Boosting Kewaskum High School extracurriculars for three decades

By Amy Kumrow
Staff Writer
amy@kewaskumstatesman.com

Last calendar school year, the Kewaskum Indians Booster Club gave \$19,000 toward activities and clubs for high school students. Now, the Booster club is recruiting new members to keep up fundraising efforts.

The Indians Booster Club got its start in the 70's, when a group of parents wanted to do something for the kids. Kewaskum resident Shirley Schlice remembers going to Sam's Club in the beginning and using her own money for club purchases. Club members bought a truck from a junkyard to carry everything, and a portable ice fishing trailer was used as a concession stand.

"We got more and more support as we developed," Schlice said. She remembers the annual basketball game

between fire departments in the school district that brought in up to \$1,000 in ticket sales. The club's efforts did not go unnoticed when the week of March 20, 1983 was proclaimed Kewaskum Indians Booster Club week by the Kewaskum Village Board. A copy of that proclamation appears with this article.

"The fact the club has steadily grown, shows it developed," Schlice states, "It's not going backwards. It's moving forward." To keep that momentum requires people, so parents, family, and friends of students are invited to join.

"Anyone can belong to the Booster Club," states Dennis Westerman, current Vice President, "they don't have to have a child in school." Jacky Herriges is currently the club's President. Kris Ballard holds the Treasurer's position, and Denise Kenworthy is the club's secretary.

Through Kewaskum clothing sales at football games and Geidel's Piggy Wiggly, the Booster Club raises money for school activities such as the post prom party at the Kettle Moraine YMCA and clubs, like chess and bowling.

A scholarship of \$1,000 is available to win in a drawing for members who volunteer a minimum of 80 hours in four years. Each additional 20 offers another chance. The club member chooses the scholarship recipient. Sam Olla won for the 2011/12 calendar school year.

Just recently, the soccer team received an overhead shelter for team players because of a donation by the club. Booster Club donations were responsible for the start up the fitness center at the high school and new concrete walkways for the football field

School District restructures building and grounds dept.

By Amy Kumrow
Staff Writer
amy@kewaskumstatesman.com

Traditionally, the Kewaskum School District's building and grounds support staff had a single supervisor who oversaw all facets of each of the district's eight buildings. A restructure for the 2012/13 school year has not only changed the definitions of job responsibilities, but eliminated the administrative role of supervisor and one custodial position.

"We had the opportunity to make some changes in how we structured departments and positions on July 1st with the contract with the support staff expiring," Superintendent Jim Smasal said.

After budget predictions for the 2012/13 school year, the district faced a \$750,000 deficit and subsequently, had to find ways to reduce the budget. One suggestion was to outsource all buildings and grounds support staff for an estimated savings of \$170,000. "After a lot of discussion and thorough evaluation and quite frankly, valuing the people in that department, because most of the time they are people from our community," Smasal said, "we wanted to honor those people and their jobs here if we could possibly do it."

Smasal, board members, and a staff found a way to revise the department's structure with a cost effective model which eliminated the supervisor position. Such a lack of hierarchy of command would require people to be self-responsible and jobs didn't include multiple descriptions.

The district in July, essentially started over with new job descriptions, offering the new positions to the current employees and posting the positions for the community. A few

employees reapplied for those positions, while new people were brought in as well.

Due to expertise in the field, Rick Schmidt, a former self-employed handyman, and Doug Franzen, who at one time helped construct KES with CD Smith were hired and appointed to be leads for maintenance. Their job duties include troubleshooting, updating, fixing maintenance issues as well as

establishing preventive maintenance measures.

Interior building maintenance is now led by Chuck Dreher who has worked for the district since 2010. His job duties include being a custodian at KHS during the day, ensuring a custodian is on site for every school, communicating with night custodians such as for next day equipment set up, and ordering of supplies.

Additionally, some night cleaning that had been outsourced for Wayne and Farmington was eliminated. "We are going to get it done with the people we have," Smasal said. The new structure saved the district \$145,000. Though these savings didn't match the outsource option, jobs were saved for those who lived in the community.

Get accessorized at Kiera's Kloset

Katie Laverenz is shown with some of her one-of-a-kind accessories at Kiera's Kloset. New items are brought in weekly from around the country.

By Amy Kumrow
Staff Writer

Many know Katie (Fechter) Laverenz for her nail services at various salons around Washington County, but Laverenz has now expanded her business to include a unique boutique to offer clients a chance to own one-of-a-kind accessories. Kiera's Kloset opened this past July.

The store was named after Laverenz's three-year-old daughter Kiera. "She is only three, and she has just as much stuff as I have, so I thought I should call it Kiera's Kloset," Laverenz said.

Opening a boutique is something Laverenz always wanted to do. "I love jewelry, love bracelets," Laverenz said, "I love finding deals and switch stuff every month."

New merchandise is brought in every week with items from either New York, California, or Texas. "Once I have it here, you will never see it again," she said, "If it is here and you want it, you have to get it." She supports a local artist with hand crafted hair accessories made by her daughter, Kiera.

Items include purses ranging from \$20-\$40 and multiple fashion accessories range from \$4-\$20 including necklaces, rings, bracelets, earrings, scarves, belts, watches, hats, wallets, and sunglasses. In cases where multiple jewelry purchases are made, Kiera's Kloset also offers a variety of jewelry organizers.

"With everything being reasonable, people can come in and get something. A month later when they get bored with it, they can get something new without spending a lot of money," Laverenz stated.

Laverenz started her career through the youth options program at Kewaskum High School and earned her license from Moraine Park Technical

Gosa - Gundrum

Katie Gosa and Matt Gundrum are pleased to announce their engagement.

Parents of the couple are Jerry and Mary Gosa of Kewaskum and Mike and Sue Gundrum of Theresa.

Katie is a 2000 graduate of Kewaskum High School and a 2005 graduate of UW-Oshkosh. She is employed as a subject recruiter at Spaulding Clinical in West Bend.

Matt is a 1998 graduate of Kewaskum High School and is a relief operator at Kerry Inc. in Jackson.

The couple is planning an October 20, 2012 wedding at Holy Trinity Parish in Kewaskum.

Kettle Moraine Y Launches Annual Scholarship Campaign

Every day, the Kettle Moraine YMCA serves as a gathering place for the community. Kids pour in after school to play and do homework. Seniors meet in fitness classes and connect with one another. Families strengthen bonds playing in the gym or swimming together.

The Y never turns anyone away due to inability to pay. In one year the Y awards over \$250,000 in scholarships to more than 1,600 people that cannot afford the full cost of membership or programs.

The Annual Scholarship Campaign assures the Y can provide financial assistance to those that prove their need. As a leading nonprofit for strengthening community, financial gifts to the Y will help the Y advance programming and services that support youth development, healthy living and social responsibility.

More importantly, gifts to the Y make a direct impact on

the residents right here in our own community. Children have a safe place to learn new skills and build confidence. Families take advantage of programs to reconnect and grow together. Adults take advantage of health education and wellness programs that help them reach their full potential.

