Nearly all projects complete for first year

Quarterly referendum report presented to Board of Education

By Andrew Kuehl
Statesman Managing Editor
akuehl@kewaskumstatesman

KEWASKUM- The Kewaskum Board of Education received their quarterly referendum purchase update. According to the update everything scheduled for year one of the project has been completed or is in the process of being completed.

As of March 31, the Technology Department has spent \$137,739 out of the allotted \$262,000.

Currently being worked on is the installation of a Video/Multimedia station for the KMS art department. The station is primarily used by the Video Club and a variety of computer courses taken by students.

Software licensing and staff instruction continues and will continue into the summer. Starting in June, the district's computer server will be replaced.

Completed projects for the year are as follows: new computer desks have been installed at KMS; a color laser writer has been installed at KMS; each district school building received one color printer for each building's computer lab; scanners were also purchased for computer labs at KMS and KHS; use of TI-84 calculators have been implemented in the KHS math department and the KHS Graphics

Arts class has received eight digital cameras.

Textbook purchases that have been completed at KHS for the year include business law, biology, AP biology, physical science, AP physics, astronomy/meteorology, electronics and all agriculture textbooks. Science books for all elementary schools have been purchased.

For the 2006-2007 school year the district will tackle replacing all the computers at FES, replace the computers in one of the computer labs at KHS and improve the security of the district's computer network from hackers.

A main focus will be the implementation of the Skyward Software program. According to the manufac-

turer, the software is used in a variety of ways by over 300 Wisconsin School Districts.

Kewaskum will use Skyward as their student and financial information system. "We are not using all of the applications listed on their website, but we do use quite a few of them," stated Jenny Rae, District Technology Analyst.

Family Access is a module within the Skyward program that allows parents to access their child's school information over the internet. The software won't be installed until August. Rae explains, "When we are ready to roll it out, a letter will go home to parents, explaining what Family Access is, how they will be able to access the system, and what features will be

KHS team takes 5th at National Tournament

Chess team makes all the right moves

Kewaskum High School's Chess Team took fifth place in their division out of 50 teams who were in the national chess tournament in Milwaukee. Dan Schladweiler took 12th place out of 315 players. Rick Bartelt had five wins, Ryan Uttech had four wins and Walter Huf and Ryan McElhatton each had four wins. Team members shown above, front row, left to right: Nick Bartelt, Tyler McElhatton, Ashley Chilson and Walter Huf. Back row: William Moser, Ryan Uttech, Daniel Pulvermacher, Alissa Clapper, Dustin Brodzeller, Daniel Schladweiler and Kevin Schellinger. "Our team is growing in competitive strength each year. I commend the efforts of the coaches and team members for their determination to put Kewaskum on the map, stated KHS principal Christine Horbas.

Thrivent will hold clothing drive

KEWASKUM- Start cleaning those closets and drawers. THRIVENT Financial for Lutherans, Kewaskum Congregation Coordinators will again host the seventh annual recycling Clothing/Material Fundraiser.

The event will take place on Memorial Day Weekend, May 27th- May 31st. To donate clothes, organizers ask that all goods be placed in plastic bags.

A semi trailer will be available from Thursday, May 25th thru Monday May 29th along Railroad Street in the village. The back doors will be open for drop off anytime of the day or night.

For questions about this function, please call Diane Lemke at 262-626-4829. Funds raised from this event will be matched by THRIVENT and donated to the community for fire/ambulance equipment and Red Cross for local disasters.

THRIVENT in conjunction with Continental Textile of Wisconsin will supply a semi truck to collect clothing and material to be recycled.

Chamber meeting Wednesday

KEWASKUM- The next general membership meeting of the Kewaskum Area Chamber of Commerce is scheduled for Wednesday, May 17th in the American Legion Clubhouse at 7:00pm.

Glenn Welnak of Oconomowoc has been invited as the guest speaker. Welnak is a retired police officer and is currently employed with Modern Woodmen as a manager.

He will be presenting a community project Woodmen implemented due to a community concern with the trail system and garbage. They made trashcans and bags available along the trail to help dispose of litter and dog feces on the trail.

Members in good standing and business owners wishing to become involved in the Chamber are welcome to attend the event. Refreshments will be provided.

SPRING TIME IS BIKE TIME

The Kewaskum Police Department would like to take this time to remind everyone about bicycle safety and laws pertaining to them.

Wis. §346.03(9), Rules of the Road, states: "Subject to the special provisions applicable to bicycles, every person riding a bicycle upon a roadway is granted all the rights and is subject to all the duties which this chapter grants or applies to the operator of a vehicle..." In short, this means that all laws pertaining to motor vehicles apply to bicycles, including, but not limited to: Riding on the right side of the road, abiding by all traffic signs and signals, riding single file, etc. NOTE: In the event a child needs to ride on the sidewalk due to safety reasons, they should be aware that pedestrians have the right of way and ride only in single file.

Also, Village of Kewaskum ordinances require that all bicycles operated on the streets of Kewaskum to have a current license affixed to them. The cost of these licenses, which are non-expiring, is \$5.00. They can be obtained at the Municipal Building between the hours of 8:00 a.m. and 3:00 p.m.

A few safety tips to everyone operating a bicycle are: Keep your bike in good working order, wear a helmet, wear bright colored clothing to make it easier for motorists to spot you, put a safety flag on your bike, ride single file, be aware of the area you are riding in and be ready to take evasive action if an obstacle appears and make sure the bike is the right size for the person riding it.

If we all follow these rules and safety tips we should have a safe bicycle season.

Farmington, Wayne will receive funding for traffic signing, marking

By Andrew Kuehl
Statesman Managing Editor
akuehl@kewaskumstatesman

The towns of Farmington and Wayne were among nine communities in the state to receive state funding to enhance the visibility of traffic signs and roadway markings across the state to assist older drivers and pedestrians. Awards totaling nearly \$3.8 million are being administered through the Wisconsin Department of Transportation's (WisDOT's) Traffic Signing and Marking Enhancement Grants Program that Governor Doyle signed into law in 2003.

"These awards represent a direct investment in public safety, especially for our growing elderly population," Governor Doyle said. "And it's another way the state partners

with local governments to complete improvements that enhance our overall quality of life." The Governor's "Grow Wisconsin" plan calls for strategic investments in transportation to support economic growth and public safety.

Eligible projects include brighter pavement markings such as centerlines, edge lines, cross walks or lane use arrows, and increasing the brightness or size of roadway signage. Last fall, WisDOT sent letters to all county, city, village and town governments to solicit applications for the signing and marking program.

A project review committee considered an area's elderly population, the quality of the enhancement project and the level of cooperation between area municipalities in making project recommendations that were then submitted to the WisDOT Secretary for final approval.

The town of Farmington will receive \$37,125 to help pay for a \$49,500 project to place centerlines on all township roads and delineate no passing zones.

In the town of Wayne, the state will pay \$23,877 of a \$31,835 project to enhance and replace street name signage and various traffic signs.

Under the program, the state will reimburse municipalities for up to 75% of eligible project costs with municipalities providing a 25% local share to the limit of the award. Work on the projects will be completed over the next three years. State funds for this grant cycle total \$3,791,191 with total project costs amounting to \$5,054,919.

Village bikes must be licensed says chief

It's bike season and Kewaskum's Chief of Police, Dick Knoebel has a reminder for bike owners in the Village of Kewaskum. Get your bike licensed.

"All bicycles driven in the Village of Kewaskum are required to be licensed," Knoebel stated. He says unlicensed bikes can be confiscated if they are not licensed.

Knoebel went on to say "Bike licenses are not only a way for the Village to take in revenue. They are used to identify bikes that are stolen

and then recovered."

The police department has over 24 bikes at this time that have been found. "We have no idea who owns them. Some of these bikes are worth over \$200.00 and no one comes to claim them," Knoebel stated.

Bike licenses can be purchased at the Kewaskum Police Department between 8:00 a.m. and 3:00 p.m. Monday through Friday. The licenses are \$5.00 and are good for the life of the bicycle.

American Legion Poppy Days May 19-20

Memorial poppy of the American Legion Auxiliary is a visible expression of the gratitude of American and the Auxiliary to those who fought to keep "democracy in action." They fought to protect the principles upon which this country was founded. Each Unit supports the program in every way they can.

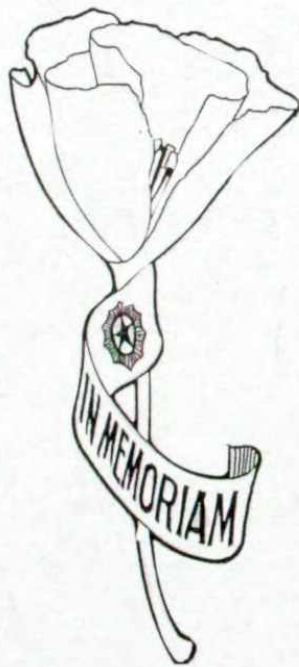

While Poppy Day is once a year, it is a year round program. They funds raised are

security in America. It is a reminder for the general public that American men and women have died for their country and deserve to be remembered. By remembering, we help those who served and suffered. All monies collected goes back to veterans and their families.

Can you do less than wear a poppy on Poppy Day this year?

The Poppy Days are Friday, May 19 and Saturday, May 20 in Kewaskum. Look for member of the Robert G. Romaine Post 384 and Auxiliary distributing poppies at various business places in Kewaskum on that weekend.

How does your garden grow?

Fertilizer facts for healthy soil, healthy plants and healthy food

FAMILY FEATURES EDITORIAL SYNDICATE

Growing healthy, fresh vegetables in your backyard is easier said than done, right? Wrong.

Growing a bountiful garden is easier than you think. In fact, nearly half of the nation's homeowners grow vegetables for their dinner tables and to share with family and friends. Growing fresh vegetables for your family is as healthy as it is rewarding because the nutrients in vegetables provide vitamins and minerals that are essential to your good health.

Before you plant, test your soil

Most farmers perform a soil test every few years to ensure their fields have the right balance of nutrients to produce healthy, high-yield crops. Home gardeners should also test their soil before planting to determine whether the soil has the proper nutrient balance to support a garden.

While home growers may not have proper testing equipment handy in the garden shed, a local cooperative extension service agent will be able to provide advice on taking a soil sample and conducting a soil test.

"The best time to obtain a soil test is six weeks before planting," says Dr. Robert Flynn, extension agronomist with New Mexico State University's Agricultural Science Center at Artesia. "That will help you determine what nutrients you need to add to your soil, to keep your garden healthy."

Nourish your soil

Just as humans need vitamins to supplement their diets, soil needs fertilizer to help plants grow nutrient-rich produce. Fertilizers enrich soil with naturally occurring elements. Based on your soil test results, you can choose the perfect fertilizer for your soil conditions.

Organic matter, such as animal manure, contains organic nutrients that plants need. However, organic materials alone seldom provide the proper balance of nutrients. Also, some organics have high levels of

carbon, which can temporarily tie up nitrogen in the soil, causing leaves to turn yellow.

"With organics, you don't always know the nutrient balance you're getting," says Flynn. "Commercial fertilizers are generally easier to use and allow for greater accuracy."

Commercial fertilizers are labeled with three numbers, which provide the proportion of nitrogen, phosphorus and potassium — the three essential elements for plant growth. For example, a bag of fertilizer labeled 8-8-8 contains 8 percent each of nitrogen, phosphorus and potassium.

When using organic fertilizers, high volumes of organic matter are required. For example, if an organic fertilizer has only 3 percent nitrogen and a commercial fertilizer has 21 percent nitrogen, you would need seven times the amount of organic fertilizer to meet the nutrient levels of commercial fertilizer.

"If you do decide to use organic material, keep in mind that it takes time to mineralize and become inorganic, a form plants can use, so timing of application is essential to ensure plants are provided with the proper nutrient balance when they need it most," says Flynn.

Plant therapy

Select a garden plot that receives full sunlight — a healthy garden needs at least six hours of sun each day. The garden should be large enough to accommodate spreading and growth.

Fertilizer should be applied to the garden bed one week before planting, by distributing the recommended amount of fertilizer evenly over the growing area.

Apply water-soluble fertilizer three to six weeks after planting, depending on what the fertilizer instructions recommend.

Fertilizer should be applied more frequently when the plant is growing rapidly. At this stage, plants are removing high levels of nutrients from the soil to sustain their growth. To keep plants healthy, monitor your nutrient levels and replace the nutrients removed from the soil as needed.

