Estimates are \$3,700 but could be more

Village takes first step in assessing costs of Main Street project

By Gay Griesbach
Statesman Correspondent

As of May 5 Kewaskum residents along the Highway 28/Main Street project will be shelling out \$3,701 for sanitary sewer main replacement, but that cost could increase.

Village Administrator Matt Heiser told an audience of about 25 residents that when the Main Street project was first discussed in 2009, work included replacing a section of sanitary sewer main between Highway 45 and Railroad Street. The scope of work changed when the condition of infrastructure dating back to the 1920s was considered. In April 2013, the cost of relining sewer mains was reviewed and found to be more expensive than replacing the system.

At Monday's village board meeting trustees passed a preliminary resolution to assess the 70 users along the route - including Peace United Church of Christ and Holy Trinity

Catholic Church.

When some in the audience questioned assessing tax-exempt entities and the apparent hit-or-miss assessments of previous projects, trustee Richard Knoebel said from here forward the village should follow its codes, which includes assessing all users along the route.

Mike Berger said affected residents should not have to shoulder the cost of sewer and water hookups for others.

"It's not fair to those who have to pay and maintain their own," Berger said.

Village code dictates that sanitary sewer lines from the property connection to the main are the homeowner's responsibility, as are water connections from the curb stop to the home or business.

While Monday's measure was part of the process, a final resolution that will impose the real cost of the project will be voted on once the work

is complete.

That final measure may include a zero-interest, 10-year payback timeframe.

"How do I budget when I don't know what (the total) is?" Allen Feyereisen said before being given a preliminary total.

"Not all of us have that kind of money," Wendi Dreher said after the estimate was presented.

Dreher had a few kind words for contractors that have notified her of water shutoffs, but some residents on the east side of the bridge had other thoughts.

Patrick Gill objected to his Main Street residence being used as a staging area for heavy equipment and road materials without being notified.

Meggie Buck criticized the lack of communication, especially when her residence was left without lights and sometimes water.

Village Zoning Administrator and Building Inspector Chad Cook said

a water shut off that affected several properties for nearly 24 hours instead of a half dozen for a few hours east of the bridge last week was unforeseen and unintended.

"We were supposed to have an April meeting - it never happened and now it's May and you only give us three minutes to talk?" Buck said, referring to a speaker time limit set by the board.

Others protested project designations - that work west of the bridge is considered reconstruction, complete with new curb and gutter, while work east of the bridge has been flagged by the state Department of Transporta-

Washington County's Most Wanted

The Washington County Sheriff's Department is seeking:

Name: Christopher Cosmo Smith
 Age: 36
 Race: White
 Sex: Male
 Height: 6'1" Weight: 170
 Hair: Brown Eyes: Brown
 Last known address: Richfield
 Warrant Entry Date: 1-1-14

Wanted for failure to pay child support.

Anyone with information on this person's whereabouts should call the Washington County Sheriff's Department at 262-335-4411 or Washington County Law Enforcement Tip Line at 800-232-0594. Residents should not attempt to apprehend this suspect.

Robberies ravage Kewaskum area

By Gay Griesbach

Statesman Correspondent

Local law enforcement officials are asking residents to secure their entry doors, windows and garage doors.

On May 5 Washington County Sheriff's Department was called to the scene of a home invasion in the 9300 block of Old Fond du Lac Rd. in the town of Kewaskum.

There, a resident was awakened by the sound of breaking glass. When the homeowner investigated the sound he found a male suspect standing inside the residence near the front door that had apparently broken the glass on the locked front door and entered the residence, a Washington County Sheriff's Department press release states.

The homeowner shouted

at the suspect who fled on foot with a purse containing credit cards and \$40 in cash.

The resident then noticed the suspect had dropped a number of crushed aluminum cans which were later found to have been stolen from an outbuilding on the property before breaking into the home, according to the release.

The suspect, who remains at large, is described as white male, approximately six feet tall, medium build, wearing lighter colored pants and a dark sweatshirt or jacket.

The sheriff's department also responded to a construction company on Highway 45 north of Kewaskum where they found an exterior and interior door forced open.

In addition to keeping homes, garages and storage sheds secured and properties well-lit, Kewaskum Police

Chief Thomas Bishop asks residents to keep their car doors locked.

Bishop's department is working in conjunction with the sheriff's department in regard to two incidents that occurred inside the village.

In the area of Wildlife Drive Kewaskum police responded to a report of a car parked inside a garage where a GPS unit was stolen a second report of a car that appeared to have been rummaged through. In that incident, nothing was taken.

Departments advise residents that see a crime taking place to call 911. Suspicious activity outside the village limits can be reported the sheriff's office at (262) 335-4411; within the village limits, contact Kewaskum Police at (262) 626-2323.

Assessments (Continued from front)

tion as resurfacing - without curb and gutter replacement.

Exceptions east of the bridge include replacing curb and gutter removed for connection replacements and portions that heave or are damaged due to construction.

"Why nickel and dime the infrastructure," Gill said.

Knoebel and other trustees pointed out that the scope of the project was set by the DOT.

In other project - related business, Heiser notified the board of a plan commission exception that will allow businesses along Highway 45 with

LED signs to promote Main Street establishments. Current municipal code does not allow for off premise advertising, but the commission voted for the exception along the Highway 45 corridor for the duration of the project.

The board was also informed of the installation of temporary stop signs that have been placed at the northbound lane of the intersection of Kewaskum and Habeck streets and westbound intersection of Glacial Lane at the intersection of Stark Street.

Arnold makes guilty plea

By Gay Griesbach

Statesman Correspondent

Larry Arnold entered guilty pleas to two counts of criminal trespass and bail jumping in Washington County court April 29, only to face additional charges and outstanding warrants in Wood County.

There, Arnold has to answer to an assortment of charges including drunken driving, bail jumping, battery, disorderly conduct and sex offender reg-

istry violations, some that date back to 2009.

In April 2013, Arnold was the subject of a five-day manhunt after breaking into a residence where he helped himself to food, alcohol and clothing before being confronted. Arnold fled, only to break into a Farmington residence where he again made himself at home before being discovered and apprehended by Washington County deputies.

Tips to avoid being driven to distraction

In recent years, there's been a great deal of attention paid to the issue of texting while driving, and with good reason: keeping your eyes on the tiny keyboard in front of you instead of the highway ahead is a sure way to head down the road to disaster.

Although texting is just the latest in a line of driver distractions, the impact has been profound - according to the National Safety Council, 28 percent of accidents, or 1.6 million crashes each year, on U.S. roadways involve talking on a cell phone or texting.

"Every day, distracted driving plays a factor in terms of lives lost and property damaged," said Jim Wright of Wright Insurance Agency Inc. "Safe driving is really about focus. The truth is, there are many accidents that could have been avoided had the basic principles of defensive driving and driver attentiveness been observed."

To avoid being "driven to distraction" ask the following questions when behind the wheel:

- Are you keeping your eye on the prize? These days cars more than ever resemble mobile offices and massive entertainment centers. Keep in mind: these distractions can cut your reaction time in half, and with most accidents occurring in seconds, you need all the time you can get.

- Are you awake enough to drive? Driver fatigue leads to driver inattentiveness and according to the National Highway Traffic Safety Administration, 100,000 crashes are caused each year by drivers literally being asleep at the wheel. Recognize the signs of drowsy driving, which include difficulty focusing, frequent blinking, irritability and frequent yawning and then, take action.

- Are you more interested in your cell phone conversa-

tion that the road ahead? Even in states where it's permissible, avoid talking on a cell phone whenever possible. If you absolutely need to place a call, pull off the road to a safe location and dial away.

- Do you have a designated deejay? Changing the radio dial or finding that perfect song on your MP3 player may seem harmless, but can be big distractions. Whenever possible, let your passengers take the wheel when it comes to selecting the musical mood.

Are you lazy about changing lanes? It's critical to look briefly over both shoulders before changing lanes. Even with onboard technology, such as blind spot and rear view indicators, the basics still apply: signal, check your mirrors, and glance back both ways to be certain that no one - or no thing - has found its way into

your blind spots.

Are you day-driving or daydreaming? Even without external distractions, it's easy to get caught up thinking about personal problems or work assignments. If you feel yourself losing your focus, give yourself a wake up call and set aside your problems. They can wait until the ride is over.

MetLife Auto and home are working together to offer a free brochure, "Driving While Distracted: Be a Safer Driver," which is available by call (262) 626-1688 of visiting Wright Insurance Agency Inc at www.nshure.com

A young driver seminar is being offered on Thursday, May 22 at the Kewaskum Municipal Building Annex from 7-8 p.m. The event is open to young men and women ages 14-16 and their parents.

DUE TO THE CONSTRUCTION
Please take Hwy. 45 to First Street and park in the village parking lot or the Peace UCC Parking lot

Chief's Corner

By Police Chief Tom Bishop

I think spring has finally arrived in Kewaskum. Along with the change in season come many fun outdoor activities that we long for all winter. From bike rides, to bon fires, to simply being able to do yard work we all want to be outside with family and friends. Therefore I found it appropriate to take time this month to go over some of the rules and regulations in regards to these activities.

