ATF announces arson reward increased to \$10,000

Kewaskum Chief of Police Richard Knoebel stated the cause of an early Monday morning fire at the Prairie Gardens condominium community is arson. Two, four unit buildings were destroyed. The building on the right burned to the ground while the building on the left was extinguished before it was leveled. This is the first arson case the Kewaskum Police Department has investigated in over 20 years. See a complete report on page 5 of this edition.

United Construction ready to start on Village Lakes Center

By Andrew Kuehl
 Managing Editor
 akuehl@kewaskumstatesman

The Kewaskum Village Board will again hear from Rick Kozak of the California based, United Construction Group about their plans to build a \$30 million shopping center in the northern half of the village's Tax Incremental District. Kozak got the green light from the Plan Commission to proceed to the August 22 Village Board meeting this past Tuesday evening.

Even though plans have been modified slightly, commissioners seemed very pleased with the 345,000 square foot development. Kozak stated that the modified plan includes a 260,000 square foot, 70 store shopping center, 8,600 square foot car wash, three story, 13,000 square foot office building, 3,000 square foot bank, two 6,000 square foot restaurants, a 35,000 square foot, 82 room hotel with banquet facilities and other office buildings and food outlets.

The nicely appointed Village Lakes Center will have a community feel to it, with uniquely pitched roofs and plenty of trees. The resort-style hotel will be built around a large man-made lake with water fountains throughout the lake. Four food kiosks, a movie theater, sports bar/restaurant and possibly a bowling alley will frame a second lake, between

Highway 45 and the development. Kozak stated it's hoped that during the winter months, that lake could be used as an ice skating center.

After Department of Natural Resources officials found 11 acres of so-called wetlands, the plan for the development needed to be changed drastically, Kozak stated. The village engineer is now trying to find a way to be able to extend Badger road as a service road for the development.

A certified survey map was also approved for Charlie Serwe who wants to divide property he bought in the most southern portion of the TID. Serwe wants to divide that almost eight acre parcel into three parcels.

A Purina feed mill is planned on a two acre parcel of that property closest to Best Trailer Corp. Serwe says a gas station to be owned by Lakeside Oil, Milwaukee will be erected on another two-acre parcel. That gas station will be positioned at the Highway 45 and Badger Road intersection.

It is rumored Kilian Management Services will be building a new full service McDonalds Restaurant adjacent to the gas station. Sharon Ruplinger of Kilian Management Services stated right now they are investigating the possibility, but have not made a decision. Kilian currently operates a McDonalds Express in the village inside BP of Kewaskum.

Serwe did not comment on what would be done with the third parcel.

Kewaskum School board members will work for free, tax rate set at \$9.45

Close to 100 electors of the Kewaskum School District attended the district's annual meeting, Monday evening, July 25.

By Andrew Kuehl
Statesman Managing Editor
akuehl@kewaskumstatesman

It appears the Kewaskum School Board members will be donating their time on the board for the 2005-06 school year after electors at the annual meeting voted to cut their salaries. Electors also voted in favor of a \$9.45 tax rate for the same period.

Towards the end of last week, school board members received in their mailboxes, a letter from the newly-formed

Northern Kettle Moraine Citizens for Responsible Government (NKM CRG) demanding the resignations of board president Gordie Dickman, clerk Jean Goeden and member Neal Weare. The citizens group is going after those board members for their roles in the Graczyk buy-out fiasco and a recent alleged open meetings violation by Goeden.

The meeting opened by the almost 100 electors in attendance electing Connie Schulist as chairperson of the meeting. Schulist was the favorite of the NKM CRG as members of the group handed

out flyers at the door in her support.

KES principal, Kieth Kriewaldt gave a presentation on the highlights of the district for the past school year. Kriewaldt cited numerous positives of the district in his presentation such as 47 percent of the class of 2005 were honor students, eighth grade reading test scores were the highest in the county and that 80 high school musicians advanced to the state solo ensemble. Word of any problems within the district were about as quiet as the reasons for the buyout of former superintendent Wayne Graczyk.

During a presentation on the 2005-06 budget, business manager, Paul Reichert, pointed out that before an audit of the school district's books, there is a surplus of \$342,097, even after paying off the former superintendent's contract. Reichert thought after the audit that amount would dwindle but whatever would be left, would then be put into the district's fund balance that carries a balance of \$2,684,960. The fund balance is used as a sort of savings account for the district in case of emergencies or budget shortfalls.

Reichert stated he thought the district might see a small increase in enrollment and a 1.7% increase in pupil revenue. He continued to say the district would receive \$245 per student from the state.

The budget for 2005-06 is a balanced budget at \$17,300,554 and shows a 2.4 percent increase over last year. This increase is in part due to adding \$180,557 in various teaching positions for the district. Reichert also stated that 74 percent of the budget is for salaries and benefits for district employees. He went on to say that a homeowner with a home valued at \$150,000 could expect to pay \$1,418 for their school portion of the tax bill.

The new referendum budget shows a total of \$430,000. Of that amount, \$262,000 will be spent for technology upgrades and \$168,000 for textbook purchases. The tax levy portion of the cost of the refer-

endum is 44¢.

The special education budget shows a two percent increase for 2005-06. A total of \$2,788,106 will be spent.

After his presentation, public comment ensued over the Graczyk fiasco. One elector even stated the current school board and school boards past, were an embarrassment to the community. "When the media has a slow news day, they check out what the Kewaskum School Board is up to and they always find a story," stated Margaret "Muggs" McFadden. School district legal counsel, Paul Hemmer addressed the comments from the electors saying Graczyk's leadership style is why the board bought out his contract.

Hemmer stated that leadership styles are different in every district, what works in one district may not work in another and Graczyk's style wasn't working in Kewaskum.

COMMUNITY

Kewaskum Kiwanis invite you to join club

Shown above are members of the Kewaskum Kiwanis Club.

The following is a letter from the Kewaskum Kiwanis Club.

We are the proud members of the Kiwanis Club of Kewaskum. We would like to take a minute to tell you what we do and why we do it. Our motto at the Kiwanis club is "We Build!" and to the best of our ability, this is what we do. We help the children of our community. And by doing this we also help the community as a whole. Since the Kewaskum Kiwanis Club in Kewaskum was started we have given approximately \$400,000 back to the community. A lot of our projects are very visible in the community such as the Kiwanis park on the west side of town, the new kitchen for the firemen in River Hill Park, and the remodeled ice cream stand, also in River Hill Park. But just as many of our projects are not as visible. We give out many scholarships every year to deserving students in our high school. We give smaller but much needed donations to other civic groups. We donate to such things as the library in town. We also donate to needy children on a case by case basis when the need arises.

How can we afford to do this you may ask? Well, we get all of our money by fundraising. In the winter we have our ice raffle on the Milwaukee River. This raffle is now two years old and growing. We have our Fourth of July fundraiser in River Hill Park at which we sell ice cream, soda and water. We hold the famous Turkey shoot at New Fane Sportsman's Club in September. This year's turkey shoot will be the 53rd annual. We also sell entertainment books

of which we receive a part of the funds from the sale. We also have others that help us raise money for the children.

This is the reason we are writing this letter to you, the people of Kewaskum. We are in need of members to help us in our fundraising efforts. We are asking you to join us in helping the kids of your community. Some comments we have heard from prospective members is that we meet too often for them to join. While it is true that we meet every Monday night, it is not mandatory for you to be at every meeting although it is encouraged that you attend. Once you begin to attend meetings you will enjoy being with this great bunch of people and won't want to miss one.

Another comment we have heard is that Kiwanis is for business owners only. This is simply not true. Any-

one who is interested in helping the community can be a member. We feel that anyone who helps the community is a leader in the community. One more comment is that the Kiwanis Club is for men only. Again, not true. We welcome any ladies who would like to join and even encourage it.

In closing, anyone who is even remotely interested in the Kiwanis Club please give us a call and we would enjoy having you as a guest at one of our meetings to show you what we are all about. You won't be disappointed.

Thank you.

Modern Woodmen fundraiser Sunday

Members of the West Bend Modern Woodmen of America Camp 821 will hold a fundraiser on Sunday, July 31 for Dwain and Peggy (Braatz) Knuth.

The fundraiser will take place at the Firemen's Park in Eden and will begin at 2 p.m. Plans for the fundraiser include an auction by the O'Brien Brothers at 3 p.m.; music by Gary Cross from 4-8 p.m. Brats, hamburgers and refreshments will be served.

The money raised will be matched by the Modern Woodmen home office up to \$2,500 through the fraternal benefit society's fund program and will be used to help alleviate medical bills due to a motorcycle accident the couple was involved in.

The Matching Fund program offers Modern Wood-

men members nationwide the chance to show their support of a community cause, organization or individual in need by holding fund-raisers. These fund-raising projects contribute more than \$5 million to community needs nationwide each year.

For more information about how you can contribute to this fund-raising event, contact Mike Braatz at 920-477-3400.

Founded in 1883 as a fraternal benefit society, today Modern Woodmen of America offers financial services and fraternal member benefits to individuals and families throughout the United States. The organization's West Bend camp provides a number of volunteer service and social activities for local members.

THANK YOU!

The organizers and participants extend their appreciation to the following sponsors and donators for their generous contributions to previous K.H.S. Athletic Golf Outings:

Police agencies search for clues leading up to condo fire

Jeff Fennig, of the state division of investigations, uses an ingiter sniffing dog named Dharma at the scene of the early morning condo fire at the Prairie Gardens Condo Community. Dharma found numerous igniters used at the structure.

Kewaskum Chief of Police, Richard Knoebel, speaks to reporters at a press conference held at the scene of the condo fire Monday. Kewaskum has received an exuberant amount of media coverage in regards to this fire.

By Andrew Kuehl
Statesman Managing Editor
akuehl@kewaskumstatesman

KEWASKUM- Work on one of Kewaskum's new condominium communities has stopped after a building in the mix was intentionally set on fire early Monday morning. Kewaskum firefighters arrived on scene around 3:30 am to the fully engulfed structure at 864 Prairie Gardens.

The "most complete" complex, owned and being developed by John Laufer was deemed a total loss. Firefighters with assistance from the Boltonville and Kohlsville fire departments were able to save a surrounding structure.

Kewaskum Chief of Police, Richard Knoebel, stated in a press conference, that preliminary investigations reveal that arson is the cause of the fire and he, along with most of Kewaskum's police force, are looking for more information.

According to Knoebel, arson is also suspected because of a few other small fires near the destroyed structure that were going at the time of the structure fire. One smaller fire included a portable toilet.

"We have several leads," Knoebel stated. The Washington County Sheriff's Department, state Fire Marshal's office and the Bureau of Alcohol, Tobacco and Firearms are assisting Kewaskum Po-

lice Department. Kewaskum fire fighters have been on the scene all day assisting the various agencies.

The Bureau of A.T.F. had an igniter-sniffing dog on the scene. That canine found multiple places where igniters were used.

According to Knoebel Laufer had not yet been questioned yet.

The scene was closed Monday and Tuesday while investigators searched for clues.

The Bureau of A.T.F. has increased the already posted \$5,000 reward for anyone who may have information on the suspicious fire. Tuesday morning ATF announced

they would add an additional \$5,000 to make the total reward \$10,000. Individuals can call 1-800-362-3005 or the Kewaskum Police Department at 262-626-2323.

"The destruction caused by intentionally set fires is devastating. We are asking for the public's help to apprehend the

individual(s) who set this fire," stated Special Agent in Charge Bernard J. Zapor of the St. Paul Field Division, Bureau of ATF.

The structure was valued at over \$300,000.

Washington County will look at six local road project in 2006

The Washington County Highway Department will look at addressing six local road projects off their 2010 to do list in 2006.

The department is looking at a total of 14 projects for 2006 throughout the county. They include:

Highway M reconstruction.

Pulverizing and repaving four miles of Highway H between highways 45 and 144 in the Town of Kewaskum.

Pulverizing and repaving three miles of Highway W from Highway D north to Highway H in the town of Wayne.

Reconstructing one mile of Highway X between Highways 144 and XX in the town of Farmington.

Replacing the bridge on Highway D, east of the Dodge County line in the Town of Wayne.

Purchase right-of-way for Highway H reconstruction in the town of Farmington.

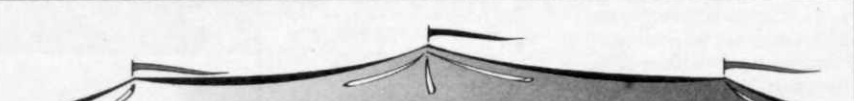

County highway commissioner, Ken Pesch will present these and other projects to be budgeted for in the 2006 budget by November.

