## Fun Run Creates Excitement For KEYS 5K

– KEYS 5K Run/Walk To Be Held Sunday, Oct. 11

By Anne Trautner

The runners took their mark, and then took off running with wide smiles spread across their faces as they broke through a brightly colored paper banner.

“It was awesome!” Meagan Knoeck, a first-grader at Farmington Elementary, said after she completed the run that circled around Farmington Elementary’s grassy property.

“It was so good, I want to run another lap,” said Nathan Heller, a fifth-grader at the i4Learning Community School.

In fact, last week’s fun run that was held at Farmington Elementary was so excellent that

Nathan thought his parents should take part in a run/walk.

On Saturday, his family will have the opportunity to participate in the KEYS 5K Run/Walk in Kewaskum on Sunday, Oct. 11, to raise scholarship funds for Kewaskum students.

The run/walk, which begins and ends at the high school, follows a course that winds around Kewaskum’s schools and onto the Eisenbahn trail. The race starts at 11 a.m.

KEYS, which stands for Kewaskum Youth Scholarship, is a nonprofit organization that was formed in 1985 to provide

**Fun Run Continued on Page 8**

Students from the i4Learning Community School and Farmington Elementary take part in a fun run on Wednesday, Sept. 30. Russell Thull (left), who is the physical education teacher at both schools, hopes that the event will encourage students to participate in the KEYS 5K Run/Walk, which will be held on Sunday, Oct. 11, to raise money for scholarships for students graduating from Kewaskum High School.

photo by Anne Trautner

Brandon Thull runs the ball 85 yards for an Indians’ touchdown in Kewaskum’s homecoming game against Berlin on Friday, Oct. 2. Thull, who was celebrating his birthday, scored all three of Kewaskum’s touchdowns. His second touchdown, which was a 49-yard run filled with spinning moves that Thull used to change directions twice, was one of the CBS MaxPreps Top 10 Plays of the Week for high schools across the nation. Kewaskum remains undefeated after winning the game, 21-6.

## Local Artist Displays Work At Kewaskum Public Library

– Kewaskum Library To Host Family Art Night On Friday, Oct. 9

By Anne Trautner

Local artist Lynn Molenda has painted watercolor renditions of area farms and landscapes, as well as scenes from Europe.

She often looks to her home garden for inspiration for her artwork. Many times, she doesn’t need to go farther than her front porch, where she can see artistic beauty in the flowers hanging in baskets.

“There are usually begonias and petunias hanging out here, and then in the morning when the dew is on something, or the lighting is right, that’s when I will draw them,” said Molenda, who used the blossoms to create a series of tiny flower paintings earlier this year.

Molenda’s artwork will go on display on Friday, Oct. 9, at the Kewaskum Public Library, where it will be displayed through the end of October. The pieces, which include paintings and photographs, will be available

for purchase, with 30 percent of all the proceeds going toward the library funds.

To kick off the show, Molenda, who taught art at Kewaskum Middle School for 14 years, will host a family art night on Friday, Oct. 9, from 5 to 6:30 p.m.

Entitled “Spray, Drip or Splash,” the event will feature hands-on activities that will give participants of all ages an opportunity to experiment with watercolors.

## Kewaskum Statesman Now Available By E-Edition

By Andrew Johnson, Publisher

I am pleased to announce that the Kewaskum Statesman now has an e-edition available to sample FREE during the month of October.

The e-edition is an exact digital duplication of the printed paper. It is available on desktop computers as well as android and apple

mobile devices at noon each Wednesday.

The current e-edition can be viewed at kstatesman.com and then by clicking on the yellow words “October Only.” Starting on Nov. 5, the e-edition will only be available by paid subscription. It will be \$39 per year just like the printed Kewaskum Statesman or \$10 extra per year to get both the e-edition and printed paper.

### SABISH 50TH ANNIVERSARY

Duane and Judy Sabish were married on October 9, 1965, at Salem UCC in Wayne. They reside in Elmore. Duane and Judy have two children: Steve (Luan) Sabish of Kewaskum and Lisa (Tim) Schraufnagel of Lomira.

They have five grandchildren — Steven and Nicole Sabish of Campbellsport, and Mitchel, Brendan and Ryan Schraufnagel of Lomira. They have one great grandson — Hunter Sabish of Campbellsport.

They will celebrate this special occasion with their family a Bublitz's Family Restaurant in Lomira on October 10th.

Gina Bronk (Elsa) stands with Olaf at the Little Folks School House's Family Fun Night held at the Annex building in Kewaskum on Friday, Oct. 2.

 9:33 p.m.: Bar check.  
 11:32 p.m.: Bar check.

## GREAT FUTURES START HERE.

The Kewaskum Club is now in full swing! We've begun our IM-PACT programs and we couldn't be happier about the turnout of members signing up. With about 60 members present every morning and 65 on average every day after school, we've been quite busy but excited about this year!

Just to show the tremendous growth, I am going to throw a couple stats out. Last year at this time, we were averaging 73 total members per day, 47 members per morning, and 51 members per day after school.

This year we average 96 members per day — 60 kids per morning, and 65 kids every afternoon. We've seen mornings with about 70 kids and several days with almost 80 kids attending the after school program. And we still have memberships being added on a weekly basis. Needless to say we've been busy, but it's been exciting!

With these kinds of numbers, it brings a few ideas to mind. The staff, the programs we run, and the support we receive from the community. The staff we have here at the Kewaskum Club is made up of nothing but Kewaskum community members. The staff here includes Sarah Ostranger, Tabitha Hansen, Morgan Duffus, Lauren Sorheim, Jensen Kapla, Sam Ostranger, Karen Kleinke, Sean Murphy and Becca Smith.

Often I'm asked how we handle such a large number. The answer really is simple, give options and keep them engaged in a safe and positive manner. If you do the job right, you can make 60 or 70 kids feel like a much smaller number. These staff demonstrate great leadership and role modeling for the members, as well as a great ability to work with a variety of backgrounds and personalities.

The programs we run are pivotal to being what a Boys & Girls Club really is all about. There exists three core pillars for programs which include: Good Character and Citizenship, Academic Success, and Healthy Lifestyles.

We don't run a program here at the Kewaskum Club unless it fits the mold of these pillars. Some of the programs come directly from the Boys & Girls Club of America, such as our Healthy Habits and SMART Girls programs, and some are created from scratch by the staff. Whether it's a book given to us to a program the staff draws up from their brain, we always attempt to tailor the programming so that it fits our members.

Then there's the community support. When I first started here at the Boys & Girls Club, I couldn't tell you how many people didn't realize we existed here in Kewaskum Elementary. However, in a year that visibility changed quite a bit.

With the growth of our club and the outreach to various businesses and organizations, we're beginning to become well known by the community. We're always seeking to find ways to collaborate and partner to help to continue quality programming for the youth of Kewaskum. This might mean donating art and craft supplies, volunteering time to help with homework, collaborating on a program and/or event for the kids, or by supporting us with a monetary donation.

In short, the Boys & Girls Club relies on the generosity of others to sustain itself. With a charge of \$65 per year to gain membership, there's a lot of ground to make up to pay for staff, equipment, and program supplies.

This community's support of the Kewaskum Club is growing and we need it to continue to deliver and develop this club to become a staple of Kewaskum's efforts to support its youth. If you are able to support us in anyway, we ask that you please reach out!

Thank you all for the time taken to read this message. We hope you find it warming to know the positive impact we have here in the community of Kewaskum.

# Chancellor Announces Southeastern Regional Executive Officer/Dean

Cathy Sandeen, Chancellor of University of Wisconsin Colleges and University of Wisconsin-Extension, named Dr. Jackie Joseph-Silverstein to the newly created position of Northeastern regional executive officer/dean. She will oversee UW-Sheboygan, UW-Washington County, and UW-Waukesha.

Under the new administrative model announced in July, the 13 UW Colleges will be grouped into four regions, with one executive officer/dean per region. Among their responsibilities, the regional executive officer/dean will provide academic and strategic leadership to the campuses in the region, and work collaboratively with faculty and staff members, and students to establish policies and practices that ensure regional and campus success.

"I am honored to have been chosen to serve as regional executive officer

and dean for the Southeastern Region of UW-Colleges. I am excited by the opportunities I believe we will have within our region to leverage our individual campus' strengths in a way that will benefit our students and our local communities across the Region. I look forward to meeting campus and community members that I don't currently know in the region and talking with them about their interests, passions and expectations for the future," said Joseph-Silverstein

As regional executive officer/dean, Joseph-Silverstein will be expected to continue to develop and maintain strong and productive relationships with local government, business and community leaders within her region.

Joseph-Silverstein is the current campus executive officer/dean at UW-Sheboygan. She previously served as director of research administration at

the Blood Center of Wisconsin and as executive vice president of academic and student affairs at Cuyahoga Community College in Cleveland, and associate vice chancellor at the University of Connecticut. She earned a Ph.D. degree at City University of New York, a master's degree at Emory University, and bachelor's degree at University of Connecticut, all in biological sciences.

"Dr. Joseph-Silverstein is an impressive, experienced educational leader who has proven, positive results in serving her students and communities," said Chancellor Sandeen. "As the UW Colleges undergo these dramatic but necessary changes, I am confident she understands what it takes for her campuses to succeed, and how important that success is for students, her region, and the state."

The transition to regional executive officer/dean will begin immediately, with an expected completion date of mid-December. The current campus executive officers/deans will play a key role in facilitating the transition and bridging new relationships. The campus executive officers/dean positions then will be eliminated effective December 31, 2015. All current campus executive officers/deans are tenured faculty members and will be deciding whether to accept teaching positions within the UW Colleges.

For more information, including transition details, see the regional executive officer/dean frequently asked questions (FAQ).

Students in the three-, four-, and five-year-old kindergarten classes at Holy Trinity hold up apples they had picked while on a field trip to the Little Farmer near Fond du Lac recently. They had a great time and a beautiful day for the outing. The group picked pumpkins, apples, went for a hayride and learned about the bees job in pollination.

## Kewaskum Fire Department Reminds Area Residents: Hear The Beep Where You Sleep

- Every Bedroom Needs A Working Smoke Alarm

Location matters when it comes to your smoke alarm. That's the message behind this year's Fire Prevention Week campaign, "Hear the Beep Where You Sleep. Every Bedroom Needs a Working Smoke Alarm!"