One of the most asked questions we receive is in regards to having a backyard fire pit for recreational fires. According to Village Ordinance 38-1(c) residents may have recreational fires as long as an approved fire pit is used. An approved fire pit is either a below ground, dug out pit or an outdoor fireplace. A below ground pit is to be no larger than 36 inches in diameter and it must be lined with a noncombustible material such as metal or stone. The pit must also be at least 4, but no more than 12 inches deep and the outer ring around the pit must be stone, brick or concrete. An outdoor fireplace is defined as a commercially available appliance designed to contain a wood fire when operated according to manufactures specifications. To operate these types of fireplaces according to ordinance they must be operated with all lids, screens, and sparking devices in place.

Recreational fires also have restrictions on how close they can be to buildings or dwellings. If you are using a dug in ground

fire pit then your pit must be 25 feet away from any dwelling, building structure, shed or garage; whereas if you are using a outdoor fireplace your fire must be at least 10 feet away from any structure, fence or combustible material.

You are also not allowed to burn any leaves, rubbish, garbage, trash, construction materials, or any other material items. Recreational fires within the village shall consist of only natural wood or manufactured fire log material. Fires are only allowed between the hours of 9 am and 2 am and need to always be attended by someone over the age of 18 until fully extinguished.

Another summertime reminder as we begin performing yard work is to NOT put leaves or grass in the street or gutter. This material will clog the village storm water sewers and create water back ups and other issues. For Village residents, leaves and grass can be brought to the DPW yard during business hours and Saturday mornings.

Finally, please slow down and watch for children running, biking, and playing. Remember to stop at the police department and get a bike license for your bike. The cost is only \$5.00, it is good for the life of your bike and it will assist us if your bike is ever lost or stolen.

Thank you and have a safe month.

Changes made to parade route Kewaskum Legion/Auxiliary Memorial Day events

The American Legion Auxiliary Unit 384 members will distribute the familiar red hand-crafted poppies honoring America's war dead on Friday, May 16 and Saturday, May 17 at various businesses in the village of Kewaskum.

Planned to coincide with the Memorial Day holiday on Monday, May 26, this annual event pays tribute to the sacrifices the armed forces have made to preserve freedom and to honor past and current service members.

The 900,000 members of the American Legion Auxiliary, the world's largest women's patriotic service organization, is asking everyone to wear a poppy on Memorial Day weekend.

The poppy also honors Wisconsin's disabled veterans at the Zablocki VA Medical Center in Milwaukee, who make the red crepe paper poppies. Wisconsin's red poppies provide financial and therapeutic benefits to these veterans as well as the thousands of veterans and their families who also benefit from the donations collected from the distribution of the auxiliary poppy which will be held on May 16 and 17.

In the battlefields of Belgium during World War I poppies grew wild amid the ravages of war. The overturned soils of battle enabled the poppy seeds to be covered allowing them to

grow amid the crosses on graves of dead soldiers and forever serve as a reminder of the war's bloodshed on Flanders Field.

The Legion Auxiliary reads the poppy story to the second grade students at all local elementary schools and also sponsors a poppy poster contest to these second grade students. Awards will be given to the first, second and third place winners from each class and the posters will be on display at the Legion Hall on Memorial Day.

The American Legion Auxiliary will also present their flag garden in the front of the Legion Hall. Sponsor a 12" by 18" flag for \$2 in memory of a loved one or just because you care. To purchase a flag contact Charleen Barutha at (262) 626-4244.

The American Legion also invites you to attend their Memorial Day parade at 9:30 a.m. on Monday, May 26. The parade will begin at Kewaskum High School to First Street and end at the American Legion Hall where a short service program will follow. If there is inclement weather, the program will be held in the Kewaskum High School field house.

The Auxiliary will be serving brats, hot dogs, hamburgers and refreshments after the program.

Wear your poppy and give honor to our veterans on Monday, May 26.

Letters to the Editor

To The Statesman-

The Kewaskum Athletic Association (KAA) would like to invite all who are interested in learning more about the organization and its happenings to attend a monthly meeting. The times and locations of any meeting can be found on the website at kewaskumathletics.com. The KAA is always looking for new members.

Make a Difference - Get Involved

The KAA

To The Statesman,

Koch brothers - estimated by Forbes magazine as being worth a combined nearly \$100 billion.

It all really started with Fred Koch, the father of the now known Koch brothers, Charles and David. He is the founder of Koch industries, oil, gas, coal, etc.

Fred was one of the founders of the John Birch Society [headquartered in Grand Chute]. Many years ago they were thought to be very radical even with well-known conservatives such as William F. Buckley. John Birch Society even accused Eisenhower of being communist.

Many years later, Charles Koch ran against Carter and Reagan in the 1980 presidential election as a libertarian gaining only 1% of the vote. He called Reagan "too liberal". He was thought to be whacko, crazy and far right back then. Now unfortunately, this is what is

leading the GOP party.

To understand much about today's tea party, I suggest you "Google" the Libertarian party platform of 1980. I have seen and read much of the platform and it was crazy and hard to believe.

The Koch brothers have started the Cato Institute and have funded the Heritage Foundation with millions of dollars. They started a tea party group called Freedom Works and Americans for Prosperity. They have had a huge influence on Club for Growth right here in Wisconsin with Eric O'Keefe on the board of directors.

Here is some of the libertarian platform agenda items from 1980; tell me which ones have come to fruition so far today and which ones they are still trying to procure, and I am not making this stuff up look it up for yourself. They called for the abolition of Medicare and Medicaid; the repeal of Social Security; abolition of the postal service; the end of public schools; the end of any minimum wage; the end of the Food and Drug Administration, the FAA, the EPA, OSHA; repeal of campaign finance laws [citizen's united, etc.], an end to all subsidies to welfare and tax supported services to children and aid to the poor; privatization of inland waterways and their distribution systems, public roads and national highway system; de-regulation of the medical insurance industry; repeal of the consumer product safety com-

mission; end of anti-trust laws which were designed to protect consumers from monopolies.

They sent out memos to legislators on ways to abolish government programs by defunding them. They are a huge player in politics all across the nation from the local and state levels to the federal government. They have influenced congressmen and justices.

There really is much more if you just try to learn for yourself and find the truth yourself rather than believing what someone tells you. These people are power hungry and dangerous. If you call them your friends, I would entertain looking for different friends. Get the facts.

ORAL HEALTH DURING CHEMOTHERAPY TREATMENT

Monday, May 12, 5:15-6:15 p.m.

St. Joseph's Hospital, Kraemer Cancer Center
3200 Pleasant Valley Road, West Bend
Presented by: Cheri Grambo, registered dental hygienist

Chemotherapy can cause problems in the mouth, not just hair loss and nausea. Join us for a discussion of the side effects of treatment, and the importance of oral hygiene, before, during and after treatment. To register, call 262-836-7272.

AN OUNCE OF PREVENTION AND COLORECTAL CANCER

Tuesday, May 13, 6-7 p.m.

St. Joseph's Hospital, Lobby Conference Room
3200 Pleasant Valley Road, West Bend
Presented by: Kirk Ludwig, MD, colorectal surgeon

Colorectal cancer ranks as one of the top cancer threats in the United States, affecting both men and women. Our discussion will focus on risk factors, prevention, genetics, screening and treatment.

HEALING FROM CANCER THROUGH ART THERAPY

Tuesday, May 20, 5-6:30 p.m.

St. Joseph's Hospital, Lobby Conference Room
3200 Pleasant Valley Road, West Bend
Presented by: Carrie Danhieux, licensed professional counselor and board-certified art therapist

We will guide you in how to use art making as a means to explore the personal experience of your cancer. No previous art experience is required. To register, call 262-836-7272.

SKIN CANCER SCREENING

Wednesday, May 28, 6-8 p.m.

St. Joseph's Hospital, Kraemer Cancer Center
3200 Pleasant Valley Road, West Bend

This free screening is for individuals with no prior history of skin cancer who are not currently under the care of a dermatologist. Screenings will include a spot check examination of skin lesions such as moles, birth marks or scaly patches for signs of cancer or precancerous conditions. Screenings are limited and by appointment only.

Write us a letter

The Statesman believes that community newspapers should provide a forum for readers to weigh in on topics affecting our community. All opinions are welcome, please keep the following in mind when submitting letters to us:

- Letters may be on any subject, but must include the writer's name, general address, and a telephone number where the writer can be reached.
- Letters must be legibly written or preferably typewritten and are limited to roughly 300 words.
- Letters may be edited by the Editor. Care will be taken so as to not change the intent of the writer's language. Personal attacks on individuals or libelous language will not be published.
- Letters pertaining to elections will NOT be published the week of an election.
- Letters written as a public thank you, mentioning commercial sponsors of events will not be considered.
- Letters will be published as space in the newspaper is available and as they are received.
- Letters can be emailed to andrew@thestatesmanwi.com. Readers who do not have access to e-mail may mail letters to The Statesman, PO Box 98, Kewaskum WI 53040-0098

Classes are FREE unless otherwise noted. Registration is required. To register, and for location information or directions, call 414-805-3666 or 800-272-3666 or visit froedtert.com/classes.

Kewaskum Frozen Foods wins awards at meat processors' convention

Sausage stuffer Mark Gureski and Nate Broker, sausage maker, are shown with their award winning sausages.

The exceptional quality of meat products produced by Kewaskum Frozen Foods was recognized at the 75th annual convention of the Wisconsin Association of Meat Processors held in Madison April 3-6.