This year's campaign co-chairs are Prudy Pick Hwy and Kevin Steiner. They are working with a group of 125 volunteers. The campaign chairs agree that "The YMCA enriches the lives of everyone in our community. YMCA programs teach important values and life skills, while developing confidence and self-esteem. By helping children and adults develop into responsible, successful individuals we make the community we love a better place to live."

To donate or for more information on Y's Scholarship program go to www.kmymca.org.

Coulters celebrate 87th family reunion

The descendants of the late Maria Wilhelmina "Mary" (Doms) and David Charles Coulter, Sr., celebrated their 87th annual family reunion on Sunday, August 25, at Sterr Park in Lomira with 67 people attending.

This year's reunion host family were the children of the late Leona S. (Coulter) and Alvin Schwartz and the children of the late Sylvia E. (Coulter) and Raymond Schellpfeffer.

Mary Doms was born on the Carl Doms farm in the town of Kewaskum on July 20, 1875 and was the daughter of the late Dorothea (Schliemann) and Carl Doms. Mary passed away on November 23, 1920.

David Coulter Sr. was born on the John Coulter Sr. farm in the town of Wayne on June 30, 1870 and was the son of the late Sarah (McKeag) and John Coulter, Sr. David passed away on May 23, 1933.

Mary and David were united in marriage at the Salem Evangelical and Reformed

Church in the town of Wayne on April 9, 1896.

Eleven children were born to them, all who are now deceased, David Charles Jr., (Alice Willke), Mildred Henrietta (George E. Krieser), Appolonia Sarah "Leona" (Alvin C. Schwartz), William John (Kathryne B. Urban) and (Mildred Bierling), John James, twins Ervin John Sr., (Geraldine C. Byrne) and Gladys Georgia (Orvin O. Zahn), Sylvia Elizabeth (Raymond R. Schellpfeffer), baby James Thomas, who died at birth, Elvira Olinda

(Jack E. Erickson) and Milton Daud (Elva A. Schaefer). Mary and David were also the proud grandparents of 43 grandchildren.

Anyone with information on the Doms and Schliemann or Coulter and McKeag families' ancestors can feel free to contact family genealogist John Henry Vorpahl Jr. at (262) 338-0000 or email Henry02@SBCGlobal.net.

Hon-E-Kor Golf Scholarship announced, scramble rescheduled for Sept 29

The fourth annual Hon-E-Kor Family Golf Scholarship recipient was announced recently, even though the 18 hold fundraiser scramble was postponed until Sat., Sept. 29. The Hon-E-Kor Golf Scholarship committee decided to award this year's scholarship since colleges will begin their fall semesters before the end of the month of September. However, it is still necessary to conduct the scramble as a means of raising funds to support the annual scholarship and the high school golf programs.

2012 Kewaskum High School graduate and boy's golf team most valuable player, Tony Gonring, was awarded the \$1,000 scholarship by the Korth family. Tony was a multi-sport athlete at KHS with a 3.65 grade point average, ranking in the top quarter of his senior class. Besides being honored as first team all-eastern Wisconsin

conference in baseball, Tony lettered in football, basketball and golf. In two of the past three seasons, the local linkster came up just short of qualifying for all-conference and the state boys golf tournament. He currently attends Carthage College and is competing in their men's golf program.

The Hon-E-Kor golf scholarship committee will be conducting a four person scramble with the help of the Kewaskum high school boys and girls golf teams with the goal of funding an annual golf scholarship as well as benefiting the KHS golf teams. Foursomes will compete in a variety of divisions, mens, womens, mixed or coed, for recognition awards, trophies, prizes and Hon-E-Kor gift certificates.

Entry fees include 18 holes of golf, power cart, on course hole (flag) events, raffle prizes, a blind bogey draw and a delicious

buffet style dinner. Entry fees will be \$70 for non-members, \$40 for H-E-K members and \$20 for additional dinners. Entry forms are available at the Hon-E-Kor pro shop, the Kewaskum High School office, boys and girls golf team members and at www.hon-e-kor.com.

If you have any questions, concerns, interests, or reservations, please contact or call Kelly or Kate at Hon-E-Kor at (262) 626-2520, KHS golf coaches Glenn Eichstedt at (920) 539-1468, Scott Rohlinger, (262) 689-6989 or Amy Uhlig at (414) 852-0620.

The rescheduled Hon-E-Kor Family Scholarship Scramble will begin with a shotgun start at 1 p.m. on Saturday, September 29th. Dinner will be at 6 p.m. with awards at 7 p.m. Please submit your forms and fees by September 27 or contact Hon-E-Kor for reservations.

'Insights on India' topic for UW-WC Lecture Series

Insights on India is the topic for six Wednesday evening lectures planned at UW-Washington County this fall. The Community Lecture Series begins Wednesday, September 19 at 6:30pm with a lecture by Dr. Joel Rodney, Chancellor Emeritus at Penn State University in York and a former Dean and CEO at UW-Washington County. Dr. Rodney will speak on the Significance of Education in India and offer a comparison of the educational structure in India versus the United States.

All of the fall lectures will take place on Wednesday evenings in room 201. Each lecture is approximately one hour in length, followed by question and answer. Admission is free and no reservations are needed. The popular lecture series welcomes area adults as well as high school and college students.

The first lecture in the series is presented by The Friends of Matt Zillig and includes a social afterwards with India food samples and an artwork display in the gallery from UW-Milwaukee Art Professor, Narendra Patel. The display includes sculptures by Patel as well as collectibles from India.

The remaining lectures in the series include:

September 26: Ayurveda Medicine, with speaker Amanda Lyons of the Kanyakumari Center in Milwaukee. Discussion of principles of Ayurveda medicine, yoga as well as the healing philosophy of treating the whole person.

October 3: Gandhian Tactics: Then & Now with speaker Dr. Joseph Elder of UW-Madison's Department of Sociology. Discussion of the continuing relevance of tactics in today's world.

October 10: Politics and Religion with Dr. Jayant Anand of UW-Barron County's Department of Anthropology and Sociology. Dr. Anand will discuss the meaning of secularism in India.

October 17: Science and

Technology with Dr. Aseem Ansari of UW-Madison's Department of Bio-Chemistry and Founding Director of Khorana Program. Dr. Ansari will discuss the scientific cooperation and exchange between India and the U.S.

October 24: Doing Business in India with speaker Pradeep Nedungadi, Partner with Visthar, LLC in Milwaukee. Nedungadi will discuss the huge opportunities as well as the frustrating challenges and market opportunities for Wisconsin firms.

BOOK DISCUSSION: A community book discussion related to the "Insights on India" theme is also being offered. The book, "The God of Small Things" by Arundhati Roy will be discussed on Wednesday evenings, October 3, 10 and 17 from 5:00pm-6:15pm in Room 101. The discussion will be led by UW-WC English Professor, Dr. Anne Widmayer. A 1997 winner of the Booker Prize and a New York Times Notable Book, the book tells the story of one family in the town of Ayemenem in Kerala, India. It is a description of how the small things in life affect people's behavior and their lives. The cost for the book discussion is \$40 and includes a paperback

copy of the book as well as three Indian inspired dinners catered by Imagine Catering. If you prefer no dinner, you can purchase the book on your own and attend the discussion for free (if space is available). To register or for more information, phone 262-335-5214 or email: jennifer.chamberlain@uwc.edu

The purpose of the lecture series is to provide fundamental information and a better understanding of a topic, which is chosen by the UW-WC Lectures Committee. Members of the Lectures Committee for the 2012/13 series included Dan Anhalt (Continuing Education), Dr. Mohamed Ayoub (Chemistry), Sue Bausch (University Relations), Dr. Sandi Brunette-Hill (Sociology), Dr. Chris Hays (Anthropology), Dr. Don Muth (community representative) and SGA student representatives, Peter Nennig and Derick Scherr.

