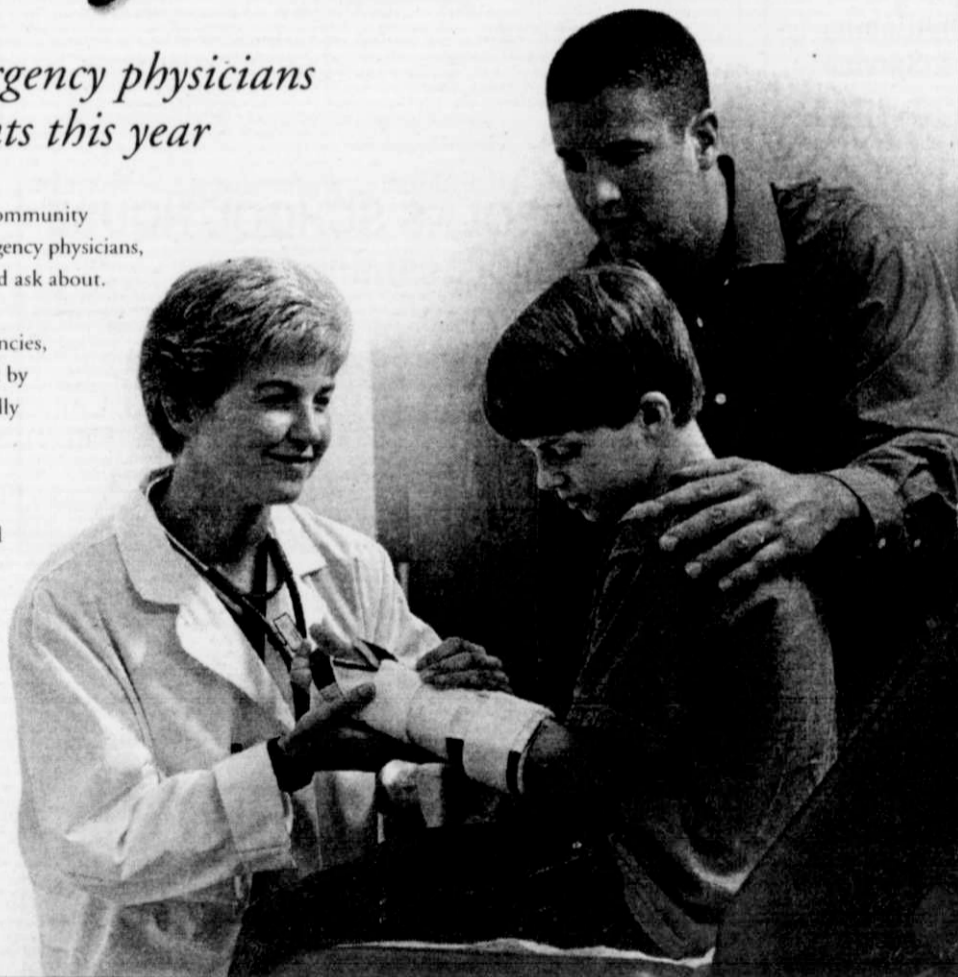

Patients coming to the emergency care center at St. Joseph's Community Hospital can depend on its 24-hour staff of board certified emergency physicians, a distinction that not all hospitals can claim and patients should ask about.

Specially trained in a wide range of adult and pediatric emergencies, the emergency physicians at St. Joseph's are also board certified by the American Board of Emergency Medicine, having successfully completed the board's comprehensive examination of their competence in emergency medicine.

When life's emergencies need expert attention, you can depend on St. Joseph's specialists to provide the care you need.

Three Birds in County Test Positive for West Nile Virus

The Department of Health and Family Services notified the Washington County Health Department earlier this week that the lab results on three crows were positive for West Nile Virus.

Two of these crows came from Germantown. The third was taken by the DNR at Pike Lake and had no information about where it came from. The two crows that previously tested positive were from West Bend and Hubertus and the horse that died was in Newburg.

This indicates that West Nile Virus is well established throughout the county. Therefore, there is no need to continue testing and no more specimens will be accepted by either the Health Department or the

DNR at Pike Lake.

The Health Department would like to remind county residents that the likelihood of contracting encephalitis from a mosquito infected with the West Nile Virus remains very small. Only 1% of the mosquitoes are infected with West Nile Virus.