At the meat product show held in conjunction with that meeting Kewaskum Frozen Foods won awards for Ring Liver Sausage - Grand Champion; Braunschweiger - Reserve Grand Champion; Chicken Enchilada Brat - Champion and Summer Sausage - Reserve Champion.

The Wisconsin Meat Product Competition is the largest of its kind in the United States. Meat processing plans and meat markets from throughout the state this year entered 1,083 individual products into 36 product categories including summer sausage, bratwurst, ham, bacon, smoked poultry and variety of other type of meat products.

Over 40 judges including food scientist, out-of-state meat processors and other food industry professionals were required to effectively evaluate the many products during the product evaluation on Saturday, April 5. Individual products are scored for external appearance and

eye-appeal, internal appearance, aroma and taste using a scale of 1,000 points.

The size of this product show and the quality of its entries demonstrates the im-

portant role that sausage and processed meats play in Wisconsin's meat industry and among consumers across the state.

Zillmer earns Top Life Producer Honors for Catholic Financial Life

Sharyl Zillmer was the leading advisor in life sales for Catholic Financial Life Fond du Lac agency for the month of March.

Sharyl has been with the company for almost 1-1/2 years. She lives in Kewaskum with her husband David.

Catholic Financial Life

has helped members take control of their future by providing real solutions to everyday challenges.

Highway 28 Weekly Update

Last week's rain did not have an appreciable impact on schedules for the Highway 28/Main Street project. In the village, sanitary sewer and water main is still underway; service laterals are being installed both east and west of the Milwaukee River. Frontier Communications has about four weeks of work in conflict with grading on the east end of the project. Frontier is working with the principal contractor so work can begin in the marsh area. Frontier will continue working with Petersen (the prime contractor) to maintain the current project schedule. All progress is weather dependent. For other information, see the state Department of Transportation website at: <http://www.dot.wisconsin.gov/projects/seregion/28> or the village website, <http://www.village.kewaskum.wi.us>.

Run in memory of Caitlin Scannell, Katie Berg and Sabrina Stahl May 31

A color burst 5K run/walk will be held in memory of Caitlin Scannell, Katie Berg and Sabrina Stahl on May 31.

Scannell, Berg and Stahl, all Campbellsport High School students, were killed in a car crash in February, 2012.

Participants should be prepared to be covered in a burst of color during the untimed 5K run/walk, which begins at 10 a.m. in the Drexel parking lot at 227 Main St. in Campbellsport.

The event is open to all ages and teams. Participation fees are \$30 for individuals or \$25 each for teams with four or more participants who register before May 17. Early registrants will receive an event t-shirt. After that date, fees are \$30 for teams and \$35 for individuals and a t-shirt is not guaranteed. Wearing white and eye protection is recommended.

Event proceeds will benefit Memorial Park.

The run is open to all ages, but children age 10 and younger require supervision. Food and beverages will be available after the race.

Checks and registration forms can be mailed to K. Cleveland, 673 Valley View Dr., Campbellsport, WI 53010.

Questions can be directed to Jenny Harbin (262)305-2050 or Kris (Adams) Cleveland (920)533-8343.

KHS talent show May 10

KHS Show Choir will host a talent show Saturday, May 10 at 6 p.m. in the high school theatre. The talent show will feature students who have the courage to put themselves out there in front of an audience and show what they can do.

Tickets are available for a \$5 suggested donation at the door.

The talent show was open to any student in the district to audition and be a part of. The

talent show this year features many singers, as it did last year, and there is one speed drawing act as well. Performers range from fourth grade to high school seniors.

Opening the show will be the seventh and eighth grade show choirs. These students rehearse once a week in order to prepare a song and dance routine for their May 29 concert at Kewaskum Middle School.

They will also be hosting

Kewaskum schools on May 27 all school day in the theatre with the High School Show Choir.

This show is a fundraiser for the Noteables (KHS Show Choir) to build up their funds going into next school year. The Noteables will perform a portion while the scores are tallied and a winner is chosen.

Stamp Out Hunger drive May 10

On Saturday, May 10, 2014, the National Association of Letter Carriers, United States Postal Service, Campbell Soup Company, Feeding America and other partners is asking the people of Kewaskum to help Stamp Out Hunger. Now in its 22 year, the annual food drive has grown into a national effort that provides assistance to the millions of Americans struggling to put food on the table.

The Stamp Out Hunger food drive has collected well over one billion pounds of food since it began.

"We're proud to support the food drive," said Postmas-

ter Monica Lepak. "We're asking residents for their support to help make this another successful year. It's so easy to make a donation: simply leave a bag of non-perishable food items by the mailbox to help your neighbors in need."

To participate in the annual Stamp Out Hunger food drive residents are encouraged to leave a sturdy bag containing non-perishable food items, such as canned soup, peanut butter, pasta, rice or cereal, next to their mailbox prior to the time of regular mail delivery on Saturday, May 10. Letter carriers will collect these food donations as they deliver the mail and take them to the Kewaskum Community Pantry.

For more information about the annual Stamp Out Hunger food drive, visit www.feedingamerica.org and www.nalc.org/commun/fooddrive/.

The Postal Service receives no tax dollars for operating expenses, and relies on the sale of postage, products and services to fund its operations.

Community Events

MAY 9 - FISH STICKS COMEDY EVENT - 6:30 pm at The Columbian, 3245 Lighthouse Ln., West Bend. Tickets are \$10 for adults, \$5 for children, two and under are free. Students, parents thank district teachers during Teacher Appreciation Week

State Superintendent Tony Evers issued a proclamation for Teacher Appreciation Week, May 4-10 to honor the thousands of dedicated educators working in Wisconsin schools that help students achieve. The Statesman has partnered with Quality Education for Kewaskum Students to publish thank you letters to teachers and principals in the Kewaskum School District.

Thank you Mr. Bannasch!

You helped me through my three years at KMS. I really liked you as a basketball coach and science teacher. You helped me a lot!

Sincerely,
Jordan C.

Mrs. Skelton,

Thank you so very much for all of your appreciation for me and making me feel welcome at middle school!

Mr. Grisilono,

Thank you so much for teaching me math in different ways so I can learn new methods!

Mrs. Johnson,

Thank you everyday for making me a better reader! I appreciate that A LOT!

Sincerely,
Andrew C.

We have been so impressed with each teacher in the Kewaskum schools. Both our boys were able to start their education out strong at FES. Now with one son almost done with middle school and another in his first year, we have been blessed with continued growth in their education thanks to professionals such as Mrs. Johnson, Mr. "Griz", Mr. Bannasch, Mr. Grotenhuis, Mr. Ulman, and Mr. Dahlberg. Mrs. Kreitingler greatly helped Andrew with his first year of Forensics while Mr. Brettingen has encouraged Jordan's creativity in language arts. We have had a "sneak peek" at the high school with Mr. Traska and are happy with what we see! As parents, we have been pleased to work with experts including Mr. Dziedzic and Mrs. Williams. We've certainly experienced the "small town feel with personal attention" that Kewaskum schools offer. And knowing that teaching extends far beyond school walls, we have also been impressed with the community involvement from many leaders such as Mr. Piittmann, Mrs. Longdin, and Mrs. Oelhafen. There are so many to thank. We know it takes "a big heart to shape these little minds". Thank you all for bringing your big hearts day after day to our schools!

Todd and Paula Carlton

We are grateful for Mrs. Holly King from Kewaskum Elementary School, because she has true compassion for her students. You always make sure your students know how proud you are of them and you are always smiling! Thank you Mrs. King.

Kelsey, Kegan, Konnor & Kiley

We are thankful for Mrs. Jan Uhlman from Kewaskum Middle School, because she is always encouraging her students to strive for their best and is always there to tell them great job! Thank you Mrs. Uhlman.

Kayla, Kelsey, Kolton,
Kegan & Konnor

We are grateful for Mrs. Jeanne Wheeler from Kewaskum Elementary School, because she truly loves seeing her students learn and excel. You can see it in her teaching that she is there for her students. Thank you, Mrs. Wheeler compassion for teaching shines though.

Kayla, Kelsey, Kolton,
Kegan & Konnor

I'm grateful for Mr. Dahlberg from Kewaskum High School, because he gave me the opportunity to perform solos in choir and be a part of the musical. This has built my confidence and I now cantor at church. Thank you, Mr. Dahlberg for your positive impact on ALL your students.

Orion G.

I'm grateful for Mr. Lickel from Kewaskum High School for teaching AP Biology in a way that has been helpful in college. Thanks Mr. Lickel.

Katie S.

The best teachers offer insights beyond their learning materials. Mrs. LaRonge, teacher of various social studies at KHS, might just be an expert in illustrative examples. Potentially stale lessons ignite vividly in your brain and stay burning there. Thanks for that LaRonge.

Wyatt W.

My daughter, Adaline Staver, said she appreciates her kindergarten teacher, Mrs. Hammersmith, because likes how she teaches "she makes everything fun".

When I say this, I believe I am talking for a lot of students when I say that Mr. Traska has been a very positive influence on students at Kewaskum High since he started last year. He is willing to go the extra mile to help any student, even if he isn't their teacher. From tutoring in math to coaching on offering advice, he is a great teacher.

Megan S.

