Gilles says TIF District infrastructure nearly complete

J-Stop Citgo, McDonalds making progress

Construction on Kewaskum's newest convenience store and gas station has made rapid progress in the last few months according to owner Jim Thull. Thull articulated that much of the preliminary work is completed included burying of fuel tanks and permitting from state and federal agencies. He plans to open the business some time in November of this year. Construction is complete on the car wash that can be seen to the left in the above photo. Thull says he is waiting for equipment ordered to be installed. The Kewaskum Village Board denied a request to allow Thull to sell beer and intoxicating liquor at the store. He says he did not receive clear word from the village on why his application was denied but will re-apply for the license upon opening the store. Sharon Ruplinger, spokesperson of Kilian Management, who own the McDonald's Express store in Kewaskum says, "We're excited to be expanding in Kewaskum." She stated the new location will replace the Express store located inside BP of Kewaskum. The interior of the new store will be similar to their West Washington Street location in West Bend and will feature the full traditional McDonald's menu.

Mediterra subdivision gets first green light to proceed

KEWASKUM- The Village of Kewaskum Planning Commission for the third time, reviewed a concept plan from Tom Timblin and Greene Brothers Construction for what is described as an upscale residential community with 132 single family lots on 130 acres on Kewaskum's north side. Commissioners approved the concept plan as presented but not without sending them off with a "honey do list."

This was the third concept plan Timblin and Greene Brothers brought to the commission. Each plan addressed a handful of hurdles tackled by the two. Initially, the developers tackled lowering

the slope on a road leading up to a 100 ft bluff that will have lots for 18 homes. Commissioners were not in favor of the original plan of having a 15 percent grade for the road leading up to those homes. Village ordinances state that roadways should not have more than a 10 percent grade.

At an earlier meeting, commissioners also asked the developers to escrow funds for a bridge over the Milwaukee River that might one day be installed. They initially requested that a third of the cost be paid by Mediterra, another third be paid by whoever develops the adjacent property, and the last third be paid by the village.

Timblin stated that he did not think that was fair, since there was

a good possibility that the bridge may never be constructed. Ultimately, it was decided that commissioners would be satisfied with an 80-foot easement dedicated to the village.

At Tuesday's meeting, after a significant discussion on the type of booster pump that would be needed to provide water to the 18 lots on the bluff, and the type of structure needed to house the pump, Timblin asked the commissioners for a decision on the new concept plan they brought. He stated that technical items could be decided on before a preliminary plat is brought before the commission.

Bee blamed in Monday crash

A bee flying into her mini van caused a Kewaskum woman to lose control of her vehicle on Monday, August 21. Carol L. Fabitz, 61, was eastbound on Badger Road from Prospect Drive in the village of Kewaskum when her vehicle left the roadway and hit a ditch on the northside of Badger Road. Fabitz was transported to St. Joseph's Community Hospital in West Bend where she was treated and released. Kewaskum Police Department, along with Kewaskum Fire Department and Rescue Squad, assisted at the scene.

Allenton men charged for child abuse cases

By Andrew Kuehl
Statesman Managing Editor
akuehl@kewaskumstatesman

Two Allenton men are being held in the Washington County Jail after they were arrested Friday, August 18. One man faces up to \$10,000 in fines and 60 years in prison after being charged with first-degree reckless homicide when his actions may have caused the death of a six-month-old infant.

The other man has been charged with child abuse, with intent to cause harm. He faces fines of not more than \$10,000 and six years in prison. The two men were formally charged Monday, August 21 in Washington County Court.

The Washington County Sheriff's Department began investigating after Anissa Francis, 21, of Allenton, brought her six-month-old daughter Serenitee Halbert to St. Joseph's Community Hospital in West Bend. The mother told medical personnel there, that she noticed the infant was floppy and whimpering and her legs and arms were stiff and shaking as if it was having a seizure.

St. Joseph's Hospital, medical staff decided to have the infant transferred to Children's Hospital of Wisconsin in Milwaukee for further examination. Upon examining the infant, medical staff there believed the injuries were consistent with possible child abuse, primarily shaken baby syndrome.

Serenitee died at Children's Hospital the next evening.

According to the criminal complaint, Francis left her two children, the female infant and a 19-month-old boy in the

care of Craig C. Tolonen, 22, of Allenton, on the evening of Thursday, August 17, while she and her boyfriend "went out drinking." They arrived home around 2 a.m. the next morning. Francis stated that her and her boyfriend were drunk and fell asleep.

Later that morning, she informed Tolonen that she was taking her boyfriend to work and that she would return shortly. The complaint states that during that time, the infant started crying. Tolonen admitted to authorities that he had been drinking the evening prior and was hung over. He stated he became agitated at the fact the infant was crying. He went into her room and placed her in a bouncy seat so that he could sleep. He says she continued to cry and he became frustrated with the crying. He then removed her from the seat and began shaking and yelling at her for what he believed was about 30 seconds and then threw her onto a couch. She began crying louder and after a few minutes, he put her back into her bassinet.

The complaint also states that the examining doctor at Children's Hospital asserted that his examination revealed the infant suffered abusive head trauma, and in his professional opinion and experience he believed the injuries were the result of rotational force including shaking either without impact or shaking and an impact with a soft object. Other injuries to the infant included anoxic brain injury, swelling of her brain, retinal hemorrhaging, damage to the optic nerve and bleeding between the brain

and skull.

After authorities were alerted to the alleged abuse of the infant, they responded to an apartment on Third Street in Allenton. Sheriff Brian Rahn stated deputies needed to use force to gain entry into the apartment occupied by Tolonen and the 19-month-old child. After gaining entry to the apartment, investigators and deputies immediately noticed signs of possible abuse to the other child. Deputies had the child transported by Rescue Squad to St. Joseph's Hospital. He was later transferred to Children's Hospital.

Investigators learned abuse of the 19-month-old child had taken place on Wednesday, August 16. Another criminal complaint states that Francis and her boyfriend, Junior L. Weiss, 24, of Allenton, went out drinking and left Tolonen to care for her two children.

When questioned, Weiss admitted to authorities that upon returning to the apartment, the 19-month-old was crying so he gave the child a juice box. When the child refused the juice box, he slapped him once or twice in the face causing him to bleed. Investigators reported that a hand impression was found on the child's face.

Tolonen remains in the county jail. He will be back in court on Wednesday, September 13.

Weiss remains in the county jail. He will return to court on Monday, August 28.

The 19-month-old child has been placed in foster care for the time being.

Never ever shake a baby! Important reminders for parents and caregivers

By Lisa Krenke
Executive Director
Friends of Abused Families, Inc

The tragic death of six-month-old Serenitee Halbert of Allenton requires adults in Washington County to take a "step back" and remember the awesome responsibility we have when it comes protecting and caring for our most precious commodity - children.

The number of children affected by Shaken Baby Syndrome (SBS) grows each year. According to the National Center on Shaken Baby Syndrome, "SBS is the most common cause of infant mortality and accounts for most long-term disability in infants and young children due to physical child abuse." Other effects of SBS include blindness, hearing loss, seizures, developmental delays, and paralysis.

SBS results from head trauma and injuries caused by someone vigorously shaking an infant. "The perpetrators in SBS cases are almost always parents or caregivers who shake the baby out of frustra-

tion or stress when the little one is crying inconsolably."

Adults need to maintain control over their emotions and frustration when dealing with a crying infant. Reducing the stress level is critical to preventing SBS from occurring. The following methods can be used when trying to soothe a crying infant:

- Take a deep breath, take several more.
- Make sure basic needs are met - are they dry and fed? Check for signs of other illness such as fever and/or swollen gums.
- Rock or walk with the baby.
- Take the baby for a stroller or car ride, or place securely in a baby swing.
- Call a friend or relative for support to take care of the baby while you take a break.
- Place the baby on his or her back in the crib, close the door, and check on the baby in ten minutes.
- Splash cold water on your face.
- Turn on soothing mu-

sic - sing along.

• Put yourself in a "time-out" chair.

Taking care of an infant will create precious memories; however, it is an immense responsibility. Remember you are not alone. Friends of Abused Families has trained staff available 24 hours a day 7 days a week to help when needed. If you or someone you know needs support, contact 262-334-7298.

Additional Washington County resources include Warmline Support at 262-338-9461 or Family Helpline at 262-338-3555 or 1-800-924-3555.

For more information on Shaken Baby Syndrome visit www.kidshealth.org.

Success is not the key to happiness. Happiness is the key to success. If you love what you are doing, you will be successful.

Reckless driving leads to OWI for Random Lake man

Washington County Sheriff's Deputies were dispatched to 1307 Scenic Drive in Boltonville for a pick-up truck spinning donuts. With the help of deputies in Sheboygan County a 27-year-old Random Lake man was arrested for Operating While Intoxicated.

Washington County Sheriff Brian Rahn stated that a complainant provided a vehicle license plate number which listed to John P. Norum.

Rahn says that deputies assisted by a Sheboygan County Sheriff's Deputy went to Norum's house and arrested him for OWI.

On advice from the village's engineer, Andy Peterson, the commissioners approved the concept plan with the following conditions: The development would need to meet all village standards and ordinances, along with all regulatory agency requirements, and there would be no guarantee on the lot configurations until the preliminary plat was presented and it clearly showed those configurations.

In an interview after the meeting, Timblin stated that they have not yet purchased the land that remains in the township of Kewaskum. He added they have not ruled out developing the land in the township, and that they will be meeting with town officials to explore their options.

Most hospitals think intensive care is intense enough. We found a better way.

This is your hospital. The Aurora Medical Center in Hartford.

