District to hold planning workshop

By Amy Kumrow

The Kewaskum Board of Education has hired a UW-Oshkosh professor to facilitate a strategic plan for the district. The community will be invited to a Saturday meeting and take part in the process.

Dr. Dale Feinhauer appeared before the Board in September. He explained his process would include two four-hour sessions and help the district put the plan into place at a cost of \$2,000.

The last time the district did any sort of strategic planning was in the Spring of 2007 according to Superintendent Jim Smasal.

Feinhauer worked with Smasal's old district in Winneconne. He's also worked with Oshkosh School District. Being the past president of Omro School District he stated he realizes the perspective of board members.

Smasal thought putting together a plan in the near future was imperative. "The iron is hot now, especially with the start of the school year."

Smasal stated he thought "things are totally different now. This is a beginning of the school year thing, you get to Christmas and past that, you lose enthusiasm."

Smasal suggested at the meeting that a Saturday morning be planned where the entire community could take part in. Subsequently it was decided the meeting will be held on Saturday, Oct., 13 from 8 a.m. until noon in the Rose Library of Kewaskum High School.

Kewaskum Horsemanship chapter returns, places fourth in district competition

By Amy Kumrow

Staff Writer

amy@kewaskumstatesman.com

There was a lot of horsing around in the Equestrian barn and arena at the Washington County Fair this past summer. It's continued as the Kewaskum chapter of WIHA (Wisconsin Inter-scholastic Horsemanship Association) competed in a district show.

Students, in grades 6-12, who are interested in competing on an equestrian team, are eligible providing a registered adult is available for coaching. The WIHA promotes horsemanship education, and sponsors activities encouraging students to participate.

The program was recently restarted with students and their parents covering most of the expenses. Sponsorships and donations from local businesses have been acquired to help offset the cost next year.

Kristin Vogt, who's no stranger to Equestrian sports coaches the girls after spending 11 years in the Washington County 4-H Equestrian Project. Her accolades in horsemanship in-

clude many top awards at state competitions as well as being awarded Grand and Reserve Champion at the state and county level.

Kewaskum's Chapter includes Taeh Horbas, Courtney (Sparky) Schmidt, Sydney Hodorff, and Kayla Oelhafen. All four girls are also a part of the Washington County 4-H Equestrian Project.

In the district show held at the Fond du Lac County Fairgrounds, the team was part of District five, which had a total of 23 teams compete. Vogt stated this was the biggest year District 5 had seen since the program was started.

There are four divisions (A, B, C, and D), and students from Kewaskum competed in Division C, which are teams of 3-6 people. "On Sunday, every class that the team had someone entered in," Vogt explained, "they (Kewaskum's team) came out with points." Classes include showmanship - a pattern done while leading the horse, reining - a pattern performed while riding the horse, and bareback. Speed events like barrel racing and a two-

person relay are also done. Class sizes were for the most part were between 30 and 40 people.

Each class places ten people. First place gets ten points and tenth gets one. The Kewaskum team competed in three shows finishing either third or fourth, and claiming fourth overall for the weekend.

Kewaskum's contenders participated in the speed events, Barrel Racing, Speed & Action, Flag, and Two Person Relay. Hodorff and Schmidt also participated in Jumping and Hodorff did Bareback as well.

While non of Kewaskum's girls will move on to the state competition, Vogt is pleased. "After a year hiatus from competing it was great for the kids to be back involved in the program. We hope that in the future we can gain some support from the school district." Those interested in the being a part of the group can contact Vogt at, (262) 305-8444 or by email vogtka20@uww.edu the group also has a Facebook group.

October's Waiting Child

Adoption Resources of Wisconsin

Bianca

8/16/1995

Bianca is a bright 16-year old African American young woman. She enjoys shopping, singing in the shower, swimming and fishing. She also enjoys writing, which she excels at. Bianca describes herself as being "adventurous." She is in 11th grade and can do very well when she is motivated. Bianca is in need of a family who will give her praise to keep her motivated to do well in school.

Bianca is in need of a home that is structured and has an emphasis on rules, while also helping her gain her independence. When she was asked what she would like in her adoptive parents and home she said she would like a family to possess the following qualities: honesty, trust and respect, and someone to talk to and communicate with on a daily basis.

Bianca would do best in a home where she is allotted enough one-on-one time with her adoptive parents. A home with siblings would be ok as long as Bianca was able to have private bonding time with her parents as well.

Although Bianca is chronologically 16-years old, socially and emotionally she sometimes acts like she is closer to the ages of 8 and 10 years old. She can have a low tolerance for frustration and can become verbally aggressive, with rare instances of shoving others and slamming doors when especially upset. But positive reinforcement, praise, and individualized attention may help in calming her.

Bianca has an aunt and uncle as well as some adult step siblings in Wisconsin, and she wants to continue to have a relationship with them, although is open to living outside of the state as her primary objective is finding a family of her own. There is no doubt Bianca will present some parenting challenges. However, Bianca will most benefit from a deeply committed adoptive family that can provide an environment of supportive structure as well as personalized and nurturing attention. Bianca has been patiently waiting to find a family of her own and continues to look for a forever connection.

For more information about this child or other Wisconsin children waiting for adoptive homes, call Adoption Resources of Wisconsin at 414-475-1246 or 800-762-8063 or visit the website at www.wiadopt.org.

Cougar sighting unfounded in area

By Amy Kumrow
Statesman Correspondent

In August, a cougar sighting off County Road H in Kewaskum near Sandy Ridge Road was investigated, but there was no physical evidence to support the claim to warrant follow up. Recently, another cougar sighting in that same vicinity has surfaced. DNR officials say they have not confirmed any sightings in Washington County.

"We get cougar sightings regularly," said Tom Isaac, Wildlife Biologist of the DNR at Pike Lake, "But we still have not confirmed any in Washington County."

According to Isaac, the DNR does not have trail cameras in the area. Recent rumors of a cougar sighting in Lomira, with pictures, proved to be the cougar with confirmed observations in Monroe County. In July a photographed sighting took place in Buffalo County.

A wildlife biologist with the state Department of Natural Resources, Kris Johansen, visited the site with a warden and con-

firmed the background vegetation in the photograph matched the site. In addition, the biologist found and identified cougar tracks on a small patch of sand in the area.

While there have been several verified sightings of cougars in Wisconsin in recent years the Buffalo County sighting was only the second verified sighting in 2012. In all cases where biological material was available (hair, scat, blood) the cougars were identified as young, male, North American cougars

DNA testing of biological samples and other evidence has confirmed that at least six individual male cougars have visited Wisconsin since 2008.