COUNTY NEWS BRIEFS

Work to begin on CTH G in WB

County Trunk Highway G (River Road) from County Trunk Highway I (Decorah Road) northerly .5 miles to Gateway Drive in the City of West Bend will be under construction beginning Monday, August 1, 2003. The work should be completed by Wednesday, August 10, 2005, if weather conditions are favorable.

Traffic will be maintained on CTH G during construction. Streets connecting to River Road within the construction area - Redwood Street and Kilbourn Avenue - will be closed at their intersections with CTH G during working hours.

Motorists should expect delays of up to 10 minutes when traveling through the construction area. Motorists are asked to use extra care when driving in the construction area and obey all flagmen and construction signs. Alternate routes should be selected if possible.

The project consists of milling off the top four inches of the existing pavement, pulverizing the remanent pavement and then placing 4 inches of new asphalt. The work will be done by Payne and Dolan under contract with the Washington County Highway Department. County forces will then paint pavement markings and do other finish work.

Accused C-Sport man to appear in court for arranging wife's murder

A Campbellsport man who is being accused of trying to arrange for the killing of his wife was to be in Fond du Lac County Circuit Court Wednesday, July 27.

Steven Verbanac Sr., 50 had been charged in February with solicitation of first-degree intentional homicide and conspiracy to commit first-degree intentional homicide.

A jury trial is scheduled to begin September 12.

FDL County hopes for Eisenbahn Trail funding

Officials in Fond du Lac County are waiting to hear if they will receive a \$78,000 grant for the Eisenbahn Trail, located a miles south of Eden.

A dozen bridges span stream and creeks along the trail. The grant would allow the county to build railings for all the bridges. Depending when the state budget is finalized, construction could be completed this fall.

The trail will be used by snowmobilers during the winter and by hikers and runners during the spring and summer.

Washington County EDC to go under reorganization

Washington County's Economic Development Committee will welcome a staff member from UW-Milwaukee to reorganize the county's economic development committee into a private-public corporation.

Kathleen Cady Schilling, who works for the UW-Milwaukee Consortium for Economic Opportunity will wait to hear if the appointment is approved by County Board Chairman Kenneth Miller.

Her duties will include carrying on the daily economic development activities and the creation of a new economic development corporation.

County releases Immunization clinics

All recommended immunizations are available to children of Washington County at the immunization clinics offered by Washington County Health Department.

Clinics are: July 19, 2005, 3-5:00 p.m. at Lone Oak Health Center, 110 Lone Oak Ln (behind McDonald's)

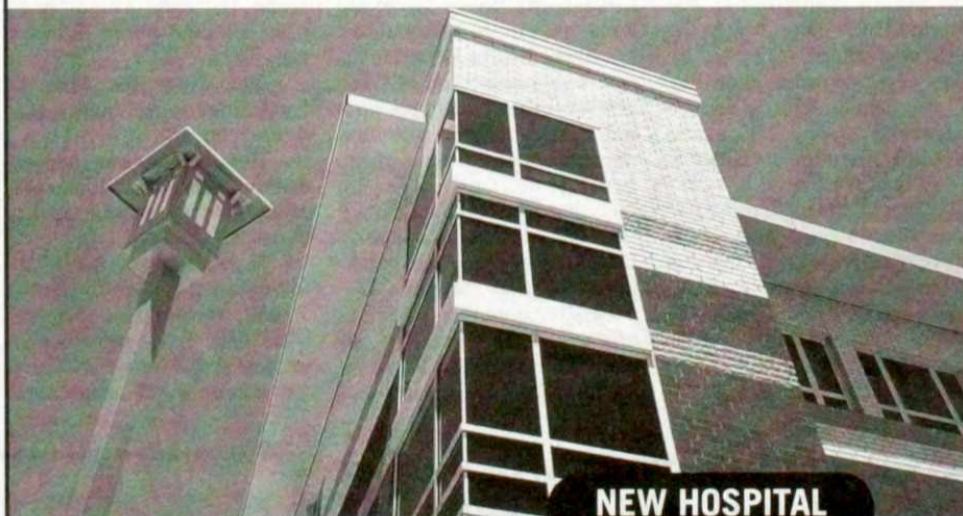

July 26, 2005 9-11:00 a.m. and 3-5:00 p.m. at the Public Agency Center, 333 E. Washington Street and Indiana Avenue in West Bend. Visit Lower Level, Room 1145.

KEWASKUM SCHOOL BOARD ANNUAL MEETING REGISTRATION SHEETS

The Registration Sheets from Monday night's Annual Meeting are missing. These official papers are needed to verify the registered number of residents who cast votes during the meeting. Please return them to the District Office - no questions asked. We will be happy to provide copies of the names, but we need the original sheets in our official Annual Meeting file. Thanks for your cooperation.

PEOPLE

Four generations...

Shown above is four generations of the Nigh family. Left to right, Beth Falak holding daughter, Alayna Falak, grandmother Cathy Schaefer and great-grandmother Dorothy Nigh.

Mitchell - Weddig

Nicole L. Mitchell and Gregory T. Weddig, both of San Francisco, CA, are pleased to announce their engagement.

Parents of the couple are Victor and Peggie Mitchell and Janet Ellis, all of Chico, CA and Kenneth and Carol Weddig of Kewaskum.

Nicole received a bachelor of science degree in Civil Engineering from California State University - Chico and will be

pursuing a masters in nursing at Johns Hopkins University in Baltimore, MD in the fall.

Gregory received a bachelor of arts in theatre from the University of Wisconsin - Milwaukee. He is currently employed by Auerbach Pollock Friedlander as a theatre consultant.

The couple has not set a wedding date at this time.

After long journey Jalas graduates

After almost 16 years of post-high school education, John Jalas, son of Tom and Ellie Jalas of Kewaskum, KHS class of 1989, graduated from the University of Minnesota School of Medicine on May 6th, 2005. Jalas originally left Kewaskum in the summer of 1989 to study economics and accounting in Texas.

After three years he realized his true interests were always in biology and chemistry, and decided to re-start his education in 1992 as a science/pre-med major at the University of Texas at Tyler in Tyler, TX.

In 1996, he received his bachelor's degree in chemistry from UTT and was accepted to the University of Minnesota's combined MD/PhD medical scientist training program. In this program, students are expected to complete four years of medical school, but

must also sandwich a four to seven year doctoral degree in between the traditional four years of medical school. Jalas completed the first two years of medical school, and in 1998, began phase two: graduate school and laboratory research in the Department of Chemistry. After spending five years in the laboratory, he received his PhD in chemistry in 2003. His thesis work was directed toward understanding

how environmental chemicals alter DNA and cause cancer. Jalas then moved on to phase three and finished the final two years of medical school, with the MD degree being awarded this May.

Now Jalas heads to California where he will begin a five-year residency program in pathology at the University of California - San Francisco. Said Jalas, "It has been a long and difficult road, but I have loved it every step of the way. The only thing I didn't like was aging."

When asked what he would like to do when he grows up, he replied, "Running an aquarium and tropical fish store sounds pretty good right about now, but I will continue to dedicate my life to studying disease and, hopefully, finding cures and improving people's quality of life." He concluded by joking, "I have put off adulthood for a long time, if I am not careful, may have to get a job soon. Thankfully, that is still years away."

You'll always miss 100 percent of the shots you don't take.

—Wayne Gretzky

EVENTS

Free outdoor concert Aug. 13 West Bend's Maxwell Street Day August 3

Lighthouse Ministries, Inc. a nondenominational ministry welcomes the public to an evening of free concerts on Saturday, August 13, from 4-10 p.m. at Regner Park in West Bend.

There will be three groups performing including:

Matt and Suzie Kendziera will bring contemporary folk music to the Lighthouse stage from 4-5:30. They both are former members of award winning OneCore band. Suzie has a gift to write music that is relevant to everyday situations. Guitarist John Kleven will assist them as they share their heart for God and passion for people.

Obadiah, one of Wisconsin's finest male vocal groups, will perform from 6-7:30. This well-seasoned group has received the 1999 Black Excellence award for best and out-

standing musical group of the year. In their 20 years of ministering God's Word in song, they have had opportunities to open for Promise Keepers, Ron Konaly, Tony Evans and many CBMC events.

Won by One, who will perform from 8-9:30, has performed for 12 years in concerts and prisons until 2002. Their unique style of 50's and 60's melodies, acapella vocals and a passion for those seeking to find Jesus, made them a local favorite. Last year, member Bob Edwards, was diagnosed in the advanced stages of cancer. On August 26, 2004, Bobby was called home by his Lord. The original members of "Won by One" (with two of the former members of El Rey and the Nightbeats from Marty Zivko days) have re-assembled to perform a reunion set in memory of Bob Edwards;

his life, his witness, and his service to his Lord and Savior, Jesus. You don't want to miss this Won by One reunion.

This event is completely free of charge and concert-goers are invited to bring their lawn chairs, blankets, and picnic baskets to the park. Door prizes will be given away and refreshments and pizza will be available at a nominal cost.

To get to Regner Park, take Hwy. 45, turn east on Hwy. 33, turn left on 18th Ave., turn right on Park Ave., and enter the park on Park Ave.

In case of rain, the concert will be held at West Bend High School in the auditorium. The school is located on the corner of Hwy. G and Decorah Road. For more information, call 262-338-0205 or visit www.lighthouseconcerts.com.

Enjoy a full day of great shopping and incredible bargains in downtown West Bend at Maxwell Street Day on Wednesday, August 3, with special extended hours from 8 a.m. to 8 p.m.

Stroll up and down the sidewalks of Main Street to find unique gifts, clothing, collectibles, jewelry, candy and art both inside and out. Participating shops and restaurants will identify themselves with balloon displays of assorted colors to help shoppers navigate their way.

For the convenience of customers, Main Street will be kept open for traffic and there is plenty of free parking available.

With 35 retail shops, 15 restaurants and many other community organizations, downtown West Bend has

a little something for everyone. From jewelry to clothing, flowers to specialty gifts, visitors can shop for many different events and occasions, and stop to grab a bite to eat at the same time.

Refuel throughout the day at the downtown restaurants offering Maxwell Street Day Specials. Try the "take and Bake Pizza and Box Lunch" from The Daily Grind, \$2 off a large Januli's pizza, Caribbean style adobo beef spring rolls and jalapeno cheese stuffed pretzel sticks from Brazen Head Pub, and various menu specials at Tastings.

Don't miss out on this summer shopping event! For more information about Maxwell Street Day and participating downtown businesses, please call 262-338-3909 or visit www.downtownwestbend.com.

Athletics scramble a success due to many businesses and participants

Every year of the first five K.H.S. Athletic Scrambles the numbers of sponsors, prizes and participants increased. As the total of area businesses and local linksters involved gradually improved from 2000 through 2004, the quantity of funds and fun raised were noticeably enhanced. The (2005) Sixth Annual Scramble hopes to continue to add more contributing donors, golfers and dinner reservations.

The 18 hole casual contest is conducted by K.H.S. Athletic Coaches and Supporters to raise supplementary funds to support and benefit Kewaskum High School athletic programs. The goal of this annual event is a positive community-building festivity that everyone can take part and pride in that benefits all participants.

Thanks in large part to the many area individuals and businesses (listed in the accompanied ad on page 4) that have contributed over the years, the athletic golf outing and banquet has evolved into an incredibly enjoyable annual activity. Without their consistent

support, the Athletic Fund Raiser would not have a favorable financial result.

Just as the number of golfers gradually developed from 28 in 2000 to 96 in 2005, so has the number of donors and contributors increased as well. Each year the number of hole sponsors has improved from 18 the first year to 58 last year. This year the goal is 120 golfers, 150 dinner reservations and 72 hole sponsors. Help make 2005 Scramble the best!

Any individual, group or business can participate in the Sixth Annual Athletics Scramble by submitting either a sponsor form or a registration form. Individuals can get involved by attending the dinner banquet or volunteering to help conduct the activity on August 6th. Groups or businesses can join in the scramble or contribute to the raffles, hole prizes or sponsor a hole. Join in this opportunity to be part of an activity that benefits the school and community.

Registration forms, sponsor forms and dinner tickets are available at the K.H.S. Office, Smith Insurance

Agency and Hon-E-Kor Pro Shop. Contact Dennis Butz (626-2277), Scott Rohlinger (626-2332) or Glenn Eichstedt (626-2166 ext. 4251) if you have any questions, donations or reservations. Don't miss the Sixth Annual on the Sixth.

Peace UCC PigNoc Aug. 7

Peace United Church of Christ will hold its seventh annual PigNoc Sunday, August 7th at Kewaskum Kiwanis Park.

A worship service will be held at 9:30 a.m., lunch will be served from 11 a.m. - 1 p.m. A roast pork and chicken dinner, salad, vegetables and beverage will be served. Dinner cost is \$8 for adults and \$5 for children. Bluegrass gospel music will be provided by "The Sieg-

mann Family" of Rubicon.