Traditionally an ICU provides continuous monitoring and care to get patients through the most acute stages of illness or injury. Aurora's found a better way—eICU. eICU provides added support, with 24/7 electronic monitoring of patients by a remote team of doctors and critical care nurses. This helps to detect changes in patient condition earlier, provides additional collaboration with onsite physicians, ensures more effective intervention and has been proven to shorten hospital stays. In Washington County, this level of care can only be found at your Aurora Medical Center. For more information visit www.Aurora.org/WashingtonCounty.

First human West Nile Virus case reported

MADISON- State health officials announced Monday, August 21, the first confirmed human case of West Nile virus in 2006 in Wisconsin and they advise residents to continue to protect themselves against mosquito bites.

"Although few mosquitoes are infected with the virus, the best protection is to avoid getting bitten," said Mark Sotir, Epidemiologist.

The woman from Portage County developed fever, headache, muscle and joint aches, nausea, vomiting, rash, and fatigue. She fully recovered from the illness without requiring hospitalization.

Most people infected with West Nile virus will not have any symptoms, but those who do become ill may develop a fever, headache, and rash that lasts a few days. Symptoms may begin between three to 15 days after being bitten by an infected mosquito, and people who become ill should contact their healthcare provider.

In rare cases, West Nile virus can cause severe disease with symptoms such as headache, fever, muscle weakness, stiff neck, disorientation, tremors, convulsions, paralysis and coma. Older people are at greater risk of developing severe illness.

West Nile virus is spread to people through the bite of an infected mosquito and is not transmitted person to person. Tips to minimize your exposure to mosquitoes include:

*Use effective mosquito repellent and apply according to the label instructions

*Wear light colored long-sleeved shirts, long pants, socks, and shoes

*Avoid being outside during times of high mosquito activity, specifically around dawn and dusk

*Dispose of discarded tires, cans or plastic containers left outside that may contain standing water

*Drain standing water from pool or hot tub covers

*Turn over plastic wading pools and wheel barrows when not in use

*Keep drains, ditches and culverts clean of trash and weeds so water will drain properly

*Clean gutters to ensure they drain properly

*Change the water in bird baths, pet dishes and wading pools every 3-4 days

The Department continues to monitor the spread of the disease in dead crows, ravens and blue jays. A positive bird test confirms that the virus is present in an area, and therefore serves as an opportunity to remind people to

take precautions to avoid being bitten by mosquitoes.

Dead birds should be reported to the toll-free West Nile Virus Hotline at 1-800-433-1610

West Nile virus has been found in 92 birds in 44 Wisconsin counties during 2006. In addition, three horses and 22 mosquito pools have also tested positive for West Nile virus in Wisconsin this year

For more information regarding West Nile virus in Wisconsin, please visit: <http://dhfs.wisconsin.gov/communicable/westNilevirus/>

Hwy DW rail crossing to be repaired

ALLENTON- Canadian National Railroad will repair their crossing at County Highway DW west of County Highway W August 23 thru August 25. As a result, County Highway DW will be closed to all traffic at the railroad crossing.

Residents living along the section of County Highway DW between State Highway 175 and County Highway W will still have access to their property but they will not be able to cross the railroad tracks.

Canadian National crews plan to complete the project in three days but the work is dependent upon the weather.

Aging and disability resource center proposed in W.B.

It's all about consolidation. That's the idea behind a proposed "Aging and Disability Resource Center" at West Bend's Public Agency Center.

Washington County Office on Aging director Linda Olson says there wouldn't be any construction involved. Just some remodeling.

A nurse would need to be hired along with a disability benefits specialist. Collectively, those salaries would be in the \$98,000 range.

Committee chair, Charlene Brady says it would allow the county to consolidate services for seniors and those with disabilities.

Olson says the idea is largely dependent on state funding. The Health and Aging Committee will discuss the idea at their meeting on August 30.

Family Dollar thief arrested in W.B.

Teamwork between West Bend Police Officers and Washington County Sheriff's Deputies helped make an arrest of a 30-year-old man on Friday morning, August 18. He was arrested at a West Bend home.

Charges of armed robbery are being requested.

Last Tuesday, the Family Dollar store on West Washington Street in West Bend was robbed. The suspect threatened a clerk at gunpoint and demanded cash.

Woman found intoxicated in ditch

T. WEST BEND- Washington County Sheriff's deputies responded to Cedarview

Drive after receiving a report that an intoxicated female was found unconscious lying in the ditch. Deputies discovered a homemade marijuana pipe and a small bag of marijuana.

Dispatchers received the call from an area resident at 12:45 a.m. Deputies arrived and were able to arouse Donna M. Starr, 35, of West Bend.

Starr advised deputies she was walking home from a nearby bar and decided to lie down. Upon conducting a consented search of her person, deputies located the drug paraphernalia and marijuana.

A Breathalyzer test revealed she had a blood alcohol count of .16. Starr was issued two citations in connection with the marijuana and drug paraphernalia.

Holy Hill vandal, Groth arraigned

WEST BEND- One of the two cousins accused of defacing Holy Hill was arraigned on Wednesday, August 16, in Washington County Circuit Court. The second suspect has filed for a change of venue.

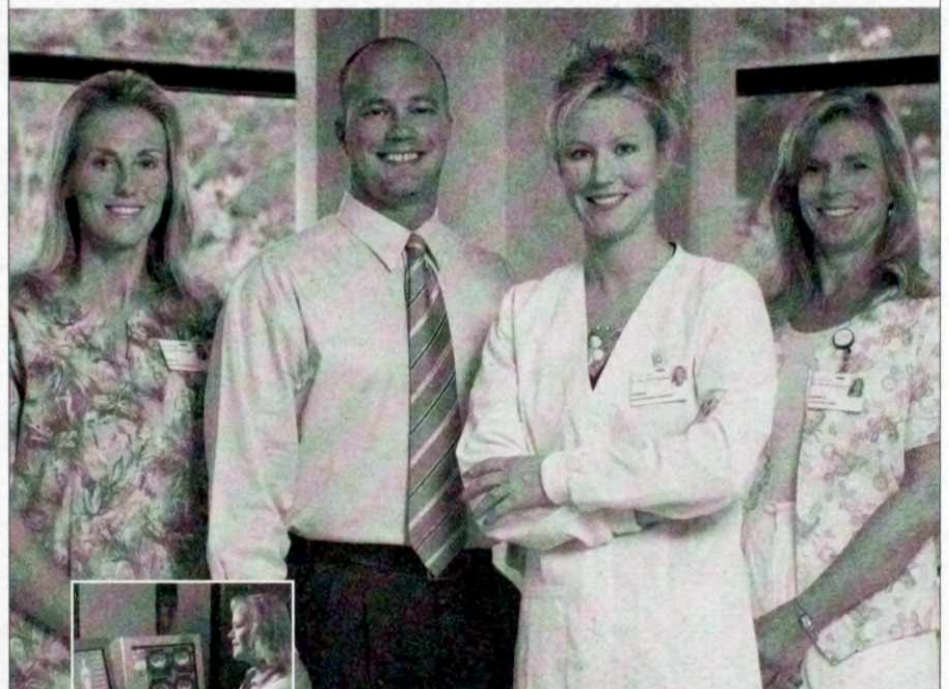

David Groth, 17 of Hartford will be back in court on September 6 for a plea hearing.

Tyler Groth, 21, who is facing similar charges will go before Judge Patrick Faragher asking for a change of venue among other motions. Tyler Groth will return to court on September 8.

Van Ess hits milestone in his dental career

50th Anniversary

Dr. Stephen Van Ess poses with the sign his employees had placed in front of his office on August 15th, commemorating 25 years of family dentistry in Kewaskum. A few flamingos showed up to join in the celebration. **Statesman photo by Judy Harlow**

The small town atmosphere of Kewaskum has suited Dr. Stephen Van Ess D.D.S. just fine.

Fresh out of Marquette University back in 1981, Van Ess, who grew up in Wauwatosa, learned there was an opening for a new dentist here and after receiving some encouragement from Dr. J. Dennis Connor decided to come.

"I graduated in June and started the fifteenth of August," Van Ess said last week on the day he celebrated 25 years of being in family dental practice, complete with a sign and the pink flamingos in front of his office and a beautiful cake that was shared with the patients coming in that day.

"I got hooked up on Kewaskum with a dental supplier I was working with," Van Ess said. "I met Dr. Connor and he kind of welcomed me to come to town."

Connor was in the Sison Building at the time, and a Dr. Robert Filete was practicing one day a week in the building owned by Orv Behnke.

"I took it from a one day a week practice to being very busy," Van Ess said, and is proud of the fact some of his patients have been with him since the very beginning.

Deciding on coming to Kewaskum was the second big decision Van Ess made in his career. The first one was determining whether to become a doctor or a dentist after graduating from Duke University.

It was while attending Purdue University to obtain his Master's degree in Medicinal

Chemistry that Van Ess came up with the decision. Playing softball with a bunch of medical interns and residents, "I could see that had no life-style," Van Ess said, adding, "I spent some time with our family dentist, and decided that's where I wanted to go."

Van Ess believes he got an excellent education at Marquette, and he is pleased with the new dental school curriculum and the fact the practical aspect of it includes "more comprehensive treatment."

When Van Ess first came to Kewaskum, his wife, Gayle, was his only employee. "When we had Gretchen (the couple's first child), I had to hire two girls to replace her," Van Ess said. "Now I've got six girls working for me."

Like many of his patients, Van Ess's employees have a lot of longevity.

Judy Essman, the office manager, has been with Van Ess for 12 years, while Pat Knuth, a hygienist, and Sue Warneky, a chairside assistant, have worked with him for 10 years.

Jessie Jacak, another hygienist, has been employed by Dr. Van Ess for eight years, while Diane Buncich (office assistant) and Angie Wagner (chairside assistant) are nearly three year anniversaries.

Van Ess said he is fortunate to have such a good staff and praised the work they do.

When asked about the biggest changes in dentistry, Van Ess said, "Probably materials," starting with clear, plastic fillings that have replaced the old silver ones. And, he said, "the development we've seen recently on implants."

