## Scotty McCreery may headline at concert here

Start your Christmas shopping a little early Scotty McCreery fans, those gifts could land yourself and students at Kewaskum High School a concert at November 14. FM-106 of Milwaukee has announced KHS will be among five Metro-Milwaukee schools in a competition for a concert by the young country crooner.

Associate Principal Kris Dreher stated she signed KHS up for the concert contest and was notified Monday KHS was chosen. Now, the school has until Nov. 3 to collect as many Toys 4 Tots Christmas presents as they possibly can because the school with the most presents hosts the American Idol star.

Information will be posted on The Statesman's Facebook page as it becomes available, but here is what is known so far:

Toys must new and unwrapped

At this printing, toys will be accepted at Friday night's football game at all entrances. Toys will also be accepted at all district buildings along with Hair on Main and The Statesman in Kewaskum.

Every toy no matter how small counts as a gift to the contest

Dreher asked any businesses or organizations wishing to get involved should contact her at (262) 626-8427 ext 4130.

## School mill rate to rise by 33¢

By Mitch Maersch  
Statesman Correspondent

The Kewaskum School District's mill rate is rising by 33 cents after the School Board on Monday approved the 2010-11 budget.

The district's mill rate rises from \$8.66 to \$8.99 per \$1,000 of equalized value. The owner of a \$150,000 home will pay \$1,348.50 in taxes, up \$49.50 from last year's \$1,299.

The increase is mostly driven by the district's property value decrease and less state aid, said the district's business administrator, Paul Reichert. The district's property value decreased by 1.78 percent, or \$22.3 million. The district's property value still exceeds \$1.2 billion.

State aid decreased by 1.8 percent, or \$175,328, to \$9,833,709.

The tax levy's general fund, paid for with local school taxes, is rising 1.8 percent, or \$174,589, to \$9,795,391. Had state aid not decreased the levy could have remained the same.

"If we just got the same as last year we would not have to raise the tax levy," Reichert said.

The total budget is \$26,115,471, up 1.2 percent, or \$313,292, from last year.

District enrollment dropped by 23 students to 1,978 with the high school seeing the biggest shrinkage. It is down 61 students from 722 to 661. The middle school, however, is up from 355 to 389.

Open enrollment, the state program in which families may send their children to any school district, continues to cost Kewaskum money, but the loss has been decreasing in the past few years. Kewaskum loses 146 students to other districts - and the state's per-pupil aid along with them - and picks up 91. The net loss is \$378,154, down from last year's \$387,250.

Open enrollment losses have been decreasing since 2005-06 when the number topped out at \$644,184.

The budget includes the second year of the spring's teacher contract settlement. In 2010-11, teachers will receive a 1.25-percent pay raise and a total salary and benefit increase of 3.82 percent.

The budget also includes the laying off of six teachers, the first time Kewaskum had to do that in at least a decade in order to help balance the budget.

Starting pay for a teacher goes up to \$33,171 from last year's \$32,671. Top pay increases from \$75,969 to \$76,919. Employee salaries and benefits make up 76.2 percent of the budget, up from 75.6 percent from last year but in line with 75.6 percent from 1997-98. The percentages have fluctuated since then from 77.1 to 70.5.

"We're in fairly good shape compared to some other districts in the low 80s," Reichert said.

The budget passed, 6-0, with no discussion aside from Reichert's presentation. Bill Kesting was absent.

Where the Kewaskum School District's money comes from (last year's percentages in parentheses):  
Property taxes - \$9,795,391, 43.7% (43)  
Equalization aid - \$9,833,709, 43.9% (44.7)  
Grants - \$1,043,675, 4.7% (4.6)  
Other - \$1,005,956, 4.5% (4.3)  
Categorical aids - \$717,200, 3.2% (3.4)

Where the money goes:  
Salaries and benefits - \$17,066,719, 76.2% (74.4)  
Transportation & utilities - \$1,657,745, 7.4% (6.9)  
Other - \$1,624,824, 7.3% (7.3)  
Supplies and equipment - \$1,076,158, 4.8% (6.9)  
Open enrollment - \$970,485, 4.3% (4.1)

## Tourism touted at 'Walk with Walker'

First Lady Tonette Walker and State Representative Dan LeMahieu lead the hike along the Tamarack Trail at Mauthe Lake.

By Mitch Maersch

mitch@kewaskumstatesman.com

**TOWN OF AUBURN** - A little state royalty stopped by Saturday to take in the sights and sounds of Northern Unit of the Kettle Moraine State Forest.

First Lady Tonette Walker and Secretary of Tourism and former host of the TV show "Discover Wisconsin" Stephanie Klett led the Walk with Walker to promote tourism and fitness.

More than 40 people came out on a warm and sunny morning for a continental breakfast provided by the Coffee Corner and about 60 took the scenic, 2.1-mile trek around Mauthe Lake. Mike Desterhott of the nearby Parkview General Store even provided personalized bags of kettle korn, and active Kewaskum resident Kevin Stautz took photos.

The Walk with Walker initiative started back when Scott Walker was Milwaukee County executive. It was suggested it continue if he

became governor, and Tonette met with the Department of Tourism.

"It's a great partnership," she said. "I think things are on the up and up with tourism."

Klett said tourism in Wisconsin is a \$12.3 billion industry. She had never been to Mauthe Lake and highlighted some other Washington County attractions like Holy Hill, the Wisconsin Automotive Museum and the annual Hartford Balloon Rally.

"I really think Washington County is one of our best counties," she said.

It was noted Mauthe Lake actually is in Fond du Lac County. The Northern Unit of the Kettle Moraine Forest covers parts of Washington, Fond du Lac and Sheboygan counties.

The best part, Klett said, is it's not going anywhere.

"You can't take these great natural resources out of our state," she said.

Kettle Moraine Naturalist Jackie Scharfenberg served as

Statesman Photo by Mitch Maersch

tour guide and provided some background and detail of the area.

The Kettle Moraine State Forest was established in 1936 and has become one of the top five busiest properties in the state forest system, attracting 6,000 to 9,000 visitors per year.

Mauthe Lake, a melted block of ice left by glaciers, offers 136 camp sites and nearby Long Lake another 200. The forest includes 32 miles of the Ice Age Trail.

Gino Guidice, director of tourism for the Kewaskum Area Chamber of Commerce, helped organize the event.

"It went really well. We had a pretty good turnout overall," he said. "The weather was perfect. Jackie Scharfenberg did an outstanding job on giving us information on the trail."

The Kewaskum Chamber was responsible for landing Walker and Klett at Mauthe Lake, after months of marketing work.

"The feedback from the Tonette Walker's group and Stephanie Klett has been awesome," said Guidice. "They were very happy. They were very pleased."

## West Bend's Brodzy's Auto moving to Kewaskum

By Andrew Kuehl

A West Bend auto repair facility is moving to a Kewaskum building with a long standing automotive history. The new location for Brodzy's Auto is set to open November 1.

Remodeling has been taking place in the former Kewaskum Motorcars building at 1242 Fond du Lac Avenue, south of The Old Hotel.

Brodzy's Auto was located on Barton Avenue in West Bend and is owned by Mark Brodzeller. Village of Kewaskum Zoning Administrator Chad Cook stated he has had brief discussions with Brodzeller about the project.

According to local historian and former Village Administrator Dan Schmidt, Kilian Honeck Sr. erected the building in 1936. It was remodeled and expanded several times. Honeck sold the business to his son, Kilian Honeck Jr. in 1946. The Honeck family operated a very successful Chevrolet franchise and auto repair facility according to local

accounts.

The Neuville family of central Wisconsin purchased the dealership from the Honecks in the early 1990's. Julian Laufer later purchased the dealership in the late 1990's and ran Kewaskum Chevrolet-Geo.

