## Kiwanis Park Prepares For Swimming Season

By Anne Trautner

Summer is on its way, and the 1.25-acre swim pond at Kiwanis Community Park is preparing for another season.

New this summer will be a 10-foot tall water slide in the deep end of the swim pond and an obstacle course in the pond's medium depth area that is composed of individual slides and pieces that swimmers can crawl over and around.

For younger children, a new floating raft and splash area is located in the pond's shallow end.

Life jackets will be on hand for swimmers, thanks to community member Lloyd Spaeth, who spearheaded a collection to purchase the life jackets.

The village also will purchase some umbrellas to provide shade for beachgoers.

Park and Recreation Committee members agreed on Monday night that they would like to purchase four 12-foot umbrellas. Each umbrella would cost about \$2,700, which covers the cost of the umbrella, shipping and a

concrete base.

That would bring the total cost for shade structures to about \$10,800, which is \$800 over what the village board had previously approved. At the next village board meeting, the Park and Recreation committee would like to request to have an addition \$800 be spent on the umbrellas.

The new purchases are the result of a yearlong study. The village board formed a pool committee last year to evaluate ways to improve attendance at the swim pond. That committee found that one of the most desired amenities was additional shade at the beach.

Earlier this year, the village board approved purchasing the inflatable amenities, such as the slide and climbing apparatuses. It also had approved building four lean-to's to provide shade.

The village paid \$1,581 for a formal engineering review of the design, Village Administrator Matt Heiser said at the Park and Recreation Committee meeting held Monday, May 1.

## Walking A Mile In Her Shoes

– Event Raises Awareness And Shows Support Of Victims

By Anne Trautner

Most of the participants had never walked in high heels before.

But it was something they were willing to do to show their support for victims of sexual assault, domestic violence and human trafficking.

The walkers gathered at

Dublin's restaurant in West Bend on Saturday, April 29, to walk a mile in high heels.

Organized by the Washington County Sexual Assault Response Team and the Washington County Coordinated Community Response Team, it was the first time the event was held in

Washington County.

But it was part of an international men's march that originated in California to stop rape, sexual assault and gender violence.

"It's about telling victims that we understand what they are going through. We want them to know that there are good guys

out there who understand what they are going through as well. There are guys out there who will stand up for you," said Angela Berenz, who works as a victim witness specialist for the Washington County District Attorney's Office.

## History Lessons For Children

– Local Author Writes About Farmington History

By Anne Trautner

Lisa Lickel, a local author of more than 14 adult books, never planned on writing books for children.

But she was required to write something for children as part of a writing class she took about 10 years ago.

"You would think anybody can write a kids' book. How hard could it be?" Lickel figured.

But the task proved to be more challenging than Lickel had predicted.

After researching local history and developing text with proper children's vocabulary, Lickel created

a series of historical fiction books for children about the Town of Farmington.

The chapter books have become a local treasure for children.

### History Of The Farmington Books

In 1997, the Town of Farmington celebrated its 150th anniversary.

To mark the milestone, the Farmington Historical Society put together a book entitled *Footprints Through Farmington* about the town's history. Lickel helped create that chronicle.

"While we were working on that project, we looked

through a lot of records. Our township is interesting in that it was founded by so many different ethnic groups. I was surprised to see that it was not a German community," Lickel said.

Farmington was founded by people called Yankees, who were second-, third- or fourth-generation Americans moving westward. Lickel found that there were about six different ethnic groups that settled in Farmington, and several of the family descendents still live in the area.

## Drexel Building Supply Named Number One "Top Workplace"

Drexel was just named the Number One Top Workplace in Wisconsin for Mid-Sized Companies.

Drexel has been a part of the Top Workplace list for the past seven years (since 2011) but this year secured the number one spot! The most successful companies are the ones that team members believe in. After completing the Milwaukee Journal Sentinel survey, team members at Drexel Building Supply ranked the company at the top.

The team member survey is conducted by

WorkplaceDynamics, LLP who specialize in understanding what's on the minds of team members for companies across the region.

The Drexel team mission is to supply happiness, and it truly starts within our team. Drexel has several team member benefits that focus on family, creating balance at work and at home.

"It's important that our team members believe in Drexel and believe in each other," says Caitlin Stoll, Drexel Happy People Department Leader.

When owner Joel Fleischman shared the news with the team, the message was simple. "No Words, Just Love –"

Drexel's culture and team have earned them an outstanding reputation in the building community. Through teamwork, ethics and a winning attitude Drexel will continue to strive in the lumber industry without a doubt for years to come

## Continued From... Kiwanis Park Prepares For Swimming Season

However, when village trustees started the inspection process, they were told that the structures would need to meet state specifications.

The specifications call for concrete columns to be built around posts at the corner of each lean-to that are 2 feet in diameter and buried 5 feet deep into the ground, Village Trustee Dave Zehren said.

"They have to be built per state specs, and the whole thing comes up to be about \$5,100 apiece," Zehren said.

That is well over previous estimates, so the committee decided Monday night to go with umbrellas instead.

Not only will the umbrellas be more cost effective, but they will be more aesthetically pleasing than wooden lean-to's would have been, the committee members agreed.

"They surely will give you more of a pop," Spaeth said.

The swim pond still has its iconic giant mushroom sprinkler water feature for swimmers to run through.

In addition, the two existing shade structures that are located beside the swim pond will remain.

### Swim Pond Hours

The Kiwanis Community Park Pool's regular hours will begin Sunday, June 11. Limited hours of operation will begin Tuesday, June 6, through Saturday, June 10. Limited hours on these dates will depend on the weather. Call the pool at 262-626-8011 for opening/closing times.

Beginning June 11, regular beach hours will be: Mondays-Saturdays, 11 a.m.-7 p.m.; and Sundays, 11:30 a.m.-7 p.m.

Hours of operation are subject to weather conditions and/or number of swimmers.

For pool closings, call 262-626-8011.

The last day the pool will be open is tentatively August 24, depending on the weather and/or availability of lifeguard staff.

### Swim Passes

Swim season passes will be on sale at the Municipal Building through

May 31 during regular office hours. Swim passes also will be sold at the Kiwanis Park Bath House May 1-9 and May 15-31, from 11 a.m. to 3 p.m.

A pass for individual residents in grades seven-12 to enjoy 10 separate swim occasions is available for \$10. This is a one-time purchase per person.

New this year for non-residents is a 10 for 15 pass, which allows individual non-residents in grades seven-12 to enjoy 10 separate swim experiences for \$15.

Daily swim passes are available for the following fees: ages under 2, free; ages 3-17, \$3; and ages 18 and older, \$5.

Individual season swim pass fees are as follows: resident ages 3-17, \$29.75; and non-Resident, ages 3-17, \$45.

Family season swim passes cost \$51 for residents and \$70 for non-residents. A family may consist of two adults and all children in the household ages 17 and younger.

## Local Businesses Wanted

### – Kewaskum Business Expo Planned For May 23

Area businesses are invited to participate in a Kewaskum Business Expo, to be held on Tuesday, May 23, from 1 to 2:50 p.m. at Kewaskum High School.

This first-time event will be a meet and greet for area business to present employment opportunities to high school students.

The expo will give students a chance to ask questions about each

business, a specific job or internship opportunity.

Students who show interest in a business will gain an immediate contact to someone within that participating business.

The event will involve all Kewaskum High School students, from freshmen who are just entering the work force to seniors looking for summer, full-time or work during college.

To participate, business

owners simply need to be prepared to answer questions about their businesses and encourage students to apply for an opportunity that may exist.

This meet and greet is designed to be the first step in the hiring process. Any interviews, job offers or discussions on wage or benefits should take place at the actual place of business.

Businesses are encouraged to bring applications, business cards or promotional items. Kewaskum Schools will provide chairs and a table.

Businesses that are not looking for help at this time are still encouraged to be involved.

It is an opportunity to be seen by more than 600 students in two hours. One valuable connection with a student can be worth the two-hour investment of time.

The Kewaskum Business Expo is designed to provide a chance for students to find work experiences to take them through high school and into college. Local businesses shape, influence and develop these students into the next generation of leaders.

Even if a business is not hiring currently, interested students are one phone call away from being the next waiter, cashier or clerk at an area business.

There is no cost associated with this event.

To participate, contact Tim Rohlinger at Kewaskum High School at 262-626-3105, extension 4153 or at [trohlinger@kewaskum-schools.org](mailto:trohlinger@kewaskum-schools.org).

## XYZ Card Results

The winners of cards played at the Municipal Building Annex on Wednesday, April 26, were:

**Criminal Damage To Property**

The Sheriff's Office responded to a residence on Jefferson Drive in the Village of Kewaskum to investigate a report of a rock that was thrown through a front window. The incident occurred on Saturday, April 29, at 10:11 p.m.

The home owner, a 49-year-old woman, was struck and cut by flying glass. The Sheriff's Office assisted in this investigation since the village police officers were busy handling an active domestic incident elsewhere in the village.

A deputy was investigating the incident when a neighbor approached and said their residence had been "ding dong ditched." Several teens were then observed running down the road. The concerned neighbor provided a clothing description and the deputy saw one of the suspects in a vehicle and stopped the car.

Through some follow-up, the deputy was able to get additional names and eventually made contact with the main suspect, a 15-year-old Town of Farmington male, who admitted to the vandalism. The suspect had no ties to the victim. The suspect will likely face felony criminal damage to property charges, disorderly conduct and possibly reckless endangering safety given the cuts from the glass to the victim. Other enforcement action for the remaining juveniles is also pending.

**911 Call**

The Sheriff's Office received a cellular 911 call on Sunday, April 30, at 3:21 a.m. from a female, later identified as a 39-year-old Eden woman, who stated to dispatch, "Please answer."

Several call backs to the number were not successful. The caller's phone appeared to be mobile, and through some research, the deputy responded to what was believed to be the caller's home in the Town of Kewaskum.

The home ended up belonging to a family member who reported the woman currently lives in Eden. Fond du Lac County Sheriff's Office was then contacted and responded to the Eden home where they deter-

mined a domestic incident occurred which resulted in the physical custody arrest of the woman.

encouraged to contact the Sheriff's Office if they recognize the vehicle.