Along with firefighters and safety advocates nationwide, Kewaskum Fire Department is joining forces with the nonprofit National Fire Protection Association (NFPA) during Fire Prevention Week, Oct. 4-10, to remind local residents about the importance of having working smoke alarms in every bedroom, outside each sleeping area, and on every level of the home, including the basement.

"In a fire, seconds count," said First Lt. Jeff Buechel. "Half of home fire deaths result from fires reported at night between 11 p.m. and 7 a.m. when most people are asleep. Home smoke alarms can

alert people to a fire before it spreads, giving everyone enough time to get out."

According to the latest NFPA research, working smoke alarms cut the chance of dying in a fire in half. Meanwhile, three out of five fire deaths resulted from fires in homes with no smoke alarms or no working smoke alarms.

This year's Fire Prevention Week campaign includes the following smoke alarm messages:

- Install smoke alarms in every bedroom, outside each separate sleeping area and on every level of the home, including the basement.

- Interconnect all smoke alarms throughout the home. This way, when one sounds, they all do.

- Test alarms at least monthly by pushing the test button.

- Replace all smoke alarms when they are 10 years old or sooner if they don't respond properly.

Make sure everyone in the home knows the sound of the smoke alarm and understands what to do when they hear it.

- If the smoke alarm sounds, get outside and stay outside. Go to your outside meeting place.

- Call the fire department from outside the home.

The Kewaskum Fire Department will be hosting activities for area day care and school students during Fire Prevention Week to promote "Hear the Beep Where You Sleep. Every Bedroom Needs a Working Smoke Alarm!" Through these educational presentations and activities, students can learn more about the importance of having a working smoke alarm in every bedroom.

To find out more about Fire Prevention Week, or to learn more about smoke alarms and "Hear the Beep Where You Sleep. Every Bedroom Needs a Working Smoke Alarm!" visit NFPA's Web site at [www.fireprevention-week.org](http://www.fireprevention-week.org) and [www.sparky.org/fpw](http://www.sparky.org/fpw).

## IN MEMORIAM

In loving memory of Glen Gutjahr, who passed away 30 years ago, October 12, 1985.

A Husband first, and then a Dad  
 Later a Grandpa too-  
 You loved us all, no matter what

There's nothing you wouldn't do.

You showed you cared by being there

Providing for us all

You often said, if you need any help

All you have to do is call.

A crack of a joke, that grin on your face,

To add humor to our lives-

It's memories like these we'll hold in our hearts,

As we must go on with our lives.

Trustworthy, honest and caring,

You were thought well of-

A wonderful earthly example,

Of our heavenly Father's great love.

Always remembered by his family.

## THIS DAY IN...

## HISTORY

• **1877:** CHIEF JOSEPH SURRENDERS TO THE UNITED STATES ARMY.

• **1947:** PRESIDENT HARRY S. TRUMAN GIVES THE FIRST TELEVISED WHITE HOUSE ADDRESS.

• **1962:** THE BEATLES RELEASE "LOVE ME DO" IN THE UNITED KINGDOM.

## DAYS GONE BY

### 5 Years Ago October 7, 2010

Students and staff at Wane Elementary School took part in a mock disaster Tuesday afternoon. The situation was a fire in the building that started in the boiler room.

Another Village of Kewaskum police officer was injured in the line of duty on Monday, October 4, while pursuing a Kewaskum man with a Department of Corrections warrant. Police Chief Richard Knoebel stated officer Alan Ratzel sustained a leg injury while he was pursuing a fleeing Scott Kudek on foot.

The Norbert and Louella Dettmann family hosted a three day family reunion during the weekend of August 6-8. Eighty-three people were present from 13 states and Canada.

A daughter, Robin Brooke, was born to Corynn and Tyler Nordstrom of Allenton on September 18.

A daughter, Annabelle Grace, was born to Laura Hussmann and Cory McElhatton of Kewaskum on September 20.

A son, Jack William, was born to Jean and Craig Upton of Adell on September 22.

A son, Lucas John, was born to Amber and Andrew Bingen of Allenton on September 23.

Collin Lee Wilson, 20 days old, died September 29.

David L. Reader, 71, of Fillmore, died October 2.

Alan K. Breger, Sr., 47, of Campbellsport, died September 28.

### 15 Years Ago October 5, 2000

The Kewaskum School Board met in a special meeting to choose from three, a new board member to fill a vacated seat left by Larry Fechter who moved out of the district. Mark Steinhardt was chosen as the new member.

Workers removed railroad tracks off Main Street in Kewaskum. Crews worked on finishing up the removal for a few months.

On September 24, Ray Prellwitz, son of Ray and Caroline Prellwitz of Kewaskum was awarded the Boy Scouts of America's highest honor, the rank of Eagle Scout.

The traditional Kewaskum/Campbellsport rivalry lived up to its billing on Friday as the exciting game went right down to the wire. The Indians took the Kettle Moraine Bowl Trophy by beating the Cougars 26-23.

Michael F. Cleary, 44, of Allenton, died October 3.

Delores T. Boegel, 83, of Kewaskum, died September 27.

Gertrude L. Steel, nee Feldt, 83, of Houston, Texas, died September 22.

### 25 Years October 11, 1990

Kewaskum prepared for their first Kettle Kountry Kolers festival held on October 13 and 14.

Larry Williams confirmed that he and his partner Ken Weddig sold their business KL Home and Hardware to Dick and Loretta Schroeder, owners of the Coast-To-Coast Hardware stores in Kewaskum and Campbellsport.

The Campbellsport Fire Department was summoned to a fire call on September 29 to a two-apartment home on Auburn-Ashford Drive, Campbellsport, owned by Michael Wiesner.

Kewaskum Frozen Foods made a giant summer sausage for Kewaskum's Kettle Kountry Kolers Festival. A \$500 prize was being offered to the lucky person who came closest to guessing the weight of "the biggest sausage in the state."

Scott Heller and Melissa Braun were the 1990 Homecoming King and Queen at Kewaskum High School.

A daughter, Brittany Joanna Rose, was born to Gerald and Sandra Zorn, of Kewaskum, on September 28.

A daughter, Wynelle Morgan, was born to Virginia and Harold Baum, of Kewaskum, on September 17.

A son, Nathan Dennis, was born to Mary and Dennis Westerman, of Kewaskum, on September 28.

A daughter was born to Lori and Douglas Dolge, of Allenton, on October 1.

A daughter was born to Denita and William Espitia, of Kewaskum, on October 1.

Sister Georgiella Etzel, 70, died September 29.

Marilynne J. Reisch, nee Wiltgen, 80, of West Bend, died October 3.

Gertrude M. Pamperin, nee Steinbach, of Allenton, died October 4.

### 50 Years October 8, 1965

A public meeting was held at the high school on Monday, September 27, to advise the high school Board of Education on the best course to follow in obtaining voter approval for additional space at the high school. The result of the discussion was that the group was polled to determine what action they felt was best. In nearly unanimous vote, it was recommended that the Board proceed with the complete plan as previously proposed and that the Board and interested citizens make themselves available to speak to any church, civic, labor, school or fraternal group that would allow them to appear at their meetings.

Homecoming festivities for 1965 were held at Kewaskum Community High School on Thursday and Friday, Oct. 14 and 15. Dick Wieter was chosen king of the festivities by his fellow teammates. He chose Jennifer Nolting as his queen. Other members of the court, all members of the varsity team and their partners were:

The Kewaskum High School Class of 1955 held their 60th class reunion at the top of the Ridge Restaurant in West Bend on Saturday, Sept. 26. There were 20 classmates in attendance along with spouses and friend enjoying dinner, sharing of high school memories and honoring their 18 classmates who have passed away. Members of the class attending the reunion were, front from left, Joanne (Ferber) Kieckhafer, Fred Domann; middle row, Roger Kumrow, Harold Klein, Gerald Guldan, Katherine (Braun) Spaeth, Rita (Schladweiler) Peters, Darlene (Backhaus) Rodenkirch, Shirley (Staehler) Kempf, Kathleen (Krell) Dahlinger; back row, Lyn Peterson, Robert Melzer, Albert Prost, William Seefeldt, Richard Dreher, Lloyd Bonlender, Robert Kougl, Jerome Nigh, Eugene Herriges and Norbert Rosbeck.

-photo submitted

Joe Key and Cheryl Ehnert, Bob Manthei and Lynn Honeck, Tony Gundrum and Lucille Kirchner, Gerald Marz and Christine Heberer, Jim Gutjahr and Kristine Westerman, Sergio Andrade de Carvalho and Wendy Weiss.

J. Tom, 44, member of the law firm of Schloemer and Merriam of West Bend, was appointed as the successor to the late Judge Lester A. Buckley as Branch One Judge of Washington County Court.

Mrs. Helen Berend was appointed Clerk of Courts of Washington County to succeed her late husband Lawrence. Promotion of Mrs. Berend was necessitated due to the vacancy created by the death of Mr. Berend in an auto accident Sept. 21, which also took the life of County Judge Lester A. Buckley.

A son was born to Mr. and Mrs. William Kober, 203 Clinton Ave., on October 2.

A son was born to Mr. and Mrs. Russell Johnson, of Slinger, on September 30.

### 75 Years October 11, 1940

Lehman Rosenheimer, Jr., son of Mr. and Mrs. L.P. Rosenheimer of this village, enlisted in the United States Army Air Corps as a flying cadet. He left Monday to begin his training. Lehman was one of a few young men in this section to qualify as a flying cadet, for which a college education and passing of a rigid physical examination are required.

Ralph C. Wollensak of this village has entered

into a new business of his own known as the Green Valley Milk Products Company of Kewaskum. In his business, Mr. Wollensak operates a dairy route in Chicago. He has purchased a new truck and makes four trips to Chicago each week, hauling cottage cheese and other dairy products. He obtains his products from the Gerlach Cheese Factory at Kohlsville. Besides his city route he is also building up a trade of patrons in the surrounding community.