Of those people who are bitten by these mosquitoes, only 1% of them will become ill. Most people who are infected with West Nile Virus will have a mild flu like illness, which starts 3-15 days after exposure from the mosquito and lasts 3-6 days. Symptoms may include fatigue, loss of appetite, nausea, vomiting, eye pain, headache, muscle aches, rash and swollen glands.

Approximately one in 150 people infected with West Nile Virus will develop a serious illness (encephalitis or meningitis). This type of infection is more likely to occur in older people.

Symptoms may include fever, weakness, nausea, vomiting, headache, a change in mental status (confusion, disorientation, or loss of consciousness), neck stiffness, loss of balance and coordination, tremors or seizures.

A small number of hospitalized patients have also had a rash on the neck, trunk, arms or legs. Several have had severe muscle weakness or paralysis. These symptoms are common with any number of serious infections or disorders and are always grounds

for an immediate evaluation by a physician.

The best defense is always offense. Protect yourself and your family with appropriate clothing and insect repellent. Wear long sleeved shirts and long pants when outdoors. Repellents can be applied directly to the clothing and sparingly to exposed skin. Adult repellent which contain permethrin or 35% DEET are best.

However, small children should not use a repellent product with more than 10% DEET. And, due to irritation to the eyes and mouth, should not be applied to the hands of children.

Repellents remain effective for about four hours. Limit activities at dawn and dusk when mosquitoes are most active. Install and keep in good repair screens on windows and doors.

In addition, eliminating the potential breeding grounds for mosquitoes is also important in the control

of West Nile Virus. Dispose of used tires, keep gutters clean, change the water in bird baths and wading pools every two to three days, chlorinate swimming pools, and eliminate, cover, or empty containers such as planters, buckets, or wheelbarrows that tend to collect rainwater.

Community spraying and larvicide application has not been recommended at this time.

Kewaskum Holds First Little League Tournament

Front row, left to right, Jon Wicklund, Jacob Cochran, Mike Pfothauer, Eric Ogi, Tyler Stamm, Jack Breese. Back row: Coach Dean Scheel, Casey Scheel, Ryan Nuernberg, Zach Thornton, Frank Walcheske, Coach John Breese.

In June the Kewaskum Little League teams invited local teams to participate in the first annual Little League tournament in the Kiwanis Park. Kewaskum hosted teams from Campbellsport, Long Lake and Eden.

The Little League teams were trying to raise money for the new uniforms they bought this year. All the parents and kids helped prepare for the tournament and worked during the games to keep things on schedule.

As usual the Wisconsin

weather did not cooperate on the first day and they had some rain showers. They were able to keep the fields dry with the help of West Bend Elevator and they were ready to play ball.

The tournament was a great success and they hope to plan another one for next year.

The organizers are pleased to announce one of Kewaskum's own won the tournament. Kewaskum III took first place and was awarded individual trophies. The second place team was Campbellsport I,

third place was Campbellsport II and the fourth place team was Long Lake.

There are many people to thank for all their help and donations. The businesses who donated were Piggly Wiggly, L&R Trophy, West Bend Elevator, and Heberer Bros. Home Improvements. They would also like to thank the parents for their support and umpires who might not have had children involved in the tournament but still took the time to help. Hope to see you next year.

Indians Crush Kiel In First Conference Match

By Kyle Darmody
Student Reporter

On Friday, September 13th, the Kewaskum varsity football team traveled to Kiel to take on the Raiders in the first week of conference play in the season.

After coming off an unexpected break the Indians came in fired up and picked up a dominating 34-7 win.

On the Indians first drive, during a broken down pass play, Indians senior quarterback Travis Kempf decided to scramble it himself from 11 yards out, to put the Indians up quickly, 7-0.

Then in the second quarter, senior Jake Wilson returned a punt 65 yards to put the Indians up 14-0. The significance of the play may not have been the run, but who did it. Jake Wilson played in his first game in two years due to medical reasons.

Right before the half came to an end, the Indians struck once again as Ryan DeLaurier pounded it in from two yards out.

In the third quarter it was much of the same as the

Indians continued to lay it on the Raiders, when Troy Koeferl punched it in from one yard out, but the extra point failed, making the score 27-0.

In the fourth quarter the Indians would score one more time when Travis Kempf hit Jake Wilson for an 11 yard touchdown pass.

Kiel would add a touchdown before the game would come to a close. Troy Koeferl led the Indians in rushing with 83 yards on 19 attempts.