"Think of the soil as a nutrient reservoir," says Flynn. "Fill the reservoir as it empties until it is balanced. Perform a soil test each year, eventually your soil will reach a balanced state."

Beyond weeding and watering

Tips for long-term garden maintenance

Fertilizer trouble-shooting

It's not uncommon for soil to need a little pick-me-up later in the growing season as your vegetables remove nutrients from the soil to grow. Healthy, thriving plants will resist insects, outgrow weeds and produce nutrient-rich crops. If your plants aren't receiving the proper nutrients, you'll know it.

- A plant with yellow leaves may lack nitrogen.
- A low produce yield may be due to a nitrogen deficiency.
- A plant with stunted growth and late maturity may lack potassium and/or phosphorus.
- A plant with a scorched appearance on leaves may lack potassium.
- A plant with purplish-colored leaves may lack phosphorus.
- A plant with a bruised, rotted appearance may lack calcium.
- Fruit and vegetables that do not ripen on time may lack phosphorus.
- A plant prone to wilting, and which does not seem to absorb water efficiently, may lack potassium.

Long-term care

Want fresh veggies year after year? Keep these tips in mind for healthy produce each season:

- Perform a soil test annually until test levels reach medium high to high nutrient levels, to stock soil with the nutrients it needs.
- Rotate garden beds and plant positioning year after year. This will prevent disease build-up from affecting specific species.
- If you enjoy raising the same vegetables each year, grow a flowering plant, such as sweet peas, between crops. As growing the same plant will remove essential nutrients from the soil, rotate with a plant that requires different proportions of these nutrients.
- Plants requiring different nutrient levels can be placed together and they won't be competing for nutrients.

to the Chamber to further enhance the business environment in the area. The C.A.B. (Campbellsport Assisting Business) Program awarded the matching grant to Custom

Cabinetry after they approved their submitted application.

"The CAB program is truly a unique program that only Campbellsport is offering. It is creating a buzz of business opportunities that were otherwise untapped in Campbellsport," says Casey Twohig, of Twohig Furniture & Flooring, and CACC business development co-chairperson.

The CAB program is an on-going chamber program. Approved new business applicants can receive up to \$2,500. New façade approved applicants for the matching grant program can receive up to \$500. Applications and more information on the CACC and the CAB program can be found on-line at www.campbellsport.org.

Todd Flitter, assistant manager of Campbellsport Building Supply, stated that

he was excited about the expansion of Custom Cabinetry and proud to donate back to the community in this way. Flitter indicated that Custom Cabinetry's new addition will be completed very soon.

Campbellsport Building Supply serves contractors and homeowners in southeastern Wisconsin since 1985. For more information visit their website at www.furnishand-design.com. For home or cabinet design needs please schedule an appointment at 920-533-4412.

PORT WASHINGTON- Interviewing for a job is never easy, but the six finalists vying to be the 59th Alice in Dairyland face a selection process more challenging than most.

The selection process will be held on May 17-19 in Ozaukee County. Six women, all professionals with experience in marketing, public relations or communications, will undergo a 48-hour job interview in Ozaukee County. Finalists will participate in television and radio interviews, an impromptu question and answer session, and public appearances and deliver a persuasive speech to a crowd of hundreds - all with one mission in mind: to become Wisconsin's next agricultural ambassador.

The current Alice, Gena Cooper, knows the rigors of the one-year marketing position with the Agricultural Development Division. As the 58th Alice, she has given 184 speeches, 412 media interviews, been featured in more than 250 news stories and internet publications, and talked to more than 3,400 students at 70 schools. She has put more than 40,000 miles on her flex fuel vehicle traveling the state promoting Wisconsin agricultural products and attended more than a dozen events promoting E85, a blend of 85 percent ethanol and gasoline.

The finalists for the 59th Alice in Dairyland are: Brenda Cavanaugh, Reedsville, who will graduate in May from the University of Wisconsin-River Falls with a Bachelor of Science degree in Agricultural Marketing Communications and Dairy Science.

Laura Lohfink, Prairie Farm, is an on-air radio host for WGLR in Lancaster. She graduated from the University of Wisconsin-Platteville in 2005 with a degree in Communications Technologies.

Peggy Sue McNulty, Slinger, received her M.B.A. in 2005 from Marquette University and works as a Business Development Representative for a West Allis company. She is a 2003 graduate of the Uni-

versity of Wisconsin - Madison, with a degree in International Relations and Political Science.

Nichole (Franzen) Reese, Jefferson, will graduate in May from the University of Wisconsin-Madison with a bachelor's degree in Agricultural Education.

Katherine (Salverson) Varney, Waunakee, is a Customer Services Representative for Advertisers Press. She is a 2002 graduate of the University of Wisconsin-Madison with a degree in Agricultural Business Management.

Amy Wissner, Mukwonago, is a Technical Communications Specialist at Gempler's and is currently pursuing her M.B.A. degree from the University of Wisconsin-Whitewater. She is a 2002 graduate of the University of Wisconsin - Madison, where she received a Bachelor of Science degree in Animal Science.

The Alice in Dairyland finals will showcase the agriculture and agri-businesses of Ozaukee County. Finalists will meet with community and industry representatives as part of the interview process. Public events at the finals include:

Pig Roast and Public Forum: Thursday, May 18 at 6 p.m. Location: American Legion Hall, 601 W. Dekora Street, Saukville. Admission: \$7.50.

Dinner Banquet and Selection of the 59th Alice in Dairyland: Friday, May 19. Dinner Banquet: 5:30 p.m. Finale Program: 7 p.m. Location: Country Inn & Suites, 350 E. Seven Hills Rd., Port Washington. Admission: \$20 for Dinner Banquet and Finale; or \$7 for Finale only. Contact Cindy Roden at 262-675-6709 or 262-389-1037.

The public can also view the finals event live on the Web by visiting Wisconsin Ag Connection, www.wisconsinagconnection.com.

2006 year of soil for Wisconsin

MADISON- Governor Jim Doyle has declared 2006 as the "Year of Soil" in Wisconsin.

"The crown jewel of the Year of Soil is the completion of the soil survey for the entire state of Wisconsin," said Wisconsin State Conservationist Pat Leavenworth, USDA Natural Resources Conservation Service (NRCS).

"Soil is the foundation of all our land use decisions, from food production, to road building, to waste disposal," said Rod Nilsestuen, Secretary of the Dept. of Agriculture, Trade and Consumer Protection. His agency is a partner with the federal NRCS in the Year of Soil and the public celebration planned for May 16 at noon, at the State Capitol building in Madison.

USDA NRCS is the federal agency responsible for conducting the national soil survey. The process is an enormous undertaking, sending soil scientists out to sample and map every acre, determine soil type and characteristics. In 2000, the State of Wisconsin signed an agreement with NRCS to accelerate the work with state funds to bring more soil mappers on board. The Wisconsin agreement also called for digitizing all soil surveys so they would be easily available for use in Geographic Information Systems and through the internet. With the boost from state funds, NRCS was able to finish mapping the northwest 10 counties and digitize all remaining surveys years ahead of schedule.

The soil survey provides the foundation layer for geographic information systems used for land use planning and good land management. It describes the characteristics, limitations and best potential uses for the 550 different soil types found in Wisconsin. The Web Soil Survey provides secure public access to the national soils information system, with maps and information usable for individual farms or parcels of land. Web Soil Survey is available on-line at www.soils.usda.gov

This proclamation continues a series of yearly dedications to focus attention on natural resources - 2006 Year of Soil, 2005 Year of Land and Water Conservation, 2004 Year of Forestry, 2003 Year of Water.

For more information on the Year of Soil or web soil survey, visit www.wi.nrcs.usda.gov <<http://www.wi.nrcs.usda.gov>> or contact the USDA Natural Resources Conservation Service state office in Madison.

PEOPLE

Oppermann - Unger

In the Service

Kerl - Stangl

Air Force Airman Walter Woods has graduated from basic military training at Lackland Air Force Base, San Antonio, Texas.

During the six weeks of training, the airman studied the Air Force mission, organization, and military customs and courtesies; performed drill and ceremony marches, and received physical training, rifle marksmanship, field training exercises, and special training in human relations.

In addition, airmen who complete basic training earn credits toward an associate degree through the Community College of the Air Force.

Woods is the son of Judith Woods of Highway H, Fredonia, Wis., and brother of Lynn Woods of Marshal Court, West Bend.

Lisa M. Opperman of Campbellsport and Nicholas R. Unger of Kewaskum, are pleased to announce their engagement.

Parents of the couple are Mark and Gail Oppermann of Campbellsport and Arthur Unger of Hartford and Debra Unger of Milwaukee.

Lisa earned an associates degree in Applied Science and is currently employed as a Radiologic Technologist at Froedert Memorial Hospital.

Nicholas is a Personal Insurance Advisor at Woller Anger and Company.

The couple is planning a summer 2006 wedding.

Bob and Sheila Carmichael of Waunakee and Steve Kerl and Kathryn Hammes of Middleton, announce the engagement of their daughter, Jennifer, to Joshua Stangl, son of Bill and Diane Stangl of Kewaskum.

Jennifer is a 2002 graduate of Waunakee High School, and will graduate from UW-Eau Claire this May with a BA in Mass Communications

with an emphasis on Public Relations.

Joshua is a 2001 graduate of Kewaskum High School. He graduated from UW-Eau Claire in December, 2005, with a BS in Chemistry with a Business Emphasis. He is currently employed as a Quality Assurance Auditor with Covance Laboratories in Madison.

The couple is planning an October 7, 2006 wedding.

Stand Your Ground in concert

Stand Your Ground, a men's quartet representing Crown College, will be in concert at the Campbellsport Alliance Church, N1876 Hwy V, Campbellsport on Wednesday, May 17 at 7 p.m.

Established in 1993, Stand Your Ground counts it a privilege to combine their talents into an upbeat and uplifting concert ministry. Rather than resting in a single niche among the numerous Christian music genres, the group has rummaged freely through a stack of style books, grabbing whatever interests them. Sometimes the style is purely traditional or rich a cappella, but more often they are tossed into the quartet's musical blender so that an exceedingly tasty mixture emerges. The result may simply be vintage Stand Your Ground Music. The tight harmony sound, combined with their enthusi-

asm for Jesus Christ, personal testimonies, and a unique sense of humor make Stand Your Ground enjoyable for all ages.

Group members include: lead, Dominic Broda, from Princeton Minn.; tenor, Aaron Kreinke, from Waconia, Minn.; baritone, Mark Johnson, from Rockford, Minn.; bass, Jake Wattenphul, from Murrysville, Penn., and sound technician Ryan Dellos, from Colorado Springs, Colo.

Each man in the quartet has the same purpose: to serve Christ through his musical gifts. While they enjoy singing together, the real motivation of Stand Your Ground is to be identifiable and approachable - in a word, real. Regardless of their circumstances, they haven't forgotten from where they have come, and are still trusting God to take them where He wants them to

go.

Members of the group are students and graduates of Crown College, in St. Bonifacius, Minn., the Midwest regional college of The Christian and Missionary Alliance. Founded in 1916, the mission of the College is to provide a biblically-based education to prepare Christian leaders for The Christian & Missionary Alliance, the church-at-large, and the world.

Stand Your Ground travels throughout the United States. Over the past decade, the group has had the privilege of ministering throughout 25 different states, and the group is once again touring this summer. For more information about Stand Your Ground, visit their website at www.standyourground.net or contact the Ministry Team Manager at (952) 446-4147.

SynergyHealth to offer better sleep program

Eric Olafsson, MD, will provide information about sleep apnea during a special program to be held at 7:00 pm on Thursday, May 25 in the lobby conference room at St. Joseph's Hospital, located on Highway 45 at Pleasant Valley Road. The program "Still feeling tired?" will focus on sleep apnea, a common sleep disorder that causes breathing to stop during sleep for anywhere from ten seconds up to several minutes. These pauses in breathing can occur hundreds of times a night. Dr. Olafsson and sleep specialists from SynergyHealth Sleep Center will be available following the program to answer questions about the diagnosis and treatment of sleep apnea.

"The National Institutes

of Health estimates that sleep apnea affects more than 12 million Americans," stated Dr. Olafsson. "Untreated, sleep apnea can have serious consequences, including high blood pressure and cardiovascular disease." Dr. Olafsson is an Internal Medicine physician at the West Bend Clinic. He is board certified in pulmonary disease and sleep medicine, and serves as medical director for SynergyHealth's sleep center located at 1201 Oak Street, West Bend.

