Students Grow From Tending School Garden

By Anne Trautner

On Thursday afternoons after school, five students from Kewaskum Middle School gather to tend Kewaskum School District's school garden.

"I asked if anybody was interested in gardening, and these five came right up," said Carol Gonwa, who started the middle school's Garden Club this year. "If I can get one lifetime gardener out of these five, I'd be very, very happy."

The students water and weed the garden. A couple weeks ago, they planted spinach and bok choy, which are already poking through the soil.

"I like harvesting, and I like planting the seeds too," said eighth-grader Megan Krolski.

"My favorite part is pulling up the plants and eating them. It can be hard to do, especially with giant

carrots, because you can sometimes break off the leaves, which is not fun. Then you have to dig below it with your hands and try to get it up," sixth-grader Sam Rudzitis said.

The middle school bunch is not the only group of young gardeners that have cared for the garden.

This summer, youth from the Boys & Girls Club and summer school classes worked in the garden to grow a wide variety of fruits, vegetables and flowers.

During the school year, the garden is maintained by a large assortment of gardeners, including agricultural science classes at the high school, the nutrition services department, the Best yoU Food Force (BUFF), Kewaskum

KEYS 5K Run/Walk Set For Sunday, Oct. 11

– Race To Raise Funds For Scholarships For Kewaskum Students

By Anne Trautner

The 22nd annual KEYS 5K run/walk will be held in Kewaskum on Sunday, Oct. 11, to raise scholarship funds for Kewaskum students.

The run/walk, which begins and ends at the high school, follows a course that winds around the Kewaskum schools and onto the Eisenbahn trail. The race begins at 11 a.m.

KEYS, which stands for Kewaskum Youth Scholarship, is a nonprofit organization that was formed in 1985 to provide scholarships for Kewaskum students. Last spring the organization

awarded 37 scholarships totaling \$105,500 to the KHS Class of 2015.

It takes a lot of effort from the entire community to raise those funds, said Connie Zemlicka of KEYS.

"There are some teachers from each school building and from the two private schools in town who are involved. A lot of businesses support it, too. It definitely has been a communitywide event," Zemlicka said.

At each of the Kewaskum feeder schools, there are teams of teachers and staff who

KEYS 5K Continued on Page 8

Erika Bolek, an eighth-grader at Kewaskum Middle School, weeds the school garden. Erika is part of the garden-club that meets weekly to care for the plants growing in the garden's 22 raised beds.

Neal Stoffel Celebrates 40 Years With Kondex

Senior Project Engineer Neal Stoffel recently celebrated 40 years of service with Kondex.

Stoffel began working for Kondex in 1975, as one of approximately 20 associates. At that time, the Company produced just one product family, and production volume was 2,000 sickle sections per shift, per week. Today, Kondex employs approximately 250 associates and production dwarfs these early figures in both volume and product lines.

While Stoffel initially worked second shift in the plant on Kondex's double disc grinder, his mechanical inclination quickly drew him to design and build various production machines and tooling. This led to a dual role of working a few hours on design engineering before working his full second shift. It didn't take long before he was pursuing his passion as a full-time engineer.

"The best thing about my job is seeing the vision of a new or improved product design become reality," said Stoffel. "I love looking at a finished piece and realizing all our hard work and collaboration paid off in finding a solu-

tion for our customers."

Early in his career, Stoffel realized that manufacturing was rapidly changing and wanted to be part of its advancement. He committed himself to education and soon earned an electrical journeyman license. At the same time, he started night school and gained a two-year technical degree. He then earned his Bachelor's degree, and throughout his career has received numerous certifications in manufacturing engineering, project management and metallurgy.

"Education has been a large factor in growing my career with Kondex, and I like to share what I've learned with co-workers," said Stoffel. "It's very satisfying to help and mentor new associates, and watch them grow both personally and professionally."

Stoffel's training and experience have allowed him to achieve his goal of advancing manufacturing. This has taken form in his contributions to numerous Kondex patents and applications, as well as his active role in many industry associations. His involvement in the American Society of

Agricultural and Biological Engineers (ASABE) for the last 23 years has been invaluable to both Kondex and its customers. Through various meetings and events, Stoffel has become a trusted advisor in consulting with other engineers to identify and review improvements for various equipment components.

"Neal has done so much for Kondex over the years," said Kondex President Jim Wessing. "For pretty much everything we've made, Neal has either run the machine, been involved in the design, or helped the customer design a solution. We're very proud to have him on our team, and celebrate this milestone anniversary."

Kondex manufactures and engineers cutting and wear-resistant components for the agricultural, commercial turf care, construction, and forestry markets. While Wisconsin-based, the company supplies its products to original equipment manufacturers on a global scale. For additional information, please visit www.kondex.com.

BREAKFAST MENUS

**Menus for
Oct. 5 - Oct. 9
Breakfast**

Good Luck 4-H Starts New Year

The Good Luck 4-H Club held their monthly meeting on Saturday, Sept. 12, at the PAC. Since September is the beginning of the 4-H year, the club hosted a Member Fair to introduce new

members to the various activities available in the club. This was a fun and interactive way for new members to gain an understanding of how to be involved in the Good Luck 4-H Club.

Youth members created informational displays for each of eight club activities and new members were able to visit each of the stations to learn about volunteer opportunities.

LETTER TO THE EDITOR

Dear Editor,

I am happy that Scott Walker is returning to Wisconsin, because no

matter what anyone says he has definitely helped Wisconsin and with him back I hope he will be able to help us even more. There is a lot that could happen before his term ends in 2018 and by then I am more than positive that Wisconsin will be happy that we have our governor back. There is no reason Walker shouldn't run again in the future but I think he just needs a little more experience and a little more under his belt before he thinks of running again.

People seem to forget what Walker has done for Wisconsin before he started running for president. First off he turned Wisconsin's \$3.6 billion deficit into a \$500 million surplus, people don't seem to realize that if he didn't do that our state

would probably be in a lot worse of a state than it is. Walker helped attract all kinds of business and companies to Wisconsin too by lowering the tax corporations like that have to pay. That boosted Wisconsin's economy so much that the drop in their taxes was hardly a problem.

Walker dropping out of the presidential race is definitely a good thing for Wisconsin and after he has helped Wisconsin a little more maybe he could help the entire nation, but for now he should stick to what he knows and what he is good at, which is helping the Wisconsin people.

Community Invited To Holy Trinity Building Meeting

Holy Trinity parish will hold a meeting to present its latest plans for Holy Trinity's Parish Center on Thursday, Oct. 1, at 6:30 p.m. in the church basement at 331 Main St. in Kewaskum.

The plans, which include a gymnasium, kitchen and gathering

space, are the result of many discussions with Groth Design Group, plus a number of meetings with Holy Trinity parishioners and input by the Holy Trinity Building Committee.

All community members are invited to attend the presentation.

OBITUARIES

Vernon O. Kumrow

Vernon O. Kumrow, 87, of the town of Scott, passed away on Friday, September 25, 2015, at the Sharon S. Richardson Hospice in Sheboygan Falls.

Vernon was born on July 26, 1928, in the town of Scott, the son of the late Gerhard and Leona (Ramthun) Kumrow.

He attended LaFollette Grade School in the town of Sherman.

On August 21, 1954, Vernon was united in marriage to Myrtle Lueke at Immanuel Lutheran Church in the town of Scott.

Vernon purchased his first milk route in 1949 and became self-employed as a milk hauler to Passini Cheese in the town of Mitchell for over 25 years. He was also employed in the milk plant and hauled to Schneider Cheese in the town of Lima for over 25 years. Vernon and his wife operated Kumrow's Mink Ranch for many years.

He served in the U.S. Army during the Korean War from 1951 to 1952 and was a member of Random Lake VFW Post 10820.

Vernon was a member of Immanuel Lutheran Church in the town of Scott. He was a member of Sheboygan Lake Shore Pigeon Club, a former member of the Kettle Moraine Mink Ranch Association and was a former project leader in the Scott Pioneers 4H Club. Vernon attended Adell Senior Center where he enjoyed playing sheephead. His hobbies were hunting and raising small animals. Vernon enjoyed his milk route, spending time at his son's farm and with his grandchildren.

Those Vernon leaves behind to cherish his memory include his wife, Myrtle; a son, Gerald (Cheri) Kumrow of Adell; two daughters, Violet (Dan) Pfeifer of Adell and Susan (Tony) Deheck of

Sheboygan Falls; five grandchildren, Gary Kumrow, Heather Pfeifer, Jade Pfeifer, Katie Deheck and Sarah Deheck; a brother, Ivan (Janet) Kumrow of Random Lake; a sister, Joyce (Butch) Butler of Cottage Grove; many nieces, nephews, other relatives and friends.

In addition to his parents, Vernon was preceded in death by a brother, Jerome (Geraldine) Kumrow.

Funeral services for Vernon will be held at 4:00 p.m. on Sunday, October 4, at Immanuel Lutheran Church in the town of Scott.

Vernon's family will greet relatives and friends at the church on Sunday from 2:00 p.m. until the time of service. Rev. Joseph Fisher will officiate and burial with military honors will follow in the church cemetery.

In lieu of flowers, memorials to Sharon S. Richardson Hospice in Sheboygan Falls, Random Lake Ambulance or to the charity of your choice is appreciated.

The Miller Funeral Home in Kewaskum has been entrusted with Vernon's arrangements. Additional information and guest book may be found at www.millermartinfh.com.

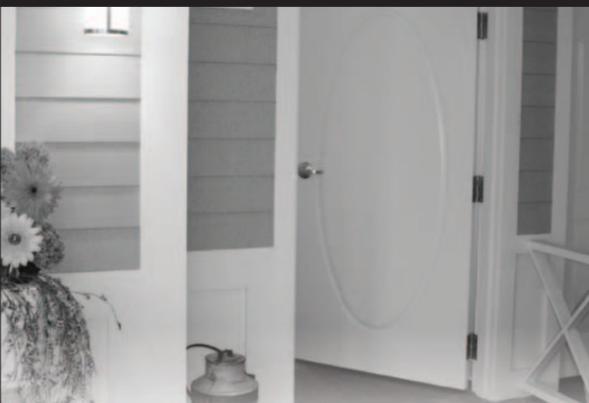

IN MEMORY OF BEVERLY SCHMIDT September 28, 2006 and WILMER SCHMIDT October 2, 2011

A sadness still comes over us, Tears in silence often flow, Memory keeps you ever near to us, Though you died many years ago.

Loving thoughts of one so dear, Are treasured still with love sincere, In our hearts you are living yet, We loved you too dearly to ever forget.

From their loving Children, Grandchildren & Great-Grandchildren

A design like no other!

"The Cottages' environment has prompted more residents to become involved and active on a daily basis. Some are happier and more alert and even going on outings when they haven't in the past,"

Sylvester A. "Fats" Naumann, 86, of West Bend, died September 19.

