District students either proficient or advanced in many subjects

Kewaskum students test above state averages

By Andrew Kuehl
Statesman Managing Editor
akuehl@kewaskumstatesman

KEWASKUM- Kewaskum School District students are at the top of their game according to results of the first year Wisconsin Knowledge Concept Examination. The Wisconsin Department of Public Instruction released the results of the exam taken by 445,000 Wisconsin students in November.

The federal No Child Left Behind (NCLB) act forced school districts across the state to give standardized tests in reading and math to all third, fourth, fifth, sixth, seventh, eighth and 10th graders. Previous years saw only testing of students in grades four, eight, and 10.

Nearly every student in grades three through eight and in grade 10 took exams in reading and mathematics. Students in grades four, eight, and 10 also took exams in language arts, science, and social studies, as they had in previous years.

"At a district level, we have exceeded the state averages. We con-

tinue to be extremely competitive with the schools around us," stated Kewaskum's Director of Curriculum, Joannie Kalina.

Kalina went on to state that Kewaskum's test scores are very similar to those of students in West Bend. She pointed out that scores of Kewaskum High School students were particularly strong this year.

"Kewaskum's greatest strength is that we use the data to make (curriculum) decisions to continuously strive for improvement. We use it as one of many indicators of how our kids perform," she remarked.

"Every question for the new reading and math tests was customized and reviewed by Wisconsin educators. Test development over the past two years focused on ensuring that the tests reflect Wisconsin's academic standards and are consistent for federal No Child Left Behind accountability reporting," said State Superintendent Elizabeth Burmaster.

As part of the new testing program's design, the percentage of state students scoring proficient and advanced in grades four, eight, and 10 for

the "all student" group was matched to state student performance in previous years for federal NCLB accountability reporting. Results overall were generally solid and stable. Fourth-grade reading held at 82 percent of students statewide scoring proficient and advanced for three years.

"Overall, our WKCE scores were quite good. And for the most part that is as far as the numbers can take us - a general overview of our performance. It appears that we consistently scored better than the state average in most categories - as we would expect. But what I think is really telling is to explore the trends of the 8th and 10th grade scores in the key areas of Reading and Math," stated Board of Education President John Kenworthy.

He went on to say, "Looking historically at how our 10th graders have performed in Reading, we went from scores of 80% in 2002, to 76.1% in 2003, to 82.8% in 2004, and then a giant leap to 95.4% in the most recent test taken in Nov. 2005. This is an

Thrivent sponsors clothing drive

KEWASKUM- Spring is here and it is time to clean out those closets and dressers to make room for the new Spring fashions. Out with the old and in with the new!!

Thrivent Financial in Kewaskum is offering you an opportunity to recycle those old clothes, blankets, sheets, curtains and other fabric goods. They are conducting their 7th annual recycling clothing/fabric fund drive on Memorial Weekend.

All clothing/fabric collected will be distributed to people in need in this country and Third World Countries and/or recycled into rags or other fiber based products.

All people need to do is place items into Plastic Bags and drop off at the semi trailer which will be parked on Railroad St. by the police department in Kewaskum. If you have any questions, please don't hesitate to call me at 262-626-4829. Thank you in advance for your cooperation.

This project is sponsored by Thrivent Financial for Lutherans Kewaskum Congregation Coordinators and will benefit Red Cross and the Kewaskum Fire Dept.

Washington County Justice Center opens

Washington County employees and county board members opened the County's new Justice Center Monday, May 22 with a flag raising ceremony and the Pledge of Allegiance. See photos from inside the new Justice Center on page 19.

Library to get new sign in honor of David Stradtman

By Andrew Kuehl
Statesman Managing Editor
akuehl@kewaskumstatesman

The Kewaskum Public Library is receiving a new sign for their front yard and it won't cost taxpayers a dime. And, start looking for those overdue and lost books you've been dreading to take back to the library. Librarian Steev Baker says an Open House with an "amnesty" day is planned for folks with lost or overdue books.

Funds for the sign have been donated to the library through a memorial from the late David Stradtman. In addition to being a teacher at Kewaskum High School for 30 years, Stradtman was a library advocate and served on the library board for two years before his death on December 10, 2005.

"He had always wanted a sign so (library) patrons could see if the library was open or closed. He felt it was needed," stated his wife, Irene.

Baker says the 4' x 7' sign will be a double-sided sign perpendicular to First Street. "We ordered the largest sign we could get with the \$3,100 from

the Stradtman Memorial Fund," Baker said. The sign will say "Kewaskum Public Library" with a removable "open for reading" sign that will be attached when the library is open.

"First of all, I feel good about the fact that the memorial in Dave's name addressed a concern he had. Secondly, I shared his concern. It is difficult to tell whether the library is open. I think it will be useful to have there. Thirdly, I think it is a nice looking sign. It fits the Kettle Moraine motif that is used around the village," remarked Village President Matt Heiser.

The new sign is hoped to be up by July of this year. At that time Baker says he is planning an open house to dedicate the new sign and unveil the new library card design. The newly designed library cards will feature the library's Internet address.

"At the open house, we will offer patrons an "amnesty" day to return overdue or lost items," Baker announced.

The library board also brought on new member Michelle Paul.

Village Beautification project underway

The 15 village cement flower pots will be planted before Memorial Day by Kewaskum Women's Club members Joyce Schlieff, Joan Wszalak and Gwendolyn Dreher. The flowers were donated by the Village Parks Committee, the Kewaskum Area Chamber of Commerce and the Kewaskum Women's Club, who also donated the 30 American flags, to give Kewaskum a patriotic spirit. Please DO NOT take the flags.

Watering the flowers and maintenance will be done by Women's Club members and/or spouses, but if business sites would help to water that would be greatly appreciated.

Now is the time to get your yards ready for the Village Beautification Awards which will be chosen by members of the Kewaskum Women's Club on July 20. Awards will be presented at the Village Board meeting on Monday, August 7 at 8 p.m.

Special thanks to David Tennies of Tennes Ace Hardware, Kewaskum for ordering the flowers. Also a special thank you to Jeanne Moe and Thrivent for Lutherans for planting flowers at

the welcome sign on Riverview Drive. Thanks to volunteer Mrs. Petri and Mrs. Weddig for watering flowers also.

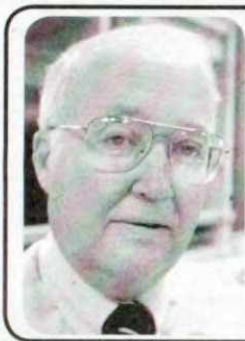

Do your part to help keep our village a beautiful place to live!

Town & Country Burglarized

Kewaskum Police Department is investigating a burglary at Kettle Moraine Town and Country on Trading Post Lane in the Village.

Burglars entered the building sometime between the close of business Wednesday, May 17 and before opening Thursday, May 18.

Police Chief Dick Knoebel is urging anyone who may have seen suspicious activity to contact his department at 262-626-2323 or you can contact Washington County Law Enforcement Tipline at 1-800-232-0594

DNR Issue

By Matt Pommer

Republican gubernatorial candidate Mark Green wants to split the Department of Natural Resources. It's another move in presenting a broad alternative to Democratic Gov. Jim Doyle.

The merger of agencies into a single Department of Natural Resources some 40 years ago was one of the major achievements of three-term Republican Gov. Warren Knowles. The idea had been championed by a commission headed by Neenah industrialist Bill Kellett.

In the mid-1990s the Legislature, briefly controlled by Republicans, moved the power to appoint the DNR secretary from the citizen's board to the governor's office, something requested by GOP Gov. Tommy Thompson. Some would suggest that allowing governors, regardless of party, to appoint the agency head opens the door to political decisions.

But Green's suggestion to again divide the agency could be equally as controversial. Creation of the DNR created a storm four decades ago when the Legislature adopted the Kellett recommendations.

Green also differs with Doyle on the death penalty

chief law enforcement official. Green, who is in the U.S. House of Representatives, bills himself as a leader on criminal justice issues both in his years first in the Legislature and later in Congress.

Green's record in the Congress will certainly be an issue in the upcoming election. A reform group, the Wisconsin Democracy Campaign, recently issued a statement saying Green voted to make it harder for ethics violations by the House Ethics Committee, made it harder for criminally charged congressmen to lose their jobs, and to slow an investigation of then House Majority Leader Tom Delay.

Why all the focus on these issues? Usually the biggest issues in a gubernatorial campaign deal with taxes and spending. But Doyle has kept his first term promise not to

raise taxes. In the last two years some taxes have been scaled back by Doyle and the GOP Legislature. The automatic increases in the state gasoline

tax, which stretch back to the early 1980s, are gone and in 2008 any state income tax on Social Security benefits will end.

which Green supports. Wisconsin hasn't had capital punishment for 150 years, but the issue is on the November ballot in the form of a nonbinding referendum. Doyle opposes the death penalty as do numerous religious groups such as the Wisconsin Catholic Conference.

Before being elected governor, Doyle served 12 years as attorney general, the state's

impressive move in a very formidable direction, but our native excitement must be tempered somewhat by the realization that each class has its own demographic - the 10th graders of 2003 may not have had the same proportion of achievers as does the most recent class. Each class has its own group personality and intellect. In 2003, when these current 10th graders were then eighth graders, they were already achieving at a strong Reading level - 92.6%. In this light, the increase for this class is still obviously positive, but perhaps not as marked as previously indicated,"

Kenworthy concluded, "Comparing the Math scores of those same consecutive

scores went from 79% to 79.2% to 86.1% and then a slight dip to 85.4% in 2005. However, when we look back at the current 10th grade class and see how far they have come, we realize that the very same students who achieved the 85.4% had previously scored an underwhelming 68% in 2003. This class moved up 17.4% in two years! That is remarkable. What seemed to be an insignificant decrease was actually a stalwart increase."

Burmester urged caution in comparing test scale scores or scale score averages from prior years to the 2005-

06 data. Changes to the testing program necessitated a new scoring scale and required careful efforts to keep proficiency levels as consistent as possible with proficiency standards set by Wisconsin educators in February 2003. While the numbers are different, the temperature or in the case of the WKCE proficiency levels, student performance, is the same.

Kalina stated staff has been given the results of the test. During summer break, administrators will attend a district data retreat so they can work with staff before students arrive for the next school year.

PERSPECTIVES

Letter to the Editor:

The Kathy Hospice began receiving patients in February of this year. In a very short time the hospice and the outstanding staff have provided vitally needed assistance to terminally ill patients and their family's right here in our community. The Hospice provides the comforts of home while addressing the medical, physical, spiritual and emotional needs of patients and their families.

We are raffling off a house for the the 2nd straight year. The Dream House valued at \$360,000 or \$250,000 in cash is being raffled off. The house is located in the Westminster Place Subdivision (the same as last year) at 1607 Buckingham Lane. The drawing will take place on June 14, 2006 at 5:00 pm. Besides the house there are numerous cash prizes.

I want to thank everyone that has contributed to The Kathy Hospice. We are attempting to raise funds for \$1.5 million endowment, so we never have to turn anyone away for financial reasons. I urge you to support The Kathy Hospice and the Dream House Raffle.

Sincerely,
Ronald A. Komar
(Kathy's husband)

Citizens of the town of Wayne:

The time has come to make you all aware as to what is going on with our Town Board. It seems as time goes on the concerns and opinions of the town's residents are becoming ignored more and more. The problems begin at the public meetings where our right to speak on issues that directly affect our quality of life and the future of the Town are being ignored.

The last several meetings CHAIRMAN Herriges has cut short the public comment agenda item because he doesn't like what he is hearing. This takes away the Democratic right we all have to have our voices heard whether you like what is being said or not. This also was the case when acting CHAIRMAN Kriewaldt chaired a recent meeting in this instance the undeserving residents were required

to pass notes to his almighty-ness.

We are losing our rights of Democracy; these people are taking away our rights and running our local government as a dictatorship.

Recently 100 plus of the town's people attended a meeting concerning a pending subdivision. The turnout was so good the meeting was held at the elementary school where at least 90% of those attending were there to show support to not approve the subdivision. Did the board carry out the wishes of the people? No not even close. The planning commission voted unanimously to not approve the rezoning request made by the developer only to have Mr. Kriewaldt make a motion the following evening to grant the rezoning. Thus going against not only the Planning Commission (of which he is a member) and the over 90% of people surveyed who are not in favor of scattered site subdivisions. Where is the Democracy in this decision?

Now in Mr. Kriewaldt's latest feat he wrote an article in the West Bend News about not letting the people decide on the fate of the PDR program. My question to him would be did you let the people of the Town of Wayne decide the fate of their township or did you make that decision for us. I think the answer is clear. Mr. Herriges and Mr. Kriewaldt your lack of respect for the

rights of the people of the town can result in only two options as I see it; resign your positions on the board or the people WILL have the final word by RECALL. Rest assured this time we will not be ignored.

Scott and Dawn Weiss

To the Editor:

The excitement of the Washington County Fair is getting closer. 4-H'ers, youth of the county and adults are preparing to exhibit at the fair.

The Washington County 4-H Leaders Association

sponsors the Silent Auction. We invite all those who are interested in 4-H to donate items for the auction. Types of articles are: antiques, tools, certificates for services, books, baskets full of related items, school supplies and other new items. Bring donated items to the Pavilion at the fair at the first days of the fair. They'll be put on display near a sheet with lines for bidders' names, phone number and the bid. The bidding ends on Sunday afternoon. Bid high and bid often.

All proceeds from the auction go to the Leaders Association for training of youth and leaders, scholarships, trips

and camperships.

