Boys & Girls Club Grows In Response To Kewaskum's Needs

By Anne Trautner

About 10 years ago, when Kewaskum Schools started implementing early release days on Wednesdays, parents Kandi O'Neil and Kathleen Christensen were not happy.

What were they going to do with their children on Wednesday afternoons?

The two working mothers called United Way in search of a solution. United Way, which helps fund the Boys & Girls Club of Washington County, put the two parents in touch with Jay Fisher, executive director of the Boys & Girls Club of Washington County.

"People always talk about how it takes all these people to get anything done. All it took was these two moms. They were parents of elementary school kids that needed to have their kids go somewhere," Fisher said.

Fisher talked with Tom Fischer, who was principal of Kewaskum Elementary School at the time, and the two put together a committee of concerned parents. It did not take long for the Kewaskum School District to give its blessing to start a Boys & Girls Club in Kewaskum.

During the 2006-2007 school year, the Boys & Girls Club started meeting after school on Wednesdays at Kewaskum Elementary School. About 165 to 175 students attended each week.

Since then, the program has served at least 3,000 students, Fisher said.

"All those people benefited just because of those two moms," Fisher said.

Statewide dilemma

The predicament that O'Neill and Christensen found themselves in a

decade ago was the same for many parents across Wisconsin.

It was a time that education systems began emphasizing the importance of professional development for teachers, and school districts across Wisconsin started searching for ways to find time that teachers could meet with one another.

Because of limits set by teacher unions, schools could not mandate that teachers meet before school, during lunch breaks or after school, so many schools started an early release or late start schedule.

The new schedules enabled teachers to work with one another to develop skills and strategies they could apply to their classrooms. The teachers were able to use the meeting time to develop curriculum, assessments and learning activities that could benefit student learning.

But the new schedules created a day-care quandary for countless working parents.

While many communities have turned to outside agencies and churches to fill the void, it is a problem that some parents still face. Employers in some municipalities report a decrease in productivity because parents call in sick or leave work early on the days their children are released early from school.

The Boys & Girls Club has come to Kewaskum's rescue on early-release days. But it does much more than that.

Kewaskum Growth

When the Boys & Girls Club meets, there is always a supervised activity going on, Fisher said. Students are engaged in arts and crafts, leadership

programming, games, technology, physical education and homework help.

"Every area is supervised, and there are programs going on. So you can't just come and hang out," Fisher said.

The Kewaskum Boys & Girls Club started with a one-day program, with students meeting only on Wednesday early-release days at Kewaskum Elementary School.

"The kids really enjoyed it, and the parents enjoyed it, so then we went to three days a week, Mondays, Wednesdays and Fridays in 2007," Fisher said.

The Boys & Girls Club, which serves youth ages 6 to 17, hosted about 50 students on Mondays and Fridays. Wednesdays remained the popular day, when some 175 students attended.

"Then parents started asking for more, so then we went to the Monday through Friday thing," Fisher said.

About three years ago, a morning program was added to the Kewaskum Boys & Girls Club, and students could come as early as 6:30 a.m.

"We estimated that we would have maybe 15 kids but there are 60-plus every morning," Fisher said.

The Kewaskum club continued growing. A summer program was started five years ago. This year, the Kewaskum Boys & Girls Club began offering programming during recess. About 80 students have signed up for the recess activities.

The Kewaskum Boys & Girls Club now has about 300 members, and more than 100 students attend the program each day.

Boys & Girls Club Continued on Page 4

An alien attack team greets visitors to the Halloween Nature hike held at the Long Lake Recreation Area on Oct. 16. The team explained that there are a number of invasive species that have entered the Kettle Moraine State Forest. Visitors learned about the invasive species as they walked along a torch-lit trail.

Kewaskum To Open The WIAA D-3 Playoff Series

By Judy Harlow

Kewaskum will open the WIAA D-3 playoff series with a home game against Delavan-Darien this Friday night at 7 p.m.

The 9-0 Indians received the No. 1 seed in a meeting held Saturday

morning, involving eight teams assigned to the southeast region. Waukesha Catholic Memorial, which has two losses, both against D-1 powerhouses, Arrowhead and Muskego, received the No. 2 seed while Evansville/Albany is No. 3

and St. Francis No. 4. Delavan-Darien comes in with a 5-4 overall mark and was 3-4 in the Southern Lakes.

The winner of this game will face the winner of the St. Francis-Whitnall game.

Boys & Girls Club members had never thought of using a Q-tip to make art. They recently did just that as they learned a fun new way to be creative at the Kewaskum Boys & Girls Club site, located in Kewaskum Elementary School.

Tuesday Night Sheepshead Winners

Five-handed winners on Tuesday, October 13th were: Katie Reimer 73-4-69, 22-3-19, Joe Reimer 65-4-61, 19-3-16, Robert Aufdermauer 67-11-56, 18-7-11, Duane Plath 60-11-49, 23-6-17, Gerold Stern 60-12-48, 17-5-12, Rochelle Stoffel 42-0-42, 17-0-17, Scott Stern 16 most losses and Sylvester Stern 10 low points.

The next five-handed call-an-ace will be Tuesday, October 27 at 7:30 p.m. sharp. New players are always welcome at the Kewaskum Labor Center.

Early deadline for the November 12th paper is Friday, Nov. 6 at 4 p.m.

In August, 60 of the descendants of Nick and Ida Gonnering gathered for a family reunion. It was their first reunion in 21 years, so there was a lot of catching up to do. Nick and Ida raised their 11 children on the family farm on Indian Lore Road just south of County Highway H. The first cousins able to attend are pictured above, from left, Sheila Hron Whiting, Joel Zautner, Sr. Gonzaga (Louise) Hron, Janet Zautner Meisenheimer, Ann Hron Ruplinger, Donna Gonnering Johnson, Tony Weasler Jr., Jim Zautner, Monica Hron Lettow, John Gonnering and Paul Weasler. Also in attendance were Peter and Dorothy (Tina) Gonnering and their daughter Mary. Peter is the son of Frank and Alma Gonnering. Frank was Nick's brother.

Washington County Sheriff's Office Releases Reports

– Residential Structure Fire In Town Of West Bend

On Tuesday, Oct. 20, at 2:09 a.m. the Washington County Sheriff's Office received a call of a residence fire at 5466 Woodland Summit in the Town of West Bend.

Upon arrival, deputies located a single family residence that had flames on the deck that was attached to the house. The home owners got out of the residence safely and there were no injuries.

West Bend Fire and Rescue responded and they were assisted by Allenton, Slinger, Jackson, Kewaskum, Newburg, Boltonville, St Lawrence, Fillmore and Kohlsville Fire Departments. Woodland Summit had partially restricted access while the fire was extinguished by Fire and Rescue crews.

Damage to the home and contents is estimated at approximately \$800,000 at this time.

The exact cause of the fire is not known at this time and the matter remains under investigation by Washington County Sheriff's Office and West Bend Fire.

Fire Reported At Allcast in Allenton

Washington County Sheriff's office was notified of a fire on the roof of Allcast Inc. located at 217 Weis St. in Allenton, Town of Addison, on Oct. 18 at 11:37 a.m. and was on scene until approximately 2:30 p.m.

Allenton Fire department responded and was assisted at the fire by St. Lawrence, Slinger, Kohlsville and Hartford fire departments. There were no injuries to any responding personnel. Fire officials estimate the damages to the building at \$30,000.

The building was occupied by three workers at the time the fire was discovered, with one of them unsuccessfully attempting to extinguish the fire with a fire extinguisher.

Preliminary investigation has determined the fire originated at roof level where there had been recent installation and construction of a new furnace used in the aluminum smelting and manufacturing process.

There was nothing suspicious and nothing to lead investigators to believe this was anything other than an accidental fire.

Motorcycle Crash Results In Fatality

On Oct. 17, 2015 the Washington County Sheriff's Office was notified the driver involved in an Oct. 3 motorcycle crash has died.

The single-vehicle motorcycle crash occurred on Oct. 3 at 11:28 p.m. on County Highway H at the intersection of State Highway 144.

Deputies located the driver and the motorcycle off the roadway to the

southwest of the intersection. The operator, a 50-year-old City of West Bend resident, had serious injuries, was unconscious, breathing and found to not be wearing a helmet. Deputies made contact with two subjects who were in a vehicle southbound on State Highway 144 and witnessed the crash. The witness statements and evidence on scene indicated the motorcycle was westbound on County Highway H and failed to stop for the stop sign at State Highway 144.

As the motorcycle approached the intersection it crossed over the centerline and entered the ditch on the south side of County Highway H. At that time the operator was ejected from the motorcycle and the operator and motorcycle continued across State Highway 144, coming to a rest southwest of the intersection. Deputies detected the odor of intoxicants on the driver.

Boltonville Fire and First Responders, Kewaskum Rescue and West Bend Intercept responded to the scene. Due to the operators injuries Flight of Life was requested and County Highway H west of State Highway 144 was closed down to land Flight for Life. The subject was flown to Froedtert Hospital in Wauwatosa.

This was the ninth traffic fatality in Washington County during 2015.

County Investigates Death

On Oct. 18 at 1:10 a.m. the Washington County Sheriff's Office received a report of a female with a gunshot wound, in a vehicle, in the parking lot of Richfield Truck Stop located at 2900 Holy Hill Road/State Highway 167 in the Village of Richfield. Upon arrival, deputies found a deceased female with a gunshot wound was located in the passenger seat of a pickup truck parked near a gas pump.

At this time there are no suspects in custody related to this incident and this Sheriff's Office is not searching for any suspects related to this incident. No additional information will be released at this time and this incident continues to be investigated by the Washington County Sheriff's Office.

Contractor Charged With Theft

A 37-year-old West Bend man was charged criminally with theft by contractor in Washington County Circuit Court on Oct. 13. Jason L Stendahl is accused of committing theft by contractor in a case involving a victim from the Town of Barton.

Stendahl was paid over \$19,000 to complete work on the victim's residence. It is alleged that Stendahl used the money for other projects and did not com-

plete the work. Additionally, a subcontractor was hired by Stendahl to do work on the property and was not paid by Stendahl. As a result, the victim now has several liens placed on the property.

Stendahl is scheduled to make his first court appearance on November 2, 2015 at 8:15am in Branch 3.

Other Reports

• On Oct. 10, sheriff's deputies checked a residence in the 5000 block of Highway 167 for a vehicle that was involved in a fleeing incident in Shorewood. Upon arrival, deputies found a vehicle with the correct license plate attached. The investigation revealed the vehicle had not been operated for one week and was missing the front license plate. The registered owner, a 25-year-old Village of Richfield man, did not know the front plate was missing. It is unclear where/when the plate would have been stolen.

On Oct. 16 that license plate was also spotted on a different vehicle that was involved in an armed robbery in Whitefish Bay. The plate is currently listed as stolen but still unaccounted for.

• On Oct. 17 at 4:48 p.m. a deputy stopped a vehicle with expired registration on I41 in the area of County Trunk DW in the Town of Addison. The deputy could smell the odor of marijuana. A search of the vehicle resulted in marijuana and paraphernalia. The operator of the vehicle, a 27-year-old lola man was cited and released for possession of drugs and paraphernalia.

• On Oct. 17 at 4:56 p.m., a 51-year-old Village of Menomonee Falls man was hunting in the Jackson marsh. As he was packing up to leave, he leaned his Remington 870 pump shotgun up against the truck. The man then proceeded to drive away without packing up his shotgun. The serial number has been entered as a lost/stolen item.

XYZ Card Results

The winners of cards played at the Municipal Building Annex on Wednesday, October 14th were:

Sheepshead: Tom Kissinger, Don Herriges, Dolores Mielke, Marvin Marquardt, Joyce Herriges, Darceal Jordan, Ruth Kern, and Marilyn Martin.

New members are always welcome. Cards are played from 8:30-11:15 a.m. every Wednesday.

POLICE BLOTTER

Thursday, Oct. 8

1:30 a.m.: House check.
2:56 a.m.: Building check.
5:30 a.m.: Traffic request.

Other Breakfast Items: Cold Cereal Bowls, Fruit Muffin, Fruit Breads, Cereal/Granola Bars, NutriGrain Bars, Graham Cracker Snacks, Poptarts, 4oz Yogurt, String Cheese, Uncrustable.

All Menus Are Subject To Change.

General State Aid Certified To School Districts

As required by state statute on October 15 of each year, the Wisconsin Department of Public Instruction is providing the certified amount each school district will receive from the general state aid appropriation. For the 2015-2016 school year, it is \$4.476 billion.

The amount of general state aid available for school districts was unchanged from last year. Overall, 44 percent of the state's public school districts (186 of 424) will receive more general state aid this school year than they did in 2014-2015.

Certified general aid amounts may differ from July 1 aid estimates because they are based on audited school district data from the previous school year. The audited numbers include membership, property value, and eligible expenditures.

School membership, which is not the same as enrollment, decreased by more than 2,500 full-time equivalent (FTE) students and totaled 854,419 FTE. Overall statewide property valuations increased for the first time in six years and range across school districts from \$8.2 million per pupil to \$172,100 per pupil, a ratio of 49:1 between the most and least property wealthy districts in the state.

The \$4.476 billion in general state aid does not include funding allocated to school districts for categorical aid for various programs or per pupil categorical aid. Categorical aid for programs such as special education, transportation, and bilingual-bicultural aid will total \$751.7 million for 2015-2016 and is paid on different sched-

ules than general state aid.

The appropriation for per pupil categorical aid is \$127 million. School districts will receive \$150 per FTE pupil, the same as last year. That categorical aid will be paid in July 2016.

The actual amount of general aid that the state's 424 public school districts receive from the \$4.476 billion allocation is reduced for a number of factors.

Specifically, Milwaukee Public Schools will have its aid reduced by \$56.5 million to pay for the Milwaukee Parental Choice Program (MPCP). Because of changes in how the MPCP program is funded, the aid deduction is lower than last year's \$61.1 million. Nearly all districts share an aid reduction of \$71.9 million for the 24 independent charter schools in Milwaukee, Racine, and Waukesha, up from last year's \$68.6 million deduction.

