Members of the Kewaskum High School Class of 2015 went out to the "Doc" Mitchell Athletic Complex to have a group photo taken right after graduation ceremonies on Sunday, June 7. After the main photos, they all had some fun and tossed their hats before going out onto the football field for photos with family and friends. It was a great day for graduation and everything went well.

Kewaskum Eighth Grader Accepted Into State Honors Band As Third In District History

By Brittany Seemuth

Eighth grade Kewaskum Middle School student, Genna Alexander, has been accepted into the middle level state honors band as one of 19 trumpet students in Wisconsin selected to participate. Alexander is the third student in the Kewaskum School District history to get accepted into the honors band.

Alexander started playing the trumpet because her older brother, Jacob, Kewaskum High School sophomore, did too: "I want to be just like him," Alexander said.

Incidentally, her brother first revealed the news of her acceptance.

"Mr. Michlig told him at school by accident,"

Alexander said. "He [Jacob] said, 'Guess what I found out?' I didn't believe him at first, but then I had my mom call Mr. Michlig, and I found out it was real."

She also credited her mother as being another key inspiration as a musician: "It [playing the trumpet] is definitely something I'm going to continue my whole life because my mom plays piano and she continued to play through her whole life."

Josh Michlig, Kewaskum Middle and High School instrumental music teacher, said Alexander's excitement is equally matched by her instructors.

Annual Breakfast On The Farm To Be Hosted By Cheeseville Dairy

By Brittany Seemuth

Washington County's 28th annual Breakfast on the Farm event will be hosted by Cheeseville

Dairy on Saturday, June 13, 2015, where approximately 4,000-5,000 people are expected to attend. Owners Gordy and Kathy Michaels opened the

farm in 1972 when Gordy was 20 and Kathy was 19. Since that time, the farm has grown to 2,000 acres and is expanding. The Michaels operate the farm along with their four children, making a total of 21 full-time employees to run the 1,550 total herd-size.

Gordy Michaels said the landscape of the farming industry has changed significantly since his childhood on his father's farm.

"Farming used to be a lifestyle," Michaels said. "Today it's turned into big business. Everything's gotten bigger – the equipment, the farms. It's run like any other business now, but it's not nearly as demanding now. When I was a kid, we milked cows every morning and every night. While now, it's really run a lot more like a business – except for spring planting and harvesting, which can be long days – it can be a really nice lifestyle."

Breakfast on the Farm

CAMPUS NEWS

—Anna Henning, of Kewaskum, a senior, has been named to Wisconsin Lutheran College's Dean's List for the spring semester.
 To be eligible for Dean's List, a student must carry a semester GPA of 3.6 or higher.
 Wisconsin Lutheran College is an independent, residential, Christian liberal arts college located on the border of Milwaukee and Wauwatosa. The college prepares students for lives of Christian leadership, and is recognized for its academic excellence and superior student experience.
 For more information, visit wlc.edu.

—Katherine Dean of Campbellsport was named to the second semester, 2014-2015 Dean's List at Saint Mary's University of Minnesota. Katherine Dean is the daughter of Paul and Jane Dean. She is a graduate of Kewaskum High School.

The list includes 322 undergraduate students who earned a grade point average of 3.60 or better on a 4.0 scale.
 Saint Mary's University of Minnesota has about 5,800 students enrolled in undergraduate, graduate, and certificate programs in Winona, the Twin Cities, greater Minnesota, Wisconsin, Jamaica, and Nairobi, Kenya. At Saint Mary's residential campus in Winona, the undergraduate curriculum combines traditional liberal arts and sciences with career preparation in a student-centered environment.

—The University of Wisconsin-Washington County has named 124 students to the Dean's List for the Spring Semester

2015. These students have achieved academic success by achieving a grade point average (GPA) of 3.50 or higher.
 Three designations are awarded including: Highest Honors (GPA of 4.0), High Honors (GPA of 3.99 to 3.75) and Honor students (GPA of 3.74 to 3.50).
 Area students who earned honors include Zackary Luedtke, highest honors; April Stern, high honors; high honors: Raeanne Koss, high honors; and Jennifer Martin, high honors, all of Kewaskum; Casey Krakowski, high honors; Marissa Osgood, high honors; Gillian Pollpeter, high honors; honors: Robert Freiberg, honors; and Justin Pelischek, honors, all of Campbellsport.

Four and seven week summer session classes begin Monday, June 15, while fall semester classes begin Tuesday, Sept. 2. Students interested in applying for admission should phone the Student Affairs office at 262-335-5201 or apply online on the campus website at www.washington.uwc.edu. The campus is located at 400 University Drive in West Bend.

—The University of Wisconsin-Madison has recognized students named to the Dean's List for the spring semester of the 2014-2015 academic year.
 Students who achieve at a high level academically are recognized by the dean at the close of each semester. To be eligible for the Dean's List, students must complete a minimum of 12 graded degree credits in that semester.

Each university school or college sets its own GPA requirements for students to be eligible to

receive the distinction. Most call the honor "dean's list," but some grant the "Dean's Honor List" and "Dean's High Honor List."

To view an online listing of students, visit http://registrar.wisc.edu/deans_list.htm. For questions or concerns about eligibility, please contact deanslist-registrar@em.wisc.edu.

Students from the area who have received this honor include Haley Olsen, College of Engineering, Dean's Honor List; and Danielle Radloff, School of Education, Dean's List, both of Cascade; and Devin Boehm, College of Agricultural and Life Sciences, Dean's List; Samuel Candee, College of Engineering, Dean's Honor List; Tiara Luckiesh, College of Letters and Science, Dean's List; Eli Mueller, College of Letters and Science, Dean's List; Josh Mueller, College of Engineering, Dean's Honor List; Ingrid Olson, School of Education, Dean's List; and Colten Parr, College of Letters and Science, Dean's List, all of Campbellsport.

This Washington County Sheriff's Deputy took some time out of his duties to play prisoner dodge ball with the kids from Club Cool at Farmington Elementary School on Thursday, June 4. There was a scare at the elementary school because of what looks like an email address that was hacked. Because of this, extra attention was paid to the school.

OBITUARIES

Dolores C. Kiefer

Dolores C. Kiefer, 95, of Slinger, entered into eternal life on Wednesday, June 3, 2015.

Beloved wife of the late Andrew Kiefer. Mother of Barbara (Dennis) Massoglia, Gerald (Rosalynn) Kiefer, Michael (Peggy) Kiefer, Mary (Richard) Warner and Kenneth (Sharon) Kiefer.

A Memorial Mass for Dolores is being scheduled for a later date. A full obituary will be published when a date for the mass has been selected.

The Miller Funeral Home in Kewaskum has been entrusted with Dolores's arrangements

Fritz P. Wiedmeyer

Fritz P. Wiedmeyer age 72 of West Bend passed away on Tuesday, June 2, 2015 at St. Joseph's Hospital in West Bend, with his family at his side.

He was born January 6, 1943 in West Bend to Ferdinand and Henrietta (nee Guntly) Wiedmeyer.

Fritz married Judith A. Keding on August 4, 1962 at St. Mathias

Catholic Church in Nabob. Fritz started in the trucking business in 1969 and in 1982 he started his own trucking company. Wiedmeyer Express became a true family business with 3 generations being involved with the operations.

Fritz was a very generous man and supported his employees both in business and in their personal lives. He commonly gave back to the community through helping other businesses and donating his time and resources to many worthy causes.

Fritz is survived by his wife of 52 years, Judy, five children: Sandy (Ken) Gerlach of Theresa, Peter (Michele) of West Bend, Mike (Jessie) of West Bend, Todd (Kris) of West Bend and Rod (Ann) of Campbellsport and 14 grandchildren: Missy (Chris) Walsh, Josh Gerlach, Tricia (Shane) Schutz, Ashley (Darren) Vandenberg, Brittani Wiedmeyer, Stephanie Schaefer, Zachary (Cyiah) Schaefer U.S. Marine Corps, Jaime (fiancée Andrea) Wiedmeyer, Jeremy Wiedmeyer U.S. Army, Justin Wiedmeyer, Jason Wiedmeyer, Dustin (Chantel) Wiedmeyer, Cody (Brittany) Wiedmeyer, Tiffany Wiedmeyer. He is further

survived by his seven great-grandchildren: Dylan Walsh, Grace Walsh, Mitchel Walsh, Kellan Schutz, Beckett Schutz, Decker Schutz and Kade Wiedmeyer, two brothers: Eugene (Noretta) Wiedmeyer of West Bend and Jerry (Eileen) Wiedmeyer of West Bend, two sisters-in-law Kathy Wiedmeyer of PA and Barbara Gillian of IN, a brother-in-law Jerome (Dean) Keding of NY and nieces, nephews and other relatives and friends.

He is preceded in death by his parents, Ferdinand and Henritta Wiedmeyer, his grandson Jerred Gerlach, his brother Stuart Wiedmeyer and his mother and father-in-law Art and Pearl Keding.

Fritz's wishes were to not have any formal services, which his family has chosen to honor and respect.

Our family would like to extend a special thank you to the St. Joseph's ICU staff and Dr. Olafsson for their kind and compassionate care and Fr. Jerome Repeshek for administering last rights.

The Schmidt Funeral Home in West Bend is serving the family. Online guestbook and condolences are available at www.schmidtfuneral-home.com.

CONGRATULATIONS

to KHS 2015 Co-Valedictorian

McKenzie Rosenthal

Holy Trinity Class of 2011

Holy Trinity School also congratulates the following Holy Trinity Class of 2011 graduates:

Jacob Duff	Bille Lehmann	Darcy Schraufnagel
Annie Fiebig	Abby Leister	Dylan Thull
Isabel Hayward	Tristin Marx	Kam Thull
Alexandria Hayward	Erin Matusinec	Katelyn Verhaalen
Kendyl Hoss	Heather May	Courtney Volm
Jeremiah Jurss	Maura Roberts	

We also proudly recognize the KHS Valedictorians from 2003-2015 ~Fourteen of whom were graduates of Holy Trinity School and the 60 members of the National Honor Society whose educational roots came from Holy Trinity School.

Jodi Casetta, Principal

American Legion Auxiliary's Mission

The mission of the American Legion Auxiliary is as follows: "In the spirit of service, not self, the mission of the American Legion Auxiliary is to support the American Legion and to honor the sacrifice of those who serve by enhancing the lives of our veterans, military, and their families, both at home and abroad. For God and Country, we advocate for veterans, educate our citizens, mentor youth, and promote patriotism, good citizenship, peace and security."

In view of the above mission statement, it is our privilege to share with the community what our Kewaskum Unit 384 does to support this statement.

Donations are made to the following list: Camp American Legion, Wounded Warriors, Camo Quilts, Support Military Families Fund, National Auxiliary Emergency Fund, National Child Welfare Fund, USO, Fisher House, Scholarships, Creative Arts, Homeless Men & Women Assistance, Surgical Pillows, Children & Youth Assistance fund, Easter baskets for veterans, America's Vet Dogs, Trees From Home for Christmas, Christmas

Bags & Gift Shop, Music Therapy Program, and Veterans Affairs & Rehab Programs.

In addition to our donations, we sent Christmas cards to troops, hand-delivered more than 100 hand-written Thank You to Veterans in area rest and assisted living homes each year for veterans Day, sent Girl Scout cookies to the troops, sent 18 sets of handmade scarves and caps to the troops, (the scarves and caps were all made by several of our members) packages of favors and stamps are sent to King Veterans Home monthly, packages are sent to our local troops when deployed overseas. We also made 50 cool-ties and sent them to the troops and gave Hero Backpacks to children of deployed parents.

Our Auxiliary members tell the Poppy Story and promote the Poppy Poster Contest each year to seven area schools' second graders. We distribute poppies during Poppy Week and Veterans' Day and participate in the Memorial Day celebration by attending the parade, the program, and host the brat fry at the Legion.

We display more than

400 flags on our Post lawn — this is our Flag Garden. The flags are sold by members at \$2 each and are personalized with the purchaser's name. Anyone may purchase a flag to honor their country or someone special.

This Flag Garden is displayed on Memorial Day, Flag Day, July 4th, and Labor Day.

