TOWN of AUBURN- In 2009, after Michael Krueger, then 50, a Campbellsport resident and Chief Financial Officer at the J. F. Ahren Co., Fond du Lac, passed away due to a heart attack, his widow Faith Krueger and her family turned their emotional scars into stars.

They decided to donate his funeral memorials, about \$5,000, to an organization which Michael and Faith and Faith's parents -- Dolores and Jerry Ninnemann -- had belonged to for several years, Friends of the Kettle Moraine Inc. Faith and Michael joined the organization in 1992.

The Friends of the Kettle Moraine Inc. is a non-profit organization, dedicated to promoting a greater appreciation of the Kettle Moraine State Forest. Its members involve the public in their activities within the Northern Unit of the Kettle Moraine, comprising 30,000 acres within Sheboygan, Washington and Fond du Lac Counties. Members plan and staff events such as cross-country ski

outings, hikes, seminars and other events.

One of these is their annual Candlelight Ski, held the first Saturday of February. Faith noted that during his 17-year membership, Michael, who had served on the Friends of the Kettle Moraine Board of Directors, faithfully participated in that event -- heating apple cider over a stove he provided and assisting in setting up the luminaries along the trail.

"He missed only one of these events, because that night my father was being roasted at a Lions Club fundraiser," Faith recalled.

Prior to making the donation, Faith discussed her suggestion for use of Michael's funeral memorials with their children -- Jeremy, Sarah and Samantha and with Michael's mother, Vernell. "We decided the memorial money should go to the Friends," Faith said.

After receiving the generous donation from Faith, members of the Friends of the Kettle Moraine met with management of the Kettle Moraine State Forest to discuss options for using the funds.

According to Jerry Leiterman, Forest Superintendent of the Kettle Moraine State Forest - Northern Unit, "The Friends suggested building a shelter at the Zillmer Trail area.

"The shelter project was in the Kettle Moraine master plan, for when monies would be available," he said. "So this seemed like a nice fit."

The cost of materials for a heated, year-round shelter was projected at \$35,000. Funding began to roll in. First, the Friends of the Kettle Moraine matched the Kruegers' \$5,000 donation.

The organization also applied for a \$10,000 Knowles/Nelson Stewardship grant and was successful in obtaining it. The other \$15,000 was provided through contributions by individuals, businesses and organizations. In-kind donations were provided as well.

Forest staff and members of the Friends of the Kettle Moraine reviewed plans from other trail shelters located throughout the state. They took these ideas to the Campbellsport Building Supply Center, whose officials drew up

Duarte and Basterash move on to Sectional

Not the best of conditions, but definitely the best results of the season.

That would be the best way to describe Kewaskum's appearance in the Division 2 Regional Golf Tournament hosted by the Prairie School on Sept. 27th.

"It was overcast, and then it would pour," KHS coach Amy Uhlig said about the day.

There was good news, however, and that was the fact junior Brittany Duarte and senior April Basterash qualified for the sectional by being among the top four individuals, who did not advance with their teams.

Prairie School easily won the competition on the Johnson Park Golf Course, turning in a 361 from their top four counters, including medalist Sienna Chapman, who shot a 76. Also advancing were Denmark and Lakeside Lutheran, with respective scores of 379 and 416. East Troy was the final team qualifier, posting a 435.

Kewaskum, missing its No. 3 player, April Gilane, who was ill, finished fifth of the six complete teams. The Indians combined for a 449.

"That hurt us," Uhlig said about Gilane missing. "If she would have been there, we might have had a chance to qualify as a team."

Still, getting two to the sectional is a season highlight. Duarte came in with nines of 52 and 53 for a 105, while Basterash was very consistent, using a pair of 54s for a 108.

"It (playing in the sectional) will be a good experience for Brittany for sure," Uhlig said.

Irish Waters Golf Course (Kaukauna) in the Freedom Sectional. Out of the eight teams and eight individuals, two teams advance to the state tournament, along with the top three individuals from the non-qualifying teams. The state tournament is held Monday and Tuesday, Oct. 10-11 at the University Ridge Golf Course in Verona.

October's waiting child

Adoption Resources of Wisconsin

Justin

Date of Birth: 9/26/2000

Justin is a handsome 11-year-old boy with a smile that will light up your day. He loves the outdoors and is very open to trying new things. Justin loves riding dirt bikes, sports, and painting with water colors. He has a witty sense of humor and is very smart. Justin loves to cuddle and feel loved by those around him.

Justin is currently in 5th grade and loves math, reading, and physical education classes. A family wishing to adopt Justin would have to possess patience, guidance, and excellent communication skills to help him understand his new family and their expectations of him. Justin would benefit from a family that openly shows affection for each other and is willing to give him praise and encouragement.

Justin's social worker says that it would be in Justin's best interest to stay in Wisconsin due to ongoing contact with his half brother. The worker also recommends that Justin be placed in a single male household or in a two-parent household. He would do best with older siblings in the home or no siblings at all due to some jealousy issues towards younger children that Justin is currently working on. Justin has had a few struggles in the past, but with a stable loving home who knows what he can achieve!

For more information about Justin or other Wisconsin children waiting for adoptive homes, call Adoption Resources of Wisconsin at 414-475-1246 or 800-762-8063 or visit the website at www.wiadopt.org

Police handle weekend chases in the village

By Andrew Kuehl

KEWASKUM- A Kewaskum Police Officer handled two very different chases with different outcomes at the start of the weekend and end of the weekend.

On Friday, the police officer was alerted to a high speed chase happening in neighboring Lomira. Police officers there ended their pursuit when speeds reached 110 miles-per-hour.

Chief of Police Dick Knoebel stated at 9:26 p.m. that same evening the officer spotted the vehicle involved in the chase on US Highway 45, on the northern end

of Kewaskum. The officer activated his emergency lights and the vehicle took off westbound on Knights Avenue.

A short chase ensued, however it ended quickly as Knights Avenue is a dead-end street. The driver of the vehicle, a 33-year-old Milwaukee man escaped on foot after crashing into a tree according to Knoebel.

The Sheboygan Police Department's K-9 unit was requested and once on scene quickly found the subject uninjured, hiding in a wooded area at the end of Knights Avenue.

Knoebel stated Kewaskum and Lomira Police

Departments are seeking charges for fleeing an officer.

On Sunday evening around 9:30 p.m. that same officer was notified of a sheep on the lam from Kewaskum Frozen Foods on Forest Avenue in the village. Deputies from the Washington County Sheriff's Department tried to assist the officer at various locations across the village but they were unsuccessful in corralling the creature.

The following morning the sheep wandered up to the Department of Public Works garage where another officer could safely euthanize the animal.

Tom Ertl lucky winner of SuperCash prize

By Mitch Maersch

mitch@kewaskumstatesman.com

It wasn't the first lottery winner for the BP station in Kewaskum, but it was the biggest so far.

Last week, BP sold a \$350,000 winning SuperCash ticket.

Campbellsport's Tom Ertl was the lucky winner.

"We're really happy for him. It's awesome," said BP manager Jan Bartelt.

She said Ertl is a regular at the store and only bought one ticket that day.

When the notification came across the register at 4 p.m., BP employees knew they sold a winning ticket but not to who. Bartelt said they instantly tried to think of who bought tickets.

"It was nice to have someone local, too, that you know," she said.

Ertl came in around 6 p.m. and had his ticket scanned.

"He just kind of looked at us for a while like he's kind of stunned," said Bartelt.

The staff cheered. Ertl said he was going to go home and have a beer.

He returned a couple of hours later, hardly remembering leaving the first time. Bartelt said he said he was in shock.

The next day, Ertl showed the staff the check. After taxes, he received \$235,375.13.

Bartelt said Ertl told his boss he wasn't coming to work the next day. She said he has stopped at the store a few times since.

