Attention: All Veterans And Family Members Of Veterans

– Photos Of Local Veterans Sought

By Andrew Johnson

Starting this year, the Kewaskum Statesman will be honoring local veterans with their photos for Veteran's Day. Veterans and/or their family members are encouraged to submit a photo of a local veteran in uniform by Friday, Oct. 28th. **THERE IS NO COST FOR THIS.**

All local veterans include those who have lived or lived at one time in the Kewaskum School District coverage area. They include those veterans who served and are still living, those who

served and have passed on, as well as KIA's. All branches of service and guard are included.

Once a photo has been submitted, the Kewaskum Statesman will continue to use it for future Veteran's Days unless notified otherwise. Only one photo will be used per veteran per year.

Please include the following information with the photo: name of veteran, branch of service, rank, years served, and hometown.

Congress Overrides Obama's Veto Of 9/11 Bill

– Local Resident Plays Role In Creating Law That Allows Families To Sue Saudi Arabia

By Anne Trautner

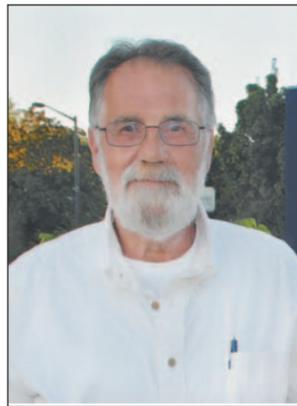

After years of stirring the halls of Congress and battling in the U.S. court system, Farmington resident Gordon Haberman is one step closer to bringing Saudi Arabia to justice for any role it may have played in the terrorist attacks that killed his daughter Andrea Haberman in the World Trade Center on Sept. 11, 2001.

Last Wednesday, Sept. 28, Congress resoundingly voted to override President Barack Obama's veto of the Justice Against Sponsors of Terrorism Act (JASTA). It marked the first override of Obama's presidency.

The new legislation allows families of those killed in the terror attacks on Sept. 11, 2001, to sue Saudi Arabia for any role it may have played in the plot.

"Overwhelmingly, both

bodies of our legislative branch, the people we trust to pass laws, came together in a bipartisan manner to pass what I feel is a strong message. Countries should be held responsible if they finance terrorism that results in the murder and death of American citizens within our borders," Haberman said.

Gordon Haberman

Haberman is one of 19 people who served on the

national JASTA family committee that developed and presented the anti-terrorism bill to U.S. legislators. The committee represents more than 9,000 family members and survivors who seek the truth, accountability and justice of all perpetrators of the Sept. 11, 2001, terrorist attacks.

Until now, foreign countries that are considered U.S. allies were protected by the Foreign Sovereign Immunities Act in the U.S. court system. If a suit would be brought against an ally nation, that country could claim sovereign immunity, and no action could be taken against that government, Haberman said.

"We would go through court, and we would be denied on that basis. We even went to the Supreme Court some years ago. We were always thwarted by the Foreign Sovereign Immunities Act,"

Haberman said.

The passage of JASTA now allows evidence to be presented in court so that those who aid and abet terrorist attacks on U.S. soil cannot hide behind "sovereign immunity" and avoid accountability in U.S. courts.

The new legislation may help bring out the truth of what occurred behind the scenes of the Sept. 11 attacks. That would help Haberman fulfill a promise he made 15 years ago.

"I promised my daughter on Ground Zero that I would find out how this happened," Haberman said.

In his search to find the truth, Haberman came to realize that the hijackers did not complete the terrorist attacks on their own. They had funding in order to carry out their murderous agenda, he said.

Wet-Down Ceremony Welcomes New Fire Truck To Allenton

By Anne Trautner

The Allenton Fire Department welcomed a new fire truck, Engine 1361, to its fleet with a "wet down" ceremony on Wednesday, Sept. 28.

It was a joyous celebration, complete with a blessing, speeches and cake.

Champagne was ceremoniously sprayed. Sirens and horns blasted. And lots of water showered over the new rig as it was christened into the department.

It seemed especially appropriate for the ceremony to be held for this particular rig, because it replaced a 1994 Pierce pumping apparatus. When that truck joined Allenton's fleet 22 years ago, the first wet-down ceremony that was ever held in the state of Wisconsin was held, said Ron Naab, a firefighter for the Allenton Fire Department.

A total of 20 fire departments were at the event, and more than 100 people attended.

The truck was a culmi-

nation of work by a committee of seven people from the Allenton Fire Department. The committee worked about a year and a half before the department signed the order last December, according to Naab, who served on the committee.

The final product cost just under \$600,000, according to Allenton Fire Chief John Breuer.

The volunteer fire department paid for all of that without taking out a loan.

"We created a depreciation fund for apparatus back in the 1980s. Every year we put money into the kitty so that when it's time to rotate a vehicle out, the money is saved up. Because we are a nonprofit corporation, we can do that," Naab said. "We would rather earn some interest on the money that we are putting aside, than have to borrow money and pay interest. Unfortunately, municipalities in the state of Wisconsin are not allowed to do that."

Community Loses Poet And Friend

By Anne Trautner

Two weeks ago, the Kewaskum Statesman lost one of its oldest contributors. And the community lost a dear friend.

For years, Isabelle Muckerheide routinely sent in articles about her family reunions. She submitted poems that she wrote and old postcards to be reprinted.

Isabelle died on September 20 at age 98. Her last submissions ran in the Kewaskum Statesman the previous week.

Isabelle was born on July 6, 1918, and grew up in Neshkoro.

She met her husband, Al Muckerheide, when he came to town to build a bridge in Neshkoro.

"While he was there, Al watched to see which gals went to Mass on All Saints Day. That was how he found Isabelle," said Alan Stoffel, a close friend.

"The Church was the center of Isabelle's life. She never missed Mass. She never missed anything at church," Stoffel said.

Isabelle and her husband Al cooked for many occasions, including weddings, funerals or any event that may arise.

"Back then there wasn't a Gateway or anything like that around, so they were the ones to go to for just about any occasion in town," said Wayne Rimmel, who knew Isabelle for the past 75 years.

Isabelle and Al were also well known for going to auctions. So much so

that auctioneer Mike Paul retired their number when they were no longer able to attend auctions.

"They collected everything. Their house was full of stuff from the auction. They would buy collectible stuff before people knew it was collectible," Rimmel said.

Their house contained just about anything you could think of, such as stained glass windows from churches, postcards, pictures and antiques.

After Al died about 30 years ago, Alan Stoffel would stop by every day to help Isabelle out.

"If I didn't come for two days, she would call and check on me," Stoffel said. "She always had something for me to do. Either the battery in the clock needed changing or she couldn't get her coffee can open, or I should burn her garbage. Sometimes we just sat down and had a cup of coffee."

One day, when Stoffel stopped by, Isabelle told him that she had water coming into her bathroom.

Stoffel checked it out, and said, "Isabelle, I think you need a new roof."

So Stoffel went to Campbellsport Building Supply, which is now Drexel, and talked to Albert Fleischman, who ran the business.

When Fleischman found out that Stoffel was buying the roofing supplies for Isabelle, Fleischman gave him a 10 percent discount.

"That's how people felt about her because she did so much for the community," Stoffel said. "She touched everybody's life."

Isabelle Muckerheide was a regular contributor to the Kewaskum Statesman and a familiar face in the Kewaskum community.

-photo submitted

She was a genuine extrovert. You didn't have to say anything when she was around."

She had a way of brightening everyone's day.

"She was a wonderful lady. Always happy and smiling," Rimmel said.

"If it was her birthday, she'd take us out to eat. And if it was our birthday, she took us out too," Stoffel said. "And you would never say no to Isabelle."

Isabelle frequented the

farmers markets in West Bend and Kewaskum. She would sell the dishcloths she crocheted and the strawberries that she canned.

"Every time she had a batch of banana bread, she would bring that, maybe 16 loaves. She had little pans," Stoffel said. "I think I still have a banana bread from Isabelle in the freezer. I'm never going to eat that."

Ode To Isabelle Muckerheide

Why did you take so long, My Dear, To come and join me way up here?

We did so many things together, when we were a team, so all-together.

We cooked many meals, shared, way before "Delivery On Wheels".

From church buffets and simple lunches, to weddings and breakfasts, that came in bunches.

We shared the tasks as one big fun, but then I left you, before we were done.

Oh how I missed your happy smile, when I had to leave you for a while.

Now you're with me once again, so we can go to auctions, that never end.

Welcome home My Darling Wife, as we begin our eternal life.

From Your Loving Husband,
Al

Dear Editor,

The Kewaskum School Referendum Needs Your "Yes" Vote!

Whether it be at work or home, it is always important for me to have the listening skills that can take in as much information as possible and a focused brain to make logical, sensible decisions when presented with a problem. This is why I have spent the last year with many other residents of our community at monthly planning meetings to determine the necessity of moving forward with a referendum.

I did this by:

- Reviewing the history of the construction that has occurred since the schools were built over 50 years ago,

- Taking tours of the present state of the middle and high schools,

- Listening to various employees such as the building and grounds supervisor, principals, and educators discuss the concerns they see,

- Asking questions about options such as "do nothing" to a "fix only what is needed" to dreams such as "tear it all down and start over on a different piece of land" approach,

- Observing other schools who have updated or built new facilities because of recent referendum approval to ensure their districts were competitive with the 21st century learning environments,

- Understanding the current financial state of the district and what having or not having a new loan would mean for us, as well as a comparison to other districts,

- Realizing the list of "must-do's" that will only worsen with time, and
- Sharing and discussing the numerous plans created individually by the planning committee community members as a result of the findings.

After months of discus-

sions about understanding the choices and what could be gained or lost with a referendum, the committee decided that moving forward with a referendum was appropriate. After further expert assistance from Matt Wolford of Bray Architects, we continued to modify the plan with goals of finding a solution that would support improved student environments and was financially reasonable for the community taxpayer.

It was vitally important to then survey community taxpayers about a proposed plan. Out of a deep respect for the survey results, the plan was again modified to make sure we, the community of Kewaskum, would support this plan. Once we were certain we were speaking for the surveyed Kewaskum community and the committed committee participants, we requested a vote from the Kewaskum School Board members. The school board members unanimously approved the plan going to referendum.

Why Is Now The Time?

The Kewaskum Elementary School debt goes away thanks to early repayment.

Interest rates are historically low.

As a parent of two children in the district, I have spent time in the hallways and classrooms volunteering. A small example of the need for improvement is that the middle school cafeteria is, basically, a large hallway. Students, because of the proximity to classrooms, have been instructed on occasion, to have silent lunch. This would change by moving the location of lunch to a new area far from class learning time.

Improvements would be made for safer entrances, maintenance updates, and code compliance. It would allow for economically effi-

cient use of shared spaces between the middle and high schools.

Even bigger reasons to vote "yes" point to the strong need for improvements in the STEM, science, and agricultural learning environments for students. These are the skills needed for the jobs in and around our community, and there have not been updates to some of these class spaces for 50 years. We all know how these disciplines have changed in 50 years.

For further information, please refer to the kewaskumschools.org website for the plan, details of the process, and the frequently asked questions that have been answered. Your "yes" vote would support students in this community. Please check out:

<http://www.kewaskum-schools.org/3/Content2/co st/> to get information on your tax impact.

Feel free to ask your own questions. Be your own voice. Learn more by attending the informational meetings.

I am grateful to have participated in this process. I thank all of you who helped by participating in the meetings and/or submitting the survey to further assist with the final, thoroughly thought out plan. This has been an incredible community collaborative effort for which I am proud. I look forward to seeing our schools improved for the betterment of the students and our community.

Please join me in voting "yes."

OBITUARIES

Janet M. Rohlinger

Janet M. Rohlinger, 78, of Kewaskum, entered eternal life where she was reunited with her loving husband Al on Friday, September 30, 2016, unexpectedly at her home.

She was born on August 21, 1938, in West Bend, the daughter of the late Christ and Elizabeth (nee Bahr) Koenings.

On August 31, 1957 she was united in marriage to Alois "Al" Rohlinger at St. Mary's Church in Barton. Al preceded Janet in death on October 30, 2008.

Janet worked as a waitress at A&W in Kewaskum for many years. Later in life she worked at Tuttle Creek Learning Center where she loved being able to cook for the children.

Janet was a long-time member of Holy Trinity Catholic Church in Kewaskum where she served as an usher and also volunteered her time.

Janet loved to spend time with her family, extended family and friends. She enjoyed spending time with Mary Ellen McElhatton, and all the lunch dates they shared. Janet was loved by many and "grandma" to so many adopted children and grandchildren who she loved like they were her own. She will be deeply missed and her

memory cherished by all who knew her.

Those Janet leaves behind to cherish her memory include her daughter, Diane (Randy) Schickert of Kewaskum; a grandson, Benjamin (Julie) Schickert of West Bend; two sisters, Eileen Spaeth of West Bend and Cathy (Neguta) Molla of Phoenix, AZ; two brothers, Richard (Nancy) Koenings of West Bend and Chuck (Judy) Koenings of Menomonee Falls; two brothers-in-law, Gregor "Crickets" (Beverly) Rohlinger and Norbert Rohlinger both of Kewaskum; two sisters-in-law, Mary (David) Ours of Campbellsport and Shirley Sarauer of Kewaskum, many nieces, nephews, great-nieces, great-nephews, other relatives and friends. Janet was a special Grandma to her great-niece and great-nephew, Hailey and Isaac Rohlinger. Sam her favorite dog was her companion.

In addition to her husband and parents, Janet was preceded in death by her parents-in-law, Leo and Johanna (Hall) Rohlinger; a brother, Paul Koenings; two sisters-in-law, Darlene Rohlinger and Rita Renner and three brothers-in-law, Robert Spaeth, Robert Renner and Ronald Sarauer.

