## Miss Wisconsin Visits Kewaskum Elementary Schools

By Anne Trautner

It is not often that people in Kewaskum get to meet royalty.

But last Friday, students at Farmington Elementary, Kewaskum Elementary and the i4Learning schools were introduced to Courtney Pelot, Miss Wisconsin.

She is a person that Suzanne Gruett, a third-grade teacher at Farmington Elementary, knows well. Gruett used to babysit Pelot when she was a child.

Even back then, Pelot used to like to wear a tiara, Gruett said.

"She was always dancing around," said Gruett, who was thrilled when Pelot won the state pageant.

Pelot said that Gruett has always been supportive of her dancing, and even mentored her.

"She was a wrestling cheerleader. My dad was a wrestling coach, so I would cheer with Suzanne on the side of the mat. She has always been there for me," Pelot said.

The two now share a common bond of promoting literacy.

So it only seemed appropriate when Gruett brought her students to listen to Pelot read on Friday.

"I love reading," Pelot told the students. "You should read 20 minutes every day, no matter what."

### Miss Wisconsin Lessons

When Pelot arrived at Farmington Elementary School last Friday, she carefully selected which Miss Wisconsin sash she wanted to wear.

The 22-year-old beauty queen decided the sophisticated black sash would match her outfit.

She kept her white sash that folded neatly in her Miss Wisconsin car. That sash is weighted down with rhinestones, so it is more appropriate for outdoor occasions.

The rhinestones help prevent sash malfunctions when it is windy.

## Proposed Village Budget Calls For Three Percent Property Tax Increase

– Undeveloped Properties In TIF District May Be Taxed Additional \$281 Mill Rate

By Anne Trautner

Kewaskum residents will face a three percent tax increase in 2017 under a proposed budget that the village board is considering.

That equates to a 20-cent increase on the mill rate, which would be about a \$30 impact on a property valued at \$150,000, according to Village Administrator Matt Heiser.

If the proposed budget passes, some property owners will be faced with much higher taxes. There are nine undeveloped properties in the village's Utility District 3 (UD3) that could be taxed an additional mill rate of \$281 per \$1,000 of assessed value in order to cover a shortfall of about \$70,000 in the village's Tax Increment Finance (TIF) District 2.

The total assessed value for all the undeveloped properties in UD3 is \$249,100, Heiser said.

Of the nine undeveloped properties in UD3, five are assessed at \$31,200. If the

added tax is applied, it would equate to about \$8,800 in taxes on each of those vacant lots. For an undeveloped lot valued at \$24,500, UD3 tax would be about \$6,800. There is one lot valued at \$44,000, and the UD3 tax on that would be a little over \$12,000, Heiser said.

There is one commercial lot in UD3 that was reassessed as agriculture use this year. Because grass is being harvested on the property, the assessed value went down from an assessed value of \$273,200 in 2015 to a current value of \$1,100. That property would be taxed about \$309 in tax under the proposed scenario.

Other undeveloped properties in UD3 now have to cover for the change in that property's assessed value.

TIF District 2 was created in 2005, when the Village of Kewaskum invested \$8 million to extend sewer and water services into the district, which is located west of

U.S. Highway 45. The commercial part of the TID is between Badger and Hillcrest roads, and the residential part is the Nature Haven Estates subdivision west of Prospect Drive.

Since around 2011, the increment (revenue) earned by the TIF district has not been able to cover the debt payment, so the village's taxpayers have been lending the district money.

Last year, the village board created a utility district within the TIF district. The board could potentially levy a special tax in 2017 on any undeveloped properties within that utility district to help cover the shortfall.

"I'm still in favor of levying UD3," Scheunemann said. "I know it's a heavy rate, but so far it has been a threat hanging out there."

"We are going to have to pull the trigger sooner or later," Village Trustee Richard Knoebel said. "There are a couple builders doing what they

say they are going to do. We have to get the other guys on board."

Pelot learned that while competing for the Miss America title in Atlantic City, N.J., in September. "We had a lot of wind from the incoming hurricane during the opening. There was a lot of wind and a lot of hair blowing going on," Pelot said. "We used toupee tape to keep our sashes on. Before then, I didn't know that was a thing." Her platform, "Open Books, Open Opportunity: Promoting Literacy in Our Communities," fit in well with the Kewaskum School District's emphasis on literacy.

"We have been focusing on literacy for the past three years. That's one of the reasons we really wanted her to come," said Mark Bazata, curriculum director for the school district.

Pelot, who is from Manitowoc, graduated in May from the University of Wisconsin-Madison with a bachelor's degree in communication arts.

Pelot started competing in beauty pageants at the end of her sophomore year in college. She was crowned Miss Green Bay in January and was named Miss Wisconsin in June.

The experience taught her how to interview. And it gave her experience speaking in front of large groups.

"It started really getting me prepared for doing this sort of thing," Pelot said about her visit to the Kewaskum schools.

### Reigning Questions

After Pelot read a book to the Kewaskum stu-

dents, they asked her their most burning questions. Here are some of those questions and Pelot's responses:

**Q:** How do you keep your tierra on your head?

**A:** There is elastic at the base of the crown, and four hair clips hold it in place. Some people say you should have dark elastic if you have dark hair, but I have white elastic on mine.

**Q:** Have you ever broke any bones?

**A:** I have broken my toes dancing.

**Q:** What is your favorite color?

**A:** Black. And gray. They go well with the other colors....you will understand when you are older. Gold also, because it adds a little sparkle.

**Q:** Do you have any pets?

**A:** I have two Siberian huskies.

**Q:** How do you do all your traveling?

**A:** I travel in a car that has a Miss Wisconsin emblem on the side. It is fun because people see me in the car and wave.

**Q:** How do you have time to travel all across the state?

**A:** I have good time management skills and an excellent GPS.

**Q:** What is your favorite book?

**A:** The fourth book of Harry Potter.

**Q:** What is your favorite food?

**A:** Sweet potatoes, made any way.

And the question on the minds of several boys:

**Q:** Do you have a boyfriend?

**A:** Yes.

### Threat To Injure

On September 1, our department responded to the Piggly Wiggly for a report of a male party threatening a juvenile female waiting for her father to pick her up from work. Charges have been requested on the adult male.

### Drugs

The department received a call for possible drug activity in Riverhill Park. Investigation revealed that a 20 year old male was in possession of marijuana. The investigation also revealed that this adult male was providing marijuana to minors aged 14, 15 and 17. He was arrested and transported to the Washington County Jail with requested charges of Possession of Marijuana and Distribution to Persons under the Age of 18.

### Sexual Exploitation Of A Child

On September 8, the department, in cooperation with the West Bend Police Department, Greenfield Police Department and the Wisconsin Department of Justice, served a search warrant on a residence in Greenfield. A 26-year-old male was arrested and charges referred for Exposing Genitals, Exposing Child to Harmful Material, Sexual Exploitation of a Child, and Causing a Child to View Sexual Activity after he shared nude photos on Facebook with a 16 year old Kewaskum female.

### Eluding / Fleeing Police

On September 18, the Kewaskum Police Department attempted to arrest Kenneth R. Sippel for an incident that occurred on September 17, in the Village of Kewaskum. Officers located Mr. Sippel outside of his vehicle on Clinton Street near Brooklane Drive. Officers gave orders to Sippel in an effort to arrest him and take him into custody. Sippel jumped into his vehicle and drove away at a high rate of speed, near-

ly striking citizens walking in the area. Officers engaged in a pursuit of the vehicle; however ultimately lost sight of the vehicle and discontinued the pursuit.

The Kewaskum Police Department requested charges with the Washington County District Attorney's Office for Reckless Endangerment of Safety, Resisting an Officer and Knowingly Fleeing an Officer, as well as charges steaming from the incident the day prior. The department is also issuing municipal citations for Reckless Driving, Failure to Stop at a Stop Sign, Operating after Suspended License, Operating without Insurance and Unreasonable and Imprudent Speed. The Kewaskum Police Department was assisted by the Washington County Sheriff's Office along with the Wisconsin State Patrol. Mr. Sippel also faces fleeing charges from the Wisconsin State Patrol steaming from the same incident.