Esther M. Gessert, nee Dilling, 98, of West Bend, died September 20.

25 Years October 4, 1990

The 1990 KHS Homecoming court members were Brian Heller and Pam Gauger, Jason Thull and Kelly Rohlinger, Scott Heller and Melissa Braun, Craig Krell and Kelly Sarauer, Mark Felix and Laurie Vogt, Matt Kuehn and Tammy Troeller, Jim Gildersleeve and Ingrid Ankerson, Brian Jackson and Rachelle Zuehlke, Robbie Kertscher and Wendy Fideler, Shawn Schneider and Pam Schlosser, Joel Fleischman and Stacey Heberer, and Chad Cook and Karen Junk.

David Scheffel, Executive Chef of Inn on the Park, Madison, carved a Kettle Kountry Kolers original design out of cheese at the first annual festival being held in Riverhill Park in Kewaskum.

Specialist Four Kari Kurtz, of Kewaskum, was a member of the 327th Army Reserve Engineer Unit. The unit made up of half Wisconsinites and half Minnesotans were the Army's fastest bridge builders.

Elmer and Lorraine Bruesewitz celebrated their Golden Wedding Anniversary on October 14 with an open house at Beechwood Hall.

St. Lucas Lutheran School welcomed Mr. Ron Martinson to its staff. Mr. Martinson was the new fifth grade teacher and also the girls' coach.

Work began on the new Sheford Car Wash on Fond du Lac Ave.

Dan Fischer, 19, of Kewaskum drove his 1978 Monte Carlo into the victory lane Saturday night at the Sheboygan County Fairgrounds after completing 149 laps in the Endro Race on Sept. 15 to take home \$1,000 first place winnings.

Brian Oelhafen, 21, of the Town of Wayne, took the Slinger Stinger Division on the last night of points racing, Sept. 2, edging out his nearest competitor by a margin of 10 points to win the Track Championship.

Jim Oelhafen #52 of Wayne, and Brian Voigt #87 of rural Kewaskum, finished well in the final standings of the Slinger Stinger Division. Oelhafen, 43, took JR Racing's "Rookie of the Year" honors in the division.

Karl J. Schultz, 73, of the Town of Auburn, died September 29.

Harry H. Oelhafen, 88, of West Bend, died September 25.

John J. Ziegelbauer, 84, of Hartford, died September 25.

Leon C. Vandebloom, 29, of West Bend, died September 24.

Bernard E. Bodden, 67, of Campbellsport, died September 29.

50 Years October 1, 1965

J. O. Reigle, chairman of the board of Regal Ware Inc., was honored at a testimonial dinner held Saturday, Sept. 25, at Fond du Lac's South Hills Country Club. The occasion was the retirement of Mr. Reigle from the presidency of the Kewaskum cookware manufacturing firm he founded 20 years ago. More than 130 friends and associates of Mr. Reigle gathered at the dinner. Mr. Reigle was presented with a gift from his fellow... a photographic portrait in oil. The keys to a new automobile were presented, on behalf of Regal Inc., by Executive Vice-L.N. Peterson.

Edward J. Slegler, Jr., R.2, Kewaskum mathematics teacher at Kewaskum Community High School, is among the students who have just been granted their degrees by the University of Wisconsin, Madison. Edward received a Master of Science degree.

Frater Cyrus (Jerome) Campbell, son of Mr. and Mrs. Miles Campbell, R.2, Kewaskum, made his simple profession as a member of the Capuchin Order. The ceremony took place at St. Felix Friary, Huntington, Ind., Frater Cyrus graduated from Holy Trinity Parochial School, Kewaskum, and St. Lawrence seminary, Mt. Calvary.

Relatives and friends from this village were among a large gathering of persons who attended the 25th wedding anniversary celebration of Mr. and Mrs. Leslie Weiss of Boltonville at the Firemen's Hall on Sunday, Sept. 12.

A son was born to Mr. and Mrs. Leslie Weisinger, Kewaskum, on September 22.

A son was born to Mr. and Mrs. Ralph Eisenmann, of Kewaskum, on September 23.

A son, was born to Mr. and Mrs. Ralph Boden, of Allenton, on September 27.

75 Years October 4, 1940

The Wisconsin Beagle Club's 18th annual American Kennel Club licensed field trials, held from Friday through Tuesday, Sept. 27 - Oct. 1, and 13th annual specialty show Sunday evening in this village, attracted the largest number of entries and spectators in history. There were 104 beagles entered, 80 in the trials and 24 in the show. Last year's number of dogs was 85. Joe Eberle's prize dogs again won outstanding places in the two events. His entrants won two loving cups and a number of ribbons. Eberle's Martin, won first place and best in show trophy, in the 15-inch class in the bench show, and also won in the field completing its bench championship.

Theodore Otto, 53, widely known farm resident, passed away at his home near Beechwood, last Friday morning, September 27, of injuries he received while cutting silage near his home September 23. It is believed that while he was stopping the engine of a tractor, he reached across the motor and his hat caught in the fly wheel. He suffered a fractured skull from contact with the wheel.

A dance was held at the Kewaskum Opera House Saturday evening in honor of the 25th wedding anniversary of Mr. and Mrs. Art Buddenhagen.

Brian Wildt and his son Brady pick out the perfect pumpkin while on a field trip to the Little Farmer Apple Orchard near Fond du Lac. The preschool and kindergarten classes from Holy Trinity School in Kewaskum spent a beautiful fall day at the orchard. They picked pumpkins, apples, went for a hayride, and learned about the bees job in pollination. It was lots of fun!

-photo submitted

A son was born to Mr. and Mrs. Frank Sauerer, of St. Kilian, on Thursday.

A barn-raising was held at the John Lehnerz farm in St. Michaels, Monday to replace the building which was destroyed by fire two weeks ago.

100 Years October 2, 1915

Last Monday afternoon, while both Math Fellenz, of the Town of Scott, via auto and Bernard Haufchild of the Town of Kewaskum, via horse and buggy were on their way home from this village and near the local high school, they encountered a collision. The auto striking the buggy on the front wheel, upsetting the buggy and throwing the occupants, Mr. and Mrs. Haufchild forcibly to the ground, the horse which

became unmanageable, ran away, but was soon captured. Mrs. Haufchild besides a severe scare received minor injuries. As the latter is subject to heart trouble she was during the night in a serious condition. As to who was the fault of the accident we could not state.

The local high school girls have organized a basketball team and all indications are for a strong and fast team. The girls commenced practicing this week and the way they handle the sphere isn't slow. Miss Lydia Guth was appointed manager and Miss Dorothy Driessel, treasurer and secretary.

The female Airedale dog belonging to Dr. K.F. Hausmann of this village that broke away from the local depot last Thursday morning is now safely tied up by its

owner having been captured by Mrs. F. Meilahn last Monday afternoon. The dog which is a prize winner, having won several blue ribbons in different dog shows, is highly valued by the doctor.

The sudden death of Nick Roden occurred on Thursday evening at the home of his son Jac, New Fane. He had reached the age of 84 years.

The approaching marriage of Miss Appleona Fellenz of St. Michaels to Albert Groth of West Bend was announced in church Sunday.

The infant daughter of Mr. and Mrs. Ed Rate, Kohlsville, was christened last Sunday receiving the name of Erna.

Mrs. Shaelhaus of Mitchell won the set of dishes that were given away at Calvey's store Wednesday.

Thanks...

The Boltonville Fire Dept. hosted its 20th annual Street Dance on September 12, 2015 and would like to give a big thank you to all our 2015 Street Dance Donors for helping make our fundraiser a big success! Thank you for your contributions.

An Upcoming Calendar of Events for the Northern Kettle Moraine State Forest...

Thursday, October 1 — Night Eyes Nature Storytime at the Ice Age Visitor Center, 6 p.m.-7 p.m. Red, yellow, green, and white eyes: whose eyes do we see at night? Join us as we find out what animals' eyes are open while ours are closed. This hour of nature fun awaits three to six year olds with accompanying adults.

Friday, October 2 — Night Eyes Nature Storytime at the Ice Age Visitor Center, 9:30 a.m.-10:30 a.m. Red, yellow, green, and white eyes: whose eyes do we see at night? Join us as we find out what animals' eyes are open while ours are closed. This hour of nature fun awaits three to six year olds with accompanying adults.

Saturday, October 3 — Climb a Kame Exploring Nature Program at the Ice Age Visitor Center and Dundee Mountain, 10 a.m.-11:30 a.m. Join us as we climb Dundee Mountain to gain a better understanding of how the glaciers created kames, eskers, moraines, kettles, and outwash plains. The trail is one and half miles long and it does require hiking up and down a steep hill. We will meet at the Ice Age Visitor Center and then car pool the three miles to the Summit Trail on Dundee Mountain. This adventure is for people over eight years old.

Thursday, October 8 — Nuts in Wisconsin An Evening with Nature Program at the Ice Age Visitor Center, 7 p.m.-9 p.m. Beware! The nuts are dropping! Discover the variety of Wisconsin trees and shrubs that produce edible nuts and where they grow. After the presentation try a variety of nuts and nut-filled treats. This program is most appropriate for people over the age of 10 years old. Jackie Scharfenberg, forest naturalist, and a DNR forester will present this program.

Saturday, October 10 — Amazing Forrest Mammals Exploring Nature Program at the Ice Age Visitor Center, 10 a.m.-11:30 a.m. What do humans have in common with bears, bats, raccoons, and mice? They're all mammals! Find out what characteristics mammals share and how they are adapted for survival. This program is best for families/groups with children between the ages of six and 12 years.

Thursday, October 15 — Dam Builders Nature Storytime at the Ice Age Visitor Center, 6 p.m.-7 p.m. Timber!! Another tree crashes to the ground. Nature's dam builders, beavers, are hard at work. Learn what "equipment" beavers have to do their jobs so well. This hour of nature fun awaits three to six year olds with accompanying adults.

Friday, October 16 — Dam Builders Nature Storytime at the Ice Age Visitor Center, 9:30 a.m.-10:30 a.m. Timber!! Another tree crashes to the ground. Nature's dam builders, beavers, are hard at work. Learn what "equipment" beavers have to do their jobs so well. This hour of nature fun awaits three to six year olds with accompanying adults.

Friday, October 16 — Halloween Nature Hikes at the Long Lake recreation area, 6:30 p.m.-9:30 p.m. Let's join the battle to take down the alien invaders including the lethal emerald ash borer, the tenacious garlic mustard, the house sparrow bully, and the slimy earthworm. This is not a scary hike and is best for those over five years of age. Groups leave every six minutes. The last hour-long hike leaves at 8:30 pm. Before or after your hike, enjoy playing fun-filled games, making a craft to take home, or snacking by the glow of a campfire. In the event of severe weather, the event will be canceled for that night.

