Kewaskum School Superintendent Receives State Leadership Award

By Anne Trautner

James Smasal, Kewaskum School District superintendent, received the Wisconsin Association of School Councils Leadership Award at the WASC State Conference at the Overture Center in Madison on April 25.

The WASC Leadership Award is an annual award presented to an individual who has been a superb role model for association members and whose professional involvement in activities has directly affected and benefited the association.

Doug Franzen, building and grounds director for Kewaskum Schools, recognized Smasal for the award at the April 25 Kewaskum School Board meeting.

"Smasal...has been an advocate for student leadership on many fronts," Franzen said.

JAMES SMASAL

Over the past 15 years, Smasal has been a camp facilitator at leadership workshops for students from across the state who are serving on their own high school councils. During his tenure as a high school principal, Smasal was directly involved in overseeing his own high school council.

In addition, the WASC cited Smasal for being a creator and instructor of the High Impact Leadership Course for stu-

dent council advisers for the past four years. Smasal was recognized for continually providing leadership and insight on numerous WASC initiatives.

The WASC is a state-wide organization of public, private, and parochial elementary, middle, junior and senior high school student councils and student leadership groups dedicated to expanding leadership development and student responsibilities in Wisconsin. It is sponsored by the Association of Wisconsin School Administrators and affiliated with the National Association of Secondary School Principals.

"[Smasal] inspires our adult leaders to move their own leadership journey forward and provide a beacon of hope for the young people they serve," Franzen said.

Swim Passes To Go On Sale At Reduced Rate For Kewaskum Residents

By Anne Trautner

Season swim passes for the Kiwanis Park Beach in Kewaskum will cost less this year than they did last year for village residents.

Individual season passes for residents cost \$29.75 and family passes for residents are \$51 for 2016. That is a 15 percent reduced rate from last year's fees.

Season passes for non-residents will remain at last year's prices of \$45 for individuals and \$70 for families. The family rate includes two adults and all children 17 and younger in the household.

The swim passes will be sold at Kewaskum Village Hall throughout May during regular business hours. They will also be sold at the Kiwanis Park Bath House May 6-31, from 9 a.m. to 1 p.m.

The Kewaskum Village Park and Recreation

Committee started the discussion on March 28 about how new rate specials may spark more interest in the pool as the village contemplates building a new pool.

"The idea was to try to get more people into the pool," Village Trustee Dave Zehren said.

A pool committee was formed several months ago to determine the need for building a new pool at Kiwanis Park. The committee met on March 8 to determine the community's needs and to start the process of creating a feasibility study.

The pool committee will meet next on May 10.

Village trustees hope that the lower rates will enable more people to use the pool.

"The idea was trying to make expenses of the pool less of a strain on the village taxpayers by doing this, but... I don't know if

it's going to gain us anything. If we keep thinking that we are going to have a pool that is self supporting, we are dreaming. There's nobody in the area that has a pool that is self-supporting," Zehren said.

The new family rates are lower than those at nearby swim ponds in Slinger and West Bend. In the Village of Slinger, family season passes for Slinger residents are \$80 and nonresident family season passes are \$115.

At Regner Park in West Bend, season swim passes for a family of five cost \$75, with an early bird rate of \$60 for family passes purchased by May 27, regardless of residency. In West Bend, family passes are limited to five people, with a \$10 charge for each additional person.

Honor Flight Brings Back Memories For Kewaskum Resident

By Anne Trautner

Kewaskum resident Roger Strack did not see any military action while serving in the Korean War, but he has plenty of stories to tell from his experience.

Strack was reminded of all those stories as he prepared to go on the Old Glory Honor Flight to Washington, D.C. on April 13.

Strack was one of 80 World War II and Korean War veterans who went on the Old Glory Honor Flight from Appleton to Washington, D.C. Although he had been to the nation's capital twice before, it was the first time he saw the Korean War Veterans Memorial.

"It was a great trip," Strack said. "They brought us around everywhere with a police escort."

Secret Operation

Strack, who is now 84, enlisted in the U.S. Army on Feb. 2, 1951, when he was 18, and served for two years.

Strack was assigned to the 369th boat battalion, along with one of his best buddies, Harold Roecker, 85, who later became Strack's brother-in-law.

"There were four on a boat on this landing craft, and we were in the same boat. So we were together

all over," Strack said.

The battalion was sent to Greenland to build an airfield and with 42 storage tanks, Strack said.

As a remembrance, a framed Life magazine from Sept. 22, 1952,

hangs on the wall of Strack's home office. The cover of the magazine depicts Strack's ship sailing near Greenland.

WASHINGTON COUNTY SHERIFF'S OFFICE REPORTS

Car Crash Involving Stolen Vehicle Used In Milwaukee Shooting

On April 26 at 4:01 a.m., the Sheriff's Office was dispatched to the 5600 block of State Highway 60 in the Town of Hartford for a vehicle that traveled through several yards and hit a telephone pole, ripping off the front driver's side wheel on the vehicle. Power lines in the area were also down and required WE Energies to respond to the scene. The vehicle came to rest 300 feet from where it left the roadway. One of the property owners believed the accident occurred at 3 a.m. as she thought she may have heard the collision.

The investigation revealed that the vehicle was reported as stolen out of the City of Milwaukee. It was also determined the vehicle was involved in a shooting in the City of Milwaukee prior to the crash. The Sheriff's Office requested the assistance of the Waukesha County Sheriff's Office for the use of a tracking K9, but the operator was not located after the K9 tracked for over an hour. Hartford Police Department also assisted at the scene.

Any citizens with information are encouraged to contact the Washington County Sheriff's Office at (262) 335-4420. The investigation continues as the Sheriff's Office works with investigators from the Milwaukee Police Department.

Burglar Alarm Results In Extraditable Warrant Arrest

On April 25 at 5:08 p.m. a deputy was dispatched to a residential burglar alarm in the 900 block of County K in the Town of Erin. The responding deputies believed the alarm activation was relat-

ed to a severe thunderstorm that passed through the area with a fair amount of hail. While investigating the alarm activation, the deputies observed a vehicle pulling a trailer pulling into the driveway. The deputies initially thought it was the home owner responding to the alarm, but determined it was a pair of workers responding to a nearby cell phone tower that inadvertently turned into the wrong driveway. One of the individuals had an outstanding felony warrant for "grand theft auto" from White County in Illinois. The bond required was \$35,000. The 23-year-old Indiana man was arrested and held at the Washington County Jail awaiting extradition to Illinois.

ATV Fire

On Monday, April 25, at 4:41 p.m. the Sheriff's Office was notified of an ATV that was on fire in the area of Lake Haven Drive and Lake Haven Court in the Town of Farmington. Fillmore Fire Department was also dispatched to the scene. Upon the deputy's arrival, the ATV was fully engulfed and was a total loss after Fillmore Fire Department put out the fire and contained the secondary burning. The operator was thatching his lawn using his 2003 Polaris Sportsman 700 ATV when it began to overheat. The owner tried to contain the fire with a fire extinguisher without success. Damage to the ATV was estimated at \$3,000.

House Fire

On Thursday, April 21, at approximately 11:31 a.m., a neighbor notified the Washington County Sheriff's Office of a possible house fire located in the 4000 block of W. Moraine Drive in the Town

of Kewaskum. Deputies and firefighters from the Kewaskum Fire Department were subsequently dispatched to the scene. Assistance was also requested from the Boltonville, Campbellsport, Kohlsville, Jackson, and West Bend Fire Departments. Upon their arrival, deputies observed light to moderate smoke emitting from the residence.

After their arrival, firefighters quickly brought the room and contents fire under control. However, W. Moraine Drive between County Highway V and Highland Drive was closed to through traffic for approximately 1.5 hours to facilitate overhaul and clean-up operations. No residents were home at the time of the fire, and no firefighters were injured during its extinguishment. Unfortunately, several birds inside perished. Damage to the home and contents was estimated at approximately \$75,000.

An investigation revealed that the fire likely started in an area where several baby chickens were being warmed via a heat lamp. However, the exact cause of the fire remains undetermined.

Barn Fire

On Wednesday, April 20, at approximately 5:08 p.m., a neighbor notified the Washington County Sheriff's Office of a barn fire located at 6340 Arthur Road in the Town of Hartford. Deputies and firefighters from the St. Lawrence and Hartford Fire Department were subsequently dispatched to the scene. Assistance was also requested from the Allenton, Jackson, Slinger, Richfield, Kohlsville, and West Bend fire departments. Upon their arrival, emergency responders observed flames coming out of the top and sides of the barn. The barn was fully

engulfed at the time of arrival.

While the fire was brought under control, traffic was shut down on Arthur Road between Highway 83 and Saint Lawrence Lane for approximately two hours. The home owner was present and tried to get as many animals out of the barn as possible. No firefighters were injured during the extinguishment of the fire. Unfortunately, a cat and two rabbits perished as a result of the blaze. Damage to the barn and contents is estimated at approximately \$70,000.

The exact cause of the fire is currently unknown and the incident remains under investigation by Washington County Sheriff's Fire Investigators.

Gas Line Strike

On April 20 at 11:54 a.m., the Sheriff's Office was notified of a gas line that was struck in the area of 1907 Highway 175 in the Village of Richfield. The line was reported to be a 4-inch gas line and it was struck by a road construction crew working on the Highway 175 reconstruction project. Richfield Fire Department was paged and WE Energies was contacted. Wisconsin Southern Railroad also was contacted to stop all rail traffic coming into this area. Construction work was halted.

Richfield Fire Department advised that all structures on both sides of Highway 175 between Elm Street and Pleasant Hill Road along with the structures on the west side of Railroad Street be evacuated. Richfield Fire Department personnel were re-paged to assist with evacuation efforts along with Sheriff's Department personnel who were on-scene. More than 30 structures, including residences and businesses, were evacuated. The WE Energies

Emergency Gas Service was on-scene at approximately 12:30 p.m. and the gas line was completely shut off by approximately 2:15 p.m. The investigation showed that an excavator and bulldozer were working together. The bulldozer was moving some dirt close to the gas line and struck the line which was actually a 6-inch gas line approximately 4 feet below the surface.

Foot Pursuit

A Washington County Sheriff's deputy became involved in a foot pursuit of a wanted man while assisting the Trenton Police Department on April 19 at 4:59 p.m. Information was received that the 19-year-old Town of Trenton man was at a residence on Mapledale Road and was wanted on a Mid-Moraine Municipal warrant for three days in the county jail or payment of the outstanding forfeiture.

Warrants are orders signed by a judge commanding law enforcement officers to take the defendant into custody and imprison him/her in the county jail until he/she has served the sentence imposed, or has paid the outstanding sum due from judgement. These warrants are commonly referred to contempt of court warrants.

While the Trenton officer was attempting to make

contact with the man, the deputy observed the man exiting a window on the side of the home. The deputy initiated a foot chase that took them through two back yards and went about 200 yards. The man was then taken into custody with no physical resistance.

Car Crash

A 46-year-old Cascade woman received minor injuries after rolling over her SUV on U.S. 45 south of Pleasant Valley Road on April 19 at 5:02 p.m. Jackson Fire Department workers extricated the woman from the vehicle and then transported her to St. Joseph's for medical assessment.

The driver was not impaired, but she advised investigating officers she had not been feeling well over the past several days and fell asleep while driving. Possible enforcement action is pending on the driver.

Under Wisconsin State Statute 346.89, no person while driving a motor vehicle may be engaged or occupied with an activity, other than driving a vehicle, that interferes or reasonably appears to interfere with the person's ability to drive a vehicle safely. This statute is intended to cover any activity that takes the driver's focus away from driving - including sleeping.

Lucille A. Steger

Lucille A. Steger, 82, of Lomira, passed away on Saturday, April 16, 2016, at Hope Health and Rehabilitation Center in Lomira, with her family at her side.

Lucille was born on April 20, 1933, in Ashford, the daughter of the late John and Barbara (Welsh) Stoffel.

On January 15, 1955, she was united in marriage to Lawrence "Sonny"

Steger at St. Martin Catholic Church in Ashford. Lawrence preceded Lucille in death on June 14, 1982.