### Drug Case

On September 21, the department stopped a vehicle for a registration violation. The odor of marijuana was immediately identified by the officer. A subsequent search of the vehicle yielded a small amount of marijuana and paraphernalia. Citations were issued for these violations. The passenger was arrested on a warrant from West Bend Police Department.

### Drug Case

On September 26 the department stopped a vehicle for a burnt out tail light. The odor of marijuana was smelled by the officer and a search of the vehicle was conducted. The officer located two burnt ends of marijuana cigarettes. Citations were issued for Possession of Marijuana, Operating after Suspended License, and Operating without Insurance.

### Fireworks

On September 30, Auxiliary Officer Jansen located a remote controlled device for lighting off fireworks. This was located on the Regal Ware property west of the football field after a firework was set off at the end of the national anthem.

## Bird Tests Positive For West Nile Virus

The Washington Ozaukee Public Health Department reports a dead blue jay found in Washington County on September 25, has tested positive for West Nile virus. This is the first bird that tested positive for West Nile virus in Washington County since surveillance for the mosquito-transmitted virus began May 1.

"The positive bird means that residents of Washington County need to be more vigilant in their personal protective measures to prevent mosquito bites," Kirsten Johnson, Health Officer said.

West Nile virus is spread to humans through the bite of an infected mosquito. Mosquitoes acquire the virus by feeding on infected birds.

"Washington County residents should be aware of West Nile virus and take some simple steps to protect themselves against mosquito bites," Johnson said. "The West Nile virus

seems to be here to stay, so the best way to avoid the disease is to reduce exposure to and eliminate breeding grounds for mosquitoes."

The Washington Ozaukee Public Health Department recommends the following: Limit time spent outside at dawn and dusk, when mosquitoes are most active; Apply insect repellent to clothing as well as exposed skin since mosquitoes may bite through clothing; Make sure window and door screens are in good repair to prevent mosquito entry; Properly dispose of items that hold water, such as tin cans, plastic containers, ceramic pots, or discarded tires; Clean roof gutters and downspouts for proper drainage; Turn over wheelbarrows, wading pools, boats, and canoes when not in use; Change the water in birdbaths and pet dishes at least every three days; Clean and chlorinate swimming pools, outdoor saunas,

and hot tubs and drain water from pool covers; Trim tall grass, weeds, and vines since mosquitoes use these areas to rest during hot daylight hours; Landscape to prevent water from pooling in low-lying areas.

The majority of people (80%) who are infected with West Nile virus do not get sick. Those who do become ill usually experience mild symptoms such as fever, headache, muscle ache, rash, and fatigue. Less than one percent of people infected with the virus get seriously ill with symptoms that include high fever, muscle weakness, stiff neck, disorientation, mental confusion, tremors, confusion, paralysis, and coma. Older adults and those with compromised immune systems are at greater risk of developing central nervous system illness that can be fatal.

The Department of Health Services has monitored the spread of West

Nile virus since 2001 among wild birds, horses, mosquitoes, and people. During 2002, the state documented its first human infections and 52 cases were reported that year. During 2015, 9 cases of West Nile virus infection were reported among Wisconsin residents. West Nile virus infections in humans have been reported from June through October; however, most reported becoming ill with West Nile virus in August and September.

The Wisconsin Division of Public Health will continue surveillance for West Nile virus until the end of the mosquito season. To report a sick or dead crow, blue jay, or raven, please call the Dead Bird Reporting Hotline at 1-800-433-1610.

For more information on West Nile virus: <http://www.dhs.wisconsin.gov/communicable/ArboviralDiseases/WestNileVirus/Index.htm>.

## WASHINGTON COUNTY SHERIFF'S REPORT

### Town of Farmington House Fire

On Friday, Oct. 14, at approximately 4:43 p.m., the Washington County Sheriff's office was notified of a house on fire located at 2039 Whitewood Drive in the Township of Farmington. Deputies and firefighters from the Boltonville Fire Department were subsequently dispatched to the scene. Assistance was also requested from Fillmore Fire Department.

Upon their arrival, Deputies and Boltonville firefighters observed smoke coming from the lower level of the residence. Firefighters were quickly able to bring the fire under control, but the home sustained significant smoke damage. The homeowner was able to evacuate herself, her two daughters and the two family dogs, with no reported injuries. It is estimated that the home sustained \$150,000 in damage.

Whitewood Drive at Highway 144 was closed for approximately one hour and 30 minutes to

facilitate firefighting operations. The matter remains under investigation by Sheriff's fire investigators, however the cause of the fire does not appear to be suspicious.

### 911 Call Investigation

The Sheriff's Office investigated a series of about a dozen cell 911 calls that were coming from various locations in the Town of Farmington on Tuesday, Oct. 11, starting about 3:50 p.m. Responding deputies were able to determine the calls were originating from a moving school bus. The deputy stopped the school bus in the area of Highway 144 and County Trunk H where the bus driver was not aware of the emergency calls originating from the bus.

Contact was made with the callers, who were identified as a seven and nine year-old brother and sister from the Town of Farmington. Although the Sheriff's Office normally takes a firm stand on such abuse, the deputy saw this as a "teaching moment" and spoke to all the chil-

dren on the bus about the real life consequences of misusing 911.

Contact was also made with the parent who was

not aware that a deactivated cell phone will still dial 911. The children no longer have the phone in question.

The family would like to express their appreciation to the staff on Forest View of Cedar Community, Sherry with Cedar Hospice and Sheepshead Joe from Eden.

Harriet A. Stellpflug

Harriet A. Stellpflug, 89, of New Holstein died peacefully at home on Wednesday, September 28, 2016.

She was born on January 13, 1927 in Kewaskum, the daughter of Nicholas and Odelia (Marx) Stoffel.

Harriet graduated from Kewaskum High School in 1945. She worked at Regal Ware in Kewaskum for several years after graduation.

On May 29, 1948 she married John G. Stellpflug at Holy Trinity Church in Kewaskum. He preceded her in death on July 25, 2012 after 64 years of marriage.

While raising their family of seven children, Harriet and John worked together in the businesses they owned. From the time of their marriage until 1963, they owned Stellpflug's Finer Meats in Kewaskum, a business that had been in John's family since 1879.

In 1963 they sold the market, moved to New Holstein and opened Stell's Super Valu. Harriet did the daily bookkeeping and accounting for the business, continuing even after John's retirement in 1989.

Harriet enjoyed boating with John and the family and was a member of the Pioneer Yacht Club in Oshkosh for many years. They also enjoyed traveling together and went on several cruises and other trips, both in the U.S. and abroad. She was an avid reader, was a frequent library patron and participated in the local book club. She loved a good game of Scrabble.

Harriet cared deeply about her family and delighted in the accomplishments of her children, grandchildren and great-grandchildren. She had a generous spirit and made others feel welcome in her home. She was a great listener, always ready to hear what someone wanted to share about their life or to learn something new about the world. Through example, she taught her children and grandchildren to work hard, to be kind and generous with others, to have a sense of humor, to deal with painful loss and to cherish family. She was the heart of our family.

Harriet is survived by a son, Jack (Kay) and children, John and his children, Quentin and Olive, Ben (Tanya) and their daughter, Etta, and Sam (Katy) and their daughter, Sydney; a daughter, Mary (Gary) Dreifuert and children, Ellen (Dane) Johnson and their daughter, Eliza, Adam (Maggie) Dreifuert and their sons, Arthur and Elliot, and Paula (Adam) Bartlett; a son, David (Nancy) and children, Michael (Karen) and their son, Ivan, and Sara (Eli) Rapkin; a son Mark (Dianne) and children, Kyle (Loreen), Matthew (Maia) and Laura (Rick) Bruess; a son, Luke (Liz) and children Ben and Eric; a daughter-in-law Stephanie (Mike) Murray and children, Hannah and Nicholas Stellpflug; a daughter Jane (David) Butcher and children, Andrea, Julia and Michelle Butcher.

Harriet is also survived by her sister, Dolores (Ken) Vernon and her brother, Alan Stoffel and many nieces, nephews and other relatives.