Saturday, October 17 — Halloween Nature Hikes at the Long Lake recreation area, 6:30 p.m.-9:30 p.m. Let's join the battle to take down the alien invaders including the lethal emerald ash borer, the tenacious garlic mustard, the house sparrow bully, and the slimy earthworm. This is not a scary hike and is best for those over 5 years of age. Groups leave every six minutes. The last hour-long hike leaves at 8:30 pm. Before or after your hike, enjoy playing fun-filled games, making a craft to take home, or snacking by the glow of a campfire. In the event of severe weather, the event will be canceled for that night.

For more information about the Northern Kettle Moraine State Forest or the upcoming naturalist programs, please contact the forest staff at the Ice Age Visitor Center at (920) 533-8322. The Henry S. Reuss Ice Age Visitor Center is located 1/2 mile west of Dundee off of Highway 67. The center is open seven days a week.

Traffic Switch For I-41/US 45 Bridge Work In Washington County

On Sunday evening, Sept. 27, crews enacted a southbound traffic switch at the I-41/US 45 split, as work continues on a small bridge in Washington County.

This switch allows traffic to be placed on the newly constructed roadway, giving crews the opportunity to reconstruct the other portion of the bridge. This milestone signifies the half-way point for the month-long project.

The number of lanes restricted will remain the same, with the two lanes on I-41 and on US Highway 45, being down one lane each. Following the merge where the roadway is normally three lanes, it will continue to be down to two.

The alternate route remains the same. Exit the freeway at Highway 60 and proceed west to Highway 164. Go south on

Highway 164 to connect with Highway 175. Travel south on Highway 175 to rejoin the freeway at the Holy Hill Road Interchange

To deal with the traffic impacts — motorists should use alternate routes, allow extra time to reach their destination, but above all, be patient during the work. Use of the 511 Wisconsin website <http://www.511wi.gov/Web/> or 511 mobile app will help anticipate delays.

WisDOT urges motorists to watch their speeds and remain alert both in and out of the work zone.

The schedule is weather dependent and subject to change.

The aforementioned work is part of the I-41/US 45 Rehabilitation Project. More information about the project can be found at <http://projects.511wi.gov/41rehab>.

Alien Invasion At The Halloween Nature Hikes!

Join the battle against the aliens at this year's Halloween Nature Hikes at the Kettle Moraine State Forest - Northern Unit.

The Alien Invasion Squad waits to greet you as you begin your extraordinary evening adventure on Friday, Oct. 16, or Saturday, Oct. 17, from 6:30 p.m. to 9:30 p.m. A menagerie of costume characters including the lethal emerald ash borer, the tenacious garlic mustard, the bully house sparrow, and the slimy earthworm awaits you and your friends as you stroll through the dark autumn woods.

The hikes take place at the Long Lake recreation area located off of Division Road north of Highway F about one-mile east of Dundee (approximately 20 miles north of West Bend and 20 miles south of Fond du Lac). Guided groups leave every six minutes with the last one

going out at 8:30 p.m. Each hike lasts about one hour. These non-scary hikes are best for those over the age of five years.

Before or after the hikes, play exciting games and create clever crafts. The Friends of the Kettle Moraine provide free apple cider and popcorn for all the hikers to enjoy by a roaring campfire.

A Wisconsin State Park System vehicle admission sticker is required. A resident daily sticker is \$7 per car. If you already have your park sticker, the event is free, but donations are always gratefully accepted.

Come for a fabulous evening of fun educational entertainment for all ages! For more information, call the Ice Age Visitor Center (920-533-8322). The center is open Monday through Friday from 8:30 a.m. to 4 p.m. and on Saturday and Sunday from 9:30 am to 5 p.m.

Kremer Family invites The Public To Join Them At A “Fall Festival” Fundraiser

Rep. Jesse Kremer is inviting supporters to a “Fall Festival” event at the Lepien Family Farm in Hartford, 5853 County Road E, on Saturday, Oct. 10, from 1 p.m.-3 p.m.

Rep. Kremer issued the following statement: “As a father with young children, I appreciate family-friendly events, so we strove to provide a fun-filled fundraiser where everyone is welcome. Kids can enjoy the free mini-pumpkin decorating and I am more than willing to share my experiences and

answer questions regarding state government and my time in Madison with adults and children alike.”

A special guest invite has been extended to Sen. Ron Johnson and Rep. Kremer has been talking with the Senator’s office in hopes that he will be able to attend.

Some items from area vendors will include:

1. Build-your-own caramel apples
2. Hand cranked, hot apple cider direct from the Kremer family cider press

3. Pies from Chef Katie of Custom Meals LLC in West Bend

4. Fall wine selection from Armstrong Apples of Campbellsport

5. Metal yard art from Margaret Buck of Meg’s Metals in Kewaskum

For more information, please visit www.jesseforwisconsin.com/fall-festival.

Rep. Kremer represents portions of Calumet, Fond du Lac, Sheboygan and Washington Counties in the Wisconsin State Assembly.

The three-year-old, four-year-old and five-year-old kindergarten students from Holy Trinity School in Kewaskum took a field trip to The Little Farmer near Fond du Lac recently. Some of the students on the trip included, from left, Tyson Schladweiler, Kaedan Gruss, James Lawrenz, Gina Bronk, Ryland Ciriacks, Anthony Pasbrig, Sam Herman, Kamden Derge, McKinley Timblin, Matthew Calliari, Zoe Johnson, Isabelle Piwoni, Aubrey Sperfslage, Landen Herriges, and Aubree Yogerst.

Annual Life Chain Returns

The annual, national event known as Life Chain returns to Kewaskum on Sunday, Oct. 4, 2015. Beginning at 1:30 p.m., Pro-life individuals and families will gather at the Kewaskum Municipal parking lot on Main Street just east of Silbernagel and Jasen where uniform signs will be distributed. The display will line Fond du Lac Avenue and Main Street beginning at 2 p.m.

and continuing until 3:30 p.m.

Held each year on the first Sunday of October, Life Chain is a legal, peaceful, quiet demonstration of people in our area communities who gather to publicly agree that abortion is wrong. There are no disturbing images for passing motorists or pedestrians, only thought provoking statements including

“Adoption, the Loving Option”, “Abortion Kills Children”, and “Abortion Hurts Women”.

On the back of each sign, participants will find Scripture and prayers on which to meditate and praise songs and hymn lyrics to sing quietly.

For more information, please call Joan at Kewaskum House of Prayer at 262-626-8337.

Protecting The Ones You Love This Flu Season

By Angela Tonozzi, MD, MS

Getting the flu complicates your life. Missing work, missing school, the risk of serious complications all affect your life and the ones you love.

According to the Centers for Disease Control and Prevention (CDC), receiving an annual flu shot is the single best way to protect against flu. The flu shot may be given after the age of 6 months. It’s especially important for children under age five, pregnant women and the elderly, where complications due to influenza are a leading cause of hospitalizations.

Since the circulating strains of virus change from year to year, it’s important to get vaccinated annually. That means even if you were vaccinated last year, you’ll need a new vaccination developed for this season’s viruses and because the vaccine’s effectiveness decreases over time. This year’s vaccine appears to be a very good match against the strains that are beginning to circulate. Its record of safety is very high.

Flu shots are available now and throughout the entire flu season at all Aurora Health Care facilities. In addition to the routine injectable variety, the vaccine is available as a nasal spray, a high dose variety for persons 65 and older, and an egg-free version for those with egg allergies.

It’s impossible to accurately predict what this year’s flu season will be like. The timing, severity and length of the flu season varies from year to year. Many of us remember the H1N1 epidemic of 2009, and now that protection is routinely included in our vaccine. Getting vaccinated now will help protect you and those you love, and offer you the best chance of avoiding influenza this year.

What else can you do to avoid coming down with the flu? In addition to receiving the vaccine, these steps can help stop the spread of flu:

- Wash your hands often, especially after coughing or sneezing. If soap and water are not available, use an alcohol-based gels.
- Avoid close contact with people who are sick.
- Cover your mouth and nose with a tissue when coughing or sneezing.
- Avoid touching your eyes, nose or mouth; germs spread this way.
- Stay healthy – get plenty of rest, eat a well-balanced diet and exercise regularly.

Common symptoms of the flu include:

- Fever
- Chills
- Muscle or body aches
- Headache
- Cough

If you do get the flu, antiviral drugs can shorten the duration of the illness and possibly prevent complications such as pneumonia, if started soon after symptoms are present.

Remember, flu symptoms and other viral infections are not relieved by antibiotics, which are only effective for bacterial infections such as strep throat.

If you do become ill, please don’t “share” your germs with others. The CDC recommends staying home and limiting contact with others to keep from infecting them.

Avoid visiting anyone who is hospitalized while you are sick. People should also avoid going to work or school if they:

- Have a temperature of 100 degrees or higher
- Are in the first few days of a cold or flu, when they are most contagious
- Are coughing or sneezing a lot

The CDC estimates that only about half (56.91 percent) of Wisconsin residents received a flu vaccination during the 2013-2014 flu season. To help keep life less complicated and protect you and your community, get the flu shot now. For your life. For the lives of those you love.

Dr. Angela Tonozzi is the director of infection prevention with Aurora Health Care.

Continued From... KEYS 5K Run/Walk Set For Sunday, Oct. 11

work to get students involved in the run, Zemlicka said.

"We've always tried to get a lot of younger children involved in it. It's going to be for them, eventually. They will be the ones who will have a chance to win these scholarships," Zemlicka said.

At each of Kewaskum High's feeder schools, the run is promoted.

"They have little fun events at all the elementary schools, as well as St. Lucas and Holy Trinity, so kids can participate, from little ones on, knowing that they have a chance to win a scholarship some day. That has always been a goal, to try to have a lot of kids be a part of it," Zemlicka said.

Students from the i4Learning Community School were being bused to Farmington Elementary on Wednesday of this week to participate in a Fun Run. At Kewaskum Elementary School, students are preparing to participate in a Mini-Keys walk/run on Friday.

"The kids run and get

awards. They make it fun. They have the Fun Run because not all the children who would like to participate in the KEYS Run can, because their parents won't bring them to it or they can't afford the registration fee. It gives them a chance to feel a little part of it by doing the Fun Run," Zemlicka said.

Students at all the schools have been encouraged to wear T-shirts from previous KEYS runs to school to help promote the KEYS run.

The hope is that it will help encourage all the students to further their education, Zemlicka said.

KEYS was originally formed 30 years ago when several community members and high school teachers decided to organize a scholarship program for Kewaskum High School students. That first year, the organization gave away one \$500 scholarship.

Over the past three decades, the organization and number of scholarships has grown.

"Now they have given

over \$1.5 million total in scholarships," Zemlicka said.

All Kewaskum High School students are eligible to apply for Keys scholarships.

