## Brent Schultz Memorial Event To Raise Funds For High School Greenhouse

– Event Scheduled For Saturday, May 7, At New Fane Sportsman's Club

By Anne Trautner

food pantry," said Kevin (KT) Thull.

Brent Schultz was an officer for the Kewaskum High School FFA who wanted the high school to have a greenhouse.

The high school currently has no greenhouse, which could be used for agricultural and horticultural education.

Brent, along with Travis Trapp, both lost their lives in a car crash on June 18, 2014. They were both 16.

"A lot of kids don't know where food comes from. They think you go to the Pig and that's where you get it," Thull said.

Although the two boys are gone, their memories live on in the Kewaskum community. And Brent's dream of having a greenhouse may still come true.

The idea of raising funds for a high school greenhouse started in February 2015.

The Brent Schultz Memorial event will be held on Saturday, May 7, from 8 a.m. to 11 p.m., at the New Fane Sportsman's Club, located at N829 County Road G in Campbellsport, to raise funds for a future greenhouse at Kewaskum High School.

Since then, the Brent Schultz Memorial event was held for the first time last year, and there have been benefits, a tractor raffle, cash raffle and an online auction to raise funds. Modern Woodmen donated matching funds for the effort.

The event will feature trap shooting, raffles, a dunk tank, a bouncy house, food, beverages and live entertainment to raise funds for a school greenhouse.

Kevin (KT) and Lynn Thull donated \$2,000 in memory of Elmer Schmidt and Marylin Thull to the Kewaskum High School FFA Alumni Association, which is spearheading the greenhouse fundraising efforts.

The hope is that the event will raise funds for the greenhouse, as well as remember Brent, son of Kevin (KT) and Lynn Thull and Rod Schultz.

That donation brings the amount raised so far to about \$85,000. The total goal is \$125,000, KT Thull said.

"There are so many ways you can use a greenhouse. They can have flower sales and vegetable sales, or use it for a lunch program or the

Saturday's event includes trap shooting games from 8 a.m. until 6 p.m.

## Small Scale Models Become Big Hobby

By Anne Trautner

Rechlicz is still building models.

### Building Models

Rechlicz can no longer get a model kit for less than a dollar like he could when he was a child.

He always purchases kits on sale, but by the time he buys the extra add-ons for a kit, he will spend a couple hundred dollars on each model, he said.

Mike Rechlicz remembers going to a dime store on the south side of Milwaukee and buying a plastic model kit for a quarter or 50 cents whenever he could.

Rechlicz still enjoys the hobby, although the models have changed over the years.

"If you start doing the after-market parts or additions, it can get quite difficult," said Rechlicz, who lives in Kewaskum.

It takes Rechlicz about six months to build a model, but it is not solid work.

"I would take it home, build it, and get glue and paint all over it, you know. But it was a lot of fun," Rechlicz said.

"It's a night and day difference. The advances in the molding technologies and anything associated with it, you never would have dreamed this back in the 60s, never," said Rechlicz, who admits that he is like a little kid in a candy store whenever he walks into a hobby shop.

Rechlicz has built model boats, cars, figures, tanks, airplanes, dioramas and science-fiction contraptions. His passion, though,

is stock cars from the 1960s and early 1970s. Building a plastic model can be fairly easy if it is built directly from the box, Rechlicz said.

## Kewaskum School Facilities Survey To Go Out Next Week

By Anne Trautner

ing and grounds needs.

In the state of Wisconsin, school districts are required to go to referendum if they want to borrow \$1 million or more.

low interest rates so the tax burden stays kind of flat," said Jim Leister, a school board member who also serves on the Long Range Planning Committee.

Everyone living in the Kewaskum School District should be getting a survey in their mail sometime next week.

"Now it is our responsibility and duty to go to the community and ask what would you like us to do about it," said James Smasal, Kewaskum School District superintendent.

Sometime between April 2017 and April 2019, the Kewaskum School District expects to finish paying off a \$19 million loan it took out in 1999 for Kewaskum Elementary School.

"Right now there is low debt, low interest, and an old debt retiring. If you weren't going to do it now, when are you going to do this?"

The survey summarizes what a Long Range Planning Committee found to be the school district's most compelling facility needs. The Kewaskum School Board formed the committee last summer to identify the district's build-

The Long Range Planning Committee will use survey results to decide whether it will recommend to the school board to go to referendum in the fall.

"It becomes a point of doing the best for your district, especially if you have a chance to capitalize on

## XYZ Card Results

The winners of cards played at the Municipal Building Annex on Wednesday, April 27, were:

Sheepshead: Bernice Yogerst, Ralph Chapman, Leon Schmidt, Eileen Petri, Gary Straub, Athleen Butzke and Francis Volm.

New members are always welcome. Cards are played from 8:30 a.m. -11:15 a.m. every Wednesday.

## Tuesday Night Sheepshead Winners

Five-handed winners on Tuesday, April 26, were:

Robert Aufdermauer, 65-3-62, 17-2-15; Marlene Kirchner, 62-6-56, 21-3-18; Delrose Mielke, 56-3-53, 22-2-20; Raymond Sippel, 57-5-52, 21-2-19; Eugene Wiedmeyer, 49-0-49, 22-0-22; John Fleischman, 56-9-47, 20-5-15; Dave Dayton, 48-5-43, 21-4-17; Raymond Zimmerman 23 most losses and Robert Freitag 6 low points.

The next five-handed call-an-ace will be Tuesday, May 10, at 7:30 p.m. sharp. New players are always welcome at the Kewaskum Labor Center.

## DAYS GONE BY

### 5 Years Ago May 5, 2011

KHS State Solo and Ensemble Winners, Katie Tillmann and Nicole Springer received first place and Brooke Alexander received an Exemplary Solo Award. Clayton Stautz was one of the 225 World War II Veterans on the Stars and Stripes Honor Flight to Washington D.C.

EMT shortage not yet a liability for the village, Fire Chief Mark Groeschel stated, but it could become one.

A son, Wolfgang William, was born to Stacey and Shane Stoffel, of Campbellsport, on April 14.

A daughter, Raemona Jo, was born to Rebekah and William Dayton, of Adell, April 17.

A daughter, Elsie Charlene, was born to, Brooke Lindsley, of Campbellsport, on April 20.

Eleanore E. Fischer, 87, of Farmington, died May 2.

Lucile M. Wagner, 84, of Campbellsport, died April 23.

Luke W. Koch, 58, of West Bend, died April 27.

Steven B. Edgar, 51, died February 3.

### 15 Years Ago May 3, 2001

Kewaskum High School will hold their junior prom on Saturday evening in Rose Hall.

Two local teens were injured Friday evening as a result of one car roll accident.

Nicole Herrmann received second place and Colleen Gosa first place for their discus throws at Altheimer invite.

Kewaskum High School boys' and girls' track and field take second at Washington County Outdoor.

Charlie Sparks smashes KHS discus record with a throw of 172'8" at the Altheimer Invite.

Alphonse "Al" Theisen, 87, of St. Michaels, died April 28.

Frederick J. Miller, 81, formerly of Kewaskum, died April 29.

Floyd W. Martin, 78, of West Bend, died April 25.

Henry N. Krell, 75, of West Bend, died April 24.

John F. Becker, 60, of Town of Trenton, died April 30.

### 25 Years May 9, 1991

Village was advised that Kewaskum's wastewater treatment plant facility is adequate to meet present needs, now is the time to begin looking at upgrading the operation to meet future projected village growth.

Kewaskum Area Chamber of Commerce Treasurer Charleen Barutha, presented a \$300 check on behalf of the Chamber to Village Administrator Dan Schmidt. The check covered part of the cost of the "Welcome to Kewaskum" banner.

Farmington Super Collider team places 9th. Team included, Brenda VanDemark, Matt Paulson, Troy Staehler, Tami Meeker, Stacy Siebenaler, Erin Theusch and James Broughton.

Amanda Bunkelman, 3 1/2, daughter of Lowell and Lisa, of Campbellsport, was accepted as a state finalist in the Miss Wisconsin American Princess Pageant.

A daughter, was born to Jodi and Harold Beck, of Kewaskum, on April 27.

A daughter, was born to Carolyn and Anthony Martin, of Kewaskum, on May 2.

A daughter, was born to Eileen and Arthur Kreis, of Campbellsport, on April 29.

A daughter, was born to Mary and Richard Schoofs, on May 2.

A daughter, was born to Karen and Scott Sager, of Kewaskum, on April 27.

Alice S. Ebenreiter, 100, formerly of Plymouth, died May 5.

Eunice M. Cartus, 79, of West Bend, died April 30.

### 50 Years May 6, 1966

At the annual parish meeting of Holy Trinity congregation, held following May devotions on Sunday afternoon, members of the congregation voted to build a four-classroom, second story addition to the present school building. The estimated cost of the project is \$70,000 to \$100,000. The Present school is still comparatively new. It was built in 1948 or 1949, which makes it only about 17 years old, but the school is overcrowded and some classes are still being taught in the old school building which also houses sisters' home.

Marvin Martin and Eugene Bohn of Kewaskum attended the 7th annual insurance education and sales conference held at the University of Wisconsin, Madison, last Wednesday and Thursday. Part of the evening's program was a talk by Henry Jordan, star defensive tackle of the worlds professional champion Green Bay Packers.

The Kewaskum track team won its second straight meet with 60-58 Victory over a tough Lomira team. Winning in only five events, the squad won by taking a second in every event except the mile.

Births - a daughter, Jacqueline Mary, to Mr. and Mrs. Robert Guse, West Bend, Wednesday, April 27. A daughter to Mr. and Mrs. Gerald Guldan, West Bend,

Friday April 29. A daughter to Mr. and Mrs. Myron Backhaus, West Bend, Sunday, May 1. A daughter to Mr. and Mrs. John Vorpahl, West Bend, Sunday, May 1.

### 75 Years May 9, 1941

Fans, be at the baseball park Sunday, May 11, when the old call of play ball will be heard again at 2:15 p.m. It is the opening day of the 1941 season in Kettle Moraine league and Kewaskum plays its first game against Sheboygan Falls here. Village president A.P. Schaeffer will pitch the first ball and President "Bones" McLaughlin of the team will receive. Wm Endlich has been named team manager and he will direct the team Sunday.

Leo Kaas of the Town of Auburn was quite seriously injured last week Wednesday afternoon while loading logs on his farm. He suffered several broken ribs and other internal injuries.

Herman Bruhn, Mr. and Mrs. Wm Bruhn and Elsie spent the weekend at St. Louis, MO., where they visited the former's son, Private Werner Bruhn of the U.S. Army who is attending the mechanical engineering school at the David Ranken institution in St. Louis. On their way back they also called on Private Al Muckerheide at Scott Field, Ill.

A marriage license was issued by the Fond du Lac County clerk to Fred Klein, Jr., Rt. 1, Kewaskum and Floreda Hintz of Campbellsport. They will be married Saturday.

Harold Schlosser left for Portage, where he has obtained employment with the Bell Telephone Company.

Rita Rohlinger of this village won the first prize, \$39.50 Packard bicycle, in the big bike contest conducted by the L. Rosenheimer store which ended last Saturday. Prizes were awarded according to the largest number of votes and many children entered. Ralph Ketter, who led throughout most of the contest, won the second prize, a \$26.50 movie camera and projector. Other prize winners were: 3rd, \$17.50 four-tube personal radio, Robert Dreher; 4th, \$7.50 electric phonograph, Donald

Backhaus; a dandy fleet of boats, Henry Weddig, Jr.; swell leather fielder's glove, Robert Roehl; moving target game, Harold Seefeldt.

### 100 Years May 6, 1916

Last Tuesday just about noon Matthew Hurt, aged 32, a very prominent and industrious younger farmer of the Town of Ashford, met with a serious accident while operating a gasoline engine which was being used to run a feed cutter, when a handkerchief which he had fastened about his neck, suddenly became caught on the shaft of the engine. Before the engine could be stopped Mr. Hurts' clothes had been ripped off his body and he had been hurled against the wall of the barn and thrown about with terrific force by the engine. His skull was fractured and his entire body covered with bruises. He lies today unconscious at the home of his father Nicholas Hurt and is not expected to survive. Mr. Hurt is married and the father of two children.

Born to Mr. and Mrs. John Gatzke, Beechwood, a baby girl on Tuesday. Congratulations.

Mich. Johannes, Jr., this week received his new Studebaker touring car, which he recently purchased from Geo. Kippenhan.

Emil Gessner and Paul Feuerhammer of New Fane were Saturday callers at New Prospect. Emil is doing a big harness and shoe business there.

A number of the Campbellsport boys motored to Beechwood Saturday and did not forget to call at J.F. Walsh's as usual. The bunch consisted of Ray Wenzel, the hustling oil man, Frank Bauer, the hustling hotel man and Paul Koening, the spattering cement man.

Triangle Program, Sunday, May 7, seven reels. Fatty and Mabel in "He Did and He Didn't" and Orin Johnson in "Price of Power." Adults, 15c, children 5c. Show starts promptly at 8 p.m.

# Clean Sweep Program To Be Held May 7th

The 2016 Full Service Clean Sweep will be held on May 7, 8 a.m. - 12 p.m. at the Slinger Highway Shop. Items such as tires, hazardous waste, prescription medicines and electronic goods will be collected. Some charges and preregistration will be required. For more information go to [www.co.washington.wi.us/cleansweep](http://www.co.washington.wi.us/cleansweep) or call 262-335-4800 or 262-335-4808.

## OBITUARIES

### Evelyn H. Williams

Evelyn H. Williams (nee Badtke) of Wayne, age 92, passed away peacefully on Saturday, April 30, 2016, surrounded by her family.

She was born on June 14, 1923, in Oconomowoc, WI to Arthur and Carolyn (nee Frank) Badtke.