Additionally, a new general aid reduction will be applied to the June 2016 payment for school districts that have eligible students attending a private school under the Wisconsin and Racine Parental Choice programs. Information on enrollments in those choice programs and the impact that will have on individual districts' general aid payments will be released when they are available and complete as required by statute, Wis. Stat. sec.118.60(11)(d).

Kewaskum will receive \$8,265,572. Last year, Kewaskum received \$8,024,084. This is a 3.01 percent increase, which will be \$241,488.

The Boys & Girls Club in Kewaskum teaches students about healthy living. Last week, club members learned to get healthy with their desserts. They made fluff pies, consisting of whipped cream and fruit.

Continued From... Boys & Girls Club Grows In Response To Kewaskum's Needs

The Big Picture

Boys & Girls Clubs of America had been around since the late 1800s. Nationally, the Boys & Girls Clubs of America serves about 5 million children. In Wisconsin, there are 26 clubs.

The Boys & Girls Club of Washington County started in 1998 in West Bend with 44 members. It has now grown and the entire county club serves 1,200 members.

The Kewaskum Boys & Girls Club has quickly become the busiest club in Washington County, Fisher said.

"We run the basketball and volleyball leagues for the West Bend School District, and if you take away those, West Bend probably gets 100 to 120 kids a day. Here, we get 140 kids a day. Between West Bend, Jackson, Hartford and Germantown, this club on a daily basis between the morning and afternoon programs, outdraws those," Fisher said.

While most of the other county Boys & Girls clubs

meet in large, stand-alone buildings, the Kewaskum Boys & Girls Club is the only club in Washington County that is housed in a school.

"It would not be possible to have the Boys & Girls Club in Kewaskum if it were not for the partnership we have with the Kewaskum School District," Fisher said. "It would be really difficult to raise enough money in Kewaskum for us to put up our own Boys & Girls Club building here"

"The safety and positive environment that this building holds for this club, you can't beat it," said Max Roy, Kewaskum Unit Director.

Annual dues for members for the Kewaskum Boys & Girls club is \$65 a year. For those who cannot afford that, scholarships are available.

A nonprofit organization, the Boys & Girls Clubs of Washington County is funded through the Boys & Girls Clubs of America, United Way, corporate contributions, individual donations and fundraisers.

OBITUARIES

Albert "Butch" Kreif III

Albert "Butch" Kreif III, age 62, of Random Lake passed away on October 15, 2015 at Sharon S. Richardson Community Hospice in Sheboygan Falls.

He was born in Port Washington on July 21, 1953, son of the late Albert and Avila (Kurth) Kreif Jr.

He attended Kewaskum area schools and graduated from Kewaskum High School in 1972. On March 6, 1976, he married Toni McCambridge at Immanuel Lutheran Church in the Town of Scott.

Butch was a long-time employee at Kettle Lakes Coop and belonged to the Creekside Garden Tractor Pullers in Plymouth.

Butch always had a love for International Harvester Tractors and loved spending time with his loving family, especially his grandchildren.

He is survived by his wife, Toni, Son: Jeff (Brianna) Kreif of Sheboygan Falls; three grandchildren: Caden, Chase and Caylee; Brother: Allen (Donna) Kreif of Kewaskum; two sisters: Carol (special friend: Gerald Dreher) Aupperle of Kewaskum and Bonnie Peters of Kewaskum; Father and Mother-in-law: Cliff (Darlene) McCambridge of Kewaskum; Brothers and Sisters-in-law: Colleen

(Scott) Deeter of Sturgeon Bay and Brian (special friend: Jennifer Wenzel) McCambridge of Kewaskum, Brother-in-law: Mitch Wendtland of Kewaskum.

He is also survived by nieces, nephews, many other relatives and friends.

He is preceded in death by his parents, sister-in-law: Wendy Wendtland; Brothers-in-law: Kelly McCambridge and Jim Aupperle.

Cremation has taken place and a private family service was held.

In lieu of flowers a memorial fund is being established in his name.

The Suchon Funeral Home and Cremation Services of Plymouth is serving the family. For online condolences, please visit www.suchonfh.com.

**REMEMBERING
BRENDA OELHAFEN**
Missing You For
Thirty Years
4-10-1970 - 10-23-1985

As the summer fades and autumn takes its place, we think of our "pretty autumn girl" with hair of red and eyes of blue.

We remember the joys you brought us with your many talents and the smile that was always true.

We will always remember our feeling of grief, sadness and loss, but we honor the memories that stick in our minds like glue.

We move on now with newness of days and knowledge that faith has given us the tool.

Brenda would want us all to see the positives, transform the negatives, and live the Golden Rule.

Loving Our Savior.
Loving ourself.
Loving one another.
Keep smiling.

Mom, Carol
Brother, Brian, Shelly,
Kayla, Cody
Brother, Brad, Heather,
Matthew & Zachary

Ten years ago
I said I'd never
move to a senior
community.

I lied.

"They say when you get older you get wiser and, well, I guess I wised up. Between the lawn, the repairs, my friends and neighbors moving away ... the idea of staying in that house lost its appeal. I decided Cedar Community might be worth checking out. I got to choose my own décor, have plenty of room, met so many interesting people who share my interests. Now I'm free to enjoy my retirement years.

"It's OK to change your mind!
I'm glad I did."

Holy Trinity School won the 1990 State Champion Physical Fitness Award in category II, presented annually by the President's Council on Physical Fitness and Sports.

Bob Piaro, a Vietnam veteran from Fredonia, was appointed to a seat on the Wisconsin Department of Veterans Affairs' Council on Veterans Programs to represent the Vietnam Veterans of American, Wisconsin State Council.

Movies playing at the West Bend Cinema were The Jungle Book and Ghost.

Gregg Dean, former Kewaskum High School golf standout, a member of the UW-Stout golf team, was named to the

Wisconsin State University Conference All-Conference and All-District golf teams.

On October 17th, Donna Buczek became the first woman to ever bowl a 700 series at King Pin Lanes in Campbellsport.

Despite losing its first two games of the day, the Kewaskum girls volleyball team captured the Sheboygan Falls Regional championship on Saturday afternoon.

Allen and Jeanne Amerling celebrated their 25th wedding anniversary on November 6.

A daughter was born to Renee and Francis Ritger, of Allenton, on October 14.

A son was born to Carol and Larry Sabel, of Kewaskum, on October 16.

A daughter, Erika Rae, was born to Gary and Renee Esser, of Kewaskum, on October 10.

A daughter was born to Jean and Daniel Laack, of Kewaskum, on October 18.

A daughter, Heather, was born to Chuck and Sara Konkell on October 21.

Martha I. Stern, 92, of West Bend, died October 20.

50 Years

October 22, 1965

The borrowing of \$315,000 to construct and equip a new eight classroom elementary school and kindergarten was approved by electors of Joint School Dist. No. 1 of the Towns of Farmington and Barton in Washington County and the Town of Scott in Sheboygan County last Tuesday. The vote was 148 to 109. The new school will replace the old schools at Orchard Grove, Boltonville and Fillmore and will be constructed on a 20 acre tract in the Town of Farmington.

Chief Armin Oppermann has been appointed canister chairman of the 1965 March Against Muscular Dystrophy in Kewaskum, it was announced by Gordon Wedel, district director. Chief Oppermann was assisted by members of the Kewaskum Fire Department in displaying canisters in various business places.

Mr. and Mrs. Elmer Bruesewitz of the Town of Scott observed their silver wedding anniversary on October 9 at the Beechwood Firemen's Hall. A buffet supper was served to 200 guests with a dance following.

A son was born to Mr. and Mrs. Theodore Griepentrog, of West Bend, on October 4.

A daughter was born to Mr. and Mrs. Glen Butzke, of Kewaskum, on October 18.

75 Years

October 25, 1940

Private Curtis Romaine, who was stationed with the United States Army at Scott Field, Ill., spent a three day furlough over the weekend at the home

of his parents Mr. and Mrs. Elwyn Romaine here. Private Romaine enlisted in the Army two months ago. His brother, Robert took a second exam for the Navy but his enlistment was delayed because he had high blood pressure and he returned home.

A handful of people gathered at the local depot shortly after the supper hour Monday evening to catch a glimpse of Wendell "Windy" Wilke, the Republican for president, whose train passed through Kewaskum while enroute from Fond du Lac to Milwaukee on a speaking tour of Wisconsin. Those at the depot to meet the train were disappointed that's all they saw - the train, which was an hour behind schedule.

Workmen tore down the old tower atop the village hall which has stood ever since the building was erected many years ago. It was formerly used by the fire department for drying out their hoses after being used. With the modern improved hose used by the firemen this painstaking procedure is no longer necessary.

How To Have Fun During Retirement (Keep Working)

—Six Jobs You May Be Overlooking

What do school kids and retirees have in common during these dog days of summer? For many, it's having lots of time and not knowing what to do with it.

"But that comparison begins to breakdown almost immediately, because in a few short weeks, kids go back to school, but retirees have an indefinite amount of time to contend with," says financial advisor Jeff Bucher, president of Citizen Advisory Group (www.citizenadvisory.com), a firm that engages its community with education and charity efforts.

"Worse still for retirees, many don't know if they can afford the time they have left, which may not be yielding a satisfying lifestyle. After all the technical details I review with clients and their finances, such as protecting and growing their money, I sometimes offer a bit of unexpected advice: consider your employment options."

Many people who take his advice often do so more for overall happiness than money, he says. Work gives us structure, purpose and a social network. Bucher reviews many fun options that retirees often find appealing.

•Golf course: This is a popular option since so many retirees love golf. And, if you are a morning person, work at a golf course is perfectly suited for you. Some popular jobs available at a golf course for retirees include golf shop staff, ranger, starters and golf course maintenance.

•Retail: A smiling face and a pleasant disposition has earned many retirees

positions as greeters at places like Wal-Mart, but there are other stores that may better fit your personality. That may include cosmetics at Macy's or the shoe department at Dick's Sporting Goods. Think about where you like to shop.

•Sporting venue: If you love sports, consider being an usher at a venue. Ushers assist fans to their seats and help answer any questions the fans may have. You might have to walk up and down steps, so if that's difficult for you to do find out beforehand whether the job involves steps. The job may have perks, such as free tickets.

•Tour guide: A tour guide's job is to introduce people to places that they are unfamiliar with, which may include wineries, museums and a city's historical locations.

•Theme park/zoo: If you want to brag about your job to your grandkids, look into the local zoo or theme park. Some of the most popular jobs for retirees at these parks include ticket takers, working at a merchandise stand or helping assist guests at an information booth.

•Your current or former job. This one may throw you for a loop, but it could be perfect. You'll likely maintain the same salary as the rest of your earning years; it's something you already know and are good at; and, many people derived much satisfaction from their profession. You may find new freedom in knowing that this job is more optional than before, which may engender a sense of freedom and, perhaps, an outside-the-box mentality.

The red swamp crayfish native is native to Louisiana, but is also found on other continents, where it is often an invasive pest. Visitors who took part in the Halloween Nature Hike on Oct. 16 and 17 learned how the crayfish has made its way up to the Kettle Moraine State Forest.

Kewaskum Represented On State Parent Advisory Council

By Anne Trautner

Sarah Moris is a parent who has been involved in her children's education at Farmington Elementary and Kewaskum Middle School.

Now she is involved with giving advice on a state level.

Moris was appointed the State Superintendent's Parent Advisory Council, which provides advice to the state superintendent on family engagement in student learning. The PAC, which is made up of parents, grandparents, and community members from across the state, who

learn about state education programs and priorities and are encouraged to share information about effective practices in their schools and communities.

"I think it is a great way for parents like me, I am just an ordinary mom, I have no agenda, or rules per se, but it is great that

our state leaders are reaching for new information in our communities from people like us," Moris said.

The entire community will benefit from Moris' involvement with the committee, according to James Smasal, superintendent of Kewaskum

Schools.

At the council's first meeting on Sept. 25, Moris learned about the main concerns of State Superintendent of Public Instruction Dr. Tony Evers.

"He has a couple things that keep him awake at night," Moris said. "The first is the looming teacher shortage."

Although Evers does not have a study to quote or any statistics, he believes that younger students who would have gone into the teaching profession are deciding not to because of ongoing rhetoric regarding the devaluation of the teaching profession, Moris said.

Evers' other main worry is lowering the standards for teachers, Moris said.

"He said it will improve the quantity of teachers, but it won't improve the quality," Moris said.

Members of the state Department of Public Instruction asked members of the PAC for feedback on various issues.

Although Moris' children have not yet entered high school, she gleaned some advice from the conversation regarding dual enrollment, which occurs when high school students earn college credits while attending high school.

The group also stressed that it is important that students are ready for an advanced class or it could actually hurt them in the long run if they get poor grades, Moris said.

"My take-away from it was to get to know your high school guidance counselor really well and talk to them," Moris said.

State representatives shared their perspective on dual enrollment as well.

"They spent an hour and a half talking about all the programs and how stressful it is for boards because of how to finance and fund all this and the quandary that they, the state can see, that school districts must be in. Here you have students do one college credit, and how do local school boards pay for it? It got to be a messy topic," Moris said.

Last year, Evers asked the PAC to find strategies of how schools can engage families to help close student achievement gaps. Assessment and graduation data consistently confirms achievement gaps for students of color, economically disad-

vantaged students, students with disabilities, and English language learners.

"To change achievement gaps that exist in too many of our schools throughout the state, we must cultivate family and community engagement practices that validate families as experts on their children and partners in their students' success," Evers said. "The work of effective instruction, positive student and teacher relationships, and school and instructional leadership hinges on strong partnerships with families. We all have a role to play in closing achievement gaps."