In addition to serving our military, we also serve our community. We donate the outside flags to the seven area schools as needed, school supplies and backpacks to the elementary schools.

We also donate 12 food baskets for needy families at Christmas and collect pop tabs from which the proceeds are sent to selected charitable organizations, such as Children's Hospital, Children's Burn Center, etc. We also participate in Legion fund raisers (pancake breakfasts, etc.), work the Legion food stand at the Washington County Fair, donate to and volunteer for the Salvation Army and sponsor Badger Girls State Representatives.

Our Kewaskum Unit is proud to serve our veterans, military, schools and community.

UW-WC Names Top Athletes

Top awards to UW-Washington County (UW-WC) student athletes were presented by Debbie Butschlick, athletic director, and Professor Roger Peterson, WCC faculty representative, at the May athletic banquet held in their honor.

The Robert B. Pick female athlete of the year award was awarded to Marisa Moser, Hubertus. Marisa was active on the volleyball and tennis teams at UW-WC. She was named to the Wisconsin Collegiate

Conference (WCC) First Team All-Conference and received the defensive specialist of the year award in volleyball.

The Pick award for the top male athlete of the year was presented to Evan Rathke, Fredonia. Rathke was named to the WCC First Team All-Conference in basketball.

The Tom Brigham Scholar Athlete award was presented to Frances Weiss, Menomonee Falls, who was on the tennis team for the past two years.

Student athletes named to the WCC Scholastic Honor Roll included: Joel Hoerchner (soccer); Katelyn Laatsch (basketball); Adrienne Leemon (volleyball); Evan Rathke (basketball); Melanie Strand (volleyball); Frances Weiss (tennis) and Zachary Young (tennis).

For more information about the athletic programs at UW-Washington County, contact Deb Butschlick, athletic director, at (262)-335-5238 or email debbie.butschlick@uwc.edu.

Top student athletes were recently named and honored at the annual athletic awards banquet at the University of Wisconsin-Washington County. The Tom Brigham Scholar Athlete award was presented to Frances Weiss, Menomonee Falls. Students named to the WCC Scholastic honor roll included: Joel Hoerchner (soccer); Katelyn Laatsch (basketball); Adrienne Leemon (volleyball); Evan Rathke (basketball); Melanie Strand (volleyball); Frances Weiss (tennis) and Zachary Young (tennis).

UW-WC Holds Commencement

—Over \$71,000 In Scholarships To Transferring Students

UW-Washington County (UW-WC) held its Commencement Ceremony on Thursday, May 21. The accomplishments of UW-WC students was the main focus, with the awarding of bachelor and associate degrees, over \$71,000 in scholarships to transferring students, and ten department awards.

The ceremony began with members of the Milwaukee Scottish Pipe Band leading a processional of faculty and students into the gymnasium. The color guard included Robert Buehler, Ken Onken, Donna Kleinmaus, John Kleinmaus and Mitch Bury. Bury is a UW-WC student veteran and he also presented the flags. UW-WC students, Hadassah Bonow, Lizzy Cantrall and Anna Cantrall sang the National Anthem. Dr. Peter Gibeau, UW-WC Music Professor, played the piano recessional.

The keynote speaker was David Stroik, President and CEO of Zimmerman Architectural Studios, Inc., Milwaukee, one of Wisconsin's oldest and largest architectural firms with commissions throughout Wisconsin and the Midwest. Stroik has done extensive area community work and has served as chairman of the South-eastern Wisconsin Regional Planning Commission for the past decade.

The student speaker was Mitch Bury, vice-president of the Student Veterans Club, Student Government Public Relations Officer, learning center tutor and a student representative on several committees. Bury is also the recipient of the UW Colleges' Lee Grugel Memorial Scholarship.

Alumnus of the year award was presented to Pete Rettler, Dean of Moraine Park Technical College in West Bend. Three UW-WC employees who are retiring, were recognized with service recognition awards, including Mech Johnson (Associate Professor, CSEPA), Ruth Maschmeier (Library Services Assistant) and Jean Rogers (Business Office Manager).

Scholarships were awarded to students who have completed their first two years of college studies at UW-WC and are now transferring to other institutions to complete their education, as well as students who are completing a bachelor degree through one of the collaborative programs offered at the campus.

UW-WC students from the area receiving scholarships included Casey Krakowski of Campbellsport, Howard Evans Memorial Scholarship, \$250; Marissa Osgood of Campbellsport, Musical Masquers, \$1,000;

Christa Theisen of Kewaskum, Curtis A. & Adele S. Col-lins Scholarship, \$2,500; and April Stern of Kewaskum, UW-Oshkosh, \$500, and West Bend Noon Rotary Club, \$1,500.

Departmental Awards

Departmental awards are given to one or more outstanding students in a particular discipline who have displayed keen insight, overall understanding and superior attitude. The nominations are received from each department's faculty.

Departmental award recipients from the area included: April Stern of Kewaskum - Chemistry; and Zachary Young of Fredonia - Physics.

An additional \$81,000 in scholarships will be awarded to new freshman and continuing UW-WC students at the Scholarship Awards Ceremony, on Tuesday, May 19. The substantial scholarship opportunities at UW-Washington County reflect the tremendous community support of local residents, civic groups and area businesses.

For more information about UW-Washington County, contact the Student Affairs office at 262-335-5201. UW-Washington County has a current enrollment of over 950 students and is located at 400 University Drive in West Bend.

Top student athletes were recently named and honored at the annual athletic awards banquet at the University of Wisconsin-Washington County. The Robert Pick female athlete of the year went to Marisa Moser of Hubertus (active on tennis and volleyball teams). Evan Rathke was named top male athlete of the year for his role on the basketball team.

EVERY HERO

HAS A STORY

Kewaskum Public Library Summer Reading Program

From June 8 - June 20, kids can sign up for the Kewaskum Public Library's summer reading program. The theme this year is "Every Hero Has a Story," so expect plenty of fun including visits from acrobats, musicians, and live animals.

During the summer program, kids from kindergarten through fifth grade will receive prizes for reading 100 pages each week. The program runs for six weeks and each week will bring a different prize as well as a free,

family-friendly program event.

Stop in the library and sign up. Get a free library card so you can start reading!

Full program event listings can be found at www.kewaskum.lib.wi.us or call 262-626-4312 for more details.

For preschool aged kids, there is a weekly storytime at 10:30 a.m. and 6:15 p.m. every Wednesday. Storytime is a walk-in event, with no pre-registration necessary.

This Kewaskum High School graduate was just making sure everything was legal with his diploma. Members of the Class of 2015 received their diplomas during the graduation ceremony on Sunday, June 7.

Tuesday, June 23 — Kewaskum's Party on the Pavement returns, 10 a.m.-11 p.m. A downtown festival with continuous live music, family activities, crafts, concessions and various vendors. The event is outside in the village parking lot, so come prepared for weather.

Wednesday, June 24 — Kids Need to Read Storytime at the Kewaskum Public Library, 10:30 a.m. and 6:15 p.m. No registration is necessary, just drop in.

Friday, June 26 — Circus Boy, acrobatics at the Annex Building, 11 a.m. This is part of the Kewaskum Public Library's summer reading program.

Friday, June 26 — Washington County Separated, Divorced and Widowed meeting at Holy Angels School in West Bend, 6:30 p.m. This will be a pot luck followed by a social/fun night. Bring a dish to pass, cards, board games and snacks. Ex-members welcome.

Saturday, June 27 — Southeastern Wisconsin Honor Flight Ride, starting at West Bend Harley-Davidson, 8:30 a.m. Poker run, raffle and auction prizes, free concert and pig roast at Jug's Hitching Post, rain or shine, all vehicles welcome. Proceeds benefit Stars and Stripes Honor Flight.

Saturday, June 27 — Dundee Mill Market Day. Mill tours from 9 a.m.-4 p.m., huge bake sale and craft sale under the pavilion, food and beverages for sale from 10 a.m.-4 p.m., music by Savanna Rose from 1 p.m.-3 p.m. Rain or shine.

An Upcoming Calendar of Events for the Northern Kettle Moraine State Forest...

Thursday, June 11 — Find Your Way with Map and Compass at the Ice Age Visitor Center, 6:30 p.m.-8:30 p.m. How did people find their way before GPS units? They used maps and compasses. Learn the skills to use an orienteering compass along with a topographic map, and then practice your new skills to find your path through the woods. This workshop is for people over the age of 10 years.

Saturday, June 13 — Saturday Morning Secret Finders at the picnic shelters at the Mauthe Lake and Long Lake recreation area, 10 a.m.-11 a.m. Calling all youth to discover secrets of nature by participating in the Wisconsin Explorers program! The program involves completing a required number of engaging nature activities in one of three age appropriate books (ages 3-5, ages 6-8, and ages 9+) to earn a very cool patch. Get help from a naturalist who will work with youth on activities from one of the first four topic areas of the books.

Saturday, June 13 — Alien Attack Drop In at the Beach at the Long Lake recreation area south beach, 1 p.m.-4 p.m. We're being invaded not by outer space aliens but by alien plants and animals. Uncover what foreign species are taking over our native communities and what can be done to help control their spread. You will have a chance to make several unique crafts including a smashed-plant bandanna. Bring your own bandanna or purchase one that day for a small fee. Everyone is invited to drop in for a few minutes or more than an hour for some nature fun. Adults are encouraged to participate with their children.

Saturday, June 13 — Wisconsin's Mighty Mussels Summer Sat-

urday Evening Event at the Ice Age Visitor Center, 6:30 p.m.-8:30 p.m. Warty purpleback, monkeyface, and creek heelsplitter sound like kids' nicknames, but they are just a few of Wisconsin's 51 species of mussels. Lisie Kitchel, DNR Conservation Biologist, will explain the truly intriguing life cycles of these clam-like animals (bivalves), which include finding host animals for their young, and share the fascinating roles play in our past and present economy. We may travel to a local river to go on a mussel hunt, so bring your water shoes. This program is most appropriate for people over of 8 years old. Sponsored by Friends of the Kettle Moraine.

Sunday, June 14 — Alien Attack Drop In at the Beach at the Mauthe Lake recreation area beach, 12 p.m.-3 p.m. We're being invaded not by outer space aliens but by alien plants and animals. Uncover what foreign species are taking over our native communities and what can be done to help control their spread. You will have a chance to make several unique crafts including a smashed-plant bandanna. Bring your own bandanna or purchase one that day for a small fee. Everyone is invited to drop in for a few minutes or more than an hour for some nature fun. Adults are encouraged to participate with their children.

Wednesday, June 17 — Get Outdoors Club paddling Mauthe Lake and the Milwaukee River, 7 a.m. Meet at the boat launch. Bring your own canoe or kayak.

Thursday, June 18 — A Tale of a Tree's Life Nature Storytime at the Ice Age Visitor Center, 6 p.m.-7 p.m. Join us as we spin a tale of a tree's life from seed to rotting log. We'll even head to the woods to visit the trees and find out their stories. This hour of nature fun awaits three to six year olds with accompanying adults.

Friday, June 19 — A Tale of a Tree's Life Nature Storytime at the Ice Age Visitor Center, 9:30 a.m.-10:30 a.m. Join us as we spin a tale of a tree's life from seed to rotting log. We'll even head to the woods to visit the trees and find out their stories. This hour of nature fun awaits three to six year olds with accompanying adults.

Saturday, June 20 — Saturday Morning Secret Finders at the picnic shelters at the Mauthe Lake and Long Lake recreation area, 10 a.m.-11 a.m. Calling all youth to discover secrets of nature by participating in the Wisconsin Explorers program! The program involves completing a required number of engaging nature activities in one of three age appropriate books (ages 3-5, ages 6-8, and ages 9+) to earn a very cool patch. Get help from a naturalist who will work with youth on activities from one of the first four topic areas of the books.

Saturday, June 20 — Marvelous Mammals Drop In at the Beach at the Mauthe Lake recreation area beach, 1 p.m.-4 p.m. What do humans have in common with bears, bats, mice, and deer? We're all mammals! Discover what characteristics mammals share and how they're adapted for survival. Everyone is invited to drop in for a few minutes or more than an hour for some nature fun. Adults are encouraged to participate with their children.