**Hit And Run**

The Sheriff's Office responded to the area of Lakeview Road south of County Trunk A in the Town of Farmington on April 30 at 6:08 a.m. for a report of a utility pole laying across the roadway.

Investigators were able to determine that a south-bound vehicle crossed over a driveway, striking a culvert and utility pole. It was also determined that the vehicle backed up and proceeded south into the dead-end series of roads.

Vehicle parts left at the scene suggest the suspect vehicle is most likely a 1995-1996 Toyota Camry, green/blue in color. The vehicle will have front end damage including missing both front turn signal covers. Area residents are

**Theft**

The Sheriff's Office, as well as other municipal police departments within Washington County, has been taking reports of stolen deep cycle batteries that have been removed from campers over the past week or so. Over this past weekend alone, the Sheriff's Office has taken approximately 10 such reports from local campgrounds.

The batteries are typically removed from the unsecure storage area on the front tongue area of the trailers. Investigations are ongoing, but residents and businesses are encouraged to remain vigilant and contact law enforcement if they see suspicious activity.

OBITUARIES

Helen M. Rohlinger

Helen M. Rohlinger, 83, of Campbellsport passed away peacefully on Saturday, April 29, 2017, at Hope Health and Rehabilitation Center in Lomira.

She was born on September 8, 1933, in the Town of Ashford, the daughter of Irving and Marie (Jirik) Dieringer.

On September 12, 1953, Helen married Eugene C. Rohlinger at St. Matthew Catholic Church in Campbellsport.

During her high school years, Helen was a nanny and bakery clerk at Bertotti Bakery in Campbellsport.

Helen graduated from Campbellsport High School in 1951, and upon graduation she lived in Milwaukee and worked for Title Guarantee Company. Her other careers included working as a secretary for Vande Zande Insurance Company, and for Elwing Mfg, both in Campbellsport. She and her husband also spent two years operating Gene & Helen's Bar (Brown Jug) in Mount Calvary.

She was a member of the St. Matthew's Catholic Church and was an officer for their Christian Women

Society. Helen enjoyed playing cards, going gambling, taking vacations, and watching Judge Judy.

Those left behind to cherish her memory include her daughter Linda Zehren, her grandchildren Travis (Katie) Zehren of Stillwater, MN and Melissa (Tim) Ludowissi of Jackson, her sister Rose Hackbarth of Fond du Lac, her brothers Henry (Eileen) Dieringer of Germantown and John (Jan) Dieringer of Campbellsport, her brothers-in-law and sisters-in-law; Clarence Seibel, Norman Menke, Marian (John) Karoses, Lucille Bassill, Alice (Lee) Carpenter, Daniel (Donna) Rohlinger, Therese Rohlinger, Rose (Roger) Ramthun and Joan (Syl) Neis, many nieces and nephews, other relatives and friends.

Helen was preceded in death by her parents, her husband Gene on Oct. 16, 2007, her son Ron, her son-in-law Gary Zehren, her sisters Ruth Menke and Loraine Seibel, and brothers-in-law Syl Bassill and Lester Hackbarth.

Mass of Christian Burial will be Friday, May 5 at 6 p.m. at St. Matthew Catholic Church (406 E. Main St. Campbellsport). Rev. Neil Zinthefer will officiate and burial will be in St. Mathews Cemetery.

Visitation will be Friday, May 5 from 3 p.m. until time of Mass at the church.

In lieu of flowers memorials are appreciated to St. Matthew Cemetery Fund.

So It Goes

By Andrew Johnson

Career Fair In Brownsville

Many of the employers in this area have complained for the last several years that they have had difficulty in finding good qualified applicants to fill

job openings. There is no doubt that many factors come into play when matching workers with a jobs.

This year, we wanted to do our part by hosting a Career Fair next Thursday, May 11th at the Brownsville Community

Club between 4 p.m. - 7 p.m. There will be 15 local employers that will be present at the event. Each of them featured current job information in the Career Fair insert that was included with last weeks' paper. It is available on our website at www.kstatesman.com.

Getting the right people in the right job is a win, win for all concerned. Today's workers are looking for more than just a job. They are often looking for a career where they can use their skills to make a positive difference. Many of them want more than just a paycheck. Lifestyle is important and many people are tired of commuting and want to work near where they live.

Filling the available jobs in our community is critical for future growth. Businesses will only continue investing in this community if they can maintain a viable workforce. Our communities have so much to offer in terms of being a wonderful community to live and play in. We need to make every effort to get these jobs filled to ensure continued success in all areas of our community.

Please let anyone you know who is looking for a new career or wants to consider improving themselves or working closer to home to visit the Career Fair.

Drexel

Congratulations to Joel Fleischman and the entire Drexel team for being selected as the Milwaukee Journals' number one top workplace for a Wisconsin midsized company. The leaders of this 300 plus employee organization with deep roots in Campbellsport have excelled at developing and growing their workforce. This effort paid off big.

The business has experienced superfast growth through acquisitions and a total rebranding from a lumber company to a company that does much more. Furthermore, the company is in the process of building a new headquarters in Campbellsport complete with a coffee shop.

It is awesome that this world class company still calls Campbellsport home.

Harter is the first married man from Kewaskum to join the armed forces.

A total of 306 men between the ages of 45 and 64 years, inclusive, were registered in the fourth selective service registration held in the village hall on Saturday and Monday and the registrars were kept busy. In Washington County a total of 3,290 men registered.

Ervin Bonlender of St. Kilian suffered a fractured arm when he fell down a flight of stairs in the barn on his farm the past week. He was taken to St. Agnes Hospital, Fond du Lac.

Every household should register for ration

booklets on May 4-5-6-7. This registration is for all types of ration books that it may be necessary to issue. Sugar just happens to be the first commodity rationed.

The infant daughter of Mr. and Mrs. Frank Fleischmann was baptized Sunday receiving the name Judith Ruth. Sponsors were Miss Ruth Fleischmann and John Ruplinger.

### 100 Years April 28, 1917

The Kewaskum Fire Department received their new electric siren fire whistle, which they purchased some time in January from the Pyrene Manufacturing Co. of Milwaukee. The whistle is the largest siren made and is the double head type, easy to operate and is well adopted to answer the purpose of calling out the fire departments in small villages. The siren will sound the alarm and is operated by switches, one of which is located at the city hall and another at the central telephone station.

A daughter was recently born to Mr. and Mrs.

Albert Dettman, Jr., Boltonville.

Albert Buss, who was elected assessor of the Town of Kewaskum at the last spring election, is unable to qualify according to a ruling from the attorney general for the reason he is not a full-fledged citizen. Mr. Buss, before the declaration of the war, failed to apply for his second papers. The board appointed August Schaefer to succeed Mr. Buss for the town.

With streets, businesses and residences decorated with the national colors, Kewaskum last Sunday afternoon was aroused to a thrilling sense of patriotism by holding of a Loyalty Parade, the greatest patriotic demonstration ever held in the village. The parade headed by Uncle Sam about a mile long, consisted of fourteen units. Mr. Peter Dricken, the last Civil War Veteran left here, and who carried a large flag, marched as spry as the youngest. Although he is nearly 74 years of age, he kept a glint in his eye and a suppleness of step that rivalled his younger co-

marchers.

Help Wanted - Men, Women, Boys, Girls, to work in the Kewaskum Pocketbook Factory. Apply Saturday after 10 a.m. Mrs. Altenhofen Building.

## Weekly HEALTH TIP

### THE MIND DIET

The Mediterranean-DASH diet intervention for Neurodegenerative Delay (MIND) diet is a mix of the Mediterranean and DASH diets. Both diets are linked to reduced risk of cardiovascular disease and protecting the brain against age-related cognitive decline. The MIND diet includes leafy greens and other vegetables, nuts, whole grains, beans, berries, poultry, fish, olive oil and wine. Foods to limit (or avoid) include fried and fast foods, red and processed meat, butter, margarine, cheese and sweets. In a new study, those whose diets were like the MIND diet scored 7-1/2 years younger on cognitive tests than those whose diets weren't.

## Want To Win Two U.S. Open Tickets? Enjoy A Morning Of Golf At Big Brothers Big Sisters 26th Annual Golf For Kids' Sake

The 26th Annual Big Brothers Big Sisters of Washington County Golf for Kids' Sake fundraiser, sponsored by West Bend, a Mutual Insurance Company, will be held on Friday, June 9, at Washington County Golf Course located in Hartford.

All are welcome! Register as a foursome or individually. Register early by Monday, May 15, and save \$40 a foursome.

All golfers will have a chance to win two tickets to the US Open, at Erin Hills, June 12-18. All pro-

ceeds provide children facing adversity with strong and enduring, professionally supported one-to-one mentoring relationships that change lives for the better, forever.

The golf event will start at 8 a.m. and conclude with lunch and awards at 1 p.m. Single or four-some golfers can register by calling Big Brothers Big Sisters at (262) 334-7896, Email: [info@bbbswashco.org](mailto:info@bbbswashco.org) or register online at [www.bbbswascho.org](http://www.bbbswascho.org).

A Four-Some is \$600 and includes four golfers, a cart and lunch.

A single golfer is \$150 and includes a shared cart and lunch.

Don't forget to register early and save \$40 on a foursome.

Not a golfer or can't make the date? Consider being a sponsor. Tee/Green and prize sponsorships are still available and is a great way to market your business. Contact Big Brothers Big Sisters today to support Golf for Kids' Sake. Visit our website to learn more at [www.bbbswashco.org](http://www.bbbswashco.org).

## Document Shredding Community Event Offered Free Of Charge

Document shredding will be offered free of charge on Thursday, May 18, 3 to 6 p.m., in the Silbernagel Group parking lot, 114 Main St. in Kewaskum.

A donation of one non-perishable item or \$1 for the Kewaskum Food Pantry for every box or

large bag is suggested.

Shredding is a quick and easy way to dispose of personal information, provides added security against identify theft and is great for the environment.