Charles Prost, Sr., 72 years, 11 months and six days, a widely known and respected citizen of the village, passed away on October 8, at St. Agnes Hospital, Fond du Lac, causing a blow of sorrow to residents of this community. He had been ailing for about three months.

Mrs. William Hansen, 53, former resident of the Town of Barton, died October 2 at Savanna, IL, following a long illness.

Mrs. Otto Dickman, nee Elizabeth Schrooten, 77, a beloved resident of the Town of Auburn, died October 5 at her farm home north of Kewaskum following an illness of several months.

### 100 Years October 9, 1915

# Second Annual Fall Family Festival

Pumpkins, Magic, and Games OH MY! Friends of Abused Families is hosting a Fall Family Festival for Washington County. Offering games, activities, magic, refreshments, and free chances to win family-focused raffle baskets. This event will offer something exciting for everyone.

This is a free event! It will be held on Saturday, Oct. 17, from 2 p.m.-5 p.m. at Fireman's Park in Germantown. The event's purpose is to provide families with an inexpensive and safe fall event.

Planned activities include children's games and activities, arts and crafts, face painting, tasty refreshments including custard provided by Robert's Custard, entertainment provided by Magic Mark and Clumsy the Clown, and fun educational activities for parents.

Celebrating more than 35 years of service to Washington County, Friends of Abused Families empowers and provides safety to those affected by domestic and sexual violence through

support services and prevention education in Washington County. Friends is the sole provider of programs designed to specifically address the traumatic effects of intimate partner violence on victims and their children.

"This event is provided at no costs to families in Washington County. Children will be supervised by adult volunteers with games and activities while adults can mingle with one another, enjoy a tasty treat at a picnic table, and talk with staff about safety planning, safe use of technology, friends services and other available community resources." says Lisa Krenke, Executive Director.

For more information call (262) 334-5598 or email info@fafinc.org.

This event is sponsored by West Bend Insurance, United Way of Washington County, Wegner CPAs, Network Pro Wisconsin, Extra Mile Landscaping, Cedar Community, Guetzke & Associates, and United Way Greater Milwaukee and Waukesha County.

# Open House To Introduce Snowmobilers To The New Snowmobile Trail Pass Law Change

Starting this winter, a trail pass sticker is required on every snowmobile riding on Wisconsin snowmobile trails in addition to having the snowmobile registered. The trail passes need to be purchased separately from the registration and will be the responsibility of the snowmobile owner. You will not receive a notice from the DNR like you do when the registrations expire. The trail passes will be good for one winter and expire on June 30th. The cost of registering a snowmobile in Wisconsin has changed from \$30 for two years to \$30 for three years.

For snowmobiles registered in Wisconsin, the trail passes will cost \$30 per snowmobile if the owner is not a member of a snowmobile club and the Association of Wisconsin Snowmobile Clubs (AWSC). They can be ordered from the DNR by going to their website or from

any DNR license sales agent. If you are a current member of a Wisconsin snowmobile club and the AWSC you can order the trail passes for a discounted fee of \$10 from the AWSC.

Dundee's Crooked Trails Snowmobile club will be hosting an open house at the Road House on October 11th and November 9th. Please join us anytime between 11:30 a.m. and 1 p.m. to learn more about the club, trail pass and how to get your discounted pass. We will have an AWSC representative available to answer your questions.

All revenue generated from the sale of snowmobile registrations and trail passes goes into the segregated snowmobile account which is used to fund and maintain the Wisconsin snowmobile trails. These trails are made

possible by snowmobile club volunteers that mark, brush and groom the trails and the landowners that generously allow the trails to cross their property.

The Northern Kettle Moraine Crooked Trails Snowmobile Club, Inc is a non-profit club organized in 1968 exclusively for providing charity to the Dundee area and for pleasure, recreation and other non-profitable purposes pertaining to the use of snowmobiles, including the establishment and maintenance of snowmobile trails and education in the ethics of snowmobile use. The club drags 14.2 miles of trail in both Fond du lac and Sheboygan County several times a week. In addition to their own trails, they hold a contract with the DNR to groom 10.72 miles of trails in the State Forest.

## Community Gatherings

To be included in the Community Gatherings, please submit your event prior to our 5 p.m. Monday deadline.

**Every Thursday** — Kewaskum Farmers' Market in the village parking lot, 8 a.m.-noon.

**Sunday, October 25** — Musical Masquers Theatre Productions presents Dracula at UW-Washington County, 2 p.m. Just in time for Halloween, this vampire thriller promises a haunting good time.

An Upcoming Calendar of Events for the Northern Kettle Moraine State Forest...

**Thursday, October 8** — Nuts in Wisconsin An Evening with Nature Program at the Ice Age Visitor Center, 7 p.m.-9 p.m. Beware! The nuts are dropping! Discover the variety of Wisconsin trees and shrubs that produce edible nuts and where they grow. After the presentation try a variety of nuts and nut-filled treats. This program is most appropriate for people over the age of 10 years old. Jackie Scharfenberg, forest naturalist, and a DNR forester will present this program.

**Saturday, October 10** — Amazing Forrest Mammals Exploring Nature Program at the Ice Age Visitor Center, 10 a.m.-11:30 a.m. What do humans have in common with bears, bats, raccoons, and mice? They're all mammals! Find out what characteristics mammals share and how they are adapted for survival. This program is best for families/groups with children between the ages of six and 12 years.

**Thursday, October 15** — Dam Builders Nature Storytime at the Ice Age Visitor Center, 6 p.m.-7 p.m. Timber!! Another tree crashes to the ground. Nature's dam builders, beavers, are hard at work. Learn what "equipment" beavers have to do their jobs so well. This hour of nature fun awaits three to six year olds with accompanying adults.

**Friday, October 16** — Dam Builders Nature Storytime at the Ice Age Visitor Center, 9:30 a.m.-10:30 a.m. Timber!! Another tree crashes to the ground. Nature's dam builders, beavers, are hard at work. Learn what "equipment" beavers have to do their jobs so well. This hour of nature fun awaits three to six year olds with accompanying adults.

**Friday, October 16** — Halloween Nature Hikes at the Long Lake recreation area, 6:30 p.m.-9:30 p.m. Let's join the battle to take down the alien invaders including the lethal emerald ash borer, the tenacious garlic mustard, the house sparrow bully, and the slimy earthworm. This is not a scary hike and is best for those over five years of age. Groups leave every six minutes. The last hour-long hike leaves at 8:30 pm. Before or after your hike, enjoy playing fun-filled games, making a craft to take home, or snacking by the glow of a campfire. In the event of severe weather, the event will be canceled for that night.

**Saturday, October 17** — Halloween Nature Hikes at the Long Lake recreation area, 6:30 p.m.-9:30 p.m. Let's join the battle to take down the alien invaders including the lethal emerald ash borer, the tenacious garlic mustard, the house sparrow bully, and the slimy earthworm. This is not a scary hike and is best for those over 5 years of age. Groups leave every six minutes. The last hour-long hike leaves at 8:30 pm. Before or after your hike, enjoy playing fun-filled games, making a craft to take home, or snacking by the glow of a campfire. In the event of severe weather, the event will be canceled for that night.

**Saturday, October 24** — Migration Mysteries Exploring Nature Program at the Ice Age Visitor Center, 10 a.m.-11:30 a.m. Why do animals migrate? Where do they go? How do they find their way? We will find answers to these questions and unravel some other mysteries of migration. This program is best for families/groups with children between the ages of six and 12 years.

For more information about the Northern Kettle Moraine State Forest or the upcoming naturalist programs, please contact the forest staff at the Ice Age Visitor Center at (920) 533-8322. The Henry S. Reuss Ice Age Visitor Center is located 1/2 mile west of Dundee off of Highway 67. The center is open seven days a week.

The Kewaskum Kiwanis Club's new officers gather after their installation Monday night. Officers are: (from left) Bret Richards, vice president; Wayne Sargent, secretary; Clark Pearson, treasurer; and Larry Ammel, president. The club meets at 6 p.m. every Monday at the American Legion in Kewaskum. New members are welcome.

# United Way Campaign Off To Strong Start

## - 68,000 Meals Packaged During Kickoff

United Way of Washington County's annual fundraising campaign officially kicked off Thursday night.

The organization celebrated the occasion with a United Against Hunger event at Washington County Fair Park.

Volunteers from the Kewaskum Food Pantry were among more than 500 community volunteers—including families, individuals, and company teams—who united to package more than 68,000 meals for distribution to six local food pantries. United Way's strategic partner, the Volunteer Center of Washington County, helped coordinate the event and West Bend Mutual Insurance Company was a sponsor.

"Tom and I were really impressed to see all these people coming together for such a great cause," said Pat Strachota, 2015 United Way campaign co-chair. "This is what community is all about."

In addition to the packaged meals, United Way collected 18 cases of canned goods to stock local pantry shelves. The event highlighted the three ways the community can give back through United Way: giving, advocating, and volunteering.

"The United Way campaign brings people together to make a greater impact than any of us could individually," said Kristin Brandner, executive director of United Way of Washington County. "We fund programs that

empower people to improve their lives through Education, Income Stability, and Health. This year, we are focused on increasing awareness and participation so we can serve more people in Washington County."

Seventeen local companies have already started their workplace campaigns for United Way. Early Pacesetter reports show strong increases in participation. R&R Insurance Services has already increased more than 14 percent over last year's campaign, thanks in part to a successful silent auction and other

workplace incentives. Robert W. Baird employees have increased by 18 percent, and Maysteel employees have donated 30 percent more than last year. Friends of Abused Families has had an incredible campaign, with 91 percent growth over last year.

United Way of Washington County encourages the community to Give, Advocate, and Volunteer all year long. To learn how your donations to United Way support those in need, and to make a gift online, go to [www.UnitedWayOfWashingtonCounty.org](http://www.UnitedWayOfWashingtonCounty.org).

Individuals and companies donate canned food to the United Way to supplement the packaged meals. Volunteers used the cans to construct a "United We CAN" sculpture.

**SUBSCRIBE TO THE KEWASKUM STATESMAN TODAY! CALL 626-2626**

## Continued From... Fun Run Creates Excitement For KEYS 5K

scholarships for Kewaskum students. Last spring the organization awarded 37 scholarships totaling \$105,500 to the Kewaskum High School Class of 2015.