Continuing education is very important in the field of dentistry, according to Van Ess, who said, "You've got to do that, or you get behind too fast."

When Van Ess is not working, it's more than likely he can be found golfing, hunting or on his new Harley.

"Probably the longest trip was out to Erie, Pennsylvania to watch Stuart play hockey," Van Ess said, indicating his only son — the couple also has a daughter Katie studying at Texas Christian University — will be playing Division 3 hockey at St. John's in Minnesota this year.

And has Van Ess ever thought about practicing anywhere else? "No, I haven't. I've enjoyed Kewaskum. Kewaskum has been good to me and my family."

Responding to that feeling is also very important, according to Van Ess, who said, "You can't come to a community and take without giving," he said, and that has come in the way of being active in service and church groups and more recently offering an office to Habitat for Humanity. "We don't charge them any money for it," Van Ess said. "It has worked out well for everybody."

And it worked out well for a lot of people that he came to Kewaskum a quarter of a century ago.

A common mistake that people make when trying to design something completely fool-proof is to underestimate the ingenuity of complete fools.

EVENTS

Summer star gazing program Aug. 26

The Summer Evening Events at the Kettle Moraine State Forest - Northern Unit continues with "Summer Star Gazing." The program will be held on Saturday, August 26, from 9:15 p.m. to 10:45 p.m. at the Henry S. Reuss Ice Age Visitor Center. The Ice Age Visitor Center is located off of Hwy 67 half mile west of Dundee. The program is free, but donations are always gratefully accepted.

The astronomers from the Northern Cross Science Foun-

dation will be setting up their telescopes of all sizes from four inch diameters to more than twelve inches and pointing them into the night sky. Everyone is invited to peer through the scopes to bring into focus the wonders of the night sky. With the help of these experienced sky observers, you will be able to spy distant planets, marvel at far away galaxies and be awed by the beauty of a dumb-bell nebula or globular cluster. The folks of the Northern Cross Science Foundation

are always eager to share their hobby and help folks who are just getting started in astronomy. The program will be held only if the skies are clear, and is best for adults and youth over the age of 8 years.

For further information or directions to the Ice Age Visitor Center, please contact forest staff at the center. They may be reached at (920) 533-8322, Monday through Friday, 8:30 a.m. to 4:00 p.m. and on Saturday and Sunday from 9:30 a.m. to 5:00 p.m.

Wild Wednesdays at C-sport Library

In order to encourage the area school children to become more familiar with all of the wonderful things that the Campbellsport Public Library has to offer, they are inviting everyone to come to the Library on Wednesdays after school to participate in a variety of events.

The first Wednesday of the month they will be showing a movie (in Sept. they will be showing The Shaggy Dog with Tim Allen and popcorn will be served). The second Wednesday they will be cre-

ating crafts with the kids. The third Wednesday the American Girl Club will meet to discuss a book and the last Wednesday of the month kids will be invited to play board games.

A parent/guardian must pre-register their child/ren for any event that their child wishes to attend by the preceding Friday at 5. Children age 9 and under, will need to be accompanied by an adult and parents with older children will need to pick-up their children inside the building

immediately following the program.

If you would like more information about these programs, or would like to volunteer to help at the programs or to do craft preparation, please call the Library at (920) 533-8534, or stop in at 220 Helena St. They are open in Aug. on Mon., Tues., and Thurs., 12 to 8, Weds., 10 to 6 and Fri., 10 to 5. Starting Sept. 5, the library will be open on Mon. and Tues., 12 to 8, Weds., 10 to 6, Thur., 12 to 5, Fri., 12 to 5, and Sat., 9 to Noon.

Family Concert with Randy Peterson

Join in on Saturday, September 3, from 6:30 to 8:30 pm for an evening of family fun and music with Randy Peterson. The concert will be held outdoors at the Mauthe Lake Recreation Area Picnic Shelter of the Kettle Moraine State Forest - Northern Unit. To find Mauthe Lake from Hwy 45, turn northeast onto Hwy 67. Take Hwy 67 to Hwy SS, and then turn east or right. Follow Hwy SS through New Prospect to Hwy GGG. Turn right (south) onto Hwy GGG which will take you to Mauthe Lake. A Wisconsin State Park System vehicle admission sticker is required. In the

event of inclement weather, the concert will be held at the Henry S. Reuss Ice Age Visitor Center. The Visitor Center is located off of Hwy 67, half mile west of Dundee.

Randy, a singer as well as songwriter, performs throughout the Midwest, and is often featured on television and radio programs. His concerts are a fast-moving mix of music, humor and storytelling that is geared for kids, but which all ages enjoy. Children participate throughout his shows, which he likes to call "sing-along, clap-along, laugh-along concerts."

Randy Peterson received

an iParenting Media Award for his recording, "Let Me Sing You a Story." This national level award is given to children's products deemed "the best in the industry" by iParentingMedia, which is the leading producer of parenting information in magazines, newspapers, radio and the internet. He has also twice been awarded the prestigious Parents' Choice Award for some of his other recordings.

For more information about this terrific family concert, contact the forest staff at the Ice Age Visitor Center. The center's phone number is (920) 533-8322.

DAYS GONE BY

25 Years Ago

August 21, 1981

Grand Opening will be held Saturday, August 22, at Pluto's Frosty Serve, 100 Clinton Street, (formerly Homestead Hall) in Kewaskum. This is Kewaskum's newest recreation center, and features a game room with pool tables and numerous pinball machines for both young and old. The grill area has booth service or takeouts and serves char-broiled burgers, Pluto burgers, steak, pizza, chicken plates and buckets, fish sandwiches, onion rings, French fries, hot dogs, shrimp, malts, sundaes and cones.

The annual meeting of the Kewaskum Area Chamber of Commerce was held July 17 at the Valley Bank community room. Election of new board members was held with the following elected to fill the board of eight: Jack Jadro, Nancy Kulas, Tom Leitzke, Rich Bechler and William Koehne. The returning board members are Charleen Barutha, Tom Bartelt and Liz Nigh. On August 17 the regular monthly board meeting was held at the West Bend Savings Office, Kewaskum Branch. The new directors were elected at this meeting and are Tom Leitzke, president; Tom Bartelt, re-elected vice-president, and Charleen Barutha, re-elected secretary-treasurer.

Ray Skrentny of Kewaskum has joined the Lakeland College Center for Business and Economics as director, effective July 1.

Eight new members were inducted into Regal Ware, Inc.'s 25-Year Club during the club's 12th annual banquet held recently at The Homestead Supper Club in Kewaskum. The employees honored for their quarter century of service to Regal included: Rodger Dunstan, Dorothy Kaehne, Harriet Michaels, Darlene Pesch, James Portmann, Bernice Schmidt, Walter Schwitzer and Joseph Volz. Also honored at the banquet were Ned Sengpiel, who was honored for 30 years of service to Regal and four new 35-year service employees: Wilmer Bunkelman, Clarence Reigle, Lloyd Teeselink and Gustav Werner.

Approximately 300 runners participated in the eighth annual Kettle 20+2 races sponsored by the Kewaskum Lions Club Sunday morning in conjunction with their annual chicken barbecue. The two big winners were Glen Schumacher of Greenfield and Carol Spaeth of Kewaskum in the men's and women's 20 kilometer race.

Behind solid hitting and several sparkling defensive plays, Behring's Market and Village Sport Shop defeated Schmitt's Never Inn in the playoff for first place by a 19-6 score in the Ladies Slow Pitch League. Congratulations to

Behring's Market and Village Sport Shop for a fine season. Regular players include: Connie Hughes, outfield; Sue Binder, outfield; Pam Allison, outfield; Chris Broker, outfield; Denise Voss, outfield; Chris Nigh, outfield; Chris Zimdars, third; Sherri Dricken, short-stop; Jeanne Rieden, second; Pam Kohlman, first; Cheryl Beal, catcher; Caroline Fischer, catcher; Joan Waechter, catcher; Bev Hansen, pitcher, and Coach Steve Gudex.

The infant daughter of Mr. and Mrs. Russell Herriges of Route 3, Kewaskum, born on July 22, was baptized August 13 at St. Michael's Church by Father Bonesho. She received the name of Chrystal Lynn. Sponsors were Jean Melzer and Dennis Herriges. Maternal grandparents are Mr. and Mrs. Robert Melzer of Route 1, Allenton, and paternal grandparents are Mr. and Mrs. Richard Herriges of Route 3, Kewaskum.

A daughter, Stephanie Ann, was born to Dale and Patsy Vetter, Kewaskum, on August 14. Paternal grandparents are Mr. and Mrs. Leland Vetter, Kewaskum, and maternal grandparents are Mr. and Mrs. Louis Ebert, Kewaskum. Stephanie has two brothers, Nathan, five years, and Timmy, two years. A daughter was also born to Joseph and Lynn Judnic, Kewaskum, on August 16. A son, Jason Michael, was born to Michael and Jane Strobel, Kewaskum, on August 17.

Another drowning at Regner Park in West Bend, was averted by quick action on the part of a 12-year-old Barton youth when Roman Breit Jr. of Barton pulled his six-year-old cousin, Roseann Breit of St. Michaels from the stream at the park Tuesday morning when she tumbled over backwards into the water at the dam. Roseann was watching her cousins, Romy Breit and his brother, Gerald, 9, who had been fishing at the fish pond and were wrapping up their fishing gear preparatory to leaving the park. Suddenly she toppled backwards into the stream. Romy rushed to the girls assistance. The water was over her head and she swallowed quite a bit of it but otherwise she was apparently uninjured. Roseann is the daughter of Mr. and Mrs. John Breit of St. Michaels. John and Romy Breit are brothers.