In addition, a bird feeder decorating contest, craft and dessert sales, a quilt raffle and bucket raffles will be held. There will also be a quilt raffle and bucket raffles will be held. There will be a variety show and children's games.

For additional information and tickets, call the Peace Church office at 262-626-4011. The public is welcome and invited to attend.

Campbellsport community theater presents Kiss Me Kate

Left to right, Sheena Kelley, Lora Jo Christie and Wendy Krcmar practicing for "Too Dam Hot."

Campbellsport Community Theater is in production for their musical *Kiss Me Kate* which will be presented on August 11, 12, 13 and 14 at the Lang Auditorium, Campbellsport High School. The cast has been selected and includes people from around Campbellsport, Fond du Lac, Lomira and Kewaskum.

The story of the play is a show within a show. The characters are performing the show *The Taming of the Shrew* in Baltimore. The producer (played by Alan Venturini) and star of the production has

asked his ex-wife Lilly (played by Hollie Immel) to play the "shrew" in the play. Complications arise from this situation, of course. Then two gangsters (played by Steve Berres and Dan Seidl) show up to collect an IOU from Fred Graham, the producer. How dangerous these gangsters are is something you will have to decide for yourself as you watch the show. Everyone in the show has a backstage as well as an onstage character. This is a lively show with great music by Cole Porter. Dan Seidl is directing the music along with

his wife Deb Seidl.

Tickets for adults will be \$7 in advance and \$8 at the door. Children's tickets will be \$4. A special senior citizen rate of \$5 will be available for the Sunday matinee. Reserve seating will be available this year so get your seats early. Tickets will be available from cast members and Campbellsport area businesses - Ben Franklin, Twohig Furniture, Schlaefel Optometrists, and Sheila's Beauty Salon. Call Karl at 920-533-8884 or Rose at 920-533-4375 for more information or tickets.

Heritage House Ice Cream Social August 21

WEST BEND - Join us at Heritage House for an Ice Cream Social on Sunday, August 21 from 2-4 p.m. Ice cream sundaes will be served for \$1. The Heritage House as well as Ye Olde School will be open for tours. There will also be homemade craft items for sale. Tools will be on display and enjoy a demonstration of old-fashioned spinning wheels. Join us!

Heritage House is a restored 1860's farmhouse located on the Cedar Lake Campus, 5595 County Road Z, West Bend. It is a division of Cedar Community, a not-for-profit, church-affiliated provider of health care, education, rehabilitation and senior housing.

Vietnam War series continues with, The Kennedy Years: Advisers

James J. Kasperek Collection, courtesy of the Wisconsin Veterans Museum
Submitted Photo

By John A. Scocos
Wisconsin Secretary of Veterans Affairs

America's involvement in Vietnam turned ugly in the final days of the conflict. It was ugly for America. It was ugly for our soldiers.

At least, that's the official line. That's how most Americans see Vietnam.

The reality is that by the time President John F. Kennedy took office in 1961, the United States had committed itself to helping South Vietnam wage its war against the North. The War in Vietnam was already complex, politically charged, strategically difficult, and U.S. involvement was escalating.

In other words, it was "ugly" from the start.

As Kennedy sat for the first time in the Oval Office, Americans were already being killed. South Vietnam was in upheaval after its new president, whom the United States supported, cancelled the elections, effectively making Ngo Dinh Diem a U.S.-sponsored dictator.

The "Viet Cong," a new Communist guerrilla movement, had sprouted in the South, the result of a toxic mixture of dissatisfaction with Diem and Ho Chi Minh's quick resolve to support the Viet Cong by creating a special military force to provide men and arms to the South over a new supply line called the Ho Chi Minh trail.

In 1961, America's political and military leaders were already balancing an endless number of trade-offs to achieve a greater goal: containing communism. Just as it had in Korea, America's goal was to block the expansion of communism, not defeat North Vietnam and risk a military confrontation with Soviet and Chinese forces.

Kennedy had a plan. He backed extensive economic

aid to help build Vietnam's economy, especially in rural areas, and weaken the appeal of communism. He also deployed a new Army unit of highly trained Special Forces, called "Green Berets," to advise South Vietnamese troops and help round up and destroy local insurgents.

The plan worked well. The Green Berets proved extremely effective at taking the battle to the Viet Cong in rural areas. And political support for the South was starting to return.

Under Kennedy, America tripled its commitment to South Vietnam to more than \$1.2 billion worth of aid, primarily to support the Army of the Republic of South Vietnam, or ARVN forces.

But Ho Chi Minh responded. The war escalated when Ho Chi Minh funneled increasingly larger units of the North Vietnamese Army into the South to reinforce the Viet Cong.

Kennedy was in office as the first full division of regular North Vietnamese troops moved into the south.

Politically, the heat was also rising in South Vietnam. A Buddhist monk set himself on fire to protest Diem's brutal treatment of religious leaders. Other monks followed suit. As things grew worse, America signaled it would not oppose an overthrow of Diem. He was overthrown within a month - and assassinated the next day.

This was just the beginning of America's military involvement.

South Vietnam's political instability frustrated efforts to create a government that could capture its people's loyalty. The internal problems of South Vietnam greatly complicated the U.S. military mission of building an effective ARVN fighting force to combat the North.

Back in the United States, the Students for a Democratic Society - a student organi-

zation opposed to the war - issued its first public outcry. Support for the war in Vietnam slowly began to be questioned.

In 1963, most Americans - even our soldiers -- still knew little about Vietnam. The battle to contain communism in the region still seemed to be a civil war with the United States providing advisers, weapons, and financial support to one side. At the same time, Americans responded positively to the ideals of Kennedy's New Frontier, even its extension into Vietnam. All that would change in 1964 when the American War in Vietnam exploded on TV and into the living rooms across the United States.

Through it all, American forces sacrificed and served as they always had when the nation called on them. In the Kennedy years, political support for the War in Vietnam was already starting to wane and our soldiers were starting to be seen not as heroes - but as part of an effort they had no part in creating.

That will never happen again in Wisconsin. Regardless of the roles our troops are called upon to play, our soldiers deserve our respect when they return. And in Wisconsin, our "Mission: Welcome Home" program does just that.

John A. Scocos is the Secretary of the Wisconsin Department of Veterans Affairs, which serves almost half a million Wisconsin veterans.

25 Years Ago

July 25, 1980

The Historical Society Log House, which was dismantled, was moved from its original site on the Reysen farm, Town of Scott, to the Historical Museum site on Riverview Drive, recently. The foundation has now been built and the log house will again be assembled to its original structure.

The annual meeting of the Kewaskum Area Chamber of Commerce was held Thursday, July 17, at the Valley Bank community room. Four new directors were elected as follows: Charleen Barutha, Tom Bartelt, Judy Klein and Bob Kirst. The new directors succeed Jack Jadro, Bill Harbeck, Bill Geidel and Paul Behring (President) whose terms expired.

The Public Works Committee of the Kewaskum Village Board recommended to drop the issue of installing sidewalks to Bel Ric Acres, south of the village. The Kewaskum School District had requested the village to consider the sidewalks so that \$16,000 could be saved annually on bussing 163 students.

It's the annual time of year for bargain hunters and fun time for young and old alike, the 18th annual Krazy Daze sidewalk sale, Tuesday, July 29 from 9 a.m. to 9 p.m. The music and merriment will continue well into the night. The event is sponsored by the Kewaskum Area Chamber of Commerce. Krazy is the word for it as merchants, clubs, churches, organizations and individuals will set up and display their wares in booths and stands on the sidewalks and lots on the main streets of the village as well as offer big discounts in their stores. Other festivities will include an assortment of food, krazy costumes and to top it off, live music will be provided at night for your entertainment at several locations in the village.

Tom Smith, Kewaskum, was the winner in United Airlines "takeoff" travel game. The winning ticket allows Tom to travel first class to Hawaii to visit his grandmother, then to Salt Lake City, Utah, to visit his in-laws, and then to Norfolk, Virginia to attend a wedding of his college roommate.

Gary E. Runge of Campbellsport, has been awarded a \$1,000 scholarship from the J.F. Ahern Co., a mechanical contracting firm with offices in Fond du Lac and Milwaukee. Runge is a sophomore enrolled in the Architectural and Building Construction Engineering Technology Program at the Milwaukee School of Engineering. He plans a career in commercial building construction after he completes his education.

Coach Mike Theiler of Kewaskum was proud to have three of his players named to the Scenic Moraine All-Conference baseball team select-

ed by the coaches. The Indians tied for second place in the Scenic with an 11-5 record. The three players selected were: Pitcher Jeff Geidel, only a sophomore, who chalked up a 7-2 record in the Scenic Moraine and 9-2 overall, his earned run average was 2.2, and he struck out 62 batters in 62 innings while giving up just 23 walks; outfielder Mike Pettit, a senior, who batted .500 in conference and also has excellent speed, stealing 13 bases on 13 attempts, and Shortstop Henry Schilter, a senior, who hit .279.

A daughter was born to Robert and Mary Jane Budenhagen, Kewaskum, on July 17. A daughter, Aimee Carolyn, was born to Michael and Carolyn Baker, Campbellsport, on July 8.

The state geographic board has renamed Round Lake to Kettle Moraine Lake, according to a recent announcement by Clyde T. Smith, acting area coordinator - forester for the Wisconsin Conservation Department. The action resulted from a petition from the Fond du Lac County Board and residents of the Town of Osceola.

During the polio vaccination program in Washington County, 190 first and second grade children received two polio injections. This number represents approximately 14% of the total of 1,382 children eligible to participate.

Mr. and Mrs. Helmuth "Hans" Prause of this village and Mrs. Lorina Petermann of the Town of Auburn left Friday for a three month stay in Germany with relatives.

The Kettle Moraine Sportsmen's Club of Kewaskum will release approximately 700 young pheasants in the surrounding area early Sunday.

Four students from Kewaskum are among the 122 students of the University of Wisconsin who served as members of the United Student Fellowship group during the school year on the Wisconsin campus. Kewaskum members of USF are Paul Landmann, Mary C. Opgenorth, Robert Rose and Floyd Stautz.

A son was born to Mr. and Mrs. Mathias Metz, Route 3, Kewaskum, on July 21. A daughter, Arthena Kay, was born to Mr. and Mrs. Arthur W. Guenther, Jr., Campbellsport, on July 20. A son, Stevie Donald, was born to Mr. and Mrs. Donald Lichtensteiger, Campbellsport, on July 14. Mrs. Lichtensteiger is the former Marianne Ruplinger of St. Kilian.

75 Years Ago

July 25, 1930

Wisconsin has seen countless dairy drives, revivals and protracted meetings, but never before has its citi-

zens shown such a deep interest and given the cooperation they are giving the drive being pushed by the Wisconsin Agriculturist and Farmer to rid Wisconsin of the State's worst enemy - oleomargarine. When nearly 400 million pounds of oleomargarine was manufactured and sold in the United States last year, an increase of 42 million pounds over the year previous, with millions of pounds in storage, and Wisconsin the largest dairy state in the Union using 10 pounds per person per year, is it any wonder our farmers are complaining about the low price of dairy products and surplus milk.

Thomas J. Elmore, 32, of Philadelphia, Pa, was instantly killed at about 3 p.m. Sunday when the new Franklin sedan automobile which he was driving, left the concrete at the Rudy Hirsig cheese factory on Highway 55, about three miles north of Kewaskum.

A.A. Perschbacher of The Rex Garage, local Buick dealer, wishes to announce that the new Buick Straight Eight for 1931 will be on display July 26.

July 29, 1905

Three new rural routes will be established from this post office on next Tuesday. George Schmidt, Oscar Backhaus and John H. Martin will be the carriers.

The village board had a cement sidewalk laid in front of the village hall this week.

Harry Stahl and his wife of Boltonville are the happy parents of a baby boy.

R. B. Jones and Co., who have recently located in Campbellsport in the farm implement business, are receiving new goods daily and will shortly have their stock complete in every department. It is the firm's aim to carry everything in stock which is used on the farm, such as wagons, carriages, threshers, manure spreaders, gasoline engines, wind mill, harnesses, blankets, robes and all kinds of farm machinery.

PB & J French Toastwich

1 egg, beaten
¼ cup milk
½ teaspoon vanilla
2 tablespoons creamy peanut butter
1 tablespoon jelly
2 slices whole wheat bread
1 tablespoon butter

In a shallow bowl or pie pan, beat egg, milk and vanilla until blended; set aside. Spread peanut butter and jelly on bread to make a sandwich. Melt butter in a skillet over medium-high heat; dip sandwich into egg mixture then grill until golden brown on both sides. Serve immediately.

