Board of Education approves change in school day schedule

By Andrew Kuehl
Statesman Managing Editor
akuehl@kewaskumstatesman

KEWASKUM- The Kewaskum Board of Education approved a change in the school day schedule for the next school year. The change allows the district to release students early from classes each Wednesday. The end result sees elementary school students gaining four hours of school annually while middle and high school students lose about five hours.

Earlier in the year school district officials announced a plan to further staff development for district teachers. This plan called for students to be released from classes two hours earlier on Wednesdays so teachers could learn new teaching methods, revise curriculum and network with other teachers in the district to improve teaching strategies.

To make up for the two hours

of class time students will lose on Wednesdays, elementary school students will remain in class an extra ten minutes changing their ending time from 3:40 p.m. to 3:50 p.m. Students at the middle and high school currently have a day starting at 7:45 a.m. and ending at 2:45 p.m. Their day will now change whereby they will be starting at 7:40 a.m. and end at 3 p.m.

The district will also start block scheduling for students at the high school next year. It is believed that even though students are going to be in school five hours less per year, they will still gain more instructional time because of the block method. The block method removes much of the unstructured time spent in study halls.

Students in the four-year-old kindergarten program will not meet on Wednesdays. Home visits will be held in the evening hours on Wednesdays.

All district students will be offered lunch on Wednesdays. Athletic practices will begin at 3:30 p.m. The District says that transportation will also be provided.

The School District reports that research suggests that quality staff development has a greater impact on student achievement than class size, new materials, technology, or facilities. They also contend that the change will not affect the district's budget because essentially, the day remains the same for teachers.

Initially many parents were concerned with finding care for their children and were upset by the lack of communication on the issue. Parents later found out through informational meetings held at each school, that activities and supervision would be provided after students are released from classes on Wednesdays.

Dedication planned for Complex

KEWASKUM- Kewaskum High School (KHS) principal, Christine Horbas, announced plans to dedicate the newly named Athletic Complex. The dedication will be held during the Kewaskum Track Invitational on Friday, April 20.

Horbas states that the late C. Ernest Mitchell was one of the founders of Kewaskum athletics, who served as a teacher, counselor, coach, athletic director, and principal.

The community is encouraged to attend the ceremony that will begin at 4:00 p.m. in room 104 at Kewaskum High School for a coffee and tea reception. Guests will then move out to the athletic complex at approximately 4:40 p.m. for the dedication ceremony to begin. Marion Mitchell, wife of Ernie "Doc" Mitchell, will receive the honor on his behalf. Mitchell's daughters will also be present to speak on their father's behalf.

The Kewaskum Board of Education voted in favor of naming the school's track/football field on December 11. This was the second attempt at naming the field after Mitchell.

At their March meeting, the Board of Education approved a revision to a 2004 policy that was to create a district-wide hall of fame. Horbas explained that initially the policy was created to allow for a hall of fame on the district's website. That never materialized, mostly because not everyone has internet access available to them.

Upon approving the naming of Ernie "Doc" Mitchell Athletic Complex, the board asked to have the policy revised so that an actual hall of fame could be created to honor people who have given their time to the district in various ways.

Village prepares for April snow blast

Village of Kewaskum Department of Public Works plow truck driver Denis Thull works on his truck installing a new cutting edge. DPW director Jerry Gilles says that all plows are on the trucks and are ready to hit the streets. The village's winter parking mandate expired on April 1. A snow emergency however, is likely to be called. If that happens, The Statesman will post it on their website immediately.

Kohlsville Kruisers make donation to Schmitt scholarship

Kohlsville Kruisers Snowmobile Club treasurer, Brad Oelhafen presents Pat Schmitt with a donation for the Schmitt Memorial Scholarship.

Submitted photo

TOWN of WAYNE- The Kohlsville Kruisers Snowmobile Club recently presented a \$200 donation to the John Schmitt Memorial Scholarship fund. The scholarship is given in memory of fallen Washington County officer John

Schmitt, a former Kewaskum resident.

The John Schmitt Memorial Scholarship is a four-year scholarship that awards \$1,000 annually.

Since Schmitt's death in 1998 there has been an annual motorcycle ride each June in his memory. In its ninth year, the "Spike Ride" poker run will be held June 16 with proceeds benefiting the John Schmitt Memorial Scholarship fund and Concerns of Police Survivors (COPS).

The ride will begin at Open Road Harley Davidson in Fond du Lac with registration beginning at 10 a.m., and end in Kewaskum at Riverhill Park. The poker run will include four stops with cash prizes awarded for the best poker hand. For additional information contact 1-888-263-7506.

Legion continues pop top collection

The American Legion Auxiliary Unit 384 of Kewaskum is collecting just the pop tabs from canned soda, beer or canned goods.

Each year, from April to April, the Auxiliary collects the tabs which in turn are recycled in April on Earth Day, which is April 21st this year. The monies from the pop tabs are given to the Second District of the American Legion Auxiliary. These monies in turn are then donated to Children's Hospital, Ronald McDonald House or American Legion Burn Center Hospital in Wisconsin.

Get your collected pop tabs to chairperson Gwendolyn Dreher at 1107 Fond du Lac Ave. or they can be dropped off at the Kewaskum American Legion building at 1538 Fond du Lac Ave.

Please help the Legion Auxiliary and snap off those pop tabs to turn in before April 21. Thank you for your donation.

Host family needed for exchange student

A host family is needed for one teen boy who will attend Kewaskum High School in September. One family has already been found according to Carrie Schulz. However she says there is a 17-year-old who still needs a family. The student will have money to pay all personal expenses, speak English, and have complete insurance while they attend school for the year.

Needing a home is Yann, from France, who is half Russian. He speaks English, French and Russian fluently. He loves sports and is interested in art, computers, and would like to learn about American culture. Yann is 17 years old, and is a B student in 11th grade.

Please contact Schulz at 262-544-1183 for more information.

VILLAGE OF KEWASKUM NEWS NOTES RECYCLING TIPS

DISPOSING OF LATEX AND OIL-BASED PAINT

GENERAL INFORMATION

Paint stays in good condition for a long time; Oil-based paint for up to 15 years and latex paint for 10 years. As a general rule, paint that mixes smoothly when stirred can still be used. If latex paint has been frozen, brush it on a newspaper. If there are no lumps, it hasn't been damaged and can be used.

Disposal of leftover paint through a household hazardous waste program is expensive.

The best thing to do with usable paint is to use it up! If you can't use your leftover paint, give it to someone who can. Give your paint to:

- friends and neighbors
- recreation departments
- park departments
- theater groups
- housing assistance organizations

Latex Paint and Mercury

Some latex paint contains mercury, a toxic metal. New federal regulations prohibit the use of mercury in interior latex paint manufactured after August 20, 1990. Be sure to use proper ventilation when applying paint indoors. Use outdoor paints for outdoor use only!

Disposal: When you can't use it up

Proper disposal depends on whether the paint is latex or oil-based. Oil-based paint contains solvents, container labels state "combustible," and the instructions on the can recommend cleanup with mineral spirits or other solvents. Latex paint contains water and the instructions recommend cleanup with water.

Disposal: Oil-Based Paint

The fumes from oil-based paint are a health and fire hazard. Large amounts of oil-based paint should not be disposed of at home.

Disposal: Latex and Small Amounts of Oil-Based Paint

Dry out latex paint and small quantities of oil-based paint according to the following directions:

Step 1 Find an outside work area away from children, pets and rain. Locked screen porches and storage sheds work well. Because oil-based paint contains solvents and some latex paint contains mercury, it's important to dry out paint outdoors in a safe place.

Step 2 Dry it out! Choose one of the drying methods described later on in this notice. Paint will take between several days and several months to dry - it depends on the type and quantity of paint that you have.

Step 3 Throw the dried paint, cans and other materials in the trash. Leave the lids off paint cans so trash collectors will see the paint is dry and accept them.