An alarm clock will signal the end of bidding about 4 to 4:30 on Sunday afternoon. Our committee will announce when we are ready for you to pick up and pay for your items. Please come to pick up your items at the fair, or have a neighbor or relative get it for you or it will be taken to West Bend and will require many phone calls.

We look forward to a successful auction this year. With your help it can happen!

Sincerely,
Marge Slaughter

SynergyHealth Foundation sponsoring house raffle to benefit Kathy Hospice

This home could be yours if you are the lucky winner in SynergyHealth Foundation's Dream House raffle.

Statesman photo: Andrew Kuehl

WEST BEND- Due to the high rate of success of last year's house raffle for The Kathy Hospice, SynergyHealth Foundation is again sponsoring a house raffle in partnership with Winfield Homes. The grand prize-winner will walk away with a "dream home" valued at over \$360,000 or a \$250,000 cash prize.

All net proceeds will benefit The Kathy Hospice, an eight-bedroom residential hospice; the first of its kind in Washington County that opened in February 2006. The Kathy Hospice, is located at 3232 Pleasant Valley Road, on the site of St. Joseph's Hospital, northwest of Highway 45 and Pleasant Valley Road. The Kathy Hospice provides care and comfort in a home-like setting for individuals diagnosed with a terminal illness.

Tickets for the home located at 1607 Buckingham Lane in West Bend costs \$75 each or three for \$150 in a single purchase. There is no limit to the number of tickets a single individual can purchase. The maximum number of tickets to be sold in the raffle is 10,000.

More than one person may share in the raffle ticket purchase. Title to the property or the distribution of the cash prizes shall be taken in the name/names as they appear on the ticket stub.

Including the grand prize, there are 90 prizes. Second prize is \$10,000, third prize is

\$5,000, fourth through 10th prize is \$1,000. Other prizes include \$500, \$250, \$150, \$125 and \$100.

Tickets can be purchased by phone using a VISA or MasterCard 24 hours daily by calling 262-306-7887. A ticket order form is available through The Kathy Hospice Website, www.kathyhospice.com. St. Joseph's Hospital lobby and all West Bend Clinic locations also have tickets available.

Tickets can be purchased, while quantities last, from now until midnight, June 11. If available, SynergyHealth Foundation reserves the right to sell a limited number of tickets on the day of the drawing, at the Dream House. Winners will be picked by a random drawing at the house on Wednesday June 14 at 5 pm. Winners need not be present to win.

Any winner of a prize in this raffle is subject to all Federal and State Tax Laws as it applies to the amount of the prize awarded. All such taxes must be paid in conjunction with Internal Revenue Service rules and regulations. Winners of any prize, including the Dream House, will be required to provide a Social Security number/federal tax ID number, one form of picture identification, and complete and sign a W-9 form.

The winner of the house is also responsible for all closing costs involved with acceptance of the real estate (i.e. closing

costs, title and transfer fees and any taxes and insurance due). Winner will take possession of the home 60 days from the date of the drawing.

If a minimum number of 5,750 tickets are not sold, SynergyHealth Foundation reserves the right to cancel the raffle. Organizers of the raffle say anyone purchasing a single ticket has a one in 111 chance of winning the house or one of the 90 cash prizes.

SynergyHealth Foundation is the philanthropic "branch" of SynergyHealth. Its purpose is to raise, manage, and disburse funds for community-based health care programs and the SynergyHealth Endowment Fund.

Winfield Homes is a designer and builder of homes in a seven-county region, with most clients in Fond du Lac and Washington County. Winfield Homes currently has offices in Jackson and in Fond du Lac.

Campbellsport Police to present Internet Safety for Children to area parents

In an effort to combat online children predators Campbellsport Police Chief Randy Karoses has decided to educate the people in his community.

His department is sponsoring an adult only presentation on Tuesday, May 30, 2006 at 6:00 pm Campbellsport Public Library Meeting room.

Karoses asks anyone interested in attending the program to please register beforehand. Registration can be done online at www.I-Safe.org by calling the Campbellsport Police Department at 920-533-5391 or by emailing the department at cpd53010@yahoo.com

Alarming statistics indicate that one in 10 children are sexually solicited through the Internet. In less than 45 minutes, a seasoned predator using widely available and free tools may be able to get many of your child's personal identifiers (i.e., full name, home address, sibling names, likes and dislikes and school location).

In this forum the presenter will show an offender list depicting the employment, age and child contact information of over 400 convicted child predators. Participants will learn what makes these predators tick and the tricks they use to reach their victims.

Much of the presentation is based on actual cases, discussion on how the outcome of the events could have changed if some basic protective steps had been taken.

Information will be presented on how parents can become involved in educating other parents and children about Internet Safety and the resources available to get the message across.

Finally, what is being done at the Campbellsport School District to help keep children

safe will be addressed in addition to what parents can do at home. This presentation is only for adults as there will be sensitive information shared.

The presenter, Tom Hafemann has been the Network Administrator for the Campbellsport School District for the past three years.

He maintains a few passions: children, computers and coffee. In the early 1990's, he had a tour of duty during Desert Storm aboard U.S.S. Nevada (Gold) SSBN 733, as a Sonar Technician (Submarine).

Tom attained his Bachelors of Arts in Youth Ministry and Biblical studies from Trinity International University. Tom also has many computer industry certifications including (CNE) Novell Certified Network Engineer 5 and 6, (MCSE) Microsoft Systems Engineer 2003, Cisco Certified Network/Design Professional (CCNP/CCDP), Linux Professional Institute Level 1 (LP1), and many others.

In 2002, Tom began his pursuit in educating parents, students, and community organizations about the dangers of unmonitored, unfiltered, and unknowing Internet activity by holding many Internet Safety of Children presentations. He is a part of several organizations including High Tech Crime Investigation Association, www.I-Safe.org and Perverted Justice www.pervertedjustice.org

Lions Club announces World Affairs Seminar attendees

Emily Aycock

The Kewaskum Lions Club is pleased to announce the selection of Emily Aycock and Lauren Hautamaki to attend the 30th World Affairs Seminar. The seminar will be held at the University of Wisconsin -Whitewater, June 17-23, 2006.

The World Affairs Seminar is a unique, high energy educational program for high school students which provides a forum for future leaders to be introduced to some of the most perplexing global issues and problems. It enables students from around the world to come together to study and discuss these issues. Participants also learn about each others customs, traditions, opinions and aspirations. The daily schedule con-

Lauren Hautamaki

sists of lectures, films, small group discussion sessions and opportunities to participate in social and recreational activities across the campus.

Last years participants, Mandy Kearns and Matt Rinzel, felt that the seminar was a great opportunity to meet people from around the world and learn more about their countries and cultures.

Emily is the daughter of Beth and Roy Aycock, and Lauren is the daughter of Star and Jeff Hautamaki.

The Kewaskum Lions hope that this experience will help students search for peace through understanding.

The theme of this year's seminar is "Global Leadership, Rising Powers: Who Counts?"

Schmitt honored by Achievement Academy

The United States Achievement Academy announced recently that Heather Schmitt from Allenton has been named a United States National Award Winner in Physical Education and English.

This award is a prestigious honor very few students can ever hope to attain. In fact, the Academy recognizes fewer than 10% of all American high school students.

Heather, who attends Kewaskum Middle School, was nominated for these national awards by Jeff Grotenhuis a teacher at the school. Heather will appear in the United States Achievement Academy's Official Yearbook which is published nationally.

"Recognizing and supporting our youth is more important than ever before in America's history. Certainly, United States Achievement Academy winners should be congratulated and appreciated for their dedication to excellence and achievement," said Dr. George Stevens, Founder of the United States Achievement Academy.

The Academy selects USAA winners upon the exclusive recommendation of teachers, coaches, coun-

selors, and other qualified sponsors and upon the standards of selection set forth by the Academy. The criteria for selection are a student's academic performance, interest and aptitude, leadership qualities, responsibility, enthusiasm, motivation to learn and improve, citizenship, attitude and cooperative spirit, dependability, and recommendation from a qualified sponsor.

Heather is the daughter of Steve and Sue Schmitt of Allenton. Grandparents are Alfred and Rita Schmitt of West Bend and Mary Lou Desrosier of West Bend.

THANK YOU!

A special thank you goes out to all these wonderful sponsors for this year's Modern Woodmen of America's Camp 2233 matching funds. Sometimes in life we forget to say thank you. Hopefully we didn't forget anyone. Together everyone made a difference. Thank you to everyone that donated money, prizes, bought a candy bar, spaghetti dinner, attended the card party or bought a raffle ticket. This is a list of businesses that donated a prize for the card party, spaghetti dinner or had your donation matched.

Spend summer at the YMCA

The Kettle Moraine YMCA is accepting registration from June 5 through June 18, 2006 for the Summer Session; which runs June 19 through August 12, 2006.

There are many different activities, events and classes to fit all ages and abilities. Kettle Moraine YMCA located at River Shores has all new fitness classes this summer specifically designed for the beginner exerciser. Some of the classes available at the Kettle Moraine YMCA are listed below; for a complete list of the program guide, visit www.kmymca.org:

Splash and Gymnastics Camp: Registration for this 5-day camp runs June 19 through June 23, 2006 and can be combined together or as separate camps. Splash is a swim camp for beginners in K5 through 4th grade, and meets daily from 9:15-10:00 am or 1:45-2:30 pm and costs only \$5. This can be paired with Gymnastics Camp designed for all ages. This camp is a fun way for gymnasts to learn new skills, make friends, play games and make crafts. Cost is \$69 for YMCA members, \$89 for community participants and meets daily from 10:00-1:30 pm.

Youth Golf: Four week sessions designed for the new to the intermediate young golfer. This program is offered in

two sessions; first session is designed to allow beginner golfers to learn the fundamentals while the second session is designed to take them to the next level. Individuals can sign up for one or both classes.

Beginner Golf- June 19-July 10, 2006; MON 10:00-11:00 am

Intermediate Golf- July 17-August 7, 2006; MON 9:00-Noon

Swim Lessons for all Levels: Swim lessons are available for parent/child, youth, and adults of all skill levels. To accommodate family vacation, there are three sessions available.

8-week session (June 19-August 12, 2006)

2-week sessions (June 19-July 13, 2006 and July 17-August 16, 2006).

Art Appreciation: Appreciate art for what can be seen. Paint, draw, sculpt and cray pas at the Y. Enhances preschoolers perception of what art is.

MON 10:00-10:45 am; \$36 member, \$61 community Participant

Let's Have a Ball: A fun and quick way to tone and strengthen your body by using the stability ball throughout your entire workout.

THU 6:00-6:30 pm; Free for members, \$56 for community participants

Trekking: Take an outdoor trekking class while enjoying the sound of nature and walking the ground around River Shores.

WED 9:00-9:30 am; Free for members, \$56 for community participants

Take me out to the ball game

Members of Modern Woodmen Camp 2233, their families and guests are invited to a Timber Rattlers baseball game on Saturday, June 24.

Those attending will meet at C.C. Cody's Restaurant, 154 West Main Street in Campbellsport at 4 p.m. The price will include the coach bus ride with beverages and door prizes, a tailgate party with brats, burgers and refreshments, and your game tickets.

The cost to attend is \$30 for anyone age 10 and up and \$25 for children age nine and under. Patio seats are available for \$35. A drawing will also be held for a family door prize.

If you would like to join the fun, contact District Representative Jeff Jaeger at 626-4139 before June 2.

Birds of Prey program June 3

The Summer Saturday Evening Events at the Kettle Moraine State Forest - Northern Unit continues with the program, "Birds of Prey." The program will be held on Saturday, June 3, from 7:00 p.m. to 8:30 p.m. at the Henry S. Reuss Ice Age Visitor Center. The Ice Age Visitor Center is located off of Hwy 67 half mile west of Dundee. The program is free, but donations are always gratefully accepted.

On a warm day, you observe a large bird soaring and climbing ever higher into the sky and you wonder what bird could it be. It just might be one of the birds of prey doing some hunting. Thanks to these amazing sky hunters, rodent and other small mammal populations are kept in check and thus from eating too much grain meant for human consumption.

Join Barb Harvey, a long-time birds of prey rehabilitator, as she introduces us to bueos, accipiters, falcons, owls and vultures, which are all considered birds of prey. She will be bringing several live birds for you to meet and to examine close up. She will also share insights into how

these amazing sky hunters do their jobs, what their habitat needs are and what threatens their survival. It's sure to be a fascinating evening of discovery about Wisconsin's incredible feathered hunters.

For further information or directions, please contact forest staff at the Ice Age Visitor Center. The center's phone number is (920) 533-8322 and is open Monday through Friday from 8:30 a.m. to 4:00 p.m., and on Saturday and Sunday from 9:30 a.m. to 5:00 p.m.

TLC to hold car wash

Don't drive around those mud puddles and rain filled pot holes - drive through them! Teens Living in Christ (TLC), the youth group from St. Lucas Lutheran Church, will be sponsoring a car wash on June 3 from 10 a.m. - 2 p.m. at Tennes Ace Hardware. The cost of the car wash is \$5 for all vehicles. Vacuuming will be offered for an additional \$2. No rain date has been set.

Proceeds from the car wash will help fund future TLC programming and offset the cost for those teens attending the WELS Northern Wisconsin District Youth Rally at the Green Lake Conference Center, June 15-18.

Rummage through Kewaskum for great deals this Saturday

Rummage sale weekend is almost here. Have you practiced your price fanagling skills? Got the trunk cleaned out yet? If not, better hop to it, The Kewaskum Area Chamber of Commerce is again sponsoring their annual village wide rummage sale this Saturday, May 27.