Yield: 1 serving (1 sandwich per serving).

Nutrition Per Serving:
682 cal; 63 g carb; 25 g pro;
38 g fat; 251 mg chol; 8 g fiber; 809 mg sod.

THANK YOU!

The Kewaskum Area Chamber of Commerce once again held their 13th Annual Golf Outing at Hon-E-Kor Golf and Country Club in Kewaskum on Saturday, July 23rd. The day was a big success and most golfers made it through before the rain. Golfers enjoyed different games and events on the holes and were eligible for many wonderful prizes, all donated by businesses from Kewaskum and the surrounding area. We appreciate and thank everyone who golfed or came for dinner. We would also like to thank the following businesses, their owners, employees, and individuals who helped the day of our event.

A special thanks to our tee and hole sponsors for the day.

Funds raised from this year's event will be used for projects related to the Eisenbahn Bike Trail coming through Kewaskum and other community minded projects.

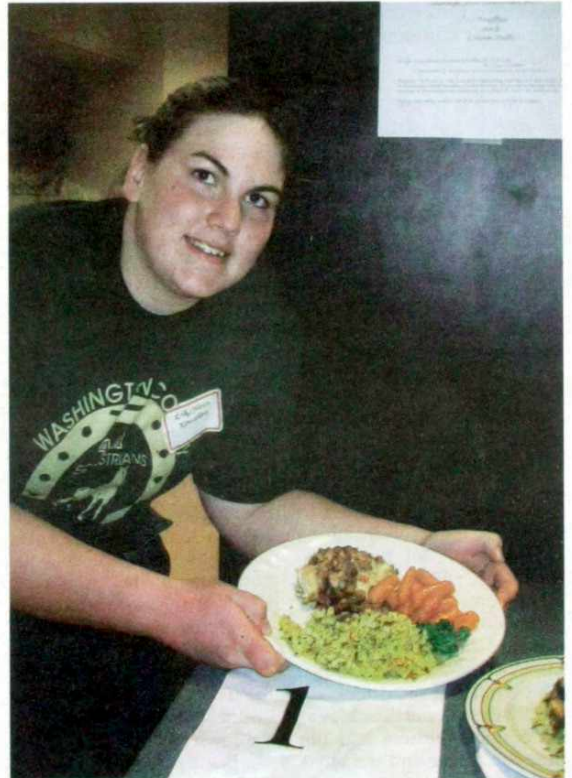

Last but not least we would like to thank our committee for the wonderful job they did in organizing this event. Thank you to the following individuals: Joyce Kral of Lasting Impressions Engraving, Mike Geidel and Aaron Laatsch of Geidel's Piggly Wiggly, Kevin Bartelt of West Bend Savings Bank, Ruth Grohall of Kettle Moraine Agency, and Jane Korth of Hon-E-Kor.

SCHOOL

KHS FACE news

Bret Koeferl, Richard Giese and Justin Weindorf, KHS sophomores, won second place in the sandwich Relay Competition at the MPTC Culinary Olympics. This was their second year of competition in the Sandwich Relay. Practice sessions were held in the KHS foods lab after school on a regular basis. The ultimate goal is to safely, correctly and neatly prepare and individually wrap 30 protein sandwiches in 10 minutes or less.

Erika Norem proudly displays her plated entry in the MPTC Culinary Olympics. Her entry in the chicken entrée contest represented weeks of planning and practice in anticipation of the event.

Tuttle Creek's Club Cool visits Do It All Sports

At Do It All Sports there are sports and you play there, and there are video games, trampolines, a stuffed brick pool, wrestling, basketball, baseball, hockey, football and climbing. At Do It All some of the children went on the trampoline and others went rock climbing. It is fun there. My favorite thing was the stuffed bricks.

Thousands get first view of new hospital

New Life Center Director, Nancy Wojciehowski, gives a tour of one of the new rooms inside the St. Joseph's New Life Center

By Amy Swanson

Statesman Correspondent
aswanson@kewaskumstatesman

Planted in the open prairie, the new St. Joseph's hospital welcomed over 3,000 visitors last Saturday, July 23, for a sneak peek of their extra-ordinary new house. Its roots run deep into the communities it will serve.

"The new hospital is a reflection of the community members, patients, physicians and staff who participated in its design and construction. We are pleased to be able to share it through this open house celebration," said John Reiling, president and CEO of Synergy Health and St. Joseph's Hospital.

The mortar between each brick in the new 18,000 square foot facility holds together ideas from hundreds of hospital staff, safety professionals and architects to ensure patient safety and outstanding care. From the layout of the departments and patient rooms to the advanced information technology and infection control measures, the principles used to design the new hospital will create a culture of safety.

"Research has shown that a combination of pleasant visual surroundings, together with the attention to other environmental factors such as noise reduction, can measurably reduce stress, increase patient satisfaction, and help alleviate pain. St. Joseph's plans incorporate many elements that have proven to be effective in enhancing the quality of patient care," said Roger S. Ulrich, PHD, director of the Center for Health Systems and Design, Texas A & M University.

The design team used specific principles in their blueprint to promote healing and immunize errors. Visibility of patients to staff guided the creation of private nursing alcoves attached to each patient room, allowing nurses to do computerized charting and access supplies with the patient still in view.

Patient rooms are standardized, not mirror images, with supplies and headwalls organized the same way to save time and avoid confusion. The new facility also encourages patients and family members to be active with care by asking questions, providing access to information and offering private spaces for families to be together.

As part of the Divine Design, the Chapel, located on the first floor, offers families a quiet space for meditation. The chapel's stained-glass windows were donated in memory of Susan Spanbauer Schmidt, the mother of Hospital Foundation member, Florence Spanbauer.

Advanced technology will promote safe and consistent care and reduce the chance for human errors caused by illegible handwriting and paper-based systems. The new technology includes centralized scheduling, electronic medication administration records, tube system for delivery of materials, bar-coding, electronic medical records and physician order entry.

The hospital is also designed with the flexibility to change their technology and delivery of medical care. Doorways and halls were built to accommodate equipment. There is also room for expansion of services, such as the two shelled-in spaces in the Intensive Care Unit (ICU). The infrastructure was also ready for wiring future technology.

Keeping critical information close to the patient also promotes safe personal care and helps hospital staff safely assess the patient's condition and provide prompt treatment. All patient rooms have their own Computer on Wheels (COW) allowing easy access the patient's chart. Remote patient monitoring and fully integrated electronic patient information system throughout the hospital are also part of the new design. A pregnant woman in the emergency room can also be monitored in the New Life Center.

The new facility was also

designed with shorter distances between services areas for shorter transport time. The emergency room is located adjacent to the ICU and a short distance from surgery. There is also a pneumatic tube system for transporting materials and softer flooring that is easier on the feet to reduce fatigue, which is associated with increased errors.

Reducing the amount of noise was also an important part of the safety plan. Noise is linked with fatigue and distractions that could lead to staff errors. It is also linked with poor sleeping habits of patients, leading to slower patient recovery. The new facility features low vibration steel, special room insulation, noise-absorbing ceiling tiles and quiet paging and alarm systems.

The design team used FMEA, Failure Modes and Effects Analysis, a design tool for patient safety, in every corner of the new facility to identify potential problems associated with the proposed design solutions. It was applied to three key design stages: adjacencies (block diagrams), schematics and design development.

Curt Ruby and his family from West Bend was one of the many families who took part in touring the new medical building. "I love it, it's a fantastic facility," he said.

"I've heard very favorable comments," stated Laura Heisler who manned one of the exit doors.

The welcome mat rolls out on Sunday, Aug. 7 at 7 a.m. to a new design and delivery of healthcare for the community. The technology savvy St. Joseph's Community Hospital opens its doors to personal care for each patient with nature's touch in every corner.

SynergyHealth, Inc is a regional health system serving residents in the greater Washington County, WI area. The system includes a hospital, a multi-location clinic and a foundation. Members of the SynergyHealth include: St.

St. Joseph's Hospital RN, Julie Faber, does a demonstration with her daughter, Amanda Faber. Both are from Kewaskum.

Statesman photos: Andrew Kuehl

Joseph's Hospital, West Bend Clinic, SynergyHealth Foundation.

St. Joseph's new \$55 million facility features

- 80 inpatient beds
- 52 private medial surgical beds
- Six intensive care unit (ICU) beds, plus shelled space for two more beds
- 12 obstetrics beds in the New Life Center with a C-section suite and separate nurseries for healthy and at-risk infants.
- 13 standardized private rooms in the Emergency Care Center with nine general treatment rooms, four cardiac/trauma rooms and a decontamination room
- 10 Behavioral Health beds in semi-private rooms
- Four operating rooms
- Chapel and gift shop
- Infection control measures such as state-of-the-art air cleaning and handling system that provides maximum protection

tion from airborne bacteria and viruses

- A pneumatic tube system to quickly transfer medical supplies and information between departments, including laboratories, pharmacy and surgical suites

- Full diagnostic services, including MRI, a 32-slice CT scanner and general X-ray, located near the Emergency Care Center and ICU for easy access for the most critical patients.

- Noise reduction features such as low vibration steel, special room insulation, noise absorbing ceiling tiles and quiet paging and alarm systems

- Standardized layouts in inpatient and operating rooms to increase staff efficiency and reduce opportunity for errors.

- A "Magic Corridor" on the first floor that has interchangeable patient rooms to allow for flexibility between Emergency Care Center, outpatient surgery and postoperative recovery.

OBITUARIES

ERNEST P. HAEGLER

Ernest P. Haegler, 82, of Campbellsport died Friday, July 22, 2005 at his home.

He was born in Dundee on Sept. 25, 1922, the son of Ernest P. and Margaret Kellner Haegler.

On Nov. 15, 1947, he married Erma A. Voigt at Trinity Evangelical Lutheran Church in Dundee. Ernie served in the U.S. Army during World War II in the European Theater including the Battle of the Bulge. He worked at Regal Ware for more than 42 years, retiring in 1988.

He was a lifelong member of Trinity Evangelical Lutheran Church in Dundee and a member of the Campbellsport VFW Post #8339. He was recognized by the Department of Defense for his participation in the Military Funeral Honors Program.

Ernie was an avid outdoorsman, enjoying hunting, fishing, camping and riding his ATV.

Survivors include his children Donna (Dwight) Himstedt of Fond du Lac, Alan (Sandra) Haegler of Oakfield, Diane Haegler of Eden and Debra (special friend Kevin) Haegler of Campbellsport; 11 grandchildren; 11 great-grandchildren; his sisters Marge Weis of Campbellsport, Elvira "Pep" Schmidt of Campbellsport, and Sylvia Adams of La Granda, Calif.; nieces, nephews other relatives and friends.

He was preceded in death by his wife Erma on Nov. 7, 2001, his parents, four sisters and a brother.

Funeral services were held Tuesday, July 26, 2005 at 1 p.m. at Trinity Evangelical Lutheran Church in Dundee. Rev. Richard Schlieve officiated and burial followed in Trinity Lutheran Cemetery.

Visitation was held Monday from 4 to 8 p.m. at the Twohig Funeral Home, Campbellsport and on Tuesday from noon until the time of services at the church. Memorials may be directed to Trinity Evangelical Lutheran Church or Waucousta Lutheran Grade School.

GEORGE F. 'OJ' SCHARRER

After three courageous years of battling cancer, George F. "OJ" Scharrer, 55, entered eternal peace surrounded by his loving family on Thursday, July 21, 2005 at SynergyHealth St. Joseph's Hospital of West Bend.

OJ was born Oct. 8, 1949 to Franklin and Bernice (nee Weber) Scharrer in West Bend, where he was also raised.

He graduated from Slinger High School in 1967.

OJ earned his bachelor's degree in counseling after attending various universities in Wisconsin.

On Feb. 17, 1979, OJ Scharrer devoted his love in marriage to Kim Thom at the Fifth Avenue United Methodist Church of West Bend.

OJ was employed at Directions Counseling affiliated with Watertown Memorial Hospital, and was a board member of Wisconsin Drug and Alcohol Certification Board.

Among his favorite pastimes, he was an avid hunter, golfer, and thoroughly enjoyed sports, especially the Green Bay Packers.

OJ will be deeply missed and forever in the hearts of his beloved wife and best friend, Kim; his cherished daughters, Kim; his cherished daughters, Morgan (special friend Adam McCoy) Scharrer of Milwaukee and Megan (Jeremy) Muelenbach of Campbellsport; his adored grandson, Drake Muelenbach; his mother-in-law, Florence Thom of Campbellsport; two dear siblings, Eugene (Sharon) Scharrer of Stevens Point and Karen (Ole) Erickson of Milwaukee; and his faithful canine companions, "Jake" and "Higgins."

OJ will also be missed by many other special relatives and many close friends.