Saturday, June 20 — Twilight Paddle Summer Saturday Evening Event at the Mauthe Lake recreation area boat launch, 6:30 p.m.-8:30 p.m. Join us for an evening canoe trip around Mauthe Lake and up the Milwaukee River. As we paddle, we will keep our eyes and ears open for evening birds and other wildlife. To register, call (920) 533-8322 by June 19. Class limit is 24 to 30 people without canoe equipment. Basic canoe skills will be covered. No experience is necessary. In the event of threatening weather, the program will be canceled. This program is most appropriate for people over eight years old. Sponsored by the Friends of the Kettle Moraine.

Sunday, June 21 — Marvelous Mammals Drop In at the Beach at the Long Lake recreation area south beach, 12 p.m.-3 p.m. What do humans have in common with bears, bats, mice, and deer? We're all mammals! Discover what characteristics mammals share and how they're adapted for survival. Everyone is invited to drop in for a few minutes or more than an hour for some nature fun. Adults are encouraged to participate with their children.

For more information about the Northern Kettle Moraine State Forest or the upcoming naturalist programs, please contact the forest staff at the Ice Age Visitor Center at (920) 533-8322. The Henry S. Reuss Ice Age Visitor Center is located 1/2 mile west of Dundee off of Highway 67. The center is open seven days a week.

Members of the Kewaskum School District administrative team walk into the gymnasium at the beginning of the 2015 Kewaskum High School graduation ceremony on Sunday, June 7. Administrators and faculty wore black robes this year during the ceremony. Those in attendance like the change and thought it made everyone look sharp and many commented that they hope they continue to do this in the future.

4-H Trust Fund Scholarships Awarded

Eight Washington County youth will receive scholarships from the Washington County 4-H Trust Fund, made possible by donations from the Schlegel Foundation and the Thrivent Financial Fish Fry Fundraiser.

The following youth will receive a \$1,000 scholarship recognizing their outstanding contributions to their communities and to the Washington County 4-H program:

Memorial Scholarship, will attend St. Norbert College

Morgan Holl of Cedarburg, Michelle Hefter Award Scholarship, will attend UW-Oshkosh

KAYLA OELHAFEN

Shelly Zancanaro of West Bend, Shooting Sports Scholarship, will attend UW-Whitewater

ADRIANNA LUBNER

Adrianna Lubner of Campbellsport, will attend Moraine Park Technical College West Bend

Tiffany Miller of Cedarburg, Muriel Bast Memorial Scholarship, will attend UW-River Falls

Kayla Oelhafen of Allenton, attending UW-River Falls

Emily Schulz of Slinger, will attend Valparaiso University

ALEX DEAN

Alex Dean, a Kewaskum High School graduate, of Campbellsport will attend UW-Platteville

Dayle Duffek of Hartford, Cypher Family

About Washington County 4-H

4-H is a community of young people learning leadership, citizenship, and life skills. In Washington County, 4-H programs are implemented by the land grant university and the Cooperative Extension System through the Washington County UW-Extension Office.

Learn more about 4-H at <http://washington.uwex.edu/4-h-youth-development/>.

Rep. Jesse Kremer To Host Dual Purpose Meeting With Constituents

In 2014, Rep. Jesse Kremer and his supporters spent two days bicycling more than 80 miles through the entire 59th Assembly District.

This campaign event allowed then-candidate Kremer to stop and talk with constituents in a casual setting throughout Calumet, Fond du Lac, Sheboygan and Washington counties. Kremer will once again be bicycling through the district in what could eventually become an annual fundraiser and informal meet/greet for residents of the 59th.

Rep. Kremer has scheduled the 2015 "Ride the 59" for the weekend of June 13-14.

The ride will begin on Saturday, June 13, with the following schedule:

•12 p.m.-12:30 p.m. — Veterans Memorial at the Kiwanis Park (Van Buren/Hickory, New Holstein)

•1:45 p.m.-2:15 p.m. — Idlewild Inn (1306 Main Street, St. Cloud)

•3 p.m.-3:30 p.m. — Wade House State Park (intersection of Plank

Road/Center Road, Greenbush)

•4:30 p.m. — Dundee Mill Park behind the Hamburger Haus (N3059 State Road 67, Dundee)

•6 p.m. — Possible camping at Long Lake

The second day of the ride continues on Sunday, June 14, with the following schedule:

•11:30 p.m.-12 p.m. — Eden Community Center (US 45, East side of Eden)

•12:45 p.m.-1:15 p.m. — Firemen's Park (E. Main Street/N. Barton Road, Campbellsport)

•1:45 p.m.-2:15 p.m. — Gateway Cafe (1041 Fond du Lac Avenue, Kewaskum)

•3:30 p.m.-4 p.m. — American Legion (419 Railroad Street aka Cty. W, Allenton)

•5 p.m. — Centennial Park Rotary Gazebo (Hwy. 83/Hwy. 60)

Full "Ride the 59" details can be located at www.ridethe59.com.

Kremer represents portions of Calumet, Fond du Lac, Sheboygan and Washington Counties in the Wisconsin State Assembly.

This Washington County Sheriff's Deputy took some time out of his duties to play prisoner dodge ball with the kids from Club Cool at Farmington Elementary School on Thursday, June 4. There was a scare at the elementary school because of what looks like an email address that was hacked. Because of this, extra attention was paid to the school.

Tips On Avoiding Mistakes In A Kitchen Remodel

A kitchen indeed is the heart of the home and not just for cooking.

Typically, it's a hub of activity where kids do homework, friends congregate, and families bond. Having the appropriate form and function to accommodate busy living can be a challenge. No wonder kitchen updates are a popular request of remodelers.

But redesigning a kitchen is more than just adding an island, miles of countertops, or new cabinets. Russ Waters, designer at Wisconsin Kitchen Mart, which has provided award-winning design/build services since 1951, identifies some common kitchen problems that come up during a remodel and offers tips on how to remedy them for better form and function.

Poor work flow: The relationship of the existing appliances to the sink and counter space is one of the most seen problems. "Appliances and cooking practices have changed since houses were designed decades ago," Waters said. "Today we adhere to layout 'rules' we self-impose when re-designing the space."

Walkways too tight: Many kitchens are too small for an island or have islands that are way too big for the space. "A 42-inch minimum walkway should be adhered to in most cases," Waters said.

There are no convenience aids: Rollout trays, built in trash, mixer, and other appliance garages organize and create easy access. Tray partitions, drawer dividers, and spice racks make cooking and clean up easier. Age in place occupants will also be able to stay in their homes longer with these conveniences.

Style doesn't flow with the home: Architecture of the home should not be

ignored when selecting cabinetry style.

"A high tech glossy kitchen in a center entrance colonial in Whitefish Bay is bad form," Waters said. "That doesn't mean you cannot decorate with unique flair however. Just find a way to connect the structure of the kitchen with the structure of the house and then have some fun."

Bad venting: The exhaust hood over the burners does not remove odors and moisture. A properly sized vent fan should be planned for every kitchen and ducted to the exterior.

"Today's burners can be so powerful that they put out more BTU's than your furnace," Water said. "Along with that goes a great deal of steam and combustion moisture. That is a very destructive element in the home. Fish, onion, and garlic taste wonderful but don't go very well with morning coffee and cereal."

Bad lighting: There are three types of lighting that should be in a good kitchen design. Task lighting on the counters and appliances. General lighting for walkways and the overall area. Creative lighting to set mood, highlight art, and show off the products.

Trendy kitchen: To avoid being able to "date" the kitchen design, trendy or obvious decorating or styling features should be avoided. Elements of current trends and themes can easily be worked into classic kitchens.

Plenty of countertop space, in all the wrong spots: Ten feet of countertop away from the appliances does not help. Twelve inches of counter on each side of the burners is better than 24 inches on one side and none on the other. Putting burners next to a wall or refrigerator is not only a fire

hazard but doesn't allow you to turn a pan handle away from the other burners.

"You can easily overload counter space by having too many appliances share the same counter," Waters said. "Spread out the appliances that require countertop space to 'stage' at them."

Big eyes, small budget: I want, I want, but don't expect to pay is a common problem.

"An average kitchen has one premium product in the design," Waters said. "So if you select granite/quartz countertops don't expect a Sub Zero refrigerator. Also, the laundry room, powder room, and

connecting family rooms are projects of themselves. You cannot include these areas within a kitchen budget."

Tiny room, no storage: Even in very small kitchens, it is possible to find storage solutions.

"Many times we suggest a modified eating space to grab some needed real estate for cabinetry," Waters said. "If your small home has a kitchenette and dining room side by side, consider eliminating the wall between and making one large eat-in kitchen with a semi formal table in one area and snack counter in the working part of the kitchen."

The Kewaskum High School Class of 2015 celebrated their graduation on Sunday, June 7. It was a great day with everything going smoothly.

SPORTS

Debelak, Hanson Earn Sixth Place Medals

By Judy Harlow

The Kewaskum High track team did not come home from La Crosse empty handed on Saturday evening.

Juniors Ellie Debelak and Jason Hanson both earned medals for placing sixth in their events, Debelak in the open 400 meters and Hanson in the high jump. Kewaskum wound up with one point in the D-2 girls and boys competitions at the annual WIAA State Track and Field Meet.

KHS coach Jason Meinen was certain the experience was good for all four of the athletes who competed in the meet. They are all juniors. "We're hoping they keep working ... hoping we can bring some more next year," he said.

Debelak "ran really well on Friday," according to Meinen, who said first she had to run the 400 and turned in a time of (58.76), a personal best which earned her a spot in the final.

Later, she ran a 26.04 in the 200 prelims, "which was her best time but unfortunately didn't qualify for the finals.

In Saturday's finals, Debelak was clocked in 58.75. "She finished strong both days," Meinen said, explaining the athletes were running into a wind down the backstretch in the finals, and, "It affected (many of) their times."

Debelak's new personal mark is one second off the school record set by Amanda Donath in 2005. Donath went on to have a successful stint at UW-Oshkosh before transferring to Wisconsin where her career was cut short because of a knee injury.

Hanson cleared six feet, two inches to gain his place. "He was clean through six feet, two inches, which is why he reached the podium," Meinen said, explaining several others also made six feet, two inches, but had misses along the way to that height.

Meinen said Hanson's first try at six feet, four inches, was really good, with the bar just coming off at the end. The other two were not that close.

The winning height Saturday was six feet, six inches.

This was Hanson's second trip to state. A year ago, he made six feet, four

inches, but did not place.

Had Ben Watzig come up with the same throw he had in the sectional (155 feet), he would have been able to place sixth, but with state sometimes comes extra pressure, and the best he could do was 145.3", which he had on his first throw in Friday's competition. That put him in ninth overall.

"He had a nice first throw, which assured him of getting into finals," Meinen said about Watzig. "He just could not get the big one he needed.

Winning with a throw of 167.9" was Platteville's Ryan Weber.

High jumper Krystina Lepp, competing in the very first event of the meet on Friday, was only able to clear four feet, ten inches, and as a result finished 16th.

"I think she was a little caught up in whole experience," Meinen said, but, "It was a good accomplishment to get there."

The winner of the event was Martin Luther's Brooke Blazel, who cleared five feet, five inches, taking the top spot on misses over East Troy's Hope Schneider, who made the same height.

The Kewaskum High School baseball team is off to a good start this season. They are ready for their summer baseball schedule.

Late Rally Lifts Kewaskum To 4-3 Victory

By Judy Harlow

After losing their first three games of the season, the Kewaskum High baseball team went on a rampage, winning their next three, and only one was close.

"We had three good wins this week," KHS coach Doug Gonring said Sunday night referring to the 10-4 decision over Sheboygan Falls in the Eastern Wisconsin Conference opener June 2, followed by an 11-5 non-conference decision (June 4) over SWHSA (Waukesha County Home School Association) and finally a come-from-behind 4-3 decision over New Holstein, which gives the Indians a 2-0 record in EWC play.

Down 3-1 going into the bottom of the sixth, the Indians rallied for three runs to take the lead over the visiting Huskies.