PAINT DRYING TECHNIQUES

For Small amounts (Oil-based and Latex):

Remove the lid and let the paint dry in the can. Stir the paint occasionally to speed drying. Or, brush paint in layers on newspaper or cardboard.

For larger amounts of latex:

Pour one-inch layers of paint into a cardboard box lined with plastic. Allow paint to dry one layer at a time - thin layers will speed up the drying process. Or, mix paint with cat litter, sawdust or sand in a cardboard box lined with plastic and let it dry.

For latex paint that has separated:

Pour the clear liquid on top into a cardboard box lined with plastic. Mix the liquid with an equal amount of cat litter or other absorbent and let it dry. Let the leftover paint in the bottom of the can dry out, using one of the above techniques.

POLICE REPORTS

Drunken driving causes minor accident

On March 7, a Kewaskum Police Officer was advised of a minor vehicle accident at McDonald's Restaurant around 7 p.m.

While investigating the accident, the officer spoke with the driver of one of the vehicles. He could detect the strong odor of alcoholic beverages on the driver's breath as they spoke.

The officer performed a variety of field sobriety tests which the man failed. The officer arrested him for operating a motor vehicle while impaired.

A blood draw was taken at St. Joseph's Hospital and results from that test indicated the man's blood alcohol level was 0.135.

Criminal damage to property

On March 13 at 12:23 p.m. a Kewaskum Police Officer was dispatched to meet with a complainant who advised someone had shot the left side of his vehicle with what appeared to be a BB gun.

The officer inspected the vehicle and agreed with the complainant. The man stated he just noticed the damage that day.

The complainant said he had been having some neigh-

bor problems. The officer then went to speak with the man's neighbors.

The officer made contact with a neighbor who admitted that his son owned a BB gun. He stated that his son may have done the damage along with another young boy.

The officer later met with the son who admitted to shooting the car.

Vehicles broken in to

On March 20 Kewaskum Police Officers received two complaints regarding vehicles broken in to. The vehicles were parked a few blocks away from each other.

The first complainant's vehicle was located at 1203 Parkview Drive. That vehicle had a satellite radio receiver, power cords and a tape adaptor removed from it. The vehicle owners told the officer nothing else was taken from the vehicle.

The second vehicle was located at 374 First Street. Ten dollar bills and about \$20 in change was removed from that vehicle.

Police reports are compiled and written by staff member Andrew Kuehl with the cooperation of the Kewaskum Police Department. If you have information on any of these incidents please contact the department at 262.626.2323

Citizen Advocacy receives grant from Community Memorial

By Andrew Kuehl

Statesman Managing Editor
akuehl@kewaskumstatesman

WEST BEND- Citizen Advocacy of Washington County has received a \$3,500 grant to assist with the organization's Satellite Support Team (SST) program in the Germantown area. The grant will help to expand the effort to establish new SST sites in southern Washington County.

SST's are volunteer sites located around Washington County overseen by individuals committed to Citizen Advocacy principles and interested in helping the organization find advocates in their community to match with partners on their working list.

"These folks are watch posts, so to speak. We have an SST volunteer in Kewaskum and are working on a second one right now. We have additional volunteers in Germantown and West Bend at the present time and are working on setting up volunteers in Slinger and Jackson," stated Mark Brunner the

group's executive director.

The grant money is specifically targeted at the Richfield and Germantown areas. Community Memorial's investment in the SST program will make it possible for Citizen Advocacy to continue the SST marketing efforts in southern Washington County as well as enable the organization to plan for more events and workshops.

"We are also looking forward to establishing two new SST sites in 2007. This, in turn, will help Citizen Advocacy increase the number of advocate referrals from the new SST sites," stated Brunner.

Citizen Advocacy of Washington County is a non-profit organization, headquartered in West Bend. The organization has been advocating for citizens with developmental disabilities for 28 years throughout Washington County, providing opportunities for supportive relationships.

Individuals with developmental disabilities are paired with citizens in the community. Over the past 28 years Citizen

Advocacy has matched hundreds of partners in Washington County.

"We estimate that there are yet over 350 individuals with developmental disabilities that could be on our working lists if resources would allow. Typically we are only able to do about 10 matches in a year," Brunner concluded.

Citizen Advocacy will hold their annual Citizens' Ball and Auction at Chandelier Ballroom on Saturday, May 5, at 5:30 p.m. Citizens' Ball, Dance and Silent Auction is our agency's exciting annual fundraiser. Attendees will enjoy an evening of dancing, plus a delicious meal. The Kettle Moraine Symphony Big Band will be performing.

The auction will offer artwork, giftware, garden themed items, gift baskets, gift certificates, birdhouses, birdfeeders, and much more.

Tickets are \$45 per person. For further information or to order tickets, call 262-334-3384.

Seniors must make Senior Care switch

WEST BEND- About two thousand Washington County residents enrolled in Wisconsin's "Senior Care" program will need to start looking for another option. The program will end this June.

Washington County Office on Aging will help with the transition to Medicare-Part D. Anyone enrolled in "Senior-Care" can expect a notice in the mail.

Benefits specialist Cheryl Gray encourages participants to keep the letter and call The Office on Aging at (262) 335-4497 extension 4497. She says if your income is less than \$15,000 annually and less than \$20,000 per couple seniors are eligible for the Part-D subsidy from Social Security.

Second nurse accused of stealing meds

WEST BEND- Another St. Joseph's Hospital nurse has been accused of stealing narcotics from the hospital. The nurse will make her first court appearance on May, 7.

Christy Bauer, 36 of Greendale has been formally charged with a felony count of possession of narcotics and misdemeanor possession of a controlled substance. Bauer who was hired from an outside agency faces over three and a half years in prison, if convicted of both counts.

In February, nurse Barbara Hansen, 45, of Random Lake was charged with six drug felonies. She confessed to stealing morphine from the hospital. Her case is pending.

Theresa Cheesemaker Widmer focuses on family's heritage

MADISON- Tradition is important to the Widmer family. It is so important, in fact, they've made it their business. Following his grandfather's adage, "Take no shortcuts and accept nothing less than excellence," Joe Widmer, Wisconsin Master Cheesemaker, carries on the family name as a third generation Wisconsin cheesemaker for Widmer's Cheese Cellars, Theresa.

"I am always proud of the heritage from the previous two generations of cheesemakers in my family," Widmer said. "I knew as a child that I loved the product and wanted to carry on the tradition."

Specializing in Wisconsin Brick and Colby cheeses, both Wisconsin originals, Joe Widmer, who has earned his Master Cheesemaker certification in Brick, Cheddar and Colby, hand crafts his cheeses in small batches to ensure quality.

"Producing artisan cheeses is like producing a piece of artwork," Widmer

said. "An artist puts his best into a painting to produce something that stands out. I do the same with cheese. I want to make sure I'm making the best quality cheeses that I can."

Adamant about sticking to traditional cheesemaking methods from previous generations, Widmer even uses the same bricks and bacteria cultures that his grandfather did to produce Brick cheese, contributing to the same quality and flavor that has made the Widmer name synonymous with award-winning Wisconsin artisan cheeses.

A versatile cheese with flavors ranging from mild and sweet when young to pungent and tangy when aged, Brick was first produced in Wisconsin in the late 1800s. Made by Wisconsin cheesemakers in mild, medium and aged varieties, Brick cheese makes excellent macaroni and cheese, potatoes au gratin and hash browns, and is popular sliced in sandwiches. Favorable

beverage pairings for Brick include: light red wines for the milder varieties and robust beers such as bock lagers and Porter style ales with Aged Brick.

Creamy Wisconsin Brick Spread

Ingredients:
8 oz. cream cheese
1/4 cup milk
8 oz. (2 cups) Wisconsin Brick cheese, shredded
1 Tbsp. fresh chives, chopped
2 Tbsp. onion, minced
1/2 tsp. hot pepper sauce
Rye or pumpnickel bread or crackers

Directions:
In a mixer bowl, beat together cream cheese and milk until fluffy. Add remaining ingredients; mix well. Serve with bread or crackers.