There is currently no evidence that cougars are breeding in Wisconsin. Biologists believe the cougars known to have entered Wisconsin are male cougars dispersing from a breeding population in the Black Hills of South Dakota. Evidence shows that at least three of these cougars moved on and left the state. One of these, the "St. Croix cou-

gar" that entered Wisconsin from Minnesota during the winter of 2009-2010, was killed by a vehicle in Connecticut in 2011. Biologists estimate that cougar traveled at least 1,055 miles and possibly as far as 1,600 miles.

Cougars are a protected species in Wisconsin and cannot be shot unless attacking a human or a domestic animal. Cougar attacks on humans are exceedingly rare. They are rarely seen even in western states where they exist in high numbers.

Cougars are not considered a threat to public safety. In the extremely unlikely event that a person is confronted by a cougar, experts recommend against running. Instead, face the cougar, spread your arms and open your coat or jacket if you are wearing one to appear larger. Take hold of small children so they do not run. Yell at the cougar. If it approaches, throw rocks or sticks at it.

If a resident notices an animal felt to be a cougar, the DNR asks for residents to complete a large mammal observation form online at <http://dnr.wi.gov/topic/wildlifehabitat/cougar.html>. Details about the sighting include date, time, color and size of animal. Isaac will be contacted for follow-up if the sighting is for Washington County.

The Kewaskum Kiwanis presented \$500 to the Kettle Moraine YMCA Girls' Night Out program. This is the second year the Kiwanis has supported the program.

Everything is changing and it is easy for girls to feel pressured, confused and alone. Girls Night Out is a gathering of sixth, seventh and eighth grade girls where they can talk and learn what to do to help them survive all the changes within and around them.

The facilitators will teach and mentor the girls to keep them strong in spirit, mind and body while making positive choices. Classes meet every other Monday from 6 to 8 p.m., at Kewaskum Middle School, and began October 1. Registration is available at the Kettle Moraine YMCA. Bring a friend!

A gift for every season and a gift for every reason

Cindy Zingsheim in her store, Cindy's Country Crafts in Kewaskum.

By Amy Kumrow
Staff Writer

When working at a job you love so much, the job doesn't seem like work at all is a blessing. Cindy Zingsheim received such an opportunity when she grounded her lifelong love of crafts into a business and opened Cindy's Country Crafts on Badger Road on July 3.

"It was already a dream of mine and my mother's to have a shop," Zingsheim said, "I lost my mom about eight years ago from cancer. She is unable to be here to share with me, but I know she is a little angel on my shoulder."

Zingsheim has done crafts all her life, starting at the age of 10, when she began crafting with her mother, Judy Heinen. Her mother had a craft show at her residence for 25 years called Christmas in the Country.

Later she and her mother shared spaces at festivals and shows until Zingsheim's stock became so large, two different spaces were needed. "Everyone

in my family seems to be very artistic either crafty or work with their hands," Zingsheim said. Her daughter Samantha, whom started about the same time as Cindy, has started crafting her own profitable line of crafts.

Zingsheim began to paint without lessons as a child. She has mastered this gift, which has become the majority of what she does, though she still does other things such as floral design and sewing. Holidays are a favorite, so every holiday will have a craft from St. Patrick's Day to Halloween.

Out of high school, Zingsheim worked at Stein's Garden Center as a floral designer. Before she left in 1990 to start a family, she was the head designer for a couple years. Throughout her time at Stein's, she worked at craft shows, and she continued afterward with her family's support.

"People have asked me for years, you have so much stuff, when are you going to

open a store?" Zingsheim said, "Especially when I do Washington County Pavilion."

Cindy's Country Crafts feels like you are walking into a little country store you see off some hidden road up North. The majority of items in the store are hand crafted; however, Zingsheim wanted to bring in some nostalgic items such as a selection of old time candy like candy cigarettes and candy buttons.

After searching for a candle company, Zingsheim selected Mostly Memories for their long lasting candles, with scents such as apple pie, and cinnamon roll. Pumpernickel Press is the maker for assorted greeting cards. Sachets and potpourri are also available.

Her most popular item are her signs and sport oriented items. The signs offer funny sayings to bring humor. "In today's society you need a sense of humor to get through the day," she said.

An assortment of Halloween decorations and crafts are shown in this display.

Statesman photos by Amy Kumrow

For example, she has a sign that says "Please let me stop everything and work on your problem." Another one is "Marriage is finding that special someone you want to annoy the rest of your life."

Christmas items will be brought out in a couple weeks. Zingsheim will have a booth at the upcoming Fair to Remember at the Washington County Fair Park Pavillion.

Prices are reasonable based on what she would be willing to pay herself. She encourages people to "come in, check it out and browse." Zingsheim plans

to sell at shows and festivals, but plans to cut back due to having the store.

"I am thrilled and excited to see where the journey goes," Zingsheim said, "I was very blessed to find this location." Cindy's Country Crafts is located at 3589 Badger Rd. across from McDonalds/J-Stop Citgo.

Zingsheim will have extended hours through the end of the year. She is closed Monday and Tuesday, Wednesday through Friday hours are 11a.m. - 7 p.m. Saturday, 11a.m. - 4 p.m. and Sunday noon until 4 p.m.

Social Fest a Success

The 18th annual Social Fest was again a success this year on Aug. 25th, at River Hill Park in Kewaskum. It was a beautiful and everyone enjoyed all the evening had to offer, from the exciting live auction to mingling with friends. It takes a great amount of generosity to make this fundraiser work, and a heartfelt thank you goes out to all who donated live and silent auction items, cash donations, all who helped with setting up, cleaning up, cooking and working the event. We could not have had this success without your dedication and ability to see how important this is to Holy Trinity School. Thank you, we hope to have another great year in 2013.

Loving our legends, Where has Goatman gone?

At the beginning of South Mill Road, east of the Village of Kewaskum, the DOT has already issued a warning about the Goatman.

By Amy Kumrow

Statesman Correspondent

Editor's note: For the month of October, we will be exploring our local urban legends. This week we start off with Kewaskum's famous Goatman on South Mill Road. Each week we will highlight a different legend. We ask our readers to please be respectful of the property owners located in the area of the legend. If anyone has information about a local legend, please contact reporter Amy Kumrow at (262) 483-9572.

The sky was cloudless, and the sun struggled to pass through every tree. As the car crept at a slow five miles per hour to avoid the numerous potholes, the filtered sunlight reflected off the windshield in patches creating a shimmering mist in the height of the day. Suddenly, there was movement about 200 yards ahead.

Across the nation, the urban legend of the Goatman has secured its place in folklore. In the late 60's and into the early 70's Goatman lived at the end of South Mill Road in Kewaskum. Teenagers routinely partied there and were spooked by a half-man and half-goat creature that supposedly lived in a crumbling house at the dead end.