All documents will be shredded on site. Participants may watch if

they want. There is no need to remove staples, paper clips or rubber bands. Papers may be in boxes, bags, etc. Please note, the shredding vendor is unable to accept X-rays, CDs or three-ring binders.

## Continued From... History Lessons For Children

"I started collecting stories from them, essentially for the book that the Historical Society was putting together," Lickel explained.

At about that same time, Lickel was taking a writing class. One of the lessons was on writing for children.

Lickel decided to use the historical information about Farmington to complete her assignment on writing for children.

Initially, her idea was to create picture books with 500 words or less. But Brenda K. Hendricks, her illustrator and publisher, convinced Lickel to create chapter books instead.

Lickel wanted to make sure the books were done correctly.

"I come from a teaching family, both my parents are teachers, my kids are teachers, A lot of my friends are teachers. So I

worked with other teachers, and worked hard to get the right kind of vocabulary for the third and fourth grade," Lickel said.

That took a lot of time. Altogether, Lickel spent two years on creating the six-book series.

But the work was worth the time, Lickel said.

"It is my little labor of love," she said.

### The Books

Each children's book has 32 to 36 pages and is based on the lives of early settlers of Farmington. The books are all historical fiction.

"They are stories about Farmington, but there are greater themes in each book," Lickel said.

For example, the book about Ann Riley tells the story of an Irish girl who tries to find her grandfather. Through rhyme and rhythm, the book shows the importance of family and community.

The book about a Potawatomi boy named Green Leaf shows the challenge of learning to blend in. The book teaches how people can become friends with others who are from a different culture.

The book about Marie Brinker, a French girl who lived in Farmington in the 1800s, teaches about peer pressure.

The story about Matthew LaCraft, a Yankee boy whose family came to Farmington from New York, is about the importance of school. The book about Huldah Harz, a German girl, is about obedience, while the tale of a Saxon boy named John

Klessig covers issues related to blended families.

"They are all themes that are very relevant today as well. So I like to think they transcend the local history," Lickel said.

### About The Author

Lickel, who grew up in Racine, has lived in Farmington for 30 years.

She became interested in Farmington history when she and her husband moved into a historic home in Farmington.

In addition to writing children's books, Lickel has written mysteries and romance novels for adults. Most are Christian-based so have an inspirational flavor.

Lickel belongs to several book clubs and writing groups, including Chicago Writers Association, Moraine Writer's Guild, the John316 Marketing Network, the Council for Wisconsin Writers and the Women's Fiction Writers Association. She is an instructor and vice president of Novel-In-Progress Bookcamp & Writers Retreat, Inc.

Lickel has been active in local and state historical societies and holds a bachelor's degree in

Russian and East Central European Studies and history from the University of Wisconsin-Stevens Point.

Her novels include the *Buried Treasure* mystery series (*The Last Bequest*, *The Map Quilt* and *The Newspaper Code*) and the award-winning romance, *Meander Scar*; *A Summer in Oakville*, co-authored with best-selling author Shellie Neumeier, *Healing Grace*, *The Last Detail* and a series of historical early reader books, *First Children of Farmington*. She has a novella in *Brave New Century*, a historical anthology, and a radio play in the anthology *A Wisconsin Harvest, Vol II*. A novella, *Everything About You*, released as part of the *Love Is* series from Prism Book Group. Branching into suspense, her other novels include the medical ethics story of *Innocents Pray* and the exploration of prejudice in *UnderStory*. She also writes short stories, feature articles and radio theater.

Lickel plans to release her latest book, a sequel to *Meander Scar*, late this summer.

Lickel's books are available on her website, [www.lisalickel.com](http://www.lisalickel.com).

## Ticks And Lyme - What You Need To Know

The Kettle Moraine State Forest - Northern Unit's Evening with Nature series concludes the season with the program, "Ticks and Lyme - What You Need to Know." The program starts at 7 p.m. on Thursday, May 11. It will be held at the Ice Age Visitor Center located off Hwy 67 half mile west of Dundee. The program is free, but donations are always gratefully accepted.

Spring is in full swing and that means more people heading outdoors to enjoy the warm weather.

That also means ticks are more active looking for a blood meal to complete their lifecycle, not caring what warm-blooded animal meanders their way. The trouble for humans is that ticks can transmit a whole array of diseases including Lyme disease, named after where it was first discovered in Old Lyme, Connecticut. Lyme is often called a master of disguise, because it can mimic so many other diseases making it very difficult to diagnose and treat.

Join the members of the Wisconsin Lyme Network

as they share the latest information on Lyme disease and other tick borne diseases. They will help dispel some of the myths about this potentially deadly disease and offer ways how to protect yourself from becoming infected by a tick.

For more information, contact the staff at the Ice Age Visitor Center by calling 920-533-8322. The center is open Monday through Friday from 8:30 a.m. to 4 p.m., and on Saturday and Sunday from 9:30 a.m. to 5 p.m.

## BloodCenter Of Wisconsin Partners With Mt. Olympus To Recognize Blood Donors

In a gesture of appreciation to blood donors for their generosity, BloodCenter of Wisconsin, part of Versiti, is offering donors special savings on a favorite summertime spot.

During the month of May, BloodCenter and Mt. Olympus Water and Theme Park in Wisconsin Dells, will offer all attempting blood donors \$6 all-day admission coupons. \$1 from every coupon will be donated back to BloodCenter by Mt. Olympus.

Coupons will be offered at BloodCenter's statewide donor centers, including downtown Milwaukee, Wauwatosa, Greenfield, Waukesha, Racine, Kenosha, West Bend, Manitowoc and Marshfield.

The coupons are available from May 1 through May 31, while supplies last.

The coupons are valid at Mt. Olympus from May 27 through June 30. Coupons can be redeemed at the park and provide \$6 admission for up to six people.

Donors of all different blood types are needed, but there is an especially great need for O negative donors. O negative is the universal blood type that is used in emergency situations and is given to trauma patients and newborn babies.

BloodCenter is proud to thank donors with this special offering as it celebrates 70th years of serving communities, saving lives, and seeking cures.

Blood donors can

schedule an appointment at [bcw.edu](http://bcw.edu) or by calling 1-877-BE-A-HERO.

BloodCenter of Wisconsin, part of Versiti, is a not-for-profit organization headquartered in Milwaukee that specializes in blood services, esoteric diagnostic testing, organ, tissue and stem cell donation, medical services and leading-edge research. We advance patient care by delivering life-saving solutions grounded in unparalleled medical and scientific expertise. The collective efforts of Versiti affiliates result in improved patient outcomes, expanded access to care, and cost efficiencies for health-care systems nationwide. # UW-Washington County Is ROCK-et On

## — Students Participate in Collegiate Rocket Competition

Seven UW-Washington County students launched their "Saturn V" rocket this past Saturday in the Wisconsin Space Grant Consortium's Collegiate Rocket Competition. The annual competition took place at Richard Bong Recreational Park in Kansasville, WI and is an opportunity for college students to demonstrate their engineering and design skills through direct application. Each team must conceive, design, fabricate and compete with high-powered rockets. This year's specific challenge was to generate electricity on ascent of launch.

Prior to launch, the rockets were inspected for flight safety at the EAA AirVenture Museum in Oshkosh. Students also completed an oral presentation at Carthage College.

The competition involved 13 teams from mainly four-year campuses, including UW-Madison, UW-Milwaukee, UW-Green Bay, UW-Platteville, UW-Stevens

Point, Carthage, Concordia, Marquette, MSOE, Ripon, along with UW-Fox Valley and UW-Sheboygan.

Scores are based on design report, flight readiness presentation and quality of fabrication, competition flight, performance post-flight evaluation report, project management, and educational outreach.

Results will be announced in a few weeks. The three top teams will present their results at the 27th annual Wisconsin Space Conference at UW-LaCrosse in August.

UW-WC students involved in the competition include members of the Physics Club and the Engineering Club. The seven student rocket team members include: Donald Christianson, Joe Gawrys, Casey Krakowski, Max Read, Vanessa Sawatzke, Arber Shehu, and Sophia Zappia. The rocket club's advisor is Swapnil Tripathi, Associate Professor of Physics/Astronomy.

## Local Residents Inducted Into The Honor Society Of Phi Kappa Phi

The following local residents recently were initiated into The Honor Society of Phi Kappa Phi, the nation's oldest and most selective all-discipline collegiate honor society.

Zackary Luedtke of Kewaskum, was initiated at University of Wisconsin-Green Bay.

Katelyn Krantz of West Bend, was initiated at University of Wisconsin-Green Bay.

These residents are among approximately 30,000 students, faculty, professional staff and alumni to be initiated into Phi Kappa Phi each year. Membership is by invitation only and requires

nomination and approval by a chapter. Only the top 10 percent of seniors and 7.5 percent of juniors are eligible for membership. Graduate students in the top 10 percent of the number of candidates for graduate degrees may also qualify, as do faculty, professional staff and alumni who have achieved scholarly distinction.

Phi Kappa Phi was founded in 1897 under the leadership of Marcus L.

Urann who had a desire to create a different kind of honor society: one that recognized excellence in all academic disciplines. Today, the Society has chapters on more than 300 campuses in the United States and the Philippines. Its mission is "To recognize and promote academic excellence in all fields of higher education and to engage the community of scholars in service to others."

## Kremer's Korner

—Guest Editorial By 59th Assembly District Representative Jesse Kremer

### Campus Free Speech: The Pillar of a Democracy

Our goal as legislators is not to micro-manage public university campuses, but to establish a basic framework of rules that an appointed Board of Regents act upon. Because the very fabric of our society is based upon liberty and freedom, especially within the tenets of the first amendment, it is imperative that our institutions of higher education remain the free marketplace of ideas.

Within a decade of the ratification of the first amendment and throughout the history of our nation, there have been numerous attempts to stifle the freedom of expression from progressive and conservative ideologies — with the ultimate goal of forcing an orthodoxy, or point of view, for political and social gain: laws to jail opponents of a political party's ideology, to silence abolitionists, to prevent immoral speech during the Victorian era, and even black laws to prevent the free speech of a particular race. Simply because an idea may be distasteful, disgusting, vulgar or offensive though, does

not make that idea illegal. This is simply the foundation of free expression and the open exchange of ideas. For instance, the 1949 Supreme Court stated that:

"The function of free speech under our system of government is to invite dispute. It may indeed best serve its high purpose when it induces a condition of unrest, creates dissatisfaction with conditions as they are, or even stirs people to anger."