Scholarships are awarded based on grades and their plans for the future. There is also financial consideration. A team from the KEYS board of directors, along with a high school teacher, interview students who are being considered for scholarships.

Some of the scholarships are called administered scholarships, which means that certain individuals have created and funded a scholarship, but the KEYS organization selects the winners.

Some of the scholarships are for four-year colleges, while others are for technical schools.

The KEYS run/walk is the organization's main fundraiser.

To register for the KEYS run/walk or to donate to KEYS, go to keys-scholarships.org.

Happy Hour Golf Outing Benefited Boys & Girls Club

On Thursday, Sept. 24, the Boys & Girls Club of Kewaskum held a Happy Hour Golf Outing.

"This year's outing was great. We definitely will be back next year and start our promotion early. It was a lot of fun to get the community involved in the great success we as a Club have here in the community of Kewaskum," said Maxwell Roy, unit director.

The nine-hole outing was a simple format that drew in several groups of golfers from the community and a dozen sponsors from businesses in the community.

"As a county-wide organization, we are always looking for ways to bring awareness to the Boys & Girls Club through collaboration.

We were fortunate to have the support of Hon-E-Kor Country Club, numerous businesses, community members and even some Club parents on the day of the outing. We look forward to growing this event each year and could not be more thankful for what this will bring to the members of our Kewaskum Club," said Kate Reyburn, special events and marketing director.

The outing was a nine-hole event that took from 4 to 6 .pm. Each golfer received door prize coupons donated by Players Sports Bar and Hon-E-Kor, and water donated by Kewaskum Citgo. While out on the course the golfers were able to stop for a brat, donated by Kewaskum Frozen Foods, with buns

provided by Piggly Wiggly, as well as wings from Buffalo Wild Wings of West Bend.

Since the outing was about community awareness and fun there was no single winner declared. However, two groups were randomly selected to receive free golf and fish fry vouchers from Hon-E-Kor and gift certificates from Michalenos. Other prizes from Bootleggerz and Ogi Chiropractic were also randomly given to selected groups.

"Our first annual happy hour golf outing was a great success. We had awesome support from the community and parents of club members." Luke Sankey, operations director, said.

Village President's Desk: Kiwanis Park Pool For The 21st Century

By Kevin Scheunemann

Kiwanis Park is one of the great gems in the Village. The Kiwanis Park Pool has served the community for over 35 years. As a 20-year member of Kewaskum Kiwanis, with numerous years as President and Treasurer of the Club, there is a strong sense of "ownership" of Kewaskum Kiwanis Park with the club. Being part of that longtime "ownership" culture of Kiwanis Park, it pains me greatly to admit it: the Kiwanis Pool has outlived the needs and expectations for the 21st century.

The Kiwanis Pool was a great design and a good facility for the community needs and expectations in the 1970s. Does it fit the needs and expectations of the community in 2015? From a standpoint of simply looking at the pool facility upgrades in West Bend, Hartford, Waupun, Mayville, Horicon, and Plymouth, we are far behind in terms of quality of those facilities. Although further from the area, Watertown also has an excellent pool facility that gets an amazing amount of community use. Beyond that, the commonplace water-parks at several hotels, Wisconsin Dells, and Six Flags have raised the standards and expectations for the average pool user. From simple market observation, Kiwanis Pool is obsolete, a dinosaur.

Aside from anecdotal market observation, let's look at the cost of the existing facility. Depending on how one allocates cost, the cost of operating the pool for the municipality is anywhere from \$50,000-\$80,000 a year without calculating opportunity cost for better use of that area of the Park. If we are lucky, we can currently generate \$8000-\$15,000 in annual revenue from pool admission. This revenue is far below average when looking at revenue generated by communities of similar size with more modern pool concepts implemented. This also means the existing pool facility is a reasonably large drain on the tax levy.

My position has long been: If municipal government is going to provide a service that takes a large amount of taxes annually to subsidize, it is a service that needs to be done well...or we should stop providing that service. In other words, status quo of the Kiwanis Pool is unacceptable from a budgetary standpoint. In an effort to

resolve this challenge and bring this facility into the 21st Century, the Kewaskum Village Board recently approved a \$2,400 contract to design a concept to upgrade/renovate the Kiwanis Pool.

We chose Burbach & Associates to guide that initial process. Burbach has designed many successful municipal pool facilities to meet specific community needs.

The Village Board has also established a nine-member volunteer pool committee to meet with Burbach, meetings which will be noticed and open to the public, to bring all the necessary input for the kind of pool Kewaskum would like to have for the future. This will be a completely open, transparent process, that eagerly awaits citizen participation.

The end result of this pool process, is a design concept, or concepts, that will, hopefully, garner consensus among the citizens of Kewaskum, the Village Board, and the Village President. I anticipate the concept part of the process taking about 1 year.

At that point, if consensus is NOT reached for a future Kiwanis pool concept, I will recommend that section of Kiwanis Park, in 2017, be directed for higher and better recreational use. Naturally, this will result in some disappointed pool users. Instead of running a community pool, we could give village resident pool users a \$10 bill, per visit, to use surrounding pool facilities and still save over \$10,000 per year. (estimating 50 percent of this year's 7,000 pool visits were Village residents).

In other words, we could 100 percent subsidize (Many municipal pools are \$5 admission, and figuring \$5 for transportation costs) our pool users to use other facilities and the Village would be better off financially. If we were to buy the regular pool users an annual, or family pass, to another municipal facility, then the budget savings would be even greater.

I'm hoping this, "shared municipal service" option will not be the explored path. If it is, Burbach will be "released" with no further commitment, other than the \$2400 we invested to take a look at the idea.

If the pool committee, with help of Burbach, generates a future concept plan that convinces the Village Board, and the community, through an open forum, we will move

KEVIN SCHEUNEMANN

to the next steps of the process, mainly a community capital campaign.

A community capital campaign may take up to three years. A natural question that comes to everyone's mind is: how much investment will this new concept require? Answer: we don't know, yet. This will depend on the input of the pool committee, the community, and Burbach's vast knowledge and experience in the area of pool design.

Ideally, 100 percent of the investment will be raised through a community capital campaign. Some communities that Burbach has worked with, have raised 100 percent of the investment through a capital campaign.

However, municipal financing may be needed to get the possible concept plan to full fruition. If that is the case, there will be a community referendum to decide if any debt financing is necessary.

If such a referendum were to be proposed, I am hopeful it will have no, to little, effect on the tax levy. One of the goals of the Village Board to Burbach is to design a pool concept

that breaks even in terms of revenue and expenses. So if the new pool concept generates \$20,000, \$30,000 or even \$50,000 more in annual revenue, this added revenue can be used to service any additional debt the municipality may take on to make the concept a reality.

I can assure everyone, this Village board will take a very conservative approach on any such referendum request, if needed, to the voters. My personal goal is to see this concept move forward with net zero effect on the tax levy.

I agree with the assessment that this is a bold idea. I'll also admit I'm not completely sold on a new pool concept, however, we are currently in an unsustainable position of substantially subsidizing a municipal service that is not meeting the elevated expectations of the community.

If we cannot migrate the Kiwanis pool to meet the needs and expectations of the 21st century, and considering the best use and demand of our limited recreation dollars going forward, we risk being without a community pool in the future.

Village President Kevin Scheunemann is married to Karen. They have raised their four children, Alyssa, Kaitlyn, Peyton, and Stuart in the Village for 14 years. Kevin is a member of the St. Lucas Evangelical Lutheran Church leadership team, longtime member of Kewaskum Kiwanis, and a local business owner. Kevin can be reached by email: kscheunemann@village.kewaskum.wi.us, or by cell phone (262) 339-5425.

Nuts In Wisconsin

The Kettle Moraine State Forest - Northern Unit's Evening with Nature Series continues with the program Nuts in Wisconsin.

The program will be held on Thursday, Oct. 8, from 7 p.m. to 8:30 p.m. at the Henry S. Reuss Ice Age Visitor Center. The center is located off Highway 67 half mile west of Dundee. This program is free, but donations are always gratefully accepted.

White oak, bur oak, red oak, shagbark hickory, butternut, black walnut, and American hazelnut all drop edibles nuts. Join Julie Peltier, DNR forester, and Jackie Scharfenberg, forest naturalist, as they delve into the natural history and ecology of our state's nut producing trees and shrubs to learn where they grow and thrive.

Discover and share some of the best techniques for cracking those

tasty morsels. End the evening by sampling a few tasty treats made with our native nuts.

For further information or directions, contact the staff at the Ice Age Visitor Center. The center's phone number is (920) 533-8322 and is open Monday through Friday from 8:30 a.m. to 4 p.m., and on Saturday and Sunday from 9:30 a.m. to 5 p.m.

Bob (Pat Perkins) continues to try to convince Dr. Wally (Steve Berres) that he is God in this scene from Almighty Bob. Bob says, "Loaves and fishes didn't do it for you? Want me to set a bush on fire?" The Kettle Moraine Players will be performing this play in the Lang Auditorium at Campbellsport High School this Friday, Oct. 2, at 7:30 p.m. and Sunday, Oct. 4, at 1 p.m. They then move the show to the Schauer Center October 9-11.

Grand Larsony Car Show Raises Record \$14,000 To Help Local People In Need

By Anne Trautner

Richard "Kissy" Kissinger, owner of the Grand Larsony in Kewaskum, held his 15th and final classic car show

in Kewaskum on Sunday, Sept. 20.

The event raised a record \$14,000 to benefit people in need in the community. A portion of this year's proceeds will go to

area residents Barry Hobelsberger, who is battling kidney cancer, and Tom Kudek, who has liver cancer. The remainder goes into a savings account that can help people in need throughout the year.

Kissinger, who owns four collector cars, goes to car shows throughout the year and promotes the event.

Over the years, his Kewaskum shows have benefited many different people, such as children whose mother was killed, someone whose house had burned down, teens who were in a car accident, a Vietnam War veteran and people battling cancer.

Kissinger, who turns 65 next year, hopes that someone from the car community will take over and continue the annual event.

Continued From... Students Grow From Tending School Garden

Elementary School students, the Boys & Girls Club, Fuel Up To Play 60 ambassadors and FFA students.

"It really is a team collaboration," said Terri Miller, nutrition services director for Kewaskum Schools.

Students harvest the food from the garden and bring it into the school kitchen. The food is then served in a salad bar to students at the high school and middle school, Miller said. Students who work in the garden are also allowed to take some of the produce home.

This summer, some of the food was given to the Kewaskum Food Pantry.

Some of the food is used for the students to taste test.

"The kids that are involved in the planting, when we have the taste testing, they are more excited about trying it," Miller said. "It's a lot easier to get that half cup of fruit or vegetable on the tray now that we have done these tastings."

The schools work with Piggly Wiggly in Kewaskum to promote healthy eating.