Ertl wasn't the first lottery winner to come from BP. Bartelt said seven or eight years ago Jimmy Boegel won a Badger 5 game, but the prize money wasn't nearly as high as that of Ertl's.

"I hope it continues. That would be great," she said.

A call to Ertl was not returned.

Village Board votes to reduce own salary

By Mitch Maersch

mitch@kewaskumstatesman.com

The Village Board on Monday proposed reducing its own pay, given this time of tight budgets.

Trustees' annual pay could fall from \$1,500 to \$1,200, and

the village president's pay could fall from \$2,000 to \$1,700.

The board would still receive \$30 for attending meetings.

The board could act on the reductions at its next meeting.

Zillmer Trail

the building plans. Garth Stevens, a forest maintenance employee, is serving as construction manager for the project.

Construction of the 1,200 square-foot, year-round shelter began in June and is slated for completion before the first snowfall. "It is now 75 percent complete," Leiterman noted.

"Forest staff members and volunteers are constructing the building," he said.

The facility is located at the south end of the Zillmer Trail System about one-quarter mile west of the intersection of County Roads G and SS. The Zillmer Trail System is a four-loop system with nine miles of trails groomed by forest staff members, for classic and skate skiing. The trail features a mix of prairies and woodlands. It is mainly flat, but contains some gently rolling hills and a few large hills. The trail is marked with signs containing four colors to mark varying degrees of difficulty for skiers.

It contains 4.5 miles of difficult terrain, designated by yellow; 3 miles and 1.8 miles, marked with red and green respectively and 1.2 miles of flat land, designated by brown.

And now skiers will have a place to warm up during their outings. The Wisconsin Department of Natural Resources owns the rustic-looking shelter, nearing completion. It features a rough-sawn, white pine exterior and will be heated with a forced-air propane furnace. A wood stove will provide additional heating.

The shelter will be available for daily rentals at \$100 per day, from April through November. From December through March each year, it will be used as a warming facility for cross-country skiers.

Leiterman is elated with the project. "It is wonderful to see the help from the local community and the donations of labor and financial support," he said. "This project truly brings community members together, with many people involved. This shelter will provide an additional opportunity for individuals and groups to enjoy the Kettle Moraine State Forest."

Roger Clark, President of the Friends of the Kettle Moraine, is equally impressed. "This is a wonderful gift Mike's family made to help get the shelter up and running," Clark said. "It was tremendous of Faith and her relatives to make such a contribution.

"Mike was my treasurer,"

Clark added. "He always did a lot for the Friends of the Kettle Moraine and was at almost every event we had. It was tough to drag him away. He always had a nice smile and greeted people warmly."

Faith agreed with Leiterman and Clark's evaluation of the project. "I am very pleased with the progress and with the facility," she said. "I think it will be well used and enjoyed by many."

"Michael grew up on a farm on County Road G," she said. "That property is now part of the Kettle Moraine State Forest. He enjoyed being in the outdoors."

For further information on the Zillmer Trail or The Northern Unit of the Kettle Moraine State Forest, phone (262) 626-2116.

Community Emergency Response Training (CERT) starts October 19 in Hartford

The Hartford Fire Department will host a three day Community Emergency Response Team training (CERT) October 19, 21 and 22nd at the Hartford Fire Station. The training is free and open to the public for both individuals and groups with a registration and \$20 refundable deposit. Students aged 14 and up are welcome to attend with a parent or adult sponsor.

CERT teaches members of neighborhoods, community organizations and businesses important survival and emergency response skills needed when disaster strikes. "Professional responders must prioritize their response in a disaster based on the overall incident needs. With CERT basic training, citizens can help themselves and their

neighbors until professional help arrives" said Hartford Fire and Rescue Chief Paul J. Stephans. "This training is ideal for condo associations, churches, neighborhood groups and businesses to help minimize the impact of a disaster."

CERT is a 20-hour training conducted over 3 days which includes: Disaster Preparedness, Fire Safety, Light Search and Rescue, Emergency Medical Operations and Disaster Psychology. The training concludes with a simulated disaster exercise where participants work in teams for a hands-on experience to practice their newfound skills.

"I learned as much about what NOT to do in an emergency as I did about what I should do to keep myself from

becoming a victim and to help protect those around me" commented Deborah Knepler, Outreach Coordinator for Citizen Corps of Washington County. "Anyone who has responsibility for the care or oversight of others should definitely take this training. The fact is we each become the very first responder when disaster strikes—let's make sure we know what we're doing!"

Class size is limited so register now. Deadline to register is Tuesday, October 18th.

For more information or to register for CERT training, contact Citizen Corps of Washington County at (262) 338-8256 or via email at citizencorps@volunteernow.net

Life Chain held here

Al Staehler participates in the Kewaskum Life Chain last Sunday.

By Mitch Maersch

mitch@kewaskumstatesman.com

They stood along the street holding signs in mostly silence, not letting an issue die so babies don't have to, either.

About 35 Kewaskum area residents participated in National Life Chain Sunday, joining communities across the country. Church members

primarily from Kewaskum House of Prayer and Holy Trinity held signs along Main Street and Fond du Lac Avenue from about 2 to 3:30 p.m. Some read "Pray to end abortion" and "Adoption: the loving option."

Pastor Joe Brath of Kewaskum House of Prayer said the activity helps maintain awareness of abortion.

"Just to remind them a little bit," he said.

While a law may be passed giving legal permission for an activity, "God has not changed his mind a bit," Brath said.

He said about 98 percent of abortions are done for convenience - not for medical reasons - while there are long lines for adoption.

Brath said signs were ordered through the National Life Chain organization. None had photos of aborted babies that could be seen as poor taste.

"I don't know of that would change anyone's mind," Brath said. "It could, shocking them like that."

This is about the seventh year Kewaskum has participated in the national event. Brath said one of his church members help start it. Numbers have ranged from 25 to 35 over the years.

"It's just a very small effort to help people understand the beauty of human life," said Father Ed Kornath of Holy Trinity in Kewaskum and St. Michaels. "Just a small witness."

Many people wave and some honk; those who disagree aren't as friendly.

"We're in a free country. Everyone has the right of expression," said Kornath.

He said he says a small prayer for those who disagree and has a message for them.

"That person should thank God their mom brought them into the world," he said.

Holy Trinity member Al Staehler of Kewaskum participated for his third year "to keep it (the issue) out there," he said.

Staehler said the problem is not just the women having the abortions but the doctors and Planned Parenthood as well.

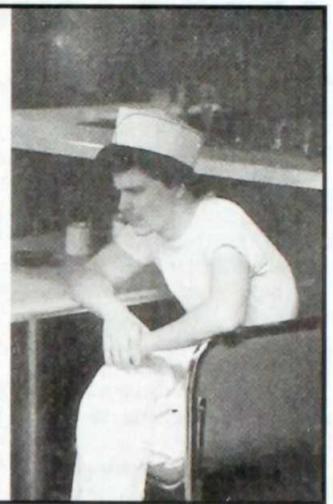

"I know it's wrong what they're doing," he said.

Rose Brunner, 96, of St. Kilian, sat on a bench with a sign that said "Pray to end abortion." It was her third year participating in the Life Chain. She knows the battle against abortion isn't easy.

"It's going to take a long time because look how long we've been working at it already," she said.

Tell Us About It!

As our community continues to grow, so do the stories of people who have tales to tell. Perhaps it's an unusual occupation or hobby, a new business venture, or someone whose service to others too often goes unnoticed.

If you fit into any of the above categories or know of someone who does, The Statesman would like to hear about it. Our feature stories function as a means to get to know each other better and that is what your community newspaper is all about.

Please call us with any suggestions you might have.