A Mass of Christian Burial for Janet will be held at 6 p.m. on Thursday, October 6, 2016, at Holy Trinity Catholic Church, 331 Main St. in Kewaskum with Fr. Mark Jones and Fr. Edwin Kornath officiating. Burial will take place at 10:30 a.m. on Friday, October 7, in the parish cemetery.

The family will greet relatives and friends at the church on Thursday from 3 p.m. until the time of

Mass.

In lieu of flowers, memorials to Holy Trinity Catholic School are appreciated.

The Myrhum Patten Miller and Kietzer Funeral Homes have been entrusted with Janet's arrangements. Additional information and online guestbook may be found at www.myrhum-patten.com.

Bernice R. Krueger

Bernice R. Krueger (nee Kober), 86, of West Bend, was called home to be with the Lord on Thursday, September 29, 2016, at Kathy Hospice, West Bend.

She was born on May 6, 1930 to the late Christopher and Leona (nee Rosenbaum) Kober.

She graduated from Kewaskum high school in 1948. As a teenager she worked in retail.

On May 7, 1949 she was united in marriage to Norman Krueger at St. Lucas Lutheran Church, Kewaskum.

They lived on a farm near Lomira raising their four children. In 1961 they moved to West Bend.

Bernice worked for Montgomery Wards and then for Amity for 25 years until she retired in 1989. She was a member of Good Shepherd Lutheran Church in West Bend since 1972. She enjoyed doing many things, camping, cooking, gardening, and bird watching. She especially loved her dogs, Andy and Molly. She enjoyed spending time with her family and having family parties. She will be missed by all who knew her.

Those Bernice leaves behind to cherish her memory include her four children, Norman Krueger Jr. of West Bend, Linda Krueger of Brown Deer, Carl (Peggy) Krueger of Grafton, and Bonnie

Krueger of Brown Deer; two grandchildren, Nicole Krueger and Brittany Krueger; one great-grandchild, Brody Krueger; brother-in-law, Richard Krueger; nieces, nephews; other relatives and friends.

In addition to her parents, she is preceded in death by her husband, Norman Krueger; brother, William (Beverly) Kober; sister, Betty (Raymond) Mertzig, father and mother-in-law, William (Minnie) Krueger; brother and sister-in-law, Vernon (Eleanor) Krueger.

A funeral service in remembrance of Bernice will be held on Friday, October 7, at 4 p.m. at Good Shepherd Ev. Lutheran Church, 777 Indiana Avenue, West Bend. Rev. Robert Hein and Rev. John Paustian will officiate. Burial will be Monday October 10, at 11 a.m. at Washington County Memorial Park.

The family will greet relatives and friends at the church Friday from 1:30 p.m. until the time of the service.

A special thank you from the family to Dr. Herdrich, all the pastors at Good Shepherd, St. Joseph's hospital modified care unit, and the nurses and staff at Kathy hospice for all their support and care.

Memorials can be made in Bernice's name to Good Shepherd Ev. Lutheran Church.

The Myrhum Patten Miller & Kietzer Funeral Homes have been entrusted with Bernice's arrangements. Additional information and guest book may be found at www.myrhum-patten.com.

Mary E. Biersack

Mary E. Biersack (nee Waldkirch), age 82, of West Bend, was called home to the Lord on Saturday, October 1, 2016.

Mary was born on February 26, 1934 in Newburg to the late George and Mary (nee Wegener) Waldkirch.

She was united in marriage to Leonard Biersack on June 27, 1953 at Holy Trinity Catholic Church in Newburg. Leonard preceded her in death on August 4, 1989.

Mary was employed at

Amity Leather in West Bend for over 30 years. She was a devoted mother who loved her family and especially looked forward to spending time with her grandchildren and great-grandchildren. Mary enjoyed playing sheepshead, scrabble, and gin rummy.

Those Mary leaves behind to cherish her memory include her six children, Father Tom Biersack of Mayville, LeRoy, and Theresa, Carol (Mark) Halfmann of Eden, Susan (William) Timblin of Campbellsport, Daniel Biersack of Kewaskum, Judy (James) Benike of West Bend, and Michael (Mary Jo) Biersack of Wayne; eight grandchildren, Kelly (Aaron) Kutz, Tracy Halfmann, Chrissy (Doug) Doyle, Billy (Lisa) Timblin, Jake (Kaitlin) Timblin, Ashley (Tim) Jacobson, Brad Benike, and Jordan Benike; seven great-grandchildren, Bentley and Brecken Kutz, Will and Maddie Timblin, Dax and Dane Doyle, and Carter Jacobson; a sister, Barb Schlosser of Newburg; four brothers, Joey Waldkirch of Newburg, Julius (Rosie) Waldkirch of Fredonia, Richard Waldkirch of Shawano, and Peter (Ann) Waldkirch of Newburg; a sister-in-law, Charlotte Biersack of West Bend; and many other relatives and friends.

In addition to her parents and her husband Leonard; Mary was preceded in death by a sister; a brother; her parents-in-law, John and Anna Biersack; and many brothers-in-law and sisters-in-law.

A Mass of Christian Burial in memory of Mary was held on Wednesday, October 5, at 6 p.m. at St. Mary's Immaculate Conception Catholic Church (1610 Monroe St. West Bend, WI 53090). Burial was in the St. Mary's Cemetery on Main St. in West Bend.

The family greeted relatives and friends at the church on Wednesday from 2 p.m. until 5:30 p.m.

The Myrhum Patten Miller & Kietzer Funeral Homes have been entrusted with Mary's arrangements. Additional information and guest book may be found at www.myrhum-patten.com.

IN HONOR OF DOROTHY ROSE (SCHOOF) VOLM WHO PASSED AWAY 10 YEARS AGO TODAY (10-11-06). WE ARE SHARING THIS POEM WRITTEN FOR HER AND PRINTED ON HER 1 YEAR ANNIVERSARY.

Days went by quickly in the years we spent with you. We never fully realized how precious they were, until too quickly, you were gone. God lent you to us, for too short of a while.

We saw a glimpse of heaven shining in your eyes. You filled every second of our lives with joy, and made our world better, daily. Every day is harder without you. But we are grateful for anytime spent with you.

You lived your life with beauty and grace and taught us how to love. Your loving, Christian example is now a part of us. Even in the silence of the night, our tears remember you.

WASHINGTON COUNTY SHERIFF'S OFFICE REPORT

Felony Arrest

A 32-year-old Village of Campbellsport man remains in custody at the Washington County Jail as a result of a traffic stop on Pleasant Valley Road west of U.S. 45 on October 3. The deputy observed the vehicle southbound on U.S. 45 near Pleasant Valley Road at 6:02 p.m. and initiated a traffic stop based upon three different equipment violations. The vehicle, occupied by three individuals, exited U.S. 45 when the deputy activated his emergency lighting and slowly drove up the off-

ramp before making a left turn onto Pleasant Valley Road. The vehicle then briefly stopped for one second and slowly began proceeding westbound again. The operator then made a U-turn and finally stopped on the eastbound shoulder. The deputy also became aware that the registered owner of the vehicle had an outstanding felony warrant out through the Department of Corrections.

After he stopped, the operator immediately exited the vehicle and began walking toward the deputy. The

deputy noted the operator matched the description of the subject wanted on the felony warrant. When the deputy exited the squad car, the subject then began walking between the two vehicles and which point the deputy grabbed the subject's hand and told him to stop. The subject then threw a Ziplock type baggie behind him and into the roadway. The bag was later recovered and determined to contain narcotic drugs and paraphernalia.

The deputy advised the subject he was under arrest

and decentralized the subject to the ground after the resistance continued. The deputy attempted to get the individual's hands behind his back as the subject kept reaching underneath him into his waistband. The deputy was able to remove the subject's right hand, but not the left hand. As a result of the suspect's active resistance, the deputy deployed a Taser on the subject. The deputy and ran three complete cycles without gaining compliance. A back-up squad arrived on scene and was able to assist taking the subject into custody.

In addition to the felony warrant, the subject is being held in custody for charges of possession of heroin, possession of drug paraphernalia and resisting arrest.

Department of Corrections has completed its annual inspection of the Washington County Jail and Juvenile Detention Facilities. The inspection report found both facilities to be operating within the DOC Administrative Code. While most comments were positive and favorable, the inspector did make suggestions for improvements in some processes. The jail administrator is reviewing those items. The full reports can be viewed at www.washingtoncountysheriffwi.org/index.php.

Dehumidifier Recall Information

Recently the Washington County Sheriff's Office has investigated several residential fires where it is believed that the cause of the fire is, or may have been, a dehumidifier. During these investigations our agency learned of several recalls on dehumidifiers and urges citizens to check whether they are using a dehumidifier on this recall list. Additionally, based on information from a local fire department, people should plug their dehumidifier directly into an outlet of ample size to sustain the load of the dehumidifier. Extension cords for use with a dehumidifier should be avoided. For recall information go to <http://greedehumidifierrecall.com/ProductEntry.aspx>

OWI First Offense Cases

The Sheriff's Office responded to a citizen report of an erratic driver southbound on I-41 in the area of Highway 28 on October 2 at 7:24 p.m. Deputies were able to locate the vehicle on Highway D near U.S. 45 and observed more erratic driving. The driver, a 57-year-old Saukville man, indicated he was on his way home from Waupaca. A deputy, specifically trained as a drug recognition expert, was summoned to the scene as the

investigating deputies did not believe alcohol was involved. The driver was arrested after failing the sobriety field testing.

Police Officer Locates Vehicle In Ditch

An on-duty West Bend Police Officer located a vehicle in the ditch in the area of Beaver Dam Road and Wildwood Road, in the Town of Barton on October 3 at 12:49 a.m. Upon making contact, the officer believed the driver was intoxicated. A sheriff's deputy responded to the scene and arrested the operator, identified as a 21-year-old City of West Bend man, for first offense drunk driving. A subsequent breath test had a reported value over 2 times the legal limit.

OWI Second Offense Cases

On October 2 at 8:30 p.m. an off duty deputy observed a vehicle in the ditch in the area of Highway 144 and Cedarview Drive in the Town of West Bend. The driver, a 51-year-old Town of West Bend man, advised the investigating duty deputy that he lost control of his vehicle on Highway 144 due to wet roads. The deputy noted several signs of intoxication as well as the fact that the roads were not wet. The subject was arrested and a subsequent breath test indicated the suspect had a BAC three times the legal limit.

Sheriff's Office Report Continued on Page 6**Chief's Corner**

By Kewaskum Police Chief Tom Bishop

The amount of community support for our department and its police officers has been amazing and appreciated. I have said for a long time now, and I will say it again, I am blessed that my path in life brought me to Kewaskum, first hired as an officer to serve and protect and now leading the department as your Chief. This community has always supported our efforts and initiatives, and more recently shows its support for us in a trying time for law enforcement in our country. We see all the yard signs and blue lights and we truly appreciate it!

Community members will ask my thoughts on the state of affairs in our country and my thoughts on the Black Lives Matter movement. For those of you who read past my articles, you probably have a good idea on where I stand. In 2014, I wrote an article stating how I was disappointed in our President for not addressing the amount of black on black crime that occurs throughout the African American community. Instead, he jumped on board with the false narrative of, "hands up don't shoot" and the Ferguson protesters. Today, I am still disappointed. We have seen shootings involving police officers resulting in protests and riots in many major US cities. Yet the President has not used this as an opportunity to discuss the underlying issues that reside in major urban minority communities that create these frustrations. The police officers involved in most of these shootings did not improperly use deadly force, yet the president, and one candidate running for president, states that police "need more training", implying that the law enforcement officer is to blame in these instances. I'm not sure what kind of 'advanced' training they are referring to, but that may be an article for another time.

The African American community suffers from high unemployment, failing schools, lack of re-

spect for others and the absence of a two parent household. A combination of these issues is what leads to criminal activity, which leads to more contacts with police and more interaction with the criminal justice system. This increased number of interactions with police has, in my opinion, created a perceived notion of racial bias.

There are further beliefs of bias within the criminal justice system as a whole. These aspects are far from the reach of police officers, however, police officers end up representing the entire system. Perceived bias exists within the court system in regards to the charging of crimes, the prosecution of those crimes and the inconsistency of sentencing of the offenders. Wisconsin has tried by enacting sentencing guidelines for some crimes, but perhaps more needs to be done. It doesn't help either that overworked, overloaded and understaffed District Attorney's offices end up pleading out many cases that, if taken to trial, would have received a stronger sentence. This is an important conversation that has to occur with our leaders in the criminal justice system as well as the leaders of the African American community.

The plight of African American communities in this country is a very real and serious issue that needs to be addressed. Instead organizations, such as Black Lives Matter, decide to focus their efforts on the perceived bias of police officers. And even worse, the leadership in this country has decided, for political reasons, to continue to divide the country by supporting this rhetoric. It's either Black Lives Matter or Blue Lives Matter — pick a side and apparently a political party. This is not an issue for political gamesmanship. People's lives and livelihoods hang in the balance and yet politics is what we get...

Until the Black Lives Matter movement accepts the factual evidence and addresses the

crime issues within its own community; I cannot accept their group as a serious agent for positive change. According to crime statistics, major urban minority communities need the police more than any other segment of our society. Yet if those within their community, politicians vying for votes and the BLM movement continues to support violence and chaos as acceptable ways to protest, then the real issues will never be resolved.

I am completely aware that I am saying this as a white male, and by no means am I saying I understand how it feels to be discriminated due to my race, or that there isn't any discrimination in our country. I am an analytical person and the statistics do not support the Black Lives Matter movement's agenda. Furthermore, I do believe, like the vast majority of police officers, that all lives matter, regardless of your skin color, religion, sexual identity or any other label our society has placed on people in an effort to segment us into separate groups.