Even if rummage sales aren't your thing, you can still come for the food. Chamber officials are encouraging ev-

eryone to get involved. "You may set your own times and if you choose to include additional days to your sale, please do," stated Joyce Kral, the one woman chairperson of the Rummage Sale event.

The Chamber and The Statesman Weekly Newspaper will have maps that will be distributed the day of the sale at Chamber member businesses.

For complete listings

of sales in the community, please see the rummage sale section in this edition, pages 23-25.

What would an event in Kewaskum be without the food? The Kewaskum Area Chamber of Commerce will host a brat fry in front of Kewaskum Mobil and Friends of Kewaskum will be having a Mexican cookout in front of The Statesman.

Paws, Claws, Scales and Tales Summer Reading Program at C-sport Library

This year's summer reading program for children ages 3 to 12 promises to be entertaining and educational.

This summer the Campbellsport Public Library is encouraging children to spend some of their summer time reading and doing other learning activities. In order to earn reading tickets that can be exchanged for great prizes, children will be asked to read at least, 10 to 20 minutes three times a week. This year they can include a visit to the Library, attending Library programming, doing a project at home or writing as their time put towards reading and learning. Ask the Librarians for further details and project ideas.

Programming for older children this summer will feature guest speakers who will explain to the children what they do in their jobs to help animals. Younger children will be invited to the Library for programming that

features stories and activities that highlight different animals. Please see the calendar for more details.

Special features this summer will include a craft day on July 5 from 10:30 to 1:30. Kids of all ages are invited to create imaginative animals from paper plates. On July 12 at 10:30 everyone is invited to come and see Green Bay's NEW Zoo "ZooMobile." This program will feature an array of zoo animals that kids will learn about and even touch! On July 19 at 10:30 the Balloon Kid will be there to create balloon animals for kids ages 3 to 8.

Children are asked to sign-up for this program anytime the Campbellsport Public Library is open during the week of June 5th to the 9th. When kids sign-up they will receive a free book bag and book mark, their reading logs, and a schedule of events. The first day of programming is Wednesday, June 14th. A

story hour all about frogs will be held at 10:30 am for children ages 3 to 7. At 1:00 pm children ages 8 and up are invited to come and learn all about Wisconsin Marsh Lands from DNR Wildlife Biologist Greg Olson.

If you have any questions, please call the Campbellsport Public Library at (920) 533-8534, or stop in at 220 Helena Street. They are open Monday, Tuesday, and Thursday from 12:00 to 8:00, Wednesday from 10:00 to 6:00 and Friday from 10:00 to 5:00.

Wildlife of Wisconsin program June 10

The Saturday Evening Events at the Kettle Moraine State Forest - Northern Unit continues with the program, "Wildlife of Wisconsin." The program will be held on Saturday, June 10, from 7:00 p.m. to 8:30 p.m. at the Henry S. Reuss Ice Age Visitor Center. The Ice Age Visitor Center is located off of Hwy 67 half mile west of Dundee. The program is free, but donations are always gratefully accepted.

Wisconsin is home to an amazing variety of wildlife from tiny shrews and hummingbirds to large whitetail deer and turkey vultures. As the human population of our state increases and uses more and more resources, animals face very difficult challenges

to find homes that will meet all their basic survival needs. Through the use of non-releasable educational animals and other props, the staff from the Pine View Wildlife Center will share fascinating facts about some of our state's wildlife species. They will also provide tips on how us humans can better coexist with our wild neighbors.

For further information or directions to the Ice Age Visitor Center, please contact forest staff at the Ice Age Visitor Center. The center's phone number is (920) 533-8322 and is open Monday through Friday from 8:30 a.m. to 4:00 p.m. and on Saturday and Sunday from 9:30 a.m. to 5:00 p.m.

Induction ceremonies were conducted Thursday evening, April 30, for new officers of the Kewaskum Key Club. Selected on the basis of service, character and leadership, the present officers stepped down after turning over their duties and pins to the incoming officers. Kiwanis president Robert Getter, congratulated current officers Patricia Sleger, Laurie Lemke, Laurie Kougl and Ken Fellenz for their outstanding work throughout the year. Kiwanis secretary Robert Borch conducted the induction of the new officers elected February 19, namely: President, Scott Buchel; Vice President, Mary Sleger; Secretary, Carol Lehmann, and Treasurer, Craig Rosenthal. Key Clubber of the Year was awarded to two outstanding Key Clubbers this year, Jane Russell and Allen Zwiig.

Kewaskum High School musicians received two firsts, 12 seconds and two thirds at the State Solo and Ensemble Contest last Saturday, May 2, at Whitewater. Shelly Hamernik, singing the soprano solo, "Sheep May Safely Graze," and Patti Sleger, singing the soprano solo, "La Pastorella sur Prima Albore," both received firsts.

Karen Nigh, daughter of Mr. and Mrs. Vincent Nigh, Kewaskum, and Tony Strigenz, son of Mr. and Mrs. Anthony Strigenz, Kewaskum, have been named recipients of the Dr. R.G. Edwards Scholarships for Kewaskum High School. Laurie L. Lemke, daughter of Mr. and Mrs. Jack Lemke, West Bend, has been named recipient of the Arlette Edwards Art Appreciation Scholarship at Kewaskum High School.

Laurie Lemke, daughter of Mr. and Mrs. Jack Lemke of West Bend and Barbara Wilson, daughter of Mr. and Mrs. Lawrence Wilson of rural Kewaskum, have been chosen as Kiwanis students for the month of April.

A daughter was born to Bruce and Vicki McElhatton, West Bend, on April 28. Paterman grandparents are Mr. and Mrs. John D. McElhatton of Kewaskum. Daughters were also born to William and Marilyn Koehne, Kewaskum, May 1, and to Ronald and Marjorie Stommel, Theresa, on April 19.

A son was born to Jeffrey and Jean Reigle, West Bend, on May 3. Paternal grandparents are Mr. and Mrs. James D. Reigle of Kewaskum.

The Kewaskum Area Chamber of Commerce is sponsoring a "Spring Fling" promotion sale this Friday and Saturday, May 15 and 16. Participating merchants invite shoppers to take advantage of the many bargains and discounts on merchandise and food which they are offering. This special sale gives everyone the opportunity to shop in "friendly Kewaskum."

On Sunday, May 10, 11 young people were confirmed at

St. John Lutheran Church, New Fane, by Vicar Robert Lindau. Those confirmed were Denee Ahrens, Brian Bartelt, Donna Butzke, Tom Cochenet, Connie Coulter, Mike Ehnert, Sue Fischer, Chris Heberer, Brad Kasseckert, Kim Key and Randy Roesel.

Debra Prunty, daughter of Mr. and Mrs. Douglas Prunty, Allenton, and Mark Hupfer, son of Mr. and Mrs. Matthew Hupfer, West Bend, have been named recipients of the Kewaskum Junior Woman's Club Scholarships for 1981.

Marine Pfc. Mark R. Groeschel, son of Roger and Judith Groeschel of Kewaskum, has been promoted to his present rank while serving at Marine Barracks, U.S. Facility, Subic Bay, Philippines.

Carrie Dreher, daughter of Mr. and Mrs. Al Barutha of Kewaskum, and Steve Yahr, son of Mr. and Mrs. L. Curtis Yahr of rural Kewaskum, have been chosen as Kiwanis students for the month of May.

Paul McFadden, son of Pat and Margaret McFadden has been awarded a scholarship to Point Music Camp this summer by Moraine Musicians. Ken Fellenz, a senior at Kewaskum High School, has won the 1981 United Orchestra Leaders scholarship. Andy Eisenmann, sophomore at Kewaskum High School, has been awarded the Junior Woman's Club 1981 music camp scholarship.

Kewaskum can be very proud of five young ladies from Cadette Girl Scout Troop 72. Brenda Kober, Chris Bodden, Ellen Beisbier, Dandy Klein and Laurie Grahl have just finished a year's work on the Marian Medal, the highest Catholic award for Girl Scouts.

A daughter was born to Ronald and Susan Schmitz, Kewaskum, on May 11. Maternal grandparents are Mr. and Mrs. Orv Behnke of Kewaskum. A son, Nicholas Allen, was born to John and Brenda Klotz, Campbellsport, on May 3. A son, Charley Harold, was born to Mr. and Mrs. Terry Polnow, Campbellsport, on May 4, and a son was born to Daniel and Mary Nimitz, Campbellsport, on May 6.

Construction is now underway on a 110 by 190 foot addition to the Regal Ware, Inc. plant in Kewaskum. The aluminum cookware manufacturing plant has purchased approximately 18 acres of land adjacent to its present factory to build the new unit. The land for the new building was acquired from August Bilgo and is located at the southeast corner of the present plant. The new addition, which is expected to be completed some time next fall, is the tenth major such undertaking since J.O. Reigle purchased the Regal Ware firm.

In conformity with the prices of neighboring barber shops, local barber prices will

be increased starting on May 15 as follows: Haircuts \$1.25 and shaves 65c. Children's haircuts will remain at 75c except on Fridays and Saturdays when they will be \$1.00.

Seventeen months ago it was a buffalo hunt that received much publicity and attracted hundreds of persons to Joe Fahn's Kettle Moraine Lake resort (formerly Round Lake). Tuesday it was a floating island that made the headlines for Fahn. Recent heavy rains raised to an all-time high the level of the lake and caused a three-acre chunk of west shoreline to float away. Aided by Monday's wind, the new island with pine trees 30 feet tall, bobbed half a mile to the south shore where a portion of it covered frontages of eight cottages. Tuesday the wind shifted and so did most of the island, which was blown across the lake onto the bathing beach of Fahn's resort.

A daughter was born to Mr. and Mrs. Donald Quaes, Kewaskum, on May 13. A daughter was also born to Mr. and Mrs. Alfred Holzman, Kewaskum, on May 15.

The residence on the Degner farm about two miles east of Kewaskum was totally destroyed by fire last Saturday afternoon. The conflagration which was caused from a chimney fire started at about 3 p.m. and in a short time the whole building was in flames. The loss is about \$2,000 with \$1,030 insurance.

Mat. Bruhy and William Schultz received 20,000 rainbow trout from the Wisconsin State Fish Hatchery last Thursday, which they deposited in the creek south of Kewaskum.

A change in the design of the small bronze cent, which has made its appearance each year since its adoption in 1864, is being considered by a congressional committee and experiments are also under way looking to the use of a new metal, either pure nickel or aluminum, to take the place of that now used, which is 95 per cent copper and five percent of zinc.

Area American Legion Posts will mark Memorial Day with ceremonies

On Monday, May 29, 2006, the Robert G. Romaine Post No. 384 of the American Legion will hold their annual Memorial Day Parade and ceremonial program in Kewaskum.

The parade to honor those who gave their lives will be held at 9:30 a.m. It will begin at Kewaskum High School and proceed to the American Legion on Fond du Lac Avenue in Kewaskum.

All Legionnaires, fire department members, Boy Scouts, Girl Scouts, 4-H and youth groups, civic organizations, etc. are invited to march in the parade honoring our war dead. Participants are asked to meet at the high school at 9:15 a.m.

The parade route is from the high school to Third Street, south along Parkview, to Main Street, west on Main Street to Fond du Lac Avenue and north to the Legion grounds where the ceremony will then be held.

In case of rain, the program will be held in the high school auditorium. Marching groups will assemble in the halls and march into the auditorium.

The Memorial Day address will be delivered by Corporal Rebecca L. Plimpton.

The Memorial Day Program follows:

Master of Ceremonies -

Mike Paul.
Pledge of Allegiance by all.
Star Spangled Banner -
Kewaskum High School Band.
Invocation - Rev. Erick Kirkegaard

Next to Christmas, Decoration Day was the biggest event in Fillmore

"...Next to Christmas, Decoration Day was the biggest event in Fillmore. ...The band assembled in the shade of the box elder trees as the teachers steered the children to their proper place in line. Civil War veterans came first. Most of them were very old, but determined to march one more time. Next came the newly discharged World War I veterans. At the roll of the drums, we were off..." written by Melva Birkholz who was born in Fillmore, 1911.

"I recall (with pride) when my dad would ride Bell, his favorite farm horse that he would have decorated with red, white and blue ribbons in the Fillmore Memorial Day Parade. He would have her tail braided with ribbons too. As soon as the music started, Bell would go into a dancing

prance. Dad had on a high hat and held a cane. It was such an impressive day for all us kids as we marched from cemetery to cemetery, the girls with their wreaths and the boys carrying the flags to be placed on the veterans' grave." written by Carol Crass Schultz who was born in Fillmore, 1935.

Memorial Day observances remain strong in the memories of many people in Fillmore. Setting aside a day to honor the veterans buried in the cemetery of Fillmore continues on Monday, May 29, 2006. The ceremony will be held in Turner Hall at noon. There will be readings of traditional poems, the reading of a Civil War letter written by an area soldier, and a local color guard demonstration of honor. Bob Piaro, a Vietnam vet-

eran who heads "Veterans for Veterans," will be the featured speaker. The ceremony will end outside as the bell tolls to honor each buried veteran. Members of the audience will be invited to take a flower from a large wreath to lay on the graves of the veterans next to the hall.

Stay with us for the rest of the afternoon! The Turner Athletic Club will have brats, burgers and refreshments available to purchase. Enjoy a family kickball tournament on the ball diamond and share a memory or two.

Turner Hall is located in Fillmore on County Road H, 3.7 miles east of State Road 144. It is three buildings west of the intersection of Hwys H & M. Everyone is welcome! Call Ellen Kesting at 262-692-2659 for more information.

