WEST BEND— Two Kewaskum High School students are about to embark on a life-changing trip this summer. The two will leave the United States for Africa where they will take part in building a preschool/kindergarten for children in Tanzania. Before all this takes place however, they are raising funds, brick by brick, through a benefit concert.

Junior Dylan Kenworthy, and senior Anna Rick, will travel to Tanzania in Africa where they will join others building the preschool/kindergarten facility in Sura, a community of Tanzania. They will make their trip this

summer, July 11-25. Kenworthy's father, John, will join the two, along with six other members of Trinity Lutheran Church in West Bend and others from churches in the metro Milwaukee area.

For the past three years, Trinity Lutheran Church has maintained a relationship with a sister congregation, Sura Lutheran Church of the Diocese of Meru in Tanzania. The idea of helping to achieve the dream of the preschool/kindergarten was introduced by church member, Jerry Schmidt, who helms the Mt. Meru Coffee Project.

Dylan stated he immediately took to the idea. After being on two mission trips inside the United States in the past, he was excited to be a part

of this international endeavor. He explained that he and his father attended a prayer vigil. It was realized that fundraising would need to occur in order to complete the project.

"We wanted to make sure it was paid for by us. Tossing around ideas, the concert idea came up," stated Dylan. Brick by Brick for Tanzania was born.

John Kenworthy explained, "I see it (the mission trip) as a way to go and help the children of the world, really make a difference. I think for the people in Tanzania it's hard to get an education." He went on to explain that currently, mothers stay home to

Man killed in fire in Osceola

By Andrew Kuehl

TOWN of OSCEOLA— A 63-year-old rural Campbellsport man is dead after a house fire on Friday, April 13. Authorities say the man was treated at St. Mary's Regional Burn Center but died later in the evening.

The Fond du Lac County Sheriff's Department received the call at 12:39 p.m. for a house on fire at W1540 Highway E. Campbellsport Fire Department and EMS responded and received help from Eden and Kewaskum Fire Departments.

Fond du Lac paramedics and Theda Star Helicopter later assisted Campbellsport EMS.

A preliminary investigation indicates the single occupant of the home, James J. Bohlman, was filling the wood burner when something happened causing either an explosion or large fire.

"We arrived to find the house fully engulfed in flames and an adult male lying in the driveway badly burnt. EMT's attended to the conscious male," stated Campbellsport Fire Chief Jeff Lindsley.

"The fire was put out but not before the house was completely destroyed. Because of the log construction a tracked excavator was brought in to pull the roof down and walls down in order to extinguish all of the hot spots," Lindsley concluded.

The Fond du Lac County Fire Investigator did not deem the fire suspicious in origin.

Corrections

In the April 4 edition an error was made in the article about village of Kewaskum department heads salaries.

Deputy Clerk Janet Knops' salary is actually \$40,037.

In that same issue, coverage of the Kewaskum Elementary School Spring Concert. A caption underneath a photo of kindergarteners was incorrect.

The photo we displayed in the paper was that of the three kindergarten classes. Not kindergartners and first graders. The song they were performing was "Hop, Hop, Hop" not "An Easter Riddle".

Brick by Brick for Tanzania

take care of children, this leaves older children with the task of working to help support their family. In turn, they are not able to further their education. It is believed that by constructing a preschool/ kindergarten young children will receive a jump on learning and mothers will be employable easing the burden from their older children and letting them further their education.

The annual income for an entire family in Tanzania on average is \$340 U.S. dollars. From that, a family must provide everything. "My youngest son Ian makes that on his paper route. We are given certain rights (education and emergency health care to name a few) in America, people in Africa are not given those rights.

The group has secured the use of the recently closed Downtown Theater in West Bend for a benefit concert headlined by Northern Room. Brick by Brick for Tanzania will begin at 7 p.m. on Friday, May 11 and again on Saturday, May 12. Proceeds from the concert will be used to build the preschool and daycare facility.

Performers from across Washington County have graciously agreed to perform at "Brick by Brick for Tanzania!" The lineup currently includes cabaret favorites Rick -n- Ginni performing their greatest hits straight from the nightclub circuit, folk artists Gaytha Hillman and daughters, the soulful jazz of Pierce Griffin on the saxophone, the pure vocal majesty of Darci Ketter, Memphis Suicide with a rollicking rock-a-billy set, indie-rock outfit Elements of Style, and the exciting headliners, Northern Room, fresh from their successful stint opening for Bon Jovi at the Bradley Center in Milwaukee.

In addition to the concert, the event also features the United States premiere of animation created for the UNESCO initiative, Africa Animated! UNESCO, the United Nations Educational, Scientific

and Cultural Organization, launched Africa Animated! in 2004 to support the production of animated cartoons in Africa. Nearly all animation brought into Africa at that time came from European or American sources and featured characters and situations far-removed from that of the vibrant African world.

The films of Africa Animated! were created in intense, collaborative workshops by African artists and technicians for African audiences. As such, the themes of the initiative enhance essential African concerns and situations such as the stigma of living with AIDS, the importance of potable water, methods of combating Malaria, etc. all told through an entertaining artform.

Among the films featured at the premier will be "Dear Mama," a stop-motion animation created for Africa Animated! by Carl Joshua Ncube whose subsequent efforts have earned him the nickname "the Zimbabwe Walt Disney."

Tickets are available at a price of \$25 for adults, and \$15 for children (12 and under) and can be obtained at The Statesman, 240 Main Street in Kewaskum or at the Trinity Lutheran Church office on 7th Ave in West Bend. All proceeds will go directly toward materials needed to build the preschool facility in Tanzania. Unfortunately, this event is NOT wheelchair accessible.

The capacity of the school is unknown at this point. It is hoped the school would serve between 50-100 children. After construction, the school

will be supported by parishes in Tanzania.

"It's not us, the project has its own life. It fits the whole idea, brick by brick. How we see it is, we are the bricks and the love God gives us is the mortar that holds it together," ended John Kenworthy.

The Statesman will feature additional articles about the benefit concert and life in Tanzania in upcoming editions. We encourage you to support this mission.

POLICE REPORTS

Underage alcohol party broken up

On **March 23**, at approximately 9:43 p.m. a Kewaskum Police Officer Troy Ellis received a complaint regarding on-going problems at 615 Ne Shna Bek Trail. The complainant stated it appeared there was an underage drinking party at the address.

Upon responding to the area, the officer observed numerous vehicles parked on Ne Shna Bek Trail. As he approached the residence, he made contact with a juvenile male next to a vehicle.

The young man at first lied to the officer about drinking but later admitted he had been drinking at the residence.