In recent decades, attacks on free expression have become commonplace and in-vogue at institutions where ideas and truths should be challenged — the American university. This most recent degradation has been at the behest of the leftist elite who promote their own progressive, opinionated beliefs as gospel while touting a bumper sticker slogan of coexist.

Ironically, free expression that has been removed from the college public square in an attempt to shield young, apparently fragile, yet

critically thinking adults as offensive, has by its very nature become offensive. Attempts to stifle certain types of expression through designated "Free Speech Zones" or "Bias Response Protocols" insult the very intelligence of all college students and demean the academic community as a whole.

In short, our societal freedoms demand that it is not within the scope, nor the right, of any taxpayer funded university to shield college adults from constitutionally protected free speech.

It is high time that American universities maintain neutrality on the public policy controversies of the day. Invited speakers shall be allowed to speak freely and without interference, regardless of ideology, and Wisconsin's institutions must have rules in place to ensure that faculty and students are not mandated to publicly express a given views on social policy, but rather, to openly challenge popular, politically-correct opinions and truths.

Community members enjoy the American Legion Post 384 Pancake Breakfast in Kewaskum on Sunday, April 30.

# UW-WC Students At FACE OFF! Math Competition

Three students from UW-Washington County participated in Face Off! Mathematical Competition on April 21 at UW-Milwaukee. Face Off! is a mathematics quiz show with questions from the broad realm of mathematics. The contest is open to college students enrolled in Calculus I.

The program was organized as a part of the Mathematical Association of America-Wisconsin

Section meeting. Other campuses competing included UW-Milwaukee, UW-Whitewater, UW-Platteville, Lakeland College, St. Norbert College, Carthage College and UW-Marathon County.

This is the first time that students from UW-WC participated in the Math Face Off! Competition.

The UW-WC participants included Amber Lance, Brandon Lampi and Collin Gundrum. Each

team of 2-4 students plays as a famous mathematician. The UW-WC team name was Descartes. They were awarded with a one year subscription of mathematics software Mathematica.

UW-WC Math professors, Mohan Thapa and Deepak Basyal, were instrumental in registering and taking students to this math event.

UW-Washington County students Amber Lance, Brandon Lampi and Collin Gundrum compete as Team Descartes in Face Off! Math competition at UW-Milwaukee.

## FEATURE BUSINESS OF THE WEEK

### Little Folks School House

Little Folks School House is owned by Dodie Sargent. She brings 33 years of experience, receiving her training at U.N.H. and UW-Milwaukee. The Assistant Director, Jennifer Melzark has 16 years in the field and received her training at Marian College. Along with Dodie and Jennifer are 23 employees.

Little Folks is rated 5 stars by the Wisconsin Youngstar program and Nationally Accredited. The majority of the teachers have two or four year degrees and are dedicated to providing quality childcare.

Dodie provided licensed family childcare from 1983-1997 and opened the group center (Little Folks School House) in 1997 in the Town of Wayne. After outgrowing the Wayne building, they built a bigger center in Kewaskum which opened in 2006. There are five classrooms, three age separated fenced playgrounds, a coded secured entry and camera monitored classrooms. They also provide before and after school care at Little Folks and Kewaskum Elementary School. Little Folks also serves as a teaching center for Moraine Park Technical College. Students are placed with them every semester for their practicum experience where the Little Folks teachers mentor them.

Little Folks strives to form working partnerships with families. They respect the parent's insights and concerns and want them to feel comfortable leaving their children in their care, knowing they will be safe and nurtured as they help to develop and grow.

# Boltonville Sailor Mentors Boy Scouts While Serving In Spain

During a chief petty officer 365 event, Seabees hosted local Boy Scouts for demonstrations and hands-on learning at Camp Mitchell on board Naval Station Rota, Spain on April 21.

This event allowed chiefs and first class petty officers of Naval Mobile Construction Battalion (NMCB) 1 to demonstrate to the Boy Scouts of Den 5 Pack 283 different methods of earth moving and horizontal construction operations while receiving hands-on experience.

"Events like these help us educate the younger generation on what the Seabees do, and what the Naval Construction Force is all about," said Builder 1st Class Luke Johnson, from Boltonville, Wisconsin. "Building community relations with these types of activities is important, because it also shows that we are able to support them with some of their projects, like aiding the Eagle Scouts for instance."

The Scouts gathered around Johnson to watch a demonstration of how a masonry wall is set and built. After showing the children how to lay a block and properly apply the mud, he gave each kid a chance to practice the technique himself. They learned how to properly apply the mud to the block and lay it to start a corner of a wall.

Also on display, Equipment Operator 1st Class Jared Vehrs, from

Elderton, Wisconsin, showed the process of earth moving operations. Vehrs operated a bulldozer and a dump truck to show the process of moving dirt and removing it from the site.

"Earth movement is a big part of construction and environmental activities," said Vehrs. "So many things in construction require some type of earth movement. There will always be a job in this field. It's important that we show the Boy Scouts, because even though they may not see it right away, at some point they will, and they will understand the [construction] process."

After the demonstration was over, the children were allowed to go up and sit in the driver's seat of the equipment. Vehrs explained how all the controls worked and how the different vehicles all worked together to accomplish one job. At the end of the mentorship, the kids were excited to show what they had learned and some were even asking when they could come back to see more.

"Overall, it was a successful experience for both sides," said Johnson. "I think we really brought a lot to the table and gave the kids a good understanding and a new perspective about what construction really consists of and what Seabees can do for the community."

Builder 1st Class Luke Johnson, from Boltonville, teaches block laying technique to Taylor Rhinehart, 10, during a chief petty officer (CPO) 365 mentorship event on Camp Mitchell on board Naval Station Rota, Spain on April 21. Chiefs and petty officers, assigned to Naval Mobile Construction Battalion (NMCB) 1, hosted the Boy Scouts of Den 5 Pack 283 for demonstrations and hands-on learning experiences.

## Stars And Stripes Honor Flight Welcomes Vietnam Veterans

Stars and Stripes Honor Flight has announced that, beginning Monday, May 1, the organization will begin accepting applications from veterans of the Vietnam War.

"Our Vietnam War veterans have been patiently waiting their turn for an Honor Flight," said Paula Nelson, president of Stars and Stripes Honor Flight. "Now that many of our WWII veterans have been honored, and most of the Korean War veterans who have elected to fly with us have done so, we are ready to welcome our Vietnam veterans for their day of honor. We look forward to giving them the welcome home that they have deserved for so many years. The incredi-

ble support that we have received from our friends and neighbors throughout Southeastern Wisconsin has made it possible for us to begin flying this next group of deserving veterans."

An online application will be available at [www.starsandstripeshonorflight.org](http://www.starsandstripeshonorflight.org) beginning Monday, May 1. WWII and Korean War veterans who apply, whether online or with a paper application, will still receive priority. However, the organization expects to begin flying large numbers of Vietnam veterans beginning with the September 16 Stars and Stripes Honor Flight. Flights are also scheduled for Sat., October 14 and Sat., November 4.

A Stars and Stripes Honor Flight is a one day, all-expenses-paid trip to Washington, DC for a WWII veteran, Korean War veteran, Vietnam War veteran or terminally ill veteran of any conflict to see the memorials that were built in their honor and to experience a full day of honor and appreciation for their service. The flights originate from and return to Mitchell International Airport.

Stars and Stripes Honor Flight is an all-volunteer, 501(c)3 organization, and the flights are funded completely by individual and

corporate donations. Approximately \$.98 of every donated dollar goes directly to flying veterans.

Honor Flight is a national program with more than 130 hubs from coast to coast. Nationally, hubs in the Honor Flight Network have taken well over 150,000 veterans to see their memorials. Stars and Stripes Honor Flight has honored more than 4,900 veterans from southeastern Wisconsin since 2008. Stars and Stripes Honor Flight is the Milwaukee-area hub of the national Honor Flight Network.

# Jason Hanson Jumps To New Height At UW-Milwaukee

By Anne Trautner

Jason Hanson, a freshman at UW-Milwaukee, won the high jump at the Drake Alternative Meet hosted by UW-Whitewater on Saturday, April 29.

Hanson, a graduate of Kewaskum High School, set a new personal best of 6 feet 10 3/4 inches.

That ties Hanson for third in Panther history and ranks him tied for 40th in the NCAA West Region rankings.

With that achievement, Hanson was named a Horizon League Men's Track & Field Athlete of the Week on Tuesday. This is the second time this year that Hanson has received the league's weekly honor.

Hanson was not expecting to jump to a new height at last weekend's meet. In fact, he was not overly motivated to compete in an outdoor meet that day.

But because of the weather, the competition was moved inside.

"Once we came indoors, I took advantage of the climate-controlled environment that we had," Hanson said.

The Kewaskum native dominated the high jump event, clearing the bar at 2.10 meters on his second attempt. He blew away the rest of the field by more than 5 inches.

Hanson's jump exceeded his personal goal for this year of 6 feet 10 inches. He has big plans for the remainder of his college career.

"Next year I'm shooting for 7 feet, and after that 7.2 over the course of the next four years," Hanson said. "I'm hoping to keep working hard to keep making slight successes to stay motivated," Hanson

JASON HANSON

said.

Prior to Saturday's meet, Hanson's highest jump had been 2.07 meters, or 6 feet 9 1/2 inches.

"This year we changed my approach, and with the training I have gotten, I have been able to go higher than expected," Hanson said.

Hanson attributes his success this year to the his training under Coach Garrett Huyler, who is an all All-American high jumper who has cleared 7 feet 4 1/2 inches. This is the seventh year that Huyler has volunteered to coach the UWM track team.

"We do a lot of technical stuff, whereas in the past I did more with my approach. Now we work a lot on the drills to improve our vertical leaping ability. And there are a lot of drills that use our flexibility so that we can get up over the bar and arch a little better," said Hanson, who has been training with the team since September.

