Farmington resident hired as new KES principal

By Mitch Maersch
Statesman Correspondent

Jody Heipp now works in the school district in which she lives.

The Town of Farmington resident who worked in Slinger the past nine years has taken over as principal of Kewaskum Elementary School.

"It's just nice to be back home and more involved in the community and part of this district," Heipp said.

Though it was hard to leave Slinger after nearly a decade, Heipp said it was easy to come to Kewaskum.

"They're just doing so many great things here. It's a great community. I just love the community and school partnership they have," she said. "Everybody's been just so welcoming." Heipp said she was impressed with the school's curriculum and standards-based report cards at the elementary level. She liked the parent and community partnership and how involved the community is with the schools.

Heipp had been associate principal of Slinger Elementary School and its summer school director. Slinger Elementary has about 550 students, about 50 more than the growing KES, so she is familiar with large elementary schools.

"It is a bigger school but we all work together so well and we're all here for the kids," Heipp said.

The two districts and communities are similar in size and in their involvement in their schools.

"It's nice to be again in the small community where you feel like you're more at home," Heipp said.

Heipp earned bachelor's degrees in elementary and special education from the University of Wisconsin-Oshkosh. She holds a master's degree in educational leadership and policy analysis from the UW-Madison and a master's degree in special education from UW-Oshkosh.

Heipp began her career by teaching special education for 18

Please see **New principal** page 3

Kewaskum A's head to Championship

KEWASKUM- The Kewaskum A's wrapped up a spot in the Rock River Grand Championship as they knocked off the Clyman Cannery again on Sunday by a score of 7-5. Jake Spaeth provided the late inning heroics as his solo homer in the top of the ninth broke a 5-5 tie and propelled the A's to the victory. Jake Panzer closed out Clyman in the ninth on the mound as the A's advanced to their first Grand Championship since 1997.

The A's found themselves down early in this one though, as Clyman raced ahead to a 3-0 lead after three innings. The A's finally got things going in the fourth inning when Austin Sarauer and Dan Shea led off the inning with back-to-back singles. After a strikeout, Adam Sarauer walked to load the bases for Matt Bromley. Bromley proceeded to get the A's on the board when he was hit by a pitch to make it 3-1. Ty Schill then came through with a bases clearing double to give the A's their first lead at 4-3. Schill would eventually come around

to score on a balk to make it 5-3 Kewaskum.

Clyman, with their season on the line, would not go quietly as they tied the game in the fifth with a two-out 2 RBI single to make the score 5-5. The game remained knotted until the ninth when Spaeth broke the tie with his homer to right center. Jason Strobel gave the A's an insurance run with a sacrifice fly later in the inning to make it 7-5. Winning pitcher, Panzer, was able to work around a leadoff single in the 9th to preserve the win for the A's.

The A's will now play Rubicon Saturday at Kiwanis Park in Kewaskum (1:30 p.m.) in what amounts to a best of three series for the Rock River Championship. On Sunday, the A's will then travel to Rubicon (1:30 p.m.) for game two. If the teams split the first two games, the A's will host the deciding game in Kewaskum on Saturday, September 10th.

A's top Clyman 6-2 in Rock River Playoffs

The A's used a five run first inning

and another solid performance on the mound from Jim Ziegler to knock off the Clyman Cannery 6-2 in a Rock River playoff game Saturday afternoon.

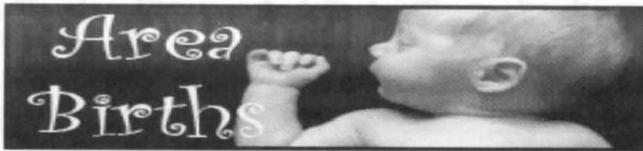

Clyman quickly got on the board, as they plated a run in the top of the first, without the benefit of a hit to go up 1-0. The A's wasted little time responding back though as Kurt Zagzebski tied the game up with a RBI double. Shea followed with a RBI single of his own and Strobel kept the hit parade going with a 2 RBI double. Adam Sarauer capped the first inning scoring with a RBI single to make it 5-1 A's after one complete inning.

The A's tacked on one more run in the second on a Kurt Zagzebski RBI single to go up 6-1, but could not push across another run the rest of the way. This was enough for Ziegler on the mound as he picked up the complete win. He allowed two runs on just 4 hits and 4 strikeouts on the day. Shea 3x5 (RBI) and Zagzebski 2x5 (2B, 2 RBI's) paced the A's offensively.

Washington County's Most Wanted

The Washington County Sheriff's Department is seeking:

Name: Matthew Simon Solchenberger
Age: 21
Race: White
Sex: Male
Height: 5'11"
Weight: 145
Hair: Brown
Eyes: Brown
Last known address: West Bend
Warrant Entry Date: 9-21-2009

Wanted for Burglary

Anyone with information on this person's whereabouts should call the Washington County Sheriff's Department at 262-335-4411 or Washington County Law Enforcement Tip Line at 800-232-0594. Resident should not attempt to apprehend this suspect.

Local parishes and agencies receive funds from Catholic Knights

Left to right: Roman Puestow, John Beisber, Christina Spindler, Tom Begerund, Shawn Roberts, Ralph Beine, Mary Abel, and Don Zerfas

Of all the principles the Knights hold dear, charity is foremost. The monies collected during their annual campaign for people with intellectual disabilities (the Tootsie Roll Drive of April 8-10) are used exclusively for those with intellectual and developmental disabilities.

At their general membership meeting on August 7, they distributed that money to representatives of surrounding parishes and two Washington County agencies who provide direct services for those with special needs: Mary Abel (Director/Religious Education Program/St. Mary's Immaculate Conception - Barton), Shawn Roberts (Secretary/ Holy Trinity School - Kewaskum), Christina Spindler (Director/The Journey Program at both Holy Angels and St. Frances Cabrini), John Beisber (President/ARC of Washington County) and Tom Bergerud (Director/The Threshold). Each of the five recipients made a brief presentation on how the donations are used in their respective programs/agencies. The following is a "snapshot" of their presentation.

Schools/Religious Education: St. Mary's and Holy Trinity rely on the donation to help them provide services for their special needs students in the classroom - services that they would, otherwise, be unable to provide. In addition to helping defray the costs of attendance at workshops devoted to meeting the needs of the emotionally disturbed, the funds enable them to purchase educational materials specifically tailored to special needs students. The Journey Program, on the other hand, is not set in the usual classroom setting but rather a more natural and calming home-like environment. Formerly known as "SPRED", the Journey is a religious development program specifically designed to meet the spiritual and

sacramental needs of children, teens, and adults with developmental disabilities and learning problems. There are currently 25 individuals in the program.

County programs: ARC stands for Advocating Rights for Citizens with Disabilities. Organized in 1950, ARC of Washington County is the parent group of Threshold Incorporated. ARC maintains two group homes in West Bend and remains committed to making the rights and opportunities of people with intellectual and developmental disabilities equal to those without disabilities. It provides those in its care the opportunity to choose and realize their goals of where and how they learn, work and play. (The Threshold) Serving our community for 48 years, the Threshold creates opportunity for individuals with disabilities

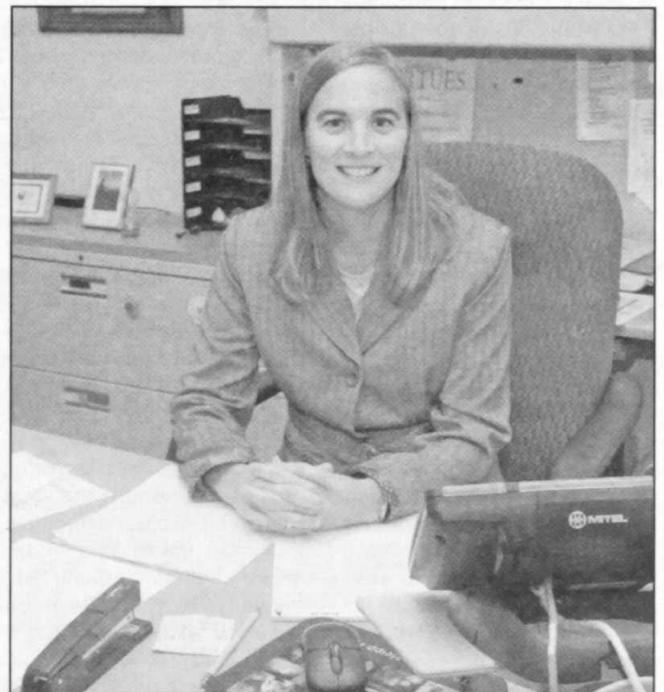

to live fulfilling lives. To this end, it provides specialized services such as community and organizational employment, adult day services which build independence and self-esteem along with opportunities to earn a paycheck, early intervention services for children under the age of three and many more services.

Correction

In last week's edition of The Statesman the article on page 3 in regards to the annual meeting incorrectly stated in the heading that the mill rate was to rise for the first time in five years. This was incorrect as the rate was projected to fall for the first time in five years.

Continued from page 1

New principal

New Kewaskum Elementary School principal Jody Heipp.

Statesman photo: Andrew Kuehl

months in Oshkosh. The West Bend native wanted to be closer to home so she came to Slinger, where she taught special education and third grade before going back to school and getting into administration.

This is her first head principal job.

"I think it's such an honor and a privilege to be in that role and motivate the staff and the students and just go in the direction that we're here for the kids and help them learn and be successful lifelong learners," she said. "It's just a very neat role. I'm just very excited to be here at KES."

Heipp said she brings with her a few attributes to keep KES on the right track.

"I come with experience working with increasing student achievement - always

looking to be a lifelong learner, always room for improvement, always looking to grow as a staff and better ourselves and increase learning for our students," she said.

Heipp is a 1996 graduate of West Bend West and married to a '96 East graduate, Cory. The couple have two children, 7 and 5, who will now attend Kewaskum schools as Heipp will take them with her to work.

In spare time, Heipp likes to ride ATVs up north, garden and run.

"I just love being outdoors," she said.

Heipp replaces Darcy Budnik, who moved to director of curriculum after one year at KES. Heipp will receive \$81,458 in 2011-12. She does not have any duties other than principal.