The Kewaskum Chevrolet-Geo would end with Nodell Chevrolet who was the next dealership to occupy the building. General Motors took back the Chevrolet franchise in the fall of 1998 as part of their "Year 2000 Plan" that closed smaller dealerships.

Starfire Motors would then open in 2000. The Schlitt family ran a successful used car dealership but closed towards the end of the decade. Kewaskum Motorcars was the last automotive dealership to call 1242 Fond du Lac Avenue home. DTS Transmissions occupied the building's mechanic shop until closing this past month.

As far as Village records go, Cook says Janice Honeck, Kilian Jr.'s widow still maintains ownership of the property.

## Peace UCC joins mission to feed the hungry

During the first 11 days of November, members of Peace United Church of Christ will join a shared UCC mission to feed the hungry and confront food-related injustice. A coordinated national mission campaign from 11/1/11 - 11/11/11 aims to collect more than one million food and household items for local food banks, and advocate for hunger-related causes, domestically and around the world.

The greater Kewaskum community is invited to share this opportunity to live out its faith in unity, by offering the worship God most desires: loosening the bonds of injustice and sharing our bread with the hungry. By helping our neighbors near and far, we join together to more fully

realize Jesus' prayer: "That they may all be one."

On the local level, Peace Church is seeking to collect between 1,111 and 11,111 food and household items for the Kewaskum Community Pantry, and invites everyone in the area to join the effort. Together, local residents can be God's instruments of change. Food and financial donations are welcome from any congregation, service organization, business, or individual. Donations may be delivered to the pantry on Tuesdays and Thursdays from 4:00-6:00 PM, to any area church, or Geidel's Piggly Wiggly.

More information on Mission:1 may be found at [www.ucc.org](http://www.ucc.org).

## Be a 'deer' to village newcomers

By Lana Kuehl

**KEWASKUM-** Four deer, two female and two youngsters, were spotted Monday evening, October 24 around 9 p.m., taking their evening sabbatical, walking lazily down Brooklane Drive in Kewaskum.

The four seemed to be taking advantage of the warm weather and smooth village sidewalks as they proceeded southeast along Brooklane. But as women sometimes do, they apparently changed their minds as they then veered in a more southerly direction, heading between Marcie Harbeck and Sylvester McNamara's homes. (Probably remembered Toyland is now open at Fleet/Farm in West Bend, or perhaps the thought occurred to them to pick up some extra camouflage clothing for the upcoming hunting season to help keep the young 'uns out of harm's way).

Minutes later, while lolly-gagging on the still-green lawn and discussing their plight, the gang decided to look both ways and cross Brooklane and head due north. It is a miracle a car/deer pileup on Brooklane was avoided, because these four were just taking their grand old time and enjoying the view.

This investigative reporter circled the Brooklane, Western, Forest and Midland block several times, but to no avail. The darkness of the backyards on this block made it impossible to spot the crafty animals.

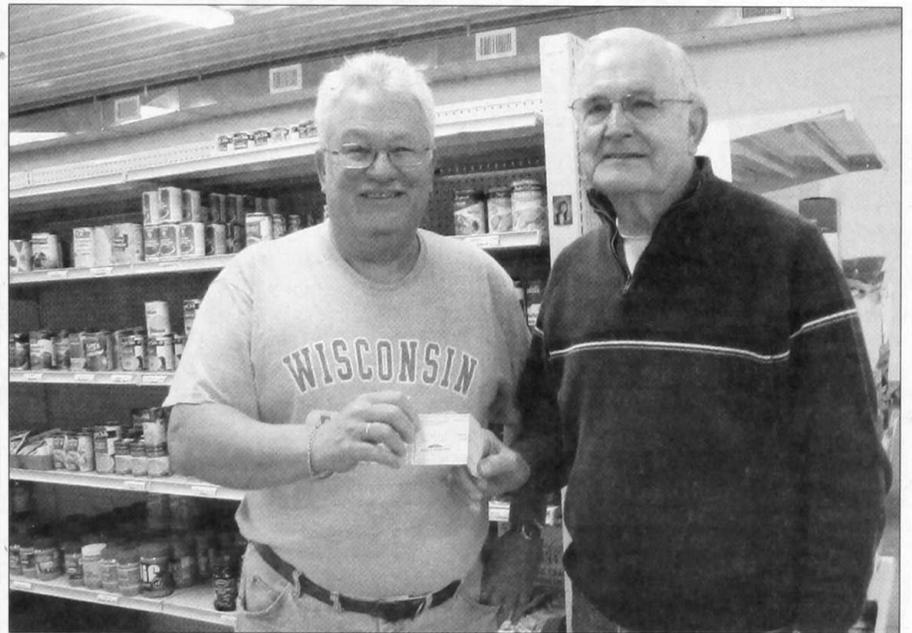

It is possible, they decided to take a short break and have a picnic lunch in Mike Smith's backyard, but this reporter was not about to jump out of the vehicle in a mad search for the animals. I would have probably had to subject myself to buckshot or suffer severe humiliation as I would try to explain my actions to the local gendarme. Neither of those possibilities seemed like an extraordinarily good idea at the time.

Having lived nearly my entire life (and that is quite a few years) in Kewaskum, this is the first time I have ever seen one deer in the village limits,

much less four! And to squelch any future rumors, I had not had even a little bitty drop of alcohol. It was a Monday night for goodness sake, I did not even put wine in the Swiss Steak.

I would like to further speculate that this group? (herd, litter, what do call more than one deer?) have decided with the deer hunting season

## Kettle Moraine Kar Club makes donation

Roger Strack of the Kettle Moraine Classic Kar Klub presents a check in the amount of \$200 to Tom Knorr for the Kewaskum Community Pantry. This is not the first time they have helped out the Pantry with a generous donation. The Kewaskum Community Pantry is always appreciative of funds any business or organization can give us to help out the needy family's in our community.

so close at hand, they probably want to relocate and were searching for appropriate housing in the village where it would certainly be illegal to fire off a shot. Very smart, little deer, very smart!

On the other hand, perhaps

they were just going over their route for Trick or Treat on Saturday.

Perhaps it may be a good idea for the villagers on the west end of town to add a few cobs of corn to their treat bowls for this weekend. And please, let's

be sensible... no camouflage costumes! We want our new residents to feel welcome.

If you too have seen our new neighbors, please call The Statesman office so I can stop taking the meds my sons are suggesting.

## Rotary Clubs gear up for 2011 Enchantment in the Park

**WEST BEND** - With more than 500,000 lights to showcase, work has already begun to set up this year's Enchantment in the Park. Volunteers are spending 1000s of hours in creating a light-show for visitors to enjoy.

Enchantment in the Park will again boast various types of entertainment including the ability for attendees to listen to holiday music on their car radios in coordination with the light show. Santa's Chalet, an Ice Castle and Santa's Playground have all returned to be upgraded. There will also be more carriage rides, entertainment and

performances between the opening and Christmas.

"We are excited to move forward with our efforts to set up the holiday light show this year for visitors to view," says Mike Phillips, Steering Committee Chairperson at Enchantment in the Park.

The primary mission of Enchantment in the Park is to feed the hungry with donations from families who enjoy the enchantment of the holiday light show, The Silver Lining Ice Castle and Santa's Village. Last year, participants donated over 48,000 non-perishable food items, more than doubling the goal.

Non-perishable food items were distributed to several food pantries throughout Washington County.

The 2011 Enchantment in the Park Holiday Light Show is scheduled to begin the day after Thanksgiving and run through the end of December at the Washington County Fair Park. Admission is a suggested free will donation of \$10 per car or non-perishable food items or both.