In a 2 p.m. ceremony performed in West Bend on August 18, Miss Shirley Staehler, daughter of Mr. and Mrs. Andrew Staehler, West Bend, became the bride of Leander Kempf, son of the Erwin Kempfs, Route 1, Kewaskum. (CONGRATULATIONS LEE & SHIRLEY!!)

The Kewaskum Fire Department answered a call to the

John Metz farm in the Town of Kewaskum Monday. A lean-to built against the house caught fire resulting in damage to the roof and one wall of the structure. The firemen were also summoned Monday to the Jerome Mayer farm in the Town of Wayne when a pickup truck caught fire in a shed.

Daughters were born to Mr. and Mrs. Jerome Guldan, Kewaskum, on August 21; to Mr. and Mrs. Ralph Strassburg, Route 3, Campbellsport, also on August 21, and to Mr. and Mrs. Roger Reindl, Kewaskum, on August 16. A son was born to Mr. and Mrs. Leo Brown, Kewaskum, on August 17.

Back-To-School Special

National school lunch and breakfast programs

The Kewaskum School District recently announced its policy for children unable to pay the full price of meals served under the National School Lunch Program and School Breakfast Program. Each school office and the central office has a copy of the policy, which may be reviewed by any interested party.

The following household size and income criteria will be used for determining eligibility. Children from families whose annual income is at or below the levels shown are eligible for free and reduced price meals.

Application forms are available at all five Kewaskum School District School offices. To apply for free or reduced price meals, households must fill out the application and return it to the school. Additional copies are available at the main office in each school. The information provided on the application will be used for the purpose of determining eligibility and may be verified at any time during the school year by school or other program officials. Applications may be submitted at any time during the year.

To obtain free or reduced price meals for children for whose households receive Food Share or Wisconsin Works (W-2) benefits, an adult member needs only to list the names of the school children, give FoodShare or W-2 case number for each child, sign his/her name and return the application to the school of-

office.

For the school officials to determine eligibility for free or reduced price meals of households not receiving FoodShare or W-2, the household must provide the following information requested on the application: names of all household members, and the social security number of the adult household member who signs the application. In lieu of a social security number, the household may indicate that the signer does not possess a social security number. Also, the income received by each household member must be provided by amount and source (wages, welfare, child support, etc.).

Under the provisions of the free and reduced price meal the Food Services and Nutrition Director will review applications and determine eligibility. If a parent or guardian is dissatisfied with the ruling of the official, he/she may wish to discuss the decision with the determining official on an informal basis. If the parent/guardian wishes to make a formal appeal, he/she may make a request either orally or in writing to: John Kenworthy, School Board President, 539 Braatz Drive, Kewaskum, WI 53040, Phone: 262-626-2746. If a hearing is needed to appeal the decision, the policy contains an outline of the hearing procedure.

If a household member becomes unemployed or if the household size changes, the family should contact the

school. Such changes may make the household eligible for reduced price meals or free meals if the household income falls at or below the levels shown above, and they may reapply at that time.

In certain cases foster children are also eligible for these benefits. If a household has foster children living with them and wishes to apply for free or reduced price meals, the household should complete an application for a family of one or contact the school for more information.

The information provided by the household on the application is confidential. Public Law 103-448 does authorize the release of student free and reduced price school meal eligibility status to persons directly connected with the administration and enforcement of federal or state educational programs.

In the operation of the child nutrition programs, no child will be discriminated against because of race, color, national origin, sex, age, or disability. If any member of a household believes they have been discriminated against, they should write immediately to USDA, Director, Office of Civil Rights, Room 326-W, Whitten Building, 1400 Independence Avenue, SW, Washington DC 20250-9410.

Any questions regarding the application should be directed to the determining official.

Kewaskum School District students return September 5

By Michael Krumm
Superintendent

School District Residents, Parents and Students are encouraged to visit our District Web Site where most school information is available. www.kewaskumschools.org. Athletic schedules, lunch menus, PTO news, School Board information, calendars, alumni information, and much more is online, so please visit us often.

Transportation: Johnson Bus Company will be sending out information soon on bus rules and pick-up times. If you haven't received information by Friday, August 25th please call them at 626-4414 to make or verify transportation arrangements. Families are encouraged to review the bus riding rules and safe boarding, riding and unloading procedures together. If this is your child's first experience riding a bus, parents may want to take a little extra time and accompany their child or arrange for someone else to accompany them for their first pick-up and drop-off.

Crossing Guards will be present on designated village street corners. Parents and students are urged to use them accordingly. It is ex-

tremely important for parents to cooperate with the schools by not sending or dropping their children off at school before school doors open since they will be unsupervised.

Insurance: The District does not carry accident insurance for students. We encourage parents/guardians to review their own insurance policies to be certain that coverage is adequate, especially in the case of athletics.

Free and Reduced Lunch Program: Information was available during registration. Parents with children in several district schools need only fill out one application to cover all children. If you think you are eligible please call or stop in any school office to obtain a form.

Lunch prices this year will be \$1.50/day for elementary students and \$1.75/day for middle and high school students. School begins with a full day on Tuesday, September 5th and hot lunch will be served.

Welcome back! We look forward to the return of our students and are eager to begin a new school year!

2006 - 2007 SCHOOL YEAR NOTIFICATION

As a result of federal legislation (Asbestos Hazard Emergency Response Act-AHERA), each primary and secondary school in the nation is required to complete a stringent inspection for asbestos and develop a plan of management for all asbestos containing materials. The School District of Kewaskum has a goal to be in full compliance with this and is following the spirit as well as the letter of the law. As a matter of policy, The School District of Kewaskum shall continue to maintain a safe and healthful environment for our community's youth and employees.

In keeping with this legislation, all buildings (including portable and support buildings) owned or leased by the school district were inspected by EPA accredited inspectors and samples were analyzed by an independent laboratory. Based on the inspection, the school prepared and the state approved a comprehensive management plan for handling the asbestos located within its buildings safely and responsibly.

Furthermore, The School District of Kewaskum has completed its 3-Year Re-inspection required by AHERA. The buildings, where asbestos was found, are under repair, removal, and operations and maintenance.

Federal law requires a periodic walk-through (called "surveillance") every six months of each area containing asbestos. Also, the law requires all buildings to be re-inspected three years after a management plan is in effect. This will be accomplished under contract with Environmental Management Consulting, Inc.

Short-term workers (outside contractors- i.e., telephone repair workers, electricians, and exterminators) must be provided information regarding the location of asbestos in which they may come into contact. All short-term workers shall contact the lead maintenance person, before commencing the work, to be given this information.

The School District of Kewaskum has a list of the locations, types of asbestos-containing materials found in each building, and a description and time table for their proper management. A copy of the Asbestos Management Plan is available for review in the school office. Copies are available at 25 cents per page.

Tofu Rules

Creative Foods students at KHS learned about vegetarian lifestyles. Tofu is a nutrient dense curd made from soybeans. Shown above, left to right, are Karee Rather, Val Anderson, Caytlin Sprinkman, Breanna DeLaureir and Kacie Darmody. These four "tofoodies" are sampling the blueberry energy drink made by kitchen six. As part of the Kewaskum School District Wellness Policy, students continue to learn new concepts with a new emphasis on "mindful eating" and using recipes with lower sugar, fat and caffeine.

In accordance with state law, the School District of Kewaskum designates as directory data the following information:

Student's name
Student's address
Telephone listing (unless unlisted)
Date and place of birth
Participation in officially recognized activities and sports
Weight and height (if member of an athletic team)
Degrees and awards received
Name of school most recently attended
Dates of school attendance
Photographs
Major field of study

The above information may be released to individuals or groups who request, in writing, the specific purpose for which the request is made. Annually but prior to the beginning of a school year public notice shall be given in the Student Handbook, newspaper, and in the registration packet, specifying the categories of information which have been designated as Directory Data with respect to each student. In addition a letter (347.1L) shall be mailed to each parent/guardian of District students and placed into their registration packet.

Parents and eligible students may request that some or no Directory Data/information may be released by completing a *Request to Withhold Directory Data/Information* form available in the student's school office.

Fourteen (14) days from the date of publication shall be allowed for a parent, legal guardian, or guardian ad litem of any student to notify the district administrator or designee that all or any part of the directory data may not be released without the prior consent of the parent, guardian, or guardian ad litem.

KEWASKUM SCHOOL DISTRICT Official Notice Non-Discrimination Statement and Discrimination Complaint Procedure

The Kewaskum School District is committed and dedicated to the task of providing the best education possible for every child in the District for as long as the student can benefit from attendance and the student's conduct is compatible with the welfare of the entire student body.

The right of the student to be admitted to school and to participate fully in curricular, extracurricular, student services, recreational and other programs or activities shall not be abridged or impaired because of a student's sex, race, national origin, ancestry, creed, pregnancy, marital or parental status, sexual orientation or physical, mental, emotional or learning disability.

Complaints regarding the interpretation or application of this policy shall be referred to the District Administrator and processed in accordance with procedures established by the Discrimination Complaint Procedure.

Discrimination Complaint Procedure

Any complaint regarding the interpretation or application of Kewaskum School District's student non-discrimination policies shall be processed in accordance with the following grievance procedure.

1. Any student, parent or resident of the School District complaining of discrimination on the basis of sex, race, national origin, ancestry, creed, pregnancy, marital or parental status, sexual orientation or physical, mental, emotional or learning disability in school programs or activities shall report their complaint in writing to the District Administrator.

2. The District Administrator, upon receiving a written complaint, shall immediately undertake an investigation of the suspected infraction. The District Administrator will review with the building principal, or other appropriate persons, the facts comprising the alleged discrimination. Within 30 days after receiving the complaint, the District Administrator shall decide the merits of the case, determine the action to be taken, if any, and report in writing the findings and the resolution of the case to the grievant.