Yeska family reunion held

BY ISABELLE (YESKA) MUCKERHEIDE

On Labor Day weekend the descendants of Anton and Stella (Paluska) Yeska gathered at the homestead in Neshkoro for their annual family reunion.

The theme this year was all about sports so we had a gigantic tailgate party. We came dressed as Packers, Brewers, Cubs, Marquette Golden Eagles and many other fans. We also had a chili contest.

The day began with golf at Twin Oaks in Wautoma for a few. At 1 p.m. Saturday a meeting was held to program our activities. There were games for adults and children.

The Kempiak family was in charge. Janet's son-in-law is in Iraq so we all brought items to send him.

At 5 p.m. dinner was served after 4 p.m. Mass. About then it became stormy so we had to

move inside. Recent storms in the area destroyed lots of trees and caused power outages. The younger ones gathered around the campfire in the evening, while the elders played Sheephead inside.

My nephew's son is in China and sent us an email and we could see him on the computer screen.

There was archery, football fantasy and a frog raffle. The remaining Lemon Sisters sang a song, "Take Me Out to the Ball Game."

In the evening we played Bingo for cash prizes. A birthday cake in honor of Patty Calek was enjoyed. Several attended dinner at Silvercryst in Wautoma for her.

YESKA REUNIONS 2011

Once again the time is here Our favorite time of year The Yeska clan is gathering For days of frivolity!

This year we're at the ball game Just like at the Brewers Let's show them how it's done Right now they're number one.

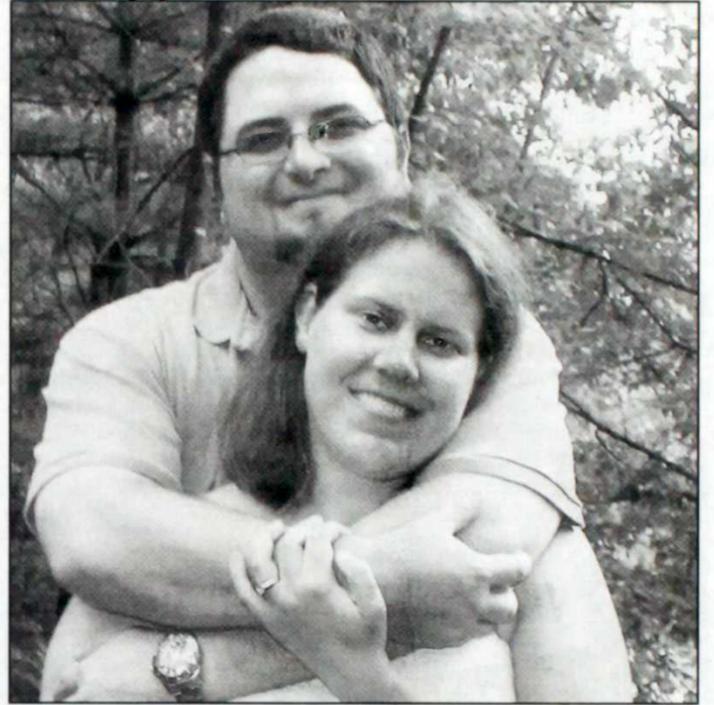

Or how about the Packers? They know how to win It's teamwork guys and don't forget it Or else you take it on the chin!

Tonight we tailgate by the fire Let's hope this weather's fine We greet each other again And then it's time to dine.

There is chili, brats and hot dogs Kewaskum summer sausage too Of course some other goodies Are waiting there for you.

May God bless our assembly As He has in days of yore Till we have the final gathering On that beautiful heavenly shore!

KM Symphony announces 2011-12 season

WEST BEND - Take another look at this season's Kettle Moraine Symphony. It blends traditional orchestral excellence with a new venture.

The four-concert 2011-12 season begins Oct. 9 with "Viva Vienna" and a popular local professor at the piano keys, followed Nov. 13 by a new concert offering for the KMS, a "Salute to Veterans" honoring area veterans and their families.

Under the direction of conductor Paul Thorgaard, the season kicks off at 3:30 p.m. Oct. 9 at Our Savior's Lutheran Church in West Bend. Viva Vienna features KMS principal bassist and pianist Peter Gibeau, University of Wisconsin-Washington County music professor. Gibeau will perform the Brahms Piano Concerto No.1 in D minor, Op.15.

On Nov. 13, just days after Veterans Day, veterans, their families and music lovers of all kinds will be treated to a "Salute to Veterans" at the West Bend High School in honor and celebration of United States servicemen and servicewomen, past and present. Local veterans groups are participating in the event which includes an honor guard, official service songs from the armed services branches, and special drum and dance features. The KMS is also partnering with AT&T Pioneers for a "Cell Phones for Soldiers" drive; old cell phones brought to the concert will be recycled to provide calling cards for Wisconsin soldiers abroad.

The KMS season includes four scheduled concerts: Viva Vienna, Oct. 9; Salute to Veterans, Nov. 13; Mostly Mozart, Feb. 26 at Our Saviors; and The Best of Broadway, May 19 at the Washington County Fair Park.

Season tickets are \$75 and include admission to all four concerts. Senior packages are \$65. Season tickets are available through Oct. 9, the first concert date. Order forms are available on the website at kmsymphony.org. Or send payment to Kettle Moraine Symphony, PO Box 52, West Bend, WI 53095. Season tickets will also be available for purchase at the first concert Oct. 9 at Our Savior's Church.

Individual opener concert

tickets may also be purchased at the door for \$18 / \$15 seniors and \$5 children.

The 60-member Kettle Moraine Symphony is West Bend's "hometown orchestra." It was founded in 1968 by Albert (Bud) Asch, now conductor

emeritus, and a group of classical music enthusiasts at the University of Wisconsin - Washington County in West Bend. The KMS is a 501 (c) 3 non-profit organization that relies on community support, grants, donations, and sponsorships.

Moraine Park names new mascot

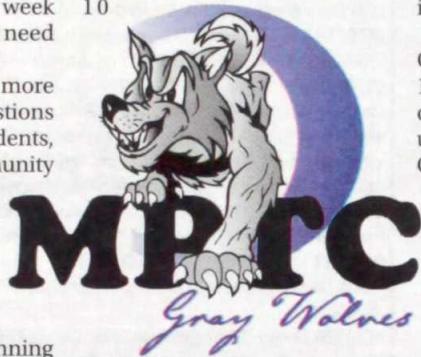

Moraine Park Technical College recently welcomed a new face to campus: Maximus, the Gray Wolf. As a kickoff to its upcoming centennial year, Moraine Park revealed its new mascot, the Moraine Park Gray Wolf, to the students, faculty, staff and the public during the week of Aug. 22 — it was just in need of a name.

Moraine Park took more than 300 name suggestions from Moraine Park students, faculty, staff and community members and narrowed it down to five names: Maximus, Grayson, Gamma, Parker and Gary. The mascot voting contest generated 22,512 votes with Maximus winning out over the four by more than 3,800 votes.

Moraine Park President Sheila Ruhland is excited to welcome Maximus to the College. "Maximus the Gray Wolf symbolizes success,

perseverance, stability and thought and truly embodies the spirit of Moraine Park's student, faculty and staff," said Ruhland.

According to Ruhland, the mascot was initiated by Moraine Park's 2009-10

District Student Government who approached then President Dr. Gayle Hytrek with the idea of creating a mascot for the College. Hytrek charged members of District Student Government with developing

a mascot they felt would accurately reflect Moraine Park's Student body, and the idea of the Moraine Park Gray Wolf was born.

Bookstores on all three Moraine Park campuses will be carrying Gray Wolf apparel in the near future.