EVENTS

County Retired Educators meetings

An April Meeting of the Washington County Retired Educators will be held on April 17 at 10 a.m.. The meeting will feature Betsy Wilcox of the Washington County Volunteer Center and Heidi Sternig of Big Brothers/Big Sisters. Both will offer exciting opportunities for volunteerism and mentoring in the area. It will be held at Immanuel United Church of Christ at 501 Walnut Street in downtown West Bend. An elevator is located near the entrance.

There will be a business meeting at 9:30 and coffee at 9 a.m.

The May meeting will be at the VFW hall in Hartford, across from Woodlawn Park on May 15.

May Lynn Bennett from the Casa Guadalupe Education Center will enrich those attending with her presentation at 10 a.m., following a 9:30 a.m. meeting.

A recent revision and expansion of a 2000 compilation of rural school records has been completed. The book, "Education in Rural Washington County" is on sale at Fireside Books and contains fascinating facts and colorful anecdotes from those who attended or taught in the county's early rural schools. More information may be obtained by calling the Historical Society at 262-335-4678.

All retired educators are welcome to attend.

Super Craft Saturday

The Spring Super Craft Saturday will be held on Saturday, April 14 from 10 a.m. to 3 p.m. at the Ashford Town Hall. The hall is located four miles west of Campbellsport on Hwy. 67 or four miles east of Lomira.

Super Craft Saturday welcomes everyone from youth to adults. There is no pre-registration. Attendees may come at any time and do as many craft projects as they wish to. Crafts are make-it-take-it and priced at the cost of materials. Crafts may also be purchased to take home to be completed. All projects may be used by 4-H members for fair entries.

Some craft projects that will be offered are ceramics, clay pot projects, wood crafts, decoupage and much more.

Join the fun in making something for yourself or for someone special.

A brat and hamburger fry will be held in conjunction with Super Craft Saturday. It will be sponsored by the Campbellsport 4-H Club. Baked goods will also be available to purchase.

For additional information, please contact JoAnn Hall at 920-533-4252.

Hartford Showcase/Job and Career Fair April 17

The event is an invitation to Work, Live and Play in Hartford.

It will take place on April 17, 2007 from 12 Noon until 7PM at the Historic Chandelier Ballroom, 150 Jefferson Avenue, Hartford, WI.

Job opportunities, products, services, housing availability, educational and healthcare facilities and quality of life amenities will be showcased. Citizens are welcome; especially those who want to explore career opportunities in Hartford's manufacturing industries and businesses.

As an added reality feature, some guided driving tours will be available for visitors who actually want to see physical evidence of Hartford's development success. These will be compliments of Hartford Ewald Ford Lincoln Mercury.

Exhibitor booths can be reserved at a small charge. There is no admittance fee.

For registration forms, contact the Hartford Area Chamber of Commerce at 262-673-7002.

Cedar Community holds alzheimer's safe return registration event

WEST BEND - Six out of 10 people with Alzheimer's disease will wander and become lost. In an effort to build awareness about challenges and solutions for men and women facing Alzheimer's disease and related dementia, Cedar Community has teamed with the Alzheimer's Association of Southeast Wisconsin to present a special Safe Return registration open house Tuesday, April 17, from 9 a.m. to noon. The event will take place in Friendship House Assisted Living at Cedar Community's main campus, 5595 County Road Z in West Bend.

The Alzheimer's Association's Safe Return is a nationwide identification, support and enrollment program working at the community level to provide assistance 24 hours a day, every day, whenever a person is lost or found. The system involves identification for both the caregiver and his or her charge. "Safe Return provides additional peace of mind to caregivers who are able to leave their

loved one to go to the store or other errands," said Melissa Gerken, a Cedar Community social worker who specializes in Alzheimer's disease and memory loss. "In the event the caregiver is faced with an emergency, authorities will know immediately that he or she has a dependent at home waiting."

Part of National Alzheimer's Awareness Month, the Cedar Community open house also will feature tours of Friendship House, refreshments, door prizes and a chance to speak to a social worker. Safe Return information and forms will be available at the open house, and free enrollment will be awarded to the first three people to register. Please call 262.306.4267 for other available enrollment dates and times.

Friendship House provides supportive care for men and women facing early- to mid-stage Alzheimer's disease and related dementia, part of a continuum of care that also includes support groups,

respite (short-stay) care, a Resource Library, long-term specialized Alzheimer's care, and hospice. For more information about Safe Return, Alzheimer's disease and dementia, or Chapter services call the Alzheimer's Association Southeastern Wisconsin Chapter's toll-free 24/7 helpline, 1-800-272-3900.

Established in 1953, Cedar Community is a not-for-profit, church-affiliated leader in providing superior health care, education, rehabilitation and senior housing to over 1,000 residents. Its facilities are located on five campuses in Washington and Sheboygan counties. Cedar Community is proud to provide a continuum of care including independent and assisted living, skilled nursing care, rehabilitation, hospice, memory loss services, subacute and now home care. For more information visit their website at: www.cedarcommunity.org.

KCK to hold parent program 'Communicating with your teen'

KEWASKUM- Do you ever feel like your child just doesn't want to talk... to you? Or have you ever had what you thought was going to be a simple conversation with your child turn quickly into an argument?

Kewaskum Cares About Kids (KCK), a parent support group for area parents is inviting parents to a free dinner and information conference.

Organizer Linda Dymond reports the event will offer a free child care in addition to the items mentioned above. The evening conference will be held on Tuesday, April 24 from 6 - 8 p.m. in the Kewaskum El-

ementary School cafeteria.

Jill Wargolet, from the Youth and Family Project, will share suggestions on how to remain open in stressful situations, how to use language that is supportive and nurturing, and how to improve your listening and communication skills. Attendees will learn ways to encourage open communication and how to remain calm and diffuse potential arguments.

This is the third conference in KCK series of parenting workshops.

For more information on KCK or this conference please contact Dymond at (262) 335-6898 or ldymond@councilonaoda.org.

DAYS GONE BY

25 Years Ago

April 9, 1982

Less than springlike temperatures Tuesday did not keep the voters away as two seats in a sharply contested school board race were at stake. Tabulations Wednesday morning showed Ralph Horner, who lost in the last election, got 1,288 votes and newcomer John Spoerl finished second with 1,119. Joan Rosenberger received 955 votes while incumbent Gerald Secor came in with 865.

In the race for seats on the Kewaskum Village Board, Don Mlodzik came away with 513 votes and Richard Schmidt 395, retaining their trusteeships. Write-in candidate Howard Laubenstein successfully beat out two other write-in candidates for the third spot on the board.

Peace United Church of Christ, Kewaskum, confirmed ten eighth graders on Palm Sunday, April 4. These confirmands joined in the Bible, the Christian faith and the Christian church. Those who were confirmed are: Mark Brodzeller, son of Harvey and Nancy Brodzeller of

Kewaskum; Erik Christiansen, son of Douglas and Judy Christiansen of Campbellsport; Lisa Fusek, daughter of Mrs. Robert Fusek of Kewaskum; Barbara Panzer, daughter of Herman and Nancy Panzer of rural Kewaskum; Jill Schmidt, daughter of Lee and Barbara Schmidt of Kewaskum; Scott Schmitt, son of John and Ruth Schmitt of rural Kewaskum; Brian Sedgwick, son of Donald and Carol Sedgwick of rural Kewaskum; Deborah Seideman, daughter of Dennis and Margaret Seideman of rural Kewaskum; Amy Serwe, daughter of Norbert and Gloria Serwe of Kewaskum, and Brian Taylor, son of Richard and Ruth Taylor of rural Kewaskum.