It is our great pleasure to announce the addition of Dr. Margaret Wright-Waldschmidt to our staff. Dr. Wright-Waldschmidt is a graduate of the University of Wisconsin School of Veterinary Medicine and has completed intensive internship at two companion animal referral practices in the west Chicago area. Meg has a particular interest in neurology and has participated in neurologic research.

To the Editor:

Stand up and cheer Kewaskum! Hats off to the Kewaskum Theatre Company and Kewaskum Area Arts Council for their production of "Annie." Truly, the production, staff, cast of characters, pit band and anyone else connected with this performance deserve a remarkable review. I attended opening night and was in awe of the entire performance. You all should be so proud to have outperformed the Fireside. Looking forward to your next one.

Charleen Barutha

To the Editor:

With the upcoming Labor Day weekend I urge all to reflect on the importance of the Union Labor movement that made this holiday important.

Labor day goes back to 1882 with the Central Labor Union of New York. The union labor movement has benefitted everyone in this country regardless if you work for a union or not. I wish everyone would go back to the history books [perhaps your local library] and remember all of the positive issues that were created by the organized labor movement, but it is also important to remember that none of this would have been possible if it wasn't for the political leadership to make it possible! So in that regard it really wasn't the unions that gave you the weekends, safe working conditions 8 hr. workdays, child labor laws, etc. etc. It was the understanding, caring political leaders!

There are many now that would say; unions were important then but not now. I simply disagree. Consider this; out of the 3 million tax filers in this State about 53% have earnings of 30k and less or approximately 1.6 million people! Many more are without health ins. or if any very little coverage. Add onto that the fact that last yr. corporations nationwide had the highest

earnings ever in the history of this country. CEO pay is now about 4 to 500 times workers pay. Hard to believe people like Limbaugh and Charlie Sykes and Mark Belling are calling someone earning 50k as a union worker "greedy", when Sykes earns about a million a yr. and Belling 2 million a yr. and Limbaugh many millions. Does anyone else find that just a little hypocritical? At one time in our country's history approximately 33% of ALL American workers were in organized labor, now only about 12% total and declining! There are certain politicians that wish to change many labor laws that have been on the books for many decades including lowering minimum wage and rolling back child labor laws amongst others. People like Michelle Bachman and Rick Perry are some of those. For some small business people unions become a scary word, but I know quite a few small businesses that employ highly skilled union workers and are quite successful!

I am not suggesting that all businesses should have organized labor, but at least show some respect for those members of our community that are union members and thank them for the sacrifices

they have made that benefit all of us!

Vance Reif
Kewaskum

To the Editor, the Community, and those in attendance at the Annual School Board Meeting:

What a great turnout at the Annual Board Meeting on Monday, August 22! The participant interaction was impressive! What at first appeared to be a quick approval of the motion regarding "board salary," turned into a healthy discussion (with many questions asked) before the final vote occurred. During this particular discussion I misspoke. I concurred with Mr. Braidigan (Board President) that board members had few absences. We were both wrong. When I was perusing board minutes on another matter, my recollection of absences seemed appropriate at the time. In recounting those absences for the past 3 1/2 years, there was a total of 35. Mr. Braidigan stated he guessed "there were less than 10 meetings missed in the last 5 years." Just wanted to make that clarification.

Mr. Ramthun (board member) was a great Chairperson. His positive attitude

made the audience feel comfortable with the questions they asked, and he also gave them every opportunity to fully explain themselves.

What I gleaned from the fact that the majority in attendance voted not to adjourn early was: there are a lot of people in the community (including board members) - who have a lot of questions - that need a lot of answers! To ignore these questions, won't make them go away. I realize participants at regular school board meetings have the opportunity to ask questions. However, with only 3+ minutes given each participant, this is hardly enough time for effective communication regarding queries that affect a lot of people!

I think in the near future other forms of communication have to be initiated between administration, the school board, and the community. Perhaps Mr. Hanson's (school board member) suggestion at the annual meeting for "listening sessions," could be the answer!

I urge members of the community, if you haven't already attended a school board meeting, try doing so in the future.

Respectfully submitted,
Grace Mueller

Serigraph gains flexibility through move to Green Tier's Tier 2

DNR Secretary Cathy Stepp presents the Green Tier Program Tier 2 certificate to Sean Torinus, Serigraph CEO.

Photo by: Peter Nelson

WEST BEND - Serigraph Inc. gained regulatory flexibility today in exchange for a commitment to superior environmental performance. At a ceremony at its West Bend headquarters, Serigraph and Wisconsin Department of Natural Resources officials signed a Green Tier Contract.

This contract allows for a special type of permit - one that covers the whole facility, rather than separate permits for each line. This Plantwide Applicable Limit (PAL) allows Serigraph to make changes within its participating facilities without having to get new permits. They will be able to more quickly retool and reconfigure for specific jobs. The contract also provides for significantly streamlined reporting.

"Serigraph continues to demonstrate their environmental, economic and community leadership," said DNR Secretary Cathy Stepp. "This contract is a clear indication of our commitment to secure superior performance and assist our businesses."

Serigraph is a full-service printing, molding and custom graphics company that specializes in decorative, functional, and brand identity solutions for customers in appliance, automotive, consumer, medical, electronics, industrial and point-of-purchase markets. Serigraph has been a Green Tier participant at the Tier 1 level for five years.

In that time Serigraph has made significant environmental strides. It has reduced energy consumption from 18 million kilowatt hours to 14 million kilowatt hours. It has reduced hazardous waste by more than two-thirds - going from over 77 thousand pounds to just over 23 thousand pounds of hazardous waste. And Serigraph has achieved a 25 percent reduction in Volatile Organic Compound (VOC) emissions and a 32 percent reduction in haz-

ardous air pollutants.

"This Tier 2 contract proves that the environment and the economy can move forward together. The environmental wins because we have agreed to ambitious emission reductions, and the economy wins because the company will be subjected to less micro-regulation," said Sean Torinus, Serigraph CEO.

Serigraph will maintain their ongoing support of natural habitat at their plant site for carbon sequestration and sustainable land management. Serigraph will continue to explore ways to reduce emissions by using more aqueous-based products and processes. They will also strive to create less waste, consume less en-

ergy and conserve more water. Serigraph has maintained an effective environmental management system (EMS) and is certified under the international standard for environmental management systems.

As a Tier 2 participant, Serigraph will also routinely engage their stakeholders. Stakeholders will include neighbors, employees, customers and suppliers. Their efforts will be designed to gain insights that could help improve environmental and economic performance and assure transparency for their work as a part of the Green Tier program.

Green Tier was signed into law in 2004 to encourage a collaborative approach to en-

vironmental performance between the DNR and Wisconsin businesses, local governments and other organizations. As part of Green Tier, participants voluntarily commit to reducing their environmental footprint by developing proactive management strategies. These plans act as a roadmap, presenting organizations the opportunity to adopt new technologies and practices to continually improve their environmental performance.

In exchange for a commitment to superior environmental performance, the department can grant benefits to

participants including a single point of contact with the department for easier communications, the use of the Green Tier logo in marketing, and annual public recognition of participation. Tier 2 participants may also negotiate regulatory flexibility proportional to their environmental commitments.

For more information on Green Tier and Serigraph's involvement, visit DNR's Green Tier web page at <http://dnr.wi.gov/org/caer/cea/environmental/participants/serigraph/index.htm>

Cedar Ridge, part of a continuum of care, is home base for independent men and women age 55 and better.

Magnificent Birds of Prey Sept. 8

The Evening with Nature Series at the Kettle Moraine State Forest - Northern Unit begins the season with the program, "Magnificent Birds of Prey." The program will be held on Thursday, September 8, from 7:00 p.m. to 8:30 p.m. at the Henry S. Reuss Ice Age Visitor Center. The Ice Age Visitor Center is located off Hwy 67 half mile west of Dundee. The program is free, but donations are always gratefully accepted.

On a warm day, you observe a large bird soaring and climbing ever higher into the sky and you wonder what bird

it could be. It just might be one of the birds of prey doing some patrolling for prey. Thanks to these amazing sky hunters, rodent and other small mammal populations are kept in check and thus from eating too much grain meant for human consumption.

Join Barb Harvey, a long-time raptor rehabilitator, as she introduces us to buteos, accipiters, falcons, owls and vultures, which are all considered birds of prey. She will be bringing several live birds for you to meet and to examine

close up. She will also share insights into how these incredible sky hunters do their jobs, what their habitat needs are and what threatens their survival. It's sure to be a fascinating evening of discovery about Wisconsin's incredible feathered hunters.

For further information or directions, contact forest staff at the Ice Age Visitor Center. The center's phone number is 920-533-8322 and is open Monday through Friday from 8:30 a.m. to 4:00 p.m., and on Saturday and Sunday from 9:30 a.m. to 5:00 p.m.

Kewaskum Juniors to Host Chicken Barbeque Sept. 18

Members of the Kewaskum Junior Woman's Club are hosting their fall fundraising chicken barbeque dinner in conjunction with Grand Larsonry's Car Show Benefit on Sunday, September 18. Dinners will be served beginning at 2:30 p.m. at the Kewaskum Annex Building at 1308 Fond du Lac Avenue in Kewaskum. The dinner will include chicken, coleslaw, corn, potatoes, dessert and beverage.

The chicken will be slowly

grilled rotisserie style by Sunset Valley Farm Store of Milwaukee.

Advance tickets for \$9 are available in Kewaskum at Heriges Oil, The Candy Tree and Hair on Main or from any Junior member. On the day of the dinner, tickets can be purchased for \$10.

Funds raised from the dinner will be used to fund high school scholarships and community benefiting projects. Why cook? Join us for a great meal on September 18!

Fearless on September 11

Fear seems to be everywhere. Each morning seems to bring new reasons for it - the struggling economy, concerns over what will happen to our children, terror in the Middle East, the 10th anniversary of 9/11. How can we deal with fear, not so that we will fear less but that we can be fearless?