Harriet was preceded in death by her husband, her parents, her brother, Gerald Stoffel and her son, Robert Stellpflug. She was also preceded in death by sisters-in-law Ruth Stoffel, Marty Stoffel, Peggy Stoffel and Inez LaBuwi and by brothers-in-law Robert DuPont and Carl LaBuwi.

A Liturgy of Christian Burial will be held at 11 a.m. on Monday, October 24, at Holy Rosary Catholic Church, 1724 Madison Street New Holstein, WI 53061.

Family and friends may call at the Sippel Funeral Home, 2618 Altona Avenue in New Holstein on Sunday, October 23 from 1 p.m. until 4 p.m. and Monday morning, visitation will be at Holy Rosary Church from 9:30 a.m. until 10:30 a.m.

In lieu of flowers, please consider making a donation to the Rob Stellpflug Memorial Scholarship Fund. Please mail C/O Mark Stellpflug N2798 Honeymoon Hill Road, New Holstein, WI 53061.

For additional information, please contact the Sippel Funeral Home in New Holstein (920) 898-4300, or visit [www.sippel-funeralhome.net](http://www.sippel-funeralhome.net).

The family thanks Heartland Hospice for their kind and compassionate care, especially Rebecca and Crystal.

Darryl R. Wesenberg

Darryl R. Wesenberg, "Jake", passed away at the Calumet-Keweenaw Hospital in Upper Michigan on February 2, 2016 following a brief illness.

He was born in Kewaskum on February 12, 1940.

During his school years he was commonly called "Jake", a loving reference to his grandfather, Jacob Becker, the town blacksmith.

Darryl was an average scholar and athlete. He was, however, particularly good at racquet sports like ping pong and tennis.

He was a deliverer and carrier of the Milwaukee Journal on bicycle to Kewaskum subscribers for ten years.

After graduating from Kewaskum High School, he joined the U.S. Air Force where he served for 20 years and rose to the rank of Master Sergeant. He has tours of duty ranging from Iceland to England and Japan to Thailand. Darryl's last assignment was to the 655th Radar Squadron in Calumet, Michigan, where he was renamed "Wes". He liked it so much, he retired there.

He enjoyed managing local bars ranging from The Cliff View to Schuties. He made numerous

friends and loved Calumet and the Upper Peninsula.

Darryl was a long time avid fan of the Green Bay Packers and all University of Wisconsin sports teams. He shared his enthusiastic support of his favorite teams with his brother, Dick, with whom he communicated frequently. They would call each other to remind the other brother about game times and became very close. He also enjoyed casino gambling and keno.

Darryl is survived by his brother, Dr. Richard L. (Nancy) Wesenberg of Portland, OR, a nephew, Richard Wesenberg D.A. of Douglas County, OR, and two nieces, Kristen Doak J.D. and Karen Wesenberg M.D. of Portland.

May he rest in peace.

## Caregiver Coalition Offers Caregiver Day Of Renewal

The Washington County Caregiver Coalition wants to give our community caregivers a break from caregiving by offering them a Day of Renewal. Family Caregivers frequently give... their time, their strength, their energy, their ALL. Caregivers must find time to take care of themselves and their own health to be effective caregivers to those they love.

This day of relaxation and rejuvenation for family caregivers will be held on Monday, November 14th, 2016 from 11 a.m. - 3 p.m. at Cedar Valley Retreat Center, 5349 County Road D, West Bend.

Caregivers can take part in a number of activities including chair massages, mini-facials for men and women, make-

up application, adult coloring pages, mini-manicures, essential oils or chair yoga. Enjoy the beautiful Cedar Valley hospitality and delicious buffet lunch. The day will conclude with a presentation titled "Take Care of You: Caregiving is Hard Work" by Linda Markut of the Alzheimer's Association, Southeastern Wisconsin Chapter.

Pre-registration is required on a first come first served basis. There is no cost to attend, however limited space is available. Caregiving for your loved one at no cost during the event provided upon request. For further information call the Tammy D or Mona at Aging & Disability Resource Center of Washington County 262-335-4497.

## KHS Key Club Sponsors Trick Or Treating For UNICEF

For well over 10 years the Kewaskum High School Key Club has been trick or treating for the UNICEF Eliminate Project.

Last year, students raised nearly \$300.

The proud tradition continues this year as the members will knock on community doors on Saturday, Oct. 29, from 5 to 7 p.m., asking for help

preventing maternal and neonatal tetanus.

For a donation of only \$1.80, a woman will receive the three shots necessary to protect her, and her future newborn, from this deadly and painful disease. More than 100 million women in 38 different countries are affected by this. All donations are appreciated.

A Town of Wayne woman became the 29th traffic fatality in Washington County Monday evening when she was struck by a car on Hwy. 41 about 1,000 feet south of the Hwy. 28 intersection. Killed in the mishap was Mrs. Albert Kuehl, 77, of R.1, Allenton. Mrs. Kuehl was struck by an auto driven by James Pagac of Washburn, as she crossed the highway from east to west from her farm home to a field on the northeast side of the highway. She was pronounced dead at the scene. She was reported to have been thrown some distance by the impact. The victim suffered a skull fracture and multiple injuries.

Mr. and Mrs. Gerald Carl Voss are on a wedding trip to Jamaica. They were married Saturday, Oct. 8, at Peace Church, Kewaskum. The bride is the former Miss Pamela L. Nolting, daughter of Dr. and Mrs. F. E. Nolting, Kewaskum.

Fire of undetermined origin completely destroyed the Bar-N-Ranch clubhouse situated near the entrance to the Kettle Moraine State Park, northeast of Kewaskum, about 5 a.m. last Friday morning. The building was owned and operated by two Kewaskum businessmen, Dr. F.E. Nolting and Attorney Lyle Bartelt. The blaze was discovered by Mike Lange, caretaker at the ranch, who was asleep in his quarters in another building. When he was awakened the fire was beyond control and the clubhouse was already

partially destroyed. It was impossible to save the building and a fire department was not summoned. All of the contents including new furniture and equipment were also destroyed as the place burned to the ground. The building was a new one of frame structure, erected last May when the owners opened the ranch. During the past summer the Bar-N attracted many visitors who enjoyed riding horses. The owners are planning to erect a log lodge in place of the clubhouse as soon as they are able to get the materials.

Mrs. Jake Hawig of Wayne injured her left hand quite severely, last week when she had the misfortune of getting the hand caught in the washing machine wringer.

Private Clyde Darmody, who is stationed at Camp Livingston, LA., is home on a two weeks furlough with Mr. and Mrs. Darmody and family.

### 100 Years October 14, 1916

George Schuppel of the Town of Wayne, last Monday committed suicide by taking several doses of paris green. He left the house early Monday morning going to the woods telling his wife he would not return home alive. Becoming worried that he would commit a rash act, Mrs. Schuppel soon followed but could not find any trace of her husband. Shortly before

dinner he returned home in a very dazed condition after having taken the fatal poison. Medical aid was summoned at once but to no avail as the victim passed away about 5 o'clock that same afternoon. When questioned as to his act, Mr. Schuppel admitted taking the poison, stating he was tired of living. Mr. Schuppel during the past few weeks often stated he would take his own life, but his remarks were not taken seriously. Only a week ago he wanted to purchase a revolver in the Nic. Rimmel hardware

store but was refused the sale as Mr. Rimmel was somewhat suspicious.

A family reunion was held at the home of Mr. and Mrs. Math. Beisbier in honor of their 35th wedding anniversary. Those present were Frank Beisbier and family from Milwaukee, Frank Fleischman and family of St. Kilian, Mr. and Mrs. Peter Greiten and Albert Beisbier of Grafton.

**Weekly HEALTH TIP**

**IMPORTANCE OF ORAL HYGIENE**

Along with daily brushing and flossing, regular check-ups and cleanings by a dental care professional are important for your dental health. Poor oral hygiene and conditions such as gingivitis and periodontitis can cause tooth loss. They have also been linked to increased risk of cardiovascular disease and diabetes. Limiting acidic beverages and rinsing with water after consuming acidic foods and beverages can help prevent the erosion of tooth enamel. Eating calcium-rich foods can also help reduce the effects of acids and their casein aids remineralization.