The officer tried to make contact with the people inside the home but was unsuccessful. He brought the teen back to his squad and was later released to his parents with a first time alcohol offender referral.

Because of the large number of vehicles, the officer began contacting the registered owners by phone to remove the vehicles from the area of the party.

Once the parents arrived, the officer was told a number of teens left the residence and were on foot to another nearby

residence outside the village.

The officer made contact with the homeowner regarding the situation. Citations were not given out.

Criminal damage

On March 25, at approximately 6:04 p.m. a Kewaskum Police Officer was advised by another officer of a pending complaint.

The officer met with the complainant who stated he was at the McDonald's Restaurant at 100 Badger Road in Kewaskum from approximately 4 to 4:30 p.m. His vehicle was parked outside in the lot.

When he returned to the vehicle, he noticed someone had spray painted a line from the front left quarter panel to the end of the truck on its left side.

The complainant stated that he did not see anyone near the vehicle. There was no evidence of any other damage. There were no other vehicles vandalized in the lot.

On March 26, the complainant found another officer and told him he might know who was responsible for the damage to his vehicle.

Graffiti vandalisms

On **March 27**, at 1:11 p.m. a Kewaskum Police Officer

was advised to meet with a complainant behind the former Hardware Hank store in reference to graffiti.

The officer noted he observed the word, "GTHUG" with an X through the thug painted with gray spray paint.

The owner of the property stated he did not know who may have done the graffiti.

Later in the day on **March 27**, around 4:20 p.m. the officer was contacted by the principal of St. Lucas School. He advised there was some graffiti on the building at St. Lucas School.

The principal advised the vandalism was done between that Thursday night and Friday noon. Vandals painted the word GO and the letters FUR and SELF on the north side of the building with gray spray paint.

Apartment building entered

On April 12, at 9:50 p.m. a Kewaskum Police Officer was dispatched to 201 Knights Avenue #2 in reference to vandalism.

Upon arrival the officer observed the front door knob of the apartment building had been removed. In further examination, it appeared that someone had unscrewed the doorknob.

The complainant, stated someone had broken off the knob. She was concerned because the building was supposed to be secure and since the doorknob was broken off or missing, anyone could

come into the apartment.

She was advised it did not appear the knob was broken and it was possible it may have been malfunctioning and someone had removed it.

The officer attempted to make phone contact with the building's owner but was unable to reach him.

Police reports are compiled and

written by staff member Andrew Kuehl with the cooperation of the Kewaskum Police Department. If you have information on any of these incidents please contact the department at 262.626.2323.

SILENT MEDICAL CONDITIONS & SOME WARNING SIGNS

Several serious medical conditions develop with subtle, vague symptoms. Understanding the warning signs can expedite a person getting valuable, potentially life-saving, medical attention. Type II diabetes, for example affects 16 million Americans who don't know it. Increased thirst, hunger, frequent urination and unusual weight loss are some signs. Heart disease may exhibit itself with a dull, achy pressure in the chest as opposed to any dramatic, sudden chest pain. Women may feel bloating, gastrointestinal distress, or back pain. Melanoma often goes unnoticed, so regular skin checks are important. High blood pressure affects one in four American adults, yet many don't know it. Have your pressure checked regularly.

Scheduling regular physicals allows you to build a relationship with your doctor so you can discuss your personal health habits and plans for disease prevention. It's one of the best gifts you can give yourself. To schedule a physical, please call our office

Fire Departments, Haz Mat team called to Gundrum Farm Supply

The Allenton Fire Department was assisted by five other departments on Saturday for a fire at Gundrum Brothers Farm Supply on Highway 33 in the town of Addison. The Washington Haz-Mat team was also called to the scene because of pesticides and fertilizer that were stored in a shed that caught fire.

TOWN of ADDISON- The Washington County Sheriff's Department and Allenton Fire Department responded to Gundrum Brothers Farm Supply at 9:18 a.m. on Saturday, April 14. It was discovered that a shed that is utilized for storing pesticides and fertilizers was the scene of a small fire.

Due to the presence of hazardous materials in the metal pole building, the Washington County HAZ-MAT trailer and crew members also responded. Firefighters from Kohlsville, Hartford, Slinger, West Bend and St. Lawrence Fire Departments also responded.

Allenton's First Assistant Chief, Jeremy Pfeiffer, stated that Gundrum Brothers employees were performing maintenance on augers Friday evening (April 13) and extinguished a small fire. It is believed the fire smoldered overnight and the following morning (Saturday) and while employees were transferring materials in a storage shed it re-ignited.

"The employees said they thought they saw dust but after closer inspection they found it was smoke," concluded Pfeiffer.

After re-igniting, granular sulfur began to burn, creating a hazardous scene.

West Bend EMS transported one employee to St. Joseph's Hospital for sulfur inhalation. Other employees were treated at the scene by Allenton EMS and Lifestar Ambulance.

Gundrum Brothers Farm Supply is located at 4894 Highway 33 just outside of West Bend and Allenton.

A Welshman an Englishman and a Irishman were being chased by Farmer Giles with a shotgun.

After 10 minutes of running they spotted a barn and ran inside. Once inside they each hid in an old sack against the barn wall.

The farmer went into the barn but did not see where they went. He was about to turn back when he saw three suspicious looking sacks.

He walked forward and prodded the first sack with his gun. The Englishman inside said..."Meow".

"Just cats," he thought. He then prodded the second sack.

The Welshman, hearing how the Englishman got off said..."woof".

"Just dogs," he thought. As he walked towards the last sack, the Irishman worked out what he was going to say. As soon as the farmer prodded his sack he said..."potatoes!"

Barn a total loss after fire at county golf course

TOWN of HARTFORD- A storage barn caught on fire Tuesday, April 17 at the Washington County Golf Course. Several fire departments assisted Hartford Fire Department, including the Washington County HAZ-MAT team.

The Washington County Sheriff's Department received the call at 9:35 a.m.

The barn contained grounds equipment for the golf course along with fertilizers and pesticides.

The structure and its contents appear to be a total loss, and there is no estimated value available at this time.

Although nearby residents were initially asked to remain indoors and close windows, there is no danger of toxic smoke from the fire. The Wisconsin Department of Natural Resources (DNR) has been monitoring air quality, which is clear, and for water contamination.

The fire departments along with the DNR worked throughout the day to prevent runoff from the area.

The Sheriff's Department in conjunction with the Hartford Fire Department is investigating the cause of the fire which is undetermined at this time.

The Washington County Golf Course is located at 6439 Clover Road. Personal at the golf course stated the course remains open for play.