Jake Wilson had two punt returns totaling 99 yards and one catch for 11 yards and two touchdowns.

Cody Repovsch had an interception which he returned for 38 yards, and Keith Schmidt recovered one fumble.

Joe Rinzel led the Indians in tackles with eight (five assisted and three unassisted), and Corey Darmody led the Indians in sacks with two, giving him four on the season in just two games.

The Indians now go on to face the much dreaded Sheboygan Falls Falcons.

Kewaskum and Sheboygan Falls shared last year's conference crown with Campbellsport. Gametime is at 7:00 and the Indians would love to see all the support they can get!

Lady Indians Dominate First Conference Match

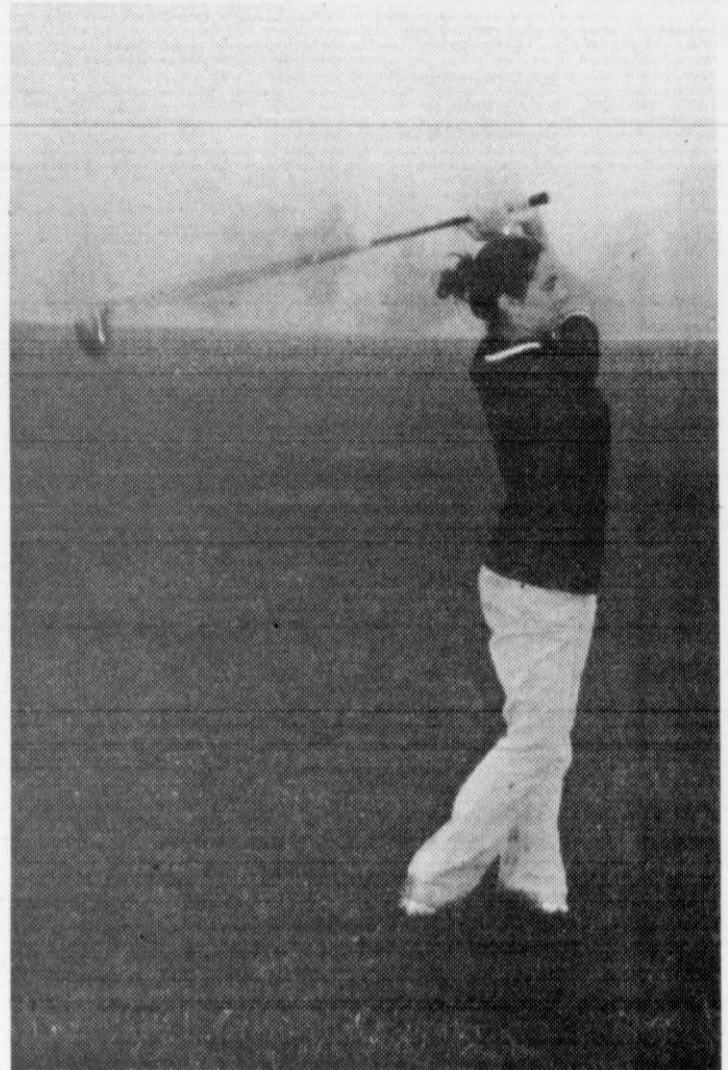

By Kyle Darmody
Student Reporter

In hopes of getting a big win in the first conference match of the year the Kewaskum girls varsity volleyball team traveled to Plymouth on Tuesday, September 10th. Their hopes came true as the Indians took over early in match one and never looked back winning by scores of 15-8, 15-5, and 15-5.

After coming off a first place finish in the Kewaskum tournament the previous Saturday, the Indians came in to the conference season with a lot of confidence and momentum. And it showed with the early 15-8 first match win.

The Indians then looked to take their momentum back home to take on Sheboygan Falls.

Lady Golfers Finish Second In Seven Team Tourney

Cassie Rimmel's 49 led the Indians to a solid second place finish.

By Kyle Darmody
Student Reporter

On Thursday, September 12th the Kewaskum girls varsity golf team took second place in a seven team tournament which was held at Hon-E-Kor in Kewaskum.

The Indians came just two strokes short of a first place finish with a team score of 206. Oconomowoc just slipped by Kewaskum with an overall team score of 204.

Leading the way for the Indians were juniors Crystal Dreher and Cassie Rimmel with scores of 49. They were followed by senior Cassie

Laatsch who shot a 59. Samona Kluever from Oconomowoc led all scorers in the tournament with a 43.