She married Charles Williams on August 15, 1943 in Oconomowoc.

They farmed their entire lives and settled in the town of Wayne for over 60 years. Evelyn enjoyed sewing and quilting for her family and donated hundreds of quilts all over. She was a devoted member to Zion Evangelical Lutheran Church and strong in her faith.

Evelyn is survived by her children Richard, David, Cheryl Ramthun, Charles, Debra, Larry (Rosie), Karen, Beverly (Andy) Junk; 15 grandchildren Ben and Caitlyn Williams, Jesse Williams, Eric Ramthun, Tracy Fix-Buckley, Christopher Prinz, Mike and Matt Hefter, Shelly Lang, Sarah Persha, Rachel Falle, Garriet Winter, Kim Schnabel, Lisa Garcia and

Jamie Rabuck; 21 great-grandchildren; 3 sisters Phyllis Scheffel, Darlene Gates, Edith Peters and sisters-in-law Joyce Nemath, Elaine Jaeger, Tomoko Badtke. She is further survived by nieces, nephews, other relatives and friends.

Evelyn is preceded in death by her husband Charles, great-grandson Sean Schenck, brother Cyril Badtke, brothers-in-law Bill Jaeger, Alex Nemath, Orin Williams, George Peters, Raymond Williams and Don Scheffel.

A Funeral Service was at 12 p.m. on Thursday, May 5, at Zion Evangelical Lutheran Church (6430 Hwy D, Allenton, WI 53002) with Pastor Steven Bode as presider.

Visitation was at the church from 10 a.m. until the time of the service. Interment followed at 2:45 p.m. at Washington County Memorial Park.

A special thank you to Pastor Steven Bode for the many visits, the staff of Cedar Bay West and Cedar Bay Hospice for all the loving care provided.

The Phillip Funeral Home of West Bend is assisting the family (262) 338-2050 / [www.phillipfuneralhome.com](http://www.phillipfuneralhome.com).

# Of Milk And Men: Ashford's Farmers

By Karl McCarty

This second part of a series on local cheese factories is dedicated to the farmers who supplied John Babler's cheese factory in Ashford. Multiple people were interviewed to provide insight on a business that was so dependent on the milk quality and kindness of neighboring farms.

## Quality Not Guaranteed

What were the difficulties in running a cheese factory? John Babler's son Jack will tell you, "It's the milk. The milk. The milk."

Although the cheese business relied on dairy farmers, it did not mean that each other fully understood their dependent profession. In the 1930s, not all farmers made great milk. And even if they had decent milk, it did not mean they understood how it was converted into good cheese.

There were ways to strain the milk before it went into the vats in the cheese factory. The cloth-like material was bought by the box, and it caught impurities. What the strainer caught in the

1930s leaves one to imagination in 2016. "Oohh man," said Jack as he recalled used filters in his father's cheese factory filled with residue from manure to bloody milk.

Then there was still the additional problem in winter if the milk got too cold. Back during the Great Depression, it was recommended to keep the milk only a day before getting it to the cheese factory. However, a daily visit to Ashford wasn't always possible come January. Sometimes during the winter, a farmer could hold milk for two days and get away with it; but "the cans would come in and the milk would be frozen," said Jack, who remembers a disappointed father looking at the chunks.

Still, the major quality control seemed to revolve around milk that was aging, curdling, or holding the contents of mastitis. Mastitis was the most concerning, as one might think a farmer might know better. But more than once that chunky milk was shipped to the factory.

And there lies the difficult problem for the small time cheese maker. Do you reject the milk of the

farmer? And if you do reject the milk, will it risk offending him so much that he will switch cheese factories?

It was a struggle in the cheese business. Sometimes a farmer would justify his less than adequate milk. For example, there were some who thought cheese could be made from souring milk (before it got to the factory) or milk that was dirty. Jack recalls the frustration of his father, for "It's not the same thing... You don't want to smell the barn odor when you're eating cheese!?! Hardly."

No doubt John Babler wanted to reject the milk many times, but Jack recalls dad still took the milk from the farmer, then just flushed it down the drain later. The present loss of milk that day was more acceptable than a permanent loss of a milk supplier.

Jack remembers the factory having a final strainer on the back of the tank running into the vats, "and my dad had a bag hanging on there. 'Awhhhhh. Awhhhhh, who is that again?' he said re- quoting his dad's disappointment. Then dad would sigh at the necessary disposal, 'Well, dump it.'"

This was a factor on John's own health concerns, as he probably paid the farmer despite not using all of their milk. The sacrifice was difficult because he tried hard to educate local farmers.

As Jack remembers, "You know, that gives you ulcers." No really, it gave dad ulcers and parts of his stomach were removed. This is the price of running a business, trying to keep customers, and biting your tongue when some suppliers bring in a ridiculous product. One is left to wonder how many times a local cheese factory owner would smile and nod to the milk brought in, just take the milk, and grin with politeness despite poor quality.

## Loyalty In Supply

It is in this context of quality that the loyalty by local farmers to Babler's Ashford cheese factory is so appreciated 70 years later. Sometimes farmers in the town of Ashford went back and forth from cheese factories in St. Kilian, Ashford and Golden Corners — among others. This potential for a switch was a routine threat again and again. There was a constant worry in the back of the mind of cheese factory owners on how they were going to maintain their supply.

This article is dedicated to the local families who made Ashford's factory stay afloat. There were many great suppliers of milk at Babler's cheese factory, whether it came in the form of Herman Weiland's volume, the Howard Farm's Guernsey's, the Beisbier's natural refrigeration, Jake Stoffel's friendship or Joe

This early 1900s postcard was found at the West Bend Antique Show this January at the fairgrounds. Unfortunately there is no location given of the building, but it serves as a great example of what a spring house looked like and how it easily could house a dozen milk cans.

photo courtesy of Karl McCarty

The old Beisbier spring house has a lot of memories: big fish, cold milk, washed milkers, St. Nick and city slickers who enjoyed the freshwater. The spring house is likely in this picture — shaded and barely visible by the willow tree in this circa 1960s photo. The building was around 12 feet by 12 feet, and it had a shelf on one of the walls. Kenny Beisbier can't remember why the shelf was there, but he knows it was a convenient place when St. Nick came and chased him as a kid. Kenny also remembers that around 1960, there were still big northern in that stream which is a Rock River tributary.

Kenny's older sister Louise played a much larger role in the farming purpose of the spring house. She said, "we had milkers as long as I could remember," which is roughly the mid-1930s. The milkers had to be brought down from the barn. In addition, a cart pulled the milk cans down the path from the barn to the spring house. The spring house had electricity, and she used an electric heater she could put in a washing bin to let the water heat. And she remembers to this day those two units of De Laval: "I used to wash them cripples so I know."

"I do not ever remember not having electricity," said Louise, "And I remember a lot when I was young. I bet four/five years on — I remember... we always had electricity."

Once in the spring house, one could work their way down to the spring water with a combination of steps and a platform. Then when you reached the water it was a foot to a couple of feet deep, and 10 milk cans could fit in there easily. There was always a stream in there, and there was a hole at the other end where water always went out.

The water was not just great for the Beisbiers. The springs were known by people of Milwaukee (they were not relatives), who randomly came to get water often right from the road. And it didn't annoy Marcella and Gregor. Louise recalls, "Dad was good to everybody." And Mom was so generous, Kenny said, she would "usually send donuts along... I wonder how many dozens... I wonder how many millions of dozens of donuts ma used to make." Besides cold, pure water came huge frogs. Louise recalled her brother Corny, "used to catch all these frogs and kill them, then we had to eat 'em." And they tasted good.

## Herman Weiland

Jack said, "The top was old Herman Weiland." He farmed where the Gary and Michelle Weiland farm is today, just northeast of the Katzenburg.

Herman had a lot of sons to help (Norbert, Leander, Leonard and Eddie) and a dedicated wife Elsie. Herman was one of the best customers and biggest farmers around "by far," Jack said. "He had a Chevy pickup truck... it was open pick-

ups in those days." This was before World War II, when farmers hauled their own milk to the cheese factories. He distinctly remembers Herman's truck, for "the Chevy trucks were mostly the same — but this was a long box. That was one of the first long boxes because they had a massive amount of milk... Well, they were the biggest farmer."

While some farmers were inconsistent on quality and dependability to Babler's, Herman Weiland's farm was the

biggest supplier in both volume and loyalty. Jack said his father "idolized a guy" like Herman Weiland because Weiland was "crafty and on the ball." Accordingly, Herman had at least "two thirds more [milk] than what other people had, I'm sure. That Chevy pickup up alone — [with the] box, was loaded, just full of cans."

# Of Milk And Men: Ashford's Farmers

Of course it's hard to tell how many cows one farmer could milk by hand in a milking. Neal Straub (1924-2015) told me that in the 1930s his mom and dad had about 15 cows, and that mom, dad and he could milk five apiece. In this context, with Herman and Elsie Weiland and sons, it wouldn't be a surprise that their boys could milk that much.

"They did things right. You had to. Otherwise you wouldn't have a big farm," Jack said.

## The Howard Farm

The quality of the milk also depended on the breed of cows one owned. Rather than Holsteins, the Bill Howard farm (today near Highway 67 and Rolling Drive) had a mixed herd. When it came to cheese quality, some of the Guernseys did a lot better than Holsteins.

"They don't give as much milk, but the milk is richer," Jack said.

With Guernsey's one might run the risk of less production, but it brings milk with more butterfat. So what Howard lacked in quantity he made up for in quality.

Besides having a quality herd of Guernseys, the Howard Farm also had a spring. Jack recalls as a child, when the Howard milk came in, "You couldn't tell the morning milk from the night milk" at the cheese factory because the refrigeration of their stored milk. Howard's milk was evenly cool, and unlike other farmers' milk, "you could use it all."

This was the benefit of the Howard's natural spring which cooled their milk cans. The milk was so uniform, said Jack, as that freshwater "makes a world of difference." In contrast, a farmer with no springs (or an environment to keep milk cool) ran the risk of curdling milk before the milk even got to the cheese factory.

Marcella Stoffel Beisbier (1912-2001) with husband Gregor Beisbier (1909-1975) at their farmhouse kitchen, probably in the 1950s. "Look at, mom even had kuchen in the pan," recalled Louise (Beisbier) Bonlander who was one of the oldest of the couple's children. Marcella made kuchen often, along with the butterhorns, a kuchen/coffee cake dough that was richer.

Louise recalls that Marcella went outside and in the barn "when we were younger," then soon was occupied in the house as a dozen or so kids came during the Great Depression and into the 1950s. Looking back at the 1930s, "They were one of the first farmers around to have milking machines."

photo courtesy of Louise Bonlander

## Joe and Gregor Beisbier

Another farm with great springs was the Beisbier farm. Taking the farm over from father Joe, Gregor Beisbier had a perfect spring for milk. Jack pointed out the Beisbier spring "was the best. It was cool, cool moving water." And it flowed against those milk cans.

It was north of the pond which is still on the property today. The Beisbier farm had such cold springs that John Babler did everything he could to make sure their milk was as pure as possible. For example, he gave Gregor free filters for cleanliness because Gregor's milk was at such a good temperature. The filters were put in a strainer in the can to clear the milk of foreign substances.

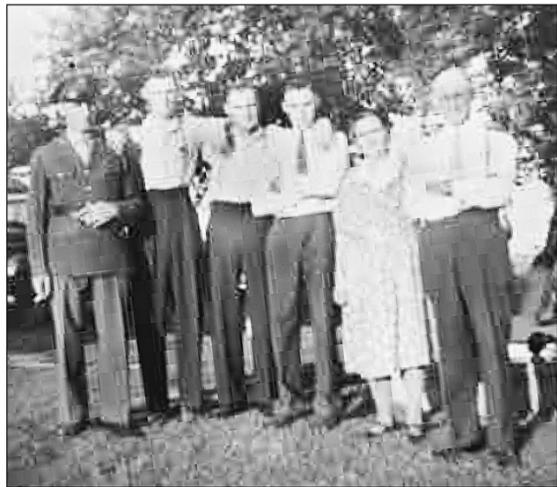

Gregor's son, Kenny, recalls the big springs on the Beisbier property, where big northern swam naturally mid-century. No doubt the springs were a help. The spring was so consistently cold that his friends would see how long their hands could stay in the water. The winner got a lot of pride and pain.

Kenny said, "When we used to have contests to see who could hold their arms in the longest, no one could do it more than a couple seconds. And, you'd come out and your arm was numb. But one time, we measured. It was two degrees colder in the summer than it was in the winter." No matter the time of year, the spring hovered around 35 degrees.

Kenny remembers the building still standing when he was a child. Water ran right through the spring house, and it had room for at least 10 milk cans to stay cold. In addition, because Gregor

and Joe had such a spring house with sustainable, natural refrigeration they too had one of the bigger herds in the town of Ashford, hovering around three dozen.

—The second part of Karl McCarty's story "Of Milk And Men: Ashford's Farmers" will appear in next week's edition of the Kewaskum Statesman.

This small early 1940s picture was taken on Herman and Elsie Weiland's farm. From left to right are the couple's four sons with mom and dad: Leander (likely on leave during World War II), Eddie, Leonard, Norbert, Elsie and Herman. According to Norbert's wife Millie, the building next to Herman was a milk house. There was not a well in the building like a spring house, but at that time milk cans were stored and water was piped from another location to keep the cans cold. The vehicle in the picture is hard to verify, but if it was Herman's rest assured it was a Chevrolet, the only make he bought.

## Kewaskum Post Office Asks Residents To Help Stamp Out Hunger

— Support The Nation's Largest Single-Day Food Drive

On Saturday, May 14, the National Association of Letter Carriers, United States Postal Service and other partners are asking the people of Kewaskum to help Stamp Out Hunger. The annual food drive has grown into a national effort that provides assistance to the millions of Americans struggling to put food on the table.