OBITUARIES

FORTUNA M. STOLTZMANN

Fortuna M. Stoltzmann, age 91, of Kewaskum, passed away on Saturday, May 20, 2006 at Park View Health Center in Oshkosh.

She was born on January 16, 1915 in Potter, the daughter of the late Andrew and Augusta (Plapper) Greve, and on November 26, 1936, she was united in marriage to Lester Stoltzmann at St. Peter's Lutheran Church in Hilbert. During her younger years, Fortuna was an active member of St. Peter's Lutheran Church choir and the Ladies Aid. The couple operated the Wisconsin Cheese House in Hilbert. Her husband preceded her in death on November 6, 1990.

Fortuna was a member of St. Lucas Evangelical Lutheran Church in Kewaskum and the Ladies Aid. She faithfully supported St. Lucas Lutheran School, where she volunteered in the library. Her family and church were very dear to her.

Survivors include her son, Kenneth (Paulette) Stoltzmann of Neenah; her daughter-in-law, Bonnie Stoltzmann of Kewaskum; five grandchildren, Scott (Terri Lee) Stoltzmann, Paul Stoltzmann (fiancée, Nicky Galante), Sue (Phillip) Fellenz, Erin (James) Roberts and Caitlin Stoltzmann (fiancé, Dr. David Groteluschen); seven great-grandchildren, Fredrick, Terrina, Donaven and Veronica Fellenz, T.J. Marker, Luke Stoltzmann and Grace Elizabeth Roberts, other relatives and friends.

She was also preceded in death by her son, Robert Stoltzmann, her great-grandson, Andrew Phillip Fellenz, her brother, Herman Greve and her sister, Zipora Hernke.

Fortuna's funeral services were held at 7:00 p.m. on Wednesday, May 24, 2006 at St. Lucas Evangelical Lutheran Church in Kewaskum. Rev. Edwin Fredrich officiated and burial was at 10:00 a.m. on Thursday in St. Peter's Lutheran Church Cemetery in Hilbert.

Relatives and friends called on Wednesday at the church from 4:00 p.m. until the time of services.

Memorials to St. Lucas Lutheran Church are appreciated.

The Miller Funeral Home in Kewaskum served the family. Additional information and guest book may be found at www.millermartinfh.com.

ARNOLD DORN

Arnold Dorn, age 92, of the town of Barton, passed away peacefully on Thursday, May 18, 2006 at his home.

He was born on May 9, 1914 in the town of Barton, the son of the late Otto and Olga (Gadow) Dorn and was a life-long farmer in the town of Barton.

Survivors include a sister-in-law, Margaret Dorn of Kewaskum; nieces and nephews, Kay (Richard) Cooke of Aurora, Illinois, Edward (Wendy) Dorn of the town of Barton, David (Wanda) Dorn and Donald Dorn both of the town of Kewaskum, James (Patricia) Dorn of Kewaskum, Glen Dorn

and Kathy (Steve) Stern both of St. Michaels, Melody (Tim) Drexel of Taycheedah and Clifford (Jennifer) Dorn of West Bend, great-nieces, great-nephews, great-great nieces and great-great nephews, other relatives and friends.

Arnold was preceded in death by three brothers, Edward, Albert and Fred Dorn and a sister, Erna Dorn.

Funeral services were held at 4:30 p.m. on Sunday, May 21, 2006 at the Miller Funeral Home in Kewaskum with Rev. Edwin Fredrich officiating. Burial was at 9:00 a.m. on Monday in Newark Cemetery in the town of Barton.

Relatives and friends called on Sunday at the Miller Funeral Home from 3:00 p.m. until the time of services.

Additional information and guest book may be found at www.millermartinfh.com.

THOMAS J. 'TOMMY' WEGNER JR.

Thomas J. "Tommy" Wegner Jr., 34, of Minocqua, entered into eternal peace on Wednesday, May 17, 2006 surrounded by his loving family at Froedtert Memorial Lutheran Hospital, Wauwatosa.

For the past 20 months, Tommy courageously battled with leukemia and complications from a bone marrow transplant.

Tommy was born May 31, 1971 to Thomas J. Sr. and Judith A. (nee Mattila) Wegner in Menomonee Falls.

The family lived in the Sussex area, where Tommy was raised and graduated from Sussex Hamilton High School in 1989.

He went on to further his education at Universal Technical Institute, earning his associate degree as a diesel technician.

Tommy was a past member of both the Sussex and Kohlsville Volunteer Fire departments, and was a present member of the Lac du Flambeau Fire Department and Cedar Springs Church in Slinger.

One of Tommy's favorite pastimes was filling his life with his love for motorcycles.

Tommy will be deeply missed by his cherished daughter, Rowan; his loving parents, Thomas and Judith Wegner; his dear siblings, Michelle (Shaun) Wegner-Clements of Minocqua, Jeffrey Wegner of Tennessee, Jeremy Wegner of Arbor Vitae and Marsha Wegner of Wichita, Kan.; and his adored fiancé, Jodi Klesmith of Kewaskum and her parents, Bob and Diane Klesmith.

Tommy will also be missed by his nieces and nephew, whom are also his godchildren, Dillon, Hanna and Emma Wegner-Clements; his nieces and nephews, Ryan Wegner-Clements, Rebecca Wegner, and Brandon and Abigail Prim; his grandmas, Theresa Wegner and Beatrice Mattila, both of Sussex; many aunts, uncles, other special relatives and many dear friends.

He was greeted at the gates of heaven by his grandfathers, Harvey Wegner and Wesley

Mattila.

Cremation will be held at Paradise Cremation Services, West Bend.

The Wegner family would like to express their appreciation for memorials that are offered in lieu of flowers, to a fund for his daughter, Rowan Wegner, at River Valley State Bank (P.O. Box 1135, Minocqua, WI 54548).

RUBY A. OSTRANDER

Ruby A. Ostrander, nee Ernst, 81, of the town of Barton, was called home to her Lord on Wednesday, May 17, 2006 at Ivy Manor in Campbellsport.

She was born on Nov. 24, 1924 in the town of Union, to the late Edward and Matilda (nee Miller) Ernst, and was united in marriage to Alvah Ostrander on May 30, 1948 at St. Mark's Evangelical Lutheran Church in Symco.

He preceded her in death on Feb. 24, 1995.

Ruby worked as a packer for Amity Leather in addition to being a full-time homemaker taking care of her husband and two children.

She was raised in the Lutheran faith and became a member of St. John's Evangelical Lutheran Church in 1951.

Ruby cherished her grandchildren and great-grandchildren; she loved spending time with them and always looked forward to seeing them.

She was affectionately known as the gray-haired grandma.

Ruby's smile was enough to cheer anyone up; she was always happy and always had a positive attitude.

She is survived by her two children, Cheryl Herman of Manitowoc and Marvin (Mary) Ostrander of Campbellsport; six grandchildren, Andrew and Rachel Ostrander, Sarah (Christopher) Berres, Rebecca (Michael) Schickert and Crystal and Dion Raybern; three great-grandchildren, Joseph Richard Schickert, Danica Jennifer Schickert and Wyatt Christopher Berres; a sister, Marie Peterson; a sister-in-law, Bertha Ernst; and special friends, Kenneth Matous and Jean Schmidt.

She was preceded in death by her brother, Richard Ernst; and five sisters, Norma Ernst, Erna Moak, Emma Groth, Anna Wisnefske and Nora Schoenrock.

A funeral service in honor of Ruby was held Friday, May 19, at 7 p.m. at Myrhum-Patten Funeral Cremation Service in West Bend.

Rev. George Mumm of St. John's Evangelical Lutheran Church officiated.

Burial took place on Saturday at 10:20 a.m. in Newark Cemetery in the town of Barton.

Visitation with the family was at the funeral home Friday from 4 p.m. until the time of services.

STANLEY MILLER HODGE

Stanley Miller Hodge, (Major/USAF Ret.), 61, passed away on Friday, May 5, 2006.

Stan was raised in Campbellsport. After gradua-

tion from Campbellsport High School in 1962, he attended Brigham Young University, graduating in 1966 with a major in journalism.

While at BYU he was the sports editor and then editor of the campus "Daily Universe" newspaper. He also was in the Air Force ROTC.

Stan then served in the Air Force as an imagery intelligence officer from 1966 through 1988, and retired as a Major.

It was at his first base in Denver, Colo. that a few fellow officers dared Stan to ask another officer for a date - even if she outranked him. Beth said "yes" and they were married in 1967.

Besides being stationed in Colorado, he also served in San Antonio, Austin, England, Washington D.C., and Thailand.

Stan received a master's degree in applied geography from Southwest Texas University in 1991.

For the past 15 years, he was travel market analyst and director of travel research for Texas tourism at Office of the Governor: economic development.

During these years, he founded a national organization for directors of travel bureaus in the U.S., Canada and Ireland.

It provides each state an opportunity to share statistics, successful ideas and solutions to problems.

He was the son of the late Stanley H. and Margaret R. (nee Miller) Hodge, and his stepmother was Dorothea (nee Goebel). He was the beloved husband for 38 years of Elizabeth (nee Hilleary); son-in-law of Lloyd and Betty (nee Trimble) Hilleary of Dayton, Ohio; dear father of Stanley (Patricia) of Austin, Texas, Peter (Tiffany) of Davis, Calif., Emily (Frank)

Molina of Austin, Ben (Wendy) of Austin, Richard (Michelle) of Rome, N.Y., Ted of Austin & Michael of Austin; and Grandpa to grandchildren, Rachael, Andrew, Jeremy, Alex, Allison, Kirstyn, Emily, Jacob, Faith and Samantha. He was also a brother of Mary (Mike) Brown of Glendale and Rita (Jeff) Langlitz of Green Bay.

Stan also left behind many in-laws, nieces, nephews, cousins, aunts and uncles.

In addition to his beloved wife and family, Stan cherished his church membership in the Church of Jesus Christ of Latter-day Saints, and faithfully served in many church leadership positions.

He enjoyed working with his wife, Beth, in genealogy, where they have registered/recorded over 10,000 ancestors in their family trees.

In Stan's honor, The Stan Hodge Memorial Fund has been set up (Elizabeth Hodge, trustee), 300 Starbright Drive, Austin, TX 78745.

IN MEMORY

In loving memory of **GERALDINE (GERI) GAVIN**, who passed away 16 years ago, May 28, 1990:

Just sixteen years ago you left us,
And we miss you very much.
But we know that you are with the Lord,
And feel his gentle touch.
We know that you are happy there,
And that He loves you, too.
And we will meet again someday,
Beyond the skies of blue.

*Forever missed, but never forgotten,
Mom and Family*

Chasing the Wolf

By Nathan Singer

Bleak House Books \$19.95 172 pages

If you could travel through time - forward or backwards - where would you go?

Before you answer, consider this first: your actions may accidentally change the course of a few lives. You certainly will surprise the people you'll meet there, then. And you could be in extreme danger while you're traveling.

Still want to go? Then read "Chasing the Wolf" by Nathan Singer before you pack. Just as a warning.

It's August, 2001, and Eli Cooper is on top of the world.

Eli is an artist, a "neo-post-impressionist". He's in high demand and his art has been featured in several successful shows. People clamor for his work.

Eli lives in New York City with his wife, Jessie. Jess is a dancer with an African drum and dance troupe, and her star is rising. Nobody in New York cares a bit that Jess is black and Eli's white. That's just the way it is. Jess is Eli's little bitty pretty one, and life is pretty good.

Until the accident.

On opening night of a new show, a riser fell. It was a freak accident. Could've happened to anyone, but it happened to Jess. Her back was broken and now she's dead. Grief-stricken, Eli runs into Central Park, out of control.

And right into Mississippi, 1938.

At least that's what the headlines in the newspaper said. July, 1938, big and bold on the header. But how did Eli get there?

Realizing that his dreads, piercings, and tattoos would

set him apart, Eli cuts his hair, removes his metal, and concocts a story so he can assimilate into the community. He finds a friend who helps him find a job and a rooming house.

And right there, working as a maid in the rooming house, is his Jess. But Ella isn't really Jessica. Ella is a widow whose husband died under mysterious circumstances a few years ago, but she thinks that Eli sure is a nice man. He feels so comfortable to her, for some reason.

Jerome Kinnae watches all this unfold. He could get Eli back to 2001, but it's going to cost some big money. Jerome is a time walker, and he's been all over the country, all over the century. He's seen everything. He knows how dangerous it is for interracial lovers in Mississippi, 1938.

He knows that there are people - things - that prey on time travelers.

This isn't normally the kind of book I'd pick up, but the premise intrigued me, so I started reading. I can tell you that I was definitely glad I did. "Chasing the Wolf" is a fast read - not even 200 pages - but with so many levels of subtle action that you will want to savor each one. Author Nathan Singer is stingy with his words, which sets the stage well for Eli's anger and confusion, Ella's baffled serenity, and Jerome's cocky malevolence.

If you want a book that's tantalizingly possible, but horrifyingly real, you're going to want this one. "Chasing the Wolf" is a book worth chasing down.

Click It or Ticket designed to boost safety belt use in Wisconsin

Every time you get in a car—whether you're traveling across the state or just down the block—you're putting your life on the line. But there's one simple step that can make the difference between survival or a trip to the morgue—buckling your safety belt.

"Safety belts provide the most effective protection against being ejected from a vehicle or thrown around violently inside it during a crash. Seventy-five percent of passenger vehicle occupants who are buckled up survive a serious traffic crash," says State Patrol Major Dan Lonsdorf, director of the Bureau of Transportation Safety.