The official launching of Kewaskum Cablevision service will take place Thursday, April 15, at the Cablevision Communications Center in West Bend. Ted Turner of Turner Broadcasting System, which operates Cable News Network and Super Station WTBS, Atlanta, GA, will throw the switch marking the beginning of cable service to Kewaskum subscribers.

With four returning lettermen as the nucleus and a strong showing from the underclassmen, the 1982 boys track team

has a promising future. Led by seniors Wayne Boudreau, Bob Jandre and Tim Standish in the distance, senior Jerry Buettner and freshman Monty Shaw in middle distance, and junior Mark Rodenkirch, sophomores Rick Gaspardo and Jim Braun in the sprints, the running events are handled well. In the hurdles junior Brian Johnson is leading the way with the help from junior Toby Mueller, sophomore Doug Miller and freshmen Mark Follmann and John Mertzig. The pole vault is led by Stuart Stautz and Mark Durian, who has already cleared a personal best of 11 feet, and the shot put by a newcomer, senior Jay Petermann, with a put of near 40 feet. Also looking very promising is freshman Mike Steinhardt in the high jump. Other members of the team include Bill Gruss, John Nowak, Rick Steiner, Dan Bingen, Jeff Nigh, Dean Mirenda, Barry Murre, David Zettler, Darryl Tews, Mike Sekeres, Mark Larson, John Swanson, Steve Seitz, John Weis, Gary Butzlaff, Dan Becker, Scott Durian, Gregg Classey, Rob Sleger, Chris Neumann, Brian Larsen, and Mike Geldreich. Coaches are Head Coach Drexler and Coach Amundson.

A daughter, Rose Ann, was born to Steve and Laurie Marquardt, Route 1, Campbellsport, on March 25. Sons were born to John and Gloria Reindl, Kewaskum on March 28, and to James and Patricia Krieg, Kewaskum, on April 2.

and Mrs. Glenn Broker, Route 1, Kewaskum, March 27. A son was born to Mrs. Sylvester Karl, Route 3, Kewaskum, on April 1. A son was also born to Mr. and Mrs. Roger Bilgo, Milwaukee, on March 29. Mr. Bilgo is the son of Mr. and Mrs. August Bilgo of Kewaskum.

Continuing Education at UW-Fond du Lac to offer Spanish for K-12 Educators course

The Continuing Education Office at the University of Wisconsin-Fond du Lac will offer a Spanish for K-12 Educators course this summer. This course is for those who have had no previous training in the language, and it is the first module of a two-part introductory sequence.

This course is available for one of three options; two graduate education credits, two undergraduate credits, or non-credit and will be offered June 15 through July 16 on Mondays, Wednesdays and Fridays, 9 - 11:30 a.m. The class will not meet the week of July 4. This course is sponsored by UW-Platteville and UW-Fond du Lac.

Emphasis is on reading, writing, listening and speaking in Spanish. Classes may include cultural issues related to Spanish-speakers. The instruction will include vocabulary specific to the K-12 classroom, and there are no

prerequisites.

The instructor, Rachel Knighten, is a professor at UW-Fond du Lac. She has taught Spanish at Lawrence University, University of Wisconsin-Madison and University of Washington-Seattle and is a certified Spanish teacher.

Tuition for the course is \$165.71 per credit or \$331.42 total. The non-credit fee for the course is \$159.

Those interested in taking the course for credit may register online at <http://apply.wisconsin.edu> as a Special Student at UW-Fond du Lac. The PRISM number is 2150. Those registering for the course for non-credit may call (920) 929-3622 or register online at www.fdl.uwc.edu/cont_ed using VISA/MasterCard.

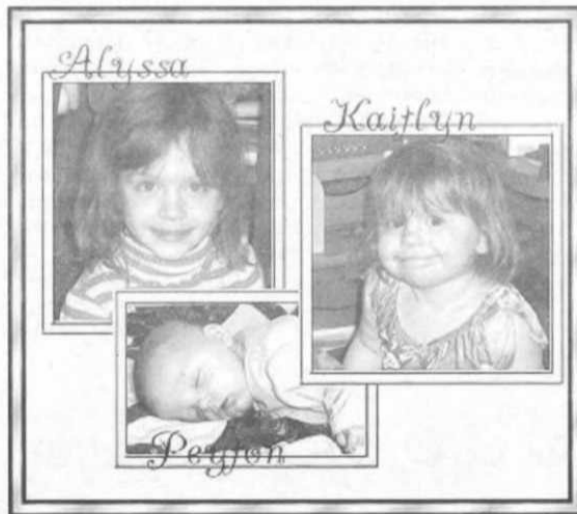

For more information about this course call (920) 929-3622 or online at www.fdl.uwc.edu.

KHS student gets a chance at the big screen

Kewaskum High School junior Kyle Wagner's short story "Sweet Dreams" successfully made it to the finals in the Milwaukee International Film Festival Student Screenwriting Competition.

By Amber Donath
Statesman Correspondent

Kewaskum High School junior Kyle Wagner successfully made it to the finals in the Milwaukee International Film Festival (MIFF) Student Screenwriting Competition.

Wagner entered a one-page plotline and character summary of his original short story titled "Sweet Dreams" in December of 2006. His entry was selected as a finalist in February 2007.

He attended a two-stage seminar and workshop on screen writing and filmmaking. During this time, finalists had the opportunity to work with a local professional writer to create a draft that was ready to be filmed. Final drafts were due in late Febru-

ary for consideration by the MIFF panel of judges.

Even though Wagner's screenplay did not win, he is not going to let it deter him from future writing challenges and opportunities. "This was a great experience," said Wagner. "I learned a lot and am ready to try again next year."

During his workshop, Wagner was also able to spend time with local film industry professionals such as Mark Metcalf, better known as Nedermeier in National Lampoon's Animal House and The Maestro in Seinfeld. Metcalf offered insight to the art of screenwriting and filmmaking. The winner of the competition has the opportunity to screen his or her film during the festival in September 2007.

Vocal ensembles: quartet- Ally Kowalczyk, Lindsay Schneider, Julie Sargent, and Brittany Barlow; madrigal choir- Taylor Bocher, Rachel Gavin, Nick Groth, Jor-

dan Geidel, Jerod Heberer, Michael Herriges, Stephen Kattar, Allyson Kowalczyk, Lindsay Krautkramer, Destin Kuehl, Ryan Nuernberg, Eric Ogi, Megan Ogi, Jeremy Parker, Julie Sargent, Lindsay Schneider, Elisa Schoofs, Katie Schoofs, Kyle Stoffel, and Kurtis Wetzel.

WNA holding high school Better Newspaper Contest

Student journalists are invited to enter their best work published in their school newspapers during the 2006-07 academic in high school "Better Newspaper Contest" sponsored by the Wisconsin Newspaper Association (WNA). Entry deadline is April 16 for awards to be presented in May at end-of-year assemblies.

The contest annually recognizes student achievements in high school newspapering. The panel of judges is from Wisconsin's newspapers and includes

publishers, general managers, editors, reporters, photographers, copy editors and other staffers.

The contest period has been shifted from previous years to allow awards to be presented during the current academic year.

Any student enrolled in a Wisconsin public, parochial or private senior high school may enter.

Local students visit Madison through YMCA's Youth in Government program

The seven Kettle Moraine YMCA's YIG participants in the State Capitol in Madison (left to right): Advisor Robyn Bindrich, Kara Nothem, West Bend, Bryce Toles, Kewaskum, Jake Jochem, Slinger, Jenny Matasek, Slinger, Sebastian Grell, Kewaskum, Lauren Czarapata, Kewaskum, and Rachel Geenen, West Bend.

At the YMCA YIG wrap-up celebration, area teens shared their experiences with family, friends and state government officials: (left to right) Wisconsin State Representative Pat Strachota, Jenny Matasek, Lauren Czarapata, Jake Jochem, Kara Nothem, Wisconsin State Senator Glenn Grothman, Rachel Geenen, and YIG sponsor Marjorie Vukelich.

