Eisenbahn Trail officially opens here Friday, Arbor Day

KEWASKUM- The 12-mile Washington County segment of the Eisenbahn State Trail officially opens April 28, Arbor Day. Washington County Board Chairman Thomas Sackett will cut the trail opening ribbon during an Arbor Day tree planting ceremony near the intersection of UW Highway 45 and County Highway H, between West Bend and Kewaskum.

A memorial trail bench will also be dedicated to the memory of the recently deceased County Board members Mary Sauer of Addison and Paul Beistle of Slinger, both of whom served on the County Parks Committee during the planning of the trail.

The Eisenbahn State Trail corridor

is a former railway bed now owned by the Wisconsin Department of Natural Resources. The trail in Washington County was designed, built and is operated by the Washington County Planning and Parks Department. Construction of the trail is 99% complete according to Paul Mueller, Administrator of the Department.

Permitted summer uses of the trail include hiking, biking and dog walking on a leash. Snow season uses north of the West Bend City limits include snowmobiling only, while cross country skiing is permitted within the City of West Bend. Trail rules are posted. There is no admission charges for the use of the trail.

The trail segment in Fond du Lac County is under construction and will eventually result in a 22 mile long trail from Eden on the north end through West Bend on the south end.

Those interested in more information about the trail or memorial bench opportunities are encouraged to visit the website at www.co.washington.wi.us or call the Planning and Parks Department at 262-335-4445.

KEWASKUM-The Kewaskum Board of Education elected new officers in a special re-organization meeting Monday, April 24. Newly elected board members, Stephen Jensen and Bruce Braidigan were also sworn into office.

Jean Goeden opened the meeting and nominated John Kenworthy to lead the board as president. A unanimous vote passed and Kenworthy took over the meeting.

Vice President Tammy Weyer was nominated by Bill Kesting to remain as vice president. Her nomination was unanimously approved.

The clerk post drew three nominations, Goeden nominated new member Stephen Jensen. Jensen nominated Kesting and Kesting nominated Sally Cochran. Kesting asked to be removed from the nominations when the board

took a ballot vote. Cochran received four votes while Jensen received three.

For the treasurer position Goeden nominated Braidigan. His nomination was unanimously approved.

In other business, the board approved the hiring of retired KHS technical education teacher Dave Drexler as a long-term substitute for Scott Schilz.

In February Schilz was arrested for erratic driving in Washington County. During the traffic stop, deputies allegedly discovered marijuana in the vehicle. Interim Superintendent of Schools Scott Peterson stated that Schilz's future with the school district has yet to be determined. He expects a decision to be announced next week.

The board also approved Jan Donahue to replace retiring KHS head librarian Arnie Dittbrenner.

Village collects over 10 dumpsters of waste during Spring clean up day

The Village of Kewaskum held their annual spring clean up day on Saturday, April 22. Department of Public Works Lead Man Alan Kuehl said village residents made great use of the waste dumpsters during the spring clean up day. Six 20 yard general waste dumpsters were filled, two scrap metal dumpsters and two yard waste dumpsters were filled.

Prost Development moves forward

KEWASKUM- Kewaskum Plan Commission reviewed a second concept plan for an 80-acre parcel formerly owned by Willard Prost on Highway H west and Kettle View Drive. Commissioners also heard plans for a complete renovation of 250 Main Street, the former home to My Pet Haven in Kewaskum's downtown.

Gary Schneider of Kapur and Associates addressed the commissioners and represented Prost Farmstead LLC. He stated the project has been changed because of issues

with the DNR.

Schneider informed the commissioners that the project would be developed in two phases. The northern portion, where the multi-family zoning is planned would be started first. He also stated that after the project changed, so did the multi-family portion of the development increasing it by 10 units. The development has 74 single family lots, 10 duplex lots and 110 multi family units.

Matthew Sisson presented plans to remodel the structure

at 250 Main Street. He stated he wants to give the property more curb appeal. Sisson plans to completely remodel the structure and add two to three parking stalls in the rear of the building.

His plans include adding a new roof, windows, refinishing the hardwood floors and re-painting the interior and exterior. He plans on leasing the building long term and marketing it as a professional building.

Legion collecting pop tabs

The American Legion Auxiliary Post 384 of Kewaskum is collecting just the "pop tabs" from canned soda, beer or canned goods.

Each year, from April to April, the Auxiliary collects the tabs which in turn are recycled in April on Earth Day. The monies from the pop tabs is given to the Second District of the American Legion Auxiliary. These monies are then donated to the Ronald McDonald House affiliated with Milwaukee's Children's Hospital or the American Legion Burn Center Hospital in Wisconsin.

Get your collected pop tabs to chairperson Gwendolyn Dreher at 1107 Fond du

Lac Avenue or they can be dropped off at the Kewaskum American Legion building at 1538 Fond du Lac Ave.

Please help the Legion Auxiliary and snap off those pop tabs. Thanks for your help.

Supervisors tackle long list of agenda items at April meeting

Townwide Wi-Fi study being conducted in the Town of Wayne

By Andrew Kuehl
Statesman Managing Editor
akuehl@kewaskumstatesman

TOWN OF WAYNE- Residents in the Town of Wayne may be well on their way into the 21st century after town supervisors approved allowing SEWRPC (Southeastern Wisconsin Regional Planning Commission) to conduct a preliminary study on providing wireless internet (Wi-Fi) for town residents. The town's park committee also took forward moving action.

SEWRPC will make a presentation at the May 17 town board meeting on the possibility of providing Wi-Fi access to all town residents. They will present their findings of a preliminary study that is currently being conducted. The study and presentation will cost nothing to taxpayers.

Action on the Kearns 31-lot subdivision on the Jankowski farm was postponed. The town's planning commission will again review the plan at their meeting on Tuesday, May 16.

Supervisors acted favorably on revising a developer's agreement for a subdivision on the Becker Farm. Issues with mailboxes, trees and receiving a letter of credit prior to the start of the development will be addressed in the revised agreement. The revised agreement will be brought before the board next month.

Action was tabled on a land division for a 38-acre parcel, adjacent to highway 28, owned by James Maul. Action will take place when the town receives notification from the Department of Transportation that he is able to gain access to the remaining 18 acres.

Out lots in Chapel Heights subdivision were discussed. Chairman Leander Herriges informed the supervisors of an approaching situation where the developer will have sold off all the lots except the out lots. Herriges questioned

who was going to purchase and maintain the out lots in the development.

Herriges stated the town will need to sign off on any pending special assessments. At that time the town can alert the title company and make it known that special assessments might be assessed on any unsold lots. Clerk Chris Kuehn sent a letter to the developer, but the town has not received a response.

Herriges gave an update on the Townline Road construction process. The current hold up involves Washington County, who is now questioning the mitigation of swampland near the roadway. Herriges stated the county might possibly change their ordinances regarding mitigating land within the county. The town will wait to see the outcome of the possible ordinance change.

Herriges informed the board of a zoning violation on a property near the intersection of Lake Bernice Drive and Highway 28. He stated he received a complaint from a resident that the property owner was shooting firearms on the property. The town noted that the property is not zoned for shooting, and needs a conditional use permit. The landowner has already received notice of violation and must cease all firing of weapons.

Supervisors discussed the town's park committee. Supervisor Kieth Kriewaldt will chair the committee. Post cards will be mailed to all town residents informing any residents wishing to sell 20-30 acres for parkland to contact the town in writing.

The post card will also ask town residents who are interested in serving on the park committee to contact Kriewaldt. The committee will be responsible for investigating properties and making recommendations to the town board on possible properties to consider. They will also as-

sist with grant writing.

Supervisors voted to run meeting notices in The Statesman as a courtesy to residents. That action will take place immediately. The town will not change their official newspaper at this time.

People are funny; they want the front of the bus, the middle of the road, and the back of the church.

Sno-Chiefs Club News

The Kewaskum Sno-Chiefs Snowmobile Club ended another season with the close of the monthly meetings on Sunday April 9th.

The club had their annual steak fry after the meeting. Elections for next year's board and club levels was also held.

Craig Sanborn will serve as president and Vice President is Kyle Abrahamsen.

Elected to the Board of Directors is Tom Doll for a one-year term, Mike Spaeth for the two-year term and Dan Wandel and Robby Schultz for the three-year terms.

Lan owners were thanked for graciously letting the trails go through their land. A meal was provided for them at the Amerahn hall.

The club wishes to thank them again for their generosity. It is greatly appreciated.

The club will hold a brat fry on Saturday, April, 22 at the West Bend Elevator.

To join the club, attend a meeting. They are held the second Sunday of each month running from September through April. Meetings are held at the Kewaskum Municipal Annex building at 7:00 pm.

VILLAGE OF KEWASKUM NEWS NOTES RECYCLING TIPS

H.D.P.E. #2 PLASTIC

Type: Plastic Bottles, Jugs and Wide Mouth Food Containers. This plastic is normally found in milk, water and detergent bottles & jugs. Wide mouth food containers are normally ice cream, margarine and cool-whip containers.

Hint: H.D.P.E. bottles, jugs and wide mouth food containers will carry the #2 emblem stamped or molded on the bottom. Some milk and water jugs carry no emblem but they are recyclable.

Preparation: Remove caps, rings and metal handles. **RINSE CLEAN.** This is the most important aspect of a successful recycling program. Bottles that contain liquid residue cannot be recycled. Place #2 plastic bottles in your dark green recycling bin or blue recycling bag along with the other recyclable items. Place bin or bag at the curb on the same day that your solid waste is to be collected. Pick up will be Wednesdays for both solid waste and recyclables. Multi-family dwellings of six or more, remember, your recycling pick up will be the 1st and 3rd Wednesday of each month.

Note: **Do not** place automotive product bottles in the recycling bin or bag.

Schmidt honored by state commendation

Wisconsin Assemblyman for the 59th district, Dan LeMahieu, left, presents retired Village of Kewaskum administrator Dan Schmidt with a commendation from the state assembly.

Statesman photo: Andrew Kuehl

CITATION BY THE ASSEMBLY

KNOW YOU BY THESE PRESENTS:

WHEREAS, Daniel Schmidt has spent 34 years of distinguished service to the Village of Kewaskum; and

WHEREAS, Daniel Schmidt began his service to the Village of Kewaskum in 1972, winning a seat on the Village Board. With a love for local government, Daniel Schmidt became Kewaskum's first village administrator in 1979 holding the position for almost 27 years; and

WHEREAS, Daniel Schmidt has made outstanding contributions to our larger community through his vision, intelligence, leadership and planning abilities by creating a very high quality of life for all citizens in Kewaskum; and

WHEREAS, in addition to his professional service to the Village of Kewaskum, Daniel Schmidt also has been a devoted husband and father, a fine example to children and adults in the community; and

WHEREAS, Daniel Schmidt has distinguished himself as a magnificent citizen of the State of Wisconsin; now, therefore,

Representative Dan LeMahieu, on behalf of the Wisconsin State Assembly, under Assembly Rule 97, with the concurrence of State Senator Glenn Grothman, hereby congratulates retiring Kewaskum Village Administrator Daniel Schmidt on 34 years of distinguished service and wishes him the best of luck in all his future endeavors.

WEST BEND - The Washington County Courthouse addition committee heard Thursday that Court would take place in the new courtrooms starting on Monday, May 22 inside the new Washington County Justice Center connected to the former courthouse, soon to be the County Government Center. Recent construction chaos at the courthouse is a sure sign that phase one of the nearly \$14 million project is close to being completed.

Tom Verhalen, of VJS construction services, gave the committee an update on the construction process. He informed the members that the second floor of the addition is finished. Courtrooms are done; elevator-testing progresses, furniture will start arriving next week. Crews are also starting the final cleanup. Site work outside is ongoing, with the sidewalk being 80 percent finished.

Construction on the two-phase project began in May 2005. Phase one of the project was to construct a 52,400-square-foot addition to the existing courthouse building that will serve as the county's justice center. That building will house courtrooms and chambers for the four circuit judges, as well as offices for the Clerk of Courts, Register in Probate and eventually the District Attorney.

On May 22, when phase one is complete, those needing services from that building will enter a parking lot on

Rofls Avenue off Highway 33, and walk over to the new justice center.