The Stamp Out Hunger food drive, held on the second Saturday in May, has become the nation's largest single-day food drive. In 2015, generous Americans donated 70.6 million pounds of food, feeding millions of people. This was the 12th consecutive year of at least 70 million pounds collected by letter carriers, bringing the grand total to 1.4 billion pounds of food collected, since the Food Drive began in 1993.

"We're proud to support this food drive," said Officer in Charge Hope Lewitzke. "We're asking residents for their support to help make this another successful year. It's easy to make a donation: simply leave a bag of nonperishable food items by the mailbox to help your neighbors in

need."

The need for food assistance exists in every community in America. According to the U.S. Department of Agriculture, 50 million Americans are food insecure, meaning they live at risk of hunger. Perhaps most alarming is the fact that nearly 16 million children in America are struggling with hunger. Additionally, close to 5 million seniors face choices between paying rent, utilities, and having nutritious food.

To participate in the annual Stamp Out Hunger food drive residents are encouraged to leave a sturdy bag containing nonperishable food items such as canned soup, canned vegetables, peanut butter, pasta, rice or cereal next to their mailbox prior to the time of regular mail delivery on Saturday, May 14. Letter carriers will collect these food donations as they deliver the mail and take them to local food banks.

For more information about the annual Stamp Out Hunger food drive, visit [www.feedingamerica.org](http://www.feedingamerica.org) and [www.nal.org/community-service/food-drive](http://www.nal.org/community-service/food-drive).

**MORE GOOD NEWS FOR COFFEE LOVERS**

People who drink coffee may live longer than those who don't, according to new research. Many previous studies have linked coffee with lower risk of heart disease, diabetes, Parkinson's, multiple sclerosis and Alzheimer's. A new study suggests coffee drinkers tend to live longer too. Researchers looked at data on 200,000 people over 30 years and found that nonsmokers who drank 3 to 5 cups of coffee a day were 15% less likely to die compared to those who didn't drink coffee. Experts note that adding too much cream and sugar could offset the benefit and that this study only suggests a correlation not causation.

## An Upcoming Calendar of Events for the Northern Kettle Moraine State Forest...

**Thursday, May 5** - Slither by Snake Nature Storytime, 6 p.m. - 7 p.m., Ice Age Visitor Center, (located off Hwy 67 half mile west of Dundee) With fast flicking tongue and no legs, a snake quickly slithers by. Join us as we unravel the mysteries of snakes. This hour of nature fun awaits three - six year olds with accompanying adults.

**Friday, May 6** - Slither by Snake Nature Storytime, 9:30 a.m. - 10:30 a.m., Ice Age Visitor Center, (located off Hwy 67 half mile west of Dundee) With fast flicking tongue and no legs, a snake quickly slithers by. Join us as we unravel the mysteries of snakes. This hour of nature fun awaits three - six year olds with accompanying adults.

**Wednesday, May 11** - Forest Ramblers, 6 p.m. - 7:15 p.m., Butler Lake Trail (located off Butler Lake Road east of Division Road near Dundee) Join us for a vigorating 3.1 mile walk along the Butler Lake Trail.

**Thursday, May 12** - An Evening with Nature, Elk Reintroduction in Wisconsin, Ice Age Visitor Center, 7 p.m. - 8:30 p.m.

**Saturday, May 14** - Search for Hidden Treasures, Geocaching, 10 a.m. - 12 p.m., Ice Age Visitor Center.

**Sunday, May 15** - Guided Walking Meditation, 10 a.m. - 11 a.m., Ice Age Visitor Center. To register call 920-533-8322 By May 14.

## An Upcoming Calendar of Events for River Edge Nature Center

**Friday, May 6** - Friday Morning Bird Walk, 7:30 a.m. - 10 a.m., Start your Fridays with an early morning walk at Riveredge. Join veteran birder, Paul Boyer, to see (and hear) a wide variety of migrating spring birds. Walks take place rain or shine. Meet in front of the Visitor's Center. FREE (\$5 donation suggested)

**Saturday, May 7** - Silent Sports, Wetland Wonders Run/Hike, 1 p.m. - 2 p.m. Riveredge Silent Sports is a series of programs focused on outdoor exercise, adventure, laughter and good conversation! Whether you choose to run or hike, your workout is sure to be serene by frog and bird song. Who knows, maybe you'll spot a fairy shrimp or two! Meet at the Visitors' Center. Fee: Non Members: \$5 per person, Members: Free.

**Saturday, May 7** - Nature Detectives: Wildflower Wonders, 10 a.m. - 11:30 a.m., Spring is here and the woodlands are bursting with wildflowers! Join a Naturalist on an exploration and search for spring. We will also make a craft that mom is sure to enjoy. Fee: \$5 per person for Trail Pass Members and Non-Members; All Access Members: Free.

**Saturday, May 7** - Become a Water Quality Monitor, 9 a.m. - 3 p.m., Milwaukee Riverkeeper staff will teach you how to identify aquatic invertebrates and do five diagnostic tests. Monitors conduct monthly tests throughout the summer and submit their data to the statewide WAV program. Call Mary Holleback at 262-416-1224 for more info or to register. Fee: Free (\$5 donation appreciated).

**Sunday, May 8** - 1 p.m. - 2:30 p.m. Stroll our trails with a special "mom" while enjoying carpets of woodland flowers. Learn about the natural history and importance of wildflowers in our lives from a Riveredge naturalist. Bring your mom and wear comfortable shoes. Fee: MOMS FREE, Other non-members and Trail Pass members \$5 per person; All Access members Free.

**Wednesday, May 11** - 10 a.m. - 11:30 a.m. Experience the exciting life and movement of a River. Wade into the River to collect critters, paint with water colors, and take a peak in the Sturgeon Trailer. Meet at the West Parking Lot. Fee: \$5 per person for Trail Pass Members and Non-Members; All Access Members: Free

**Thursday, May 12** - Little Explorers Playgroup, 10 a.m. - 11:30 a.m., held at Riveredge Nature Center. Let's gather in the Natural Play Area and share the wonder of nature through outdoor play. We will also venture into forests, fields, ponds and more. Nature sensory bins for babies and exploration tools for older children will be available. Indoor activities will be planned in case of inclement weather. FEE: Non-members and Trail Pass Members: \$5 per child; All Access Members: Free.

**Friday, May 13** - Friday Morning Bird Walk, 7:30 a.m. - 10 a.m., Start your Fridays with an early morning walk at Riveredge. Join veteran birder, Paul Boyer, to see (and hear) a wide variety of migrating spring birds. Walks take place rain or shine. Meet in front of the Visitor's Center. FREE (\$5 donation suggested)

**Friday, May 13** - 1 p.m. - 2:30 p.m. Join a naturalist to become acquainted with the seasonal changes occurring throughout the sanctuary. Enjoy the beautiful landscapes that Riveredge has to offer. Feel free to bring your journal, camera, and binoculars. Fee: \$5 per person for Non-Members, Trail Pass and All Access Members: Free.

**Saturday, May 14** - Frog Fest, 1 p.m. - 4 p.m., Riveredge's watery worlds are bursting with life in May! Join Riveredge Naturalists and search for frogs, tadpoles, salamanders and other creatures that live in our wetlands. Learn how to identify frogs by their calls, play an amphibian themed game and more. Dress for the weather and don't forget your boots! Pre-registration suggested; required for groups. Non-Member: \$7 Adult, 10 & under \$5, Trail Pass Members: \$5 Adult, 10 & under \$4, All Access Members: Free.

**Saturday, May 14** - Herb Walk, 10 a.m. - 12 p.m., Join professional herbalist Kyle Denton to learn the medicinal virtues of plants found at Riveredge and throughout the state. Walks start at the Visitor Center and will take place rain or shine the second Saturday of the month from May to October. Fee: \$5 for non-members & Trail pass members, all Access members free.

**Sunday, May 15** - Beginner Fly Fishing, 12:30 p.m. - 3:30 p.m., Designed for anyone who has an interest in fly fishing but has never tried it for a variety of reasons. Learn that it is really a fun way to catch fish. Learn about the equipment you will need to get started, the lures, and two basic casts. We supply everything. All you need is an interest in fishing and time to spend an afternoon of fun while learning. Fee: Members \$25.00, non-members \$30.00.

For more information about Riveredge Nature Center, please go to their website at riveredgenaturecenter.org or call (262)375-2715. The Center is located about a mile northeast of Newberg off of County Highway Y/Hawthorne Drive. The center is open seven days a week.

## Elk Reintroduction In Wisconsin

Join the Friends of the Kettle Moraine on Thursday, May 12, as the Evening with Nature series finishes the season with the program, Elk Reintroduction in Wisconsin. The program starts at 7 p.m. at the Kettle Moraine State Forest - Northern Unit's Ice Age Visitor Center. The Center is located off Hwy 67 half mile west of Dundee. This program is free, but donations are always gratefully accepted.

Magnificent elk once roamed throughout a large portion of Wisconsin, but by the mid-1800s, their buggling could no longer be heard anywhere in the state. Reintroduction efforts failed in the 1930s. In 1995 the start of a small herd of transplanted elk took hold near Clam Lake.

Recently the Department of Natural Resources and a whole host of partners updated the elk reintroduction plan which includes bolstering the herd at Clam Lake and establishing a new herd in Black River Falls. Join Tami Ryan, DNR Wildlife Health Section Chief, as she shares what it takes to bring elk from Kentucky to Wisconsin with the hope of making these impressive animals once again a part of our natural heritage.

For further information or directions, contact the staff at the Ice Age Visitor Center. The center's phone number is (920) 533-8322 and is open Monday through Friday from 8:30 a.m. to 4 p.m., and Saturday and Sunday from 9:30 a.m. to 5 p.m.

## Community Awareness Event

On Sunday, May 22, 6 p.m. - 7:30 p.m., at St. Gabriel's Church, located at 1200 Saint Gabriel Way Hubertus, an event is open to youth and adults in our community to heighten awareness of the Heroin Epidemic in Washington County.

Please join us in learning about local drug trends in Washington County, the risk associated with opiates and prescription drugs, local resources and treat-

ment providers in Washington County and directly from family members that have been affected by addiction.

Presenters for this event are Ron Naab, Washington County Heroin Task Force; Mark Sette, Washington County Drug Detective and Jessica Geschke, Affiliated Clinical Services AODA counselor.

For more information call, 262-677-2216 or visit the website elevatyou.org.

## Wisconsin Celebrates Clean Air Month And A Decade Of Air Quality Awareness Week

During the month of May, the Wisconsin Department of Natural Resources is celebrating not only Clean Air Month but also the tenth anniversary of Air Quality Awareness Week. This makes May the ideal time to review Wisconsin's clean air record and celebrate the part we all have played in improving our state's air quality.

"Our citizens and businesses have worked together to support the department's clean air mission, and because of this, we are all breathing cleaner, healthier air," said DNR Secretary Cathy Stepp. "The voluntary actions we all take each day will continue to support our state's clean air."

The Clean Air Month page on the DNR website includes tips for reducing air emissions, the opportunity for the public to sign-up for air quality notices and information on the department's annual poetry contest for third, fourth and fifth grade students in Wisconsin.

"We want all citizens to

enjoy clean air while working, living and recreating in our state," said Gail Good, DNR Air Program director. Good noted that the agency's December 2015 Wisconsin Air Quality Trends Report again showed a positive trend toward cleaner air.

Overall, Good said trends continue to show improved air quality since the 1980s. Other air program successes include, The Air Program is now releasing the annual Air Quality Trends Report earlier to better align with the completion of certified data and with more detailed information.

The Air Program's monitoring section continues to apply significant technological improvements to the state's monitoring network. The updates allow DNR to improve efficiency of monitoring data collection while measuring the quality of the air.

To learn more about voluntary actions we can take to reduce air emissions, visit the Do A Little Save A Lot page on the DNR website.

# Savvy Caregiver Training

## – Proven Professional-Level Training For Non-Professional, Family Caregivers (Six Week Series)

The Aging & Disability Resource Center is offering a six week series of Savvy Caregiver training. Classes will meet six consecutive Thursdays, May 12, 19, 26 and June 2, 9, 16, 2016, 1:30 p.m. - 3:30 pm at the United Way Resource Center, 1121 E. Sumner Street, Hartford, WI – directly across the street from the Aurora Medical Center main entrance.

Caring for a person with dementia is a role like no other, and that role

requires training. Savvy Caregiver is led by a trained facilitator. The small group discussion classes address the progressive impact of the illness and the skills needed to manage daily caregiver responsibilities with your loved one. The six class sessions will help develop good care management tools through group discussions, skill building, problem solving, assertiveness training, and brainstorming. Participants will learn how to understand demen-

tia and its effect on behavior, develop strategies to build contented involvement in the care recipient, develop effective strategies for caregiving and decision making and adopt a more strategic outlook on caregiving.

Pre-registration is required. Contact Tammy Dickman, Dementia Caregiver Support Specialist, at (262) 335-4497 or email [tammy.dickman@co.washington.wi.us](mailto:tammy.dickman@co.washington.wi.us) for registration or questions.

## AREA CHURCH SERVICES

### Kewaskum

**Holy Trinity Catholic Church**  
331 Main St., Kewaskum

Sunday Mass at 7:30 a.m. and 11 a.m. Tuesday Mass at 5 p.m. Wednesday-Friday Mass at 7:45 a.m. Father Edwin Kornath, 262-626-2860.

**St. Michael's Catholic Church**

8883 Forest View Rd., Kewaskum  
Saturday Mass at 4:00 p.m. Sunday Mass at 9 a.m. Reconciliation Saturdays at 3:15 p.m. Father Edwin Kornath, 262-334-5270.