Apparently in the 60's, the DNR decided to purchase several farms to add on to the Kettle Moraine Forest Northern Unit. The farm houses were auctioned off for pennies on the dollar, and the new owners could move the houses to other locations.

One farm house was purchased and moved to the end of South Mill Road. The problem was no electricity could be hooked up for the new residence, so the house was abandoned. After two to three years of being neglected, the house collapsed.

Teenagers from all over Washington County-Kewaskum, West Bend, Hartford, and Slinger- used the dead end road as a party location. At some time during the festivities, the Goatman made his presence known.

The legend of Goatman has been around since the Civil War. In the town of Erin, there are claims that a civil war soldier was slain by the Goatman, while he was looking for help to repair a broken axle on his wagon.

Different stories linger around the Goatman. One sto-

ry has a couple, using the road to "park," getting spooked by a noise. After they left, they found a hook embedded into their car. Another version reveals the Goatman is an abusive man, who after killing his wife, tried to kill his goats; however, one goat stabbed fatal wounds into the man with his horns. Due to his murderous spirit, he continues to look for new victims.

A West Bend researcher, J. Nathan Couch, in his quest of the Goatman legend, found an eye witness account. In his upcoming book, Washington County Paranormal: A Wisconsin Legend Trip, he writes:

In the autumn of 2003, Jason set up his tree stand off South Mill Road in preparation to enjoy some bow hunting. When he returned to hunt a few days later, he discovered it had been taken down and moved about a hundred yards from its original location. There were marks on it that resembled footprints.

After returning the tree stand to its place, Jason returned, and this time he saw the Goatman. According to Couch's book, Jason describes his encounter. "It was the size of a deer, tan and gray in color. It looked like a goat, but with a human head and arms. I remember it had a beard that was gray and very long. It smelled like rotting flesh and garbage all mixed into one. I remember it was swearing, literally talking under its breath, something about 'trespassers.' What scared

Statesman photo by Amy Kumrow

me the most was the sight of it."

Research has found a real "Goatman," though he preached the gospel. His name was Ches McCartney. He was a wanderer of the U.S. who travelled with a wheeled wagon led by goats. His physical appearance included having a long grey beard and well worn clothes.

The legendary Goatman has shown up in several states across the United States. Maryland's Goatman was the result of a government science experiment gone wrong and lives in Prince George County. Texas's Goatman tosses rocks and debris at cars.

Whichever account, the Goatman likes to cause mischief or murder. The only police involvement with Kewaskum's Goatman is answering 911 calls for teenagers hitting a tree or running off the road, while looking for the creature.

In an unrelated incident (or maybe not), multiple dead goats were found along Jay Road in Farmington during the spring of 2008. It is unknown if Goatman played a role in these mysterious deaths or not. It is interesting though that they were found in the area of next week's urban legend....

If interested in more about the Goatman encounter, Couch's book will be available October 13th from Amazon and from his website www.washingtoncountyparanormal.com.

Kewaskum Chamber of Commerce announces Christmas Parade theme

By Amy Kumrow

Planning is underway for the annual Kewaskum Christmas Parade sponsored by The Kewaskum Area Chamber of Commerce. Organizers have declared "Elves and Bells" as the theme for the Sunday, December 2nd event.

This year's planning committee of Mike Geidel of Geidel's Piggly Wiggly, Scott Sadownikow of Kewaskum Mobil, Gino Giudice of Bonne Bell Motel, Kevin Stautz of Hollywood Homes LLC, Wayne Sargent of Little Folks Schoolhouse, and Tom Fabitz. Local area businesses are encouraged to enter floats in the parade or donate funds for the musical entries.

A toy collection will take place along the parade route in support for needy families in Washington County. Toys can

also be dropped off prior to the parade at: Geidel's Piggly Wiggly and Kewaskum Mobil. The Kewaskum Food Pantry will also collect food along the parade route.

Those wishing to have floats should contact Mike Geidel at (262) 626-1778 or email mikegeidel@kewaskumpig.com. An entry form can also soon be downloaded from the Kewaskum Chamber website at www.kewaskum.org.

Parade participants are to line up in front of Kewaskum High School starting at 4 p.m. and check in with a parade official. Walking groups will meet inside KHS, they should park in the rear of the high school. The parade begins at 5 p.m.

Santa Claus has promised he will send one of his Santa helpers from the North Pole to

be in the parade on a magical float pulled by Regal Ware.

The parade route will proceed from the high school south down Parkview Drive, to Main Street and west on Main until Fond du Lac Avenue, where it will end at the Kewaskum Municipal Building Annex. Floats can park in the alley between Engelhardt Distributing and the Annex Building.

Monetary prizes will be given to the top five floats selected by the judges. Walking groups will have a chance to win prizes. Winners of the float competitions will also be announced in The Statesman the following week.

The parade is organized by the Kewaskum Chamber who funds it through sponsorships and a donation made by the McCarty family a number of years ago.

Halloween Nature Hikes Oct. 19, 20

Are you looking for a non-scary, but fun-filled Halloween event? The Kettle Moraine State Forest - Northern Unit is holding its fifteenth annual Halloween Nature Hikes on Friday, October 19, and Saturday, October 20, from 6:30 to 9:30 p.m.

The hikes will take place at the Long Lake Recreation Area located off Division Road just north of Hwy F about one mile east of Dundee. Guided groups will leave every six minutes with the last hike leaving at 8:30 p.m. Each hike will last about one hour. The event is most appropriate for those over the age of five years. In case of severe weather, the event will be canceled for that night.

Let's go with the flow to encounter a whole raft of water creatures including the boastful largemouth bass, the daring blue darner dragonfly, the loud honking Canada goose, and the ever elegant great egret. This is just a taste of what awaits you and your friends as you stroll through the dark autumn woods to meet all the aquatic characters!

There will also be exciting games and clever crafts for the kids of all ages to do before or

after their hikes. The Friends of the Kettle Moraine will provide hot and cold cider and popcorn (free of charge) for all the hikers to enjoy by the glow of a blazing campfire.

Wisconsin State Park System vehicle admission stickers are required for this event. A Wisconsin resident daily sticker is \$7.00 per car or an annual sticker is \$25.00. If you already have your State Park System sticker, the event is free. Your donations are always very

gratefully accepted to help us continue to offer this event into the future.

Please join in for an awesome evening of educational entertainment for the entire family! For more information, contact the forest staff at the Ice Age Visitor Center. The phone number there is (920) 533-8322. The center is open Monday through Friday from 8:30 a.m. to 4:00 p.m. and on Saturday and Sunday from 9:30 a.m. to 5:00 p.m.

Beimborn, Dymond receive Service Awards

At the Homecoming game Friday, Laurie Beimborn, right, was acknowledged for her countless hours as a community volunteer. She is also a district employee who has gone above and beyond in her work for the district. Beimborn has also been the branch director for the Boys and Girls Club of Kewaskum, and volunteered time to this organization as well.