Lucille was a member of St. Theresa Catholic Church in Theresa and a member of the Miller-Justman-Guelig Post #270 Legion Auxiliary in Theresa.

She was employed for many years at Mayville Metal Products. Lucille deeply loved her family and enjoyed spending time with her children, grandchildren, and great grandchildren. Lucille really enjoyed her favorite dogs throughout the years.

Those Lucille leaves behind to cherish her memory include four children, Jeff (Mary) Steger of Campbellsport, Julie (Don) Steinhauer of Waupun, Jody (Lynn) Steger of Theresa, Jim (Cindy) Steger of Lomira; 14 grandchildren; four great grandchildren; three sisters-in-law, Pat Stoffel of West Bend, Betty Steger of Fond du Lac, and Anita Steger of Mayville; other relatives and friends.

In addition to her husband and parents, Lucille was preceded in death by five brothers, Leo, Alois (Rita), Jerome (Shirley), Raymond (Shirley) and Sylvester (Violet) Stoffel; two sisters, Marcella (Gregor) Beisbier and Laurine (Benno) Simon; two brothers-in-law, Clarence Steger and Merle Steger and a sister-in-law, Betty (Carl) Bandle.

A Mass of Christian Burial for Lucille was held at 11 a.m. on Wed., April 20 at St. Theresa Catholic Church in Theresa. Father Tom Biersack officiated and burial followed in St. Theresa Memorial Gardens in Theresa.

Lucille's family greeted relatives and friends at the Kietzer-Miller Funeral Home in Lomira on Tue., April 19, from 4-7 p.m. Visitation continued at the church on Wed. from 10 a.m. until the time of Mass.

The Myrhum Patten Miller and Kietzer Funeral Homes have been entrusted with Lucille's arrangements. Additional information and guest book may be found at www.myrhum-patten.com.

Lucille's family extends their deepest appreciation to the nurses and staff at Hope Health and Rehabilitation Center in Lomira and Agnesian Hospice for the care provided.

CAMPUS NEWS

—Moraine Park Technical College named 1,250 students to the Dean's List for the fall 2015 semester. To qualify for the Dean's List distinction, students must earn a minimum semester grade point average of 3.5, be enrolled in at least six credits of undergraduate-level courses, be in good academic standing and cannot have a failing or incomplete grade for the semester.

The following Kewaskum students were honored Anne Allmann, Austin Beuscher, Steven Bohn, Erin Bunch, Miranda Drewitz, Felecia

Edmonds, Andrea Eilbes, Carl Eisen, Katelyn Eisen, Nicholas Faber, Sherry Goschey, Stacey Graff, Billie Gruber, Leah Gullickson, Nancy Horning, Brielle Legate, Amy Maurer, Angelica Meyer, Cody Muckerheide, Jessica Nurkala, Ashley Pallin, Rachelle Pallin, Alexander Piwoni, Stephanie Przybylski, Briana Raether, Abby Remillard, Jonathan Schalow, Aaron Schlosser, Amber Struck, Kathryn Thull, Kayli Thull, Adam Waala and Michelle Westerman.

Continued From... Swim Passes To Go On Sale At Reduced Rate For Kewaskum Residents

In Slinger, individual season passes for residents are \$45 and \$60 for nonresidents. West Bend offers \$20 season swim passes for youth ages 3 to 15 and \$35 for adults.

The Kewaskum Village Board decided to try the new resident rates out for a year. A resident is a person who resides within the Village of Kewaskum; residency is not determined by the school district.

"We can see if that improves participation," Village Trustee David Spenner said. "We may find that we don't actually

lose any money." The Kiwanis Park Beach in Kewaskum will open with limited hours of operation June 6 through June 11.

Beginning June 12, the beach will be open Mondays through Saturdays, from 11 a.m. to 7 p.m., and on Sundays, from 11:30 a.m. to 7 p.m., subject to weather conditions and number of swimmers.

The last day the Kewaskum pool will be open is tentatively set for Aug. 28.

Spring Fair

Saturday, May 7 • 11 a.m. to 3 p.m.

Cedar Ridge Apartments • 113 Cedar Ridge Drive

Now that Cedar Ridge has a year 'round rummage, Granny's Attic, the annual Spring Festival has been transformed. The Spring Fair features a lot of what our guests love – crafts, music, bake sale and tours - plus Granny's Attic and a wellness fair with screenings, demos and more!

Same first Saturday, more fun, less rummage!

**50 Years
April 29, 1966**

Postmaster General Lawrence O'Brien announced yesterday that a contract has been awarded to the Sturm Corporation of Manawa, to build the new post office in Kewaskum and lease it to the post office department. The post office is expected to be completed by March 1, 1967.

The Kewaskum High School concert band returned from the Scenic Moraine District Music Festival on Saturday, April 23rd, feeling justifiably proud of itself. This 75-piece Class A organization received a first rating for the third consecutive year. The high school A Capella Choir, directed by Gary Gerhartz, competing class B received a second division rating.

A Kewaskum couple, Mr. and Mrs. Steven Lecher, died within eight hours of each other on April 26 and April 27. Mr. Lecher, 80, died at the Hope Nursing Home in Lomira, where he had been a resident at 6:15 p.m. Tuesday. His wife, 82, also a resident of the nursing home, who was stricken upon hearing of his death, was rushed to St. Agnes Hospital, where she passed away early Wednesday morning. Double funeral services were held on April 30 at Holy Trinity Church.

A transaction was made last Wednesday whereby Mrs. John Guth sold a parcel of land 30x60 feet north of her saloon property facing Fond du Lac Ave. to Christ Schaefer, Jr. Consideration \$2,000. Upon this property will be erected the coming summer an up-to-date bank building to be occupied by the Farmers & Merchants State Bank now being organized. It is expected that same will be ready for occupancy by September 1.

Mr. Charles Roth, Sr., owner of Roth's Hall and saloon at Schleisingerville died suddenly last week Thursday, death being caused by heart failure at the age of 55 years and three months. Mr. Roth was well known throughout the county. He was village president of Schleisingerville for a number of years and a very popular man.

This office is in receipt of a report from reliable and enterprising businessmen of the village that Kewaskum will soon have a flour and grist mill. It is expected that plans for same will materialize within the next three weeks. As far as can be learned the new establishment will be built with all modern improvements and the machinery will be electrically driven. The mill capacity will be 50 barrels of flour per day. The building is to be built somewhere near the railroad tracks. At the present time

we are unable to mention the names of the promoters. It is expected the new concern will be ready for business between September 1st and November 1st.

Warning! All those who have been dumping their ashes and rubbish in the streets and alleys should remember that there is an ordinance prohibiting this practice. They are hereby notified to remove same or the village will compel them to pay for said work. Jos. Strachota, street commissioner.

Weekly HEALTH TIP

FIBER MAY HELP CURB DIABETES

Researchers tracked 29,000 people for 11 years and found that those who ate the most fiber (more than 26 grams a day) had an 18% lower risk of developing type 2 diabetes than those who ate the least (less than 19 grams a day). The effect may be due to weight loss associated with eating more vegetables and grains. The fiber in their diets came mostly from cereals and vegetables. Eating a diet high in fiber may make one feel fuller for longer, slow down absorption of nutrients and help control blood sugar. Some high-fiber foods include beans, nuts, vegetables, berries, oatmeal, popcorn, and whole-grain breads, cereals and pastas.

The Coffee Corner will host a social night for the Kewaskum Historical Society on May 4. The building that houses the Coffee Corner has its own history. Situated on the northeast corner of Main Street and Fond du Lac Avenue, the building was originally known as The American House. Early owners included Louis Guth, Ed Guth, George Petri, John Guth, Nic. Guth Sr., and Nic Guth Jr. The last owner was John Van Blarcom Jr., before the building became the Corner Drug Store operated by Otto Graf and his wife, Ann. They had a soda fountain and sets of ice cream chairs. After the death of Mr. Graf the drug store business was sold to Ray and Ann Skrentny. Following the death of Mr. Skrentny, Sr., an auction was held and later Kennelly Pharmacy opened a drug store in this building.

Friends Of Lac Lawrann 29th Annual Wildflower And Perennial Sale

Bees and butterflies are becoming less numerous, which is a problem as they pollinate many food plants.

This year's Friends of Lac Lawrann Wildflower and Perennial sale will feature plants, both native and cultivated, that attract bees and butterflies. Come to the sale and find the perfect plants for your garden and help our insect friends.

This year's sale is from 9 a.m. - 1 p.m. on the day before Mother's day, May 7, at Lac Lawrann Conservancy, 300 Schmidt Rd., West Bend. A presale for members of the Friends is Friday, May 6 from 3 p.m. - 6 p.m.

Some important plants for pollinators featured are members of the milkweed (asclepias) family, Marsh Milkweed, Common Milkweed and butterfly weed. Milkweed is vital for Monarch butterflies and you can help the Monarch by planting a few in your yard. Joe Pye is an impressive plant for fall color, and is a bee and butterfly magnet. Showy golden rod blooms late and is often covered with bees. Monardas, which flower non-stop all summer, are another favorite for bees, butterflies

and hummingbirds. Come and discover the wide variety of plants loved by our insect friends.

Peonies - tree, fern leaf and herbaceous, along with 10 varieties of clematis and several new heuchera varieties are also being featured this year. Many plants come from volunteer's gardens and are hardy to the area. Other plants are new varieties from nurseries. Native plants for prairies, woodlands and wet lands are available, as are some of the newest cultivars; ground covers, shade and sun lovers.

There is also a small selection of trees and shrubs, rhubarb, and raspberries plants; a garden rummage area; hand-crafted trellises and wood carvings. Knowledgeable gardeners are on hand to answer your questions and help you find the right plant for your garden.

All of the proceeds from the sale are used for Lac Lawrann Conservancy for children and adult educational programs and Maurin Learning Center. The 134 acre conservancy is open free of charge from dawn to dusk all year. Walk the trails in the spring, summer and fall and ski and snow shoe in the winter. Special events, like the popular walk under a full moon, are held for the general public throughout the year.

Nature classes are given in the classroom to elementary students and tours of the conservancy are scheduled for school groups spring and fall. Week long naturalist programs are held in the summer.

May 5th Is The Day!

Have you ever wondered how you can make an impact on something that seems impossible to change? Do you think the situation in this nation is out of control and can't be transformed? There is a way to make an impact that often gets relegated to last resort, only when you've exhausted every possible thing you could do in your own power and resources.

Come discover the power of prayer in unity with others committed to a

resolution for the chaos our world is experiencing in these days. The National Day of Prayer event in Washington County, hosted by The West Bend Aglow Community Lighthouse will be held May 5, 2016 from noon to 1 P.M. at the Riverside Park Pavilion on Kilbourn Avenue in West Bend. As one, we will unite prayers to seek God's grace and mercy for our state, nation and the world, inviting Him to supernaturally intervene

as we humble ourselves before Him.

During this hour, individuals representing each of the following groups will pray for our federal, state and local government, the military, media, business, education, the church and the family. This event is free to the public and everyone is welcome. Inquiries may be directed to Marlene Otte, Aglow President, at 262-377-2986.

New Members Sworn Into Kewaskum School Board

By Anne Trautner

Mary Miller and Timothy Ramthun were sworn in as new Kewaskum School Board members on April 25.

Both Miller and Ramthun were elected on April 5 to serve a three-year term on the board.

At Monday night's meeting, the school board also elected board officers. Jim Leister will replace Sue Miller as board vice president, while the rest of the officers remain status quo.

Troy Hanson will remain board president, Mary Miller is once again board clerk and Jay Fisher will continue serving as board treasurer.

Following the election of school board officers, Mary Miller went over some of the board policies as a part of a leadership workshop.

