A 1969 Firebird convertible is one of the 500 cars that was featured at Kewaskum's Classic Car Show, which was held to benefit local residents on Sunday. The Firebird's owner, Dan Heino, purchased the car in 1997 from Tom Kudek, who was one of the show's beneficiaries last year and who lost his battle to cancer in June.

Car Show Attracts Classic Crowd

By Anne Trautner

There were old Chevies, Studebakers, Farmalls and Ford beauties. They came in all forms: noisy, shiny, rusty and sleek.

In all, about 500 classic cars gathered in downtown Kewaskum for the Classic Car Show and Benefit on Sunday, Sept. 18.

The show benefited area residents Troy Krezinski, who has colon cancer, and Jason Anderson, who suffered a head injury last winter.

Funds will also be used to help families in need throughout the year.

Hundreds of people turned out for the occasion, with the cars awing people of all ages.

For the car owners, it was a chance to get together with other car enthusiasts. And it was an opportunity to share the stories of their cars.

"It's a very nice turnout this year. I like how this helps the community," said Sharon Proefrock, who traveled from Waldo Kewaskum with her husband,

Lynn Proefrock, in their 1967 blue Chevelle. "We love coming to the car show and talking to all these people, and seeing things that they did to their cars."

The Proefrocks' car was one of just a few unrestored vehicles in the show.

It is a car that Sharon and Lynn Proefrock never thought they would find.

Over the years, the couple has owned numerous cars. They currently have two other collector cars, a 1937 Chevy pickup and a

1937 Plymouth.

Before getting the Chevelle, Sharon thought they had enough cars. But she yearned for the old car that Lynn had when she first met him.

"Don't bring one more car home, unless it's a '67 Chevelle," Sharon would tell her husband, dreaming of that old car.

Pumpkin Patch Dash To Raise Money For Alzheimer's Research

By Anne Trautner

Saturday, Sept. 10.

Larry and Barb Laux have been organizing races for the past eight or nine years at their farm, Pleasure Valley, located in Adell.

But until now, the races have been for pigs, ducks or goats.

On Saturday, Sept. 24, at 9 a.m., they will hold the Pumpkin Patch Dash, a 5K run/walk on trails around a pumpkin patch, corn field, corn maze and hay field. Proceeds from the race will go toward Alzheimer's research.

A 1K fun run will be held for children at 10 a.m.

Many of the people in the area are familiar with the animals on the farm, since they have been running in the pig and duck races at the Washington County Fair for the past three years.

Llamas

While running around the farm, Pumpkin Patch Dash participants will pass the 75 llamas that call Pleasure Valley home.

The four-legged animals recently made news when twin llamas were born on

the ninth set of llama twins recorded by the North American Llama Registry, which has been keeping track of twin llamas for 16 years.

The Laux family had never seen twin llamas before in their 25 years of raising llamas. They definitely were not expecting to see twins last week.

"It was quite a fluke. We saw one baby by itself and we spent over an hour looking for who the mom was," Larry said.

While they were trying to figure it out, the mother left her other baby and came to feed her 12-pound newborn. And the Laux family realized there were twins.

People will be able to see the famous llama twins when they come out to the farm.

"Oh my gosh, they are so cute, and they are very healthy," Larry said.

Family Farm

Pleasure Valley has been in the Laux family for 149 years.

Area Municipalities Prepare For Election Day

By Anne Trautner

Area municipalities are preparing for Election Day, which will be on Tuesday, Nov. 8.

Local residents will be able to cast their votes for the presidential election, as well as for the local referendum to authorize the Kewaskum School District to issue general obligation bonds not to exceed

\$28.42 million for the cost of site improvements, new construction, renovations and modernization of Kewaskum Middle School and Kewaskum High School.

People have longer to cast absentee votes than they ever have in the past. With new election law changes in place, absentee voting is no longer restricted to the two weeks

before the election.

Municipalities are now permitted to begin accepting absentee votes as soon as they receive ballots. The Village of Kewaskum received the ballots on Monday, Sept. 19, but will wait until Oct. 3 to start holding absentee votes, Village Clerk Stephanie Justmann said.

Continued on Page 17

Larry Laux, owner of Pleasure Valley Farm in Adell, entertains the crowd at the Washington County Fair this summer as he announces a duck race. His farm will hold a race on Saturday to raise money for Alzheimer's research.

Kewaskum High School Graduate Completes Nursing Externship

– Experience at Mayo Clinic In Minnesota Provides Valuable Experiences

By Anne Trautner

When Kaila Nigh, a senior nursing student at Marian University in Fond du Lac, applied for an externship at Mayo Clinic in Rochester, Minn., she did not expect to be selected.

So when she heard that she was one of 53 students selected from 900 applicants from across the country for a 10-week externship at Mayo Clinic in Minnesota, she couldn't believe it.

"I was shocked," said Nigh, who graduated from Kewaskum High School in 2013.

The 10-week undertaking was an incredible learning experience, 21-year-old Nigh said.

During her time at the esteemed hospital, Nigh saw numerous medical procedures be performed. She watched as a kidney was removed from a woman's body and transplanted into her husband's body.

In the Neurology ICU, she watched as cerebral spinal fluid was drained from a patient's head. She also spent time learning about flight nursing at Mayo One, which is Mayo's equivalent for "Flight for Life."

In the various departments, Nigh learned how to perform nursing duties by watching the nursing staff work. But she also learned from the nurses' mindset.

"They taught me that you never stop learning. Diversity was a real big thing there because they have so many people that come there from all over the world. So it is important to be really receptive to the needs of different people. They might have different priorities than you would if you were in the hospital, but you need to take into the fact that the needs of the patient come first," Nigh said.

Nigh worked in 20 different departments while she was at Mayo this summer, but she especially enjoyed working on the specialized floors such as the Neurology ICU and the respiratory care unit. As she was exposed to various situations, she learned which jobs she enjoyed.

"I got to talk to a couple patients who were waiting for transplants, and I really liked talking to those patients because they have such a positive outlook that I never would have thought someone like that would have," Nigh

said.

Nigh's favorite department was probably pediatrics.

"A lot of people say they wouldn't want to do peds because the kids would make them sad, but what I found was that kids are so resilient. They come back from the surgery and they are awake, they are talking to you, they are ready to get up and moving when you ask them to. They just thrive so much better after going through that. I, just think it's awesome to see them come out of that and become functional members of society," Nigh said.

But Nigh witnessed some heartbreak as well.

"I think the hardest thing to see was when patients came in and they didn't have the support that most patients had. When they came in by themselves and they didn't have anyone seeing them after surgery, or when they were being discharged and a taxi was coming to pick them up," Nigh said. "The medical complications that happen we can treat most of the time, but when patients don't have any support, it kind of makes you wonder how well they really are going to be able to recover once they leave the hospital."

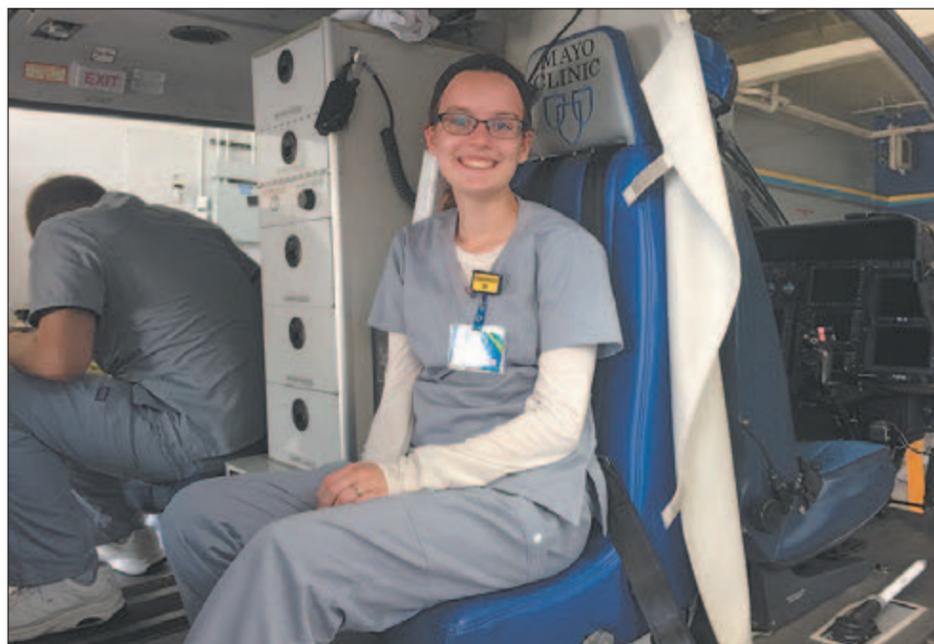

Externship

An externship is similar to an internship, except students don't get any college credit for the work. However, they are paid for their work.

While working at Mayo, Nigh stayed at a local college and had roommates from Kentucky, Idaho and Missouri.

The roommates learned a lot about nursing, but they also got to experience some of the fun things Minnesota offers.

Nigh went to the Mall of America twice and spent one night in Minneapolis. She visited a rose garden and went boating on the Mississippi River.

Kaila Nigh, a nursing student from Kewaskum, learns about Mayo One, which is Mayo Clinic's version of Flight For Life, this summer.

-photo submitted

She also went to Water Ski Days in Lake City, Minn., the birthplace of waterskiing.

And Nigh went to Austin, Minn., where her great-grandfather had lived and toured the Spam Factory there.

During the workday, Nigh was the only extern who was selected to float between the different units. The others 52 students were each assigned to just one unit for the 10-week period. Over the course of the summer, Nigh cared for about 400 patients.

"It was an amazing experience. I loved being able to work at the Mayo Clinic," Nigh said.

Mayo Clinic

When Nigh arrived in Minnesota in June, the first couple days of work were an orientation to the Mayo Clinic. That encompassed learning about Mayo the Clinic's history, including touring the homes of the Mayo brothers.

"Seeing the historical homes really helped put the pieces together," Nigh said.

Mayo Clinic was formed after a tornado struck Rochester, Minn., on Aug. 21, 1883, killing 37 people and injuring more than 200. A temporary hospital was established at the city dance hall.

Among the doctors treating victims of the tornado was William Worrall Mayo. His two sons, William James Mayo and Charles Horace Mayo,

who also became physicians, helped with the effort.

Mother Alfred Moes and the Sisters of Saint Francis helped with the effort.

After the tornado, Moes asked W.W. Mayo if he would establish a hospital in Rochester. Mayo was hesitant.

"At the time, hospitals were where people went to die, basically. [Mayo] said he didn't want to be involved in that," Nigh said.

But the sisters suggested they make a hospital where people would go to get better.

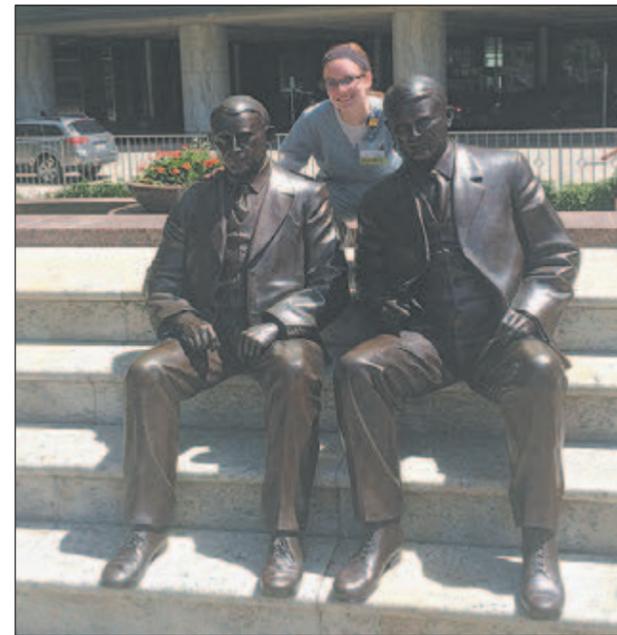

Mayo agreed, and on Sept. 30, 1889, Saint Mary's Hospital opened,

marking the beginning of the Mayo Clinic.

Today, Mayo Clinic includes more than 3,300 physicians, scientists and researchers. Thousands of people from around the world travel each year to Mayo Clinic locations in Arizona, Florida and Minnesota.

Mayo Clinic is currently ranked the number one hospital overall by U.S. News & World Report. It is a place Nigh is considering applying to work when she graduates.

"I'm just going to keep in touch with my supervisor and the nurses that I worked with, we'll just see what happens in May when I graduate," Nigh said.

Kaila Nigh poses with a statue of the Mayo brothers in Minnesota, where she completed an externship this summer.

Gateway Cafe Hosts Kewaskum Chamber Event

Helen Lauters, owner of Gateway Café and Catering, hosted the "Meet and Greet" for the Kewaskum Chamber of Commerce members and guests on Thursday, Sept. 15.

The event was part of a monthly program that the chamber sponsors to provide networking opportunities for chamber members. Each month the event is held at a different venue.

At this month's event, Lauters shared information about her business.

Lauters was born in Campbellsport. She grew up with nine people in the family sitting down to dinner each night, and Lauters got used to making large quantities to keep the family happy. This is where she found her passion - a passion for cooking and cooking for large groups of people. The family was involved in farming until 1970 when the farm was sold and her mom and dad retired.

1970 was also the year that Lauters was married. She has three children who live in the area. Her daughter works at West Bend Mutual and her two sons are responsible for the Harley Davidson store in West Bend. The whole family helps Lauters out when there is a big event either thru the restaurant or catering business.

Lauters started catering on the side when her mother was alive. Lauters started working at the McDonalds in West Bend in 1989 in the food service area. She then moved to the Perkins Restaurant in West Bend. She then spent 12 years at West Bend Mutual, starting as a brilliant cook and ending up as the events coordinator for the company.

What Lauters really wanted was to be in charge of a place that specialized in home cooking and catering. In January 2006, she realized her dream by becoming owner of Gateway Café and Catering. It has been an interesting chapter in her life. Lauters wants to continue to keep the tradition of home cooking going. Flea markets, which were every week in the summer, are now hosted by her business two times per year. The Car and Tractor Show which Lauters started this year with the help

HELEN LAUTERS

of her grandson, was a big success.

But what Lauters is most proud of is the food. People come every three weeks to eat her "Pork Hocks." The next Pork Hock Dinner is Thursday, Sept. 22.