## KHS Key Club to hold senior citizen Thanksgiving dinner

Seniors in Kewaskum will get an extra Thanksgiving treat once again this year. Best of all, it comes without charge!

The Kewaskum High School Key Club will be holding their annual Senior Citizens Thanksgiving Dinner on Saturday, November 12 from 11 a.m. to 12:30 p.m. There is no cost for this outing, and no

reservations are needed. Just come as you are and enjoy a pleasant gathering.

The menu will include traditional favorites such as turkey, dressing, mashed potatoes, vegetables, and dessert.

Key Club is a student run organization sponsored by the local Kiwanis Club.

## Public meeting set for US 41 modifications in county

The Wisconsin Department of Transportation (WisDOT) Southeast Region in Waukesha is announcing a public information meeting to discuss reconstruction of the US 41 / WIS 144 Interchange in Washington County.

The meeting will be held Wednesday November 2, 2011 4:30 p.m. to 7 p.m. at the Town of Polk Town Hall, 3680 State Highway 60.

The meeting will be held as an open house so the public can attend at their convenience. No formal presentation will be given.

Proposed improvements include reconstructing the US 41 / WIS 144 interchange, as well as reconstructing WIS 144 from just south of Overlook Drive to just north of the County NN / Arthur Road intersection. WIS 144 will be constructed in stages under traffic. Construction of the project is anticipated to begin in spring 2014.

The public is encouraged to attend the meeting, provide input and ask questions

concerning this project. Maps showing the proposed improvement will be on display. WisDOT representatives will be available to discuss the project on an individual basis.

The Town of Polk Town Hall is wheelchair accessible. Citizens who require an interpreter may request one via the Wisconsin Telecommunications Relay System (dial 711). If you cannot attend the meeting, but would like to provide input, please contact Douglas A. Cain at (262) 548-5603.

## Village Trick or Treat hours

Village of Kewaskum residents will again celebrate trick or treat on a Saturday for 2011. The Village Board set trick or treat hours at 5-7 p.m. on Saturday, October 29.

For questions relating to trick or treat, please contact the Kewaskum Police Department at 626-2323.

## Ecumenical Choir looking for singers

Anyone who likes to sing has a chance to get involved with the choir that sings at the Thanksgiving Eve Service that will be held at Holy Trinity Catholic Church this year. The service will be at 7:00 on Wednesday, November 23 with Kewaskum House of Prayer, St. Michaels Catholic Church and Peace United Church of Christ participating in the service with Holy Trinity.

Interested singers should come to the two rehearsals that will be held at Peace Church on Wednesday, November 2 and also on Wednesday, November 16. These rehearsals will be at 7:15 PM in the Peace Church Choir Room.

If you are interested in joining us you may just show up at the rehearsals or call Larry Ammel at 626-4731 for more information.

## Annual Campbellsport Halloween Caper Thursday

**CAMPBELLSPORT-** Are you and your family looking for a great family event that helps the local community at the same time? Check out the Halloween Caper hosted by the Campbellsport Area Chamber of Commerce today (Thursday) at Campbellsport Elementary School.

The Caper is such a unique event that no matter the age, from toddlers and kids to tweens and teens to parents and grandparents, all will have a spooktacular time. Events vary widely but all will have a Halloween theme.

Joining the event this year will be Grandpa Fred Turk. He will be performing one show at 6:30 p.m. Grandpa Fred Turk uses his banjo and puppets to introduce his humorous, original songs. He wrote his songs, that stress themes familiar to children such as family, school, and animals, during his 30-plus years of teaching elementary students. Songs include audience participation and many have children performing with him on stage using puppets or other props. He believes that children should be the "stars" of the show.

The traditional hay rides, courtesy of the Campbellsport FFA alumni, will run from 5:30-9 p.m. The hay wagons will stop at various haunts throughout the village of Campbellsport.

One of the stops is the famous haunted hallway at Campbellsport High School, which will be open for this one

night only. The haunted maze at St. Matthew School is your next stop and promises to be fun and scary.

One additional stop will be at the Campbellsport Cemetery. The Chamber couldn't resist the urge to go through the cemetery at Halloween. This will be an educational stop, everyone on the wagon will learn about a Campbellsport resident who was instrumental in the history of the village.

The Campbellsport 4-H Club is again sponsoring a craft booth where children can make Halloween decorations. The craft tables will be open from 5:30 - 8 p.m. Face painting will be sponsored by the Campbellsport Chamber of Commerce.

A tasty menu of seasonal good eats will again be available for everyone. It will feature hot dogs, walking tacos, pizza from Ty's Place, grilled cheese and much more. Armstrong Apples will offer tasty carmel apples. A wonderful selection of food will be available for purchase starting at 5 p.m.

Two new additions in the food area will be Kelley Country Creamery and Parkview General Store. Kelley Country Creamery will have ice cream while Parkview General Store will have their famous Kettle Corn.

For those who love to play games, National Exchange Bank will be having oodles of games for all children. The games will run from 5:30 p.m.-

8 p.m.

A Wii system will be set up for the older children. They can register to participate in a Wii games tournament. You can play all your favorite games, including Just Dance and bowling, to see who is the best. This will be sponsored by the Chamber, Campbellsport Elementary School and Fire Bug Car Wash.

Costumes are encouraged for children and adults to add to the Halloween spirit. A children's costume parade and costume contest will be held at approximately 7:15 p.m. or right after Grandpa Fred Turk's show.

Mood music will be provided by DJ "RPM" of Campbellsport. The music will run from 5 - 8 p.m.

You will again be able to have your children's fingerprints taken and put on a card that you keep in case of an emergency. This will be sponsored by the Campbellsport Police Department.

Everyone will be able to capture this fun event on film. The Chamber is setting up a pretty fall scene where a chamber member will take pictures of children and families. Photos will be posted on the chamber's Facebook page and can be downloaded.

There is a \$5 fee to attend; children under three will be free. For more information, please visit the chamber's Facebook page. The Caper runs from 5 - 9 p.m.

## Ghost Hunter to speak at CPL

Join in at the Campbellsport Public Library on Halloween weekend to Visit the Beyond. On Friday, October 28 at 7 pm, professional ghost hunter Curt Strutz will take you into some of the nation's most haunted locations. He has visited battlefields, deserted asylums, historic locations, and known haunted residences around the USA. Photos, video and testimonies will be reviewed, as well as the history behind each location. Time is also spent discussing different tools used by a "ghost hunter" and possible theories about ghosts and haunted activity.

Curt Strutz can be seen hunting ghosts on the television program Paranormal Generation. You can watch his show online at <http://paranormalgeneration.com>. When Curt is not hunting ghosts he performs as a professional standup comedian, a ventriloquist, a balloon artist and is an avid bass fisherman.

Mr Strutz's shows are not only great presentations for folks interested in ghosts and ghost hunting, but also for big time history buffs. The presenter does warn that some of what he talks about is not appropriate for children under the age of 13. This program is free. Registration is not required. Light refreshments will be served.

If you have any questions please call (920) 533 - 8534 or email [director@campbellsportlibrary.org](mailto:director@campbellsportlibrary.org). The Campbellsport Public Library is located at 220 North Helena Street, Campbellsport WI 53010. The Library is open Monday 9 - 8 pm, Tuesday and Wednesday 9 - 6 pm, Thursday closed, Friday 9 - 6 pm, Saturday 9 - 12 pm and Sunday closed.

## New event to benefit HOPE Scholarship Fund

## UW-WC Prepares for Fish Fry Frenzy

**WEST BEND** - If you enjoy a good fish fry, then you won't want to miss UW-Washington County's first annual Fish Fry Frenzy event, where who has the "Best Fish Fry in Washington County" will be determined. Seven popular area restaurants will be serving up delicious fish and sides from 4:30pm to 8:00pm on Thursday, November 3 in the UW-Washington County gym. For \$20, adult ticket holders will enjoy fish and one side from each of the seven restaurants, plus a free dessert, and beverages. Children's tickets (ages 7-14) are just \$7.