"We had runners at first and second with one out," Gonring said, reporting he had Cole Suprenant at the plate and was tempted to have the freshman bunt, even calling for the bunt on the second pitch, which was fouled off.

Then Gonring re-considered and decided to let Suprenant hit away, reporting, "He gets up and he hits a triple to left field," scoring two to tie the game at 3-3. Next up was the number nine hitter, Dylan May, and Gonring calls for the suicide squeeze. May succeeded in dropping the bunt down, scoring Suprenant.

"Boy everything worked," Gonring said.

Then starting pitcher Michael Prochnow got two ground ball outs and a fly out in the seventh to end the game.

"Mike Prochnow threw 83 pitches, and 63 of them were strikes," the coach said about his junior right-hander, who improved to 2-1.

While the pitching was good and the hitting OK, Gonring said, "I'd like to be a bit cleaner in the infield."

The Indians, now 3-3, were on a collision course with unbeaten Plymouth for a June 9 date at Kiwanis Park, but Gonring said first the team has to think about the game at Kiel. "You win at Kiel and then you worry about Plymouth."

Kewaskum 11, SWHSA 5

The Saints scored two runs in the top of the first, but the Indians came back with four and never looked back. They had 13 hits, including four by Hunter Demmon, three by Prochnow and two by Bille Lehmann and Matt Hetebrueg. Prochnow contributed three runs batted in (RBIs).

May picked up the victory, pitching three innings, giving up one hit and four runs.

Kewaskum 10, Sheboygan Falls

Prochnow entered the Eastern Wisconsin Conference opener with an 0x7 batting average and no pitching victories. He left with his first win of the year, after limiting the host Falcons to just three hits, and he had two base hits, including a key single in the Indians' 9-run, third inning.

Prochnow struck out four and walked one in an impressive four-inning effort on the mound. Hunter Demmon pitching the fifth and sixth frames, giving up three runs on three hits and a pair of walks. Andy

Neu finished up the final inning, giving up one run on no hits and four walks. He struck out two.

The Indians knocked Falls' starter, Ross Kirst, out of the game in the third after putting together RBI singles by Dean Schlice, Cole Suprenant (2 runs), Lehmann and Prochnow. The rally started with an error and a passed ball and ended with a passed ball.

Hartford 3, Kewaskum 1

On Monday, June 1 at Hartford, Kewaskum managed just two hits, singles by Dylan May and Bille Lehmann, in a 3-1 loss to the Orioles, who scheduled a last-minute game with the Indians before they started the spring baseball tournament. It was Kewaskum's only loss of the week.

Once again, Gonring pitched by committee, giving May three innings on the mound and using Jerod Krueger, Neu and Suprenant in relief.