UW-Washington County is located at 400 University Drive in West Bend (exit Hwy. 33 East). Use the main entrance and follow the interior directional signs. Free parking is available. More information is available on the campus website at www.washington.uwc.edu.

Young at Heart Social Club to meet Sept. 13

The St. Francis Cabrini Young at Heart Social Club is a non-profit organization consisting of seniors of all faith denominations. Both singles and couples are invited to join. The club meets nine times a year on the second Thursday of the month, September through May. The meetings take place at St. Francis Cabrini in the church hall at 1025 S. 7th Ave., West Bend. Card games start at 10 a.m. Registration begins at 10:30 a.m. followed by a dinner at 11:45 a.m. At each meeting there is a full course buffet

dinner with dessert and coffee. After the meal there is music entertainment or bingo. The social concludes at 2 p.m.

Each member is required to pay a yearly membership fee of \$10. The money is used to pay for the entertainers. Each member is also required to pay for each dinner they attend. The cost of the meal is \$8.50.

If at any time you are unable to attend the dinner, notify the president, Rita Etta, at (262) 626-4701 or secretary Arlene Doll at (262) 334-7201.

Tough Mudder adventure challenge comes to Cascade

Kellie Boone, left, and Jamie Severance, right, come out of the kiss of mud obstacle during the Tough Mudder race at The Highland Sportsmen's Club in Cascade this past weekend. Submitted photos

Six months prior to the event, spots to participate in Tough Mudder were completely sold out. A second day was added to accommodate the overwhelming demand. Teams of participants came to The Highlands Sportsmen's Club in Cascade on September 8 and 9 for the one of kind, nationally popular challenge.

Every 20 minutes, groups of 300 were sent off from 8 a.m. to 1:40 p.m. Participants had to navigate a 10-12 mile course with 21 obstacles testing strength, stamina and mental grit with the help of teammates. Mike Genthe, a two-time participant, states, "Finishing it as a team made it special for me."

Such challenges included "Arctic enema," where participants were asked to crawl through a tub of ice, "walk the plank" that challenges participants to jump off a 15-foot plank into water, or "electric eel" asking participants to belly crawl in frigid waters with live 10,000 volt electrical wires hanging above.

For Sarah Severance of Kewaskum, Tough Mudder was an end goal for a year of training with her husband, who participated last year. "It was not a race, just a challenge," she said. Mud mile was the most fun for her as she climbed through muddy trenches and up a steep muddy hill in the end.

Though any participants could pass an obstacle, team

members and strangers helped one another to complete an obstacle. Kellie Boone recalls how a team member and two strangers helped her with the climbing obstacle "Everest." "Everyone is in it for the camaraderie," stated Boone.

Overall, participants are left with a great sense of accomplishment. Severance has already decided to do Tough Mudder next year and plans on improving her time. Genthe, recovering from injuries, said, "Just the fact I finished was good for me."

At the end of the course, participants are greeted by beer, laughs, and a live band. Tough Mudder has a sense of humor with costume awards handed out: best, worst, least and most likely to belong to the Village People. Awards are even given out for the toughest mullet and mohawk.

Registration fee collected go toward the Wounded Warrior Project which supports wounded veterans with such services as adaptive sports programs and employment services. Tough Mudder has raised \$3.5 million for the Wounded Warrior Project thus far.

Sue Funk, a trainer at Kettle Moraine YMCA, recalls how honored she felt when her team ran "side by side" with wounded warriors.

IN MEMORY

In memory of JOHN 'JACK' ZALEWSKI, who entered into eternal life two years ago, September 16, 2010.

In the rising of the sun
and in its going down,
We remember you;

In the opening of buds
and in the rebirth of spring,
In the blueness of the sky
and the warmth of summer,
We remember you;

In the rustling of leaves
and in the beauty of autumn,
In the blowing of the wind
and in the chill of winter,
We remember you;

When we are weary
and in need of strength,
When we are lost
and sick at heart,
We remember you;

When we have joys we yearn
to share,
So long as we live, you, too, shall
live, for you are a part of us
As we remember you.

Remembering you is easy,
we do it everyday,
It's the heartache of losing you
that will never go away.

Deeply missed by

25 Years Ago**July 24, 1987**

Before the Kewaskum School Board meeting even began it was moved to larger quarters in the high school gym and from then on it was a battle to the end. After hours of discussion, debate, confrontations and the presentation of petitions containing over 1,400 signatures, the Kewaskum School Board voted to keep the Beechwood School closed and the district's sixth grade students in the Middle School for the 1987-88 school year. That final action did not come until

almost four hours later, after a half hour recess and the Kewaskum Police were called by Board President Ralph Horner. Horner's action was taken after two motions by member Ron Theusch to rescind the board's action of July 8 and place the items on a binding referendum in the fall were defeated. Horner apparently became concerned that there might be trouble with the audience of approximately 250 angry, frustrated parents and teachers who attended Monday night's special meeting. When the meeting reconvened after the recess, Horner told the board he had been in phone contact with the district's lawyer seeking advice on whether or not it would be legal to present another motion. He indicated the board had some latitude in considering a second motion. It was then that Nowak made a motion similar to Theusch's (except changing the referendum time from fall to spring). He moved to keep the sixth grade at the Middle School for the 1987-88 school year and place the question on a spring ballot with a binding referendum for the 1988-89 school year. The vote was again four to three but this time it passed, with Theusch, Nowak, Beimborn and Ankerson voting yes and Schmitt, Trapp and Horner voting no. Nowak then moved to keep the Beechwood School closed for 1987-88, pending the vote on the binding referendum in the Spring deciding the fate of the school for 1988-89. That motion passed on a six to one vote with Trapp the only dissenting vote.

President Ronald Reagan will make three stops in area communities to promote his "Economic Bill of Rights," next week. Reagan is scheduled to arrive in Milwaukee Monday morning. He will travel to Hartford where he will tour the Broan Manufacturing plant. President Reagan will then proceed to West Bend, where he will attend a Rotary Club luncheon meeting at Greene's Fort Silver Inn (formerly the Washington House). The President will then go on to Port Washington where he will make his only public speech at Lake Park.

Regal Ware, Inc. president James D. Reigle recently presented a \$5,000 check to KEYS president Jerry Gosa. This leadership contribution brings the Kewaskum Youth Scholarships, Inc. fund to \$22,000 towards the goal of \$100,000.

