Horbas Hired as New Principal at KHS

By Nicole Rawley
STATESMAN STAFF

Christine Horbas was appointed the new principal at Kewaskum High School at Monday night's Kewaskum Board of Education meeting. Horbas is the first female principal at the high school.

Christine is a Kewaskum resident who is currently principal at Brookfield East High School. Previously to that she was a math teacher at Goodrich High School in Fond du Lac.

She holds of Master of Arts from Marian College in Educational Leadership and certification in School Business Management, a Bachelor of Science in Math Education (6-12) and a Master of Science, Curriculum and Instruction from UW-Milwaukee and an

Associate of Science in Pre-education from UW-Washington County. She also is a graduate of Slinger High School.

When asked by board member Jean Goeden how she felt about toilet papering, Horbas replied "in some districts its a cultural thing and its ok as long as students take responsibility for themselves and clean up." In addition to that she stated "A prank is not a prank if you hurt somebody, whether it be physically or their checkbook."

Other new hires from Monday night included James Hillier who will be taking a one term replacing Mr. Dave Nordeng and Heather Noworatzky who will replace Cheryl Taylor as a counselor at Kewaskum Elementary School.

The board also decided to further discuss a possible referendum to exceed the revenue limit. A meeting will be held on Monday, June 16 at 7 p.m. at the District Office to discuss the budget. The public is invited and encouraged to attend.

Weyer Appointed To School Board

Tammy Weyer

By Nicole Rawley
STATESMAN STAFF

Tammy Weyer beat out Neal Weare and Carrie Kuehl for a seat on the Kewaskum Board of Education at Monday

night's meeting. Deb Strigenz had put in a letter of interest but later pulled out.

Weyer who works at West Bend Mutual Insurance Company will serve on the board at least until the April election. In April, if she would still be interested, her name would be placed on the ballot for a full term.

Weyer received four of the 6 votes, Carrie Kuehl receive one and one board member wished to not vote.

Weyer is filling John Schulte's seat who resigned in April after a recall effort against him was started.

'Tree Trimmers' Not Allowed To Participate in Ceremony KHS Commencement Saturday Afternoon

Lauri Bausch

By Andrew Kuehl
STATESMAN EDITORIAL STAFF
akuehl@kewaskumstatesman.com

Kewaskum High School will hold commence exercises for the 2003 seniors this Saturday at 1 p.m. in the Field House of the high school.

Three seniors involved in what they called a "senior prank" will though not be allowed to participate in the ceremony. The Kewaskum School Board made that ruling at a special meeting held last week.

In addition to not being able to participate in the ceremony, the three teens are being punished with 40 to 50 hours of community serves and fines of \$1,600.

Once those conditions are met Superintendent Wayne Graczyk says they will receive their diplomas.

Shane Dreher, an 18 year old junior at the school and the driver in the fiasco faces an expulsion for his part in the vandalism.

He has already been charged in Washington County Circuit Court, his next court date is July 10. If convicted he faces up to seven years in prison and \$20,000 in fines.

Photos of each of the graduating seniors can be found in a supplement accompanying this edition.

This year's valedictorians are: Lauri Bausch, Sarah Kurer, Jaell Ledford, Alexa Nelson, Kayla Sauer, Justin Wessing and Alison Yanke

This year's Salutatorians are Valerie Rieden and Amanda Survis

National Honor Society Members will be recognized by a white stole at the ceremony, they are: Michelle Backhaus, Cassandra Laatsch, Lauri Bausch, Jaell Ledford, Ashley Benike, Andrew Lickel, Julie Blasky, Kyra

Meyer, Lisa Boden, Heather Meyer, Jacqueline

INVEST in a WISCONSIN CO.

Exciting growth in the ethanol industry can mean an investment opportunity for you.

United Wisconsin Grain Producers, LLC (UWGP) is proposing to build a 40 million gallon per year ethanol plant near Friesland in Columbia County.

UWGP is offering ownership units in the limited liability company and this investment opportunity is open to ALL qualified investors in Wisconsin and Illinois (minimum \$10,000 investment).

- All local zoning and permits have been secured.
- Permission has been granted by the Securities and Exchange Commission to sell ownership units.
- Ethanol is a cleaner burning fuel that reduces air pollution and our dependence on foreign oil.
- Learn about ethanol's relationship to E85 vehicles and the fuel cell.
- There are 71 ethanol plants producing now.
- Estimated cost of the plant and startup is \$57.425 million.
- The plant will employ 32 people and use 14-15 million bushels of corn.

You do not have to be an ag producer to invest in this project. This investment may be an attractive alternative to stock or money markets. Invest in Main Street Wisconsin rather than Wall Street.

Attend a meeting or call 920-348-5016 or toll free 877-679-6788.

JIM DONATH MEMORIAL BASEBALL TOURNAMENT

Baseball permeates summer life here in Farmington. We even find it a good way to honor those who have passed on. The Historical Society's Memorial Day program is followed with a baseball tournament in memory of the good old days.

A new annual event held on the first weekend of June is the Turner Athletic Club's Jim Donath Memorial Men's Softball Tournament, in memory of a good too-young-to-die neighbor.

"Jim was an avid sportsman and hunter. He founded the High Times Hunt Club. We used to go deer hunting up north every year. We were both members of the Turner Athletic Club. Last fall we were talking about a softball fundraiser for Jim and his family due to Jim's rising medical expenses. We couldn't hold one at that time of the year, so we scheduled it for the following spring," said Jim's brother Scott.

Jim would have loved it. He missed it by six weeks. Jim passed away April 15 after a lengthy illness. He left behind family and close relatives, and a lot of friends out here in Fillmore who will miss him dearly.

"I went out and hung posters," said Scott. This was one of the ways he coaxed fourteen teams to sign up. They came from as far as Milwaukee, Campbellsport and Eden. The tournament started in the rain on Friday, May 30, at the Turner Athletic Field in Fillmore.

The overall winner after three days and 26 games, "some of them pretty long," was the team from St. Killian. They won five games to take home a grand prize of \$500. The teams paid \$100 entry fees, with University Mobil taking second, Badger Wrecking coming in third, and our own home-grown team from the Fire Escape in Fillmore taking back their entry fee for fourth.

Saturday night down at the diamond was hopping with Jimmer's Jukebox adding to the fun. Cash prizes and a Sunday raffle rounded out the weekend. Scott is grateful for all the generous donations, including two hundred pounds of hamburger for the concession stand grill from Kevin Thull. "And we used it all," said Scott.

Losing Jim "was hard," according to another baseball-loving brother, Dave. Dave coaches the Kewaskum High School team. "It was time to go," he said. "After the last time he came home

from the hospital, his quality of life was pretty much gone."

"He never raised anybody's feathers," Scott remembered. "He was a good guy."

For information on signing up or donating prizes or food for next year, call Scott at 262-626-3380.

FARMINGTON ATHLETIC ASSOCIATION

Coach of the Senior Girls 2 team, Jane Meyer, updated her team's record with a blow-out at Adell, 15-2 in five innings. "Experience certainly showed," she said. Jamie Logan and Heather Meyer each hit home runs. "Pretty much everyone hit. It was a good experimental night for us." Coach Meyer let the girls play different positions after the first couple of innings. Erika Hughes started the pitching with Alyssa Donath finishing.

CHANGE IN WORSHIP TIME AT ST. MARTIN'S

On Sunday, June 15, 2003, there will be one joint service of worship at St. Paul's community church at 8:30 a.m., with no worship at St. Martin's in Fillmore.

A smile happens in a flash, but the memory of it will last a lifetime.

Campbellsport Teen Still In Critical Condition After Car Accident

By Andrew Kuehl
STATESMAN EDITORIAL STAFF
akuehl@kewaskumstatesman.com

A rural 16 year old Campbellsport boy is in critical condition after being involved in a single motor vehicle accident Wednesday, June 4 at around 5:45 p.m.

The accident occurred when Michael Harshbarger, 17, Eden was driving with passenger Robert Becker, 17, Campbellsport and the 16-year-old victim.

Harshbarger allegedly was on his way to Campbellsport from Fond du Lac when the 16-year-old said he wanted to stay in Fond du Lac. Harshbarger jokingly stopped the car and told the teen he could walk if he wanted to.

The teen got out and climbed on the roof of the car and laid on it. Harshbarger allegedly

started to drive the vehicle at a speed of around 15 M.P.H., within a few seconds the teen fell off. When the occupants of the car got out the teen was standing up and could not move. The driver and occupant of the car helped the teen back into the car and drove him to Campbellsport Medical Clinic.

Upon arrival there, the clinic was closed and the three proceeded to the teen's home where Campbellsport EMS was called. Upon arrival at the home the teen was unconscious.

Flight for Life helicopter was also called and landed in Waucosta from where they transported the teen to Froedter Memorial Hospital in Milwaukee.

Hospital spokesperson, Carolyn Bellum reported Tuesday evening that the teen was still in critical

condition.

Due to the accident occurring in Dodge County, the Wisconsin State Patrol is further investigating the accident.

THANK YOU

I want to thank all the people for the cards, phone calls and visits during my stay at the hospital and at home.

Also thank you Pastor Eric for your visit and prayers. It was greatly appreciated.