My son Zachary Lefebvre is only in 4K but I would love to share something that he has repeated to me numerous times this school year about his wonderful teacher, Mrs. Holstead. Zachary comes home every day telling me how much fun he had and how much he "loves going to school to learn". But my favorite is when he comes home telling me how much he likes his teacher. When I ask him why he likes Mrs. Holstead so much he replies, "because she teaches me new fun things and she has a very pretty smile!" He melts my heart when he says this and I know it would melt hers as well!

I'm grateful for Mrs. Butler from Kewaskum High School because, she is always there to help in her class and American History. Also I can talk to her if I need to talk, and she's the best teacher I have ever had. Thanks Mrs. Butler.

Travis B.

Connor S. had a hard time with school. He really liked you when he got to first grade and no longer hated school. Thanks, Ms. Pagel, thank you so much for working with Connor S. He has shown such advancement. Thank you also for being such a great advocate for him.

I would like to recognize Ms. Mundigler from WES because she helps me out with my

look forward to band every day. Mrs. LaRonge is a remarkable teacher and constantly makes us laugh. She always presents topics in a fun and exciting way. She never fails to have an interesting story to share.

Zachary H.

I'm grateful for Ms. Baltz for teaching me Spanish at KMS. I like her class because it's fun and interesting; I learn a lot and I'm glad to have her as a teacher. Thanks Ms. Baltz!

Luke

I appreciate Mr. Ross. He was my 9th grade World Cultures teacher and he taught me about different cultures and religions. He used modern and historic examples to help us un-

derstand, and he made the class fun also. Thanks Mr. Ross!

Noel

Many teachers at Kewaskum High School have helped to prepare me for my college experience. Thinking back on high school, I would like to especially thank Mr. Lickel and Mr. Gosa. Their teaching has helped me greatly in my college-level science classes. I would also like to thank Mrs. LaRonge for giving me a strong base in sociology. Thank you to all Kewaskum and Farmington teachers for preparing me for

life after high school!

Chloe Bindrich

I am grateful for Mrs. Volesky because she is helpful, kind and listens to me.

Shannon L.

I am thankful to have studied under Ellen Kuphal during my time at Kewaskum High School. She showed enormous dedication to her craft and was always willing to sacrifice her time to help students succeed. She had a special knack for helping students of varying skill levels in their capacity to use the English language. It didn't matter how good you were at writing or reading comprehension, Ms. Kuphal made you feel like you belonged in her class. The long hours she spent on her extensive (yet constructive) critiques were such an asset to me and my classmates. I am very thankful for the sacrifices she made for her community.

Nicolai G.

Mr. McClone is a really nice teacher because he gave us a lot of fun stuff to do. My favorite thing was doing the "Book in a Bag." We went on fun field trips, and he keeps us safe. Ms. Bruss is an awesome teacher because we do fun activities. We have fun on our field trips. We are now learning about where our ancestors came from and I am excited to do that.

Grace

Ms. Becker,

You are the greatest teacher. You make me feel comfortable. You make me feel awesome. You make me feel nice.

Thank you Ms. Becker.

Riley

problems, she teaches us about respecting everyone and she is a very special person that teaches everyone how to be good.

Peyton T.

Mr. Traska is a phenomenal math teacher! He makes math fun and keeps me engaged during class. He provides relatable examples that are easy to understand. Mr. Michlig is an extraordinary band director and teacher! He has taken us to great heights in the band program and gives us numerous opportunities to play for the public. He makes band fun and it's a huge part of my life. I

CORINNE J. KOEPKE

Corinne J. Koepke, 80, of Beechwood, stepped into the arms of the Lord Jesus on Friday, May 2, 2014, with her family at her side.

She was born on August 24, 1933 in the town of Scott, the daughter of the late Elmer and Edna (Klug) Stange and was a 1951 graduate of Kewaskum High School. Following graduation Corinne was employed by the West Bend Company in West Bend. On May 19, 1956 she was united in marriage to Edward Koepke at Immanuel Lutheran Church in the town of Scott.

After raising her family Corinne was employed by the Kewaskum School District for 20 years as a cook at Beechwood School and later was the head cook at Kewaskum Middle School.

Corinne was a member of Immanuel Lutheran Church where she was active in the LWML, the Women's Evening Guild, Altar Guild and sang in the church choir. She was a dedicated volunteer at the Beechwood Nursing Home for many years and at Bethesda Thrift Store in Sheboygan.

Corinne enjoyed gardening, especially growing flowers and traveling with her family and friends. When traveling, Corinne kept a journal about their travels providing many fond memories for her family.

Those Corinne leaves behind to cherish her memory include her husband of 58 years, Edward; three children, Michael (Joy) Koepke of Parker, CO, Lori Koepke of Eau Claire and Julie Koepke of Fond du Lac; her granddaughter, Grace Koepke; her twin sister, Cordell (Roger) Strack of Kewaskum; her sister-in-law, Shirley Koepke of Beechwood; two step-grandchildren; three step-great-grandchildren; two step-great-great-grandchildren; nieces; nephews, other relatives and friends.

In addition to her parents, Corinne was preceded in death by her mother and father-in-law, Edward Sr. and Alma Koepke and two brothers-in-law, Roland Koepke and Fred (Nancy) Koepke.

Funeral services for Corinne will be held at 3 p.m. on Thursday, May 8 at Immanuel Lutheran Church in the town of Scott. Rev. Kurt Ziemann will officiate and burial will follow in the church cemetery.

The Koepke family will greet relatives and friends at the church on Thursday from 1 p.m. until the time of services.

Memorials to Immanuel

Lutheran Church or Aurora Visiting Nurse Association are appreciated.

The Miller Funeral Home in Kewaskum has been entrusted with Corinne's arrangements. Additional information and guest book may be found at www.millermartinfh.com.

Corinne's family extends their heartfelt appreciation to Dr. Hancock, Dr. Haid, all the staff at the Vince Lombardi Cancer Clinic in Sheboygan and to the Aurora Visiting Nurse Association Hospice Team for the kind and compassionate care provided to Corinne.

VERNITA BRONGIEL

Vernita Brongiel (formerly Keske, nee Bauer), 85, passed away on Friday, May 2, 2014.

She was born in Hancock to the late Herman and Edna (nee Krinke) Bauer.

She was raised in Beaver Dam and graduated from Beaver Dam High School class of '46. She worked at Continental Can for over 38 years, retiring in 1990. Her favorite pastimes included sewing, planting flowers and raising birds.

She is survived by her children, Dennis Keske, Linda (Kenneth) Woodley, and Terry (Floyd) Roberts; grandchildren, Christopher Hayes and Natalie (Robert) Glejf; great-grandchildren, Emma, Brennan, and Leah; special "adopted" daughter, Bonnie Peters; special friends, Granny and Marie Rosenquist and Tom and Nancy Rasmussen. She is further survived by many other relatives and friends.

She is preceded in death by her first husband, Orin Keske; second husband, Phillip Brongiel; son-in-law, Jeffrey St. Pierre; grandsons, Jason Roberts and Justin Woodley and a sister, Betty Krause.

The visitation will be held on Thursday, May 8 from 4 to 6 p.m. at the Phillip Funeral Home Chapel, West Bend.

The funeral service will take place at the funeral home on Thursday, May 8 at 6 p.m. with Deacon Ron Schneider presiding. Graves interment will be at Graceland Cemetery in Milwaukee.

In lieu of flowers, memorial donations may be made to her great-grandchildren's education fund, checks payable to Terry Roberts.

The Phillip Funeral Home of West Bend is assisting the family.

IN MEMORY

In loving memory of EDWIN R. (KING) BACKUS, who passed away 10 years ago, May 10, 2004.

A million times we've needed you,
A million times we've cried,
If love alone could've saved you,
You never would have died.

In life we love you dearly,

In death we love you still.
In our hearts you hold a place,
No one else will ever fill.

It broke our hearts to lose you,
But you didn't go alone.
Part of us went with you,
The day God took you home.

*Missed by
your family*

IN MEMORY

In loving memory of BOB STOLTZMANN, who passed away 10 years ago, May 4, 2004.

Although it's been ten years,
since our last goodbye,
The memory of you will never die.

And even though we had to part,
you'll live forever in our hearts.
There is not a day,
that we do not think of you.
The smiles upon your face,
the little things you used to do.
We think of you in silence.
We often speak your name.
Now all we have is memories,
And your picture in a frame.
Your memory is our keepsake,
With which we'll never part.
God has you in his keeping.
We have you in our hearts.

*Sadly missed by
his family*

50 Years Ago

November 29, 1963

Mr. and Mrs. Greg Theusch and Mr. and Mrs. Ervin Butzlaff and sons of rural Kewaskum received the Outstanding Conservation Award at the Kewaskum Kiwanis Club meeting. The award is presented as part of the Farm-City Week observance.

James Ruplinger, 20, son of Mr. and Mrs. Ralph Ruplinger, rural Kewaskum, was injured when a tractor he was driving tipped over and he was pinned underneath the vehicle. His cries were heard by his father and neighbors who came to his assistance. He was taken by ambulance to the hospital and suffered a possible fractured pelvis and other injuries.

The Robert G. Romaine Post 384 American Legion, Kewaskum, held a memorial service at the clubhouse in memory of our late President of the United States, John F. Kennedy, who was the victim of an assassin's bullet in Dallas, TX.