At the Threshold 50th Anniversary Dinner, Lauters arranged for the "Racing Sausages" to make an appearance. For another big event, Westbury Bank had Lauters and her staff cater their 35th Anniversary

Celebration. Lauters caters many funerals, showers, wedding anniversaries and birthday parties in the community.

Lauters employs 17 dedicated employees and three college students. Each of them is flexible in their job duties. Lauters emphasizes cooking and seasoning soups by taste. All in attendance at the "Meet and Greet" could smell the delicious odors of hamburger vegetable soup in the making, as well as beef tips and turkey, which are two of the specialty meals at the restaurant.

Lauters, family and staff yearly cater the free Thanksgiving meal for people in Washington County without a place to go residents every year at St. Mary's in Barton. This year there are 800 people expected.

Lauters would like to offer some specialty cooking classes in the near future.

Lauters does make a difference in our community and is a proud Kewaskum Chamber member.

XYZ Card Results

The winners of cards played at the Municipal Building Annex on Wednesday, September 14, were:

Sheepshead: Joyce Herriges, Jerry Schneider, Mary Ciocarelli, Fern Kreif, Barbara Schneider, Gus Muencho and Bonnie Stoltzmann.

New members are always welcome. Cards are played from 8:30-11:15 a.m. every Wednesday.

Tuesday Night Sheepshead Winners

Five-handed winners on Tuesday, September 13, were: Don Schoonenberg, 59-6-53, 20-4-16; Jerry Rosenthal, 59-6-53, 17-4-13; Jerry Wiedmeyer, 54-2-52, 15-2-13; Joe Reimer, 57-8-49, 23-5-18; Chick Flynn, 63-16-47, 23-8-15; Marlene Kirchner, 53-6-47, 17-3-14; Gerald Rate, 66-19-47, 19-10-9; Duane Plath 19 most losses and Dave Burmesch 12 low points.

The next five-handed call-an-ace will be Tuesday, September 27, at 7:30 p.m. sharp. New players are always welcome at the Kewaskum Labor Center.

KEYS 5K Run/Walk Set For Sunday, Oct. 9

By Anne Trautner

The 23rd annual KEYS 5K run/walk will be held in Kewaskum on Sunday, Oct. 9, to raise scholarship funds for Kewaskum students.

The run/walk, which begins and ends at the high school, follows a course that winds around the Kewaskum schools and onto the Eisenbahn trail. The race begins at 11 a.m.

KEYS, which stands for KEwaskum Youth Scholarships, is a nonprofit organization that was formed in 1985 to provide scholarships for Kewaskum students. Last spring the organization awarded \$111,000 in scholarships to 38 graduating seniors.

Some of the scholarships are designated with specific criteria, such as the student must have attended Farmington Elementary School or the student must be pursuing a specific degree, such as nursing, education, agriculture or planning to attend the University of Wisconsin-Washington County.

Last year, 539 people registered for KEYS 5K run/walk. The run typically raises \$20,000 for scholarships for graduating Kewaskum High School seniors, according to Connie Zemlicka, who

serves on the KEYS board of directors. This year, KEYS has the largest number of sponsors it has ever had for the run. Sponsors include businesses, individuals and organizations.

"We couldn't do it without their support," Zemlicka said.

Not only does the KEYS Run/Walk raise money for scholarships, but it helps raise awareness among the students themselves. Students begin learning about the scholarship program at an early age by becoming involved with the run/walk.

Teachers at Kewaskum Elementary School have been leading students in activities to prepare them for the KEYS Run. Students at the iLearning Community School and Farmington Elementary School will participate in a Mini KEYS Fun Run at Farmington Elementary on Sept. 30.

"Getting kids involved at an early age helps them to know about KEYS so that as they get old enough to be eligible for a scholarship, they feel it is something they have participated in," Zemlicka said.

The run also helps to put into practice what the students have been learning about exercise, good nutrition and healthy living,

Zemlicka said.

On the actual race day, Sunday, Oct. 11, a free kids run will be held for ages seven and younger at noon.

For adults, the pre-registration entrance fee is \$20 per person. Race day registration is \$25 per person.

Cash awards will be presented to the top three overall male and female runners. A \$200 cash bonus will be awarded to anyone who breaks the 5K run record of 17:58 for females and 16:09:02 for males.

To receive a T-shirt, pre-registration is required by Saturday, Oct. 1. Packet pickup is Wednesday, Oct. 5.

Participants should pick up their packets at the race headquarters at Kewaskum High School, 1510 Bilgo Lane, on race day.

Race day registrations are accepted at the race headquarters from 9 to 10 a.m.

To pre-register for the run, or to make a donation in memory or in honor of someone, go to keys-scholarships.org. Online registration requires online payment. Registration forms and checks can also be sent to KEYS, P.O. Box 124, Kewaskum, WI 53040.

For more information, email KEYS.scholarships@gmail.com.

KEWASKUM YOUTH BASKETBALL REGISTRATION

Kewaskum Youth Basketball (KYB) is a non-profit organization that provides local kids with the opportunity to experience the fun of competitive basketball while improving their basketball skills and learning life skills such as teamwork, sportsmanship, commitment and responsibility. Participation is open to kids in grades 3-6 who reside in the Kewaskum School District. KYB is the only youth basketball organization that works with Kewaskum's High School Varsity Basketball Coaches to ensure the philosophies and skills required at the High School level are being taught.

The 3rd grade program is focused on introducing kids to the fundamentals of basketball and will run from early November to mid-January. 3rd grade will not play a competitive league schedule.

The 4th-6th grade programs are focused on developing skills and participating in a competitive league environment. 4th-6th grades will run from early November to late February/early March. Teams will play approx. 15 league games (games are on Saturday mornings/early afternoons) against teams like Campbellsport, Eden, Lomira, Laconia, Oakfield and North Fondy. Teams also participate in a minimum of 1 tournament.

Teams typically practice 1-2 evenings per week in School District Gyms. 4th, 5th and 6th grade participants will also have the opportunity to be ball boys and girls for the Kewaskum Indians High School Varsity basketball teams throughout the season.

Sunday, Sept. 25th & Sunday, Oct. 2nd
Kewaskum High School Cafeteria
6 p.m.-7:30 p.m.

Registration Deadline: October 3, 2016

Forms are available at www.kybhops.org
If you have any questions, please contact Kory Dogs at (262) 853-3912 or kdogs10@frontier.com

Wed.-Thurs. 9AM-4PM
Friday 9AM-2PM

OBITUARIES

Allen "Al" Richard Staehler

Allen "Al" Richard Staehler died unexpectedly on Friday, September 16, 2016 in the afternoon. He was 62 years old.

Allen R. Staehler was born on May 23, 1954, in West Bend. He was the third son to Roman and Regina Staehler.

Allen lived in Kewaskum, on the family dairy farm all of his life. He dedicated himself to taking care of the farm.

Allen attended grade school at Holy Trinity and graduated from Kewaskum High School. He belonged to Holy Trinity Church in Kewaskum, and was a devote Catholic, who cared deeply about his faith. Allen's sense of humor, simple nature and love for God is best remembered. Allen prayed the Rosary every night and mostly watched EWTN, but also enjoyed watching the Packers, NASCAR, and Brewers. He also liked watching ME TV, the Andy Griffith Show and The Lone Ranger.

He was an active member of the Knights of Columbus. He was generous in donating to various charities.

Allen resided with his parents and helped with the farm. He felt that was his calling in life. He never married and was a very shy, quiet man. After his father passed away, he was left in charge of the farm and taking care of his mother. He devoted his life

to the farm and taking care of others. Despite the challenges and struggles of everyday life, Allen was content with his life and thankful for what he was given.

In 2006, Allen agreed to the new construction of a home which he shared with his nephew, Brian. In the comforts of this home, Allen was able to have his own private living quarters. He was so thankful to be warm in the winter and able to cool off from the summer heat, a luxury the original farm house could not provide. He was also able to closely share in the love of Brian's family, which included Brian's wife, Lesa and their two children, Hannah and Cole.

Although Allen never married and had children, he soon took on the role of not only an uncle, but a parent and grandparent to Brian's family. His love was always unconditional and genuine. Hannah and Cole adored him. Allen was a blessing to Brian's family.

Allen enjoyed going to visit his nephew, Kevin, in North Carolina. He rarely left Kewaskum, so this provided him with a new experience and a break from farming. He was excited to visit NASCAR and other sites with Kevin's family.

Allen also enjoyed visits from his family and friends. They were sure to put a smile on his face. He appreciated the times his great nephews, Collin and Taylor, would come help him on the farm.

Allen is survived by his farm dog, Tasha, and two brothers, John (Karen) Staehler and Tom (Pat) Staehler and nieces and nephews Deb (special friend Joel), Rick (Kristin), Troy (Shelly), Brian (Lesla), Kevin (Tamara), Nick (special friend Mandie) and Katie (Andy). Also, he is succeeded by many great nieces and nephews, Collin, Taylor, Maya, Ava, Hannah, Maggie, Cole, Sydney, Noah, Riley, Adalyn, Nia, James, and Ava.

Allen was preceded in death by his loving parents, Roman and Regina and their faithful farm dog, Harley.

A Mass of Christian Burial for Allen will be held at 11 a.m. on Friday, Sept. 23, at Holy Trinity Catholic Church in Kewaskum with Rev. Edwin Kornath officiating.

ating.

Allen's family will greet relatives and friends at the church on Friday from 10 a.m. until the time of Mass.

In lieu of flowers, the family requests that donations be made to the Kewaskum Holy Trinity "Angel Fund".

The Myrhum Patten Miller and Kietzer Funeral Homes have been entrusted with Allen's arrangements. Additional information and guest book may be found at www.myrhum-patten.com

A special thank you to the Kewaskum Rescue Squad, The Washington County Sheriff's Department and St. Joseph Community Hospital and their staff, along with Chaplain John and Fr. Edwin Kornath who responded to Allen's last needs along with family and friends.

Donald M. Stahl

Donald M. Stahl, 75, of Sheboygan Falls, passed away on Thursday, September 15, 2016, at Aurora Grafton Medical Center.

Don was born on August 21, 1941, to Monroe and Lorena (Krueger) Stahl at the family farm in Sheboygan County.

Don was a graduate of Waldo High School in 1959.

On September 1, 1962 he married Barbara Thalheim, she preceded him in death on November 14, 1992.

On August 16, 2002 he married Opal Koeller, she preceded him in death on September 21, 2010.

Don enjoyed woodworking, polka music, and John Deere Tractors.

Don is survived by his two sons, Mark (Connie) Stahl of Lake Mills and Rob (Christina) Stahl of Sheboygan; four grandchildren, Karry (Tony) Garza, Lisa Stahl, Jordan

Stahl and Elijah Stahl; four great grandchildren; his faithful companion, Daisy; two sisters, Joyce Schmidt and Bev (Louie) Luedtke; one sister-in-law, Brenda (Bill) Jensen; one brother-in-law, Jere Keller. He is further survived by nieces, nephews, other relatives and friends.

Don was preceded in death by his parents; his first wife, Barbara; second wife, Opal; special friend, Terri Pritzel; one sister, Eunice (Willard) Eimermann; one brother-in-law, Eugene Schmidt; one sister-in-law, Diane Keller.

A service will be held on October 15, at 11:30 a.m. at the Wenig Funeral Home in Sheboygan Falls.

Relatives and friends may gather from 10 a.m. until the time of service at 11:30 a.m.

Inurnment will take place at Beechwood Union Cemetery with a luncheon immediately following at the Beechwood Fire Hall.

A memorial fund is being established in Don's name.

For additional information and online condolences please visit www.wenigfuneralhome.com

The staff of the Wenig Funeral Home of Sheboygan Falls (920-467-3431) is assisting Don's family with arrangements.

Thomas J. "T" Piwoni

Thomas J. "T" Piwoni, 65, of Kewaskum, passed away on Sunday, September 11, 2016, at Elmbrook Memorial Hospital in Brookfield.

Tom was born on April 4, 1951 in Milwaukee, the son of Marian (Bingenheimer) Piwoni and the late Thomas G. Piwoni.

On May 13, 1978 he was united in marriage to Diane Theisen at St. Matthew's Catholic Church in

Campbellsport.

Tom was a member of Holy Trinity Catholic Church in Kewaskum. He graduated from St. Francis Borgia Catholic School and from Cedarburg High School. After graduation, Tom was employed at Simplicity in Port Washington. In his early 20's, he moved to Kewaskum where he owned/operated his first of many taverns in the Kewaskum area. During those years, he was also employed as a delivery route driver for Tombstone & Tradewinds Pizza for a number of years. In 1992 he began working at Gruber Tool & Die in West Bend and was employed there for 19 years before retiring in 2011. Tom also served as a Trustee on the Village of Kewaskum Board for several terms.

Tom enjoyed watching his kids play sports for many years & most recently loved to spend time with his grandchildren including watching them perform in their school programs. He was also an avid Kewaskum Indian, Packer, Badger & Brewer fan. He loved to socialize with everyone & will always be remembered by his infectious smile.

Those Tom leaves behind to cherish his memory include his loving wife, Diane, of 38 years; three children, Amy Uhlig, Luke (Stephanie) Piwoni and Chad Piwoni; his mother, Marian Piwoni; three grandchildren, Isabelle, Alivia and Langdon Piwoni; three brothers, Mark (Rita) Piwoni, Peter (special friend Pam) Piwoni and Michael (Kristine) Piwoni; three sisters, Mary Hamelink, Susan Mortensen and Catherine Piwoni; three sisters-in-law, Donna (Allen) Kreif, Anita (Jerome) Schladweiler and Carol (special friend Don) Theisen; a brother-in-law, Donald (Deborah) Theisen; 21 nieces and nephews, and many loving friends.

Tom was preceded in death by his father, Thomas G. Piwoni, his brothers, Jerome Piwoni, Leon Piwoni and Robert Piwoni, his niece Elicia Piwoni, and his parents-in-law, Arthur and Marian Theisen.

A Mass of Christian Burial for Thomas was held on Sunday, Sept. 18 at 5 p.m. at Holy Trinity Catholic Church, 331 Main St. in Kewaskum. Fr. Edwin Kornath officiated and burial took place on Monday at 10 a.m. at Holy Trinity Catholic Church Cemetery.