Kewaskum Superintendent of schools Jim Smasal congratulates Linda Dymond after receiving a district community service award. Dymond currently works with students in her capacity as an AODA counselor; she has given countless volunteer hours for the school district, and is founder of Kewaskum Cares about Kids.

DOLORES 'DEE' COOKE-WERNER

Dolores "Dee" Cooke-Werner (nee Raddemann) of West Bend, formerly of Kewaskum, went to her eternal resting place on Thursday, September 27, 2012, at Kathy Hospice in the town of Polk at the age of 95.

Dee was born on September 9, 1917, in Hartford, the daughter of the late Edward and Helen (nee Brose) Raddemann, and lived there until 1935 when she moved to West Bend.

In 1938 she was united in marriage to Charles Cooke, who was in the U.S. Air Force, and was killed in action over Germany in 1944, only having finished eight missions while serving his country in World War II. Together, they had one son, Richard.

In 1950, she married Gustav "Clark" Werner, at St. John's Lutheran Church in West Bend, later moving to Kewaskum, where they both resided until 2006, then moving to Park Place Condominiums in West Bend and in 2009 moving to Cedar Community Campus.

When Dee first moved to West Bend, she was employed at The Express Office, The Beacon Restaurant and the office of Dr. Frankow and Dr. Grundahl. After living in Kewaskum for a few years, she worked at Rosenheimer's Department Store until she retired in 1984.

She was an avid bowler in the 50's and 60's in West Bend, her most enjoyable hobby. She also enjoyed playing cards, reading, doing crossword puzzles, and cooking and baking, especially for her grandchildren. Spending time with her family, grandchildren and great-grandchildren were most enjoyable to her. She also loved to get together with old friends.

Dee and Clark enjoyed spending time taking yearly vacations at the Eagle River and Minocqua area lakes, spending time with family and doing

a lot of fishing. Dee loved to go pan fishing. When their son and daughter-in-law bought their home on North Twin Lake, they had many enjoyable times with family, friends, the neighbors and fishing.

Dee was a faithful member of St. Lucas Evangelical Lutheran Church in Kewaskum.

Those Dee leaves behind to cherish her memory include her son, Richard (Kay) Cooke of Spring Grove, Illinois; her daughter, Susan (Russ) Gavin of Slinger; four grandchildren, Rick Cooke of Naperville, Illinois, Michael (Debbie) Cooke of Spring Grove, Illinois, Pamela (Bryan) Anderson of Rosemont, Minnesota and Jonathan Gavin of Slinger; her great-grandchildren, Bradley Cooke, Cameron Cooke, Adam Hodgson, Colton Anderson and Samantha Anderson; two sister-in-law's, Lois Raddemann of Hartford and Erna Werner of Tucson, Arizona, nieces, nephews, other relatives and many dear friends.

Dee was preceded in death by her first husband, Charles V. Cooke and her second husband, Gustav "Clark" Werner; her parents, Mr. and Mrs. Edward Raddemann; her parents-in-law, Mr. and Mrs. Charles M. Cooke and Mr. and Mrs. Emil Werner; three brothers, Wallace, Carlton and Edward Raddemann; two sisters, Hazel Burie-Dodish and Ruth Potter; her brothers-in-law, Walter Werner, William Werner, Earl Potter, John Burie, Nick Dodish and Art Buss; her sisters-in-law, Lillian Buss and Hedy Raddemann and her grandson, Timothy Cooke.

Funeral services for Dee were held at 12:30 p.m. on Monday, October 1, 2012, at St. Lucas Evangelical Lutheran Church in Kewaskum. Rev. Troy Swenson officiated and burial was in Washington County Memorial Park in West Bend.

Relatives and friends may call at the church on Monday

from 11:00 a.m. until the time of services.

In lieu of flowers, memorials to St. Lucas Lutheran Church are appreciated.

The Miller Funeral Home in Kewaskum has been entrusted with Dee's arrangements. Additional information and guest book may be found at www.millermartinfh.com.

BRIAN P. RAMEL

Brian P. Ramel, 25, of Random Lake, was called to eternal rest on Friday, September 28, 2012, at Children's Hospital surrounded by his loving family after his 17-year courageous battle with cancer.

Brian was born on June 28, 1987 to Mark and Debra (nee Meyer) Ramel. He graduated from Random Lake High School in 2005 and Lakeshore Technical College in 2006 with a degree in Dairy Herd Management.

His passion was dairy farming and he worked for Tidy View Dairy in Kaukauna, Kraus Custom Forage Harvesting in Elkhart Lake, Maple Hill Farms in Random Lake, and Rosendale Dairy in Rosendale. His favorite hobby was to collect farm toys and build miniature farm displays. He was an avid Packer and Brewers fan. He also loved spending time with his dog, Buster, and being outdoors.

He was a member of Lady

of the Lakes Parish in Random Lake and had a deep love for his family and the Lord.

He is survived by his parents, Mark and Debra Ramel; siblings, Steven, Jessica, and Matthew of Random Lake; grandparents, Gilbert and Loretta (nee Heimerl) Meyer of Fredonia; Godparents, Susan (Roy) Carter and Gilbert Meyer Jr.; close friends, Bill Eberle of Omro, Casey Hausch of Green Bay, and Chris Edmonson of Santa Fe, Tennessee. He is further survived by many aunts, uncles, cousins, and friends.

He is preceded in death by his grandparents, Orville and Charlotte Ramel; and an uncle Harland (Janice) Grezevske.

The Mass of Christian Burial will be on Friday, October 5, 2012 at 1:00 p.m. at Our Lady of the Lakes Catholic Church - St. Nicholas Chapel, Dacada.

The visitation will be held on Thursday, October 4 from 4:00 until 8:00 p.m. at the Phillip Funeral Home Chapel, West Bend and on Friday, October 5 from 10:00 a.m. until 12:45 p.m. at St. Nicholas Chapel before the Mass at 1:00 p.m.

In lieu of flowers, memorial contributions to the Midwest Athletes against Childhood Cancer (MACC) Fund (10000 W Innovation Dr, Suite 135, Milwaukee 53226) would be appreciated.

The Phillip Funeral Home of West Bend is assisting the family.

IN MEMORY

In loving memory of my soulmate, JUDY DREHER, on her birthday on September 30, and who passed away two years ago, September 18, 2010.

I thought of you today,
But that is nothing new.
I thought of you yesterday,
And will tomorrow too.

I think of you in silence,
And tears often flow,
For what it meant to lose you,
Only those who loved you will know.

Remembering you is easy,
I do it every day.
It's the heartache of losing you,
That will never go away.

*Sadly missed by her loving husband,

THANK YOU!