3. If the grievant is dissatisfied with the decision of the District Administrator, he/she may within 15 days, appeal the decision writing to the School Board. The Board shall hear the appeal at its next regular meeting, or a special meeting may be called for the purpose of hearing the appeal. In either case, the Board must hear the appeal within 45 days of its receipt. The Board shall make its decision in writing within 15 days after the hearing. Copies of the written decision shall be mailed or delivered to the grievant and the District Administrator.

4. If the grievant is dissatisfied with the Board's decision, he/she may within 30 days appeal the decision in writing to the State superintendent of Public Instruction.

5. Discrimination complaints relating to the identification, evaluation, educational placement or the provision of a free appropriate public education of a child with exceptional needs shall be processed in accordance with Wis. Stat. Ch. 115, Subch. V and Wis. Admin. Code Ch. PI11.

6. Discrimination complaints relating to programs specifically governed by federal law or regulation shall be referred directly to the State Superintendent of Public Instruction.

Koch attends Family and Consumer Sciences Conference

Mary Koch, right, is shown above with John Glanagan at the Goodheat-Wilcox booth at the expo. They are holding three Child Development text book options from which she will choose.

Mary Koch, Kewaskum High School Family and Consumer Education teacher of West Bend, attended the American Association of Family and Consumer Sciences (AAFCS) 97th Annual Conference, Life Skills! Solutions for Thriving and Threatening Times, in Charlotte, North Carolina, June 22-25, 2006.

Approximately 1,000 professionals and students in family and consumer sciences and allied fields met at the Charlotte Convention Center to present their research and successful strategies in preparing for and coping with today's emotional, physical and

financial threats. The meeting featured a variety of sessions on topics such as workplace wellness, disaster preparation, and identity theft prevention, as well as special events honoring award, grant and fellowship winners.

Michelle Singletary, renowned personal finance writer and nationally-syndicated columnist for The Washington Post, delivered the keynote address, which was sponsored by Wachovia Corporation. In her address, Mind Your Ps: The Path to Prosperity." Singletary provided attendees with no-nonsense, common-sense answers to the financial

issues that confront almost any household - not enough savings and too much debt.

Founded in 1909, the American Association of Family and Consumer Sciences (AAFCS) is the only national not-for-profit 501 (c)(3) organization dedicated to bringing people together to improve the lives of individuals, families, and communities. AAFCS's 8,000 members are elementary, secondary and post-secondary educators, researchers, and administrators; Cooperative Extension educators; and other professionals in business and industry, not-for-profit organizations, and government. Family and consumer sciences professionals develop, integrate, and provide practical knowledge about research-based LifeSkills - financial literacy; dietetics and nutrition; child care and parenting; conflict resolution; consumer education; housing and environment; and apparel and textiles. With national head-

quarters based in Alexandria, VA, AAFCS has 51 state affiliates located across the United States and Puerto Rico.

While at the convention, Koch purchased 40 raffle tickets with \$20 that her father had given her before she left for the conference. As luck would have it, one of the tickets she purchased won \$1,000 worth of text books and classroom materials of her choice from Goodheart-Wilcox Family and Consumer Sciences 2006 catalog.

Koch is a 10 year member of AAFCS and was recently elected to serve as Elementary, Secondary and Adult Education Chairperson for AAFCS.

The pursuit of happiness is a most ridiculous phrase; if you pursue happiness you'll never find it. -C.P. Snow

OBITUARIES

ROGER J. JACAK

Roger J. Jacak, age 76, of rural Campbellsport, passed away on Sunday, August 20, 2006 at Ivy Manor in Campbellsport.

He was born on February 24, 1930 in the town of Ashford, the son of the late Henry and Ella (Gitter) Jacak, and on April 28, 1951, he was united in marriage to Carol Jean Theusch at St. Bridget Catholic Church in the town of Wayne. The couple made their home and farmed in the town of Ashford.

Roger was a member of St. Kilian Catholic Church in St. Kilian, where he was a former trustee. He was very fond of his John Deere tractors and enjoyed spending time with his grandchildren and great-grandchildren. Roger will be missed by his wife, his family and by all who knew him.

Survivors include his loving wife of 55 years, Carol Jean; three children, David (Barbara) Jacak, Mary Abraham and Roger Jacak, Jr. all of Campbellsport; six grandchildren, David T. (Stephanie) Jacak, Jarod Jacak, Michael Jacak (special friend, Crystal), Kathy (William) Templeton, Heather Jacak (fiancé, Jason Wenzel) and Danyl Abraham; four great-grandchildren, Alexis and Addison Jacak, Taylor and Madison Templeton; two sisters-in-law, Elizabeth "Betty" Jacak of West Bend and Irene Jacak of Campbellsport; brothers and sisters on Carol's side, Richard (Carol Ann) Theusch and Francis (Caroline) Theusch both of the town of Wayne, Donald (Diane) Theusch of Lomira, James Theusch of Texas, Lorraine (Ervin) Beine of Hartford, Rosemary (Robert) Guth of West Bend, Elaine (Dennis) Wieberdink of Las Vegas, Nevada, Darlene Walls and Marilyn Theusch both of Kewaskum, many nieces, nephews, other relatives and friends.

In addition to his parents, Roger was preceded in death by three brothers, Roland, Sylvester and Lambert Jacak.

A Mass of Christian Burial was held at 7:00 p.m. on Wednesday, August 23, 2006 at St. Kilian Catholic Church in St. Kilian. Father Neil Zintheffer officiated and burial was at 10:00 a.m. on Thursday in St. Matthew's Catholic Church Cemetery in Campbellsport.

Relatives and friends called on Wednesday at the church from 4:00 p.m. until the time of services.

The Miller Funeral Home in Kewaskum served the family. Additional information and guest book may be found at www.millermartinfh.com.

VIRGINIA C. HEISLER

Virginia C. Heisler, of West Bend, passed away peacefully on Sunday, August 20, 2006 at Kathy Hospice, at the age of 79.

Virginia was born Sep-

tember 5, 1926, the daughter of Leo and Laura (nee Flasch) Heisler in Ashford, Wisconsin. She was a charter member of Meadowbrook Manor, where she resided for 33 years.

Survivors include her three siblings, John (Mary) Heisler of Fond du Lac, Laura Heisler of West Bend, and Leo (Marge) Heisler of West Bend; her sister-in-law, Dolores Spradau of Campbellsport; nephew, Rick (Barb) Heisler of Campbellsport; two nieces, Sue (Tom) Malingowski of Oconto Falls and Nancy (Brian) Sekeres of West Bend; step-niece, Jayne (Robin) Reis of West Bend; step-nephew, Robert (Jean) Robrahn of West Bend; and her special friend, Mary Jo Norgel. She is further survived by several great-nieces, great-nephews, other relatives and friends.

Virginia was preceded in death by her parents, brother, James Heisler; and sister and brother-in-law, Marie (Werner) Hug.

A Mass of Christian Burial was held on Wednesday, August 23, 2006 at 7:00 p.m. at St. Frances Cabrini Catholic Church, West Bend, with Father Jeffrey Haines officiating. Interment of Ashes took place at Holy Angels Cemetery.

Visitation with family and friends was held on Wednesday, August 23, 2006 from 4:00 p.m. until the time of the Mass of Christian Burial at 7:00 p.m. at St. Frances Cabrini Catholic Church.

Memorials are appreciated to either Kathy Hospice (3232 Pleasant Valley Rd., West Bend, WI 53095) or a charity of your choice, in lieu of flowers.

The Phillip Funeral Home of West Bend assisted the family.

NORMAN C. STERN

Norman C. Stern, 78, of the town of Trenton, passed away on Saturday, Aug. 19, 2006 at Kathy Hospice in the town of Polk.

He was born on April 24, 1928 in the town of Farmington to the late Charles and Martha (nee Roell) Stern, and was united in marriage to Shirley Kraus on June 26, 1954 at St. Rose Catholic Church in Fredonia.

Norman worked for the West Bend Co. for many years as a semi-truck driver until his retirement in 1992.

During that time he received many awards for his excellent driving record. He was most proud of his One Million Miles award that he received for driving a million miles accident free.

Norman will be remembered by Holy Angels Catholic Parish and the West Bend Moose Lodge where he was a member; but he will be remembered most by his loving family as a wonderful husband, father and grandfather.

Survivors include his beloved wife, Shirley; his two children, Glenn (Samantha)

Stern of Merton, and Sandi Stern (very special friend Joe Josaphson) of Richfield; five grandchildren, Stephanie Engelhardt of West Bend, Jessica Neuendorf of West Bend, Breanna Hayes of Sussex, Jonathan Stern of Merton and Elizabeth Stern of Merton.

He is further survived by a sister-in-law, Joan (Ted) Peelen of Greenfield; a brother-in-law, Ken (Mary) Kraus of Germantown; and many other relatives and friends.

He was preceded in death by his parents, and his sister Alice (Ralph) Klein.

A Mass of Christian Burial for Norman was held on Wednesday, Aug. 23, at 6 p.m. at Holy Angels Catholic Church.

Visitation was at the church on Wednesday from 3 p.m. until the time of Mass.

Father Jerry Brittain was the celebrant, and burial took place on Thursday at 11 a.m. in Fillmore Union Cemetery.

Memorials to Kathy Hospice - SynergyHealth, 3232 Pleasant Valley Drive, West Bend, WI 53095, would be greatly appreciated by the family.

Myrhum-Patten Funeral & Cremation Service, West Bend, assisted the family.

SERENITEE PATIENCE-MARIE HALBERT

God's littlest angel, Serenitee Patience-Marie Halbert, of Allenton, was granted her angel wings on Saturday, August 19, 2006, at the age of six months old.

Serenitee will be held forever in the hearts of her mother, Anissa Marie Francis, and father, Joseph Eugene Halbert of Allenton; her dear brother, Joseph Isiah Halbert II; maternal grandmother, Nondy Francis of West Bend; maternal grandfather, Raymond Kuhr of Waukesha; paternal grandmother, Mary Henson of Tennessee; and paternal grandfather, Charles Halbert of Missouri. She will also be missed by her great-grandparents, many other special relatives, and friends.