Thanks again!
Willard "Barney" Prost

COMMUNITY NEWS

Historically Speaking... News From County Historical Society

Shown above is a Vietnam Veteran display at the Washington County Historical Society's Memorial Day Ceremony

By: David Gosa

As summer draws near there are several wonderful events to look forward to at the Washington County Historical Society. This summer the Washington County Historical Society will be hosting Pioneer Kids Days and Pioneer Family Day at the Washington County Historical Society. Pioneer Kids Days will be held August 7th and 8th from 8:45 until Noon and Pioneer Family Days on Sunday August 10th from 11:00 am until 5:00 p.m. This year we will focus on Early Wisconsin Homesteaders. There will be games, crafts, songs, stories, and a special guest. Pre-Registration is required. For information and registration contact us at (262) 335-4678 or visit our website at <http://www.historyisfun.com>

The month of May was full of excitement and activities at the Washington County Historical Society. May started out with the staff at the society putting the finishing touches on our permanent World War Two exhibit that opened May 26th. Another splendid event was our Annual Preservation Awards Program that was held on May 20th. The final event for the month of May was our Memorial Day Program held on Monday, May 26th.

The Washington County Historical Society was pleased to announce the recipients of the Society's Annual Preservation Awards at their bi-monthly meeting on Tuesday, May 20, 2003. The President's Award for the preservation of historic Washington County buildings, constructions, or sites was presented to Stone House Development for renovation of the Amity Leather Company while at the same time maintaining the historic integrity of the landmark. The Edith B. Heidner Award for documentation of Washington County history was presented to Richard Klumb for his history of the Holy Angels parish in written and video form. The Zella Loomer Award for lifetime achieve-

ment in history was presented to Marge Holzbog for her untiring effort and leadership in preserving the history and landmarks in Richfield Township. The Sila Lydia Bast Award was presented to Ronald Klumb in recognition of the research and writing of his family history. A Special Merit Award was presented to Russell Zirbel to recognize the hours he dedicates to the Society's Research Center in translating German documents into English. There were many nominations for the annual Preservation Awards, equally deserving, which were also recognized at the meeting. The Historical Society is gratified that Washington County residents and businesses are cognizant of the value of history throughout the county as they expand or remodel existing structures or document histories. The Society also wishes to thank all those who filled out award nominations.

Our next bi-monthly meeting is scheduled for Tuesday, July 15, 2003, at 7:00 P.M. The topic of this meeting will be the history of the Gehl Company. All meetings are free and open to the public.

The Washington County Historical Society opened a permanent World War Two Exhibit. The exhibit is titled Heroes Remembered: Washington County during WWII. The Washington County Historical Society feels that it is extremely important to preserve and display the stories, experiences and artifacts of Veterans so future generations can fully understand and appreciate all the sacrifices that they gave for our freedoms. As a nation we need to continue to honor and to remember the enormous legacy that our veterans have given to this great country. In addition to the permanent World War Two exhibit the Washington County Historical Society had a magnificent Memorial Day service on Monday May 26th. The guest speaker was Senate Majority Leader Mary Panzer. After the ceremony Mary spent time talk-

ing with visitors and touring our facilities.

Another reminder as you start to schedule activities for the summer. On June 14th and 15th the West Bend Airport will be hosting the Southeastern Wisconsin Airfest, the society will have a booth at the event. Also, the Washington County Historical Society will be closed on Fathers Day June 15, 2003.

The Washington County Historical Society, Inc. is located in West Bend, Wisconsin, and is a not-for-profit educational organization supported by sales, contributions and membership. The Society serves to promote an educational program that will bring a better understanding and appreciation by the citizens of Washington County of their history, heritage

Village Board Rezones Land For New Subdivision on East Side of Village

By Kim Survis
STATESMAN CORRESPONDENT
ksurvis@kewaskumstatesman.com

A Village of Kewaskum Board meeting was held on Monday June 2nd. First on the agenda was a public hearing on a rezoning request for Solid Rock Development, LLC of a parcel of land adjacent to 708 Main Street.

The parcel is located on the East Side of the village, northeast of STH 28 and Stark Street. The lots are currently zoned as R-2 Single Family residence district (7,200 sq. ft. minimum lot size), Solid Rock Development, LLC requested for a rezoning to R-1 Single Family Residence District (10,000 sq. ft. minimum lot size), with the exception of one lot located at 708 Main Street remaining R-2.

The Village's planning commission gave a positive recommendation to rezone the area. The board decided to adopt Ordinance No. 2003-08, an Ordinance amending the zoning for the parcel of land.

In addition, the board reviewed a request of Solid Rock Development, LLC for permission to use the village's engineers for the design work on the sanitary sewer lift station for their

subdivision, Kettle Kountry Estates. This was at no cost to the village, so the board approved the request.

The Park and Recreation Committee report included a discussion regarding the fall zone for the new playground equipment, for Kewaskum Kiwanis Community Park. The new equipment that is being donated by the Kewaskum Junior Women's Club and the relocation of the existing apparatus with the placement of a fall zone beneath that one as well.

Because of liability reasons the equipment company, without a fall zone already in place, will not install the playground equipment. The fall zone beneath the new apparatus is about 32X49 sq. ft. Rubber matting has an estimate cost of \$16,920, with no other maintenance costs, it has been known to last over ten years. Wood chips have an estimate cost of \$3,000 plus labor, and have yearly maintenance costs.

The Board agreed to place the rubber matting under the new playground equipment and wood chips under the relocated piece of playground equipment. This money will be taken out of the open development fund, designed for park upkeep.

The board approved Resolution No. 2003-16.

This is a resolution accepting by dedication the east half of Edgewood Road. Once accepted the village will be able to complete the boulevard.

The board then reviewed the request of Nextel to enter into an agreement to place antennas on water tower #1, located off of Reigle Drive. Currently Kewaskum is leasing some of the space on its water towers, and the Board plans to look into Nextel's request further.

Finally, the board accepted the proclamations of appreciation for Raynor Herriges and Frank Beesten, retiring Committee/Board members.

Herriges was recognized for serving on the board of appeals for the village for six years. Beesten dedicated nine years to the library board. Beesten continues to serve on the planning commission.

Dave Stradtman replaced has replaced Beesten on the library board.

Charles Boegel, who previously was an alternate on the board of appeals, has taken over Herriges' position. Boegel's alternate position is open and anyone interested in filling it can contact the village hall at 262-626-8484.

Town of Scott Holds June Meeting

By Bernadette Mondloch
STATESMAN CORRESPONDENT
bmondloch@kewaskumstatesman.com

The Scott Town Board has approved payment of \$1,000 to assist the Beechwood Sportsman's Club toward financing the cost of weed spraying for three acres of Beechwood Lake. It is estimated that the project of controlling the growth of Eurasian water milfoil weeds in the lake will cost approximately \$3,000. The club is working with the DNR to obtain a grant to assist in the spraying.

The Scott Highway Department has completed seven miles of crack filling and is beginning roadside grass cutting. A stop sign on the corner of CTH D and Boltonville Road had broken off and has been replaced. New culverts have been replaced on Boltonville Road.

Littering violations occurring at the Town Recycle building are being investigated. Discussion led to the possibility of installing a surveillance camera, however a final decision did not come about.

Consideration was also given to parking the dumpster inside of the building to have better control on what is deposited into it. An undetermined number of people have been leaving appliances containing freon in the dumpster after hours. When brought to the collection point during normal hours, there is a charge of \$25 to \$35 for disposal. This is the amount, which the town must pay for disposal, which means that every property owner in the town is assisting in paying for the individual's garbage disposal.

Under a plan proposed by the town to its two fire departments, the town would create a contingency fund, which would be department specific. A current balance of \$30,120.73 would go to Batavia Fire Department and the \$2,003 budgeted amount would be divided equally. \$15,000 would be designated for the 2004 budget depending upon availability. In future years, 3% would be added annually to keep up with inflation.

These amounts would be maintained for a period of 3 years and reviewed at the end of each three-year period, adjusting it as needed. Batavia and Beechwood Fire Departments would be able to obtain State loans by going through the town for the purchase of new fire trucks when needed. It would be the Town's objective to pay off any loans as quick as possible. All monies received from the sale or trade of old vehicles will need to go back into the contingency fund of each specified department. ISO certification would need to be maintained.

Beer and liquor licenses to Four Seasons Resort on Crooked Lake, LLC., James, and Susan Verhaalen and Patricia Gianna, agents, Grandma & Grandpa's, Adrian Krahn, agent, Schultz's Place, Ottilia Schultz, agent, Buzz's Beach Bar, Brian Ziarek, agent, Lynn's Creek Side Bar & Grill, Mark Lafever, agent.

Beer licenses to Beechwood Sportsman's Club, James Vetter, agent, Beechwood Diamond Club, Adrian Kahn, agent, Batavia Athletic Association, Greg Melius, agent.

Spring Time is Bike Time

The Kewaskum Police Department would like to take this time to remind everyone about bicycle safety and laws pertaining to them.

Wis. S346.03(9), Rules of the Road, states: "Subject to the special provisions applicable to bicycles, every person riding a bicycle upon a roadway is granted all the rights and is subject to all the duties which this chapter grants or applies to the operator of a vehicle..." In short, this means that all laws pertaining to motor vehicles apply to bicycles, including, but not limited to: Riding on the right side of the road, abiding by all traffic signs and signals, riding single file, etc. NOTE: In the event a child needs to ride on the sidewalk due to safety reasons, they should be aware that pedestrians have the right of way and ride only in single file.

Also, Village of Kewaskum ordinances require that all bicycles operated on the streets of Kewaskum to have a current license affixed to them. The cost of these licenses, which are non-expiring, is \$5. They can be obtained at the Municipal Building between the hours of 8 a.m. at 4 p.m.

A few safety tips to everyone operating a bicycle are: Keep your bike in good

working order, wear bright colored clothing to make it easier for motorists to spot you, put a safety flag on your bike, ride single file, be aware of the area you are riding in and be ready to take evasive action if an obstacle appears and make sure the bike is the right size for the person riding it.

If we all follow these rules and safety tips we should have a safe bicycle season.

Richard L. Knoebel, Chief
Kewaskum Police Dept.

