## 2001 AFS Student Makes Return Visit

### Germany Represented by Kewaskum's New AFS Student

Theresa Lorenz from Broeckel, Germany is the new foreign exchange student who will spend the 2003-2004 school year at Kewaskum High School as a senior. Broeckel, Germany is a small town of approximately 2000 people between the better-known cities of Hamburg and

Hanover. At age 17, Theresa is the youngest in her family, having two older sisters, age 23 and 25. Her mother cares for their big home and her father owns a cleaning company that services schools and large buildings.

Theresa, an accomplished equestrian, could not have found a more suited host family than Doug and Brenda

Strack of 8715 Brazelton, as they own and operate a horse farm. The Stracks, along with their four children Stevie (18), Bennett (9), Alexander (5), and Carlee (2), have lived on the farm passed down from Doug's great grandfather, for 15 years.

They do not raise ordinary horses but a specialty breed from Austria called "Haflinger". In fact, they have some Haflinger horses that actually were shipped from Austria. Of the Strack's 17 total horses, six are brood mares.

Besides breeding, the Stracks also show them at different horse shows. Theresa is helping them prepare a horse named "Urma" for a national show the second week in August. Theresa will also attend the show from Aug. 14th through Aug. 18th with the Stracks, and show off the horse while riding.

Theresa's love of horses began at a very young age when she began riding as therapy for a hip problem that she had. Notice we say, "had," as the therapy worked well and her hip is much better now.

Because of her successful results, Theresa would like to follow a career in which she could teach handicapped

children therapy through the use of horses. Since she owns a horse back home in Germany, she is already familiar with the general care and upkeep in stabling a horse, giving her a significant start towards her career goals. Although Theresa will graduate with the Kewaskum High School Class of 2004, this will only be her 11th year of studies, according to Germany's scholastic program, having to complete two more years when she returns. After 13 years of school, she can then take the "Abitur" exam.

If she passes, she can choose to go into any career she wants. Theresa stipulated that only about 30% of all students go to school for 13 years and most of them go on to college. In Theresa's area there are a lot of farms so those students who want to stay on the farm, or painters, for example, may only go to school for nine years, while office people may only go 10 years, which is acceptable. However, anyone who wants to go on to any type of specialized schools MUST have 13 years and pass the "Abitur" exam.

Theresa is happy to be here and thankful to her family and the AFS program for making it possible. The fami-

ly of the exchange student must come up with anywhere from \$6000 to \$10,000, depending on the country, to cover such items as airfare and primarily the high life insurance costs. The host families do not receive any compensation.

Students must be very sure they want to exchange to another country, as if they decide to go back after a few weeks, they lose the money. The roll of the AFS is screening the students and the host families to correlate some similarities in making a match. A good example of this is Theresa being matched to the Stracks for the horses they raise, while former 2001 exchange student, Chiara

## Small Crowd Determines Future Of Kewaskum School District

BY NICOLE KUEHL  
 STATESMAN STAFF WRITER  
 nkuehl@kewaskumstatesman.com

Monday night's Kewaskum School District Annual Meeting resulted in a very poor turnout. Showing up, were three community members, the seven board members and six administrators, some of which couldn't vote.

Jeanne Goeden was elected the Chairperson for the evening. She then appointed Mary Meisser the secretary for the night.

Superintendent Wayne Graczyk gave a report on the past school year. He stated that the district has seen continuous improvement in the testing scores, and the KSD is comparable to districts around the

area. He also stated that the district received a alternative education grant that is for \$42,000 the first year, \$25,000 the second year and \$16,000 the third year.

Business Manager Paul Reichert reviewed the 2003-2004 budget. This year's revenue limit reflects a 2.4% increase, after adjustments, from last year. The board still cut \$696,241 from their budget. They made numerous staff cuts, both in positions and in hours, reducing just the salaries and benefits 1.2% this year.

Reichert stated that as estimated the mill rate will be \$8.96, which is 31¢ higher than last year's rate. Reichert stated that it may still be lower. Last year's estimated mill rate was \$9.21 and it ended up being \$8.65,

however he stated that he is not anticipating that much of a decrease. He also showed that the KSD has a lower mill rate than the state average of \$10.40.

Reichert also stated that the remainder of the loan from the 1994 middle school and high school projects would be paid off in April.

The meeting then moved on to the resolutions. The first resolution was setting the school board members' salaries. Kieth Kriewaldt made a motion to give them a small raise with a total of \$2,250 for the year. New high school principal Christine Horbas seconded the motion. Board President Gordie Dickman stated that he appreciated the offer, but he

felt he couldn't take the raise because of the economic conditions the district was facing and that if they were asking people to make cuts, they should too. The motion failed, and Kriewaldt then proposed it be \$2,000, as it had been the previous year. Horbas seconded and the resolution was passed. There were nine more resolutions passed on Monday that were for various things the district needs to do such as authorization for a school lunch program, to offer textbooks and to pay legal council among many other items.

They also set the next annual meeting date for July 26, 2004 at 7 p.m. in the administration building.

### Exchange Students

*Continued from page 1*

Gandolsi, from Italy was matched to the Stracks because she liked little children.

Theresa, Chiara (who spent the summer here), and the Stracks, all want everyone to know that the Kewaskum AFS is looking for host families in the area. Right now there are approximately 400 foreign students who want to exchange to the US and if host families are not found before August 8th, then they will not be able to come here. If anyone is interested they should call Gerry Meyer, the local AFS co-ordinator at 920-583-4355

While here, Theresa wants to see how classes at schools differ, learn our different lifestyle, and improve her English speaking ability. Besides becoming an equestrian therapist, her dream is to live on a farm with horses.

#### 2001 AFS STUDENT PAYS KEWASKUM A RETURN VISIT

Chiara Gandolsi, from Mondovi, Italy, Kewaskum's AFS student from 2001, returned to the village for a visit this summer. She wanted to see her host family, Doug and Brenda Strack again, as they had kept in contact by telephone once a month, among other things.

She also wanted to see some of the friends she made here, as well as her teachers, especially Mr. Gosa, who taught her chemistry.

Mr. and Mrs. Gosa had been to Italy in July of 2002 and met Chiara and her family. Chiara continued to show them all around and even went with them to Florence again showing them the sights, as well as doing some interpreting.

Doug and Brenda Stack of rural Kewaskum, are very happy that Chiara came back for the visit, as she is like one of the family, and gets along very well with the Strack's four children.

Brenda feels this is part of the reward of taking in an AFS student, as you can gain lifetime friendships.

She also feels it is advan-

tageous as well as educational for her children, who now question if a certain country they might see on television is close to where their AFS student's country might be. Brenda thinks it makes the world a smaller place for them.

Doug Strack was a foreign exchange student himself in 1974 and went to Austria, so he has first-hand information on the program and how it works. He even went back to Salzburg, Austria in 1978 and attended college there for one year. So, together the Stracks are very open to hosting AFS students and they wish more families would feel the same.

Chiara was their second exchange student, having another previously in 1993 from Honduras. Now, they have Theresa Lorenz from Germany for the 2003-04 school year, but she came a few weeks early to help the Stracks prepare for a horse show. Since Chiara had a week left, The Stracks had both girls for a week and it was nice for the two of them to get acquainted, as well as fun for the Strack family.

Chiara and Theresa both shared the "how to" of becoming an AFS student. The first step is to complete an application, which includes your interests, and things you like to do. If approved by the AFS, they send your application to a US office.

The AFS office for this

area is in Minnesota and at that office they put both Chiara and Theresa's applications on the AFS website where they also have a listing of host families. Only people with a password and access code can share this website which is for the students protection primarily.

They then match the student to the host family, which is usually followed by a letter and/or phone call between the two to get further acquainted. When a student arrives, they have a local liaison that they can contact for any questions or problems that may occur.

Chiara likes the United States and learning our culture, family interactions and traditions, and likes to compare the similarities between the two countries.

Scholastically she feels the schools are more difficult in Italy as a student must know when they start high school what career they will choose. They must pick a scientific mode of study as Chiara did, if they want to advance for additional schooling or college.