Preceding him in death were his parents, and his father-in-law, James Thom.

A memorial service was held on Sunday, July 24, at 3 p.m. at the Phillip Funeral Home Chapel, West Bend.

Chaplain Cheryl Matusiak officiated, and cremation took place at Paradise Cremation Services of West Bend.

Visitation at the funeral home was held Sunday from 1 p.m. until the time of the memorial service at 3 p.m.

In lieu of flowers, memorials are appreciated to the American Cancer Society, P.O. Box 902 Pewaukee, Wis. 53072.

JOSEPH MATTHEW RAULS

On Thursday, July 21, 2005, Joseph Matthew Rauls of Fond du Lac passed away at Appleton Medical Center.

Joe was born Feb. 15, 1951. His parents were Matthew John and Marion Davis (Finn) Rauls.

Joe was the firstborn of a family that also included three sisters, Peggy Rauls of Oshkosh, Amy Rauls Peachy (Robert) of Campbellsport and Jennifer (Robert) Zwicky of Fond du Lac.

Joe's mother preceded him in death in 1975.

When Joe graduated from Goodrich, he went on to serve his country in the U.S. Navy from 1969 to 1973. He was a communications specialist and served in Rota, Spain. After his honorable discharge, Joe came home and went to work at Mercury Marine, where he has been employed for 32 years.

While he was married, he had three beautiful children, Christina Marie (Daniel) Bros-

sard of Campbellsport, who enjoyed playing sheephead with her dad; Patrick Joseph of Fond du Lac, who loved to hunt and fish with his dad; and Joshua John of Fond du Lac, who liked camping with his father. Chris and Dan blessed Joe with his one grandson, Devon Daniel.

Joe loved the outdoors, especially his hunting, fishing and camping. Joe will be sadly missed by his family.

It was Joe's request to have a private family memorial.

IN MEMORY

In loving memory of **LONNIE D. MISKE** who passed away, July 29, 1990:

Not a day passes without
A thought or a precious
Memory of you.

Though, it's been 15 years
Since you were taken from
us,

We miss you still and
We will never forget you.

*Rest in Peace,
Your family & friends*

Cornstarch Play Clay

- 4 cups salt
- 1 1/2 cups water
- 1 can (12 oz.) Clabber Girl or Rumford Cornstarch
- 3/4 cup cold water
- Food coloring (if desired)
- Cookie cutters

In a large saucepan, mix salt and water over medium heat, stirring occasionally for about five or six minutes, until mixture is very hot and starting to boil.

Remove from heat and add cornstarch; stir well; add cold water a little at a time and mix until play clay is of the consistency of mashed potatoes. (You can add more or less water as needed.)

Let mixture cool until it is easy to handle with your hands.

Dust a counter or tabletop with cornstarch; knead play clay dough lightly until it is no longer sticky.

Makes about 5 to 6 cups play clay. Store up to 2 cups of play clay in the cornstarch container.

Tip: To make brown-tinted coloring as for gingerbread men, 20 drops yellow, 3 drops red.

Creative Ideas
Mold or sculpt into shapes of the season or roll and cut out with cookie cutters for ornaments. Make a variety of colors and decorate with glitter, markers, pipe cleaners, eyeballs, etc.

We are here on earth to do good for others. What the others are here for, I don't know.
—W. H. Auden

Campbellsport Clinic to begin local students artwork display

Agnesian HealthCare's Campbellsport Clinic providers Patricia Hayes, physician assistant (back row, first left) and Thomas Fabricius, MD, family medicine (back row, right) are shown with Campbellsport School District art students: (front row, left to right) Jamie Dudarenke, Hayley Serwe and Tyler Koenigs; (second row, left to right) Anthony Leininger, Erin Nelson-George (art teacher), and Dani Gellings.

Agnesian HealthCare's Campbellsport Clinic, 328 N. Helena Street, is working with the Campbellsport School District to display artwork from students on a rotating basis.

Every three months, the clinic will be hanging five new artwork pieces by local students in its waiting area. The art will include watercolor and acrylic paintings, as well as other drawings, like pencil and chalk.

The clinic is embarking on this joint effort to help recognize and support area youth.

"These students should be congratulated and appreciated for their work in promoting excellence in the arts," says Thomas Fabricius, MD, a board-certified family practice with prenatal services. "This display will truly be a celebration of life and art as seen through the eyes of area young people."

Clinic patients, but also the public-at-large, will be able to enjoy the artwork at the Agnesian HealthCare facility.

"It gives us a chance to show off how great these local artists are and allows the community to get a glimpse of what goes on in the school district's art department," Dr. Fabricius adds. "It is very interesting how many different styles and types of art we have at our school. This display will be a great opportunity for students to show their individuality!"

The Campbellsport Clinic has been working with Erin Nelson-George, an art teacher with the Campbellsport School District. "I am really excited to see my students' artwork displayed outside of

school," she says. "I think it is important for community members to see the talent of local students. I am glad the Campbellsport Clinic is giving us a little more exposure and showing an appreciation for the fine arts."

Artwork will also be featured from students in classes with Linda Boehlke.

Dr. Fabricius and Patricia Hayes, PA, physician assistant, provide comprehensive care to area residents in Campbellsport.

As part of their practice, Dr. Fabricius and Hayes provide care to all members of the family, including obstetrical services for women (up to seven months) and pediatric services for children. They diagnose and treat medical conditions, and provide advice and counsel to their patients on family medical issues.

In an effort to expand and emphasize care for the whole family, the Campbellsport Clinic now offers prenatal pregnancy care through seven months. The mother's care is shared with the Obstetrics department at the main Fond du Lac Regional Clinic at 420 E. Division Street in Fond du Lac for the remaining two months through delivery.

For more information or to schedule an appointment, call (920) 533-8361.

The Bookworm Sez

by Terri Schlichenmeyer

23 Days in July

by John Wilcockson

Da Capo Press c.2004 \$14.95

History was made last weekend.

Did you see it?

Maybe not, because it's almost impossible to watch, minute-by-minute, all 23 days of Lance Armstrong's Tour de France victory. Instead, you'll have to be satisfied with taped highlights on TV.

Or you could learn about the race, the athletes, and the edge-of-the-seat excitement that comes with witnessing one of Europe's most popular sporting events by reading "23 Days in July" by John Wilcockson, photos by Graham Watson.

Riding a race on three-quarter-inch tires isn't like jumping on a bike and riding through the neighborhood. In fact, when Lance Armstrong won the Tour for the sixth time in 2004, he did it by riding more than 2100 miles through the French countryside, pedaling around hair-pin turns and over rough roads, and narrowly missing a disaster that nearly stopped him in his bike tracks.

Every year, the course of the Tour de France changes; some years, there are higher mountains and more snow. Other years, there is blistering heat and pouring rain. This is a race that is determined by hundredths of seconds; a course run by teams of men who protect their leader and get little or no press for doing so; a race where one bad decision on tire type can mean the difference between winning and falling so far behind that there is no chance of winning. There are serpentine curves on this race; steep hills, and cobblestones that can cause crashes.

And those crashes: Wil-

cockson writes of bruising spills, broken bones, split bike helmets, and a previous race in which a man lost his life.

In Armstrong's chase for last year's win, Wilcockson followed Armstrong and his rivals from the opening day time trials, to the last triumphant yards of the course, to the podium in Paris. Wilcockson also examines the history of the Tour and the countryside through which it runs, as well as the science behind the specialized racing uniforms, the ultra-lightweight bikes (minimum 15 pounds), and the uncomfortable-looking crouch over the handlebars.

"23 Days in July" is a timely book, and most helpful for its appendix and glossary, and the explanations that Wilcockson offers for the casual, inexperienced Tour de France watcher. There's an interesting story about why the winner's jerseys are yellow and how cyclists still pay homage to the man who decided to use that color. Theoretically speaking, a man can lose all stages of the race and still be the winner, and Wilcockson makes sense of that confusing rule. He also explains why there are no women riding the Tour de France. Best of all, Wilcockson, himself a "cycling addict", offers a fan's eye view of the Tour de France and the athletes that attempt it.

Lance Armstrong claims that the race this year was his last. He now has seven yellow jerseys to hang on his wall, and history has been made.

If you missed it, pick up a copy of "23 Days in July". Newly released in paperback, it will make you wish you hadn't.

Kewaskum School District announces policies for free/reduced price lunches

The Kewaskum School District recently announced its policy for children unable to pay the full price of meals served under the National School Lunch Program and School Breakfast Program (at Kewaskum Middle School only). Each school office and the central office has a copy of the policy, which may be reviewed by any interested party.

The household size and income criteria that will be used for determining eligibility is found at the end of this article. Children from families whose annual income is at or below the levels shown are eligible for free and reduced price meals.

Application forms are being sent to all homes with a notice to parents or guardians. To apply for free or reduced price meals households must fill out the application and return it to the school. Additional copies are available at the principal's office in each school. The information provided on the application will be used for the purpose of determining eligibility and may be verified at any time during the school year by school or other program officials. Applications may be submitted at any time during the year.

To obtain free or reduced price meals for children for whom households receive FoodShare or Wisconsin Works (W-2) benefits, an adult member needs only to list the names of the school children, give FoodShare or W-2 case

number for each child, sign his/her name and return the application to the school office. Households must inform the school authorities when they no longer receive FoodShare or W-2.

For the school officials to determine eligibility for free or reduced price meals of households not receiving FoodShare or W-2, the household must provide the following information requested on the application: names of all household members, and the social security number of the adult household member who signs the application. In lieu of a social security number, the household may indicate that the signer does not possess a social security number. Also, the income received by each household member must be provided by amount and source (wages, welfare, child support, etc.).

Under the provisions of the free and reduced price meal policy, The Director of Nutrition and Food Services, 262-626-2166, Ex.4118, will review applications and determine eligibility. If a parent or guardian is dissatisfied with the ruling of the official, he/she may wish to discuss the decision with the determining official on an informal basis. If the parent/guardian wishes to make a formal appeal, he/she may make a request either orally or in writing to: Mr. Gordie Dickman, 5573 Deerwood Lane, Campbellsport, WI 53010.

If a hearing is needed to

appeal the decision, the policy contains an outline of the hearing procedure.

If a household member becomes unemployed or if the household size changes, the family should contact the school. Such changes may make the household eligible for reduced price meals or free meals if the household income falls at or below the levels shown above, and they may reapply at that time.

In certain cases foster children are also eligible for these benefits. If a household has foster children living with them and wishes to apply for free or reduced price meals, the household should complete an application for a family of one or contact the school for more information.

The information provided by the household on the application is confidential. Public Law 103-448 does authorize the release of student free and reduced price school meal eligibility status to persons directly connected with the administration and enforcement of federal or state educational programs.

In the operation of the child nutrition programs, no child will be discriminated against because of race, color, national origin, sex, age, or disability. If any member of a household believes they have been discriminated against, they should write immediately to USDA, Director, Office of Civil Rights, Room 326-W, Whitten Building, 1400 Independence Avenue, SW, Washington DC 20250-9410.

Any questions regarding the application should be directed to the determining official.

FAMILY INCOME SCALE

For Determining Eligibility for Free and Reduced Price Meals or Milk

ANNUAL INCOME LEVEL

Family Household Size	Free Must be at or below figure listed below	Reduced Price Must be at or below figure listed below
1	\$12,441	\$12,441.01 - 17,705

BUSINESS NEWS

Gust earns distinguished insurance agency distinction

Randy Gust, an American Family Insurance agent in Kewaskum, has been recognized for customer satisfaction excellence under the J.D. Power and Associates Distinguished Insurance Agency Program. SM Gust joins other American Family agents who have demonstrated the highest level of commitment to outstanding customer service.

Gust has been an agent for American Family since July 1985. His office is located at 1224 Fond du Lac Ave in Kewaskum.

The service excellence distinction was determined through a two-part evaluation

process conducted by J.D. Power and Associates. The first part consists of a customer satisfaction survey, which measures customers' overall experience with their current American Family agent. In order to proceed to the second step, agents must meet or exceed the standards measured on a national benchmark established by J.D. Power and Associates' annual auto and home insurance customer satisfaction studies. Only agencies that perform in the top 20 percent of all agencies nationwide based on customer satisfaction surveys are eligible to become a Distinguished Insurance Agency.

Agents who meet or surpass the overall national average must then pass an on-site evaluation based on five best practice areas: proactive reviews of customer insurance needs, claims handling, positive customer contacts, responsiveness and office environment.

"The Distinguished Insurance Agency award is more than a title or a trophy," says Jack Salzwedel, American Family executive vice president. "It's a designation con-

sumers can trust that tells them these are agents who do the best job of satisfying their customers."