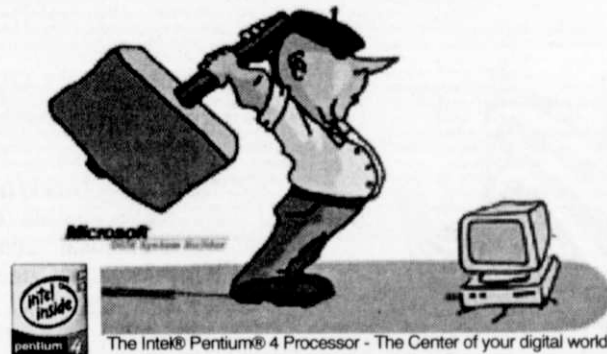

K-TOWN SKAT WINNERS

Skat winners on Monday, June 2nd were: John Haruns, 21-1-20 net; Butch Schmitt, 453 points; Henry Schmitz, 112 high play.

The next skat will be Monday, June 16th at 7:00 p.m. sharp. Angie D's K-Town Saloon.

There are people who make things happen, people who watch things happen and people who don't know anything happened.

LOCAL EVENTS

Buckskinner Rendezvous At Dundee Mill Park Day

Come on down to the Mill Park, go back in time, and enjoy "an ole fashioned" Rendezvous in Dundee on June 21, 2003 from noon until 10 p.m. Mill Park Day will be reliving times between 1700 and 1840. A Rendezvous is a gathering of re-enactors that appreciate days of yore. It's a return to the way of life at the turn of the last century. Stroll through various campsites and visit, learning your heritage.

Throughout the day rifle demonstrations, fire starting, flint knapping, camp life and more will be highlighted. There will also be an international Atlatl competition. You can even watch a

Blacksmith and rope maker. There are other family oriented events such as the Schlitz Audubon Nature Center's Raptor program with an American Bald Eagle and "minnow races" by the Ice Age Center. Plan on making a day of it. See you there!

The park is located on the corner of Hwy. 67 and CTH F in Dundee, S.E. corner of Fond du Lac County. Shuttle service will be provided from the Sportsman's Club Parking lot (across from the BP station on Hwy. 67) to and from the Mill. A handicapped parking and drop off site will be located by the Mill property.

PEOPLE NEWS

Confirmation Held at St. Lucas Church

On Sunday May 4, 2003, St. Lucas Ev. Lutheran Church heard the confession of faith and received as communicant members thirteen young adults. They are, front row, left to right, Pastor Wedwin Fredrich, Andrea Gust, Bridget Dreher, Andrea Boehlke, Joshua Dreher, Amber Scott, Kimberly LaDuke, Sarah Rudzittis, Pastor Timothy Henning and back row: Blaise Lopez, Jade Thelen, Dustin Survis, Zachary Groeschel, Kristin Belger and Justin Weindorf.

An old rascal asked some deacons, "What must I do to be forgiven?"

"Confess your sins," came the reply.

He knelt, his lips were seen to move, but there was no sound.

"We can't hear you," admonished a deacon.

"I wasn't confessing them to you," said the penitent, "but to God; He isn't a blabbermouth."

God doesn't repeat or remember your sins. He says, "I alone am He who blots away your sins for My own sake and will never think of them again."

While confession is good for the soul, it's bad for the reputation. So confess your sins to God. He's faithful to forgive. Believe that they're blotted out, and go on to live for the Lord.

The allowances you give your children never does as much harm as the allowances you make for them.

Mrs. Wisconsin 2003 Crowned

Mrs. Jenni Hanson, Mrs. Wisconsin Globe

WEST BEND - Jenni Hanson of West Bend, was crowned Mrs. Wisconsin Globe. As the new Mrs. Wisconsin, Hanson will represent Wisconsin at the next Mrs. U.S. Globe contest, being held in July 2003, in Palm Springs, California. If selected Mrs. U.S., Hanson will represent the United States at the international Mrs. Globe.

The Mrs. U.S. Globe contest is more than just a pageant. It is a fundraiser for the Women In Need Foundation, a non-profit crisis counseling and educational outreach for women faced with abuse. As Mrs. Wisconsin Globe, Hanson is now the official Wisconsin

Wisconsin plans of using her title to continue bringing the message of hope and healing of W.I.N. in Wisconsin. Says the new titleholder, "Abuse is one of the worst kept secrets. It affects twice as many women as does breast cancer. As the new Mrs. Wisconsin, I hope to share the message that abuse is not a disease, but a learned behavior, therefore the power to heal is within our reach."

Mrs. Globe pageant is the only authentic pageant that offers married women the opportunity to compete at an international pageant every year. The next Mrs. Globe is also taking place in California in late July 2003. At this historic event, over 40 married women, each representing their respective countries will be at the one hour live telecast. Mrs. Globe will air on The International Channel in the United States and to over 35 countries across the world.

raised in West Bend and has been married to her husband, Troy, for 11 years. They have three boys and now reside in Campbell-sport. Jenni owns Ruth-Anne's Gourmet Market and is the president of Jenni Hanson Enterprises, Inc. She is involved in various community activities.

Geidel's Piggly Wiggly and Tantalizer Tanning Studio were local sponsors of Jenni's for the pageant.

Any organization interested in having the new Mrs. Wisconsin, Globe visit their events or groups can call 262-306-1590.

PEOPLE NEWS

50th Anniversary

Loran and Betty Backhaus of 812 Pleasantwood Drive, Kewaskum, will celebrate their 50th Anniversary on June 15 at the home of their daughter. The former Betty Siegfried and Loran Backhaus Jr. were married on June 13, 1953, at Immanuel Lutheran Church, Town of Scott, by Pastor Hans Tornow. Their children are Amy Sohl and her husband Gary of Fond du Lac and Dean Backhaus of San Antonio, Texas.

IN MEMORY

To my dearest family with love from Ryan Boegel (who passed away June 11, 2000).

Some things I'd like to say, but first of all to let you know that I arrived okay.

Please do not be unhappy just because I'm out of sight. Remember that I'm with you every morning, noon, and night. I am closer to you now than I ever was before.

And to my many friends, trust God knows what is best. I'm still not far away from you. I'm just beyond the crest.

There are rocky roads ahead of you, and many hills to climb, but together we can do it, taking one day at a time.

When you are walking down the street, and you've got me on your mind, I'm walking in your footsteps, only a half a step behind.

And when you feel the gentle breeze, or the wind upon your face, that's me giving you a great big hug, or just a soft embrace.

Now I am content that my life, it was worthwhile, knowing as I passed along the way, I made somebody smile.

And when it's time for you to go, from that body to be free, remember you're not going, you are coming here with me.

The one thing we can never get enough of is love. And the one thing we never give enough is love.

Five Generations

Five generations of the Hammes family are shown above. Standing is great-grandfather Donald Hammes of Campbellsport, mother Melissa Hammes of New Hampshire, grandfather Dale Hammes of New Hampshire, and seated is great-grandmother Laura Hammes of Kewaskum, holding Austin Dale of New Hampshire.

50th Anniversary

Roger and Audrey Heberer of N850 Highway G, Campbellsport, will observe their 50th wedding anniversary on June 13, 2003. Both Roger and Audrey are now retired and are members of St. John's Lutheran Church in New Fane. They have three daughters and son-in-laws, four grandchildren and two step-grandchildren who will help them celebrate.

4-H News

By Mitchell Windorf
Club Reporter

The meeting was called to order by vice president Crystal Lepp. Roll call and secretary's reports were given by secretary Rachel Gavin. The treasurer's report was read by Crystal Lepp. Activity reports were Adopt-A-Highway, Puppyland and the Dairy Month Window Display

Demonstrations were given by Crystal Hartman and Kyle Weyer. Old business was the club picnic, Noah's Ark, Kettle Kountry Kolers and Packer Training Camp in Green Bay. The fair was then talked about.

New Business was a Timber Rattler game and Washington County 4-H Leaders Association.

The Cloverbuds did their show-and-tell. The meeting was then adjourned. The next meeting is July 10.

Campus Notes

Milwaukee School of Engineering (MSOE) has released its Winter Quarter Dean's List. Students on the Dean's List have earned a cumulative grade point average of at least 3.2 (out of 4.0) and have completed a minimum of 30 credits. Students on the list who have earned a cumulative GPA of 3.7 or more are listed as high honors.

Local students include: Frank Adam Falter, Kewaskum, Bachelor of Science in Architectural Engineering and Management Systems; Joshua J. Mueller, Adell, Bachelor of Science in Software Engineering and Kurt Russell Snyder, West Bend, Bachelor of Science in Mechanical Engineering.

MSOE is an independent university with about 2,600 students. MSOE offers 16 bachelor degrees in areas such as engineering, nursing, business, management, information systems, technical communication, engineering technology and construction management. Graduate study includes engineering, engineering management, environmental engineering, structural engineering, medical informatics and perfusion.

In business, there are four kinds of bees: queen bee, worker bee, drone and consultant bee.

Proclamation

In the name of
THE PEOPLE OF THE VILLAGE OF KEWASKUM
WISCONSIN

this
PROCLAMATION OF APPRECIATION
is presented to

*** RAYNOR HERRIGES ***

In grateful recognition of your six years of faithful, efficient and dedicated public service rendered to the Village of Kewaskum, Wisconsin.

The Village of Kewaskum is proud indeed of its elected, appointed and public employees, who have contributed, in no small means to the enhancement of the fair name of the Village of Kewaskum. Successive Village Boards appreciate the job you have done as Library Board Member. They also have realized the extra effort given by you to the Village for nine years. Progress in municipal government is predicated, for the most part, upon loyalty and dedication of the civic leaders and employees and their ability to carry out faithfully and effectively the acts of Village Government.