Chiara left July 30th to go back home and study for her entrance exam in September. Chiara wants to pursue a medical career as a doctor and the test score on this entrance exam (some-what similar to our college entrance exams) determines your acceptance into medical school.

# COMMUNITY NEWS

## Focus on Farmington & Kewaskum

By Lisa Lickel

llickel@kewaskumstatesman.com  
(262) 692-2135

On Saturday, August 23, the Farmington Historical Society, Inc., will be guiding a select group of visitors back in time. We are hosting the Eastern Regional Conference of local historical societies right here in our community. A delicious catered lunch, business meetings and new idea forum are all part of the planned activities.

In the afternoon, we are sponsoring a guided bus tour of our community. One of the more interesting stops will be the Saxonia House in Fillmore.

Fillmore was named after the thirteenth president of the United States at the time of settlement in the early 1850's, Millard Fillmore. As the community became home to immigrants coming in from central Europe, one enterprising family man, himself an emigre from the duchy of Saxonia in present-day Germany, settled on Spring Brook Farm. Recognizing the need for a gathering place, Ernst Klessig and Liberta, his wife, built a family home and inn in 1855. As was commonly done, the Klessigs used a familiar building technique from their part of the world, called fachwerk, or "timber-frame." The large, two-story frame building was stood up with huge timbers pegged together, while their spaces were filled with the soft hand-made whitish bricks and stucko'd over, usually leaving the brown timber visible from both sides.

The Saxonia House was a lively inn, noted for its famous Farmington Brewery through the turn of the cen-

tury. Indeed, records of fields of hops grown for the purpose of brewing beer have been discovered in the town historical records. At one time, a dance hall was part of the complex, which included a large barn and an outdoor bake oven.

Ernst Klessig passed away in 1864, and Liberta married Ernst Jaehnig. Jaehnig continued as brewer and innkeeper until his own death in 1875. Records indicate that the twice-widowed Liberta carried on the business herself through the 1880's. The family is buried at the St. Martin's Cemetery in Fillmore, at the corner of Highways H and M.

The Turner Society got its start at the Saxonia House, before members built their own meeting hall, and many settlers had a chance to get their bearings at the inn before proceeding on to their own land claims. It was also home to an early school-teacher, Marie Brinker Kuechenmeister, who tells a little about life there in a biography, *Backwards From Ninety*.

In the early twentieth century, the Crass family lived there. They were part of a brass band which was popular in West Bend. Several of their instruments are now part of the historical artifacts collection of the Washington County Historical Society, but not on permanent display.

The home was sold again in 1957 and later again to a developer who remodeled it into a duplex. The Friends of the Saxonia House, Inc. has since purchased the property, and is hoping to return the complex to its former glory. For more information about the Saxonia House, visit the website, [www.saxoniahouse.com](http://www.saxoniahouse.com). To come along on our historical tour, call Lisa at 692-2135, for more information.

## Northern Washington County Tobacco Sales to Youth

Nearly 33% of the 9th and 11th grade students at Washington County high schools report smoking cigarettes once or more in the last 30 days and 11% had used smokeless tobacco once or more in the last 12 months. Research has demonstrated that access to tobacco products directly impacts on the number of youth reporting smoking.

Recently, the Council on Alcohol and Other Drug Abuse of Washington County performed surveys to determine compliance with the laws concerning sale of tobacco products to youth under the age of 18. 15 tobacco sales licensees were visited in the West Bend, Kewaskum and Allenton communities. Of these 15,

86.5% or 13 retailers did not sell tobacco products.

The Council on Alcohol and Other Drug Abuse applauds those retailers which did not sell tobacco products and reminds the retailers that did sell that Wisconsin State Statute prohibits the sale of tobacco products (smoking and smokeless tobacco) to minors under the age of 18.

For more information about preventing tobacco use by youth or to become involved in community prevention efforts please contact the Council at (262) 335-6888.

*The beauty of any day is reflected in your heart.*

## Family Center Offering New Parents Program

The Family Center is of Washington County is offering a New Parents Program. This program will help new parents learn to adjust to their new lifestyle and give them real insight into their baby's first eighteen months. We will provide practical tips and guidelines on what to expect during each phase of a baby's development and help parents understand their role as parents, their baby's needs, and how they can best meet them. This program is free of charge and the children stay with the parents during the program.

When: The first Tuesday of each month from 6:30 -8:00

p.m. at the Family Center

Who: New parents with children ages birth to eighteen months.

Please call the Family Center at 338-9461 to register for this program.

# Peace United Church of Christ Youth Habitat Trip

Shown above is the group from Peace United Church who worked with Habitat for Humanity in Springfield, Missouri this past June. They are, front row, left to right: Steven Runquist, Noah Schoofs, Samantha Schoofs, Kaitlyn Ogi. Second row: Stuart Van Ess. Third row: Kathy Zahn, Nichole Behring, Katie Van Ess, Haley Giles, Ericka Christie, Katie Steinhardt, Malia Dickman, Bree Boetcher, Nichole Stern. Back row: Karen Kletti, Jake Ketzlaff, Nathan Behring, John Kletti, Pastor Eric Kirkegaard, Clark Pearson, Mary Steinhardt and Char Keller.

On June 15, 2003, Peace United Church sent 15 youth and seven adults to Springfield, Missouri to work on a Habitat house. The group stayed at Campbell United Methodist Church right in Springfield. This church just built an addition in January which included a gymnasium, commercial sized kitchen, Sunday School rooms, bathrooms with showers and offices.

Bright and early on Monday morning, they headed out to the job site which was in a Habitat subdivision

that included over 30 finished Habitat homes. The kids and adults were split into two groups. The first group was assigned the task of putting up the remaining roof trusses on their house and then to put 4'x8' sheets of plywood over the trusses. They also put the Tyvek House Wrap on and several of the windows. The other group was to put the siding on a house but first one window opening had to be moved and two windows had to be installed.

The weather was perfect

for the week - low humidity and temperatures were in the 80's. Every day they brought along fixings for a picnic lunch and then in the evening the kids took turns making supper. Everyone pitched in to help clean up.

On their way home, they stopped in St. Louis to take a tour of The Gateway Arch and watch the movie on how it was built.

The teens that volunteered for Habitat this year were: Nathan Behring, Nichole Behring, Bree Boetcher, Malia Dickman, Kaitlyn Ogi, Jake Retzlaff, Steven Runquist, Katie Steinhardt, Nichole Stern, Katie Van Ess, Stuart Van Ess Ericka Christie, Haley Gillis, Noah Schoofs, and Samantha

Schoofs. The adults that chaperoned this trip were: Pastor Eric Kirkegaard, Char Keller, John Kletti, Karen

Kletti, Clark Pearson, Mary Steinhardt and Kathy Zahn.

The weather was perfect! 4-H'ers enjoyed paddleboat

rides, swimming, playing in the sand, bike riding and painted tatoos at Long Lake.

Hamburgers and salads helped fill the hunger. Later that evening Rachel and

Megan Gavin led everyone in campfire songs while they roasted marshmallows for s'mores.

Thanks to all who helped to make this a success.

# Auto Body Dynamics Wins Sheisty Tournament

The annual Jeff Sheisty Tournament was held at Kiwanis Park last weekend and 16 local teams and sponsors took part in the tournament. Over the past couple of years, \$20,000 has been raised and donated back to the community and the park. Many hours of volunteer service also has been donated and we would like to list them and thank them for their support.

KT Farms, Woody's Steakhouse, Angie D's, St. Killian Bar, LR Trophy, PJ Magoos, Mike's Country Meats, Just Add Pig, Campbellsport News, Smith

and Hatch, Cooks and Bartenders, Announcers Ron Sturn and Joe Tietz.

Winners were: fourth place - PJ Magoos; third place - K Town Saloon; second place - LR Trophy and first place - Auto Body Dynamics.

Members of the winning team are: Aaron Buslaff, Jason Buslaff, Scott Donath, Jim Dreikosen, Jason Ebert, Wes Gaedtke, Tom Kudek, Ray Maurer, Joe Rettler, Christopher Sabish, Troy Shill, Mike Struebing and Doug Wondra.

# KHS Sets Concert Dates

The Kewaskum High School Music Department has set their dates for the 2003-2004 school year. All performances will be held in Rose Hall at the school unless otherwise noted.