The PAC's report, which was released in September, encourages schools to communicate frequently with families. In order to help children succeed in school, educators should make frequent efforts to know, listen to and learn from parents, the PAC recommended.

Evers has encouraged educators to explore the PAC report to find ways to help all students succeed.

"Ask parents, grandparents, and community members what they need to support children's learning. Enlist their help in building relationships that help close achievement gaps," Evers said.

The PAC has recommended activities that encourage parent engagement, such as interactive homework with parents, regular personalized communication, home visits, parent help on projects, weekly data sharing software and positive phone calls home.

"They were stressing that personalized phone calls home really make a difference," Moris said.

The PAC is currently looking at ways to help students succeed by getting parents of students in middle school and high school to become more engaged.

"It is easy for elementary schools to get that parent involvement. The greatest challenge seems to be getting parents of older children in middle school and high school to become more involved," Moris said. "I think that will be the topic of our next meetings, coming up with recommendations of not only how parents can be involved in the high school, but be engaged."

Community Gatherings

To be included in the Community Gatherings, please submit your event prior to our 5 p.m. Monday deadline.

Thursday, October 22 — Essential Oils for Beginners at the Campbellsport Public Library, 6 p.m.-7:30 p.m. Come join facilitator Kari Roehl for a fun and informative class. Learn and check out some oils or win a prize for free.

Friday, October 23 — Campbellsport Halloween Caper, sponsored by the Campbellsport Chamber of Commerce, at Campbellsport Elementary School, 5 p.m.-9 p.m. Costume contest, Trick or Treat Fear Factor, crafts, games, hayrides, haunted schools and much more.

Friday, October 23 — Washington County Separated, Divorced and Widowed meeting at Holy Angels School in West Bend, 6:30 p.m. Potluck, bring a dish to pass. Followed by social/fun night, bring cards, board games and snacks. Ex-members welcome.

Friday, October 23 — Musical Masquers Theatre Productions presents Dracula at UW-Washington County, 7:30 p.m. Just in time for Halloween, this vampire thriller promises a haunting good time.

Saturday, October 24 — Pleasure Valley Pumpkins open to public, 9:30 a.m.-5:30 p.m. Ag adventure, scavenger hunt, hay rides, corn maze, hay maze, train rides, corn cannon, farm animals, racing pigs and ducks, haunted house, and sandwiches and refreshments.

Saturday, October 24 — Washington County Youth Band at UW-Washington County, 10 a.m.-11 a.m. Youth band will explore traditional band repertoire, jazz, rock/pop and world music. Geared toward middle school level students (grades 6-8). Register online.

Saturday, October 24 — Musical Masquers Theatre Productions presents Dracula at UW-Washington County, 7:30 p.m. Just in time for Halloween, this vampire thriller promises a haunting good time.

Sunday, October 25 — Campbellsport UCC Women's Guild annual Raffle and Soup Dinner at the church, 228 Forest St., 11 a.m.-2 p.m. Quilt hand-made by the Women's Guild being raffled. Quilt on display at Twohig's Furniture Store. Tickets available at Twohig's, Schlaefer Optometrists, or any UCC member.

Sunday, October 25 — Pleasure Valley Pumpkins open to public, 9:30 a.m.-5:30 p.m. Ag adventure, scavenger hunt, hay rides, corn maze, hay maze, train rides, corn cannon, farm animals, racing pigs and ducks, haunted house, and sandwiches and refreshments.

Sunday, October 25 — Musical Masquers Theatre Productions presents Dracula at UW-Washington County, 2 p.m. Just in time for Halloween, this vampire thriller promises a haunting good time.

Monday, October 26 — Moraine Chorus rehearses at UW-Washington County. New members welcome, open to those high school age and older, 7 p.m.-9 p.m.

Tuesday, October 27 — "Bookies" Book Discussion Club meets at the Kewaskum Public Library, 9:30 a.m. They will discuss the book God Help the Child by Toni Morrison.

Tuesday, October 27 — Village of Kewaskum plan commission meeting at the village hall, 7 p.m.

Tuesday, October 27 — Moraine Symphonic Band rehearses at UW-Washington County, 7 p.m.-9 p.m. New members welcome, high school to adult. No membership fee. For more information, contact Ryan Meisel at 262-335-5265 or ryan.meisel@uwc.edu.

Wednesday, October 28 — Storytime at the Kewaskum Public Library, 10:30 a.m. and 6:15 p.m. Intended for ages three and up. No registration necessary.

Wednesday, October 28 — German Artwork Lecture at UW-Washington County, room 228, 6:30 p.m. The lecture will discuss the impact of modernists and the first World War through the work of Carl Von Marr.

Thursday, October 29 — Manpower Recruitment Event at the Workforce Development Center, 2200 Green Tree Rd., West Bend, 12 p.m.-4 p.m.

Friday, October 30 — Campus Sneak Peek at UW-Washington County in West Bend, 1:30 p.m.-3:30 p.m. Admission information, financial aid, scholarships and campus tours for high school juniors and seniors and their parents. Call 262-335-5201 or email angela.rintelman@uwc.edu to reserve a spot.

Friday, October 30 — Bob Pucci & Rocco Gun Show at the Washington County Fair Park, 3 p.m.-8 p.m.

Friday, October 30 — Washington County Separated, Divorced and Widowed meeting at the Kettle Moraine YMCA in West Bend, 7:30 p.m.-9 p.m. Speaker to be announced.

An Upcoming Calendar of Events for the Northern Kettle Moraine State Forest...

Saturday, October 24 — Migration Mysteries Exploring Nature Program at the Ice Age Visitor Center, 10 a.m.-11:30 a.m. Why do animals migrate? Where do they go? How do they find their way? We will find answers to these questions and unravel some other mysteries of migration. This program is best for families/groups with children between the ages of six and 12 years.

Saturday, October 31 — Myth Busters Exploring Nature Program at the Ice Age Visitor Center, 10 a.m.-11:30 a.m. Do bats fly into your hair? Can owls turn their heads completely around? Are warts caused by toads? Let's bust these nature myths and more! This program is best for families/groups with children between the ages of six and 12 years.

Thursday, November 5 — Hop Away Rabbit Nature Storytime at the Ice Age Visitor Center, 6 p.m.-7 p.m. A fox is coming! Hop away rabbit, hop away home! We'll investigate the world of rabbits to figure out how they live in the wild. This hour of nature fun awaits three to six year olds with accompanying adults.

Friday, November 6 — Hop Away Rabbit Nature Storytime at the Ice Age Visitor Center, 9:30 a.m.-10:30 a.m. A fox is coming! Hop away rabbit, hop away home! We'll investigate the world of rabbits to figure out how they live in the wild. This hour of nature fun awaits three to six year olds with accompanying adults.

For more information about the Northern Kettle Moraine State Forest or the upcoming naturalist programs, please contact the forest staff at the Ice Age Visitor Center at (920) 533-8322. The Henry S. Reuss Ice Age Visitor Center is located 1/2 mile west of Dundee off of Highway 67. The center is open seven days a week.

Trick or Treat

Saturday, Oct. 31:

Campbellsport:

Moraine Park Hosts Spa Day For Veterans And Spouses Nov. 4

To honor veterans, Moraine Park Technical College is hosting Veterans and Spouses Spa Day on Wednesday, Nov. 4, from 7:30 a.m. - 11:30 a.m. at Techniques Salon and Spa, located in room C-103 at the Fond du Lac campus. Cosmetology students will offer free haircuts, styles, manicures, pedicures, scalp treatments and facials. Appointments are required to guarantee service, though walk-ins

will be accepted based on availability. Interested veterans and their spouses should call the salon at 920-929-2106 to schedule an appointment. Eileen Bouchard, barber/cosmetology instructor, was approached by Moraine Park's Student Veterans Association asking if the students could do something for veterans and their spouses. "When our student veterans approached us on this, we were thrilled to help them

out," said Bouchard. "This is a great opportunity for our students to give back to the veterans and their spouses who have done so much for our country." For more information about Moraine Park's Techniques Salon and Spa, visit morainepark.edu/services. For more information about Moraine Park's Veterans Services, visit morainepark.edu/veterans.

KHS Class Of 1965 Celebrates 50th Reunion

The 50th Kewaskum Community High School Reunion of the Class of 1965 was held on Saturday, Sept. 26, at the Columbian (former KC Hall) in West Bend. A total of 106 people attended the event and of those 69 were classmates.

Classmates socialized for hours, saw a DVD of their 45th reunion, viewed displays from our high school days, enjoyed a wonderful dinner, a short program, and later enjoyed music by Revival. Classmates traveled from throughout the state of Wisconsin, Illinois, Minnesota, New York, Colorado, Texas, two from Florida, and two others from Arizona.

The committee invited all members who have ever been in the Class of 1965. Over the four-year span, they had 160 members. Of those, 32 classmates are now deceased, 10 of them have died within the past five years. The 50th committee members were Mary (Zehren) Larsen, Holly (Pomahac) Novotny, Eugene Schneider, Paul Behring, Karen Fellenz, Jean (Rahn) Amerling, Dave Swarthout, Hiram Justman, and Phyllis (Seideman) Naumann.

The following week the classmates built a float for the Homecoming Parade and rode on it cheering for the Kewaskum Indians. They also arranged to have their Homecoming King and Queen from 50 years ago, Ken and Carol (Volm) Ramthun ride in a convertible driven by their Prom Queen Bernie (Fellenz) Mueller.

Ken and Carol were high school sweethearts and have been married for 47 years. Their son and daughter were celebrating their 25th class reunion from Kewaskum this year and their grandson was playing in the band at the

football game. They completed the week with classmates and their spouses attending the Kewaskum Indians football game with a win over the Berlin Indians (21 to 6). Go Kewaskum!

The 50th Kewaskum Community High School Reunion of the Class of 1965 was held recently in West Bend. The following week was Homecoming Week in Kewaskum, so the former classmates arranged to have their Homecoming King and Queen from 50 years ago, Ken and Carol (Volm) Ramthun, ride in a convertible driven by their Prom Queen Bernie (Fellenz) Mueller.

Local Veteran Prepares For Honor Flight

By Anne Trautner

Roger and Audrey Heberer were married in June 1953.

About six weeks after their wedding, on Aug. 18, 1953, 20-year-old Roger Heberer received a letter notifying him that he had been drafted into the U.S. Army.

"She was not very happy about that," Roger Heberer, now 84, said as he fondly remembered his wife's reaction.

Heberer went to Fort Riley, Kansas, for basic training, and Audrey went to live with Roger's parents, who lived in Campbellsport.

"It was terribly cold in Kansas during that time. We would wake up in the morning and icicles would be hanging off the roof of your tent and would be that far from your face," Heberer said, remembering the ice crystals coming close to his skin.

After completing basic training, Heberer was sent to Fort Knox, Ky., where he served in the supply division. At the base in Kentucky, many of the soldiers tested military vehicles that the Army was considering purchasing.

In April 1954, Audrey was able to join her husband, and the newlyweds moved to an apartment in Elizabethtown, Ky., which is about 14 miles from the military base.

The couple lived there for about 18 months, and on April 8, 1955, their first daughter, Linda Luterbach, was born

there. They later had two more daughters, Mary Strupp and Wendy Dondlinger.

After Heberer was honorably discharged on Aug. 18, 1955, he and his new family returned to Campbellsport and he worked for the West Bend Company for 24 years. Then he became a partner in Heberer Brothers Construction, where he worked for 20 years.

But Heberer has never forgotten his service to his country.

For the past 18 months, Heberer has been commander for the American Legion Post 384 in Kewaskum. He serves in the American Legion's honor guard for memorial services for deceased veterans.

With 137 members, the American Legion Post 384 raises money for scholarships and does things to help people in need in the community. It is an organization made up of people who continue to serve.

Honor Flight

On Saturday, Heberer, and his daughter Wendy Dondlinger will fly to Washington, D.C., on the Stars and Stripes Honor Flight.

Neither Heberer nor Dondenlinger have been to the nation's capital before.

"I am told that whole day is just unbelievable. The guys from my post have said it is a day I will remember forever," Heberer said.

Heberer is most looking

forward to seeing the Korean War Memorial, which commemorates the war that was ongoing while he was in the service.

The Stars and Stripes Honor Flight program, which is run completely by volunteers, is open to anyone who served in the military during World War II or the Korean War. Once in Washington, D.C., police escort veterans to numerous landmarks and memorials.

Of the 180 veterans flying on a Boeing 747 aircraft on Saturday, 12 will have served in World War II, while 168 served during the Korean War.

"We're excited to be flying so many local World War II and Korean War heroes at one time, on a 747," said Paula Nelson, president of Stars and Stripes Honor Flight.

Before the veterans board the flight to Washington, D.C., local 14-year-old quadruplets, the Vintage Mix Quartet, will sing the national anthem. The University of Wisconsin Alumni Band and the Brookfield East Spartanettes dance team will perform during the evening's homecoming celebration.

Honor Flight is a national program with more than 130 hubs from coast to coast. Nationally, hubs in the Honor Flight network have taken more than 150,000 veterans to see their memorials.

Roger Heberer, a local resident who served during the Korean War, will go on the Stars and Stripes Honor Flight to Washington, D.C., on Saturday, Oct. 24. The Stars and Stripes Honor Flight program is a nonprofit organization that sends veterans who served during World War II or the Korean War to visit monuments in the nation's capital.

Breast Cancer Remains Critical Health Issue for Women

- Wisconsin Well Woman Program Helps Provide Access To Screening Services For Early Diagnosis

Thirty years after the first National Breast Cancer Awareness Month, held in October 1985, the disease remains second only to lung cancer in the

number of cancer deaths in women, according to state health officials.

"Today, we know much more about this disease, including the importance of regular breast cancer screenings to catch the disease early and get women into treatment sooner," said State Health Officer Karen McKeown.

To help accomplish this goal, the Department of Health Services Wisconsin Well Woman Program provides breast and cervical cancer screenings statewide to eligible women aged 45 through 64.