This will be the subject of a 6 week series at Campbellsport Alliance Church on Sunday mornings at 9:30am beginning September 11. Topics include: why we are afraid, fear of not mattering, fear of disappointing God, fear of global

calamity and fear of life's final moments.

Also on the first day of the series (September 11) a prayer service for our country will be held at 11am. Time will be devoted to remembering the lost and fallen. There will also be opportunity to celebrate the heroes of 9/11 along with honoring those who serve our country in the armed forces as well as police and fire departments. All are invited to come and share in this time.

Campbellsport Alliance Church is located at N1876 Highway V. For more infor-

mation about the "Fearless" series or the 9/11 prayer service, please call the church at 533-5123.

Free Prostate Cancer Screenings

Tuesday, Sept. 20, 5-8 p.m.
West Bend Clinic
1700 W. Paradise Drive

Annual screenings recommended for men over age 50, and starting at age 45 for men with a family history of prostate cancer. This free screening includes a health questionnaire, PSA blood test and a digital rectal exam (DRE) by a Froedtert Health Medical Group physician or nurse practitioner. Participants must not have had a PSA or DRE within the past year and must be in good health. A limited number of appointments are available.

To schedule your free screening, call 262-836-6200.

Early Farm Days September 11

As all of us are aware, Sunday, September 11, 2011 is the 10th anniversary of Ground Zero. In honor of those who have sacrificed and lost their lives for our country, The Kewaskum American Legion Post 384, The Kewaskum Chamber of Commerce and The Kewaskum Historical Society Inc., will be hosting a parade. The parade will begin at the Kewaskum Fire Department and end at the east side of River Hill Park. The parade will conclude with a traditional Honor Ceremony. If you are interested in participating in the parade visit www.kewaskum.org for forms.

A day long event is also planned at the parade's

end along both sides of the Milwaukee River. The Kewaskum Historical Society Inc. will be hosting their 37th Annual Early Farm Days Show from 10 a.m. - 4 p.m. Numerous activities are planned throughout the day. Homebaked pies, grilled burgers, brats, hot dogs and beverages will be on sale. The Society will provide, along with Kettle Moraine Carriages, free horse drawn shuttles to and from both sides of River Hill Park along the Milwaukee River.

On the east side of River Hill Park, the Kewaskum Chamber of Commerce will host "Fall Into Kewaskum." A picnic themed day-long event will be held from 10 a.m. - 7 p.m. featuring music,

contests, food by the American Legion and beverages by The Chamber.

For more information or to register to be an exhibitor at Early Farm Days, call (262) 626-4273.

Young at Heart Social Club to meet

The Young at Heart Social Club will meet Thursday, September 8 at St. Francis Cabrini Church Hall, 1025 S. 7th Avenue, West Bend from 10:30 a.m. - 2 p.m.

Young at Heart is a non-profit organization consisting of seniors 55 and older, of all denominations and residents of Washington County. They meet nine times a year on the second Thursday of the month for the months of September through May. Each time there is a full buffet with dessert.

This month the group will be playing bingo. Each person attending is asked to bring a prize for the game. Door prizes will be awarded. Cards are played before lunch.

The new vice president is JoAnn Fahey and Tina Meyer is treasurer.

For more information, contact Rita Etta, secretary, at (262) 626-4701 or president, Helen Yogerst at (262) 334-5426. Membership is still only \$10 per person. Meals are \$8.50.

KPL to host movie: Green Fire: Aldo Leopold and a Land Ethic for our Time

The Kewaskum Public Library is sponsoring a FREE film on Tuesday, September 13 at 6pm at the Kewaskum Theatre. See the first full-length, high-definition documentary film ever made about legendary conservationist Aldo Leopold and his environmental legacy!

Known for his collection of essays "A Sand County Almanac," about a year on his farm in central Wisconsin, Leopold lived a life committed to conservation. Green Fire shares highlights from his extraordi-

nary career, explaining how he shaped conservation and the modern environmental movement. It also illustrates how Leopold's vision of a community that cares about both people and land continues to inform and inspire people across the country and around the world, highlighting modern projects that put Leopold's land ethic in action in a multitude of ways. This film is FREE and open to the public. Please call the library for more information at 626-4312.

Community Events

THURSDAYS - KEWASKUM FARMER'S MARKET - every Thursday from 8 a.m. until noon at the American Legion Post 384 parking lot at 1538 Fond du Lac Ave. Farm fresh fruits and vegetables and homemade foods.

SUNDAYS - DUNDEE FARMER'S MARKET - 9 a.m. - 1 p.m. in Sportman's Park, Hwy. 67, Dundee. Contact Tandra at (920)528-8773 for information.

SEPTEMBER 2 - JOURNEY INTO DARKNESS NIGHT HIKE - 8:00 pm - 9:45 pm, Mauthe Lake Recreation Area Picnic Shelter. As the sun sets and the light fades from the sky, the day animals retire and a new group of animals awakens. We will explore the world of the crepuscular (active at dusk and dawn) and nocturnal (active at night) animals. Bring your bug spray and sense of adventure. The theme for this hike is night lights. This night hike is best for families/groups with children at least five years old.

SEPTEMBER 3 - SATURDAY MORNING NATURE SLEUTHS - 10:00 am - 11:00 am, Picnic Shelters at Mauthe Lake Recreation Area and Long Lake Recreation Area. Calling all youth to unravel some mysteries of nature by participating in the Wisconsin Explorers program! The program involves completing a required number of engaging nature activities in one of three age appropriate books (ages 3-5; ages 6-8; and ages 9+) to earn a very cool patch. Get expert help from a naturalist who will work with youth on activities from one of the first four topic areas of the books.

SEPTEMBER 3 & 4 - GET OUTDOORS! FAMILY PLAY DAY - 1:00 pm - 4:00, Sept. 3, Mauthe Lake Recreation Area Beach and Sept. 4, 12:00 pm - 3:00 pm, Long Lake Recreation Area South Beach. Bring the whole family for an afternoon of nature and outdoor fun! Try your hand at tracking animals, honing your fishing skills, taking the eco-explorer challenge, matching young critters with their parents, and creating original nature art. Everyone is invited to drop in for a few minutes or more than an hour. Adults are encouraged to participate with their children.

SEPTEMBER 9 - BATAVIA FIRE DEPT. YOUTH DANCE - 7-9:30 p.m. at the Town of Scott Community Center. Dance every second Friday of the month. For more information contact Angie at (920) 994-4652.

SEPTEMBER 10 - KIWANIS CLUB OF KEWASKUM TURKEY SHOOT - New Fane Sportsman's Club, 10 a.m. - 4 p.m.

SEPTEMBER 11 - EARLY FARM DAYS - 10 a.m. - 4 p.m. next to The Museum and Log Cabin, 1202 Parkview Dr., Kewaskum. Entertainment, food & refreshments.

SEPTEMBER 11 - PARADE & FALL INTO KEWASKUM - Parade in honor of Patriot Day with family picnic to follow in River Hill Park. Food, vendor and entertainment.

SEPTEMBER 17 - SPORTING CLAYS - Saukville Gun Club. Money raised will go toward the purchase of a new trailer for Boy Scout Troop 842. Shooting hours are 9 a.m. - 3 p.m. Contact Rick at 262-376-3335 or register online at www.troop842grifton.com/sporting-clayevent.html.

SEPTEMBER 24 - TAPAS, TANGO & TEQUILA - Fundraising event for Casa Guadalupe at the Prairie Center at West Bend Mutual Insurance Company. Tickets are \$60 and available at www.casaquadalpeonline.org or by calling (262) 306-2900.

Sunday Chicken Dinner with all the trimmings

September 11, 11 a.m. - 2 p.m.

Adults - \$10; Kids 4-8 - \$4.50; Under 3 Free; Take out 25¢ extra

Reservations appreciated. Please call (920)269-4433 or (920) 269-7383

Moraine Park students benefit from study abroad experiences

Moraine Park and German students enjoy their time in Heidelberg, Germany.

When Ben Christian graduated from Moraine Park Technical College in May, he walked across the stage with a diploma in one hand and global knowledge of world cultures in the other.

Before attending Moraine Park, Christian, a recent Culinary Arts alumnus from Fond du Lac, had little experience abroad, "I had only traveled to Canada," said Christian.

Through Moraine Park, he had the opportunity to visit Germany, Holland, France, Italy and Sweden. Christian spent one full week in Imperia, Italy, and Berlin and Darmstadt, Germany. "The trips have been greatly entertaining and educational," Christian said.

At Moraine Park, trips to England are offered, the next of which is taking place March 2012, led by Ron Campopiano, social science instructor at Moraine Park. The England trip is currently open for enrollment and open to alumni, community members, staff and students. The week-long overseas adventure includes field trips to area businesses related to each student's program of study and tours of cultural points of interest, famous landmarks and other popular destinations.

In March 2011, a group of 12 traveled to London. Jessica Schellpfeffer, a Corrections student from Mayville, said she gained a new cultural perspective from the trip.

"This was a life-changing experience, and I am glad that I participated in the trip. I was half-way across the world and had the opportunity to adapt to a new culture. This is something that I will never forget," said Schellpfeffer.

"I've always wanted to travel to London, so being able to go there and experience

their culture along with learning about how their criminal justice system works was amazing. It was a ton of fun, and I'm hoping to go back as soon as possible," said Zach Bohlman of Mayville, a Corrections student.

In the winter and summer, Moraine Park students have access to a study intensive offered in Mexico, where students live with a local family to hone in on their Spanish-speaking skills.

Caron Daugherty, Moraine Park Dean of general and international education, said staying with host families allows students to be submerged in local culture when they travel. She explained, "The students experience culture in an authentic environment by staying with the families and learning their daily routines."

"The most extensive visits have been where we stay with our hosts for one week," Christian added.

In September, Moraine Park hosts students from Germany and, in May, Moraine Park students travel to Germany as part of an ongoing exchange that has existed since 2002 between Moraine Park and the Friedrich List and Peter Behrens vocational schools in Darmstadt, Germany.