The tournament was host to all the Little Ten girls golf teams, and later could prove to be crucial to see who wins the conference crown this year.

With a strong second place finish at the tournament, the Indians remain in third place for the championship race, but are just a few points shy of sliding into the second place position.

The Indians next competition is Monday at Watertown.

Gridiron Hosts First Home Game of Season

Submitted by:
Cindy Shaske
Kewaskum Gridiron Club

It's week two of the Kewaskum Gridiron season, and enthusiasm and excitement is definitely building. It was the first home game and we had a nice turnout of parents and fans.

The eighth grade won very decisively with a score of 38-6; the seventh grade lost 0 - 8, and the sixth grade rounded out the day with a win, 14-6. The fifth grade had a bye.

The teams are preparing this week for another home game on September 21 which is also Parents Day. We'd love to have more fans on hand to cheer on the

home team. Games begin with the sixth grade at 4:00 p.m., followed by seventh and eighth grade. Festivities include half time introductions of players and their parents. Please plan on joining us.

PUBLIC NOTICE TO ALL CUSTOMERS OF KEWASKUM MUNICIPAL WATER UTILITY

The Kewaskum Municipal Water Utility has filed an application with the Public Service Commission of Wisconsin (PSCW) to increase water rates. The increase is necessary primarily due to construction of new Well and Pumphouse #5, painting of Water Tower #3 and anticipated costs of water main replacement on Riverview Drive in 2004.

The total increase in water revenues requested is \$88,951 which will result in an estimated overall rate increase of 24% over the water utility's present revenues. If the request is granted, the water bill for an average residential customer with a 5/8-inch or 3/4 inch meter who uses 14,000 gallons of water per quarter will increase from \$36.70 to \$46.10, or 26%.

A telephonic public hearing on the application has been scheduled for Monday, September 30, 2002, at 11:00 a.m. in the Council Room, Municipal Building, 204 First Street, Kewaskum, Wisconsin. Scheduling questions regarding this hearing may be directed to the PSCW at 608-266-3766.

If you have any questions, please contact Daniel S. Schmidt, Administrator/Clerk/Treasurer, Kewaskum Municipal Water Utility at 262-626-8484.

Bear Camp, Before the Hunt!

Hello friends,

A little over a year ago, I met J. Bird Kornfehl, a fishing/bear hunting guide, from Mercer, in Iron County Wisconsin. We have shared a lot of laughs as well as outdoor experiences since then. For the next two weeks, I will write about the seven days Herbie Helland and I spent helping J. Bird preparing for seven hunters he had booked.

Sunday, September 1
High 74, Low 50

The work for providing a quality hunt began in June and has taken every day since then.

J. Bird runs baitpiles which are holes in the ground filled with a mixture of doughnuts, candy and pie filling and then covered with logs. Some of these baitpiles are over 20 years old and are located in secluded areas.

Last year, when I observed one of J. Bird's baits, called Scary Bait, I saw four adult bear in one evening. Each bear that came to the bait was bigger than the previous one. I witnessed some incredible fights as the bruins played king of the pile.

Long term baitpiles create a social status among bears. In most cases, females with their young will not come to baitpiles, since the males will kill the cubs if they can. Hunters kill many bears near baitpiles not because the bears have an empty stomach, but because they are checking out the social scene.

All of J. Bird's baitpiles were hit last night. This put us in a fine mood as we spent our day in the woods.

Tuesday, September 3
High 68, Low 49

Herbie Helland and I started our day watching the sun come up over Trude Lake. We hoped a Canadian goose would fly overhead so we could make supper out of it. We didn't see any geese and thus we hit the bush tending to baits.

I learned a lot this week. The excellent crop of blue and blackberries, as well as the abundant supply of tent caterpillars and ants, had the black bears in excellent shape. I also learned about

the dreaded acorn drop. Black bears hitting bait will virtually stop over night when acorns begin hitting the ground.

This year, baiters hunt first and next year dog runners get the first week. Like the acorn drop, opening day of dog/bear season can shut down the baits. This is why so many baiters send back their tag.

Something else I learned during our four days of preparation for the hunt, is J. Bird's love for what he is doing. This is exhibited by his hard work and concern for his hunters and the difficulty to actually turn a profit in this business.