"We've always tried to get a lot of younger children involved in it. It's going to be for them, eventually. They will be the ones who will have a chance to win these scholarships," said Connie Zemlicka of KEYS.

Students from the i4Learning Community School were bused to Farmington Elementary last Wednesday so they could participate in the Mini KEYS Run.

Kewaskum Elementary held Mini KEYS runs on Friday.

"So we are promoting giving these kids at the elementary level, just some exposure of what a run/walk is like, get them interested, so hopefully they will participate in the Keys Run on Oct. 11 or maybe they will find other runs they want to participate in," said Russell Thull, who is the physical education teacher at both i4Learning Community School and Farmington Elementary.

In addition to promoting the KEYS Run, last week's fun run at Farmington Elementary kicked off the school's Fuel Up To Play 60 program.

All three of Kewaskum's elementary schools, as well as the middle school have a Fuel Up To Play 60 program, an in-school nutrition and physical activity program sponsored by the National

Dairy Council and NFL, in collaboration with the USDA.

Funded through grants, this is the fourth year the schools have had the Fuel Up To Play 60 program, Thull said.

"We are very proud to have a very active and healthy school. We do a lot of things to be an active school for Fuel Up To Play 60," said Thull, who coordinates the Fuel Up To Play 60 program for Farmington and i4Learning Community schools.

For example, students participate in weekly run/walks, as well as plan games to rev up recess time with more activity.

"One thing we are really focusing on this year is having classroom teachers organize brain breaks. There is a lot of research out there saying students who get up every 17 minutes and move around, they have a better attention span and can retain more information than when they are sitting and hearing a lecture for an hour straight," Thull said.

Brain breaks last about one minute, and can be as simple as standing up, doing 10 jumping jacks, sitting back down, and getting right back to what they had been working on., Thull said.

Student ambassadors help plan and organize the activities for the Fuel Up To Play 60 program.

"The really cool thing is that it's student driven. My ambassadors are just so motivated. They are just so

interested in what we are after, which is really impacting the program," Thull said.

Ambassadors help plan food tastings every other week so that students can try dairy products, vegetables, fruits or whole grain foods. In addition, the schools offer a free healthy breakfast for students a couple times a year.

"Kids get to try foods that they might not get to try at home," Thull said. "They are excited about it and they bring that energy home."

As a result, some of the parents serve healthier foods at home, Thull said.

After the fun run last Wednesday, healthy snacks were available for the students after they finished the route.

The length of the run was different for each grade level. Fourth- and fifth-graders ran about 1.25 miles while kindergartners and first-graders completed about half a mile.

"I thought it went great. There was a lot of participation, and everyone finished the race, which was a good accomplishment for the kids," Thull said.

Dozens of parents stood on the sidelines, cheering on their children and giving them high fives.

"It was really cool to see that many parents come and support the kids," Thull said.

To register for the KEYS run/walk or to donate to KEYS, go to [keys-scholarships.org](http://keys-scholarships.org).

Russell Thull, the physical education teacher for Farmington Elementary and the i4Learning Community School, instructs his students to take their mark for a fun run held at Farmington Elementary on Wednesday, Sept. 30.

## Moraine Park To Hold Career Showcase October 14

Moraine Park Technical College is hosting Career Showcase, an event for anyone interested in learning about programs and services offered at the college.

The event will be held on Wednesday, Oct. 14, from 4:30 p.m. to 6 p.m. at Moraine Park's Fond du Lac and West Bend campuses. Attendees can stop in anytime.

Program areas to be featured include business, technology, digital arts, consumer and hospitality services, engineering, environmental sciences and trades, general education, health science and human services and manufacturing.

Instructors and staff will be on hand to answer

questions about programs, classroom experiences and the employment outlook. Staff from advising, financial aid, career center and student services departments will also be available to guide students and families through the admissions process. A \$30 application fee waiver will be offered to attendees. Some restrictions apply.

For more information about the event or to register, visit [morainepark.edu/showcase](http://morainepark.edu/showcase). Registration for the event is strongly encouraged but not required.

For questions, contact Katie VandeSlunt at 920-924-3347 or [kvandslunt@morainepark.edu](mailto:kvandslunt@morainepark.edu).

Kewaskum High School seniors competed against high school teachers in a volleyball game during homecoming week. The teachers won the competition.

# Local Korean War Veteran And Local Surgeon Go On Honor Flight Together

By Anne Trautner

Kewaskum resident John Tessar had never met Dr. Bryan Jewett, a general surgeon who lives in Farmington.

But on Sept. 12, the two were paired up to go on the Stars and Stripes Honor Flight to Washington, D.C.

The Honor Flight program, which is run completely by volunteers, is open to anyone who served in the military during World War II or the Korean War. Once in Washington, D.C., police escort veterans to numerous landmarks and memorials.

Tessar, who is an 84-year-old Korean War veteran, was one of 138 Korean War veterans and 44 World War II veterans who went on last month's flight from Milwaukee.

Each veteran is required to be escorted by a guardian, a volunteer who pays their own way for the trip. Jewett, who was one of four physicians on the trip, was assigned to be Tessar's guardian.

"He was a great guardian. He was fun to be with. He is a great individual," Tessar said.

Jewett, who served in Desert Storm during his nine years in the Air Force, said it was an honor to be a part of the trip.

"We had a good time," Jewett said. "It's good that they are really honoring these guys. They deserve it, definitely."

## The Korean War Experience

Tessar enlisted with the Army in 1951 when he was 19 years old.

In 1952, Tessar was

sent to Korea. He and about 1,500 other soldiers boarded a ship for a 12-day trip across the ocean. The boat arrived in Yokohama, Japan at midnight. Then he and the other soldiers loaded on another boat, which took him to Incheon, Korea.

"We got there at about 1:30 a.m., and they assigned us to our outfit, so then we went up to the lines. So it was kind of late when we got there. And it was real dark. It was quite an experience," Tessar said.

Tessar was part of the Army's artillery unit, so he saw fighting. But his basic training had not quite prepared him for the experience, Tessar said.

"In basic training, they trained us on 105s, which was a small artillery piece. So when we got over there, they shipped us to a 155 outfit, which is twice as big as a 105, so then we had to learn all over again," Tessar said.

After spending some time in the artillery outfit, Tessar was sent to the front lines to work as an observer.

"You stay in a bunker all day long observing, looking through field glasses. If we saw people coming, we called in the fire missions," Tessar said. "It was a challenge, there's no question about it. We averaged 12 to 18 rounds a day coming in on us. It was loud. And you heard the old bugles hollering all the time."

The soldiers did not roam around outside. Instead, they stayed in bunkers, which were made from sand bags and railroad ties.

"If you even got hit by a

Dr. Bryan Jewett, a general surgeon who lives in Farmington, escorts Kewaskum resident John Tessar as they visit memorials in the nation's capital. Tessar, who is a Korean War veteran, was a member of the Stars and Stripes Honor Flight that brought World War II and Korean War veterans to Washington, D.C.

-photo submitted

shell, it wouldn't harm you, it was so thick," Tessar said.

Each bunker was about 10 feet by 10 feet and housed three men. One of the three was on duty at all times.

After completing that assignment, Tessar was sent back to the artillery outfit, where he became a squad leader with 12 soldiers working under him.

"Any war is rough, I don't care where it is. In Korea, the weather was just horrible. You had the monsoon days, and then you had the winters, that were terrible. So cold. And the summer months were so hot you couldn't believe it," Tessar said.

Still, Tessar is thankful that he enlisted to serve.

"It was quite an experience. It is something I am glad I did. You got to see the world. That was the great thing about it. And you met so many nice people. The camaraderie is just unbelievable," Tessar said.

After finishing 10 months in Korea, spend-

ing time at Old Baldy, Porkchop Hill and the 38th parallel, Tessar came back home, by way of Seattle, Wash., and Colorado.

He arrived home with no fanfare.

"It was a war that wasn't a war," Tessar said.

## The Honor Flight

"Most guys came home from the war, and that was it. They didn't have any kind of parade for them, they didn't get anything," Jewett said.

That wasn't the case with the Honor Flight. Police escorted the veterans throughout Washington, D.C., and the veterans were recognized everywhere they went.

"The people were so nice. Oh, gosh. They greeted us at Dulles Airport, and then when we came back to Milwaukee, it was just fabulous. It really was touching," Tessar said.

After the veterans got off the plane in Milwaukee, they walked through two rows of military personnel who stood in the concourse, saluting the veterans.

"I didn't know what to do, there was an officer saluting me," one of the veterans told Jewett.

"It's very quiet and, I think, very moving to walk through that, with all these soldiers saluting. And then you get out to the main terminal, and there's a band playing, and everybody singing and all that. It is very impressive," Jewett said.

It rained part of the time while the group was in Washington, but the skies were clear as veterans visited the Korean War Memorial and Arlington Cemetery.

"The Korean War Memorial is just unbelievable. I think it is the greatest memorial there is," said Tessar, who had not seen the memorial before the trip.

Tessar was struck by how lifelike the sculpted soldiers are in the memorial as they walk through marble rice patties. He also was moved by the faces of all the soldiers etched on the memorial's wall.

"It brought back some memories," Tessar said.

Tessar's wife of 61 years, Mary Tessar, was grateful that Jewett was on the trip.

"He was just positively wonderful. I felt John was all taken care of. I didn't have to worry," Mary

Tessar said.

It was a long day for the veterans, as well as the guardians. They were up for about 22 hours straight.

"And I wasn't tired, that's the sad part of it. Because of the excitement, I had a hard time getting to sleep even. It sure was great," Tessar said.

The trip is free for the veterans, but guardians pay their own way.

"It is an amazing experience. I encourage anybody to get involved. It's an all-volunteer group, so every penny goes for the vets. If you want to get involved with something that is truly volunteer and is really geared to the vets, it is a great organization," Jewett said.

For Tessar, the Honor Flight was a trip of a lifetime.

"They were great experiences, being in Korea and being on the Honor Flight. It is something you never forget. I think about both places every day," Tessar said.

For information about how to register or volunteer for the Stars and Stripes Honor Flight, go to [www.starsandstripeshonorflight.org](http://www.starsandstripeshonorflight.org).