Washington County Administrative Coordinator, Doug Johnson, stated that the new justice center would be the first county building that will employ metal detection screening equipment. "At the entrance everyone coming

into the justice center to go to court will be required to go through the metal detector," he said. The installation of the equipment is being financed by a Homeland Security grant.

Phase two of the project will see the interior of the existing courthouse being remodeled into a county

Local artist to paint mural in lobby

A large mural depicting Washington County's historic courthouse in downtown West Bend will later this year greet visitors walking into the new lobby entrance of the justice center on the east side of the existing courthouse. West Bend artist Ted Condé will paint the 15-foot-high by 30-foot-wide mural.

Condé is scheduled to begin working in the lobby on June 1. It is hoped that the mural will be complete in mid-November. He will paint it by hand on the wall,

both himself and a number of trained volunteers.

For numerous months there will be scaffolding in the lobby. The public will be invited to view the progress and are invited to make contributions towards the cost of supplies for the mural. Interested parties wishing to contribute can call the Washington County Board office at 262-335-4304.

government center. The government center will be home to the County Clerk, Treasurer, County Board and many other county administrative offices.

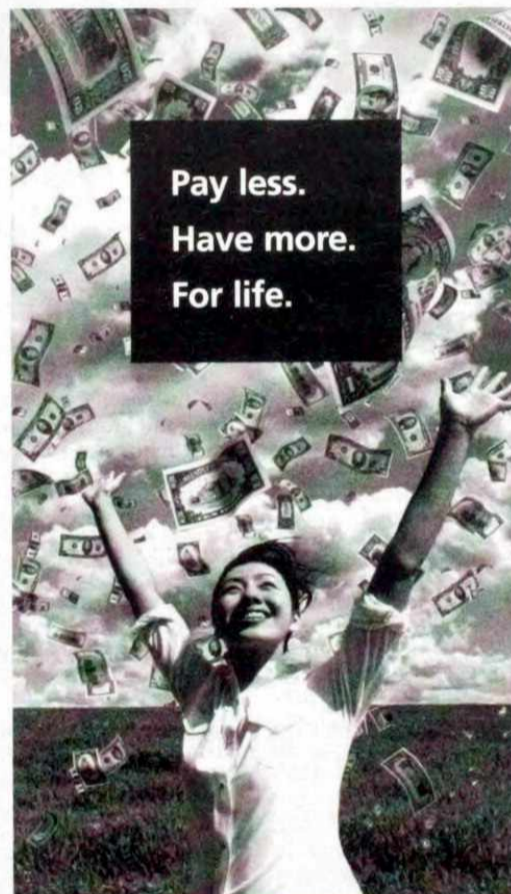

Work there will start with the entire third floor being re-configured from courtrooms to offices. Verhalen said he expected work on the third floor to begin June 6. Remodeling of the east end of the second floor will begin July 5. Phase two is scheduled to be complete by November 15, 2006.

Newly elected county board chairman, Thomas Sackett, announced he would be finding two members to serve on the addition committee to replace the retired supervisors.

In order to receive the promotional interest rate of Prime minus one percent for the life of the loan, you must maintain a minimum drawn balance of \$10,000 and maintain an account with MidAmerica Bank from which your loan payments will be electronically debited each month. If the initial loan advance is less than \$10,000 or if at any time during the first 180 days from the note date the principal balance is less than \$10,000 or if the automatic payment is cancelled during the life of the loan, the interest rate will increase to Prime plus one percent for the remaining term of the loan. MidAmerica Bank's EQUITY Capital One has a variable interest rate. The Annual Percentage Rate is based on the Prime Rate published in the Money Rates section of the Wall Street Journal on the last publishing date of each calendar month. For borrowers who qualify for Prime minus 1% pricing, the Annual Percentage Rate as of 3/29/06 is 6.85%. Your rate and corresponding APR may be different than the advertised rate and depend on your approved loan amount, loan-to-value ratio, property type, occupancy and credit qualifications. Rates are subject to change at any time without notice and may be higher or lower than the current advertised rate. During the draw period, the maximum Annual Percentage Rate is 25.24% and the minimum Annual Percentage Rate is 4.06%. During the repayment period, the maximum Annual Percentage Rate is 25.24% and the minimum Annual Percentage Rate is 4.06%. An annual fee of \$50 is charged after the first year. The Bank will charge \$750 if the Home Equity Line of Credit is closed within six (6) months (180 days) from the date of disbursement. The Bank will charge \$350 if the Home Equity Line of Credit is closed between the sixth (6th) month (181st day) and twenty-fourth (24th) month from the date of disbursement. During the draw period, payments of interest only will not reduce the loan balance. Appraisal fees apply to properties outside of our lending areas and may apply for properties with two-to-four units. Property, title and/or flood insurance, if applicable, are required. Please consult with a tax advisor about the deductibility of interest.

More producers, processors targeting specialty dairy

MADISON - As the national taste for specialty cheese and dairy products continues to grow, more Wisconsin producers and processors are turning to a non-profit group to help them meet changing consumer demands.

The Dairy Business Innovation Center (DBIC), launched two years ago, specializes in providing technical and marketing assistance in starting or expanding a specialty dairy plant, launching a new product or entering a new market. Since 2004, the DBIC has worked with 122 dairy businesses and implemented 66 targeted projects - all with the vision of increasing market share for Wisconsin specialty dairy products.

"The entrepreneurial spirit is alive and well in Wisconsin," said Jim Gage, DBIC Manager.

The DBIC provides a full array of technical assistance to new and emerging dairy businesses including farmstead and artisan dairies as well as small, medium and large dairy processors. The center is led by a stakeholder board and is federally-funded through a comprehensive Wisconsin Value Added Dairy Initiative with support from the Wisconsin Department of Agriculture, Trade and Consumer Protection.

Gage leads a team of 20 world-class dairy experts who meet with entrepreneurs in one-on-one meetings to focus directly on the unique position and needs of each client.

Services available to clients include: business planning, product development, distribution & logistics assistance, facility assessment, label and package design, product positioning, consumer focus groups, and educational study tours.

"We've created a very effective structure that allows us to partner with producers and processors to help them become successful," said DBIC Founder and Chairman Dan Carter.

Virgil and Carolyn Schunk, owners of Gingerbread Jersey Farmstead Cheese near Augusta, are prime examples. The dairy farm couple approached the DBIC a year ago, seeking help with their dream of turning their dairy herd's milk into a farmstead specialty cheese. They have since successfully opened a cheese plant and retail store and are continually experimenting with new cheeses, including flavored Goudas.

"The DBIC helped clarify our business plan and assisted with publicity for our grand

opening," Carolyn Schunk said.

After receiving a Grow Wisconsin Dairy Team value chain grant in 2005, Todd and Sheryl Jaskolski of Black Creek worked with the DBIC to launch Caprine Supreme - Wisconsin's first goat's milk yogurt. The couple utilized the DBIC's consumer focus groups to perfect their product development and attended a January merchandising seminar to make contact with Chicago distributors and retailers.

In addition to serving individual client needs, the DBIC coordinated and implemented several projects and educational events. The team invited a representative group of eight specialty retailers from five states for a three-day tour of Wisconsin cheese plants and events. The tour resulted in increased sales of more than 10 Wisconsin specialty dairy products in four new markets.

The team also partnered with industry groups to host a three-day conference titled "Turning Chaos into Control: Milk to Artisanal Masterpiece." This event brought together 39 participants from 11 states to learn how to produce new artisanal cheeses. Central to the DBIC's mission, educational conferences like this one will continue to make Wisconsin a magnet for innovative cheesemakers.

As the DBIC enters its third year of programming, Gage looks forward to offering more focused one-on-one consulting services to help clients gain access to services that maximize potential profitability. "We hope to continue working side by side with other organizations to build networks for success and expose Wisconsin's dairy industry to new ideas and new markets," Gage said.

The DBIC is federally funded through the support of Senator Herb Kohl and Rep. Dave Obey and matched by

in-kind contributions of agencies and organizations within Wisconsin's dairy sector. The DBIC's vision and mission are also important components of Governor Jim Doyle's Grow Wisconsin plan.

LeMahieu named Co-chair of new state committee

MADISON - State Representative Dan LeMahieu (R-Oostburg) showed both honor and excitement as Assembly Speaker John Gard named him the new Co-Chairman of the Joint Committee for the Review of Administrative Rules (JCRAR).

With the appointment of Rep. Mark Gottlieb to the Joint Committee on Finance, a new Co-Chairman had to be named and today Speaker Gard has chosen Rep. LeMahieu to serve as Co-Chair with State Senator Glenn Grothman.

LeMahieu said, "On behalf of myself and the constituents of the 59th Assembly District

I would like to thank Speaker Gard for the opportunities and guidance he has shown me. I am confident that I have proven through these opportunities that I have the ability to serve the people of the State of Wisconsin well as the Co-Chairman of the Joint Committee for Review of Administrative Rules.

In addition, I am also looking forward to working together with my Senate Co-Chair, and my friend, Senator Glenn Grothman. During my time here in the legislature, I have had the opportunity to learn a tremendous amount from Glenn and his long standing knowledge on this committee will be no different. I look forward to co-chairing this committee with Senator Grothman."

EVENTS

The Stroll is ready to roll

The Family Center of Washington County is getting ready to "roll" with their 10th annual Spring Stroll! Join in for this fun, free, family event on Sunday, May 7th from 2 to 4 p.m. at the Kettle Moraine YMCA.

The Stroll will roll through the YMCA where you will find activities for all ages. First, stroll to the craft room where you'll find several simple make and take projects for the kids. Keep rolling to the gymnastics gym and let your child try an event or just get their wiggles out on the spring floor. Next, abandon your strollers in the riding toys room where your little one will be delighted with a full array of toys with wheels! Move along to the basketball gym and try your hand at shootin' some hoops or other fun games. The final destination is found in the east gym, the last roll of the Stroll.

Refreshments will be available - a hot dog plate, nachos, sundae bar or find some treats at the bake sale. Here's where you'll find our annual Family Center raffle, with great prizes including a one-year family

YMCA membership, Sunburst Ski and Tubing packages and a golf package. Collect over \$25 in Stroll sponsorships and you will receive five free raffle tickets.

Back by popular demand is the "Just for Kids" raffle and the chance to win a fun, brightly wrapped package of goodies - just for the kids! Children 12 and under can increase their chances to win by picking up a Stroll Card at the beginning of the Stroll, get it stamped in each room and receive five free Kids Raffle tickets!

Tickets for both raffles are six for \$5 and are on sale now at the Family Center or may be purchased the day of the Stroll. Drawing for prizes will take place at 4 p.m. on the 7th and you need not be present to win.

Also happening during the Stroll will be ongoing performances by Mirror Image Dance, YMCA Gymnastics and Tae Kwon Do.

The Stroll and all the day's activities at the YMCA are free. Registration is not required, but for those interested in participating through spon-

sorship, please call or stop by the Family Center to pick-up a sponsor sheet. Sponsor sheets will also be available on the day of the Stroll.

The Family Center has been a resource for families of Washington County for over 16 years. Proceeds from the Stroll benefit the Family Center and its mission to strengthen and support all families in Washington County through educational workshops for parents and caregivers, Family Fun Nights, Family Drop-In morning and afternoon, Summer Fieldtrips, Night out with Dad, parent and child resource library, the Nurturing program, Active Parenting program, Warm-line and more.

If you have any questions regarding the Stroll or would like more information about the Family Center an its programming, please call 262-338-9461. The Family Center is located at 1113 W. Washington St., West Bend. The Stroll will be held at the Kettle Moraine YMCA, 1111 W. Washington St., West Bend.

The dirt on creating rain gardens

The "An Evening with Nature Series" at the Kettle Moraine State Forest - Northern Unit concludes this year's season with "The Dirt on Creating Rain Gardens." The program will be held on Thursday, May 11, from 7:00 p.m. to 8:30 p.m. at the Henry S. Reuss Ice Age Visitor Center. The Ice Age Visitor Center is located off of Hwy 67 half mile west of Dundee. The program is free, but donations are always gratefully accepted.