Moraine Park culinary arts students, including Christian, recently returned from their travels to Germany. During the trip, Christian used his culinary knowledge from Moraine Park on three separate occasions. "I was invited to parties in Germany with my host and acted as the cook — people like it when you feed them," said Christian. "I was able to transfer what I learned at Moraine Park 6,000 miles away. Even with different languages for the ingredients, I was still able to provide a service to these people."

A new abroad opportunity will be added to the global mix of London, Mexico and Europe in the summer of 2012. In July, Moraine Park manufacturing technology faculty members Larry Clark and Kim Olsen traveled to Hong Kong to solidify relationships Moraine Park started a few years ago with manufacturing contacts. By June of 2012, students will have access to this trip to learn about manufacturing on a global scale.

"I think that students must, must travel. It opens you up to some very cool personal and professional realizations," said Christian. "I realized that with the degree I attained at Moraine Park, I could pretty much travel anywhere and, with a little networking, have a job."

Christian is enrolled in the University of Wisconsin-Milwaukee's Psychology program and will also be studying German. With his global network underway, Christian already has a competitive advantage.

"The true lesson is when students return to the U.S.," said Daugherty. "Students appreciate the access to opportunities and are able to recognize these opportunities from a new perspective."

"It is a cool feeling to know that the world is not as big as we always make it seem," said Christian.

To read more on Christian's trip and other study abroad experiences, check out Moraine Park's International Education blog at morainepark.edu/stayconnected. For more information on Moraine Park's study abroad opportunities, visit morainepark.edu/programs-and-courses/study-abroad, or call the International Education office at 920-926-3163.

Register Now for Oct. ACT®

Registration is now open for the October 22, 2011 ACT achievement test. Students who wish to take the college admission and placement exam must register before September 16, 2011.

The ACT is a curriculum-based achievement exam. It tests what students have actually learned in school, not their aptitude for learning. The ACT also measures what students need to know to be ready for first year credit-bearing college courses based on ACT College Readiness Standards™. Every student's results can be tied directly to these consistent standards.

The ACT has four sections—English, mathematics, reading and science—and takes about three hours to complete. Students who take the ACT Plus Writing complete an optional writing test that requires an additional 30 minutes. Unlike other exams, students are not penalized for guessing or answering all the questions on each test section. In fact, it is beneficial for test takers to answer all questions within the time allowed.

During registration, students may select up to four universities to receive their score reports. ACT scores are accepted by all four-year colleges and universities across the United States. ACT reports scores only

when requested to do so by the student. Additional score reports are available for a small fee.

All students complete a detailed inventory of questions during ACT registration. Each test taker receives an ACT score report that includes a wide variety of information to assist with high school course selection, college readiness, career planning, and college admissions.

The cost for the ACT test without writing is \$34. When combined with the optional ACT Writing Test, the total cost is \$49.50. Students who qualify may apply for a fee waiver through their high school counselor.

The ACT website, www.actstudent.org, has helpful information, free sample items, and inexpensive test prep materials to help students prepare for the exam. However, the best preparation is to take rigorous core courses in school, study hard, and learn the academic skills needed for college.

Most students register online at www.actstudent.org. Students may also pick up registration forms from their high school counseling offices. Late registration is available until September 30, 2011 for an extra \$21 fee.

SEND THEM TO COLLEGE WITH A SUBSCRIPTION FROM THEIR HOMETOWN PAPER.

When they leave for college this term, let them be on their way with a weekly letter from home!

A subscription to The Statesman will keep them informed of everything that is happening in the community, while they are away!

Fall classes begin Sept. 6, 2011

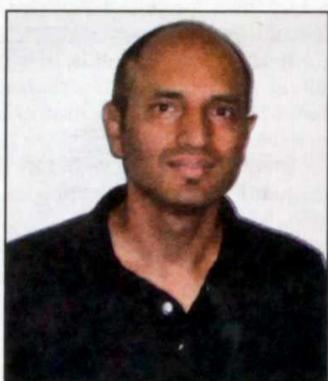

New faculty and staff announced at UW-WC

Dr. Sally Cayan

Eric Harding

Dr. Mohan Thapa

Dr. Tricia Wessel-Blaski

A new Assistant Dean for Student Services, Associate Academic Librarian and a mental health counselor as well as two new tenure track faculty and five new lecturers have been added at UW-Washington County for the fall semester, which begins Tuesday, September 6.

Dr. Sally Cayan served as the Vice President of Student Affairs at MacMurray College in Jacksonville, Illinois, prior to joining the UW-WC campus on August 1. Dr. Cayan earned her doctorate in education policy and administration at the University of Minnesota in Minneapolis.

She received her master's in college student personnel at Western Illinois University, Malcomb and her undergraduate work was completed at The University of Wisconsin, Green Bay. As Assistant Dean for Student Services, Dr. Cayan will manage the Student Services office which provides academic and career advising services for over 1,100 students who attend the West Bend campus.

Eric Harding is the new Associate Academic Librarian at UW-WC. A graduate of St. Norbert College and UW-Madison's MLS (Master of Arts, Library and Information Studies) program, Harding had served as the Associate Academic Librarian at UW-Barron County since September 2010.

Dr. Inosencia Amarante is the new mental health counselor on campus. Amarante holds a Ph.D. in psychology and is a

licensed professional counselor. She has worked in higher education for seven years as a hall director and has experience in presenting trainings on college campuses throughout the U.S.

Dr. Mohan Thapa is the new Assistant Professor of Mathematics. He completed a Ph.D. in Computational Mathematics at Northern Illinois University, DeKalb. His undergraduate work was completed at Goshen College, Indiana. Thapa's most recent teaching experience was at UW-Rock County in Janesville where he taught Elementary Algebra, College Algebra, Trigonometry and Engineering Fundamentals.

Dr. Tricia Wessel-Blaski is the new Assistant Professor of Psychology. Wessel-Blaski earned her Ph.D. in Developmental Psychology from The University of Alabama at Birmingham and her M.A. in Clinical Psychology from The University of Minnesota in Mankato. Since 2001, she has taught Psychology courses at UW-Waukesha. Prior adjunct lecturing experience has included Marquette University, Carroll College and University Lake High School.

Gregory Canard will be teaching Chemistry and Society this fall. A course for non-science majors, CHE 123 covers basic chemistry concepts in a social context (including explorations of how chemistry impacts the environment, etc.) Canard holds a MS in Organic Chemistry from the University

of Illinois, Urbana and a MS in Business Administration from Marquette University.

As a Product Development Manager at Serigraph, Canard is able to bring practical experience to the classroom.

John Howard will be working as a lab instructor for Zoology 101: Animal Biology. Howard, who taught science classes at Vincent High School in Milwaukee for 28 years, completed his undergraduate work at Michigan State University in Natural Resources and Environmental Science and a master's degree at UW-Milwaukee in Curriculum and Instruction.

Dr. Gordon McConnell

completed a master's degree in English and a Ph.D. in British Literature from Marquette University. McConnell will be teaching English 098 as well as English 101 this fall.

Prior to joining the staff at UW-WC, McConnell taught full time at Oklahoma State University.

Dr. Tate Wilson will be teaching Physics and Astronomy classes this fall at UW-WC. Wilson completed both his Ph.D. and undergraduate degree in Physics from the University of Washington, Seattle. Wilson teaching experience includes working as a teaching assistant and tutor at the

University of Washington for six years. Wilson will be teaching Astronomy 105: the Solar System, Physics 110, Physics for the Health Sciences and Physics 201 University Physics.

Christopher Yogerst will be teaching Communications 201: Introduction to Mass Communication.

Yogerst received a M.A. degree in Critical Studies in Film and Television from Regent University in Virginia Beach and a B.A. degree in Film Studies from UW-Milwaukee. In addition to teaching at UW-WC, Yogerst is pursuing a Ph.D. in Regent's Communications program, with a focus on rhetoric and film.

UW-Washington County has 25 faculty members and 32 lecturers. Over 95% of the tenured faculty members have a doctorate or terminal degree in their field of study. With a growing curriculum, small classes and dedicated faculty, students are provided with a high quality education at the lowest cost in the UW System. For more information about UW-Washington County, visit the website at www.washington.uwc.edu or phone 262-335-5201 to set up an appointment with an advisor in Student Services.

ELEANOR M. ENRIGHT

Eleanor M. Enright, 94, of Random Lake, passed away on Monday, August 29, 2011, in hospice care at St. Mary's Hospital Ozaukee in Mequon.

She was born on June 6, 1917, in the town of West Bend, the daughter of the late Edward and Caroline (Wagner) Bohn. Eleanor was a 1935 graduate of West Bend High School, and on May 10, 1941, she was united in marriage to Merlin Enright at St. John of God Catholic Church in the town of Farmington.

The couple farmed in the town of Farmington and later in the town of Sherman until retiring in June of 1977. Merlin preceded Eleanor in death on November 21, 2010.

Eleanor was a member of Our Lady of the Lakes Catholic Parish in Random Lake and Our Lady of the Lakes Christian Women Society. She enjoyed playing cards with her family and also in her card clubs. She often played bingo at Oneida, the Moose Hall and in Kewaskum. The people that were lucky enough to know Eleanor became better people because of that. She was a wonderful person and our memories of her will never be forgotten.

Those Eleanor leaves behind to cherish her memory include five children, William "Bill" Enright and Kathleen (John) Schairer, both of Kewaskum, Ann (Harold) Schnorenberg of West Bend, Mary Enright of Campbellsport and Ruth Mueller of West Bend; seven grandchildren, Mark Schairer (fiancée, Julie Frederick), Matt Schairer (special friend, Jackie Wernick), Robert Schnorenberg (Alyssa Paul), Richard Schnorenberg, Christopher Enright (special friend, Danielle Widder), Lindsey Mueller and Daniel Mueller; a great-granddaughter, Bryn Schairer; three brothers-in-law, Kenneth (Janet) Enright of the town of Farmington, Joseph (Ann) Enright of Boltonville and Gerald (Cordell) Enright of Kewaskum; four sisters-in-law, Janet Mleczek of Milwaukee, Marie Hintz of the town of Scott, Marion Bohn of West Bend and Eleanor Bohn of Sheboygan, nieces, nephews, other relatives and friends.