After several months of discussion and preliminary studies, the Kewaskum Village Board decided Monday night, it will not build a public canoe launching site near the bridge in River Hill Park. The idea originally came up as a proposal from the Department of Natural Resources. At the time of its suggestion, the DNR indicated it would provide approximately \$15,000 to help defray construction costs of the launch and restroom facilities. However, as discussions

continued, the DNR's funding figure slowly dwindled to \$7,000. Administrator Daniel Schmidt stated that meant the village would have to pay the remaining \$7,000 of the anticipated \$14,000 cost.

Donny Goeden of St. Michaels was presented the checkered flag for first place in the semi-feature at Plymouth on Saturday, July 18.

A huge, boisterous crowd witnessed another set of very exciting games this past week. The first game saw Bartelt Insurance lose a chance for a first place tie as they lost in extra innings to A.M. Construction, 6-5. This was a tough loss for the Bartelt squad, as many of their players are in the twilight of their careers. In fact for some of them it is way past twilight, as it is more like total darkness. The only bright spot in the Bartelt attack has been the awesome hitting of Jerry A. Kiefer, local hot shot trial attorney and all around good guy. The second game saw Barrel Haus hand BJ and Company its second loss in a row by a score of 7-5. This sets up a very important match this week between Thornton's Thunderers and A.M. Construction for first place. The winner will be second half champ and will face BJ and Company for the summer championship. According to ticket manager Ritchie Thiemer, there are standing room only and restricted view tickets available for this game. Fans are urged to arrive early for *gemuetlichkit*. Fans arriving from the south in order

to avoid the Buss farm bridge bottleneck should take the Slawson cutoff and then take a right at the fork in the road where uniformed attendants will park your car. Fans are also urged to bring their children as the Thiemerdome advertises it has the largest sandbox next to Kitty Heaven. SPECIAL - Local beer baron and tavern conglomerate owner Thomas Piwoni has offered a special to the "after game crowd." On Thursday, from ten to midnight, he will offer 50c Vermox Margaritas. Tom is now operating the old Keller's Tap in Kewaskum. Whenever Tom goes into business in a tavern, customers flock there to the delight of local breweries as they can all crank up the third

shifts once again. Attendance: 986. This was way up again due to the reruns of Dallas.

A daughter, Morgan Marie, was born to Ron and Dawn Mumper, Campbellsport, on July 5. A daughter, Theresa Danielle, was born to Paul and Mary Straub, Campbellsport, on July 12. A son, Joseph Ryan, was born to James and Carol Ninneman, Campbellsport, on July 15. A son was born to Dean and Christina Bohlman, Campbellsport. A son, Daniel Joseph, was born to Michael and Jennifer Marchewka, Ballwin, MO, on July 16. Maternal grandparents are John and Patty Coulter of Kewaskum.

The "Bishop of Babenhause" in Germany is on his way home after serving as an army chaplain in that country for the past five years. He is flying home from Germany and is expected to arrive any day to spend a 30-day leave before reporting to Chicago for further assignment. Who is the "Bishop of Babenhause"? Residents of Kewaskum and Washington County will be surprised to learn that they are well acquainted with him. The "Bishop" is none other than Chaplain (Major) William J. Mayer, who was born in Kewaskum and educated in Holy Trinity School here before entering St. Francis Seminary at Milwaukee. Father Mayer is the son of the late Mr. and Mrs. Joseph Mayer of Kewaskum. He is the brother of Mrs. Robert (Alexia) Ours of this village, Carl Mayer, member of the West Bend police force and former police chief of Barton, and Mrs. Allan (Mary Jane) Hermans of Milwaukee. Ordained at St. John's Cathedral in Milwaukee on November 30, 1943, Father Mayer served as assistant pastor at St. Agnes Church there and also as assistant pastor of St. Monica's Parish in Whitefish Bay and at St. Anthony's Parish in Milwaukee before he received permission to join the army reserves. In 1956 Father Mayer went on active and was eventually assigned to duty in Europe. He has outlasted five commanding officers at Babenhause where he has been stationed with the U.S. Army as chaplain. Father Mayer acquired the nickname "Bishop of Babenhause" shortly after his arrival in Germany in 1957 when Mayor Fritz Klein of Babenhause called the army post to inquire for some help on a town project and asked if he could speak "to the bishop." Hence, when the Mayor inquired for the chaplain to seek his assistance, the nickname quickly spread and he unofficially, of course, became the "Bishop of Babenhause."

Boy Scout Troop 44 of Kewaskum spent the past week at Camp Shaginappi on the shores of Lake Winnebago. Twenty-four boys and two leaders were in attendance. Boys were Mark Belger, Allen Bohn, Paul Buczek, James Butz, William Butz, Joel Fehlhaber, Carl Freehauf, Neal Hirsig, Lloyd Hron Jr., William and Joseph Key, Tom Koerble, John LaMarche, Richard Laubach, James Manthei, Richard Marx, Robert Miller, Joel Peterson, Jeff Reigle, John Stellflug, David Teeselink, Scott Waranius, Ed Weddig, and Gary Woolman. Leaders were "Mike" Gnacinski and Fred Fehlhaber.

Students from Kewaskum who have been listed on the honor roll at Oshkosh State College include Eileen Hanselman, Nancy Hirsig, and Mrs. Connie A. Zemlicka.

A daughter was born to Mr. and Mrs. Eugene Pesch, Route 1, Kewaskum, on July 20.

August 3, 1962

At the Annual Meeting held on July 23, it was resolved by the electors of Kewaskum Joint School District No. 1 that

a tax be levied on all the taxable property of the district for operating expenses for the year commencing in 1962 and ending in 1963 in the amount of \$129,205.00.

Specialist Four Richard E. Czaja, son of Mr. and Mrs. Eddie Czaja of Kewaskum, who is serving with the 28th Ordnance Company in Zweibrucker, Germany, on July 20 received a Letter of Commendation from his officer in command.

John Weddig, son of Mr. and Mrs. Edward Weddig of Kewaskum, has enlisted in the U.S. Army for a period of three years and left July 25 for Fort Leonard Wood, MO to begin his training.

Thomas Harold Spartz, son of Mr. and Mrs. Wilfred N. Spartz, Route 1, Kewaskum, and Russell Robert Heberer, son of Mr. and Mrs. John Heberer, Route 2, Campbellsport, have enlisted in the navy and are now undergoing recruit training at the Great Lakes Naval Training Center.

Army National Guard Pfc. John H. Rosenheimer, 22, son of Mr. and Mrs. Henry Rosenheimer, Kewaskum, recently completed the 13-week single engine airplane repair course at The Transportation School, Fort Eustis, VA.

William Struebing, 86, of this village, a retired farmer, passed away at his home on July 31.

A daughter, Catherine Mary, was born to Mr. and Mrs. Ralph Schoofs, Hubertus, on July 27. Mr. Schoofs, a former resident, is a son of the late Mr. and Mrs. Joseph Schoofs of Kewaskum. Daughters were also born to Mr. and Mrs. Carroll Haug, Kewaskum, on July 30; to Mr. and Mrs. Alan Stoffel, Route 2, Kewaskum, on July 31; to Mr. and Mrs. Gerald Stoffel, Route 2, Kewaskum, on August 3, and to Mr. and Mrs. Ervin Butzlaff Jr., Route 1, Allenton, on July 24. A son was born to Mr. and Mrs. Howard Butzlaff, Route 3, Kewaskum, on July 30.