"This is a great time to go over some of [the policies] that I think are very important. And basically I have to say if the board doesn't follow policy, who

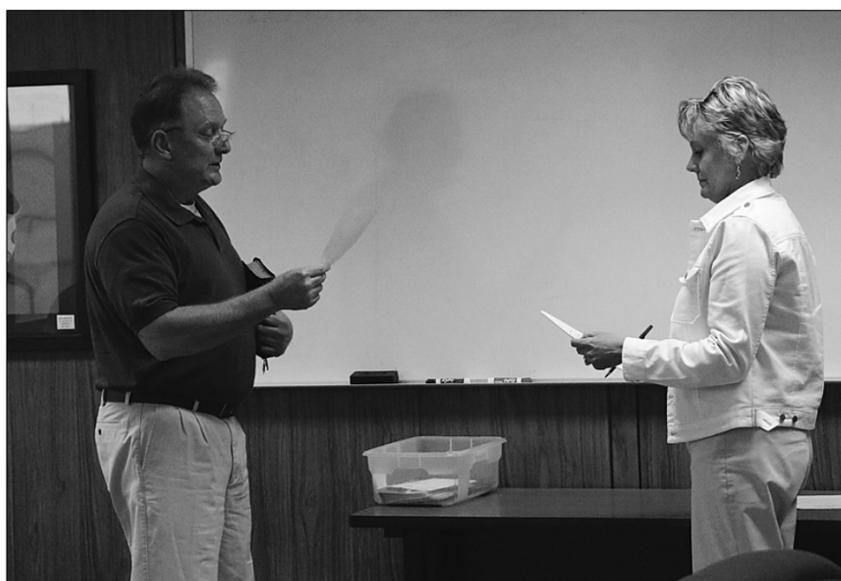

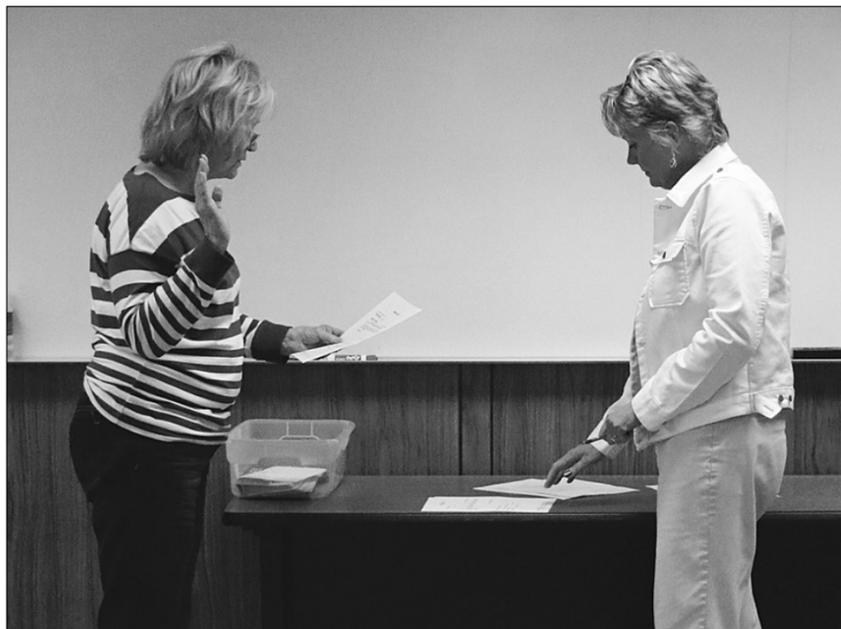

will? Because the expectation is that everybody follows policy, so we should be setting the example," said Miller, who will once again serve on the Wisconsin Association of School Boards.

Miller went on to cite policies that outline the role of the school board, which "exists for the purpose of providing a system of free, public education for children in prekindergarten through 12th grade."

According to board policy, individual board members "do not possess the powers that reside in the board as a whole. The board speaks through its minutes and not through its individual members." The policy spells out that "the board president serves as the official spokesperson for the board."

Miller also read that board members "should endeavor to make policy decisions only after full discussion at publicly held Board meetings; ...support the employment of those individuals best qualified to serve as school staff, and insist on a regular and impartial evaluation of all staff; ...and take no private action that will compromise the board or administration, and respect the confidentiality of information that is privileged under applicable law."

"Substantial interference with a person/employee's work performance or creation of an intimidating, hostile, or offensive work environment is established when the conduct is such that a reasonable person under the same circumstances as the person/employee would consider the conduct sufficiently severe or pervasive so as to interfere substantially with the person's work performance or create an intimidating, hostile, or offensive work environment. 111.36(1) Wis. Stats.," Miller read. In addition, Miller

Tracie Sette, administrative assistant for Kewaskum Schools, swears in Mary Miller (top left) and Timothy Ramthun (bottom left) for the Kewaskum Board of Education.

Kiwanis April Students Of The Month

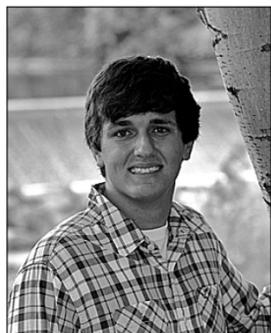

Emily Tillmann

Emily Tillmann is the daughter of Carol and Todd Tillmann. She has been a club member in Student Government for the past four years; has been in Spanish for the past two years, where she is currently the Vice President; serves as a positive role model as a Freshman Mentor; and has been in Peer Listening for the past three years.

Emily is very active in the school fine arts program for the past four years. She has been in

school musicals and was chosen for the supporting role this year. She also has been part of the show choir.

Outside of school, she has played the piano for the past eight years and recently started teaching Jazzercise at Hon-E-Kor. After graduation, she plans on attending the University of Wisconsin-Oshkosh to pursue a degree in nursing.

Michael Prochnow

Michael Prochnow is the son of Ann and David Prochnow. Throughout

high school, he has been an avid athlete of basketball (two year captain), baseball (Conference Player of the Year, first team unanimous utility player and Honorable mention All-State), football (Honorable Mention quarterback, and First Team All-Conference), and Tennis (two year captain) programs all four years.

Michael is a club member in FBLA and Peer Listening, along with being a positive role model as a Freshman Mentor. In his junior year, he was inducted into the National Honor Society.

Outside of school, he volunteers at Kewaskum Elementary as a tutor to a fifth-grade student, and is involved in the youth group at St. John's Lutheran Church in New Fame for the past five years. After graduation, Michael plans on attending a four-year college to pursue a degree in business.

PICTURED TO THE RIGHT: Kewaskum High School students (pictured top right, from left) Haley Plachinski, Sydney Rosenthal and Jensen Kapla; and (pictured bottom right) Derrick Brock, Jacob Loehr, Nicholas Ellenbecker and Dalton Espitia will represent KHS at Badger Girls and Badger Boys State this summer. Students were selected by KHS teachers based on the following characteristics: interest in government and citizenship; strong academic standing; and show qualities of leadership, good moral character and dependability. Students are sponsored by the Kewaskum American Legion and Auxiliary Post 384.

FEATURE BUSINESS OF THE WEEK

Tuttle Creek Learning Center, Inc.

Tuttle Creek Learning Center, Inc. is proud to be in business for over 18 years. After purchasing the established center in 1997, Mike and Audra Beyer began molding the business, adding their own unique touches and continued the growing process to accommodate the communities changing needs. Over the past 15 years an infant, toddler and two year old room have been added to the already existing preschool room at the main site, as well as adding before and after school programs in Kewaskum Elementary School and Farmington Elementary School. They have been providing quality childcare for Kewaskum and the surrounding area for over 18 years, while continually improving and adding new features!

Audra brings 27 years of experience to the business and the Administrator, Shelly Marx, brings 23 years of experience. Along with them, there are 10-14 employees depending on the time of year. Mike and Audra Beyer are supportive of their staff going back to school through funding in conjunction with TEACH.

Thank you to all of the parents who have shared their precious children with us! We feel truly blessed to have met each and every one of you. We look forward to many more years of helping your children grow!

May Concerts Planned By UW-WC Music Department

– Free Admission To Moraine Symphonic Band Concert

The Music Department at UW-Washington County (UW-WC) is planning two May concerts.

The Moraine Symphonic Band, under the direction of Ryan Meisel, will perform in the campus theatre on Saturday, May 7, at 2 p.m. Admission is free and no reservations are necessary. The hour long program includes a wide variety of repertoire from contemporary music in Clowns, a medley of Gerschwin and an arrangement of Casey at the Bat, narrated by clarinetist Dick Gerard. Cultural musical selections include Slavia, Four Scottish Dances, and Hebrew Folk Songs. Traditional music in Overture to Orpheus, Bach's Sleepers Awake and Come to the Festival Tent, a composition by one of our member's former band directors.

A social follows the concert. The campus theatre is on the second floor of the campus, located at 400 University Drive (exit from Hwy. 33) in West Bend.

UW-WC's Moraine Chorus, under the direction of UW-WC Music Professor, Dr. Peter Gibeau, will be performing their spring concert with the Kettle Moraine Symphony Orchestra on Sunday, May 15, at the Basilica of the National Shrine of Mary at Holy Hill in Hubertus at 3 p.m. The 75 minute concert will consist of one work, A German Requiem, by Johannes Brahms. It is scored for chorus, soprano and baritone soloists, and orchestra.

The soprano soloist is Deanna Gibeau and the baritone soloist is David Mohr. Paul Thorgaard, director of the Kettle Moraine Symphony Orchestra, will conduct the work while Peter Gibeau, the director of the Moraine Chorus, will sing with the bass section.

A German Requiem is seven movements long in a kind of arch form. Movements around the arch are paired: the first and seventh movements are similar in that they offer comfort for the living,

the second and sixth movements are the most exciting, the third and fifth movements feature soloists, and the keystone fourth movement is the familiar and beautiful, "How lovely is thy dwelling place." There is also a three-note motive that unites the work.

The Moraine Chorus is a "Communiversities" chorus based at UW-Washington County. The ensemble consists of students, former students, and community members, all united by a love of singing. Concert tickets are required and available through the Symphonic website, www.kmsymphony.org or at the door.

Both the Moraine Symphonic Band and the Moraine Chorus meet at UW-WC weekly to practice.

UW-WC students as well as community members are welcome to join. For information about membership in any of the musical organizations, email: wsh-ce@uwc.edu or phone 262-335-5259.

The Wisconsin Delegation for the National 4-H Conference, along with the students' advisor, gather on Paul Ryan's balcony.

Local Student Attends National 4-H Conference

By Max Stowers

National 4-H Conference is a gathering of 4-H youth in Chevy Chase, Md., near Washington D.C., at the National 4-H Conference Center. 4-Hers come from almost all of the states, as well as Puerto Rico and Canada. Everyone has a round table topic and must research and present to a government organization. All of the delegations also get an opportunity to meet with their senators and representatives. The Conference also includes many evening activities and a night tour around D.C.'s monuments and memorials.

It is an amazing experience for 4-H youth from grade 10 through grade 12. If you are in 4-H and would like to go to National 4-H Conference, you need to be at least a sophomore in high school, and no older than a senior. In Washington County, you must complete a resume and a cover letter and ask adults for recommendation letters. There

is an interview with three adults from Washington County. If you are chosen from the county, then there is a state application to submit. After that, you will be notified if you are chosen.

Prior to leaving, the youth on the trip were sent a packet to fill out about what roundtable topic they wanted. Others in the state delegation chose Mental Health and Choosing Peace; I chose Bioenergy. One of our jobs at conference was to work with youth from all over the country. In my roundtable, our job was to research and compare different bioenergies to fossil fuels. We created an infographic, a Power Point, a video, and a hashtag to present to the Department of Energy. The delegation also had an opportunity to meet some of our representatives and senators to discuss their continuing support of 4-H. Along with working, we also had time to get to know each other. There was a talent show, various speakers, an African dance group, and

a night tour of the monuments and memorials.