## So It Goes

By Andrew Johnson

### Mother's Day

One of the greatest things in life cannot be purchased or earned. It is not deserved. It has a beginning but no end. It is not limited by geographic location. It is not conditioned on performance or current circumstances. It is one of the strongest bonds known on earth. It

always looks for good and is helpful.

Next Sunday, we celebrate this gift. It is the love of a mom for a child. The love of a mom for a child continues throughout a mother's life.

We are all children of a mom no matter what our age is. Even if our mom is not present in this world, we can still celebrate her life, love, and inspiration.

This is the most important thing that a mom gives and it does not fade away like so many other things do. She is the one who brought us into this world we live in.

Happy Mother's Day to all of the mothers and especially to my own mom, wife, sister, and nieces.

### Notes From The Desk Of Washington County Administrator Joshua Schoemann

## Optimism: Anticipate The Best Possible Column

If you've had time to see local newspaper headlines lately, or you've thumbed through the newsfeed of your favorite social media app, you may be inclined to be a bit pessimistic. Do not be dismayed, my friends, there is plenty to be optimistic about here in Washington County!

While doing some work this past week in preparation for a visit by Gov. Scott Walker, we took a long overdue tour of the building affectionately referred to as the "Old Courthouse." Many of you may know this building as the current home of the Washington County Historical Society. Others may recall the building from days gone by as the place where you picked up your marriage certificate, birth certificate or conducted other county business. However, if you see this building today, one can hardly pass through the walls of the gorgeous relic and not feel the history surround you.

In admiring the interior of the building during my visit that day I couldn't help but wonder what those who came before us would think if they

could see us now. I could almost hear them saying, "Look how far you've come! This community (our county) has so much going for it. What was once a small rural outpost between Milwaukee and Fond du Lac is now a beautiful rural suburban haven, close enough for commerce and culture yet far enough for peace and tranquility. You have so much opportunity!"

As I stepped out of that beautiful building and sat down to write this month's column I did so with a new found energy and optimism. This community is in fact extremely blessed. The opportunities for innovation and improvement are almost endless. We have so incredibly much to offer to ourselves and those who one day will call Washington County home. We have fantastic schools, just take a look at our national rankings, and our state test scores. We have a wonderful network of nonprofits supporting a quality of life for all citizens of our County. We have terrific natural resources. Where else can you go where you live 30 minutes from the hustle and

bustle of the big city, and yet are surrounded by beautiful woods, marshes and farm country? We have a superb business community with incredibly generous corporate citizens.

Picture for yourself the beauty of the Romanesque Revival architecture of our "Old Courthouse." Now consider, if you will, what it must have taken to build that wonderful structure back in the late 1880s. I can tell you this, it wasn't done by any one person alone. The only way such an amazing building was erected at that time in history was by the collective effort of hundreds of people dedicated to making their community one beautiful piece of Wisconsin.

We have so incredibly much going for us in Washington County. Now we need to take the collective work of the hundreds of thousands of us who call this place home to build whatever the next "old courthouse" is going to be. In the words of John F. Kennedy, "One person can make a difference, and everyone should try."

## School Happenings

### Kewaskum High School

#### Thursday, May 5

- ✓ Boys Golf Meeting, Computer Rm 408, 2:50 p.m. - 5 p.m.
- ✓ KHS Play Rehearsal, theater, 3 p.m. - 5:30 p.m.

## Continued From... School Facilities Survey To Go Out Next Week

If feedback from the survey is positive, the district will consider a \$32.2 million referendum. The mill rate for 2015-16 is \$9.39, and the \$32.2 million referendum would bring that mill rate to \$10.16, which is 3 cents below the 2013-14 level, according to the survey.

"I personally think it's a good idea. Kewaskum High School was built in the 1960s and the middle school was built in the 70s. Everything needs to be updated," said Ricky Kreif, Long Range Planning Committee member. "Interest rates are really low, so now is the time to do it."

Over the past eight months, the Long Range Planning Committee, which is made up of parents, staff and community members, toured the district's facilities, as well as visited schools in other districts. The committee met monthly to identify needs.

"I was honored to be on the committee and think that the committee has done a great job at looking at all options, all considerations, and whittling it down to what we think is the best solution for the district with the smallest impact on taxes," said committee member Kory Dogs.

The Long Range Planning Committee identified nine areas that need improvement at the middle school and high school: building infrastructure (such as roofs, and heating and ventilation systems); campus safety and security; classroom renovations; middle school cafeteria/kitchen area; music and art classrooms; science labs; shared two-court gym; special education; and technical

education/STEM expansion.

"We've been working on it for a long time, it's not a knee-jerk reaction," Leister said. "I feel like we have done our due diligence in getting information on how we can go about improving our schools and making a better learning environment. We need to invest in the students of our community."

The survey also provides a conceptual drawing of how the middle school and high school would be renovated. The Long Range Planning Committee considered various drawings, including building new schools off site, but determined that the most cost efficient way to meet the facility needs was to combine the two buildings, renovating some of the space and adding on additional areas.

The survey ends with a separate question about updating the outdoor Doc Mitchell Athletic Complex, which encompasses the track and football field. If the community approves, the school district would consider including artificial turf in that area so that it could be used year-round by both school and community groups.

Community members are asked to return the survey by May 31.

"I'm looking forward to the survey getting sent and gauging the feedback from the community. I think the timing is perfect, given that the debt is coming off from the elementary school," Dogs said. "Having gone to other schools for different events, it is obvious that Kewaskum is a little behind some of the other area schools. It's probably time to make an invest-

# Continued From... Small Scale Models Become Big Hobby

"It's 15 minutes here, half hour there, maybe an hour. It's not like my grandson building Legos, two hours and 45 minutes, and it's put together. You can't do that with those things," Rechlicz said. "It takes so much out of you, you push the kit aside."

One of the models Rechlicz is the most proud of is the Vought F4U-1 Corsair Birdcage he built, a model of an World War II American fighter aircraft.

Rechlicz cut a section out of the plane to insert engine parts that he had glued together and painted. He then used a toothpick and a setting solution to attach tiny decals to provide minute details on the plane.

"If you had a little flashlight, there are little, teeny-weeny, itsy-bitsy decals that have writing on them inside the plane," Rechlicz said.

Rechlicz sprayed paint on the plane's exterior and weathered it.

Rechlicz plans on bringing the plane to Omaha, Neb., to display in a show. He will create a diorama to house the plane, complete with palm trees, jungle plants, a tent and miniature soldier figures.

### Modeling History

Rechlicz, who retired from the U.S. Air Force, learned a lot about the history of airplanes from his father, who was in the Air Force during World War II. That knowledge has helped him create plastic models.

"Basically, with plastic modeling, you are model-

ing history," Rechlicz said.

For some people, building an exact replica is important. They complete historical research and mix paint colors to get the vehicle's perfect shade.

"Some gentlemen and ladies will sit there and research to the finest littlest detail on a tank or airplane or car," Rechlicz said. "Other people will just buy the kit and build it, because they like that airplane or that car or ship or whatever it might be."

Rechlicz falls into that latter category.

"To me, that looks cool, and I build it," he said. "I don't know if it's accurate, to be honest, I just like the way it looks."

Over the years, Rechlicz has built hundreds, possibly thousands, of models.

"My basement at one time looked like I probably had one of the better hobby shops in Madison, West Bend, Kewaskum or anywhere around here. I have that much stuff," Rechlicz said.

Because Rechlicz has moved numerous times over the years, he no longer has all of the models he has built. Still, he admits that his "man cave" is pretty full.

And he has become an expert in packaging his fragile creations.

"I find that Tupperware and paper shred work very well," he said.

### Shows

Rechlicz has entered his models in competitions across the country.

There are many shows to choose, from including

regional, national and international competitions. Rechlicz has attended shows across the state, but has also brought his miniature cars and planes to shows as far away as Colorado, Virginia and Florida.

"I kind of pick and choose which shows to go to," Rechlicz said. "They are a lot of fun."

Rechlicz has participated in contests sponsored by the International Plastic Modeling Society as well as the Armored Modeling Preservation Society. He has won various awards, including a third-place award for a tank he built at an international show in Hampton, Va. He also has judged other models at shows.

But his favorite part of the shows is meeting other hobbyists.

"I go to shows all over the country, and that is usually the one time I get to see these guys. I don't mind traveling," Rechlicz said.

Rechlicz said that building models has built friendships with people from around the world.

"I met a good friend named Joseph from Czechoslovakia. He would tell stories about Czechoslovakia in the old days and what went on behind the Iron Curtain. They were real eye openers."

It also is amazing seeing the work that people do and sharing tips on technique.

"It's a really fantastic time to be in modeling," he said.

Brianna Stapleton Welch, Washington County 4-H youth development educator, UW-Extension, receives the Achievement in Service Award from the Wisconsin Association of Extension 4-H Youth Development Professionals (WAE4-HYDP) on April 19 in Wisconsin Dells.

## Area 4-H Camp Planning Team Honored By 4-H Youth Development Professionals

The 2015 Zombie Survival Day Camp Planning Team was recognized with the Excellence in Camping Award on Tuesday, April 19, 2016 in Wisconsin Dells, Wisconsin at the annual Wisconsin Association of Extension 4-H Youth Development Professionals (WAE4-HYDP) conference. This award recognizes outstanding effort by members in youth development through 4-H camping, practice, evaluation or research conducted by UW-Extension. The Planning Team is comprised of 4-H youth (Mariah Mihm, Megan Vorpahl, Anna Pedrick), adult volunteer (Sarah Groskreutz), and staff (Megan Buehler) and community partner Deborah Knepler from the Volunteer Center of Washington County.

The planning team met face-to-face and utilized Google Drive throughout the spring of 2015 to brainstorm ideas, develop lesson plans, and finalize the schedule of activities for the inaugural camp which was held June 23-

25, 2015 at Washington County Fair Park. The camp was a success nearly filling to capacity of 50 youth entering grades 6-8.

Zombie Survival Day Camp will be returning this summer Tuesday, June 14-Thursday, June 16, 8 a.m. - 4:30 p.m., at Washington County Fair Park. Youth will take on challenges to see if they are prepared for a zombie apocalypse or any real life natural disaster. Through simulation games, zombie make-up, scavenger hunts, and other hands-on activities, they'll have fun and learn about emergency preparedness, using resources effectively, teamwork, communication, and leadership. The

camp is planned and facilitated by 4-H Youth Development staff and trained youth counselors and adult volunteers. Activities will also be provided by community collaborators like the Washington County Healthcare Partners Coalition. If youth register by May 1, the early bird fee is \$50. If youth register by May 20, the standard fee is \$60. Programming, a camp t-shirt, and snacks are included in the fee. Campers bring their own lunch.

Registration forms are available at the UW-Extension Office or found online at <http://washingt.wuex.edu/4-h-youth-development/camp/>.

## Work To Begin On County Trunk Highways U, D, I, HH And XX

County Trunk Highway (CTH) U from Turtle Road northerly to STH 33 in the Town of Addison, CTH D from Kettle View Drive easterly to Unities States Highway 45 in the Town of Barton, CTH I from Oak Road easterly to CTH M in the Town of Trenton, CTH HH from 600 feet south of CTH H northerly to State Trunk Highway (STH) 28 in the Town of Farmington, and CTH XX from CTH H northerly to the county line in the Town of Farmington will be under construction beginning Monday, May 2. The work should be completed by Thursday, June 30.

The roads will be open to traffic throughout the

length of the projects. However, motorists should expect delays of up to 10 minutes when traveling through the construction areas.

Motorists are asked to use extra care when driving in the construction areas and obey all flagmen and construction signs. Alternate routes should be selected if possible.

The project consists of pulverizing the existing pavement, resurfacing, and shouldering. Stark Pavement Corporation will do the work under contract with Washington County Highway Department. County forces will then construct new shoulders,

paint pavement markings, and do other construction related work.

For more information, visit [www.co.washington.wi.us/hwy](http://www.co.washington.wi.us/hwy) and click on "Road Construction."

## Kewaskum Public Library Presents – Mindfulness Tools for Everyday Living

If you are among the thousands of adults tired of living on auto-pilot - moving from one activity to the next without time to take a breath - or finding it difficult to turn off the constant chatter in your minds, then this evening seminar is for you!

The session is led by Midge Miles, a personal growth facilitator and narrative consultant. She found new energy and

focus for her life when she was introduced to mindfulness meditation and practice in 2003.

A daily practitioner she now provides group instruction for others who want to reduce the inner chatter, judgment, and sense of overwhelm that characterizes so many of our lives. During this hour and a half program, participants will learn what mindfulness is and why it

is currently being featured in so many print and online publications. Participants will also receive instruction on Ten Tools for Mindful Living.

Midge is a seasoned educator who easily engages adult learners in ways that both entertain and inform. Will take place Thursday, May 12, 6 p.m. - 7:30 p.m., workshop will be in the council chambers.

## Gov. Walker Signs Two Bills In West Bend

– Bills Provide Assistance To Citizens Struggling With Substance Abuse

By Anne Trautner

Sen. Dudy Stroebel (R-Cedarburg) joined Gov. Scott Walker at the Old Courthouse in West Bend as the governor signed two key bills in fighting substance abuse.

Act 388 (Assembly Bill 657) increases funding for Treatment Alternatives and Diversion programs (TAD) by \$2 million.

“The TAD programs allow individuals charged with certain crimes to seek treatment – chief among the convictions are drug addicted offenders. With heroin a problem across

the state, increased funding for these grants offer counties key alternatives to incarceration. When successful the TAD program saves incarceration costs; however, participants must continually be monitored to ensure this option is best for them and taxpayers,” Stroebel said.

Act 389 (Assembly Bill 839) offers an additional option for some convicted drunk drivers to participate in successful 24/7 sobriety programs. The participants must take breathalyzer tests twice a day or wear an alcohol monitoring bracelet in lieu of igni-

tion interlock devices.