WE, THEREFORE, on behalf of the Village Board of the Village of Kewaskum, Wisconsin, issue this PROCLAMATION, in appreciation of your efforts as Kewaskum Library Board Member and honorable record of service with this Village.

By order of the Village Board of the Village of Kewaskum, Wisconsin, this 2nd day of June 2003.

\s\
Mathew Heiser, President

Happy Father's Day

Sunday, June 15, 2003

Let Dad Relive His Childhood this Father's Day

(ARA) - Chances are the special Dad in your life played with Erector Sets when he was growing up -- more than 30 million sets were sold between 1913 and 1966. Now celebrating its 90th birthday, the Erector Set has an incredible following of collectors as well as consumers who continue to be intrigued by the build-and-play toy.

Dad is in good company. Among those who enjoyed Erector Sets as kids are Buzz Aldrin, the lunar module pilot of the first moon landing in 1969, and Dr. Harry Kloor, the first person to receive two Ph.D.s at the same time (one in chemistry and one in physics).

The toy was invented by A.C. Gilbert, a veritable Renaissance man who was an Olympic athlete, magician, doctor and marketing impresario. He received over 150 patents for his inventions and established the Toy Manufacturing Association (now called the Toy Industry Association).

Aldrin says he was 7 or 8 years old when his parents gave him an Erector Set. His collection grew over the years, but he was constantly running out of parts as he built designs he created. "I tried to make more out of them at one time than they were capable. I remember seeing pictures of airplanes with propellers that had pulleys. I tried building airplanes and towers," he recalls.

Kloor also liked building his own creations instead of the suggested models. He and his friends used Erector Sets to indulge their love of

science and science fiction. "We did a lot of things, I think, that was not originally intended that helped me with my own scientific background. We would get motors from other little toys or objects and actually add aspects that weren't originally in Erector Sets. But what was great about the sets was that you had building blocks and you could design things."

Not only does the toy encourage creativity, it gives kids skills they may not recognize until later in life. "Erector gives you a fun appreciation of structures and you sort of see what works and what doesn't," says Aldrin. "If you get into the mechanics and structures, you begin to appreciate it a lot more." Kloor agrees. "Erector is exercise for your brain," he says succinctly. Kloor also calls Erector a toy of cooperation. "It was easier to build things with a partner," he says.

The Erector brand has experienced resurgence in the United States in the past couple of years. The made-for-television movie called "The Man Who Saved Christmas," and a book, "The Man Who Changed How Boys and Toys were Made," highlighted the toy and its inventor.

The original multi-model metal sets are still around, but there are also five additional categories that will appeal to younger children, builders, collectors and kids of all ages. Erector's new Design line features flexible pieces with molecular memory, which allow for more realistic models. This unique

flexible metal bends for building and springs back to its' original shape when starting something new. "This material has increased the building options and realistic look of the models," says Kay McCardle, senior product manager for BRIO Corporation, the company that distributes Erector Sets in the United States. "It's come a long way," echoes Aldrin.

So this Father's Day, let Dad relive his childhood with a new generation of Erector Sets. He might even let the kids play.

Erector Sets are available in specialty toy, educational, hobby and museum stores and through select catalogs and Internet sites. For a list of retailers, call BRIO toll free at (888) 274-6869 or visit the company's Web site at www.brio.net.

KEWASKUM SCHOOL NEWS

KHS Spring 2003 Preschool Class

The 2003 KHS Spring Preschool students and teachers. Front row, left to right: Brandon Schuetz, Bailey Schuetz, Tony Leiter, Hannah Coman, Megan Dixon, Breanna Mielkie, Natalya Luedtke, Kayla Totvanen, Josh Radtke, Adam Hildebrand, Nicholar Duernberger. Second row: Nikita Luebke, Tyler Oelhafen, Shawna Landvatter, Liam Hupfer, Syndey Faehling, Cody Oelhafen, Abigail Bingen, Deanna Ludwikowski. Row three: Angel Bath, Danny Seitz, Hailey Rohlinger, Troy Eggert, Nicholas Buchel, Travis Eggert, Alice Feind, Samantha Schoofs, Brianna Taylor, Jenna Roecker. Row four: Holly Blank, Rachel Harris, Ben Westermann, Mike Zingsheim, Becky Junk, Matt Hartmann, Kristin Mantz, Dave Wicklund, Laura Schladweller, Heather Anderson, and Emily Monte. Missing from picture was preschooler Tiffany McFarlane.

Another successful preschool was held in May by the Kewaskum High School Child Development Classes with both the teachers and students having fun and learning from each other. The preschool happens every semester as the culmination of learning about children for Mrs. Carol Martin's juniors and seniors. The students plan activities such as stories,

art, music and learning activities for the preschoolers. The high schoolers even shared some of their pets, including a rabbit, hamsters, mice and a five-day-old calf as part of their nature activities.

Teachers for the preschool that are not included in the picture are: Sarah Bandler, Lisa Beck, Steve Carter, David Cibulka, Dana Garbisch, Amy Guelig, Katie

Kowalczyk, Tabitha Kutschenreuter, Cassie Laatsch, Krystal Lark, Jessica Logan, Casey Maul, Margaret Reindl, Mary Reindl, Rachel Shea, Stevie Strack, Kendra Strobel, Tanya Theisen, Ashley Theusch, Chris Van Beek, Jamie Wilson, Alison Yanke, Samantha Duenkel, Andy Breese, Crystal Dreher, Kyle Rabuck, Ketih Schmidt and Chris Theusch.

The next preschool will be held in December. Parents of children ages three to five are asked to watch the Statesman for sign-up procedure.

KMS Students Reach Presidential Fitness Milestone

This month students at Kewaskum Middle School completed the Presidential Fitness Challenge, where they were tested in muscular strength and endurance, flexibility, speed, and agility. In order to qualify for the Presidential Fitness award, students needed to score in the 85th percentile or higher in each of the five tests.

This years winners include:

Sixth grader Nicole Meyer;

Seventh Graders Benjamin Butler, Greg Teschendorf and Danny Dymond;

Eighth Graders, Marissa Dehler, Eric Ogi, Michael Pfothenauer, Crystal Treptow, Ashley Turner, and Jacob Turowski.

Cornelius Wins 'Agriculture And Me' Essay Contest

Katie Cornelius of St. Lucas Lutheran School was one of the nine winners of the 2003 "Agriculture and Me" essay contest conducted by the Wisconsin Farm Bureau Federation. Katie is the daughter of Pastor William and Debra Cornelius.

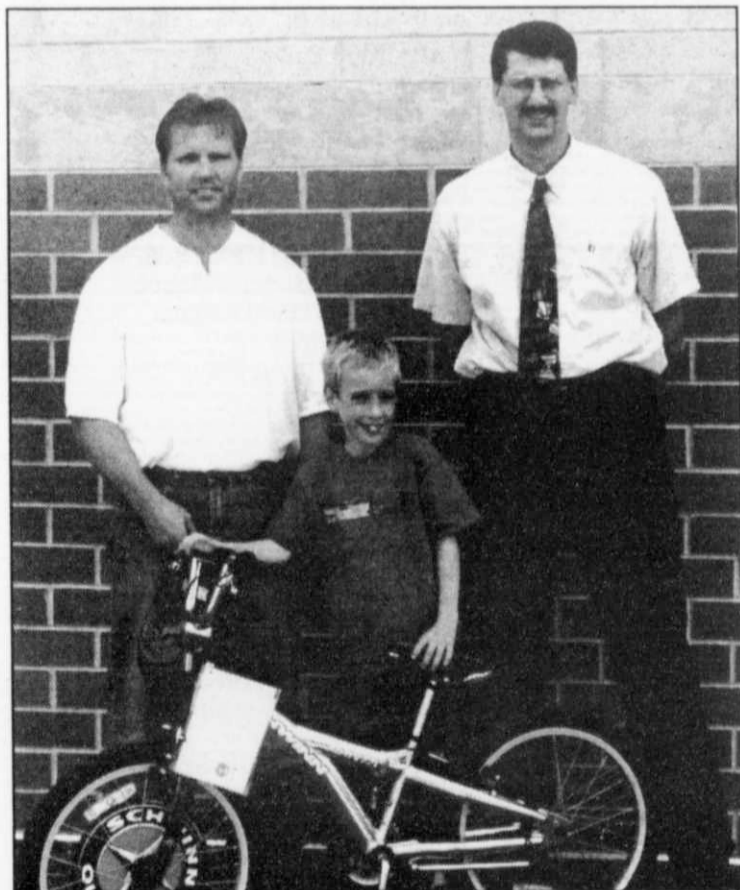

Following the theme "Wisconsin Farmers Are Important Because...", nine essays submitted by fourth and fifth grade students across Wisconsin have been selected as district winners in the Agriculture and Me Essay Contest.

Winners were selected from more than 1,200 entries submitted statewide.

The contest, sponsored by the Wisconsin Farm Bureau Women's Committee, is designed to help students discover Wisconsin's diverse agriculture industry and its important role in the state's economy. Each winner received a framed certificate and a pizza party for his/her entire class, courtesy of Culver's Franchising, Inc. In addition, each winner's teacher received a supply of agricultural resource materials for classroom use.

Next year's topic will be "How Many Hats Does a Farmer Wear?" and contest rules will be released in mid-June.

Auto Body Dynamics Donates Bike to Kewaskum Elementary

Kewaskum elementary first grader Josh Rahlf was a pretty happy young man Monday afternoon when his name was drawn from 430 names for a new bike and helmet.

Students who weren't tardy between October and June 1 had the name put in a box twice for the drawing and student who were tardy between one and five times had their names put in once. Out of 500 students, 430 had their names in the box.