The school year kicks off with a magazine fundraiser on September 9th. This year's musical production will be held at 7:30 p.m. on November 7 and 8. A senior citizen's run-through will be at 4 p.m. on the 6th.

The Christmas concert will be on Monday,

December 15.

On January 10, 2004, select members of the band and choir will travel to Two Rivers for the Eastern Wisconsin Conference Honor's Festival.

A pre-Solo/Ensemble Festival Chamber Concert will be held on the night of Monday, March 15. The S/E festival will beat New Holstein on Saturday the 20th. The final concert of the year will be in River Hill Park on Wednesday, May 26, 2004.

## Junior Women's Club To Hold Jamboree Saturday

By ANDREW KUEHL  
Statesman Editorial Staff  
akuehl@kewaskumstatesman.com

After many hours of planning Members of the Kewaskum Junior Women's Club will see the fruits of their largest fundraising activity to date. Their event, The Jungle Gym Jamboree is being held this Saturday in Kewaskum's Kiwanis Park.

According to the group's leader, Karen Heberer, "We started planning and organizing in January of this year and have received an overwhelming response from the community." Those words coming right after receiving a \$5,000 check from the New Fane Sportsman's Club. Also donating so far have been The Kewaskum Kiwanis Club- \$3,000; Kewaskum Area Chamber of Commerce- \$500; and The Kewaskum Woman's Club- \$100. St. Francis Bank and West Bend Savings have both donated \$225 for the band. The Junior's have also donated \$500 in addition to spearheading the event.

Heberer states the club has a goal of raising \$20,000 and completing the project in three phases. Phase I is the largest addition to the park worth \$13,000. Additional equipment will be added as they continue their efforts.

The event planned for Saturday will begin at 11 am and wind down 12 hours

later. Family activities are planned from 11 - 5. A locally favorite band, Relative will perform from 7 - 11 p.m. Food, drinks, popcorn, and cotton candy will be served all day.

Activities for the day include:

11:00 a.m. - 3:00 p.m.- Cake Walk

11:00 a.m. - 5:00 p.m.- Face Painting

11:00 a.m. - 6:00 p.m.- Obstacle Course

11:00 a.m. - 7:00 p.m. Silent Auction

1:00 - 2:00 p.m.- Basketball Shoot.

3:00 - 7:00 p.m. 50/50 Raffles

4:00 - 6:00 p.m. Tug-O-War with sign up at 3:30 p.m.,

There will be a small fee for all activities. Proceeds will be used toward the equipment.

Heberer states her club is hoping organizations, families, and businesses will participate in the Tug-O-War contest. There are age categories for some of the activities and prizes will be given for most of the contests.

The Junior Women are working with Burke Company in Fond du Lac. The new apparatus will replace the current wooden structure, which was donated by the Kewaskum Junior Women's Club in 1987. That structure has been relocated to Wildlife Park on the north side of the village.

## Jeff Sabish Memorial Softball Tournament Funds to Be Donated to Playground Equipment Fundraiser

On July 11 - 13, the 4th annual Jeff Sabish Memorial Softball Tournament was held at Kiwanis Park in Kewaskum. Jeff was killed in a car accident in January 2000 and family, friends, and relatives keep Jeff's memory alive with the tournament, proceeds from which are donated to area communities and organizations.

Numerous area businesses provide generous support to the tournament as well. In the four years the tournament has been held, over

\$25,000 has been raised.

Proceeds from this year's tournament will be used to improve the safety of the swing set area at Kiwanis Park. Border timbers and manufactured wood mulch fibers, specifically for playgrounds, will be installed around the swing set.

This project will complement the new play equipment being funded by the Kewaskum Junior Women's Club and will be completed the week of July 28th, in time for the Gymboree. Proceeds

from previous years funded new weight equipment for the Kewaskum High School, a park shelter in Kewaskum's Kiwanis Park, development of West Bend's Roman "Doc" Gonring Athletic Complex, the Ashford Sportsmen's Club, the Campbelsport Fire Department and the Jim Donath cancer benefit. A special thank you to all the businesses, teams and volunteers that help to make the tournament a success - for all area communities.

### Fifth Annual Community PIGNIC Sunday

The community is invited, and encouraged to attend Peace United Church of Christ's fifth Annual PIGNIC pig roast and festival on Sunday, August 3rd at River Hill Park in Kewaskum. Events for the entire family will kick off at 9:30 a.m. with a worship service, in the park pavilion, led by Rev. J. Eric Kirgegaard. The Vacation Bible School children will provide special music. Always a favorite in Washington County, the "Bound for heaven" gospel group will perform

immediately following the worship service.

A roast pork and chicken dinner, complete with salad, vegetable and beverage, will be served from 11 a.m. to 1 p.m. Carry outs are available, and tickets will be sold on the day of the event. Dinner tickets are \$8 for adults and \$5 for children, ten and under. For those with a sweet tooth, the dessert booth will serve tasty treats all day. Children may enjoy the "Games for Kids" area, while adults purchase beautiful hand-made craft

items or take a chance on the "Falling Leaves" quilt.

Every member of the family will find something of interest in over 75 bucket raffle packages. Gift certificates from local businesses include Miller's Furniture, Kewaskum Amoco, Geidel's Piggly Wiggly, Kewaskum Floral, Artcentral, Kewaskum Frozen Foods, Peek-A-Boutique and many others. Packages feature family portraits, pet care, golf, ice fishing, auto care, bed and breakfast, birthday party, restaurants, tanning,

videos and movies. Taking a chance for \$1 may win you a rustic vine trellis, Dan Gerhartz print, porcelain doll, luggage, books, smoothie maker, jewelry, prairie style mantle clock, wine, Italian casserole basket, Sonicare toothbrush or Clayton's pickles.

If you enjoy crazy entertainment, don't miss the variety "talent" show at noon, which features music, comedy, dramatic reading and wacky humor for the whole family. A live auction of uniquely decorated birdhouses will begin at 1 p.m.. The PIGNIC will be held rain

or shine, so come, share the spirit! For advanced tickets or more information call Gayle Van Ess at 262-626-4669.

# Dinner to Honor Hall of Fame Coach, Mr. Joe Harlow

Shown above is Joe Harlow with his Hall of Fame Plaque he received on June 17 at the Hayward Golf and Tennis Club. A copy of the plaque will be permanently displayed in Madison at University Ridge Golf Course.

On June 17, 2003, Mr. Joe Harlow was inducted into the Wisconsin High School Coaches Hall of Fame in a ceremony conducted at the Hayward Golf and Tennis Club. Mr. Harlow coached varsity football wrestling and golf for over 30 years at Kewaskum High School. One of the most successful athletic coaches ever at KHS will be honored with a banquet dinner and special program in conjunction with the fourth

annual KHS Athletics Scramble and Alumni Challenge.

Hon-E-Kor Golf and Country Club, where Mr. Harlow has served as the local club pro for almost 40 years, will host the annual athletics fundraiser on Saturday, August 2. The 18 hole scramble will begin with a Shotgun Start at 2 p.m. followed by the honorary dinner at 7 p.m. and concluded with a plaque presentation program at 8

p.m. Dinner tickets are available at the KHS office, Hon-E-Kor Pro Shop, and Smith and Hatch Insurance Agency for a \$20 donation. All former players, colleagues, students as well as friends and fans are invited and encouraged to attend.

In the fall of 1965, Mr. Harlow started teaching and coaching at Kewaskum High School after completing a one year stint at Germantown High School. Mr. Harlow served as head football coach from 1967 to 1977, head wrestling coach from 1965 to 1975 and golf coach from 1966 to 1998. Besides teaching thousands of students, Mr. Harlow coached many conference and regional champions, tournament titlists and state qualifiers.

Educationally, Mr. Harlow was known as a witty and helpful math instructor, athletically as an inspiring, dedicated coach, professionally as an enthusiastic and capable club pro. Opponents understood him to be a highly prepared, knowledgeable and classy competitor. Whereas fellow staff members benefited from their compassionate colleague, well meaning mentor and personal friend-

ships. In whatever capacity he served, Mr. Harlow truly represented what secondary academics and athletics should be.