25 Years Ago

August 21, 1987

Although amounts varied greatly in the rain received on Saturday, many gauges registered as much as a half an inch of moisture, but that was the proverbial "just a drop in the bucket" compared to the storms that roared through this area on Sunday. Totals reached almost two inches by the time the front went through the area and things began to settle down by Sunday evening. Not only was the area nearly washed away, but high winds also ripped through the area. One of the areas most noticeably affected by the winds was New Fane. Many trees suffered extensive damage as large branches were broken off and blown into the streets and yards. A storage shed was demolished with its contents strewn throughout the yard of Bob and Evelyn Reichert in New Fane.

A fire of undetermined origin destroyed a barn on the Harvey Wellhoefer property at 6335 Highway U, Allenton, late Wednesday evening. Five neighboring fire departments including St. Lawrence, Kohlsville, Woodland, Iron Ridge and Theresa helped Allenton firefighters battle the blaze until 6 a.m. Damage was estimated at \$17,000 to the barn, and approximately \$7,000 to its contents consisting of wagons, feed and other equipment.

Wednesday, August 26, is the first day of school for returning and new students in the Kewaskum School District.

Brian T. Spartz, son of Thomas and Janet Spartz of Kewaskum, has been promoted to Private First Class. He served six weeks of basic training at Fort Dix, New Jersey. He had his A.I.T. Training for nine weeks at Fort Belvoir, Virginia. While there he was enrolled in the U.S. Army power generation equipment repair course. During the course he was taught to maintain and repair electric and hydraulic control systems of mobile power generators. He is now stationed in Friglehorst, Germany. He is a 1986 graduate of Kewaskum High School.

The Kewaskum Indians started football practice on August 11 and seem to have a very strong team. The Indians have 13 returning letter winners including Dennis Aupperle, Steve Johnson, Mike Morell, Mitch Gebheim, Dave Nigh, Mike Kawcynski, Rob Baitinger, Clarence Fry, Jeff Miller, Eric Pearson, Mike Heberer, Robbi Hron and Ron Leinen.

A soggy drizzle greeted the teams this past week at the Thiemerdome and effectively held down attendance as many fans are still skeptical about the dome's capabilities. However the play action went on as scheduled with the first game seeing Bartelt Insurance lose again at the hands of Barrel Haus, 8-2. Even a massive amount of WD40 applied to the bats of the Bartelt squad failed to get rid of all the rust that had accumulated this year. New arms and legs may be called for. The only bright spot on the team this year had been the pin point pitching and hitting of Mike Pfeiffer. However in a tear-

ful announcement, Pfeiffer stated to the gathered press corps, that he was retiring from competitive softball after this year to devote more time to his newfound golf game and to spend more time with his grandchild, not necessarily in that order. A farewell dance is being planned at the Hyatt Regency in Milwaukee later this fall. Watch for further announcements in The Statesman and Chicago Tribune. The second game saw a rejuvenated Thornton team crunch BJ & Company. Everyone on the Thornton squad got into the act as a new cover had to be sewn on the softball after the fifth inning. Randy Fechter and Lee Schultz both hit moon shots over the deepest part of the field, but the player of the game no doubt was Dennis Maloney. He made several defensive plays on the mound that were hard to believe even on the instant replay. He attributes his newfound agility to moderation and daily aerobics, however, in a candid interview, he indicated he would be spending a few days at St. Joe's in traction. Next week is the last game of the season and fans are urged to arrive early for preferred parking for this final nail-biter at the Dome. A new feature at the Thiemerdome grounds opening up is the addition of a branch sales office at the rear of Richard Thiemer Jr.'s barber shop which will be occupied by Honeck Chevrolet. The sales manager of this office will be Tommy Tessar who urges people to stop out and check out the new line of Studebakers and full line of Packards. ATTENDANCE: 7.

A daughter was born to Sandra and Peter Winter, Campbellsport, on August 11. A daughter was also born to Leanna and Ralph Vogt, Allenton, on August 14. A son, William Charles, was born to Jeff and Lil Del Ponte, Campbellsport, on August 7.

Robert Duwe, the new manager, announces the opening of the Carriage House, located in

the Republican Hotel (now The Old Hotel) in Kewaskum. The Carriage House, under which name the dining room will be operated, is now open daily for noon lunches and every evening except Tuesday. It features a full line of steaks, chicken, chops and pizza. Duwe was formerly employed at a hotel in Burlington, Iowa, and has 14 years experience as a cook in the Marine Corps. He is a pastry chef and will do his own baking, featuring freshly made pizza.

Orv Behnke of Kewaskum made golf history at the new Hon-E-Kor Country Club when he sank the first hole-in-one on the course Tuesday evening while playing in the Tuesday Night Men's League. Orv came up with the ace on the 200 yard No. 7 hole using a No. 3 wood.

The Kewaskum Elementary School for all grades, kindergarten through eighth, will open on Tuesday September 4 at 9 a.m. Incoming freshmen and transfer students will report at the high school also on that day and time. All other high school students, sophomores, juniors and seniors, will report for the first time on September 5 at the usual time of 8:15 am.

Mr. and Mrs. Marvin Martin and their daughter Dawn, 14, of Kewaskum, were injured in an auto accident last week near Cotton, Minnesota, while the family was on a vacation trip. Two other children in the car, Dean, 13, and George, 12, were not hurt.

A West Bend group of motorists consisting of Mr. and Mrs. Francis Nennig and children, Mrs. Elmer Abel and William Schaefer, reported seeing a half grown black bear on the Kettle Moraine Drive, northeast of Kewaskum at about 9 p.m. last Thursday. When Mr. Nennig stopped the car for a better look, the bear, which was on the side of the road, reared up on its hind legs. After standing for a short time, it leisurely strolled off into some nearby brush.

A daughter was born to Mr. and Mrs. Barry Murre of Kewaskum on August 16.

Soccer team has best week in years

By Mitch Maersch

Statesman Correspondent

Something clicked or a switch flipped with the boys' soccer team in the past week. Whatever the case, the Indians have played its best ball of the last half-dozen years in the last week.

Last Saturday, the Indians won the Denmark tournament, going 3-0, with shutouts in all three games.

They doubled their win total from three to six, more than the last three seasons combined.

"This is by far the best stretch of soccer the boys have had in the six years I have been coaching," said Luke Piwoni.

The Indians beat Clintonville, 4-0; Denmark, 4-0; and Peshtigo, 2-0, in the Denmark tournament.

Against Clintonville, Martin Baguet scored in the first minute off an Ian Kenworthy assist.

"This set the tone for the game and we were very aggressive attacking the goal," said Piwoni.