Moraine Park Technical College was established in 1912 and is one of 16 technical college districts that make up the Wisconsin Technical College System. With campuses in Beaver Dam, Fond du Lac and West Bend, Moraine Park offers more than 100 associate of applied science degrees, technical diplomas, apprenticeships and certificates delivered in a variety of formats — classroom, online and blended. Training and technical assistance for businesses is also offered.

To find out more about Moraine Park, visit morainepark.edu.

New UW-Oshkosh Special Education degree to launch in Plymouth

Southeastern Wisconsin residents will now have a new degree option at UW-Washington County as well as several nearby UW Colleges campuses as a result of a new agreement with the University of Wisconsin Oshkosh to launch a regional bachelor's degree collaboration in Special Education.

The new Special Education degree will be a cross categorical degree and will offer licensure for teaching Special Education in grades K-12. The program, which will launch in fall 2012, will offer junior and senior-level courses taught locally at Riverview Middle School in Plymouth by UW Oshkosh instructors. Freshman and sophomore level courses will be available at all the participating UW Colleges campuses, including UW-Washington County, UW-Sheboygan, UW-Manitowoc and UW-Fond du Lac.

The Plymouth School District's Riverview Middle School has been identified as the location for the degree's junior and senior level courses. The middle school location will offer participating students direct observation experiences and a convenient commute, since the school is located

approximately 25 miles from West Bend.

The purpose of the new degree partnership is an effort to help area school districts meet the demand for special education teachers that has been reported by area superintendents. Area residents seeking new career directions, as well as those already working in Education, may find this new degree a viable option for them, while the area school districts will find it helpful as they search for local applicants for open positions. As students complete their studies at UW-Washington County or any of the partnering UW College campuses and obtain their Associate of Arts and Sciences degree, they will transition into UW Oshkosh junior and senior level courses.

UW Oshkosh has committed to providing high quality baccalaureate

education to the residents of our community," Hardersen said. "This means that those who complete the degrees that we share, such as Special Education, will be very competitive in the job market. This also means that the school districts will have an increased pool of qualified applicants in a very tight labor market. Having this program available for the region provides our local schools with an opportunity to grow their own teachers."

Advising for interested students participating in the program is available at UW-Washington County. Phone Student Services at 262-335-5201 or email student-info@uwcc.edu to make an appointment. All students enrolled in the program will have access to UW Oshkosh's library, technology and other academic support systems, as well as at the UW-Washington County campus library.

He was born on March 18, 1920, in the town of Barton, the son of the late Andrew and Ida (Schiller) Marx, and on July 6, 1948, he was united in marriage to Gertrude Theusch at St. Michael's Catholic Church in St. Michaels.

Joseph was employed by the West Bend Company in West Bend for 38 years, retiring in 1982. He was a member of the 25 Year Club, St. Michael's Catholic Church in St. Michaels and the Boltonville Sportsmen's Club.

Those Joseph leaves behind to cherish his memory include his wife of 63 years, Gertrude; four sons, Gerald (Patricia) Marx, Daniel (June) Marx, Gary (Jane) Marx and Robert Marx; seven grandchildren, Kim, James, Jack, Joseph, Anne, Mary and Megan Marx; 2 great-grandchildren, Devin and Addison; and other relatives and friends.

In addition to his parents, Joseph was preceded in death by a brother, Edward Marx and two sisters, Helen Goetz and Clara Theisen.

A Mass of Christian Burial for Joseph was held at 6:00 p.m. on Friday, September 30, 2011, at St. Michael's Catholic Church in St. Michaels. Father Edwin Kornath officiated and burial was at 10:00 a.m. on Saturday in the parish cemetery.

Relatives and friends called at the church on Friday from 3:00 p.m. until the time of Mass.

The Miller Funeral Home in Kewaskum has been entrusted with Joseph's arrangements. Additional information and guest book may be found at www.millermartinfh.com.

WILMER J. SCHMIDT

Wilmer J. Schmidt, 77, of the town of Kewaskum, passed away on Sunday, October 2, 2011, at his home with his family at his side.

He was born on March 23, 1934, in the town of Barton, the son of the late Arnold and Eleanore (Doms) Schmidt, and on June 9, 1956, he was united in marriage to Beverly Winters at Peace United Church of Christ in Kewaskum. Beverly preceded Wilmer in death on September 28, 2006.

Wilmer worked for many years in the lime quarry in Marblehead before moving

to Kewaskum where he worked at the Malt House of Kewaskum, Quick Split in Campbellsport and delivering newspapers for the West Bend News, while farming.

Those Wilmer leaves behind to cherish his memory include three children, John Schmidt and Sharon (Jeff) Shaw of Kewaskum and Mary (Bruce) Bauer of Plainfield; ten grandchildren, Julia Shaw (fiancé, Tony Rueth), Jeffrey II (Jessica) Shaw, Jamey Rieger, Shelly (Mike) Laukant, Breanna, Maranda, Brian and Michael Bauer, Ambre Bush and James Shaw; dear friends, David and Gina Young and their children, Tyler and Kyle of Campbellsport; a brother-in-law, Charles Winters of Ripon; a sister-in-law, Judy (David) Smith of Eldorado; his first great-grandchild to be born in March of 2012, other relatives and friends.

In addition to his wife and parents, Wilmer was preceded in death by his parents-in-law, Justin and Mabel Winters, and a brother-in-law, Ruben Oppermann.

Funeral services for Wilmer will be held at 6:00 p.m. on Sunday, October 9, 2011, at the Miller Funeral Home in Kewaskum. Rev. David Stone will officiate and cremation will follow.

Relatives and friends may call on Sunday at the funeral home from 4:00 p.m. until the time of services.

IN MEMORY

DOROTHY ROSE (SCHOOFS) VOLM, we parted five years ago on October 11, and in honor of your memory, we all want you to know that through our love, we are never, truly separated. Your strength and love lives in our hearts. You are part of us.

"We still reap dividends of all the joy, you gave people in your lifetime. Years after your death you're still creating magical moments for your family and for the great-grandchildren you never met."

We still cry, but then we smile knowing how your beauty and grace still fills our hearts with joy and love. We treasure every thought of you - remembering everything and grateful always.

There is no one else like you. We miss and love you so, precious Dorothy - wife, mother, grandma, great nana and so much more!

Your loving family

IN MEMORY

In memory of **CAROL WESENBERG**, who passed away on October 2, 2009.

A golden heart stopped beating, hard working hands put to rest, God broke our hearts to prove to us, He only takes the best.

25 Years Ago

September 5, 1986

Following in the footsteps of the old Kewaskum bank, another landmark will be vanishing from the Village of Kewaskum. The building which once housed the L. Rosenheimer Department and grocery store, and most recently, Rich's Super Savings, on the corner of Fond du Lac and Forest Avenue, will be torn down. At Tuesday night's meeting, Village Administrator Dan Schmidt informed the Village Board that a permit to raze the building had been taken out last Friday and demolition work has already begun. The Rosenheimer family had been a part of the village's business community for over 100 years and three generations. When Lem Rosenheimer decided to discontinue operating the store, the business was leased to Richard Bechler, a Rosenheimer employee. The building has been vacant and for sale since Bechler went out of business earlier this year. The Statesman was unable to contact Rosenheimer to learn what plans he has for the property after the building is gone. Watch for further announcements...???

"The Wisconsin 100," for 1986 represent combined annual revenues exceeding \$12.3 billion and a total of almost 90,000 employees. Kewaskum's Regal Ware Inc., a manufacturer of aluminum and stainless steel cookware, microwave products, and small electrical appliances, ranks 16th in The Wisconsin 100.

The Kewaskum Historical Society invites you to their 12th Annual Early Farm Days celebration on Sunday, September 7. Visitors will be able to view miniature gas and steam engines, old farm equipment and antiques which will be on display. Their award-winning museum and reconstructed 1847 log cabin will also be open to the public.