Local artist Lynn Molenda walks through her garden, where she gets inspiration for her artwork. Molenda will have paintings and photographs displayed at the Kewaskum Public Library through the month of October. To kick off the show, Molenda will host a family art night at the library on Friday, Oct. 9, from 5 to 6:30 p.m.

photo by Anne Trautner

## Continued From... Local Artist Displays Work At Library

As Molenda teaches simple painting techniques, she will invite participants to draw a picture with crayons that will create a border for the watercolors.

"After you draw your drawing, then you can spray colors, and they will kind of merge together. You will get neat effects. There will be eyedroppers for drips, brushes for splashing and a spray bottle to move the water around," Molenda said.

Molenda earned her bachelor's and master's degrees in art education from the University of Wisconsin-Milwaukee. She has been a member of the Wisconsin Art Education Association since 1998, and currently leads a group of teachers in fostering creativity in the classroom.

She continues to develop her own art and recently completed a class in Door County, where she learned to add pastels to her watercolor paintings. Molenda currently is working on implementing that new medium into her work.

For many of her paintings, Molenda uses a soft, muted palette. Each of Molenda's paintings takes about 20 hours of solid work to complete.

"But you can't work

solidly. Watercolor is a devilish medium. You have to be very patient, and you have to lay down each very light layer of color, walk away and let it dry completely. If it's humid, it can take three to four weeks," Molenda said.

By allowing each layer to dry, Molenda keeps clean lines between the colors.

"Otherwise it bleeds together and you get weird edges. You don't want to have any backwashes. A backwash means I laid a layer down, and I put my brush into it when it was just starting to dry. That is a law you can't break because then you get a line, and would lose all the delicate layers," Molenda said.

Molenda's work has been featured in the Museum of Wisconsin Art in West Bend and the Plymouth Arts Center. She has received an honorable mention for an exhibit she had at Wisconsin Art Education Association's state convention. Earlier this year, her work was also of a three-month display at St. Nicholas Hospital in Sheboygan.

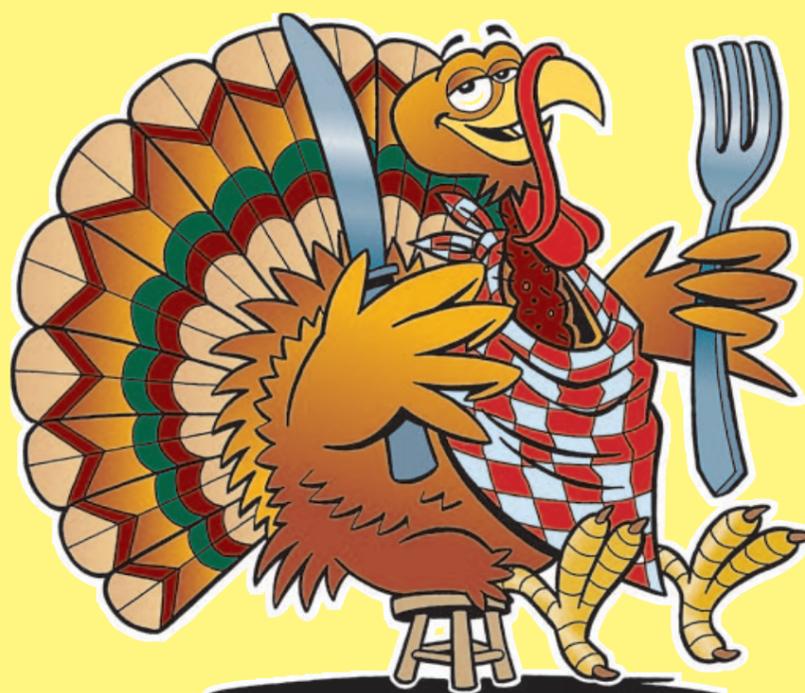

For more information about the art program at the Kewaskum Public Library, call the library at (262) 626-4312.

## Thull Is Dazzling; Kewaskum Football Team Stays Unbeaten

By Judy Harlow

Amazing, astonishing, unbelievable, breathtaking.

Any one of these adjectives ably describes the effort turned in by Kewaskum High running back (and birthday boy) Brandon Thull Friday night as he ran over, around and through the Berlin defense in a battle of unbeaten in the East Central Conference.

Thull rushed for 184 yards and scored on touchdown runs of 6, 49 and 85 yards in the first half to lead the Indians to a 21-6 victory over the other Indians — yes, the two teams have the same nickname — in the new league.

With the win, Kewaskum improved to 5-0 in the EC and 7-0 overall with only KML and Plymouth left in their way of a perfect regular season. The way the Indians played Friday, no one is going to touch them.

Berlin did score first in the contest, putting together a 10-play, 63-yard drive on its second possession. The big play in the drive was a 19-yard pass from Carter Jodarski to Lucas Gravunder to the KHS one-yard line. On the very next play, Mitchell Yonke plowed into the end zone for a 6-0 lead, but the snap on the PAT try was botched, and the holder just fell on the football.

Thull's early carries were certainly not memorable, a three-yard gain and a three-yard loss in the first series that ended with a punt after three plays. He wasn't worried, however. "In the first quarter, we just try to see what they are giving us. We've just got to be patient," Thull said.

On their second possession, the Indians scored but it was multi-purpose back Steven Nurkala who provided the big play, a 43-yard counter down the right sideline to the Berlin six-yard line. Thull got the call on first down, and the six-yard touchdown was anything but routine, as he appeared stopped after a short gain and then broke loose and dashed into the left corner of the end zone.

Cade Peterson's pick gave Kewaskum a 7-6 lead, and after Berlin went three-and-out, the Indians' offense was back on the field, starting from its own 35 yard line.

The series started with QB Michael Prochnow hitting Charlie Witek on a 15-yard pass, and it ended on the next play when Thull dazzled the crowd with his 49-yard scamper to the end zone. Thull took the handoff and started running to the right where he met a couple of defenders. Thull turned into Houdini, came up with brilliant escape act that included changing directions, not once but twice, breaking a

tackle and then spinning to his left where the only players ahead of him were adversaries waiting to escort him to the end zone.

"I couldn't catch their numbers, but give a shoutout to the linemen. They had a great game," Thull said.

And what was he thinking about when it looked like he would be tackled for a short gain? "There wasn't much there," Thull said, but ringing in his ear was a message coach Jason Piittmann preaches every day. "The coach pushes us to give 100 percent on every play," stressing good efforts produce good results.

The Berlin coaches in the press box were speechless when Thull broke out of the pack while a Kewaskum spotter remarked, "He must have run 100 yards on that play."

Piittmann could hardly believe what he had just seen. "Incredible! ...I looked at everybody on the sideline and just shrugged my shoulders," he said. "There are no words to describe it."

Berlin players may have been down 14-6 at that point, but they weren't out. The Indians drove right down the field to Kewaskum's 12-yard line but a fumbled snap hampered the effort and on fourth and 11 at the 13, Jodarski's pass sailed over the head of his intended receiver in the end zone.

Kewaskum fans were still buzzing about Thull's 50-yard run when he burst up the middle on a second-down play and outraced the Berlin secondary to the goal line for 85 yards and a 21-6 lead with 2:34 left in the first half.

"That was a great call by coach (Nick Krief)," Thull said. "We noticed they had a tendency to slide to our motion," Thull said. "I just ran up the middle and was untouched."

In the second half, Kewaskum started off with a long drive that stalled after Witek caught a pass in the end zone but was called for offensive pass interference.

Berlin controlled the ball the rest of the third quarter, moving 74 yards to the KHS 16 when it faced a third and one at the KHS 16. Kramer was tackled for no gain, and on the fourth, Berlin appeared to have drawn a KHS player offside, but there was no call and Jodarski was stopped in his tracks, and KHS took over at the 16.

The visitors threatened once more, reaching Kewaskum's 19 when a fourth down pass fell incomplete.

Kewaskum chewed up the final 4:59 with some good running by Thull and a key third down pass from Prochnow to Nurkala that gained 20 yards. One of

the assistants had said to Piittmann that they had to trust Prochnow to make plays, and, "He put the ball right there (Nurkala's hands)." Prochnow ended the game, throwing for 64 yards, completing seven of eight passes.

Watzig was again one of the leaders of the defense, coming up with two solo tackles and another eight team tackles. He was always around the ball.

"That's what I am supposed to do ... go right to the ball," the senior linebacker said. "Our defense played good night. (They had) a good offense, and we shut them down."

Josh Baker also turned in a stellar effort, with five solos and three gang tackles, while Nurkala had four solos and eight gang tackles. "Nurkala had some great plays," Piittmann said, reporting Zach Thull may not have had as many tackles, but he was in good position and forced the runners into somebody else."

Brady Hanson also had some big hits in the secondary before leaving the game in the fourth quarter with what Piittmann said may have been a neck injury.

Piittmann said Jordoski threw the ball well for Berlin and added, "No. 80 Gravunder is a good receiver," but the Indians were tough when they had to be. "They moved the ball but we kept them out of the end zone."

And as far as plans after the game for his birthday, Thull said, "I'm just going to celebrate with my friends and my family," noting his first present was the victory.

KEWASKUM 7-14-0-0 — 21

BERLIN 6-0-0-0 — 6

Current East Central Standings: 1. Kewaskum, 5-0; 2. Berlin and Plymouth, 4-1; 4. Winneconne, 3-2; 5. (tie) Campbellsport, 1-4, Kettle Moraine Lutheran, 1-4, Ripon, 1-4; Waupun, 1-4

Writer's note: For those who would like to see a replay of Thull's run, go to [Wissports.com](http://Wissports.com). The play was included on that website.

## Krier Holds Her Own Against D-1 Runners

By Judy Harlow

In diving competitions, the dives are rated on their degree of difficulty. In high school cross country, there is no such rating system, but if there was, the Slinger Invitational would have been a 3.0 as far as Kewaskum coach Kris Evans was concerned.

With the two West Bend teams, Slinger and Grafton in the field, it was tough!

The West girls, led by Abby Janto and Brianna Renner, came out on top with 51 points, seven ahead of Slinger, 58.