Outstanding health care can also be convenient. Just ask Donna Kork, a Washington County resident for more than 45 years. During a routine physical, her Aurora Health Center physician heard something odd when listening to her heart, and urged Donna to have further tests. The tests uncovered three separate, life-threatening aneurysms that surgeons were able to repair, thanks to her physician's thoroughness. She's glad that her doctor was so attentive, and that the surgical expertise she needed was just minutes away with Aurora Health Care.

Convenient, coordinated care. Specialized medicine. That's why Donna chose Aurora Health Care.

Here are just a few of the reasons why you should choose Aurora, too:

- For your convenience, our health centers are located nearly 15 minutes from where you live or work.
- Our physicians coordinate your hospital care with Aurora Medical Center in Hartford to provide you with leading diagnostic, surgical and treatment services.
- Our patients have access to Aurora St. Luke's Medical Center, offering breakthrough treatments, not available anywhere else in the state, in the areas of heart, cancer and neurological care.

PEOPLE NEWS

Cochran on student exchange get-together in Germany

"Schliess ein Tor" ("Shoot a goal" in German) was a cheer that we shouted at the professional soccer game we went to during our Rotary exchange student weekend get-together. A little more than sixty exchange students from my district got together in Bielefeld, Germany to celebrate the oncoming of Spring, or just to have a good time and see each other again. It was a hilarious weekend where we were able to walk around the city, hang out at the Bielefeld University, go to an Arminia Bielefeld soccer game against FC Nuernberg, and get to know the new exchange students and each other better.

The first thing I did that weekend was travel with my Australian friend, a new arrival in January, by train to the nearby Bielefeld University where we were meeting and staying for the weekend with the other exchange students. We had not gotten together as a group for four months. Everyone was hugging each other, and several people ran up quite excited to see me. It was a great welcoming, not to mention that it reminded me how much I missed the friendships between us that we had created earlier in my stay. It did not take long for everyone to joke around with one another like we always do.

The rest of the night was quite relaxing. We were given a long time to just hang out and catch up with each other, trading our Rotary pins and exchanging cards, mostly with the new arrivals. It was interesting to get to know the newcomers, the rookies of the exchange group. They are the students that come from the southern hemisphere, from countries like Australia, Zim-

babwe, Argentina and others, who just finished their summer breaks.

Afterwards, we all went for a short walk through the city, seeing what we could in the darkness. We were given free time to do what we wanted so a small group of us ended our night by finding someplace to eat. Of course, our group found Pizza Hut. I would say it was because we have been here in Germany long enough that we do not feel we always have to eat German food, in fact once in a while a break feels nice. We ate at Pizza Hut and it tasted great. To make you feel more at ease, the next day I had a Bratwurst at the soccer game. I always eat Bratwurst when I go to the soccer games.

We went to the Bielefeld soccer game. They are my favorite soccer team even though they are second last in the league at the moment. I like them mostly because they are the closest to where I live, and I have already gone to a few of their games. It was fun to go this time with a lot of exchange students, and to cheer really loud and get excited.

That day we also received a tour of the university and a lot of information about the school. I was happy to lend my skills in the German language as an interpreter for those newcomers that still have yet to learn it. I threw in a few of my own "fun facts of the day" and made the tour a little more interesting for everyone. Our tour guide was quite pleasant and seemed very informed on the school.

That night we had a little party at the university in the gymnasium. We set up some lights and speakers, hooked them to a Mac computer, and went

through some great international music. I tried picking up some Latin forms of dancing, Brazilian, and European styles. I think I ended up falling into the "can't dance" category of dancing. Most of the other Americans were able to sympathize with me. We stayed up late into the night dancing, talking, mixing cultures, and also swapping exchange stories with one another.

The next day, we rounded up our weekend together by packing up our things and cleaning the areas that we had used. Also, we ate breakfast together and talked about the events in the future. Finally it was time to say goodbye, and after hugging a few people and promising to do something with them in the near future, Andrew and I left, in quite a hurry too, as we were running late and ended up just catching our train.

Yes, the weekend was over. Well almost, when I got home I got word through e-mail that I had won the Tessar Scholarship! The weekend will go down as one of my favorite, most pleasing weekends of the year. I was given an honor by people from back home, and I had a fantastic time with the exchangees and really connected with everyone. Now, I get to look forward to my upcoming Europe Tour! Details on that next time. Happy Spring!

EVENTS

Dinner and auction to benefit new Kewaskum Theater

A special dinner and auction is one event being planned to raise funds for the new Kewaskum theater. This event is scheduled for Saturday, May 12, the day before Mother's Day.

The Amerahn has generously donated the use of their hall for the occasion. Popular local chef, Woody Kleinhans, has agreed to cater the meal. The meal will include two meats, potatoes, vegetable, rolls, desserts, and beverages.

The evening will begin at 6 p.m. with silent auction items open for viewing and bidding. The Kewaskum High School Swing Choir, Jazz Choir, Steel Drum Band and selected solos and ensembles including several musical theater solos will also perform at that time.

A delicious meal will be served at 7 p.m. Vocal/key-board music by Mr. David Bertelsen will entertain during the dinner hour.

Local auctioneer and Kewaskum High School grad-

uate, Mike Paul, will be conducting the live auction.

Tables with seating for eight are being "sold" at \$120.00 per table. So "buy" a table and invite your mother. After all, it is Mother's Day the next day! Or invite family, neighbors and/or friends to fill "your" table. Reserve your place at this special event by ordering a "table" at the following Kewaskum businesses: Geidel's Piggly Wiggly, Little Folks School House or MidAmerica Bank. Fine Arts supporters can also contact Lori Schoofs at (262) 626-2525 to reserve a table. For those unable to "purchase" a whole table, seats will be available for \$20.00 each by contacting Schools.

Auction item donations are being requested. Possible donations could be wood-crafts, art pieces, or decorative crafts created by our talented local artisans, donated skilled labor, general labor services, gift baskets of new items and

tickets to area events. Contact The Kewaskum Theater line at (262) 626-8427, ext. 4354, to donate auction items.

Some of the items being auctioned off include a one-week stay at a Myrtle Beach condo, a sea kayak, 10 year subscription to The Statesman Weekly Newspaper, two evergreen trees, delivered and planted, four front row seats to the high school musical in November, gift basket from Kewaskum Floral, cookware from Regal Ware, various wooden items, a horse and carriage ride through the Kettle Moraine and much more.

For all of you who have been eagerly anticipating a community theater in Kewaskum, here is your opportunity to help make our theater a reality and enjoy good entertainment, good food, and good shopping at the same time. (It even helps with your Mother's Day celebration!)