"Zac Chmielewski scored our second goal on a header off a great cross from Cody Baertschy," he said, and the Indians had a 2-0 halftime lead. Baguet tallied goal no. 2 around 10 minutes into the second half. With three minutes left in the game, Chmielewski added his second goal off of a Jake Forbes pass for the final score.

"Great teamwork today. Everyone was involved and the guys brought great energy," said Piwoni.

Against Denmark, Baguet had a hat trick and one assist. Kenworthy scored 3:30 into the game for a 2-0 halftime lead. Kenworthy gave the Indians the lead in the 10th minute against Peshtigo. Six minutes later, Baguet scored his sixth of the day off a Kenworthy assist.

Goalie Tyler Voge pitched the three shutouts, with help from his defense.

"Tyler and the defense played great all day and it showed with three shutout victories," said Piwoni. "Tyler had 12 saves on the day. Winning all three games and shutting out all three teams really took a great team effort and that is what the guys brought today. It was great to see and witness."

The Indians are on a roll they haven't experience in recent memory.

"We have now won four games in a row and have been playing great soccer. It will be nice to carry this momentum over to the final week of the season," said Piwoni.

Last Thursday, the Indians beat Kiel, 3-2, on the road, to start the winning streak.

After a scoreless first half, Chad Ray got the party started on an assist from Hayden Koralewski, who played the ball

over the top for Ray to finish it off.

Jake Hardy sent a rocket through the goalie's hands in the 49th minute for a 2-0 lead. Kiel later tied the game after a handball in the penalty box and successful penalty kick. But the Indians wouldn't be denied. Nick Bier scored in the 70th minute for the game winner.

"Nick was crashing the goal hard and was able to clean up a shot that deflected off the goalie," said Piwoni. "Great game and the guys kept with it the entire time."

The second Eastern Wisconsin Conference victory is more than the Indians have had the past three seasons.

Kewaskum is now 6-15-1 on the season. On Tuesday, New Holstein/Elkhart Lake-Glenbeulah (4-8 EWC) was scheduled to come to town. On Thursday, the Indians host Two Rivers (9-3).

McClyman dips under 17 minutes

By Judy Harlow

Statesman Correspondent

The Kewaskum High cross country teams were in some pretty fast company last Thursday at the Slinger Invitational, and while they were unable to keep up with teams like West Bend and Grafton, the experience will only make the runners better in the future.

"You're talking bigger schools with established programs," KHS coach Randy Backhaus said about the competition. "That's where they'll (his Indians runners)

be in a year or two with decent training."

West swept the event at Homestead Hollow Park, the boys winning with 25 points, and the girls coming in ahead of Grafton and Slinger, 32 to 41 to 54 points.

The Kewaskum girls finished fifth out of 10 teams with 156 points, led by Caley McClyman and Jeray Riffel, who placed 22nd and 25th, respectively.

"They both medaled," Backhaus said of his No. 1 and 2 runners, who came in with times of 16 minutes 48.03 seconds (16:48.03) and 17:11.20.

Duarte leads Lady Indians to sectionals

By Judy Harlow

Statesman Correspondent

After a tough season playing mostly against Division 1 schools, Kewaskum's girls golf team finally found the pot of gold at the end of the rainbow last Wednesday.

Competing at Johnson Park Golf Course in Racine and led by Brittany Duarte's personal-best 94, the Indians finished fourth in the WIAA Division 2 regional hosted by Prairie School and will advance to the sectional competition at DePere.

"It's exciting and a nice achievement to make it to sectionals as a team," KHS coach Amy Uhlig said. "It's also great experience for the young kids."

As expected, Prairie School won the competition. The Hawks came in with a very impressive 339 total, 52 shots ahead of Denmark's 391.

Also, as expected, Sienna Chapman captured the medal, firing an even par 72 on the Johnson Park layout. A couple weeks ago, Chapman won a tournament in Appleton with a sizzling 66.

St. Thomas More High School finished third with a 408,

and Kewaskum's qualifying total was a 421.

Duarte has been the leader of the Indians contingency all season, but Uhlig kept waiting for her to have a real breakthrough round. It came Wednesday on the back nine when Duarte carded a 40, the second lowest scored in the field on that nine.

Her card included one 3, five 4s, a pair of 5s and one seven.

"Brittany had a phenomenal back nine today," Uhlig said. "This was by far her best round of the year."

When asked how she accomplished the 40, Uhlig said, "She was just hitting a lot of greens in regulation, and her short game was on the whole round."

What was pretty amazing about the round was the fact Duarte hit her opening drive out of bounds, leading to a 10 on that hole.

Freshman Leah Wilde had the next lowest score, a 51-52-103, followed by April Gilane's 108 and a 116 from Emily Eutsey.

The sectional was slated to be played on Oct. 2 at Mid Valle Golf Course.

KHS tennis players await tournament tests

By Judy Harlow

Statesman Correspondent

Kewaskum tennis coach Matt Fehlhaber had a plan for his girls to get ready for the WIAA tournament season — schedule a tournament against some quality teams several days before the event.

Hosting the Kewaskum Fall Invitational Friday and Saturday at the Pleasant Valley Tennis Club near Jackson, the Indians placed third out of four teams.

Rufus King, which has fielded some impressive teams in recent years, won the event with 18 total match wins, while Hononegah High from Rockford, IL. Placed second with 11.

Kewaskum, led by sophomore Becca Strigenz, was third with eight wins and Brown Deer came in last with five wins.

"Becca, at No. 2 singles, was our only girl to win her flight, going 3-0 and securing a first place medal," Fehlhaber said afterward. He reported Courtney Schmidt wound up 2-1 at No. 4 singles for the Indians.

The day before the tournament, Kewaskum soundly defeated visiting St. Mary's Springs by a 6-1 margin

in the final dual meet of the season.

"The Ledgers ran into a buzz saw," Fehlhaber said proudly, indicating his team was perfect in singles and only lost one doubles match.

Fehlhaber was hoping the momentum from this dual win and the good competition in the tournament would carry over to Division 2 sub-sectional action, which feature teams from Milwaukee University School, Brookfield Academy and Shorewood.

Kewaskum 6, St. Mary's Springs 1
Singles — #1 Taylor Kuehl KEW def. Allison Craemer SMS 6-0, 6-4; #2 Becca Strigenz KEW def. Melissa Spanbauer SMS 6-1, 6-0; #3 Ashley Schiller KEW def. Hannah Lange SMS 6-1, 6-3; #4 Courtney Schmidt KEW def. Lydia Lindow SMS 6-2, 6-2

Doubles — #1 Taylor Lamb/Elizabeth Brunett SMS def. Danielle Ekker/Gabrielle Wade KEW 7-6 (5), 6-3; #2 Mallory Kreis/Maddy Kreis KEW def. Laure Freund/Megan Mas SMS 6-0, 6-2; #3 Amber Flasch/Jessica Etta KEW def. Maddi Brandt/Abbey Gagne SMS 6-2, 6-2.

for the sophomore McClyman, who had never dipped under 17 minutes in previous meets.