The rioting needs to stop. The hate needs to stop. The false narratives need to stop. We need to remember that we are all part of the human race and stop letting the media and politics separate us into segments for their own selfish gains. As a country, we can fix this, but only if we are ready to have a real and serious conversation about the genuine issues that plague the larger urban communities. Unfortunately, this conversation won't happen until the rioting stops, Colin Kaepernick stands up and Jesse Jackson decides to come to Milwaukee or Chicago or Charlotte, etc. to speak about the senseless multiple murders of young black men by other black men and not the notion that police officers are out to kill young, unarmed black males. Then finally change can actually start to occur.

Thank you and have a safe month.

Theft

A 77-year-old Town of West Bend couple became victims of a theft at their small hobby farm located in the 5300 block of County Trunk P sometime overnight on Thursday, Sept. 29, after 11 p.m. The retired couple, who sell agricultural items such as gourds, hay, cornstalks and pumpkins, left the products out for sale adjacent to their home. The couple had a small drop box located near the home so customers could buy and pay at their convenience using the "honor system." During the night or early morning hours, some unknown actor(s) removed the drop box by force, stealing both the lock box and the small amount of money it contained. The drop box was described as an orange mailbox.

Although this may be a minor theft, the Sheriff's Office hopes that the individual(s) responsible for this incident see this post and see who they victimized.

Weekly HEALTH TIP**COFFEE MAY PREVENT LIVER DISEASE**

Drinking two cups of coffee a day may reduce the risk of developing cirrhosis of the liver by 44%, according to a new study. Researchers studied 400,000 participants and found the risk of cirrhosis decreased as the numbers of cups of coffee consumed increased (3 cups a day lowered the risk by 57% and 4 cups, by 65%). Researchers caution that while drinking coffee may lower risk of cirrhosis, it won't counteract the harmful effects of excessive alcohol intake or the damage that results from being overweight or obese. Also, these results may not apply to coffee drinks with lots of whipped cream and sugar.

WASHINGTON COUNTY SHERIFF'S OFFICE REPORT

Second Offense Drunk Driving

A 52-year-old City of West Allis man was arrested for second offense drunk driving after being reported by several citizens as driving erratic on U.S. 45 southbound on Saturday evening October 1 at 4:47 p.m. Deputies located the vehicle swerving in the left lane of U.S. 45 with the left turn signal activated. Upon making contact, the deputy immediately noticed signs of intoxication although the driver initially indicated he did not have anything to drink. Upon additional questioning, the driver did acknowledge drinking two beers. When the deputy inquired as to what kind of beer, the driver responded, "cold". The driver failed the series of field tests and was arrested. A search warrant was obtained for legal blood draw.

Grafton Man Was Arrested For Drunk Driving

The Sheriff's Office responded to the area of Division Road and Highway 60 after a report of a vehicle traveling at 10 mph and swerving into on-coming traffic. Deputies were able to locate the vehicle on private property after the operator turned off the headlights and stopped in a farmer's field about 10 yards off the roadway. The operator, a 24-year-old Grafton man, was arrested for drunk driving second offense after failing sobriety testing. He was also booked into the jail on possession of marijuana and drug paraphernalia charges.

Vehicle Accident

The Sheriff's Office investigated a minor injury accident on Friday night September 27 at 11:53 p.m. that resulted in a minivan coming to rest in Big Cedar Lake. The accident occurred at the intersection of County Trunk K and Highway 144 when the operator, a 41-year-old City of West Bend man, was east bound on County Trunk K and fell asleep. The minivan went

through the intersection and came to rest 50 feet from shore in about 2 feet of water. The minivan also pinned an unoccupied small boat under the front of the minivan before coming to rest. The driver was not under the influence of any type of intoxicants but will receive citations as a result of the incident as the intersection is controlled by a stop sign.

Mutual Aid

Wisconsin law enforcement agencies assist each other under provisions set forth in chapter 175 of the Wisconsin State Statutes. This is commonly referred to as "mutual aid". Mutual aid allows one agency to request assistance from other agencies that would not normally have jurisdiction in the geographical area the assistance is requested from. A typical example of this would be when the Sheriff's Office asks for help in a township from a municipal city or village police department. The term is also commonly used when a municipal police department requests the Sheriff's Office assistance within their corporate limits even though deputies have jurisdiction throughout the entire county. Mutual aid is a valuable tool that allows jurisdictions to share resources in emergency situations where departments need immediate assistance.

The Sheriff's Office giving mutual aid was demonstrated several times during third shift on Saturday night, Oct. 1, into Sunday morning, Oct. 2.

Roll-Over Accident

On Saturday night at 11:16 p.m. the Sheriff's Office assisted Germantown Police with a roll-over accident on I-41 near Mequon Road. When the deputy arrived he located a vehicle in the far left lane of I-41 southbound on its roof. He also located a female laying in the roadway with witnesses who were trying to help. The deputy took over patient care until other first responders arrived on scene. The

Sheriff's Office then assisted with traffic control for approximately 1.25 hours during Germantown Police Department's investigation and clean-up operations.

About 36 minutes after first responding to the Germantown accident, the Sheriff's Office responded to the 100 block of Timblin Drive in the Village of Kewaskum to assist with a domestic abuse incident where the suspect fled on foot prior to the police officer's arrival.

Disorderly Conduct

At 2:36 a.m. on October 2 the Sheriff's Office responded to the area of downtown West Bend. The West Bend Police Department responded to several disorderly conduct type calls within a few minutes of bar closing time and requested the Sheriff's Office to the downtown area to assist with keeping the peace.

Sheriff's Office Receiving Mutual Aid

Although the previous three specific examples relate to our agency assisting municipal police departments, there are also times when the Sheriff's Office requests help from other agencies to maximize public safety.

One such example of this was last week Tuesday September 27 at 3:29 p.m. The Sheriff's Office received a 911 call from a restaurant in the 3400 block of High Road in the Town of Hartford reporting two intoxicated subjects inside the bar. The 911 call came from an employee of the restaurant when one of the subjects walked out of the bar, leaving his friend behind, and stated he was coming back with a gun. Due to the establishment's proximity to the City of Hartford, a supervisor at the Sheriff's Office requested Hartford Police Department's assistance. A Sheriff's Office detective and a Hartford Police Officer took the suspect, identified as a 27-year-old City of Hartford man, into custody in the parking lot of the business within 5 minutes of the 911 call. A subsequent search of the suspect, and the vehicle he arrived in, was done; no weapon was located. The suspect was arrested on disorderly conduct charges. Investigators

believe the suspect is a disgruntled previous employee that was terminated six months prior to this incident.

The subject posted bond later that evening at 6:45 p.m. and was released. Within five minutes of being released from custody, the subject made a series of threatening phone calls to one of the victims. The Sheriff's Office was first made aware of these threats at 10:20 p.m. on September 27. The Sheriff's Office then immediately began looking for the suspect again. He was taken back into custody at 12:56 a.m. on September 28 at an apartment in the City of Hartford. This time he was arrested on a felony charge of intimidation of a victim by threat of bodily harm, another disorderly conduct charge and unlawful use of a phone.

Accident And Criminal OWI Investigation

On September 30 at 1:41 a.m. the Sheriff's Office responded to the 7500 block of Glacier Drive in the Town of Barton to investigate an accident. Deputies arrived and found the operator walking around in a confused state with a head laceration. The preliminary investigation suggested the operator, a 26-year-old Town of Barton woman, was northbound on Glacier Drive and failed to negotiate a corner. The vehicle she was operating left the roadway and struck an old stone foundation to a barn causing severe damage to the passenger side of the vehicle.

The subject was arrested for second offense OWI and transported to a local hospital for a legal blood draw. While at the medical facility, processing the OWI, the investigating deputy overheard staff members talking about the crash between each other and were under the impression the crash was low speed with a minor impact. The deputy interjected that the crash was probably a result of a high speed impact which caused about 6 inches of penetration to the passenger side of the vehicle. This information assisted medical staff in changing the code the hospital was operating under and a subsequent CT scan showed the woman had a brain bleed. She was then transferred to Froedtert

by ambulance.

Mail Theft Investigation

The Sheriff's Office took an 18-year-old rural Campbellsport man into custody early in the morning of Sept. 29 for unauthorized use/possession of an individual's personal identifying information as a result of a theft of mail investigation. The suspect is currently being investigated for the thefts of mail out of mailboxes in the Towns of Farmington, Barton and West Bend, although that geographic area could expand as the investigation progresses.

The Sheriff's Office responded to a residence in the 4800 block of Beaver Dam Road in the Town of Barton on September 27 at 12:13 a.m. after the homeowner heard a loud exhaust at the end of the driveway and then saw a gold van back up towards the mailbox. A subject exited the vehicle and removed a cable bill from the mailbox. The vehicle then left the area with no headlights on. At the time of call, we were unable to locate the vehicle as the theft occurred about 45 minutes prior to the time the Sheriff's Office was notified.

That afternoon, on September 27, the suspect vehicle was again seen by the homeowner and Sheriff's Deputies were able to subsequently locate the vehicle at an apartment complex in the Town of Barton. The suspect was arrested early this morning in possession of some of the missing mail. The Sheriff's Office is currently in the process of notifying several victims, known to law enforcement, that may be unaware their personal information could have been compromised.

The preliminary investigation also suggests there may be other victims the Sheriff's Office could have difficulty identifying. The Sheriff's Office is still investigating the extent of the thefts and the full intentions of the suspect. The investigation is very active at this point. If citizens have a reason to believe they have been victims of mail thefts they are encouraged to contact their primary law enforcement agency.

Rescue Call

On September 28, the Sheriff's Office along with the Allenton Fire Department and West Bend Intercept responded to a report of a 68-year-old Waupaca County man that required medical attention during a goose hunting outing in the 5800 block of St. Anthony Road in the Town of Addison. The time of call was 7:30 a.m. The subject

was hunting with a friend during the incident. After a lack of shooting when the geese passed within range, the friend responded to the area and found the subject having a medical episode which was first reported to be a heart attack. The patient was located by first responders half mile off the roadway. The Sheriff's Office responded to the scene with the department's utility task vehicle (UTV), but the surface of the ground was adequate enough to support a truck which was ultimately used to transport the subject to the rescue squad. He was then conveyed to St. Joseph's Froedtert Medical Hospital. Medical first responders believe the subject suffered a stroke rather than a cardiac event.

Stolen Vehicle And Drug Arrests

A series of two unrelated traffic stops within 1 minute and 47 seconds of one another on September 27 by sheriff deputies resulted in the recovery of one stolen vehicle and two separate drug arrests.

The first traffic stop occurred last evening at 7:38:08 p.m. in the area of I-41 and Holy Hill Road after a deputy observed a defective tail light on a vehicle traveling northbound. The deputy stopped the vehicle and requested the assistance of a Germantown Police Officer K9 unit based on his investigative observations. Drugs were subsequently located during the K9 search. The driver, identified as a 24-year-old Neenah woman, was taken into custody and is currently being held on charges of possession of marijuana, possession of controlled substance without prescription and possession of cocaine with intent to deliver. The most serious charge resulted from a jail search during the booking process that revealed she concealed 29 grams of cocaine in her undergarments.

The second traffic stop occurred at 7:39:45 p.m. in the area of I-41 and County Trunk K. Deputies, along with the assistance of the Slinger Police Department, stopped a stolen vehicle from Merrill, WI. Northbound traffic on I-41 was briefly stopped during the high-risk traffic stop while the operator was taken into custody. The operator, a 19-year-old Merrill man, was arrested on a felony charge of operating a vehicle without owner's consent. A subsequent search of the vehicle resulted in the discovery of heroin drug paraphernalia. The subject remains in custody on those two charges.

Just Between Friends' Consignment Sale Coming Soon To West Bend

Just Between Friends, the leading children's and maternity consignment event, will be holding its big Washington County sale October, 5-9, at the Washington County Fairgrounds, 3000 Pleasant Valley Rd. in West Bend.

The sale will be open to the public Wednesday, Oct. 5 and Thursday, Oct. 6, 10 a.m. - 7 p.m.; Friday, Oct. 7, 10 a.m. - 5 p.m.; Saturday, Oct. 8, 9 a.m. - 4 p.m. and Sunday, Oct. 9, 9 a.m. - 12 p.m. Admission on the first day is \$3; on all other days, admission is free. On Saturday and Sunday, selected items will be 50 percent off.

JBF sales offer gently used and new children's clothing in sizes 0 to 18, junior clothing XS to large, maternity clothes in sizes XS to plus, shoes in sizes infant to 8, as well as toys, board and electronic games, DVDs, and books. Each event offers new and different items. There are usually over 100,000

items on sale at these consignment events.

All items are inspected before the event for current fashion, stains, tears, and inclusion of all parts. Items will be organized like a children's store, where everything is divided by gender and size.

"Just Between Friends gives families on a budget a chance to shop for quality winter gear, needed clothing items and shoes, Halloween costumes, holiday gifts, and more," said Ammie Maltz, organizer of the JBF Washington County sale. "In addition to the reasonable prices, members of the community appreciate the opportunity to sell their used items and make some money in a carefully managed

atmosphere."

Just Between Friends serves more than 260,000 American families in 28 states and Canada and provides an opportunity for families to recycle their kids' clothing and toys. Wisconsin currently offers six JBF sales events with each independently operated. JBF sales utilize an exclusive, free barcode system for tagging items, tracking daily sales, and managing an accurate, itemized list of unsold items that are then donated on behalf of JBF and the consignors to organizations, including the Salvation Army, for area families in need.

For more information on the upcoming sales, visit www.jbfsale.com.

The News Office will be closed on Oct. 20, 9am-1pm.

An Upcoming Calendar of Events for River Edge Nature Center

Friday, October 7 - Phenology Finders, 1 p.m. - 2:30 p.m., Join us on this afternoon hike as we head out on the trails to find signs of the seasons. Explore our fall prairies, explore our wetlands for reptiles, and hike along the Milwaukee River to hear and see birds. Riveredge Members: Free, Non-Members: \$5/adult, \$3/12 & under, pre-registration required.