“This new law provides a needed alternative to ignition interlocks. Frequently, convicted drunk drivers need a more successful program to ensure absolute sobriety. This program requires 24/7 sobriety and frequent check-ins. Studies show treating the underlying drinking problem decreases recidivism,” concluded Stroebel.

Stroebel represents the 20th Senate District which includes parts of Ozaukee, Washington, Fond du Lac, Calumet and Sheboygan Counties.

# Kiwaniis®

## Kewaskum Kiwanis Club – Local Club Supports Community

What is Kiwanis? Kiwanis is a global organization of member-volunteers who are dedicated to changing the world, one child and one community at a time. Read on for more of the history of the Kewaskum Kiwanis Club.

The next decade of Kiwanis in Kewaskum is the 1960s and much was done by the club at that time. Badger Boys and Badger Girls were continued throughout the decade, Boy Scouts were still a priority. The club gave money to the village for Christmas decorations, and funds were used for beach improvement and playground equipment.

Scholarships were continued, and the club helped with the ice skating shelter at the river. Club members were involved with the tennis courts at the school,

including installing blacktop on the courts as well as the fence around them. The club continued supporting the village library, and gave \$1,000 to village for equipment for the summer recreational program and \$500 for architectural drawings of the swimming pool.

Remember, it can't be said enough, but over the history of the Kewaskum Kiwanis Club, more than \$500,000 has been raised and given to the children, schools and village of Kewaskum. Quite an accomplishment! Wouldn't you like to be part of that?

### Join Us!

The Kewaskum Kiwanis meets on the first, third and fourth Mondays of each month at 6 p.m. in the American Legion Hall. If anyone is interested

in joining our club or has questions, please contact Larry Ammel, President at 262-343-6446 or ammel\_larry@yahoo.com. The following members of the club would like to see you join our club: Larry Ammel, Eric Anderson, Kevin Bartelt, Gene Bohn, Denis Connor, Jim Dorn, Gary Gavin, Mike Heberer, John Hubbel, Jill Krell, Helen Lauters, Josh Miller, Roger Neumann, Clark Pearson, Bret Richards, Dave Roehrig, Wayne Sargent, Kevin Scheunemann, Joe Schumaker, Steve Volm and Bob Zaring. If you know any of these members, talk to them about Kiwanis!

Learn more about Kiwanis at [www.kiwanis.org](http://www.kiwanis.org) or [kewaskumkiwanis.org](http://kewaskumkiwanis.org)

## FEATURE BUSINESS OF THE WEEK

## Little Folks School House

Little Folks School House is owned by Dodie Sargent. She brings 33 years of experience, receiving her training at U.N.H. and UW-Milwaukee. The Assistant Director, Jennifer Melzark has 16 years in the field and received her training at Marian College. Along with Dodie and Jennifer are 23 employees.

Little Folks is rated 5 stars by the Wisconsin Youngstar program and Nationally Accredited. The majority of the teachers have two or four year degrees and are dedicated to providing quality childcare.

Dodie provided licensed family childcare from 1983-1997 and opened the group center (Little Folks School House) in 1997 in the Town of Wayne. After outgrowing the Wayne building, they built a bigger center in Kewaskum which opened in 2006. There are five classrooms, three age separated fenced playgrounds, a coded secured entry and camera monitored classrooms. They also provide before and after school care at Little Folks and Kewaskum Elementary School. Little Folks also serves as a teaching center for Moraine Park Technical College. Students are placed with them every semester for their practicum experience where the Little Folks teachers mentor them.

Little Folks strives to form working partnerships with families. They respect the parent's insights and concerns and want them to feel comfortable leaving their children in their care, knowing they will be safe and nurtured as they help to develop and grow.

Check us out at [www.littlefolksschoolhouse.com](http://www.littlefolksschoolhouse.com) or call 626-4023 to schedule a tour.

Lynn and Kevin (KT) Thull sort through shirts to be sold at the Brent Schultz Memorial event on Saturday.

photo by Anne Trautner

## Continued From... Brent Schultz Memorial Event To Raise Funds For High School Greenhouse

There will be more than 100 raffles. Winners need not be present to win. Raffle prizes and ticket prices vary, but there are five prizes that are each worth more than \$1,000. Some of the prizes are a large camouflage freezer filled with meat, a camouflage generator, guns, a fish finder, tree stand and cookware.

There also will be a

dunk tank, as well as food and beverages. For children, there will be a bouncy house and a duck and lollipop game.

The Ralph Thull Trio, a polka band, will perform from 4 to 6 p.m., and the Culprits will play 80s rock music from 7 to 11 p.m.

Transportation will be provided from the parking lot to the New Fane Sportsman's Club

grounds. JK Rentals is providing tents.

"There is a lot for all ages," Lynn Thull said. "Last year it was entertaining wherever you went. Once again, there will be some kind of action that you could watch all day long."

Lynn and KT Thull started planning the event after completing the first memorial event about a year

ago. Family, friends, FFA alumni, FFA students and the Trapp family have helped organize the day.

The Thulls want the entire community to benefit from the event.

"It is for the community. It's not just for us. We lost our son, but it's the grandkids that we are never going to have and the kids from the community, they are going to have the

greenhouse," KT Thull said.

This would have been Brent's senior year at Kewaskum High School, so students have been consciously remembering him in things they do.

The high school trap team is helping set traps for the fundraiser, and FFA students have been selling T-shirts and sweatshirts at school to remember Brent.

The T-shirts will be available Saturday for \$15 each, and the sweatshirts cost \$30 each. In addition, FFA students will work at the food stands.

"We want the community to be involved in it," KT Thull said. "Please come and support and help get this thing built."

## Agnesian Bone And Joint Health Sets SPEED Program Dates

Agnesian Bone & Joint Health is preparing for its annual Sports Performance Enhancement & Explosive Development (SPEED) program this summer for area youth athletes. Sports medicine team professionals will host the program from June 6 to July 28.

It is open to boys and girls in grades six through 12. Middle school sessions are separate from high school, and focus on running form and body weight exercises.

SPEED offers team-oriented sessions that incorporate team building and sport-specific skills. Sessions also include dynamic stretching, multi-directional strength training exercises, core strengthening and balance training. Teams will meet two days per week for 1.5 hours. At the end of the program, there will be testing performed that measure the following: 10-yard dash, 40-yard dash, broad jump, vertical jump and pro-agility.

The Agnesian Bone & Joint Health Sports Medicine team utilizes a digital timing system, similar to the National Football League (NFL), called Sparq, to obtain the most accurate times for the 10- and 40-yard dashes and the pro-agility. The Sparq equipment is a set of cones that emits a laser beam. The timing is triggered when the first beam is crossed and ceases

when the second beam is crossed by the athlete. Digital timing eliminates the human error that often occurs with hand timing.

"Our electronic timing has helped many athletes show high school and college coaches exactly how fast they really are, without any questions of who was doing the timing and just how accurate it really is," says Chris Schattschneider, a licensed athletic trainer with Agnesian Bone & Joint Health. "This timing system is similar to what they use for high school and college combines."

The SPEED program is available to all local high school and middle school athletes. Coaches interested in team sessions should call immediately to reserve a session time and days. There are a minimum number of athletes needed to hold a session at each school.

The SPEED program brochure and online registration are available at [agnesian.com/sportsperformance](http://agnesian.com/sportsperformance). The summer program cost for middle school athletes is \$80. High school athletes will enjoy an early bird registration discount at \$80 if received by May 25, and then \$100 after that. A SPEED T-shirt is included in the registration fee.

For more information or questions regarding the SPEED program, call Tyler Schwarz or Corey Wencil at (920) 923-7940.

# Little Folks School House Holds "Preschool Prom"

On Friday, April 22, the Little Folks School House held their spring event which was themed "Pre-School Prom." It was a dress-your-best affair.

Families enjoyed a kid-friendly dinner and many activities throughout the evening. There was a steady line for face painting which was provided by Rachel Heron of Rock Face Paint. A photo booth was set up with many props such as hats, mustaches, glasses and boas. Photos were printed immediately so families could take and treasure

their memory. A craft area was available where children could make a spring butterfly or assemble and decorate a crown of jewels to wear for the evening.

A prom wouldn't be a prom without dancing so DJs Nick and Nicole Pari brought in a sound system and lights and provided kid friendly music. The children really enjoyed dancing the night away. "Cinderella" made an appearance and chatted and danced with the children.

The Little Folks teachers all volunteered a couple

hours of their Friday night to be at the prom. Dodie Sargent, administrator of the Little Folks School House looks forward to any and all of the daycare events.

"It's a chance for parents to mingle with other parents and staff and be able to watch their children interact with their peers," Sargent said.

The Little Folks School House is the only five-star nationally accredited program in the area. Information can be found at [www.littlefolksschoolhouse.com](http://www.littlefolksschoolhouse.com).

Little Folks School House holds its first Pre-School Prom for children and parents on April 22.

SPORTS

Maddie Geidel hits the ball for Kewaskum in a game on April 21. photo by Dan Miller

## Indians Claim Another Tourney Title

By Judy Harlow

After posting a pair of one-run victories over Wisconsin Lutheran and Weyauwega-Freemont, the Kewaskum High fast-pitch team is two for two in tournaments this spring.

On April 23, they won the title at Two Rivers and with the back-to-back 3-2 wins on April 30, the Indians are the champions of the Weyauwega-Freemont Tournament.

Freemont took a 1-0 lead in the top of the first inning. "Their leadoff hitter put one to the wall. She crushed it," KHS coach Jeff Gosse said, indicating he thought the ball was out of the park, but a strong wind held it in, and she ended up with a triple. "They suicided her in."

The W-F pitcher, Kiley Akey, held the Indians in check for four innings before KHS scored three times in the bottom of the fifth. Maddy Lehmann got things started with a double, but the next two batters both made outs, giving the Indians just one more chance to score. Hailey Plachinski drew a walk, keeping the rally alive, and Brittany Williams "scorched a single to left field," scoring Lehmann and Plachinski, and when Akey tried to throw Williams out at third, it was off the mark, and Williams came roaring home.

Bre Trepes, making her first start since having her nose broken in practice

over a week ago, pitched well for the Indians. She struck out five, walked none and scattered five hits. After giving up the one run in the first, she held the W-F hitters in check until the sixth when they got another single run.

Maddie Geidel had a two-out double in the fourth for KHS.

With the two wins, KHS improved to 10-2 overall.

Can the Indians win a third straight tournament at West Bend West on Saturday? "Hopefully ... It would be nice," Gosse said. "I like playing some good competition to get us prepared for the tournament."

Weyauwega-Freemont 100 000 1 2-5-3

Kewaskum 000 030 X 3-3-1

Winner — Trepes, Loser — Akey

### Kewaskum 3, Wisconsin Lutheran 2

In Game 1, the Indians won a thriller, scoring two runs in the bottom of the seventh to erase a slim lead held by Wisconsin Lutheran.

Bre Trepes saved the day with a two-out single, scoring Leah Theusch, who walked and Williams who singled.

The inning started with Donath striking out, then Theusch and Williams reached, and Kenzie Lehn moved them up another base with a sacrifice bunt. Trepes singled past the second baseman to score

both of them, according to Gosse, who was thrilled to get the "W" but not happy about the three errors his Indians committed in the contest.

"Every once in a while, we have one bad inning," Gosse said, noting his team managed to escape losing this time, "but last Tuesday night (vis Winneconne) it cost us."

Gosse had Kennedy Lehn, coming off her no-hitter against Ripon, pitch, and she turned in another sterling performance, striking out nine, while walking two and giving up two hits and two runs. Neither run was earned.

KHS had just four hits off Wisco pitcher, Karie Grunert, including two singles by Trepes. Her first came in the opening inning for the first KHS after Williams reached on an error and was bunted to second by Kenzie Lehn.

The score stayed at 1-0 until the top of the sixth when the Vikings scored twice. Grunert had a hit for Wisco, then the Indians committed three straight errors, allowing the Vikings to go up 2-1, setting the stage for Trepes' heroics.

"Their (Vikings) record is deceiving," Gosse said. "They play in a tough conference." Wisco came into the event at 2-5.

Wisconsin Lutheran 000 000 2 — 2-2-1

Kewaskum 100 000 2 — 3-4-3

Winner — Lehn Loser — Grunert

## Lehn Puts Her Name In The KHS Record Book

By Judy Harlow

It took the Kewaskum High fast-pitch players a couple innings to adjust to the Ripon pitcher, but once they did the Indians pounded out 10 base hits, including a double, a bases-loaded triple by Brittany Williams and a home run to roll to a 10-0 shutout over the Tigers in an April 29 game that ended with no outs in the bottom of the fifth inning via the 10-run "mercy rule."

The Tigers never did get to freshman Kennedy Lehn, who tossed a no-hitter, the first in her young career. Lehn struck out 10 and walked just two in the victory, which puts the Indians' season record at 7-2, 5-2 in the East Central Conference.

While extra base hits played a big part in the victory, it was a suicide squeeze bunt that helped the Indians break a scoreless tie in the bottom of the third.

With Hailey Plachinski on third after singling, stealing second and advancing to third on a ground out, sophomore Emma Debelak dropped down the bunt, while Plachinski raced home.

"Yeah, we talked about it before the game. We haven't done it much this year," KHS coach Jeff Gosse said. "We had Hailey on third. She's one of our fastest runners, and Emma is one of our best bunters. It was perfect!"

KHS got run number two when Kenzie Lehn hit a bloop single into right field for an RBI, driving in Debelak.

In the fourth frame, the Indians broke the game open, scoring six runs on four hits and one mental error by the Tigers.

Sam Brown started things off with a single to left, and after Plachinski drew a walk, Skylar

Donath singled in a run, and quickly the bases were loaded after Debelak was walked. Williams didn't waste any time bringing them home, crushing Emma Kautzer's first pitch over the right fielder's head for three RBIs and a 6-0 lead.