As the spring rain storms arrive, soil, fertilizers and chemicals will wash into our precious water ways. The large amount of melt and storm water can overload storm-water systems and may even cause flooding. What is the solution to these problems? Well, there is not one simple answer, but myriad of things that need to be done to protect our homes, lakes, rivers and ground water. One piece of the puzzle is rain gardens - a natural solution to storm water runoff.

Rain gardens are a relatively new concept and are now even being required by many new developments and subdivisions. These gardens are strategically placed and planted with native plants and grasses that help capture storm water run off allowing the water to seep slowly back into the ground and even filtering out many contaminants. They are also a way to help recharge our valuable

ground water aquifers and a great way to capture the water gushing from your home's downspouts.

Joe Majerus, a landscape designer with Landmark Landscapes, will describe exactly what a rain garden is and how it works. He will also explain the proper way to plant a rain garden in your yard, what native plants to use and what pitfalls to avoid. Please join us to learn the dirt on this natural and beautiful solution to storm water runoff.

This program is best for adults and youth over the age

of 12 years. For further information or directions, please contact forest staff at the Ice Age Visitor Center. The center's phone number is (920) 533-8322 and is open Monday through Friday from 8:30 a.m. to 4:00 p.m., and on Saturday and Sunday from 9:30 a.m. to 5:00 p.m.

UW-FdL students offer presentation on 'green' chemistry

Two University of Wisconsin-Fond du Lac students are going beyond the boundaries of their chemistry classroom this semester as they give presentations on environmentally friendly and/or "green" topics.

Lauren Schultz, Campbellsport, and Kelli Gabrielson, Fond du Lac, will be giving chemistry service-learning presentations, 3:00 - 5:00 p.m. on May 10 in the Henken Room at UW-Fond du Lac, 400 University Drive. The public is welcome to attend.

Schultz and Gabrielson are enrolled in Introduction to Organic Chemistry Lab-II. This course is taught by Dr. Ronald Theys, UW-Fond du Lac assistant professor, who added a new service-learning component to the course. Service-

learning is a way for students, such as Schultz and Gabrielson, to take what is learned in class, and give back to the community through service.

Schultz is a Youth Options student at UW-Fond du Lac and is a senior at Campbellsport High School. Her major is pre-med/radiation therapy. Schultz will be presenting facts about a new, more environmentally friendly fermentation process for ethanol production. The presentation will include information on the process to create ethanol and its benefits to the public as a renewable source for gasoline replacement.

For more information concerning these presentations, contact Dr. Theys at (920) 929-3633 or rtheys@uwc.edu.

WB Clinic offers free skin cancer screenings May 6

SynergyHealth West Bend Clinic - East will join the American Academy of Dermatology on Saturday, May 6, 2006, in a nationwide attempt to set a Guinness World Record for providing the most free skin cancer screenings in a single day. This event will kick off the Academy's 22nd annual National Melanoma/Skin Cancer Screening program.

Skin cancer is the most common form of cancer in the United States, affecting 1 in 5 Americans, and more than 1 million new cases are diagnosed each year. Of these cases, more than 105,750 are melanoma, which claims 7,770 lives each year.

"Everyone - young, old, fair-skinned, dark-skinned - needs to be careful before spending time in the sun," said Gary Rosenmeier, M.D., SynergyHealth Dermatologist. "We encourage everyone to conduct regular skin self-examinations, use sunscreen, wear protective clothing, avoid peak sun hours and practice other sun-safe behaviors."

Dr. Rosenmeier will conduct the screenings on Saturday, May 6 from 8 a.m. to 3 p.m. at West Bend Clinic - East, located at 1190 E. Paradise Drive in West Bend. Advance registration is required, as space is limited. To register, call 262-365-6047.

Routine screening is very important for the early diagno-

sis and treatment of skin cancer. When detected in the early stages, skin cancer is highly curable. Skin self-examinations consist of regularly looking over the entire body, including the back, scalp, soles of feet, toes and on the palms of the hands. If there are any changes in the size, color, shape or texture of a mole, the development of a new mole, or any other unusual changes in the skin, you should see your dermatologist immediately.

The Academy recommends that everyone Be Sun Smart. Here's how to do it:

Generously apply sunscreen with a Sun Protection Factor (SPF) of at least 15 that provides broad-spectrum protection from both ultraviolet A (UVA) and ultraviolet B (UVB) rays. Re-apply every two hours, even on cloudy days, and after swimming or sweating;

Wear protective clothing, such as a long-sleeved shirt, pants, a wide-brimmed hat and sunglasses, where possible;

Seek shade when appropriate, remembering that the sun's rays are strongest between 10 a.m. and 4 p.m.;

Get vitamin D safely through a healthy diet that includes vitamin supplements. Don't seek the sun.

Avoid tanning beds. Ultraviolet light from the sun and tanning beds causes skin cancer and wrinkling. If you want to look like you've been in the

sun, consider using a sunless self-tanning product, but use sunscreen with it.

More information on the free skin cancer screenings is available at www.synergyhealth.org or on the Academy's Web site at www.aad.org.

SynergyHealth is a regional health system serving the greater Washington County community. St. Joseph's Hospital, West Bend Clinic, and SynergyHealth Foundation are members of SynergyHealth.

Symphony puts variety into the Pops

Big Band favorites, Barbershop harmonies, light opera overtures, and movie themes make up the musical buffet offered by the Kettle Moraine Symphony at its annual Pops Concert on Friday, April 28. The "Night at the Pops" begins at 7:30 p.m. at the Schauer Arts and Activities Center, 147 Rural Street, Hartford.

Albert Asch, music director and principal conductor, and Paul Thorgaard, associate conductor, will conduct.

The variety of selections includes Franz Liszt's "Sixth Hungarian Rhapsody," Glenn Miller's "In the Mood" and "Chattanooga Choo Choo" performed by the KMS Big Band, and the "Pirates of the Caribbean" theme and selections from "A Chorus Line." Barbershop performances include a medley from Meridith Wilson's "The Music Man," Irving Berlin's "What'll I Do?" and more.

In an annual tradition, nominations will be taken from the audience to select a "guest conductor" to conduct Sousa's "Stars and Stripes Forever." During intermissions, desserts and beverages will be available in the lobby.

Tickets are \$15 for adults, \$12 for seniors and students, and \$2 for children. For tickets, call the KMS office at 262-334-3469, or purchase tickets by phone by calling the Schauer at 262-670-0560.

Cedar Ridge to host Concordia classes

Cedar Community and Cedar Ridge Apartments are pleased to be able to host classes for Concordia University. "All About Color" with Wendy Helmers is Wednesday, May 10 from 2 to 4:30 p.m. Color says a lot about you. Learn what colors can make you look younger, thinner and healthier; which colors can help you make a better impression; and if you're wearing the right color for you. Come to this session and discover 48 of your most flattering colors. Learn how color can work for you. The cost for the class is \$30.

The second class, "Organize Your Home," with Barb Friedman is Tuesday, May 16 from 1 to 3 p.m. If you are overwhelmed in your home with papers, laundry and everyone's stuff, then this class is for you. Learn proven tips and techniques that will work for you. Barb did it on Dr. Phil and she can do it for you. The cost of the class is \$25.

Both classes are open to the public and will be held in the Education Room at Cedar Ridge Apartments, 113 Cedar Ridge Drive, West Bend. Please make checks payable to Concordia University and mail or

drop off at the Cedar Ridge reception desk. If you have questions, please contact Betty Christen at 262.338.2811.

The parents of Adam Schweder and Tracie Calkins-Delforge announce the engagement of their children.

Adam is the son of Jane and Gery Schweder of Kewaskum. Adam is a 1997 graduate of Kewaskum High School and a 2001 graduate of the University of Wisconsin - Milwaukee. He is currently employed with Klements Sausage Company as a Regional Sales Manager.

Tracie is the daughter of Marchia and Mark Delforge of Green Bay. Tracie is a 1996 graduate of Southwest High School and a 2001 graduate of the University of Wisconsin - Stevens Point. She is currently employed with the Business Services Division of Office Depot as a Service Consultant.

A September 2 wedding is being planned by the couple.

Wagner to show design at Mount Mary College

MILWAUKEE - On Friday, May 5, the Mount Mary College Fashion Department will present this year's Student Designer Fashion Show, "Mystify." Included in the original designs featured in the show will be a dress designed by Joyce Wagner of Kewaskum. Wagner is a sophomore in the apparel product development program at the college.

The show, which will be held in the campus theater, 2900 North Menomonee River Parkway, will feature over 140 designs created by 50 designers. It will include couture, draping and tailored garments, evening wear, children's wear and costumes. Only garments selected

by a professional jury will be included.

Three performances are scheduled: a 1:30 p.m. and 5:30 p.m. matinee and an evening show at 8 p.m., which will be followed by a wine reception. Ticket prices are \$18 for the matinee and \$25 for the evening show and reception. The box office is open 1 to 4 p.m., Monday through Friday; call 414-256-1253.

Kelly Kohl and Andrea Kolasinski Marcinkus will choreograph the show, and hair and makeup will be done by The Entourage Salon in Sheboygan. For more information please call 414-256-1255.

C-sport Elementary School earns top score in News Bowl

Campbellsport Elementary School earned a Top National Score for third graders on the News Bowl 2006 NAT Contest! NAT stands for News Achievement Test. The NAT is a 50 question multiple-choice exam that tested teams of three students over events that occurred during the months of January and February 2006. The exam was administered to schools during the month of March over the internet at www.newsowl.com.

The NAT Contest exam was taken by 1503 teams across the nation. One hundred and eight teams participated in the third grade division. The Campbellsport third

grade team, named the Cougars, was facilitated by teacher Tyler Breister. The team correctly answered 39 of the 50 questions, the best for third graders.

For a copy of the test, go to www.newsowl.com and look for the link titled NAT Questions and Answers. Any schools that are interested in the News Bowl quiz curriculum for the 2006-07 school year should visit the News Bowl website. The public is invited to log on and view the NAT exam.

Congratulations again to Campbellsport Elementary School.

Winners in Mr. Stephani's class at Kewaskum Elementary School were: first place Miranda Drewitz; second place Heather Nielsen and third place Samantha Glgstead.

Kiwanis Students of the Month

Leanne Kison

Franklin Cole

Leanne Kison and Franklin Cole were named Kiwanis Students of the Month for the month of April. Leanne is the daughter of Shelly Crawley and James Kison. She is a participant of the high school co-op program, where she works in accounts receivables at a local building supply company. Leanne was a member of the HOPE Club her freshman and sophomore years. She played on the basketball team for two years and the volleyball team for three years. She has volunteered with her church youth group and often volunteers with the Washington County Volunteer Center. After graduation, Leanne will be attending the University of Wisconsin - Green Bay for four years to study in their pre-veterinarian program, and then plans on attending the University of Minnesota - Twin Cities to obtain her degree in Veterinary Medicine.

Franklin is the son of Susan and Scott Cole. He is the secretary of the National Honor Society. As a freshman he played basketball. He was on the varsity soccer team since he was a freshman and earned MVP and Honorable Mention awards. He was also the captain of the soccer team his junior and senior years. He has also participated in the school musical for two years and the Swing Choir for four. Outside of School, Franklin works at a grocery store and volunteers with Habitat for Humanity, is a bell ringer for the Salvation Army and Kidz Fest in West Bend. He plays and referees club soccer for West Bend United. This summer Franklin will be attending a language institute in Cuernavaca, Mexico to immerse himself in the culture. Next fall he plans on studying business and Spanish at UW-Madison, Marquette or Concorida.

LEGEND TRIP MOVIE BEING FILMED IN NEW PROSPECT

By Andrew Kuehl
Statesman Managing Editor
akuehl@kewaskumstatesman

NEW PROSPECT- A well known landmark general store in the Kettle Moraine hamlet of New Prospect, just seven miles north of the Village of Kewaskum will be in the lime-light this fall. The store, along with the hamlet itself, plays a significant role in an independent horror film set to be released late this fall.

The film, titled, "The Legend Trip," revolves around a house in Wisconsin where, in 1870, a man finds his family dead and then, consequently, kills himself. In the present day, a young grad student investigates the place and encounters paranormal terrors.

Producer/writer Sara Bulle stated some of her writings are based on the German-town legend of Mary Buth.