Calling it a major victory for the people of the West Bend area, Representative Mary Panzer (R-West Bend), announced that an additional two lanes on the Highway 45 bypass was on the top of the state Department of Transportation's list of major highway project recommendations. The Transportation Project Commission approved the two lane addition to Highway 45, giving 1988 as the earliest year possible for starting construction.

Zion Evangelical Lutheran Church in the Town of Wayne (Allenton) is observing its 125th Anniversary on September 7, 1986.

Holy Trinity Catholic School welcomed 27 new first graders this year. They are: Corey Amerling, Bridget Baum, Derek Dorn, Jon Eckes, David Gerhart, Robert Jansen, Andrew Kuehl, Tim Lauters, Dyla Leinen, Eric Lieven, Chad Martin, Kevin Polzean, Jen-

nifer Ramthun, Megan Ramthun, Amy Rettler, Michael Schickert, Chad Schoofs, Rebecca Stoffel, Melissa Theusch, Joseph Thull, Angela Vogt, Brooke Waala, Laura Weiss, Christopher Wessing, Jennifer Westerman, Carrie Wiesner, and Tiffany Zehren.

Long-hitting Clark Eichstedt defended his club championship at Hon-E-Kor Country Club in the finals of the 36-hole event on Labor Day with a decisive 10 and 9 win over runner-up Dave Denis.

The KHS Indians will open the 1986 football season in a non-conference home game against Horicon of the Wisconsin Flyway Conference Friday night, September 5. Second year head coach Fran Charland will open the season with a squad that is small physically and in numbers but with some skilled players. The Indians have only eight returning lettermen. They include 200 pound senior running back - defensive end Mike Coulter. Other lettermen include Mark Schlosser, halfback-defensive back; Rick Krahn, guard; Daryl Landvatter, center; Jess Mueller, tackle-linebacker; Rich Straub, guard-linebacker; Keith Ebert, guard-defensive tackle, and Eric Pearson, quarterback. Pearson is the only junior and the leading candidate for that position along with another junior, Rob Baitinger. Other non-lettermen include seniors Bruce Troeller, Troy Zimdars, Tom Stollenwerk, Jason Stuck and juniors, Steve Johnson, Robbie Hron and Mitch Gebheim. Charland will be joined by assistant coaches Richard Bergman, Ken Soerens, Clark Pearson and Joe Harlow.

Daughters were born to Jeffrey and Sheri Bannenberg, Kewaskum, on August 29. and to Ron and Jackie Wilson, Kewaskum, on August 30. A son, Kevin Thomas, was born to Norbert and Joan Keller, Kewaskum, on August 21. A son, Kevin Michael, was born to Jim and Jeanne Hanson, Plymouth on August 21. Kevin has a brother James III, 21 months. Maternal grandparents are Alvin and Janet Panzer Sr. of Kewaskum. A son, Shawn Michael was born to Bonnie Wilhelmi, Kewaskum, on August 28.

The Kewaskum Elementary School opened on Tuesday with another record enrollment. A total of 442 pupils reported as compared with 376 on opening day a year ago.

Fairmont Foods Company of Kewaskum, now under new management, has donated a much needed piece of equipment to the Kewaskum Fire Department in the form of a 1954 model International tank truck. The tank truck will be used mainly by the fire department for fighting fires in the surrounding rural areas where there is a shortage of

water. The truck, which is in very good condition, already has been turned over to the firemen and will be put into use within about two weeks.

The Kewaskum Kiwanis Club will sponsor its ninth annual Live Turkey Shoot on Sunday, September 17, at the Bar-N Dude Ranch, six miles northeast of Kewaskum, on County Trunk GGG, the beautiful Kettle Moraine Drive.

Construction of natural gas distribution facilities in Kewaskum has been moving smoothly and on schedule, according to the Gas Company's district manager, Frank D. Sprtel. Construction of natural gas mains in Kewaskum is virtually completed except for work along Main Street and on the north and south ends of Fond du Lac Avenue. It is estimated that gas service will begin in Kewaskum on October 1.

Friends and relatives enjoyed a corn roast and brat fry in honor of the first birthday of Jodi Ann Ritger, daughter of Mr. and Mrs. Donald Ritger, Kewaskum, on Sunday, August 27. It was not reported if Jodi munched on any corn.

100 Years Ago

August 19, 1911

Arthur Heberer, 23, son of Mr. and Mrs. Heberer of the Town of Auburn, had a narrow escape from death last Wednesday while threshing at August Backhaus' farm about two miles north of this village, when a circle saw struck him and cut a severe wound across his forehead, the bridge of the nose and across the right eye. Mr. Heberer was a member of his uncle, William Heberer's threshing crew. The crew had early in the morning moved their outfit from Emil Ramel's place to the Backhaus farm. While the crew was preparing the machinery, the young man was engaged in sawing wood with the circle saw. In some manner the saw buck, which is attached to the engine, flew back and the circle saw struck the unfortunate man.

Lightning struck the barn of Fred Kempf, New Fane, one day this week. Not much damage was done.

The Boltonville vicinity was visited by a severe electric storm and rain Monday evening. The barn on the Hartman farm was struck and burnt to the ground, with this year's crop of grain and hay and the farm machinery of the renter, Mr. Vorpahl.

Nick Rheingans lately bought the Wenzel Zwaschka farm in the St. Kilian area, consisting of 80 acres at 110 dollars per acre.

September 2, 1911

Miss Elsie Brandt, daughter of Mr. and Mrs. Louis Brandt of this village, last week purchased the millinery stock and business of Miss Emma Staats. Miss Brandt took possession of the place on September 1. The business is located in the Mrs. Birk place on

Main Street.

Fire started at the home of George Wunderlich at Elmhurst, a small village six miles south of Antigo, from a spark of the threshing machine engine. In less than an hour the entire village, including the Wunderlich mill and lumber yard was wiped out. The loss is estimated at between \$175,000 and \$200,000. Wunderlich's loss includes his entire lumber yard, residence and barns. Buildings on the opposite side of the track caught fire and ten

or twelve residences and store buildings were destroyed. All of the village that was saved was a saloon, a church, a small hotel and the Chicago and Northwestern depot.

George German of St. Kilian has his cider mill in operation. Anyone having cider to be made call on Mr. German who gives prompt service.

Vampires Invade!

It's fright night! Vampire-themed goodies cast a spooky spell on ghoulish guests this Halloween. To charm your gathering long past dawn, entertaining experts from Wilton recommend serving an array of lip-smacking snacks and a sip of "blood red" Strawberry Cooler. These supernatural recipe sensations are sure to enjoy your devilishly delicious treats ... and maybe a few tricks.

Vicious-Delicious Vampire Cake

Makes about 16 servings
Pound Cake (recipe available at www.wilton.com)
 3-D Cuddly Bear Pan
 Buttercream icing
 Black Icing Color
 Red Sparkle Gel
 Black string licorice

Prepare pound cake in Skull Pan following recipe instructions. Cool completely. Assemble skull halves, attaching with icing, on cake board or serving plate.

Tint small amount of icing black with icing color. Tint remainder of icing gray with small amount of black icing color.

Fill in indented mouth and eye area with black icing; smooth with finger dipped in cornstarch. Build up cheeks and nose with gray tinted icing. Cover skull with tip 18 gray stars. Add tip 8 black outline eyebrows. Pipe tip 5 white teeth, fangs and eye highlights. Add red Sparkle Gel lips. Insert licorice for hair.

Vampire Fang Cookies

Makes about 2 dozen cookies
Roll-Out Cookie Dough (recipe available at www.wilton.com)
 Lips Comfort-Grip Cutter
 Royal icing
 Black Icing Color
 Red Icing Color
 White spice drops
 Granulated sugar
 White candy-coated gum pieces
 Red Sparkle Gel

Prepare and roll out cookie dough. Cut cookies using Lips Comfort-Grip Cutter. Bake and cool.