"While many women now have access to breast and cervical cancer screenings through private health insurance or BadgerCare Plus, our program is committed to providing these life-saving screening services for women who continue to

need them," said McKeown. Low-income women historically have not accessed early detection and treatment services as frequently as other women.

The American Cancer Society estimates there will be more than 4,300 new cases of breast cancer and more than 700 deaths from breast cancer in Wisconsin this year.

The main factors that influence your risk of breast cancer include gender, age (most breast cancers are found in women who are 50 years old or older), family history, and inherited genetic changes.

To find the Wisconsin Well Woman Program coordinator in your area, please call the Maternal and Child Health Hotline at 1-800-722-2295 or visit Wisconsin Well Woman Program.

Roger Heberer poses in his Honor Guard uniform that he wears for the American Legion Post 384 in Kewaskum. Heberer is looking forward to going on the Stars and Stripes Honor Flight to Washington, D.C., on Saturday, Oct. 24.

Halloween Nature Hike Brings Fun And Education

By Anne Trautner

It was dark and cold, and alien invaders seemed to be waiting at every bend as the group of visitors meandered along the trail in the Long Lake Recreation Area Friday night.

But an alien attack team armed the hikers with information on how to protect the area, and the Kettle Moraine State Forest is now a little safer from the unwanted intruders.

A total of 525 people participated in the Halloween Nature Hike on Oct. 16 and 17. There were people of all ages from Milwaukee, West Bend, Sheboygan, Fond du Lac, Lomira, Campbellsport, Kewaskum and Dundee who came to enjoy the festivities. Some of the visitors were dressed in Halloween costumes, but most were bundled up to

keep warm.

Throughout the hike, visitors met volunteers dressed up as woodland creatures. The critters taught the public about the area's lethal enemies such as the emerald ash borer, round goby, red swamp crayfish, quagga mussel and garlic mustard.

"The starling and house sparrow are my nemeses. They are the ones that tried to take over my home. There was a time when there were no starlings and house sparrows that came from Europe. They came in and thought they could take us over," Shirley Simon, disguised as a bluebird, told the audience.

Simon explained to the visitors that bluebirds can be saved if people build birdhouses and continually monitor them for houses sparrows and starlings.

Simon was one of about 100 volunteers who worked at the weekend's event. In addition to acting, volunteers led groups through the torch-lit nature trail, helped with crafts, led games, served snacks and kept a campfire going for the visitors.

The Halloween nature hike was started 18 years ago by Jackie Scharfenberg, a forest educator/naturalist for the park. The first year the hike was started, there were 1,500 visitors.

"We haven't done that again, but we've had years where we've had 900 to 1,000. Weather deterred people this year, it was just so cold," Scharfenberg said.

Each year, Scharfenberg comes up with a theme for the hike. This year it was Alien Attack, and last year was Predator Vs. Prey.

"Next year we might be doing Marvelous Mammals. We haven't done mammals yet," Scharfenberg said.

Each year, Scharfenberg comes up with the costumes. When she gets lucky, she is able to borrow a costume from other parks. Usually, though, she has to try to make the costumes herself.

"I figure out what the real thing looks like and how I can make it into a human body. A lot of times I will start with a set pattern for a sweatshirt or something, and then I know the armholes fit, and then I will go from there," Scharfenberg said.

"Jackie is just phenomenal. She hand makes all those costumes. She is the one who writes up the scripts for everybody, and comes up with all the crafts and games," Simon said.

One of the biggest challenges is to recruit 90 to 100 volunteers each year. Adults and teens are drawn from organizations such as Key Clubs at area schools, Boy Scouts, 4-H Clubs and Friends of the Kettle Moraine, as well as individual volunteers. Some of the volunteers come every year.

"I love it every time it comes around. I've been doing it for over 10 years already. It's an awesome experience," Simon said.

When Simon first started coming, her children were in 4-H, and they volunteered to help with some of the games and crafts.

"Now our kids are married and have their own children. They are not old enough for it yet, but I remind them that they can become a part of it when they are older," Simon said.

The Friends of the Kettle Moraine help underwrite the cost of the event. Parkview General Store provided refreshments and the General Store in Campbellsport supplied popcorn. Roadhouse Tavern in Dundee donated carved pumpkins to decorate the trail.

All of the work that goes into the hike seemed to pay off this weekend. As people left, they thanked the workers and gave the event rave reviews.

"It's a fun, educational event for the entire family. It's not scary for those who don't like scary. It's meant for people to have a good time, and maybe learn a few things along the way," Scharfenberg said.

Life Insurance – Is It For Me?

Article Submitted By **Dona Miotke, Community Services Director For The Silbernagel Group**

Currently there are 100 million U.S. citizens who have no life insurance. Of those that actually own life insurance, only four out of ten own individual policies. The other six people out of the ten only have some form of group insurance. 100 million people is a large number, and is partly due to the recession we had a few years ago, when many people lost their jobs and companies started cutting benefits.

We all think that it's not going to happen to us, but Anthony Anderson, comedian and star of Blackish (which was just renewed for another year), will tell you differently. Anthony lost his dad to diabetes at a young age, and he and his family benefitted from his dad's life insurance. Anthony believes everyone should make sure they have the appropriate amount of life insurance based on their family's needs.

If you think about the long-term benefits of life insurance, it provides much more than income replacement if someone passes away unexpectedly. There are a lot more features and riders that provide living benefits, including cases of chronic illness, critical illness, terminal illness and long term care. Life insurance is part of a solid financial foundation for a family, spouse, and business owner. It can create security, dignity and peace of mind for people.

Many of us are not doing the best job of preparing for our retirement. Only one in 10 people are adequately preparing financially. Having a plan for income replacement is important. People depend on social security, but many don't realize they'll lose one of those checks

when one spouse passes away. Life insurance is an important consideration for replacing that income, and can also be a part of your estate plan to gift your legacy to children and grandchildren. For business owners, life insurance can be an important tool for a business plan, continuation plan, and business succession plan. It provides immediate liquidity and a smooth transition for the future of the business.

It is important for us to educate ourselves about the need for proper insurance planning. Go to the non profit website to use their calculator to estimate your life insurance needs. The cost of life insurance has significantly come down in the last 10 – 20 years. A monthly life insur-

ance premium generally costs less than a monthly cell phone bill. Life insurance is a sound investment and the sooner you buy it, that is, the younger you buy it, the less expensive it will be over the long-term.

Life Insurance is a very critical topic for all American families. Hopefully this article has made you think about your own needs.

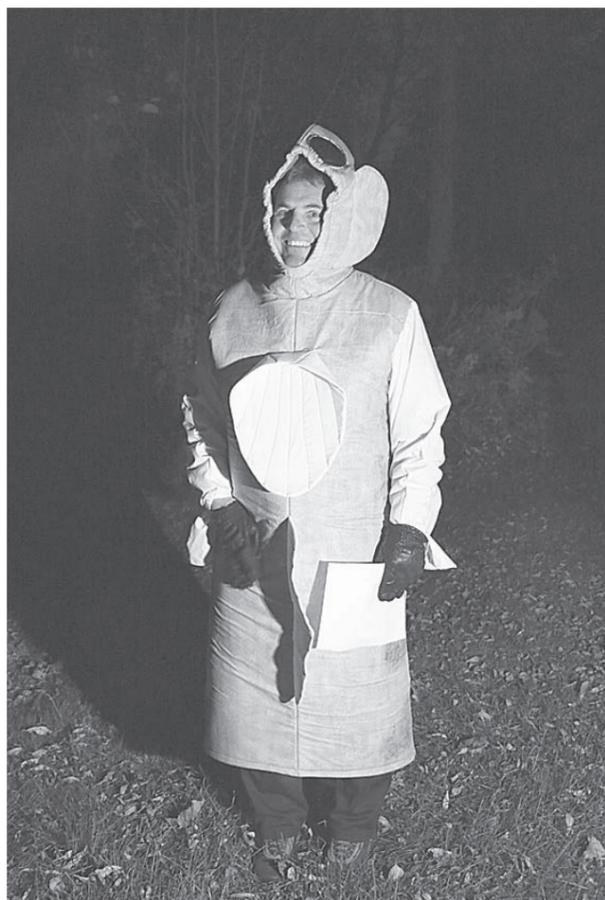

Information for this article was taken from *RealWealthMedia.com*, a 09/07/2015 interview between Jim Silbernagel, Owner of The Silbernagel Group, Inc. and Marv Feldman, the CEO of LifeHappens.org, a non-profit organization dedicated to educating Americans about insurance planning.

Kremer's Korner

—Guest Editorial By 59th Assembly District Representative Jesse Kremer

Lucky To Call Kettle Moraine Area Home

Several weeks ago, an article was featured in the Chicago Tribune entitled, "Wisconsin's Kettle Moraine Can Burst With Colors." Although I do not agree with the author regarding the age of the Kettle Moraine, I was reminded once again that we live in one of the most beautiful areas in the Midwest. The northern Kettle Moraine touts a whopping 30,000 acre state forest that stretches 30 miles across Washington, Fond du Lac and Sheboygan counties.

As residents of the 59th Assembly District, we often take our serene surroundings for granted. This state forest offers us countless recreational activities.

Over the summer, I had the opportunity to camp

at the Long Lake Recreation area with my girls, a nephew (it was his first camping experience) and some church friends for a few days — and didn't have to travel more than 20 minutes from home. On that same trip, we discovered and climbed the Parnell Tower just west of Plymouth and hiked the heavily wooded, three-and-a-half-mile Parnell Trail.

And soon, the snow-making machines will be humming at the Sunburst Ski Area, and snowmobiles will also be visible from our front window, gliding down the neatly groomed Eisenbahn Trail.

If you are looking for something to do with the family over the coming weekend, consider a visit to the historic Wade

House in Greenbush; mountain biking through the IMBA designed trail in the Greenbush Recreation Area; hiking the Ice Age trail just outside of Kewaskum; picking apples at the Armstrong Apples & Winery near Campbellsport or purchasing a few festive pumpkins at the renowned Honeymoon Acres in New Holstein.

This is definitely my favorite time of year and I hope that all of you are able to enjoy the crisp fall air and changing colors over the coming week. The Kettle Moraine is certainly a lovely part of the state, one that I and my family are proud to call home.

Thank you,
Jesse Kremer

TIFs Should Benefit All Taxpayers, Not Special Interests

By Duey Stroebel
State Senator
20th District

In the world of government, there are many acronyms, and more and more we are hearing about a government acronym called TIF. TIF stands for tax incremental financing.

TIF was designed as an economic development tool and has been around for many years. When successful, TIF generally works in the following manner — first, a specific area is designated as a TIF district. Then, the municipality makes infrastructure enhancements and/or provides developer incentives with the express purpose of financially subsidizing new development in the district.

Many times the subsidy is funded through borrowing money in the form of a bond. The expected increased property tax revenues generated from the new development in the district are used to pay for the financial subsidy. Therefore, none of the increased property tax revenues flow in the normal manner to the municipality, county, K-12 school district or technical college during the life of district, usually 20 to 27 years.

I am not in opposition to TIF — it is a valuable economic development tool. My concern is the overuse and abuse of the tool in today's environment will give TIF a black eye. As last session's chair of the State and Local Finance Committee in the Wisconsin State Assembly, I saw numerous TIF districts whose failure had risen to the level of needing special dispensation from the state. Every time I encountered one, I wondered what the decision makers responsible for the

messes were thinking. An unneeded public subsidy is crony capitalism with the government picking winners and losers. The free market must determine the ultimate viability of a real estate development.

Initially, TIF districts were used as a mechanism to redevelop blighted or environmentally tainted areas. Many of the properties within TIF districts had a negative value prior to the redevelopment, so they generated little, if any, property tax revenue.

To assist these properties develop and generate property tax revenue, municipalities borrowed money to generate funds to eliminate the blight or clean the property, thus making the property viable for redevelopment. Usage of TIF required passing the "but for" test — i.e. "but for" the TIF, the development of the property would not be possible. TIF allowed these properties to return to the tax rolls, oftentimes enhance economic development and, most importantly, benefit all taxpayers affected by the district.

Fast forward to today. In the current environment, it is often difficult to find new real estate development that does not include a TIF subsidy. Encouraged by the beneficiaries of TIF, such as property owners, developers, eager municipal financial consultants and accommodating bond houses, municipalities are subsidizing private development that in many cases is unnecessarily lining the pockets of the aforementioned stakeholders.

All this comes at the expense of the taxpayers the policy is intended to benefit. The disturbing trend is the proliferation of TIF beyond the original "but for" concept.

Today's levy limit envi-

ronment further complicates this troubling trend. To control Wisconsin's high property taxes, levy limits have been imposed on local municipalities. Virtually the only way to increase local tax revenues is through new construction.

Unfortunately and frequently, new development is incentivized to occur in TIF districts where all revenues are diverted from local government coffers. The problem is self-evident — there are no increases in revenues to offset the inevitable fiscal demands of the new development on local governments affected by the TIF districts.

As someone with private sector experience in the field of real estate development, I understand the benefit of TIF districts and agree with the original intent. The original intent of a TIF district was to benefit local taxpayers.

Unfortunately, manipulation often occurs that forestalls or even destroys that benefit, even in successful TIF districts. Instead of quickly paying off the underlying debt of a TIF district, too often TIF revenues are directed to supporting additional TIF expenditures or subsidizing another TIF in the community that is failing.

Defenders of taxpayers must curtail unnecessary TIF districts, enhance the viability of appropriate TIF districts and ensure TIF districts benefit all taxpayers, not just special interests.

First Goal Reached; Still Perfect Indians Claim EC Title

By Judy Harlow

They didn't want to leave the field, and no one could blame them. The players on the Kewaskum High football team had just shut out rival Plymouth (5-2, 5-4), 38-0 to become the inaugural champions of the East Central Conference, sweeping through the league with a 7-0 mark and the regular season at 9-0.