The five minute scene that takes place at Zahn's Trading Post in New Prospect took from start to finish about four hours to complete.

gists on an adolescent rite of passage in which a usually furtive nocturnal pilgrimage is made to a site which is alleged to have been the scene of some tragic, horrific, and possibly supernatural event.

The concept of legend tripping is at least as old as Mark Twain's 1876 *The Adventures of Tom Sawyer*, which contains several accounts of adolescents visiting allegedly haunted houses and caves said to be the lairs of criminals. Tom

Sawyer is based on lore that was current in Twain's own boyhood, and by Twain's time the main features of the ritual were already in place.

1930's, Smith, a Chicago mobster escapes a shootout with a hostage and takes refuge in the state forest, like some mobsters of that era actually did. He comes into the store to make a call back to his bosses in Chicago at a payphone and on a directive from the boss to get rid of the hostage, purchases some barbed wire and a pair of gloves. The scene ends with Smith leaving the store clerk with a handsome tip to forget he was there.

The film is a first for Griffin Productions of Milwaukee. Filming began in a home across the street from Zahn's in August of 2005. The home is where the bulk of the interior scenes are being shot for the film.

Exterior scenes for the film are being shot at a home in Waukesha.

"We're very excited to be a part of this. Our family's store will live on in history through this film. We're honored they approached us," said Jim Zahn. Zahn's parents, Art and Armella have owned and operated Zahn's Trading Post for the last 35 years in New Prospect.

Mark Metclaf, who starred in the sitcom, "Buffy the Vampire Slayer," also stars in the film. Metclaf has already been filming in the home located in New Prospect.

OBITUARIES

PATRICIA ANN MUELLER

Patricia Ann Mueller, 56, of Kewaskum, Wis., formerly of Oshkosh, passed away peacefully Saturday evening, April 22, 2006, at Theda Clark Medical Center in Neenah.

She was born on May 30, 1949, in Oshkosh, the daughter of Patricia Schlaak and Harold Nowicki.

On July 26, 1969, she married Mark Mueller at St. Peter's Catholic Church in Oshkosh.

Patricia and her husband, Mark, are members of Holy Trinity Catholic Church in Kewaskum, Wis. She loved being with family and friends. Her favorite things were shopping, designing greeting cards, Internet, arts and crafts, travel, music, games of chance, slots, flowers and gardening.

To my lifetime partner of 37 years, you are everything to me — my wife, soul mate and best friend. I will always love you.

Patricia is survived by her husband, Mark Mueller of Kewaskum; her stepfather, Don Schlaak of Oshkosh; two sisters, Diane Penzenstadler of Oshkosh and Paula (Mike) Veith-Soll of Oshkosh; and one brother, David (Mary) Schlaak of Wheeling, Ill.

Pat is also survived by her in-laws, Melvin and Myrtle Mueller of Oshkosh; her brothers-in-law and sisters-in-law, Thomas (Kay) Mueller of Fountain Valley, Calif., Judene (Richard) Bartley of Beverly Hills, Mich., Ann Mueller of La Habra, Calif., Mary (Joseph) McCarthy of Rockford,

Ill., Stephen Mueller of Columbus, Ohio, James (Julie) Mueller of Crystal Lake, Ill., Richard Mueller of Lisle, Ill., Claire (George) Kleinschmit of Oshkosh and Ellen (Scott) Lewis of Racine, Wis.; nieces; nephews; other relatives; and friends.

She was preceded in death by her mother, Patricia M. Schlaak on Aug. 13, 2004; her father, Harold Nowicki; and a sister-in-law, Suzanne Mueller.

A Mass of Christian Burial was held at 11 a.m. on Thursday, April 27, 2006, at St. Peter's Catholic Church in Oshkosh. The Rev. Robert Kollath was the celebrant. Committal services were held at Calvary Cemetery, Oshkosh.

Visitation was held from 4 to 7 p.m. on Wednesday, April 26, 2006, at the Fiss and Bills Funeral Home in Oshkosh. Visitation was held from 10 a.m. until the hour of Mass at 11 a.m. on Thursday, April 27, at the church.

In lieu of flowers, a memorial fund will be established in Patricia's name.

The Fiss and Bills Funeral Home, 130 Church Ave., Oshkosh, Wis. 54901, (920) 235-1170, served the family.

ELMER C. HEIMERMANN

Elmer C. Heimermann, 79, of N2778 Hwy. V, Campbellsport, died peacefully at St. Agnes Hospital after a long, courageous battle with cancer on Wednesday, April 19, 2006, with his loving and caring family at his side.

He was born on Sept. 29, 1926, in the town of Stockbridge, the son of Ludwig and Dorothy Buechel Heimermann.

On Sept. 1, 1949, he married Margaret C. Weiland at St. Matthew's Church in Campbellsport. The couple lived and farmed in the town of Eden for 50 years.

Elmer enjoyed deer hunting, fishing, bowling and gambling. He especially enjoyed

playing sheephead and poker with his grandchildren, family and friends. Elmer will most be remembered for driving his John Deere tractors, wearing his signature straw hat and telling tales of the fish that got away up north at the cabin.

Survivors include his daughters, Linda (John) Schraufnagel of Campbellsport and Jean (Daniel) Hintze of Fond du Lac; his grandchildren, Nicholas, Andre' and Natalie Schraufnagel and Zachary, Annika and Benjamin Hintze; three brothers, Leonard (Allie) of Hartford, Lester (Donna) of Kiel and Raymond (JoAnn) of Pickerel; two sisters, Angeline Meyer of Chilton and Lorraine (Thomas) Bove of Chilton; and a sister-in-law, Rose Heimermann of Kiel.

He was preceded in death by his wife, Marge on June 26, 1999; his son, Gene Elmer; his parents; one brother, Melvin; and one sister, Marsella Straub.

A Mass of Christian Burial was held at 11 a.m. on Monday April 24, 2006, at St. Matthew's Church in Campbellsport following a prayer service at 10:30 a.m. at the Twohig Funeral Home, Campbellsport. The Rev. Neil Zinthefer officiated, and burial followed at the parish cemetery.

Visitation was from 5 to 7 p.m. on Sunday, April 23, 2006, at the funeral home.

In lieu of flowers, donations may be made to St. Mary's Springs High School, E.A.C.E.S. of Fond du Lac, St. Matthew's Catholic School or Eden Fire Department.

Twohig Funeral Home in Campbellsport served the family.

LINUS JOSEPH SIMON

Linus Joseph Simon, 85, formerly of Campbellsport, died on April 22, 2006, at Hope Health and Rehabilitation Center in Lomira.

Linus was born on March 12, 1921, in the town of Ash-

ford, a son of Kilian and Katharine Hildman Simon.

On May 1, 1945, he married Florence Valeria Miller at St. Matthew's Catholic Church in Campbellsport.

Linus served in the U.S. Army at the end of World War II at Fort Lewis, Wash. He was employed at Kewaskum Dairy in Kewaskum, St. Joseph's Convent in Campbellsport, and Gehl Manufacturing Co. in West Bend, where he worked for 37 years.

He was a long-time member of St. Matthew's Catholic Church in Campbellsport, assisting for many years as an altar server and Eucharistic minister. He was also a member of Bishop Salvator Schlaefel Council 11301 of the Knights of Columbus. He enjoyed gardening and working in the garage.

Survivors include his wife, Florence of Campbellsport; seven sons, Rev. John L. Simon of Eldorado and North Fond du Lac, James K. Simon of Campbellsport, Lester D. (Shirley) Simon of Campbellsport, Dale R. (Shelly) Simon of Fond du Lac, Kenneth P. (Lauri) Simon of West Bend, Paul J. (Jane) Simon of Campbellsport and Steven L. (Ronda) Simon of Boerne, Texas; 13 grandchildren, Michael, Thomas (special friend Stacy), Jeffery

(Rachel), Lisa, Jenny (John Bender), Jacob (Jennifer), Dean, Tracy, Kelly, Matthew, Nathan (Jera), Nicole (Michael McCallum) and Kimberly; and four great-granddaughters.

Preceding him in death were his parents; three brothers, Claver, Peter and Leo; three sisters, Leona, Anna M and Rosemary; and one granddaughter, Jessica Simon Abnet.

Funeral services were held at 11 a.m. Wednesday, April 26, 2006, with a Mass of Christian Burial at St. Matthew's Catholic Church in Campbellsport. The Rev. John L. Simon, his son, officiated. Burial was at St. Matthew's Parish Cemetery, Campbellsport.

Visitation for Linus Joseph Simon was held from 4 to 8 p.m. Tuesday, April 25, 2006, at Twohig Funeral Home in Campbellsport, and from 10 to 11 a.m. Wednesday, April 26, 2006, at St. Matthew's Catholic Church.

In lieu of flowers, please send memorials to St. Matthew's Church for interior renovations.

Twohig Funeral Home of Campbellsport served the family.

Some people are kind, polite, and sweet-spirited until you try to sit in their pews.

A Dirty Job

By Christopher Moore

Harper Audio \$39.95 12 hours unabridged

Of all the jobs you've ever had, which was the strangest?

People make decent livings by cleaning up after dogs, sniffing body odor, and testing toys. Some earn their paychecks by sorting chickens, climbing trees, and... well, by reviewing books.

Strange and unique jobs, to be sure, but none of them involve being a Death Merchant.

Charlie Asher has that job, but he didn't apply for it. In the new audio book "A Dirty Job" by Christopher Moore, performed by Fisher Stevens, the job started for Charlie on the day he saw a mysterious black man in a mint-green silk suit.

It should've been a happy time. When Charlie's wife, Rachael, gave birth to baby Sophie, Charlie should've been overjoyed but he could only think that something was wrong with his daughter. Although everyone denied it, Charlie knew what he saw. Sweet baby Sophie was born with a tail.

Hospital personnel sent the exhausted father home for a rest, but before he left, Charlie snuck back up into Rachael's room. When he saw the man in the mint-green suit standing next to Rachael's bed, Charlie yelled for the nurse, but it was too late. The large man was instantly gone, and so was Rachael.

Dead. Aneurysm, they said, but Charlie knew better.

Nobody else had seen the big man in the silk suit, but Charlie did. Just like nobody else saw glowing-red objects or humongous ravens, and nobody heard voices from the sewer. But Charlie does, and he knows that something big has happened.

Charlie has become a Death Merchant, a human being assigned to collect soul vessels so that people can be

reunited with the soul they're meant to have. He also has to keep the soul vessels from the Morrigan, three evil but rather inept creatures that live beneath San Francisco.

But the Morrigan are only part of Charlie's problem. The Book of Death is missing, and so are several soul vessels. Two massive Hounds have mysteriously shown up at Charlie's house, and although they frighten Charlie's meddling neighbor ladies, the dogs seem to be protecting Sophie.

Then Charlie learns that an all-powerful Illuminati is coming. A Death Merchant more powerful than any Death Merchant, ever.

And it just might be him. If you've ever read anything by Christopher Moore, you know he's flippant, sarcastic, and dead-on hilarious. In fact, people are going to look at you strangely if you listen to this audio book while you're in your car. They'll see you driving and laughing, and they'll wonder what's so funny.

Actor Fisher Stevens does an incredible job, with a dozen different voices for the various characters. Be aware that if you have kids who'll be riding with you, though, you won't want to listen to this until after you've dropped them off at the sitter's. The job isn't the only thing that's dirty in this book.

If you're ready for some irreverent humor, pick up a copy of "A Dirty Job" and give it a listen.

Because, hey, somebody has to do it.

Ask your librarian... anything... anytime... from anywhere...

Now you can have a librarian's assistance 24 hours a day, 7 days a week, even on holidays. Whether you have an important report due in the morning, need a recipe for Chicken Kiev, or want last week's Milwaukee Brewers scores, a librarian can get the answer for you. Library websites in Wisconsin now offer "Ask Away" service. A click on the logo leads to a choice of communication options for getting an answer to a question. If you choose to open a chat session, the librarian may be as close as your own library or thousands of miles away, but wherever they are they'll have the knowledge and tools to help you. A network of libraries throughout the United States supports the 24-hour service. With a current web browser installed (Firefox, Mozilla, Internet Explorer or Netscape 7) you are able to interact with the librarian as he or she brings up different resources in a

co-browsing session onto the questioners computer screen. Once the chat session is done, you will receive an email with a transcript of the chat session that includes links to all the web sites visited.