## What's Happening in Kewaskum?

If you know of any upcoming events in the Kewaskum area, please let us know!  
 Events happening in the area will be included in our calendar.

Email your event information to  
[frontdesk@kstatesman.com](mailto:frontdesk@kstatesman.com) or call 262-626-2626.

## Will your memories be there?

Will news clippings of your family's weddings, anniversaries and births be around a hundred years from now on Facebook?

Maybe not. PROBABLY not.

We will publish it the old-fashioned way, so your friends and family can know about it now - and in the distant future.

Don't let your great-great-grandkids down when they try to find out about you.

# Silbernagel Group Hosts Winter Clothing Drive

It is October with the varying temperatures. Some days we see 70 degrees and other days it is in the 40s.

On a recent cool, damp day, there were children waiting for the bus dressed in inappropriate clothing. Even here in Kewaskum, there are

many families struggling to meet their basic needs. Statistics say 6 percent of Kewaskum residents live in poverty. Basic needs are a real struggle for some families.

Warm winter clothing gives a child newfound freedom to play more, learn more and do more.

Warm winter clothing gives an adult a new sense of worth, dignity and the courage to keep moving forward. Warmth has a profound impact on a person's health. Keeping warm in winter can help to prevent colds, flu and more serious related illnesses.

The Silbernagel Group is in the second year of looking for donations of all winter clothing in good condition for females or males infant size and larger. This includes coats, jackets, sweaters, hats, mittens and boots. These clothes will be given to the Kewaskum Food Pantry for distribution. This will help to meet the need later in the year and at a time when many children are growing like weeds. Children often outgrow something they may have gotten just a couple months ago.

Sweaters, coats, mittens, boots, fleece blankets and throws can be brought to the Silbernagel Office located at 114 Main St. in Kewaskum. The office is open from 8:30 a.m. - to 5 p.m., Mondays through Fridays.

Embrace the spirit of giving this season. Please be generous. It will most definitely help families in our community. It will also warm your heart and theirs.

Betty Hallen was honored for 68 years service in American Legion Auxiliary Unit 384 at the Washington County American Legion Auxiliary meeting, held in the Allenton Legion Post, on Saturday, Oct. 15. Pictured above President Charleen Barutha and Betty Hallen.

## Dementia Caregiver Conference In Fond du Lac County

– November 10 Event For Family And Professional Caregivers

The Alzheimer's Association, in conjunction with the Dementia Care Network of Fond du Lac County, will present "The More You Know: A Day of Education and Support for Those Who Care", an educational conference for family and professional caregivers on Thursday, November 10 from 8:30 a.m. to 3:30 p.m. at Holiday Inn Conference Center, 625 W. Rolling Meadows Drive, in Fond du Lac.

The conference will feature several keynote addresses including,

"Learn, Cope and Survive: Why Caregivers Can't Go It Alone", presented by former Wisconsin Governor Martin Schreiber; and "Eating for the Health of It!", presented by Pam VanKampen, Nutrition Specialist for the Greater Wisconsin Agency on Aging Resources (GWAAR). Workshops of various topics will be offered. Exhibitors and sponsors will be available to explain local services and resources. Free chair massages will be offered throughout the day by No Knots Therapeutic

Massage, Skin Care and Wellness. Early registration is encouraged. The cost of the conference is \$5 for family caregivers and \$15 for professionals. Registration deadline is November 3. To register for the conference, contact Ginny Nyhuis at 920-838-1311 or gnyhuis@alz.org. For information about the Alzheimer's Association, Southeastern Wisconsin chapter, visit [www.alz.org/sewi](http://www.alz.org/sewi).

# Continued From... Proposed Village Budget Calls For Three Percent Property Tax Increase

Originally, 61 parcels made up UD3. Since then, all but nine have been developed, have an existing agreement or working toward an agreement with the village.

The problem is that some property owners within UD3 are not doing anything to develop their properties, Scheunemann said. The village is willing to work with those owners and come to an agreement on how and when the individual properties will be developed.

"They can come to us and say they are going to develop it; this is my plan.

If we agree to that plan, we can always refund [the extra tax]," Scheunemann said.

The numbers for the 2017 budget are still fluid and won't be finalized until the village receives levies from the other taxing entities, such as the school district, technical school and county. The village also is waiting for its manufacturing assessment from the state.

Scheunemann suggested at the Oct. 3 village board meeting that the village collect \$70,000 from undeveloped properties in UD3 and have that money

go toward street projects. Under that proposal, the final levy increase for the village would still be at 3 percent.

However, the board decided against that proposal Monday night because there would be an additional 4 percent increase in the budget, which would disqualify the village from receiving a \$40,000 grant for achieving expenditure restraint.

The proposed 2017 budget reflects an increase of about \$30,000 over this year's budget in spending for capital outlay, which includes street

repairs. The proposed budget that the village board is considering sets aside \$122,000 for capital outlay, compared to this year's budget of \$91,778.

"Some of our roads are in really bad shape," Knoebel said. "If we keep putting these streets off and putting them off, they are just going to keep getting worse and more expensive."

Village trustees agreed Monday night that they would like to see work done on Roseland Drive in 2017 and Brooklane Drive in 2018.

"The issue with street

projects isn't so much the general fund tax money being applied to them," Heiser said. "The issue with the street projects is they are very burdening on the utilities."

The money for the street projects comes out of both the water utility and sewer utility budgets. To lessen the burden, Heiser recommended borrowing about \$175,000 per utility, depending on the project.

"At 10 years, we would end up with a loan of \$20,000 per year in debt payments for each utility," Heiser said.

The village's financial advisors estimate that a 10-year loan would result in a total of about \$4,000 of interest per utility for the entire 10 years, Heiser said.

"That isn't bad at all," Trustee Jim Wright said.

Still, the village may take action next year to alleviate the burden on the sewer utility.

"We are probably looking at a sewer rate raise in the latter part of next year," Village Board President Kevin Scheunemann said.

**FEATURE BUSINESS OF THE WEEK**

**Little Folks School House**

Little Folks School House is owned by Dodie Sargent. She brings 33 years of experience, receiving her training at U.N.H. and UW-Milwaukee. The Assistant Director, Jennifer Melzark has 16 years in the field and received her training at Marian College. Along with Dodie and Jennifer are 23 employees.

Little Folks is rated 5 stars by the Wisconsin Youngstar program and Nationally Accredited. The majority of the teachers have two or four year degrees and are dedicated to providing quality childcare.

Dodie provided licensed family childcare from 1983-1997 and opened the group center (Little Folks School House) in 1997 in the Town of Wayne. After outgrowing the Wayne building, they built a bigger center in Kewaskum which opened in 2006. There are five classrooms, three age separated fenced playgrounds, a coded secured entry and camera monitored classrooms. They also provide before and after school care at Little Folks and Kewaskum Elementary School. Little Folks also serves as a teaching center for Moraine Park Technical College. Students are placed with them every semester for their practicum experience where the Little Folks teachers mentor them.

Little Folks strives to form working partnerships with families. They respect the parent's insights and concerns and want them to feel comfortable leaving their children in their care, knowing they will be safe and nurtured as they help to develop and grow.

## Indians Claim Win Over Cougars

By Judy Harlow

Host Campbellsport threw an early scare into the Kewaskum High football team in the regular-season finale on October 14, but the Indians recovered behind a strong second half for a 30-10 win, earning them a one-third share of the East Central Conference title with Berlin and Plymouth.

The three finished up 6-1, as Berlin trounced Kettle Moraine Lutheran 63-12 and Plymouth raced past Waupun 49-7 for the logjam at the top of the conference standings.

"We played a very solid second half, much more of what we are capable of," KHS coach Jason Piittmann said about the game, indicating he would rather forget most of the first half.

Campbellsport, which finished the EC season at

2-5, scored first just 3:47 into the first quarter, with Connor Weber plowing into the end zone from the 2-yard line and the Cougars adding a successful two-point conversion on a Weber run.