To save lives and prevent serious injuries on Wisconsin roads, approximately 330 law enforcement agencies throughout the state will strive to increase safety belt use during the national "Click It or Ticket" mobilization from May 22 through June 4. It will

be the largest coordinated law enforcement mobilization ever in Wisconsin. Officers from agencies all over Wisconsin will be patrolling in greater numbers and for longer hours to enforce traffic laws, especially the state's mandatory safety belt law. In addition, Click It or Ticket safety belt messages will be broadcast on television and radio stations.

"The Click It or Ticket message is simple. If you are stopped by an officer and aren't wearing a safety belt, you will get a ticket whether you're driving or just a passenger. No excuses will be accepted, and you won't get a second chance," Lonsdorf says.

"The Click It or Ticket combination of stringent law enforcement and an effective media campaign has been successful in increasing safety belt use in recent years," he says. "A survey last year showed that safety belt use in Wisconsin reached an all-time high of 73 percent. But we still have a lot of work to do to reach the national average of 82 percent. In addition, Wisconsin is significantly behind our neighboring states, all of which have safety belt use rates of more than 80 percent, including Michigan at nearly 93 percent and Illinois and Iowa at about 86 percent."

Two critical goals of the Click It or Ticket efforts are to increase safety belt use in rural areas, especially among pick-up truck occupants and to get more teenagers and young adults to buckle up. The following figures from the Wisconsin Department of Transportation and National Highway Transportation Safety Administration show the extent of this life or death challenge.

- Approximately four out of five fatal traffic crashes in Wisconsin during 2005 occurred on rural roads.

- Pick-up truck drivers and passengers have the lowest seat belt use rates of all motorists. A 2005 survey reported that only 58 percent of pick-up truck occupants in Wisconsin were buckled up. In comparison, 80 percent of mini-van occupants were buckled up.

- Nationwide, 68 percent of pick-up truck drivers and 73 percent of pick-up passengers who were killed in traffic crashes in 2004 were not buckled up.

- Traffic crashes are the leading cause of death nationwide for young people, age 16 to 34. In 2005, traffic crashes killed 114 Wisconsin teenagers.

- Seat belt use in Wisconsin is lowest (66 percent) among drivers age 16-25.

There also are regional variations in safety belt use. The Fox River Valley region encompassing Appleton and Green Bay has the highest rate of safety belt use at about 77 percent. In comparison, the central Wisconsin region, which includes Wausau and Rhinelander, has the lowest at 66 percent.

Lonsdorf says, "The Click It or Ticket mobilization and other similar efforts throughout the year are meant to save lives, not write more tickets. We estimate that every one-percentage point increase in safety belt usage in Wisconsin saves about six lives each year. Given the choice, law enforcement officers would rather write a thousand tickets than have to tell another family that a loved one is never coming home again simply because a safety belt was not used."

Kiwanis Students of the Month

Jackie McKee

Jake Sabel

Jackie McKee and Jacob Sabel were recently named Kiwanis Students of the Month for the month of May. Jackie is the daughter of Sandra and Richard McKee. She traveled to Myrtle Beach last month to perform with the Swing Choir which she has been a member of for two years. She played Charity in the musical Anything Goes this past fall. Jackie was on the dance team for the years, and was the team captain her junior and senior years. During high school she has earned an academic and choir letter. She was an editor for one of the two years that she was on the Yearbook staff. Jackie is currently employed in West Bend at a grocery store as a cashier and service desk clerk. She has volunteered through the Washington County Volunteer Center and also for church events. After graduation Jackie plans on attending University of WI- Washington County for a year and transferring to University WI- Milwaukee to pursue a career in radiology or nursing.

Jake is the son of Sharon and Gordon Sabel. He is an active member of the National Honor Society and German partnership club. Jake participated on the football team his sophomore year, and soccer for three years. He was a four-year letterman on both the wrestling and track teams. He earned the Most Improved award for long jump last fall and his goal this year is to make it to the State Track Meet for the 1600m relay. After graduation Jake plans on attending University of WI - Washington County to pursue a career in design. Students and their parents were honored at a recent meeting of the Kiwanis Club of Kewaskum.

Eden Elementary school signs in to space

Students from Eden Elementary School participated in Space Day 2006.

Submitted photo

Eden Elementary School joined with more than 500 other schools around the world by signing student signatures in space poster to celebrate Space Day 2006.

Student Signatures in Space provides elementary and middle school students the opportunity to send their digitized signatures into space and feel a personal involvement with the crew and mission. Jointly sponsored by NASA and Lockheed Martin Corporation, S3 is one program of the award-winning Space Day educational initiative.

Eden students in grades K-3 entered a coloring contest, while 4-6 created their own

spaceships. Other students did research, watched videos, read books, and searched the web to gain more information about space. Student winners included Cory Wierl, Dillon Twohig, Rachel Streaan, Morgan Klumpyan, Kean O'Brien, Ryan Stommel, and Brandon Goebel.

The space shuttle mission to carry this year's signature will be selected after NASA returns to flight which at this point in time is scheduled for this summer. After the signatures return from space, the poster will be returned along with a flight certificate, and picture of the crew that carried signatures into space.

Kewaskum Cares About Kids offers summer employment opportunities

Kewaskum Cares About Kids in partnership with The Statesman Weekly Newspaper is offering assistance in helping your teen find a summer job.

At the bottom of this page you will find an application form. If your teen wishes to participate in this program, he/she must submit the completed form, signed by a parent or guardian, by June 9th to either The Statesman or the Kewaskum Library.

Once the applications are submitted, The Statesman will publish free "work wanted" ads for your teens in a special section inside the newspaper. The ads will look something like this:

Boy/girl, age, interested in babysitting. Has completed the Red Cross babysitting course. Call (first name only) 555-5555

If your child receives calls about his/her ad, it is your responsibility to follow up with the potential employer and make sure the environment is a safe place for your child to work and to help him/her negotiate working hours and pay.

If you have any questions or concerns feel free to contact: Linda Dymond: ldymond@councilonaoda.org, Cindy Shaske: shaske@hnet.net or Andrew Kuehl: akuehl@kewaskumstatesman.com.

Kewaskum Cares About Kids is a partnership which supports initiatives designed to

involve, educate, and motivate youth, parents and the community to promote healthy youth development.

The four objectives of the group is to:

1. Provide social activities for youth in the community.
2. Provide volunteer opportunities for youth.
3. Increase media coverage of youth doing positive things.
4. Build parental networks of support.

To become involved in Kewaskum Cares About Kids, attend one of their meetings held the fourth Tuesday of the month at the Kewaskum Municipal Annex building on Fond du Lac Avenue in Kewaskum.

Hospice and Abider Volunteers Sought

Each volunteer receives eight hours of training and is assigned to one resident at a time. Hospice volunteers provide residents with companionship by spending time visiting with them, taking them outside on the grounds and to various programs. They also provide emotional and social support in a caring environment. Abiders sit with a resident during their last hours and are available on an on-call basis.

"It is the most rewarding thing I have done in my life."

SCHOOL

High school art students do well at area art events

The KHS art department sent the work of sixteen students to UW-Oshkosh. Of the sixteen, six students were picked to be in UW-Oshkosh's high school art exhibit. High school students from around the state can submit pieces to be chosen by UW-Oshkosh. It is estimated that 600-800 pieces were submitted statewide. Over 300 pieces were chosen and were on display. Students are shown above with their art that was displayed. Left to right: Jackie Beaupre, Jill Schmidt, Jon Roskopf and Jessica Schwann. Missing from the photo are Nicole Hallstead and Jake Sabel.

KHS junior Sarah Rudzitis who is currently an art three student, had her art purchased by Kewaskum Interim Superintendent Scott Peterson. She received the Superintendent's purchase award. Her painting now becomes part of the school's art collection. The acrylic painting was titled Serenity. The Superintendent of Schools chooses one piece from each school in the district annually.

Jackie Beaupre received a silver key award for her watercolor piece at The Milwaukee Public Art Museum statewide contest. Any high or junior high school may submit up to ten pieces of art for the competition. Work chosen is given a silver key or gold key award. Gold keys go to a national competition. Silver Key awards are displayed at the Milwaukee Public Art Museum for a month. Kewaskum submitted 20 pieces according to art instructor Rachel Hassler. Jackie was the only key winner from the district.

KHS senior Nate Behring's Batik was chosen best of show out of 25 high school students' works of art at the conference show in New Holstein. Behring is an art four student.

COUNTY NEWS

Opening of Justice Center better than expected

One of the four newly completed courtrooms in the Justice Center. There is an unfinished area on the third floor to add Branch five in the future.

Through a homeland security grant obtained by the county, a walk-through metal detector and x-ray machine are located in the lobby of the new Justice Center. People going inside the Justice Center must have their belongings passed through the x-ray machine and everyone must go through the metal detector.

WEST BEND- According to officials in Washington County's new Justice Center, opening day, Monday, May 22 went "better than expected." Work now begins on remodeling the third floor of what is now the County's government center that was formerly the courtrooms and judge's chambers.

"No one was late for Court and no one got lost finding us. Comments heard from the public were all very positive. People were impressed with the building and no one seemed to mind going through the new screening equip-

ment," stated Clerk of Circuit Court Kristine Deiss.

Phase two of the project; the remodeling of the Government Center, has already begun according to Administrative Coordinator, Doug Johnson. "Full demolition of the interior of the third floor will be underway two weeks from now. Target completion date is November 15," he stated.

County Board Supervisors on the building committee received an update and tour of the new Justice Center on Thursday, May 18. It was revealed that \$285,000 is left in contingency for phase two of the project. The total cost of the project is \$13.95 million.

Wings Over Wisconsin named Conservation Organization of the Year

Shown above from left to right are Corky Meyer, President, Wisconsin Wildlife Federation; Burt Bushke, Project Coordinator, Wings Over Wisconsin; Arnie Mueller, Executive Secretary, Wings Over Wisconsin, and George Meyer, Executive Director, Wisconsin Wildlife Federation. Submitted photo

Wings Over Wisconsin has been selected as the 2006 Conservation Organization of the Year by the Wisconsin Wildlife Federation!

This achievement award is given to organizations that serve the people of Wisconsin for their outstanding efforts

and achievements in conservation.

Executive Secretary, Arnie Mueller and Project Coordinator, Burt Bushke, accepted the award for Wings Over Wisconsin at the WWF's annual meeting held on Saturday, April 8th in Tomah.

The Wisconsin Wildlife Federation serves its membership through advocacy, information and education. They work to represent the best interests of all of their members who participate in outdoor activities. The strength of the WWF lies in its grassroots organization of clubs and associate members. To date, the WWF represents over 140 Wisconsin organizations.

Governor Doyle was also present at the meetings to act

on 10 different hunting and fishing-related legislations. Governor Doyle stated that "Wisconsin is a state where our beautiful, natural areas are not just an important part of our economy, but also a part of our heritage. For generations, the people of this state have depended on our great natural resources - for industry and jobs, for the health of our ecosystems, and for recreation."

Congratulations and thank you to all members and sponsors. Your hard work and support has made this accomplishment possible.

Acts of love and kindness never die but in the lives of others multiply.

RESOLUTION NO. 2006-12
A RESOLUTION OF THE
VILLAGE OF KEWASKUM,
WASHINGTON COUNTY,
WISCONSIN VACATING
AND DISCONTINUING A
PUBLIC WAY

WHEREAS, the Village Board of the Village of Kewaskum, Washington County, Wisconsin, has annexed certain lands into the Village; and

WHEREAS, a portion of the annexed lands consisted of a portion of the right-of-way of Badger Road, a public way (public road); and

WHEREAS, as a result of the development of the annexed properties, Badger Road has been altered, and a portion of Badger Road has been abandoned and discontinued as a public way (public road), and will no longer be used as a public way (public road); and

WHEREAS, discontinuance of this portion of Badger Road will not result in any landlocked parcel of property nor will it deprive any landowner or a public school of all access to a highway.

NOW THEREFORE, BE IT RESOLVED, by the Village Board of the Village of Kewaskum, Washington County, Wisconsin, that:

Section 1. Vacating and Discontinuing Public way. That the public interest requires that the portion of Badger Road, a public way, (public road) described on Exhibit "A" attached hereto, and depicted on Exhibit "A-1" attached hereto, is hereby vacated and discontinued.

Section 2. Revision of Title. Pursuant to Wisconsin Statutes the discontinued land shall belong to the owners of the adjoining lands; The North one-half (1/2) shall revert to and be vested in Thomas Rodenkirch and Allyne Rodenkirch, his wife; and to the South one-half (1/2) shall revert to and be vested in the Village of Kewaskum, a Wisconsin Municipal Corporation.

Section 3. Effective Date. This Resolution shall be effective upon its adoption and approval.

ADOPTED AND APPROVED this 5th day of June, 2006 by the Kewaskum Village Board.