Based in Madison, American Family Insurance offers auto, homeowners, life, health, commercial and farm/ranch insurance, plus consumer loans and annuities, in 17 states. American Family is the nation's third-largest mutual property/casualty insurance company and 16th largest property/casualty insurance group.

Foundations award County nonprofits grants

The West Bend Community Foundation (WBCF) and the Greater Milwaukee Foundation awarded second-quarter grants valued at over \$512,000 to benefit Washington County nonprofits.

The grants include \$243,000 in scholarships to West Bend High School from the Zeigler Family Fund and WBCF and \$100,000 over five years to the Cedar Lakes Conservation Foundation for the Kettle Hills Nature Preserve from the West Bend Mutual Insurance Company's Charitable Fund.

Grants benefiting Washington County made from discretionary funds in the Greater Milwaukee Foundation include \$25,000 for the Boys & Girls Club of West Bend to expand the national Boys & Girls Club Digital Explorers program to Jackson. Young members without access to computers at home will be exposed to the internet, made aware of career opportunities that require computer skills and learn how to operate computers, use programs to conduct research, complete homework and create proj-

ects.

A \$10,000 grant to the West Bend Art Museum from the Mary L. Nohl Fund of the Greater Milwaukee Foundation will help the institution reach out to those in the community who are now underserved.

Of the Washington County grants approved by the Foundation Board, \$457,210 were awarded from designated, agency endowment and advised funds created within the WBCF and are subject to periodic grant recommendations from the donors who established them.

The West Bend Community Foundation is a supporting foundation of the Greater Milwaukee Foundation, a family of over 920 individual charitable funds. Each fund is created by donors to serve the local charitable causes of their choice. Grants from these funds serve people throughout Milwaukee, Waukesha, Ozaukee and Washington counties. Started in 1915, the Foundation is one of the oldest and largest community foundations in the U.S. with assets of over \$400 million.

PUBLIC NOTICES

Village Board Meeting Minute

Village Board Meeting
June 20, 2005
8:00 p.m.

The Village Board of Kewaskum, Washington County, Wisconsin, met in Regular Session in the Council Room of the Municipal Building, 204 First Street.

President Mathew A. Heiser presided. Trustee Kevin Scheunemann asked to be excused and was absent, all other Trustee Members were present. A quorum was present.

The meeting was opened with a Moment of Silence and Pledge of Allegiance.

On a motion by Trustee Andy Pesch, seconded by Trustee Thomas Piwoni and unanimously carried voice vote, approved the minutes of June 6, 2005 as amended and printed.

A public hearing on the request of Rompala Builders for the rezoning of the parcel south of Bel Ric Acres, south of Timblin Drive and east of Pleasantwood Drive (being part of V4-0618-002-00A), from RS-2 Single Family Residential District and Conservancy District to RD-1 Two-Family Residential District and C-2 Conservancy District. It was noted that the Plan Commission sent the matter to the Village Board with a favorable recommendation. A couple of people were in attendance and wished to speak on the matter. Tom Timblin spoke in opposition to the rezoning indicating it should remain single family, that the density would be too great at 4 units per acre and that it would have a negative impact on the value of his home. Terri Timblin (Mrs. Trev Timblin) indicated the reason for selling the land is because of the Multi-Family - four unit condos being built on the land adjacent next to theirs. Administrator Daniel Schmidt indicated that 17 notices to area residents went out and that the area to the south of this parcel was zoned RS-2 Single Family, to the east RD-1 Two Family, to the northeast RM-1 Multi-Family to the northwest RS-2 Single Family and to the west RM-1 Multi-Family. It was also noted the area would be privately developed as Condominiums. President Mathew Heiser responded to adjustments in values indicating the DOR procedure as to fair market values and the adjustment either up or down regulate the taxes billed. Mr. Tom Timblin indicated the property was advertised for sale as RS-2 Single Family and that is what it should remain. It was noted the area to the west of this parcel owned by Tom Timblin was advertised for sale as Agricultural lands and the zoning was requested to change it to RM-1 Multi-Family. It was further noted the parcel to the west having the RM-1 Multi-Family Zoning individually has a density of 4.3 units per acre and if the whole Cherokee Development is looked at that it is even higher (actually 6.4 units per acre). It was also noted that the 2 acre parcel under construction had no access to Bonnie Lane since that potential was removed with the Cherokee Development. Mr. Roger Strack expressed some concern about the number of units proposed to the west and that all aspects should be looked at by the Board. On a motion by Trustee Thomas Piwoni, seconded by Trustee Harry Roecker and carried by the majority roll call vote, the Board closed the public hearing. Roll call vote was 6 "Aye" 0 "Nay" 1 "Absent". Trustee Kevin Scheunemann being absent.

A public hearing on the request of Gary Gavin for a conditional use permit for the Development of a Planned Unit Development Overlay District. The development is for twenty four RD-1 Two-Family Residential pads and eight RS-1 Single Family Resi-

dential pads. The area is located adjacent to Prospect Drive on the west side of the road. The property is known as the Behnke and Meilahn property and was known by tax key No(s). T4-0334 and T4-0343. This property was annexed into the village in 2004 and zoning placed on it to support this type of PUD. It was noted the Plan Commission sent the matter to the Village Board with a favorable recommendation. Several people were in attendance, but did not speak on the matter being heard. On a motion by Trustee Derek Peterson, seconded by Trustee Thomas Piwoni and carried by the majority roll call vote, the Board closed the public hearing. Roll call vote was 6 "Aye" 0 "Nay" 1 "Absent". Trustee Kevin Scheunemann being absent.

A public hearing was conducted on the applications for Combination Class "B" Fermented Malt Beverage and Intoxicating Liquor Licenses (new) for 2005/2006. There were no objections from the floor to any of the applications as publicly noticed and read. The Police Department had no objections to said licenses. On a motion by Trustee Harry Roecker, seconded by Trustee Thomas Piwoni and carried by the majority roll call vote, the Board closed the public hearing. Roll call vote was 6 "Aye" 0 "Nay" 1 "Absent". Trustee Kevin Scheunemann being absent.

On a motion by Trustee Andy Pesch, seconded by Trustee Derek Peterson and carried by the majority roll call vote the Board suspended the rules to take up IX. New Business Item H. Roll call vote was 6 "Aye" 0 "Nay" 1 "Absent" 0 "Abstain".

Mr. Randy Weber, for DACO Precision Inc. and Attorney David Schultz for DACO Precision Inc. were present to request favorable action on their request on the Village Board's support for the Industrial Revenue Bond for their expansion project. It was again noted there is no liability placed on the village; it is solely a financial tool available to private business. Action was taken on Resolution No. 2005-18 A Final Resolution Relating To Industrial Revenue Bond Financing On Behalf Of Progressive Investment Properties, Inc. LLC. as attached hereto: Roll call vote was 6 "Aye" 0 "Nay" 1 "Absent".

Fire Chief Mark Groeschel had nothing to report.

Police Chief Richard Knoebel presented the May 2005 report:

Criminal arrests	37
Criminal investigations	41
Traffic warnings	77
Traffic citations	36
Adult arrests	32
Juvenile arrests	10
Property stolen	\$12
Property recovered	\$12
Parking warnings	9
Parking tags	21

Director of Public Works, Jerry Gilles reported on the following:

1) Reported on DNR ordered smoke testing and that if all goes well said testing will be completed in a week. Very few problems have arisen and there have been no major discoveries as to the system.

2) It was reported that a donation of a five piece of playground equipment is being given to the Village (River Hill Park) from Gary & Linda Gavin. The Board acknowledged their generous donation of an anticipated \$10,000.00. It was noted that the village might incur some cost related to the fall zone.

3) The number of swim passes sold through June 15, 2005 was 435 and the number of attendance through June 15, 2005 was 1,596.

4) Reported that Washington County will be holding a "Clean Sweep" September 24, 2005. This will be open to all village residents.

On a motion by Trustee Harry Roecker, seconded Trustee Thomas Piwoni and unanimously carried by voice vote. The Board approved the issuance of Operator's Licenses renewals and new, for 2005/2006 upon

proper payment of fees and documentation for the following as recommended by the Police Department:

RENEWALS

Jesson, Benzing, 130 Prospect, Kewaskum, WI 53040; Brandon Coster, 1257 Fond du Lac Ave., Kewaskum, WI 53040; Chris Fritz, 1257 Fond du Lac Ave., Kewaskum, WI 53040; Sarah Geidel, 1204 Moore Ave., West Bend, WI 53090; Melissa Greenwalt, 825 E. Washington #10, West Bend, WI 53095; Leander Kempf, 180 Wildlife Dr., Kewaskum, WI 53040; Lisa Klahn, 1975 W Townhall Rd., Campbellspport, WI 53010; Andrew Kuehl, 129 Elm St., Kewaskum, WI 53040; Dawn McCambridge, 1350 W. Old Bridge Rd., Campbellspport, WI 53010; Sean Murphy, 1257 Fond du Lac Ave., Kewaskum, WI 53040; Phyllis Murphy, 1257 Fond du Lac Ave., Kewaskum, WI 53040; Bridget Polzean, 440 Braatz Dr., Kewaskum, WI 53040; Phyllis Schmidt, 1314 Stark St., Kewaskum, WI 53040; Pat Schmitt, 1219 Roseland Dr., Kewaskum, WI 53040; Roger Schmitt, 300 Dream Catcher Dr., Kewaskum, WI 53040; Bernard Strobel, 190 Knights Ave., Kewaskum, WI 53040; Jessica Trapp, 8746 W Cty Rd. W, Cascade, WI 53011.

NEW

Sarah Cook, 710 S. River Rd., West Bend, WI 53095; Roxanne Hoffmann, 510 Keller St., Kewaskum, WI 53040; Kara Kanieski, 5255 Boettcher Dr., West Bend, WI 53095; Randy Kreif, 639 N Forestview Rd., Kewaskum, WI 53040; Bonnie Kudek, 619 Highland Ave., Kewaskum, WI 53040; Lisa Maas, 1152 Fond du Lac Ave., Kewaskum, WI 53040; Myra Zeiske, 20816857 N Center St., Jackson, WI 53037.

The police had no objections to those listed above.

Administrator Daniel S. Schmidt reviewed the following with the Board:

1) Review of League and Taxpayer Bulletins.

2) Review building permit report ending May 2005.

3) Review budget control sheet for period ending May 31, 2005. The Village of Kewaskum Designated Fund Sheet as of 6/7/05 was also reviewed.

4) Reported on 3rd of July Fireworks Display and acknowledgement of the donations. It was noted that the normal fireworks display has grown to an estimated one hour extravaganza, with 2 major donations one from the Kewaskum Fire Department/Modern Woodmen Tribute to Robert Stoltzmann (\$1,700) and the other from Bullseye Development (\$2,655). Other donations have been received from the Kewaskum Women's Club and Gateway Gobblers.

5) Review of correspondence.

a. Discussion and update of Smart Growth planning process.

b. President Mathew Heiser reported on the Town of Kewaskum Meeting scheduled for June 7, 2005.

Board Representative for the Plan Commission, Trustee Andy Pesch announced the Plan Commission meeting scheduled for June 28, 2005.

Board Representative for the Library Board, President Mathew Heiser reported on the Library Board meeting of June 13, 2005 as follows:

1) Circulation for May of 2005 was 3,377 versus 2,824 from 2004.

2) 25 new cards were issued in the month of May 2005 compared to 13 in May of 2004.

3) The Summer Reading program sign up is wrapping up and will start shortly.

Trustee Andy Pesch, the Mid-Moraine Municipal Association Legislative Committee Representative, briefed the Board on upcoming meeting for the balance of 2005 and all of 2006.

Discussion was held on the Certified Survey Map on a parcel located at 224 Bonnie Lane (V4-0618-002-00A) between Timblin Drive and Bonnie Lane. The CSM uses the original lot line for the addressed

property at 224 Bonnie Lane. That creates a new two (2) acre parcel with frontage only to Timblin Drive. On a motion by Trustee Andy Pesch, seconded by Trustee Harry Roecker and unanimously carried by voice vote to approve the aforementioned Certified Survey Map.

Action was taken on Ordinance No. 2005-07 An Ordinance To Amend the Zoning Of The Village Of Kewaskum as previously heard at public hearing as attached hereto:

On a motion by Trustee Harry Roecker, seconded by Trustee Derek Peterson and unanimously carried by voice vote the Board denied the request of Chad Graff to use the Village Engineers regarding the Trev Timblin parcel.