Therefore, the annual KHS Athletics Scramble Awards Dinner and Program will be conducted in honor of Mr. Harlow, a true presentation of scramble prizes, current KHS boys golf coach, Mr. Eichstedt will introduce and present Mr. Harlow with his Coaches Hall of Fame Plaque. The program will conclude with commentary from our Hall of Fame Coach, Mr. Joe Harlow.

Anyone interested in partaking in the fourth annual KHS Athletic Scramble either by golfing, sponsoring, donating, attending or volunteering to help, please contact KHS coaches Glenn Eichstedt at 262-626-2166, ext. 4251, Scott Rohlinger, 262-626-2332 or insurance agent Dennis Butz, 262-626-2277. The overall purpose of these activities is to raise supplementary funds to support Kewaskum High School Athletic Programs.

## Brat Fry To Benefit Eden F.D.

National Exchange Bank & Trust will host a brat fry from 10 a.m. to 3 p.m. Friday, Aug. 8 at its Eden branch, 404 E. Main Street.

Proceeds from the brat fry will benefit the Eden Fire Department. Funds will be used to help the department purchase a new pump truck.

Brats and hamburgers will be available for \$1.75 and soda will be 50 cents. Come on out and show support for your local VOLUNTEER fire department.

### Agribusiness Cluster Council Meeting August 5

The Agribusiness Cluster Council will be holding their next meeting on Tuesday, August 5th at the Public Agency Center, Room 1113 A/B, 333 East Washington Street, West Bend from 7:30 p.m. to 9 p.m.

Industry clusters and cluster-based economic development, while still a fairly new concept in Wisconsin, have been utilized as an economic development tool successfully in many other regions and states - the Silicon Valley in California, the Research Triangle in North Carolina, and statewide in Arizona to name just a few. Industry clusters are a geographically bounded collection of similar and/or related firms that together create advantages for member firms and the local

economy. Cluster-based economic development is successful because it fosters strategic alliances among business, government and educational institutions; builds competitive regional competitive advantages; and encourages innovation.

The Cluster Council initiative is a collaborative effort facilitated by UW-Washington County, Moraine Park Technical College, and Washington County Economic Development, and is led by industry leaders. The partnership was developed in order to grow and strengthen the existing business and improve the overall quality of life for the citizens of our community.

The Agribusiness Cluster Council has developed a short

list of some goals related to three key issues: Land Use, Education and Public Relations, and Economic Viability. The Council is developing an action plan and input from area agribusinesses is critical. Members of the agribusiness community - farm families, agricultural businesses and rural landowners - are invited to attend the August 5th meeting.

For more information about the meeting scheduled for August 5th, please contact Brenda Hicks-Sorensen, Washington County Economic Development Coordinator, at 262-335-4831 or via email at econdev@co.washington.wi.us.

### 'Strategic Directions in Manufacturing' Seminar to be Offered August 12

"Strategic Directions in Manufacturing," an interactive seminar, is being held at Moraine Park Technical College's Applied Manufacturing Technology Center (AMTC) in West Bend on Tuesday, August 12.

The seminar, sponsored by Moraine Park Technical

College, is designed for anyone interested in the future of manufacturing, increasing productivity or training opportunities offered at the AMTC in Fall 2003.

Two keynote speakers will be featured. The first, Terry Ludeman, Chief of Local Workforce Planning

Section, Wisconsin Department of Workforce Development, will discuss recent developments in Wisconsin's labor markets and pending developments as they impact manufacturing. Ludeman, who will speak from 4-4:45 p.m., will address changes in Wisconsin's demographics, economy and labor force, as well as workforce and educational issues.

## Statewide Third-Grade Reading Results Climb

MADISON - Third-graders continued the upward trend on the state's challenging reading comprehension test, and for most student groups the achievement gap appears to be closing this year.

"We are making tremendous progress teaching our children to read and including all students in the important evaluation of third-grade reading," Elizabeth Burmaster, State Superintendent said. "Reading is the fundamental skill that separates those students who succeed from those who fail."

For low-income students, 67% scored proficient or advanced compared with 88% of non-economically disadvantaged students. In districts with the highest concentrations of poverty (50% or more), 71% of students scored at the top two proficiency categories, 20 percentage points lower than in districts with less than 5% of their students coming from low-income families. While the reading test scores show an achievement gap, it appears to be closing this year for children of color and economically disadvantaged students and their peers.

"We are seeing higher concentrations of poverty and increasing numbers of students who have limited-proficiency in English," Burmaster commented. "Despite these added pressures, our statewide reading test results have been on an

upward trend. I believe this is due, in part to the investment we've made in early learning through 4-year-old kindergarten and the successful Student Achievement Guarantee in Education (SAGE) program. We still have hard work ahead of us to close the achievement gap, and now more than ever our children need our continued commitment to programming that works."

SAGE schools that have been part of the program since its inception (27 of the 30 1996-97 original schools) showed steady gains as a group between 1998 and 2003. The percentage of students scoring proficient or advanced in 2003 averaged 75% for students enrolled, below the overall statewide average but well above the level for economically disadvantaged students across the state.

Burmaster calls SAGE's reduced class sizes in kindergarten through grades three for providing more time for teachers to instruct individual students, which helps boost achievement in those schools. In addition, SAGE seeks to remove other barriers to students' learning through increased family involvement and community collaboration, a rigorous academic curriculum, and staff development and evaluation that focus on improving student achievement. "This investment in our children is a model for closing the achievement gap," she

said.

Of the 58,098 public school third-graders who took the 2003 Wisconsin Reading Comprehension Test, 81.1% scored proficient or advanced, compared with 74.1% who scored in the top two proficiency levels last year. Another 10.4% of students scored in the basic proficient level, 4.2% scored at the minimal level, and 4.4% of all student enrolled were not tested. Six years ago, 9.3% of all third-grade students did not take the test and 64.8% scored in the top two proficiency levels.

On the 2003 test, 440 schools had no students scoring in the minimal proficiency level, and 88 of those schools had all their third-graders scoring in the proficient and advanced levels. Of all test-takers, 1,704 students (2.9%) earned all 69 reading comprehension test points. The statewide average score was 57.7 points out of a possible 69 points on the reading comprehension questions.

Burmaster cautioned against judging a school or an entire district based on the results of one test given to third graders. "While the vast majority of our third-grade students did very well this year, scores normally fluctuate from year to year. This test shows us a bright picture of overall success as well as areas in which we need to maintain efforts to close the achievement gap."

**KEWASKUM**

Area Chamber of Commerce

### North Beer Stand in River Hill Park Now Chamber Steak Stand

Last fall, Lee Kempf, with financial support from the Kewaskum Chamber, took on the task of supervising and remodeling, the North Beer Stand at River Hill Park. Lee spent many hours demolishing, rebuilding and soliciting materials to bring this stand up to 20th century standards and a joy to work in.

Special thanks to Lee for his dedication and hard work. Thanks also to the following for their donations of time, talent and materials: Larry and Lowell Bunkelman, Jim Gaffke, Carl Althaus, Village of Kewaskum, Heberer Brothers, Dave Donath, Linda Theisen, Jackie and John Burtard, and Tim Miller.

The Chamber appreciates the help and support of all who give tirelessly when help is needed.

### Donation Made to Village Fireworks Fund

Kewaskum Chamber of Commerce President Linda Theisen, left, recently presented a check for \$2,000 to Village of Kewaskum President Matt Heiser for fireworks, with proceeds from various fundraisers. Theisen urges anyone who viewed the spectacular display to donate monies toward this community event throughout the year. All contributions enhance our July 4th celebration. The Chamber wishes to thank the Kewaskum firemen for their time and efforts in presenting this fantastic evening of entertainment.

### ATTENTION BUSINESSES and ORGANIZATIONS

The Kewaskum Chamber is in the process of putting together new "WELCOME TO KEWASKUM" bags. These bags will be available for all new residents in the area. In order to make these bags a success we need you to promote your business or organization! Items can be fliers, coupons, literature, pens, magnets, business cards etc.

If you are interested in promoting your business, please drop off 50 items to St. Francis Bank before August 15th. Any questions can be directed to Jackie Burtard at 262-626-4288.