The seniors posed for pictures in the south end of the field. The Indians hugged and celebrated the perfect year and their first conference title since 2011, ending Plymouth's three-year reign (in the old Eastern Wisconsin Conference).

While last year's finale ended with a flurry and Plymouth emerging as the winner on a last-minute TD, this game was pretty much over by the end of the first quarter, with the senior quintet of Brandon Thull, Steven Nurkala, Michael Prochnow, Charlie Witek and Ben Watzig stepping up with huge plays in the lopsided victory.

And there were others who contributed in a major way, like sophomore Dan Kries, who picked off Gavin Falk twice to stop Panther drives.

"It was a great team effort," an excited KHS coach Jason Piittmann said afterward.

Anyone who got to the game a minute late missed the biggest play of the night. The Indians got the football first and who better to hand it off to on the first play than Thull, who sprinted through a hole on the left side of the line and simply outraced the entire Panther team 78 yards to the end zone.

"It was just a simple off tackle play," Thull said, praising his "O" linemen for the initial blocks and indicating, "Eric Doll had a great block down field which allowed me to get the touchdown."

The touchdown was scored with 11:38 left in

the quarter, and Cade Peterson hit the first of his five PATS (points after touchdowns) for a 7-0 lead.

The Panthers had great field position for their first series when sophomore Derek Novotny returned the kick all the way to the 50 before being brought down. Plymouth started with an incomplete pass by quarterback Gavin Falk, who picked up two yards on second down and had his third down pass dropped by Novotny.

From the 48, Falk came up with a great punt that rolled to a stop at the KHS 1.

Thull was stopped for no gain on first down and on the second and third, he picked up three and six, respectively, setting up a fourth and one at the 10.

Punt or run was the decision facing Piittmann, who called for Thull to get the ball, and when there was a problem on the exchange, Plymouth got the ball at the KHS 10.

"That was stupid on my part," Piittmann said after the game, indicating he quickly had a flashback how he gambled a year ago and Plymouth wound up getting a safety, which played a key part in the outcome.

Never fear, coach, the defense wasn't about to give up a score. The Panthers netted just one yard on two Sam Stehling runs and a pass that lost three yards, thanks to a sure tackle by Zach Thull, so they decided to attempt a 26-yard field goal.

Falk's kick was blocked by Josh Baker, and defensive back Cole Rahlf, who has been solid in the defensive secondary all year, scooped up the ball and followed an entourage of teammates to the KHS 38-yard line before being tackled. From there, it took the Indians just six plays to get into the end zone.

Nurkala's 26-yard run on a counter play gave KHS a first down at the Plymouth 35, next Thull ripped off a 13-yard run and Doll

caught an 11-yard pass from Prochnow for a first down at the PHS 10.

Two plays later, Thull's second effort gave him his second touchdown of the night with 3:42 remaining in the first quarter.

Plymouth picked up one first down on its next possession, a drive which ended after Falk was called for intentional grounding, which resulted in a 22-yard walkoff because it was a spot foul. Falk was called on to punt again, and Nurkala hauled it in at the 15 and broke a couple tackles on the way to a 35-yard return to the 50.

This drive stalled at the 10, but the Indians came away with three points when Peterson nailed a 26-yard field goal, and the Indians led 17-0 early in the second quarter.

Kewaskum had two other scoring drives before the half, the first one covered 50 yards in just four plays, culminated by Thull's 43-yard run up the middle on a fourth down play.

Kreis intercepted a Falk pass with 6:46 left in the quarter, giving the Indians the ball on their 24, and this time Thull was tackled for a five-yard loss and two passes fell incomplete, so they were forced to punt.

The Panthers picked up their second first down of the night, then stalled and when Falk attempted his running punt, shanked the kick, like a foul ball, into the Kewaskum stands for a net gain of zero yards, and with 2:34 remaining in the half, the Indians got the ball on the Plymouth 25-yard line. Prochnow hit Witek for a slant pass that netted 14 yards, then two plays later, Prochnow fooled the Panther defense, scoring on a bootleg play, and Kewaskum was up 31-zip.

And did Piittmann expect to be leading 31-0 before the half? No, he didn't. He said, "In the second quarter, I looked at the other coaches (as if to say) ... I didn't expect this," he said.

To the Panthers' credit, they didn't fold but Kewaskum refused to give up a score for the second game in a row. Plymouth controlled the ball for the first seven minutes of the third quarter on a 15-play drive only to give up the ball when Kreis made an over-the-shoulder interception in the end zone.

The Indians put the game away, scoring on the next drive which covered 80 yards in four plays. First, Witek made a juggling catch for a 35-yard gain, then two plays later, Thull got loose for 15

yards — he finished the game with 171 yards in 16 carries — and finally Nurkala got the call on the counter, taking the ball the final 19 yards.

For the night, Nurkala rushed twice for 45 yards, returned three punts for 61 yards and had three solo tackles and three team tackles.

So which side of the ball does Nurkala like best? "I like both. I like defense because you get to hit people" and offense because of the scoring. About his counter runs, the senior said, "Brandon sets it up for me. It all comes in time."

Witek wound up with three catches for 95 yards, which all set up scores. He praised his quarterback for the good throws. "He's a gunslinger, and his accuracy is pinpoint," Witek said about Prochnow.

About the big catch in the third quarter, Witek said he took the ball over the defender's head and body. It's just a good feeling to make a catch like that," he said, adding, "It's a great feeling to be the first (EC) conference champs."

Prochnow, who has been everything a coach would want in a quarterback, said he just throws to the receiver who "gives us the best chance to make the play," who many times is Witek. "He catches everything I throw to him," the QB said.

About the big win, Prochnow said, "There's a lot of excitement ... a lot going through our heads right now," and as far as the playoffs, he said, "We have to take it one week at a time."

Plymouth wound up with just 99 yards rushing, with all-EWC back Stehling held to 43 yards and not playing much in the fourth quarter when there was a running clock. KHS had 233 yards rushing and 134 passing for 367 total.

Watzig led the KHS defense with his five solos and five gang tackles.

Piittmann was pleased with the efforts of his D-line. "They put pressure on the quarterback," he said, and stopped Stehling and Falk from getting loose on any big runs. "We needed to keep those guys in check."

KEWASKUM 14-17-7-0 — 38
PLYMOUTH 0-0-0-0 — 0

Scoring: Thull, 78-yard run (Peterson kick); Thull, one-yard run (Peterson); Field goal — Peterson for 26 yards; Thull, 43-yard run (Peterson kick); Prochnow, three-yard run (Peterson kick); Nurkala, 19-yard run (Peterson kick).

Final EC standings: 1. Kewaskum, 7-0; 2. Berlin, 6-1; 3. Plymouth, 5-2; 4. Winneconne, 4-3; 5. (tie) KML and Waupun, 2-5; 7. (tie) Ripon and Campbellsport, 1-6.

Amanda Schaller serves the ball for Kewaskum during a volleyball game against Plymouth on Oct. 15.

KHS Spikers Go 0-4 In Final EC Quad Competition

By Judy Harlow

In the final East Central quad meet of the season, the Kewaskum High volleyball team was unable to capitalize on the momentum it had built in the dual meet with Plymouth two days before, losing all four matches to end the year at 2-12 in conference play.

Competing at Berlin on Saturday, the Indians opened with a 15-25, 11-25 loss to Waupun, then stayed close to the host Indians, falling 22-25 and 22-25 before dropping two games to Campbellsport, 21-25 and 23-25 and ending up with a three-game match loss to the eventual champion Winneconne, winning the first game 25-23 but losing the next two 10-25 and 8-15.

"We were in most of the matches. We just couldn't put together a strong enough finish," second-year coach Laine Leitzke said. "The team fought all day, which is tough when the results just aren't falling the way we wanted. We made less mistakes, but still had some errors creep up at some unfortunate times. We needed to play through that."

Sophomore Amanda Schaller led the team in kills with 19, while Krystina

Lepp and Elizabeth Lightner had 14 and nine, respectively.

Two of the three KHS seniors led the team in assists and digs, with Haley Kleinhans coming up with 53 assists and Ellie Landreville the top Indian in digs with 45. Schaller (19), Kleinhans (16) and Brittany Williams (16) also were good at turning back opponents' spikes with their digs.

In the blocking category, it was Elizabeth Lightner with three and Makayla Dogs with two, and the ace leaders were Hailey Schicker (4) and Kleinhans (3).

"This was a good preparation for Chilton in the first round of the regionals," Leitzke said. "We will try our best to be ready for them."

Kewaskum, which was seeded seventh, was scheduled to play at second-seeded Chilton on Tuesday, October 27, with the winner moving on to a second-round match against the winner of the Plymouth/Kiel match.

No final standings were available for EC volleyball. Winneconne was leading with a 10-1 mark, with Kettle Moraine next with a 7-2 mark.

Campbellsport Golfer Has Second Ace On The Same Hole

By Judy Harlow

If he doesn't already have a nickname, perhaps Gary Curreri recently earned one — Ace!

Curreri, who lives in rural Campbellsport and has played golf at Hon-E-Kor Country Club in Kewaskum for the past 25 years, recorded his second hole-in-one at the club on Saturday, October 10.

For any golfer to score an ace is a rarity — the number 12,500 to one are the odds used on several computer websites — but listen to this. Curreri's hole-in-one came on the Blue Nine's No. 4 hole, and Curreri said, "It was on the same hole as the first one I had." (Try to figure the odds for that happening.)

Concerning the circumstances surrounding the ace, Curreri said, "It was just the Saturday morning members group," and he was playing with Jim Gusenheimer, Dick Wietor and Mike Maurer.

Curreri said he used "my trusty six-iron" to reach the 147-yard hole. When asked if he saw the ball go in, Curreri said, "No, it bounced up onto the green and rolled out of sight."

When the four got to the hole, Wietor said to Curreri there was just one ball on the green, but Gosenheimer went to the hole and, according to Curreri, said, "There it is."

"It was a good, solid shot," Curreri, who has been playing golf for 45 years and started playing at Hon-E-Kor after he retired from police work in New York City, said. His first ace came about two years ago.

And did Curreri celebrate his ace? "Yes, it cost me some money. I had to buy some drinks," he said, adding he has no thoughts of resting on his laurels and giving up the game. "I'm hooked," he said. "Until the game gives me up, I'm not giving up."

Veteran KHS coach Amy Uhlig didn't have enough golfers for a full team early in the season, but the Indians all gained experience by competing in the last few Wisconsin Little Ten matches. Team members included from left, Taylor Cook, Tina Bolek, Leah Wilde, Grace Kober, with coach Uhlig.

Indians Will Try To Build On Runs In First EC Cross Country Meet

By Judy Harlow

Their goal was to reach the top four in the East Central Conference competition, but without its No. 2 runner, Hailey Herriges, the Kewaskum High girls cross country team had to settle for sixth place in the meet held October 17 at Plymouth High School.

The KHS boys, with just one top-25 finisher, wound up seventh in their competition.

"It was a good day for Kewaskum," first-year head coach Kris Evans said Sunday, pointing out this was the first year in the new East Central Conference, and "Obviously, it's a good (cross country) conference."

What was satisfying for Evans was having two of his runners take home second-team all-conference honors and the personal best times recorded on the Plymouth course.

Berlin easily captured the inaugural girls' title.

With four runners among the top 10, the Indians came in with 35 points, 21 ahead of the host Panthers (56). Winneconne placed third with 72, followed in order by Waupun, 119; Kettle Moraine Lutheran, 135; Kewaskum, 166; Campbellsport, 184; and Ripon, 189.

The winner of the race was Plymouth's Sophi Bolich, who covered the 5,000 meters in 19 minutes, 39.81 seconds (19:39.81), 12 seconds in front of Berlin's Julia Silloway.

Kewaskum's top runner was senior Emily Krier, who finished 13th with a time of 20:56.3. Her finish earned her a silver medal.

Normally Herriges would have been the No. 2 runner, but she had to drop out of the Cougars Invitational last week because of some tightness in her ankle and she was not ready for the meet.

Haley Plachinski was

next, in the 28th spot, with a time of 22:49.4, while Melissa Schneider placed 33rd (23:04.4) and Ellie Debelak six places back with a 23:59.9. The final counter was Sydney Rosenthal, who finished 53rd (27:36.5).

"Miss Krier, Miss Plachinski and Miss Schneider all had great races ... all ran well," Evans said.

Also, Evans was thrilled with the efforts of his KHS boys, stating, "I think the boys did the best they've done all year."

The Indians finished seventh with 183 in the competition won by Ripon, which had 66 points, three fewer than Waupun (69). Winneconne was a close third with 70, followed by Plymouth 78; Berlin, 103; and KML, 140. Campbellsport was eighth with 191.

KML's Ryan Gurgel was the overall winner with a time of 16:28.56.

Sophomore star Justin Reck had a stellar race,

placing 11th with a time of 17:52.0, a personal best by over 30 seconds.

"It was his first time under 18 minutes. He really worked for it. He did great," Evans said. "He loves what he does."

Next came Kyle Toth, 41st in 20:16.8, Anthony Leister, 42nd in 20:24.8, Jacob Loehr, 43rd in 20:28.9; and Blake Miller, 46th in 20:41.3. Leister and Loehr both had personal bests, according to Evans, who said Leister cut nearly a minute off his previous best.

"I think the Kewaskum teams surprised themselves this year in a good way, which hopefully will lend itself to a larger turnout and greater achievements in the upcoming years," Evans said.

Next up for the Indians is the D-2 sectional competition which will be held at Cedar Grove on Saturday. The girls will run at 11 a.m. and the boys at 11:45.

Indians Give Second Place Plymouth A Real Battle

By Judy Harlow

The Kewaskum High volleyball team gave its three seniors, Ellie Landreville, Haley Kleinhans and Krystina Lepp, a royal sendoff before last Thursday's match against second place Plymouth.

Roses, gifts and emotional testimonies were featured in the Senior Night ceremony held before the match, and while the Indians wanted their teammates to go out with a win, they came up a little short, losing 21-25, 21-25 and 19-25.