Tom Kudek of Auto Body Dynamics approached principal Kieth Kriewaldt with the idea in October and students and parents were told about the drawing.

Kudek and Kriewaldt hope to have similar drawing next year for students.

Shown at left are Tom Kudek of Auto Body Dynamics, KES Principal Keith Kriewaldt and bike winner Josh Rahlf.

KEWASKUM SCHOOL NEWS

Faith-a-Thon Team 2003

Team returns to Holy Trinity after a full day of competition and fun! 6th grade team front row from left to right: Eric Sabel; Nathan Seitz; Nick Faber; Alex Tischendorf; T.J. Timblin; Heather Schaller. 8th grade team back row: Allison Kowalczyk; Katie Schoofs; Lindsey Krautkramer; Elisa Schoofs; Tyler Stamm and Lauden Belongia.

For the first time in recent history Holy Trinity School sent two teams to compete in a competition called Faith-A-Thon on May 16th.

Over 200 youth gathered from Southeastern Wisconsin at TYME OUT Retreat

Center for Youth. This event sponsored by the Archdiocese of Milwaukee required the youth to prepare for weeks ahead on facts related to scripture and their Catholic Identity.

There were eight rounds, each were formatted to

resemble T.V. Game Shows. The day was very fun with opportunity to meet all kinds of kids. The eighth grade team placed sixth out of 24 teams and the sixth grade team made an impressive showing as well!

Campus Notes

WINONA - The Dean's List for Spring Semester 2003 at Winona State University has been announced by Vice President for Academic Affairs, Steven Richardson.

To be named to the Dean's List, a student must be an undergraduate enrolled full time (at least 12 credit hours for a grade) and achieve a minimum grade point average of 3.5.

Angela Depies of West Bend has been named to this list.

Pride goeth before a fall, but it goeth a lot quicker after one.

Monday AM Discussion Group At RL Library

The Monday AM Book Discussion Group will be meeting at the Lakeview Community Library, 112 Butler Street in Random Lake on Monday, June 23 at 10 a.m.

Copies of the book to be discussed, *The Covenant* by Beverly Lewis will be available for participants to borrow and read.

The public is invited to attend this free event. For more information, call the library at 920-994-4825.

OBITUARIES

CHARLES L. WILLIAMS

Charles L. Williams, age 84, of the town of Wayne, passed away on Saturday, June 7, 2003 at St. Joseph's Community Hospital in West Bend.

He was born on February 6, 1919 in Wales the son of the late Lester and Olive Elmira (Harrington) Williams, and on August 15, 1943 he was united in marriage to Evelyn Badtke at St. Matthew's Lutheran Church in Oconomowoc.

Charles lived and farmed in the town of Wayne. He served on the town of Wayne school board and was a member of St. Peter's Evangelical Lutheran Church.

Farming was his life and he also loved to read. He was a patient man who cared deeply for his family and loved his grandchildren. He will be truly missed by his wife, his family and friends.

Survivors include his loving wife of nearly 60 years, Evelyn Williams of the town of Wayne; four sons, Richard A. Williams of Allenton, David C. Williams of Lake Geneva, Charles R. Williams of Allenton and Larry J. (Rosalie) Williams of Kewaskum; four daughters, Cheryl D. (special friend, Wayne) Ramthun of Jessieville, Arkansas, Debra J. Williams of Sheboygan, Karen A. Williams of Cedar Grove and Beverly M. (Andrew) Junk of Kewaskum; a brother, Orlin Williams of West Allis; three sisters, Emmarene Gass of Green Bay, Elaine Jaeger of Oconomowoc and Joyce (Alex) Nemath of Shawano; 15 grandchildren, five great-grandchildren, many nieces, nephews, other relatives and friends.

He was preceded in death by a great-grandson, Shaun Schenck and two brothers, Raymond Williams and an infant brother.

Funeral services were held at 2:00 p.m. on Wednesday, June 11, 2003 at St. Peter's Evangelical Lutheran Church, 4930 Beaver Dam Road, West Bend. Rev. Steven D. Bode officiated and burial followed in Washington County Memorial Park in West Bend.

Friends called on Tuesday, June 10, 2003 at the Miller Funeral Home in Kewaskum from 4:00 until 8:00 p.m. and at the church on Wednesday from 1:00 p.m. until the time of services.

In lieu of flowers, memorials to St. Peter's Evangelical Lutheran Church are appreciated.

The Miller Funeral Home, Kewaskum, served the family.

MATHILDA BINDER

Mathilda Binder, nee Fait, 99, of West Bend, died on Tuesday, June 3, 2003 at St. Joseph's Community Hospital, West Bend.

She was born on June 21, 1903 to the late George and Mary (nee Ligman) Fait, and married John Binder on May 1, 1923 in Milladore.

He passed away on Dec. 28, 1978.

After their marriage the couple settled on a farm in Milladore until moving to Milwaukee in 1925 where she was a waitress for many years.

After her husband's retirement, they moved to Fond du Lac.

In 1990 Mathilda moved to Mapledale Manor in Kewaskum before moving to the Cedar Community in 1995.

She was a member of the Daughters of Isabella and the Council of Catholic Women.

Survivors include two daughters, Lorraine (Chuck) Schlessinger of Jackson and Lucille (Carl) Chovan of Palm Desert, Calif.; 12 grandchildren; 18 great-grandchildren; seven great-great-grandchildren; a sister-in-law, Victoria Fait of Menomonee Falls; nieces; nephews; other relatives and friends.

Preceding her in death were a daughter, Joan Morey; a great-grandson, James Schlessinger; a great-granddaughter, Lori Stroessner; and a brother, Leonard.

A Mass of Christian Burial was held on Friday, June 6 at 11:30 a.m. at St. Peter's Catholic Church, Slinger.

Rev. Richard Stoffel was the presider, and burial was in Calvary Cemetery in Fond du Lac.

Visitation at the church only was Friday from 10 to 11:15 a.m.

Masses or memorials to the Muscular Dystrophy Association or the Cystic Fibrosis Foundation are appreciated.

The Schmidt Funeral Home of Jackson is serving the family.

LUCILLE M. STANCHFIELD

Lucille M. Stanchfield, 82, a resident of Kingswood Place, Fond du Lac, went to be with her Lord and Savior on Monday, June 2, 2003.

She was born on July 6, 1920 in Cleveland, Wis., to the late John F. and Anna (Schneider) McNamara, and on May 6, 1950 married Eugene S. Stanchfield at St. Matthew's Church, Campbellsport.

He passed away on March 2, 1998.

Prior to her marriage Lucille worked for seven years at West Bend Plating Co.

She was a member of Holy Family-St. Mary's Parish and had volunteered at the church.

She was also a member of the Wisconsin Badger Council of the Blind and the Low Vision Support Group.

Lucille enjoyed playing cards, flowers, gardening,

traveling, baking, social events, and being with her children and grandchildren.

Survivors include two sons, Tom (Joan) Stanchfield of Taycheedah and Don Stanchfield of Phoenix, Ariz.; three daughters, Betty (Rick) Mortenson of Rosendale, Joan (Kevin) Streetar of Verona and Nancy Stanchfield of Fond du Lac; six grandchildren, Pat and Paul Stanchfield of Phoenix, Jill and David Stanchfield of Taycheedah, Alicia and Abby Streetar of Verona; two brothers, Patrick (Sylvia) McNamara of Eden and Sylvester (Ruth) McNamara of Kewaskum; two sisters, Alice (Glen) Taylor of West Bend and Betty (Leo) Otten of Campbellsport.

Preceding her in death were two brothers, Gordon and John.

Funeral services were held on Saturday, June 7 at 9:30 a.m. at the Uecker-Witt Funeral Home, Fond du Lac, with a 10 a.m. Liturgy of Christian Burial at Holy Family-St. Mary's Parish.

Rev. Victor Capriolo officiated, and entombment was in the Shrine of Rest Mausoleum.

Visitation at the funeral home was Friday from 4 to 8 p.m., with a parish vigil service at 6 p.m.

Memorials are appreciated to the Low Vision Support Group.

REV. DONALD BURGENDORF

Rev. Donald Arthur Burgdorf of 7388 Philatelic Drive, Spring Hill, Florida, died Monday evening, May 26, 2003 in Florida.

He was born on September 12, 1935 in St. Louis, Missouri.

Donald received his theological diploma in 1960 and was ordained at Elim Lutheran Church in St. Louis.

Rev. Burgdorf and Jodell Kremer of Sheboygan were married on July 3, 1960 in Sheboygan.

Rev. Burgdorf served Missouri Lutheran congregations in Nebraska and at Immanuel Lutheran in rural Kewaskum / Random Lake from 1963-1974 and in Georgia and Florida. He served 25 years at Holy Trinity in Masaryktown, Florida until he retired in 1999.

He is survived by his wife, Jodell; a daughter, Donna Jo; a son Daniel; a grandchild, Christopher, all of Spring Hill Florida; two brothers, David and Dale Burgdorf of California; his mother-in-law, Sylvia Kremer of Sheboygan; along with many relatives and friends in many states.

Funeral services were held at Holy Trinity Lutheran Church, Masaryktown, Florida on May 30. The Merrill Funeral Home, 4095 Mariner Blvd., Spring Hill, Florida, assisted the family.

MICHAEL D. 'MIKE' PASCAVIS

Michael D. "Mike" Pascavis, 30, of West Bend, died on Saturday, June 7, 2003, at his residence.

He was born on Oct. 4, 1972 in Milwaukee to David and Agnes (Rajkowski) Pascavis, and was in the Kewaskum area, graduating from Kewaskum High School in 1990.

He was employed at Kohler Mfg. of Kohler for over eight years.

Mike was an avid race car owner and driver since 1996. He worked his way up to become a late model #5 driver on the Slinger Speedway, and in 1997 was the rookie of the year.