### CHAMBER MINUTES - HIGHLIGHTS - JULY 16, 2003

- ◆ **GOLF OUTING** - Great success. Thanks to all donors, members, workers and golfers. Everyone attending had an enjoyable day.
- ◆ **CHAMBER BRAT FRY** will be held at Geidel's Piggly Wiggly on Saturday, August 23. Help is needed. Shift hours are 8-10, 10-12 & 12-2.
- ◆ **CHAMBER STEAK STAND** at River Hill Park. The Chamber will look into adding siding and trim to give the building a more finished look.
- ◆ **TOURISM IS BEING REVIVED.** The Campbellsport Chamber is interested in working on this. Anyone who may be interested in working on this committee or chairing it, please contact a chamber officer. Tourism can only benefit our businesses and community. Please help us help you.
- ◆ **CHAMBER BOARD** voted to again sponsor the Village Scarecrow Contest and donate \$180.00 toward prize money, the decorating is done by Kewaskum Elementary, Holy Trinity and St. Lucas Schools.

- ◆ **TO THOSE BUSINESSES WITH A PLANTER OR HANGING FLOWER BASKETS** on the buildings, thank you for adding a touch of beauty to our business area. The Chamber would like to encourage businesses to think about ways to brighten the village, and if you have a chamber planter beautifying your sidewalk, please consider watering it regularly. All these little touches, add character to the village and leave a positive impression to anyone passing through town.

## CARD OF THANKS

On July 8, 2003, we suffered a great loss in our family as our mom, and grandmother, Evie Schmidt passed away. We would like to express our heartfelt gratitude to several people who, by their compassion and kindness, helped us through a very difficult time. Our thanks go out to Judy Lendved, Jane Haack, Officer Tom Bauer of the Kewaskum Police Dept., Washington County Coroner Pam Monroe and the Kewaskum Rescue and Fire Departments who provided us with immediate support and assistance.

We greatly appreciate the efforts of Larry and Louise Martin of Miller Funeral Home, Father Mark Jones of Holy Trinity Catholic Church, and Father Bob Artmann of St. Michael's Catholic Church. They were compassionate and professional throughout our ordeal.

We also want to thank Sue Laubach, who faithfully did mom's hair every week for as long as any of us can remember.

Finally, we would like to thank the Holy Trinity Christian Women, mom's many friends and neighbors who helped her out in so many ways, especially Marion Schacht who gave us five more precious years with Mom.

*Sincerely,  
The Kids and Grandkids of  
Evie Schmidt*

## IN MEMORY

In memory of DAVID ENGELMAN, who passed away ten years ago, July 31, 1993:

We thought of you with love today, but that is nothing new.

We thought about you yesterday and days before that too.

We thought of you in silence, we often speak your name All we have are memories and your picture in a frame. When evening shadows are falling, and we are all alone. To us there comes a longing if you could only come home.

Your memory is our keep sake with which we'll never part. God has you in His keeping, but we have you in our hearts.

*Derrick & Dillon Engelman  
Rogene Baker, Ed Engelman  
Mike & Cindy Engelman*

## PRAYER OF THE BLESSED VIRGIN

*(Never known to fail)*

Oh, most beautiful flower of Mt. Carmel, fruitful vine, splendor of Heaven. Blessed Mother of the Son of God, Immaculate Virgin, assist me in my necessity. Oh Star of the Sea, help me and show me here you are my Mother. Oh Holy Mary, Mother of God, Queen of Heaven and Earth, I humbly beseech you from the bottom of my heart to succor me in my necessity (make request). There are none that can withstand your power. Oh Mary, conceived without sin, pray for us who have recourse to thee (three times). Say this prayer for three consecutive days and then you must publish and it will be granted to you. Grateful thanks.

J.D.

## Fourth Pediatrician Joins West Bend Clinic

The West Bend Clinic, a member of SynergyHealth, announces the addition of a fourth pediatrician to its Pediatrics Department. Heather I. Osborn, M.D. joins the West Bend Clinic staff in August, and will have staff privileges at St. Joseph's Community Hospital of West Bend.

Osborn is a Pediatrician with a special interest in preventative medicine, asthma and adolescent care. She provides care for patients through all stages of their development, from birth through adolescence. Osborn's philosophy of care involves answering questions of new parents as well as taking time to educate and encourage teenagers to take responsibility for their

health. By working with the family as a team, Osborn is able to meet the health needs of each child.

Osborn received her Medical Degree from the Medical College of Wisconsin and completed her internship and residency at Children's Hospital of Wisconsin.

Osborn will be available to see patients starting August 6 at the West Bend Clinic, 1700 W. Paradise Dr. in West Bend. Evening appointments are also available with Dr. Osborn Thursdays until 8 p.m. Patients are invited to schedule a 10-minute "Get Acquainted Visit" to meet Dr. Osborn. To arrange a medical appointment or a "Get Acquainted Visit" call

## LETTERS TO THE EDITOR

Dear Editor,

As the years have gone by and our children have grown and become more active in local sports, a great way for my wife and myself to relax in the summer is watching our children play baseball. The games are free, the hot dogs are great and the company of the other parents is extremely enjoyable. If this sounds like a great way to spend a summer's evening, you're right, and as a village, let's keep it that way.

I was embarrassed last week by the actions of a village police officer concerning parking at a JV baseball game. Let me explain, that the walk from the parking lot to where the games are played is quite a distance, especially for senior citizens that could have disabilities.

When these senior citizens come to the games they park right by the diamond. That way it is very easy for them to watch the games. This evening a village police officer followed them in and confronted them about parking by the baseball diamond. I feel that if you have to use a cane, a walker, have an oxygen bottle to help you breathe, or special license plates on your car you should be allowed to park wherever you so please. This officer did not seem to or want to understand this. The general opinion at the game was that this police officer was totally out of line.

With all of the upcoming school budget cuts and the possibility of all the sports at the middle school level and some at the high school level being cut, in the future I hope that this officer can find better things to occupy his time. We, as a group, need to temper the law with just plain common sense. The law might say that they should not be parking the baseball diamond, but on the other hand, it doesn't take much to figure out what the common sense approach should have been.

Sincerely,  
Greg Ziebell

Dear Editor,

Recently I requested and received from the school administrator information regarding the salaries and job description of all Kewaskum School District employees. I found this information too difficult and time consuming to digest, except for several of the top positions the administrator, assistant administrator, business manager and assistant business manager who's salaries, listed in order are: \$92,000 plus, \$84,000 plus, \$84,000 plus and 74,000 plus.

This seemed an exceptionally high amount so I had someone I know who has access to this informa-

tion check neighboring districts our size and larger. He found that most of them used para-professionals in lieu of assistants administrators and head accountants or head bookkeepers in lieu of assistant business managers at a cost of about one fourth that of what its costing us. I would suggest that the school board survey other districts on their administrative costs before eliminating educational programs such as spelling bees, forensics and music.

As for the property owner of the Kewaskum School District lacking in student interests, as Gordie Dickman and a few other board members seem to think, is totally untrue. All we are asking is for the board to do their jobs; budget our money as they would their own at home; pay our debts before making new ones and quit spending money that we don't have.

If the last referendum which requested textbooks and technical school equipment would have been submitted alone I'd wager it would have passed as it had to do with education. Everyone must remember when it became the responsibility of the property taxpayer to finance education, it was just for that; education. Now over 50% of costs go for administration, sports, cafeteria services, psychologists, counselors and student entertainment, none of which has anything to do with education. These spiraling costs must stop or the 70% of homeowner's in this district who have no school children will revolt. The few school board members who were responsible for the last referendum have only themselves to blame.

Thank you,  
Lloyd A. Koch

Dear Editor,

Perhaps some of your readers may be able to help me. I am looking for information about my great-grandfather Meyer, first name unknown. His son, my grandfather, William or Willey, was born in West Bend, Washington County in 1866. He died in Milwaukee in 1894. He was married to Anna Friess of Richland Township (Freiss Lake - her parents John and Barbara Friess settled the area). William and Anna had three children, Erig, who died in infancy, Olive E. Meyer, and my father Earl Nicholas Meyer.