Huyler says that Hanson has the potential to clear even greater heights.

"He's a very talented kid. He works hard. He's got all the athletic ability in the world. He's strong, fast, he jumps high. Now it's fine tuning everything and staying focused on the smaller details, and

with that will come even higher jumps," Huyler said.

The UWM team has a young group of high jumpers this year. For many of the freshmen, a challenge is concentrating on just one sport throughout the entire year.

This is true for Hanson, who had been a multi-sport athlete at Kewaskum High School, participating in track and field, football and basketball.

"He is becoming more of a student of the [high jump] event, which is good. That is always one of the hardest things to do when you come in from high school and you haven't really focused in on all the little details before," Huyler said. "It takes a different kind of person to stay focused on one thing all year. You have to be very patient."

Still, Hanson keeps things light at practice, Huyler said.

"He's a good kid to have around. He's always in good spirits. He's always smiling. He's always working hard, it's always good to have someone like that around," Huyler said.

Last weekend, in addition to Hanson's win, the UWM men's team claimed the top two spots in the 1500 meters, first and third in the triple jump, first in the long jump, first in the javelin, first in the 100 meter, first in the 4x100 meter relay, first in the 200 meter, fifth in the 110 meter hurdles, sixth in pole vault, and second and third in discus.

Hanson will be the top seed as the team goes to compete in the Horizon League Conference Track and Field Championships in Youngstown, Ohio, starting Friday.

# Discus Throwers, Relay Teams Have Big Efforts At Pewaukee

By Judy Harlow

Juniors Riley Donovan and Cade Petersen provided a 1-2 finish in the discus; the 4x100-meter relay quartet was a winner; and Derrick Brock finished first in the 300 hurdles, highlighting Kewaskum's efforts in the annual Altheimer Invitational held in Pewaukee on April 28.

Elkhorn nipped New Berlin Eisenhower, 111.5 to 109 for top honors in the boys competition, while the Indians were fifth with 72 points, with 52 of those points coming in the discus, the hurdles and two relays.

"I thought we had a real exciting meet," KHS coach Kris Evans said about the event, reporting he did "pull back a little" in this meet, holding some of his athletes out.

Donovan threw the discus 141 feet, 9 inches (141-09), which is close to his personal best, while Petersen was six feet back at 135-04 as the Indians dominated the top

spots in the event.

In the relay, it was Brady Hanson, Tony Steger, Cameron Dodge and Kyle Pamperin toting the baton one lap in 44 and .61 seconds (44.61) to win by 1.14 seconds. "That was their first time under 45 seconds," the coach said.

Brock had another good day in the hurdles but not exactly what he had hoped for. In the 110 highs, he had to settle for third place with a time of 15.71, .55 of a second behind the winner. Brock gained some redemption in the lows, winning with a good time of 40.11. Evans reported this was a meet record.

Kewaskum's 4x400 quartet, including Brock, Jakob Hrica, Hanson and Petersen, finished second with a season-best time of 3:29.27.

"That puts us as one of the top Division-2 teams in the state," Evans said.

Petersen also chipped in with eight points for his team with a second in the 200 on a close race with Pewaukee's David Young,

22.54 to 22.68. "That 200 was a heck of a race vs. top competition," Evans said.

Other top-six finishes by KHS athletes included: 400 — Tyler Heus, 5th, 53.67; high jump — Isaiah Cochran, third.

For the Lady Indians, it was another long day with their young athletes trying to keep up with veterans of the sport. They finished ninth out of 11 teams with 13.5 points. Eisenhower won the team title with 11-.5 points, just ahead of Mayville's 105.50 and Pewaukee's 100.

Ramaela Olla had the best finish of the day for KHS. She turned in a time of 12:20.15, a personal record by 15 seconds, in the 3,200, which was good for fourth place. "Olla just keeps getting better and better," Evans said.

Grace Marchello also ran well, taking fifth in the 1,600 (5:46.97) while Emily Halterman placed sixth in the discus (79-11).

# With Quick Start And Good Pitching, Indians Shut Out Winneconne

By Judy Harlow

The Winneconne girls softball team is no longer undefeated in East Central action.

Behind a fast start and another sterling pitching performance by sophomore Kennedy Lehn, the host Kewaskum Indians shut out the Wolves, 2-0, in a game played at Kiwanis Park on April 25.

"It was a quick game. It was a good game," KHS coach Jeff Gosse said afterward, praising Lehn and hitting stars Breana Trepes, Maddie Geidel and Brittney Williams, who were the main characters in this latest KHS victory story.

Trepes opened the first inning with a single, and Geidel, one of the hottest hitters in southeastern Wisconsin, if not the whole state, came through with a clutch double to right field, putting runners at second and third.

Williams, a senior who has moved from catcher to left field this spring, brought both her teammates home with a single to straightaway center.

While the Indians delivered on the early scoring opportunity, the rest of the game was a little frustrating from Gosse's point of view. "We left a lot of runners on base. We left 13 runners on," Gosse moaned about situations where his Indians did not come up with the key hit they needed.

One example came in the bottom of the sixth when KHS had the bases loaded with two outs after Sydney Donath led off with a pinch hit single, Trepes, who was 3x3 on the night, blooped a single to left-center and Geidel (2x3) got hit by a pitch. Winneconne pitcher, Marissa Russell, got out of the jam when she got Williams to ground out to second.

Still, KHS got the victory, improving to 3-2 in East Central play and 5-2 overall, while Winneconne is now 6-1 in the EC and 11-3 overall.

Lehn was tough on her opponents again, giving up just four hits, including a double by Russell in the seventh when the Wolves had two aboard before Autumn Hunter struck out

to end the game.

Lehn struck out 12, walked just one and threw 91 pitches in the game. When asked what pitch was working for her, the immediate response was, "My cutter," which she loves to place on the inside corner of the plate.

Concerning the big Indian turnaround after losing the first two games, Lehn said, "I think those two losses made us push forward ... gave us drive. We want to win!"

Lehn also took time to comment on her new catcher, sophomore Leah Theusch, who has been impressive. "She's a very good catcher, and I have a lot of confidence in her," Lehn said. "She knows where the pitches are going to go."

## Lady Indians Continue Their Winning Ways

By Judy Harlow

The windy and cold conditions were brutal, still the girls on the Kewaskum High softball team kept their focus and went undefeated in the annual Weyauwega-Fremont Tournament held on April 29.

Senior outfielder Brittney Williams was a hitting star in both the 6-0 shutout win over the host team (10-7) and in the thrilling 5-4, nine inning victory over Whitnall (6-3). Williams went 3x5 against Whitnall, with a double and one run batted in (RBI). In the opener, Williams went 3x4 with a triple and two RBI.

Sophomore pitcher Kennedy Lehn was her usual stingy self in the opener, giving up just one hit — a double in the second inning — while striking out 11 and walked one. Whitnall got seven hits off Lehn but also struck out 12 times.

With the two wins, the Indians have improved to 7-2 on the year. Their win streak currently stands at seven.

"She hit real well," KHS coach Jeff Gosse said about Williams, adding the weather was another big

part of the story. "The wind was brutal, but the girls figured it out," bringing plenty of warm clothes. We must have had 20 blankets in the dugout, and between games, the girls sat in the bus."

In Game One, Kewaskum scored two runs in the third and another three runs in the fourth toward the win.

In addition to Williams' contribution, Maddie Geidel had two base hits, including a double, with one RBI. Sophomore catcher Leah Theusch chipped in with two hits, including a double, and Breana Trepes' one hit drove in a run.

Gosse said it was especially nice to see Theusch break out of her slump

Whitnall took a 1-0 lead in the bottom of the first, and the score stayed at 1-0 until the fourth when KHS pushed four runs across the plate, taking a 4-1 lead.

Whitnall drew closer with a run in the fourth and tied the game with a pair of runs in the bottom of the sixth. Neither team scored in the seventh or eighth, then the Indians broke the tie in the ninth when Trepes led off with a sin-

gle, then Geidel struck out and Williams singled up the middle, putting runners at first and second.

Lehn was up next, and she hit a ground ball scooped up by one of the Falcon infielders, who threw to first to try for the out there. "They went for Kennedy at first, and I just kept her (Kaitlyn Leitheiser, the pinch runner for Trepes) running," Gosse said.

In the Falcons' half of the ninth, Lehn got the first out, according to Gosse, who said she walked the next two hitters, got the second out, then intentionally walked the next hitter before getting the final out on a strike out.

KHS had 11 hits against the Falcons, including the three by Williams, three more by Lehn, who had one double and an RBI, and two by Geidel, who had an RBI.

Kewaskum has another big week coming up, starting with a game scheduled against unbeaten Waupun on May 2. The Indians host Berlin this evening (May 4), then go to the West Bend Tournament on Saturday, May 6.

## Tennis Players Have Difficulties Against County Competition

By Judy Harlow

It's not too often the word windchill is associated with a tennis match, but that was definitely the case April 29 when teams from Washington County, including Kewaskum, gathered at Slinger for the annual county competition.

The real temperature was in the low 40s, and factoring in the wind, it was like mid to high 30s for the players who had to adjust their games every time they switched courts.

In the end, West Bend East, which has been breezing through the competition in the Wisconsin Little Ten Conference, was crowned as king after scoring 28 points, four more than Slinger, a team the Suns beat 7-0 in a dual meet last week.

Kewaskum, the only Division 2 school in the competition, struggled to win matches. At number one doubles, Jared Chesak and Brent Goeden took fourth place after suffering their first two losses of the season.

"What separates us from the Division 1 schools is depth," KHS assistant coach Peter Garcia said. They usually have one or two singles players with lots of 'Pleasant Valley' type experience. If we had this luxury, we too would be a force to be reckoned with.

But truth be known, I would not trade any of our young men as they are all a joy to coach."

Garcia was alone at the meet because head coach Andrew Dahlberg was at the state solo and ensemble competition in Milwaukee. It was a difficult task coaching because the matches were played at three different sites between Slinger and Hartford.