A Funeral Service in honor of Serenitee will be held on

Thursday, August 24, 2006 at 7:00 p.m. at the Phillip Funeral Home Chapel (1420 W. Paradise Drive, West Bend, WI 53095), with Chaplain Cheryl L. Matusiak officiating.

Private interment will be held. Visitation with family and friends of Serenitee will also be held on Thursday, August 24, 2006 from 4:00 p.m. until the time of the Funeral Service at 7:00 p.m. at the funeral home.

The Phillip Funeral Home of West Bend is assisting the family (262) 338-2050 / www.phillipfuneralhome.com.

ST. JUDE'S NOVENA

May the Sacred Heart of Jesus be glorified, loved and preserved throughout the world, now and forever. Sacred Heart of Jesus, pray for us. St. Jude, worker of miracles, pray for us. St. Jude, helper of the helpless, pray for us.

Say this prayer 9 times a day, by the 9th day your prayers will be answered. It has never been known to fail. Publication must be promised. Thank you St. Jude, for prayers answered.

E.G.H.

Prayer Through the Application to the Holy Spirit

Holy Spirit, You who solve all problems, light all roads so that I can attain my goal. You who give me the divine gift to forgive and forget all evil against me and that in all instances of my life You are with me. I want, in this short prayer, to thank You for all things and to confirm once again that I never want to be separate from You, even and in spite of all material illusion. I wish to be with you in eternal glory. Thank You for Your mercy toward me and mine.

The person must say this prayer for three consecutive days. After three days, this favor requested will be granted, even if it may appear difficult. This prayer, including these instructions, must be published immediately after the favor is granted without mentioning the favor; only your initials should appear at the bottom.

E.G.H.

A NOTE OF THANKS

Thank you to friends and neighbors for your kindness, cards, letters and prayers for me during my recent illness. Thank you also to the Kewaskum EMTs and Pastor Ed who visited me in the hospital.

A Hunt for Justice

By Lucinda Delaney Schroeder
The Lyons Press \$21.95 270 Pages

Eons ago, long before history was recorded, Og turned to Ogina in the darkness of their cave, and he told her that he was sick to death of berry-and-root casserole. Thus was born The Hunt.

Or, maybe something like that.

At any rate, millions of people hunt. Some do it because it's the only way their family can eat. Others do it for the sport or the camaraderie.

Some do it for the trophy. In the new book "A Hunt for Justice" by Lucinda Delaney Schroeder, you'll read the exciting account of an undercover wildlife agent and her hunt for illegal poachers.

Back in 1974, when she became a special agent for the U.S. Fish and Wildlife Service, Lucinda Delaney Schroeder knew she was blazing a trail. There were few women in the Service at that time, she says, but she was prepared to work the field.

She wasn't prepared to be hassled by male supervisors convinced that Schroeder would never be able to do the job.

After enduring years of bad treatment, Schroeder was finally hired as a field agent in Wisconsin. Her supervisor was an old friend who knew her reputation on the job. Schroeder, her husband, and their daughter moved to Madison.

In the early 1990s, after handling routine cases in Wisconsin, Schroeder began to feel as if she was losing her "edge." Then, a very promising case landed in her lap. This one was far from routine.

For about a decade, Alaska's wildlife department had been trying to catch a man Schroeder refers to as Bob Bowman. Us-

ing airplanes to chase wild animals toward hunters, Bowman "guaranteed" wealthy clients that they would kill a trophy bear, bighorn sheep, caribou, moose, or timber wolf. Bowman was suspected of over-bagging game, hunting illegally, and killing protected animals in wildlife sanctuaries. In the past, male wildlife agents had been unable to convince Bowman of their cover, but a woman would never arouse his suspicion. The Alaska Wildlife Department asked Schroeder to go undercover.

Doing so would be physically demanding, emotionally difficult, and extremely dangerous. Schroeder had to spend days in remote hunting camps with men who were expert hunters and marksmen.

Men vowed to kill any wildlife agent they caught in their camp.

Are you aiming to find a good book to end your summer? You can't go wrong if you bag "A Hunt for Justice." Author Lucinda Delaney Schroeder is a crack shot with a pen, and this nonfiction book seems more like an exciting novel, somewhat along the lines of Caputo or Hemmingway (whom Schroeder refers to in her Spanish coup de grace), with a twist of James Lee Burke. Hunters are going to appreciate Schroeder's thrill-of-the-hunt stories. Animal lovers will cheer her tenacity. Readers who love adventure stories won't be disappointed, either.

If snaring a great book is one of the things you vowed to do this summer, you've still got time to track this one down. "A Hunt for Justice" is a book to set your sights on.

West Bend Clinic - South Opens at Pleasant Valley Medical Building

SynergyHealth West Bend Clinic is opening their newest satellite clinic in the Pleasant Valley Medical Building, attached to St. Joseph's Hospital on Pleasant Valley Road. Physicians and surgeons based at West Bend Clinic - South will have close access between clinic and hospital patients, especially when responding to critical or urgent situations.

"The opening of West Bend Clinic - South brings numerous advantages from a medical standpoint, for our patients and for the community," said Gregory Blommel, MD, West Bend Clinic President and Medical Director. "Relocating the physicians and surgeons that treat patients with urgent or critical conditions, such as someone in ICU or a woman in labor, will result in increased efficiencies, satisfaction and improved coordination of inpatient and outpatient care. This growth shows our commitment to providing people access to a variety of quality health care and specialty services that are close to home."

Providers that have relocated to the new medical building include Cardiologists David Ashpole, MD, Andrew Feiring, MD and Timothy Vellinga, MD; General/Vascular Surgeons Kaizad Machhi, MD, William Owens, MD and Eric Soneson, MD and Pulmonologists/Sleep Medicine Specialists Eric Olafsson, MD and Jeffery Smale, MD.

OB/GYN physicians Roxanna Aldstadt, DO, Angela Breckenridge, DO, Rory Miranda, MD, Nurse Midwife Elizabeth Malecha, CNM, Physician Assistants Joelle Jroff, PA-C, Stephanie Weiss, PA-C and Pediatricians Julie Mossberg, MD, and Heather Osborn, MD will move to West Bend Clinic - South Monday, August 28.

Additional services will include electrophysiology, perinatology, lymphedema and occupational health. Lab, radiology, medical records and centralized surgical scheduling services will also be available. Individuals also have the choice of using the radiology and lab services at any SynergyHealth clinic location.

An Open House Celebration will be held at the Pleasant Valley Medical Building on Saturday, September 23, from 11:00 a.m. to 3:00 p.m. Tours of West Bend Clinic - South, Cedar Crossings Subacute and St. Joseph's Hospital will be offered, along with a variety of activities, health screenings, refreshments and entertainment.

West Bend Clinic - South is 32,000 square feet and occupies two floors of the medical building, with 42 exam

rooms, 4 procedure rooms and 2 reception desks on each floor for both registration and appointment scheduling. It features standardized exam and procedure rooms, a pneumatic tube system for delivery of lab specimens, an electronic medical record system and design features that complement the natural healing environment and aesthetics of the St. Joseph's Hospital campus.

West Bend Clinic - South is open from 7:30 a.m. to 7:00 p.m. Monday through Thursday and 7:30 a.m. to 5:00 p.m. Fridays. It is located at 3200 Pleasant Valley Road, West Bend, WI 53095. For more information, visit www.synergyhealth.org, or call 262-334-3451.

SynergyHealth (www.synergyhealth.org) is a regional health system serving the greater Washington County community. St. Joseph's Hospital, West Bend Clinic, and SynergyHealth Foundation are members of SynergyHealth. West Bend Clinic, a

primary care and multi-specialty group with over 60 physicians, has multiple clinic locations in Washington County (West Bend, Hartford, Jackson, and Kewaskum), and includes the West Bend Surgery Center, SynergyHealth Eye Center in Jackson and SynergyHealth Rehabilitation Center in West Bend.

Village Board Meeting Minutes

Village Board Meeting
July 17, 2006
8:00 p.m.

The Village Board of Kewaskum, Washington County, Wisconsin, met in Regular Session in the Council Room of the Municipal Building, 204 First Street.

President Mathew A. Heiser presided. Trustee Harry Roecker was absent. All other Trustee members were present. A quorum was present.

The meeting was opened with a Moment of Silence and Pledge of Allegiance.

On a motion by Trustee Kevin Scheunemann, seconded by Trustee Derek Peterson and unanimously carried by voice vote, the minutes of the June 5, 2006 meeting were approved as amended.

Trustee Derek Peterson requested that two revisions to the June 19, 2006 minutes be made; that part of the motion permitting Gary Gavin to use Ruekert & Mielke to engineer the TID No. 2 be made under the condition the Board formally revoke their granting of the same to United Construction. Also, that it was Heartland Construction that requested additional time to present its case regarding the sanitary sewer defects in the Kewaskum Potawatomi Prairie Subdivision. On a motion by Trustee Kevin Scheunemann, seconded by Trustee Thomas Piwoni and carried by the majority, the July 19, 2006 minutes were approved pending the aforementioned amendments.

On a motion by Trustee Derek Peterson, seconded by Trustee Thomas Piwoni and unanimously carried by voice vote, the minutes of the June 26, 2006 meeting were approved as printed.

On a motion by Trustee Derek Peterson, seconded by Trustee Thomas Piwoni and carried by majority voice vote, the June 29, 2006 minutes were approved as printed.