If any of your readers believe that they may have some information on the Meyer side of my family I would appreciate it if they would contact me at 608-837-0603 or write to me at 1075 Lori Lane, Sun Prairie, WI 53590.

Thank you for your help,  
Earl N. Meyer Jr.

**Regal Ware Rolls Out the Red Carpet**

Regal Ware President and CEO Jeffrey Reigle, right, presents the Outstanding Growth Award to Hy Cite President Erik Johnson during a special gathering at Regal's Schmidt Road facility in West Bend July 25th.

More than 200 sales professionals from throughout the United States were welcomed to the West Bend Schmidt Road Manufacturing Facility of Regal Ware, Inc. on July 25th. They represent Royal Prestige® Cookware, a private label brand which is manufactured by Regal Ware.

Royal Prestige® Cookware is marketed through HyCite Corporation of Madison, Wisconsin. The high-quality stainless steel cookware is available only through authorized demonstrators, and is not available in retail stores. In recognition of the visit, West Bend Mayor Mike Miller proclaimed July 25, 2003 "Royal Prestige Cookware Day" in the city of the West Bend.

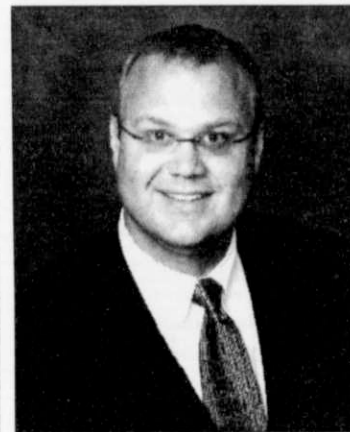

As part of the festivities, Regal Ware President and CEO Jeffrey Reigle presented an award to Hy Cite President Erik Johnson to recognize the outstanding growth in sales that Hy Cite Corporation has experienced under Johnson's leadership. Other activities

included a tour of the manufacturing facility and a luncheon served under the "big top" set up on the Regal Ware grounds. The event underscores Regal Ware's strategic focus on Cookware Direct Sales.

Regal Ware, a privately held company founded in 1945, is a widely respected

name in the cookware industry. Regal products are available throughout the United States, Canada, Mexico, Asia and Europe, and include such quality items as range-top cookware, commercial coffee urns, and home drinking water treatment systems.

**JUSTSONICS - The Ultimate Solution to Blind Cleaning**

Sandy and Randy Justman, owners of JustSonics located in the Town of Wayne.

JustSonics, LLC, an ultrasonic blind cleaning business, is a new addition in the Kewaskum area. Owners, Randy and Sandy Justman

opened their business at the beginning of the year and have been servicing customers throughout the surrounding counties. As Kewaskum natives, the

Justman name and the use of ultrasonics helped to determine "JustSonics".

"Many people install blinds in their home and are not aware of cleaning options. We're that solution," stated Randy Justman. As trained and certified technicians they offer a full-service business including cleaning, repair, and full inspection of all window treatments.

JustSonics has state-of-the-art equipment that use sound waves to sanitize and restore luster to blinds. Unlike conventional cleaning methods, there is no scratching, streaking, smearing or other damage. All ladders and slats come out sparkling clean including the mechanisms and cords, which are usually neglected in home blind cleaning. During the process head rails are lubricated for more efficient blind operation and a special rinse is applied to help repel dust.

JustSonics cleans all types of blinds including mini, silhouettes, honeycomb, vertical, pleated and wood blinds. Their services include free removal and rehang of blinds with pickup and delivery options that are convenient for the customer. The company serves residential, business or multi-unit needs and is pleased to provide free estimates. Kewaskum is fortunate to have this service-orientated business found locally.

### Dairyland Seed Announces New Corn Releases

Dairyland Seed, located just south of Kewaskum, recently announced the release of 19 new corn hybrids for the 2004 planting season. Each of these varieties can be seen at research tours and field days through the Midwest this fall. Descriptions of these new products follow:

**78 Day Stealth-1476** - Strong yields in this hybrid with flint background. Features very quick emergence and early grain set-up. Also has excellent grain quality and high test weight. Reaches black layer early, and adds more yield than Stealth-1473. Excellent grain quality, high test weight.

**84 Day Stealth-1685** - An exciting early dent hybrid with consistent high yields across all environments. Features rapid dry-down, excellent roots and a good disease package. As DST-8411 averaged 20 bushels more yield in 2002 strip plots - including 178 bushels on the William McCluskey farm near Greenwood City, Wisconsin.

**91 Day Stealth-7191** - This hybrid features both the YieldGard Corn Borer trait and the NK603 Roundup Ready event. Fabulous yield potential with excellent stress tolerance. As DST-9312RRBT in 2002 strip plots, it averaged 20 bushels higher than the plot average. Yielded 207 bushels in the Bruce Wussow plot near Alexandria, Minnesota.

**91 Day Stealth-4191** - The YieldGard Rootworm version of Stealth-7191. Our earliest YGRW hybrid.

Featuring top yields and stress tolerance.

**92 Day Stealth-1692** - Outstanding yield punch with large flex ears and fast drydown. Strong performance overall, particularly west as it is taking out P39D81 by more than 10 bushels although one point wetter. Also outyielding P3893 by more than 10 bushels although a half point drier.

**94 Day Stealth-5194** - Entered as DST-9414, this YieldGard Corn Borer (YGCB) hybrid finished first or second in eight strip plots averaging 25 bushels better. Yielded 221 bu/a. on the Tom and Denise Bauer farm, near Fall Creek, Wisconsin. Shows outstanding yield potential with early vigor, ear flex and staygreen.

**94 Day Stealth-4194** - Stealth-4194 is the YieldGard Rootworm (YGRW) version of 5194. It combines corn rootworm protection with outstanding yields.

**97 Day Stealth-4497** - A YieldGard Rootworm version of Stealth-1497 with the same strong yield potential and excellent agronomic traits.

**97 Day Stealth-5497** - A YieldGard Corn Borer version of Stealth-1497. In research trials it outyielded P36N70 by five bu/a., was 1-1/4 point drier with better stalks. Also showed a five bushel yield advantage over N32L9Bt with better stalks.

**102/100 Day Stealth-4191** - A YieldGard Rootworm hybrid related to, but earlier than Stealth-1503. It shows solid yields and excellent stalks.

An excellent early season hybrid and a nice choice for no-till planting. Also shows good gray leaf spot tolerance.

**103/102 Day Stealth-5104** - A top yielding YieldGard Corn Borer hybrid with strong stalks and roots. This hybrid combines staygreen traits with a large showy ear and excellent grain quality. As DST-10424Bt it topped five GENI plots in 2002 averaging 20 bushels better with a top yield of 217 bu/a. at Ron Regenscheid's farm near St. Peter, Minnesota.

**107/104 Day Stealth-4606** - Stealth 4606 shows the same strong, consistent performance of Stealth-1606 but adds the YieldGard Rootworm trait.

**109/106 Day Stealth-4609** - This is the YieldGard Rootworm version of Stealth-1606, one of our top selling hybrids. It is adapted to virtually all soil types -- moves south well.

**111/108 Day - Stealth-4611** - This YieldGard Rootworm hybrid version of Stealth-1611. Terrific eye appeal as it features large, girthy ears consistently down the row.

**111/108 Day Stealth-6611** - The Roundup Ready version of Stealth-1611 with the NK603 Event. Outyielding Pioneer hybrid 34M95 by two bu/a. in 354 reps of data.

**111/108 Day Stealth-5611** - The YieldGard Corn Borer version of Stealth-1611. Outyielding Pioneer hybrids 34M95 and 34B23 by 9.8 bu/a. in 765 reps of data.

**114/111 Day Stealth-**

### Reichle Qualifies as Certified Carpet Cleaning Technician

The Institute of Inspection, Cleaning and Restoration Certification (IICRC) is proud to announce that Kirk Reichle of Syl's Carpet Cleaning and Upholstry, Inc. in West Bend recently has qualified by education and examination as a Certified Carpet Cleaning Technician. This student has sacrificed many hours and a great deal of time and study to reach this level of certification.

Kenway Mead, IICRC Executive Administrator, states "Kirk Reichle is an example of the type of individual who cares about consumers and their belongings as well as his industry. He has demonstrated the desire to provide customers with thorough, professional, and caring service."