Goeden and Chesak defeated Tzouchi Vang and Shia Lor of King 6-0, 6-2 in the opening round before losing to the eventual winners, Cory Ehlenbach and Nate Kolz of Pius XI, 1-6, 3-6 in a match where the Indians led in several games but could not finish.

Ehlenbach and Kolz (who qualified for the D-1 state meet last year with a different partner) beat East's Ethan Wedemayer and Joey Michels for the title, 6-2, 6-3.

Kewaskum also got a win from seniors Zackary Brogaard and Tyler Schellinger at number two doubles in the consolation round. After losing to a Pius twosome, they bounced back to defeat Chance Fisher and Harry Vang of King, 6-2, 6-2 before losing to Germantown's Reid Pohland and John Weber, 2-6, 1-6.

"I still believe in Zackary and Tyler. They are com-

ing together as a team. Right now they continue to make progress in learning to play with each other," Garcia said.

The other Indian to win a match was freshman Bryce Halvorsen at No. 4 singles. After losing a close match to West's Parker Semerade, Halvorsen defeated Andre Quarino of King, 6-4, 5-7 (5) before losing the consolation title to Slinger's Jamie Melius, 2-6, 2-6.

"Bryce was a trooper, spending the day by himself with no team or coach support," Garcia said, referring to the fact the number fours played their matches at a park in Hartford. "Bryce is a young man with no previous tennis experience, comes to practice each day, listens and then incorporates new techniques into his game," Garcia said, confident he will develop into a good player.

While Devin Schneider was winless at number one, Garcia liked the way he battled back against Hartford's Taner Brault, winning the second set, 6-3, then losing by two points in the tie-breaker.

Washington County Tennis Tournament Team results: 1. WB East, 28 points; 2. Slinger, 24; 3. Germantown, 20; 4. WB West, 16; 5. Hartford, 15; 6. Pius XI, 13; 7. Rufus King, 6; 8. Kewaskum, 4.

Leah Theusch catches in a game against Winneconne this past weekend as the Kewaskum Girls Fastpitch team dominated in the Weyauwega-Fremont tournament. The team started off by beating the state-ranked Weyauwega-Fremont team 6-0 and finished the day off beating state-ranked Whitnall in nine innings 5-4.

## Kewaskum Finishes Second In EC Golf Event

By Judy Harlow

Jacob Schlosser led Kewaskum with one-over-par 37, tying him for medalist honors in the East Central mini-tour golf event held April 27 on the front nine at the Washington County Golf Club.

With three of its players dipping under 40, the Plymouth Panthers claimed the top spot in golf event, and Waupun finished third in the meet with a 168 total.

These were some pretty

amazing scores considering the rainy and windy conditions the players faced on the Hartford course.

Junior Jordan Carlton turned in a 40 for the Indians, followed by Brad Buechel's 41. The other KHS counter was Talon Ralph, who finished with an eight-over-par 44.

Plymouth has now won three of the first five mini-tour events.

EC Meet at Washington County GC: 1. Plymouth, 157; 2. Kewaskum, 162; 3. Waupun, 168; 4. Winneconne, 172; 5. KML, 177; 6. Berlin, 179; 7. Campbellsport, 201; 8. Ripon, 235.

Current EC standings: 1. Plymouth, 8 points; 2. Kewaskum, 11; 3. Waupun, 14; 4. Winneconne, 17; 5. KML, 28; 6. Campbellsport, 29; 7. Berlin, 33; 8. Ripon, 40.

Plymouth won the EC mini-tour event hosted by Waupun on April 24, besting the Indians by five shots, 165 to 170 to take a two-point lead in the conference standings.

"Had a beautiful day for golf and a solid finish at second," KHS coach Casey Scheel said, reporting Jacob Schlosser and Plymouth's Jake Willeford tied for medalist honors, with four-over-par 40s, while Brad Buechel was tied for third with three others at 41 on the 3,221-yard Rock River CC track.

The Indians were missing James Banks in their lineup for this match. His place was taken by sophomore Travis Griesemer, who "had an up and down round," according to Scheel, who said, he was proud the way Griesemer

finished for a 45.

The other counter was Jordan Carlton, who posted a 44. Talon Ralph's 54 was thrown out.

"(I was) Proud of the way the golfers kept their composure and put together some solid rounds, enough to keep us in contention at the top of the conference," Scheel said.

EC Meet at Rock River CC: 1. Plymouth, 165; 2. Kewaskum, 170; 3. Winneconne, 172; 4. Waupun, 173; 5. Campbellsport, 190; 6. Berlin, 193; 7. KML, 196; 8. Ripon, 217

"We were busy over the weekend," Scheel said, reporting his team finished third out of 13 teams in the Port Invitational at Hawthorne Hills Golf Course in Fredonia on April 28 and third place in the Cougar Scramble at Auburn Bluffs on April 29.

Kewaskum, led once again by Jacob Schlosser, posted a 410 in the Port test, which counts all five scores. Schlosser fired a 78, one shot ahead of Brad Buechel, and then came Jordan Carlton, Talon Ralph and James Banks, all with 80s.

Whitefish Bay won the team title with a score of 389, followed by Grafton, which was at 306.

In the four-person scramble at Campbellsport, "We finished tied for third and won third place due to a tie-breaker. We shot a 68," Scheel said, reporting Plymouth won with an impressive 14-under par 58. The names of those participating in the scramble were not available.

## Bauer Goes On Scoring Spree As KHS Gains Soccer Split

By Judy Harlow

Losing 4-0 with 15 minutes remaining in its game against Kettle Moraine Lutheran on April 27, the Kewaskum High soccer team could have just kicked the ball around and waited for the clock to run out. But somehow, despite the cold and rain, the Indians found enough energy and grit to push hard, score two goals and lose by a more respectable 4-2.

"We had been getting

some OK looks. We just couldn't finish," KHS coach Luke Piwoni said about the game. "Once we got the first one, things just flipped, and we were a completely different team. We were putting the pressure on them."

This game was supposed to be played in Kewaskum but its soccer field is still in bad shape after all the rain, so it was moved to Jackson, where the Chargers jumped out to a 2-0 lead in the first half with one goal in the

15th minute and another just before half.

KML scored twice more in the second half, then suddenly the Indians began their late push, with Lizzy Bauer scoring unassisted at 74:50. Then, with 2:05 left on the clock, Molly Shulteis sent a nice pass to Bauer, who finished off the play in grand style, beating KML's Kelsey Knuth for KHS goal Number Two.

"That was a good looking play," Piwoni said, reporting Hailey Herriges started it off with a pass to Shulteis in the corner. Shulteis got the ball to Bauer, who had one touch and then kicked it in. "It was a great looking sequence."

Herriges, mainly a defender, had been moved up in the second half in an effort to generate some more offense. This adjustment proved to be very successful for KHS.

The Chargers didn't get that many scoring opportunities in the game, just nine according to Piwoni's stats, and his goalie, Taylor Cook, made five saves in the game.

Current EC standings as of May 1: 1. Plymouth, 5-0; 2. Winneconne, 4-1; 3. Waupun, 3-1; 4. KML, 3-3; 5. Campbellsport, 2-

2; 6. Kewaskum, 1-3; 7. Ripon, 0-3; 8. Berlin, 0-5

In their game against host Berlin on April 25, Indian forward, Lizzy Bauer scored goals in both halves, leading her team to a 2-0 victory.

The game was scoreless until the 35th minute when Bauer beat Berlin goalie for a 1-0 KHS lead.

Molly Schulteis set Bauer up for her second goal of the night, which came at 73:04, giving Kewaskum some breathing room.

KHS took 13 shots in the game, while Berlin went 0x7 trying to get a shot past Taylor Cook, who picked up her second shutout of the year.

"Mikayla Dogs has been playing very well," Piwoni said about his defense. "She's been making sure the defense plays together, and I can't say enough about Brandi Geldnich." Geldnich, a defensive midfielder, dropped back several times and prevented the Berlin team from getting a close range shot.

Weather permitting, the Indians had six games on their schedule this week, including a home game against Campbellsport on May 4 and a quad tournament at Waupun on May 6.

# KHS Track Teams Post Three Firsts In County Competition

By Judy Harlow

The Kewaskum boys were competitive in the field of mostly D-1 teams (except for KML and Living Word), in the annual Washington County invitational hosted by Kettle Moraine Lutheran on April 25, winning two individual events and one relay towards a fifth place with 81 points.

The Lady Indians, with few experienced athletes, had a win by Abby Meidl in the pole vault and good efforts in the 1,600, but only scored 37 points to finish eighth.

Junior Cade Peterson had an outstanding effort in the 200-meter race, just nipping

Germantown's Shon Pratcher, 22 and .97 seconds (22.97) to 23.00, for a new personal record (PR) by .13 of a second.

In the prestigious 4x400 relay, the Kewaskum quartet of Derrick Brock, Jake Hrica, Tyler Heus and Peterson, raced to a time of 3:32.23, nearly two seconds ahead of KML's foursome.

The other first place came in the high jump where Brady Hanson, who has been nursing a sore knee, cleared 5 feet, 10 inches (5-10) based on fewer misses. Isaiah Cochran cleared 5-08 for fourth place in the event.

The 100-meter dash was a good event for the

Indians, who got a second place from sophomore Cameron Dodge (11.87) and a sixth from senior Kyle Pamperin, who ran a 12.06 in the finals after turning in a 12.01 in the prelims.

Hurdler Derrick Brock had another good meet, finishing second in the 300s with a 41.96 clocking, just .39 out of first place and third in the 110 highs with a time of 16.82.

West Bend West's Kyle Wilde was expected to be the runner to beat in both hurdle events, but he did not run in this meet.

Other top-six efforts came in the following events: discus— Peterson, 6th, 133-07;

400— Heus, 5th, 54.26; and 4x100 relay — Dodge, Pamperin, Hanson, Tony Steger, 4th, 45.54.

For the girls, Meidl earned 10 points by winning the pole vault with a jump of 8-6, and the Indian duo of Grace Marchello and Romaela Olla placed fourth and fifth with respective times of 5:49.80 and 5:51.42.