The Piwoni family greeted relatives and friends at the church on Sunday from 2 p.m. until the time of mass.

In lieu of flowers, memorials to the family are appreciated and will be donated to numerous charities/organizations including the WE BELIEVE campaign, American Diabetes Association and others.

The Myrhum Patten Miller & Kietzer Funeral Homes have been entrusted with Thomas's arrangements. Additional information & online guestbook may be found at www.myrhum-patten.com

Isabelle Muckerheide

Isabelle Muckerheide (nee Yeska), born July 6, 1918 in Neshkoro, WI. Reunited with her beloved husband Aloysius on September 20, 2016.

Isabelle was rightly proud of her 98 years and she savored each day of her very active life right up to the end. She was a life-long baker and cook; the larger the group, the better. (Did you know she cooked for Spencer Tracy and the original Mr. Selfridge?)

Isabelle was a long-time member of Holy Trinity Catholic Church, the Kewaskum Historical Society, and the American Legion Auxiliary.

She filled her days with auctions, book and card clubs, farmer's markets, bingo, knitting dishcloths, and writing poems. No family function was complete without one of Isy's literary creations.

Although she truly missed her Kewaskum neighbors and friends, she gracefully made the transition to her sister Dorothy's home in West Allis at the age of 96. There she relished the endless round of birthdays, baby/wedding showers and fish fries. It didn't hurt that she was closer to the Potawatomi Casino!

Known for wearing her colorful brooches, Isabelle will be even better remembered for her gracious and grateful spirit. As someone recently said, "She was the kindest person I ever met."

Survived by her sister Dorothy (the late Anthony) Kerhin. Also survived by many nieces/nephews, grandnieces/nephews, other relatives, neighbors and friends.

Preceded in death by her siblings Edward (the late Mardell); Helen (the late Clifford) Good; Walter (the late Millie); and Lucy (the late Henry) Kurz.

A Mass of Christian Burial for Isabelle will be celebrated at 11:30 a.m. on Tuesday, Sept. 27, at Holy Trinity Catholic Church, 331 Main Street, in Kewaskum. Rev. Edwin Kornath will officiate. Burial will follow in the parish cemetery.

Isabelle's family will greet relatives and friends at the church on Tuesday from 9:30 a.m. until the time of Mass.

In lieu of flowers, memorials suggested by Isabelle to Holy Trinity Catholic Church or St. Lawrence Seminary, Mt. Calvary.

The Myrhum Patten Miller and Kietzer Funeral Homes have been entrusted with Isabelle's arrangements. Additional information and guest book may be found at www.myrhum-patten.com.

Those we love don't go away.

They walk beside us every day.

Unseen, unheard, but always near.

Still loved, still missed and forever dear.

Love your wife Rosie and daughters Jodi, Julie, Sheri, Merri Jo and families.

A crane from the USS Guam LPH9 pulls the Gemini 11 capsule up out of the Atlantic Ocean after it landed 50 years ago on September 15, 1966. Ed Pfeiffer, who lived in St. Kilian, was serving on this ship and helped with the mission to recover the Gemini 11 from the sea.

-photo submitted

St. Kilian Man Part Of History 50 Years Ago

By Andrea Hansen Abler

Former St. Kilian resident Ed Pfeiffer was part of history 50 years ago. On September 15, 1966, the Gemini 11, part of the United States' space program, splashed down in the Atlantic Ocean after a three-day mission.

Pfeiffer, who died in late December, was stationed on the USS Guam LPH9. This was the Navy ship that was commissioned to pick up the astronauts and the Gemini 11 after it splashed down and guard the spacecraft.

His wife, Mary, said that this was a highlight for Pfeiffer. He talked about his work on the USS Guam and picking up the Gemini until the day he died. Pfeiffer knew, even then, that he and the rest of the crew were a part of history with this unique mission.

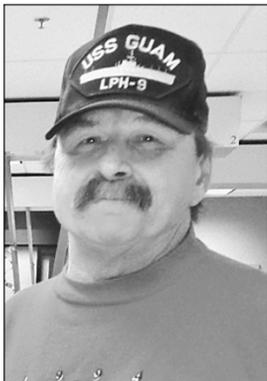

"Seeing it up close and realizing they had been up in space was exciting," Mary said. "They had practiced a lot."

The ship spent a lot of time picking up a dummy spacecraft out of the water to practice before the actual spacecraft landed. So, once it landed, everything went smoothly.

Pfeiffer had told Mary that only one thing surprised him and that was the smell from the Gemini and the astronauts. They had been in space for three days in that small spacecraft.

"They weren't supposed to open the hatch until they were out of the water," Mary said.

Pfeiffer did not get to talk to the astronauts. He had told Mary that they didn't talk to the crew members, mainly just the officers on board the ship.

ED PFEIFFER

The Navy created a booklet explaining the mission with lots of photo graphs of the recovery mission, the ship and the astronauts aboard the ship. This booklet was given to every member of the crew as a keepsake.

Pfeiffer still had his booklet. Mary gave it to Pfeiffer's grandsons so they could keep a piece of their grandfather's history.

Another part of the mission that made Pfeiffer proud was the ship. This was a new ship and he was a member of the USS Guam's first crew. Because they were on the first crew, they were considered "planks."

"It was quite an honor for him to be on the first crew," Mary said.

The USS Guam that Pfeiffer served on is no longer in service. "They blew it up and they use it as a reef now," Mary said. "Online you can see it sinking."

Pfeiffer never forgot his service and he never forgot the special mission he was on 50 years ago. He kept the certificate he received regarding the mission framed and in his living room, where it still is today.

5 Years Ago September 22, 2011

Two and a half paraprofessionals are being hired to help 4-year-old kindergarten across the Kewaskum School District after a quick debate at a special School Board meeting last week.

Celebrating 100 years of manufacturing high-quality cookware in the United States is a state-worthy event in these days of challenging economics and increasing trade deficits. Doing so with 80% of the workforce being employed for 25 years or more is nearly unheard of.

A Kewaskum High School Student was found with a concealed weapon in a "handbag" during school hours on the first day of school, Friday September 2. After questioning the student, he was removed from the school.

A daughter, Eden Skye, born to Holly and Lucas Reindl of Kewaskum on September 9.

A daughter Morgan Donna, born to Julie and Ed Wolf of Allenton on August 17.

A daughter Addison Darlene, born to Jennifer and Kevin Ruffing of Kewaskum on August 31.

15 Years Ago September 20, 2001

The Village Board meeting Monday evening began by remembering the victims of the recent tragedy on the east coast during a Moment of Silence.

Two area men are happy to return to Wisconsin after witnessing the horrific events that took place in New York City last week.

A son, Henry Clay born to Tracy and Thomas Stoffel of Kewaskum on September 11.

25 Years September 26, 1991

The Kewaskum Village Board has unanimously approved the establishment of a new ordinance to help regulate the illegal use of tobacco products in non-smoking areas within the village.

Starting Friday, Sept. 13 if Sentry Foods shoppers find a price read by a bar code checkout scanner that doesn't match the shelf price, the shopper gets the product for free.

Wendi Dreher, beautician and Mary Kay repre-

sentative of Kewaskum recently bagged her first bear while hunting in the Nicolet Forest near Wabeno in Forest County. The black bear, weighing nearly 200 pounds, learned the hard way just how determined Wendi can be! Guess you know what this means, Randy...from now on, Wendi goes hunting on weekends.

Theodore J. Rohlinger, 80, of Kewaskum, died September 24.

David B Hanrahan, 93, of Kewaskum, died September 23.

50 Years September 23, 1966

Postmaster Harry Koch announced this week that groundbreaking ceremonies at Kewaskum's new post office site on Main Street will held Saturday Oct. 1, at 2:30 p.m. Congressman John Race and post office officials will attend the ceremonies and there will be other participants in the program.

Walter Meilahn, 67, a retired cheesemaker and farmer and resident of Kewaskum for the past 42 years passed away Friday, Sept. 16, after a lingering illness. Mr. Meilahn was a resident of Casade until coming to Kewaskum as a cheesemaker 42 years ago. At that time he was employed at the Kewaskum Dairy and also managed their plant at Tomah for sometime.

George Martin, son of Mr. and Mrs. Marvin Martin, junior end on the Kewaskum High School football team, suffered a fracture of the left leg in the Indians game at Campbellsport Friday night. George suffered the injury when he was tackled and the tackler fell on the leg. He was hospitalized from Friday night until Monday and will be lost to the team for the rest of the season.

Richard Wieter, son of Mr. and Mrs. Cy Wieter and Gary Gruendeman, son of Mr. and Mrs. Dale Gruendeman, are attending Peoria Barber College at Peoria, Ill. Both are 1966 graduates of Kewaskum High School.

Birth - A daughter to Mr. and Mrs. Larry Hoepner, R.2, Kewaskum, Monday, Sept. 19.

75 Years September 26, 1941

William Gessner, aged 25 years, six months and eight days, of R.1, Kewaskum, son of Mrs. Emil Gessner, with whom he resided and helped operate their farm, was instantly killed at 6:45 a.m. Thursday, Sept. 25, in an automobile-truck collision on County Trunk G, about three quarters of a mile north of Gessner's home. Gessner was the second Kewaskum young man killed in a highway accident in a week. The accident in which Gessner was involved occurred when his car collided with a milk truck owned by Adolph Heberer and Son, operators of the cheese factory at New Fane. The truck was driven by Aruthur Heberer, an employee. Coroner A. Florian said that death resulted from a crushed skull. Both legs and both arms were also broken. The accident occurred on a blind curve. The Gessner car was going southwest and the truck northeast. The machines sideswiped and the left side of the Gessner auto ran head-on into the stake body of the heavy truck. The car struck the corner of the truck with such a terrific impact the car body was shoved back so Gessner was pinned in the front seat of the wreckage. Heberer was uninjured.

Last dance of the season at Gonring's Resort, this Sunday. Music by Pep Babler and his orchestra. Admission only \$30.

100 Years September 23, 1916

Carl Heise, a former resident of the Town of Scott, but for the past two years a resident of West Bend, was found dead in his bed at his home Thursday morning, the cause being Apoplexy. Although Mr. Heise had been seriously ill during the summer months, he apparently was in very good health. He worked all day Wednesday and had not complained of being ill when he retired for the night.

At St. Michaels Church last Tuesday morning a very pretty wedding was solemnized when Miss Elsie Laatsch of Boltonville and Nicholas Laubach of New Fane were joined in wedlock by Rev. Lauer of Allenton. The bride was attended

by her sister Alma Laatsch as maid of honor. Miss Daisy Greiger of Kohler was the bridesmaid. The misses Susan and Kathryn Laubach, sisters of the groom were flower girls. The ring bearers were Marine Fellenz and Constance Devorshak. The groom was attended by Henry Laatsch and Joseph Roden.

Shortly before 7 o'clock last Thursday morning while enroute to this village from his home, Rheinold Miller, driving a Ford auto, struck Mrs. John Kludt and son John in front of Mrs. Kludt's home. Mr. Miller claims the two stepped in front of his car while he was passing a team driven by Byron Klein. Seeing what had happened he at once stopped the car and with the aid of neighbors picked Mrs. Kludt up who was lying beneath the car. It was at first thought Mrs. Kludt was seriously injured as she remained unconscious for several hours, but at the present she is getting along nicely. Her son received minor head bruises.

Miss Linda Hansman of Fillmore is learning dress-making with Miss Sophia Kraatsch. Miss Kraatsch will be prepared to take another apprentice about the latter part of December. A good opportunity for the right party.

Born to Mr. and Mrs. Frank Vetter of Beechwood a baby boy one day last week.

Weekly HEALTH TIP

YOGA IMPROVES BALANCE

For years, yoga practitioners have believed that practicing yoga helped improve balance and mobility. A recent review suggests they are right. Researchers analyzed six trials with a total of about 300 participants age 60 and older. They found a small, but significant improvement in balance and a modest increase in mobility for those who did 60 to 90 minute yoga sessions 1 to 2 times a week for somewhere between 2 and 6 months. Previous research has revealed other forms of exercise such as tai chi and dance also help improve mobility and balance. What's important is to find a type of exercise that you enjoy and do it often.

An Upcoming Calendar of Events for the Northern Kettle Moraine State Forest...

Saturday, September 24 - Get Outdoors! Go...Build Fires and Cook Outdoors, 9:30 a.m. - 12 noon, Mauthe Lake Recreation Area Picnic Shelter (located off County Road GGG south of County Road SS near New Prospect), Tinder, kindling, fuel wood, Dutch Oven, pudgy pies. . . Learn the skills to build great camp and cooking fires as well as being safe. Once the fire is roaring, try your hand a variety of outdoor cooking techniques to prepare tasty treats. This program is best for people over 8 years old. To register, call (920) 533-8322 by September 22.

Wednesday, September 28 - Forest Ramblers, 6 p.m. - 7 p.m., Mauthe lake Recreation Area Picnic Shelter (located off County Road GGG south of County Road SS near New Prospect), Come for a leisurely first of autumn morning walk on the 2-mile Tamarack Nature Trail around Mauthe Lake.

Saturday, October 1 - Autumn Magic Exploring Nature Program, 10 a.m. - 11:30 a.m., Ice Age Visitor Center (located off Hwy 67 half mile west of Dundee), We will traverse the woodlands, unveiling the magic of nature in autumn and gathering leaves and nuts for a variety of special projects. This program is best for families/groups with children between the ages of 6 and 12 years.

All the events are free except at locations where a Wisconsin State Park System vehicle admission sticker is required or where a fee is listed. The events are held within the Kettle Moraine State Forest - Northern Unit at the locations listed for each event. The Ice Age Visitor Center is located about 20 miles north of West Bend and 20 miles south of Fond du Lac.

An Upcoming Calendar of Events for River Edge Nature Center

Thursday, September 22 - Little Explorers Play Group, 10 a.m. - 11:30 a.m., Let's gather in the Natural Play Area and share the wonder of nature through outdoor play. We will also venture into forests, fields, ponds and more. Nature sensory bins for babies and exploration tools for older children will be available. Indoor activities will be planned in case of inclement weather. Non-Members & Trail Pass Members: \$5 per child, All Access Members: Free.