E-mail and phone service is provided by Campbellsport Public Library during the library's scheduled open hours. The Campbellsport Public Library web site, www.campbellsportlibrary.com provide local information, links to magazine and research databases and digitized local history material, but when you can't find what you want, connect to Ask Away and the expertise of a librarian.

If you have any questions, please call the Campbellsport Public Library at (920) 533-8534, or stop in at 220 Helena Street. We are open Monday, Tuesday, and Thursday from 12:00 to 8:00, Wednesday from 10:00 to 6:00 and Friday from 10:00 to 5:00.

Buttery Caramels

1/2 cup pecans
2 cups granulated sugar
1 stick (1/2 cup) butter
2 cups whipping cream
3/4 cup light corn syrup

Toast pecans on cookie sheet in 350°F oven for about 8 min. or until fragrant. Cool; chop fine with sharp knife. Butter the inside of an 8-in. square glass baking dish. Sprinkle pecans evenly over bottom of dish; set aside.

In a heavy 3-qt. saucepan, combine sugar, butter, whipping cream and corn syrup. Bring to a boil over medium heat, stirring constantly. Place candy thermometer in pan. Cook, stirring frequently, until temperature reaches 245°F or a Tbsp. of mixture dropped into very cold water forms a firm ball when handled. (It is important to stir mixture to prevent sticking.)

Pour caramel over pecans. Cool at room temperature for about 1 hr. Run knife around dish edges; invert over cutting surface using edge of knife to help release caramel. Cut into small squares with a wet, sharp knife using a sawing motion. Wrap individually in waxed paper or plastic wrap when cooled completely.

WBSB names two new managers

Tiffany Zehren

West Bend Savings Bank is proud to announce Tiffany Zehren and Sadie Marx as new managers for two of their branch locations.

Zehren is the new manager of the bank's first in-store office located in Pick'n Save-South. Marx is managing the bank's branch in Klotz's Piggly Wiggly. Both locations are in West Bend.

Zehren began her career with West Bend Savings Bank in

Sadie Marx

1998 as a teller at the Kewaskum branch, advancing through to management in various branches and the customer service department.

Marx joined the bank in 2004 as the assistant manager of their new branch located inside Jensen's Piggly Wiggly in Juneau, Dodge County. Previously Marx was employed with another bank in Dodge County.

Rick Larson, West Bend Savings Executive Vice Presi-

dent and Chief Operations Officer said, "Upward mobility for qualified people is rapidly becoming a hallmark of this bank. We're growing and the young people who have joined us and shown their capabilities are finding they can move up and be rewarded as we grow. Both of these women have shown excellent banking, customer service, and management skills and we are very happy to have places for them to grow within our institution."

West Bend Savings Bank will have 18 locations in Southeastern Wisconsin by the end of this year, currently employing more than 200 people.

The South Main Street branch is located inside the Pick'n Save South, at the corner of South Main and Paradise. The branch located in Klotz's Piggly Wiggly is located in the Wingate Creek Business Center on East Washington Street. For additional information visit www.wbsavings.com.

Becht promoted to Associate VP at Wachovia Securities

Wachovia Securities announced today that Paul C. Becht has been promoted to Associate Vice President-Investments in the firm's North Shore Office.

A Chartered Retirement Planning Counselor designee, Mr. Becht has extensive experience assisting clients in developing and meeting long-term financial objectives.

"We are delighted that an investment professional of Paul's caliber is within our firm," said Daniel Duhig, Senior Vice President-Complex Manager of Wachovia Securities' Milwaukee Branch. "Paul epitomizes the kind of knowledgeable and highly respected investment professional who does credit to our industry, our firm and our clients."

Paul Becht is active in community and civic affairs. He is especially active in the local schools, volunteering as an ad-

visor for classes participating in the Wachovia Securities Stock Market Game. Paul has also served on various boards at St. Lucas Lutheran Church. Paul has lived in the Northern Kettle Moraine area for the past 18 years. There he shares his love for the outdoors with his wife Lianne and children, Paul II, Bryan, and Paige.

NOTICE OF THE BOARD OF REVIEW FOR THE VILLAGE OF KEWASKUM

NOTICE IS HEREBY GIVEN that the Board of Review for the Village of Kewaskum, of Washington County, Wisconsin, shall hold its first meeting in the Council Room Meeting Room of the Municipal Building, 204 First Street on Tuesday, May 23, 2006 commencing at 1:30 PM to 3:30 PM.

Please be advised of the following requirements to appear before the Board of Review and procedural requirements if appearing before the Board:

No person shall be allowed to appear before the Board of Review, to testify to the Board by telephone or to contest the amount of any assessment of real or personal property if the person has refused a reasonable written request by certified mail of the Assessor to view such property.

After the first meeting of the Board of Review and before the Board's final adjournment, no person who is scheduled to appear before the Board of Review may contact, or provide information to, a member of the Board about the person's objection except at a session of the Board.

No person may appear before the Board of Review, testify to the Board by telephone or contest the amount of assessment unless, at least 48 hours before the first meeting of the Board or at least 48 hours before the objection is heard if the objec-

tion is allowed because the person has been granted a waiver of the 48 hour notice of an intent to file a written objection by appearing before the Board during the first two hours of the meeting and showing good cause for failure to meet the 48-hour notice requirement and files a written objection, that the person provides to the Clerk of the Board of Review notice as to whether the person will ask for removal of any Board members and, if so, which member will be removed and the person's reasonable estimate of the length of time that the hearing will take.

When appearing before the Board, the person shall specify, in writing, the person's estimate of the value of the land and of the improvements that are the subject of the person's objection and specify the information that the person used to arrive at that estimate.

No person may appear before the Board of Review, testify to the Board by telephone or subject or object to a valuation; if that valuation was made by the Assessor or the Objector using income method; unless the person supplies the Assessor all of the information about income and expenses, as specified in the manual under Sec. 73.03(2a), that the Assessor requests. The Village of Kewaskum has an ordinance for the confidentiality of information about income and expenses that is provided to the Assessor under this paragraph which provides exemptions for persons using information in the discharge of duties imposed by law or of the duties of their office or by order of a court. The information that is provided under this paragraph, unless a court determined that it is inaccurate, is not subject to the right of inspection and copying under Section 19.35 (1) of Wis. Statutes.

The Board shall hear upon oath, by telephone, all ill or disabled persons who present to the Board a letter from a physician, surgeon or osteopath that confirms their illness or disability. No other person may testify by telephone.

Respectfully submitted,
THE VILLAGE
OF KEWASKUM
Janet Knops,
Interim Village
Administrator/Clerk

NOTE: Persons with disabilities requiring special accommodations for attendance at the meeting should contact the Municipal Building at (262) 626-8484 at least one (1) day prior to the meeting.

PUBLIC NOTICES

ORDINANCE NO. 2006-04 AN ORDINANCE TO AMEND SECTION 86-14 OF THE MUNICIPAL CODE OF THE VILLAGE OF KEWASKUM RELATING TO IMPACT FEES

WHEREAS, the Village of Kewaskum is a growing community and sound planning requires that there be sufficient capacity to handle increased demand that new development places upon public facilities; and

WHEREAS, the need to plan for and construct facilities for future residents and property owners occurs when those individuals may not be part of the community and therefore existing residents would be required to bear more than a proportionate share of the cost to build or expand facilities needed for new development if impact fees were not imposed; and

WHEREAS, impact fees offer communities an equitable way to charge new development for the provision of new or expanded facilities; and

WHEREAS, the intent of impact fees is to provide the financial means to insure that adequate and necessary public infrastructure is available for development in order to preserve the public health, safety, and general welfare of the community; and

WHEREAS, it is the intention of the Village Board, through this ordinance to amend the Village of Kewaskum's Impact Fee Ordinance; and

WHEREAS, the Village of Kewaskum engaged the engineering firm of Ruekert/Mielke to conduct a public facilities needs assessment so as to determine whether it was appropriate to impose an impact fee on land development for Water Supply Facilities; and

WHEREAS, Ruekert/Mielke has completed a public facilities needs assessment which is entitled: "Water Facilities Needs Assessment and Impact Fee Study" which is on file with the Village of Kewaskum Village Clerk; and

WHEREAS, the Village Board by enacting this ordinance has relied upon the public facilities needs assessment prepared by Ruekert/Mielke; and

WHEREAS, a public hearing was held on April 17, 2006 regarding this ordinance.

NOW THEREFORE, the Village Board of the Village of Kewaskum, Washington County, Wisconsin, DOES ORDAIN AS FOLLOWS:

ORDINANCE NO. 2004-09 AN ORDINANCE CREATING SANITARY SEWER, PARK AND WATER FACILITIES IMPACT FEES OF THE VILLAGE OF KEWASKUM, WISCONSIN

The Village Board of the Village of Kewaskum, Wisconsin does ordain as follows:

Section 86-14 Subdivisions of the Village of Kewaskum Code of Ordinances is hereby amended as follows:

IMPACT FEES

SECTION:
86-14-1: Introduction and Purpose
86-14-2: Definitions
86-14-3: Public Facilities Needs Assessment
86-14-4: Impact Fee Revenue Administration
86-14-5: Use of Impact Fees
86-14-6: Payment of Impact Fees
86-14-7: Appeals
86-14-8: Sewer Impact Fees
86-14-9: Water Impact Fees
86-14-10: Park Facilities Fee
86-14-11: Severability
Section: 86-14-1 **Introduction and Purpose**

Pursuant to the authority of Section 66.0617, Wisconsin Statutes, the local impact fees enabling legislation, the purpose of this ordinance

is to establish the mechanism for the imposition of impact fees upon new development to finance the capital costs of acquiring, establishing, upgrading, expanding, and constructing public facilities which are necessary to accommodate land development. This chapter is intended to assure that new development bears a proportionate share of the cost of capital expenditures necessary to provide public facilities within the Village of Kewaskum and its service areas, as they are required to serve the needs arising out of land development.

Section 86-14-2 Definitions

A. *Capital costs.* The capital costs to construct, expand or improve public facilities, including the cost of land, and including legal, engineering and design costs to construct, expand or improve public facilities, except that not more than 10% of capital costs may consist of legal, engineering and design costs unless such costs which relate directly to the public improvement for which the impact fees were imposed actually exceed 10% of capital costs. *Capital costs* does not include other noncapital costs to construct, expand or improve public facilities or the costs of equipment to construct, expand or improve public facilities.

B. *Developer.* A person that constructs or creates a land development.

C. *Impact fees* means cash contributions, contributions of land or interest in land or any other items of value that are imposed on a developer under this chapter.

D. *Land development.* The construction or modification of improvements to real property that creates additional residential dwelling units within the village or its service areas or that results in nonresidential uses that create a need for new, expanded or improved public facilities within the village or its service areas.

E. *Public facilities.* Highways, as defined in section 340.01 (22), Wisconsin Statutes, and other transportation facilities, traffic control devices, facilities for collecting and treating sewage, facilities for collecting and treating storm and surface waters, facilities for pumping, storing and distributing water, parks, playgrounds and other recreation facilities, solid waste and recycling facilities, fire protection facilities, law enforcement facilities, emergency medical facilities and libraries. Public facilities, does not include facilities owned by a school district.

F. *Residential Equivalent Connection (REC).* A unit of measure for sewer or water related impact fees equivalent to the amount of sewer or water capacity needed to supply one residential dwelling unit. For the purposes of the impact fees established under this Ordinance, a REC shall be defined as a sewer or water connection of either 5/8" or 3/4" in diameter.

G. *Service area.* A geographic area delineated by the Village Board within which the village provides public facilities.

H. *Service standard.* A certain quantity or quality of public facilities relative to a certain number of persons, parcels of land or other appropriate measure, as specified by the Village.

86-14-3 Public Facilities Needs Assessment

New public facilities, or improvements or expansions of existing public facilities that are required because of land development for which impact fees will be imposed are those which are identified in this chapter and in facilities needs assessment reports prepared prior to the adoption of this chapter and any amendments hereto. All facilities needs reports that form the basis of any impact fee imposed by the village shall be kept on file in the office of the village clerk at least

20 days prior to any public hearing to be held on the creation of this chapter and any amendments. A Class 1 notice is required prior to any required hearing. All facilities needs assessment reports shall remain on file in the office of the village clerk for the entire period during which impact fees arising out of a specific report and this chapter are collected prior to expenditure, and such report shall, after expenditure of all impact fees be, maintained as a public record for such time period as required by law.