The IICRC is a nonprofit certifying and standard-setting organization dedicated to raising industry standards through technical proficiency. By administering a strict process of certification, the IICRC provides a means by which consumers can receive the highest quality of service from trained, knowledgeable, professional technicians.

Kirk Reichle joins the ranks of the true professionals within the cleaning, restoration, and inspection industry. The IICRC welcomes his participation and continuing education.

EXTRA EXTRA READ ALL ABOUT IT!!!!!! Very important news from the Washington County Historical Society. Attention all parents this is your last chance to sign your child or children up for our Pioneer Kids Days and Pioneer Family Days. This summer the Washington County Historical Society will be hosting Pioneer Kids Days and a FREE event Pioneer Family Days at the Washington County Historical Society. Pioneer Kids Days will be held August 7th and 8th from 8:45 until Noon. Pioneer Kids Days is an educational event for children from 1st thru 5th Grades Registration is only \$6 per child. This year we will focus on Early Wisconsin Homesteaders. There will be games, crafts, songs, stories, and a special guest. Pre-Registration is required. For information and registration contact us at (262) 335-4678 or visit our website at <http://www.historyisfun.com>. Pioneer Family Days is a FREE event that will be held on Saturday August 9th and Sunday August 10th from 11:00 am until 5:00 p.m. This year we are fortunate to have Randy Miller help coordinate the event. Randy Miller sets up events like this all of over the state. One of his most popular events is the Saukville Crossroads Rendezvous.

Have you ever wanted to spend a romantic evening with that special someone while on an educational learning experience? Most of us can say that we haven't, but here is a special chance where you can! Join the Historical Society in this special after-hours tour of Old World Wisconsin on Friday December 5th, 2003. Step back in time to see the Christmas traditions that have been practiced by our immigrant ancestors. This lovely evening includes a ride to and from Old World Wisconsin in a luxury Riteway Coach, a great Friday night fish fry dinner, candlelight guided tour through the Pioneer Village, and a special treat before departing from Old World Wisconsin. Transportation will leave from the Society's parking lot at 3:30 p.m. and will return around 11:00 p.m. The total cost for the evening is only \$50 per person. Registration and a \$25 deposit are due on August 15th. Bring along the whole family, that special someone, or yourself. Remember the more the merrier. For questions or reservations please call Alma Marsells at (262) 335-4678.

New Motorcycle and Traffic Officer Exhibit will open on August 6th. The Historical Society is gearing up for a unique display at the Old Courthouse Museum Please

join us as we tell the history of the Washington County Motorcycle Traffic Officers. During the early 1930s and 40s, traffic officers would be supplied with Harley Davidson motorcycles. A unique collection of Harley Davidson Motorcycles will be on loan from local collectors.

As the school year approaches we would like to inform all the teachers that we have prepared a school resource guide. In this resource guide you will be able to see all the different ways that our museum can benefit your classroom. If you are interested in receiving a resource guide please contact our full-time curator of Education David Gosa at 335-4678 or E-mail him at [education@historyisfun.com](mailto:education@historyisfun.com).

The 2003 Varsity Indian team. Front row, left to right, Brandon Prom, Matt Hartmann, Tim Trott, Jake Wilson, Ryan Koepke, Jonathon Olla. Back row: Coach Dave Donath, Garrett Mlejnek, Nic Luther, Lee Schacht, Travis Kempf, Andrew Olla and Josh Meyer.

The 2003 Junior Varsity Indian team. Front row, left to right: Scott Rohoads, Dustin Luther, Jake Junk, Adam Ziebell, JJ Krahn, Garrett Donath. Back row: Abe Foerster, Ross Stockhausen, Chad Peplinski, Brett Zimdars, Jim Landlum, Kyle Rieden and coach Jason Strobel.

By Lisa Lickel

When all was said and done the Indians ended their season only one shot away from getting to the State Playoffs. At 12 and 16, the team was seeded number two behind rivals Campbellsport, and was awarded a bye in the Regional Playoffs. Travis Kempf pitched a winner on July 22 against Random Lake, 8-1, and the Indians moved on to Sectional play.

The semi-finals were held

at Cedar Grove-Belgium School on Friday, July 25. WIAA Baseball is divided into spring and summer leagues. "With the teams divided up like that, you're bound to run into a bigger school sometime," said assistant coach Jim Westphal. At Thursday's practice, the team was powered up. They knew they had to play the Campbellsport Cougars, to whom they lost all season, including the playoffs last year.

"I guarantee we're going to win," said Kempf at prac-

tice. Coach Dave Donath wasn't exactly skeptical, but reiterated that the team was making too many errors. "We need to work on our hitting. As a team, we're only batting .250." Indeed, only three players hit above .300: sophomore Josh Meyer, and seniors Lee Schacht and Jake Wilson. Kempf remained close at .293. "We haven't had a whole lotta luck against Campbellsport," said Coach, "they've had a good program for several years. Still, the seniors know, they're not

gonna leave the tank full," he continued. "When they're done, they can say they've given it their best shot."

Guts and hope equaled a victory on a humid, hot and windy morning. The Indians were given home field advantage at Cedar Grove-Belgium's ball diamond. Media was out in force, and the games were announced on radio. Kempf pitched the entire first game.

The Indians had a rocky start, with Kempf walking the first Cougar on a full count. A

bunt back to Kempf made the first out. A hit to second base by Tim Rowe with attempted double play caused a disputed call when the umpire felt that Schacht was pulled off base to miss the tag. After a little discussion, Donath returned to the dugout. A fly out with two base runners and a dropped ball third strike throw down first ended the first half inning.

The Indians drew first blood in the bottom of the

## FISHING REPORT

By Mr. Fisherman

Another dream invaded my mind this week. It started with me trying to get up to go fishing and seeing lures lying all over the floor. Then looking up there were bass and two muskys, one called Michelle and the other Mike, hanging on my ceiling fan, going around and around chasing my lures. My bedspread was covered with rods, reels fishing line and lures. Even a trolling motor was hanging on the front of my bed. You can bet that Bertha had something to do with this. Sure enough from the corner of my eye there was Bertha chasing Michelle away and saying, "Catch me if you can Mr. Fisherman". This is not a dream. It's a nightmare. Why are you doing this to me Bertha? Why are you always teasing me and what's with you chasing Michelle the musky away from my lures? Hum! What's that all about? As you can imagine there was a shower to be taken that morning before going fishing. My wife said this dream was caused by me eating junk food before going to bed. Why am I always doing things wrong? It's bedtime but not before I have some cold pizza and pickles.

Let's get to the fishing report. Long Lake Monday morning was a so-so day, only 5 bass with the biggest one being 17". All on a bb3 crank bait and caught on the inside edge of the weed line.

Tuesday morning Tittle Lake was turned on. They were waiting for breakfast and I had a bb3 ready to serve! One bass weighed 3 lbs 13 ozs. and was 19 1/2". The others were 18", 17", and two 15". Throw in a couple quarter pounders and some small northern and it's what's called an excellent morning. It must have been a good survival rate the year that 19" class was spawned.

Wednesday morning Tittle Lake and Long Lake were turned off. Only could manage two quarter pounders and a few small northern. They hit a brown spinner bait on the outside edge of the weed line. No action on plastic worms. Water surface temp has gone down to 74 degrees and a cool wind has been coming out of the north.

"Humiliation on THE BIG A": It was Wednesday night and time to fish the "BIG A". My son caught three bass and one was a quarter pounder, with the biggest one 17" and the other 15". The smaller one was caught on a black and white bb3 and the bigger one hit a buzz bait. Mr. Fisherman caught none but had a few follows. When someone catches all the fish they are banned, for life, from fishing with me! Nobody, and I mean nobody, out fishes me in my own boat without retaliation. My son

is not allowed to fish in my boat again. Now it's getting the nerve to tell him that's hard. Oh yeah, I was guiding and it was my boat! If it wasn't for me he wouldn't have caught anything! Don't want to talk about this anymore!