Saturday, September 24 - Open Tree Climb, 1 p.m. - 3 p.m., Explore Riveredge at a new elevation! Our new Tree Climbing programs are meant for youth and adults, age 7 and above, with little to no tree climbing skills. Ascend ropes and explore the world way above your feet. We make it safe and easy! All equipment is supplied; all you need is loose clothing (T-shirt and long pants recommended), closed toe shoes (hard soles recommended), and an adventurous spirit. Riveredge Members: \$20/person, Non-Members: \$35/person, Pre-registration is highly recommended. The tree climbing programs often fill quickly. There is a minimum of 6 climbers and a maximum of 16.

Saturday, September 24 - Great Outdoors Club Members - Kayaking Long Lake, 1 p.m. - 3 p.m., Join us for an easy paddle on Long Lake in the heart of the Kettle Moraine and take in the beauty of fall from the water. Perfect for beginners, we'll learn basic boat control techniques and practice them as we explore watery habitats by kayak. Riveredge provides kayaks, paddles and life jackets or you may bring your own. All participants are required to wear a life jacket. In case of inclement weather, Riveredge will cancel the trip. Participants can meet at Riveredge to carpool, or call for directions to Long Lake State Park where you can enjoy a hike or picnic on your own before the outing. A state park sticker is required to enter the park, or you can purchase a day pass upon arrival. Pre-registration required. Please contact Sunny Knutson if you wish to participate at sknutson@riveredge.us or call (262) - 375-2715. Fee: Free for Great Outdoor Club Members. Great Outdoors Club members have committed to a donation of \$10 or more per month. Club members are invited to club-only outdoor adventures. For more information visit our membership page.

Saturday, September 24 - Family Kayak at Long Lake, 8 a.m. - 10 a.m., Paddling takes a mix of knowledge and skills! Join a Riveredge Adventure Guide at Long Lake State Park for an unforgettable paddling experience that will begin with safety and end with a splash! We will use 1 person kayaks. Ages 10+. State Park sticker or day pass is required and not included in fee. Riveredge Members: \$25/person, Non-Members: \$35/person, Pre-registration is required. Space is limited.

Sunday, September 25 - Family Kayak at Yahr Park, 5 p.m. - 7 p.m., Paddling takes a mix of knowledge and skills! Join a Riveredge Adventure Guide at Yahr Park in West Bend for an unforgettable paddling experience that will begin with safety and end with a splash! We will use 1 person kayaks. Ages 10+. Riveredge Members: \$25/person, Non-Members: \$35/person, Pre-registration required. Space is limited.

Tuesday, September 27 - Science for Everyone, 7 p.m. - 8:30 p.m., Topic to be determined. Visit <http://www.laclawrann.org/programs/science-for-everyone> for the most up to date information. \$5 donation appreciated. No pre-registration required.

Friday, September 30 - Family Kayak at Ackerman Park, 4:30 p.m. - 6:30 p.m., Paddling takes a mix of knowledge and skills! Join a Riveredge Adventure Guide at Ackerman Park in West Bend for an unforgettable paddling experience that will begin with safety and end with a splash! We will use 1 person kayaks. Ages 10+. Riveredge Members: \$25/person, Non-Members: \$35/person, Pre-registration required. Limited spots available.

Saturday, October 1 - Sturgeon Fest 2016, 11 a.m. - 3 p.m., Sturgeon Fest is back Saturday, October 1st at Lakeshore State Park! Check out our brand spanning new Sturgeon Fest website for all the details on this awesome family festival, the sturgeon project, and how you can help bring back a prehistoric species! It's not every day you get to release a baby sturgeon into Lake Michigan. Head to Lakeshore State Park in downtown Milwaukee for the 11th annual Sturgeon Fest on October 1st, 2016 and enjoy a day of free, family fun and make a huge difference while doing it. Sturgeon Fest celebrates Riveredge's 25 year partnership with the Wisconsin DNR to bring back Lake Sturgeon, a critically important species both environmentally and culturally, to the Milwaukee River, where they haven't been seen in over 100 years. Be a part of this amazing comeback story and join thousands of other community members when you sponsor a young sturgeon and hand release them into Lake Michigan. You'll even get a tracking code to register your fish so you can be notified if the DNR finds your fish in the future. Some sturgeon can live up to 150 years, so you've got plenty of chances. The festivities continue all day with games and activities for kids, kayak demonstrations, prairie tours, educational booths, delicious local food trucks, and more. For all the details, visit www.sturgeonfest.org/

Sunday, October 2 - Family Kayak at Mauthe Lake, 3 p.m. - 5 p.m., Paddling takes a mix of knowledge and skills! Join a Riveredge Adventure Guide at Mauthe Lake State Park for an unforgettable paddling experience that will begin with safety and end with a splash! We will use 1 person kayaks. Ages 10+. State Park sticker or day pass is required and not included in fee. Riveredge Members: \$25/person, Non-Members: \$35/person, Pre-registration required. Space is limited.

Sunday, October 2 - Fly Fishing for Salmon, 12:30 p.m. - 3 p.m., Guess what? The Packers have a bye this weekend, so why not join us? Learn about fly fishing for those chinook and coho salmon that are entering our local rivers to spawn. Spend a few hours leaning about the equipment and lures needed to catch big fish. Find out the wheres, whens, and hows of this exciting season. Unfortunately, we will not be able to actually fish - salmon cannot get this far upriver. I will also show you how to create some simple flies; so smile you need not know how to tie. Everything is supplied. Riveredge Members: \$30/person, Non-Members: \$40/person, Pre-registration required. Space is limited.

For more information about Riveredge Nature Center, please go to their website at riveredgenature-center.org or call (262)375-2715. The Center is located about a mile northeast of Newburg off of County Highway Y/Hawthorne Drive. The center is open seven days a week.

We want to know...

What's Happening in Kewaskum?

If you know of any upcoming events in the Kewaskum area, please let us know!

Events happening in the area will be included in our calendar.

Email your event information to
frontdesk@kstatesman.com or call 262-626-2626.

Will your memories be there?

Will news clippings of your family's weddings, anniversaries and births be around a hundred years from now on Facebook?

Maybe not. PROBABLY not.

We will publish it the old-fashioned way, so your friends and family can know about it now - and in the distant future.

Don't let your great-great-grandkids down when they try to find out about you.

Call Becky by Monday at 5:00 p.m. to make changes to our Area Church Services. 920-533-8338

Tickets On Sale For The Dixie Swim Club

The Kettle Moraine Players production of The Dixie Swim Club will be performed in the Lang Auditorium on Saturday, Oct. 1, at 7:30 p.m. and Sunday, Oct. 2, at 1 p.m. Tickets are currently on sale at www.KettleMorainePlayers.com.

The play is a comedy with a style that is very similar to The Golden Girls television show. KMP spokesman, John Brandl, said that is not surprising since one of the three playwrights was a writer for that television show.

The play is a story of five women who were team members of their college swim team. They became lifelong friends and gather for a weekend in August of every year at a cottage they rent on the Outer Banks of North Carolina. The audience will see them in four scenes when they are ages 44, 49, 54 and finally at age 77.

The comedy continues throughout in ways you could never imagine even though we see them age and deal with all that life has to offer. As such, there

is a touch of poignancy and that is why the play has been compared to Steel Magnolias. KMP says not to fear, the story ends in a very upbeat manner and you will leave with a smile on your face.

Student and senior citizen (age 65) tickets are just \$10 in advance or at the door. Other adults are \$12 advance and \$15 at the door but if you buy in advance, you can get a four-pack for \$40. That's a great price and ideal for ladies who want a girls' night out.

Ice Age Visitor Center Looking For A Few Great Characters

The Kettle Moraine State Forest - Northern Unit is looking for actors and budding actors willing to be charismatic costume characters for our 19th annual Halloween Nature Hikes.

This year we will be shining a light on a menagerie of marvelous mammals including the odiferous striped skunk, swift whitetail deer, crafty raccoon, fast-flying little brown bat, and the sneaky white-footed mouse. The costume characters are the main attraction of the event as they bring the marvelous mammals

theme to life.

Each volunteer will be provided with a costume and script for a two to three minute presentation. During the evening, the characters share their stories with groups of participants who are mainly families and youth groups. Each character may need to give their presentation up to 20 times both evenings.

In addition to the hikes, there will be games, crafts, snacks, and a campfire for people to enjoy. So we need a crew of other fun-loving volunteers to be enthusiastic

game leaders, patient craft instructors, and cheerful hike group leaders.

The hikes are on Friday, Oct. 14, and Saturday, Oct. 15, from 6:30 p.m. until 9:30 p.m. at the Mauthe Lake recreation area. This is a non-scary, fun-filled Halloween event.

Interested people are asked to please contact Jackie Scharfenberg, forest naturalist, at the Ice Age Visitor Center. The center's phone number is (920) 533-8322. Her email is jackie.scharfenberg@wisconsin.gov.

✓ Homecoming Dance, Cafeteria, 7:30 p.m. - 11 p.m.

Seating Offers Flexibility In Classroom

Students in Jennifer Marx's kindergarten class at Kewaskum Elementary started the school year with new classroom furniture.

"Mrs. Stadler (special education teacher) and I applied for grants through

local companies early this year. We were fortunate to receive funding from Kewaskum Lions Club, Shopko, Delta Defense and Walmart to fund the entire project," Marx said. "Our goal was to obtain flexible seating furniture to

positively impact the experience in the classroom."

Flexible seating is an innovative seating approach that gives students a choice in what kind of learning space works best for them. The seating allows students' access to movement in an appropriate fashion while increasing their focus and attention at school.

Parents and students have noticed the benefits of flexible seating including allowing students to pick seating that keeps them focused.

Research indicates that flexible seating increases attention and engagement, improves cognition, metabolism and overall posture, and promotes collaboration, communication and critical thinking in

students.

Students in Marx's classroom now have the opportunity to use wobble stools, exercise ball chairs, a standing table, a sitting/kneeling table, core desks and, of course, regular chairs.

Marx said, "My 5-year-old kindergarten students have really enjoyed getting the opportunity to try out all the different kinds of seating we have in the classroom. This is my ninth year of teaching, and I can already see the flexible seating option making a difference in the students' ability to focus on their work. I have noticed that the students are more engaged and are less 'squirrely' throughout the day."

Above Photos: Kewaskum Elementary School students use flexible seating in the classroom. The special seating was funded through grants.

Pictured above is Yvonne, a West Bend resident and flight attendant, talking to people at the Kewaskum 9/11 Memorial ceremony on Sunday, Sept. 11. Yvonne walked in the parade right before the ceremony. She had worked with fellow crew members who were lost on some of the planes that crashed on September 11, 2001. When she found out Andrea Haberman was also lost in the attacks and lives so close to West Bend, she wanted to be a part of the ceremony.

FEATURE BUSINESS OF THE WEEK

Tuttle Creek Learning Center, Inc.

Tuttle Creek Learning Center, Inc. is proud to be in business for over 18 years. After purchasing the established center in 1997, Mike and Audra Beyer began molding the business, adding their own unique touches and continued the growing process to accommodate the communities changing needs. Over the past 15 years an infant, toddler and two year old room have been added to the already existing preschool room at the main site, as well as adding before and after school programs in Kewaskum Elementary School and Farmington Elementary School. They have been providing quality childcare for Kewaskum and the surrounding area for over 18 years, while continually improving and adding new features!

Audra brings 27 years of experience to the business and the Administrator, Shelly Marx, brings 23 years of experience. Along with them, there are 10-14 employees depending on the time of year. Mike and Audra Beyer are supportive of their staff going back to school through funding in conjunction with TEACH.

Thank you to all of the parents who have shared their precious children with us! We feel truly blessed to have met each and every one of you. We look forward to many more years of helping your children grow!

Who Was Chief Kewaskum?

Many stories exist about Chief Kewaskum and his travels throughout a wide geographic area including Pike Lake area, Lake Koshkonog, Cedar Creek and the Horicon Marsh.

Steev Baker, former director of the Kewaskum Library has extensively

researched these anecdotal bits and pieces of the stories of Chief Kewaskum in the area.

Join the Farmington Historical Society as Baker shares his findings and further unravels the mystery of Chief Kewaskum on Saturday, Oct. 1, from 1 to

3 p.m. in the St. Michael's Church Hall in St. Michaels. It is open to the public, light refreshments will be served.

For more information call Marcia Theusch at (262) 689-9056 or email mtheusch@gmail.com.

The Kewaskum High School Class of 1971 held its 45th class reunion on Saturday, Sept. 10, at Tom and Cheri McElhatton's home. Earlier a tour of the high school was provided by Dean of Students/Athletic Director Jason Piittmann. A group of classmates saw the Indians football team defeat the Ripon Tigers on Friday night. A wonderful time was held by all. Pictured are: (front row, from left) Debby (Dettmann) Benzschawel, Beth (Staehler) Lang, Cheri (Giese) McElhatton, Pam Mitchell and Alice (Bruessel) Voss; (second row) Tom Benzschawel, Norman Zettler, John Nohr, Kathy (Marx) Lehnerz, Carol (Jung) Fellenz, Mary Theisen-Faber, Jancie (Neumann) Bartelt, Cathy (Miller) Weinreich, Dale Reigle, Beth (Buswell) Smith, Charlie Schrauth, Loren Bonlender and Morrie Belger; (back row) David Dorn, Dave Schacht, Artie Buss, John Lehnerz, Judy Campbell, Tom McElhatton, Charlotte Schall-Krokosky, Rod Czerwonka, Jim Staehler, June (Scannell) Kocken and Jerry Herman; and (attended but missing from picture) Dean Teeselink and Clark Eichstedt.

LETTER TO THE EDITOR

Dear Community,

As November 8th quickly approaches, we have a \$28.4 million dollar referendum question that will be on the ballot, looking at us dead in the eyes. It will be up to a \$40+ million dollar payback over the next 20 years, depending on interest rates, that will cause significant increase to YOUR taxes!

With shared concern, I feel the proposed plan is an overreach, with more wants than needs. In the weeks ahead, you will see administration push for this referendum, most likely using a majority of employees that do not even live or pay taxes here. They will probably

tell you "it's for the kids or it's all about the future." They have used these phrases too many times.