Statesman Correspondent

Many consider the YMCA a place to exercise a person's body, however, the YMCA also offers many programs to strengthen a person's mind and spirit as well. Case in point is the YMCA's Youth In Government (YIG) program, designed to give teens an opportunity to study the law-making process through participation.

The Kettle Moraine YMCA had seven area youth participate in the 2007 Wisconsin YIG program. Three of the seven were from Kewaskum: Sebastian Grell, a senior at Kewaskum High School, and Lauren Czarapata and Bryce Toles, 8th graders at Kewaskum Middle School.

The local YIG group began

meeting in early fall so each teen could select in which house of government they would be participating, work on running for office, and eventually get elected into positions. They also begin researching and writing model bills, practice debating and preparing cases.

This past February 16-18, the more than 300 state's YIG participants were once again given special access to the Wisconsin State Capitol in Madison. YIG teens literally take over the State Capitol building and present their model bills in the same facilities our state's lawmakers work in every day. In fact, they are the only youth ever allowed in the State's Supreme Court Judges chambers. And some even had "the honor" of sitting in the actual judges chairs.

During their first day at the Capitol, the YIG also experienced a gas leak evacuation. Czarapata and Toles were part of the Press Corps and covered the gas leak, which became the lead story in "The Rutabaga" - the Wisconsin YIG newspaper covering the weekend's event.

"This experience really helped me be more aware of details, become more confident and learn a lot to compliment things I learn in school," said Czarapata. "The best part was touring the Capitol. You would just look up and think... wow."

During the event-filled weekend, the days were long: 8:30am-11:30pm or later each day. Most of the time the teens were working hard, however, there was also time left for enjoyment. Some of the Kettle

Moraine YMCA teens even experienced just how large the State Capitol really is while exploring, having gotten lost and finally redirected by security. "It is important to always keep an eye on the globes," State Representative Pat Strachota commented with a smile after hearing of the students' exploits.

Strachota and State Senator Glenn Grothman were in attendance at a YIG wrap-up celebration held at the Kettle Moraine YMCA in March.

"Our group worked ex-

tremely hard on writing their bills and laws," said Kettle Moraine YMCA YIG advisor Robyn Bindrich. "They all did an outstanding job."

YIG is celebrating its 50th year teaching the nation's youth about our government along with helping them gain experience in public speaking, leadership and research. Questions regarding YIG can be directed to Matt Wiedmeyer, Teen Director at the Kettle Moraine YMCA, at ymcateens@kymymca.org.

OBITUARIES

JEROME G. MAYER

Jerome G. Mayer, 83, of the town of Wayne, passed away on Saturday, April 7, 2007 at Froedtert Memorial Lutheran Hospital in Wauwatosa.

He was born on September 25, 1923, in the town of Wayne, the son of the late Joseph and Cecilia (Peter) Mayer, and on May 11, 1944, he was united in marriage to Audrey Schaefer at St. Kilian Catholic Church in Hartford. Audrey preceded him in death on May 9, 1998. On February 12, 2000, he was united in marriage to Doris (Zingelman) Beck at St. Kilian Catholic Church in St. Kilian.

Jerome farmed in the town of Wayne and was a member of St. Kilian Catholic Church in St. Kilian.

Survivors include his wife, Doris; four children, Robert (Shirley) Mayer of West Bend, Dolores Eder of Kewaskum, Darlene (Randy) Baerber of West Bend and Joan (John) Schlosser of Campbellsport; eight stepchildren, Michael (Diane) Beck of Theresa, Robert (Diane) Beck and Jack (Barb) Beck both of West Bend, James (Felicia) Beck of Adell, Tom (Jenny) Beck of West Bend, Kathleen (Roger) Hansen of

Cedarburg, Donna Beck (special friend, Larry Weinert) of West Bend and Sue (Dan) Hansen of Port Washington; a very dear friend of the Mayer family, Patsy Panzer of West Bend; ten grandchildren, a step-grandson, six great-grandchildren, nieces, nephews, other relatives and friends.

Jerome was preceded in death by a sister, Martha (Clarence) Sauer and a brother-in-law, Norman (Lucille) Schaefer.

A Mass of Christian Burial for Jerome was held at 7:00 p.m. on Tuesday, April 10, 2007, at St. Kilian Catholic Church in St. Kilian. Father Neil Zinthefer officiated and entombment was at 10:00 a.m. on Wednesday at the Shrine of Rest Mausoleum in Fond du Lac.

Relatives and friends called on Tuesday at the church from 4:00 p.m. until the time of services.

The Miller Funeral Home in Kewaskum served the family. Additional information and guest book may be found at www.millermartinfh.com.

PETER CHARLES SENN

Peter Charles Senn, 77, of rural Campbellsport, unexpectedly went home to be with his Lord on Tuesday, April 3, 2007, while doing what he loved — working on the farm.

He was born in Fond du Lac on Aug. 16, 1929, the son of the late Peter and Helen Landt Senn.

As a boy, Peter was active in the Boy Scouts and earned the rank of Eagle Scout. He attended Campbellsport public schools, except for his freshman and sophomore years, in which he attended Nathan Hale in West Allis. He graduated from CHS in 1947. He attended the Farm and Industry Short Course at

UW-Madison.

Peter was drafted into the U.S. Army, and while on a delay en route, he married the love of his life, his high school sweetheart, Leverne A. Ablard on Oct. 5, 1951, at Ebenezer Evangelical United Brethren Church in rural Lomira.

Peter and Leverne started Senland Farm at its present location in the town of Ashford. There they started their family and raised four children.

Peter was a director on the county and state Farm Bureau boards in the 60's and 70's. He was actively involved in politics, and in 1976, the Senn family hosted President Ford, gave him a farm tour and served him breakfast during his campaign swing through Wisconsin. From 1983 to 1992, he was appointed state executive director of ASCS in Madison.

Peter was an active member of Trinity United Methodist Church of Lomira, where he served on the building committee for the present church.

Peter is survived by his wife Leverne; his children, James (Deborah) Senn of Campbellsport, Deborah (Larry) Pollack of Ripon, Mary Beth (Paul) Schlecht of Franklin and Daniel (Kimberly) Senn of Springfield, Mo.; 12 grandchildren, Tracy, Theodore and Travis Senn, Christopher and Crys-

tal Pollack, Angela and Adam Schlecht and Rebecca, Daniel, Samuel, David and Rachel Senn; a brother, John (Louise) Roth of West Bend; a sister-in-law, Lila Ebert of Lomira; nieces; nephews; other relatives; and friends.

He was preceded in death by his parents; a sister-in-law, Esther Roth; and a brother-in-law, Jon Ebert.

Funeral services were held at 2 p.m. on Saturday, April 7, 2007, at Trinity United Methodist Church in Lomira. The Rev. John Hobbins officiated, and burial followed at Union Cemetery in Campbellsport.

Visitation was from 10 a.m. until time of services on Saturday, April 7, 2007, at the church in Lomira.

In lieu of flowers, memorials may be directed to Trinity United Methodist Church, the American Heart Association or the Campbellsport Scholarship Foundation.

Twohig Funeral Home, Campbellsport, served the family.

JOSEPH M. 'BUDDY' KOLKEMA

Joseph M. "Buddy" Kolkema III, 72, of West Bend, passed away Wednesday, April 4, 2007 at his residence.

He was born on May 29, 1934 in West Bend to the late Jo-

seph and Mable (nee Maaske) Kolkema Jr.

At the age of 17, Joe followed in his father's footsteps and went to work at West Bend Equipment Co.

He then entered the U.S. Air Force in 1952 and served in Korea.

Upon returning from the service, Joe continued his employment at West Bend Equipment Co.

On June 22, 1957 Joe was united in marriage to Jean Schanen at St. Mary's Church in Port Washington.

In 1997 Joe retired as plant superintendent and purchasing agent from West Bend Equipment Co. He then worked part-time as a security guard at St. Joseph's Community Hospital in West Bend.