Olla came back later to run the 3,200 where she placed fourth with a time of 12:36.98. The sophomore home schooler is developing into an excellent distance runner.

Jill Braatz cleared 6-06 in the pole vault to tie for sixth place.

While she didn't finish

among the top six in the 100 hurdles, freshman Maddy Thull had a PR in the event, racing to an 18.50 for seventh. Another freshman, Emily Halterman, threw the discus a personal best 86-01, good for seventh.

# Kewaskum Youth Soccer Results

**April 22**  
**Kewaskum Warriors 3, Kewaskum Storm 2**  
Kewaskum Warriors beat Kewaskum Storm 3-2. Great game to watch played by both teams. Goals scored by Alli Heipp, Emma Schultz & Emilie Steinbauer.

**April 25**  
**U9 Kewaskum Twisters 8, Slinger Fire 1**  
In contrast to the U9 Kewaskum Twisters' first defensive face off, April 25th's game against the Slinger Fire at Polk Field was predominantly offensive. The offensive unit did a great job maintaining their positions and spacing, allowing for excellent ball movement from accurate passing. Both Carson Maine and Liam Stoffel scored twice in the first half and once in the second. Cooper Saeger also scored twice in the second half. Slinger's only goal came in the second quarter, bringing the final score to 8-1 in the Twisters' favor. The U9 Kewaskum Twisters' record so far, this spring is 1-0-1.

**April 26**  
**U12 Spartans 6, Hartford Crush 0**  
The KYSO U8 Phoenix Soccer team battled hard to tie the Slinger Hawks Wednesday night 6-6. It may have been cold and windy, but both teams heated up quickly trading goals. The team put in great effort on both offense and defense to make the game exciting for all the fans. Micah Schneider and Malia Volesky proved to be tough on defense. Goals – Kingston Grisolono (3) Colton Rabe (2) Janya Dieringer (1). Assists – Colton Rabe (3).

**April 26**  
**U9 Hurricanes 2, Erin Hooligans 3**  
Kewaskum U9 Hurricanes played Wednesday night against Erin Hooligans the game was very evenly matched. All the kids played hard and the Hurricanes ended up losing right at the end 2-3.

**April 29**  
**U7 Bandits 7, Hartford 2**

Kewaskum U7 Bandits had another great win against Hartford on Saturday. Bandits came home with a win 7-2. Goals: Eleanor Korth 1, Cameron Kopf 2, Lane Saeger 1, Tyler Rabuck 2, Camedon Legate 1. Great teamwork by all seven players great assists by Lauren Conwell and Claire Geiger to set up a few of the goals.

**April 29**  
**U8 Phoenix 6, Richfield Rockets 6**  
The KYSO U8 Phoenix Soccer team played hard and tied the Richfield Rockets Saturday morning 6-6. Scoring was fast and often for both teams but the Phoenix defense was able to hold tight to secure a hard-fought tie. Sawyer Tye played solid defense and Oliver Grover consistently drove the ball down the field. Scoring – Colton Rabe (5) Janya Dieringer (1) Assists – Janya Dieringer (1).

**April 29**  
**U-8 Stars 5, Washington County Kickers 7**  
The U8 Stars played hard but lost 5-7 to the Washington County Kickers. The trio of Lydia Geidel, Tsion Gerhartz, and Cece Broughton worked well together and displayed good passing. Brendan Safford played great defense while AJ Verdic was quick on his feet. Evan Daley showed perseverance and scored all five goals.

**April 29**  
**U9 Hurricanes 4, Jackson Leopards 0**  
U9 Hurricanes played against the Jackson Leopards on Saturday. The Hurricanes won 4-0. Jett Schreiber scored the 1st goal of the game. Jonathan Gudex scored the second goal of the game. Eli Steinbauer scored the last two goals.

**April 29**  
**U9 Kewaskum Twisters 3, Slinger Wolverines 0**  
On Saturday, April 29th, the U9 Kewaskum Twisters hosted the Slinger Wolverines. The Twisters played exceptionally well as a team. Everyone showed continu-

ous hustle and attack on the ball, particularly Caleb Conwell, Eric Jungers, Ruby Gerhartz and Emerson Schmidt at both sweeper and offensive positions. Cooper Saeger followed by Aaron Schmidt at goalie made sure the Twisters had another shutout. Carson Maine scored two goals and Cooper Saeger scored as well. The final score was Kewaskum Twisters 3, Slinger Wolverines 0. The Twisters' Spring record is 2-0-1.

**April 29**  
**U10 Riptide 1, Erin 4**  
U10 Riptide battled out a cold and windy game in Erin. Charles Landvatter played a good half in the goal box and Emma Koch scored a goal in the 4-1 loss.

**April 29**  
**U12 Girl Warriors 2, Richfield Warriors 4**  
Kewaskum U12 Warriors girls team lost to Richfield Warriors 2-4. Goals scored Emile Steinbauer.

**April 29**  
**U12 Aztecs 1, West Bend 1**  
The U12 Aztecs played a solid game of soccer on Saturday. They got it started with a good display of individual dribbling from Luke Grover that saw him fouled in the penalty area earning a Penalty Shot, which Kaiden Derringer buried in the back of the net for the Aztecs to take a 1-0 lead. A very brief lapse in concentration saw the team from West Bend draw even at 1-1 before half.

An exciting second half which was full of quality opportunities created by several players. Alex Severence and Casey Schmidt gave great effort in creating chances from each of their respective sides. Even with a hectic flurry in the last couple of minutes, which saw the ball roll past the front of the goal by only a couple feet, no one was able to get a foot on it to tap it in seconds before the final whistle the game ended in a 1-1 draw.

**April 29**

**U12 Storm 11, Slinger Storm 0**  
The Kewaskum U12 Storm all girls team took field looking to rebound after a tough loss. The Kewaskum U12 Storm played the U12 Slinger Storm and who knew what would happen when the two Storms converged. The Kewaskum Storm struck first and never let up after that controlling the ball the entire game. A total of 11 goals by Avery Bell (2), Autumn Rabe (2), Morgan Adams (2), Mikaela Marquardt (2), Alison Kumrow (1) Molly Freund (1) and Hayley Butschlick (1). The excellent defensive pressure by Isabella Schoofs, Delanie Vogt, Lorren Handke and Shelby Falk resulted in an 11-0 victory. Watch out. This storm is strong.

**April 29**  
**U14 Knights 3-3**  
A cool blustery day led to a slow start. The U14 Knights found themselves down by two goals before turning things around. The team came from behind twice and tied the game late in the second half with an amazing header by Trevor Geldnich on a cross from Mark Moran. Final score was 3-3.

**April 29**  
**U12 Spartans 7, Slinger Hurricanes 2**  
Saturday's weather never affected our U12 Spartans. With a final score of 7-2 against the Slinger Hurricanes, the victory was well deserved by the entire Spartans team.

Scoring goals for the Spartans were Carter Curtin, Dillan Steger, Noah Nanz, Austin Janz, and Dawson Stahl. There were assists by many, including Gavin Schneider for Dillan Steger's goal and the Slinger Hurricanes assisted Carter Curtin on a goal from a corner kick.

Defense was top notch; only letting two goals through in the second half. They played well with Megan Clausing and Wyatt Tye offering well placed passes to our offense. Way to go Spartans.

BOARD OF REVIEW  
TOWN OF WAYNE  
WASHINGTON COUNTY  
STATE OF WISCONSIN

NOTICE IS HEREBY GIVEN that the Board of Review for the Town of Wayne, Washington County shall hold its first meeting on the 24th day of May, 2017 from 6 p.m. to 8 p.m. at the Wayne Town Hall, 6030 Mohawk Road, Campbellsport, WI 53010. Please be advised of the following requirements to ap-

pear before the board of review and procedural requirements if appearing before the board:

1. No person shall be allowed to appear before the board of review, to testify to the board by telephone, or to contest the amount of any assessment of real or personal property if the person has refused a reasonable written request by certified mail of the assessor to view the property.

2. After the first meeting of the board of review and before the board's final adjournment, no person who is scheduled to appear before the board of review may contact, or provide information to a member of the board about the person's objection, except at a session of the board.

3. The board of review may not hear an objection to the amount or valuation of property unless, at least 48 hours before the board's first scheduled meeting, the objector provides to the board's clerk written or oral notice of an intent to file an objection, except that upon a showing of good cause and the submission of a written objection, the board shall waive that requirement during the first two hours of the board's first scheduled meeting, and the board may waive that requirement up to the end of the fifth day of the session or up to the end of the final day of the session if the session is less than five days with proof of extraordinary circumstances for failure to meet the 48-hour notice requirement and failure to appear before the board of review during the first two hours of the first scheduled meeting.

4. Objections to the amount or valuation of property shall first be made in writing and filed with the clerk of the board of review within the first two hours of the board's first scheduled meeting, except that, upon evidence of extraordinary circumstances, the board may waive that requirement up to the end of the fifth day of the session or up to the end of the final day of the session if the session is less than five days. The board may require such objections to be submitted on forms approved by the department of revenue, and the board shall require that any forms include stated valu-

ations of the property in question. Persons who owe land and improvements to that land may object to the aggregate valuation of that land and improvements to that land, but no person who owns land and improvements to that land. No person shall be allowed in any action or proceedings to question the amount or valuation of property unless the written objection has been filed and that person in good faith presented evidence to the board in support of the objections and made full disclosure before the board, under oath of all of that person's property liable to assessment in the district and the value of that property. The requirement that objections be in writing may be waived by express action of the board.

5. When appearing before the board of review, the objecting person shall specify in writing, the person's estimate of the value of the land and of the improvements that are the subject of the person's objection and specify the information that the person used to arrive at that estimate.

6. No person may appear before the board of review, testify to the board, or by telephone, or object to a valuation if that valuation was made by the assessor or the objector using the income method of valuation, unless the person supplies the assessor all the information about income and expenses, as specified in the assessor's manual under s 73.02 (2a), Wis stats., that the assessor requests. The Town of Wayne has an ordinance for the confidentiality of information about income and expenses that is provided to the assessor under this paragraph, which provides exceptions for person using information in the discharge of duties imposed by law or the duties of their officer or by order of a court. The information that is provided under this paragraph, unless a court determined that it is inaccurate, is not subject to the right of inspection and copying under s. 19.35 (2), Wis stats.