This conference gave me the opportunity to meet many new people and to learn about their lives. I also learned that even though we have different backgrounds, we all share the same core principles through 4-H. I left the conference with many new friends, and the feeling that even though I am a youth, that I have a voice, and that I can make a difference. I appreciate the Washington County 4-H Leaders Board Association as well as Wisconsin 4-H for helping me get to National 4-H Conference. I also would like to recognize Brianna Stapleton-Welch, 4-H youth development educator, for helping me prepare for my trip. #4HGrowsHere #BioenergyGrowsHere

Kewaskum High School Increases Credit Requirement For Class Of 2018

By Anne Trautner

Students in the class of 2018 will be required to complete 25 credits in order to graduate rather than the current requirement of 24 credits.

The change from a semester schedule to a trimester schedule prompted the change in the graduation requirement, Principal Scott Stier said.

The semester schedule concluded with the 2014-2015 school year and permitted students to take a maximum of 28 credits.

The trimester schedule, which was initiated with

2015-2016 school year, allows students to take a maximum of 7.5 credits annually. That change enabled students to take a maximum of 30 credits over the course of four years.

"We want to maintain the opportunity for early graduation for those students who wanted to get on with their post-high school careers," Stier said.

Traditionally, students have been able to graduate early at the end of the first semester of their senior year.

The new requirement will enable students to graduate at the end of the

first trimester of their senior year if they take a full load the first three years of high school.

"When we went from a four block schedule to a seven-period day, there was a change in the credit load at that time, because of the maximum amount of credits that one can earn," Kewaskum School District Superintendent James Smasal said. "This is definitely something that is logical and needed to be done."

School Lunch Prices To Increase By 10 Cents Next Year

By Anne Trautner

The Kewaskum School Board on April 11 approved a 10 cent increase in school lunch fees for the 2016-17 school year and a 5 cent increase in the breakfast price.

The Kewaskum School District Nutrition Services Department currently charges these prices for their meals: elementary school, \$1.30; middle

school, \$1.50; and high school, \$1.55.

In contrast, the National School Lunch Program charges the following prices: elementary school, \$2.30; middle school, \$2.55; and high school, \$2.55, said Terri Miller, nutrition services director for Kewaskum Schools.

According to the Wisconsin Department of Public Instruction, the national weighted average that school districts should

be charging for a reimbursable lunch is \$2.78, compared to the reimbursement for Free and Reduced meals. Any school that is not at this price per meal, will need to adjust their prices by 10 cents each year until they reach the national weighted average, Miller said.

Next year, the Kewaskum School District will charge the following prices: elementary school, \$1.35; middle school,

\$1.55; and high school, \$1.55.

The National School Lunch Program prices for next year will be: elementary schools, \$2.40; middle school \$2.65; and high school, \$2.65.

A la carte pricing at Kewaskum Schools will be changing as well, and those prices will be posted by Aug. 1, Miller said.

Open Productions Sells Rummage-A-Rama! Event To Washington County Fair Park

Open Productions announced today the sale of Rummage-A-Rama! to the Washington County Fair Park and Conference Center. Open Productions has been on the lookout for a buyer of the event since early this year, and recently finalized the deal.

Rummage-A-Rama's Milwaukee roots go back to 1970 when Wally Rasner started the show at WI State Fair Park. Over the years, the monthly event grew tremendously and became a Milwaukee staple. The show then went dormant in 2001 when the building it occupied was torn down to make room for the WI Expo Center.

In 2009, Open Productions co-owner, Tim Gill, contacted Rasner in his retirement to discuss the possibility of purchasing the trade name to continue the tradition. Gill has been promoting the show four to five times per year since, and recently moved the event to the Milwaukee County Sports Complex in Franklin to allow for more room and free parking.

Gill and co-owner, Greg Edlund, are going to use the sale of this event to allow them to focus on other brands they promote, including the WI Antique & Vintage Show, the Greater Milwaukee Fishing Expo, and re: Craft

and Relic, an upcycling, repurposing, and vintage show, taking place this past weekend at the Sports Complex.

The Washington County Fair Park is not new to operating their own events. "We are excited to add Rummage-A-Rama! to our line up of signature events," says Marketing Director, Derek Kozlowski. "We deeply respect the longevity of the franchise and look forward to bringing these events to our location where we fully expect them to thrive and continue to grow into the future. We will work hard to make the transition as seamless as possible for everyone involved."

Future event dates have already been set for October 15-16, 2016, February 18-19, 2017, and June 17-18, 2017.

The Washington County Agricultural and Industrial Society is a 501C3 non-profit whose mission is to enrich life with educational, cultural, economic and social opportunities. This is accomplished through a variety of onsite, multi-cultural events, including the annual Washington County Fair, large 4-H involvement, and a convention center with over 50,000 square feet of exhibition space, hosting hundreds of events each year.

Habitat For Humanity Of Washington/Dodge Counties Invites Woodworkers To Kewaskum Sawmill

Habitat for Humanity, along with the City of West Bend and the Wisconsin DNR have been working together to turn the Emerald Ash Borer problem experienced in the state into a positive; usable lumber. Habitat for Humanity of Wisconsin and Habitat for Humanity of Washington and Dodge Counties were honored when they received a matching \$50,000 Urban Forestry grant from the Wisconsin Department of Natural Resources in January 2015. They were also awarded Wisconsin Urban Forestry Council's Project Partnership Award in recognition of their part-

nership in the reuse of urban ash trees as part of the city's Emerald Ash Borer Response Plan from the DNR.

On May 2 our next batch of sawn lumber will be ready to remove from the kiln. We invite all woodworkers, hobbyists, and anyone interested in learning more about the program to join us at our mill in Kewaskum to view the process and the quality wood products we are producing. Rescued Wood Product Demonstration will be May 2, 8:30 a.m. - 11:30 a.m., 4265 County Road H, Kewaskum.

In March of 2013, the Dodge County Pioneer along the Wisconsin Newspaper Association member papers began partnering with the Vietnam Veterans Memorial Fund (VVMF) in Washington D.C. in an effort to find a photo for every service member from Wisconsin that was listed on the WALL. 450 photos were missing at that time. In May of 2015, all of the photos were found. All 1161 of these photos, including several from this area, will be published in a special 36 page 2016 Memorial Day tab. This is the first of its kind published in the nation and will be used as a model for other states.

We are inviting local businesses and organizations to sponsor the printing of this historic one time published section.

USPS Hosts Small Business Week Event

May 1 - 7 is Small Business Week. This is a unique time when the United States Postal Service invites our business customers in and focuses intently on how to serve them better.

Businesses can take this opportunity to brush up on shipping standards and get recommendations for the best ways to make the most of their mailing and shipping. "This could be a good time to meet with other local businesses in the area that could lead to beneficial partnerships"; states Officer in Charge, Hope Lewitzke. "You may want to collaborate on the same EDDM mail piece to make your advertising dollar reach

farther by splitting the cost", adds Lewitzke. It is recommended that business owners bring a few business cards to pass to other small businesses and The Postal Service.

The Kewaskum Post Office will hold the Open Lobby Event on Thursday, May 5, from 10:30 a.m. - 12 p.m. "This will be the day that I will be in the lobby to answer all business questions regarding USPS products", says Lewitzke. "If you already know about USPS products, I invite you to come out anyway to network with other small businesses in the area. I look forward to the opportunity to get to know you."

Human Rights Campaign Recognizes St. Joseph's Hospital As National 2016 Leader In LGBT Healthcare Equality

Froedtert & the Medical College of Wisconsin St. Joseph's Hospital has been named a "2016 Leader in LGBT Healthcare Equality" by the Human Rights Campaign Foundation, the educational arm of the country's largest lesbian, gay, bisexual and transgender civil rights organization. Of just 10 health care facilities in Wisconsin to be recognized, three are Froedtert & MCW hospitals.

Wauwatosa-based Froedtert Hospital, Menomonee Falls-based Community Memorial Hospital and West Bend-based St. Joseph's Hospital earned top marks for meeting non-discrimination and training criteria measured by the HRC

Foundation's Equality Index, and for an assessment of 30 best practices in caring for LGBT patients and their families. The HRC Foundation's Healthcare Equality Index is a survey that recognizes health care organizations doing the best work in enabling and providing equal care for LGBT Americans. The Froedtert & MCW health network was the first health care system in southeastern Wisconsin to earn this national designation in 2014.

"Members of the LGBT community, like all individuals, deserve high quality, equitable and inclusive care delivered with dignity and respect," said Andres Gonzalez, vice president and chief diversity officer

for the Froedtert & MCW health network. "This recognition is an important reflection of our commitment to equality and inclusiveness for all, from patients and visitors to our 10,000-plus staff members."

The three Froedtert & MCW network hospitals are among a group of 496 health care facilities nationwide to be named 2016 Leaders in LGBT Healthcare Equality. The facilities meet key criteria, including patient and employee non-discrimination policies that specifically mention sexual orientation and gender identity, a guarantee of equal visitation for same-sex partners and parents, and LGBT health education for staff members.

"Despite all the progress we've made, far too many LGBT people still lack inclusive and affirming healthcare. Leaders in LGBT Healthcare Equality are helping to change that, and, in the process, making the lives of LGBT patients and their families better each and every day," said Chad Griffin, president of the Human Rights Campaign. "LGBT people have a right to be treated equally in all aspects of our lives, and HRC celebrates the Froedtert & MCW health network hospitals for their tireless work to create an inclusive and welcoming environment for all patients."

The Froedtert & MCW health network's Diversity and Inclusion Program

supports a commitment to value and celebrate the wealth of diversity reflected in patients, their families, staff and communities.

Froedtert & the Medical College of Wisconsin St. Joseph's Hospital, founded in 1930 by local doctors, community leaders and the Sisters of the Divine Savior, is a full-service hospital serving residents of West Bend and Washington County. St.

Joseph's Hospital, specializing in women's health and birthing services, cancer care, surgical procedures and rehabilitation services, is part of the Froedtert & the Medical College of Wisconsin health care network, which also includes Froedtert Hospital, Milwaukee; Community Memorial Hospital, Menomonee Falls; and more than 30 primary and specialty care health centers and clinics.

Daniel's Landscaping Wins State Gold Award

Daniel's Landscaping won a gold award from the Wisconsin Landscape Contractors Association's Excellence in Landscaping Awards on a landscaping project they did at the Liebetrau residence in Mequon. On Friday, March 4, at the Wisconsin Club in Milwaukee, the Campbellsport company received a gold award for the work.

Owner Dan Stukenberg explained his landscaping on this project:

"The long and narrow lot is located in a conventional subdivision surrounded by other houses in close proximity. Prior to landscaping, grade change between the upper and lower lawn made the backyard a challenge to maintain and posed a safety hazard.

"The clients contacted our company during the last phases of their house construction. We suggested a plan pulling together the finishing details for an

outside living area while accommodating the client's needs and collaborating with masons, electricians, carpenters, and water feature specialists.

"The yard originally sloped away quickly from the house. Spoils from excavation of the areas used for patios and walkways were reallocated to create more usable yard space. Drain tiling ensured removal of excess water near the house due to the native clay soil.

"Granite boulder retaining walls, limestone steps, and type of bricks chosen support the details on the house. Antique puritan pavers were used for the patios. Two separate patios were strategically placed to take advantage of sun/shade ratios offered in the yard. These patios are accessible from two of the main living areas — one from the kitchen, and the other from a three season room.

"Less than perfect patio

pavers were a perfect choice for edging the planting beds while providing a significant savings to the client. A few lamppost lights, which match those on the house, provide soft illumination over the patios and walks in the evenings.

"Anchor and foundation trees and shrubs were chosen for year round interest to enhance stone and brick hardscape. Client's had a great desire to bring in wildlife for viewing enjoyment and to use plantings to compliment the surrounding countryside. Service Berry, Black Chokeberry, and Flowering Crab Apples are all examples of fruiting plants used to attract wildlife.

"Through a collaborative effort with a specialist, a beautiful water feature was planned for in the beginning stages and installed during the second year of the project. Once the stream and pond were installed, we returned to complete the landscape around them using an assortment of spring, summer and fall flowering perennials and an interesting array of evergreens.

"The owners also did a wonderful job establishing a prairie on the property outskirts consisting of Little Blue Stem, Big Blue Stem and Switch Grasses. The finished product is a harmonious blend of landscape components, which complement the natural countryside."