With shared support, I feel it's about taxpayers too and what return taxpayers get for the money being requested every year alone, and now a referendum on top of that? Enough is enough! At this year's annual meeting, they said the plan is "conceptual," which means if you approve the money they seek, you won't really know where it's all specifically being spent until after the fact. Plan changes can and will occur, and it will be too late for the taxpayer.

With shared support, I feel administration already

spends too much in general, \$23.6 million plus annually for the current 2016/17 budget proposal. Concern about the use of tax dollars on such things as Subway and Cousins subs, Michelangelo's pizza, gift cards, hotels, and so much more makes me wonder what the priorities are. The district has issues with affording items for the classrooms already, and a 19.6 percent student body that is on the free or reduced lunch program because of affordability issues, proves that.

They use the word "conservative" to help describe the plan. In my opinion, it is never conservative to borrow an excessive amount of money when you don't know a clear return on your investment. The referendum ballot question is administration's and a select committee's recommendation only, and should be viewed that way only. If you think a \$40 million price tag is too much, your NO vote will tell them to go back to the drawing board and come up with some-

thing better that is better and more affordable to this community.

As a community member and 2015 KSD graduate, I cannot support such a plan. The taxpayers of this community must unify this November and vote NO as there is a better way to address both the academic and infrastructure needs with the needs of the taxpayers.

Sincerely,
Bradley A. Petersen

NATIONAL HUNTING & FISHING

Hunting & Fishing That's

Wisconsin Is Home To An Abundant Selection Of Public Lands

— Many Tools Available To Find A New Place To Enjoy The Outdoors This Fall

Each year, thousands of outdoor enthusiasts use Wisconsin's public lands for a variety of activities, ranging from birdwatching to hunting. For those interested in exploring all Wisconsin has to offer, the Department of Natural Resources has a number of tools available to help users find a new favorite spot in the wild.

Most public lands are open to hunting; however, some have closed areas and special regulations and season dates. Be sure to check the property web page or contact a property manager for more information.

Public Access Lands Atlas

Those in search of public hunting and trapping grounds this fall are reminded to check out the DNR's Public Access Lands atlas. The atlas includes all DNR properties, as well as nearly all federal and county-owned lands. Hunters are reminded to contact landowners beforehand to verify that hunting is allowed on a given property. People can download and print these maps free of charge from a home computer.

For more information, visit dnr.wi.gov and search keyword "atlas."

Voluntary Public Access - Habitat Incentive Program

The Voluntary Public Access - Habitat Incentive program, funded by the U.S. Department of Agriculture NRCS, provides financial incentives to private landowners who open their property to year-round wildlife-dependent recreation. Currently, 257 VPA properties totaling more than 36,000 acres are available for public use this fall through the Voluntary Public Access program. These lands are open to public use under certain guidelines. VPA lands are displayed on the PAL interactive map viewer. Search keyword "VPA" to learn more.

Lands are clearly posted

with a 'Private Lands leased for Public Access' sign. Property access is limited to foot traffic only and only portable, temporary blinds and stands can be used. Feedback about user experience is essential to the continued success of this program — users are encouraged to complete an evaluation survey found at each VPA property, or use the QR code found on the sign posting to access the online version of the survey.

For a code of conduct (available in three languages), maps and additional information, search keyword "VPA."

Managed Forest And Forest Crop Law Programs

Managed Forest Law and Forest Crop Law are landowner-incentive programs that incorporate sustainable forest practices, like timber harvest and wildlife management, while improving public access to these lands.

Landowners who enroll may choose an "open" or "closed" designation for public recreation. Lands open to public recreation are available only for hunting, fishing, hiking, cross-country skiing, and sight-seeing. Hunters are encouraged to contact their local DNR Forester to learn more about these programs—search keywords "forest landowner," then click "find professional help" and use the Forestry Assistance Locator to find a DNR forester who has responsibility for that area of Wisconsin.

A mapping tool shows the approximate location of all MFL-Open and FCL lands in Wisconsin. Here, landowner information, acreage, and enrollment information is also available. To access the mapping tool, search keywords "MFL open land." For more general information regarding these programs, search keywords "managed forest law" and "forest crop law" for an FAQ and other helpful information.

State Parks

State parks provide a range of recreational opportunities. Fall hunting and archery are allowed in the open areas of state parks during the open season from November 15-December 15. Be sure to visit dnr.wi.gov and search keywords "hunting state parks" to learn more and find park hunting maps.

FFLIGHT

The Fields and Forest Lands Interactive Gamebird Hunting Tool gives hunters an interactive summary of young aspen and alder habitat to find woodcock and ruffed grouse hunting areas, pheasant-stocked public hunting grounds, and dove fields found on public hunting lands throughout Wisconsin.

Features available within the program help hunters locate DNR public parking areas, overlay township descriptions, and provide access to maps and aerial photos of prospective hunting areas. Users can also print maps and find GPS coordinates to assist in navigation and estimate acreage and walking distance.

The mapping application is compatible with all major desktop and mobile web browsers (internet access is required). Mobile users can use FFLIGHT on-the-go to find habitat suitable for the species they wish to pursue. To learn more, search keyword "FFLIGHT."

Pocket Ranger Application

The free Pocket Ranger App gives hunters the tools to make it easier than ever to find a place to enjoy the outdoors and stay safe in the field — current features include:

- find a place to hunt;
- deer registration locations;
- advanced GPS mapping features;
- and much more.

Since the application's launch in November 2013, total downloads have

eclipsed 210,000. To learn more and download this free application, search keyword "mobile apps," or search "Wisconsin Pocket Ranger" in the Apple App Store or Android Market from your Apple or Android device.

Adopt A Fish And Wildlife Area

Participants receive a first-hand look at how DNR staff use management goals to maintain thousands of acres of property throughout Wisconsin and play a key role in enhancing wildlife habitat and recreational opportunities for others to enjoy.

Whether through habitat and maintenance work on the property or a financial donation, it has never been easier to play a direct role in conservation. Partner efforts are recognized through signage on the adopted property and department outreach efforts.

Those interested in adopting a State Wildlife Area can participate individually, or as part of a group. If you or your organization is interested, please submit an application at the nearest DNR office location. To learn more about adopting a Wisconsin Wildlife Area, visit the department website, dnr.wi.gov, and search keyword "volunteer."

How Else Can You Connect With The Department?

The department uses current technology to reach users of all ages and backgrounds and provide for convenience, whether they are already in the field or looking for new places to explore. Be sure to visit DNR's Facebook, Twitter, Youtube and LinkedIn pages to learn more and connect with staff.

People who missed a live chat on finding a place to hunt with DNR staff Thursday, Aug. 4 can review the chat record at keyword "expert" - select "Deer: Available Tags and Where to Hunt" to learn more about these programs.

2016 Wisconsin Fall Hunting And Trapping Forecast Now Available

Many fall hunting and trapping seasons in Wisconsin are just around the corner, and the 2016 Fall Hunting and Trapping Forecast is now available. "I'm always excited to hear our fall forecast is available, because that means it's almost time to

grab my gear and head into the woods," said Wisconsin Department of Natural Resources Secretary Cathy Stepp. "The forecast is a great way to get a leg up on other hunters or trappers — we've got season pre-views for everything from

deer to doves." To view this year's hunting and trapping forecast, visit dnr.wi.gov and search keywords "forecast" or "hunt." DNR Customer Service staff is available to assist the public online and via phone from 7 a.m. to 10

p.m., seven days a week. Spanish and Hmong bilingual customer service representatives are also available. Customers may reach customer service at 1-888-WDNR INFO (1-888-936-7463) or by e-mail at csweb@wisconsin.gov.

History Of National Hunting & Fishing Day

Over 100 years ago, hunters and anglers were the earliest and most vocal supporters of conservation and scientific wildlife management. They were the first to recognize that rapid development and unregulated uses of wildlife were threatening the future of many species.

Led by fellow sportsman President Theodore Roosevelt, these early conservationists called for the first laws restricting the commercial slaughter of wildlife. They urged sustainable use of fish and game, created hunting and fishing licenses, and lobbied for taxes on sporting equipment to provide funds for state conservation agencies. These actions were the foundation of the North American wildlife conservation model, a science-based, user-pay system that would foster the most dramatic conservation successes of all time.

Populations of white-tailed deer, elk, antelope, wild turkey, wood ducks and many other species began to recover from decades of unregulated exploitation. During the next half-century, in addition to the funds they contributed for conservation and their diligent watch over the returning health of America's outdoors, sportsmen worked countless hours to protect and improve millions of acres of vital habitat — lands and waters for the use and enjoyment of everyone.

In the 1960s, hunters and anglers embraced the era's heightened environmental awareness but were discouraged that many people didn't understand the crucial role that sportsmen had played — and continue to play — in the conservation movement.

The first to suggest an official day of thanks to sportsmen was Ira Joffe, owner of Joffe's Gun Shop in Upper Darby, PA. In 1970, Pennsylvania Gov. Raymond Shafer adopted Joffe's idea and created "Outdoor Sportsman's Day" in the state.

With determined prompting from the National Shooting Sports Foundation, the concept soon emerged on the floor of the U.S. Senate. In June 1971, Sen. Thomas McIntyre, N.H., introduced Joint Resolution 117 authorizing National Hunting and Fishing Day on the fourth Saturday of every September. Rep. Bob Sikes, FL, introduced an identical measure in the House. In early 1972, Congress unanimously passed both bills.

On May 2, 1972, President Nixon signed the first proclamation of National Hunting and Fishing Day, writing, "I urge all citizens to join with outdoor sportsmen in the wise use of our natural resources and in insuring their proper management for the benefit of future generations."

By late summer, all 50 governors and over 600

mayors had joined in by proclaiming state and local versions of National Hunting and Fishing Day. The response was dramatic.

National, regional, state and local organizations staged some 3,000 "open house" hunting- and fishing-related events everywhere from shooting ranges to suburban frog ponds, providing an estimated four million Americans with a chance to experience, understand and appreciate traditional outdoor sports.

Over the years, National Hunting and Fishing Day boasted many more public relations successes, assisted by celebrities who volunteered to help spotlight the conservation accomplishments of sportsmen and women. Honorary chairs have included George Bush, Tom Seaver, Hank Williams Jr., Arnold Palmer, Terry Bradshaw, George Brett, Robert Urich, Ward Burton, Louise Mandrell, Travis Tritt, Tracy Byrd, Jeff Foxworthy and many other sports and entertainment figures.

National Hunting and Fishing Day, celebrated the fourth Saturday of every September, remains the most effective grassroots efforts ever undertaken to promote the outdoor sports and conservation.

Honorary Chairs

Traditionally, National Hunting and Fishing Day has benefitted from the volunteerism of celebrities who are passionate about hunt-

ing, fishing and conservation. Their involvement helps bring national attention to our cause!

Honorary chairs have included:

- 1976 — Jim "Catfish" Hunter
- 1977 — Bert Jones
- 1978 — Tom Weiskopf
- 1979 — Ron Guidry
- 1980 — Terry Bradshaw
- 1981 — Johnny Miller, Roscoe Tanner, Bert Jones, Tom Weiskopf
- 1982 — John Havlicek
- 1983 — Tom Seaver
- 1984 — John Riggins
- 1985 — Arnold Palmer
- 1986 — George Brett
- 1987 — Jameson Parker
- 1988 — Hank Williams Jr.
- 1989 — Hank Williams Jr.
- 1990 — Robert Urich
- 1991 — George Bush
- 1995 — Louise Mandrell
- 1996 — Gary F. Coley

- Family
- 1998 — Tom Lehman
- 1999 — Jay Novacek
- 2000 — Ward Burton
- 2003 — Travis Tritt
- 2004 — Wade Boggs
- 2005 — Tracy Byrd
- 2006 — Tracy Byrd
- 2007 — Jeff Foxworthy
- 2008 — Michael Waddell
- 2009 — Luke Bryan
- 2010 — USA Shooting Team
- 2011 — T. Boone Pickens
- 2012 — Tony Stewart
- 2013 — Bill Dance
- 2014 — Craig Morgan
- 2015 — Jim & Eva Shockey

Big Plays Help KHS Girder To Another Big Win

By Judy Harlow

It's becoming habit-forming ... the Kewaskum High football team coming up with big plays and big quarters.

Take the Sept. 16 game against Waupun as another example. Junior Tony Steger electrified the home crowd with a 90-yard kickoff return for a touchdown to open the game, and the Indians scored three touchdowns in the third quarter, including two within 1:25 of each other, en route to a convincing 49-20 victory over the Warriors.

"We played some pretty good football in the second half," KHS coach Jason Piittmann said. "If we get to the 35-point margin (lead) by the end of the quarter, we have a running clock the entire fourth quarter ... We pushed hard to get that score."

With the win, the Indians are 3-0 in EC action, 5-0 overall and heading on a collision course with 2-1 Berlin, which stumbled in its

conference opener against Plymouth but has been impressive in its next two outings, averaging 45 points in those two wins.

Piittmann said his entire defense played well in this game, except for that one play. "We blew our coverage and our corner fell down," he said. Not to worry, the Indians outscored the visitors 21-7 in the second half to stay unbeaten. All three Kewaskum scores came on the ground as Cole Surprenant got free for a 12-yard touchdown run, and the bruising Patrick Krier was called on to finish a couple drives with short touchdown runs of two and one yards.

Surprenant finished the game with 114 yards rushing in 16 carries for a 7.1 yard per carry average. "He ran really hard. He runs with power and once he breaks loose, he's got some nice speed," Piittmann said.

Six different players ran the ball for the Indians, including center Jack Felten, who picked up a fumble and

gained nine yards before being tackled.

KHS wound up with 418 yards total offense, including 197 on the ground and 221 in the air.

This Friday, the Indians are at Berlin for their first really big test of the season, and Piittmann said, "They're a pretty basic team. Under center, they like to run the ball. They're about two to one, running to passing."

"They're physical, and they've got speed" the coach went on. "It should be one heck of a matchup."

Not only is this game important in the EC race, but with a win the Indians will clinch a playoff berth.

Indians Regroup, Post Big Win Over V-Ball Rival

By Judy Harlow

The rivalry in girls volleyball between Kewaskum and Waupun is well documented and one that was dominated by the Warriors until last year.

The momentum started to turn when the Indians won at Waupun, and on Sept. 15, in a spirited competition that went five games, the Indians prevailed to ensure a successful Senior Night for libero Brittany Williams, Alexandria Durn and Hailey Schicker.