"It's been a great partnership. We have our veggie of the month at the school, and we partner with Piggly Wiggly. They feature that same vegetable in the store with the recipe, so that when parents go to the store, their kids say, 'Hey, I had that at school,'" Miller said. "It has benefited Piggly Wiggly as well as us."

Located just south of the school district's tennis courts, the Kewaskum garden has grown to be one of the largest school gardens in the state, Miller said.

Students have left their imprint on every aspect of the garden.

"The garden shed and picnic tables were built by high school students in the tech ed classes, so it really has been a school effort for this whole project," Miller said.

The garden was first planted in spring 2013 after the school district received \$19,416 in grant

money through the Healthy People Project of Washington County.

"With that, we have built 22 raised beds and a shed to keep all of our garden tools. We have wheelbarrows and shovels for the kids, hand tools, equipment in the kitchen so we can process all the food, the soil, mulch and seeds. A lot of money went into our garden," Miller said.

The schools no longer receive grant money, so in March, they raised almost \$1,800 at the Driven to Better Health Night to help with gardening and education costs.

Some of that money goes to support a partnership the schools have formed with Wellspring Organic Farms in Newburg so that students have gardening training in the classroom, as well as hands-on experience through field trips to the farms, Miller said.

"The whole purpose is to educate kids about where their food comes from and get them excited about gardening," Miller said. "It helps kids understand, I planted this, and now this grew out of the ground. They don't really realize that is where food comes from. So it is an eye opener for a lot of them."

"It's been really exciting. When we hear about what other schools are doing, when it comes to school gardens, I really feel like we have one of the biggest school gardens out there. Grafton has

three raised garden beds. We have 22 raised garden beds. So the potential is enormous for the amount of harvesting that we can do, that we can bring back to the schools," said Paula Carlton, an advisor for the Fuel Up To Play 60 program at the middle school and founder of the Best yoU Food Force. "I so do appreciate that it is being infused in whatever way it can be into the daily teachings that are going on."

"I would say that this involvement between the community, the school and the food service is second to none. It is truly outstanding," School Superintendent James Smasal said.

For the middle school Garden Club, the garden is a lot of fun.

"My favorite is watering the flowers and planting," Ethan Allen said.

As students worked in the garden last week, they discussed invasive species, such as Japanese beetles, that can be harmful for their crops.

Eighth-grade Colin Niekamp is the animal lover of the bunch and finds all the grasshoppers and moles in the area.

"I know how to catch the grasshoppers," he said.

The students agreed that grasshoppers may not be the best thing for their garden.

"Grasshoppers are good food for bluegills, though," Sam said.

"Almighty Bob" Opens Friday At CHS

When asked what this comedy by the Kettle Moraine Players is all about, director John Brandl put it this way:

"Bob is in a nursing home and he thinks he's God," Brandl said. "The problem is, based on what he does, miracles and all, maybe he really is."

Brandl says the play will make you laugh a lot and it will make you think just a little and ultimately, in the end, it will make you smile.

Almighty Bob will be presented in Campbellsport High School's Lang Auditorium at 7:30 p.m. on Friday, Oct. 2, and 1 p.m. on Sunday, Oct. 4, before moving on to the Schauer Center for performances on October 9th, 10th and 11th.

Tickets at Campbellsport range from \$10 to \$15 and are available at the door or at KettleMorainePlayers.com

Colleen (Kerry Miller) says to Bob (Pat Perkins) "This. Fish, fish, and... oh look, more fish! Portions a little small for you? Trying to solve world hunger all by yourself?" This is just one of the funny scenes from the play Almighty Bob, being performed by the Kettle Moraine Players this Friday and Sunday in the Lang Auditorium.

Kewaskum STATESMAN

Indians Blast Waupun With First-Half Explosion

By Judy Harlow

Behind a dazzling display of offense, the Kewaskum High football team ran all over host Waupun last Friday night, scoring eight touchdowns in the first half toward an impressive 62-7 victory, their sixth straight of the season.

"We were clicking really well," KHS coach Jason Piittmann said, and that may have been the understatement of the year. The Indians needed just 18 seconds to get on the scoreboard, using a nifty 55-yard run by Brandon Thull on the first play from scrimmage to take a 7-0 lead. "He was untouched," Piittmann said.

The second TD was a little more unconventional. The Indians had held Waupun for three downs, forcing the Warriors to punt. Steven Nurkala gathered in the football and followed a blocking wall to the 50-yard line when one of the Warriors hit him from the side, and he coughed up the ball. Teammate Josh Baker was right there to pick it up.

"Baker happened to be on his outside... one bounce (of the ball), and he was gone," Piittmann said, noting he wasn't certain exactly what happened until he watched the film because the play occurred on the other side of the field.

Baker's gallop to the end zone made the score 14-0, and the Indian offense had still another big play coming.

With 4:46 remaining in the first quarter, Michael Prochnow hit Nurkala with a medium-range pass that wound up as a 76-yard scoring strike. "He ran a route right up the seam about 15-20 yards, (caught it) and he was gone," the coach said.

This score came after Waupun held Kewaskum on downs but roughed the punter. "We only punted once, and when we did they roughed our kicker (Eric Doll), and we got the ball back," Piittmann said.

While a 21-0 lead after the first quarter looked good, 55-0 at half looked even more impressive, and that is exactly what the score was at intermission.

Thull had back-to-back touchdowns of 20 and 42 yards early in the second quarter, then QB Michael Prochnow warmed up his

arm with a couple scoring passes of 32 and 44 yards. Charlie Witek was the recipient of both of them. The three passing TDs give Prochnow 12 for the year, and he is within sight of going over the 1,000-yard mark, with 919 in the six Indian victories.

Thull got into the act one more time before retiring from action for the night. With just under three minutes remaining, Waupun made the mistake of punting the ball to the 180-pound speedster, who zigged and zagged his way 74 yards to the end zone.

"We ran through a lot of tackles. On Brandon's punt return, I think he broke four tackles on the way," Piittmann said, indicating Waupun is a young team with some size but not a great amount of mobility.

The KHS starters turned into spectators in the second half, cheering on the reserves who got the opportunity to see a lot of action.

"They put together a really nice drive in the third quarter," Piittmann said. Alex Vogt, who had a 10-yard touchdown run, "ran hard," according to the coach, who also reported Doll, normally a tight end/punter, played some quarterback and completed two of three passes.

Waupun's lone tally came via a pass from Reece Homan to Jak Lenz with 6: 28 remaining. It covered 27 yards.

And was the 62 points the most scored by a Kewaskum team in recent years? Piittmann thought it was until someone reminded him about another big game vs. Waupun. "We beat Waupun 66-6 back in 2011," the coach said, indicating that was the year Eric Perkins was a senior.

On the night, Thull rushed for 143 yards in just eight carries for a 17.9 yard average. He currently has 1,028 yards rushing for the year in 107 carries.

Vogt was next high, grinding out 47 yards in seven carries, while Branden Brzozowski had two catches for 24 yards.

Prochnow completed five of nine passes for 167 yards. His quarterback rating for the night was a glossy 140.0. Kewaskum had 402 totals offensively.

Defensively, linebacker Ben Watzig had another big game. "He was amaz-

ing," Piittmann said, reporting Watzig had 10 tackles, including two solos, in one half of football.

Brady Hanson had an interception while Ben Gonnering did well at his new position as nose guard, and Piittmann said, "Patrick Krier had one of his best games."

Waupun had 156 yards passing and 127 rushing, and Piittmann said most of those yards came in the second half against his reserves.

The win clinches a spot in the playoffs for the Indians, who have qualified for the playoffs the past 11 years, and it sets the stage for a first place battle in the new East Central Conference between Kewaskum and Berlin as both teams are 4-0.

"They're tough," Piittmann said of the opposing Indians "Their attack is very balanced. They have a good quarterback and three good running backs."

On paper, the two teams looks comparable. Kewaskum is averaging 42.3 points per game, had 969 yards passing and 1,389 yard rushing, while Berlin is averaging 43.5 points per game, has passed for 809 yards and rushed for 1,513.

Kewaskum will host the game on Friday night for the Indians' Homecoming. **KEWASKUM 21-34-7-0 — 62**
WAUPUN 0-0-0-7 — 7

Current EC standings:
1. (tie) Kewaskum and Berlin, 4-0; 3. (tie) Plymouth and Winneconne, 3-1; 5. (tie) Ripon and Kettle Moraine Lutheran, 1-3; 7. (tie) Campbellsport and Waupun, 0-4.

Michael Anderson takes the ball down the line for Kewaskum in a game against Plymouth on Sept. 24.

After Long Drought, KHS Soccer Team Tops Lomira, Takes Third At Denmark

By Judy Harlow

The last week started out well for the Kewaskum High soccer team, and it ended well. In between, the Indians ran into some of the elite teams in the new East Central Conference and were unable to stay close to them.

On Saturday, September 26, Kewaskum played some of its best soccer and took third place in the annual Denmark Tournament.

"We go there every year. We match up well with the teams there," KHS coach John Kenworthy said, reporting his Indians shut out Denmark 3-0 in the first round, lost a 2-1 decision to Random Lake and survived a shootout with Peshtigo to claim third place.

GOLF SCORES

Hon-E-Kor Men's Senior League Scores Sept. 28

Low Gross: 38 Bob Roloff, Joe Volesky; 40 Clark Pearson, Pete Kostelic; 42 Jingles.

Points Over Quota: 6 Dan Casey, Dennis Rintelmann, Bob Roloff; 5 Kim Kohl; 4 Bob Beisbier, Norm Fedderly; 3 Tom Jansen, John Conwell, Ralph Schmidt, Tom VanAlstyne, Jim Robertson, Manny

Alvarado, Bob Scannell, Don Baierl.

Long Putt: Jingles, Bob Bodden.

Hon-E-Kor Men's Senior League Scores Sept. 21

Low Gross: 37 Bob Beck; 42 John Trimble; 44 Dave Domasky, John Conwell.

Points Over Quota: 5 Dick Zimmermann, Bob Beck; 4 Dave Domasky.

Long Putt: Al Broecker, Bob Beck.

Joe Sanborn scored a pair of goals in the first half of the Denmark game, according to Kenworthy, who said J.J. Heberer added goal number three, his first of the season, after the break.

"Our entire defense played really well," Kenworthy went on. "I have to single out Keaton Flanders for keeping his composure and keeping everything in front of him."

"We also got some good minutes out of sophomore Gavin Curtin," the coach said, explaining he is helping out on the varsity with Hayden Koralewaski and Dylan Baertschy who aren't at 100 percent because of injuries.

"Then we got to play Random Lake for the third time this year," Kenworthy said, reporting the Indians lost 2-0 but, "We did better than the previous two meetings.

Kenworthy said when the Indians played the Rams early in the year, they would have offensive surges of two or three passes and that would be it. This time, the team had strings of four, six and even seven passes.