Sign-up deadline is Friday for Join Hands Run/Walk benefit

KEWASKUM- It's warming up, and the snow has melted from The Eisenbahn Trail that runs through Kewaskum. That means it's time to dust off the walking shoes, and air up the tires on your bike and hit the trail. To get you in shape, three Kewaskum business owners are organizing a run/walk/bike ride in memory of two dear friends.

Jeff Jaeger from Modern Woodmen Insurance and Chris and Steve Jung from The Candy Tree are organizing a five-mile memorial bike/walk/run in the memory of Ben Derge and Barb Liegl. The three say they hope to raise funds that will benefit the Ben Derge Gridiron Scholarship fund and the American Cancer Society of Washington County in Barb's name. Funds will also be donated to Holy Trinity School for technology updates.

The walk will start around 11 a.m. on Saturday, May 5, at the K.C. Hall on Lighthouse Lane in West Bend. Registration the morning of the event will begin at 9 a.m. and end before the shot gun start. Registrations taken the morning of the event will cost \$20 per entrant, \$5 more than a pre-registration.

Shirts will be available on a first come, first serve basis. Bottled water will be provided at the halfway point courtesy of Kewaskum Aurora Pharmacy. Student nurses from Moraine Park Technical College will be doing free blood pressure checks before the walk.

Participants in the event will proceed north on the

Eisenbahn Trail from the K.C. Hall. The event will end in Kewaskum near the Chamber of Commerce Kiosk in the Downtown Kewaskum parking lot. Chris Jung says that Johnson Bus of Kewaskum has donated a ride back to the K.C. Hall so that walkers can return to their vehicles.

Jaeger states they chose the first Saturday in May because it is national joining hands day. "This is a way for the community to join hands to benefit the community," he stated. He also says he thinks this will be great way for people to kick-off spring.

Cancer survivors can also pick up an "I'm a survivor" sticker to wear the day of the walk. Participants will be encouraged to walk at their own pace.

Organizers are looking for individuals who would like to sponsor an in memory sign that will be posted along the trail the day of the walk. There are three options for sponsoring a sign. For \$10 a sign will read in memory of anyone you may have lost and your name or business name. Second option is a \$25 sign that will include a photo. The third option is a \$100 color sign with a symbol and verse about the person. Signs will be laminated for durability and able to be picked up after the walk to take home by the donating family.

"We are encouraging the participants to get sponsors for the walk. All groups or individuals that receive \$1,000 or more in sponsorships will receive a wall plaque reward-

ing them for their community involvement. For \$500, walkers will receive a savings bond and if \$100 in sponsorships is raised they will get a small trophy," stated Chris Jung. Business owners are encouraged to sponsor their employees.

Brats, hot dogs, hamburgers and refreshments being served will be complimented by live music from Gary Cross in the downtown Kewaskum parking lot.

More information about Ben and Barb and the join hands organization can be found at their website. Cash donations are being accepted to help cover expenses of the run. You can contact Chris Jung at The Candy Tree 262-626-TREE for more details.

Registration forms are available at The Candy Tree, J.P. Insurance, The Statesman and Geidel's Piggly Wiggly or print one online at www.kewaskumjhd.org. The cost to pre-register is \$15.00 per person or a family four pack for \$50 this includes a walk t-shirt. The deadline for pre-registration is this coming Friday, April 20, 2007.

Increased operating costs along with an annual deficit will see Kewaskum sewer rates go up again. The Village Board Wednesday evening unanimously approved a 45% increase in sewer charges retroactive to January 1, 1982. Village residents will see the price tag rise from \$1.00 per 1,000 gallons to \$1.45 per 1,000 gallons for sewer service. Along with the anticipated hike of 33% in water rates later this month, this will mean a total increase of approximately \$74 annually for an average family.

REV. WAYNE JOSEPH BARTA

A faithful and beloved priest of the Milwaukee Archdiocese has died. The Rev. Wayne Joseph Barta, who served in the priesthood of Jesus Christ for 47 years, passed into eternity on April 11, 2007, at the age of 72. He left this life, but not our hearts.

Born the first of three children to Clarence and Alice Dettlaff Barta on June 10, 1934, he attended St. Veronica Grade School in Milwaukee. There, at the tender age of 10, he heard the first whisperings of Jesus calling him to the priesthood.

In 1948, he entered St. Francis De Sales Minor Seminary, where he earned a degree in philosophy.

On May 28, 1960, he was ordained at St. John's Cathedral in Milwaukee by the late Arch-

bishop William E. Cousins. A giant of a man with a heart as big as his shoulders, he went forth to serve the people of God with fidelity. As a newly ordained priest, he was assigned an assistant at Saints Cyril and Methodius in Milwaukee. There he served as the district moderator for religious education program of Southeastern Milwaukee County. From 1963 to 1980, Father Barta served as an assistant at St. Anthony Parish in Menomonee Falls. The director of religious education program, Father Barta exemplified an untiring zeal for religious education of the parish children; undoubtedly a gem in his merited crown. Father Barta's gentle, warm spirit, warm smile and humble service won the hearts of the children and parents in all the parishes he served. As one St. Anthony parishioner recalled, Father Barta was affectionately known as the Gentle Lamb.

Akin to his dedicated priesthood, Father Barta made an outstanding contribution to boyhood as chaplain for St. Anthony's Boy (Cub) Scout Troop 105. While chaplain, he organized and directed many

pilgrimages and retreats for scouts, designing a commemorative badge for each of them. His scouting units earned several national unit recognition awards endorsed by Pope Paul VI. He worked diligently to foster and promote the Ad Altare Dei emblem program, the highest honor given a Catholic Boy Scout who strives for excellence in the learning and practice of the Roman Catholic faith.

In April of 1973, he was awarded the St. George emblem for his outstanding service to the spiritual development of the Catholic youth in the program of the Boy Scouts of America. He furthered his great contribution to the Boy Scouts of America by serving as chaplain for the Potawatomi area council from 1969 to 1979 and as state chaplain from 1972 to 1976. In 1978, Father Barta was given the Community Leaders and Noteworthy Americans Award in recognition of past achievements and outstanding service to community, state and nation.

In July of 1980, Father Barta was assigned pastor of both Our Lady of Angels, Armstrong, and St. Michael's Parish, Dotyville. There he pioneered the dual pastorate for the Milwaukee Archdiocese.

A former parishioner remembered Father Barta as a most congenial priest, who really served his people with a spirit of self-sacrifice and unflinching dedication. From 1991 to 1999, Father Barta served the pastoral needs of St. Martin Parish, Ashford, and St. Kilian Parish, St. Kilian.