"They are (in) second. We played like we were third in conference, and that's not where we are right now," KHS coach Laine Leitzke said afterward, very proud of the effort. "We lost, but we still played well."

In each of the three games, Plymouth started off with comfortable leads, but each time the Indians battled back. Down 16-23 in Game 1, KHS got the ball back when a Plymouth spike attempt landed out of bounds, and when Hailey Schicker served four straight points, it looked like the momentum was changing at 21-23.

The Panther took a time out and ended up scoring the next two points for the win, the first when Kewaskum returned a ball too long and the second on an ace by Plymouth's Margeaux Suttner.

Kewaskum led 1-0 and 2-1 in Game 2, then the Panthers' jump server, Emma Grapentine, put a string together for a 5-3 lead, and the lead stayed between one and three points until the Indians ran into a drought and fell behind 12-19. Schicker came in to serve, and the Indians got the next two

points, then gave up two, and the margin was seven, at 14-21.

Landreville and Kleinahns were up next in the service rotation, and the Indians rallied to within three (21-24) as the Panthers were called for a couple of net violations.

Plymouth came up with the winning points as Brooke Frederickson found a hole and between two KHS players who were unable to dig it up before it hit the court.

Game 3 featured a kill by Amanda Schaller that propelled the Indians to win three points and cut a deficit to 10-13. That's when Plymouth's big middle, Megan Goeser and took control with big plays at the net, giving the Panthers the game win and the match win.

For the game Amanda Schaller was the kill leader with six, while Lepp, Lizzy Lightner and Sarah Butschlick each had three.

Kleinhans had the most assists, 17, while Schaller had the only aces for the Indians - two.

KHS had trouble blocking. Butschlick and Lightner led the team with one each, while Landreville had the most digs, 14, with Kleinhans chipping in with 10 and Brittany Williams, seven.

"Ellie was all over (the court); Haley was all over, and Krystina was taking big swings," Leitzke said. "They all worked hard. We just couldn't pull it off."

Leitzke also praised Schicker for her good serving. "She's got a new serve," he said. "We switched her to the right side and took advantage of her serve."

Kewaskum ended the East Central regular season with a 2-8 record (9-24) overall.

Justin Reck cruises down the course at the first-ever East Central Conference cross country meet in Plymouth on Saturday, Oct. 17. Reck had a stellar race, placing 11th with a time of 17:52.0, a personal best by more than 30 seconds.

KHS Soccer Team Ends EC Season, Heads Into D-3 Tournament

By Judy Harlow

Kewaskum was unable to pick up a win in its final two East Central Conference games but did play an emotionally charged game against second-place Kettle Moraine Lutheran, on October 15, which resulted in a 3-1 loss.

Considering how badly the Indians lost to the Chargers the first time around — KML won that game 9-0 — coach John Kenworthy remarked, “this was a huge victory for us.”

“We passed the ball very well,” Kenworthy went on, adding the wind turned out to be “the 12th man for us.” KML is led by Joe Raasch, who scored four goals against Kewaskum in the teams’ first meeting. “He was held to one this game,” Kenworthy said. Raasch led the Chargers in scoring with 20 goals.

Kewaskum got its goal in the 70th minute on an unusual play. J.J. Heberer kicked the ball, which hit off a defender’s head and bounced into the goal.

“That was the only shot we had on them,” Kenworthy said, reporting KML had 19 shots.

Kenworthy cited the play of senior Nate Heniadas and junior Alek Gerhartz, two of his defensive midfielders. “They played very, very well and took away the angles” on the Charger forwards.

Playing at Berlin two days earlier, the Indians were outscored 7-1. “They

played at the top of their form,” Kenworthy said. “We didn’t get a lot of looks.”

Senior Joe Sanborn scored Kewaskum’s goal at the 52-minute mark. It was unassisted, according to Kenworthy, who said Sanborn “broke through a seam, took it down and made a beautiful shot.” The goal was Sanborn’s 11th of the year.

In this game, Jake Hrica “played really aggressively on the outside,” according to the coach, who said, “We got solid minutes from Hunter Kuehl,” an outside midfielder.

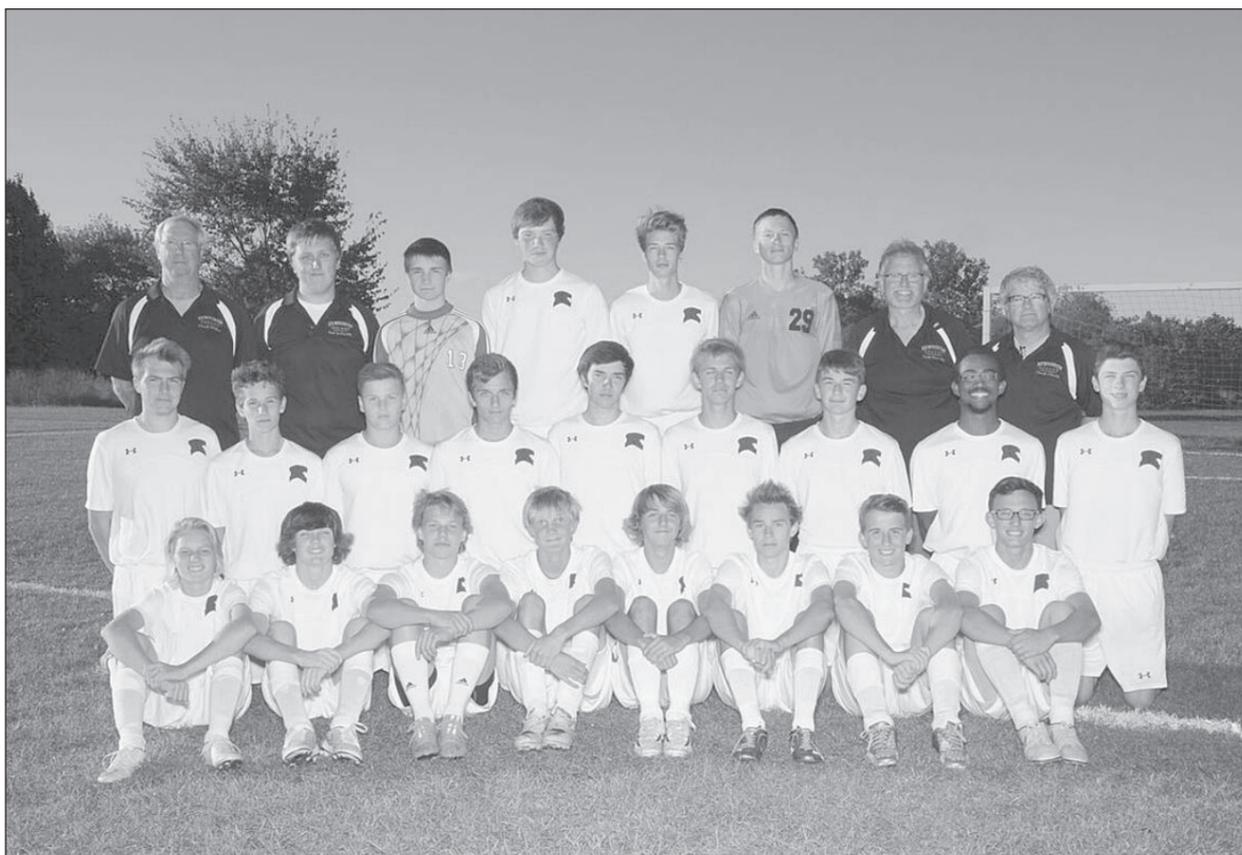

With the two losses, the Indians finished the EC season at 0-12-2. They were 2-18-4 on the year.

While the Indians were winless in the conference, “We did score goals in our last nine games,” Kenworthy said, “You certainly take that as a positive.”

Final EC standings: 1. Plymouth, 13-0-1; 2. KML, 11-3; 3. Winneconne, 10-3; 4. Campbellsport, 7-7; 5. Berlin, 6-8; 6. (tie) Ripon and Waupun, 3-10-1; 8. Kewaskum, 0-12-2.

Kewaskum was scheduled to host Milwaukee School of Languages on Tuesday, October 20. Kewaskum was slotted as the eighth seed in the D-3 regional while the Hawks were the ninth seed.

If the Indians win that game, they will travel to Grafton tonight (Thursday) at 7 p.m. to face the top-seeded Blackhawks.

The Kewaskum High soccer team struggled to post wins this fall, but there was plenty of improvement, which encouraged coach John Kenworthy for the 2016 season. Varsity soccer players included: (front row, from left) Luke Bindrich, Caden Dwyer, Jacob Heberer, Hunter Kuehl, Devin Buck, Noel Bindrich, Austin Fischer and Sean Brockman; (second row) Nate Heniadas, Matt Krautkramer, Alek Gerhartz, Jake Hrica, Hayden Koralewski, Keaten Flanders, Gavin Curtain, Christian Bocher and Hunter Schmitt; and (back row) assistant coach Mike Miller, assistant coach Ian Kenworthy, Conner Enright, Dylan Baertschy, Joe Sanborn, Michael Anderson, head coach John Kenworthy and assistant coach Tim Hardy.

-photo submitted

Members of Kewaskum’s boys JV soccer team include: Austin Cheeseman, Zachary Ziarek, Caleb DeYoung, Bailey Schuetz, Tanner Jacak, Brandan Schuetz, Brenden Rice, Joshua Gonwa, Ayrton Austin Lehmann, Jared Thierfelder, Charles Dreher, Kyle Loehr, Samwise Baker, head coach John Kenworthy and assistant coaches Tim Hardy, Mike Miller, Jake Hardy and Ian Kenworthy.

-photo submitted

Fifth Grade Gridiron Team Falls Short

In a game dominated by defensive play, the fifth grade Gridiron and Oconomowoc Bandits fought all the way through to the fourth quarter where the Indians fell short, losing the battle 0 to 8.

At the start of the game the Indians defense came on strong and stopped the Bandits attempt to score at fourth and seven on the 14-yard line. With only two minutes left in the first quarter Derek May handed the ball to Leo Otten who ran for three straight first downs. Not enough time on the clock to keep going and the quarter ended without a score.

The second quarter continued with the theme of the contest as the Bandits remained tough on defense as quarterback Derek May and running back Donovan Zillmer had the defense on their heels but could not break anything for a score. The Indians defense was energized and generated constant pressure. With time expiring in the first half, the defense stopped the Bandits drive in the red zone.

The third period was much of the same. Bandits started with the ball, but had to punt and the Indians started with

the ball near midfield. The offense found a rhythm and ran nearly four minutes off the clock with May handing the ball to “Dangerous Don” Zillmer running for over 30 yards and moving the chains forward. But that drive ended without points as the Bandits defense held back the Indians.

The Bandits were able to put a drive together early in the fourth quarter that ended in a touch down. The two point kick was good and the score was 0-8 with about four minutes remaining in the game.

On the Indians next pos-

session May swept to the left and Zillmer runs for first down. May completed a pass to Dylan Raether just short of first down. May looked to pass deep into Bandit territory and got the ball stripped out of his hand forcing the turnover. The defense held the Bandits at fourth down as Zillmer recovered a fumble on the 50-yard line. The Indians had one final attempt to score, but were unable to make it happen. With two weeks left to play in the season the Indians are 2-3.

On a high note, Eric Kral won the 50-50 Raffle — Congratulations, Eric!

Brady Hanson jumps to block a pass during Kewaskum’s homecoming game on Friday, Oct. 2, against Berlin. Kewaskum won the game, 21-6.

photo by Anne Trautner

Kewaskum Youth Soccer Results From Oct. 17

U7 Phoenix played another great game against the Richfield Rockets on Saturday winning 7-0. Camilla Kreif played an awesome game almost scoring a number of times, but the ball just would not obey. Colton Rabe and Janya Dieringer both scored two goals. Oliver Grover, Isabella Lang, and Annika Kreuser all scored as well.

U7 Suns won 6-1 against Hartford Wild Cats. Marisol Gurrola, Scarlet Reis, Grant Rasmussen and Kingston Grisolono scored for the Suns. There was some good defensive playing by Ranen Enright and Lauren Ryan. Nice job Suns!

U8 Twisters won their game against the Hartford Lightning this week. Eli Steinbauer scored five goals, Jonathan Gudex scored two and Mackenzie Severance, David Brown and Carson Maine each scored one.

U9 Flash lost 6-7 against Hartford Power Shot. Casey Schmidt and Nick Paul scored three goals each for the team. They all played a good game.

U10 Spartans were able to clinch the win against Jackson with a score of 2-1. Dawson Stahl scored both goals with the winning goal being made in the final seconds of the game. Mitchell Becker and Adam Deppert played fantastic offense helping to set up the goals. James Martin and Wyatt Tye's defensive play helped to keep Jackson at bay for most of the game.

U10 girl Warriors beat Hustisford Ladybugs 5-1. Ladybugs scored the first goal but the cold did not stop the girl Warriors. Warriors attacked and held the Ladybugs with great defense. Goals were scored by Ally Heipp with three and Brooke Gruen and Jadin Czuppa with one each.

U10 Aztecs lost to Hartford with a score of 4-6.

U12 Fury played the Slinger Hurricanes on Tuesday and came away

with their first win of the season ending the game at 5-2. They really looked like a whole new team. The Curtin brothers and Kaidan Dieringer all had some key assists during the game. Hudson Curtin and Callum Fischer had their first goals of the season and Kaidan Dieringer scored a big hat trick (three goals). They still couldn't have won without some great goalkeeping by Carter Curtin and Sydney Wheaton.

Saturday the U12 Fury forgot to get out of bed as they lost to the Richfield Cyclones 0-14. Though the Cyclones were a great team, the Fury really played an off game as well. Keegan Voigt had the only shot on goal for the day with an attempted assist from Kaidan Dieringer. Reid Amerling was awake though as he has been the surprise of the season. Amerling and Finn Baker both played some good, hard defense during the game.