Joe was a life member of VFW Post 1393 and Moose Lodge 1398 in West Bend. He was involved in starting Boy Scout Troop 762 at the Moose Lodge and was very active as a scout leader for many years.

He also enjoyed the outdoors and fishing.

Survivors include his wife, Jean; five children, Sue (Keith)

THE BROKEN CHAIN

We little knew that morning that God was going to call your name.

In life we loved you dearly, In death we do the same. It broke our hearts to lose you, You did not go alone: For part of us went with

you, The day God called you home.

You left us peaceful memories, Your love is still our guide, You are always at our side. Our family chain is broken And nothing seems the same:

But as God calls us one by one, The chain will link again.

Love you & miss you

BUSINESS NEWS/PERSPECTIVES

Cedar Community Hospice administrator joins state board

WEST BEND - Cedar Community is pleased to announce Scott Kegley, RN has been appointed to a three-year term on the Hospice Organization & Palliative Experts (HOPE) of Wisconsin board of directors. Kegley, Cedar Community Hospice administrator, joined HOPE in 2004.

HOPE provides information and support for the greater community and for organizations that provide end-of-life care throughout Wisconsin. They also have been in the forefront of seeking and supporting legislation to enhance the work of hospices in the state. HOPE hosts annual conferences as well as ongoing continuing education for hospice nurses, nursing assistants, chaplains, social workers,

volunteers and other hospice care workers, and publishes a monthly newsletter which provides information on end-of-life issues around the world.

Kegley serves on the HOPE board's education subcommittee and is responsible for helping to plan continuing education for hospice organizations and staff. In April he will present a seminar on a national move to improve hospice quality initiatives. A certified Advance Care Planning Facilitator and also a member of the southeastern Wisconsin End-of-Life Coalition, Kegley attended Marquette University from 1987-1991 and received his associate's degree in nursing from Moraine Park Technical College in 1997. He joined the nursing staff at Cedar Community in 1994, providing general nursing and palliative care before spearheading the new hospice launch

in 2004.

One of the nation's first skilled nursing facility-based hospices, Cedar Community Hospice is a part of Cedar Community's Home Health and Hospice division, which has provided home-based hospice services throughout Washington County since October of 2006.

Cedar Community is a not-for-profit, church-affiliated leader in creating relationships, services and environments to enhance the well-being of seniors and their families. Its facilities are located on five campuses in Washington and Sheboygan counties. Cedar Community is proud to provide a continuum of care including independent and assisted living, skilled nursing care, rehabilitation, hospice, memory loss services, subacute and home care. For more information visit their website at: www.cedarcommunity.org.

To the Editor:

Now that the dust has settled a little on the referendum for the Purchase of Development Rights, I would like to thank all those who participated in the discussion and those who voted.

Although the referendum didn't pass, I can't recall another time when a discussion about the future of Washington county was such "front page news". In itself, that is a victory because we still need to ask ourselves what we foresee as the future for the County. Simply letting "whatever happens" occur is not a good enough solution. Thousands of hours of work have been expended by the Southeastern Wisconsin Regional Planning Commission and the County preparing Land Use Plans and Open Space plans and, yes, the Purchase of Development Rights Task Force Report, but until we put the vision for Washington County into ac-

tion, we've simply wasted lots of taxpayer's resources.

Inaction will get us a future none of us will be proud of. Is there a place for Agriculture in Washington county? What do we do when groundwater becomes scarce? How do we control the flooding that comes with urban buildout? When do we have enough growth? Do we let the business that supply agriculture wither as it becomes less and less of an economic driver in the County? Who is going to take the lead in creating a vision and, more importantly, doing the hard work to get it done?

The point is, we will get the future that we plan for. It would be a terrible waste if we chose not to make the hard decisions that will make that future bright.

Dan Stoffel,
Chairman, PDR Task Force

Health Awareness

Get In The G.A.M.E. (Get All Men Educated About Prostate Cancer Clinical Trials) Program Helps Men With Prostate Cancer Get The Information They Need About Clinical Trials

(NAPSA)—A nationwide campaign has been launched by the National Prostate Cancer Coalition (NPCC) called "Get in the G.A.M.E.—Get All Men Educated about Prostate Cancer Clinical Trials" to help men with prostate cancer understand that clinical trials may be an important option to consider. Talking with a doctor about clinical trials is particularly important for men with recurrent disease who are at risk for or already suffering from bone metastases (spread of cancer to the bone). Clinical trials advance science in the areas of disease they study and in some cases provide access to potential new therapies.

"We're conducting our Get in the G.A.M.E.—Get All Men Educated initiative because a recent survey of prostate cancer patients shows that only a very small percentage of patients—about 12 percent of men with prostate cancer—know that clinical trials are an option," said NPCC CEO Richard N. Atkins, M.D. "Clinical trials examine the safety and benefit of experimental drugs to find new treatments for prostate cancer aimed at extending and improving quality of life and ultimately a cure. It's important for men to ask their urologist or oncologist about trials that may be helpful."

Prostate cancer is the most commonly diagnosed cancer in America among men, with more than 218,000 new cases expected to be diagnosed in 2007. Approximately one in six men is diagnosed with prostate cancer in his lifetime, and all men with prostate cancer are at risk to develop bone metastases.

What many people don't realize is that bone metastases are one of the most frequent causes of pain

in people with cancer and may lead to severe skeletal complications, such as fractures, spinal cord compression resulting in paralysis, need for surgery to bone, and need for radiation to bone for pain palliation.

The survey, Cancer Clinical Trials Awareness and Attitudes in Cancer Survivors, conducted by the Coalition of Cancer Cooperative Groups and Northwestern University, polled nearly 2,000 U.S. cancer survivors and found that as few as one in 10 cancer survivors reports ever being made aware of trial opportunities during treatment. For those patients who reported participating in clinical trials, the survey found that 92 percent of participants had a positive experience with their clinical trial.

"This survey tells us that we need to do a better job of informing men about clinical trials that may make a difference in how their disease is managed in helping determine the potential benefit of new agents," said Matthew Smith, M.D., Ph.D., assistant physician, division of hematology/oncology, Massachusetts General Hospital, Boston, Mass. "We are currently conducting clinical trials to evaluate the potential for an investigational therapy to prevent and treat the bone metastases in men with prostate cancer."

"Education about and, when appropriate, participation in clinical trials is so important—that's why we are encouraging dialogue between men with prostate cancer, their families and their physicians," noted Atkins.

Quick Facts: Prostate Cancer in the U.S.

- More than 218,000 new cases of prostate cancer are expected to be diagnosed in 2007.
- More than 27,050 deaths will occur due to prostate cancer in 2007.
- Approximately one in six men is diagnosed with prostate cancer in his lifetime, and all men with prostate cancer are at risk to develop bone metastases.

Quick Facts: Bone Metastases

- More than 10 million people worldwide have bone metastases.
- Approximately 452,000 people in the United States suffer from cancer with metastases to the bone.
- Approximately 50-80 percent of all those diagnosed with carcinoma are predicted to have metastases to bone at the time of their death.
- Certain cancers, like breast, prostate, thyroid and lung, are more likely to spread to the bone than others.

Why there is a need for clinical trials:

- Only a very small percentage of patients—about 12 percent of men with prostate cancer—know that clinical trials are an option.
- As few as one in 10 cancer survivors reports ever being made aware of trial opportunities during treatment.
- For those patients who reported participating in clinical trials, the survey found that 92 percent of participants had a positive experience with their clinical trial.

Restaurant Delicious at home!

FAMILY FEATURES

Craving the weekend on Wednesday because you're hungry for your favorite chef-created meal? Don't wait: The distinct flavors of your favorite restaurant dishes are within reach, without dining out every night. Skip the tired take-out fare and create a tantalizing, made-fresh meal at home to enjoy tonight.