"That's a positive we take from that game," he said. The loss put Kewaskum against Peshtigo in the game to determine third and fourth places.

Sanborn scored first to give KHS a 1-0 lead. "He went one way and the keeper went the other," Kenworthy said of the goal.

Unfortunately, the Indians couldn't hold their advantage, and Peshtigo tied the game, and the score was 1-1 after the second half, setting the stage for penalty kicks to determine the outcome.

Sanborn went first and missed, according to Kenworthy who said he was a little surprised since Sanborn has been the team's most consistent

offensive player. Pestigo's first man made his goal for a 1-0 lead, but the Indians came back when Heberer and Koralewski were good as gold with their shots for a 2-1 advantage.

Pestigo's number two man booted the ball toward the goal and it hit the post and "bounced all over the place but did not go in," Kenworthy said, and the Indians got the win when Nate Heniadas made his try and Pestigo's man missed.

"It was nice to get third place. It will pretty much prepare us for Monday's game (September 28) against Columbus," the coach said.

Kewaskum lost to KML 9-0 and to Plymouth 8-0, and Kenworthy complimented both programs. They are currently the top two teams in the EC.

On September 21, the Indians scored six goals to overwhelm Lomira 6-3. Sanborn went on a scoring spree, tallying four goals while Heberer and Matthew Krautkramer also got in the scoring act with single goals.

"I was so proud of them," Kenworthy said. "They played the way we have been practicing for the last few weeks. It totally clicked!"

The KHS coach cited Noel Bindrich for some great play. "Great discipline and decision making. He made a killer pass to J.J. Heberer that had the whole team on their feet," he said, also praising freshman Austin Fischer who had an assist to Sanborn on a beautiful throw-in.

"Beyond that, we played with pride and yet humility," Kenworthy said. "We know what it is like to get beat like that."

After the six games last week, Kewaskum is 0-9 in conference and 2-12-2 overall.

Kewaskum Indians Roll Past Two More EC Foes

By Judy Harlow

With a pair of convincing wins during the past week, the Kewaskum High girls tennis team has improved to 7-2 in the 11-team East Central Conference, wrapping up at least a tie for fourth place with one match remaining against league-leading and unbeaten Roncalli.

The Indians traveled to Chilton on Sept. 24 and earned a 6-1 victory over the 1-6 Tigers.

First year KHS coach Peter Garcia recalled how his team lost a close 3-4 match against Sheboygan Falls to open the season and figuring Kohler and Roncalli would also be strong, set a goal of finishing fourth. Each match they got closer to the goal, according to Garcia, who said "Even when Jerary (Riffel) went down, we kept our focus, and I could not have been prouder of the team after winning two matches played during her absence."

When they arrived at Chilton, Garcia said he simply turned to the girls and said, "Let's do this. They knew exactly what I meant," answering, "Yeah."

In the latest standings, Roncalli was 6-0; Kohler, 8-1; Kewaskum and

Sheboygan Falls, 6-2; Plymouth, 4-2; and Ripon, 4-4. The other six teams are all below .500.

The doubles teams currently have the best records on the KHS team. After winning by forfeit, Cassidy Lange and Hannah Preder are 8-1 at number three while Julia Cotter and Laura Weishan are 7-2 and Morgan Wenzlaff and Sammie Wiskirchen, a first-year tennis player, are 7-1.

The Indians were scheduled to entertain Roncalli on September 29, then go to the Pleasant Valley Tennis Courts in Jackson for the Division 2 sub-sectional on October 5.

Kewaskum 6, Chilton 1

Singles: No. 1 Jerary Riffel beat Hannah Reilly, 6-1, 6-0; No. 2 Hunter Garcia lost to Molly Jahn, 6-7 (4-7), 3-6; No. 3 Maddy Lehmann beat Brooke Calaway, 6-0, 6-0; No. 4 Breana Trepes beat Sam Davis, 6-0, 6-2

Doubles: No. 1 Julia Cotter/Laura Weishan beat Heather Mathes/Annie Krause, 6-4, 4-6, 6-2; No. 2 Morgan Wenzlaff/Sammie Wiskirchen beat Carla Morittu/Rachael Wagner, 6-0, 6-0; No. 3 Cassidy Lange/Hanna Preder won by forfeit

With help from the school's trainer, Emily Anderson, Riffel rejoined the team for the match vs. Kewaunee on September 22, helping the Indians to a 7-0 shutout.

Garcia gave special recognition to Anderson for getting Riffel back in action after losing one week "to a severely sprained ankle diagnosed to be a two to three-week recovery period."

Kewaskum won every match in straight sets, with Riffel leading the way, losing just one game in her 6-1, 6-0 decision over Sam Ferron.

Kewaskum 7, Kewaunee 0

Singles: No. 1 Riffel beat Ferron, 6-1, 6-0; No. 2 Garcia beat Jenny Kleiman, 6-2, 6-2; No. 3 Lehmann beat Ellie Waleska, 7-6 (7-3), 6-2; No. 4. Trepes beat Olivia Koski, 6-0, 6-1

Doubles: No. 1. Cotter/Weishan beat Savannah Baumann/Abby Joski, 6-1, 6-1; 2. Morgan Wenzlaff/Sammie Wiskirchen beat Andrea Ledvina/Emmy Kickbusch, 6-0, 6-1; No. 3 Cassidy Lange/Hannah Preder beat Katelyn Hrivnak/Emma Hrivnak, 6-0, 6-0

Patrick Krier tackles a Winneconne player on Sept. 11. Kewaskum won the game, 27-6.

Lady Indians Use Different Defense To Upend Waupun

By Judy Harlow

A tactical change defensively helped the Indians volleyball team to a big win at Waupun on September 24. It has been years since the Indians defeated the once-dominant Warriors.

All three games were extremely close, and the Indians, despite their youth, prevailed in all three, 26-24, 27-25 and 25-23.

"It was a great match for us," KHS coach Laine Leitzke said. "We are still fighting through injuries, and this is our second match running this lineup. They fought hard the entire match. We hit .167 as a team, which is solid."

Leitzke went on that "Our defense was there for our hitters, and Krystina Lepp and Amanda Schaller took advantage with a combined 49 attempts. They led the team in kills with eight and seven, respectively, while Sarah Butschlick was next with six.

Senior Haley Kleinhaus was tops in assists with 25, while the dig leaders were Ellie Landreville, and Schaller with 18 and eight, respectively, and then Kleinhaus and Makayla Dogs with seven and six.

Hailey Schicker came up with three blocks, and Schaller had two.

The team has just four total aces, two each by

Schicker and Kleinhaus.

Cited for their excellent play on defense were Brittany Williams and Landreville, alone with Dogs and Schaller.

"We made a tactics switch before the match during warm-ups and it worked out well for us. They did a great job," Leitzke beamed.

The Indians' win was their first this season in East Central play. Currently they are 1-3 in East Central play.

The Indians competed in the Titan Tussle on the UW-Oshkosh campus on September 26. No report was received from coach Leitzke on these matches.

Kewaskum Youth Soccer Results From September 26th

U7 fireballs lost in a nail biter to Slinger. Kaylee Jo Flood scored the lone goal for the fireballs. Madalyn Dercola had an almost goal that was kicked away just in front of the goal line. Shaye Bartel, Cecilia Broughton and Lydia Geidel were ultimate trio on offense. Gregory Howell, Delia McHenry, Elsa Rettler and Aaron Schmidt were strong on defense.

U7 Suns won 3-0 against the Slinger Knights. The entire team played hard. Goals were scored by Kingston Grisolono and Marisol Gurrola.

U8 twisters won against Erin 5-3. Jonathan Gudex, Derek Trapp and Carson Maine each scored a goal.

Eli Steinbauer scored two goals.

U9 Flash won 5-1 against Slinger Pumas. Four goals were scored by Casey Schmidt. The other goal was a team effort from Emma Sielski and Nick Paul. Great game Flash!

U10 girl Warriors won 4-3 against Richfield Wildcats.

Emilie Steinbauer had the first goal of the game. Jadin Czuppa added another three goals with one of them being a great assist by Izzy Butler. Bella Rassmussen and Josie Volesky played great defense to hold the Wildcats.

U10 Spartans suffered a crushing loss at home to the Slinger Wave, 0-10.

Calla Kreuser and Dawson Stahl played tough defense and Adam Deppert made some amazing saves but their efforts weren't enough. The offense was not able to find any holes in the other teams defense.

U14 Fusion girls had their first game at home this week hosting Slinger. Ari Krueger started the game off with a goal. Gwenn Manteufel played hard on offense keeping that ball moving and assisting Maya Bell with another goal. Andrea Butz played hard all around and Nicole Butz got her work-out in as goalie with several saves for the Fusion team winning 2-0.

Fifth-Grade Football Team Falls Short In Final Minute

Entering the third week of the season the Indians hosted the Cardinals for Parents Day. Both the Indians offense and defense were raring to go but it was the defense that dominated the game. In fact, the game was scoreless up until late in the fourth quarter.

The Indians were driving the ball in their first series but were stopped in their tracks when a pass from quarterback Owen Parish to receiver Dylan Raether was intercepted. The Cardinals took over on the 42 yard line but had nowhere to run the ball as Nathan Heller, Leo Otten and Hunter Loser stopped their running back on consecutive plays to hold them on fourth down.

The second quarter was much like the first as both teams traded possessions ending the half with no points on the board.

The Indians defense once again was showing its strength in the third quarter as Jordan Gerlach, "Freight Train" Fedorski and Hunter Loser pushed the Cardinals back to 4th and 15. Unfortunately the Indians running play was not effective. Dylan Steger

launched a 30-yard punt and helped push the Cardinals further back into Indian Territory leaving the scoreboard 0 to 0.

The beginning of the fourth quarter the Cardinals proceeded to move the ball toward the goal line. But back-to-back tackles by Donovan Zillmer, Heller and Loser were able to put a halt to their touchdown attempt at

fourth and goal. After a quick turnover, the Cardinals had the ball once again and were able to come away with a touchdown with one minute left to play.

The Indians definitely want to rebound from their 8-0 loss to the Cardinals as they prep to play against the Cedar Grove/Belgium team next weekend.

TAKING CALLS 7 DAYS A WEEK

Hailey Herriges keeps a steady pace during a cross country meet in Kewaskum on Sept. 24. The KHS girls team placed second overall in the meet behind Valders.

photo by Anne Trautner

Reck Posts Back-To-Back Top-10 Runs

By Judy Harlow

Participating in the sport of cross country takes discipline and determination, and when a team has two meets in a week, plenty of stamina is needed too.

Kewaskum High teams showed plenty of the latter the past week when they ran in the Kris Greening Invite on the Tuscumbia Golf Course in Ripon on Saturday, four days after running in Waupun.

Waupun, strong again this year, won the boys title with 65 points, seven in front of Wisconsin Rapids Assumption. Kewaskum was ninth out of 11 teams with 231 points.