In addition to good food, the evening promises lots of fun. Area musicians including the Hillman Singers, Jeff Winard, the Polka Guy, and the Milwaukee Ukelele Club will provide live music. For added excitement, every half-hour, a mega competition is being planned. Event goes will be able to watch on the big screen as energetic minnows race to the finish line. Weighing in at sizes ranging from one

ounce to a whopping 2 ounces, the minnows are up for sponsorship for only \$5 each (which includes naming rights too).

Participating restaurants for Fish Fry Frenzy include: Bryan's Catering (The Columbian), Call of the Wild, Emily's, EZN, MJ Stevens, Riverside Brewery and Schwai's Catering. Desserts will be provided by Imagine Coffee House & Catering Co. Beer and root beer samples are courtesy of Riverside Brewery, West Bend 7-Up Bottling Company will provide soda, and Jeff's Spirits will offer domestic beer and wine selections.

All event proceeds will benefit the campus HOPE Scholarship fund. The HOPE fund is a special program created by the Washington County Campus Foundation to help selected students with their educational expenses at UW-WC. H.O.P.E. stands for "Helping Optimize Potential Excellence." According to Iva Thelen, Executive Director

of the Washington County Campus Foundation, "Often times, finding a way to pay for college can be the one critical factor that determines whether a student will attend college or not attend. We created this event to help support financially challenged students in our community through our HOPE Scholarship Fund. This is why we are very excited to introduce this exciting new annual event to the community! It will make such a difference in our most vital community resource, our citizens," Thelen said.

A panel of judges that includes UW-Colleges & UW-Extension Chancellor, Ray Cross and UW-WC Dean, Paul Price, will determine the best fish fry. In addition those in attendance will have an opportunity to vote for Washington's County best fish fry, earning that restaurant the "People's Choice award."

For tickets, contact UW-Washington County at 262-335-5208 or any of the participating restaurants.

Moraine Park board member will represent central region

## Vernon Jung elected for the ACCT Board of Directors

Vernon Jung

Moraine Park Technical College recognizes district board member and alumni Vernon Jung on his election on the Association of Community College Trustees (ACCT) Board of Directors. Jung, of Kewaskum, will be representing the Central Region, which is comprised of Minn; Wis; Ill; Ind; Mo; Kan; Ky; Mich; and Ontario, Canada.

"I am pleased and excited to have Vernon represent ACCT and Moraine Park on a national level," said Sheila Ruhland, Moraine Park president. "Vernon has served on the MPTC district board for 17 years and continues to do an outstanding job advocating for career and technical education and supporting the mission and goals of the College. The College is proud of Vernon's accomplishments and we look forward to his leadership at the local, state and national level." Jung has attended ACCT events at least once a year since coming on the Moraine Park district board in 1995. He has served on ACCT committees for several years, presenting three times at ACCT events.

ACCT is a nonprofit educational organization of boards who govern over 1,200 community, technical and junior colleges in the United States and beyond. Jung will now play a larger role in the organization making decisions that affect over 11 million students annually.

"The ACCT Board is comprised of just 26 elected trustees among more than 6,500 members. Wisconsin represents a very small portion of ACCT's total membership, so it's a testament to Vernon's reputation among his peers to have him elected to this important position," said Pat Costello, president of the Wisconsin Technical College District Boards Association.

As an ACCT representative, Jung will focus on many subjects relating to career and technical education but plans to address student completion as much as possible. "There are many factors that are affecting student retention," said Jung. "I plan to work with other

ACCT leaders to address and ensure our students are not only enrolling but successfully completing their programs of study." Jung added that it's important to learn and work with other states in key areas affecting community and technical colleges. He plans to share his experiences and bring back information to Moraine Park's district board.

Jung graduated from Moraine Park in 1983 in Machine Tool Technologies. Jung received Moraine Park's Distinguished Alumni Award in 2001 on behalf of his dedication and service to the College. It was during a visit back to the West Bend campus in 1995 that Vernon's passion for technical education truly emerged — Vernon saw dated technology that he had used a dozen years earlier and knew he had to get involved to make a change. Shortly after, Vernon joined the board and got to work.

"As a manufacturer and a Moraine Park graduate, Vernon has always been an important voice for the role technical colleges play supporting a strong manufacturing sector and high-wage job creation. It will be great to have Vernon bring this voice to a prominent national position," said Costello.

Lowell Prill, who started on the Moraine Park district board in July, attended the ACCT conference with Jung and was present for his election to the Central Region. "With Vernon's many years of expertise and involvement with ACCT, he is well qualified for the position and will be an asset to the national board as Central Region Director."

For more information on ACCT, visit [acct.org](http://acct.org). For more information on Moraine Park, visit [morainepark.edu](http://morainepark.edu).

## Kiwanis Students of the Month

Joseph Herriges

Joseph Herriges and Corey Frohna were recently named Kiwanis Students of the Month.

Joseph is the son of Jacqueline and Mark Herriges. He has been an athlete at KHS, participating in football and baseball for two years. Last year, Joseph was inducted into the National Honor Society and also represented his class on Prom Court. He has been an active member of the swing choir, Peers 4 Peers, the freshman mentoring program, high school musicals and Solo & Ensemble competitions. Joseph plans on attending a

Corey Frohna

four-year college and is currently undecided on his major.

Corey is the son of Evangelina and Matthew Frohna. Throughout high school he has been involved in chess, forensics, mock trial and academic decathlon. Corey is a member of student government, the freshman mentoring program and was inducted into the National Honor Society last year. After graduation, Corey plans on attending UW-Madison to obtain a degree in the business field.

## Fellenz receives volunteer award

On October 13th, Sue Fellenz of Kewaskum was presented with the Prevention Network of Washington County's community volunteer award for her work with Kewaskum Cares About Kids. "Sue has been helping with KcK for the last three years. She has helped at every event and is currently creating a facebook page for KcK. Her kindness and helpfulness are greatly appreciated," says Linda Dymond who presented her with the award.

# Exchange students getting a taste of Kewaskum

From left, Kewaskum High School's foreign exchange students this year are Gabriel DePaula from Brazil, Ana Pardo Lôpez from Spain, Silvana Trevale from Venezuela and Katharina Schott and Till Müller, both from Germany.

Five foreign teens are getting a taste of America

**By Mitch Maersch**  
mitch@kewaskumstatesman.com

for at least several months, and that's one of the biggest differences between here and their homelands.

Kewaskum High School's foreign exchange students sat down last week to talk with the Statesman during lunch hour, something they don't have in

schools back home. They go home to eat after school.

Till Müller and Katharina Schott are both from Germany, Gabriel DePaula is from Brazil, Silvana Trevale is from Venezuela and Ana Pardo Lôpez is from Spain.

All have been adjusting to the typical Wisconsin menu.

"They've got very much cheese here," said Müller.

Trevale said the milk here tastes "so good" and it works well as the major ingredient in

another favorite food.

"I love the ice cream here. Culver's - oh my God it's so perfect," she said.

"I like the ice cream, too," said DePaula.

All agreed the fast food choices here are much greater than in other countries. Müller said Germany only has McDonald's, Burger King and Subway.

Trevale said she loves Noodles and Co.

Most agreed their

American families eat out much more often than their original versions. Schott said her German family only eats out three times per year.

When their host families do cook, the microwave is used much more often, as are processed foods.

"For me everything here has sauce. We only use oil instead of butter," said Lôpez.

Trevale took liking one American dish.

"I was happy to try a s'mores, oh my God," she said.