The May 25th program is free and open to everyone. Seating is limited. Registration is required on line at www.synergyhealth.org or by phone 262-334-8584.

SynergyHealth is a regional health system serving

the greater Washington County community. St. Joseph's Hospital, West Bend Clinic, and SynergyHealth Foundation are members of SynergyHealth.

Memorial service for fallen officers

The Law Enforcement agencies in Washington County will be holding a Memorial service in Honor of those who have died in the line of duty and dedicated to those who live and serve in our communities.

The Memorial service, which is open to the public, will be held at the Washington County Fairgrounds in an indoor ceremony, the service begins at 7:00 pm. There will be a display of squad cars and refreshments will be served immediately following the ceremony.

Any questions in regards to the service can be directed to the Kewaskum Police Department at 626-2323.

Next to Christmas, Decoration Day was the biggest event in Fillmore

"...Next to Christmas, Decoration Day was the biggest event in Fillmore. ...The band assembled in the shade of the box elder trees as the teachers steered the children to their proper place in line. Civil War veterans came first. Most of them were very old, but determined to march one more time. Next came the newly discharged World War I veterans. At the roll of the drums, we were off..." written by Melva Birkholz who was born in Fillmore, 1911.

"I recall (with pride) when my dad would ride Bell, his favorite farm horse that he would have decorated with red, white and blue ribbons in the Fillmore Memorial Day Parade. He would have her tail braided with ribbons too. As soon as the music started, Bell would go into a dancing

prance. Dad had on a high hat and held a cane. It was such an impressive day for all us kids as we marched from cemetery to cemetery, the girls with their wreaths and the boys carrying the flags to be placed on the veterans' grave." written by Carol Crass Schultz who was born in Fillmore, 1935.

Memorial Day observances remain strong in the memories of many people in Fillmore. Setting aside a day to honor the veterans buried in the cemetery of Fillmore continues on Monday, May 29, 2006. The ceremony will be held in Turner Hall at noon. There will be readings of traditional poems, the reading of a Civil War letter written by an area soldier, and a local color guard demonstration of honor. Bob Piaro, a Vietnam vet-

eran who heads "Veterans for Veterans," will be the featured speaker. The ceremony will end outside as the bell tolls to honor each buried veteran. Members of the audience will be invited to take a flower from a large wreath to lay on the graves of the veterans next to the hall.

Stay with us for the rest of the afternoon! The Turner Athletic Club will have brats, burgers and refreshments available to purchase. Enjoy a family kickball tournament on the ball diamond and share a memory or two.

Turner Hall is located in Fillmore on County Road H, 3.7 miles east of State Road 144. It is three buildings west of the intersection of Hwys H & M. Everyone is welcome! Call Ellen Kesting at 262-692-2659 for more information.

Children's spring concerts at UW-Washington County

The Washington County Children's Choir will present its spring concert on Tuesday, May 16 at 6:00pm in the UW-Washington County Theatre. The concert is open to the public and admission is free. The concert will include both group performances as well as solo performances by the choir members.

The performance will include a variety of music from classical to pop, including the Israeli national anthem sung in Hebrew, Look for the Silver Lining, Climbing up the

Mountain Children and Sakura.

The Washington County Children's Choir is a wonderful learning opportunity for musically talented girls and boys (with unchanged voices) ages 7-14 that enjoy singing. Music literacy and choral techniques are incorporated within the scope of the weekly lessons. New choir members can schedule auditions now for the fall semester.

The Washington County Youth Orchestra will present its inaugural spring concert on Tuesday, May 23 at 7pm in the UW-Washington County Theatre. The Orchestra is a group of talented young musicians from over 15 area middle and high schools.

This classical performance will include the first and third movements of Tchaikovsky's 6th Symphony

and Brahms Academic Festival Overture.

The orchestra is under the musical direction of Dr. Daniel Ackley, a member of the music department at UW-Washington County, where he has taught since 1994. Leanne Szafranski is the orchestra director and has been teaching flute and piccolo for 15 years. In addition Ms. Szafranski has been a member of the UCLA orchestra and the Los Angeles Flute Choir.

Admission for the Youth Orchestra Concert is \$3. Tickets may be obtained by contacting the Continuing Education Department at 262-335-5218 or via email at danhalt@uwc.edu

25 Years Ago

May 1, 1981

Doreen Klug and Ken Scott, both seniors at Kewaskum High School, are the recipients of the 1981 J.O. Reigle Scholarships. Doreen is the daughter of Mr. and Mrs. Floyd Klug of Kewaskum, and Ken is the son of Mr. and Mrs. Dennis Scott of Kewaskum. These scholarships carry a cash value of \$4,000 each.

Patti Sleger, daughter of Mr. and Mrs. Edward Sleger of Kewaskum, and Debbie Schlice, daughter of Mr. and Mrs. Richard Schlice of Kewaskum have been selected to receive \$500 scholarships from the Kewaskum Kiwanis Club.

Jill Etta, daughter of Mr. and Mrs. Ethan Etta of West Bend, and Vernon Jung, son of Mr. and Mrs. Vernon Jung Sr., of Random Lake, have been selected to receive \$250 scholarships from the Kewaskum Kiwanis Club.

Perry Kempf, son of Mr. and Mrs. Russell Kempf, Kewaskum, received the \$500 Valley Bank scholarship, and Julann Zemlicka, daughter of Mr. and Mrs. Howard Zemlicka, Kewaskum, has been named recipient of the \$300 Clifford M. Rose scholarship. Shelly Sekas and Tim Indermuehle, juniors at Kewaskum High School, received A ratings at the state forensics meet in Madison on April 24.

On a unanimous 7-0 vote Monday evening, the Kewaskum School Board voted against closing the Beechwood Elementary School. The Beechwood closing, though not actually recommended, was being considered as a possible way to cut a substantial sum (approximately \$40,000) from the district's 1981-82 budget.

The Class of 1982 announces their Junior Prom which will be held May 9 in the KHS old gymnasium with the theme, "Lights." Reigning over the evening will be King Pat Miller and Queen Marjean Backhaus. Court members include Brian Larsen escorting Joann Dreher, Bill Holmes escorting Pamela Stray, Jay Petermann escorting Amy Nigh, David Pfeiffer escorting Jenny Wenzel, Peter Wiedmeyer escorting Michelle Rodenkirch, Brian McCambridge escorting Renee Staebelfeldt, Mark Rafter escorting Debra Gruber, Tim Heberer escorting Karen Kudek, Matt Feyrer escorting Jackie Mueller, David Goeden escorting Jayne Laatsch, and Masters of Ceremonies Michael Paul and Pamela Beesten.

Last Thursday the Kewaskum girls' track team was supposed to have their second outdoor meet of the season against Campbellsport, but with the temperature only in the 40's, a strong wind and traces of rain, the coaches with a little per-

suading by the team, decided to have the meet on Kewaskum's indoor track. The Indian girls then took both ends of the meet by winning easily at the varsity level, 89 to 24, and at the JV level, 80 to 11. In the running events, Amy Nigh took the 45m hurdles in a time of 8.0 and Sandy Nigh took the 45m dash in a time of 6.7. Barb Jandre took the 400m dash in a time of 1:17. Erika Follmann took the 800m run in 2:45.5. The Indians also took first in both the 4 and 8 lap relays with members Cheryl Jaeger, Marea Kuphal, Michelle Tiemann, Jenny Lightner, Karen Volm and Mary Paul. In the discus the girls had to throw outside in the bad weather, but still got some good tosses. Brenda Fuller of KHS took the event and also had the winning toss in the shot put.

King Norman Hirsig and his queen, Sherry Dreher, will reign over the 1956 Kewaskum High School junior prom to be held May 11. The royal court, consisting entirely of juniors this year, is as follows: Dave Opgenorth and Barbara Walters, Bob Struebing and Joan Boegel, Bob Sparks and Sandra Ramthun, and Bill Boegel and Sue Weddig.

Kilian A. Honeck Jr. has taken over the management of the Kewaskum Theatre from the Kewaskum Theatre Association and will be assisted in the operation of same by Richard Edwards. Honeck has taken over the operation of the theatre in a final attempt to keep it in operation. It is not being operated to make a profit, but it must break even to keep running.

A tea at the home of Mrs. William Nielsen, West Bend, on May 3, honored this year's recipients of the Daughters of the American Revolution Good Citizenship Award. This year's winners included Judith Weddig of Kewaskum High School.

Happy Mother's Day

Burn Memories this Mother's Day or just because

(NAPSI)-With Mother's Day around the corner, many of us want to give the woman who bandaged our scrapes and kept away the monsters in our closet something special. In this age of digital photography, photo CD scrapbooks make perfect keepsakes for friends and family. In a few easy steps you can create a personalized gift that is more memorable than a sweater and will last longer than flowers. Here are a few simple and creative ideas:

1. Find photos they'll love. Be sure to ask family and friends for additional pictures.
2. Create a theme for your CD. Customize CDs with pictures commemorating your family-birthdays, graduation, favorite family vacation and special moments with beloved pets. Or, take your loved one down her own memory lane with pictures of child-

hood, school days, marriage and other precious memories in her life.

3. Scan in old photos as well as new ones and burn them to the disc.

4. Instead of simple images, give digital scrapbook pages. Use free templates at Web sites like www.hp.com/projects and easily create great-looking, personalized scrapbook pages.

5. Customize the scrapbook pages with letters, poems and recipes that evoke treasured memories. For example, include a recipe for Grandpa Frank's favorite BBQ sauce next to images of Fourth of July.

6. Label your digital keepsake with a unique and attractive silkscreen-quality label. With today's technology, CDs are not only easy and inexpensive to make, but can look terrific, too. Burn photos and text right onto the label using

LightScribe Direct Disc Labeling, a technology found in many CD/DVD burners and PCs today. The process is simple: Burn your CD, then flip it over, and burn a personalized label (be sure to use LightScribe-enabled media). Check your computer or CD/DVD burner for the LightScribe logo. If you do not have LightScribe, go to www.lightscribe.com for details on where you can find it.

7. Include a special note with the CD. You can insert a small card into the jewel case or LightScribe it right onto the CD.

8. Give the CD with everything he or she will need to print photos or scrapbook pages, including photo paper and ink cartridges.

A personalized CD or DVD can make a marvelous present this Mother's Day.

Complement Your Mother's Personality With The Perfect Scent

The luminous actress Gwyneth Paltrow is an example of a young mother who would appreciate a special scent.

(NAPSI)-Each spring, Americans strive to find the perfect Mother's Day gift to celebrate the person who nurtures them and makes life more beautiful. Showing your love and appreciation may come in the form of a family brunch or a relaxing spa treatment, but what personalized gift would she cherish all year long?

Here's a hint. "On our Web site, we asked Shop Etc. readers which type of beauty product, from fragrance to skin care to manicure and hair tools, she'd most like to

receive for Mother's Day, and perfume topped the list," says Amy Keller, Beauty Director, Shop Etc. "Plus, choosing a scent that you know will 'fit' your mom shows her how much you cherish her."

Fragrance preferences are intensely personal and selecting the best one can present a daunting task. According to Karyn Khoury, Senior Vice President for Corporate Fragrance Development Worldwide of the Estée Lauder Corporations, giving someone a fragrance she will truly love is not as difficult as it may

seem. "Taking into account your mother's personality, her style, her favorite foods and flowers, can give you a pretty accurate picture of what fragrance she'll want to wear over and over again," she said.

Which best describes your mother:

The Sophisticate: Her elegant sense of style has always been inspiring. If exotic food and excursions to European cities are high on her list of must-haves, consider presenting your mom with a sensual scent that signifies refined glamour. Youth Dew Amber Nude Eau de Parfum by Estée Lauder blends intoxicating flowers including gentian flowers and radiant magnolia, ylang ylang, jasmine, black rose, plus a special sensual skin accord with spicy accents of ginger and fresh tea. The lasting impression is deep and sexy yet never comes on too strong thanks to a combination of amber balms, vetiver, sandalwood, patchouli heart and dark chocolate.