In addition to her husband and parents, Eleanor was preceded in death by two sisters, Alice Bales and Marie Minz and three brothers, Philip, Edward and Raymond Bohn.

A Mass of Christian Burial for Eleanor will be held at 5:00 p.m. on Thursday, September 1, 2011, at Our Lady of the Lakes Catholic Parish in Random Lake. Father Richard Cerpich will officiate and cremation will follow. Burial of her cremains

will be in St. John of God Catholic Cemetery in the town of Farmington at a later date.

Relatives and friends may call at the church on Thursday from 3:00 p.m. until the time of Mass.

In lieu of flowers, memorials to the charity of the donor's choice are appreciated.

The Miller Funeral Home in Kewaskum has been entrusted with Eleanor's arrangements. Additional information and guest book may be found at www.millermartinfh.com.

LUCILLE R. FELLEZ

Lucille R. Fellenz, 77, of Richfield, passed away on Monday, August 29, 2011, at Kathy Hospice in the town of Polk.

She was born on November 24, 1933, in Fond du Lac, the daughter of the late Arnold and Clara (Stern) Butzke.

On September 5, 1952, she married Paul Blumer. Paul passed away on December 25, 1990. On January 17, 1976, she was united in marriage to Merlin "John" Fellenz. He preceded her in death on August 24, 1995. On September 4, 2004, Lucille was united in marriage to Dean Karls at Crown of Life Evangelical Lutheran Church in Richfield. Dean preceded Lucille in death on May 18, 2011.

Lucille was a member of Crown of Life Evangelical Lutheran Church in Richfield. She was a legal secretary for several law firms, and was a fashion entrepreneur owning a clothing and shoe store. She enjoyed ballroom dancing, golf and music.

Those Lucille leaves behind to cherish her memory include five children, Rev. Steven (Bonnie) Blumer of Orlando, Florida, Sherry (Randy) Kemp of Theresa, Laurie (Patrick) Clapham of Grafton, Lisa Fellenz of Kewaskum and Kathleen Arndt of Campbellsport; seven grandchildren, Rev. Ben (Carrie) Blumer, Noelle (Don) Weston, Rev. Dustin (Kat) Blumer, Stacie (Paul) Zwick, Nickolas (Laurie) Kemp, Allissa (Eric) Borchardt and Amanda Keller; 11 great-grandchildren, other relatives

and friends.

Funeral services for Lucille will be held at 1:30 p.m. on Friday, September 2, 2011, at Crown of Life Evangelical Lutheran Church in Richfield. Rev. Michael Helwig will officiate and private burial will be in Lutheran Memorial Park in Kewaskum.

Relatives and friends may call at the church on Friday from 11:00 a.m. until the time of services.

Memorials to Crown of Life Keyboard Trust are appreciated.

The Miller Funeral Home in Kewaskum has been entrusted with Lucille's arrangements. Additional information and guest book may be found at www.millermartinfh.com.

ARMELLA M. WARNECKE

Armella M. Warnecke (nee Hefter) passed away on Wednesday, Aug. 24, 2011, at the age of 97 years.

Armella was born on July 8, 1914, in Hartford to Frank and Amalia (nee Wolf) Hefter. She married Frank Warnecke on May 26, 1936 at St. Peter and Paul Catholic Church in Neno. Armella worked at the St. Joseph Hospital in West Bend for over 17 years. She devoted many years to working with her husband on the family farm. Armella's greatest joy was spending time with her family.

Armella is survived by her children Ruth Boden, Donald (Jeanette) Warnecke, Elaine (Bob) Katzfey, Mae Belle (Tony) Dricken, Frank (Gale) Warnecke, Dave (Donna) Warnecke, and Peggy (Dennis) Kurth; 30 grandchildren; 59 great-grandchildren; and 9 great-great-grandchildren. She is further survived by two sisters-in-law, Isabelle Breuer and Marcella Becker; and many other nieces, nephews, other relatives, and dear friends. Armella is preceded in death by her husband Frank Warnecke, son-in-law, Ralph Boden, one grandson, John Katzfey, five brothers and eight sisters.

A Mass of Christian buri-

al for Armella was at 10 a.m. on Monday, Aug. 29, 2011, at St. Mathias Catholic Church in West Bend with Fr. Joseph Dominic presiding. Visitation was from 3 p.m. until 7 p.m. on Sunday, Aug. 28, 2011 at the Phillip Funeral Home Chapel, West Bend. Interment followed Mass at St. Mathias Catholic Cemetery.

The Phillip Funeral Home of West Bend assisted the family.

SHANE A. LEMKE

Shane A. Lemke, age 35, was called home to be with the Lord on Tuesday, Aug. 23, 2011, after a short but courageous battle with cancer.

He attended Barton Elementary and moved to Random Lake in 1985, graduating from Random Lake High School Class of 1994. He married Jeni (nee Cohn) on May 19, 2001. They have resided in Holy Cross for the past 11 years.

Shane worked many summers at Road America in Elkhart Lake and often helped his friend, Tom, at the Random Lake Pizzeria. He received a degree in custom cabinet building from MATC in Milwaukee. He worked at various cabinet shops until finding a home at A-1 Custom Design in Saukville. Shane was an avid sportsman who enjoyed hunting, fishing, snowmobiling, campfires, trap shooting and especially loved the game of darts spending many nights playing. He was an "adrenaline junky" who loved attending NASCAR and Indy events with his Uncle Donnie and cousin Steven. He loved the sport of sky-diving and introduced a number of his friends and family to the sport. Shane was a music lover who attended many concerts with his wife, friends, and cousin, Kevin Jr.

Shane is survived by his loving wife, Jeni; parents, Russ and Debbie (nee Schultz); pa-

ternal grandfather, Warren Lemke; maternal grandfather, Donald Schultz, Sr.; father-in-law, George Cohn; aunts and uncles, Cindy (Jim) Boylen, Chris (Al) Tackes, Deb Schultz, Don (Ginger) Schultz, Jr., Kevin (Jan) Lemke, and Todd Lemke; cousins, Nick and Matt Boylen, Steven Schultz, Jennifer (Grant) Greenfield, Roehelle (Special friend, Logan Boshae) Tackes, Robert Tackes, Carly Schultz, Kevin, Jr., Brandon, Cody, and Brittany Lemke; siblings-in-law, Stacey (Jon) Behnke, Laura (Ralph) Garcia, Josh (Trudy) Cohn, Jake Cohn, Erin (Tony) Klein, and Kati (Cory) Dimmer; nephews and nieces, Nathan (Tia) Grabinski, Nick Grabinski, Jessica Jensen, Godson Brandon, Tyler, and Allison Garcia, Benjamin, Aidan, Tamera, and Taylor Cohn, Godson Dylan and Isabelle Klein, Abigail Dimmer; great-niece, Kyleigh Grabinski; and a great-nephew, Alva, III Richards; further survived by his special friends, his dogs, Jovi and Shockey who he would often take for swims in Lake Michigan, long walks on the beach, and hunting trips and his cat, Little Rat. Shane is further survived by other relatives and many dear friends.

He is preceded in death by his maternal grandmother, Karen Schultz; paternal grandmother, Norma Lemke; Uncle Mike Schultz; cousin, David Lemke; mother-in-law, Sharon Cohn; brother-in-law, Gregory Cohn; and special friends, Marty Biever and Brian Dre.

The memorial service for Shane was held on Tuesday, Aug. 30, 2011 at 7 p.m. at the Phillip Funeral Home Chapel, West Bend with Rev. Eric Kirkegaard presiding.

The visitation was held on Tuesday, Aug. 30, 2011, from 4 p.m. until 6:45 p.m., also at the funeral home.

In lieu of flowers, memorials would be appreciated to the family.

25 Years Ago

July 25, 1986

The Kewaskum Fire Department rescue squad, along with emergency personnel and equipment from several neighboring communities responded to the Sheboygan County airplane accident Sunday which claimed the lives of two people and injured two more. The plane crashed shortly after takeoff in a wooded area on the border of the town of Sherman and Scott, about three miles northwest of Silver Creek, near the extreme northeast corner of Washington County. Killed in the crash of a Cessna 172 private plane were the owner and pilot, Edward B. Verbanac, 55, route 1, Random Lake, and his niece Alonna D. Verbanac, 36, of Hartford. Injured were Craig Verbanac, 17, of Neosho and Michael Bonney, 14 of Hartford. The crash occurred as Verbanac, who had flown for at least 10 years, gave pleasure rides to several people who had been attending a family reunion for about 50 relatives. Verbanac had made other flights during the morning. The crash site was about half a mile north of the Verbanac home. Those at the reunion were not aware of any problem with the plane after it took off.

The Kewaskum High School Class of 1936 celebrated their 50th reunion on June 15 at Hon-E-Kor Country Club. Members in attendance included Doris (Rosenheimer) Blake, Elaine (Schleif) Mayer, Walter Schmidt, Lucille (Romaine) Hopkins, Eleanor (Schleif) Mayer, Janice (Koch) Honeck, Marion (Petermann) Erdmann, Viola (Backus) Spoerl, Ruby (Menger) Hohlweck, Dolores (Horning) Peters, Kilian Honeck, Carl Kohlschmidt, Clyde Darmody, Armand Mertz, and Otto Weddig. Class members who could not attend were Vilas Bartelt, Howard Schmidt, and Norma (Hawig) Wieter. Deceased members of the class are Delbert Backhaus, Ray Pfening, Dean Stern, Anthony Uelmen, Marie (Beilke) Roney, Dorothy (Schmitt) Pieper, Paul Schmitt, Frances (Bunkelman) Diener, Pirmin Kohler and Earl Bartelt.

Ancient Wisconsin lands, once covered by the icy fingers of Canada's glaciers, will be celebrated July 26, for what they are today: recreation meccas composed of lakes and hills, woodlands and swamps, plains and kettles and ridges. The Kettle Moraine State Forest's more than 45,000 acres of scenic diversity will be the focus of a 50th anniversary ceremony the afternoon of July 26, at the Henry Reuss Ice Age Visitor Center near Dundee on Highway 67.