His understanding and humble leadership to provide for both parishes (with the noble assistance of Father Victor Kemmer) was treasured by many. Many faithful traveled great distances to attend his Masses and avail themselves to the sacrament of confession, which he made amply available to his people.

In July of 1999, Father Barta retired from all administrative duties but remained in residence at St. Martin Parish, where he graced the parish as he continued, with increasingly poor health, to offer daily Mass, hear confessions and make possible Eucharistic Adoration for the faithful of St. Martin Parish until the time of his passing. A priest after the heart of Christ, he continued to be deeply loved as he climbed the hill of his Calvary in a long battle with cancer. He will be sorely missed and affectionately remembered for his many years by those whom he served with fidelity in this life.

Father Wayne Joseph Barta was a longtime member of the Knights of Columbus Menomonee Falls Council 4240.

Survivors include his dedicated caregiver and housekeeper of many years, Lee Ann Schoofs; a brother, Ronald (Michelle) Barta of Elkhorn and their three daughters, Angeli, Noelle and Calise; a sister, Mary Alice (Dwayne) Warwick of Milwaukee and their

two children, David (Karen) Warwick and Laurie (Paul) Grooms; two great-nieces, Amanda Warwick and Alician Marie Grooms; other relatives; and friends.

A Mass of Christian Burial was offered at 11 a.m. on Monday, April 16, 2007, at St. Martin Parish, Ashford. The Most Rev. Timothy M. Dolan officiated. Choir members from each of the respective parishes served by Father Barta were invited to lead the faithful in song.

Visitation was held from 3 to 8 p.m. on Sunday, April 15, 2007, followed by a solemn prayer vigil until 10 p.m., and again from 9 a.m. until time of Mass on Monday, April 16, at St. Martin Parish. The mortal remains of Father Wayne Joseph Barta were reverently laid to rest in the holy ground of St. Anthony Parish Cemetery, Menomonee Falls, to await the sound of Gabriel's mighty trumpet announcing the great day of the Resurrection.

Father Barta requested Mass offerings in lieu of flowers. Memorials may be given to the Boy Scouts of America Religious Emblem Program.

We give him back to you, almighty and ever-living God, who in love gave him to us.

IN MEMORY

In memory of **Pat Mueller**, who passed away one year ago, April 22, 2006:

We thought of you with love today
But that is nothing new.
We thought about you yesterday
And days before that too.
We think of you in silence
We often speak your name
Now all we have are memories
And your picture in a frame.
Your memory is our keepsake
With which we'll never part.
God has you in his keeping
We have you in our hearts.

Sadly missed by her husband Mark and family

IN MEMORY

In loving memory of **LESTER P. STROBEL**, who passed away three years ago, April 14, 2004:

Don't grieve for me, for now I'm free.
I'm following the path God has laid you see.
I took His hand when I heard Him call,
I turned my back and left it all.
I could not stay another day.
To laugh, to love, to work or play.
Tasks left undone must stay that way.
I found that peace at the close of the day.
If my parting has left a void,
Then fill it with remembered joys.
A friendship shared, a laugh, a kiss.
Oh yes, these things I too will miss.
Be not burdened with times

The Bookworm Sez

by Terri Schlichenmeyer

Then We Came to the End

By Joshua Ferris

Little, Brown \$23.99 387 pages

In the average year, you spend some 2000 hours at your job. That's well over 100,000 minutes of toil with a bunch of people you're supposed to be nice to, some of which - if you didn't have to work with them - you'd never even want to know them.

So in this age of corporate layoffs and office downsizing, how happy are you to spend your time with those almost-strangers? In the new novel "Then We Came to The End" by Joshua Ferris, it doesn't matter. Nobody lasts long anyhow.

Rumor had it that Lynn Mason was dying. Nobody knew who started the rumor, but everyone thought it was Karen Woo, since Karen prided herself on knowing everything first. Marcia Dwyer said they all just needed to stop gossiping, and lovely Genevieve tucked her hair behind her ears (a nervous habit that made her even more endearing) and concurred. Benny Shassburger had an opinion, but then again, Benny was always yakking about something.

Then Tom Mota was "let go".

Amber (who was pregnant with Larry's baby, much to his horror) was sure that Tom would come back and mow them all down with a gun. Wasn't Tom always saying how much he loved guns? It wasn't helping any that Joe Pope was becoming closer to Lynn and most certainly knew what was going on with her, medically. But Joe was an enigma himself. Every day, he brought his bicycle up to his cubicle and locked it. What kind of guy locks his bike in a 60th Floor office building?

And then Chris Yop was "let go".

In the midst of ritzy, shiny-windowed office buildings in downtown Chicago, on a floor that had a magnificent view of Lake Michigan, people walked down the hallway to Lynn's office and were gone by mid-afternoon, leaving everyone to wonder: if there are no workers, who will finish the Big Project in the end? Do you love sitcoms about wacky offices and madcap co-workers? "Then We Came to

The End" is like them, but not by much. The cover of this book tries to claim "funny" and "hilarious", but author Joshua Ferris' story just made me sad. I didn't think it was "funny" to see the despair and helplessness of the narrator or his officemates, and the Big Project was decidedly the unfunniest thing I've ever read. The first half of the story rambles too much to be "hilarious".

Yes, this book is satirical and wry. Yes, it's biting and acidic. But only one of the characters is truly likeable, and only because Ferris delved more into her life. Even the ending of "Then We Came to The End" - while bittersweet and well-written - was a bit of a let-down.

If you toil every workday in an office, you might see some of your coworkers in this book, which may make it worth checking out. But if you're looking for a fun diversion for the weekend, "Then We Came to The End" is going to take some work to read.

American Family offers Teen Safe Driver Program

The Teen Safe Driver ProgramSM, an innovative new program that helps young drivers overcome the challenges of learning how to drive, became available to American Family's automobile insurance customers in Wisconsin on March 1. More information is available from American Family insurance agent Randy Gust at 1224 Fond du Lac Ave in Kewaskum.

American Family, in association with DriveCam Inc., is providing Teen Safe Driver to American Family automobile insurance customers in Indiana, Minnesota and Wisconsin at no cost. The program is open to American Family customers who have a teen driver in their household, for up to one year.

Teen Safe Driver provides teens and their parents an in-vehicle video and audio unit that captures risky driving behaviors. Parents log in to the Web site, www.

teensafedriver.com to view the driving report card, video events and coaching tips, including objective, third-party assessment of the teen driver's driving performance compared with other teens.