On Oct 10th, the U14 Fusion lost in a great game against Erin with a score of 2-1. The defense did great holding the Erin players back, while the offense had some close calls near the goal, but just not enough for the win. Alyssa Butz had a nice kick to make our only goal for the team. The entire team played hard and had some great footwork passing the ball trying to score.

U14 Girls Fusion team is a young team this year, but they are looking better each and every week they play together. They lost this past week to Hustisford, but the entire team worked hard looking for a win. Ally Denman tried her best in goal and had some great saves. Tierney Herman, Megan Johnson and Ailis Cameron really used their hard kicking skills on defense. Arianna Krueger, Gwynn Manteufel and Maya Bell had some great footwork moving the ball forward towards the goal, but just not enough for the win.

There was both quality and quantity on the Kewaskum High tennis team. With good competition at several positions and strong play from the doubles teams, the Indians placed fourth out of 11 teams in the East Central Conference. Pictured above is the varsity tennis team: (front row, from left) Julia Cotter, Hunter Garcia, Morgan Wenzlaff, Maddie Lehmann, Cassidy Lange, Hannah Preder and Julie Vollmar; and (back row) assistant coach Kelsey Stretsbery, Jeray Riffel, Sammie Wiskirchen, Laura Weishan, Breana Trepes and coach Peter Garcia.

-photo submitted

Members of Kewaskum's junior varsity girls tennis team include: (front row, from left) Sydney Donath, Emma Preder, Marissa Zarda, Jill Bratz, Alexandra Krueger, Nikki Bruss, Megan Luedtke and Nichole Brzozowski; (second row) Sara Hofmaier, Amanda Koller, Ashley Marti, Ariahna Grossenbacher, Brandi Geldnich, Lindsey Ducharme and Kallie Hoeft; and (back row) JV coach Kelsey Stretsbery, Liza Rosenthal, Jennae Beaupre, Courtney Herriges, Amanda Krolski and head coach Pete Garcia.

-photo submitted

Members of Kewaskum's cross country team include: (front row, from left) Haley Plachinski, Jacob Loehr, Hailey Herriges, Sienna Peterson, Ellie Debelak, Emily Krier and Kyle Toth; and (back row) assistant coach Lois Volesky, Sydney Rosenthal, Blake Miller, Anthony Leister, Justin Reck, Melissa Schneider and head coach Kris Evans.

LEGAL NOTICES

NOTICE OF PUBLIC HEARING TOWN OF FARMINGTON
 NOTICE IS HEREBY GIVEN that the Town of Farmington Zoning Board of Appeals will conduct a hearing on the application for appeal filed by Kevin Pufahl. The hearing will be held at 4:30 p.m. on October 29, 2015 at the applicant's property located at 1684 Elm Tree Lane in the Town of Farmington.

The applicant's property is located in the SW 1/4 of the NW 1/4 of Section 21. The appeal is to seek a variance from the requirements of the Zoning Ordinance and if granted will permit the applicant to build a garage larger than allowed. All interested persons wishing to comment on the appeal should appear at the hearing.

 Administrative Assistant

VILLAGE OF KEWASKUM BOARD MEETING September 14, 2015 7:00 p.m.

The Kewaskum Village Board, Washington County, Wisconsin, met in regular session in the Council Room of the Municipal Building, 204 First Street.

Kevin Scheunemann presided and called the meeting to order at 7:00 p.m. Board members present were Richard Laubach, Richard Knoebel, Dave Zehren, Kevin Scheunemann, David Spenner, James Wright and Jim Hovland. Staff members present were: Mark Groeschel, Thomas Bishop, Dennis Aupperle, Steve Baker, Stephanie Justmann and Matt Heiser. Members from the community and the news media were also present.

Notice of the meeting had been posted at the PNC Bank, Kewaskum Post Office and at the Municipal Building on September 10, 2015. Notice was also forwarded to the Village Board, Village Attorney, Village Engineer and the News Media.

The meeting was opened with a Moment of Silence and Pledge of Allegiance.

Motion by Richard Knoebel to approve the minutes from the August 24, 2015 meeting, second by James Wright. Voice vote, motion carried. President Scheunemann opened the Public Hearing on the proposed floodplain zoning ordinance. These revisions will include updating the current Flood Insurance Study volume number and effective date, correcting typographical errors and definitions. No public comments were received.

Motion by Jim Hovland to close the Public Hearing, second by James Wright and

carried by roll call vote. Laubach-aye, Knoebel-aye, Zehren-aye, Scheunemann-aye, Spenner-aye, Wright-aye, Hovland-aye (7-0-0) Fire Chief Mark Groeschel presented the August 2015 report:

- Fire calls 1
- Year to date 25
- Jaws run 0
- Year to date 15
- Rescue calls 23
- Miles 649
- Total training hours 231.30
- Year to date 2068.96
- Police Chief Thomas Bishop, presented the August 2015 police report:
- Ordinance Citations 9
- Ordinance Warnings 9
- Traffic Citations 46
- Traffic Warnings 98
- Traffic Other 0
- OWI Arrests 2
- Felony Arrest/Charges 1/2
- Misdemeanor Arrest/Charges 4/6
- Miles Patrolled 5185
- DPW Working Foreman Dennis Aupperle reported on the DPW activity:

- 1. Street signs have been fixed and installed include the heavy truck route signs.
- 2. Street painting has been completed.
- 3. The last day for brush chipping will be October 5, 2015 and then leaf collection will be starting.
- 4. The pedestrian crossing sign by Holy Trinity Church has been stolen.
- 5. The third quarter water and sewer meter reading are being completed.

Administrator Heiser reported the swimming pool and fire pit area has been cleaned up at 639 Washington Avenue. Attorney Kiefer is working on other abatement issues associated with the property.

Library Director Steve Baker reported the circulation for August was 5,440 items, 21 new cards were issued, 380 computer users and 309 Wi-Fi connections.

David Spenner, Chairperson for the Administrative Committee, reported the bills were recommended for payment. Motion by Richard Knoebel to approve the payment of the bills, second by Jim Hovland. Voice vote, motion carried.

General \$135,832.52
 Library 15,204.77 A/P Ck #43965-44082
 Rescue Squad 5,958.73 PR/PCK #84846-84988
 Retirement Health 642.86
 TID #2 500.00
 Sewer 50,261.52
 Water 21,478.88
 \$229,879.28

David Spenner also reported the 2016 Administrative budget was reviewed and will be looked over again at the next meeting.

Richard Knoebel, Chairperson for Protection and Public Safety announced the next meeting is scheduled for September 16, 2015 at 9:00 a.m.

Richard Laubach, Chairperson for the Public Works and Public Services announced the next meeting is scheduled for September 15, 2015 at 9:00 a.m.

Jim Hovland, Representative for the Plan Commission, announced the next meeting is scheduled for September 22, 2015 at 7:30 p.m.

Dave Zehren, Chairperson for the Park and Recreation Committee reported on the September 11, 2015 meeting. The Kiwanis Pool statistics, Park budget and Kiwanis Park Stakeholders meetings were discussed.

Dave Spenner, Representative for the Library Board, reported the Kewaskum Library Foundation is recruiting new members. The library share system may be changing in the next year.

Jim Hovland, Representative for the Mid-Moraine, reported on the Dinner Meeting hosted by the Village of Saukville. The guest speaker was Christian Tscheschlo. He spoke on an approach to develop and attract new businesses. The Legislative Sub-Committee was held on September 9, 2015 and the topic of the meeting was regulating drones.

No action was taken on the draft dog leash ordinance. The draft ordinance to prohibit dogs in the village parks was forwarded as recommended to the next Village Board meeting for possible adoption. The draft ordinance on storage of junk was forwarded as recommended to the next Village Board meeting for possible adoption.

Motion by James Wright to adopt Ordinance #15-06 To Repeal and Recreate Sections of Chapter 40 – Floods, second by Dave Zehren and carried by roll call vote. Laubach-aye, Knoebel-aye, Zehren-aye, Scheunemann-aye, Spenner-aye, Wright-aye, Hovland-aye (7-0-0) (Vol. 2, pgs. 931-935) Motion by David Spenner to allow the Kettle Moraine ATV Club to use the downtown parking lot on February 6, 2016 for a fund raising event, second by James Wright. Voice vote, motion carried. The draft ordinance to require retaining walls to be the property owner liability was reviewed. One recommendation was to include a property owner can also borne the cost of construction of a retaining wall. The ordinance was forwarded for possible adoption at the next meeting.

Motion by James Wright to ratify the appointment of the 9 member Kiwanis Pool Committee with two alternates, second by David Spenner. Voice vote, motion carried. Kristy Bishop
 Sara Tye
 Nathan Scheel
 Wayne Sargent
 John Hubble
 John Wright
 Liz Bensen
 Michael Boettcher
 Skylar Graskay
 Haley Kleinhans
 Sara Kosterman

Motion by James Wright, second by Jim Hovland to approve the issuance of operator's licenses for 2015/2016 licensing year as listed below. Voice vote, motion carried. No objections were noted by the police department.

Hoadley, Tasha L.
 Kewaskum, WI
 Edwards, Blayne R.
 Kewaskum, WI
 Rinker, Emily M.
 Kewaskum, WI
 Teg, Taylor W.
 Palmyra, WI

Public Comment: Tiffany Laubach, 1125 Western Avenue, expressed she was thankful the dog leash ordinance revisions were disregarded. She asked why the ordinance revisions were even considered.

Motion by Kevin Scheunemann to adjourn at 7:55 p.m. into Closed Session pursuant to Section 19.85 (1) (e) Wis. Stats. The purpose of the meeting is deliberating or negotiating the purchasing of public properties, the investing of public funds, or conducting other specified public business, whenever competitive or bargaining reasons require a closed session §19.85(1)(e), Wis. Stats. Specifically to be discussed is the status of negotiations with the LAW union. The Closed Session will be attended by the Village Board, Administrator,

Police Chief and Clerk/Deputy Treasurer and pursuant to Section 19.85 (1) (e) Wis. Stats. The purpose of the meeting is deliberating or negotiating the purchasing of public properties, the investing of public funds, or conducting other specified public business, whenever competitive or bargaining reasons require a closed session §19.85(1)(e), Wis. Stats. Specifically to be discussed is the land lease for an entrance sign. The Closed Session will be attended by the Village Board, Administrator and Clerk/Deputy Treasurer. Laubach-aye, Knoebel-aye, Zehren-aye, Scheunemann-aye, Spenner-aye, Wright-aye, Hovland-aye. (7-0-0) 10-22 WNAXLP Stephanie Justmann, Clerk /Deputy Treasurer

SCHOOL DISTRICT OF KEWASKUM REGULAR MEETING KEWASKUM, WISCONSIN 53040-0037 September 14, 2015 Minutes

The meeting was called to order at 6:01 p.m. by Sue Miller. Board members present: Craig Staffin, Sue Miller, Mary Miller, Jay Fisher, Jim Leister, Mark Sette
 Board members excused: Troy Hanson
 Following a moment of silence, the Pledge of Allegiance was recited.

Superintendent Smasal verified that the meeting had been posted pursuant to §19.84(1)(2)(3)(4). Leister/M. Miller motion to approve the agenda. Motion passed. All aye
 Comments/Concerns: Ricky Kreif gave an update on the progress of fundraising by FFA for a greenhouse. Inquiring about District planning. The amount that has been raised is almost \$80,000.00. He was invited to be part of the Long Range Planning Committee.

Recognition: Parent Sarah Moris, representing Kewaskum, has been appointed by DPI to participate in the Parent Advisory Committee. Boys & Girls provided Back to School Supplies for 750 kids, 100 from the Kewaskum School District. Congratulations to the faculty, Governance Council, parents, etc. for the success of i4Learning Ribbon Cutting Ceremony September 1, 2015. The Grand Opening is scheduled for Thursday, September 17th from 5:30 p.m. – 7:00 p.m. Jump Rope for Heart/Hoops for Heart managed by the KES and KMS Physical Education Teachers was successful, with KES raising \$4854.55 and KMS \$421.25 donated to American Heart Association. Two educators: Nicole Ebert and Nichole Berres were involved with intense training, graduating through Project Lead the Way, which is STEM type training K-12. They are incorporating their knowledge into i4Learning at Wayne.

M. Miller/Fisher motion to approve the Consent Agenda: Consent Agenda:
 a. Approval of Minutes
 i. August 10, 2015 Regular Session
 ii. August 10, 2015 Closed Session
 iii. August 24, 2015 Special Session
 iv. August 24, 2015 Special Closed Session
 b. Instructional Resignations
 i. Shana Reyson – FES 4K
 c. Instructional Hires
 i. Lisa Timm – FES 4K
 d. Extra-Curricular Resignations
 i. Joe Meurer – Freshman Boys Basketball Coach
 e. Extra-Curricular Hires
 i. Lisa Hencsik – KHS Co-Advisor Student Government
 ii. Christopher Smith – JV Girls Basketball Coach
 Motion passed all aye.
 Construction Manager Update:

Mr. Smasal provided an update. Consensus was that all three firms provided excellent presentations last Thursday evening. Discussion following the presentations occurred for over one hour. It was a very difficult decision as all three firms are of very high quality. Discussion involved the role of the architect vs. the role of the construction manager. Putting all factors together, considering balancing all aspects presented, the consensus of the group referenced C.D. Smith. Leister/Staffin motion to approve C.D. Smith as construction manager. Motion passed 6-0.

Community Garden Update: Paula Carlton and Terri Miller provided a slide presentation and information about the District youth involvement with the garden. They explained that there are 22 raised beds which surpass others. The produce is used in the food program, as well as cooperating with Piggly Wiggly and the vegetable of the month with recipes available for parents to pursue at home on the recommendations of their children.