Sophomore Justin Reck turned in another top-10 effort, placing eighth with a time of 18 minutes, 10.69 seconds (18:10.69). Earlier this season, he was in the 17s at Sheboygan Falls but the course was shorter than the required 5,000

meters, so this was his best time of the year.

"He's (Reck) not only consistent but improving as well," KHS coach Kris Evans said. "He's a strong runner."

Also moving his time down is fellow sophomore Kyle Toth, who dipped under 20 minutes with his time of 19:35.69, good for 28th. "He too is getting better," Evans said.

The other KHS counters were Jacob Loehr (21:38.51), Anthony Leister (21:38.12) and Blake Miller (22:35.94) place 58th, 60th and 64th, respectively.

The big story for the girls was that senior Emily Krier did not run. Evans said she has been playing soccer and running CC this fall, and he kept her out basically because of an over use injury to her calf. The coach said the move was made "Basically so she's healthy when the conference meet (at

Plymouth) comes around."

KHS finished fifth of nine teams with 120 points. Mayville was the winner with 48.

Hailey Herriges had another good outing, placing ninth with a 22:24.62. "She's doing a phenomenal job," Evans said, "and it's the first time she's run cross country."

Once again Haley Plachinski (22:35.34) and Ellie Debelak (23:39.79) are the next two runners. This time, they were 14th and 21st, respectively, while Melissa Schneider finished 29th in 24:00.19, and Sydney Rosenthal finished 56th in 27:29.68.

On September 15, the Indians had a trio of top-10 runners in the Phil Leader Invitational held at the Fond du Lac County Park and hosted by Waupun.

Krier came home with a second place medal after turning in a time of 21:22, 28 seconds behind the winner, Hannah Smith of

Waupun, while Herriges placed ninth, hitting the finish line in 23:23.

On the boys' side of the ledger, young Reck continues to hold his own, covering the 5,000 meters in 18:42, good for eighth place. Clark Otte of Sheboygan Falls turned in a sizzling time of 16:39 to lead the field.

There were seven girls teams and eight boys teams (some entered two full teams), with Mayville the girls' champion with 56 points, and Kewaskum second at 76. "That was great," coach Evans said.

Waupun took home the boys' title, scoring 48 points, while the Indians were sixth with 154.

KHS is hosting the annual Indian Invitational this afternoon (Thursday) with the girls race starting at 4:30 p.m. and the boys at 5 p.m. The meet will be held behind the high school.

Krier Returns With A Win In The Drexler Meet

By Judy Harlow

Even though there was a sparse turnout for last week's annual Dave Drexler Invitational, members of the Kewaskum High cross country teams turned in all-out efforts in the event held on the grounds around the Kewaskum Middle School and High School.

Senior Emily Krier won the girls' 5,000-meter race with her best time of the year, and three of the other four counters also posted season-best times helping the team to a second-place finish.

In the boys' race, sophomore Justin Reck dipped under 18 minutes, a personal best for him, and three of his teammates all bested their previous low time.

Valders won both ends of the meet. The Lady Vikings came in with 33 points, 12 fewer than the host Indians (45). Howards Grove was third with 61, followed by West Bend West, 98 and Elkhart Lake/Glenbeulah, 126.

The Valders boys had a monopoly in the top 10, going 1-2-7-8-9 for 27 points. West Bend West was next with 39, while KHS placed third with 74. Trevor Wenzel of Valders took top individual honors, covering the course in 16 minutes and 43 seconds (16:43).

Krier, who sat out the last meet to rest a tired calf, hit the finish line in 20:38. Earlier this year, she had a faster time at Sheboygan Falls, but it was later learned the course was short of 5,000

meters.

"She (Krier) had a phenomenal meet. I was real happy for her," KHS coach Kris Evans said.

Junior Hailey Herriges also had a good outing, placing third with a 21:53, then came Ellie Debelak, Haley Plachinski and Melissa Schneider in 13th, 14th, and 16th, respectively, with times of 22:23, 22:23 and 22:49. The latter three times were all personal bests.

Evans was especially proud of Schneider, who was injured to start the year and is now showing a lot of promise. Schneider and Valders' number five runner, Riley Kelly, had the same time, but Schneider got the better place, and Evans said, "It was a heck of a sprint to the finish."

Reck continues to lead the KHS boys. In this race, he placed fourth with a 17:55, which is 15 seconds under his previous best of 2015 and a minute and a half faster than his best time from last season.

"If he (Reck) keeps training the way he is, I see no reason why he can't keep setting PRs in every race," Evans said.

Kyle Toth, who is new to the sport this season, hit the finish line in 19:27, good for 23rd place, while Blake Miller (20:16), Anthony Leister (21:05) and Jacob Loehr (21:14) were 30th, 38th and 39th. Toth, Miller and Leister all posted PRs.

The Indians are at Homestead Hollow near Germantown this afternoon (Thursday) for the Slinger Owl Invitational.

Anthony Leister sprints toward the finish line at the cross country meet in Kewaskum on Sept. 24.

Kewaskum Youth Soccer Team Shines In Tournament

On Saturday, Sept. 26, the U-14 co-ed Kewaskum Youth Soccer team took on the Erin Leprechauns and won with a score of 6-0.

The Knights have a strong defensive team lead by goalie Isaiah Cochran letting nothing past him. Andrew Bolek, Tayllor Fischer, Kaylee Du Charme, Austin Gatzke, and Lucas Becker step-

ping up as a strong defensive team. Goals were scored by Mark and Brett Moran, Andrew Carlton, and Trevor Geldnich.

The Knights really shined at the tournament in Erin this weekend. In the first game, they took on Jackson with a score of 6-0, the second game we took on Richfield Rain, winning with a score of 4-0.

Again, goalie Isaiah Cochran let nothing past him. The defensive team was strong and the offensive team played hard. The team's midfielders Emma and Elena Vlotho, Hunter Koss, Colin De Young, Logan Busalacchi, Emma Penefield and Gannon Kreuser were right there being strong and aggressive, backing up both our offensive and

defensive teams.

Although KYSO Knights, had the best record, had the most goals scored, had two shutout games, due to Erin's tournament rules of how many goals scored in the first half of the game, the team did not advance into the championship round. However, the Knights remain undefeated.

Eighth-Graders Fall In Close Football Game

The eighth-grade Gridiron Indians came up a little short against Thiensville-Mequon falling 22-20 in a back and forth exciting football game. The loss drops the Indians record to 2-1 on the season.

The game started out with the defenses controlling the game and not allowing either offense to get anything going in the first quarter as the game remained scoreless until early in the second quarter. That is when running back J.J. Thull was finally able to get loose and score the first touchdown of the game on a long 60 yard touchdown run. He also kicked the two-point kick through the uprights to give the Indians an 8-0 lead.

On Thiensville-Mequon's next possession they were able to sustain a nice drive and were finally able to put some points on the board with a rushing touchdown of their own but the two-point kick was no good so the Indians still had an 8-6 lead.

The Indians' next possession ended in a punt and Thiensville-Mequon had one more chance before halftime to get another score. A nice screen pass resulted in a gain of about 40 yards to put them in position to

score but on the last play of the half they tried a half-back pass throwing it back to the quarterback but defensive back Toree Ralph made an excellent open field tackle to keep them out of the end zone and the score remained 8-6 at halftime.

The Indians received the second half kickoff but had to punt. On Thiensville-Mequon's first possession they got a couple of first downs but then were forced to punt.

Thull received the punt, tip-toed the sideline and returned it all the way for a 70-yard touchdown. The Indians attempted the one-point conversion but came up a little short so the Indians lead was 14-6.

On Thiensville-Mequon's next possession they answered right back with a couple of first downs and then completed a pass for a 30 yard touchdown. The 2-point kick was good to tie the game 14-14 heading into the fourth quarter. Late in the fourth quarter Thiensville-Mequon had the ball and on a third and 15 were able to convert a long pass that took the ball down to the Indians 10 yard line.

A couple of plays later they were able to run it in for a touchdown and they also converted the 2-point

kick to take a 22-14 lead with just over a minute remaining. On the kickoff, the Indians return man Jed Ermer was able to get a very nice return set up by some nice blocking and the Indians had the ball on Thiensville-Mequon's side of the field.

A couple of pass attempts fell incomplete but then on a third down play quarterback Ty Cook dropped back, received some nice protection from the offensive line and threw a pass deep down the field and tight end Jay Horning won the jump ball over the defender and hauled it in and fought his way into the end zone for a 40-yard touchdown to make the score 22-20 with just over 10 seconds remaining in the game. Unfortunately, the two-point kick to follow was blocked by Thiensville-Mequon and they held on for the 22-20 victory to improve their record to 3-0.

The Indians put forth a great effort in a hard hitting and very well played football game that only saw a couple of penalties and no turnovers by either team. The Indians will look to get back in the win column in their next game when they travel to face Cedar Grove-Belgium on Saturday, Oct. 3.

Austin Fischer saves the ball from going in the goal with a header in a Sept. 21 non-conference game against Lomira. Kewaskum won the game, 6-3.

photo by Anne Trautner

Wilde Takes Home A Silver Medal For Play In WLT

By Judy Harlow

As expected, the Hartford Union High girls golf team won the Wisconsin Little Ten Conference tournament last Wednesday, finishing off a perfect season in the conference after also taking first in all six mini-meets.

The Lady Orioles posted a 345 on their low four scores in the 18-hole test held at the Washington County Golf Course to win going away. Oconomowoc finished a distant second at 367, followed by the combined West Bend team, 372; Watertown, 379; Beaver Dam, 384; and Kewaskum, 476.

The medalist on the day was Beaver Dam's Ashley Kulka, who posted a sizzling five-over par 40-37-77.

While the Indians finished last, they did have one player among the top five individuals. Veteran Leah Wilde finished fifth in the field by shooting a super round of 85 on nine-hole scores of 46 and 39.

On the back nine, Wilde had a birdie three on No. 10 and a birdie two on No. 16 and had pars on Nos.

17 and 18.

"Leah has been our rock all year and continues to play her best golf deep into the season," KHS coach Amy Uhlig said. "She's excited for the upcoming tournaments, and I hope that she continues to perform at this level. It should be an exciting end to the season."

Wilde made second team all-WLT for the third year in a row. She had a total of 318 strokes (a 45.6 stroke average) from her nine-hole scores, throwing out the highest one. She was eighth among thirty players who were in enough meets to qualify. Kulka was the medalist with 274 strokes.

Wilde said she started on No. 16 where she got her first birdie. "The ball bounced onto the green to within four feet of the hole," she said, adding she was very surprised with her fast start.

Wilde has played in the WLT since her sophomore year, and the fifth place was her best in the tournament.

Sophomore Taylor Cook was the second Indian scorer, putting together

nines of 64 and 54 for a 118. "Taylor had the best round of her career and I hope that she rides this momentum into the remainder of the season and next year," Uhlig said.