"This is a terrific opportunity for parents to help their young drivers identify the issues that all new drivers share," said Gust, whose office is open from 9:00 a.m. to 5:30 p.m., Monday through Friday. "Teen Safe Driver is a completely voluntary program, and families who participated in a pilot program found it really reduced the number of risky driving incidents."

American Family and DriveCam conducted pilot programs at high schools in Minnesota and Wisconsin. By helping parents help their teens, Teen Safe Driver achieved a greater than 70 percent reduction in the frequency and severity of risky driving events among these novice drivers.

Top Brat

FAMILY FEATURES

We all seem to thrive on competition these days. Any channel surfer can find reality shows in which folks are trying to be the next survivor on a deserted island, rock star, celebrity chef or TV design guru. But nothing can beat the real life drama in your own backyard when brats vie for "top brat" awards.

First of all, choose the brat that consumers found to be the tastiest of all grillable meats in a recent taste test. Served hot and plump off the grill, alone on a bun or tortilla, this brat's robust flavor is more than delicious all by itself. But when you're in the mood to play with your food, top your brat with a favorite, condiment, relish, salsa or slaw.

Top that juicy grilled brat with pickles and onions, mustard or ketchup. Go German with sauerkraut, Southern with a tangy barbecue topping, or even Hawaiian with pineapple and papaya. As long as you grill your brat so that it's plump and juicy, the topping you choose is only going to add style points. So, top that!

Check out johnsonville.com for great recipes and more!

Clockwise from top: Gorgonzola Mustard, Southern Roadhouse Barbecue Topping, and Sweet and Hot Tropical Salsa for Brats

Are You a Grillin' Guru?

You can be, by following Johnsonville's Tips for Grilling Success.

- 1. Use a clean grill.** Repeated grilling causes excessive residue buildup on the grill rack and hull. An occasional cleaning will help to reduce flare-ups. Besides, your grill is a special gathering place for friends and family. Got to keep up appearances.
- 2. It's OK to pre-cook.** Know that it's OK to pre-cook brats. One may simmer the links in a pan of broth, or a beer and onion blend, for 8 to 10 minutes prior to placing them on the grill (it's okay to dump the beer when you're done ... really, it is).

- 3. Cook slow, on low heat, keeping grill covered.** If you're using a charcoal grill, spread out the gray/white, hot coals in a single layer. Your charcoal grill is perfect for brats if you can hold your palm near the grill for 5 to 6 seconds before it gets uncomfortable. On a gas grill, start the flame at a medium setting, and when the sausage juices start to flow, reduce heat to low. A lid on the grill helps to minimize the flame, too.
- 4. Avoid high flames!** First, move the brats to safety. Raging blazes cause injury to sausage and your neighbors probably won't enjoy the sirens. Keep a spray-bottle filled with water handy to douse small flames while grilling. A garden hose would be overkill.

- 5. Turn the brats every five minutes or so.** Use tongs, never a fork ... EVER! A fork can puncture a link and release that great taste and savory flavor. Tongs keep the links intact, and make 'em easier to turn.
- 6. Know when your brats are done cooking, which is:**
 - a) about 25 to 30 minutes using the above guidelines.
 - b) when they're golden-brown and look appetizing, not charred to a crisp. "Burning" is not "grilling"!
 - c) when a meat thermometer probe inserted into the link reads 160°F. (Of course, a Master Griller would never be seen doing this.)

Gorgonzola Mustard

- 1 tablespoon butter
- 3 garlic cloves, finely minced
- 1 tablespoon coarsely cracked black pepper
- 1 bottle (12 ounces) dark beer
- 4 ounces Gorgonzola cheese, crumbled
- 1 cup stone ground mustard

In skillet, melt butter. Add garlic and sauté over low heat until tender. Add pepper and beer; bring to boil. Reduce heat and gradually add cheese; stirring until melted. Continue to cook and stir until mixture is reduced by 1/3. Remove from heat. Add mustard; stir until blended. Pour into storage container. Refrigerate until ready to serve as a condiment to grilled brats. Yield: 2 cups.

Grilling suggestion: Blend 1 cup Gorgonzola mustard with 1/3 cup dark beer. Use as brushing or basting sauce for brat kabobs, whole brats or vegetables when grilling.

Southern Roadhouse Barbecue Topping

- 3 tablespoons olive oil
- 1 large onion, cut into 1/4-inch slices
- 3 garlic cloves, thinly sliced
- 1 cup barbecue sauce
- 1 cup prepared coleslaw dressing
- 1 package (16 ounces) cabbage slaw

In skillet, heat oil. Sauté onion and garlic until translucent and slightly brown. Remove from heat, cool slightly. In small bowl, combine onion mixture with barbecue sauce and coleslaw dressing. Pour over cabbage slaw and toss lightly to coat. Refrigerate until ready to serve as topping with grilled brats. Yield: about 5 cups.

Sweet and Hot Tropical Salsa for Brats

- 1/2 cup cider or rice vinegar
- 1/2 cup sugar
- 1/4 teaspoon salt
- 2 garlic cloves, finely minced or pressed
- 1 1/2 teaspoons crushed red pepper flakes
- 3/4 cup diced papaya
- 1/2 cup diced sweet onion
- 1/2 cup diced mango
- 1/2 cup unsweetened pineapple tidbits, drained
- 1/2 cup diced sweet red roasted peppers, drained
- 2 green onions, finely sliced
- 1 tablespoon minced fresh cilantro
- 1/2 teaspoon hot pepper sauce
- 1/8 teaspoon Chinese 5 spices

In small saucepan, combine vinegar, sugar and salt; bring to boil. Reduce heat, add garlic and pepper flakes; continue to simmer 1 minute. Remove from heat, cool to room temperature. In bowl, combine remaining ingredients. Pour vinegar mixture over fruit; toss lightly. Refrigerate until ready to serve as condiment to grilled brats. Yield: 3 cups.

Dwyer represents the state well, takes 5th in nationals

BY JUDY HARLOW
Statesman Correspondent

In the last several weeks, Cayden Dwyer has celebrated his eighth birthday, flown in an airplane for the first time and finished fifth in the USA-SA National Snowboarding competition held in Lake Tahoe, NV. Not bad for the second grader from Kewaskum Elementary School who has only been involved in snowboarding for a couple of years.

When asked if he liked flying, Dwyer was quick to respond with a confident "Yep," but the most fun of his trip to California was getting to practice for two days on the North Star Mountain facility

in anticipation of the one-day snowboarding competition.