Survivors include his parents, David and Agnes Pascavis of Kewaskum; his companion and best friend, Carol J. Glaubig of West Bend; his maternal grandmother, Jennie Raykowski of Stevens Point; paternal grandmothers, Evelyn Pascavis and Kathryn Pascavis, both of Stevens Point; his godchild, Trevor Vos of West Bend; three sisters, Sandy (Ronald) Rabuck of Fredonia, Christine (Mark) Vos and Andrea (fiance Chris Demler) Propper both of West Bend; two brothers, Roger (Lynn) Pascavis of Junction City and Brian Pascavis of Kewaskum; nieces; nephews; other relatives and friends.

Preceding him in death were his grandfathers, John Raykowski and Theodore Pascavis, and a nephew, Matthew.

Funeral services will be held on Wednesday, June 11 at 7 p.m. at the Phillip Funeral Home, West Bend.

Father Richard Stoffel will officiate, and interment will be in Washington County Memorial Park, West Bend, at 1 p.m. on Thursday.

Visitation at the funeral home will be Wednesday from 4 to 7 p.m.

Memorials are appreciated to the Washington County Crisis Center.

FRANCES M. ZINGSHEIM

Frances M. Zingsheim, nee Gass, 92, of West Bend, died on Friday, June 6, 2003 at the Samaritan Health Center.

She was born on Oct. 4, 1910 in Milwaukee, to the late John and Christina (nee Heinecke) Gass Sr., and married Leander Zingsheim on June 30, 1931 at St. Anthony Catholic Church in St. Anthony.

He passed away on Dec. 18, 1971.

Frances was a member of Holy Angels Catholic Church, West Bend, and she enjoyed gardening and crocheting.

Survivors include five children, Dale (Lois) Zingsheim of Campbellsport, Marion Pfeifer of Kewaskum, Gerald (Judy) Zingsheim of West Bend, Joanne (Walter) Held of Neosho and Joyce (Dale) Hart of West Bend; a daughter-in-law, Mary Ann Zingsheim of Hartford; 16 grandchildren; 23 great-grandchildren; two great-great-grandchildren; a sister, Isabella Schaefer of St. Anthony; two sisters-in-law, Mary Jane Gass of Hartford and Rosie Gass of West Bend; a brother-in-law, Edward Schoenecker of Allenton; other relatives and friends.

Preceding her in death were a son, Richard Zingsheim; a son-in-law, William Pfeifer; seven sisters, Philomena Weber, Anna Weber, Marie Schoenecker, Leona Rahlf, Josephine Eberhardt, Monica Gehring and Mildred Herman; and two brothers, John Gass Jr. and Lawrence Gass.

A Mass of Christian burial was held on Monday, June 9 at 7 p.m. at Holy Angels Catholic Church, West Bend.

Rev. John Wutscheck presided and burial was in St. Anthony Cemetery on Tuesday at 10 a.m.

Visitation at the Myrhum-Patten Funeral Home, West Bend, was Monday from 4 to 6:30 p.m.

LETTERS TO THE EDITOR

Dear Editor:

I thought I would write a note to tell you how nice it was to see a picture of KHS students on the front page of your newspaper.

Usually if there is vandalism or illegal things done by students it gets on the front page.

For once we see a picture of a winning relay team on the front page, offsetting the picture of the vandalized tree.

Raymond Mertzig

To the Editor:

When summer arrives, so does the Washington County Fair. The new fairgrounds and the air-conditioned Pavilion are calling!

The Washington County 4-H Leader Association sponsors the 4-H Silent Auction. Friends of 4-H are asked to donate items for the Silent Auction. Items such as: antiques, plants, tools, books, filled baskets, games, art objects, sports items and certificates for services are desired. Items may be brought to the

Pavilion from Monday, June 23 to Friday, June 27.

The money is used by the Leaders Association to sponsor trips, leader and youth training, and scholarships for school and camp.

You'll find the Silent Auction area located on a green background in the Pavilion. A sheet is tacked next to each item. This is where you raise bids during the fair until an alarm clock goes off on Sunday afternoon.

Our committee then announces the end of bidding. We total the highest bids, alphabetize the buyers names and announce when we're ready for "pick up and pay."

Our hope is that if a bidder lives out of the area, they'll have a friend or neighbor check on Sunday to see if their bid is the top one. This prevents us from spending time phoning top bidders.

So - see you at the fair, July 23-July 27. Bid high and bid often. Pick up and pay on Sunday. Accept our grateful thanks for your bids!

Gratefully,
Marge Slaughter

Dear Editor:

Government is an organization established to represent the wishes of the people. Its goal is to protect the environment as well as the welfare of the citizens. Voters express their opinions and desires by electing those candidates whom they trust to carry out those wishes.

Town government should be no different. However, in the Town of Wayne, elected officials don't always represent the general populace. When voters recently eliminated a town supervisor through the election process, the board went into a closed door session to reappoint him to the planning commission.

Recently a petition requesting a moratorium on development was circulated in the Town of Wayne. Over 450 people signed the petition, expressing their concern for too much/too fast housing development in the township. It was hoped that further development should be subject to the Smart Growth land use plan. The petition was totally ignored and discredited by the town board. It is of major concern that some of the pending developments are situated on wetlands. It is vitally important that the 30% of

the township that is wetlands be protected.

In April, the Rock River Land Use Coalition held a seminar/informational session on protecting the farmlands and wetlands along the Rock River basin. Only one board member, a newly-elected person, cared enough to attend the meeting. The Rock River Coalition is attempting to develop a common goal among landowners, environmentalists, and others to preserve our rural landscape: agricultural, woodland and wetland. They recommend to county and town boards specific planning strategies to develop and use land in an orderly and logical way.

The Town of Wayne officials must start paying attention to the concerns of the town's people. Residents of the Town of Wayne, please make yourself aware of the situation and the actions (or inactions) of your town board. Let them know how you feel about maintaining the rural character of the township. Express your concern for protecting farmland and wetlands. They say no one ever calls them. It's time they know that there is a silent majority out there that wants changes. Call your town chairman, or call

a representative of the Concerned Citizens group at (262) 629-5165.

Presently, the Town of Wayne does not adhere to a land use plan. A suggested land use plan was prepared for the town by the Southeastern Wisconsin Regional Planning Commission in 1999. It hasn't been acted upon. A 2020 land use plan should be formulated by the people of the township. However, town leadership doesn't want this to happen, perhaps because they want to maintain full control. It is mandatory that the town have a land use plan that satisfies the majority of the town residents--not just a select few. The zoning ordinance that is supposed to enforce the Land Use Plan does not do that.

Town of Wayne residents, let's hear from you. Call your town board members or the number indicated above. Your silence is your approval of the present situation. Be heard!

Village Board Meeting Minutes

Village of Kewaskum
Plan Commission
April 29, 2003
7:00 p.m.

The Plan Commission of the Village of Kewaskum, Washington County, Wisconsin met in the Council Room of the Municipal Building, 204 First Street.

The meeting was opened with a Moment of Silence and pledge of Allegiance.

Chairman Mathew Heiser called the meeting to order. Members present were Andy Pesch, Frank Beesten and Theodore Meilahn. Member Richard Schmidt and Leann Butschlick asked to be excused and were absent along with Member Andrew Kuehl. A quorum was present. Mr. Rick Kania from SEWRPC was in attendance to discuss the proposed Zoning Ordinances.

On a motion by Andy Pesch, seconded by Theodore Meilahn and carried by the majority voice vote the Plan Commission approved the minutes as amended for March 25, 2003.

On a motion by Andy Pesch, seconded by Theodore Meilahn and carried by the majority to adjourn to work session. Roll call vote was 4 "Aye" 0 "Nay" 3 "Absent". Mr. Rick Kania was present from SEWRPC to review a variety of points from previously discussed sections of the proposed Zoning Ordinance. The review of Section 3.00 regarding the zoning districts and Section 15.00 Definitions was held. Mr. Kania reminded the Commission they still have ample opportunity to ask questions and make changes. The primary discussion was on the Zoning Map and how to present it at the informational meeting and public hearing.

On a motion by Andy Pesch, seconded by Theodore Meilahn and carried by the majority roll call vote, the Commission adjourned the meeting. Roll call vote was 4 "Aye" 0 "Nay" 3 "Absent".

ORDINANCE NO. 2003-08

AN ORDINANCE TO AMEND THE ZONING OF VILLAGE LANDS OF THE VILLAGE OF KEWASKUM, WISCONSIN

WHEREAS, Solid Rock Development acting as a developer has petitioned for the rezoning of proposed parcel located northeast of the STH "28" & Stark Street" intersection, know by tax key # V4-0533. The request for rezoning is from R-2 Single-Family Residence District to R-1 Single Family Residence District with the exception of one lot that being 708 Main Street (lot 41 of the development) remaining R-2 Single Family Residence District.)y District; and

WHEREAS, the Plan Commission has reviewed the matter at their meeting of March 24, 2003 and recommended sending the zoning amendment to the Village Board for public hearing with a favorable recommendation.

NOW, THEREFORE, BE IT RESOLVED, that the Village Board of the Village of Kewaskum approve the rezoning of the above stated land to R-1 Single Family Residence District and C-1 Conservancy District (excluding 708 Main Street-lot 41 of development remaining R-2 Single-Family Residence District).

(As per the Preliminary Plat lot layout.)

This ordinance shall take effect upon passage and publication as provided by law, but also in conjunction with the approval of the final Plat for Woodland Creek Subdivision.

PASSED, ADOPTED AND APPROVED this 2nd day of June 2003, by the Kewaskum Village Board.