The other KHS counters were: April Stern, 35th, 18:56.62; Amanda Plachinski, 36th, 19:04.13; and Annie Fiebig, 38th, 19:29.31.

"Amanda and Annie ended to stay with April, but at the end, they couldn't keep up," Backhaus said, reporting the team was missing Jessica Nurkala, who was out with a rib injury.

There were only three boys who ran, led again by Devon Sanborn, who placed 29th after crossing the finish line in 19:13.78. Next came freshman Zach Heberer (21:32.56) in 41st, followed by Matt Vogt (22:03.78) in 43rd.

Alfred Fischer was slated to run but got stung by a bee during the warm-ups and had to sit out.

KHS is at the annual Campbellsport Invitational today in Columbus Park.

Bad start leads to Homecoming loss for Indians

The Indians' Alex Fechter sacks Purple Raiders' quarterback Brett Kasper in Friday's Homecoming game. The play gave Two Rivers a seven yard loss. The Indians fell to Two Rivers 21-19.

A couple of missed opportunities couldn't quite make up for an awful start against Two Rivers last week as Kewaskum's football team tasted defeat for the first time this season.

The Indians got behind 21-0 in the first quarter but righted the ship to score 19 unanswered points, including a defensive play that will go down in history, falling a few short of a homecoming victory.

Down 21-13 late in the game, Two Rivers had the ball on Kewaskum's doorstep, looking

for the game-clinching score.

Quarterback Brett Kasper rolled out and threw to his right. Defensive back Nate Krupp, who is averaging nearly one interception per game this season, broke on the ball and stepped in front of the receiver.

Krupp snagged the pigskin out of the air and took off downfield. One Purple Raider had a chance at about the 35 yard line, but only nipped his heels. Krupp was clear the rest of the way.

"Nate read it and had a running start when he caught it," said Coach Jason Piittmann.

On the two-point conversion attempt to tie, quarterback Brett

Boegel was sacked before he could find a receiver.

Two Rivers got the kickoff and hung on. For the first time in several years, the Eastern Wisconsin Conference title won't only come down to the Kewaskum-Plymouth matchup.

Two Rivers came in scoring more than 50 points in a few games this season, and the first few minutes looked like it would be another route. The Purple Raiders took the kickoff and scored, then scored after a Kewaskum fumble. After an Indians' punt, Two Rivers scored again.

"Eight minutes into the game we were down, 21-0," said

Piittmann.

Coach made some defensive adjustments.

I tried to run some combination coverages to match up more with that Dexter Smith, who is one of the top receivers in the state. It was something we're not used to doing and it made us weaker," said Piittmann. "We're used to zone coverage with seven sets of eyes on the ball. We had less than that and weren't in position to make plays."

Once the Indians went back to their regular defense, Two Rivers could move the ball but didn't score a point the rest of the game.

"We just played a lot better. They gained yardage on us but we kept them out of the end zone," Piittmann said.

Offensively, Kewaskum couldn't get its running game going - Teddy Wollner was held to 46 yards - but Boegel and Krupp combined for nine completions for 148 yards and a score. Hunter Flanders had four catches for 72 yards and another fade touchdown.

One of Krupp's catches near his own bench took his teammates' breath away. Boegel threw into double coverage but Krupp made a phenomenal catch along with a defender. Simultaneous possession was the call, and, unlike in that now-famous Monday Night Football game, Piittmann said this call was correct.

Krupp has been a huge weapon all season, averaging nearly a touchdown catch per game.

"He's a very gifted athlete to begin with," said Piittmann. "He and the other receivers are doing a great job going after balls."

Kewaskum had a few chances to turn the game and take the lead, but couldn't quite get over the hump. An extra point was missed, a field goal was blocked and four downs from the 3-yard-line didn't yield a score. Three runs didn't work, and a pass fell incomplete.

Still, after a hideous first quarter - the worst at home in several years - the Indians weren't going to go away. This is a team whose players were almost too young to remember

the last time the Indians didn't make the playoffs or contend for an EWC title.

"It's a testament to our kids," said Piittmann. "They fought hard and battled back. They came up with big plays when they had to."

This week, Kewaskum is in for another battle at Plymouth. One year after a late hit on Plymouth's quarterback knocked him out of the game, and a roughing the kicker penalty had the Panthers' kicker carted off - both players ended up being OK - the Panthers will no doubt be looking for some revenge.

Plymouth and Two Rivers remain undefeated in the EWC, each at 5-0. They face off in the final week of the season.

Kewaskum, 4-1 in the EWC and 5-1 overall, is still in the mix for the conference title if it can beat Plymouth this week and if Plymouth beats Two Rivers. And one more victory could earn the Indians a home playoff game. This year, coaches are voting to seed the qualifying teams rather than automatic seeds from the Wisconsin Interscholastic Athletic Association.

Piittmann said the team has to get healthy and do a better job of blocking and tackling at its next EWC rival.

"They know what we have to do now," he said. "Our destiny is always in our own hands to begin with."

Notes: Big plays - the Indians this year again aren't without thrills. Against Campbellsport, they allowed a 98-yard bomb for a touchdown, and against Two Rivers scored on a 105-yard interception return.

Good outings for Gridiron teams, sixth graders remain undefeated

Three of the four Kewaskum Gridiron teams were successful last Saturday in their battles against teams from the Hartford Orange.

The sixth graders (3-0-1) remained unbeaten as they used a TD late in the third quarter to post a 13-6 win.

Coach Joel Tietz reported quarterback Ryan Prochnow scored on a short bootleg run in the first quarter, but Hartford bounced back to tie the score in the second.

The winning TD was scored on a 7-yard run up the middle by Kyle Loehr. Prochnow added the PAT on a run.

"We didn't tackle very well," Tietz said about his team's defense in the first half, adding, "In the second half, they picked it up a notch."

What was impressive, according to the coach, was the blocking of the team's receivers, Carson Dogs, Talon Ralph and Eric Bauer, on outside runs and bootlegs.

Kewaskum had no interceptions or fumble recoveries, but Tietz said, "It was just a good effort by everyone."

The seventh graders (2-1-1)

were opportunistic on defense and very efficient on offense, leading to a 24-0 shutout victory.

"Everybody played today. We got production from everyone, both offensively and defensively," coach Tom Kudek said.

Tony Steger opened the scored with a 20-yard touchdown on a counter play in the first quarter.

When Hartford took over, linebacker Faton Elmazi picked off a pass, and early in the second quarter, it was Patrick Krier coming up with an interception that set up the Indians' second score, a 20-yard pass from Gabe Christenson to Krier.