In what may all too soon become the official welcome to Wisconsin, DePaula and Trevale said they have never seen snow. The others have only experienced a few inches worth. Trevale said she wants to try snowboarding.

Müller said he already noticed one difference in the weather.

"It's much windier here," he said. The students were interviewed on the day of a wind advisory.

The landscape is evidently different than in Venezuela.

"When I first get here, one of the surprises - everything is green. Everything is golf course, it looks like," said Trevale.

Schott said she got to try milking a cow for the first time as her host sister works on a farm. Trevale said she visited a farm as well and had fun.

Most find school relatively easy here compared to back home, and they don't like having the same classes every day.

They quickly made logical observations on the high school's block schedule, saying it works for some classes like art but not as well for others.

Trevale said the

technology in school here is very good, and Lôpez agreed.

"They spend a lot of money on education," she said.

The difference in the drinking and the driving age from their home countries has been dually noted. In Germany, the drinking age is 16 but driving age is 18. In Spain, Brazil and Venezuela, the drinking age and driving age are both 18.

Trevale said the parties are crazier in Venezuela and Lôpez said they party more often in Madrid. She said in Spain when she goes out with her friends it's usually to a park where here the location is always indoors.

Schott instantly noticed the value of having access to a car to get anywhere. It's a challenge if you're not 16.

"You have to make friends with someone who has a car," said Müller.

He said everyone here is friendlier than in Germany.

"I've never met one who's not friendly," he said.

Trevale agreed, but Lôpez said people here are "kind of cold."

They've all been here one or two months and have experienced homesickness, but the host families help make them feel at home.

"In my opinion the families are really nice to us and they try to make the best," said Lôpez.

In addition to food, they're favorite part so far has been to experience a different culture. They have enough self-awareness to know it won't last long.

"It's going to go really, really fast," said Lôpez.

## Wisconsin 4-H Youth Conference held

The Wisconsin 4-H Youth Conference was held on June 27-30. Out of the Washington County 4-H, six members were chosen to go to Madison for the conference. Moriah Hensler, Emily Huiras, Bethanea Kottwitz, Nadia McCormick, Katrina Pedrick and Shelly Zancanaro were chosen to represent Washington County 4-H.

We stayed in dorms at the University of Wisconsin, Madison. When we arrived, we settled our stuff in our rooms. We all had a roommate. After we were all settled, we had a tour. You get to sign up

for the tour you want when you sign up for the conference. We ate dinner at the Gordon Commons after our tour.

We ate a buffet meal at the Gordon Commons for all our meals. During the days, usually around dinner, we would have delegation photos. We received a photo of the group at the end of the trip.

After dinner we would have assemblies. The assemblies were interesting and interactive. After the assemblies, we would have free time or a dance. In that time, you can hang out and meet new people. Every night

at 10:00, we would have floor meetings. We would discuss the next day.

On Tuesday and Wednesday, we had seminars. You get to choose the seminars, but you might not get your first pick. We had to go home on Thursday.

So if you are in 4-H and in the grades 7-10 I would advise you to apply. It was an amazing experience to meet people from 60 counties in Wisconsin.

## KEY Club to Trick or Treat for UNICEF Saturday

You are never too old to trick or treat, especially when it's for a good cause. The Kewaskum High School Key Club will be trick or treating for UNICEF to benefit The Eliminate Project: Kiwanis Eliminating Maternal and Neonatal Tetanus. One baby dies every nine minutes from tetanus. More than 100 million

women of childbearing age need protection from this painful, yet highly preventable disease. Roughly \$1.80 billion provides a series of three vaccine doses to protect a mother and her future newborns. Please show them your support when they ring your doorbell this Saturday by making a donation.

When one of these looks you in the headlights look for one of the only body shops in the downtown Kewaskum area.

Donna was preceded in death by her parents; brother, Michael; sister, Susan; parents-in-law, Elmer and Betty Ponath; sister-in-law Gloria (Herbert) Fry; and nephew, James Boylen Jr.

A gathering of family and friends will be held on Saturday, October 29th from 1:00 pm - 4:00 pm at the Myrhum - Patten Funeral, West Bend.

## FRANCELIA M. WESENBERG

Francelia M. Wesenberg, 75, of West Bend passed away on Sunday, October 16, 2011 at her home.

She was born in Campbellsport on July 14, 1936, the daughter of the late Ray and Irene Enfeldt Gessert.

On Oct. 20, 1956, she married Robert Wesenberg at St. Matthew's Catholic Church in Campbellsport.

Francelia worked for Gilbert Shoe Company in Campbellsport, Amity Leather in West Bend, and Seneca Foods in Jackson before retiring.

She was a member of St. Lucas Ev. Lutheran Church in Kewaskum.

Survivors include her daughter, Margaret Krzewina; her grandson, Kyle Wesenberg; her sister-in-law, Ann Gessert;

other relatives and friends.

She was preceded in death by her husband, Robert on April 22, 1994; her son, Dennis and his wife, Carol; her son-in-law Gordy Krzewina and her brother John Gessert.

A cremation is planned with a memorial service to be held in the future. In lieu of flowers, send sympathy cards, letters, or memorials.

Twohig Funeral Home, Campbellsport is serving the family.

## IN MEMORY

In memory of AL ROHLINGER, who passed away three years ago on October 30, 2008.

Where the loveliness never dies,  
He lives in the land of glory,  
Mid the blue and gold of skies.

Gone from us who loved him,  
Into the heaven of peace,  
The home of our loving Saviour  
Where his soul is happily at ease.

His life is a beautiful memory,  
His absence is silent grief.  
He sleeps in God's soft garden,  
In the sunset of perfect peace.

*Sadly missed by  
Janet, Ben  
Diane & Randy*

## THANK YOU

Thanks to all who sent get well cards and said a prayer while I was a patient at St. Luke's ICU.

## 50 Years Ago

September 12, 1961

After 50 years of dedicated service, Harry Schaefer has resigned as Chief of Kewaskum's volunteer fire department. The board appointed Armin Oppermann, Assistant Chief, to fill the post on a temporary basis. During Mr. Schaefer's reign as chief, the fire department has undergone monumental changes. From hand-drawn equipment with the river and the Rosenheimer Malt and Grain Company well, the only dependable sources of water in 1931, to our modern department equipped to fight all types of fire in any imaginable place in 1961, the progress is unbelievable.

Wally Cudnohoske has opened a Mobile service station in the Lee Honeck garage building on south Fond du Lac Avenue. Wally has leased the building from the Mobile Oil Company which had which had previously leased it from Honeck. The new proprietor took over the business on September 9.

Thirty-two children started school in the first grade at Holy Trinity School, a decrease of three from last year's total. The first graders are: Dale Amerling, Monty Belger, Thomas Bohn, Ronald Bonlender, Wayne Broecker, Mary Brown, Richard Butz, Patsy Cornelius, Richard Eichstedt, Andrew Gremminger, Judy Gross, Cheryl Halfmann, James Hawig, Laurie Herman, Marie Jaycox, Dawn Keller, Robert Kohn, Sharon Legate, Bruce McElhatton, Gregor Nigh, Judy Schaub, Lyle Schoofs, Helen

The following club officers were elected at the first meeting of the grammar room club at the Kewaskum School: President, Harold Bunkelman; Vice-President, Wayland Tessar; Secretary, Lorraine Honeck; Treasurer, Roger Bilgo.

The shocking news was received at Campbellsport on Wednesday evening of the death of one of its leading businessmen, Joseph J. Smith, who was killed late the same day in an automobile accident while enroute to Kaukauna. Mr. Smith, who was 50 years old, was an undertaker and had just completed a modern funeral home. His own funeral service will be the first conducted in the new establishment.