Tint royal icing black and red. Use tip 8 and outline lips with red royal icing; fill in with tip 3 black icing; pat smooth with finger dipped in cornstarch. Roll out spice drops on surface sprinkled with granulated sugar; cut into triangles for fangs. Arrange gum "teeth" and spice drop fangs. Overpipe red lips with red Sparkle Gel.

Fright Nite Cupcakes

Each serves 1

Favorite cupcake recipe or mix
 Buttercream icing
 Knife Royal Icing Decorations
 Red Decorating Gel

Bake favorite cupcakes in Halloween baking cups. Cool completely. Spatula ice cupcake top. Insert knife icing decoration; add red decorating gel.

Vampire's Bite Cupcakes

Each serves 1

Favorite cupcake recipe or mix
 Take A Bite Mark baking cups
 Buttercream icing
 Red Decorating Gel
 Red Colored Sugar

Bake favorite cupcakes in Take A Bite Mark baking cups. Cool completely. Pipe tip 22 white buttercream swirl on cupcake top. Add red decorating gel to cut area on baking cup. Sprinkle with red colored sugar.

Freaky Fingers

Strawberry Cooler

Makes about 6-1/2 cups

1 package (16 ounces) frozen strawberries with no sugar added, thawed but still cool
 1 package (.14 ounce) unsweetened strawberry soft drink mix
 4 cups water
 1-1/2 cups lemon-lime soda
 1/3 cup granulated sugar
 Freaky Fingers Candy Straws (see below)

In the bowl of food processor, pulse frozen strawberries until completely pureed. Strain strawberries to remove seeds.

In large pitcher, combine strawberry puree, soft drink mix, water, lemon-lime soda and sugar; stir until sugar dissolves. Pour into glasses; add ice, if desired, and Freaky Fingers Candy Straws. To drink, bite end from finger candy and sip.

Freaky Fingers Candy Straws

Makes 6 fingers per mold

White Candy Melts
 Skeleton Fingers Pretzel Mold
 Drinking straws

Melt Candy Melts following package instructions; pour into Skeleton Fingers Mold. Insert drinking straw where pretzel fits in mold; rotate straw to cover with melted candy. Refrigerate until set, about 15 minutes. Remove from mold.

Werewolves Are on the Prowl!

To raise a few hairs at your Halloween bash, add a collection of werewolf treats that are sure to satisfy your hungry pack. Party guests will be digging their fangs into Wickedly Wonderful Werewolf Pops and Werewolf Furry Finger Cookies. So bring your appetite because the Wilton Test Kitchen has baked up a cauldron of confections for this spooky season ... take a bite.

Wickedly Wonderful Werewolf Pops

Makes about 8 pops

Round Cookie Pop Pan
 2 tablespoons margarine or butter
 2 cups miniature marshmallows
 3 cups crisp chocolate-coated rice cereal
 8 8-inch Cookie Sticks
 Dark Cocoa Candy Melts
 Yellow Candy Melts
 Brown candy-coated chocolates
 Candy corn

Spray Round Cookie Pop Pan and spatula or wooden spoon with vegetable pan spray.

In large microwave-safe bowl, melt margarine and marshmallows together; stir to combine. Add cereal; stir until well coated. Press into prepared pan, leaving top edge uneven. Insert Cookie Sticks. Let cool; remove from pan. Repeat with remaining cereal mixture, reheating mixture in microwave if needed to make it easier to work with. Reserve any leftover cereal.

With knife, cut dark cocoa Candy Melts into fourths; with melted candy, attach 2 to the top of each pop, pointed side up, for ears. Cut 1/4 off yellow Candy Melts; attach 2 larger pieces with melted candy for eyes. Attach candy-coated chocolate pupils and nose. Cut pointed end from candy corn; add to teeth with small pieces of cereal mixture for eyebrows. Arrange pops in seasonal container.

Frightfully Fun Werewolf Cake

Makes about 16 servings

Pound Cake (recipe available at www.wilton.com)
 3-D Cuddly Bear Set
 White Rolled Fondant
 2 dowel rods
 Chocolate Buttercream Icing (recipe available at www.wilton.com)
 Rotary Cutter
 2 each Bright Green and Purple Sugar Sheets!
 Edible Decorating Paper
 Piping Gel (optional)
 1 each Bright Yellow, Light Pink, White and Black Sugar Sheets!
 Edible Decorating Paper
 Flaked coconut
 Brown and Black Icing Color

Bake and cool pound cake recipe in 3-D Cuddly Bear baking pan following pan instructions. Cool completely. Roll two 3 inch x 1-1/4 inch fondant logs; insert dowel rods, leaving 2 inches of dowel rod exposed. Insert into cake for arms.

Spatula ice cake and arms with chocolate buttercream icing, building up ears to a point at top of head. With Rotary Cutter, cut two purple shirt shapes and two green pants shapes from Sugar Sheets! Attach to front and back of bear, wrapping around to meet, using piping gel, if desired. Cut out pink triangles for ears, yellow eyes, black circle pupils and nose, black mouth and white triangle fangs; attach.

Tint coconut with brown and black icing color; press into icing for fur. Tint small amount of chocolate icing black; add tip 22 pull-out star claws on ends of arms.

Clockwise from upper left: Wickedly Wonderful Werewolf Pops, Frightfully Fun Werewolf Cake and Werewolf Furry Finger Cookies

Werewolf Furry Finger Cookies

Makes about 3 dozen cookies

Finger Cookie Pan
 1 cup (2 sticks) butter, softened
 1-1/2 cups granulated sugar
 1 egg
 1-1/2 teaspoons vanilla extract
 1/2 teaspoon almond extract (optional)
 2-3/4 cups all-purpose flour
 1 teaspoon salt
 3 tablespoons cocoa powder

Flaked coconut Brown Icing Drops

Preheat oven to 350°F. Lightly spray Finger Cookie Pan cavities with vegetable pan spray. In large bowl, beat butter and sugar with electric mixer at medium speed until well blended. Beat in egg and extracts; mix well. Combine flour, salt and cocoa powder; add to butter mixture. Beat until well blended. Press dough into prepared pan cavities, filling 2/3 full.

Bake 9 to 10 minutes or until light brown around edges. Cool in pan 10 minutes. Turn pan over; lightly tap pan to remove cookies. Cool completely on cooling grid.

In resealable plastic bag, place coconut with icing color; knead until color is evenly blended. Dry on parchment or waxed paper. Attach in small clumps on cooled cookies with melted candy. Roll out spice drops on surface sprinkled with granulated sugar; cut into fingernail shapes. Attach to cookies with melted candy.

Kewaskum takes second in Cedar Grove-Belgium tourney

By Mitch Maersch
Statesman Correspondent

Kewaskum's volleyball team took second place in last Saturday's Cedar Grove-Belgium tournament and handed one opponent its first loss of the season in the process.

Living Word Lutheran entered the tournament undefeated at 23-0. Then the Timberwolves ran into the Indians.

Kewaskum won, 25-20, 25-21. Kayla Bastian had nine kills, Anna Aycock six and Ashlee Stahl three. Heidi Johnson had 13 assists and Sabrina Boehlke six. Aycock served four aces. Sam Smallish and Kelsey Phillips each made eight digs, Johnson and Boehlke each six and Bastian five.

The Indians weren't so successful against the Timberwolves in the title match, falling 21-25, 25-22, 11-15.

"I think they were mad that we beat them earlier," said Coach Joe Moser. "We started out very poor. I think it was like 0-10 in the first game before we scored our first point. We rallied, but it was not enough.

We played well in the second game and won forcing a game three. We just ran out of time in the short game three which only goes to 15 by not siding out right away. Exciting match, but just couldn't get up on them in the last game to put it away."