August 10, 1962

Much confusion and excitement was caused to say the least among our residents by the screaming of fire and police sirens on Wednesday afternoon. It began when the fire alarm sounded to summon firemen to a threatening grass fire in the Town of Kewaskum dump off Kettle Moraine Drive, southeast of the village. The blaze was a serious one and burned over several acres of grassland and wooded area on state-owned land before the fire fighters got it under control. Fortunately the flames were stopped just feet short of a large woods. A crew of men from state forest headquarters at Mauthe Lake joined in the work and with Indian pumps and brooms helped continue the job and snuffed out flames that broke out anew. While the firemen were at the scene the local siren wailed again for another fire at the Ray Bales farm in the Town of Auburn north of the village but firemen were unable to hear the siren. Chief of Police Roland Pledl then attempted to contact the radio-equipped fire equipment truck but as all the firemen were busy at the time no one was in the truck for a few minutes, and

Chief Pledl couldn't get the call through. With his squad car siren screaming he did the only thing left to do, racing to the scene in person to inform the firemen of the second blaze. In the meantime, when the firemen couldn't be reached and to same time, one fire department member who had remained in town called the Campbellsport department and asked them to answer the call to the Bales farm. As soon as Chief Pledl got word to the local firemen that they were needed at the second blaze, the men pulled out, leaving the state crew to finish. With sirens again sounding, they raced back to the village, stopping at the fire station to refill their truck tank with water and then sped to the Bales farm. When they arrived the Campbellsport firemen had the fire under control. The blaze started in the chopper box containing straw which was being blown into the barn. The floor of the chopper box caught fire under the straw. These flames were put out handily, but it was feared that some of the burning straw might have been blown into the barn as there were reports that smoke had been seen coming from the barn. Firemen found no blaze inside the barn, but stayed at the scene to make sure there was no fire in the straw there.

Word was received here this week that a station wagon, house trailer and all its contents owned by Mr. and Mrs. Ernest Mitchell of Kewaskum were destroyed by fire in the Black Hills of South Dakota the forepart of this week while the couple and their two daughters, Patty and Pammy, were returning home from an extended vacation trip. The Mitchell family had been on a trip to California and other western states and were visiting the Black Hills enroute home when the fire occurred. It was reported by local residents who heard from the family that the blaze started in one of the front wheels of the trailer, caused either by a blowout or a brake bearing tightening and the entire wagon, trailer and belongings were destroyed.

Charles Schultz, 29, of Kewaskum, suffered injuries when he accidentally fell 15 feet to the ground from the top of a concrete wall at the Kewaskum Frozen Foods plant on Wednesday morning. A new slaughter house addition is being built at the locker plant. The work is being done by Schultz Brothers, with whom Charles, a son of one of them, is employed. He was walking along the top of the east wall when he tripped on one of the steel bars protruding from the cement, lost his balance and fell to the ground. He was taken to St. Joseph's Hospital in West Bend.

Carl Marquardt, five-year-old son of Mr. and Mrs. Jerome Marquardt, Kewaskum, has recovered after suffering second degree burns to his face, neck and chest on Monday afternoon of last week when his shirt caught fire while he played with matches in his backyard on Riverview Drive. Leo suffered second degree burns also to his left arm and hands.

Kewaskum's AFS exchange student, Georgia Malamaki of Volos, Greece, has arrived

and the community extends her a hearty welcome. Georgia will spend the year with her American family, the Ralph Erdmanns, while attending our Kewaskum High School.

In a recent real estate transaction, Fairmont Foods Company purchased the Elroy Egerer apartment house on Fond du Lac Avenue. There are three apartments occupied in the building at the present time. The building will be torn down and the property will be used by Fairmont either as a parking lot or for future expansion of the plant.

Miss Jane Herman, daughter of Mr. and Mrs. Tom Herman, Kewaskum florists, attended the Belons School of Floral Design at Lansing, Michigan from July 30 to August 3. She took a course in all phases of floral work.

Mrs. Helmut Prause, nee Fridel Arlt, 55, Kewaskum, died August 9 at her home.

Pvt. Loren Coulter, USMC, son of Mr. and Mrs. William Coulter, Route 3, Campbellsport, completed four weeks of individual combat training on July 6 with the Second Infantry Training Regiment at the marine corps base, Camp Pendleton, California.

Each year at the Washington County Fair, there are many excellent exhibits, many of which stand out. These are then selected as champions of their class. Among the winners at this year's fair, Paul Redig of Kewaskum, was the champion in the crafts class with his tooled leather purse. The tooling was outstanding and a very neat job of lacing was also done.

Miss Veronica Mary Sukawaty, 82, a lifelong resident of the Town of Wayne, passed away at her home August 6, following a lingering illness.

Fifty-six student nurses at Chicago Wesley Memorial Hospital School of Nursing received their school pins on August 10, symbolizing the successful completion of their program. Out-of-state girls among the 56 who received their pins included Carol Ann Miller, Kewaskum, daughter of Mr. and Mrs. Charles Miller.

A daughter was born to Mr. and Mrs. Normie Dogs, Route 1, Mayville, on August 2. Mrs. Dogs is the former Duane Etta, daughter of Mr. and Mrs. Earl Etta, Route 1, Kewaskum. Daughters were also born to Mr. and Mrs. Lawrence Galabinske, Kewaskum, on August 2, and to Mr. and Mrs. Willard (Barney) Prost, Route 2, Kewaskum, on August 6. A son was born to Mr. and Mrs. Eugene Laatsch, Kewaskum, on August 5.

Matthias Herriges, 75, passed away at his home in St. Michaels last week Friday after a lingering illness.

A Grand Harvest Dance will be held at John Rinzel's Hall in New Prospect on October 5. Music will be provided by Honck's Concertina Band.

The members of the Ev. Lutheran St. Lucas congregation held a quarterly meeting last Sunday and have actually decided upon building a new church edifice early next year.

On the building committee was appointed Henry Stark, John Klein Sr., Louis Backhaus, Bernard Haufschild, August Wesenberg, Otto Habeck and William Quandt. John Martin, August Kumrow and Herman Meilahn were appointed as the auditing committee.

The farmers who are living in the vicinity of Campbellsport have decided to build an up-to-date grist mill near the railroad track at Campbellsport, the capital and location haven being secured. This enterprise will furnish the farmers an opportunity to have first class work done at reasonable prices, where they will receive fair and honest treatment, which will be highly appreciated by the business interests of Campbellsport.

The Kohlsville Mercantile Company has added a full line of ladies, misses and children's fall and winter hats, all new and up-to-date stock. A good trimmer has been engaged, who will begin on September 30. All the ladies are cordially invited to come and see the line and secure new hats, or have the old ones retrimmed.

Isadore Marx on Saturday moved his household goods into the Bakery and Confectionery building on Main Street.

Miss Regina Strobel, a former St. Kilian girl, and Mr. William Fink were married at Alma Center on September 10.

A baby girl was born to Mr. and Mrs. Eugene Haessly last week Thursday.