Romantically Inclined: Everything she touches somehow seems more beautiful. A graceful enchanting floral should suit her personality. Beautiful by Estée Lauder is a lovely, intensely feminine bouquet of vibrant roses, lilies, tuberose, marigold, jas-

mine, ylang ylang and carnation that creates a flirty twist thanks to fresh mandarin and bright fruity notes. A warm background of sandalwood, moss, amber and vetiver will linger on her skin.

Simple Modernity: For the woman whose sense of style expresses her individuality and incredibly good taste, an airy modern floral fragrance with a hint of femininity and playfulness is destined to become her signature scent. Pure White Linen by Estée Lauder exudes a feeling of sunlit freshness thanks to its infusion of incandescent grapefruit and mandarin notes that mingle with crisp

fruits such as pear and Granny Smith apple and velvety florals. Since her classic inclinations don't mean that she is completely predictable, Pure White Linen finishes with an alluring and mysterious dry down that is comprised of white heliotrope, seductive cedarwood and patchouli.

"The beauty of fragrance is that women can express different moods and the different sides of themselves," says Rochelle Bloom, President of The Fragrance Foundation. "And who knows, by buying her a new scent, you may help her to channel an aspect of her personality even she never knew existed."

Happy Mother's Day

Elegant Entertaining Made Easy

Whether you're celebrating Mom on her special day, hosting a friend's bridal or baby shower, honoring the graduate, or simply gathering the family for a sunny Sunday brunch, occasions abound in springtime for easy and elegant entertaining at home. Denise Vivaldo, a celebrity caterer who has hosted more than 10,000 parties, cites that the most important element to successful entertaining is to ensure that as much prep work as possible is done in advance.

"Professionals can cook for large groups quickly because they have sous chefs doing the prep work. When entertaining at home, my meal magician is this gadget called the Magic Bullet -- it chops, dices, purees, whips and grates my ingredients so I can prepare meals quickly while limiting kitchen clutter."

Vivaldo's Springtime Party Menu, adapted from her latest book "Do It For Less! Parties" offers up four mouth-watering dishes that take advantage of spring's bounty of fresh ingredients and are appropriate for any midday party. These recipes serve 12, but can easily be cut down or multiplied based on party size.

Entertaining can be relaxing and rewarding, especially if you streamline the cooking process, which can allow you time to socialize with guests. The Magic Bullet -- a sleek, compact, all-in-one food-processing machine -- can help eliminate time-intensive prep work.

It is also helpful in preparing a multitude of items, including:

- Grating cheese
- Grinding coffee beans, spices and herbs
- Dicing vegetables for

soups
--Pureeing beans or veggies for salsa, dips, soups and sauces

--Whipping cream for delectable desserts or to top coffee

--Blending smoothies, egg-nog and Bellinis

--Chopping nuts or creating homemade breadcrumbs for breading

The Magic Bullet is available for purchase at www.buythebullet.com and at all major retail outlets, including Target, Wal-Mart, Walgreen's, and Bed Bath & Beyond.

Strawberries and Chantilly Cream

- 3/4 cup heavy whipping cream
- 2 Tbl. granulated sugar
- 1/2 teaspoon vanilla extract
- 3 pints large strawberries, cleaned, hulled, and sliced

1. Place cream, sugar and vanilla in tall bullet cup. Pulse until sugar is dissolved.

2. Continue beating mixture until cream forms soft peaks. (Dip can be made up to 1 hour in advance.)

3. Serve with strawberries.

Helpful Hint: Chantilly cream is lightly sweetened whipped cream flavored with vanilla or liqueur. For best volume, chill bullet cup in refrigerator or freezer at least 30 minutes before whipping the cream.

Peach Bellinis

- 1 cup water
- 2 cups granulated sugar
- 1 (10-ounce) package frozen sliced peaches
- 1/4 cup orange liqueur, chilled
- 3 cups peach nectar, chilled
- 2 (750-ml) bottles champagne, chilled

1. To make simple syrup, bring water to boil in small saucepan. Gradually pour in

sugar, stirring until dissolved. Skim any foam from surface and set aside to cool.

2. Place half of cooled simple syrup, peach slices and orange liqueur in large bullet cup. Puree until smooth. Spoon into large glass pitcher. Process a second batch with remaining simple syrup, peach slices and orange liqueur. Spoon into another large glass pitcher. Chill until ready to serve.

3. Just before serving, add champagne to each pitcher and pour into chilled champagne flutes.

Pecan-Crusted Halibut Fillets

- 12 (4-ounce) halibut fillets, skinned
- 1 3/4 cups all-purpose flour
- 3/4 teaspoon salt
- 1 teaspoon black pepper
- 3 large eggs
- 1 tablespoon Dijon mustard
- 7 ounces pecans
- 1 3/4 cups plain breadcrumbs
- 6 Tbl. unsalted butter

1. Preheat oven to 350 degrees F.

2. Combine flour, salt and pepper in mixing bowl.

3. In another bowl, whisk eggs and mustard.

4. Using the Magic Bullet, finely chop pecans in small bullet cup.

5. In third bowl, combine chopped pecans and bread-

crumbs.

6. Set the 3 bowls in a row, with baking pan at end for placing fillets. First dredge each fillet in flour, shaking excess back into bowl. Then dip fillet in egg mixture to coat, and place in pecan mixture. Press lightly to coat both sides of fillet with nuts and place fillet on baking sheet. Repeat with remaining fillets. (Fillets can be refrigerated up to 2 hours before sauteing.)

7. Melt 2 tablespoons butter in large saute pan over medium heat. Add as many fillets as will comfortably fit in pan. Cook about 3 minutes per side, or until light brown. (Fillets can be drained on paper towels and refrigerated up to 6 hours before baking.)

8. Arrange sauteed fillets on baking sheets and bake 10 to 15 minutes, or until cooked through. Serve with Dijon Cream Sauce.

Helpful Hint: To make chopping nuts easier, add a little sugar to bullet cup. Pulse to keep from grinding nuts too finely.

Dijon Cream Sauce

- 1 1/3 cups heavy whipping cream
- 3/4 cup plus 2 tablespoons Dijon mustard
- Salt and black pepper to taste

1. Combine cream and mustard in bullet cup and pro-

cess until combined.

2. Pour mixture into large saucepan; heat on low until warm.

3. Season sauce with salt and pepper to taste and ladle over fillets.

Baby Greens With Champagne Vinaigrette

- 2 1/4 ounces Champagne vinegar
- 2 tablespoons Dijon mustard
- 2 tablespoons mayonnaise
- 1 teaspoon salt, plus more to taste
- 1 1/8 cups extra-virgin olive oil
- Freshly ground black pepper to taste
- 1 pound mixed baby greens salad

1. Combine vinegar, mustard, mayonnaise, salt and olive oil in tall bullet cup. Process until emulsified. (Dressing can be made 1 day in advance and stored in refrigerator.)

2. Just before serving, place some baby greens in individual salad bowl and drizzle with vinaigrette.

3. Using tongs or hands (wear disposable plastic gloves), toss salad until well coated. Add more dressing to taste, being careful not to overdress leaves.

4. Repeat with remaining baby greens and vinaigrette.

Easy Banana Pudding Parfaits

24 NILLA Wafers, divided
2 cups cold milk
1 pkg. (4-serving size) JELL-O Banana Cream Flavor Instant Pudding & Pie Filling
3/4 cup thawed COOL WHIP Whipped Topping
1 medium banana, cut into 20 slices

CRUSH 20 of the wafers to form coarse crumbs; set aside. Pour milk into medium bowl. Add dry pudding mix. Beat with wire whisk 2 min. Gently stir in whipped topping.

LAYER half of the wafers crumbs and 8 of the banana slices evenly in four individual parfait glasses or individual dessert dishes; repeat with half of the pudding mixture. Repeat layers, reserving 4 of the banana slices for garnish. Cover and refrigerate parfaits at least 15 min. or up to 4 hours before serving. Wrap reserved banana slices tightly in plastic wrap; refrigerate until ready to use.

TOP each parfait with 1 each of the reserved wafers and banana slices just before serving.

Berries in a Cloud

2 cups thawed COOL WHIP Whipped Topping
1 cup blueberries
1 cup raspberries
1 cup sliced strawberries

SPOON 1/4 cup of the whipped topping into each of eight dessert dishes. Using back of spoon, spread whipped topping onto bottom and up side of each dish.

FILL evenly with berries just before serving. Store leftover desserts in refrigerator.

LEROY MUENCH

LeRoy Muench, age 67, of Beechwood, passed away on Friday, May 5, 2006 at his home.

He was born on March 28, 1939 in Sheboygan County, the son of the late Milton and Elsie (Gatzke) Muench, and on May 22, 1965, he was united in marriage to Hollis Kohl at St. Lucas Evangelical Lutheran Church in Kewaskum.

LeRoy was a member of Immanuel Lutheran Church in the town of Scott, where he served as a Sunday school teacher for many years and was a past church secretary. He proudly served as a volunteer on the Beechwood Fire Department for 49 years and was president of the department for six years.

LeRoy was a member of the Kettle Moraine Dartball Club, was a foreman at Harnischfeger Homes in Port Washington and was also a milk hauler. He will be deeply missed by his wife, his family and many friends.

Survivors include his loving wife, Hollis; four children, Mark Muench of Beechwood, Tammy (Troy) Stucke of Plymouth, Diana Ariens of Lancaster and Matthew (Julie) Muench of West Bend; six grandchildren, Nicholas, Hannah, Zachary and Nathaniel Stucke, McKenna and Ryder Ariens; three brothers, Vernon (Donna) Muench of Fond du Lac, Eugene (Norma) Muench of Kewaskum and James (Kay) Muench of Batavia; a sister-in-law, Karen McElroy of West Bend, other relatives and many friends.

Funeral services were held at 7:00 p.m. on Monday, May 8, 2006 at Immanuel Lutheran Church in the town of Scott. Rev. Kurt Ziemann officiated and burial followed in the church cemetery.

Relatives and friends called at the church on Monday from 4:00 p.m. until the time of services.

Memorials to Immanuel Lutheran Church are appreciated.

The Miller Funeral Home in Kewaskum served the family. Additional information and guest book may be found at www.millermartinfh.com.

VIOLA A. DREYER

Viola A. Dreyer (nee Casper), age 97, originally of Kewaskum, passed away on Thursday, May 4, 2006 at the Samaritan Health Center in West Bend.

She was born on April 22, 1909 in rural West Bend, the daughter of the late Sebastian and Bertha (Schwinn) Casper, and on August 30, 1934, she was united in marriage to Willard Dreyer at St. Rita's Catholic Church in West Allis. Her husband preceded her in death on August 5, 1992.

Viola was a member of Holy Trinity Catholic Church in Kewaskum.

Survivors include nieces, nephews, other relatives and friends.

She was preceded in death by five brothers, Raymond, Arthur, Harold, Rudolph and Lester Casper and two sisters, Loraine Reichmann and Marcella Schaefer.

A Mass of Christian Burial was held at 6:00 p.m. on Sunday, May 7, 2006 at Holy Trinity Catholic Church in Kewaskum. Father Edwin Kornath officiated and burial was at 10:00 a.m. on Monday in Holy Angels Catholic Church Cemetery in West Bend.

Relatives and friends called at the church on Sunday from 5:00 p.m. until the time of services.

Memorials to Holy Trinity Catholic Church are appreciated.

The Miller Funeral Home in Kewaskum served the family. Additional information and guest book may be found at www.millermartinfh.com.

CORINE E. HARRIS

Corine E. Harris, (nee Wald), 71, of West Bend was welcomed home by her Lord and Savior on Thursday, May 4, 2006 at Maple Dale Manor surrounded by her loving family.

Corine was born on the Fourth of July in 1934, to Martin J. and Janet M. (nee Wollenzien) Wald in Milwaukee, where she also spent her childhood. She attended Divine Savior High School. After her graduation, she honorably joined the United States Air Force Reserves.

During the time in which she spent serving her country, she met her soul mate, Edwin L. Harris. On April 18, 1958, in Fort Atkinson, Corine and Edwin dedicated their love and their lives to one another through their exchange of wedding vows.

After marriage, the couple began a beautiful family of their own, whom Corine devoted her love and energy to raising and nurturing. They spent several years traveling with Edwin's career in the Air Force, and in 1976, they moved to the Jackson area.

Corine began working as a seamstress for Amity Leather from 1977 until 1994. After proudly retiring, Edwin and Corine purchased a motor home and spent their free time traveling, like they loved to do. In addition to travel-

ing, Corine also enjoyed every moment that she was able to spend with her family, especially her grandchildren.