A son was born to Mr. and Mrs. Byron Dei, Route 2, Kewaskum on November 26. A daughter was born to Mr. and Mrs. Lawrence Nitschke, West Bend November 26.

December 6, 1963

Construction work began on the new \$250,000 addition to the Kewaskum Elementary School. The new addition will be built north of the present elementary school building. Plans call for it to connect the present primary building and the former high school building.

A record deer kill was recorded in Washington County with a total of 220 deer registered at county registration points.

Mrs. Arnold Thill, 58, of

Route 3, Campbellsport, the former Angela Koenen of Kewaskum, passed away December 4 at St. Agnes Hospital, Fond du Lac.

Joseph Reimer, 51, well known Campbellsport tavern-keeper, died at St. Agnes Hospital on December 2.

Mrs. Nic Braun, 81, the former Anna Ockenfels, a native of Kewaskum, passed away November 30 at Seattle, WA. She was a sister of Mrs. Peter Haug of this village.

Mr. and Mrs. Allen Hermans, Milwaukee, announce the birth of a daughter on December 2. She is the former Mary Jane Meyer of Kewaskum. They have two other daughters, Kathy and Joan.

75 Years Ago

November 11, 1938

In a recent business transaction, Arthur Weddig of this village, rented the Texaco service station on South Fond du Lac Avenue, better known as the former K.A. Honeck garage, from the Texaco Oil Products Company. Art purchased the equipment in the station from Sylvester Staehler, the former operator, and has been in business since November 1.

Miss Elsie Bruhn, who has been employed in the ready-to-wear department of the J.C. Penney Company store in West Bend for a number of years, has resigned her position there and very shortly will open a bakery, confectionary and ice cream shop in the John Gruber building on Main Street in this village, which was vacated a short time ago by the Reinders Sweet Shop. Miss Bruhn is well known in the vicinity and we feel sure that her new business venture will be a success.

A baby boy was born to

Mr. and Mrs. Elmer Zuehlke of Kewaskum on October 29.

November 18, 1938

Little Catherine Serwe, 7, daughter of Mr. and Mrs. Matt Serwe, was fatally injured early Tuesday, November 15 when struck by an automobile on County Trunk Highway V near her home north of Campbellsport. The child's father is an uncle to Alois Wietor of this village.

At 1:30 every Saturday afternoon the regular meeting of the Kewaskum Girls Scouts will be held at the local public school. Already this new organization has a membership of 17 girls. Mrs. Leo Brauchle and Mrs. Charles Miller have been appointed the temporary leaders. The local Woman's Club, which is sponsoring this new organization, presented them with a liberal cash donation. This should help assure their success as far as the material things are concerned.

August Kell, 69, who resides on a farm five miles west of Wayne Center, was found dead near the porch of his home on November 15 as the result of a stroke.

A daughter at St. Agnes Hospital, Fond du Lac, to Mr. and Mrs. Harvey Ramthun of this village. Mrs. Ramthun is the former Jean Kraft of Fond du Lac.

Born to Mr. and Mrs. Eddie Dobke of the town of Kewaskum, the first arrival, a son at the home of the mother's parents, Mr. and Mrs. Rudy Hirsig in the town of Auburn on November 15. Mrs. Dobke was formerly Verna Hirsig. The little fellow will receive the name Roger.

TOWN OF FARMINGTON NOTICE OF BOARD OF REVIEW

NOTICE IS HEREBY GIVEN that the Board of Review for the Town of Farmington, Washington County, Wisconsin, shall hold its first meeting on May 28, 2014, from 6:00 p.m. to 8:00 p.m., at the Town of Farmington Town Hall, 9422 STH 144, Kewaskum, WI 53040.

Please be advised of the following requirements to appear before the Board of Review and procedural requirements if appearing before the Board:

No person shall be allowed to appear before the Board of Review, to testify to the Board by telephone or to contest the amount of any assessment of real or personal property if the person has refused a reasonable written request by certified mail of the Assessor to view such property.

After the first meeting of the Board of Review and before the Board's final adjournment, no person who is scheduled to appear before the Board of Review may contact, or provide information to a member of the Board about the person's objection except at a session of the Board.

No person may appear before the Board of Review, testify to the Board by telephone or contest the amount of the assessment unless, at least 48 hours before the first meeting of the Board or at least 48 hours before the objection is heard if the objection is allowed because the person has been granted a waiver of the 48-hour notice of an intent to file a written objection by appearing before the Board during the first two hours of the meeting and showing good cause for failure to meet the 48-hour notice requirement and files a written objection, that the person provides to the clerk of the Board of Review notice as to whether the person will ask for removal of any Board members and, if so, which member will be removed and the person's reasonable estimate of the length of time that the hearing will take.

When appearing before the Board of Review, the person shall specify, in writing, the person's

estimate of the value of the land and of the improvements that are the subject of the person's objection and specify the information that the person used to arrive at that estimate.

No person may appear before the Board of Review, testify to the Board or by telephone or object to a valuation; if that valuation was made by the Assessor or the Objector using the income method of valuation; unless the person supplies the Assessor all the information about income and expenses, as specified in the Assessor's manual under Sec. 73.03(2a) of Wis. Statutes, that the Assessor requests. The Town of Farmington, Washington County, Wisconsin, has an ordinance for the confidentiality of information about income and expenses that is provided to the Assessor under this paragraph which provides exceptions for persons using information in the discharge of duties imposed by law or the duties of their office or by order of a court. The information that is provided under this paragraph, unless a court determined that it is inaccurate, is not subject to the right of inspection and copying under Sec. 19.35(1) of Wis. Statutes.

The Board shall hear upon oath, by telephone, all ill or disabled persons who present to the Board a letter from a physician, surgeon or osteopath that confirms their illness or disability. No other persons may testify by telephone.

Contact the clerk at 262-447-1018 for an appointment and the required forms.

Respectfully submitted,
Town of Farmington
Chris Schellinger, Town Clerk
WNAXLP

VILLAGE BOARD MEETING

APRIL 7, 2014 7 P.M.

The Kewaskum Village Board, Washington County, Wisconsin, met in regular

session in the Council Room of the Municipal Building, 204 First Street.

President Andy Pesch presided and called the meeting to order at 7:00 p.m. Board members present were Richard Knoebel, Andy Pesch, Dave Spenner, Janet Knops and Stephanie Justmann. The news media and members from the community were also present.

Notice of the meeting had been posted at the PNC Bank, Kewaskum Post Office and at the Municipal Building on April 3, 2014. Notice was also forwarded to the Village Board, Village Attorney, Village Engineer, and the News Media.

The meeting was opened with a Moment of Silence and Pledge of Allegiance.

Motion by Richard Knoebel to approve the minutes from the March 17, 2014 meeting, second by Kevin Scheunemann. Voice vote, motion carried.

President Pesch opened the public hearing on the Class "B" Retail Fermented Malt Beverage application from Ronald Theusch for Kewaskum Athletic Club, Inc., Kiwanis Park, Brooklane Dr., for the period of April 13, 2014 to October 13, 2014. No public comments were received.

Motion by Kevin Scheunemann to close the Public Hearing, second by Jim Hovland and carried by roll call vote. Knoebel-aye, Pesch-aye, Spenner-aye, Scheunemann-aye, Hovland-aye (5-0-0)

President Pesch also opened the public hearing on the Class "B" Retail Fermented Malt Beverage application from Chad Cook for Kewaskum Athletic Association, Kiwanis Park, Brooklane Dr., for the period of April 20, 2014

to October 20, 2014. No public comments were received.

Motion by Kevin Scheunemann to close the Public Hearing, second by Jim Hovland and carried by roll call vote. Knoebel-aye, Pesch-aye, Spenner-aye, Scheunemann-aye, Hovland-aye (5-0-0)

Fire Chief Mark Groeschel presented the March 2014 report:

Fire calls	3
Year to date	6
Jaws run	0
Year to date	4
Rescue calls	30
Miles	794
Total training hours	156.75
Year to date	470.47

Chief Groeschel reported on the process of replacing the tanker that was sold due to mechanical issues. The approximate cost of replacing the tanker without the chassis is \$102,000. It was determined the WWTP is in need of replacing their equipment used for jetting sewers. The purchase of a tanker could result in an inter-cooperation agreement between the Waste Water Treatment Plant and the Fire Department. The chassis market is volatile and will need to be purchased on a short notice to obtain a good price. Groeschel asked for consensus to allow the Fire Fighters Association to purchase a chassis and then be reimbursed by the Village. Motion by Jim Hovland, second by Andy Pesch to allow the Fire Fighters Association to purchase a chassis and then be reimbursed by the Village and carried by roll call vote. Knoebel-aye, Pesch-aye, Spenner-aye, Scheunemann-aye, Hovland-aye (5-0-0)

Police Chief Thomas Bishop reported on the speed study done on US 45, CTH H and Badger Road. The speed limit will remain at the current limit. Suggested changes include:

a) The timing in the lights will be changed.

(Continued from page 12)
Main Street during the project reconstruction.

DPW Coordinator Cook reported on the DPW activity. The water main and two valves are being repaired on Fond du Lac Ave. by Roseland Drive and Prospect Street. Brush chipping will resume after the water main repairs are complete. Municipal Well and Pump will begin replacing the Well #3 pump on April 14th. DPW Coordinator Cook also addressed questions regarding garbage collection on Main Street during the reconstruction project.