It was celebration time for Williams after the Indians won the fifth and final game, 15-9 on an ace serve by junior Sarah Butschlick.

This is the first time I know we have beaten them in our house," Williams, who was all over the court digging up balls, beamed.

After the first two games, it looked like it could be a short night as the Indians won 25-22 and 27-25. Both were close, especially the latter when the game was tied 25-all before Elizabeth Lightner came up with a powerhouse block and Amanda Schaller a big kill for the winning points.

The Waupun team didn't fold, however, winning the

next two, 26-20 and 25-21.

So how did the Indians regain the momentum? "We came together and did what we had to do to win," Williams said.

"Yeah, it was fun," Lightner said, indicating the team may have been a little overconfident after going 2-0. "We kind of thought we won the match already," she said. "We had to get our heads in the game and decided it wasn't over."

This was probably one of the biggest wins for KHS coach Laine Leitzke, and the smile on his face showed his satisfaction. "It was exciting. It was one we needed," Leitzke said, indicating he started to feel good about the game when his team took a 5-3 lead. "We took control after that. (Later) They called a time out. It was over after that. We had all the momentum."

With the win, the Indians are 3-3 in East Central play, while Waupun dropped to 2-4.

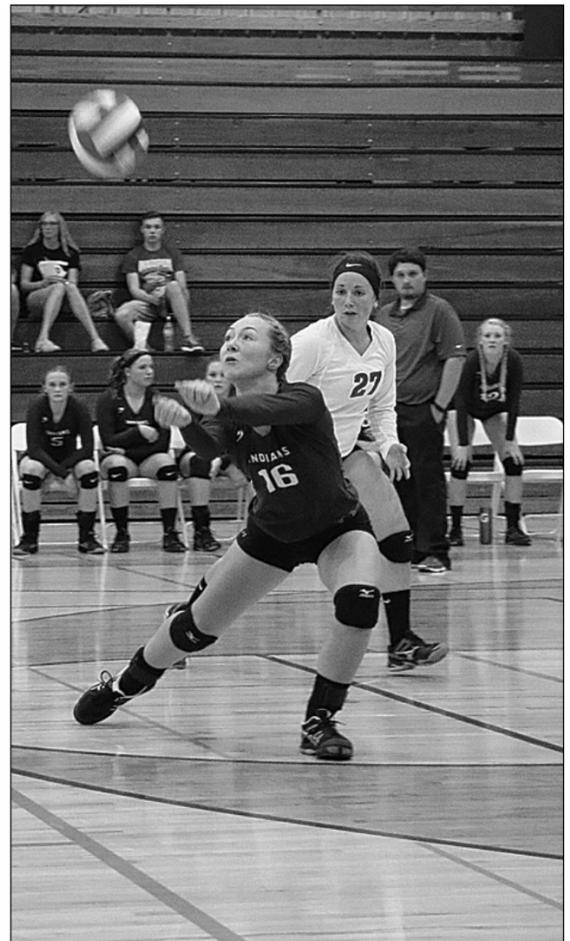

Current EC standings: 1. Kettle Moraine Lutheran, 5-0; 2. Winneconne, 4-2; 3. (tie) Plymouth, 3-2 and Berlin, 3-2; 5. Kewaskum, 3-3; 6. (tie) Campbellsport and Waupun, 2-4; 8. Ripon, 0-5

Olla Brings Home Medal From Ripon Meet

By Judy Harlow

It was a struggle for the Kewaskum High cross country runners at the Kris Greening Invitational hosted by Ripon High on Sept. 17.

Running on the Tuscumbia Golf Course with a dozen other schools, including several from the East Central Conference, the KHS boys, without their top two runners, finished 12th out of 13 teams with 307 points. The Lady Indians did a little better, taking eighth out of 11 teams with 186.

Sophomore Maela Olla just missed a top-10 finish, placing 12th with a good time of 21 minutes, 26.80 seconds (21:26.80) for the 5,000 meters.

Hailey Plachinski and Emma Pennfield stayed within close range of each other, finishing in 33 and 35, respectively with times of 23:28.83 and 23:33.99. The other counters were Melissa Schneider, 51st in 24:52.71 and Courtney Zarda, 55th in 25:14.61.

The boys certainly missed freshman Andrew Carlton and junior Justin Reck. "Right now, Reck has a bruised heel. He should be

ready for Thursday," KHS coach Kris Evans said, adding in the meet at Waupun, Carlton "got bumped in the woods, hit a root and rolled his ankle. We're assuming it's a mild sprain."

Without them Kyle Toth and Derrick Schraufnagel led the way, placing 47th and 48 with personal best times off 19:35.75 and 19:37.61. Toth and Schraufnagel "did well," Evans said.

The other counters were Blake Miller, 59th, 20:11.54; Zach Hutchins, 76th, 21:41.26; and Jacob Loehr, 77, 21:42.54.

KHS hosts the annual Dave Drexler Invitational this afternoon (Sept. 22) starting at 4 p.m. behind the Kewaskum Middle School.

Krist Greening Invitational

Boys top three teams: 1. East Troy, 55 points; 2. Assumption, 74; 3. Wautoma, 114

Girls' top three teams: 1. East Troy, 34; 2. Mayville, 107; 3. Lomira, 128

Race winners — Wesley Schiek, Valley Christian, 16:27.86; Madison Desing, East Troy, 20:05.45

Kewaskum Youth Soccer Results From September 10th And 17th

U7 Bandits 5, Hartford Barracudas 1

The U7 Bandits won 5-1 against the Hartford Barracudas. The team played amazing in the rain and everyone played as a team! Goals were scored by Cameron Kopf (2), Tyler Rabuck (2) and Camden Legate.

U8 Suns 5, Kickers 3

It was a rainy day in Kewaskum but the U8 Suns shined through with a win! The Kickers put up a good fight but were defeated in a 5-3 match. The Suns played a good game of defense in this close scoring game. Goals scored by #28 Grant, #99 Annika, and #7 Raeya. It was a great season opener.

U8 Phoenix 5, Hartford Wildcats 5

The U8 Phoenix took to the field for their first game on Saturday against the Hartford Wildcats. All the players were very excited to get their season going. There was some good defensive playing being demonstrated on the field. Malia Volesky, Oliver Grover, Kingston Grisolono and Colton Rabe (2) scored for Phoenix. The game ended in a tie 5-5.

U8 Fireballs 3, Richfield 2

The U8 Fireballs started out the season with a win against Richfield with a score of 3-2. Addison Butchlick made two goals, with assists from Shaye Bartel and Brooke

Pritchard. Millie Kreif provided the team with strong defense.

U9 Kewaskum Twisters 1, Hartford Crush 5

The U9 Kewaskum Twisters lost to the Hartford Crush 5-1. Liam Stoffel scored the team's only goal during the 4th quarter. Another bright spot was Cooper Saeger's goalie skills during the first two quarters. All in all, it was a good first effort for the Twisters. They start the season with a 0-1-0 record.

U10 Venom 9, Jackson Cheetahs 0

U10 Venom took to the field on Saturday for their first game against the Jackson Cheetahs. All the girls were very energized

to get on the field. The entire game all the girls demonstrated great defensive playing and teamwork. Rowan Bell scored 4 goals, along with Caitlin Finger, Brooklyn Grisolono, Emily Melzer, Maddie Marquardt, and Mara Butschlick to help Venom take a win with a final score of 9-0.

U12 Warriors 4, Kewaskum Storm 3

U12 girl Warriors won Kewaskum Storm 4-3 in a very aggressive game. Warriors started out strong with two quick goals, scored by Brooke Gruen and Jadin Czuppa. Storm girls came back with three goals, but this did not stop the Warriors. Ally Heipp scored to tie the game and a final goal scored by Jadin for a win. Strong defense was played by Rowyn Wiedmeyer and Abigail Gorton and many goal saves in the second half made by goalie Emma Survis.

U12 Aztecs 5, Hartford Hurricanes 2

The U12 Aztecs played a great game on Saturday. It was a total team effort to capture a 5-2 victory. With excellent passing and movement without the ball they were able to get four separate goal scorers, Kaiden Dierringer with two goals, Luke Grover, Zavier Chipman, and Alex Severence. After going down 1-0 the defense really stiffened behind the great hustle of Daniel

Jungers and Reid Amerling.

U12 Spartans 5, Slinger 5

The U12 Spartans tied their game 5-5 against Slinger. A strong defense was played by Sydney Wheaton and Kate Butschlick. The offense was led by Diesel Fellenz who with assistance from Marie Buddenhagen and Austin Jantz drove the ball down the field time after time. The Spartans remained driven throughout the game even in the less than perfect conditions.

U8 Phoenix 4, Erin Lucky Charms 1

The U8 Phoenix took to the field on Saturday to play against the Erin Lucky Charms. The game started off fast with a good save at the goal by Janya Dieringer. There was some nice passing happening on the field by Oliver Grover and Malia Volesky. Goals were made on Saturday by Colton Rabe, Kingston Grisolono and Janya Dieringer with two for the Phoenix to take a win with a final score of 4-1.

U8 Suns 4, JK Lynx 1

A beautiful day for soccer in Kewaskum on Saturday. The U8 Suns played the JK Lynx with a final score of Suns-4, Lynx-1. The Suns are now 2-0 with a great start to the season. The Suns played great defense and our

defenders did an awesome job on Saturday. Lots of great passes were made by the whole team. Annika, Scarlett, Elijah, and Brandon all scored goals! Great job Suns!

U10 Venoms 12, Richfield Hornets 1

The U10 Venoms took to the field on Saturday against the Richfield Hornets. The entire game was filled with action. All girls were playing great defense. Brooklyn Grisolono, Victoria Kenworthy and Emma Sielski did a great job as goalie allowing the Hornets to only score one the entire game. Goals for the Venoms were made by Mara Butschlick, Rowan Bell, Maddie Marquardt, Eden Korth, Ayla Stuit, Brooklyn Grisolono (2), Emily Melzer (2) and Lidia Handke (3). Final score was 12-1.

U12 Spartans 6, Erin 5

The U12 Spartans played a solid game against Erin this weekend. The final score was 6-5. The defensive end was a little shaky at the beginning of the game but came through in the end. Helping to stop Erin in their tracks were Wyatt Tye and Meghan Clausing. Scoring for the Spartans this week were Denali Fellenz (5) and Noah Nanz (1). Their record now stands at 1-1-0.

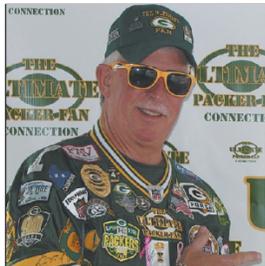

The Ultimate Packer Fan Picks – Green Bay Packers vs. Detroit Lions

For the second time in as many weeks the Green Bay Packers were on the road again. They traveled to play the Minnesota Vikings for their second away game of the season. The last time the Packers traveled for its first two games of the season was back in 1924. The teams first became playing as rivals back in 1961 and have met 112 times. The Packers lead by 59-52-2. This meeting between these NFC North division rivals was the first game played in the Vikings new U.S. Bank Stadium.

Green Bay won the coin toss and deferred to kick off only to receive the ball at the start of the second half. The Vikings first possession resulted in a punt. The Pack's first possession resulted in a Devante Adams fumble. After bobbed by many the loose ball was finally recovered by Randall Cobb. That fumble had set the tone for the entire game.

Both the Packers and the Vikings played good defensive football. The Viking defense held the Packers offense to a total of 65 yards in the first half. They ended with four sacks and forced two fourth-quarter turnovers. The Packer defense starring Mike Daniels, Nick Perry, Clay Mathews and Letroy Guion played extremely good applying pressure, sacking QB Sam Bradford four times. The Packer defense again excelled stopping future HOF running back Adrian Peterson too little or no gain. Adrian Peterson left the game in the 3rd quarter with a disabling knee injury.

Aaron Rodgers threw

WAYNE SARGENT

12/21 with 154 yards, struggling at times with accuracy. Rodgers has not had a game passing rating over 100 in the last 14 games. He had a passing rating of 71. The Packers running game, (83 rushing) at best was sluggish. Yardage off Viking penalties, (13/137yds) attributed for some of the best downfield gain Green Bay got all night. The Packers offense had a total of just 263 yards for the day.

Sam Bradford, starting his first game with the Vikings after being traded from the Eagles just two weeks ago, had a brilliant performance. He finished the game with 22/31 with 254 total passing yards with a passing rating of 121. Stefon Diggs led the team as he caught nine passes for 182 yards. The Vikings had a total of 30 rushing yards. Ironically time of possession was nearly identical with GB at 29:42 and MN at 30:18.

Green Bay was out played and out coached. The Packers were down 10-7 in the third quarter. Mike McCarthy's play calling was questionable and uncharacteristic choosing to go for it on fourth down in the Red Zone. He had a choice of sending in Kicker Mason Crosby to

tie the game with a 32-yard line field goal or attempt to gain yardage for a first down. McCarthy going against the "fundamentals" of football put the game on the line choosing to go for it. The Vikings defense came in a big way preventing the Packers a much needed first down. The Vikings then took over on downs in the Red Zone. Green Bay suffered its first division loss with the final score Minnesota 17, Green Bay 14. The 2015 NFC North Champion Vikings are now in sole possession at first place in the NFC North division.

The Packers will host their first home game of the 2016 season against division rival, the Detroit Lions. Back to back division losses for the Packer's this early in the season could be a devastating factor come Playoff time.

The Lions, coming off an upsetting loss to the Tennessee Titans will also be anticipating a win. While both teams are tied at 1-1, the last time the Packers played the Lions at Lambeau Field was on November 13, 2015. The Lions won 18-16. This rivalry began 84 years ago. Since then they have met 173 times with the Pack leading at 98-68-7.

Both teams struggled offensively in week two while the defenses have both held their own. As quarterbacks Aaron Rodgers and Mathew Stafford have been challenged this season, you can expect a strong passing game by both. Green Bay wins a nail biter, 27-24.

With the Packers loss on Sunday, there were no winners this week for the Ultimate Packer Fan Giveaway.

For your chance to win, go to www.kstatesman.com or email frontdesk@kstatesman.com. Be sure to make your picks by 9 a.m. on the Thursday preceding the game. Winners will be announced in next week's Kewaskum Statesman.