The only Cougar touchdown was set up by a bad snap from center on a Kewaskum punt. "The snap went over Cade's (Peterson's) head," Piittmann said, reporting he scooped up the ball and attempted to pick up the first down but was way short, so, "They (Cougars) had a short field, and they just pounded it right at us. They got inside the 10 and punched it in."

Later in the quarter, Kewaskum came back with a nice drive but it got bogged down about the 12-yard line, and Piittmann sent Peterson in to kick a field goal, which was good from 29-yards to close the gap to 8-3.

Another mistake by Kewaskum helped the Cougars score again, this time on a safety with 3:30 left in the half. "They punted and pinned us deep," Piittmann said. "We missed our blocking assignment, and Cole Surprenant got tackled (in the end zone. The kid came in untouched."

That made the score 10-3, but the Cougar lead didn't last long as the Indians moved the ball quickly down the field and scored on a 10-yard pass from Dalton Poole to Surprenant, with Peterson nailing the PAT (point after touchdown) to tie the game at 10-all.

From this point on, Kewaskum started to take over the momentum. "After that, we pretty much controlled the game the rest of the night," Piittmann said.

Kewaskum scored a pair of third-quarter touchdowns, one on a short run by Patrick Krier and the other via a Poole to Brady Hanson pass that covered 35 yards. "Brady had a great game," Piittmann said of his senior wide receiver/safety. Offensively, Hanson caught five passes for 145 yards and a 29-yard per catch average. "I knew he had close to 150 yards. A couple were made in traffic, and one was over the middle," the coach said, adding, on the touchdown, "It was a pump and go, and he beat the corner."

Now the Indians were up 24-10 and within 12 minutes of another ECC title, and while neither offense mustered up a score in the fourth quarter, Kewaskum scored on

defense when Hanson picked up a fumble and rambled 20 yards with it. Peterson missed the extra point, making the score 30-10.

Piittmann said the flamboyant Michael Boettcher "stripped it, and Brady scooped it and scored."

Hanson currently has 27 receptions for a team-leading 569 yards and six touchdowns. Junior Tony Steger, who tops the Indians receivers with 28 catches, sat out the game with an injury, but Piittmann said, "He should be back this next week though" for the playoff game against Port Washington.

Once again, the junior Surprenant led the Indians' ground attack. He rushed 20 times for 103 yards and caught the one pass for 10 yards. This is the fifth time he has gone over the century mark. Ripon and Berlin kept him under 50 yards.

Kyle Pamperin, filling in for Steger, was next with 21 yards in three carries and caught one pass for seven yards.

"Alex Vogt had a real nice game on defense," Piittmann said about the senior cornerback, who had five solo tackles and nine team tackles. "Faton Elmazi also" with three solos and 13 team tackles.

Dalton Espitia had the lone sack on Campbellsport quarterback, Connor Kissinger, who was just 1x5 passing for 20 yards and gained just four yards rushing. Weber and Austin Narges rushed for 32 and 31 yards, respectively.

On Saturday, Piittmann traveled to Wisconsin Lutheran for the seeding meeting, and Kewaskum came away with the No. 2 seed behind unbeaten Catholic Memorial. "We beat Plymouth; Plymouth beat (New Berlin) Eisenhower, and Eisenhower beat Greendale. That led us to getting the No. 2 seed," Piittmann said.

KHS will entertain Port Washington (5-4) this Friday, October 21 and a win gives the Indians a home game vs. the winner of the Plymouthh (No. 3) and Greendale (No. 6) seed.

Kewaskum 3-7-14-6 - 30  
Campbellsport 8-2-0-0 - 10

ECC final standings: 1. (tie) Berlin, Kewaskum and Plymouth, 6-1; 4. Ripon, 4-3; 5. (tie) Campbellsport, Waupun and Winneconne, 2-5; 8. KML, 0-7

## Reck Runs Season's-Best Time

By Judy Harlow

The "kings" and "queens" of this year's East Central Conference cross county test are Ripon and Plymouth.

Taking the ladies first, the Plymouth Panthers dominated the girls' test on the Tuscumbia Golf Course on October 15 in Ripon, coming in with a sizzling 31 points, 42 points head of runner-up Kettle Moraine Lutheran (73). Ellie Welch of Plymouth was the individual winner. She covered the 5,000 meters in 20 minutes, 34.7 seconds (20:34.7) with teammates finishing in 3-5-8 and 14th places.

The boys' race was a lot more competitive with Ripon nipping Plymouth by one point, 64-65, for first place, and Berlin edging Waupun for third place, 86 to 87 points.

Kewaskum had a rough day in both events, with the Indian boys finishing seventh with 156 and the girls in last place with 173.

"It's a competitive conference," KHS coach Kris Evans said, indicating "what kept us so far back was the loss of (Emma) Penfield," who is out with a stress fracture.

Only one runner among the starters finished in the top 10, and that was junior Justin Reck, who had an outstanding race, dipping under the 18-minute mark for the first time with his 17:59.6, which was good for 10th place. For his efforts, Reck earned first-team all-conference hon-

ors.

The winner of the boys race was Waupun's Kyle Miller, who toured the course in an impressive 16:42.6.

"How about that," Evans said about Reck, who was his No. 2 runner all season and cut 40 seconds off his team from a week ago at Campbellsport. "We're really proud of him. He had a great race."

Evans said if he can keep Reck "focused and calm, "There's no reason

why he can't run faster at sectionals."

"Everybody ran real well. I think six of my seven had PRs (personal records)," Evans said. The lone exception was Derek Schraufnagel.

Freshman Jordan Carlton was next, in the 15th spot, with an 18:07.8. His place earned him honorable mention honors in the league.

Then there was a big gap until Kyle Toth crossed the finish line with a

19:38.6, good for 41st. KHS's other counters were Schraufnagel and Blake Miller, in 44th and 49th with respective times of 19:45.3 and 20:32.5.

As usual, sophomore home schooler Maela Olla, was the best of the Lady Indians. She placed 15th in 21:59.8.

"She was a little under the weather," Evans said, indicating Olla ran a good race but it was not her best and had to settle for honorable mention honors in the ECC.

Senior Haley Plachinski just missed making the top 25, taking 26th in 22:51.98, and Evans said, "This was her first time under 23 minutes.

The other counters were Melissa Schneider, another KHS senior, 39th in 23:38.2; freshman Courtney Zarda, 43rd in 24:01.8; and sophomore Stephanie Lauters, 50th in 26:34.6.

Kewaskum is at Tuscumbia again for the D-2 Mayville regional meet on Friday, October 21. The boys run at 4 p.m. and the girls at 4:45.

East Central Conference Cross Country Meet

Girls team scores: 1. Plymouth, 31; 2. KML, 73; 3. Winneconne, 101; 4. Waupun, 104; 5. Berlin, 130; 6. Ripon, 136; 7. Campbellsport, 140; 8. Kewaskum, 173

Boys team scores: 1. Ripon, 64; 2. Plymouth, 65; 3. Berlin 86; 4. Waupun, 87; 5. Winneconne, 96; 6. KML, 112; 7. Kewaskum, 156; 8. Campbellsport, 237

# Stronger Cougars Outlast KHS In Final ECC Volleyball Match

By Judy Harlow

It certainly started out well, but Kewaskum's volleyball match against host Campbellsport went downhill from there. Missed serves and spike attempts and the challenge of trying to defend against the Cougars' 6-foot middle hitter, Catrin Homuth, led to a 25-22, 13-25, 17-25 and 15-25 defeat.

With the loss, the Indians fell to 3-7 in East Central action, which put them in seventh place.

"Sadly, we did not come out strong enough. Campbellsport is a good team, and it showed. They were picking up things defensively that we were letting fall to the floor." KHS coach Laine Leitzke said. "We started out strong, and then we went a bit flat. We have to keep the fire longer."

Game one was tied several times, the last at 16-all when KHS surged out front on an ace by Morgan Kappler and a big spike by Amanda Schaller and another by Elizabeth Lightner for a 21-18 advantage. The lead grew to four points, but Campbellsport battled back to 22-20 before Sarah Butschlick faked a spike and sent a little "dink" which found the floor between two Cougars defenders.