Through the efforts of the Washington County Fish and Game Association, 10 black raccoon have been planted in the county. These animals were secured from the State Game Farm at Poynette by Robert Lake, warden for Washington County, and planted in various areas which are suitable for the propagation of the raccoon. Hunters are warned that although there is a short open season on the gray raccoon, the season is closed on the black raccoon.

William Clark, 64, a resident of the Town of Wayne almost his entire life, expired at his home there on September 23 of a cerebral hemorrhage, following an illness of about two weeks.

Mr. and Mrs. Joe Webb of Beechwood are the proud parents of a baby girl born to them on Tuesday. Mrs. Webb is remembered here as Adeline Stahl.

## 100 Years Ago

September 9, 1911

The L. Rosenheimer Malt & Grain Company plant was visited by fire early last Tuesday morning and completely destroyed the malt house and elevator, entailing a loss of more than \$150,000. The origin of the fire is not definitely known. The fire was first noticed at about 6 am by Joseph Schlosser and John Weddig who saw flames shooting out of the second story windows in the malt house. An alarm was sounded immediately by the ringing of the fire bell and within a few minutes the village fire department with the apparatus was on the grounds. By that time the interior of the malt house building was already in flames and it was evidenced at once that the fire could not be controlled and that the malt house and elevator were doomed, so their attention was directed to keeping the fire from spreading to the adjacent buildings. The engine house, boiler room and electric light plant were saved only by the prompt use of the steam pump in the boiler room which forced sufficient water to save these

buildings. The fire, which swept through the malt house burned for over two hours before fire broke out in the large elevator containing over 100,000 bushels of barley. This was the most dangerous time of the fire. Everybody expected that this would spread throughout the village, but fortunately the wind was in a favorable direction. The interior of the malt house by this time had been gutted by the flames. The original malting plant was built by the Rosenheimers in 1889 and enlarged in 1898 to increase the capacity to 600,000 bushels per annum. The loss on grain, buildings and machinery will be between \$150,000 and \$200,000 with insurance to cover the loss fairly well. The buildings that were destroyed were the frame elevator, 56x66, covered with sheet iron which was fully equipped with all the latest machinery, and the malt house was a brick building, two stories high, 76 x 114 feet in size and a dry kiln building 39 x 78, 72 feet high. The officials of the malting company informed us that the elevator and malt house would be rebuilt immediately.

George H. Schmidt, editor and proprietor of the Statesman, and Miss Clara Mertes, daughter of Mr. and Mrs. N.J. Mertes, were married at the home of the bride's parents last Tuesday.

The residence of August Backhaus, 2-1/2 miles northeast of this village, was struck by lightning last week Friday night. The bolt entered the building at the chimney and passed along the eaves trough. Outside of a bad scare, the only damage done was the tearing down of the chimney and the ripping of the eaves trough in one corner. All members of the family claim it was a warm bolt as the house soon after was filled with smoke.

A daughter was born to Mr. and Mrs. George Metzger of Kewaskum last Monday. A baby girl was born to Robert Ramel and his wife of New Fane last Thursday. A ten pound baby boy was born to Mr. and Mrs. Andrew Heilman of Kewaskum on August 25, Mr. and Mrs. Joseph Riley of Boltonville are the proud parents of a baby boy.

School Notes by Peter M. Hoerig, Editor --- Ahda Lauer of Spokane, Washington, joined the ranks of the high school, making the total enrollment 54. The boys are setting up the baskets in the field. Practice for the coming season will begin as soon as possible. The senior class met on Tuesday and elected the following officers: President, Alfred Schoetz; Vice President, Alma A. Schleif; Editor, Peter M. Hoerig; Secretary and Treasurer, Josephine M. Ockenfels.

The marriage of William T. Schoofs and Miss Frances Riley was solemnized at West Bend on September 12. Mr. Schoofs is a son of Mr. and Mrs. Theodore Schoofs of the Town of Kewaskum.

The marriage of Miss Theresa Strachota and John W. Emmer took place at St. Kilian on September 12.

Ten men were injured in a head-on collision between two light engines and a wrecking train on the North Western line three miles north of Oakfield. The wreck was supposed to have been caused by the dense fog which prevailed at the time.

Asian Crusted Chicken

# 4 SIMPLE STEPS TO TRANSFORM Chicken as Usual

FAMILY FEATURES

Chicken is a popular choice for family dinners — but no matter how much your family enjoys it, serving it the same way over and over again can stir up cravings for something new. Chef Tim Love knows all about finding new ways to enjoy familiar foods. He's teaming up with the Hellmann's® Brand to let home cooks know about a little secret to spice up their everyday chicken dishes.

"Even with our busy schedules, I enjoy cooking for my family with go-to ingredients that I know everyone will love," says Love. "One of my family's favorite recipes is Parmesan Crusted Chicken. It's chicken done right — tender, juicy and delicious thanks to a secret ingredient — Hellmann's® Real Mayonnaise. Dishes like Parmesan Crusted Chicken are easy and tasty ways to break menu monotony."

Following are four more favorites, each with only four steps — so they're simple to prepare and can be on the table in just 30 minutes or less.

President Pesch called the meeting to order at 7:00 p.m. Board members present were Craig Garbisch, Harry Roecker, Mike Berger, Norman Kufahl, Kevin Scheunemann, Jim Hovland and Andy Pesch. Staff members present were Matt Heiser and Stephanie Justmann. Member from the community and employees were also present.

Notice of the meeting had been posted at the PNC Bank, Kewaskum Post Office, and at the Municipal Building on September 20, 2011 and an amended agenda was posted on September 21, 2011. Notice was also forwarded to the Village Board, Village Attorney, Village Engineer, and the News Media.

No action was taken on the police officer internal investigation.

Administrator Heiser provided the history on exploring different options for the Village of Kewaskum employee's health insurance options and the desire to save money while trying to maintain on average the same coverage. Administrator Heiser reviewed the spreadsheet explaining the different insurance quotes, deductibles, co-pays and maximum out of pocket costs. Administrator Heiser also stated to keep in mind that the commercial insurance premiums quoted do not include the retirees and we will be in a small group which can be volatile to premium increases according to health history. He recommended picking a target plan to further explore and compare. The Employee Trust Fund extended the date to withdraw from our current insurance carrier the Wisconsin Public Employers' Group Health Insurance Program from October 1st to October 31st to allow for time in a decision when exploring commercial carriers.

The Village employee's were allowed time to express their concerns. The comments included the unknowns associated with becoming part of a small group again, the possibility of experiencing 30% increases in premiums, if we leave the Wisconsin Group Health Insurance Program there is a three-year moratorium before you can attempt to return, the current impact on employees required by Act 10 and Act 32, concerns were also expressed that there is not enough time to make an informed decision and currently there is consistency in coverage, doctors, facilities and clinics offered with the Wisconsin Insurance Program.

Motion by Craig Garbisch to remain in the Wisconsin Public Employers' Group Health Insurance Program, second by Jim Hovland and carried by roll call vote. Garbisch-aye, Roecker-aye, Berger-aye, Pesch-aye, Kufahl-nay, Scheunemann-nay, Hovland-aye. (4-3-0)

Motion by Jim Hovland to adjourn at 8:50 p.m., second by Craig Garbisch, and carried by roll call vote. Garbisch-aye, Roecker-aye, Berger-aye, Pesch-aye, Kufahl-aye, Scheunemann-aye, Hovland-aye. (7-0-0)

## Eighth graders propelled by big plays

By Judy Harlow  
Statesman Correspondent

**GRAFTON-** Coach Jonesy Korth called the accomplishments of this year's eighth grade Gridiron team "unbelievable."

On Sunday Kewaskum used some big plays toward a 21-16 win over Grafton to capture the Northeastern Championship and push their season record to 7-0.