Eighth Graders Fought Hard Against East Suns

The eighth grade Gridiron Indians dropped a hard fought game on Saturday, September 17 at West Bend East against the Suns by a score of 19-8 to drop their record to 1-1 on the season.

The entire first half was a defensive battle with both offenses struggling to move the ball. The Suns were able to get on the board in the second quarter with a 26 yard field goal to make the score 3-0. The Indians stopped another Suns threat as Linebacker Kannon Muckerheide delivered a crushing blow

to a receiver to force a fumble. The score remained 3-0 heading into halftime.

In the third quarter both defenses continued to hold their ground and the score remained 3-0 heading into the fourth quarter.

The Suns finally broke lose for a 50 yard touchdown run to make the score 11-0 after the two point kick was good. The Indians finally got something going on their next possession with a long pass play from quarterback Michael Daniel to tight end Devon Bommer.

The Suns then helped out by getting two personal foul penalties. After the penalties Daniel fired a strike to receiver Mason Droese in the back of the end zone for a nine yard touchdown pass. The two point kick was good to make the score 11-8.

The Indians then forced a Suns fumble, recovered by defensive lineman Sam Amerling but unfortunately the Indians fumbled themselves two plays later and it was returned for a touchdown and the two point kick made the final score 19-8.

Guidelines For Submitting Youth Sports Highlights

At the Kewaskum Statesman, we would like to hear about children's youth sports activities.

While we provide regular coverage of high school varsity sports, other sports are encouraged to submit their news.

Please send highlights to frontdesk@kstatesman.com.

man.com.

A team photo can be submitted to run one time per season.

Because of limited space, we ask that the following information is submitted to report highlights from games:

Youth Sport Program and Age Group.

- Your team name.
- Opponent's team name.
- Date of game.
- Where game was played.
- Final score.
- Highlights from game (not to exceed 250 words).

DEADLINE
For News Items & Ads
Is Monday at 5:00 p.m.

Kewaskum Athletic Association (KAA) Men's "A" Division Slow Pitch Softball Thursday Night Champions are Woody's Flooring/AM Construction team.

CWD Sampling Plan In Place For Southeastern Wisconsin's 2016-17 Deer Hunting Season

In cooperation with local businesses, Department of Natural Resources staff will focus on collecting deer heads for chronic wasting disease surveillance testing within Walworth, Washington, and Waukesha counties during the 2016 archery and gun hunting seasons.

In addition, hunter service testing is available in all CWD affected counties in Southeastern Wisconsin. If you harvest an adult deer within these counties please consider submitting a sample from any harvested adult deer for CWD testing. While the nearest method for individual hunters to submit samples may not be in the county of harvest, be sure to look for sampling opportunities nearest you and play an important role in CWD sampling.

Sampling efforts in Walworth County are aimed at learning more about disease intensity as part of CWD monitoring in the southeast area of CWD infection, which

extends into Illinois. Sampling in Waukesha and Washington counties are part of efforts to gain more information regarding disease spread and intensity at the northeast edge of the CWD affected area.

Deer can be sampled for CWD at the following locations: Walworth County, Lake Side Bait and Tackle, Delavan. Washington County: DNR 24-hour self-service kiosk at Pike Lake Unit, Hartford.

Waukesha County: Whale Tales Archery, Dousman; DNR 24-hour self-service kiosk at Kettle Moraine State Forest, Eagle and DNR Service Center, Waukesha.

Jefferson County: Bark River Lanes, Sullivan and DNR Wildlife Management Office, Lake Mills.

Racine County: Ron's Service Station, Tichigan; Artisan Taxidermy, Burlington; Berndt's Hide Service, Burlington and DNR 24-hour self-service kiosk at Bong Recreation

Area, Burlington.

Wisconsin's citizens and cooperators play a key role in CWD sampling efforts in Wisconsin, and department staff would like to thank all participants and collection cooperators for their continued efforts.

For more information and a current list of participating taxidermists and deer processors, visit dnr.wi.gov and search keywords "CWD sampling." For CWD testing results, search keywords "CWD test results."

Deer hunters are encouraged to check out the frequently asked questions page for more information regarding deer hunting in Wisconsin. The FAQ feature provides brief responses to a wide variety of deer hunting questions, ranging from deer management unit boundaries to antlerless permits. To view the FAQ page and more information regarding archery and crossbow deer hunting, search keyword "deer."

Kewaskum Athletic Association (KAA) Adult Coed Volleyball Thursday Night League Champions are the A&W Iron & Metal team.

Toms & Tails For Kids Hunt Club Looking For Hunters

The new club Toms & Tails For Kids is currently looking for youth and handicap individuals who do not have a place of their own to hunt. They are accepting applicants for

the October Youth Hunt, and the December Antlerless-only hunt.

Potential hunters must possess a hunter education certificate, and a current hunting license, and

will be accompanied by a Club mentor at all times.

If interested, please call Gene Wenzlaff at 533-4408, or Steve Feucht at 477-6506.

Mountain Bike Team Races In Iola

It was a beautiful weekend in Iola for the Washington County Trail Sharks. The mountain bike team worked hard while making up for many key riders who were not able to race this weekend; Hunter Schmitt (Kewaskum), Matt Voss (West Bend), Spencer Parkinson (Richfield), and Everett Quissck (Kewaskum).

Skyler Schmitt (Kewaskum) lead the team by having a great race moving from fifth at the last race to second this

weekend. His sister, Kendra Schmitt, also did a nice job as she had bike issues, but was still able to hold a spot for a medal.

The team welcomed Fiona Shaw (West Bend) and Simon Weinandt (West Bend) as this was their first race. The team will be back racing again this weekend in Hayward.

High Schoolers results: 7th - Andrea Zimmerman (West Bend); 9th - Ethan Janssen (Mayville); 19th - Simon Weinandt (West Bend);

30th - Sam Carlson (West Bend); 36th - Tanner Schultz (West Bend); DNF (injury) - Erik Haver (West Bend).

Middle Schoolers results: 2nd - Skyler Schmitt (Kewaskum); 3rd - Kendra Schmitt (Kewaskum); 5th - Jan Lanser (West Bend); 8th - Carly Durian (West Bend); 9th - Fiona Shaw (West Bend); 12th - Quentin Willmas (West Bend); 18th - Mikey Spangenberg (West Bend).

Kewaskum Athletic Association (KAA) Men's "B" Division Slow Pitch Softball Thursday Night Champions are the H&H Electric team.

Continued From... Area Municipalities Prepare For Election Day

Justmann said she has been receiving voter registrations in the mail.

However, she reminds people that they must provide proof of residency when submitting their voter registrations. Documents that verify place of residence, such as a copy of a driver's license, utility bill or pay stub, will work.

"I need a proof of residency before I can enter people into the voter registration system," Justmann said.

The village is mailing out absentee ballots this week to those who have submitted applications.

Absentee voting and voter registration will be conducted at Kettle Moraine Gardens in October for residents there.

The community room in the Village Hall is being spruced up for those who will vote in person on Nov. 8.

On Monday, Sept. 19, the Village Board approved spending \$3,945.25 to install new

carpet squares in the community room, where voting is held. The carpeting will replace the old carpet that has become a trip hazard.

In addition, the village's Public Works employees will brighten the room with a fresh coat of paint.

Voting By Absentee Ballot

Any qualified elector who is unable to appear at the polling place on Election Day may request to vote an absentee ballot. An application for an absentee ballot must be requested by mail, email or in person before 5 p.m. on Thursday, Nov. 3.

Voters may also request and cast an absentee ballot in person at the following locations:

Village of Kewaskum
(262) 626-8484
204 First St., P.O. Box 38, Kewaskum.

Hours: Mondays through Fridays, 7:30 a.m. to 4:30 p.m.

Monday, Oct. 3, until Friday, Nov. 4, at 5 p.m.

Town of Farmington
(262) 447-1018
2171 County Road A, West Bend.

Hours: By Appointment Monday, Sept. 26, through Friday, Nov. 4.

Town of Kewaskum
(262) 626-2566
9019 Kettle Moraine Drive, West Bend

Hours: By appointment. Monday, Oct. 3, Friday, Nov. 4, at 5 p.m.

Town of Wayne
(262) 626-4818
6030 Mohawk Road, Campbellsport.

Hours: Mondays and Thursdays, 6:30 to 8:30 p.m., and Saturday, Nov. 5, 1 to 3 p.m.

Monday, Oct. 17, until Saturday, Nov. 5.

WASHINGTON COUNTY SHERIFF'S REPORT

Subject Lying In The Ditch With A Knife

While driving by, an off-duty police officer caught motion in the ditch line of County Trunk NN and County Trunk M on Sept. 19 at 12:02 a.m. The officer stopped and found a person holding a knife. When the officer approached, the person dropped the knife immediately when told to do so. Upon the deputy's arrival, the subject was calm and compliant. The subject was identified as a local 14-year-old who had a disagreement with his parents earlier in the day and decided to go sleep in the woods for a day or two. He had the knife with him for protection from any animals he may have encountered rather than harming himself or anyone else. He was taken home and reunited with his parents, who had been sleeping when the juvenile left.

Assist Police Agency

A deputy, his squad car, and one pedestrian were nearly struck by a fleeing subject's vehicle in connection to a domestic abuse investigation. The incident occurred in the Village of Kewaskum on Saturday, Sept. 17, at 8:40 p.m.

A deputy was assisting the Kewaskum Police Department in an attempt to locate a 40-year-old City of Fond du Lac man who was allegedly involved in a domestic

altercation the previous evening. The suspect, and his vehicle, were eventually located at the dead-end of Clinton Street. As the Kewaskum police officer approached the suspect vehicle, the operator turned on his headlights and began to drive toward the deputy, who was parked in the middle of the roadway. The deputy immediately turned on his emergency lights, at which time the vehicle accelerated toward him at a speed that was excessive for the residential area. The deputy reported that the vehicle came within feet of striking his squad. The deputy activated his siren and began to pursue as he observed the suspect speed through the intersection of Clinton Street and Brooklane Drive.

As the vehicle sped through the intersection, the deputy noted one pedestrian who was standing in the crosswalk was nearly hit. There was at least one other individual standing on the curb who was also put into danger.

The vehicle fled through the residential area and eventually it was determined the operator fled west on State Highway 28.

The deputy lost sight of the car in the residential area, but the description was passed onto the State Patrol as the suspect was known to reside in Fond du Lac. A Wisconsin state trooper located the sus-

pect northbound on State Highway 175 from State Highway 28 in Dodge County. The suspect eventually made his way out to Interstate 41 near State Highway 151 and was traveling at speeds in excess of 100 mph, at which time the State Patrol terminated the pursuit. The subject, who is known to police, had formerly made threats to harm law enforcement and enforcement is pending.

High Speed Chase

A 21-year-old Milwaukee man and a 20-year-old City of West Allis man are in custody as a result of a high speed chase that started on Interstate 41 and State Highway 144 at 2:31 a.m. on Sept. 20. A deputy on patrol attempted to stop the West Allis man for traveling 85 mph on Interstate 41 without any taillights. The vehicle then accelerated away from the deputy at speeds reaching 120 mph. The Sheriff's Office requested the assistance of the Germantown Police Department, which deployed a tire deflation device on the suspect vehicle.

The driver exited the interstate at Lannon Road and stopped. Both individuals were taken into custody during a high-risk stop. The passenger, who had the title of the car in his pocket, has several open cases through the Milwaukee County Circuit Court, including felony possession with intent to deliver heroin. Drugs and several thousand dollars were located on and near him in the passenger compartment. The man's bail restrictions indicated no possession of controlled substance.

Based on the proximity of the drugs to him, he was arrested on bail jumping and drug possession charges. The driver was put through field sobriety testing and arrested for OWI first offense based on suspected drug use. The driver is also being held on the felony charge of attempting to elude a police officer.

RECIPE OF THE WEEK

September 22, 2016

MEXICAN LASAGNA

makes about 5 servings

Adapted from www.allrecipes.com

INGREDIENTS

- 1 pound lean ground beef
- 1 (1 oz.) pkg. taco seasoning mix
- 1 (14 oz.) can peeled & diced tomatoes with juice
- 10 (6 in.) corn tortillas
- 1 cup prepared salsa
- 1/2 cup shredded Colby cheese

DIRECTIONS

Preheat oven to 350 degrees F (175 degrees C).

In a large skillet over medium-high heat, brown the ground beef, and stir in the taco seasoning and tomatoes. Line a 9x13-inch baking dish with half the tortillas. Spoon the beef mixture into the dish, then top with the remaining tortillas. Spread salsa over the tortillas and sprinkle with the cheese.

Bake at 350 degrees F (175 degrees C) for 20 to 30 minutes, or until cheese is melted and bubbly.

WASHINGTON COUNTY SHERIFF'S OFFICE REPORT

Village Of Richfield House Fire

On Monday, Sept. 19, 2016 at approximately 8:18 a.m., the Washington County Sheriff's Office was notified of a house on fire located at 3252 Prairie Hollow Drive in the Village of Richfield. Deputies and firefighters from the Richfield Fire Department were subsequently dispatched to the scene. Assistance was also requested from the Germantown, Hartford, Jackson, and Slinger fire departments, and Lifestar Rescue.

Upon their arrival, deputies and Richfield firefighters observed the residential owner attempting to extinguish a large fire that was emitting from the attached garage. Firefighters were quickly able to bring the fire under control, while emergency medical personnel tended to the homeowner who sustained very minor injuries during his efforts to control the fire. The homeowner was not transported to the hospital and no firefighters were injured as a result of the fire. Fire/smoke damage to the home and contents was estimated at approximately \$125,000.

Prairie Hollow Drive at Mayfield Road was closed for approximately one hour to facilitate firefighting operations. A Wisconsin State Patrol trooper assisted with this closure. The matter remains under investigation by Sheriff's fire investigators, however the cause of the fire does not appear to be suspicious.

Fatal Motor Vehicle Crash

On Friday, Sept. 16, Washington County suffered its 10th traffic fatality of the year. The victim has been identified as Adam C. Long, 35, of Hartford.

At approximately 11:17 a.m. the Washington County Sheriff's Office was notified of a single vehicle roll-over style accident on Interstate 41 southbound approximately 0.1 mile south of County Highway FD/Pioneer Road in the Village of Richfield. Deputies and personnel from the Jackson Fire Department were subsequently dispatched to the scene.