Kenzie Lehn followed with a shot to deep center. The ball rolled under the portable fence in the outfield, and the Tiger center fielder raised her hand, calling for a ground rule double, but instead of waiting for the base umpire to come and bring the ball back into play, she touched it, and it officially goes in the books as a home run.

When asked about hitting the first pitch on the triple, Williams said, "I hit 'em when I see 'em. It was a meatball pitch ... right down the middle."

Williams also made a sparkling play on a bunt in the top of the fourth, pouncing on a bunt down the first base line and from her knees throwing a dart to Laura Weishan at first for the out. "I thought it was going to go foul ... I just decided to go for it and get the out."

The game ended in the fifth after Debelak cracked a bases-loaded double to right field, sending two home for the ninth and 10th runs on the game.

About Lehn's no hitter, Gosse said, "All year long, she's been flirting with a no-hitter. It's nice to see her get it today."

Gosse also had good news about his junior pitcher Brea Trepes, who has been out the past week after suffering a broken nose in practice. "She'll be back tomorrow (Weyauwega Tournament)," he said.

Ripon 000 00 — 0-0-1

Kewaskum 002 62 — 10-10-0

Winner — Kennedy

Lehn, Loser — Emma Kautzer

### Winneconne 1, Kewaskum 0

A week ago, the Indians were outhit 6-2 by Campbellsport and still won the game. The tables were turned at Winneconne on April 26. The host Wolves had just two hits to the Indians' seven, but Winneconne won the game 1-0.

"We had three errors. We just can't have that," Gosse said about the team's second loss of the year, a loss which dropped KHS to third place in the EC standings.

The freshman Lehn struck out nine and had two walks in suffering her first defeat.

The one run was scored in the bottom of the fourth when the leadoff batter, Annika Gereau, reached on a two-base error. The next batter bunter her to third and after Lehn walked Riley Kies, the Indians let her steal, so the Wolves had runners at second and third. Taylor Wilke followed, dropping down a perfect bunt on a safety squeeze, scoring Gereau.

Kennedy Lehn and Geidel went 2x2 in the game, and Williams had the lone extra base hit, a double.

Annika Gereau got the win for the Wolves, who improved to 5-1 and took over the number two spot behind unbeaten Waupun.

## Kewaskum STATESMAN

# Hanson Remains Unbeaten In The High Jump; Kosterman Secures A First In Vaulting

By Judy Harlow

Neither of the Kewaskum High track teams finished among the top three teams in the April 29 Altheimer Invitational in Pewaukee, but there were some very good individual performances turned in by Indian athletes.

One highlight was the six feet, six inches (6-6) high jump by senior Janson Hanson, who won the event and remains unbeaten in the event this spring.

For the girls, Sarah Kosterman was a stand-out, clearing 9-0 in the pole vault, a personal best by a foot, and good for first place.

In the team competition, the Plymouth boys nipped New Berlin Eisenhower by a single point, 129-128. Host Pewaukee was third with 111, and Kewaskum finished fourth out of the 12 teams with 62 points.

On the girls' side, it was Mayville claiming the title with 118.75 points, Plymouth second at 113.75. KHS finished ninth in the 10-team field with 27.75.

"This one (meet) went well for the boys," KHS assistant coach Jim Brock said in the absence of head coach Kris Evans. "The competition was

tough, tough, tough!"

Hanson and Derek Brock led the KHS effort. Along with his win in the high jump, Hanson placed fourth in the 800 with a time of two minutes, 6.30 seconds (2:06.30) and anchored the fourth place 4x400 relay effort. Helping Hanson to a season-best 3:36.97 were Brock, Jake Hrica and Cade Peterson. Coach Brock said the relay had a good outing and reported Hanson "barely missed on his third attempt at 6-7."

Brock posted a third in the 110 high hurdles and a second in the 300 intermediates, and his times of 15.92 and 41.21 were personal best times. "Those were significant drops," coach Brock said, reporting Derek is now among the top intermediate hurdlers in the state with the 41.21.

Senior Ben Watzig double placed, finishing third in the discus (138-09) and fourth in the shot (41-09.50).

Other top eight performances included: 100 - eighth by Cameron Dodge, 11.72; 4x200 relay - fourth, 1:38.06 (John May, Eric Doll, Hrica, Peterson); 4x100 relay - sixth, 47.03 (Chris Bocher, Dodge, Tony Steger, Evan De Valk); high jump -

eighth, Steger, 5-6; pole vault - fifth, Tony Leister, 11-0; discus - Riley Donovan, fifth, 133-01.

Kewaskum was missing sprinter Kyle Pamperin, who had all his wisdom teeth removed the day before. Pole vaulter Miguel Gonzales was out with illness.

For the girls, Ellie Debelak placed in three events by fifth in the 400 (1:03.88), eighth in the 200 (28.30), and anchoring the 4x400 relay to a time of 4:28.13.

Krystina Lepp and Megan Ackatz placed in the high jump. Lepp soared to a season-best 4-10, good for fifth place, but not her all-time best, which came in last year's D-2 sectional when she cleared 5-2 to qualify for state. BrockAckatz made 4-6 and earned a tie for seventh.

Other top eight individual finishes came in the following: 300 hurdles - eighth by Lepp, 54.62; 3,200 - eighth by Maela Olla, 12:51.30; pole vault - seventh by Beth Dinara, 6-6.

"The size of the girls' team is hurting them," Brock said, indicating it is hard for the Lady Indians to compete with the depth other schools have.

# Indians Fourth At Kohler And Still Sitting First In ECC

By Judy Harlow

There are times in golf when having an opportunity to play on a highly-regarded course is more important than the competition a team is scheduled to compete in.

Such was the case when Kewaskum High coach Glenn Eichstedt received a late invitation from Fort Atkinson to play in the inaugural Blackhawk Invitational on the same Blackwolf Run course that hosted the Women's U.S. Open in 1998. The meet was on the same day (April 29) as the Indians were scheduled to play in the annual Port Washington Invitational at Hawthorne Hills GC near Waubesa.

The solution was simple: send a junior varsity team to the Port meet and allow the Indians varsity to get a chance to play in Kohler.

Bayport won the tournament with a score of 319, which was an average of 79.7 for the team's four counters. Fond du Lac St. Mary's Spring was second with a 324, followed by the host Fort Atkinson team

with a 325, and then came Kewaskum at 333 in the 10-team event.

Winning the medal was Fort's Bentley Glass, who carded a two-over-par 74.

Senior Sam Schlosser led the Indians with a 39-41-80, good for ninth place overall, while Trent Griesemer put together one of the best 18-hole rounds of his career with a 41-40-81.

The other two KHS counters were Andrew Otto, who came in with a 43-41-84 and Sean Murray, with a very consistent 44-44-88.

"What a tremendous opportunity and experience for all those involved in this first annual invite," Eichstedt said.

Indians second again to remain atop the EC standings

Kewaskum, and all the other East Central teams, struggled in the fourth mini-tour event hosted by Waupun at the Rock River Country Club on April 25.

The Indians finished second with a 175, two strokes behind the Warriors, but Plymouth slipped to third with a 178, so Kewaskum increased

its lead on the field. Kewaskum now has seven points to 11 for Plymouth, with Waupun moving into third place with 11.5 and Berlin falling back into fourth with 13 points.

Murray, one of the four KHS senior starters, shot what coach Eichstedt called "a steady 41," tying with Plymouth's Cade Knaus for the medal.

Sam Schlosser was next, one shot back, with a 42, and Andrew Otto carded a 43. "Neither senior Trent Griesemer or frosh Jacob Schlosser could find a repeatable swing," according to Eichstedt. They came in at 49 and 51, respectively.

There are still four matches to go, including the May 6 nine-hole competition in the morning at Auburn Bluffs in Campbellsport and the afternoon nine at Hon-E-Kor CC in Kewaskum. While the Indians are ahead by four points, Eichstedt says, "The Indians need to post better overall team totals, in order to maintain their current status."

# First Places Highlight Indians' Effort Against County's Powerhouses

By Judy Harlow

There is no shortage of track talent among the larger schools in Washington County as the Kewaskum High teams learned first hand on April 26 at the Washington County Invitational in West Bend.

Currently Shon Pratcher of Germantown is the top long jumper in Wisconsin with an effort of 22 feet, 4.5 inches (22-4.5), and Hartford's Sam Noennig is number one in the shot put (44-9.25) and second in the discus (169-5).

The Indians had difficulties competing with the likes of Germantown, Hartford and the West Bend schools, but the boys did post three first places with very good efforts.

"The County Meet is always a tough meet for us," assistant coach Jim Brock said. "We're competing with much bigger schools, but our boys did very well."

For the record, Germantown won the boys' portion of the meet, amassing 117 points, 13 more than Slinger (104). West Bend East, Kettle Moraine Lutheran and West Bend West were in a logjam for third place, with East getting the nod with 96 points, followed by KML and West's 94 and 93.5. The Indians were a respectable sixth out of

eight with 85.

The Hartford Union girls, led by their outstanding weight performer, Sam Noennig, won with 128.5, followed by Germantown, 117.5; West, 112.5 and Slinger, 107.5. KHS finished last with 25 points.

KHS senior Jason Hanson continues his domination in the high jump. For the third meet in a row, he cleared six feet, five inches (6-5) - in the first quad of the year, he set a KHS record at 6-7 - for first place, and he helped the 4x400 relay to another victory, posting a time of 3 minutes, 39.12 second, 1.17 second ahead of Slinger's quartet.

The other KHS runners in that relay were Jake Hrica, Derek Brock and Cade Peterson.

Hanson also turned in a good 800. His 2:07.13 clocking put him in fourth place overall.

Brock, a junior, also contributed major points from his efforts in the two hurdle races, placing second in the 110 highs with a personal best 16.20 behind KML ace Collin Schwab, who hit the finish line in 15.72.

In the 300 lows, Schwab and Brock were 1-2 with times of 41.38 and 42.72. The 42.72 by Brock was another season-best time.

Kewaskum's other first place came in the discus, and if anyone guessed it was Ben Watzig claiming

the title, they would be wrong. Sophomore Riley Donovan heaved the metal platter 141-03 to nip his teammate by six inches, giving KHS a 1-2 finish for 18 team points.

The Indians' 4x200 relay, comprised of Eric Doll, Hrica, John May and Peterson, turned in a 1:38.44 for second place behind West Bend West, which had a 1:35.97.

Other top-six efforts included: 100 - sixth by Kyle Pamperin, 11.89; 4x100 relay - sixth, Christian Bocher, Evan DeValk, Cameron Dodge and Pamperin, 47.01; high jump - sixth by Tony Steger, 5-6; and pole vault - sixth and seventh from Tony Leister and Miguel Gonzalez, 11-0 and 10-6.

The KHS girls struggled, scoring just 25 points in the meet. They were competing without ace distance runner, Emily Krier, who was playing with the Indians soccer team against Berlin on Tuesday.

Sara Kosterman's fourth in the pole vault was KHS's best place. She cleared 8-0. Other top-six efforts included: 400- fifth by Ellie Debelak, 1:06.05; 4x200 - sixth by Sarah Butschlick, Courtney Buttslaff, Kosterman and Krystina Lepp, 2:00.95; and 4x400 - sixth, by Buttslaff, Debelak, Lepp and Romaela Olla, 4:39.51.

## Week Ends On A Low Note For Kewaskum Soccer Squad

By Judy Harlow

Kewaskum coach Luke Piwoni knows all about the strong tradition the Kettle Moraine Lutheran High soccer program has, but after scoring a dozen goals in its last two games, he would have never guessed his team would get shut out 3-0 in Jackson on April 29.

"We knew they were a good team coming in," Piwoni said, adding "They had played everyone pretty tough in the upper tier (of the East Central Conference)."

The Chargers' plan against the Indians was simple — stop Jeray Riffel and put pressure on the KHS defense. They did just that, scoring one goal in the first half and another two in the second while stopping Kewaskum's powerful attack.

When asked if Riffel drew double coverage? "From the opening kickoff," he answered. "They knew exactly where she was" at all times.

"They put us on our heels right from the start," Piwoni went on, reporting his team was pretty exclusively on defense the first 25 minutes, and if it weren't for the gritty play of junior Hailey Herriges, the score could have been a lot higher than 1-0 at intermission. "Hailey Herriges was awesome. She saved a ton," he said, reporting, "We weren't able to mount any kind of an attack."

Keeper Courtney Aker was credited 15 saves, according to the coach, who said the loss puts the Indians' EC record at 2-2-1, and they are 2-3-3 overall.

The road won't get any easier in the first week of May as Kewaskum was scheduled to host Plymouth, then travel to Campbellsport this afternoon (May 5) and play a non-conference game against Port Washington on May 6.

### Kewaskum 7, Berlin 3

"We came out pretty flat," Piwoni said about the

home game against Berlin. "It took us a while to get going." Then KHS started to roll, scoring three goals in the first half for a 3-1 halftime lead over Berlin, but the Berlin team did not fold. After KHS went up 4-1, Berlin scored twice in just over a minute (52:29 and 53:35) to tighten things up.

Never fear, Riffel came up with a pair of goals in just over six minutes (54:28 and 1:00.41) for her third and fourth goals of the night, and Lizzy Bauer finished off the night with an unassisted goal at 1:06.27 for the 7-3 win.

"It made me feel awful nervous" after Berlin scored the back-to-back goals, Piwoni said, adding Riffel helped relieve his anxiety.

With the victory, Kewaskum improved to 2-2-1 in the EC and was sitting in fifth place in the league.

Defensively, Aker came up with eight saves, and Piwoni said, "She did everything she needed to go back there."