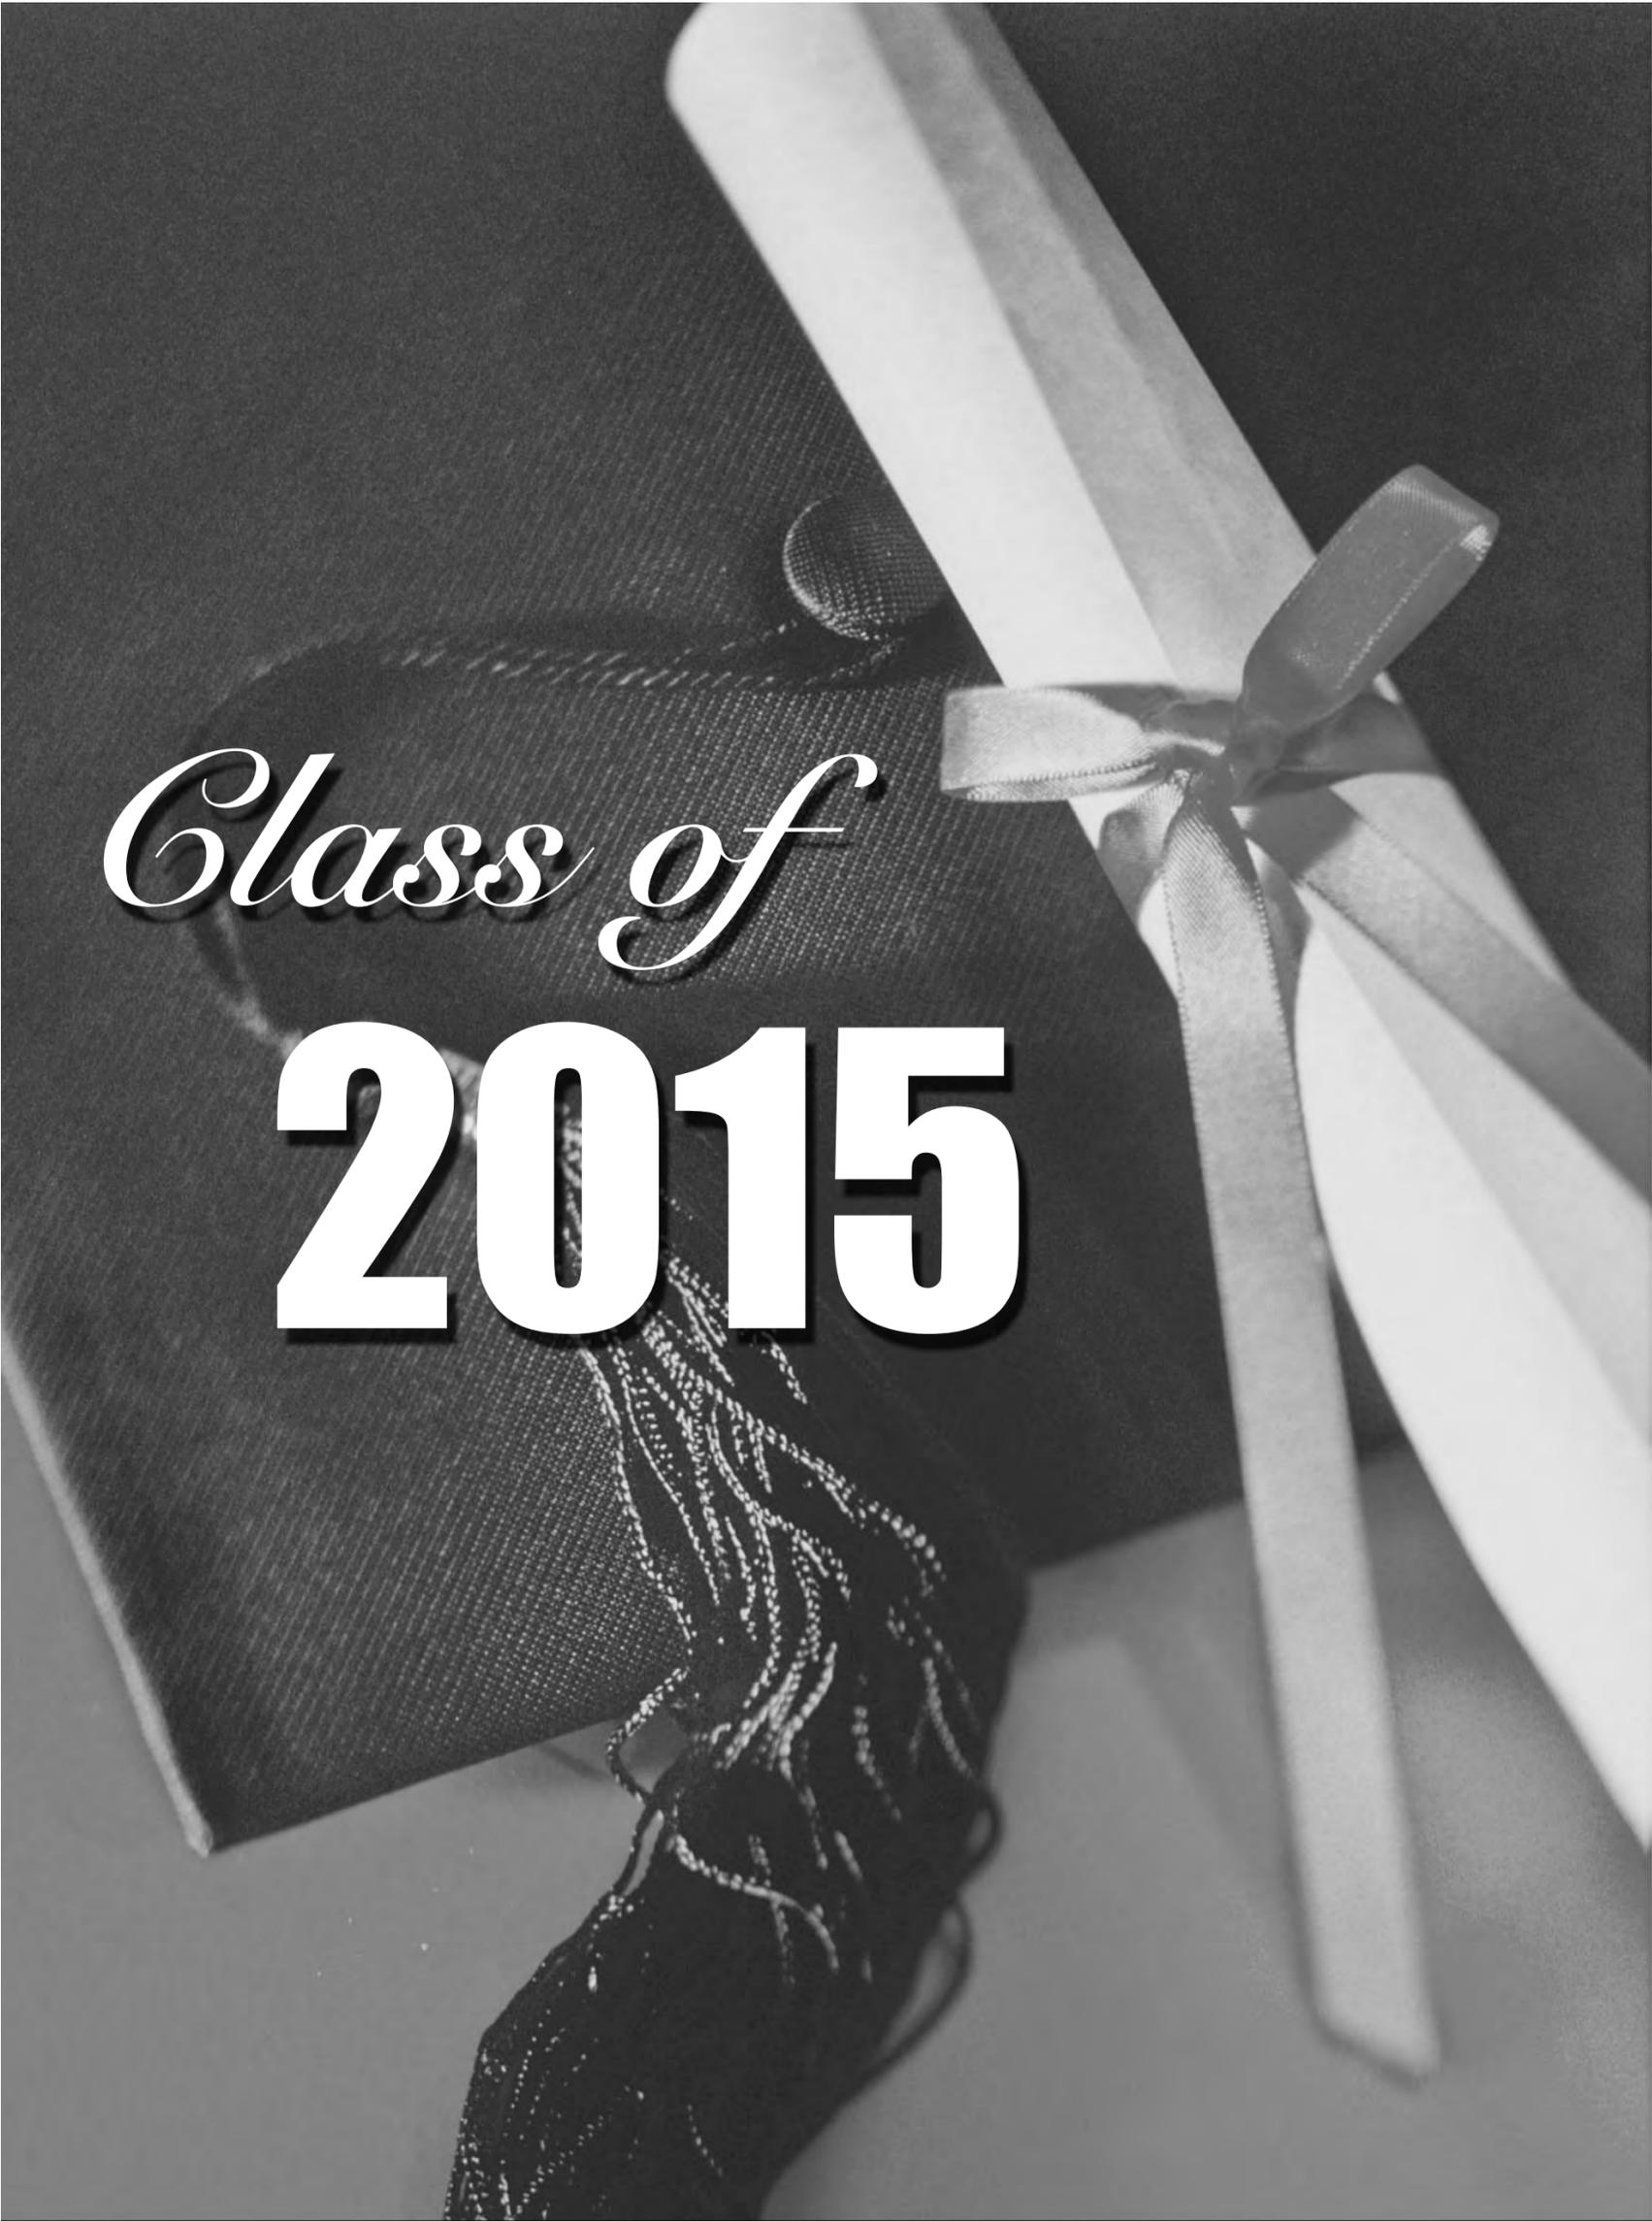

Hartford had just five hits, including two by Matt Finley, who drove in the lone earned run in the third.

Kyle Toth shot his first turkey during the youth turkey hunt in April. The turkey was 22½ pounds with two beards measuring 9½ inches each and one-inch spurs.

Gosse Heaps Praise On KHS Fast-pitch Players

By Judy Harlow

The Kewaskum fast-pitch "family," including players, coaches, parents and siblings, had a whole lot to celebrate last Friday at its annual banquet ... namely the Indians' 21-win season, an impressive 12-2 record in the Eastern Wisconsin Conference, taking the title in the Weyauwega-Freemont Tournament, and most recently, having eight girls receive recognition in the all-EWC balloting.

"This was a school record for wins," KHS coach Jeff Gosse said, referring to the new mark of 21, noting the old one had been 17 or 18. He praised the girls for their leadership, their willingness to work and their efforts in the classroom — together team members had a 3.80 grade point average.

Gosse said the all-conference balloting took place June 3, with six Indians on the first or second team and two others receiving honorable mention.

The first-team selectees included pitcher Brea Trepes, catcher Britney Williams, outfielders Lindsay Winkler and Abbey Weinert and infielder McKenzie Rosenthal. Infielder Melanie Juech was voted on the second team, while Kenzie Lehn (infielder) and Emma Debelak earned honorable mention.

This is the second year Trepes has been named to the first team. Not only did she finish as one of the

EWC's top pitchers with her 12-2 conference mark, she is also a power hitter at the plate, with four home runs, three triples and five doubles, helping her to a .506 batting average.

Trepes worked 77 innings, giving up 55 hits, and 28 earned runs for an ERA of 2.55. She struck out 83 and walked 21.

Weinert, who is affectionately known as "Smurf," is also a repeat all-conference player. She batted a crisp .436 with one home run, four triples and eight doubles. Weinert's parents are building a home in Slinger so next year she will be going to Slinger High.

Rosenthal, a four-year starter who starred at third base, had been honored for the past three seasons but this was her first time on the first team. She batted .429, with seven extra base hits, including five dingers and two doubles.

Winkler was a first team pick as a sophomore, and her .411 batting average, earned her a spot on top squad again this spring. She had four homers and an equal amount of doubles.

Williams batted .458 with one home run, one triple and one double. She was also solid behind the plate.

Gosse praised Juech for the transition she made from catching to playing shortstop where she did a stellar job. She batted .333, with one home run, a triple and a double.

Assistant coach Ron Trepes announced the

team made improvements in more than a dozen categories. He said the varsity batting average improved from .342 to .390; the girls scored 48 more runs this spring, had 62 more hits, struck out fewer times, and the home runs went up from five to 19.

As has been the case the past several years, there were no individual awards given out. The underclassmen presented the seniors with picture collages from this year's games, and they received monogram blankets.

Gosse closed by saying, "Summer league starts next week" in preparation for a successful 2016 season.

Fifteen girls received letters, including: seniors — Rosenthal, Maddie Kreis, Juech, Winkler, Maura Roberts; juniors — Maddy Lehmann and Laura Weishan; sophomores — Weinert, Kenzie Lehn, Williams, Trepes, Jenna Koglin and Plachinski; and freshmen — Debelak and Skylar Donath. Also honored was sophomore Samantha Brown, who missed the entire season with a knee injury.

Coach Art Gerhardt introduced the 16 JV players, including Peyton Airaudi, Kelsey Herriges, Cassidy Lange, Mikaela Leitheiser, Haley Plachinski, Hannah Preder, Liz Kulik, Madison Rafter, Sydney Rosenthal, Melissa Schneider, Shanelle Van Loo, Taylor Cook, Skylar Donath, Sydney Donath, Megan Marx, Amanda Schaller, and Stephanie Schneider.

"Our goal on the JV team was to get better every practice, every game," Gerhardt said, and he felt the team did that until the middle of May "when the girls kind of ran out of gas." The JVs still finished with a mark of 12-8, including an 8-2 in the EWC where Kiel and Two Rivers did not field JV teams.

Emma Debelak slides safely into third base during a regional game against Mayville on Thursday, May 28. The Indians had a great season and made it to the regional finals before ending their year.

TAKING CALLS 7 DAYS A WEEK

Soccer Season Ends Too Soon For Indians

By Judy Harlow

A number three seed, Cambridge-Deerfield, vs. a number six, Kewaskum, a piece of cake for Number three?

Hardly, as the Demons found out last Thursday night when the Indians played inspired soccer in the second half against their higher-rated opponents, only to fall a bit short, losing 4-3.

The situation looked grim for the Indians in the early going, as the hosts put in their first goal at 5:37 and added another at 34:51 for a 2-0 halftime advantage.

"They put us back on our heels for most of the first half," KHS coach Luke Piwoni said Sunday about the D-2 regional. "We were out of sync and could not get anything going."

With some position changes, the situation got a lot better in the second half, still the Demons scored another goal at 62:49 for a 3-0 lead.

Game over? Not on your life, as the Indians moved Molly Schulteis up to mid-field, Jerary Riffel to striker and Kaila Kirst up to forward, and it paid off almost

immediately as Riffel was able to break through for the first goal at about 73:51.

Three minutes later, at 77:07, "Schulteis scored on an amazing header off a corner kick by Jeray. It was awesome," Piwoni said. The score was now 3-2.

Kewaskum kept pushing, perhaps a little bit too hard, as C-D scored when the Indians midfielders "got stuck too far up the field and were unable to get back to support the defense," according to Piwoni, who said this made the score 4-2 with 10 minutes remaining.

The Indians came back and continued to put pressure on C-D, according to Piwoni, who said Riffel scored again on "a perfectly placed direct kick that was just over the goalie's hand and under the crossbar."

KHS had a couple late opportunities but ran out of time.

"I cannot say enough about the effort the girls put forth. To see them mount a comeback of that caliber at that stage in the game shows they never give up. I am very proud of

them," Piwoni said. "They left everything they had on that field. It is a tough loss for the seniors to go out on, but they can hold their heads up high knowing they gave it their all."

Kewaskum finished the year with a 6-15-2 mark.

The Indians had the same hard luck on Tuesday, losing its regular-season finale to third place New Holstein by a score of 4-2. The Indians played well enough to win, but fell short in the end, giving up a pair of second-half goals to the Huskies.

KHS scored first, just 5:20 into the first half on a goal by Abbey Hardy on an assist by Jeray Riffel.

New Holstein scored three minutes and six minutes later and took a 2-1 lead into the half.

Riffel closed the gap to just one with her unassisted goal at 57:31, but the Indians failed to score again.

Courtney Aker was credited with nine saves in goal.

Kewaskum finished the EWC at 2-8-2, putting them in sixth place, Sheboygan Falls won the title with an 8-1-2 record.

photo by Dan Miller

Miscues Are Costly For KHS Golfers

By Judy Harlow

The number one and two men, Sam Schlosser and Sean Murray, were right around their season averages, but the rest of the Kewaskum High golfers certainly struggled in the D-2 sectional hosted by Sheboygan Falls on The Bull at Pinehurst Farms on June 2.

The Indians came in with a four-man total of 366, 32 shots higher than what they shot in the regional at Camelot the week before. Yes, the Bull is a more difficult course, but still not by that big of a margin.

Host Sheboygan Falls and Waukesha Catholic Memorial finished 1-2 to advance to the WIAA D-2 State Golf Tournament at University Ridge Golf Course in Verona (played on June 8-9).

KHS coach Glenn

Eichstedt knew it would be very difficult for his Indians to overtake Falls and Memorial, but he felt Schlosser or Murray or both had good chances to move on by being one of the top three individuals not from the qualifying teams.

Both young men tied for eighth place with five others at 84, Schlosser with a pretty consistent 43-41 but Murray with a 10-over par 46 on the front and a much better 2-over-par 38 on the back.

It took a score of 81 to make the state field as an individual. One of the three was senior Jack Adams of Campbellsport, who carded a 41-39—80.

"It turns out 81 would have made it" Eichstedt said, noting Schlosser and Murray "messed it up on two holes," with Murray going into hazards on number eight and nine and

Schlosser struggling on the par fives, posting a seven and an eight. "Otherwise, they played fairly steadily."

What really hurt the team was Andrew Otto having an off day, coming in with a 99.

James Banks was the other KHS counter. He started with a 53 and came back with a 46 for a 99, while Jordan Carlton was far back with a 52-54—106.

"Looking at the big picture, in our nine tournaments, we improved our scores and places in every one of them," Eichstedt said, indicating the team will still need to find a fourth man if 2016 will produce better than this season's fifth in the conference. Next year, the Indians will be switching to the Eastern Central Conference, after 35 years in the Eastern Wisconsin.

Indian Shooters Were Right On Target

By Judy Harlow

Led by freshmen Jake Moser and Hannah Antonia, the Kewaskum High trap team had a very successful spring, leading to a second place finish in the South Division of the Kettle Moraine Conference and a third place overall, including the North and the South.

According to head coach Brian Taylor, Kewaskum finished 7-2 against other South teams, tying for first place with Hartford, but losing the top spot on the basis of overall points, 19.5 to 18.5.

In the 17-team conference shoot, Hartford finished first with a score of 484, while Berlin was second at 479, one point ahead of Kewaskum. In that meet, the sharpshooting Moser was one point away from being perfect, hitting 99 out of 100 birds. Next came Antonia with 95, freshman Robbie Walls at 95, Kaitlyn Valley, 94; Tracy Thiemer, 93; and Melissa Taylor, 93.

For his efforts in the conference shoot, Moser earned first-team all conference honors for the boys, and three of the Kewaskum girls, Antoni, Valley and Taylor, were first team all conference in the girls' division, while Serena Vetter made the second team with her 91 of 100 effort in the final meet.

Moser and Antonia were also named to the South all conference team for their efforts during the season, meaning they were among the top 25 in their divisions. This is pretty impressive effort, con-

sidering there were approximately 520 males shooters and 90 female shooters.