In the third quarter, Steger added his second TD on a pass from Christenson that covered 20 yards.

Later in the quarter, Cole Suprenant got into the act on a beautiful 50-yard sweep on the left side.

"We had four interceptions today," Kudek said. "We had no mistakes. I'm very pleased with the way everyone performed."

The only thing that didn't go well were tries for PATS. Twice kicks were missed, and two pass attempts fell incomplete.

The fifth graders (2-2)

posted a 19-0 shutout, scoring all 19 points in the first half.

Eli Bartelt scored twice, first on a 10-yard run and later a 58-yard sweep. The second TD was scored by Brady Stern on a quarterback sneak. He also had the lone point after touchdown.

Coach Mark Walcheske was very pleased with the play of his first- and second-team defenses. "Everybody on defense really stepped up," he said. Hartford didn't generate any offense at all.

The eighth graders (0-4) were shut out for the second time in a row, 28-0, according to coach "Jonesy" Korth, who said, "We came out very flat" and never really got into the flow of the game.

Hartford took a 16-0 lead at half and added two more touchdowns after the break.

Korth said the coaches were ready to use an unbalanced line offensively in an effort to get some power running, but that wasn't very successful.

"They pretty much overwhelmed us," Korth said, declining to cite any individuals for good play.

Kewaskum's volleyball team is looking to get its mojo back.

The Indians were swept by New Holstein last Thursday at home, 25-8, 25-22, 27-25, their third time losing to the Huskies this season.

The loss came days after winning every match in a weekend tournament before losing to New Holstein. Earlier

in the season the Huskies beat the Indians in five games on their home court.

On Thursday, the Indians

basically spotted the Huskies the first game but nearly pulled out the next two.

"We just came out flat," said Coach Joe Moser. "Everyone got too uptight, too nervous to play. We weren't excited for that first game."

Middle hitter Anna Aycock led the Indians with 20 kills. Nobody else had more than three.

Marisa Stahl had 14 assists and Heather Johnson eight. Kelsey Phillips had 19 digs and Aycock 18. Phillips received 40 serves with just two errors. Jenny Fisher served 15 times without an error.

In game two, the Indians had leads of 17-13 and 21-16 before letting it slip away. The Huskies tied the game at 21-21 and 22-22 and ran off the next three points to win, the final an ace that caught the back line.

Neither team had more than a three-point lead in game three. The Indians battled back from a 23-20 deficit to tie the game at 23-23. Up 24-23 on

a Husky error, Kewaskum hit the ball out for a 24-24 game. Another mistake had the Indians down, 25-24, before Aycock killed a ball to tie it again. New Holstein ended the match with a kill and a block for the sweep.

"After the first game we started playing," said Moser. "We just couldn't get everyone all together."

Kewaskum couldn't string a pass, set and kill together consistently enough to get on much of a roll all night.

"It's just coming and having confidence in your ability to play," said Moser.

The Indians, now 3-5 in the Eastern Wisconsin Conference and 15-9 overall, play at Two Rivers on Thursday and at the Cedar Grove-Belgium tournament on Saturday. Waupun leads the EWC at 8-0. Plymouth is 7-1, and Campbellsport and New Holstein are each 5-3. Two Rivers is 0-8.

The **U7 Gators** played the Hustiford Comets. Caleb Finger, Olivia Olson, and Jacob Parodo all played good defense. Elliot Kemp, Calla Kreuser, Isaac Morales, and Autumn Rabe each scored 1 goal. Great teamwork helped the Kewaskum Gators to a 4-1 win.

The **U8 Lions** travelled to Hartford and ended up with a tie of 1-1. Grace Leitheiser had the only goal with Dillan Steger playing an aggressive game. All the Lions contributed to one of their best played games of the season!

The **U8 Stars** took on the Jackson Lions in Jackson. The Lions won with a score of 6-0 despite the excellent defense of Megan Roehrig, Jake Erick & Hayley Butschlick. Izabel Schoofs was a huge stand out on the offensive side of the ball with some very aggressive and physical play. The Kewaskum Stars despite winning a game this year have played with tremendous heart, determination and not one ounce of quit in them.

The **U8 Comets** played at Hustiford. Reid Amerling did a great job on the offensive side while Rylie Dwyer and Ali Taylor both played with great energy on the defensive end.

The **U9 Eagles** hosted the Hartford Cheetahs on Saturday. Trevor Maine connected with Samantha Kusters on a corner kick for the Eagles only goal. Sienna Derks played great defense in the 5-1 loss.

The **U9 Badgers** traveled to Jackson to play the Wolverines. With no substitutes Luke Bauman, Marie Buddenhagen, Emma Richey, Erin Schneider, AJ Smith and Elena Vlotho played the entire game in this loss to Jackson.

The **U10 Girls Kickers** played the Jackson Hyenas on Saturday and continued their winning ways. Andrea Butz scored 10 seconds into the game on a clever set piece. Kennedy Adams added another fine goal after dribbling through four Jackson players. Not satisfied leading 2-0 at the half, the Kickers were determined to pad the lead. Again Andrea and Kennedy were up to the task, each scoring on fine individual efforts. The defense held Jackson in check all day, squelching their opportunities time and time again. Alyssa Butz, Clair Kosterman, Rachel Anderson, Sydney Damrow and Ally Denman applied constant pressure. Kickers 5 Hyenas 0

The **U12 Pumas** played hard with very little rest, being two team members short this game. The score was very tight, ranging from being up one, tied, up one again, two up, tied, and ending with dropping back by two in the last few minutes of the game. Our goalies, Colin D and Hunter S. did an excellent job, with Hunter making some beautiful saves while playing goalie for his first time. Both boys were also able to get some points on the board while playing as forwards. Our Midfielders, Samwise Baker, Joshua Gonwa, and Logan Busalacchi played a good, hard game. While Raymond Mertzig was getting into the mix with some well placed passes upfield.

The **U12 Hawks** traveled to Erin to play the Wolfhounds. The Hawks played tough with only one player to substitute in this loss to the Wolfhounds. Noah Schneider, Carson Bastian, Chaz Dreher, Hunter Koss, Matthew Krautkramer, Hunter Kuehl, Conner Nelson, Billy Schultz and DJ Smith played well.

U12 Falcons played the West Bend strikers in a hard fought loss of 3 to 1. The Falcon girls played their best game of the season and continue to be a team on the rise.

Results from Saturday, Sept. 22, 2012

The **U9 Eagles** hosted the Erin Fight'N Irish. The whole team played well with Lydia Schulteis and Anna Theusch displaying great energy. Samuel Peters and Shelby Falk played with enthusiasm, concluding with an unfortunate 3-2 loss for the Eagles.