Aycock had eight kills and Bastian six. Johnson had 11 assists and Boehlke seven. Johnson made 18 digs, Phillips 17, Bastian 15 and Smallish 11. Phillips was good on 27 of 30 service receptions.

The Indians cruised through the rest of the tournament, sweeping every other opponent. They beat Kiel, 25-10, 25-21; Oak Creek, 25-22, 25-21; and Cedar Grove-Belgium, 25-8, 25-18.

It was the third straight Saturday Kewaskum played in a tournament and fourth in the last five.

"Obviously playing in a lot of tournaments allows us to get more chances to touch the volleyball and play under pressure," said Moser. "We got behind Oak Creek and stayed calm and came back from eight points down. Hopefully we learn from our experience that it is a lot easier playing with a

lead, but not so easy that you can relax. You still have to play hard. We also know now that even if we are down, we are capable of coming back if we play smart."

Last Thursday, Kewaskum swept New Holstein on the road, 25-20, 25-20, 25-11. Aycock had 11 kills and Bastian and Becca Fahney nine each. Johnson had 12 assists and Boehlke 10. Phillips had 17 digs and Bastian 14.

The Indians continue to lead the Eastern Wisconsin Conference with Plymouth and Waupun, all at 7-1. Waupun and Kewaskum's only losses are against Plymouth, and Plymouth's only loss is to Kewaskum. The Indians (23-5 overall) go to Waupun on Tuesday for their final dual match before Saturday's mini-EWC tournament at New Holstein.

First comes Two Rivers (1-4 EWC, 4-12) today at home.

"Team looks good. We are excited for our last couple of conference matches and are focused on finishing them out for a chance at the conference title," said Moser.

Kewaskum's soccer team is looking to build some momentum today against Waupun before the playoffs.

The Indians host Denmark at 1 p.m. Saturday in a regional play-in game. Seventeen teams are in the sectional and Kewaskum has the no. 16 seed. Denmark is 17.

"The goal against Waupun is - we just have to play our type of game. It is a game we should be right in and hopefully can win," said Coach Luke Piwoni. "Hopefully that will give us a little momentum going into Saturday."

A victory in the regular season finale would be an improvement on conference points and wins from last season. Kewaskum is 1-10-1 in the Eastern Wisconsin Conference and 1-17-2 overall. Kewaskum lost at Waupun on Sept. 12, 2-1. The Warriors started the season 0-10 but are now 9-14 and 5-8 in the EWC.

Denmark is 0-11 in the Bay Conference and 0-15-1 overall. Their tie came against Cedar Grove-Belgium.

The winner of that game travels to No. 1 seed Green Bay Notre Dame on Tuesday.

The Indians didn't pick up any momentum on Tuesday in a rematch at Two Rivers. Kewaskum beat Two Rivers, 2-0, on Sept. 8 at home and knew the Purple Raiders would be up for the second game. They got off to a fast start

and cruised to a 6-0 win. It was 5-0 at half.

"We discussed how important it was to come out strong ... well, they came out strong and we didn't," said Piwoni.

Last Thursday, the Indians tied New Holstein, 2-2, at home. They took a 2-0 lead at half on goals by Chad Ray and Ian Kenworthy, but the Ambrose Lisowe tied the game with a goal in the final minutes with his second goal on what Piwoni said was an "incredible" shot.

Lisowe faked out one Indian who stepped toward the ball, and another waited a split second before approaching to not let Lisowe get around him "But because he delayed his step he put it when he needed to," Piwoni said.

Outside the 18, Lisowe scored on a shot off the lower 90 on the far post.

Though the Huskies had the momentum going into overtime, Kewaskum hung tough.

"To the guys credit we hung on and didn't lose," said Piwoni.

Joel Turk made 13 saves in the game.

"We actually came out really well, played a really good first half. We were just playing really good soccer. It was kind of the tale of two halves," said Piwoni.

Going into Saturday, Piwoni said he hopes his team plays competitive and that "something just clicks."

Unbeaten Gridiron teams roll on

By Judy Harlow
Statesman Correspondent

Parents of the Kewaskum Gridiron football players were treated to some pretty good football on Parents Day last Saturday, but only the sixth and eighth grades came away with victories and remain unbeaten.

Seven different players got into the scoring act for the 4-0 sixth grade team, which shut out Germantown Gold, 32-0.

Tony Steger started off the scoring parade with a 60-yard sweep on the second play of the game, followed by his 18-yard run on the Indians' second possession.

Kewaskum got the ball right back when Brent Goeden jarred the ball loose from a G-town ball carrier and Faton Elmazi recovered.

Several plays later, Patrick Krier scored his first TD of the year on a 30-yard scamper, and after Gabe Christianson's rollout run for the PAT, the Indians were up 20-0.

In the second quarter, reserve Matthew Ramthun added a TD after Jack Taylor recovered a fumble.

The Warhawks connected for a long pass late in the quarter, only to fumble, and Andrew Neu recovered the ball.

After a scoreless third period, the Indians got a 19-yard TD from Cole Surprenant, and the final score was a safety, with Elmazi tackling the

quarterback in the end zone.

Connor McFarland and Declyn Gurrath both had interceptions for the winners, who will go up against 4-0 Milwaukee Custer this Saturday.

Scoring three times in the first half, the eighth graders won by a convincing 22-8.

After stopping Germantown on its first series, the Indians put together a nice scoring drive, capped by Josh Baker's 15-yard run. Charlie Witek kicked the PAT.

In the second quarter, Brandon Thull scored on a sweep play, only to have it called back by penalty. Coach Jonesy Korth decided to call the same play, and this time it counted. The PAT was also good again.

Also in the second quarter, Michael Prochnow got into the end zone on a quarterback sneak to cap a 50-yard march.

Germantown got its lone TD in the second half.

"(Sam) Fechter did some outstanding blocking ... so did Zach Thull," Korth said, praising linebackers Steven Nurkala, Eric Doll and Dakota Grauden for staying in position and coming up with interceptions.

The fifth graders (1-3) were shut out by a score of 14-0 in their game against Oconomowoc, but coach Jeff Logan couldn't have been happier with the effort his fifth graders gave.

"Overall, I'm pretty proud of the boys," Logan said. "We played well, but every time we got in a rhythm, we got a penalty."

Defensively, Logan praised linebackers Tanner Goeman and Robby Heinan, along with Ben Grabowski and Logan Degnitz. On the offense, "Alex Sette had some good runs, and (Jacob) Schlosser," Logan said, adding, "(Ryan) Prochnow did nice job at quarterback, passing the ball to Elijah Barth."

The Indians never crossed the Oconomowoc 40-yard line.

At the seventh grade (0-4) level, coach Tom Kudek was confident his boys would play well, but they couldn't contain one of the Germantown running backs.

"We got skunked," Kudek said about the 30-0 loss. "We had some interceptions ... we had fumbleitis."

"Number 26 (Alexander Vogt) scored four of their touchdowns," Kudek went on, explaining he's had years where one or two players would carry the team, but, this year, we just have no one individual ... nothing is clicking."

"(Tyler) Oelhafen was running the ball pretty good, but then he fumbled. We got down to the five and couldn't get it done," Kudek said, adding, "We're not giving up on them yet."

Wet, rainy weather works against Indians

By Mitch Maersch
Statesman Correspondent

In addition to the typical obstacles running long distances presents, Kewaskum's cross country team battled Mother Nature last Thursday at Homestead.

"After warming up in the rain and wind, the athletes were challenged with a slippery, muddy, wet course," said Coach Heidi Korth.

April Stern finished 51st with a 21:43 on the 4-kilometer course. Tess Bandy had a personal record of 21:48, landing her in 58th. Allie Schmidt didn't finish after

falling and spraining her ankle.