Moser finished eighth overall (502 out of 550) while Justin Limberg was 21st. In the women's competition, Antonia was the overall winner (497 out of 550), while Taylor finished fifth, Valley 11th, Vetter 13th and Jamie Taylor, 14th.

Those earning first letters this year included: Jacob Alexander, Antonia, Travis Bolt, Ben Gonnering, Brad Hamm, Austin

Heberer, Nick Hetebrueg, Tony Leister, Jacob Loehr, Blake Lorenz, Conner MacFarlan, Moser, Cody Oelhafen, Brandon Schuetz, Scott Steger, Jack Taylor, Jamie Taylor, Theimer, Valley, and Robbie Walls.

Repeat letters went to Nick Beine, Jack Felton, Ben Grager, Jeremiah Jurss, Limberg, Trevor Melzer, Cole Schiebel, Melissa Taylor, Vetter and Gatlin Volm.

The Kewaskum JV team placed fourth in the South Division with a record of 5-

4 and fourth overall with 423 points, one point behind Oshkosh.

Beine led the JVs, hitting 91 of 100 targets in the conference shoot. For his efforts, he was named to the all-conference JV team.

The Most Improved award went to Caleb DeYoung, who went from a score of 12 out of 50 to a high of 37, while Connor MacFarlan was named Rookie of the Year. He shot for the varsity three times and came up with a 50 vs. Mayville.

Members of the Kewaskum High School trap team participate in a shoot earlier this season.

Wisconsin Turkey Management Plan Now Available

The Wisconsin Wild Turkey Management Plan, a product of coordination between the Wisconsin Department of Natural Resources, key stakeholder groups and the public, is now final and available on the department's website.

People can view an electronic copy of the plan by searching the DNR website, dnr.wi.gov, for keywords "turkey management." Hard copies will be made available upon request and free of charge later this summer at DNR offices statewide.

"The restoration of turkeys to Wisconsin's landscape is one of our greatest wildlife success stories, and the responsible management of the species is a goal shared by biologists, hunters and the general public," said DNR upland wildlife ecologist Scott Walter. "This plan will serve as a wonderful resource for all aspects of the turkey management program, and we

are very proud of the final product."

The Wild Turkey Management Plan will guide decisions regarding the allocation of turkey permits, the structure of our spring and fall hunting seasons, the use of Wild Turkey Stamp funds, and many other aspects of turkey management in the state through 2025. The current plan reflects recent scientific research and changes in turkey distribution and hunting tradition.

The management plan was guided in part by input received at 12 meetings held statewide in April and May 2012, as well as an online survey available during the same time period.

The department would like to thank those who provided public comments, as well as the organizations with representatives serving on the DNR Turkey Advisory Committee, including:

- Great Lakes Indian

- Fish & Wildlife Commission;
- National Wild Turkey Federation;
- Wisconsin Bowhunters Association;
- Wisconsin Conservation Congress;
- Wisconsin Wildlife Federation;
- United States Army - Fort McCoy;
- United States Forest Service; and
- The Nature Conservancy.

"The plan is a great read for anybody interested in how we manage turkeys in Wisconsin," said DNR assistant upland wildlife ecologist Krista McGinley. "The contributions we received from stakeholders and the public were invaluable as we developed this revised management plan."

For more information regarding wild turkey management in Wisconsin, search the DNR website, dnr.wi.gov, for keywords "turkey management."

Entries Sought For Wisconsin Wild Turkey, Pheasant, And Waterfowl Stamp Design Contests

Wisconsin artists will have until July 24 to submit artwork for the 2016 wild turkey, pheasant and waterfowl stamp design contests. Funds derived from the sale of these stamps will contribute to the restoration and management of thousands of acres of important wildlife habitat.

The top three entries for each stamp will be displayed at the Wisconsin State Fair. With contest finalists on display, thousands of visitors will help increase visibility for both the artists and the stamp programs' positive impacts on Wisconsin's wildlife.

Visitation during the 11-day state fair is close to one million people, with around 120,000 visitors to the DNR Park annually.

Stamp design entries must be received or post-marked by July 24, 2015 in order to be eligible. Judging will take place in a closed session on July 31. Following judging, the top three entries for each stamp will be displayed in the Natural Resources Park at the Wisconsin State Fair and available for public viewing from August 6-16. For rules, entry information, and Reproduction Rights Agreements, visit dnr.wi.gov

and search keywords "wildlife stamps."

Those who visit DNR Park will be the first to get a "sneak peek" at design winners for the 2016 wild turkey, pheasant, and waterfowl stamps. Department staff will be on hand to discuss the history and accomplishments of each program, as well as the central role that wildlife art has played in Wisconsin's habitat conservation efforts.

All stamp contest applicants should review contest rules carefully to ensure the eligibility of their entries. Artwork must meet technical requirements in order to

June Is Officially 'Great Outdoors Month' In Wisconsin

The month of June is officially Great Outdoors Month in Wisconsin, under a proclamation signed by Gov. Scott Walker.

"Great Outdoors Month is an opportunity to celebrate and experience the many outdoor activities Wisconsin has to offer and to renew our commitment to conserving our air, water and land," according to the proclamation.

The President and all 50 state governors were asked to issue similar proclamations, according to the American Recreation Coalition, which is coordinating the effort to garner similar support this year to highlight the benefits of active fun outdoors and the shared resources of forests, parks, refuges and other public lands and waters.

The coalition is encouraging people to take part in a variety of events and activities that take place in June, including National Trails Day, June 6; National Fishing and Boating Week, June 6-14; National Marina Day, June 13, National Get Outdoors Day, June 13; Great Outdoors Month National Day of Service, June 19; and the Great American Camp-out, June 27.

"Wisconsin's vast natural and cultural resources provide citizens and visitors opportunities to hike, bike, fish, camp, swim, learn about nature, and enjoy numerous other outdoor activities on public and private lands, in urban green spaces, and suburban backyards," Governor Walker's proclamation

states.

In Wisconsin there will also be a celebration of the 50th anniversary on the Rails to Trails program in Wisconsin on National Trails Day, which is also the first day of Free Fun Weekend in Wisconsin, June 6 & 7, when state park admission stickers and trail passes, fishing licenses and out of state all-terrain vehicle trail passes are waived.

Great Outdoors Month was first acknowledged by the White House in 1997, and has received presidential recognition annually since 2004. It highlights the benefits of outdoor activity and focuses attention on our natural resources, including parks, forests and other public lands and waters.

"Big Bertha," a large ominous rain cloud, gets ready to let loose during the girls 1,600-meter run at the regional track meet in Kewaskum on Tuesday, May 26. The weather was nice until that dark cloud came over and rain poured down during the meet.

**VILLAGE OF KEWASKUM
Village Board Meeting
April 20, 2015
7:00 p.m.**

The Kewaskum Village Board, Washington County, Wisconsin, met in regular session in the Council Room of the Municipal Building, 204 First Street.

President Andy Pesch presided and called the meeting to order at 7:00 p.m. Board members present were Richard Laubach, Dave Zehren, Andy Pesch, Dave Spenner, Kevin Scheunemann and Jim Hovland. Richard Knoebel was excused and absent. Staff members present were Matt Heiser, Mark Groeschel, Thomas Bishop, Dennis Aupperle and Stephanie Justmann. Members from the community and the news media were also present.

Notice of the meeting had been posted at the PNC Bank, Kewaskum Post Office and at the Municipal Building on April 15, 2015. Notice was also forwarded to the Village Board, Village Attorney, Village Engineer and the News Media.

The meeting was opened with a Moment of Silence and Pledge of Allegiance.

Motion by David Spenner to approve the minutes from the April 6, 2015 meeting with corrections, second by Kevin Scheunemann. Voice vote, motion carried.

President Pesch opened the public hearing on the Class "B" Retail Fermented Malt Beverage and "Class B" Retail Intoxicating Liquor License to Eleazar Martinez, for Limping Coyote Mexican Grill, 109 Main Street, Kewaskum for the period of May 1, 2015 to June 30, 2015. No public comments were received.

Motion by Jim Hovland to close the Public Hearing, second by David Spenner and carried by roll call vote. Laubach-aye, Knoebel-absent, Zehren-aye, Pesch-aye, Spenner-aye, Scheunemann-aye, Hovland-aye (6-0-1)

Appearance of citizen was Paul Sebo to address the Board on a proposed ordinance change to include the keeping of urban backyard chickens. The definition would be a female hen of any age, including chicks. This definition does not include other kinds of fowl including but not limited to ducks, quail, pheasant, geese, turkeys, guinea hens, peacocks, emus, or ostriches. Paul Sebo's analysis covered the number of birds permitted per household, regulation of roosters, permits and fees required, chicken enclosures, nuisance clauses related to chickens, slaughtering restrictions and coop distance restrictions in relation to homes or property lines. Motion by Dave Zehren to refer the ordinance change to be reviewed by the Plan Commission, second by Jim Hovland. Voice vote, motion carried. (Andy Pesch recorded as nay)

Motion by Dave Zehren to suspend the rules and bring up item "A" under New Business and item "E" under Unfinished Business, second by Kevin Scheunemann and carried by roll call vote. Laubach-aye, Knoebel-absent, Zehren-aye, Pesch-aye, Spenner-aye, Scheunemann-aye, Hovland-aye (6-0-1)

James Mann from Ehlers Associates was on hand to report on the General Obligation Refunding Bond sale. An advanced refunding can only be done once on an issue

and this refinancing will not be callable until 2023. Overall the sale to Bankers' Bank and interest rate of 2.42% was favorable for the village. Motion by Kevin Scheunemann to adopt Resolution #2015-05 Resolution Authorizing the Issuance and Sale of Approximately \$7,055,000 General Obligation Refunding Bonds, Series 2015A, second by Jim Hovland and carried by roll call vote. Laubach-aye, Knoebel-absent, Zehren-aye, Pesch-aye, Spenner-aye, Scheunemann-aye, Hovland-aye (6-0-1) (Vol. R4, pgs. 1520-1562)

The Board discussed the Continuing Disclosure contract with Ehlers. The indemnify clause holding harmless Ehlers against any damages, costs or other liabilities was discussed. The cost of \$3,300 covers four Continuing Disclosure Undertakings (CDU's). Staff recommendation was to contract with Ehlers based on the technical requirements expected from the Securities and Exchange Commission. Motion by Kevin Scheunemann to approve the contract for Continuing Disclosure with Ehlers Associates, second by David Spenner. Voice vote, motion carried.

Fire Chief Mark Groeschel reported on the ISO Rating for 2015. The Village of Kewaskum has a 4 rating, which is the same as the rating done in 2002. The ISO rating is based on 1 as the best and 10 as the worst. The surrounding towns covered under the Kewaskum Fire Department area has a rating of 6/10, which is an improvement from a 10 rating in 2002.

Police Chief Thomas Bishop, presented the March 2015 report:

Dennis Aupperle, DPW Working Foreman, gave the DPW report.

1. Patching of pot holes was completed.

2. Riverhill Park was cleaned-up and the large shelter roof were repaired.

3. The concrete pier at the Kiwanis Pool was caulked.

4. Catch basins were cleaned out with the Vac Truck.

5. A leaking water service and hydrant were also repaired.

Administrator Heiser:
1. Reported Jefferson County will be withdrawing from the Mid-Wisconsin Federated Library System.

2. Reported the Sump Pump Ordinance will be enforced due to amount of clear water entering the sanitary sewer system. The current ordinance prohibits a sump pump from being directly connected to the sanitary sewer system. The Waste Water crew is investigating other possible reason for the infiltration of clear water. In some

cases houses built in the 1950's and 1960's have the drain tile directly hooked-up to the sanitary sewer system. Motion by David Spenner to have under Old Business an action plan addressing the clear water infiltration into the sanitary sewer system, second by Jim Hovland. Voice vote, motion carried.

3. Recommendation by the Board was to include a property maintenance report to the upcoming agendas.

Clerk Stephanie Justmann reported on the April 7, 2015 Spring Election. The election workers were James Westphal, James Wilmot, Barb Fishbaugher, Kathleen Paul, Steve Baker, Lavern Geidel, Karen Schaub, Patrick McFadden, Karen Kleinke and Darlene Walls. There were 616 voters and no incidents were reported. The newly elected President is Kevin Scheunemann and Trustees are David Spenner, James Hovland and James Wright. The Oath of Office has been administered.