Daniel's Landscaping is based in Campbellsport and has won many awards over the past couple years for owner Dan Stukenberg's landscape designs.

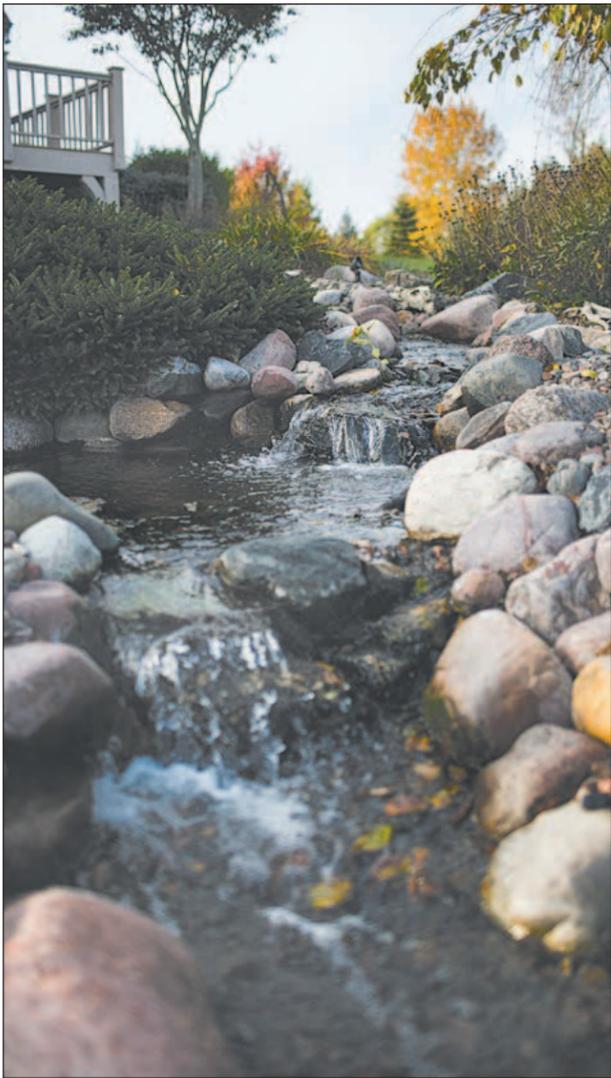

The patio at the Branch residence in Mequon gives the family a perfect place for an early morning cup of coffee.

Dear Mike

— Answers For Real Automotive Problems

Dear Mike,

I have a 2010 Chevrolet Aveo. When I am driving, the car kind of has a mind of its own. It doesn't matter what speed I am going, as long as it's steady. The engine doesn't want to accelerate when I hit the gas. It is flat, then will slowly start to pick up speed. I have changed the air filter and added fuel injector cleaner to the gas, but no luck. A buddy of mine changed the spark plugs also. But still the same. Also the check engine light is not on. What do think it could be?

Sincerely,
Unlucky Aveo

Dear Unlucky,

First off, it sounds like you have covered the basics. Good start. In automotive repair we always like to keep it simple first.

It sounds to me like you are having a fuel or air intake issue. If it was a specific fuel injector or spark plug it would give you a buck or jerk on acceleration. It would most likely cause one cylinder to not fire and cause the engine to shake.

As we look at the fuel side, if the fuel pressure was low, your vehicle may not start. Another symptom is maybe it runs fine at idle because it doesn't need as much fuel, but when accelerating it will only go so fast and then flatten out. So that may be your issue. From my experience, though, the Chevy Aveos don't tend to have fuel pump issues.

More likely the culprit is coming from the air intake side of things. You have replaced your air filter, so that's a start. The car's computer uses a sensor by the air filter to tell it how much air is

coming past the air filter and the temperature of the air. It can then figure out how much fuel to squirt from the injectors. If you have an air leak after the sensor or if the sensor is faulty the computer will not know how much fuel to give the engine. Also, if your sensor is faulty it will hopefully set your check engine light. In most cases the engine won't give the engine enough gas causing your current symptom.

So, Unlucky, I would take some time and check the hose going from your air filter to your engine and see if it has any cracks. Then go from there. If that isn't your problem, you may have to take it to a professional and have them diagnose your problem. Good Luck. If you would like to send us an update, that would be great.

Sen. Duey Stroebel will hold 10 town hall meetings in May. Additionally, the senator has released a spring survey for his constituents. The survey is available online at SenatorStroebel.com.

"When I was sworn-in a year ago, I made the commitment to consistently visit all parts of my district to hear directly from citi-

zens," said Stroebel. "The town halls are a time for me to recap the legislative session and for constituents to ask questions, voice concerns, or receive help on any challenges they face. Frequently, the best bill ideas come from constituents who voice them at forums like a town hall."

Continued From... Honor Flight Brings Back Memories For Kewaskum Resident

"Life Magazine says it is the biggest secret operation since D-Day. No one was supposed to know. We couldn't even tell our parents where we were going," Strack said. "And the big joke was when we got there, the Russians all knew about it already."

Scary Times

Although Strack saw no enemy fire, he did have a couple scares. One of the worst was when there were storms at sea.

"The storms were so bad that they closed all the compartments and the bow actually went under the wave and came back up again. It was really pretty scary," Strack said.

Tragedy did strike when Strack's boat was stationed in France.

Roecker was on guard duty when one of the men went missing from the boat.

"We think he fell asleep and fell in," Strack said.

Strack, who was supposed to go on guard duty next, devised a contraption from a piece of wood, hooks and rope. The soldiers then dragged the contraption across the bottom of the bay, and hooked the drowned man.

Because Roecker had been on guard at the time, he was taken in for questioning.

"They took his belt away and his shoestrings, and everything else, and he had to prove that he was innocent," Strack said.

Inventions

When he was not on a boat, Strack stayed in a squad tent, which held 12 men. Each soldier had to take a turn watching the stove at night to keep the tent warm.

When it was Strack's turn to watch the stove, he thought about a friend back home who had used drain oil and dripped it down his stove for heat.

"I'm going to try that," Strack decided.

He couldn't find any drain oil, but he did have some brand new oil, which seemed to work pretty well with the potbelly stove. The tent heated up nicely.

All of a sudden, the oil heat choked off the chimney, but the oil kept the fire going and the tent filled with smoke.

"We couldn't breathe any more, and everyone had to run out," Strack said. "I had quite a job cleaning up the mess after that."

Strack also put his mechanical skills to work while on the boat.

There were two grey diesel marine engines in the back of each boat.

Strack decided to build a cover over the engines, and before you know it, all the other boats had done the same, Strack said.

However, when Strack painted parts of the boat white, that didn't go over so well.

They had me change that because that isn't the

way you do things. It isn't camouflaged," said Strack, who returned the boat to its original black color.

Cigarettes

During their travels through Europe, Strack and Roecker bought 30 cartons of cigarettes and carried them in their suitcases.

"You are only supposed to have three, not 30. You could buy them pretty cheap. But we didn't smoke, so we saved them all and then we were going to sell them," Strack said.

They found a man in London who bought 10 of the cartons.

Then, Strack and Roecker went to Germany and tried selling cigarettes there. Unfortunately, the people they tried to sell to were with the German mafia.

"We understood that we should get out of there, so we snuck into a florist shop and got away through the back door," Strack said.

Then, the duo went to France and brought the cigarettes into a tavern. A man there took Strack into the basement and opened up a carton.

"So he wrecked the carton already, and then he opens up the package and says in French that he wanted to see what was in there," Strack said.

The Frenchman saw there was nothing but cigarettes.

"By that time, I was so darned scared that he offered just about what I paid for them, but I was just glad to get rid of them," Strack said.

The Frenchmen took the rest of the cigarettes.

Traveling The World

Strack has traveled since he was a young child.

"I didn't know we were poor because everybody else was poor also. But we took a vacation almost every year," Strack said.

Strack has also done a lot of traveling with his wife, Cordell. In all, Strack has been to 50 states and 27 countries.

The trips, as well as serving in the military, have provided Strack with many experiences.

"Besides being in the service, we were doing something all the time. That two years went so fast for us," Strack said.

Habitat For Humanity Of Washington/Dodge Counties And Lowe's Volunteers Help Families Build Strength And Stability In Celebration Of Habitat's National Women Build Week

Habitat for Humanity has invited more than 50 volunteers and Lowe's Heroes employee volunteers to join them beginning Saturday, April 30th to help local families build a decent and affordable place they can call home. The project is part of Habitat for Humanity's National Women Build Week, which takes place April 30-May 7. The project also supports "Home for the Holidays," a nationwide initiative launched by Lowe's and Habitat for Humanity to work alongside 1,000 families to help them build or repair their homes by December.

Habitat for Humanity's National Women Build Week is a weeklong event created by its Women Build program that invites women to devote at least one day to help families build strength, stability and independence through housing. The week is meant to spotlight the homeownership challenges faced by women. Lowe's donated \$2 million to Habitat's 2016 National Women Build Week and will provide the support of Lowe's Heroes employee volunteers. The home improvement chain will also conduct how-to clinics at stores to teach

volunteers construction skills.

Habitat for Humanity and Lowe's Heroes celebrating National Women Build Week, April 30 at 9 a.m. 610 Bender Road, West Bend.

The Women Build event will be held April 30, and May 3 - 7 from 9 a.m. - 3 p.m. No experience is necessary to participate. Sign up online at <http://hfhwashco.org> or contact the Volunteer Coordinator at volunteer@hfhwashco.org or (262) 483-4080.

For the last 17 years, Habitat for Humanity of Washington and Dodge Counties, a locally run affiliate of Habitat for Humanity International, has been working in partnership with the community to provide people in need with decent and affordable housing through their homeownership and home repair programs.

Driven by the vision that everyone needs a decent place to live, Habitat for Humanity has grown from a grassroots effort that began on a community farm in southern Georgia in 1976 to a global nonprofit housing organization in nearly 1,400 communities across the U.S.

and in over 70 countries. People partner with Habitat for Humanity to build or improve a place they can call home. Habitat homeowners help build their own homes alongside volunteers and pay an affordable mortgage.

Through financial support, volunteering, or adding a voice to support affordable housing, everyone can help families achieve the strength, stability and self-reliance they need to build better lives for themselves. Through shelter, we empower. To learn more, visit habitat.org.

Lowe's, a FORTUNE® 50 home improvement company, has a 50-year legacy of supporting the communities it serves through programs that focus on K-12 public education and community improvement projects. Since 2007, Lowe's and the Lowe's Charitable and Educational Foundation together have contributed more than \$225 million to these efforts, and for more than two decades Lowe's Heroes employee volunteers have donated their time to make our communities better places to live. **SCHOOL DISTRICT
OF KEWASKUM
REGULAR MEETING
KEWASKUM, WISCONSIN
53040-0037**

March 14, 2016 Minutes

The meeting was called to order at 6:03 p.m. by President Hanson.

Board members present: Craig Staffin, Sue Miller, Mary Miller, Jay Fisher, Jim Leister, Mark Sette, Troy Hanson
Following a moment of silence, Superintendent Smasal verified that the meeting had been posted pursuant to §19.84(1)(2)(3)(4).
Leister/M. Miller motion to approve the agenda. All aye.
The Pledge of Allegiance was recited by four of our FES 5th

grade students. Following the pledge, Suzanne Gruett/Tom Fisher provided a presentation highlighting the DPI Recognition Award presented to Farmington Elementary School earlier in the day. FES was one of only 11 out of approximately 400 schools in the state of Wisconsin to receive the award for both High Progress and High Achievement. Approximately 170 schools in the state were recognized for one of those categories. Tom wished to thank the staff of FES, entire administrative team, and Board for all their support.

Recognition: Congratulations to Jan Chapman, Director of Pupil Services, for receiving the Wisconsin Council of Administrators of Special Services (WCASS) Award for Region #6. This award was given in recognition of outstanding achievement and personal commitment to students with disabilities. A nomination for Jan was submitted by former students, parents, and colleagues from Cedarburg, Germantown, and Kewaskum School Districts. WIAA State Wrestling Tournament – Congratulations to Eric Bauer for shattering the KHS freshman wrestling record. He entered the State Tournament with only one loss and received only his second defeat in the Championship match to a senior repeat State champion.