At a meeting held in Groeschel's Opera House Monday evening a Dramatic Club was organized. The purpose will be to present three home talent plays during the coming season, the first number of which will be staged about Thanksgiving time. At present, 17 have joined. The club also has its own orchestra consisting of five pieces. The following officers were elected for the ensuing year: President - Arthur Schaefer; Vice-President - Adelia Gottsleben; Secretary - Fred Buss; Treasurer - Don Harbeck; Marshal - Alvin Gottsleben; Director - Adelia Gottsleben.

The local high school has reopened with an enrollment of 44. At a meeting of the senior class held Tuesday, the following officers were elected for the school year: President - John Strachota; Vice President - Laura Brandstetter; Secretary and Treasurer - Ralph Petri; Editor - Adell Calhoun.

George Enger, 52, head of the Enger-Kress Pocket Book Company of West Bend, one of the largest manufacturing concerns of its kind in the United States, died Monday after an illness of over six months. The plant was originally formed at North Milwaukee, but was removed to West Bend after the destruction of the plant at the former place 20 years ago. The establishment has since then grown to a position of importance in the world of commerce.

A very pretty wedding took place September 28 at the Ev. Lutheran St. Lucas Church when Otto F. Bammel of Fort Atkinson, and Miss Lillian Kumrow of the Town of Kewaskum were united in holy bonds of matrimony.

KHS golfers in awe of Richfield course

By Judy Harlow
Statesman Correspondent

The annual Washington County Scramble moved this year, giving the four competing teams the opportunity to play at a course which has hosted one major U.S.A. amateur tournament and will host other prestigious events in the future - Erin Hills near Richfield.

"The course was in excellent shape and was an absolutely wonderful experience for these girls," Kewaskum coach Amy Uhlig said. "This was like no other course they have ever played before."

For the record, combined West Bend won with an 83 on team scores of 39 and 44. Hartford was next with 85, followed by Germantown with 89 and Kewaskum at 92 on a 45 from Emily Eutsey and Leah Wilde and a 47 from Brittany Duarte and April Gilane.

"The ninth hole got us with some high numbers," Uhlig said, noting her girls had two sevens and one four on that hole, which is "a very tough par 3 guarded by numerous bunkers. If it wasn't for that, we could have certainly slid into 3rd place tonight."

One highlight, according to Uhlig, was having a couple pars from both counting teams. Also, "The girls had fun and hopefully this will build some confidence as we go into next week."

On Tuesday, the Indians finished ahead of Hartford to take fifth place in the Little Ten meet played at West Bend Country Club.

Once again, Beaver Dam was the leader with a fine 188 total, eight shots in front West Bend (196). Oconomowoc finished third at 216, followed by Watertown, 221; Kewaskum, 233; and Hartford, 235.

Medalist honors were

shared by Abby Chase of Beaver Dam and West Bend's Mandy Fiorentino. Both had 6-over 43s.

Leading the way for KHS was Brittany Duarte, who carded a 53.

"I was pleased with her score on that course," Uhlig said. "She was pretty consistent" despite a few struggles with the putter.

Next came Gilane at 57, with three fives on her card, followed by Wilde at 60 and Destiny Duarte at 63. The latter two, both freshmen, were probably playing the course for the first time.

With two WLT meets to go, Beaver Dam leads the standings with five points, four in front of Oconomowoc (9) and seven ahead of West Bend (12). Watertown is next with 17, then Hartford and Kewaskum with 18 and 23, respectively.

Riffel claims medal for top-20 finish

By Judy Harlow
Statesman Correspondent

With two girls among the top 25 finishers, Kewaskum's girls cross country team finished 11th in the annual Hurlbert Invitation in Mayville last Friday afternoon.

Jeray Riffel led the KHS contingency with a time of 17 minutes and 24 seconds (17:24), good for 17th overall.

"She (Riffel) got a medal, and Calay McClyman just missed a medal by one place," coach Randy Backhaus said, reporting McClyman was 21st in 17:53.

Kewaskum wound up with 303 points. Slinger won the title with 54.

The other Indian counters

were Amanda Plachinski, 81st, 19:18; Jessica Nurkala, 86th in 19:24; and April Stern, 87th in 19:28.

"April Stern was sick. It affected her time," Backhaus said. "If she would have run her normal time, we would have surprised some teams."

Although she didn't count, freshman Annie Fiebig continues to improve, according to Backhaus, who said she hit the finish line in 20:40. "In three meets, she has taken three minutes off her time."

The Indians have just four boys, not enough to count as a team. Jared Sanborn was the only KHS runner in the top 100, finishing 74th in 19:56.

Girls tennis experiences scheduling nightmare

By Judy Harlow
Statesman Correspondent

Unfortunately, Kewaskum's girls tennis team had to play the two best teams in the Eastern Wisconsin Conference back to back.

After getting shut out 7-0 by Plymouth on August 30, the Indians' next EWC date was with Manitowoc Roncalli, which finished third in the conference last year, two points out of first place.

"Kewaskum got completely shut out last night to the EWC's strongest team, Manitowoc Roncalli," KHS coach Matt Fehlhaber said Friday after watching his team fall 7-0 the day before.

The Jets improved to 6-0 against EWC foes, while the Indians are now 4-3 overall with 24 points from match victories.

Fehlhaber said illness forced him to move Mallory and Maddy Kreis up to play at No. 1 doubles where the Jets are fielding the powerhouse duo of Abby Hall and Tallie Piaskowski, who came away as 6-0, 6-0 winners. Hall and Piaskowski improved their season mark to a very impressive 18-1 mark on the season.

Kewaskum's Kierra Kuehl also had her hands full facing Elizabeth Kuenzi at No. 1 singles. After winning 6-0, 6-0, Kuenzi is unofficially 16-2 for the year.

Just how dominant are the Jets? Well, they defeated second place Plymouth 7-0 and then dominated the Indians without losing a single set.

The Indians should win their final two matches against Two Rivers (away, Sept. 11)

and Chilton (home, Sept. 20) and if so, will post a better conference mark than they had in 2011.

Indians shut down Raiders

Derek Aupperle takes off for a 12-yard run in the second quarter against Kiel last Friday. The Indians won, 34-0, to go to 3-0 on the season.

If adversity is possible in a 34-0 victory, Kewaskum's football team faced some in the first half against Kiel last Friday.

The Indians held on to a 14-0 lead at the break, their worst 24 minutes of football to date this season, and had to employ another last-second stand to preserve the shutout.

As minutes turned into seconds left in the second quarter, Kiel moved to Kewaskum's 20. The Raiders ran

for three, ran for one and ran for three. On fourth and three from the 13, the shotgun snap was fumbled, and Nate Krupp broke up a pass attempt.

Kewaskum held on to its third straight first-half shutout. Kiel wouldn't get close again as the Indians played their best second half of the year.

"You just know," defensive end Jordan Hanson said of tightening up the defense near the goal line. "When their score is zero you want to keep it at zero."

Leading rusher Teddy

Wollner was held to less than 100 yards for the first time this season, but the stats were spread out more than usual. Wollner ran for 77, Joey Seitz for 69 and quarterback Brett Boegel 45.