Fisher/Leister motion to approve August Payroll in the amount of \$1,060,231.47. Motion passed 6-0.
 Fisher/Leister motion to approve August Accounts Payable invoices in the amount of \$410,080.90. Motion passed 6-0.
 Leister/Sette motion to approve Resolution Authorizing Temporary Borrowing in an Amount Not to Exceed \$1,300,000.00; Issuance of Tax and Revenue Anticipation Promissory Notes; and Participation in the PMA Levy and Aid Anticipation Notes Program. Pursuant to Section 67.12(8)(a)1, Wis. Stats. Motion passed 6-0.
 Purchases over \$15,000.00 – Mr. Smasal explained the District Wide Literacy Training for the contract in the second year with an expenditure to the District from Fund 10 of \$27,000.00. Leister/Staffin motion to approve \$27,000.00. Motion passed 6-0.
 M. Miller/Leister motion to approve FFA National Convention. All aye
 M. Miller/Sette motion to approve KHS Music Department Disney Trip. All aye.
 Student Learning: The statewide assessment has changed. The Badger exam will no longer be used. It was determined last week that the Wisconsin Forward Exam was chosen. It is not yet available for districts to view. The other assessments remain the same. Only kindergarten will use paper and pencil. All other grades' assessments are online. Mr. Bazata shared the schedules for the Wisconsin Statewide Assessments. Superintendent's Report –

• District Border Discussion – Mr. Smasal demonstrated with a map showing the area of the Kewaskum School District. There is a family requesting their property be moved to the Campbellsport School District. It is necessary to investigate decisions by past Boards about the issue.
 • WASB Regional Conference – Mr. Smasal reminded people to let him know if planning to attend the September 30th meeting. M. Miller will be in attendance. He also asked the same about the Employment and School Law workshop by WASB October 15-16.
 • First Days of School Update: Great start with positive energy. Staff expressed thankfulness for summer training. Several Administrative Team members expressed comments from staff thankful about working earlier in their classrooms.
 • Strategic Plan Presentation: the 2015-16 School Board Goals were distributed and explained by Mr. Smasal. Mr.

Leister suggested providing this information on the District website as well as opportunity for people to ask questions about planning and buildings. This could not be about personnel. IT will check into this.
 • Long Range Planning Committee Update: Will be held in the KHS Library Tuesday, September 22nd from 6:00 p.m. – 8:15 p.m. The Architect and Construction Manager will facilitate the meeting.
 Business Manager's report – The third Friday count will be this Friday September 18th. Mrs. Thoreson asked if any questions about information in the Board packet, to which there were none.
 Pupil Services Report – Distributed packet of information addressing criteria indicators for IDEA. Including comments received from DPI. In the letter to the Kewaskum District: The department has reviewed the required 2013-14 district data and has determined the Kewaskum School District has met the requirements of Part B of IDEA. You and your staff are to be commended for this achievement. Jan noted, "this is an accomplishment that speaks to all the hard work and programming that happens on behalf of students with disabilities within the district." It further positions the district for the balanced approach that will be used in making the LEA determinations for the year 2016 and beyond.
 Policy Report – M. Miller explained Mr. Smasal's update on the Administrative Guidelines which are anticipated to be returned soon to the District. The Policy Committee does not have to approve them as the guidelines are directions to follow policies. Copies of revisions to current policies received from Neola were distributed as they are "tweaks" to current policies not affecting the content and intent of approved policies. Mr. Smasal provided copies of Policy #0155 Board Committees and Administrative Guidelines – Public Comments, with information also noted under Board policy section to committee members.
 Finance Report – Mr. Fisher discussed Literacy Training contract and savings from last year. He also discussed cash flow borrowing. Mr. Smasal provided copies of Policy #0155 Board Committees and Administrative Guidelines: Public Comments to committee members.
 Buildings & Grounds Report – Mr. Sette mentioned Mr. Smasal provided copies of Policy #0155 Board Committees and Administrative Guidelines: Public Comments to committee members. Mr. Franzen summarized the Operations, Equipment, Projects, and Utilities reports. The focus was on time management and process improvements. He highlighted facility cleaning and chemical cleanup thanking science educator Carla Schmitt for her assistance. He noted new KMS kitchen light fixtures, lawn mower replacement, hiring an Architect and Construction Manager. He mentioned a few employees and their lengthy years of service in the district. He also specifically mentioned positive comments about work performed by people in his department. He ended the report mentioning the successful partnering with Food Service.
 Leister/M. Miller adjourned meeting at 7:30 p.m.

Copies of revisions to current policies received from Neola were distributed as they are "tweaks" to current policies not affecting the content and intent of approved policies. Mr. Smasal provided copies of Policy #0155 Board Committees and Administrative Guidelines – Public Comments, with information also noted under Board policy section to committee members.
 Finance Report – Mr. Fisher discussed Literacy Training contract and savings from last year. He also discussed cash flow borrowing. Mr. Smasal provided copies of Policy #0155 Board Committees and Administrative Guidelines: Public Comments to committee members.
 Buildings & Grounds Report – Mr. Sette mentioned Mr. Smasal provided copies of Policy #0155 Board Committees and Administrative Guidelines: Public Comments to committee members. Mr. Franzen summarized the Operations, Equipment, Projects, and Utilities reports. The focus was on time management and process improvements. He highlighted facility cleaning and chemical cleanup thanking science educator Carla Schmitt for her assistance. He noted new KMS kitchen light fixtures, lawn mower replacement, hiring an Architect and Construction Manager. He mentioned a few employees and their lengthy years of service in the district. He also specifically mentioned positive comments about work performed by people in his department. He ended the report mentioning the successful partnering with Food Service.
 Leister/M. Miller adjourned meeting at 7:30 p.m.
 10-22 WNAXLP
 Tracie Sette,
 Administrative Assistant

Mr. Smasal provided an update. Consensus was that all three firms provided excellent presentations last Thursday evening. Discussion following the presentations occurred for over one hour. It was a very difficult decision as all three firms are of very high quality. Discussion involved the role of the architect vs. the role of the construction manager. Putting all factors together, considering balancing all aspects presented, the consensus of the group referenced C.D. Smith. Leister/Staffin motion to approve C.D. Smith as construction manager. Motion passed 6-0.

Community Garden Update: Paula Carlton and Terri Miller provided a slide presentation and information about the District youth involvement with the garden. They explained that there are 22 raised beds which surpass others. The produce is used in the food program, as well as cooperating with Piggly Wiggly and the vegetable of the month with recipes available for parents to pursue at home on the recommendations of their children.

Fisher/Leister motion to approve August Payroll in the amount of \$1,060,231.47. Motion passed 6-0.
 Fisher/Leister motion to approve August Accounts Payable invoices in the amount of \$410,080.90. Motion passed 6-0.
 Leister/Sette motion to approve Resolution Authorizing Temporary Borrowing in an Amount Not to Exceed \$1,300,000.00; Issuance of Tax and Revenue Anticipation Promissory Notes; and Participation in the PMA Levy and Aid Anticipation Notes Program. Pursuant to Section 67.12(8)(a)1, Wis. Stats. Motion passed 6-0.
 Purchases over \$15,000.00 – Mr. Smasal explained the District Wide Literacy Training for the contract in the second year with an expenditure to the District from Fund 10 of \$27,000.00. Leister/Staffin motion to approve \$27,000.00. Motion passed 6-0.
 M. Miller/Leister motion to approve FFA National Convention. All aye
 M. Miller/Sette motion to approve KHS Music Department Disney Trip. All aye.
 Student Learning: The statewide assessment has changed. The Badger exam will no longer be used. It was determined last week that the Wisconsin Forward Exam was chosen. It is not yet available for districts to view. The other assessments remain the same. Only kindergarten will use paper and pencil. All other grades' assessments are online. Mr. Bazata shared the schedules for the Wisconsin Statewide Assessments. Superintendent's Report –

• District Border Discussion – Mr. Smasal demonstrated with a map showing the area of the Kewaskum School District. There is a family requesting their property be moved to the Campbellsport School District. It is necessary to investigate decisions by past Boards about the issue.
 • WASB Regional Conference – Mr. Smasal reminded people to let him know if planning to attend the September 30th meeting. M. Miller will be in attendance. He also asked the same about the Employment and School Law workshop by WASB October 15-16.
 • First Days of School Update: Great start with positive energy. Staff expressed thankfulness for summer training. Several Administrative Team members expressed comments from staff thankful about working earlier in their classrooms.
 • Strategic Plan Presentation: the 2015-16 School Board Goals were distributed and explained by Mr. Smasal. Mr.

Leister suggested providing this information on the District website as well as opportunity for people to ask questions about planning and buildings. This could not be about personnel. IT will check into this.
 • Long Range Planning Committee Update: Will be held in the KHS Library Tuesday, September 22nd from 6:00 p.m. – 8:15 p.m. The Architect and Construction Manager will facilitate the meeting.
 Business Manager's report – The third Friday count will be this Friday September 18th. Mrs. Thoreson asked if any questions about information in the Board packet, to which there were none.
 Pupil Services Report – Distributed packet of information addressing criteria indicators for IDEA. Including comments received from DPI. In the letter to the Kewaskum District: The department has reviewed the required 2013-14 district data and has determined the Kewaskum School District has met the requirements of Part B of IDEA. You and your staff are to be commended for this achievement. Jan noted, "this is an accomplishment that speaks to all the hard work and programming that happens on behalf of students with disabilities within the district." It further positions the district for the balanced approach that will be used in making the LEA determinations for the year 2016 and beyond.
 Policy Report – M. Miller explained Mr. Smasal's update on the Administrative Guidelines which are anticipated to be returned soon to the District. The Policy Committee does not have to approve them as the guidelines are directions to follow policies. Copies of revisions to current policies received from Neola were distributed as they are "tweaks" to current policies not affecting the content and intent of approved policies. Mr. Smasal provided copies of Policy #0155 Board Committees and Administrative Guidelines – Public Comments, with information also noted under Board policy section to committee members.
 Finance Report – Mr. Fisher discussed Literacy Training contract and savings from last year. He also discussed cash flow borrowing. Mr. Smasal provided copies of Policy #0155 Board Committees and Administrative Guidelines: Public Comments to committee members.
 Buildings & Grounds Report – Mr. Sette mentioned Mr. Smasal provided copies of Policy #0155 Board Committees and Administrative Guidelines: Public Comments to committee members. Mr. Franzen summarized the Operations, Equipment, Projects, and Utilities reports. The focus was on time management and process improvements. He highlighted facility cleaning and chemical cleanup thanking science educator Carla Schmitt for her assistance. KHS Key Club To Trick Or Treat For UNICEF Eliminate Project

"For well over ten years the Kewaskum High School Key Club has been trick or treating for the UNICEF Eliminate Project. The proud tradition continues this year as our members knock on community doors Saturday, October 31 and ask for help preventing maternal and neonatal tetanus. For a

donation of only \$1.80, a woman will receive the three shots necessary to protect her and her future newborn from this deadly and painful disease. Over 100 million women in 38 different countries are affected by this. Please support our students this Saturday by making a donation."

Participate In SEWRPC Planning For Future Land Use And Transportation

The Southeastern Wisconsin Regional Planning Commission (SEWRPC) has announced a fourth round of seven public workshops—one in each county—as part of its VISION 2050 (www.vision2050sewis.org) land use and transportation planning effort for the Region. The 90-minute workshops are scheduled for November 9-19 in Kenosha, Milwaukee, Ozaukee, Racine, Walworth, Washington, and Waukesha Counties. Residents are invited to register for the workshops now at www.sewrpc.org/v2050wkshopreg. There is no charge to attend; new attendees are welcome.

At the workshops, attendees will be guided through the exploration of three different land use and transportation alternatives for Southeastern Wisconsin—detailed designs of alternative ways in which the Region could develop by the year 2050. Attendees will be able to compare the alternatives based on a thorough evaluation and provide feedback on them. The feedback will be used to develop a preliminary recommended plan for VISION 2050, which will be reviewed at a final round of public meetings in spring 2016. The feedback from those meetings will be considered as SEWRPC staff develops the final plan.

"This stage of the planning process will allow the public to compare detailed alternatives for the future development pattern and transportation system for Southeastern Wisconsin," said SEWRPC Executive Director Kenneth Yunker. "The comments we receive will be considered in the development of the preliminary VISION 2050 plan for the Region."

Residents who are unable to attend a workshop will be able to review and provide feedback on the alternatives and their evaluation using an interactive online tool. This tool will be available at www.vision2050sewis.org in mid-November.

VISION 2050 is a way for residents to consider the future of their commu-

nities and Southeastern Wisconsin by reflecting on how they want their communities and the Region to develop and how they want to be connected to places in the Region. The visioning effort will lead to a new VISION 2050 long-range regional land use and transportation plan. The plan will be a reevaluation, update, and extension of the year 2035 land use and transportation plans prepared by the Regional Planning Commission in 2006.

At the November workshops, the public will review three detailed alternative land use and development patterns and transportation systems for Southeastern Wisconsin in the future. The Trend alternative is a projection to the year 2050 of trends in land use and transportation system development from the past 20 years. Alternative Plan I is a departure from the Trend and includes more new development at higher densities; transit-oriented development; improved/expanded transit services; enhanced bicycle facilities; and widened/new arterial streets and highways to address congestion. Alternative Plan II is an even further departure from the Trend and includes a similar development pattern and transportation system as Alternative I, but with more high-density, mixed-use, and transit-oriented development, more public transit options, and highway expansion limited to areas not served by fixed-guideway transit (commuter rail, light rail, or bus rapid transit).

The alternatives were evaluated based on how well they would achieve a series of plan objectives under four themes: Healthy Communities, Equitable Access, Costs & Financial Sustainability, and Mobility.

Evaluation results will be reviewed at the workshops, allowing residents to learn how the alternatives would perform.

Members of the Kewaskum High School Key Club will again be trick or treating for the UNICEF Eliminate Project on Saturday, Oct. 31. This has become a proud tradition for the members of the Key Club. The enjoy knocking on community doors to ask for help preventing maternal and neonatal tetanus. Please support our students next Saturday by making a donation.