### New Holstein 7, Kewaskum 5

There was no lack of offense on April 25 when the Indians traveled to face non-conference foe New Holstein and wound up on the short end of a 7-5 decision.

"It was a strange game," Piwoni said, reporting most of the goals came on breakaways, perhaps because the field was wet and the ball was skipping off the turf.

Riffel was on a tear, scoring three times and assisting on another. Others getting into the act were Schulteis, with one goal and a pair of assists, and Emily Krier with one goal and one assist.

The Indians and Huskies were dead even at half, 3-3, but the hosts had the better of the second half to claim the win.

Aker was credited with 10 saves.

## County Tennis Meet Is Incomplete; Indians Dominate Kewaunee

By Judy Harlow

The weatherman was right on concerning predictions for April 30. Just before 2 p.m., the rain started falling, along with 30 mile per hour winds, prompting a halt to the tennis competition in the Washington County Invitational held at courts in Slinger and Hartford.

The only championship that had been determined was at No. 1 doubles where West's Clay Czyny and Mitch Johnson had defeated a duo from Hartford for first place.

Many of the other matches, to determine first, third or consolation places had just started and most will not be completed, according to a decision made by the coaches after looking at their options for a makeup date.

At the moment the weather went sour, Kewaskum had two singles players, Michael Prochnow at No. 1 and Devin Schnider at No. 3, along with one doubles team, No. 3 Nate Heniasis and Ayrtion Lehmann, substituting for Ty Schellinger, going for third place. Two doubles teams, No. 1 Jared Chesak and Brent Goeden and No. 2 Cole Rahlf and Zach Brogaard were vying for consolation titles.

Prochnow started with a big win over West Bend East's Colton Harris, the team's normal No. 3, after losing the first set 0-6. Prochnow roared back to even the match with a 6-2 win, then won the tie-breaker 10-3.

Volunteer coach Peter Garcia, who was at the courts with the Nos. 1 and 2 players, said Prochnow's comeback was impressive. Garcia's advice to Prochnow after the first set was to "keep the ball in play and let the kid (Harris) beat himself." In the next round, Prochnow drew Rufus King's (of Milwaukee) David Stone, and it was super close all the way. Prochnow wound up losing 5-7, and 6-6 (7-4, 3-10).

For third, he had to get past Hartford's Aaron Nytes, but the match barely got started when play was halted.

Schnider started out with a 3-6, 6-1, 10-8 comeback victory vs. Gabe Hoffmann of Hartford, then lost to Slinger's Tim Peters, 2-6, 2-6 in the semis.

Jacob Larson of Pius XI was scheduled to be Schnider's next opponent in the battle for third, but that match did not go far because the Pius team left when play was suspended.

Goeden and Chesak drew the eventual champions in the opening round. Czyny and Johnson, had been playing at No. 1 and 2 singles all year. The two KHS sophomores battled hard against the veterans,

losing 4-6 and 2-6 in a competitive match.

Next they posted a convincing 6-2, 6-0 victory over King's Tzouch Vang and G. Shia Lor, and after a 45-minute wait started the consolation finals vs. Slinger's Tom Melius and Justin Burns, losing the first set 2-6.

Rahlf and Brogaard got overwhelmed by Germantown's Reid Pohland and John Loftus 0-6, 1-6 in Round 1, then roared back with a 6-2, 7-5 win over Evan Sievers and Ryan Strupp of Slinger to advance to the consolation finals.

Heniadis and Lehmann beat Tate Stoeckmann and Brian Sommer of Hartford 6-0, 6-0, then lost to Germantown's Ryan Sobczak and John Weber 1-6, 1-6 before the rains came and were scheduled to meet a Pius duo for third.

At No. 4 singles, Andrew Neu finished 1-2, losing his first match to Sam Smith of Pius XI, 4-6, 4-6, then topping Hartford's Jim Cemon 6-2, 7-5. In the consolation final, he lost to King's Erick Fisher, 2-6, 3-6.

The only player not to win a match was senior Noel Bindrich, who lost to Faizon Mahmood, 1-6, 1-6 and then to West's Jack Miller, 1-6, 2-6.

After some negotiating between the coaches, medals were given to places leading in their matches or those whose opponents did not want to finish the matches.

KHS was scheduled to host Two Rivers on April 28, but the match was postponed because of the cold weather.

### Kewaskum 5, Kewaunee 2

On April 26, the Indians swept the double matches and Prochnow outlasted Jonah Schneider at No. 1 singles toward a 5-2 East Central Conference win over host Kewaunee.

"Michael Prochnow went into a tie-breaker in the first set and won. He lost the second set, so he went into the third set and won that set at 6-0," co-coach Julia Duquaine said.

Chesak and Goeden remained unbeaten at No. 1 doubles, as did the No. 2 duo of Zach Brogaard and Cole Rahlf. Both won in straight sets.

With the win, the Indians are 2-0 in EC Conference.

Singles: No. 1 Prochnow def. Schneider 6-6 (9-7), 1-6, 6-0; 2. Bindrich lost to Ben Karnitz, 4-6, 4-6; 3. Schneider lost to Ben Mastalie, 2-6, 5-7; 4. Neu def. Nolan Konop, 6-2, 6-4.

Doubles: No. 1 Goeden/Chesak def. Will Hewett/Justin Pazdera, 6-1, 6-2; 2. Brogaard/Rahlf def. Matt Seidl/Nathan Picus, 6-1, 6-0; 3. Schellinger/Heniadis def. Scott Clausen/Ryan Kinjerski, 6-0, 6-0.

Kewaskum High School student Michael Prochnow holds his plaque for the Wisconsin Football Foundation Scholar Athlete Award as the local nominee and award recipient. The WFF is a chapter of the National Football Foundation.

## A's Fall In League Opener To Rubicon

The Kewaskum A's came up short in their Rock River League opener, falling to the Rubicon Red Sox by a 12-7 score on Sunday afternoon, May 1.

The A's trailed 2-0 after one inning, but RBIs from Devyn Zillmer in the second and Alan Carrasquillo in the third tied the game at two apiece. The tie game didn't last long though as Rubicon erupted for four runs in the bottom of the third inning and never trailed the rest of the

way.

Despite being down, the A's continued to battle scoring single runs in the fifth and seventh innings on a Mike Prochnow RBI single and Adam Sarauer RBI double. The A's tallied three more runs in the eighth thanks to a two-RBI double by Harry Steldt, but that was as close as they would get.

The group of Jordan Dreikosen, Jim Ziegler (loss), Austin Cairo and Brad Young each tossed two innings apiece on the

mound. Much like in last week's game though, each pitcher struggled in their first inning on the mound before settling in.

Offensively the A's were led by Harry Steldt (2B, 2 RBIs) and Brad Young who each finished with two hits. The A's next play Thursday night, May 5, as they travel to take on the West Allis Nationals (7:30 p.m.) for a SEWBL contest and then again on Sunday (1:30 p.m.) for a Rock River League matchup.

Jake Hrica lands his jump for Kewaskum in a track meet on April 22.

photo by Austin Fischer

## Kewaskum Youth Soccer Results From April 30th

The U7 Phoenix played a tough game against the Richfield Badgers tying the game 5-5. Izzy Lang scored her second goal of the season. Oliver Grover scored a goal and Colton Rabe scored three. The Phoenix are really starting to come together working as a team this year.

U7 Fireballs suffered a loss to Jackson 1-4 this past Saturday. Aaron Schmidt scored for the team and had a couple of blocked shots. Eleanor Schulz and Shaye Bartel came close to goals and Lydia Geidel made several key defensive plays. Elsa Rettler had her best game ever showing amazing breakthroughs on defense and dribbling. Brady Flood played some great defense at the goal while Cece Broughton went to the ball every time at mid-field trying to stop the other team. Delia McHenry and Kaylee Flood played solid games despite the cold weather.

The U8 Hurricanes beat the Hustisford Cobras 7-3. Bryce Wildt and Liam Stoffel had three goals each. Cooper Saeger added another goal right after half to give the Hurricanes a solid lead. Gabe Bestul and Kaysen Stange lead the Hurricanes with some solid defense to keep the Cobras at bay. Great overall team effort by the Hurricanes which now gives the team a 2-0-1 record.

The U8 Suns played a hard fought game against Hartford on Saturday with a score of 3-3. The scoring was consistent throughout the game as the Suns scored goals in the first, third and fourth quarter. Neither team could break the tie score in the fourth quarter. All players put in a strong offensive and defensive effort. Scoring was Kingston Grisolono with three goals.

It was a great day of offense for the U-8 Cyclones as four of six players scored, highlighted by Elli Calliari scoring twice. Taylor Daniel used the Florida sun she was in all week while on vacation to stay hot and scored her first goal of the season. Malora Moluf played great defense and added a second quarter goal. The Cyclones continued their early season improvement by playing the Jackson Cheetahs to a 5-5 draw.

The U9 Flash took to the field on Saturday against the Juneau Rage with a score of 0-4. There was good goalie efforts by Emma Sielski, Brooklyn

Grisolono, Nathan Voltho and Caitlin Finger. Along with those efforts, there was some good defensive playing by Jason Maas, Casey Schmidt, Eden Korth, Lauren Rettler, Riley Kuehl, Nick Paul and Madilyn Maurquardt. Keep working hard Flash!

The U10 Spartans had a fantastic game this weekend showing that hard work and determination pay off. They played the Slinger Gladiators and won 11-5. Throughout the game the Spartans showed true teamwork through their passing and setting one another up to score. Those to score in the game were: Timmy Hafemann (3), Dawson Stahl (2), Calla Kreuser (2), Diesel Fellenz (2), Meghan Clausing (1) and Wyatt Tye (1). Alex Severance and Cassandra Gudex proved to be a force to be reckoned with in defense.

The U10 Aztecs had a rough game Saturday April 30th. A good first quarter goal from Caleb Galecke brought Kewaskum to a 2-1 deficit at half time. Good defense, with good goalie play from Daniel Jungers and Emily Burmeister, in the second and third quarters left the score 2-1 but a very aggressive Hartford club played strong defensively and pushed through to a win over Kewaskum, the score 1-4.

On April 28, the U10 girls Warriors remain undefeated with a hard fought and great comeback game to force a tie against a very aggressive Erin team. Erin opened the first half with a quick two goals to set a fast pace game. The Warriors de-fense then tightened up and kept the Wolfhounds out of the goal the remainder of the first half. Erin also scored a quick goal to open up the second half but Kewaskum then went on a streak of three goals to close the scoring gap to one. Late into the game, the Warriors offense was able to score the tying goal ending the game 4-4. Scoring was Brooke Gruen (2), Abby Gerhartz (1) and Emilie Steinbauer (1).

On April 30, the U10 girls Warriors continued their hot streak and undefeated season with a high scoring and defensive shut out against Hartford, 5-0. They started out the game on fire with three quick goals in the first quarter. All the defensive players kept Hartford's attack at bay by clearing the ball out of the goal area. The warriors scored one more goal in each of their second and third quarter to lock up a solid win. Scoring were Brooke Gruen (3) and Jadin Czuppa (2).

The U12 Storm fought hard against the Richfield Eclipse, but lost 0-10. Jenna Adelman protected the goal well despite being ill. Autumn Rabe stepped in as goalie after attacking the opponent's goal as forward. Delanie Vogt and Bella Schoofs

played great defense. Mikaela Marquardt and Morgan Adams showed good versatility playing both forward and center midfield. All the players displayed great teamwork and supported one another throughout the game.

The U12 Fury played an excellent game on Saturday against the Erin Fight'n Irish coming away with their first win of the season with a score of 2-1. Kaidan Dieringer had the first goal of the game and Calvin Stram had the second. Marie Buddenhagen has become an excellent forward with great ball handling and excellent passing.

The Girls KYSO U10 Warriors Soccer team continued its success with a thrilling win on Wednesday night against an all boy Hustisford U10 soccer team. Hustisford started with an early goal in the first quarter but the Warriors continued to play strong defense and scored in the third quarter to tie the game. The Warriors went ahead with another goal in the fourth period but Hustisford once again tied the game with a late fourth quarter goal. The Kewaskum Warriors continued to play great offense and defense late in the game and were able to score a late fourth quarter goal with only moments left in the game and held on for a dramatic and memorable win.

Scoring – Jadin Czuppa (1) Emma Schultz (1) Abby Gerhartz (1)

Score: 3-2 (Kewaskum Warriors win)

The Girls KYSO U10 Warriors Soccer team continued its winning streak with a third win in a row on April 23 against the Hustisford U10 Ladybugs. The Kewaskum Warriors opened up with a second quarter goal and continued to dominate on offense with multiple shots on goal the rest of the game. The Warriors added two more goals in both the third and fourth quarters. The Warrior defenders kept the Ladybugs at bay by keeping the ball out of many scoring opportunities. The entire team put in a solid effort on offense and defense scoring in each quarter and posting a defensive shutout.

Scoring – Abby Gerhartz (2), Jadin Czuppa (2) Emilie Steinbauer (1)

Score: 5-0 (Kewaskum Warriors win)

The KYSO U8 Suns Soccer team played an intense game against Hartford on Saturday. The scoring was fast and often in the early portion of the game. Kewaskum jumped out to an early lead but Hartford was able to come from behind and take the lead in the third quarter. All players put in a strong effort showing great offense, defense and sportsmanship.

Scoring – Kingston Grisolono (3), Marisol Gurrola (1)

Score: 4-6 (Hartford win)

## A's Battle Back In Season Opening Win

The Kewaskum A's came out swinging in the season opener as eight players recorded hits (12 in total) to help the A's defeat the Milwaukee Beavers 9-7 in an exhibition game on Sunday, April 24, in Brownsville.

Each Kewaskum pitcher struggled early on, but settled in nicely, only allowing two ER on the day. Jordan Dreikosen (2 IP, 4 Ks), Austin Cairo (2 IP, K, win), Jim Ziegler (1P, 2Ks) and Brad Young (2 IP, K, save) all threw for the A's.