When things like the fore mention happen, I go to Wolf Lake. This lake soothes my soul and gets me back on track. The six bass that were caught made me feel better. Two were 16" and the rest were quarter pounders. Plastic worms did the trick here and also my bb3 got hit a few times. Thursday night fishing was a blast - so many quarter pounders that I lost count. A few were keepers but nothing big. They hit the bb3 and buzz baits. Try this lake for bass, you will not be disappointed. The weeds are tolerable and weather conditions hardly affect the fishing. If you want to take a break you can go to the park and relax a bit. Email me if you would like to fish this lake. I'd be happy to tell you where to start fishing for bass.

Friday morning started out slow and with so many people fishing on the big lake I decided to go into Tittle Lake. Leaving to go home at 9:00 a.m. the count was two bass One on a plastic and the other smaller one on a brown spinner bait. One was 18" and the other 16 1/2". Ah here's the kicker, a 23" wall-eye hit my bb3 about 8 am. That's not bad for three hours of fishing.

Someone emailed me and asked were you can get Bagley lures. Bass Pro handles them on there web site. Cabela doesn't have them. Wish Fleet Farm would sell them. Maybe if a few people ask they would stock them, but that could be a bad idea. My wife would never let me go into Fleet Farm.

Saturday morning was windy and hard to keep the boat in position with the trolling motor. It was off into Tittle Lake. With some effort a few bass and northern did hit my bb3 and brown spinner bait. Nothing big, most were quarter pounders with a few 15 inchers. Right at the boat the northern were jumping out of the water after my lure. Not an exciting morning that's for sure. That's it for the week.

How's your fishing? Email me at MrFishermanRU2@aol.com

## BASEBALL

(continued from previous page)

second, after Kempf struck out three Campbellsport batters in a row. Cougar pitcher Colin Salter loaded the bases with walks, and after Wilson patiently awaited his pitch, he walked in Trott, who reached after being hit for the first of three times during the

day.

The scoring continued in the third as Trott took another one for the team and walked in Garrett Mlejnek. The crowd showed little sympathy for Campbellsport as Kempf faced his counterpart. "Get him, Travis, he's having a bad day," came a call from the stands. Kempf continued to rack up impressive strikeouts to the pleasure of the fans. Schacht picked up an RBI in the fourth, and Wilson brought in runs four and five in the fifth. Nic Luther came in to catch in the sixth while Trott went to left field. The Cougars scored in their half of the sixth, and twice in the seventh while Kempf showed signs of slowing down, walking the bases loaded and allowing the runs.

Wilson went four for four and Meyer three for four, Schacht and Koepke were each two for four. Kempf was the winning pitcher, 5-3.

"It feels great!" said Wilson of the win, after the game. "Everyone's excited. We have to play a lot more defense." When asked whom he hoped the Indians would play in the next round, Slinger or West Bend East, Wilson replied, "East" with no hesitation. "I know we can beat them," he predicted. "We just made so many errors (the last time they met in non-conference play). Most of us seniors know this could be our last game ever. We'll be doing our best and hope the younger players will help us out."

"We were patient out there," Coach Donath told his team after the victory. "We made them throw a lot and make mistakes. With some patience, we can make it work."

Unfortunately, their hopes were dashed. Indians players and the growing crowd of fans returned to Cedar Grove-Belgium for the second game, which started at 5:00 p.m. The Suns of West Bend East had routed the Slinger Owls, 12-4, and were eager to battle on. The weather remained warm and

slightly hazy, but the wind had died down. A whisper went through the stands that East had saved their better pitcher during the previous game, and things weren't looking hopeful.

Hartmann pitched three innings to catcher Luther while Schacht finished the semi-final game. Each pitcher gave up four runs. The Indians were the guest team. Kempf was the only batter to reach in the first inning, and was then caught stealing. Hartmann struggled early on, pitching to eight players and giving up four runs right away at the bottom of the first. While striking out one, and only giving up one walk, he couldn't seem to find the zone, and allowed six hits. The shocked Indian bench was encouraged to "talk it up" and it seemed to help.

"It's not time to play scared," advised Coach Donath as the team went to bat at the top of the second, down 4-0. Mlejnek drew a walk, then right fielder Ryan Koepke showed bunt. Mlejnek took a long lead while Koepke hit a grounder through left center for a single, but both were left stranded. That seemed to be the refrain of the evening, as the bases were left loaded in the third and the sixth innings, as well.

The only Indian runs came in the third inning. The wind began to turn easterly, blowing in some cooler air from the lake. Trott started off with a long hit to his turf in left field, while Meyer advanced him on a sacrifice bunt. Wilson hit through the gap at right center for a single which brought Kempf up with one out and runners at first and third. Kempf hit a double, driving in the runners. Schacht and Mlejnek both managed to join Kempf on base, but their teammates couldn't bring them home. Hartmann set the Suns down in the third, with Koepke making some spectacular outfield plays.

Schacht came in to pitch in the fourth, while

Hartmann went to third base and Kempf took over at first. Schacht, showing the wear of the day and covered in dust, threw a powerful fastball to shut down the Suns. Still behind by just two in the fifth, the Indians began to unravel at home plate. Koepke dropped the very first pitch into short center to get on base. Hartmann took high balls one, two and three before loading up the count and popping foul, then out. Trott took his third smack of the day, which brought Meyer to the plate with runners on first and second and one out. He rode up the count, taking a walk. Wilson and Kempf both struck out.

Schacht again took the mound in the sixth, facing pinch hitters from the Suns team. Dropped balls both infield and at the plate finished off the Indians. They couldn't get their act straightened out for the rally inning, top of the seventh, and down by 8-2, took the loss. Mlejnek drew his third walk of the game, and senior Andrew Olla, in for the first time, grounded into a game-ending double play.

Coach Donath received the plaque as sectional runner-up on behalf of the team. "We had our chances - we left the bases loaded too many times," said assistant coach Westphal.

Garrett Mljenek was three for four, Tim Trott was three for three, and Ryan Koepke was two for three. Hartmann was the losing pitcher, 8-2.

"We're so proud of the team, taking it this far," shared more than one parent after the games were over. "It's hard watching for the last time," said Mary Kempf, Leah and Glenn Hartmann, parents of seniors Travis and Matt. Six seniors will graduate from the team, but with a bit of talent coming in from Jason Strobel's junior varsity team, the Indians should have a good year in 2004.

A reminder to parents: team photos are available, at 5 x 7" and 8 x 10". Call Lisa, 692-2135, for information.

## FIELD SHOMESCAPES

A LETTER  
TO MY CUSTOMERS AND NEIGHBORS  
We Have To Move...

Dear Customers,

I'm sure you've heard the news! The city of West Bend has shown interest in buying our current building and moving us to a new location. I don't know when this will happen. But being a prudent businessman; it seems smart to reduce some of our inventory. I have made many markdowns, some as much as 50% off. All of our accessories are at least 25% off with some as much as 70% off! These are terrific savings. Come in soon for best selection and to take advantage of great bargains.

It's All About You

Charter Communications® is committed to enhancing your entertainment experience. And we're committed to doing all we can to enhance our community, too. Just look at what we're doing to make our communities a great place to live:

### You Know Us

More than 400 Wisconsin residents work to serve Charter customers in eastern Wisconsin. We're your neighbors, family and friends, working hard to earn your business and support our communities.

### Participating In Our Community

We're proud of the communities we serve and strive to make them great places to live and work. We're involved in our community in a number of ways, from participating in hometown festivals to publicly recognizing special people.

### Investing In Our Economy

Charter Communications has made a multi-million dollar investment in our eastern Wisconsin fiber-optic digital network, our digital distribution facilities and our state-of-the-art Customer Support Center, where we receive customer telephone calls 24 hours a day, seven days a week. Charter also contributes more than \$3 million dollars in annual fees to local governments, pays more than \$1.7 million in annual local property taxes and provides our highly-skilled staff with great jobs, competitive wages and attractive benefits, all in a positive work environment.

### Educating Our Kids

Access to information is critical to the growth and development of our community. That's why Charter Communications provides free cable TV and high-speed modem service to more than 300 area schools and libraries. In fact, we donate more than \$150,000 worth of services every year to improve education. We also offer local teachers and schools programming support and financial assistance via our Cable In The Classroom project and support local students in their goal of obtaining a college degree with valuable scholarships.