86-14-4 Impact Fee Revenue Administration

A. Revenues from impact fees shall be placed in one or more segregated, interest bearing accounts and shall be accounted for separately from other village general and utility funds. Impact fee revenues and interest earned thereon may be expended only for capital costs for which the impact fees were imposed.

B. Impact fee revenues imposed and collected but not used within a specified reasonable period of time after collection to pay the capital costs for which they were imposed shall be refunded on a prorated proportional basis, as determined by the village board, to the current record owner or owners of the property with respect to which the impact fees were imposed. Reasonable time periods for expenditure of impact fee revenues shall be within twenty years after the recommended time for commencement of construction, expansion or improvement of a specific public facility identified in a facilities needs assessment report, or within five years after the projected loan obligations undertaken for a project should be satisfied.

86-14-5 Use of Impact Fees

Funds collected from impact fees shall be used solely for the purpose of paying the proportionate costs of providing public facilities that become

necessary due to land development. These costs may include the costs of debt service on bonds or similar debt instruments when the debt has been incurred for the purpose of proceeding with designated public facilities projects prior to the collection of all anticipated impact fees for that project.

86-14-6 Payment of Impact Fee

A. All required impact fees, are hereby imposed on all developments and land divisions within the Village of Kewaskum or any development subarea thereof.

B. For all unplatted lands, no final plat or certified survey map approval shall be given unless the impact fees set forth in 86-14-8 and 86-14-9 are imposed and calculated pursuant to this Ordinance. Fees may be payable at the time of final plat or certified survey map approval in full or in installments pursuant to a developer's agreement.

C. For all developments not subject to subsection (B), no plumbing or building permit shall be issued for a development unless the impact fees set forth in 86-14-8 and 86-14-9 are imposed and calculated pursuant to this Ordinance. Fee shall be payable at the time plumbing or building permits are issued.

86-14-7 Appeals

A. The developer or property owner upon whom an impact fee is imposed may contest the amount, collection, or use of an impact fee as specified herein. An appeal to contest the amount, collection or use of an impact fee may be commenced within thirty days of application for a building or plumbing permit, if applicable to the particular impact fee. An appeal to contest the use of an impact fee shall be commenced not later than thirty (30) days prior to the award of any public contract for expenditure of the collected fee revenues.

B. It shall be a condition to the commencement of such an appeal that the impact fee from which the developer or property owner appeals shall be paid as and when the fee becomes due and payable, and upon default in making any such payment, such appeal may be dismissed.

C. The appellant shall pay a filing fee of \$200 at the time of filing of the appeal.

D. An appeal is commenced by filing a complaint with the village clerk. The complaint shall specify the impact fee amount or collection objected to and the basis for the objection. The appeal shall be scheduled for a public hearing before the Planning Commission at its next regular meeting. The Plan Commission shall take additional evidence and testimony on the matter, including reports from village staff, and shall make its recommendation to the village board based upon the standards set forth in section 66.0617, Wisconsin Statutes. The village board shall consider the appeal, review the record made before the Planning Commission and the recommendation of the Commission and decide the appeal, based upon the standards for impact fees in Section 66.0617. If the Village Board determines that the appeal has merit, it shall determine appropriate remedies. These may include reallocation of the proceeds of the challenged impact fee to accomplish the purposes for which the fee was collected, refunding the impact fee in full or in part, along with interest collected by the village thereon, or granting the appellant the opportunity to make the impact fee payment in installments, or such other remedies as it deems appropriate in a particular case. The decision of the village board is final.

86-14-8 Sewer Impact Fees

The basis for the imposition of sewer impact fees is the facilities needs assessment report and its attachments, "Sewer Facilities Needs Assessment" which is on file in the office of the village clerk. The sewer impact fees to be paid prior to the issuance of applicable subdivision approval or building or plumbing permits (or other approvals) are as follows:

A. For unplatted land; for undeveloped, platted land, the fee per Residential REC will increase by three percent each year as shown in the following schedule:

Year	Fee	Year	Fee
2004	1,750	2014	2,352
2005	1,803	2015	2,422
2006	1,857	2016	2,495
2007	1,912	2017	2,570
2008	1,970	2018	2,647
2009	2,029	2019	2,726
2010	2,090	2020	2,808
2011	2,152	2021	2,892
2012	2,217	2022	2,979
2013	2,283	2023	3,069

B. Determination of REC's

1. The property owner shall be charged an impact fee based on the size of the connection to the sanitary sewer system.

2. The fee shall be calculated by multiplying the equivalent meter size ratio (as determined by the Wisconsin Public Service Commission, PSC) by the current year's REC fee to determine a fee for each meter size. The calculations for the 2006 nonresidential development are shown below:

Meter Size	Equivalent Meter Size	2006 Fee Per REC	Fee Per Meter Size
5/8" & 3/4"	1.00	X	\$1,857 = \$1,857.00
1"	2.50	X	\$1,857 = \$4,642.50
1 1/4"	3.75	X	\$1,857 = \$6,963.75
1 1/2"	5.00	X	\$1,857 = \$9,285.00
2"	8.00	X	\$1,857 = \$14,856.00
2 1/2"	12.50	X	\$1,857 = \$22,212.50
3"	15.00	X	\$1,857 = \$27,855.00
4"	25.00	X	\$1,857 = \$46,425.00
6"	50.00	X	\$1,857 = \$92,850.00
8"	80.00	X	\$1,857 = \$148,560.00
10"	120.00	X	\$1,857 = \$222,840.00
12"	160.00	X	\$1,857 = \$297,120.00

C. For redevelopment of previously developed land that results in a larger connection to the sanitary sewer system an impact fee will be imposed for the incremental increase in meter size.

86-14-9 Water Impact Fees

The basis for the imposition of water impact fees is the facilities needs assessment report and its attachments, "Water Facilities Needs Assessment" which is on file in the office of the village clerk. The water impact fees to be paid prior to the issuance of applicable subdivision approval or building or plumbing permits (or other approvals) are as follows:

B. For unplatted land; for undeveloped, platted land, the fee per Residential REC will increase by 3 three percent each year as shown in the following schedule:

Year	Fee	Year	Fee
2006	2,986.13	2016	4,013.11
2007	3,075.71	2017	4,133.50
2008	3,167.99	2018	4,257.51
2009	3,263.02	2019	4,385.23
2010	3,360.92	2020	4,516.79
2011	3,461.74	2021	4,652.29
2012	3,565.60	2022	4,791.86
2013	3,672.56	2023	4,935.62
2014	3,782.74	2024	5,083.69
2015	3,896.22	2025	5,236.20

C. Determination of REC's

1. The property owner shall be charged an impact fee based on the size of the connection to the water system.

2. The fee shall be calculated by multiplying the equivalent meter size ratio (as determined by the Wisconsin Public Service Commission, PSC) by the current year's REC fee to deter-

mine a fee for each meter size. The calculations for the 2006 nonresidential development are shown below:

Meter Size	Equivalent Meter Size	2006 Fee Per REC	Fee Per Meter Size
5/8" & 3/4"	1.00	X	\$2,986.13 = \$2,986.13
1"	2.50	X	\$2,986.13 = \$7,465.33
1 1/4"	3.75	X	\$2,986.13 = \$11,197.99
1 1/2"	5.00	X	\$2,986.13 = \$14,930.65
2"	8.00	X	\$2,986.13 = \$23,889.04
2 1/2"	12.50	X	\$2,986.13 = \$37,326.63
3"	15.00	X	\$2,986.13 = \$44,791.95
4"	25.00	X	\$2,986.13 = \$74,653.25
6"	50.00	X	\$2,986.13 = \$14,9306.50
8"	80.00	X	\$2,986.13 = \$23,8890.40
10"	120.00	X	\$2,986.13 = \$35,8335.60
12"	160.00	X	\$2,986.13 = \$47,7780.80

D. For redevelopment of previously developed land that results in a larger connection to the water system an impact fee will be imposed for the incremental increase in meter size.

86-14-10 Park Facilities Impact Fees

Nothing in this section shall limit the authority of the village to impose land dedication requirements contained elsewhere in the code on developers as part of plat and certified survey map approvals under ch. 236, Wisconsin Statutes and the ordinances of the village.

The basis for the imposition of park facilities impact fees is the facilities needs assessment report and its attachments, "Public Facilities Needs Assessment and Impact Fee Study", September 2004, which is on file in the office of the village clerk. The park facilities impact fees are to be paid in full prior to the issuance of applicable building permits, and are as follows:

Meter Size	Equivalent Meter Size	2006 Fee Per REC	Fee Per Meter Size
5/8" & 3/4"	1.00	X	\$1,857 = \$1,857.00
1"	2.50	X	\$1,857 = \$4,642.50
1 1/4"	3.75	X	\$1,857 = \$6,963.75
1 1/2"	5.00	X	\$1,857 = \$9,285.00
2"	8.00	X	\$1,857 = \$14,856.00
2 1/2"	12.50	X	\$1,857 = \$22,212.50
3"	15.00	X	\$1,857 = \$27,855.00
4"	25.00	X	\$1,857 = \$46,425.00
6"	50.00	X	\$1,857 = \$92,850.00
8"	80.00	X	\$1,857 = \$148,560.00
10"	120.00	X	\$1,857 = \$222,840.00
12"	160.00	X	\$1,857 = \$297,120.00

A. Residential Development - per Single-Family Unit

Impact Fee
Single-Family Unit \$1,025

B. Each dwelling unit in a multi-family structure shall be regarded as a single-family unit.

C. Any residential property with expansion, remodeling, rehabilitating, or rebuilding that results in the creation of additional dwelling units shall be subject to impact fees.

D. The park facilities impact fee must be reduced by any other fees or charges imposed for the purpose of improving or expanding park and recreation facilities, such as any park fee in-lieu of land dedication.

E. These impact fees shall be increased on January 1 of each year by 3.0% as shown in the schedule below:

Year	Fee	Year	Fee
2004	1,025	2014	1,378
2005	1,056	2015	1,419
2006	1,087	2016	1,461
2007	1,120	2017	1,505
2008	1,154	2018	1,550
2009	1,188	2019	1,597
2010	1,122	2020	1,645
2011	1,261	2021	1,694
2012	1,298	2022	1,745
2013	1,337	2023	1,797

F. These impact fees shall be collected until all capital costs associated with specified projects in the related "Facilities Needs Assessment and Impact Fee Study", have been incurred and satisfied, unless such time period exceeds twenty years beyond the projected commencement of projects or five years beyond projected satisfaction of indebtedness for the specified projects for which these park facili-

ties impact fees are imposed.

86-14-11 Severability

If any section, phrase, sentence, or portion of this ordinance is for any reason held invalid or unconstitutional by any court of competent jurisdiction, such portions shall be deemed separate, distinct, and independent provisions, and such holding shall not affect the validity of the remaining portions thereof.

Section 2. All ordinances or parts of ordinances inconsistent with or contravening the provisions of this ordinance are hereby repealed. (Adjust as appropriate Sec. 86-98 (d) (1 thru 5) and Sec. 94-184 (b) (1 thru 5).

Section 3. This ordinance shall be in full force and effect following passage, posting and on July 1, 2006.

Adopted this 17th day of April 2006.

KHS Student is Ready for Some Football

Freshman Nicholas Gutbrod has been chosen to represent Kewaskum High School on a select team of high school soccer players to participate in two soccer tournaments in Europe this summer. His team will play in Denmark's Dana 1 Cup from July 10-15, in Frederikshavn, Denmark. After that the team will travel to Gotheburg, Sweden to play in the Gothia Cup from July 17-22. (The Gothia Cup is the world's largest youth soccer tournament with over 1400 teams representing every soccer-playing nation in the world.) Opening ceremonies are similar to the Olympics and involve over 35,000 fans and players.

Being able to play soccer in Europe is the goal of all American soccer players, and Nicholas is hoping to improve his game, and bring back to Kewaskum experiences and skills to help the Kewaskum High soccer team.