WHEREAS, the Village of Kewaskum, Washington County, Wisconsin (the "Municipality") owns and operates a Waterworks System and a Sewerage System which are operated for public purposes as separate public utilities by the Municipality and which are hereby combined for the purposes of this financing (hereinafter, the Municipality's Waterworks System and Sewerage System shall be referred to collectively as the "System");

WHEREAS, under the provisions of Section 66.0621, Wisconsin Statutes, any municipality in the State of Wisconsin may, by action of its governing body, provide for purchasing, acquiring, constructing, extending, adding to, improving, controlling, conducting, operating or managing a public utility from the proceeds of revenue bonds, which bonds are to be payable only from the revenues received from any source by such utility;

WHEREAS, the Municipality has heretofore issued and has outstanding its \$2,125,000 Waterworks System and Sewerage System Revenue Bonds, dated July 15, 2004 (the "2004 Bonds") pursuant to Resolution No. 2004-11 adopted by the Village Board on July 12, 2004 (the "Bond Resolution"), which 2004 Bonds pledged the income and revenues of and constitute a lien upon the System;

WHEREAS, the Municipality also has heretofore issued and has outstanding its \$2,700,000 Waterworks System and Sewerage System Revenue Bond Anticipation Notes, dated June 15, 2005 (the "2005 Notes") pursuant to Resolution No. 2005-17 adopted by the Village Board on June 6, 2005, which 2005 Notes pledged the income and revenues of and constitute a lien upon the System on a basis junior and subordinate to the 2004 Bonds;

WHEREAS, additional improvements to the System are needed, to wit: paying the cost of Sewerage System projects as more fully set forth on the attached Exhibit A (the "Project");

WHEREAS, contracts are to be let for the Project and the financial officer of the Municipality has heretofore certified to the Village Board that proceeds of bond anticipation notes shall be required for the payment of said contracts, as well as other costs including paying a portion of the interest cost (collectively, the "Project");

WHEREAS, the provisions of the Bond Resolution, permits additional revenue bonds to be issued on a parity and equality of rank with the 2004 Bonds if certain provisions are complied with;

WHEREAS, the Municipality anticipates that it will meet the provisions set forth in the Bond Resolution for the issuance of additional bonds at the time additional revenue bonds are issued;

WHEREAS, Section 66.0621(4)(L), Wisconsin Statutes, permits bond anticipation notes to be issued for purposes for which the Municipality has authority to issue revenue bonds;

WHEREAS, the security for such bond anticipation notes is the proceeds to be derived from the issuance and sale of such additional revenue bonds (the "Revenue Bonds") which shall be set aside for such purpose and a pledge of the income and revenues of the System and amounts on deposit in the special redemption fund created by the Bond Resolution on a basis junior and subordinate to

the 2004 Bonds and on a parity with the 2005 Notes;

WHEREAS, the Revenue Bonds have not yet been issued or sold and will be issued and sold only after completion of the Project;

WHEREAS, it is the finding of the Village Board that it is necessary, desirable and in the best interest of the Municipality to provide for the issuance and sale of bond anticipation notes pursuant to Section 66.0621(4)(L), Wisconsin Statutes, in anticipation of the issuance and sale of the Revenue Bonds to pay the cost of the Project. Such Notes are authorized by Section 66.0621(4)(L) of the Wisconsin Statutes and Section 1 of this Resolution; and,

WHEREAS, other than the 2004 Bonds and the 2005 Notes, no bonds or other obligations payable from the revenues of the System are now outstanding.

NOW, THEREFORE, BE IT RESOLVED by the Village Board of the Municipality that:

Section 1. Waterworks System and Sewerage System Revenue Bonds. The Municipality hereby declares its intention and covenants to issue waterworks system and sewerage system revenue bonds pursuant to the provisions of Section 66.0621 of the Wisconsin Statutes in an amount sufficient to retire any outstanding bond anticipation notes issued for the purpose of paying the cost of the Project (the "Revenue Bonds") payable solely from the revenues deposited in the Special Redemption Fund created by the Bond Resolution.

Section 1A. Approval of Offering Documents. All actions taken by Hutchinson, Shockey, Erley & Co., Milwaukee, Wisconsin, in connection with the preparation and distribution of the Official Statement and any other offering materials and in connection with the offering of the bond anticipation notes are hereby ratified and approved by the Village Board of the Municipality.

Section 1B. Authorization of the Notes. For the purpose of paying the cost of the Project, the Municipality shall issue negotiable registered bond anticipation notes (the "Notes") in the aggregate principal amount of TWO MILLION EIGHT HUNDRED THOUSAND DOLLARS (\$2,800,000) to Hutchinson, Shockey, Erley & Co., Milwaukee, Wisconsin (the "Purchaser"), in accordance with the terms and conditions of its purchase proposal attached hereto as Exhibit B and incorporated herein by this reference.

Section 1C. Notes Junior and Subordinate to the 2004 Bonds and on a Parity with 2005 Notes. The Notes shall be issued on a basis junior and subordinate to the 2004 Bonds with respect to the lien and pledge granted of the owners of the 2004 Bonds of the income and revenues of the System and the monies on deposit in the special redemption fund and on a parity with the 2005 Notes.

Section 2. Sale of the Notes. The Notes shall be sold to the Purchaser for the sum set forth on the Proposal, plus accrued interest to the date of delivery.

Section 3. Terms of the Notes. The Notes shall be designated "Waterworks System and Sewerage System Revenue Bond Anticipation Notes"; shall be dated June 1, 2006; shall be in the denomination of \$5,000 or any integral multiple thereof; shall be numbered 1 and upward; shall bear interest at the rate and shall mature in the year and in the principal amount as set forth on the schedule prepared by the Purchaser and attached hereto as Exhibit C (the "Schedule"). Interest is payable at maturity.

Section 4. Redemption Provisions. At the option of the Municipality, the Notes shall be subject to redemption prior to maturity on December 1, 2006 or on any date thereafter. The Notes shall be redeemable as a whole or in part by lot, at the principal

amount thereof, plus accrued interest to the date of redemption.

Section 5. Form of the Notes. The Notes shall be in substantially the form attached hereto as Exhibit D and incorporated herein by this reference with such insertions or revisions (consistent with this Resolution and Section 66.0621, Wisconsin Statutes) deemed necessary to effectuate the delivery of the Notes in exchange for the purchase price.

Section 6. Payment of the Notes; Fiscal Agent. The principal of and interest on the Notes shall be paid by Associated Trust Company, National Association, Green Bay, Wisconsin, which is hereby appointed as the Municipality's registrar and fiscal agent pursuant to the provisions of Section 67.10(2), Wisconsin Statutes (the "Fiscal Agent"). The Fiscal Agency Agreement between the Municipality and the Fiscal Agent shall be substantially in the form attached hereto as Exhibit E and incorporated herein by this reference.

Section 6A. Utilization of The Depository Trust Company Book Entry Only System. In order to make the Notes eligible for the services provided by The Depository Trust Company, New York, New York ("DTC"), the Municipality agrees to the applicable provisions set forth in the Blanket Issuer Letter of Representations previously executed on behalf of the Municipality and on file in the Village Clerk/Treasurer's office.

Section 7. Security. The Notes shall in no event be a general obligation of the Municipality and no lien shall be created upon the System as a result of the issuance thereof. The Notes shall be payable only from (a) any proceeds from the issuance and sale of the Notes set aside for payment of interest on the Notes; (b) the proceeds derived from the issuance and sale of the Revenue Bonds, which proceeds are hereby declared to constitute a special trust fund to be held by the Municipality and expended solely for the payment of principal of and interest on the Notes and the remaining Project costs, if any; and, (c) a pledge of a sufficient amount of the income and revenues received from the operation of the System and deposited in the Special Redemption Fund created pursuant to the Bond Resolution, which pledge is junior and subordinate to that granted the owners of the 2004 Bonds and on a parity with the 2005 Notes and the System shall remain subject to such prior pledge until the principal of and interest on the 2004 Bonds and 2005 Notes are paid in full or provided for.

The Municipality agrees that, as permitted by Section 66.0621(4)(L)6 of the Wisconsin Statutes, in the event such monies are not sufficient to pay the principal of and interest on the Notes as the same becomes due, the Municipality will appropriate funds to pay any deficiency out of its annual general tax levy or other available funds for such payments. However, any such payments shall be subject to annual budgetary appropriations therefor and provided further that neither such authority nor any such payment shall constitute an obligation of the Municipality to make such appropriation or any further payments.

Section 8. Covenants of the Municipality. The Municipality hereby covenants with the holders of the Notes that:

(a) It shall issue the Revenue Bonds as soon as practicable;

(b) It shall segregate the proceeds derived from the sale of the Revenue Bonds into the special trust fund created herein and shall permit the special trust fund to be used for no purpose other than the payment of the principal of and interest on the Notes until paid. Said special trust fund shall first be used for the payment of principal of and interest on the Notes and then for other purposes permitted by law;

(c) It shall keep all of the cov-

enants and agreements required by it to be kept by the provisions of the Bond Resolution;

(d) It shall pay into the funds created by Section 6 of the Bond Resolution the same amounts and at the same times as would have been required to be paid therein if the Revenue Bonds were issued in an equal principal amount instead of the Notes, and the funds in the Special Redemption Fund (defined in the Bond Resolution) shall be held and be available for and are hereby pledged to the payment of principal of and interest on the Notes until the Notes shall have been paid in full;

(e) The Notes are issued for the purposes for which the Revenue Bonds shall be issued; and

(f) It has duly authorized the issuance and sale of the Revenue Bonds pursuant to Section 1 of this Resolution which is now and shall remain in full force and effect and all conditions precedent to the issuance of the Revenue Bonds required by law and by the Bond Resolution have been complied with.

Section 9. Service to the Municipality. The reasonable cost and value of services rendered to the Municipality by the System by furnishing services for public purposes, shall be charged against the Municipality and shall be paid by it in quarterly installments as the service accrues, out of the current revenues of the Municipality collected or in the process of collection, exclusive of the revenues derived from the System, and out of the tax levy of the Municipality made by it to raise money to meet its necessary current expenses. However, such payment out of the tax levy shall be subject to (a) approval of the Public Service Commission, or successors to its function, if necessary, (b) yearly appropriations therefor and (c) applicable levy limitations, if any; but neither this Resolution nor such payment shall be construed as constituting an obligation of the Municipality to make any such appropriation over and above the reasonable cost and value of services rendered to the Municipality and its inhabitants or make any subsequent payment over and above such reasonable cost and value. Such compensation for such service rendered to the Municipality shall, in the manner hereinabove provided, be paid into the Revenue Fund created by Section 6 of the Bond Resolution.

Section 10. Application of Proceeds. The proceeds received from the sale of the Notes (the "Note Proceeds") (other than any premium, any accrued interest or any proceeds to be used to fund a reserve fund) shall be deposited into the Waterworks System and Sewerage System Improvement Fund hereby created and established to be used solely to meet costs of the Project.

Section 11. Arbitrage Covenants. The Municipality shall not take any action with respect to the Note Proceeds which, if such action had been reasonably expected to have been taken, or had been deliberately and intentionally taken on the date of the delivery of and payment for the Notes (the "Closing"), would cause the Notes to be "arbitrage bonds" within the meaning of Section 148 of the Internal Revenue Code of 1986, as amended (the "Code") and any income tax regulations promulgated thereunder (the "Regulations").

The Notes Proceeds may be temporarily invested in legal investments until needed, provided however, that the Municipality hereby covenants and agrees that so long as the Notes remain outstanding, monies on deposit in any fund or account created or maintained in connection with the Notes, whether such monies were derived from the Note Proceeds or from any other source, will not be used or invested in a manner which would cause the Notes to be "arbitrage bonds" within the meaning of the

Code or Regulations. The Municipality covenants that it will not invest in any obligation if such investment would violate the "prohibited payment" requirement of Section 148 of the Code.

The Village Clerk/Treasurer, or other officer of the Municipality charged with responsibility for issuing the Notes, shall provide an appropriate certificate of the Municipality, for inclusion in the transcript of proceedings, setting forth the reasonable expectations of the Municipality regarding the amount and use of the Note Proceeds and the facts and estimates on which such expectations are based, all as of the Closing.

Section 12. Additional Tax Covenants; Two Year Expenditure Exemption from Rebate; Qualified Tax Exempt Obligation Status; Reimbursement. The Municipality hereby further covenants and agrees that it will take all necessary steps and perform all obligations required by the Code and Regulations (whether prior to or subsequent to the issuance of the Notes) to assure that the Notes are obligations described in Section 103(a) of the Code, the interest on which is excludable from gross income for federal income tax purposes, throughout their term. The Municipality further covenants that it will not take any action, omit to take any action or permit the taking or omission of any action within its control (including, without limitation, making or permitting any use of the proceeds of the Notes) if taking, permitting or omitting to take such action would cause any of the Notes to be an arbitrage bond or a private activity bond within the meaning of the Code or would otherwise cause interest on the Notes to be included in the gross income of the recipients thereof for federal income tax purposes. The Village Clerk/Treasurer or other officer of the Municipality charged with the responsibility of issuing the Notes, shall provide an appropriate certificate of the Municipality as of the Closing, for inclusion in the transcript of proceedings, certifying that it can and covenanting that it will comply with the provisions of the Code and Regulations.

Further, it is the intent of the Municipality to take all reasonable and lawful actions to comply with any new tax laws enacted so that the Notes will continue to be obligations described in Section 103(a) of the Code, the interest of which is excludable from gross income for federal income tax purposes.

The Municipality covenants that it is a governmental unit with general taxing powers and that the Notes are not "private activity bonds" as defined in Section 141 of the Code.

In accordance with Section 148(f)(4)(C) of the Code, the Municipality covenants that at least 75% of the available construction proceeds of the Notes shall be used for construction expenditures with respect to property owned by the Municipality as provided in Section 148(f)(4)(C)(iv) of the Code. If at least 10% of the available construction proceeds of the Notes (including investment earnings thereon) are expended for the governmental purposes of the issue within six months of the Closing; at least 45% are expended for such purposes within one year; at least 75% are expended for such purposes within eighteen months; and 100% are expended for such purposes within two years, the Notes will qualify for the two year expenditure exception from the rebate requirements of the Code. If for any reason the Municipality did not qualify for the two year expenditure exemption from the rebate requirements of the Code, the Municipality covenants that it would take all necessary steps to comply with such requirements.