7. The board shall hear upon oath, by telephone, all ill or disabled persons who present to the board a letter from a physician, surgeon, or osteopath that confirms their illness or disability. No other

person may testify by telephone.

## The Skin Cancer Foundation Shares Three Ways To Lower Your Skin Cancer Risk In 2017

— Make Everyday Sun Safety Your New Year's Resolution

The beginning of a new year is typically when people assess their health and vow to improve their well-being. Resolving to take better care of your skin is a great place to start: after all, it is the body's largest organ. Even though skin cancer is the world's most common cancer — one in five Americans will develop the disease — it is also highly preventable.

"Skin cancer is mainly a behavioral disease and it is strongly linked to sun exposure - about 90 percent of nonmelanoma skin cancers are associated with ultraviolet rays from the sun," said Deborah S. Sarnoff, MD, president of The Skin Cancer Foundation. "Proper sun protection should be a priority year-round because UV rays are present every day, even when it's cold or overcast."

The Skin Cancer Foundation recommends three critical steps to take in 2017 to help lower skin cancer risk.

**1. Cover Up**  
Clothing is the best defense against skin cancer, and the more skin you can cover, the better. But not all clothing is created equally: tight-knit fabrics (like denim) and synthetic materials (like polyester) offer better sun protection than loosely-woven fabrics and natural materials.

Wear a broad-brimmed hat to protect your face, head and neck. To protect your eyes and the sensitive skin around them, wear UV-blocking sunglasses.

**2. Use Sunscreen Every Day**

Studies have shown that daily use of an SPF (sun protection factor) 15 or high-

er sunscreen reduces the risk of developing melanoma by 50 percent. Sunscreens come in many formulas — including sprays, lotions and oils — so everyone can find one that fits their lifestyle.

For daily use, choose a broad-spectrum sunscreen with an SPF of 15 or higher. For extended outdoor activity, choose a water-resistant, broad-spectrum formula with an SPF of 30 or higher.

Apply one ounce of sunscreen to your body 30 minutes before going outside and reapply every two hours or immediately after swimming or sweating. When sunscreen shopping, look for The Skin Cancer Foundation's Seal of Recommendation, which assures consumers that a sun protection product performs as its label claims.

**3. Check in With Your Skin**

Skin cancers can be disfiguring and even deadly if allowed to progress. That's why early detection is so important — skin cancer is very treatable if detected in its early stages. However, the five-year survival rate for patients whose melanoma has spread to distant organs is only 17 percent. If detected early, before the cancer has spread, the survival rate jumps to 98 percent.

The Skin Cancer Foundation recommends examining your skin from head-to-toe monthly, and seeing a dermatologist once a year for a professional skin exam. If you spot anything new or changing, make an appointment to see your doctor right away.

## Most Significant Civil War Acquisition Yet For Wisconsin Veterans Museum

— Circuitous Journey for 1860 Flag Reads Like Detective Novel, Back of Flag Produces Remarkable Surprise

It was the evening of July 4, 1860. During an annual ball, the Ladies of La Crosse bestowed a splendid silk presentation flag to the La Crosse Light Guard, a private militia in the young city of La Crosse. Less than a year later, the Light Guard (soon to be known as Company B of the 2nd Wisconsin Regiment of Infantry Volunteers, and led by Captain Wilson Colwell,

the sixth mayor of La Crosse) would leave for Madison answering President Lincoln's call for volunteers to preserve the Union, and the flag would go with them, flying at Camp Randall on May 2, 1861.

Fittingly, the flag went on permanent display at the Wisconsin Veterans Museum in Madison during a private reception on May 2, some 156 years later and

after a most circuitous journey back. It is one of the most significant Civil War acquisitions for the museum to date. The flag is available for public viewing.

The front of the flag features script of the date along with an eagle and the words E Pluribus Unum, "out of many, one," the motto of the U.S. But it's the back of the flag that produced a remarkable surprise — a painted version of the 1851 State of Wisconsin seal, making it the earliest surviving depiction of the state seal on a military flag.

### Journey Back To Madison

In June 1861, the La Crosse Light Guard was mustered into Federal service, departing Camp Randall for Washington D.C., where the flag was kept along with other regimental baggage during the war. Three years later, Company B returned home with its ranks decimated from the war, having seen some of the bloodiest conflicts, including Bull Run, Antietam and Gettysburg. Just 27 of their original 130 members returned; all the

rest were dead, wounded or missing, with Captain Colwell among the casualties. The flag returned home as well and was preserved through the efforts of many La Crosse citizens, most recently the American Legion Post 52 La Crosse, the La Crosse Historical Society, and the Company B, 2nd Wisconsin Civil War Reenactors group, who raised \$5,000 to help conserve and stabilize the flag.

"Battle flags represent the heart and soul of our collections, and the addition of this extremely rare early example to our Civil War flag collection of 200 is perhaps one of the most important acquisitions in the last 25 years," said Michael Telzrow, museum director. "It enhances our ability to tell the complete story of Wisconsin's famed Iron Brigade."

Members of the American Legion Post 52 La Crosse, which donated the flag, the La Crosse Historical Society, which previously displayed the flag, and the Company B, 2nd Wisconsin Civil War Reenactors group were honored guests at a

reception on May 2.

### About The Wisconsin Veterans Museum

The Wisconsin Veterans Museum dates to 1901 when it was established as the Grand Army of the Republic Memorial Hall in the Wisconsin Capitol. It is an educational activity of the Wisconsin Department of Veterans Affairs and a Smithsonian Institution Affiliate which gives it

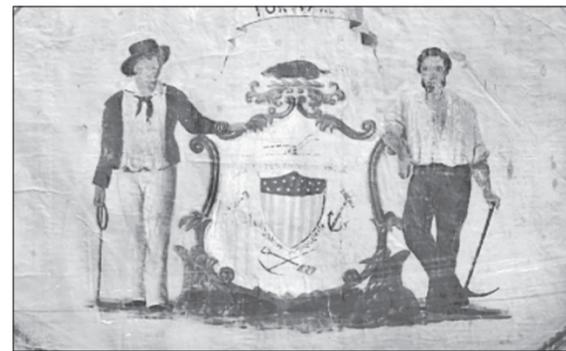

access to the Smithsonian's unparalleled collections and scholarship.

For more on the Museum's exhibits, collections and events, log on to [www.WisVetsMuseum.com](http://www.WisVetsMuseum.com). The museum is open 9 a.m. to 4:30 p.m. Tuesday through Saturday and noon to 4 p.m. Sunday, and entrance is free. It is located at 30 W. Mifflin St., directly across from the State Capitol.

This Civil War flag is now on display at the Wisconsin Veterans Museum in Madison. The front of the flag features script of the date along with an eagle and the words E Pluribus Unum, "out of many, one," the motto of the U.S.

# Continued From... Walking A Mile In Her Shoes

About 50 law enforcement officers from across Washington County participated in the event.

Kevin Klemstein, who works in the Milwaukee Police Department's homicide division, was among those who traveled from further away to walk for the cause.

"When I heard about this, I really wanted to come and participate," Klemstein said.

He brought with him a pair of five-inch red stilettos that bore a showy leopard print. He had received some helpful advice before walking in the oversized heels.

"I was told I would need Band-Aids for my toes and the back of my heel," he said in as macho of a tone as he could muster.

His best plan may have been to wait until the last possible moment to put on the uncomfortable dress shoes.

And he had a strategy

for when the walk began.

"It's all about walking on the ball of your foot," he said, admitting that he doubted he would be the first to cross a finish line in the shoes.

Not everyone brought their own shoes, though. For those in need, organizers purchased 10 of the red high heels that are created specially for the event.

In addition, End Domestic Abuse Wisconsin, a coalition in Madison that focuses on domestic violence, let the Washington County group borrow about 50 pairs of shoes of various colors and sizes for the event.

Before the walk began, organizers announced some guidelines to help the awkward-looking group.

"Don't put your heel in a crack in the sidewalk. Don't walk in the grass. Don't knock anybody down," were the rules that

were announced over a megaphone before the walk began.

In addition to trying to walk in the high-heeled shoes without breaking an ankle, each participant wore a pink sash that they had to somehow keep situated over their shoulder.

And the strong, cold wind did not help.

Kewaskum Police Chief Tom Bishop was one of the walkers in the pack who braved his way through the mile course.

Bishop admitted that he did have one misstep along the way.

"My foot came out when one of the heels got stuck in a crack," he acknowledged.

But he recovered and finished the walk without injury, except maybe some sore calves. It was all worth it, Bishop said.

"It is all about creating awareness of what victims go through. I think a lot of people saw us," he said.

Bishop was one of the officers who participated in a photo shoot at the county courthouse in an effort to create publicity for the event.

Berenz, who was one of the event's organizers, fielded a lot of questions about walking in heels.

Most people asked Berenz, "How do you women walk in these?"

Her standard answer: "It's not as easy as it

looks."

She tried to give good advice when possible.

"It is pretty hilarious filling these guys in on how they are going to have to walk. It is kind of like when you first go ice skating or roller skating, where you wonder how you are going to do this, but then eventually you get a little more graceful," she said.

Walking in the shoes gave men a new perspective of what many women go through.

Statistics show that every 109 seconds, an American is sexually assaulted. Every eight minutes, that victim is a child.

Every nine seconds, an American is physically abused by an intimate partner.

One in 15 children is exposed to this violence within a home, and 90 percent of those kids witness it.

Unfortunately, those statistics are not surprising to those who work in law enforcement in Washington County.

"We recently had two sexual assault trials in regard to sexual assault," Berenz said.

Organizers decided to hold last weekend's event in April because April is sexual assault awareness month and child abuse awareness month, Berenz said.

Walkers prepare to participate in the "Walk A Mile In Her Shoes" event in West Bend on Saturday, April 29. The mile walk was held to raise awareness of victims of sexual assault, sex trafficking and domestic violence.