Saturday, October 8 - Open Tree Climb, 10 a.m. - 12 p.m., Explore Riveredge at a new elevation! Our new Tree Climbing programs are meant for youth and adults, age 7 and above, with little to no tree climbing skills. Ascend ropes and explore the world way above your feet. We make it safe and easy! All equipment is supplied; all you need is loose clothing (T-shirt and long pants recommended), closed toe shoes (hard soles recommended), and an adventurous spirit. Riveredge Members: \$20/person, Non-Members: \$35/person, Pre-registration is highly recommended. The tree climbing programs often fill quickly. There is a minimum of 6 climbers and a maximum of 16.

Saturday, October 8 - Herb Walk, 10 a.m. - 12 p.m., Join professional herbalist Kyle Denton to learn the medicinal virtues of plants found at Riveredge and throughout the state. Kyle is a professional herbalist trained in the traditions of Western Herbalism as well as Ayurveda, a system of healing from India from which yoga comes. Walks start at the Visitor Center and will take place rain or shine the second Saturday of the month. Non-Members & Trail Pass Members: \$5/person, All Access Members: Free.

Saturday, October 8 - Children's Storytime: Crickwing by Janell Cannon, 10 a.m. - 11:30 a.m., Crickwing never set out to be a bully—he wanted only to create his art in peace. But the little cockroach is an easy target for the bigger creatures in the forest. In his frustration he decides to even the score by bullying the leafcutter ants. They're just so easy to pick on. Big mistake. Nobody angers the leafcutter queen and gets away with it. Suggested ages 7 and under.

Sunday, October 9 - Family Kayak at Yahr Park, 4 p.m. - 6 p.m., Paddling takes a mix of knowledge and skills! Join a Riveredge Adventure Guide at Yahr Park in West Bend for an unforgettable paddling experience that will begin with safety and end with a splash! We will use 1 person kayaks. Ages 10+. Riveredge Members: \$25/person, Non-Members: \$30/person, Pre-registration required. Space is limited.

Sunday, October 9 - A Day for Dogs, 10 a.m. - 4 p.m., Riveredge invites dogs and their families to a special access event to hike our trails and enjoy the beauty of our sanctuary at our new Day for Dogs event! Show your pups a piece of pristine nature and learn why sanctuaries like Riveredge must balance pets with local wildlife and plants. This is the one chance during the year for your dog to be a 'Riveredge Kid' too! Members: \$10/adult, Children 12 & under - free, \$5/dog, Non-Members: \$15/adult, Children 12 & under - free, \$10/dog, Pre-registration required.

Thursday, October 13 - Little Explorers Playgroup, 10 a.m. - 11:30 a.m., Let's gather in the Natural Play Area and share the wonder of nature through outdoor play. We will also venture into forests, fields, ponds and more. Nature sensory bins for babies and exploration tools for older children will be available. Indoor activities will be planned in case of inclement weather. Suggested ages 0-4 years old. Non-Members & Trail Pass Members: \$5/child, All Access Members: Free.

Saturday, October 15 - Nature Detectives: Catch and Release, 10 a.m. - 11:30 a.m., Come learn about the practice of catch and release fishing! Poles, bait, and instruction provided. We will learn how to set a line, bait a hook, identify fish species, and remove a fish to safely release back into the pond. Ages 6 and under must be accompanied by an adult. Non-Members & Trail Pass Members: \$5/person, All Access Members: Free.

For more information about Riveredge Nature Center, please go to their website at riveredgenature-center.org or call (262)375-2715. The Center is located about a mile northeast of Newburg off of County Highway Y/Hawthorne Drive. The center is open seven days a week.

DAYS GONE BY

5 Years Ago October 6, 2011

Not the best of conditions, but definitely the best results of the season. That would be the best way to describe Kewaskum's appearance in the Division 2 Regional Golf Tournament hosted by the Prairie School on Sept. 27.

They stood along the street holding signs in mostly silence, not letting an issue die so babies don't have to, either.

A daughter, Caylynn Doris, born to Dominique and Keith Heberer of Kewaskum, on September 10.

A son, Micah Timothy, born to Sara and Tim Peck of Kewaskum, on September 24.

Wilmer J. Schmidt, of the town of Kewaskum died October 2.

15 Years Ago October 4, 2001

On September 7, the fourth, fifth, and sixth grade classes from Holy Trinity School attended education day at Indian Summer. They played La Crosse, learned an Indian dance, and attended a Pow Wow.

John Ruplinger, 78, of Kewaskum, died September 29.

Laura A. Chmielewski, 79, of Kewaskum, died October 1.

25 Years October 10, 1991

Kewaskum Frozen Foods Co-owners Dave Nigh and Bob Beisbier, displayed the Jerky sticks and ring bologna, which received national championship awards, at their Sausage Plus store, located in the West Bend Outlet Mall.

Hot Air Balloon ascensions will take place Saturday and Sunday at Riverhill Park in conjunction with Kettle Country Kolors, with the cooperation of the weatherman.

A son, born to Carol and Bryan Bohmrich of Campbellsport, on September 28.

Elsa E. Stautz, 91, of Kewaskum died October 5.

Arvin L. Merwin, 76, of Kewaskum, died October 6.

50 Years October 7, 1966

Mr. and Mrs. Arthur Manthei of 226 Second St., Kewaskum, celebrated their 50th wedding anniversary on Saturday, Sept. 24, with a family dinner at the Glacier Inn for their children and grandchildren and the Rev. Daniel Schowalter family. Following the dinner a large number of friends and relatives were invited to a reception and dance at the Kewaskum Opera House.

A large new 21,000 square foot Dairyland Seed building is being constructed on Hwy. 45 at the junction with County Trunk H, about a mile south of Kewaskum. Construction is proceeding rapidly with completion tentatively set for Nov. 1. The spacious building will include an office, processing department and large warehouse.

After almost five months of concentrated effort, Miller's of Kewaskum now have their spacious newly remodeled funeral home ready for inspection. On Saturday and Sunday, Oct. 8 and 9, Miller's will hold open house to which all are invited.

Miss Kathy K. Keno, daughter of Mr. and Mrs. Ray Keno, Kewaskum, has been awarded a \$700 scholarship at the university of Wisconsin-Milwaukee. She has been awarded this for outstanding scholastic achievement during her freshman year. Miss Keno is majoring in speech education.

Mrs. Addie Bowen of Fond du Lac visited with her son-in-law and daughter Mr. and Mrs. Cyril Gilboy over the weekend.

75 Years October 10, 1941

Three Milwaukeeans and Campbellsport farmer

were injured Saturday in a collision between two cars on a town road in the town of Osceola. The Milwaukeeans were treated by a Campbellsport physician and the farmer, Louis Ramthun, 21, Campbellsport, R.2, was taken to St. Agnes Hospital, Fond du Lac, with painful cuts on the face and knees and a chest injury. Fond du Lac County Highway police say the head-on collision occurred at the crest of a grade. The Milwaukee car, traveling at a high rate of speed, apparently was over the center line of the road. Front ends of both cars were caved in and the bodies were damaged.

Private Leo Wietor, son of Mr. and Mrs. Frank Wietor of Wayne, who was inducted into military service as a result of selective service, was given his honorable discharge last week Monday due to his age. Pvt. Wietor returned after serving in the army the past seven months. He was in one of the first groups of more than 1,000 men in 32 states who are being transferred to the enlisted reserves because they were 28 years old on or before July 1, 1941, and prior to induction.

A wedding dance in honor of Miss Jeanette Koenigs of Barton and Bernard Sarauer of St. Kilian will be held at Wietor's Hall, Wayne, Saturday, Oct. 11. Music by Ke-Waynie Orchestra. Admission 30¢ tax included. Free Lunch. Everybody welcome.

100 Years October 7, 1916

A meeting of the basketball association was held at the Opera hall last Saturday evening for the purpose of organizing a team for the coming season and those who will start practice are "Spatz" Miller, Adolph and Maurice Rosenheimer, Carl and Walter Schaefer and Edgar and Alwyn Romaine. This lineup insures a strong, well bal-

anced team and there will be some interesting games played here during the fall and winter.

Henry Stern, the 20-year-old son of Mr. and Mrs. Theodore Stern, Town of Kewaskum, suddenly took sick last Wednesday morning with appendicitis. It was found necessary by the physicians to operate on him at once and he was removed to the hospital at West Bend where the operation was performed by Driessel and Driessel.

Miss Agnes Schaefer returned to Milwaukee last Saturday to again take up her position as nurse after spending a few months here with her mother, Mrs. Laura Schaefer and the other relatives.

Miss Laura Brandstetter left for Rockfield, where she will take charge of the schools at that place. Miss Elsie Sommers left the same day for Jackson where she will teach the coming year.

Born to Mr. and Mrs. Herman Sabish, Auburn a baby boy.

The approaching marriage of Miss Agatha Laubach to Mr. Martin Inkman was announced at St. Michaels Church Sunday.

Born to Mr. and Mrs. William Engelman, Beechwood, a baby boy one day last week.

Literary Contest In Washington County

The Alpha Beta Chapter of Delta Kappa Gamma will sponsor a literary contest for all students in grades three through eight in all schools, public and private, in Washington County. The Mary Jo Nettesheim Memorial Literary Competition recognizes and encourages young writers' creativity in writing, illustrating and presentation. With the proliferation of technology, basic writing and illustration categories have grown to include special awards in specific media and computer design, mixed media and photography. This year students may also enter their writing under Enhanced Personal Narrative. Authors who are winners at the local level move on to the state level in March.

Parents of budding authors are encouraged to contact their child's teacher for rules and deadlines, or Dr. Sue Ratzburg at 262 644-5302.

Participants of the Walk to End Alzheimer's in Washington County, which was held on Saturday, Sept. 24, at Regner Park in West Bend, take part in the Promise Garden Ceremony. Each participant received a colored flower that designates how Alzheimer's disease has impacted them or their family. Blue flowers were given to those individuals living with the disease; purple flowers were given to those who have lost someone to the disease; yellow flowers were given to caregivers; and orange flowers represented individuals who are advocating for a world without Alzheimer's.

Every Smoke Alarm Has An Expiration Date: What's Yours?

- Kewaskum Fire Department Urges All Kewaskum Residents To Know How Old Their Smoke Alarms Are, And To Replace Them Every 10 Years

Does your home have a smoke alarm? According to the National Fire Protection Association (NFPA), the answer is likely yes: NFPA research shows that most American homes have at least one. But do you know how old your smoke alarms are? If you're like most people, you're probably not so sure.

A recent survey conducted by NFPA revealed that only a small percentage of people know how old their smoke alarms are, or how often they need to be replaced. That lack of awareness is a concern for Kewaskum Fire Department and NFPA, along with fire departments throughout the country, because smoke alarms don't last forever.

"Time and again, I've seen the life-saving impact smoke alarms can have in a home fire, but I've also seen the tragedy that can result when smoke alarms aren't working properly," says Amy McCartney, 2nd Lieutenant of the Kewaskum Fire Department. "That's why we're making a concerted effort to educate

Kewaskum residents about the overall importance of smoke alarms, and that they do have a life limit."

NFPA 72, National Fire Alarm Code®, requires smoke alarms be replaced at least every 10 years, but because the public is generally unaware of this requirement, many homes have smoke alarms past their expiration date, putting people at increased risk.

As the official sponsor of Fire Prevention Week for more than 90 years, NFPA is promoting this year's Fire Prevention Week campaign, "Don't Wait - Check the Date! Replace Smoke Alarms Every 10 Years," to better educate the public about the critical importance of knowing how old their smoke alarms are and replacing them once they're 10 years old. Fire Prevention Week is October 9 -15.

The Kewaskum Fire Department will be hosting activities for area day care and school students during Fire Prevention Week. Through these educational presentations and activities, your students can learn more about the

importance of having a working smoke alarm in every bedroom.

Also, the Kewaskum Fire Department is hosting an Open House at the Kewaskum Fire Station on October 13, 6:30 p.m. - 8:30 p.m. in support of Fire Prevention Week and this year's campaign. Please come with family, friends and neighbors for an evening of fun, learning and fire prevention materials for all ages. Everyone will have a chance to meet firefighters in gear, get guided station tours & inspect our facility and equipment. We will also have EMS staff available to assess your blood pressure if you choose. For ages eight and under we will host pretend fire drills. Children will pretend to sleep in bed and we will sound a real smoke detector. The lights will be out and we will simulate smoke with blankets overhead. Children will then be taught the proper way to crawl, check doors for heat and find their way out! Next they will be taught to dial 911 and talk to a dispatcher to call for help. We will also have gym mats out to practice

stop, drop and roll. If that is not enough fun we can practice handling a small fire hose while putting out pretend fire or watch fire prevention videos on the big screen.

To find out how old your smoke alarm is and its expiration date, simply look on the back of the alarm where the date of manufacture is marked. The smoke alarm should be replaced 10 years from that date (not the date of purchase).

The Kewaskum Fire Department also says smoke alarms should be tested monthly, and that batteries should be replaced once a year or when they begin to chirp, signaling that they're running low.

For more information on smoke alarms and this year's Fire Prevention Week campaign, "Don't Wait: Check the Date Replace Smoke Alarms Every 10 Years," visit www.firepreventionweek.org.

Walk To End Alzheimer's® Raises More Than \$106,000 - All-Time Record-Breaking Event Held In Washington County

Area residents came out in full force on Saturday, September 24, as more than 700 participants turned out to support the Walk To End Alzheimer's at Regner Park in West Bend.

The Walk, chaired by Dr. Larry Sullivan, Neurologist, Froedtert Health, Dr. Brian Wolter of the West Bend Clinic, and Debbie Spaeth, President of SSA Sales Reps, has already exceeded the \$106,000 mark and will only increase over the next few months as donations continue to roll in. This year's event saw a 33.17 percent increase in money raised over 2015, and a 16.67 percent increase in participants, making it an all-time record breaker in the event's five-year history.