Motion by Kevin Scheunemann to suspend the rules and bring up item A under Unfinished Business and items A-F under New Business, second by Jim Hovland and carried by roll call vote. Knoebel-aye, Pesch-aye, Spenner-aye, Scheunemann-aye, Hovland-aye (5-0-0)

Zoning Administrator Cook reported on the request by Don Weyer for final plat approval to split lot 66 in the Nature Haven Subdivision. The preliminary plat has been approved by Washington County and the Department of Administration. Motion by Richard Knoebel to approve the final plat for Don Weyer, Scenic Home Builders, to split lot 66 in the Nature Haven Subdivision into approximately 5 lots, second by Kevin Scheunemann. Voice vote, motion carried.

John Knepel, Baker Tilly Virchow Krause, presented the audit prepared for the year ended December 31, 2013. The reports issued were the financial statements, the TID#2 financial statement and communication to those charged with governance and management. The auditor reported that his firm was providing an unmodified opinion which is the highest, cleanest result of an audit reflecting the Village accounting practices. The financial overview included a review of the governmental funds, general fund budget, enterprise funds and long-term debt. The general fund has extended funds to the sewer utility. The sewer utility revenues are not sufficient to support its own debt. The debt service has extended funds to the TID#2. An interest rate has been established internally on funds loaned to the TID#2 to cover the shortfall. Options for reducing the number of deficiencies in internal controls were discussed. These types of material weaknesses are common in smaller organizations and are due to minimal staffing. Some municipalities have hired additional staff to resolve internal control deficiencies.

Motion by Kevin Scheunemann to accept the audit as presented for the year ending December 31, 2013, second by Jim Hovland. Voice vote, motion carried

Administrator Heiser reported on the change order for the Main Street project. The request is to upgrade the PVC piping from the main to the hydrants to duck tile iron at a cost of \$14 per foot, \$2600 project increase. Motion by Richard Knoebel to accept the change order, second by Kevin Scheunemann. Voice vote, motion carried.

Administrator Heiser requested procedures that should be followed for upcoming change orders to the Main Street project. During the Waste Water Treatment Plant project change orders were deferred to the Public Works and Public Service Committee to handle change orders on a timely basis. Motion by Kevin Scheunemann to defer change order for the Main Street project to the Public Works and Public Services Committee, second by Richard Knoebel. Voice vote,

motion carried. Administrator Heiser introduced the request by WE Energies to change/relocate/remove and or installation of street lighting for the Main Street project. Motion by Richard Knoebel to accept the agreement to pay the street lighting fee and be credited by the WisDOT in return, seconded by Kevin Scheunemann. Voice vote, motion carried.

Motion by Jim Hovland to approve the Certified Survey Map for Fredric Seefeldt to create four parcels from five existing parcels at the intersection of County Highway S and East Moraine Drive located in the one and one half mile Extraterritorial Zoning Area, second by Kevin Scheunemann. Voice vote, motion carried.

Administrator Heiser:
1. Reported on the Main Street project. Communication on the project with the project manager, property owners and Village staff will take place on Wednesdays at 10:00 a.m. The Special Assessment Public Hearing for Main Street is scheduled for May 5, 2014.

2. The Visioning Session is scheduled for April 8, 2014 at 8:00 a.m.

3. Reported on the budget for the Main Street project. The project initial proposal, scope change and the costs at the start of the project were reviewed. The project was broke down further by incorporating the bid let and current cost at the beginning of the project. The costs do not reflect any change orders.

4. Distributed the draft handbook for the Village Board to review and recommend changes. Adoption of the Employee Handbook will be on an upcoming agenda.

Clerk Stephanie Justmann reported on the April 1, 2014 Spring Election. The election workers were Gayle Van Ess, James Wilmot, Gina Raether, Elvira Nigh, Steve Baker, Lavern Geidel, Karen Schaub, Patrick McFadden, Karen Kleinke and Eileen Petri. There were 521 voters and no incidents were reported. The newly elected Trustees are Richard Knoebel, David Zehren, and Mike Berger. Mike Berger did not accept the position. The Oath of Office was administered to Richard Knoebel

and David Zehren. Richard Knoebel, Chairperson for the Administrative Committee, reported the bills were recommended for payment as presented. Motion by Jim Hovland to approve the bills as recommended, second by Dave Spenner. Voice vote, motion carried.

Jim Hovland, reported on the March 25, 2014 meeting. The Fredric Seefeldt CSM was recommended for approval. A temporary sign permit was approved for the Kewaskum School District to hang a banner over Fond du Lac Ave.

Matt Heiser, Mid-Moraine Representative, reported on the March 26th Dinner meeting. The guest speaker was from the Department of Commerce on promoting business in the State of Wisconsin. The next Legislative Sub-committee is scheduled for April 9, 2014.

Motion by Kevin Scheunemann to grant the license for a Class "B" Retail Fermented Malt Beverage to Ronald Theusch for the Kewaskum Athletic Club, Inc., Kiwanis Park, Brooklane Dr., for the period of April 13, 2014 to October 13, 2014, second by Richard Knoebel and carried by roll call vote. Knoebel-aye, Spenner-aye, Scheunemann-aye, Hovland-aye, Pesch-aye. (5-0-0) Motion by Kevin Scheunemann to appoint Ronald Theusch as the agent, second by Jim Hovland. Voice vote, motion carried.

Motion by Jim Hovland to grant the license for a Class "B" Retail Fermented Malt Beverage to Chad Cook for the Kewaskum Athletic Association, Kiwanis Park, Brooklane Dr., for the period of April 20, 2014 to October 20, 2014, second by Kevin Scheunemann and carried by roll call vote. Knoebel-aye, Spenner-aye, Scheunemann-aye, Hovland-aye, Pesch-aye. (5-0-0) Motion by Kevin Scheunemann to appoint Chad Cook as the agent, second by Jim Hovland. Voice

vote, motion carried. Administrator Heiser reported one of the heating units at the Annex building is broken and this may be a good time to replace the heating and cooling systems as previous discussed. Abid received at that time was estimated at \$8,000. The electrical service may also have to be updated. Consensus was to obtain quotes to install heating, central air and update the electrical service in the Annex Building.

Motion by Kevin Scheunemann to approve the request by the Grand Larsony Benefit Car Show to use the Downtown Parking Lot and close First Street and Railroad Street to First Street on September 21, 2014, second by Richard Knoebel. Voice vote, motion carried.

Motion by Kevin Scheunemann to obtain quotes on having the #2 Water Tower cleaned, second by Jim Hovland. Voice vote, motion carried.

Consensus of the Board was to put on the next Village Board agenda options for filling the one vacant trustee seat.

—Motion by Richard Knoebel, second by Kevin Scheunemann to approve the issuance of an operator's license for 2013/2014 as listed. The police department had no objections.

Russell, Taylor J., Kewaskum, WI

Seidler, Elana M., West Bend, WI

Motion by Kevin Scheunemann to adjourn at 8:51 p.m. into Closed Session, pursuant to Section 19.85 (1) (f) Wis. Stats. considering financial, medical, social or personal histories or disciplinary data of specific persons, preliminary consideration of specific personnel problems or the investigation of charges against specific persons except where par. (b) applies which, if discussed in public, would be likely to have a substantial adverse effect upon the reputation of any person referred to in such histories or data, or involved in such problems or investigations. sec. 19.85 (1) (f) Wis. Stats. Specifically to be discussed is a possible personnel problem involving particular Village employees and whether to conduct one or more investigations into this personnel problem. This portion of the Closed Session will be attended by the Village Board, Administrator, Clerk and Police Chief, second by Jim Hovland and carried by roll call vote. Knoebel-aye, Pesch-aye, Spenner-aye, Scheunemann-aye, Hovland-aye (5-0-0)

Encouraging signs from KHS golfers

By Judy Harlow

Statesman Correspondent

It's beginning to look like the Kewaskum High golfers could develop into a pretty competitive team by the end of the season.

The Indians, with scores ranging from 90 to 97, finished second in the Badger Creek Invitational held last Saturday in New Holstein.

Campbellsport continued its domination of the event, winning for the fourth year in a row with a score of 334, 39 strokes ahead of Kewaskum. Menasha St. Mary's and New Holstein were tied for third at 381. The meet medalist was Jack Adams of Campbellsport, who fired a 40-40—80 on the par 72 layout.

KHS had one player in the top 10. Sawyer Schmidt, playing in the No. 3 spot, carded a 44-46—90, good for ninth place, and one shot back, Sam Schlosser was tied for 10th with a 44-47—91. Schlosser had a good round going until the final two holes where he went six over par.

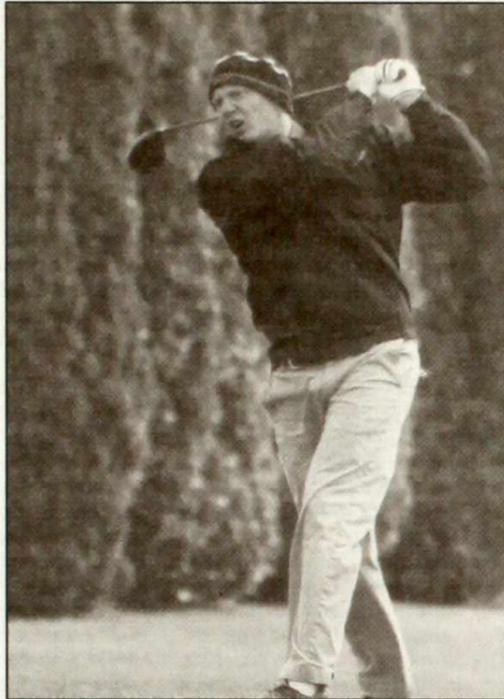

Rounding out the KHS scoring were Sean Murray and Andrew Otto at 95 and 97, respectively.