Al "Dotzie" and LaVerne Hron won the Husband-Wife Golf Tournament held at Hon-E-Kor Country Club, here, last Sunday. The Hrons, who are from Kewaskum, had a net of 72 and topped 29 other couples who participated.

The Kewaskum Indians defeated Campbellsport, 7-4, in WIAA regional play at Campbellsport Tuesday to advance to the sectional at Port Washington Thursday. It was the Indians second win over the Cougars in three games this season.

Last week was the first hot summer evening of the year and both games of the Thiermerdo-

me Thursday Goodtime League were like the weather, hot and short tempered. A&M Construction defused Thornton's Bombers by a large margin. Dennis Thornton, GM and owner of the Bombers commented he lost key team members due to transfers but indicated they will be loaded for bear for the Round Robin Championship later in the season. In the second game Bartelt Insurance overcame an eight strikeout performance by Daryl Waechter to defeat Barrel Mays, 3-2. Eight strikeouts in slow pitch softball. Perhaps a visit to the optometrist is on order for the Bartelt squad... or a two for one bi-focal sale. Rollie Maul had the game winning hit for the Insurance boys. It was Rollie's third hit of the season. Not bad for the former All-Pro from Theresa Station!

A daughter was born to Connie and Steven Miske, Burnsville, MN, on July 10. Paternal grandparents are Mr. and Mrs. Edgar Miske of Allenton and maternal grandparents are Joyce Hendrickson of Burnsville, and the late Neal Hendrickson. A daughter was born to Kenneth and Carol Ramthun, Forestview Rd., West Bend, on July 17. A daughter was also born to Paul and Lisa Rosenthal, Plymouth, on July 3. Grandparents are Earl and Marie O'Brien, Kewaskum, and Corabelle Rosenthal of Plymouth.

Sons were born to James and Janet Shulka, Allenton, on July 11, and to Tom and Lori Schoofs, Campbellsport, on July 20. A son was also born to James and Bonnie Anderson, Brookfield, on July 2. Grandparents are Harriet Anderson of South Milwaukee and Earl and Marie O'Brien, Kewaskum.

50 Years Ago

July 21, 1961

A meeting of representatives of all veterans' posts of Washington County was called for July 10 at the courthouse in West Bend to obtain the views of World War II and Korean veterans particularly regarding the erection of a memorial for Washington County. During World War II, a fund was accumulated and was collected by the Lt. Ray Dickop Post of the American Legion, and that fund with interest has grown to almost \$5,000.

Miss Geraldine Guttman, daughter of Mr. and Mrs. Gerald Guttman, Kewaskum, will graduate from St. Agnes School of Nursing, Fond du Lac, on July 23.

Boy Scout Troop 44 of Kewaskum sent 22 boys to Camp Shaginappi at Pipe village from July 9 through 15. Boys who were at camp include the following: William Backhaus, Mark Belger, Allen Bohn, Paul Buczek, Lee Bunkelman, James Casper, Joe Fehlhaber, Neal Hirsig, Lloyd Hron Jr., Joe Key, William Key III, John LaMarche, Richard Laubach, James Manthei, Richard Marx, Michael Miller, Robert Miller, Terry Reitz, John Stellflug, David Teeselink, Scott Waranius and Dick Wieter.

Merrill W. Haug, son of Wesley Haug, Route 2, Kewaskum, who left at the end of June for four years of active training in the U.S. Air Force, now is stationed at Lackland AFB, Texas.

75 Years Ago

August 14, 1936

Seriously injured a week ago Monday when an automobile in which she was a passenger collided with a hayrack near Campbellsport, Mrs. Foeerster, wife of a Wayne Center tavernkeeper, died Sunday night at St. Agnes Hospital in Fond du Lac. Mrs. Foeerster's condition was not considered serious at first and it was expected that she would recover. It became grave Friday however, and she died on Sunday.

A fire in the woods on the farm of Walter and Norbert Gatzke in the Town of Auburn, located about three miles north of Kewaskum, which started about 1:30 pm Saturday and burned until Sunday night, did damage estimated at \$200 when five acres of woods burned out. Besides burning the woods, the fire, which was fanned by strong southeast wind, completely destroyed many logs and firewood which had been made ready for the winter's use. The flames spread rapidly into a hay field of a neighboring farmer, Fred Bartelt, whose land joins a large marsh, with a total of 400 to 500 acres. Luckily the fire was put under control as it spread to within 150 feet of the marsh, otherwise the loss would have been tremendous as well as extremely hazardous.

The local fire department responded to a call shortly after noon Saturday on the Kewaskum Aluminum Company premises where a grass fire spreading across a field had reached the warehouse to the rear of the plant. In a short time the warehouse would have ignited but quick work by people on the scene who stomped out the flames with boards and the services of the firemen put the fire under control with no damage suffered.

A quiet but interesting wedding ceremony to local residents and those of the entire community was performed last Saturday afternoon when a popular young Kewaskum man, Carl Backhaus, son of Mr. and Mrs. Herman Backhaus, became the husband of Miss Beulah Bohn, daughter of Joseph Bohn, former proprietor of a store and tavern at Nabob, and now a resident of Barton.

Howard Walters and Miss Earla Prost have earned free trips to the state fair at Milwaukee August 22 to 29, as a result of winning first places in the McCormick-Deering Farmall "J-A" Machine Contest held by A.G. Koch Inc. of Kewaskum this week.

Sixty Mongolian pheasants will be received shortly in Washington County from the Wisconsin Conservation Commission, Madison, for winning second place in Class B of all counties in the state in last year's winter feeding contest with 195 pheasants, according to a notice received by Joseph Eberle, a member of the County Fish and Game Protective Association on Wednesday. A large number of these birds will be released at Kewaskum, while the remainder will be released throughout the county.

Two hundred cans of assorted fish, including black bass, perch, blue gills and bullheads were received Wednesday at Fond du Lac. The next day the fish were planted in the follow-

ing lakes at the south end of the county: Round Lake, Wolf, Long, Forest, Mud, Fifteen and De Neveu.

Residents of Kewaskum and Washington County were dealt a sorrowful blow on Sunday, August 9, when Otto L. Habeck, a lifelong resident of this village quietly passed away at his home on East Main Street after an extended illness.

A baby boy was born to Mr. and Mrs. Math. Herriges at St. Michaels. He is the 13th child. The infant was baptized and received the name Andrew.

Mr. and Mrs. Harvey Diehls, Beechwood, are the proud parents of an eight-pound baby boy.

An eight-pound baby girl was born to Mr. and Mrs. William Volm on July 31. She received the name of Eileen Frances.

July 28, 1961

Walborg Petersen will arrive in Kewaskum July 29 to spend a year in our community attending high school. She will live with Mr. and Mrs. Charles Miller during her stay. Walborg arrived in New York by jet plane from Oslo, Norway on July 27. From there she boarded a bus for Milwaukee where she will be met by the Charles Miller family and Mrs. L.N. Petersen on Saturday. Since Walborg is the first student awarded an American Field Service International Scholarship to come to Kewaskum, this community is very eager and happy to have her arrive.

In a three-way real estate transaction completed recently, Dr. H.L. Rumsey purchased the two-apartment residence of William Bruhn at 1554 Fond du Lac Avenue, and Bruhn purchased the Ralph Poelling home and property on Route 2, Kewaskum, located on Highway H, about two miles west of the village. Dr. Rumsey will remodel the lower floor of his newly purchased property into office and business quarters. He will move his office from its present location in the Walter Mathis building on Fond du Lac Avenue into the former Bruhn residence, about three blocks north and he and his family will also move there.

Ollie's Texaco Service, operated by Ollie Staehler, Jr., last weekend moved from the former filling station on south Fond du Lac Avenue, into the new, deluxe-type Texaco station recently constructed on the corner of Fond du Lac Avenue and Clinton Street, two doors north of the former place of business. Ollie is now open for business in the large, modern station.

Lt. Col. Lehman Rosenheimer of Kewaskum, who for the past nine years has commanded Flight B of the 9664th Air Reserve Squadron headquartered in the Robert G. Romaine Legion Post in Kewaskum, received orders last Friday promoting him to the permanent grade of colonel in the U.S.A.F. Reserve, effective July 1, 1961.

Twins, a son and a daughter, were born to Mr. and Mrs. Mark Rodenkirch, Kewaskum, on July 22. A son was born to Mr. and Mrs. Stanley Hall, West Bend, on July 20. Mrs. Halls the former Connie Rossow, daughter of Mr. and Mrs. Emmet Rossow of Kewaskum. A son was also born to Mr. and Mrs. Harold Seefeldt, Route 1, Kewaskum, on July 21.

100 Years Ago

July 1, 1911

Fred Backhaus Sr., living just outside the village limits on the New Fane road, had a narrow escape from death last Monday evening, when a vicious horse almost chewed him to death. Mr. Backhaus was preparing to leave for his son Adolph's place to help the latter do some butchering. He had led the horse out of the barn and left him standing alone outside to get another horse. When returning he found that the horse had left and went towards the road, where he was eating grass. He proceeded to go after the horse. When within reaching distance the animal without any warning sprang upon his master and grabbed the latter by the back of the head inflicting a bite wound which is not serious. Mr. Backhaus is no doubt then swung up his arm to defend himself and by doing so the crazed animal grabbed his arm at the wrist and chewed it up badly, throwing the unfortunate man to the ground. The screams of Mr. Backhaus attracted his daughter, who grabbed her father by the legs and dragged him to safety. Medical aid was at once summoned.

Again we call to the people of this community to come to Kewaskum on July 4 to celebrate that day. Kewaskum has always been noted to give all visitors all the enjoyment possible on that day. For a picnic grounds the North Side Park cannot be outclassed. There will be plenty of amusements for the benefit of all. The day will close with a grand dance. Music in the afternoon will be furnished by the Kewaskum Brass Band of 16 pieces, while the Kewaskum Quintette of eight pieces will furnish the dance music in the evening. Arrangements for an auto parade on the afternoon of the Fourth have been made. The closing festivities will be held in the South Side Park hall with a grand dance on the evening of the Fifth with music by the Kewaskum Quintette. Once more, come to Kewaskum to celebrate the 4th and 5th and let the Eagle Scream.