Corine will be forever remembered and missed by her treasured children, Mark (Betty) Harris of Michigan, Martin (Julie) Harris of West Bend, Susan (Ron) Schmidt of West Bend, and William (Patty) Harris of West Bend; her cherished grandchildren, Daniel, Patrick, Rebecca, Martin Jr. (Fiance Jamie), Rachel, Elizabeth, Crystal, Keith, Melissa, Samuel, Tina, Erin, and Krista; and her adored great-grandchildren, Derrick and Isabella. She will also be missed by her loving sister, Carol Swan of Jackson; her brother-in-law, Richard (Sue) Harris of Fort Atkinson; her sister-in-law, Bernice (Don) Ferenbach of Michigan; many nieces, nephews, other special relatives, and many dear friends.

Corine was greeted at the gates of Heaven by her parents, her loving husband and best friend, Edwin L. Harris; her dear son, Lawrence Micheal; and her loving sister, Dolores Jordan.

A Mass of Christian Burial was held in honor of Corine on Tuesday, May 9, 2006 at 10 a.m. at Holy Trinity Catholic Church, Kewaskum, with Father Ed Kornath officiating. Interment followed the Mass of Christian Burial on Tuesday, May 9, 2006 at Southern Wisconsin Veterans Memorial Cemetery in Union Grove.

Visitation with family and

friends was held on Monday, May 8, 2006 from 4 p.m. until the time of a Prayer Service conducted by Chaplain Vince Marolla at 7 p.m. at the Phillip Funeral Home Chapel, West Bend.

The family would like to extend their appreciation for memorials that are offered at this time to the Harris Family.

The Phillip Funeral Home of West Bend assisted the family.

IVER H. CRASS

Iver H. Crass, 85, of West Bend died Monday, May 8, 2006 at his residence.

He was born May 18, 1920 in Fillmore to the late Leonard and Louise (nee Chesak) Crass.

Iver worked at DeTuncq Modern Cleaners in West Bend before working as a car washer at Jerry's Texaco and at the West Bend Co.

He enjoyed baseball, softball, bowling and golf, and always looked forward to his yearly trips to Florida with his friends.

Survivors include two sisters, Violet Biertzer of Lomira and June Rennieck of Mequon, and nieces, nephews and other relatives and friends.

Preceding him in death were two brothers, Merlin and James, and a sister, Fern Kumorow.

Graveside services will be held Friday, May 12 at 10 a.m. in Holy Angels Cemetery, with Father Michael Moran officiating.

Memorials to the Threshold are appreciated.

The Schmidt Funeral Home of West Bend is serving the family.

Cage of Stars

By Jacquelyn Mitchard
Warner Books \$24.95 289 pages

JACQUELYN MITCHARD

CAGE of STARS

Every day of your life, you go through a few dozen minor annoyances.

Someone steps on your toes while waiting in line. A lost-in-thought driver cuts you off in traffic. You don't get the right change back at the store and you have to wait three minutes to get the mistake corrected.

Forgiveness is easy for the minor stuff. Some things, though, are big enough to fester forever until they threaten to overtake a person's life. In the new novel "Cage of Stars" by Jacquelyn Mitchard, a young girl becomes a woman before she learns that payback is as hard on the avenger as it is on the transgressor.

Twelve-year-old Veronica Swan was always precocious, so nobody thought twice when her parents left her little sisters in Ronnie's care while they tended to things they needed done. Mama was pregnant, and she had errands to run before the baby came. Papa went out hunting, knowing it could be awhile before he'd get to the woods again. Ronnie was responsible and Becky and Ruthie loved her very much. Weren't they always asking her to play hide-&-seek out back in the yard?

This time, the game wasn't so innocent. As Ronnie waited for her sisters to find her, she realized that they were taking too long. Creeping out of the shed, Ronnie saw something that would shatter her life.

A man sat on the picnic table, screaming, surrounded by blood. Becky and Ruthie were dead. And Ronnie's life was over, too.

Over time, as the Swans

tried to heal their wounded hearts, Ronnie grew up knowing that she would always be different. Not only was she Mormon, which meant that people treated her as a certain kind of curiosity, but she would always be known as the girl whose little sisters were killed almost before her eyes. Ronnie couldn't wait to grow up and leave Utah.

And then the unthinkable happened. After the murderer was released from the state mental hospital, Veronica's parents decided that forgiving him would be good for their souls. The young man had made amends. He had a family, and they were victims of his illness as much as were the Swans.

But Ronnie can't forgive, and she can't forget. She has revenge on her mind, and she knows exactly how to get it.

"Cage of Stars" starts out a little confusing and I didn't like the first third of it, because I didn't like Veronica's voice. She was too smart and too chatty and lacked the naiveté you'd expect in a 12-year-old girl. But then I realized that this was by design. Ronnie wasn't innocent anymore, and author Jacquelyn Mitchard subtly makes you realize that. The big surprise - the kind that Mitchard fans have come to appreciate - comes from the will-she-won't-she near-ending, which is a true page-turner.

If you're looking for a book group book, a vacation diversion, or just a quick read that you know you'll enjoy, look for "Cage of Stars". To miss it might be unforgivable.

Treated Seed - Handle With Care

MADISON--Seed treated with a pesticide protects growing plants, but if it is mishandled, that same seed can be harmful to animals or a farmer's bank account.

"While many farmers in Wisconsin rely on treated seed to protect their seedlings from insects and disease, seeds protected with an insecticide or fungicide treatment need to be handled carefully to prevent contamination of animal feed or grain," explained Greg Helmbrecht, seed specialist with the Wisconsin Department of Agriculture, Trade and Consumer Protection.

According to Helmbrecht, if you plan to use treated seed this upcoming growing season, take every precaution possible to prevent any treated seed from contaminating grain destined for animal or human food.

"After you haul treated seed

this spring, your clean up efforts can prevent contamination at harvest," Helmbrecht said. "Even one pesticide treated seed can be enough to contaminate an entire truck load or storage bin and cause the load to be rejected."

Check gravity boxes, truck beds, wagons and all equipment that handled treated seed particularly if that piece of equipment will be used to haul harvested grain, animal feed or forage. You must ensure that any of your wagons or other equipment that has been used to handle or haul treated seed is thoroughly cleaned and inspected in order to remove all treated seed.

"Visual inspection isn't enough when dealing with farm equipment and treated seed," Helmbrecht said. "If equipment handles treated seed, the equipment should be thoroughly

cleaned by pressure washing and then thoroughly inspected. If you can't do that, then don't use that equipment to handle untreated seed or grain," Helmbrecht said.

If you intend to plant treated seed this upcoming growing season, keep pesticide treated seed separate from other untreated seed and grain. Also keep treated seed away from animals and separate from animal feed to prevent animals from sickness or death.

Be sure that treated seed is not left in the open where birds or other animals can eat it. Any unused treated seed should be stored securely and separately away from grain storage areas so that none of it gets into your grain inventory during harvest. Other options are to return it to your seed supplier or take the treated seed to a sanitary landfill.

NOTICE OF THE BOARD OF REVIEW FOR THE VILLAGE OF KEWASKUM

NOTICE IS HEREBY GIVEN that the Board of Review for the Village of Kewaskum, of Washington County, Wisconsin, shall hold its first meeting in the Council Room Meeting Room of the Municipal Building, 204 First Street on Tuesday, May 23, 2006 commencing at 1:30 PM to 3:30 PM.

Please be advised of the following requirements to appear before the Board of Review and procedural requirements if appearing before the Board:

No person shall be allowed to appear before the Board of Review, to testify to the Board by telephone or to contest the amount of any assessment of real or personal property if the person has refused a reasonable written request by certified mail of the Assessor to view such property.

After the first meeting of the Board of Review and before the Board's final adjournment, no person who is scheduled to appear before the Board of Review may contact, or provide information to, a member of the Board about the person's objection except at a session of the Board.

No person may appear before the Board of Review, testify to the Board by telephone or contest the amount of assessment unless, at least 48 hours before the first meeting of the Board or at least 48 hours before the objection is heard if the objection is allowed because the person has been granted a waiver of the 48 hour notice of an intent to file a written objection by appearing before the Board during the first two hours of the meeting and showing good cause

for failure to meet the 48-hour notice requirement and files a written objection, that the person provides to the Clerk of the Board of Review notice as to whether the person will ask for removal of any Board members and, if so, which member will be removed and the person's reasonable estimate of the length of time that the hearing will take.

When appearing before the Board, the person shall specify, in writing, the person's estimate of the value of the land and of the improvements that are the subject of the person's objection and specify the information that the person used to arrive at that estimate.

No person may appear before the Board of Review, testify to the Board by telephone or subject or object to a valuation; if that valuation was made by the Assessor or the Objector using income method; unless the person supplies the Assessor all of the information about income and expenses, as specified in the manual under Sec. 73.03(2a), that the Assessor requests. The Village of Kewaskum has an ordinance for the confidentiality of information about income and expenses that is provided to the Assessor under this paragraph which provides exemptions for persons using information in the discharge of duties imposed by law or of the duties of their office or by order of a court. The information that is provided under this paragraph, unless a court determined that it is inaccurate, is not subject to the right of inspection and copying under Section 19.35 (1) of Wis. Statutes.

The Board shall hear upon oath, by telephone, all ill or disabled persons who present to the Board a letter from a physician, surgeon or osteopath that confirms their illness or dis-

ability. No other person may testify by telephone.

Respectfully submitted,
THE VILLAGE OF KEWASKUM
Janet Knops,
Interim Village Administrator/Clerk

NOTE: Persons with disabilities requiring special accommodations for attendance at the meeting should contact the Municipal Building at (262) 626-8484 at least one (1) day prior to the meeting.

Notice of Village Board Meeting. Members of the village board may attend the above meeting. Pursuant to State ex. rel. vs. Greendale Village Board, 173 West 20 533,494NW 2nd 408 (1993). Such attendance may be considered a meeting of the Village Board. This notice is given so that members of the village board may attend the meeting without violating the open meeting law.

Village Board Meeting Minutes

Village Board Meeting
April 17, 2006
8:00 p.m.

The Village Board of Kewaskum, Washington County, Wisconsin, met in Regular Session in the Council Room of the Municipal Building, 204 First Street.

President Mathew A. Heiser presided. Trustee Derek Peterson asked to be excused and was absent; all other Trustee Members were present. A quorum was present.

The meeting was opened with a Moment of Silence and Pledge of Allegiance.

On a motion by Trustee Thomas Piwoni, seconded by Trustee Andy Pesch and unanimously carried by voice vote, the Board approved the minutes as amended for April 3, 2006.

Representative Daniel R. LeMahieu was in attendance to present a proclamation to Administrator Daniel S. Schmidt upon his retirement after serving nearly 27 years as Village Administrator and actively involved for an additional 7 more. The Proclamation was presented by Representative LeMahieu and Senator Glen Grothman for Administrator Schmidt combined 34 years of dedicated service to the Village of Kewaskum. County Board Supervisor Daniel W. Stoffel was in attendance and shared a letter drafted by Ken Miller the County Board Chairman. Gary Gavin also shared some complementary comments regarding Administrator Schmidt's tenure with the Village. President Mathew A. Heiser congratulated Administrator Schmidt on his retirement and praised him for his community involvement, dedication and professionalism during his tenure with the Village. Administrator Daniel S. Schmidt thanked everyone for their comments and complements.

Mr. Aaron Laatsch was present from the Kewaskum Area Chamber of Commerce asking for permission to locate a kiosk within the Downtown Parking Lot adjacent to the Eisenbahn Bike Trail. On a motion by Trustee Harry Roecker, seconded by Trustee Thomas Piwoni and unanimously carried by voice vote the Board granted the Chamber permission to construct the kiosk.

Mr. John Knepel of the accounting firm of Virchow, Krause & Company, LLP was present to review and answer questions on the latest audit prepared for the Village of Kewaskum for the year ending December 31, 2005. Mr. Knepel explained the entire audit process and financial statements regarding the General and Utility Funds portion of the audit and associated financial statements. The audit revealed the Village to be in a healthy position. Mr. Knepel did advise the Board to monitor the Water and Sewer Utilities regarding cash flow and needed rate adjustments.