There were 21 snowboarders in the class for those seven years of age and under, "all boys," according to Dwyer, and concerning the field, he said, "I was the only one" from Wisconsin. Dwyer trained mainly at Sunburst in Kewaskum but competed in events all around the state.

Once again, judging plays a key role in earning points in the five different events that determined the final standings. Those events included slalom, giant slalom, slope style, super pipe and border cross.

Dwyer said there are three judges, and they score each

snow boarder.

Unlike gymnastics and diving, where the maximum number of points given in an event is 10, points are at the discrepancy of the judges. "You can get as much as they give you," Dwyer said, indicating, "I got maybe like one thousand (points)."

Unfortunately he finished just two places from earning a medal. Only the top three received medals, so Dwyer has something to work for next year.

The slope style and super pipe, were his best events according to Dwyer, who explained in the super pipe, a competitor starts at one end of a half-pipe chute and com-

pletes tricks while going back and forth across the icy surface.

A course for slope style racing contains jumps and rails, and going fast is the key to doing well, along with looking stylish in the process.

In an effort to make a re-

turn trip to the nationals, Dwyer plans to work hard on his skateboarding this summer.

"In my driveway, I have rails and jumps and stuff," Dwyer said, and he fully intends to practice on them during the summer break.

Geidel, Nuernberg combine for sizzling 66 in golf opener

BY JUDY HARLOW
Statesman Correspondent

Despite less-than-ideal conditions on Tuesday, April 9, the Kewaskum boys golf team set a pair of records in winning the 13th annual Marshland Invitational for the second year in a row.

Sophomore Ethan Geidel and senior Ryan Nuernberg combined for a record-low, four-under-par 66 in taking the medal for the lowest two-man team in the field of 18, two-man teams.

The tournament was originally scheduled for April 3rd but had to be postponed because of rain and cold weather. Three of the teams which had been invited could not come on the second date, but it probably wouldn't have made any difference because Kewaskum was so dominant in the event.

Scoring the front nine as a best ball and a scramble on the back, the Indians started off the season with a 217 total, another record for the event. Finishing a distant second were Pewaukee and Horicon, which had identical 239s, fol-

lowed by Beaver Dam at 244, Campbellsport in fourth with a 264; and then Laconia at 276. Brown Deer, Slinger and Columbus could not come on April 10th.

"Only two of our players had previously competed in this Horicon meet, yet they showed their mettle in the very demanding weather conditions," coach Glenn Eichstedt said.

Eichstedt said the Geidel-Nuernberg duo started off with a 35 on the front nine and came back with a beautiful four-under 31 on the back. (Because of the conditions, the golfers were allowed to play winter rules through the greens and pick, clean and place on embedded golf balls.) They wound up three shots ahead of the Horicon team of Schmude and Schultz, who posted a 37-32-69.

Third place belonged to the Kewaskum twosome of Casey Scheel and Andy McDonald. The two seniors combined for a two-over-par 72 on nine of 39 and 33.

"All of this helped us win by the largest margin of victory, twenty-two strokes," Eich-

stedt beamed.

The Indians were scheduled to play in the annual Washington County Invitational on Saturday, April 7, but that event was postponed because of cold weather. The 29 teams were scheduled to come back to the Washington County Golf Course at Hartford Friday, April 13, but weather got in the way of the event for a second time this year. Currently no third make-up date has been set.

The Indians opened Eastern Wisconsin Conference play on Monday at Manitowoc Roncalli. Geidel, who earned first-team, all-EWC honors a year ago, is expected to be challenged for medalist honors in the league this season.

Indians finish second and third in early outdoor track test

BY JUDY HARLOW
Statesman Correspondent

The points totals show Kiel won both ends of an Eastern Wisconsin Conference (EWC) track triangular it hosted Tuesday, April 10, but the fact Kiel never has a pole vault competition on its track put the two Kewaskum teams at a bit of a disadvantage.

On the girls' side of the ledger, it was the Raiders scoring 68 points, while the Lady Indians were second with 54.5, and they probably would have scored eight extra points in the vault, traditionally one of their strong events. Sheboygan Falls finished third with 33.5 points.

The Kiel boys were more convincing winners, scoring 81 points, far ahead of Sheboygan Falls, which came in with 54, and the Indians, who were still missing senior Matt Parrent, who is out on a suspension, was third with 38.

"It was very cold up there," KHS coach Jerry Gosa said. Plus the Kiel track is made of asphalt, which is very hard on the legs and especially so near the start of the outdoor season.

The KHS girls came up with five first places, while the Indian boys posted three wins in the event. Catherine Stoffel was a double winner. She won the shot put with a heave of 30 feet, 1 inch (30-1) and the discus with a toss of 100-4.

Kewaskum also did well in the sprint relays, winning the 4x100-meter event with a time of 56.7 seconds (56.7) and the 4x200 in 1:59.8.

The same foursome won both races. Carrying the green and gold colors were Jessi Forbes, Jessie Liniewski, Nichole Kison and Kelly Uelmen.

Uelmen also won the 100 meter dash, completing the event in 12.7.

Other good finishes included the second and third place by Amanda Witek and Liniewski in the high jump. Kiel's Katie Herzog won the event by clearing 5-0, a good effort on a cold night, and Witek wasn't far behind, going 4-10. Liniewski tied for third by making a jump of 4-4.

Heather Schmidt took a third in the long jump (14-0), while Lacy Taylor added second in the shot put (27-6).

"I would say the girls sprint relays and the pole vault should be two of our strong events," Gosa said, expecting his girls would face some stiff competition, including Division 1 teams, at the meet at Memorial.

For the boys, first places were turned in by two of the weightmen and senior Bobby Gibson, the Indians' ace distance runner. Gibson won the 1,600, touring the four laps in a time of 4:53.0. He has been running two and three individual races in the indoor meets, but because of the cold, Gosa

was taking no chances with him in this event.

Senior Logan Staege has been waiting patiently to get outdoors so he could compete in the discus, and for his first outing of the campaign 145-2 is very respectable.

Staege qualified for the Division 2 state meet last year and has his sights on another trip to La Crosse the first weekend in June.

Junior Tyler Swanson took top honors in the shot put with a toss of 43-9, and if he adds another foot to the mark, he could put himself in a position to place in the EW Conference meet on May 15th in New Holstein.

Junior Ben Boettcher did well in the discus Tuesday. His toss of 136-7 gave the Indians second place in the event.

Chad Hackbarth turned in a third in the 100 (12.5), while Dan Dymond took a third in the 200 (25.60), and freshman Zach Herriges had a good outing in the 800, running a 2:19.0, which was good for third.