"It was a nail-biter," Korth said, reporting the first quarter was scoreless, and then, "We pulled one of our new plays," where Charlie Witek comes over the middle for a pass. Witek hauled in the pigskin thrown by Michael Prochnow, and, "He ran 55 yards with it to the one." From there, the quarterback snuck it in the end zone for a 6-0 lead.

Grafton answered with a 35-yard TD run and went up 8-6 after a successful PAT kick.

Following an exchange of fumbles, Kewaskum put together a nice drive, which ended with Josh Baker scoring from the 6. The big play was a 35-yard run by Brandon Thull. This time the kick was good, and K-town took a 14-8 lead, but it didn't last long as the Gladiators scored and kicked the PAT for a 16-14 advantage at intermission.

Thull provided a lot of excitement early in the fourth quarter when he raced 35 yards to the Grafton 20. After a 6-yard run, Prochnow hit Elliot Shambeau for the TD, and this time the Indians got the PAT on a pass to Witek after the snap was botched.

Grafton threatened one more time, but on a pass to the end zone, Witek and Eric Doll tipped it away, according to Korth, who said, "I couldn't be any more proud of these kids."

"Again (Sam) Fechter played excellent ball, along with the linebacking crew led by (Beret) Elmazi," Korth said. "They all played their defensive positions well ... even the reserves who were called on."

Kewaskum next plays the Lake Country Red team Saturday at Kewaskum.

A fast start offensively and a strong second half by the defense helped the seventh grade team to a 12-8 win. It was the Indians' first win after going 0-6 during the regular season.

Michael Boettcher got the

first TD on a 4-yard run, and coach Tom Kudek said, "We marched it right down the field." The pass was incomplete on the extra point try.

Quickly the Indians got the ball back, and Kudek called for the halfback option pass, with Boettcher taking the pitch and throwing it to Brady Hanson for another score.

"Our defense played really well in the second half, namely (Zachary) Geidel and (Tommy) Strom."

On Grafton's last possession, Kewaskum got a sack and forced three incomplete passes and then killed the clock.

Dylan May and Dalton Espitia were good on the "O" line, Kudek said.

The sixth graders (6-0-1) rallied with 13 second-half points to earn a 13-13 draw with the host Gladiators in a game highlighted by confusion on the part of the referees, fumbles and questionable penalties.

Neither team mounted much offense in the first quarter, then a Grafton running back broke loose for a 71-yard sweep to break the scoreless tie.

The Indians got the ball to start the second half and were quickly in a hole after 30 yards worth on penalties on one play. On fourth down, they completed a pass but fumbled, giving the ball to Grafton at the K 14-yard line. Two plays later, Grafton led 13-0.

Cole Surprenant's 70-yard scamper and PAT run generated some excitement for Kewaskum, and the defense followed with a big stand. After giving up a first down, they had three stops for a 10-yard loss, a 1-yard loss and

a 2-yard gain to force a punt. Combining for the 10-yard sack were Logan Kertscher, Brent Goeden and Mitchell Lochen.

After getting the ball back, Surprenant took the ball off tackle, then cut back across the field for a 60-yard TD run. The extra point run was no good.

The Indians moved from Grafton's 45 to the 1 where they were called for a false start with just second remaining.

"Our kids really bounced back after being down," coach Joel Tietz said, reporting some of the sluggishness in the first half was due to the fact QB Gabe Christianson was not playing because of an injury not related to football. He was able to come in for part of the second half.

Tietz said Adam Beck turned in some fine defensive play.

Frustrations with the officials carried over to the fifth grade game, which was won by Grafton 33-20.

Coach Mark Walcheske said Ryan Prochnow scored one TD and passed to Luke Christianson for another. He couldn't remember who had the other score.

The Indians (2-4-1) had two touchdowns called back, according to Walcheske, who said, "What was really hard to swallow was Grafton didn't have one penalty."

"We were pleased with what the kids did," Walcheske said, reporting the Indians shut down the Gladiators' running game and short passing game but gave up three long passes which were instrumental in the outcome.

## Indians ground Falcons during Level 1 Playoff; Pirates setting sail to Kewaskum

Indians quarterback Sam Olla prepares to pass the ball as the Falcons' Evan Naber attempts to sack Olla during Friday night's level 1 playoff game at home. The Indians won 38-14 and will host Pewaukee Friday night.

**By Mitch Maersch**  
Statesman Correspondent

Eric Perkins ran for a quiet 212 yards and Kewaskum's defense ran for about 10 times that chasing Brown Deer's quarterback last Friday in a first-round playoff victory at home.

The Indians took a 26-0 halftime lead and cruised to a 38-14 win, with the Falcons' points all coming in the fourth quarter.

The Indians next host Pewaukee on Friday at 7 p.m. Pewaukee comes in at 8-1, a 42-32 winner over Catholic Memorial last week. Kewaskum remains undefeated at 10-0.

The game looked much like last week's regular season finale at Sheboygan Falls. Linebacker Brad Boegel made a one-handed catch again, this time on defense, and defensive back Joey Wollner picked off a second-quarter pass. Wollner's pick led to a touchdown and Boegel's attempted field goal that was blocked to end the half.

"Boegel's pick, that was phenomenal," said Coach Jason Piittmann.

Both Boegel and Wollner had interceptions in the second quarter last week.

For those who can remember, Falcon quarterback Jake Schimenz did his best Fran Tarkenton impersonation the entire game, and for most of the season. Plays went on for days with Schimenz running

back and forth, looking for a receiver.

But Piittmann knew exactly what to do.

"Oh God. Drove me nuts on film. I'm like, how are we going to defend this?" he said. "And he doesn't run the ball very often. He'll stop short and pass."

Piittmann enlisted the services of little-used junior Jordan Hanson at defensive end, who chased Schimenz for much of the night and caught him once in the third quarter for a 15-yard loss.

Hanson didn't start but Piittmann told him to stay sharp and nearby. He said his speed and motor is tailor made to face a quarterback like Schimenz.

"I said yeah, that sounds great. I'm ready to go," Hanson said. "It was a blast. I haven't really had a chance to get out there this year."

While Schimenz made some big plays through scrambling, he helped hand the Indians some as well. Sacks of 10-plus yards ruined some of the Falcons' possessions and helped add to a grand total of minus five yards rushing.

Hanson also made a touchdown-saving tackle on kickoff coverage on the five yard line. A penalty and sack helped Kewaskum's defense hold the Falcons from scoring, much like when the Indians held Sheboygan Falls to a field goal last week after a kick return reached the three.

"He saved us on that one,"

Statesman photo by Andrew Kuohl

said Piittmann.

If the game had a turning point, it was in the first half when Falcon 1,200-yard rusher Najee Williams went out with an ankle injury. He didn't return and Piittmann said that cut Brown Deer's playbook in half.

All the more running for Schimenz.

"It was work. Got tiring after a while," said defensive tackle Mack Donath. "Just gotta contain him, that's all it is. Make sure he's got nowhere to go."

"Ah, man, he's a wild man. He's all over the place. I think we did pretty well given that he's so shifty," said Boegel.

Kewaskum tried to match the entertainment value with its kicking game, which Piittmann confirmed once again has reverted to "an adventure." Missed or blocked field goals and extra points with varying degrees of rise on snaps have the coach looking for answers.

"I don't know if we've got to change up some personnel," he said. "I'm very frustrated by it right now. We've got the people. I just don't know why we're not executing."

Kewaskum will fine tune that this week in preparation for Pewaukee, and Donath is keeping his fingers crossed for a different matchup than last week.

"Hoping the next quarterback doesn't run that much," he said.