"On behalf of the Walk to End Alzheimer's, Dr. Wolter, Debbie Spaeth and I would like to thank the people in Washington County for doing an outstanding job raising funds that will help the Alzheimer's Association fund critical research and provide care and support services to more than 2750 local people and families living with this disease," said Dr. Larry Sullivan, Walk chair.

"We can't thank everyone enough for this outstanding community effort," said Tom Hlavacek, Executive Director of the Alzheimer's Association. "Everyone, from our spon-

sors to our many walk teams and individual walkers, to our volunteers helped make this day a tremendous success."

Donations can still be made to the Walk to End Alzheimer's and should be directed to the Alzheimer's Association, Southeastern Wisconsin chapter at 620 S. 76th Street, Suite 160, Milwaukee, WI 53214. Please designate contributions to the Walk to End Alzheimer's, Washington County Walk. Donations can also be made online through November 30 at www.alz.org/sewi

The money raised in Washington County is used to fund research and services including support groups, information and referral services, care consultations and a 24/7 Helpline - 800-272-3900.

Alzheimer's Association Walk to End Alzheimer's® is the nation's largest event to raise awareness and funds for Alzheimer's care, support and research.

Held annually in hundreds of communities across the country, this inspiring event calls on volunteers of all ages to become Champions in the fight against Alzheimer's. Champions include people living with the disease, friends, families, neighbors, caregivers, and business and community leaders, all getting involved in Walk to End Alzheimer's.

Mini KEYS Run Brings Big Fun

By Anne Trautner

Students eagerly rushed out of Farmington Elementary School, some of them doing jumping jacks and others dancing to the music that was blasted across the schoolyard.

They were excited to take part in a Mini KEYS Run/Walk held at the school on Monday. Students from i4Learning Community School joined the Farmington runners for the event.

Students lined up by grade and took off through a brightly colored paper banner to race around the grassy course.

Parents stood on the sidelines, holding signs and cheering on the young athletes as they completed laps. When the students finished the run, they were served water, fruit, cheese and milk.

The event gave students a taste of what it would be like to complete in the actual KEYS 5K Run/Walk, which will be held on Sunday, Oct. 9, to raise scholarship funds for Kewaskum students.

KEYS, which stands for Kewaskum Youth Scholarships, is a non-profit organization that was formed in 1985 to provide scholarships for Kewaskum students. Last spring KEYS awarded \$111,000 in scholarships to 38 graduating seniors.

The hope was that Monday's run would help younger students be aware of what was avail-

able for them in the future.

"The scholarships will one day be for them, so we want them to feel that it is something they have participated in," said Connie Zemlicka, who serves on the KEYS Board of Directors.

The fun run also helps to put into practice what the students have been learning about exercise, good nutrition and healthy living.

Monday served as the kickoff event to the Fuel Up to Play 60 program for both Farmington and i4Learning schools, said Russell Thull, who is the physical education teacher at both schools.

All of Kewaskum's schools participate in the Fuel Up To Play 60 program, an in-school nutrition and physical activity program sponsored by the National Dairy Council and NFL, in collaboration with the USDA.

Sunday's KEYS 5K Run/Walk, which begins and ends at the high school, follows a course that winds around the Kewaskum's schools and onto the Eisenbahn trail. The race begins at 11 a.m.

A free Kids Run for ages 7 and younger will begin at noon.

Same-day registrations will be taken at the high school from 9 to 10 a.m. For more information about the KEYS Run/Walk, go to www.kkeys-scholarships.org.

Students from Farmington Elementary and i4Learning Community School prepare to take part in a Mini Keys Run/Walk on Monday, Oct. 3. The event served as a kickoff event for the 5K KEYS Run/Walk that will be held this Sunday to raise money for scholarships.

Village Updates Zoning Map

By Anne Trautner

The Kewaskum Village's zoning map has been updated to reflect approved village rezoning amendments, conservancy zoning for primary environmental corridors and for portions of secondary environmental corridors and isolated natural resource areas.

The village board approved the new zoning map at its meeting on Monday, Oct. 3.

Last month, letters went out to 250 village residents to alert them of the rezoning.

The new zoning will not affect assessments.

However, the zoning could prevent future development on affected parcels. The village has an adopted sewer service area plan, which establishes policies on what land can be served by sanitary sewers within the village.

"That comes from the regional water quality management plan, and DNR requires sanitary sewer area plans be prepared any time there's a sewage plant built and serving an area," said Nancy Anderson, chief community assistance planner for the Southeastern Wisconsin Regional Planning Commission. "There are certain policies in there to protect environmentally sensitive areas."

Any areas that cannot be served by sanitary sewer as part of the sanitary sewer service plan have been placed in one of the conservancy zoning districts, Anderson explained.

"It won't affect current sewer service. It's a future plan, so if a sewer line is proposed to be extended, it's got to get a review and approval by the DNR (Department of Natural Resources)," Anderson said. "If somebody wanted

to extend the sewer line to serve a development proposed within a primary environmental corridor, or a wetland, the DNR would deny the permit."

The last time the village updated its zoning ordinance and map was in May 2004.

Since then, the village has annexed property, primarily on the west side of the village and some to the south. That property was not shown on the 2004 map.

As village officials began to update the map to include those new properties, they discovered that there were wet plains and wetland areas in the newly annexed areas that weren't in the conservancy zoning district, Anderson said.

The newly adopted map includes all the areas the village has annexed since 2004. It also puts the wetlands and primary environmental corridors in the appropriate conservancy districts.

The conservancy areas are designated as C-1 for lowland conservancy, which includes wetlands, ponds and streams, or C-2 for "upland" portions of primary environmental corridors that include slopes of 12 percent or more and woodlands.

The map also reflects updated flood zone boundaries that were created when the Federal Emergency Management Agency redid the floodplain mapping for all of Washington County in 2013.

Any property owner who receives a letter of map amendment (LOMA) approved by FEMA can have their land removed from the floodplain designation. Those property owners should contact Kewaskum Village Hall to correct the designation on the map.

KHS Blast KML In Homecoming Game

By Judy Harlow

There was total domination on both sides of the ball for the Kewaskum High football team in its 56-0 Homecoming victory over winless Kettle Moraine Lutheran.

The Indians piled up 404 yards of total offense in a little over three quarters of action — there was a running clock in the fourth quarter — while the blitzing “D” made it tough for the Chargers to move the ball on the ground or in the air.

“We knew they were going to be thin,” KHS coach Jason Piittmann said about the Chargers who are 0-5 in East Central play and 0-7 overall. “Our mission was to play a strong game and not worry about our opponent.”

With the victory, the Indians improved to 4-1 in the East Central, 6-1 overall and punched their ticket for the upcoming playoffs. “I think that’s 12 years in a row,” Jason Piittmann said.

For the second time this season, Kewaskum opened the game with a kickoff return for a touchdown. Fans were barely settled in their seats when Kyle Pamperin gathered in the pignose at his own 10-yard line, found a big hole right up the middle and used his sprinter speed to outrace all the Charger defenders to the end zone without being touched.

This would be the first of

three scores by the senior reserve running back, who would scamper 31-yards to paydirt with 5:57 remaining in the third quarter and several minutes later would barrel through a gaping hole in the middle of the Charger line en route to a 71-yard touchdown.

For the record, Pamperin carried the ball twice for 102 yards, second only to junior Cole Surprenant, who also had a pair of scores among his 13 carries. The 180-pound halfback gained 115 yards, scoring on a 10-yard run in the second quarter, giving his team a 28-0 lead and early in the third quarter as he bowled over a couple KML tacklers on his way to a 13-yard touchdown.

The second Surprenant score was set up by Alex Vogt’s diving interception on the KML 15-yard line.

Patrick Krier chipped in with a two-yard touchdown in the first quarter and a 22-yarder around the left end with 5:38 to go in the first half.

Kewaskum’s other score came via a well-placed ball thrown by Dalton Poole to Tony Steger for a 34-yard touchdown. This was the same duo that scored both touchdowns in the 17-14 loss to Berlin a week ago.

By the end of the third quarter, the Indians were ahead 56-0, so the KHS reserves took over. They held the Chargers, who had picked up two first

downs before being stopped on a fourth down run by Kade Noennig at the KHS 41-yard line.

When asked about any defensive standouts, Piittmann said, “Alex (Vogt) and Scott (Hiltunen), with their interceptions, did a good job,” and added, “We got some good pressure on their quarterback (Blake Nelson), forced him into some tough spots.”

Those applying the pressure included Jon Leister, Derrrek Brock, Dalton Espitia, Tommy Strom and Riley Donovan. “No matter who we rotated in did a good job,” the coach said.

KML was limited to 45 yards rushing, led by Caleb Schulz, who gained 21-yards in four carries. Andrew May, the Chargers’ 6-foot-5 tight end, caught two passes for 28 yards.

While the Indians were taking care of business, unbeaten Plymouth was wearing down Campbellsport, using 21 points in the third quarter for a 35-6 victory over the Cougars.

Kewaskum will be at Plymouth Friday night (October 7). A win by the Indians would throw the Eastern Wisconsin standings into a log jam at the top with Berlin, KHS and Plymouth tied for the top spot. If Plymouth wins, it will clinch a tie for the title.

Plymouth is led by quarterback Gavin Falk, who

has started for a couple years. “They’ve got a good running game,” Piittmann said, noting Derek Novotny and Cody Kuhn are both good running backs with plenty of speed. “Plymouth always has speed,” he said. “Hopefully we can force them into passing situations.”

The Panthers’ defense is solid, according to Piittmann, who said, “They shot down Berlin in an early season game.”

KHS Spikers Maintain Their Focus

By Judy Harlow

While many girls were getting ready for the Kewaskum High Homecoming dance on October 1, the Kewaskum volleyball players were spending another day on the courts. It certainly was a good day for the Lady Indians, who took second place in the annual Cedar Grove - Belgium Invitational.

The Indians went 4-1 overall, winning nine of the 13 games they played in. In the morning round, KHS topped Kohler 25-13 and 25-11, outlasted Kiel 23-25, 25-22 and 15-13 and then posted a nice comeback victory vs. Valders, 11-25, 25-13 and 15-7.

In the afternoon, in what turned out to be the championship match, Kewaskum battled hard but could not get past the

host Lady Rockets, falling 18-25, 25-21 and 12-15.

“(It was a) Good day for the Lady Indians,” KHS coach Laine Leitzke said. “We went three (games) with Kiel and Valders, which we probably shouldn’t have, but we were able to push back and get those wins. Great heart shown there.”

Then came the match against Cedar Grove-Belgium, which was decided by three points in the third game after the hosts won the first and KHS battled back in the second.

“We had a rough first set against CG-B, but the girls were able to turn it around and hit very well in the second set. Going into the third, it was point for point and we were up 10-9, then we lost the handle and went down 11-13. A big swing didn’t go our way and their big hitter was able to put the tip down to

win the match.”

Kewaskum showed no letdown in its finale, dominating St. Francis, 25-11 and 25-7.

Junior Elizabeth Lightner had an impressive day for the Indians, leading the team in kills with 27 and in aces with 11. Sarah Butschlick was another Indian who showed up in all the statistics for KHS. She had 18 kills, nine aces, 53 assists and 14 digs.

Amanda Schaller led KHS in blocks with three and contributed 18 kills and 19 digs, while Morgan Kappler stats included 14 kills, eight aces, and a team-high 34 digs.

“We had some injuries early in the day, moving our lineup around a bit more than we had wanted and anticipated. All the girls rallied behind each other and didn’t let this affect them too much,”

Leitzke said. “With it being homecoming weekend, shortened practices and a lot of extra activities going on, the girls showed great focus and sadly, the three points between first and second went against us.”

On September 27, the Indians lost in three sets to league-leading Kettle Moraine Lutheran, 10-25, 20-25 and 13-25. The Chargers improved to a perfect 6-0 in the East Central Conference while Kewaskum fell to 3-3. No statistics were available from this match.

Current Eastern Wisconsin standings:

1. KML, 6-0; 2. Berlin, 2-0; 3. Plymouth, 4-3; 4. Winneconne, 4-4; 5. Kewaskum, 3-3; 6. Waupun, 3-4; 7. Campbellsport, 3-5; 8. Ripon, 0-6.

The Indians are at Plymouth tonight (October 6) for a best test vs. the Panthers

Indian Runners Struggle In Fast Field

By Judy Harlow

After the annual Dave Drexler Invitational cancelled because of wet conditions, most of the members of the Kewaskum High cross country teams had not run competitively for 12 days, some for 16 days, before the September 29 Slinger Invitational. So as one might guess, they might have been a bit rusty.

There was also the matter of being in the large school division of the meet vs the likes of West Bend West, West Bend East, Nicolet, Grafton and the host Owls. As a result, the KHS boys finished eighth out of nine schools with 230 points, while the Lady Indians were last in the 10-team field.

"We had a long break there," KHS coach Kris Evans said this past weekend, adding, "There was a lot of good, big school competition. I guess we're at the cutoff of the big school division. This is not to say some of the smaller schools are not good. Omro has a fantastic team."

Running on the picturesque Homestead Hollow course, the KHS teams had three individual highlights,

namely the finishes by freshman Andrew Carlton and junior Justin Reck in the 5,000-meter boys' competition and Maela Olla's run in the girls' race.

Carlton, who missed the meet in Ripon on September 17 with a sprained ankle, finished just out of the top 25. He placed 26th with a personal best time of 18 minutes and 21 seconds. Reck, also coming back from an injury, finished 40th in 19:04.

"Mr Carlton came back with a vengeance," Evans said, adding "Reck did all right. He's capable of much more," hopefully the low 18 minutes by the end of the season.