One of the sprint relays finished second. Staege, Jack Breese, Dymond and Hackbarth combined for a 48.8 in the 4x100 relay.

Parrent was scheduled to be available for Tuesday's triangular at Plymouth and for tomorrow's (Friday) fifth annual Indian Invitational, according to Gosa, who will be happy to have him back in the lineup.

Kison's effort highlights KHS' showing in Crusader outing

As coach Jerry Gosa predicted, there was no shortage of talent at Saturday's 15th annual Crusader Classic Invitational hosted by Waukesha Catholic Memorial High School.

Powerhouses like Waukesha West, Arrowhead, Fond du Lac and a couple of Division 1 Milwaukee teams, competed in the 25-team event.

Waukesha West, scoring in ten events and some of them with more than one place, amassed 108 points to win going away. Arrowhead was a distant second at 69.5 points, while Fond du Lac came in third at 60. Rounding out the top five were Appleton North and Milwaukee King, with 50 and 45 points, respectively, with Milwaukee Vincent finishing sixth with 42 points.

Kewaskum ran well in the two sprint relays, while Nicole Kison did more than hold her own in the long jump. The lanky sophomore jumped 15 feet, 4 inches (15-4) to finish third overall among the 30 jumpers. This gave Kewaskum six of its eight points in the

meet.

The other points came from Lacy Taylor in the discus. Taylor placed seventh in the discus with a toss of 91-1, a very good effort for her.

The Indians would have probably scored more points in the discus if Catherine Stoffel would have been at the meet. Stoffel, the team's No. 1 discus thrower, was taking her ACT test on Saturday.

Both Jess Liniewski and Amanda Witek cleared 4-6 in the high jump, but it took an effort of 4-10 to get a place. The winner, Rocco Pallin of Kenosha Tremper, cleared 5-2, quite impressive for this early in the season.

Both the 4x100 and 4x200 relays just missed scoring points with their ninth places. In the 4x100, Jessi Forbes, Liniewski, Kison and Kelly Uelmen were clocked in 55.03. The same group ran the 4x200, carrying the baton for the two laps in 1:55.09, just .03 out of the eighth spot.

Prior to the meet, Gosa had said strong competition, like the kind they faced Saturday, will only help the Indians when it comes to Division 2 regional and sectional time.

Outdoor Tips & Tricks

by Dave Gowdey

One of the most basic tips for catching bigger fish is to use bigger lures and baits. While there are times when very large fish will take tiny insects and small fish eggs - in general, bigger fish expend more energy when they chase and feed, so they need substantially more calories per mouthful. As a result, the bigger the fish, the bigger the prey it is likely to seek. So if you really want to catch big fish, try using lures and baits at least 25% as long as the fish you hope to catch. You'll likely catch fewer fish, but what you do catch will usually be worth the wait.

When game birds flush and fly, they wash much of the scent from their bodies. This can make it extremely difficult for dogs to locate them when they land. Dogs will often search fruitlessly with their nose for a downed bird that the hunter can see just feet from their nose. Similarly, birds that hunters have seen set down can be difficult for a dog to find because of such

air washing. One tip when dealing with such birds is to wait five or ten minutes after the bird has returned to the ground before letting the dog go and seek them. This pause lets the bird put out scent and often means the difference between a retrieved bird and one lost, or the relocation of a flushed covey.

One of the most comfortable car camping mattresses that I have found is the foam flip chair that you find in many of the large discount stores. These chairs are made of two bigger sections of firm foam about ten inches thick, covered with fabric, and de-

signed so that they fold on top of each other making a seat. Two other small foam sections, one curved and one square, make the chair back when folded up. The chair can be unfolded to make a very comfortable mattress about six and a half feet long. Throw a sleeping bag on top - and you are set for a very comfortable night's sleep.

Mayer's goal gives Indians a win in EWC soccer opener

KHS senior Katie Gaynor, attempts to move the ball down the field past a Two Rivers player at Monday's conference opener at home. The Indians scored a win for the match-up.

BY JUDY HARLOW
Statesman Correspondent

You could see the smile on coach John Berst's face while he was coming off the soccer field Monday afternoon ... then came the thumb's up sign, indicating his Kewaskum High girls soccer team had won its game over visiting Two Rivers. It was the Eastern Wisconsin Conference opener for both squads.

"One-zip us," were Berst's first words. Nicole Meyer scored for us. I'm going to say it was at about fifteen minutes in the first half."

When asked if there was an assist on the play, Berst said, "No, she pretty much did it herself."

Question No. 2 for the coach was whether the Lady Indians had a lot of shots, and he was quick to answer, "Oh gracious yes, Meyer probably had a dozen by herself, and about 10 of them were on goal."

What Berst was pleased

with Monday was, "We moved the ball ... we were more aggressive going after the ball ... and we won the 50-50 balls."

Berst said Lindsay Krautkramer did a nice job, de-

spite the fact she didn't get many shots. "She did a nice job moving the ball, holding the midfield and distributing the ball."

Berst also lauded the play of Katie Gaynor and Jen-

na Buker, who "did a nice job holding the back (together)."

And junior Julie Sargent, a first-year soccer player, played well in goal. "She made some outstanding saves ... at least six," Berst said, indicating there was one occasion when the Raiders had moved to the penalty kick area, and she "dove in to stop it."

With the win, the Indians are 1-0 in the EWC and 1-3 overall. Berst said this year's team has now duplicated last year's conference win total.

"Tonight we brought as much energy as we've had in a year," Berst said. "I was proud of the girls, and it was good to see they were proud of themselves."

On Friday, there was a scheduling mixup, which caused the Indians to have to make two trips to Cedar Grove where the Kewaskum players lost a 5-1 decision.

Because some of the varsity players had family commitments, Berst had to find reserves from the junior varsity players who were already into their practice when he got back to Kewaskum High.

"That kind of set the tone for the evening," Berst said

about the anxiety the girls felt, but, "The good news is we scored a goal. That was by Lindsay Krautkramer in the second half."

"Lindsay did an outstanding job," the coach said, adding Katie Gaynor was "much improved" from the team's first two games and from last year, and Nicole Hesprieh played well, especially distributing the ball.

Another player who drew praise was newcomer Heather Schaller. "She's a good athlete. If she stays with it, she's going to be a good player," the coach said.

Reserve goalie Rachel Gavin was in the nets for KHS and made several stops.

"I was pleased we scored a goal and that the girls started to bring some grit and determination," Berst concluded.

After hosting Campbellsport on Thursday, the Indians travel to Wau-pun Saturday for the Central Wisconsin Christian Tournament.