Kewaskum, led by senior Emily Krier, was sixth in the eight-team field with 169 points. Krier fit right in with the leaders from the larger Division 1 schools. She covered the 5,000 meters in a time of 20 minutes and 18 seconds (20:18), her best time of the year by 20 seconds and a time that was a mere three seconds out of sixth place.

"Emily was top 10" in a good field Evans said

about Krier's effort, which netted her eighth place.

Junior Hailey Herriges struggled a bit in this run, placing 38th in 22:31, while the other KHS counters, were in a nice little pack from 42nd to 48s. Haley Placinski finished 42nd in 22:48, while Ellie Debelak and Melissa Schneider hit the finish line in 23:13 and 23:42, respectively, good for 47th and 48th.

A bright spot for Kewaskum was placing ahead of East Central opponent, Waupun.

Justin Reck ran well enough, with a clocking of 18:04, but the field was a bit better than he is used to, so his team placed him 30th overall.

"He had another very good showing," Evans said about Reck's finish, which came on hilly course.

The Indians' other runners, Kyle Toth (31:56), Blake Miller (32:57), Anthony Leister (33:08) and Jacob Loehr (33:10), were all far back in the pack in 61st, 62nd, 63rd

and 64th, respectively.

"They missed the gun. They were off cheering for our other squad and didn't show up in time," Evans said, explaining why the last four Indians had much higher finish times. The officials let them run with the small school division, which had started 10 minutes earlier when the Indians appeared at the start line.

Kewaskum will be back with D-2 schools when it competes in the annual Cougar Invitational at Columbus Parc in Campbellsport.

### Slinger Owl Invitational

Girls Team scores: 1. West Bend West, 51; 2. Slinger, 58; 3. Nicolet, 78; 4. West Bend East, 92; 5. Oshkosh West, 99; 6. Kewaskum, 169; 7. Waupun, 179; 8. Watertown Luther Prep, 192.

Boys Team scores: 1. West Bend West, 20; 2. Slinger, 90; 3. Grafton, 111; 4. West Bend East, 119; 5. Nicolet, 123; 6. Waupun, 142; 7. Watertown Luther Prep, 154; 8. Oshkosh, 172; 9. Kewaskum, 280; 10. Milwaukee Morse-Madison, 290.

Individual winners: Girls - Abby Janto, West Bend West, 19:46; Boys - David Fassbender, Slinger, 16:27.

# Lange/Preder Are Lone Winners vs. The Powerful Jets

By Judy Harlow

Coach Peter Garcia was absolutely correct when he said it would be difficult for his Kewaskum girls tennis team to beat Roncalli in the East Central Conference finale.

The Lady Jets are unbeaten in EC play and feature Tallie Piaskowski, who finished second at state in D-2 a year ago, at No. 1 singles. The Indian battled hard vs. their talented opponents but fell 6-1. The lone winners were the No. 3 pair of Cassidy Lange and Hanna Preder, who needed just two sets to dispose of Riley Wetenkamp and Paige Haws, 6-0, 7-5.

Garcia said the two, who he calls "my little superstars," ended the conference season with a 9-1 record.

"We only lost to Kohler," Lange said after the match, indicating in this competition the two traded their two normal positions on the court. "I was better in the front today, and I'm normally not." Preder did well in the back, according to her partner and long-time friend.

"We've been friends since fourth grade," Lange said. "They (Jet opponents) even asked if we were sisters."

When asked about Lange's strengths, Preder said, "She can lob it," while Lange said Preder is the more consistent one of the two.

The two have been playing together for three years, starting at No. 3 as freshmen, moving up to No. 2 last year and settling in at No. 3 this fall.

And where did they learn how to play? Preder said she took a tennis class in summer school

and continued to play a lot. And what area has improved the most in their game? "I think our ground strokes and our serving."

Julie Vollmer also had a good match with Reese Wetenkamp at No. 4 singles before falling 3-6, 4-6.

Vollmer had some great serves and smashes which Wetenkamp could not return to draw to 3-4 in the first set then Wetenkamp regained the momentum.

"This is another school very good in singles," Garcia said, indicating he told top singles plays to just play as hard as they could in preparation for the October 1 sub-sectional at the Pleasant Valley Tennis Courts.

KHS wound up 7-3 (fourth place) in East Central play, while Roncalli finished 10-0.

**Roncalli 6, Kewaskum 1**  
Singles: No. 1 Jeray Riffel lost to Tallie Piaskowski, 0-6, 0-6; No. 2 Hunter Garcia lost to Julie Platteter, 0-6, 2-6; No. 3 Maddy Lehmann lost to Maya Ledvina, 1-6, 1-6; No. 4 Julie Vollman lost to Reese Wetenkamp, 3-6, 4-6

Doubles: No. 1 Julia Cotter/Laura Weishan lost to Maddie Salutz/Abby Weinetz, 3-6, 1-6; No. 2 Morgan Wenzlaff/Sammie Wiskirchen lost to Paulina Vaca/Nicole Froelich, 3-6, 2-6; No. 3 Cassidy Lange/Hanna Preder beat Riley Wetenkamp/Paige Haws, 6-0, 7-5.

Final EC Standings: 1. Roncalli, 10-0; 2. Kohler, 9-1; 3. Sheboygan Falls, 8-2; 4. Kewaskum, 7-3; 5. Ripon, 6-4; 6. Plymouth, 5-5; 7. Kiel, 4-6; 8. (tie) Kewaunee and Two Rivers, 2-8; 10. (tie) Chilton and Waupun, 1-9.

The No. 2 doubles team of Wenzlaff and Wiskirchen continued their winning ways, but the rest of the KHS varsity starters were outclassed by West Bend West 6-1 in a match played at Badger Middle School in West Bend.

"West had a great singles lineup and a good doubles lineup," Garcia said about the Spartans, who won at Nos. 1 and 2 without losing a game.

The Wenzlaff/Wiskirchen duo was on fire in set one, winning 6-0, then Kelsey Nowack and Claire Tennies started making a comeback before Garcia told his girls not to worry about the score but on their strokes. After the pep talk, "The team swept the next four games" to win the set 6-3 and the match.

Garcia praised Maddy Lehmann for her efforts at No. 3 singles, saying she played "inspired tennis" in losing the first set by a 6-7 (3-7) tiebreaker and set No. 2 2-6.

**West Bend West 6, Kewaskum 1**

Singles: No. 1 Jeray Riffel lost to Breanna Benberek, 0-6, 0-6; No. 2 Hunter Garcia lost to Lizzie Hilgendorf, 0-6, 0-6; No. 3 Maddy Lehmann lost to Morgen Vechart, 6-7 (3-7), 2-6; No. 4 Breanna Trepes lost to no name available, 1-6, 0-6

Doubles: 1. Julia Vollmar/Laura Weishan lost to Liz Hadler/Paige Nevy, 3-6, 3-6; No. 2 Morgan Wenzlaff/Sammie Wiskirchen beat Kelsey Nowack/Claire Tennies, 6-0, 6-3; No. 3 Cassidy Lange/Hanna Preder lost to Morgen Hansen/Katie Esper, 4-6, 3-6.

Nathan Heniadis takes the ball for Kewaskum in a Sept. 21 game against Lomira. Kewaskum won the non-conference game, 6-3.

photo by Anne Trautner

# Wilde's 86 Is Good Enough For A Berth In Sectionals

By Judy Harlow

For the third time, Kewaskum High's Leah Wilde has earned a berth in the WIAA Division-2 Golf Sectional.

At the regional hosted by Catholic Memorial last Wednesday at the Broadlands Golf Course near North Prairie, Wilde shot a 41-45—86 to finish fourth among those golfers not on any of the four teams advancing to the sectional. Last year, she also qualified as an individual, and when she was a freshman, KHS advanced as a team.

The Prairie School took

top honors in the 18-hole test, two shots ahead of Racine Saint Catherine (355), with St. Thomas Moore and Denmark also advancing with their respective totals of 367 and 368.

Kewaskum had just three golfers, not enough to qualify as a team, but Wilde, seventh overall in the field of 39, represented the school at the Fox Valley Lutheran Sectional at the Fox Valley Golf Course in Kaukauna on October 5.

"I think she needs to break 80 to advance to state, based on what I've observed from the teams

in our sectional," KHS coach Amy Uhlig said, who has praised Wilde's progress all season long.

Once again, Wilde birdied at hole. This time she had a deuce on the par-three, seventh hole.

When asked how many birdies Wilde has had her senior season, Uhlig said, "Off the top of my head, I'd say she's had about 10-12 birdies this season," which is impressive.

Freshman Grace Kober shot a 66-62—128, while Taylor Cook struggled with a 72 on the front nine and did quite well on the back, shooting a 59 for a 131.

# Kewaskum Youth Soccer Results From October 3rd

Kewaskum U8 Twisters played U8 Richfield Sharks and tied 4 to 4. We tried a new line up and it worked quite nicely, as we played the Sharks in the Erin Tournament. Eli Steinbauer scored all four goals.

Mackenzie Severance and Victoria Kenworthy played some great defense

U10 Spartans won in a 7-3 victory against the Hartford Fireball. The Spartans stepped up giving it their all as a team until the last whistle was blown. Timmy Hafemann scored a hat trick. Others to score were James Martin, Mitchell Becker, Calla Kreuser and Adam Deppert. Leading our awesome defense was Wyatt Tye and Calla Kreuser in Goal. Meghan Clausing and Dawson Stahl led an amazing charge keeping the pressure on throughout the game.

The U10 Aztecs lost in a tough game against Jackson with a score of 1-5. Gavin Schneider scored the only point for the team. Emily Burmeister and Austin Jantz played an aggressive defense but weren't able to stop the advancing Jackson players. Alex Severance made numerous attempts on goal but

Jackson's defense was too much for the Aztecs.

It was a tough 3-5 loss for the U10 Girl Warriors against the Juneau Rage. The girls played great defense and came back to tie the game in the third quarter but could not stop the Rage. Goals were made by Emilie Steinbauer, Brooke Gruen and Macy Fleischman.

The U12 Girls Storm lost to Slinger 4-5. Kiera MacFarlan showed great leadership moving the ball

and scoring two goals. Avery Bell and Sami Kusters each chipped in one goal in the tough loss.