In the absence of Treasurer Knops, Administrator Heiser reported \$192.00 in Fireworks Donations has been collected.

Richard Laubach, Chairperson for the Public Works and Public Services reported interviews for the Waste Water Lab Technician was conducted at the April 16, 2015 meeting. A recommendation will be made during the upcoming agenda item.

Jim Hovland, representative for the Plan Commission announced the next meeting is scheduled for April 28, 2015.

Dave Zehren, Chairman for the Park and Recreation Committee reported at the April 20, 2015 Burbach Aquatics provided a proposal to have a feasibility study completed for the Kiwanis Pool. The proposal will be an agenda item on the May 18, 2015 Village Board meeting.

Dave Spenner, representative for the Library Board reported the Library Board is very active and involved due to the direction of the Library Director, Steve Baker. Steve Baker provided the Kewaskum Public Library 2014 Annual Report. The Library is a Grade 2 Library because it serves a population less than 5,999 of the three county area of Dodge, Jefferson and Washington. Funding is provided by 52% from the village, 39% Washington County, 8% other counties and 1% from the State of Wisconsin. There were 72, 850 items checked out, 6,527 Wi-Fi connections, 115 public programs hosted and currently there is 3,700 library cards issued.

Jim Hovland, representative for Mid-Moraine reported on the April 8, 2015 meeting. There was a planning session on topics for upcoming meetings.

Motion by Kevin Scheunemann to approve the closing of Railroad Street from Main Street to First Street and the closing of First Street from Railroad Street to Fond du Lac Avenue for the June 23, 2015 Kewaskum Chamber of Commerce Party on the Pavement, second by Dave Zehren. Voice vote, motion carried.

Motion by Jim Hovland to approve the 2015 summer part-time employees for the Kiwanis Pool, DPW and Saturday morning DPW yard, second by Kevin Scheunemann. Voice vote, motion carried.

Fire Chief Mark Groeschel reported on the recommendation to purchase 13 sets of EMS gear that will need authorization to exceed the \$2500 budgetary threshold. The 13 sets of EMS gear will free up the firefighting gear assigned to the EMS crew. This gear can then be assigned to new firefighting members. There was discussion if the EMS gear will provide as good of protection as the firefighting gear in the EMS working environment. Motion by Kevin Scheunemann to approve the authorization to exceed \$2500 to purchase EMS equipment, second by Andy Pesch and carried by roll call vote. Laubach-aye, Knoebel-absent, Zehren-aye, Spenner-aye, Scheunemann-aye, Hovland-aye (5-1-1)

Motion by Kevin Scheunemann to grant the license for a Class "B" Retail Fermented Malt Beverage and "Class B" Retail Intoxicating Liquor License to Eleazar Martinez, for Limping Coyote Mexican Grill, 109 Main Street, Kewaskum for the period of May 1, 2015 to June 30, 2015, second by Jim Hovland and carried by roll call vote. Laubach-aye, Knoebel-absent, Zehren-aye, Pesch-aye, Spenner-aye, Scheunemann-aye, Hovland-aye (6-0-1)

Richard Laubach reported the Public Works and Public Safety recommended Cody Kerr to be hired for the Wastewater Lab Technician position. Motion by David Spenner to offer the Wastewater Lab Technician position to Cody Kerr contingent on a background check, physical and drug test, second by Kevin Scheunemann and carried by roll call vote. Laubach-aye, Knoebel-absent, Zehren-aye, Pesch-aye, Spenner-aye, Scheunemann-aye, Hovland-aye (6-0-1)

Motion by David Spenner to allow the replacing of a memorial tree at the Kiwanis Park, second by Richard Laubach. Voice vote, motion carried.

Public comment:
Dave Goedon, 559 Deer Wood Lane, Campbellsport. Dave Goedon would like to be placed on the Park and Recreation Committee meeting agenda to discuss ways for volunteers to make improvements on the ball diamonds at Kiwanis Park.

Motion by Kevin Scheunemann to adjourn into Closed Session at 8:45 p.m., pursuant to Section 19.85 (1) (e) Wis. Stats. deliberating or negotiating the purchasing of public properties, the investing of public funds, or conducting other specified public business, whenever competitive or bargaining reasons require a closed session authorized by sec. 19.85(1)(e), Wis. Stats. Specifically to be discussed are the terms of the TID#2 Development Agreement. The Closed Session will be attended by the Village Board, Administrator, Kilo Tango's Attorney and Clerk, second by Jim Hovland and carried by roll call vote. Laubach-aye, Knoebel-absent, Zehren-aye, Pesch-aye, Spenner-aye, Scheunemann-aye, Hovland-aye. (6-0-1)

The Village Board convened back into Open Session at 9:20 p.m.

Motion by Jim Hovland to accept the revised TID #2 Developer's Performance Agreement between the Village of Kewaskum and Kilo Tango, LLC contingent on the purchase

of the parcel effective until August 31, 2015, second by Kevin Scheunemann and carried by roll call vote. Laubach-aye, Knoebel-absent, Zehren-aye, Pesch-aye, Spenner-aye, Scheunemann-aye, Hovland-aye. (6-0-1)

Motion by Kevin Scheunemann to adjourn at 9:25 p.m., second by Richard Laubach and carried by roll call vote. Laubach-aye, Knoebel-absent, Zehren-aye, Pesch-aye, Spenner-aye, Scheunemann-aye, Hovland-aye. (6-0-1)

**VILLAGE OF KEWASKUM
NOTICE OF
PUBLIC HEARING**

Notice is hereby given that the Plan Commission of the Village of Kewaskum, Washington County, Wisconsin, will conduct a public hearing at 7:00 p.m., or shortly thereafter on Monday, June 29, 2015, in the Council Room of the Municipal Building, 204 First Street.

The public hearing will be on the request of:

Tim and Ashley Jacobson for approval of a Certified Survey Map to join lots 11 and 12 in the Kettle Country Estates. Properties are located at 820 Esker Circle (V4-0533-011) and 830 Esker Circle (V4-0533-012). The current zoning of the properties are RS-1 Single-Family Residential District.

All interested persons will be given an opportunity to be heard.

Village Clerk

**VILLAGE OF KEWASKUM
NOTICE OF
PUBLIC HEARING**

Notice is hereby given that the Board of Appeals of the Village of Kewaskum, Washington County, Wisconsin, will conduct a public hearing commencing at 6:00 p.m., Thursday, June 25, 2015, in the Council Room of the Municipal Building, 204 First Street.

The public hearing will be regarding the request of Carl Marquardt for the property located at 1009 Edgewood Road, Kewaskum, for a residential building variance. This request is to allow the construction of an accessory building in the side yard. The Zoning Ordinance per Section 95-74 (a) states accessory uses and detached accessory structures shall be permitted in the rear yard only, unless otherwise specified. The property is located in a RS-1 Single Family Residential District.

All interested persons will be given an opportunity to be heard.

6-11(2) WNAXLP

Village Clerk

**TOWN OF KEWASKUM
Plan Commission**

Notice of Public Hearing
NOTICE IS HEREBY GIVEN that a Public Hearing will be conducted by the Town of Kewaskum Plan Commission on Monday, July 20, 2015 beginning at 7:00 pm or shortly thereafter at the Town of Kewaskum Community Center, 9019 Kettle Moraine Drive, Kewaskum to consider a proposed amendment to the Town of Kewaskum Comprehensive Plan: 2035. The purpose of the public hearing is to accept public comments on the proposed amendment.

An application has been filed by Bryant and Cynthia Borland requesting an amendment to the land use plan map adopted as part of the Town Comprehensive Plan. The application requests that the land use plan map be amended to change the land use designation of Tax Parcel T8-0240-00G (3.76 acres), located at 9001 Hickory Drive from A-1 Agricultural Open-Space District to R-1 Residential District.

The public may review copies of the application and the Comprehensive Plan at the Kewaskum Community Center during regular office hours or by appointment. Interested parties may make arrangements with Nancy Boden, Town Clerk/Zoning Secretary to obtain a copy of the application or additional information regarding the application at 262-626-2566 or townkew@frontier.com.

During the Public Hearing, the public is invited to speak on the proposed plan amendment. Written comments may be submitted to the Town Clerk until 5:00 p.m. on July 20, 2015 and shall become part of the record. The Public Hearing shall be closed when all interested parties in attendance have had an opportunity to offer comment.

Upon the close of the Public Hearing, a meeting of the Town of Kewaskum Plan Commission shall be called to order and the application shall be addressed per the agenda.

2014 CONSUMER CONFIDENCE REPORT DATA

KEWASKUM WATERWORKS, PWS ID: 26701125

Water System Information

If you would like to know more about the information contained in this report, please contact Matt Heiser at (262) 626-8484. The Village continues to invest in the water utility to make sure it runs efficiently and properly. In 2014 the reservoirs at pump houses 2 and 3 were cleaned, a current converter in pump house 5 was replaced, and booster pumps, a transducer and valve was replaced at pump house 2.

Opportunity for input on decisions affecting your water quality

The Village Board meets the first and third Monday of each month at 7:00 pm in the Municipal Building at 204 First Street.

Health Information

Drinking water, including bottled water, may reasonably be expected to contain at least small amounts of some contaminants. The presence of contaminants does not necessarily indicate that water poses a health risk. More information about contaminants and potential health effects can be obtained by calling the Environmental Protection Agency's safe drinking water hotline (800-426-4791).

Some people may be more vulnerable to contaminants in drinking water than the general population. Immuno-compromised persons such as persons with cancer undergoing chemotherapy, persons who have undergone organ transplants, people with HIV/AIDS or other immune systems disorders, some elderly, and infants can be particularly at risk from infections. These people should seek advice about drinking water from their health care providers. EPA/CDC guidelines on appropriate means to lessen the risk of infection by cryptosporidium and other microbial contaminants are available from the Environmental Protection Agency's safe drinking water hotline (800-426-4791).

Source(s) of Water

Source ID	Source	Depth (in feet)	Status
2	Groundwater	503	Active
3	Groundwater	460	Active
4	Groundwater	360	Active
5	Groundwater	280	Active

To obtain a summary of the source water assessment please contact, Matt Heiser at (262) 626-8484.

Educational Information

The sources of drinking water, both tap water and bottled water, include rivers, lakes, streams, ponds, reservoirs, springs and wells. As water travels over the surface of the land or through the ground, it dissolves naturally occurring minerals and, in some cases, radioactive material, and can pick up substances resulting from the presence of animals or from human activity.

Contaminants that may be present in source water include:

- Microbial contaminants, such as viruses and bacteria, which may come from sewage treatment plants, septic systems, agricultural livestock operations and wildlife.
- Inorganic contaminants, such as salts and metals, which can be naturally-occurring or result from urban stormwater runoff, industrial or domestic wastewater discharges, oil and gas production, mining or farming.
- Pesticides and herbicides, which may come from a variety of sources such as agriculture, urban stormwater runoff and residential uses.
- Organic chemical contaminants, including synthetic and volatile organic chemicals, which are by-products of industrial processes and petroleum production, and can also come from gas stations, urban stormwater runoff and septic systems.
- Radioactive contaminants, which can be naturally occurring or be the result of oil and gas production and mining activities.

In order to ensure that tap water is safe to drink, EPA prescribes regulations that limit the amount of certain contaminants in water provided by public water systems. FDA regulations establish limits for contaminants in bottled water, which shall provide the same protection for public health.