Nicholas and the group he is traveling with, NASA-Select, are looking to raise funds to cover the high costs of the trip. Fund raising is being led by The Kiel Soccer Association, and will include two major fund-raisers. The first fund-raiser is

a raffle of lot #8 in the Pigeon River Meadows subdivision in the village of Howard's Grove in Sheboygan County. Only 500 tickets are being sold for \$100 each for a chance to win this lot valued at \$40,000.

The second fund-raiser is a golf outing at the Badger Creek Golf Course in New Holstein on June 7th. Teams of four will pay \$80 per person. Prizes will be awarded at various holes, and a new car will be won for a hole-in-one. After golf will be dinner and a silent auction.

If you are interested in participating in either of these fund-raisers, please contact Nicholas at 262-692-2038. If not, but you would still like to sponsor Nicholas on this trip, you can send a donation to him in care of Kewaskum High School. If you would like a receipt for tax purposes you can send a check to:

Kiel Soccer Association
PO Box 253
Kiel, WI 53042

Be sure to put his name in the memo line so he gets credit for your donation.

HT girls end successful season **Jahnke leads Indians to tie for ninth**

The Holy Trinity fifth and sixth Grade Girls Basketball team enjoyed a very successful season this year. The Wildcats won first place in the Kettle Moraine Catholic School League with a 9 and 1 record. The team focused on teamwork, defense and game control. During their 10 league games, they allowed only 17 points in the first quarter, while scoring 76. For the entire season, they outscored their opponents by a total of 230 to 125. The girls also took third place in the West Bend tournament held at St. Mary's in Barton. The team included, front row, left to right, Caitlyn Rinzel, Kate Evans. Row two: Kordan Donnelly, Cori Hoss. Kelsey Phillips, Sara Boettcher, Katie Melzer and back row: Coach Dave Boettcher, Brianna Mestas, Anna Aycock, Anna Bernhagen, Lydia Schneider and Coach Tony Fleischman. Submitted photo

In the past the Washington County Golf Tournament was restricted to high school teams located within the county boundaries, but the 18 hole event was expanded this year, drawing a couple of the state powerhouses.

Considering Catholic Memorial, Homestead and Milwaukee Marquette were in the field, and considering the field was expanded to 26 teams rather than the usual seven, Kewaskum did very well to finish in a ninth-place tie with West Allis Hale.

Kewaskum and Hale came in with 4-men totals of 334 strokes while Catholic Memorial slipped by Homestead 316 to 318 for the title. Marquette finished at 321, while neighboring West Bend West placed fifth, scoring a 328.

"Kewaskum was one of five Division 2 schools involved in the tournament field, with Catholic Memorial the only school in their division to beat us," KHS coach Glenn Eichstedt said about his team and its good effort.

Equally as impressive as the team's finish was the fact Indian senior, Jason, Jahnke placed in a tie for fifth in the field with his 4-over-par 76 (39-37). Jahnke's total was the best posted by any of the players in the county, and perhaps it shows he will be able to play under pressure this year,

something that plagued him in a couple events last year.

Freshman Ethan Geidel was next low for the Indians with nines of 39 and 41 for an 80

"Jahnke and Geidel posted the lowest scores at Horicon, and recorded the low tallies in the county (among just the county's seven teams)," Eichstedt said, pleased with the way they have started the season.

Tom Young of Brookfield East claimed the medal, firing a round of 1-over 73.

Kewaskum's other counters were Chad Piwoni and Eric Cain, who came in with scores of 85 and 93. Both are seniors.

If just the seven county schools would have counted in the meet, the Indians would have been second only to West.

West had good balance, with all four counters finishing with scores between 80 and 85. Sophomore Paul Hoenecke, who lives in Kewaskum, fired nines of 41 and 41 for a solid 82. Last year Hoenecke went to Kettle Moraine Lutheran, and he transferred to West for the 2005-06 school year.

Kewaskum started the Eastern Wisconsin Conference season Monday at Manitowoc Roncalli. Tonight the Indians host the second EWC mini-meet at Hon-E-Kor Country Club. The Indians placed second, behind Plymouth, in the final standings in 2005.

Club Kruises up north

On Feb. 10-12, the Kohlsville Kruisers Snowmobile Club gathered in Forest county for their first ever club vacation! The idea of a group trip was discussed for years, and finally came to be realized by 35 club members.

The group converged Friday in Carter (about 150 miles due north of Kohlsville) at the Indian Springs Lodge and Casino. The 100 miles on Friday was followed by a fish fry, dip in the pool and hot tub and some gaming. Saturday, the group paid a visit to fellow club members Ed and

Anne Klumpan's cabin on Post Lake and enjoyed their hospitality, eating them out of cheese, crackers, cookies, house, home and beer. Some of the group even took the challenge of skipping the water at Schuh's Resort's Polar Bear Jump-in on Pickerel Lake.

Saturday evening everyone enjoyed a fine group meal at the Wild Rose Supper Club on Roberts Lake, and then again patronized the casino.

Sunday morning after the group photo, there was one more ride enjoyed on

the beautiful trails in the area that are maintained by the Lumberjack Memorial Trails (LMT), 100 Mile Snow Safari, and Tombstone-Pickerel clubs. The weather was great and a wonderful time was had by all who participated.

The Kohlsville Kruisers Snowmobile Club maintains 20+ miles of trails in Northern Washington County and meets the first Tuesday of the month at 8 p.m., September-April at the Kohlsville Fire Department. New members are always welcome!

Second places keep piling up for track team

BY JUDY HARLOW

Sheboygan Falls hosted a quadrangular track meet last Tuesday, and both the girls and boys from Kewaskum High finished in second place.

The Indian boys scored 82 points, only seven behind the first place host Falcon team, while the KHS girls came up 11.5 points short of winning, scoring 75 to 86.5 for Sheboygan Falls.

Ericka Brock came in with the top effort for the Lady Indians, tossing the shot put 35 feet, 3 inches (35-3).

Other first places included: 4x200 relay (Jessie Forbes, Alissa Clapper, Nichole Kison and Kelly Uelmen), 1;56.4; Brock, 88-4 in the discus; 4x100 relay (Forbes, Clapper, Jenny Wicklund, Uelmen), 55.6; Liz Potter, 300 hurdles, 54.8; and Crystal Treptow,

pole vault, 8-6.

On the boys' side of the ledger, Garrett Donath won four events, including the 100-meter dash (11.4); the pole vault (12-0); the 200 (23.2); and the 400 (50.9).

Ross Stockhausen finished first in the shot with a effort of 45-7, while Bob Gibson was the best 1,600 runner with his 4:47.6 clocking; and Logan Staeger continues to do well in the discus as evidenced by his 146-7, which was good enough for first place.

Gibson ran the 800 in this meet and hit the tape with a solid time of 2:09.

KHS boys, girls both finish as runners-up in Indian Invite

Seconds all the way around

BY JUDY HARLOW
Statesman Correspondent
jharlow@kewaskumstatesman.com

What would Kewaskum High track coach Jerry Gosa do without Garrett Donath?

For now, Gosa doesn't want to think about losing the talented senior Donath. He just wants to enjoy seeing him pile up points for the 2006 team, like he did Friday afternoon in the six-team Indian Invitational.

Donath won three events and added one second place, helping Kewaskum to a second place behind fellow Eastern Wisconsin Conference member, New Holstein. The Huskies wound up with 139 points, 22 ahead of the Indians, who had 117. New Berlin West finished third at 89, just ahead of neighboring West Bend East, 86.5. Random Lake finished fifth with 74 points, and Kiel was last with 48.5.

Concerning Donath's day, which included a first in the 100 meters in 11 and .54 seconds (11.54), first in the 400 (52.1) and a win in the pole vault where he cleared 12 feet, 6 inches (12-6), Gosa said the most exciting event was the 400 where he nipped teammate Zach VanWormer by just .1 of a second.

"Both times were personal bests for the athletes," Gosa said. "Definitely a great race ... very impressive."

The 185-pound Donath had his bid at four wins turned back by New Holstein's Jordan Schneider, who won the 200 with a 23.1 clocking, just .14 ahead of him.

Kewaskum had three other first places in the meet, and they all came in the field events. The best effort of the three came from senior Ross Stockhausen who tossed the shot 51-2.75, his personal best. "His previous best was 48-3, so this was almost three feet better," Gosa beamed, indicating the last 50-foot shot putter was Troy Koeferl, and he didn't go much past that mark.

Junior Logan Staeger was near his best with a winning toss of 145-3 in the discus, and Luke Herriges cleared 6-2 to give the Indians first place points in the high jump.

Gosa said he was very pleased with the way Bob Gibson performed in the 1,600.

Knocking five seconds off his best time of the year, he was clocked in 4:42.51, good enough for second place.

Stephan Kattar placed fifth in the 1,600, running a 4:52.55.

Also, the 4x400 relay team ran a season-best 3:34.69 for second place. "Zach VanWormer received the baton 20-30 meters behind New Holstein and almost caught up at the finish line," Gosa said. "His anchoring 400 split was 51.0 ... a great effort."

Others on the relay were Dan Dymond, Matt Donath and Jake Sabel.

In the girls' competition, Kewaskum continues to get good performances by freshman Nichole Kison, who led the Lady Indians to second place overall.

Kiel took home the championship trophy after piling up 117.5 points. Kewaskum was a distant second with 79, followed by New Holstein, 63.5; New Berlin West, 61; and Random Lake, 51. Only five teams competed in the girls meet.

Kison continued to shine in the long jump where he had a best effort of 15-7 for first place, and she helped the 4x200 relay to a first place in 1:53.95, the best of the year. Others on the winning relay quartet included Jessie Liniewski, Jenny Wicklund and Kelly Uelmen.

Kison also placed third in the 400 with a time of 1:05.56.

Liniewski, Wicklund, Uelmen and Jessie Forbes carried the baton to victory in the 4x100 relay. Their winning time here was a season-best 54.09. Uelmen came from 10 meters back to win the event, according to Gosa, who said it was "an incredible leg."

Erika Brock, the only senior out for the sport this spring, dominated the shot put, her specialty. Her best toss of the day reached 34-1.5. "And Catherine Stoffel found her form from last year and placed second in the discus with a season-best of 91-5," Gosa said.

Liniewski high jumped for the first time this year and cleared 4-10, good for second-place points.

Gosa was pleased to see how well Liz Potter did in both hurdle events after she injured her knee hurdling last spring. She placed fourth in the 100 hurdles (19.02) and third in the 300 hurdles (54.23).

The Lady Indians are very young but continue to provide encouragement for the future.

"The New Holstein boys and Kiel girls definitely have very good track teams," Gosa said.

The Indians were at Slinger Tuesday for the annual Washington County Outdoor Meet, and on Friday they will be involved in the Altheimer Invitational at Pewaukee, an event they have won several times.

Donath is honored at UW's spring game

Garrett Donath, a three-sport standout at Kewaskum High School, was one of 11 students honored by the Wisconsin Football coaches this past weekend. Donath and the others selected to be on the Scholar-Athlete team were introduced during the half of the Wisconsin spring football game. Prior to Saturday's game, Donath was recognized at an informal luncheon attended by the honorees and their guests. Above, Donath is shown changing directions on one of his runs in the Indians' playoff game against Wisconsin Lutheran. Donath was the Offensive Player of the Year in the Eastern Wisconsin Conference last fall. He is also a very versatile performer on the track team and in the summer plays on the KHS baseball team.

Overtime win over Living Word is highlight of soccer team's week

BY JUDY HARLOW
Statesman Correspondent
jharlow@kewaskumstatesman.com

The Kewaskum High girls soccer program suffered through some difficult games last week, but it ended on a high note with one win in the annual Washington County Tournament which was played on the Kettle Moraine Lutheran High fields on Saturday.

"We won one and lost two," coach John Berst said Sunday, reporting the Indians, minus several varsity regulars, got clobbered by more experienced West Bend East and Slinger by respective scores of 7-0 and 8-0 before coming back with a 3-2 victory over Living Word for seventh place.

"It was tied 2-2, and it went to PKs (penalty kicks)," Berst said, indicating it was a good experience for his girls to be involved in a game that came down to penalty kicks.