PUBLIC NOTICES

RESOLUTION NO. 2006-14 Continued from page 28

The Village Board hereby designates the Notes to be "qualified tax exempt obligations" pursuant to the provisions of Section 265(b)(3) of the Code and in support of such designation, the Village Clerk/Treasurer or other officer of the Municipality charged with the responsibility for issuing the Notes, shall provide an appropriate certificate of the Municipality as of the date of delivery and payment for the Notes.

The Municipality declares its reasonable expectation to reimburse itself from the Note Proceeds for expenditures relating to the Project which it pays from other funds of the Municipality prior to receipt of the Note Proceeds no more than 60 days prior to the date this Resolution is adopted. The Municipality may also reimburse itself for preliminary expenditures relating to the Project (such as architectural, engineering, surveying, soil testing, costs of issuance and similar costs but not including land acquisition, site preparation and similar costs incident to the commencement of construction) which are in an amount which is less than 20% of the issue price of the Notes. This declaration and the Resolution of which it is a part, shall be publicly available in the official books, records or proceedings of the Village Board.

Section 13. Undertaking to Provide Continuing Disclosure. The Municipality hereby covenants and agrees, for the benefit of the holders of the Notes, to enter into a written undertaking (the "Undertaking") required by SEC Rule 15c2-12 promulgated by the Securities and Exchange Commission pursuant to the Securities and Exchange Act of 1934 (the "Rule") to provide continuing disclosure of certain financial information and operating data and timely notices of the occurrence of certain events in accordance with the Rule. This Undertaking shall be enforceable by the holders of the Notes or by the Purchaser on behalf of such holders (provided that the rights of the holders and the Purchaser to enforce the Undertaking shall be limited to a right to obtain specific performance of the obligations hereunder and any failure by the Municipality to comply with the provision of this Undertaking shall not be an event of default with respect to the Notes).

The Village Clerk/Treasurer, or other officer of the Municipality charged with the responsibility for issuing the Notes, shall provide a Continuing Disclosure Certificate for inclusion in the transcript of proceedings, setting forth the details and terms of the Municipality's Undertaking.

Section 14. Execution of the Notes. The Notes shall be prepared in typewritten or printed form, executed on behalf of the Municipality by the manual or facsimile signatures of the President and Village Clerk/Treasurer, authenticated by its Fiscal Agent, if required, sealed with its official or corporate seal, if any, or a facsimile thereof and delivered to the Original Purchaser upon payment to the Municipality of the purchase price thereof, plus accrued interest to the date of delivery. In the event that either of the officers whose signatures appear on the Notes shall cease to be such officers before the delivery of the Notes, such signatures shall, nevertheless, be valid and sufficient for all purposes to the same extent as if they had remained in office until such delivery. The aforesaid officers are hereby authorized to do all acts and execute all documents as may be necessary and convenient for effectuating the Closing.

Section 15. Conflicting Resolutions, Severability and Effective Date. All prior resolutions, rules or other actions of the Municipality or

any parts thereof in conflict with the provisions hereof shall be, and the same are, hereby rescinded insofar as the same may so conflict. In the event that any one or more provisions hereof shall for any reason be held to be illegal or invalid, such illegality or invalidity shall not affect any other provisions hereof. The foregoing shall take effect immediately upon adoption and approval in the manner provided by law.

RESOLUTION NO. 2006-18 Urging Governor Doyle to Veto SB 681

WHEREAS, the Wisconsin state Legislature has passed SB 681, limiting the types of public facilities that can be funded with impact fees and prohibiting municipalities from charging subdividers fees in lieu of land dedication; and

WHEREAS, SB 681 expressly prohibits municipalities from using impact fee revenue to fund the purchase of vehicles such as fire fighting apparatus; and

WHEREAS, several Wisconsin communities are currently using impact fees to purchase fire trucks necessary to serve new subdivisions and consider such a purchase to be a legitimate capitol cost to fund with impact fees; and

WHEREAS, the bill deletes "other recreational facilities" from the definition of "public facilities" in the impact fee law and we are concerned this change would prohibit municipalities from using impact fees to fund the construction of soccer fields, volley ball courts, basketball courts, baseball diamonds, tennis courts and other recreational facilities that are typically found in municipal parks; and

WHEREAS, the bill specifies that impact fees must be collected from the developer or property owner within 14 days of the issuance of a building permit or occupancy permit;

and WHEREAS, current law allows a municipality to require payment of impact fees at the time other required approvals are given, such as plat approvals and such flexibility is preferable and accommodates local practices and procedures; and

WHEREAS, SB 681 also makes a significant change to municipal land division approval powers by adding new language to sec. 236.45, Stats., expressly prohibiting municipalities from imposing park land or other fees on developers in lieu of requiring land dedication as a condition of subdivision approval; and

WHEREAS, since at least the early 1960s it has been well established law in this state that under sec. 236.45 municipalities may charge developers a fee in lieu of land dedication to fund the purchase of lands for parks, bike trails or other public improvements and it is common practice for municipalities to charge fees in lieu of land dedication as a condition of approving a plat or other land division.

NOW, THEREFORE, BE IT RESOLVED, that the Village of Kewaskum opposes SB 681 and urges Governor James Doyle to veto the bill and avoid the elimination of a longstanding subdivision regulation tool and an unnecessary reduction in municipal impact fee powers.

First inning woes hamper effort; stop advance in regional contest

KHS softballers battle until the final out

BY JUDY HARLOW
Statesman Correspondent
jharlow@kewaskumstatesman.com

The 2006 season is over for the Kewaskum High girls fast-pitch team, but the Indians didn't go down without a fight in the WIAA Division 2 regional opener, falling to host Kiel by a score of 11-9.

Kewaskum rallied for four runs in the top of the seventh inning and had Marissa Dehler on third base when winning pitcher Abbey Driscoll got Bekki Heberer to hit a grounder to second for the final out.

"We scored everything (in the seventh) after two outs," coach Jeff Gosse said about last Thursday's game. He said he brought the girls together before their last at bat and told them "I wanted them to go down fighting. They came out and did a nice job... We dug ourselves too big of a hole to get out of."

The "hole" came in the first inning when KHS starter Brooke Wodsedalek had some control problems. "She had five walks and they all came in the first inning... with two errors and no hits," Gosse said.

With the loss, the Lady Indians were eliminated from the

competition and finished their year at 6-13.

Kewaskum got eight hits off Driscoll, according to Gosse, who said the leaders were Corrin Groth, who went a perfect 3x3, with three singles. Dehler was 2x5 and both her hits were big triples. "She drove in three runs," Gosse said.

Dehler came into the game batting an impressive .405, according to Gosse, who said Groth was hitting at a .280 clip, and Heberer had been hitting fairly well until recently when she fell into "a huge slump."

About the season, Gosse said, "I expected .500... I really did, but I had to realize there were four sophomores running around out there. I told the girls next year, I will expect a lot more."

Gosse went on the season was a little frustrating at times because of the potential the girls had, but in some games, "They didn't show up."

On Tuesday, the Indians split a doubleheader with Roncalli. In the games played at Kiwanis Park, the visiting Jets won the first game 7-5 and Kewaskum came back to take the second 5-2 on a three-run outburst in the seventh.

In Game 1, Groth pitched and took the loss. "Too many walks," Gosse said, referring to the seven free passes she gave up.

Once again, Dehler came up with some key hits. She went 2x4, with three RBI, and Groth had another impressive three-hit game.

"We were leading 5-1, and we gave 'em six unearned runs in the sixth on three outfielding errors," Gosse said.

Game 2 saw Wodsedalek toss a three-hitter at the Jets, and she kept the walks down to a pair, and she struck out two.

Dehler was 3x4 in this contest. Included in her total were a pair of doubles, and she drove in two runs with a single in the third.

"We were trailing in the seventh when we rallied for three runs," Gosse said, reporting Shaylah Haire and Megan Rinzel both drew walks, then Courtney Uttech's single brought both of them home, and Haire scored on Dehler's ground out.

This was the last action in the Eastern Wisconsin Conference where the Indians finished up at 5-9.

Consistency is key to Best Ball victory

BY JUDY HARLOW
Statesman Correspondent
jharlow@kewaskumstatesman.com

The string is over!

West Bend's Craig Anderson had been one half of the winning team in the Hon-E-Kor Best Ball for the past three years, but he and his new partner, Joe Doherty, had to settle for third place in this year's event which took place last Saturday and Sunday.

The Hartford duo of Jay Krueger and John Haag claimed the 2006 title, and they did so with great consistency, putting up a pair of 67s on the Red and White Nines for a 134 in the 36-hole event.

Krueger and Haag had a four-stroke cushion over runners-up Tom and Preston Dembowiak of West Bend Country Club. They had a real good round on Sunday, a 67, to go with their opening 71 for a 138 total.

Anderson, the golf coach at West Bend West, and Doherty, an attorney in West Bend, finished fourth overall at 143. Anderson's hopes of a repeat were pretty well dashed after they opened with a 4-over-par 74 on the first day.

Krueger also coaches golf in West Bend, at East, the rival school for West. He and his partner came up with birdies on Nos. 11 and 13 on the back nine Saturday for a concluding 33, and then added a second straight 34-33 on Sunday when they birdied Nos. 11 and 14 and parred all the rest of the holes, including the famous 16-17-18 run which has determined a lot of previous championships at the course.

Taking third were Paul Bartelak and Matt Olmshenk, who hail from the Milwaukee area. They shot a fine 69 on Saturday and came in with a 72 Sunday for a 141 total.

In fifth place were locals Jim "Jonesy" Korth and Jim Rohlinger, who turned in rounds of 71 and 73 for a 144. Then came Logan and David Olds at 77-70—147, and the final pair in the Championship

ship Flight was made up of Jeff Klotz and Keith Gagnon, whose numbers were 72 and 76 for a 148.

The winners of the First Flight were Tony Cole and Lee Zarnett, with two solid rounds of 71 and 71 for a 143. They finished four shots ahead of the father-son duo of Joe and Mike Volesky. The Voleskys struggled a bit Saturday, as their 77 shows, but they certainly turned their game up a notch Sunday with a 70 for a 147 total.

In third place out of 14 teams were Pat Averill and Zak Bloom with a 76-74—150.

In the Second Flight, the perennials, Dick Wieter and Tom Bartelt, finished at 155 on the strength of a 79 and 76.

First round leaders Tim and Chuck Rondorf went from 75 to 82 and had to settle for second place at 157, and in a tie for third were Mike Stickney and tournament coordinator, Dave Denis, who carded a 78 and 82 for an even 160, the same mark put up by Mike Matenaer and Bob Beck (82-78).

There were six teams in the Third Flight, which was won by Buck Averill and Rick Averill. They had a 163 (80-83), four shots in front of Jim Michaels and Mark Daniels and Glenn Milkus and Brian Dreher.

This is the 22nd year the tournament has been held.

The door was open for the Kewaskum High golf team to make a run at Plymouth in Saturday's 18-hole Eastern Wisconsin Conference Tournament, but the two Indian seniors stumbled, allowing the Panthers to post the low total and put the finishing touches on their 20th EWC title in the last 21 years.

"The downpour that took place about three hours into the tournament may have contributed to Plymouth posting four scores in the eighties for a team total of 342," KHS coach Glenn Eichstedt said about the event at The Bull near Sheboygan Falls. "Unfortunately we were unable to take advantage of this rare opportunity to dethrone the annual award winners. Both seniors, Chad Piwoni and Jason Jahnke, were unable to successfully negotiate their way round the Jack Nicklaus designed track."

Eichstedt reported that Piwoni, who shot an even par 36 two meets ago, slipped to a 46-46—92, while Jahnke, who was averaging 38.2 strokes in confer-

ence play, skied to a 46-51—97 for the day.

Jahnke did not even figure in the Indians' total. Junior Casey Scheel counted. He had scores of 43 and 46 for an 89 to finish the season on a good note.

"This resulted in a disappointing team total of 345," Eichstedt said. Still the Indians were second in the tournament and, for the second year in a row, finished second in the final standings.

There were a couple very bright spots individually. Junior Andy McDonald overcame the changing weather conditions and put up scores of 38 and 42 to win the tournament medal with an eight-over-par 80 on the 6,867-yard course.

Freshman Ethan Geidel not only finished fifth overall in Saturday's meet with his 84 (41-43), but he claimed one of the first-team all-conference spots by finishing fourth overall with 46 points.

Plymouth's Tom Schwister captured the season medal with 68 points, 19 ahead of his teammate, Ryan Feldman. New Holstein's Kerry Frederich slipped in ahead of Geidl with 47 points.

Austin Luckow of Campbellsport also won first-team honors for placing fifth overall in the season-long points race.

Chad Piwoni was among those winning second team honors. He ended up with 16 points.

Jahnke was not eligible for any EWC honors because he missed two meets during the Easter break.

"Now it's on to the WIAA series," Eichstedt said, referring to the Division 2 regional the Indians are assigned to at New Holstein (May 23rd). The Indians should be heavy favorites to win the meet since the three bottom teams in the EWC will be in the meet along with several other teams who have not posted very impressive numbers this spring.

EWC Tournament: Plymouth 342, Kewaskum 345, Roncalli 350, New Holstein 360, Campbellsport 376, Two Rivers 380, Kiel 387, Sheboygan Falls 397.

Final Standings: 1. Plymouth, 10 points; 2. Kewaskum, 16; 3. Roncalli, 24; 4. New Holstein, 41; 5. Campbellsport, 42; 6. Two Rivers, 44; 7. Kiel, 52; 8. Sheboygan Falls, 59.