An unusual point followed as a return by one of the Cougars hit the basketball fixture hanging from the ceiling and the Indians could not field it, but Kewaskum closed out the game with a well-placed tip and a hit CHS could not return.

The score was tied seven times in Game two before the Cougars, who were celebrating Senior Night, started to pull away. A powerful block by Carissa Stahl, plus some unforced errors by the Indians, put CHS up 16-10, and the momentum was now in the Cougars' favor.

Leitzke called a timeout to settle his troops, but CHS just kept rolling. During a 5-1 run, Zoe

Albert, Mackenzie Ebert and Stahl each turned in big plays.

Butschlick stopped the Cougar run with a well place return, making the score 14 to 22, but the Indians hit a ball long and had a serve land out of bounds, giving the Cougars the win, putting them even with the Indians at 1-1.

In Game three, Kewaskum fell behind 3-12 and simply could not dig out of the deficit. Campbellsport used great blocking by Stahl and good serving by Ebert and Kaitlyn Gierach to stay comfortably in front. It was in this game that Homuth made her presence known. She contributed two spikes and was just warming up for the fourth game.

A big run in Game four came with Jamie Schrauth at the serving line when the Cougars scored seven straight points for a 16-9 lead.

For Kewaskum the kill leaders were Butschlick, Lightner and Schaller with nine, eight and six, respectively. KHS had just three aces on the night, two by Kappler and one by Butschlick, while Butschlick topped the assist leaders with 15. Morgan Denlinger and Brook Espitia were next with nine and five.

In digs, senior Brittany Williams had the most, 19, with Schaller and Lightner coming in with 10 and five.

KHS was scheduled to open play in the WIAA Tournament vs. top-seeded Kettle Moraine Lutheran in Jackson on October 18. Campbellsport, as the No. 4 seed, hosted Sheboygan Falls.

Standings included dual matches, plus wins and losses from the quad meet. Some results are missing.

# In Season Finale, Indians Give KML A Battle

By Judy Harlow

Even though its record is not what coach John Kenworthy had hoped for, the Kewaskum High soccer team has been making progress this fall, progress that was evident in its final two East Central games, especially the 2-0 loss on October 13 to Kettle Moraine Lutheran. KML finished second in the final standings behind unbeaten but once tied Plymouth (13-0-1).

When it was suggested this was a good effort by the Indians, Kenworthy said, "Absolutely," especially considering, "This was a game when we had a little challenge because J.J. (Heberer) had a concussion and Devin Buck was sick." Their presence was definitely missed.

Even with its No. 1 goal scorer (Heberer) on the sideline, the Indians played the Chargers tough, giving up one goal in the first half and another in the second, one Kenworthy didn't feel should have counted. Kenworthy reported one of the Chargers took a shot and KHS keeper Conner Enright covered it up and then another KML player came up, and, "The guy kicked it out of his hand and into the net ... Connor had his hand on it on the ground." Still, holding KML to two goals was a nice accomplishment for Enright.

The point is it could have been a 1-0 game, and Kewaskum had chances to score. "We had quite a few (shots) actually," Kenworthy said, but, "They have a great keeper, Joey Behm."

Kenworthy was very pleased with the play of Jake Hrica, who moved from the outside to middle on defense and "did a great job controlling things in the middle."

The effort in the 6-2 loss to Berlin on October 11 is one which disappointed Kenworthy, especially in the first half.

"We didn't come out very well in that game," the

coach said, reporting one player missed the game because of "an issue in school," and there were problems with the communications and play in the defensive midfield.

"They scored three times in the first 10 minutes," Kenworthy said, explaining he was having difficulty trying to keep his players calm, but "After the first onslaught, we held our own."

Kewaskum's first goal was scored by senior Alek Gerhartz. It came in the first half. Gerhartz also was called on to move to the midfield during that time when the Indians were having difficulty holding Berlin at bay. "He did a great job ... you expect that from a leader," Kenworthy said, noting with his communication and smart play, "he (Gerhartz) treaded water for us for 15 minutes."

Sophomore Hunter Kuehl scored the other goal. It was his third goal of the season.

Kewaskum ended its EC season with a record of 1-13. Overall the Indians were 5-17-2. Four of the losses were by one goal.

After holding meetings over the past weekend, the Indians started with a 15th seed but slipped to No. 18 after extra discussion and were scheduled to face No. 17 Milwaukee Lutheran on October 18 at Lutheran. The winner will play at No. 1 seeded Delavan-Darien at 7 p.m. on October 20.

Final East Central standings to score: 1. Plymouth, 13-0-1; 2. Kettle Moraine Lutheran, 11-1-2; 3. Berlin, 7-3-2; 4. Waupun, 6-7-1; 5. Campbellsport, 4-7-3; 6. Ripon, 2-10-2; 7. Winneconne, 2-10-2; 8. Kewaskum, 1-13

## Kewaskum Youth Soccer Results From October 15

### U8 Phoenix 4, Slinger Rampage 2

U8 Phoenix won against the Slinger Rampage 4-2 on Saturday. The team played very well together. There was some good passing by Sawyer Tye, Micah Schneider, Malia Volesky, Janya Dieringer, and Izzy Lang. Oliver Grover had some good throw ins from the side. Kingston Grisolono scored three goals and Colton Rabe scored one goal. Great playing Phoenix.

### U8 Suns 4, Hustisford Eagles 0

The U8 Suns played the Hustisford Eagles in Hustisford and came out on top with a 4-0 win! The Suns were determined with their strong defense and great communication.

Their teamwork and enthusiasm has really come together throughout this season. There were a few great assists and quick feet. Elijah showed some hustle and scored one of the goals! Annika Kreuser scored one of the goals, along with Grant Rasmussen and Ranen Enright. Raeya Graf and Scarlett Reis showed some awesome hustle out there too! Great job Suns.

### U9 Kewaskum Twisters 2, Slinger Wolverines 7

It was clear it was going to be another hard fought Saturday as the U9 Kewaskum Twisters took to the field to play the Slinger Wolverines. The Wolverines scored four goals quickly, but Anna Parish scored a goal in the

second quarter to keep the Twisters in the game. Isaac Michlig had an excellent performance throughout the game on offense. Despite the score, Aaron Schmidt and Kaleb Conwell had great performances at goalie. The fourth quarter provided one last highlight as proven ball handler, Carson Maine, assisted Anna Parish on the last goal on a corner kick. The final score of the game between Kewaskum and Slinger was 2-7. This brings the Twisters' season record to 2-4-0.

### U10 Venom 2, Hartford Thunder Dogs 0

The U10 Venom won against the Hartford Thunder Dogs 2-0 on Saturday. All the girls were playing good defense on the field. Caitlin Finger and Maddie Marquardt scored goals for team Venom. Great playing girls.

### U12 girls Warriors 1, KW Storm 1

What an amazing game to watch, U12 girls Warriors verses KW Storm. Evenly matched teams Kewaskum Storm scored a goal in the first half. Warriors came out strong in the second half and a goal was scored by Jadin Czuppa to tie the game. Great offense and defense played by both teams to end the game in a tie. 1-1.

### U12 Spartans 6, Richfield Cyclones 2

The U12 Spartans played a highly competitive game against the Richfield Cyclones this Saturday. Denali Fellenz stepped up after an aggressive move from Richfield to beat them back with three goals. Marie Buddenhagen moved into position perfectly and scored two goals. Carter Curtin managed to pull ahead and also scored. Credit for the win also goes to our goalies, Austin Jantz and Sydney Wheaton. The final score was 6-2. Way to go Spartans.

## Indian Volleyball Team Plays Well But Still Comes Up Empty

By Judy Harlow

While they didn't come away with any wins, the Kewaskum High girls volleyball team was very competitive in the October 15 East Central Tournament hosted by Kettle Moraine Lutheran in Jackson.

"We were in every match, losing six of eight sets by four points or less," KHS coach Laine Leitzke said about the day, which ended with the Indians losing to Berlin 24-26 and 23-25 to Plymouth 17-25 and 15-25, to Waupun 22-25 and 21-25 and to Campbellsport 21-25 and 24-26.