Definitions

Term	Definition
AL	Action Level: The concentration of a contaminant which, if exceeded, triggers treatment or other requirements which a water system must follow.
MCL	Maximum Contaminant Level: The highest level of a contaminant that is allowed in drinking water. MCLs are set as close to the MCLGs as feasible using the best available treatment technology.
MCLG	Maximum Contaminant Level Goal: The level of a contaminant in drinking water below which there is no known or expected risk to health. MCLGs allow for a margin of safety.
MFL	million fibers per liter
MRDL	Maximum residual disinfectant level: The highest level of a disinfectant allowed in drinking water. There is convincing evidence that addition of a disinfectant is necessary for control of microbial contaminants.
MRDLG	Maximum residual disinfectant level goal: The level of a drinking water disinfectant below which there is no known or expected risk to health. MRDLGs do not reflect the benefits of the use of disinfectants to control microbial contaminants.
mrem/year	millirems per year (a measure of radiation absorbed by the body)
NTU	Nephelometric Turbidity Units
pCi/l	picocuries per liter (a measure of radioactivity)
ppm	parts per million, or milligrams per liter (mg/l)
ppb	parts per billion, or micrograms per liter (ug/l)
ppt	parts per trillion, or nanograms per liter
ppq	parts per quadrillion, or picograms per liter
TCR	Total Coliform Rule
TT	Treatment Technique: A required process intended to reduce the level of a contaminant in drinking water.

Detected Contaminants

Your water was tested for many contaminants last year. We are allowed to monitor for some contaminants less frequently than once a year. The following tables list only those contaminants which were detected in your water. If a contaminant was detected last year, it will appear in the following tables without a sample date. If the contaminant was not monitored last year, but was detected within the last 5 years, it will appear in the tables below along with the sample date.

Inorganic Contaminants

Contaminant (units)	Site	MCL	MCLG	Level Found	Range	Sample Date (if prior to 2014)	Violation	Typical Source of Contaminant
ARSENIC (ppb)		10	n/a	6	0 - 6		No	Erosion of natural deposits; Runoff from orchards; Runoff from glass and electronics production wastes

Contaminant (units)	Site	MCL	MCLG	Level Found	Range	Sample Date (if prior to 2014)	Violation	Typical Source of Contaminant
BARIUM (ppm)	2	2		0.170	0.092 - 0.170		No	Discharge of drilling wastes; Discharge from metal refineries; Erosion of natural deposits
CHROMIUM (ppb)	100	100	1		0 - 1		No	Discharge from steel and pulp mills; Erosion of natural deposits
FLUORIDE (ppm)	4	4		0.1	0.0 - 0.1		No	Erosion of natural deposits; Water additive which promotes strong teeth; Discharge from fertilizer and aluminum factories
NICKEL (ppb)	100			4.5000	0.0000 - 4.5000		No	Nickel occurs naturally in soils, ground water and surface waters and is often used in electroplating, stainless steel and alloy products.
NITRATE (NO3-N) (ppm)	10	10	0.10		0.00 - 0.10		No	Runoff from fertilizer use; Leaching from septic tanks, sewage; Erosion of natural deposits
SODIUM (ppm)	n/a	n/a		57.00	34.00 - 57.00		No	n/a
THALLIUM TOTAL (ppb)	2	0.5	1.0		0.0 - 1.0		No	Leaching from ore-processing sites; Discharge from electronics, glass, and drug factories

Contaminant (units)	Action Level	MCLG	90th Percentile Level Found	# of Results	Sample Date (if prior to 2014)	Violation	Typical Source of Contaminant
COPPER (ppm)	AL=1.3	1.3	0.2000	0 of 20 results were above the action level.		No	Corrosion of household plumbing systems; Erosion of natural deposits; Leaching from wood preservatives
LEAD (ppb)	AL=15	0	2.60	0 of 20 results were above the action level.		No	Corrosion of household plumbing systems; Erosion of natural deposits

Radioactive Contaminants

Contaminant (units)	Site	MCL	MCLG	Level Found	Range	Sample Date (if prior to 2014)	Violation	Typical Source of Contaminant
GROSS ALPHA, EXCL. R & U (pCi/l)	15	0		6.1	3.3 - 6.1		No	Erosion of natural deposits
RADIUM, (226 + 228) (pCi/l)	5	0		2.5	1.5 - 2.5		No	Erosion of natural deposits
GROSS ALPHA, INCL. R & U (n/a)	n/a	n/a		6.1	3.3 - 6.1		No	Erosion of natural deposits

Additional Health Information

While your drinking water meets USEPA's standard for arsenic, it does contain low levels of arsenic. USEPA's standard balances the current understanding of arsenic's possible health effects against the costs of removing arsenic from drinking water. USEPA continues to research the health effects of low levels of arsenic, which is a mineral known to cause cancer in humans at high concentrations and is linked to other health effects such as skin damage and circulatory problems.

If present, elevated levels of lead can cause serious health problems, especially for pregnant women and young children. Lead in drinking water is primarily from materials and components associated with service lines and home plumbing. Kewaskum Waterworks is responsible for providing high quality drinking water, but cannot control the variety of materials used in plumbing components. When your water has been sitting for several hours, you can minimize the potential for lead exposure by flushing your tap for 30 seconds to 2 minutes before using water for drinking or cooking. If you are concerned about lead in your water, you may wish to have your water tested. Information on lead in drinking water, testing methods, and steps you can take to minimize exposure is available from the Safe Drinking Water Hotline or at www.epa.gov/safewater/lead.

Information on Monitoring for Cryptosporidium and Radon

Our water system did not monitor our water for cryptosporidium or radon during 2014. We are not required by State or Federal drinking water regulations to do so.

Boden And Gardner Honored With St. Joseph's Hospital's Excellence In Medicine Awards

Stacy Boden, nurse practitioner; and Patrick Gardner, MD; have been honored with the second annual Excellence in Medicine Award from Froedtert & the Medical College of Wisconsin St. Joseph's Hospital.

Physicians and nurses at St. Joseph's Hospital were invited to nominate one of their peers for the award, which recognizes the accomplishments of an individual physician or advanced practitioner at St. Joseph's Hospital. Nominees were evaluated based on upholding clinical practice standards, leadership, innovation,

volunteerism to improve health care in a local community, the ability to communicate with colleagues and staff, and how the nominee supports the hospital's mission, vision and values.

"She is always happy to help anyone out who needs extra teaching, has questions or concerns and she does all this with a smile and genuine interest in that person learning the needed skills," said a nominator about Boden. "She has had a tremendous impact on the staff, but more important is the impact on the infants and families who have greatly

benefited from Stacy's excellent innovations in neonatal resuscitation training of the staff at St. Joseph's Hospital."

Boden, a nurse practitioner on staff at St. Joseph's Hospital since 2004, also serves on the hospital's Pediatric Practice Committee, Critical Response Committee, Policy and Procedure Committee; the Substance Abuse Committee for the hospital and West Bend Health Center; and West Bend Health Center's Plan of Care Committee and Practice Optimization Committee.

She serves on the

Washington County Early Intervention Group, and Opiate Forum; and is a member of the Wisconsin Association of Pediatric Nurse Practitioners, National Association of Pediatric Nurse Practitioners, Wisconsin Asthma Coalition, and American Academy of Nurse Practitioners. She is a graduate of Marquette University.

"The physicians trust Pat's pathology reports," said a nominator about Dr. Gardner. "They feel confident giving the results to their patients. He has mentored new physician leaders to transition into

their role. He leads by example and representing the medical staff at the system level. He is the voice of reason and uses a common sense approach. He is a go-to person when staff have concerns about practice issues. He is well respected by the physician staff, administration and house staff."

Gardner, a pathologist on staff at St. Joseph's Hospital since 1998, also services as the hospital's vice president of medical affairs. He is a member of the hospital's executive team, serves as medical director of the lab, and Epic liaison for operating

room governance; and serves on the Pharmacy and Therapeutics Committee, Utilization Review, Dragon Steering Committee, Ebola Committee, and Voice of the Family and Patient Advisory Council. He is board-certified in pathology and is a graduate of the Medical College of Wisconsin.

In addition to Boden and Dr. Gardner, this year's nominees were Dr. Robert Gibson, Dr. Mary Lewis, Dr. Eric Olafsson, Tom Saugen, Dr. Jeffrey Smale, Heather Stack and Dr. Madhuri Trivedi.

Continued From... Kewaskum Eighth Grader Accepted Into State Honors Band

"It's really nice to see a kid who is obviously dedicated and works very hard," Michlig said. "To see that success achieved at the highest level is very exciting for us as teachers to see the kids get that recognition."

Alexander went through a competitive audition process, where she prepared a solo, memorized scales and did some sight-reading. The culminating event for the honors band is a concert in Madison on October 31 at the Wisconsin State Music Conference.

While Alexander normally practices weekly for at least an hour or more,

she plans on practicing even more for the fall concert.

"I'll definitely practice a lot more," Alexander said. "I've always put in a lot of effort, but now I'm technically considered one of the best in the state, so I'm going to put in even more effort."

Alexander hopes to go to the University of Wisconsin-Madison after finishing at Kewaskum High School, where she plans to continue with the trumpet.

"Band is such a great thing – such a big part of my life," Alexander said. "It always has been and probably always will be."

Genna Alexander and her 8th grade class rehearsed pieces for the 8th grade promotion ceremony on June 3, 2015, including variations of Journey's, "Livin' on a Prayer," and the "Mission Impossible" theme song.

Continued From... Annual Breakfast On The Farm To Be Hosted By Cheeseville Dairy

While Gordy said farming is more similar to other businesses today than ever before, he also said the possibilities of starting a farm have become more limited.

"It's almost impossible to start farming today, if you are not born on a farm, or work a partnership deal out with somebody who's a retiring farmer," Michaels said. "It takes a pile of money to put it all together. You can't just think you want to farm and go buy one – it's a huge investment."

The possibility of new farms becoming less prevalent in the future may not be the only reason to visit the Breakfast on the

Farms event. Understanding where food comes from is something that Michaels said is a good lesson to be learned at this event by children, and in some cases their parents as well.

"People are so far away from agriculture and their food source nowadays," Michaels said. "They don't realize where the food actually comes from, so we think it's a nice family day and it's also educational for the kids and probably a lot of the parents."

Mike Strupp, member of the Washington County Dairy Promotion Committee explained some of the activities available at

Breakfast on the Farm this year, including a life-size fiberglass cow.

"This year, we will have Roden's Barnyard Adventures - put on by Jackie Roden. She's going to be doing a scavenger hunt this year and also a corn bin where kids can play in the dried corn. There's going to be interactive dairy trivia games. Also, this past year she [Roden] bought an authentic milking cow. It's a life-size cow that kids can milk. It's a big fiberglass cow – it's really cool!"

The breakfast menu will feature all you can eat pancakes, served with eggs and ham, apple-sauce and of course,

cheese.

During Saturday's event, you may see several members of the three generations involved with the farm, including some of the Michaels' nine grandchildren, of whom Michaels is sure will one day find their fit on the farm, just as his own children did.

"We feel we're really fortunate to have all four of our kids love agriculture enough that they wanted to make it their life, and I'm fortunate that each one of them found the spot where they fit in and enjoy what they're doing...So far it's worked very well," Michaels said.

Kiwanis Students Of The Month

Hailey Taylor
Hailey is the daughter of Trisha and Jeffrey Taylor. Throughout her years in

high school, Hailey has been an active member all four years in basketball. She also was in the student government, peer listening, and show choir clubs, and performed in our school musical.

In her junior year, she was inducted into the National Honor Society. Outside of school, she was involved in the Higher Level Basketball Camp Program for the past three years. Next fall, Hailey plans on attending Beloit College pursuing a degree in Health Care.

Shannon Loomis
Shannon is the son of Lisa Loomis and Paul Nigh. He has been a role model to his classmates; he helps within the special

education program. Shannon is very helpful, responsible, and hard-working with any peer or adult in school.

He is a member of the Big Brothers and Big Sisters program and has a big brother named Steve. Shannon volunteers his time at Kettle Moraine Gardens Nursing Home during the school days as part of his careers and community class.

This summer Shannon is excited to start his first job working at Paradise Gardens in West Bend. In the fall, he will be participating in the School to Work Program through Threshold Inc.

Your Help Is Wanted! Volunteer Drivers Needed For Home Delivered Meal Program In Kewaskum

The Washington County Senior Dining and Home Delivered Meal program needs volunteer drivers in the Kewaskum area on Thursdays. Volunteers would give approximately one hour to take noon meals to homebound persons.

Anyone willing to deliver meals and have your mileage reimbursed should call the Aging and Disability Resource Center of Washington County at 262-335-4497 or 1-877-306-3030 for more information.