Grace Kober, who had missed the last meet because of illness, still did not feel 100 percent but still came in with two rounds in the 60s, 65 and 61 for a 126, and freshman Tina Bolek, playing 18 holes for the first time, had a 76-71-147. "I'm very proud of her for finishing and staying positive," Uhlig said, indicating she was proud of the hard work the girls put in this year.

Wilde was also excited to have her teammates compete in the tourney, especially after playing alone all of last season and most of this one. "Being able to finish with a full team was amazing," she said.

Final WLT standings: 1. Hartford, 8 points; 2. West Bend, 20; 3. (tie) Watertown and Oconomowoc, 29; 5. Beaver Dam, 34; 6. Kewaskum, 48.

Eagle Plate Sales Take Off; On Pace To Exceed Predecessor's Performance

Sales of Wisconsin's new eagle design license plate are taking off and on pace to exceed the first year performance of its predecessor Endangered Resources plates, state endangered resources officials say.

"We're pleased with the early results and happy to give people an opportunity to buy a great plate and help care for one of the great things they love about Wisconsin," says Owen Boyle, acting director of the Department of Natural Resources' Natural Heritage Conservation program.

"People have been telling us they think the plate is beautiful and they are proud of the eagles' comeback in Wisconsin. They want to be part of caring for nature and building the next conservation success through their donation."

Sales of the specialty plate donate \$25 annually to the Endangered Resources Fund, which pays for work by DNR Natural Heritage Conservation staff and partners to care for native species, including rare plants and animals and state natural areas like Parfrey's Glen in Sauk County, Bailey's Harbor Boreal Forest and Wetlands in Door County, Rush Creek in Crawford County and Van Vliet Hemlocks in Vilas County.

The Wisconsin Division of Motor Vehicles started

processing applications for the plate and have issued 427 eagle plates since then, according to Cody Castillo, lead worker in the division's special plates unit. In the first year of the badger design, 1,800 plates of that design were sold.

To learn more about the eagle plate and how to order it, go to dnr.wi.gov and search "eagle plate."

Share Your Eagle Plate Photo And We'll Send You A Tote Bag

"We very much appreciate people buying the plate and helping promote it," Boyle says. "We invite people to share a photo of them with their plate to show what nature means to them."

DNR is displaying photos of citizens who posed for portraits with the eagle plate and inviting people who buy the plate to take a photo with their plate in a place that illustrates their connection to nature. Those photos will be posted on the DNR Facebook page.

To submit photos for the "Talon Your Eagle Plate Story" promotion, motorists who buy the plate can go to the DNR Facebook page (facebook.com/WIDNR) starting today. People wishing to submit photos through Facebook can post to the DNR Facebook page and use the hashtag #Wleagleplate. Photos also may be submitted via mobile device using this link: woobox.com/v3qqhs.

People also may submit their photo via Twitter or Instagram by posting their photo and using the hashtag #wieagleplate.

Anyone submitting photos must be at least 16 years old and must own the license they photograph. They will receive a free tote bag featuring the eagle plate design.

"Our native species and special places are a big part of what people love about Wisconsin," Boyle says. "The plate and this promotion give people the opportunity to share that with others."

Full-Time
REPORTER
IMMEDIATE OPENING

We are now accepting applications for a full-time reporting position. Duties include: feature writing, meeting and sports coverage, and taking photos.

We are looking for someone who is organized, creative, sincerely interested in our surrounding area and willing to make the extra effort to achieve excellence (including working evenings and weekends).

The ideal reporter will have a good sense and awareness of the community and be able to develop story leads. The candidate should be able to handle pressure (deadlines, demanding customer requests, ect.), develop a friendly relationship with readers, show courtesy to community members and be a team player.

The writing assignments will span from school to city government coverage to sports and feature writing. Three to five years writing experience, journalism degree preferred (not required), good social media skills and a basic knowledge of Quark/InDesign or Photoshop is preferred.

Just Between Friends' Germantown/ West Bend/ Port Washington Fall Sale Started Wednesday

The fall Just Between Friends (JBF) giant, five-day consignment sale started Wednesday, Sept. 30, and will run through Sunday Oct. 4, at the Washington County Fair Park. The sale offers gently loved and new children's and junior clothing, maternity clothing, toys, strollers, car seats, shoes, DVDs, board and electronic games, books, children's shoes in infant to size 7, and much more at tremendous savings.

Hours for the sale will be Wednesday and Thursday, 9 a.m. to 7 p.m.; Friday, Oct. 2, 9 a.m. to 5 p.m. Then, on Saturday Oct. 3, from 9 a.m. to 4 p.m. and Sunday, Oct. 4, from 9 a.m. to noon there will be a half-price sale on many remaining items. On Wednesday, Sept. 30, a \$3 admission fee will be charged; otherwise, admission is free the other four days.

"We usually have about everything from maternity clothing to the latest fashions from Justice or Gymboree, plus Fisher Price and Little Tikes playground toys, and trendy selections for juniors," Ammie Maltz, organizer of the Washington County sale said. "The fall sales always offer a huge selection of Halloween costumes and winter gear, too" added Maltz.

All items are inspected before the event for current fashion, stains, tears and inclusion of all parts. Items are organized like a children's store, where everything is divided by gender and size.

JBF is working with the Salvation Army of Milwaukee County again this year to further awareness of the Salvation Army's efforts to help those in need. The Salvation Army will be among community organizations that will receive donations of unsold items following the JBF sale.

More information about the Just Between Friends' sales can be found at www.jbfsale.com. A final JBF fall consignment sale for Waukesha County will be held Oct. 21-24 at the Waukesha County Expo Center.

Gleason Reel

Gleason Reel Corp., a Hubbell Company, a worldwide leader in Cable and Hose Management Systems, has an immediate opening for a:

CUSTOMER SERVICE REPRESENTATIVE

Responsibilities include answering incoming customer telephone calls, establish and maintain positive working relationships with outside representative and customers. Communicate with customers, interpret and analyze inquiries such as quotations, application, literature requests, instructions, and pricing. Acknowledge customer orders advising status, changes, and pricing when required. Address and resolve customer inquiries, problems and complaints regarding products, services, billing, product applications, etc. Address and resolve complaints and make recommendations regarding the return of equipment and the issuing of credits to customers to maintain customer goodwill. Enter/provide all required information to create and maintain the customer database, ensuring accuracy and timeliness. Prepare documents, letters, correspondence, etc. as needed.

A composite of Janet Wagner's photographic images documents the lunar eclipse on Sept. 27. Wagner took the pictures of the eclipse from her front yard in West Bend. There will not be another supermoon eclipse until Oct. 8, 2033.

photo by Janet Wagner

Area Residents Look Skyward At Rare Lunar Eclipse

By Anne Trautner

People in the Kewaskum area had front-row seats for the supermoon eclipse on Sunday, Sept. 27.

Janet Wagner took advantage of the rare opportunity and set up her camera and took pictures of the eclipse from her front yard in West Bend. She created a composite of the pictures she took of the eclipse.

She won't be able to capture images of the phenomenon for another 18 years.

A supermoon occurs when the moon is closest to the earth in the moon's lunar orbit. On Sunday, the moon was about 225,000 miles away from Earth rather than its average 238,855 miles.

Sunday's moon was also a harvest moon, the first full moon at the start

of autumn. A harvest moon often has an orange glow due to dust particles in the atmosphere.

During Sunday's eclipse, the moon took on that reddish glow, earning the moon's nickname, a blood moon.

The eclipse lasted several hours, ending in Wisconsin around midnight on Sept. 27.

People on the other side of the world, in Africa, Europe and Middle East were able to view the eclipse during the early hours of Sept. 28, before the sun rose.

The last time a total eclipse of a supermoon occurred was in 1982. It will not happen again until Oct. 8, 2033.

The next total lunar eclipse that will be visible from Wisconsin, weather permitting, will be on Jan. 31, 2018.

Michael Missall picks an apple at The Little Farmer near Fond du Lac on a recent field trip. He is a kindergarten student at Holy Trinity Catholic School in Kewaskum.

Fall Color Car And Craft Show In Dundee

Get ready to "Fall into Fun" when the Dundee Annual Fall Color Car and Craft Show kicks off at the Dundee Sportsman's Park on Saturday Oct. 10, 9 a.m. to 4 p.m. Automotive enthusiasts of all kinds are invited to come out and enjoy a day.

The family-friendly free event features something for everyone — including great craft, gift and goody vendors inside for the ladies. Food and beverages will be available from 9 a.m.-3:30 p.m. Music from 10 a.m.-3 p.m. Plenty of free parking is available directly on the grounds.

Car registration is from 9 a.m.-12 p.m. Awards and cash prizes in various categories for the registered old classics, hot rods, muscle, trucks, custom, etc. The event is

jointly hosted by the Dundee Sportsmen's Club and the Long Lake Preservation Association.

You can locate the Dundee Sportsman's park pavilion on Highway 67 across from the BP gas station in Dundee. Just follow the banners in the area.

The funds generated will be used to continue with the clubs goals that benefit the community. You can learn more about the club, its goals, and fund raising events at www.dundeesportsmensclub.com or www.longlakepreservation.org.

Everyone is welcome at this free event. Come and enjoy the day while supporting the local clubs in and around Dundee.

Hope to see you there!

Kohlsville Volunteer Fire Department To Hold Open House

The Kohlsville Volunteer Fire Department welcomes the community to kick off Fire Prevention Week with an open house on Sunday, Oct. 4, from 11 a.m. to 1 p.m. at the Fire House, 7678 County Road WW (Corner of Hwy WW and Hwy D) in Kohlsville.

"Packers don't play until 3:25 that day, so there's plenty of time to attend and learn about fire safety," Chief Curt Martin said.

"It's a great opportunity for the whole family to come out and learn about fire prevention," organizer and First Responder Tracy Herman said.

While part of the department's message is preventing fires, the Kohlsville Volunteer Fire Department members will also teach people about what to do when a fire occurs, Herman said.

"Kids as well as parents will have any opportunity to learn "first hand" about crawling under smoke, and learn how to stop, drop and roll in our training house located next door to the fire station," Herman said.

The National Fire Prevention Association selected the theme "Hear the Beep Where You Sleep: Every Bedroom Needs a Working Smoke Alarm" for the 2015 Fire Prevention Week.

"Fire Prevention Week presents the perfect opportunity to better educate the public about this potentially lifesaving message," Herman said.

Different areas will be set up to learn about equipment as well as what firefighters and first responders do in emergency situations. One special area is designed to teach kids about when it is appropriate to call 911 and what information they will need to provide a dispatcher, including their address and a phone number.

"It's a good educational opportunity for the kids and the parents to see what their kids know and what they don't know," Martin said. "We hope to see many Kohlsville community and surrounding community members attend."