Adolph Rosenheimer of this village and J.B. Day of Hartford on last Wednesday made another large real estate deal by purchasing the 300 acre farm together with some personal property of Gust. Kuehl of Wayne. The amount paid for the farm is \$17,500.

The village now has 10 automobiles, the last one being received by Henry Rosenheimer on Monday. It is a Ford roadster and was purchased from George Klein of Lomira. Mr. Ramthun's car is the tenth car in the village. That the automobile craze has reached this village has been shown the past few weeks as several new cars have been purchased.

Mrs. William L. Gatzke, 31, Beechwood, died on June 16, with the cause of death being tuberculosis.

A new little shoemaker arrived in town last Saturday morning when a bouncing baby boy made it's appearance at the home of Mr. and Mrs. Mich. Heindl.

Indian golfers off to a slow start

Kewaskum High School's 2011 Girls Golf Team shown above front row, left to right: Anna Lawniczak, Jennie Rimmel, Emily Eutsey and April Basterash. Back row: Brittany Duarte, April Gilane, Heather Nielsen and Coach Amy Uhlig.

Statesman Correspondent

SHEBOYGAN FALLS- After two Wisconsin Little Ten girls golf matches, Hartford is sitting in first place, but Watertown and Beaver Dam are certainly pushing the defending champion Orioles.

Hartford won match No. 2 Monday at the Old Hickory CC near Beaver Dam, shooting a 194 by its top four players. Watertown had the same total but lost on the tiebreaker when the Orioles' Kasey Wilichowski's 54 was five shots better than Kaitlin Klinger, the teams' No. 5 players.

Host Beaver Dam finished one shot back at 195, then came West Bend, 213; Oconomowoc, 222; and Kewaskum, 248.

Brittany Duarte was low with a 58, right ahead of April Basterash and April Gilane, who carded 59 and 60, respectively. Jennie Rimmel was the fourth counter at 71.

KHS coach Amy Uhlig has enjoyed the consistency of her top three players but said, "They should be doing better." She expects they will be soon, but first they must eliminate the high scores on one or two holes which have crept onto their cards.

Duarte has been shooting

in the low 50s in practice, according to Uhlig.

Uhlig also looks for her Nos. 4 and 5 players, Rimmel and Emily Eutsey, to cut their totals.

Led by Finni Simko's sizzling round, the Hartford girls golf team started off with an impressive effort against the other five Wisconsin Little Ten teams in the opening match at home.

Simko fired a 2-over par 37 on the White Nine at Hon-E-Kor Country Club to pace Hartford toward a 182 total, four shots ahead of Watertown's 186. Beaver Dam also had a good outing, with no score higher than 54, toward a 200.

Kewaskum, which is rebuilding this season, had three good scores but struggled at the Nos. 4 and 5 spots for a 253 and sixth place.

Duarte led the Indians with a 55 that included a 10 on No. 18. Until that point, she was on pace for the possibility of breaking 50. Basterash, the team's lone returning letter winner, was next low with a 59, and Gilane posted a 60.

The other counter was Rimmel. She shot a 79 in her first varsity competition.

Numbers low for cross country

By Mitch Maersch

Statesman Correspondent

There aren't many Kewaskum cross country runners this season, but they're giving it their all.

The Indians have two girls and one boy on the varsity teams, which started last Thursday at the Kettle Moraine Lutheran Invite.

"It was a hot day with many athletes struggling with heat exhaustion and dehydration. Fortunately everyone on the Kewaskum team finished with no major issues," said Coach Heidi Korth. "Overall the team ran well."

Junior April Stern finished the four-kilometer course in 20:35 in 77th, and senior Abby Backhaus ran a 22:07 for 90th.

Backhaus is a four-year runner with the Indians.

"She will be leading the team with her positive attitude and experience," said Korth.

Stern is in her third year

and will try to break her personal record from last season.

Senior Ian Airaudi finished in 23:15 in 84th place in his first-ever meet. He joined the team for the first time as a senior.

"As a senior, he is going to try to prove himself and keep improving," said Korth.

The junior varsity squad has sophomore Allie Schmidt and junior Matt Vogt.

Korth said Schmidt is back for her second season "and is really pushing herself to keep improving her time."

"Matt Vogt is back as a junior and is ready to get on the course to show what he's got," said Korth.

Despite not fielding a full team, the runners will stay focused on bringing down their times.

"Our goal as a team is to work individually and continuously improve times," Korth said.

The Indians' next meet is Thursday at New Holstein.

Lady Indians unable to tally win

Kewaskum's soccer team lost a close call this week as it continues to seek its first victory of the season.

The Indians on Tuesday lost, 1-0, to Columbus. The teams were tied entering the second half, when at 43:00 Columbus scored and hung on.

Goalie Joel Turk made four saves for the Indians.

On Monday at Plymouth, the Indians lost, 6-0, to one of the top Eastern Wisconsin Conference teams. Plymouth took a 2-0 halftime lead and blew the game open with four scores in the second half. Turk made 11 saves.

Last Thursday at Campbellsport, the Indians couldn't crawl out of a 6-0 halftime hole and lost, 8-2. Tyler Voge, often the assist man on Jake Hardy's goals, scored twice himself, at 46:09 and 64:41.

Kewaskum is now 0-9-1 and 0-3 in the EWC. The Indians host Kiel on Thursday, play at New Holstein on Tuesday and host Two Rivers next Thursday.

Kewaskum netters top Campbellsport; sweep Falls

By Mitch Maersch
Statesman Correspondent

It took all of the first home match for Kewaskum's volleyball team to exorcise two major demons from last season.

In the first match of a triple dual last Thursday, against rival and neighbor Campbellsport, the Indians lost late leads and dropped the first two games, 25-22, 25-23, then came back and won the next two, 25-9 and 25-18.

It was onto game five, a bugaboo last season when the Indians lost all five of its matches that went the distance, not to mention didn't win a home match.

The Indians fell behind, 7-4, before ties at 8-8, 9-9 and 10-10 had fans on the edge of their seats.

Junior middle blocker Anna Aycock jump served the Indians to 14-11, including one of her eight aces of the match. Whitney Bastian finished it off with a block kill, and Kewaskum won, 15-11.

Aycock had 14 kills, Kayla Bastian six and Whitney Bastian five. Heidi Johnson had

16 assists and Sabrina Boehlke 11. Junior Kelsey Phillips had 19 digs, Kayla Bastian 17 and Sam Smallish 12. Phillips was good on 35 of 38 service receptions.

Kewaskum used that momentum to then sweep Sheboygan Falls, 25-15, 25-22, 25-20.

Kayla Bastian had 13 kills and Aycock 11. Johnson and Boehlke had 14 assists each. Phillips had nine digs.

The Indians then faced off against one of the Eastern Wisconsin Conference favorites, Plymouth.

The Panthers edged the Indians, 25-23, 25-21, in two games that could have gone either way. Kewaskum bounced back with a 25-19 win before running out of gas and losing 25-16. Plymouth went 3-0 on the night and Kewaskum 2-1.

"I think we just have to stay confident. Gotta put it away on offense," said senior outside hitter and all-conference player Kayla Bastian. "We'll get it. We'll get 'em next time."

Nonetheless, progress has already been made in the first conference matches of the

season.

"It's definitely a completely new team this year," Bastian said. "For us seniors, we're excited. Hopefully, we can put a banner up there."

Coach Joe Moser addressed blowing early leads, saying sometimes the Indians are afraid to make a second mistake after making a first.

"We play a little nervous at times," he said.

"I think we kind of let down a little," said Bastian. "We just killed ourselves."

Against Plymouth, Kayla Bastian had 10 kills, Aycock eight and Becca Fahney six. Boehlke had 14 assists and Johnson 10. Of nine serves, Boehlke dropped in six aces.

The Indians battled hard in the first two games, coming from behind to tie the first at 23-23, and cutting the second game to 20-19. They almost got over the hump but couldn't quite match Plymouth's height, athleticism and consistency. It seemed the Panthers had two tall and powerful players like Aycock while Kewaskum had one.

"Great match. Just great scoring," said Moser. "We

couldn't pass the ball at times."

Kewaskum's serving is an early strength this season as Bastian and Aycock throw up a wicked jump serves, and others can easily go on runs. In game 4 against Campbellsport, Aycock served from 15-9 to 25-9, mixing in seven aces and wreathing a Cougars' timeout trying to slow her momentum. Phillips served out game 1 against Falls, from 20-15 to 25-15, including three aces of different kinds. One hit the net and dropped to the floor, another went off a Falcon's hands and backward and another was bumped out of bounds.

Smallish served the Indians to a 5-0 lead in game 2 against Falls, using mistakes and two Aycock kills in the run.

Boehlke kept the Indians in game 2 against Plymouth, bringing Kewaskum down from 20-16 to 20-19, including one bullet ace and a second that caught all floor in a back corner.

Kayla Bastian went on a run in game 3, turning an 8-4 deficit into an 11-9 lead. She served up one ace and got help from a Boehlke dig kill, if there is such a thing.

Boehlke served out the game from 20-19 to 25-19, bouncing three aces off Panthers who couldn't return them or keep them in play.

The Indians were scheduled to play Mayville on Tuesday. On Thursday, they host Kiel and on Saturday play in the Hartford Invitational.

A's stay hot as they down Madison L.T. Sunday afternoon

The Kewaskum A's remained unbeaten in the Rock River playoffs as they downed Madison L.T. on Sunday afternoon by a score of 11-1. Jason Strobel and Adam Sarauer quickly got the A's on the board in the first inning as each delivered a RBI single to put the A's up 2-0. Madison L.T. answered with their only run in the bottom of the first inning, but that was all they would get off starting pitcher Brad Young on the day.

The A's put two more runs on the board in the second inning, as Young had a RBI single and Ty Schill scored on a wild pitch to make it 4-1. In the third, Kewaskum tallied four more runs as Schill (RBI single) and Jake Spaeth (2 RBI single) each had key hits in the inning.