Kempf, UW-Stevens Point advance to NCAA III World Series

Comeback role suits Pointers just fine

BY JUDY HARLOW

It's an amazing story ... and it's not over yet!

Travis Kempf and his University of Wisconsin-Stevens Point teammates are heading to the NCAA 3 World Series!

After losing their opening game to St. Scholastica (4-3), the Pointers were within one loss of elimination in the regional competition held in Wisconsin Rapids last week, but they strung together five straight wins, including thrilling 7-4 and 6-4 victories over top-seeded Ripon to earn a berth in the Little World Series, which will begin in Appleton at the Fox Cities Stadium Friday night.

The week before, Stevens Point also faced elimination but fought back to earn a berth in the final games against Whitewater and beat the Warhawks two straight to advance to the regional.

"They've been all right,"

Kempf said from Stevens Point on Sunday about the games his team, now 34-16, has been involved in.

The final do-or-die game Saturday afternoon had a fantastic script, with Chuck Brehm filling the hero's shoes after hitting a long two-run home run to right-center field in the bottom of the eighth inning, breaking a 4-4 deadlock.

Adam Evanoff was hit by a pitch to start off the inning, then Brehm fouled the first pitch off in a bunt attempt before hitting away and smashing a long ball that cleared the fence in Witter Field.

Kempf, a standout pitcher and basketball player during his years at Kewaskum High, joined in the celebration after the two wins. His efforts had been cheered the day before when he scattered seven hits in posting a 6-2 win over the University of St. Thomas, thus eliminating the Minnesota school.

When asked if this was his biggest win of the year,

Kempf said, "Absolutely. I had a complete game win early in the season but it was against a team that wasn't very good. St. Thomas was rated at the time ... I didn't give up an earned run. I gave up a couple unearned runs in the ninth."

Kempf struck out four Tommies and allowed no earned runs. He didn't allow a single base runner to each third until the ninth inning.

"And I got on the all-tournament team," Kempf beamed, indicating he got his fastball working "in and out" in the game. "I probably threw 90 percent fastballs."

Solo home runs by Brandon Scheidler and Ryan Byrnes in the seventh and eighth innings sealed the deal for the Pointers.

With the win, Kempf, who transferred to Stevens Point last fall, improved to 5-2 on the year.

And is Kempf happy he made the switch from the University of Illinois-Chicago? At the beginning of the season,

when he and another UIC transfer were struggling, they wondered, but not now. "It was a pretty good transfer," he said, indicating the young Pointer coaching staff has been very supportive. Kempf said head coach Pat Bloom is only 27 and once pitched for Stevens Point. "He's big into the mental game," Kempf said, adding, "Yes, and his being a pitcher has helped me."

The pitching coach, J.C. Reinke, the Pointers' ace last season, also drew Kempf's praise. "He really knows his stuff, too," Kempf said.

Ripon concluded its year with a 34-7 mark, including 30 wins in its last 34 games, and all four of the losses came at the hands of the Pointers.

This will be Stevens Point's second trip to the World Series.

The other came in 1997.

There are eight teams, the winners of the eight regionals, in the World Series. Stevens Point's first game will be against Marietta of Ohio. Game time is 7:45 p.m.

"I don't know anything about them," Kempf said, reporting Jordan Zimmerman will start for the Pointers in the tournament, which extends through next Tuesday. "After that, I don't know who it will be," he said. "If not starting, I know I'll get some work."

When the tournament concludes, Kempf will be going back to Eau Claire to play with the Eau Claire Express. His roommate for the summer will be Zimmerman, and Kempf said the Express will play a couple series in Madison, July 7-8 and July 22-23.

Indian netters shine after rain subsides

With solid play at every position, the Kewaskum High boys tennis team got back in action last Monday with a convincing 6-1 victory over Chilton.

Just getting back in action was fun for the Indians and winning their second match of the year made it even more enjoyable.

"We finally got to play," KHS coach Dan Ross said about breaking the week-long drought caused by all the rain. "We came out surprisingly strong, considering how long the layoff was."

"We were solid everywhere. On the singles side, it was all straight set victories," Ross went on, and it was easy to see who were the most convincing winners, Jacob Cochran at No. 2 singles and Dan Parker at No. 3. Both won 6-0, 6-1.

"Number 2 and 3 looked especially good ... they never let up and finished just as strong as they started," Ross said.

The doubles teams ran into a little tougher competition, but Ross said his Indians looked pretty good even with

different partners.

"Only loss was at No. 1 doubles (Travis Bryant and Alex Rauch) in three sets to a team with only one loss," Ross said. "I'm happy with how everyone played."

KEWASKUM 6, CHILTON 1

Singles: Mitch Paulus def. Doug Schuette 6-2, 6-4; Cochran def. Justin Leche 6-0, 6-1; D. Parker dec. Zigmund Gross 6-0, 6-1; Jeremy Parker def. Dave Hickmann 6-3, 6-3.

Doubles: Bryant/Rauch lost to Mike Berth/Jared Stroobants, 7-5, 4-6, 1-6; Kyle Stoffel/Chris Larson def. Tony Propson/Ryan Hickmann 6-3, 6-4, 6-3, 10-5; Max Paulus/Justin Graham lost to Mike Ausloos/Andy Gile 4-6, 6-3, 10-5 (third set shortened by rain).

Oh how the Indians wanted to end the regular season with a win over host Two Rivers on Thursday and oh how close they came, losing 4-3.

"We hung tough against a tough team, but we weren't able to win the three-setter to get the victory. It kind of sums up the season," Ross said, indicating, "On the positive side, we are playing our best tennis of the year, top to bottom. This is where I thought we'd be at when the season started. It took a little longer to get there than I thought."

Winning in singles were senior Mitch Paulus (6-4, 6-1) at No. 1 and Jeremy Parker (6-1, 6-2) at No. 4. "Mitch played very well ... he used the terrible weather to his advantage, showed a lot of intelligence," Ross said.

About Parker's effort, the coach said, "He is playing his best tennis of the season. He has learned how to win even when he doesn't have his best stuff. He has won his last four times out, beginning with the (Washington County) Invite."

Justin Graham and Max Paulus posted "a solid win" at No. 3 doubles, starting with a good first set, which had been a weakness in other matches.

Garett Donath has a banner day

Indian boys take 4th, girls are 5th in EWC track

In the first 100-meter finals of Tuesday's EWC meet at Campbellsport, Garett Donath, left, is a step in front of New Holstein's Jordan Schneider, as they approach the finish line. Donath and Schneider finished 1-2 in both races, with Kory Jacquart of Roncalli and Ross Stockhausen third and fourth, respectively.

Kewaskum High's Kevin Schellinger easily clears one of the lower heights in the pole vault. Schellinger, a junior, finished in a tie for eighth place in the event after clearing 10 feet (10-0).

CAMPBELLSPORT — In most cases at Tuesday's Eastern Wisconsin Conference Track and Field Championships, if a school's boys track team was strong, it's girls team was pretty good as well.

Just look at the fact the Two Rivers girls easily won the 2006 girls title, amassing 147 points, while the Raider boys finished third with 122.25.

The Plymouth teams both settled in the runner-up spots, the girls out pointing Kiel 105-102, while the boys pushed champion New Holstein right to the end of the meet held

at Campbellsport before succumbing 150 to 142.50.

Kewaskum was right near the middle of the pack in both competitions. The Indians boys placed fourth with 109.83, and the young girls team took fifth with 88 points.

One of the big individual stories of the day was senior Garett Donath ending his EWC track career on a high note, scoring 38 points on the strength of three first places, including one KHS school record, and a second place.

"Good athletes who are highly motivated come to their conference meet ready to compete, and then run some of their best races of the season," KHS head coach Jerry

Gosa said, obviously pointing to Donath, who broke a 21-year record with his time of 22 and .5 seconds (22.5) in the 200 meter dash.

Mike Steinhardt held the previous record of 22.7 which he sat back in 1985.

Donath also won the 400, and he posted an amazing time of 50.7 in what some consider the premier event in every high school track meet. "Garett's time was over a second faster than his previous best," Gosa said.

Donath also won the 100 meter dash ... not once but twice.

How so? Well, some time after the first finals were held,

with Donath clocked in 11.64 (going right into the teeth of a strong wind), officials at the meet determined on young man erroneously was not in the event.

After huddling on the question, it was decided, much to Gosa's chagrin, there would be a second final, and this time Donath won in 11.28, .22 ahead of Jordan Schneider of New Holstein.

In both cases, KHS senior Ross Stockhausen placed fourth, and this was amazing since he just started running the 100 again about a week ago.

The 200-pound Stockhausen suffered a serious ankle injury during the football playoffs last fall and was concentrating strictly on the shot put until a week ago.

But he ran in the event Tuesday and ran well, clocked in 11.85.

Kewaskum actually did better in the second finals, because junior Chad Hackbarth moved up two places to fifth (with a time of 11.59. This is not a misprint, the time listed for Hackbarth was faster than the one behind Stockhausen), so the Indians earned 19 points in the race.

Other than for Donath, the Indian boys had no other first places. Luke Herriges did take second in the high jump by clearing 6-2. John Cooke of Two Rivers went two inches higher.

Junior Bob Gibson had a good outing, claiming second in the 1,600 with a time of 4:45.00. He stayed near Aaron Boettcher of New Holstein the entire race but his kick came up just one second short in a solid effort. Stephen Kattar added a fifth in the 1,600 (4:56.00)

Gibson also placed fifth in the 3,200, completing the eight laps in 10:25.0.

"The boys 4x100 (Hackbarth, Jake Turowski, Justis Clayton and Jake Sabel), ran a season-best time to finish second," Gosa said, reporting their time as 45.91.

Other top four-finishes included: 4x200 relay (Hackbarth, Clayton, Dan Dymond, Sabel), 4th in 1:35.13; 4x400 relay, 4th in 3:37.42; Logan

Staeger, discus, 3rd with an effort of 142-7; and Stockhausen, 4th in the shot, 46-01.

Zach VanWormer was unable to run the 400 and 4x400 relay because of an injury, and that was a loss of sure points for the Indians.

As far as the girls were concerned, the sprinters and relay runners had very good days.

"Kelly Uelmen's second (13.4) in the 100 and anchoring both winning relays provides not only a real good sprinter to the team, but also good leadership. Without upperclassmen sprinters, she has done a good job," Gosa said.

On the winning 4x200 relay were Jessie Liniewski, Jenny Wicklund and Nichole Kison. They combined for a 1:52.23 and in the shorter relay, it was — Jessie Forbes, Liniewski and Wicklund running with Uelmen toward a 52.70.

"These were season best times by over a second," Gosa said. The three freshmen and a sophomore have worked hard, had good handoffs and it was nice to see them win both conference titles."

The only other KHS win was provided by Crystal Trep-tow in the pole vault. She cleared 9-0.

"Crystal has been struggling in the pole vault and picked a very good day to regain her form," Gosa said.

"A nice job by Jessie Liniewski, high jump, second place (4-10) and third in the 200 with a season-best time (28.74)," Gosa said.

Also cited for a good effort was senior Erika Brock, who claimed second in the shot put. "She had her personal best, 35-11 for second place," Gosa said. "Team wise a lot of very good efforts."

Another good event for KHS was the long jump with Kison (14-8.50) and Amber Struck (14-05.25)

The Indians hosted a WIAA Division 2 regional on Monday. The sectionals are being held today at White-water. The top four finishers in each event at the sectional advance to the State Track and Field Meet in La Crosse on June 2-3.

Plymouth's 144 leaves other EWC teams in awe

BY JUDY HARLOW
Statesman Correspondent
jharlow@kewaskumstatesman.com

Kewaskum High golf coach Glen Eichstedt called it "incredible," and boy how right he was.

It's rare a high school golf team comes up with a score of 144 for four players, but that's exactly what league-leading Plymouth posted in the Eastern Wisconsin Conference's final mini-tour event (May 17) of the season held on the Panthers' home Quit Qui Oc Course in Elkhart Lake.

Eichstedt said his Indians came into the meet with "an optimistic attitude," especially having beaten the Panthers last week at Fox Hills, but the perennial powerhouse Panthers showed why they have won 19 out of the last 20 EWC golf titles.

Kewaskum came into the competition just two points behind Plymouth, seven to nine, but left four points down as Roncalli slipped into second place with a score of 156, which would have been very competitive in any of the other conference matches.

The Indians had to settle for third place with a 161, also a very respectable total.

"We bettered our overall Quit Qui Oc average the past five seasons by nine strokes," Eichstedt said, questioning whether any of the top three teams have much of a possibility to change places in the 18-hole tournament which was hosted at The Bull in Sheboygan Falls on May 20th.

"We trail Plymouth and lead Roncalli by four points, probably too much to overcome for any team at Saturday's Conference Championships."

Tom Schwister, who is leading in the race for the EWC individual medal, secured his No. 1 ranking by firing a 2-under-par 33. The other three Panther counters also hovered right around par, with Paul Graening shooting a 36, Ryan Feldman a 37, and Corey Rhyan a 38.

Senior Jason Jahnke led the Indians with a 2-over-par 37, then came Chad Piwoni

with a 40. Both are seniors.

Ethan Geidel, who is having a great freshman season and had been second in the race for the EWC medal, had to settle for a 41, and Andy McDonald rounded out the

scoring with a 43.

EWC Mini-tournament at Quit Qui Oc: 1. Plymouth 144, 2. Roncalli 156, 3. Kewaskum 161; 4. New Holstein 167, 5. Two Rivers 171, 6. Kiel 173, 7. Sheboygan Falls 176, 8.