The coach went on. "Makes a tough day when you are so close to going 3-1 and end up leaving 0-4. It is a testament to the girls' resolve on the court to continue to fight even when it didn't go their way, as well as the toughness

of our conference. Some of the leaders fell to some of the lower teams."

Senior Amanda Schaller rebounded from a so-so night at Campbellsport to put down a team-high 26 kills. Elizabeth Lightner was next with 20, and then came Sarah Butschlick with 17.

Lightner had a good night at the net with five blocks, while Morgan Kappler added 3.5, and in aces, five girls had two or more. Brooke Espitia led the group with four, then came Butschlick with three and Lightner, Morgan Denlinger and Hailey Hasenberg with two.

Tops in assists were Butschlick and Denlinger with 25, followed by Espitia with 13, and the dig leader was senior Brittany Williams with 14, followed by Schaller (12), Butschlick (8), Morgan Kappler (8) and Espitia

(8).

"In the end, we made too many errors, and they hurt us. We had some injury issues for the final two matches against Waupun and Campbellsport and even with the lineup changes, we continued to go out there and fight. We needed to be a bit more mentally tough and a bit more aggressive defensively," Leitzke concluded.

The host KML Chargers won the tournament, going a perfect 4-0 in matches. KML opened with a 26-24, 25-14 win over Plymouth and in the next round it beat Berlin 25-11 and 25-18. Campbellsport put up a real battle in the second game before the Chargers won 25-11 and 25-23, and in the finale, the ECC champs were 25-23 and 25-22 winners over Waupun.

## Eighth Grade Gridiron Defeats Oconomowoc Black

The eighth grade gridiron Indians defeated the Oconomowoc Bandits Black on Saturday, Oct. 15 by a score of 28-8 at home to improve their record to 4-2 on the season.

The first quarter was controlled by the defenses as neither team was able to get on the board or move the ball very well. In the second quarter the Indians were finally able to get the ball moving and put a nice drive together before running back Trevor Magray busted a long run for a 35 yard touchdown to put the Indians up 6-0. On the next possession for the Indians Magray did it again, this time receiving a screen pass from quarterback Michael Daniel and taking it 50 yards for

another Indians touchdown to give them a 12-0 lead heading into halftime.

The Indians received the second half kickoff and immediately used some great blocking from the offensive line and some punishing running from their Backs to march the ball inside the Bandits 5-yard line and from there Daniel took a quarterback sneak into the end zone from 3-yards out and he also made the 2-point kick to make the score 20-0.

The Indians defense continued to stuff the Bandits offense with linebacker Kannon Muckerheide leading the way on many of the tackles. In the fourth quarter the Indians were able to put together one more

solid drive, which was capped off by a 1-yard touchdown run by Daniel, his 2-point kick made the score 28-0. The Bandits were finally able to move the ball and score late in the fourth quarter and make the 2-point kick to make the score 28-8, but it was too late as time ran out and the Indians had a solid 28-8 victory.

The Indians once again played a great game defensively and the offense was able to pound the ball using their big offensive line and hard running from the Backs. The Indians will hope to keep things rolling in their next game, which is on Saturday, Oct. 22 at home against Cedarburg (4-2) with the game starting at 9 a.m.

## The Ultimate Packer Fan Picks The Pack Became "Texas Toast" May Become "Bear Bait"

The Green Bay Packers, now (3-2) were bushwhacked by the Dallas Cowboys (4-1) in front of 78,481 frustrated fan's in Lambeau Field this past Sunday, losing 30-16. The Dallas Cowboys came into Lambeau Field with a vengeance. Showcased by their rookie quarterback Dak Prescott along with rookie running back Ezekiel Elliott made "Texas Toast" out of the Green Bay Packers.

Prescott threw just 18/27 pass attempts for only 247 yards but was enough to overpower former MVP Aaron Rodgers. Rodgers threw a respectable 31/42 pass attempts for 294 yards. However, he lacked accuracy, fumbling twice. The Pack as a team had a total of five fumbles, losing three. Time of possession was nearly identical with GB 29:50, Dallas 30:10.

Ezekiel Elliott up against the number one ranked run defense in the league ran for an impressive 28 times gaining 157 yards. Eddie Lacy, equally impressive in his own way ran 17 times gaining 65 total yards.

The Packers for whatever reason have been in a slump that goes back 16 games. The coach, the players, the fans, the media have all voiced opinion for the trending

WAYNE SARGENT

declining performance. Is it Mike McCarthy, is it the offensive coordinator, is it injury, is it the predictable play calling, or is Aaron Rodgers the blame? There's been a lot of finger pointing but no one seems to know, just what is the right answer? I hope somebody nails it down pretty soon. We certainly can't blame it on lack of talent, so who or what is causing this so called Super Bowl top contender for 2016 to continue its demise? After this Thursday the schedule gets tough. Adjustments need to be made now! "All that matters is that we get into the Play-offs". Sure it's true. An absolute correct statement. The only problem is that we have to win to get there.

On Thursday night the Green Bay Packers will face the struggling Chicago Bears, (1-5) at Lambeau Field. Without their starting quarterback

Jay Cutler, the already depleted offense has been troubled and plagued with injury. Should we worry? Damn straight we should! The Packers are no longer trusted as predictable! They lack fire and enthusiasm; they just don't appear to be having fun anymore. Missed pass attempts, fumbles, injury, play calling, penalties or coaching; whatever the reason is it's taking its toll. Coming into this season I never imagined fearing the Bears may prevail and win again here at Lambeau.

The rivalry began back in 1921. Since then these teams have met 192 times, Chicago leads with 94-92-6. They have a combined total of 22 NFL Championships. Green Bay has 13 and Chicago has nine. They also have a combined total of 58 members in the Pro Football Hall of Fame; Chicago has 30 and Green Bay has 28. The biggest blowout between these two hallowed franchises was back in 1980 with the Bears embarrassing the Pack by a score of 61-7. They last faced each other at Lambeau on November 26, 2015, the Bears won 17-13. I'm going with my heart on this one, the Pack wins big 37-13.

### Congratulations to this week's winner, Nate Kenworthy!

Nate's name will be put in the pool to win Packer tickets for next year's season.

*Each week that the Packers play, the Kewaskum Statesman is holding an Ultimate Packer Fan Giveaway contest. There is no charge to enter.*

*The grand prize is two regular season tickets to the Packers' home opener.*

*Second place wins two tickets to the Packers' first home preseason game for 2017.*

*Third place is two tickets to the Packers' second 2017 home preseason game.*

For your chance to win, go to [www.kstatesman.com](http://www.kstatesman.com) or email [frontdesk@kstatesman.com](mailto:frontdesk@kstatesman.com) and be sure to make your picks by 9 a.m. on the Thursday preceding the game. Winners will be announced in next week's Kewaskum Statesman.

**High School Musicians Unite For WSMA State Honors Concerts**

After an intense audition, summer camp and rehearsal process, 429 of the finest young musicians in Wisconsin are about to unite for the peak of what could be the most rewarding musical experience of their lives – the Wisconsin School Music Association (WSMA) High School State Honors Concerts.

These upcoming concerts, which are projected to have record attendance of students, parents, teachers and general public from around the state, mark the highest point of the 2016 WSMA High School State Honors Music Project.

High school state honors orchestra and band concert on Thursday, Oct. 27, at 4:30 p.m., at the Overture Center, 201 State Street, Madison

High school state honors treble choir and mixed choir concert on Thursday, Oct. 27, at 8 p.m., at the Overture Center, 201 State Street, Madison.

High school state honors jazz ensemble concert on Friday, Oct. 28, at 11:30 a.m., at the Monona Terrace, One John Nolen Drive, Madison.

Thomas Gill of Kewaskum High School will be playing percussion in the State Honors Band.

The public is encouraged to attend the concerts, which celebrate the accomplishments of these students and the overall

positive impact of music education on their lives. The concerts also commemorate dedicated music teachers throughout Wisconsin, many of whom will be in Madison attending these events in conjunction with the annual Wisconsin State Music Conference," said Victoria Donahue, WSMA program director.