For the boys, Jared Sanborn took 43rd in the 5K in 21:37. Ian Airaudi and Matt Vogt ran together and each finished in 24:19, with Airaudi edging Vogt at the finish for 51st.

On Sept. 27, the Indians ran in a quadrangular at Omro. Stern took 23rd in 20:58, and Schmidt was 28th in 23:39.

Sanborn was 25th in 20:27, Airaudi 37th in 21:40 and Vogt 42nd in 21:58.

Today, the Indians run at Campbellsport, the last meet before the Eastern Wisconsin Conference race.

Indians come back from behind to beat Two Rivers

Linebacker Kenny Gigstead (49) takes down Two Rivers quarterback Shawn Shillcox for no gain as defensive end Mike Bier (53) follows for good measure last Friday at Two Rivers. Kewaskum prevailed in its toughest test of the season yet, 38-28, setting up a match of Eastern Wisconsin Conference undefeateds this week against Plymouth.

TWO RIVERS - For the first time this season, Kewaskum's football team had to play an actual game - all four quarters, no joking around.

Two Rivers pushed the Indians to the limit last Friday, and it couldn't have come at a better time. This Friday, the Eastern Wisconsin Conference will likely be decided as fellow undefeated foe Plymouth comes to town. Both teams are 5-0 in conference.

This is the third straight season the EWC comes down to these two teams. Plymouth has prevailed the past two years, going 7-0 in conference to Kewaskum's 6-1.

It almost wasn't the case last Friday. The Indians fell behind 14-0 and were down 20-12 at half. Two Rivers did whatever it wanted to on offense, racking up more than 200 yards on an unusually sloppy Indians' defense.

Purple Raider quarterback Shawn Shillcox ran exclusively out of the shotgun and fooled Kewaskum with fake handoffs and misdirection. Regardless of who had the ball, Two Rivers eluded defenders and ran through arm tackles. Going with the wind, Shillcox hit on a 42-yard bomb to Dexter Smith on a post route, the ball barely sailing over leaping defensive back Joey Wollner's outstretched fingers.

"Some people just overlooked the team," said linebacker Colton Gruber. "Not overlooking to Plymouth but just thinking we could roll over this team."

"I'll take the blame," said Coach Jason Piittmann. "I didn't have us in good positions defensively, but we missed way too many tackles. We just didn't read well and didn't tackle well, and they picked us apart with it."

"First half we came out flat. I don't know. We weren't ready to play, I don't think," said linebacker and wideout Brad Boegel. "We weren't as jacked as

normal."

The Indians came out of the locker room in the second half quite jacked. So jacked, as a matter of fact, they probably could have lifted up a car. Instead, they settled for driving over the Purple Raiders.

Kewaskum scored in less than four minutes on a 78-yard drive. Star running back Eric Perkins, held to a handful of yards in the first half, ran for 63, including the final 16 up the gut. He plowed through the middle of the line for the two-point conversion and the game was knotted up, 20-20.

The Indians forced a three and out on Two Rivers' first possession, aided by a botched snap that lost 11 yards, one of several snapping issues the Purple Raiders had on the night. After a punt, Kewaskum took over on its opponent's 34 and went to work again.

Nine plays later, fullback Teddy Wollner scored from a yard out. Sam Olla's two-point pass fell incomplete, but the Indians had the lead, 26-20, and momentum all on their side.

After another three and out, a low snap on a punt was fumbled, bumbled and stumbled - as Chris Berman would put it - back to the 1-yard line. Olla took it in from there. The two-point play failed, but Kewaskum was

up, 32-20, heading into the final 12 minutes.

The Indians' defense held again, this time stopping a fourth-down pass short of the stick. Four plays later, Perkins looked to be bottled up in the middle of the line, but in the next instance he snuck through and bolted for 52 yards and another touchdown.

The extra point snap and hold wasn't executed, but backup quarterback Michael Holt threw to Boegel for the two-point conversion. But Boegel, normally a wideout, is the long snapper and those guys can't catch passes. With 7:36 left, it was 38-20.

The Purple Raiders mounted a drive late and converted the two-point conversion to cut the score to 38-28, but Kewaskum's Brendan Dowd corralled the onsidies kick like a baby and the Indians ran out the clock.

Perkins ended with 201 yards rushing and two scores on 22 carries, the vast majority coming in the last 24 minutes. Kewaskum did nothing through the air, completing one pass for six yards and throwing two interceptions.

"In the first half we just didn't come out real hard. In the second half we weren't going to let them ruin our perfect season so far," Perkins said.

Adjustments at the break were both tactical and mental. The defense changed its alignment and the entire team changed its approach.

"We knew we had to change it up. We weren't playing Kewaskum football and we needed to pick it up and come out strong," said Boegel.

"We came out. We felt, like, disrespected that they did that to us and we just wanted to get them back," said Gruber.

Kewaskum didn't make excuses for its flat line first half, but remaining in a seated position with arms and legs inside the bus at all times for 90 minutes-plus likely didn't help. Kewaskum is the southernmost EWC team, and Two Rivers the northernmost.

"To be honest with you I think the bus ride makes quite a bit of difference. But we woke up," said guard Joey Herriges.

"Bus rides never help. You get tired on the bus ... but I don't think we should use it as an excuse. You've got to be ready no matter what," said Boegel.

"We shouldn't have excuses like that," said Perkins.

They can't this week. The Indians will use their legs to transport themselves from the locker room to their nearby home field, where Plymouth will be waiting. Kewaskum knows it has to start to play when the clock starts ticking this time.

"We've got to come out in the first half and block everybody well and everybody's got to make their tackles and read our holes better," Perkins said.

"We've got to play better defense and the offense has to get going right away instead of waiting," said Piittmann.

Kewaskum and Plymouth have steamrolled the conference at a Madden NFL video game rate. To date, Plymouth (6-1 overall) has outscored conference opponents, 213-32. Kewaskum has outscored its EWC foes, 247-52.

Kewaskum	6	6	20	6	38
Two Rivers	6	14	0	8	28

Scoring:

1st Qtr 3:06 - TR - Aaron Glysch 4-yard pass from Shawn Shillcox.

4th Qtr 7:36 - Kew - Perkins 48-yard run. 2pt PAT no good; 1:24 - TR - Shillcox 15-yard run. Shillcox 2pt PAT run good.

Stats:

Kewaskum: Passing-Sam Olla, 1-4, 6 yards, 2 INT; Rushing - Eric Perkins, 22-201 yards, 2 TD, Olla, 10-107, 3 TD, Teddy Wollner, 8-44 yards, TD; Receiving - Perkins, 1-6 yards. Tackles: Danny Bohn, Lance Pinchard, 4 each; Kenny Gigstead, Joey Wollner, Mack Donath, Colton Gruber, 3 each.

Total yards: Kewaskum, 356, Two Rivers, 290.

Notes: Eric Perkins now has 1,212 yards and 17 touchdowns on 125 carries. He averages 9.696 yards per carry and 173 yards per game.

The hot chocolate at Two Rivers did not receive good reviews but it was warm on a windy colder-than-expected night. The big cookies are still good, though they got a little cool sitting outside awaiting purchase. The visiting sideline smell altered from dead fish two years ago to a slight stench of sewage this time around.

Tackle Hunger

The KHS Student Government will be hosting a "Tackle Hunger" food drive at this Friday's football game. There will be barrels to drop your items off at the football field. In return for your donation, you will receive a ticket to win one of three baskets of Kewaskum items from the Kewaskum Booster Club. Each basket is worth at least \$50.

You do not have to pay to enter the game to donate and you do not need to be present to win. The ticket winners will be announced at the game and printed in The Statesman.

Please help the community tackle hunger!

\$16.00 expires 10/31/11