"Sawyer was ninth. That was great for him," KHS coach Glenn Eichstedt said. "His short game has been really strong. I think he had only one 3-putt in two days."

Eichstedt noted, with the exception of Campbellsport, the competition wasn't very strong but the wind was, and that may have contributed to higher scores.

On Friday, the Indians, led by Murray and Schlosser, captured fourth place in the annual Port Washington Invitational held at the Hawthorne Hills Golf Course near Fredonia.

Cedarburg easily won the title in the five-man, all-count event, firing a 420. Next came Brookfield Central and Grafton at 434 and 438, followed by the Indians at 450. The top two teams sent their "A" teams to other events on the same

Kewaskum's Greg Rate is shown teeing off on hole 16 at Saturday's Badger Creek Invitational in New Holstein.

Photo courtesy of Craig Hoffman, Tri-County News day.

Holding his scores mainly to pars and single bogeys, Murray shot a 41-40—81 to tie for fourth place, while Schlosser was at 44-40, tied with three others for sixth place. His card included a birdie 2 on No. 17.

"The both medaled," Eichstedt said of Murray and Schlosser.

Sawyer Schmidt also played well, carding a 42-47—89; Andrew Otto a 94; and Greg Rate, a 102.

News from Slinger Speedway

SLINGER—Conrad Morgan took the win in the season opening Miller Lite 75-lap super late model feature Sunday afternoon at the Slinger Speedway.

Morgan started outside of pole-sitter Brad Mueller as the green flag waved and he quickly used the upper groove to edge out an advantage while Austin Luedtke and Apel raced for third ahead of Rob Braun and Travis Dassow.

Luedtke held tough in the upper groove and he and Morgan traded paint as they contested the top spot before Luedtke was able to edge ahead entering turn three on lap ten to take sole possession of the lead. Behind the lead duo, Apel also used a strong outside run to grab third place from Mueller.

Farther in the pack, the most intense racing was occurring between Al Schill, Rich Loch, Dennis Prunty, and John DeAngelis and while attention was focused there, Morgan slipped by Luedtke on the inside to take the lead on lap 28.

Apel also worked the inside on Luedtke and took second place a few laps later as Morgan began to drive away out front. Morgan soon began to catch lapped traffic and he bobbed his way inside and outside of the lapped machines as Apel and Luedtke did the same about ten car

lengths behind the leader.

Behind the leaders, Dennis Prunty drove his way into fifth, passing Bennett, Dassow, and Mueller along the way. Austin Luedtke finished a strong third. Dennis Prunty rounded out the top five finishers while Brad Mueller took seventh.

Dale Prunty finished third in the 30-lap super late model semi-feature.

Justin Poenitsch led the field to the green flag in the 40-lap late model feature. Poenitsch battled for third.

The caution flag appeared on lap two for a spin by Ricky Heinan in turn three. Poenitsch raced for third and grabbed the spot. Alex Prunty raced forward to challenge Poenitsch in fourth. Poenitsch's car began to get loose and Prunty drove by.

The caution waved again on lap 21 when Poenitsch hit the turn four wall. On the final lap, Prunty muscled to the inside of Church off turn two and when Church held the inside lane, the contact between the two turned Prunty's car into Freimund's as the top three fought for control on their way to the checkered flag. Church held onto his sliding car to cross the line first for the win over Prunty while Mike Meyerhofer charged into third at the stripe.

Hanson's jump produces a first

By Judy Harlow

Statesman Correspondent

The weather hasn't been anything near what area teams would like it to be, but still athletes in the Kewaskum High track and field programs are making progress.

Sophomore Jason Hanson is an example of that progress. He was the lone KHS winner Friday in the annual Alzheimer Invitational in Pewaukee, adding an inch to his previous best in the high jump, clearing 6 feet, 3 inches (6-3) in the event to win by five inches.

As a team, the Indians did not have enough athletes to push for top-three finishes but did place in almost all the events. Pewaukee won the boys' title with 141.5 points, with New Berlin Eisenhower taking second at 120.5. KHS finished sixth out of 13 teams with 58 points.

On the girls' side of the ledger, it was Mayille on top with 146.5 and Elkhorn in runner-up spot with 111. KHS placed eight with 45 points.

"For what we have, I think the boys did quite well," KHS coach Jerry Gosa said. About Hanson, who is within three inches of the school record (the record is 6-6 set by Travis Jacak back in 1995), he remarked, "I didn't get to see the high jump, but I heard he was pretty close at 6-4."

Brandon Thull, another sophomore, had a stellar day, taking third in the long jump (19-04.50), fourth in the 100-meter dash with a time of

11 and 0.86 seconds (11.86), and fourth in the 200 (24.55) for 16 team points.

Thull also ran anchor on the third-place 4x100 relay team. The foursome, which included Gavin Schreier, Brandon Mikolajczak and Kyle Pamperin, turned in a time of 47.51.

Charlie Witek performed well for the Indians, finishing fourth in the 400 with a time of 54.43.

The discus was a good event for KHS as Ben Watzig placed fourth at 115-10 and Eric Doll added a couple points with his seventh place after throwing 109-08.

The pole vault was another bright spot with Miguel Gonzalez and Tony Leister placing fifth and seventh, respectively, with jumps of 10-0 and 9-06. Both are first-year vaulters.

The names Megan Ackhartz, Krystina Lepp, Ellie Debelak and Haley Kleinhans continue to pop up in the scoring by the girls.

Ackhartz tied for fourth in the high jump (4-08) and combined with Kleinhans, Sarah Kosternan and Lepp for a fourth place in the 4x400 (1:57.75).

Lepp is trying the challenging 300 hurdles this spring and has developed into a consistent place winner. She was clocked in 52.58 Friday, good for fourth place and added a seventh in the high jump (4-06).

Unfortunately Debelak missed Friday's meet because of illness. "We missed her in the 100 and 200. We missed her in

the long jump," Gosa said of Debelak.

The girls did have Abby Reysen back for the first time since the Oostburg Invitational, and she anchored the 4x400 relay (Natalya Luedtke, Ackhartz and Lepp) to a 4:28.14 to earn a fourth place in the race.

Kewaskum's top place was a second in the pole vault, with Jessica Nurkala clearing 8-06. Jessica Etta added a fourth in the discus with a throw of 76-01.

On April 27, while softball, soccer and tennis were postponed because of rain and cold, the show went on in the Washington County Track and Field Meet, and what a show it was, with the Hartford boys edging West Bend West and German-town, 151-150-147. West Bend West dominated the girls' field, winning with 169 points.

KHS placed seventh in both competitions, with the boys scoring 33 points and the girls 30.5.

The 100-meter dash was the boys' best event, with Thull (12.17) and Mikolajczak (12.25) placing fourth and sixth, respectively.

Hanson cleared 5-10 in the high jump, which was good for third place.

On the girls' side, the best effort was a third by Kleinhans, Lepp, Kosternan and Lepp, who hit the finish line in 1:58.49. Fourths came in the high jump as Ackhartz cleared 4-08, and Debelak jumping 14-10.5 in the long jump, an event which was affected by the wet conditions.

Kewaskum A's: They can pitch and they can hit

By Judy Harlow

Statesman Correspondent

Not only did Mitch Huffman and Jim Ziegler pitch well for the Kewaskum Athletics in Sunday's Rock River League opener against visiting Hartford. The two were good at the plate, too, leading the A's to an 8-1 victory over the Hawks.

Hartford pushed a run across in the top of the first inning, but that was the end of the Hawks' scoring as Huffman limited them to three hits and he struck out six in the five innings he pitched to pick up the win. It was Huffman's first mound victory for the A's since 2010, the last season he played for them.

Ziegler took over the pitching chores from the fifth to the ninth, limiting the Hawks to three hits while picking up the save.

At the plate, Ziegler went 2x4 with a double and 2 runs batted in (RBIs), while Huffman went 2x3 with an RBI.

In the four-run first, Ziegler helped out by ripping an RBI

double, giving the A's a 2-1 lead. Austin Sarauer drove in Ty Schill on an RBI groundout to tie the score at 1-all.

Later, Huffman and Lucas Kopeschka came up with well-placed RBI singles to give the Athletics a 4-1 cushion.

In the second inning, Kewaskum added two more runs on a Jason Strobel RBI sacrifice fly and a Ziegler RBI single.

The A's bats were fairly quiet for the next five innings, then they added two insurance runs in the eighth.

Schill wound up going 2x4, with a double and an RBI, and Brad Young helped the cause with a pair of hits, including a double and an RBI.

Kewaskum, now 3-1 overall, was scheduled to play Oconomowoc Wednesday night in West Bend during a Tri-County Nite League game at 7:30 p.m. This weekend, the A's travel to Neosho Saturday for a Tri-County game and then to Juneau Sunday for a Rock River game. Both start at 1:30 p.m.