The Knights took on Slinger Rain and won with a score of 9-2. The Knights were aggressive in defense, blocking many attempts from Slinger both during passing of the ball and with trying to score. Congratulations to the Knights for holding on to their undefeated title. This Saturday the Knights take on West Bend Dynamo.

Ellie Debelak and Haley Plachinski sprint toward the finish line in a cross country meet in Kewaskum on Sept. 24. The Kewaskum girls team came in second place overall behind Valders.

# Indians Keep Battling But Come Up Short

By Judy Harlow

The plan to stop Campbellsport's scoring machine, Sonny Johnson, worked perfectly, but unfortunately for the Kewaskum High soccer team, two other Cougars managed to score and the Indians left the field September 29 with a hard-fought 2-1 loss.

In the first meeting this season between the two schools, Johnson had a three-goal hat trick. "In this one, he had none," KHS coach John Kenworthy said Sunday night, reporting Nate Heniadas shadowed him the entire game and kept him from getting any shots. "It was just beautiful defense on his part," the coach said.

CHS scored twice in the first half, including one by its foreign exchange student. The first one came when "Our goalie just didn't get his hands down fast enough," according to Kenworthy.

KHS showed no quit in the second half, passing the ball better and coming up with several shots. On one drive by the Indians, senior Joe Sanborn was tackled a bit too hard in the box, according to

Kenworthy, who said he received a penalty kick and drilled it home "right outside his (goalie's) hands" in the right side of the net.

Concerning good defensive play, Kenworthy cited Dylan Baertschy and Hayden Koralewski for "anchoring that game down."

The October 1 game at Winneconne was a rough one for the Indians, who were defeated 10-1 by the powerful Wolves, who are currently 8-1-1, 1/2 game behind Kettle Moraine Lutheran and 16-2-1 overall.

"They've got a great team," Kenworthy said, singling out Jacob Brazee, who currently has 29 goals for the year and is one of the top scorers in the area.

KHS got its lone goal in the second half, and Kenworthy said it came on a "wonderful pass from Joey (Sanborn) to J.J. (Heberer)."

"Even in a game like that, one that was decided early, we didn't give up," Kenworthy said.

With the two losses, the Indians are 0-10 in the East Central and 2-12-2 overall.

On September 28, the Indians allowed visiting Columbus to score three goals in the first 17:14, including two in the first 3:21, and wound up losing by one goal, 3-2.

"I'm more disappointed with this game than any other game we've played this year," a disappointed Kenworthy said, noting, "I think the attitudes were a little complacent today. We weren't focused."

Noel Bindrich scored an unassisted goal at 32:50, and Krautkramer took a pass from Sanborn and booted the ball past the Cardinal keeper at 58:22, but the Indians could not come up with the tying goal.

Sanborn had an excellent opportunity in the 77th minute after intercepting a ball and moving into position to go one on one with CHS's goalie, who stopped the hard shot with a two-hand grab.

"I was super proud of Christian (Bucher)," Kenworthy said, noting the first-year player brought the ball all the way down the field before passing to Sanborn, who kicked the ball to Krautkramer on the second goal.

Tony Steger, 15, of Kewaskum shot this bear on opening weekend of bear hunting season with the aid of dogs. The bear weighed in at 344 pounds and was shot in Wabeno. The land is owned by Karl, Stacy and Nik Seilenbinder, who allow Steger to hunt there. This was his first bear.

## Rock River League Old-Timers Announce Hall Of Fame Selections

The Rock River League Old-timers Association's members have voted for the 2015 selections into the Rock River League Hall of Fame.

Selected were Jason Feucht, an infielder for Rubicon; Don "Guy" Gourlie, an infielder/outfielder for LeRoy and Mayville; Jason Wesemann, a shortstop/pitcher for Clyman; and Joe Parish, a catcher for Watertown.

Selected for Posthumous Induction into

the Hall of Fame was Peter Kuehl, an outfielder for Hustisford. Selected to receive the Rock Diamond Award for Meritorious Service to local baseball was Steve Lehmann, an infielder/pitcher for Juneau and Clyman and business manager of the Clyman Cannons baseball team.

These members will receive these awards at the Annual Hall of Fame Banquet to be held on Saturday, Oct. 24, at Clyman Lions Hall. Cocktail hour begins at 6

p.m. with the dinner to follow at 7 p.m.

The public is welcomed to attend. The cost of the ticket for the evening's festivities is \$25 if reservations are made by Oct. 14; the price goes up to \$30 after Oct. 14. Reservations can be made by contacting Old-timers Secretary Bob Schulz at 920-285-3736 or by e-mail at bobschulz@charter.net. Reservations must be made by Oct. 17.

## KHS Spikers Have Highs And Lows

By Judy Harlow

Like the nursery rhyme about the little girl with the curl in the middle of her forehead, when the Kewaskum volleyball players were good last Thursday night, they were very good and when they were bad ... well, then it was a struggle.

The Indians lost their East Central match to visiting Berlin, 11-25, 25-23, 18-25 and 20-25 and in the process fell to 1-3 in EC play.

"It was tough to get started," Leitzke said, reporting Ellie Landreville, Amanda Schaller and Brittany Williams provided a lot of defense. "The trio received 86 percent of the serves, and sometimes with only two in receive."

"With the slow start, we had to come from behind in sets," Leitzke went on. "We pulled to 1-1 with a great second set" but there was a "lull" in the third set, which Berlin won, and after pulling comfortably ahead in the fourth, the Indians faded down the stretch, losing by five points.

Schaller and Krystina Lepp led in kills with seven, while Schaller and Elizabeth Lightner, back after an injury, both had four aces, and the assist leaders were Sarah Butschlick and Haley Kleinhans with 12 and nine, respectively.

Landreville had a big night digging, coming up with 19, while Schaller and Williams scooped up 15 and eight potential scores.

The good news coming from the match is the KHS JV's and freshman teams both shut out their opponents.

On October 3, the Indians placed fourth out of six teams at the Cedar Grove - Belgium Tournament, losing to Kiel 25-9, 25-27 and 9-15, to Columbus 19-25 and 22-25 and to the host Rockets 15-25 and 21-25.

They rebounded in the afternoon, beating St. Francis 25-13 and 25-17 and then topping Kohler in their final match, 25-16 and 25-22.

"It was a decent weekend," Leitzke said. "We had a run of four bad sets and that hunt us, causing

us to drop two matches we shouldn't have."

The second-year coach said he talked with the girls about how they lost their focus and control, "and we worked to regain that after a great set with the hosts, Cedar Grove-Belgium."

Schaller and Hailey Schicker led the team in kills with 22 and 19, respectively, while Lightner added 15. Kleinhans had a whopping 58 assists, while Butschlick chipped in with 22. The top blockers were Lightner (5), Butschlick (3) and Mikayla Dogs (3), and Landreville led the team in digs with 66.

Schaller, Kleinhans and Landreville tied for the most aces - three.

"Defensively, we had a pretty decent day again but our control errors were a major factor that we have to continue to work on," Leitzke said.

Tonight (Thursday) the Indians are at Kettle Moraine Lutheran, and the Indians will need their "A" game to beat the Chargers.

Elizabeth Lightner blocks the ball for Kewaskum in a game against Campbellsport on Sept. 3.

# Eighth-Graders Win Thriller On The Road

The eighth-grade Gridiron Indians improved their record on the season to 3-1 with a thrilling 28-26 victory at Cedar Grove. A game like their previous three, that was once again decided in the final minute of the game.

Cedar Grove received the opening kickoff and didn't waste anytime scoring on a 66-yard touchdown run on the third play from scrimmage. The 2-point kick was good to make the score 8-0 early in the first quarter. On the Indians first possession their was a miscue in the backfield and they turned the ball over on a fumble. On Cedar Grove's next possession they gave it right back to the Indians with defensive lineman Matthew Gliniecki stripping the ball right out of the hands of the Cedar Grove running back and returning it 30 yards. Unfortunately the Indians couldn't take advantage and turned the ball over on downs deep in Cedar Grove territory.

On Cedar Grove's next possession they were forced to punt and return man J.J. Thull grabbed the punt, received some nice blocks and took it all the way for a 65 yard touchdown. His two-point kick was also good to tie the score at 8-8. On Cedar Grove's next possession it was linebacker Reagan Dricken who stripped the ball out of the running back's hands and returned it 20 yards. The Indians unfortunately had a pass

attempt intercepted on their possession. Cedar Grove then put together a 55 yard drive capped off by a 32 yard touchdown run. The two-point kick was no good giving Cedar Grove a 14-8 advantage.

The Indians' next possession included a nice 23-yard pass from quarterback Ty Cook to tight end Jay Horning and Thull finished off the drive with a 14-yard touchdown run. His two-point kick was good and the Indians went into halftime with a 16-14 lead.

The Indians received the second half kickoff and attacked right away with another nice connection between Cook and Horning, this one covering 48 yards which led to an eight-yard touchdown run again by Thull. This time the two-point kick was no good and the Indians had a 22-14 advantage early in the third quarter. Cedar Grove however answered right back with a nice drive of their own and scored on a four-yard touchdown run. The two-point kick was no good so the Indians remained on top 22-20.

The Indians came charging right back and on the final play of the third quarter it was again a Cook to Horning connection, this time for a 55-yard touchdown. The one-point conversion pass fell incomplete and heading to the fourth quarter the Indians had a 28-20 lead. Cedar Grove was driving on its next possession when linebacker Benjamin Frase stepped

in front of a receiver and intercepted the pass. The Indians couldn't capitalize though and had to punt, giving Cedar Grove the ball with just under five minutes to play.

Cedar Grove was able to complete a pass covering 21 yards on a fourth and 12 play that set up a 12 yard touchdown run with 25 seconds remaining in the game. Just the opposite of the previous week against Mequon when the Indians two-point kick to tie the game was blocked, the Indians blocked Cedar Grove's kick attempt and held on for the 28-26 victory in yet another exciting finish, which is becoming a weekly occurrence for the eighth-grade team.

The offense had a balanced attack with Thull carrying the ball 14 times for 91 yards and two rushing touchdowns to go along with his 65 yard punt return for a touchdown and Cook throwing for 126 yards and a touchdown, with Horning on the receiving end of all of it.