Milwaukee capitalized on an early defensive miscue to race ahead to a quick 2-0 lead in the top of the first inning, but the A's

responded back in the bottom half of the inning with a Nick Rosenthal two-out RBI single to cut the deficit to 2-1. The A's found themselves trailing 4-1 in the third inning, but put together a huge two-out rally to plate four runs and take their first lead of the day at 5-4. Adam Sarauer (RBI double) and Devyn Zillmer (2-RBI single) came up with big hits in the inning.

Kewaskum added to their lead in the fourth, plating three more runs as Adam Sarauer again delivered a big RBI single in the frame. The A's made this lead hold up the rest of the way as they hung on

for a season opening 9-7 win.

Brad Young 3x4, Adam Sarauer 2x4 (2B, 2 RBIs) and Nick Rosenthal 2x4 (RBI) led the A's offensively while Andy Neu, Devyn Zillmer and Mike Prochnow (2B) each chipped in with a hit apiece.

The A's next play tonight, Thursday, May 5, at 7:30 p.m. at West Allis. They play again on Sunday, May 8, at 1:30 p.m. at Grafton and in West Bend on Wednesday, May 11, at 7:30 p.m. against Pewaukee.

Kennedy Lehn pitches for Kewaskum High School in a game against Campbellsport on April 21. Kewaskum won the game, 2-1.

## West Bend Judo Club Plans Tournament

The West Bend Judo Club is planning its 44th annual tournament on Saturday, May 7, beginning at 11 a.m. in the UW-Washington County gym, 400 S. University Drive, West Bend.

Judo instructor Jon Sanfilippo will make a special presentation to long-time student, Lynn Roethke, two-time Olympian and 1988 Silver medalist. Roethke was recently promoted to 8th degree Black Belt by USA Judo (the highest authority of Judo in the US and recognized by the International Judo Federation, IJF). At 55 years old, she will be the youngest Judoka promoted to that rank and also becomes the highest woman Judoka currently alive in the U.S.

"The fact that Roethke started her Judo in West

Bend in 1967 with me as her coach when I was just 16 years old and that we are both still highly involved in the sport we love so much is a testament to a true life commitment. That was 49 years ago when we first started the West Bend Judo Club. This makes the event a very special honor for me in that she ask me to present her promotion to her where her Judo all started," Sanfilippo said.

The West Bend Judo Club will also make a special presentation of a set of three real samurai swords to show a direct connection of Judo to its martial warrior roots of Japan.

The event is sponsored by UW-Washington County, the West Bend Park, Recreation and Forestry Department and

the West Bend Judo Club.

Tenth degree Black Belt is the highest rank in Judo and currently there is no Judoka alive at that rank in the U.S., and there are just one or two 10th degrees currently alive in the world. These high ranks are really tough to come by in the world of Judo. Besides the approximate 120 Judo competitors in uniform, they expect this gathering will draw over 20 Judo Black Belts of all rank levels in full Judo uniform to be in attendance.

The tournament involves competition matches like high school and college wrestling. Matches are usually three minutes in length. Divisions are set by weight, age and gender, from 6 years old to masters in their 50s.

## A's Look To Rebound In 2016

The Kewaskum A's 2016 season got underway last weekend with a 9-7 win over the defending Rock Baseball League Champs the Milwaukee Beavers and everyone in the A's organization is hopeful this is a sign of a more productive season than last year's 20-25 campaign.

The quartet of Jason Strobel (outfield), Jim Ziegler (pitcher), Adam Sarauer (utility) and Brad Young (infield/pitcher) will collectively help manage the team this season as they look to compete again for a Rock River grand championship.

Other players expected to return full-time this summer include Jake Spaeth (infield), Tony Gonring (outfield), Jordan Kuczynski (infield) and Randy Finger (infield). Numerous veteran players have decided to hang up the cleats this off-season, so the A's will look to the newcomers Mike Aiello (catcher), Bille Lehman (outfield), Jordan Dreikosen (pitcher) and Austin Cairo (pitcher) to help fill those shoes.

The A's will also get key contributions, as seen by the first game of the year, from Nick Rosenthal (West Bend East), Andy Neu, Mike Prochnow and Devyn Zillmer (all of Kewaskum) before and after their high school seasons. Look for more additions to the roster as we

move into the spring/summer.

The A's will find themselves busy again this summer with a 40-plus game schedule while playing in the Rock River, Tri-County and Southeast WI Baseball Leagues. Due to some changes in the amateur baseball landscape this off-season, the A's find themselves in the Northeast Division of the Rock River League (19 games) with newcomers Cedarburg, Grafton, Plymouth, Saukville, Thiensville-Mequon & the West Bend Benders.

Additionally, the A's will be participating in the newly formed

Southeastern Wisconsin Baseball League (10 games) with the likes of the Kenosha Kings, Pewaukee Muskies, Sussex Cardinals, West Allis Nationals and West Bend 7-up.

Two challenging tournaments will complete this year's schedule as the A's will head back to Austin, MN, for the SPAMtown Challenge (June 24-26), while the second tournament will be the Wisconsin Amateur Baseball Classic that the A's co-host in West Bend (July 14-17). More information on both tournaments will be released at a later date.

### LEGAL NOTICES

#### SCHOOL DISTRICT OF KEWASKUM POLICY COMMITTEE MEETING AGENDA MONDAY, MAY 9, 2016 - 5:00 P.M. KEWASKUM HIGH SCHOOL AUDITORIUM 1510 BILGO LANE, KEWASKUM, WI 53040

Cindy Shaske, Town Clerk

**VILLAGE OF KEWASKUM  
VILLAGE BOARD MEETING  
April 18, 2016  
7:00 p.m.**

The Kewaskum Village Board, Washington County, Wisconsin, met in regular session in the Council Room of the Municipal Building, 204 First Street. President Scheunemann called the meeting to order at 7:00 p.m. Board members present were Richard Laubach, Richard Knoebel, Dave Zehren, Kevin Scheunemann, David Spenner, James Wright and Jim Hovland. Staff members present were: Mark Groeschel, Thomas Bishop, Dennis Aupperle, Stephanie Justmann and Matt Heiser. Members from the community and the news media were also present.

Notice of the meeting had been posted at the PNC Bank, Kewaskum Post Office and at the Municipal Building on April 15, 2016. Notice was also forwarded to the Village Board, Village Attorney, Village Engineer and the News Media. President Scheunemann opened the meeting with a Moment of Silence and Pledge of Allegiance. Motion by Richard Knoebel to approve the minutes from the April 4, 2016 meeting, second by James Wright. Voice vote, motion carried.

Ruth Moegenberg on behalf of the election workers requested to have the election wage increased from minimum wage. She presented a petition signed by the current election inspectors and stated she had requested the clerk to find out what other municipalities are paying election inspectors in the area. Clerk Justmann stated election wages range from \$8.00 to \$13.00. Motion by Richard Knoebel to increase the election inspector wage from \$7.25 to \$8.25, second by James Wright. The board discussed the motion. Motion by Richard Knoebel to amend his motion and increase the election inspector wage from \$7.25 to \$9.25, second by James Wright. Voice vote, motion carried. Fire Chief Groeschel informed the Board about the 2015 Annual Report that was reported to the Police and Fire Commission. Fire Chief Mark Groeschel also presented the March 2016 report:

Fire calls 3  
Year to date 11  
Intercept calls 1  
Calls to Ski Hill 0  
Rescue calls 24  
Miles 537.8  
Total training hours 329.00  
Year to date 782.06  
Police Chief Thomas Bishop informed the Board about the 2015 Annual Report that was reported to the Police and Fire Commission. Police Chief Thomas Bishop presented the March 2016 police report:

Ordinance Citations 9  
Ordinance Warnings 8  
Traffic Citations 61  
Traffic Warnings 92  
Traffic Accidents 7  
OWI Arrests 0  
Felony Charges 0  
Misdemeanor Charges 7  
DPW Working Foreman Dennis Aupperle reported on the DPW activity:  
Street sweeping has started and should be completed this week.

The parks have been cleaned and the water has been turned on.

Fourteen people used the municipal yard on April 16th the first Saturday it was open. The school zone parking signs have been updated. Dennis Aupperle asked for direction in what portion of the curb and gutter should be replaced during the Meadow Lane street project. Approximately 450 feet is currently part of the project. It is not determined if all should be replaced. The Board direction

was to have an alternate bid as part of the bid proposal to include replacing all of the curb and gutter.

Administrator Heiser: The Board direction was to conduct an on-line survey for establishing a vision and mission statement. Paul Roback, the Community Development Educator at UW-Extension, will meet with the Board to discuss the results and finalize the Vision Statement and Mission Statement.

The Village of Kewaskum will host the next Chamber Networking Session at the fire department on May 25, 2016. The switch over to Ethoplex, the new internet carrier, is 90% complete.

Village Clerk Stephanie Justmann reported Congressman Sensenbrenner will be holding office hours at the Municipal Building on May 9, 2016 at 10:00 a.m.

Jim Hovland, Representative for the Plan Commission, announced the next meeting scheduled for April 25, 2016 has been cancelled due to a lack of agenda items.

David Spenner, Representative for the Library Board, reported on the April 11, 2016 meeting. The Library Board is in the process of filling the Children's Library Assistant position.

Jim Hovland, Representative for the Mid-Moraine, reported on the April 13, 2016 Legislative Sub-Committee Meeting. The topic of the meeting was home inspection at the point of sale.

Motion by David Spenner to approve the discount for a Kiwanis Season Pass for individuals to be \$29.75 and a family pass to be \$51.00 for village residents only, second by James Wright. Voice vote, motion carried.

Motion by Richard Knoebel to disallow the insurance claim for Krewald, second by James Wright. Voice vote, motion carried.

Motion by David Spenner to approve the updated Administrator evaluation scoring process, second by Jim Hovland. Voice vote, motion carried. The total points will adjust by how many sections are completed.

Motion by James Wright, second by Jim Hovland to approve the issuance of an operator's license for 2015/2016 as listed. The police department had no objections.

Thisted-Klemp, Erin A. Kewaskum, WI  
Motion by James Wright to adjourn at 7:46 p.m., second by Dave Zehren and carried by roll call vote. Laubach-aye, Knoebel-aye, Zehren-aye, Scheunemann-aye, Spenner-aye, Wright-aye, Hovland-aye (7-0-0)

5-5 WNAXLP  
Stephanie Justmann,  
Clerk /Deputy Treasurer

**BOARD OF REVIEW  
TOWN OF WAYNE  
WASHINGTON COUNTY  
STATE OF WISCONSIN**

NOTICE IS HEREBY GIVEN that the Board of Review for the Town of Wayne, Washington County shall hold its first meeting on the 25th day of May 25, 2016 from 5:00 p.m. to 7:00 p.m. at the Wayne Town Hall, 6030 Mohawk Road, Campbellsport, WI 53010.

Please be advised of the following requirements to appear before the board of review and procedural requirements if appearing before the board:

1. No person shall be allowed to appear before the board of review, to testify to the board by telephone, or to contest the amount of any assessment of real or personal property if the person has refused a reasonable written request by certified mail of the assessor to view the property.

2. After the first meeting of the board of review and before the board's final adjournment, no person who is scheduled to appear before the board of review may contact, or provide information to a member of the board about the person's objection, except at a session of the board.

3. The board of review may not hear an objection to the amount or valuation of property unless, at least 48 hours before the board's first scheduled meeting, the objector provides to the board's clerk written or oral notice of an intent to file an objection, except that upon a showing of good cause and the submission of a written objection, the board shall waive that requirement during the first two hours of the board's first scheduled meeting, and the board may waive that requirement up to the end of the fifth day of the session or up to the end of the final day of the session if the session is less than five days with proof of extraordinary circumstances for failure to meet the 48-hour notice requirement and failure to appear before the board of review during the first two hours of the first scheduled meeting.

4. Objections to the amount or valuation of property shall first be made in writing and filed with the clerk of the board of review within the first two hours of the board's first scheduled meeting, except that, upon evidence of extraordinary circumstances, the board may waive that requirement up to the end of the fifth day of the session or up to the end of the final day of the session if the session is less than five days. The board may require such objections to be submitted on forms approved by the department of revenue, and the board shall require that any forms include stated valuations of the property in ques-

tion. Persons who owe land and improvements to that land may object to the aggregate valuation of that land and improvements to that land, but no person who owns land and improvements to that land. No person shall be allowed in any action or proceedings to question the amount or valuation of property unless the written objection has been filed and that person in good faith presented evidence to the board in support of the objections and made full disclosure before the board, under oath of all of that person's property liable to assessment in the district and the value of that property. The requirement that objections be in writing may be waived by express action of the board.

5. When appearing before the board of review, the objecting person shall specify in writing, the person's estimate of the value of the land and of the improvements that are the subject of the person's objection and specify the information that the person used to arrive at that estimate.

6. No person may appear before the board of review, testify to the board, or by telephone, or object to a valu-

ation if that valuation was made by the assessor or the objector using the income method of valuation, unless the person supplies the assessor all the information about income and expenses, as specified in the assessor's manual under s 73.02 (2a), Wis stats., that the assessor requests. The Town of Wayne has an ordinance for the confidentiality of information about income and expenses that is provided to the assessor under this paragraph, which provides exceptions for person using information in the discharge of duties imposed by law or the duties of their officer or by order of a court. The information that is provided under this paragraph, unless a court determined that it is inaccurate, is not subject to the right of inspection and copying under s. 19.35 (2), Wis stats.

7. The board shall hear upon oath, by telephone, all ill or disabled persons who present to the board a letter from a physician, surgeon, or osteopath that confirms their illness or disability. No other person may testify by telephone.