The Bear Mobile, J. Bird's 1988 Chevy 4x4, drinks lots of gas and has a desire for frequent mechanical work.

The three of us are calling J. Bird's cabin Bear Camp. We are eagerly awaiting the seven arrivals, including three women hunters. I'm betting at least one of them shoots a bear. I get my permit next year or the year after. I'm already thinking about it on a daily basis!

Life is good!

Indians Rally From Behind to Pick Up Big Win

By Kyle Darmody
Student Reporter

The Kewaskum girls varsity volleyball team hosted the Sheboygan Falls Falcons on Thursday, September 12th, in a highly anticipated EWC Conference matchup.

The Indians kept their fans on the edge of their seats all night as they snuck by the Falcons with scores of 15-8, 13-15, and 15-11.

The Indians took over early in the first match and never really gave the Falcons much of a chance and went on to win 15-8.

In match two a whole new Sheboygan Falls team walked on the floor and pulled out a close match two win, therefore forcing a deciding game three.

To everyone's surprise the Falcons came out strong and put up a quick seven unanswered points. Then the Indians finally got the ball, and Beth Boedeker stepped up and gave the Indians a much needed boost as she brought the Indians back to even by scoring many of their seven points on serves.

"Beth and Megan (Butler) both served the ball well for us in the last match," Coach Rizzardi said, "and serving is what allowed us to win that third match. One difference from Tuesday night to Thursday night was our serving percentage. Tuesday our percentage was 88% while Thursday night it was 98%. We only missed one serve! It was a very good week. We picked up two very big conference wins against two

very respectable programs."

The Indians next competition was on Thursday night as they traveled to New Holstein to take part in a Quad. Other teams who attended the meet included New Holstein, Campbellsport, and Kiel.

Campbellsport and New Holstein both head into the match also 2-0.

The Indians will then go on to Waupun to take on some tough competition in a Saturday morning tournament.

First Birdie For Rosie

Playing at Old Hickory Country Club at Beaver Dam on Saturday, August 10, Rosie Williams of Kewaskum scored the first birdie of her golfing career.

On the 315 yard, par four, fifth hole, Rosie hit two nice fairway shots to the edge of the green, then sank a 26 foot putt from off the green!

This was witnessed by Joyce and John Heisdorf and Larry Williams, Rosie's husband. Rosie, however, would not divulge her 18 hole total.

In the event of your next dent!

Cross Country Season Off and Running

The 2002 Kewaskum High School girls cross country team. Front row, left to right: Sammie Czerwinski, Breyan Donath, Becki Herriges and Katie Ulemann. Back row: Rachel Shea, Allison Janz, Jessi Graham, Leslie Schulz and Amanda Donath.

The 2002 Kewaskum High School boys cross country team. Front row, left to right: Levi Spaeth, Jon Hawig, Adam Woebbecking, Josh Meyer, Andy Lickel, Marty Harris, and Zack Van Wormer. Back row: Adam Janz, Michael Neumann, John Carpenter, Kevin Keller, Justin Kissinger, Josh Bryant, Matt Smolinski, Adam Wagner, and Jeff Paulus.

Last Friday the Kewaskum High School cross country team competed at the Mayville Invitational. Out of the 20 participating teams, both the boys and girls teams placed 13th.

Becki Herriges led the girls team with a time of 18:05 for the 4000 meter course, placing 45th overall. Following closely were Breyan Donath in 56th, Amanda Donath in 65th, Jessi Graham in 133rd, and finishing out the counters was Rachel Shea in 141st. All but Becki ran their personal bests. Becki missed hers by one second.

For the boys team, Josh Meyer cruised to a fourth place finish overall with a best time ever of 17:34 for the 5000 meter course. Rounding out the scoring group were Zack Van Wormer in 68th, Adam Woebbecking in 74th, Andy

Lickel in 80th and Marty Harris in 87th. All the boys ran personal bests against the field of 160 runners.

"With only three returning letter winners on each team, I am counting on a number of newcomers to fill in the gaps left by the graduating seniors last year," stated Coach Drexler. "Seniors Marty Harris, Breyan Donath and Jessi Graham along with junior Allison Janz and sophomore Amanda Donath are stepping in and doing a great job. A strong contingency of freshman boys came out this year with three of the seven individuals already running consistently for the varsity team. Zack Van Wormer, Jon Hawig and Adam Wagner are demonstrating some great running talent and I am looking forward to working with all these individuals for the next few years."