Upon arrival, deputies observed a badly damaged SUV located in the grassy area just west of the Highway FD/Pioneer Road on-ramp to southbound Interstate 41. The operator and sole occupant was pronounced deceased at the scene by the Washington County Medical Examiner's Office.

A preliminary investigation into the cause of the crash indicates that the decedent's vehicle had been southbound on Interstate 41 in the right lane, when it rapidly approached other southbound vehicles which were reducing speed due to a construction related lane closure ahead. In an apparent attempt to avoid

striking the vehicle in front of him, Long swerved and subsequently lost control of his vehicle. The vehicle entered the grassy area between Interstate 41 southbound and the on-ramp causing the vehicle to roll several times, ejecting the driver. It was determined that the Long was not wearing a safety belt.

The on-ramp to Interstate 41 southbound from County Highway FD/Pioneer Road was closed for approximately 1.5 hours, and the right lane of Interstate 41 in the area of the crash was closed for approximately 1.25 hours, both to facilitate rescue and clean-up efforts. A Wisconsin State Patrol Trooper also assisted at the scene with traffic control.

The incident remains under investigation by the Sheriff's Office.

Missing Person Located

On Thursday, Sept. 15, 2016 at approximately 10:30 a.m., a utility company employee notified the Sheriff's Office that he had discovered a body in a tree/brush line some distance off of Highway 83 in the Town of Erin. The body was tentatively identified as a 49-year-old Town of Erin man who was last seen on June 5. He was reported missing to the Sheriff's Office by a close friend on June 6. An investigation revealed he was possibly despondent to some degree, and no foul play is suspected at this time.

Injury Accident On County Highway D

On Wednesday, Sept. 14, at 6:45 p.m., the Washington County Sheriff's Office was notified of a single vehicle accident located on County Highway D at the railroad tracks west of Interstate 41. Deputies, and rescue personnel from Allenton and Kohlsville Fire Departments were dispatched to the scene.

Two 17-year old women, one from Juneau, and one from Kewaskum, were the occupants of the vehicle that had gone off road striking a railroad crossing standard. Flight For Life was dispatched to the scene, and transported the driver of the vehicle to Children's Hospital, with unknown injuries. The driver had been trapped in the vehicle and required extrication. The passenger was transported to Aurora Medical Center in Hartford with minor injuries.

Due to repair of the railroad crossing standard, County Highway D will remain closed until morning hours of Sept. 15, between Nenno Road and Nickel Lane.

A preliminary investigation into the cause of the accident revealed that the vehicle had begun to skid across lanes of travel in a curve just west of the railroad tracks. Speed is believed to be a contributing factor to the cause of the accident.

False Report

The Sheriff's Office investigated an alleged suicide attempt that ultimately turned out to be a hoax for attention on Friday, Sept. 16, at 9:55 p.m. The Sheriff's Office received a 911 phone call from an ex-girlfriend of the suspect who was sending text messages that the man was going to kill himself. He was texting the ex-girlfriend indicating he was at a storage facility in, or near, the Village of Richfield.

Six deputies were initially assigned to the call to try to locate the subject. Assistance was also requested from the Germantown Police Department to check storage facilities in its jurisdiction, and the Waukesha County Sheriff's Office was asked to check facilities near the county line.

Through the follow-up investigation, investigators were able to determine the location of a storage unit rented by the subject, but he was not there. He would not reply to any other text messages. Deputies were able to eventually locate him with his current girlfriend at a motel in the Village of Germantown.

As it turned out, the 33-year-old Village of Germantown man never intended on harming himself and was trying to get a reaction from his ex-girlfriend while spending time with his current girlfriend. The investigation was turned over to Germantown Police for enforcement action since all of the texting occurred in the village. The sheriff's office had personnel assigned to this call for nearly three hours.

Disorderly Conduct

On Sunday, Sept. 18, at 12:29 a.m. the Sheriff's Office responded to a campground in the Town of Farmington for a report of a domestic disturbance at one of the campsites. As deputies were responding, citizens were reporting that the intoxicated subject could be heard yelling threatening obscenities from inside the trailer several campsites away.

The Sheriff's Office also took a call from the girlfriend at the campsite and the dispatchers could also hear his disorderly behavior. Upon deputies' arrival, the subject

became increasingly agitated and aggressive with deputies. It was also apparent to the deputies he was highly intoxicated. Later tests indicated he was a 0.39.

While taking the 44-year-old Sheboygan man into custody, he told deputies several times they would need to shoot him. EMS was summoned to the scene due to the level of intoxication and concerns over other possible drug use, but he would not cooperate with medical personnel when they arrived on scene. He threatened both deputies and refuse personnel with bodily harm. The subject was then taken to St. Joseph's Hospital by squad car rather than a rescue squad for medical clearance for the jail. On the way to the medical facility the subject was trying to kick out the window of the squad car. Once at the hospital four point restraints were needed to keep him safe from his own behavior. He was later transported to the jail on charges of disorderly conduct and resisting arrest.

Trailer Theft

The Sheriff's Office is investigating the theft of a trailer that occurred while the victim could only watch from a distance. The theft occurred on Saturday, Sept. 17, at 1:05 p.m. as the victim was doing lawn work at a business in the 1800 block of Wolf Road in the Village of Richfield. As the victim was working, he observed a dark navy blue Yukon or Tahoe park next to his vehicle, and a white male removed the trailer from the victim's truck and hooked it up to the Tahoe/Yukon.

The victim ran toward the suspects and tried unsuccessfully to remove the keys to the suspect's vehicle as it fled. The victim attempted to follow the suspect vehicle south on Interstate 41 but lost sight of it.

The trailer was described as a 4 feet by 6 feet aluminum trailer with 6-inch sides and a 4-foot ramp. The suspects were described as a white male white in his 30s, 5 feet 10 inches tall, weighing 170 pounds. The other suspect was described as a white female in her 30s, about 5 feet 8 inches tall.

Combative OWI Arrest

A 34-year-old City of West Bend woman is currently in custody at the Washington County Jail, where she will face a second offense OWI charge as well as two counts of battery to a police officer as a result of a driving compliant that occurred on Sunday, Sept. 18, at 6:33 p.m.

A citizen had called 911 reporting that a vehicle was driving erratically and actually drove the caller off the road in the area of Pleasant Valley Road and County Trunk P. The vehicle was located when a homeowner in the 4900 block of Birchwood Trail contacted the Sheriff's Office, reporting the same vehicle was seen pulling into and parking in their driveway. The second caller also reported that the driver appeared to be impaired.

The driver refused to do any type of testing when the deputy arrived and she was subsequently taken into custody for second offense OWI. Once placed under arrest, she became uncooperative and aggressive toward deputies. Once in custody, the woman began to spit at the transporting deputy and inside the interior of the squad car. She also vomited in the squad car. A specialized "spit mask" needed to be placed on her to keep her from spitting at the deputies once at the hospital for the legal blood draw.

Prior to the mask being put in place, and while awaiting the search warrant, she kicked a deputy in the left leg and head-butted another deputy in the chest. She later bit that same deputy in the right arm. The male deputy that was kicked and the female deputy that was head-butted and bit were not injured.

Traffic Stop/Weapons

A deputy on patrol observed a signal light

violation at the intersection of U.S. 45 and County Trunk H on Tuesday, Sept. 13, at 10:28 p.m. As the deputy initiated a traffic stop, the driver abruptly pulled into a driveway in the 3400 block of County Trunk H and one of the passengers fled the scene on foot. The driver and one other occupant stayed behind.

The driver is identified as an 18-year-old Byron man and the female passenger is identified as a 17-year-old Fond du Lac juvenile. Law enforcement learned that the driver is on extended supervision for armed robbery and the passenger that fled the scene likely had multiple outstanding warrants with violent tendencies. A gun was also located inside the vehicle. The driver was taken into custody for probation violations and will also receive citations for obstructing an officer, failure to obey signal, operating vehicle without license and alcohol-related violations. Additional follow-up is continuing related to any weapons charges. Attempts to locate the passenger that fled were unsuccessful that evening, but efforts continue at the time of this report.

Refusal Third Offense

On Tuesday, Sept. 13, at 8:59 a.m., a 52-year-old Town of Polk man was stopped for speeding on County Trunk P. When the deputy made contact with the driver, the deputy noted several signs of intoxication on the driver, including the strong odor of intoxicants and heavily slurred speech. A preliminary breath test had a reported value of 0.259. The driver was arrested for operating while intoxicated third offense and is currently being held in custody at the Washington County Jail on \$850 cash bond.

LEGAL NOTICES

NOTICE OF PUBLIC HEARING VILLAGE OF KEWASKUM UPDATING THE ZONING MAP THIS INCLUDES REZONING ENVIRONMENTALLY SIGNIFICANT LANDS WHICH ARE INELIGIBLE FOR PUBLIC SANITARY SEWER SERVICE

PUBLIC NOTICE is given to all persons in the Village of Kewaskum that a public hearing will be held on Monday, October 3, 2016, at 7:00 p.m. in the Council Room of the Municipal Building, 204 First Street, to solicit comments on the proposed zoning map revisions.

These revisions will include any previously approved rezoning of a parcel. The update will also include conservancy zoning for primary environmental corridors and for portions of secondary environmental corridors and isolated natural resource areas within wetlands and steep slopes. The extension of sanitary sewers to serve new "urban" development is not permitted in these areas. Sewered uses in these areas are typically confined to limited recreational uses and

rural-density (one dwelling unit per five acres) residential development in upland areas. The location of environmental corridors and isolated natural resource areas is based upon the most current aerial photographs available, soil survey maps, and natural resource base inventories conducted by the Southeastern Wisconsin Regional Planning Commission (SEWRPC) and the Wisconsin Department of Natural Resources.

A list of parcels included in the proposed rezoning is on file in the office of the Village Clerk. A copy of the proposed zoning map is available and open for public inspection in the office of the Village Clerk for a period of two weeks prior to this public hearing.

All persons interested are invited to attend this hearing and be heard. Written comments may be submitted to:

Continued From... Car Show Attracts Classic Crowd

Then one night, on the rare occasion when she didn't go with him, Lynn went to their local McDonald's car show and talked with a buddy.

Out of the blue, the man's wife asked, "You don't know anybody that is looking to buy a '67 Chevelle, do you?"

Lynn returned home that night and said to Sharon, "Hon, I got you an anniversary present."

The happy couple, who have now been married for 37 years, had become the third owners of the blue '67 Chevelle, complete with its original six-cylinder engine.

"It was meant to be," Sharon said.

Keeping Up A Tradition

Sunday marked the car show's 16th year in Kewaskum. Plans are already being made for next year's car show, which will be held on the third Sunday in September, Sept. 17.

Up until this year, the show had been run by Richard "Kissy" Kissinger of Grand Larsony. This year, for the first time, Kissy's cousin and godson, Mark "Kurly" Kissinger, took over the show.

It was the largest turnout yet. By 9 or 9:30 a.m., the show had reached its capacity and cars were turned away.

The Kewaskum Firefighters Association

Some 500 classic cars gather in Kewaskum for the Classic Car Show and Benefit on Sunday, Sept. 18. A record crowd showed up for the event, which raised funds for area residents Troy Krezinski and Jason Anderson.

photo by Anne Trautner

sold food and beverages, with proceeds going toward the association as well as the car show's beneficiaries. For the first time, breakfast was also sold.

"We so appreciate all the work that is put into these and all the organization. It is a big undertaking," said Sharon Proefrock, who with her husband and a couple other people started the Ducktona Car Show in Sheboygan Falls.

"This is our party. We all bring our cars and enjoy it. We look forward to coming to this one every year," said Kim Bonlender of West Bend as she sat with

a group of friends under a tent near her 1995 Camero convertible, with a full spread of food set up. Each year, the Kewaskum show benefits people from the community.

One of the people that the show benefited last year was Tom Kudek, who lost his battle to cancer in June.

But Kudek was still there in spirit.

Dan Heino ensured that when he brought his 1969 Firebird convertible to the car show. Heino had bought the car from Kudek in 1997.

"Everybody is glad it is here," Bonlender said.

Motorcyclists are among the people at Kewaskum's Classic Car Show and Benefit on Sunday, Sept. 18.

Continued From... Pumpkin Patch Dash To Raise Money For Alzheimer's Research

Larry and Barb have five children and eight grandchildren. Those grandchildren are the seventh generation to help out on the farm.

The farm had been a dairy farm for years. About 25 years ago, Larry and Barb started raising llamas also.

"The llama business was really picking up. We enjoy it," Larry said.

So in 1996, they sold the cows and focused on llamas.

Then, about 16 years ago, the family started their pumpkin patch, and before they knew it, they were visiting fairs and creating fun for others.

This past summer they ran pig and duck races at nine county fairs. Next summer they will have even more, plus they will be at some summer festivals.

"It's a nice way to make

a living. But you have to like fair food too," Larry said.

But despite the fun career, the Laux family has been affected by Alzheimer's disease. Larry's mother has been suffering from the illness for several years.

"She hasn't known any of her kids for the last three years. We are just a new friend who comes to visit. It's a terrible disease," Larry said.

So, after seeing his son and his daughter-in-law compete in races, he decided to start the Pumpkin Patch Dash this year to raise funds to fund research for the disease.

Pumpkin Farm

Pleasure Valley Pumpkin Farm, located at W7757 County Road A South in Adell, offers a full day of activities.

There is a haunted

house corn maze, hay maze, scavenger hunt, bouncy house, Ag Adventure area, giant sandbox, 70-foot wooden train, pig and duck races every two hours, and an "Echo Holler" where people can yell and scream.

There are rubber duck races, a corn cannon, train rides and storytelling hay wagon rides out to the pumpkin patch.

And every paid admission gets a pumpkin.

Registrations for the Pumpkin Patch Dash will be taken the day of the race. There is a \$25 fee for the 5K and a \$12 fee for children running the 1K. Prizes will be awarded to the top three finishers in each category. The registration fee includes admission to the pumpkin farm.

For more information about the run and farm call (920) 994-9294 or visit www.pvllamas.com.

Lynn and Sharon Proefrock of Waldo stand beside their 1967 blue Chevelle at the car show held in Kewaskum on Sunday, Sept. 18.