## KHS Cross Country team ends season at Port sectional

**By Mitch Maersch**  
Statesman Correspondent

Coach Heidi Korth said Kewaskum's cross country runners ended their season with impressive performances at the Port Washington sectional meet last Saturday.

"The course had some challenging hills, but April

Stern and Jared Sanborn ran great to finish the season," she said.

Stern finished the 4-kilometer course with a time of 23:14 in 80th place, and Sanborn ran the 5K in 20:40 in 81st.

"It was a great end to the season," Korth said.

# KML blocks Lady Indians

Becca Fahney tips the ball over the net during Thursday's level 2 playoff game against Milwaukee Lutheran. The Indians played five exciting back and forth matches and walked away advancing to level 3. However, the ladies fell to a familiar foe, Kettle Moraine Lutheran.

## TOWN OF JACKSON

In a season of exorcising past demons, Kewaskum's volleyball team came oh so close to another last Saturday. The no. 3-seeded Indians nearly knocked off no. 1-seeded Kettle Moraine Lutheran, losing a heartbreaker, 26-24, 21-25, 16-25, 25-22, 7-15.

The match ended the high school career of one of the best players to ever come through Kewaskum, outside hitter Kayla Bastian.

A slow start in the deciding game decided the match. Kewaskum served seven times and lost six points. Even after the Indians scored one point on its seventh serve, KML won the point after.

The Indians never had a lead and closed to within 11-7 before the Chargers finished it off with four straight points. Timeouts at 5-1 and 13-7 could only slow KML.

"I don't know. We just don't come out strong a lot of times and that fifth game just wasn't ours from the start," Bastian said through emotional sniffles. "KML's a good team. I lost in my freshman and sophomore years. Just another year, I guess."

Bastian ended up with 14 kills, 17 digs and four aces. Junior middle hitter Anna

Aycock had a team-high 15 kills and two aces. Senior setters Heidi Johnson had 21 assists and Sabrina Boehlke 13. Junior defensive specialist Kelsey Phillips made 23 digs and senior Sam Smallish eight. "We just started off with a bad lead and, you know, we picked up our passing in the end but then we just couldn't put it over," Aycock said of game 5. "We started off with a lot of energy in the first game and it kind of waned as we got onto the other games. It's just a tough loss."

"Just couldn't get in a roll. Couldn't get any runs in. Everyone just took their errors at the wrong time," said Coach Joe Moser. "We were excited to play. I thought we had our opportunities there to take game five. Our passing was just a little bit off. Just couldn't get the ball to our best hitters and it took us out of the match."

The Indians started off hot, taking and holding a few-point lead through half of the first game. The Chargers came back to tie it at 20-20, 21-21 and 22-22 before taking a 24-22 lead. The Indians fought back to take the next four points with an Aycock kill, two Charger errors and a block.

"Man, after that first game I thought we had it. We were playing well. We just gave up a couple runs in each of the games we lost and couldn't

Statesman photo by Andrew Kuehl

come back," said Moser. "Hats off to Kettle Moraine Lutheran. They made an error and bounced right back. We let a couple swings go here and there and that did us in."

In game 2, teams traded small leads before tying each other at 16-16. Then Kewaskum never took the lead back or tied it up.

"Game 2 we missed six serves... and lost by four points, maybe. We shot ourselves in the foot there," said Moser.

Lutheran took over game 3 after it was tied, 14-14, and cruised.

With Kewaskum's season on the line, Johnson started by serving the Indians to a 3-0 lead, and Aycock later served four points to make it 9-3.

The Chargers eventually closed to 18-16, 21-19 and 24-22, but an Aycock kill sent the game to the max.

Kewaskum finished the season 32-7 as one of three Eastern Wisconsin Conference champions.

"Truthfully, I couldn't have asked for a better one my senior year," said Bastian. "We won conference, put a banner up on our wall. That was our goal from the beginning. We would have loved to win our regional, but I understand we had our time in the beginning so EWC champs will do."

"Awesome volleyball player. Great kid," Moser said

of Bastian. "Takes down the net every night even though she's a senior who's been on varsity all four years. I mean, you can't really say anything better about the kid because she's awesome. And we're really going to miss her."

Though it ended prematurely, the Indians know they had a good season, especially in beating Waupun for the first time in school history in their final conference match to clinch a share of the title.

"That feels so great. I feel like one of the best seasons Kewaskum High School has ever had. It was a great season. Great," said Phillips.

"Our team this year was really, really good and I think it's going to be remembered in Kewaskum history as one of the better ones," said Aycock.

The Indians had to be one of the better ones in just reaching the regional final. The brutal bracket had Kewaskum playing at no. 2-seeded Milwaukee Lutheran last Thursday, which took third place in the North Shore Conference.

The match was as even as it could get going into game 5, with the teams tied in total points.

The Red Knights took early leads of 4-2 and 5-4 before Kewaskum came back to take a 10-8 edge. After ties at 10-10, 11-11 and 12-12, the Indians topped it off.

A Bastian slam that bounced off a block attempt hit the floor for point 13. A Whitney Bastian kill fluttered to the back left corner after bouncing off a Red Knight for no. 14.

Then Boehlke served her second straight point and the final one of the match, firing a low-flying ace that bounced off the Red Knights' defensive specialist and backward off the court, too fast and low for anyone to reach.

The Indians pulled it out, 17-25, 25-17, 25-22, 22-25, 15-12.

Boehlke kept her nervous system in check for the final two points.

"I was at first nervous but then I just blanked everything out and just pretended I was in practice and served it normally," she said.

Kayla Bastian had 19 kills and Aycock 14. Becca Fahney, Whitney Bastian and Steph Henk had five each. Johnson made 20 assists and Boehlke 17. Johnson was good on all 14 of her serves, Phillips on 16 of 17, Smallish on 16 of 18 and Kayla on 14 of 15.

Phillips battled feeling under the weather but made enough digs to give a weather report in China. She had 29 digs and was good on 42 of 44 service receptions. Kayla added 22 digs and Smallish and Boehlke 12 each.

"We played some awesome defense," said Moser. "And that's kind of how we built our defense. We built it around teams that can really swing."

"It's just insane. It was a great game," said Aycock. "Kelsey Phillips really stepped it up. She was actually sick and we were worried."

Phillips wasn't worried, even going into game 5 after blowing a chance in game 4 - the teams were tied, 20-20 - to put Lutheran away.

"I was really confident. I just had that feeling that we would definitely beat them this time. We would correct our errors and find it in ourselves to beat them," she said. "It was just so intense, all through the match we just kept fighting. We never let down, even in the games we lost, we just kept fighting."

"It was stressful," said Aycock. "I always hate fifth games because they have the 15 points and we're kind of a slow starting team. It made me a little bit nervous because we've lost and won fifth games. Going down early, however, had the Red Knights right where the Indians wanted them.

"If there's one thing our team is good at it's turning it around," Aycock said.

"That was the best game ever. That was so close, though," said Johnson. "We try not to get down. We all were hanging our heads a little bit but we went out there and showed them we were the better team."

Kayla Bastian, who has been in countless classic matches in her career, will remember this one.

"It was definitely nerve-racking but I mean it was really exciting. We came here, we wanted to win, they wanted to win. It was just a good match," she said. "This is definitely up there in some of the greatest matches."

"It's exciting. It's neat to be a lower seed and be able to come in and play tough and play well," said Moser. "We were confident in our abilities. We've won a couple of game 5 matches this season. We knew if we played our game that we could come away with the win."

While the Indians' regular stars were their usual selves, Henk's performance was a key surprise, coming up with big kills in the clutch.

"Steph Henk had an awesome game. She swung great. She went line (which) I've never seen her do before," said Moser.

Ending the season a little more prematurely than they would have liked two days later, it was still a good year.

"Our kids played awesome," Moser said. "I'm super proud of 'em."