Karissa Dums and Danielle Yanke scored the goals for the Indians, according to Berst, who said both came in the first half. Yanke assisted on Dums' goal "on a real nice cross."

Annie Lieven, Allison Kowalczyk and Lindsay Krautkramer also scored after regulation play was over, when it was just one vs. the goalie of each team to determine the

winner.

"Katie Gaynor was last (of the five to shoot), but they missed two (shots) so she didn't have to. (go)" Berst said, reporting freshman Tayna Hesprih, who came in as goalie with about seven minutes to go in regulation, played great to give the Indians the win.

"She stopped the first PK. She did a real nice job diving to the right" and getting a hand on the ball, according to Berst, who said Hesprih's sister, Nicole, also played well in the tournament. "She did an awesome job in midfield, hustling to win the ball" and start the offense moving.

"For missing a bunch of kids, we did OK," Berst said. "It gave a bunch of (JV) kids a chance to step up."

Katherine Hunter took over in goal for most of the tournament and did a nice job, according to the first-year head coach, who said she had to come out of the game against Living Word because of an asthma problem.

As far as the second Eastern Wisconsin Conference game the Indians played on Tuesday, Berst said, "We played pretty well against Campbellsport."

The final score was 1-0 in the Cougars' favor, and Berst said Campbellsport scored

the lone goal of the game seven minutes into the game "on a short corner."

"I think we ended up with 10-15 shots on goal," Berst went on, indicating the Indians performed much better in this game than they did in the scrimmage against the Cougars at the start of the season.

As far as individuals that stood out, Berst cited Katie Gaynor for her defensive play. "Katie played pretty good in the second half," he said, adding "Kat (Katherine) Hunter did well."

The Indians struggled against Kiel on Thursday, losing 13-0. In the first half, the host Raiders had nine goals. While the score indicated the Indians had no chances to move the ball, Berst said, "That really wasn't the case. We were able to move the ball into their end 30-40 percent of the time. It wasn't like we were standing in the box and having to defend all the time."

The coach went on, marking key players was a problem. "This game was part of the learning process ... learning to mark up," Berst said.

With all these games included, Kewaskum is 1-3 in the EWC and 2-7 overall.

The Indians are at Sheboygan Falls today (Thursday) at 4:30 p.m.

Donath runs sizzling 56.8 on Titans' new track

BY JUDY HARLOW
Statesman Correspondent
jharlow@kewaskumstatesman.com

If people wondered what Amanda Donath would do for an encore during the outdoor season at UW-Oshkosh, they need not be concerned any more.

Donath, a standout in track during her four years at Kewaskum High School, won NCAA 3 All-American honors for the indoor season. Now she is a star outdoors as well, and what is impressive about this accomplishment is Donath is a freshman at UW-Oshkosh.

In a recent invitational held on the brand new Oshkosh Sports Complex track, Donath was instrumental in helping the Lady Titans pile up 302 points and finish 197 points ahead of the team from the University of Wisconsin.

A total of 12 teams helped "baptize" the new outdoor facility, and Donath was outstanding, winning the open 400 and helping two of the Titan Relays to wins.

Donath's time in the 400

was a sizzling 56 and .78 seconds (56.78), easily her all-time best.

At that point, the time was among the top five in the Country in NCAA 3.

As far as the relays were concerned, Donath and her teammates covered the four laps of the 4x400-meter relay in a time of 4:01.38. (In a meet held a week earlier in Naperville, Ill., the same relay was timed in 3:75.50, which is a provisional qualifier for the NCAA 3 Outdoor Championships later this spring.)

Donath led off the victorious foursome, and in the 4x100, she and three other Lady Titans combined for a time of 49.05.

Donath is expected to run in the prestigious Drake Relays this weekend in Iowa.

KHS netters swept by EWC powers

BY JUDY HARLOW
Statesman Correspondent
jharlow@kewaskumstatesman.com

Manitowoc Roncalli and Kohler are certainly living up to their preseason billings in so far as the Eastern Wisconsin Conference tennis competition for the 2006 season is concerned.

The Jets and Blue Bombers were too powerful for Kewaskum last week. Both notched 7-0 victories over the Indians, who had to replace their entire doubles lineup this spring and unfortunately have run into two of the top three teams in the EWC in their early matches.

"We should not have lost 7-0. We had too many unforced errors, serving issues and inexperience," KHS coach Dan Ross said about last Thursday's loss to Roncalli. "The individual set scores were close but we were unable to win points or games when we needed ... missed opportunities."

The Parkers, Dan and Jeremy, were the only Indians who extended matches to third sets, and the junior Jeremy was barely beaten in the third set, 5-7, to Ben Wacholz at No. 4 singles.

Dan, the sophomore, bat-

ted hard to win his second set 7-5 but then collapsed in the third set, falling 1-6 to Caleb Kitzerow.

Ross went on that currently his Indians "are getting outplayed. That's been a strong point for us in the past, and it's tough to win with this many service breaks."

As far as the bright side of the effort," Ross said the Indians' net game was good. "Drop shots utilized much more than against Kohler. We played smarter but can improve here."

Roncalli 7, Kewaskum 0
Singles: Mitch Paulus lost to John Salutz, 2-6, 1-6; Jacob Cochran lost to Matt Rodewald 1-6, 4-6; Dan Parker lost to Kitzerow 7-5, 5-7, 1-6; Jeremy Parker lost to Wacholz 6-7 (3-7), 6-4, 5-7.

Doubles: Travis Bryant/Kyle Stoffel lost to Andrew Waak/Marc Schrimpf 1-6, 0-6; Alex Rauch/Jeff Bannenberg lost to Jon Daun/Jacob Baus 3-6, 2-6; Max Paulus/Justin Graham lost to Jeremy Green/Evan Doescher 5-7, 1-6.

In the 7-0 home loss to Kohler, "No. 3 singles (Dan Parker) was closest," Ross said. "He had him (Tim Fehling) at 3-3 in each set before losing 3-6, 3-6.

At No. 1 singles, Mitch

Paulus lost to John Reimertsen 2-6, 2-6, despite hitting the ball very well against a very good player, according to Ross, who said also, "Mitch's serve was outstanding."

"Kohler is probably favored to win the conference. They just missed first place last year and only lost two players," the coach said, noting his team is "still looking to find a comfort level on the doubles side."

Kewaskum, which finished third in the EWC a year ago, is currently 0-3 in the EWC and 0-4 overall. The Indians host Kewaunee this afternoon.

"Kewaunee should be a good barometer of where we're at in the conference," Ross said.

KOHLER 7, KEWASKUM 0
Singles: Paulus lost to Reimertsen 2-6, 2-6; Cochran lost to Charlie Reimertsen 0-6, 2-6; Dan Parker lost to Fehling 3-6, 3-6; Jeremy Parker lost to Colin Johnson 2-6, 0-6.

Doubles: Bryant/Stoffel lost to Mike Garland/Dan Knabel 0-6, 2-6; Rauch/Bannenberg lost to Mike Knabel/Kyle Wutrich 0-6, 0-6; Kyle Rieden/Max Paulus lost to Andy Cope/Tyler Gilbreuth 3-6, 2-6.

Kohlsville FD wins Donkey B-ball again

On Tuesday, April 11th four local Volunteer Fire Departments: Kewaskum, Kohlsville, Fillmore and Boltonville displayed their donkey riding abilities at the Kewaskum High School. All proceeds from the Donkey Basketball tournament went to the Kewaskum FFA Alumni Scholarship Fund. For the second year in a row, the fire department from Kohlsville won the tournament.

The fire departments from Kewaskum and Kohlsville were in the championship game during the Donkey basketball tournament on Tuesday, April 11th at the Kewaskum High School. Action got a little rough at times and some riders had no problem assisting other riders with their fall off of their donkey.

Freshman Geidel paces Indians in impressive outings

BY JUDY HARLOW
Statesman Correspondent
jharlow@kewaskumstatesman.com

It may be difficult for anyone to move Ethan Geidel out of the No. 1 position on the Kewaskum High golf team.

With senior Jason Jahnke missing from the first two Eastern Wisconsin Conference mini-meets, the freshman Geidel moved up to the top spot and promptly fired rounds of 36 and 35 to lead the Indians to a first place and a second in competitions held at the Meadow Links Golf Course in Manitowoc and Hon-E-Kor in Kewaskum.

At Meadow Links, Kewaskum came out on top, posting a 157 total (based on the lowest four out of five scores), nipping defending champion and perennial power Plymouth by a single shot. Roncalli, which, like Kewaskum, returns the major portion of its team, placed third with a 159.

Geidel, possibly playing for the first time ever at the short Manitowoc layout, was in midseason form with his 1-over-par 36. He mastered the back nine there.

The Indians had another player break 40. Senior Eric Cain, who played on the JV team most of last season, turned in a solid 39, while Chad Piwoni was very consistent with his 40, and Casey Scheel rounded out the total with a 42.

Plymouth also had a pair of players, Tom Schwister and Cory Ryan, break 40 with their respective 37 and 39, but the Panthers had to settle for the second spot.

Campbellsport's Austin Luckow finished second in the individual scoring. He carded a 36.

"We are eagerly anticipating another opportunity to back up our preseason pick with a good performance," KHS coach Glenn Eichstedt said, quipping, "We're off to a great start, but it's all about the finish."

EWC Meet at Manitowoc, Team scores: Kewaskum 157, Plymouth 158, Roncalli 159, Campbellsport 167, New Holstein 168, Sheboygan Falls 168, Two Rivers 172 and Kiel 178.

Kewaskum scores: Geidel 36, Cain 39, Piwoni 40, Scheel 42.

Campbellsport scores: Luckow 36, Austin Sarauer 43, Taylor Haza 43, Travis Zehren 45, Craig Hatch 45.

Would the home course advantage help the Indians to finish ahead of powerful Plymouth for the second EWC meet in a row?

Kewaskum came in with a good score of 159 on the White Nine, but this time, it was the Panthers capturing medal honors and team honors behind a sizzling 149.

Led by Tom Schwister's 2-under-par 33, the Panthers were way out front, and Eich-

stedt said the 149 might possibly be the all-time team low total at Hon-E-Kor (although No. 13 is being played shorter at the present time because of the muddy conditions on the fairway).

Schwister had only threes and fours on his card, which included birdies on Nos. 12 and 15 and pars on all the rest of the holes.

Plymouth used a pair of 38s and a 40 toward its impressive 149 figure.

Once more the Indians were led by Ethan Geidel, who had an eagle 2 on the 12th hole and bogeys only on Nos. 11 and 16.

Chad Piwoni was on pace for a round in the 30s until he bogeyed the tough 18th hole, and he wound up with a 40. Eric Cain birdied the final hole to end his round on a high note. He finished with a 41, and Casey Scheel rounded out the scoring with a 43.

After Thursday's competition, the Indians and Panthers are deadlocked in first place, while Roncalli is in third place.

"With five more conference mini-tour events and an 18-hole championship tournament at The Bull, this season should prove to be very interesting," Eichstedt said.

"We eagerly anticipate future opportunities to improve upon our first week's total."

All the teams played at Auburn Bluffs in Campbellsport on Tuesday.

EWC Meet at Hon-E-Kor, Team scores: Plymouth 149, Kewaskum 159, Roncalli 169, New Holstein 172, Campbellsport 175, Kiel 180, Sheboygan Falls 182, Two Rivers 188.

Kewaskum's scores: Geidel 35, Piwoni 40, Cain 41, Scheel 43.

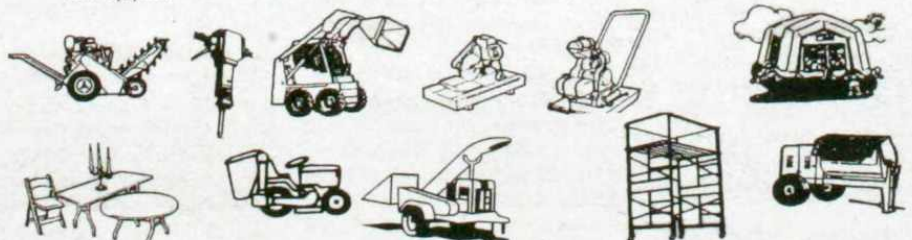

Campbellsport's scores: Luckow 39, Hatch 42, Sarauer 47, Zehren 47.