Savory meals begin with top-notch ingredients. Meats and seafood paired with fresh produce offer endless possibilities for creating restaurant-quality meals that look and taste chef-made. Try starting with a great complete salad from the produce aisle. Chef-inspired creations, like those from the Fresh Express Completes Salad line, combine gourmet seasoning blends and condiments with artisan breads and cheeses. The flavorful combinations are topped off with perfectly matched dressings that make these salads worthy of center stage on any family's table.

These top-drawer salads — fresh mixtures of greens and vegetables, paired with savory goodies like crunchy artisan bread croutons, chef-made dressings and aged cheeses — beautifully harmonize with a variety of contemporary entrées. The combination ensures a fast, flavorful and easy-to-make weeknight menu masterpiece.

"Completes" restaurant-style salads are full of special flavor touches. New "Pacifica Supreme" from Fresh Express starts with crisp spring mix with carrot strips, tender pea pods, lightly roasted soy nuts and sunflower kernels. Tossed with a poppyseed vinaigrette dressing, it's a perfect balance of sweet and savory in this Pacific Rim inspired salad. Another new offering, Mediterranean Supreme, is loaded with baby spinach, focaccia bread croutons and provolone, Parmesan and feta cheeses, dressed with a caramelized onion-kissed Dijon vinaigrette.

Paired with these or other complete salads, simple and delicious entrée ideas will make you look like the savviest cook on the block. Match a ready-to-serve complete salad with your own list of favorite "make fast" dishes. Or check out some of these ideas and recipes to make flavorful, fast entrées that make beautiful menu music with a chef-inspired complete salad from the produce section.

Enjoy dining in like dining out! Who needs dinner reservations?

Island Inspired Escape

For a tropical inspired evening, pair a Fresh Express Pacifica Supreme complete salad with this sweet 'n' spicy salmon fillet. Serve fresh orange wedges and store-bought almond cookies for a sweet finale.

Apricot-Ginger Glazed Salmon

Serves 2

- 1/2 pound salmon fillet
- Salt and freshly ground black pepper
- 1 1/2 tablespoons apricot jam or preserves
- 1 1/2 teaspoons grated fresh ginger
- 1 teaspoon soy sauce

Heat oven to 450°F. Season salmon with salt and pepper; place skin side down on parchment-lined (for easy clean up) rimmed baking sheet. In small bowl, stir together jam, ginger and soy sauce; spread evenly over salmon. Roast 10 to 15 minutes, until salmon flakes easily.

Far East Café

Try pairing Fresh Express Asian Supreme complete salad with this simple Pacific Roasted Pork Tenderloin. For a dramatic finish, dish up fresh strawberries atop angelfood cake to top off this exotic dinner.

Pacific Roasted Pork Tenderloin

Serves 4

- 1 whole pork tenderloin, about 1 to 1 1/4 pounds
- 3 tablespoons hoisin sauce
- 1 teaspoon oil
- 1/2 teaspoon ground five-spice

Heat oven to 425°F. In small bowl stir together hoisin, oil and five-spice; rub evenly over pork. Place pork in small roasting pan; roast 20 to 25 minutes until internal temperature, measured with a meat thermometer, is 155°F.

Remove from oven and let rest 5 minutes before slicing to serve.

Mediterranean Delight

Warm up the night with the new Mediterranean Supreme complete salad from Fresh Express and a Greek Grilled Chicken Panini. Lemon bars from the bakery bring this easy menu to a sunny conclusion.

Greek Grilled Chicken Panini

Serves 2

- 1 1/2 cups coarsely shredded meat from rotisserie chicken
- 1/2 teaspoon lemon pepper seasoning
- 1/2 10- to 12-inch focaccia, split horizontally
- 2 ounces thinly sliced fontina
- 1 4-ounce jar roasted red bell peppers, drained
- Thinly sliced red onion
- 8 pitted kalamata olives, halved
- 1 tablespoon butter, optional

In small bowl toss shredded chicken with lemon pepper. Layer chicken, cheese, peppers, onion and olives into focaccia. Grill sandwich in a panini press, or melt butter in hot skillet and grill sandwich on each side until browned. Cut in half to serve.

Mexican Cantina

Bring a little spice to Monday night by beefing up Fresh Express Salsa Ensalada Supreme complete salad. By topping this tasty salad with seasoned beef or chicken fajita meat, you've got one flavor-packed main dish salad that rivals any restaurant dish. Indulgent hot caramel sundaes with salted nuts will seamlessly bring this menu together.

Caesar's Corner

Culinary legend ascribes creation of the cherished classic, Caesar salad, to Italian chef Caesar Cardini, who owned a restaurant in Tijuana, Mexico in the 1920s. As the story goes, Chef Cardini found himself with just a few odd ingredients (the requisite romaine, pantry standards Worcestershire and canned anchovies, a lemon, a piece of Parmesan and stale bread) and unexpected guests he needed to serve. Truth or myth, the rest of the salad story is history. And we love variations on this classic Caesar theme — topped with grilled chicken, shrimp, bacon and other cheeses. Fresh Express complete salads include a classic Caesar, Caesar Supreme, BLT Caesar and Caesar Lite.

Great for ...	Fresh Express Completes	The difference ...	Try serving with ...
Gotta have pasta and a big salad	BLT Caesar	Sun dried tomatoes, real bacon crumbles	Hot Linguine With Basil Pesto Sauce (cook pasta; toss with purchased pesto sauce)
Painting the town red, at home	Caesar Supreme	Romano dressing and a blend of three Italian cheeses	Grilled Steak With Anchovy-Lemon Butter*
Simple, stylish, sophisticated "comfort" meal	Caesar	Traditional fresh romaine, garlic vinaigrette, fresh Parmesan	Parmesan-Breaded Chicken Cutlets; sautéed to golden brown
Watching waistline but not willing to sacrifice flavor	Caesar Lite	Full-volume flavors with half the calories	Spicy-Smoky Shrimp (toss shrimp with chili powder & smoked paprika; sauté and top salad with shrimp)

*Grilled Steak With Lemon-Anchovy Butter

Serves 3

- 1 ribeye or New York strip steak, about 1-inch thick, about 1 pound
- 1/2 cup (1 stick) butter, room temperature
- 2 teaspoons anchovy paste
- 1 teaspoon grated lemon rind
- 1 teaspoon lemon juice
- 1/2 teaspoon freshly ground black pepper

Heat broiler or grill. Meanwhile, in small bowl stir together butter, anchovy paste, lemon rind, lemon juice and pepper; cover and chill. Broil or grill steak to desired doneness. Garnish each serving of steak with a dollop of chilled butter; cover and refrigerate leftover butter.

Gateway Gobblers hold youth turkey hunt

The Gateway Gobblers Chapter of the NWTf held their fifth Annual Youth Turkey Hunt for first time youth and adult female hunters on April 6th and 7th. A total of 17 hunters took part in the hunt, each hunting with an experienced adult turkey hunter. The weather for the hunt was not the best but the hunters did harvest eight turkeys over the two days. The Gateway Gobblers want to thank everyone who contributed to this year's hunt. The following made contributions: New Fane Sportsman's Club, Jim Kreis (Jim's Ceramic Tile), David Krueger (Creative Builders), Jim Schaub (Jim's Home Improvement) and Loehr's Meat Service. There were also 3- turkey fan mounts donated by Al's Taxidermy, Lakeview Taxidermy and Jeff Zimdahl Taxidermy. Shown above are the participants of the hunt.

With experience and higher numbers, soccer team should be better this spring

BY JUDY HARLOW
Statesman Correspondent

John Berst, the coach of the Kewaskum High girls soccer team, is whistling a happy tune these days.

After coming off a season that produced just a couple wins and landed the Lady Indians in a tie for last place in the Eastern Wisconsin Conference, the tide has definitely turned in the KHS camp this spring.

The reasons? Well, for starters, Berst has more depth on the squad, and he has plenty of senior leadership, plus a talented group of freshman and a goalie candidate who is coming along fast.