KMS band students Hunter Roehrig, Mackenzie Wilcox, Andrew Beine, and Marty Heiser performed with the Wisconsin Youth Honors Band at Lakeland College on February 6th. They were nominated to play by Band Teacher Mrs. Holmes and had the opportunity to perform with some of the most talented middle school musicians in Wisconsin. Congratulations to these students!
Mrs. Gerhartz and Mrs. Dolezal prepared 5th grade students from KES and FES for the 18th annual Children's Choral Festival Concert at Silver Lake College in Manitowoc held on February 6th. They joined students from nine other schools around the state to perform a beautiful concert directed by Teresa Schroeffer, of Ashwaubenon High School.

The two KHS Mock Trial teams competed in Regionals on Saturday February 13th at the Brown County Courthouse in Green Bay. The regional consisted of 10 teams with the winner moving on to the State Semifinals. Both Kewaskum teams were very competitive and finished in the middle of the pack. All the hard work put in over the past three months really showed with the team earning EIGHT (8) perfect scores of 10! That is phenomenal and a first for the KHS mock trial team! Great job to all the team members!

KMS receives a \$500 grant from the Wisconsin Milk Marketing Board to support the FUTP60 program at KMS. The grant will be used to support the 2nd Chance Breakfast and the 100 mile club - finding ways to get kids moving! KES received a \$1000 grant from the Wisconsin Milk Marketing Board to support their Fuel up To Play 60 (FUTP60) program. The funds will be used to provide additional playground equipment for students.

The FES February coin war was a HUGE Success!! As a school, they raised over \$1700.00! Scholastic Books will double that, which means many new books for the FES library!!

Four Battle of the Books teams moved on to state competition. The KMS team took first place in the state competition. They scored 360 out of a possible 375 points. Team members included: Caleb Duren, Colin Duren, Courtney Duren, and Isaac Schmidt.

The KHS Ladies Bowling Team competed at state. They took 7th place in their finish and brought home a plaque as conference champs! The Ladies Bowling team members are: Mikayla Bigelow, Abbey Hardy, Melinda Janesch, Breanna Mielkie, Terrah Phillips, and Allison Thill. Allison Thill also qualified in the state singles competition.

Key Clubs Super Soup Social raised over \$1136 for Friends of Abused Families. Congratulations to the KHS Academic Bowl Team participated in the conference championships. In the written portion, our Social Studies team had the highest average score. Individually, Lydia Stern won a bronze medal in American Literature and Gabe Stern also did in American History. Taking silver medals were Jacob Loehr in American Government and Thomas Gill in World History, while Freshmen Kirk Johnson won the gold in Geography. In the written portion, the team of Gabe Stern, Thomas Gill, Jacob Loehr and Kirk Johnson took first place in Social Studies, while the team of Gabe Stern, Jack Paul, Kirk Johnson, and Taylor Cook took second in Current Events.

Upcoming Events:

- 3/15 Long Range Planning Committee Meeting – 6:00 p.m.
- 3/15 KMS Choir Concert 6:30 p.m. KHS Theater
- 3/15 i4LCS Parent Teacher Conferences 4:15 - 8:15 p.m.
- 3/16 KHS Blood Drive 9:00 a.m. - 2:00 p.m. KMS Gym
- 3/17 FES and KES Parent Teacher Conferences 4:15 - 8:15 p.m.
- 3/17 College and Career Fair at Washington County Fair Park
- 3/18 KES 5th Grade DARE Graduation
- 3/18 KHS FFA Assembly
- 3/18 i4LCS Beach Day

Comments/Concerns: Terri Miller/Food Service Director summarized the Driven to Better Health event that took place last Thursday. It was a great success with approximately 200 in attendance. Twenty two vendors provided activities, games, prizes, etc. Seven teams participated in the spinach cook-off with Kewaskum Boys and Girls club winning the event. Over \$2500.00 was raised during the event which will go towards the school gardens. Terri Miller wished to thank everyone involved for making the evening a huge success.

Teacher Presentations: Kelly Pokrzywa spoke on behalf of the counselors regarding the ACT and WorkKeys tests the junior class took in early March. Counselors helped prepare students for both tests by creating the optimum environment for testing utilizing small group settings which also included breakfast. This spring approximately 159 students will be taking 240 AP tests which is more than 50% increase over last year. She expressed thanks for allowing only the juniors to attend school the day of ACT testing. The upcoming College & Career Fair will be a great event for juniors to visit various colleges and businesses from around Washington County. As of today, 100% of students are registered for the 2016-17 school year.

Tim Rohlinger, who serves on the parish council, updated the Board on the Holy Trinity project. He expressed thanks to the district/community for supporting the Holy Trinity parish. Currently, \$2.8M has been raised for the project. Ground breaking will be happening soon.

M. Miller/Leister motion to approve the Consent Agenda:

- a. Approval of Minutes
- i. February 8, 2016 regular open session
- ii. February 8, 2016 closed session
- b. Instructional Resignations

c. Instructional Hires
d. Extra-Curricular Resignations

i. Gary Mays – KHS Football Coach
ii. Joshua Parrent – KHS Assistant Track & Field Coach
e. Extra-Curricular Hires

i. Tim Braun – Freshman Football Coach
Motion passed all aye.

M. Miller/Sette motion to approve the Neola Policy #1400.01 with one correction to change the word Facilities on page 3 to Facilitates. All aye
Guiding Principles – Craig Staffin spoke about the importance of having the Guiding Principles as the long range planning committee moves through the process of determining needs. A discussion ensued regarding potential cost ranges of the district's needs.

Fisher/Staffin motion to approve payroll in the amount of \$1,228,345.55 Motion passed 7-0

Fisher/S. Miller motion to approve accounts payable in the amount of \$484,219.44. Motion passed 7-0.

M. Miller/S. Miller motion to approve Youth Options classes to a maximum of \$12,526.00. Motion passed 7-0.

Student Learning report: Mr. Bazata summarized the professional development framework which is Systematic, Personalized, Collaborative, and Networked. KSD is dedicated to providing effective professional development that creates a collaborative learning culture, promotes teacher growth, and attracts and retains high-quality teachers.

Superintendent's Report:
• The next LRPC meeting is scheduled for April 19th; however, we may decide to move the meeting and will keep everyone posted. April 25th Board meeting will include swearing in of Board members.

• College and Career fair is the largest of its kind in the state of WI with over 1200 juniors from various schools in Washington County able to visit over 120 colleges and businesses. Our students will attend between 12:30 and 1:45 p.m. on March 17th.
• The Long Range Planning committee continues to assess the needs of our district. \$25M – 35M will be optimum costs range. We will be sending over 4500 surveys to community participants.

• Above and Beyond criteria rubric highlights ideas for teacher compensation.

• Student enrollment projections will remain flat for next year as opposed to declining. Open enrollment numbers are the only variable.
• Summer 2016 leadership/treat calendar has been updated and shared with the board.

Business Manager's Report: In Julie Thoreson's absence Jim Smasal shared the business report. Huge thank you to the KES PTO for \$15000 donation for smartboards. Open enrollment application deadline is April 29th. We plan to have a balanced budget by May.

Pupil Services Report: Jan Chapman shared the pupil services report highlighting Early Childhood Peer Role Model Program. This year there was a 1:2 ratio of peer role models to students. Ideally a 1:1 ratio is optimum. The evidence supports an increase in social skills/communication skills in students. We are seeking strong 3 year old peer role models who would like to apply for the program.
i4Learning Update: Joel Dzedzic shared an update on the i4Learning school. Enrollment numbers are looking favorable. He is currently working on a child care program before and after school. The school was nominated for and received a \$2500.00 Monsanto grant which will be

utilized in a collaborative effort to continue to move the school forward.

IT Device Update: Tiffany Wilson provided an update on devices. KES is at 1.6:1 ratio including computer labs. FES is at 1.3:1. The new charging stations pilot program saved the district approximately \$10,000.00. Teachers will learn the new technology at upcoming professional development days. Current ratio of student to technology is 4:1 at KMS and 2.5:1 at KHS. Next year's budget will focus on KMS and KHS. Tiffany is working with vendors to cut costs of new chromebooks. Devices at i4L were purchased out of the grant. Summer School Overview: Summer school takes place June 9th – July 1st. Registration opens April 20th.

Buildings & Grounds Report: Mr. Sette summarized the Buildings & Grounds meeting including the operations budget, work order reports, utilities budget, and safe school classes. A possible upcoming equipment purchase was discussed. Final numbers still to be determined.

M. Miller/S. Miller motion to adjourn to Closed Session as per §19.85(1)(c)(f) and 118.22 to discuss 2016-17 Staffing and Personnel Issues. All aye. Open session ended at 7:53 p.m.

The Board reconvened in open session at 8:20 p.m. President Hanson adjourned meeting at 8:21 p.m.

Village Election Inspectors Get Pay Increase

By Anne Trautner

Election workers in the Village of Kewaskum will see a \$2 hourly raise beginning with the next election.

The Kewaskum Village Board unanimously approved the pay raise at its April 18 meeting. Up to this point, election inspectors have been working for minimum wage in the village.

The pay hike will bring the compensation in line with other municipalities in the area, according to Village Clerk Stephanie Justmann.

Regardless of size, most other municipalities in the area pay election workers between \$9 and \$13 an hour, Justmann said.

Kewaskum village workers will now jump from \$7.25 to \$9.25 an hour.

"I feel that election workers should get a raise," Village President Kevin Scheunemann

said.

Board trustees approved the increase after village resident Ruth Moegenberg appeared at the April 18 village board meeting on behalf of all of the election workers.

"It was kind of stressful the other night. We were really, really busy with the last election. Now with the voter ID, it takes a little bit more checking and being cautious. There is a lot of responsibility involved. We want to do a good job. We don't want to make mistakes," said Moegenberg, who appeared at the meeting with a document signed by all of the village election workers.

The average election amounts to about 85 total hours of combined work for all village election workers, Justmann said. The pay increase will cost the village approximately \$170 more per election. There are four elections scheduled for this year.

11 First Places Help KHS Boys Top Track Field

By Judy Harlow

The Indian Invitational was a smashing success for the Kewaskum High boys track team.

The Indians had three double winners and won three of the four relays to pile up 164 points, 39 more than runner-up Ripon (125).

"We were thrilled. It was a great night," KHS coach Kris Evans said about the team's victory, which was bolstered by 11 first places.

KHS's double winners included Ben Watzig in the shot and discus, Jason Hanson, high jump, 800 and also the 4x400-meter relay and Derek Brock in the 110 high hurdles and the 300 intermediates. Brock even got a little extra practice in the high hurdle event as the final had to be re-run because one of the runners was inadvertently impeded when another hit a hurdle.

Hanson cleared six-feet, five-inches to win the high jump by seven inches. He also hit the finish line in the 800 in a time of 2:06.42 for a second win and anchored the relay to a time of 3:37.60.

"The 4x400 relay team put on a show," Evans said, reporting Hanson was 40 meters behind when he got the baton, and, "He made it up. He dove across the finish line. I think he literally won by .03 or .04 of a second. It really was something to see."

Others in the relay were Jake Hrica, Cade Peterson and John May.

Watzig was top man in both the weights, taking the discus with a toss of 148-feet, 4-inches and the shot with a personal-best 48-feet, 9.50-inches, which he got on his second toss when he exploded out of the spinning technique for the effort.

Watzig said afterward,

staying calm right before the throw is very important. "You throw your best when you are calm," he said, adding while he was happy to pick up two wins, at this point in the season, "It's all about improvement."

The six-foot, four-inch Brock skimmed over the 110 highs in 16.29, just ahead of Oostburg's Tadeo Maier, who ran a 16.46, despite being just five-feet, five-inches tall. In the 300 intermediates, Brock had a personal best 42.89 clocking to win by .29 of a second.