Kewaskum's other three counters were Derrick Schraugnagel, 50th in 20:16; Kyle Toth, 56th in 20:47; freshman Lance Grosskopf, 58th in 20:57.

For the girls, Olla turned in another stellar performance, placing 18th overall in a fast field. Her time of 21:20 was a personal best for the season, and Evans said, "Maela does great. She's consistent the whole race" and even tends to speed up the final mile. In the upcoming weeks, Evans said he will be work-

ing on lengthening her stride so she will add even more speed.

After Olla, a long time passed by until another Indian crossed the finish line. It was senior Haley Plachinski, who was 54th with a time of 23:45, then came freshman Emma Penfield, 57th in 24:38; Melissa Schneider, 59th, 25:01; and Stephanie Lauters, 64th with a 27:48.

Kewaskum's next race is this afternoon (October 6) at the annual Cougar Invitational at Columbus Park in Campbellsport.

Lange And Preder Earn Spot In Tennis Sectionals

By Judy Harlow

Kewaskum's Number One doubles team is moving on to the Division 2 sectional tournament at Brown Deer.

Kassidy Lange and Hannah Preder qualified for the event by defeating Dominican's Kyla Thompson and Syd Jenkins in straight sets, 6-4 and 6-2 in the sub-sectional hosted by Brown Deer on September 30. It was held at the Pleasant Valley tennis complex near Jackson.

In the sub-sectionals, the Number One singles and Number One doubles players must win just one match to advance while all the others must win two.

Seeding can be important in the players moving on or going home, and KHS coach Peter Garcia said in the case of Lange and Preder, he asked for a

fourth seed and was challenged by Dominican, which had a similar record, 6-5 for the Indians and 6-7 for the Knights with no common opponents.

Garcia suggested the two teams play each other "and let them settle it on the court," which his Indians did in pretty convincing style.

Sophomore Grace Marchello finished 1-1 at the event at Flight 3 as did the No. 3 doubles team of Kallie Hoeft and Marissa Zarda. Marchello started off with a 6-2, 6-1 victory over Dominican's Grace Grueninger before falling to the No. 1 seed, Kohler's Luisa Neuner 4-6, 0-6. Hoeft and Zarda opened with a 6-2, 6-1 victory over Brown Deer's Elizabeth Bocksbaum and Tylis Vang, and then they were eliminated by the second-seeded Kohler twosome, Ryah Gutschow and

Season Ends After Golfers Finish Sixth In The Regional

By Judy Harlow

The combined Kewaskum/Campbellsport girls golf team ended its season on September 28 at the Division 1 regional tournament hosted by Kaukauna at the Countryside Golf Club.

The Indians/Cougars shot a 429 in the 18-hole test, placing sixth in the field of eight teams which were from larger schools. (Kewaskum/Campbellsport are separately Division 2 schools but because it is a combined team, it must move up to Division 1.)

Winning the team title was Oshkosh West with a 355 from its low four counters. The other three teams advancing to the sectional are Kaukauna, West Bend East/West and Kimberly by virtue of their respective 383, 394 and 418 totals.

In past years when the Indians were competing in Division 2, they had several girls qualify as individuals but were unable to do that this year. "Alyssa Dreher was three strokes away from advancing," coach Amy Uhlig said Sunday. Dreher, who carded a 51-51-102, was the lone freshman in the entire field of over 40 players, and Uhlig said, "She start-

ed playing real well at the end of the year."

Uhlig said her girls had never played Countryside, which, like many other area courses, was very wet for the tournament after all the rain that fell in recent weeks. "The back nine was really tough. It had a lot of water," Uhlig said.

Molly Munding of the combined West Bend team captured the medal with a 14-over-par 85.

For Kewaskum/Campbellsport, the other counters included Alivia Wisnefske, who carded a 52-52-104, Taylor Schmidt, 56-50-106; and Taylor Cook, 58-59-117.

Schmidt, who is from Campbellsport, was the only senior in the group, so all the others will be back next season, including sophomore Grace Kober whose score did not count.

Kaukauna Golf Regional Team Results

1. Oshkosh West, 355; 2. Kaukauna, 383; 3. West Bend West/East, 394; 4. Kimberly, 416; 5. Neenah, 424; 6. Kewaskum/Campbellsport, 429; 7. Sheboygan North/South, 441; 8. Oshkosh, 470, Fond du Lac has three individuals compete.

Grace Madigan, 0-6, 0-6.

Results of the other KHS matches are as follows: Singles — Number One Morgan Wenzlaff lost to the Number Two seed, Ellie Roe of Sheboygan Falls, 1-6, 3-6; Number Two — Emma Preder lost to Payeng Xiong of Brown Deer, 6-7 (3), 2-6; Number Four — Amanda Krolski lost to Jessie Barger of Sheboygan Falls, 3-6, 4-6; Number Two doubles — Brandi Geldnich/Ariahna Grossenbacher lost to Anja Ozols/Emily Ransom, St.

Mary's Springs/North Fond du Lac, 6-7 (3), 2-6.

Emma Preder was down 2-3 in the second set when she hit herself in the head with her racket and required medical attention for a laceration. She was able to continue but eventually lost the match.

Lange and Preder were scheduled to compete Oct. 5 in the Brown Deer sectional, which sets the field for the state competition.

With Win Over Tigers, KHS Tennis Team Ties For Fifth Place

By Judy Harlow

As coach Peter Garcia put it, his Kewaskum High tennis players "followed their script to a T" in their makeup match vs. Ripon on September 29, winning all three doubles matches and taking the Number 3 singles match for a 4-3 team victory.

"That's been our strategy all year, win all the doubles and get at least one singles win," Garcia said.

With the win, the Indians finished the Eastern Wisconsin Conference — a conference made up of schools from four different leagues — with a 4-5 record, good for a tie for fifth place. Kohler won the title, going a perfect 9-0.

The lone singles player to win was sophomore Grace Marchello at Number 3 "She continues to impress with her fourth victory since moving up to varsity," Garcia said, reporting Marchello won 6-1 and 6-4 over Nicole Magin.

Although she didn't win, Morgan Wenzlaff battled hard vs. unbeaten Maddie

Raddatz in a 2-6, 1-6 match. "What they (the singles players) don't achieve in victories, they make up for in leadership and effort," Garcia said about Wenzlaff, Emma Preder and Amanda Krolski.

Kassidy Lange and Hannah Preder at Number 1 doubles and Brandi Geldnich and Ariahna Grossenbach at Number 2 both won in straight sets.

At Number 3, junior Kallie Hoeft and senior Marissa Zarda lost their first set 4-6, then drew even with Madison Husboe and Riley Neper with a 6-2 win in the next. The third set was a little closer, but the Indian pair prevailed for their fifth win in the EW and their seventh win overall.

Kewaskum 4, Ripon 3
Singles: Number 1 Morgan Wenzlaff lost to Maggie Raddatz, 2-6, 1-6; Number 2 Emma Preder lost to Emily Goyette, 0-6, 1-6; Number 3 Grace Marchello defeated Nicole Magin, 6-1, 6-4; Number 4 Amanda Krolski lost to

Dayton Coehoorn, 1-6, 4-6
Doubles: Number 1 Kassidy Lange/Hannah Preder defeated Kaitlyn/Ina Muegge, 6-2, 6-2; Number 2 Brandi Geldnich/Ariahna defeated Danielle Prellwitz/Alyssa Schmuhl, 6-4, 6-3; Number 3 Kallie Hoeft/Marissa Zarda defeated Madison Husboe/Riley Neper, 4-6, 6-2, 6-3

Eastern Wisconsin Conference Tennis Final standings

1. Kohler, 9-0; 2. Plymouth, 8-1; 3. Roncalli, 7-2; 4. Sheboygan Falls, 6-3; 5. (tie) Kewaskum and Waupun, 4-5; 7. Ripon, 2-6; 8. Kiel, 2-7; 9. Kewaunee, 1-7; 10. Two Rivers, 1-8

On September 26, the Indians played well in a makeup match at Roncalli but lost 5-2 to the third place Jets, who have several very strong singles players.

"Another match within our grasp slips through our fingers," Garcia said. After the Jets dominated at Number 1 and 2 singles, and KHS countered with big wins at Number 4 singles and Number 3

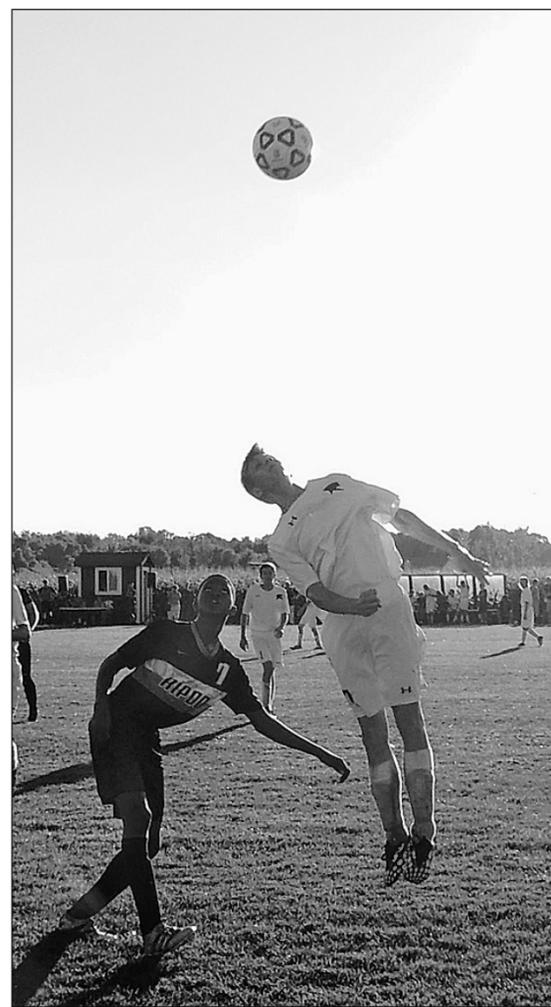

doubles, "the match was to be decided by the two flights left on the court."

Grece Marchello battled back from a 2-6 deficit to win the second set, 7-5, but then she succumbed 4-6 in a marathon match that was highlighted by "extremely long and spirited rallies."

Unfortunately Kassidy Lange and Hannah Preder could not maintain momentum after winning the first set 6-3. They lost the next two, 4-6 and 3-6.

Roncalli 5, Kewaskum 2
Singles: Number 1 Wenzlaff lost to Maya Ledvina, 1-6, 0-6; Number 2 E. Preder lost to Jenna Piaskowski, 0-6, 0-6; Number 3 Marchello lost to Reese Wetenkamp, 2-6, 7-5, 4-6; Number 4 Krolski def/ Anne Gentine, 6-2, 6-3.

Doubles: Number 1 Lange/H. Preder lost to Nicole Froelich/Paulina Vaca 6-3, 4-6, 4-6; Number 2 Ashley Marti/Sydney Donath lost to Margo Eis/Paige Maws, 0-6, 0-6; Number 3 Hoeft/Zarda def. Josie Dewane/Tierney Dewane, 6-4, 6-2.

With New Energy, Indian Kickers Have A Successful Week

By Judy Harlow

With an impressive 5-0 shutout victory over the host Vikings, a 1-1 tie with Random Lake and a 3-0 loss to a good Clintonville team, the Kewaskum soccer team placed second in the annual Denmark Tournament on October 1.

The 1-1-1 day comes on the heels of an emotional 6-1 win by the Indians over East Central foe Winneconne on September 29.

"Denmark is a tournament we have always liked," KHS coach John Kenworthy said. "We scored two goals in the first half and just kept grinding," and working hard to preserve the shutout, which turned about to be instrumental in the Indians' earning a place in the finals.

"We've had 10 different people who have scored for us (this year)," Kenworthy said, reporting Devin Buck and Andrew Carlton, up from the JV team, added their names to the list in this tournament. Also scoring were

Isaiah Cochran, Jake Hrica and Will Jens, who also was credited with a pair of assists. Buck and Michael Anderson also had assists.

Conner Enright stopped five shots by Denmark players.

In Game Two, the Indians and Rams both got their goals in the first half, then the game turned into a defensive battle. Sophomore Hunter Kuehl got the goal for KHS. Enright was credited with seven saves while playing all 50 minutes of the game along with defenders and midfielders Dylan Baertschy, Matthew Krautkramer, Tanner Jacak and Buck.

"We matched up pretty well with them," Kenworthy said, noting Demark scored on Random Lake, so the Indians moved into the championship game by virtue of its shutout win over Denmark.

The Indians had a two-hour wait before playing Clintonville and were not able to match the Truckers' potent offense.

"They have 14 wins this season. That's a good record," Kenworthy said. "They played tough."

Kewaskum was without Keaton Flanders for the tournament, so Jacak was called on to take his place and did a nice job defensively. "Gavin (Curtin), Dylan (Baertschy) and Tanner were the three defenders. They played great," Kenworthy said. Curtin and Jacak played all 50 minutes for the Indians, who were limited to just two shots in the contest.

Kenworthy has waited nearly all season for a game like this. In the win over Winneconne during homecoming week, the Indians scored six goals and gave up just one for their first win in the East Central Conference this fall. Winneconne nipped Kewaskum 2-1 earlier in the season.

"Our whole goal was we wanted to get revenge but the right way," Kenworthy said, reporting the Wolves came in, and, "They didn't like our field. They didn't like our team. They were chippy right from the start." which ended with one of the Wolves eventually receiving a yellow card.

"We got a PK (penalty kick) early. Bailey Schuetz was taken down in the

box. J.J. (Heberer) took the penalty kick and scored," Kenworthy said.

Also scoring for the Indians, who were the best "mudders" on this day were Hrica (assist to Buck), Alek Gerhartz, Luke Bindrich, Cochran and Kuehl.