"It's been interesting ... there are 44 girls in the program this year," Berst, who predicts his second year as head coach will be more successful than the first, said. "We had to scramble to find jerseys."

What is especially encouraging to Berst is, "We have a good number of freshmen and a good number of returning people. We're going to have 20 on the varsity and 24 on JV."

The leaders of the '07 squad will definitely be the seniors, starting with Katie Gaynor, center defense; Emily Boden, defense; Nicole Hesprieh, outside midfielder; Sam Kattar, outside midfielder; and

Lindsay Krautkramer, center midfielder.

The junior letter winners returning include Annie Lieven, who "helps anchor the defense," according to Berst, and Katie Ziebell, striker.

"The seniors who have been around for a good number of years, are really helping set the tone," Berst went on. "They are getting the kids to work harder," telling them what needs to be done in order to be successful.

"We did not have a very high rung on the ladder last year," so the kids know they need to be more intense to win games, Berst said. "We have a ways to go, but we are heading in the right direction."

Along with the regulars he has back, the KHS coach is encouraged by the efforts and talent of the three freshmen who have been brought up to the varsity team, Jenna Buker, Elyssa Miller, and Erika Steiner. Buker, helps out on defense, according to Berst, who reported Miller "is in the midfield, and Steiner will be a midfielder or help out as a striker."

All three have played soccer prior to coming to KHS, and that experience will help them and the team.

Berst is also happy junior Julie Sargent decided to come out for the sport this spring,

after playing fast-pitch softball for two seasons.

"She's a good athlete ... she's learning the position, and I think she's going to catch on quickly," Berst said.

So who will score the goals for the Indians this spring? "Probably Nicole Meyer ... Miller and then Krautkramer," Berst said, adding, "Hopefully there are a couple other girls who will sneak in there. We want to distribute the ball. Our mantra is going to be, when you're close, shoot!"

Kewaskum has lost two non-conference games thus far, an 8-0 decision to Random Lake and a 9-0 decision to Menomonee Falls, still Berst is not discouraged and has even told his girls winning five or more games in the Eastern Wisconsin Conference "will be doable."

While some of the other teams practiced sparingly during the Easter break, Berst had practice almost every day and was encouraged by the good turnout for those practices.

"We've got a good work ethic," Berst said.

Kewaskum is at Cedar Grove for a game Friday afternoon. The JVs, who are being coached again by Amy Piwni, entertain Elkhart Lake this afternoon at 4:30.

Eisenach earns medal at Special Olympics state tournament

Nearly 900 Special Olympics athletes, including some from the Campbellsport area, participated in the 2007 Special Olympics Wisconsin (SOWI) State Indoor Sports Tournament in Oshkosh from March 30 to April 1. The Competition took place on the University of Wisconsin-Oshkosh's campus and featured state competition in gymnastics and basketball.

Congratulations to Daniel Eisenach of Campbellsport, who was on the first place basketball team.

The event kicked off on Friday night at the Albee Hall Gymnasium, with an exhibition basketball game between the Team Milwaukee Raiders and the Stevens Point CPH Wizards- two highly competitive SOWI teams. Team Milwaukee was victorious, winning the game 51 to 32.

On Saturday night, the closing ceremony gave athletes the chance to dance the night away after a long day of competition.

Thank you to Kwik Trip who is a year-round Premier Partner of Special Olympics Wisconsin. Special Olympics Wisconsin holds five state tournaments per year and

provides year-round sports training and competition opportunities for nearly 10,000 individuals with cognitive disabilities. Remember ... more athletes grow the heart of our organization; more volunteers make it beat. For more information, visit www.specialolympicswisconsin.org or call (800) 552-1324.

Vaulters help lift Lady Indians into tenth place in Oshkosh meet

BY JUDY HARLOW
Statesman Correspondent

A team dominated by freshmen and sophomores, scored 23.5 points and finished 10th out of 25 teams in the annual Oshkosh Invitational.

Kewaskum coach Jerry Gosa will take it and smile about the results the Indians posted at the UW-Oshkosh Kolf Field House last Tuesday.

Little Chute claimed the championship by scoring 61 points, while Two Rivers, which is in the Eastern Wisconsin Conference with Kewaskum, was second at 40.5.

Another EWC team, Kiel, placed third with 37 points, and Luxemburg-Casco and Appleton Xavier rounded out the top five, scoring 33.50 and 33 points respectively.

Obviously, the pole vault was Kewaskum's best event. The Indians scored 16 points by taking first and third in the event, and this time, it wasn't Crystal Treptow winning. Alyssa Clapper cleared 8 feet, 9 inches (8-9) to beat 23 other performers in the event, with Treptow going over 8-0 for a third place.

"It was a big surprise, especially seeing Alyssa surpassing her personal best of 8-6," Gosa said. "It's very good for a sophomore. Obviously, the pole vault will be a good event for us this year."

The quartet of Jessi Forbes, Jessie Liniewski, Nicole Kison and Kelly Uelmen combined to place third (out of 31 teams) in the 4x200-meter relay. Their time was 1 minute, 56.76 seconds (1:56.76).

"A great effort," Gosa said. "The handoffs weren't the best, but any time you finish third out of 31 teams, you know you have some great potential there."

The multitasking Kison also picked up a seventh place in the long jump. In the trials, her best jump was a 14-2, and she added five inches to that in the finals for a 14-7.

"She had a busy night," Gosa said about Kison, who also turned in a time of 67.46 in the 400, which was good for 13th place out of 46 runners and anchored the 4x400 relay. "She had a good night."

Other top-15 finishes came in the following events:

shot put — Lacy Taylor, 13th (out of 54) with an effort of 30-.5; high jump — Candace Beine, 15th, 4-6; 55-meter dash — Uelmen, 15th in 8.07 seconds; and 800 — Morgan Gradingan, 2:45.78, 15th.

Gosa was very pleased with the way Gradingan ran. "That was a very good time for a freshman at this point in the season," he said.

One disappointing area was the high jump, but Gosa was quick to point out two of the girls in this event are very young and Amanda Witek missed the meet because she was with her family on vacation.

After competing in an Eastern Wisconsin Conference triangular meet at Kiel on Tuesday (April 10), weather permitting, the KHS girls will be involved in the Catholic Memorial Invitational this Saturday in Waukesha. The meet starts with the field events at 9:15 a.m.

Outdoor Tips & Tricks

Spring runoff poses some serious challenges for anglers. Many anglers get intimidated by the high water with the clarity of chocolate milk that marks spring runoff. They simply wait for clear water before they start their season. However, they are missing some great angling opportunities. Fly fishermen can have tremendous sport in high, discolored spring water working large streamers across and downstream and letting them swing across. Large nymphs and wet flies can also produce some big fish this time of year. Spin fisherman can have some great sport fishing spinners and spoons, and bait fishermen will find that a nightcrawler rigged with a stinger hook will catch a lot of large fish this time of year.

For some reason, some hunting dogs in particular are inveterate garbage hounds. They take particular pleasure in knocking over trash cans and scattering their contents. Moreover, they usually become quite sneaky about the behavior -which makes it difficult to catch them in the act and effectively discipline them. One tip to help keep garbage hounds out of the garbage is to sprinkle the contents with some Cayenne pepper. Most dogs hate the

smell and taste of the hot pepper -and once they've gotten a taste they usually stay away. A small bottle of cayenne pepper is one of the cheapest and most effective canine repellents.

March and April are often called the "mud season" and not with affection. In many parts of the country with clay soil it can be difficult to keep mud from tracking into the car and the house. One way of addressing this problem is to get one of those plastic basins that folks use for soaking their feet, put a section of plastic Astroturf big enough to cover the bottom in it, and then add two or three inches of water. The Astroturf lets you scrub even lugged soles as the water dissolves the mud. By stepping from there to dry your shoes on the normal doormat - you can keep much of the mud from coming inside. As you probably guessed, you have to be sure to change the water regularly.