Another good individual win came in the 100 meter dash where junior Kyle Pamperin hit the tape in 11.83 just ahead of Random Lake's Jared Treppish (11.92). Pamperin, who started the year as a JV, appears now to be the Indians' top sprinter.

"I had a good start, but there were a lot of guys with good starts," Pamperin said. "I could see them on both sides of me. That's when I run the fastest."

Many times success in the relays is connected to the handoffs, but in Friday's 4x200, Hrica and leadoff man, Eric Doll, had a little glitch on the exchange, but a strong leg by May put the Indians in position to win, and Peterson sealed the deal for a combined time of 1:36.86, and certainly not in the warmest of conditions. Ripon was .34 of a second behind.

The 4x100 comprised of senior Chris Bocher, freshmen Cameron Dodge and Evan Devalk and Pamperin, turned in a 46.34 for a win.

Kewaskum also got its 11th win in the pole vault with Miguel Gonzales clearing 10-6.

The KHS girls team, hampered by a lack of depth and the fact senior Ellie Debelak is just com-

ing off a knee injury, finished fourth in the eight-team field with 95 points. North Fond du Lac and Ripon were 1-2 with 115 and 112, respectively.

One glowing bright spot for the Indians was the double win in the 1,600 and 3,200 by senior Emily Krier. It is hard enough to win one of these races, but Krier was way ahead the entire way in the 1,600, winning in 5:43.08, eight seconds ahead of the runner-up Alicia Hartman of Random Lake. KHS' Maela Olla was third in the race in 5:53.27.

Krier, who is competing in track and soccer this spring, won the 3,200 in 12:45.46, 21 seconds ahead of the girl in second place.

The Indians got a second from Sarah Kosterman in the pole vault (8-0) and Megan Ackatz in the high jump (4'08") and the 4x400 relay (Lepp, Courtney Butslaff, Olla and Debalek), 4:27.48 and thirds from Star Below-Kopf in the 800 (2:44.72), Lepp in the high jump (4'08"), the 4x200 relay (Krystina Lepp, Butslaff, Jill Braatz and Sarah Butschlick), 2:00.64.

Evans said Debelak "is back. She's excited about running again."

Indians Hold Onto Lead In EC Standings

By Judy Harlow

Plymouth emerged as the winner of the third mini-tour event held at the Washington County Golf Course on Thursday, April 21, but Kewaskum's second place keeps the Indians atop the standings of the East Central Conference.

Plymouth came in with an impressive 149 total, four shots ahead of the Indians' 153, then came Waupun at 155. Plymouth's Jake Willeford was the medalist on the WCGC's back nine with a one-under-par 35, followed by the Indian's Andrew Otto, who tied for second with Waupun's Owen Theune at 36.

Sam Schlosser was tied for fourth at 37, and the other Indian counters were Sean Murray, tied for 12th at 39, and Trent Griesemer, tied for 15th at 41. While his score did not count, freshman Jacob Schlosser had another good round, posting a 42.

"We were playing some great golf," coach Glenn Eichstedt said after watching several holes and after seeing the Indians' total. Then he said he heard about Plymouth's 149.

Still Kewaskum did not lose ground with the second place because Plymouth finished fifth at Berlin.

"Sam played real steady," Eichstedt said, reported he started with a bogey and then had eight pars in a row.

Otto was a different story. "He was two-under par at one point,"

Eichstedt said, reporting Otto's card included two birdies and an eagle, but unfortunately also double bogeys on the two par threes, on holes 14 and 16.

"We're in pretty good position right now," Eichstedt said, noting a pivotal match was coming up April 25 at Rock River Country Club at Waupun, a course the Indians have not done well at in the past.

Current EC standings: 1. KHS, 5 points; 2. Plymouth, 8; 3. Berlin, 9; 4. Waupun, 10.5; 5. Campbellsport, 17.5; 6. Winneconne, 18; 7. KM Lutheran, 19; 8. Ripon, 21.

***After missing the Washington County Invite and the tournament at Maple Bluff, the senior Murray was back in the lineup on Tuesday, April 19, for the Indians' trip to Mascoutin for the second EC min-tour event, and he helped them claim second place in the meet.

Host Berlin came out on top with a 177 total behind Sam Marks' 2-over-par 38. Then came Kewaskum with a 178, one stroke in front of Campbellsport and Waupun.

Murray, playing in the number four spot, shot a 44, second low for the Indians on the challenging 3,200-yard track. Otto led the Indians with a five-over 41, then came Murray and Sam Schlosser at 44 and 46, and both Griesemer and Jacob Schlosser turned in 47s in a match where every stroke was important.

"We looked like a tired team," Eichstedt said about the match, which was the Indians' sixth in like 10 days. While Kewaskum's scores were high, so were those of the others players, so, "It didn't hurt us," the coach said.

***On Monday, April 18, the Indians struggled in the WPGA (Wisconsin sectional of the Professional Golf Association) Invitational held at Maple Bluffs Country Club in Madison. Once again, some of the major D-1 schools were there, along with Madison Edgewood, which is a perennial D-2 state place winner.

KHS finished 13th out of 21 schools with a 343 total. Powerhouse Middleton won the team with with a 313, one stroke ahead of Edgewood (314) and two in front of Madison Memorial (315).

Middleton's Joey Levin shot a 2-under-par 69 to lead the field of 105 placers.

In his first experience playing Maple Bluff, freshman Jacob Schlosser continued his steady play, leading the Indians with a nine-over-par 38-42 — 80, good for a tie with four others for 16th place. Schlosser had one birdie on each side.

Sam Schlosser tied for 30th with an 42-41 — 83, while Andrew Otto struggled and had to settle for an 42-46 — 88, good for a tie for 54th, and Trent Griesemer shooting a 45-47 — 92, which put him in a tie for 75th.

Another Shutout For KHS Netters

By Judy Harlow

Rain wiped out a scheduled match against Manitowoc Roncali last week, but the sun shone for the Thursday, April 21, match against Chilton, and the Kewaskum High School tennis team made the most of it, winning 7-0.

This was Kewaskum's second win in a row, and Andrew Dahleberg, one of the team's co-coaches said it was "nice to get two wins under our belt to start the season."

Not only did senior Michael Prochnow get the two-set win at number one singles over Josh Jaha, he got the courage award for playing just three days after having all four of his wisdom teeth pulled.

While he is still looking for more consistency, Prochnow (2-1) had his serve working, placed several ground strokes

right on the edges of the court for points and managed to get several shots to nick the top of the net and reach the ground before Jaha could get to it in the 6-0, 6-1 decision.

The number one and two doubles teams stayed unbeaten. At one, Jared Chesk had several aces and many good, low ground strokes to carry the match for a 6-3, 6-3 win. His usual partner, Brent Goeden, was out with an injury. Freshman Matthew Krautkramer filled in for his first varsity action.

The senior-junior duo of Cole Rahlf and Zach Brogaard were dominant at number two, not giving up a single game. They are now 3-0.

The Indians had a match at Kewaunee on Tuesday, will host Two Rivers this afternoon (April 28) and will compete in the

Washington County Invitational on Saturday, April 30.

"The tournament is a little earlier this year so it will be interesting to see where teams are at," Dahlberg said.

Outhit 6-2, Indians Edge Campbellsport 2-1

By Judy Harlow

Making the most out of just two hits, the Kewaskum High girls fast-pitch team defeated arch rival Campbellsport 2-1 on April 21 in an East Central game played in Kiwanis Park.

The Indians took advantage of a couple Cougar miscues to push two runs across the plate in the bottom of the second and made those runs hold up in a pitchers dual between Kennedy Lehn and the Cougars' Zoe Albert.

Call KHS coach Jeff Gosse a genius for using both junior Bre Trepes and Lehn in the team's first five games because Trepes was injured in practice the day before facing Campbellsport, and the freshman Lehn was called on for her first start.

Trepes' dad, Ron, was hitting grounders to the infielders when he hit a ball that took a wicked hop and hit his daughter in the face, breaking her nose. It is not known how long Trepes will be out of action.

Lehn struck out 13, scattered six hits and was really tough on the Cougar hitters in the late innings. She faced just three batters in the fifth and three in the sixth with one strike-out, and after giving up a one-out single to Sam Jandre in the seventh, got Albert to fly out to left field and struck out Elly Schill to end the game.

When asked about Lehn's pitching repertoire, Gosse said, "She's got a bunch," including an outside fastball, a cutter, a rise ball, a drop curve and

a change-up.

And what was working best for her in her first varsity victory? "The cutter," she said quietly, indicating she wasn't all that nervous. "Not very much, no," Lehn said. "I felt pretty comfortable."

Concerning her thoughts each time she was ready to take the field, Lehn said, "Go in and be strong and know my fielders are behind me."

The KHS fielders were strong, committing just one error and coming up with a couple defensive gems. "Our defense played very good," Gosse said, noting center fielder Hailey Plachinski came up with a big play in the fourth after two Cougars had drawn walks. "She gunned down one of their runners at home. That was huge!" Gosse said.

Third baseman Skylar Donath also came up with a good play in the fifth when she dove for a ball and caught it in foul territory. "Skylar made a nice, diving play," Gosse said.

Kewaskum scored its runs when Brittany Williams reached on an error by the third baseman and Laura Weishan reached on an error by the center fielder, which allowed Williams to score. Senior Maddy Lehmann was up next and provided an RBI single, scoring Amanda Schaller, who came in as a pinch runner.

"Maddy Lehmann had a nice hit. She knocked home the winning run," Gosse said, praising Albert for keeping her big hitters off balance almost the whole game. "Zoe did a real nice job against us

today," he said, especially taking away the Indians' bunting attack. "We need to execute better ... We left too many people on base."

The lone CHS run was scored in the third when Alyssa Muench singled, went to second on a wild pitch and scored on Becca O'Brien's double.

Kewaskum 11, Plymouth 1

There was a time when the Indians feared playing the Panthers but the shoe may now be on the other foot as Kewaskum dominated this game pitching and hitting.

Trepes started and went four good innings, striking out five while giving up three hits and the lone run. Lehn finished up the final two innings, striking out six and giving up no hits.

Offensively, KHS had plenty of stars, starting with the freshman Maddie Geidel, who was 4x4 with a triple and two doubles and two RBIs. Williams had a double and three RBIs, while Trepes had a pair of doubles and Lehmann chipped in with a double.

The Indians had 15 hits off Eric Helmer and scored in every inning but the fourth.

Dennis Prunty Edges Steve Apel In Miller Lite 75 At Slinger

By Dan Margetta

As the laps wound down, Dennis Prunty out-dueled Steve Apel in heavy traffic to capture the victory in the season opening Miller Lite 75 on April 24 at the Slinger Super Speedway.

"We just got into lapped traffic and I was following Steve [Apel]," Prunty stated from victory lane, describing the winning pass with three laps to go. "He was slipping and sliding and I was slipping and sliding and when he went down there, I just stuck it on the outside and it worked for me."

Alex Prunty and Gary LaMonte led the field to the green flag and they swapped the lead in the opening laps before LaMonte eventually prevailed to take the top spot from the outside lane. Brad Mueller also used the outer groove to challenge Prunty for second place, taking the position after a few laps of side by side racing and Steve Apel followed suite with a similar

outside move to grab the third spot. Conrad Morgan's car slowed to the inside on lap ten to draw the first caution flag with LaMonte leading over Mueller, Apel, and Prunty. Despite losing several positions, Morgan was able to continue in the event as the field began to form for the restart.

LaMonte maintained the lead on the restart as Mueller challenged for the top spot on the outside as racing resumed while Jeff Holtz and Dennis Prunty joined the lead group alongside Apel and Alex Prunty. Mueller was able to work the outside long enough to take the lead on lap 17 while LaMonte and Holtz remained glued on his bumper with Apel and Dennis Prunty side by side behind them. Mueller was unable to protect both the high and low side and after a nudge from Holtz in turn three, he skated up the track allowing the inside running LaMonte, Holtz and Apel to charge by and into the first three spots.