The WSMA State Honors Music Project brings Wisconsin's top young musicians together with nationally known conductors in a highly disciplined, professional setting. The 426 students were in grades 9, 10 and 11 at the time of spring auditions and were selected from nearly 1,600 who auditioned.

When students come together for the first time in June, they meet their conductor, section coaches and each other for the very first time. Through the rehearsals with these nationally recognized conductors students become unified in one common musical goal. After camp students remain in contact with their section coaches, conductors and each other as they continue to hone that common goal which culminates in their performance at the concerts.

For more information about the WSMA State Honors Music Project and other programs, go to [www.wsmamusic.org](http://www.wsmamusic.org).

**Governor Walker Announces \$108 Million In Payments To Local Governments**

Governor Scott Walker announced that local governments received quarterly payments totaling more than \$108 million for General Transportation Aids, Connecting Highway Aids and Expressway Policing Aids from the Wisconsin Department of Transportation (WisDOT).

Payments to Wisconsin's 1,924 local units of government include: \$104,905,192 in general transportation aids; \$3,015,876 to municipalities entitled to receive connecting highway aids; and \$255,975 to Milwaukee County for expressway policing aids.

For calendar year 2016, local governments shared an estimated \$419 million from the state transportation fund to build and maintain local roads and bridges, which includes expressway policing aids to the Milwaukee County Sheriff Department for patrol of Milwaukee expressways. Quarterly payments for cities, towns and villages are sent the first Monday in January, April, July and October. County payments are made in three installments, with 25 percent of

the total annual payment on the first Monday in January; 50 percent on the first Monday in July; and 25 percent on the first Monday in October.

General transportation aids help defray the costs of constructing, maintaining, and operating roads and streets under local jurisdiction. Connecting highway aids reimburse municipalities for maintenance and traffic control of certain state highways within municipalities.

Area communities will receive the following in general transportation aid: Washington county, \$499,051; Town of Auburn, \$24,585; Town of Farmington, \$35,849; Town of Kewaskum, \$20,947; Town of Wayne, \$31,345; and Village of Kewaskum, \$43,647.

In addition to these three aid programs, local governments are eligible for state transportation fund revenues for public transit, elderly and disabled transportation, and airport and harbor development. Local communities may also receive state and federal funds for specific highway and bridge construction projects.

# Simple Steps To Online Safety

—October Is Cybersecurity Awareness Month In Wisconsin

Growing up, your parents taught you about good hygiene — wash your hands, brush your teeth, and take a shower. As we continue to rely upon computers and mobile devices, we need to also practice cyber hygiene, to protect our devices from cyber criminals. That's why Governor Walker has declared October as Cybersecurity Awareness Month in Wisconsin.

"Whether banking, shopping, social networking, or downloading the latest app — practicing good cyber hygiene is critical," says Major General Don Dunbar, adjutant general and Wisconsin's Homeland Security advisor. "All of us must learn how to stay more secure and mitigate risk in our ever-expanding digital lives."

This includes preventing and responding to identity theft and scams, ensuring that home networks are secure, managing the security of mobile devices and teaching children to use the Internet safely. Here are some simple ways to practice good cyber hygiene:

**Keep A Clean Machine**  
 Keep security software current: Having the latest security software, web browser and operating systems are the best defense against viruses, malware and other online threats.

Automate software updates: Many software programs will automatically connect and update to defend against known risks. Turn on automatic updates if that's an available option.

Protect all devices that connect to the Internet: Computers, smartphones, gaming systems and other web-enabled

devices also need protection from viruses and malware.

Plug & scan: USBs and other external devices can be infected by viruses and malware. Use your security software to scan them.

**Protect Personal Information**  
 Make your password a sentence: A strong password is a sentence that is at least 12 characters long. Focus on positive sentences or phrases that you like to think about and are easy to remember (for example, "I love country music.")

Unique account, unique password: Having separate passwords for every account helps to thwart cybercriminals. At a minimum, separate your work and personal accounts and make sure your critical accounts have the strongest passwords.

Write it down and keep it safe: Everyone can forget a password. Keep a list that's stored in a safe, secure place away from your computer. Consider using a password manager to keep track of your passwords.

Get two steps ahead: Turn on two-step authentication — also known as two-step verification or multi-factor authentication — on accounts where available. Two-factor authentication can use anything from a text message to your phone or a biometric like your fingerprint to provide enhanced account security.

**Connect With Care**  
 When in doubt, throw it out: Links in emails, social media posts and online advertising are often how cybercriminals try to steal your personal information. Even if you know the source, if something looks

suspicious, delete it.

Get savvy about Wi-Fi hotspots: Limit the type of business you conduct and adjust the security settings on your device to limit who can access your machine.

Protect your \$\$: When banking and shopping, check to be sure the site is security enabled. Look for web addresses with "https://," which means the site takes extra measures to help secure your information. "http://" is not secure.

**Be Web Wise**  
 Stay current: Keep pace with new ways to stay safe online.

Think before you act: Be wary of communications that implore you to act immediately, offer something that sounds too good to be true or ask for personal information.

Back it up: Protect your valuable work, music, photos and other digital information by making an electronic copy and storing it safely.

**Be Your Online Guardian**  
 Personal information is like money. Information such as your purchase history or location, has value — just like money. Be thoughtful about who gets that information and how it's collected through apps and websites.

Be aware of what's being shared: Set the privacy and security settings on web services and devices to your comfort level for information sharing.

Share with care: Think before posting about yourself and others online. Consider what a post reveals, who might see it and how it could be perceived now and in the future.

The Wisconsin Department of Natural Resources hosted its annual Halloween Nature Hikes this past weekend at the Mauthe Lake recreation area. Many volunteered to help out at the hikes and hundreds came to enjoy the hike and learn about the Kettle Moraine State Forest-Northern Unit. Pictured above are Meekael Nelson playing Ricky Raccoon, Derek Rosenthal playing Stinky Skunk, and Jenny Neumann playing Opie the Opossum. All three are from Fond du Lac and are members of Adventuring Crew #9701.

## Blain's Farm & Fleet Wants To Keep You Safe This Halloween

Sure, Halloween is fun and exciting for the kids, but it can also be stressful for parents. Follow these steps to ensure that everyone has a fun and safe time. Oh, and they'll also get the best candy in the neighborhood.

**Six Halloween Safety Tips From Blain's Farm & Fleet**

1. Stay visible. Most of the fun on Halloween happens while trick-or-treating after dark. Make sure the kids and the adults are visible to cars at night. Wear brightly-colored costumes with reflective stripes sewn on. If he insists on being Darth Vader — give him a lightsaber. You can make him one out of the kind of cardboard tube that comes with wrapping paper and a couple of rolls of red reflective tape.

2. Make sure costumes fit well. Kids in baggy costumes are more likely to trip and fall. The worst time for a child to trip would be in the middle of the street as they're trying to cross. Also make sure they wear appropriate shoes. Oversized clown shoes or adult high-heels are dangerous for little feet to walk in. You can also help prevent a fall by opting for facepaint over a mask when possible to help your kids see better.
3. Lay down the ground rules and stick to them. This is one of the easiest Halloween safety tips to let slide, but it's one of the most important. In the excitement, it's easy for a kid to forget the rules. That's why you're there. Don't forget to remind them and be firm about it. You're not a party pooper, you're protecting them. Make sure everyone sticks together and waits to go to the next house as a group. No one runs ahead. Review the rules for crossing the street with your kids. Cross on a corner and don't jaywalk. Hold

- hands while you cross the street. It's easier for drivers to see groups rather than one child.
4. Bring enough adults to be able to keep track of the group. Try to have at least one adult for every six kids you take trick-or-treating. Each group of kids should be supervised and each chaperone should keep a list of what each trick-or-treater is wearing. Make sure each group has a cell phone in case they need to call 911.
5. At the end of the night, inspect the bag of goodies before letting the kids dig in. Make sure there are no open wrappers on the candy. If you see a candy with an open wrapper, throw it away. Wash any fruit before giving it back to the kids.
6. Set a limit on the amount of treats they can eat each day and enforce it. You don't want them to get sick from eating too many sweets. Let them enjoy their hard-earned booty in moderation and start thinking of costume ideas for next year.