Action was taken on Conditional Use Permit 2005-CUP-01 as requested by Gary Gavin for the Nature Haven Estate PUD as attached hereto:

Action was taken on Ordinance No. 2005-05 An Ordinance To Amend The Village of Kewaskum, Wisconsin Municipal Code. To amend Chapter 6 Alcohol Beverage, article II. Licenses, Section 6-62 Classes, (8) and Section 6-72 Fees (6)(7)(8) as attached hereto:

Action was taken on Ordinance No. 2005-06 An Ordinance To Amend The Village of Kewaskum, Wisconsin Municipal Code. To amend Chapter 6 Alcohol Beverage, article II. Licenses, and create Section 6-73 Quotas on "Class A" Licenses (1)(2) as attached hereto:

Motion by Trustee Harry Roecker seconded by Trustee Steve Scheunemann and carried by the majority roll call vote, the Board approved the following applications for a "Combination Class B" Fermented Malt Beverage and Intoxicating Liquor Licenses for a period commencing July 1, 2005 and ending June 30, 2006 upon proper payment of fees. The Police Department had no objections to any of the applications. Roll call vote was 6 "Aye" 0 "Nay" 1 "Absent" 0 "Abstain".

Bullseye Construction LLC, 117 Main Street, Kewaskum, WI (Agent: William P. Melchiori) Bullseye Construction One

Bullseye Construction LLC, 204 Main Street, Kewaskum, WI (Agent: William P. Melchiori) Bullseye Construction Two

Bullseye Construction LLC, 240

Main Street, Kewaskum, WI (Agent: William P. Melchiori) Bullseye Construction Three

On a motion by Trustee Andy Pesch, seconded by Trustee Harry Roecker and unanimously carried by voice vote, the Board approved William P. Melchiori as the agent for all three of the aforementioned licenses.

On a motion by Trustee Thomas Piwoni, seconded by Trustee Steve Scheunemann and unanimously carried by voice vote it was further noted by the Board the licensed property at 204 and 240 Main Street have a waiver in reference to the distance from the parochial school.

Action was taken on Resolution No. 2005-19 Compliance Maintenance Resolution (Compliance Maintenance Annual Report for the Water Pollution Control Department) as attached hereto:

On a motion by Trustee Thomas Piwoni, seconded by trustee Steve Scheunemann and carried by the majority by roll call vote, the Board approved the "Sign Contract & Policy -2005" for the placement of advertising on the outfield fence of both the NE and SW Diamonds. Policy would apply jointly with the Kewaskum Athletic Association, Inc. and the Kewaskum Athletic Club, Inc. Roll call vote was 6 "Aye" 0 "Nay" 1 "Absent".

On a motion by Trustee Harry Roecker, seconded by Trustee Thomas Piwoni and unanimously carried by voice vote, the Board authorized the use of Ruckert & Mielke to assist the village make application with 2005 SAFER Grant Program and authorized the signing and submission of same for said grant prior to June 28, 2005. The grant would be for financial assistance in the hiring of a full time fire fighter (Fire Chief) in 2006.

On a motion by Trustee Andy Pesch, seconded by Trustee Thomas Piwoni and carried by the majority roll call vote, to adjourn. Roll call vote was 6 "Aye" 0 "Nay" 1 "Absent". Trustee Kevin Scheunemann being absent.

 - c. Develop the terms of an offer of employment to one of the superintendent candidates.
- The Board will convene into Open Session to take action, if appropriate, and then adjourn.

6. Adjourn

PERSPECTIVES

High stakes in the judicial supremacy

By Phyllis Schlafly

The histrionics of the liberals about the impending nomination to fill the vacancy on the U.S. Supreme Court look overwrought, but they are heartfelt. Liberals know they've lost the legislative and executive branches of government, and their only hope of achieving their goals is from supremacist judges who claim the authority to legislate the law of the land.

Liberals know that neither Congress nor state legislatures would ever ban the Pledge of Allegiance or the Ten Commandments, or order same-sex marriage licenses, or kick the Boy Scouts off of public schools and military properties. Liberal politicians, secularist litigators and the gay lobby know very well that only supremacist judges do those eminently unpopular things.

That's why House Minority Leader Nancy Pelosi, D-Calif., described Supreme Court decisions as "almost as if God has spoken." Pelosi's elevation of judges to the level of God shows how desperate liberals are to bamboozle the public into accepting continued liberal domination of the courts.

Democrats admonish us that we must have an independent judiciary. But what they mean is independent of the U.S. Constitution, and we certainly should not give judges that kind of independence.

In the latest incident of judicial mischief, a federal judge ruled that the Pentagon can no longer spend money to prepare a Virginia military base for use by a national quadrennial Boy Scout jamboree that attracts 40,000 Scouts and leaders, plus 300,000 parents and spectators. Although the jamboree is a 25-year-old institution, the American Civil Liberties Union persuaded an activist judge to ban it in the future because the Boy Scouts pledge to do their duty to God and country.

Earlier this year, another federal judge issued a ruling that, unfortunately, has received little national coverage. He presumed to knock out Nebraska's state constitutional marriage amendment that was passed by 70 percent of voters. Congress and state legislatures are, for the most part, wisely unwilling to raise taxes. So what are tax-and-spend liberals to do? Run to supremacist judges, of course.

Lawsuits are pending in 24 states asking judges to order state legislatures to pour more money into public schools which, obviously, will require

tax increases. If any issues should be solely legislative prerogatives, they are raising taxes and spending taxpayer money.

Nevertheless, so far spenders and supremacists have won all their cases except, mirabile dictu, in Massachusetts. That state's high court judges might be a bit shy because of the public scorn they suffered after ordering same-sex marriage licenses.

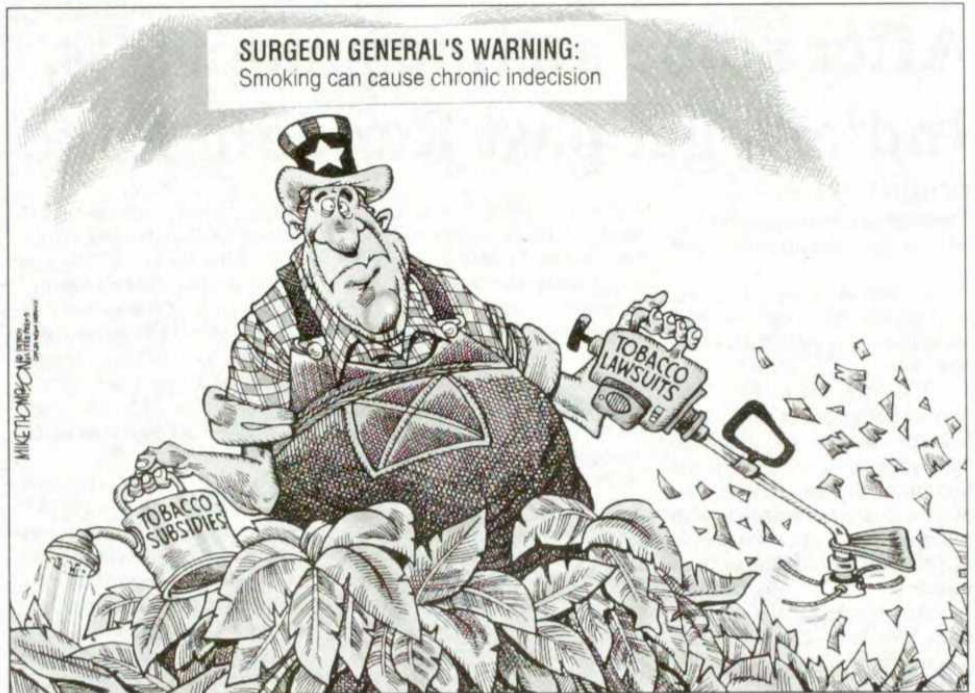

Ground zero in this battle turns out to be Kansas, where the state supreme court has ordered the legislature to put \$143 million more into public schools, even though Kansas already spends nearly \$10,000 per pupil, pays teachers more than most Kansas workers, and graduates students who score well in national tests. Judges seized on a single word in the state constitution and ruled that the definition of "suitable" means a specific amount of money knowable only through the presumed wisdom of judges.

After the Kansas Supreme Court's threat to close all the schools plus heavy pressure from the Democratic governor, Democratic legislators combined with the RINOs (Republicans In Name Only) to say, yes, sirree, to the legislating judges. The court retained jurisdiction of the case and is expected to order the legislature to increase funding again next year, probably by another \$568 million.

The Kansas experience shows that it's not just federal judges, but state judges, too, who need replacing and should have their power limited. Legislators should withdraw jurisdiction from judges so they cannot legislate or act as an imperial judiciary, and legislators who fail to do their duty should be replaced as well as the judges.

All of a sudden, Sandra Day O'Connor has become the favorite justice of Sen. Barbara Boxer, D-Calif., and the Democrats, and they are demanding that her replacement be her clone. No wonder they like her: she voted repeatedly for abortion, repeatedly for the homosexual lobby, and repeatedly against the Ten Commandments.

We can't afford to have another O'Connor mistake. We are counting on President Bush to keep his promise to give us justices like Antonin Scalia and Clarence Thomas. In the second presidential debate in 2004, George W. Bush said: "I wouldn't pick a judge

who said that the Pledge of Allegiance couldn't be said in a school because it had the words 'under God' in it. I think that's an example of a judge allowing personal opinion to enter into the decision-making process as opposed to a strict interpretation of the Constitution."

A Wall Street Journal/NBC poll released July 14 reported that 63 percent of Americans believe it is a step in the right direction for Bush to appoint a judge "who favors continuing to allow references to God in our public life such as allowing displays of the Ten Commandments on government property."

Only 14 percent said that would be a step in the wrong direction.

After some anxious moments, Indians get past Random Lake

BY JUDY HARLOW
Statesman Correspondent
jharlow@kewaskumstatesman.com

It was a game featuring big hits, big rallies and a determined pitching performance by Abe Foerster.

The host Random Lake Rams, champions of the Central Lakeshore Conference, opened with a six-run explosion in the bottom of the first inning, putting Kewaskum in a deep hole in the opening round of action in the WIAA state baseball tournament.

On the first pitch he saw from Foerster, Chris LaFleur tagged a three-run homer, and it was the blast that had the home fans rocking.

The Indians came back with a vengeance, however. In the top of the second, they answered with five runs of their own, then added two in the third and two more in the fourth on their way to a 10-6 decision, which vaulted them into sectional play.

No big hits for Kewaskum in the second. They were to come later, but the Indians did chip away at the deficit with singles by Garrett Donath (an infield variety) Logan Staeger, Foerster, Josh Meyer, Matt Parrent and Ross Stockhausen, and at that point coach Dave Donath was feeling a lot better about staying alive for another opportunity to face powerful West Bend West.

Donath felt even better after watching Staeger single to open the second and Foerster

followed with a two-run shot over the fence in left field. He had received a new lease on life at the plate after a pitch that hit him was called a foul ball. The umpires conferred and agreed the ball made contact with the bat first, then hit Foerster.

Donath had the bunt sign on, but when he saw his pitcher struggling to get the ball down, he let him swing away and swing away he did.

"Abe was having trouble bunting, so I thought we'd try a hit and run ... (he gets) a home run," Donath said in amazement.

The homer, Foerster's first, gave the Indians a 7-6 lead, and they weren't about to give it up.

Random Lake coach Mark Heise (a standout athlete in his days at Kewaskum High and once the KHS baseball coach) pulled his starting pitcher, Nic Weyker, after the home run, but Donath stayed with Foerster, which turned out to be a good move, even though his No. 1 chucker ended up throwing 141 pitches.

"One hundred and forty pitches. That's too many ... I kept asking if he was good," Donath said, recalling how Foerster was looking tired in the fourth inning, but, "He gutted it out and kept throwing and throwing."

After the first inning, when the Rams touched him for six hits, including LaFleur's homer, doubles by Weyker, Brian Duwell (RBI) and Brian Miller (RBI) and

a single by Andy Huebner (RBI), Foerster settled down nicely.

"I think they had only had three hits after the first inning," Donath said, and that was correct. LaFleur doubled to right-center in the second, Duwell singled into short left in the third, and Duwell had a single down the third baseline in the fifth.

Foerster stuck out three Rams in the fourth, put the side down in order in the sixth and had a very easy seventh inning, getting Andy Schwann to fly out to center (with Jon Olla making a nice running catch) and striking out pinch batter, Tim Schwann and Duwell for the final outs.

Foerster struck out eight and walked just two.

Kewaskum wound up with 12 hits, including three by Stockhausen who tripled in the sixth and scored the final run on a sacrifice fly by Garrett Donath. Center fielder Matt Parrent also had a good night at the plate, going 2x3, with a leadoff homer in the top of the third that cleared the center field fence.

"I give the kids credit. They could have packed it in," Donath said. "We did some good things, moving guys over. Abe had a hit home run, and Matt."

After the win, the Indians were 18-12 and looking forward for a rematch with the Spartans. "Obviously we've got to hit, and we can't give 'em six runs in the first inning," Donath said. "We've got to get the bats out."