By the time Mueller gathered up his car, Prunty also slipped by as the race remained under green. With LaMonte out front, Apel went to work on Holtz for second, first making a charge on the inside before moving to the outside lane to finally complete the pass. Dennis Prunty and Mueller also took to the outside to work their way around Holtz and into third and fourth respectively as Apel tried to track down LaMonte for the lead. Apel, Prunty, and Mueller were able to close on LaMonte as the leaders began to work lapped traffic as the heavy traffic took its toll further in the field as Conrad Morgan and Jamie Wallace exited the event after suffering damage as the result of contact with a lapped machine.

While still in traffic, Apel used the outside groove to pin LaMonte behind a lapped car, allowing the defending track champion to take the lead and bring Prunty and Mueller along with him as LaMonte fell to fourth. Still amidst lapped

cars, Prunty looked to the inside of Apel for the lead but could only pull alongside before being blocked by traffic with less than ten laps to go. With three laps to go, Prunty moved to the outside and was able to get a run alongside Apel off turn two in effect, pinning him behind the lapped machines and allowing Prunty to take the lead.

Apel could only charge to Prunty's rear bumper in the closing laps as Prunty scored the win while Apel had to settle for second. Brad Mueller finished a close third while Gary LaMonte and Jeff Holtz rounded out the top five finishers.

Kewaskum Youth Soccer Results From April 23rd

The U7 Fireballs put forth great effort but lost to Hartford 6-3. Aaron Schmidt scored two of the goals and came very close to a couple more. Working closely with Kaylee Flood, Elanor Schulz kicked her first goal ever. Delia McHenry was fast on her feet and Elsa Rettler demonstrated awesome dribbling. Lydia Geidel and Brady Flood played great defense and Cece Broughton dug into the nooks and crannies. Shaye Bartel had a great game, playing awesome on all positions.

The U8 Hurricanes beat the Hartford Minions 8-3. Liam Stoffel led all scorers with five goals. Bryce Wildt and Emerson Schmidt played key roles as well in the Hurricanes victory with two goals and one goal respectively. This gives the Hurricanes a 1-0-1 record for the year.

The U-8 Cyclones showed great improvement from last week by playing the Slinger Scorpions to a 4-4 draw. Even though they only had four players, meaning none of them got to substitute out, they played with incredible heart and passion. Elli Calliari got the scoring started with a wonderful corner kick and Parker Gruen showed he would not be denied on the offensive side of the field by scoring in both halves of the game.

U9 Flash won against Slinger Mavericks 5-2 this past Saturday. The entire team was playing great soccer. Eden Korth, Nick Paul, Emma Sielski, and Lauren Rettler were playing some great defense. Riley Kuehl scored in the second quarter, along with Casey Schmidt and Brooklyn Grisolono with two each for Flash. Great team work Flash!

The U9 Riptide played a strong second half but came up short in a 10-8 loss against the Hartford power shot. Mara Butschlick had a hat trick and Elias Stienbauer, Madison Legate and Tyler Kehres scored two goals each as well. Autumn Landers also had a break out game on defense stepping up and attacking the ball. Even though we couldn't pull out a win things are looking good for the season.

The U10 Aztecs played a strong defensive game almost throughout with great first half goalie play from Jacob Parado and Daniel Jungers. By being aggressive and following their shots they were able to take a 2-1 lead into the fourth quarter. In the end the attack of the Hartford team was too much and the Aztecs suffered their first loss of the season 6-2.

The U10 Spartans lost to Richfield in a 3-4 loss. The team made a comeback in the second half with 10 shots on goal. Unfortunately, they could-

n't slip enough through to clinch a win. Wyatt Tye scored two goals with assists from James Martin and Calla Kreuser scored one. Strong defense was played by Cassandra Gudex throughout the game ensuring no more goals were scored by Richfield.

The U12 Storm hustled in their game against the Richfield Princess Warriors and won 9-1. Mikaela Marquardt scored three goals. Autumn Rabe scored two. Hayley Butschlick, Avery Bell, Molly Freund, and Morgan Adams each scored one. Throughout the game, Delanie Vogt, Alison Kumrow, and Shelby Falk defended the goal very well and showed good passing skills to teammates. Hayley Butschlick showed excellent footwork. Avery Bell played an outstanding overall game.

The Kewaskum Knights took on Richfield Renegades and lost with a score of 1-4. Andrew Bolek and Gannon Kreuser did a great job in the goalie box. The offensive team did a great job, with Andrew Carlton scoring a goal. The defensive team of Tayllor Fischer, Trevor Geldnich, Skylar Schmitt and Emma Penfield was tough backing up the goalies. Despite many team injuries, the players are playing strong.

Lehn's 33 Strike-outs Help Indians Claim Title In Two Rivers

By Judy Harlow

Kewaskum High's infielders and outfielders must have felt like the Maytag repairman in the April 23 girls fast-pitch tournament hosted by Two Rivers. They didn't get much work, that's for sure.

The reason is simple. In their 14-2 win over the host Raiders and the 4-1 win over a formidable Southern Door team, Kennedy Lehn mowed down 33 batters. That's right, the freshman Lehn struck out 33 hitters, including 17 Two Rivers Raiders and 16 batters from Southern Door, meaning there were just nine outs total recorded in the field.

"We did a nice job Saturday," KHS coach Jeff Gosse said about winning the four-team competition, adding Lehn "had one heck of a day pitching." He went on, "I think some of them (fielders) were playing Chinese Checkers out there."

Kewaskum opened against the host Two Rivers team, and Gosse wasn't all that excited how the team was hitting in the early going. "Offensively we struggled for five innings," he said. "We lost

our focus at the plate. In the process, we lost our plate composure" and started swinging at bad pitches.

Then the tide turned, and with a couple walks, some key hits and speed on the base paths, the Indians really started to roll, scoring two runs in the fifth to break a 1-1 tie. Kewaskum exploded for five more runs in the sixth and six in the seventh to win convincingly.

Gosse said Maddie Geidel would up with three hits, including a triple and three runs batted in (RBIs), while Kennedy Lehn helped her own cause with two hits and two RBIs, and reserve Leah Theusch chipped in with two hits, including a double. Laura Weishan also had a double.

Lehn had the 17 Ks, gave up one hit and issued one walk.

"A lot of young kids got to play," Gosse said. "That was nice to see."

In the championship game, Lehn hooked up in a pitchers' duel with the Eagles' starter (no name available). After three scoreless innings, KHS pushed a run across the plate in the third and added three more in the

sixth for its four runs.

"It was a fun game to coach," Gosse said, noting both pitchers did well, and the Indians had to battle to score runs. Geidel doubled in the fourth and scored when Brittany Williams hit a clutch single. In the sixth, Ashley Trapp had a single, Kenzie Lehn reached on an error, and then the Indians had three RBI singles, by Geidel, Williams, and Kennedy Lehn.

Southern Door got its lone run in the seventh.

Gosse said Lehn gave up just two hits and both were marginal, the first a pop up which no one called for and no one touched, and the second a line drive that went off the top of Trapp's glove. In this game, Lehn did not walk a single Eagle hitter.

With the two wins, KHS is 7-1 on the year. Currently Geidel and Breana Trepes, who is out with a broken nose, are the two leading hitters with .538 and .500 averages, respectively. Geidel and Williams are 1-2 in RBIs with 10 and eight.

The Indians host winless Ripon this afternoon, then travel to the Weyauwega-Fremont Tournament Saturday.

Kewaskum High School Trap Shooting Team Progresses Through Season

The Kewaskum High School Trap Shooting Team is midway through the season with five meets completed.

The team of 51 students is part of the Kettle Moraine Trap Shooting Conference's southern division, consisting of West Bend, Mayville, Horicon, Ozaukee, Campbellsport, Hartford, Daniel Boone (Richfield), Beaver Dam, and Kettle Moraine High School.

The varsity squads have a 2-3 record, and the JV squads have a 3-2 record.

"With 51 students on the team, we have a wide range of experience in our

kids, from veterans to first-time shooters. We are pleased to see everyone's making improvements in technique and scores as the season progresses," Coach Brian Taylor said.

Two juniors, Jack Felton and Justin Limberg, have contributed perfect scores of 50, helping the varsity team to win against Campbellsport and Horicon.

First-year shooters Bailey Schuetz and Isaac Rohlinger brought solid shooting to the team with each of their scores being used on varsity.

The team will finish off the season with three

meets and the Conference Shoot at the Wisconsin Trap Shooting Association (WTA) home grounds in Rome.

New Fane Sportsmen's Club

Friday night open shooting at the New Fane Sportsmen's Club, will start on Friday night, April 1st, at 7 p.m. There will not be any shooting on Friday, May 6th. The club will be closed.

KHS Kickers Slow Down Ledgers To End A Successful Week

By Judy Harlow

Even though they posted just one victory last week, one could easily say it was a successful three-game stretch for the Kewaskum High soccer team. The Indians tied St. Mary's Springs in a non-conference match held on April 22, tied Waupun 3-3 in a game played the day before and routed Ripon 7-0 on Tuesday, April 19.

The tie with St. Mary's could be termed a moral victory looking at the fact the Indians were beaten by the Ledgers 5-0 a year ago.

"They've really taken it to us the past several years," KHS coach Luke Piwoni said, so he was happy with the tie. He praised his players for their determination and the defense for its improved communication.

The game was scoreless in the first half, then the Ledgers broke the ice with a goal at 56:24 for a 1-0 lead.

The Indians' didn't give up, however, battling back to score its lone goal at 1:11.14. Senior ace Jeray Riffel scored the goal after taking a pass from Lizzy Bauer.

When asked about the specifics of the goal, Piwoni said, "Unfortunately, I was talking to a player when it occurred."

What he did know was Bauer had been "getting the ball from her defender," dribbling it a couple times and then finding Riffel open. "Lizzy and Jeray have been playing well together," he said.

Neither team scored the rest of the way, so the game ended in a draw.

In addition to Courtney

Aker's play in the nets, Piwoni said, "Over the last week, Hailey Herriges has really stepped up. She is the leader in the back," and a big help to all the inexperienced players.

"One newcomer who has stepped up her game is Mikayla Dogs. She was awesome against Waupun and Springs," Piwoni said.

KHS, currently 1-1-3, is at Kettle Moraine Lutheran this afternoon (April 28) for an East Central contest.

EC standings: 1. Plymouth, 4-0; 2. Winneconne, 3-0; 3. KML, 3-1; 4. Campbellsport, 2-1; 5. Kewaskum, 1-1-1; 6. Waupun, 1-2; 7. Ripon, 0-4; 8. Berlin, 0-5.

Kewaskum 3, Waupun 3

In an East Central game played on Thursday, April 21, the Indians and host Waupun played to a 3-3 stalemate.

Kewaskum tallied all three of its goals in the first period, with Riffel scoring just 1:30 into the contest after taking a pass from Lizzy Bauer. Schulteis (Riffel, assist) got the second at 20:44, and Riffel and Bauer again teamed up for the third.

The Warriors came back with a goal at 32:17, making the score 3-2, and they scored the lone goal in the second half, with Kenna Kast finding the net after taking a pass from Olivia Devries.

There are no tie-breakers in regular season games as the girls soccer games now consist of two, 45-minute periods.

Kewaskum 7, Ripon 0

The Indians' first win of the year, which came on the road at Ripon on April 19, was a dandy. It could easily be called the Riffel

and Schulteis show because this duo scored all the goals and assists in the 7-0 shellacking over Ripon.

Piwoni said when Two Rivers was in the league, his team scored more than seven goals in a game, but this was the most goals scored by his team in the past couple of years.

KHS started scoring at the 12:23 mark and just kept on the offensive, ringing the bell five times in the first half and adding two more goals in the second.

Riffel wound up scoring the first four and added a fifth 2:30 into the second half for a "hat trick" plus two. The first goal was unassisted, then Schulteis assisted on the next three and got her first goal at 23:51, with an assist from Riffel.

Schulties tallied the Indians last goal at 58:50, and again it was Riffel feeding her a perfect pass.

KHS got off a total of 23 shots in this game, while Ripon had five.