"This is a kind of game you like to win ... the right way" Kenworthy said, noting some of the Wolves even put mud on their hands before shaking hands with the Indians at the end of the game.

After a game at Ripon on October 4, KHS goes to Waupun for a game on October 6, and Kenworthy likes his team's chances in both games. "What I'm most proud of is our energy has been sky high" in recent games, he said.

EC soccer standings: 1. Kettle Moraine Lutheran, 8-0-2; 2. Plymouth, 7-0-1; 3. Berlin, 6-3-1; 4. Campbellsport, 4-4-1; 5. Waupun, 4-6; 6. Ripon, 2-4-1; 7. Winneconne, 1-7; 8. Kewaskum, 1-9.

Eighth Grade Gridiron Loses To Brookfield Central

The Eighth Grade Gridiron Indians were defeated by the Brookfield Central Lancers 26-6 on Saturday, Oct. 1, at Kewaskum to drop their record to 2-2 on the season.

The Lancers received the opening kickoff and marched right down the field on their first drive capping it off with a 10-yard touchdown pass. The two-point kick was good to make the score 8-0. The Indians moved the ball on their possession but the drive stalled at the Lancers 35-yard line. On their next possession the Lancers used a long run to get inside the Indians five-yard line and from there punched it in on a one-yard touchdown run to make the score 14-0. The Indians drove down inside the Lancers 15-yard line but a pass fell incomplete

as time expired in the first half.

The Indians received the second half kickoff and didn't waste anytime as quarterback Michael Daniel dropped back and was given great protection by the offensive line and found wide receiver Mason Droese for a 55-yard touchdown pass. The two-point kick was no good, so the score was 14-6. The Lancers answered right back with a long pass of their own with a 45-yard touchdown pass to make the score 20-6. The Lancers added a late score to make the final score 26-6.

The Indians will hope to get some redemption in their next game which is on Saturday, Oct. 8, at Homestead High School against Thiensville-Mequon White with the game starting at 12 p.m.

The Ultimate Packer Fan Picks "Moving On Bye"

— Green Bay Packers 3-1 vs. NY Giants 2-2

The Green Bay Packers coming off a "Bye" week will host the New York Giants at Lambeau Field this Sunday night with kickoff at 7:35.

Both teams entered the league just four years apart with the Packers in 1921 followed by the Giants in 1925. Including the playoffs these teams have met 59 times with the Pack leading 31-26-2. The first meeting against each other was on October 7, 1928, the Giants won 6-0.

The biggest blowout between them was won by the Giants with the score of 49 -3 back on November 21, 1948. The Green Bay Packers have lost the last three games against the New York Giants. The last time the Packers beat the Giants goes back to December 4, 2011 at Met Life Stadium. That was Aaron Rodgers' first and only win against the Giants putting the Packers into the Playoffs, clinching the NFC North Title. Eli Man-

WAYNE SARGENT

ning has met the Pack five times with a 2-3 record. He has passed for 97/165 averaging 288 yards per game.

Sunday's matchup will bring on a well rested, physically healed Packer team. With the early bye week initially thought to be too soon, it couldn't have come at a better time. Starters Clay Mathews, Sam Shields, Morgan Barnett and Jeff Janis were all in desperate need of healing time. Recovering from hand surgery Janis returned to practice on Monday without the "club" on his hand. Sam Shields, recovering from a concussion, looks

like he'll play along with Clay Mathews.

The Giants coming off a frustrating Monday night loss to the dreaded Minnesota Vikings will need a lot of help if they're going to beat the Packers. Their secondary backfield is nearly depleted due to injury. They are currently being ranked 29th in the league. Star receiver Odel Beckham has yet to score this season, while receivers Victor Kruz, Paul Perkins and Sterling Shepard have become popular targets for Manning. They present a decent running game with backs Bobby Rainey and Orleans Darkwa, but up against the Packers, having the best ranked running defense in the league, could be a problem.

Look for big plays downfield from Jordy Nelson, Jeff Janis and Jared Cook as Aaron Rodgers and company take advantage of weak coverage.

The Pack goes 4-1 with a 38-20 win.

Win Free Packer Tickets

Each week that the Packers play, the Kewaskum Statesman is holding an Ultimate Packer Fan Giveaway contest. There is no charge to enter.

The grand prize is two regular season tickets to the Packers' home opener.

Second place wins two tickets to the Packers' first home preseason game for 2017.

Third place is two tickets to the Packers' second 2017 home preseason game.

For your chance to win, go to www.kstatesman.com or email frontdesk@kstatesman.com and be sure to make your picks by 9 a.m. on the Thursday preceding the game.

Winners will be announced in next week's Kewaskum Statesman.

Rains Hamper Golf Efforts

By Judy Harlow

The Wisconsin Little Ten Conference Golf Tournament held at the Washington County Golf Course on September 21 ended in a dead heat with Hartford and Beaver Dam both coming in with 373s.

Hartford got the nod because its fifth golfer, Maddie Davis, shot a 100 while the Golden Beavers' Grace Schorfenberg carded a 101. Still Beaver Dam claimed the conference title, finishing with 12 points to 15 for Hartford, and the Beaver Dam's Ashley Kulka earned the medal by shooting a 48-

38—86 on the day, two shots ahead of her teammate Kendra Swanson.

Scores may have been a bit higher than usual because of the heavy rains that pelted the players during the morning round. "It was raining sideways for the first two or three hours," coach Amy Uhlig said.

The combined Kewaskum/Campbellsport team finished last with a 440. Most of its golfers were unfamiliar with the course and struggled to shoot under 110. The only player to dip below that mark was junior Taylor Cook, who shot an

impressive 48 on the front nine, the sixth lowest score of the day, and finished with a 54 for a 102 total.

"Taylor Cook had a nice round. It was nice to see her bounce back from a few tough meets prior to that," Uhlig said.

Other counters included freshman Alyssa Dreher, 59-52—111; Alivia Wisnefske, 59-53—112; and Taylor Schmidt, 60-55—115.

Uhlig said although her team finished last in the meets, the girls did show improvement as the season went on.

Kewaskum Youth Soccer Results

September 17 U12 Warriors 2, Richfield Warriors 6

U12 Warriors came out strong and attacked, a first goal was scored by Rowyn Wiedemeyer. Warriors in the first half had many goal attempts but was not in the favor for the Warriors. Down at the half 1-3 and with a pep talk, Ally Heipp with her quickness, dribbled down the field to score for the Warriors. Warriors seemed to lose their stamina and Richfield Warriors won 6-2.

September 24 U-8 Fireballs 1, Juneau 10

This week the Kewaskum U8 Fireballs lost to Juneau, 10-1. Shaye Bartel scored the winning goal, and the rest of the team played their best and gave it their all.

September 24 U12 Spartans 6, Hartford Crush 0

The U12 Spartans played the Hartford Crush this weekend at home. They played strong defense and offense leading to a 6-0 win. Great jobs Spartans.

September 24 U12 Warriors 3, Hustisford Lightning 3

U12 Warriors hustled down the field and a goal was scored on the kickoff by Rowyn Wiedemeyer. Hustisford Lightning answered back and scored 3 goals on us. In the 2nd half a pass from Brooke Gruen to Emilie Steinbauer to score a goal, but Warriors still down 2-3. Abigail Gorton helped to hold the Lightning with her aggressive defense. A last break away by Jadin Czuppa with a hard kick in the goal box to tie at the end of the game 3-3.

September 24 U9 Kewaskum Twisters

0, Hustisford Hornets 5

It was a tough Saturday as the U9 Kewaskum Twisters fell to the Hustisford Hornets, 5-0. Despite the score, there were notable performances. Carson Maine displayed his speed and hustle throughout the game, and Caleb Conwell showed nice footwork and great perseverance with his many take-aways. The Twisters did their best to pull together and put forth a good team effort, bringing their record to 1-2-0.

September 24 U10 Venoms 4, Hustisford Hasenpfeffer 2

U10 Venoms won 4 to 2 against the Hustisford Hasenpfeffer on Saturday. Rowan Bell, Maddie Marquardt and Lidia Handke (2) scored for the Venoms. Nice job ladies.

October 1 U-8 Fireballs 2, Jackson 5

The U-8 Fireballs lost a well fought game to Jackson, with a final score of 2-5. Shaye Bartel scored two goals with an assist from Kaylee Flood. Eleanor Schulz and Brooke Pritchard each had break-aways and played great defense.

October 1 U-8 Phoenix 9, Hartford Panthers 1

U8 Phoenix played on Saturday against the Hartford Panthers. All players played great soccer. Goals were made by Oliver Grover (1), Kingston Grisolono (1), Janya Dieringer (2) with an assist for one by Izzy Lang, and Colton Rabe (5). Final score 9 to 1. Great Job.

October 1 U9 Kewaskum Twisters 7, U9 Hartford Thunderbolts 1

On Saturday, October 1, the U9 Kewaskum

Twisters beat the U9 Hartford Thunderbolts, 7-1. It was the Twisters best overall combined effort this season. They dominated on both sides of the ball. With a commanding offense, multiple players got in on the scoring. Liam Stoffel scored 4 goals, Carson Maine scored twice, and Anna Parish scored her first goal of the year. This exciting game brings the Twisters' record to 2-2-0.

October 1 U10 Girl Venom 3, Slinger Pumas 2

U10 Girl Venom played on Saturday against the Slinger Pumas. There was some great playing on the field. All the girls were passing and working together! Goals were made by Lidia Handke, Mara Butschlick and Rowan Bell. Final score was 3-2. Nice job ladies.

October 1 U12 Girl Warriors 9, Slinger Storm 0

U12 Girl Warriors played with great teamwork passing the ball to score goals. Warriors beat Slinger Storm 9-0. Goals scored by: Izzy Butler-1, Emilie Steinbauer-1, Ally Heipp-1, Abby Gehartz-1, Brooke Gruen-2 and Jadin Czuppa-3.

October 1 U12 Spartans 9, Hartford Hurricanes 1

The U12 Spartans played the Hartford Hurricanes in Hartford this weekend. The team showed awesome skill remaining verbal on the field and passing with accuracy. Denali Fellenz scored 7, Austin Jantz scored 2 and Diesel Fellenz scored 1. Meghan Clausing and Matthew Gill held off the opposing team with lots of aggression and skill. The final score was 9-1 in favor of the Spartans.

Continued... Congress Overrides Obama's Veto Of 9/11 Bill

"In the most concerted attack in the history against this country, the hijackers were allowed to enter the country, receive funding to go to flight schools, receive money to live amongst us and the time to plan that operation," Haberman said. "They received money from someplace to do that."

Haberman and others have long suspected that the Kingdom of Saudi Arabia supplied funds for the Sept. 11 attacks. But with the Foreign Sovereign Immunities Act in place, they had no way of proving their suspicions or holding Saudi Arabia accountable.

So, Haberman and the family committee have repeatedly presented JASTA to legislators. Congress spent nearly seven years evaluating every aspect of JASTA before passing it last week.

"I've gotten civics lessons throughout, what it takes to get something passed through Senate and Congress, especially something that is as controversial as this," Haberman said. "This is our third go round in the Senate, and the first time it went through the House. So, it's been a long road."

The JASTA bill unanimously passed the Senate on May 17 and the House on Sept. 9.

Obama vetoed JASTA on Sept. 23, but five days later, the Senate voted 97-1 and the House voted

348-77 to override Obama's veto and pass the new legislation.

Obama has been reported as saying that JASTA could damage America's relationship with Saudi Arabia and other allies that are accused of terrorism. Obama also said that JASTA threatens to erode sovereign principles that protect the United States, including U.S. Armed Forces and other officials, overseas.

"I believe those arguments are superfluous. First of all, nations shouldn't be sponsoring terrorism, whether that be our nation or other nations," Haberman said. "Hopefully this will straighten the laws and give pause to countries before they fund various groups who intend to kill us."

JASTA's exception to sovereign immunity is only applicable in cases of international terrorism that occur on American soil. JASTA makes clear that those who support terrorism against the United States can be held accountable, regardless of where the money or support was given.

Earlier this year, on July 15, Congress released 28 classified pages of a 2002 Congressional Joint Inquiry into the Sept. 11 attacks. The pages, which 9/11 families have been requesting for years, provide new evidence of Saudi officials' relationships with the terrorists of Sept. 11. Fifteen of the 19

Sept. 11 hijackers were Saudis.

When the 858-page Congressional Joint Inquiry Report was originally released to the public in 2003, those 28 pages were redacted because of "national security." However, now that the secret pages have been released, and with the passage of JASTA, they may be presented in U.S. courts.

"9/11 did not occur as a spontaneous event; it was planned for years. And it was financed for years. Within those 28 pages, there are references to potential involvement by some government and embassy officials of Saudi Arabia," Haberman said.

Moving forward, Haberman believes that evidence presented in U.S. courtrooms will lead back to Saudi Arabia, but litigation will take a long time.

"It will take many years. I'm fairly certain I'll be dead before this is all resolved in the American court system. However, I believe it is another tool and weapon in this arsenal of the war on terror," Haberman said.

It is a war the nation continues to fight.

"My daughter went to work; the country went to war. And that's been very difficult to reconcile in my mind. Always has been. She would not have wanted another person killed," Haberman said.

So It Goes

By Andrew Johnson

Congratulations To Gordon Haberman And His Family

Last Wednesday, late afternoon, I was in the car listening to the radio on my way to visit my mom in the nursing home when I learned that the U.S. Senate passed on a 97-1 vote to the Terror Victims bill to override President Obama's veto. The House had already passed the override bill. Anne Trautner has written a story about the passage of the bill in this week's paper.