Mr. Knepel answered a variety of questions. Mr. Knepel thanked the staff for their assistance and good records. He further shared with the Board that the Village of Kewaskum should be pleased to have the Administrator and Deputy Clerk for they do an excellent job on maintaining good records and control over spending, etc.

President Mathew Heiser, along with the entire Board, also thanked the entire Village staff for a job well done and thanked the auditors as well.

President Mathew Heiser opened the Public Hearing on the proposed ordinance and amendment to said ordinance on an impact fee for the water system facilities as noticed. Mr. Jon Cameron with Ruckert & Mielke presented the Water System Needs Assessment and Impact Fee Study. Discussion on some impact fee statu-

tory changes was discussed as well as some review of Assembly Bill 1156 with proposed additional changes. Mr. Gary Gavin indicated he realized the need for the impact fee, but thought it was higher than anticipated, as well as hitting vacant lot owners or future owners with an additional building expense of \$2,986.13. Mrs. Joyce Kral indicated that even vacant lot owners should be held responsible for their share of the cost to provide them with future privileges to hook up the water system. Discussion pro and con continued with questions fielded by Jon Cameron and Ken Ward. Discussion to postpone the implementation of the start date of the Ordinance was discussed by the Board. On a motion by Trustee Kevin Scheunemann, seconded by Trustee Harry Roecker to close the Public Hearing and carried by the majority roll call vote, the Board closed the Public Hearing. Roll call vote was 6 "Aye" 0 "Nay" 1 "Absent". Trustee Derek Peterson being absent.

Fire Chief Mark Groeschel did not have anything to report.

Police Chief Richard Knoebel presented the March 2006 report:

Director of Public Works, Jerry Gilles reported to the Board on the hiring of the summer part-time employees and reminded the Board on the Spring Clean Up scheduled for Saturday, April 22, 2006 from 9:00 a.m. to 2:00 p.m.

On a motion by Trustee Harry Roecker, seconded by Trustee Steve Scheunemann and unanimously carried by voice vote the Board authorized the hiring of the Summer Part-Time WPC and DPW employees.

Administrator Daniel S. Schmidt reviewed the following with the Board:

1) Review of Taxpayer and League Bulletins.

2) Reported the building permits for the period ending in March 2006.

3) Shared a request from the Thrivent of Kewaskum for the placement of a semi-trailer in the Municipal Building parking lot the Memorial Day Weekend for the collection of used clothing to be recycled. On a motion by Trustee Andy Pesch, seconded by Trustee Kevin Scheunemann and unanimously carried by voice vote, the Board authorized the placement of the semi-trailer by Thrivent of Kewaskum.

4) Reported on the ongoing negotiations with Verizon regarding the locating of antennas on the new water tower. This effort would generate an annual revenue of approximately \$16,000.

Trustee Steve Scheunemann, Chairperson of the Park & Recreation Committee asked for permission to hire the Summer Park & Recreation Part-time Employees for 2006. On a motion by Trustee Andy Pesch, seconded by Trustee Thomas Piwoni and unanimously carried by voice vote the Board authorized the hiring of the Summer Part-Time Park & Recreation Employees.

On a motion by Trustee Kevin Scheunemann, seconded by Trustee Harry Roecker and unanimously carried by voice vote, the Board authorized the inclusion of St Michael's Church on the non-profit status list in conjunction with Holy Trinity.

Trustee Andy Pesch the Board Representative for the Plan Commission announced a scheduled meeting for April 25, 2006 at 7:00 p.m.

President Mathew Heiser the Board Representative on the Library Board reported that circulation for the month of February was up by 16%

over that of 2005 and March was up by 19% over that period of 2005. To date the circulation is up by 17.7% in comparison to the first quarter of 2005. A new sign is proposed for the area in front of the Library and would be purchased with funds donated to the David Stradtman Memorial. It was noted an appointment to the Library Board of Michelle Paul has been brought forward. On a motion by Trustee Andy Pesch, seconded by Trustee Thomas Piwoni and unanimously carried by voice vote the Board approved the appointment of Michelle Paul to the Kewaskum Library Board to fill the unexpired seat of David Stradtman.

President Mathew Heiser, reported that a Mid-Moraine Municipal Association Legislative Committee Meeting was held Wednesday, April 12, 2006. TPA was the topic of discussion.

On a motion by Trustee Andy Pesch, seconded by Trustee Thomas Piwoni and unanimously carried by voice vote the Board accepted the audit report as prepared and presented for the year ending December 31, 2005.

Action was taken on Ordinance No 2006-04 An Ordinance To Amend Section 86-14 Of The Municipal Code Of The Village Of Kewaskum Relating To Impact Fees as attached hereto as noticed and heard at public hearing. On a motion by Trustee Kevin Scheunemann, seconded by Trustee Andy Pesch discussion took place as to the possible amending of an effective date for full enforcement. On a motion by Trustee Kevin Scheunemann, seconded by Trustee Thomas Piwoni and carried by the majority roll call vote, the Board authorized the amending of 86-14-11 Severability Section 3. This Ordinance shall be in full force and effect following passage, posting and on July 1, 2006. Roll call vote on the amendment was 5 "Aye" 1 "Nay" 1 "Absent". Trustee Steve Scheunemann voting "Nay" and Trustee Derek Peterson being absent. Roll call vote on Ordinance No. 2006-04 as amended was 6 "Aye" 0 "Nay" 1 "Absent". Trustee Derek Peterson being absent.

On a motion by Trustee Thomas Piwoni, seconded by Trustee Steve Scheunemann and unanimously carried by voice vote the Board authorized the preparation and submittal for a Clean Water Fund Loan for the Lift Station # 1 project at a projected cost of \$3,200,000.

Action was taken on Resolution No. 2006-11 A Resolution Declaring Official Intent to Reimburse Expenditures For Clean Water Fund Loan Program as attached hereto: Roll call Vote was 6 "Aye" 0 "Nay" 1 "Absent". Trustee Derek Peterson being absent.

On a motion by Trustee Andy Pesch, seconded by Trustee Kevin Scheunemann and carried by the majority roll call vote, the Board introduced Resolution No. 2006-12 A Resolution Of The Village Of Kewaskum, Washington County, Wisconsin Vacating And Discontinuing A Public Way.

On a motion by Trustee Kevin Scheunemann, seconded by Trustee Thomas Piwoni and unanimously carried by voice vote the Board established a date for a public hearing on Resolution No. 2006-12, that being June 5, 2006 at 8:00 p.m. with the publication of notice a Class 3, May 11, 2006, May 18, 2006 and May 25, 2006.

On a motion by Trustee Andy Pesch, seconded by Trustee Kevin Scheunemann and unanimously carried by voice vote the Board authorized the tabling of Resolution No 2006-12 until after public hearing scheduled for June 5, 2006.

The Administrator Daniel S. Schmidt reviewed volumes used on the 2005 Annual Report - Recycling Program Accomplishments and Cost. It was noted the percentage of Recy-

cling versus Garbage is around 37.7% better than last year. On a motion by Trustee Andy Pesch, seconded by Trustee Thomas Piwoni and carried by the majority voice vote the Board authorized the signing and submission of the Annual Report-Recycling Program Accomplishments and Cost. Trustee Kevin Scheunemann opposed the signing and submission of the report.

Attorney Gerald Kiefer explained the easements for the Preserve JBJ limited Partnership, Courtney Apartments, (Storm Pond Easement & Public Storm Sewer Easement). It was also noted the Partnership has already signed an accompanying Consent & Waiver. On a motion by Trustee Andy Pesch, seconded by Trustee Thomas Piwoni and unanimously carried the Board authorized the signing of said easements as discussed.

On a motion by Trustee Andy Pesch, seconded by Trustee Steve Scheunemann and unanimously carried by voice vote the Board authorized the purchase of a rebuilt Sewage Grinder to be used at the Sewage Treatment Plant until said plant renovations deem the grinder obsolete in 2009. The cost is \$23,150.00 and the funds would be taken from the replacement fund.

Administrator Daniel S. Schmidt expressed his appreciation to the current and past Village Board, all Boards, Commissions and Committees for the privilege of working for and with them. He thanked his wife (Phyllis), children and their spouses (Jessica & Randy and Christopher & Leslie) and grandchildren for their love, support and understanding over the last 34 years. He also thanked the Village of Kewaskum, all of the employees, all of the citizens, plus all the associates that work with and for the Village.

On a motion by Trustee Thomas Piwoni, seconded by Trustee Kevin Scheunemann and carried by the majority roll call vote, to adjourn. Roll call vote was 6 "Aye" 0 "Nay" 1 "Absent". Trustee Derek Peterson was absent.

2006 Wisconsin gun deer hunting season set

MADISON - Wisconsin deer hunting seasons will look dramatically different this fall under a trial season structure that, among other changes, eliminates an antlerless-only October gun deer hunt and replaces it with a statewide four-day antlerless-only gun hunt in the second week of December.

Under the new season structure approved by the state Natural Resources Board April 26, hunters will also receive one free antlerless tag for use in herd control (formerly called Zone T) and Earn-a-Buck Deer Management Units (DMUs) with the purchase of their deer hunting licenses and can purchase unlimited additional herd control antlerless tags for \$2 each.

Other provisions of the 2006 deer season framework that will go into effect this fall include:

- the Hunter's Choice permit program will be eliminated and antlerless tags in DMUs with a regular deer season structure will be sold over the counter until they are sold out;

- Earn-a-Buck regulations (EAB) will be in place in 21 DMUs and hunters who registered an antlerless deer in these units in 2005 will be pre-qualified for a buck this fall for EAB units;

- archers will receive an additional archery antlerless deer carcass tag valid statewide; and

- there will be an opportunity for young hunters to participate in a youth hunt Oct. 7 and 8.

Also, hunters should note that hunting seasons for the chronic wasting disease (CWD) management zones have not been set for 2006 and are still under consideration.

Additional information on deer hunting can be found on the Department of Natural Resources Web site. The 2006 Deer Hunting Regulations pamphlet is expected to be available in early August.

"There has been a lot of changing information in the news regarding the 2006 deer season," said Keith Warnke, DNR big game specialist. "After working for more than a year with stakeholder groups from all across the state we finally have a new herd control tool to try out. We believe that this season structure will be popular with hunters - it's what they told us they wanted."

Two major changes in herd control efforts will be implemented on a trial basis. They are: A statewide antler-

less gun deer hunt Dec. 7-10 in non-CWD units and a moratorium on gun deer seasons in October in non-CWD units (except for the youth hunt). For units north of U.S. Highway 8, the December gun deer hunt will be on a one-year trial basis with legislative approval required to extend beyond this year.

The moratorium on October gun deer hunting will be implemented on a two-year trial basis with an option to reinstate October gun deer hunting after one year if deer harvests in Herd Control units drops below a 1.4 to 1 antlerless to buck ratio. Earn-a-Buck (EAB) rules will be in effect in 21 deer management units for 2006.

The October herd control hunt, referred to in past years as Zone T, was effective at reducing deer populations, Warnke says, but unpopular with hunters who felt that it interfered with the very best time for archery deer hunting and caused behavioral changes in deer that made hunting more difficult.

"Key to success of this herd control tool is that hunters must harvest adequate numbers of antlerless deer to keep populations under control," said Warnke.

The new youth gun deer hunt Oct. 7-8 will allow young hunters ages 12 to 15 an opportunity to experience deer hunting in a closely mentored situation. Participating youth must be accompanied by an adult and must purchase a gun deer hunting license and successfully complete a hunter safety class to participate. All hunters statewide, except waterfowl hunters will be required to wear blaze orange clothing if hunting on the weekend of the two-day October youth gun deer hunt.

"Hunters will see changes in deer carcass tags this year. Tags will clearly identify what type of deer that tag is valid for and where that tag may be used," explains Warnke. "Anything that makes regulations simpler for hunters is a positive."

The Hunter's Choice program has been eliminated, and has been replaced by the sale of all antlerless deer carcass tags in DMUs with a regular season structure. These tags will be sold starting Aug. 26 (\$12 for residents, \$20 for nonresidents). Selling antlerless deer carcass tags over the counter will remove one layer of confusion and will help clarify tagging options.

To encourage antlerless deer harvest in Herd Control

(formerly Zone T) and EAB units, tags valid for those units will be available in unlimited numbers. All deer hunters will get a free Herd Control/EAB antlerless deer carcass tag with the purchase of a gun and archery license. Beginning in mid-May, additional Herd Control/EAB antlerless deer carcass tags will be available for \$2 to all hunters. If purchased on-line or over the phone a standard processing fee of \$3 will be applied in addition to the \$2.