Mr. Tim Rohlinger of the Kewaskum Athletic Association was in attendance and presented a breakdown of the additional costs for the Kiwanis Park Bathroom, which exceeded the Board's previous funding of \$6,000. He indicated that Wollner Excavating donated over \$4,000 towards the block work and that Heberer Brothers only charged for their materials. Also, the sewer clean outs were not anticipated adding another \$2,000 to the project. He estimated that for \$12,000 the Village had gained a building worth \$25,000. On a motion by Trustee Kevin Scheunemann, seconded by Trustee Thomas Piwoni and carried by voice vote, the Board authorized an additional \$6,000 towards the Athletic Association bathroom project to be taken from park impact fees if it was legal to do so, and out of the Open Space fund if necessary.

Fire Chief Mark Groeschel presented the June 2006 monthly report:

Fire calls	1	Year to Date	12
Jaws	0	Year to Date	11
Rescue Calls	28	Miles	632

Chief Groeschel informed the Board that Ellis Kahn of the Town of Kewaskum had approached him in reference to acting as their Emergency Government Director and overseeing an adopted plan. Chief of Police Richard Knoebel expressed concern with this request, stating that the Town should appoint someone else to the position as Chief Groeschel's responsibility in the event of a disaster is to the Village of Kewaskum. Chief Groeschel disagreed stating that he and his department already serve the fire and rescue needs of the Town.

Trustee Derek Peterson expressed concern over the additional liability most likely to be assumed by the Village of Kewaskum if it were to act as

an "Emergency Government Director" for the Town of Kewaskum. In addition, Trustee Peterson questioned whether it would ever be appropriate or in the interest of a municipality to serve as a Emergency Government Director for another municipality, stating that he would like to hear further discussion(s) from those with expertise with similar matters.

Chief Knoebel stated he had contacted Rob Schmidt, Washington County Emergency Government Director and he agreed that the Fire Chief is part of the Village's response team. It was the consensus of the Board that this matter be tabled pending Rob Schmidt's attendance at a future meeting.

President Heiser complimented the Fire Chief and his department on the magnificent fireworks display of July 3rd. Chief Groeschel suggested that next year there should be more than one portable toilet on the west side of the river and that the placement of tarps on the hill should be addressed.

Police Chief Richard Knoebel presented the June 2006 report:

Criminal arrests	15
Criminal investigations	29
Traffic warnings	107
Traffic Citations	19
Adult arrests	27
Juvenile arrests	11
Property stolen	\$546
Property recovered	\$0
Parking warnings	13
Parking tags	17

Director of Public Works Jerry Gilles informed the Board of the Junior Women's Club decision to donate \$2,700 to \$3,000 towards two playground pieces to be placed on the beach alleviating the need for installation of fall protection. This would still leave a balance of approximately \$1,925 towards installation. Trustee Kevin Scheunemann asked if we could install it ourselves, but that would leave the Village liable for any possible injuries.

Trustee Derek Peterson expressed concern regarding the potential cost of acceptance of donations coupled with the assumption of related expenditures (e.g., freight, installation and maintenance) not currently in the Village's budget(s). He emphasized that the Village (as well as donors) should take into account not only the nature and generosity of the donation(s), but a gift's overall potential immediate short-term and long term financial impacts on the Village as well. Trustee Kevin Scheunemann offered to talk to the Kiwanis Club about donating the \$1,925 before it's placed in the 2007 budget.

On a motion by Trustee Thomas Piwoni, seconded by Trustee Andy Pesch and carried by majority voice vote, the Board approved the issuance of Operator's Licenses, renewals and new, for 2006/2007 upon proper payment of fees and documentation for the following as recommended by the Police Department.

On a motion by Trustee Kevin Scheunemann, seconded by Trustee Thomas Piwoni and carried unanimously, the Board approved waiving the \$340 fee for use of the Northeast baseball diamond for the Ray Maurer and Jason Buslaff tournament of July 21 - 23, 2006.

Trustee Derek Peterson addressed the Board regarding the request of the Leukemia & Lymphoma Society to waive the \$340 fee for their softball tournament of August 4 - 6, 2006. Although the cause is a worthy one, he felt this was a normal fund raising expense and would set a precedence for numerous requests of this sort from other organizations. He further stated the Board normally waives fees to local groups that often return a majority of their proceeds to the community. On a motion by Derek Peterson, seconded by Trustee Kevin Scheunemann and carried by voice vote, the Board denied this request.

The Board reviewed a letter from the Kewaskum Chamber of Com-

merce requesting the use of the Annex building for a monthly fund raising bingo session and asking that the rental fee for the facility be waived. The funds raised would benefit both local businesses by promoting the area and special interest school groups. Trustee Derek Peterson asked if there was a policy in place that listed the local groups the Village had exempted charges for and was informed that there is. On a motion by Trustee Kevin Scheunemann, seconded by Trustee Derek Peterson and unanimously carried by voice vote, the Board voted to table the matter until the August 7th meeting at which time the policy could be reviewed.

On a motion by Trustee Thomas Piwoni, seconded by Trustee Steve Scheunemann and carried by majority voice vote, the Board approved the payment of bills as recommended by the Administrative Committee. The total of all claims are as follows:

General Fund	\$293,592.35
Library Fund	15,870.34
Special Revenue Fund	1,146.53
Capital Improvement Fund	
	17,416.68
TID No. 2 Fund	130,435.66
Water Fund	23,569.96
Sewer Fund	121,091.98
Check #30168-#30423	\$603,123.50

Board Representative for the Plan Commission Trustee Andy Pesch reported that at the July 11, 2006 meeting, which was called due to the lack of a quorum on June 27, 2006, the Commission approved revising the Cherokee Lakes condominiums from four units to two units each, subject to review by the Village engineers. He announced that the next Plan Commission meeting was scheduled for July 25, 2006.

Board Representative for the Library Board President Mathew Heiser reported on the meeting held July 10, 2006. He informed the Board that circulation was up 18% this month over June of 2005 and that 64 new cards were issued, a record for the Kewaskum Library. With the conclusion of the summer reading program he informed the Board that 170 patrons had participated.

On a motion by Trustee Kevin Scheunemann, seconded by Trustee Thomas Piwoni and unanimously carried by voice vote, the Board approved Change Order No. 1 for Super Excavators, Inc. for the TID No. 2 - Phase 1 Project resulting in a reduction of \$23,020.43.

On a motion by Trustee Kevin Scheunemann, seconded by Trustee Thomas Piwoni and unanimously carried by majority voice vote, the meeting was adjourned. Roll call vote 6 "Aye" 0 "Nay" 1 "Absent".

RESOLUTION NO. #2006-22

RESOLUTION DESIGNATING THE NATIONAL INCIDENT MANAGEMENT SYSTEM (NIMS) AS THE BASIS FOR INCIDENT MANAGEMENT IN THE VILLAGE OF KEWASKUM, WISCONSIN

WHEREAS, the President of the United States of America in Homeland Security Directive (HSPD)-5, directed the Secretary of the Department of Homeland Security to develop and administer a National Incident Management System (NIMS), which would provide a consistent nationwide approach for federal, state local and tribal governments to work together more effectively and efficiently to prevent, prepare for, respond to and recover from domestic incidents, regardless of cause, size or complexity; and

WHEREAS, the collective input and guidance from all federal, state, local and tribal homeland security partners has been and will continue to be vital to the development, effective implementation and utilization of comprehensive NIMS; and

WHEREAS, it is necessary and desirable that all federal, state, local and tribal emergency agencies and personnel coordinate their efforts to effectively and efficiently provide the highest levels of incident management; and

WHEREAS, to facilitate the most efficient and effective incident management, it is critical that federal, state, local and tribal organizations utilize and standardize terminology, standardized organizational structures, interoperable communications, consolidated actions plans, unified command structure, uniform personnel qualifications standards, uniform standards for planning, training, and exercising, comprehensive resource management and designated incident facilities during emergencies or disasters; and

WHEREAS, the NIMS standardization procedures for managing personnel, communications, facilities, and resources will improve the State's ability to utilize federal funding to enhance local and state agency readiness, maintain first responder safety, and streamline incident management processes; and

WHEREAS, the incident command system components of NIMS are already an integral part of various incident management activities throughout

the state, including current emergency management training program; and

WHEREAS, the National Commission on Terrorist Attacks (9-11 Commission) recommended adoption of standardized Incident Command System, and

WHEREAS, Jim Doyle, Governor of the State of Wisconsin, issued Executive Order #81 on December 20, 2004, wherein Governor Doyle directed state agencies to adopt the National Incident Management System (NIMS) as their standard for incident management;

NOW, THEREFORE, BE IT RESOLVED by the Village of Kewaskum Board of Trustees that the National Incident Management System (NIMS) shall be adopted as the Village of Kewaskum standard for incident management.

ADOPTED AND APPROVED this 7th day of August 2006 by the Kewaskum Village Board.

PERSPECTIVES

News from the Capital

by Senator Glenn Grothman

Marriage Under Fire

While most commentary on the November election is focused on political races for Governor and Attorney General, a constitutional amendment clarifying that marriage in the state of Wisconsin must be between one man and one woman is also on the ballot.

Normally, it would seem this common-sense amendment would pass. Similar amendments have passed in the last two years with over 70% of the vote in North Dakota, Kansas, Nebraska, Oklahoma, and other states. The closest votes have been in Michigan with 59% in favor, Ohio with 62%, and Oregon with 57%. However, two recent trends have me concerned. A group called Action Wisconsin acting in concert with a frontgroup known as Fair Wisconsin is threatening to spend millions of dollars to try to defeat this amendment. I'm sure some of this money will go towards get-out-the-vote efforts. After hearing what was said at one booth at the State Fair last week, I am afraid that some of the money will go toward telling outright lies about the amendment and trying to confuse the public. Supporters of the amendment are nowhere near as organized and could be outspent \$30 to \$1 by homosexual groups. Much of this anti-traditional marriage funding will come from out-of-state sources.