The Indians outscored Kiel, 20-0, in the second half. It was the first time this year starters needed to play most of the third and fourth quarters.

"Much better second half," said Coach Jason Piittmann. "I challenged them at halftime. I'm just so proud of the kids in the second half."

Any chance Kiel had of

getting back in the game was dashed in the third quarter. Kiel took the kickoff and drove to Kewaskum's 45. But Max Maertz made a tackle for a six-yard loss on second and seven, and a third down pass fell incomplete.

The Indians got the ball on their own 32. Eight running plays mixed in with one complete pass and two incompletes moved the ball to the Kiel seven.

On fourth and four, Boegel threw a jump ball to the corner, and 6-foot-4 Hunter Flanders out-leaped the defensive back for a touchdown.

On the ensuing drive, Kewaskum forced a three and out, and Hanson got through and blocked the punt attempt. Nick Banks fell on it in the end zone, and the Indians were up, 28-0 and the game was over with 30.9 seconds to go in the third.

"It hurt but it was awesome," Hanson said of catching the ball with his hand.

"It just proves special teams are special," said Piittmann. "I think that took the wind out of their sails a little bit."

Krupp got his third touchdown catch in three games, this one a gorgeous spiral from Boegel as the wideout sprinted alone down the sideline for 62 yards. And the senior picked off a pass in his third straight game.

In the first quarter, Wollner got the scoring started with a sweep left. The track star broke down the sideline, stopped on a dime to let a Kiel defender go by, and then continued his route into the end zone.

"That was a great move," said Piittmann. "I've just been so impressed with his leadership all season. He's doing everything I could ask of him."

The Indians held Kiel to 57 total yards. So far this year, they've outscored their competition, 116-6, with West Bend East scoring with 37.7 seconds to go in the season opener.

While Kewaskum had several tackles for losses against Kiel, Piittmann said he likes to see the defense give up plays of zero, one and two yards. He doesn't want his defenders up the field so far to give up running lanes. The team has caught on.

"They're starting to get it a little bit," he said.

Kewaskum takes on adjacent rival Campbellsport on the road on Friday. The Cougars are 1-1 in the Eastern Wisconsin Conference and 2-1 overall, coming off of a 29-21 win over Sheboygan Falls.

Gridiron teams go 1-2-1 on opening day

By Judy Harlow

Statesman Correspondent

Bragging rights on the opening day of Kewaskum's Gridiron football belonged to the sixth graders, convincing winners over their opponents from Wauwatosa East. The most exciting game was played by the seventh graders who provided a thrilling tie, and the other two Indians teams were defeated.

The **sixth graders** posted a 28-0 shutout to successfully open the 2012 season.

The Indians marched right down the field on their first drive, with Ryan Prochnow getting the first score on a QB sneak.

"It was a nice drive... six or seven plays," coach Joel Tietz said, reporting Prochnow "also had a long score to end the half."

After the break, Eric Bauer got into the act on a 40-yard reverse, and Kyle Loehr scored a fourth quarter touchdown.

Kewaskum scored all four PATs, but Tietz could only remember that one came via a pass to Carson Dogs and that another was scored by Prochnow.

"Our defense did well," Tietz said. "We had good pursuit, and we shut down the edge so they couldn't get around us."

What really pleased the coaches is the fact the Indians made very few mistakes.

The **seventh graders** erased

a 12-6 deficit with a pair of second-half touchdowns to earn a 19-19 tie with the Raiders.

"One extra point from a win," coach Tom Kudek said.

Right before intermission, Kewaskum was driving for a go-ahead touchdown when Cole Surprenant fumbled and a Raider defender ran the ball back 99 yards for six points.

Blake Horning's interception set up the Indians' first TD in the third quarter. It came on a 20-yard pass to Danny Kreis, and Gabe Christenson tackled on the PAT on a run for a 13-12 advantage.

East came back with a 58-yard run to score on its next series and got the PAT on a pass, then a long kick off return by Patrick Krier gave the Indians great field position at the TE 12-yard line. Christenson found Cade Peterson for a TD strike, but the QB was stopped short of the goal line on the PAT try.

Neither team scored in the fourth quarter. Kewaskum fumbled one more time, and Kreis picked off a Raider pass.

Kudek praised defensive end Jon Heus and said Horning "had a good game" at linebacker.

The two **fifth grader** teams combined for 25 points in the first half, then settled into a defensive struggle won by the Raiders, 19-6.

Coach Mark Walcheske said his defense didn't allow any

sustained drives, but, "We gave up three long plays."

Nathan Lawrence, a defensive tackle, was cited for making a lot of tackles, and linebackers Jermaine Thull and Jacob Stoltz played well.

Eli Bartelt had the lone Indians TD, on a 4-yard run which capped a nice drive.

Walcheske praised quarterback Brady Stern who had enough composure to call his own play on fourth down in the Indians' scoring drive. "That was a key play," the coach said.

The **eighth graders** were outscored 32-7. Their lone score came on a 40-yard pass from Dalton Poole to Alex Vogt.

"It deflected off the defender," coach Jim "Jonesy" Korth said, reporting his team had already lost one fullback, Zach Geidel to an injury, and in the game "Tommy Stromm went down with a rib injury."

"We're so lightweight," Korth said, noting three of his backs weigh just 115 pounds.

They changed the game plan for the second half when the Indians turned to the pass. "We completed 15 to 18 passes," Korth said, noting Mason Shambeau, Vogt and Kyle Henk each had a couple catches.

Linebackers Dalton Espitia and Dylan May were cited for good play.

Kewaskum Youth Soccer Organization

Results from Saturday, Sept. 8, 2012

Saturday, September 8th marked opening day for the Kewaskum Youth Soccer Organization's Fall Season. The club has grown to a total of 10 teams ranging from U7, U8, U9, U10 and U12. Preliminary team results from September 8th include:

The **U7 Gators** hosted Hartford. Calla Kreuser and Isaac Morales played great defense. Caleb Finger scored 2 goals and Elliot Kemp scored 1 goal. Autumn Rabe had a nice block at the net preventing a goal. The game ended tied 3-3.

The **U8 Lions** hosted Slinger. It was a competitive game ending with a 3-2 victory for Kewaskum. Carson Rolf lead Kewaskum with two goals. All around good team work for all.

The **U8 Comets** team lost to a Hartford team on 0-5. Brandon Weinreich and Hudson Curtin both played with great energy and hustle.

The **U9 Eagles** hosted the Slinger Wildcats for the first game of the season. Sienna Derks played strong defense. Samantha Kusters scored the first goal of the game, followed by an exciting second and final goal by Trevor Maine, ending with an unfortunate 5-2 loss for the Eagles.

The **U9 Badgers** played their first game on Saturday vs. the Hartford Shockers and were ultimately shocked by the Badgers in a come from behind victory. All of the Badgers played well in this game.