Archery hunters will receive an additional archery antlerless deer carcass tag that is valid statewide. The department will mail the additional archery antlerless deer carcass tag to hunters who have already purchased their archery license. State park access permits previously issued through the Hunter's Choice drawing will be sold over the counter for a \$3 fee.

This will also be the first year that hunters will be able to use their Earn-a-Buck prequalification, Warnke says. Hunters who registered an antlerless deer last fall in a unit designated as Earn-a-Buck this year will be receiving their buck harvest authorization in the mail later in the summer.

"The 70,000 hunters who took advantage of prequalification last year will hit the woods with a buck authorization in their pocket," says Warnke. "If you have prequalified for Earn-a-Buck, you won't have to pass up a buck this fall. But if there's an opportunity to harvest an antlerless deer, hunters in EAB units are advised to take it."

"There are a lot of changes to this year's deer seasons," says Warnke. "Hunters will be hearing and reading a lot more about the seasons and changes in the weeks and months ahead. I think this new herd control tool has the potential to resolve some of the conflict in deer management. It's up to hunters to make it work. I believe that if they have a mindset of two antlerless deer for each buck in every camp, this trial can be successful."

Matching the early success of the Milwaukee Brewers, the Kewaskum Athletics home talent baseball team is off to a fast 3-0 start.

The A's, again under the direction of player/coach Jason Strobel, opened the 2006 campaign with a thrilling 2-0 victory over the West Bend Spirit (previously the Barons) on Saturday, April 29th.

Then this past weekend, the A's were on the high end of a 7-4 decision against the West Bend 7-up and a 7-4 win over Hustisford.

The first two games were in the Tri-County Nite League, and the game against Hustisford was a regular-season Rock River League game.

"We're really excited about the season," Strobel said Monday, reporting his pitching staff is strong, and the team is pretty well in tact, except for the departure of Steve Ketter, who has hooked up with an independent team in Gary, Ind. for this spring and summer.

Newcomer Ben Hoffman and Bobby Ogi combined for the shutout over the Spirit. Hoffman, who pitched four years for Oshkosh until graduating in 2005, started the contest and gave up just two hits in five innings of work. He struck out six and walked a pair.

Ogi came on in relief in the sixth and finished up the game. He struck out four, walked four and was touched for just one hit.

Mark Rady, another new Athletic, went 2x4 with a double, but the stars were Strobel and Jake Panzer. Strobel's double drove in the first run

in the bottom of the fifth, and Panzer gave the team a little insurance with his RBI single in the sixth.

Kewaskum had nine hits against the Spirit.

In Game 2, Kevin Olson went the distance for the home team. He tossed a six-hitter, while striking out seven and walking seven.

Cameron Salter, who will be playing for Campbellsport High in a couple weeks, went 2x4, Ty Schill drove in two runs with his one hit, Rady produced two runs with a hit, and Strobel came up with another clutch double and a sacrifice fly for a 2 RBI day.

The A's broke up a close game with four runs in the fifth against Hustisford.

"They (Astros) threw the ball around" a little in that inning, Strobel said, reporting Hoffman picked up his second win with a solid, eight-inning performance. He struck out five, walked four and gave up eight hits and one run.

Ogi was called on to finish the game. In the ninth, he walked three and gave up one hit that led to three Astro runs.

Offensively, Adam Sarauer went 3x5 and scored three runs, while Strobel and Dustin Doyle each had two hits in four trips to the plate. Both of them drove in a run, and Schill drove in two runs with his hit. Kewaskum has two games coming up this weekend. On Friday, the A's travel to Pardsville for an 8 p.m. Tri-County game, and Sunday, they entertain Hartford in RR action. All home games are played at the Kewaskum Kiwanis Park on the west side of the village off Edgewood Rd. Game time is 1:30 p.m.

UW-WC's Butschlick named President of State Athletic Association

Debbie Butschlick

Debbie Butschlick, Athletic Director at UW-Washington County was recently named President of the Wisconsin Junior College Athletic Association (WJCAA). The WJCAA is comprised of the 13 University of Wisconsin Colleges (2-year campuses) as well as seven Technical Colleges throughout the state.

Butschlick's duties include presiding over bi-annu-

al meetings; maintaining adherence to regional and state tournament rules and regulations; and nomination, selection and advancement of players for all the campus sports. WJCAA sports include: men's and women's basketball, golf and tennis; co-ed soccer and women's volleyball.

Butschlick served as Vice-President of WJCAA from 2002 to 2005 and also served as Interim President since 2005.

Butschlick has been employed as a Recreation Specialist at UW-WC since 1991.

She also coaches the women's volleyball, women's basketball and women's tennis teams. During this time, the volleyball team has advanced to state competition nine times, winning the state title in 1992, 2002 and 2003. The women's basketball team made three trips to state and was runner-up in 1991. The women's tennis team has advanced to state every year, since she started coaching (14 trips), winning the state championship in 1991 and 1996.

Gateway Gobblers hold youth turkey hunt

The Gateway Gobblers Chapter of the NWTF held their 2006 Youth Turkey Hunt over the weekend of April 8 and 9. This year's hunt provided 17 youth and one first time female hunter with the opportunity to harvest their first turkey. The results were excellent this year with 10 of the first time hunters harvesting their first turkey. The hunt took place on private lands in Fond du Lac, Washington and Sheboygan Co. A BIG THANK-YOU goes out to the mentors who took the time to take the kids out hunting, the private property owners who opened their land to the hunters, the New Fane Sportsman's Club who allows the use of their club house for the Youth Hunt Program and the following who provided food and equipment to the program, Jim Schaub, Jim Kreis, Dave Krueger, and Loehr's Meat Market. Romance and softball did mix in 1946

Great memories from their diamond days

The 1946-47 Kewaskum ladies softball team, shown above with their coaches, Bud Korth, left, and Homer Schaub, right, were not content to sit idle in the stands WATCHING baseball. They opted to PLAY the game and their many great memories were shared recently during a reunion of former players. Photo submitted by Doris Wesenberg

The topics were softball and the summer of '46 and '47 at a reunion of the Kewaskum girls team that took place last Thursday at Hon-E-Kor Country Club.

Five members of the '46ers, including one of the pitchers, the catcher, second baseman, an outfielder, and a utility player, were present, along with the team's coaches, Homer Schaub and Gilbert "Bud" Korth.

Memories may have been taxed a little bit when it came to scores and teams in their league, but Dorothy (Thom) Martin, Doris Wesenberg, Margaret Bingen, Mary Schaub and Lorraine "Tudy" Korth were all plenty excited to see each other and recall all the fun they had.

Bingen, who is 90 years old and was instrumental in organizing the get-together, came the farthest to attend. She lives in southern California and is currently visiting her son Dennis and his fam-

ily.

Many of the others have made Kewaskum their home for years and reminisced how playing on the softball team was an enjoyable and memorable experience.

For at least two of the players, Mary (Slesar) Schaub and Tudy (Honeck) Korth, the season not only produced wins and losses but lifelong romances.

"That's where I met her," Homer Schaub said of Mary, who was the catcher on the team. "I came home from the

service, and someone said they wanted to start a girls softball team, and that's how it got started."

"He (Homer) said, 'Hey you, catch,'" Mary Schaub recalls of what transpired at one of the early practices, and it turned out to be her introduction to her future husband.

Homer said his wife didn't always listen to what he told her to do, and at least on one occasion, it had a painful ending.

"I told her to wear a mask, and she didn't," Homer Schaub said. "She got hit in the head, and her glasses got busted."

A pair of new glasses weren't as expensive, however, as the diamond ring that was almost lost after one of the practices.

Bud Korth said he and Tudy had gotten engaged, and as the girls prepared to take the field, she gave him the ring to keep. "I took it and put it in my shirt pocket," Bud said, adding, afterward, when the team went for some refreshments, his future bride asked for the ring and when he reached in his pocket, "It was gone. I had lost it."

Korth said he went back to the ball diamond with a flashlight and started searching. "By God, all of a sudden something sparkled, and there was the ring."

Last week, Korth located Tudy's uniform in her cedar chest, and he washed it and had it on display at the reunion. It was a wine color with gold trim and had Rosenheimer written on the back.

"I had Rosenheimer Malt House on mine," Wesenberg said, and Martin recalled how "The whole town bought us uniforms. Mine was Shell Oil."

Martin said she normally played left field "and right field ... one or the other." She didn't think the team had a name but remembered trips to various communities in the area. "I know we played at Hingham because they were the only ones with lights."

"I was usually the shortstop, but I was all over," We-

senberg said about the positions she played. "One year we got a trophy ... that was 60 years ago."

There was no specific age specification for the players. Wesenberg said, "I was 16 or 17 years old. I got married when I was 18, and then my husband didn't want me to play any more."

The method of transportation to and from the games was a bit unorthodox. Homer Schaub and Bud Korth were certain they went to games in the back of a produce truck owned by Bingen's husband, Clarence.

Margaret Bingen thought it was a flat bed truck and couldn't recall if it was owned by her husband but remarked, "If you two say so, I believe you."

"I was a player of all trades," she went on. "If they needed a pitcher, I would pitch. If they needed a catcher, I would catch. I had a good time... a real good time."

"Oh God, we had fun," Homer Schaub, and Bud Korth said, "They weren't bad. They could really hit the ball. Afterward, we'd find a place to have a few drinks. That was part of the game."

What Korth recalls about Bingen was the way she always hustled. "She'd dive headfirst into the base," he said.

Martin said there wasn't a whole lot to do on Sunday afternoons, but the softball got lots of people involved. The team had a good following, and they all socialized afterward.

"The two romances were the highlights of the thing," Martin said.

Others who played on the team, who couldn't make the reunion or have passed away are: Barbara Falk, Doris Hoffman, Marcy Schleif, Mona Mertes, Vi Schreiber, Marion Mitchell, Beulah Koch, Violet Schmidt, Tudy (Terlinden) Becker, Bea Hafeman, Ione Terlinden, Mrs. Smoky Keller, Arlene Mertes, Valeria (Korberle) Strobel and Meta Rosel.

139.5 point is more than enough

Strong effort helps Indians end long drought

BY JUDY HARLOW
Statesman Correspondent
jharlow@kewaskumstatesman.com

It's been 21 years since the Kewaskum High boys track team last won the prestigious Vanderpan Invitational at Sheboygan Falls.

The year was 1985 — none of the Indians on this year's team had been born by then — when KHS put its name on the team trophy, but the long drought ended last Friday when the 2006 Indians claimed the title, scoring 139.5 points, 15 in front of Plymouth (124.5).

In what could be termed a balanced field, Southern Door finished third with 107, followed by Sheboygan North, 103.5; Sheboygan Falls, 90.5; Oostburg, 51; Cedar Grove, 43; and Elkhart Lake Glenbulah, 39.

"The boys were really excited to win the title," KHS coach Jerry Gosa said, indicating it is always difficult to make predictions on meets like this one, but having six first places and seven events with two place winners (in the top eight) was certainly a key to the championship.

Once again, senior Garrett Donath played a big part in securing the title, the second in two weeks by Kewaskum, which had captured the Altheimer title at Pewaukee last week.

Donath chalked up two individual firsts, two second places and helped the 4x400 relay to another first. He won the pole vault after clearing 12 feet, 3 inches (12-3), was first in the 200 meter dash with a personal best of 23 seconds flat (23.0) and came in second in the 400 (52.2).

"He's on the verge of going under 23 in the 200," Gosa said, reporting his 400 time was just .1 off his best.

Donath also led off the concluding relay, which finished with a time of 3:23.3. When asked if the team led right away, Gosa said, "No. Jake Sabel got us the lead," and Dan Dymond and Zack VanWormer refused to let anyone pass them.

"This was the first time Garrett has run with this relay since the indoor season," Gosa said, reporting for his efforts Donath was voted as the outstanding male athlete of the meet. "He got a real nice trophy," the coach said.

Two other Indian wins came in the discus and shot put, and there is quite a story behind Logan Staeger's top finish

in the discus with a best-ever toss of 150-3. "Logan was sick on Thursday, and he didn't look real well on Friday, but he came to school and wanted to compete. He got it (winning toss) on his last try."

Ross Stockhausen's 47-0.5 was good enough for first in the shot put, giving the Indians a sweep in the weights.