First, this amendment is sadly necessary. While one would think it is clear in Wisconsin law that we would not have to issue marriage licenses to same-sex partners or recognize marriages that are officiated when a same-sex couple goes to Massachusetts or Vermont for a couple of days, liberal judges here could also reach a silly conclusion. Already, at least 43 other states have passed some law over the last several years to protect traditional marriage. Unfortunately, Wisconsin was unable to pass such a law since Governor Doyle vetoed it. Secondly, I heard at the State Fair that people were being told that older people would not be able to visit each other in the hospital. That is of course not true.

Private contracts regarding health insurance passed by local units of government or private businesses, though bad public policy, would also not be effected. Proponents of this language claim that homosexuality is genetically determined (i.e. "I was born gay."), but this has never been shown to be true. In the most

comprehensive study done using Australian identical twins, it was found that 66% of the time if one identical twin was homosexual the other one was not. There was no difference between fraternal and identical twins which also proves that genetics is not the primary cause. Finally, therapists claim huge success rates in switching homosexuals to heterosexuals which would not be possible if this were genetic. Given that the upbringing and social environment of these twins were very similar as well, this should put to rest the idea that this behavior is predetermined.

What may be happening is that this behavior may be increasing because it is shown in a positive light throughout the entertainment industry. Homosexuality is also clearly being advanced in many of our schools. The National Education Association, the union of which the vast majority of our teachers belong, is in favor of same-sex marriage. Recently, in Port Washington a survey was given to high school students (without parental knowledge), with questions such as, "If you have never slept with someone of your same gender, then how do you know you wouldn't prefer it?" School-sponsored clubs for these students are increasingly common. Perhaps as the result of the above activity, politicians are increasingly afraid to speak out about what was common sense even 15 or 16 years ago. In 1997, a statute clarifying that marriage in Wisconsin was between a man and woman passed the State Assembly 78 to 20. The constitutional amendment passed the State Assembly 68 to 27 in 2004 and passed only 62 to 31 in 2006.

We have been told that these national homosexual advocacy groups believe they will get their crowning victory in Wisconsin on this constitutional amendment after failing in so many other states. It is important everyone ignore the large dollar amounts contributed out-of-state and vote yes for traditional marriage on November 7th.

LETTERS TO THE EDITOR

Letter to the Editor:

It has recently come to my attention that many of the labor unions around the metro-Milwaukee area that normally have marches and festivities on Labor Day will not be doing so this year. The reason is because there will be up to 20,000 immigrants and illegals protesting and marching down there this year.

It seems as though the unions are getting as wimpy and wishy-washy as our elected politicians. Here is a perfect opportunity to go down and protest, but they have chosen not to. The Republicans don't want to tackle this problem, because for them its about cheap labor. There's nothing wrong with capitalism, but our current Republicans want capitalism without rules. Even Sensenbrenner still believes in this guest worker program. Our Republican congress couldn't even pass a bill on raising the minimum wage without adding a tax break for the wealthy on the same bill, even though 26 states have already raised their own minimum wage.

The Democrats don't want to tackle this problem, because for them it is a civil right issue, an issue about racism, and an issue about trying to obtain minority votes. So, once again the American workers really have no representation.

The value of Labor is based pretty much the same way everything else is; supply and demand. The bigger the demand for the labor, the higher the wages. The bigger the supply of labor, the lower the wages. I remember reading a few years back how there were attempts to get more foreign doctors in this country. Well the medical community and doctors rallied and forced congress to prevent that, which kept their wages higher.

Immigration in our country has to be done carefully and with thought and concern for Americans currently living here. There has to be a limit on immigration. We already have about 300 million people living in our country. Will we stop at 500 million, or maybe one billion, like China.

It was just reported that Americans work longer hours,

with less time off than almost all of the Industrial World. Americans have about 14 days of vacation per year, where as French have 39 days of vacation and English have 24 days on average.

This issue about illegals is not about race, its about taking care of Americans that are living here now and perhaps have lived here many years. Even though your heritage may come from another country, if you are a US citizen, you are an American. If you are not a legal US citizen, you are breaking the law.

I urge everyone to call your representatives and press them on resolving this issue. I would like to know why, if there are illegals in Milwaukee on Labor Day, why aren't they being taken into custody? If the INS or law enforcement refuses to do their job, can American citizens sue the government for not performing their civil duty? Oh, and on a side note, I know of a WalMart construction site where it has been found out that many of the workers were illegal and they found out that all the illegals had only one social security number, given to them by WalMart, to which Wal Mart was not paying into the federal government for social security. That project was very near here. It just so happens that WalMart is a big contributor to the Republican Party.

Letter to the Editor:

Compare the candidates for Governor - where the candidates stand on abortion.

James Doyle (D), Incumbent

- Believes abortion should be legal the entire nine months of pregnancy

- Twice vetoed legislation to protect health care workers.

- Vetoed legislation that would have insured women seeking late-term abortions be informed that their unborn children can feel pain during an abortion.

- Vetoed every other major pro-life bill.

Mark Green (R)

- Believes unborn children should be protected throughout pregnancy.

- Would sign legislation to protect health care workers from being forced to participate in abortion and euthanasia.

- Would sign legislation to insure that women seeking late-term abortions be informed that their children can feel pain during an abortion.

- As a member of the State Assembly and the US House of Representatives, maintained a 100% pro-life voting record and was a leader on a number of pro-life issues.

The Kewaskum High girls tennis team opened its regular season on Aug. 15, going up against one of the toughest programs in the area — West Bend East.

None of the matches went into third sets as the visiting Suns were overpowering and won 7-0.

Assistant coach Jill Jacob took charge of the team for this match because head coach Dan Ross was attending a funeral.

"I thought Allie (Kowalczyk, No. 1 singles) played well, and Nelli (Baum) did well, considering it was her first varsity match," Jacob said.

Kowalczyk, did win some games in her effort against Laura Leeson, falling 6-3, 6-2.

Baum drew Hilary Blommel at No. 4 singles and battled her way to a 7-5 loss in the first set. In the second, Blommel won 6-0.

"They're really good!" Jacob said about the Suns, who traditionally field good teams.

Short-handed A's are manhandled by Slinger

BY JUDY HARLOW
Statesman Correspondent

This certainly wasn't the way the Kewaskum Athletics home talent baseball team wanted the Tri-County Nite league playoffs to end.

Playing without its No. 1 pitcher, Jim Ziegler, and with several others absent because of high school football scrimmages, it was one-and-done for the As, who lost a 14-5 decision to Slinger on Saturday in a game played at Kewaskum Kiwanis Park.

Adam Sarauer took the loss for Kewaskum after giving up 12 runs in the first four innings. The visiting Stingers scored five runs in the top of the second, added one more in the third, and then exploded for six in the fourth.

Exit Sarauer and enter Jake Panzer, who only gave up two more runs the rest of the way. He was in a bit of trouble in the seventh when the Stingers loaded the bases on a walk, base hit and hit batsman, but he got the next two batters out on a fly ball to left field and a 6 to 4 forceout.

Kewaskum scored its first two runs in the second inning when player/manager Jason Strobel and Cory Immel hit back-to-back doubles. Immel drove Strobel in, then Panzer singled Immel to third, and he scored on a double play.

Kewaskum added another pair of runs in the third when Bobby Ogi singled, Jake Spaeth drew a walk, Jon Olla sac-

rificed the pair to second and third, and after Strobel struck out, Sarauer picked up two RBI with his single.

Strobel and Panzer were involved in the A's final run. Strobel, who went 2x5, hit an 1-out single, moved to second on a passed ball and came home on Panzer's base hit.

Immel went 2x3, Panzer was 2x5, and Spaeth was 2x3 with a pair of walks.

Young Simon Griesbach did a nice job on the mound for the Stingers. In six innings of work, Griesbach, who pitches for a smaller liberal arts college in Maine, struck out 10 and gave up nine hits.

Chris Guse, Slinger's player/manager, made a pitching change in the seventh, calling on Kevin Tennes to finish up the game. He only allowed two hits the rest of the way and struck out two.

For the winners, Tennes went 4x5, with three runs scored and four RBI, while Ryan Toshner had three hits in six trips to the plate and drove in four runs. His double was Slinger's only extra base hit of the game, according to Guse, who said, "Everyone else had two hits.

Concerning who the Stingers will play next, Guse said, "I'm not sure when or who" because there was a tie for the eighth and final playoff spot.

Strobel called the whole experience, disappointing. He felt the outcome might have been different had the A's been at full strength.

Voleskys move into first place after recent tourney

By Judy Harlow
Statesman Correspondent

There has been a change at the top of the Player of the Year standings at Hon-E-Kor Country Club.

With Frank King and Bob Beck slipping to 10th in the 2-Person Scramble held on Aug. 13th, Joe and Roxie Volesky have moved into first place, with just one event, the HEK Club Championships to go.

The Voleskys, on the strength of a first, a second and a third place, now have six points while King and Beck have eight points.

The winners of the event were Ray Roskopf and Mike Matenaer, who came in with an even par 70 (35-35), and with their combined handicap, posted a 60.65.

Finishing a very close second was the team of Charles Hartley and Chuck Kleinke. They had an 80 gross scored, and a net total of 60.75, just .50

of a point behind the Roskopf-Matenaer twosome.

Taking third place was the brother team of Gary and Tony Curreri. They had a 77 gross score and a net of 61.6.

There were 12 teams in the men's competition. The lowest gross score was a 68 by Dave Smith and Mike Smith.

In the mixed group, Jay and Sue Krueger topped the field of eight teams with their fine effort of 61.6 (a gross 84). The Kruegers were 3.4 strokes ahead of Jim and Diane Kleinke, who shot a 76 which equated to a net 65, and the Volesky twosome, who had the best overall score, a 72, and with their handicaps, pared down to a 65.35 net.

The Club Championships will be held on Labor Day weekend.

Clark Eichstedt is the defending Player of the Year but he isn't competing in the event this year.