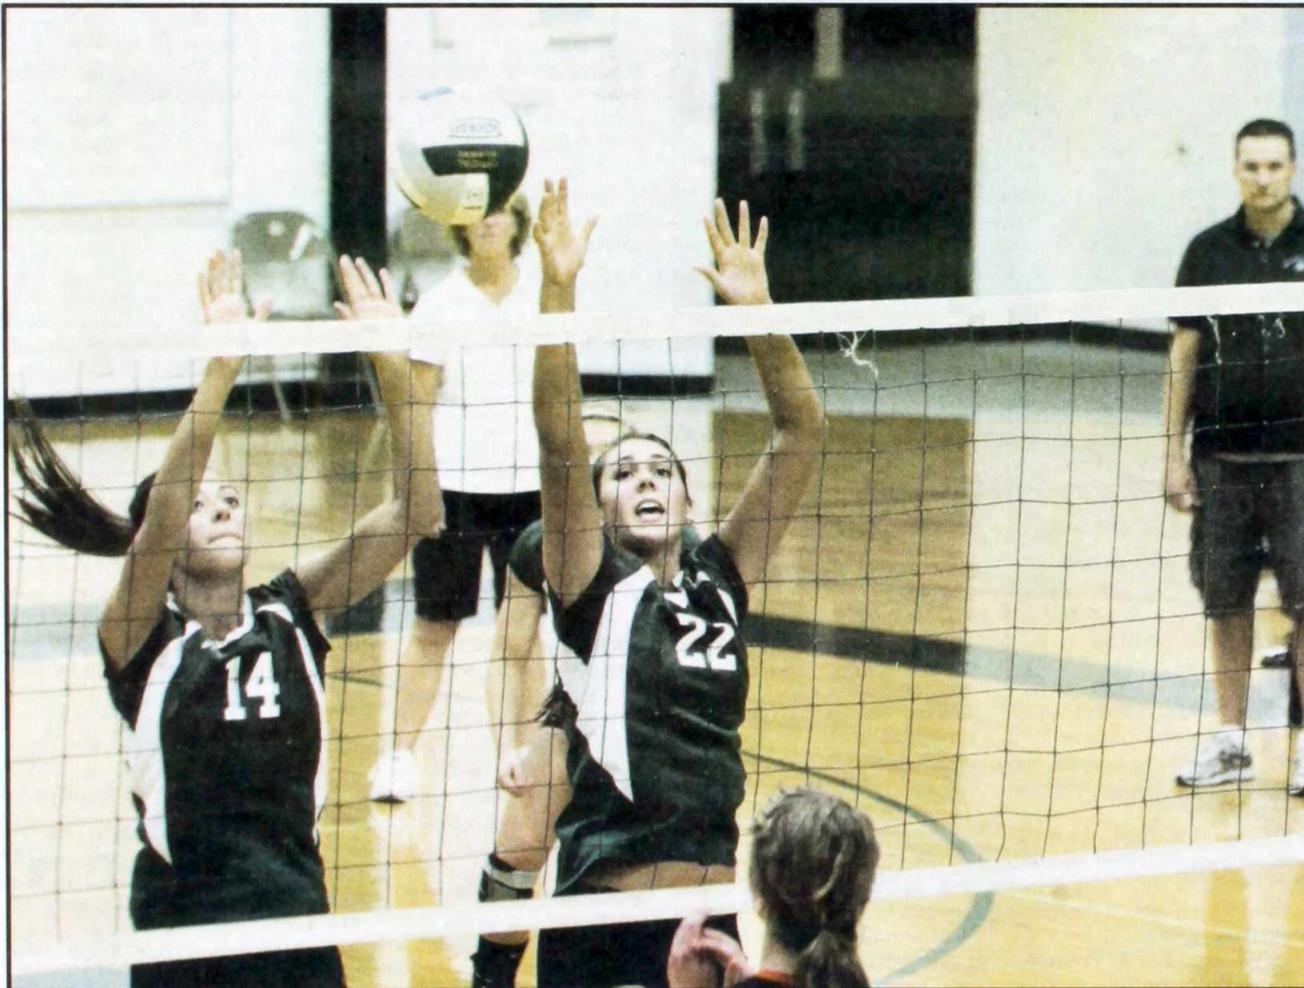

The **U10 Girls Kickers** hosted Jackson on Saturday and started exactly where they left off from last season. Andrea Butz quickly opened the scoring, followed by two goals from Kennedy Adams. Newcomer Lilly Schlosser joined the scorers list with an impressive strike. Emma Rolf was the star of the show with four tremendous goals on the day. Clair Kosterman and Sydney Damrow, playing in their first game were impressive in midfield. Kickers 8 Jackson 1

The **U12 Pumas** played their first game of the season against the Hartford Eliminators. The Pumas were the first to score, and came out very strong. Several great plays were made, including Hunter Roehrig's beautiful persistence on a one-on-one guarding of the ball, just outside of the red zone. The Hartford player could not get near the goal for a shot. Jack Paul also had a great show of clearing the ball out of the red zone. Multiple times he was able to clear right or left with one solid kick. Brendon Rice, Hunter Schmitt, and Colin DeYoung scored the three goals, two with a received pass and one with a drive. And beautiful positioning was held by Kirk Johnson, by forming a triangle at the opponent's goal. Excellent first game.

The **U12 Hawks** played the Slinger Cosmos and lost their first game to a well controlled Slinger team.

where we're very consistent," said Moser. "And at the same time get in a slump."

In game one, Kewaskum tied it at 14-14 on two straight aces by Fisher before the Panthers closed on a 11-5 run. In game two, Kewaskum built a 24-17 lead and held off a rally. Game three was tied at 11-11 and the Indians never got closer than to within three points the rest of the way.

In game four, the Indians built a 19-14 lead and again hung on. The game got to 24-23 when Aycock, known for her hard smashes, plopped over a set skill for the winner.

The Indians couldn't get anything going in the deciding game. They dropped to 2-3 in the Eastern Wisconsin Conference and 8-4 overall.

Despite injuries taking their before the season started and outside hitter Stephanie Henk early in the season, Moser likes the direction of his team.

"I hope to continue to improve," he said. "If we can improve that much in two weeks we can improve more." Abfall has more than filled in for Henk, battling through an tweaked ankle herself.

"Mikkin's stepped up and is really playing huge for us," said Moser. "She's a tough competitor."

A slump came at the wrong time on the wrong side of the court for Kewaskum's volleyball team last Thursday.

The Indians lost a five-game heartbreaker to Plymouth, 19-25, 25-20, 18-25, 25-23, 5-15, as the Panthers completed the season sweep.

Middle hitter Anna Aycock had 25 kills. Mikkin Abfall had seven and Ashlee Stahl five.

Heather Johnson had 21 assists and Marissa Stahl 16. Kelsey Phillips had 27 digs.

Jenny Fisher had 17 service points. Johnson had 15 serves without an error and Phillips had 16 with one error.

It was a better showing than the first time the two teams faced off.

"A couple of weeks ago they beat us hands down in three," said Coach Joe Moser.

The coin flip for game 5 put the Panthers on the side of the court that won four times already that night. They built leads of 6-2, 9-4, and 11-5 before putting away the game and match.

Aycock got stuck in the back row for a good portion of the game, and the Indians didn't get enough side outs to get her back up front where she can score easier.

Beyond that, a passing error here, a missed serve there - sometimes at key moments in the match - hurt Kewaskum.