And Bob Gibson came up with a solid race to win the 1,600 in 4:44.8. "Bob ran a smart race," Gosa said. "He started his kick with over 300 meters to go."

Gibson finished just ahead of Vorpapel of Plymouth, who was clocked in 4:45.3.

Kewaskum had a pair of seconds, including Donath's run in the 400, just ahead of VanWormer who was right on his heels with a 52.3. Both were within .1 of their best time, according to Gosa, who said Luke Herriges finished second in the high jump after clearing 6-4.

Wegner of Sheboygan Falls went a reported 6-5, but later it was discovered the heights had not been measured at the correct time and may have been higher than they actually were.

Third places came in the following events; 4x200 relay, 1:36.7 (Chad Hackbarth, Justis Clayton, Dymond and Sabel), 4x100 relay (Hackbarth, Jake Turowski, Dymond and Sabel), 46.8; discus, Ben Boettcher, 131-7; and 3,200, Gibson, 10:30.9.

Boettcher added a fourth in the 110 high hurdles (18.3), and this was very important since the Indians have had troubles getting any points out of the event for years.

Junior Ray Koester helped with his seventh in the hurdles (19.3) and seventh in the triple jump (37-0.75) right behind Herriges' 37-6.

The KHS girls, paced by their sprint relays, and Erika Brock

in the shot put, placed fifth out of the eight teams with 78 points. Sheboygan North won easily with 154.5 points. Plymouth came in second with 118, and the host Falcons were third at 106.

Kewaskum had one first place. The quartet of Jenny Liniewski, Jenny Wicklund, Nichole Kison and Kelly Uelmen was the fastest 4x200 team in the field, running a 1:53.6.

"This was their best time of the year," Gosa said, adding three of the girls are freshmen, while Uelmen is the only sophomore on the unit.

Brock, ever consistent, placed second in the shot put at 34-8, while there were three thirds: Uelmen in the 100 (13.5), Kison in the 400 (65.3) and the 4x100 relay, including Jessie Forbes, Liniewski, Wicklund and Uelmen.

Gosa said Uelmen nearly didn't make the finals in the 100, with a slow start putting her in a tie for the eighth and last spot. In a runoff, she "dusted" the other girls, then redeemed herself with a good effort.

"Nichole Kison continues to do well," Gosa said, reporting she placed fourth in the long jump (13-10.75), and Liz Potter added a fourth in the 100 hurdles (18.2).

"Liz is starting to find her form in the hurdles," Gosa said. She is coming back off knee surgery from an injury she suffered last spring.

Kewaskum hosted a tune-up meet Tuesday and this coming Tuesday (May 16), the Indians are at Campbellsport for the Eastern Wisconsin Conference Track and Field Championships.

WOW! Indians come in with 58 in scramble

BY JUDY HARLOW
Statesman Correspondent
jharlow@kewaskumstatesman.com

This is starting to have the look of a very special season for the Kewaskum High golfers.

On Saturday, with less than ideal conditions, the Indians, currently in second place in Eastern Wisconsin Conference standings, combined for a sizzling 14-under-par 58 in the first annual Campbellsport Cougar Scramble held at the Auburn Bluffs Golf Course.

Members of the winning team were freshman Ethan Geidel, along with a trio of seniors, Jason Jahnke, Eric Cain and Chad Piwoni. They turned in a 28 on the first nine and a 30 on the back to finish two shots ahead of the Pius XI varsity reserve team.

Howards Grove finished third at 61, followed by Horicon, 62; Campbellsport 64, Grafton, 67; Shorewood 68 and Ozaukee 71.

"Despite the cool and windy conditions, we were able to tally 10 birdies, six pars and two eagles," coach Glenn Eichstedt said. "Each member of the foursome contributed significantly to the championship total," with Geidel coming up with "some booming drives and accurate approaches, Cain contributing some fine putting, Jahnke precision in pitching and Piwoni his overall game."

"Runner-up Milwaukee Pius and defending regional champions Howards Grove kept the pressure on us throughout the 18-hole competition," Eichstedt said. "The difference may have been that we managed to eagle the 478-yard par five third hole twice."

Originally Eichstedt had un-

derstood teams from Hartland Arrowhead and Milwaukee Marquette were going to participate, but they only sent JV team to the JV competition.

It didn't make any difference to the Indians who experienced a thrilling day with impressive results.

Members of the Campbellsport team were Austin Luchow, Craig Hatch, Austin Sarauer and Darnell Williams.

*** Last Wednesday, at the Rolling Meadows Golf Course in Fond du Lac, the Indians won the Division I title with 334 strokes but finished second overall as St. Mary's Springs, which was in Division 2, came in with a 325 total.

There were just six teams in Division 1 as Ripon did not show up, according to Eichstedt, who reported Mayville was second at 349, Winnebago Lutheran third at 353, followed by Horicon, 357; Campbellsport, 367; and Lomira, 397.

Janke was the Division I medalist with a 40-39-79. Overall he was tied for third place.

Junior Casey Scheel had a good day, posting an (42-40) 82, good for fifth place individually in Division I.

The other two KHS counters were Geidel at 84 and Cain at 89.

Campbellsport was led by Luckow's 41-47-88.

Parkers are lone net winners Indians lose

BY JUDY HARLOW
Statesman Correspondent
jharlow@kewaskumstatesman.com

Two Eastern Wisconsin Conference powerhouses were on the schedule for the Kewaskum High tennis team last week, and although the Indians lost to both Plymouth (0-7) and Sheboygan Falls (2-5), they did win two matches against the Falcons and both came in straight sets.

"Both Parkers played very intelligently," KHS coach Dan Ross said, referring to the 6-3, 7-5 victory by Dan Parker at No. 3 singles and the 6-4, 6-3 effort by Jeremy Parker at No. 4.

"There were two, three-set losses again, but I was definitely not upset with how we played," Ross said. "We battled them to the end, just came up short."

Junior Jacob Cochran took Christian Vollbrecht to a third set before falling 6-4, 3-6, 6-7 (3-7), while Travis Bryant and Kyle Stoffel at No. 1 doubles, playing what Ross called "their most consistent match of the year," were tipped 6-1, 1-6, 4-6.

Also, at No. 1 singles, Mitch Paulus "hit the ball very well against a very good opponent (Elliot Simez)," Ross said, adding, "I believe he was second in conference at No. 1 singles last year."

The KHS coach said, "We

played well. Effort, focus, everything was there across the board. Sheboygan Falls is a quality opponent (5-3), and we had a chance to beat them."

SHEBOYGAN FALLS 5, KEWASKUM 2

Singles: Paulus lost to Simez 3-6, 4-6; Cochran lost to Vollbrecht 6-4, 3-6, 6-7 (3-7); Dan Parker beat Jason Nack 6-3, 7-5; Jeremy Parker beat Eric Klug 6-4, 6-3.

Doubles: Bryant/Stoffel lost to Jake Arpke 6-1, 1-6, 4-6; Jeff Bannenberg/Alex Rauch lost to Avery Faul/Shawn Miller 2-6, 1-6; Max Paulus/Justin Graham lost to Garret Van Wyk/Sam Rotter 0-6, 2-6.

About Tuesday's loss to Plymouth, Ross said, "We did not play up to our abilities ... Much going on this week (prom, etc.) and some did not appear to have the proper focus. I will take the blame for this, and it will be corrected."

Mitch Paulus was the only Indian to go three sets and he ended up losing to Michael Flood in the third set by a score of 3-6.

"We feel to 0-7 in three-set matches in conference. This is really hurting us," Ross said.

PLYMOUTH 7, KEWASKUM 0

Singles: Paulus lost to Flood 4-6, 6-2, 3-6; Cochran lost to Zach Hall 1-6, 1-6; Dan Parker lost to Jordi Heginbottom 4-6, 5-7; Jeremy Parker lost to Jesse Eggert 0-6, 2-6.

Indians take 26th in Brown Port Invitational

Jason Jahnke and Ethan Geidel finished among the top ten individuals but the other Kewaskum High golfers struggled a bit resulting in a seventh place finish in the 26th Annual Brown Port Golf Invitational held at the Hawthorne Hills Golf Course near Fredonia.

Friday's 18-hole, five-man match was won by Brookfield East which came in with an impressive 383 stroke total, five ahead of Germantown. Cedarburg was third at 396 and then came Brookfield Central and Pewaukee, tied at 411. The Indians posted a 414, good for seventh in the 14 team field.

McDonald of Gemantown captured the medal with a fine four under par 68 with nine hole scores of 34 and 34. Next came West of Cedarburg with a 70.

Jahnke, who is having a very successful senior season, came in at 74, giving him sole possession of fourth place out

of the 60 players.

Geidel, the Indians talented freshman had an even-par 36 on the front side, but slid a little on the back, carding a 42, and giving him a 78 for the day. He was tied with two other players for tenth place.

Coach Glenn Eichstedt mixed up his lineup a little bit for this tournament inserting Andy McDonald, while leaving Chad Piwoni at home. McDonald responded with a 41-44 - 85, the same score that Casey Scheel turned in.

Eric Cain struggled Friday. His nine hole scores were 47 and 45 for a 92. Had he done better the Indians would have undoubtedly been among the top five teams in the competition.

Eichstedt said his team was within one shot of what they posted a year ago at the same meet, but Brookfield East's score was far better than the winning total last year, indicating the strong competition in the event.

After playing in two tournaments last week, Kewaskum returns to Eastern Wisconsin Conference action this week.

Doubles: Bryant/Nathan Bandy lost to Kevin Ferck/Colin Williams 1-6, 1-6; Rauch/Bannenberg lost to Charlie Brumer/Craig Kendall 2-6, 2-6; Paulus/Graham lost to Tony Passe/Kai Bachmann 3-6, 2-6.

Donath, Lady Titans sparkle

Move over defending champion UW-La Crosse. The UW-Oshkosh women's track teams is taking over as the dominant team in the WIAC (Wisconsin Intercollegiate Athletic Conference), and freshman Amanda Donath had a major role in the team victory.

On Friday and Saturday, the Lady Titans piled up 231 points to dethrone the Roonies, which came in with 195 points in what was a two-team race for the title. UW-Eau Claire finished a distant third with 118 points.

Donath, a standout at Kewaskum High the past four years, helped the 4x400-meer relay to first place with an excellent time of 3 minutes, 52.48 seconds (3:52.48). Others on the winning foursome were Nadine Pieske, Stephanie Sisk and Mandy Kozicki.

Pieske, a junior from Hales Corners, and Donath put on an incredible show in the open 400, finishing 1-2 in the event. Pieske's winning time of 55.45 was not only a UW-Oshkosh record but a WIAC record as well.

Donath hit the finish line in 55.91, which is a personal best for her. This spring, she has dropped at least two-three seconds off her previous best, and there is still the NCAA 3 Championships on the horizon. In the NCAA 3 Indoor meet, Donath won All-American honors for placing among the top eight in the 400.

Amanda is the daughter of Mike Donath and Debbie Donath.

Another Washington County athlete, Kelly Rehn of Hartford, helped the Lady Titans in their big effort. Rehn cleared 12 feet, 2.75 inches (12-2.75) in the pole vault, which is a school record.

Indians lose doubleheader

BY JUDY HARLOW

If Kewaskum softball coach Jeff Gosse has his way, there won't be any games scheduled the day before the junior prom is held.

"They didn't show up. The girls were not there mentally," Gosse said about his teams nine to five and six to two losses to Kiel Friday afternoon, a day before they were going to head for the big school dance.

About the only bright spot in the games according to Gosse was Courtney Uttech's hitting. Uttech went 2x3 in the two games according to the coach, who said the two losses put the Indians at 2-8 against eastern Wisconsin opponents and 3-11 overall.

The day before the twin loss, the Indians were up-ended by Campbellsport 14-4 in another EWC contest. Brooke Wodsedalek took the loss for the Indians. The winning pitcher was Mittelstadt. Kewaskum got good hitting efforts from catcher Marissa Dehler and infielder Bekki Heberer. Dehler had two hits in three trips to the plate while Heberer came up with three runs batted in.

On Tuesday the Indians were dominant over New Holstein beating the Lady Huskies by a score of 11-4. "We led the whole game," Gosse said, reporting Corrin Groth was the winning pitcher and helped her own cause by driving in a pair of runs. Tiffany Hedlund also put on a good offensive show, going 3x4.