RESOLUTION NO. 2003-16
Village of Kewaskum, Washington County, Wisconsin

RESOLUTION ACCEPTING BY DEDICATION THE RIGHT-OF-WAY DESCRIBED HEREIN FOR THE PURPOSE OF CONSTRUCTION OF THE EAST ONE HALF OF EDGEWOOD ROAD/IMPROVEMENTS, AS REQUESTED BY CHARLES J. OGI AND JAMES REIGLE.

WHEREAS, the Village of Kewaskum hereby acknowledges dedicated roadway for the purpose of construction of the east one half of Edgewood Road and the connection (alignment) to CTH "H". The Village of Kewaskum, Washington County acknowledges receipt of a consent and waiver from the property owners which agrees to pay for the installation of the improvements as discussed. These improvements include, but are not limited to the following: sanitary sewer, water, storm sewer, street improvements (including grading and asphaltting), curb, gutter, sidewalk, street lighting, and street signs etc.

THEREFORE BE IT RESOLVED, that the Village Board of the Village of Kewaskum, Washington County, Wisconsin, accepts by dedication the described lands for road right-of-way for the east one half of Edgewood Road, conditionally.

Description of Premises

Part of the SE 1/4 of the SW 1/4 of Section 9, Township 12 North, Range 19 East, Village of Kewaskum, Washington County, Wisconsin, which is bounded and described as follows:

Commencing at the south quarter corner of said Section 9; thence N 89°33'14" W, along the south line of said SW 1/4 1324.25 feet to the southwest corner of said SE 1/4 of the SW 1/4; thence N 01°02'03" W, along the west line of said SE 1/4 of the SW 1/4, 40.01 feet to a point in the north right of way line of C.T.H. "H", being the point of beginning of lands herein described; thence continuing N 01°02'03" W, along said west line of the SE 1/4 of the SW 1/4, 1290.64 feet to the northwest corner of said SE 1/4 of the SW 1/4; thence S 89°39'11" E, along the north line of said SE 1/4 of the SW 1/4, 45.01 feet; thence S 01°02'03" E, parallel with said west line of the SE 1/4 of the SW 1/4, 1023.75 feet; thence southeasterly, along the arc of a curve to the left 83.05 feet, chord S 13°37'21" E 82.38 feet, curve radius 189.00 feet, delta 25°10'36"; thence southerly, along the arc of a curve to the right 92.72 feet, chord S 13°37'21" E 91.97 feet, curve radius

211.00 feet, delta 25°10'36"; thence S 01°02'03" E, parallel with said west line of the SE 1/4 of the SW 1/4, 75.74 feet; thence S 45°17'39" E, 31.51 feet to a point in said north right of way line of C.T.H. "H"; thence N 89°33'14" W, along said north right of way line, 105.03 feet to the point of beginning.

Containing 1.499 acres (65,312 square feet) more or less.

Adopted and approved this 2nd day of June 2003, by the Kewaskum Village Board.

PET LICENSE REMINDER

Any village resident who owns or keeps a cat, dog or miniature potbellied pig is reminded that licenses were due April 1, 2003. Anyone who has not licensed his or her pet is asked to do so as soon as possible. Proof of any applicable inoculations must accompany the application.

Applications are available at the Village Hall at 204 First Street during regular office hours. For further information call 262-626-8484 between 7:30AM and 4:30PM.

KEWASKUM SPORTS

Graham Takes Third in Pole Vault

4x400M Relay Team Fourth At State Tournament

The Kewaskum 4 x 400m relay team and alternates (l-r) Jenna Roecker, Amanda Donath, Breyan Donath, Jessi Graham, and Amanda Magnus proudly pose for pictures with their fourth place medals around their necks at the WIAA State Track and Field Meet.

Becky Herriges hands off to Jessi Graham in the 4 x 400m relay at the State Track Meet at UW - La Crosse on Saturday, June 7th. The Kewaskum 4 x 400m relay team of Herriges, Graham, Breyan Donath and Amanda Donath finished fourth with a time of 4:08.73.

Jessi Graham clears the bar in the pole vault competition at the WIAA Track and Field State Championships on Saturday, June 7th. Graham tied for third place in the pole vault by clearing 10 feet.

By Jerry Gosa
STATESMAN SPORTS
CORRESPONDENT

Jessi Graham of the Kewaskum High School girls' track team tied for third in the

pole vault at the 108th WIAA Track and Field State Championships on Saturday, June 7, 2003. Graham cleared 10 feet in the pole vault and teammate Johnnajo Schicker finished tied for ninth at 9 feet. Graham placed eighth in the pole vault last year at 8' 6".

"They were both disappointed that they didn't do better. I told them to look at the season as a whole. They had a great season. They both made a lot of improvement," commented vaulting coach Nate Wesemen. Last year, Graham's best was 9' 3" and Schicker's best was 7' 6". At one time during this season both Schicker and Graham held the Kewaskum school record at 9' 9". At the regional meet Graham raised the school record to 10' 3" and then at the sectional meet she cleared 11' 0" to establish the current record.

Laura Massey of Lancaster/Potosi broke her Division 2 state record of 11' 3" set in 2002 by clearing 11' 4". Julia Heinrich of Notre Dame placed second with a height of 10' 9". Two Rivers won the girls Division 2 title as expected with 49 points. Columbus was runner-up with 41 points, followed by McFarland with 34 and Kiel with 32 points. Kewaskum finished 25th with 10.5 points.

The Kewaskum 4 x 400m relay team of Becky Herriges, Jessi Graham, Breyan Donath and Amanda Donath finished fifth on Friday in the preliminaries with a time of 4:10.41. In the finals on Saturday they moved up one spot to finish fourth with a time of 4:08.73.

The Kiel 4 x 400m relay team ran very inspired and not only defeated Two Rivers for the first time all

season, but also set a new state record with a time of 3:58.94. Columbus also broke the old state record of 4:01.55 with their second place time of 4:01.15. Two Rivers finished third with a time of 4:02.07.

"The Kewaskum 4 x 400m relay team struggled all season to get their times down. Graham and Herriges were both out an extended time with injuries and missed valuable training time. And then one of their replacements, Lindsay Keller showed good promise until she was lost for the season with a stress fracture."

"They finished fourth the hard way - having to come from behind to get into the race. I give them a lot of credit. They kept working hard during the season and never give up their dream of returning to the state meet for the third year in a row. We will definitely miss these seniors. They did such an excellent job in the hurdles, pole vault, sprints, and relays," commented coach Jerry Gosa.

Two years ago the Kewaskum relay team of Herriges, Graham, Jenna Roecker and Breyan Donath finished eighth. Last year the same foursome finished third with a time of 4:04.73. This year sophomore Amanda Donath broke into the lineup and ran anchor for the relay team resulting in changing the composition of the relay team. This year the unit of Roecker, Graham, Herriges and Amanda Donath qualified for the state meet in 4:08.8.

Amanda Donath qualified seventh in the 400m dash on Friday with a time of 60.49 seconds. Donath finished ninth in the finals on Saturday with a time of 1:01.41. "Amanda made great progress this season. She came off a stress fracture after the cross country season and worked her way back into shape before the start of the season. Then she worked hard all season and accomplished her goal of breaking the school record in the 400m dash," reported coach Gosa. Amanda Donath set the school record with a time of 59.7 seconds at the sectional track meet.

Troy Koefel finished 12th in the shot put on Saturday with a throw of 49' 4.5". "We were very happy that Troy qualified for state. He was up against some real tough competition, but he gave 110%," commented throw-

ing coach Katie Jungers.

Rachel Dums ran the 300m hurdles in a time of 49.41 seconds on Friday and did not finish with one of the top nine fastest times needed to advance to the finals on Saturday. "Rachel made admirable strides in improving her hurdling technique and lowering her times this year," hurdling coach Ellen Kuphal commented her sophomore hurdler. Dums ran her best time of 47 seconds in the 300m hurdles at the sectional meet.

Unique Habits of Wisconsin Fishes

The Northern Kettle Moraine State Forest's Summer Evening Events series continues with "Unique Habits of Wisconsin Fishes." This evening is sponsored by the Friends of the Kettle Moraine. The program will be held on Saturday, June 21, from 7 to 8:30 p.m. at the Henry S. Reuss Ice Age Visitor Center. The Ice Age Visitor Center is located off of Hwy 67 1/2 mile west of Dundee. The program is free, but donations are always gratefully accepted.

It's hard to believe that Wisconsin is home to 159 species of fish, since we spend so much time talking about our favorite fame fish - bluegill, walleye, northern pike, musky, perch, trout and salmon. These famous fishes share the water with equally fascinating species including paddle fish, bowfin, sculpins and darters.

Do you know what species of fish build nests? Moves over land? Eats its mates? Join Randy Schumacher, Department of Natural Resources Inland Fisheries Supervisor, as he answers these questions and delves into some of the other fascinating, unusual and even bizarre habits of other species. It's sure to be an evening of underwater fun as we dive into the amazing world of Wisconsin fishes.

For further information or directions to the Ice Age Visitor Center, contact Jackie S. Scharfenberg, Forest Naturalist. She may be reached at 920-533-8322, Tuesday through Friday, 8:15 a.m. to 4 p.m.

KEWASKUM SPORTS

Josh Riebe Earns Second Team All EWC Honors Highlights of the 2003 KHS Boys Golf Season

In a season dominated by wet cool weather, the Kewaskum H.S. Boys Golf Teams gradually warmed up for the conference competition by participating in several preseason tournaments against some of the best teams in the state.

The varsity Indians finished in sixth place in four of their first five invitational multi-team matches early this spring. Yet, one of those contests proved to be a confidence builder for the rest of the season as the golf team proved to be competitive with quality teams and division one programs.