Kewaskum Warhawks 4-3 in conference Meyer, Olla and Parrent receive first-team acclaim

With one game left on the schedule, the Kewaskum Warhawks are currently 4-3 in conference Midget Major baseball this summer. Team members include: Row 1 (left to right) — Justin Steiner, Tyler Craig, Brian Wilson, Dan Bohn; Row 2 — Brandon Chapman, Tyler Voge, Jake Wade, Gunnar Zenner, Ben Derge; Row 3 — coach John Voge, Joe Ballard, Logan Dreher, Ben Strack, Austin Goeden, Alex Johnson, coach Rick Steiner.

jharlow@kewaskumstatesman.com

For a team that finished just one game above .500, the Kewaskum Indians (11-10) did very well in the Eastern Wisconsin all-conference balloting that took place recently.

Looking at the numbers they put up this season, however, it was no surprise senior Josh Meyer, junior Jon Olla and sophomore Matt Parrent made the first team.

Meyer, who played shortstop and was one of three starting pitchers used by coach Dave Donath most of the year, batted at a .431 clip for the Indians.

"Meyer ended up having 51 base hits for the season and had 27 stolen bases," Donath said of the versatile senior, who was a perfect leadoff man because of the times he got on base and quickly put KHS in scoring position. (These statistics included games from the EWC campaign as well as non-conference contests and the two tournament games they Indians were involved in.)

Olla, who started out as the catcher but switched to center field near the end of the year, hit at .411, with 39 hits, including 11 doubles, four triples and one homer. He drove in 23 runs.

Parrent, who also earned all-conference honors in football and basketball this season, also was solid at the plate as evidenced by his .400 average. Parrent drove in 29 runs behind five doubles and a team-leading five home runs.

Kewaskum also had two players named to the second team. First baseman Ross Stockhausen was honored by the other EWC coaches with a second-team berth, along with sophomore Dan Shea.

Stockhausen had a glossy .427 average, with 27 RBI. His hit total included 12 doubles and two home runs.

"He (Stockhausen) hit well ... was pretty consistent," Donath said, reporting

Shea's numbers included a .388 batting average, with 26 RBI, 12 doubles and four round trippers.

Casey Scheel, a sophomore who mostly served as the designated hitter near the end of the season, received honorable mention in the voting.

Campbellsport won the EWC title with an 18-2 record. The Cougars' last game was canceled because it had no bearing on the final standings, according to Donath, who said New Holstein finished second at 17-4.

The coaches were not given information on the final standings of all the teams, so Donath wasn't sure if Kewaskum or Kiel finished third in the league.

With five of their six all-conference players returning next year, the 2006 season appears to be very promising for the Indians.

Kempf is closer to home this summer and playing a lot of baseball

BY JUDY HARLOW
Statesman Correspondent
jharlow@kewaskumstatesman.com

Travis Kempf is certainly going to get his fill of baseball this summer! The former Kewaskum High standout, who finished his second year of college at the University of Illinois-Chicago (UIC) in May, is playing for the Eau Claire Express and says, "We have 68 games this summer" in 75 days.

No two-day, lazy weekends for Kempf, a right-handed pitcher, whose fastball has been clocked over 96 miles per hour. Just baseball, baseball and more baseball, and he's loving every minute of it, although he would like to reverse roles and be a starting pitcher instead of a reliever.

"Actually I'm starting my first game tomorrow," Kempf said from Wausau Saturday night after the Express dropped a 4-2 decision to the Wisconsin Woodchucks. "I'm hoping I do well tomorrow so I stay in the rotation."

In his role as a reliever, Kempf has been pitching pretty well. "I didn't give up a run in my first 15 innings," Kempf went on, reporting his current ERA (earned run average) is at 3.40 in the 16 games he has seen action, and his record is 1-0. In his appearances, Kempf has struck out 17, walked nine and given up 23 hits, including one home run.

Still relief work can take its toll, according to Kempf, who said, "You have to be ready every night, and you never know if you're going to get in. It's rough on your arm."

The Express and the Woodchucks are part of the 12-team

Northwoods League that encompasses Wisconsin, Iowa, Minnesota and Canada, where there is one team in Thunder Bay. Eau Claire is in the Southern Division along with Madison, the Wisconsin Woodchucks, Rochester, Waterloo and La Crosse.

"It's for college players from all over," Kempf said about the league, indicating the players are recommended by their coaches. While in Eau Claire, Kempf and teammate Mark Halberg (who also plays for UIC) are staying with the Scott and Julie Burkart family, and it has been a perfect fit so far.

"Oh, they're really nice," Kempf said. "They treat us very well. They treat us better than their own kids."

Scott Burkart is the fire chief for the Chippewa Valley Fire Department, while Julie designs bridges. The couple has two children, a daughter 23 and a son who is a student at the University of Wisconsin.

Kempf, who played in a summer league out east a year ago, was fairly successful pitching for UIC in its spring season in the Horizon League. The Flames advanced to regional action in Nebraska before being eliminated after losing to Nebraska and North Carolina State.

"I didn't get in either game," Kempf said, indicating because his opportunities were pretty well limited by a pitch count at UIC, he started looking at going to a different school next year.

"I'm transferring," Kempf said. I met with the coach from Lincoln Trail. That went pretty well. I'm also meeting with the coach from the

Madison Tech team and the one from (UW-Stevens) Point. I'm going to make a decision in the next three or four days." Stevens Point was one game away from reaching the NCAA 3 World Series in May, losing to National Champion UW-Whitewater.

Kempf explained he would only have the chance to pitch 30 innings a season for UIC, while at another school, he might get three times that much action, and, "I have a chance to get drafted next year."

"Pitching wasn't fun for me there ... but I enjoyed the atmosphere there," Kempf said. He is enjoying working with coaches on the Express team, however. "Our pitching coach (Vic Cable) is real nice. He's a legend up here."

Cable is the all-time win and strikeout leader in the history of a local team similar to the Kewaskum Athletics, according to Kempf, who said, "He works with us a lot. He helps at creating velocity."

Kempf and the Express will be in Madison for a pair of games on Aug. 3 and 4. Both games are slated to start at 7:05 p.m. and will be played at the "Duck Pond," home of the Madison minor league team. He's hoping to see action in one of those two games, "if not starting, in relief."

If we value the pursuit of knowledge, we must be free to follow wherever that search may lead us. The free mind is no barking dog to be tethered on a ten-foot chain.

Kewaskum Kickers take third in Badger State Games

The Kewaskum Kickers Soccer team (The Bagels) participated at the 2005 Summer Badger State Games. The Kickers won the bronze medal in the U-12 division. Shown above is the team, front row, left to right, Ian Kenworthy, Austin Lemler, Darren Campbell, Jennifer Meyer, Christine Bohn, Jenny Reicher, Shannon Miller, Ethan Ida. Row two: Taylor Wolf, Ian Shellhouse, Ryan Goralski, Connor Leichtle, Hunter Flanders, Isaac Daniel, Nick Wendelborn, Trevor Hemke, Jacob Hardy. The Kickers are coached by the back row, Nate Kenworthy, Dylan Kenworthy, John Berst, Austin Flanders and Eric Flanders.

Schroeder snuffs out Kewaskum's scoring chances

BY JUDY HARLOW
Statesman Correspondent
jharlow@kewaskumstatesman.com

Some excellent plays by third baseman Alex Schroeder kept the Kewaskum High baseball team from pulling off the upset over powerful West Bend West last week, but the Indians rebounded from the 5-2 defeat to top Howards Grove 8-0, ending the 2005 regular season with a split.

"He (Schroeder) made three plays in two innings that were outstanding," KHS Coach Dave Donath said about the West infielder.

Kewaskum was threatening in the sixth, loading the bases when Schroeder took matters into his own hands.

"Garett hit a shot at him. It was a one-hopper," Donath said, reporting Schroeder snared the ball and threw home for the force out and then he fielded another hard-hit ball off the bat of Casey Scheel and threw to first for the final out.

"He probably saved three runs right there," Donath said, indicating Schroeder's heroics weren't over. "We had one on (in the seventh) then Dan Shea hit a ball that Schroeder dove for and got Dan at first base."

In the loss to West, which was 23-2, Kewaskum scored single runs in the first and fifth. West got a solo home run from Nathan Hayes in the top of the second, then took the lead for good with a pair of runs in the third inning.

Abe Foerster got tagged with the loss, giving up 10 hits to the Spartans. He struck out two and only walked one.

West coach Bill Albrecht started Jake Lathers, who gave up just two hits in five innings

of work. Lathers managed to get eight Indians to strike out, but he also had some wildness, evidenced by his five walks.

Freshman Matt Meisenheimer came in for the last two innings, giving up one hit. He struck out one and walked one.

Kewaskum could get another shot at West in the upcoming sectionals that will be hosted by West Bend tomorrow (Friday). For this rematch to materialize, Kewaskum had to knock off Random Lake on Tuesday, and West needed to erase Port Washington.

On Thursday, the Indians used four pitchers in the decision over the Tigers. Foerster started and gave up just two hits in two innings of work.

Donath called on Jon Roskopf to take over in the third. He gave up just one hit, then Meyer tossed an inning and for his work, earned the win.

Sophomore Matt Parrent pitched the sixth and seventh innings, and the Tigers had no luck whatsoever against him. Parrent gave no hits in his appearance.

The loser was Geary, and Donath said, "Actually he only lasted one inning. In the top of the second, Logan Staeger hit Geary in the face with a liner, and he ended up having to go to the hospital for observation."

"It was a little scary," Donath said, adding, "I did get a call from the coach, and the kid is OK."

The Indians had more than enough hits in this contest, with Meyer going 2x4, Shea 2x4 with a double and Ross Stockhausen 2x4 with a double and three RBI. "He had a two-run double in the third," Donath said.

With the split, Kewaskum

ended up with a 17-12 record before the WIAA tournament opened.

About the tournament, Donath reserved any predictions. (We'll) Play 'em one at a time and see how far we can go," he said.

Donath did like his chances against Random Lake, especially considering his team was a perfect 3-0 against two other Central Lakeshore Conference teams, including Howards Grove and Cedar Grove/Belgium.

Random Lake, coached by former KHS coach Mark Heise, won the Central Lakeshore title with a 12-2 record, the two losses coming at the end of the season.

Fire control officials urge caution in all areas

Outdoor fires banned in some areas of state

MADISON - Hot and unseasonably dry conditions have put most of Wisconsin into a "high" fire danger situation according to Department of Natural Resources fire control experts.

Up to date fire danger conditions can be found on the DNR website under Forest Protection: Fire. Officials feel Sunday will be the most critical fire danger day for the weekend with winds in the 5 to 15 mph range, hot temperatures and low humidity predicted.

Citizens can help by reporting smoke or fires by calling 911, contacting the local DNR ranger station or law enforcement officials. Ranger stations will be staffed statewide over the weekend.

"In these conditions fires will start readily from matches, sparks, fireworks, smoking materials and hot machinery," said Trent Marty, director of DNR's Bureau of Forest Protection. "The fires that have started are difficult to control and our crews have been responding to numerous fires started by campfires, equipment and fireworks."

Department of Natural Resources wildfire officials are taking precautions. All existing burning permits have been canceled including burn barrels and no new permits are being issued in the DNR-managed intensive protection areas of Adams, Juneau, Wood, Eau Claire, Clark, Jackson, Monroe, Marinette and northern Oconto counties.

State parks, forests and trails are currently open and operating normally without any campfire, warming or cooking fire restrictions according to Bill Morrissey, DNR director of state parks. However, park officials urge cau-

tion and remind visitors that this situation could change abruptly if fire risk increases.

Fire control officials stress that further fire protection actions may be taken if drought-like conditions continue. Until overall drought conditions improve, citizens are cautioned that even if rain does occur, fuels dry rapidly and high fire danger conditions will quickly return, sometimes in only a few hours.

Citizens are asked to check with local fire control officials before undertaking any outdoor burning at this time. In May, an escaped debris fire burned 3,400 acres and 90 structures were lost.

Officials are also requesting that citizens not set off fireworks as this practice has caused recent wildfires in many areas of the state. State laws hold anyone found responsible for starting a wildfire liable for costs to put the fire out and any property damage caused by the fire.

"Flames and embers of any fire need to be completely extinguished before people leave a site," said Blair Anderson, DNR fire management chief, who also cautions citizens to be careful with all potential fire starting sources such as hot engine parts and exhausts from chain saws and ATVs and catalytic converters on autos and trucks.

"These are very difficult conditions with the potential for a large fire," said Anderson. "What I'm seeing right now is similar to the summer of 1988 which was one of the worst summer seasons in Wisconsin history."

Cheefulness is the atmosphere under which all things thrive.