The offensive line also played their best game of the season, especially providing Cook with plenty of pass protection on some long pass plays. The defense was led by linebacker Eli Bartelt who was in on a bunch of tackles, defensive back Toree Ralph who again made some great open field tackles and the unit overall forcing three turnovers for the third different time this season.

Andrea Butz and Clayton Kappler race toward the finish line during the middle school cross country race in Kewaskum on Sept. 24.

# Fifth-Grade Indians Football Team Claims Decisive Win

The coaches felt confident heading into the fourth week as they made changes in both the offense and defense.

"It was time to switch things around," said Head Coach Jeff Logan.

It paid off as the Indians beat the Broncos 21 to 6.

The offense had both the Broncos defensive line and the strong blustery wind to deal with on Saturday, Oct. 3, in Cedar Grove. Heading into the second quarter with no score on the board, the Indians moved the ball down the field using 4:30 minutes on the clock.

The offensive line provided full protection for quarterback, Derek May, as the Indians trudged into Broncos territory. Offensive linemen for this game were Brady Butlaff, Antoine Coleman, Cale Fedorski, Hunter Loser, and Dillan Steger. Running backs Donovan Zillmer and Leo Otten rushed for a combined 30 yards.

After a decent march toward the goal line May got his team on the scoreboard with the quarterback sneak. May's pass was complete to Ryan Cook for the extra point.

The third quarter started off with a bang as Ryan Falk returned the kick-off for a 15 yard gain. Zillmer rushed for 16 more yards and with a completed pass to Falk brought the Indians to the 29 yard line. Incomplete pass with fourth and five the Indians hand the ball back to the Broncos.

Thanks to a fourth down tackle by Loser, the Indians get the ball back with two minutes left in the quarter. Derek May completes a 15 yard pass to Dylan Raether and advances the ball to first and goal. Zillmer runs the ball in for the second touchdown. Dillan Steger attempted an extra point but just missed to the right of the goal posts. The score was 13-0 at the end of the third quarter.

At the start of the fourth

quarter, the offense continued to push the ball with Zillmer rushing 20 yards and Otten carries for another 20 yards. Once again at first and goal, May handed off to Otten and he runs in for another touchdown. Steger kicked the ball between the goal posts and Indians are ahead 21-0.

The defense proved to be on their game as they

held the Broncos on every series. The fusion of talent by Carter Curtin and Hunter "Henchman" Loser each sacking the QB, followed by Carson Rolf's interception helped put a stop on their offensive drives. Unfortunately, similar to the past few games, the Broncos pushed through the defense and score late in the fourth quarter.

Andrew Carlton of Kewaskum Middle School wins the middle school cross country meet in Kewaskum on Sept. 24.

## Youth Deer Hunt Provides great Opportunity To Introduce Young Hunters To The Outdoors

Youth hunters and those interested in mentoring young hunters are reminded to mark their calendars for this year's Wisconsin youth deer hunt October 10-11.

The youth hunt allows boys and girls ages 10-15 to hunt with a gun or other legal weapon prior to the regular firearm seasons. The youth hunt is open to all resident and non-resident youth hunters with a gun deer license and appropriate tags.

"This is a great opportunity for families and friends to mentor and train young hunters," said Keith Warnke, hunting and shooting sports coordinator for the Wisconsin Department of Natural Resources. "The memories made last a lifetime and sharing our conservation history and ethos with our children is a rewarding experience - I know from personal experiences with my own daughters."

Buck and antlerless deer permit tags included with a junior gun deer license are valid statewide for youth hunters.

All youth hunters must be accompanied by a mentor 18 years of age or older. Youth ages 12-15 with a hunter education certificate may hunt within visual and voice range of a mentor. When accompanying one or two youth ages 12-15 that have successfully completed hunter education, a mentor is not required to possess a hunter education certificate or a current hunting license.

Hunters ages 10 and 11, as well as those ages 12-15 that have not completed hunter education, may gain hunting experience under the Hunting Mentorship Program. This program requires youth to

hunt within arm's reach of a qualified mentor who has completed hunter education and holds a current hunting license.

Only one weapon may be possessed jointly between youth and mentor. Mentors may not hunt using a firearm during the youth deer hunt weekend, and must possess a valid Wisconsin hunting license for the current hunting season. License type does not matter, unless the mentor will be hunting other game.

Hunters of all ages are reminded to follow the four rules of firearm safety:

- Treat every gun as if it were loaded;
- Always point the muzzle in a safe direction;
- Be sure of your target and beyond; and
- Keep your finger out of the trigger guard until you are ready to shoot.

To learn more about youth hunting and general deer season regulations, search the DNR website for keywords "youth hunt" and "deer" respectively.

First-time hunters and those that have not purchased a license in at least 10 years are eligible for a discounted first-time buyer license. Search keyword "license" for more information.

As in previous years, those new to hunting can celebrate their first harvest with the official first deer certificate. Simply follow the instructions on the page to upload a photo of your first deer and describe your experience. For more information, and to create your own first deer certificate, search keywords "first deer."

For more information regarding deer hunting in Wisconsin, search keyword "deer."

Sydney Rosenthal runs up a hill during a cross country meet in Kewaskum on Sept. 24. Kewaskum's girls team placed second overall in the meet behind Valders.

 —Guest Editorial By 59th Assembly District Representative Jesse Kremer

## Prevention And Protection On College Campuses

This past week, another horrific mass shooting took place in yet another "gun-free" school zone. I cannot even begin to comprehend what the parents of these victims are going through and pray that our family will never have to endure this type of pain. Let us be completely honest - we will never be able to legislate evil into extinction. While some argue for more mental health reform, others push for tighter gun control laws and many stress an ever vigilant and armed citizenry. I will address some facets of this issue in the contexts of campus violence prevention and protection.

When considering the mental health argument for stricter gun laws, it is important to realize that in a 2004 U.S. Secret Service and U.S. Department of Education report, Implications for the Prevention of School Attacks in the United States, an analysis of 37 school shootings involving 41 attackers from years 1974 - 2000 revealed that neither diagnoses of mental health disorders nor substance abuse were prevalent among the attackers.

These facts make it nearly impossible to prevent weapons from falling into troubled hands. Among the report's 10 major findings, three in particular stand out: first, most incidents were stopped by means other than law enforcement, second, these acts are rarely sudden or impulsive and third, others often have advanced knowledge of an attacker's plan. According to a CNN report on the recent shooting in Oregon, authorities have linked social media postings to the shooter, revealing a discussion of his plan, complete with both encouraging and disparaging feedback from other users.

I believe that there are two steps to the prevention of violence on and around college campuses. First, we all have a duty to notify law enforcement immediately if we become aware of any veiled or direct threat. Intense discussions on social media involving the planning of a terrorist-style attack are not normal behavior and must be taken seriously by family, friends and acquaintances.

Second, we must immediately dismantle "gun-free zones," particularly those in our public colleges and universities. Dr. J. Eric Dietz, Director of Purdue University's Homeland Security Institute, concluded that in a study of all mass shootings since the 1950s, only two occurred outside of gun-free zones. The unfortunate reality of these zones on our public campuses is that they merely serve to concentrate a population of potentially disarmed individuals - a perfect target for those wishing to commit acts of sexual assault, robbery or a mass shooting.

In order to prevent future campus shootings and reduce crime around our colleges, we must not only address the issue of prevention, but also personal protection. It is clear that thugs who are bent on mayhem will not observe laws, school policies or other civil norms. As such, we cannot continue to ignore the constitutional right of self-defense by treating college adults as lesser citizens. This is, once again, a compelling argument to disband the "gun-free zone" policies that evoke a feel-good, false sense of security.

In closing, the real solution to violence prevention and personal protection on college campuses does not exist in stripping away physical weapons, but rather in the elimination of easy targets for criminals terrorizing law-abiding citizens. A responsibly armed society, keenly aware of potential threats is not something to fear. We simply cannot afford to continue ignoring the facts of these sobering situations at the expense of our vulnerable college students and faculty.

Celebrating 95 Years of manufacturing the highest quality playground equipment for schools, parks, daycares, churches and more!

## Fire Prevention Week: Learn The Dos & Don'ts Of House Fire Safety

October 4-10, 2015, marks Fire Prevention Week, a commemoration of the Great Chicago Fire in 1871 and an opportunity to emphasize fire safety and preparedness.

Remember these dos and don'ts to help you and your family protect against the dangers of a house fire:

**DO** keep a smoke alarm on every level of your home. Half of home fire deaths happen between 11 p.m. and 7 a.m. Stay safe with smoke alarms outside of every bedroom and each separate sleeping area.

**DON'T** forget to test your smoke alarm every month. The risk of dying in a home fire is cut in half in homes with working smoke alarms. If your alarm doesn't sound when tested, it's time to replace it.

**DO** address your needs. If you require eye-glasses, hearing aid, cane or a wheelchair, ensure they are next to your bed to quickly grab if necessary. If there is a fire, you may have less than three minutes to get out of your home. Be ready to act immediately.

**DON'T** assume you'll hear the fire alarm if it sounds. If you test the alarm and can't hear it, consider getting a strobe light that will flash or a bed shaker that will shake when the smoke alarm sounds.

**DO** make a fire escape plan that shows at least two ways out of every room. Identify a meeting place in the front of your home, to verify that everyone is safe and help firefighters ensure everyone exited safely.

**DON'T** stop to call 911 until you're safely outside and away from danger. Stay outside until the fire department says it's safe to go back inside.

For even more fire safety tips, visit the U.S. Fire Administration's webpage at [www.usfa.fema.gov](http://www.usfa.fema.gov). You can also follow FEMA Region V at [twitter.com/femaregion5](http://twitter.com/femaregion5) and [www.facebook.com/fema](http://www.facebook.com/fema). Individuals can always find valuable preparedness information at [www.Ready.gov](http://www.Ready.gov).

**Trick or Treat Local Times**

**Saturday, Oct. 31:**  
 Campbellsport: 3 p.m. - 5 p.m.  
 Eden: 3 p.m. - 5 p.m.  
 Kewaskum: 5 p.m. - 7 p.m.

**DEADLINE**  
 For News Items & Ads Is  
**Monday**  
 at 5:00 p.m.