Wins keep piling up for lady kickers

The Indians' Kailia Kirst defends the goal against New Holstein midfielder Rachel Pitzen (15). The Indians' Olivia Krautkramer (#1) is shown ready to assist.

Photo courtesy of Karrie May

By Judy Harlow

Statesman Correspondent

With more people contributing to the offense this year, Kewaskum's girls soccer team is experiencing a lot of success.

The Lady Indians improved to 7-4-1 after going 2x3 last week, dominating Lomira 5-1 on April 28, falling to New Holstein 2-0 on May 1 and finishing up with an inspired 3-1 win over rival Campbellsport May 2.

Coach Luke Piwoni was very pleased with the effort at Campbellsport, which has held the upper hand in the series in recent years. In this match the Indians were very determined right from the opening kick.

Becca Strigenz scored in the seventh minute, according to Piwoni

"It was beautiful. Jeray (Riffel) played a beautiful cross, and Becca crashed it right in. She was in perfect position," Piwoni said.

The host Cougars tied the game 10 minutes later, then it was back and forth until right near the end of the half when Riffel showed why she is one of the best players in the Eastern Wisconsin Conference.

"Jeray put in a very, very long goal at 38 minutes," Piwoni said. "She launched one from between the 18 (yard mark) and

midfield. It went just under the crossbar and over the keeper's hands."

Going into the break ahead 2-1 gave the Indians momentum for the final 40 minutes.

"I felt we were definitely the aggressor in the second half," Piwoni said, reporting Molly Schulteis scored an insurance goal in the 48th minute on another good cross by Riffel. "The ball deflected off a Campbellsport player and she (Schulteis) struck the ball well," the coach said.

For the game, Kewaskum outshot the hosts nine to seven.

Piwoni was also thrilled with the effort by his defenders.

"Up the middle, we were really strong," he said. "Kaila Kirst, Hailey HERRIGES and Olivia Krautkramer ... They all did a great job," the coach said. "The last couple games Kaila Kirst just played wonderful. She's helping our offense and defense."

Keeper Emily Koller was also lauded.

"She has been doing a nice job," Piwoni said.

New Holstein 2, KHS 0: "They scored both goals in the first 14 minutes. That was it," Piwoni said. "I think we outplayed them in the second half, but we had nothing to show for it."

Kewaskum got off seven shots, including four by Riffel. "She kicked a couple right at the keeper, and a couple went over the net," Piwoni said.

With the split versus Campbellsport and New Holstein, the Indians are currently 2-2-1 in EWC play.

Kewaskum 5, Lomira 1: The Indians simply overpowered the Lions in the nonconference match, with Schulteis taking the starring roll with her two goals and a pair of assists.

"She had herself a game," Piwoni said, reporting Schulteis teamed up with Strigenz for the first goal in the 16th minute. Ten minutes later she turned from assistee to assister, setting Riffel up for goal number two of the game.

After the break the Indians went back to work offensively, scoring three goals in 11 minutes. Riffel had the first (Stephany Haack assist), then Schulteis kicked one in solo and finally Ana Gerhartz got into the act with Schulteis assisting.

A quick bit of math shows the Indians have scored 37 goals in the 12 games they've played and the seven wins eclipse the 2013 total by two with a lot of matches still on the schedule.

"I think we've played half of our games," Piwoni said, indicating Riffel currently has 14 goals and six assists, with Schulteis coming on strong in recent games to the tune of seven goals and two assists and Lizzy Bauer currently with six goals and a pair of assists.

Rain, rain go away the boys of tennis want to play

By Judy Harlow

Statesman Correspondent

The Kewaskum High tennis team went 0-0-0-3 last week, referring to the fact the Indians didn't win any dual meets, didn't lose any dual meets and didn't tie any meets. The three stands for the number of rain-outs, first with Kohler, then Plymouth and finally with Wayland Academy Friday, one hour into the competition.

The only time the Indians got to play was Saturday, May 2 in Slinger and Hartford, the sites of the annual Washington County Tennis Tournament.

As the only Division 2 team in the competition, Kewaskum was a little over its head. The Indians did get one third place, from junior Bille Lehmann at No. 1 singles, while Josh Limbach finished fourth at No. 4 singles and Ken Adamo and Derek Schultz finished fourth at No. 2 doubles.

"West Bend East Suns took five out of the seven No. 1 spots in the tournament (taking third in the other two). They swept the singles side. That is impressive," KHS coach Jacob Cochran said.

Lehmann started out with a 4-6, 7-6 (2), 10-5 win over Charlie Walton of Milwaukee Pius XI and then he ran into the eventual champion, Matt Zurowski

of West Bend East, who beat him 6-1, 6-1.

Lehmann got third place when Logan Symes of Germantown forfeited to him in the consolation match.

Limbach moved into the semis with a 6-3, 7-6 (3) win over Joe Aveni of Hartford. He drew Slinger's Chris Melius next and lost 0-6, 0-6 and in the match for third fell to Matt Lovang of Milwaukee Rufus King, 1-6, 4-6.

After losing their first set 2-6, Adamo and Schultz battled back to win the second 6-4 and then won a 10-3 decision in the rubber match over Shileek Xiong and Dante Nash of King.

Adamo and Schultz lost their next two however, first getting shutout by Jake Leitheiser and Josh Kreger, 0-6, 0-6 and then beaten by a Hartford pair, Fagan Wojciechowski and Andy Fagan, 2-6, 0-2.

Cochran said against Wayland, KHS was leading in five of the seven matches when the rain came, making the courts slippery and a bit dangerous.

The Indians are scheduled to entertain Sheboygan Falls Thursday.

WC Invite: 1. WB East, 36 points; 2. West Bend West, 20; 3. Milwaukee King and Pius XI, 15; 5. Germantown, 14; 6. Hartford, 10; 7. Slinger, 9; 8. Kewaskum, 7.

Kewaskum Youth Soccer Organization

Results from Saturday, May 3

The **U-7 Lions** played the Erin Emeralds in goal on Saturday and the game ended tied 2-2. Charlie Gambino scored both goals, Cadence Rehm played great defense and Nathan Vlotho played great offense. On Sunday May 4, the U7 Lions played a tough Hartford Blitz in Hartford. The Lions lost 4-0 with Riley Kuehl playing great offense and Maddie Marquardt great defense.

The **U-7 Cougars** tied the Richfield Ninjas 2-2. Nick Paul and Mara Butschlick both scored goals. They played solid defense with Zachary Jacoby blocking some nice shots. It was a very fun and very competitive game

The **U-8 Panthers** played the Hartford Heat. Mitchell Becker played a great game dribbling the ball and passing it to his teammates. Lindy Hudson is doing a wonderful job, always hustling and improving. They lost 4-2.

The **U-8 Cheetahs** played Washington County and lost 6-1. Brooke Gruen scored a goal. Izzy Butler and Macy Fleiselman had some good defense.

The **U8 Bobcats** played another well-organized Washington County team. Hayden Johnson and Gavin Schneider played an excellent defense. Isaac Morales and Elliot Kemp scored goals. The Bobcats lost 5-2.

The **U9 Eagles** played the Slinger Hurricanes. Dawson Stahl did a good job of moving the ball up field and scored a goal. Grace Leitheiser and Mikaela Marquardt also scored for the Eagles but it just wasn't enough. The Eagles lost 3-8.

The **U9 Kewaskum Rockets** came through with a 6-0 victory over the Hartford Rockets. Kewaskum utilized an effective passing game to advance toward goal. Kewaskum's Sam Gauthier held strong in goal to keep the Hartford team from scoring.

The **U9 Kewaskum Jets** had an exciting game on Saturday. They lost to a very tough Slinger team 9-5. Kaidan Dieringer and Tessa Tennes were very tough at goal. Carson Rolf, Owen Parish and Dillan Steger all kept the game alive by scoring the much needed points.

The **U10 Kewaskum Sharks** played the **Kewaskum Stingrays**. The Sharks lost to the Stingrays 3 to 2. It was a great game for both teams. Ailis Cameron and Luke Baumann played goalie for the first time this year and played great. Sophia Gerhartz played stopper and was aggressive and hard to beat. Nathan Thill who is new to soccer understands all the positions. Ryan Bushel and Baumann scored again. Leah Wergin helped out on defense as sweeper. Sam Rinzel played a great midfield for the Sharks.

The **U10 Kewaskum Stingrays** played a super competitive game against the **U10 Kewaskum Sharks**. Brooke Buechler played strong defense and offense and Trevor Maine scored a late goal from distance to pull out a 3-2 win.

The **U12 Cobra** girls faced a tough YMCA team on Saturday. Emma Rolf broke through and scored after several near misses. Rachel Anderson and Nicole Butz were tremendous in defense, limiting the Y to one shot in the first half. Emma Rolf put the game out of reach with her second goal after the break. Cobras 2, YMCA 1.

The **U14 Scorpions** played against the West Bend Earthquakes. The score was tied 1-1 at half time. The goal was made by Hunter Schmitt with the assist by Luke Bindrich. Claire Schliether and Samwise Baker played strong defense. Zach Ziarek filled the goalie position first time this year, blocking several shots. The win went to the Earthquakes.

See www.kewaskumsoccer.com for information about KYSO and game schedules. Home games are played at Kewaskum Kiwanis Park.