Wow, the creation and passage of this bill was in part to Gordon Haberman from the Town of Farmington efforts. This is huge news for the Kewaskum area and Wisconsin. How many people have been

involved in overriding the President's veto? As soon as I heard the news on the radio, I called Gordon. He told me he was a little overwhelmed and the reason he worked on the bill was that he would never give up on getting justice for his daughter. He told me that he worked on a committee for this bill for 9/11 victims for the past nine years. Gordon said it was a long time in coming but he did seem happy and relieved.

The idea of the bill is to hold those involved in the 9/11 attacks to be financially responsible. Congratulations to Gordon, an ordinary man from rural Wisconsin, for making an extraordinary effort in getting something positive done in light of a terrible circumstance. His efforts should inspire all of us to never give up and

keep fighting for what we believe is the right thing to do.

Veteran's Day Salute

This year the Kewaskum Statesman is starting something new for Veteran's Day, as I reported on the front page of this week's paper. There is a sizable number of veterans living in this area. It makes a lot of sense not only to honor veterans of the past who are no longer with us but also the ones who still are with us.

Once we have a veterans photo, we will continue to use it the week before Veteran's Day in future years unless told otherwise. We expect the number of veteran photos to grow each year as people become aware of this local recognition and new tradition at the paper.

Continued... Wet-Down Ceremony Welcomes New Fire Truck

To decide what they wanted in a truck, committee members went out and looked at other trucks that were recently built and put in service throughout Southeastern Wisconsin. In April 2015, they attended the Fire Department Instructors Conference in Indianapolis, the largest vendor-participated fire convention in the world.

"Every year, over 1,000 vendors that are there selling everything from pots and pans to fire trucks, and everything in between. Anything that you can imagine that a firefighter or EMT would ever use in any form or shape, it's there. For a while, there was a big run on vitamin supplements," Naab said.

The Allenton department wanted to buy a truck from a manufacturer in the state of Wisconsin. They ultimately selected Custom Fire Apparatus of Osceola to configure and custom build the new engine.

To design the truck, Allenton firefighters kept in constant communication with Custom Fire Apparatus. "There were a lot of evenings and weekends and late night emails and texts and early Saturday morning texts saying, 'We

were just at a fire and we want to make sure we've got this on the truck. It makes the job very enjoyable to us," said Jim Kirvida, president of Custom Fire Apparatus.

The new red and white, stainless steel truck sports a hose on the front bumper that can be used to pump water from a portable pond or a folding tank if there is no hydrant available. The ladders and other suction hose are stored in the body of the truck, and are accessible from the back of the truck.

"A lot of safety concepts are brought into play on this design. We try to make it easy and safe to grab the equipment without climbing up high," Kirvida said. "There are a lot of steps taken to make sure the equipment is all secure and organized. It's all about getting to the scene in an organized, safe manner, with composure. Then, when you hit the spot, you can easily get what you need."

The life expectancy of the truck is 20 years. That doesn't mean the truck will be shot in 20 years, but that technology changes, and the technical and electrical components on the truck have about a 20-year life cycle, Breuer said.

The following fire

departments took part in the wet-down ceremony: Allenton, Batavia, Beaver Dam, Boltonville, Cascade, Hartford, Iron Ridge, Jackson, Juneau, Kekoskee, Kewaskum, Kohlsville, Fillmore, Richfield, Slinger, St. Lawrence, Theresa, Woodland, Horicon and Campbellsport.

More than 100 people attended the event, which was held at Zuern Building Products in Allenton. Among those in attendance were dignitaries representing the Town of Addison, the Town of Herman, the Town of Wayne, Washington County and the state.

After the Rev. Richard Stoffel, pastor of St. Peter's in Slinger and Resurrection in Allenton, prayed a blessing over the truck and sprinkled it with holy water, Allenton Fire Chief John Breuer made a few remarks.

"We ask that 1361 gives our residents and our customers great service, protects our firefighters and those they serve from harm, and makes sure that they return safely. We look forward to a great relationship for many years to come, and we welcome 1361 into the family," Breuer toasted.

RECIPE OF THE WEEK

October 6, 2016

ALL-DAY APPLE BUTTER

makes about 128 servings

Adapted from www.allrecipes.com

INGREDIENTS

- 5 1/2 pounds apples - peeled, cored and finely chopped
- 4 cups white sugar
- 2 teaspoons ground cinnamon
- 1/4 teaspoon ground cloves
- 1/4 teaspoon salt

DIRECTIONS

Place the apples in a slow cooker. In a medium bowl, mix the sugar, cinnamon, cloves and salt. Pour the mixture over the apples in the slow cooker and mix well. Cover and cook on high 1 hour. Reduce heat to low and cook 9 to 11 hours, stirring occasionally, until the mixture is thickened and dark brown. Uncover and continue cooking on low 1 hour. Stir with a whisk, if desired, to increase smoothness. Spoon the mixture into sterile containers, cover and refrigerate or freeze.

See Orange Cones? Put Down The Phones!

—Starting This Weekend, Hand-Held
Mobile Device Use Is Banned In
Wisconsin Work Zones

A new Wisconsin law takes effect Saturday, Oct. 1, making it illegal to talk on a hand-held mobile device while driving through a work zone. The law is part of Wisconsin's continued efforts to reduce distracted driving and enhance highway safety.

"Holding a phone up to the ear takes precious attention away from the road," says David Pabst, director of the WisDOT Bureau of Transportation Safety. "In a work zone, there are narrow, shifting lanes and there is a lot of activity occurring in a condensed space. It's vitally important that drivers stay focused and alert at all times."

Drivers face fines of up to \$40 on first offense and up to \$100 for subsequent offenses. The law applies to anyone operating a motor vehicle within a work zone, including commercial drivers and workers. There's a simple rule to ensure compliance with the law: "See orange cones? Put down the phones!"

Mobile device use continues to be a leading cause of distracted driving. Texting while driving already is illegal in Wisconsin. The hand-held device law builds on efforts to enhance safety by creating an additional tool to curtail inattentive driving.

From 2011 to 2015, 47 people have been killed and 3,592 were injured in a total of 9,664 crashes in Wisconsin work zones. Year over year, the figures

have shown steady growth. In 2011, there were seven fatalities and 750 injuries resulting from 1,708 work zone crashes.

In 2015, there were 13 fatalities and 645 injuries resulting from 2,411 work zone crashes. Motorists and passengers suffer the vast majority of injuries and deaths.

"Distracted driving kills indiscriminately, but each of us has the opportunity to do the right thing for safety out on the road," says Pabst. "The more we work to eliminate distractions and focus on driving, the safer each of us will be."

There is an exemption granted in the event a motorist must use a hand-held mobile device to call 911. Bluetooth and hands-free devices remain legal to use while driving through a work zone, but drivers are encouraged to refrain from phone calls altogether to give undivided attention to the road.

"A lot can happen — fast — out on the highway," says Pabst. "A vehicle traveling 55 mph covers the length of a football field in less than five seconds."

Giving undivided attention to the road:

- Consider turning off the phone until you reach your destination.

- During a long drive, consider leaving a voice mail explaining how long you'll be unavailable.

- If you have to make a call, find a secure place to pull over and stop, such as a wayside or a gas station.

Mary Miller, District Clerk

TOWN OF KEWASKUM NOTICE OF PUBLIC HEARING FOR CONDITIONAL USE PERMIT

NOTICE IS HEREBY GIVEN that a Public Hearing will be held before the Town Board / Plan Commission of the Town of Kewaskum on October 17, 2016 at 7 p.m. or shortly thereafter at the Town of Kewaskum Community Center located at 9019 Kettle Moraine Drive in the Town of Kewaskum to consider the application of Troy & Katrina Hanson for issuance of a Conditional Use Permit under the Town Zoning Ordinance 17.17 (4). Granting the permit would allow the applicants to operate a kennel on the property. A kennel is defined in Town Zoning Ordinance 17.02(66) as: a use of land in which more than three (3) dogs over six (6) months of age are kept on the premises. The property, T8-0304-00D, is located at 8559 Kettle Moraine Drive, Section 14, Town of Kewaskum. The parcel is 3.03 acres and zoned A-1, Agricultural Open-Space District. All interested persons wishing to comment on this issue should appear at the hearing.

Clerk/Zoning Secretary

VOTING BY ABSENTEE BALLOT

Any qualified elector who is unable or unwilling to appear at the polling place on Election Day may request to vote an absentee ballot. A qualified elector is any U.S. citizen, who will be 18 years of age or older on Election Day, who has resided in the ward or municipality where he or she wishes to vote for at least 10 consecutive days before the election. The elector must also be registered in order to receive an absentee ballot. Proof of identification must be provided before an absentee ballot may be issued.

You must make a request for an absentee ballot in writing.

Contact your municipal clerk and request that an ap-

plication for an absentee ballot be sent to you for the primary or election or both. You may also submit a written request in the form of a letter. Your written request must list your voting address within the municipality where you wish to vote, the address where the absentee ballot should be sent, if different, and your signature. You may make application for an absentee ballot by mail, email or in person.

Making application to receive an absentee ballot by mail

The deadline for making application to receive an absentee ballot by mail is: 5 pm on Thursday, November 3, 2016.

Note: Special absentee voting application provisions apply to electors who are indefinitely confined to home or a care facility, in the military, hospitalized, or serving as a sequestered juror. If this applies to you, contact the municipal clerk regarding deadlines for requesting and submitting an absentee ballot.

Voting an absentee ballot in person

You may also request and vote an absentee ballot in the clerk's office or other specified location during the days and hours specified for casting an absentee ballot in person.

Jaime fell in love with the product after ordering her first Bracelet from a friends Online Social. She wanted a bracelet that symbolized her other Chamber Business Jaimeann Designs Photography. After receiving it in one short week and learning more about the company she instantly knew she wanted to share and sell this wonderful product with her friends and family. "I love that the bracelets are reversible and interchangeable. You get multiple bracelets in one. The quality is amazing and the way the company gives back to amazing organizations and non-profits is what sold me."

KEEP Collective is made by AWARD-WINNING jewelry designers in Sausalito, CA. They use RESPONSIBLY SOURCED, QUALITY materials to create the Keys and GENUINE LEATHER Keepers. The KEEP Family of Designers share a deep belief that living a happy life comes from always keeping in mind what truly matters: LOVE, FAITH, FAMILY, FRIENDSHIP & ADVENTURE. Each of our KEEPSAKES is a wearable touchstone, an instant reminder of the little things, the big things, and all things that make you unique.

KEEP Collective offers Interchangeable Bracelets, Necklaces in multiple lengths, earrings, and bag. All which you can personalize to tell your story. You can Shop Direct from Jaime's Website, Work directly with her and she can do a mockup of your ideas with her unique digital design software or you can HOST an Online or In-home social and earn FREE products while enjoying an evening with friends and family. Business Hours: Wed. & Thurs. (4-9 pm kitchen) bar till at least 11 pm; Friday (4-9 pm kitchen) bar till at least 11 pm; Saturday (11 am-9 pm kitchen) bar till at least 11 pm; Sunday (10 am-7 pm kitchen) bar till at least 8 pm.

We will stay open longer if people are here having a good time!

Great Outdoors is a Supper club with a twist... all of your favorite supper club items (prime rib, fish fry, old fashions) with the twist in all of our daily specials. "Having a friendly face and place that people can feel like home is very important. We strive to bring that "cheers" style atmosphere to everyone, in every walk of life. People need a place to eat and drink and we want to be that place" stated Joel. Joel also mentioned that everything from behind the bar is made from scratch; our bloody mary's, old fashions, martinis, manhattans, ice cream drinks, and traditional favorites like a Tom Collins. In our kitchen we provide a hearty home style feel with our food, always bringing new items to our menu, with traditional fish fries, and succulent prime rib.

Joel and Jarod stated that this business started because they were two friends that wanted to expand on their restaurant lives, they walked in the door and instantly fell in love with the place. "We knew we were home!" they stated.

They moved forward to purchase the building and began making it something special and memorable for families to enjoy for years to come. They look forward to meet you and your family. "Our goal is to be a part of this community; we would like to bring great beer, excellent food, and great times to all comers. We will work hard and do all things possible to have everyone enjoy this place as much as we do." stated Joel and Jared.

Email: heidibathome@msn.com

Heidi is a resident of Kewaskum and has lived here with her family for over 10 years. She is happily married and has 3 beautiful children. Her and her family enjoy watching and playing all sports. "Our family walks together and has Sunday carpet picnics while watching movies" she stated.

"Initially, I began using the Isagenix products for myself. My goal was to increase my energy and lose weight as well as improve my health and the health of my family. After falling in love with the products and how great I felt, I had the desire to share them with others and help others in my community feel just as amazing" said Heidi.

Isagenix is a solution based health and wellness company that offers cutting edge science in 5 solution areas. She usually finds that most of the people she runs into fall into one or more of the following 5 solution areas: Weight Loss, Energy, Performance, Healthy Aging, and Wealth Creation. I then help them find a solution that

meets their needs. Our products are high quality, science based and have no GMO's, no soy, are Gluten Free, and no artificial colors, flavors, sweeteners or dyes. Dairy Free options are also available. She stated that the services she offers are free one on one coaching along with a personal customized plan to achieve your goals whatever those goals may be. "I also plug individuals into a great supportive community where they can get questions answered, support, healthy recipes, workout tips, and all sorts of great support to help them reach their goals. Our companies mission is to free people from physical and financial pain. I am looking to serve the community, offer healthy solutions and help people unlock their full potential." said Heidi.

Don't miss the Annual Chamber Christmas Parade! The theme this year is "Peace, Love and Candy Canes." Those wishing to have floats should contact Mike Geidel at (262) 626-1778 or mikegeidel@kewaskumpig.com.

Why the Kewaskum Area Chamber is important...

Over the years the Chamber has raised money to give back to the school auditorium, fitness center, Boys and Girls Club, Annex updates and more. How wonderful it is that a small community can give back in such a large way. It takes the whole community voluntarily supporting our town not just a few. The more help and support we can get the better our community will be.