On May 2nd the local linksters travelled to Hawthorne Hills to participate in the 23rd Annual Brown-Port Invite with fifteen other area high school golf teams. The field

was evenly divided amongst Division One and Division Two Teams with eight having competed at state last year. Kewaskum finished with the third lowest division two score behind defending State Champion Pewaukee and Runnerup Grafton. The Indians were only two strokes behind West Allis Hale, the second place Division One State Tournament Team. The Indians realized that they could compete with the better golf programs within the state.

On May 15th, Kewaskum hosted all eight conference school teams in their first-ever E.W.C. Mini-Tour Event at Hon-E-Kor Golf and Country Club. The Indians had been battling for third place throughout the

early league matches, far behind preseason favorite Kiel and defending champion Plymouth. Yet, on this warm and sunny spring day, the Indians overcame the perennial powerhouse Panthers on the White Nine to capture second place. Sophomore Josh Riebe posted a 39 to lead the Indian upset of the current league leaders, by virtue of utilizing the team's fifth score as the tiebreaker.

On May 19th, Josh Riebe solidified his status within the top ten golfers in the Eastern Wisconsin Conference by recording a very challenging 42 at the always windy and difficult Fox Hills - The National.

The sophomore from K.H.S. ranked eighth overall in league play to earn Second Team All Confer-

ence Honors (Medal). Josh had five consecutive matches where he improved his score by one stroke despite changing courses, playing and weather conditions. That is a great testament to his determination and effort.

On May 23rd, the Junior Varsity completed their schedule by winning their second consecutive J.V. Title.

The ten little Indians won five of the seven mini-tour events while finishing third in the other two meets.

Therefore, Kewaskum easily outdistanced their league counterparts by totalling 11 points to Manitowoc Roncalli which finished second with 17 points. Approximately twenty K.H.S. team mem-

bers contributed to their unbelievable 45 - 4 league ledger and 55 - 7 overall record for the 2003 Season.

Finally on May 29th, Sheboygan Falls invited Kewaskum to be the first visiting team to play the front nine (only side open at that time) at The Bull at Pinehurst Farms. The 7,303 yard layout designed by The Bear, Jack Nicklaus proved to be awe-inspiring, very challenging and indescribable for approximately twenty local linksters, who took advantage of the Bachman Family Farm and hospitality. The KHS Indians were led by Brandon Gitter's 39 and Luke Koch's 41 to easily defeat the host Falcons of Falls.

Overall, the K.H.S. Boys Golf Teams improved their league status and look forward to the 2004 Season.

Lake Sturgeon to Return to the Milwaukee, Manitowoc Rivers

MILWAUKEE -- For the first time in more than a century, lake sturgeon are cruising the Milwaukee River, capitalizing on improvements in water quality and the removal of the North Avenue Dam that once blocked spawning runs of this ancient, gigantic fish.

On Monday, May 12, fisheries crews from the Department of Natural Resources and a University of Wisconsin-Milwaukee Great Lakes Water Institute scientist transferred about 51,000 weeks-old sturgeon to the Milwaukee River at Grafton. Later this week, a similar stocking of up to 100,000 young sturgeon is planned for later this week in the Manitowoc River.

The stockings are milestones in the resurrection of the two rivers, and for Wisconsin's lake sturgeon management program, which is 100 years old this year. Having protected and nurtured in Lake Winnebago what is now the world's largest lake sturgeon population, the program is focusing on restoring lake sturgeon in other parts of its

original range in Wisconsin.

"This represents the first stocking in a Lake Michigan tributary that we know of and is an important step in a multi-agency effort to help restore lake sturgeon to Lake Michigan," says Brad Eggold, DNR Southern Lake Michigan fisheries team supervisor.

"It also signifies to a great extent the work that's been done in the Milwaukee River watershed to clean up pollution and to remove dams that blocked the fish's passage, most importantly the removal of the North Avenue Dam in 1997. That progress makes the return of sturgeon possible after more than 100 years."

"It's the same story in the Manitowoc River -- improvements in water quality and removal of dams," says Steve Hogler, the DNR fisheries biologist leading the Manitowoc River effort.

The Milwaukee project is funded in part by a grant from the National Marine Fisheries Service and a contribution from the Milwaukee River Revitalization

Council. Future lake sturgeon rehabilitation efforts in Lake Michigan will be guided by a lake-wide plan being developed by a task group of the Lake Michigan Committee. That committee establishes broad fish community objectives for Lake Michigan and coordinates management activities of mutual interest among representatives from the Wisconsin, Michigan, Indiana, and Illinois Departments of Natural Resources, and the Chippewa-Ottawa Resource Authority.

Lake sturgeon can grow to 200 pounds and live 100 years. Female sturgeon don't start spawning until they are 20 to 25 years old, and males start at 10 years or so, so most of the current biologists working on the project will be retired if and when the fish start their spawning runs.

Getting to adulthood will be a challenge. DNR surveys of the river reveal good habitat for overwintering and spawning, but the lake sturgeon will be only about three-quarters of an inch long at stocking, and must first survive these initial months, and then subsequent years of eluding predators and finding sufficient food. Even then, as the survivors begin their spawning runs, they'll still encounter some obstacles, such as remaining dams on the Milwaukee River.

Programs requiring wastewater dischargers to meet pollution limits, and the investments that those public and private dischargers made, greatly reduced pollution in two rivers from industry and municipal wastewater treatment plants. State and local efforts to reduce polluted runoff from farms and urban areas have also helped.

For the Milwaukee River, a critical improvement came after 1997, when the City of Milwaukee, DNR and the U.S. Environmental

Protection Agency spent \$4.5 million to remove the 17-foot high, 350-foot wide North Avenue Dam and to reclaim habitat and improve conditions along the river. The removal of the structure, which was about three miles upstream of the Milwaukee River confluence with Lake Michigan, marked the first time since 1835 that that stretch of the river flowed freely.

Today, 30 species of fish have been documented in the Milwaukee River, including the Greater redhorse, a state threatened species, and under suitable flow conditions, trout and salmon have migrated about 30-miles upstream to the Village of Grafton and Cedarburg on Cedar Creek.

"This is really a great day," said Ray Krueger, who chairs the Milwaukee River Revitalization Council and was among several members of that group watching the stocking. "This is important because it's a benchmark for the river...It's a part of our past being reintroduced to the river."

Continuing Education

By Lisa Lickel
STATESMAN CORRESPONDENT

It might sound like a dirty phrase to 2003 class of graduates. "What comes next" is on most of their minds, though. Kewaskum High School students are fortunate to have a number of continuing education opportunities within easy driving distance. Both Moraine Park Technical College and the University of Wisconsin-Washington County offer programs of nearly every interest to prepare today's graduates for tomorrow's workforce. Officials of both institutions agreed that the top field of choice was healthcare.

Application and registration are available on line, and is scholarship information and schedule planning. Fees for the 2003 fall semes-

ter were listed at \$1,720 for a full time class load of between 12-18 credits, with some variances and special fees extra.

At the University of Wisconsin-Washington County, Janet Brown, the Interim Director of Student Services, was enthusiastic about education choices in West Bend.

"Of the two 'hot' fields today, I would have to say, nursing and other healthcare professions and business are it. Most students will earn an Associate of Arts or Science and then transfer. Students can also earn a certificate of business."

UW-WC has several joint programs with the University of Wisconsin-Milwaukee which allow students to complete a four-year degree right here in West Bend while enrolled at the Milwaukee campus. "The advantages are that students do not need to travel, and can work at a pace which meets their lifestyle," Brown said.

The healthcare field is being driven by an aging US population with growing

healthcare needs. UW-WC is even beginning to offer some clinical courses here to meet the four-year Bachelor of Nursing degree. Mostly, though, UW-WC is a feeder program into a bachelor program.

As far as business degree opportunities, there are several options in finance and accounting.

Brown also sees a future need in education. "As far as we know, jobs are available. In the long term, as the economy improves, there will be a need for teachers."

UW-WC students enroll with a high school diploma, or need to have taken an appropriate amount of credits for admission. Some students returning to advanced

education after an absence may also be considered. High school students may enroll for some basic courses while at high school if they meet proper requirements. There are several scholarship opportunities available. "Coming to UW-WC gives students a good start in their college career and allows them to save money by living at home and being able to keep a job," Brown concluded.

Continuing Education

Continued from page 14

Moraine Park Technical College, said it was difficult to pinpoint two or three popular courses, as they have so many different programs. A favorite course is the nursing program, which has a waiting list of two years to get into the clinical portion of the degree. "Health care is very much highly in demand and commands good salaries," Ruback said. MPTC will accept applications for the program beginning again in September. Many of the fall enrollments are "very full." The auto technician program is "brimming," as is cosmetology, which is full for this fall and nearly filled for 2004. Civil Structural Engineering, a technician's course for design and regu-

lation of industrial and commercial engineering is gaining in popularity. "Right now there is a huge demand of retraining due to downsizing, and businesses reducing their workforce. We work with Workforce Development in rapid retraining. This year was a record number of business closings. People are shifting into more stable jobs as businesses downsize and there are layoffs. These people need to be trained and get out of factory jobs and do something different." The backlog at MPTC is due in large part to uncertain economic times, Ruback said. The state budget setbacks affect their funding directly. "We can't afford to hire more teachers, and have no money for more of the special labs and class-

rooms needed." The waiting lists shouldn't deter students from enrolling, however. Although many courses are full, high school graduates can get in and take their basic courses. When they get to the academically rigorous portion of the degree, such as nursing clinicals, they can concentrate on those specific courses. Ruback encouraged high school juniors to apply early if they are interested in healthcare and other popular programs. "Many students don't know that if they take courses in high school like chemistry, it works with the requirements for nursing. Students should plan ahead in high school (for their future)."