The A's finished their scoring in the fifth as they plated three more runs to push their lead to 11-1. Brad Young ripped a two-out RBI double while Austin Sarauer followed with a 2 RBI single.

Brad Young also picked up the win on the mound, tossing 6 effective innings, giving up just 1 unearned run on 5 hits. Jake Panzer tossed the final 3 innings in relief to pick up the save. The A's were led offensively by Brad Young 3x5 (2B, 2 RBI's). Jake Spaeth, Adam Sarauer, Matt Bromley, and Ty Schill each chipped in with two hit days as well.

With the win the A's stay alive in the Rock River

playoffs and will host Clyman on Saturday at 1:30 p.m. in Kewaskum's Kiwanis Park. The A's will then travel to Clyman on Sunday afternoon. The final four teams remaining in the Rock River playoffs are Neosho, Clyman, Rubicon and Kewaskum as each team is 2-0 in the double elimination playoffs.

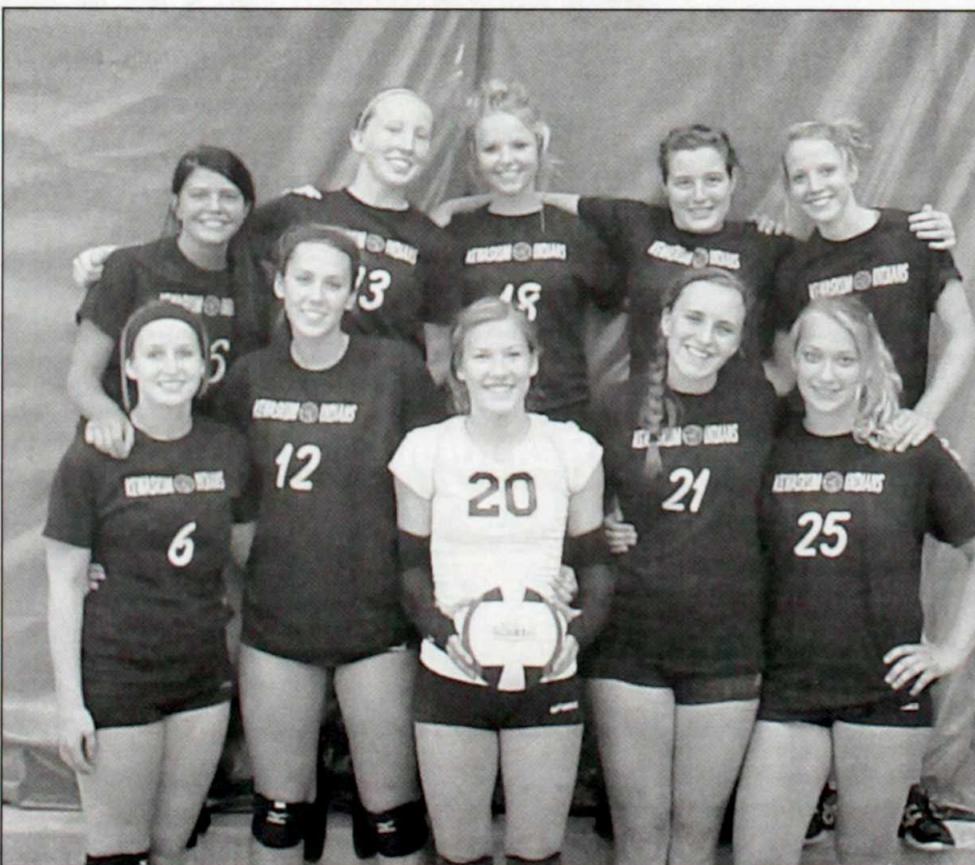

A's pick up win in first game of Rock playoffs

The Kewaskum A's picked up a 4-2 win over the Madison Rockers on Saturday afternoon in both team's Rock River playoff opener. Kewaskum was able to break through first as Jake Spaeth's RBI single gave the A's a 1-0 lead in the fourth.

Still leading 1-0 in the sixth, Adam Sarauer started the inning with a walk and Jake Panzer followed with a double. This put runners on 2nd and 3rd with nobody out for Matt Bromley, who came through with a clutch RBI single to make it 2-0. Jake Spaeth (RBI double) and Brad Young (RBI single) followed with big RBI hits to give the A's a 4-0 lead.

This was enough for Jim Ziegler, who picked up the complete game win on the mound as he gave up two unearned runs, on eight hits, and six strikeouts. Spaeth 3x5 (2B, 2 RBI's) and Panzer 3x4 led the A's offensively, while Brad Young 2x4 (RBI) and Bromley 2x4 (RBI) each chipped in with productive days as well.

KHS girls participate in Summer Slam Volleyball Tournament

Girls from Kewaskum High School played in the Summer Slam Volleyball Tournament in Wisconsin Dells, August 12th and 13th, winning the Bronze Division. They won five out of seven matches competing with 34 teams from across Wisconsin. Kewaskum's team featured front row left to right: Emily Faber, Anna Aycock, Kelsey Phillips, Becca Fahney and Whitney Bastian. Back row: Hope Hansen, Kayla Bastian, Sabrina Boehlke, Kelsey Heberer and Heidi Johnson. Missing: Sam Smallish and Ashlee Stahl. The team was coached by parent Bob Bastian. The Summer Slam is the largest pre-season volleyball tournament in the state of Wisconsin. Held in the state of the art Wisconsin Dells Center in Wisconsin Dells and sponsored by Chula Vista Resort, teams have the opportunity for last chance summer fun and practice for the upcoming season.

Indians pull ahead in third quarter to top WBW

Brendan Dowd strides down the sideline after receiving a bomb from QB Sam Olla in Friday's win over West Bend West. Statesman photo by Mitch Maersch

By Mitch Maersch
Statesman Correspondent

Eric Perkins picked up a new element to his game this season, and it was on full display last Friday.

Power. The 5-foot-7, 175-pound running back is well known for his speed. This year he's got some umph, and West Bend West felt it.

Perkins ran 26 times for 231 yards and two scores in a 28-7 non-conference win in the team's home opener, much of that coming between the tackles in the pivotal second half that broke a 7-7 tie.

"We were getting sick of being tied the whole game so we just wanted to pound it right down their throats," said Perkins.

"He's a strong kid. I don't think people are going to give him as much credit for being as tough as he is just because of his height," said Coach Jason Piittmann. "They know he's fast. He's a quick little jitterbug guy but he can run people over when he needs to, too. He moved the pile how many times."

Tough, inside running opened up the outside, and in the fourth quarter Perkins exploded for a 59-yard score on an option left, untouched, his first big play of the season he was known for last year.

"The blocking was

amazing on that," he said.

It took the lights to go out due to an overheated breaker with 3:27 left in the second quarter for the Indians to wake up. Halftime break was taken early as crews worked to get the lights back on.

"I think it helped us 'cause we realized we were letting them in the game a little bit too much," said linebacker and wide receiver Brad Boegel. "We all thought we should have had them a little bit more, so we played harder and came out ready to knock some heads."

Boegel caught an 11-yard jump ball in the corner of the end zone and dragged his foot in bounds to give the Indians the lead early in the second quarter.

"Sam (Olla) launched it up and I just went up and got it and tried to get my toes in," he said.

Olla said the two used hand signals to change the route after West was cutting off the inside.

West answered with a 51-yard touchdown run, when Kewaskum crashed inside. Piittmann said it was similar to last season when West's quarterback had a big scoring run against the Indians.

In the second half, Kewaskum had scoring drives of 72, 80 and 59 yards, the final one all in one play by Perkins.

A big play came on third

and two from the Indians' 42. Olla went back to pass and spun out of a tackle. As he scrambled to his right, he still looked to be in trouble and then lofted a ball to a streaking running back. Brendan Dowd caught the ball in stride and took off down the right sideline for a 30-yard gain that kept the drive alive and momentum on Kewaskum's side.

Olla later snuck in from the one to put Kewaskum up, 21-7. Piittmann said the Indians went to more of a power running game in the second half, but the adjustment that took the game over was largely mental.

"The biggest change was the mentality of the kids playing hard more consistently," he said.

Kewaskum will now work to play a full game as Eastern Wisconsin Conference play starts Friday. The Indians host New Holstein.

"We think we need to get things more competitive in practice, a little more hard hitting to get us ready, a little more intensity," said Piittmann.

"We've got to pick it up in practice and play four quarters the way we know how. No letups and put our foot on their throats," said Boegel.

Kewaskum	0	7	14	7	- 28
WB West	0	7	0	0	- 7

good. 4th Qtr: Kew - 5:04 - Perkins 59-yard run. Flanders kick good.

Stats:

Kewaskum: Passing-Sam Olla, 7-13, 105 yards, TD; Rushing - Eric Perkins, 26-231 yards, 2 TD, Olla, 10-33, TD, Receiving - Brad Boegel, 3-31 TD; Perkins, 2-29; Brendon Dowd, 1-30. Tackles: Brad Boegel, 3. Sacks - Mike Bier, Jim Bucheger, Mack Donath.

Notes:

New team MVP: Wade Roberts made Kewaskum shine, literally. In between running the down marker in the first half, Roberts, an electrician, sprang into action as soon as the lights went out. He cooled down the breaker and got them back on in minutes, keeping what could have been a long delay to a minimum. The crowd gave Roberts a nice hand after it was announced he was responsible for fixing the lights. Piittmann took the blame for the lights going out. He said he forgot to turn on the bottom switch on the breaker, which are the fans that keep it cool. Once it overheated, it automatically shut off to prevent a fire. A dead bat was found singed to the pipes in the breaker room. No word yet if that would be the Indians' new mascot if a change is legally forced thanks to the state's new mascot law.

No. 29 isn't the fastest player on the field anymore. Speedy running back Eric Perkins switched numbers to 10 this season. He had a specific purpose.

"Smaller jersey," Perkins said after last week's season-opening win at West Bend East. While the jersey fit better on his 5-foot-7, 175-pound frame, No. 10 held zero significance.

"Didn't matter to me," he said.
